English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of students chronically absent	Percent of students chronically absent	State Average	Met State Average

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

Removal Type	Number of Students	Percent of Students
In-School Suspensions	0	0.0%
Out-of-School Suspensions	0	0.0%
Any Suspension	0	0.0%
Removal to other education program	0	0.0%
Expulsion	0	0.0%
Arrest	0	0.0%

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:00 AM
Typical End Time	2:40 PM
Length of School Day	6 Hrs 40 Mins
Full Time - Instructional Time	5 Hrs 50 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
N	N	N

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Mathematics Proficiency	N	N
Progress Towards English Language Proficiency	N	N
Chronic Absenteeism	N	N
Summative Score: Sum of all indicator scores multiplied by indicator weights	N	n/a
Summative Rating: Percentile Rank of Summative Score	N	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	N	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	• At Slackwood School, students grow and learn as problem solvers and develop their curiosity and creativity through a strong program of academics and Social/Emotional Learning. • The diversity of the students & staff at Slackwood is a source of pride celebrated each day. We are inclusive, accepting & respectful, which makes it a wonderfully supportive & cohesive community. • Our collaborative and inclusive focus is evident in our "pillars of character" program, service learning opportunities, LTEF grant projects & technology initiatives like robotics & coding.
Mission, Vision, Theme:	Our mission at Slackwood School is to help our students grow as creative problem solvers, critical thinkers, innovative citizens and kind, caring contributors to a connected global society. No matter what challenges the future holds for them, Slackwood students will be prepared with adaptability, resilience, and a commitment to show their "Golden Hearts" because "Together We Can."
Awards, Recognition, Accomplishments:	Slackwood School has been recognized as a NJ State School of Character and Lawrence Township Public Schools as a National District of Character, as identified by the Character Education Partnership in Washington, DC. Slackwood School has achieved bronze level certification from Sustainable Jersey for Schools for the ways it teaches and practices sustainability, and has been awarded multiple grants from the Lawrence Township Education Foundation to support innovative projects, technology integration and Social/Emotional Learning initiatives.

Courses, Curriculum, Instruction:	Slackwood School utilizes Readers' and Writers' Workshop models for literacy instruction, a Guided Math approach for differentiated mathematical learning and service learning opportunities which are incorporated into our daily routines. The Responsive Classroom Framework is integrated throughout the day as students and staff focus on both academic and social-emotional learning. Next Generation Science explorations are immersive, hands-on, and inquiry-based, which focus on higher level thinking and big ideas. The K-3 Thinking Skills Enrichment Program enables all students to strengthen their questioning, observational and logical thinking competencies and apply those skills to all subjects.
Clubs and Activities:	Slackwood School provides many opportunities for our students and families. The PTO supports numerous experiences throughout the year including author visits, book fairs and holiday celebrations, as well as helps to fund field trips. Students and families can participate at our multicultural nights, literacy nights, spring carnival and STEM events. All students get the opportunity to participate in concerts and art shows. We have clubs including knitting club, nurses club, chess and checkers club, book club, and cheerleading. Our newly created Equity and Diversity Committee partners families and staff to develop events and approaches which support all students and recently hosted the well attended "United In Tradition" family celebration. Third Graders have the chance to join "The Slackwood Society of the Golden Hearted" which focuses on random acts of kindness and the "Growing Buds" program gives 2nd and 3rd graders the chance to help preK students each morning.

Before and After School Programs:	At Slackwood School, we have supervised early arrival for families at 7:30 each morning. The Princeton YWCA provides the afterschool program. The Eagles Program is designed to provide additional support for English Language Learners and students from homes where English is not the primary language. This program gives academic support along with language immersion activities. Destinations is a program designed to support students who are in need of additional support and programming, which meets three times each week.
Staff and Professional Learning:	Slackwood School staff consists of classroom teachers, related arts specialists (art, music, technology and physical education) and skilled practitioners specializing in special education, English Learning, Language Arts and Math, as well as a nurse, speech therapist, school counselor, child study team members, and various para-professionals and office staff. All staff continue to grow through consistent opportunities for professional development (utilizing consultants, courses, conferences, book studies, district PD opportunities, and schoolwide initiatives).

Student Supports and Services:	English language Learners are supported by two ESL teachers who help with language acquisition and immersion. These professionals also support general classroom instruction. These students who receive ESL services are also eligible to participate in the after-school Eagles program. The Eagles Students also have an opportunity to work with a mentor through the Big Brothers/Big Sisters program of Mercer County. Special Education students receive IEP services through inclusion, resource support or self-contained classrooms. Academic Support Instructors provide instruction for students who may need additional teaching, remediation and support. These students are also eligible for after-school support through the Destinations program.
Student Health and Wellness:	At Slackwood School we are committed to the physical and emotional welfare of all students. Slackwood students and families participate in the annual Walk/Bike to school days, family fitness nights, & evening workshops. All students get recess daily and physical education 2 times per week. Teachers utilize various “brain break” activities throughout the day and students learn movement and mindfulness experiences to build academic and social emotional skills. A walking/fitness path for students, staff and families circles the outdoor playground area. Slackwood offers a breakfast program for all students The nurse does vision and hearing screenings yearly to promote long term health and shares Wellness Wednesday Activities with the school community.
Parent and Community Involvement:	At Slackwood School, we recognize that a partnership must exist between parents, teachers, and the community, so we can all work together to ensure that our students are learning and growing to their fullest potential. The Slackwood PTO provides funding to enhance programs and provides for a variety of classroom and school projects. They hold evening events, support author visits, field trips, and many other things. Our literacy nights, math nights, STEM nights and fitness nights occur throughout the year. Parents have the opportunity to volunteer in classrooms and visit as guest readers. They also have the chance to become a member of Slackwood's Equity and Diversity Committee. We also work with Rider University and TCNJ to support pre-service teachers and connect resources to support fun and engaging learning activities.

Facilities:	The original structure of Slackwood was built in 1905 with additions in 1930 and 1960, along with the modular that was erected in the 1980's. The modular classroom holds three Kindergarten rooms and the art room with the main structure housing all other classrooms. Air conditioning was added to the all purpose room in 2016. Slackwood School's outdoor features include a large playground and field, painted blacktop, walking path with exercise trail and garden area. There are hallway thinker zones and many collaborative art displays. Slackwood's facilities are maintained and updated regularly.

Other Information:	Slackwood Elementary School is a nurturing, child-centered school for students in pre-k through grade three. Teachers incorporate the Responsive Classroom Framework and the Pillars of Character program to help build empathy, character, classroom communities, and a positive, cohesive school family. This safe, caring approach to teaching and learning fosters supportive, inclusive, challenging, and joyful classrooms. The school emphasizes service learning projects and community involvement in order to support district initiatives and develop well-rounded, community conscious students. The student body is diverse and caring, and they are taught by dedicated, professional and highly qualified, experienced teachers. Our district has been named a National District of Character. In Language Arts/Literacy and Mathematics, students are instructed using the New Jersey Standards for Learning. Our Language Arts program integrates children's experiences in literature, reading, writing, listening, speaking, and viewing with themes taken from science and social studies, as well as a wealth of other relevant topics. Slackwood uses hands-on problem-solving approaches in the teaching of math and science. Students receive guided math practice and are engaged in a variety of research based strategies to support growth. The Next Generation Science Standards have provided a rigorous approach to discovery and exploration so our students are learning through complex concepts and big ideas. Students also learn through a strong instructional program that includes art, physical education, health, music, computer literacy, robotics/technology and a K-3 hands-on Enrichment program. Our diverse and unique school is truly a special place to learn and grow.
