## English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

## Mathematics Assessment - Participation and Performance

This table shows information about the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

## Mathematics Assessment - Performance by Test: Algebra I

This table shows participation and performance on the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by end of course exam. This table shows both overall and by student group the number of valid test scores and a summary of performance including mean scale scores, percentages of students scoring in each performance level, and the percentage of students that met or exceeded expectations (Level 4 or 5).

## English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

| Student Group | Percent of English Learners Making Expected Growth to Proficiency | 2017-18 Target | Met Target? |
|---|---|---|---|
| Schoolwide/English Learners | 66.7% | ** | ** |

† Target was met within one standard deviation

## English Language Proficiency Test - Participation and Performance

This table shows, by years in district, the number of English learner students taking the ACCESS for ELLs 2.0 Assessment for English language proficiency and the percentage of students tested that received an overall score of 4.5 or above. Students must receive a score of 4.5 or higher to be considered for proficient status.

| Years in District | # Students Tested | % Students with Overall Score Below 4.5 | % Students with Overall Score of 4.5 and above |

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

## NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

## Biology Assessment Information

New Jersey transitioned from the Biology Assessment to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

## PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2017-18. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

| Participation Type | School Participation Rate | State Participation Rate |
|---|---|---|
| 10th and 11th graders taking PSAT 10/NMSQT in 2017-18 | 99.0% | 85.0% |
| 12th graders taking SAT in 2017-18 or prior years | 76.6% | 72.2% |
| 12th graders taking ACT in 2017-18 or prior years | 7.5% | 24.6% |

## PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

| Participation Type | School Average Score | State Average Score | College Readiness Benchmarks | School - Students Scores at or above Benchmark | State - Students Scores at or above Benchmark |
|---|---|---|---|---|---|
| PSAT 10/NMSQT - Reading and Writing | 461 | 478 | Grade 10: 430<br>Grade 11: 460 | 58% | 62% |

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

## AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

## Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

## AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

| AP/IB Course | Students Enrolled | Students Tested |

This section contains information about participation in approved Career and Technical Education (CTE) programs and Structured Learning Experiences and students earning Industry-Valued Credentials. For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

## Career and Technical Education Participation

The graphs below show the percentage of students who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time Career and Technical Education programs in a county vocational school district are included in the percentages for both the county vocational school and their sending school.

**CTE Participants**
(completed only one course in an approved CTE program)

**CTE Concentrators**
(completed two or more courses in a single approved CTE program and/or completed the entire CTE program)

## Structured Learning Experiences Participation

The graph below shows the percentage of students who participated in Structured Learning Experiences during the school year. Structured Learning Experiences can include work-based learning programs, internships, apprenticeships, and service learning experiences and can be paid or unpaid.

## Industry-Valued Credentials by Career Cluster

This table shows by Career Cluster the number of students enrolled in approved Career and Technical Education programs, the number of students that earned one or more industry-valued credential, and the total number of credentials earned. Students are only enrolled in one career cluster, but they may earn credentials in multiple clusters or earn multiple credentials within one cluster. Career Clusters without approved credentials are grayed out. Career Cluster rows will be hidden if no students were enrolled and no credentials were earned. The last row provides unique counts of students enrolled and students earning one or more credentials across all clusters.

## Graduation Rates

This table shows 4-year and 5-year graduation rates both overall and by student group. Annual ESSA accountability targets for the Class of 2017 4-year rate and the Class of 2016 5-year rates are included with a flag for whether the annual targets were met. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

## Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

| Student Group | Number of students chronically absent | Percent of students chronically absent | State Average | Met State Average |

## Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

| Incident Type | Number of Incidents |
|---|---|
| Violence | 16 |
| Weapons | 1 |
| Vandalism | 0 |
| Substances | 17 |
| Harassment, Intimidation, Bullying (HIB) | 6 |
| Total Unique Incidents | 40 |
| Incidents Per 100 Students Enrolled | 3.33 |

## Police Notifications

This table shows, by incident type, the number of cases where an incident led to police notification.

| Incident Type | Incidents Reported to Police |
|---|---|
| Violence | 12 |
| Weapons | 1 |
| Vandalism | 0 |
| Substances | 16 |
| Harassment, Intimidation, Bullying (HIB) | 0 |
| Other Incidents Leading to Removal | 5 |

## Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bulling (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

| HIB Nature (Protected Category) | HIB Alleged | HIB Confirmed | Total HIB Investigations |
|---|---|---|---|
| Race | 0 | 1 | 1 |
| Religion | 0 | 0 | 0 |
| Ancestry | 0 | 0 | 0 |
| Gender | 0 | 2 | 2 |
| Sexual Orientation | 0 | 2 | 2 |
| Disability | 0 | 0 | 0 |
| Other | 0 | 3 | 3 |
| No Identified Nature | 6 | | 6 |

## Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

| Removal Type | Number of Students | Percent of Students |
|---|---|---|
| In-School Suspensions | 158 | 13.1% |
| Out-of-School Suspensions | 121 | 10.1% |
| Any Suspension | 220 | 18.3% |

## School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

| Category | School |
|---|---|
| Typical Start Time | 7:45 AM |
| Typical End Time | 2:30 PM |
| Length of School Day | 6 Hrs 45 Mins |
| Full Time - Instructional Time | 5 Hrs 53 Mins |
| Shared Time - Instructional Time | 5 Hrs. 53 Mins. |

## Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

| School Year | Student to Device Ratio |
|---|---|
| 2017-18 | 1:1 |

## Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

| Per-Pupil Expenditures | Federal | State/ Local | Total |

## Teachers and Administrators - Level of Education

This chart shows the highest level of education attained by the teachers and administrators. The Bachelor's category may include other degrees/certificates such as a Specialist's degree. Administrators are required to have a Master's degree or higher.

## Teachers and Administrators - One-Year Retention (District Level)

This table shows the percentage of teachers and administrators assigned to this district in 2016-17 that were still assigned to this district in 2017-18. Staff who were not retained may have changed districts or no longer work for the state (including retirements).

| Job Type | District | State |

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

## Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

| Requires Comprehensive Support during the 2019-20 School Year | Eligible to exit status in January 2021 | Eligible to exit status in January 2022 |
|---|---|---|
| No | n/a | n/a |

## Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

| Student Group | Requires Targeted Support during the 2019-20 School Year | Eligible to exit status in January 2021 | Eligible to exit status in January 2022 |

## Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

| Accountability Indicator | Score | Weight |
|---|---|---|
| English Language Arts Proficiency | 30.66 | 17.5% |
| Mathematics Proficiency | 55.59 | 17.5% |
| Graduation Rate - 4-Year | 40.97 | 25.0% |
| Graduation Rate - 5-Year | 30.46 | 25.0% |
| Progress Towards English Language Proficiency (coming 2018) | ** | ** |
| Chronic Absenteeism | 30.46 | 15.0% |
| **Summative Score:** Sum of all indicator scores multiplied by indicator weights | 37.52 | n/a |
| **Summative Rating:** Percentile rank of Summative Score | 29.51 | n/a |
| **Requires Comprehensive Support:** Summative Score is in the bottom 5th percentile | No | n/a |
| **Requires Comprehensive Support:** 4-year Graduation Rate less than or equal to 67% | No | n/a |

## Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

| Student Group | Summative Score | Summative Score Cut-off for Targeted Support | Requires Targeted Support: Low Performing Student Group | ELA Proficiency: Met Annual Target | Math Proficiency: Met Annual Target | 4-Year Graduation Rate: Met Annual Target | 5-Year Graduation Rate: Met Annual Target | Progress Towards English Language Proficiency: Met Annual Target | Chronic Absenteeism: Met State Average | Requires Targeted Support: Consistently Underperforming Student Group - 2017-18 |

| Staff and Professional Learning: | Learning is at the heart of all we do in GEHRHSD. To ensure teaching and learning occur at the highest levels, educators engage in a cycle of continuous learning that includes use of data to determine student and educator learning needs, identification of shared goals for student and educator learning, professional learning to extend educators' knowledge of content and content-specific pedagogy. This year, we continue to focus on aligning professional learning and support to the New Jersey Student Learning Standards , the (NGSS), and English Language Learner Frameworks, including the Literacy Standards for Science, History/Social Studies and the Technical Subjects—in all content areas. In addition, we continue to focus on refining and creating new courses and pathways in the Career Technical Subjects (CTE) as well as working with our post-secondary partners including local colleges and universities to ensure our students have various options both now and after graduation. |
| Postsecondary Information: | Of the 311 Class of 2018 graduates, 262 (84%) are attending a 2 or 4 year college/ university. To assist our students in meeting post secondary goals, Absegami works with each student throughout high school to develop an appropriate game plan for student application, submission, acceptance and transition to postsecondary. We host parent and student workshops to assist families in completing the FAFSA. We host College Admissions Night for parents to assist with the college application process and. We order and provide fee waivers for students to take the SAT and ACT. We are a school based testing center for students who test with accommodations and we pay for all sophomores and juniors to take the PSAT during the school day. Our students are attending Ivy League schools such as Harvard, Penn, Yale, and Princeton. Our students are accepted into public and private schools and career oriented institutions such as Pennco Tech, Devry, and Williamson School for the trades. |

| Student Supports and Services: | Learning is fostered through the development of skills that enable students to function effectively in a changing society. Instruction is developed on the firm belief that every student can learn. Our district offers academic enrichment courses and after school supports for struggling learners. Students with disabilities are enrolled in courses based on their Individualized Education Program (IEP). All courses follow the General Education College Prep Curriculum with use of modifications and adaptations on an individual basis. English Language Learners rapidly progress in English language acquisition through highly structured course delivered by a caring and committed staff of educators. Counselors work collaboratively to support the learning process and promote academic achievement and social wellbeing with consideration of student ability and learning style. Counselors regularly monitor students' courses and accumulation of credits to ensure they are meeting graduation requirements. |
| Parent and Community Involvement: | Parents are involved through different organizations, such as PTSO and ESSA. The PTSO holds many meetings throughout the year, and plans a culminating event- Project Graduation. Project Graduation gives students a safe place to celebrate with their friends after graduation. The ESSA focuses on student success through parent and community involvement. This program holds four meetings a year to evaluate school programs and initiatives, and hosts student professional development day-BRAVE Day. During this day, students are exposed to many different careers, skills and activities outside the normal school day. In addition, this program has parent meetings that updates parents about graduation requirements, personal finance and family literacy night. All of these events support parents with important information for student success in school. |

| School Safety: | Creating and maintaining a safe environment for all students and staff is our district's highest priority. We have an armed school resource officer in each school as well as security personnel scheduled during the day, after school, evenings and weekends. We have a new video surveillance camera system linked to our police departments. New technology is in place for students to anonymously report their concerns to school administrators. In addition, we have a security application that immediately locks down our schools in the event of a school emergency with INSTANT notification to police. Most importantly, we include students and staff in our ongoing dialog following security drills to further refine school safety procedures. |

| Technology and STEM: | STEM (Science, Technology, Engineering and Mathematics) offerings in our schools are unique interdisciplinary experiences for students. The Magnet Programs offer a comprehensive suite of courses arranged into several pathways of learning such as Engineering, Environmental Science, Biomedical Science, Homeland Security and Public Safety, and Computer Science and Network Technology. Up-incoming 9th grade students that apply to the Magnet Programs will commit to a four-year program of study that requires additional STEM coursework yet is flexible enough to allow for non-STEM electives. Students are immersed in coursework that requires the use of sophisticated technology, integrated projects, professional mentorships, and community service projects while participating in the program and after school clubs. Graduates of the Magnet Program go on to continue their education and research at some of the most prestigious colleges and universities across the country! |
