SEQUENCE OF CONSTRUCTION

Start Phase I upon SADC plan approval.

Each Phase to be accepted by the SADC prior to starting the next Phase.

Phase I: 30 calendar days following plan approval.

1. Pre-construction meeting & layout
2. Form horse waste into windrows
3. Submit topsoil sample to Rutgers
4. Get RU test certified by Eng & accepted by SADC
7. Get topsoil certified clean
8. Stockpile topsoil
9. Install Sediment Barriers

Phase II: 60 calendar days following Phase I

1. Turn compost windrows on a regular basis
2. Get compost quality approval from SADC
3. Remove sediment barriers
4. Spread compost on North Area
5. Conduct color test on North Area
6. Spread topsoil on South Area
7. Get South Area approval from SADC

Phase III: 10 working days following Phase II

1. Lime & Fertilize South Area
2. Seed North & South Areas
3. Mulch if required

LANDOWNER RESPONSIBILITIES:

Obtain all local permits and comply with all permit conditions. Review and approval is required from:

- Montgomery Twp Planning Board to import topsoil.
- State Agriculture Development Committee

The Somerset-Union Soil Conservation District has determined that certification is not applicable as the activity is for agricultural sustainability. The activity is not regulated by NJ DEP.

Act as general contractor to obtain the services of all subcontractors required to perform the work.

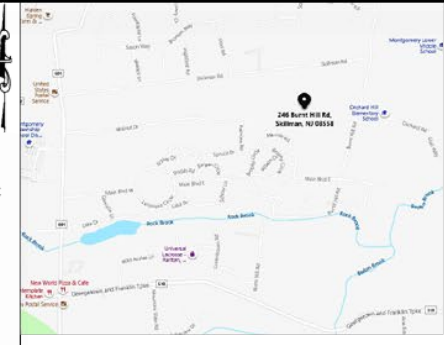

Protect all private utilities within the work area such as irrigation pipelines.

Attend (or be represented) the following with the Engineer and SADC:

- Pre-construction meeting. The North and South areas will be staked out by the SADC soils expert.
- Inspection of compost quality prior to spreading.
- Munsell color tests of the North Area after compost spreading.

Final topsoil inspection in the South Area.

Ensure that all tests are conducted as per the Sequence of Construction, and that all results are certified by the Engineer and submitted to SADC in a timely manner. The Topsoil Evaluation Test is to be certified & accepted prior to stockpiling topsoil on site.

SEEDING & MULCHING REQUIREMENTS:

The Sargeantsville Pasture Mix is pre-approved. Any other mix is to be submitted to SADC for approval. Seed rate for new pasture is 40 pounds per acre. Seed tags and invoice to be retained to ensure the application rate was adequate.

South Area to be limed and fertilized as per the Rutgers Soil Lab recommendations.

If drought conditions exist after seeding, irrigate to supply 1-inch of water per week in 0.5-inch applications.

If seeded within the Seeding Dates, assess vegetative cover after 30 days. If less than 40% cover, mulch at the recommended rate and re-seed at the full rate in the spring. If less than 70% cover, mulch bare areas. Over-seeding at a half the rate may be required in the spring. If greater than 70%, no action required.

If seeded after September 30, add Oats at a rate of 1 bushel per acre and apply mulch at the rate below immediately after seeding.

Straw Mulch Rate:	1-1/2 to 2 tons/acre
Seeding Dates:	Mar 15 to May 31 Aug 1 to Sept 30

1 - Stewardship funding is 4% of the portion of FY22 CBT funds not held in reserve and 4% of the FY21 reserve plus adjustments.

2 - GSPT Fund includes OPRA request fees, cell tower application fee, RME application fees, and net proceeds from the sale of Vealey Farm by TLCNJ.

3 - \$1M for Direct Easement program costs (appraisal, survey, and title).

4 - \$100K for contracting with review appraisers.

5 - \$1M for Municipal and County Planning Grants.

6 - Corporate Business Tax Funds Capacity includes \$3.705M from CBT interest earnings, \$35.456M from FY21 reserve + adjustments for past CBT collections, and \$44.533M of FY22 dedication. 25% of the FY22 dedication is held in reserve until FY23 when actual FY21 CBT collections are realized.

* - Due to a clerical error on the 09/23/2021 SADC approval, amount includes an additional \$22,300 to fully fund the Non-Profit round.

** - In order to account for the Non-Profit clerical error approved by the SADC on 09/23/2021, the State Acquisition CBT total has been reduced by \$22,300.

*** - CBT allocation includes \$3,705,000 in interest earnings between FY18 - FY21. \$3.579M will be applied to the State Acquisition program and \$126K will be applied to the Stewardship program.
