Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Early Childhood Education:	Englewood Cliffs offers an inclusive pre-kindergarten program and a general education pre-kindergarten class when enrollment warrants an additional class. At times, a lottery system is used to determine acceptance into the program. The program provides a cohesive, unified approach that addresses language, social, physical, cognitive, and social-emotional development that helps students sustain emergent skills. Class sizes typically range from 12-15 students and the program runs from 8:30 – 2:30. Transportation is offered, and parents/guardians pay tuition for entry into the program.
