Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:20 AM
Typical End Time	2:55 PM
Length of School Day	6 Hrs 35 Mins
Full Time - Instructional Time	6 Hrs 15 Mins
Shared Time - Instructional Time	4 Hrs. 0 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1.2:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	50.41	17.5%
Mathematics Proficiency	69.73	17.5%
English Language Arts Growth	13.63	25.0%
Mathematics Growth	19.05	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	48.20	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	36.42	n/a
Summative Rating: Percentile Rank of Summative Score	28.02	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Courses, Curriculum, Instruction:	Appleby provides a comprehensive curriculum in the areas of english language arts, mathematics, social studies, science, technology, physical education and the arts. Through the practice of guided instruction, our students are met at their own level with respect to their individual learning style. Students are provided the opportunity to work in cooperative groups, engage in project based learning, and develop the communication skills they will need to succeed at Appleby and beyond.
Sports and Athletics:	While we do not host organized sport programs at the elementary level, our students are exposed to many different athletic disciplines through our physical education curriculum. We place a sharp focus on sportsmanship, teamwork and the importance of exercise and good nutrition.
Clubs and Activities:	The arts play a significant role in our students' development and is a healthy way for them to express themselves and explore their creativity. We are proud of both our instrumental and chorale extra-curricular music programs, as well as our 5th Grade Drama Club which all provide an opportunity for our students to showcase their talents within the community. Additionally, we sponsor a Family Math and Science program which provides a fun opportunity for students to learn with their families.

Before and After School Programs:	Students may participate in the Spotswood C.A.R.E.S. program, a structured before and after-school environment where students have the opportunity to engage in educational and recreational activities. The Spotswood PTA offers enrichment and recreational activities for our students and their families throughout the school year.
Staff and Professional Learning:	Our staff view themselves as lifelong learners and as such, actively seek opportunities to hone their craft and evolve as educators. They regularly participate in professional development opportunities including monthly PD Academy sessions, Inservice training, Professional Learning Communities, and Focused Professional Learning Cohorts. Many of our staff hold multiple certifications and advanced degrees. Our newest staff members participate in a comprehensive four year induction program.

Student Supports and Services:	Appleby's Child Study Team (CST) provides consultative, evaluative, and prescriptive service to teachers and parents with regards to students who are experiencing school challenges. Services provided to eligible students include speech therapy, physical therapy, occupational therapy, counseling, social skills and ESL. Classroom settings vary including general education, self-contained, resource room, and in-class support, in order to provide the Least Restrictive Environment (LRE) for students.
Student Health and Wellness:	We understand the importance of building sound minds and bodies. Students are engaged in an array of physical activities in our Physical Education classes with the goal of building strength, stamina, and cardiovascular health. Students also learn about teamwork, good sportsmanship and the importance of making healthy choices each day. We also participate in the Heroes and Cool Kids program which pairs high school and 5th grade students with the goal of guiding students to make healthy choices.
Parent and Community Involvement:	Our success as a school is directly linked to our families and the Spotswood community. We greatly value our wonderful PTA who works tirelessly to raise funds on behalf of our students and staff by providing an array of educational and cultural opportunities which directly support our school's mission. We also work closely with the Spotswood Education Foundation (SEF) who provide educational grants to our staff each year with the goal of enhancing our students' educational experiences.

Climate Surveys:	Is a Climate Survey Used: Yes; Who is surveyed: Students, Parents, Teachers Yearly, all staff members, parents, and students (grades 5-12) are invited to participate in our School Climate Survey. Survey data is collected and analyzed to inform the following: formation of Professional Learning Communities, establishment of school improvement goals, the revision of school procedures, and the reflective practices of school administration.
Facilities:	Appleby is a moderately sized elementary school housing grades two through five. Appleby was originally constructed in 1953. The building has continued to expand based on need. Appleby has 20 regular classrooms, ten small group instructional areas, a vocal music room, an instrumental music room, a newly designed (2018) art studio, a computer lab, a 3,500 square foot media center, and an all-purpose room.
School Safety:	Spotswood School District understands that the health and safety of our students is paramount in creating an environment in which all of our members feel safe and secure. To ensure this, the Spotswood School District utilizes a comprehensive approach to school safety and security with a focus on the following areas: * Security Coordination * Communications and Alerts * Training and Drills * Plan Review/Climate Assessment. The administration of the Spotswood School District works closely with the Spotswood Police Department through our School Resource Officer, who works with all school administration. Additionally, monthly meetings are held to review all district security matters with District and Spotswood community leaders.

Technology and STEM:	At Appleby, we invite and challenge our students to use their creativity and critical thinking skills to solve problems and view the world through a variety of lenses. To that end, each of our classrooms are outfitted with interactive technology centers, access to hands-on science labs, and exposure to a new math curriculum that builds and reinforces math skills that translate from the classroom to real life. Additionally, we utilize a number of educational applications which help our teachers deliver and enrich instruction. Our students attend weekly “techknowledgy” classes where they build foundational skills which support their learning, promote exploration of the world, and encourage the sharing of ideas.

Other Information:	At Appleby, we are very passionate about educating the youth of today who will someday become the innovators, creative thinkers, and problem solvers of tomorrow. We respect and honor our differences while we embrace and celebrate the things that make us unique. We believe every child, no matter what their ability, should have the right to feel safe, inspired, and successful. We understand, at the elementary level, that we have the very important job of building a solid educational foundation and a lifelong love of learning. Our staff works tirelessly to provide an educational experience that is engaging, challenging, and rewarding. We recognize that a well rounded education does not end with academics, but also encompasses character education, the arts, and building strong interpersonal skills. We believe that the success of our students is dependent upon a strong partnership between school, home, and the community. We model a culture of collaboration, kindness, and respect with open communication and the sharing of ideas across all stakeholders. Each day we strive to find the joy in learning, sharing, and caring.
