Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:10 AM

Length of School Day	6 Hrs 35 Mins
Full Time - Instructional Time	5 Hrs 35 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	39.40	17.5%

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Highlights:	• Character Education is an important priority for the entire Ocean Road School community. • Ocean Road School was honored with the prestigious Spirit of Giving Award by the Fulfill Food Bank of Monmouth/Ocean Counties in February 2018. • Mobile Chrome Carts, a Chrome lab, and interactive Eno boards reflect a commitment to 21st Century Learning.
Mission, Vision, Theme:	Ocean Road School offers a developmentally appropriate, standards-based curriculum for students in grades PreK-5. Our staff of talented, committed educators is dedicated to nurturing the intellect and enriching the creativity of our young students.
Awards, Recognition, Accomplishments:	We are proud of the many accomplishments of our students and staff both inside and outside of the classroom! Ocean Road School's Academic Bowl Team was a strong finisher in the 2018 regional Goetz Academic Bowl competition. Ocean Road School was honored by the Fulfill Food Bank with the prestigious "Spirit of Giving Award" for delivering over 1,800 pounds of food as part of the Students Change Hunger Initiative, which was led by student members of Callan's Character Crew. We are always excited to be recognized for the many ways in which our school community shines!

Courses, Curriculum, Instruction:	Ocean Road School's literacy programs help students develop effective communication skills, an outlet for creativity, and an enjoyment of literature. Literacy instruction is centered on a workshop approach to teaching reading and writing. The Everyday Mathematics program motivates children to learn math concepts through hands-on activities and games. Science and Social Studies classes guide students to explore the world around them and to understand and appreciate cultural differences.
Clubs and Activities:	Fine Arts programs are a great source of pride in the Point Pleasant School District. At Ocean Road School, 4th and 5th grade students may participate in an after-school Chorus program. 5th grade students are also invited to be part of our instrumental music program, where they receive music lessons during the school day and participate in a before-school Band program.

Before and After School Programs:	Ocean Road School's Child Care program provides before and after school care for students in grades K-5. Children can complete their homework, play with friends, and enjoy games, sports, and arts and crafts time in the Child Care program.
Staff and Professional Learning:	All staff members at Ocean Road School - teachers, administrators, and paraprofessionals - participate in ongoing professional development activities. During the 2017-2018 school year, professional learning focused primarily on literacy and best practices in science instruction. Our staff members are enthusiastic learners who are eager to implement new practices and programs to benefit their students.

Student Supports and Services:	Ocean Road School houses the district's self-contained special education classes for children in grades K-5, as well as a PreSchool Disabled program. Children with special needs are mainstreamed with their peers whenever possible, and we are proud of the many opportunities we provide for general education and special education students to learn from each other.
Student Health and Wellness:	Teaching children to make healthy choices is a priority at Ocean Road School. Our Physical Education teachers and playground staff encourage students to be fit and active, with a special emphasis on sportsmanship and teamwork. Our Technology teacher and classroom teachers emphasize online safety and responsibility. An Elementary Counselor, School Psychologist, and Social Worker support students in developing socially, emotionally, and behaviorally.
Parent and Community Involvement:	Our school community embraces many family activities and celebrations. An active PTO supports cultural assemblies, field trips, and educational programs. The PTO plans a variety of family events, such as a school-wide Trunk or Treat, a winter holiday fair, a 5K Fun Run, and Family Fun Nights.

School Safety:	The safety of students and staff is a priority in the Point Pleasant School District. Visitors enter Ocean Road School via a single, secure entryway, and measures are in place to monitor and secure the building and grounds at all times. Students learn about safety procedures in developmentally appropriate ways, and frequent safety drills help our staff and our young learners feel confident and comfortable with how to handle many types of situations.

Other Information:	Ocean Road School's related arts program includes art, music, physical education, technology, and library for children at all grade levels. Character Education is also an everyday focus at Ocean Road School. Classroom lessons, school-wide service projects, a Panther Plus positive incentive program, and a team of students called Callan's Character Crew emphasize respect, responsibility, caring, fairness, citizenship, and trustworthiness as the core values of our school community. The entire staff at Ocean Road School is committed to teaching not only "little minds," but "little hearts" as well!
