

INTRODUCTION

The following pages contain the compensation program for State Service Executive Branch for Fiscal Year 2006.

When a salary adjustment is not specifically authorized by the Fiscal Year 2006 Salary Regulations, or by a specific allowance such as clothing or maintenance set by a labor agreement, or by a rule contained in N.J.A.C. Title 4A, such salary adjustment may be made only if approved by the Commissioner, Department of Personnel, and the Director, Division of Budget and Accounting, as provided in Section 4-A.

Salary Regulations shall be cited as SR. The citation to a particular section shall include the Fiscal Year, the numerical designation of the Section and the appropriate letter to which reference is made. Example: Payment of a shift-differential bonus for an employee in Employee Relations Group H would be cited as: SR06:1B.3.

The only salary regulations currently in effect are those contained in this document. All salary regulations issued in previous fiscal years are repealed and are no longer in effect. If you have any questions, please contact the New Jersey Department of Personnel, Compensation Management Unit at (609) 292-2487.

SECTION 1 - ATTACHMENT B
ISSUED: September 21, 2005**

SPECIAL PROVISIONS

1. Employee Relations Groups A, P, R, and S

Effective July 1, 2005 full time employees who work second (afternoon or evening) or third (night or midnight) shifts shall be eligible for a \$0.25 per hour shift differential for those hours during the second or third shift. Permanent part time employees who work at least half-time, five days a week are also eligible for the \$0.25 per hour shift differential for all hours on the second or third shift.

2. Employee Relations Groups C, I and O

Effective on or about July 1, 2005, each employee covered by this agreement shall be entitled to a two (2%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll on the effective date of this across-the-board, who were earning less than \$34,000 in base salary on the day immediately preceding this implementation, shall receive a cash bonus not included in base salary of the differential of the amount of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$34,000 (\$680.00). This bonus shall be paid on or about July 31, 2005.

Example: An employee earning \$25,000.00 on the day immediately preceding the effective date of the across-the-board increase receives the 2% ATB or \$500.00 increase. The employee's Lump Sum payment is calculated by subtracting the amount of their ATB increase from \$680.00. Therefore, this employees' bonus equals (\$680.00 - \$500.00) \$180.00

Effective July 1, 2005 full time employees who work second (afternoon or evening) or third (night or midnight) shifts shall be eligible for a \$0.25 per hour shift differential for those hours during the second or third shift. Permanent part time employees who work at least half-time, five days a week are also eligible for the \$0.25 per hour shift differential for all hours on the second or third shift.

Effective on or about January 1, 2006, each employee covered by this agreement shall be entitled to a two (2%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll on the effective date of this across-the-board, who were earning less than \$34,000 in base salary on the day immediately preceding this implementation, shall receive a cash bonus not included in base salary of the differential of the amount of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$34,000 (\$680.00). This bonus shall be paid on or about January 31, 2006.

Example: An employee earning \$25,000.00 on the day immediately preceding the effective date of the across-the-board increase receives the 2% ATB or \$500.00 increase. The employee's Lump Sum payment is calculated by subtracting the amount of their ATB increase from \$680.00. Therefore, this employees' bonus equals (\$680.00 - \$500.00) \$180.00.

3. Employee Relations Group H

Effective on or about July 1, 2005, each employee covered by this agreement shall be entitled to a two (2%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll on the effective date of this across-the-board, who were earning less than \$31,000 in base salary on the day immediately preceding this implementation, shall receive a cash bonus not included in base salary of the differential of the amount of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$31,000 (\$620.00). This bonus shall be paid on or about July 31, 2005.

Example: An employee earning \$25,000.00 on the day immediately preceding the effective date of the across-the-board increase receives the 2% ATB or \$500.00 increase. The employee's Lump Sum payment is calculated by subtracting the amount of their ATB increase from \$620.00. Therefore, this employees' bonus equals (\$620.00 - \$500.00) \$120.00.

Effective July 1, 2005 full time employees who work second (afternoon or evening) or third (night or midnight) shifts shall be eligible for a \$0.25 per hour shift differential for those hours during the second or third shift. Permanent part time employees who work at least half-time, five days a week are also eligible for the \$0.25 per hour shift differential for all hours on the second or third shift.

Effective on or about January 1, 2006, each employee covered by this agreement shall be entitled to a two (2%) percent across-the-board increase applied to the employee's current base salary. Full-time employees on the active payroll on the effective date of this across-the-board, who were earning less than \$31,000 in base salary on the day immediately preceding this implementation, shall receive a cash bonus not included in base salary of the differential of the amount of their across-the-board increase and the amount of the across-the-board increase calculated on a base salary of \$31,000 (\$620.00). This bonus shall be paid on or about January 31, 2006.

Example: An employee earning \$25,000.00 on the day immediately preceding the effective date of the across-the-board increase receives the 2% ATB or \$500.00 increase. The employee's Lump Sum payment is calculated by subtracting the amount of their ATB increase from \$620.00. Therefore, this employees' bonus equals (\$620.00 - \$500.00) \$120.00.
