Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:40 AM
Typical End Time	2:50 PM
Length of School Day	6 Hrs 10 Mins
Full Time - Instructional Time	5 Hrs 35 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Highlights:	• We implement Responsive Classroom best practices daily to develop students' social, emotional, and academic learning. • Technology is used to enhance student learning through access to a variety of devices in all classrooms. • A sheltered instruction model is integrated to support the success of our ELL students.
Mission, Vision, Theme:	Pine Beach Elementary School is a place where all students will strive for excellence academically, socially and emotionally in a safe and supportive atmosphere. We work in partnership with our parents and community to create an environment where students are empowered to discover their strengths and to achieve their maximum potential.
Awards, Recognition, Accomplishments:	Pine Beach Elementary was the recipient of the NJPSA FEA Sands Foundation, Artist in Residence Grant. Melanie Schantz, Artist in Residence came to our school and worked with our music teacher to help our students make musical instruments out of recycled materials. The students were then taught how to play their instruments and we had an “eco-sound” concert. Our students participate in the Youth Art Month at Ocean County Library; our 4th & 5th graders participate in Ocean County Math League. Many orchestra and band students participate in the South Jersey Honors Orchestra and Band. Educators at Pine Beach Elementary are recognized for their distinguished work through the Governor's Educators of the Year Program. Our school also benefited from the Sustainable NJ Grant, "Play it again, Toms River", in which we were able to use funds to repair instruments.

Courses, Curriculum, Instruction:	Our instructional program is characterized by a strong emphasis on literacy and math skills and carefully integrated programs in science and social studies. In an effort to educate the whole child, our students have the opportunity to develop their musical, artistic, and technological skills. They actively engage in physical exercise and are encouraged to live a healthy lifestyle to keep a fit body and a fit mind.
Clubs and Activities:	Extracurricular activities include safety patrol for our fifth graders. Fourth and fifth graders are invited to join the chorus and take instrumental lessons to participate in the band or orchestra. We have 5th graders who particpate in a "Leadeship Club" and act as Ambassadors at Pine Beach Elementary. We also have a group of 4th grade students who promote recycling and collect recyclables from classrooms, calld the "Green Team."

Climate Surveys:	Is a Climate Survey Used: Yes; Who is surveyed: Students, Teachers Pine Beach School uses the New Jersey School Climate Survey to develop, foster, and maintain a positive school climate. Teachers and students are surveyed at our school. The survey is given once a year and the results are compared to the previous year's data and used to improve our climate and culture. Survey data is also used to inform a variety of school-based goals and initiatives.
Facilities:	Pine Beach Elementary School is one of the 12 elementary schools that comprise the Toms River School District. Pine Beach Elementary school opened its doors in September, 1954. A tech lab was added in 1993. Our gym, cafeteria, media center, and 4 classrooms were added in 2001.Our school colors are blue & white and our mascot is the Pine Beach Panther. Our school is made up of grades K-5, housing approximately 440 students and approximately 35 full–time teachers and 15 support staff members. As one of the oldest schools, this facility will see the benefits of new windows and an air conditioned facility as part of the referendum.
School Safety:	Pine Beach Elementary is patrolled by our security officers. The main entrance has a remote locked door/video system that is opened only after checking identification of the visitor . Upgraded security cameras have been added to the interior and exterior of the building. Monthly fire and security drills are conducted following state procedures. Annual safety procedures are reviewed with all staff at the beginning of the school year and reviewed as needed. Pine Beach Elementarty takes great pride in our positive working relationship with the local police department who meets with staff and students on a regular basis to educate all on current safety concerns.

Technology and STEM:	In 2017-18, the district upgraded the building-to-building WAN network to 1 Gb for all locations with a 10 Gb connection between our two data centers. There are 1 GB Internet circuits in each data center providing resiliency from potential outages. All ed spaces have WiFi access for district and BYOD devices. The district utilizes Google Apps. Cybersecurity has seen the addition of programs to monitor network activity with upgraded firewalls. STEAM activities are scheduled district-wide around Computers Science Education Week, NJ Makers Day, NJ STEM Week and Digital Learning Day. Staff training is provided by the Supervisor of EdTech and a Web Developers at each building. Tech courses focus on computer applications, problem solving, the use of media and the maker mindset. Arts integration and staff training were enhanced through a $100,000 NJDOE PBE Arts Integration grant.

Other Information:	Pine Beach School and the community work closely together to provide experiences that enrich the lives of all children. Parents receive a weekly email blast from the Principal, a monthly calendar, daily communication with the teachers through telephone, Class DOJO, and written correspondence. We also utilize a Parent Portal system for communication. Many events are held during the school year to which parents are invited. A few are: Back to School Night, Book Fair, Halloween parade, classroom activities and parties, winter concert, spring concert, talent show, Veteran's Day, Grandparent's Day, Flag Day, Author's Night, and many more. Character education is taught daily at Pine Beach Elementary and a monthly positive character trait, such as honesty, responsibility, kindness, respect, etc., is integrated into lessons and activities to promote and nurture these traits. Students who demonstrate these traits are recognized by their teachers and rewarded with certificates from the principal. In addition to this monthly Character Trait initiative, teachers may also nominate students for our I.D.O.L.s program, Character Trait of the Month award, Authors of the Month and S.T.A.R.s program.
