Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	9:25 AM
Typical End Time	3:35 PM
Length of School Day	6 Hrs 10 Mins
Full Time - Instructional Time	5 Hrs 35 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1.4:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	77.84	17.5%
Mathematics Proficiency	78.50	17.5%
English Language Arts Growth	28.26	25.0%
Mathematics Growth	13.89	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	60.91	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	47.03	n/a
Summative Rating: Percentile Rank of Summative Score	44.49	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Highlights:	• Our Responsive Classroom approach integrates SEL practices daily. We promote positive communication and relationship building skills introduced during Morning Meeting and reinforced through each day. • Students participate daily in hands on science instruction aligned to the NGSS with the opening of our STEAM Dream Lab! This lab was created with funds received from the Ocean First Foundation Grant! • Technology is used to enhance instruction with increased access to multiple devices that enable collaboration.
Mission, Vision, Theme:	The mission of our school is to provide all students with a high quality education in a safe, nurturing environment that enables them to be contributing members of a productive, global society. The vision we embrace at North Dover Elementary School is to provide each student with challenging educational opportunities that meet or exceed rigorous academic standards by embracing critical thinking, analyzing information, and application in real world experiences.
Awards, Recognition, Accomplishments:	North Dover was thrilled to receive an Ocean First Classroom Grant , which was used to create our 'STEAM Dream Activity Lab! The lab has creative centers where students can explore, invent, discover, collaborate, and synthesize information in related to Science, Technology, Engineering, the Arts and Math! Continued collaboration with Rutgers, Stevens Institute and support of our PTO helps make this possible! We were also the recipient of a grant from the Jay and Linda Grunin Foundation, where we were able to install a greenhouse! Under faculty guidance, our 'Growing Club' practices math, science and social skills while growing healty fruits and vegetables!

Courses, Curriculum, Instruction:	The New Jersey Student Learning Standards establish high expectations for students and are implemented daily in our classrooms. Lessons in all subject areas emphasize higher level thinking skills, real world application of concepts, and workplace readiness skills that prepare our children to be successful in future careers and daily life. Word study, real-world math skills, Science discovery and technology are a part of each student's daily experience.
Clubs and Activities:	Fourth and fifth graders can participate in Chorus, Concert Band, and Orchestra. Group rehearsals and lessons occur during the school day. Students with an artistic yearn or flare can participate in Art Enrichment! Our Technology Club members meet with our Tech instructor weekly to strengthen their skills and create amazing projects! Our Physical Education teachers encourage all students to participate in district and community wide athletic events through the school year! Safety Patrol, Bus Helpers and Student Ambassador are also available for 5th grade students. A select group of 5th graders participated in our district's Leadership Camp over the summer. These students meet often with Principal McGrath to discuss and problem solve student concerns. Our student leaders have also been available to greet our parents during Visit the School Night and Parent/Teacher Conferences. Our 5th Pirate Pals spend time in classes with special needs students promoting positive relationships.

Student Supports and Services:	For academic support, North Dover has an Intervention and Referral Service Committee which meets monthly to identify and develop a plan for struggling learners. Basic skills teachers provide in-class support for English-Language Arts. Additional services available to our student population are Guidance, Child Study Team, and OT/PT services.
Student Health and Wellness:	All students receive physical education once per week. Health class, including lessons on nutrition, is offered once per week in K-Gr2, and provided by the classroom teacher in Gr3-5. Character education topics are discussed daily during instructional lessons, morning meetings, and during real-time learning opportunities during the school day. Breakfast and lunch are offered daily as well as recess time for free play/exercise.
Parent and Community Involvement:	A continual dialogue between our school, the home, and community occurs during parent/teacher conferences, School Orientation Day, Parent-Teacher Organization meetings, Back to School Night, and special classroom events. Parents are welcomed in to discuss their jobs and careers during Career Month and Cultural Diversity Month in which customs, traditions, and a sampling of authentic cuisine from the native country are shared! Our dedicated PTO has many successful fundraisers throughout the school year which provide a variety of fun family activities, 'wish list' items, and helping the less fortunate. We are very proud to have such strong community support with our school endeavors. North Dover has a strong relationship with Children's Specialized Hospital in which several classes create gift bags and cards for patients throughout the year. Our Chorus performs at local assisted living facilites during the holdiay season as well. Staff supports local charities during the year.

Climate Surveys:	Is a Climate Survey Used: Yes; Who is surveyed: Students, Teachers The NJDOE School Climate Survey is distributed to school staff and select grade levels at least once per year. Results are used to identify our school community's strengths and needs. This information is carefully monitored to assist our school community's growth and success and is often used to inform school based goals and initiatives.
Facilities:	North Dover Elementary is 63 years young, encompassing two academic wings and Special Subject classrooms. Our state-of the art air-conditioned gym is not only the site for our Physical Education classes, but also a rental facility for many community clubs and organizations: basketball, twirling, YMCA. Hallways depict beautiful murals created by our Art Enrichment Club. Our outside play areas include jungle gyms, picnic areas, basketball court and a softball field. Recent improvements include the the removal of old flooring materials and the installation of new finishes.
School Safety:	The main entrance has a remote locked door/video system that is opened only after checking identification of the visitor . Upgraded security cameras have been added to the interior and exterior of the building. Monthly fire and security drills are conducted following state procedures. Annual safety procedures are reviewed with all staff at the beginning of the school year and reviewed as needed. North Dover Elementarty takes great pride in our positive working relationship with the local police department who meets with staff and students on a regular basis to educate all on current safety concerns.

Technology and STEM:	In 2017-18, the district upgraded the building-to-building WAN network to 1 Gb for all locations with a 10 Gb connection between our two data centers. There are 1 GB Internet circuits in each data center providing resiliency from potential outages. All ed spaces have WiFi access for district and BYOD devices. The district utilizes Google Apps. Cybersecurity has seen the addition of programs to monitor network activity with upgraded firewalls. STEAM activities are scheduled district-wide around Computers Science Education Week, NJ Makers Day, NJ STEM Week and Digital Learning Day. Staff training is provided by the Supervisor of EdTech and a Web Developers at each building. Tech courses focus on computer applications, problem solving, the use of media and the maker mindset. Opportunities are expanded and enhanced through grants and foundations. Approximately half of the $515,699 raised in the 17-18 school year went to STEAM and tech initiatives.

Other Information:	North Dover Elementary celebrated its 60th Anniversary with a variety of activities! There was a time capsule uncovered on the grounds containing pertinent school and district information from 1956! Memorabilia was displayed throughout the school year and was placed back with current items during a reburial of a new capsule at the end of the school year. Faculty and student alumni were invited to an assembly to speak of their experiences and hear a presentation on the town from our local historian, Mark Mutter. Student celebrations included monthly 'Dress-up to the Decades' days along with learning the dances of that time. Students also researched highlights of each decade and presented information at a 'Time-Fair.' This was a truly great experience for our school community! We are fortunate to work in a supportive community with whom we share mutual goals of high academic achievement, good citizenship, healthful growth, and the appreciation of fine arts for our children. WE embrace the cultural diversity among our families which affords us many opportunities to share and learn about each others' cultures, heritages and traditions. this is celebrated during Cultural diversity Month each Spring. We communicate regularly with our North Dover community through our newsletter, handouts, and web pages to provide up-to-date information about school events, programs, student achievement, and the curriculum. Our families and school staff make a positive difference in the community by raising funds for charities and community organizations, such as, the American Heart Association, March of Dimes, “A Gift to Warm Your Heart” winter clothing collection, Ocean of Love fundraiser, and St. Jude’s Children’s Hospital programs. All of us at North Dover Elementary School are very proud of our students’ efforts and appreciate the support of our community. Pirate’s Gold……Education is our Treasure!
