English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Incident Type	Number of Incidents
Violence	0
Weapons	0
Vandalism	0
Substances	0
Harassment, Intimidation, Bullying (HIB)	1
Total Unique Incidents	1

Harassment, Intimidation, and Bullying (HIB) Investigations

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bulling (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:15 AM
Typical End Time	3:15 PM
Length of School Day	7 Hrs 0 Mins
Full Time - Instructional Time	6 Hrs 0 Mins
Shared Time - Instructional Time	4 Hrs. 0 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1.2:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
N	N	N

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	N	N
Mathematics Proficiency	N	N
Progress Towards English Language Proficiency	N	N
Chronic Absenteeism	N	N
Summative Score: Sum of all indicator scores multiplied by indicator weights	N	n/a
Summative Rating: Percentile Rank of Summative Score	N	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	N	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	• Kind is Cool at Clara Barton School! We began K-3 Kindness Cohorts in 2016-17. • We work on Balanced Literacy through Reader's and Writer's Workshop from Columbia University. We also use the Everyday Mathematics program. This year we incorporated the FOSS program for science. • We received a grant from the Haines Foundation to incorporate more technology use.
Mission, Vision, Theme:	The Clara Barton School prides itself on providing a school that advocates for the growth of our students both academically and socially. We have a strong character education program that permeates our academic curriculum. A great deal of our enrollment can walk to school and as our school is the smallest in the district, we work hard to reach out to our families. We take great pride in our community relationships and the families we build within our school.
Awards, Recognition, Accomplishments:	Clara Barton is a wonderful school with an incredibly inclusive school environment. We place an emphasis on PBSIS which is taught and reinforced through the following programs: Responsive Classroom, Daily Words of Wisdom, Counselor and School Social Worker Lunch Groups, School Wide-Unity program, Kindness Cohorts, Caught Being Good. We also participate in the Governor's Teacher of the Year and Educational Professional of the Year which went to Mrs. Emily Cain (Special Education Teacher) and Mrs. Courtney Finn (Speech Language Therapist).

Courses, Curriculum, Instruction:	Our academic curriculum is district based. For Language Arts we utilize the Columbia Lucy Calkins Writer's and Reader's Workshops. In Mathematics we utilize the University of Chicago Everyday Mathematics program. We base our Social Studies on the NJCCS Standards. Our science curriculum is changing to be based on the Next Gen Science Standards. We have special education, Gifted and Talented programs and enrichment. Homework is available in a student's agenda or on our website.
Clubs and Activities:	First and second graders prepare a winter concert, third graders present a musical, and kindergartners prepare for an end of year show. All students display pieces in our Art Show. In the Spring third grade students can apply to the "Garden Club." We participate in a district K-5 program in the Spring for special education students called "Tournament of Champions" where students work for personal athletic achievements.

Before and After School Programs:	Students may enroll in a tuition-based before and after school program run by our CDA (Community District Alliance). The before school program serves breakfast and the students can participate in a variety of activities to make an easy transition to the school day. The after school program provides a safe space for end of school day activities. Students have a snack and then have supervised recreational or enrichment activities.
Staff and Professional Learning:	BRSD has a relationship with Princeton University and the College of New Jersey where teachers can attend professional development classes taught by their professors. We also have six in-service days and faculty meetings where we provide both in-district and our of district professional development. Our teachers all work in professional learning communities to work on a grade level or special subject basis. Our staff have the ability to attend extra-curricular workshops on an individual basis.

Student Supports and Services:	CBS has an active Intervention and Referral Service team that works to assist students who are experiencing learning, behavior or health difficulties. We also have a program for English Language Learners, an extensive program for students with disabilities in addition to a Primary Enrichment Program for Gifted and Talented Students. We recommend targeted students for a Spring after school tutoring program as well as recommending students for summer programs.
Student Health and Wellness:	Our physical education program and School Nurse address the health and wellness of our students. Our curriculum address nutrition, health, and wellness. Students engage in physical activity through p.e. class, daily recess, morning meeting, and occasional extra recess or class activities. We also participate in full school activities such as the Jump Rope for Heart where students raise funds and awareness for heart health. We have a breakfast program offered through Sodexo.
Parent and Community Involvement:	Crucial to our success is our CBS Parent/Teacher Organization. Events are listed on our CBS calendar and website. This summer our PTO completed installation of a new playground addition. There is a district wide special education parent organization called BASE which holds monthly parent events. For the second year in a a row we had a grant for BCAP in to train teachers and students in bully prevention. Our district assistant Principal for Curriculum also hosts an array of parent trainings/presentations throughout the school year.

Facilities:	In 1955 CBS opened as a K-8 school. In 1964 CBS became a K-6 school. In 1992 the CBS All Purpose Room was dedicated to Anna K. Burr. In 1996 there were alterations completed on CBS. In 2006 CBS was reconfigured as a K-3 school. Clara Barton is an air-conditioned building with rooms dedicated to many special areas such as a library/media center, computer lab, art studio, and an all-purpose room that has our kitchen attached, our gymnasium, and a stage.

Other Information:	Clara Barton is the smaller of the two K-3 schools in the Bordentown Regional School System. We are small but mighty and built on strong curriculum, and an outstanding staff who are well trained and flexible. Our size is our advantage as we can build strong ties with our community and within our school. We start the day at 8:25 a.m. and conclude at 3:15 p.m. CBS is in the city of Bordentown, a short walk away from the historic Clara Barton schoolhouse. We pride ourselves on our character education program which includes school wide Kindness Days, a program of following Unity words and ceremonies where students can earn a “unity link,” character chips as a positive based reward for actions and a Caught Being Good program where we recognize students at their lunches for their efforts. Our teachers rely on e-mail communication and there are at least three computers available in every classroom in addition to chrome carts, iPads, a computer lab and computers in the library/media center. We received a grant from the Haines Foundation which has placed iPads and Apple TV's in most rooms in our school - this year was year one of this three year grant. We have a district wide communication system for delivering email or reminder phone calls. Our calendar is available via the website and we also send out a monthly school calendar in addition to many teacher’s weekly calendars.
