## REPORT.

OFFICE OF THE STATE LIBRARIAN,  
TRENTON, N. J., Nov. 1st, 1881. }

*To His Excellency George C. Ludlow, Governor of New Jersey ;*

SIR :—I have the honor to submit herewith my annual report exhibiting the progress of the State Library during the year ending October 31st, 1881.

The additions from all sources have been as follows :

From purchase, miscellaneous.....	31
From purchase, law.....	96
From subscription .....	16
From donation, books.....	75
From donation, newspapers.....	24
From United States.....	121
From State Treasurer.....	340
From State exchanges.....	228
<hr/>	
Total additions.....	931
Number of volumes sent to State Prison.....	289
<hr/>	
Remainder.....	642
Number of volumes at last report.....	26,742
<hr/>	
Total now in library.....	27,384

In accordance with directions from the Library Commissioners I delivered to the Keeper of the State Prison two hundred and eighty-nine (289) volumes from the miscellaneous library, consisting of works of fiction, duplicates, broken sets, &c., which were of little value to this library but occupied shelf room required for other works. The appropriation made for the library by the last legislature was for one year only. I would suggest the necessity of an annual appropriation sufficient to purchase all needed books. There are still many books wanted

# REPORT OF STATE LIBRARIAN.

to make the law library what it should be, while the miscellaneous library is very deficient, particularly in reference works and in the county and town history of this State. People often come from a distance to consult some local or family history, expecting to find here everything published in regard to the history or genealogy of our State. There are a number of county and town histories that are now out of print and becoming scarce, but could be obtained yet with little trouble, while others are constantly being published. I would respectfully suggest that one volume of every book published relating to the history of the State, if it could be purchased, should be placed in the State Library.

Respectfully submitted,

JAMES S. McDANOLDS,  
*State Librarian.*
