LEGAL BASIS FOR PUBLIC SERVICE IN NEW JERSEY

AREA LIBRARY:

A headquarters library under contract with the State for specialized services to libraries within a given geographic area. There are 24 Area Libraries indicated in the tables by an asterisk (*) before the library name.

ASSOCIATION LIBRARY:

One established, governed and supported by an association of citizens. Such an association is incorporated, forms its own constitution, appoints or elects its own board and is responsible for operation of the library. It may receive tax support from the local governing body. There are 100 association libraries. Only those association libraries whose services are free to the use of the public are included in this publication. Some libraries formerly listed as association libraries are now branches or stations of their county library. Association libraries are identified under the column headed "Type" in the accompanying tables by an "A".

COUNTY LIBRARY:

One established by law following a county-wide referendum passed by a majority of voters. It is supported by taxes and governed by a board known as the county library commission composed of 5 members appointed by the Freeholders. There are 13 county libraries identified under column headed "Type" by a "C".

FEDERATION:

Any number of independently established libraries voluntarily united to develop cooperative free public library services. Each member library retains complete institutional independence but enters into contracts or service agreements with other members to achieve the joint services agreed upon by the governing bodies of the respective libraries. There are two federations of libraries in New Jersey whose members retain identity as municipal libraries.

JOINT LIBRARY:

One established by law following a referendum in two or more municipalities in which the majority of voters vote to establish such a library. It is governed by a board appointed by the mayors of the participating municipalities. There are three joint libraries identified under column headed "Type" by a "J".

MUNICIPAL LIBRARY:

One established by law following a referendum in which the majority of voters vote to establish such a library. It is supported by taxes and is governed by a 7 member board appointed by the mayor which must include the mayor and the superintendent of schools. There are 209 municipal libraries identified under column headed "Type" by an "M".

REGIONAL LIBRARY:

One established by law following resolution adopted by the boards of chosen freeholders of 2 or more counties. It is governed by a board of trustees appointed by the boards of freeholders of the participating counties. There are no regional libraries to date.

TO: Directors, Public Libraries

FROM: Henry J. Michniewski, Head
Library Development Bureau

SUBJECT: Budget Allocations

DATE: October 18, 1974

Tabulations of current statistics concerning Budget Allocations are enclosed. Response by library directors to the mailed questionnaire has been gratifying. As a consequence over two thirds of New Jersey listed libraries, a total of 218, are represented in these tabulations.

The three tables that follow are taken from the "Budget by Categories" questionnaire, and represent budget - not expenditure - as presented on the questionnaires. The tables are titled as follows.

Table 1 - Budgets of 218 Public Libraries for 1974 by library.

Table 2 - State Summary By County

Table 3 - Percentage of Total Budget Allocated to Salaries/Wages, Materials and Other Expenses - by County - 1972-73-74.

Salaries and Wages continue to show an increase as a percent of total budget. The proportion of budget for materials continues to decline somewhat.

The response to the question "Did you find the compiled data sent to you last year from a similar survey useful?"
