REPORT.

STATE OF NEW JERSEY,
OFFICE OF THE QUARTERMASTER-GENERAL, }
TRENTON, October 30th, 1897. }

To the Governor and Commander-in-Chief:

In accordance with law, I submit herewith the annual report of this department for the fiscal year ended October 30th, 1897 :

There have been no new organizations added to the National Guard since the date of my last report.

The condition of the arms and accoutrements in possession of the troops is good, as is shown by the annual returns of the company commandants.

The use of the white or summer helmet for officers and enlisted men of the National Guard has been abandoned by resolution of the State Military Board, and in place thereof a campaign hat of drab felt, U. S. Army pattern, has been adopted to be worn in field and camp, on fatigue or stable duty, and at rifle practice. Canvas leggings, U. S. Army pattern, have also been adopted for same service.

ENCAMPMENT.

The organizations of the First Brigade, consisting of the First, Second and Fourth Regiments, infantry ; First Troop, cavalry, and Gatling Gun Company A, and a detachment of the Hospital and Ambulance Corps encamped at Sea Girt by regiments during a period of three weeks from July 10th to 31st. PARADES.

The Second Regiment, Colonel Samuel V. S. Muzzy, and the First Troop Cavalry, Captain Frederick Frelinghuysen, represented the National Guard of New Jersey in the parade at Washington, March 4th, 1897, on the occasion of the inauguration of President McKinley. The expense incident to this parade amounted to \$7,376.51 and was paid by authority of an act of the Legislature, approved March 1st, 1897. The Naval Reserve paraded on this occasion under Commander Charles B. Dahlgren.

April 27th, of this year, was the date of the great parade in New York City, the occasion being the dedication of the tomb of General Grant. The entire National Guard and Naval Reserve of New Jersey went over the line of march and elicited much favorable mention by their splendid appearance.

At Philadelphia, May 15th, at the unveiling of the Washington Monument, the Sixth Regiment, Colonel William H. Cooper, and Gatling-Gun Company B, Captain John R. Jones, paraded.

On June 9th, the Seventh Regiment, Colonel Charles Y. Bamford, assembled at Trenton for parade and out-door drill and maneuvers. The weather was inclement, and after a street-parade the companies returned to their respective quarters.

On October 21st, the Third Regiment, Colonel Benjamin A. Lee, assembled for battalion-drill and movements at Somerville.

The arrangements for railroad and water transportation for the parades at Washington and New York were made by this department with the several railroad companies of the State, and the various movements were made promptly, without accident or delay.
