English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Biology Assessment Information

New Jersey transitioned from the Biology Assessment to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2017-18. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

Participation Type	School Participation Rate	State Participation Rate
10th and 11th graders taking PSAT 10/NMSQT in 2017-18	80.3%	85.0%
12th graders taking SAT in 2017-18 or prior years	56.5%	72.2%
12th graders taking ACT in 2017-18 or prior years	64.0%	24.6%

PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

Participation Type	School Average Score	State Average Score	College Readiness Benchmarks	School - Students Scores at or above Benchmark	State - Students Scores at or above Benchmark
PSAT 10/NMSQT - Reading and Writing	603	478	Grade 10: 430 Grade 11: 460	95%	62%

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

This section contains information about participation in approved Career and Technical Education (CTE) programs and Structured Learning Experiences and students earning Industry-Valued Credentials. For more information about Career and Technical Education in New Jersey, please visit the NJDOE's Career and Technical Education website.

Career and Technical Education Participation

The graphs below show the percentage of students who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time Career and Technical Education programs in a county vocational school district are included in the percentages for both the county vocational school and their sending school.

CTE Participants

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	7:45 AM
Typical End Time	2:35 PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	5 Hrs 44 Mins
Shared Time - Instructional Time	4 Hrs. 43 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	• Millburn HS offers 29 sports teams highlighted by the Girls Tennis Team whose unbeaten streak tops 100 matches! • MHS is proud of their 150 course offerings with electives spanning all disciplines including 29 AP courses. • Each year, MHS students routinely earn accolades in Art, Music, Robotics, and Debate.
Mission, Vision, Theme:	Students will be provided the challenge of solving problems that fosters critical thinking and creativity. Connections with past learning, world applications and with other disciplines will be intertwined with new lessons. Student discussions stimulate analysis and reflection. Students must develop the ability to communicate both verbally and in writing and critically evaluate what they read and hear. Opportunities for collaboration between students & teachers stimulate needed skills.
Awards, Recognition, Accomplishments:	Millburn High School is consistently recognized as one of the 'best' New Jersey schools. Year after year, poll after poll, MHS is ranked in the top 10 public schools in NJ. Indeed, New Jersey Monthly ranks public schools biannually and, in the last decade, Millburn has garnered the #1 rank twice as well as in the top 5 three other times. MHS garners enviable recognition regularly in national publications such as U.S. News and World Report, the New York Times, Newsweek and the Washington Post.

Courses, Curriculum, Instruction:	Millburn offers a full range of courses that go well beyond meeting state minimum requirements. Three basic levels of instruction are offerred to provide the challenge and differentiated instruction best suited for our students. Milburn has embraced the Advanced Placement program and offers 29 different AP courses. However, these AP courses have strong competition for the attention of our students from a robust elective offering new courses yearly. We offer opportunities and support to all.
Sports and Athletics:	Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Bowling (Boys & Girls), Cross Country (Boys & Girls), Fencing (Boys & Girls), Field Hockey (Girls), Football (Boys), Golf (Boys & Girls), Ice Hockey (Boys & Girls), Lacrosse (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Swimming (Boys & Girls), Tennis (Boys & Girls), Track and Field - Spring (Boys & Girls), Track and Field - Winter (Boys & Girls), Volleyball (Boys & Girls), Wrestling (Boys) Millburn offers a full range of sports teams most of which compete on a Freshman, JV & Varsity level. MHS is competitive in practically every sport with a few truly stellar programs while still boastful of its participation rate. The Boys and Girls Tennis team consistently compete for state titles. Indeed the GIrls have won 4 consecutive Tournament of Championships! Baseball won 2 of the last 3 State Group Titles! Cross Country, Boys Baskeball also have earned their share of championships..
Clubs and Activities:	Millburn sponsors over 100 official clubs with the majority of students participating in at least one. In addition, there are opportunities to begin a new club and another 50 clubs annually operate on a less formal nature. Some clubs focus on social issues; others fundraising; some compete; others produce. Literary magazines garner national recognition. Forensics has earned national recogniton. Art students exhibit around New Jersey. Millburn musicians perform in state ensembles.

Staff and Professional Learning:	The vast majority of our teaching staff have earned Master Degrees. They embrace change and offer insights and perspectives throughout all planning processes. The District offers staff training opportunities through staff development days, curriculum writing opportunities and supporting outside workshops. They are excellent teachers because of their expertise, empathy and abiity to connect with our students.
Postsecondary Information:	Nearly every MHS student graduates and attends college: indeed, we typically boast a 99% level. Test scores on all standardized testing are amongst the highest in the state yet we pride ourselves on the placement of our "average" student. We attempt to indiviudalize our supports for all students and help guide them toward a path best suited for their personal interests and passions.

Student Supports and Services:	Millburn HS addresses the needs of all students. Special Services provides for their most appropriate educational programs. English Language Learners receive academic help in conjunction with social support such as an annual dinner. The Intervention & Referral Services committee meets on a regular basis to develop suitable accommodations for students. Individual Educational Programs are designed to meet the needs of students beyond legal mandates and considering the culture of our community.
Student Health and Wellness:	Discussions continue on a school & town level on addressing concerns with the Health & Well Being of our students. The school has experimented with various remedies ranging from controlling the timing of homework, extending lunch periods & using Therapy Dogs. Our Peer Leaders consist of students who advocate a substance free life. Senior Ambassadors volunteer to transition freshmen throughout the year. We want students to Address Adversity; Create Balance & be Effective Communicators!
Parent and Community Involvement:	The community involvement for the Millburn Schools is the envy of the area. They provide invaluable supports to the educational system. Our Parent-Teacher Organization lends assistance to new residents, staff and students. Graduation activities are planned thoroughly with parents. The Millburn Edcuation Foundation raises hundreds of thousands of dollars annually to gift to the various district schools. Concern for students extend from academics to their helath and well being!

Facilities:	The core of the high school opened in 1956 and is worn and aged. There are two wings built in the last 15 years with a modern day look. A bond referendum passed in 2016 will permit more major renovations in 2018 of restrooms and alarm systems. Also, the Media Center will be given a complete overhaul in order to best serve our robust Robotics program as well as the Televison Studio. The school continues to provide the facilities needed to support and enhance our curriculum!
