Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:40 AM
Typical End Time	2:55 PM
Length of School Day	6 Hrs 15 Mins
Full Time - Instructional Time	5 Hrs 20 Mins
Shared Time - Instructional Time	2 Hrs. 40 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	5.5:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	58.83	17.5%
Mathematics Proficiency	67.42	17.5%
English Language Arts Growth	57.35	25.0%

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	• Hehnly School "Opening Minds, Touching Hearts, and Believing in Our Future." Acceptance & positive self-esteem lead to students' success. • A technology-integrated language arts program includes science & social studies learning. Math is taught with the EveryDay Math Program. • The Hehnly H.E.R.O.s, Buddy Class, K-Kids, and Mentor Links clubs and a supportive PTA promote a safe and caring learning environment.
Mission, Vision, Theme:	Frank K. Hehnly School believes in the education of the whole child. Our motto, "Opening Minds, Touching Hearts, and Believing in Our Future" is rooted in the belief that students' success is directly related to feelings of acceptance and positive self-esteem. We have programs in place to promote a bully-free, caring learning environment that nurture the inspiration for academic excellence. They complement our strong academic programs, based on the NJ Student Learning Standards, rich in language arts literacy, math, and content area curriculums, and designed with the end in mind.
Awards, Recognition, Accomplishments:	The Frank K. Hehnly PTA provided funds for materials for each grade level team and support services teams through a "Wishlist" Program. The Clark Education Fund granted awards to various teachers for initiating new program ideas. For example, the third-grade team was awarded books for a Battle of the Books Competition. Students have been recognized for their poetry, essays, and posters for various contests at the district, community, and county levels.

Before and After School Programs:	Hehnly School offers students art and music enrichment programs with recess clubs, including art, select chorus, and a chamber winds instrumental program. There is a spring musical to showcase students' thespian talents. We hold a cultural diversity fair and an elementary science fair. For students with a love of reading there are book clubs and for those interested in writing a school newspaper. A reading incentive program promotes a love of recreational reading. Student council and safety patrols are role models for students teaching them responsibility and good citizenship.
Staff and Professional Learning:	We learn as a collaborative team. Professional development is a key component to keep abreast of current, effective instructional practices. Teachers participate in curriculum and instructional articulation, workshops, or data analysis of summative assessments. The district supports teachers' requests for outside professional development sessions. Curriculum representatives present workshops on district professional development days. Administrators are instructional leaders throughout the year and actively participate in new teacher orientation sessions.

Student Supports and Services:	At risk learner support includes ESL. Speech IEPS are implemented for at risk speech and language learners. An I&RS team meets monthly to provide interventions and strategies for teachers of struggling learners. Recommendations include ELA and math push-in and pullout support. An early morning ELA program is offered for students needing intensive support. Mainstream and inclusion programs are available for students with disabilities. A support team including a school nurse and counselor implement programs for 504 students and those identified with social emotional needs.
Student Health and Wellness:	The Hehnly HEROs Club spreads an anti-bullying message. The “Making a Difference” Recognition Program celebrates students for making a difference. The Buddy Class Program gives students’ opportunities to work together and make new friendships. The “Morning Meeting” builds positive connections between classmates and teachers. The K-Kids Program is a service-learning program that teaches students to give back to the community. “Mentor Links,” establishes newly formed social relationships between the special needs and general education population.
Parent and Community Involvement:	Hehnly School is so fortunate to have an active PTA. It sponsors assemblies, family events, and student activities to further promote our goals and to bridge the home to school connection. They contribute to school beautification projects by updating the stage sound system, the outside playground area, and staff room. They also purchased new shades for our all-purpose room, to name a few. It is one that makes a positive impact on the school community. The PTA also publicizes school activities and events in the media and keeps parents informed with a weekly electronic communiqué, the Loop!

Other Information:	Hehnly School is a grade kindergarten through five school with 546 students enrolled with 25 homerooms, including two self-contained classes. Dedicated teachers and staff whose primary goal is to provide students with a quality education in a safe and caring environment prepare students to believe in themselves as lifelong learners and active, informed citizens. The principal welcomes students and staff and commemorates 9/11 at a Welcome Back Assembly. The local fire volunteers and police officers present assemblies to promote fire prevention and school violence awareness, respectively. Red Ribbon Week activities include a school-wide “Walk against Drugs” walk. The district Student Assistance Counselor delivers lessons to promote wellness with topics including making goals, anti-smoking and drug education, and Internet safety. Local veterans participate in a Veteran’s Day celebration and a Memorial Day Tribute to fallen heroes. An after school 8-week robotics club is offered and a grade 3 – 5 gifted and talented program. The recycling club sends “keep the community green” messages. The student council and K-Kids sponsor drives and fundraisers for the needy. The school counselor coordinates Week of Respect and anti-bully activities throughout the year including “Mix-t Up Day. The Hehnly H.E.R.O.s and Buddy Class programs promote good character and building positive peer relationships. The school day includes daily specials and common teacher preps on a 6-day rotation. Incoming kindergarten students participate in an orientation program and in “Move-Up” on the last day of school. “Move-up” gives all students the chance to meet their teachers for the upcoming school year. Parents are welcome to escort children to class on the first day, visit as guest readers and to observe classes during National Education Week. Parents are informed of programs and events through a monthly publication, an open-door policy, and a twenty-four-hour response to concerns.
