English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2017-18. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

Participation Type	School Participation Rate	State Participation Rate
10th and 11th graders taking PSAT 10/NMSQT in 2017-18	27.5%	85.0%
12th graders taking SAT in 2017-18 or prior years	71.4%	72.2%
12th graders taking ACT in 2017-18 or prior years	*	24.6%

PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

Participation Type	School Average Score	State Average Score	College Readiness Benchmarks	School - Students Scores at or above Benchmark	State - Students Scores at or above Benchmark

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

Career and Technical Education Participation

The graphs below show the percentage of students who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time Career and Technical Education programs in a county vocational school district are included in the percentages for both the county vocational school and their sending school.

CTE Participants
(completed only one course in an approved CTE program)

CTE Concentrators

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

Student Group	Number of students chronically absent	Percent of students chronically absent	State Average	Met State Average

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:35 AM
Typical End Time	3:05 PM
Length of School Day	6 Hrs 30 Mins
Full Time - Instructional Time	6 Hrs 0 Mins
Shared Time - Instructional Time	6 Hrs. 0 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	3.4:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	27.22	15.0%
Mathematics Proficiency	16.33	15.0%
Graduation Rate - 4-Year	41.83	20.0%
Graduation Rate - 5-Year	82.18	20.0%

Summative Score: Sum of all indicator scores multiplied by indicator weights	54.72	n/a
Summative Rating: Percentile Rank of Summative Score	52.72	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Highlights:	• National Blue Ribbon school • Over 95% graduation rate; 90% of graduates pursue post-secondary training • 8th Annual AP District Honor Roll
Mission, Vision, Theme:	Harrison High School is a comprehensive urban high school that provides a challenging curriculum focused on 21st century skills. We are proud of our safe, supportive environment and cohesive professional staff, who embrace the Harrison Community and work to improve classroom instruction. We strive to develop Harrison High School graduates who are college and career ready, self-reliant, involved, dignified, creative, compassionate, and sophisticated.
Awards, Recognition, Accomplishments:	Harrison High School was a 2013 recipient of the National Blue Ribbon distinction, HHS continues to receive national recognition, having been ranked by Newsweek and College Board for the rigor of our curricula and programs. The State of New Jersey has recognized our distinguished student body by awarding 92 members of the Class of 2018 (61% of the class) with the NJ State Seal of Biliteracy. Similarly, Harrison High School has seen steady annual increases in our performance on the PARCC, SAT, and AP College Board Exams.

Courses, Curriculum, Instruction:	Harrison High School offers 13 advanced placement courses in multiple subjects, 4 dual-credit college courses, an engineering academy, and a vocational training program in culinary arts and hospitality. We proudly graduated our first cohort of 15 young chefs in 2018. World Language instruction is a cornerstone of the curriculum; we are one of the few NJ high schools to offer Chinese as a foreign language. Additionally, we offer a full catalog of courses in the fine and performing arts. Our award-winning music and art programs participate in the NJ Teen Arts festivals and regional marching band competitions.
Sports and Athletics:	Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Bowling (Coed), Cross Country (Coed), Football (Boys), Soccer (Boys & Girls), Softball (Girls), Swimming (Coed), Tennis (Boys & Girls), Volleyball (Boys & Girls) Harrison High School excels in many sports. Our Boys Soccer team was the NJIC Conference Champs in 2017. The Baseball team also captured the conference championship in the spring 2018 season. We celebrated several student-athletes who achieved career milestones in 17/18, including the distinctions of 1,000 points in basketball and 100 hits in baseball. For the second year in a row, HHS boasts the 2018 Observer Athlete of the Year and two NJIC Sportsmanship Award recipients. We focus heavily on building character in our student-athletes. Our Student-Athlete Leadership Team attended the Miles Austin Leadership Conference and regularly leads activities promoting sportsmanship and team building. In 2018/19, we hope to welcome The Positive Coaching Alliance as an athletic program partner.
Clubs and Activities:	With 20 co-curricular clubs, over a dozen after school enrichment courses, and an exceptionally active Student Government and National Honor Society, Harrison High School offers students many opportunities to learn and grow outside of the classroom. We also offer specific programs geared toward our English language learners. Students frequently opt to stay after school, sometimes well into the evening, participating in our enrichment activities. We firmly believe that these engaging, hands-on activities give our young people purpose and teach them to become meaningfully involved.

Before and After School Programs:	Harrison High School's School Counselors run a Peer Leaders group that serves the school and local community. We also have an extraordinary Parent Teacher Student Organization (PTSO). Our After School Programs include the following: ESL Cafe to enhance language acquisition; Full S.T.E.A.M. Ahead to address Science, Technology, Engineering, and Mathematics standards; Dance and Performance; Instrumental Ensembles; Art/Mural Painting; and Personal Fitness. Programs are geared to our diverse population, and we work to ensure every student finds engaging, supportive opportunities at HHS.
Staff and Professional Learning:	Harrison High School's faculty collaborates regularly and participate actively in 20 hours of district-coordinated professional learning hours annually. Our faculty serve on our county curriculum consortium and participate in county-wide professional development offerings. Our coaches train annually, traveling to dozens of seminars throughout the state. We send interdisciplinary representatives to both the NJ/PA ECET and the Renaissance Education Penn-Jersey conferences.
Postsecondary Information:	The Class of 2018 graduated with SAT scores that both exceed peers in similar districts and surpassed average scores for College Board tested population. Ninety percent of graduates pursued post-secondary training, and 50% of the class enrolled in four-year colleges. In support of post-secondary endeavors, Harrison High School annually hosts FAFSA workshops, financial aid seminars, on-site college admissions sessions, college representative visits, and college admissions panels.

Student Supports and Services:	Harrison High School has a well-staffed Guidance Department, site-based Child Study Team, transition coordinator, four-member administrative team, full time nurse, and site-based NJ School Based Youth Service Program. Our English Language Learners are provided high-intensity ESL instruction by two ESL teachers. There is a Bilingual Program for beginning English students. Students with disabilities are provided work-place training through our Structure Learning Experience program. Our vocational training academy welcomes students of all abilities.
Student Health and Wellness:	Physical education, health, and swim classes meet daily at Harrison High School. We offer an after school fitness program and weekly yoga classes. Our full time athletic trainer keeps our student-athletes healthy while our full time school nurse attends to the health needs of our students. Our full-service cafeteria serves breakfast and lunch daily, and the cafeteria staff meets regularly with the school's Nutrition Advisory Council to discuss nutritional health and menu variety.
Parent and Community Involvement:	In addition to following academic progress through our interactive Parent/Student Portal and Naviance (a future planning and data management tool), Harrison High School's parents take full advantage of our monthly parent seminars, back-to-school night, and parent conferences. One of the most active school organizations is our Parent Teacher Student Organization, which hosts large-scale events for the school/community and donated over $20,000 to the school and its students in 2018.

Other Information:	Harrison High School implemented a new building scheduling model in 2017/18 that has effectively increased instructional time per subject and enabled the greatest flexibility for student course selection. New advanced course offerings were researched and started in 2017/18, with the addition of AP Computer Science Principles. We are also expanding our technology resources, having won grants in 2017/18 from Donors Choose Foundation. Faculty continue to revise curricula, create and revise common course assessments, and devise new course offerings. A new course devised to establish a framework of academic fundamentals upon which 9th graders may build academic successes has now completed two semesters, serving 160 students.
