Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:50 AM
Typical End Time	3:20 PM
Length of School Day	6 Hrs 30 Mins
Full Time - Instructional Time	5 Hrs 50 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	4.6:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	95.08	17.5%
Mathematics Proficiency	93.48	17.5%
English Language Arts Growth	11.02	25.0%

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Courses, Curriculum, Instruction:	We are proud to say that we are a Responsive Classroom School. Responsive Classroom is a schoolwide approach that emphasizes social, emotional and academic growth in a strong and safe school community. Our teachers are committed to applying this approach to their own classroom practices and to our school community. Our intention is to help our students foster cooperation, assertion, responsibility, empathy and self-control.
Clubs and Activities:	Students have the opportunity to engage in a variety of after school activities including intramurals, STEM clubs, environmental clubs or enrichment activities. Additionally, students in grades 4-5 have the opportunity to take part in before school programs such as choir, instrumental music and art. During the school day, students have the opportunity to run for office in our Student Council, serve on our Safety Patrol, or engage in book and art clubs.

Before and After School Programs:	The following before and after school programs are offered to Coolidge students: Daisy's, Brownies, Girl Scouts, and Boy Scouts. The YMCA has morning and after care held in our school. The YMCA also has after school program classes for Coolidge School students that are held at Coolidge School once a week. The Coolidge PTO regularly runs community service, enrichment and environmental programs after school at the school. Recreational sports utilize our facilities on a regular basis.
Staff and Professional Learning:	Teachers, recognizing community demands for a high priority on excellence, provide an atmosphere for excellence in teaching and learning. They regularly participate in strong in-service programs to improve instructional skills in the areas of technology integration, language arts, inquiry-based math instruction, bullying prevention, social-emotional learning, and much more. Our Instructional Coach regularly works with teachers to provide modeling, mentoring and professional development. Yearly staff books clubs provide an opportunity for collaboration and individualized professional development. Additionally, several teachers take part in Self Directed Growth Plans as part of their evaluation process.

Student Supports and Services:	Coolidge School seeks to meet the needs of all learners regardless of ability. Working in collaboration with our Instructional Coach, teachers plan differentiated lessons to meet a diverse population. Assessments are administered regularly to gain a deeper understanding of the strengths and weaknesses of our students. Math and reading interventionists work with students on targeted instruction to remediate learning difficulties. Regular data team and grade level meetings help the guidance and administrative team carefully track student progress.
Student Health and Wellness:	An annual Wellness Fair is organized each year by our school nurse working collaboratively with a committee of teachers and parents. The purpose of this fair is to promote wellness and a healthy lifestyle by students. Additionally, our Mindfulness Committee of teachers provides in-service on strategies to incorporate mindful practices into the classroom. This will benefit students in building resilience, self-regulation, and empathy. Lastly, monthly school wide meetings help us grow as a community and provide opportunities for students to establish strong bonds with their school.
Parent and Community Involvement:	Outstanding parental involvement in our PTO affords us the opportunity to present many programs and events in our school. We use the money raised by the PTO for cultural assemblies, field trips, science days, technology, media equipment, and campus beautification.Coolidge School is proud of the partnership we have developed with our parent community. Working collaboratively with our Parent Teacher Organization, numerous enrichment, social and cultural activities are planned for our students. Our Parent Teacher Organization greatly supports our teaching staff through the implementation of our teacher scholarship program, encouraging innovative ideas by our teachers. Students are provided with the opportunity to take part in exciting assembly programs, author visits, art docent programs and special events such as Field Day, Theme Day and science fairs.

Technology and STEM:	The Coolidge MakerSpace was designed to allow our students to be creators, innovators and designers. It is a place where they will learn to be independent workers and responsible collaborators. We believe that our MakerSpace is not an alternative way to learn, but rather an approach that will prepare our students for future learning and the workplace. It is our goal to provide our 21st Century learners with the tools needed to be successful in their lives.
