Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:40 AM
Typical End Time	3:15 PM
Length of School Day	6 Hrs 35 Mins
Full Time - Instructional Time	5 Hrs 45 Mins
Shared Time - Instructional Time	2 Hrs. 53 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	8.89	15.0%
Mathematics Proficiency	14.34	15.0%
English Language Arts Growth	39.75	20.0%

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Courses, Curriculum, Instruction:	Our academic programs utilize a standards-based approach that involves ongoing assessment. The literacy program embraces a balanced approach to both reading and writing. Our math program utilizes a hands-on approach to learning. In all subjects, our teachers utilize high level tasks & questioning strategies aimed to build students oral language, critical thinking, & problem solving skills while integrating technology. We provide ongoing remedial, reinforcement and enrichment strategies.
Clubs and Activities:	Our school wide enrichment model allows students to participate in a variety of arts, athletics, and academic programs outside of the classroom. Chorus and instrumental is offered to our 3rd-5th graders. Creative dance classes are given to our 2nd and 3rd graders. Our 3rd and 4th graders engage in theater production workshops which provide starting points for engaging in classroom discussion. Finally, our 4th graders partake in aquatics and water safety classes through a community program.

Before and After School Programs:	Livingston provides an early literacy extended school day program for our youngest learner in grades K-2 to build foundational skills for reading success. We provide extended school day for our grades 3-5 students in core subject areas to support student achievement. Teachers participate and organize these programs and are dedicated to ensuring academic excellence for all students.
Staff and Professional Learning:	Our Livingston faculty continues to strive for excellence by attending many district and state-sponsored professional learning networks -such as conferences, TwitterChats/ EdCamps -for best practices and instructional delivery. Grade-level meetings continue to be a constant where our teachers, literacy/math specialists, and principals discuss ways to improve instruction and student achievement. The teams meet to make collaborative decisions for all students' increased levels of success.

Student Supports and Services:	Livingston provides intervention for students through the school's Response to Intervention (RTI) and ESL services during the school day. We provide an Extended School Day Program to support our youngest learners with reading success and upper grade students in core subjects. We also partner with the community to provide tutoring services and after school programming. Our school also has a team of educators and specialists who help teachers provide supports and interventions for students.
Student Health and Wellness:	Livingston School offers breakfast daily to all students. We have a counseling program which supports the district's social and emotional learning requirements and continues to utilize comprehensive anti-bullying through character education and conflict resolution strategies. Students engage in daily recess, as well as physical education and health classes on a weekly basis. Our Kindergarten students engage in play based activities as part of the Tools of the Mind curriculum.
Parent and Community Involvement:	Collaboration, teamwork, and continuous learning are the guiding principles in our school and enable us to reach our desired outcomes and achieve student academic progress. At Livingston, we value parental involvement, educational growth, and volunteerism. Our community of parents support our school sponsored events such as Back to School Night, Parent-Teacher Conferences, assemblies, technology nights, Family Fun Fairs and events, Literacy and Math Nights, and the Academic Fair.

Other Information:	Collaboration and teamwork are the guiding principals in our school and enable us to reach our desired outcomes and achieve student academic progress. At our school, academic and social emotional learning, as well as the development of confidence, are facilitated by a highly-qualified professional staff and student-friendly learning environment. Our Kindergarten is utilizing Tools of the Mind curriculum to ensure our students are developing the social and emotional skills necessary to deepen learning. Our students in grades 1-5 are provided high quality instruction through the use of complex texts and tasks, academic talk, and high level questioning. Technology is integrated everyday, in the classroom through use of student chromebooks and digital resources such as Newsela, Readworks digital, Khan Academy, Raz Plus, Thinkcentral, Brainpop, IXL, Prodigy, and Google Apps for Education, which allows our students to follow the district's mission of employing technology as a tool to deepen learning. Livingston Elementary School has begun to develop Digital Citizenship in our students and our focus is to continue utilizing technology to transform and personalize learning so our students are future ready. We are looking forward to increasing our parental involvement and input to make the academic success of our students a true team effort.
