Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

This table shows, by the nature of the incident, the number of alleged and confirmed Harassment, Intimidation, and Bulling (HIB) investigations. The nature of an incident is based on the protected categories listed below, and the nature of a single HIB investigation may include multiple categories. All confirmed incidents must have an identified nature.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:30 AM
Typical End Time	3:20 PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	6 Hrs 30 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	2.3:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	46.45	17.5%
Mathematics Proficiency	33.77	17.5%
English Language Arts Growth	16.94	25.0%
Mathematics Growth	47.06	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	33.63	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	35.08	n/a
Summative Rating: Percentile Rank of Summative Score	25.65	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

Courses, Curriculum, Instruction:	We have a comprehensive educational program at Carteret School. The mathematics program is a focused, coherent, and rigorous K-5 mathematics curriculum. Fully aligned to state standards and challenges our students to utilize their problem solving skills, logical reasoning and analyzing data techniques. The Language Arts literacy and reading curriculum incorporates a balanced literacy approach through Reader's and Writer's Workshop. which focuses on both fiction and non-fiction texts. We are also implementing a Spelling program called Words Their Way in all grade levels. Balanced Literacy is also supported bu RAZ Kids and Newslea software program. We also support our ESL students by providing Bi-Lingual and ELL instruction. We have also have added World Language and Suzuki Violin to our special schedule.
Sports and Athletics:	Basketball is offered for girls and boys to join. Soccer is also available for students to participate in during our Saturday Academy Program. Track and field is held in the spring for all fourth through sixth grade students. Students compete in different events such as long jump, relay or softball throw.
Clubs and Activities:	Clubs are held during lunch time recess or afterschool. Students volunteer their time to be a part of the Chess Club, Challenge 24, Geography Bee, Academically Speaking , Battle of the Books and Carteret School Cub Reporters. Students are recognized during morning announcements, the local newspaper and award assembly programs.

Student Supports and Services:	Utilizing the Google platform, Chromebooks and various other applications and extensions within support programs has allowed teachers, therapists and support personnel greater access and ability to create online accommodations and modifications within the inclusive environment. Technology has also provided for increased communication with peers and parents regarding progress and generalization.Professional development in the area of technology within our district has simplified our initiatives and streamlined our process of increasing access for all learners.
Student Health and Wellness:	Our counselor leads our Anti-Bullying Committee. It consists of classroom lessons allowing students to explore different social behaviors. Our school also provides a breakfast and lunch program daily. Our lunch program provides the students with a choice of a hot or cold meal. Students have 30 minutes of recess to interact with students, friends and classmates in a recreational environment. In addition,our nurse provides valuable information on such topics as dental care, hygiene and physical well-being in the form assembly programs, in-class lessons and grade level discussions.
Parent and Community Involvement:	The Carteret Home and School Association continues to serve as school volunteers, fundraising participants and as concerned parents who are encouraged to take an active part in the Carteret School experience. Carteret is committed in developing strong programs for school, family and community partnerships. We provide the opportunity for our parents to view important information regarding academic programs through our POP videos - Parent Outreach Program. Carteret is committed to developing and implementing strong programs for school, family and community partnership.

Climate Surveys:	Is a Climate Survey Used: Yes; Who is surveyed: Teachers A survey is conducted at the conclusion of each school year by our Social Committee. This survey allows the staff to reflect and evaluate programs, activities, and events that took place throughout the year. This is a way to communicate and collect different viewpoints regarding the past school year and helps make both short term and long term future decisions.
Facilities:	Our school has been renovated throughout the years to include more classrooms due to our ever growing population of students. Our building consists of classrooms, a Multi Purpose Room, a cafeteria, Media Center, art room, a vocal music room, an instrumental music room and Resource Room classrooms. It has a Child Study Team office and Interventionist room where meetings with parents or students can be held. Recent upgrades include basement floor, painting of rooms, brand new heating (boiler) system, new roof and perimeter fence.
School Safety:	The safety and overall well being of all Bloomfield students and staff is of the utmost importance. All Bloomfield Schools follow a collaboratively developed school safety and security plan based on The Holistic Approach to School Safety & Well Being and the New Jersey Administrative Code 6A:16-5.1 School Safety and Security Plans. The Bloomfield Schools Safety and Security Plan encompasses the following: The protection of the health, safety, security and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students and their families.

Other Information:	Currently, we have a comprehensive educational program which is in alignment with the New Jersey Student Learning Standards which have been adopted by The State Board of Education. The mathematics program is in the second year of implementation and challenges our students to utilize their problem solving skills, logical reasoning and analyzing data techniques. The Language Arts literacy and reading curriculum incorporates a balanced literacy approach through Reader's and Writer's Workshop, and a component to our current Accelerated Reader Program called Accelerated Reader 360 which focused on non-fiction texts in Grades 3-6. We are also implementing an innovative Spelling program called Words Their Way in all grade levels. Carteret School is proud of its diverse student population. The cultural diversity has provided enriching learning experiences for Carteret school's students, staff and community. Our multi-cultural programs assist us in becoming more knowledgeable and aware of how to celebrate and respect differences. Many support services are also provided to enhance the well-being of our school including an Inclusion Model for Special Education, Response to Intervention Program, Speech Therapy, English Language Learner, Media Science, vocal and instrumental instruction, physical education, art instruction and guidance assistance. All programs are integrated to provide the most meaningful learning experience for every Carteret student.
