LETTER OF TRANSMITTAL

To the Honorable Thomas H. Kean, Governor of the State of New Jersey, and the Legislature of the State of New Jersey.

The Annual Report of the Division of Taxation in the Department of the Treasury is herewith respectfully submitted, pursuant to the provisions of R.S. 54:1-13. It covers activities of the Division of Taxation during the State fiscal year ending June 30, 1986. The Report contains detailed description of the Division organization and activities, discussion of all taxes administered by the Division and tables showing revenue collections, distributions of a variety of "shared" taxes, summaries of recent tax legislation and court decisions, County and State Abstracts of Ratables, and the State School Aid Table of Equalized Valuations. In addition, the Report contains useful and valuable statistical tables showing state tax revenue growth, state and local taxes as a percent of personal income and other informative economic and tax information.

REVENUES

Tax collections for the fiscal year ending June 30, 1986 attained a new high of \$7.8 billion, an increase of \$549.1 million or 7.6% over tax collections of the previous year. The main ingredients of the increase were the Gross Income Tax and Sales Tax. Details of the Division's revenue collections are shown in Table 1. In addition to Gross Income Tax collections of \$2.1 billion, they reflect Sales Tax of \$2.5 billion, Corporation Tax of \$996.1 million and Motor Fuels Tax of \$318.2 million. The local property tax levy totaled \$6.1 billion.

HOMESTEAD TAX RELIEF ACT GOES INTO EFFECT

Chapter 304, P.L. 1985, approved August 25, 1985 and effective January 1, 1985, known as the Homestead Tax Relief Act provides for a deduction from taxable income under the Gross Income Tax Act for certain property taxes and for rent constituting taxes and for a refund of a portion of certain property taxes for persons not subject to the gross income tax. The resulting credit is at least \$65 for homeowners and \$35 for tenants.

LITTER TAX

In an effort to promote a clean and safe environment, the State of New Jersey has established a Clean Communities Account Fund to control and abate litter proliferation. This fund is supported by a newly

enacted tax, the litter-control tax, to be administered by the Division of Taxation on the sale of certain litter-generating products in New Jersey.

The tax is imposed by the Clean Communities and Recycling Act (P.L. 1985, c. 533), which was enacted and approved on January 21, 1986. The Act amended the Solid Waste Management Act and imposed a litter-control tax effective April 21, 1986 at the following rates:

- 3/100 of 1% (.0003) on all gross receipts from sales of litter-generating products sold within New Jersey by each person engaged in business in this State as a manufacturer, wholesaler or distributor of such products, and

- 2.25/100 of 1% (.000225) on all gross receipts from sales of litter-generating products sold within New Jersey by each person engaged in business in this State as a retailer of such products. Any retailer with less than \$250,000 in annual retail sales of litter-generating products is exempt from this tax.

COOPERATION WITH IRS

New Jersey Division of Taxation and Internal Revenue Service officials have embarked on a new era of cooperation they hope will increase voluntary compliance with income tax laws and close the net around tax cheats.

While States and the IRS have routinely shared information in the past, New Jersey is leading the way in a renewed effort to pool resources among tax agencies at different levels of government.

At the heart of New Jersey's initiative is a task force of State and IRS taxation experts formed to look into ways of exchanging ideas and participating in joint projects.

The eight-member group—four representatives each from the IRS and the Division of Taxation—held its first meeting early in April 1986. But specialists from several tax areas, including collections and criminal investigations, had already held some preliminary discussions.

Officials feel the study group will make significant headway in addressing tax problems the IRS and State face by planning ways the agencies can work together and cut down on a duplication of effort between the revenue offices.

Bankruptcy is one area the task force has targeted for study. The committee also looks at pilot programs the agencies can pursue along with the possibility of conducting joint investigations and joint audits. The group also will review industries where they feel tax abuses are prevalent.

The work of the task force will be coupled with New Jersey's sharing State tax information with other States. In January 1986, New Jersey and nine other States and the District of Columbia signed an agreement to exchange individual State income tax data.

Authorities from both the Federal and State revenue agencies are enthusiastic and optimistic about their new joint venture.

One area that will be looked at soon involves gasoline taxes. New Jersey is one of six States where State and Federal revenue agents will combine efforts to determine whether individuals or businesses have devised plans to bypass paying their full share of gasoline taxes.

A recent pilot program involving seven IRS districts and State tax departments looking into the collection of a Federal tax on diesel fuel resulted in the referral of five cases for criminal fraud investigations and a yield of more than four times the amount normally collected in additional taxes from diesel fuel examinations.

Planning for the project has begun, and audits in New Jersey will begin this year.

Tax officials see the cooperative effort as benefitting each agency in areas where they lack expertise or could take advantage of more information.

Residents filing returns who have not broken the law have nothing to fear from the cooperative effort.

OTHER SIGNIFICANT LEGISLATION

Chapter 341, P.L. 1985, approved October 18, 1985 amends the recently enacted P.L. 1985, c. 261 (approved July 31, 1985) concerning the cigarette tax to clarify the tax on packs of 25 cigarettes. The total amount of tax and surtax on a pack of 25 cigarettes will be 125% of the tax and surtax on a pack of 20 cigarettes. The Act shall take effect immediately and apply retroactively to September 1, 1985.

Chapter 468, P.L. 1985, approved January 16, 1986 excludes from taxation debt of a banking corporation to a bank holding company of which the banking corporation is a subsidiary or to a debt of a banking corporation with respect to certain Federal funds transactions when both banking corporations are subsidiaries of the same bank holding company.

Chapter 505, P.L. 1985, approved January 21, 1986 changes the deadline date from February 1 to March 1 for senior citizens and totally disabled persons to file post-year statements with the collector of the taxing district in order to qualify for a property tax deduction.

Chapter 515, P.L. 1985, approved January 21, 1986 provides that the veteran's deductions be available to either surviving spouse. This

act is effective immediately and applies retroactively to January 1, 1976.

Chapter 207, P.L. 1985, approved June 27, 1986 exempts interstate commuter bus routes from the 1/2 cents per mile excise tax and exempts private motor carriers operating both regular commuter bus services and charter service from the tax on motor fuels.

Chapter 208, P.L. 1985, approved June 27, 1985 exempts from the sales tax services provided by New Jersey companies from July 1, 1966 to April 5, 1977 on tangible personal property delivered out of state.

Chapter 440, P.L. 1985, approved January 13, 1986 extends the sales and use tax exemption currently applied to production machinery and equipment used in the publication of newspapers to include the same machinery used in the production of tangible personal property for sales by persons engaged in the business of commercial printing, periodicals, books and general commercial printing.

TAXNET

The Division's primary function is to maximize State tax revenues and provide a fair and equitable tax administration to the citizens of this State. A well administered revenue agency is essential to the economic development of New Jersey. The Division is midway through a systems development effort which will result in the total redesign of all existing tax systems as well as the implementation of several new systems.

CONCLUSIONS

This has been another banner year for Division collections which totaled \$7.8 billion, an increase of \$549.1 million over the previous fiscal year. It is another sign that the New Jersey economy is continuing its upward course.

The Division is cooperating with and assisting the State and Local Expenditure and Revenue Policy Commission by furnishing pertinent tax information, both quantitative and qualitative. When required, key personnel from the Division have been made available for testimony and assistance. It is anticipated that the Commission will make substantial recommendations towards a resolution of state and local tax problems and burdens.

Current and planned systems have resulted in a major influx of microcomputers, word processing and office automation equipment. In order to maximize the benefits from the hardware and software, the Division is making major modifications to the telecommunications

network serving the Taxation Building, the Mill Hill Processing Center, and the Document Control Center. This will involve using state-of-the-art fiber optic cabling and special communications devices to link the users in the three facilities with the databases (both image and data) which are needed to perform their daily functions.

This new computer oriented work environment has led the Division to a more effective and efficient organization. We have been able to respond successfully to the administration of new tax laws and the continued increase in workload while reducing the number of permanent employees. Again I thank the Division personnel for responding to this challenge.

Respectfully submitted

John R. Baldwin
Director
Division of Taxation

CHAPTER I

DIVISION ORGANIZATION

HISTORY

The Division of Taxation is headed by a Director appointed by the Governor with advice and consent of the Senate to serve until a successor shall be appointed and qualified.

Effective September 1970, the Division was reorganized along functional lines replacing an arrangement based upon ten bureaus, each responsible for a single tax or a group of taxes. Further refinements developed during 1977 when the Division was reorganized to distribute its activities among three assistant directors. These activities include: Audit, Processing/Administration and Special Procedures/Investigations. A description of these activities and fiscal year accomplishments are detailed in Chapter 2.

On Dec. 3, 1983, a Miscellaneous Tax Branch was created within the audit activity with responsibility for the alcoholic beverage, cigarette, motor fuels, and public utility gross receipts and franchise taxes. In addition, a Tax Evasion Task Force was created within the director's office that is solely responsible for the identification, investigation, and case preparation of matters involving criminal violations of the state's tax statutes.

TAX ADMINISTRATION

Tax administration involves collection activities by State, county and municipality. As the State tax administrative agency, the Division exercises varying degrees of responsibility for taxes collected at all levels. These include:

Tax Collection: Administration of all taxes collected by the State for State and local purposes except boxing, T.V. and wrestling, parimutuel racing, motor vehicle licenses and fees, outdoor advertising and motor fuels use tax.

Services to Local Taxing Districts: Supervision of local assessment standards and procedures, administrative services to local districts and County Boards of Taxation, examination and approval of local tax maps, compilation and reporting of statistical data, preparation of equalization tables, and certification of assessors.

The Division also exercises certain police functions with regard to administration of fair trade practice requirements under the "Unfair Cigarette Sales Act" (C. 247, P.L. 1952) and "An Act To Regulate The Sale of Motor Fuels." (C. 258, P.L. 1952).

TAX COLLECTIONS

Collections by the Division during fiscal year ended June 30, 1986 totaled \$7.8 billion or 95.5% of all major State Tax collections within and outside the Division. This represented an increase of \$549.1 million, or 7.6% over fiscal 1985. The \$7.8 billion collected included \$911.8 million for payment to local governments for their direct support. This 11.8% of Division collections represented \$158.7 million of personal property replacement taxes (save-harmless), \$1.6 million of financial business taxes, \$16.2 million of (Corporation Business Tax) Banking Corporation Taxes, \$685.0 million for Public Utility Franchise and Gross Receipts Taxes, \$30.0 million for local assistance funding and \$20.2 million in Insurance Franchise Taxes. Except for Revenue Sharing and Senior Citizen and Veteran Deductions (\$115.3 million), amounts distributed to each county and municipality are shown in Appendix III.

SERVICES TO LOCAL TAXING DISTRICTS

The Division supervises and coordinates local property tax procedures in the 21 counties and 567 local taxing districts. Local Property Tax collections totaled \$6.1 billion representing an increase of \$576.6 million over the previous year. This compares with \$7.8 billion in major State tax collections. State responsibility for tax collections was 56%.

The Division also administers the Homestead Rebate Tax Program and provides rebate checks (\$298.2 million in 1986) to eligible homeowners within each taxing district. It apportions \$50 million of revenue sharing to taxing districts together with reimbursement for veterans and senior citizen deductions (\$65.3 million in 1986).

STATUTORY RESPONSIBILITIES

Responsibilities of the Division arise under the following statutory provisions:

<i>Tax</i>	<i>N.J.S.A. Citation</i>
Alcoholic Beverage	54:41-1 et seq.
Alcoholic Beverage Wholesale Sales	54:32C-1 et seq.
Atlantic City Luxury	54:32B-24.1 et seq.

(1) Tax no longer collected effective January 1, 1984.

(2) Excludes State Realty Transfer Fee collected by counties and remitted to state.

(3) Excludes casino gambling taxes and lottery profits.

CHAPTER II

ACTIVITIES OF THE DIVISION

The Division is organized into three major activities, namely; Audit, Processing/Administration and Special Procedures/Investigations.

AUDIT

Audit Activity involves office and field audits together with back up services and facilities for review and conference audit results. Research and Statistics, Transfer Inheritance, Public Utility and the Miscellaneous Tax Branch are also included under this Activity.

Field Audit Assessments

Additional taxes assessed as a result of field audits amounted to \$50.7 million during fiscal 1986.

Out-of-State audit program assessments totaled \$7.5 million.

Office Audit Assessments

A variety of audits completed by eight audit groups, seven in Trenton and one in Newark resulted in \$108.6 million in additional taxes assessed during fiscal 1986.

The Reinstatement and Proclamation Section of the Special Procedure Branch was transferred into Office Audit. Fiscal year collections amounted to \$3.7 million.

Hearings and Conferences

During fiscal 1986, 980 hearings were held involving assessments of \$35.4 million. In these cases, collections of \$22.4 million were effected and downward revisions in liability of \$13 million were determined justified on the basis of fact and law.

Audit Review

All field audits as well as all other field assignments such as bulk sales, certificate of debt, and internal revenue adjustments are subject to review by a central audit review unit.

During fiscal 1986, this unit processed 3,281 field audit files and levied 2,753 deficiency assessments totaling \$84.4 million in taxes, penalties and interest.

Audit Adjustment

Approximately 2.8 million claims resulting in \$399.7 million in refunds were processed during the year.

The total amount of tax collections from billings sent to delinquent taxpayers amounted to \$14.5 million.

Selection and Service

This Branch establishes criteria for the selection of audits, services audit assignments, conducts subjectivity matters, operates a Word Processing Center and is responsible for the billings of New Jersey Gross Income Tax through the use of Internal Revenue Adjustments.

Audit Selection

Audit Selection is responsible for assignment of all audits, both field and office, encompassing all taxes administered by the Division. It also administers the Sales Tax Direct Payment Permits Program and statistical analysis of completed assignments.

During 1986, 4,671 audits resulted in collections of \$92 million.

Audit Service

Audit Service controls all audits from date of assignment to date of completion and supplies all necessary support information.

During fiscal 1986, it handled 16,047 files, posted 2,718 assessments and processed 2,809 checks.

Word Processing

Word Processing performs such functions as typing records and processing information and data as a result of the workload provided by the operations of the selection branch and other activities within the Division.

During fiscal 1986, this operation processed over 104,000 items.

Subjectivity

This section is responsible for the discovery of businesses acquiring a taxable status in this State but failing to file returns. It also administers the Corporation Income Tax and the Notice of Business Activities Reporting Act.

During fiscal 1985, Subjectivity produced \$5.0 million in tax revenues and added 1,522 new taxpayers to the files. In addition, \$549,000 was collected as a result of billing I.R.S. adjustments to individual Gross Income Tax returns filed by taxpayers.

RESEARCH AND STATISTICS

The Division engages in the continuous study of tax programs and their results. In addition to current analysis, this requires constant monitoring of data originating within the Division and in all kinds of governmental units as a basis for review and appraisal of such programs. Anticipation of future development and administrative requirements is necessary to facilitate smooth adjustment to changing circumstance.

Tax Studies

The Division completed work on several comparative tax studies this year. A Division analysis of all states' corporate tax laws in easily understandable terms is being adapted by the state Department of Commerce for use in attracting business to New Jersey. Other studies include: analysis of impact of individual and corporate tax laws for New Jersey and surrounding states, specific comparisons of individual tax laws between New Jersey and New York and between New Jersey and Pennsylvania for use by the Division of Economic Research in the Department of Commerce and Economic Development, studies of the impact of Governor Kean's rebate program, various legislative proposals to reform taxes, and in-house studies on options to increase or reduce revenues. These appeared in addition to the Division's annual publications.

Publications

The following publications are available annually:

Average Assessment/Sales Ratios by Taxing District-By Property Class

Average Real Estate Tax Bill by Taxing District-By Property Class
Coefficient of Deviation-Measures of Property Assessment Uniformity by Taxing District

Owner Occupied Housing Statistics from Homestead Rebate and Income Tax Data Match

Statistics of Income.

Revenue Estimating and Economic Forecasting

Budget preparation for each fiscal year requires projects of revenues for a year beginning ten months after the first estimates made in September and extending to 21 months thereafter together with attendant projections of general economic conditions. Periodic conferences are held with the Division of Budget and Accounting to maintain timeliness.

TRANSFER INHERITANCE TAX

The L-7 procedure wherein a surviving spouse merely signs an affidavit for release of bank accounts, stocks and bonds held with or by a spouse who died on or after January 1, 1985 has been received by all parties involved.

Until the creation of this form an inheritance tax return had to be filed in order to obtain releases for the above assets.

A regulation is being promulgated removing the monetary restriction from the L-5 program. The other restrictions will continue.

PUBLIC UTILITY TAX

Adoption of a public utility excise tax for State use (C. 41 and C. 42, P.L. 1963) had the effect of bringing a function of tax administration and collection to an activity which was traditionally involved only in valuation and apportionment functions. Addition of the Excise Tax involved an additional computation and assessment of taxes paid directly to the State for State Use.

Public Utility Franchise Taxes and Gross Receipts Taxes are now collected by the State for distribution to municipalities. (P.L. 1980, Chapters 10, 11, & 12).

MISCELLANEOUS TAX BRANCH

This Branch is responsible for auditing and enforcement in regard to the administration of the Cigarette, Motor Fuels, Alcoholic Beverage and Public Utility Taxes.

As part of the interstate compliance program, this Branch is actively involved in a multistate approach to the tax evasion problem.

**TABLE 2
PUBLIC UTILITIES GROSS RECEIPTS AND FRANCHISE TAXES
COLLECTED BY THE STATE FOR
DISTRIBUTION TO MUNICIPALITIES
(CALENDAR YEAR)**

Number of Companies	Classification	Franchise Tax		Gross Receipts Tax	
		Gross Receipts	Taxes	Gross Receipts	Taxes
3	Electric	\$1,283,611,670	\$ 63,737,866	\$1,977,585,513	\$148,730,355
3	Gas	614,548,657	31,594,177	659,075,068	50,609,964
2	Electric & Gas	3,476,985,628	177,693,483	4,363,188,749	335,249,184

	Administrative Cost		+85,965		+140,471
	Total		\$342,800,609		\$554,085,720

¹Includes adjustments for credits and advance payments made under c. 35 & c. 36, P.L. 1979

PROCESSING/ADMINISTRATION

Processing and Administration Activity is responsible for processing tax returns and forms, deposit of receipts, and all administrative functions. Local Property Tax Branch is also included under this activity.

ADMINISTRATION

This Activity is divided into three sections; namely: Management Services, Manpower Resources & Development and Systems & Methods.

MANAGEMENT SERVICES

Property and Records

This Section is responsible for the effective facilities management of all property occupied by the Division. This includes floor space on

six of the ten floors of the Taxation Building, the Mill Hill Processing Center and Annex, the Document Control Center, and two warehouse facilities in the City of Trenton; a Satellite Processing Center in Lakewood; an Audit operation in Chicago, Illinois; and nine other field offices in New Jersey located in Bridgewater, Cherry Hill, Fair Lawn, Newark, Northfield, Randolph, Sea Girt, Vineland, and Hamilton Township in the Trenton Area.

The section also operates the Division's records management program. This involves the inventory and storage of literally millions of filed tax returns in such a manner to ensure their retrieval as needed or destruction in accordance with official criteria.

Budget and Fiscal

Budget activities include planning, preparation, and execution of four separate budgets on an annual basis. Individual budgets include: Processing/Administration, Special Procedures/Investigations, Tax Audit Services, and the Property Tax Relief Fund.

The Budget and Fiscal Section is responsible for all purchasing and vendor accounts payable for the Division as required, and the processing of vendor invoices, travel expense invoices and all procurement documents.

In addition, this Section acts as liaison between the Division of Taxation and the Department of Treasury, Administration Section, with respect to budgetary and fiscal activities.

Set-Off Individual Liability (SOIL)

The SOIL PROGRAM was implemented during fiscal 1982. The purpose of this system is to provide State Agencies with another avenue of collecting debts owed by individuals by "setting-off" those debts against Gross Income Tax returns and/or Homestead Rebates which might otherwise be payable to those individuals.

During the calendar year 1985 cycle, twenty-five (25) State Agencies submitted approximately 265,000 debtor names. Over 76,000 of these people filed requests for Gross Income Tax refund and/or Homestead Rebates which were intercepted and sent to the appropriate agency. The affected refunds and rebates totalled \$7.7 million.

For the calendar year 1986 cycle, agencies have submitted approximately 318,000 debtor names to the SOIL PROGRAM. Based on early projections, the Program is expected to generate at least \$8.5 million in collections this year.

Since the inception of the SOIL Program in 1982, a total of \$33.7 million has been set-off to participating agencies.

Mail Services

Mail Services is responsible for proper handling of a large volume of forms, documents, etc., for the entire Division. It also performs mail service for several other state agencies. During 1986, Mail Services processed over 13 million pieces of outgoing mail and over 10 million pieces of incoming mail.

WORKFORCE RESOURCES & DEVELOPMENT

Personnel

Under the operating jurisdiction of the Treasury Administration Division and the New Jersey Department of Civil Service the Workforce Resources and Development Branch is primarily responsible for the supervision of a complete program of administrative services for all Personnel activities including recruitment, compensation, selection, promotions, transfers, leaves of absence, and retirements; also salary adjustments, position classifications, and organizational title and position changes. Significant work is regularly performed in the area of job evaluations, testing and appeal matters, Employee Relations and grievance handling and Affirmative Action planning mechanisms.

In-Service Training

Design, development and implementation of all division training and staff development is the primary function of the Training arm within the Branch of Workforce Resources and Development. Management of the Division of Taxation is committed to the attainment of maximum employee productivity through an intensive training and development effort of its own employees. Intensive and on-going efforts in the training area embody many purposes. Primary among these are: the commitment to educate and train Division employees in understanding and operating state of the art data/word processing equipment; development and embellishment of programs in career upward mobility; remedial skills training for the disadvantaged segment of our workforce; in-service programming for auditor and investigations Activities. Taxation's goal is to assist employees in keeping pace with the hi-tech atmosphere into which the Division is rapidly evolving.

SYSTEMS & METHODS

Systems and Methods acts as liaison between the Office of Telecommunications and Information Systems (OTIS), other state and federal agencies, and the end users of data processing resources within Taxation, aids in the automated and manual systems design required by new legislation and recommends and evaluates new technological concepts for the Division. Systems and Methods has the general responsibility for the design and specification of all New Jersey tax forms, site inspection of prospective vendors and overall form quality assurance.

In addition the branch supplies technical support, evaluates suggestion awards, performs special project work and maintains numerous management information reports.

Within the Division of Taxation requests for data processing services are prioritized by either the Systems Review Board or the Small Projects Priority Committee. Before this prioritization the Systems and Methods branch reviews requests for technical soundness and overall Division desirability. During 1986, a total of 137 such requests were evaluated.

Systems and Methods participated in the change and design of many systems during the year due to a quantity of legislative issues and law changes. Included in this group are Gross Income Tax—Individual, New York/New Jersey Border Sales Agreement, Litter Tax, Sales and Use Tax, Realty Transfer Fee, and Farmland Assessment systems.

A substantial effort on the part of Systems and Methods was expended on the Gross Income Tax—Individual system as a result of the enactment of Chapter 304, P.L. 1985, the Homestead Relief Act. Numerous forms and instruction revisions, system changes and the creation of several statistical reports were necessary for the implementation of this Act.

Continuous effort is expended to refine and improve existing systems. For example, during the year the Unified Taxpayer File was modified to include information pertaining to businesses participating in the New York/New Jersey Border Sales Agreement.

Numerous hardware and software evaluations were conducted during the year including data entry systems and software, office automation equipment, and a wide range of microcomputers, peripherals and software. In the field of microcomputer utilization, Systems and Methods has participated in the design of micro based systems to support a variety of applications within Taxation. These applications include personnel and payroll systems along with various statistical

applications which have been converted from the main frame computer to a microcomputer.

Systems and Methods participated in several large projects during the year. Substantial effort was devoted to the continued development of the TULIPS (Taxation Unremitted Liability Inventory Plotting System).

A project to enhance the Cash Receipts Accounting System (CRAS) and Management Information System (MIS) were begun this year. The CRAS project intends to automate the taxes which do not presently have computerized systems to support them as well as provide an automated interface for these taxes with TULIPS. The MIS project will aid Division management in developing performance objectives, plans for future periods and the measurement of financial and performance goals.

An even greater effort on the part of Systems and Methods will be required as the Division continues to undertake additional system development efforts to take advantage of the latest data processing technologies.

SYSTEM PROJECTS

The Division of Taxation in a continuing effort to increase the efficiency of its revenue collection methods has attempted to take advantage of the dramatic cost reduction in applying information technology by initiating large system development projects in recent years. During the 1986 fiscal year, this effort centered around the Taxation Unremitted Liability Inventory Plotting System (TULIPS), TULIPS Work Flow Analysis Management Information System, and Cash Receipts Accounting System (CRAS) Enhancement projects. A brief summary of each of these projects follows:

Tulips

TULIPS is a comprehensive on-line integrated system for tracking and controlling cases involving unremitted liabilities from the time the delinquency or deficiency is identified until full payment is received for all tax, penalty and interest due. The system interfaces with the computerized tax administration systems for the major business taxes to assure that the necessary enforcement steps are taken on every delinquency and deficiency identified.

TULIPS became an operational system during the latter part of the 1985 fiscal year. During the 1986 fiscal year, it was modified and

enhanced in response to suggestions received from the more than eight hundred system users.

Tulips Work Flow Analysis

This project consisted of a detailed analysis of the operating procedures for each section of the Division impacted by TULIPS. The aim of the analysis was to identify the most effective means to fully utilize TULIPS in each area. The project resulted in the elimination of many former manual procedures and record keeping functions. An additional facet of this project was to identify the requirements of each section for the possible utilization of an image processing system.

Management Information System (MIS)

The system is designed to support the management of the Division of Taxation in its role of developing performance objectives, planning for the future, and measuring results of operations against historical and projected costs. Managers will be able to identify the current status of an objective through an MIS inquiry. Implementation of this system began in fiscal year 1986. The system is scheduled to be put into production during the first half of the 1987 fiscal year.

Enhancements to the Cash Receipts Accounting System (CRAS)

The Cash Receipts Accounting System (CRAS) was originally implemented in 1980 to mechanize the cash book and deposit preparation functions for nine of the major taxes administered by the Division. The enhancement project will complete the automation of these functions for the remaining taxes administered. The project will also provide the following features:

- Automated adjustment and invoice processing.
- An on-line cash book inquiry.
- The ability to accept data tapes from taxpayers and an automated method for accepting EFTS transactions.
- Recording the accounts receivable functions for the manual taxes.

PROCESSING

This activity is responsible for centralized Division services including tax returns and checks, requests for forms, general cor-

respondence regarding taxpayer accounts, application for licenses, Homestead Rebate applications, license fees, and others.

Except for Transfer Inheritance and Local Property and Public Utility Taxes, this Branch processes all tax returns. It also acts as liaison with the Bureau of Data Processing in the control of taxpayer identification, registration, billings, and adjustments to taxpayer accounts.

Returns Files Section

The Returns Files Section is presently maintaining files for six different taxes: Gross Income, Sales, Corporation Business, Emergency Transportation, Business Personal Property and Beverage.

During the 1986 fiscal year, over 8.5 million returns were added to the files. More than 970,000 requests for files and returns were completed.

Returns Processing Section

Returns Processing's functions include the extracting, screening, coding, and numbering of tax returns as well as the distribution of miscellaneous mail to appropriate sections within the Division. Over 9.9 million pieces of mail were received during 1986.

More than 95% of all checks received were deposited in the bank on the day received.

A comparison of mail receipts for the last two fiscal years follows:

	Mail Receipts	
	1985	1986
Atlantic City Luxury	1,950	2,084
Alcoholic Beverage	7,172	6,129
Business Personal Property	69,944	60,765
Cigarette	31,700	31,429
Corporation Business	379,324	404,902
Gross Income:		
Employee-1040 Estimated	924,641	941,521
Employee-1040	3,371,372	3,742,280
Employer-Withholdings	1,211,616	1,245,916
Homestead Rebate Applications	1,384,219	1,557,925
Employer Reconciliations	169,108	179,713
Miscellaneous Mail	434,732	490,371
Motor Fuels	32,473	27,834
Sales and Use	1,134,816	1,223,067
Totals	<u>9,193,467</u>	<u>9,913,936</u>

During the month of August, the Returns Processing Section plays host to the Department of Human Services' Life Line program. The mail receipts associated with this program was 175,234.

In addition over 8.6 million returns were processed. A comparison of returns processed for the major taxes are listed below:

	<u>1985</u>	<u>1986</u>
Business Personal Property	74,446	63,200
Corporation	447,110	478,311
Gross Income:		
Employee-1040 Estimated	980,332	998,298
Employee-1040	3,842,523	4,165,941
Employer-Withholdings	1,356,240	1,413,933
Employer-Reconciliations	192,197	196,967
Sales and Use	1,302,248	1,337,728
Totals	<u>8,206,851</u>	<u>8,654,378</u>

Revenue Accounting Section

The Revenue Accounting Section is responsible for the accounting records for all the tax revenues received by the Division of Taxation.

Checks are deposited daily and transmittals of income are forwarded to the Division of Budget and Accounting via the on-line computer for the Agency Accounting System.

Daily, weekly, monthly, fiscal year and special revenue and statistical reports are prepared by this section for the taxes processed at the Mill Hill Processing Center. This section also monitors the setting of Cigarette Tax meters at Division of Taxation district offices and authorized meter setting banks at various locations. Cigarette Tax stamps (decals) are also sold from this office.

The Division revenue accounts are reconciled to the Department of Treasury Financial Information System on a monthly basis.

Data Input and Control Section

This section is responsible for controlling all computer input and output data generated by processing of tax forms and related documents. It contains two units:

1. *Data Capture Unit*—Handling input required to service all computer programs including cash verification, tax return editing and billing, delinquencies, field investigation assignments, audit selection, identification, microfilm and the Cash Receipts Accounting System which involves the input of checks and cash receipts.
2. *Data Input and Output Control Unit*—Control of source documents

and input and output involves maintenance of control ledger delivery of hard copy reports and microfilm, and liaison with Accounting Section and Bureau of Data Processing. With more than 300 separate computer programs and their applications, volume runs into the millions of entries.

Data Perfection Section

The primary function of this section is to analyze, interpret and correct all rejected computer edits and to prepare data for corrective action. This sections is also responsible for having all tax batches accepted through the Cash Receipts Accounting System.

During fiscal 1986, this section handled 650,661 rejected edits.

Deposit Preparation Section

This section prepares all checks and cash receipts for bank deposit representing payments for tax returns, billings, licenses, etc. It also maintains liaison with Depository Banks, and Division of Budget and Accounting. During fiscal 1986, approximately 4,795,126 million checks and cash transactions were deposited.

Central Identification Section

Central Identification maintains the Unified Taxpayer File containing appropriate information regarding taxpayer accounts. It consists of six units as follows:

1. *Changes*—Completed over 186,225 changes to the master file.
2. *New Registration*—Coded and examined 55,948 applications and processed 2,322 "Changes to Corporation Identification." 844 businesses have registered for the Urban Enterprise Zone Act.
3. *Correspondence*—Typed and mailed more than 216,329 pieces of correspondence and tax returns.
4. *Edit*—Produced more than 202,520 corrections to Taxpayer Identification and Cash Records.
5. *Data Input*—Entered over 230,924 changes and added over 42,347 new accounts to the Unified Taxpayer File. All additions and

changes are immediately available to all users of the system throughout the Division.

6. *Licenses and Registrations*—Issued 51,271 licenses for Cigarette, Motor Fuels and Alcoholic Beverage Taxes as follows:

Type of License and Registration Issued	Number Issued	
	1986	1985
Cigarette Tax:		
Distributors	115	123
Wholesalers	337	304
Over-the-Counter	17,554	18,109
Vending Machines	22,873	25,354
Miscellaneous	272	299
Motor Fuels Tax:		
Retail Licenses	5,647	5,828
Wholesale Licenses	533	481
Transport Licenses	3,396	7,554
Alcoholic Beverage Tax:		
Transfers	544	598
Totals	<u>51,271</u>	<u>58,052</u>

LOCAL PROPERTY TAX

Local Property Taxes produced 44.0% of New Jersey State and Local Taxes collected during fiscal 1986. Continuing progress is evidenced by recent development of statewide standards for County Tax Board rules and regulations. Chapter 499, P.L. 1979 established the office of County Tax Administrator and otherwise provided for the strengthening of the state and professionalization of county board of taxation.

Principal activities include: implementation of standards dealing with County Tax Board rules and regulations, revaluation contracts, certification of assessors, and tax maps; preparation of annual Table of Equalized Valuations and tax abatement statistics; assistance to local property tax administrators; administration of farmland assessments, realty transfer tax, homestead rebates; apportionment to local taxing districts of revenue sharing, personal property replacement, and in lieu payments of state owned property; and services to other departments and individuals.

TABLE 3
NET LOCAL PROPERTY TAX GROWTH BY YEARS

<i>Year</i>	<i>Total (millions)</i>	<i>Percent Change</i>	<i>Year</i>	<i>Total (millions)</i>	<i>Percent Change</i>
1977	\$3,205.2	-2.73	1982	\$4,495.4	8.72
1978	3,275.3	2.19	1983	4,848.7	7.86
1979	3,441.6	5.08	1984	5,175.0	6.73
1980	3,743.5	8.77	1985	5,517.5	6.62
1981	4,134.8	10.50	1986	6,094.1	10.50

Revaluation and Reassessment

Revaluation and reassessment programs are of primary importance in attaining uniform local property tax assessments and are given continual attention. Between 1951 and 1986, 561 local taxing districts undertook 1,157 such programs by professional revaluation firms. In 1986, 51 taxing districts implemented a revaluation.

Chapter 424, P.L. 1971 requires the Division to establish standards to be used in valuation and revaluation for assessment purposes, and to prescribe minimum qualifications for firms and individuals engaged in such activity. The Director must approve any contract for this purpose and must determine that the contractor meets prescribed qualifications. During fiscal 1986, 53 contracts and/or specifications were approved.

Certification of Assessors

Chapter 44, P.L. 1967 requires each taxing district to be served by a certified assessor, and as many Deputy Tax Assessors as a municipality determines to be necessary. During fiscal year 1986, the Division held two Assessor Certification Examinations. A total of 97 candidates completed this examination in fiscal year 1986.

Of the 1,538 persons who have been issued a tax assessor certificate since inception of the program, 399 are presently in office, 84 are Deputies, 470 are no longer in office, 49 are on an assessor's staff, 401 have no connection with an assessor's office, 119 are deceased, have had their tax assessor certificates removed, and are out of state residents.

Of the 567 municipalities in New Jersey, 545 have a certified Tax Assessor, 3 have a non-certified tax assessor, 15 have assessors who hold office by statutory provisions allowing anyone who has held office as assessor on a continuous basis since July 1, 1967 to continue in office. 110 certified Tax Assessors and Deputies serve more than one taxing district. Four municipalities have vacancies.

102 Positions of Deputy Tax Assessor have been authorized of which 89 are filled by persons holding a tax assessor certificate. Two Deputy Tax Assessors are not certified and 11 fall under the same statutory provisions mentioned above.

Tax Maps

New Jersey law (Chapter 18, P.L. 1918 and Chapter 167, P.L. 1939) provides for the preparation of "maps for purposes of taxation in all taxing districts," except townships having populations under 2,500. The Director is responsible for approval of such maps and may direct a municipality in its preparation (N.J.S.A. 40:146-29).

Chapter 424, P.L. 1971, requires inspection of an up-to-date tax map prior to approval of any revaluation contract. Since 1972, 153 taxing districts have developed completely revised tax maps and 425 have existing maps judged current and usable.

Tax maps have never been approved in 17 taxing districts, including those that are not required to have a map, 338 districts have approved tax maps more than twenty years old, and the remaining 212 have maps approved between 1966-1986. Some of those not approved recently are maintained on the basis of current specifications.

County Tax Board Rules and Regulations

Subsequent to adoption of uniform rules and regulations governing County Boards of Taxation (C. 119, P.L. 1973), the Director, in cooperation with members of the County Boards, maintains constant review to keep them current with changes in law and practice. Chapter 499, P.L. 1979 establishes the office of County Tax Administrator.

Equalization Table

Each year the Division publishes a Table of Equalized Valuations showing the average ratio of assessed value to true value of real estate

in each of the 567 local taxing districts. This table is certified to the State Commissioner of Education pursuant to Chapter 86, Laws of 1954 (N.J.S.A. 54:1-35.1) for use in calculating and distributing State school aid. Equalized valuations are also the basis for apportioning county taxes among local taxing districts and for apportioning the tax cost for a large number of regional school districts among component taxing districts. Equalized valuations are also the basis for measuring debt limits for local governmental units.

The ratio of assessed valuation to sales price is calculated for each usable sale and all are classified into four groups (vacant land, residential, farm, other¹). An overall district average weighted ratio is calculated for all classes as a weighted average of separate ratios calculated for each class. This district weighted ratio is applied against assessed value of the district to determine aggregate "true value."

"True value" is averaged with true value for the preceding year after adjustment for "added and omitted assessments." This averaging has the two-way advantage of avoiding abrupt changes in ratio from year to year and avoiding undue influence of inadequate samples of sales of a single year.

The average ratio of assessed value to true value of all real estate in 1986 was 64.95%.

The table of Equalized Valuations promulgated October 1, 1986 shows that the aggregate assessed valuation of the real property in the State totaled \$185.6 billion and the aggregate true value totaled \$285.8 billion. Total equalized valuation increased from \$241.6 billion in 1985 to \$288.1 billion in 1986, an increase of \$46.5 billion, or 19.3%.

Farmland Assessment

The "Farmland Assessment Act of 1964" (C. 48, P.L. 1964) provides for preferential assessment of land—"actively devoted to agricultural or horticultural use," at its value for such rather than market value. Unit values for various types of farmland are jointly determined with the Department of Agricultural Economics and Marketing, Rutgers University.

¹Other properties are subclassified into commercial, industrial and apartments for statistical purposes.

TABLE 4
1985 SUMMARY OF FARM ASSESSMENT¹

NOTES:

1. Regular farms (land and improvements) are valued by the same standard as other taxable property. Qualified farms (land only) are assessed on basis of agricultural use only upon application of owner.
2. Number of line items cannot be interpreted as the number of farms, some farms encompass more than one line item.

In 1986 there were 38,434 "line items" of qualified farm assessments comprising 1,251,819 acres or 26.05% of total State area. Although large in area, these farmland assessments represent .19% of the entire property tax base.

Water Pollution and Air Pollution Tax Exemption

N.J.S.A. 54:4-3.56 et seq. and N.J.S.A. 13:1D-7 provide for exempt status of certain air and water pollution control equipment, facilities and devices upon certification by the State Commissioner of Environmental Protection. Ratables exempted under these laws total \$38,972,851.

Solar Energy Exemption

Chapter 256, P.L. 1977 provides for the exemption of certified solar heating and cooling systems from real property taxation. The local construction code official is responsible for the certification of such systems when found to be designed primarily as solar heating and cooling systems.

Under the Act, the exemption amount is defined as the difference in the assessed value of the property with and without the certified solar system. Ratables exempted under this law totaled \$2,172,220.

Business Personal Property

Effective in 1968, all business personal property except that of telephone, telegraph, and messenger system companies was removed from local tax rolls (C. 136, P.L. 1966). A personal property tax replacement program was designed to distribute State collected revenue to municipalities. A "save-harmless" measure assured municipalities of no less than the greater of their business personal property taxes in 1964, 1965, 1966 or 1967 (C. 135, P.L. 1966). Any excess revenues obtained from four replacement tax sources over the "save-harmless" requirement is distributed to all municipalities pursuant to a formula (N.J.S.A. 54:11D-4). The "save-harmless" amount of \$106,835,188 was exceeded in 1975-1976 by \$51,868,646.

Repeal of most replacement taxes was accompanied by legislation providing annual appropriation of not less than \$158,703,834, the amount certified on October 15, 1976 (C. 3, P.L. 1977). C. 4, P.L. 1977 provided for the repeal of the business personal property tax on all

business machinery and equipment acquired on or after January 1, 1977.

“In Lieu” of Tax Payments

Chapter 272, Laws of 1977 provides for payments to municipalities for local services “in lieu” of taxes on certain State-owned property.

The law provides that eligible State-owned property shall not include property used or held for future use for highway, bridge or tunnel purposes nor shall it include property which is qualified under another State law for any other payment “in lieu” of taxes.

Exempt Property Lists

Legislative provision for payment in lieu of tax revenues to taxing districts for services rendered to state owned exempt properties placed added emphasis on continuing efforts to attain realistic assessment for all exempt properties. Annual lists of exempt property valuations are compiled.

Assistance to County Boards of Taxation

Close contact with the 21 County Boards of Taxation is maintained by correspondence, telephone, and by visits to the field staff. During the year 10,989 calls were made by the staff for this purpose. Division staff meets monthly with the Executive Committee of the New Jersey Association of County Tax Board Commissioners and County Tax Administrators to discuss problems and plans of the County Boards and assessors. It is through such close cooperation that uniform implementation of new or amended legislation and procedures is developed and maintained.

Assistance to Local Assessors

Division field staff maintain regular contact with local assessors to provide direct assistance in solving day-to-day administrative problems. Specialized assistance is provided in the case of property exemptions, deductions, Homestead Rebate problems and introductory training for new assessors.

During the year, the field staff was responsible for overseeing the processing of 254,141 SR-1A's of which over 98,000 were determined

to be usable for development of the Director's Ratio. In the process of assisting assessors in carrying out the duties of the office, over 18,000 calls were made and 37 new assessors provided introductory training by field staff personnel. There were 25,169 SR-1A's referred to the field in order to determine the usable/nonusable status for sales ratio purposes.

Assessor Training

Since 1954 the Division has co-sponsored annual in-service training courses for assessors conducted by the Bureau of Government Research at Rutgers, The State University, at strategic locations throughout the State. The Division supplies some of the instructors for courses, is represented on the planning committee and participates in the annual Rutgers Conference for Assessing Officers. The New Jersey Real Property Appraisal Manual, The Handbook for New Jersey Assessors and the Assessors Law Manual are the primary textbooks used in all in-service training courses.

Real Estate Appraisals

An Appraisal unit is maintained for assistance to assessors in appraisals of special purpose or other properties of unusual character. During fiscal 1986, assistance was given in 58 municipalities on 196 separate properties having an appraised value of \$461,703,550. Valuation data are accumulated as a basis for developing improved property assessment standards for local assessors. In addition to appraisals for assessors, appraisal assistance is often rendered to other state agencies. Appraisals, where necessary, are also prepared in conjunction with the valuation of state owned property reported by taxing districts under Chapter 272, Laws of 1977.

Data Processing For Local Tax Roles

Assessment records for all taxing districts are produced and maintained using a data processing system developed by the State.

Full implementation of the New Jersey Property Tax System (MOD IV) enables county boards of taxation to accomplish mechanically a variety of tasks formerly requiring extensive manual effort.

Homestead Tax Rebate

A Homestead Tax Rebate calculated at \$1.50 per \$100 to \$10,000 of equalized value, or two-thirds of equalized value, whichever is less, plus 12.5% of the effective tax rate in the municipality wherein the rebate is claimed, multiplied by \$10,000 of equalized value or two-thirds of equalized value whichever is less is mailed to each qualified homeowner in New Jersey. (C. 72, P.L. 1976).

Approximately 1.5 million rebate checks totaling \$298.2 million were mailed to taxpayers on or before July 15, 1986. The average rebate was \$195.74. Senior citizen homeowners (65 or older), disabled, or surviving spouses, (55 or older) received an additional \$50.

State Revenue Sharing

A State Revenue Sharing Fund was established in 1976.

Distribution of the revenue from this fund is made to all municipalities with an effective tax rate in excess of \$1.00 per \$100.00 in true valuation in proportion which the qualifying municipality bears to the total population of all municipalities in the State according to the most recent State population estimates published by the New Jersey Department of Labor except in the year of a promulgated Federal decennial census in which event the Federal census will be used.

Railroad Tax

Local Property administers the Railroad Property Tax and Franchise Tax and determines the amount of State aid payable to taxing districts in lieu of Class II railroad property taxes.

Declining reliance upon railroad taxes due to economic and other changes has created a condition of "phasing out." All railroad taxes are presently collected by the State. Local taxing districts receive payments in lieu of railroad property taxes based on 1966 adjusted valuations. State payments under such formula substantially exceed the amount of railroad taxes collected.* Railroad owned property not used for railroad purposes is assessed and taxed locally.

*No state aid was paid from calendar year 1982 due to Conrail and Amtrak exemption from any State tax, except for 1984 payments to those municipalities in which Class II railroad property owned by New Jersey Transit Corporation is located (P.L. 1984, CH 58).

*Includes \$381,000.00 in Bergen County (garbage district) for 1986.

SPECIAL PROCEDURES/INVESTIGATIONS

The Special Procedures/Investigations Activity is concerned primarily with problem taxpayers and legal matters. It also provides a wide range of taxpayer information. Tax Counselors Branch and Tax Evasion Task Force are also included in this Activity.

SPECIAL PROCEDURES

This Branch deals mainly with the collection of overdue tax liabilities and is also responsible for recommending taxpayers for criminal and civil proceedings.

Bankruptcies

The primary function of the Bankruptcy Section is to submit Proofs of Claim to federal and state courts relative to insolvency matters.

The Bankruptcy Section received 8,319 notices of insolvency resulting in 972 Proofs of Claim. The difference between the number of notices received and the number of Proofs of Claim represented those notices indicating that the business had no assets and/or was not indebted to the Division.

The assessed value of claims amounted to \$13.2 million. Collections totaled \$4.2 million.

Bulk Sales

The Bulk Sales Section is responsible for examining tax records of each business which disposes of its assets, either by Sales, Transfer or Assignment, other than in the normal course of business.

Bulk Sales Notices are required under provisions of the Sales and Use Tax Act, the Business Personal Property Tax Act and the State Uniform Commercial Code. The Section processed 2,638 Bulk Sale Notices resulting in collections of \$3.2 million.

Condemnations & Foreclosures

During the fiscal year, 546 tax searches relative to Condemnation and Foreclosure proceedings produced assessments resulting in total collections of \$51,645.

Deferred Payment Control

The Deferred Payment Control Section monitors monies received by the Special Procedures Branch under installment payment plans. This Section realized revenue of \$7.1 million from 837 accounts during fiscal 1986.

Judgments

The Judgment Section collects overdue liabilities from taxpayers who neglected or refused to pay taxes and/or file returns through normal channels. The principal statutory remedy invoked is the filing of Certificates of Debt with the Clerk of the Superior Court. During fiscal 1986, the Judgment Section processed 5,283 files and collected \$12.7 million. It also issued 3,875 Certificates of Debt in the amount of \$45.4 million which were docketed as Judgments in the Superior Court.

During the fiscal year the "Ten-Day Letter Program" was expanded to the six regional offices of the Investigations Branch. It is anticipated that this change will have a positive effect on the ability of the Division to pursue tax delinquents and delinquents more expeditiously.

INVESTIGATIONS

The Investigations Branch performs various investigative functions including the securing of tax returns from delinquent taxpayers, collecting tax liabilities, examining licenses and registrations, registering new businesses, detecting state tax law violations and recommending criminal prosecution cases involving all taxes. Listed below are the various functions within the Investigations Branch.

Branch Office Field Groups

Investigators are assigned to six branch offices located throughout the State. In 1986, they completed 16,350 assignments resulting in total collections of \$22.6 million. Collections processed through the field office taxpayer service function amounted to \$52.9 million. Additional temporary taxpayer service offices were filled to give taxpayers a better understanding of their responsibilities under the various tax statutes.

With the continued enhancements of the Division's Unremitted Liability Inventory Plotting System (TULIPS), the field investigation offices have another effective tool to aid in the enforcement of the various tax statutes under its jurisdiction.

Control Section

The Division's current method of operation requires a Central Location to function as a liaison between Taxation Administration, Field Investigations, and Special Procedures. The Control Section, formerly known as Contact and Control serves in this capacity.

The Control Section maintains a Research Unit and is responsible for the TULIPS Notification Subsystem. This section monitors TULIPS work-flow and ensures that each location within Special Procedures/Investigations is operating in accordance with established procedures. In addition, the Division's twelve (12) Regional Field Investigation Groups rely on the Control Section to supply cases suitable for Field Assignment.

Future system developments such as the Management Information System (MIS) may cause the Control Section to expand its horizons to accommodate a network of management information and reporting.

Liens, Levies & Seizures

During fiscal 1986, 2,748 cases were investigated resulting in the

filing of 2,391 Warrants of Execution in the 21 County Clerks' offices throughout New Jersey. In conjunction with this operation, field investigators of the Liens, Levies & Seizures Section seized the assets of 249 various enterprises in order to induce taxpayer compliance.

This section produced revenue of \$6.6 million during fiscal 1986.

During fiscal 1986, the functions of the Liens, Levies and Seizures Section were absorbed by the Investigations Branch of the Activity. This increase in scope will allow the activity to enforce New Jersey Tax Statutes more effectively and efficiently.

Motor Vehicle Casual Sales Section

The Casual Sales Section reviews and processes information received from the Division of Motor Vehicles on all non-dealer vehicle transactions to determine whether the proper amount of sales or use tax was paid.

After proper screening of title transfers, assessment letters are mailed to any transferee where there appears to be an additional tax liability resulting from the sales of motor vehicles, boats, and aircraft. During the year, 47,986 letters were processed and total collections amounted to \$1 million.

In addition, this section examines all exemption certificates from purchasers who claim exemptions from the New Jersey Sales Tax, and bills them for the tax due when the forms prove to be invalid.

The compliance program for aircraft and vessels has been expanded during the past year.

Litigations Unit

The Litigations Unit is responsible for the operation of the Disorderly Persons Program. It went on line in the TULIPS System during September 1985. Presently, PC File III is being used for inventory control of open and closed cases.

With the involvement of all field investigators and increased support service, we had a 26.4% increase in collections over fiscal 1985.

On occasion when an investigator had difficulty with a Disorderly Persons case, we had the assistance of a deputy attorney general to prepare the case and aid us at the court hearing.

TAX COUNSELOR BRANCH

The Tax Counselors' Branch provides technical advice to the Division and responds to inquiries from any taxpayer, taxpayer's representative, attorneys, accountants, the public and various government-

tal bodies regarding the taxes administered by the Division of Taxation. The branch drafts rules that regulate each taxpayer subject to a New Jersey tax. Internal advice is given to other units regarding questions or issues which arise under the laws administered by the Division. In cooperation with the Attorney General's office, the branch acts as liaison with respect to this Division's litigating position in tax appeals. The branch also coordinates the Division's activities with regard to information given to the public. This public informational function is accomplished through impact statements and written responses to comments on the Division's rules when rules are proposed or adopted to implement tax laws, and less formally in the form of questions and answers booklets, instructions for completing tax returns and article and ruling contributions to the Division's bi-monthly publication "The State Tax News."

Taxpayer Services

Taxpayer Services provides assistance to New Jersey taxpayers through a diverse array of programs and services. Enhanced by ongoing computerization, the programs and services are provided to the public at large as well as specifically aimed at various segments of the population including new residents, senior citizens, new businesspersons and retailers. Information on all taxes and programs administered by the Division is provided by Taxpayer Services' personnel, who answered more than 660,000 telephone calls and responded to nearly 3,000 inquiries by letter during fiscal 1986. Special emphasis was given during this fiscal period in informing the public of the new benefits provided by the Homestead Rebate Tax Act.

Personal tax assistance, including the completion of tax returns, was rendered at 8 walk-in district offices located throughout the State, with over 12,000 inquiries being answered at the Trenton location. Taxpayers also received assistance at an additional 11 temporary offices during the income tax season.

Taxpayer Service personnel trained over 1,100 volunteers through the Volunteer Income Tax Assistance/Tax Counseling for the Elderly (VITA/TCE) programs. These volunteers locally assisted residents to complete the New Jersey income tax forms at over 400 sites statewide. Reference materials, including a comprehensive New Jersey Income Tax Coursebook and several newsletters, were provided to the volunteers to aid them in their efforts. Technical tax and procedural training was also provided to seasonal Division employees and permanent staff members.

The Small Business Seminar Program, held in conjunction with

the Internal Revenue Service, continued to meet the need of new businesspersons by providing both State and Federal tax information at all-day seminars. Taxpayer Service representatives participated regularly in the Jersey Jubilee, a program sponsored by the Governor's Office that brings State government closer to the people it serves. Speakers were also provided by Taxpayer Services to various professional, civic and community groups.

Publications containing tax information of specific interest to various segments of the populace are prepared and distributed throughout the State. Approximately 9,500 practitioners ordered bulk forms in fiscal 1986 and nearly 80% took advantage of the "Fast Forms" service.

TAX EVASION TASK FORCE

The Tax Evasion Task Force has responsibility for the detection, investigation and prosecution of criminal violations arising from non-compliance with New Jersey's tax statutes. The Task Force works with the simultaneously created Tax Unit in the Division of Criminal Justice in the Office of the Attorney General and with the 21 County Prosecutors. The Task Force also maintains a close liaison with the New Jersey District of the Internal Revenue Service and other State and Federal law enforcement agencies.

The Task Force more aggressively used the weapons it has to bring tax evaders to justice by issuing 126 subpoenas and executing and assisting in the execution of a number of search warrants.

During Fiscal Year 1986 the Task Force conducted investigations which resulted in 28 indictments for violations of the tax laws. Guilty pleas were accepted in 4 cases. The courts ordered fines of \$169,380 and probation of 5 years.

Actual civil collections by the Task Force amounted to \$2.3 million.

ALCOHOLIC BEVERAGE TAX

Citation: The Alcoholic Beverage Tax Act: N.J.S.A. 54:41—1 *et seq.*

DESCRIPTIONS

Alcoholic Beverage Tax is applied to the first sale or delivery to retailers in New Jersey and is based upon the number of gallons sold or otherwise disposed of in the State. The tax is collected from licensed manufacturers, wholesalers, and State beverage distributors.

HISTORY

After repeal of the 18th Amendment to the U.S. Constitution, New Jersey enacted a tax on the sale of malt and vinous liquors effective April 6, 1933. Sales of ale, beer, lager, porter and wine having an alcoholic content not greater than 3.2% were taxed at the rate of \$.03 per gallon (C.85, P.L. 1933).

Enactment of the Alcoholic Beverage Tax Act effective December 5, 1933 imposed rates of 3-1/3 cents per gallon of beer and \$1.00 per gallon of liquor (C. 434, P.L. 1933).

Tax rate on liquor was increased in 1947 to \$1.50 per gallon (C. 18 P.L. 1947); in 1963 to \$1.80 per gallon (C.43, P.L. 1963); in 1969 to \$2.30 per gallon (C. 52, P.L. 1969); and in 1973 to \$2.80 per gallon (C. 52, P.L. 1972).

EXEMPTIONS

- (1) Sales to organizations of Armed Forces Personnel.
- (2) Sales under R.S. 54:43—2 for Medicinal, Dental, Industrial and other Non-Beverage Use.

1985	\$58,409,918
1986	\$58,562,564

DEPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

BUSINESS PERSONAL PROPERTY TAX

Citation: The Business Personal Property Tax Act: N.J.S.A. 54:11A-1—et seq.

DESCRIPTION

Business Personal Property Tax applies to individuals, partnerships, corporations, and associations which own tangible personal property used in business in this State. The tax base, referred to as taxable value, is 50% of original cost.

HISTORY

Business Personal Property Tax was adopted in 1966 as part of a Business Personal Property Tax Replacement Program designed to exempt business personalty from local taxation (except business personalty of telephone, telegraph and messenger systems companies). It took effect in 1968 (C. 136, P.L. 1966) and provided for replacement tax revenues to be collected by the State for distribution to taxing districts.

The State-administered Business Personal Property Tax with the exception of this tax upon banking corporations was one of the four replacement taxes which constituted the replacement program. The other replacement taxes were: Corporation Business Tax (1.25% of net income tax base), Retail Gross Receipts Tax and Unincorporated Business Tax.

This program was terminated (C.3, P.L. 1977).

Pennsylvania	\$2.48 bbl.	18% of net price ¹	00.5¢ per unit proof per wine gal.	6%

¹Monopoly—State receives most or all of revenue through markup.

²This rate applies to value of purchases of beer, liquors and wines.

³Alcoholic beverages, except draught beer sold by the barrel, are taxed. Tax is collected by the wholesalers from the retail licensee.

Banking Corporations became subject to Business Personal Property Tax effective January 1, 1975 (C. 170 and 171, P.L. 1975).

Business machinery and equipment acquired on or after January 1, 1977 is exempt from Business Personal Property Tax (C. 4, P.L. 1977).

EXEMPTIONS (54:11A—2(b))

- (1) Goods and chattels held as inventory, including raw materials, finished and partially finished products of manufacturers and processors; supplies and materials used or consumed in production, small tools; and goods and chattels held for sale, resale, leasing or to be furnished under contracts of service;
- (2) Goods and chattels so affixed to real property as to become part thereof and not severable or removable without material injury thereto;
- (3) Motor vehicles registered in this State pursuant to Title 39 of the Revised Statutes;
- (4) Vessels for which tax exemption certificates are or have been issued pursuant to the New Jersey Boat Act of 1962 (C. 73, P.L. 1962) as amended and supplemented;
- (5) Goods and chattels used or held for use in business by any person, partnership, association or corporation subject to taxation under Chapter 4 of the laws of 1940, as amended;
- (6) Goods and chattels used or held for use in the business of farming;
- (7) Goods and chattels used or held for use in business by any life insurance company, domestic or foreign, which is subject to a tax on life insurance premiums collected under the provisions of Chapter 132, laws of 1945, as amended; and
- (8) Machinery and equipment acquired on or after January 1, 1977.

RATE OF TAX

1.3% (\$1.30 per \$100) of taxable value. Taxable value is 50% of original cost.

COLLECTIONS (Fiscal Year)

1984	\$42,800,145
1985	\$37,701,832
1986	\$33,136,984

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

CIGARETTE TAX

Citation: The Cigarette Tax Act: N.J.S.A. 54:40A—1 *et seq.*
Unfair Cigarette Sales Act of 1952, N.J.S.A. 56:7—18 *et seq.*

DESCRIPTION

Cigarette Tax applies at a rate per package of 20 cigarettes. The Tax is collected primarily from licensed distributors who receive the cigarettes directly from out-of-state manufacturers. Unless otherwise provided by law, every package of cigarettes must be stamped before being transferred from the original acquirer in New Jersey. Other tobacco products are not taxed.

HISTORY

Effective July 1, 1948, the Cigarette Tax was first imposed at 3¢ per pack (C. 65, P.L. 1948). Provision was made for issuing licenses to distributors, wholesalers, over-the-counter retail dealers and vending machine dealers. Distributors were granted a 5% discount on sales of stamps totaling \$100 or more as compensation for handling and affixing revenue stamps to cigarette packages before delivery to wholesale or retail dealers. In 1952 the Unfair Cigarette Sales Act was adopted to prevent "unfair competition" and "unfair trade practices" in sales of cigarettes (C.247, P.L. 1952). Also effective in 1952 were increases in license fees; from the original \$250 to \$350 for distributors and from \$100 to \$200 for wholesale dealers. The wholesale dealer license fee was increased to \$250 in 1971. Effective June 4, 1968, the discount rate became a percentage of the face amount of any sales of 1,000 stamps or more (C. 51 P.L. 1968). Effective June 18, 1982, a surtax of 5% of the wholesale price (minimum 5¢ per pack) was imposed.

Effective July 1, 1983, the surtax was increased from 5% to 6%. Rate of tax on packs of 25 cigarettes at 125% of the tax on packs of 20 cigarettes effective September 1, 1985 or \$.3125 per pack. Discount rate on the 25 cigarettes stamps .886% of face value.

Tax rate and discount to distributors have changed as follows:

<i>Effective Date</i>	<i>Rate Per Pack</i>	<i>Discount Rate</i>
July 1, 1948	3¢	5%
April 16, 1956	5¢	3%
January 5, 1961	6¢	3.25%
May 23, 1961	7¢	3.25%
May 31, 1963	8¢	2.80%
June 16, 1966	11¢	2.50%
June 4, 1968	14¢	1.97%
May 16, 1972	19¢	1.46%
June 18, 1982	24¢	1.156%
July 1, 1983	25¢	1.11%

EXEMPTIONS

- (1) Sales to the United States Government or its agencies;
- (2) Interstate Commerce sales; and
- (3) Sales to The Veterans Administration for free distribution and consumption by veterans in state hospitals.

RATE OF TAX

12-1/2¢ for each ten cigarettes or fraction thereof (25¢ per pack of twenty cigarettes).

A distributor is allowed a 1.11% discount on the purchase of 1,000 or more stamps or meter impressions.

CORPORATION TAX

(a) CORPORATION BUSINESS TAX

(The Corporation Business Tax consists of Corporation Net Worth and Corporation Net Income Taxes.)

Citation: The Corporation Business Tax Act: N.J.S.A. 54:10A—1 *et seq.* (C. 162, P.L. 1945 as amended and supplemented).

DESCRIPTION

Corporation Business Tax Act imposes on a “corporation” a franchise tax for the privilege of having or exercising its corporate charter in this state or doing business, employing or owning capital or property, or maintaining an office in New Jersey. The tax is applicable to every corporation, not expressly exempted, falling within any one of the following categories:

- (a) Existing under the laws of New Jersey;
- (b) A foreign corporation,
 - (1) Holding a general certificate of authority issued by the Secretary of State;
 - (2) Holding any other authorization to engage in corporate activity within New Jersey issued by any other State Agency;
 - (3) Doing business in New Jersey;

- (4) Employing or owning capital or employing or owning property in New Jersey;
- (5) Maintaining an office in New Jersey.

The tax is measured by that portion of the corporation net worth (or other alternative net worth tax bases) and net income allocable to New Jersey. The tax applies to Net Worth and/or Net Income for the firm's accounting period (calendar year or fiscal year), or any part thereof during which the corporation has a taxable status within New Jersey.

HISTORY

Corporation Business Taxes date back to 1884 when a franchise tax was imposed upon all domestic corporations. Between 1884 and 1946, the franchise tax was based upon the total amount of capital stock issued by the taxpayer and outstanding as of January 1 of each year (C. 159, P.L. 1884).

There was no franchise tax on foreign corporations prior to 1936, when provision was made for an annual tax (C.264, P.L. 1936). This tax was replaced in 1937 (C. 25, P.L. 1937) with a new franchise tax providing for allocation of capital stock of foreign corporations.

Effective January 1, 1946 (C. 162, P.L. 1945), the tax became a net worth tax applicable to both domestic and foreign corporations and measured by net worth allocated to New Jersey. Allocation was measured by the greater of an assets factor or a three-part business factor (property, sales and payroll).

Chapter 88, Laws of 1954 increased the tax on allocable net worth from 8/10 mills per \$1 to 2 mills per \$1.

Chapter 63, Laws of 1958 amended the Corporation Business Tax Act by adding to the tax based upon allocated net worth a tax at 1-3/4% based upon allocated net income. The 1958 amendment also changed the tax year from a calendar year for all corporations to a privilege period coinciding with the accounting year for each taxpayer.

In 1982, there was enacted into law a measure phasing out the Corporation Business Tax on net worth. The tax will be phased out

at 25% per year over a four year period with taxpayers whose accounting or privilege periods begin on or after April 1, 1983 (C. 55, P.L. 1982).

Net Income Tax rates have changed as follows:

Effective Date	Rate Change
January 1, 1967 (C. 134, P.L. 1966)	1-3/4% to 3-1/4%
January 1, 1968 (C. 112, P.L. 1968)	3-1/4% to 4-1/4%
January 1, 1972 (C. 25, P.L. 1972)	4-1/4% to 5-1/2%
January 1, 1975 (C. 162, P.L. 1975)	5-1/2% to 7-1/2%
January 1, 1980 (C. 280, P.L. 1980)	7-1/2% to 9%

Chapter 143 Laws of 1985 allows a carryover of net operating loss as a deduction from taxpayers entire net income. (Approved April 22, 1985)

EXEMPTIONS

- (1) Certain Agricultural Cooperative Associations;
- (2) Building and Loan Association and Saving and Loan Associations;
- (3) Certain Federal Corporations;
- (4) Corporations created under the Limited-Dividend Housing Corporation Law;
- (5) Cemetery Corporations;
- (6) Non-profit Corporations without capital stock;
- (7) Non-stock Mutual Housing Corporations;
- (8) Railroad and Canal Corporations;
- (9) Street Railway, Gas, Light, Power and Other Corporations Using the Public Streets;
- (10) Utilities subject to franchise tax and Insurance Companies subject to premium tax; and

(11) International Banking Facilities.

RATE OF TAX

FIRST, a tax of 9% upon entire net income, or such portion thereof as may be allocated to New Jersey. There is no minimum net income tax.

SECOND, a tax measured by that portion of entire net worth allocated to New Jersey and multiplied by the following tax rates:

On the first \$100,000,000 of allocated net worth, 2 mills per dollar; on the second \$100,000,000 of allocated net worth, 4/10 of a mill per dollar; on the third \$100,000,000 of allocated net worth, 3/10 of a mill per dollar; over \$300,000,000 of allocated net worth, 2/10 of a mill per dollar.

Minimum tax is \$25 for Domestic Corporations and \$50 for Foreign Corporations.

Short Tax Table: In lieu of the tax based on allocated net worth, subject to minimum tax regulations, any taxpayer having less than \$150,000 of total assets everywhere may determine its net worth tax liability on the basis of a short tax table.

NOTE: See C. 55, P.L. 1982 which phases out the tax on net worth, repeals certain alternative minimum taxes and repeals net worth indebtedness provisions. See also C. 50, P.L. 1982 which uncouples depreciation for years after 1981.

TAX PREPAYMENT—ESTIMATED TAX

Effective June 19, 1981, Section 15 of the Corporation Business Tax Act was amended by Chapter 184, P.L. 1981, to provide that, with respect to all fiscal or accounting periods ending on or after December 31, 1980, every taxpayer with a tax liability of \$500 or more must make installment payments of its franchise tax.

This law is designed to change from a prepayment method of paying taxes to an estimated basis consisting of four equal payments. The law also provides for attaining the estimated payment procedure over a 4-year period.

The first installment payment is due on or before the 15th day of the 4th month of the taxpayer's current accounting year; the second on or before the 15th of the 6th month; the third on or before the 15th day of the 9th month; & the fourth on or before the 15th day of the 12th month.

BANKING AND FINANCIAL CORPORATIONS

Banking and Financial corporations are subject to the Corporation Business Tax Act at the rate of 9% on net income, plus the tax on corporate net worth of two mills per \$1.

Chapter 170, P.L. 1975 provides that during each of privilege years 1976, 1977 and 1978, the amount paid by each banking corporation as taxes shall be the greater of (1) the amount which such banking corporation paid in calendar year 1975 as Bank Stock Tax, or (2) a sum equal to total of taxes paid by such banking corporation as Corporation Business Tax and Business Personal Property Tax.

Formerly banks were subject to a tax of 1.5% on net worth under the Bank Stock Tax Act. Bank Stock Tax was formerly administered by the Division of Taxation and the 21 separate County Boards of Taxation. The corporate tax upon banks is now solely administered by the Division.

Financial business corporations were formerly subject to the Financial Business Tax. These included such corporations as small loan companies and mortgage finance companies which are now subject to the Corporation Business Tax. Financial Businesses not operating in a corporate capacity remain subject to the Financial Business Tax. Both taxes are administered by the Division.

Chapter 171, P.L. 1975 provides that during each of the years 1976, 1977 and 1978, each financial business corporation shall pay as taxes, the greater of a sum equal to the amount such financial business corporation paid under the Financial Business Tax Act in the calendar year 1975, or a sum equal to the total of the taxes payable by such financial business corporation pursuant to the Corporation Business Tax Act. Chapter 40, P.L. 1978 extended the save harmless provision through 1979. It expired in 1980.

INVESTMENT COMPANIES

Investment companies and regulated investment companies are subject to tax under special allocation formulas.

A taxpayer qualifying and electing to be taxed as an Investment Company is subject to an allocation percentage of 25% of the net worth base and 25% of the net income base.

In addition, these Investment Companies are subject to a minimum tax of \$250.00 for combined net worth and net income obligation.

"Regulated Investment Company" means any corporation which, for a period covered by its reports, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

The Corporation Business Tax on regulated investment companies was eliminated (P.L. 1983, C. 75), approved on February 24, 1983. Regulated investment companies in New Jersey were formerly taxed on both entire net worth and entire net income. These taxes are now eliminated and a set fee of \$250 per year is imposed.

DEFERRED PRE-DISSOLUTION PAYMENT ETC.

Chapter 367, P.L. 1973, approved in 1974, eliminates the requirement for a certificate obtained in case of merger or consolidation involving a domestic or foreign corporation qualified to transact business in New Jersey. It also provides alternatives to actual payment of taxes, or payment on account of such taxes by providing in lieu thereof, for a written undertaking to be given by a domestic corporation, or a foreign corporation authorized to transact business in New Jersey, to pay all taxes when payable on behalf of a corporation which otherwise would have to pay all taxes prior to taking certain corporate actions.

ALLOCATION FACTOR

If the taxpayer had a regular place of business outside New Jersey, its tax liability is measured by:

- (a) net income allocated to New Jersey, according to a formula based on property, sales and payroll; and

- (b) net worth allocated to New Jersey according to the same three factor formula.

CORPORATION INCOME TAX

Citation: The Corporation Income Tax Act: N.J.S.A. 54:10E—1 *et seq.*

DESCRIPTION

Corporation Income Tax applies to corporations deriving income from sources within the State which are not subject to the tax imposed under the Corporation Business Tax Act.

HISTORY

The Corporation Income Tax is applicable to accounting periods ending after December 31, 1973.

RATE OF TAX

7¼% of entire net income or such portion as is allocable to New Jersey.

FINANCIAL BUSINESS TAX

Citation: The Financial Business Tax Law: N.J.S.A. 54:10B—1 *et seq.*

DESCRIPTION

Incorporated Financial Businesses became subject to Corporation Tax effective January 1, 1975.

Financial Business Tax continues to apply to any partnership, limited partnership, limited partnership association or any other unincorporated association or individual doing a financial business. The tax is based upon net worth at a rate of 1½% for the privilege of doing financial business in New Jersey.

HISTORY

Financial Business Tax was adopted in 1946 at ¾ of 1% (C. 174, P.L. 1946). Revenue was equally distributed between municipalities and counties.

Rate was increased to 1½% in 1970 and the State became a recipient of revenues (C.9, P.L. 1970).

Effective January 1, 1975, Incorporated Financial Businesses became subject to Corporation Businesses Tax (C. 171, P.L. 1975). Unincorporated Financial Business continue to be subject to the tax.

EXEMPTIONS

(1) National banks;

- (2) Production Credit Association (Farm Credit Act of 1933);
- (3) Stock and mutual insurance companies authorized to do business in New Jersey;
- (4) Security dealers or brokers, investment companies, or bankers not employing monied capital coming into competition with the business of national banks;
- (5) Credit Unions;¹
- (6) Savings banks, Savings and Loan Associations and Building and Loan Associations;¹
- (7) Pawnbrokers;¹
- (8) State Banks and trust companies, and
- (9) Financial business corporations.

RATE OF TAX

1½% of taxable net worth. For a taxpayer doing business in more than one State, the tax base becomes net worth allocable to New Jersey. Allocation is determined by comparing gross business in New Jersey with gross business everywhere else during the taxable year. Minimum tax is \$25.

COLLECTIONS (Fiscal Year)

1984	\$42,858
1985	\$27,849
1986	\$24,424

DISPOSITION OF REVENUES

Revenues are distributed as follows:

25% Counties; 25% Municipalities; 50% State.

¹Exempt only if organized under Laws of New Jersey.

GROSS INCOME TAX

Citation: The New Jersey Gross Income Tax, N.J.S.A. 54A:1—1 *et seq.*

DESCRIPTION

This is a graduated tax based on income earned or received on or after July 1, 1976 by New Jersey resident and non-resident individuals, estates and trusts.

HISTORY

The Gross Income Tax was enacted July 8, 1976, retroactive to July 1, 1976 (C. 47, P.L. 1976).

Pension income for those eligible for Social Security by reason of age or disability is exempt as follows: First \$10,000 for a married couple filing jointly; \$5,000 for a married person filing separately; and \$7,500 for a single taxpayer (C.40, P.L. 1977).

C. 273, P.L. 1977 extends the exclusion allowed for pensions to other types of retirement income. The exclusion applies to taxpayers who are 62 years of age or older and whose earned income is not more than \$3,000.

C. 229, P.L. 1982 increased the rate from 2-1/2% to 3-1/2% on amounts in excess of \$50,000 effective January 1, 1983.

C. 304, P.L. 1985 allows residents a deduction from taxable income for property taxes paid on the taxpayer's homestead, effective for taxes paid after 1984.

RATE OF TAX

Graduated from 2% on taxable income up to \$20,000 to 2-1/2% on taxable income over \$20,000 but not over \$50,000 to 3-1/2% on amounts in excess of \$50,000.

EXEMPTIONS

(1) Taxpayer, \$1,000.

- (2) Taxpayer's spouse who does not file separately, \$1,000.
- (3) Taxpayer 65 years old or older, \$1,000; also \$1,000 for spouse who is 65 years old or older who does not file separately.
- (4) Taxpayer blind or totally disabled, \$1,000; also, on joint return, \$1,000 for blind or disabled spouse.
- (5) For each dependent \$1,000, plus an additional \$1,000 for each dependent child who attends, full time, an institution of higher education.

DEDUCTIONS

- (1) Payments of alimony or for separate maintenance are deductible to the payer if reported as income by the payee.
- (2) Unreimbursed medical expenses in excess of 2% of gross income.

CREDITS

- (1) \$65 for a qualified residential tenant or shareholder in a co-operative. A retroactive amendment provides that shareholders in co-operatives and mutual housing corporations qualify for the homestead rebate and not for the tenants' tax credit (C. 241 and 242, P.L. 1977). This increases to \$100 if the tenant is 65 years or older, permanently and totally disabled or the surviving spouse, 55 years or older, of a deceased senior citizen renter and has remained unmarried.
- (2) Amounts withheld by an employer and payments of estimated tax.
- (3) Payments of income or wage tax imposed by another state (or political subdivision) or by the District of Columbia, with respect to income subject to tax under this act. This shall not exceed the proportion of tax otherwise due that the amount of the taxpayer's income bears to the taxpayer's entire New Jersey income.

WITHHOLDING REQUIREMENT

Employers are required to withhold the tax and remit withholdings monthly; if withholdings are expected to be \$18,000 or more for a semi-annual period, withholdings are remitted semi-monthly. (C. 43, P.L. 1978 permits quarterly filings in certain cases.)

COLLECTIONS (Fiscal Year)

1984	\$1,732,250,461
1985	1,935,490,953
1986	2,052,592,417

DISPOSITION OF REVENUES

Revenues are deposited in the "Property Tax Relief Fund" to be used for the purpose of reducing or offsetting property taxes.

INSURANCE PREMIUMS TAX

Citation: The Insurance Premiums Tax Law: N.J.S.A. 54:16—1 *et seq.*; 54:16A-1—*et seq.*; 54:18A—1 *et seq.*; 54:17—4 *et seq.*

DESCRIPTION

Insurance Premiums Tax applies to premiums collected on insurance risks in this State during the preceding calendar year. The tax applies to every stock, mutual and assessment insurance company organized or existing under any general or special law of this State or any other state or foreign country transacting business in this State.

Taxable premiums of life insurance companies include all gross contract premiums except premiums for reinsurance and annuity considerations, less certain specified deductions. Non-life companies generally are taxed upon gross premiums less certain deductions. The tax on marine companies is based upon annual underwriting profits, and the tax on foreign fire insurance companies is based upon taxable premiums. Workers compensation insurers are taxed upon net premiums received.

HISTORY

The first insurance Premiums Tax in New Jersey was enacted in 1885, at a rate of 35/100ths of 1% on total gross insurance premiums. The law was significantly changed in 1945, at which time the rate of 2% was established (C. 132, P.L. 1945). The law has existed basically unchanged to the present day with the tax rate remaining at 2%.

Chapter 231, P.L. 1950 provided for retaliatory provisions with subject foreign insurance companies to not less than the rate of tax that the home states of such companies impose on New Jersey insurance companies.

Legislation adopted in 1966 provided for prepayment of the tax (C.3, P.L. 1966).

Chapter 183, P.L. 1981 provided for repeal of the Insurance Franchise Tax making insurance companies subject only to Insurance Premium tax. It also provided an additional 50% prepayment from domestic insurers.

RATE OF TAX

2% on premiums of life and non-life insurance companies, except for the following: group accident and health insurance premiums, 1%; on ocean marine, 5% of three-year average of underwriting profits; additional 1/4 of 1% on workers compensation premiums; surcharge of 3% against insured on surplus lines coverage. For both life and non-life insurance companies the maximum taxable premiums may not exceed a sum equal to 12-1/2% of the total premiums collected.

COLLECTIONS (Fiscal Year)

1984	\$112,147,228
1985	101,829,493
1986	125,519,922

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use, with the following exceptions:

Insurance premium taxes collected from fire insurance companies of other states and foreign countries on premiums of insurance against fire insurance risks in this State are allocated for distribution to the New Jersey Firemen's Home 1986—(\$3,602,766).

LANDFILL CLOSURE AND CONTINGENCY TAX

Citation: Sanitary Landfill Facility Closure and Contingency Fund Act;
N.J.S.A. 13:1E-100 et seq.

DESCRIPTION

The Landfill Closure and Contingency Tax is levied upon the owner or operator of every sanitary landfill facility located in New Jersey on all solid waste accepted for disposal on or after January 1, 1982.

The Act also required the sanitary landfill facility owner or operator to establish an escrow account, administered by the New Jersey Department of Environmental Protection, and to deposit into the account \$0.30 per cubic yard of solids and \$0.004 per gallon of liquids for all solid waste accepted for disposal on and after January 1, 1982.

HISTORY

The Sanitary Landfill Facility Closure and Contingency Fund Act (C. 306, P.L. 1981) was signed into law on November 25, 1981 and became effective January 1, 1982.

RATE OF TAX

The tax rate is \$0.15 per cubic yard on all solid waste accepted for disposal. The tax rate for solid waste in liquid form is \$0.002 per gallon.

COLLECTIONS (Fiscal Year)

1984	\$5,823,620
1985	5,302,274
1986	5,310,856

DISPOSITION OF REVENUES

All tax revenues are credited to the Sanitary Landfill Facility Contingency Fund, administered by the New Jersey Department of Environmental Protection, established to insure the proper closure and operation of sanitary landfill facilities in this State.

LITTER CONTROL TAX

Citation: The Clean Communities and Recycling Act: N.J.S.A. 13:1E-92 *et seq.*

DESCRIPTION

The Litter Control Tax is imposed on all gross receipts from sales of litter-generating products sold within New Jersey by each person engaged in business in the state as a manufacturer, wholesaler, distributor or retailer of such products. Any retailer with less than \$250,000 in annual retail sales of litter-generating products is exempt from this tax.

HISTORY

The Clean Communities and Recycling Act, C. 533, P.L. 1985, was enacted and approved on January 21, 1986, amending the Solid Waste Management Act and imposing a Litter Control Tax, effective April 21, 1986, on the sale of certain litter-generating products in New Jersey.

RATE OF TAX

The tax rate is imposed at 3/100 of 1% (.0003) on all gross receipts from sales of litter-generating products sold in New Jersey by each person engaged in business in the state as a manufacturer, wholesaler, or distributor of such products and at the rate of 2.25/100 of 1% (.000225) on all gross receipts from retail sales.

COLLECTION (fiscal year)

Revenue collections expected to begin in March, 1987.

DISPOSITION OF REVENUE

Revenues are deposited in the Clean Communities Account Fund.

LOCAL PROPERTY TAX

Citation: The Local Property Tax: N.J.S.A. 54:4—1 *et seq.*

DESCRIPTION

An ad valorem tax—The local property tax is measured by property values and is apportioned among taxpayers according to the assessed value of taxable property owned by each taxpayer. The tax applies to real estate and tangible personal property of telephone, telegraph and messenger systems companies.

A local tax—The property tax is a local tax assessed and collected by municipalities for the support of municipal and county governments and local school districts. No part of it is used for support of State government.

Amount of tax (a residual tax)—The amount of local property tax is determined each year, in each municipality, to supply whatever revenue is required to meet budgeted expenditures not covered by monies available from all other sources. School districts and counties notify municipalities of their property tax requirements. Municipalities add their own requirements and levy taxes to raise the entire amount. As a residual local tax, the total property tax is determined by local budgets and not by property valuations or tax rates.

Property assessment (the tax base)—All taxable property is assessed (valued for taxation) by local assessors in each municipality. Assessments are expressed in terms of "taxable value," except for qualified farm land, which is specially valued.

HISTORY

It may be said that the property tax originated in 1670 with a levy of one half penny per acre of land to support the central government. Through the middle of the 19th century property taxes were levied

upon real estate and upon certain personal property at arbitrary rates within certain limits called "certainties." In 1851 the concepts of a general property tax and uniform assessments according to actual value were developed (Public Laws 1851, p. 273).

For almost a century following the 1851 legislation a continuing effort was made to accomplish uniform taxation under a general property tax. In 1875 a constitutional amendment provided that "property shall be assessed for taxes under general laws and by uniform rules according to its value" (Article IV, Section VII, Paragraph 12). Courts held that the 1875 amendment permitted classification of property for tax purposes and also exemption of certain classes from taxation, or the substitution of other kinds of tax "in lieu." Thus began a long period of erosion of the "general property tax" concept. In 1884 a State Board of Assessors was created and given responsibility for assessment of railroad and canal property, thus setting the pattern for State assessment of certain classes of property.

Intangible personal property was eliminated from the "general property tax base" in 1945 (replaced with a corporation net worth tax). Such elimination shifted the emphasis for tax reform to tangible personal property.

The New Jersey State Constitution adopted in 1947 provided (Article VIII, Section I) "property shall be assessed for taxation under general law and by uniform rules. All real property assessed and taxed locally or by the State for allotment and payment to taxing districts shall be assessed according to the same standard of value, except as otherwise permitted herein, and such property shall be taxed at the general tax rate of the taxing district in which the property is situated, for the use of such taxing district."

This was interpreted to preclude any classification of real estate but to leave the door open for classified taxes upon personal property. In 1963 the Constitution was amended to permit assessment of farm property according to its value for agricultural use only. Chapter 51, Laws of 1960 (effective for tax year 1965) provided for such classification and also provided other significant modifications. These were comprehensively summarized in prior Annual Reports.

Personal property provisions of Chapter 51, Laws of 1960 were replaced by Chapter 136, Laws of 1966. For taxes payable in 1968 and thereafter, personal property used in business (other than the busi-

nesses of telephone, telegraph and messenger system companies) is subject to a uniform state tax instead of the local tax. Non-business personal property is no longer subject to any property tax and inventories of all businesses were excluded from property taxation.

The 1966 law also provided for replacement of local personal property tax revenues from four tax sources: (1) Retail Gross Receipts Tax, (2) Corporation Business (Net Income) Tax, (3) Business Personal Property Tax and (4) Unincorporated Business Tax. This program was terminated (C. 3, P.L. 1977). Legislation was passed providing for an annual appropriation of not less than \$158.7 million.

The decision in *Switz v. Middletown Township, et al.*, 23 N.J. 580, required that all taxable property be assessed at "true value" (100% assessment). This was the beginning of a series of New Jersey court decisions which have been a major factor in development of uniform real estate tax assessment.

A long period of legislative history has developed numerous exemptions and various special property tax treatments. These are found principally in R.S. 54:4—3.3 and in R.S. 54:4—3.6. Generally exempt are government-owned property, and property of religious, educational, charitable and various types of non-profit organizations. In addition, qualified veterans and senior citizens are permitted tax deductions of \$50 and \$250 respectively.

RATE OF TAX

Local property tax rate is determined each year in each municipality by relating the total amount of tax levy to the total of all assessed valuations taxable. Expressed in \$1 per \$100 of taxable assessed value, the tax rate is a multiplier for use in determining the amount of tax levied upon each property. The average rate for the State is \$3.28.

GROSS TAX LEVY (Fiscal Year)

1984	\$5,241,512,017
1985	5,582,390,989
1986	6,159,434,925

DISPOSITION OF REVENUES

This tax is assessed and collected locally by the taxing districts for support of county and municipal governments and local school district purposes.

MOTOR FUELS TAX

Citation: The New Jersey Motor Fuels Tax Act: N.J.S.A. 54:39—1 *et seq.*

DESCRIPTION

The tax on motor fuels applies to sales of gasoline, diesel fuel or liquefied petroleum gas and compressed natural gas used in motor vehicles on public highways.

HISTORY

The first gasoline tax law (C.334, P.L. 1927) became effective in New Jersey on July 1, 1927 at the rate of 2¢ per gallon. A commission in 1934 recommended repeal of exemption certificates and substitution of a refund system. The refund system was enacted, providing a closer check of non-taxable sales of motor fuels (C. 319, P.L. 1935).

Unfair Motor Fuels Practices Act (C. 413, P.L. 1953) enables the Division's auditors and investigators to check dealers' practices in giving rebates, concessions, allowances or discounts. Preferential treatment is unlawful if given with intent to injure, destroy or substantially lessen competition.

Chapter 52, P.L. 1971 provides for taxation of sales of petroleum liquefied gas and liquefied or compressed natural gas at one-half the rate paid on the sales of motor fuels.

The tax rate has changed as follows:

<i>Effective Date</i>	<i>Per Gallon</i>
Dec. 1, 1930	2¢-3¢
July 1, 1954	3¢-4¢
July 1, 1958	4¢-5¢
June 1, 1961	5¢-6¢
July 1, 1968	6¢-7¢
July 1, 1972	7¢-8¢

EXEMPTIONS

Motor fuel sales

- (1) to the United States Government,
- (2) between licensed distributors,
- (3) between licensed gasoline jobbers, and
- (4) for export.

RATE OF TAX

8¢ per gallon on motor fuels. 4¢ per gallon on petroleum gas and liquefied or compressed natural gas sold or used to propel motor vehicles on public highways (C. 52, P.L. 1971).

11¢ per gallon on diesel fuels of which 3¢ per gallon is refundable for fuel used in passenger automobiles and motor vehicles of less than 5,000 pounds gross weight.

Licensed distributors are permitted credit for taxes paid on fuels used by them for purposes qualifying for refund (N.J.S.A. 54:39—66).

COLLECTIONS (Fiscal Year)

1984	\$294,090,535
1985	296,208,188
1986	318,198,986

LICENSE FEES

Distributors and gasoline jobbers are required to file a bond to obtain a license.

Revenue from the issuance of these licenses is as follows:

1984	\$81,040
1985	81,085
1986	78,200

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use. A sum equivalent to 2.5¢ per gallon is deposited in the Transportation Trust Fund for maintenance of the State's transportation system.

TABLE 12
MOTOR FUELS TAX RATE: COMPARISON WITH OTHER STATES

State	Rates (per gallon)		Sales Tax
	Gasoline	Diesel	
New Jersey ¹	8¢	11¢	—
Connecticut	17¢	17¢	—
New York ²	8¢	10¢	4% (N.Y.C. 4.25%)
Massachusetts	11¢	11¢	—
Maryland	13.5¢	13.5¢	—
Ohio	12¢	12¢	—
Pennsylvania	12¢	12¢	—

¹Liquefied petroleum gas and compressed natural gas used in motor vehicles on public highways is taxed at 1/2 the motor fuels tax rate.

²New York City—1¢ per gallon additional on fuels with one-half gram or more of lead in each gallon.

PUBLIC COMMUNITY WATER SYSTEM TAX

Citation: N.J.S.A. 58:12A-21.

DESCRIPTION

The Public Community Water System Tax is levied upon the owner or operator of every public community water system in New Jersey based upon water delivered to consumers, not including water purchased for resale, on or after April 1, 1984.

HISTORY

The Safe Drinking Water Act, N.J.S.A. 58:12A-1 et seq., was amended by C.443, P.L. 1983, signed into law on January 9, 1984, imposing the Public Community Water System Tax effective April 1, 1984.

RATE OF TAX

The tax rate is \$0.01 per 1000 gallons of water delivered to a consumer, not including water purchased for resale, and paid on a quarterly basis.

COLLECTIONS (FISCAL YEAR)

1985	\$2,588,563
1986	2,590,739

DISPOSITION OF REVENUES

Revenues from the Public Community Water System Tax are deposited in the Safe Drinking Water Fund administered by the New Jersey Department of Environmental Protection and used to insure clean drinking water in New Jersey.

PUBLIC UTILITY TAXES**(a) PUBLIC UTILITY FRANCHISE TAX
(FOR MUNICIPAL USE)**

Citation: Public Utility Franchise Tax: N.J.S.A. 54:30A—16 *et seq.* and N.J.S.A. 54:30A—19 *et seq.*

DESCRIPTION

Franchise Tax applies to persons, copartnerships, associations and corporations, other than those specifically exempted, having lines or mains located in, on or over any street, highway or other public place. Utilities subject to taxation include telegraph, telephone and district messenger systems companies.

The rate is either 2% or 5% of a proportion of the gross receipts of the taxpayer for the preceding calendar year. The proportion of gross receipts subject to tax is the ratio of the taxpayer's total length

of lines or mains which are located in, on or over any street, highway or other public place to the whole length of lines or mains. Measurements of lengths of lines or mains exclude service connections.

ADMINISTRATION

Franchise tax is collected by the State for distribution to municipalities together with the gross receipts tax distribution. The tax is payable by the State to the municipal tax collectors in three installments: 25% within 30 days after certification of the apportionment; 40% on September 1; and 35% on December 1.

HISTORY

The first general tax act specifically taxing public utilities was enacted in 1884 (C. 159, P.L. 1884). It provided for a 2% Franchise Tax on gross receipts of telegraph, telephone, cable and express companies. In 1900, Voorhees Tax Act included all utilities other than those taxable under the Railroad and Canal Property Tax Act. It also provided that the receipts collected by the State were to be transferred back to municipalities (C. 195, P.L. 1900). In 1917, Franchise Tax rates were increased to 3% in 1917, 4% in 1918 and 5% in 1919 and thereafter (C. 17, P.L. 1917).

In 1940, significant revisions and amendments were adopted (C. 4 and 5, P.L. 1940). Unit values were applied to each class or type of public utility tangible personal property for the purpose of securing a fair and equitable apportionment of taxes. An accelerated payment schedule was imposed by C. 35 & 36, P.L. 1979 on all public utility companies paying the Franchise or Gross Receipts Taxes. Chapters 10 and 11, P.L. 1980 amended Chapters 4 and 5, P.L. 1940 to provide for state collection and distribution to municipalities. Chapter 12, P.L. 1980 establishes a Municipal Purposes Tax Assistance Fund and provides for a distribution to certain municipalities of a sum not less than \$27.0 million.

RATE OF TAX

2% for gross receipts of \$50,000 or less and 5% for gross receipts exceeding \$50,000 (N.J.S.A. 54:30A—54(a), 54:30A—18).

COLLECTIONS (Fiscal Year)

1984	\$289,357,785
1985	307,432,293
1986	334,857,983

DISPOSITION OF REVENUES

Revenues, after deductions for the cost of administering the tax by the State, are for local use. The tax is distributed to the municipalities, subject to the limitations imposed by the State's budget.

(b) PUBLIC UTILITY GROSS RECEIPTS TAX (FOR MUNICIPAL USE)

Citation: Public Utility Gross Receipts Tax: N.J.S.A. 54:30A—16 *et seq.* and N.J.S.A. 54:30A—49 *et seq.*

DESCRIPTION

Public Utility Gross Receipts Tax is in addition to the Franchise Tax and is in lieu of local taxes on certain properties of the following public utilities: street railway, traction, sewerage, water, gas and electric light, heat and power corporations using or occupying public streets, highways, roads or other public places in New Jersey.

ADMINISTRATION

Public Utility Gross Receipts Tax is collected by the State for distribution to municipalities together with the franchise tax distribution. The tax is payable by the state to the tax collectors in three installments: 25% within 30 days after municipal certification of the apportionment; 40% on September 1; and 35% on December 1.

HISTORY

Public Utility Gross Receipts Tax was levied in 1919 as an addition to the Franchise Tax (C.25, P.L. 1919). The tax was in lieu of state, county, school and local taxes on personal property and materials other than land and buildings. The rate of tax was the average rate of the aggregate general property tax.

In 1952 sewerage corporations were included among taxable public utility companies. In 1955 a maximum rate of 7.5% was adopted (C. 268, P.L. 1955) and in 1956 a minimum of 5% was established (C. 15, P.L. 1956). The "average rate of taxation" concept was eliminated in 1960 and a tax rate of 7.5% of gross receipts was established (C. 50, P.L. 1960). Water companies became subject to the Gross Receipts Tax in 1961 (C. 91, 92 and 93, P.L. 1961). An accelerated payment schedule was imposed by C. 35 & 36, P.L. 1979 on all public utility companies paying the Franchise or Gross Receipts Taxes. Chapters 10 and 11, P.L. 1980 amended chapters 4 and 5, P.L. 1940 to provide for state collection and distribution to municipalities. Chapter 12, P.L. 1980 establishes a Municipal Purposes Tax Assistance Fund and provides for distribution to certain municipalities of a sum not less than \$27.0 million.

RATE OF TAX

7.5% applied to taxable gross receipts for the preceding calendar year (N.J.S.A. 54:30A—54(b)).

COLLECTIONS (Fiscal Year)

1984	\$475,758,361
1985	504,253,904
1986	547,120,744

DISPOSITION OF REVENUES

Gross Receipts Tax is distributed to the municipalities, subject to the limitations imposed by the State's budget.

(c) PUBLIC UTILITY EXCISE TAX (FOR STATE USE)

Citation: Public Utility Excise Tax: N.J.S.A. 54:30A—49 *et seq.*

DESCRIPTION

Public Utility Excise Tax is an additional tax on gross receipts of public utilities.

HISTORY

Public Utility Excise Tax (for State use) was introduced in 1963 to be in effect for three years beginning in 1964 (C. 41 and 42, P.L. 1963). In 1966 the tax was extended indefinitely.

An accelerated payment schedule was imposed by C. 108 and 109, P.L. 1971 on all public utility companies paying Excise taxes.

RATES (Calendar Year Basis)

0.625% —upon gross receipts subject to the franchise tax. (0.25% for taxpayers with gross receipts not in excess of \$50,000 annually);

0.5% —upon gross receipts of telegraph and telephone companies and messenger systems from business over, on, in, through or from their lines or mains in the State;

0.9375% —upon gross receipts of other utilities from business over, on, in, through or from their lines or mains in the State.

COLLECTIONS (Fiscal Year)

1984	\$106,583,560
1985	122,951,074
1986	120,082,610

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

(d) RAILROAD PROPERTY TAX

Citation: The Railroad Tax Act of 1948; N.J.S.A. 54:29A—1 *et seq.*

DESCRIPTION

Railroad Tax Law of 1948 as amended distinguishes three classes of property:

Class I: "Main stem" roadbed—that not exceeding 100 feet in width.

Class II: All other real estate *used for railroad purposes* including roadbed other than "main stem" (Class I), tracks, buildings, water tanks, riparian rights, docks, wharves, piers. *Excluded* is "tangible personal property": rolling stock, cars, locomotives, ferryboats, all machinery, tools. Facilities used in passenger service are also excluded, being defined as Class III property.

Class III: Facilities used in passenger service: land, stations, terminals, roadbeds, tracks, appurtenances, ballast and all structures used in connection with rendering passenger service, including signal systems, power systems, equipment storage, repair and service facilities (N.J.S.A. 54:20A—2).

The Railroad Property Tax is a State tax on Class II property.

HISTORY

When the first railroad in New Jersey was chartered (February 4, 1830) the State required payment for the privilege of operating a railroad. Early railroad charters provided for annual payments to the State for the privilege of operating. In general railroads were required to pay 1/2 of 1% of either (1) the value of their capital stock or (2) cost of the road, equipment and appurtenances.

The first general railroad tax law was enacted in 1884. Tax rates were fixed by the State: 1/2 of 1% of total valuations (revenues for State use); local rates on Class II property, but not to exceed 1% (revenues for local use). In 1897 and 1905-08 several amendments involving tax rates were enacted.

In 1941 the Railroad Tax Act taxed railroad property at the rate of 3%. Taxes levied on Class II property were paid to the taxing districts and taxes on other classes of properties were assigned to the State.¹ The 1941 Railroad Tax Act was amended in 1948: Provision was made for taxation of Class II property at local rates (revenue for local use). Classes I and III properties (as then defined) were taxed at the rate

¹In 1941 the definitions of classes differed from those in effect from June 1966 onwards. Class III was "value of all the tangible personal property" and Class IV was "value of remaining property." Class III is now "facilities used in passenger service" and Class IV is no longer in use.

of 1.2% (revenues for State use). Taxation of "the value of remaining property" (Class IV) was dropped. Minimum and maximum tax provisions were established.

Chapter 251, P.L. 1964 eliminated the tax on Classes I and III properties and the maximum tax provisions. Chapter 139, P.L. 1966 changed the Class II railroad property tax to a State tax. Class III property was defined as "facilities used in passenger service." Hence, such facilities were exempted from taxation. In lieu of revenues from taxes on Class II property, State aid to municipalities was provided and is discussed on next page.

The Regional Rail Reorganization Act of 1973 as amended by the Northeast Real Service Act of 1981, effective August 13, 1981 exempted Consolidated Rail Corporation (Conrail) from liability for any State tax. In a similar manner, Public Law 97-102 provided that none of Amtrak's funds may be used to pay State or Local taxes.

EXEMPTIONS

Main stem (Class I), tangible personal property and facilities used in passenger service (Class III).

RATE OF TAX

\$4.75 for each \$100 of true value of Class II railroad property.

COLLECTIONS (Fiscal Year)

1984	\$42,420
1985	42,447
1986	39,561

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use. However, under legislation adopted in 1966, the municipalities where railroad property is located are guaranteed the return of certain replacement revenues.

(e) RAILROAD FRANCHISE TAX

Citation: The Railroad Tax Act of 1948: N.J.S.A. 54:29A—1 *et seq.*

DESCRIPTION

The Railroad Franchise Tax is levied upon railroads (or systems of railroads) operating within New Jersey. The tax base is that portion of the road's (or system's) net railway operating income of the preceding year allocated to New Jersey. The allocating factor is the ratio of the number of miles of all track in this State to the total number of miles of all track over which the railroad or system operates.

HISTORY

Prior to 1941 franchise valuations were ascertained as of the first day of January preceding and taxes at the "Average Rate of Taxation" (R.S. 54:24—3). Chapters 291 and 363, P.L. 1941 introduced a tax base formula which took account of both (1) net railway operating income allocated to New Jersey and (2) total valuation of the previous year of all classes of property used for railroad purposes. One-half of the franchise tax levied was assigned to the state, the other half to taxing districts in which railroad property was situated.

Amendments in 1942 provided for (1) a deduction of \$200,000 from net operating income before determining allocation to the State and (2) minimum and maximum tax liabilities.

In 1948 net railway operating income allocated to New Jersey became the tax base and a tax rate of 10% was imposed. The Railroad Tax Act of 1948 was amended in 1964. These amendments, effective January 1, 1966, eliminated the maximum tax provisions that had been introduced in 1942.

RATE OF TAX

Railroad Franchise Tax is assessed at the rate of 10% upon the net railway operating income of the preceding year allocated to New Jersey. The minimum is \$100 for taxpayers having total railway operating revenues in the preceding year not in excess of \$1 million and \$4,000 to taxpayers with operating revenues in excess of \$1 million in the preceding year.

COLLECTIONS (Fiscal Year)

1984	\$2,663,562
1985	29,854
1986	50,251

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

REALTY TRANSFER FEE TAX

Citation: The Realty Transfer Fee Tax Act: N.J.S.A. 46:15-5 *et seq.*

DESCRIPTION

Realty Transfer Fee Tax is applied to the recording of deeds which transfer title to real property in New Jersey. The tax is collected by county clerk or registrar at the rate of \$1.75 for each \$500.00 of consideration not in excess of \$150,000.00. Of the \$1.75, \$0.50 is retained by the county and the \$1.25 balance is forwarded to the State Treasurer. An additional fee of \$0.75 for each \$500.00 of consideration in excess of \$150,000.00 of consideration is imposed.

HISTORY

The Federal Documentary Tax on real estate transfers expired on January 1, 1968. It had provided the principal basis for developing average assessment ratios for each of the 567 municipalities in the state. These ratios are essential for such purposes mandated by law as: (1) construction of State Table of Equalized Valuations (the basis for distributing State School aid to local districts); (2) Construction of County Equalization Tables (the basis for apportioning county costs of government); (3) establishment of debt limits for municipalities, counties and school districts; (4) provision for taxpayer relief from discriminatory local property tax assessments.

Realty Transfer Tax (C. 49, P.L. 1968) replaced the expiring Federal law both for revenue purposes and to preserve the basis for state,

county and municipal equalization processes. The Act requires a record be made of the selling price of real property. This record may be used by the State in its sample of real estate sales for purposes of constructing a Table of Equalized Valuations.

Chapter 176, P.L. 1975 increased the tax from \$0.50 to \$1.75 for each \$500.00 of "consideration" effective September 1, 1975.

Chapter 225, P.L. 1985 imposed an additional fee of \$0.75 for each \$500.00 of consideration or fractional part thereof in excess of \$150,000.00.

EXEMPTIONS (N.J.S.A. 46:15-10)

The fee does not apply to title transfers:

- (1) For a consideration of less than \$100.00;
- (2) By or to the United States of America, this State, or any instrumentality, agency or subdivision thereof;
- (3) Solely in order to provide or release security for a debt or obligation;
- (4) Which confirm or correct a deed previously recorded;
- (5) On a sale for delinquent taxes or assessments;
- (6) On partition;
- (7) By a receiver, trustee in bankruptcy or liquidation, or assignee for the benefit of creditors;
- (8) Eligible to be recorded as "ancient deeds" pursuant to R.S. 46:16-7;
- (9) Acknowledged or proved on or before July 3, 1968;
- (10) Between husband and wife, or parent and child;
- (11) Conveying a cemetery lot or plot;
- (12) In specific performance of a final judgment;

- (13) Releasing a right of reversion;
- (14) Previously recorded in another county and full realty transfer fee paid or accounted for, as evidenced by written instrument, attested by the grantee and acknowledged by the recording officer of the county of such prior recording, specifying the county, book, page, date of prior recording, and amount of realty transfer fee previously paid.
- (15) By an executor or administrator of a decedent to a devisee or heir to effect distribution of the decedent's estate in accordance with the provisions of the decedent's will or the intestate laws of this State.
- (16) Deed recorded within ninety days following the entry of a divorce decree which dissolves the marriage between grantor and grantee.

Three types of transfers of real property are exempt from the State portion of the fee:

- (1) The sale of one or two-family residential properties which are owned and occupied by a senior citizen (62 years of age or older), blind person, or disabled person shall be exempt from payment of \$1.25 per \$500.00 of consideration or fractional part thereof of the fee imposed.
- (2) The sale of low and moderate income housing as defined by C. 225, P.L. 1985 shall be exempt from payment of \$1.25 per \$500.00 of consideration or fractional part thereof of the fee imposed.
- (3) The sale of property upon which there has been construction of an entirely new improvement not previously occupied or used for any purpose shall be exempt from payment of \$1.00 for each \$500.00 of consideration or fractional part thereof not in excess of \$150,000.00 of consideration.

RATE OF TAX

\$1.75 for each \$500.00 of consideration or fractional part thereof.

TABLE 14
REALTY TRANSFER FEE TAX RATE:
COMPARISON WITH OTHER STATES

<i>State</i>	<i>Rate</i>
Connecticut	55¢ on sales in excess of \$100 but not exceeding \$500 and 55¢ for each additional \$500 or fraction thereof.
Maryland ¹	
Baltimore City	1 1/2% of value
Baltimore County	1 1/2% of value
Howard County	1 1/2% of value
Montgomery County	1% of value on unimproved property 1% of value on improved property over \$35,000 1/2% of value of improved property between \$20,000 and \$35,000
Prince George County	2/5 of 1% of value
Massachusetts	\$1 on sales in excess of \$100 but not exceeding \$500; and \$1 on each additional \$500 or fractional part thereof. In addition, a 14% surcharge is imposed.
New Jersey	\$1.75 for each \$500 of consideration or fractional part thereof. \$0.75 for each \$500.00 of consideration or fractional part thereof in excess of 150,000.00.
New York	55¢ for each \$500 of consideration or fractional part thereof, exclusive of the value of any lien or encumbrance remaining at the time of sale.
New York City	Additional 2% of net consideration exceeding \$500,000
Ohio	55¢ per \$500 of value or fractional part thereof.
Pennsylvania	1% of value of the property represented by such document

¹Tax is not statewide.

Effective January 1, 1986 an additional fee of \$0.75 for each \$500.00 of consideration or fractional part thereof in excess of \$150,000.00 is imposed.

COLLECTIONS¹ (Fiscal Year)

1984	\$46,013,991
1985	57,010,520
1986	77,780,325

DISPOSITION OF REVENUES

Revenues are collected by the County Clerks or Registrars. An

amount equal to 28.6% of the proceeds from the first \$1.75 for each \$500.00 of consideration or fractional part thereof collected is retained by the County Treasurer. The balance, 71.4% is paid to the State Treasurer for State use.

All amounts paid in payment of the additional fee of \$0.75 for each \$500.00 of consideration or fractional part thereof in excess of \$150,000.00 shall be paid to the State Treasurer and credited to the Neighborhood Preservation Nonlapsing Revolving Fund. Fiscal year 1986—\$6,322,996 (Jan. 1, 1986-June 30, 1986—1/2 year)

RESOURCE RECOVERY INVESTMENT TAX

Citation: N.J.S.A. 13:1E-138b.

DESCRIPTION

The Resource Recovery Investment Tax is levied upon the owners and operators of every sanitary landfill facility located in New Jersey on all solid waste accepted for disposal on or after May 1, 1985. The Resource Recovery Investment Tax expires on January 1, 1996.

HISTORY

The Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq., was amended by C.38, P.L. 1985, signed into law on February 4, 1985, levying three additional taxes on sanitary landfill facilities effective May 1, 1985.

RATE OF TAX

The tax rate is \$1.00 per ton on all solid waste accepted for disposal. The tax rate for solid waste in liquid form is \$0.004 per gallon. The law provides for increases in the tax rate on solids to \$2.00 per ton as of January 1, 1986, to \$3.00 per ton as of January 1, 1987 and to \$4.00 per ton as of January 1, 1988. However, the law allows each county, based on their requirements and following specific guidelines, to annually adjust the tax rate to a rate not to exceed \$10.00 per ton of solids and \$0.04 per gallon of liquids on January 1 of any year the tax is imposed.

COLLECTIONS (Fiscal Year)

1985	\$ 888,628
1986	14,405,483

DISPOSITION OF REVENUES

The revenues from the Resource Recovery Investment Tax are deposited in the Resource Recovery Investment Tax Fund established in the New Jersey Department of Treasury and distributed to each county's District Resource Recovery Investment Tax Fund. Counties may use fund revenues to reduce the rates of resource recovery facilities; build sanitary landfills to service resource recovery facilities; build and operate sanitary landfills if resource recovery is not feasible; and finance closure costs of a sanitary landfill.

SALES TAX**(a) SALES AND USE TAX**

Citation: New Jersey Sales and Use Tax Act; N.J.S.A. 54:32B—1 *et seq.*

DESCRIPTION

Sales and Use Tax Act applies to receipts from (a) retail sale, rental or use of tangible personal property, (b) retail sale of producing, fabricating, processing, installing, maintaining, repairing, storing and servicing tangible personal property and certain advertising services, (c) sales of restaurant meals, (d) rental of hotel and motel rooms and (e) certain admission charges.

A compensating use tax is also imposed on retail purchases of tangible personal property made outside the State for use in New Jersey. The use tax does not apply if the taxable property has already been, or will be, subjected to sales tax.

All persons required to collect the tax must file an Application for

Registration. Each registrant's authority to collect the sales tax is certified by a Certificate of Authority, issued by the Division, which must be prominently displayed at each place of business to which it applies.

HISTORY

Sales and Use Tax Act became effective July 1, 1966. Rate of tax was set at 3% (C. 30, P.L. 1966).

Additional exemptions from the tax were provided by C. 25, P.L. 1967. C. 7, P.L. 1970 increased the tax rate to 5%, effective March 1, 1970. This Act and C. 25, P.L. 1970 contained certain transitional provisions relating to this increased rate.

Effective July 1, 1972, sales of alcoholic beverages, except draught beer sold by the barrel, to any retail licensee were made subject to Sales and Use Tax (C. 27, P.L. 1972). The 1972 amendment repealed taxation of sales of packaged liquor by retailer to consumer. The tax now applies at the wholesale-retail level. Its base is the minimum consumer retail price as filed with the Board of Alcoholic Beverage Control.

A new tax imposed on wholesale receipts of alcoholic beverage licensees at 6.5% of the wholesale price supersedes the prior tax imposed under the sales tax law at 5% of the minimum consumer resale price (C. 62, P.L. 1980).

Production machinery and equipment is exempt from sales tax effective January 1, 1978.

Sale, rental or lease of commercial motor vehicles weighing more than 18,000 pounds is exempt from sales tax effective January 1, 1978. (C. 217, P.L. 1977).

The Division took over administration of the Atlantic City Luxury Sales Tax (C. 60, P.L. 1980).

Recycling equipment is exempt from sales tax effective January 12, 1982 (C. 546, P.L. 1981).

The sales tax rate increased to 6%, effective January 3, 1983 (C. 227, P.L. 1982).

Non-prescription drugs, household paper products and soaps and detergents are exempt from sales tax, effective July 1, 1983.

MAJOR EXEMPTIONS

- (1) Advertising services for newspapers and magazines;
- (2) Draught Beer;
- (3) Bible and other sacred scriptures;
- (4) Casual sales except motor vehicles and registered boats;
- (5) Cigarettes subject to Cigarette Tax Act;
- (6) Clothing, except furs;
- (7) Farm supplies and equipment;
- (8) Flags of the United States and State of New Jersey;
- (9) Food, food products and non-alcoholic beverages (off premises);
- (10) Food sold in school cafeterias;
- (11) Prescription drugs and other medical aids;
- (12) Motor fuels
- (13) Periodicals and textbooks;
- (14) Professional and personal services;
- (15) Real estate sales;
- (16) Tangible personal property used in research and development;
- (17) Telephone lines, cables and other equipment;
- (18) Transportation of persons or property;
- (19) Utilities;
- (20) Production machinery and equipment;
- (21) Commercial motor vehicles weighing more than 18,000 pounds.
- (22) Non-prescription drugs;
- (23) Household products; and
- (24) Soaps and detergents.

RATE OF TAX

6% on taxable sales.

The bracket system on taxable sales under \$1 is as follows:

<i>Amount of Sales</i>	<i>Tax</i>
\$0.01 to 0.10	None
0.11 to 0.22	1¢
0.23 to 0.38	2¢
0.34 to 0.56	3¢
0.57 to 0.72	4¢
0.73 to 0.88	5¢
0.89 to 1.10	6¢

COLLECTIONS (Fiscal Year)

1984	\$1,974,445,427
1985	2,260,827,342
1986	2,529,091,374

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

(b) ALCOHOLIC BEVERAGE WHOLESALE SALES TAX

Citation: The Alcoholic Beverage Wholesale Sales Tax Act; N.J.S.A. 54:32 C-1 et seq.

DESCRIPTION

Alcoholic Beverage Tax applies to receipts from every sale of alcoholic beverages, except draught beer sold by the barrel, by any wholesaler to any retail licensee.

HISTORY

The Alcoholic Beverage Wholesale Sales Tax Act (C. 62, P.L. 1980) became effective August 1, 1980. Rate increased to 7.3% effective March 1, 1984 (C. 531, P.L. 1983).

RATE OF TAX

7.3% on taxable sales.

COLLECTIONS (Fiscal Year)

1984	\$76,613,739
1985	81,018,889
1986	85,280,390

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use—88%; 12% is deposited in a special account known as the Alcoholism Education and Rehabilitation Fund.

(c) ATLANTIC CITY LUXURY SALES TAX

Citation: The Atlantic City Luxury Sales Tax Act; N.J.S.A. 40:48-8.15 et seq., Sales and Use Tax Act 54:32B-24.1 et seq.

DESCRIPTION

Atlantic City Luxury Tax applies to receipts from the sale of:

1. Alcoholic Beverages sold by the drink;
2. Cover charges in restaurants, hotels etc.;
3. Room rental;
4. Hiring of rolling chairs, beach chairs and cabanas; and
5. Tickets of admission.

RATE OF TAX

9% on taxable sales.

COLLECTIONS (Fiscal Year)

1984	\$13,185,366
1985	13,779,850
1986	14,810,346

DISPOSITION OF REVENUES

Revenues are forwarded to the Atlantic County Approval Authority.

⁶Food and drink sold for off-premises consumption, where such food and drink (including sandwiches) are prepared and ready for consumption are subject to sales tax.

SAVINGS INSTITUTION TAX

Citation: The Savings Institution Tax Act: N.J.S.A. 54:10D—1 *et seq.*

DESCRIPTION

Savings Institution Tax is applicable to every savings institution doing a financial business in New Jersey. The Act defines "Savings Institution" as any state or federally chartered building and loan association, savings and loan association or savings bank. The tax is based upon net income as of the close of the preceding tax year, but in no event less than \$50 for savings institutions with assets under \$1 million and no less than \$250 for savings institutions with assets of \$1 million or more.

HISTORY

Chapter 160, P.L. 1979 reduced the rate from 5% to 3% effective January 1, 1980.

EXCLUSIONS FROM TAX

- (1) 100% of dividends of an owned and qualified subsidiary and
- (2) 50% of other dividends included in taxable income for federal tax purposes.

RATE OF TAX

3% of net income.

Minimum tax is \$50 for associations with assets of less than \$1 million and \$250 for associations with assets of \$1 million or more.

PREPAYMENT

In addition to the tax due, for accounting periods ending April, 1980 and thereafter, an 80% prepayment of tax for the following year must

TABLE 17

SOLID WASTE IMPORTATION TAX

Citation: N.J.S.A. 13:1E-138c.

DESCRIPTION

The Solid Waste Importation Tax is levied upon the owners and operators of every sanitary landfill facility located in New Jersey which accepts out-of-district solid waste for disposal on or after May 1, 1985. The Solid Waste Importation Tax expires on January 1, 1996.

HISTORY

The Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq., was amended by C.38, P.L. 1985, signed into law on February 4, 1985, levying three additional taxes on sanitary landfill facilities effective May 1, 1985.

RATE OF TAX

The tax rate is \$1.00 per ton on all solid waste accepted for disposal. The tax rate for solid waste in liquid form is \$0.004 per gallon. The tax rate increases to \$4.00 per ton of solids as of January 1, 1988 and increases by \$2.00 per ton of solids annually thereafter.

COLLECTIONS (Fiscal Year)

1985	\$ 364,813
1986	4,272,666

DISPOSITION OF REVENUES

The revenues from the Solid Waste Importation Tax are deposited in the Resource Recovery Investment Tax Fund in the New Jersey Department of Treasury and distributed to the District Resource Recovery Investment Tax Fund for the county wherein the sanitary landfill receiving out-of-district waste is located. Counties may use fund revenues to reduce the rates of resource recovery facilities; build sanitary landfills to service resource recovery facilities; build and operate sanitary landfills if resource recovery is not feasible; and finance closure costs of a sanitary landfill.

SOLID WASTE RECYCLING TAX

Citation: Recycling Act; N.J.S.A. 13:1E-92 et seq.

DESCRIPTION

The Solid Waste Recycling Tax is levied upon the owner or operator of every sanitary landfill facility located in New Jersey on all solid waste accepted for disposal on or after January 1, 1982.

The Solid Waste Recycling Tax terminates on December 31, 1986.

HISTORY

The Recycling Act (C. 278, P.L. 1981) was signed into law on September 9, 1981 and became effective January 1, 1982.

RATE OF TAX

The tax rate is \$0.12 per cubic yard on all solid waste accepted for disposal. The tax rate for solid waste in liquid form is \$0.0006 per gallon. Solid waste accepted on or after January 1, 1986 will be taxed at the rate of \$0.06 per cubic yard and \$0.0003 per gallon.

COLLECTIONS (Fiscal Year)

1984	\$4,645,319
1985	4,236,469
1986	4,245,033

DISPOSITION OF REVENUES

The proceeds constitute a fund, the State Recycling Fund, jointly administered by the New Jersey Department of Energy and the New Jersey Department of Environmental Protection, to provide for a comprehensive recycling plan and program in this State.

SOLID WASTE SERVICES TAX

Citation: N.J.S.A. 13:1E-138a.

DESCRIPTION

The Solid Waste Services Tax is levied upon the owners and operators of every sanitary landfill facility located in New Jersey on all solid waste accepted for disposal on or after May 1, 1985.

HISTORY

The Solid Waste Management Act, N.J.S.A. 13:1E-1 et seq., was amended by C.38, P.L. 1985, signed into law on February 4, 1985, levying three additional taxes on sanitary landfill facilities effective May 1, 1985.

RATE OF TAX

The tax rate is \$0.50 per ton on all solid waste accepted for disposal. The tax rate for solid waste in liquid form is \$0.002 per gallon. On January 1, 1986, and on the first of January annually thereafter, the tax rate will increase on solids by \$0.05 per ton.

COLLECTIONS (Fiscal Year)

1985	\$444,320
1986	5,465,361

DISPOSITION OF REVENUES

The revenue collected from the Solid Waste Services Tax is deposited in the Solid Waste Services Tax Fund administered by the New Jersey Department of Environmental Protection. Monies in the fund are allocated to the counties based on the amount of waste generated and used for implementing county solid waste management plans.

SPILL COMPENSATION AND CONTROL TAX

Citation: The Spill Compensation and Control Act: N.J.S.A. 58:10-23.11, *et seq.*

DESCRIPTION

The Spill Compensation and Control Tax is imposed upon the New Jersey transfer of hazardous substances, (as determined by the New Jersey Department of Environmental Protection).

The Tax is payable by:

- (a) The operator or owner of the receiving major facility or vessel on a transfer of a hazardous substance from a major facility or vessel; or
- (b) The operator or owner of the transferring major facility on a transfer of a previously untaxed nonpetroleum hazardous substance to a nonmajor facility; or
- (c) The owner of a hazardous substance transferred to a public storage terminal from a major facility or vessel.

HISTORY

Spill Compensation and Control Act (C. 141, P.L. 1976) became effective April 1, 1977. Effective April 1, 1980, an alternate tax rate was established on transfers of nonpetroleum hazardous substances. (C. 346, P.L. 1979). The tax base was significantly expanded effective April 1, 1980 (C. 73, P.L. 1980). Effective Nov. 1980, the tax rates were revised from \$.01 to \$.04 per barrel transferred. Effective Aug. 1, 1982 the tax rates reverted back to such rates in effect prior to Nov. 1, 1980.

In 1985 the rates were reverted to rates in effect Nov. 1, 1980, namely \$0.04 per barrel, except the rate on petroleum products which remains at \$0.01 per barrel.

RATE OF TAX

- (1) Nonpetroleum hazardous substances—greater of \$0.04 per barrel or 0.8% of fair market value;
- (2) Petroleum products—\$0.01 per barrel; and
- (3) Precious metals—\$0.04 per barrel.

COLLECTIONS (Fiscal Year)

1984	\$9,817,014
1985	9,768,637
1986	12,028,616

DISPOSITION OF REVENUES

The proceeds constitute a fund (New Jersey Spill Compensation Fund) to insure compensation for cleanup costs and damage associated with the discharge of petroleum products and other hazardous substances.

TRANSFER INHERITANCE AND ESTATE TAX

Citation: The Transfer Inheritance Tax Act: N.J.S.A. 54:33—1 *et seq.*
and The New Jersey Estate Tax Act: N.J.S.A. 54:38—1 *et seq.*

DESCRIPTION

Transfer Inheritance Tax applies to the transfer of all personal property and New Jersey real property having a value of \$500.00 or more in estates of resident decedents and of real property and tangible

personal property of non-resident decedents located within the State of New Jersey.

An estate tax in addition to the Transfer Inheritance Tax is designed to absorb any portion of the credit allowed under the Federal Estate Tax statutes which is not fully taken up by the taxes paid under the Transfer Inheritance Tax of this State and all other states.

Transfer Inheritance Tax is non-recurring at rates based upon the relationship of the ultimate beneficiaries to the decedent and the amount received by each. The due date of the tax is the date of death.

Due to the multiplicity and complexity of laws dealing with distribution of estates it is difficult for the taxpayer to predetermine the exact tax liability. The Division therefore, determines the tax liability and bills the taxpayer. This is usually a one-time operation with a relatively low percentage of the files being reopened at a later date. Statutes require, however, that all records be retained for 15 years.

HISTORY

New Jersey first imposed an Inheritance Tax in 1892 at a rate of 5% on property transferred from a decedent to a beneficiary.

In 1909, legislation was enacted which formed the basis of present Inheritance Tax (N.J.S.A. 54:33 and 54:38).

Retroactive to Jan. 1, 1985 (C.57, P.L. 1985), the tax on the transfer of property to a husband or wife of a decedent is eliminated.

On transfers of property to a father, mother, grandparent, child or children of a decedent, the inheritance tax will be imposed as follows:

- Through June 30, 1985, the tax on the amount inherited in excess of \$15,000 remains in effect;

- Effective July 1, 1985, through June 30, 1986, no tax will have to be paid on the first \$50,000 inherited;

- Effective July 1, 1986, through June 30, 1987, no tax will have to be paid on the first \$150,000 inherited;

- Effective July 1, 1987, through June 30, 1988, no tax will have to be paid on the first \$250,000 inherited;

- On and after July 1, 1988, the tax is eliminated.

EXEMPTIONS

- (1) All transfers under \$500;
- (2) Family transfers of \$5,000 or less to each parent, grandparent, spouse, child, mutually acknowledged child, stepchild or the issue of a child or adopted child. Dower and curtesy are exempt; on July 1, 1978 exemption increased to \$15,000 in estates of decedents dying on or after that date.
- (3) Life Insurance proceeds paid to named beneficiary;
- (4) Charitable transfers for the use of any educational institution, church, hospital, orphan asylum, public library, etc.;
- (5) Transfers for public purposes made to New Jersey or any political subdivision thereof;
- (6) Federal civil service retirement benefits payable to a beneficiary other than the estate;
- (7) Annuities payable to survivors of military retirees.
- (8) Qualified employment annuities paid to a surviving spouse.

Beneficiary Classes

CLASS A Father, mother, grandparents, wife, husband, child or children of decedent, adopted child or children, issue of any child* or legally adopted child of a decedent, mutually acknowledged child and stepchild.

*The phrase "issue of any child" has been construed in *Palmer vs. Kingsley*, 27 N.J. 425, to include the legally adopted children of a child of a decedent.

CLASS B This class eliminated by Chapter 61, Laws of 1962, effective July 1, 1963.

CLASS C Brother or sister of decedent; wife or widow of a son of decedent, or husband or widower of a daughter.

CLASS D Every other transferee, distributee or beneficiary.

RATE OF TAX

After January 1, 1985, transfers to class "A" husband or wife are totally exempt. Only Class "A" beneficiaries other than surviving spouses are taxable after January 1, 1985.

The following tax rate table is applicable to decedents dying on or after July 1, 1978, but excludes spouse dying after January 1, 1985:

Value of Share	July 1, 1978 Through June 30, 1985 Class A ¹		July 1, 1985 Through June 30, 1986 Class A ²		July 1, 1986 Through June 30, 1987 Class A ³		July 1, 1987 Through June 30, 1988 Class A ⁴		July 1, 1988 and Thereafter Class A ⁵		March 29, 1962 Through June 30, 1988 Class C ⁶		July 1, 1988 and Thereafter Class C ⁷		March 29, 1962 and Thereafter Class D ⁸

CLASS E State of New Jersey, municipal corporation with the State of New Jersey, or other political subdivision thereof; proceeds of life insurance transferred to trustees and beneficiaries of trust deeds or agreements; proceeds of life insurance payable to any beneficiary other than the estate of the decedent or his executor or administrator; transfers, surrender or exercise of any right to change the beneficiary of insurance; soldiers' benefits from federal government; and property passing to, for the use of or in trust for any educational institution, church, hospital, orphan asylum, public library or Bible and tract society or to, for the use of or in trust for any institution or organization organized and operated exclusively for religious, charitable, benevolent, scientific, literary or educational purposes, including any institution instructing the blind in the use of dogs as guides, no part of the net earnings of which inures to the benefit of any private stockholder or other individual or corporation provided that this exemption shall not extend to transfers of property to such educational institutions and organizations of other states, the District of Columbia, territories and foreign countries which do not grant an equal and like exemption on transfers of property for the benefit of such institutions and organizations of this state.

Exemptions

CLASS A \$15,000 to each in class.
CLASS B Eliminated
CLASS C If less than \$500.00, no tax; if \$500.00,
CLASS D or more, no exemption.
CLASS E Entirely exempt.

Note: This Class A exemption of \$15,000.00 applies to estates of decedents dying on or after July 1, 1978. Exemption for decedents dying prior to July 1, 1978 is \$5,000.00.

In general, tax rates are the same for non-resident and resident decedents.

COLLECTIONS (Fiscal Year)

1984	\$171,362,876
1985	194,424,660
1986	188,633,527

DISPOSITION OF REVENUES

Revenues are deposited in the State Treasury for general State use.

TABLE 18
TRANSFER INHERITANCE AND ESTATE TAX
COMPARISON WITH OTHER STATES

New Jersey:	Rates range from 2% to 16% on each beneficiary's share. The rates vary with the value of the legacy and relationship of the beneficiary.
Connecticut: ¹	Rates range from 3% to 14% on each beneficiary's share. The rates vary with the value of the legacy and relationship of the beneficiary.
Maryland:	This state has two classes of rates. Class I which involves relationship of the beneficiary, the rate of tax is 1% on the entire share, and Class 2, all others, the rate of tax is 10% on the entire share.
New York:	Rates range from 2% to 21% on the net estate of the decedent.
Ohio:	Rates range from 2% to 7% on the estate of the decedent.
Pennsylvania:	This state has two classes of rates. On Class A, which involves relationship of the beneficiary, the rate of tax is 6%, and on Class B, all others, the rate of tax is 15%.

Each of these states has an estate tax to absorb the maximum credit allowed against the Federal Estate Tax.

¹An additional 10% surcharge is imposed with respect to estates of persons dying on or after July 1, 1983.

CHAPTER IV

LEGISLATION AND COURT DECISIONS

LEGISLATION

ALCOHOLIC BEVERAGE TAX

Creates New Jersey Wine Promotion Council—Chapter 233, P.L. 1985
(approved July 11, 1985)

This act creates in the Department of Agriculture the New Jersey Wine Promotion Account. All monies received in this account shall be used by the Secretary of Agriculture for research and development concerning the viticultural and wine making process in the State and for the promotion of New Jersey wine consistent with the recommendations of the New Jersey Wine Industry Advisory Council created pursuant to this Act. The New Jersey Wine Industry Advisory Council consists of the Secretary of Agriculture, the Commissioner of the Department of Commerce and Economic Development, and the Dean of Cook College at Rutgers University and five members of the general public appointed by the State Board of Agriculture.

The Act provides that the New Jersey Wine Promotion Account shall be credited annually in an appropriation by law with an amount equal to 20 cents per gallon on all taxable sales of wines, vermouth and sparkling wine sold by plenary winery and farm winery licensees who are licensed pursuant to R.S. 33:1-10.

The Act also provides that the Director of the Division of Taxation shall certify by March 1, 1986 and by March 1 annually thereafter to the New Jersey Wine Industry Advisory Council the number of taxable gallons of wine sold by plenary winery and farm winery licensees during the preceeding taxable year.

This Act is effective immediately and shall apply to taxable sales of wines made on and after the first day of the second bimonthly taxable period following enactment.

CIGARETTE TAX ACT

Clarifies The Amount of Tax On A Pack of 25 Cigarettes—Chapter 341, P.L. 1985 (approved October 18, 1985)

This Act amends the recently enacted P.L. 1985, c.261 (approved July 31, 1985) concerning the cigarette tax to clarify the tax on packs of 25 cigarettes.

The total amount of tax and surtax on a pack of 25 cigarettes will be 125% of the tax and surtax on a pack of 20 cigarettes.

The Act shall take effect immediately and apply retroactively to September 1, 1985.

Imposes Separate Rate of Taxation on Cigarettes Packaged In Groups of 25—Chapter 261, P.L. 1985 (approved July 31, 1985)

This act amends the Cigarette Tax Act by imposing a separate tax rate of 24¾ cts. upon cigarettes packaged in groups of 25. In addition the act is also amended to make the minimum surtax 1½ cts. for each 5 cigarettes or fraction thereof.

The Act shall take effect on the first day of the first month next following enactment.

CORPORATION BUSINESS TAX

Excludes From Taxation Debt of a Banking Corporation to a Bank Holding Company of Which the Banking Corporation is a Subsidiary or to a Debt of a Banking Corporation to Another Banking Corporation With Respect to Certain Federal Funds Transactions When Both Banking Corporations are Subsidiaries of the Same Bank Holding Company—Chapter 468, P.L. 1985 (approved January 16, 1986)

This Act provides that in the case of banking corporations which have international banking facilities as defined in the Act, the net worth aggregate of values in **N.J.S.A. 54:10A-4(d)** shall be reduced by retained earnings of the international banking facility as defined in this Act. Retained earnings means the earnings accumulated over the life of such facility and shall not include the pro rata share of dividends paid and Federal taxes paid or payable during the tax year.

N.J.S.A. 54:10A-4(k)(2)(E)(v) provides that entire net income shall be determined in full to the extent it relates to a debt of a banking corporation to a bank holding company of which banking corporation is subsidiary, or to a debt of a banking corporation to another banking corporation with respect to certain federal funds transactions when both banking corporations are subsidiaries of the same bank holding company. A bank holding company is a corporation defined in 12 U.S.C. §1841.

N.J.S.A. 54:10A-4(k)(4) provides that there shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining Federal taxable income, the net income of an international banking facility determined as follows (**N.J.S.A. 54:10A-4(k)(4)(A)** et seq.):

“(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the eligible expenses.

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled, by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities; or

(iii) Entering into foreign exchange trading or hedging transactions relating to any of the transactions described in this paragraph;

(iv) Such other activities of an international banking facility may, from time to time, be authorized to engage in.

(C) Applicable expenses shall be any expense or other deductions at-

tributable, directly or indirectly, to the eligible gross income described in paragraph (B) of this subsection."

International banking facility is defined to mean, "a set of asset and liability accounts aggregated on the books and records of a depository institution, United States branch or agency of a foreign bank, or an Edge or Agreement Corporation that includes only international banking facility time deposits and international banking facility extensions of credit as such terms are defined in section 204.8(a)(2) and section 204.8(a)(3) of Regulation D of the board of governors of the Federal Reserve System, 12 CFR Part 204, effective December 3, 1981. In the event that the United States enacts a law, or the board of governors of the Federal Reserve System adopts a regulation which amends the present definition of international banking facility or such facilities' time deposits or extensions of credit, the Commissioner of banking shall forthwith adopt regulations defining such terms in the same manner as such terms are set forth in the laws of the United States or the regulations of the board of governors of the Federal Reserve System. The regulations of the Commissioner of banking shall thereafter provide the applicable definitions."

This act was effective immediately and is applicable with respect to accounting or privilege periods beginning on or after January 1, 1985.

GROSS INCOME TAX—HOMESTEAD TAX RELIEF ACT

Deduction For Property And For Rent Constituting Property Taxes And For A Refund Of Property Taxes For Persons Not Subject To The Gross Income Tax—Chapter 304, P.L. 1985 (approved August 25, 1985)

This Act known as the Homestead Tax Relief Act provides for a deduction from taxable income under the Gross Income Tax Act for certain property taxes and for rent constituting taxes and for a refund of a portion of certain property taxes for persons not subject to the gross income tax.

Each resident taxpayer under the New Jersey Gross Income Tax Act, **N.J.S.A. 54A:1-1 et seq.** is allowed a deduction from taxable income for property taxes paid on the taxpayer's homestead as defined in the act, as follows:

If taxable income is:	The Deduction is the greater of actual property taxes paid or
Not over \$20,000.00	\$3250.00
Over \$20,000.00 but Not over \$50,000.00	\$2600.00
Over \$50,000.00	\$1857.00

A deduction for property taxes is allowed under the law in relation to the amount of the property taxes actually paid by or allocable to a resident taxpayer who is a qualified claimant in more than one homestead, but the aggregate amount of property taxes claimed shall not exceed the total of the proportionate amounts of property taxes assessed and levied against or allocable to each homestead for the portion of the taxable year for which the taxpayer occupied it as his principal residence.

Each resident taxpayer whose homestead is a residential rental property as defined in the act and who is entitled to a homestead credit for tenants

pursuant to **N.J.S.A. 54A:4-3** is allowed a deduction from taxable income for that portion of the rent constituting property taxes as defined in the law (18% of the rent paid during the taxable year) as follows:

If taxable income is:	The Deduction is the greater of rent constituting property taxes, or:
Not over \$20,000.00	\$1750.00
Over \$20,000.00 but Not over \$50,000.00	\$1400.00
Over \$50,000.00	\$1000.00

If a taxpayer entitled to a deduction for property taxes either as an owner of the property or residential tenant has been a resident of this State for less than a full tax year, the amount of the property tax deduction shall be the amount of property tax or rent constituting property taxes paid by that taxpayer, notwithstanding the schedule of deduction above.

If a taxpayer entitled to a deduction for property taxes has been a resident of this State for the full tax year for which a deduction is claimed, but his homestead for any part of the tax year has been a residential rental property, the amount of the property tax deduction shall be the sum of the actual amount of property taxes paid and rent constituting property taxes, notwithstanding the schedules of deductions above.

If the deduction for property taxes or rent constituting property taxes reduces taxable income below zero, then the amount by which the deduction reduces taxable income below zero shall be considered an overpayment of tax and a refund on that amount shall be calculated by applying the tax rate for taxable income below \$20,000 as provided in **N.J.S.A. 54A:2-1** which is at 2%.

Any citizen and resident of this State, who has paid property taxes or whose homestead is a residential rental property and who is required to file a return under the New Jersey Gross Income Tax Act and who has claimed a credit for income taxes paid to other States and political subdivisions thereof pursuant to **N.J.S.A. 54A:4-1** shall be entitled to a homestead tax refund as provided in section 8 of the Act. Section 8 provides that the amount of the homestead tax refund for property taxes actually paid on a homestead shall be \$65.00. The amount of homestead tax refund for rent constituting property taxes shall be \$35.00.

Any citizen and resident of this State who has paid property taxes on a homestead or whose homestead is a residential rental property who is not required to file a return under the New Jersey Gross Income Tax Act **N.J.S.A. 54A:1-1 et seq.** shall be entitled to claim a homestead tax refund as follows:

- a) \$65.00 for property taxes actually paid on a homestead, or
- b) \$35.00 for rent constituting property taxes.

Application for the homestead tax refund under this section in the law shall be made on or before April 15 annually for property taxes paid or rent constituting property taxes for the immediately preceeding calendar year.

The Act also amends the provisions for the tenants credit provided for in **N.J.S.A. 54A:4-3** as follows: If the credit against the tax allowed reduces

tax liability to zero, the remaining amount of credit, if any, shall be considered an overpayment of the tax and shall be refunded.

The act is effective immediately and is applicable to property taxes or rent constituting property taxes paid for tax years on or after January 1, 1985.

INSURANCE PREMIUMS TAX

No Taxation of Affiliates in Certain Cases—Chapter 294, P.L. 1985 (approved August 15, 1985)

This Act amends section 6 of P.L. 1945, c.132 (C.54:18A-6) to provide that a company to which section 2 (amount of tax of companies other than life insurance companies) of the act (C.54:18A-2) applies shall in no event be deemed to be an affiliate of a company to which section 3 (amount of tax of life insurance companies) of the act (C.54:18A-3) applies and provided, further, that as to any company licensed in this State prior to January 1, 1984, the taxable premiums of that company shall be calculated without regard to the premiums collected by an affiliate.

This act refers to affiliates as defined in the chapter entitled "Insurance Holding Company Systems," P.L. 1970, c.22 (C.17:27A-1, et seq.).

The act was effective immediately.

LITTER TAX

Tax On Litter-Generating Products To Take Effect April 21, 1986—Chapter 533, P.L. 1985 (approved January 21, 1986)

This Act known as the Clean Communities and Recycling Act establishes a state-wide anti-litter program, administered by the Department of Environmental Protection, and funded by a tax on the sale of litter-generating products imposed and collected by the Division of Taxation in the Department of the Treasury.

The tax takes effect on April 21, 1986 and will expire on December 31, 1989.

The Act imposes a tax of .03% (.0003) on gross receipts from sales of litter-generating products by manufacturers, distributors and wholesalers of litter-generating products. This levy is equivalent to a tax of \$300 per \$1 million of gross sales. Retailers of litter-generating producers will be subject to a tax of .0225% (.000225) on gross receipts from sales of litter-generating products; this is equivalent to \$225.00 per \$1 million of sales. Retailers with less than \$250,000.00 in annual gross sales are exempt from tax. The tax is to be paid once a year beginning in March, 1987 and the tax expires on December 31, 1989. All revenues are to be deposited in a special Clean Communities Account in the Department of Treasury. The Department of Environmental Protection is to use 90% of the monies in the Clean Communities Account for grants to municipalities and counties for anti-litter programs.

The Act includes the following as litter-generating products: groceries, beer and malt beverages, cigarettes and tobacco products, cleaning agents and toiletries, distilled spirits, food for human or pet consumption, motor vehicle tires, newsprint and magazine paper stock, paper products and household paper, glass, metal, plastic or fiber containers when sold as such, nondrug drugstore sundry products, soft drinks, carbonated waters and wine. The Department of Environmental Protection is authorized to add to the list of litter-generating products after a public hearing on the proposed additions.

LOCAL PROPERTY TAX

Phasing In of Multiple Years' County Tax Rebates—Chapter 229, P.L. 1985 (approved July 11, 1985)

The Act provides for the phasing in of multiple year tax rebates due from a county to a municipality pursuant to R.S. 54:4-5.

It provides where a remission or rebate provided for in **N.J.S.A. 54:4-5** is for more than one year, the county board of taxation shall phase in and distribute the remission or rebate in the annual amounts and over the same number of years for which the remission or rebate is awarded. A municipality to which a remission or rebate is to be paid shall not receive any remission or rebate in any year during the phase in period greater than the amount to which it was entitled in the corresponding year of its eligibility for the remission or rebate.

The Act is effective immediately.

Extends Deadline For Filing Post-Tax Year Income Statements For The \$250.00 Senior Citizen's And Permanently And Totally Disabled Citizen's Property Tax Deduction For 1984 From February 1, 1985 to September 1, 1985—Chapter 265, P.L. 1985 (approved July 31, 1985)

This Act extends the deadline for filing post-tax year income statements for the \$250.00 senior citizen's and permanently and totally disabled citizen's property tax deduction for tax year 1984 from February 1, 1985 to September 1, 1985. The filing of the post-tax year income statement is burdensome to many senior citizens and disabled citizens and many 1984 tax year claimants have missed the deadline and have been charged with a tax delinquency for the \$250.00 amount. This Act gives those claimants until September 1, 1985 to file their income statements for 1984, demonstrating their eligibility for the 1984 property tax deduction.

Section 2 of the Act provides that the amount of reimbursement due to taxing districts from the State for these deductions, to be paid on November 1, 1985 for 1985 deductions which amount is reduced by the amount of 1984 disallowed deductions, shall not be reduced by the amount 1984 disallowed deductions that were disallowed only because the post-tax year income statement deadline of February 1, 1985 was missed.

This act is effective immediately and retroactive to February 1, 1985.

Permits Certain Nonprofit Corporations To Lease A Portion of A Building To A Profit-Making Organization And Retain Exemption For The Portion Occupied By The Nonprofit Corporation—Chapter 393, P.L. 1985 (approved December 20, 1985)

The Act amends R.S. 54:4-3.6 and permits nonprofit corporations organized for the moral and mental improvement of men, women and children to lease a portion of a building to profit-making organizations and retain the remaining portion for the nonprofit corporation. The portion that is leased to the profit making corporation shall be subject to local property taxation and the remaining portion retained by the nonprofit corporation shall be exempt from local taxation if used exclusively for the exempt nonprofit purpose.

The Act is effective immediately and is applicable to real property taxes levied or payable for the calendar year 1984 and thereafter.

Extends Local Tax Authorization Act To January 1, 1988—Chapter 496, P.L. 1985 (approved January 1, 1986)

This Act extends the Local Tax Authorization Act which permits certain municipalities to collect payroll taxes and taxes imposed with respect to parking services and alcoholic beverages to January 1, 1988.

This Act is effective immediately and shall be retroactive to December 31, 1985.

Date Change To March 1 For Filing of Senior Citizens' and Totally Disabled Persons' Post-Tax Statements For Property Tax Deduction—Chapter 505, P.L. 1985 (approved January 21, 1986)

This act changes the deadline date from February 1 to March 1 for senior citizens and totally disabled persons to file with the collector of the taxing district post-year statements in order to qualify for a property tax deduction. The collector may grant a reasonable extension of time for filing the statement to May 1 of the post-tax year, where it appears to the satisfaction of the collector that the failure to file by March 1 was due to illness or a medical problem which prevented timely filing of the statement.

The act takes effect on January 1 (January 1, 1987) next following enactment and shall apply to post-tax year statements filed after that date.

Two Year Moratorium on Newark Property Revaluation—Chapter 511, P.L. 1985 (approved January 21, 1986)

This act makes permissive the implementation of a revaluation of real property in cities of the first class with a population in excess of 300,000 for any tax year beginning or ending within nine months of the completion of the final report of the Property Tax Assessment Study Commission. The reporting date of the Property Tax Assessment Study Commission was extended to October 1, 1986 by SJR-76 (approved January 14, 1986). This act thus imposes a two year moratorium on implementing property revaluation in the City of Newark.

This act is effective immediately.

Veteran's Tax Deductions Available to Either Surviving Spouse—Chapter 515, P.L. 1985 (approved January 21, 1986)

This act provides that the veteran's deductions be available to either surviving spouse. Prior law provided it available to the surviving widow.

This Act is effective immediately and applies retroactively to January 1, 1976.

Reporting Date of the Property Tax Assessment Study Commission Extended to October 1, 1986—Chapter JR-10-Senate Joint Resolution No. 76 (approved January 14, 1986)

This joint resolution extends the reporting date of the Property Tax Assessment Study Commission, created by Joint Resolution No. 3 of 1983, to October 1, 1986. Currently, under Joint Resolution No. 4 of 1984, the commission would be required to report its findings on or before March 19, 1986.

This joint resolution is effective immediately.

MISCELLANEOUS

Solid Waste Management Act—Provides the Department of Environmental Protection with Authority to Assess Administrative Penalties—Chapter 483, P.L. 1985 (approved January 17, 1986)

This act amends the Solid Waste Management Act, P.L. 1970, c.39 (C.13:1E-1, et seq.) to provide the Department of Environmental Protection with authority to assess administrative penalties and thus streamline the process for collecting payments for violations.

The act is effective immediately.

Sanitary Landfill Closure and Rate Relief Fund Established Within the Department of Environmental Protection To Be Used For Grants And Loans To Local Governments And Owners or Operators of Those Facilities—Chapter 369, P.L. 1985 (approved November 12, 1985)

This Act makes technical changes in Section 3 of Chapter 368, P.L. 1985 (approved November 12, 1985). Chapter 368, P.L. 1985 established within the Department of Environmental Protection a "Sanitary Landfill Closure and Rate Relief Fund" which is capitalized with a \$8 million General Fund Appropriation. Generally, all monies within the fund are to be used for grants and loans to (1) local governments for defraying those portions of increase in solid waste disposal fees which are specifically allocated by the New Jersey Board of Public Utilities (BPU) for future closure costs of operational sanitary landfill facilities, and (2) owners or operators of those facilities for financing the closure of landfills which have already reached capacity and have been closed.

Specifically, the monies in the Sanitary Landfill Closure and Rate Relief Fund would be dedicated for "eligible" closure projects and could only be expended in accordance with project-specific appropriations thereof of the Legislature. Any acts appropriating monies from the fund would be required to specify the particular projects to be funded and the terms and conditions of each grant or loan.

The Department of Environmental Protection would be required to annually provide the Legislature with a recommended project priority list for the awarding of grants and loans from the fund for eligible landfill closure projects. The list, which would be subject to variation by Legislature, would also include the recommended terms and conditions for all grants and loans.

The grant-loan program established in the Act for the closure of sanitary landfills is a component of the ten-bill "compromise" package recently passed by the Legislature for implementation of the New Jersey Environmental Trust program recommended by the governor in his 1985 State-of-the-State message. The trust program will provide more local governments with loan-interest financing for their landfill closure, resource recovery and wastewater treatment projects on a much faster and cheaper basis than local governments could finance independently through the open public credit markets. This program seeks to accomplish real and meaning property tax and user-free relief for local citizenry.

Chapter 369, P.L. 1985 became effective on the enactment into law of Chapter 368, P.L. 1985 which was approved on November 12, 1985.

MOTOR FUELS TAX

Exempts Interstate Commuter Bus Routes From ½ Cent Per Mile Excise Tax and Private and Regular Commuter Bus Service From Tax On Motor Fuels—Chapter 207, P.L. 1985 (approved June 27, 1986)

This Act exempts interstate commuter bus routes from the ½ cents per mile excise tax and exempts private motor carriers operating both regular commuter bus services and charter service from the tax on motor fuels.

This Act would make bus carriers operating regular route commuter bus service eligible for motor fuels tax reimbursement. The Act would also authorize tax reimbursement with respect to charter or special bus service based upon the percentage of total mileage for which the operator is eligible for reimbursement under R.S. 54:32-66 with respect to excise taxes payable under R.S. 48:4-20 or motor fuels use taxes payable under 54:39A-1 et seq.

The Act becomes effective 60 days following enactment.

Makes Diversion Of Non-Taxable No. 2 Heating Oil for Diesel Fuel, A Crime Of The Fourth Degree—Chapter 340, P.L. 1985 (approved October 18, 1985)

This act amends R.S. 54:39-64 by making the diversion of #2 heating oil to diesel use without payment of tax a crime of the fourth degree in certain cases.

This act provides that any person who knowingly makes any false statement or conceals any material fact in the monthly report required in subsection (b), of the Act by holders of special license B shall be guilty of a crime of the fourth degree.

It also provides that any person who knowingly fails to file the report requested by subsection (b) of holders of special license B or who knowingly fails to pay the motor fuels tax required in subsection (b), when the amount of payable tax thereby avoided is \$400.00 or more is guilty of a crime of the fourth degree.

The act also amends R.S. to make the penalties for motor fuels tax evasion conform with those provided by the New Jersey Code of Criminal Justice.

The Act is effective immediately.

PUBLIC UTILITY GROSS RECEIPTS TAX

Exempts From Public Utility Gross Receipts Tax—Sale of Natural Gas to Cogenerator—Chapter 359, P.L. 1985 (approved, November 12, 1985)

This Act exempts from the tax imposed on the gross receipts of public utilities pursuant to P.L. 1940, c.5 (C.54:30A-50) any receipts for the sale of natural gas to a cogenerator and separately metered for use in a cogeneration facility.

This Act will reduce the cost of natural gas to cogenerators and will serve as an incentive to the development of cogenerations in New Jersey.

This Act is effective immediately.

RECYCLING ACT

Repeal of Tax Reduction For Solid Waste Recycling Tax Scheduled For January 1, 1986—Chapter 346, P.L. 1985 (approved October 31, 1985)

This new amendatory act effective immediately but retroactive to January 1, 1985 repeals the rate reduction for the Solid Waste Recycling Tax which under Chapter 278, P.L. 1981 (approved September 9, 1981) was to become effective on January 1, 1986.

Therefore, under the provisions of this new act, the Solid Waste Recycling Tax will remain at the current \$0.12 per cubic yard rate.

The Solid Waste Recycling Tax is one of five taxes imposed on the owners and operators of sanitary landfill facilities upon the acceptance of solid waste for disposal.

This act is effective immediately but is retroactive to January 1, 1985.

SALES AND USE TAX ACT

Exempts From Sales Tax Service By New Jersey Companies From July 1, 1966 to April 5, 1977 On Tangible Personal Property Delivered Out of State—Chapter 208, P.L. 1985 (approved June 27, 1985)

This Act exempts from the sales tax services provided by New Jersey companies from July 1, 1966 to April 5, 1977 on tangible personal property delivered out of state. During part of this period, the Division of Taxation asserted that the tax was due on such transactions, contrary to the Legislature's original intent. This Act assures that the interpretation of the Sales and Use Tax Act will be consistent with the intent of the Legislature at the time the act was passed. Without this exemption, New Jersey businesses which performed services for out-of-state customers, and which were assessed a sales tax deficiency, years after the completion of the transaction giving rise to the deficiency, incur a loss because they are unable to go back and collect from their customers after the fact. This Act will not disturb sales taxes actually collected or paid on transactions completed between July 1, 1966 and April 5, 1977.

This Act is effective immediately.

Exempts From Sales Tax The Sale of Machinery For Cogeneration—Chapter 266, P.L. 1985 (approved August 2, 1985)

This Act exempts from sales tax sales of machinery, apparatus, equipment, building materials, or structures or portions thereof, used directly and primarily for cogeneration in a cogeneration facility. As used in the subsection, "cogeneration facility" means a facility the primary purpose of which is the sequential production of electricity and steam or other forms of useful energy which are used for industrial or commercial heating or cooling purposes and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utility Regulatory Policies Act of 1978," Pub. L. 98-617.

The Act takes effect immediately.

Machinery And Equipment Exemption for Newspaper Publication Extended To Same Machinery Used for Printing of Books, Periodicals, and General Commercial Printing—Chapter 440, P.L. 1985 (approved January 13, 1986)

This act amends section 41 of P.L. 1980 c.105 (C.54:32B-8.29) to extend the sales and use tax exemption currently applied to production machinery and equipment used in the publication of newspapers to include the same machinery used in the production of tangible personal property for sales by persons engaged in the business of commercial printing, periodicals, books, manifold business form, greeting card or miscellaneous publishing and typesetting, photoengraving, electrotyping and stereotyping and lithographic platemaking.

This act is effective on the first day of the second month following enactment.

URBAN ENTERPRISE ZONE ACT

Amendment Permits An Area Defined By A Contiguous Border Within One Qualifying Municipality or Within Two Or More Contiguous Qualifying

Municipalities To Be Eligible For Designation As A Zone—Chapter 391, P.L. 1985 (approved December 20, 1985)

This Act amends Section 10 of P.L. 1983, c.303 (C.52:27H-69) to permit an area defined by a contiguous border within one qualifying municipality or within two or more continuous qualifying municipalities to be eligible for designation as a zone.

Eligible zones having areas defined by a continuous border within two or more municipalities shall be limited to one located in the ten southernmost counties of the State.

Current law limits an eligible zone to one with a continuous border that extends through one qualifying municipality.

The Act is effective immediately.

Blighted Area Defined to Include Section of Municipality Designated as an Enterprise Zone—Chapter 435, P.L. 1985 (approved January 13, 1986)

This Act amends section 6 of P.L. 1961, c.40 and section 6 of P.L. 1965, c.95 to include in the definition of a blighted area any section of a municipality which has been designated as an enterprise zone pursuant to the New Jersey Urban Enterprise Zones Act, P.L. 1983, c.303 (C.52:27H-60 et seq.).

This Act is effective immediately.

COURT DECISIONS

BUSINESS PERSONAL PROPERTY TAX

Refund Claim Filed Beyond Two Year Statutory Period Denied—*Pantasote, Inc. v. Director, Division of Taxation* 8 N.J. Tax 160 (Tax Court of New Jersey—September 30, 1985)

The Tax Court held that plaintiff's refund claim for 1980 and 1981 Business Personal Property taxes was barred because the claim was submitted beyond the two years' statutory limitation period. Both the State Tax Uniform Procedure Law which governs, provides at **N.J.S.A. 54:49-12**, and the promulgated Business Personal Property rule provides at **N.J.A.C. 18:9-5.13** that a B.P.P. tax refund claim must be filed within two years after the payment of any original or additional tax assessed against the taxpayer.

The taxpayer was under audit for the B.P.P. tax for the tax years 1978 through 1982 and for Sales and Use taxes from October 1, 1979 through December 31, 1982. In 1977, the New Jersey Business Personal Property Tax Act, **N.J.S.A. 54:11A-1 et seq.** was amended to exempt machinery and equipment acquired on or after January 1, 1977 from the B.P.P. tax. On January 8, 1980 taxpayer completed a reorganization which merged the former operating corporation into a division of the taxpayer.

As a result of the audit taxpayer's additional B.P.P. tax assessments for 1978 and 1979 were offset by B.P.P. tax overpayments for 1982 and 1983. A Sales tax assessment was offset by the balance of the 1983 B.P.P. tax overpayment. This left a balance of \$11,517.44 plus interest due for Sales and Use tax liability. Taxpayer was also given notice that B.P.P. taxes for 1980 and 1981 could not be refunded because of the two year statute of limitations. On January 25, 1984 taxpayer submitted refund claims for B.P.P. taxes paid in 1980 and 1981. And on April 6, 1984 taxpayer commenced this court action.

The court held that statutory filing deadlines pertaining to tax matters are jurisdictional and if not complied with, an otherwise eligible taxpayer waives his entitlement to any refund. Since the taxpayer filed its 1980 and 1981 B.P.P. refund claims more than two years after the dates of the original payments, the taxpayer is not entitled to any refund.

It was also held that the fact the taxpayer had executed a consent form pursuant to **N.J.S.A. 54:11A-12(b)** to extend the period for an additional assessment would not extend the period for filing a claim for refund. The fact that the legislature provided, under the Sales and Use Tax Act **N.J.S.A. 54:32B-1** et seq. and the Gross Income Tax Act, **N.J.S.A. 54A:9-1** et seq., that a consent extending an assessment period also extends the refund claim period is not relevant. The Legislature was aware of these provisions in the above Acts and if it wanted the same provision for B.P.P. taxes it would have incorporated them in the statute.

The court further held that in order to have the barred B.P.P. taxes offset against the taxpayer's Sales and Use tax liability, it must be shown that both taxes arose out of some feature of the same transaction. The B.P.P. tax and the Sales and Use Tax are wholly different taxes arising out of different circumstances. The business personal property on which the B.P.P. tax was based was not in any manner affected by nor did it create any impact on taxpayer's Sales and Use tax liabilities. Thus there is no transactional nexus to support the claim of recoupment.

In addition there is no basis to support the recoupment contention by claiming that the transactional nexus was satisfied by the consent form which was executed by the taxpayer.

Judgment was entered dismissing taxpayer's complaint.

CORPORATION BUSINESS TAX

In Computing Entire Net Income For CBT Tax Purposes A Taxpayer May Deduct The Federal Windfall Profits Tax—Amerada Hess Corporation, et al v. Director, Division of Taxation (App. Div., 1986) 505 A.2d 186, __ N.J. Super. __. Petition for Certification to the New Jersey Supreme Court has been filed by the Director, Division of Taxation and was granted on June 3, 1986.

The Appellate Division of the Superior Court reversed the Tax Court whose opinion is reported at 7 **N.J. Tax** 51 (Tax Ct. 1984) and held that in computing entire net income for New Jersey corporation business tax purposes, the taxpayers-plaintiffs may deduct any taxes paid or accrued to the federal government under the Crude Oil Windfall Profits Tax Act of 1980. It was held that the add-back provisions pursuant to **N.J.S.A. 54:10A-4(k)(2)(C)** for taxes paid to the United States on or measured by profits or income does not apply.

It was held that the issue begins with the rule that when interpretation for a taxing provision is in doubt, and there is no legislative history that dispels that doubt, the court should construe the statute in favor of the taxpayer. The court said that the statute at **N.J.S.A. 54:10A-4(k)** specifies that entire net income "shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report to the United States Treasury Department for the purpose of computing its federal income tax. . ." For purposes of federal income taxation the Windfall Profits Tax is declared a deductible expense, like

state and local taxes, 26 **U.S.C.A.** §164(a)(5), rather than as one of the nondeductible taxes enumerated at 26 **U.S.C.A.** §275, typically federal income, excess profits and penalty excise taxes. The Windfall Profits Tax is a deductible business expense under the federal income tax.

The Appellate Division further stated that the purpose of the CBT add-back provision is to preserve undiluted for the state taxation the same tax base upon which federal income taxes were computed. Thus, it should not be read to include legitimate business expenses so as to create tax liabilities in spite of overall losses. This is in accord with the philosophy implicit in the Report of the New Jersey Tax Policy Committee; **Non-Property Taxes in a Fair and Equitable Tax System** (1972). This committee was appointed by Governor Cahill in 1970.

The Appellate Division concluded that the Windfall Profits Tax was not a tax on or measured by profits or income within the meaning of the add-back provisions of **N.J.S.A.** 54:10A-4(k)(2)(C).

Judgement was entered reversing the Tax Court.

Equity Method of Accounting Used by Taxpayer On Its "Books" Upheld In Valuation of Parent Corporation's Investment In Its Wholly Owned Subsidiaries—Bristol-Myers Corporation v. Taxation Division Director 8 N.J. Tax 133 (Tax Court of New Jersey—January 21, 1986)

The Tax Court affirmed the determination of the Director of the Division of Taxation using the equity method of accounting with respect to the plaintiff's investment in its wholly-owned subsidiaries for purposes of measuring its net worth tax liability for the tax years 1976 and 1977. The court held that the statute at **N.J.S.A.** 54:10A-4(d) requires the defendant to value taxpayer's assets for net worth purposes as disclosed by the books of the corporation. The 1968 amendment to the statute precludes the defendant from going outside the corporation's books to determine its investment in the capital stock of subsidiaries. Here, where the plaintiff's books included the retained earnings of the subsidiaries they reflected equity values and the use of the equity method of accounting. The statute does not direct that the defendant apply either the cost or equity method of accounting. The statute requires that the defendant reflect the figure on the corporate books relating to subsidiaries and determine the net worth of subsidiary investments in accordance with sound accounting principles. The use of the equity method of accounting is based upon sound accounting principles.

The Director has since 1968 utilized both the cost and equity methods of accounting in the valuation of subsidiary investments depending, in each individual instance, on what was revealed by the books of the particular corporation. It is a well settled principle that an administrative construction of a statute with which the Legislature has not interfered over a period of time is proof that the administrative interpretation conforms with legislative intent and thus is accorded great weight. Moreover, the agency's interpretation of the operative law is entitled to prevail so long as it is not plainly unreasonable.

Both the cost and equity methods of accounting are generally accepted sound accounting principles. The Director is bound by **N.J.S.A.** 54:10A-4(d) to ascertain the value of the parent's subsidiary investment as reflected on the books of the parent corporation which in this case is by use of the equity method of accounting.

The court also concluded that the Director's administrative policy was not

equivalent to rule-making and did not require the adoption of a rule or regulation.

The Tax Court directed that a judgment be entered affirming the Director's determination for the tax years 1976 and 1977 using the equity method of accounting in determining the valuation of plaintiff's investment in its wholly-owned subsidiaries for net worth purposes.

Note: Subsequent to the taxable periods involved in this case the Legislature enacted a phased out repeal of the net worth tax provisions of the corporation business tax. P.L. 1982 c.55 (approved June 30, 1982).

Constitutionality of Provisions Requiring Add-Back To Net Worth of Indebtedness Owed By Wholly Owned Subsidiary to Parent Corporation Upheld—And Provision Which Prohibits Exclusion From Net Income of 90% of The Interest Paid on Such Indebtedness—GATX Terminals Corp. v. Director, Division of Taxation 7 N.J. Tax 659 (App. Div. 1985)—Petition for certification to the New Jersey Supreme Court was denied. 102 N.J. 337 (October 3, 1985)

The Appellate Division affirmed the Tax Court in its opinion reported at 5 N.J. Tax 90 (Tax Ct. 1982) which had upheld a deficiency tax assessment against plaintiff, a wholly owned subsidiary, for an indebtedness owed to its parent corporation for the tax year 1976. The court upheld the constitutionality of the provisions in issue which are N.J.S.A. 54:10A-4(d)(5) (since deleted by P.L. 1982 c.55 §1 effective for accounting or privilege periods beginning on or after July 1, 1984), which for the tax year in question required inclusion in the calculation of net worth of "the amount of all indebtedness owing directly or indirectly to holders of 10% or more" of the corporation's stock, and its companion provision N.J.S.A. 54:10A-4(k)(2)(E), which prohibits exclusion from the calculation of net income of 90% of the interest paid on such indebtedness.

The court noted that the New Jersey Supreme Court in **Fedders Financial Corp. v. Taxation Div. Dir.** 96 N.J. 376 (1984) and **Mobay Chemical Corp. v. Taxation Div. Dir.** 96 N.J. 407 (1984) confirmed the validity of the provisions challenged so long as the indebtedness in question is owed by the taxpayer (as in this case) to his parent rather than to an affiliate with whom it shares common ownership.

The Appellate Division remanded this case back to the Tax Court for consideration of the taxpayer's post-judgment motion claiming error in the Director's deficiency calculation. Plaintiff, taxpayer, claimed it was entitled for the tax year in question to have its net income reduced by its allocable but unallocated share of general and administrative expenses paid by its parent.

The judgment of the Tax Court upholding the deficiency determination was affirmed. However, the Appellate Division remanded the taxpayer's post-judgment motion for determination by the Tax Court.

Genway Corp. v. Director, Div. of Taxation 8 N.J. Tax 198 (Tax Court, March 25, 1986)

Genway Corporation, a Delaware corporation doing business in New Jersey, is engaged in leasing motor vehicles to retail automobile dealers and to the public. It financed its vehicles through GMAC, a General Motors Corp. subsidiary and several banks. Genway encountered financial problems, and as part of a reorganization transferred 20% of its stock to GMAC in return for cancellation of debts of \$371 million. GMAC put all of plaintiff's stock into an

irrevocable voting trust. A bank and two individuals were trustees. There were no other parties to the trust. The trustees had no right to sell the stock, receive dividends or to vote on changes in the status of Genway. GMAC retained all of these rights. Genway was indebted to GMAC for between fifty and one hundred million dollars during 1975, 1976 and 1977 and paid interest to GMAC of \$5.7 to \$6.3 million. The Director imposed an add-back of the indebtedness to net worth under **N.J.S.A. 54:10A-4(d)** and denied deduction of 90% of the interest under **N.J.S.A. 54:10A-4(k)(2)(E)**. Genway argued that the trustees of the voting trust were holders of the stock, not Genway, and appealed to the Tax Court from a contrary decision of the Director. The Tax Court held that a voting trust, and particularly one such as this, where there were no other parties to the trust, constitutes a principal-agency relationship. There must be two or more stockholders to constitute a voting trust. Genway was the principal in the agency relationship and, thus, must be treated as the holder of the stock. The Court also held that an exemption for bonds or other indebtedness arising from a reorganization did not apply since there were no bonds issued. The assessments of approximately \$80,000 were affirmed by the Tax Court.

U.S. Supreme Court Refuses To Review New Jersey Franchise Tax Case—Silent Hoist & Crane Co. Inc. v. Director, Division of Taxation (United States Supreme Court 54 L.W. 3343, November 18, 1985)

The U.S. Supreme Court refused to review a decision of the New Jersey Supreme Court reported at 100 N.J. 1 (1985) which held that the investment and sales income of a New York corporation doing business in New Jersey were part of unitary business and had to be included in its tax base for the tax years 1971-1974 for purposes of taxation under the New Jersey Corporation Business Tax Act.

Silent Hoist & Crane Company, Inc. is a New York corporation with its principal place of business and manufacturing plant in Brooklyn, New York. For the tax years 1971-1974, the company manufactured material-handling machinery and sold the machinery in New Jersey and elsewhere. Its New Jersey sales for those years comprised almost 13% of its total sales. It also derived investment income and rental income from two parcels of commercial property that it owned in New Jersey. Its president and principal manager of the corporation, Eric Wunsch, made all the major corporate decisions regarding manufacturing, real estate and investment.

When Silent Hoist filed its New Jersey corporation business tax returns for tax years 1971-1974, it reported only its income from its New Jersey real estate operations. The New Jersey Division of Taxation increased Silent Hoist's entire net income tax base to include its sales and investment income.

The New Jersey Supreme Court held that Silent Hoist conducts its business as a "unitary business." Hence, the tax assessment reflects the value of the franchise fairly apportioned to New Jersey and thus does not offend the Due Process or Commerce Clauses of the United States Constitution.

Loan From Parent Company To Subsidiary Company Is Equity Capital And Must Be Included In Net Worth And Is Not Entitled To A Deduction From 90% of The Interest On The Indebtedness—Stinnes Intercoil, Inc. v. Director, Division of Taxation 7 N.J. Tax 473 (Tax Court of New Jersey—July 16, 1985)

The Tax Court affirmed the tax assessment imposed by the Director of the Division of Taxation against the plaintiff for the tax year 1980 and held

that the taxpayer was not entitled to deduct 90% of the interest on an indebtedness to its parent company and to exclude from its net worth the amount of a loan to its parent company. The parent company, Stinnes Corporation, through the use of bookkeeping entries made it appear that it was the mere conduit or grantor of the loan and the actual loan from the lending institution was made to the taxpayer, the subsidiary company and that the interest payments were made by the subsidiary to the lending institution.

The court distinguished the cases of **Fedders Financial Corp. v. Taxation Div. Director**, 96 NJ 376 (1984) and **Mobay Chemical Corp. v. Taxation, Div. Director**, 96 NJ 407 (1984). Both cases dealt with the question of whether a debt to an affiliated corporation constitutes an indebtedness owing directly or indirectly to a 10% shareholder. The **Fedders** case dealt with a loan to a parent from a wholly-owned subsidiary while **Mobay** dealt with a debt between two sister corporations who had a common parent. The cases are distinguishable on their facts, the instant case being an alleged loan from a parent to a subsidiary.

After reviewing the relevant case law, and the various interpretations of the scope of the statute, the court found that loans from a parent to a wholly-owned subsidiary are irrebutably presumed as a matter of law to be direct loans from a 10% stockholder and thus includable in net worth. Thus the loans were includable in net worth under **N.J.S.A. 54:10A-4(d)(5)*** as indebtedness owed directly or indirectly to holders of 10% or more of the aggregate outstanding shares of capital stock of all classes. Pursuant to **N.J.S.A. 54:10A-4(k)** the taxpayer was likewise denied a deduction for 90% of the interest on that indebtedness.

Judgment was entered affirming the determination of the Director of the Division of Taxation.

Note: The provisions in **N.J.S.A. 54:10A-4(d)** requiring the inclusion in net worth of indebtedness owed directly or indirectly to holders of 10% or more of the corporation's outstanding shares of capital stock was repealed by Chapter 55 P.L. 1982 (approved June 30, 1982) effective with respect to accounting or privilege periods beginning on or after July 1, 1984.

Financial Business Corporation Entitled To Deduct 100% of Interest Expense of Indebtedness To An Affiliated Corporation Even Though Its Financial Business Is Not Conducted In New Jersey—Suburban Coastal Corp. v. Director, Division of Taxation (App. Div. 1986) (unreported)

The Appellate Division affirmed the Tax Court, in part and reversed in part, whose opinion is reported at 7 N.J. Tax 339 (Tax Court of New Jersey—March 19, 1985) which set aside an assessment of taxes, penalty and interest imposed against the plaintiff corporation by the Director of the Division of Taxation for the fiscal years ending June 30, 1978, 1979 and 1980. It held in part that a financial business corporation is entitled to deduct 100% of interest expenses relating to its indebtedness to an affiliated corporation in accordance with **N.J.S.A. 54:10A-4(d)** and **4(k)(2)(E)(iii)** and that the statute does not require it to conduct its financial business in New Jersey.

The Appellate Division reversed in part the Tax Court and held that the Tax Court improperly assessed the State, interest on the money to be rebated to the plaintiff corporation. It said that interest is not recoverable on a refund of an excess tax payment unless provided for by statute. The Corporation Business Tax Act makes no provision for the payment of interest to taxpayers on tax refunds.

The Appellate Division also ordered the Director of the Division of Taxation to make an immediate refund of the taxes at issue.

Suburban Coastal Corp., a New Jersey corporation, is a wholly owned subsidiary of Suburban Savings and Loan Association, a New Jersey chartered banking institution. Suburban does not originate mortgages on land located in New Jersey. It does, however, purchase mortgages on New Jersey residential properties from Suburban Savings and Loan Association. It packages these mortgages which it then sells to federal agencies and other investors.

Prior to 1975, a corporation was taxed under the Financial Business Tax Law when it met both its coverage and definitional requirements under **N.J.S.A. 54:10B-2(b)**. Corporations meeting the definitional requirements of **N.J.S.A. 54:10B-2(b)** but not conducting their financial business in New Jersey were not covered under the Financial Business Tax Law. In 1975 the word corporation was eliminated from the Financial Business Tax Law, thereby subjecting financial business corporations to the Corporation Business Tax Act, **N.J.S.A. 54:10A-1 et seq.** The Corporation Business Tax Act was simultaneously amended to entitle financial business corporations to deduct 100% of the interest expenses to an affiliate corporation. **N.J.S.A. 54:10A-4(k)(2)(E)(iii)**. For purposes of this section, financial business corporations were defined in **N.J.S.A. 54:10A-4(m)**, that definition coming substantially from the Financial Business Law **N.J.S.A. 54:10B-2**.

The Appellate Division held that the plain, clear and unambiguous language of the 1975 enactment is that all financial business corporations, whether they do business in, from or just maintain offices in this State are entitled to deduct from their tax base, i.e. entire net income, interest on debts owed to affiliate corporations as provided in **N.J.S.A. 54:10A-4(k)(2)(E)(iii)**.

The Appellate Division thus affirmed the Tax Court decision relating to the statutory construction, reversed the Tax Court order requiring the payment of interest on the tax refund and ordered the immediate payment of the tax refund of the interest expense to plaintiff-corporation.

Domestic Corporation With No Regular Place of Business Outside of New Jersey Is Not Entitled To Allocate Under The Provisions of N.J.S.A. 54:10A-6—Syncsort Incorporated v. Taxation Div., Director — N.J. Tax — (Tax Court of New Jersey—December 13, 1985)

The Tax Court dismissed the plaintiff's complaint and upheld an assessment of the corporation business tax against the plaintiff imposed by the Director of the Division of Taxation. It was held that a domestic corporation with no regular place of business outside of New Jersey was not entitled to allocate under the provisions of **N.J.S.A. 54:10A-6**. Taxpayer sought to allocate its income from its wholly owned subsidiaries using an allocation formula based upon a ratio of all salaries and receipts by taxpayer in New Jersey as compared with the total combined salaries and receipts of taxpayer and its subsidiaries. Further, it was held that this New Jersey corporation and its foreign subsidiaries are not a unitary business.

Taxpayer was incorporated in New Jersey and is in the business of developing and marketing computer software. It organized three wholly owned foreign subsidiaries in England, West Germany and the Netherlands, respectively, in order to sell its software products in Europe. Generally, after taxpayer develops the computer software, it supplies the European subsidiaries with computer tape containing a software product along with manuals and literature pertaining to the product. The subsidiaries then market the software in Europe

through displays, advertising and personal contacts with the business.

The financial arrangement between taxpayer and its foreign subsidiaries involves a licensing fee percentage arrangement. Taxpayer provides the computer software programs to its subsidiaries in return for a percentage of the licensing fees obtained by them from those customers in Europe who utilize taxpayer's software.

The Tax Court said that in computing its CBT liability a corporation is permitted to allocate its net worth and net income if it maintains a regular place of business outside New Jersey, **N.J.S.A. 54:10A-6**. A "regular place of business" has been defined to mean "any bona fide office (other than a statutory office), factory, warehouse or other space of the taxpayer which is regularly maintained, occupied and used by the taxpayer in carrying on its business and in which one or more regular employees are in attendance." **N.J.A.C. 18:7-7.2(a)**.

Here, all activities in Europe were those of the foreign subsidiaries. The business offices were designated as those of the subsidiaries; the offices were being used by the subsidiaries for their purposes and the offices were being operated by subsidiary employees. While taxpayer and subsidiaries had individuals who served as directors and officers of both taxpayer and its subsidiaries, those individuals were not regular employees of the taxpayer in attendance at the subsidiaries' offices. While the facts show that top management traveled to the subsidiaries' offices on occasion and was in frequent telephone contact, those activities did not qualify top management as being in attendance at the offices of the subsidiaries. Thus, the court concluded that the offices of the foreign subsidiaries did not qualify as out-of-state places of business of the taxpayer.

The Tax Court also held that the unitary business principle does not apply. Corporations are considered unitary business enterprises and are taxed under the CBT where they have functional integration, centralization of management and economics of scale. The New Jersey C.B.T. Act does not provide for a unitary treatment of domestic corporations. The unitary business principle is utilized in situations where a multi-state or multi-national parent corporation, incorporated outside the taxing state, is transacting business within the taxing state. Since the taxpayer is a domestic corporation, the unitary business principle is inapplicable under New Jersey law.

The Tax Court also found that the denial of the right for plaintiff to allocate (apportion) did not violate the due process and commerce clauses of the United States Constitution.

Judgment was thus entered dismissing the taxpayer's complaint and affirming the assessment for corporation business taxes for the tax year 1980 imposed by the Director of the Division of Taxation.

Sufficient Business Activities in New Jersey Found For Foreign Corporation To Be Subject to CBT—Thomson-Leeds Co., Inc. v. Taxation Division Director, 8 N.J. Tax 24 (Tax Court of New Jersey—December 5, 1985)

The Tax Court affirmed the determination of the Director of the Division of Taxation that the plaintiff, a Delaware corporation, with its principal office in New York City, had sufficient business activities in New Jersey to require it to file corporation tax returns under the Corporation Business Tax Act **N.J.S.A. 54:10A-1 et seq.** during the disputed period of August 1, 1981 to March 31, 1983.

Plaintiff is engaged nationwide in the business of designing and selling

custom-ordered advertising displays that promote consumer products. Although it does not manufacture any of the displays, it does subcontract with a variety of independent component manufacturers and suppliers, some of which are located in New Jersey, to produce its unique displays according to individual clients' specifications. It derives its revenues from the sale of these displays which are utilized at the point of purchase. Plaintiff has no offices, property or employees based in New Jersey, nor does it contact any local media advertising its services. It does however, send brochures to present and prospective clients in and outside New Jersey and it does advertise in national trade journals.

It does employ three New York based sales representatives who initiate and maintain a continuous relationship with potential customers in New Jersey and elsewhere.

Although the plaintiff has no offices in this State, and the central headquarters and control of the corporation are located in New York City, the plaintiff does employ the use of sales personnel in New Jersey. The plaintiff was a foreign corporation "doing business" in New Jersey under the rule **N.J.A.C. 18:7-1.9(b)**. The determination of whether the plaintiff meets the regulatory requirements of doing business within this state is based upon a close scrutiny of all the facts of the case, taken as a whole. The determination is based not on the absence of factors found in prior judicial decisions, but rather on the presence of unique contacts that distinguish the instant case and indicate a taxable presence.

In the present case the court found there was ongoing client contacts with New Jersey companies and that the plaintiff had an extensive business presence in New Jersey which went beyond mere solicitation and thus constituted sufficient nexus to evidence the doing of business in New Jersey to subject plaintiff to the CBT tax.

The Tax Court also found that the nature and extent of plaintiff's in-state business activities and the continuous promotion of the company's services by its three sales representatives was evidence of sufficient minimum contacts for constitutional taxation permissibility under the due process clauses of the United States Constitution. There was more than the economic presence in this State or the taking advantage of the State's economic environment to permit the exercise of the State's taxing power under the due process context. It is evident that plaintiff's activities in New Jersey adequately establish a relationship between the plaintiff and this State that render the requirement of filing a corporate business tax return constitutional.

A judgment was thus entered affirming the Director's determination that plaintiff corporation was subject to the Corporation Business Tax Act.

A Wholly-Owned Subsidiary Must Include Indebtedness Owed By It To Its Parent Corporation As Part of Its Net Worth In Computing Its Franchise Tax Liability—Toys "R" Us Inc. v. Taxation Division Director 8 N.J. Tax 51 (Tax Court of New Jersey—December 10, 1985)

The Tax Court affirmed a tax assessment imposed by the Director to the Division of Taxation against the plaintiff and held that a wholly-owned subsidiary must include indebtedness owed by it to its parent corporation as part of its net worth in computing its franchise tax liability for the tax years 1974 and 1975 pursuant to **N.J.S.A. 54:10A-4(d)(5)**.

Plaintiff's predecessor, **Toys "R" Us-NJ**, a toy supermarket business, was incorporated in New Jersey in May 1970. During the disputed two years 1974

and 1975, it was a wholly-owned subsidiary of interstate, a holding company incorporated in Delaware with its principal offices in New York City. Interstate's normal operating procedure was to borrow funds from outside sources for an intercompany account from which it would distribute cash advance to the subsidiaries as needed, and debit the subsidiary's account accordingly. Conversely, as a subsidiary accumulated excess profits not required for ordinary business operations, it would remit these excess monies to Interstate and receive a credit on its intercompany account.

Due to overexpansion of its discount stores in the 1960's, Interstate incurred substantial business losses and was in 1974 ordered into a Chapter X reorganization under the Federal Bankruptcy Act. Two trustees were appointed to continue normal business operations. To insure that the excess cash proceeds from the successful Toys-NJ division would not be depleted or siphoned off to keep the other subsidiaries and Interstate financially solvent, the trustees in bankruptcy on June 26, 1974 were by order of the Federal District Court prohibited to transfer any funds from Toys-NJ to Interstate or to transfer any funds from any of the affiliated companies to Interstate with the exception of a \$75,000 direct monthly payment to the parent company for administrative expenses.

It is undisputed that Toys-NJ was a wholly-owned subsidiary of Interstate and thus met the requirement of the "10% or more" shareholder provision under **N.J.S.A. 54:10A-4(d)(5)**.

The Court held that although the impetus of **N.J.S.A. 54:10-4(d)(5)** which requires the inclusion in net worth the amount of all indebtedness owing directly or indirectly to holders of 10% or more of the taxpayer's outstanding shares, may have been to prevent intercorporate manipulations designed to avoid higher franchise taxes, there is no reason to assume that the original purpose of the legislation strictly confines or limits the applicability of the 10% provision. Rather the basic purpose of the 10% rule was to tax corporations doing business in New Jersey in a manner which would equitably reach the assets employed in that business. Whether or not the 10% stockholders were attempting to thwart the imposition of the tax is not dispositive.

The cases of **Fedders Financial Corporation v. Taxation Div. Dir.**, 96 N.J. 376 (1984) and **Mobay Chemical Corp. v. Taxation Div. Dir.**, 96 N.J. 707 (1984) were distinguished. In those cases the indebtedness was not directly owed to a parent corporation but to an affiliated corporation controlled by the parent. Thus the focus of the N.J. Supreme Court in those cases was on whether the indebtedness was indirectly owed to the parent corporation. The New Jersey Supreme Court differentiated between direct and indirect indebtedness.

The principal was reaffirmed that a debt owned directly to a parent company, regardless of the source of the funds loaned by the parent company is to be included in the net worth of the subsidiary. However, funds borrowed by a taxpayer corporation from an affiliated corporation (not the parent) are to be included in the net worth of the taxpayer only if the funds are indirectly owed to the parent of the taxpayer corporation.

The Tax Court also held that Toys-NJ cannot disclaim Interstate as a parent corporation by arguing that it was a mere conduit for debt repayment to outside creditors. The loan guarantees secured by the stock of Toys-NJ and the other subsidiaries did not require Toys-NJ to be directly obligated to the institutional creditors until Interstate actually defaulted on the loans. It is only

when the guarantees were actually triggered that the loans from Interstate's creditors would bring liability for payment to bear on Toys-NJ and result in actual financial responsibility for Toys-NJ. Loan guarantee does not make the corporation issuing the guarantee a creditor until the guarantee is triggered.

Thus the Tax Court affirmed the tax assessment imposed by the Director of the Division of Taxation for the corporation business tax for the tax years 1974 and 1975 and entered judgment for the defendant.

EMERGENCY TRANSPORTATION TAX

Refund Claim Denied And Refusal of Tax Court To Adopt Judicial Doctrine of Tax Benefit Rule—Leonard N. Stern & Judith Stern v. Director, Division of Taxation (unreported) (Tax Court of New Jersey—June 24, 1985)

The Tax Court denied the taxpayers' refund claims for the tax years 1972-1974 of the ETT minimum tax paid by them during those tax years. The Tax Court denied the taxpayers' claim for a refund on the basis of equity and fairness. The court refused to modify the ruling of the New Jersey Supreme Court in **Salorio v. Glasser**, 93 N.J. 447 (1983) cert. den. by the U.S. Supreme Court 104 S.Ct. 486 (1983). The New Jersey Supreme Court which declared the ETT tax unconstitutional made its determination effective January 1, 1984 and the court's ruling did not affect any prior years. The court held that the history of the remedy in **Salorio** as prospective only has been upheld and was adequately answered in **Riehm v. Taxation Div. Director** 7 NJ Tax 88 (Tax Court, 1984). The Tax Court in that case held that the U.S. Constitution does not require a retroactive remedy even if the taxpayer could have been harmed by the continued collection of the tax.

The Tax Court also refused to incorporate the judicially imposed doctrine of the tax benefit rule which was a transitory rule at the Federal level which would have reduced the minimum tax on preference items for all years. The IRC Code Section 58(h) which provided for an alternative tax effective 1976 and allows an adjustment to the minimum tax on tax preference items is entirely different and has no effect on the taxable years involved here. The court noted that each tax year stands separately on its own. For it to adopt the judicially imposed tax benefit rule for the tax years in question would be legislating and modifying the New Jersey law. The Tax Court noted that it lacks the power to amend the legislative taxing scheme because of its agreement or disagreement with legislative policy.

The Tax Court thus concluded that the ETT tax for the years in question 1972 through 1974 was properly due from the taxpayers consistent with the principles enunciated in **Salorio**. Furthermore, taxpayers' theory that the ETT minimum tax should incorporate a judicially imposed tax benefit rule, which would reduce the minimum tax on preference items for all years, is supported by case law and contrary to the specifically legislated tax base for such alternative tax.

Judgment was entered dismissing the plaintiffs' complaints and thus denying their refund claims.

GROSS INCOME TAX

Business Expenses By A Partnership Related To The Production of Tax-Free Interest and Nontaxable Gains May Be Deducted In Computing

A Partner's Distributive Share of Partnership Income—Also Business Expenses By A Partnership In The Securities Business May Be Deducted Against Partnership Dividends and Gains From the Disposition of Property Realized in The Course of the Partnership Securities Business To Compute A Partner's Distributive Share Of Partnership Income—Roger and Lisa Geissler v. Director, Division of Taxation (App. Div. 1986) (unreported)

The Appellate Division of the Superior Court affirmed the Tax Court whose opinion is reported at 7 N.J. Tax 187 (Tax Court 1984) substantially for the reasons expressed therein.

The Tax Court upheld plaintiffs' challenge of the Director of the Division of Taxation's determination of their tax liability for the year 1976. Plaintiff is a partner in Salomon Brothers, one of the largest investment bankers in the United States. Among the partnership's business activities, is the trading in securities which results in long-term capital gains which are realized in the ordinary course of its business. The partnership's securities business activities also resulted in the realization of dividend and interest income. Part of the partnership's capital gain and interest income is derived from federal obligations and is exempt from the New Jersey Gross Income Tax Act pursuant to **N.J.S.A. 54A:6-14**.

The partnership had various expenses, some of which are attributable to its taxable income as well as to its non-taxable income.

The Tax Court held the following:

1. That the business expenses incurred by the partnership, which are related to the production of tax-free interest and non-taxable gains, are allowable as deductions for purposes of computing a partner's distributive share of partnership income pursuant to **N.J.S.A. 54A:5-1k**.

2. That the business expenses incurred by a partnership engaged in the securities business may be deducted against partnership dividends and gains from the disposition of property realized in the course of the partnership's securities business for purposes of computing a partner's distributive share of partnership income under the New Jersey Gross Income Tax Act.

With respect to the first issue the Court said that the New Jersey Gross Income Tax Act imposes a tax upon the net income derived from a business conducted in the proprietorship form which is arrived at after the provision of all costs and expenses incurred in the conduct thereof.

The partnership rule adopted by the defendant on January 8, 1981 recognizes this at **N.J.A.C. 18:35-1.14(c)(2)**. However at **N.J.A.C. 18:35-1.14(c)(4)ii**, the rule does not allow any deduction for "Expenses unrelated to the production of taxable income."

The court said that administrative regulations must be within the fair contemplation of the enabling statute and that an agency may not, under the guise of interpretation, extend the statute to give it a greater effect than its language permits. Thus, while construction of a taxing statute by the agency charged with its administration is entitled to weight in a judicial proceeding an administrative interpretation which is inconsistent with the ordinary and primary meaning of the statutory language will be ignored.

The defendant raises the issue of "double tax benefits" and contends that the legislature must expressly permit "double tax benefits" or else they will be disallowed.

There is nothing in the statute to deny the allowance of "double tax benefits." Defendant's attempt to carve out an excepted class of business

expenses for which no deduction will be allowed constitutes an invalid exercise of legislative power.

The court thus concluded that the defendant's determination predicated on the disallowance of deductions for business expenses to the extent allocable to tax-exempt income is irreconcilable with the statute and ordered such determination set aside.

With respect to the second issue, the partnership rule at **N.J.A.C. 18:35-1.14(c)(4)** requires that a partner report his share of partnership income as:

- i. A distributive share of partnership income;
- ii. Dividend income; and
- iii. Gain from the sales, exchange or other disposition of property.

Thus a distributive share of partnership income is reported as net income after the deduction of all necessary costs and expenses related thereto. Whereas, partnership's dividends and net gains are subject to tax on gross income. The court said that the regulation is sustainable to the extent that it applies to dividends and capital gain income unrelated to the primary business of the partnership. This would apply where the dividend or capital gain income is merely incidental to the primary business of the partnership.

However, when the regulation is extended to a partnership which generates dividend and capital gain income in the ordinary course of its business as a securities dealer, it would be inconsistent with the statute.

The court concluded that **N.J.A.C. 18:35-1.14(c)(4)** as it is applied to a partnership in which dividend and capital gain income are generated in the ordinary course of business, it is inconsistent with the statute and must be disregarded. A deduction of business expenses by a partnership incurred in the securities business against such dividend and capital gain income in the course of its business is allowed for the purpose of computing a partner's distributive share of partnership income.

Judgment was entered affirming the Tax Court's determination in each case.

Petition for certification to the New Jersey Supreme Court has been filed by the Division of Taxation.

Outside Salesmen Held To Be An Employee And Not An Independent Contractor And Can Not Deduct Any Business Expenses—John P. Kruse and Susan M. Kruse v. Taxation Division Director (unreported) (Tax Court of New Jersey, October 9, 1985)

The Tax Court dismissed the plaintiff's complaint and affirmed the gross income tax assessments against plaintiff for the years 1980, 1981 and 1982. It was held that plaintiff who is employed as an outside salesman for a company producing industrial sands and selling oils, chemicals and equipment and who is paid commissions without any express reimbursement for expenses is an employee under **N.J.S.A. 54A:5-1(a)** receiving commission for services rendered and cannot deduct any business expenses from his commission earnings. The court found that plaintiff was not an independent contractor engaged in his own business which under **N.J.S.A. 54A:5-1(b)** would entitle him to deduct necessary business expenses.

The court said that the words employer/employee, commissions or operation of a business are not defined in the New Jersey Gross Income Tax Act. In determining the status of plaintiff, no single factor is conclusive, rather the

relationship is to be ascertained by an overall view and evaluation of the entire facts.

The court concluded that the factors cited by plaintiff failed to overcome the existence of an employer/employee relationship.

Although plaintiff's special training and skills plus his metallurgical education is an attribute, there is no evidence that such a degree is required or necessary to sell plaintiff's products. No proof was submitted that the other three salesmen also held similar degrees. There is reason to believe the studying of technical books, reading the trade journals, attending seminars would provide a salesman with the skill and training required to sell the various products described.

The payment on a straight commission basis is not inconsistent with an employee status. It is not unusual for a salesman to have no set minimum working hours, since a salesman's employer is mainly interested in results, how much time and effort is expended is not of much concern to an employer provided the salesman maintains a certain level of sales as is here required of plaintiff.

The risk factor to be considered is the risk of loss to which the person rendering the service is exposed. Plaintiff had no substantial risk. The loss from nonpayment of any sale is not charged to plaintiff but is assumed by the company. Plaintiff's only loss would be his failure to receive his percentage commission. The company president explained that the commission paid to the plaintiff were set at a level to support any selling expenses involved.

There is no material significance between differences in payments and fringe payment benefits between inside and outside salesmen.

The company believes they have an employer/employee relationship with plaintiff. Plaintiff is a sales representative for the company. Income taxes are withheld and FICA taxes are also deducted from plaintiff's commissions. Plaintiff paid no self-employment tax but instead paid New Jersey unemployment taxes. Plaintiff is enrolled in the company pension plan wherein he has vested rights, which to be lawful, requires plaintiff to be an employee, 26 U.S.C.A. §401(a). Both his pension and life insurance coverage are funded by the company employer without any contribution from plaintiff.

Plaintiff's business cards, order forms and methods of operation establish that he is a representative of the company and not an individual contractor. Orders are written up as being between the company and the customer and are forwarded to the company; thereafter all further procedures are conducted and controlled by the company. The company processes the orders, bills the customer directly in its name, receives payment directly and deposits the payments received to the company's bank account. It assumes the loss for nonpayment except to deduct from plaintiff's commissions uncollected sales.

The court held that after consideration of all the facts plaintiff's income is not from the operation of a business, but instead that the relationship with the company is that of an employer/employee and he is not entitled to deduct any business expenses from his commissions.

Judgment was entered dismissing plaintiff's complaint and affirming the gross income tax assessments against plaintiff.

HOMESTEAD REBATE

Timely Filing Walter N. Hovland v. Dir. Div. of Taxation 204 N.J. Super.

595 (App. Div., 1985); Petition for Certification Denied. 102 N.J. 400 (January 28, 1986)

The Appellate Division of the Superior Court affirmed the Tax Court whose Opinion is reported at 6 N.J. Tax 473 (Tax Court, July 19, 1984). The Tax Court had held that the Director's refusal to process an untimely homestead rebate application constituted abuse of discretion within N.J.S.A. 54:4-3.89 where applicant was incapacitated during most of filing period and filed only four days late. A judgment was entered by the Tax Court providing for the payment of plaintiff's homestead rebate.

The Appellate Division which affirmed the Tax Court held that the purpose of the Homestead Rebate Act, N.J.S.A. 54:4-3.80 et seq., is to grant property tax relief to New Jersey taxpayers. Review of extension applications by Division of Taxation is to be conducted on an individualized basis. While burden of proving good cause for an extension is on the taxpayer, it is not necessary that he show total impossibility. Good cause may be established by exceptional and extenuating circumstances.

Judgment was entered affirming the Tax Court judgment providing for the payment of plaintiff's homestead rebate.

INHERITANCE TAX

Distribution To A Surviving Spouse From A Stock Bonus And Investment Plan Trust, Held Exempt From Taxation Under N.J.S.A. 54:34-4(j) Janice Berkowitz, Executrix of the Estate of Edward B. Berkowitz, deceased, v. Taxation Division Director 7 N.J. Tax 643 (Tax Court of New Jersey—September 12, 1985)

The Tax Court set aside an assessment of the transfer inheritance tax imposed by the Transfer Inheritance Tax Bureau of the Division of Taxation on a distribution received by the taxpayer, as a surviving spouse, from a stock bonus cash investment plan trust to which decedent participated as a result of his employment. It was held that the transfer to the surviving spouse was exempt from inheritance taxation under N.J.S.A. 54:34-4(j) and that a refund of the disputed tax with interest should be made to the plaintiff-taxpayer.

N.J.S.A. 54:34-4(j) provides for the exemption from taxation of "the value of any pension, annuity, retirement allowance or return of contributions, regardless of the source, which is a direct result of the decedent's employment under a qualified plan as defined by section 401(a),(b) and (c) or 2039(c) of the Internal Revenue Code, payable to a surviving spouse, and not otherwise exempted pursuant to this section or other law of the State of New Jersey." The court said that the distribution from the stock bonus and investment plan trust was a direct result of decedent's employment; that the plan qualified under section 401(a) of the Internal Revenue Code; the beneficiary of the distribution was the decedent's surviving spouse; and the distribution is not otherwise exempted. The Director of the Division of Taxation contended that the distribution which resulted from the accumulation of salary deductions from the decedent and matching contributions from the employer, together with earnings and appreciation, was not a "pension, annuity, retirement allowance or return of contributions" within the meaning of the subsection 4(j) exemption. It was contended that the Legislature intended the exemption to apply only to transfers to surviving spouses under qualified private plans which

had covered decedents as a result of their employment and which were fundamentally designed to provide pensions at retirement.

However, the Tax Court disagreed with the Director's contentions and held that the wording of subsection 4(j) was clear and explicit and that it exempts from taxation the value of any "return of contributions, regardless of the source, which is the direct result of the decedent's employment under a qualified plan as defined in section 401(a), (b) and (c) or 2039(c) of the Internal Revenue Code, payable to a surviving spouse and not otherwise exempt pursuant to this section or other laws of the State of New Jersey. Where there is no ambiguity or uncertainty in the phraseology of the Statute, the Tax Court said it was not at liberty to infer or presume that the Legislature intended something other or different than it actually expressed.

It was further held that the phrase "return of contributions, regardless of the same" included in the exemption both the employee and employer contributions to the plan.

Thus, it was the finding of the court that the distribution received by the taxpayer, a surviving spouse met all the requirements of subsection 4(j) and was exempt from the transfer inheritance tax. Judgment was entered providing for a refund of the disputed tax with interest.

Note: Chapter 57 P.L. 1985 (approved February 27, 1985) provides that transfers of property to a husband or wife of a decedent is eliminated from the Transfer Inheritance Tax effective January 1, 1985.

Transfer of Residuary Estate From Stepson To His Stepmother Classified As A Class "D" Transfer—Hannah M. Borstner, Executrix of The Estate of Andrew Borstner, Deceased v. Taxation, Division Director (Tax Court of New Jersey—January 24, 1986)

The Tax Court affirmed the determination of the Director of the Division of Taxation and held that a testamentary transfer of the residuary estate of the decedent to his stepmother was a Class "D" beneficiary and was subject to a higher tax rate under **N.J.S.A. 54:34-2(d)**. It was held that the stepmother was not entitled to a Class "A" preferential tax status under **N.J.S.A. 54:34-2.1**. The Legislature by amendment in 1937 inserted **N.J.S.A. 54:34-2.1** and extended Class "A" preferential treatment on transfer of property from step-parent to stepchildren and to mutually acknowledged children. The amendment did not affect transfers of property from stepchildren to stepparents and they remained as Class "D" transfers. The Tax Court also held that there was no violation of the equal protection of the law provisions under both the Federal and New Jersey State Constitutions. The Tax Court held that in the absence of specific intent to the contrary words in a statute are to be given their ordinary and primary meaning. The ordinary and commonly accepted meaning of the word parent does not include stepparent any more than the word child includes stepchild. The Legislature was fully aware of the primary and common meanings of the words parent and child. In adopting **N.J.S.A. 54:32-2.1**, the Legislature specifically extended preferential tax treatment to stepchildren which would have been completely unnecessary had the Legislature originally intended the word child to be broadly defined to include stepchild. The Legislature could have, if it so intended, explicitly provided in **N.J.S.A. 54:34-2.1**, for stepparents to be included in the Class "A" category. It did not do so. Judicial construction does not permit the Tax Court now to do so. The Tax Court also noted that the stipulation of facts demonstrates that the Division of Taxation has always taken the position that a transfer from a decedent to

that decedent's stepmother must be taxed at the Class "D" rates. It is a well settled principle that an administrative construction of a statute with which the Legislature has not interfered over a period of time is proof that the administrative interpretation conforms with legislative intent and thus is accorded great weight. Moreover, the Division's interpretation of the operative law is entitled to prevail so long as it is not plainly unreasonable. The Tax Court held that as long as there is a rational basis for the legislative classifications and a legitimate state purpose or objective, then there is no denial of equal protection. To foster and promote the welfare of children by encouraging testamentary transfers of wealth to stepchildren and mutually acknowledged children in the State is certainly a reasonable and legitimate objective within the legislative prerogatives of the State. Moreover, the structure of New Jersey's transfer inheritance tax laws create classifications that achieve this objective by permitting lower tax rates for the testamentary transfers of property to close blood relations, spouses, adoptive parents and adopted children, in the first instance, and then to children who occupy a similar personal relationship to the decedent. Since the Director of the Division of Taxation can meet the minimal rational basis test by demonstrating that there is a reasonable and legitimate state purpose and that the transfer inheritance tax laws are fairly related to achieving that purpose, then there can be no infringement of plaintiff's equal protection rights. The Tax Court concluded that there is no denial of equal protection either under the Federal and State constitutions. Judgment was thus entered affirming the Director's determination in this case.

Power To Invade Corpus Of A Marital Trust Subject To Direct Tax At Death of Decedent, Granting Such Power—Estate of Laffey v. Director, Division of Taxation 8 N.J. Tax 100 (Tax Court of New Jersey—January 10, 1986)

The Tax Court granted summary judgment to the Director of the Division of Taxation and upheld an assessment of the inheritance tax against the plaintiff-decedent's estate which included a direct tax on the transfer of the entire marital trust consisting of both the life estate income and the residuary corpus. The marital trust provided for in decedent's will gave the trust income to the decedent's spouse along with a general power of appointment to designate the beneficiary of the trust upon her death and in addition gave her the power to invade the corpus during her lifetime.

Only the life estate to the decedent's spouse in the marital trust was reported as subject to direct tax by decedent's estate, but the residuary portion was not reported as taxable. An additional assessment was imposed by the Transfer Inheritance Tax Bureau which imposed a direct tax on the transfer of the entire marital trust consisting of both the life estate income and the residuary corpus.

The Tax Court held that the unrestricted power to invade corpus subjects the corpus of the marital trust to taxation under the New Jersey transfer inheritance tax. The provisions of **N.J.S.A. 54:36-4**, which except interests subject to a power of appointment from direct tax at the time of decedent's death, are not applicable to the subject power to invade corpus.

The clear intent of the Legislature in Chapter 36 is to provide for a deferral of the calculation and imposition of a tax on contingent or future interests until the interest vests. Chapter 36 deals only with contingent interests. The interest granted to decedent's spouse was not contingent. Her control of the corpus

of the marital trust was absolute and not dependent upon the act or actions of any other person or event.

It was concluded that the Legislature did not intend Chapter 36 to apply to a non-contingent interest, even though such interest may fall within the definition of power of appointment. This conclusion is consistent with federal estate tax treatment, which distinguishes between general and limited powers of appointment, holding that the existence of a general power of appointment is sufficient to subject corpus tax.

The Tax Court, thus, granted the Director of the Division of Taxation's motion for summary judgment and upheld the Director's assessment of inheritance tax against the plaintiff-decedent's estate.

Widower Entitled To Take Wife's Estate as Omitted Spouse Where Written Documents Introduced In Evidence Were Precatory In Nature And Did Not Republish Will Executed Prior To Marriage—Matter of Will of Marinus, 201 N.J. Super. 329 (App. Div. 1985)

The Superior Court, Law Division, Probate Part, Ocean County, determined that widower was not entitled to take his deceased wife's estate as omitted spouse, but was only entitled to take elective share because certain documents offered by wife subsequent to her marriage republished her will which had been executed prior to marriage. Widower appealed. The Superior Court, Appellate Division, reversed and held that: (1) even though handwritten documents which had been admitted to probate may have met statutory requirements for holographic wills, they were not sufficient to constitute "other writings" within ambit of statute governing alteration of will; (2) none of handwritten writings were effective as codicils or other writings capable of altering testatrix' will or operating to republish it; and (3) widower was entitled to take his deceased wife's estate as omitted spouse.

INHERITANCE TAX

Devise To Decedent's Brother-In-Law Who Predeceased Testator Subject To Doctrine of Probable Intent—In re Mincer—(App. Div. 1985) (unreported)

The decedent Mincer at the time of his death January 27, 1984 was a childless widower whose parents and sole sibling (also childless) has predeceased him. He bequeathed \$5,000 to his church, the remainder he bequeathed to his brother-in-law, Samuel Johnson, who predeceased him. The issue is whether the intention of the decedent, Mincer, was that his estate should pass to the widow and daughter of Samuel Johnson or should lapse upon his prior death. The trial judge held that the devise could not be saved by the anti-lapse statute, N.J.S.A. 3B-3-35, however, he did not consider whether the devise could be saved by N.J.S.A. 3B:3-33 which codifies the doctrine of probable intent established in **Engle v. Siegel**, 74 N.J. 287 (1977). It was held in that case that the court should search for the probable intent of the testator contrary to the literal language of his will was drafted has occurred. The Appellate Division of the Superior Court said that it was clear error to dismiss the complaint filed by the wife and daughter of Samuel Johnson before holding a hearing to determine whether the testator, Mincer, had intended the device to lapse. The Trial Court holding was thus reversed and this matter was remanded back for a resolution by the trier of the facts

regarding the doctrine of probable intent of the testator under **N.J.S.A. 3B:3-33**.

Right of Election To Surviving Spouse's Share Of Decedent's Estate—Bernice McKay v. Estate of Louis McKay, 205 N.J. Super. 609 (Superior Court Division 1984)

The surviving spouse is not barred from a right of election as permitted by **N.J.S.A. 3A:38A-1(a)** solely by reason of the fact that at time of decedent's death decedent and spouse were living separate and apart in different habitations. In addition to living separate and apart in order to deprive a spouse of her statutory right of election, it must be established that not only were they living separate and apart in different habitations but that the separation was "under circumstances which would have given rise to a cause of action for divorce." Since parties had not been living separate and apart for 18 months and since there was no proof that the surviving spouse either actually or constructively deserted decedent, nor was there any other evidence to give rise to a cause of action for divorce or nullity of the marriage to decedent prior to his death, the spouse's right to elect is not barred.

Dissolution of Marriage Revokes Testamentary Disposition to Former Spouse—Matter of Will of Reilly, 201 N.J. Super. 306 (App. Div. 1985)

Testator's nieces and nephew filed a caveat claiming that will offered for probate was revoked by operation of law under statute directing that the dissolution of marriage shall revoke testamentary dispositions made to a "former spouse." The Superior Court, Chancery Division, Probate Part, Monmouth County, ruled in their favor, and former spouse of testator appealed. The Superior Court, Appellate Division, affirmed and held: (1) testator's devise to his "fiancee" whom he later married was revoked by operation of law, as her marriage to testator was dissolved without the latter's having formally revoked or altered his will, and as testator never undertook any of the acts prescribed by statute to effect revival, and (2) revocation statute was applicable to testator's devise, notwithstanding fact that execution of his will and annulment of his marriage predated effective date of statute.

INSURANCE PREMIUMS TAX

Payment of Post-Judgment Interest Denied Because There Was No Equitable Basis For Payment of Such Interest—Employers' Fire Insurance Company et al v. Director, New Jersey Division of Taxation 8 N.J. Tax 43 (Tax Court of New Jersey—December 10, 1985)

The Tax Court granted summary judgment to the defendant and dismissed the taxpayers' complaint for the payment of post-judgment interest. The taxpayers' claims for refunds were granted in the case of **Employers' Fire Insurance Co. v. Taxation Div. Director**, 5 N.J. Tax 326 (Tax Ct., 1983, aff'd 6 N.J. Tax 613 (App. Div. 1984)). A judgment was entered by the Tax Court on April 7, 1983, and the judgment was affirmed by the Appellate Division on May 30, 1984. Taxpayers seek post-judgment interest from April 7, 1983 to September 17, 1984 (the date of the payment of the court-ordered refunds) at the rate of 12% per annum, pursuant to R.4:42-1(a). This rule provides for the payment of post-judgment interest.

The court said that the general rule is that a State is not liable for interest unless by statute or contract it has assumed that liability. It quoted, as follows,

from the case of **Fasolo v. Div. of Pensions** 190 N.J. Super. 573 at 583 (1983) which discussed the modification to the general rule. "It has long been the law that even in the absence of a statutory provision for interest on an obligation of a government entity 'a legislative purpose to allow interest . . . may be found in the nature of the burden imposed and the relative equities between the beneficiaries. . . .'"

Thus, the Tax Court concluded that post-judgment interest may be awarded in state tax cases pursuant to R.4:42-11(a) not as a matter of course but only where equitable principles so require.

A review of the facts in this case do not indicate any equitable principles to justify the award of post-judgment interest. There is no evidence of bad faith on the part of the Director, and therefore the Director's assessment process, his resort to the appeal process and the refund procedure do not in and of themselves give rise to the taxpayers right to post-judgment interest. It was found that the Director did not unreasonably delay the payment of refunds to the taxpayers.

The Director's motion for summary judgment was granted and a judgment was entered dismissing the taxpayers' complaint.

INSURANCE RETALIATORY TAX

Company By Company Mirror Approach In Administering Tax Upheld—Metropolitan Life Insurance Company and New York Life Insurance Company v. Taxation Div. Director (Tax Court of New Jersey, July 31, 1985) (unreported)

The Tax Court upheld the Division of Taxation's company-by-company "mirror image" approach in administering the insurance retaliatory tax. The Court also upheld the constitutionality of the insurance retaliatory tax. The retaliatory tax imposed by **N.J.S.A. 17B:23-5** basically measures the taxes exacted by New Jersey against a foreign insurer doing business here against the taxes exacted by the foreign insurer's home state against a hypothetical New Jersey insurer doing the same type and amount of business there. If the foreign insurer's home state would impose a greater burden on the New Jersey insurer than New Jersey does on that state's insurer, the difference in the respective tax burden is assessed to the foreign insurer by New Jersey in the form of the retaliatory tax. New Jersey imposes a gross premiums tax on life insurance companies. New York's gross premium tax after a 1974 change in its law was slightly less. However, New York imposes an additional tax on allocated net income which makes their tax higher than the tax imposed by New Jersey. It would thus impose a greater tax burden on New Jersey insurers in that State. The Court upheld the administration of the retaliatory tax by use of a company-by-company "mirror image" approach. This requires out of state life insurers to compute its aggregate tax burden in New Jersey pursuant to **N.J.S.A. 54:18A-3** and then compare the amount computed in that fashion to the taxes and fees it would pay on its New Jersey business under the laws of its home state which in this case was New York. If the aggregate burden calculated pursuant to the laws of its home state exceeds the aggregate burden actually imposed under the laws of New Jersey, the difference becomes the foreign insurer's retaliatory tax liability. Thus, each plaintiff in this proceeding must determine a hypothetical tax liability under the New York tax law based on its actual tax liability in New Jersey. The Court said that the use of a

company-by-company "mirror image" basis comparing the foreign insurer's potential or hypothetical tax burden in its home state on its New Jersey business with its actual tax liability in New Jersey is consistent with the language and purposes of the retaliatory taxing statute. The Court also said that the "mirror image" method of implementation was a constitutional application of the retaliatory taxing provisions. Plaintiffs' contention that the Division's methodology creates an unconstitutional result is nothing but speculation and cannot override the mandate of the statutory language in **N.J.S.A. 17B:23-5**. It was also stated that the wording of the retaliatory provision does not provide the Division of Taxation with leeway to pick and choose varying methods to implement the tax. The method of implementation prescribed by the statute is a comparison of the two computations which fluctuate only to the extent of the variations in the tax laws of the jurisdictions involved and the impact of those laws on the insurer whose retaliatory tax liability is being examined. The Court concluded that the statutory language and its context makes its operation sufficiently predictable to avoid arbitrary results, thus fulfilling the constitutional mandate of specificity. The statutory design evinces an attempt to accommodate varying taxing schemes and where flexibility in the statutory language is thereby necessary to effect the legislative intent. With deference to the Legislature's chosen format for its retaliatory tax, it follows that the statutory language of **N.J.S.A. 17B:23-5** is necessarily flexible to accommodate the legislative design. The language of the New Jersey retaliatory provision regarding those financial burdens which are to be included in calculating the retaliatory tax liability of foreign insurers is not impermissibly vague and fits appropriately within a flexible statutory scheme designed to accommodate varying taxing provisions of New Jersey's sister states. The New Jersey retaliatory provision mandates a retaliation against any tax. The tax on plaintiff's allocated net income is a tax imposed directly on insurers doing business in New York and must be included among the financial burdens subject to retaliation under **N.J.S.A. 17B:23-5**. The Division of Taxation has employed a long-standing consistent use of the company-by-company "mirror image" method of implementation of the retaliatory tax. The Division's application of the retaliatory tax is directly authorized by statute and is beyond the scope of the rule making procedural requirements mandated by the New Jersey Administrative Procedure Act. **N.J.S.A. 52:14B-1 et seq.** However, the court held that the Metropolitan Life Insurance Company was entitled to a partial refund or a terminal premium deduction even though it was barred by the New York statute because Metropolitan did not timely take advantage of it. The court said that the potential liability under the New York law must take into account all pertinent New York statutory taxes and deductions. Judgment was entered affirming the Division's determination against the plaintiffs' but a partial refund was granted to Metropolitan Life Insurance Company for the terminal dividend deduction.

LOCAL PROPERTY TAX

Land Taxes Paid By Urban Renewal Company Were To Be Credited Against Annual Service Charge For Municipal Services—Alling Street Urban Renewal Co. v. City of Newark, 204 N.J. Super. 185 (App. Div., 1985)

The Appellate Division of the Superior Court reversed the Superior Court, Law Division, Essex County and held that land taxes paid by an urban renewal

company were to be credited against the annual service charge for municipal service supplied to the urban renewal project, rather than against all annual charge including land taxes pursuant to **N.J.S.A. 40:55C-65** of the Urban Renewal Corporation and Association Law of 1961. Plaintiff had entered into an agreement with the City of Newark for the construction of an urban renewal project. The agreement committed the city to an exemption from taxation of the improvements. However, plaintiff was obligated for the payment of an "Annual Service Charge equal to 2% of the total project cost." The credit provision **N.J.S.A. 40:55C-65** provides that "Against such annual charge the corporation or association . . . shall be entitled to credit for the amount, without interest of real estate taxes on land paid by it in the last four preceding quarterly installments." The City of Newark argued that the Legislature did not intend that the credit provisions be applied against the annual service charge but rather against all annual charges including land taxes. The trial judge was persuaded by the difference in language as urged by the City of Newark and held that "the annual service charge is one thing and the annual charge is the land taxes plus the annual service charge." The Appellate Division disagreed and stated that if words used in a statute have plain meaning, construction is not only unnecessary but improper. In statutory construction, all parts of the same statute shall be read in "pari materia." It held that the land taxes paid by urban renewal company were to be credited against the annual renewal service charge for municipal service supplied to the urban renewal project rather than against all annual charges including land taxes. The court noted that exemption from taxation cannot be constitutionally applied to real estate taxes under the Urban Renewal Corporation and Association Law (**N.J.S.A. 40:55C-40 et seq.**) even though law provides for credit for real estate taxes (**N.J.S.A. 40:55C-65**) since New Jersey's Constitution at Art. 8 §1 par. 1(a) requires assessment of property for tax purposes under general laws and by uniform rules. Arguably, a credit applied to a sum including a real property tax component might be considered a reduction in taxes, in part at least, and therefore, an unconstitutional failure of the uniformity mandate. However, constitutionality of exemption from taxation of improvements to real property in an urban development situation is preserved by New Jersey's Constitution at Art. 8 §3 par. 1 notwithstanding the general requirements that assessment of property for tax purposes be under general laws and by uniform rules (**N.J. Const. Art. 8 §1 par. 1(a)**). The Appellate Division reversed the Law Division and remanded the case back for the entry of a judgment in favor of the plaintiff.

Valuation—American Associates v. Borough of Fort Lee—202 N.J. Super. 92 (App. Div., 1985)

Taxpayer sought review of the Bergen County Board of Taxation's evaluations of real property for 1976 through 1978 which had an inherent conversion potential to cooperative or condominium type ownerships. The Tax Court had affirmed the Bergen County Tax Board's valuation for three years and increased the valuation for the fourth year, and taxpayer appealed. The Appellate Division of the Superior Court reversed the Tax Court's judgment affirming the determination of the County Board of Taxation for the years 1976-1978 and remanded this case back to the Tax Court for a redetermination of true value without regard to potential for condominium conversion. It was held that: (1) conventional proofs of true value could not be discarded merely because they failed to take into account unspecified intangible value for conversion

potential to cooperative or condominium type ownership; (2) taxpayer was entitled to full consideration of its claim of discrimination for the tax year 1976 even though in its use of the capitalized income approach to the proof of true value, it omitted to allow for conversion potential to cooperative or condominium ownership and (3) that the Tax Court did not err in including as income for capitalization rent monies in two escrow accounts, which were subject to judicial determinations. One account was hardship rent increases for the years 1977-1979 which were the subject of court review as of the assessment dates. The other account held rent monies paid in excess of that permitted by the Fort Lee Rent Levelling Ordinance pending court determination of the ordinances constitutionality. The Tax Court allocated percentages of the escrowed sums which it felt would, to a reasonable probability be regarded as income for the years in question by a prospective prudent investor. The Appellate Division said that ample precedent exists to take into account the effect of probable governmental action upon the value of real property. However, the Appellate Division reversed and remanded this case back to the Tax Court for a determination of true value consistent with its opinion and full consideration of plaintiff's claim of discrimination for 1976.

Correction of Error—Assessments Review American Dispenser Co., Inc. v. Bor. of Carlstadt 8 N.J. Tax 70 (Tax Court of NJ—November 14, 1985)

Error in assessor's calculation of taxpayer's property lot acreage constituted assessor's judgment or opinion and therefore the Correction of Error statute, **N.J.S.A. 54:51A-7**, does not apply.

Revaluation/Reassessment—Berkeley Arms Apartment Corp. and Atrium Development Corp. v. City of Hackensack 7 N.J. Tax 457 (Tax Court of N.J.—July 5, 1985)

Taxpayers' action to direct county tax board and taxing district to revise tax roll, to send out corrected tax bills, to prosecute tax appeals against certain property owners, to maintain all future assessments at 100% of true value and to restrain the board from promulgating the Table of Aggregates until the tax roll is corrected, dismissed for following reasons:

(1) **N.J.S.A. 54:4B-1**, which provides that the apportionment, collection or payment of county taxes shall not be suspended by reason of any court proceeding and which contemplates that inequities in tax apportionment be corrected in the following year's Table of Aggregates, bars the relief sought here.

(2) Plaintiff's reliance on **Baldwin Construction Co. v. Essex County Bd. of Taxation**, 16 N.J. 329 (1954), in support of the remedy sought is misplaced because Baldwin has been severely undercut by **In re Kents**, 34 N.J. 21 (1961), and the Laws of 1973, Chapter 123, **N.J.S.A. 54:51A-6**, which have established the "common level" of assessments as the proper tool for discrimination relief in property taxation.

Coca Cola Bottling Co. of N.Y. v. Neptune Tp., (Tax Court, January 8, 1986)

Taxpayer appealed from a realty assessment of: Land \$336,000, Improvements, \$297,700/Total \$624,000. The County Tax Board affirmed the assessor's assessment and taxpayer appealed to the Tax Court. The Court held that taxpayer's expert did not justify his income approach to valuation, because no evidence was introduced as to the lease comparables. All of the leases were

"net rent," but there is a great variance among net leases, as to which expenses tenant pays. The market data approach was also rejected, because taxpayer's witness changed his value of some comparables, but did not change his opinion on the market value of subject property. Such an opinion is not believable. Both expert witnesses used a cost approach also and the court rendered its opinion on this testimony. Defendant's witness found no market value comparables and could not justify a mere 12% income in rent values between 1972 and 1982. On replacement cost, both witnesses used fairly similar values for replacement cost, and used recognized manual procedures. Plaintiff's physical depreciation was carefully justified and defendant's was little more than a guess. The Court found actual value at \$1,209,300, as against the assessor's true value of \$1,361,500. Applying Chapter 123, Laws of 1973, (N.J.S.A. 54:51A-6), the Court reduced the assessment from \$634,000 to \$544,200.

Valuation—Presumption of Correctness Congoleum Corp. v. Hamilton Tp. 7 N.J. Tax 436 (Tax Court of N.J.—April 9, 1985)

Taxpayer seeking reduction in assessment and taxing district seeking increase must both overcome presumption of correctness of assessment by presentation of sufficient competent evidence.

In valuation of very old, obsolete, massive industrial complex with 32 sets of structures, no weight given to cost approach where calculation of enormous depreciation percentage almost impossible. Economic approach to value not considered because property would have to be subdivided to attract tenants, and proffered comparable rentals not substantiated. In market approach, sales of industrial plants not to be summarily rejected as comparables solely by reason of their out-of-county or out-of-state location; nevertheless, must be of substantially similar facilities and within market in which subject property would be sold. Adjustments for building "utility" and for building "amenities" which are not adequately substantiated cannot be given any consideration in arriving at final sales price adjustment.

Payment of Tax—East Orange v. Lismarc Realty Management Corp.; Lismarc Realty Management Corp., v. East Orange 7 N.J. Tax 469 (Tax Court of N.J.—July 16, 1985)

Where taxpayer and taxing district filed complaints on the same day and at the time taxpayer's fourth installments of 1984 taxes was unpaid, the denomination of taxpayer's pleading as a counter-claim preserves taxpayer's right to judicial review without compromising the legislative policy embodied in N.J.S.A. 54:51A(b).

Right of Tenant To Contest—Ewing Township v. Mercer Paper Tube Corp. 8 N.J. Tax 84 (Tax Court of New Jersey—December 19, 1985)

Included within the class of "aggrieved taxpayers" given right to appeal tax assessments pursuant to N.J.S.A. 54:3-21 is any lessee whose lease covers the full tax year and who is required to pay the full assessment of the taxes levied; however, the complaint must be instituted in the name of the owner, within his consent, or the owner is to be made a third party defendant.

Business Personal Property Tax—Underground Fuel Storage Tanks Held to be Personal Property and Taxable as Business Personal Property—Exxon Corporation v. Township of East Brunswick, et al (Tax Court

of New Jersey, and Law Division (Middlesex County) of the Superior Court—July 2, 1985) (unreported)

These consolidated cases were remanded from the Appellate Division of the Superior Court for a determination and a plenary hearing on the issue of whether underground fuel storage tanks are taxable by municipalities as real property. **Exxon Corp. v. East Brunswick Tp.**, 192 N.J. Super. 329 (App. Div., 1983), certif. den. 96 N.J. 313 (1984), reversing 5 N.J. Tax 216 (Tax Ct., 1982). The court, after hearing all the facts, held that the plaintiff is entitled to judgment in the Superior Court action declaring that the underground fuel storage tanks located in the defendant municipalities are personal property and taxable as business personal property and not as real property and vacating all 1982 real property tax assessments made by the defendant municipalities with respect to the tanks. The underground fuel storage tanks are all constructed of either steel or fiberglass. The tanks can be tanks themselves. The evidence showed that the tanks were removed by plaintiff whenever it ceased to do business at a given location, when older tanks are replaced with newer ones, when a change in sales volume at a given location required tanks of larger capacity or when damaged tanks were replaced. The evidence also showed that the tanks were in fact removed frequently. The test of real vs. personal property employed in the New Jersey Supreme Court decision of **Bayonne v. Port Jersey Corp.**, 70 N.J. 367 (1979), is whether the item in question can be removed without irreparable or serious physical injury or damage to the freehold. The test employed in **Bostian v. Franklin State Bank**, 1 N.J. Tax 270 (Tax Ct., 1980) aff'd per curiam 2 N.J. Tax 391 (App. Div., 1980) requires an affirmative answer to three questions to conclude that an item was real property. The three questions are: (1) was the item physically affixed to the realty? (2) was it appropriated to the use or purchase of the part of the realty to which it was affixed? and (3) was a permanent accession to the freehold intended? The facts herein are such that whichever test is applied to the underground fuel tanks, they are not real property but rather personal property. With respect to the material injury in the **Bayonne** case, the tanks are removable without material (i.e., irreparable or serious physical) injury to the land. With respect to the three-pronged test in **Bostian** there is no physical annexation of the tanks to the land; nor is a permanent accession intended. Judgment was therefore entered declaring the underground fuel storage tanks to be personal property and not taxable as real property. All 1982 real property assessments made by the defendant municipalities with respect to the tanks were vacated.

Appeal By Municipality By A Counterclaim To Increase Its Original Assessment of Real Property Must Be Filed August 15, The Statutory Deadline Where Discrimination Is Not An Issue—F.M.C. Stores Co. v. Borough of Morris Plains; Edison Mall Associates v. Township of Edison; 115 Acres Venture/First National State Bank v. Township of Edison 100 N.J. 418 (Supreme Court, July 30, 1985)

This is a companion case to **Pantasote Co. v. City of Passaic**, decided today. One issue presented on this appeal is whether, absent properly filed claims by the taxing districts, the Tax Court may on an appeal by the taxpayer increase an original tax assessment. This appeal differs from the appeal in **Pantasote** in that here, unlike the district in **Pantasote**, the taxing districts failed to file their own claims for affirmative relief. In each of these consolidated

real property tax appeals, the taxpayer filed its appeal of the municipality's 1983 property tax assessment prior to the August 15 deadline, but the municipality failed prior to the statutory deadline to file its appeal or cross-appeal contesting its own tax assessment. The Tax Court granted both municipalities leave to file a counterclaim challenging the original assessments. The taxpayers sought leave to appeal to the Appellate Division of the Superior Court but that court denied the motions. The taxpayers brought similar motions before this Court. This Court granted the motions and summarily remanded the cases to the Appellate Division for consideration of the merits. 96 N.J. 302 (1984). The cases were then consolidated by the Appellate Division for disposition. The Appellate Division held that tax appeals filed by the municipalities after the August 15 statutory deadline were barred, and, in the absence of timely appeals by the taxing districts from their original assessments, the assessments could not be increased, at least when discrimination is not an issue, 195 N.J. Super. 373 (1984). Each taxing district filed a notice of motion for leave to appeal, which this Court granted, 99 N.J. 180 (1984). The New Jersey Supreme Court affirmed the Appellate Division and held that absent proper claims for relief by the taxing district, the Tax Court may not on an appeal by the taxpayer increase an original tax assessment. It was also held that: 1. The statute governing the filing of a property tax appeal directs that both taxpayers and taxing districts aggrieved by the assessed valuation of property, may appeal to the county board of taxation or, where appropriate, the Tax Court, on or before August 15 of that tax year. Because the right to appeal is prescribed by statute, both appealing taxpayers and taxing districts are required to adhere strictly to the deadlines, as with all other statutory requirements.

Farmland Rollback Tax Assessment—Procedural—Estoppel—Gale Builders, Inc., et al v. Hunterdon Cty. Bd. of Taxation & Tewksbury Tp. 8 N.J. Tax 16 (Tax Court of NJ—November 13, 1985)

Appeal from judgment of county tax board must be filed with Tax Court within 45 days of service of judgment, not receipt of tax bill. Original method of assessing omitted property pursuant to N.J.S.A. 54:4-63.12 et seq. to be used to impose farmland rollback tax assessment. Estoppel not granted against State to same extent as against private persons.

Farmland Assessment—Temporary Change In Use—Hamilton Tp. v. Estate of Lyons 8 N.J. Tax 112 (Tax Court of New Jersey—January 14, 1986)

When previously qualified farmland ceases to be devoted to an agricultural or horticultural use, and it is applied to a use other than agricultural or horticultural, even though the change is temporary and in the future it will be returned to agricultural use in an improved condition, a change of use within the intent of the rollback statute, N.J.S.A. 54:4-23.8, has occurred, which triggers the imposition of rollback taxes.

Valuation—Inganamort Bros. v. Borough of Fort Lee. 202 N.J. Super. 87 (App. Div., 1985)

Borough taxing district appealed from determinations of true value in the Tax Court for the tax years 1977-1980. The Superior Court, Appellate Division, affirmed the Tax Court and held that: (1) Freeze Act amendments substituting phrase "final judgment" for phrase "judgment final" operated to provide real property taxpayers relief under the Act, regardless of whether the right to an

appellate remedy had expired or had been exhausted; hence, upon finding true value of property in question for 1977, Tax Court properly proceeded to apply the Act to carry that value through the two succeeding assessment years as well, though taxing district's right to appeal had apparently yet to expire or be exhausted, and (2) trial court properly entered judgments for 1977 through 1979 based upon capitalized income, where taxing district failed in its proof as to quantum of potential condominium conversion value. The opinion of the Tax Court is reported at 7 N.J. Tax 564 (June 28, 1984).

Valuation—Market Approach—Toxic Waste—Inmar Associates, Inc. v. Borough of Carlstadt 7 N.J. Tax 482 (Tax Court of N.J.—July 19, 1985)

Under market sales approach to valuation of land contaminated by toxic waste, parties had burden of proving value by preponderance of the evidence either through comparable sales of similarly contaminated land or through sales of uncontaminated land less the cost to remove toxicity as of assessment date. Where taxing district failed to adjust comparable uncontaminated land for presence of toxic waste, and taxpayer's adjustment for contamination was based on cost estimate not foreseeable on assessing date, neither party met burden of proof, and county tax board judgment affirmed.

Valuation—Condominium Conversion Value—Economic Rent—Discrimination Ratio—Little Ferry Bor. v. Vecchiotti; Vecchiotti v. Bor. of Little Ferry 7 N.J. Tax 389 (Tax Court of N.J.—May 1, 1985)

Condominium conversion value rejected because property found not ripe for conversion. Actual rents less than maximum permitted by rent control ordinance found it to be uneconomic. Use of unweighted, unclassified ratio in lieu of ratio provided in N.J.S.A. 54:51A-6 (Ch. 123) rejected.

Freeze Act (N.J.S.A. 54:51A-8) Mediterranean House v. Fort Lee Bor. 7 N.J. Tax 528 (Tax Court of N.J.—July 25, 1983)

Any change in value does not prevent application of the Freeze Act. The change must be analyzed on a case-by-case basis. Here, change in value exception held inapplicable where increase in subject property's value was in general range of increase in value of all real property in the taxing district as determined by the Taxation Division Director's sales study. N.J.S.A. 54:1-35.1 et seq.

Assessor's Demand For Income Statement—Dismissal—Monsanto Co. v. Town of Kearny 8 N.J. Tax 109 (Tax Court of New Jersey—January 13, 1986)

N.J.S.A. 54:4-34, which requires every owner of income-producing property to respond to the municipal assessor's written request for an income statement within 45 days or precluded from maintaining an appeal, is inapplicable to an owner-occupied manufacturing plant because it is not income-producing property.

Exemption—Hospital Purposes—New Brunswick v. Rutgers Community Health Plan, Inc. 7 N.J. Tax 491 (Tax Court of N.J.—July 23, 1985)

Health Maintenance Organization, which does not provide continuous 24-hour medical care, is not a hospital and is not entitled to exemption from property tax under N.J.S.A. 54:4-3.6 unless it functions as an integral part of a hospital facility.

Exemption of Certain Newly Constructed Residential Structures From Property Taxation Until Certificate of Occupancy Is Issued Held Constitutional And Does Not Constitute Special Legislation—The New Jersey State League of Municipalities et al v. Irwin I. Kimmelman, Attorney General of New Jersey, 204 N.J. Super. 323 (App. Div., 1985)

The Appellate Division of the Superior Court reversed the Law Division of the Superior Court Bergen County, whose opinion is reported at 197 **N.J. Super.** 89 (Superior Court, Law Division 1984). The Appellate Division held that L. 1982, c.220 (approved December 29, 1982) as amended by P.L. 1983 c.155 (approved April 22, 1983) (**N.J.S.A.** 54:4-23a) which exempts certain forms of unoccupied, newly constructed, residential structures from local property taxation for a specified period of time or until a certificate of occupancy had been issued was constitutional and not special legislation in violation of Article IV §VII par. 9 and Article VIII §1, par. 2 of the New Jersey Constitution. The Appellate Division found that the statute may stand as general legislation and it met the three prong tests which was developed in **Vreeland v. Byrne**, 72 **N.J.** 292 (1977) 1. The purpose and object of the legislation must be considered. The court found that the object of the legislation must be designed to reduce the cost to build residential structures and hence the cost of housing. 2. The Statute must be applied to the factual situation existing to determine whether any one thing is excluded that should be included. The court found that the only form of comparable residential housing that was clearly excluded from the exemption was multi-family rental complexes. Mobile homes eligible to be taxed as real estate, cooperative single-family housing, two-family dwellings with, for instance, one owner occupied and the other entered and the like may arguably be entitled to exemption under the statute. Such questions of entitlement should be decided on a case by case basis with full opportunity for argument on the facts of the particular case to be presented to the appropriate court. It must be recognized that some discriminatory impact and some imperfections in the grouping or categories will not invalidate the classification. 3. It must be determined whether as so applied, the resulting classification can be said to rest on a rational or reasonable basis relevant to the purpose and object of the Act. The Appellate Division found that in light of the strong presumption of validity of the Legislature's enactment and its analysis of the construction costs and problems for residential structures versus the construction costs and problems for multi-family units, that there was a rational basis to support the exclusion of residential rental units, and there is no violation of the constitutional provisions in question. The Appellate Division held that the legislation does not constitute "special legislation." Judgment was entered reversing the judgment of the Law Division of the Superior Court.

Affirm Tax Court's Dismissal of Complaint For Failure To Exhaust Administrative Remedies—New York Susquehanna and Western Railway Corp. v. State of New Jersey 204 N.J. Super. 630 (App. Div., 1985)

The Appellate Division of the Superior Court affirmed the Tax Court in its dismissal of plaintiff's complaint substantially for the reasons expressed in its opinion reported at 6 **N.J. Tax** 575 (Tax Ct., September 21, 1984). Taxpayer filed a complaint contesting determination by the Director of the Division of Taxation that taxpayer's property was not used for railroad purposes within the meaning of the Railroad Property Tax Act and therefore was not assessable

by the State. The Director of the Division of Taxation moved to dismiss the plaintiff's complaint for lack of jurisdiction and for taxpayer's failure to exhaust administrative remedies. The Tax Court held that the taxpayer's failure to contest local property tax assessment on property which the Director of the Division of Taxation determined was not used for railroad purposes within the meaning of the Railroad Property Tax Act, and therefore was not assessable by the State under the Act, by timely filing a petition of appeal with the County Tax Board in accordance with the statutory mandate precluded the exercise of jurisdiction by the Tax Court over the taxpayer's complaint contesting the Director of the Division of Taxation's determination that the taxpayer's property was not used for railroad purposes. Judgment was entered by the Appellate Division affirming the Tax Court's dismissal of the plaintiff's complaint.

Taxpayer On Appeal From Tax Assessment Must Present Competent Evidence of True Value And To Rebut Presumption of Validity of Original Assessment—The Pantasote Company v. City of Passaic, 100 N.J. 408 (1985)

Pantasote appealed Passaic's 1979 tax assessment of its industrial property to the Passaic County Board of Taxation, which affirmed the assessment. Pantasote appealed the judgment to the Tax Court, and later filed additional appeals covering the 1980 and 1981 assessments. The Tax Court held that Pantasote failed to present competent evidence from which true value could be established and, therefore, failed to rebut the presumption of validity that attended the original assessment. Thus, the court affirmed the original assessments. 6 **N.J. Tax** 34 (Tax Ct. 1983). Pantasote appealed to the Appellate Division, which affirmed substantially for the reasons given by the Tax Court.

The New Jersey Supreme Court granted Pantasote's petition for certification, limiting the appeal to the issue of the Tax Court's use of a presumption in favor of the original tax assessments. 99 **N.J.** 143 (1984).

The New Jersey Supreme Court in affirming the Tax Court and Appellate Division held that under the circumstances of this case, the Tax Court properly applied the presumption of validity to the assessment and soundly concluded that the taxpayer had failed to overcome that presumption by sufficient evidence. It was also held that:

1. In tax matters, it is to be presumed that governmental authority has been exercised correctly and in accordance with law. On appeal, then, a municipality's original tax assessment is entitled to a presumption of validity. Based on this presumption, the appealing taxpayer has the burden of proving that the assessment is erroneous. The presumption in favor of the taxing authority can be rebutted only by cogent evidence, which must be "definite, positive and certain in quality and quantity to overcome the presumption."

2. In this case, the Tax Court reviewed Pantasote's evidence to determine its weight and sufficiency. It rejected the income approach and market approach used by Pantasote's expert. Based on this analysis, the court held that Pantasote had failed to carry its burden in rebutting the presumption. The rejection by the Tax Court of the sufficiency of Pantasote's proofs is not questioned.

3. Absent any strong indication arising from the evidence properly before the Tax Court that the **quantum** of the assessment was far wide of the mark of true value, inadequacies in the municipality's evidence or deficiencies in

the assessment methodology will not impugn the presumption of validity that attaches to the original assessment. In this case, the amount of the assessment was reasonably related to property values that could have otherwise been reached by an application of sound assessment approaches, and, further, the assessment appears to be a reasonable approximation of true value. Moreover, while the assessment methodology of the tax assessor was incorrect, the deficiencies do not manifest an arbitrary or capricious discharge of the assessor's responsibilities. Thus, the Tax Court properly invoked the presumption of validity that attaches to the **quantum** of the assessment.

The judgment of the Appellate Division was affirmed.

Motion To Withdraw Complaint—Purex Corp. v. Paterson 8 N.J. Tax 121 (Tax Court of New Jersey—January 14, 1986)

Two separate and distinct improved lots, economically utilized by a single user as a chemical processing business but separated by a vacated street, are to be considered as one economic unit. Where taxpayer filed separate complaints contesting assessments on each of said lots, taxpayer's subsequent motion to dismiss the complaint pertaining to one of said lots pursuant to R.8:3-9, which ordinarily mandates granting same, shall be denied where adherences to the rule results in an injustice.

Correction of Error—Red Bank Bor. v. N.J. Bell Telephone Co. 8 N.J. Tax 152 (Tax Court of New Jersey—February 6, 1986)

A mathematical error not involving judgment or opinion, resulting from the application of a front-foot unit price (which is not in dispute) to a property's frontage is an error correctable under N.J.S.A. 54:51A-7. However, an original allowance of depreciation and the building's classification involve opinion; therefore, the values resulting therefrom may not be altered under this statute. Alleged failure to include value of an elevator in the overall value of a building also is not correctable under N.J.S.A. 54:51A-7 because the final applied improvements assessment constitutes the assessor's opinion of the value of the total building.

Economic Rent—Apartment Building—River Drive Village v. Garfield 7 N.J. Tax 632 (Tax Court of N.J.—September 11, 1985)

In a non-rent-control community, economic rent for 3½ room apartments held to be \$450, the highest rent for units of that size in the building, where no significant difference between apartments exist. Current rent rolls are not market rents where the landlord has voluntarily favored longtime tenants with below-market rents.

Settlement Of Taxpayer's Challenge Of Local Property Assessment Not Approved—Rosenberg v. South Orange Tp. 8 N.J. Tax 7 (App. Div., 1983)

This appeal from an interlocutory determination in the Tax Court is before us upon a grant by the Supreme Court of leave to appeal. We affirm substantially for the reasons articulated by Judge Hopkins in his opinion of March 15, 1983, 8 N.J. Tax 1 (Tax Ct. 1983). It is clear from that that he did not feel bound by the opinion of the assessor either to approve or disapprove. Nor do we think the assessor's consent is necessary to the approval of such a settlement. But Judge Hopkins concluded that, in the circumstances as they appeared when the proposed settlement was offered to him for approval, the agreement "to a settlement without full knowledge of all the facts" and the entry

of the municipality into the proposal "at a time when it did not have adequate knowledge of the fair market value of the subject property" at a critical time precluded his approval. We believe this determination not to be a mistaken exercise of discretion nor a perversion of his authority under R.8:9-5 which, we note, is permissive rather than mandatory in its language.

Burden of Proof—Presumption of Correctness—Rumson Bor. v. Peckham 7 N.J. Tax 539 (Tax Court of N.J.—August 15, 1985)

Where taxing district adduced sufficient competent evidence to overcome presumption of correctness of judgment of Monmouth County Board of Taxation, but taxpayer successfully refuted taxing district's evidence of value, although affirmative evidence did not establish true value, Tax Court entered judgment affirming the judgment of the county board of taxation since taxing district failed to sustain ultimate burden of proof by a preponderance of credible evidence.

Error In Property Tax Assessment Resulting From Decimal Point In Frontage Figure Placed in Wrong Place Is Correctible—Sabella v. Lacey Tp., 204 N.J. Super. 55 (App. Div., 1985)

The Appellate Division of the Superior Court reversed the Tax Court's oral decision and held that an error in a property tax assessment because an assessment company failed to put a decimal point in the frontage figure to be applied by the assessor, charging the taxpayer with 580 front feet when he only had 58.0 front feet, is an error correctible in the Tax Court under the correction of error statute, **N.J.S.A. 54:2-41**, (since repealed and replaced with **N.J.S.A. 54:51A-7**, c.45, P.L. 1945 effective January 28, 1983). Everyone connected with taxation in the municipality concedes that the taxpayer was being assessed four times more than he should have been assessed because of the error. The court said that the statute should be construed liberally, rather than narrowly as the Tax Court believes proper. Here, there was a gross mechanical error which did not involve the subjective judgment or opinion of the tax assessor and it should be corrected pursuant to the statute. The Appellate Division reversed the Tax Court and remanded the case back for further proceedings.

SAIJ Realty, Inc. v. Kearny 8 N.J. Tax 191 (Tax Court, February 21, 1986)

Taxpayer filed a complaint for review of the 1985 property tax assessment on its property in Kearny. Kearny moved to dismiss, based on Chapter 91, Laws of 1979, **N.J.S.A. 54:4-34**, which authorizes the assessor to demand from a taxpayer in income statement, in the case of income-producing property. Chapter 91 authorizes dismissal of the complaint if the statement is not furnished within 45 days. By the 1979 amendment the assessor also is required to enclose a copy of Chapter 91, setting forth the consequences of failure to comply. The assessor enclosed a copy of a pre-1979 version of Chapter 91 with the request for an income statement, with no reference to the consequences of failure to comply. Taxpayer did not comply at any time. The Tax Court held that the statute is mandatory in requiring taxpayer to provide the information; "shall" is mandatory unless the context requires a different meaning. The 45 days also is mandatory, but so is the requirement that the assessor must furnish a copy of the statute, as controlling at the time of transmittal. As Justice Holmes said in **Rock Island et al v. U.S.**, 245 U.S. 141, at 143 (1920), "Men must turn square corners when they deal with government," and

it behooves government to behave fairly with its citizens. The motion to dismiss was denied.

Interest To Be Charged On Voluntary Installment Payments Under A Special Assessment—Serkin v. Ocean Township et al. (App. Div., 1985) (unreported)

The Appellate Division of the Superior Court affirmed the judgment of the Law Division for the reasons stated in its opinion. The Law Division held that the municipality could only charge pursuant to **N.J.S.A. 40:56-35** the legal rate of interest, which is 9% here, on installment payments made by property owners as a result of a special assessment. The municipality by resolution provided that the property owners would have two months from the date of the confirmation of the assessments to pay the whole assessment without interest or to pay in ten equal yearly installments with legal interest. The municipality charged interest of 8% a year on assessments under \$1500 and 18% a year on assessments over \$1500, relying on **N.J.S.A. 40:56-32** and **54:4-67**. It was held that the issue of the rate of interest to be charged when assessments are paid in installments was not before the Appellate Division in **Mira Land Development Corp. v. Matawan Bor.**, 133 **N.J. Super.** 440, 443 (App. Div., 1975), certif. denied 68 **N.J.** 278 (1975), and its pronouncement on that point was dictum and is not binding here; interest of 18% on assessments over \$1500 (which is the rate for delinquent assessments) may not be charged on timely installment payments where, as here, the governing body of the municipality has provided for such payments pursuant to **N.J.S.A. 40:56-35**, under which "legal interest" (here, 9%) is to be charged.

Farmland Rollback Tax Assessment—Limited Dividend Housing—S.J. Associates, Ltd. v. East Windsor Tp. 8 **N.J. Tax** 92 (Tax Court of New Jersey—December 31, 1985)

Change in use from farmland to limited dividend housing does not relieve land from rollback tax even though taxing district has entered into a tax abatement agreement for housing project which relates to future tax payments. Taxing district does not have power to waive rollback taxes.

Valuation—Pipeline—Transcontinental Gas Pipe Line Corp. v. Bernards Tp. 7 **N.J. Tax** 508 (Tax Court of N.J.—July 23, 1985)

Segment of interstate natural gas pipeline is special purpose property to be valued for local property tax assessment purposes free and clear of regulation that restricts the pipeline company's income. Improper to use depreciated historical cost or "book value" as basis for valuation.

Shopping Center Tenant Had Standing To Appeal Assessment—Village Supermarkets, Inc. v. West Orange Tp. 206 **N.J. Super.** 597 (App. Div., 1986)

Shopping center tenant brought action challenging portion of local property tax assessment attributable to its leased premises. Landlord moved to intervene and sought dismissal of appeals. The Tax Court, 6 **N.J. Tax** 481, found that tenant had no standing to challenge assessment and dismissed tenant's appeals, and tenant appealed. The Superior Court, Appellate Division, held that: (1) tenant had standing to appeal assessment; (2) tenant could not appeal solely from portion of single assessment attributable to its leasehold; and (3) tenant could appeal entire assessment, assuming proper procedural precautions were taken to protect interests of landlord and other tenants from

possible adverse effects of appeal. Judgment was entered reversing the Tax Court and remanded the matter back for further proceedings consistent with the Appellate Division's Opinion.

Burden of Proof—Valuation—WCI—Westinghouse, Inc. v. Edison Tp. 7 N.J. Tax 610 (Tax Court of N.J.—August 1, 1985)

Valuation date presented by both taxpayer and township failed to sustain the requisite burden of proof by a preponderance of the evidence necessary to overcome the presumptive correctness of the original property tax assessment. In the absence of substantial and competent proof, the court could not apply its expertise to determine the true value of the property.

Valuation—West Orange Tp. v. First Mountain Associates 7 N.J. Tax 431 (App. Div., 1984)

Taxpayer appealed from judgment of the Tax Court (not reported opinion) which fixed initial assessment of its three story office building. The Superior Court, Appellate Division, held that: (1) Tax Court properly adjusted value produced by income capitalization method upwards based on comparable sales approach and cost approach; (2) Tax Court properly took judicial notice of effective tax rates of two other municipalities; and (3) permitting taxpayer's expert to testify on cross-examination about his recollection of construction costs on property record card was not reversible error. Judgment was entered affirming the judgment of the Tax Court in this case.

Exemption—Burden of Proof—Weymouth Tp. v. Memorial Park Family Practice Center, Inc. 7 N.J. Tax 589 (Tax Court of N.J.—July 19, 1985)

Where qualifications for tax exemption is in issue, the burden of proving tax exempt status is upon the party urging exemption, even if it is the defendant. Exemptions under **N.J.S.A. 54:4-3.6** are tested by exclusiveness both of purpose of the organization and use of the property. Corporation organized to expand and coordinate rural health care services with a system of comprehensive primary care with appropriate specialty support is not organized exclusively for charitable or hospital purposes. A non-profit corporation providing medical care to individuals, approximately 50% of whom receive some sort of discount and a small percentage pay no fee, is not exclusively operated for charitable or hospital purposes where the balance of short fall expenses are funded by government subsidies even though it additionally provides incidental health-related services and educational programs.

SALES TAX

Powerboat Owned by Non-operating Delaware Corporation Based in New Jersey Not Exempt From Sales and Use Tax, Coppa v. Taxation Division Director, Tax Court, (not currently reported), April 23, 1986

Two brothers bought a power boat in the name of a Delaware corporation and claimed the statutory exemption for a nonresident corporation under **N.J.S.A. 54:32B-11(2)**. The Director imposed a use tax on the two brother-shareholders who paid the tax and then sought a refund. The brothers testified that they intended to conduct a boat charter operation. The testimony revealed no business operation and all reports were made by the shareholders personally. The boat was never moved to Delaware. The Tax Court found that the corporation was never a viable entity and engaged in no activity. It was

an "alter ego" of the two shareholders. The court looked through the corporate veil and found no business purpose for the corporation. The refund claim was denied.

Requiring Sole Proprietorship to Produce Statutorily Mandated Records Does Not Violate The Privilege Against Self-Incrimination—In re Siegel 208 N.J. Super. 588 (App. Div., March 13, 1986)

Respondent, sole proprietorship of a jewelry store, was served with a subpoena requiring production of records as part of a sales tax audit by the Division of Taxation. Respondent sought to quash the subpoena under his Fifth Amendment privilege against self-incrimination. The Superior Court ordered enforcement of the subpoena, and respondent appealed.

The Appellate Division held that the Fifth Amendment protected a sole proprietor only against mandatory production of records which were not required by law to be maintained; that is, personal records. Respondent as a sales tax collector was required to maintain records of invoices, sales slips, receipts, and other documents by **N.J.S.A. 54:32B-12**. The subpoena as modified pertained only to these required records for the statutory three year period. The order of the Superior Court requiring enforcement of the subpoena was affirmed.

Boat Purchased and Used for Fishing Charters Did Not Meet Statutory Exemption for Head Boats and Sales Tax Properly Imposed Tana Sportfishing Corp. v. Dept. of Treas., Div. of Taxation (Tax Court—April 10, 1986) (not currently reported)

Division of Taxation imposed sales tax on the purchase of a 53 foot fishing boat and taxpayer appealed based on **N.J.S.A. 54:32B-8.12**. The Tax Court held that the exemption applied only to head boats, subject to annual Coast Guard inspection, and taxpayer's boat met neither of these tests. Exemptions are strictly construed. There is a reasonable basis for the qualifications to exempt commercial fishing boats. The exemption meets the "rational relationship" test, and the tax determination was affirmed.

SALES AND USE TAX

Rentals of Railroad Tank Cars to Deliver Fuel Oil to Taxpayer's Station are Taxable—Atlantic City Electric Co. v. Taxation Div. Director 7 N.J. Tax 554 (Tax Court of New Jersey—August 20, 1985)

The Tax Court affirmed a sales and use tax deficiency assessment levied against the taxpayer by the Director of the Division of Taxation for rental of railroad tank cars paid to transport oil to its electrical generating station.

The Sales and Use Tax Act, **N.J.S.A. 54:32B-8(m)(2)**, exempts from sales and use tax:

"Sales of machinery, apparatus or equipment for use or consumption directly and primarily in the production, generation, transmission or distribution of gas, electricity, refrigeration, steam or water for sales or in the operation of sewerage systems."

The court held that for rental of railroad tank cars to be exempt under §8(m)(2) they must be used directly and primarily in the production and generation of electricity. Even by the broadest definition, production and generation cannot be deemed to begin before the fuel oil arrives at the generating station. The railroad tank cars are used primarily and directly in the transportation of

fuel oil. They cannot be regarded as being used primarily and directly in the production and generation of electricity.

The Tax Court distinguished its decision in **Millington Quarry, Inc. v. Taxation Div. Director**, 5 **N.J. Tax** 144 (Tax Ct., 1983) which exempted trucks and excavating equipment used to remove rock from the quarry cliff face and transport it to the rock crusher, holding such equipment was used directly and primarily in the refining process (converting rock into gravel). The court said that the Millington quarry equipment differs from the equipment in this case in that it was used on-site as part of the production process.

It was further stated by the Tax Court that exemption in §8(m)(2) does not include equipment used off-site to deliver raw materials or fuel to the generating station for use in the production and generation process. Equipment used off-site for transportation of materials to the production site is not used directly and primarily in production.

Taxpayer argued that if it had chosen to use over-the-road tank truck instead of railroad tank cars to transport the fuel, the purchase or rental of those trucks would be exempt under **N.J.S.A. 54:32B-8.31**.

Similarly, if the fuel oil were transported in the railroad's own railroad tank cars, that transportation would be exempt under **N.J.S.A. 54:32B-8.11** and under **N.J.S.A. 54:32B-8.27**. The method actually utilized by the taxpayer is the focus of inquiry and that method is specifically taxable under the Sales and Use Tax Act and does not come within the exemption.

The fact that the rental of the railroad tank cars may be viewed as a part of fuel costs or be required to be accounted for as such by the Board of Public utilities does not change the character of the rental payments for sales and use tax purposes. The rental of railroad tank cars is separate from the cost of fuel and is separately taxable for sales tax purposes.

The court entered a judgment affirming the deficiency sales and use tax assessment against the plaintiff and held that the rentals of railroad tank cars used to deliver fuel oil to taxpayer's generating station are taxable under the Sales and Use Tax Act.

Use Tax Imposed On Samples Distributed To Taxpayer's Customers Who Are Located Outside New Jersey—Cosmair, Inc. v. Taxation Division Director 8 **N.J. Tax** 9 (Tax Court of New Jersey—October 9, 1985)

The Tax Court held that plaintiff who is a manufacturer of cosmetic and fragrance products was liable for use tax on samples delivered to its customers who are located outside New Jersey. The samples involved are the same size as those used in purchase-with-purchase sales promotions. The samples were withdrawn from its store inventory at its New Jersey warehouse, packaged by plaintiff, picked up by a common carrier and delivered to its out-of-state department store customers.

The court held that the definition of "use" in **N.J.S.A. 54:32B-2(h)** as the exercise of any use or power over tangible personal property by the **purchaser** thereof is no consequence. The statutory definition of "use" is equally applicable to a manufacturer, processor or assembler, except to the extent specifically exempting such use from tax.

It was further held that the plaintiff did not come within the exception, in **N.J.S.A. 54:32B-6** which imposes the use tax. The exception from use tax is for the mere storage, retention or withdrawal from storage of tangible personal property by the person who manufactured, processed or assembled the

tangible personal property. The definition of use for purposes of the use tax is extensive. It is the exercise of any **right or power** over tangible personal property.

In this case, the taxpayer actually exercised its right to dispose of the property. In segregating the samples and shipping them by common carrier to the various out-of-state customers, it did everything that it could to convey title to the subject samples. Although delivery to the common carrier was such that the samples could have been recalled prior to actual delivery to customers, the extent to which the taxpayer did act, pursuant to its intent to distribute its samples, was a sufficient exercise of its rightful power to bring the use tax into play.

Since the taxpayer exercised rights and control over the samples beyond the mere storage, keeping, retention or withdrawal from storage of tangible personal property, it is subject to use tax.

Judgment was entered dismissing plaintiff's complaint and affirming the use tax assessment against the plaintiff.

Use Tax Upheld On Purchase of Color Photographic Film—Hospital Portrait Service Co. v. Department of Treasury, Division of Taxation 7 N.J. Tax 431 (App. Div., 1984)

The Appellate Division of the Superior Court affirmed the Tax Court substantially for the reasons stated in the opinion of December 19, 1983 reported at 6 **N.J. Tax** 305 (Tax Ct., 1983).

The Tax Court had upheld a use tax assessment imposed by the Director of the Division of Taxation on purchases of color photographic film by the plaintiff, who is in the business of selling photographs of newborn infants. The film is sent to an independent contractor, who develops the film into negatives and prints. Plaintiff sells the prints to customers but retains the negatives.

The Tax Court had held that photographic film is not exempt from sales tax under **N.J.S.A. 54:32B-20** because the materials are not used to induce or cause a chemical or refining process. In addition, the materials are not used in a processing operation that results in a finished product. Only when the film is exposed to light and to the processing agents does a chemical reaction occur. The film itself does not induce or cause a chemical process.

It had also held that photographic film is not exempt from sales tax under **N.J.S.A. 54:32B-8.13(a)**. The fact that film is not a supply, as defined in **N.J.A.C. 18:24-4.2**, does not automatically make it become machinery, apparatus or equipment, which it cannot be considered to be by any stretch of the imagination for purposes of the §8.13a exemption.

In addition, it had ruled that the exemption from use tax under **N.J.S.A. 54:32B-11(a)(4)** did not apply because the film itself is not altered in its chemical nature or changed in form or function into the finished print.

Judgment was entered affirming the Tax Court judgment and dismissing the plaintiff's complaint.

Uphold Tax Collection In Transaction Where Regulation Not Adopted—The Princeton Community Phone Book, Inc. v. John R. Baldwin Individually and as Director, Division of Taxation and New Jersey Bell Telephone Company—(App. Div., 1985) (unreported)—Petition for Certification Denied, 102 N.J. 386 (Dec. 23, 1985)

The Appellate Division affirmed the oral decision of the Tax Court of April

12, 1985 which dismissed the plaintiff's complaint on the grounds that it fails to set forth a claim on which relief can be granted.

Plaintiff is a publisher of independent telephone directories which it distributes free to telephone subscribers and others. It derives its income from advertisers who buy space in the directories. It has since 1970 paid sales tax on printing, binding and paper pursuant to **N.J.S.A. 54:32B-3(a)** and **3(b)(1)**.

Although plaintiff claimed to be confused by the New Jersey Supreme Court decision in **Fairlawn Shopper Inc. v. Director, Div. of Tax**, 98 N.J. 64 and **Today Newspapers, Inc. v. Taxation Div. Director** 98 N.J. 75 (1984) and did not know whether it could claim a "sale for resale" exemption from its printing, binding and paper charges and collect sales tax from its advertisers, it rejected the Tax Court's offer to decide the taxable transaction issue. Instead it sought to enjoin sales tax collection on either transaction until a regulation was issued following rule-making procedures in accordance with the Administrative Procedures Act **N.J.S.A. 52:14B-1** et seq. The Appellate Division concurred with the Tax Court's rejection of the plaintiff's contentions. It found that the Director's action in not adopting a formal regulation but rather giving notice, that despite **Fairlawn Shopper** he continues to advise telephone directory publishers to pay sales tax on paper, printing and binding charges, was not invalid as a violation of plaintiff's constitutional rights. The court pointed out that prospective change in the identification of the taxable event may always be accomplished by the Director by statutory rule-making procedures. However, the present posture of this case does not mandate rule-making.

Judgment of the Tax Court in dismissing the plaintiff's complaint against the defendants was affirmed.

NEW JERSEY SPILL COMPENSATION AND CONTROL ACT

Superfund Preempts State Fund That Is Intended To Pay In Part or In Whole For The Same Types of Expenses—Exxon Corp. et al v. Hunt, Administrator of the New Jersey Spill Compensation Fund et al, U.S. Supreme Court, Docket No. 84-978, 54 LW 4249, Decided March 10, 1986.

The United States Supreme Court reversed in part, and affirmed in part, the New Jersey Supreme Court whose opinion is reported at 97 N.J. 526 (1984.) The United States Supreme Court held that the Federal Superfund preempted any state fund that is intended in whole or in part, to pay for the same type of expenses that may be paid by the Federal Superfund.

Appellant corporation, having paid the Spill Act tax, brought suit in the New Jersey Tax Court against appellees (the State and certain of its officials), seeking a tax refund and a declaratory judgment that the New Jersey tax was invalid in its entirety as being preempted under §114(c) of the Federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), which provides: "Except as provided in this chapter, no person may be required to contribute to any fund, the purpose of which is to pay compensation for claims for any costs of response or damages or claims which may be compensated under this subchapter." Section 114(c) also contains a saving provision stating that nothing in §114(c) shall be interpreted to prevent a State from using general revenues for such a fund or from imposing a special tax to purchase or locate equipment or otherwise prepare for a response to hazardous substance releases. The court entered summary judgment for appellees, and the N.J. Superior Court, Appellate Division affirmed. The New

Jersey Supreme Court also affirmed, holding that the Spill Fund tax was not preempted by §114(c) insofar as the Spill Fund “is used to compensate hazardous waste cleanup costs and related claims that are either not covered or not actually paid under Superfund.”

The U.S. Supreme Court held:

1. The words “costs of response or damages or claims” in §114(c) are to be read as a unit, and the entire phrase is modified by the phrase “which may be compensated under this subchapter,” thus preempting any special state tax fund used to reimburse either a State or third party for cleanup expense. An interpretation of those terms so as to include only a private party’s cleanup expenses, and so as to permit state-fund expenditures for all state-government cleanup efforts is not supported by CERCLA’s history or the wording of other provisions of CERCLA, particularly the saving provision of §114(c) which, in authorizing special state taxes to pay for the State’s preparations for responding to hazardous substance releases, would be redundant if the preempted provision did not cover direct governmental expenditures at all.

2. Section 114(c)’s phrase “which may be compensated under this subchapter” is to be interpreted as preempting any state fund that is intended, in whole or in part, to pay for the same types of expenses that may be paid by Superfund, and not as covering only expenses that are actually paid by Superfund.

3. Neither the structure nor the legislative history of CERCLA supports appellees’ contention that although §114(c) is not restricted to cases in which Superfund actually disburses money, it applies only when Superfund pays a claim or would have paid the claim had it not already been paid by a state fund. Remedying the Nation’s toxic waste problems as effectively as possible was not the sole policy choice reflected in CERCLA. Congress’ decision to enact a preempting provision resulted in part from its concern about the potentially adverse effects of overtaxation on the competitiveness of the American petrochemical industry. That consideration cautions against concluding that Congress would not have wanted to hinder State attempts to clean up hazardous substances in any way. Nor is there sufficient support in §114(c)’s language or history to accept appellees’ contention that in view of the limited availability of Superfund money, only projects that have been actually approved, or are almost certain to be approved, can be termed “eligible” for Superfund financing, and then only to the extent of the approved funding.

4. The National Contingency Plan—which CERCLA requires to be revised annually to list sites most in need of federal efforts—provides the appropriate measure of whether a given expenditure constitutes “costs of response or damages or claims which may be compensated” by Superfund. Since CERCLA also provides that a State must agree to pay at least 10% of the cost of any remedial action for a hazardous site within the State, such State’s share is not eligible for Superfund money and thus is not a cost that “may be compensated” for purposes of §114(c). Under the above-stated principles, use of the New Jersey Spill Fund to compensate third parties for damage resulting from hazardous substance discharges, to pay personnel and equipment costs, to administer the fund, and to conduct research is beyond the scope of CERCLA, and therefore not preempted by §114(c). However, use of the Spill Fund to finance state governmental cleanup (except for 10% State’s share of remedial costs) and to reimburse third parties for cleanup costs is preempted so long

as such efforts occur at sites that are eligible for Superfund financing according to the terms of the National Contingency Plan.

To the extent that the Spill Act is preempted by the Federal Superfund the judgment of the New Jersey Supreme Court is reversed and the case remanded back for further proceedings consistent with the U.S. Supreme Court's opinion.

A dissenting opinion was filed in this case.

Damages resulting from "Spills" Prior To The April 1, 1977 Effective Date of the Act Are Not Compensible By The Fund, But New "Spills," Even From Old Sources, After That Date Are Compensible, Township of South Orange Village v. Hunt (App. Div., May 19, 1986)

South Orange filed a claim with the New Jersey Spill Compensation Fund under the Spill Compensation and Control Act, **N.J.S.A. 58:10-23.11 et seq.**, which became effective April 1, 1977. The claim arose from various gasoline leaks from service stations in South Orange which damaged water wells in the municipality. The first leak was discovered on February 14, 1977. Further leaks were discovered on April 4, 1977. On April 18, 1977 the entire well field was closed because of gasoline contamination. The resulting damages exceeded \$2,000,000. South Orange filed a claim with the Fund on January 11, 1978. The claim was rejected by the Fund Administrator on the grounds that the gasoline discharges began before April 1, 1977, the effective date of the Act. South Orange appealed from the Administrator's final decision to the Appellate Division of the Superior Court. The Appellate Division held that it has jurisdiction to hear the appeal, despite apparent noncompliance with the 45 day period for appeal, because of on-going negotiations between the parties between 1978 and the appeal on January 12, 1983, and for other reasons. On the merits, the Court held that the Fund was not liable for damages for discharge prior to the April 1, 1977 the effective date of the Spill Compensation and Control Act. However, the finding of the Administrator that all of the damages occurred prior to April 1, 1977 is contradicted by statements in Department of Environmental Protection internal memoranda indicating new leaks in April, May and July, 1977. Accordingly, the Court remanded the case to the Administrator of the Fund, for a determination of which, if any, damages resulted from post-Act discharges of gasoline.

U.S. SUPREME COURT

Appeal Dismissed From Court of Appeals of New York Which Held Constitutional A New York Tax Law Which Imposes A 10% Tax On Gains Derived From Real Property Transfers of One Million Dollars Or More—Donald J. Trump v. Roderick Chu, Commissioner of The Department of Taxation and Finance, U.S. Supreme Court Docket No 85-118, 54 LW 3263 October 21, 1985.

The U.S. Supreme Court summarily dismissed an appeal from the Court of Appeals of New York in the case of **Trump v. Chu** reported at 65 N.Y. 2d, 20, 478 N.E. 2d 971 (NY 1985). The Court of Appeals of New York held that New York Tax Law Article 31-B was not in violation of the equal protection clause of both the 14th Amendment to the U.S. Constitution and Art 1 §11 of the New York State Constitution. Article 31-B imposes a 10% tax on gains derived from real property transfers of one million dollars or more.

The Court of Appeals of New York held that: (1) article does not violate equal protection clause by exempting transfers for less than one million dollars, and (2) classification employed by article, in requiring developers of condominiums and cooperative dwellings to aggregate consideration in connection with sales of dwellings for purposes of meeting one million dollar taxing threshold, but not requiring aggregation for sale of subdivided parcels with improved residence, is rationally related to legitimate state purposes of encouraging development of individually owned residence while discouraging rapid conversion of scarce rental apartments to condominiums and cooperatives; therefore, such classification does not violate equal protection.

NOTE: Effective Tax rates reflected in the above table are obtained by dividing the total on which the tax rate is computed by the Net Valuations on which county taxes are apportioned. In Annual Reports prior to 1972, effective tax rates were obtained by multiplying the Average Assessment to Sales Ratio for said year times the general tax rate per \$100 of Assessed Valuation for said year.

TAX COURT OF NEW JERSEY

The Tax Court of New Jersey is a trial court and is part of the judiciary. In general, it hears cases contesting State and local property tax assessments.

APPENDIX III

TAXES COLLECTED FOR DISTRIBUTION TO MUNICIPALITIES

TAXES COLLECTED BY THE STATE FOR DISTRIBUTION TO MUNICIPALITIES

1986

The attached Tables reflect State aid to municipalities totaling \$911,764,996 in 1986.

FINANCIAL BUSINESS

(N.J.S.A. 54:10B-1 et seq.)

(N.J.S.A. 54:10A-1 et seq.)

This is a State collected tax on financial businesses in substantial competition with the business of national banks. Distribution is 50% State; 25% municipalities and 25% counties.

To Municipalities \$1,602,934.

BUSINESS PERSONAL PROPERTY REPLACEMENT TAX

(N.J.S.A. 54:11D-1 et seq.)

Municipalities are assured of receiving no less from business personal property tax replacements than the greatest of the local levy of personal property tax in 1964, 1965, 1966, and 1967. Four tax laws are specified as the source for obtaining the required revenue. Any excess yield will be distributed in proportion to the local property tax level upon commercial, industrial and farm real estate. To Municipalities \$158,703,834. Excess was \$51,868,646.

Legislation was passed which provides an annual appropriation of not less than \$158,703,834, which was the amount certified by the Director of the Division of Taxation October 15, 1976 (C. 3, P.L. 1977).

PUBLIC UTILITY

(N.J.S.A. 54:30A-16 et seq.)

The Division of Taxation collects both the Public Utility Franchise Tax and the Public Utility Gross Receipts for payment to municipalities after deducting administration costs (\$226,436).

To Municipalities \$685,000,000.

MUNICIPAL PURPOSES TAX ASSISTANCE FUND

Revenue available under C. 10 and 11, P.L. 1980 is deposited in the Municipal Purposes Tax Assistance Fund for distribution under C. 12, P.L. 1980.

To Municipalities \$29,999,947.

CORPORATION BUSINESS BANKING CORPORATIONS (N.J.S.A. 54:10A-1 et seq.)

Banking Corporations are subject to Corporate Business Tax at the rate of 9% on allocated net income and two mills per dollar on allocated net worth. Distribution is 50% State; 25% municipalities and 25% counties.

To Municipalities \$16,233,550.

INSURANCE FRANCHISE (N.J.S.A. 54:18-12 et seq. and N.J.S.A. 54:16A-1 et seq.)

Insurance franchise taxes are payable by domestic insurance companies (87-1/2%) to the municipality and (12-1/2%) to the county in which the principal office of the taxpayer is located. The Division of Taxation collects the tax for payment to municipalities.

To Counties \$2,889,247, To Municipalities \$20,224,731.
