Student growth is a measure of how much students are learning each year. Each student receives a Student Growth Percentile (SGP) for English Language Arts/Literacy (ELA) in grades 4 through 8 and for Mathematics in grades 4 through 7 that explains their progress compared to students who had the same test scores in previous years.

A student's SGP falls between 1 and 99 and can be grouped into three levels: **Low Growth: Less than 35** **Typical Growth: Between 35 and 65** **High Growth: Greater than 65**

If the student growth percentiles for all students in the school are ordered from smallest to largest, the median student growth percentile (mSGP) for the school is the percentile in the middle of that list. Watch a short video about Student Growth Percentiles that explains how they are calculated for students and how median Student Growth Percentiles (mSGP) are calculated for groups of students.

Student Growth

This table shows the median Student Growth Percentile (mSGP) for both English Language Arts/Literacy (ELA) and Mathematics both overall and for each student group with comparisons to the district and the state. This table also shows whether each mSGP Met Standard (40-59.5) as required by ESSA accountability.

Student Group	ELA: School Median	ELA: District Median	ELA: Statewide Median	ELA: Met Standard (40-59.5)	Math: School Median	Math: District Median	Math: Statewide Median	Math: Met Standard (40-59.5)

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these accountability resources.

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

The New Jersey Department of Education migrated to a new reporting system, the Student Safety Data System (SSDS), which includes improved definitions, new reporting fields, and updated guidance for reporting incidents. As such, comparing this year's report to previous years' data can lead to inaccurate conclusions in many reporting categories. As such, the 2017-18 report should be considered a baseline year.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents row provides an unduplicated count of incidents. The last row shows the rate of incidents for every 100 students enrolled.

Student Disciplinary Removals

The first table shows, by removal type, the number and percentage of students who received disciplinary removals during the school year. Removal types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any type, removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year.

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	8:55 AM
Typical End Time	3:30 PM
Length of School Day	6 Hrs 35 Mins
Full Time - Instructional Time	5 Hrs 35 Mins
Shared Time - Instructional Time	N

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio
2017-18	1:1

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' User Friendly Budgets, or the NJDOE Finance District Report Search of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these accountability resources.

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these accountability resources.

Accountability Indicator	Score	Weight
English Language Arts Proficiency	75.12	17.5%
Mathematics Proficiency	63.45	17.5%
English Language Arts Growth	70.91	25.0%
Mathematics Growth	30.74	25.0%
Progress Towards English Language Proficiency	**	**
Chronic Absenteeism	67.09	15.0%
Summative Score: Sum of all indicator scores multiplied by indicator weights	59.73	n/a
Summative Rating: Percentile Rank of Summative Score	65.46	n/a
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile	No	n/a

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these accountability resources.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:	• We have launched our Positive Behavior Interventions and Support (PBIS) school wide. • Lincoln's teachers continually create opportunities for intellectual risk-taking, collaboration, problem solving, and application of classroom learning to real-life situations. • This year we opened a Maker's Space classroom. This classroom allows our students to work colobaratively on hands on engineering/STEM projects.
Mission, Vision, Theme:	Our mission is to allow each child to reach their full potential by developing their academic skills, fostering their social and emotional growth, and guiding them towards independent thinking and problem solving. High standards and expectations for each student in regard to responsible citizenship and academic effort are the foundation of our school. The active participation and partnerships of students, staff, families, and community organizations are essential for our continued success. We continue to foster positive school-community partnerships through events like our Lincoln Learning Festival and Science/Tech Night.
Awards, Recognition, Accomplishments:	We continue to reconginize our staff and students on our Marquee and Website.

Courses, Curriculum, Instruction:	With the New Jersey Student Learning Standards (NJSLS) at its core, our K-5 curriculum focuses on the whole child by developing a strong academic foundation by building social emotional learning competencies and implementing 21st century skills. To ensure our curricula meets the needs of our diverse student population, as well as state and federal mandates, we routinely revisit our curriculum and update accordingly. Our one-to-one technology allows us to facilitate meaningful learning experiences for students. Within each of our 11 elementary schools, students are afforded a variety of extracurricular events, community service projects, programs, and resources.
Clubs and Activities:	There is a focus on the social emotional development of each child through character education, clubs, and school-wide activities/events. Lincoln offers Sports Club, Student Coucil, Safety patrol, News Paper club, Geography Club, Drama Club, Girl's Running Club. We also particapte in the state Geography Bee contest.

Staff and Professional Learning:	Components of the professional development program include mandated staff development for all non-tenured teachers, including classroom observation and coaching visits over a four-year period. In addition, an intensive mentoring program is provided to all provisional first year teachers, with workshops and follow-up sessions for each mentor/protégé team. The District also provides Professional Development Institute (PDI), which offers certificated and non-certificated staff PDI hours, for their voluntary participation in an array of curriculum and instructionally relevant workshops offered after school and during the summer. All teachers, at the elementary level, have an added resource of coaching from the district's reading specialists, math specialists and gifted and talented teachers.

Student Supports and Services:	The district is dedicated to the success of all students. Grade 1-5 students are given a screener to identify whether or not academic support is needed. Student progress is monitored through multiple measures by the classroom teacher and members of the student response team. Every school in the district conducts Intervention and Referral Service Meetings as an additional method in which to support student learning. The district has a number of Self Contained Autism Classrooms, Integrated Preschool, Learning and/or Language Disabled, and Multiply Disabled classrooms in order to service all students in a least restrictive environment. English as a Second Language Students are given support in small groups by an ESL teacher.
Student Health and Wellness:	Elementary students are supported holistically through health & physical education course work, counseling, assembly programming, school initiatives, clubs, mentoring, and an overarching commitment to social-emotional learning woven into daily instruction. Mindfulness breaks are encouraged throughout the school day, and students are provided a daily recess to practice learning through play. Positive behaviors are affirmed and recognized by staff to promote responsible student actions. Students are provided a reliable, engaging, and structured environment that they can depend on to improve upon their goals. Each building creates a caring community of trusted adults who model the spirit of collegiality, professionalism, and enthusiasm which makes our students feel secure and ready to learn. These strategies, along with strong anti-bullying policies, promote a safe and favorable climate for students to thrive in academically, physically, and emotionally.
Parent and Community Involvement:	Staff continues to support and attend PTO sponsored events such as staff tables at the Tricky Tray and Ceramics nights.

Technology and STEM:	Technology is an integral part of our instruction with all students utilizing 1:1 Chromebooks or ipads. Teachers are also flipping the classroom by using online tutorials as interventions and/or extensions to further differentiate and individualize instruction. Students are increasingly using online tools to collaborate, research and publish their work.
