## SENATE RESOLUTION

By Senator Russo

WHEREAS, Carl Golden, the stalwart spokesman for Governor Kean, allegedly suffered a slip on the ice outside his Chambersburg (Trenton area) home way back on February 7; and,

WHEREAS, Medical experts did diagnose a subsequent injury to his right ankle as a very severe sprain; and,

WHEREAS, Mr. Golden has been seen hobbling around the near-empty Statehouse corridors with the assistance of a cane, a walking cast and whatever shoulders he can find to lean on; and,

WHEREAS, Mr. Golden is one of the few members of the Kean administration who has not revealed plans to seek a new position out from under the Statehouse Dome; and,

WHEREAS, It has been learned that Mr. Golden's lifelong dream to try out as a field goal kicker for the New Jersey Giants has been quashed by his ankle ailment; and,

WHEREAS, Recent comments by Mr. Golden on the Legislature seem to indicate that somehow the injury to his ankle may have had a seriously adverse impact on his ability to connect factual concepts to his verbal outlet; and,

WHEREAS, Mr. Golden's hobbled state may land unwanted credence to the notion that the fabled image of the Kean administration may have degenerated to the "lame duck" stage; and,

WHEREAS, The failure of Mr. Golden's ankle to respond to routine medical procedures in a timely fashion has caused him some distress; and,

WHEREAS, Supernatural powers may be at last resort to save Mr. Golden from certain physical oblivion; and,

WHEREAS, Mr. Golden's boss, the Honorable Governor Kean, apparently has embarked on a national "testing the waters" campaign for his political future by speaking at numerous out-of-state Republican political functions, including forays to New Hampshire, California and Michigan; now, therefore,

*Be It Resolved by the Senate of the State of New Jersey:*

That this House hereby issue a formal request to the Governor of the Great State of New Jersey that he make his next "testing the waters" speech at a shrine in Lourdes, France, which is known internationally for its mystical curative powers in certain instances; and,

*Be It Further Resolved,* That the same Governor be requested to take with him the aforementioned Mr. Golden for a formal dunking in the said waters at the shrine in Lourdes with the hope that the lingering ankle injury will be cured immediately along with Mr. Golden's recent tendency to speak with that famous kemosabe, Tonto, called "forked tongue"; and,

*Be It Further Resolved,* That a duly authenticated copy of this resolution, signed by the President and attested by the Secretary, be transmitted to Mr. Carl Golden.

/s/ JOHN F. RUSSO,

*President of the Senate.*

Attest:

/s/ John J. McCarthy,

*Secretary of the Senate.*

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
April 21, 1986. }

SENATE BILL No. 1471 (2ND OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1471 (2nd OCR) with my recommendations for reconsideration.

Senate Bill No. 1471 (2nd OCR) would supplement the law governing the Public Employees' Retirement System (PERS) to make membership in the pension system optional for employees working in a federal Job Training Partnership Act (JTPA) program in any of the 19 service delivery areas of the State. An affected employee must provide written notice of a decision not to enroll in the PERS within 90 days of the effective date of this act, or within 90 days of eligibility for membership, whichever date is later. The provisions of this act would apply only to JTPA employees not enrolled in the PERS as of the effective date of this act.

I support the purpose for which Senate Bill No. 1471 (2nd OCR) was introduced. This bill is designed to ensure that JTPA employees will not be terminated because employers must use their limited financial resources for pension contributions, rather than for salaries.

Job Training Partnership Act programs have limited financial resources for two reasons. The programs are limited in the amount that they may spend on administration. Administrative expenses include pension contributions and salaries. Additionally, JTPA programs are being affected by budget reductions in domestic programs at the federal level. The combination of a limitation on administrative expenses and a decline in federal funding means that if administrators of JTPA programs must spend administrative dollars on pension contributions, less will remain for employee salaries. The result will be immediate layoffs.

While I support the purpose for which Senate Bill No. 1471 (2nd OCR) was introduced, I must return the bill so that it may be amended in two areas.

Senate Bill No. 1471 (2nd OCR) must be amended to broaden its scope. In its current form, Senate Bill No. 1471 (2nd OCR) would apply only to JTPA employees not currently enrolled in the PERS. I am advised that this will not assist the majority of service delivery areas in the State because many of their employees are already in the system. Accordingly, I recommend that Senate Bill No. 1471 (2nd OCR) be amended to make its provisions apply to all JTPA employees, regardless of whether they are currently enrolled in the PERS.

I also recommend that Senate Bill No. 1471 (2nd OCR) be amended to delete the provision making membership in the PERS optional for JTPA employees. The Division of Pensions advises that making pension membership optional for any group of public employees would set an undesirable precedent that could affect the actuarial stability of the State-administered pension systems.

The effect of these amendments will be to exempt all JTPA employees in this State from membership in the PERS. This is a necessary step if we wish to keep JTPA employment at current levels.

Accordingly, I herewith return Senate Bill No. 1471 (2nd OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 2:* Omit "supplementing" insert "amending"

*Page 1, Title, Line 3:* Omit "(C. 43:15A-1 et seq.)"

*Page 1, Section 1, Lines 1-8:* Omit in its entirety and insert new Section 1 as follows:

"1. Section 7 of P. L. 1954, c. 84 (C. 43:15A-7) is amended to read as follows:

MONDAY, APRIL 21, 1986

7. There is hereby established the Public Employees' Retirement System of New Jersey in the Division of Pensions of the Department of the Treasury. The membership of the retirement system shall include:

a. The members of the former 'State Employees' Retirement System of New Jersey' enrolled as such as of December 30, 1954 who shall not have claimed for refund their accumulated deductions in said system as provided in this section;

b. Any person becoming an employee of the State or other employer after January 2, 1955 and every veteran, other than those whose appointments are seasonal, becoming an employee of the State or other employer after such date including a temporary employee with at least one year's continuous service; [and]

c. Every employee veteran in the employ of the State or other employer on January 2, 1955 who is not a member of any retirement system supported wholly or partly by the State.

d. Membership in the retirement system shall be optional for elected officials other than veterans, and for school crossing guards, who having become eligible for benefits under other pension systems are so employed on a part-time basis. Any such part-time school crossing guard who is eligible for benefits under any other pension system and who was hired as a part-time school crossing guard prior to March 4, 1976, may at any time terminate his membership in the retirement system by making an application in writing to the board of trustees of the retirement system. Upon receiving such application, the board of trustees shall terminate his enrollment in the system and direct the employer to cease accepting contributions from the member or deducting from the compensation paid to the member. State employees who become members of any other retirement system supported wholly or partly by the State as a condition of employment shall not be eligible to membership in this retirement system. Notwithstanding any other law to the contrary all other persons accepting employment in the service of the State shall be required to enroll in the retirement system as a condition of their employment, regardless of age. No person in employment, office or position, for which the annual salary or remuneration is fixed at less than \$500.00 shall be eligible to become a member of the retirement system.

e. Membership of any person in the retirement system shall cease if he shall discontinue his service for more than two consecutive years.

f. The accumulated deductions of the members of the former 'State Employees' Retirement System' which have been set aside in a trust fund designated as Fund A as provided in section 5 of this act and which have not been claimed for refund prior to February 1, 1955 shall be transferred from said Fund A to the Annuity Savings Fund of the Retirement System, provided for in section 25 of this act. Each member whose accumulated deductions are so

transferred shall receive the same prior service credit, pension credit, and membership credit in the retirement system as he previously had in the former 'State Employees' Retirement System' and shall have such accumulated deductions credited to his individual account in the Annuity Savings Fund. Any outstanding obligations of such member shall be continued.

g. Any school crossing guard electing to terminate his membership in the retirement system pursuant to subsection d. of this section shall, upon his request, receive a refund of his accumulated deductions as of the date of his appointment to the position of school crossing guard. Such refund of contributions shall serve as a waiver of all benefits payable to the employee, to his dependent or dependents, or to any of his beneficiaries under the retirement system.

*h. A temporary employee who is employed under the federal Job Training Partnership Act, Pub. L. 97-300 (29 U. S. C. § 1501) shall not be eligible for membership in the system. Membership for temporary employees employed under the federal Job Training Partnership Act, Pub. L. 97-300 (29 U. S. C. § 1501) who are in the system on the effective date of this 1986 amendatory act shall be terminated, and affected employees shall receive a refund of their accumulated deductions as of the date of commencement of employment in a federal Job Training Partnership Act program. Such refund of contributions shall serve as a waiver of all benefits payable to the employee, to his dependent or dependents, or to any of his beneficiaries under the retirement system."*

*Page 1, Section 2, Lines 1-4: Omit "and shall apply to" on line 1, omit lines 2-3 entirely and "Retirement System prior to the effective date of this act" on line 4*

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

# SENATE RESOLUTION

By Senator FORAN and All Senators

WHEREAS, A beautiful, healthy, baby boy, Adam Abraham Porroni, was born on April 27, 1986, at 11:35 P.M. to Susan and Albert Porroni; and,

WHEREAS, At eight pounds, two ounces and at 20 inches, this event is one of great proportions; and,

WHEREAS, Albert Porroni may no longer count himself the last of the Porronis, as the Porroni name will now be carried on; and,

WHEREAS, Now the New Jersey Senate will always know the answer to the question "Where's Al?" when Al is not in the State House; and,

WHEREAS, It is the intention of the New Jersey Senate that no reporter should ever be able to write a "Where's Dad?" column in an Adam Porroni story; and,

WHEREAS, While *en ventre sa mere*, Adam Porroni may already have endured, by association, some of the stress of the legislative process; and,

WHEREAS, Adam Porroni may yet unintentionally be called upon to bear the consequences of the legislative process; and,

WHEREAS, Susan Porroni is to be commended for her courage and fortitude for bearing Al's child during these, at times, trying legislative days; now, therefore,

*Be It Resolved by the Senate of the State of New Jersey:*

That Adam Porroni be, and he hereby is, proclaimed Baby of the Year; and,

*Be It Further Resolved*, That Susan Porroni be, and she hereby is, proclaimed Mother of the Year; and,

*Be It Further Resolved*, That, notwithstanding his peccadillos, Albert Porroni be, and he hereby is proclaimed Father of the Year; and,

*Be It Further Resolved*, That the Senate wishes Adam Porroni a long, healthy, happy and successful life; and,

*Be It Further Resolved*, That the New Jersey Senate commends the family and extends to the family its very best wishes; and,

*Be It Further Resolved*, That a duly authenticated copy of this resolution, signed by the President of the Senate and authenticated by the Secretary, be forwarded to Albert and Susan Porroni, and to Adam's Grandparents, Dr. and Mrs. Herbert J. Bell and Mr. and Mrs. Elio Porroni.

STATE OF NEW JERSEY  
DEPARTMENT OF COMMUNITY AFFAIRS

June 2, 1986

Dear Legislator:

I am pleased to provide you with the enclosed complimentary Forty-seventh Annual Report of the Division of Local Government Services, Statements of Financial Condition of Counties and Municipalities, 1984.

As in previous editions, this report contains a compilation of the basic financial statistics of New Jersey's counties (21) and municipalities (567). The statistics are tabulated to show the cost of government, the costs of principal services, the amount of debt and other pertinent fiscal data. Also included are a number of special tables comparing revenues, expenditures, tax rates and debt trends over the last decade.

Interested parties wishing a copy of the report may purchase it from the Division at a cost of \$25.00 per copy by contacting the following:

Department of Community Affairs  
Division of Local Government Services  
363 West State Street  
CN 803  
Trenton, New Jersey 08625

Checks should be made payable to the "Treasurer, State of New Jersey."

If I, or any member of my staff, can be of any assistance to you in regard to this publication, please do not hesitate to contact my office at (609) 292-6420.

Sincerely,

LEONARD S. COLEMAN, JR.

MONDAY, JUNE 23, 1986

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
June 23, 1986. }

SENATE BILL No. 223 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am herewith returning Senate Bill No. 223 (OCR) with my objections and recommendations for amendment.

Senate Bill No. 223 (OCR) would require criminal history record checks on all final candidates for employment, or regularly utilized volunteers, in the public schools or in educational institutions under the supervision of the Department of Education. The bill requires disqualification from service if the candidate's criminal history record reveals conviction of an offense or crime involving sexual offense or child molestation. A fine of \$500.00 would be imposed upon any employer who failed to comply with the act.

I support the requirement of a criminal history record check on individuals who seek employment or service in our schools in positions which require regular contact with children. I believe that such a requirement will curtail access to children by individuals who have a history of conviction for sexual offense or child molestation.

While I support the concept expressed in Senate Bill No. 223 (OCR), I cannot sign the bill due to technical problems with the bill's form as well as substantive concerns with the legislation's content. Therefore, I must return Senate Bill No. 223 (OCR) and recommend that it be amended as set forth herein.

Under federal law, in order to have access to criminal history records maintained by the Federal Bureau of Investigation, a State agency or officer must be authorized by statute to request and receive criminal history record information. Since the bill contemplates receipt of criminal history record information maintained by both the State and the Federal Bureau of Investigation, specific authorization to request and receive such information must be expressly made in the bill.

Similar disqualification acts have been subjected to judicial scrutiny in New Jersey. Because such acts have been upheld, in part, due to the fact that the individual was allowed the opportunity to establish his or her rehabilitation before the disqualification becomes final, I believe that the bill will be strengthened by allowing individuals the opportunity to demonstrate evidence of rehabilitation which evidence would be factored into the determination of whether or not disqualification would be triggered. I also believe the bill should specify those crimes which under New Jersey law would require disqualification unless the applicant has persuasively demonstrated rehabilitation. At present, the bill only refers to certain crimes generically. The crimes should be specifically identified.

I also believe that the administration of the bill's implementation is more appropriately assigned to the Department of Education. The Commissioner of Education should be the State officer authorized to request and receive the criminal record information and to notify the applicant of his or her qualification or disqualification. Because the Department of Education is not currently equipped with the resources to accommodate this added responsibility, I recommend an appropriation of \$75,000.00 from the General Fund to the Department of Education to effectuate the purposes of this act.

Lastly, the salutary purpose of this bill is amply met by having the bill's requirement for a criminal record check apply to any individual employed or contracted for service in the schools, who has regular contact with children. I would define the bill's reach in that fashion. I do not believe that the bill should reach volunteers in our schools which could include Parent Teacher Association representatives assisting in extracurricular activities in our schools or class mothers assisting in the classrooms. I believe such a requirement would be a serious deterrent to the interest in volunteerism which our citizens have long demonstrated and I would rely upon local officials' knowledge of the volunteers in their community to effectively protect our children from individuals whose characters render them unsuitable for contact with our children.

The requirement of a criminal record check, I expect, will act as a deterrent to individuals with records of conviction of sexual offenses or child molestation. This bill will add a new and welcome criteria which candidates for employment must demonstrate in order to be employable in our schools. I believe that it should be the prospective employee's obligation to initiate the request for the criminal record check. The prospective employee should also bear the cost of any fees for record checks.

Therefore, I return Senate Bill No. 223 (OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 2:* After "Statutes" insert "and making an appropriation"

*Page 1, Section 1, Line 1:* Delete "Every" insert "No"

*Page 1, Section 1, Line 4:* After "shall" delete "require all"

*Pages 1-2, Section 1, Lines 5-50:* Delete in its entirety

*Page 2, Section 1, Line 50:* After "employment" insert new material as follows:

"employ or contract for the services of any teaching staff member or substitute teacher, teacher aide, child study team member, school physician, school nurse, custodian, school maintenance worker, cafeteria worker, bus driver, school law enforcement officer, school secretary or clerical worker or any other person serving in a position which involves regular contact with pupils unless the employer has first determined consistent with the requirements and standards of this act, that no criminal history record information exists on

file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify that individual from being employed or utilized in such capacity or position. An individual shall be disqualified from employment or service under this act if the individual's criminal history record check reveals a record of conviction of any of the following crimes and offenses:

a. In New Jersey, any crime or disorderly persons offense:

- (1) bearing upon or involving sexual offense or child molestation as set forth in N. J. S. 2C:14-1 et seq.; or
- (2) endangering the welfare of children or incompetents, as set forth in N. J. S. 2C:24-4 and N. J. S. 2C:24-7; or

b. In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in this section of this act.

c. Notwithstanding the provisions of this subsection, no individual shall be disqualified from employment or service under this act on the basis of any conviction disclosed by a criminal record check performed pursuant to this act if the individual has affirmatively demonstrated to the Commissioner of Education clear and convincing evidence of his or her rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

- (1) The nature and responsibility of the position which the convicted individual would hold;
- (2) The nature and seriousness of the offense;
- (3) The circumstances under which the offense occurred;
- (4) The date of the offense;
- (5) The age of the individual when the offense was committed;
- (6) Whether the offense was an isolated or repeated incident;
- (7) Any social conditions which may have contributed to the offense;
- (8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

2. An applicant for employment or service in any of the positions covered by this act shall submit to the Commissioner of Education his or her name, address and fingerprints taken on standard fingerprint cards by a State or municipal law enforcement agency. The Commissioner of Education is hereby authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of

State Police for use in making the determinations required by this act. No criminal history record check shall be performed pursuant to this act unless the applicant shall have furnished his or her written consent to such a check. The applicant shall bear the cost for the criminal history record check.

3. Upon receipt of the criminal history record information for an applicant from the Federal Bureau of Investigation and the Division of State Police, the Commissioner of Education shall notify the applicant, in writing, of the applicant's qualification or disqualification for employment or service under this act. If the applicant is disqualified, the convictions which constitute the basis for the disqualification shall be identified in the written notice and a copy of the notice shall be forwarded to the State Board of Examiners. The applicant shall have thirty days from the date of the written notice of disqualification to petition the Commissioner of Education for a hearing on the accuracy of the criminal history record information or to establish his or her rehabilitation under subsection c. of Section 1 of this act."

*Page 2, Section 2, Line 1: Delete "2" insert "-"*

*Page 2, Section 2, Line 1: Delete "Attorney General" insert "Commissioner of Education"*

*Page 2, Section 3, Lines 1-2: Delete in its entirety*

*Page 2, Section 4, Line 1: Delete "4" insert "5"*

*Page 2, Section 4, After Line 2: Insert new section as follows:*

"6. There is appropriated \$75,000.00 from the General Fund to the Department of Education to effectuate the purposes of this act."

*Page 2, Section 5, Line 1: Delete "5" insert "7"*

Respectfully,

[SEAL]

THURSDAY, JUNE 26, 1986

The Secretary reported receipt of a message from the General Assembly that the General Assembly has passed the following Concurrent Resolution:

A Concurrent Resolution proposing amendments to the Joint Rules of the Senate and General Assembly to regulate smoking during sessions and meetings of the Legislature and in offices and areas occupied by employees of the Legislature.

*Be It Resolved* by the General Assembly of the State of New Jersey (the Senate concurring):

The Joint Rules of the Senate and General Assembly are amended by the addition of the following rule to be appropriately numbered:

1. a. As used in this joint rule, "smoking" means the burning of a lighted cigar, cigarette, pipe or any other matter or substance which contains tobacco.

b. Smoking is prohibited in the chambers and committee rooms of the Senate and General Assembly and any other room over which either House has jurisdiction, when a session of either or both Houses or committee or commission thereof, or any other public meeting is in progress.

c. The executive directors of the Senate and General Assembly majority and minority staffs and the executive director of the Office of Legislative Services each shall prescribe rules governing smoking in offices and areas occupied by them or under their jurisdiction.

### STATEMENT

This concurrent resolution proposes a Joint Rule of the Senate and General Assembly concerning the regulation of smoking during sessions and meetings of the Legislature and in offices and areas occupied by employees of the Legislature. The rule is adopted in compliance with the requirements of P. L. 1985, c. 381 (C. 26:3D-46 et seq.) which regulates smoking in government buildings and becomes effective on September 1, 1986.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
June 26, 1986. }

### SENATE BILL No. 978

#### *To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Senate Bill No. 978 with my objections for reconsideration.

This bill creates the New Jersey Olympian Development and Recognition Study Commission for the purpose of studying and recommending ways to foster the development and recognition of New Jersey Olympic athletes. This bill would appropriate \$10,000 from the General Fund to the Commission to complete its study.

While I applaud the sponsor's recognition of Olympic athletes as a special breed of New Jerseyans and agree that the creation of a commission to study ways in which to coordinate activities involving New Jersey Olympians and to honor those individuals is a meritorious effort, I am troubled by the restraint placed upon my involvement with respect to the creation of the Commission.

The 10-member Commission is to be comprised of two members of the Senate who shall be appointed by the Senate President, two members of the General Assembly who shall be appointed by the Speaker of the General Assembly, the Executive Director of the Governor's Council on Physical Fitness, the State Chairman of the United States Olympic Committee and four members of the public who shall be appointed by the Governor with the advice and consent of the Senate.

While I respect the ability of the President of the Senate and the Speaker of the General Assembly to select four qualified members of their respective Houses to serve in the Commission, I believe they should also respect my election of four qualified public members without the necessity of submitting these individuals to the Senate for confirmation.

Therefore, I herewith return Senate Bill No. 978 and recommend that it be amended as follows:

*Page 2, Section 2, Lines 10-11:* On line 10 after "Governor," delete "with"; on line 11 delete "the advice and consent of the Senate,".

Respectfully,

[SEAL]

/s/ THOMAS H. KEAN,

Attest:

Governor.

/s/ MICHAEL R. COLE,

Chief Counsel.

Mr. Lynch offered the following resolution which was read and adopted:

THURSDAY, JULY 17, 1986

Mr. Lesniak offered the following resolution, which was read and adopted by voice vote:

A SENATE RESOLUTION directing the Senate Energy and Environment Committee to review Reorganization Plan 001-1986, which provides for the transfer of certain functions of the Department of Energy to other departments, and to recommend to the Senate whether to approve or disapprove Reorganization Plan 001-1986.

WHEREAS, The New Jersey Department of Energy was established by law in 1977 to carry out a broad range of energy regulatory and planning functions, including the collection, analysis, and dissemination of energy data, the formulation of a Statewide Energy Master Plan, the implementation of an energy conservation program, the preparation of energy emergency plans, and the evaluation of the need for the construction of new electricity generating plants; and

WHEREAS, On June 30, 1986, Governor Thomas H. Kean transmitted to the Legislature Reorganization Plan No. 001-1986, which provides for the transfer of virtually all the functions of the Department of Energy to the Department of Commerce and Economic Development, the Department of Community Affairs, and the Department of Environmental Protection; and,

WHEREAS, Legislation which would accomplish substantially the same transfer of functions as set forth in Reorganization Plan No. 001-1986 was introduced in the General Assembly on February 13, 1986, passed by the General Assembly on May 15, 1986, and referred to the Senate Energy and Environment Committee for consideration; and,

WHEREAS, Pursuant to the provisions of the "Executive Reorganization Act of 1969," P. L. 1969, c. 203 (C. 52:14C-1 et seq.), Reorganization Plan No. 001-1986 will take effect 60 days following transmittal of the plan to the Legislature, unless during that time both houses of the Legislature pass a Concurrent Resolution disapproving the Reorganization Plan; and,

WHEREAS, Reorganization Plan 001-1986, which effectively dismantles a principal department of State Government established by law, deserves full and careful consideration and scrutiny by the Legislature and the public, a consideration and scrutiny which is not readily accomplished within the 60 day review period allowed pursuant to the "Executive Reorganization Act of 1969;" and,

WHEREAS, The Executive Reorganization Act of 1969" specifically states that a reorganization plan "may not provide for" or "may not have the effect of" abolishing or transferring all the functions of a principal department, a prohibition which Reorganization Plan No. 001-1986 could be interpreted as violating; now, therefore,

*Be It Resolved* by the Senate of the State of New Jersey:

1. That the Senate Energy and Environment Committee review the substance and legality of Reorganization Plan No. 001-1986, and submit its recommendations to the Senate with respect to approval or disapproval of Reorganization Plan No. 001-1986.

STATE OF NEW JERSEY  
NEW JERSEY LEGISLATURE  
Writ of Election and Proclamation

State of New Jersey  
New Jersey Senate

WHEREAS, John P. Caufield was, at the general election held in the month of November, 1983, elected by the voters of Legislative District 28 to represent said district in the Senate and did subsequently qualify as a member of the Senate from said district and after said election and qualification died on August 24, 1986 and thereby a vacancy happened in the Senate; and

WHEREAS, By resolution of the Senate, duly adopted on September 8, 1986, the President of the Senate was authorized and directed to issue a writ of election in the manner and from hereinafter set forth;

*Therefore*, I, John F. Russo, President of the Senate, pursuant to law and to said resolution, do hereby issue this writ of election and proclamation directing an election to be held, according to the laws of the State of New Jersey, in Legislative District 28, on November 18, 1986, for the purpose of electing a member of the Senate for said district, to fill the vacancy in the office of John P. Caufield as a member of the Senate, that the candidates for said office to be voted upon at said election be selected or nominated in the manner provided by law and that the district boards of registry and election meet as soon hereafter as is practicable for the purpose of making, revising or correcting the registers of voters to be used at the special election.

Given under my hand and seal this 8th day of September in the year of our Lord 1986 and in the Independence of the United States, 210th.

JOHN F. RUSSO,  
*President of the Senate.*

Attest:

JOHN J. MCCARTHY,  
*Secretary of the Senate.*

The Secretary read a communication from the Governor, who has line item vetoed Senate No. 1901:

MONDAY, SEPTEMBER 5, 1986

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
September 5, 1986. }

SENATE BILL No. 1901

*To the Senate:*

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am herewith returning Senate Bill No. 1901 with my signature, along with certain constitutionally permitted modifications set forth in this statement.

This bill is a supplement to the General Appropriations Act for Fiscal Year 1987, approved on June 30 as P. L. 1986, c. 41. In approving the bill, I have exercised my line-item veto power to reduce the total amount appropriated from \$10,751,000 to \$8,641,000—a reduction of \$2,110,000.

Senate Bill No. 1901 provides support for a wide variety of programs and organizations that the appropriations committees of the Legislature have selected. These programs are generally worthwhile and deserving of State support. The reductions I have made are not based on the value of the individual programs. Rather, they reflect judgments as to suitable levels of support for individual programs within general categories, given the overall limits on State fiscal resources.

The items included in the bill are particular examples of numerous projects and programs of the same character which have been or might be proposed. In light of this fact, the appropriations provided for Fiscal Year 1987 should generally be considered as one-time appropriations and the sponsors and organizations involved should not anticipate these amounts in their budgets for next year.

I am therefore appending to Senate Bill No. 1901 at the time of signing it this statement of the items or parts thereof to which I object, so that each item or part thereof so objected to shall not take effect.

SENATE BILL No. 396 (2ND OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 396 (2nd OCR) at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This legislation provides that every bridge or overpass with a clearance of less than 14½ feet, under the jurisdiction of or carrying a municipal, county or State road or highway, must have the maximum clearance marked or posted thereon. This is designed to correct situations where certain commercial vehicles become wedged between the road surface and a bridge or overpass because of inadequate postings of height restrictions. The posting shall be made in accordance with the standards prescribed by the Manual on Uniform Traffic Control Devices for Streets and Highways. Furthermore, the legislation requires the installation of warning signs at the last safe exit or detour preceding a bridge or overpass with a clearance under 14½ feet. The warning signs would indicate the maximum clearance of an approaching bridge or overpass.

The responsibility for the placement and maintenance of the aforementioned warning signs shall rest with the governmental entity possessing jurisdiction over the roadway underneath a particular bridge or overpass. Additionally, the bill appropriates \$95,000.00 from the General Fund to the Department of Transportation to provide counties and municipalities with assistance for the costs associated with the legislation.

MONDAY, SEPTEMBER 8, 1986

Although I support the intention of this legislation, I find the appropriation provided in Senate Bill No. 396 (2nd OCR) to be unnecessary. I believe that the costs incurred by a county or municipality to install and maintain the required warning signs can be easily absorbed by each political subdivision affected by this legislation. In contrast, the Department of Transportation would have to incur expenses far in excess of the proposed \$95,000.00 appropriation to administer and oversee distribution of the funds.

Accordingly, I am removing the appropriation contained in Senate Bill No. 396 (2nd OCR) as follows:

*Page 3, Section 5, Lines 1-4:* Delete in its entirety.

*Page 3, Section 6, Line 1:* Delete "6." and insert "5."

SENATE BILL No. 298 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 298 (OCR) with my recommendations for reconsideration.

Senate Bill No. 298 (OCR) would increase the minimum annual salary requirement necessary for membership in the Public Employees' Retirement System (PERS) from \$500.00 to \$1,500.00. PERS members currently in the system would not be affected by the provisions of this act.

I support the primary purpose of Senate Bill No. 298 (OCR). The minimum annual salary threshold for membership in the PERS system has not been adjusted since 1955. Accordingly, an increase to \$1,500.00 represents an adjustment that reflects, to a degree, the inflation rate over the last 31 years.

While I support the primary purpose of Senate Bill No. 298 (OCR), I must return the bill to you so that the scope of the provision excluding current PERS members from the provisions of the act may be narrowed. I am advised that this provision is

designed to protect only those current PERS members earning less than \$1,500.00 annually so that these individuals may continue to earn pension credit after the effective date of this act. In its current form, the provision is too broad, as it would apply to all current PERS members, even those members earning more than \$1,500.00 annually. I am concerned that this provision may become the focal point for abuse because it would allow public employees who leave high-salaried public sector employment to secure other nominal public sector employment paying \$500.00 annually, and continue to earn pension credit.

I recommend that the provision excluding PERS members currently in the system from the provisions of this act be amended to apply only to current PERS members earning less than \$1,500.00 annually. A current PERS member would have 180 days to notify the Division of Pensions in the Department of the Treasury, in writing, that he earns less than \$1,500.00 annually. Failure to do so would mean that the PERS member would be covered by the remaining provisions of Senate Bill No. 298 (OCR) and would have to earn at least \$1,500.00 annually to earn additional pension credit. A current PERS member earning less than \$1,500.00 annually who has so notified the Division of Pensions would lose the privilege provided under the act if he should leave the office, position or employment in which he is working on the effective date of this act. Amending Senate Bill No. 298 (OCR) in this manner will ensure that the current PERS members who should be protected are protected and will prevent abuses of the system in the future.

Accordingly, I herewith return Senate Bill No. 298 (OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 2:* After "amending" insert "and supplementing"

*Page 6, Section 4, After Line 59:* Insert new section 5 as follows:

"5. (New section) The provisions of this 1986 amendatory and supplementary act shall not apply to members of the retirement system who became members prior to the effective date of this act and who are in an office, position or employment for which the annual salary or remuneration is fixed at less than \$1,500.00. A member to which this section applies shall notify the Division of Pensions in the Department of the Treasury, in writing, of the member's desire to be covered by the provisions of this section within 180 days of the effective date of this 1986 amendatory and supplementary act. The absence of proper notification by the member to the division shall constitute a waiver of the provisions of this section. A member affected by this section shall not be covered again by this section upon terminating employment in the office, position or employment in which the member was working on the effective date of this 1986 amendatory and supplementary act.

*Page 6, Section 5, Lines 1-4:* Omit "5.", insert "6." and omit ", but shall not affect" on line 1; omit lines 2 and 3 in their entirety; omit "members prior to the effective date of this act" on line 4.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,

SENATE BILL No. 1858 (3RD OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1858 (3rd OCR) with my objections and recommendations for amendment.

This bill concerns the taxation of certain personal property used in business. It would define real property for the purposes of Chapter 4 of Title 54 of the Revised Statutes to include not only all land and improvements thereon but also personal property if it is affixed to the real property or an appurtenance thereto unless the personal property so affixed can be removed or severed without material injury to the real property, can be removed or severed without material injury to the personal property itself, and is not ordinarily intended to be affixed permanently to the real property. Alternatively, personal property affixed to real property or an appurtenance thereto shall be taxed as real property unless it is machinery, apparatus, or equipment which is neither functionally essential to a structure the personal property is within or to which the personal property is affixed nor constitutes a structure itself.

This bill goes on to require that a tank used to store hazardous substances as defined in the Spill Compensation and Control Act and having a capacity of more than 30,000 gallons shall be deemed to be real property. The bill's effective date would be immediately upon enactment and applicable to real property assessments and taxes for tax year 1986 and thereafter, and further shall be applicable to any proceeding pending in any court or county tax board on the date of enactment.

This bill is a response to certain recent court decisions that may result in the exemption from local property taxation of certain industrial property that has long been taxed locally. The final form of this bill results from an extensive legislative process involving

testimony before various committees and discussions at various meetings between municipal and business groups. I believe that a good faith effort in defining the situations where personal property used in business should be taxed as real property for the purposes of Chapter 4 of Title 54 was undertaken by all those who were involved, and I do not choose to second-guess the Legislature and various groups with whom it consulted on this matter.

I note that the bill gives the Director of the Division of Taxation in the Department of the Treasury the authority to adopt rules and regulations necessary to implement and administer the provisions of this act. This is an appropriate delegation of authority to the Director. The Director will develop and apply uniform standards to all taxpayers and classify property according to its actual characteristics based on the criteria set forth in the bill.

I am concerned, however, with the provision of the bill which classifies large tanks as realty on the basis of the substances stored within them. This standard can result in different tax treatment for identical storage containers simply because they contain different commodities. This result may violate the constitutional obligation to assess property for taxation under general laws and by uniform rules. I am, therefore, recommending that this provision be amended to delete the element of the classification standard for storage tanks based on the substance stored.

Therefore, I herewith return Senate Bill No. 1858 (3rd OCR) and recommend that it be amended as follows:

*Page 4, Section 3, Lines 5-7:* Delete "used to store hazardous substances as defined in subsection k. of section 3 of P. L. 1976, c. 141 (C. 58:10-23.11b) and".

SENATE BILL No. 1885 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the New Jersey Constitution, I herewith return Senate Bill No. 1885 (OCR) without my approval.

This bill amends the Hackensack Meadowlands Reclamation and Development Act to provide that no constituent municipality of

the Hackensack Meadowlands District is to receive or pay out a Meadowlands adjustment payment for any adjustment year in which its municipal equalized valuation per capita exceeds \$1 million.

The Hackensack Meadowlands Reclamation and Development Act contains an intermunicipal tax-sharing formula that was devised to equalize the burden imposed on municipalities in the District because of their loss of "home rule" in zoning matters. While some of the municipalities in the District were targeted for industrial growth, others were targeted as conservation areas. Without the tax-sharing plan, industrial areas would have gained tax revenues while those areas that were precluded from development would have had their tax base unduly restricted. This bill's effect is to prevent the Borough of Teterboro, regarded as a tax haven, from sharing in the intermunicipal tax-sharing formula.

I decline to sign this bill because its revision of the tax-sharing structure does not evidence a policy directed change that merely results in the exclusion of Teterboro from the tax-sharing program. Rather, the bill appears to be designed so that its singular effect is to prevent Teterboro from sharing in the proceeds of the intermunicipal tax-sharing pool. No analysis has satisfactorily demonstrated to me that the threshold figure for disqualification from participating in the tax-sharing relates to any purpose of the Act or has a rational statistical basis. For these reasons, the bill runs the risk of being arbitrary and capricious or being viewed as special legislation.

As I stated once before when a similar bill reached my desk, I do not imply that the intermunicipal tax-sharing formula should remain unchanged in vetoing this bill. Indeed, revision of the tax-sharing formula may be in order. I have been advised that a steering committee composed of representatives from both the Hackensack Meadowlands Development Commission and the Hackensack Meadowlands Municipal Committee is in the process of comprehensively reviewing the existing tax-sharing structure, a part of which is the method by which Teterboro receives its tax-sharing allocation. That Committee will be recommending specific revisions for the tax-sharing structure. I have requested and been assured that the steering committee will submit its recommendations to me not later than 90 days from the date on which this veto is filed. At that time, I hope to be able to review a proposal that is based on sound data and analysis and represents a comprehensive and thoughtful policy on this matter.

Accordingly, I herewith return Senate Bill No. 1885 (OCR) without my approval.

Respectfully,

SENATE BILL No. 1316 (3rd OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Senate Bill No. 1316 (3rd OCR) with my objections, for reconsideration.

This bill creates a 21-member Task Force on Adolescent Pregnancy to compile and analyze information on existing adolescent pregnancy problems in New Jersey and to make recommendations for the implementation of public policies, including a statewide comprehensive program to combat this problem. One of the goals of the Task Force will be to improve the coordination of adolescent pregnancy services among State and local government agencies, as well as private and voluntary agencies, community organizations and schools. This bill appropriates \$50,000 to the Department of Health to establish this task force, which will expire one year after its creation.

THURSDAY, OCTOBER 23, 1986

To the extent that this legislation recognizes the problem of adolescent pregnancy as one of the State's most serious and far reaching social crises, I applaud and support the creation of this task force. I note that during the last 25 years, teenage pregnancy has soared by some 200 percent. Furthermore, the majority of the teenage girls who become pregnant are poor and uneducated. These pregnancies are the most likely to be unexpected and unwanted, thereby creating children who are candidates for the worst that life can give them. I strongly support intervention at an early age so that we can make a dramatic change in the number of teenage pregnancies and thus enhance the quality of life for both these children and their young parents.

I am troubled, however, by the restraint placed upon my involvement with respect to the creation of this temporary task force. The task force is to include 21-members representing a broad range of health services experts from both the public and private sector, including two members of the General Assembly to be appointed by the Speaker, no more than one of whom shall be of the same political party, two members of the Senate to be appointed by the President of the Senate, no more than one of whom shall be of the same political party, and seven members to be appointed by the Governor with the advice and consent of the Senate, no more than four of whom shall be of the same political party, at least five of whom shall have expertise in the problems of adolescent pregnancy, including a representative of the New Jersey Academy of Pediatrics and a representative of the New Jersey Obstetrical and Gynecological Society.

While I respect the ability of the President of the Senate and the Speaker of the General Assembly to select four qualified members of their respective Houses to serve on the task force, I believe they should also respect my selection of seven qualified public members without the necessity of submitting these individuals to the Senate for confirmation. I believe that the use of advice and consent, especially when it is applied to temporary study commissions such as this, often does more to delay a commission's establishment than to insure the appointment of qualified individuals.

At this time, therefore, I herewith return Senate Bill No. 1316 (3rd OCR) for reconsideration and recommend that it be amended as follows:

*Page 2, Section 2, Line 17: Delete "with the advice and consent of the Senate".*

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

SENATE BILL No. 1029 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1029 (OCR) with my objections and recommendations for amendment.

As it has reached my desk, this bill would amend the Local Public Contracts Law to permit a local unit of government to require that any or all general contractors submitting bids for the erection, alteration or repair of any public building name their subcontractors at the time of the bidding or, alternatively, submit their subcontractors' names after the opening of bids but prior to the award of the contract.

The bill goes on to stipulate that evidence of performance security may be supplied by the bidder on behalf of himself or any or all subcontractors, or by each respective subcontractor, or by any combination thereof which results in evidence of performance security equalling, but in no event exceeding, the total amount bid. The bill also sets up a system whereby unsuccessful bidders are returned money they have paid or deposited for plans or specifications they have received from the contracting unit in those situations when no contract has been awarded to any bidder.

Current law requires that general contractors bidding on local public construction contracts set forth the name or names of all subcontractors at the time of bid submission. The statute contemplates subcontracts for the furnishing of plumbing and gas fitting, steam power plants, steam and hot water heating and ventilating apparatus, electrical work, and structural steel and ornamental iron work.

I am not convinced that changing this system of bidding to permit subcontractors to be named at a later time would be in the public interest. If a general contractor could wait to name subcontractors until after he has submitted his bid to the local unit of government, then the local unit of government would be unlikely to benefit from any bid shopping undertaken by the general contractor in securing the performance of subcontractors. The purpose of public bidding is to secure performance of high quality for the lowest possible price, and I believe that this objective is furthered by retention of the current statutory scheme whereby subcontractors must be named by general contractors at the time their bids are submitted. This statutory scheme is consistent with statutes regulating public school construction contracts and State construction contracts.

Therefore, I herewith return Senate Bill No. 1029 (OCR) and recommend that it be amended as follows:

*Page 2, Section 1, Line 25:* After "both.", insert "There will be set forth in the bid the name or names of all subcontractors to whom the bidder will subcontract the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, each of which subcontractors shall be qualified in accordance with this act."

*Page 2, Section 1, Line 35:* Delete "The contracting"

*Page 2, Section 1, Line 36-44:* Delete in their entirety

*Page 2, Section 1, Line 45:* Delete "of bids but prior to the award of the contract."

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

SENATE BILL No. 1200

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1200 without my approval.

The purpose of this bill is to amend N. J. S. 3B:7-6 to provide that legal incapacity to form a criminal intent by reason of age, insanity or otherwise shall not be a basis for allowing the perpetrator of a homicidal act to benefit under the decedent's will, estate, life insurance policy or other properties or interests.

While I strongly believe in the long-standing equitable doctrine that a wrongdoer should not be allowed to profit by his wrongful act, I also believe that the basis upon which this doctrine rests does not exist in the case of an individual who does not intend to commit a wrongful act. Under current statutory probate law, a person who criminally and intentionally kills another person is prohibited from benefitting under the decedent's will, estate, life insurance policy or other properties or interests. This prohibition is confined to intentional and criminal homicide and, by that very definition, excludes accidental and self-defense killings, as well as killings committed while the perpetrator is insane or otherwise legally incapacitated. This rule is based upon the rationale that an insane or accidental killer does not intend to commit homicide, and that a killing in self-defense, while intended, is justifiable under certain circumstances, and thus not criminal. I do not believe there is any rational basis to now distinguish the insane or otherwise legally incapacitated killer from the individual who kills accidentally or in self-defense.

Such a distinction is contrary to the policies in this area which were initially recognized by our courts and later embodied in the current statutory law. Current law exhibits a clear policy of prohibiting individuals from profiting from intentional and criminal killings. This policy serves equity and also provides a deterrent

effect. Prohibiting the incapacitated killer from recovering under the decedent's estate cannot serve to deter incapacitated persons from committing homicide for pecuniary gain. An incapacitated person cannot, by definition, formulate the requisite intent to commit a killing. Nor is an incapacitated person subject to the deterrent effects of the civil or criminal law, which are presumed to modify the behavior of competent, rational persons.

Moreover, under current probate law, an individual's acquittal in a criminal proceeding by reason of insanity, or by reason of mental disease or defect, is not dispositive of the issue or whether that individual may benefit under the decedent's estate. To the contrary, N. J. S. 3B:7-6 provides that the probate court may determine by a preponderance of the evidence that the killing was intentional so as to preclude the killer from recovery of a benefit from the decedent's estate even where the killer has been acquitted in a criminal proceeding.

Accordingly, I return Senate Bill No. 1200 without my signature.

Respectfully,

/s/ THOMAS H. KEAN,  
*Governor.*

SENATE BILL No. 752 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 752 (OCR) with my recommendations for reconsideration.

The bill is designed to give homeowner status under the homestead rebate law and the gross income tax law to residents of retirement communities who pay a substantial capital entrance fee under life contracts for residential rights and medical services and who agree to pay a proportionate share of the property taxes imposed on the facilities where they reside. I support this objective.

On September 3 of this year, I signed the "Continuing Care Retirement Community Regulation and Financial Disclosure Act," P. L. 1986, c. 103 (C. 52:27D-330 et seq.), to provide long needed protection to residents of these communities. That act recognized that the substantial financial investment retired people make under contracts for life care resembles the investment younger people

make in their homes. Where the residents also agree to bear a proportionate share of the property taxes imposed on the facility, our tax laws should also regard them as homeowners.

The amendments I am recommending will conform the bill's definitional terms to those of the law I have previously signed and will provide the Division of Taxation with adequate information to determine eligibility for the homestead rebates and tax credits it provides.

Therefore, I herewith return Senate Bill No. 752 (OCR) and recommend that it be amended as follows:

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
October 27, 1986. }

SENATE BILL NO. 1592 (2ND OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1592 (2nd OCR) with my recommendations for reconsideration.

Senate Bill No. 1592 (2nd OCR) would make various amendments to the Urban Enterprise Zones Act.

MONDAY, OCTOBER 27, 1986

I support many of the amendments. These amendments will improve the administration of the act and will clarify certain issues. I support the following amendments:

Senate Bill No. 1592 (2nd OCR) would amend current law to allow an ex-officio member of the Urban Enterprise Zones Authority to appoint a designee to act and vote on behalf of the ex-officio member.

I support this amendment. It should improve the administration of the act. There are four ex-officio members on the Urban Enterprise Zones Authority. They are the State Treasurer, the Commissioner of the Department of Commerce and Economic Development, the Commissioner of the Department of Labor and the Commissioner of the Department of Community Affairs. At times, scheduling conflicts make it impossible for a commissioner to attend all of the Authority meetings. Allowing an ex-officio member to appoint a designee to act and vote in the absence of the ex-officio member will ensure that an executive department's point of view will always be represented at meetings of the Authority.

Senate Bill No. 1592 (2nd OCR) would amend current law to change the mechanism used to determine a business's eligibility for an unemployment insurance tax abatement. Under current law, the mechanism used to determine whether an employer will be eligible is the employer's unemployment insurance rating. An employer with a rating of over 4.1% will be ineligible for the unemployment insurance tax abatement. An unemployment insurance rating refers to an employer's utilization of the system. An employer's rating will increase as more former employees file for unemployment compensation.

Senate Bill No. 1592 (2nd OCR) would amend current law to change the mechanism utilized for determining eligibility for an unemployment insurance tax abatement to the deficit reserve ratio. An employer with a deficit reserve ratio will not be eligible for an unemployment insurance tax abatement. A "deficit reserve ratio" means that an employer is draining more money out of the unemployment compensation system through benefits that are being paid to former employees, than the employer is putting into the system.

I am advised that this amendment will enable the Department of Labor to administer this provision of the Urban Enterprise Zones Act more efficiently. I am also advised that changing the mechanism by which eligibility is determined will not affect the group of businesses eligible for an unemployment insurance tax abatement.

Senate Bill No. 1592 (2nd OCR) would also amend current law pertaining to the unemployment insurance tax abatement to change the employee maximum salary requirement from \$1,500.00 per month to \$4,500.00 per quarter.

I support this amendment. It is technical in nature and is necessary to conform the employee maximum salary requirement to the Department of Labor's current auditing procedures.

Senate Bill No. 1592 (2nd OCR) would amend current law pertaining to the \$1,500.00 or \$500.00 tax credit for each new employee hired (new employee tax credit) to clarify that an employer will receive a one-time tax credit for each new full-time, permanent employee hired who satisfies certain other criteria set forth in the act. Under current law, an employer subject to the provisions of the Corporation Business Tax Act will receive a \$1,500.00 tax credit for each new employee hired, if the employee is employed for at least six continuous months during the tax year for which the credit is claimed, is a resident of the municipality in which the urban enterprise zone is located and was unemployed at least 90 days before commencing employment with the business claiming the tax credit or was dependent upon public assistance as the primary source of income. An employer subject to the Corporation Business Tax Act will receive a \$500.00 tax credit for each new employee hired who does not satisfy the criteria for the \$1,500.00 tax credit. However, the new employee must still work continuously for six months during the tax year in which the credit is claimed, be a resident of the municipality in which the urban enterprise zone is located and not be employed at any other location within the municipality in which the employer claiming the tax credit is located immediately prior to becoming employed by the employer.

Amendments to clarify that a new employee tax credit will be a one-time credit for each new employee hired and to clarify that each new employee must be a full-time, permanent employee will clarify the intent of the urban Enterprise Zones Act and will improve the administration of the Act. Clarifying that a new employee tax credit will be a one-time tax credit for each new employee hired will ensure that employers and administrators will know that an employer will receive one tax credit only for the tax year in which the credit can be claimed, plus certain carry over privileges that are enumerated in the Act. Clarifying that each new employee hired must be a full-time, permanent employee will ensure that a new employee tax credit will not be granted unless it is likely that the employee will be continuously employed and will no longer be dependent upon public assistance. Certainly, creating permanent employment within urban enterprise zones and municipalities in which urban enterprise zones are located is a primary purpose of the Urban Enterprise Zones Program.

Senate Bill No. 1592 (2nd OCR) would also amend current law pertaining to the \$1,500.00 or \$500.00 new employee tax credit to clarify that an employer will not be eligible for a new employee tax credit unless the total number of full-time, permanent employees employed during a current calendar year exceeds the greatest number of full-time, permanent employees employed during any prior calendar year during the period commencing with the date of zone designation.

I support this amendment. It will ensure that an employer will receive a new employee tax credit only for each new job created.

An employer will not be able to receive a new employee tax credit for replacing employees who have been terminated by the employer, or who have voluntarily terminated their employment.

Senate Bill No. 1592 (2nd OCR) would make a technical amendment to current law pertaining to the 50% sales tax exemption on retail sales to clarify that the October 1 deadline for a business to file for the exemption will mean the date of postmark, rather than the date of receipt of the application at the Division of Taxation in the Department of the Treasury.

I support this amendment. It will ensure that a qualified business will not be deprived of the 50% sales tax exemption merely because of a misunderstanding of current law.

Senate Bill No. 1592 (2nd OCR) would supplement current law pertaining to the commitment that a business must make in an urban enterprise zone to qualify for the economic incentives provided in the Urban Enterprise Zones Act. Under current law, a business located in an urban enterprise zone, to qualify for the economic incentives under the Act, must show that it will create new employment in the municipality in which the zone is located and that in doing so, will not create unemployment in another area of the State.

Senate Bill No. 1592 (2nd OCR) would supplement the criteria for qualification for businesses that have been in an urban enterprise zone at least one year prior to zone designation and have fewer than 50 employees. A business would be able to qualify for the economic incentives under the Act by making a capital investment in the business or a monetary or in-kind investment in the zone in which they are located. A business' investment must be at least \$5,000.00 if the business has 10 or fewer employees, or at least \$500.00 per employee if the business has more than 10 employees but fewer than 50 employees. As with the requirement that a business must annually hire new employees to retain eligibility for the economic incentives under the act, an eligible business must make a new investment each year to retain eligibility for the economic incentives under the act.

I support this amendment. It will assist certain small businesses who "weathered the storm" during hard times to be able to take advantage of the economic incentives under the Urban Enterprise Zone Act. Certainly, an investment of approximately \$5,000.00 or \$500.00 per employee is less than the cost of hiring a new employee.

While I support many of the provisions in Senate Bill No. 1592 (2nd OCR), there are other provisions that I cannot support.

Senate Bill No. 1592 (2nd OCR) would amend current law to allow a business wishing to come into a zone to hire at least 25% of its full-time employees from any zone or any municipality in which a zone is located. Current law requires a business coming into a zone to hire at least 25% of its full-time employees from within the zone or from within the municipality in which the zone is located.

The scope of this provision is too broad. In its current form, this provision would apply to every urban enterprise zone. I am advised that this amendment is designed to address a problem that has arisen in only one urban enterprise zone. Municipal officials of this municipality are concerned that businesses wishing to locate within the zone will not do so because of the difficulty of hiring at least 25% of their full-time work force from the municipality. Difficulty could arise because of the municipality's small size and population.

I recommend that Senate Bill No. 1592 (2nd OCR) be amended to conform to its intent, which is to address the unique situation in one urban enterprise zone. The scope of this provision must be narrowed because allowing a business to hire 25% of its full-time work force from any urban enterprise zone or any municipality having an urban enterprise zone would destroy one of the primary goals of the Urban Enterprise Zones Program. This program is designed to provide employment opportunity for residents of the municipality in which an urban enterprise zone is located. It is intended that employers will receive certain economic incentives in return for hiring these people. Allowing any employer to qualify for the economic incentives provided by the act without making a commitment to hire at least 25% of the full-time work force from the enterprise zone or the municipality in which the urban enterprise zone is located would seriously impede this goal.

Senate Bill No. 1592 (2nd OCR) would make several amendments to current law pertaining to the \$1,500.00 or \$500.00 tax credit for each new employee hired, provided certain conditions are satisfied. As indicated, I support the amendment clarifying that the tax credit will be a one-time credit for each new full-time, permanent employee hired. I also support the amendment that would require an employer, in a current calendar year, to exceed the greatest number of full-time, permanent employees during the period commencing with the date of zone designation, to claim a new employee tax credit for each new full-time, permanent employee hired. However, I do not support two other amendments made by Senate Bill No. 1592 (2nd OCR) to this provision of current law.

The bill would make insurance companies eligible for the \$1,500.00 or \$500.00 tax credit by providing that any qualified business subject to the provisions of the "Insurance Premium Tax Law," P. L. 1945, c. 132 (C. 54:18A-1 et seq.) will be eligible. I cannot support this amendment because it creates the probability that other businesses that are not currently eligible for the \$1,500.00 or \$500.00 new employee tax credit will also want the tax credit. While the fiscal impact of allowing insurance companies this economic incentive would be minimal, the fiscal ramifications of allowing all businesses this economic incentive could be substantial. For this reason, I cannot support this provision and recommend that it be deleted from the bill.

MONDAY, OCTOBER 27, 1986

Senate Bill No. 1592 (2nd OCR) would amend current law pertaining to the \$1,500.00 or \$500.00 new employee tax credit to allow certain small businesses located in a zone to claim an 8% investment tax credit in lieu of the \$1,500.00 or \$500.00 new employee tax credit. The tax credit would be against an eligible business' corporation business tax liability and would be 8% of the investment an eligible business may make, in lieu of hiring new employees, pursuant to section 27 of the act. Businesses eligible for the 8% investment tax credit would be businesses that were located in a zone at least one year prior to zone designation and have fewer than 50 employees.

I support the concept of this amendment. An 8% investment tax credit should encourage a small business to make a capital investment in the business or a monetary or in-kind investment in the urban enterprise zone in which the business is located. However, technical amendments are necessary to clarify the intent of the provision.

This provision is intended to allow an eligible small business an 8% investment credit for each annual investment during each year for a 20 year period. I am concerned that this section could be interpreted as allowing an eligible small business an 8% investment tax credit during only one year of the 20 year period. I recommend that this section be amended to clarify that an eligible small business will be able to claim an 8% investment tax credit for each annual investment during each tax year for a 20 year period.

This provision is also intended to give an eligible small business the option of claiming either an 8% investment tax credit or a \$1,500.00 or \$500.00 new employee tax credit during each year for 20 years. I am concerned that an eligible business will not have the opportunity to choose between the 8% investment tax credit or the \$1,500.00 or \$500.00 new employee tax credit, if the business carries over a portion of one kind of tax credit from a current tax year to a succeeding tax year. I recommend that this section be clarified to ensure that an eligible small business will be able to claim an 8% investment tax credit or a \$1,500.00 or \$500.00 new employee tax credit during each year of the 20 year period, regardless of whether the business carries over either tax credit to a succeeding tax year.

I have two concerns regarding the provision of Senate Bill No. 1592 (2nd OCR) that would allow a for-profit urban renewal corporation having an operating company located in the same urban enterprise zone to claim a sales tax exemption on all materials, supplies or services used in the construction or improvement of a building within an urban enterprise zone. The provision also requires that the operating company be a "qualified business" as the term is defined in the Urban Enterprise Zones Act.

I recommend that all reference to the term "urban renewal corporation" be deleted and that the term "urban renewal entity" be

inserted. The term "urban renewal corporation" is too narrow. I am advised that there are urban renewal partnerships and urban renewal associations, in addition to urban renewal corporations. Amending this section in the above manner will ensure that all for-profit urban renewal enterprises having operating companies located in the same urban enterprise zone that are "qualified businesses" will be eligible for a sales tax exemption on building materials, supplies and services used in the zone.

Additionally, I recommend that a technical amendment be made to remove this section from Section 20 of the Urban Enterprise Zones Act (C. 52:27H-79) and to move the section to the Sales and Use Tax Act at N. J. S. A. 54:32B-8.22. This amendment is necessary for the purpose of uniformity. The provision allowing other qualified businesses located in an Urban Enterprise Zone a sales tax exemption on building materials, supplies and services is located within the Sales and Use Tax Act at N. J. S. A. 54:32B-8.22.

Finally, I recommend that the provision that would liberalize the 50% sales tax exemption on retail sales be deleted. Under current law, the Urban Enterprise Zones Authority may grant to five urban enterprise zones a 50% sales tax exemption on all retail sales, with the exception of motor vehicles and manufacturing machinery, equipment or apparatus. This means that retailers that have been certified by the Division of Taxation in the Department of the Treasury may charge their customers 3% rather than 6% sales tax. The Authority has already granted this economic incentive to five urban enterprise zones. Senate Bill No. 1592 (2nd OCR) would amend current law to allow the Authority to grant the 50% sales tax exemption to urban enterprise zones that have not been granted this economic incentive and to urban enterprise zones that may be created in the future.

I cannot support this amendment at this time because of the prospective fiscal impact on the General Fund. I am advised that the fiscal impact of providing this economic incentive in five urban enterprise zones will approximate \$3.5 million for calendar year 1986. The revenue loss from the five urban enterprise zones should increase in future years, as more businesses become certified to receive the economic incentive. It is likely that the fiscal impact on the General Fund would increase dramatically if the incentive is granted to the five remaining urban enterprise zones and to other zones that may be created in the future. At this time, I cannot approve a provision that could have such a substantial fiscal impact on the General Fund.

Accordingly, for the aforementioned reasons, I herewith return Senate Bill No. 1592 (2nd OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 2:* After "(P. L. 1983, c. 303)" INSERT "and P. L. 1980, c. 105"

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
November 10, 1986. }

SENATE BILL No. 671 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 671 (OCR) with my recommendations for reconsideration.

The purpose of this bill is to amend the law concerning the rate of interest payable on the proceeds of an estate (generally pecuniary devise) not settled within one year following the appointment of a personal representative and to amend the law concerning the rate of interest payable on workers' compensation payments that are delinquent for at least three months following the entry of judgment.

Senate Bill No. 671 (OCR) would delete the fixed rate of 4% interest on a general pecuniary devise not settled within one year following the appointment of a personal representative and substitute a sliding rate of interest. The rate of interest would be determined by the average rate of return being realized on the State Cash Management Fund for the corresponding preceding fiscal year. The bill would also permit a court, for good cause, to waive the imposition of interest if an estate is not settled within one year.

Senate Bill No. 671 (OCR) would also delete the fixed rate of 5% interest on delinquent workers' compensation payments withheld for three months or more following the entry of judgment and substitute a sliding rate of interest that would be calculated in the manner described above. The bill would make the payment of interest mandatory on delinquent workers' compensation payments withheld for three months or more following the entry of judgment. However, a workers' compensation judge would be able to suspend the running of interest in exceptional cases.

I support the concept expressed in Senate Bill No. 671 (OCR). The interest rates in the areas of delinquent general pecuniary devise payments and delinquent workers' compensation payments should be raised. I am advised that the current interest rates of 4% on delinquent general pecuniary devise payments and 5% on delinquent workers' compensation payments are lower than the interest rates assessed in other judicial actions. Moreover, setting a sliding rate of interest determined by the average rate of return being realized on the State Cash Management Fund for the corresponding preceding fiscal year makes good sense. Senate Bill No. 671 (OCR) should alleviate the current inequity in interest rates in the above areas and should alleviate the need to periodically amend these statutes as the economy changes.

While I support the concept of adjusting the rate of interest in the areas of delinquent general pecuniary devise payments and delinquent workers' compensation payments, I must return Senate Bill No. 671 (OCR) so that the bill can be amended to delete the provision requiring the Division of Workers' Compensation in the Department of Labor to assess interest for workers' compensation payments that are delinquent for at least three months following the entry of judgment.

This provision is unnecessary. I am advised that very few workers' compensation payments are delinquent beyond a three-month period. Therefore, I must conclude that there is no need to

change the current procedure that provides for the award of interest at the discretion of the Division of Workers' Compensation.

Accordingly, I herewith return Senate Bill No. 671 (OCR) and recommend that it be amended as follows:

*Page 1, Section 2, Line 7:* DELETE "shall" and INSERT "may, at the discretion of the division,"

*Pages 1-2, Section 2, Lines 8-9:* DELETE ", except that in exceptional" on line 8; DELETE "cases the judge may suspend the running of this interest" on line 9

Senate Nos. 1015 (OCR) and 882 (OCR).

STATE OF NEW JERSEY,

EXECUTIVE DEPARTMENT,

November 10, 1986. }

SENATE BILL No. 1015 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1015 (OCR) without my approval.

This bill would require the Commissioner of Community Affairs to adopt regulations setting in place a certification process for fire alarm installers. The bill also requires that regulations establishing a warranty security program for fire alarm systems be adopted by the Commissioner of Community Affairs. Further, the bill would exempt from certification any fire alarm installer who is already licensed as an electrical contractor pursuant to the "Electrical Contractors Licensing Act of 1962."

I wish to note at the outset that I have always had the highest respect for Senator Caufield's unfaltering diligence to ensure that the citizens of our State are safe from the perils of fire. This bill is yet another example of the sponsor's highly commendable efforts to protect our citizenry. I believe, as did Senator Caufield, that the installation of fire alarms in our homes and places of business is of the utmost importance and that only competent installers should be permitted to undertake such work.

However, this legislation, like similar measures that have reached my desk, emphasizes the need for a permanent mechanism by which to review professional licensure proposals. In addition to several bills that have already received final passage in the Legislature, there has been a proliferation of licensing proposals for other pro-

professional groups in the Legislature recently. I believe that an independent body should be established to review the various certification proposals and to issue an advisory report analyzing those proposals pursuant to set criteria.

For that reason, this Administration supports the concept embodied in Assembly Bill No. 998 introduced by Assemblyman Doria. This bill creates a Professional and Occupational Licensing Review Commission to deal with the multitude of professions seeking licensure. I commend the Assembly for acting on Assembly Bill No. 998 and urge this House to act on the bill in the near future. Passage of this legislation would allow each licensing proposal to be evaluated by a panel of unbiased experts pursuant to set criteria. Until this central review commission is established, I feel no further certification measures should be enacted.

Accordingly, I herewith return Senate Bill No. 1015 (OCR) without my approval.

Respectfully,

/s/ THOMAS H. KEAN,  
*Governor.*

SENATE BILL No. 882 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 882 (OCR) without my signature.

Senate Bill No. 882 (OCR) would require the State Health Benefits Commission (Commission) to allow a retired employee who is covered under the State Health Benefits Program (Program), who marries or remarries during retirement, to enroll that spouse in the Program. The Commission is directed to promulgate rules and regulations to effectuate the purposes of this act.

I am returning Senate Bill No. 882 (OCR) without my signature because the bill is unnecessary. While well-intentioned, Senate Bill No. 882 (OCR) would provide a privilege that the Commission has been providing, through administrative regulation, since April 1, 1985.

Accordingly, I herewith return Senate Bill No. 882 (OCR) without my signature.

Respectfully,

SENATE BILL NO. 1474

*To the Senate:*

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I am returning Senate Bill No. 1474 with my objections, for reconsideration.

Senate Bill No. 1474 establishes a permanent Casino Revenue Fund Advisory Commission which would review expenditures, make recommendations regarding expenditures and evaluate the need for additional or expanded programs to be funded by the

Casino Revenue Fund for senior and disabled citizens. While I fully support the creation of a study commission to analyze and make recommendations for programs to help the seniors and disabled citizens of our State, I am compelled to return this bill to the Legislature to make several changes pertaining to the membership and organization of the commission.

The twelve-member commission is to be comprised of two members of the Senate who shall be appointed by the Senate President; two members of the General Assembly who shall be appointed by the Speaker of the General Assembly; four public members, two of which are to be appointed by the President of the Senate and two of which are to be appointed by the Speaker of the General Assembly as voting members; the Director of the New Jersey Association of Area Agencies on Aging, the Director of the New Jersey Association of County Representatives for Disabled Persons, the Director of the Division on Aging in the Department of Community Affairs, and the Legislative Budget and Finance Officer as nonvoting members.

I believe that the membership of this commission should also include two additional members of the Executive Branch of State Government as voting members. Given the fact that the commission would be relying on State agencies for information and programs funded by the Casino Revenue Fund, it would only seem fitting to have the Executive Branch properly represented in a voting capacity. Furthermore, the Executive Branch plays a key role in the administration and budgetary process of Casino Revenue Funds in addition to the disbursement of general revenue funds for senior and disabled programs.

I believe that the commission with the responsibility for overseeing casino revenue expenditures and planning programs for the elderly and disabled should include proper representation from the Executive Branch of State Government. Although the past temporary commission did not include members of the Executive Branch, it was only a temporary legislative commission. This bill would establish a permanent commission and I feel that the only remedy with respect to this bill is a conditional veto to add to the executive representation to the commission.

The bill currently provides that the majority of the commission shall select a chairman from among the commission's members. Given the diverse membership of the commission, composed of members of the public and private sector and the time element involved in preparation of recommendations and reports of the commission's findings, I believe the commission would be more effective if the chairman were appointed by the Governor rather than the majority of the members of the commission. Furthermore, the four public members appointed by the Speaker of the General Assembly and the President of the Senate should be appointed by the Governor to further ensure that the Executive Branch shares an

MONDAY, NOVEMBER 17, 1986

equal voice with the Legislative Branch in developing guidelines for the operation of the Casino Revenue Fund.

Finally, I applaud the sponsor's recognition that a commission should be established to continually monitor current Casino Revenue Fund programs and assess the unmet needs of our senior citizens and disabled citizens. This commission will assist not only the Executive and Legislative Branches in planning and developing new or expanded programs for these residents but also provide them with important ideas for legislation.

Therefore, I herewith return Senate Bill No. 1474 and recommend that it be amended as follows:

*Page 1, Section 1, Line 3:* Omit "12" and insert "14".

*Page 1, Section 1, Line 9:* After "party;" insert "two members of the Executive Branch, appointed by the Governor, who shall serve ex officio;"

*Page 1, Section 1, Line 9:* After "citizens" omit "," insert "and".

*Page 1, Section 1, Lines 10-12:* Omit in entirety.

*Page 1, Section 1, Lines 13-16:* Omit "one of whom" from line 13, omit lines 14 and 15 in their entirety, omit "of the General Assembly" from line 16 and insert "appointed by the Governor".

*Page 2, Section 2, Line 9:* After "Legislature" insert "and the Governor".

*Pages 2-3, Section 3, Lines 2-3:* Omit "A majority of the commission members shall elect" and insert "The Governor shall appoint".

*Page 3, Section 3, Line 4:* After "and" insert "the chairperson shall appoint".

Respectfully,

#### SENATE BILL No. 742

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I am returning Senate Bill No. 742 with my objections, for reconsideration.

The purpose of this bill is to authorize local boards of education to convey for a nominal consideration school land and buildings when the property is no longer necessary for school purposes, to non-profit organizations duly licensed to provide emergency shelter for the homeless. Local boards of education already possess this authority under P. L. 1977, c. 447 (C. 18A:20-9) with regard to conveyances of unnecessary school property to the municipality, volunteer fire companies, rescue squads, veteran's organizations,

nonprofit child care service organizations or nonprofit hospitals. Under this statute, it is only if the conveyed property ceases to be used for the purposes for which the organization holding title was established, that the property would revert to, and title vest in, the local board of education which made the original conveyance.

I understand and support a local school district's desire to make its unnecessary school land and buildings available for use by the philanthropic entities identified in Section 1 of P. L. 1977, c. 447. However, in view of the fact that projections of student enrollment in New Jersey indicate an upward swing in our student population through 1995 and continuing thereafter, I believe it to be unwise public policy to not provide local school districts with the ability to reclaim school land or a school building in the future in the event the property is again needed. In view of the urgent problem throughout the State for adequate school facilities, it seems unwise and shortsighted to encourage districts to convey property for nominal cost instead of leasing unnecessary property to the types of organizations identified in Section 1 of P. L. 1977, c. 447.

I recognize that there may be appropriate circumstances when an outright conveyance of unnecessary school property is the appropriate course of action. It is my strong preference, however, that such property instead be leased to deserving organizations such as those identified in P. L. 1977, c. 447 when school districts do not need to use the land or buildings. Local school districts are currently authorized pursuant to Section 1 of P. L. 1978, c. 91 (C. 18A:20-8.2), to lease unnecessary school land and buildings for a nominal consideration and without the necessity of advertising for bids to the Federal Government, the State, a political subdivision, another school district or any board, body or commission of a municipality within the school district.

I agree with the Legislature that nonprofit organizations providing shelter for the homeless deserve to be included among the organizations which can obtain the use of unnecessary school property for a nominal fee. However, I believe that the preferred course of action by local school districts should be to lease unnecessary property for a nominal fee, without the advertisement for bids, to these deserving organizations. Conveyance of unneeded school property is only one-half of the authority which school districts need to make appropriate policy decisions regarding its unnecessary school land and buildings. Accordingly, I am recommending that the Legislature also amend Section 1 of P. L. 1978, c. 91 to authorize local school districts to lease unnecessary land or school buildings to these organizations. Therefore, I herewith return Senate Bill No. 742 and recommend that it be amended as follows:

*Page 2, Section 2, Line 1:* Add new Section 2 as follows:

"2. N. J. S. 18A:20-8.2 is amended as follows:

a. Whenever any board of education shall by resolution determine that any tract of land, whether there is a building thereon or not,

or part or all of a school building, is not necessary for school purposes, but which it does not desire to dispose of for reason that the property may, at some future time, again be required for school purposes, it may authorize the lease thereof for a term extending beyond the official life of the board; provided that the noneducational uses of such building or tract of land are compatible with the establishment and operation of a school, as determined by the Commissioner of Education, if joint occupancy of such site is considered. The lease shall be binding upon the successor board as follows:

(1) After advertisement of the request for bids to lease to the highest bidder in a newspaper published in the school district, or, if none is published therein, then in a newspaper circulating in the district in which the same is situate, at least once a week for 2 weeks prior to the date fixed for the receipt and opening of bids, unless:

(2) The same is leased to the Federal Government, State, a political subdivision thereof, another school district, [or] any board, body or commission of a municipality within the school district, *any volunteer fire company or rescue squad actively engaged in the protection of life and property and duly incorporated under the laws of the State of New Jersey, or to any American Legion post, Veterans of Foreign Wars, or other recognized veterans' organization of the United States of America, located in the municipality or the county, as a meeting place for such organization, or to a nonprofit child care service organization duly incorporated under the laws of the State of New Jersey, or to a nonprofit hospital duly licensed under the laws of the State of New Jersey, or to a nonprofit organization duly licensed under the laws of the State of New Jersey to provide emergency shelter for the homeless, in which case the same may be leased by private agreement for a nominal fee without advertisement for bids.*

b. Any lease in excess of 5 years shall be approved by the Commissioner of Education."

SENATE BILL NOS. 2203 AND 2103 SCS (OCR)

To the Senate:

Pursuant to Article V, Section 1, Paragraph 14 of the Constitution, I am returning the Official Copy Reprint for the Senate Com-

mittee Substitute for Senate Bill Nos. 2203 and 2103 [Senate Bill Nos. 2203 and 2103 SCS (OCR)] with my recommendations for reconsideration.

Senate Bill Nos. 2203 and 2103 SCS (OCR) would amend the law governing the Public Employees' Retirement System (PERS) to remove the inequity that currently exists in the contributory and noncontributory death benefits payable to the beneficiary of a member who is age 70 or over and who dies in active service. Under current law, the beneficiary of a PERS member who is age 70 or over and who dies in active service receives 3/16 of the member's compensation received during the last year of creditable service. However, the beneficiary of a PERS member who is under age 70 and who dies in active service receives 1½ times the member's compensation received during the last year of creditable service. Senate Bill Nos. 2203 and 2103 SCS (OCR) would amend PERS law to also allow the beneficiary of a member who is age 70 or over and who dies in active service to receive 1½ times the member's compensation received during the last year of creditable service. Senate Bill Nos. 2203 and 2103 SCS (OCR) would rectify this inequity in PERS law in the areas of ordinary death benefits, accidental death benefits and additional death benefits.

The bill would also repeal a provision in PERS law that requires the public employer to pay an active employee's additional death benefit premium after the active employee reaches age 70. The effect of this provisions of Senate Bill Nos. 2203 and 2103 SCS (OCR) is to require a PERS member who reaches age 70 and who wishes to continue additional death benefit coverage while in active service to continue paying the permium for the coverage.

Finally, Senate Bill Nos. 2203 and 2103 SCS (OCR) would amend PERS law to give a PERS member who is retiring the option of retaining life insurance coverage, as long as the member pays the premium. Under current law, a PERS member may not convert life insurance coverage upon retirement.

I support the concepts expressed in Senate Bill Nos. 2203 and 2103 SCS (OCR). The bill is designed to rectify the current inequity between PERS law and the law governing the Teachers' Pension and Annuity Fund (TPAF) in the area of death benefit coverage for active members and in the area of the life insurance conversion privilege. Significantly, Senate Bill Nos. 2203 and 2103 SCS (OCR) would further a policy established in March 1985 when I signed Chapter 73 of the Public Laws of 1985. This statute prohibits mandatory retirement because of age in public and private employment. Senate Bill Nos. 2203 and 2103 SCS (OCR) would remove yet another vestige of age discrimination in public employment.

While I support the concepts expressed in Senate Bill Nos. 2203 and 2103 SCS (OCR), I must return the bill so that it can be amended in two areas.

Section 4 of Senate Bill Nos. 2203 and 2103 SCS (OCR), pertaining to the life insurance conversion privilege, must be amended to

broaden the scope of the section. This section is intended to conform PERS law to TPAF law in the area of the life insurance conversion privilege. In its current form, the scope of section 4 is narrower than the scope of current TPAF law.

Current TPAF law and current PERS law, as amended by section 4 of Senate Bill Nos. 2203 and 2103 SCS (OCR), will allow a member who is retiring to convert life insurance coverage. However, current TPAF law also allows a member who ceases to be in service to convert life insurance coverage, while current PERS law, as amended by section 4 of Senate Bill Nos. 2203 and 2103 SCS (OCR), would only allow a member who is no longer eligible for participation in the PERS to convert life insurance coverage. Section 4 of Senate Bill Nos. 2203 and 2103 SCS (OCR) would also delete all language pertaining to a termination or cessation of service.

The effect of this disparity in language is to allow a TPAF member a broader life insurance conversion privilege. A TPAF member may exercise the life insurance conversion privilege immediately, upon a cessation of service. However, a PERS member, upon a cessation of service, either must request and receive a refund of pension contributions, or must wait at least ten years and not resume public service for the ten-year period, to be able to exercise the life insurance conversion privilege.

I am advised that this disparity between TPAF law and section 4 of Senate Bill Nos. 2203 and 2103 SCS (OCR) was unintended. Accordingly, I recommend that section 4 be amended to also allow a PERS member the option of immediately exercising the life insurance conversion privilege, upon a cessation of service.

Section 5 of Senate Bill Nos. 2203 and 2103 SCS (OCR) must be amended so that the effective date of the portions of section 3 pertaining to the eligibility for and payment of additional death benefits can be made retroactive to October 1, 1985. It was intended that the effective date of all death benefit provisions of Senate Bill Nos. 2203 and 2103 SCS (OCR) be made retroactive to October 1, 1985 to coincide with the effective date of Chapter 73 of the Public Laws of 1985. As indicated, Chapter 73 of the Public Laws of 1985 prohibits mandatory retirement because of age in public and private employment. Unfortunately, only sections 1 and 2 of Senate Bill Nos. 2203 and 2103 SCS (OCR), pertaining to ordinary death benefits and accidental death benefits, were made retroactive to October 1, 1985. Section 3 of Senate Bill Nos. 2203 and 2103 SCS (OCR) will be effective immediately and hence, will apply prospectively only.

In its current form, section 5 of Senate Bill Nos. 2203 and 2103 SCS (OCR) would have the effect of allowing a beneficiary of a PERS member who was age 70 or older and who has died in active service since October 1, 1985 to receive an ordinary death or accidental death benefit of  $1\frac{1}{2}$  times the member's compensation

received during the last year of creditable service. However, if the member also possessed additional death benefit coverage, the beneficiary will receive an additional death benefit only in the amount that current law allows, which is 3/16 of the member's compensation received during the last year of creditable service. I am advised that it was intended that a beneficiary of a PERS member having additional death benefit coverage who was age 70 or older and who has died in active service since October 1, 1985 should also receive an additional death benefit of  $1\frac{1}{2}$  times the member's compensation received during the last year of creditable service.

I recommend that the effective date of the portions of section 3 of Senate Bill Nos. 2203 and 2103 Ses (OCR) pertaining to the eligibility for and payment of additional death benefits be made retroactive to October 1, 1985. Through this amendment, beneficiaries of PERS members having additional death benefit coverage who were age 70 or older and who have died while in active service since October 1, 1985, will receive an additional death benefit of  $1\frac{1}{2}$  times the member's compensation received during the last year of creditable service.

I emphasize that subsection h of section 3 will continue to apply prospectively. Subsection h of section 3 would require a PERS member who is age 70 or older in active service who wishes to continue additional death benefit coverage to continue paying the premium for the coverage. This subsection should apply only prospectively, as it would be unfair to require these active PERS members to make retroactive life insurance premium payments.

Accordingly, I herewith return Senate Bill Nos. 2203 and 2103 Ses (OCR) and recommend that it be amended as follows:

*Page 7, Section 4, Line 7:* After "member" INSERT "has ceased to be in service or".

*Page 8, Section 5, Line 2:* Omit "and 2" INSERT "through 3, with the exception of subsection h. of section 3,".

Respectfully,

SENATE BILL No. 1576 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of Constitution, I herewith return Senate Bill No. 1576 (OCR) without my approval.

THURSDAY, DECEMBER 4, 1986

Senate Bill No. 1576 (OCR) establishes a Task Force on Juvenile Fire Setting to recommend to the Governor and the Legislature a Statewide policy for preventing juveniles from setting fires, educating the public about the issue, and penalizing and treating juveniles who set fires.

I commend the bill sponsors for their concern regarding this important public health and safety issue. While I fully support the concept of developing a Statewide policy concerning the issues of juvenile fire setting, I believe that there currently exist entities that could, and to some extent do, perform the functions that this bill gives to the Task Force on Juvenile Fire Setting.

P. L. 1983, c. 382, established the Bureau of Fire Safety and the Fire Safety Commission in the Division of Housing and Urban Renewal in the Department of Community Affairs. In addition to providing staff support for the Fire Safety Commission and its advisory councils, the Bureau is charged with conducting research and master planning for fire safety and implementing training and education programs for the fire service and the public. The Fire Safety Commission assists and advises the Commissioner of the Department of Community Affairs and the Bureau of Fire Safety in the administration of the State's fire safety laws and regulations, and training and education programs. Members of the Fire Safety Commission include, among others, representatives of paid and volunteer fire organizations.

Section 30 of P. L. 1982, c. 77, established the Juvenile Delinquency Disposition Commission. The Commission is responsible for reviewing and developing uniform guidelines on all aspects of the juvenile justice system relating to the disposition of persons adjudged delinquent. Members of the Juvenile Delinquency Disposition Commission include, among others, the Chief Justice, the Attorney General, the Public Advocate, the Commissioners of the Departments of Health and Human Services, and the President of the County Prosecutors Association, or their designees.

I believe that the Bureau of Fire Safety, in consultation with the Juvenile Delinquency Disposition Commission, is fully able to assist the Executive and Legislative Branches in planning and developing new or expanded programs regarding the issues of juvenile fire setting. I therefore instruct the Bureau of Fire Safety to research and develop a Statewide policy for preventing juveniles from setting fires; educating the public, especially young people, about the issue; and penalizing and treating juveniles who set fires. The Bureau of Fire Safety shall submit its report to the Governor and the Legislature within twelve months. The Bureau of Fire Safety shall consult with the Juvenile Delinquency Disposition Commission for its expertise in the area of the juvenile justice system. The Bureau of Fire Safety is further encouraged to consult with any other individual, agency, department, commission or group which may deal with issues related to juvenile fire setting.

Accordingly, I herewith return Senate Bill No. 1576 (OCR) without my signature.

Respectfully,

/s/ THOMAS H. KEAN,  
Governor.

STATE OF NEW JERSEY,  
EXECUTIVE DEPARTMENT,  
December 12, 1986. }

SENATE BILL No. 1860 (OCR)

*To the Senate:*

Pursuant to Article V, Section I, Paragraph 14 of the Constitution, I herewith return Senate Bill No. 1860 (OCR) with my objections and recommendations for amendment.

This bill would appropriate \$1.7 million from the General Fund to the Department of Community Affairs to be used as a loan for the payment of the principal on a certain bond issued by the City of Salem Municipal Port Authority on December 31, 1985. This loan would be interest-free and would be repaid to the General Fund in equal annual installments of \$100,000 for 17 years. Repayment of the loan would be guaranteed by the City of Salem as well as by the City of Salem Municipal Port Authority.

In late 1984, the Salem Municipal Authority borrowed approximately \$1.4 million from a local bank at commercial interest rates to cover outstanding administrative and other expenses. Of this amount, over \$1.2 million was guaranteed by the City of Salem. This loan was refinanced at the end of 1985 at a lower interest rate, but by this time the amount of the loan had increased to \$1.7 million because of continuing operating expenses. The complete loan of \$1.7 million was guaranteed by the City of Salem.

Enactment of this bill would mean that the Municipal Port Authority would be liable to pay the State \$100,000 a year for the next 17 years, whereas its current obligations require it to pay the local bank approximately \$220,000 a year for the next 17 years. Municipal and Port officials believe that lessening the outstanding debt of the Port to the extent provided by the legislation would encourage Port revitalization.

My Office has informed municipal and Port officials that any State involvement would have to be viewed as an economic redevelopment tool and could only occur upon an adequate demonstration that a viable and realistic plan for Port operation and economic redevelopment had been formulated. Consistent with these guidelines, I am suggesting that this bill be modified to established the Salem Municipal Port Authority Assistance Fund of

MONDAY, DECEMBER 16, 1986

\$1.7 million in the Department of the Treasury. As much as \$120,000 annually could be granted or loaned from the Fund to assist the City of Salem Municipal Port Authority in making timely payment of principal and interest on the outstanding \$1.7 million debt of the Authority.

Under my recommendations, the State Treasurer shall have the authority to set terms and conditions for receipt of the annual payments by written agreement with the Port Authority, and these terms and conditions may include provision for repayment by the Authority of money loaned to it. In addition, the agreement with the Port Authority may require actions to be taken to promote continued economic viability of the Port, including without limitation: the employment of competent management; managerial and operational reforms as might be recommended by independent financial, managerial and operational consultants; and a significant financial involvement of the City of Salem in the Port's revitalization by a matching appropriation by the City of Salem. For example, the Treasurer might require the City of Salem to match whatever State payment is made to the Port in any given year. I stress that the Treasurer shall have discretion in determining these factors.

I believe that creation of the Salem Municipal Port Authority Assistance Fund can be of real and lasting benefit to Salem Port and to the City of Salem as they work together toward economic redevelopment of the Port and the region.

Therefore, I herewith return Senate Bill No. 1860 (OCR) and recommend that it be amended as follows:

*Page 1, Title, Line 1-2:* On line 1 after "Act" insert "establishing the Salem Municipal Port Authority Assistance Fund,"; delete "funds for the purpose of making a loan to"; and on line 2 delete "the City of Salem Municipal Port Authority"; insert "\$1,700,000.00 to the Department of the Treasury for deposit in that fund and making an appropriation therefrom".

*Page 1, Section 1, Lines 2-8:* On line 2 delete "Community Affairs"; insert "the Treasury"; delete ", or so much" delete lines 3-8 in their entirety; insert ". This appropriation shall be deposited in a separate, dedicated, non-lapsing account within the State Treasury to be known as the Salem Municipal Authority Assistance Fund."

*Page 1, Section 2, Lines 1-2:* After "2." on line 1, delete remainder of line 1; delete "principal on the bond" on line 2 and insert "The State Treasurer shall have custody of the Salem Municipal Port Authority Assistance Fund and is authorized to invest the assets of the fund in direct obligations of the United States government or obligations guaranteed by the United States government or in the State of New Jersey Cash Management Fund. Earnings from the investments held in the Salem Municipal Port Authority Assistance Fund shall accrue to the fund and shall be deposited therein".

*Page 1, Section 3, Line 1-8:* After "3." on line 1, delete remainder of line 1; delete lines 2-7 in their entirety; delete "(C.40:68A-43.1)," on line 8 and insert "There shall be annually appropriated from the fund an amount, not to exceed \$120,000.00, to assist the City of Salem Municipal Port Authority to make timely payments of the principal of and interest payable within that year on the debt issued by the authority and known as the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," and such other amounts as may be required for reasonable expenses associated with the administration of the fund."

*Page 1, Section 4, Line 1-5:* After "4." on line 1, delete remainder of line 1; delete lines 2-4 in their entirety; delete "ment with the authority providing for the repayment of the loan" on line 5 and insert "The amount annually appropriated for assistance to the authority shall be paid to the authority in full or in part, only on such terms and conditions as the State Treasurer shall specify and as shall be set forth in a written agreement between the State Treasurer and the authority as to each annual payment. The terms and conditions may include provision for repayment to the General Fund, with or without interest. In addition, the agreement may require actions to be taken to promote the continued economic viability of the City of Salem Municipal Port, including, without limitation: the employment of competent management; managerial and operational reforms as might be recommended by independent financial, managerial and operational consultants; and a significant financial involvement of the City of Salem in the port's revitalization by a matching appropriation by the City of Salem".

*Page 2, Section 5, Line 1-4:* After "5." on line 1, delete remainder of line 1; delete lines 2-3 in their entirety; delete "to the repayment agreement required under section 4 of this act" on line 4 and insert "The authority shall annually certify to the State Treasurer, on or before December 31, the outstanding indebtedness under the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," until this indebtedness is entirely discharged. The Salem Municipal Port Authority Assistance Fund shall cease to exist and any amount remaining therein shall be returned to the General Fund upon certification that the indebtedness is entirely discharged or upon the ceasing of operation of the Salem Port by the City of Salem Municipal Port Authority".

*Page 2, Section 6, Lines 1-3:* After "6." on line 1, delete remainder of line 1; delete line 2 in its entirety; delete "in the county of Salem" on line 3 and insert "There is appropriated from the Salem Municipal Port Authority Assistance Fund, established by section 1 of this act, \$120,000.00 to the Department of the Treasury for the initial annual payment to assist the City of Salem Municipal Port Authority to make timely payments of the principal of and interest payable within 1987 on the debt issued by the authority and known as the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," and such other amounts as may

MONDAY, DECEMBER 18, 1986

be required for reasonable expenses associated with administration of the fund. The State Treasurer shall specify the terms and conditions under which any or all of this appropriation shall be paid to the authority, as provided in section 4 of this act".

*Page 2, Section 7, Line 3:* After "bond" insert "issued by the authority and entitled the "City of Salem Municipal Port Authority Port Development Bond Series of 1985," "

Respectfully,

[SEAL]

#### MEMORIAL CEREMONY

HONORING SENATOR WALTER E. FORAN

1919 - 1986

Presentation of Colors by the New Jersey National Guard (Color Guard).

Benediction was offered by Reverend Joseph W. Lugo, St. Magdalen's R. C. Church, Flemington, New Jersey.

Senate Resolution by Senator Gagliano, Senate Minority Leader, and all Senators was read and adopted:

#### SENATE RESOLUTION

By Senator Gagliano and All Senators

WHEREAS, On Monday, December 8, 1986, the Senate lost one of its most respected and beloved members, Senator Walter Edge "Moose" Foran; and

THURSDAY, DECEMBER 18, 1986

WHEREAS, Senator Foran was affectionately called Moose not only because of his stature but because he had the strength, tenacity and noble bearing of this great animal; and

WHEREAS, Teddy Roosevelt used a phrase that suited Moose well, though it was said years before his time. Roosevelt stated, "I am as strong as a bull moose and you can use me to the limit;" and

WHEREAS, Moose went beyond the limits of most many times. He put in long hours struggling over the budget process, trying to get everyone to agree. He kept on and on even though he was exhausted. His huge frame would bend but never break; and

WHEREAS, Moose dug in his heels, stood his ground and fought yet another battle to preserve the State House, a building that symbolized the history of this great state, a history that Moose held so dear. The current renovation of this great building and the preservation of its treasures are a monument to him; and

WHEREAS, Because of his commitment to preserving the State House, he was the only minority party member to serve as a committee chairman. As chairman of the Legislative Facilities Committee, he worked not only to restore the physical building but to promote the Legislature as a strong and independent branch of government; and

WHEREAS, Moose was proud of his State, proud of his roots in Hunterdon County and proud to be a member of this august body; and

WHEREAS, Moose was a man that others should aspire to emulate. He represented a dying breed, a statesman who was what a politician should be, one who cared more for the people of this State than for himself; and

WHEREAS, During his 17 years in the Legislature, Moose was honored by his peers by being elected to numerous leadership positions, in which he served in an extremely articulate, knowledgeable and capable manner; and

WHEREAS, While a legislator, Moose distinguished himself by authoring many laws that continue to benefit the residents of this state and the quality of our environment. Among those are the \$135 million bridge rehabilitation bond issue of 1983, the endangered species income tax check-off program, the creation of the ombudsman for the hearing impaired and the establishment of a state aid program to help depressed rural centers with high density and low tax rates; and

WHEREAS, Senator Moose Foran was a man who labored hard but believed in living well, too, who was steadfastly devoted to his family, his friends and his church; now, therefore,

*Be It Resolved by the Senate of the State of New Jersey:*

That the Senate would like to officially pay tribute to one of their own and extend our sincere sympathy to his wife Anne, his children, grandchildren, other family members and friends of Senator Walter E. Foran; and;

*Be It Further Resolved*, That a duly authenticated copy of this resolution, signed by the President of the Senate, and attested to by the Secretary, be forwarded to "Miss" Anne Foran.

Taps were sounded by the 19th Army Band, Fort Dix, New Jersey.

Honored guests were Mrs. Walter E. Foran and family.
