## INTERESTING WEBSITE: C-SPAN VIDEO LIBRARY

**C-span** has put every minute of its programming since 1987 on the Internet in a free video archive. Find it at [www.c-spanvideo.org/videoLibrary/](http://www.c-spanvideo.org/videoLibrary/). The archive includes regular live congressional sessions, committee hearings, press briefings, and other political affairs programming that C-Span is famous for.

As of May 2010, there was more than 155,000 hours of programming. Browsable options on the [main page](#) include most recent, most watched and most shared videos. These options can be subdivided by category and date. A browse page, available from a link on the top, provides other ways to find what you're looking for: by program types, series, congressional committees, bills as well as by popular programs.

You can access things that have occurred on the floor of the House and the Senate for the last quarter century, and that's quite impressive.

### MARK YOUR CALENDAR TO JOIN US FOR THESE FREE EVENTS
