

"I write in unqualified support of Bob Hanna's nomination to the Supreme Court of New Jersey.

I have known Bob for more than 20 years as a colleague, adversary and friend. He is a clear thinker whose judicial independence will serve the citizens of this state well."

"I applaud Governor Christopher J. Christie on his nomination of Robert M. Hanna to the Supreme Court of New Jersey. I first met Bob when he and I were federal prosecutors in Newark, New Jersey.

Bob possesses the most important characteristic for an attorney or judge – outstanding judgment, balanced by a keen intellect, practical decision making, and a commitment to getting the correct and just result.

We were also legal adversaries while Bob was the head of the Department of Law, and I found him to always be well-versed in the law, reasonable, and professional.

Outside of work, Bob is a devoted husband and father. In my view, he would make an excellent addition to our State's highest Court. "

"I had the privilege of working with Bob Hanna at the U.S. Attorney's Office, where he always exhibited a keen intellect, incredible work ethic, the highest moral character, eminent good judgment and fairness. All of those qualities will make him an exemplary addition to the New Jersey Supreme Court."

"I had the privilege of working with Bob Hanna both at the United States Attorney's Office and in private practice, and saw firsthand the legal acumen, integrity, and character that Bob possesses.

Whether it involved the most complex matter or the more routine, Bob always brought fortitude, compassion, and an open-minded, common-sense approach to resolving the issue.

And, he always managed to do so in a soft-spoken, but forceful, manner. Without question, his experience, knowledge and character make him an excellent choice for our State's highest court."

"Bob Hanna is a gifted and hard-working lawyer who, in his time at Gibbons, demonstrated an unfailing commitment to the firm's clients and a thorough command of the law.

But more than that, Bob is an extraordinarily decent family man possessed of the highest integrity. "
