It's Time For Assembly Democrats To Break Their Wasteful Cycle By Passing Sick Pay Reform And Joining Governor Christie And Senate Democrats To Pass Real Tax Relief

"Every twenty-five days for eight years those Democrats in Trenton raised a tax or a fee at the state level on you. Took more money out of your pocket. Took more money away from your family to spend on their favorite little projects in Trenton. Let me be clear everybody: the only way to make sure that we don't waste any more money in Trenton, is to never send it to us in the first place."
– Governor Chris Christie, Town Hall, East Hanover, May 16, 2012
