"I have known Bruce Harris since 1994, when I joined Riker Danzig's commercial litigation group. His intelligence, integrity, judgment and work ethic are first rate. These are some of the most important qualities of a Justice.

"Having tried cases, argued motions, pursued preliminary injunctions and temporary restraining orders and argued appeals in the courts of this state for the past 18 years, I know that Bruce possesses the legal intellect, common sense, dedication and sense of fairness necessary to serve with distinction on the Supreme Court.

"Some of the finest Judges whom I have appeared before did not come to the bench with a litigation background. Rather, what qualified these individuals to serve on the bench was their intellect, fairness and judgment – qualities that Bruce possesses in abundance. I firmly believe that Bruce will make an excellent Justice."

Edwin F. Chocley, Jr.
Partner, Riker Danzig
