

**GOVERNOR'S STATEMENT UPON SIGNING
ASSEMBLY BILL NO. 2763
(Second Reprint)**

Today I have signed Assembly Bill No. 2763 (Second Reprint), which will expand the categories of data that the Commissioner of Labor and Workforce Development must provide in annual reports concerning the temporary disability and family leave insurance programs. This expansion will supply critical information regarding usage of these important programs.

I commend the Legislature for working to address the difficult challenges facing these workers in our State. I further appreciate the Legislature's willingness to afford the Department of Labor and Workforce Development additional time to execute this important initiative. In light of its significance, I am committed to ensuring that this measure is implemented as expeditiously as possible.
