c. Provisions for planned development:

(1) Authorizing the planning board to grant general development plan approval to provide the increased flexibility desirable to promote mutual agreement between the applicant and the planning board on the basic scheme of a planned development and setting forth any variations from the ordinary standards for preliminary and final approval;

g. Provisions for standards governing outdoor advertising signs required to be permitted pursuant to P.L.1991, c.413 (C.27:5-5 et seq.) including, but not limited to, the location, placement, size and design thereof.

h. Provisions for cluster development:

(1) Authorizing the planning board flexibility to approve a subdivision or site plan or both through mutual agreement with an applicant to allow for the clustering of development within a section or sections of development at a greater concentration of density or intensity of land use than established for the zoning district, in order to achieve the goal of permanently protecting land as public open space or common open space, or for historic or agricultural purposes.

(2) Requiring the placement of a development restriction on any land identified for preservation in accordance with section 9 of P.L.2013, c.104 (C.40:55D-39.1).

i. Provisions requiring a successor developer to furnish a performance guarantee as a replacement for a performance guarantee that was previously accepted in accordance with standards adopted by ordinance and regulations adopted pursuant to section 1 of P.L.1999, c.68 (C.40:55D-53a) and section 41 of P.L.1975, c.291 (C.40:55D-53), or this subsection, for the purpose of assuring the installation and maintenance of on-tract improvements, and releasing the predecessor obligor and surety, if any, from liability pursuant to its performance guarantee.

3. Section 41 of P.L.1975, c.291 (C.40:55D-53) is amended to read as follows:

C.40:55D-53 Guarantees required; surety; release.

41. Guarantees required; surety; release. a. Before recording of final subdivision plats or as a condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to subsection d. of section 52 of P.L.1975, c.291 (C.40:55D-65), the approving authority may require and shall accept in accordance with the standards adopted by ordinance and regulations adopted pursuant to section 1 of P.L.1999, c.68 (C.40:55D-53a) for the purpose of assuring the installation and maintenance of on-tract improvements, the furnishing of a performance guarantee, and provision for a maintenance guarantee in accordance with paragraphs (1) and (2) of this subsection. If a municipality has adopted an ordinance requiring a successor developer to furnish a replacement performance guarantee, as a condition to the approval of a permit update under the State Uniform Construction Code, for the purpose of updating the name and address of the owner of property
on a construction permit, the governing body may require and shall accept in accordance with the standards adopted by ordinance and regulations adopted pursuant to section 1 of P.L.1999, c.68 (C.40:55D-53a) for the purpose of assuring the installation and maintenance of on-tract improvements, the furnishing of a performance guarantee, and provision for a maintenance guarantee, in accordance with paragraphs (1) and (2) of this subsection.

(1) The furnishing of a performance guarantee in favor of the municipality in an amount not to exceed 120% of the cost of installation, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4), for improvements which the approving authority may deem necessary or appropriate including: streets, grading, pavement, gutters, curbs, sidewalks, street lighting, shade trees, surveyor's monuments, as shown on the final map and required by "the map filing law," P.L.1960, c.141 (C.46:23-9.9 et seq.), water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, erosion control and sedimentation control devices, public improvements of open space and, in the case of site plans only, other on-site improvements and landscaping.

The municipal engineer shall prepare an itemized cost estimate of the improvements covered by the performance guarantee, which itemized cost estimate shall be appended to each performance guarantee posted by the obligor.

(2) Provision for a maintenance guarantee to be posted with the governing body for a period not to exceed two years after final acceptance of the improvement, in an amount not to exceed 15% of the cost of the improvement, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4). In the event that other governmental agencies or public utilities automatically will own the utilities to be installed or the improvements are covered by a performance or maintenance guarantee to another governmental agency, no performance or maintenance guarantee, as the case may be, shall be required by the municipality for such utilities or improvements.

b. The time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by the governing body by resolution. As a condition or as part of any such extension, the amount of any performance guarantee shall be increased or reduced, as the case may be, to an amount not to exceed 120% of the cost of the installation, which cost shall be determined by the municipal engineer according

c. If the required improvements are not completed or corrected in accordance with the performance guarantee, the obligor and surety, if any, shall be liable thereon to the municipality for the reasonable cost of the improvements not completed or corrected and the municipality may either prior to or after the receipt of the proceeds thereof complete such improvements. Such completion or correction of improvements shall be subject to the public bidding requirements of the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.).

d. (1) Upon substantial completion of all required street improvements (except for the top course) and appurtenant utility improvements, and the connection of same to the public system, the obligor may request of the governing body in writing, by certified mail addressed in care of the municipal clerk, that the municipal engineer prepare, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section, a list of all uncompleted or unsatisfactory completed improvements. If such a request is made, the obligor shall send a copy of the request to the municipal engineer. The request shall indicate which improvements have been completed and which improvements remain uncompleted in the judgment of the obligor. Thereupon the municipal engineer shall inspect all improvements covered by obligor's request and shall file a detailed list and report, in writing, with the governing body, and shall simultaneously send a copy thereof to the obligor not later than 45 days after receipt of the obligor's request.

(2) The list prepared by the municipal engineer shall state, in detail, with respect to each improvement determined to be incomplete or unsatisfactory, the nature and extent of the incompleteness of each incomplete improvement or the nature and extent of, and remedy for, the unsatisfactory state of each completed improvement determined to be unsatisfactory. The report prepared by the municipal engineer shall identify each improvement determined to be complete and satisfactory together with a recommendation as to the amount of reduction to be made in the performance guarantee relating to the completed and satisfactory improvement, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section.

e. (1) The governing body, by resolution, shall either approve the improvements determined to be complete and satisfactory by the municipal engineer, or reject any or all of these improvements upon the establishment in the resolution of cause for rejection, and shall approve and authorize the
amount of reduction to be made in the performance guarantee relating to the improvements accepted, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section. This resolution shall be adopted not later than 45 days after receipt of the list and report prepared by the municipal engineer. Upon adoption of the resolution by the governing body, the obligor shall be released from all liability pursuant to its performance guarantee, with respect to those approved improvements, except for that portion adequately sufficient to secure completion or correction of the improvements not yet approved; provided that 30% of the amount of the total performance guarantee posted may be retained to ensure completion and acceptability of all improvements.

For the purpose of releasing the obligor from liability pursuant to its performance guarantee, the amount of the performance guarantee attributable to each approved improvement shall be reduced by the total amount for each such improvement, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section, including any contingency factor applied to the cost of installation. If the sum of the approved improvements would exceed 70 percent of the total amount of the performance guarantee, then the municipality may retain 30 percent of the amount of the total performance guarantee to ensure completion and acceptability of all improvements, as provided above.

(2) If the municipal engineer fails to send or provide the list and report as requested by the obligor pursuant to subsection d. of this section within 45 days from receipt of the request, the obligor may apply to the court in a summary manner for an order compelling the municipal engineer to provide the list and report within a stated time and the cost of applying to the court, including reasonable attorney's fees, may be awarded to the prevailing party.

If the governing body fails to approve or reject the improvements determined by the municipal engineer to be complete and satisfactory or reduce the performance guarantee for the complete and satisfactory improvements within 45 days from the receipt of the municipal engineer's list and report, the obligor may apply to the court in a summary manner for an order compelling, within a stated time, approval of the complete and satisfactory improvements and approval of a reduction in the performance guarantee for the approvable complete and satisfactory improvements in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this
section; and the cost of applying to the court, including reasonable attorney's fees, may be awarded to the prevailing party.

(3) In the event that the obligor has made a cash deposit with the municipality or approving authority as part of the performance guarantee, then any partial reduction granted in the performance guarantee pursuant to this subsection shall be applied to the cash deposit in the same proportion as the original cash deposit bears to the full amount of the performance guarantee.

f. If any portion of the required improvements is rejected, the approving authority may require the obligor to complete or correct such improvements and, upon completion or correction, the same procedure of notification, as set forth in this section shall be followed.

g. Nothing herein, however, shall be construed to limit the right of the obligor to contest by legal proceedings any determination of the governing body or the municipal engineer.

h. The obligor shall reimburse the municipality for all reasonable inspection fees paid to the municipal engineer for the foregoing inspection of improvements; provided that the municipality may require of the developer a deposit for the inspection fees in an amount not to exceed, except for extraordinary circumstances, the greater of $500 or 5% of the cost of improvements, which cost shall be determined pursuant to section 15 of P.L.1991, c.256 (C.40:55D-53.4). For those developments for which the inspection fees are less than $10,000, fees may, at the option of the developer, be paid in two installments. The initial amount deposited by a developer shall be 50% of the inspection fees. When the balance on deposit drops to 10% of the inspection fees because the amount deposited by the developer has been reduced by the amount paid to the municipal engineer for inspection, the developer shall deposit the remaining 50% of the inspection fees. For those developments for which the inspection fees are $10,000 or greater, fees may, at the option of the developer, be paid in four installments. The initial amount deposited by a developer shall be 25% of the inspection fees. When the balance on deposit drops to 10% of the inspection fees because the amount deposited by the developer has been reduced by the amount paid to the municipal engineer for inspection, the developer shall make additional deposits of 25% of the inspection fees. The municipal engineer shall not perform any inspection if sufficient funds to pay for those inspections are not on deposit.

i. In the event that final approval is by stages or sections of development pursuant to subsection a. of section 29 of P.L.1975, c.291 (C.40:55D-38), the provisions of this section shall be applied by stage or section.
j. To the extent that any of the improvements have been dedicated to the municipality on the subdivision plat or site plan, the municipal governing body shall be deemed, upon the release of any performance guarantee required pursuant to subsection a. of this section, to accept dedication for public use of streets or roads and any other improvements made thereon according to site plans and subdivision plats approved by the approving authority, provided that such improvements have been inspected and have received final approval by the municipal engineer.

4. a. The governing body or an approving authority may accept a performance guarantee in favor of the municipality from a successor developer as a replacement for a performance guarantee that was previously furnished, pursuant to section 41 of P.L.1975, c.291 (C.40:55D-53), for the purpose of assuring the installation of improvements. Except as otherwise provided by an ordinance requiring a successor developer to furnish a replacement performance guarantee, the governing body or approving authority shall not accept a replacement performance guarantee without securing:

(1) written confirmation from the new obligor that the intent of the new obligor is to furnish a replacement performance guarantee, relieving the predecessor obligor and surety, if any, of any obligation to install improvements, and

(2) written verification from the municipal engineer that the replacement performance guarantee is of an amount sufficient to cover the cost of the installation of improvements, but not to exceed 120% of the cost of the installation, which verification shall be determined consistent with section 41 of P.L.1975, c.291 (C.40:55D-53).

b. An approving authority shall notify the governing body whenever it accepts a replacement performance guarantee. Notice shall contain a copy of the written confirmation of the new obligor’s intent to furnish a replacement performance guarantee and the municipal engineer’s written verification of the sufficiency of the amount of that replacement performance guarantee.

c. Within 30 days after receiving notice from the approving authority of its acceptance of a replacement performance guarantee, the governing body, by resolution, shall release the predecessor obligor from liability pursuant to its performance guarantee.

5. Section 12 of P.L.1975, c.217 (C.52:27D-130) is amended to read as follows:
C.52:27D-130 Permit required; application; contents; issuance; transfer.

12. Except as otherwise provided by this act or in the code, before construction or alteration of any building or structure, the owner, or his agent, engineer or architect, shall submit an application in writing, including signed and sealed drawings and specifications, to the enforcing agency as defined in this act. The application shall be in accordance with regulations established by the commissioner and shall be accompanied by payment of the fee to be established by the municipal governing body by ordinance in accordance with standards established by the commissioner. The application for a construction permit shall be filed with the enforcing agency and shall be a public record; and no application for a construction permit shall be removed from the custody of the enforcing agency after a construction permit has been issued. Nothing contained in this paragraph shall be interpreted as preventing the imposition of requirements in the code, for additional permits for particular kinds of work, including but not limited to plumbing, electrical, elevator, fire prevention equipment or boiler installation or repair work, or in other defined situations.

Upon the transfer of ownership of property that is the subject of a construction permit, and prior to beginning or continuing work authorized by the construction permit, the new owner shall file with the enforcing agency an application for a permit update to notify the enforcing agency of the name and address of the new owner and of all other changes to information previously submitted to the enforcing agency. If the municipality has adopted an ordinance requiring a successor developer to furnish a replacement performance guarantee, and a performance guarantee has previously been furnished in favor of the municipality to assure the installation of contract improvements on the property that is the subject of an application for a permit update for the purpose of notifying the enforcing agency of the name and address of a new owner, the enforcing agency shall not approve the application for a permit update until it receives notification from the governing body or its designee that the new owner has furnished an adequate replacement performance guarantee.

No permit shall be issued for a public school facility unless the final plans and specifications have been first approved by the Bureau of Facility Planning Services in the Department of Education or a municipal code official who is appropriately licensed by the Commissioner of Community Affairs for the type and level of plans being reviewed. Approval by the Bureau of Facility Planning Services in the Department of Education shall only be required when a review for educational adequacy is necessary. Requirements determining when a review for educational adequacy is necessary
shall be established jointly by the Department of Community Affairs and the Department of Education. The standards shall thereafter be adopted as part of the Uniform Construction Code regulations by the Department of Community Affairs. After the final plans and specifications have been approved for educational adequacy by the Bureau of Facility Planning Services in the Department of Education, a local board of education may submit the final plans and specifications for code approval to either the Bureau of Facility Planning Services in the Department of Education or a municipal code official who is appropriately licensed by the Commissioner of Community Affairs for the type and level of plans being reviewed. The Bureau of Facility Planning Services in the Department of Education when approving final plans and specifications shall be responsible for insuring that the final plans and specifications conform to the requirements of the code as well as for insuring that they provide for an educationally adequate facility. In carrying out its responsibility pursuant to the provisions of this section the Department of Education shall employ persons licensed by the Commissioner of Community Affairs for the type and level of plans being reviewed.

C.52:27D-130.8 Adoption of ordinance requiring replacement for performance guarantee.

6. The governing body of a municipality may adopt an ordinance requiring a successor developer to furnish a performance guarantee as a replacement for a performance guarantee that was previously accepted in accordance with standards adopted by ordinance and regulations adopted pursuant to section 1 of P.L.1999, c.68 (C.40:55D-53a) and section 41 of P.L.1975, c.291 (C.40:55D-53) for the purpose of assuring the installation and maintenance of on-tract improvements, and releasing the predecessor obligor and surety, if any, from liability pursuant to its performance guarantee.

7. This act shall take effect immediately.

Approved August 9, 2013.

For the purposes of this subsection, "knowingly" means having actual knowledge of, or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(f) Any employing unit or any officer or agent of an employing unit or any other person who aids and abets any person to obtain any sum of benefits under this chapter to which he is not entitled, or a larger amount as
benefits than that to which he is justly entitled, shall be liable for each offense upon conviction before any Superior Court or municipal court, to a fine not to exceed $1,000.00 or by imprisonment for a term not to exceed 90 days, or both, at the discretion of the court. Nor shall the State be required to prove that the defendant was aware that the item depicting the sexual exploitation or abuse of a child was available for searching or copying to one or more other computers, and the defendant shall be strictly liable for failing to designate the item as not available for searching or copying by one or more other computers.

Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person whose offense under this subparagraph involved 25 or more items depicting the sexual exploitation or abuse of a child shall be sentenced to a mandatory minimum term of imprisonment, which shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or five years, whichever is greater, during which the defendant shall be ineligible for parole.

Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person convicted of a second or subsequent offense under this subparagraph shall be sentenced to an extended term of imprisonment as set forth in N.J.S.2C:43-7. For the purposes of this subparagraph, an offense is considered a second or subsequent offense if the actor has at any time been convicted pursuant to paragraph (3), (4) or (5) of this subsection, or under any similar statute of the United States, this State or any other state for an offense that is substantially equivalent to paragraph (3), (4) or (5) of this subsection.

For purposes of this subparagraph, the term "possess" includes receiving, viewing, or having under one's control, through any means, including the Internet.

(b) A person commits a crime of the third degree if he knowingly possesses, knowingly views, or knowingly has under his control, through any means, including the Internet, an item depicting the sexual exploitation or abuse of a child.

Notwithstanding the provisions of subsection e. of N.J.S.2C:44-1, in any instance where a person was convicted of an offense under this subparagraph that involved 100 or more items depicting the sexual exploitation or abuse of a child, the court shall impose a sentence of imprisonment unless, having regard to the character and condition of the defendant, it is of the opinion that imprisonment would be a serious injustice which overrides the need to deter such conduct by others.
Notwithstanding the provisions of subsection a. of N.J.S.2C:43-6, a person convicted of a second or subsequent offense under this subparagraph shall be sentenced to an extended term of imprisonment as set forth in N.J.S.2C:43-7. For the purposes of this subparagraph, an offense is considered a second or subsequent offense if the actor has at any time been convicted pursuant to paragraph (3), (4) or (5) of this subsection, or under any similar statute of the United States, this State or any other State for an offense that is substantially equivalent to paragraph (3), (4) or (5) of this subsection.

Nothing in this subparagraph shall be construed to preclude or limit any prosecution or conviction for the offense set forth in subparagraph (a) of this paragraph.

(6) For purposes of this subsection, a person who is depicted as or presents the appearance of being under the age of 18 in any photograph, film, videotape, computer program or file, video game or any other reproduction or reconstruction shall be rebuttably presumed to be under the age of 18. If the child who is depicted as engaging in, or who is caused to engage in, a prohibited sexual act or simulation of a prohibited sexual act is under the age of 18, the actor shall be strictly liable and it shall not be a defense that the actor did not know that the child was under the age of 18, nor shall it be a defense that the actor believed that the child was 18 years of age or older, even if such a mistaken belief was reasonable.

(7) For aggregation purposes, each depiction of the sexual exploitation or abuse of a child shall be considered a separate item, and each individual act of distribution of an item depicting the sexual exploitation or abuse of a child shall be considered a separate item. For purposes of determining the number of items depicting the sexual exploitation or abuse of a child for purposes of sentencing pursuant to subparagraph (a) of paragraph (5) of this subsection, the court shall aggregate all items involved, whether the act or acts constituting the violation occurred at the same time or at different times and, with respect to distribution, whether the act or acts of distribution were to the same person or several persons or occurred at different times, provided that each individual act was committed within the applicable statute of limitations. For purposes of determining the number of items depicting the sexual exploitation or abuse of a child for purposes of sentencing pursuant to subparagraph (b) of paragraph (5) of this subsection, the court shall aggregate all items involved, whether the possession of such items occurred at the same time or at different times, provided that each individual act was committed within the applicable statute of limitations.
2. Section 2 of P.L.1994, c.130 (C.2C:43-6.4) is amended to read as follows:

C.2C:43-6.4 Special sentence of parole supervision for life.

2. a. Notwithstanding any provision of law to the contrary, a judge imposing sentence on a person who has been convicted of aggravated sexual assault, sexual assault, aggravated criminal sexual contact, kidnapping pursuant to paragraph (2) of subsection c. of N.J.S.2C:13-1, endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of the child pursuant to subsection a. of N.J.S.2C:24-4, endangering the welfare of a child pursuant to paragraph (3) of subsection b. of N.J.S.2C:24-4, luring or an attempt to commit any of these offenses shall include, in addition to any sentence authorized by this Code, a special sentence of parole supervision for life. Notwithstanding any provision of law to the contrary, a court imposing sentence on a person who has been convicted of endangering the welfare of a child pursuant to paragraph (4) or (5) of subsection b. of N.J.S.2C:24-4, or an attempt to commit either of these offenses shall include, upon motion of the prosecutor, a special sentence of parole supervision for life in addition to any sentence authorized by Title 2C of the New Jersey Statutes, unless the court finds on the record that the special sentence is not needed to protect the community or deter the defendant from future criminal activity.

b. The special sentence of parole supervision for life required by this section shall commence immediately upon the defendant’s release from incarceration. If the defendant is serving a sentence of incarceration for another offense at the time he completes the custodial portion of the sentence imposed on the present offense, the special sentence of parole supervision for life shall not commence until the defendant is actually released from incarceration for the other offense. Persons serving a special sentence of parole supervision for life shall remain in the legal custody of the Commissioner of Corrections, shall be supervised by the Division of Parole of the State Parole Board, shall be subject to the provisions and conditions set forth in subsection c. of section 3 of P.L.1997, c.117 (C.30:4-123.51b) and sections 15 through 21 of P.L.1979, c.441 (C.30:4-123.59 through 30:4-123.63 and 30:4-123.65), and shall be subject to conditions appropriate to protect the public and foster rehabilitation. Such conditions may include the requirement that the person comply with the conditions set forth in subsection f. of this section concerning use of a computer or other device with access to the Internet. If the defendant violates a condition of a special sentence of parole supervision for life, the defendant shall be subject to the
provisions of sections 16 through 19 and 21 of P.L.1979, c.441 (C.30:4-123.60 through 30:4-123.63 and 30:4-123.65), and for the purpose of calculating the limitation on time served pursuant to section 21 of P.L.1979, c.441 (C.30:4-123.65) the custodial term imposed upon the defendant related to the special sentence of parole supervision for life shall be deemed to be a term of life imprisonment. When the court suspends the imposition of sentence on a defendant who has been convicted of any offense enumerated in subsection a. of this section, the court may not suspend imposition of the special sentence of parole supervision for life, which shall commence immediately, with the Division of Parole of the State Parole Board maintaining supervision over that defendant, including the defendant's compliance with any conditions imposed by the court pursuant to N.J.S.2C:45-1, in accordance with the provisions of this subsection. Nothing contained in this subsection shall prevent the court from at any time proceeding under the provisions of N.J.S.2C:45-1 through 2C:45-4 against any such defendant for a violation of any conditions imposed by the court when it suspended imposition of sentence, or prevent the Division of Parole from proceeding under the provisions of sections 16 through 19 and 21 of P.L.1979, c.441 (C.30:4-123.60 through 30:4-123.63 and C.30:4-123.65) against any such defendant for a violation of any conditions of the special sentence of parole supervision for life, including the conditions imposed by the court pursuant to N.J.S.2C:45-1. In any such proceeding by the Division of Parole, the provisions of subsection c. of section 3 of P.L.1997, c.117 (C.30:4-123.51b) authorizing revocation and return to prison shall be applicable to such a defendant, notwithstanding that the defendant may not have been sentenced to or served any portion of a custodial term for conviction of an offense enumerated in subsection a. of this section.

c. A person sentenced to a term of parole supervision for life may petition the Superior Court for release from that parole supervision. The judge may grant a petition for release from a special sentence of parole supervision for life only upon proof by clear and convincing evidence that the person has not committed a crime for 15 years since the last conviction or release from incarceration, whichever is later, and that the person is not likely to pose a threat to the safety of others if released from parole supervision. Notwithstanding the provisions of section 22 of P.L.1979, c.441 (C.30:4-123.66), a person sentenced to a term of parole supervision for life may be released from that parole supervision term only by court order as provided in this subsection.

d. A person who violates a condition of a special sentence imposed pursuant to this section without good cause is guilty of a crime of the fourth
degree. Notwithstanding any other law to the contrary, a person sentenced pursuant to this subsection shall be sentenced to a term of imprisonment, unless the court is clearly convinced that the interests of justice so far outweigh the need to deter this conduct and the interest in public safety that a sentence to imprisonment would be a manifest injustice. Nothing in this subsection shall preclude subjecting a person who violates any condition of a special sentence of parole supervision for life to the provisions of sections 16 through 19 and 21 of P.L.1979, c.441 (C.30:4-123.60 through 30:4-123.63 and C.30:4-123.65) pursuant to the provisions of subsection c. of section 3 of P.L.1997, c.117 (C.30:4-123.51b).

f. The special sentence of parole supervision for life required by this section may include any of the following Internet access conditions:

(1) Prohibit the person from accessing or using a computer or any other device with Internet capability without the prior written approval of the court except the person may use a computer or any other device with Internet capability in connection with that person's employment or search for employment with the prior approval of the person's parole officer;

(2) Require the person to submit to periodic unannounced examinations of the person's computer or any other device with Internet capability by a parole officer, law enforcement officer or assigned computer or information technology specialist, including the retrieval and copying of all data from the computer or device and any internal or external peripherals and removal of such information, equipment or device to conduct a more thorough inspection;

(3) Require the person to submit to the installation on the person's computer or device with Internet capability, at the person's expense, one or more hardware or software systems to monitor the Internet use;

(4) Require the person to submit to any other appropriate restrictions concerning the person's use or access of a computer or any other device with Internet capability; and
(5) Require the person to disclose all passwords used by the person to access any data, information, image, program, signal or file on the person's computer or any other device with Internet capability.

3. N.J.S.2C:52-2 is amended to read as follows:

Indictable offenses.

2C:52-2. Indictable Offenses.

a. In all cases, except as herein provided, wherein a person has been convicted of a crime under the laws of this State and who has not been convicted of any prior or subsequent crime, whether within this State or any other jurisdiction, and has not been adjudged a disorderly person or petty disorderly person on more than two occasions may, after the expiration of a period of 10 years from the date of his conviction, payment of fine, satisfactory completion of probation or parole, or release from incarceration, whichever is later, present a duly verified petition as provided in N.J.S.2C:52-7 to the Superior Court in the county in which the conviction was entered praying that such conviction and all records and information pertaining thereto be expunged.

Notwithstanding the provisions of the preceding paragraph, a petition may be filed and presented, and the court may grant an expungement pursuant to this section, although less than 10 years has expired in accordance with the requirements of the preceding paragraph where the court finds:

(1) less than 10 years has expired from the satisfaction of a fine, but the 10-year time requirement is otherwise satisfied, and the court finds that the person substantially complied with any payment plan ordered pursuant to N.J.S.2C:46-1 et seq., or could not do so due to compelling circumstances affecting his ability to satisfy the fine; or

(2) at least five years has expired from the date of his conviction, payment of fine, satisfactory completion of probation or parole, or release from incarceration, whichever is later; the person has not been convicted of a crime, disorderly persons offense, or petty disorderly persons offense since the time of the conviction; and the court finds in its discretion that expungement is in the public interest, giving due consideration to the nature of the offense, and the applicant's character and conduct since conviction.

In determining whether compelling circumstances exist for the purposes of paragraph (1) of this subsection, a court may consider the amount of the fine or fines imposed, the person's age at the time of the offense, the person's financial condition and other relevant circumstances regarding the person's ability to pay.
Although subsequent convictions for no more than two disorderly or petty disorderly offenses shall not be an absolute bar to relief, the nature of those conviction or convictions and the circumstances surrounding them shall be considered by the court and may be a basis for denial of relief if they or either of them constitute a continuation of the type of unlawful activity embodied in the criminal conviction for which expungement is sought.

b. Records of conviction pursuant to statutes repealed by this Code for the crimes of murder, manslaughter, treason, anarchy, kidnapping, rape, forcible sodomy, arson, perjury, false swearing, robbery, embracery, or a conspiracy or any attempt to commit any of the foregoing, or aiding, assisting or concealing persons accused of the foregoing crimes, shall not be expunged.

Records of conviction for the following crimes specified in the New Jersey Code of Criminal Justice shall not be subject to expungement: N.J.S.2C:11-1 et seq. (Criminal Homicide), except death by auto as specified in N.J.S.2C:11-5; N.J.S. 2C:13-1 (Kidnapping); section 1 of P.L.1993, c.291 (C.2C:13-6) (Luring or Enticing); section 1 of P.L.2005, c.77 (C.2C:13-8) (Human Trafficking); N.J.S.2C:14-2 (Sexual Assault or Aggravated Sexual Assault); N.J.S.2C:14-3a (Aggravated Criminal Sexual Contact); if the victim is a minor, N.J.S.2C:14-3b (Criminal Sexual Contact); if the victim is a minor and the offender is not the parent of the victim, N.J.S.2C:13-2 (Criminal Restraint) or N.J.S.2C:13-3 (False Imprisonment); N.J.S.2C:15-1 (Robbery); N.J.S.2C:17-1 (Arson and Related Offenses); N.J.S.2C:24-4a. (Endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of the child); N.J.S.2C:24-4b(4) (Endangering the welfare of a child); N.J.S.2C:24-4b. (3) (Causing or permitting a child to engage in a prohibited sexual act); N.J.S.2C:24-4b.(5)(a) (Distributing, possessing with intent to distribute or using a file-sharing program to store items depicting the sexual exploitation or abuse of a child); N.J.S.2C:24-4b.(5)(b) (Possessing items depicting the sexual exploitation or abuse of a child); N.J.S.2C:28-1 (Perjury); N.J.S.2C:28-2 (False Swearing); N.J.S.2C:34-1b.(4) (Knowingly promoting the prostitution of the actor’s child); section 2 of P.L.2002, c.26 (C.2C:38-2) (Terrorism); subsection a. of section 3 of P.L.2002, c.26 (C.2C:38-3) ( Producing or Possessing Chemical Weapons, Biological Agents or Nuclear or Radiological Devices); and conspiracies or attempts to commit such crimes.

Records of conviction for any crime committed by a person holding any public office, position or employment, elective or appointive, under the government of this State or any agency or political subdivision thereof and any conspiracy or attempt to commit such a crime shall not be subject to
expungement if the crime involved or touched such office, position or employment.

c. In the case of conviction for the sale or distribution of a controlled dangerous substance or possession thereof with intent to sell, expungement shall be denied except where the crimes involve:

(1) Marijuana, where the total quantity sold, distributed or possessed with intent to sell was 25 grams or less;

(2) Hashish, where the total quantity sold, distributed or possessed with intent to sell was five grams or less; or

(3) Any controlled dangerous substance provided that the conviction is of the third or fourth degree, where the court finds that expungement is consistent with the public interest, giving due consideration to the nature of the offense and the petitioner's character and conduct since conviction.

d. In the case of a State licensed physician or podiatrist convicted of an offense involving drugs or alcohol or pursuant to section 14 or 15 of P.L.1989, c.300 (C.2C:21-20 or 2C:21-4.1), the court shall notify the State Board of Medical Examiners upon receipt of a petition for expungement of the conviction and records and information pertaining thereto.

4. Section 2 of P.L.1997, c.117 (C.2C:43-7.2) is amended to read as follows:

C.2C:43-7.2 Mandatory service of 85 percent of sentence for certain offenses.

2. a. A court imposing a sentence of incarceration for a crime of the first or second degree enumerated in subsection d. of this section shall fix a minimum term of 85% of the sentence imposed, during which the defendant shall not be eligible for parole.

b. The minimum term required by subsection a. of this section shall be fixed as a part of every sentence of incarceration imposed upon every conviction of a crime enumerated in subsection d. of this section, whether the sentence of incarceration is determined pursuant to N.J.S.2C:43-6, N.J.S.2C:43-7, N.J.S.2C:11-3 or any other provision of law, and shall be calculated based upon the sentence of incarceration actually imposed. The provisions of subsection a. of this section shall not be construed or applied to reduce the time that must be served before eligibility for parole by an inmate sentenced to a mandatory minimum period of incarceration. Solely for the purpose of calculating the minimum term of parole ineligibility pursuant to subsection a. of this section, a sentence of life imprisonment shall be deemed to be 75 years.
c. Notwithstanding any other provision of law to the contrary and in addition to any other sentence imposed, a court imposing a minimum period of parole ineligibility of 85 percent of the sentence pursuant to this section shall also impose a five-year term of parole supervision if the defendant is being sentenced for a crime of the first degree, or a three-year term of parole supervision if the defendant is being sentenced for a crime of the second degree. The term of parole supervision shall commence upon the completion of the sentence of incarceration imposed by the court pursuant to subsection a. of this section unless the defendant is serving a sentence of incarceration for another crime at the time he completes the sentence of incarceration imposed pursuant to subsection a., in which case the term of parole supervision shall commence immediately upon the defendant's release from incarceration. During the term of parole supervision the defendant shall remain in release status in the community in the legal custody of the Commissioner of the Department of Corrections and shall be supervised by the State Parole Board as if on parole and shall be subject to the provisions and conditions of section 3 of P.L.1997, c.117 (C.30:4-123.51b).

d. The court shall impose sentence pursuant to subsection a. of this section upon conviction of the following crimes or an attempt or conspiracy to commit any of these crimes:

   (1) N.J.S.2C:11-3, murder;
   (2) N.J.S.2C:11-4, aggravated manslaughter or manslaughter;

(6) Other persons who the director establishes have the ability to control the applicant entity through any means including but not limited to, contracts, loans, mortgages or pledges of securities where such control is inimical to the policies of this act because such person is a career offender or a member of a career offender cartel as defined in paragraph (2) of subsection e. of this section. Individuals licensed pursuant to the "Casino Control Act," P.L. 1977, c. 110 (C.5:12-1 et seq.) shall only be required to produce evidence of said licensure in satisfaction of the foregoing.

The provisions in this subsection as to wholesale dealers, retail dealers operating more than nine cigarette vending machines, and retail dealers

grocery stores and supermarkets primarily engaged in the self-service sale
of foods and household supplies for off-premises consumption, to drug

e. The director shall not issue any license where the applicant or any-
one required to submit information has been identified as a career offender
or a member of a career offender cartel in such a manner as to create a rea-

A purchaser or assignee of a licensed wholesaler or licensed distributor, or any other person upon whom the business of a licensed wholesaler or licensed distributor shall devolve by operation of law, shall upon application to the director, be entitled to an assignment or transfer of the wholesale or distributor license for the balance of the existing license period upon payment of a transfer fee of $5.00 and subject to his qualification to be a licensed wholesaler or licensed distributor under the provisions of this act. The license issued for each vending machine for the sale of cigarettes may be transferred from machine to machine in the same ownership. No refund of the license fee shall be paid to any person upon the surrender or revocation of any license except a license fee paid or collected in error. But, upon payment of a $1.00 fee, there may be obtained (1) a duplicate license, or certificate thereof, in the event the original is lost, destroyed or defaced, and (2) an amended license, or certificate thereof, upon a change in the location of the place of business of any distributor or dealer.

c. Penalty for further violations; recovery; proceedings in court. In case a person shall, after conviction of any violation of this act, be again convicted of violating the same provision thereof, he may be liable to a penalty for such further violation, in double the maximum penalty which might have been imposed on the first conviction, to be sued for and recovered in the manner above set forth. In case any defendant against whom judgment has been rendered for a money penalty under this subsection, shall fail or neglect to pay forthwith the amount of said penalty, the court shall commit him to jail for such number of days not exceeding 180 days, as the court shall determine.

d. Disposition of penalties. All penalties recovered for violations of this act shall be paid to the director and by him accounted for and paid to the State Treasurer as in the case of State taxes.

2. Any person, other than a licensee permitted under this act to possess any unstamped cigarettes, who possesses 2,000 but fewer than 20,000 cigarettes without the stamp or stamps required by this act being affixed thereto or stamped in violation of subsection b. of section 405 shall be guilty of a crime of the fourth degree; and any such person who possesses 20,000 or more cigarettes without the stamp or stamps required by this act being affixed thereto or stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15) shall be guilty of a crime of the third degree.

11. Section 609 of P.L.1948, c.65 (C.54:40A-32) is amended to read as follows:

C.54:40A-32 Records; possession and transportation of unstamped cigarettes; seizure and confiscation of vessel or vehicles.

609. Records; possession and transportation of unstamped cigarettes; seizure and confiscation of vessel or vehicles. Every person who shall transport cigarettes not stamped as required by this act or stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15) upon the public highways, waterways, roads or streets of this State shall have in his actual possession invoices or delivery tickets for such cigarettes which shall show the true name and complete and exact address of the consignor or seller, the true name and complete and exact address of the consignee or
purchaser, the quantity and brands of the cigarettes transported and in addition shall show separately the true name and complete and exact address of the person who has or shall assume the payment of the New Jersey State tax or the tax, if any, of the State or foreign country at the point of ultimate destination, provided that any common carrier which has issued a bill of lading for a shipment of cigarettes and is without notice to itself or to any of its agents or employees that said cigarettes are not stamped as required by this act shall be deemed to have complied with this act and the vehicle or vessel in which said cigarettes are being transported shall not be subject to confiscation hereunder. In the absence of such invoices, delivery tickets or bills of lading, as the case may be, the cigarettes so transported, the vehicle, or vessel in which the cigarettes are being transported and any paraphernalia or devices used in connection with the unstamped cigarettes or cigarettes stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15), are declared to be contraband goods and may be seized by the director, his agents or employees or by any peace officer of the State when directed by the director, his agents or employees so to do, without a warrant. The director shall immediately thereafter institute a proceeding for the confiscation thereof in the Superior Court or the municipal court within the jurisdiction of which the seizure is made. The owner or any person having a security interest in any such vehicle may secure release of the same by depositing with the clerk of the court, in which such proceeding is pending, a bond with good and sufficient sureties in an amount to be fixed by the court, conditioned upon the return of said vehicle to the director upon demand after completion of said proceeding. The court may proceed in a summary manner and may direct confiscation to the director; provided, however, anything to the contrary notwithstanding, that the owner or any person claiming to be the holder of a mortgage, conditional sales contract or other security interest in any vehicle or vessel, the disposition of which is provided for above, may present his petition so alleging and be heard, and in the event it appears to the court that the property was unlawfully used by a person other than the owner or such claimant, and if such owner or claimant acquired ownership or his security interest in good faith and without knowledge that the vehicle or vessel was going to be so used, the court shall either waive forfeiture in favor of such owner or claimant and order the vehicle or vessel returned or delivered to such owner or claimant, or if it is found that the value thereof exceeds the amount of the claim, the court shall order payment of the amount of the claim out of the proceeds of the sale. Every transporter who violates the provisions of this act shall be guilty of a crime of the fourth degree, and shall, in addition to such penalties as may be im-
posed therefore, be liable to a penalty equal to double the amount of tax due on any unstamped cigarettes transported by him, which penalty shall be sued for and recovered in the same manner as provided for the penalties imposed by section 601 of the act to which this act is amendatory (C.54:40A-24).

12. Section 9 of P.L.1968, c.351 (C.54:40A-32.1) is amended to read as follows:

C.54:40A-32.1 Cigarette vending machines, certain circumstances, seized, sealed.

9. Any cigarette vending machine not bearing a proper license or identification, or which is found to contain unstamped packages of cigarettes, or cigarettes bearing counterfeit impressions, or cigarettes stamped in violation of subsection b. of section 405 of P.L.1948, c.65 (C.54:40A-15), may be seized or sealed by the director, the director's agents or employees or by any peace officer of this State, when directed by the director so to do. If the owner or the owner's agent destroys or removes said seal, that individual may, upon conviction, be subject to a penalty of not more than $1,000. Any vending machine containing unstamped or counterfeit stamped cigarettes may be declared forfeited to the director.

13. Section 6 of P.L.1950, c.134 (C.54:40A-44) is amended to read as follows:

C.54:40A-44 Advertisements; penalties therefor.

6. No radio or television broadcast originating in this State, or newspaper, or other publication published in this State, shall accept an advertisement from any out-of-State cigarette dealer for the sale of cigarettes by mail or express, unless there is included in said advertisement the following words: "Before any person may receive cigarettes in New Jersey by mail or express, a license for that purpose must be obtained from the Division of Taxation, New Jersey Department of the Treasury."

Any person who violates these provisions, upon conviction thereof, shall be fined not more than $1,000 for each individual offense.

14. Section 5 of P.L.2005, c.85 (C.54:40A-50) is amended to read as follows:

C.54:40A-50 Additional penalties, schedule.

5. In addition to any other remedies provided by law, the Director of the Division of Taxation in the Department of the Treasury shall assess penalties for violations of this act in accordance with the following schedule:
a. a penalty of not less than $2,000 and not more than $4,000 for the first violation;
b. a penalty of not less than $5,000 and not more than $7,000 for the second violation within a five-year period;
c. a penalty of not less than $8,000 and not more than $10,000 for the third violation within a five-year period;
d. a penalty of not less than $11,000 and not more than $13,000 for a fourth violation within a five-year period; and
e. a penalty of $20,000 for a fifth or subsequent violation within a five-year period.

C.54:40A-29.1 Offenses involving counterfeit cigarettes.

15. a. Any person who imports into this State, directly or indirectly, or offers for sale, sells, distributes, transports or possesses with intent to sell a counterfeit cigarette, knowing that the cigarette is a counterfeit cigarette, shall be guilty of a crime of the third degree. As used in this section, "counterfeit cigarette" means a cigarette or a pack or other container of cigarettes that bears any reproduction or copy of a trademark, service mark, trade name, label, term, design, or work adopted by or used by a licensed manufacturer to identify its own cigarettes but is not manufactured by the owner or holder of that trademark, service mark, trade name, label, term, design, or work, or by any authorized licensee of that person.

b. Notwithstanding N.J.S.2C:1-8 or any other provision of law, a conviction of an offense defined in this section shall not merge with a conviction for any other offense constituting the criminal activity defined in section 1 of the "New Jersey Trademark Counterfeiting Act," P.L.1997, c.57 (C.2C:21-32), and the sentence imposed upon a conviction of an offense defined in this section shall be ordered to be served consecutively to that imposed for a conviction of any offense under section 1 of P.L.1997, c.57 (C.2C:21-32) constituting the criminal activity involving the counterfeit cigarettes. Nothing in section 1 of P.L.1997, c.57 (C.2C:21-32) shall be construed to preclude or limit a prosecution or conviction for any other offense defined in P.L.1948, c.65 (C.54:40A-1 et seq.) or any other statute.

c. (1) Proof that a person possessed a quantity of 2,000 or more counterfeit cigarettes shall give rise to an inference that the person intended to sell those cigarettes.

(2) Proof that a person who sold or distributed 2,000 or more counterfeit cigarettes did not provide or retain an invoice or other business record documenting the transfer of the cigarettes to the recipient shall give rise to an inference that the person knew that the cigarettes were counterfeit ciga-
rettes, and proof that a person who obtained 2,000 or more counterfeit cigarettes did not receive or retain an invoice or other record of the price from the source of the cigarettes shall give rise to an inference that the person knew that the cigarettes were counterfeit cigarettes.

(3) Proof that a person who imported or possessed any quantity of counterfeit cigarettes obtained them at a price substantially below their fair and reasonable value shall give rise to an inference that the person knew that the cigarettes were counterfeit cigarettes, and proof that a person who offered for sale, sold or distributed any quantity of counterfeit cigarettes at a price substantially below their fair and reasonable value shall give rise to an inference that the person knew that the cigarettes were counterfeit cigarettes.

16. This act shall take effect immediately.

Approved August 19, 2013.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:40-44 Information relative to child's exposure to violence on electronic devices.

1. a. The Department of Education shall prepare and make available on the department's Internet website, both in print and in an easily printable format, information on how a parent can limit a child's exposure to violence on television, cell phones, computers, and other electronic devices. The department shall update this information whenever new information about a child's exposure to violence on television and other electronic devices becomes available. The information shall include, but not be limited to:

(1) research and statistics on how violent behavior increases after exposure to violent films, music, television, or video games;

(2) scientific findings that show children who play violent video games are more likely to be involved in physical altercations with classmates, perform poorly on academic tasks, and are unable to relate to adults in positions of authority;

(3) factors that increase the probability a child will be at risk of violent behavior, including, but not limited to, exposure or involvement in violence
at critical stages of childhood development, poor socioeconomic conditions, and poor parenting skills;

(4) symptoms of a child's overexposure to violence, including, but not limited to, sleeplessness, anxiety, depression, feelings of hopelessness, truancy, and difficulty in school;

(5) predictors of violent behavior in children, including but not limited to, dishonesty, disobedience, favorable attitude toward violence, hostility toward police, substance abuse, aggressive or antisocial behavior, and involvement in nonviolent criminal offenses; and

(6) effective strategies, based on a child's age and stage of development, that will help a parent monitor or restrict a child's exposure to violence on television and other electronic devices, including, but not limited to, the use of screening software or other technologies that prevent a child from watching television programs a parent deems inappropriate, co-viewing and commenting on television programs that depict violence, and familiarization with video game advisory labels and rating systems that make it more difficult for children to purchase and play such games.

b. The department shall prepare an informational pamphlet that contains the information posted on its website pursuant to subsection a. of this section, and shall update the pamphlet as necessary. The department shall distribute the pamphlet, at no charge, to all school districts in the State, and shall make additional copies available to nonpublic schools upon request.

c. In the 2013-2014 school year and in each school year thereafter, each school district shall distribute the pamphlet to the parents or guardians of students attending the schools of the district.

CHAPTER 147

AN ACT concerning contracting by State colleges and supplementing P.L.1986, c.43 (C.18A:64-52 et seq.).
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:64-76.2 Methods of withholding of payment.
1. Whenever any contract, the total price of which exceeds $100,000, entered into by a State college, for the construction, reconstruction, alteration or repair of any building, structure, facility or other improvement to real property, requires the withholding of payment of a percentage of the amount of the contract, the contractor may agree to the withholding of payments in the manner prescribed in the contract, or may deposit with the State college registered book bonds, entry municipal bonds, State bonds or other appropriate bonds of the State of New Jersey, or negotiable bearer bonds or notes of any political subdivision of the State, the value of which is equal to the amount necessary to satisfy the amount that otherwise would be withheld pursuant to the terms of the contract. The nature and amount of the bonds or notes to be deposited shall be subject to approval by the State college. For purposes of this section, "value" shall mean par value or current market value, whichever is lower.

If the contractor agrees to the withholding of payments, the amount withheld shall be deposited, with a banking institution or savings and loan association insured by an agency of the Federal government, in an account bearing interest at the rate currently paid by such institutions or associations on time or savings deposits. The amount withheld, or the bonds or notes deposited, and any interest accruing on such bonds or notes, shall be returned to the contractor upon fulfillment of the terms of the contract relating to such withholding. Any interest accruing on cash payments withheld shall be credited to the State college.

C.18A:64-76.3 Provision for partial payments.
2. Any contract, the total price of which exceeds $100,000, entered into by a State college involving the construction, reconstruction, alteration, repair or maintenance of any building, structure, facility or other improvement to real property, shall provide for partial payments to be made at least once each month as the work progresses, unless the contractor shall agree to deposit bonds with the State college pursuant to section 1 of P.L.2013, c.147 (C.18A:64-76.2).

C.18A:64-76.4 Withholding by State college pending completion of contract.
3. a. With respect to any contract entered into by a State college pursuant to section 2 of P.L.2013, c.147 (C.18A:64-76.3) for which the contractor
shall agree to the withholding of payments pursuant to section 1 of P.L.2013, c.147 (C.18A:64-76.2), 2% of the amount due on each partial payment shall be withheld by the State college pending completion of the contract.

b. Upon acceptance of the work performed pursuant to the contract for which the contractor has agreed to the withholding of payments pursuant to subsection a. of this section, all amounts being withheld by the State college shall be released and paid in full to the contractor within 45 days of the final acceptance date agreed upon by the contractor and the State college, without further withholding of any amounts for any purpose whatsoever, provided that the contract has been completed as indicated. If the State college requires maintenance security after acceptance of the work performed pursuant to the contract, such security shall be obtained in the form of a maintenance bond. The maintenance bond shall be no longer than two years and shall be no more than 100% of the project costs.

4. This act shall take effect immediately.

Approved August 19, 2013.

CHAPTER 148

AN ACT concerning the charging of employer accounts for purposes of unemployment compensation payments and amending R.S.43:21-6.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-6 is amended to read as follows:

Claims for benefits.

43:21-6. (a) Filing. (1) Claims for benefits shall be made in accordance with such regulations as the Director of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey may approve. Each employer shall post and maintain on his premises printed notices of his subject status, of such design, in such numbers and at such places as the director of the division may determine to be necessary to give notice thereof to persons in the employer's service. Each employer shall give to each individual at the time he becomes unemployed, for any reason, whether the unemployment is permanent or temporary, a printed copy of benefit instructions. The benefit in-
structions given to the individual shall include, but not be limited to, the fol-
lowing information: (A) the date upon which the individual becomes unem-
ployed, and, in the case that the unemployment is temporary, to the extent
possible, the date upon which the individual is expected to be recalled to
work; and (B) that the individual may lose some or all of the benefits to
which he is entitled if he fails to file a claim in a timely manner. Both the
aforesaid notices and instructions, including information detailing the time
sensitivity of filing a claim, shall be supplied by the division to employers
without cost to them. Nothing in this section shall be construed so as to re-
quire an employer to re-hire an individual formerly in the employer’s service.

(2) Any claimant, except for a claimant who has, for any period during
his base year, served in the military, worked for the federal government, or
worked outside the State of New Jersey, may choose to certify, cancel or
close his claim for unemployment insurance benefits at any time, 24 hours
a day and seven days a week, via the Internet on a website developed by the
division; however, any claim that is certified, cancelled or closed after 7:00
PM will not be processed by the division until the next scheduled posting
date.

(b) (1) Procedure for making initial determinations with respect to
benefit years commencing on or after January 1, 1953.

A representative or representatives designated by the director of the divi-
sion and hereafter referred to as a "deputy" shall promptly examine the claim,
and shall notify the most recent employing unit and, successively as neces-
sary, each employer in inverse chronological order during the base year. Such
notification shall require said employing unit and employer to furnish such
information to the deputy as may be necessary to determine the claimant's
eligibility and his benefit rights with respect to the employer in question.

In his discretion, the director may appoint special deputies to make ini-
tial or subsequent determinations under subsection (f) of R.S.43:21-4 and
subsection (d) of R.S.43:21-5.

If any employer or employing unit fails to respond to the request for
information within 10 days after the mailing, or communicating by elec-
tronic means, of such request, the deputy shall rely entirely on information
from other sources, including an affidavit to the best of the knowledge and
belief of the claimant with respect to his wages and time worked. Except in
the event of fraud, if it is determined that any information in such affidavit
is erroneous, no penalty shall be imposed on the claimant.

The deputy shall promptly make an initial determination based upon
the available information. The initial determination shall show the weekly
benefit amount payable, the maximum duration of benefits with respect to
the employer to whom the determination relates, and the ratio of benefits chargeable to the employer's account for benefit years commencing on or after July 1, 1986, and also shall show whether the claimant is ineligible or disqualified for benefits under the initial determination. The claimant and the employer whose account may be charged for benefits payable pursuant to said determination shall be promptly notified thereof.

Whenever an initial determination is based upon information other than that supplied by an employer because such employer failed to respond to the deputy's request for information, such initial determination and any subsequent determination thereunder shall be incontestable by the noncomplying employer, as to any charges to his employer's account because of benefits paid prior to the close of the calendar week following the receipt of his reply. Such initial determination shall be altered if necessary upon receipt of information from the employer, and any benefits paid or payable with respect to weeks occurring subsequent to the close of the calendar week following the receipt of the employer's reply shall be paid in accordance with such altered initial determination.

The deputy shall issue a separate initial benefit determination with respect to each of the claimant's base year employers, starting with the most recent employer and continuing as necessary in the inverse chronological order of the claimant's last date of employment with each such employer. If an appeal is taken from an initial determination, as hereinafter provided, by any employer other than the first chargeable base year employer or for benefit years commencing on or after July 1, 1986, that employer from whom the individual was most recently separated, then such appeal shall be limited in scope to include only one or more of the following matters:

(A) The correctness of the benefit payments authorized to be made under the determination;

(B) Fraud in connection with the claim pursuant to which the initial determination is issued;

(C) The refusal of suitable work offered by the chargeable employer filing the appeal;

(D) Gross misconduct as provided in subsection (b) of R.S.43:21-5.

The amount of benefits payable under an initial determination may be reduced or canceled if necessary to avoid payment of benefits for a number of weeks in excess of the maximum specified in subsection (d) of R.S.43:21-3.

Unless the claimant or any interested party, within seven calendar days after delivery of notification of an initial determination or within 10 calendar days after such notification was mailed to his or their last-known address and addresses, files an appeal from such decision, such decision shall
be final and benefits shall be paid or denied in accordance therewith, except for such determinations as may be altered in benefit amounts or duration as provided in this paragraph. Benefits payable for periods pending an appeal and not in dispute shall be paid as such benefits accrue; provided that insofar as any such appeal is or may be an appeal from a determination to the effect that the claimant is disqualified under the provisions of R.S.43:21-5 or any amendments thereof or supplements thereto, benefits pending determination of the appeal shall be withheld only for the period of disqualification as provided for in said section, and notwithstanding such appeal, the benefits otherwise provided by this act shall be paid for the period subsequent to such period of disqualification; and provided, also, that if there are two determinations of entitlement, benefits for the period covered by such determinations shall be paid regardless of any appeal which may thereafter be taken, but no employer's account shall be charged with benefits so paid, if the decision is finally reversed.

(2) Procedure for making initial determinations in certain cases of concurrent employment, with respect to benefit years commencing on or after January 1, 1953 and prior to benefit years commencing on or after July 1, 1986.

Notwithstanding any other provisions of this Title, if an individual shows to the satisfaction of the deputy that there were at least 13 weeks in his base period in each of which he earned wages from two or more employers totaling $30.00 or more but in each of which there was no single employer from whom he earned as much as $100.00, then such individual's claim shall be determined in accordance with the special provisions of this paragraph. In such case, the deputy shall determine the individual's eligibility for benefits, his average weekly wage, weekly benefit rate and maximum total benefits as if all his base year employers were a single employer. Such determination shall apportion the liability for benefit charges thereunder to the individual's several base year employers so that each employer's maximum liability for charges thereunder bears approximately the same relation to the maximum total benefits allowed as the wages earned by the individual from each employer during the base year bears to his total wages earned from all employers during the base year. Such initial determination shall also specify the individual's last date of employment within the base year with respect to each base year employer, and such employers shall be charged for benefits paid under said initial determination in the inverse chronological order of such last date of employment.

(3) Procedure for making subsequent determinations with respect to benefit years commencing on or after January 1, 1953. The deputy shall
make determinations with respect to claims for benefits thereafter in the course of the benefit year, in accordance with any initial determination allowing benefits, and under which benefits have not been exhausted, and each notification of a benefit payment shall be a notification of an affirmative subsequent determination. The allowance of benefits by the deputy on any such determination, or the denial of benefits by the deputy on any such determination, shall be appealable in the same manner and under the same limitations as is provided in the case of initial determinations.

(c) Appeals. Unless such appeal is withdrawn, an appeal tribunal, after affording the parties reasonable opportunity for fair hearing, shall affirm or modify the findings of fact and the determination. The parties shall be duly notified of such tribunal's decision, together with its reasons therefor, which shall be deemed to be the final decision of the board of review, unless further appeal is initiated pursuant to subsection (e) of this section within 10 days after the date of notification or mailing of the decision for any decision made on or before December 1, 2010, or within 20 days after the date of notification or mailing of such decision for any decision made after December 1, 2010.

(d) Appeal tribunals. To hear and decide disputed benefit claims, including appeals from determinations with respect to demands for refunds of benefits under subsection (d) of R.S.43:21-16, the director with the approval of the Commissioner of Labor and Workforce Development shall establish impartial appeal tribunals consisting of a salaried body of examiners under the supervision of a Chief Appeals Examiner, all of whom shall be appointed pursuant to the provisions of Title 11A of the New Jersey Statutes, Civil Service and other applicable statutes.

(e) Board of review. The board of review may on its own motion affirm, modify, or set aside any decision of an appeal tribunal on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The board of review shall permit such further appeal by any of the parties interested in a decision of an appeal tribunal which is not unanimous and from any determination which has been overruled or modified by any appeal tribunal. The board of review may remove to itself or transfer to another appeal tribunal the proceedings on any claim pending before an appeal tribunal. Any proceedings so removed to the board of review shall be heard by a quorum thereof in accordance with the requirements of subsection (c) of this section. The board of review shall promptly notify the interested parties of its findings and decision.
(f) Procedure. The manner in which disputed benefit claims, and appeals from determinations with respect to (1) claims for benefits and (2) demands for refunds of benefits under subsection (d) of R.S.43:21-16 shall be presented, the reports thereon required from the claimant and from employers, and the conduct of hearings and appeals shall be in accordance with rules prescribed by the board of review for determining the rights of the parties, whether or not such rules conform to common law or statutory rules of evidence and other technical rules of procedure. A full and complete record shall be kept of all proceedings in connection with a disputed claim. All testimony at any hearing upon a disputed claim shall be recorded, but need not be transcribed unless the disputed claim is further appealed.

(g) Witness fees. Witnesses subpoenaed pursuant to this section shall be allowed fees at a rate fixed by the director. Such fees and all expenses of proceedings involving disputed claims shall be deemed a part of the expense of administering this chapter (R.S.43:21-1 et seq.).

(h) Court review. Any decision of the board of review shall become final as to any party upon the mailing of a copy thereof to such party or to his attorney, or upon the mailing of a copy thereof to such party at his last-known address. The Division of Unemployment and Temporary Disability Insurance and any party to a proceeding before the board of review may secure judicial review of the final decision of the board of review. Any party not joining in the appeal shall be made a defendant; the board of review shall be deemed to be a party to any judicial action involving the review of, or appeal from, any of its decisions, and may be represented in any such judicial action by any qualified attorney, who may be a regular salaried employee of the board of review or has been designated by it for that purpose, or, at the board of review's request, by the Attorney General.

(i) Failure to give notice. The failure of any public officer or employee at any time herefore or hereafter to give notice of determination or decision required in subsections (b), (c) and (e) of this section, as originally passed or amended, shall not relieve any employer's account of any charge by reason of any benefits paid, unless and until that employer can show to the satisfaction of the director of the division that the said benefits, in whole or in part, would not have been charged or chargeable to his account had such notice been given. Any determination hereunder by the director shall be subject to court review.

(j) With respect to benefit payments made on or after October 22, 2013, an employer's account shall not be relieved of charges related to a benefit payment that was made erroneously from the division if it is determined that:
(1) The erroneous benefit payment was made because the employer, or an agent of the employer, failed to respond in a timely or adequate manner to a request from the division for information related to the claim for benefits; and

(2) The employer, or an agent of the employer, has established a pattern of failing to respond in a timely or adequate manner to requests from the division for information related to claims for benefits.

Determinations of the division prohibiting the relief of charges pursuant to this subsection shall be subject to appeal in the same manner as other determinations of the division related to the charging of employer accounts.

For purposes of subsection (j) of this section:

"Erroneous benefit payment" means a benefit payment that, except for the failure by the employer, or an agent of the employer, to respond in a timely or adequate manner to a request from the division for information with respect to the claim for benefits, would not have been made; and

"Pattern of failing" means repeated documented failure on the part of the employer, or an agent of the employer, to respond to requests from the division to the employer or employer’s agent for information related to a claim for benefits, except that an employer, or an agent of an employer, shall not be determined to have engaged in a “pattern of failing” if the number of failures to respond to requests from the division for information related to claims for benefits during the previous 365 calendar days is less than three, or if the number of failures is less than two percent of the number of requests from the division, whichever is greater.

2. This act shall take effect immediately.

Approved August 19, 2013.
1. Section 3 of P.L.2011, c.176 (C.18A:36C-3) is amended to read as follows:

3. As used in this act:

"Commissioner" means the Commissioner of Education.

"Failing district" means: in accordance with data from the Statewide assessment reports issued by the Department of Education (1) in the case of a school district located in a city of the first class, a school district in which at least 40% of the students scored in the partially proficient range in the language arts and mathematics sections of each State assessment administered in the 2009-2010 school year; and (2) in the case of a school district located in a city of the second class, a school district in which at least 45% of the students scored in the partially proficient range in the language arts and mathematics sections of each State assessment administered in the 2009-2010 school year.

"Per pupil expenditure" means the sum of the budget year equalization aid per pupil, budget year adjustment aid per pupil, and the prebudget year general fund tax levy per pupil inflated by the CPI rate most recent to the calculation.

"School facility" means and includes any structure, building, or facility used wholly or in part for educational purposes by the students of a school district.

"Renaissance school district" is a failing district in which renaissance school projects shall be established.

"Renaissance school project" means a newly-constructed school, or group of schools in an urban campus area, that provides an educational program for students enrolled in grades pre-K through 12 or in a grade range less than pre-K through 12, that is agreed to by the school district, and is operated and managed by a nonprofit entity in a renaissance school district. A renaissance school project may include a dormitory and related facilities as permitted pursuant to section 5 of P.L.2011, c.176 (C.18A:36C-5).

“Urban campus area” means the area within a 1.5-mile radius of the site of the initial school of a renaissance school project, except that a high school building which is part of the renaissance school project may be located within a two-mile radius of the site of the initial school of a renaissance school project.

2. Section 4 of P.L.2011, c.176 (C.18A:36C-4) is amended to read as follows:
C.18A:36C-4 Application to create renaissance school district.

4. a. A nonprofit entity, in partnership with the renaissance school district, may submit to the commissioner an application to create a renaissance school project no later than three years following the effective date of this act. A nonprofit entity seeking to create a renaissance school project shall have experience in operating a school in a high-risk, low-income urban district. In addition, an entity retained by the nonprofit entity for the purpose of financing or constructing the renaissance school project shall also have appropriate experience.

b. The application shall be in a form prescribed by the commissioner, but at a minimum it shall contain the following:

(1) except as otherwise provided in this paragraph, a resolution adopted in a public meeting by the board of education of the renaissance school district in which the renaissance school project will be located certifying the support of the board for the application. In the case of a district under full or partial state intervention with an advisory board of education, the application shall contain evidence that that state district superintendent or superintendent, as applicable, convened at least three public meetings to discuss the merits of the renaissance school project. The evidence shall include, at a minimum, any written public comments received during those meetings. In the case of these districts, the application shall contain a resolution from the advisory board of education reflecting the board's approval or disapproval of the renaissance school project. While a successful application does not require approval from the advisory board of education, the commissioner, in considering the application, shall give due consideration to any disapproval from the advisory board;

(2) a copy of the amendment to the renaissance school district's long-range facilities plan which has been submitted to the commissioner pursuant to section 4 of P.L.2000, c.72 (C.18A:7G-4) that includes the proposed renaissance school project;

(3) the educational goals of the renaissance school project, the curriculum to be offered, and the methods of assessing whether students are meeting the proffered educational goals;

(4) any testing and academic performance standards to be mandated by the renaissance school project beyond those required by state law and regulation;

(5) the admission policy and criteria for evaluating the admission of students to the renaissance school project, which shall comply with the provisions of section 8 of this act;
(6) the age or grade range of students to be enrolled in the renaissance school project;

(7) the total number of students to be enrolled in each grade level of the renaissance school project;

(8) the renaissance school project calendar and school day schedule;

(9) the financial plan for the renaissance school project and the provisions that will be made for auditing pursuant to N.J.S.18A:23-1;

(10) a description of, and address for, the initial school facility in which the renaissance school project will be located and an affirmation that any other school facility or facilities in which the renaissance school project will be located will be in the required urban campus area. For any school facility other than the initial school facility included in the application pursuant to this paragraph, the nonprofit entity shall notify the Commissioner of Education of the location of the facility at least one year prior to the opening of the facility;

(11) documentation that the proposed renaissance school project meets any school facility regulations promulgated by the State Board of Education or the Department of Community Affairs, other than the facilities efficiency standards developed by the Commissioner of Education pursuant to subsection h. of section 4 of P.L.2000, c.72 (C.18A:7G-4);

(12) documentation of a funding plan to acquire necessary lands and to construct a renaissance school project thereon, including the terms of any financing secured for such purpose;

(13) (Deleted by amendment, P.L.2013, c.149)

(14) identification of the attendance area of the renaissance school project, if the renaissance school project will not be built on land owned by the New Jersey Schools Development Authority or the renaissance school district;

(15) a description of the process employed by the renaissance school district to find and partner with the chosen nonprofit entity to create a renaissance school project. The description shall be sufficient to show that the process employed by the renaissance school district was open, fair, and subject to public input and comment. The description shall, at a minimum, include any requests for proposals issued by the renaissance school district, the number of responses received, and the process and criteria employed by the renaissance school district to select the chosen nonprofit entity among the respondents; and

(16) such other information as the commissioner may require.
3. Section 5 of P.L.2011, c.176 (C.18A:36C-5) is amended to read as follows:

C.18A:36C-5 Limitation of renaissance projects per district, review of applications.

5. The commissioner may not approve more than four renaissance school projects in any one renaissance school district. The commissioner may approve no more than one renaissance school project with a dormitory and related facilities in any one renaissance school district. Nothing in this act shall prohibit a renaissance school project that provides an educational program for a grade range less than pre-K through 12 from expanding grade levels after the approval by the commissioner of the initial application.

In reviewing and judging applications for renaissance school projects, the factors considered by the commissioner may include, but not be limited to:

a. The likelihood that the renaissance school project will improve academic achievement in the renaissance school district;

b. The strength of the support for the renaissance school project from the school district, board of education, and parents;

c. The facilities plan for the renaissance school project;

d. Diversity of school type, elementary school, middle school, and high school, among the proposed renaissance school projects; and

e. Any other factors deemed significant by the commissioner.

4. Section 8 of P.L.2011, c.176 (C.18A:36C-8) is amended to read as follows:

C.18A:36C-8 Enrollment in renaissance school.

8. a. (1) In the case of a renaissance school project built on land owned by the New Jersey Schools Development Authority or the renaissance school district, students residing in the attendance area established by the renaissance school district for that property shall be automatically enrolled in the renaissance school project, except as otherwise provided in paragraph (2) of this subsection. The parent or guardian of the student may determine not to enroll the student in the renaissance school project, and in that case the student shall be eligible for enrollment in another school in the renaissance school district. If spaces remain available in the renaissance school project, students shall be selected for the remaining spaces through a lottery system. The first lottery shall include students who reside in the renaissance school district but outside the attendance area of the renaissance school. If space remains available, a second lottery shall be conducted that may include students who reside outside of the renaissance school district.
CHAPTER 149, LAWS OF 2013

(2) A renaissance school project built on land owned by the New Jersey Schools Development Authority or the renaissance school district, shall allow any student who was enrolled in the renaissance school project in the immediately preceding school year to enroll in the renaissance school project in the appropriate grade unless the appropriate grade is not offered; and if a grade is at capacity, a student enrolled in the immediately preceding school year shall have priority for enrollment in that grade over a student who would otherwise be eligible for initial enrollment in the renaissance school project automatically based on the fact that he resides in the attendance area established by the renaissance school project for that property.

b. (1) In the case of a renaissance school project which is not built on land owned by the New Jersey Schools Development Authority or the renaissance school district, preference for enrollment in the renaissance school project shall be given to students who reside in the attendance area identified in the application submitted by the nonprofit entity and approved by the commissioner for the renaissance school project. In no case may an attendance area include an area outside of the renaissance school district. If spaces remain available in the renaissance school project, then the renaissance school project may select students for the remaining spaces through a lottery system. The first lottery shall include students who reside in the renaissance school district but outside the attendance area identified in the application approved by the commissioner for the renaissance school project. If space remains available, a second lottery shall be conducted that may include students who reside outside of the renaissance school district.

(2) A renaissance school project which is not built on land owned by the New Jersey Schools Development Authority or the renaissance school district shall allow any student who was enrolled in the renaissance school project in the immediately preceding school year to enroll in the renaissance school project in the appropriate grade unless the appropriate grade is not offered.

In developing and executing its selection process, the nonprofit entity shall not discriminate on the basis of intellectual or athletic ability, measures of achievement or aptitude, status as a handicapped person, proficiency in the English language, or any other basis that would be illegal if used by a school district. A nonprofit entity may, however, limit admission to a particular grade level or levels consistent with its organizational document.

C.18A:36C-14 Compliance concerning students with disabilities.

5. A renaissance school project shall comply with the provisions of chapter 46 of Title 18A of the New Jersey Statutes concerning the provision
of services to students with disabilities; except that the fiscal responsibility for any student currently enrolled in or determined to require a private day or residential school shall remain with the district of residence.

Within 15 days of the signing of the individualized education plan, a renaissance school project shall provide notice to the resident district of any individualized education plan which results in a private day or residential placement. The resident district may challenge the placement within 30 days in accordance with the procedures established by law.

C.18A:36C-15 Local education agency designation for application for certain funds.
6. A renaissance school project shall be a local education agency only for the purpose of applying for federal entitlement and discretionary funds.

C.18A:36C-16 Title to project to revert to board of education under certain circumstances.
7. In the event the authorization to operate a renaissance school project is terminated or expires for any reason, and no substitute or replacement owner or operator for that renaissance school project has been approved by the State prior to the termination or expiration date, title to the renaissance school project shall revert to the board of education of the renaissance school district for consideration in an amount calculated as follows:

(1) if the principal of and interest due on any outstanding debt used to finance the renaissance school project is equal to or greater than the fair market value of the renaissance school project, as determined by a certified appraiser agreed to by the renaissance school district and the owner of the renaissance school project, the renaissance school district shall assume any outstanding debt used to finance the renaissance school project, and thereafter the renaissance school district shall be legally obligated for the payment thereof; or

(2) if the fair market value of the renaissance school project is greater than the amount of the principal of and interest due on the outstanding debt used to finance the renaissance school project, the renaissance school district shall pay to the owner of the renaissance school project the fair market value of the renaissance school project, provided that, to the extent that any debt used to finance the renaissance school project is then outstanding, the owner of the renaissance school project shall utilize the funds received from the renaissance school district pursuant to this paragraph to retire the outstanding debt.
CHAPTER 150

AN ACT concerning the protection of minors from attempts to change sexual orientation and supplementing Title 45 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.45:1-54 Findings, declarations relative to sexual orientation change efforts.

1. The Legislature finds and declares that:
   a. Being lesbian, gay, or bisexual is not a disease, disorder, illness, deficiency, or shortcoming. The major professional associations of mental health practitioners and researchers in the United States have recognized this fact for nearly 40 years;
b. The American Psychological Association convened a Task Force on Appropriate Therapeutic Responses to Sexual Orientation. The task force conducted a systematic review of peer-reviewed journal literature on sexual orientation change efforts, and issued a report in 2009. The task force concluded that sexual orientation change efforts can pose critical health risks to lesbian, gay, and bisexual people, including confusion, depression, guilt, helplessness, hopelessness, shame, social withdrawal, suicidality, substance abuse, stress, disappointment, self-blame, decreased self-esteem and authenticity to others, increased self-hatred, hostility and blame toward parents, feelings of anger and betrayal, loss of friends and potential romantic partners, problems in sexual and emotional intimacy, sexual dysfunction, high-risk sexual behaviors, a feeling of being dehumanized and untrue to self, a loss of faith, and a sense of having wasted time and resources;

c. The American Psychological Association issued a resolution on Appropriate Affirmative Responses to Sexual Orientation Distress and Change Efforts in 2009, which states: "[T]he [American Psychological Association] advises parents, guardians, young people, and their families to avoid sexual orientation change efforts that portray homosexuality as a mental illness or developmental disorder and to seek psychotherapy, social support, and educational services that provide accurate information on sexual orientation and sexuality, increase family and school support, and reduce rejection of sexual minority youth";

d. (1) The American Psychiatric Association published a position statement in March of 2000 in which it stated: "Psychotherapeutic modalities to convert or 'repair' homosexuality are based on developmental theories whose scientific validity is questionable. Furthermore, anecdotal reports of 'cures' are counterbalanced by anecdotal claims of psychological harm. In the last four decades, 'reparative' therapists have not produced any rigorous scientific research to substantiate their claims of cure. Until there is such research available, [the American Psychiatric Association] recommends that ethical practitioners refrain from attempts to change individuals' sexual orientation, keeping in mind the medical dictum to first, do no harm;

(2) The potential risks of reparative therapy are great, including depression, anxiety and self-destructive behavior, since therapist alignment with societal prejudices against homosexuality may reinforce self-hatred already experienced by the patient. Many patients who have undergone reparative therapy relate that they were inaccurately told that homosexuals are lonely, unhappy individuals who never achieve acceptance or satisfaction. The possibility that the person might achieve happiness and satisfying interpersonal relationships as a gay man or lesbian is not presented, nor are
alternative approaches to dealing with the effects of societal stigmatization discussed; and

(3) Therefore, the American Psychiatric Association opposes any psychiatric treatment such as reparative or conversion therapy which is based upon the assumption that homosexuality per se is a mental disorder or based upon the a priori assumption that a patient should change his or her sexual homosexual orientation;

e. The American School Counselor Association’s position statement on professional school counselors and lesbian, gay, bisexual, transgender, and questioning (LGBTQ) youth states: “It is not the role of the professional school counselor to attempt to change a student’s sexual orientation/gender identity but instead to provide support to LGBTQ students to promote student achievement and personal well-being. Recognizing that sexual orientation is not an illness and does not require treatment, professional school counselors may provide individual student planning or responsive services to LGBTQ students to promote self-acceptance, deal with social acceptance, understand issues related to coming out, including issues that families may face when a student goes through this process and identify appropriate community resources”;

f. The American Academy of Pediatrics in 1993 published an article in its journal, Pediatrics, stating: “Therapy directed at specifically changing sexual orientation is contraindicated, since it can provoke guilt and anxiety while having little or no potential for achieving changes in orientation”;

g. The American Medical Association Council on Scientific Affairs prepared a report in 1994 in which it stated: “Aversion therapy (a behavioral or medical intervention which pairs unwanted behavior, in this case, homosexual behavior, with unpleasant sensations or aversive consequences) is no longer recommended for gay men and lesbians. Through psychotherapy, gay men and lesbians can become comfortable with their sexual orientation and understand the societal response to it”;

h. The National Association of Social Workers prepared a 1997 policy statement in which it stated: “Social stigmatization of lesbian, gay, and bisexual people is widespread and is a primary motivating factor in leading some people to seek sexual orientation changes. Sexual orientation conversion therapies assume that homosexual orientation is both pathological and freely chosen. No data demonstrates that reparative or conversion therapies are effective, and, in fact, they may be harmful”;

i. The American Counseling Association Governing Council issued a position statement in April of 1999, and in it the council states: “We oppose
‘the promotion of “reparative therapy” as a “cure” for individuals who are homosexual’; j. (1) The American Psychoanalytic Association issued a position statement in June 2012 on attempts to change sexual orientation, gender, identity, or gender expression, and in it the association states: “As with any societal prejudice, bias against individuals based on actual or perceived sexual orientation, gender identity or gender expression negatively affects mental health, contributing to an enduring sense of stigma and pervasive self-criticism through the internalization of such prejudice; and

(2) Psychoanalytic technique does not encompass purposeful attempts to ‘convert,’ ‘repair,’ change or shift an individual’s sexual orientation, gender identity or gender expression. Such directed efforts are against fundamental principles of psychoanalytic treatment and often result in substantial psychological pain by reinforcing damaging internalized attitudes”;

k. The American Academy of Child and Adolescent Psychiatry in 2012 published an article in its journal, Journal of the American Academy of Child and Adolescent Psychiatry, stating: “Clinicians should be aware that there is no evidence that sexual orientation can be altered through therapy, and that attempts to do so may be harmful. There is no empirical evidence adult homosexuality can be prevented if gender nonconforming children are influenced to be more gender conforming. Indeed, there is no medically valid basis for attempting to prevent homosexuality, which is not an illness. On the contrary, such efforts may encourage family rejection and undermine self-esteem, connectedness and caring, important protective factors against suicidal ideation and attempts. Given that there is no evidence that efforts to alter sexual orientation are effective, beneficial or necessary, and the possibility that they carry the risk of significant harm, such interventions are contraindicated”;

l. The Pan American Health Organization, a regional office of the World Health Organization, issued a statement in May of 2012 and in it the organization states: “These supposed conversion therapies constitute a violation of the ethical principles of health care and violate human rights that are protected by international and regional agreements.” The organization also noted that reparative therapies “lack medical justification and represent a serious threat to the health and well-being of affected people”;

m. Minors who experience family rejection based on their sexual orientation face especially serious health risks. In one study, lesbian, gay, and bisexual young adults who reported higher levels of family rejection during adolescence were 8.4 times more likely to report having attempted suicide, 5.9 times more likely to report high levels of depression, 3.4 times more
likely to use illegal drugs, and 3.4 times more likely to report having engaged in unprotected sexual intercourse compared with peers from families that reported no or low levels of family rejection. This is documented by Caitlin Ryan et al. in their article entitled Family Rejection as a Predictor of Negative Health Outcomes in White and Latino Lesbian, Gay, and Bisexual Young Adults (2009) 123 Pediatrics 346; and

n. New Jersey has a compelling interest in protecting the physical and psychological well-being of minors, including lesbian, gay, bisexual, and transgender youth, and in protecting its minors against exposure to serious harms caused by sexual orientation change efforts.

C.45:1-55 Sexual orientation change efforts prohibited for persons under 18 years old.

2. a. A person who is licensed to provide professional counseling under Title 45 of the Revised Statutes, including, but not limited to, a psychiatrist, licensed practicing psychologist, certified social worker, licensed clinical social worker, licensed social worker, licensed marriage and family therapist, certified psychoanalyst, or a person who performs counseling as part of the person's professional training for any of these professions, shall not engage in sexual orientation change efforts with a person under 18 years of age.

b. As used in this section, "sexual orientation change efforts" means the practice of seeking to change a person's sexual orientation, including, but not limited to, efforts to change behaviors, gender identity, or gender expressions, or to reduce or eliminate sexual or romantic attractions or feelings toward a person of the same gender; except that sexual orientation change efforts shall not include counseling for a person seeking to transition from one gender to another, or counseling that:

   (1) provides acceptance, support, and understanding of a person or facilitates a person's coping, social support, and identity exploration and development, including sexual orientation-neutral interventions to prevent or address unlawful conduct or unsafe sexual practices; and

   (2) does not seek to change sexual orientation.

3. This act shall take effect immediately.

Approved August 19, 2013.

AN ACT concerning disclosure of certain employment information and amending P.L.1945, c.169.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 11 of P.L.1945, c.169 (C.10:5-12) is amended to read as follows:

C.10:5-12 Unlawful employment practices, discrimination.
11. It shall be an unlawful employment practice, or, as the case may be, an unlawful discrimination:
   a. For an employer, because of the race, creed, color, national origin, ancestry, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, genetic information, sex, gender identity or expression, disability or atypical hereditary cellular or blood trait of any individual, or because of the liability for service in the Armed Forces of the United States or the nationality of any individual, or because of the refusal to submit to a genetic test or make available the results of a genetic test to
an employer, to refuse to hire or employ or to bar or to discharge or require to retire, unless justified by lawful considerations other than age, from employment such individual or to discriminate against such individual in compensation or in terms, conditions or privileges of employment; provided, however, it shall not be an unlawful employment practice to refuse to accept for employment an applicant who has received a notice of induction or orders to report for active duty in the armed forces; provided further that nothing herein contained shall be construed to bar an employer from refusing to accept for employment any person on the basis of sex in those certain circumstances where sex is a bona fide occupational qualification, reasonably necessary to the normal operation of the particular business or enterprise; provided further that nothing herein contained shall be construed to bar an employer from refusing to accept for employment or to promote any person over 70 years of age; provided further that it shall not be an unlawful employment practice for a club exclusively social or fraternal to use club membership as a uniform qualification for employment, or for a religious association or organization to utilize religious affiliation as a uniform qualification in the employment of clergy, religious teachers or other employees engaged in the religious activities of the association or organization, or in following the tenets of its religion in establishing and utilizing criteria for employment of an employee; provided further, that it shall not be an unlawful employment practice to require the retirement of any employee who, for the two-year period immediately before retirement, is employed in a bona fide executive or a high policy-making position, if that employee is entitled to an immediate non-forfeitable annual retirement benefit from a pension, profit sharing, savings or deferred retirement plan, or any combination of those plans, of the employer of that employee which equals in the aggregate at least $27,000.00; and provided further that an employer may restrict employment to citizens of the United States where such restriction is required by federal law or is otherwise necessary to protect the national interest.

The provisions of subsections a. and b. of section 57 of P.L.2003, c.246 (C.34:11A-20), and the provisions of section 58 of P.L.2003, c.246 (C.26:8A-11), shall not be deemed to be an unlawful discrimination under P.L.1945, c.169 (C.10:5-1 et seq.).

c. For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment, or to make an inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification or discrimination as to race, creed, color, national origin, ancestry, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex or liability of any applicant for employment for service in the Armed Forces of the United States, or any intent to make any such limitation, specification or discrimination, unless based upon a bona fide occupational qualification.

d. For any person to take reprisals against any person because that person has opposed any practices or acts forbidden under this act or because that person has filed a complaint, testified or assisted in any proceeding under this act or to coerce, intimidate, threaten or interfere with any person in the exercise or enjoyment of, or on account of that person having aided or encouraged any other person in the exercise or enjoyment of, any right granted or protected by this act.

The provisions of this subsection shall not apply to any letter of credit, contract, or other document which contains any provision pertaining to employee-employer collective bargaining, a labor dispute or an unfair labor practice, or made in connection with the protest of unlawful discrimination or an unlawful employment practice, if the other provisions of such letter of credit, contract, or other document do not otherwise violate the provisions of this subsection.

(1) Buying from, selling to, leasing from or to, licensing, contracting with, trading with, providing goods, services, or information to, or otherwise doing business with any person because that person does, or agrees or attempts to do, any such act or any act prohibited by this subsection; or

(2) Boycotting, commercially blacklisting or refusing to buy from, sell to, lease from or to, license, contract with, provide goods, services or information to, or otherwise do business with any person because that person has not done or refuses to do any such act or any act prohibited by this subsection; provided that this subsection shall not prohibit refusals or other actions either pertaining to employee-employer collective bargaining, labor disputes, or unfair labor practices, or made or taken in connection with a protest of unlawful discrimination or unlawful employment practices.

p. Nothing in the provisions of this section shall affect the ability of an employer to require employees to adhere to reasonable workplace appearance, grooming and dress standards not precluded by other provisions of State or federal law, except that an employer shall allow an employee to
appear, groom and dress consistent with the employee's gender identity or expression.

q. (1) For any employer to impose upon a person as a condition of obtaining or retaining employment, including opportunities for promotion, advancement or transfers, any terms or conditions that would require a person to violate or forego a sincerely held religious practice or religious observance, including but not limited to the observance of any particular day or days or any portion thereof as a Sabbath or other holy day in accordance with the requirements of the religion or religious belief, unless, after engaging in a bona fide effort, the employer demonstrates that it is unable to reasonably accommodate the employee's religious observance or practice without undue hardship on the conduct of the employer's business. Notwithstanding any other provision of law to the contrary, an employee shall not be entitled to premium wages or premium benefits for work performed during hours to which those premium wages or premium benefits would ordinarily be applicable, if the employee is working during those hours only as an accommodation to his religious requirements. Nothing in this subsection q. shall be construed as reducing:

(a) The number of the hours worked by the employee which are counted towards the accruing of seniority, pension or other benefits; or
(b) Any premium wages or benefits provided to an employee pursuant to a collective bargaining agreement.

(2) For an employer to refuse to permit an employee to utilize leave, as provided for in this subsection q., which is solely used to accommodate the employee's sincerely held religious observance or practice. Except where it would cause an employer to incur an undue hardship, no person shall be required to remain at his place of employment during any day or days or portion thereof that, as a requirement of his religion, he observes as his Sabbath or other holy day, including a reasonable time prior and subsequent thereto for travel between his place of employment and his home; provided that any such absence from work shall, wherever practicable in the reasonable judgment of the employer, be made up by an equivalent amount of time and work at some other mutually convenient time, or shall be charged against any leave with pay ordinarily granted, other than sick leave, and any such absence not so made up or charged, may be treated by the employer of that person as leave taken without pay.

(3) (a) For purposes of this subsection q., "undue hardship" means an accommodation requiring unreasonable expense or difficulty, unreasonable interference with the safe or efficient operation of the workplace or a violation of a bona fide seniority system or a violation of any provision of a bona fide collective bargaining agreement.
(b) In determining whether the accommodation constitutes an undue hardship, the factors considered shall include:

(i) The identifiable cost of the accommodation, including the costs of loss of productivity and of retaining or hiring employees or transferring employees from one facility to another, in relation to the size and operating cost of the employer.

(ii) The number of individuals who will need the particular accommodation for a sincerely held religious observance or practice.

(iii) For an employer with multiple facilities, the degree to which the geographic separateness or administrative or fiscal relationship of the facilities will make the accommodation more difficult or expensive.

(c) An accommodation shall be considered to constitute an undue hardship if it will result in the inability of an employee to perform the essential functions of the position in which he or she is employed.

(d) (i) The provisions of this subsection q. shall be applicable only to reasonable accommodations of religious observances and shall not supersede any definition of undue hardship or standards for reasonable accommodation of the disabilities of employees.

(ii) This subsection q. shall not apply where the uniform application of terms and conditions of attendance to employees is essential to prevent undue hardship to the employer. The burden of proof regarding the applicability of this subparagraph (d) shall be upon the employer.

For any employer to take reprisals against any employee for requesting from any other employee or former employee of the employer information regarding the job title, occupational category, and rate of compensation, including benefits, of any employee or former employee of the employer, or the gender, race, ethnicity, military status, or national origin of any employee or former employee of the employer, regardless of whether the request was responded to, if the purpose of the request for the information was to assist in investigating the possibility of the occurrence of, or in taking of legal action regarding, potential discriminatory treatment concerning pay, compensation, bonuses, other compensation, or benefits. Nothing in this subsection shall be construed to require an employee to disclose such information about the employee herself to any other employee or former employee of the employer or to any authorized representative of the other employee or former employee.

CHAPTER 158

AN ACT concerning municipal court diversion programs, amending various parts of the statutory law and supplementing Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2C:43-13.1 Eligibility and application.

1. Eligibility and Application. a. Whenever any defendant who has not been previously convicted of any petty disorderly persons offense, disorderly persons offense or crime under any law of the United States, this State or any other state, and who has not previously participated in conditional discharge under N.J.S.2C:36A-1, supervisory treatment under N.J.S.2C:43-12, or conditional dismissal under P.L.2013, c.158 (C.2C:43-13.1 et al.), is charged with a petty disorderly offense or disorderly persons offense except as provided in subsection b. of this section, the defendant may, after a plea of guilty or a finding of guilt, but prior to the entry of a judgment of conviction and with appropriate notice to the prosecutor, apply to the court for entry into the conditional dismissal program pursuant to the requirements of P.L.2013, c.158 (C.2C:43-13.1 et al.). As a condition of such application, the defendant shall submit to the fingerprint identification procedures as provided in R.S.53:1-15 before making such application to the court to
allow sufficient time for verification of the defendant’s criminal history by
the prosecutor.

b. (1) A defendant shall not be eligible for participation in the condi­
tional dismissal program if the offense for which the person is charged in­
volved: (a) organized criminal or gang activity; (b) a continuing criminal
business or enterprise; (c) a breach of the public trust by a public officer or
employee; (d) domestic violence as defined by subsection a. of section 3 of
P.L.1991, c.261 (C.2C:25-19); (e) an offense against an elderly, disabled or
minor person; (f) an offense involving driving or operating a motor vehicle
while under the influence of alcohol, intoxicating liquor, narcotic, hallu­
cinogenic or habit-producing drug; (g) a violation of animal cruelty laws; or
(h) any disorderly persons offense or petty disorderly persons offense under
chapter 35 or 36 of Title 2C.

(2) Nothing in this act shall preclude a defendant charged with any
disorderly persons offense or petty disorderly persons offense under chapter
35 or 36 of Title 2C from applying to the court for admission into the con­
tditional discharge program in accordance with N.J.S.2C:36A-1.

c. In addition to the eligibility criteria enumerated in this section, the
court shall consider the following factors:

(1) The nature and circumstances of the offense;
(2) The facts surrounding the commission of the offense;
(3) The motivation, age, character and attitude of the defendant;
(4) The desire of the complainant or victim to forego prosecution;
(5) The needs and interests of the victim and the community;
(6) The extent to which the defendant’s offense constitutes part of a
continuing pattern of anti-social behavior;
(7) Whether the offense is of an assaultive or violent nature, whether in
the act itself or in the possible injurious consequences of such behavior;
(8) Whether the applicant’s participation will adversely affect the
prosecution of codefendants;
(9) Whether diversion of the defendant from prosecution is consistent
with the public interest; and
(10) Any other factors deemed relevant by the court.

C.2C:43-13.2 Court approval of defendant's participation in conditional dismissal
program.

2. Court Approval of Defendant’s Participation in Conditional Dis­
missal Program. After considering the eligibility criteria set forth in section
1 of P.L.2013, c.158 (C.2C:43-13.1), the defendant’s criminal history and
the municipal prosecutor’s recommendation, the court may, without enter-
ing a judgment of conviction, and after proper reference to the State Bureau of Identification criminal history record information files, approve the defendant’s participation in the conditional dismissal program established pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) and place the defendant under a probation monitoring status for a period of one year. The court may also impose financial obligations and other terms and conditions in accordance with P.L.2013, c.158 (C.2C:43-13.1 et al.). Where the court approves a defendant’s participation in the conditional dismissal program over the municipal prosecutor’s objection, the order approving the defendant’s participation in the program shall be a final order but upon request of the municipal prosecutor shall be stayed for a period of 10 days in order to permit the prosecutor to appeal such order to the Superior Court.

3. Extension of Conditional Dismissal Term. A defendant may apply to the court for an extension of a term of conditional dismissal pursuant to the provisions of P.L.2013, c.158 (C.2C:43-13.1 et al.) to allow sufficient time to pay financial obligations imposed by the court. A judge may also extend a defendant’s conditional dismissal term for good cause.

C.2C:43-13.4 Violation of terms prior to dismissal.
4. Violation of Terms Prior To Dismissal. If a defendant who is participating in the conditional dismissal program established pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) is convicted of any petty disorderly persons offense, disorderly persons offense or crime under any law of the United States, this State or any other state, or otherwise fails to comply with the terms and conditions imposed by the court, the court may enter a judgment of conviction and impose a fine, penalty, or other assessment which may be imposed by the court in accordance with the defendant’s prior plea of guilty or finding of guilt.

C.2C:43-13.5 Dismissal.
5. Dismissal. If, at the end of the term of the conditional dismissal, the defendant has not been convicted of any subsequent petty disorderly persons offense, disorderly persons offense or crime under any law of the United States, this State or any other state, and has complied with any other terms and conditions imposed by the court, the court may terminate the probation monitoring and dismiss the proceedings against the defendant.
C.2C:43-13.6 Effect of dismissal.
6. Effect of Dismissal. The conditional dismissal of petty disorderly persons or disorderly persons offenses granted pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) shall not be deemed a conviction for purposes of disqualifications or disabilities, if any, imposed by law upon conviction of a petty disorderly persons or disorderly persons offense but shall be reported to the State Bureau of Identification criminal history record information files for purposes of determining future eligibility or exclusion from court diversion programs. A conditional dismissal granted pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) shall not be deemed a conviction for the purposes of determining whether a second or subsequent offense has occurred under any law of this State.

C.2C:43-13.7 Limitation.
7. Limitation. A conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) shall be granted only once with respect to any defendant.

8. Conditional Dismissal Assessment, Restitution and Other Assessments. A defendant applying for admission to the conditional dismissal program pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) shall pay to the court an application fee of $75 which, upon collection, shall be deposited into the “Municipal Court Diversion Fund” established pursuant to section 9 of P.L.2013, c.158 (C.2C:43-13.9). Monies in the fund shall be used to defray the cost of intake and monitoring services related to the defendant’s participation in the conditional dismissal program as provided by the Probation Division of the Superior Court. If admitted into the program, the defendant shall be required to pay any restitution, costs, and other mandatory assessments that would have been imposed by law for a conviction of the offense charged.

A municipal court judge may impose an assessment, based on the nature of the offense and the character of the defendant, that shall not exceed the amount of a fine that would have been imposed for conviction of the offense charged. Such assessment shall be distributed in the same manner as a fine for the offense charged. A defendant shall be advised of these financial conditions prior to seeking entry into the program.

A defendant may apply for a waiver of the fee, by reason of poverty, pursuant to the Rules Governing the Courts of the State of New Jersey, or the court may permit the defendant to pay the conditional dismissal fee and
other assessments in installments or may order other alternatives pursuant to section 1 of P.L.2009, c.317 (C.2B:12-23.1).

C.2C:43-13.9 "Municipal Court Diversion Fund."
9. a. There is established within the General Fund a dedicated, non-lapsing fund to be known as the "Municipal Court Diversion Fund," which shall be administered by the Administrative Office of the Courts.
b. The fund shall be the depository of a $75 application fee collected pursuant to section 8 of P.L.2013, c.158 (C.2C:43-13.8) for admission to the conditional dismissal program established pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.).
c. Monies in the fund shall be used to offset the cost of the intake and monitoring services for defendants diverted from municipal court prosecution for petty disorderly persons and disorderly persons offenses under conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.).

10. N.J.S.2C:36A-1 is amended to read as follows:

Conditional discharge for certain first offenses.

2C:36A-1. Conditional discharge for certain first offenses. a. Whenever any person who has not previously been convicted of any offense under section 20 of P.L.1970, c.226 (C.24:21-20), or a disorderly persons or petty disorderly persons offense defined in chapter 35 or 36 of this title or, subsequent to the effective date of this title, under any law of the United States, this State or any other state relating to marijuana, or stimulant, depressant, or hallucinogenic drugs, and who has not previously participated in a program of supervisory treatment pursuant to N.J.S.2C:43-12 or conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) is charged with or convicted of any disorderly persons offense or petty disorderly persons offense under chapter 35 or 36 of this title, the court upon notice to the prosecutor and subject to subsection c. of this section, may on motion of the defendant or the court:

(1) Suspend further proceedings and with the consent of the person after reference to the State Bureau of Identification criminal history record information files, place him under supervisory treatment upon such reasonable terms and conditions as it may require; or

(2) After a plea of guilty or finding of guilty, and without entering a judgment of conviction, and with the consent of the person after proper reference to the State Bureau of Identification criminal history record informa-
tion files, place him on supervisory treatment upon reasonable terms and conditions as it may require, or as otherwise provided by law.

b. In no event shall the court require as a term or condition of supervisory treatment under this section, referral to any residential treatment facility for a period exceeding the maximum period of confinement prescribed by law for the offense for which the individual has been charged or convicted, nor shall any term of supervisory treatment imposed under this subsection exceed a period of three years. If a person is placed under supervisory treatment under this section after a plea of guilty or finding of guilt, the court as a term and condition of supervisory treatment shall suspend the person's driving privileges for a period to be fixed by the court at not less than six months or more than two years unless the court finds compelling circumstances warranting an exception. For the purposes of this subsection, compelling circumstances warranting an exception exist if the suspension of the person's driving privileges will result in extreme hardship and alternative means of transportation are not available. In the case of a person who at the time of placement under supervisory treatment under this section is less than 17 years of age, the period of suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the person is placed on supervisory treatment and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years.

If the driving privilege of a person is under revocation, suspension, or postponement for a violation of this title or Title 39 of the Revised Statutes at the time of the person's placement on supervisory treatment under this section, the revocation, suspension or postponement period imposed herein shall commence as of the date of the termination of the existing revocation, suspension or postponement. The court which places a person on supervisory treatment under this section shall collect and forward the person's driver's license to the New Jersey Motor Vehicle Commission and file an appropriate report with the commission in accordance with the procedure set forth in N.J.S.2C:35-16. The court shall also inform the person of the penalties for operating a motor vehicle during the period of license suspension or postponement as required in N.J.S.2C:35-16.

Upon violation of a term or condition of supervisory treatment the court may enter a judgment of conviction and proceed as otherwise provided, or where there has been no plea of guilty or finding of guilty, resume proceedings. Upon fulfillment of the terms and conditions of supervisory treatment the court shall terminate the supervisory treatment and dismiss
the proceedings against him. Termination of supervisory treatment and
dismissal under this section shall be without court adjudication of guilt and
shall not be deemed a conviction for purposes of disqualifications or disa-
blities, if any, imposed by law upon conviction of a crime or disorderly
persons offense but shall be reported by the clerk of the court to the State
Bureau of Identification criminal history record information files. Termina-
tion of supervisory treatment and dismissal under this section may occur
only once with respect to any person. Imposition of supervisory treatment
under this section shall not be deemed a conviction for the purposes of de-
termining whether a second or subsequent offense has occurred under sec-
tion 29 of P.L.1970, c.226 (C.24:21-29), chapter 35 or 36 of this title or any
law of this State.

c. Proceedings under this section shall not be available to any defen-
dant unless the court in its discretion concludes that:

   (1) The defendant's continued presence in the community, or in a civil
treatment center or program, will not pose a danger to the community; or

   (2) That the terms and conditions of supervisory treatment will be ade-
quate to protect the public and will benefit the defendant by serving to cor-
rect any dependence on or use of controlled substances which he may mani-
ifest; and

   (3) The person has not previously received supervisory treatment under
section 27 of P.L.1970, c.226 (C.24:21-27), N.J.S.2C:43-12, or the provi-
sions of this chapter.

d. A person seeking conditional discharge pursuant to this section
shall pay to the court a fee of $75 which shall be paid to the Treasurer of
the State of New Jersey for deposit in the General Fund. The defendant
shall also be required to pay restitution, costs and other assessments as pro-
vided by law. A person may apply for a waiver of this fee, by reason of
poverty, pursuant to the Rules Governing the Courts of the State of New
Jersey, or the court may permit the defendant to pay the conditional dis-
charge fee and other assessments in installments or may order other alterna-
tives pursuant to section 1 of P.L.2009, c.317 (C.2B:12-23.1).

11. N.J.S.2C:43-12 is amended to read as follows:

Supervisory treatment – pretrial intervention.

a. Public policy. The purpose of N.J.S.2C:43-12 through N.J.S.2C:43-
22 is to effectuate a Statewide program of Pretrial Intervention. It is the
policy of the State of New Jersey that supervisory treatment should ordinar-
ily be limited to persons who have not previously been convicted of any criminal offense under the laws of New Jersey, or under any criminal law of the United States, or any other state when supervisory treatment would:

(1) Provide applicants, on an equal basis, with opportunities to avoid ordinary prosecution by receiving early rehabilitative services or supervision, when such services or supervision can reasonably be expected to deter future criminal behavior by an applicant, and when there is apparent causal connection between the offense charged and the rehabilitative or supervisory need, without which cause both the alleged offense and the need to prosecute might not have occurred; or

(2) Provide an alternative to prosecution for applicants who might be harmed by the imposition of criminal sanctions as presently administered, when such an alternative can be expected to serve as sufficient sanction to deter criminal conduct; or

(3) Provide a mechanism for permitting the least burdensome form of prosecution possible for defendants charged with "victimless" offenses, other than defendants who were public officers or employees charged with offenses that involved or touched their office or employment; or

(4) Provide assistance to criminal calendars in order to focus expenditure of criminal justice resources on matters involving serious criminality and severe correctional problems; or

(5) Provide deterrence of future criminal or disorderly behavior by an applicant in a program of supervisory treatment.

b. Admission of an applicant into a program of supervisory treatment shall be measured according to the applicant's amenability to correction, responsiveness to rehabilitation and the nature of the offense. There shall be a presumption against admission into a program of supervisory treatment for a defendant who was a public officer or employee whose offense involved or touched upon his public office or employment.

c. The decision and reasons therefor made by the designated judges (or assignment judges), prosecutors and program directors in granting or denying applications for supervisory treatment, in recommending and ordering termination from the program or dismissal of charges, in all cases shall be reduced to writing and disclosed to the applicant.

d. If an applicant desires to challenge the decision of the prosecutor or program director not to recommend enrollment in a program of supervisory treatment the proceedings prescribed under N.J.S.2C:43-14 and in accordance with the Rules of Court shall be followed.

e. Referral. At any time prior to trial but after the filing of a criminal complaint, or the filing of an accusation or the return of an indictment, with
the consent of the prosecutor and upon written recommendation of the program director, the assignment judge or a judge designated by him may postpone all further proceedings against an applicant and refer said applicant to a program of supervisory treatment approved by the Supreme Court. Prosecutors and program directors shall consider in formulating their recommendation of an applicant's participation in a supervisory treatment program, among others, the following criteria:

(1) The nature of the offense;
(2) The facts of the case;
(3) The motivation and age of the defendant;
(4) The desire of the complainant or victim to forego prosecution;
(5) The existence of personal problems and character traits which may be related to the applicant's crime and for which services are unavailable within the criminal justice system, or which may be provided more effectively through supervisory treatment and the probability that the causes of criminal behavior can be controlled by proper treatment;
(6) The likelihood that the applicant's crime is related to a condition or situation that would be conducive to change through his participation in supervisory treatment;
(7) The needs and interests of the victim and society;
(8) The extent to which the applicant's crime constitutes part of a continuing pattern of anti-social behavior;
(9) The applicant's record of criminal and penal violations and the extent to which he may present a substantial danger to others;
(10) Whether or not the crime is of an assaultive or violent nature, whether in the criminal act itself or in the possible injurious consequences of such behavior;
(11) Consideration of whether or not prosecution would exacerbate the social problem that led to the applicant's criminal act;
(12) The history of the use of physical violence toward others;
(13) Any involvement of the applicant with organized crime;
(14) Whether or not the crime is of such a nature that the value of supervisory treatment would be outweighed by the public need for prosecution;
(15) Whether or not the applicant's involvement with other people in the crime charged or in other crime is such that the interest of the State would be best served by processing his case through traditional criminal justice system procedures;
(16) Whether or not the applicant's participation in pretrial intervention will adversely affect the prosecution of codefendants; and
(17) Whether or not the harm done to society by abandoning criminal prosecution would outweigh the benefits to society from channeling an offender into a supervisory treatment program.

f. Review of Supervisory Treatment Applications; Procedure Upon Denial. Each applicant for supervisory treatment shall be entitled to full and fair consideration of his application. If an application is denied, the program director or the prosecutor shall precisely state his findings and conclusion which shall include the facts upon which the application is based and the reasons offered for the denial. If the applicant desires to challenge the decision of a program director not to recommend, or of a prosecutor not to consent to, enrollment into a supervisory treatment program, a motion shall be filed before the designated judge (or assignment judge) authorized pursuant to the rules of court to enter orders.

g. Limitations. Supervisory treatment may occur only once with respect to any defendant and any person who has previously received supervisory treatment under section 27 of P.L.1970, c.226 (C.24:21-27), a conditional discharge pursuant to N.J.S.2C:36A-1, or a conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.) shall not be eligible for supervisory treatment under this section. However, supervisory treatment, as provided herein, shall be available to a defendant irrespective of whether the defendant contests his guilt of the charge or charges against him.

h. Termination. Termination of supervisory treatment under this section shall be immediately reported to the assignment judge of the county who shall forward such information to the Administrative Director of the Courts.

i. Appointment of Program Directors; Authorized Referrals. Programs of supervisory treatment and appointment of the program directors require approval by the Supreme Court with the consent of the assignment judge and prosecutor. Referrals of participants from supervisory treatment programs may be to any public or private office or agency, including but not limited to, programs within the probation service of the court, offering counseling or any other social service likely to aid in the rehabilitation of the participant and to deter the commission of other offenses.

j. Health Care Professional Licensing Board Notification. The program director shall promptly notify the State Board of Medical Examiners when a State licensed physician or podiatrist has been enrolled in a supervisory treatment program after he has been charged with an offense involving drugs or alcohol.

12. N.J.S.2C:43-13 is amended to read as follows:
Supervisory treatment procedure.

2C:43-13. Supervisory Treatment Procedure. a. Agreement. The terms and duration of the supervisory treatment shall be set forth in writing, signed by the prosecutor and agreed to and signed by the participant. Payment of the assessment required by section 2 of P.L.1979, c.396 (C.2C:43-3.1) shall be included as a term of the agreement. If the participant is represented by counsel, defense counsel shall also sign the agreement. Each order of supervisory treatment shall be filed with the county clerk.

b. Charges. During a period of supervisory treatment the charge or charges on which the participant is undergoing supervisory treatment shall be held in an inactive status pending termination of the supervisory treatment pursuant to subsection d. or e. of this section.

c. Period of treatment. Supervisory treatment may be for such period, as determined by the designated judge or the assignment judge, not to exceed three years, provided, however, that the period of supervisory treatment may be shortened or terminated as the program director may determine with the consent of the prosecutor and the approval of the court.

d. Dismissal. Upon completion of supervisory treatment, and with the consent of the prosecutor, the complaint, indictment or accusation against the participant may be dismissed with prejudice.

e. Violation of conditions. Upon violation of the conditions of supervisory treatment, the court shall determine, after summary hearing, whether said violation warrants the participant's dismissal from the supervisory treatment program or modification of the conditions of continued participation in that or another supervisory treatment program. Upon dismissal of the participant from the supervisory treatment program, the charges against the participant may be reactivated and the prosecutor may proceed as though no supervisory treatment had been commenced.

f. Evidence. No statement or other disclosure by a participant undergoing supervisory treatment made or disclosed to the person designated to provide such supervisory treatment shall be disclosed, at any time, to the prosecutor in connection with the charge or charges against the participant, nor shall any such statement or disclosure be admitted as evidence in any civil or criminal proceeding against the participant. Nothing provided herein, however, shall prevent the person providing supervisory treatment from informing the prosecutor, or the court, upon request or otherwise as to whether or not the participant is satisfactorily responding to supervisory treatment.
g. Delay. No participant agreeing to undergo supervisory treatment shall be permitted to complain of a lack of speedy trial for any delay caused by the commencement of supervisory treatment.

A person applying for admission to a program of supervisory treatment shall pay to the court a fee of $75 which shall be paid to the Treasurer of the State of New Jersey for deposit into the General Fund. A person may apply for a waiver of this fee, by reason of poverty, pursuant to the Rules Governing the Courts of the State of New Jersey, or the court may allow for the payment of the fee and other financial obligations by installment.

13. N.J.S.2C:52-6 is amended to read as follows:

Arrests not resulting in conviction.

2C:52-6. Arrests not resulting in conviction.

a. In all cases, except as herein provided, wherein a person has been arrested or held to answer for a crime, disorderly persons offense, petty disorderly persons offense or municipal ordinance violation under the laws of this State or of any governmental entity thereof and against whom proceedings were dismissed, or who was acquitted, or who was discharged without a conviction or finding of guilt, may at any time following the disposition of proceedings, present a duly verified petition as provided in N.J.S.2C:52-7 to the Superior Court in the county in which the disposition occurred praying that records of such arrest and all records and information pertaining thereto be expunged.

b. Any person who has had charges dismissed against him pursuant to P.L.1970, c.226, s.27 (C.24:21-27) or pursuant to a program of supervisory treatment pursuant to N.J.S.2C:43-12, or conditional discharge pursuant to N.J.S.2C:36A-1, or conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.), shall be barred from the relief provided in this section until six months after the entry of the order of dismissal.

c. Any person who has been arrested or held to answer for a crime shall be barred from the relief provided in this section where the dismissal, discharge, or acquittal resulted from a determination that the person was insane or lacked the mental capacity to commit the crime charged.

14. R.S.53:1-15 is amended to read as follows:

Fingerprinting of suspects.

53:1-15. The sheriffs, chiefs of police, members of the State Police and any other law enforcement agencies and officers shall, immediately upon
the arrest of any person for an indictable offense, or for any of the grounds specified in paragraph (1), (2), (3) or (4) of subsection a. of section 5 of P.L.1991, c.261 (C.2C:25-21) or of any person believed to be wanted for an indictable offense, or believed to be an habitual criminal, or within a reasonable time after the filing of a complaint by a law enforcement officer charging any person with an indictable offense, or upon the arrest of any person for shoplifting, pursuant to N.J.S.2C:20-11, or upon the arrest of any person for prostitution, pursuant to N.J.S.2C:34-1, or the conviction of any other person charged with a nonindictable offense, where the identity of the person charged is in question, take the fingerprints of such person, according to the fingerprint system of identification established by the Superintendent of State Police and on the forms prescribed, and forward without delay two copies or more of the same, together with photographs and such other descriptions as may be required and with a history of the offense committed, to the State Bureau of Identification.

Such sheriffs, chiefs of police, members of the State Police and any other law enforcement agencies and officers shall also take the fingerprints, descriptions and such other information as may be required of unknown dead persons and as required by section 2 of P.L.1982, c.79 (C.2A:4A-61) of juveniles adjudicated delinquent and shall forward same to the State Bureau of Identification.

Any person charged in a complaint filed by a law enforcement officer with an indictable offense, who has not been arrested, or any person charged in an indictment, who has not been arrested, or any person convicted of assault or harassment constituting domestic violence as defined in section 3 of P.L.1991, c.261 (C.2C:25-19), or any person against whom a final order has been entered in any domestic violence matter pursuant to the provisions of section 13 of P.L.1991, c.261 (C.2C:25-29), or any person applying for participation in a program of conditional dismissal pursuant to P.L.2013, c.158 (C.2C:43-13.1 et al.), shall submit himself to the identification procedures provided herein either on the date of any court appearance or upon written request of the appropriate law enforcement agency within a reasonable time after the filing of the complaint. Any person who refuses to submit to such identification procedures shall be a disorderly person.

15. This act shall take effect 120 days after enactment, and shall be applicable to any person who commits a disorderly persons or petty disorderly persons offense on or after the effective date.

CHAPTER 159

AN ACT concerning procedures and powers under the "Local Redevelopment and Housing Law" and amending P.L.1992, c.79.

WHEREAS, Article VIII, Section III, paragraph 1 of the New Jersey Constitution empowers the Legislature to authorize municipalities to clear, re-plan, develop, and redevelop blighted areas; and

WHEREAS, The Legislature has authorized municipalities to undertake programs to redevelop blighted areas; and

WHEREAS, Municipalities have used these programs to arrest and reverse blighted conditions to promote sound planning, revitalize tax bases, and improve the public safety, health, and welfare of their communities; and

WHEREAS, In exercising their responsibilities and implementing redevelopment programs municipalities have exercised the power of eminent domain; and

WHEREAS, The 2005 United States Supreme Court decision in Kelo v. City of New London, 545 U.S. 469 (2005), heightened public concern with the use of eminent domain to implement municipal redevelopment activities; and

WHEREAS, The New Jersey Supreme Court in Gallenthin Realty Development, Inc. v. Borough of Paulsboro, 191 N.J. 344 (2007), clarified one of the criterion for designating redevelopment areas in New Jersey and emphasized that the use of eminent domain cannot be justified to acquire property unless it is blighted, rather than merely not being put to its optimal use; and

WHEREAS, The Appellate Division of the Superior Court in Harrison Redevelopment Agency v. DeRose, 398 N.J. Super. 361 (App. Div. 2008) addressed a due process concern with the notice provision under the Local Redevelopment and Housing Law, in cases where eminent domain was used long after the property sought to be acquired was designated as blighted and property owners were precluded from challenging such designation in defense of the condemnation of their properties; and

WHEREAS, The "Local Redevelopment and Housing Law" should appropriately be amended to be consistent with these judicial holdings and to address some of the concerns raised with respect to the use of eminent domain in the implementation of redevelopment programs; and

WHEREAS, Redevelopment remains a valid and important public purpose and the implementation of redevelopment programs continues to be a vital tool for municipal officials that must be maintained to allow them to
continue to meet their governmental responsibilities to prevent, arrest, and reverse deleterious property conditions within their municipal borders; and

WHEREAS, The State of New Jersey is experiencing the deepest economic recession since the Great Depression; and

WHEREAS, Municipalities should be encouraged to engage in economic development initiatives by promoting and facilitating such efforts to create local economic stimulus and job creation through the tools and incentives available under the "Local Redevelopment and Housing Law;" and

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1992, c.79 (C.40A:12A-5) is amended to read as follows:

C.40A:12A-5 Determination of need for redevelopment.

5. A delineated area may be determined to be in need of redevelopment if, after investigation, notice and hearing as provided in section 6 of P.L.1992, c.79 (C.40A:12A-6), the governing body of the municipality by resolution concludes that within the delineated area any of the following conditions is found:

a. The generality of buildings are substandard, unsafe, unsanitary, dilapidated, or obsolescent, or possess any of such characteristics, or are so lacking in light, air, or space, as to be conducive to unwholesome living or working conditions.

b. The discontinuance of the use of buildings previously used for commercial, manufacturing, or industrial purposes; the abandonment of such buildings; or the same being allowed to fall into so great a state of disrepair as to be untenable.

c. Land that is owned by the municipality, the county, a local housing authority, redevelopment agency or redevelopment entity, or unimproved vacant land that has remained so for a period of ten years prior to adoption of the resolution, and that by reason of its location, remoteness, lack of
means of access to developed sections or portions of the municipality, or topography, or nature of the soil, is not likely to be developed through the instrumentality of private capital.

d. Areas with buildings or improvements which, by reason of dilapidation, obsolescence, overcrowding, faulty arrangement or design, lack of ventilation, light and sanitary facilities, excessive land coverage, deleterious land use or obsolete layout, or any combination of these or other factors, are detrimental to the safety, health, morals, or welfare of the community.

e. A growing lack or total lack of proper utilization of areas caused by the condition of the title, diverse ownership of the real properties therein or other similar conditions which impede land assemblage or discourage the undertaking of improvements, resulting in a stagnant and unproductive condition of land potentially useful and valuable for contributing to and serving the public health, safety and welfare, which condition is presumed to be having a negative social or economic impact or otherwise being detrimental to the safety, health, morals, or welfare of the surrounding area or the community in general.

f. Areas, in excess of five contiguous acres, whereon buildings or improvements have been destroyed, consumed by fire, demolished or altered by the action of storm, fire, cyclone, tornado, earthquake or other casualty in such a way that the aggregate assessed value of the area has been materially depreciated.

g. In any municipality in which an enterprise zone has been designated pursuant to the "New Jersey Urban Enterprise Zones Act," P.L.1983, c.303 (C.52:27H-60 et seq.) the execution of the actions prescribed in that act for the adoption by the municipality and approval by the New Jersey Urban Enterprise Zone Authority of the zone development plan for the area of the enterprise zone shall be considered sufficient for the determination that the area is in need of redevelopment pursuant to sections 5 and 6 of P.L.1992, c.79 (C.40A:12A-5 and 40A:12A-6) for the purpose of granting tax exemptions within the enterprise zone district pursuant to the provisions of P.L.1991, c.431 (C.40A:20-1 et seq.) or the adoption of a tax abatement and exemption ordinance pursuant to the provisions of P.L.1991, c.441 (C.40A:21-1 et seq.). The municipality shall not utilize any other redevelopment powers within the urban enterprise zone unless the municipal governing body and planning board have also taken the actions and fulfilled the requirements prescribed in P.L.1992, c.79 (C.40A:12A-1 et al.) for determining that the area is in need of redevelopment or an area in need of rehabilitation and the municipal governing body has adopted a redevelopment plan ordinance including the area of the enterprise zone.
h. The designation of the delineated area is consistent with smart
growth planning principles adopted pursuant to law or regulation.

2. Section 6 of P.L.1992, c.79 (C.40A:12A-6) is amended to read as
follows:

C.40A:12A-6 Investigation for determination as redevelopment area, public hearing,
notice.

6. a. No area of a municipality shall be determined a redevelopment
area unless the governing body of the municipality shall, by resolution, au-
thorize the planning board to undertake a preliminary investigation to de-
termine whether the proposed area is a redevelopment area according to the
criteria set forth in section 5 of P.L.1992, c.79 (C.40A:12A-5). Such de-
termination shall be made after public notice and public hearing as pro-
vided in subsection b. of this section. The governing body of a municip­
ality shall assign the conduct of the investigation and hearing to the planning
board of the municipality. The resolution authorizing the planning board to
undertake a preliminary investigation shall state whether the redevelopment
area determination shall authorize the municipality to use all those powers
provided by the Legislature for use in a redevelopment area other than the
use of eminent domain (hereinafter referred to as a "Non-Condemnation
Redevelopment Area") or whether the redevelopment area determination
shall authorize the municipality to use all those powers provided by the
Legislature for use in a redevelopment area, including the power of eminent
domain (hereinafter referred to as a "Condemnation Redevelopment Area").

b. (1) Before proceeding to a public hearing on the matter, the planning
board shall prepare a map showing the boundaries of the proposed redevel­
opment area and the location of the various parcels of property included
therein. There shall be appended to the map a statement setting forth the
basis for the investigation.

(2) The planning board shall specify a date for and give notice of a
hearing for the purpose of hearing persons who are interested in or would be
affected by a determination that the delineated area is a redevelopment area.

(3) (a) The hearing notice shall set forth the general boundaries of the
area to be investigated and state that a map has been prepared and can be
inspected at the office of the municipal clerk.

(b) If the governing body resolution assigning the investigation to the
planning board, pursuant to subsection a. of this section, stated that the re­
development determination shall establish a Non-Condemnation Redevel­
opment Area, the notice of the hearing shall specifically state that a rede­
development area determination shall not authorize the municipality to exercise the power of eminent domain to acquire any property in the delineated area.

(c) If the resolution assigning the investigation to the planning board, pursuant to subsection a. of this section, stated that the redevelopment determination shall establish a Condemnation Redevelopment Area, the notice of the hearing shall specifically state that a redevelopment area determination shall authorize the municipality to exercise the power of eminent domain to acquire property in the delineated area.

(d) A copy of the notice shall be published in a newspaper of general circulation in the municipality once each week for two consecutive weeks, and the last publication shall be not less than ten days prior to the date set for the hearing. A copy of the notice shall be mailed at least ten days prior to the date set for the hearing to the last owner, if any, of each parcel of property within the area according to the assessment records of the municipality. A notice shall also be sent to all persons at their last known address, if any, whose names are noted on the assessment records as claimants of an interest in any such parcel. The assessor of the municipality shall make a notation upon the records when requested to do so by any person claiming to have an interest in any parcel of property in the municipality. The notice shall be published and mailed by the municipal clerk, or by such clerk or official as the planning board shall otherwise designate. Failure to mail any such notice shall not invalidate the investigation or determination thereon.

(4) At the hearing, which may be adjourned from time to time, the planning board shall hear all persons who are interested in or would be affected by a determination that the delineated area is a redevelopment area. All objections to such a determination and evidence in support of those objections, given orally or in writing, shall be received and considered and made part of the public record.

(5) (a) After completing its hearing on this matter, the planning board shall recommend that the delineated area, or any part thereof, be determined, or not be determined, by the municipal governing body to be a redevelopment area.

(b) After receiving the recommendation of the planning board, the municipal governing body may adopt a resolution determining that the delineated area, or any part thereof, is a redevelopment area.

(c) Upon the adoption of a resolution, the clerk of the municipality shall, forthwith, transmit a copy of the resolution to the Commissioner of Community Affairs for review. If the area in need of redevelopment is not situated in an area in which development or redevelopment is to be encour-
aged pursuant to any State law or regulation promulgated pursuant thereto, the determination shall not take effect without first receiving the review and the approval of the commissioner. If the commissioner does not issue an approval or disapproval within 30 calendar days of transmittal by the clerk, the determination shall be deemed to be approved. If the area in need of redevelopment is situated in an area in which development or redevelopment is to be encouraged pursuant to any State law or regulation promulgated pursuant thereto, then the determination shall take effect after the clerk has transmitted a copy of the resolution to the commissioner. The determination, if supported by substantial evidence and, if required, approved by the commissioner, shall be binding and conclusive upon all persons affected by the determination.

(d) Notice of the determination shall be served, within 10 days after the determination, upon all record owners of property located within the delineated area, those whose names are listed on the tax assessor’s records, and upon each person who filed a written objection thereto and stated, in or upon the written submission, an address to which notice of determination may be sent.

(e) If the governing body resolution assigning the investigation to the planning board, pursuant to subsection a. of this section, stated that the redevelopment determination shall establish a Condemnation Redevelopment Area, the notice of the determination required pursuant to subparagraph (d) of this paragraph shall indicate that:

(i) the determination operates as a finding of public purpose and authorizes the municipality to exercise the power of eminent domain to acquire property in the redevelopment area, and

(ii) legal action to challenge the determination must be commenced within 45 days of receipt of notice and that failure to do so shall preclude an owner from later raising such challenge.

(f) No municipality or redevelopment entity shall exercise the power of eminent domain to acquire property for redevelopment purposes within a Non-Condemnation Redevelopment Area.

(g) If a municipal governing body has determined an area to be a Non-Condemnation Redevelopment Area and is unable to acquire property that is necessary for the redevelopment project, the municipality may initiate and follow the process set forth in this section to determine whether the area or property is a Condemnation Redevelopment Area. Such determination shall be based upon the then-existing conditions and not based upon the condition of the area or property at the time of the prior Non-Condemnation Redevelopment Area determination.
(h) A property owner who has received notice pursuant to this section who does not file a legal challenge to the redevelopment determination affecting his or her property within 45 days of receipt of such notice shall thereafter be barred from filing such a challenge and, in the case of a Condemnation Redevelopment Area and upon compliance with the notice provisions of subparagraph (e) of this paragraph, shall further be barred from asserting a challenge to the redevelopment determination as a defense in any condemnation proceeding to acquire the property unless the municipality and the property owner agree otherwise.

(6) The municipality shall, for 45 days next following its determination, take no further action to acquire any property by condemnation within the redevelopment area.

(7) If any person shall, within 45 days after the adoption by the municipality of the determination, apply to the Superior Court, the court may grant further review of the determination by procedure in lieu of prerogative writ; and in any such action the court may make any incidental order that it deems proper.

c. An area determined to be in need of redevelopment pursuant to this section shall be deemed to be a "blighted area" for the purposes of Article VIII, Section III, paragraph 1 of the Constitution. If an area is determined to be a redevelopment area and a redevelopment plan is adopted for that area in accordance with the provisions of this act, the municipality is authorized to utilize all those powers provided in section 8 of P.L.1992, c.79 (C.40A:12A-8), except that a municipality may not acquire any land or building by condemnation pursuant to subsection c. of that section unless the land or building is located within (1) an area that was determined to be in need of redevelopment prior to the effective date of P.L.2013, c.159, or (2) a Condemnation Redevelopment Area for which the municipality has complied with the provisions of subparagraph (e) of paragraph (5) of subsection b. of this section.

3. Section 8 of P.L.1992, c.79 (C.40A:12A-8) is amended to read as follows:

C.40A:12A-8 Effectuation of development plan.

8. Upon the adoption of a redevelopment plan pursuant to section 7 of P.L.1992, c.79 (C.40A:12A-7), the municipality or redevelopment entity designated by the governing body may proceed with the clearance, replanning, development and redevelopment of the area designated in that plan. In order to carry out and effectuate the purposes of this act and the terms of
the redevelopment plan, the municipality or designated redevelopment entity may:

a. Undertake redevelopment projects, and for this purpose issue bonds in accordance with the provisions of section 29 of P.L.1992, c.79 (C.40A:12A-29).

c. Acquire, by condemnation, any land or building which is necessary for the redevelopment project, pursuant to the provisions of the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.), provided that the land or building is located within (1) an area that was determined to be in need of redevelopment prior to the effective date of P.L.2013, c.159, or (2) a Condemnation Redevelopment Area.

d. Clear any area owned or acquired and install, construct or reconstruct streets, facilities, utilities, and site improvements essential to the preparation of sites for use in accordance with the redevelopment plan.

e. Prepare or arrange by contract for the provision of professional services and the preparation of plans by registered architects, licensed professional engineers or planners, or other consultants for the carrying out of redevelopment projects.

f. Arrange or contract with public agencies or redevelopers for the planning, replanning, construction, or undertaking of any project or redevelopment work, or any part thereof; negotiate and collect revenue from a redeveloper to defray the costs of the redevelopment entity, including where applicable the costs incurred in conjunction with bonds, notes or other obligations issued by the redevelopment entity, and to secure payment of such revenue; as part of any such arrangement or contract, provide for extension of credit, or making of loans, to redevelopers to finance any project or redevelopment work, or upon a finding that the project or redevelopment work would not be undertaken but for the provision of financial assistance, or would not be undertaken in its intended scope without the provision of financial assistance, provide as part of an arrangement or contract for capital grants to redevelopers; and arrange or contract with public agencies or redevelopers for the opening, grading or closing of streets, roads, roadways, alleys, or other places or for the furnishing of facilities or for the acquisition by such agency of property options or property rights or for the furnishing of property or services in connection with a redevelopment area.

g. Except with regard to property subject to the requirements of P.L.2008, c.65 (C.40A:5-14.2 et al.), lease or convey property or improvements to any other party pursuant to this section, without public bidding and
at such prices and upon such terms as it deems reasonable, provided that the lease or conveyance is made in conjunction with a redevelopment plan, notwithstanding the provisions of any law, rule, or regulation to the contrary.

h. Enter upon any building or property in any redevelopment area in order to conduct investigations or make surveys, sounding or test borings necessary to carry out the purposes of this act.

j. Make, consistent with the redevelopment plan: (1) plans for carrying out a program of voluntary repair and rehabilitation of buildings and improvements; and (2) plans for the enforcement of laws, codes, and regulations relating to the use and occupancy of buildings and improvements, and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements.

k. Request that the planning board recommend and governing body designate particular areas as being in need of redevelopment or rehabilitation in accordance with the provisions of this act and make recommendations for the redevelopment or rehabilitation of such areas.

l. Study the recommendations of the planning board or governing body for redevelopment of the area.

m. Publish and disseminate information concerning any redevelopment area, plan or project.

n. Do all things necessary or convenient to carry out its powers.

4. Section 14 of P.L.1992, c.79 (C.40A:12A-14) is amended to read as follows:

C.40A:12A-14 Conditions for determination of need for rehabilitation.

14. a. A delineated area may be determined to be in need of rehabilitation if the governing body of the municipality determines by resolution that a program of rehabilitation, as defined in section 3 of P.L.1992, c.79 (C.40A:12A-3), may be expected to prevent further deterioration and promote the overall development of the community; and that there exist in that area any of the following conditions such that (1) a significant portion of structures therein are in a deteriorated or substandard condition; (2) more than half of the housing stock in the delineated area is at least 50 years old; (3) there is a pattern of vacancy, abandonment or underutilization of properties in the area; (4) there is a persistent arrearage of property tax payments
on properties in the area; (5) environmental contamination is discouraging improvements and investment in properties in the area; or (6) a majority of the water and sewer infrastructure in the delineated area is at least 50 years old and is in need of repair or substantial maintenance. Where warranted by consideration of the overall conditions and requirements of the community, a finding of need for rehabilitation may extend to the entire area of a municipality. Prior to adoption of the resolution, the governing body shall submit it to the municipal planning board for its review. Within 45 days of its receipt of the proposed resolution, the municipal planning board shall submit its recommendations regarding the proposed resolution, including any modifications which it may recommend, to the governing body for its consideration. Thereafter, or after the expiration of the 45 days if the municipal planning board does not submit recommendations, the governing body may adopt the resolution, with or without modification. The resolution shall not become effective without the approval of the commissioner pursuant to section 6 of P.L.1992, c.79 (C.40A:12A-6), if otherwise required pursuant to that section.

b. A delineated area shall be deemed to have been determined to be an area in need of rehabilitation in accordance with the provisions of this act if it has heretofore been determined to be an area in need of rehabilitation pursuant to P.L.1975, c.104 (C.54:4-3.72 et seq.), P.L.1977, c.12 (C.54:4-3.95 et seq.) or P.L.1979, c.233 (C.54:4-3.121 et al.).

c. (1) A municipality may adopt an ordinance declaring a renovation housing project to be an area in need of rehabilitation for the purposes of Article VIII, Section I, paragraph 6 of the New Jersey Constitution if the need for renovation resulted from conflagration.

(2) For the purposes of this subsection, "renovation housing project" means any work or undertaking to provide a decent, safe, and sanitary dwelling, to exclusively benefit a specific household, by the renovation, reconstruction, or replacement of the household's home on the same lot by either a charitable entity organized to perform home renovations or by a for-profit builder using 75% or more volunteer labor-hours to accomplish the construction for the project. The undertaking may include any buildings; demolition, clearance, or removal of buildings from land; equipment; facilities; or other personal properties or interests therein which are necessary, convenient, or desirable appurtenances of the undertaking.

d. (1) A municipality may adopt an ordinance declaring a renovation housing project to be an area in need of rehabilitation for the purposes of Article VIII, Section I, paragraph 6 of the New Jersey Constitution if at least half of the number of people occupying the dwelling as their primary

(2) For the purposes of this subsection, "renovation housing project" means any work or undertaking to provide a decent, safe, and sanitary single-family dwelling, to exclusively benefit at least half of the number of people occupying a dwelling as their primary residence, by the renovation, reconstruction, or replacement of that dwelling on the same lot by either a charitable entity organized to perform home renovations or by a for-profit builder using 75% or more volunteer labor-hours to accomplish the construction of the project. The undertaking may include any buildings; demolition, clearance, or removal of buildings from land; equipment; facilities; or other personal properties or interests therein which are necessary, convenient, or desirable appurtenances of the undertaking.

5. Section 15 of P.L.1992, c.79 (C.40A:12A-15) is amended to read as follows:

15. In accordance with the provisions of a redevelopment plan adopted pursuant to section 7 of P.L.1992, c.79 (C.40A:12A-7), a municipality or redevelopment entity may proceed with clearance, replanning, conservation, development, redevelopment and rehabilitation of an area in need of rehabilitation. With respect to a redevelopment project in an area in need of rehabilitation, the municipality or redevelopment entity, upon the adoption of a redevelopment plan: for the area, may perform any of the actions set forth in section 8 of P.L.1992, c.79 (C.40A:12A-8), except that with respect to such a project the municipality shall not have the power to take or acquire private property by condemnation in furtherance of a redevelopment plan, unless: a. the area is within (1) an area determined to be in need of redevelopment prior to the effective date of P.L.2013, c.159, or (2) a Condemnation Redevelopment Area and the municipality has complied with the notice requirements under subparagraph (e) of paragraph (5) of subsection b. of section 6 of P.L.1992, c.79 (C.40A:12A-6); or b. exercise of that power is authorized under any other law of this State.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L. 2009, c.307 (C.24:61-5) is amended to read as follows:

C.24:61-5 Certification authorizing medical use of marijuana.

a. Medical use of marijuana by a qualifying patient may be authorized pursuant to a certification which meets the requirements of this act. In order to provide such certification, a physician shall be licensed and in good standing to practice in the State. The certification shall attest that the above criteria have been met.

b. The provisions of subsection a. of this section shall not apply to a qualifying patient who is a minor unless the custodial parent, guardian, or person who has legal custody of the minor receives from the physician an explanation of the potential risks and benefits of the medical use of marijuana and consents in writing that the minor patient has that person's permission for the medical use of marijuana and that the person will control the acquisition and possession of the medical marijuana and any related paraphernalia from the alternative treatment center. The physician shall document the explanation of the potential risks and benefits in the minor patient's medical record.

2. Section 7 of P.L. 2009, c.307 (C.24:61-7) is amended to read as follows:

C.24:61-7 Applications for permits to operate as alternative treatment center; regulations.

a. The department shall accept applications from entities for permits to operate as alternative treatment centers, and may charge a reasonable fee
for the issuance of a permit under this section. The department shall seek to ensure the availability of a sufficient number of alternative treatment centers throughout the State, pursuant to need, including at least two each in the northern, central, and southern regions of the State. The first two centers issued a permit in each region shall be nonprofit entities, and centers subsequently issued permits may be nonprofit or for-profit entities.

An alternative treatment center shall be authorized to acquire a reasonable initial and ongoing inventory, as determined by the department, of marijuana seeds or seedlings and paraphernalia, possess, cultivate, plant, grow, harvest, process, display, manufacture, deliver, transfer, transport, distribute, supply, sell, or dispense marijuana, or related supplies to qualifying patients or their primary caregivers who are registered with the department pursuant to section 4 of this act. An alternative treatment center shall not be limited in the number of strains of medical marijuana cultivated, and may package and directly dispense marijuana to qualifying patients in dried form, oral lozenges, topical formulations, or edible form, or any other form as authorized by the commissioner. Edible form shall include tablets, capsules, drops or syrups and any other form as authorized by the commissioner. Edible forms shall be available only to qualifying patients who are minors.

Applicants for authorization as nonprofit alternative treatment centers shall be subject to all applicable State laws governing nonprofit entities, but need not be recognized as a 501(c)(3) organization by the federal Internal Revenue Service.

b. The department shall require that an applicant provide such information as the department determines to be necessary pursuant to regulations adopted pursuant to this act.

c. A person who has been convicted of a crime involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10, or any similar law of the United States or any other state shall not be issued a permit to operate as an alternative treatment center or be a director, officer, or employee of an alternative treatment center, unless such conviction occurred after the effective date of this act and was for a violation of federal law relating to possession or sale of marijuana for conduct that is authorized under this act.

d. (1) The commissioner shall require each applicant seeking a permit to operate as an alternative treatment center to undergo a criminal history record background check. For purposes of this section, the term "applicant" shall include any owner, director, officer, or employee of an alternative treatment center. The commissioner is authorized to exchange finger-
print data with and receive criminal history record background information from the Division of State Police and the Federal Bureau of Investigation consistent with the provisions of applicable federal and State laws, rules, and regulations. The Division of State Police shall forward criminal history record background information to the commissioner in a timely manner when requested pursuant to the provisions of this section.

An applicant shall submit to being fingerprinted in accordance with applicable State and federal laws, rules, and regulations. No check of criminal history record background information shall be performed pursuant to this section unless the applicant has furnished his written consent to that check. An applicant who refuses to consent to, or cooperate in, the securing of a check of criminal history record background information shall not be considered for a permit to operate, or authorization to be employed at, an alternative treatment center. An applicant shall bear the cost for the criminal history record background check, including all costs of administering and processing the check.

(2) The commissioner shall not approve an applicant for a permit to operate, or authorization to be employed at, an alternative treatment center if the criminal history record background information of the applicant reveals a disqualifying conviction as set forth in subsection c. of this section.

(3) Upon receipt of the criminal history record background information from the Division of State Police and the Federal Bureau of Investigation, the commissioner shall provide written notification to the applicant of his qualification for or disqualification for a permit to operate or be a director, officer, or employee of an alternative treatment center.

If the applicant is disqualified because of a disqualifying conviction pursuant to the provisions of this section, the conviction that constitutes the basis for the disqualification shall be identified in the written notice.

(4) The Division of State Police shall promptly notify the commissioner in the event that an individual who was the subject of a criminal history record background check conducted pursuant to this section is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of that notification, the commissioner shall make a determination regarding the continued eligibility to operate or be a director, officer, or employee of an alternative treatment center.

(5) Notwithstanding the provisions of subsection b. of this section to the contrary, the commissioner may offer provisional authority for an applicant to be an employee of an alternative treatment center for a period not to exceed three months if the applicant submits to the commissioner a sworn
statement attesting that the person has not been convicted of any disqualifying conviction pursuant to this section.

(6) Notwithstanding the provisions of subsection b. of this section to the contrary, no employee of an alternative treatment center shall be disqualified on the basis of any conviction disclosed by a criminal history record background check conducted pursuant to this section if the individual has affirmatively demonstrated to the commissioner clear and convincing evidence of rehabilitation. In determining whether clear and convincing evidence of rehabilitation has been demonstrated, the following factors shall be considered:

(a) the nature and responsibility of the position which the convicted individual would hold, has held or currently holds;
(b) the nature and seriousness of the crime or offense;
(c) the circumstances under which the crime or offense occurred;
(d) the date of the crime or offense;
(e) the age of the individual when the crime or offense was committed;
(f) whether the crime or offense was an isolated or repeated incident;
(g) any social conditions which may have contributed to the commission of the crime or offense; and

(h) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of those who have had the individual under their supervision.

e. The department shall issue a permit to a person to operate as an alternative treatment center if the department finds that issuing such a permit would be consistent with the purposes of this act and the requirements of this section are met and the department has verified the information contained in the application. The department shall approve or deny an application within 60 days after receipt of a completed application. The denial of an application shall be considered a final agency decision, subject to review by the Appellate Division of the Superior Court. The department may suspend or revoke a permit to operate as an alternative treatment center for cause, which shall be subject to review by the Appellate Division of the Superior Court.

f. A person who has been issued a permit pursuant to this section shall display the permit at the premises of the alternative treatment center at all times when marijuana is being produced, or dispensed to a registered qualifying patient or the patient's primary caregiver.

g. An alternative treatment center shall report any change in information to the department not later than 10 days after such change, or the permit shall be deemed null and void.
h. An alternative treatment center may charge a registered qualifying patient or primary caregiver for the reasonable costs associated with the production and distribution of marijuana for the cardholder.

i. The commissioner shall adopt regulations to:

(1) require such written documentation of each delivery of marijuana to, and pickup of marijuana for, a registered qualifying patient, including the date and amount dispensed, to be maintained in the records of the alternative treatment center, as the commissioner determines necessary to ensure effective documentation of the operations of each alternative treatment center;

(2) monitor, oversee, and investigate all activities performed by an alternative treatment center; and

(3) ensure adequate security of all facilities 24 hours per day, including production and retail locations, and security of all delivery methods to registered qualifying patients.

3. This act shall take effect immediately.

which are in danger of being relocated to premises outside of the State. To implement that purpose, and to the extent that funding for the program is available, the program may provide grants of tax credits. To be eligible for any grant of tax credits pursuant to P.L.1996, c.25 (C.34:1B-112 et seq.), a business shall demonstrate to the authority, at the time of application, that the grant of tax credits and resultant retention of full-time jobs and any capital investment will yield a net positive benefit to the State. The net benefit resulting from the retention of full-time jobs and any capital investment by a business that has had grant pre-application meetings with the authority and has executed contracts relating to the new business location during the period commencing May 1, 2010 until the enactment of P.L.2010, c.123, shall be calculated from the date of the initial grant pre-application meeting.

b. (1) If an application under P.L.1996, c.25 (C.34:1B-112 et seq.) has been received by the authority prior to the effective date of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.), then, to the extent that there remains sufficient financial authorization for the grant of tax credits, the authority is authorized to consider the application and to make a grant of tax credits to an eligible applicant, provided that the authority shall take final action on that grant of tax credits no later than December 31, 2013.

(3) If a business has submitted an application under P.L.1996, c.25 (C.34:1B-112 et seq.) and that application has not been approved for any reason, the lack of approval shall not serve to prejudice in any way the consideration of a new application as may be submitted by a business for the provision of incentives offered pursuant to the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.).

3. Section 4 of P.L.1996, c.26 (C.34:1B-127) is amended to read as follows:

C.34:1B-127 Project requirements.

4. a. A business may apply to the authority for a grant for any project which:

(1) Will create at least 25 eligible positions in the base years; or
(2) Will create at least 10 eligible positions in the base years if the business is an advanced computing company, an advanced materials company, a biotechnology company, an electronic device technology company, an environmental technology company, or a medical device technology company.

b. In the case of a business which is a landlord, the business may apply to the authority for a grant for any project in which at least 25 eligible positions are created in the base years.

c. A project which consists solely of point-of-final-purchase retail facilities shall not be eligible for a grant under P.L.1996, c.26 (C.34:1B-124 et seq.). If a project consists of both point-of-final-purchase retail facilities and non-retail facilities, only the portion of the project consisting of non-retail facilities shall be eligible for a grant, and only the withholdings from new employees which are employed in the portion of the project which represents non-retail facilities shall be used to determine the amount of the grant. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility shall not be eligible for a grant. For the purposes of P.L.1996, c.26 (C.34:1B-124 et seq.), catalog distribution centers shall not be considered point-of-final-purchase retail facilities.

d. (1) If an application under P.L.1996, c.26 (C.34:1B-124 et seq.) has been received by the authority prior to the effective date of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.), and, to the extent that there remains sufficient appropriations for grant issuance, then the authority is authorized to consider the application and to make a grant to an eligible applicant, provided that the authority shall take final action on that grant no later than December 31, 2013.

(3) If a business has submitted an application under P.L.1996, c.26 (C.34:1B-124 et seq.) and that application has not been approved for any reason, the lack of approval shall not serve to prejudice in any way the consideration of a new application as may be submitted by a business for the provision of incentives offered pursuant to the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.).

4. Section 3 of P.L.2007, c.346 (C.34:1B-209) is amended to read as follows:
CHAPTER 161, LAWS OF 2013 1261

C.34:1B-209 Credit for qualified business facilities, conditions for eligibility; allowance.

3. a. (1) A business, upon application to and approval from the authority, shall be allowed a credit of 100 percent of its capital investment, made after the effective date of P.L.2007, c.346 (C.34:1B-207 et seq.) but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified business facility within an eligible municipality, pursuant to the restrictions and requirements of this section. To be eligible for any tax credits authorized under this section, a business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified business facility will yield a net positive benefit to both the State and the eligible municipality. The value of all credits approved by the authority pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) shall not exceed $1,750,000,000, except as may be increased by the authority as set forth in paragraph (5) of subsection a. of P.L.2009, c.90 (C.34:1B-209.3) and section 6 of P.L.2010, c.5 (C.34:1B-209.4).

(2) A business, other than a tenant eligible pursuant to paragraph (3) of this subsection, shall make or acquire capital investments totaling not less than $50,000,000 in a qualified business facility, at which the business shall employ not fewer than 250 full-time employees to be eligible for a credit under this section. A business that acquires a qualified business facility shall also be deemed to have acquired the capital investment made or acquired by the seller.

(3) A business that is a tenant in a qualified business facility, the owner of which has made or acquired capital investments in the facility totaling not less than $50,000,000, shall occupy a leased area of the qualified business facility that represents at least $17,500,000 of the capital investment in the facility at which the tenant business and up to two other tenants in the qualified business facility shall employ not fewer than 250 full-time employees in the aggregate to be eligible for a credit under this section. The amount of capital investment in a facility that a leased area represents shall be equal to that percentage of the owner's total capital investment in the facility that the percentage of net leasable area leased by the tenant is of the total net leasable area of the qualified business facility. Capital investments made by a tenant shall be deemed to be included in the calculation of the capital investment made or acquired by the owner, but only to the extent necessary to meet the owner's minimum capital investment of $50,000,000. Capital investments made by a tenant and not allocated to meet the owner's minimum capital investment threshold of $50,000,000 shall be added to the
amount of capital investment represented by the tenant's leased area in the qualified business facility.

(4) A business shall not be allowed tax credits under this section if the business participates in a business employment incentive grant relating to the same capital and employees that qualify the business for this credit, or if the business receives assistance pursuant to P.L.1996, c.25 (C.34:1B-112 et seq.). A business that is allowed a tax credit under this section shall not be eligible for incentives authorized pursuant to P.L.2002, c.43 (C.52:27BBB-1 et al.). A business shall not qualify for a tax credit under this section, based upon capital investment and employment of full-time employees, if that capital investment or employment was the basis for which a grant was provided to the business pursuant to the "InvestNJ Business Grant Program Act," P.L.2008, c.112 (C.34:1B-237 et seq.).

(5) Full-time employment for an accounting or privilege period shall be determined as the average of the monthly full-time employment for the period.

(6) The capital investment of the owner of a qualified business facility is that percentage of the capital investment made or acquired by the owner of the building that the percentage of net leasable area of the qualified business facility not leased to tenants is of the total net leasable area of the qualified business facility.

(7) A business shall be allowed a tax credit of 100 percent of its capital investment, made after the effective date of P.L.2011, c.89 but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified business facility that is part of a mixed use project, provided that (a) the qualified business facility represents at least $17,500,000 of the total capital investment in the mixed use project, (b) the business employs not fewer than 250 full-time employees in the qualified business facility, and (c) the total capital investment in the mixed use project of which the qualified business facility is a part is not less than $50,000,000. The allowance of credits under this paragraph shall be subject to the restrictions and requirements, to the extent that those are not inconsistent with the provisions of this paragraph, set forth in paragraphs (1) through (6) of this subsection, including but not limited to the requirement that the business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified business facility will yield a net positive benefit to both the State and the eligible municipality.

(8) In determining whether a proposed capital investment will yield a net positive benefit, the authority shall not consider the transfer of an existing job from one location in the State to another location in the State as the creation of a new job, unless (a) the business proposes to transfer existing
jobs to a municipality in the State as part of a consolidation of business operations from two or more other locations that are not in the same municipality whether in-State or out-of-State, or (b) the business's chief executive officer, or equivalent officer, submits a certification to the authority indicating that the existing jobs are at risk of leaving the State and that the business's chief executive officer, or equivalent officer, has reviewed the information submitted to the authority and that the representations contained therein are accurate, and the business intends to employ not fewer than 500 full-time employees in the qualified business facility. In the event that this certification by the business's chief executive officer, or equivalent officer, is found to be willfully false, the authority may revoke any award of tax credits in their entirety, which revocation shall be in addition to any other criminal or civil penalties that the business and the officer may be subject to. When considering an application involving intra-State job transfers, the authority shall require the company to submit the following information as part of its application: a full economic analysis of all locations under consideration by the company; all lease agreements, ownership documents, or substantially similar documentation for the business's current in-State locations; and all lease agreements, ownership documents, or substantially similar documentation for the potential out-of-State location alternatives, to the extent they exist. Based on this information, and any other information deemed relevant by the authority, the authority shall independently verify and confirm, by way of making a factual finding by separate vote of the authority's board, the business's assertion that the jobs are actually at risk of leaving the State, before a business may be awarded any tax credits under this section.

b. (1) If applications under this section have been received by the authority prior to the effective date of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.), then, to the extent that there remains sufficient financial authorization for the award of a tax credit, the authority is authorized to consider those applications and to make awards of tax credits to eligible applicants, provided that the authority shall take final action on those applications no later than December 31, 2013.

(3) If a business has submitted an application under this section and that application has not been approved for any reason, the lack of approval shall not serve to prejudice in any way the consideration of a new application as may be submitted for the qualified business facility for the provision

(4) Tax credits awarded pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) for applications submitted to and approved by the authority prior to the effective date of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.), shall be administered by the authority in the manner established prior to that date.

(5) With respect to an application received by the authority prior to the effective date of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.) for a qualified business facility that is located on or adjacent to the campus of an acute care medical facility, (a) the minimum number of full-time employees required for eligibility under the program may be employed by any number of tenants or other occupants of the facility, in the aggregate, and the initial satisfaction of such requirement following completion of the project shall be deemed to satisfy the employment requirements of the program in all respects, and (b) if the capital investment in the facility exceeds $100,000,000, the determination of the net positive benefit yield shall be based on the benefits generated during a period of up to 30 years following the completion of the project, as determined by the authority.

c. (1) The amount of credit allowed shall, except as otherwise provided, be equal to the capital investment made by the business, or the capital investment represented by the business' leased area, or area owned by the business as a condominium, and shall be taken over a 10-year period, at the rate of one-tenth of the total amount of the business' credit for each tax accounting or privilege period of the business, beginning with the tax period in which the business is first certified by the authority as having met the investment capital and employment qualifications, subject to any reduction or disqualification as provided by subsection d. of this section as determined by annual review by the authority. In conducting its annual review, the authority may require a business to submit any information determined by the authority to be necessary and relevant to its review.

The credit amount for any tax period ending after July 28, 2017 during which the documentation of a business' credit amount remains uncertified shall be forfeited, although credit amounts for the remainder of the years of the 10-year credit period shall remain available to it.

The credit amount that may be taken for a tax period of the business that exceeds the final liabilities of the business for the tax period may be carried forward for use by the business in the next 20 successive tax periods, and shall expire thereafter, provided that the value of all credits ap-
proven by the authority against tax liabilities pursuant to P.L.2007, c.346 (C.34:1B-207 et seq.) in any fiscal year shall not exceed $260,000,000.

The amount of credit allowed for a tax period to a business that is a tenant in a qualified business facility shall not exceed the business' total lease payments for occupancy of the qualified business facility for the tax period.

(2) A business that is a partnership shall not be allowed a credit under this section directly, but the amount of credit of an owner of a business shall be determined by allocating to each owner of the partnership that proportion of the credit of the business that is equal to the owner of the partnership's share, whether or not distributed, of the total distributive income or gain of the partnership for its tax period ending within or with the owner's tax period, or that proportion that is allocated by an agreement, if any, among the owners of the partnership that has been provided to the Director of the Division of Taxation in the Department of the Treasury by such time and accompanied by such additional information as the director may require.

(3) The amount of credit allowed may be applied against the tax liability otherwise due pursuant to section 5 of P.L.1945, c.162 (C.54:1OA-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5.

  d. (1) If, in any tax period, fewer than 200 full-time employees of the business at the qualified business facility are employed in new full-time positions, the amount of the credit otherwise determined pursuant to final calculation of the award of tax credits pursuant to subsection c. of this section shall be reduced by 20 percent for that tax period and each subsequent tax period until the first period for which documentation demonstrating the restoration of the 200 full-time employees employed in new full-time positions at the qualified business facility has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed; provided, however, that for businesses applying before January 1, 2010, there shall be no reduction if a business relocates to an urban transit hub from another location or other locations in the same municipality. For the purposes of this paragraph, a "new full-time position" means a position created by the business at the qualified business facility that did not previously exist in this State.

  (2) If, in any tax period, the business reduces the total number of full-time employees in its Statewide workforce by more than 20 percent from the number of full-time employees in its Statewide workforce in the last tax accounting or privilege period prior to the credit amount approval under subsection a. of this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period
for which documentation demonstrating the restoration of the business' Statewide workforce to the threshold levels required by this paragraph has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(3) If, in any tax period, (a) the number of full-time employees employed by the business at the qualified business facility located in an urban transit hub within an eligible municipality drops below 250, or (b) the number of full-time employees, who are not the subject of intra-State job transfers, pursuant to paragraph (8) of subsection a. of this section, employed by the business at any other business facility in the State, whether or not located in an urban transit hub within an eligible municipality, drops by more than 20 percent from the number of full-time employees in its workforce in the last tax accounting or privilege period prior to the credit amount approval under this section, then the business shall forfeit its credit amount for that tax period and each subsequent tax period, until the first tax period for which documentation demonstrating the restoration of the number of full-time employees employed by the business at the qualified business facility to 250 or an increase above the 20 percent reduction has been reviewed and approved by the authority, for which tax period and each subsequent tax period the full amount of the credit shall be allowed.

(4) (i) If the qualified business facility is sold in whole or in part during the 10-year eligibility period the new owner shall not acquire the capital investment of the seller and the seller shall forfeit all credits for the tax period in which the sale occurs and all subsequent tax periods, provided however that any credits of tenants shall remain unaffected.

(ii) If a tenant subleases its tenancy in whole or in part during the 10-year eligibility period the new tenant shall not acquire the credit of the sublessor, and the sublessor tenant shall forfeit all credits for the tax period of its sublease and all subsequent tax periods.

e. (1) The Executive Director of the New Jersey Economic Development Authority, in consultation with the Director of the Division of Taxation in the Department of the Treasury, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as are necessary to implement this act, including but not limited to: examples of and the determination of capital investment; the enumeration of eligible municipalities; specific delineation of urban transit hubs; the determination of the limits, if any, on the expense or type of furnishings that may constitute capital improvements; the promulgation of procedures and forms necessary to apply for a credit, including the enumeration of the certification procedures and allocation of tax credits for different phases of a quali-
fied business facility or mixed use project; and provisions for credit applicants to be charged an initial application fee, and ongoing service fees, to cover the administrative costs related to the credit.

(2) Through regulation, the Economic Development Authority shall establish standards based on the green building manual prepared by the Commissioner of Community Affairs pursuant to section 1 of P.L.2007, c.132 (C.52:27D-130.6), regarding the use of renewable energy, energy-efficient technology, and non-renewable resources in order to reduce environmental degradation and encourage long-term cost reduction.

5. Section 33 of P.L.2009, c.90 (C.34:1B-209.1) is amended to read as follows:

C.34:1B-209.1 Application for tax credit transfer certificate.

33. A business may apply to the Director of the Division of Taxation in the Department of the Treasury and the executive director of the authority for a tax credit transfer certificate, covering one or more years, in lieu of the business being allowed any amount of the credit against the tax liability of the business. The tax credit transfer certificate, upon receipt thereof by the business from the director and the executive director of the authority, may be sold or assigned, in full or in part, in an amount not less than $100,000 of tax credits, although one transfer in each tax period may be in an amount less than $100,000 to any other person that may have a tax liability pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), pursuant to section 1 of P.L.1950, c.231 (C.17:32-15), or pursuant to N.J.S.17B:23-5. The certificate provided to the business shall include a statement waiving the business's right to claim that amount of the credit against the taxes that the business has elected to sell or assign. The sale or assignment of any amount of a tax credit transfer certificate allowed under this section shall not be exchanged for consideration received by the business of less than 75 percent of the transferred credit amount before considering any further discounting to present value which shall be permitted. Any amount of a tax credit transfer certificate used by a purchaser or assignee against a tax liability shall be subject to the same limitations and conditions that apply to the use of the credit by the business that originally applied for and was allowed the credit.

6. Section 35 of P.L.2009, c.90 (C.34:1B-209.3) is amended to read as follows:
C.34:1B-209.3 Developer allowed certain tax credits.

35. a. (1) A developer, upon application to and approval from the authority, shall be allowed a credit of up to 35 percent of its capital investment, or up to 40 percent for a project located in a Garden State Growth Zone, made after the effective date of P.L.2009, c.90 (C.52:27D-489a et al.) but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified residential project, pursuant to the restrictions and requirements of this section. To be eligible for any tax credits authorized under this section, a developer shall demonstrate to the authority, through a project pro forma analysis at the time of application, that the qualified residential project is likely to be realized with the provision of tax credits at the level requested but is not likely to be accomplished by private enterprise without the tax credits. The value of all credits approved by the authority pursuant to this section for qualified residential projects may be up to $150,000,000, except as may be increased by the authority as set forth below and as set forth in paragraph (5) of this subsection; provided, however, that the combined value of all credits approved by the authority pursuant to section 3 of P.L.2007, c.346 (C.34:1B-207) and this section shall not exceed $1,750,000,000, except as may be increased by the authority as set forth in paragraph (5) of this subsection. The authority shall monitor application and allocation activity under P.L.2007, c.346 (C.34:1B-207 et seq.), and if sufficient credits are available after taking into account allocation under P.L.2007, c.346 (C.34:1B-207 et seq.) to those qualified business facilities for which applications have been filed or for which applications are reasonably anticipated, and if the executive director judges certain qualified residential projects to be meritorious, the aforementioned $150,000,000 cap may, in the discretion of the executive director, from time to time, be exceeded for allocation to qualified residential projects in such amounts as the executive director deems reasonable, justified, and appropriate. In allocating all credits to qualified residential projects under this section, the executive director shall take into account, together with other factors deemed relevant by the executive director: input from the municipality in which the project is to be located, whether the project contributes to the recovery of areas affected by Hurricane Sandy, whether the project furthers specific State or municipal planning and development objectives, or both, and whether the project furthers a public purpose, such as catalyzing urban development or maximizing the value of vacant, dilapidated, outmoded, government-owned, or underutilized property, or both.

(2) A developer shall make or acquire capital investments totaling not less than $50,000,000 in a qualified residential project to be eligible for a
credit under this section. A developer that acquires a qualified residential project shall also be deemed to have acquired the capital investment made or acquired by the seller.

(3) The capital investment requirement may be met by the developer or by one or more of its affiliates.

(4) A developer of a mixed use project shall be allowed a credit pursuant to subparagraph (a) or (b) of this paragraph, but not both.

(a) A developer shall be allowed a credit in accordance with this section for a qualified residential project that includes a mixed use project.

(b) A developer shall be allowed a credit of up to 35 percent of its capital investment, or up to 40 percent for a project located in a Garden State Growth Zone, made after the effective date of P.L. 2011, c.89 but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified residential project that is part of a mixed use project, provided that: (a) the capital investment in the qualified residential project represents at least $17,500,000 of the total capital investment in the mixed use project; and (b) the total capital investment in the mixed use project of which the qualified residential project is a part is not less than $50,000,000.

The allowance of credits under this paragraph shall be subject to the restrictions and requirements, to the extent that those are not inconsistent with the provisions of this paragraph, set forth in paragraphs (1) through (3) of this subsection, including but not limited to the requirement prescribed in paragraph (1) of this subsection that the developer shall demonstrate to the authority, through a project pro forma analysis at the time of application, that the qualified residential project is likely to be realized with the provision of tax credits at the level requested but is not likely to be accomplished by private enterprise without the tax credits.

As used in this subparagraph:

"Mixed use project" means a project comprising both a qualified residential project and a qualified business facility.

(5) The authority may approve and allocate credits for qualified residential projects in a value sufficient to meet the requirements of all applications that were received by the authority between October 24, 2012 and December 21, 2012, without regard to the terms of any competitive solicitation, except for the $33,000,000 per project cap, and without need for reapplication by any applicant. The authority shall take final action on those applications prior to the 120th day after the date of enactment of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.).
b. (1) A developer shall apply for the credit under this section on or prior to December 21, 2012 but may thereafter supplement an application as may be requested by the authority. A developer shall submit its documentation for approval of its credit amount no later than April 26, 2017.

(2) If a developer has submitted an application under this section and the application has not been approved for any reason, the lack of approval shall not serve to prejudice in any way the consideration of a new application as may be submitted for the project for the provision of incentives offered pursuant to the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.).

c. The credit shall be administered in accordance with the provisions of subsections c. and e. of section 3 of P.L.2007, c.346 (C.34:1B-209), as amended by section 32 of P.L.2009, c.90, and section 33 of P.L.2009, c.90 (C.34:1B-209.1), except that (1) all references therein to "business" and "qualified business facility" shall be deemed to refer respectively to "developer" and "qualified residential project," as such terms are defined in section 34 of P.L.2009, c.90 (C.34:1B-209.2) and (2) all references therein to credits claimed by tenants and to reductions or disqualifications in credits as determined by annual review of the authority shall be disregarded. Provided however, for purposes of a "mixed use project" as that term is used and defined pursuant to subparagraph (b) of paragraph (4) of subsection a. of this section, "qualified business facility" means that term as defined pursuant to section 2 of P.L.2007, c.346 (C.34:1B-208).

7. Section 2 of P.L.2011, c.149 (C.34:1B-243) is amended to read as follows:

C.34:1B-243 Definitions relative to the “Grow New Jersey Assistance Act.”

2. As used in P.L.2011, c.149 (C.34:1B-242 et seq.):

"Affiliate" means an entity that directly or indirectly controls, is under common control with, or is controlled by the business. Control exists in all cases in which the entity is a member of a controlled group of corporations as defined pursuant to section 1563 of the Internal Revenue Code of 1986 (26 U.S.C.s.1563) or the entity is an organization in a group of organizations under common control as defined pursuant to subsection (b) or (c) of section 414 of the Internal Revenue Code of 1986 (26 U.S.C.s.414). A taxpayer may establish by clear and convincing evidence, as determined by the Director of the Division of Taxation in the Department of the Treasury, that control exists in situations involving lesser percentages of ownership than required by those statutes. An affiliate of a business may contribute to
meeting either the qualified investment or full-time employee requirements of a business that applies for a credit under section 3 of P.L.2007, c.346 (C.34:1B-209).

"Authority" means the New Jersey Economic Development Authority established by section 4 of P.L.1974, c.80 (C.34:1B-4).

a corporation that is subject to the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5);

a corporation that is subject to the tax imposed pursuant to sections 2 and 3 of P.L.1945, c.132 (C.54:18A-2 and 54:18A-3), section 1 of P.L.1950, c.231 (C.17:32-15) or N.J.S.17B:23-5;

a partnership;

an S corporation;

a limited liability company; or

a non-profit corporation.

If the business or tenant is a cooperative or part of a cooperative, then the cooperative may qualify for credits by counting the full-time employees and capital investments of its member organizations, and the cooperative may distribute credits to its member organizations. If the business or tenant is a cooperative that leases to its member organizations, the lease shall be treated as a lease to an affiliate or affiliates.

A business shall include an affiliate of the business if that business applies for a credit based upon any capital investment made by or full-time employees of an affiliate.

"Capital investment" in a qualified business facility means expenses by a business or any affiliate of the business incurred after application for:

Any amount of a tax credit transfer certificate used by a purchaser or assignee against a tax liability shall be subject to the same limitations and conditions that apply to the use of the credit by the developer who originally applied for and was allowed the credit.

c. All administrative costs associated with the incentive grant shall be assessed to the applicant and be retained by the State Treasurer from the annual incentive grant payments.

d. The incremental revenue for the revenues listed in subsection a. of this section shall be calculated as the difference between the amount collected in any fiscal year from any eligible revenue source included in the State redevelopment incentive grant agreement, less the revenue increment base for that eligible revenue.

e. The municipality is authorized to collect any and all information necessary to facilitate grants under this program and remit that information, as may be required from time to time, in order to assist in the calculation of incremental revenue.

18. Section 8 of P.L.2009, c.90 (C.52:27D-489h) is amended to read as follows:

c. (1) With regard to State tax revenues proposed to be pledged for an
incentive grant the authority and the State Treasurer shall review the project
costs, evaluate and validate the project financing gap estimated by the de-

public assistance provided to the project, except with regards to a qualified
residential project, will result in net benefits to the State including, without
limitation, both direct and indirect economic benefits and non-financial
community revitalization objectives, including but not limited to, the pro-
motion of the use of public transportation in the case of the ancillary infra-
structure project portion of any transit project.
(2) With regard to local incremental revenues proposed to be pledged
for an incentive grant the authority and the Local Finance Board shall re-
view the project costs, and except with respect to an application by a mu-
nicipal redeveloper, evaluate and validate the project financing gap pro-
jected by the developer, and conduct a local fiscal impact analysis to ensure
that the overall public assistance provided to the project, except with re-
gards to a qualified residential project, will result in net benefits to the mu-
nicipality wherein the redevelopment project is located including, without
limitation, both direct and indirect economic benefits and non-financial
community revitalization objectives, including but not limited to, the pro-
motion of the use of public transportation in the case of the ancillary infra-

prior to the effective date of the "New Jersey Economic Opportunity Act of
2013," P.L.2013, c.161 (C.52:27D-489p et al.), but who has not yet been
approved for such grant, or has not executed an agreement with the author-
ity, may proceed under that application or seek to amend such application
or reapply for an incentive grant award for the same project or any part thereof for the purpose of availing itself of any more favorable provisions of the Economic Redevelopment and Growth Grant program established pursuant to the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.), except that projects with costs exceeding $200,000,000 shall not be eligible for revised percentage caps under subsection d. of section 19 of P.L.2013, c.161 (C.52:27D-489i).

19. Section 9 of P.L.2009, c.90 (C.52:27D-489i) is amended to read as follows:

C.52:27D-489i Certain grant agreements permitted.

9. a. The authority is authorized to enter into a redevelopment incentive grant agreement with a developer for any redevelopment project located within a qualifying economic redevelopment and growth grant incentive area that does not qualify as such area solely by virtue of being a transit village.

c. The Chief Executive Officer of the authority, in consultation with the State Treasurer shall negotiate the terms and conditions of any redevelopment incentive grant agreement on behalf of the State.

d. Except for redevelopment incentive grant agreements with a municipal redeveloper or with the developer of a redevelopment project solely with respect to the cost of infrastructure improvements in the public right-of-way including any ancillary infrastructure project in the public right-of-way, in no event shall the base amount of the combined reimbursements under redevelopment incentive grant agreements with the State or municipality exceed 20 percent of the total project cost, except in a Garden State Growth Zone, which shall not exceed 30 percent.

(2) The authority shall be permitted to increase the amount of the reimbursement under the redevelopment incentive grant agreement with the State by up to 10 percent of the total project cost if the project is:

(b) located in a distressed municipality which lacks adequate access to health care and health services in the judgment of the Chief Executive Officer of the authority and will include a health care and health services center with a minimum of 10,000 square feet of space devoted to the provision of health care and health services;

e. Except in the case of a qualified residential project, the authority and the State Treasurer may enter into a redevelopment incentive grant agreement only if they make a finding that the State revenues to be realized from the redevelopment project will be in excess of the amount necessary to reimburse the developer for its project financing gap. This finding may be made by an estimation based upon the professional judgment of the Chief Executive Officer of the authority and the State Treasurer.
f. In deciding whether or not to recommend entering into a redevelopment incentive grant agreement and in negotiating a redevelopment agreement with a developer, the Chief Executive Officer of the authority shall consider the following factors:

(1) the economic feasibility of the redevelopment project;
(2) the extent of economic and related social distress in the municipality and the area to be affected by the redevelopment project or the level of site specific distress to include dilapidated conditions, brownfields designation, environmental contamination, pattern of vacancy, abandonment, or under utilization of the property, rate of foreclosures, or other site conditions as determined by the authority;

(5) the relationship of the redevelopment project to a comprehensive local development strategy, including other major projects undertaken within the municipality;
(6) the need of the redevelopment incentive grant agreement to the viability of the redevelopment project or the promotion of the use of public transportation; and
(7) the degree to which the redevelopment project enhances and promotes job creation and economic development or the promotion of the use of public transportation.

g. (1) A developer that has entered into a redevelopment incentive grant agreement with the authority and the State Treasurer pursuant to this section may, upon notice to and consent of the authority and the State Treasurer, pledge, assign, transfer, or sell any or all of its right, title and interest in and to such agreements and in the incentive grants payable thereunder, and the right to receive same, along with the rights and remedies provided to the developer under such agreement. Any such assignment shall be an absolute assignment for all purposes, including the federal bankruptcy code.
(2) Any pledge of incentive grants made by the developer shall be valid and binding from the time when the pledge is made and filed in the records of the authority. The incentive grants so pledged and thereafter received by the developer shall immediately be subject to the lien of the pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the developer irrespective of whether the parties have notice thereof. Neither the redevelopment incentive grant agreement nor any other instrument by which a pledge under this section is created need be filed or recorded except with the authority.

20. Section 11 of P.L.2009, c.90 (C.52:27D-489k) is amended to read as follows:

C.52:27D-489k Agreement between developer and municipality.

11. a. The governing body of a municipality is authorized to enter into a redevelopment incentive grant agreement with a developer, which shall not be effective until adopted by ordinance, for any redevelopment project located within a qualifying economic redevelopment and growth grant incentive area.

b. The redevelopment incentive grant agreement shall specify the maximum amount of project costs, the amount of the incentive grant to be awarded the developer, the frequency of payments, and the eligibility period. The maximum amount of any municipal redevelopment incentive grant shall be equal to:

   (1) 100 percent of the project costs in the case of a municipal redeveloper, or
   (2) for all other developers, the maximum amount of any redevelopment incentive grant agreement shall be 30 percent of the total project costs, or 40 percent if located in a Garden State Growth Zone.

c. Except in the case of a qualified residential project, the municipality may enter into a redevelopment incentive grant agreement only if the chief financial officer of the municipality makes a finding that the incremental revenues to be realized from the redevelopment project will be in excess of the amount necessary to reimburse the developer for its project financing gap. Such finding shall be based upon appropriate documentation and calculations supporting the decision.

d. Within a qualifying economic redevelopment and growth grant incentive area a municipality that has entered into a local redevelopment in-
ecentive grant agreement may pledge eligible revenues it is authorized to collect as follows:

(2) incremental revenues collected from payroll taxes, with respect to business activities carried on within the area, pursuant to section 15 of P.L.1970, c.326 (C.40:48C-15);

(3) incremental revenue from lease payments made to the municipality, the developer, or the developer's successors with respect to property located in the area;

(b) within Planning Area 1 (Metropolitan) under the State Development and Redevelopment Plan adopted pursuant to the "State Planning Act," sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.), a municipality may impose the entire State sales tax on business activities within a redevelopment project located in an urban enterprise zone that would ordinarily be entitled to collect reduced rate revenues under section 21 of P.L.1983, c.303 (C.52:27H-80), and pledge the excess revenues to a local redevelopment incentive grant agreement;

(7) incremental parking revenue collected, pursuant to section 7 of P.L.1970, c.326 (C.40:48C-7), from public parking facilities built as part of a redevelopment project, except for public parking facilities owned by parking authorities pursuant to the "Parking Authority Law," P.L.1948, c.198 (C.40:11A-1 et seq.);

(9) upon approval by the Local Finance Board, other incremental municipal revenues that may become available;

(10) the property tax increment, except in the case of a Garden State Growth Zone, in which such property tax increment and any other incremental revenues are calculated as those incremental revenues that would have existed notwithstanding the provisions of the “New Jersey Economic Opportunity Act of 2013,” P.L.2013, c.161 (C.52:27D-489p et al.).

The incremental revenue for the revenues listed in this subsection, when applicable, shall be calculated as the difference between the amount collected in any fiscal year from any eligible revenue source included in the local redevelopment incentive grant agreement, less the revenue increment base for that eligible revenue.

(2) The amount of property tax increment not pledged toward a redevelopment incentive grant agreement shall be allocated pursuant to the normal tax rate distribution.

The full incremental value of a project area shall be included in the value used for county and regional school tax apportionment until such time that the Director of the Division of Taxation in the Department of the Treasury can certify that property tax management systems are capable of handling the technical and legal requirements of treating parcels in areas of redevelopment as exempt from county and regional school apportionment.

f. In addition to the incremental revenues that may be pledged in subsection d. of this section, any amount of tax proceeds collected from the tax on the rental of motor vehicles pursuant to section 20 of P.L.2009, c.90 (C.40:48H-2), may be included in a redevelopment incentive grant agreement with a developer, regardless of whether or not the redevelopment project area is within or outside of the designated industrial zone from which the tax on the rental of motor vehicles is collected.

g. (1) A developer that has entered into a redevelopment incentive grant agreement with a municipality pursuant to this section may, upon notice to and consent of the municipality, pledge, assign, transfer, or sell any or all of its right, title and interest in and to such agreements and in the incentive grants payable thereunder, and the right to receive same, along with the rights and remedies provided to the developer under such agreement. Any
such assignment shall be an absolute assignment for all purposes, including
the federal bankruptcy code.

(2) Any pledge of incentive grants made by the developer shall be
valid and binding from the time when the pledge is made and filed in the
office of the municipal clerk. The incentive grants so pledged and thereaf­
er received by the developer shall immediately be subject to the lien of the
pledge without any physical delivery thereof or further act, and the lien of
any pledge shall be valid and binding as against all parties having claims of
any kind in tort, contract, or otherwise against the developer irrespective of
whether the parties have notice thereof. Neither the redevelopment incentive
grant agreement nor any other instrument by which a pledge under this
section is created need be filed or recorded except with the municipality.

21. On or before July 1, 2018, the authority shall submit a written re­
port to the Governor and the Legislature providing a comprehensive review
and analysis of the Grow New Jersey Assistance Program, established pur­
suant to P.L.2011, c.149 (C.34:1B-242 et seq.), the State Economic Rede­
velopment and Growth Grant program, established pursuant to section 5 of
P.L.2009, c.90 (C.52:27D-489e), and other economic incentive laws under
the authority's jurisdiction, with particular emphasis on the recalibration of
those programs and the creation of Garden State Growth Zones, pursuant to
P.L.2013, c.161 (C.52:27D-489p et al.), and the effectiveness of those pro­
grams on economic development and private-sector job retention and
growth. In order to ensure the independence and objectivity of the report,
the authority shall retain a premier, not-for-profit, non-partisan entity to
undertake the review and analysis of the State economic incentive laws,
which shall include a cost-benefit analysis of each incentive program, an
assessment of the success of each program in meeting the goals of the pro­
gram, and any recommendations for improving the operation and effective­
ness of each program, including recommendations for legislation.

C.52:27D-489q Findings, declarations relative to the “New Jersey Economic Opportu­
nity Act of 2013.”

22. The Legislature finds and declares that:

a. Healthy, thriving municipalities are vital to the health, safety, and
economic well-being of the State.

b. Municipalities that are economically distressed adversely impact
not only that municipality, but also affect the county and region where they
are located as well as the whole State.
c. Numerous programs have been previously established to assist municipalities in economic and fiscal distress to enable them to regain health and vitality, including programs to provide increasing degrees of oversight and to provide substantial amounts of financial aid and incentives.

d. While these existing programs have proven successful in aiding a number of municipalities, others are in such difficult straits that such measures have not proven sufficient. Thus, extraordinary measures are required now to turn around the fate of such municipalities.

e. The new programs provided herein will have a substantial likelihood of achieving success where prior programs have not, and employing these programs now is crucial to the economic well-being of the county, region, and State.

f. Accordingly, the municipalities identified as Garden State Growth Zones are hereby declared blighted areas and areas in need of rehabilitation, provided however, that this declaration alone shall not be used to allow any property to be taken or acquired.

C.52:27D-489r Definitions relative to the “New Jersey Economic Opportunity Act of 2013.”

23. As used in section 24 of P.L.2013, c.161 (C.52:27D-489s):
“Director” means the Director of the Division of Taxation.

For the purpose of this definition, an eligible person is limited to those who establish a permanent residency at the eligible residential residence, are subject to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., and are current with all State and local tax obligations.
“Eligible property” means any residential, commercial, industrial, or other business property, located in a Garden State Growth Zone, that receives a Certificate of Occupancy or is transferred in a legal sale on or after July 1, 2013. Purchasers of newly constructed homes are not the applicant.
“Exemption” means that portion of the assessor’s full and true value of any improvement, conversion, alteration, redevelopment, rehabilitation, or construction not regarded as increasing the taxable value of a property pursuant to P.L.2013, c.161 (C.52:27D-489p et al.) for the purposes of encouraging the construction, conversion, improvement, and redevelopment of
real property conducted by eligible businesses or residents within a growth zone pursuant to P.L.2013, c.161 (C.52:27D-489p et al.).

"Garden State Growth Zone" or "growth zone" means the four New Jersey cities with the lowest median family income based on the 2009 American Community Survey from the US Census, (Table 708. Household, Family, and Per Capita Income and Individuals, and Families Below Poverty Level by City: 2009).

"Garden State Growth Zone Development Entity" means a private corporation incorporated pursuant to Title 14A of the New Jersey Statutes, or established pursuant to Title 42 of the Revised Statutes, for which the profits of the entity are limited as follows. The allowable net profits of the entity shall be determined by applying the allowable profit rate to the total project cost, and all capital costs, determined in accordance with generally accepted accounting principles, of any other entity whose revenue is included in the computation of excess profits, for the period commencing on the date on which the construction of the project is completed, and terminating at the close of the fiscal year of the entity preceding the date on which the computation is made, where:

"Allowable profit rate" means the greater of 12 percent or the percentage per annum arrived at by adding one and 1/4 percent to the annual interest percentage rate payable on the entity's initial permanent mortgage financing. If the initial permanent mortgage is insured or guaranteed by a governmental agency, the mortgage insurance premium or similar charge, if payable on a per annum basis, shall be considered as interest for this purpose. If there is no permanent mortgage financing the allowable profit rate shall be the greater of 12 percent or the percentage per annum arrived at by adding one and 1/4 percent per annum to the interest rate per annum which the municipality determines to be the prevailing rate on mortgage financing on comparable improvements in the county.

"Improvements" means any repair, construction, or reconstruction, including alterations and additions, having the effect of rehabilitating a deteriorated property so that it becomes habitable or attains higher standards of safety, health, economic use or amenity, or is brought into compliance with laws, ordinances or regulations governing such standards. Ordinary upkeep and maintenance shall not be deemed an improvement.

C.52:27D-489s Authority of development entity.

24. a. A Garden State Growth Zone Development Entity is authorized to undertake clearance, re-planning, development, or redevelopment of property within a Garden State Growth Zone.
b. Notwithstanding any other law to the contrary, every Garden State Growth Zone Development Entity that owns real property within a Garden State Growth Zone and that undertakes the clearance, re-planning, development, or redevelopment of such property is hereby granted an exemption on improvements to such eligible property for any new construction, improvements, or substantial rehabilitation of structures on real property for a period of 20 years from receiving a final Certificate of Occupancy, provided however, that a municipality located within the Garden State Growth Zone shall, by ordinance, opt-in to such program within 90 calendar days of the enactment of P.L.2013, c.161 (C.52:27D-489p et al.). The exemption allowed by this subsection shall be dependent upon: (1) the owner of the real property making improvements to the real property after the enactment of P.L.2013, c.161 (C.52:27D-489p et al.); and (2) the Division of Codes and Standards, in consultation with the eligible municipality, issuing a final Certificate of Occupancy within 10 years of the date of enactment of P.L.2013, c.161 (C.52:27D-489p et al.).

c. The exemption granted by subsection b. of this section shall be for a period of 20 years. For the first 10 years immediately subsequent to the issuance of a Certificate of Occupancy, the Garden State Growth Zone Development Entity shall be exempt from the payment of taxes on the improvements to the eligible property. Thereafter, the Garden State Growth Zone Development Entity shall pay to the municipality in lieu of full property tax payments an amount equal to a percentage of taxes otherwise due, according to the following schedule:

(1) In the eleventh year after completion, 10 percent of taxes otherwise due;
(2) In the twelfth year after completion, 20 percent of taxes otherwise due;
(3) In the thirteenth year after completion, 30 percent of taxes otherwise due;
(4) In the fourteenth year after completion, 40 percent of taxes otherwise due;
(5) In the fifteenth year after completion, 50 percent of taxes otherwise due;
(6) In the sixteenth year after completion, 60 percent of taxes otherwise due;
(7) In the seventeenth year after completion, 70 percent of taxes otherwise due;
(8) In the eighteenth year after completion, 80 percent of taxes otherwise due;
(9) In the nineteenth full year after completion, 90 percent of taxes otherwise due;

(10) In the twentieth year after completion, and each year thereafter, 100 percent of taxes.

An amount not less than five percent of all payments pursuant to this subsection shall be paid to the county in which the municipality is located.

d. Upon the termination of the exemption granted pursuant to subsection c. of this section, the project, all affected parcels, land, and all improvements made thereto shall be assessed and subject to taxation as are other taxable properties in the municipality. After the date of termination, all restrictions and limitations upon the Garden State Growth Zone Development Entity shall terminate and be at an end upon the entity's rendering its final accounting to and with the municipality.

e. Notwithstanding subsection b. of this section, the owner of any property located within a Garden State Growth Zone, that does not qualify as a Garden State Growth Zone Development Entity, that performs any new construction, improvements, or substantial rehabilitation improvements to property, shall be entitled to an exemption from taxation regarding such improvements as provided herein. For purposes of such exemption, the municipality shall consider the assessor's full and true value of the improvements as not increasing the value of the property for a period of five years, notwithstanding that the value of the property to which the improvements are made is increased thereby.

f. Any exemption obtained under this section shall be fully transferable upon the sale of real property, as long as the new owner meets all requirements for exemption set forth pursuant to this section.

25. Section 6 of P.L.2010, c.57 (C.34:1B-209.4) is amended to read as follows:

C.34:1B-209.4 Credit to business for wind energy facility; eligibility.

6. a. (1) A business, upon application to and approval from the authority, shall be allowed a credit of 100 percent of its capital investment, made after the effective date of P.L.2010, c.57 (C.48:3-87.1 et al.) but prior to its submission of documentation pursuant to subsection c. of this section, in a qualified wind energy facility located within an eligible wind energy zone, pursuant to the restrictions and requirements of this section. To be eligible for any tax credits authorized under this section, a business shall demonstrate to the authority, at the time of application, that the State's financial support of the proposed capital investment in a qualified wind energy facil-
ity will yield a net positive benefit to the State. The value of all credits approved by the authority pursuant to this section may be up to $100,000,000, except as may be increased by the authority if the chief executive officer judges certain qualified offshore wind projects to be meritorious. Credits provided pursuant to this section shall not be applicable to the cap on the credits provided in section 3 of P.L.2007, c.346 (C.34:1B-209).

(2) (a) A business, other than a tenant eligible pursuant to subparagraph (b) of this paragraph, shall make or acquire capital investments totaling not less than $50,000,000 in a qualified wind energy facility, at which the business, including tenants at the qualified wind energy facility, shall employ at least 300 new, full-time employees, to be eligible for a credit under this section. A business that acquires a qualified wind energy facility after the effective date of P.L.2010, c.57 (C.48:3-87.1 et al.) shall also be deemed to have acquired the capital investment made or acquired by the seller.

(b) A business that is a tenant in the qualified wind energy facility, the owner of which has made or acquired capital investments in the facility totaling more than $50,000,000, shall occupy a leased area of the qualified wind energy facility that represents at least $17,500,000 of the capital investment in the qualified wind energy facility at which at least 300 new, full-time employees in the aggregate are employed, to be eligible for a credit under this section. The amount of capital investment in a facility that a leased area represents shall be equal to that percentage of the owner's total capital investment in the facility that the percentage of net leasable area leased by the tenant is of the total net leasable area of the qualified business facility. Capital investments made by a tenant shall be deemed to be included in the calculation of the capital investment made or acquired by the owner, but only to the extent necessary to meet the owner's minimum capital investment of $50,000,000. Capital investments made by a tenant and not allocated to meet the owner's minimum capital investment threshold of $50,000,000 shall be added to the amount of capital investment represented by the tenant's leased area in the qualified wind energy facility.

(c) The calculation of the number of new, full-time employees required pursuant to subparagraphs (a) and (b) of this paragraph may include the number of new, full-time positions resulting from an equipment supply coordination agreement with equipment manufacturers, suppliers, installers and operators associated with the supply chain required to support the qualified wind energy facility.

For the purposes of this paragraph, "full time employee" shall not include an employee who is a resident of another state and whose income is not subject to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et
seq., unless that state has entered into a reciprocity agreement with the State of New Jersey, provided that any employee whose work is provided pursuant to a collective bargaining agreement with the port district in the wind energy zone may be included.

(3) A business shall not be allowed a tax credit pursuant to this section if the business participates in a business employment incentive grant relating to the same capital and employees that qualify the business for this credit, or if the business receives assistance pursuant to the "Business Retention and Relocation Assistance Act," P.L.1996, c.25 (C.34:1B-112 et seq.). A business that is allowed a tax credit under this section shall not be eligible for incentives authorized pursuant to the "Municipal Rehabilitation and Economic Recovery Act," P.L.2002, c.43 (C.52:27BBB-1 et al.).

(4) Full-time employment for an accounting or privilege period shall be determined as the average of the monthly full-time employment for the period.

b. A business shall apply for the credit by August 1, 2016, and a business shall submit its documentation for approval of its credit amount by August 1, 2019.

c. d. The amount of the credit allowed pursuant to this section shall, except as otherwise provided, be equal to the capital investment made by the business, or the capital investment represented by the business' leased area, and shall be taken over a 10-year period, at the rate of one-tenth of the total amount of the business' credit for each tax accounting or privilege period of the business, beginning with the tax period in which the business is first approved by the authority as having met the investment capital and employment qualifications, subject to any disqualification as determined by annual review by the authority. In conducting its annual review, the authority may require a business to submit any information determined by the authority to be necessary and relevant to its review. of procedures and forms necessary to apply for a credit; and provisions for
applicants to be charged an initial application fee, and ongoing service fees,
to cover the administrative costs related to the credit.

be effective immediately upon filing with the Office of Administrative Law
and shall be effective for a period not to exceed 12 months and may, thereaf-

that all references therein to "qualified business facility" shall be deemed to
refer to "qualified wind energy facility" as defined in this subsection.

In addition, as used in this section:

"Equipment supply coordination agreement" means an agreement be-
tween a business and equipment manufacturer, supplier, installer, and op-
erator that supports a qualified offshore wind project, or other wind energy
project as determined by the authority, and that indicates the number of
new, full-time jobs to be created by the agreement participants towards the
employment requirement as set forth in paragraph (2) of subsection a. of
this section.

"Qualified offshore wind project" means the same as the term is de-
defined in section 3 of P.L.1999, c.23 (C.48:3-5).1

"Qualified wind energy facility" means any building, complex of build-
ings, or structural components of buildings, including water access infra-
structure, and all machinery and equipment used in the manufacturing, as-

development and operation of a qualified offshore wind project, or other
wind energy project as determined by the authority, and that are located in a
wind energy zone.
"Wind energy zone" means property located in the South Jersey Port District established pursuant to "The South Jersey Port Corporation Act," P.L.1968, c.60 (C.12:11A-1 et seq.).

C.18A:64-85 State, county college may enter into certain contracts with a private entity.

26. Section 43 of P.L.2009, c.90 (C.18A:64-85) is amended to read as follows:

43. a. (1) A State college or county college may enter into a contract with a private entity, subject to subsection f. of this section, to be referred to as a public-private partnership agreement, that permits the private entity to assume full financial and administrative responsibility for the on-campus construction, reconstruction, repair, alteration, improvement, extension, management, or operation of a building, structure, or facility of, or for the benefit of, the institution, provided that the project is financed in whole by the private entity and that the State or institution of higher education, as applicable, retains full ownership of the land upon which the project is completed.

(2) A public-private partnership agreement may include an agreement under which a State or county college leases to a private entity the operation of a dormitory or other revenue-producing facility to which the college holds title, in exchange for up-front or structured financing by the private entity for the construction of classrooms, laboratories, or other academic buildings. Under the lease agreement, the college shall continue to hold title to the facility, and the private entity shall be responsible for the management, operation, and maintenance of the facility. The private entity shall receive some or all, as per the agreement, of the revenue generated by the facility and shall operate the facility in accordance with college standards. A lease agreement shall not affect the status or employment rights of college employees who are assigned to, or provide services to, the leased facility. At the end of the lease term, subsequent revenue generated by the facility, along with management, operation, and maintenance responsibility, shall revert to the college.

b. (1) A private entity that assumes financial and administrative responsibility for a project pursuant to subsection a. of this section shall not be subject to the procurement and contracting requirements of all statutes applicable to the institution of higher education at which the project is completed, including, but not limited to, the "State College Contracts Law," P.L.1986, c.43 (C.18A:64-52 et seq.), and the "County College Contracts Law," P.L.1982, c.189 (C.18A:64A-25.1 et seq.). For the purposes of facilitating the financing of a project pursuant to subsection a. of this section, a public entity may become the owner or lessee of the project or the lessee
of the land, or both, may become the lessee of a dormitory or other revenue-producing facility to which the college holds title, may issue indebtedness in accordance with the public entity's enabling legislation and, notwithstanding any provision of law to the contrary, shall be empowered to enter into contracts with a private entity and its affiliates without being subject to the procurement and contracting requirements of any statute applicable to the public entity provided that the private entity has been selected by the institution of higher education pursuant to a solicitation of proposals or qualifications. For the purposes of this section, a public entity shall include the New Jersey Economic Development Authority, and any project undertaken pursuant to subsection a. of this section of which the authority becomes the owner or lessee, or which is situated on land of which the authority becomes the lessee, shall be deemed a "project" under the "New Jersey Economic Development Authority Act," P.L.1974, c.80 (C.34:1B-1 et seq.).

(2) As the carrying out of any project described pursuant to this section constitutes the performance of an essential public function, all projects predominantly used in furtherance of the educational purposes of the institution undertaken pursuant to this section, provided it is owned by or leased to a public entity, non-profit business entity, foreign or domestic, or a business entity wholly owned by such non-profit business entity, shall at all times be exempt from property taxation and special assessments of the State, or any municipality, or other political subdivision of the State and, notwithstanding the provisions of section 15 of P.L.1974, c.80 (C.34:1B-15), section 2 of P.L.1977, c.272 (C.54:4-2.2b), or any other section of law to the contrary, shall not be required to make payments in lieu of taxes. The land upon which the project is located shall also at all times be exempt from property taxation. Further, the project and land upon which the project is located shall not be subject to the provisions of section 1 of P.L.1984, c.176 (C.54:4-1.10) regarding the tax liability of private parties conducting for profit activities on tax exempt land, or section 1 of P.L.1949, c.177 (C.54:4-2.3) regarding the taxation of leasehold interests in exempt property that are held by nonexempt parties.

c. Each worker employed in the construction, rehabilitation, or building maintenance services of facilities by a private entity that has entered into a public-private partnership agreement with a State or county college pursuant to subsection a. of this section shall be paid not less than the prevailing wage rate for the worker's craft or trade as determined by the Commissioner of Labor and Workforce Development pursuant to P.L.1963, c.150 (C.34:11-56.25 et seq.) and P.L.2005, c.379 (C.34:11-56.58 et seq.).
d. (1) All construction projects under a public-private partnership agreement entered into pursuant to this section shall contain a project labor agreement. The project labor agreement shall be subject to the provisions of P.L.2002, c.44 (C.52:38-1 et seq.), and shall be in a manner that to the greatest extent possible enhances employment opportunities for individuals residing in the county of the project's location. Further, the general contractor, construction manager, design-build team, or subcontractor for a construction project proposed in accordance with this paragraph shall be registered pursuant to the provisions of P.L.1999, c.238 (C.34:11-56.48 et seq.), and shall be classified by the Division of Property Management and Construction to perform work on a public-private partnership higher education project. All construction projects proposed in accordance with this paragraph shall be submitted to the New Jersey Economic Development Authority for its review and approval and, when practicable, are encouraged to adhere to the Leadership in Energy and Environmental Design Green Building Rating System as adopted by the United States Green Building Council.

(2) Where no public fund has been established for the financing of a public improvement, the chief financial officer of the public owner shall require the private entity for whom the public improvement is being made to post, or cause to be posted, a bond guaranteeing prompt payment of moneys due to the contractor, his or her subcontractors and to all persons furnishing labor or materials to the contractor or his or her subcontractors in the prosecution of the work on the public improvement.

e. A general contractor, construction manager, design-build team, or subcontractor shall be registered pursuant to the provisions of P.L.1999, c.238 (C.34:11-56.48 et seq.), and shall be classified by the Division of Property Management and Construction to perform work on a public-private partnership higher education project.

f. (1) On or before August 1, 2015, all projects proposed in accordance with this section shall be submitted to the New Jersey Economic Development Authority for the authority's review and approval; except that in the case of projects proposed in accordance with paragraph (2) of subsection a. of this section, all projects shall be submitted on or before August 1, 2016. The projects are encouraged, when practicable, to adhere to the green building manual prepared by the Commissioner of Community Affairs pursuant to section 1 of P.L.2007, c.132 (C.52:27D-130.6). Any application that is deemed to be incomplete on August 2, 2015, or on August 2, 2016 in the case of an application submitted pursuant to paragraph (2) of subsection a. of this section, shall not be eligible for consideration.
(2) (a) In order for an application to be complete and considered by the authority, the application shall include, but not be limited to: (i) a public-private partnership agreement between the State or county college and the private developer; (ii) a full description of the project, including a description of any agreement for the lease of a revenue-producing facility related to the project; (iii) the estimated costs and financial documentation for the project; (iv) a timetable for completion of the project extending no more than five years after consideration and approval; and (v) any other requirements that the authority deems appropriate or necessary.

(b) As part of the estimated costs and financial documentation for the project, the application shall contain a long-range maintenance plan and shall specify the expenditures that qualify as an appropriate investment in maintenance. The long-range maintenance plan shall be approved by the authority pursuant to regulations promulgated by the authority that reflect national building maintenance standards and other appropriate building maintenance benchmarks. All contracts to implement a long-range maintenance plan pursuant to this paragraph shall contain a project labor agreement. The project labor agreement shall be subject to the provisions of P.L.2002, c.44 (C.52:38-1 et seq.), and shall be in a manner that to the greatest extent possible enhances employment opportunities for individuals residing in the county of the project's location.

(3) The authority shall review all completed applications, and request additional information as is needed to make a complete assessment of the project. No project shall be undertaken until final approval has been granted by the authority; provided, however, that the authority shall retain the right to revoke approval if it determines that the project has deviated from the plan submitted pursuant to paragraph (2) of this subsection.

(4) The authority may promulgate any rules and regulations necessary to implement this subsection, including provisions for fees to cover administrative costs.

Where no public fund has been established for the financing of a public improvement, the chief financial officer of the public owner shall require the private entity for whom the public improvement is being made to post, or cause to be posted, a bond guaranteeing prompt payment of moneys due to the contractor, his or her subcontractors and to all persons furnishing labor or materials to the contractor or his or her subcontractors in the prosecution of the work on the public improvement.

g. The provisions of P.L.2009, c.136 (C.52:18-42 et al.) shall not apply to any project carried out pursuant to this section.
C.52:27D-489t Severability.
27. The provisions of this act shall be severable, and if any of its provisions shall be held to be unconstitutional, the decision of the court shall not affect the validity of the remaining provisions of P.L.2013, c.161 (C.52:27D-489p et al.).

28. This act shall take effect immediately.

Approved September 18, 2013.

CHAPTER 162

AN ACT concerning the reporting of information relating to certain firearms, supplementing Title 52 of the Revised Statutes, and amending P.L.1966, c.37.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:17B-9.18 Findings, declarations relative to information relating to certain firearms.
1. The Legislature finds and declares that to further provide for the public safety and the well being of the citizens of this State, and to respond to growing dangers and threats of gun violence, it is altogether fitting and proper for the law enforcement departments and agencies of this State to fully participate, through the utilization of electronic technology, in interjurisdictional information and analysis sharing programs and systems to deter and solve gun crimes.

To effectuate this objective, it shall be the policy of this State for its various law enforcement agencies to utilize fully the federal Criminal Justice Information System to transmit and receive information relating to the seizure and recovery of firearms by law enforcement, in particular the National Crime Information Center System to determine whether a firearm has been reported stolen; the Alcohol, Tobacco, Firearms, and Explosives E-Trace System to establish the identity of a firearm's first purchaser, where that firearm was purchased and when it was purchased; and the National Integrated Ballistics Identification Network to ascertain whether a particular firearm is related to any other criminal event or person.

2. Section 3 of P.L.1966, c.37 (C.52:17B-5.3) is amended to read as follows:
C.52:17B-5.3 Submission of reports relative to certain offenses, information.

3. a. All local and county police authorities shall submit a quarterly report to the Attorney General, on forms prescribed by the Attorney General, which report shall contain the number and nature of offenses committed within their respective jurisdictions, the disposition of such matters, information relating to criminal street gang activities within their respective jurisdictions, information relating to any offense directed against a person or group, or their property, by reason of their race, color, religion, gender, disability, sexual orientation, gender identity or expression, national origin, or ethnicity and such other information as the Attorney General may require, respecting information relating to the cause and prevention of crime, recidivism, the rehabilitation of criminals and the proper administration of criminal justice.

b. A law enforcement officer who responds to an offense involving criminal street gang activity shall complete a gang related incident offense report on a form prescribed by the Superintendent of State Police. All information contained in the gang related incident offense report shall be forwarded to the Superintendent of State Police for inclusion in the Uniform Crime Report.

c. A law enforcement officer who seizes or recovers a firearm that was unlawfully possessed, used for an unlawful purpose, recovered from a crime scene or is reasonably believed to have been used in or associated with the commission of a crime, or is otherwise acquired as an abandoned or discarded firearm shall complete, within 24 hours of the entering of the required information relating to that firearm into the New Jersey Trace System and such other State and federal database systems as prescribed by the superintendent, a seized or recovered firearms incident report on a form prescribed by the superintendent. The incident report shall be filed with the State Police in a manner and time prescribed by the superintendent.

3. Whenever a law enforcement agency seizes or recovers a firearm that was unlawfully possessed, used for any unlawful purpose, recovered from the scene of a crime, is reasonably believed to have been used or associated with the commission of a crime, or is acquired by the agency as an abandoned or discarded firearm, the agency shall arrange for every such firearm that, in accordance with protocols promulgated by the Attorney General and superintendent, is determined to merit and be suitable for National Integrated Ballistics Identification Network data entry and examination to be test-fired as soon as may be practicable and the results of that
test-firing be forthwith submitted to the National Integrated Ballistics Identification Network to determine whether the firearm is associated or related to a crime, criminal event, or any individual associated or related to a crime or criminal event or reasonably believed to be associated or related to a crime or criminal event.

Whenever a law enforcement agency recovers any spent shell casing at a crime scene or has reason to believe that the recovered spent shell casing is related to or associated with the commission of a crime or the unlawful discharge of a firearm, the agency shall, as soon as may be practicable, submit the ballistics information to the National Integrated Ballistics Identification Network.

4. This act shall take effect on the first day of the fourth month following enactment, but the Attorney General may take such anticipatory action in advance thereof as shall be necessary for the implementation of this act.

Approved September 18, 2013.

CHAPTER 163
AN ACT authorizing special horse racing permits for beach racing, and wagering thereon, and supplementing chapter 5 of Title 5 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:5-38.1 Special permit for horse racing on the beach under certain circumstances.

1. a. Notwithstanding the provisions of section 1 of P.L.1949, c.26 (C.5:5-39.1) or any other law to the contrary, the commission may grant a special permit, to a permit holder in good standing authorized to conduct running races in this State, for the holding or conducting of a special running race meeting on a beach in an area that extends landward from the mean high water line of the ocean to either the vegetation line or a man-made feature generally parallel to the ocean, such as a retaining structure, seawall, bulkhead, road, or boardwalk. A special permit granted pursuant to this subsection shall be subject to the jurisdiction of the commission.
b. The commission may grant only one special permit pursuant to subsection a. of this section per calendar year, which shall be valid only for the calendar year in which it is issued. Any running race permit holder in good standing may apply for the special permit. The number of racing days authorized pursuant to the special permit shall not exceed two days in a calendar year. Any racing day that is run pursuant to the special permit shall count toward the total number of racing days allotted to the running race permit holder.

c. A permit holder that is granted a special permit pursuant to this section shall keep and maintain separate books and records for the special running race meeting to the same extent as is required of a permit holder and shall file such report and audits as may otherwise be required on or before such date as the commission may designate.

d. Sums in the parimutuel pools shall be distributed as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, as provided in chapter 5 of Title 5 of the Revised Statutes.

e. No running race permit holder may be granted a special permit pursuant to subsection a. of this section to hold or conduct a special running race meeting on a beach located within twenty-five miles of any racetrack authorized to conduct running races unless the permit holder authorized to conduct running races at that racetrack consents in writing to the special running race meeting.

f. Notwithstanding the provisions of any other law to the contrary, simulcasting of a special running race meeting authorized by this section shall be conducted as if the special running race meeting is held at the location for which the special permit holder holds a running race permit, except that the special permit holder may also transmit the simulcast signal to the racetrack for which the special permit holder holds a running race permit. The simulcasting within this State of a special running race meeting authorized by this section shall not require the consent of any horsemen’s organization and shall be made available at the industry standard rate. Upon application to and approval by the commission, the holder of a special permit granted pursuant to subsection a. of this section may transmit simulcast horse races of the special running race meeting to any facility outside of New Jersey with which the special permit holder has entered into an agreement.

g. Nothing in this section shall be construed to prohibit the commission from granting a special permit pursuant to subsection a. of this section to a running race permit holder that holds a special permit pursuant to subsection a. of section 2 of P.L. 2013, c. (C. ) (pending before the Legislature as this bill).
2. This act shall take effect immediately.

Approved September 18, 2013.

CHAPTER 164

AN ACT concerning “Ovarian Cancer Awareness Month” and amending the title and body of P.L.2009, c.130.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Title amended.
1. The Title of P.L.2009, c.130 is amended to read as follows:

Title. AN ACT permanently designating the month of September as "Ovarian Cancer Awareness Month" in New Jersey.

2. Section 1 of P.L.2009, c.130 (C.36:2-134) is amended to read as follows:

C.36:2-134 Findings, declarations relative to ovarian cancer.
1. The Legislature finds and declares that:
   a. Among women in the United States, ovarian cancer is the fifth leading cause of cancer death and the eighth most common type of cancer; ovarian cancer causes more deaths than any other gynecologic cancer in the United States, yet it accounts for about 3% of all cancers in the United States;
   c. For 2004, the rate in the United States of new cases of ovarian cancer was 12.5 and the mortality rate for this type of cancer was 8.8 for every 100,000 women; in New Jersey, during the same year, the rate of new cases of ovarian cancer was 13.3 and the mortality rate was 8.6 for every 100,000 women;
   d. The Centers for Disease Control and Prevention reports that it is estimated that more than $2.2 billion is spent annually on the treatment of ovarian cancer in the United States;
e. Although all women are at risk for ovarian cancer, older women are more likely to get the disease; about 90% of women who get the disease are 40 years of age or older, with most being 55 years of age or older; additionally, more than half the deaths from ovarian cancer occur in women between the ages of 55 and 74 and approximately one quarter of ovarian cancer deaths occur in women between 35 and 54 years of age;

f. When ovarian cancer is found and treated in its earliest stages, the five-year survival rate is 95%; however, most women who suffer from ovarian cancer are not diagnosed until the later stages of the cancer when the disease has spread, and the five-year survival rate for these women is 30%;

g. Early detection and treatment often mean the difference between life and death, so it is important to increase awareness of the factors that put certain women at a higher risk for the disease: increased age, having a personal history of breast cancer or a family history of breast, ovarian, uterine, colon or other gastrointestinal cancers, and bearing no children;

h. Cancer experts have advised that there is a set of health problems, including general abdominal discomfort or pain (gas, indigestion, pressure, bloating or cramps), nausea, diarrhea, constipation, frequent urination, loss of appetite, difficulty eating, feeling full after a meal, unexplained weight gain or weight loss, and abdominal bleeding from the vagina, that may be early symptoms of ovarian cancer;

i. Because these symptoms are vague and non-specific, women and their physicians often attribute them to more common conditions; by the time the cancer is diagnosed the tumor has often spread beyond the ovaries, making the disease one of the deadliest forms of cancer;

j. Although the development of a screening test to detect ovarian cancer remains a very active area of research, currently there are no definitive prevention strategies to help combat the disease; consequently, having regular pelvic examinations and increasing public awareness of the risk factors and health problems that might indicate the onset of ovarian cancer may be the only ways to decrease a woman's overall risk of dying from this type of cancer; and

k. It is proper and fitting for the State of New Jersey to permanently designate the month of September as "Ovarian Cancer Awareness Month."

3. Section 2 of P.L.2009, c.130 (C.36:2-135) is amended to read as follows:

C.36:2-135 “Ovarian Cancer Awareness Month,” September; designated.

2. The month of September is permanently designated as "Ovarian Cancer Awareness Month" in New Jersey to promote awareness among the
general public and the health care community of the symptoms of ovarian cancer, the importance of early detection, and the risk factors associated with developing ovarian cancer.

4. This act shall take effect immediately.

Approved September 26, 2013.

CHAPTER 165

AN ACT concerning the display of veteran status on driver’s licenses and identification cards issued by the New Jersey Motor Vehicle Commission, supplementing chapter 3 of Title 39 of the Revised Statutes and amending P.L.1980, c.47.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:3-10f6 Display of veteran status on driver’s licenses, identification cards.

1. a. In addition to the requirements for the form and content of a motor vehicle driver's license under R.S.39:3-10 and a probationary license issued under section 4 of P.L.1950, c.127 (C.39:3-13.4), the Chief Administrator of the New Jersey Motor Vehicle Commission shall, upon submission of satisfactory proof, designate on an initial license, renewal license, or probationary license, as appropriate, that the license holder is a veteran of the Armed Forces of the United States of America. The designation of veteran status on an initial license, renewal license, or probationary license shall not be deemed sufficient valid proof of veteran status for official governmental purposes when any other statute, or any regulation or other directive of a governmental entity, requires documentation of veteran status.

b. For the purpose of this section:
   “Veteran” means a person who has been honorably discharged from the active military service of the United States; and

   “Satisfactory proof” means a copy of form DD-214 or federal activation orders showing service under Title 10, section 672 or section 12301, of the United States Code.

2. Section 2 of P.L.1980, c.47 (C.39:3-29.3) is amended to read as follows:
C.39:3-29.3 Identification cards, issuance; contents.

2. a. The New Jersey Motor Vehicle Commission shall issue an identification card to any resident of the State who is 14 years of age or older and who is not the holder of a valid permit or basic driver’s license. The identification card shall attest to the true name, correct age, and veteran status, upon submission of satisfactory proof, by any veteran, and shall contain other identifying data as certified by the applicant for such identification card. Every application for an identification card shall be signed and verified by the applicant and shall be accompanied by the written consent of at least one parent or the person’s legal guardian if the person is under 17 years of age and shall be supported by such documentary evidence of the age, identity, and veteran status, or blindness, disability, or handicap, of such person as the chief administrator may require. In addition to requiring an applicant for an identification card to submit satisfactory proof of identity, age, and, if appropriate, veteran status, the chief administrator also shall require the applicant to provide, as a condition for obtaining the card, satisfactory proof that the applicant’s presence in the United States is authorized under federal law. If the chief administrator has reasonable cause to suspect that any document presented by an applicant as proof of identity, age, veteran status, or legal residency is altered, false or otherwise invalid, the chief administrator shall refuse to grant the identification card until such time as the document may be verified by the issuing agency to the chief administrator’s satisfaction.

b. The designation of veteran status on an identification card shall not be deemed sufficient valid proof of veteran status for official governmental purposes when any other statute, or any regulation or other directive of a governmental entity, requires documentation of veteran status.

c. For the purpose of this section:

“Veteran” means a person who has been honorably discharged from the active military service of the United States; and

“Satisfactory proof” means a copy of form DD-214 or federal activation orders showing service under Title 10, section 672 or section 12301, of the United States Code.

3. This act shall take effect on the first day of the 18th month after enactment, but the chief administrator may take such anticipatory acts in advance of that date as may be necessary for the timely implementation of this act.

Approved September 29, 2013.
CHAPTER 166

AN ACT concerning certain shared service agreements under the “Uniform Shared Services and Consolidation Act,” designated as the “Common Sense Shared Services Pilot Program Act,” amending various parts of the statutory law, and supplementing P.L.2007, c.63.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40A:65-4.1 Short title.
1. This act shall be known and may be cited as the “Common Sense Shared Services Pilot Program Act.”

2. Section 2 of P.L.2007, c.63 (C.40A:65-2) is amended to read as follows:

C.40A:65-2 Findings, declarations relative to shared services and consolidation.
2. The Legislature finds and declares:
   a. Historically, many specialized statutes have been enacted to permit shared services between local units for particular purposes.
   b. Other laws, permitting a variety of shared services, including inter-local services agreements, joint meetings, and consolidated and regional services, exist but have not been very effective in promoting the broad use of shared services as a technique to reduce local expenses funded by property taxpayers.
   c. It is appropriate for the Legislature to enact a new shared services statute that can be used to effectuate agreements between local units for any service or circumstance intended to reduce property taxes through the reduction of local expenses.
   d. It is contrary to public policy that the tenure rights of certain local personnel should effectively prohibit shared services agreements for the services provided by those local personnel, thereby depriving property taxpayers of property tax relief.
   e. In order to evaluate the efficiencies related to the sharing of services of certain local personnel having tenure rights in office, it is appropriate to create a pilot program in five counties of the State which embody urban, suburban, and rural characteristics to study the sharing of the services of these personnel between municipalities by allowing for the dismissal of such a tenured local official, as necessary, in order to promote and effectuate the sharing of a service.
C.40A:65-4.2 Definitions relative to shared services agreements; pilot program established.

3. a. As used in this section:

"Local employee" means a tenured municipal clerk, assessor, collector, chief financial officer, municipal treasurer, or principal public works manager who is a municipal superintendent of public works;

"Pilot county" means Camden, Morris, Ocean, Sussex, and Warren counties; and

"Pilot municipality" means a municipality located in a pilot county that enters into a shared services agreement with another pilot municipality pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) for the services of a local employee.

b. There is established a pilot program to evaluate the efficiency and functionality of the sharing of services of certain local personnel having tenure rights in office. In pilot municipalities, tenure rights shall not prohibit the sharing of services for a municipal clerk, a chief financial officer, an assessor, a tax collector, a municipal treasurer, or a municipal superintendent of public works. Under the pilot program, municipalities located in pilot counties may enter into shared services agreements, pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.), for the services of tenured local employees, and provide for the dismissal of any tenured local employees who are not selected to be service providers under the shared services agreement.

In a shared service agreement between pilot municipalities for the services of a municipal clerk, a chief financial officer, an assessor, a tax collector, a municipal treasurer, or a municipal superintendent of public works, the agent-party, as that term is defined in subsection d. of section 7 of P.L.2007, c.63 (C.40A:65-7), shall select for employment under the agreement one of the employees of the pilot municipalities that are party to the agreement who was employed in that same capacity by one of the pilot municipalities prior to the approval of the agreement.

c. A tenured municipal clerk, chief financial officer, assessor, tax collector, municipal superintendent of public works, or municipal treasurer may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.), and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. P.L.2007, c.63 (C.40A:65-1 et seq.) shall be reappointed to his or her for­mer position, and shall regain his or her tenured status, if the shared service agreement is cancelled, or expires, within the two-year period immediately following the dismissal of that person.

4. Section 4 of P.L.2007, c.63 (C.40A:65-4) is amended to read as follows:

C.40A:65-4 Agreements for shared services.
4. a. (1) Any local unit may enter into an agreement with any other lo­cal unit or units to provide or receive any service that each local unit par­ticipating in the agreement is empowered to provide or receive within its own jurisdiction, including services incidental to the primary purposes of any of the participating local units including services from licensed or certi­fied professionals required by statute to be appointed.

In the case of pilot municipalities, tenure rights shall not prohibit the sharing of services for a municipal clerk, a chief financial officer, an assessor, a tax collector, a municipal treasurer, or a municipal superintendent of public works. The statutory requirements that each municipality must appoint a municipal clerk, a chief financial officer, an assessor, a tax collector, a mu­nicipal treasurer, a municipal engineer, and a principal public works manager shall, for those pilot municipalities, permit and include the provision of the services of any of those municipal employees through a shared service agreement pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.). The shared service agreement shall be subject to the provisions of subsection d. of this section and of section 3 of P.L.2013, c.166 (C.40A:65-4.2).

In a shared service agreement between pilot municipalities for the ser­vices of a municipal clerk, a chief financial officer, an assessor, a tax collector, a municipal treasurer, or a municipal superintendent of public works, the agent-party, as that term is used in subsection d. of section 7 of P.L.2007, c.63 (C.40A:65-7), shall select for employment under the agree­ment one of the employees of the pilot municipalities that are party to the agreement who was employed in that same capacity prior to the approval of the agreement.

(2) Notwithstanding any law, rule or regulation to the contrary, any agreement between local units for the provision of shared services shall be entered into pursuant to sections 1 to 37 of P.L.2007, c.63 (C.40A:65-1 et al.); provided, however, that agreements regarding shared services that are otherwise regulated by statute, rule, or regulation are specifically excluded from sections 1 to 37 of P.L.2007, c.63 (C.40A:65-1 et al.).
(3) The board is authorized to render a decision in the determination of the statutory basis under which a specific shared service is governed.

b. Any agreement entered into pursuant to this section shall be filed, for informational purposes, with the Division of Local Government Services in the Department of Community Affairs, together with an estimate of the cost savings anticipated to be achieved by the local units that are the parties to the agreement in the case of an agreement between pilot municipalities, pursuant to rules and regulations promulgated by the director.

c. In the case of a pilot municipality, a tenured municipal clerk, chief financial officer, assessor, tax collector, municipal superintendent of public works, or municipal treasurer may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement.

d. In the case of a pilot municipality, a tenured municipal clerk, chief financial officer, assessor, tax collector, municipal superintendent of public works, or municipal treasurer who has been dismissed to effectuate a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) shall be reappointed to his or her former position, and shall regain his or her tenured status, if the shared service agreement is cancelled, or expires, within the two-year period immediately following the dismissal of that person.

5. Section 5 of P.L.2007, c.63 (C.40A:65-5) is amended to read as follows:

C.40A:65-5 Adoption of resolution to enter into agreement.

5. a. A local unit authorized to enter into an agreement under section 4 of P.L.2007, c.63 (C.40A:65-4) may do so by the adoption of a resolution. In the case of a shared service agreement between pilot municipalities, no agreement shall be adopted until copies of the agreement shall be provided to all affected employees of the local units that are party to the agreement at least two weeks before adoption of the resolution, and a public hearing has been held on the agreement, so that all persons having an interest in the agreement shall have been given an opportunity to present comments or objections concerning the content of the agreement, or the effect of the agreement. During the public hearing, the local unit shall provide an overview of the terms of the agreement and an estimate of the cost savings anticipated to be achieved by the local units that are the parties to the agreement. A resolution adopted pursuant to this section or subsection b. of that
section shall clearly identify the agreement by reference and need not set forth the terms of the agreement in full.

b. In the case of a shared services agreement between pilot municipalities, a copy of the agreement shall be open to public inspection at the offices of the local unit at least two weeks prior to the adoption of a resolution to become a party to the agreement.

c. The agreement shall take effect upon the adoption of appropriate resolutions by all the parties thereto, and execution of agreements authorized thereunder as set forth in the agreement.

6. Section 7 of P.L.2007, c.63 (C.40A:65-7) is amended to read as follows:

C.40A:65-7 Specific services delineated in agreement; conditions.

7. a. An agreement made pursuant to section 4 of P.L.2007, c.63 (C.40A:65-4) shall specify:

(1) the specific services to be performed by one or more of the parties as agent for any other party or parties;

(2) standards of the level, quality, and scope of performance, with assignment and allocation of responsibility for meeting those standards between or among the parties;

(3) the estimated cost of the services throughout the duration of the agreement, with allocation of those costs to the parties, in dollar amounts or by formula, including a time schedule for periodic payment of installments for those allocations, and in the case of a shared service agreement between pilot municipalities, an estimate of the cost savings anticipated to be achieved by the local units that are the parties to the agreement. The specification may provide for the periodic modification of estimates or formulas contained therein in the light of actual experience and in accordance with procedures to be specified in the agreement;

(4) the duration of the agreement, which shall be 10 years, unless otherwise agreed upon by the parties, but in no case shall the duration of any agreement between pilot municipalities be less than two years; and

(5) the procedure for payments to be made under the contract.

b. In the case when all of the participating local units are municipalities, the agreement may provide that it shall not take effect until submitted to the voters of each municipality, and approved by a majority of the voters of each municipality voting at the referendum.

c. The agreement may provide for binding arbitration or for binding fact-finding procedures to settle any disputes or questions which may arise
between the parties as to the interpretation of the terms of the agreement or the satisfactory performance by any of the parties of the services and other responsibilities required by the agreement.

d. For the purposes of sections 4 through 13 of P.L.2007, c.63 (C.40A:65-4 through C.40A:65-13), any party performing a service under a shared service agreement is the general agent of any other party on whose behalf that service is performed pursuant to the agreement, and that agent-party has full powers of performance and maintenance of the service contracted for, and full powers to undertake any ancillary operation reasonably necessary or convenient to carry out its duties, obligations and responsibilities under the agreement. These powers include all powers of enforcement and administrative regulation which are, or may be, exercised by the party on whose behalf the agent-party acts pursuant to the agreement, except as the powers are limited by the terms of the agreement itself, and except that no contracting party shall be liable for any part or share of the cost of acquiring, constructing, or maintaining any capital facility acquired or constructed by an agent-party unless that part or share is provided for in the agreement, or in an amendment thereto ratified by the contracting parties in the manner provided in sections 1 to 37 of P.L.2007, c.63 (C.40A:65-1 et al.) for entering into an agreement.

e. Except as the terms of any agreement may explicitly or by necessary implication provide, any party to an agreement entered into pursuant to section 4 of P.L.2007, c.63 (C.40A:65-4) may enter into another agreement or agreements with any other eligible parties for the performance of any service or services pursuant to sections 1 to 37 of P.L.2007, c.63 (C.40A:65-1 et al.). The participation in one agreement shall not bar participation with the same or other parties in any other agreement.

f. Payment for services performed pursuant to an agreement shall be made by and to the parties, and at such intervals, as shall be provided in the agreement.

g. In the event of any dispute as to the amount to be paid, the full amount to be paid as provided in subsection a. of this section shall be paid; but if through subsequent negotiation, arbitration or litigation the amount due shall be determined, agreed or adjudicated to be less than was actually so paid, then the party having received the payment shall forthwith repay the excess.

7. N.J.S.40A:9-133 is amended to read as follows:

Municipal clerk, appointment, duties.

40A:9-133. a. In every municipality there shall be a municipal clerk appointed for a three-year term by the governing body of the municipality.
The requirement that every municipality shall have a municipal clerk may be fulfilled by the sharing of a municipal clerk with another municipality or municipalities under a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.), and such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and, in the case of a shared service agreement between pilot municipalities, section 3 of P.L.2013, c.166 (C.40A:65-4.2). Commencing January 1 following the third anniversary of the effective date of P.L.1997, c.279 (C.40A:9-133.9 et al.), no person shall be appointed or reappointed as a municipal clerk unless that person holds a registered municipal clerk certificate issued pursuant to section 3 or section 4 of P.L.1985, c.174 (C.40A:9-133.3 or C.40A:9-133.4).

b. For the purposes of tenure, the term of a municipal clerk shall be deemed to have begun as of the actual date upon which a person serving as municipal clerk is appointed. In the event of a vacancy in the office of municipal clerk, an appointment shall be made for a new term and not for the unexpired term. A reappointment of an incumbent municipal clerk made within 60 days following the expiration of the prior term shall not be considered to be a new appointment and the effective date of the reappointment shall date back to the date of expiration of the initial term of appointment.

c. Within 90 days of the occurrence of a vacancy in the office of municipal clerk by reason of the departure of a registered municipal clerk, the governing body may appoint a person who does not hold a registered municipal clerk certificate to serve as acting municipal clerk for a period not to exceed one year and commencing on the date of the vacancy. Any person so appointed may, with the approval of the Director of the Division of Local Government Services in the Department of Community Affairs, be reappointed as acting municipal clerk for a maximum of two subsequent one-year terms following the termination of the temporary appointment. No local unit shall fill the position of acting municipal clerk for more than three consecutive years. Time served as acting municipal clerk may be credited toward the experience authorized as a substitute for the college education requirement pursuant to section 2 of P.L.1985, c.174 (C.40A:9-133.2). Time served as acting municipal clerk may not be credited as time served as municipal clerk for the purpose of acquiring tenure pursuant to section 7 of P.L.1985, c.174 (C.40A:9-133.7).

d. (Deleted by amendment, P.L.1997, c.279).

e. The municipal clerk shall:

(1) act as secretary of the municipal corporation and custodian of the municipal seal and of all minutes, books, deeds, bonds, contracts, and ar-
chival records of the municipal corporation. The governing body may, however, provide by ordinance that any other specific officer shall have custody of any specific other class of record;

(2) act as secretary to the governing body, prepare meeting agendas at the discretion of the governing body, be present at all meetings of the governing body, keep a journal of the proceedings of every meeting, retain the original copies of all ordinances and resolutions, and record the minutes of every meeting;

(3) serve as the chief administrative officer in all elections held in the municipality, subject to the requirements of Title 19 of the Revised Statutes;

(4) serve as chief registrar of voters in the municipality, subject to the requirements of Title 19 of the Revised Statutes;

(5) serve as the administrative officer responsible for the acceptance of applications for licenses and permits and the issuance of licenses and permits, except where statute or municipal ordinance has delegated that responsibility to some other municipal officer;

(6) serve as coordinator and records manager responsible for implementing local archives and records retention programs as mandated pursuant to Title 47 of the Revised Statutes;

(7) perform such other duties as are now or hereafter imposed by statute, regulation or by municipal ordinance or regulation.

f. If a governing body fails or refuses to comply with subsection a., b. or c. of this section, the director may order the governing body to comply by a date certain which shall afford the governing body a reasonable time within which to comply.

8. Section 7 of P.L.1985, c.174 (C.40A:9-133.7) is amended to read as follows:

C.40A:9-133.7 Reappointment, removal, dismissal.

7. Notwithstanding the provisions of any other law to the contrary, any person who:

a. Shall be reappointed municipal clerk subsequent to having received a registered municipal clerk certificate pursuant to P.L.1985, c.174 and having served as municipal clerk or performed the duties of municipal clerk for not less than three consecutive years immediately prior to such reappointment; or

b. Shall have acquired tenure; shall hold office during good behavior and efficiency, and compliance with the continuing education requirements set forth in section 8 of P.L.1997, c.279 (C.40A:9-133.10), notwithstanding that such reappointment was for a fixed term of years; and shall not be re-
moved therefrom for political reasons but only for good cause shown and after a proper hearing before the director or the director's designee. The removal of a registered municipal clerk shall be only upon a written complaint setting forth with specificity the charge or charges against the clerk. The complaint shall be filed with the director and a certified copy of the complaint shall be served upon the person so charged, with notice of a designated hearing date before the director or the director's designee, which shall be not less than 30 days nor more than 60 days from the date of service of the complaint. Such date may be extended by the Superior Court for good cause shown upon the application of either party. The person so charged and the complainant shall have the right to be represented by counsel and the power to subpoena witnesses and documentary evidence together with discovery proceedings. The provisions of this section shall apply to every person actually in office as registered municipal clerk, whether or not in the classified service under Title 11A of the New Jersey Statutes (Civil Service).

For the purposes of this section, the definition of good cause for removal of a municipal clerk may include the failure of the clerk to meet the continuing education requirements set forth in section 8 of P.L.1997, c.279 (C.40A:9-133.10).

c. In the case of a shared service agreement between pilot municipalities, a tenured municipal clerk may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a municipal clerk under this subsection shall not require the pilot municipality to fulfill the requirements of section 7 of P.L.1985, c.174 (C.40A:9-133.7). Instead, the pilot municipality shall provide the clerk with a written copy of the shared service agreement entered into by the municipality, and a letter stating that the position of municipal clerk in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.

Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and of section 3 of P.L.2013, c.166 (C.40A:65-4.2).

9. N.J.S.40A:9-134 is amended to read as follows:

Tenure for municipal clerks.

40A:9-134. On or before December 31, 1985, any person holding the office of municipal clerk in any municipality and having held such office
continuously for five years from the date of his original appointment shall have tenure in such office and shall not be removed therefrom except for good cause shown after a fair and impartial hearing.

For the purposes of this section, the definition of good cause for removal of a municipal clerk may include the failure of the clerk to meet the continuing education requirements set forth in section 8 of P.L.1997, c.279 (C.40A:9-133.10).

In the case of a shared service agreement between pilot municipalities, a tenured municipal clerk may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a municipal clerk under this subsection shall not require the pilot municipality to fulfill the requirements of section 7 of P.L.1985, c.174 (C.40A:9-133.7). Instead, the pilot municipality shall provide the clerk with a written copy of the shared service agreement entered into by the pilot municipality, and a letter stating that the position of municipal clerk in the municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.

Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and section 3 of P.L.2013, c.166 (C.40A:65-4.2).

10. Section 2 of P.L.1977, c.39 (C.40A:9-140.8) is amended to read as follows:

C.40A:9-140.8 Tenure of office.

2. a. b. Thereafter, the person shall continue to hold office during good behavior and efficiency, and shall not be removed therefrom except for just cause and then only after a public hearing upon a written complaint setting forth the charge or charges against him pursuant to section 3 of P.L.1977, c.39 (C.40A:9-140.9) or upon expiration or revocation of certification by the director pursuant to section 7 of P.L.1988, c.110 (C.40A:9-140.12).
c. In the case of a shared service agreement between pilot municipalities, a tenured chief financial officer may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a chief financial officer under this section shall not require the pilot municipality to fulfill the requirements of subsection b. of this section. Instead, the pilot municipality shall provide the chief financial officer with a written copy of the shared service agreement entered into by the pilot municipality, and a letter stating that the position of chief financial officer in the municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.

Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and section 3 of P.L.2013, c.166 (C.40A:65-4.2).

11. Section 5 of P.L.1988, c.110 (C.40A:9-140.10) is amended to read as follows:

C.40A:9-140.10 Municipality required to have chief financial officer.
5. Notwithstanding the provisions of any law to the contrary, in every municipality there shall be a chief financial officer appointed by the governing body of the municipality. The requirement that every municipality shall have a chief financial officer may be fulfilled by the sharing of a chief financial officer with another municipality or municipalities under a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.). Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and, with respect to pilot municipalities, section 3 of P.L.2013, c.166 (C.40A:65-4.2). The term of office shall be four years, which shall run from January 1 in the year in which the chief financial officer is appointed. The compensation for the chief financial officer shall be separately set forth in a municipal salary ordinance.

If a governing body fails or refuses to comply with this section, and has received an order from the director to do so, the members of a governing body who willfully fail or refuse to comply shall each be subject to a personal penalty of $25 for each day after the date fixed for final action that failure or refusal to comply continues. The amount of the penalty may be recovered by the director in the name of the State as a personal debt of the member of the governing body, and shall be paid, upon receipt, into the State Treasury.
In the case of a pilot municipality, a tenured chief financial officer may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a chief financial officer under this section shall not require the pilot municipality to fulfill the requirements of section 2 of P.L.1977, c.39 (C.40A:9-140.8). Instead, the pilot municipality shall provide the chief financial officer with a written copy of the shared service agreement entered into by the pilot municipality, and a letter stating that the position of chief financial officer in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.

12. N.J.S.40A:9-141 is amended to read as follows:

Appointment of tax collector; compensation; work hours.
40A:9-141. Notwithstanding any other law the governing body or chief executive, as shall be appropriate to the form of government of the municipality, by ordinance, shall provide for the appointment of a municipal tax collector and the compensation of the tax collector shall be fixed in the manner otherwise provided by law. The requirement that every municipality shall have a municipal tax collector may be fulfilled by the sharing of a municipal tax collector with another municipality or municipalities under a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.). Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and, with respect to pilot municipalities, of section 3 of P.L.2013, c.166 (C.40A:65-4.2). The governing body may, by resolution, set appropriate hours of operation of the tax collector's office and the work hours of the tax collector, commensurate with the compensation paid to the tax collector, and all personnel assigned to the tax collector's office. The office of municipal tax collector and municipal treasurer, or municipal clerk may be held by the same person.

13. Section 8 of P.L.1979, c.384 (C.40A:9-145.8) is amended to read as follows:

C.40A:9-145.8 Tenure; removal from office; dismissal; procedure.
8. Notwithstanding the provisions of any other law to the contrary, any person who:
a. Shall be reappointed tax collector subsequent to having received a
tax collector certificate pursuant to section 3 or 4 of P.L.1979, c.384, or
holds a tax collector certificate issued pursuant to N.J.S.40A:9-141, section
2 of P.L.1979, c.384 (C.40A:9-145.2), and section 6 of P.L.1993, c.25
(C.40A:9-145.3a), and having served as tax collector or performed the duties
of tax collector for not less than four consecutive years immediately
prior to such reappointment; or,
b. shall have acquired tenure; shall hold his office during good behav­
ior, efficiency, and compliance with requirements for continuing education
pursuant to sections 6 and 7 of P.L.1993, c.25 (C.40A:9-145.3a and
C.40A:9-145.3b), notwithstanding that such reappointment was for a fixed
term of years; and he shall not be removed therefrom for political reasons
but only for good cause shown and after a proper hearing before the direc­
tor or his designee.
c. The removal of a municipal tax collector shall be only upon a writ­
ten complaint setting forth with specificity the charge or charges against
him. The complaint shall be filed with the municipal clerk and the director
and a certified copy thereof shall be served upon the person so charged,
with notice of a designated hearing date before the director or his designee,
which shall be not less than 30 days nor more than 60 days from the date of
service of the complaint. Such date may be extended by the Superior
Court for good cause shown upon the application of either party. The person so
charged and the complainant shall have the right to be represented by coun­
sel and the power to subpoena witnesses and documentary evidence together
with discovery proceedings. The provisions of this section shall apply to
every person actually in office as tax collector or performing the duties of
tax collector whether or not in the classified service under Title 11A, Civil
Service, of the New Jersey Statutes.
d. For the purposes of this section, the definition of good cause for
removal of a tax collector may include the failure of a tax collector to meet
the continuing education requirement set forth in sections 6 and 7 of
e. In the case of a pilot municipality, a tenured tax collector may be
dismissed to effectuate the sharing of a service entered into pursuant to the
provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be
deemed to be in the interest of the economy or efficiency of the participants
in the shared service agreement. The removal of a tax collector under this
subsection shall not require the pilot municipality to fulfill the requirements
of section 8 of P.L.1979, c.384 (C.40A:9-145.8). Instead, the pilot munici­
pality shall provide the tax collector with a written copy of the shared service
agreement entered into by the pilot municipality, and a letter stating that the position of tax collector in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement. Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and of section 3 of P.L.2013, c.166 (C.40A:65-4.2).

14. N.J.S.40A:9-146 is amended to read as follows:

Appointment of tax assessor, deputies.

40A:9-146. The governing body or chief executive, as shall be appropriate to the form of government of the municipality shall provide for the appointment of a tax assessor and such deputy tax assessors as it may determine necessary. The requirement that every municipality shall have a tax assessor and any such deputy tax assessors as it deems necessary may be fulfilled by the sharing of a tax assessor and any necessary deputy tax assessors with another municipality or municipalities under a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.). Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and, with respect to pilot municipalities, of section 3 of P.L.2013, c.166 (C.40A:65-4.2). The appointing authority may, by resolution or order as appropriate, set the total number of weekly hours of operation of the tax assessor's office and the total number of weekly work hours of the tax assessor, commensurate with the compensation paid to the tax assessor. The appointing authority shall not set the specific work hours of the tax assessor. The governing body, by ordinance, shall determine the amount of compensation of such assessors.

15. Section 7 of P.L.1967, c.44 (C.54:1-35.31) is amended to read as follows:

C.54:1-35.31 Reappointment or re-election; term; removal; dismissal.

7. a. Notwithstanding the provisions of any other law to the contrary, every person

(1) who, upon reappointment or re-election subsequent to having received a tax assessor certificate and having served as tax assessor or performed the duties of assessor for not less than four consecutive years immediately prior to such reappointment or re-election, or
(2) who, on or before June 30, 1969, shall have received a tax assessor certificate while actually in office as assessor or performing the duties of an assessor, and who, on or before June 30, 1969, shall have served as assessor or performed the duties of assessor for not less than four consecutive years, shall hold his position during good behavior and efficiency and compliance with requirements for continuing education pursuant to section 1 of P.L.1999, c.278 (C.54:1-35.25b), notwithstanding that such reappointment or re-election was for a fixed term of years, and he shall not be removed therefrom for political reasons but only for good cause shown and after a proper hearing before the director or his designee after due notice. A person who was formerly an assessor, a secretary of a board of assessors or a member of a board of assessors who shall have become by virtue of this amendatory and supplementary act, P.L.1981, c.393, a deputy tax assessor or an assessor, and who has not met the requirements of (1) or (2) above shall not be removed during his term in office for political reasons, but only for good cause shown and after a proper hearing before the director or his designee after due notice. In municipalities operating under forms of government where the assessor served at the pleasure of the appointing authority for an unlimited term of office, receipt of a tax assessor certificate and continuance in service as assessor after completion of 4 consecutive years of service shall be deemed the equivalent of reappointment. The provisions of this section shall apply to every person actually in office as assessor or performing the duties of an assessor whether in the classified service under Title 11A, Civil Service, or in a municipality which has not adopted Title 11A, Civil Service. For the purpose of this section, "good cause" shall include the failure of a tax assessor to meet the continuing education requirement required by section 1 of P.L.1999, c.278 (C.54:1-35.25b), and such failure shall render a tax assessor ineligible for service as a tax assessor.

b. In the case of a pilot municipality, a tenured tax assessor may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a tax assessor under this subsection shall not require the pilot municipality to fulfill the requirements of subsection a. of this section. Instead, the pilot municipality shall provide the tax assessor with a written copy of the shared service agreement entered into by the pilot municipality, and a letter stating that the position of tax assessor in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.
Tenure of municipal treasurer.

40A:9-152. a. Whenever a person has or shall have held the office of municipal treasurer for 10 consecutive years, the governing body of the municipality may grant tenure in office to such person. In the event the governing body fails to grant tenure in office to a municipal treasurer who has held that office for 10 consecutive years, a petition may be filed for a referendum vote on the question of whether the municipal treasurer shall continue to hold office during good behavior and efficiency, and shall not be removed therefrom except for just cause and then only after public hearing upon a written complaint setting forth the charge or charges against him. The petition shall be signed by at least 10% of the registered voters of the municipality and filed with the municipal clerk. Upon the filing of the petition the question shall be submitted to the voters at the next general election which shall occur not less than 60 days thereafter. The municipal clerk shall cause the question to be placed upon the official ballot to be used at the general election in the manner provided by law in substantially the following form: "Shall the municipal treasurer continue to hold office during good behavior and efficiency and not be removed therefrom except for just cause and then only after public hearing upon a written complaint setting forth the charge or charges against him?"

Immediately to the left of the question there shall be printed the words "Yes" and "No", each with a square, in either of which the voter may make a cross (x), or a plus sign (+) or check mark (✓) according to his choice. There shall also be printed the following: "Place a cross (x), or a plus sign (+) or check mark (✓) in one of the above squares indicating your choice."

Where voting machines are used, voting thereon shall be equivalent to the foregoing.

The election shall be held in accordance with the general law relating to public questions to be voted on in a single municipality at elections as provided for by Title 19 (Elections) of the Revised Statutes.

b. In the case of a pilot municipality, a tenured municipal treasurer may be dismissed to effectuate the sharing of a service entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a municipal treasurer under this subsection shall not require the pilot municipality to fulfill the requirements of N.J.S.40A:9-152.1. Instead, the pilot municipality shall provide the municipal treasurer with a written copy of the shared
service agreement entered into by the pilot municipality, and a letter stating that the position of municipal treasurer in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement. Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and section 3 of P.L.2013, c.166 (C.40A:65-4.2).

17. Section 7 of P.L.1991, c.258 (C.40A:9-154.6g) is amended to read as follows:

C.40A:9-154.6g Certificate required after January 1, 1997; exemptions, penalties.

7. a. Commencing January 1, 1997, the governing body or chief executive officer of each municipality, as appropriate, shall appoint a principal public works manager for that municipality. The requirement that every municipality shall have a principal public works manager may be fulfilled by the sharing of a principal public works manager with another municipality or municipalities under a shared service agreement entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.).

b. No person shall be selected to perform the duties of a principal public works manager unless he holds a public works manager certificate issued pursuant to section 3 of P.L.1991, c.258 (C.40A:9-154.6c), which certificate has not been revoked or suspended in accordance with the provisions of subsection b. of section 6 of P.L.1991, c.258 (C.40A:9-154.6f).

c. When a vacancy occurs in a position in which the duties of principal public works manager are performed, the governing body or chief executive officer, as appropriate, may select, for a period not to exceed one year and commencing on the date of the vacancy, a person who does not hold a certified public works manager certificate to perform on an interim basis, the duties of a principal public works manager. Any person so selected may be selected as principal public works manager for one additional year; provided, however, that no person shall perform on an interim basis, the duties of a temporary principal public works manager for more than two years in any municipality, and also provided that, in a municipality operating under the provisions of Title 11 A, the Civil Service Act, no person so selected on an interim basis shall be required to perform out-of-title work.

d. Any municipality that conducts minimal or no public works activity may apply to the director for an exemption from this section. Such exemptions shall be valid for five years from the date of issuance, at which time the municipality must reapply for an exemption or select a person to perform the duties of a principal public works manager. Upon receipt of an
application for exemption, the director shall have the public works advisory board review the application and make a recommendation to the director for approval or denial. If the director for good cause disagrees with the recommendation, he shall advise the public works advisory board of his decision and take any action he deems appropriate.

e. If a governing body or mayor fails or refuses to comply with this section, and has received an order from the director to do so, the members of a governing body or mayor who willfully fail or refuse to comply shall each be subject to a personal penalty of $25 for each day after the date fixed for final action that failure or refusal to comply continues. The amount for the penalty may be recovered by the director in the name of the State as a personal debt of the member of the governing body or mayor, and shall be paid, upon receipt, into the State Treasury.

18. Section 2 of P.L.1981, c.383 (C.40A:9-154.6) is amended to read as follows:

C.40A:9-154.6 Tenure of office; continuous holding of office for 5 years; ordinance; dismissal.

2. a. A person holding office, position or employment as full-time municipal superintendent of public works who has held the office, position or employment continuously for 5 years or more shall continue to hold the office, position or employment, notwithstanding he is serving for a fixed term, during good behavior and efficiency and shall not be removed therefrom for political or other reasons except for good cause, upon written charges filed with the municipal clerk and after a public, fair and impartial hearing; except that the governing body of the municipality shall first pass an ordinance authorizing the tenure of office herein provided. The person may be retired when he shall have attained 70 years of age.

b. Municipalities may share the services of a municipal superintendent of public works through a shared service agreement pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.).

A tenured municipal superintendent of public works may be dismissed by a pilot municipality to effectuate the sharing of a service for a municipal superintendent of public works entered into pursuant to the provisions of P.L.2007, c.63 (C.40A:65-1 et seq.) and section 3 of P.L.2013, c.166 (C.40A:65-4.2), and such dismissal shall be deemed to be in the interest of the economy or efficiency of the participants in the shared service agreement. The removal of a municipal superintendent of public works under this subsection shall not require the pilot municipality to fulfill the require-
ments of subsection a. of this section. Instead, the pilot municipality shall provide the municipal superintendent of public works with a written copy of the shared service agreement entered into by the pilot municipality, and a letter stating that the position of municipal superintendent of public works in the pilot municipality is being eliminated for reasons of economy or efficiency as the result of the shared service agreement.

Any such shared service agreement shall be subject to the provisions of section 4 of P.L.2007, c.63 (C.40A:65-4) and, with respect to pilot municipalities, section 3 of P.L.2013, c.166 (C.40A:65-4.2).

19. This act shall take effect immediately.

CHAPTER 167

AN ACT concerning the rights of residents of continuing care retirement communities and amending and supplementing P.L.1986, c.103.

2. a. Each prospective resident is entitled to receive a copy of a disclosure statement from the facility, as well as an explanation written in clear and plain language of the rights and responsibilities of a resident, prior to the execution of a continuing care agreement. The prospective resident shall have up to 30 days to review the copy of the disclosure statement and the written explanation prior to executing the continuing care agreement.
   b. Within 30 days after signing a continuing care agreement, the resident may cancel the agreement and receive a full refund, except for the application fee.

d. Each resident shall receive a copy of the rules and regulations regarding the resident’s responsibilities and conduct acceptable to the facility.

C.52:27D-360.3 Rights of residents of community.

3. a. Unless a resident has violated the continuing care agreement or facility rules, or the facility has cancelled the agreement with sufficient notice and cause, or if the facility for sound business reasons decides to raze or to otherwise cease operating the structure, or the part of it, in which the resident’s unit is located, a resident may occupy the resident’s chosen unit for as long as the resident can function independently, with or without the assistance of an aide or aides. Any determination that the resident can no longer function independently, with or without the assistance of an aide or aides, shall be made by the director of medical services of the facility and be subject to the requirements of section 4 of P.L.2013, c.167 (C.52:27D-360.4), and the facility shall notify the resident in writing of any right that the resident may have to appeal that determination.

b. Each resident shall have privacy within their unit, except that personnel must be admitted for contracted services or to respond to an emergency or complaint.

c. Any resident may serve or participate in a local, State, or national residents’ association, or other similar organization without discrimination or reprisal.

d. Each resident shall retain and be able to exercise all constitutional, civil, and other rights to which they are entitled by law.

e. Each resident shall be treated with respect, courtesy, consideration, and dignity.

f. Any resident or legal representative of the resident may refuse medication or treatment after being fully informed of the possible benefits or risks.

g. Each resident has the right to express complaints without fear of interference, discharge, or reprisal, and the right to contact the Office of the Ombudsman for the Institutionalized Elderly, or any advocate or agency which provides health, social, legal, or other services to advocate on behalf of residents if the resident feels that their rights are being violated.

h. Each resident has the right to expect the facility to promptly investigate and try to resolve all concerns the resident expresses. A record shall be kept of all written complaints made to the facility’s senior management concerning residents’ rights. This record shall be available to only the particular resident or the resident’s legal representative, immediate family members, the residents’ physicians, and agents of the State of New Jersey.
Each resident may file a complaint with an appropriate agency, including the appropriate State office, without fear of reprisal from the facility.

i. The facility shall not modify or reduce the scope of provided services, with the exception of modifications required by State or federal assistance programs, without providing the residents with a minimum of 30-days’ prior notice of the modification or reduction. All services to be provided shall be listed in a form designated by the department pursuant to N.J.A.C. 5:19-6.4(a)(2).

j. Each resident is entitled to 30-days’ advance written notice prior to the increase of any fees.

k. A resident may choose any outside physician as their primary care physician.

l. A resident may hire a private caregiver or companion at the resident’s own expense and responsibility, as long as the caregiver or companion complies with the facility’s policies and procedures.

m. Each resident is entitled to view or receive a copy of their own medical record, free of charge.

n. Each resident may participate personally, or through a legal representative, in all decisions regarding their own health care.

o. Each resident or legal representative of the resident shall receive, upon request, a complete explanation of their medical condition, any recommended treatment, and the possible benefits or risks involved.

p. A resident may appoint a legal representative with a durable power of attorney to handle financial matters if the resident is unable to do so.

q. Pursuant to section 4 of the “New Jersey Advance Directives for Health Care Act,” P.L.1991, c.201 (C.26:2H-56), a resident may execute an advance directive concerning the use of life-sustaining treatment, and may appoint a legal representative with a durable power of attorney to act on behalf of the resident with regard to health care decisions. The resident has the right to expect that the provisions of the advance directive will be executed to the fullest extent possible.

r. Each resident shall receive every service, as contracted in the continuing care agreement that was executed upon the resident’s admission, unless waived in writing by the resident, with the exception of changes required by State or federal law or permitted in the continuing care agreement.

s. A resident shall have the right to receive guests and visitors at the facility, and the right to allow guests to stay for a reasonable temporary period of time in a guest apartment or unit in the facility, subject to reasonable policies and procedures of the facility.
t. A resident may leave and return to the resident’s independent living unit at will, provided the resident informs the facility if the resident will be temporarily absent overnight, or for a longer period of time. The facility shall notify residents in writing as to whether they will be charged a per diem fee during any such time that they are absent from the facility.

u. A resident has the right to refuse to perform work or services for the facility without coercion, discrimination, or reprisal by the facility.

v. Each resident shall not be requested or required to accept any restriction of the rights or privileges of a resident as set forth herein.

w. A resident may request from the facility, and shall receive without undue delay or cost, a copy of the rights of nursing home residents, as provided in section 5 of P.L.1976, c.120 (C.30:13-5).

x. A resident may request from the facility, and shall receive without undue delay or cost, a copy of the rights of residents of assisted living facilities, as provided in section 1 of P.L.2011, c.58 (C.26:2H-128).

y. A resident may request from the facility, and shall receive without undue delay or cost, a copy of the “Bill of Rights for Continuing Care Retirement Community Residents in Independent Living,” as provided in section 5 of P.L.2013, c.167 (C.52:27D-360.5).

z. A resident who is insured by a health maintenance organization has the right to be referred by their primary care physician to the nursing care unit that is part of the resident’s facility instead of any other unit, provided that the unit has the capacity to provide the services needed and that it is in the best interests of the resident, and further provided that the facility accepts the applicable reimbursement rate. This right also applies to any resident being discharged from a hospital or similar facility.

C.52:27D-360.4 Transfer, reassignment of resident.

4. a. A resident may be temporarily or permanently assigned to an assisted living unit or a licensed nursing unit if the facility determines that the resident’s physical or mental health requires that level of care. The determination shall be made in consultation with the resident’s attending physician if available, the medical director, a member of the resident’s immediate family but only at the resident’s request, and the resident or legal representative of the resident.

b. Transfer of a resident to a hospital of their choice may take place at the request of the resident or legal representative of the resident, or when deemed to be medically necessary by the director of medical services of the facility after consultation with both the resident’s attending physician and the resident or legal representative of the resident.
C.52:27D-360.5 "Bill of Rights for Continuing Care Retirement Community Residents in Independent Living."

5. Each continuing care retirement facility is required to distribute to each resident, and post in a conspicuous public place in the facility, a statement of residents' rights, entitled “Bill of Rights for Continuing Care Retirement Community Residents in Independent Living,” as provided in P.L.2013, c.167 (C.52:27D-360.1 et al.), to each resident. The statement of residents’ rights shall be prepared, distributed, and posted in a form approved by the department. The facility shall inform each resident, a member of the resident’s immediate family but only at the resident’s request, and the resident’s legal representative, if applicable, of the resident’s rights, provide explanations if needed, and ensure that each resident or legal representative of the resident has been encouraged to read the statement of residents’ rights, and sign a copy of the statement to demonstrate that it has been read and understood. The facility shall also be responsible for making this statement available to any resident within a reasonable time upon request and without cost. The facility shall be responsible for undertaking the actions in this section with respect to all new and existing residents as of the effective date of P.L.2013, c.167 (C.52:27D-360.1 et al.).

C.52:27D-360.6 Information provided to resident.

6. a. A resident shall receive, upon request, a fee schedule for any uncovered service before agreeing to the performance of that service.

b. Each resident shall have the right to receive a copy of the facility’s annual disclosure statement, including certified financial statements, once they have been filed with the department.

c. A resident who is experiencing financial difficulties may thoroughly investigate with the facility any financial assistance which may be available to allow the resident to remain at the facility. The facility shall provide sustaining charitable assistance, unless the facility can demonstrate that:
   (1) providing this assistance would adversely affect the financial health of the facility;
   (2) the resident has violated the terms of the continuing care agreement or providing this assistance would violate the terms of the continuing care agreement; or
   (3) providing this assistance would cause the facility to violate a covenant in a loan agreement.

d. A resident may remain in a facility despite financial difficulty until the facility demonstrates to the department that the entrance fee the resident paid, if applicable, has been fully earned by the facility, using the formula
set forth under the department regulations for rescission and removal, pursuant to N.J.A.C.5:19-6.5(f). A resident shall not be permitted to remain at the facility if the financial difficulty is due to the resident's misrepresentation to the facility about the extent of the resident's assets or income or if the resident gives away significant assets while residing at the facility.

e. Each resident shall be informed of Medicare and Medicaid program benefits and shall receive assistance in accessing these benefits to the extent that they are available at the facility.

C.52:27D-7 Cancellation of agreement.

7. a. A resident may, upon 60-days’ written notice, cancel the continuing care agreement for any reason.

b. Upon cancellation of the continuing care agreement by either the resident or the facility, the resident shall have the right to receive a refund of the amount of any entrance fee as provided in the continuing care agreement. The amount of the entrance fee shall be set forth in a clear and conspicuous manner in the continuing care agreement.

c. A resident shall be provided at least 60-days’ written notice from the facility if the resident’s continuing care agreement is being cancelled due to a violation of the facility’s rules or regulations. Notification may be waived if the facility can demonstrate just cause for terminating the continuing care agreement in accordance with N.J.A.C.5:19-6.5(c). The resident may challenge the facility’s notice of continuing care agreement cancellation by requesting a hearing in the same manner as for a hearing in a contested case pursuant to section 9 of P.L.1968, c.410 (C.52:14B-9).

d. In a continuing care agreement that provides for a refundable entrance fee, when a resident permanently vacates the facility, or, in the case of two residents occupying the same residence, when both vacate at the same time, the facility shall provide to the resident or residents or the legal representative of the resident’s estate, whichever is applicable, a refund of the refundable entrance fee amount without interest, as set forth in the agreement. Any unpaid fees or charges incurred by the resident including unpaid monthly service fees, as well as the amount of any charitable assistance that the facility has provided to the resident, may also be deducted from the remaining balance of the refund of the entrance fee. Any balance to the resident shall be payable within 60 days from the date the residence is resold and the entrance fee from the new resident has been received.

e. When an entrance fee deposit is refundable, it shall be paid to either the resident, the resident’s named beneficiary, or the legal representative of the resident’s estate, whichever is applicable. A resident shall have
the right to change, in writing, the named beneficiary for the entrance fee refund at any time.

8. Section 3 of P.L.1986, c.103 (C.52:27D-332) is amended to read as follows:

C.52:27D-332 Definitions.

   A fee which is less than the sum of the regular periodic charges for one year of residency is not considered an entrance fee for the purposes of this act. A transfer of a sum of money or other property, by or on behalf of a resident, to a trust account which is managed by the facility or an independent trustee for the benefit of the resident is not considered an entrance fee for the purposes of this act if the transfer is not a condition of admission or of continued stay, and the principal amount and any interest thereon are the exclusive and sole property of the resident or the individual acting on behalf of the resident.
   f. "Facility" means the place or places in which a person undertakes to provide continuing care to an individual.

9. Section 22 of P.L.1986, c.103 (C.52:27D-351) is amended to read as follows:

C.52:27D-351 Violations, enforcement; penalties.

22. a. If the commissioner determines or has cause to believe that a person has engaged in any act or practice which constitutes a violation of P.L.1986, c.103 (C.52:27D-330 et seq.) or P.L.2013, c.167 (C.52:27D-360.1 et al.), the commissioner may take any or all of the following actions, as appropriate:

(1) Issue a temporary cease and desist order upon the determination by the commissioner in writing, and based upon a finding of fact that the public interest will be irreparably harmed by delay in issuing an order, including therein a provision that, upon written request made within five business days following issuance of the order, a hearing will be held within 10 days of that request to determine whether or not the temporary cease and desist order shall become permanent. A copy of any temporary or permanent cease and desist order shall be sent to the person by certified mail;

(2) Bring an action in the Superior Court to enjoin the act or practice and to enforce compliance with P.L.1986, c.103 (C.52:27D-330 et seq.) and P.L.2013, c.167 (C.52:27D-360.1 et al.) if it appears that a person has engaged or is about to engage in an act or practice constituting a violation of a provision of P.L.1986, c.103 (C.52:27D-330 et seq.) or P.L.2013, c.167 (C.52:27D-360.1 et al.), or a rule or order of the department. Upon a proper showing, the court may grant a permanent or temporary injunction, restraining order, or writ of mandamus and may appoint a receiver or conservator for the defendant or the defendant's assets. The commissioner shall not be required to post a bond; or

(3) Levy and collect civil penalties in the amount of not less than $250, and not more than $50,000, for each violation of P.L.1986, c.103 (C.52:27D-330 et seq.) or P.L.2013, c.167 (C.52:27D-360.1 et al.), or any
rule adopted pursuant thereto or order issued thereunder, and compromise and settle any claim for a penalty in such amount in the discretion of the commissioner as may appear appropriate and equitable under the circumstances of the violation. Each day during which a violation continues after the effective date of a notice to terminate issued by the commissioner shall constitute an additional, separate, and distinct violation. If an administrative order levying a civil penalty is not satisfied within 30 days of its issuance, the commissioner may sue for and recover the penalty with costs in a summary proceeding under the “Penalty Enforcement Law of 1999,” P.L.1999, c.274 (C.2A:58-10 et seq.) in the Superior Court.

(a) Except as set forth in subparagraph (b) of this paragraph, the initial penalty levied for any violation shall not exceed $250 per violation, or $250 per unit in the case of any violation of department rules for facility certification, and a subsequent penalty for the same act or omission shall not exceed 10 times the amount of the last previous penalty or the statutory maximum, whichever is less.

(b) The limitations set forth in subparagraph (a) of this paragraph shall not apply to any violation involving either dishonesty in dealings with residents or prospective residents, or willful disregard of the rights of residents.

b. For the purposes of actions that the commissioner may take under subsection a. of this section, the following shall have the same effect as a violation of P.L.1986, c.103 (C.52:27D-330 et seq.) or sections 1 through 7 of P.L.2013, c.167 (C.52:27D-360.1 et seq.):

(1) Directly, or through an agent or employee, knowingly engaging in false, deceptive, or misleading advertising, promotional, or sales methods to offer or dispose of a unit;

(2) Making any material change in the plan of disposition of the continuing care retirement community subsequent to the certificate of authority without obtaining prior approval from the department;

(3) Disposing of any unit, which is capable of being certified, or interest in a continuing care retirement community which has not been certified with the department; and

(4) Violating any lawful order or rule of the department.

c. The commissioner shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), regarding the implementation of this section.

10. Section 2 of P.L.1977, c.239 (C.52:27G-2) is amended to read as follows:
C.52:27G-2 Definitions.

C.52:4C-1 Findings, declarations relative to persons mistakenly imprisoned.

1. The Legislature finds and declares that innocent persons who have been convicted of crimes and subsequently imprisoned have been frustrated in seeking legal redress and that such persons should have an available avenue of redress to seek compensation for damages. The Legislature intends by enactment of the provisions of this act that those innocent persons who can demonstrate by clear and convincing evidence that they were mistakenly convicted and imprisoned be able to recover damages against the State.

In light of the substantial burden of proof that must be carried by such persons, it is the intent of the Legislature that the court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted pursuant to this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence or other factors not caused by such persons or those acting on their behalf.

2. Section 2 of P.L.1997, c.227 (C.52:4C-2) is amended to read as follows:

C.52:4C-2 Suit for damages.

2. a. Notwithstanding the provisions of any other law, any person convicted and subsequently imprisoned for one or more crimes which he did not commit may, under the conditions hereinafter provided, bring a suit for damages in Superior Court against the Department of the Treasury.

b. He did not commit the crime for which he was convicted; and
c. He did not commit or suborn perjury, fabricate evidence, or by his own conduct cause or bring about his conviction. Neither a confession or admission later found to be false shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about his conviction under this subsection; and
d. He did not plead guilty to the crime for which he was convicted.

4. Section 5 of P.L.1997, c.227 (C.52:4C-5) is amended to read as follows:

C.52:4C-5 Damages, attorney fees.
5. a. (1) Damages awarded under this act shall not exceed the greater of:
   (a) twice the amount of the claimant's income in the year prior to his incarceration; or
   (b) $50,000 for each year of incarceration.
   (2) In the event that damages exceed $1 million, the court may order that the award be paid as an annuity with a payout over a maximum period of 20 years. The court shall consider the best interests of the claimant in making such determination.
   b. In addition to the damages awarded pursuant to subsection a., the claimant shall be entitled to receive reasonable attorney fees and costs related to the litigation. A claimant may also be awarded other non-monetary relief as sought in the complaint including, but not limited to vocational training, tuition assistance, counseling, housing assistance, and health insurance coverage as appropriate.

17. a. The reasonable value of the services rendered to a defendant pursuant to P.L.1967, c.43 (C.2A:158A-1 et seq.) may in all cases be a lien on any and all property to which the defendant shall have or acquire an inter-
est. The Public Defender shall effectuate such lien whenever the reasonable value of the services rendered to a defendant appears to exceed $150.00 and may effectuate such lien where the reasonable value of those services appears to be less than $150.00.

To effectuate such a lien, the Public Defender shall file a notice setting forth the services rendered to the defendant and the reasonable value thereof with the Clerk of the Superior Court. The filing of said notice with the Clerk of the Superior Court shall from the date thereof constitute a lien on said property for a period of 10 years, unless sooner discharged and except for such time limitations shall have the force and effect of a Judgment at Law. Within 10 days of the filing of the Notice of Lien, the Public Defender shall send by certified mail, or serve personally, a copy of such notice with a statement of the date of the filing thereof to or upon the defendant at his last known address. If the Public Defender shall fail to give notice, the lien shall be void.

b. In any case where the defendant is awarded damages pursuant to P.L.1997, c.227 (C.52:4C-1 et seq.) on grounds that the defendant did not commit the crime for which he was convicted and imprisoned, the Public Defender shall discharge any lien for services rendered concerning that crime.

6. The provisions of this amendatory and supplementary act (P.L.2013, c.171) shall apply to any claimant released from imprisonment or granted a pardon on or after the effective date of this act.

b. Except where incarceration is ordered pursuant to subsection a. of this section, if the court finds that the person has defaulted on the payment of a penalty the court may take one or more of the following actions:

(1) the court shall take appropriate action to modify or establish a reasonable schedule for payment;

(2) if the court finds that the circumstances that warranted the penalty have changed or that it would be unjust to require payment, the court may revoke or suspend the penalty or the unpaid portion of the penalty; or

(3) if the defendant has served jail time for default on a penalty, the court may order that credit for each day of confinement be given against the amount owed. The amount of the credit shall be determined at the discretion of the court but shall be not less than $50 for each day of confinement served.

When such person shall have been confined for a sufficient number of days to establish credits equal to the aggregate amount of such penalties and costs, and is not held by reason of any other sentence or commitment, he shall be discharged from such imprisonment by the officer in charge of the county jail or workhouse.

c. For the purposes of this section, “penalty” means any fine, statutorily-mandated assessment, surcharge, or other financial penalty imposed by a court pursuant to this subtitle, but does not include a surcharge imposed pursuant to subsection f. of section 1 of P.L.2000, c.75 (C.39:4-97.2).

3. This act shall take effect immediately.

Approved January 13, 2014.
CHAPTER 181

AN ACT concerning certain information and charges provided by telecommunications companies and amending P.L.1991, c.428 and P.L.2003, c.247.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1991, c.428 (C.48:2-21.19) is amended to read as follows:

C.48:2-21.19 Competitive services, rates not regulated; conditions.

4. a. (1) Notwithstanding the provisions of R.S.48:2-18, R.S.48:2-21, section 31 of P.L.1962, c.198 (C.48:2-21.2), R.S.48:3-1, or any other law to the contrary, the board shall not regulate, fix, or prescribe the rates, tolls, charges, rate structures, terms and conditions of service, rate base, rate of return, and cost of service, of competitive services.

(2) The board shall not require the local exchange telecommunications company or interexchange telecommunications carrier to file and maintain tariffs for retail competitive services, but shall require any terms and conditions of retail competitive services to be made available for public inspection on the Internet website of any local exchange telecommunications company or interexchange telecommunications carrier providing those services, and a printed copy of those terms and conditions be provided upon the request of a customer. Nothing in this section shall affect the ability of a local exchange telecommunications company or interexchange telecommunications carrier, in their discretion, to file tariffs with the board.

b. The board is authorized to determine, after notice and hearing, whether a telecommunications service is a competitive service. In making such a determination, the board shall develop standards of competitive service which, at a minimum, shall include evidence of ease of market entry; presence of other competitors; and the availability of like or substitute services in the relevant geographic area.

c. The board may determine, by rule, order, or in accordance with the provisions of a plan filed pursuant to subsection a. of section 3 of P.L.1991, c.428 (C.48:2-21.18), what reports are necessary to monitor the competitiveness of any telecommunications service.
d. The board shall have the authority to reclassify any telecommunications service that it has previously found to be competitive if, after notice and hearing, it determines that sufficient competition is no longer present, upon application of the criteria set forth in subsection b. of this section. Upon such a reclassification, the provisions of subsection a. of this section shall no longer apply and the board may determine such rates for that telecommunications service which it finds to be just and reasonable. The board, however, shall continue to monitor the telecommunications service and, whenever the board shall find that the telecommunications service has again become sufficiently competitive pursuant to subsection b. of this section, the board shall again apply the provisions of subsection a. of this section.

e. Notwithstanding the provisions of subsection a. of this section, the following safeguards shall apply to the offering of any competitive service by a local exchange telecommunications company:

1. the local exchange telecommunications company shall unbundle each noncompetitive service which is incorporated in the competitive service and shall make all such noncompetitive services separately available to any customer under tariffed terms and conditions, including price, that are identical to those used by the local exchange telecommunications company in providing its competitive service;

2. the rate which a local exchange telecommunications company charges for a competitive service shall exceed the rates charged to others for any noncompetitive services used by the local exchange telecommunications company to provide the competitive service;

3. tariffs for competitive services that may be filed with the board shall either be in the public records, or, if the board determines that the rates are proprietary, shall be filed under seal and made available under the terms of an appropriate protective agreement, such as those used in cases before the board; and

4. nothing in P.L.1991, c.428 (C.48:2-21.16 et seq.) shall limit the authority of the board, pursuant to R.S.48:3-1, to ensure that local exchange telecommunications companies do not make or impose unjust preferences, discriminations, or classifications for noncompetitive services.

2. Section 1 of P.L.2003, c.247 (C.48:3-2.3) is amended to read as follows:

C.48:3-2.3 Assessment of late charge on unpaid utility bill, conditions.

1. a. Notwithstanding the provisions of any law, rule, regulation, or order to the contrary, the board shall not allow a utility to assess a late pay-
ment charge on an unpaid bill unless the charge is provided for in the utility's applicable rate schedule approved by the board. A late payment charge shall not be approved by the board if the charge is applicable to bills less than 25 days after rendering. A late payment charge shall not be approved for a rate schedule applicable to a State, county or municipal government entity or any residential ratepayer.

As used in this subsection, a "utility" means a public utility, as public utility is defined in R.S.48:2-13 and including a natural gas pipeline utility as natural gas pipeline utility is defined in section 2 of P.L.1952, c.166 (C.48:10-3), and a municipally-operated utility, insofar as the board's jurisdiction is extended to the municipally-operated utility under any applicable law. "Utility" shall not mean a local exchange telecommunications company or interexchange telecommunications carrier providing a competitive service as determined by the board pursuant to section 4 of P.L.1991, c.428 (C.48:2-21.19).

b. The board may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary to effectuate the purposes of subsection a. of this section.

3. This act shall take effect on the 180th day after the date of enactment, but the Board of Public Utilities may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved January 13, 2014.

CHAPTER 182

AN ACT concerning professional and occupational licenses, revising various parts of the statutory law, and supplementing P.L.1999, c.403 (C.45:1-7.1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1999, c.403 (C.45:1-7.1) is amended to read as follows:
C.45:1-7.1 Applicability; renewals; reinstatements.

5. a. Notwithstanding any other act or regulation to the contrary, the provisions of this section shall apply to every holder of a professional or occupational license or certificate of registration or certification issued or renewed by a board specified in section 2 of P.L.1978, c.73 (C.45:1-15), who seeks renewal of that license or certificate.

b. Every holder of a professional or occupational license or certificate of registration or certification, issued or renewed by a board specified in section 2 of P.L.1978, c.73 (C.45:1-15), who seeks renewal shall submit a renewal application and pay a renewal fee prior to the date of expiration of the license or certificate of registration or certification. If the holder does not renew the license or certificate prior to its expiration date, the holder may renew it within 30 days of its expiration date by submitting a renewal application and paying a renewal fee and a late fee. During the 30-day period, the license shall be valid and the licensee shall not be deemed practicing without a license. Any professional or occupational license or certificate of registration or certification not renewed within 30 days of its expiration date shall be suspended without a hearing.

c. Any individual who continues to practice after the 30 days following the expiration date of that individual’s license or certificate of registration or certification shall be deemed to be engaged in unlicensed practice of the regulated profession or occupation, even if no notice of suspension has been provided to the individual.

d. A professional or occupational license or certificate of registration or certification suspended pursuant to this section may be reinstated as provided in section 2 of P.L.2013, c.182 (C.45:1-7.4).

e. A board specified in section 2 of P.L.1978, c.73 (C.45:1-15) shall send a notice of renewal to each of its holders of a professional or occupational license or certificate of registration or certification, as applicable, at least 60 days prior to the expiration of the license or certificate. The notice of renewal shall explain inactive renewal and advise the licensee of the option to renew as inactive. If the notice to renew is not sent at least 60 days prior to the expiration date, no monetary penalties or fines shall apply to the holder for failure to renew provided that the license is renewed within 60 days from the date the notice is sent.

f. A renewal applicant electing to renew as inactive shall not engage in professional or occupational practice within the State or hold himself out as eligible to engage in professional or occupational practice within the State.
C.45:1-7.4 Submission by applicant seeking reinstatement.

2. a. An applicant seeking reinstatement of a license or certificate suspended pursuant to section 5 of P.L.1999, c.403 (C.45:1-7.1) shall submit:

   (1) A renewal application;

   (2) A certification of employment listing each job held during the period of suspended license, registration, or certification, which includes the names, addresses, and telephone numbers of each employer;

   (3) Payment of the renewal fee for the biennial or triennial period for which reinstatement is sought;

   (4) Payment of the unpaid renewal fee for the biennial or triennial period immediately preceding the renewal period for which reinstatement is sought;

   (5) Payment of a reinstatement fee; and

   (6) Proof of having satisfied all conditions precedent to renewal, including, but not limited to, the continuing education credits that were required to be completed during the biennial or triennial period immediately prior to the renewal period for which reinstatement is sought.

b. An applicant seeking reactivation of a license or certificate that was in inactive status pursuant to section 5 of P.L.1999, c.403 (C.45:1-7.1) shall submit:

   (1) A renewal application;

   (2) A certification of employment listing each job held during the period of suspended license, registration, or certification, which includes the names, addresses, and telephone numbers of each employer;

   (3) Payment of the renewal fee for the biennial or triennial period for which reinstatement is sought, or, in the discretion of the board, a prorated fee if there is less than one year remaining in the biennial or triennial period; and

   (4) Proof of having satisfied all conditions precedent to renewal, including, but not limited to, the continuing education credits that were required to be completed during the biennial or triennial period immediately prior to the renewal period for which reinstatement is sought.

c. An applicant seeking reinstatement of a license or certificate suspended pursuant to section 5 of P.L.1999, c.403 (C.45:1-7.1), or an applicant seeking reactivation of a license or certificate that was in inactive status pursuant to section 5 of P.L.1999, c.403 (C.45:1-7.1), who holds a valid, current, corresponding professional or occupational license, certificate of registration, or certification in good standing issued by another state, who submits proof of having satisfied that state’s continuing education requirements for that license, registration, or certification, shall be deemed to have satisfied paragraph (6) of subsection a. and paragraph (4) of subsection b. of this section.
d. To the extent that specific courses are required to satisfy the continuing education requirement for, or are required to have been satisfied prior to, the biennial or triennial period for which renewal is sought, a board may permit those courses to be taken in the 12 months following renewal. Credit for those courses may be applied to the continuing education requirement for the next renewal period.

e. If a board review of an application for reinstatement or reactivation under this section establishes a basis for concluding that there may be practice deficiencies in need of remediation prior to reinstatement or reactivation, the board may require the applicant to submit to and successfully pass an examination or an assessment of skills, a refresher course, or other requirements as determined by the board prior to reinstatement or reactivation of the license. If that examination or assessment identifies clinical deficiencies or educational needs, the board may require the applicant, as a condition of reinstatement or reactivation of licensure, to take and successfully complete any education or training, or to submit to any supervision, monitoring, or limitations, as the board determines are necessary to assure that the applicant practices with reasonable skill and safety. The board, in its discretion, may restore the license subject to the applicant's completion of the training within a period of time prescribed by the board following the restoration of the license.

C.45: 1-7.5 Issuance of professional or occupational license, certificate of registration, or certification.

3. a. Upon receipt of a completed application, application fee, consent to a criminal history record background check, if applicable, and requisite fee for such a check, a board shall issue a professional or occupational license, certificate of registration, or certification to any person who documents that the person holds a valid, current corresponding professional or occupational license, certificate of registration, or certification in good standing issued by another state, if:

(1) the state that issued the license has, or had at the time of issuance, education, training, and examination requirements for licensure, registration, or certification substantially equivalent to the current standards of this State, as determined by the board or committee;

(2) the applicant had been practicing in the profession for which licensure in this State is sought, within the five years prior to the date of the application; and

(3) the requirements of subsection b. of this section have been satisfied with respect to the person.
b. Prior to the issuance of the license, certificate of registration, or certification pursuant to subsection a. of this section, the board or committee shall have received or obtained:

(1) documentation reasonably satisfactory to the board that the applicant's license, certificate of registration, or certification in that other state is valid, current, and in good standing;

(2) if a person is seeking licensure as a health care professional as defined in section 1 of P.L.2002, c.104 (C.45:1-28), or if a criminal history record background check is otherwise required prior to licensure in this State, the results of a criminal history record background check of the files of the Criminal Justice Information Services Division in the Federal Bureau of Investigation and the State Bureau of Identification in the Division of State Police that does not disclose a conviction for a disqualifying crime; and

(3) designation of an agent in this State for service of process if the applicant is not a New Jersey resident and does not have an office in New Jersey.

c. For purposes of this section, "good standing" means that:

(1) no action has been taken against the applicant's license by any licensing board;

(2) no action affecting the applicant's privileges to practice that applicant's profession has been taken by any out-of-State institution, organization, or employer;

(3) no disciplinary proceeding is pending that could affect the applicant's privileges to practice that applicant's profession;

(4) all fines levied by any out-of-State board have been paid; and

(5) there is no pending or final action by any criminal authority for violation of law or regulation, or any arrest or conviction for any criminal or quasi-criminal offense under the laws of the United States, this State, or any other state including, but not limited to: criminal homicide; aggravated assault; sexual assault, criminal sexual contact, or lewdness; or an offense involving any controlled dangerous substance or controlled dangerous substance analog.

d. For purposes of this section, a "substantially equivalent" examination need not be identical to the current examination requirements of this State, but such examination shall be nationally recognized and of comparable scope and rigor.

e. An applicant's experience may be considered by the board or committee to compensate for disparity in substantial equivalence in education and examination requirements under subsection a. of this section.
f. An applicant shall satisfy or shall have satisfied all applicable pre­requisites required for initial licensure in this State, such as obtaining insur­ance, including malpractice insurance, a surety bond, or a pressure seal.

  g. An applicant shall answer truthfully all questions asked of an appli­cant for initial licensure.

  h. Not later than six months after the issuance of the license, the board or committee shall have received documentation reasonably satisfactory to the board verifying the person’s education, training, and examination re­sults.

  i. A board or committee, after the licensee has been given notice and an opportunity to be heard, may revoke any license based on a license is­sued by another state obtained through fraud, deception, or misrepresenta­tion.

  j. Nothing contained in this section shall preclude a board from re­quiring an applicant for licensure based on an out-of-State license to take an on-line jurisprudence course or an orientation available to the applicant at any time.

  k. Nothing contained in this section shall preclude a board from only granting a license, certificate of registration, or certification without exami­nation to an applicant seeking reciprocity who holds a corresponding li­cense, certificate of registration, or certification from another state if equal reciprocity is provided for a New Jersey applicant for licensure under the law of that other state.

  l. Nothing in this section shall preclude a board from exercising its discretion to grant a license, certificate of registration, or certification with­out examination to an applicant seeking reciprocity who holds a corre­sponding license, certificate of registration, or certification from another state who does not meet the good standing requirement of subsection a. of this section due to a pending action by a licensing board, a pending action by an out-of-State institution, organization, or employer affecting the appli­cant’s privileges to practice, a pending disciplinary proceeding, or a pend­ing criminal charge or arrest for a crime.

  m. Notwithstanding any law or regulation to the contrary, the provi­sions of this section shall apply to every holder of a professional or occupa­tional license or certificate of registration or certification issued or renewed by a board specified in section 2 of P.L.1978, c.73 (C.45:1-15), except that the provisions of this section shall not apply to any holder of a license is­sued or renewed by the Board of Examiners of Electrical Contractors pur­suant to P.L.1962, c.162 (C.45:5A-1 et seq.), the State Board of Examiners of Master Plumbers pursuant to P.L.1968, c. 362 (C.45:14C-1 et seq.), the
New Jersey Real Estate Commission pursuant to R.S.45:15-1 et seq., or the State Board of Examiners of Heating, Ventilating, Air Conditioning and Refrigeration Contractors pursuant to P.L.2007, c.211 (C.45:16A-1 et seq.).

AN ACT concerning protective eyewear for children participating in sports and supplementing chapter 40 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:40-41.8 Findings, declarations relative to protective eyewear for children participating in sports.

1. The Legislature finds and declares that:
   a. Eye injuries are the leading cause of preventable blindness and visual impairment in children, and most injuries occurring in school-aged children are sports-related;
   b. Every 16 minutes a child incurs a sports-related eye injury severe enough to require a visit to the emergency room;
   c. According to Prevent Blindness America, 90% of all eye injuries can be avoided by the use of appropriate eye protection; and
   d. It is necessary and prudent to educate parents and children about sports-related eye injuries in order to reduce the needless loss of sight that can occur during sports activities.

C.18A:40-41.9 Development of educational fact sheet providing information relative to sports-related eye injuries.

2. a. The Commissioner of Education shall develop within 120 days of the effective date of this act, an educational fact sheet that provides infor-

(3) a recommendation that all children participating in school sports or recreational sports wear protective eyewear;

(4) information concerning the purchase of appropriate protective eyewear; and

CHAPTER 184

AN ACT providing electricity customers with price comparison information and amending P.L.1999, c.23.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1999, c.23 (C.48:3-56) is amended to read as follows:

C.48:3-56 Board shall not regulate, fix, prescribe certain aspects of competitive services.

8. a. Except as otherwise provided in P.L.1999, c.23 (C.48:3-49 et al.), and notwithstanding any provisions of R.S.48:2-18, R.S.48:2-21, section 31 of P.L.1962, c.198 (C.48:2-21.2), R.S.48:3-1 or any other law to the contrary, the board shall not regulate, fix, or prescribe the rates, tolls, charges, rate structures, rate base, or cost of service of competitive services.
b. For the purposes of P.L.1999, c.23 (C.48:3-49 et al.), electric generation service is deemed to be a competitive service.

c. The board is authorized to determine, after notice and hearing, whether any other service offered by an electric public utility is a competitive service. In making such a determination, the board shall develop standards of competitive service which, at a minimum, shall include: evidence of ease of market entry; presence of other competitors; and the availability of like or substitute services in the relevant market segment and geographic area. Notwithstanding the presence of these factors, the board may determine that any service shall remain regulated for purposes of the public safety and welfare.

d. The board is authorized to determine, after notice and hearing, and after appropriate review by the Legislature pursuant to subsection k. of this section, whether to reclassify as regulated any electric service or segment thereof that it has previously found to be competitive, including electric generation service, if it determines that sufficient competition is no longer present, upon application of the criteria set forth in subsection c. of this section. Upon such a reclassification, subsection a. of this section shall no longer apply and the board shall determine such rates for that electric service which it finds to be just and reasonable. The board, however, shall continue to monitor the electric service or segment thereof and, whenever the board shall find that the electric service has again become sufficiently competitive pursuant to subsection c. of this section, the board shall again apply the provisions of subsection a. of this section.

e. Nothing in P.L.1999, c.23 (C.48:3-49 et al.) shall limit the authority of the board, pursuant to Title 48 of the Revised Statutes, to ensure that electric public utilities do not make or impose unjust preferences, discriminations, or classifications for any services provided to customers.

f. (1) The board shall adopt, by rule, regulation, or order, such fair competition standards, affiliate relation standards, accounting standards, and reports as are necessary to ensure that electric public utilities or their related competitive business segments do not enjoy an unfair competitive advantage over other non-affiliated purveyors of competitive services and in order to monitor the allocation of costs between competitive and non-competitive services offered by an electric public utility, and within 60 days after the starting date for implementation of retail choice pursuant to subsection a. of section 5 of P.L.1999, c.23 (C.48:3-53), shall commence the process of conducting audits, at the expense of the electric public utilities, to ensure compliance with this section and section 7 of P.L.1999, c.23 (C.48:3-55) and with the board's rules, regulations and orders adopted pur-
CHAPTER 184, LAWS OF 2013

suant to this section and section 7 of P.L.1999, c.23 (C.48:3-55). The board shall hire an independent contractor to perform such audits.

(2) Subsequent audits shall take place no less than every two years after the date of the decision rendered pursuant to subsection k. of section 7 of P.L.1999, c.23 (C.48:3-55).

(3) The public utility or an intervenor shall have the right to contest the methodology and rebut the findings of an audit performed pursuant to this subsection, in a filing with the board. The board shall take no action to functionally separate, structurally separate, or require the divestiture of any portion of a public utility's operations pursuant to this subsection until the public utility, and any intervenors, have been afforded timely opportunity to make such filing and until the board has issued a decision thereon.

(4) If the board finds, as a result of any such audit, that substantial violations of P.L.1999, c.23 (C.48:3-49 et al.) or of the board's rules, regulations or orders adopted pursuant to this section and section 7 of P.L.1999, c.23 (C.48:3-55) have occurred which result in unfair competitive advantages for an electric public utility, it shall: order the electric public utility to establish and provide such services through a business unit which is functionally separated from the electric public utility business unit as a related competitive business segment of the utility, such that, other than shared administration and overheads, employees of the competitive services business unit shall not also be involved in the provision of non-competitive utility and safety services, and the competitive services are provided utilizing separate assets than those utilized to provide noncompetitive utility and safety services; order the electric public utility to establish and provide such services through a structurally separate business unit or units including, but not limited to, a related competitive business segment of the public utility holding company; or order the electric public utility to divest itself of any business units that provide such services.

(5) If the board determines, as a result of the audit performed pursuant to this subsection that an electric public utility has unfairly allocated costs between its competitive and non-competitive services, the board is authorized to require such utility to return to the ratepayers an amount, equivalent to the amount of the costs determined to be unfairly allocated, with interest, during the time that the unfair allocation of costs occurred. In addition, the board is authorized to order such utility to pay a fine of up to $10,000 as a result of the violation or violations determined to have occurred pursuant to this subsection.

(6) Notwithstanding any requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the board
shall initiate a proceeding and shall adopt, after notice, provision of the opportunity for comment, and public hearing, such fair competition and accounting standards as are necessary on an interim basis to implement retail electric choice. Such standards shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the board in accordance with the provisions of the "Administrative Procedure Act."

g. The board shall determine, by rule or order, what reports are necessary to monitor the competitiveness of any service offered to a customer of an electric public utility.

h. The board shall have the authority to take appropriate increasingly stringent action, including the issuance of an order that an electric public utility or its related competitive business segment cease the offering of a competitive service, functionally separate or structurally separate its competitive service offering from non-competitive business functions, or divest itself of such services, in the event that the board determines, after hearing, that recurring and significant violations of its rules or orders adopted pursuant to subsection f. of this section have occurred.

i. Nothing in P.L.1999, c.23 (C.48:3-49 et al.) shall exempt an electric public utility from obtaining all applicable local, State, and federal licenses or permits associated with the offering of competitive services and complying with all applicable laws and regulations regarding the provision of such services.

j. If the board finds, as a result of any audit conducted pursuant to this section, that violations of the board's rules, regulations or orders adopted pursuant to this section and section 7 of P.L.1999, c.23 (C.48:3-55) have occurred, which are not substantial violations, the board is authorized to impose a fine of up to $10,000 against the electric public utility.

k. Prior to reclassifying as regulated any service it previously found to be competitive, the board shall make recommendations to the Legislature concerning the proposed reclassification. The recommendations shall be deemed to be approved unless the Legislature adopts a concurrent resolution stating that the Legislature is not in agreement with all or any part of the recommendations within 90 days following the date of transmittal of the recommendations to the Legislature. The concurrent resolution shall advise the board of the Legislature's specific objections to the recommendations and shall direct the board to submit revised recommendations which respond to those objections within 45 days of the date of transmittal of the concurrent resolution to the board.
1. The board may promulgate regulations to require each electric public utility, electric power supplier, marketer, government aggregator, and broker engaged in the provision of electricity to end use customers to provide the board with adequate and accurate price comparison information that will enable customers to make informed choices regarding the purchase of electric energy offered by that provider to customers. The board may compile that information into a single, understandable database and post the database on its Internet website in a manner that enables customers to compare prices and services on a uniform basis. The board may contract with a public or private entity for the purpose of developing, administering, and maintaining the database. The contract shall specify the duties and responsibilities of the entity with respect to the development, administration, and maintenance of the database. The board shall monitor the work of the entity to ensure that the database is developed, administered, and maintained pursuant to the requirements of this section.

2. This act shall take effect immediately.

Approved January 13, 2014.

CHAPTER 185

AN ACT concerning declarations of death upon the basis of neurological criteria and amending P.L.1991, c.90.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1991, c.90 (C.26:6A-4) is amended to read as follows:

C.26:6A-4 Physician to declare death.

4. a. A declaration of death upon the basis of neurological criteria pursuant to section 3 of this act shall be made by a licensed physician professionally qualified by specialty or expertise, based upon the exercise of the physician’s best medical judgment and in accordance with currently accepted medical standards that are based upon nationally recognized sources
of practice guidelines, including, but not limited to, those adopted by the American Academy of Neurology.

b. Subject to the provisions of this act, the Department of Health, jointly with the State Board of Medical Examiners, shall adopt, and from time to time revise, regulations setting forth requirements, by specialty or expertise, for physicians authorized to declare death upon the basis of neurological criteria. The regulations shall not require the use of any specific test or procedure in the declaration of death upon the basis of neurological criteria.

c. CHAPTER 190

AN ACT concerning the powers of certain local authorities, amending and
supplementing P.L.1957, c.183.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

C.40:14B-40.1 Findings, declarations relative to infrastructure maintenance.

1. The Legislature finds and declares that:
Infrastructure maintenance and repair are vital to the economy and quality of life in the State of New Jersey.

Infrastructure maintenance and repair continue to be insufficiently funded throughout the State.

Property taxes in this State continue to be a serious burden to local property taxpayers and so cannot be relied upon to fund necessary infrastructure maintenance and repairs.

It is in the public interest to develop additional funding sources to provide for necessary maintenance and repair of infrastructure within the State.

County utilities authorities with surplus funds offer one such additional funding source and a pilot program should be developed to explore the efficacy of using those surplus funds for these infrastructure purposes.

C.40:14B-40.2 Pilot program to allow county utilities authorities to fund infrastructure improvements.

2. a. There is established a pilot program to evaluate the efficiency and functionality of allowing county utilities authorities in certain counties, through the use of their undesignated fund balance or unreserved retained earnings, to fund improvements to county infrastructure in municipalities that are located in those counties and that are served by those county utilities authorities, as another method to repair or replace aging county infrastructure through a means other than the local property tax.

b. Under this pilot program created herein, the participating county utilities authorities shall be those created by the pilot counties.

c. Upon application to and approval by the Director of Local Government Services in the Department of Community Affairs, the pilot county utilities authorities shall be permitted to fund improvements within the counties, and each shall report to the Director of Local Government Services annually on the county projects that have been funded by the county utilities authorities.

   "Program participant" means an individual who has completed a health information card that includes health and emergency contact information, and affixed a Yellow Dot window decal provided pursuant to this act to the individual's vehicle.

2. a. The local governing body of any county or municipality in this State may establish a "Yellow Dot Program." The purpose of a "Yellow Dot Program" is to provide emergency responders with critical health and emergency contact information about program participants so that emergency responders may aid program participants when those individuals are
involved in motor vehicle emergencies or accidents and are unable to communicate.

b. A Yellow Dot Program window decal on a motor vehicle involved in a motor vehicle accident or emergency shall serve as notice to an emergency responder assisting the vehicle that the driver or any passenger in the vehicle may be a participant in a Yellow Dot Program established pursuant to this act.

c. If a motor vehicle is involved in a motor vehicle accident or emergency, and a Yellow Dot Program window decal is affixed to the vehicle, an emergency responder at the scene of such accident or emergency is authorized to search the glove compartment of the vehicle for a Yellow Dot Program envelope and health information card.

d. An emergency responder may use the information contained in the Yellow Dot Program envelope for the following purposes:

   (1) To identify a participant in the Yellow Dot Program;
   (2) To ascertain whether the program participant has a medical condition that may impede communications with the emergency responder;
   (3) To communicate with the program participant's emergency contacts about the location and general condition of the program participant; or
   (4) To consider the program participant's current medications and pre-existing medical conditions when emergency medical treatment is administered for any injury the participant suffers.

C.40:15A-3 Program materials.

3. a. In implementing a Yellow Dot Program and designing program materials, a local governing body shall give consideration to the program materials used by similar programs in the State and other states. responders in the case of a motor vehicle accident or emergency; and
(3) A yellow envelope into which the health information card is to be
inserted and which shall be placed in the program participant's glove com-
partment.

C.40:15A-4 Availability of program materials; fee.
4. a. Any local governing body that establishes a Yellow Dot Program
pursuant to this act shall make program materials available for pick up at
convenient and accessible locations by any person interested in becoming a
program participant. The locations where program materials will be made
available for pick up shall be determined by the local governing body. The
local governing body may also establish a means whereby program materi-
als may be obtained or ordered through the mail or electronically.
b. A local governing body may charge an individual seeking to par-

cost of the program, which may include, but not be limited to, the cost of
program materials, any public education campaign which may be under-
taken to inform the public about the program, and any assistance provided
to program participants.

5. An emergency responder is not liable for any civil damages as a
result of any acts or omissions undertaken in response to incomplete, incor-

responder acted in good faith in rendering care at the scene of a motor vehi-
cle accident or emergency to a program participant.

6. This act shall take effect immediately.

Approved January 17, 2014.

the provider under the terms of the insured service contracts issued or sold by the provider, or, in the event of the provider's non-performance, to provide or pay for, on behalf of the provider, all covered contractual obligations incurred by the provider.

"Service contract" means a contract or agreement between a provider and a consumer for any duration, for a provider fee or other separately stated consideration, to perform, or to provide indemnification for the performance of, the maintenance, repair, replacement, or service of property for the operational or structural failure of the property due to a defect in materials or workmanship or due to normal wear and tear, and which may include additional provisions for incidental payment of indemnity under limited circumstances. In the case of a motor vehicle, such circumstances may include towing, rental, and emergency road services, and other road hazard protections. A service contract may provide for the maintenance, repair, replacement, or service of the property for damage resulting from power surges or interruption, or accidental damage from handling. A service contract also includes a motor vehicle ancillary protection product. Service contracts may provide for leak or repair coverage to house roofing systems. A "service contract" does not include a contract in writing to maintain structural wiring associated with the delivery of cable, telephone, or other broadband communication services or a contract in writing related to the delivery of satellite television or broadband communication services.

"Service contract holder" or "contract holder" means a consumer who is the purchaser of a service contract or is entitled to the contractual benefits under the terms of the contract.

CHAPTER 206

AN ACT concerning attorney’s fees and expenses in landlord-tenant disputes and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:18-61.66 Payment of certain fees, expenses incurred in landlord-tenant disputes.

1. If a residential lease agreement provides that the landlord is or may be entitled to recover either attorney’s fees or expenses, or both, incurred as a result of the failure of the tenant to perform any covenant or agreement in the lease, or if the lease provides that such costs may be recovered as additional rent, the court shall read an additional parallel implied covenant into the lease. This implied covenant shall require the landlord to pay the tenant either the reasonable attorney’s fees or the reasonable expenses, or both, incurred by that tenant as the result of the tenant’s successful defense of any action or summary proceeding commenced by the landlord against the tenant, arising out of an alleged failure of the tenant to perform any covenant or agreement in the lease, or as the result of any successful action or summary
proceeding commenced by the tenant against the landlord, arising out of the failure of the landlord to perform any covenant or agreement in the lease.

The court shall order the landlord to pay such attorney’s fees or expenses, or both, that are actually and reasonably incurred by a tenant who is the successful party in such actions or proceedings to the same extent the landlord is entitled to recover attorney’s fees and expenses, or both, as provided in the lease. The court shall have discretion with respect to awards of attorney’s fees or expenses, or both, for tenants to the same degree as it has with respect to awards of attorney’s fees or expenses, or both, for landlords as provided under the lease either explicitly or implicitly. An order based on this implied covenant shall require the landlord to pay the tenant such costs either as money damages or a credit against future rent, as determined by the tenant. Any waiver of this section shall be void as against public policy.

Notwithstanding the foregoing, in an action or summary proceeding for non-payment of rent a tenant who pays all rent currently due and owing on or after the filing of the complaint but prior to entry of a final judgment, and whom the court finds presented no meritorious defense to the complaint other than said payment, shall not be deemed to have successfully defended against the action or summary proceeding for the purposes of the award of attorney’s fees or expenses, or both.

As used in this act “expenses” shall include expenses directly related to the litigation including, but not limited to, court costs and expenses for witnesses. “Expenses” shall not include personal expenses for travel, reimbursement for missed work time, or child care.

C.2A:18-61.67 Notice provided in lease.

2. If a residential lease agreement provides that the landlord is or may be entitled to recover attorney’s fees or expenses, or both from the tenant for any action or summary proceeding arising out of the lease, as described in section 1 of P.L.2013, c.206 (C.2A:18-61.66), the lease clause shall also contain the following provision in a bold typeface in a font size no less than one point larger than the point size of the rest of the lease clause or 11 points, whichever is larger:

IF THE TENANT IS SUCCESSFUL IN ANY ACTION OR SUMMARY PROCEEDING ARISING OUT OF THIS LEASE, THE TENANT SHALL RECOVER ATTORNEY’S FEES OR EXPENSES, OR BOTH FROM THE LANDLORD TO THE SAME EXTENT THE LANDLORD
IS ENTITLED TO RECOVER ATTORNEY’S FEES OR EXPENSES, OR BOTH AS PROVIDED IN THIS LEASE.

3. This act shall take effect immediately; and shall apply to all new lease agreements for real property executed on and after the first day of the month following enactment.

   (1) Provide support for career guidance and academic counseling programs designed to promote improved career and education decision-making by individuals, especially in areas of career information delivery and use;

   (2) Make information and planning resources that relate educational preparation to career goals and expectations available, on the Internet to the extent possible, to students, parents, teachers, administrators, counselors, job-seekers, workers and other clients of the workforce investment system, including the consumer report card on the effectiveness of qualified schools and other approved training providers placed on the State Eligible Training Provider List provided pursuant to subsection f. of this section and required to be made available pursuant to section 13 of P.L.2005, c.354 (C.34:15C-10.1), section 4 of P.L.1992, c.48 (C.34:15B-38), section 7 of P.L.1992, c.43 (C.34:15D-7) and section 3 of P.L.1992, c.47 (C.43:21-59);

   (3) Equip workforce investment system professionals, including teachers, administrators, and counselors, with the knowledge and skills needed to assist clients of the workforce investment system, including students and parents, with career exploration, educational opportunities and education financing;
(4) Assist appropriate State entities in tailoring career-related educational resources and training for use by such entities;

(5) Improve coordination and communication among administrators and planners of programs included in the State's workforce investment system to ensure non-duplication of efforts and the appropriate use of shared information and data; and

(6) Provide ongoing means for clients of the workforce investment system, including students and parents, to provide comments and feedback on products and services and to update resources, as appropriate, to better meet customer requirements.

b. Design and implement a comprehensive workforce information system to meet the needs for the planning and operation of all public and private training and job placement programs, which is responsive to the economic demands of the employer community and education and training needs of the State and of Workforce Investment Board areas within the State, as recommended by the commission and designated by the Commissioner of Labor and Workforce Development. In doing so, the center shall ensure that the information:

   (1) Is delivered in a user friendly, timely and easily understood manner;

d. Analyze, not less than once every two years and on a regional basis, the relationship between the projected need for trained individuals in each of the career clusters and each of the career pathways, and the total number of individuals being trained in the skills or skill sets needed to work in each of the clusters and pathways. Based on this relationship, the center shall designate as a labor demand occupation any occupation that is in a cluster or pathway for which the number of individuals needed significantly exceeds, or shall exceed, the number being trained, and may designate as a labor demand occupation an occupation for which the center determines that the number of individuals needed significantly exceeds, or will exceed,

In cases where a Workforce Investment Board established pursuant to section 18 of P.L.1989, c.293 (C.34:15C-15) submits information to the center that there is or is likely to be, in the region for which the board is responsible, a significant excess of demand over supply of adequately trained workers for an occupation, the center may conduct a survey of the need or anticipated need in that region for trained workers in that occupation and, whether or not it conducts that survey, shall, in conjunction with the board, determine whether to designate the occupation to be a labor demand occupation in that region. The center may utilize survey data obtained by other agencies or from other sources to fulfill its responsibilities under this subsection.

e. Assist the commission in preparing the New Jersey Unified Workforce Investment Plan pursuant to section 10 of P.L.1989, c.293 (C.34:15C-7) by providing information requested by the commission.

g. Ensure that the data needed to produce a consumer report card, pursuant to subsection f. of this section, is submitted by the training providers and qualified schools to the department in a timely manner and, for those training providers and qualified schools that do not submit the data in a timely manner, implement and enforce a process to revoke or suspend the entity from the State Eligible Training Provider List, pursuant to section 14 of P.L.2005, c.354 (C.34:15C-10.2).

CHAPTER 211

AN ACT concerning emergency administration of epinephrine at institutions of higher education and supplementing chapter 61D of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Higher Education Epinephrine Emergency Treatment Act.”
C.18A:61D-12 Findings, declarations relative to insect and food allergies.

2. The Legislature finds and declares that:
   a. Insect and food allergies are the leading cause of anaphylaxis, a life-threatening condition that is easily treatable with epinephrine, a medication only available via prescription;
   b. Individuals who are known to be at risk of anaphylaxis may carry emergency doses of epinephrine with them at all times. However, many individuals may not be aware of their allergy and therefore do not carry epinephrine medication;
   c. New Jersey's institutions of higher education enroll students and attract faculty from around the country and around the world. They offer a broad array of educational opportunities for the students and faculty, both on and off campus, including trips and field studies to new environments that may expose them to different kinds of insects and foods for the first time. These are often remote settings where medical professionals or first responders are not available to provide emergency care for anaphylaxis;
   d. The State of New Jersey in P.L.1997, c.368 (C.18A:40-12.5 et seq.) has already recognized the value of training non-medical professionals to administer this life-saving drug in K-12 educational settings when a medical professional is not physically present at the scene; and
   e. It would be prudent to provide individuals in higher education settings who are responsible for the safety of one or more individuals with the tools to respond to emergency situations, particularly when placed in settings where exposure to unfamiliar insects or types of food is likely and where assistance from medical professionals and first responders is not readily available.

C.18A:61D-13 Definitions relative to administering epinephrine.

3. As used in this act:
   "Institution of higher education" means a public or independent institution of higher education.
   "Licensed campus medical professional" means a physician, physician assistant, advanced practice nurse, or registered nurse who is appropriately licensed by the State of New Jersey and is designated by an institution of higher education to oversee the institution’s epinephrine administration and training program.
   "Member of the campus community" means an individual who is a student, faculty, or staff member of an institution of higher education.
   "Secretary" means the Secretary of Higher Education.
"Trained designee" means a member of the campus community trained by a licensed campus medical professional in the emergency administration of epinephrine via a pre-filled auto-injector mechanism.

4. a. An institution of higher education may develop a policy, in accordance with the guidelines established by the secretary pursuant to section 6 of P.L.2013, c.211 (C.18A:61D-16), for the emergency administration of epinephrine via a pre-filled auto-injector mechanism to a member of the campus community for anaphylaxis when a medical professional is not available. The policy shall:

b. The special sentence of parole supervision for life required by this section shall commence immediately upon the defendant's release from in-
carceral portion of the sentence imposed on the present offense, the special sentence of parole supervision for life shall not commence until the defendant is actually released from incarceration for the other offense. this section without good cause is guilty of a crime of the third degree.
Notwithstanding any other law to the contrary, a person sentenced pursuant
to this subsection shall be sentenced to a term of imprisonment, unless the
court is clearly convinced that the interests of justice so far outweigh the
need to deter this conduct and the interest in public safety that a sentence to
imprisonment would be a manifest injustice. Nothing in this subsection
shall preclude subjecting a person who violates any condition of a special
sentence of parole supervision for life to the provisions of sections 16
through 19 and 21 of P.L.1979, c.441 (C.30:4-123.60 through 30:4-123.63

the second degree, or subsection a. of N.J.S.2C:39-4 shall be sentenced to
an extended term of imprisonment as set forth in N.J.S.2C:43-7, which term
shall, notwithstanding the provisions of N.J.S.2C:43-7 or any other law, be
served in its entirety prior to the person's resumption of the term of parole
supervision for life.

f. The special sentence of parole supervision for life required by this
section may include any of the following Internet access conditions:
(1) Prohibit the person from accessing or using a computer or any other device with Internet capability without the prior written approval of the court except the person may use a computer or any other device with Internet capability in connection with that person's employment or search for employment with the prior approval of the person's parole officer;

(2) Require the person to submit to periodic unannounced examinations of the person's computer or any other device with Internet capability by a parole officer, law enforcement officer or assigned computer or information technology specialist, including the retrieval and copying of all data from the computer or device and any internal or external peripherals and removal of such information, equipment or device to conduct a more thorough inspection;

(3) Require the person to submit to the installation on the person's computer or device with Internet capability, at the person's expense, one or more hardware or software systems to monitor the Internet use;

(4) Require the person to submit to any other appropriate restrictions concerning the person's use or access of a computer or any other device with Internet capability; and

(5) Require the person to disclose all passwords used by the person to access any data, information, image, program, signal or file on the person's computer or any other device with Internet capability.

CHAPTER 217

AN ACT concerning stillbirths and supplementing Title 26 of the Revised Statutes, and designated the “Autumn Joy Stillbirth Research and Dignity Act.”

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:8-40.27 Findings, declarations relative to stillbirths.

1. The Legislature finds and declares that:

a. Stillbirths are unintended fetal deaths and are traditionally identified as those which occur after 20 weeks of pregnancy or involve the unintended death of fetuses weighing 350 or more grams;

b. Approximately one in every 160 pregnancies in the United States ends in stillbirth each year, a rate which is high compared with other developed countries;

c. Families experiencing a stillbirth suffer severe anguish, and many health care facilities in the State do not adequately ensure that grieving families are treated with sensitivity and informed about what to expect when a stillbirth occurs, nor are families who have experienced a stillbirth always advised of the importance of an autopsy and thorough evaluation of the stillborn child;

d. While studies have identified many factors that may cause stillbirths, researchers still do not know the causes of a majority of stillbirths, in
part due to a lack of uniform protocols for evaluating and classifying stillbirths, and to decreasing autopsy rates;

e. The State currently collects some data related to fetal deaths, but full autopsy and laboratory data related to stillbirths could be more consistently collected and more effectively used to better understand risk factors and causes of stillbirths, and thus more effectively inform strategies for their prevention; and

f. It is in the public interest to establish mandatory protocols for health care facilities in the State, so that each child who is stillborn and each family experiencing a stillbirth in the State is treated with dignity, each family experiencing a stillbirth receives appropriate follow-up care provided in a sensitive manner, and comprehensive data related to stillbirths are consistently collected by the State and made available to researchers seeking to prevent and reduce the incidence of stillbirths.

C.26:8-40.28 Development of comprehensive policies, procedures.

2. a. The Commissioner of Health, in consultation with the State Board of Medical Examiners, the New Jersey Board of Nursing, the State Board of Psychological Examiners, and the State Board of Social Work Examiners, shall develop and prescribe by regulation comprehensive policies and procedures to be followed by health care facilities that provide birthing and newborn care services in the State when a stillbirth occurs.

b. The Commissioner of Health shall require as a condition of licensure that each health care facility in the State that provides birthing and newborn care services adhere to the policies and procedures prescribed in this section. The policies and procedures shall include, at a minimum:

(1) protocols for assigning primary responsibility to one physician, who shall communicate the condition of the fetus to the mother and family, and inform and coordinate staff to assist with labor, delivery, and postmortem procedures;

(2) guidelines to assess a family’s level of awareness and knowledge regarding the stillbirth;

(3) the establishment of a bereavement checklist, and an informational pamphlet to be given to a family experiencing a stillbirth that includes information about funeral and cremation options;

(4) provision of one-on-one nursing care for the duration of the mother’s stay at the facility;

(5) training of physicians, nurses, psychologists, and social workers to ensure that information is provided to the mother and family experiencing a stillbirth in a sensitive manner, including information about what to expect,
CHAPTER 217, LAWS OF 2013

the availability of grief counseling, the opportunity to develop a plan of care that meets the family's social, religious, and cultural needs, and the importance of an autopsy and thorough evaluation of the stillborn child;

(6) best practices to provide psychological and emotional support to the mother and family following a stillbirth, including referring to the stillborn child by name, and offering the family the opportunity to cut the umbilical cord, hold the stillborn child with privacy and without time restrictions, and prepare a memory box with keepsakes, such as a handprint, footprint, blanket, bracelet, lock of hair, and photographs, and provisions for retaining the keepsakes for one year if the family chooses not to take them at discharge;

(7) protocols to ensure that the physician assigned primary responsibility for communicating with the family discusses the importance of an autopsy for the family, including the significance of autopsy findings on future pregnancies and the significance that data from the autopsy may have for other families;

(8) protocols to ensure coordinated visits to the family by a hospital staff trained to address the psychosocial needs of a family experiencing a stillbirth, provide guidance in the bereavement process, assist with completing any forms required in connection with the stillbirth and autopsy, and offer the family the opportunity to meet with the hospital chaplain or other individual from the family's religious community; and

(9) guidelines for educating health care professionals and hospital staff on caring for families after stillbirth.

c. The State Board of Medical Examiners and the New Jersey Board of Nursing shall require physicians and nurses, respectively, to adhere to the policies and procedures prescribed in subsection a. of this section.

C.26:8-40.29 Fetal death evaluation protocol.

3. The Department of Health shall establish a fetal death evaluation protocol, which a hospital licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall follow in collecting data relevant to each stillbirth. The information required to be collected shall include, but not be limited to:

a. the race, age of the mother, maternal and paternal family history, comorbidities, prenatal care history, antepartum findings, history of past obstetric complications, exposure to viral infections, smoking, drug and alcohol use, fetal growth restriction, placental abruption, chromosomal and genetic abnormalities obtained pre-delivery, infection in premature fetus, cord accident, including evidence of obstruction or circulatory compromise, history of thromboembolism, and whether the mother gave birth before; and
b. documentation of the evaluation of a stillborn child, placenta, and cytologic specimen that conform to the standards established by the American College of Obstetricians and Gynecologists and meet any other requirements deemed by the Commissioner of Health as necessary, including, but not limited to, the following components:

(1) if the parents consent to a complete autopsy: the weight of the stillborn child and placenta, head circumference, length of stillborn child, foot length if stillbirth occurred before 23 weeks of gestation, and notation of any dysmorphic feature; photograph of the whole body, frontal and profile of face, extremities and palms, close-up of any specific abnormalities; examination of the placenta and umbilical cord; and gross and microscopic examination of membranes and umbilical cord; or

(2) if the parents do not consent to a complete autopsy, an evaluation of a stillborn child as set forth in paragraph (1) of this subsection, and appropriate alternatives to a complete autopsy, including a placental examination, external examination, selected biopsies, X-rays, MRI, and ultrasound.

C.26:8-40.30 Establishment, maintenance of database.

4. a. Within two years after the effective date of this act, the Department of Health shall establish and maintain a new database, or update an existing database, that contains a confidential record of all data obtained pursuant to section 3 of this act, except that if the department develops the technical capability, the department shall establish and maintain the new, or update the existing, database prior to the two years after the effective date of this act.

b. The data shall be made available to the public through the department website, except that no data shall identify any person to whom the data relate.

C.26:8-40.31 Evaluation of data, report to Governor, Legislature.

5. a. The Department of Health shall evaluate the data obtained pursuant to section 3 of this act for purposes of identifying the causes of, and ways to prevent, stillbirths, and may contract with a third party, including, but not limited to, a public institution of higher education in the State or a foundation, to undertake the evaluation.

b. No later than five years after the effective date of this section, the Commissioner of Health shall report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), on the findings of the evaluation required pursuant to this section, and shall include in the report any recommendations for legislative action that the commissioner deems appropriate.
C.26:8-40.32 Rules, regulations.

6. The Commissioner of Health, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), shall adopt such rules and regulations as the commissioner determines necessary to effectuate the purposes of this act.

7. This act shall take effect one year after the date of enactment, but the Commissioner of Health may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved January 17, 2014.

The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination of such a hearing shall be in accordance with law and the rules governing the courts of this State.

(6) A judge of the Superior Court may revoke a retired officer's privilege to carry a handgun pursuant to this subsection for good cause shown on the application of any interested person. (7) The superintendent may charge a reasonable application fee to retired officers to offset any costs associated with administering the application process set forth in this subsection.

CHAPTER 220

AN ACT concerning discrimination based on pregnancy, childbirth or re­
lated medical conditions and amending and supplementing P.L.1945,
c.169.

BE IT ENACTED by the Senate and General Assembly of the State of
New Jersey:

C.10:5-3.1 Findings, declarations relative to discrimination based on pregnancy,
childbirth, related medical conditions.
1. The Legislature finds and declares:
   a. That pregnant women are vulnerable to discrimination in the work­
place in New Jersey, as indicated in reports that women who request an ac­
commodation that will allow them to maintain a healthy pregnancy, or who
need a reasonable accommodation while recovering from childbirth, are
being removed from their positions, placed on unpaid leave, or fired;
   b. It is the intent of the Legislature to combat this form of discrimina­
tion by requiring employers to provide reasonable accommodations to
pregnant women and those who suffer medical conditions related to preg­
nancy and childbirth, such as bathroom breaks, breaks for increased water
intake, periodic rest, assistance with manual labor, job restructuring or
modified work schedules, and temporary transfers to less strenuous or haz­
ardous work; and
c. It is not the intent of the Legislature to require such accommoda-
tions if their provision would cause an undue hardship in the conduct of an
employer's business.

2. Section 11 of P.L.1945, c.169 (C.10:5-12) is amended to read as
follows:

C.10:5-12 Unlawful employment practices, discrimination.
11. It shall be an unlawful employment practice, or, as the case may be,
an unlawful discrimination:
   a. For an employer, because of the race, creed, color, national origin,
ancestry, age, marital status, civil union status, domestic partnership status,
affective or sexual orientation, genetic information, pregnancy, sex, gen-
   der identity or expression, disability or atypical hereditary cellular or blood
   trait of any individual, or because of the liability for service in the Armed
   Forces of the United States or the nationality of any individual, or because
   of the refusal to submit to a genetic test or make available the results of a
   genetic test to an employer, to refuse to hire or employ or to bar or to dis-
   charge or require to retire, unless justified by lawful considerations other
   than age, from employment such individual or to discriminate against such
   individual in compensation or in terms, conditions or privileges of em-
   ployment; provided, however, it shall not be an unlawful employment prac-
   tice to refuse to accept for employment an applicant who has received a
   notice of induction or orders to report for active duty in the armed forces;
   provided further that nothing herein contained shall be construed to bar an
   employer from refusing to accept for employment any person on the basis
   of sex in those certain circumstances where sex is a bona fide occupational
   qualification, reasonably necessary to the normal operation of the particular
   business or enterprise; provided further that nothing herein contained shall
   be construed to bar an employer from refusing to accept for employment or
to promote any person over 70 years of age; provided further that it shall
not be an unlawful employment practice for a club exclusively social or
fraternal to use club membership as a uniform qualification for employ-
ment, or for a religious association or organization to utilize religious af-
iliation as a uniform qualification in the employment of clergy, religious
teachers or other employees engaged in the religious activities of the asso-
ciation or organization, or in following the tenets of its religion in estab-
ishing and utilizing criteria for employment of an employee; provided further,
that it shall not be an unlawful employment practice to require the retire-
ment of any employee who, for the two-year period immediately before
retirement, is employed in a bona fide executive or a high policy-making position, if that employee is entitled to an immediate non-forfeitable annual retirement benefit from a pension, profit sharing, savings or deferred retirement plan, or any combination of those plans, of the employer of that employee which equals in the aggregate at least $27,000.00; and provided further that an employer may restrict employment to citizens of the United States where such restriction is required by federal law or is otherwise necessary to protect the national interest.

The provisions of subsections a. and b. of section 57 of P.L.2003, c.246 (C.34:11A-20), and the provisions of section 58 of P.L.2003, c.246 (C.26:8A-11), shall not be deemed to be an unlawful discrimination under P.L.1945, c.169 (C.10:5-1 et seq.).

For the purposes of this subsection, a "bona fide executive" is a top level employee who exercises substantial executive authority over a significant number of employees and a large volume of business. A "high policy-making position" is a position in which a person plays a significant role in developing policy and in recommending the implementation thereof.

b. For a labor organization, because of the race, creed, color, national origin, ancestry, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, gender identity or expression, disability, pregnancy, or sex of any individual, or because of the liability for service in the Armed Forces of the United States or nationality of any individual, to exclude or to expel from its membership such individual or to discriminate in any way against any of its members, against any applicant for, or individual included in, any apprentice or other training program or against any employer or any individual employed by an employer; provided, however, that nothing herein contained shall be construed to bar a labor organization from excluding from its apprentice or other training programs any person on the basis of sex in those certain circumstances where sex is a bona fide occupational qualification reasonably necessary to the normal operation of the particular apprentice or other training program.

c. For any employer or employment agency to print or circulate or cause to be printed or circulated any statement, advertisement or publication, or to use any form of application for employment, or to make an inquiry in connection with prospective employment, which expresses, directly or indirectly, any limitation, specification or discrimination as to race, creed, color, national origin, ancestry, age, marital status, civil union status, domestic partnership status, affectional or sexual orientation, gender identity or expression, disability, nationality, pregnancy, or sex or liability of any applicant for employment for service in the Armed Forces of the
United States, or any intent to make any such limitation, specification or
discrimination, unless based upon a bona fide occupational qualification.

d. For any person to take reprisals against any person because that
person has opposed any practices or acts forbidden under this act or be­
cause that person has filed a complaint, testified or assisted in any proce­
eding under this act or to coerce, intimidate, threaten or interfere with any
person in the exercise or enjoyment of, or on account of that person having
aided or encouraged any other person in the exercise or enjoyment of, any
right granted or protected by this act.

e. For any person, whether an employer or an employee or not, to aid,
abet, incite, compel or coerce the doing of any of the acts forbidden under
this act, or to attempt to do so.

f. (1) For any owner, lessee, proprietor, manager, superintendent, agent,
or employee of any place of public accommodation directly or indirectly to
refuse, withhold from or deny to any person any of the accommodations,
advantages, facilities or privileges thereof, or to discriminate against any
person in the furnishing thereof, or directly or indirectly to publish, circu­
late, issue, display, post or mail any written or printed communication, no­
tice, or advertisement to the effect that any of the accommodations, advan­
tages, facilities, or privileges of any such place will be refused, withheld
from, or denied to any person on account of the race, creed, color, national
origin, ancestry, marital status, civil union status, domestic partnership
status, pregnancy, sex, gender identity or expression, affectional or sexual
orientation, disability or nationalitiy of such person, or that the patronage or
custom thereat of any person of any particular race, creed, color, national
origin, ancestry, marital status, civil union status, domestic partnership
status, pregnancy status, sex, gender identity or expression, affectional or
sexual orientation, disability or nationality is unwelcome, objectionable or
not acceptable, desired or solicited, and the production of any such written
or printed communication, notice or advertisement, purporting to relate to
any such place and to be made by any owner, lessee, proprietor, superinten­
dent or manager thereof, shall be presumptive evidence in any action that
the same was authorized by such person; provided, however, that nothing
contained herein shall be construed to bar any place of public accommoda­
tion which is in its nature reasonably restricted exclusively to individuals of
one sex, and which shall include but not be limited to any summer camp,
day camp, or resort camp, bathhouse, dressing room, swimming pool, gym­

nasmium, comfort station, dispensary, clinic or hospital, or school or educa­tional
institution which is restricted exclusively to individuals of one sex,
provided individuals shall be admitted based on their gender identity or ex-
expression, from refusing, withholding from or denying to any individual of the opposite sex any of the accommodations, advantages, facilities or privileges thereof on the basis of sex; provided further, that the foregoing limitation shall not apply to any restaurant as defined in R.S.33:1-1 or place where alcoholic beverages are served.

l. For any person to refuse to buy from, sell to, lease from or to, license, contract with, or trade with, provide goods, services or information to, or otherwise do business with any other person on the basis of the race, creed, color, national origin, ancestry, age, pregnancy, sex, gender identity or expression, affectional or sexual orientation, marital status, civil union status, domestic partnership status, liability for service in the Armed Forces of the United States, disability, nationality, or source of lawful income used
for rental or mortgage payments of such other person or of such other person's spouse, partners, members, stockholders, directors, officers, managers, superintendents, agents, employees, business associates, suppliers, or customers. This subsection shall not prohibit refusals or other actions (1) pertaining to employee-employer collective bargaining, labor disputes, or unfair labor practices, or (2) made or taken in connection with a protest of unlawful discrimination or unlawful employment practices.

m. For any person to:

(1) Grant or accept any letter of credit or other document which evidences the transfer of funds or credit, or enter into any contract for the exchange of goods or services, where the letter of credit, contract, or other document contains any provisions requiring any person to discriminate against or to certify that he, she or it has not dealt with any other person on the basis of the race, creed, color, national origin, ancestry, age, pregnancy, sex, gender identity or expression, affectional or sexual orientation, marital status, civil union status, domestic partnership status, disability, liability for service in the Armed Forces of the United States, or nationality of such other person or of such other person's spouse, partners, members, stockholders, directors, officers, managers, superintendents, agents, employees, business associates, suppliers, or customers.

(2) Refuse to grant or accept any letter of credit or other document which evidences the transfer of funds or credit, or refuse to enter into any contract for the exchange of goods or services, on the ground that it does not contain such a discriminatory provision or certification.

The provisions of this subsection shall not apply to any letter of credit, contract, or other document which contains any provision pertaining to employee-employer collective bargaining, a labor dispute or an unfair labor practice, or made in connection with the protest of unlawful discrimination or an unlawful employment practice, if the other provisions of such letter of credit, contract, or other document do not otherwise violate the provisions of this subsection.

n. For any person to aid, abet, incite, compel, coerce, or induce the doing of any act forbidden by subsections l. and m. of section 11 of P.L.1945, c.169 (C.10:5-12), or to attempt, or to conspire to do so. Such prohibited conduct shall include, but not be limited to:

(1) Buying from, selling to, leasing from or to, licensing, contracting with, trading with, providing goods, services, or information to, or otherwise doing business with any person because that person does, or agrees or attempts to do, any such act or any act prohibited by this subsection; or
(2) Boycotting, commercially blacklisting or refusing to buy from, sell to, lease from or to, license, contract with, provide goods, services or information to, or otherwise do business with any person because that person has not done or refuses to do any such act or any act prohibited by this subsection; provided that this subsection shall not prohibit refusals or other actions either pertaining to employee-employer collective bargaining, labor disputes, or unfair labor practices, or made or taken in connection with a protest of unlawful discrimination or unlawful employment practices.

o. For any multiple listing service, real estate brokers' organization or other service, organization or facility related to the business of selling or renting dwellings to deny any person access to or membership or participation in such organization, or to discriminate against such person in the terms or conditions of such access, membership, or participation, on account of race, creed, color, national origin, ancestry, age, marital status, civil union status, domestic partnership status, familial status, pregnancy, sex, gender identity or expression, affectional or sexual orientation, disability or nationality.

p. Nothing in the provisions of this section shall affect the ability of an employer to require employees to adhere to reasonable workplace appearance, grooming and dress standards not precluded by other provisions of State or federal law, except that an employer shall allow an employee to appear, groom and dress consistent with the employee's gender identity or expression.

q. (1) For any employer to impose upon a person as a condition of obtaining or retaining employment, including opportunities for promotion, advancement or transfers, any terms or conditions that would require a person to violate or forego a sincerely held religious practice or religious observance, including but not limited to the observance of any particular day or days or any portion thereof as a Sabbath or other holy day in accordance with the requirements of the religion or religious belief, unless, after engaging in a bona fide effort, the employer demonstrates that it is unable to reasonably accommodate the employee's religious observance or practice without undue hardship on the conduct of the employer's business. Notwithstanding any other provision of law to the contrary, an employee shall not be entitled to premium wages or premium benefits for work performed during hours to which those premium wages or premium benefits would ordinarily be applicable, if the employee is working during those hours only as an accommodation to his religious requirements. Nothing in this subsection q. shall be construed as reducing:
(a) The number of the hours worked by the employee which are counted towards the accruing of seniority, pension or other benefits; or

(b) Any premium wages or benefits provided to an employee pursuant to a collective bargaining agreement.

(2) For an employer to refuse to permit an employee to utilize leave, as provided for in this subsection q., which is solely used to accommodate the employee's sincerely held religious observance or practice. Except where it would cause an employer to incur an undue hardship, no person shall be required to remain at his place of employment during any day or days or portion thereof that, as a requirement of his religion, he observes as his Sabbath or other holy day, including a reasonable time prior and subsequent thereto for travel between his place of employment and his home; provided that any such absence from work shall, wherever practicable in the reasonable judgment of the employer, be made up by an equivalent amount of time and work at some other mutually convenient time, or shall be charged against any leave with pay ordinarily granted, other than sick leave, and any such absence not so made up or charged, may be treated by the employer of that person as leave taken without pay.

(3) (a) For purposes of this subsection q., "undue hardship" means an accommodation requiring unreasonable expense or difficulty, unreasonable interference with the safe or efficient operation of the workplace or a violation of a bona fide seniority system or a violation of any provision of a bona fide collective bargaining agreement.

(b) In determining whether the accommodation constitutes an undue hardship, the factors considered shall include:

(i) The identifiable cost of the accommodation, including the costs of loss of productivity and of retaining or hiring employees or transferring employees from one facility to another, in relation to the size and operating cost of the employer.

(ii) The number of individuals who will need the particular accommodation for a sincerely held religious observance or practice.

(iii) For an employer with multiple facilities, the degree to which the geographic separateness or administrative or fiscal relationship of the facilities will make the accommodation more difficult or expensive.

(c) An accommodation shall be considered to constitute an undue hardship if it will result in the inability of an employee to perform the essential functions of the position in which he or she is employed.

(d) (i) The provisions of this subsection q. shall be applicable only to reasonable accommodations of religious observances and shall not super-
sede any definition of undue hardship or standards for reasonable accommodation of the disabilities of employees.

(ii) This subsection shall not apply where the uniform application of terms and conditions of attendance to employees is essential to prevent undue hardship to the employer. The burden of proof regarding the applicability of this subparagraph (d) shall be upon the employer.

r. For any employer to take reprisals against any employee for requesting from any other employee or former employee of the employer information regarding the job title, occupational category, and rate of compensation, including benefits, of any employee or former employee of the employer, or the gender, race, ethnicity, military status, or national origin of any employee or former employee of the employer, regardless of whether the request was responded to, if the purpose of the request for the information was to assist in investigating the possibility of the occurrence of, or in taking of legal action regarding, potential discriminatory treatment concerning pay, compensation, bonuses, other compensation, or benefits. Nothing in this subsection shall be construed to require an employee to disclose such information about the employee herself to any other employee or former employee of the employer or to any authorized representative of the other employee or former employee.

s. For an employer to treat, for employment-related purposes, a woman employee that the employer knows, or should know, is affected by pregnancy in a manner less favorable than the treatment of other persons not affected by pregnancy but similar in their ability or inability to work. In addition, an employer of an employee who is a woman affected by pregnancy shall make available to the employee reasonable accommodation in the workplace, such as bathroom breaks, breaks for increased water intake, periodic rest, assistance with manual labor, job restructuring or modified work schedules, and temporary transfers to less strenuous or hazardous work, for needs related to the pregnancy when the employee, based on the advice of her physician, requests the accommodation, unless the employer can demonstrate that providing the accommodation would be an undue hardship on the business operations of the employer. The employer shall not in any way penalize the employee in terms, conditions or privileges of employment for requesting or using the accommodation. Workplace accommodation provided pursuant to this subsection and paid or unpaid leave provided to an employee affected by pregnancy shall not be provided in a manner less favorable than accommodations or leave provided to other employees not affected by pregnancy but similar in their ability or inability to work. This subsection shall not be construed as otherwise increasing or
decreasing any employee’s rights under law to paid or unpaid leave in connection with pregnancy.

For the purposes of this section “pregnancy” means pregnancy, childbirth, or medical conditions related to pregnancy or childbirth, including recovery from childbirth.

For the purposes of this subsection, in determining whether an accommodation would impose undue hardship on the operation of an employer’s business, the factors to be considered include: the overall size of the employer’s business with respect to the number of employees, number and type of facilities, and size of budget; the type of the employer’s operations, including the composition and structure of the employer’s workforce; the nature and cost of the accommodation needed, taking into consideration the availability of tax credits, tax deductions, and outside funding; and the extent to which the accommodation would involve waiver of an essential requirement of a job as opposed to a tangential or non-business necessity requirement.

3. This act shall take effect immediately.

Approved January 17, 2014.

"Division" or "commission" means the Division of Temporary Disability Insurance of the Department of Labor and Workforce Development, and any transaction or exercise of authority by the director of the division shall be deemed to be performed by the division.

"Day" shall mean a full calendar day beginning and ending at midnight.

"Disability" shall mean such disability as is compensable under section 5 of P.L.1948, c.110 (C.43:21-29).

"Disability benefits" shall mean any cash payments which are payable to a covered individual for all or part of a period of disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.).

"Period of disability" with respect to any covered individual shall mean:

1. The entire period of time during which the covered individual is continuously and totally unable to perform the duties of the covered individual's employment because of the covered individual's own disability, except that two periods of disability due to the same or related cause or condition and separated by a period of not more than 14 days shall be considered as one continuous period of disability; provided the individual has earned wages during such 14-day period with the employer who was the individual's last employer immediately preceding the first period of disability; and

2. On or after July 1, 2009, the entire period of family temporary disability leave taken from employment by the covered individual.

"Wages" shall mean all compensation payable by covered employers to covered individuals for personal services, including commissions and bonuses and the cash value of all compensation payable in any medium other than cash.

3. (Deleted by amendment, P.L.2013, c.221).
4. "Base week" with respect to periods of disability commencing on or after January 1, 2001, means any calendar week of a covered individual's
base year during which the covered individual earned in employment from a covered employer remuneration not less than an amount 20 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of $1.00 if not already a multiple thereof, except that if in any calendar week an individual subject to this paragraph is in employment with more than one employer, the covered individual may in that calendar week establish a base week with respect to each of the employers from whom the covered individual earns remuneration equal to not less than the amount defined in this paragraph during that week.

(5) In the case of an individual who is laid off or furloughed by an employer curtailing operations because of a state of emergency declared after October 22, 2012, any week in which the individual is separated from employment due to that layoff or furlough, up to a maximum of 13 weeks, shall be regarded as a week which is a "base week" for the purpose of determining whether the individual becomes eligible for benefits pursuant to subsection (d) or (e) of section 17 of P.L.1948, c.110 (C.43:21-41), but shall not be regarded as a base week when calculating the "average weekly wage" pursuant to subsection (j) of this section.

(j) (1) "Average weekly wage" means the amount derived by dividing a covered individual's total wages earned from the individual's most recent covered employer during the base weeks in the eight calendar weeks immediately preceding the calendar week in which a period of disability commenced, by the number of such base weeks.

(2) If the computation in paragraph (1) of this subsection (j) yields a result which is less than the individual's average weekly earnings in employment with all covered employers during the base weeks in such eight calendar weeks, then the average weekly wage shall be computed on the basis of earnings from all covered employers during the base weeks in the eight calendar weeks immediately preceding the week in which the period of disability commenced.

(3) For periods of disability commencing on or after July 1, 2009, if the computations in paragraphs (1) and (2) of this subsection (j) both yield a result which is less than the individual's average weekly earnings in employment with all covered employers during the base weeks in the 26 calendar weeks immediately preceding the week in which the period of disability commenced, then the average weekly wage shall, upon a written request to the department by the individual on a form provided by the department, be computed by the department on the basis of earnings from all
covered employers of the individual during the base weeks in those 26 calendar weeks, and, in the case of a claim for benefits from a private plan, that computation of the average weekly wage shall be provided by the department to the individual and the individual's employer.

When determining the "average weekly wage" with respect to a period of family temporary disability leave for an individual who has a period of family temporary disability immediately after the individual has a period of disability for the individual's own disability, the period of disability is deemed to have commenced at the beginning of the period of disability for the individual's own disability, not the period of family temporary disability.

(k) "Child" means a biological, adopted, or foster child, stepchild or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than 19 years of age or is 19 years of age or older but incapable of self-care because of mental or physical impairment.

(l) "Domestic partner" means a domestic partner as defined in section 3 of P.L.2003, c.246 (C.26:8A-3).

(o) "Family temporary disability leave" means leave taken by a covered individual from work with an employer to (1) participate in the providing of care, as defined in the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to that act, for a family member of the individual made necessary by a serious health condition of the family member; or (2) be with a child during the first 12 months after the child's birth, if the individual, or the domestic partner or civil union partner of the individual, is a biological parent of the child, or the first 12 months after the placement of the child for adoption with the individual. "Family temporary disability leave" does not include any period of time in which a covered individual is paid benefits pursuant to P.L.1948, c.110 (C.43:21-25 et al.) because the individual is unable to perform the duties of the individual's employment due to the individual's own disability.

(p) "Health care provider" means a health care provider as defined in the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.), and any regulations adopted pursuant to that act.

(q) "Parent of a covered individual" means a biological parent, foster parent, adoptive parent, or stepparent of the covered individual or a person
who was a legal guardian of the covered individual when the covered individual was a child.

(r) "Placement for adoption" means the time when a covered individual adopts a child or becomes responsible for a child pending adoption by the covered individual.

CHAPTER 223

AN ACT concerning trauma care and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2KK-1 Findings, declarations relative to trauma care.

1. The Legislature finds and declares that:
   a. Injury is the leading cause of death for New Jersey citizens aged one to 44, the fourth leading cause of death for all age groups, and accounts for more than 60,000 emergency department visits in the State each year, with direct medical costs estimated to be in excess of $2 billion;
   b. At the request of the Department of Health, the American College of Surgeons Trauma Systems Evaluation and Planning Committee assessed the State's trauma system and made numerous recommendations for its improvement. The committee found that, while the provision of trauma care in New Jersey has many dedicated trauma professionals, a sufficient number of ten trauma centers strategically located in the State, and 100 percent emergency medical services coverage, the trauma care system faces many challenges. Among the challenges noted by the committee are the absence of one lead State agency to oversee and ensure the coordination of a State-
wide trauma system and the absence of systematic data collection concerning the various aspects of trauma care in the State;

c. Among the recommendations made by the committee to address the challenges to the State trauma system were: establishment of a statutorily authorized lead agency to oversee the development of a formal State trauma system, appointment of a designated leader to coordinate stakeholders involved in all aspects of providing trauma care in the development, maintenance, and ongoing evaluation of a formal State trauma system, the creation of an advisory body to formulate policies that address all aspects of patient care, and the development of prevention strategies to help control injury as part of a formal State trauma system;

d. While there currently exists a Trauma Center Council in New Jersey which represents multidisciplinary trauma care within the State-designated trauma centers, this Council is focused on the activities and operations of New Jersey's State-designated trauma centers, with limitations in developing an effective trauma system for the State of New Jersey; and

e. In order to more effectively prevent injury, improve the care and outcomes of individuals who are injured in New Jersey, and save lives, it is appropriate to ensure the development and implementation of a formal State trauma system to serve injured patients in the State along the continuum of their care, and establish means for ongoing data collection and input from relevant stakeholders in the State's trauma care system to inform policies concerning trauma care in the State.

C.26:2KK-2 DOH designated lead agency.

2. The Department of Health shall serve as lead agency for the development of a formal State trauma system that defines the roles of all health care facilities in the State, taking into account their resources and capabilities, allowing for the provision of care to injured patients in the State along the continuum of care.

C.26:2KK-3 State Trauma Medical Director.

3. a. The Commissioner of Health shall appoint a State Trauma Medical Director, to oversee the planning, development, ongoing maintenance, and enhancement of the formal State trauma system, consistent with the recommendations of the American College of Surgeons Committee on Trauma, and, to the extent applicable, consistent with the processes outlined in the State Trauma System Planning Guide issued by the National Association of State Emergency Medical Services Officials. The State Trauma Medical Director shall be a physician who is licensed pursuant to Title 45 of the Re-
vised Statutes, is experienced in the provision of surgical critical care and trauma care, and is otherwise qualified to perform the duties of the position.

b. The State Trauma Medical Director shall, in collaboration with the State Trauma System Advisory Committee (STSAC) established pursuant to section 4 of this act, oversee the development of a Statewide trauma system plan, and once the plan has been adopted through regulations promulgated by the department in compliance with the provisions of this act, shall be responsible for implementing, maintaining, and providing ongoing evaluation of the plan. The director shall additionally ensure that the development and implementation of the plan involves broad-based collaboration with stakeholders representing disciplines relevant to trauma care in the State and interested citizens, including the commissioner, the director, or any other stakeholders that the STSAC determines may inform the process.

C.26:2KK-4 State Trauma System Advisory Committee.

4. a. The commissioner shall establish a multidisciplinary State Trauma System Advisory Committee (STSAC) to advise the commissioner and the State Trauma Medical Director on the development of a formal Statewide trauma system plan. In order to enable maximum input from stakeholders, the STSAC shall include, to the extent feasible, representatives of all aspects of trauma care. The members of the committee, who shall be appointed by the Governor, shall include, but need not be limited to, representatives of the following trauma care providers in the State:

(1) the medical director of each State-designated trauma center, provided that the trauma program managers of each State designated trauma center may serve as alternates for the medical director of each State-certified trauma center;

(2) the medical director of a State-certified burn treatment facility;

(3) the chairperson of the New Jersey Emergency Medical Services Council;

(4) the medical director of a rehabilitation facility in the State that treats patients with traumatic injuries, including traumatic brain injuries and traumatic spinal cord injuries;

(5) three representatives of pre-hospital care providers in the State, including an advanced life support provider as recommended by the State mobile intensive care advisory council, a volunteer basic life support provider as recommended by the New Jersey State First Aid Council, and a paid basic life support provider;

(7) a New Jersey licensed physician recommended by the New Jersey Chapter of the American College of Emergency Physicians;

(8) a New Jersey licensed nurse recommended by the New Jersey Chapter of the Emergency Nurses Association;

(9) one individual with expertise in the prevention of injury; and

(10) one medical director of the emergency department of a New Jersey hospital that is not a State-designated trauma center.

b. (1) The STSAC shall have an executive committee appointed by the commissioner from among the members of the STSAC, consisting of two medical directors from State-designated Level One trauma centers; two medical directors from State-designated Level Two trauma centers; one medical director of an emergency department from a New Jersey hospital that is not the site of a State-designated trauma center; one representative of pre-hospital care providers in the State; and the State Trauma Medical Director, who shall serve ex officio as chair of the executive committee of the STSAC.

(2) The executive committee of the STSAC shall set forth the times and agenda of the meetings of the STSAC, coordinate the policy recommendations of the STSAC, and draft the STSAC's initial and subsequent reports.

c. (1) Each member of the STSAC shall serve for a term of three years and may be reappointed to one or more subsequent terms, except that of the members first appointed, one third shall serve for a term of three years, one third for a term of two years, and one third for a term of one year. Vacancies in the membership of the committee shall be filled in the same manner provided for the original appointments.

(2) The STSAC shall organize as soon as practicable following the appointment of its members and shall hold its initial meeting no later than 90 days after the effective date of this act.

(3) The members of the STSAC shall select a chairperson and vice chair. The vice chair shall conduct the committee meetings when the chairperson is unable to attend.

(4) The members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of available funds.

d. (1) Consistent with the recommendations of the American College of Surgeons Committee on Trauma, and, to the extent applicable, consistent with the processes outlined in the State Trauma System Planning Guide issued by the National Association of State Emergency Medical Services Officials, the STSAC shall: analyze data related to trauma care in the State;
design a formal system of trauma care in the State with system-wide standards of pre-hospital triage and hospital-based care and policies; evaluate the State trauma system on an ongoing basis, and identify strategies to ensure optimal coordination of the Statewide trauma system. In fulfilling these responsibilities, the STSAC shall seek input from stakeholders representing all aspects of trauma care in the State.

(2) Within one year following the date of enactment of this act, the STSAC shall prepare and submit a report to the commissioner and the State Trauma Medical Director, which shall include a recommended comprehensive State trauma system plan. The plan shall address:

(a) Best practices and standards for all trauma care providers;
(b) Development and implementation of protocols for the stabilization and transfer of patients;
(c) Training requirements for acute care hospital personnel with respect to identifying, stabilizing, and arranging for the transfer of a patient whose condition is beyond the scope of the hospital's capabilities;
(d) Mandatory trauma triage practices to be performed by emergency medical service providers;
(e) Any other issues that the STSAC determines to be appropriate for inclusion in the plan.

(3) Subsequent to the receipt of the initial report and recommendation submitted by the STSAC pursuant to this subsection, the commissioner shall promulgate regulations establishing and implementing a State trauma system plan.

(4) Subsequent to the preparation and issuance of its initial report pursuant to this subsection, the STSAC shall: systematically review strategies to maintain and improve the State trauma system; submit an annual report to the commissioner and the State Trauma Medical Director on its activities; and provide any recommendations it determines are necessary to improve the State trauma system.

C.26:2KK-5 Rules, regulations.

5. The Commissioner of Health, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations necessary to effectuate the purposes of this act.

6. This act shall take effect immediately.

Approved January 17, 2014.

"Autobus" means a privately-owned autobus operated over the public highways in this State for the transportation of not more than 40 passengers for hire in intrastate or interstate business except that "autobus" shall not include:

1. a vehicle engaged in motorbus regular route service as defined in section 3 of P.L.1979, c. 150 (C.27:25-3);
2. a vehicle engaged in the transportation of passengers for hire in the manner and form commonly called taxicab service unless that service becomes or is held out to be regular service between stated termini;

C.56:16-3 Findings, declarations relative to autobuses.

5. The Legislature finds and declares that:
   a. The residents of this State rely on a variety of passenger vehicle transportation options. The provision of safe and lawful transportation options is vital to the economy of the State and to the health and welfare of New Jersey residents.
   b. The proliferation of privately-owned autobuses which are operated in intrastate or interstate business over the public highways in this State for the transportation of not more than 40 passengers, often incorrectly referred to as jitneys, as a transportation option in the State has led to an increase in congestion on the roadways, presented public safety issues, engendered passenger service complaints, and posed environmental hazards.
   c. In protecting the health, safety, and welfare of the thousands of New Jersey residents who use autobuses and other residents who encounter these autobuses on the highways, it is necessary and proper to ensure that the owners and operators of these autobuses uphold their obligations to provide safe and lawful services to their customers.
   d. In order to ensure that autobuses provide safe and lawful services to the people of this State, it is appropriate for this Legislature to enact a bill of rights for customers of certain autobuses that establishes basic rights and guarantees that protect the health, safety, and welfare of customers.

The division may conduct an investigation and may request in writing the production of documents and records as part of its investigation. Trade secrets and proprietary business information contained in the documents or records received by the division pursuant to a written request or a subpoena shall be confidential and shall not be deemed a “government record” under section 1 of P.L.1995, c.23 (C.47:1A-1.1 et seq.).

If the person of whom such request was made fails to produce the documents or records within 30 days after the date of the request, the division may issue and serve subpoenas to compel the production of those documents and records. If any person refuses to comply with a subpoena issued under this section, the division may petition the Superior Court to
enforce the subpoena by means of such sanctions as the court may direct. After completion of the investigation, the division shall either:

1. dismiss the complaint following a determination that no violation occurred; or
2. determine that a violation has likely occurred and, if so, shall attempt to resolve the matter by settlement, which may include a monetary settlement to cover the costs incurred by the division. If no settlement is achieved, then the division may take further action, including, if necessary, referring the matter to the Attorney General for further proceedings.

Any records, documents, papers, maps, books, tapes, photographs, files, sound recordings, or other business material, regardless of form or characteristics, obtained by the division pursuant to subpoena shall be confidential. At the conclusion of an investigation, any matter determined by the division, or by a federal or State judicial or administrative body, to be a trade secret or proprietary confidential business information held by the division pursuant to the investigation shall be considered confidential. The materials may be used in any administrative or judicial proceeding as long as the confidential or proprietary nature of the material is maintained.

C.56:16-6 Violations, penalties.

8. A person who violates any of the provisions of section 6 of P.L.2013, c.224 (C.56:16-4) shall be subject to a civil penalty of $1,000 for a first violation, $2,000 for a second violation, and $5,000 for a third or subsequent violation. Each day upon which the violation continues shall constitute a separate offense. The penalty prescribed in this section shall be collected in a civil action by a summary proceeding pursuant to the “Penalty Enforcement Law of 1999,” P.L.1999, c.274 (C.2A:58-10 et seq.). The Superior Court shall have jurisdiction of proceedings for the enforcement of the penalty provided by this section. Process shall be in the nature of a summons or warrant which shall issue upon the complaint of the Attorney General or any other person.

C.56:16-7 Rules, regulations.

9. The Director of the Division of Consumer Affairs in the Department of Law and Public Safety shall adopt rules and regulations, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), as are necessary to effectuate the purposes of sections 3 through 8 of P.L.2013, c.224 (C.56:16-1 through C.56:16-6).
10. Sections 1 and 2 of this act shall take effect immediately, and sections 3 through 9 of this act shall take effect on the first day of the 12th month following enactment, except that the Director of the Division of Consumer Affairs in the Department of Law and Public Safety may take any anticipatory administrative action in advance of that date as shall be necessary for the timely implementation of this act.

Approved January 17, 2014.

(2) If the employee leasing company acquires less than all of the client company's total workforce, the employee leasing company shall report wages and pay contributions pursuant to section 3 of P.L.2013, c.225 (C.43:21-7.8) with respect to that portion of the workforce so acquired.

b. Upon dissolution of the employee leasing agreement:

(1) If, under the dissolved employee leasing agreement, the employee leasing company used the Entity Level Reporting Method under subsection b. of section 3 of P.L.2013, c.225 (C.43:21-7.8) to report and pay all required contributions to the unemployment compensation fund as required under R.S.43:21-7, and the client company had leased all or a portion of its total workforce, the employee leasing company shall, at the time of dissolution, provide the department with the data necessary to calculate the benefit experience of the client company for purposes of determining the client company's separate benefit experience.

(2) If, under the dissolved employee leasing agreement, the employee leasing company elected to use the Client Level Reporting Method under subsection c. of section 3 of P.L.2013, c.225 (C.43:21-7.8), to report and pay all required contributions to the unemployment compensation fund as required under R.S. 43:21-7, and the client company had leased all or a portion of its total workforce, the department shall compute its benefit experience in accordance with subparagraph (f) of paragraph (4) of subsection c. of section 3 of P.L.2013, c.225 (C.43:21-7.8).

C.43:21-7.8 Responsibilities of employee leasing company.

3. a. For purposes of the “unemployment compensation law,” R.S.43:21-1 et seq., a covered employee is an employee of the employee leasing company. An employee leasing company is responsible for the payment of contributions, surcharges, penalties, and interest assessed under the “unemployment compensation law,” R.S.43:21-1 et seq. on wages paid by the employee leasing company to the covered employees during the term of the employee leasing agreement. An employee leasing company shall use the Entity Level Reporting Method to report and pay all required contributions to the unemployment compensation fund as required by R.S.43:21-7, unless the employee leasing company elects the Client Level Reporting Method under subsection c. of this section. An employee leasing company that does not initially elect the Client Level Reporting Method under subsection c. may subsequently elect the Client Level Reporting Method. An employee leasing company which, at sometime after the enactment of this act, elects to use the Client Level Reporting Method may switch back to the Entity Level Reporting Method in the future, but only with the approval of the department, which may not be granted to that employee leasing company more than one time. An employee leasing company and any related “controlled group of corporations” as that term is defined in section 1563 of the federal Internal Revenue Code of 1986, 26 U.S.C. s. 1563 shall use the same reporting method for all clients.

b. The Entity Level Reporting Method uses the State employer account number and contribution rate of the employee leasing company to report and pay all required contributions to the unemployment compensation fund as required by R.S.43:21-7 relating exclusively to covered employees. The following provisions apply to an employee leasing company that reports under the Entity Level Reporting Method:

   (1) The employee leasing company shall file all quarterly contribution and wage reports in accordance with R.S.43:21-7 using the state tax identification number and the contribution rate of the employee leasing company as determined under the “unemployment compensation law,” R.S.43:21-1 et seq.;

   (2) The employee leasing company and its client are subject to the provisions of R.S.43:21-7(c)(7), irrespective of whether there is common ownership, as follows:
(a) On July 1 of the year following the effective date of the employee leasing agreement, the department shall transfer the employment experience of the client company to the employee leasing company as a successor in interest, including any credit for past years, contributions paid, annual payrolls, or benefit charges applicable to the client company. The employee leasing company, however, upon the effective date of the employee leasing agreement, shall immediately receive credit for prior contributions paid on behalf of and relating to the covered employees by the client company or, if applicable, another employee leasing company, against wages in the tax year in which the employee leasing agreement begins and shall be immediately subject to the existing rate of the employee leasing company. The department shall provide to the employee leasing company, within 15 days of request, any data related to the client’s prior unemployment insurance history, including but not limited to, contributions paid, annual payrolls and benefit charges, on or after the effective date of the employee leasing agreement.

(b) Upon dissolution of an employee leasing agreement, the department shall transfer all of the employment experience of the client company relating to covered employees as a successor in interest from the employee leasing company, including any credit for past years, contributions paid, annual payrolls, or benefit charges applicable to the client company. The employee leasing company shall provide the department with the data the department deems necessary to make that transfer.

(c) On the first July 1 following the termination of an employee leasing agreement, the department shall transfer the employment experience relating to the client company to the succeeding employee leasing company, if any, as a successor in interest, including any credit for past years, contributions paid, annual payrolls, or benefit charges applicable to the client company. The successor employee leasing company, however, upon the effective date of the employee leasing agreement, shall immediately receive credit for prior contributions paid on behalf of and relating to the covered employees by the predecessor employee leasing company, against wages in the tax year in which the new employee leasing agreement begins and the balance of wages due in the tax year shall be immediately subject to the existing rate of the successor employee leasing company. The department shall provide to either employee leasing company, within 15 days of a written request, any data related to the client company’s prior unemployment insurance history, including but not limited to, contributions paid, annual payrolls and benefit charges, on or after the effective date of the employee leasing agreement;
(3) Whenever the employee leasing company enters into an employee leasing agreement with a client company, the employee leasing company shall notify the department not later than 30 days after the end of the quarter in which the employee leasing agreement became effective; and

(4) The employee leasing company shall notify the department in writing on forms prescribed by the department not later than 30 days after the date of the following:

(a) The termination of an employee leasing agreement; or

(b) The employee leasing company elects the Client Level Reporting Method under subsection c. of this section.

Upon dissolution of an employee leasing agreement: the client company’s contribution rate and benefit experience shall be determined in accordance with subsection b. of section 7 of P.L.2001, c.260 (C.34:8-73); and the employee leasing company shall provide the department with the information required by subsection b. of section 7 of P.L.2001, c.260 (C.34:8-73).

c. (1) An employee leasing company may elect to use the Client Level Reporting Method, which uses the state employer account number and contribution rate of the client company to report and pay all required contributions to the unemployment compensation fund as required by R.S.43:21-7 relating exclusively to covered employees.

(2) An employee leasing company doing business in New Jersey as of the effective date of this act shall make the election to use the Client Level Reporting Method in writing to the department not later than:

(a) 60 days after the effective date of this act for reporting and payment of contributions under the “unemployment compensation law,” R.S.43:21-1 et seq., for the 2014 calendar year; or

(b) September 30, 2014, for reporting and payment of contributions under the “unemployment compensation law,” R.S.43:21-1 et seq., effective no later than July 1, 2015.

An employee leasing company not doing business in New Jersey or not registered pursuant to P.L.2001, c.260 (C.34:8-67 et seq.) as of the effective date of this act shall, if it so desires, make the election to use the Client Level Reporting Method and notify the department in writing of that election at the time of registration.

(3) An employee leasing company which uses the Entity Level Reporting Method may subsequently elect the Client Level Reporting Method, subject to the provisions of this section, including the following requirements:
(a) The employee leasing company shall make the election to use the Client Level Reporting Method not later than December 1 of the calendar year before the calendar year in which the election is to be effective;
(b) The election shall be made in a written notice submitted to the department; and
(c) The election shall be effective for the calendar year immediately following the year in which the department receives the notice of election.

4) The following apply to an employee leasing company that elects to use the Client Level Reporting Method:
(a) Whenever the employee leasing company enters into an employee leasing agreement with a client company, the employee leasing company shall notify the department not later than 30 days after the end of the quarter in which the employee leasing agreement became effective;
(b) An employee leasing company reporting under the Entity Level Reporting Method which elects, in writing, to report under the Client Level Reporting Method shall, within 30 days, provide any data which the department deems necessary to the department to enable the department to calculate the benefit experience rate of each client company;
(c) If a client company is an employing unit when the employee leasing agreement becomes effective, the client company retains its experience balance, liabilities, and wage credits, and R.S. 43:21-7(c)(7) shall not apply to the client company or to the employee leasing company;
(d) Unless contrary to applicable law, if a client company is not an employing unit on the date the employee leasing agreement becomes effective, the client company immediately qualifies for an employer experience account under R.S. 43:21-7 and is subject to section 1 of P.L.1992, c.202 (C.43:21-7.7) for purposes of establishing an initial contribution rate;
(e) A client is associated with the employee leasing company’s employer experience account by means of the employee leasing company’s primary federal employer identification number (FEIN) for purposes of liability under the “unemployment compensation law,” R.S.43:21-1 et seq. and federal certification; and
(f) Upon the dissolution of an employee leasing agreement, the client company shall retain the experience balance, liabilities, and wage credits for the client company’s employing unit account; the client company’s federal employer identification number (FEIN) shall become the primary FEIN on the employing unit’s account; and the employee leasing company’s FEIN shall not be associated with the client’s company’s employing unit account.
d. For the purposes of this section, the client company which reports under the Entity Level Reporting Method or the Client Level Reporting Method, and not the employee leasing company, shall remain solely liable for any and all liabilities which originated or preceded the effective date of the employee leasing agreement.

Regardless of the reporting method utilized by an employee leasing company, either the employee leasing company or the client can hold the short term private or public disability insurance policy covering the covered employees.

e. For the purposes of this section:

(1) The term “Client Level Reporting Method” has the meaning set forth in subsection c. of this section;

(2) The term “Entity Level Reporting Method” has the meaning set forth in subsection b. of this section; and

(3) The terms “client company,” “covered employee,” “employee leasing agreement” or “professional employer agreement,” and “employee leasing company” or “professional employer organization” have the meanings set forth in section 1 of P.L.2001, c.260 (C.34:8-67).

4. This act shall take effect immediately.

Approved January 17, 2014.

CHAPTER 226

AN ACT concerning liability exposure for mortgage guaranty insurance companies and amending P.L.1968, c.248.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1968, c.248 (C.17:46A-3) is amended to read as follows:

C.17:46A-3 Capital, surplus and contingency reserve requirements.

3. Capital, surplus and contingency reserve requirements.

(a) An insurance company shall not transact the business of mortgage guaranty insurance unless it has paid-in capital of at least $1,000,000.00 and paid-in surplus of at least $1,000,000.00.
(b) In addition to the paid-in capital and surplus provided in subsection (a), each mortgage guaranty insurance company shall establish a contingency reserve out of net premiums remaining (gross premiums less premiums returned to policyholders) after establishment of the unearned premium reserve. To the contingency reserve the insurance company shall contribute an amount equal to 50% of such remaining premiums. The yearly contributions to the contingency reserve made during each calendar year shall be maintained for a period of 180 months, except that withdrawals may be made by the insurance company in any given year in which the actual losses exceed the expected losses. The commissioner shall, by regulation, determine when an insurance company may make withdrawals from its contingency reserve.

(c) (1) Except as provided in paragraph (2) of this subsection, a mortgage guaranty insurance company shall not at any time have outstanding a total liability under its aggregate insurance policies exceeding 25 times its policyholders' surplus, such liability to be computed on the basis of the insurance company's liability under its election as provided in subsection (c) of section 4 of P.L.1968, c.248 (C.17:46A-4). In the event that any insurance company has outstanding total liability exceeding 25 times its policyholders' surplus, it shall cease transacting new business until such time as its total liability no longer exceeds 25 times its policyholders' surplus.

(2) On and after the first day of the third month following enactment of P.L.2010, c.93 and continuing for the 72 months thereafter, the commissioner may waive the limit on liability exposure set forth under paragraph (1) of this subsection at the written request of a mortgage guaranty insurance company. The commissioner may approve the request of the mortgage guaranty insurance company upon a finding that the company's financial position is reasonable in relation to the company's outstanding total liability under its aggregate insurance policies, as well as adequate to its financial needs. A company granted a waiver pursuant to this paragraph shall submit quarterly reports to the commissioner concerning the company's financial condition. The commissioner shall promulgate regulations concerning the process for a mortgage guaranty insurance company to submit a written request pursuant to this paragraph, and concerning the information to be indicated in the quarterly reports. The regulations shall specify the information deemed necessary by the commissioner to review the request and any factors to be considered in approving or disapproving the request. The commissioner shall provide an annual briefing to the Assembly Financial Institutions and Insurance Committee and the Senate Commerce Committee, or their successors, on the financial condition of the mortgage guaranty insurance industry.
(d) A mortgage guaranty insurance company shall not declare any dividends except from undivided profits remaining on hand over and above the aggregate of its paid-in capital, paid-in surplus and contingency reserve.

2. This act shall take effect immediately.

Approved January 17, 2014.

CHAPTER 227

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1994, c.48 (C.18A:3B-6) is amended to read as follows:

C.18A:3B-6 Powers, duties of governing boards of institutions of higher education.

6. The governing board of each public institution of higher education shall have the following general powers and duties to fulfill its mission and the Statewide goals in cooperation with other institutions and the State coordinating structures:

a. To develop an institutional plan and to determine the programs and degree levels to be offered by the institution consistent with this plan and the institution's programmatic mission;

b. To have authority over all matters concerning the supervision and operations of the institution including fiscal affairs, the employment and compensation of staff not classified under Title 11A of the New Jersey Statutes, and capital improvements in accordance with law;

c. To set tuition and fees; however, prior to the date of the adoption of a tuition or fee schedule or an overall institutional budget, and with reasonable notice thereof, the governing board shall conduct a public hearing at such times and places as will provide those members of the college community who wish to testify with an opportunity to be heard;

d. To establish admission standards and requirements and standards for granting diplomas, certificates and degrees;
e. To recommend for appointment by the Governor, members to the institution's governing board. The recommendation shall be made with regard to the mission of the institution and the diversity of the community to be served;

f. To have final authority to determine controversies and disputes concerning tenure, personnel matters of employees not classified under Title 11A of the New Jersey Statutes, and other issues arising under Title 18A of the New Jersey Statutes involving higher education except as otherwise provided herein. Any matter arising under this subsection may be assigned to an administrative law judge, an independent hearing officer or to a subcommittee of the governing board for hearing and initial decision by the board, except for tenure hearings under N.J.S.18A:6-18. Any hearings conducted pursuant to this section shall conform to the requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). The final administrative decision of a governing board of a public institution of higher education is appealable to the Superior Court, Appellate Division;

g. To invest and reinvest the funds of the institution; however, institutions which invest the funds of the institution through the Director of the Division of Investment in the Department of the Treasury on or before the effective date of this act shall continue to do so, unless this requirement is waived by the State Treasurer on an annual basis, which waiver shall not be unreasonably withheld;

h. To retain legal counsel of the institution's choosing. State entities may choose representation by the Attorney General; however, as to claims of a tortious nature, the institution shall elect within 75 days of the effective date of this act whether it, and its employees, shall be represented in all such matters by the Attorney General. If the institution elects not to be represented by the Attorney General, it shall be considered and its employees considered employees of a sue and be sued entity for the purposes of the "New Jersey Tort Claims Act" only. The institution shall be required in that circumstance to provide its employees with defense and indemnification consistent with the terms and conditions of the Tort Claims Act in lieu of the defense and indemnification that such employees would otherwise seek and be entitled to from the Attorney General pursuant to N.J.S.59:10-1 et seq. and P.L.1972, c.48 (C.59:10A-1 et seq.);

i. To be accountable to the public for fulfillment of the institution's mission and Statewide goals and for effective management of the institution;
j. To submit a request for State support to the Division of Budget and Accounting in the Department of the Treasury and to the commission in accordance with the provisions of this act;
k. To have prepared and made available to the public an annual financial statement, and a statement setting forth generally the moneys expended for government relations, public relations and legal costs;
l. To have prepared an annual independent financial audit, which audit and any management letters regarding that audit shall be deemed public documents.

These powers and duties are in addition to and not a limitation of the specific powers and duties provided for the governing board of each public institution under chapter 64, 64A, 64G, 64E, or 64M of Title 18A of the New Jersey Statutes. If the provisions of this section are inconsistent with these specific powers and duties, the specific powers and duties shall govern.

2. Section 41 of P.L. 2012, c.45 (C.18A:64M-9) is amended to read as follows:

41. The board of trustees of Rowan University shall have the general supervision over and be vested with the conduct of the university. It shall have the power and duty, subject to the approval of the Rowan University-Rutgers Camden Board of Governors which shall be subject to the limitations set forth in section 34 of P.L. 2012, c.45 (C.18A:64M-38), to:

Enter into contracts and agreements with the State or any of its political subdivisions or with the United States, or with any public body, department or other agency of the State or the United States or with any individual, firm or corporation which are deemed necessary or advisable by the board for carrying out the provisions of this act. A contract or agreement pursuant to this subsection may require a municipality to undertake obligations and duties to be performed subsequent to the expiration of the term of office of the elected governing body of such municipality which initially entered into or approved said contract or agreement, and the obligations and duties so incurred by such municipality shall be binding and of full force and effect, notwithstanding that the term of office of the elected governing body of such municipality which initially entered into or approved said contract or agreement, shall have expired;

r. Employ architects to plan buildings; secure bids for the construction of buildings and for the equipment thereof; make contracts for the construction of buildings and for equipment; and supervise the construction of buildings;

s. Manage and maintain, and provide for the payment of all charges on and expenses in respect of, all properties utilized by the university;

t. Borrow money and to secure the same by a mortgage on its property or any part thereof, and to enter into any credit agreement for the needs of the university and projects of the Rowan University-Rutgers Camden Board of Governors, as deemed requisite by the board, in such amounts and for such time and upon such terms as may be determined by the board, provided that no such borrowing shall be deemed or construed to create or constitute a debt, liability, or a loan or pledge of the credit or be payable out of property or funds, other than moneys appropriated for that purpose, of the State;

u. Authorize any new program, educational department or school consistent with the programmatic mission of the institution or approved by the Secretary of Higher Education;

v. Adopt standing operating rules and procedures for the purchase of all equipment, materials, supplies and services; however, no contract on behalf of the university shall be entered into for the purchase of services, materials, equipment and supplies, for the performance of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds $30,700 or the amount determined by the Governor as provided herein, unless the university shall first publicly advertise for bids and shall award the contract to that responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the university, price and other factors considered. Such advertising shall not be required in those exceptions created by the board of trustees of the university, which shall be in
substance those exceptions contained in sections 4 and 5 of P.L.1954, c.48 (C.52:34-9 and 10) and section 5 of P.L.1986, c.43 (C.18A:64-56) or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Board of Public Utilities of this State and tariffs and schedules of the charges made, charged, or exacted by the public utility for any such products to be supplied or services to be rendered are filed with the said board. Commencing July 1, 2013 and every two years thereafter, the Governor, in consultation with the Department of the Treasury, shall adjust the threshold amount set forth in this paragraph in direct proportion to the rise or fall of the consumer price index for all urban consumers in the New York City and the Philadelphia areas as reported by the United States Department of Labor. The Governor shall notify the university of the adjustment. The adjustment shall become effective on July 1 of the year in which it is reported.

This subsection shall not prevent the university from having any work performed by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience requires or the exigency of the university’s service will not admit of such advertisement. In such case, the university shall, by resolution passed by the affirmative vote of its board of trustees, declare the exigency or emergency to exist, and set forth in the resolution the nature and approximate amount to be expended; shall maintain appropriate records as to the reason for such awards; and shall report regularly to its board of trustees on all such purchases, the amounts and the reasons therefor;

w. Invest certain moneys in such obligations, securities and other investments as the board shall deem prudent, consistent with the purposes and provisions of this act and in accordance with State and federal law, as follows:

Investment in not-for-profit corporations or for-profit corporations organized and operated pursuant to the provisions of subsection x. of this section may utilize income realized from the sale or licensing of intellectual property as well as the reinvestment of earnings on intellectual property. Investment in not-for-profit corporations may also utilize income from the operation of faculty practice plans of the university and income from overhead grant fund recovery as permitted by federal law as well as other university funds except those specified in paragraph 5 of subsection x. of this section;

x. (1) Participate as the general partner or as a limited partner, either directly or through a subsidiary corporation created by the university, in limited partnerships, general partnerships, or joint ventures engaged in the
development, manufacture, or marketing of products, technology, scientific
information or health care services and create or form for-profit or not-for-
profit corporations to engage in such activities; provided that any such par-
ticipation shall be consistent with the mission of the university and the
board shall have determined that such participation is prudent;

(2) The decision to participate in any activity described in paragraph
(1) of this subsection, including the creation or formation of for-profit or
not-for-profit corporations, shall be articulated in the minutes of the board
of trustees meeting in which the action was approved;

(3) The provisions of P.L.1971, c.182 (C.52:13D-12 et seq.) shall con-
tinue to apply to the university, its employees, and officers;

(4) Nothing herein shall be deemed or construed to create or constitute
a debt, liability, or a loan or pledge of the credit or be payable out of prop-
erty or funds of the State;

(5) Funds directly appropriated to the university from the State or de-
derived from the university's academic programs or derived from payment for
coverage provided by the self insurance fund for claims accruing prior to
the effective date of this act shall not be utilized by the for-profit or not-for-
profit corporations organized and operated pursuant to this subsection in the
development, manufacture, or marketing of products, technology or scien-
tific information;

(6) Employees of any joint venture, subsidiary corporation, partner-
ship, or other jural entity entered into or owned wholly or in part by the
university shall not be deemed public employees;

(7) A joint venture, subsidiary corporation, partnership, or other jural
entity entered into or owned wholly or in part by the university shall not be
demed an instrumentality of the State of New Jersey;

(8) Income realized by the university as a result of participation in the
development, manufacture, or marketing of products, technology, or scien-
tific information may be invested or reinvested pursuant to subsection w. of
this section or any other provision of this act or State or federal law or re-
tained by the board for use in furtherance of any of the purposes of this act
or of other applicable statutes;

(9) The board shall annually report to the State Treasurer on the opera-
tion of all joint ventures, subsidiary corporations, partnerships, or such other
jurisdictions entered into or owned wholly or in part by the university;

y. Sue and be sued in its own name;

z. Retain independent counsel including representation by the Attor-
ney General in accordance with subsection h. of section 6 of P.L.1994, c.48
(C.18A:3B-6);
aa. (1) Procure and enter into contracts for any type of insurance and indemnify against loss or damage to property from any cause, including loss of use and occupancy, against death or injury of any person, against employees' liability, against any act of any member, officer, employee or servant of the university, whether part-time, full-time, compensated or non-compensated in the performance of the duties of his office or employment or any other insurable risk. In addition, the university shall carry its own liability insurance or maintain an actuarially sound program of self insurance. Any joint venture, subsidiary corporation, or partnership or such other jural entity entered into or owned wholly or in part by the university shall carry insurance or maintain reserves in such amounts as are determined by an actuary to be sufficient to meet its actual or accrued claims;

(2) Moneys in the fund known as the Self-Insurance Trust Fund administered by the State Treasurer shall continue to be available to the university solely to indemnify and defend claims against the university and its employees, officers and servants but only to the extent that the university has elected on behalf of itself and its employees to obtain representation from the Attorney General pursuant to subsection h. of section 6 of P.L.1994, c.48 (C.18A:3B-6) and such entity or individuals would have been entitled to defense and indemnification pursuant to the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq., as a State entity or State employee but for the provision of subsection z. of this section. CHAPTER 236

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 9 of P.L.1968, c.410 (C.52:14B-9) is amended to read as follows:

C.52:14B-9 Notice and hearing in contested cases.

9. (a) In a contested case, all parties shall be afforded an opportunity for hearing after reasonable notice.
   (b) The notice shall include in addition to such other information as may be deemed appropriate:
      (1) A statement of the time, place, and nature of the hearing;
      (2) A statement of the legal authority and jurisdiction under which the hearing is to be held;
      (3) A reference to the particular sections of the statutes and rules involved;
      (4) A short and plain statement of the matters asserted. If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter upon application a more definite and detailed statement shall be furnished.
   (c) Opportunity shall be afforded all parties to respond, appear and present evidence and argument on all issues involved.
   Pre-hearing conferences may be conducted, as prescribed by the director.
   Witnesses may be permitted to testify, and motions may be considered, by means of a telephone or video conference call, as prescribed by the director and when the judge finds there is good cause for permitting the witness to testify by telephone or video conference.
   (d) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, or consent order.
   (e) Oral proceedings or any part thereof shall be transcribed on request of any party at the expense of such party.
   (f) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.
   (g) Unless otherwise provided by any law, agencies may place on any party the responsibility of requesting a hearing if the agency notifies him in writing of his right to a hearing and of his responsibility to request the hearing.

2. Section 10 of P.L.1968, c.410 (C.52:14B-10) is amended to read as follows:
C.52:14B-10 Evidence; judicial notice; recommended report and decision; final decision; effective date.

10. In a contested case:

(a) (1) The parties shall not be bound by rules of evidence whether statutory, common law, or adopted formally by the Rules of Court. All relevant evidence is admissible, except as otherwise provided herein. The administrative law judge may, in his discretion, exclude any evidence if he finds that its probative value is substantially outweighed by the risk that its admission will either necessitate undue consumption of time or create substantial danger of undue prejudice or confusion. The administrative law judge shall give effect to the rules of privilege recognized by law. Any party in a contested case may present his case or defense by oral and documentary evidence, submit rebuttal evidence and conduct such cross-examination as may be required, in the discretion of the administrative law judge, for a full and true disclosure of the facts.

(2) Where the case involves a permitting or licensing decision of the Department of Environmental Protection, the department shall be required to produce and certify a permitting record within 30 days after the filing of the contested case. This deadline may be extended by an administrative law judge upon the unanimous agreement of the parties. The production and certification of the department's permitting record, in accordance with this paragraph, shall not limit the ability of the parties to further supplement the record.

(b) Notice may be taken of judicially noticeable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the specialized knowledge of the agency or administrative law judge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The experience, technical competence, and specialized knowledge of the agency or administrative law judge may be utilized in the evaluation of the evidence, provided this is disclosed of record.

(c) All hearings of a State agency required to be conducted as a contested case under this act or any other law shall be conducted by an administrative law judge assigned by the Director and Chief Administrative Law Judge of the Office of Administrative Law, except as provided by this amendatory and supplementary act. A recommended report and decision which contains recommended findings of fact and conclusions of law and which shall be based upon sufficient, competent, and credible evidence
shall be filed, not later than 45 days after the hearing is concluded, with the agency in such form that it may be adopted as the decision in the case and delivered or mailed, to the parties of record with an indication of the date of receipt by the agency head; and an opportunity shall be afforded each party of record to file exceptions, objections, and replies thereto, and to present argument to the head of the agency or a majority thereof, either orally or in writing, as the agency may direct.

Unless the head of the agency or a party requests that the recommended report and decision be filed in writing, the recommended report and decision of the administrative law judge may be filed orally in such appropriate cases as prescribed by the director and if a transcript has been requested pursuant to subsection (e) of section 9 of P.L.1968, c.410 (C.52:14B-9).

An administrative law judge may file a recommended report and decision in the form of a checklist in such appropriate cases and formats as prescribed by the director after consultation with each State agency.

The head of the agency, upon a review of the record submitted by the administrative law judge, shall adopt, reject or modify the recommended report and decision no later than 45 days after receipt of such recommendations. In reviewing the decision of an administrative law judge, the agency head may reject or modify findings of fact, conclusions of law or interpretations of agency policy in the decision, but shall state clearly the reasons for doing so. The agency head may not reject or modify any findings of fact as to issues of credibility of lay witness testimony unless it is first determined from a review of the record that the findings are arbitrary, capricious or unreasonable or are not supported by sufficient, competent, and credible evidence in the record. In rejecting or modifying any findings of fact, the agency head shall state with particularity the reasons for rejecting the findings and shall make new or modified findings supported by sufficient, competent, and credible evidence in the record. Unless the head of the agency modifies or rejects the report within such period, the decision of the administrative law judge shall be deemed adopted as the final decision of the head of the agency. The recommended report and decision shall be a part of the record in the case. For good cause shown, upon certification by the director and the agency head, the time limits established herein may be subject to a single extension of not more than 45 days. Any additional extension of time shall be subject to, and contingent upon, the unanimous agreement of the parties.

(d) A final decision or order adverse to a party in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, separately stated and shall be based only
upon the evidence of record at the hearing, as such evidence may be established by rules of evidence and procedure promulgated by the director.

Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings. The final decision may incorporate by reference any or all of the recommendations of the administrative law judge. Parties shall be notified either personally or by mail of any decision or order. Upon request a copy of the decision or order shall be delivered or mailed forthwith by registered or certified mail to each party and to his attorney of record.

(e) Except where otherwise provided by law, the administrative adjudication of the agency shall be effective on the date of delivery or on the date of mailing, of the final decision to the parties of record whichever shall occur first, or shall be effective on any date after the date of delivery or mailing, as the agency may provide by general rule or by order in the case. The date of delivery or mailing shall be stamped on the face of the decision.

(f) The head of an agency may order that, in certain appropriate cases, the recommended report and decision of the administrative law judge shall be deemed adopted, immediately on filing thereof with the agency, as the final decision of the head of the agency. The appropriate cases shall be described in a written order issued by the head of the agency, filed with the director, and made available to the public as a government record. The order shall not include any contested case for which the head of the agency is specifically required by State or federal law to review the recommended report and decision and adopt the final decision. The head of the agency may revise or revoke an order, issued pursuant to this subsection, whenever it is deemed appropriate. The order shall apply to all appropriate contested cases commenced with the agency after the order’s issuance and until the order is rescinded or modified. In such appropriate contested cases, the head of the agency shall not have the opportunity to reject or modify the administrative law judge’s recommended report and decision pursuant to subsection (c) of this section and the final decision by the administrative law judge shall comply with the requirements of and shall be given the same effect as a final decision of the head of the agency pursuant to subsection (d) of this section.

(g) Whenever the parties in a contested case stipulate to the factual record, and agree that there are no genuine issues of material fact to be adjudicated, the head of the agency may, in his discretion, render a final agency decision on the matter without obtaining the prior input of, or a recommended report and decision from, an administrative law judge.

C.39:6B-2 Penalties.

2. An owner or registrant of a motor vehicle registered or principally garaged in this State who operates or causes to be operated a motor vehicle upon any public road or highway in this State without motor vehicle liability insurance coverage required by P.L. 1972, c.197 (C.39:6B-1 et seq.), and an operator who operates or causes a motor vehicle to be operated and who knows or should know from the attendant circumstances that the motor vehicle is without motor vehicle liability insurance coverage required by P.L. 1972, c.197 (C.39:6B-1 et seq.) shall be subject, for the first offense, to a fine of not less than $300 nor more than $1,000 and a period of community service to be determined by the court. The court also shall suspend the person’s right to operate a motor vehicle over the highways of this State for a period of one year from the date of conviction; provided, however, the period of license suspension may be reduced or eliminated if the person provides the court with satisfactory proof of motor vehicle liability insurance at the time of the hearing. Upon subsequent conviction, the person shall be subject to a fine of up to $5,000 and shall be subject to imprisonment for a term of 14 days and shall be ordered by the court to perform community service for a period of 30 days, which shall be of a form and on terms as the court shall deem appropriate under the circumstances, and shall forfeit the person’s right to operate a motor vehicle for a period of two years from the date of the conviction, and, after the expiration of the forfeiture, the person may make application to the Chief Administrator of the New Jersey Motor Vehicle Commission for a license to operate a motor vehicle, which application may be granted at the discretion of the chief administrator. The chief administrator’s discretion shall be based upon an assessment of the likelihood that the individual will operate or cause a motor vehicle to be operated in the future without the insurance coverage required by this act. A complaint for violation of this act may be made to a municipal court at any time within six months after the date of the alleged offense.

Failure to produce at the time of trial an insurance identification card or an insurance policy which was in force for the time of operation for which the offense is charged creates a rebuttable presumption that the person was uninsured when charged with a violation of this section.

For the second and any subsequent offense the operator or the driver, as the case may be, shall be subject to a fine of $600.

d. It shall be an unlawful practice and a violation of P.L.1960, c.39 (C.56:8-1 et seq.) for any person to charge a fee in excess of the fee listed in the written schedule of fees provided pursuant to subsection a. of this section.

e. If an operator or the driver of an operator's tow truck is convicted a third time for violation of any provisions of this section, the authority may, in its discretion, terminate the operator's contract for towing and storage services with the authority.

7. Section 2 of P.L.1991, c.252 (C.27:25A-2) is amended to read as follows:

2. The Legislature finds and declares that:

a. It is the public policy of this State to provide for the coordinated development and planning of the State's transportation system both on the State and regional level. Through the medium of the Transportation Executive Council, established by Executive Order No. 10 of 1990, the activities of the various transportation related authorities are coordinated on the State level. In the northern region of the State the Port Authority of New York
and New Jersey, the New Jersey Turnpike Authority, the Hackensack Meadowlands Development Commission, the North Jersey Transportation Coordinating Committee and other organizations exist to provide for the support and planning of the transportation system in that region.

b. In the southern region of the State an increase in residential development, the completion of Interstate Route 476 (also known as the "Blue Route") in Pennsylvania, the establishment of casino gaming in Atlantic City, and other factors, have caused an increase in vehicular traffic in southern New Jersey and have highlighted the need for a more coordinated effort on a regional basis to deal with the operation and possible extension of the region's highway system, the improvement and expansion of its aviation facilities, and the coordination of Atlantic County's transportation system within the larger regional system.

c. Concomitant with the development of the transportation system in southern New Jersey the need exists for the ancillary establishment of economic development facilities directly related to transportation projects in that region to be funded by a transportation authority.

d. It is in the public interest to create a South Jersey Transportation Authority, encompassing the counties of Atlantic, Camden, Cape May, Cumberland, Gloucester, and Salem, as a successor to the New Jersey Expressway Authority and the Atlantic County Transportation Authority, to provide more coordination of the region's transportation system and to deal particularly with the highway system, aviation facilities and the transportation problems of Atlantic County through the acquisition, construction, maintenance, operation and support of expressway and transportation projects and economic development facilities directly related to transportation projects authorized by this act. However, the activities of a transportation authority are not to supplant or replace the funding of projects by the Transportation Trust Fund Authority or the operation of public transportation services by the New Jersey Transit Corporation.

8. Section 3 of P.L.2002, c.77 (C.27:25A-8.1) is amended to read as follows:

C.27:25A-8.1 Registration of towing operators with South Jersey Transportation Authority.

3. a. An operator awarded a contract for towing and storage services by the South Jersey Transportation Authority shall register with the authority. Upon issuance of the registration, the authority shall provide the operator with two decals and accompanying notices for each tow truck owned or
leased by that operator and to be used under the terms of the contract. The decals and the accompanying notices, which shall be of a distinctive design and color, shall be conspicuously displayed on the exterior of each such tow truck in a manner and location prescribed by the authority.

The decals shall set forth a specific registration number for each registered tow truck. The notices shall include a statement indicating substantially the following: "This tow truck is registered with the South Jersey Transportation Authority. The driver is required to provide you with a written schedule of the fees charged for towing and storage services before providing that service to you, including those services for which there is no fee. If the fee charged is in excess of the fee listed on the schedule, please notify the authority or the New Jersey Division of Consumer Affairs." An operator shall file a copy of the schedule of fees with the authority. Upon request of the Division of Consumer Affairs in the Department of Law and Public Safety, the authority shall provide a list of the registered tow trucks to the division, in addition to a copy of the schedule of fees.

b. Prior to providing any towing services, a driver of a tow truck shall provide the person whose vehicle is to be towed a written schedule of fees and shall recite the information contained in the notice.

c. An operator who fails to display the decals and notices required by subsection a. of this section or the driver of a tow truck who fails to provide a person to be towed the written schedule of fees or recite the information contained in the notice prior to providing a towing service as required by subsection b. of this section shall be subject to a fine of $300 for the first offense. For the second and any subsequent offense the operator or the driver, as the case may be, shall be subject to a fine of $600.

d. It shall be an unlawful practice and a violation of P.L.1960, c.39 (C.56:8-1 et seq.) for any person to charge a fee in excess of the fee listed in the written schedule of fees provided pursuant to subsection a. of this section.

e. If an operator or the driver of an operator's tow truck is found to have been convicted a third time for violation of any provisions of this section, the authority may, in its discretion, terminate the operator's contract for towing and storage services with the authority.

**Payments, determination of amount, liability therefor.**

30:4-60. a. If the court shall determine that the person has a mental illness and is in need of treatment at a psychiatric facility, it may determine
the legal settlement of the person and, consistent with the laws governing civil commitment and the Rules of Court, direct the admission or hospitalization of the person to the care of the Commissioner of Human Services for treatment in a psychiatric facility, short-term care facility, or special psychiatric hospital in this State.

b. If the Department of Human Services determines that the person has a developmental disability and is eligible for functional services from the Division of Developmental Disabilities, the department, using a formula of financial ability to pay as promulgated annually by the Department of the Treasury, shall determine if the person with a developmental disability has sufficient income, assets, resources or estate to pay for the person's maintenance as fixed by the department, or is able to make any payment towards the person's maintenance, or if the person's chargeable relatives or other persons chargeable by contract are able to pay the person's maintenance or make any payment toward the person's maintenance on the person's behalf. The department shall determine the legal settlement of the developmentally disabled person pursuant to section 86 of P.L.1965, c.59 (C.30:4-165.3).

The department shall send written notice of the periodic payment amount to the person or the person's parent or guardian, chargeable relative, or other person chargeable by contract for the person's support. All required payments shall be made directly to the department unless otherwise specified in the notice. The notice may, in the discretion of the department, contain such direction as may seem proper concerning security to be given for the payment. The payment notice shall be separate and independent of any order of commitment to the care and custody of the commissioner or any order of guardianship.

The department shall annually review and revise, as appropriate, its payment calculations. If the financial circumstances of the person or persons chargeable by law or contract for the support of the developmentally disabled person change prior to the annual review, the chargeable person or persons shall immediately notify the department in writing.

The obligation by the person with mental illness for the remainder of the facility's bill, after the credit for all available third party insurance payments or medical assistance
program payment, will be in an amount based upon the sliding scale fee schedule established for charity care pursuant to subsection b. of section 10 of P.L.1992, c.160 (C.26:2H-18.60).

(2) The obligation of the parent of a person with mental illness under the age of 18 for the remainder of the facility's bill shall be based upon the lesser of the sliding scale fee schedule established for charity care pursuant to subsection b. of section 10 of P.L.1992, c.160 (C.26:2H-18.60), or the formula of financial ability to pay as promulgated annually by the Department of the Treasury pursuant to subsection b. of this section.

(3) A person with mental illness or a person responsible under a court order for the cost of care and maintenance of a person with mental illness who, without good cause, (a) refuses to submit information and authorizations sufficient to enable the facility to access any available third-party payer, or (b) refuses to apply for public medical assistance for which the person with mental illness may be eligible, shall be responsible for the full cost of the person's care and maintenance at the facility without the application of the criteria set forth in paragraphs (1) and (2) of this subsection.

(4) Based upon the criteria set forth in paragraphs (1) and (2) of this subsection, the Department of Human Services or county adjuster in the county of settlement, as applicable, shall make a determination of the amount the person with mental illness who is 18 years of age or older, or the parent of a person with mental illness under the age of 18, shall be liable to contribute toward the cost of the person's treatment, maintenance, and all necessary and related expenses of the person's hospitalization. The liability may be enforced by the Commissioner of Human Services in the manner set forth in section 1 of P.L.1962, c.207 (C.30:4-75.1).

(5) In the case of a person with mental illness who is married, the department shall establish a spousal share of the combined assets of the couple that shall be preserved for the noninstitutionalized spouse and immune from execution to satisfy the person's liability to contribute toward the cost of treatment, maintenance, and all necessary and related expenses of the person's hospitalization. In order to determine the spousal share of the combined assets to be preserved, the Commissioner of Human Services shall employ the same methodology used by the State Medicaid program to determine the resources that are preserved for the needs of the community spouse of an institutionalized individual in accordance with N.J.A.C.10:71-4.8.

(6) The Commissioner of Human Services shall act on any request by a person with mental illness who is 18 years of age or older, or the parent of a person with mental illness under the age of 18, to compromise for settlement of the obligation established pursuant to this section. With respect to
the request, the commissioner shall allow the person or parent to retain adequate funds to:
   (a) maintain the person's or parent's housing and usual standard of living in the community;
   (b) provide for any necessary medical expenses or special needs;

The commissioner shall ensure that all persons and parents are notified of their right to request a compromise and the procedure for doing so.

13. R.S.30:4-63 is amended to read as follows:

Commitment of person with mental illness, payment.

30:4-63. a. The court may, after final hearing, commit any person with mental illness to any State or county psychiatric institution irrespective of the person's legal settlement where provision is made for the person's care and maintenance, in an amount approved by the department or by the board of chosen freeholders, as the case may be. 36. Section 1 of P.L.2009, c.82 (C.45:22A-46.3) is amended to read as follows:

C.45:22A-46.3 Findings, declarations relative to affordable housing.

1. The Legislature finds and declares that:

a. While the cost of housing in New Jersey has declined under currently eroding economic conditions, the cost of both renting and homeownership remains unaffordable to a large percentage of New Jersey residents, including those who make vital contributions to their communities such as teachers, nurses, police officers, firefighters, and the general workforce population;

b. In recognition of this crisis, Governor Jon S. Corzine has committed to producing and preserving 100,000 units of affordable housing for low-, moderate- and middle-income families and individuals over the next 10 years;

c. According to the 2000 U.S. Census, 55 percent of these families are one and two person households, many of which are unable to find homes and apartments designed to meet their needs;

d. While no policy is singularly responsible for current housing conditions, zoning practices have resulted in a lack of land approved for housing which meets the needs of households requiring smaller housing units;

e. The shortage of affordably priced workforce housing has been exacerbated in recent years by a municipal preference for age-restricted housing which has resulted in an oversupply of age-restricted housing approvals
and an inability among the majority of New Jersey's workforce to live near their jobs;
f. (Deleted by amendment, P.L.2013, c.253.)
g. Although the maximum municipal percentage of affordable fair share housing which may be met by age-restricted units in a municipality has been reduced from 50 percent to 25 percent under the recently adopted rules of the Council on Affordable Housing, a mechanism is needed to permit an age-restricted development to change to a converted development to meet this rule, and to meet demographic needs; and
h. Under currently deteriorating national economic conditions, it is appropriate to take immediate action at this time to create the opportunity to increase the production and supply of workforce housing through the conversion of the over-supplied age-restricted market to meet the needs of New Jersey's residents who require smaller, more reasonably priced homes.

37. Section 10 of P.L.2001, c.416 (C.48:16-22.3b) is amended to read as follows:

C.48:16-22.3b Applicants to be tested for controlled dangerous substances; regulations.

10. Any person who owns a limousine service shall require an applicant for employment as a limousine operator or driver to be tested, at the applicant's expense, for dangerous controlled substances as defined in N.J.S.2C:35-2. The Chief Administrator of the New Jersey Motor Vehicle Commission shall adopt regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), for the licensing and testing of applicants for employment as limousine operators or drivers. The regulations shall be substantially similar to the regulations of New York City concerning the testing of an applicant for a for-hire vehicle driver's license pursuant to section 6-15 of Title 35 of the New York City Rules and Regulations.

38. Section 3 of P.L.2002, c.129 (C.52:17B-194.3) is amended to read as follows:

C.52:17B-194.3 Establishment of "Amber's Plan"; activation of Amber Alert; criteria.

3. a. The Attorney General shall establish "Amber's Plan," a program authorizing the broadcast media, upon notice from the State Police, to transmit an emergency alert to inform the public of a child abduction. The
program shall be a voluntary, cooperative effort between State and local law enforcement agencies and the broadcast media.

b. The Attorney General shall notify the broadcast media serving the State of New Jersey of the establishment of "Amber's Plan" and invite their voluntary participation.

c. The following criteria shall be met before the State Police activate the Amber Alert:

   (1) The child is believed to be abducted;
   (2) The child is 17 years of age or younger;
   (3) The child may be in danger of death or serious bodily injury; and
   (4) There is sufficient information available to indicate that an "Amber Alert" would assist in locating the child.

d. The participating media shall voluntarily agree, upon notice from the State Police, to transmit emergency alerts to inform the public of a child abduction that has occurred within their broadcast service regions. The notice shall be provided through the State Police operational dispatch unit.

   The alerts shall be read after a distinctive sound tone and the statement: "This is an Amber Abducted Child Alert." The alerts shall be broadcast as often as possible, pursuant to the guidelines established by the New Jersey Broadcasters' Association, for the first three hours. After the initial three hours, the alert shall be rebroadcast at such intervals as the investigating authority, the State Police and the participating media deem appropriate.

   The alerts shall include a description of the child, such details of the abduction and abductor as may be known, and such other information as the State Police may deem pertinent and appropriate. The State Police shall in a timely manner update the broadcast media with new information when appropriate concerning the abduction.

   The alerts also shall provide information concerning how those members of the public who have information relating to the abduction may contact the State Police or other appropriate law enforcement agency.

   Concurrent with the notice provided to the broadcast media, the State Police operational dispatch unit shall also notify the Department of Transportation, the New Jersey Turnpike Authority and the South Jersey Transportation Authority of the "Amber Alert." Through the use of their variable message signs, the department and the affected authorities shall inform the motoring public that an "Amber Alert" is in progress and provide information relating to the abduction and how motorists may report any information they have to the State Police or other appropriate law enforcement agency.

e. The alerts shall terminate upon notice from the State Police.
f. The Attorney General, with the assistance of the participating broadcast media, shall develop and undertake a public education campaign to inform the public about "Amber's Plan" and the emergency alert program established under this act.

g. The Attorney General may adopt guidelines to effectuate the purposes of this act.

The fund shall be a non-lapsing, revolving trust fund, and all monies deposited or received for purposes of the fund shall be accounted for separately, by source and amount, and remain in the fund until appropriated for such purposes. The fund shall be the repository of all State funds appropriated for affordable housing purposes, including, but not limited to, the proceeds from the receipts of the additional fee collected pursuant to paragraph (2) of subsection a. of section 3 of P.L.1968, c.49 (C.46:15-7), proceeds from available receipts of the Statewide non-residential development fees collected pursuant to section 35 of P.L.2008, c.46 (C.40:55D-8.4), monies lapsing or reverting from municipal development trust funds,
or other monies as may be dedicated, earmarked, or appropriated by the Legislature for the purposes of the fund. All references in any law, order, rule, regulation, contract, loan, document, or otherwise, to the "Neighborhood Preservation Nonlapsing Revolving Fund" shall mean the "New Jersey Affordable Housing Trust Fund." The department shall be permitted to utilize annually up to 7.5 percent of the monies available in the fund for the payment of any necessary administrative costs related to the administration of the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.), or any costs related to administration of P.L.2008, c.46 (C.52:27D-329.1 et al.).

a. Except as permitted pursuant to subsection g. of this section, and by section 41 of P.L.2009, c.90 (C.52:27D-320.1), the commissioner shall award grants or loans from this fund for housing projects and programs in municipalities whose housing elements have received substantive certification from the council, in municipalities receiving State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.), in municipalities subject to a builder's remedy as defined in section 28 of P.L.1985, c.222 (C.52:27D-328) or in receiving municipalities in cases where the council has approved a regional contribution agreement and a project plan developed by the receiving municipality.

Of those monies deposited into the "New Jersey Affordable Housing Trust Fund" that are derived from municipal development fee trust funds, or from available collections of Statewide non-residential development fees, a priority for funding shall be established for projects in municipalities that have petitioned the council for substantive certification.

Programs and projects in any municipality shall be funded only after receipt by the commissioner of a written statement in support of the program or project from the municipal governing body.

b. The commissioner shall establish rules and regulations governing the qualifications of applicants, the application procedures, and the criteria for awarding grants and loans and the standards for establishing the amount, terms and conditions of each grant or loan.

c. For any period which the council may approve, the commissioner may assist affordable housing programs which are not located in municipalities whose housing elements have been granted substantive certification or which are not in furtherance of a regional contribution agreement; provided that the affordable housing program will meet all or part of a municipal low and moderate income housing obligation.

d. Amounts deposited in the "New Jersey Affordable Housing Trust Fund" shall be targeted to regions based on the region's percentage of the State's low and moderate income housing need as determined by the coun-
cil. Amounts in the fund shall be applied for the following purposes in designated neighborhoods:

1. Rehabilitation of substandard housing units occupied or to be occupied by low and moderate income households;
2. Creation of accessory apartments to be occupied by low and moderate income households;
3. Conversion of non-residential space to residential purposes; provided a substantial percentage of the resulting housing units are to be occupied by low and moderate income households;
4. Acquisition of real property, demolition and removal of buildings, or construction of new housing that will be occupied by low and moderate income households, or any combination thereof;
5. Grants of assistance to eligible municipalities for costs of necessary studies, surveys, plans and permits; engineering, architectural and other technical services; costs of land acquisition and any buildings thereon; and costs of site preparation, demolition and infrastructure development for projects undertaken pursuant to an approved regional contribution agreement;
6. Assistance to a local housing authority, nonprofit or limited dividend housing corporation or association or a qualified entity acting as a receiver under P.L.2003, c.295 (C.2A:42-114 et al.) for rehabilitation or restoration of housing units which it administers which: (a) are unusable or in a serious state of disrepair; (b) can be restored in an economically feasible and sound manner; and (c) can be retained in a safe, decent and sanitary manner, upon completion of rehabilitation or restoration; and
7. Other housing programs for low and moderate income housing, including, without limitation, (a) infrastructure projects directly facilitating the construction of low and moderate income housing not to exceed a reasonable percentage of the construction costs of the low and moderate income housing to be provided and (b) alteration of dwelling units occupied or to be occupied by households of low or moderate income and the common areas of the premises in which they are located in order to make them accessible to handicapped persons.

e. Any grant or loan agreement entered into pursuant to this section shall incorporate contractual guarantees and procedures by which the division will ensure that any unit of housing provided for low and moderate income households shall continue to be occupied by low and moderate income households for at least 20 years following the award of the loan or grant, except that the division may approve a guarantee for a period of less than 20 years where necessary to ensure project feasibility.
f. Notwithstanding the provisions of any other law, rule or regulation to the contrary, in making grants or loans under this section, the department shall not require that tenants be certified as low or moderate income or that contractual guarantees or deed restrictions be in place to ensure continued low and moderate income occupancy as a condition of providing housing assistance from any program administered by the department, when that assistance is provided for a project of moderate rehabilitation if the project (1) contains 30 or fewer rental units and (2) is located in a census tract in which the median household income is 60 percent or less of the median income for the housing region in which the census tract is located, as determined for a three person household by the council in accordance with the latest federal decennial census. A list of eligible census tracts shall be maintained by the department and shall be adjusted upon publication of median income figures by census tract after each federal decennial census.

g. In addition to other grants or loans awarded pursuant to this section, and without regard to any limitations on such grants or loans for any other purposes herein imposed, the commissioner shall annually allocate such amounts as may be necessary in the commissioner's discretion, and in accordance with section 3 of P.L.2004, c.140 (C.52:27D-287.3), to fund rental assistance grants under the program created pursuant to P.L.2004, c.140 (C.52:27D-287.1 et al.). Such rental assistance grants shall be deemed necessary and authorized pursuant to P.L.1985, c.222 (C.52:27D-301 et al.), in order to meet the housing needs of certain low income households who may not be eligible to occupy other housing produced pursuant to P.L.1985, c.222 (C.52:27D-301 et al.).

h. The department and the State Treasurer shall submit the "New Jersey Affordable Housing Trust Fund" for an audit annually by the State Auditor or State Comptroller, at the discretion of the Treasurer. In addition, the department shall prepare an annual report for each fiscal year, and submit it by November 30th of each year to the Governor and the Legislature, and the Joint Committee on Housing Affordability, or its successor, and post the information to its web site, of all activity of the fund, including details of the grants and loans by number of units, number and income ranges of recipients of grants or loans, location of the housing renovated or constructed using monies from the fund, the number of units upon which affordability controls were placed, and the length of those controls. The report also shall include details pertaining to those monies allocated from the fund for use by the State rental assistance program pursuant to section 3 of P.L.2004, c.140 (C.52:27D-287.3) and subsection g. of this section.
1662 CHAPTER 253, LAWS OF 2013

i. The commissioner may award or grant the amount of any appropriation deposited in the "New Jersey Affordable Housing Trust Fund" pursuant to section 41 of P.L.2009, c.90 (C.52:27D-320.1) to municipalities pursuant to the provisions of section 39 of P.L.2009, c.90 (C.40:55D-8.8).

50. Section 2 of P.L.1986, c.103 (C.52:27D-331) is amended to read as follows:

C.52:27D-331 Findings, declarations.
2. The Legislature finds and declares that: continuing care retirement communities are becoming an important and increasingly preferred alternative for the long-term residential, social and health care needs of New Jersey’s senior citizens; because senior citizens often expend a significant portion of their savings in order to purchase care in the retirement community and thereby expect to receive care at the retirement community for the rest of their lives, tragic consequences can result to senior citizens when a continuing care provider becomes insolvent or unable to provide responsible care; and there is a need for full disclosure concerning the terms of agreements made between prospective residents and the continuing care providers and the operations of the providers; therefore, it is the policy of this State that providers of continuing care shall register with and be monitored by the State Department of Community Affairs.

51. Section 19 of P.L.2004, c.120 (C.54:1-85) is amended to read as follows:

C.54:1-85 Distribution of funds; definitions.
19. a. (1) (Deleted by amendment, P.L.2013, c.253)
(2) (Deleted by amendment, P.L.2013, c.253)

The “Highlands Municipal Property Tax Stabilization Fund” is established in the General Fund as a special nonlapsing fund for the purpose of providing State aid to qualified municipalities pursuant to this section. There shall be credited each State fiscal year from the “Highlands Protection Fund” created pursuant to section 21 of P.L.2004, c.120 (C.13:20-19) to the Highlands Municipal Property Tax Stabilization Fund such sums as shall be necessary to provide State aid to qualified municipalities pursuant to this section. Every qualified municipality shall be eligible for a distribution from the fund pursuant to the provisions of this section.
c. The assessor of every qualified municipality shall certify to the county tax board on a form to be prescribed by the Director of the Division of Taxation in the Department of the Treasury, and on or before December
1 annually, a report of the assessed value of each parcel of vacant land in the base year and the change in the assessed value of each such parcel in the current tax year attributable to successful appeals of assessed values of vacant land to the county tax board pursuant to R.S.54:3-21 et seq. or attributable to a revaluation approved by the director and implemented or a reassessment approved by the county board of taxation. If a judgment or an appeal is overturned or modified, upon a final judgment an appropriate adjustment shall be made by the director in the payment of the entitlement due next following the judgment.

d. (1) Upon receipt of reports filed pursuant to subsection c. of this section, the county tax board shall compute and certify to the director on or before December 20 of each year, in such manner as to identify for each qualified municipality the aggregate decline, if any, in the true value of vacant land, comparing the current tax year to the base year. The aggregate changes so identified for each qualified municipality shall constitute its valuation base for purposes of this section.

(2) (Deleted by amendment, P.L.2013, c.253)

(3) (Deleted by amendment, P.L.2013, c.253)

e. The State Treasurer shall certify to each qualified municipality, on or before February 15, its property tax stabilization amount. A copy of the certified amounts shall be forwarded to the Director of the Division of Local Government Services in the Department of Community Affairs.

f. (1) The State Treasurer, upon warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, shall pay to each qualified municipality its entitlement as State aid from the sums available in the “Highlands Municipal Property Tax Stabilization Fund” in two equal installments pursuant to a schedule prescribed by the Division of Local Government Services.

(2) If the amount available in the “Highlands Municipal Property Tax Stabilization Fund” in any year is insufficient to pay the full amount to which each qualified municipality is entitled pursuant to this section, the payments shall be made on a pro rata basis.

(3) Notwithstanding any provisions of this section to the contrary, in the sixth, seventh, eighth, ninth, and tenth years of the State aid program created by this section, a qualified municipality shall be entitled to receive, respectively, 90%, 70%, 50%, 30%, and 10% of the sum it otherwise would have been paid pursuant to this subsection, and thereafter the program shall expire.

g. Any municipality receiving a certification from the State Treasurer pursuant to subsection e. of this section shall anticipate such sums in its
annual budget or any amendments or supplements thereto as a direct offset to the amount to be raised by taxation.

h. The Director of the Division of Taxation in reviewing the reports filed pursuant to subsection c. of this section may make such changes therein as the director deems necessary to ensure that the reports accurately reflect the change in the assessed value of vacant land.

i. The Director of the Division of Local Government Services shall make such changes in the budget of any qualified municipality to ensure that all sums received pursuant to this section are utilized as a direct offset to the amount to be raised by taxation and shall make such changes therein as the director deems necessary to ensure that the offset occurs.

j. Any sum received by a qualified municipality pursuant to this section shall not be considered as an exception or exemption under P.L.1976, c.68 (C.40A:4-45.1 et seq.).

56. Section 13 of P.L.1967, c.76 (C.55:13A-13) is amended to read as follows:

C.55:13A-13 Inspection; fees.

13. (a) Each multiple dwelling and each hotel shall be inspected at least once in every five years for the purpose of determining the extent to which each hotel or multiple dwelling complies with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated hereunder.

(b) Within 90 days of the most recent inspection, the owner of each hotel shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of inspection. Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this law. Said application shall be accompanied by a fee as follows: $15 per unit of dwelling space for the first 20 units of dwelling space in any building or project, $12 per unit of dwelling space for the 21st through 100th unit in any building or project, $8 per unit of dwelling space for the 101st through 250th unit in any building or project, and $5 per unit of dwelling space for all units over 250 in any building or project, except that in the case of hotels open and operating less than six months in each year the fee shall be one-half that which would otherwise be required. A certificate of inspection and the fees therefor shall not be required more often than once every five years.

Additionally, there shall be reinspection fees for hotels in the amount of $10 for each dwelling unit reinspected.

Within 90 days of the most recent inspection of any multiple dwelling occupied or intended to be occupied by three or more persons living independently of each other, the owner of each such multiple dwelling shall file with the commissioner, upon forms provided by the commissioner, an application for a certificate of inspection. Said application shall include such information as the commissioner shall prescribe to enforce the provisions of this law. Said application shall be accompanied by a fee of $33 per unit
of dwelling space for the first 7 units in any building or project, $21 per unit of dwelling space for the 8th through the 24th unit in any building or project, $18 per unit for the 25th through the 48th unit in any building or project, and $12 per unit of dwelling space for all units of dwelling space over 48 in any building or project, provided that the maximum total fee for owner-occupied three-unit multiple dwellings shall be limited to $65 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located, and the maximum total fee for owner-occupied four-unit multiple dwellings shall be limited to $80 for owners having a household income that is less than 80 percent of the median income for households of similar size in the county in which the multiple dwelling is located. A certificate of inspection and the fees therefor shall not be required more often than once every five years.

Additionally, there shall be reinspection fees for multiple dwellings in the amount of $40 for each dwelling unit reinspected, but only after the first reinspection.

The commissioner may waive the inspection fee for any unit upon a finding that the unit has been thoroughly inspected within the previous 12-month period under a municipal ordinance requiring inspection upon change of occupancy in accordance with the maintenance standards established by the commissioner under P.L.1967, c.76 (C.55:13A-1 et seq.), and has received a municipal certificate of occupancy as a result of that inspection.

If the commissioner finds that (1) a building has been thoroughly inspected prior to resale since the most recent inspection in accordance with this section, (2) the inspection prior to resale was conducted by the municipality in accordance with the maintenance standards established by the commissioner under P.L.1967, c.76 (C.55:13A-1 et seq.), and (3) a municipal certificate of occupancy was issued as a result of that inspection, the commissioner may accept the inspection done prior to resale in lieu of a current inspection under this section. If the commissioner accepts an inspection prior to resale in lieu of a current inspection, no fee shall be charged for any inspection done by the commissioner within five years after the date of the inspection so accepted.

(c) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling complies with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated hereunder, then the commissioner shall issue to the owner thereof, upon receipt of the application and fee as required by subsection (b) of this section, a certificate
of inspection. Any owner to whom a certificate of inspection is issued shall keep said certificate posted in a conspicuous location in the hotel or multiple dwelling to which the certificate applies. The certificate of inspection shall be in such form as may be prescribed by the commissioner.

The commissioner may, upon finding a consistent pattern of compliance with the maintenance standards established under P.L. 1967, c.76 (C.55:13A-1 et seq.) in at least 20 percent of the units in a building or project, issue a certificate of inspection for the building or project, in which case the inspection fee shall be charged on the basis of the number of units inspected.

The commissioner may by rule establish standards for self-inspection by condominium associations exercising control over buildings of not more than three stories, constructed after 1976, and certified by the local enforcing agency having jurisdiction as being in compliance with the Uniform Fire Code promulgated pursuant to P.L.1983, c.383 (C.52:27D-192 et seq.), in which at least 80 percent of the dwelling units are occupied by the unit owners. The commissioner shall issue a certificate of acceptance, which shall be in lieu of a certificate of inspection, upon acceptance of any such self-inspection and upon payment of a fee of $25.

(d) If the commissioner determines, as a result of the most recent inspection of any hotel or multiple dwelling as required by subsection (a) of this section, that any hotel or multiple dwelling does not comply with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated thereunder, then the commissioner shall issue to the owner thereof a written notice stating the manner in which any such hotel or multiple dwelling does not comply with P.L.1967, c.76 (C.55:13A-1 et seq.) or regulations promulgated thereunder. Said notice shall fix such date, not less than 60 days nor more than 180 days, on or before which any such hotel or multiple dwelling must comply with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated thereunder. If any such hotel or multiple dwelling is made to comply with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall issue to the owner thereof a certificate of inspection as described in subsection (c) of this section. If any such hotel or multiple dwelling is not made to comply with the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) and regulations promulgated thereunder on or before the date fixed in said notice, then the commissioner shall not issue to the owner thereof a certificate of inspection as described in subsection (c) of this section, and shall enforce the provisions of P.L.1967, c.76 (C.55:13A-1 et seq.) against the owner thereof.
(e) The commissioner shall annually review the cost of implementing and enforcing P.L.1967, c.76 (C.55:13A-1 et seq.), including the cost to municipalities of carrying out inspections pursuant to section 21 of P.L.1967, c.76 (C.55:13A-21), and shall establish by rule, not more frequently than once every three years, such fees as may be necessary to cover the costs of such implementation and enforcement; provided, however, that any increase or decrease shall be applied as a uniform percentage to each category of fee established herein, and provided, further, that the percentage amount of any increase shall not exceed the percentage increase in salaries paid to State employees since the then current fee schedule was established. The commissioner shall provide by rule to owners the option of paying inspection fees in installments in the form of an annual fee. The commissioner shall annually prepare and file with the presiding officers of the Senate and General Assembly and the legislative committees having jurisdiction in housing matters a report setting forth the amounts of fees and penalties received by the Bureau of Housing Inspection, the cost to the bureau of enforcing this act, and information concerning the productivity of the bureau. Copies of the report shall also be submitted to the Office of Administrative Law for publication in the New Jersey Register. If in any State fiscal year the fee revenue received by the bureau exceeds the cost of enforcement of P.L.1967, c.76 (C.55:13A-1 et seq.), the excess revenue shall be distributed pro rata to persons who paid inspection fees during that fiscal year. Such distribution shall be made within three months after the end of the fiscal year.

(f) Except as otherwise provided in section 2 of P.L.1991, c.179 (C.55:13A-26.1), the fees established by or pursuant to the provisions of this section are dedicated to meeting the costs of implementing and enforcing P.L.1967, c.76 (C.55:13A-1 et seq.) and shall not be used for any other purpose. All receipts in excess of $2,200,000 are hereby appropriated for the purposes of P.L.1967, c.76 (C.55:13A-1 et seq.).

C.30:1-2.3a State Board of Human Services; abolished, functions, powers, duties; transferred.

The agency shall not adopt the proposed rule until after the end of that 30-day extension.

The agency shall conduct a public hearing on the proposed rule at the request of a committee of the Legislature, or a governmental agency or subdivision, or if sufficient public interest is shown, provided such request is made to the agency within 30 days following publication of the proposed rule in the Register. (c) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 30 days' notice and states in writing its reasons for that finding, and the Governor concurs in writing that an imminent peril exists, the agency may proceed to adopt the rule without prior notice or hearing, or upon any abbreviated notice and hearing that it finds practicable. The agency shall publish, on its Internet website, a summary of any rule adopted pursuant to this subsection, and the statement of reasons for the agency's finding that an imminent peril exists. Any rule adopted pursuant to this subsection shall be effective

60 additional days. The rule shall not be effective for more than 120 days
unless repromulgated in accordance with normal rule-making procedures.

(d) No rule hereafter adopted is valid unless adopted in substantial

comments, or arguments, orally or in writing, on the proposed action, and
shall fully consider all written and oral submissions, including any written
submissions received by the agency through its e-mail systems or electronic
mailing lists. An agency may use informal conferences and consultations
as means of obtaining the viewpoints and advice of interested persons with
respect to contemplated rule-making. An agency may also appoint commit­
tees of experts or interested persons or representatives of the general public
to advise it with respect to any contemplated rule-making.

(f) An interested person may petition an agency to adopt a new rule, or
amend or repeal any existing rule. Such petition may be submitted to the
agency through mail, e-mail, electronic mailing list, or through any other

Upon conclusion of such further deliberations, the agency shall either deny the petition and provide a written statement of its reasons or grant the petition and initiate a rule-making proceeding within 90 days. Upon the receipt of the petition, the agency shall file a notice stating the name of the petitioner and the nature of the request with the Office of Administrative Law for publication in the New Jersey Register. Notice of formal agency action on such petition shall also be filed with the Office of Administrative Law for publication in the Register, and shall be made available for public viewing through publication on the agency's Internet website.

If an agency fails to act in accordance with the time frame set forth in the preceding paragraph, upon written request by the petitioner, the Director of the Office of Administrative Law shall order a public hearing on the rule-making petition and shall provide the agency with a notice of the director's intent to hold the public hearing if the agency does not. If the agency does not provide notice of a hearing within 15 days of the director's notice, the director shall schedule, and provide the public with a notice of, that hearing at least 15 days prior thereto. Hearing notice shall also be made available for public viewing through publication on the agency's Internet website. The petitioner and the agency shall participate in the public hearing and shall present a summary of their positions on the petition, a summary of the factual information on which their positions on the petition are based and shall respond to questions posed by any interested party. The hearing procedure shall otherwise be consistent with the requirements for the conduct of a public hearing as prescribed in subsection (g) of section 4 of P.L.1968, c.410 (C.52:14B-4), except that the person assigned to conduct the hearing shall make a report summarizing the factual record presented and the arguments for and against proceeding with a rule proposal based upon the petition. This report shall be filed with the agency and delivered or mailed to the petitioner. A copy of the report shall be filed with the Legislature along with the petition for rule-making.
(g) All public hearings shall be conducted by a hearing officer, who may be an official of the agency, a member of its staff, a person on assignment from another agency, a person from the Office of Administrative Law assigned pursuant to subsection o. of section 5 of P.L.1978, c.67 (C.52:14F-5) or an independent contractor. At the beginning of each hearing, or series of hearings, the agency, if it has made a proposal, shall present a summary of the factual information on which its proposal is based, and shall respond to questions posed by any interested party. Hearings shall be conducted at such times and in locations which shall afford interested parties the opportunity to attend. A verbatim record of each hearing shall be maintained, and copies of the record shall be available to the public at no more than the actual cost, which shall be that of the agency where the petition for rule-making originated.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.App.A:9-43.15 Definitions relative to emergency evacuation.

1. a. For the purposes of this act:

"Domestic companion animal" means any animal commonly referred to as a pet that was bought, bred, raised or otherwise acquired, in accordance with local ordinances and State and federal law, for the primary purpose of providing companionship to the owner, rather than for business or agricultural purposes. "Domestic companion animal" does not include livestock as defined in N.J.A.C. 2:2-1.1.
“Public transportation or public transportation service” means rail passenger service, motorbus regular route service, paratransit service, motorbus charter service, and ferry passenger service as defined in section 3 of P.L.1979, c.150 (C.27:25-3).

b. In the event that a state of emergency has been declared and an evacuation of any region of the State is in progress, the owner of a domestic companion animal shall be permitted to board any public transportation or public transportation service with the domestic companion animal so long as that animal is under the owner’s control by use of a leash or tether, or is properly confined in an appropriate container or by other suitable means, provided that such boarding is authorized by and consistent with the provisions of the State Emergency Operations Plan developed pursuant to paragraph (1) of subsection a. of section 18 of P.L.1989, c.222 (C.App.A:9-43.1) pertaining to the needs of animals and individuals with an animal under their care. The provisions of this act shall only apply to the owners of domestic companion animals who are evacuating from a region of the State affected by the emergency or local disaster emergency as defined in section 3 of P.L.1953, c.438 (C.App.A:9-33.1). A domestic companion animal may be refused permission to board any public transportation or public transportation service, even if the animal is under the owner’s control or properly confined in accordance with this subsection if there is reasonable cause to believe that, due to attendant circumstances, permitting the animal to board would pose a health or safety hazard.

c. All passengers with service animals shall be given priority seating on all means of transportation regulated by this act in accordance with the federal “Americans with Disabilities Act of 1990” (42 U.S.C. s.12101 et seq.). For the purposes of this act, “service animal” shall have the same meaning as set forth in the federal “Americans with Disabilities Act of 1990” (42 U.S.C. s.12101 et seq.) and any regulations under the act.

d. All passengers on any public transportation or public transportation service shall be provided seating before a domestic companion animal may be placed in a seat.

CHAPTER 266

AN ACT concerning the distribution of certain proceeds for standardbred and thoroughbred horse races, and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 44 of P.L.1940, c.17 (C.5:5-64) is amended to read as follows:

C.5:5-64 Distribution of parimutuel pools.

44. Each holder of a permit shall distribute all sums deposited in any pool where the patron is required to select one horse to the winners thereof, less an amount which in harness races shall not exceed 17% of the total deposits plus the breaks and which in other races shall not exceed 17% of the total deposits plus the breaks. In every pool where the patron is required to select two horses, the holder of each permit for either harness or running track shall distribute all sums deposited in each pool to the winners thereof, less an amount which shall not exceed 19% of the total deposits plus the breaks. In every pool where the patron is required to select three or more horses, every holder of a permit shall distribute all sums deposited in each pool to the winners thereof, less an amount which shall not exceed 25% of the total deposits plus the breaks. Every permitholder shall distribute to the persons holding winning tickets in any of the aforementioned pools, as a
minimum, a sum not exceeding $0.10, calculated on the basis of each dollar deposited in any pool after the deduction of the said 17%, 19% or 25%, as the case may be. Should the amount remaining in the pool be insufficient to pay the winners the minimum, the breakage accruing in that race, or any necessary portion thereof, shall be applied toward making up any such deficiency. The breaks are hereby defined as the odd cents over any multiple of $0.10, calculated on the basis of $1.00 otherwise payable to a patron. Every permitholder engaged in the business of conducting running race meetings under this act, except the New Jersey Sports and Exposition Authority established pursuant to P.L.1971, c.137 (C.5:10-1 et seq.) or a lessee of the authority, shall distribute as purse money the breaks as herein defined, except as the same shall have been applied toward making up a deficiency in a pool as herein provided. Every permitholder engaged in the business of conducting harness race meetings under this act, except the New Jersey Sports and Exposition Authority or a lessee of the authority, shall retain for his own uses and purposes 50% of the breaks as herein defined, except as the same shall have been applied toward making up a deficiency in the pool as herein provided, and shall distribute as purse money the remaining 50%. The New Jersey Sports and Exposition Authority or a lessee of the authority shall retain all breaks as revenue, except as the same shall have been applied toward making up a deficiency in a pool as herein provided.

Every permitholder shall submit to the commission every seventh day of any and every race meeting a report under oath showing the daily and total amount of such breaks, together with such other information as the commission may require. All sums held by any permitholder for payment of outstanding parimutuel tickets not claimed by the person or persons entitled thereto within six months from the time such tickets are issued shall be paid upon the expiration of such six-month holding period as follows:

a. In the case of running and harness races, beginning July 1, 1997 50% of those sums shall be paid to the racing commission for deposit in the general fund of the State and disposition in accordance with section 4 of P.L.1997, c.29 (C.5:5-68.1);

b. In the case of running races, 50% of those sums shall be paid to the commission and set aside in the special trust account established pursuant to section 46 b.(1)(e) and section 46 b.(2)(e) of P.L.1940, c.17 (C.5:5-66); and

c. In the case of harness races, 25% of those sums shall be retained by the permitholder to supplement purses for sire stakes races on which there is parimutuel wagering, and 25% shall be retained by the permitholder to supplement overnight purses unless otherwise provided by a contractual agreement authorized under section 11 of P.L.2013, c.266 (C.5:5-188).
Where it is shown to the satisfaction of the commission that the reason for the parimutuel tickets being outstanding and unclaimed is the loss, misplacement or theft of said tickets within the confines and control of the parimutuel department of any permitholder, and it is further shown to the satisfaction of the commission that said parimutuel tickets have been cashed by such parimutuel department, the commission may adjust and credit the permitholder's account accordingly and the permitholder shall reimburse any employee who has been held personally accountable and paid for such lost, stolen or misplaced tickets. All outstanding parimutuel ticket money shall be deposited in an account separate and apart from the track's mutuel or general treasury account. The outstanding parimutuel ticket account shall be subject to the rules and regulations prescribed by the Division of New Jersey Racing Commission.

2. Section 46 of P.L.1940, c.17 (C.5:5-66) is amended to read as follows:

C.5:5-66 Disposition of undistributed deposits.

46. Every permitholder engaged in the business of conducting horse race meetings under this act, except the New Jersey Sports and Exposition Authority established pursuant to P.L.1971, c.137 (C.5:10-1 et seq.) or a lessee of the authority, shall make disposition of the deposits remaining undistributed pursuant to section 44 of P.L.1940, c.17 (C.5:5-64) as follows:

(i) 42 1/2% thereof to increase purses and grant awards for starting horses, as provided or as may be provided by rules of the New Jersey Racing Commission, with payment to be made in the same manner as payment of other purses and awards, unless otherwise provided by a contractual agreement authorized under section 11 of P.L.2013, c.266 (C.5:5-188);

The formula for distribution of the purse money as either overnight purses or special stakes shall be determined by an agreement between the Standardbred Breeders' and Owners' Association of New Jersey and the authority or a lessee of the authority. Notwithstanding the foregoing, for pools where the patron is required to select two or more horses, the authority or a lessee of the authority shall distribute as purse money 5.6175%, or in the case of races on a charity racing day 5.5%, of the total contributions and for pools where the patron is required to select three or more horses, the authority or a lessee of the authority shall distribute as purse money 7.1175%, or in the case of races on a charity racing day 7%, of the total contributions. (b) Distribute as purse money and for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association $4.475\%$, or in the case of races on a charity racing day $4.24\%$, of such total contributions. Expenditures for programs designed to aid the horsemen and the New Jersey Thoroughbred Horsemen's Association shall not exceed $2.9\%$ of the sum available for distribution as purse money. The formula for distribution of the purse money as either overnight purses or special stakes shall be determined by an agreement between the New Jersey Thoroughbred Horsemen's Association and the authority or a lessee of the authority. The New Jersey thoroughbred award program shall be administered and disbursed by the Thoroughbred Breeders' Association of New Jersey subject to the approval of the commission. (d) In the case of races on a racing day other than a charity racing day, distribute to the Thoroughbred Breeders' Association of New Jersey .02% of such total contributions.

(e) In the case of races on a racing day other than a charity racing day, distribute to the Backstretch Benevolency Programs Fund created pursuant to P.L.1993, c.15 (C.S:S-44.8) .01% of such total contributions.

All amounts remaining in parimutuel pools, including the breaks, after such distribution and payments shall constitute revenues of the authority or a lessee of the authority. Except as otherwise expressly provided in this section 7, the authority or a lessee of the authority shall not be required to make any payments to the Racing Commission or others in connection with contributions to parimutuel pools.
g. All sums held by the authority or a lessee of the authority for payment of outstanding parimutuel tickets not claimed by the person or persons entitled thereto within the time provided by law shall be paid upon the expiration of such time, without further obligation to such ticketholder, as follows:

h. No admission or amusement tax, excise tax, license or horse racing fee of any kind shall be assessed or collected from the authority or a lessee of the authority by the State of New Jersey, or by any county or municipality, or by any other body having power to assess or collect license fees or taxes.

i. Any horse race meeting and the parimutuel system of wagering upon the results of horse races held at such race meeting shall not under any circumstances, if conducted as provided in the act and in conformity thereto, be held or construed to be unlawful, other statutes of the State to the contrary notwithstanding.

j. Each employee of the authority or a lessee of the authority engaged in the conducting of horse race meetings shall obtain the appropriate license from the Racing Commission, subject to the same terms and conditions as is required of similar employees of other permitholders. The Racing Commission may suspend any member of the authority upon approval of the Governor and the license of any employee of the authority or a lessee of the authority in connection with the conducting of horse race meetings, pending a hearing by the Racing Commission, for any violation of the New Jersey laws regulating horse racing or any rule or regulation of the commission. Such hearing shall be held and conducted in the manner provided in said laws.

k. Notwithstanding any other provision of law, rule, or regulation to the contrary, if the authority shall enter into an agreement with a private entity to lease a racetrack facility it owns to that entity, it may further agree
with that entity to jointly operate the facility during a transitional period. The transitional period shall only last:

(1) until the private entity lessee has been fully licensed by the New Jersey Racing Commission and has received all necessary permits to conduct future horse race meetings at the racetrack in the manner and subject to compliance with the standards set forth in P.L.1940, c.17 (C.5:5-22 et seq.), and the rules, regulations, and conditions prescribed by the New Jersey Racing Commission thereunder; or

(2) for one year from the date that the lease agreement is signed, whichever is shorter.

The New Jersey Racing Commission may extend the transitional period for a reasonable time frame beyond one year from the date that the lease agreement is signed, however under no circumstances can the transitional period extend beyond two years from the date that the lease agreement is signed. At the expiration of the transitional period and any extension granted by the New Jersey Racing Commission, the private entity lessee shall be required to have obtained all the necessary permits and licenses in the manner and subject to compliance with the standards set forth in P.L.1940, c.17 (C.5:5-22 et seq.), and the rules, regulations, and conditions prescribed by the New Jersey Racing Commission thereunder. During this transitional period, the private entity lessee shall be permitted to conduct horse race meetings and wagering through its own employees or through the authority's employees, provided that the authority or the private entity lessee holds a permit issued pursuant to section 30 of P.L.1940, c.17 (C.5:5-50). During this transitional period, the authority may also assign any portion of the proceeds it receives from the operation of the leased racetrack to the private entity lessee. During the transitional period, the private entity lessee and the authority must remain, at all times, in compliance with P.L.1940, c.17 (C.5:5-22 et seq.), except that the private entity need not obtain a permit pursuant to section 30 of P.L.1940, c.17 (C.5:5-50) if the authority has been granted one by the New Jersey Racing Commission.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-12.75 Findings, declarations relative to pediatric respite care facilities.

1. The Legislature finds and declares that:

a. Many children in the State with limited life expectancies or complex, life-limiting illnesses receive care at pediatric medical day care facilities, but the families of these children remain responsible for the overall care of their children and become overwhelmed because they lack the built-in breaks typically available to most families;
b. Inadequate support services exist to provide respite for families responsible 24 hours per day for children with limited life expectancies or complex, life-limiting illnesses;

c. Community-based, comprehensive, family-centered pediatric respite care facilities established in other states have been shown to enhance the quality of life for children with limited life expectancies or complex, life-limiting illnesses and for their families by providing curative care when possible, pediatric palliative care, respite care, hospice care, and bereavement services, and by addressing their psychological, and spiritual needs; and

d. Similar pediatric respite care facilities should be authorized to operate in this State, and in order to ensure that children and their families receive the best possible support, it is appropriate that these facilities be licensed by the Department of Health.

C.26:2H-12.76 “Pediatric respite care facility” defined.

2. For purposes of this act, “pediatric respite care facility” means a facility licensed by the Department of Health that provides home-like care in a facility for two weeks or less of respite care, or as necessary for end-of-life care or as medically necessary for children up to age 21 with limited life expectancies or complex, life-limiting illnesses and support for their families, and employs an interdisciplinary team to assist in providing curative care treatment when possible, palliative care, and supportive services to meet the physical, emotional, spiritual, social, and economic needs of children and their families during illness, as well as during dying and bereavement if no cure is attained. A “pediatric respite care facility” shall also mean a pediatric long-term care facility licensed in accordance with N.J.A.C. 8:33H-1.5.

C.26:2H-12.77 Application for licensure.

3. An entity may apply to the Commissioner of Health for a license to establish a pediatric respite care facility in the State. In addition to any other requirements set forth by the Commissioner of Health, an applicant shall be required to provide the following:

a. criminal history record background checks of each staff member and administrator of the facility;

b. payment of any reasonable fees for the issuance or renewal of licenses as determined by the commissioner; and

c. documentation of compliance with standards and policies established by the commissioner regarding:

(1) the core services to be provided;

(2) professional personnel requirements;
(3) standards of patient care; and
(4) administration of the facility.

The provisions of this section shall not apply to pediatric long-term care facilities licensed in accordance with N.J.A.C.8:33H-1.5.

C.26:2H-12.78 Rules, regulations.
4. The Commissioner of Health, in consultation with the Commissioners of Human Services and Children and Families, shall adopt such rules and regulations, in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), as the commissioner deems necessary to effectuate the purposes of this act.

5. This act shall take effect on the first day of the seventh month next following the date of enactment, but the commissioner may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

A person so appointed shall not have to be executor of the will. The funeral and disposition may occur prior to probate of the will, in accordance with section 40 of P.L.2003, c.261 (C.3B:10-21.1).
In the case of an active duty service member who died while on active duty in any branch or component of the United States Armed Forces, including the New Jersey National Guard called to federal active duty, the person designated by the decedent as authorized to direct disposition, as listed on the decedent's United States Department of Defense Record of Emergency Data, DD Form 93, or its successor form, shall be the person appointed to control the funeral and disposition of the remains of the decedent.

The cemetery shall not be liable for disposition pursuant to this authorization unless it had reasonable notice that the person did not have the right to control the disposition.

c. A cemetery shall not bury human remains of more than one person in a grave unless:

(1) directions have been given for the burials in accordance with this section on behalf of all persons so buried; or
(2) the rights to be buried in the grave were sold by the cemetery with explicit provision allowing separate sales of rights to burial at different depths in the grave.

d. The person shall be liable for damages caused by a false statement or breach of warranty. A cemetery or funeral director shall not be liable for disposition in accordance with the authorization unless it had reasonable notice that the representations were untrue or that the person lacked the right to control the disposition.

e. An action against a cemetery company relating to the disposition of human remains left in its temporary custody may not be brought more than one year from the date of delivery of the remains to the cemetery company unless otherwise provided by a written contract.

Facilitate the electronic notification, upon completion of the death record and issuance of a burial permit, of the decedent’s name, Social Security number and last known address to the Department of Labor and Workforce Development and the Department of Human Services to safeguard public benefit programs and diminish the criminal use of a decedent’s name and other identifying information.

2. Section 16 of P.L.2003, c.221 (C.26:8-24.1) is amended to read as follows:

C.26:8-24.1 New Jersey Electronic Death Registration System (NJ-EDRS); implementation.
16. a. The State registrar shall establish and maintain the New Jersey Electronic Death Registration System or NJ-EDRS.
   (1) The system shall be fully implemented no later than 18 months after the date of enactment of P.L.2003, c.221, and shall be the required means of death registration and certification for any death or fetal death occurring in this State, subject to any exception that may be approved by the State registrar in the case of a specific death or fetal death. All participants in the death registration process, including, but not limited to, the State registrar, local registrars, deputy registrars, alternate deputy registrars, subregistrars, the State medical examiner, county medical examiners, funeral directors, attending physicians and resident physicians, licensed health care facilities, and other public or private institutions providing medical care, treatment or confinement to persons, shall be required to util-
ize the NJ-EDRS to provide the information that is required of them by statute or regulation.

(2) The State registrar may provide for a phased implementation of the system, beginning seven months after the date of enactment of P.L.2003, c.221, by requiring certain users, who are designated by the State registrar on a geographic or other basis for this purpose, to commence utilization of the system.

(3) Beginning no later than six months after the date of enactment of P.L.2003, c.221, the State registrar shall authorize and provide material support, in the form of system access, curriculum guidelines and user registration capability and authority, to the principal trade associations or professional organizations representing persons affected by implementation of the NJ-EDRS, for the purposes of providing training and education with regard to the NJ-EDRS. The State registrar may conduct such education and training, or authorize other entities to do so on his behalf; however, these activities shall not be construed as restricting the training and education activities of any affected trade association or professional organization, including the location, manner, fees or other means of conducting those activities on the part of the association or organization.

b. The NJ-EDRS shall, at a minimum, provide for:

(1) the direct transmission of burial permit documentation to the originating funeral home in an electronic form capable of output to a local printer;

(2) an overnight mail system for the delivery of NJ-EDRS-generated death certificates by the State registrar and local registrars, the cost of which shall be chargeable to the funeral director of record;

(3) an automated notification system to alert other responsible parties to pending cases, including notification to or from alternate local registrars;

(4) a systematic electronic payment method by which all fees are taken from accounts for which funeral homes are financially responsible and distributed, as appropriate, to the State registrar or local registrars as payment for the issuance of permits, the recording of records, the making of certified copies of death certificates, or for other charges that may be incurred;

(5) a legally binding system of digital authentication in lieu of signatures for the responsible parties and a means of assuring database security that permits users to enter the system from multiple sites and includes contemporaneous and remote data security methods to protect the system from catastrophic loss or intrusions, as well as a method of data encryption for transmission;

(6) the capacity for authorized users to retrieve data comprising the death certification record;

(7) the capacity to electronically amend and correct death records;
(8) electronic notification, upon completion of the death record and issuance of a burial permit, of the decedent's name, Social Security number and last known address and the informant to: the federal Social Security Administration, the U.S. Citizenship and Immigration Services, the Division of Medical Assistance and Health Services in the Department of Human Services, the Department of Labor and Workforce Development and such other governmental agencies as the State registrar determines will substantially contribute to safeguarding public benefit programs and diminish the criminal use of a decedent's name and other identifying information; and the New Jersey State Funeral Directors Association, in the case of a decedent participating in one of its funeral expense payment programs, in such a manner as to enable it to fulfill its fiduciary obligations for the payment of the decedent's final funeral and burial expenses;

(9) sufficient data documentation to meet contemporary and emerging standards and expectations of vital record archiving; and

(10) continuous 24-hour-a-day technical support for all authorized users of the system.

c. A provider of information that is required to complete a death certificate, or who is subject to the provisions of law governing the NJ-EDRS, shall not be deemed to be acting as a local registrar, deputy registrar, alternate deputy registrar or subregistrar solely by virtue of permitting other providers of information to gain access to the NJ-EDRS by using those other providers' identifying information.

3. Section 18 of P.L.2003, c.221 (C.26:8-24.3) is amended to read as follows:

The State Medical Examiner, the Commissioner of Labor and Workforce Development or his designee, and each county medical examiner, health care facility, institution, funeral home or physician's office shall employ at least one person who is qualified to use the NJ-EDRS, and is regis-
tered with the State registrar as an authorized user of the system, by virtue of completing a course of instruction on the NJ-EDRS provided by the State registrar or an authorized agent thereof, or satisfying such other requirements as may be established by the State registrar for this purpose.

The employer's account shall not be charged for the amount of an overpayment of benefits if the overpayment was caused by an error of the division and not by any error of the employer. The sum shall be deducted from any future benefits payable to the individual under this chapter (R.S.43:21-1 et seq.) or shall be paid by the individual to the division for the unemployment compensation fund, and such sum shall be collectible in the manner provided for by law, including, but not limited to, the filing of a certificate of debt with the Clerk of the Superior Court of New Jersey; provided, however, that, except in the event of fraud, no person shall be liable for any such refunds or deductions against future benefits unless so notified before four years have elapsed from the time the benefits in question were paid. Such person shall be promptly notified of the determination and the reasons therefor. The fine upon conviction shall be payable to the unemployment compensation auxiliary fund. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-l et seq.).

(2) Any employing unit, officer or agent of the employing unit, or any other person, who knowingly violates, or attempts to violate, or advise another person to violate the transfer of employment experience provisions found at R.S.43:21-7 (c)(7) shall be, upon conviction before any Superior Court or municipal court, guilty of a crime of the fourth degree. For the purposes of this subsection, "knowingly" means having actual knowledge of, or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(f) Any employing unit or any officer or agent of an employing unit or any other person who aids and abets any person to obtain any sum of benefits under this chapter to which he is not entitled, or a larger amount as benefits than that to which he is justly entitled, shall be liable for each offense upon conviction before any Superior Court or municipal court, to a fine not to exceed $1,000.00 or by imprisonment for a term not to exceed 90 days, or both, at the discretion of the court. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-l et seq.).
(g) There shall be created in the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey an investigative staff for the purpose of investigating violations referred to in this section and enforcing the provisions thereof.

(h) An employing unit or any officer or agent of an employing unit who makes a false statement or representation, knowing it to be false, or who knowingly fails to disclose a material fact, to reduce benefit charges to the employing unit pursuant to paragraph (1) of subsection (c) of R.S.43:21-7, shall be liable to a fine of $1,000, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14. The fine when recovered shall be paid to the unemployment compensation auxiliary fund for the use of the fund. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.2012, c.50 (C.42:2C-8) is amended to read as follows:

C.42:2C-8 Name.

8. Name.

a. The name of a limited liability company shall contain the words "limited liability company" or the abbreviation "L.L.C." or "LLC". "Limited" may be abbreviated as "Ltd.", and "company" may be abbreviated as "Co.".

b. Unless authorized by subsection d. of this section, the name of a limited liability company shall be distinguishable in the records of the filing office from:

(1) the name of each person that is not an individual and that is incorporated, organized, or authorized to transact business in this State; and

(2) each name reserved under section 10 of this act.

c. Furthermore, the name of a limited liability company shall not contain any word or phrase, or any abbreviation or derivative thereof, the use of which is prohibited or restricted by any other statute of this State, unless the limited liability company has complied with the restrictions.

d. A limited liability company may apply to the filing office for authorization to use a name that does not comply with subsection b. of this section. The filing office shall authorize use of the name applied for if, as to each noncomplying name:

(1) the present user, registrant, or owner of the noncomplying name consents in a signed record to the use and submits an undertaking in a form satisfactory to the filing office to change the noncomplying name to a name that complies with subsection b. of this section and is distinguishable in the records of the filing office from the name applied for; or

(2) the applicant delivers to the filing office a certified copy of the final judgment of a court establishing the applicant's right to use in this State the name applied for.

e. Subject to section 61, the provisions of this act shall apply to a foreign limited liability company transacting business in this State which has a certificate of authority to transact business in this State or which has applied for a certificate of authority.
2. Section 11 of P.L. 2012, c.50 (C.42:2C-11) is amended to read as follows:

C.42:2C-11 Operating agreement; scope, function, and limitations.
  11. Operating Agreement; Scope, Function, and Limitations.
   a. Except as provided in subsections b. and c. of this section, the operating agreement governs:
      (1) relations among the members as members and between the members and the limited liability company;
      (2) the rights and duties under this act of a person in the capacity of manager;
      (3) the activities of the company and the conduct of those activities; and
      (4) the means and conditions for amending the operating agreement.
   b. To the extent the operating agreement does not otherwise provide for a matter described in subsection a. of this section, this act governs the matter.
   c. An operating agreement may not:
      (1) vary a limited liability company's capacity under section 5 of this act to sue and be sued in its own name;
      (2) vary the law applicable under section 6 of this act;
      (3) vary the power of the court under section 21 of this act;
      (4) subject to subsections d. through g. of this section, eliminate the duty of loyalty, the duty of care, or any other fiduciary duty;
      (5) subject to subsections d. through g. of this section, eliminate the contractual obligation of good faith and fair dealing under subsection d. of section 39 of this act;
      (6) unreasonably restrict the duties and rights stated in section 40 of this act;
      (7) vary the power of a court to decree dissolution in the circumstances specified in paragraphs (4) and (5) of subsection a. of section 48 of this act;
      (8) vary the requirement to wind up a limited liability company's business as specified in subsection a. and paragraph (1) of subsection b. of section 49 of this act;
      (9) unreasonably restrict the right of a member to maintain an action under Article 9 (sections 67 through 72 of this act);
      (10) restrict the right to approve a merger, conversion, or domestication under section 86 of this act to a member that will have personal liability with respect to a surviving, converted, or domesticated organization; or
(11) except as otherwise provided in subsection b. of section 13 of this act, restrict the rights under this act of a person other than a member or manager.

d. If not manifestly unreasonable, the operating agreement may:
   (1) restrict or eliminate the duty:
      (a) as required in paragraph (1) of subsection b. and subsection i. of section 39 of this act, to account to the limited liability company and to hold as trustee for it any property, profit, or benefit derived by the member in the conduct or winding up of the company's business, from a use by the member of the company's property, or from the appropriation of a limited liability company opportunity;
      (b) as required in paragraph (2) of subsection b. and subsection i. of section 39 of this act, to refrain from dealing with the company in the conduct or winding up of the company's business as or on behalf of a party having an interest adverse to the company; and
      (c) as required by paragraph (3) of subsection b. and subsection i. of section 39 of this act, to refrain from competing with the company in the conduct of the company's business before the dissolution of the company;
   (2) identify specific types or categories of activities that do not violate the duty of loyalty;
   (3) alter the duty of care, except to authorize intentional misconduct or knowing violation of law;
   (4) alter any other fiduciary duty, including eliminating particular aspects of that duty; and
   (5) prescribe the standards by which to measure the performance of the contractual obligation of good faith and fair dealing under subsection d. and subsection i. of section 39 of this act.

e. The operating agreement may specify the method by which a specific act or transaction that would otherwise violate the duty of loyalty may be authorized or ratified by one or more disinterested and independent persons after full disclosure of all material facts.

f. To the extent the operating agreement of a member-managed limited liability company expressly relieves a member of a responsibility that the member would otherwise have under this act and imposes the responsibility on one or more other members, the operating agreement may, to the benefit of the member that the operating agreement relieves of the responsibility, also eliminate or limit any fiduciary duty that would have pertained to the responsibility.

g. The operating agreement may alter or eliminate the indemnification for a member or manager provided by section 38 of this act and may elimi-
nate or limit a member's or manager's liability to the limited liability company and members for money damages, except for:

(1) breach of the duty of loyalty;

(2) a financial benefit received by the member or manager to which the member or manager is not entitled;

(3) a breach of a duty under section 36 of this act;

(4) intentional infliction of harm on the company or a member; or

(5) an intentional violation of criminal law.

h. The court shall decide any claim under subsection d. of this section that a term of an operating agreement is manifestly unreasonable. The court:

(1) shall make its determination as of the time the challenged term became part of the operating agreement and by considering only circumstances existing at that time; and

(2) may invalidate the term only if, in light of the purposes and activities of the limited liability company, it is readily apparent that:

(a) the objective of the term is unreasonable; or

(b) the term is an unreasonable means to achieve the provision's objective.

i. This act is to be liberally construed to give the maximum effect to the principle of freedom of contract and to the enforceability of operating agreements.

3. Section 13 of P.L.2012, c.50 (C.42:2C-13) is amended to read as follows:

C.42:2C-13 Operating agreement; effect on third parties and relationship to records effective on behalf of limited liability company.

13. Operating Agreement; Effect on Third Parties and Relationship to Records Effective on Behalf of Limited Liability Company.

a. An operating agreement may specify that its amendment requires the approval of a person that is not a party to the operating agreement or the satisfaction of a condition. An amendment is ineffective if its adoption does not include the required approval or satisfy the specified condition.

b. The obligations of a limited liability company and its members to a person in the person's capacity as a transferee or dissociated member are governed by the operating agreement. An amendment to the operating agreement made after a person becomes a transferee or dissociated member is effective with regard to any debt, obligation, or other liability of the limi-
limited liability company or its members to the person in the person's capacity as a transferee or dissociated member.

c. If a record that has been delivered by a limited liability company to the filing office for filing and has become effective under this act contains a provision that would be ineffective under subsection c. of section 11 of this act, if contained in the operating agreement, the provision is likewise ineffective in the record.

d. Subject to subsection c. of this section, if a record that has been delivered by a limited liability company to the filing office for filing and has become effective under this act conflicts with a provision of the operating agreement:

   (1) the operating agreement prevails as to members, dissociated members, transferees, and managers; and

   (2) the record prevails as to other persons to the extent they reasonably rely on the record.

4. Section 34 of P.L.2012, c.50 (C.42:2C-34) is amended to read as follows:

C.42:2C-34 Sharing of and right to distributions before dissolution.

34. Sharing of and Right to Distributions before Dissolution.

a. Any distributions made by a limited liability company before its dissolution and winding up shall be in equal shares among members and dissociated members, except to the extent necessary to comply with any transfer effective under section 42 and any order in effect under section 43 of this act.

b. A person has a right to a distribution before the dissolution and winding up of a limited liability company only if the company decides to make an interim distribution. A person's dissociation does not entitle the person to a distribution.

c. A person does not have a right to demand or receive a distribution from a limited liability company in any form other than money. Except as otherwise provided in subsection c. of section 56 of this act, a limited liability company may distribute an asset in kind if each part of the asset is fungible with each other part and each person receives a percentage of the asset equal in value to the person's share of distributions.

d. If a member or transferee becomes entitled to receive a distribution, the member or transferee has the status of, and is entitled to all remedies available to, a creditor of the limited liability company with respect to the distribution.
5. Section 42 of P.L.2012, c.50 (C.42:2C-42) is amended to read as follows:

C.42:2C-42 Transfer of Transferable Interest.
42. Transfer of Transferable Interest.
   a. A transfer, in whole or in part, of a transferable interest:
      (1) is permissible;
      (2) does not by itself cause a member's dissociation or a dissolution
          and winding up of the limited liability company's activities; and
      (3) subject to section 44 of this act, does not entitle the transferee to:
          (a) participate in the management or conduct of the company's activities;
          or
          (b) except as otherwise provided in subsection c. of this section, have
              access to records or other information concerning the company's activities.
   b. A transferee has the right to receive, in accordance with the transfer,
      distributions to which the transferor would otherwise be entitled.
   c. In a dissolution and winding up of a limited liability company, a
      transferee is entitled to an account of the company's transactions only from
      the date of dissolution.
   d. A transferable interest may be evidenced by a certificate of the interest
      issued by the limited liability company in a record, and, subject to
      this section, the interest represented by the certificate may be transferred by
      a transfer of the certificate.
   e. A limited liability company need not give effect to a transferee's
      rights under this section until the company has notice of the transfer.
   f. A transfer of a transferable interest in violation of a restriction on
      transfer contained in the operating agreement is ineffective as to a person
      having notice of the restriction at the time of transfer.
   g. Except as otherwise provided in paragraph (2) of subsection d. of
      section 46 of this act, when a member transfers a transferable interest, the
      transferor retains the rights of a member other than the interest in distributions
      transferred and retains all duties and obligations of a member.
   h. When a member transfers a transferable interest to a person that
      becomes a member with respect to the transferred interest, the transferee is
      liable for the member's obligations known to the transferee when the trans-
      feree becomes a member.

6. Section 43 of P.L.2012, c.50 (C.42:2C-43) is amended to read as follows:
CHAPTER 276, LAWS OF 2013

C.42:2C-43 Rights of judgment creditor of a member.

43. Rights of Judgment Creditor of a Member.

On application by a judgment creditor of a member, a court may charge the transferable interest of the member with payment of the unsatisfied amount of the judgment with interest. To the extent so charged, the judgment creditor has only the rights of an assignee of the limited liability company interest. An action by a court pursuant to this section does not deprive any member of the benefit of any exemption laws applicable to his transferable interest. A court order charging the transferable interest of a member pursuant to this section shall be the sole remedy of a judgment creditor, who shall have no right under 42:2C-1 et seq. or any other State law to interfere with the management or force dissolution of a limited liability company or to seek an order of the court requiring a foreclosure sale of the transferable interest. Nothing in this section shall be construed to affect in any way the rights of a judgment creditor of a member under federal bankruptcy or reorganization laws.

7. Section 46 of P.L.2012, c.50 (C.42:2C-46) is amended to read as follows:

C.42:2C-46 Events causing dissociation.

46. Events Causing Dissociation. A person is dissociated as a member from a limited liability company when:

a. The company has notice of the person's express will to withdraw as a member, but, if the person specified a withdrawal date later than the date the company had notice, on that later date;

b. An event stated in the operating agreement as causing the person's dissociation occurs;

c. The person is expelled as a member pursuant to the operating agreement;

d. The person is expelled as a member by the unanimous consent of the other members if:

   (1) it is unlawful to carry on the company's activities with the person as a member,

   (2) there has been a transfer of all of the person's transferable interest in the company, other than:

      (a) a transfer for security purposes; or
      (b) an order in effect under section 43 of this act;

   (3) the person is a corporation and, within 90 days after the company notifies the person that it will be expelled as a member because the person
has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, the certificate of dissolution has not been revoked or its charter or right to conduct business has not been reinstated; or
(4) the person is a limited liability company or partnership that has been dissolved and whose business is being wound up;

c. On application by the company, the person is expelled as a member by judicial order because the person:
   (1) has engaged, or is engaging, in wrongful conduct that has adversely and materially affected, or will adversely and materially affect, the company's activities;
   (2) has willfully or persistently committed, or is willfully and persistently committing, a material breach of the operating agreement or the person's duties or obligations under section 39 of this act; or
   (3) has engaged, or is engaging, in conduct relating to the company's activities which makes it not reasonably practicable to carry on the activities with the person as a member;

f. In the case of a person who is an individual:
   (1) the person dies; or
   (2) in a member-managed limited liability company:
      (a) a guardian or general conservator for the person is appointed; or
      (b) there is a judicial order that the person has otherwise become incapable of performing the person's duties as a member under this act or the operating agreement;

h. In the case of a person that is a trust or is acting as a member by virtue of being a trustee of a trust, the trust's entire transferable interest in the company is distributed;

i. In the case of a person that is an estate or is acting as a member by virtue of being a personal representative of an estate, the estate's entire transferable interest in the company is distributed;

j. In the case of a member that is not an individual, partnership, limited liability company, corporation, trust, or estate, the termination of the member;
k. The company participates in a merger under Article 10 (sections 73 through 87 of this act) if:
   (1) the company is not the surviving entity; or
   (2) otherwise as a result of the merger, the person ceases to be a member;

l. The company participates in a conversion under Article 10 (sections 73 through 87 of this act);

m. The company participates in a domestication under Article 10 (sections 73 through 87 of this act), if, as a result of the domestication, the person ceases to be a member; or

n. The company terminates.

8. Section 56 of P.L.2012, c.50 (C.42:2C-56) is amended to read as follows:

C.42:2C-56 Distribution of assets in winding up limited liability company’s activities.

a. In winding up its activities, a limited liability company shall apply its assets to discharge its obligations to creditors, including members that are creditors.

b. After a limited liability company complies with subsection a. of this section, any surplus shall be distributed in the following order, subject to any order in effect under section 43 of this act:
   (1) to each person owning a transferable interest that reflects contributions made by a member and not previously returned, an amount equal to the value of the unreturned contributions; and
   (2) in equal shares among members and dissociated members, except to the extent necessary to comply with any transfer effective under section 42 of this act.

c. If a limited liability company does not have sufficient surplus to comply with paragraph (1) of subsection b. of this section, any surplus shall be distributed among the owners of transferable interests in proportion to the value of their respective unreturned contributions.

d. All distributions made under subsections b. and c. of this section shall be paid in money.

9. Section 91 of P.L.2012, c.50 (C.42:2C-91) is amended to read as follows:

C.42:2C-91 Application to existing relationships.

91. Application to Existing Relationships.
a. Before March 1, 2014, this act governs only:
   (1) a limited liability company formed on or after the effective date of this act; and
   (2) a limited liability company formed before the effective date of this act, which elects, in the manner provided in its operating agreement or by law for amending the operating agreement, to be subject to this act.

b. On and after March 1, 2014, this act governs all limited liability companies.

10. Section 95 of P.L.2012, c.50 is amended to read as follows:

Repeals.

11. This act shall take effect immediately, and shall be retroactive to September 19, 2012.

Approved January 17, 2014.

CHAPTER 277

AN ACT establishing a school security position pilot program and supplementing chapter 41 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:41-8 Establishment of school security position pilot program.

1. a. The Commissioner of Education shall establish a three-year pilot program that provides for the training and placement of veterans in school security positions available in school districts. The purpose of the pilot program shall be to increase school security by utilizing the skills of veterans.

b. The commissioner, in consultation with the Attorney General, shall establish policies and procedures for the recruitment, selection, and training of veterans eligible to participate in the pilot program, and for matching the selected veterans to school security positions available in school districts. The policies shall evaluate the level of skills, training, experience, fitness,
and other qualifications deemed necessary for a veteran to serve in a school security position.

Notwithstanding the provisions of P.L.2004, c.134 (C.45:19A-1 et seq.) or P.L.2005, c.276 (C.52:17B-71.8 et al.) to the contrary, the commissioner may utilize the education and training program for security officers established pursuant to section 5 of the "Security Officer Registration Act," P.L.2004, c.134 (C.45:19A-5) or the training for safe schools resource officers and school liaisons to law enforcement developed pursuant to section 2 of P.L.2005, c.276 (C.52:17B-71.8), to train eligible veterans for school security positions under the pilot program.

c. A school district that wants to participate in the pilot program shall submit an application to the commissioner in such form as required by the commissioner. The school district, as part of the application, shall include information on the security needs of the school district, the number of school security positions at each school, the rate of turnover in these positions, and other information as required by the commissioner.

d. The commissioner shall select up to 12 school districts for participation in the pilot program. The commissioner shall select districts in the northern, central, and southern regions of the State and shall seek a cross section of school districts from urban, suburban, and rural areas of the State. The selected school districts may include, but shall not be limited to, Making Our Schools Safe Districts as designated under the Department of Education's Safer Schools for a Better Tomorrow initiative.

In selecting the pilot school districts, the commissioner shall consider the security needs of the district as reflected in the data reported in the commissioner's annual report on violence, vandalism, and harassment, intimidation, or bullying in the public schools, as required under section 3 of P.L.1982, c.163 (C.18A:17-48).

e. Three years following the establishment of the pilot program, the commissioner shall submit a report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1). The report shall contain information on the implementation of the pilot program, the effectiveness of veterans in school security positions, and the recommendations of the commissioner and the Attorney General on the advisability of continuing, expanding, or modifying the program.

2. This act shall take effect immediately.

Approved January 17, 2014.
AN ACT concerning alternate operator telephone service providers and amending P.L.1995, c.172.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1995, c.172 (C.48:2-21.22) is amended to read as follows:

C.48:2-21.22 Findings, declarations relative to AOS providers.
1. The Legislature finds and declares that:
   a. In 1991, the Legislature acted to exempt competitive telecommunications services from traditional public utility regulation upon a finding that this type of regulation is generally not necessary to protect the public interest in the competitive marketplace. However, in its report to the Governor and Legislature on the implementation of P.L.1991, c.428 (C.48:2-21.16 et seq.) the Board of Public Utilities found that where a captive market exists for competitive telecommunications services, market conditions are not always able to protect the public interest.
   b. In particular, the board received many complaints concerning "alternate operator service" providers, which provide operator assistance for collect, third-party billed, and credit card calls, usually at pay phones on the premises of hotels, restaurants, hospitals, or airports, with these establishments receiving a commission for calls placed through the alternate operator service arrangement. Given the provisions of P.L.1991, c.428 (C.48:2-21.16 et seq.), there has been some debate on the extent of the board's authority to protect consumers' interests with regard to alternate operator service providers.
   c. It is appropriate, therefore, that the Legislature act to clarify the powers of the board with regard to alternate operator service providers, and to specifically require the board to take appropriate action, including, but not limited to, rate and terms and conditions of service regulation, to protect the interests of consumers of alternate operator service providers.

2. Section 2 of P.L.1995, c.172 (C.48:2-21.23) is amended to read as follows:

C.48:2-21.23 Regulation of the alternate operator service provider; definition.
2. Notwithstanding the provisions of P.L.1991, c.428 (C.48:2-21.16 et seq.) or any other law to the contrary, the Board of Public Utilities shall
regulate the rates and terms and conditions of service of an alternate operator service provider, in a manner consistent with federal law, and use any other means necessary pursuant to law, rule, or regulation to protect the users of the services of an alternate operator service provider.

As used in this section, "alternate operator service provider" means a non-facilities based telecommunications carrier who is a reseller leasing lines from a local exchange telecommunications company and an interexchange telecommunications carrier, as those terms are defined in section 2 of P.L.1991, c.428 (C.48:2-21.17), and who, using these leased facilities along with its own operators, provides operator-assisted services.

3. This act shall take effect immediately.

Approved January 17, 2014.

CHAPTER 279

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.2011, c.154 (C.43:21-20.3) is amended to read as follows:

C.43:21-20.3 Definitions relative to unemployment insurance benefits.

1. For the purposes of this act:

"Affected unit" means a specified plant or other facility, department, shift or other definable unit which includes two or more employees to which an approved short-time benefits program applies.

"Division" means the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development, or any representative of the division responsible for approval or other division responsibilities regarding a shared work program.

"Health insurance and pension coverage" means employer-provided health benefits, and retirement benefits under a defined benefit plan, as defined in section 414(j) of the Internal Revenue Code (26 U.S.C. 414(j)), or
employer contributions under a defined contribution plan, as defined in section 414(i) of the Internal Revenue Code (26 U.S.C. 414(i)), which are incidents of employment in addition to the cash remuneration earned.

"Shared work employer" means an employer who is providing a shared work program approved by the division pursuant to section 2 of this act.

"Shared work program" means a program submitted by an employer for approval by the division pursuant to section 2 of P.L.2011, c.154 (C.43:21-20.4) and approved by the division, under which the employer requests short-time benefits to employees in an affected unit of the employer to avert layoffs.

"Short-time benefits" means unemployment benefits payable to employees of an affected unit under an approved shared work program that are intended to be in lieu of layoffs and provided pursuant to sections 1 through 9 of this act, as distinguished from unemployment benefits otherwise payable under the New Jersey "unemployment compensation law," R.S.43:21-1 et seq.

"Usual weekly hours of work" means the usual hours of work for an employee in the affected unit when that unit is operating on its regular basis, not to exceed forty hours and not including hours of overtime work.

2. Section 2 of P.L.2011, c.154 (C.43:21-20.4) is amended to read as follows:

C.43:21-20.4 Application to provide shared work program.

2. An employer who has not less than 10 employees may apply to the division for approval to provide a shared work program, the purpose of which is to stabilize the employer's work force during a period of economic disruption by permitting the sharing of the work remaining after a reduction in total hours of work. Any subsidizing of seasonal employment during off season, or of temporary or intermittent employment on an ongoing basis, is contrary to the purpose of a shared work program approved pursuant to this act. The application for a shared work program shall be made according to procedures and on forms specified by the division and shall include whatever information the division requires. The division may approve the program for a period of not longer than one year and may, upon employer request, renew the approval of the program for additional periods, each period not to exceed one year. The division shall not approve an application unless the employer:

a. (1) Certifies to the division that the aggregate reduction in work hours is in lieu of layoffs; (2) provides an estimate of the number of em-
employees who would have been laid off in the absence of the program; and
(3) certifies that the employer will not hire additional employees while
short-time benefits are being paid;
   b. Certifies to the division that health insurance or pension coverage,
paid time off, or other benefits, including retirement benefits under a de­
defined benefit plan, as defined in section 414(j) of the Internal Revenue
Code (26 U.S.C. s.414(j)), or employer contributions under a defined con­
tribution plan, as defined in section 414(i) of the Internal Revenue Code (26
U.S.C. s.414(i)), will continue to be provided to any employee whose
workweek is reduced under the program, that those benefits will continue to
be provided to employees participating in the program under the same
terms and conditions as though the workweek of the employee had not been
reduced or to the same extent as other employees not participating in the
program, except that employer contributions to a defined contribution plan,
as defined in section 414(i) of the Internal Revenue Code (26 U.S.C.
.s.414(i)), may be reduced in proportion to the reduction of weekly hours,
and certifies to the division that the employer will not make unreasonable
revisions of workforce productivity standards;
   c. Certifies to the division that any collective bargaining agent repre­
senting the employees has entered into a written agreement with the em­
ployer regarding the terms of the program, including terms regarding atten­
dance in training programs while receiving short-time benefits, and pro­
vides a copy of the agreement to the division;
   d. Provides, in the application, the effective date and duration of the
program, a description of the affected unit or units covered by the program,
including the number of employees in each unit, the percentage of employ­
ees in the affected unit covered by the program, identification of each indi­
vidual employee in the affected unit by name, social security number, and
the employer’s unemployment tax account number and any other informa­
tion required by the division to identify program participants;
   e. Provides, in the application, a description of how the employees in
the affected units will be notified of the employer’s participation in the
shared work program if the application is approved, including the means of
notification for employees who are members of collective bargaining units
and employees who are not members of a collective bargaining unit;
   f. Identifies the usual weekly hours of work for the employees of the
affected unit and the specific percentage by which their hours will be re­
duced during all weeks covered by the program;
g. Certifies that participation in the program and its implementation is consistent with the employer’s obligations under all applicable federal and State laws; and

h. Agrees to provide the division with any reports or other information, including access to employer records, the division deems necessary to administer the shared work program and monitor compliance with all agreements and certifications required pursuant to this section.

The division shall approve or disapprove the program in writing not more than 60 days after the receipt of the application and promptly communicate the decision to the employer. A decision disapproving the application shall clearly identify the reasons for the disapproval. The disapproval shall be final, but the employer shall be permitted to submit another application for approval of a plan not earlier than 60 days from the date of disapproval.

3. Section 3 of P.L.2011, c.154 (C.43:21-20.5) is amended to read as follows:

C.43:21-20.5 Revocation of approval.

3. a. The division, on its own initiative or upon request of the affected unit’s employees, may revoke approval of an employer’s application previously granted for any failure to comply with any agreement or certification required pursuant to section 2 of this act, or any other conduct or occurrences which the division determines to defeat the purpose, intent and effective operation of a shared work program. The notice of revocation shall be in writing and shall specify the reasons for the revocation and the date on which the revocation is effective.

b. An employer may request modifications of an approved shared work program by filing with the division a written request identifying the specific proposed modifications and explaining the need for the modifications. The division shall approve or disapprove the modifications within 30 days and promptly communicate to the employer the division’s decision and the date on which the modification will take effect. The employer is not required to obtain division approval to make a plan modification which is not substantial, but is required to provide prompt, written notice of the modification to the division, which shall require the employer to request division approval of the modification if the division finds the modification to be substantial. The division may terminate the program if the employer fails to provide the notice required by this subsection.

4. Section 4 of P.L.2011, c.154 (C.43:21-20.6) is amended to read as follows:
C.43:21-20.6 Eligibility for short-time benefits.

4. An individual who is employed by an employer with a shared work program approved by the division shall be eligible for short-time benefits during a week if:
   a. (Deleted by amendment, P.L.2013, c.279)
   b. The individual works for the employer at an affected unit less than the individual's usual weekly hours of work, and the employer has reduced the individual's weekly hours of work pursuant to a shared work program in effect during that week and approved by the division pursuant to section 2 of this act;
   c. The percentage of the reduction of the individual's work hours below the individual's usual weekly hours of work is not less than 10% and not more than 60%, with a corresponding reduction of wages;
   d. The individual would be eligible for unemployment benefits other than short-time benefits during the week, if the individual was entirely unemployed during that week and applied for unemployment benefits other than short-time benefits; and
   e. During the week, the individual is able to work and is available for the individual's usual weekly hours of work with the shared work employer or is participating in a training program approved by the division, including division-approved employer-sponsored training, division-approved training funded under the Workforce Investment Act of 1998, Pub.L.105-220 (29 U.S.C. s.2801 et seq.) or the Workforce Development Partnership program established pursuant to section 4 of P.L.1992, c.43 (C.34:15D-4), or any other training approved by the division pursuant to subsection (c) of R.S.43:21-4.

If the individual complies with the requirements of subsection e. of this section, the individual shall not be subject to any other requirement of the "unemployment compensation law," R.S.43:21-1 et seq., to be available for work and actively seeking work.

5. Section 5 of P.L.2011, c.154 (C.43:21-20.7) is amended to read as follows:

5. The amount of short-time benefits paid to an eligible individual shall, for any week, be equal to the individual's weekly benefit rate multiplied by the percentage of reduction of his wages resulting from reduced hours of work. The weekly benefit amount shall be rounded off to the nearest dollar. An individual shall not be paid short-time benefits for more than 52 weeks.
under a shared work program. Weeks of short-time benefits may be nonconsecutive. An individual shall not receive short-time benefits during any benefit week in which the individual receives any other unemployment benefits, with respect to the employment with the shared work employer.

Total unemployment benefits paid to an individual during any benefit year, including short-time benefits and all other unemployment benefits, shall not exceed the maximum amount to which the individual is entitled for all unemployment benefits other than short-time benefits.

The following provision shall apply to an individual who is employed by both a shared work employer and another employer during weeks covered by a shared work program:

a. If combined hours of work in a week for both employers result in a reduction of less than 10% of the usual weekly hours of work with the shared work employer, the individual shall not be entitled to benefits under the shared work program;

b. If combined hours of work in a week for both employers result in a reduction of 10% or more of the usual weekly hours of work with the shared work employer, the short-time benefit payable to the individual shall be reduced for that week and be determined by multiplying the weekly unemployment benefit amount for a week of total unemployment by the percentage by which the combined hours of work have been reduced by 10% or more of the individual's usual weekly hours of work;

c. If the individual worked a reduced percentage of the usual weekly hours of work for the shared work employer and is available for all of his usual hours of work with the shared work employer, and the individual did not work any hours for the other employer, either because of a lack of work with that employer or because the individual is excused from work with the other employer, the individual shall be eligible for short-time benefits for that week.

An individual who is not provided any work during a week by a shared work employer or any other employer and is otherwise eligible for unemployment benefits shall be eligible for the full amount of regular unemployment benefits to which the individual otherwise would be eligible. An individual who is not provided any work during a week by a shared work employer, but who works for another employer and is otherwise eligible for unemployment benefits shall be eligible for regular unemployment benefits for that week subject to the disqualifying income and other provisions applicable to claims for regular unemployment benefits.

An individual who has received all of the short-time benefits or a combination of all of the short-time benefits and regular unemployment benefits available in a benefit year shall be considered to be an exhaustee for the
purposes of any extended benefits provided pursuant to the provisions of
the “Extended Benefits Law,” sections 5 through 11 of P.L.1970, c.324
(C.43:21-24.11 et seq.), and, if otherwise eligible under those provisions,
shall be eligible to receive extended benefits.

6. Section 6 of P.L.2011, c.154 (C.43:21-20.8) is amended to read as
follows:

C.43:21-20.8 Beginning, expiration of payment of benefits.

6. A shared work program and payment of short-time benefits to indi-
viduals under the program shall go into effect on the date mutually agreed
upon by the employer and the division. A shared work program shall expire
on the date specified in the notice of approval, which shall be either the date
at the end of the 12th full calendar month after its effective date or an earlier
date mutually agreed upon by the employer and the division. The program
shall also expire upon the date of any revocation of approval of the program
by the division. An employer of an approved program may terminate the
program at any time upon written notice to the division, and the division
shall notify participating employees of the affected unit of the termination.
If a shared work program expires or the employer terminates the program,
the employer may, at any time after the expiration or termination date, sub-
mitt a new application for division approval of another shared work program.

7. Section 7 of P.L.2011, c.154 (C.43:21-20.9) is amended to read as
follows:

C.43:21-20.9 Manner of charging short-time benefits.

7. Any short-time benefits paid to an individual shall be charged in
the same manner as other unemployment benefits pursuant to the “unem-
ployment compensation law,” R.S.43:21-1 et seq.

8. Section 9 of P.L.2011, c.154 (C.43:21-20.11) is amended to read as
follows:

9. If the United States Department of Labor finds any provision of
this act to be in violation of federal law, that provision of this act shall be
inoperative.

9. This act shall take effect immediately.

Approved January 17, 2014.
CHAPTER 280

AN ACT concerning the operation of school districts and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1996, c.138 (C.18A:7F-5) is amended to read as follows:

C.18A:7F-5 Notification of districts of aid payable; budget submissions.
5. As used in this section, "cost of living" means the CPI as defined in section 3 of P.L.2007, c.260 (C.18A:7F-45).

a. Within 30 days following the approval of the Educational Adequacy Report, the commissioner shall notify each district of the base per pupil amount, the per pupil amounts for full-day preschool, the weights for grade level, county vocational school districts, at-risk pupils, bilingual pupils, and combination pupils, the cost coefficients for security aid and for transportation aid, the State average classification rate and the excess cost for general special education services pupils, the State average classification rate and the excess cost for speech-only pupils, and the geographic cost adjustment for each of the school years to which the report is applicable.

Annually, within two days following the transmittal of the State budget message to the Legislature by the Governor pursuant to section 11 of P.L.1944, c.112 (C.52:27B-20), the commissioner shall notify each district of the maximum amount of aid payable to the district in the succeeding school year pursuant to the provisions of P.L.2007, c.260 (C.18A:7F-43 et al.), and shall notify each district of the district's adequacy budget for the succeeding school year.

For the 2008-2009 school year and thereafter, unless otherwise specified within P.L.2007, c.260 (C.18A:7F-43 et al.), aid amounts payable for the budget year shall be based on budget year pupil counts, which shall be projected by the commissioner using data from prior years. Adjustments for the actual pupil counts of the budget year shall be made to State aid amounts payable during the school year succeeding the budget year. Additional amounts payable shall be reflected as revenue and an account receivable for the budget year.
Notwithstanding any other provision of this act to the contrary, each district's State aid payable for the 2008-2009 school year, with the exception of aid for school facilities projects, shall be based on simulations employing the various formulas and State aid amounts contained in P.L.2007, c.260 (C.18A:7F-43 et al.). The commissioner shall prepare a report dated December 12, 2007 reflecting the State aid amounts payable by category for each district and shall submit the report to the Legislature prior to the adoption of P.L.2007, c.260 (C.18A:7F-43 et al.). Except as otherwise provided pursuant to this subsection and paragraph (3) of subsection d. of section 5 of P.L.2007, c.260 (C.18A:7F-47), the amounts contained in the commissioner's report shall be the final amounts payable and shall not be subsequently adjusted other than to reflect the phase-in of the required general fund local levy pursuant to paragraph (4) of subsection b. of section 16 of P.L.2007, c.260 (C.18A:7F-58) and to reflect school choice aid to which a district may be entitled pursuant to section 20 of that act. The projected pupil counts and equalized valuations used for the calculation of State aid shall also be used for the calculation of adequacy budget, local share, and required local share. For 2008-2009, extraordinary special education State aid shall be included as a projected amount in the commissioner's report dated December 12, 2007 pending the final approval of applications for the aid. If the actual award of extraordinary special education State aid is greater than the projected amount, the district shall receive the increase in the aid payable in the subsequent school year pursuant to the provisions of subsection c. of section 13 of P.L.2007, c.260 (C.18A:7F-55). If the actual award of extraordinary special education State aid is less than the projected amount, other State aid categories shall be adjusted accordingly so that the district shall not receive less State aid than as provided in accordance with the provisions of sections 5 and 16 of P.L.2007, c.260 (C.18A:7F-47 and C.18A:7F-58).

In the event that the commissioner determines, following the enactment of P.L.2007, c.260 (C.18A:7F-43 et al.) but prior to the issuance of State aid notices for the 2008-2009 school year, that a significant district-specific change in data warrants an increase in State aid for that district, the commissioner may adjust the State aid amount provided for the district in the December 12, 2007 report to reflect the increase.

b. Each district shall have a required local share. For districts that receive educational adequacy aid pursuant to subsection b. of section 16 of P.L.2007, c.260 (C.18A:7F-58), the required local share shall be calculated in accordance with the provisions of that subsection.
For all other districts, the required local share shall equal the lesser of the local share calculated at the district's adequacy budget pursuant to section 9 of P.L.2007, c.260 (C.18A:7F-51), or the district's budgeted local share for the prebudget year.

In order to meet this requirement, each district shall raise a general fund tax levy which equals its required local share.

No municipal governing body or bodies or board of school estimate, as appropriate, shall certify a general fund tax levy which does not meet the required local share provisions of this section.

c. Annually, on or before March 4, or on or before March 20 in the case of a school district with an annual school election in November, each district board of education shall adopt, and submit to the commissioner for approval, together with such supporting documentation as the commissioner may prescribe, a budget that provides for a thorough and efficient education. Notwithstanding the provisions of this subsection to the contrary, the commissioner may adjust the date for the submission of district budgets if the commissioner determines that the availability of preliminary aid numbers for the subsequent school year warrants such adjustment.

Notwithstanding any provision of this section to the contrary, for the 2005-2006 school year each district board of education shall submit a proposed budget in which the advertised per pupil administrative costs do not exceed the lower of the following:

(1) the district's advertised per pupil administrative costs for the 2004-2005 school year inflated by the cost of living or 2.5 percent, whichever is greater; or

(2) the per pupil administrative cost limits for the district's region as determined by the commissioner based on audited expenditures for the 2003-2004 school year.

The executive county superintendent of schools may disapprove the school district's 2005-2006 proposed budget if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district. The executive county superintendent shall work with each school district in the county during the 2004-2005 school year to identify administrative inefficiencies in the operations of the district that might cause the superintendent to reject the district's proposed 2005-2006 school year budget.

For the 2006-2007 school year and each school year thereafter, each district board of education shall submit a proposed budget in which the advertised per pupil administrative costs do not exceed the lower of the following:
(1) the district's prior year per pupil administrative costs; except that the district may submit a request to the commissioner for approval to exceed the district's prior year per pupil administrative costs due to increases in enrollment, administrative positions necessary as a result of mandated programs, administrative vacancies, nondiscretionary fixed costs, and such other items as defined in accordance with regulations adopted pursuant to section 7 of P.L.2004, c.73. In the event that the commissioner approves a district's request to exceed its prior year per pupil administrative costs, the increase authorized by the commissioner shall not exceed the cost of living or 2.5 percent, whichever is greater; or

(2) the prior year per pupil administrative cost limits for the district's region inflated by the cost of living or 2.5 percent, whichever is greater.

(2) (Deleted by amendment, P.L.2007, c.260).

(3) (Deleted by amendment, P.L.2007, c.260).

(4) Any debt service payment made by a school district during the budget year shall not be included in the calculation of the district's adjusted tax levy.

(7) (Deleted by amendment, P.L.2004, c.73).

(8) (Deleted by amendment, P.L.2010, c.44)

(9) Any district may submit at the annual school budget election, in accordance with subsection c. of section 4 of P.L.2007, c.62 (C.18A:7F-39), a separate proposal or proposals for additional funds, including interpretive statements, specifically identifying the program purposes for which the proposed funds shall be used, to the voters, who may, by voter approval, authorize the raising of an additional general fund tax levy for such purposes. In the case of a district with a board of school estimate, one proposal for the additional spending shall be submitted to the board of school estimate. Any proposal or proposals submitted to the voters or the board of school estimate shall not: include any programs and services that were included in the district's prebudget year net budget unless the proposal is approved by the commissioner upon submission by the district of sufficient reason for an exemption to this requirement; or include any new programs and services necessary for students to achieve the thoroughness standards established pursuant to subsection a. of section 4 of P.L.2007, c.260 (C.18A:7F-46).
The executive county superintendent of schools may prohibit the submission of a separate proposal or proposals to the voters or board of school estimate if he determines that the district has not implemented all potential efficiencies in the administrative operations of the district, which efficiencies would eliminate the need for the raising of an additional general fund tax levy.

(10) Notwithstanding any provision of law to the contrary, if a district proposes a budget with a general fund tax levy and equalization aid which exceed the adequacy budget, the following statement shall be published in the legal notice of public hearing on the budget pursuant to N.J.S.18A:22-28, posted at the public hearing held on the budget pursuant to N.J.S.18A:22-29, and printed on the sample ballot required pursuant to section 10 of P.L.1995, c.278 (C.19:60-10):

"Your school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district."

(11) Any reduction that may be required to be made to programs and services included in a district's prebudget year net budget in order for the district to limit the growth in its budget between the prebudget and budget years by its tax levy growth limitation as calculated pursuant to sections 3 and 4 of P.L.2007, c.62 (C.18A:7F-38 and 18A:7F-39), shall only include reductions to excessive administration or programs and services that are inefficient or ineffective.

e. (1) Any general fund tax levy rejected by the voters for a proposed budget that includes a general fund tax levy and equalization aid in excess of the adequacy budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, other than a Type II district with a board of school estimate in which the annual election is in November, the general fund tax levy shall be submitted to the board for determination of the amount that should be expended. If the governing body or bodies or board of school estimate, as appropriate, reduce the district's proposed budget, the district may appeal any of the reductions to the commissioner on the grounds that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall consider enrollment increases or decreases within the district; the history of voter approval or rejection of district budgets; the impact on the local levy; and whether the reductions will impact on the ability of the district to fulfill its contrac-
tual obligations. A district may not appeal any reductions on the grounds that the amount is necessary for a thorough and efficient education.

(2) Any general fund tax levy rejected by the voters for a proposed budget that includes a general fund tax levy and equalization aid at or below the adequacy budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, other than a Type II district with a board of school estimate in which the annual election is in November, the general fund tax levy shall be submitted to the board for determination. Any reductions may be appealed to the commissioner on the grounds that the amount is necessary for a thorough and efficient education or that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection.

In addition, the municipal governing body or board of school estimate shall be required to demonstrate clearly to the commissioner that the proposed budget reductions shall not adversely affect the ability of the school district to provide a thorough and efficient education or the stability of the district given the need for long term planning and budgeting.

(3) In lieu of any budget reduction appeal provided for pursuant to paragraphs (1) and (2) of this subsection, the State board may establish pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an expedited budget review process based on a district's application to the commissioner for an order to restore a budget reduction.

(4) When the voters, municipal governing body or bodies, board of education in the case of a school district in which the annual school election has been moved to November pursuant to subsection a. of section 1 of P.L.2011, c.202 (C.19:60-1.1), or the board of school estimate authorize the general fund tax levy, the district shall submit the resulting budget to the commissioner within 15 days of the authorization.

g. (Deleted by amendment, P.L.2007, c.260).

2. N.J.S.18A:22-7 is amended to read as follows:

Budgets; preparation.

18A:22-7. Except as otherwise provided in this section, the board of education of every school district having a board of school estimate shall prepare and deliver to each member of the board of school estimate, on or
before March 22 in each year, and the board of education of every other school district shall prepare a budget for the school district for the ensuing year, on or before March 22. In the case of a school district with an annual school election in November, the board of education of every school district having a board of school estimate shall prepare and deliver to each member of the board of school estimate, on or before April 20 in each year, and the board of education of every other school district shall prepare a budget for the school district for the ensuing year on or before April 20.

Except as otherwise provided in this section, in districts having a board of school estimate, the hearing shall be held before the board of school estimate between March 22 and March 29 and in districts having no board of school estimate the hearing shall be held before the board of education between March 22 and March 29. In the case of a school district with an annual school election in November, the hearing shall be held before the board of education between April 24 and May 7.

cate shall be delivered to the board or governing body of each of the municipalities within the territorial limits of the district having the power to make appropriations of money raised by taxation in the municipalities or political subdivisions and to the executive county superintendent of schools and the amount shall be assessed, levied and raised under the procedure and in the manner provided by law for the levying and raising of special school taxes in other type II districts and shall be paid to the board secretary or treasurer of school moneys, as appropriate, of the district for such purposes.

Within 15 days after receiving the certificate the board of education shall notify the board of school estimate, the governing body of each municipality within the territorial limits of the school district, and the commissioner if it intends to appeal to the commissioner the board of school estimate's determination as to the amount of money requested pursuant to the provisions of section 5 of P.L.1996, c.138 (C.18A:7F-5), necessary to be appropriated for the use of the public schools of the district for the ensuing school year.

2. (a) Upon the death of a member in service who shall have paid into the fund the full amount of contributions due and who shall die as a result of injuries or illness received or incurred in the performance of that member's regular or assigned duties or who shall have served in the employ of the city for 20 or more years, a pension of 50% of the member's final salary shall be paid to the surviving widow, so long as she remains unmarried, or surviving widower, so long as he remains unmarried; if there is no surviving widow or widower or in case the widow or widower dies or remarries, a pension of 20% of such final salary shall be paid to one surviving child, 35% of such final salary shall be paid to two surviving children in equal shares, and if there be three or more children, 50% of such final salary shall be paid to such children in equal shares; and if there is no surviving widow, widower or child, a pension of 25% of such final salary shall be paid to one surviving dependent parent or a pension of 40% of such final salary shall be paid to two surviving dependent parents in equal shares.

(b) Upon the death of a member in service who shall have paid into the fund the full amount of contributions due and who shall die for causes other than injuries or illness received or incurred in the performance of that member's regular or assigned duties and who shall have served in the employ of the city for five or more years but less than 20 years, a pension in an amount equal to 50% of the member's final salary shall be paid to the surviving widow, so long as she remains unmarried, or surviving widower, so long as he remains unmarried; if there is no surviving widow or widower or
in case the widow or widower dies or remarries, a pension of 20% of such final salary shall be paid to one surviving child, 35% of such final salary shall be paid to two surviving children in equal shares, and if there be three or more children, 50% of such final salary shall be paid to such children in equal shares; and if there is no surviving widow, widower or child, a pension of 25% of such final salary shall be paid to one surviving dependent parent or a pension of 40% of such final salary shall be paid to two surviving dependent parents in equal shares.

(c) Upon the death of a pensioner from the retirement system who has retired for age and service under the provisions of section 4 of P.L.1964, c.275 (C.43:13-22.53), or who has retired under the provisions of subsection (a), (b), (c) or (d) of section 1 of P.L.1967, c.222 (C.43:13-22.54a), or who has retired because of a disability under the provisions of section 6 of P.L.1964, c.275 (C.43:13-22.55), a pension equal to 50% of the amount of the pension, including any adjustment thereto under sections 7 through 13 of P.L.1990, c.20 (C.43:13-22.69 to 43:13-22.75), payable to the decedent at the time of death shall be paid to the surviving widow, so long as she remains unmarried, or surviving widower, so long as he remains unmarried; if there is no surviving widow or widower or in case the widow or widower dies or remarries, such pension shall be paid to one surviving child or to two or more surviving children in equal shares; and if there is no surviving widow, widower or child, such pension shall be paid to one surviving dependent parent of the retirant or to both surviving dependent parents in equal shares.

(d) (1) In the event a pension shall be payable as a result of the death of a member in service and there are no eligible survivors at the time of such member's death, an amount equal to such member's contributions to the fund, without interest, shall be paid to the member's estate. If, after the payment of all pension and survivorship benefits payable by the retirement system to any eligible survivors of a deceased member or retirant, the total amount of those benefits, including adjustments under sections 7 through 13 of P.L.1990, c.20 (C.43:13-22.69 to 43:13-22.75), together with the total amount of any retirement allowance or pension benefits, including adjustments, which shall have been paid to the decedent during retirement, is less than the amount of the decedent's contributions during membership in the retirement system, the amount of the difference, without interest, shall be payable to the deceased member or retirant's estate.

(2) If at the time of the death of a member in service the sole eligible survivors of such member are minor children and the total of the aggregate payments on account of such children shall be an amount which is less than
such member’s contributions to the fund, without interest, the balance of
such amount shall be payable to the guardian of such minor children.

7. A member may file a detailed statement of public employment with
a public employer in this State which was eligible for credit in a State­
administered retirement system, or of military service in the Armed Forces
of the United States, rendered prior to becoming a member, for which the
member desires credit, and of such other facts as the retirement system may
require. The member may purchase credit for all or a portion of the service
evidenced in the statement up to the nearest number of years and months,
but not exceeding three years. No application shall be accepted for the pur­
chase of credit for the service if, at the time of application, the member has
a vested right to retirement benefits in another retirement system based in
whole or in part upon that service. A member who applies to purchase
credit for such service shall pay the full cost attributable to the increased
benefits to be derived from the purchased credit in accordance with the ac­
tuarial method used to determine the cost at the time of the purchase. The
purchase may be made in a lump sum or in regular installments, equal to at
least 1/2 of the full normal contribution to the retirement system, over a
maximum period of 10 years. A member shall not be liable for any costs
associated with the financing of pension adjustment benefits and health care
benefits for retirees when purchasing credit.

Any member electing to make a purchase pursuant to this section who
retires prior to completing payments as agreed with the retirement system
will receive pro rata credit for the purchase prior to the date of retirement,
but if the member so elects at the time of retirement, the member may make
the additional lump sum payment required at that time to provide full credit.

8. Section 1 of P.L.1987, c.171 (C.43:13-22.67) is amended to read as
follows:

C.43:13-22.67 Loans from retirement system.

1. Any member who has at least three years of service credit for which
contributions have been made as a member may borrow from the retirement
system an amount equal to not more than 50% of the amount of the mem­
ber’s aggregate contributions, but not less than $1,000.00. Any loan from
the retirement system must satisfy the requirements of the federal Internal
Revenue Code of 1986, as amended, regulations of the United States Treas­
ury Department, and other directives or guidance of the federal Internal
Revenue Service. At the time a loan is made, a loan amount shall not result in the projected required loan payments, including interest contained in the payment, for the following calendar year exceeding 25% of the member’s annual salary at the time the loan is made. If a member’s salary is uncertain at that time, the commission shall use a reasonable estimate of the member’s expected salary to impose this 25% limitation. The amount so borrowed, together with interest at a rate fixed by the commission on any unpaid balance, shall be repaid to the retirement system in equal installments by deduction from salary or in another manner and in amounts which the commission shall approve; but the installments shall be at least equal to the member’s contribution to the retirement system and at least sufficient to repay the amount borrowed with interest at the conclusion of a term fixed by the commission. No more than two loans may be made to any member in any 12-month period. The retirement system shall make no loan to a member after the member has terminated employment with the city.

Interest charged for loans to members shall be fixed annually by the commission to take effect January 1 of each calendar year at a rate equal to the average of the daily rates of interest at constant maturity based on daily trades paid by 30-year United States Treasury bonds for the period beginning on the first and ending on the 30th day of the immediately preceding November plus 1%, or 10%, whichever is less. The interest earned from loans to members shall be treated in the same manner as interest from investments of the retirement system.

9. Section 2 of P.L.1987, c.171 (C.43:13-22.68) is amended to read as follows:

2. a. Notwithstanding any other law affecting the salary or compensation of a borrowing member to the contrary, including any law restricting the amount or level of deductions from an employee’s salary or compensation, the additional deductions required to repay the loan shall be made as necessary to comply with the requirements governing loans from the retirement system pursuant to section 1 of P.L.1987, c.171 (C.43:13-22.67).

b. If a member employed by the city fails to make timely payments on the member’s outstanding loan, the retirement system shall offset, to the extent possible, a member’s benefit for the unpaid loan balance, including interest accrued, and shall report the unpaid loan balance as taxable income to the member pursuant to the federal Internal Revenue Code of 1986, as amended.
c. If a member terminates employment with the city without com-
mencing the receipt of a benefit under the retirement system, any unpaid
loan balance, including interest accrued, shall become immediately due and
payable. If the unpaid loan balance is not repaid by the time set by the
commission, the member’s remaining benefit in the retirement system shall
be reduced by the unpaid loan balance, including interest accrued, at the
time of the reduction. The unpaid loan balance and accrued interest shall
be reported to the federal Internal Revenue Service as income pursuant to
the federal Internal Revenue Code of 1986, as amended.

d. If a member terminates employment with the city and commences
the receipt of a benefit under the retirement system, the unpaid loan bal-
ance, including interest accrued, shall be deducted from the benefit other-
wise payable. Such deduction shall be applied as follows:

(1) If a member elects to receive a single-sum payment of the mem-
ber’s benefit, the amount paid to the member shall be reduced by the unpaid
loan balance, including interest accrued.

(2) If a member elects to receive the member’s benefits as an annuity, loan
payments, including interest, shall be deducted from the benefit payments.

e. The retirement system shall administer the provisions of subsec-
tions b., c. and d. of this section in compliance with the requirements of the
federal Internal Revenue Code of 1986, as amended.

f. If a member or retiree dies before the outstanding balance of the
loan and interest has been repaid, the remaining balance shall be repaid
from the proceeds of any other benefits payable on the account of the
member or retiree, such as monthly payments to the member’s beneficiaries
or lump sum payments for pension or group life insurance.

10. Section 11 of P.L.1990, c.20 (C.43:13-22.73) is amended to read as
follows:

C.43:13-22.73 Calculation of pension adjustment.

11. On or before October 1, 1996 and by the same date in each subse-
quent year, the Director of the Division of Pensions and Benefits of the De-
partment of the Treasury shall review the index and determine the percen-
tum of change in the index from the retirement year index pursuant to the
provisions of the "Pension Adjustment Act," P.L.1958, c.143 (C.43:3B-1 et
seq.). The percentage of adjustment in the retirement allowances, pensions
and survivorship benefits shall be one-half of the percentum of change in
the index. Any adjustment so calculated shall apply to all of the months of
the following calendar year for eligible retirants and beneficiaries, except
that for those qualifying for the first time, it shall apply only to those
months of the following calendar year in which the retirant or beneficiary is
eligible to receive the adjustment.

On the basis of information certified to the director by the retirement
system concerning the amounts of all retirement allowances, pensions and
survivorship benefits of eligible retirants and beneficiaries which are sub-
ject to adjustment under sections 7 through 13 of P.L.1990, c.20 (C.43:13-
22.69 through 22.75), and any other relevant matters as the director may
require, the director shall certify to the retirement system the amounts re-
quired to fund the benefits provided under those sections for the applicable
year. The director shall include in that certification amounts sufficient to
adjust the retirement allowances, pensions or survivorship benefits payable
to all eligible retirants and beneficiaries by the percentum of change in the
index as such retirement allowances or pensions may have been originally
granted, or increased for certain retirants and beneficiaries in accordance
with the provisions of the "Pension Adjustment Act."

In no instance shall the amount of the retirement allowance, pension or
survivorship benefit originally granted and payable to any retirant or bene-
ficiary be reduced as a result of this adjustment.

C.43:13-22.59c Additional payment to retirement system.

11. At the time it makes its annual normal contribution to the retire-
ment system, the employer shall pay to the retirement system an additional
amount equivalent to the cost of the adjustment in retirement allowances or
pensions and in survivorship benefits payable to retirants and beneficiaries
in the prior year pursuant to sections 7 through 13 of P.L.1990, c.20
(C.43:13-22.69 et seq.), except the initial payment shall be equivalent to the
cost of the adjustment beginning on the effective date of P.L.2013, c.282.

12. This act shall take effect immediately.

Approved January 17, 2014.

WHEREAS, There are an estimated 30,000 people in the United States and 650,000 people across the world with a type of dwarfism; and

WHEREAS, Dwarfism is also known by the medical term “skeletal dysplasia,” which encompasses over 200 distinct conditions that involve atypical bone and cartilage development; and

WHEREAS, Congenital Adrenal Hyperplasia (CAH) is a family of inherited disorders that disrupt the production of several vital hormones including cortisol, which is responsible for managing blood sugar and stress, and aldosterone, which is responsible for managing salt and fluid levels in the body; and

WHEREAS, As an autosomal recessive genetic disorder, parents who do not have CAH may carry the gene that causes the disorder and may pass it to their children; two parents who are carriers of the gene would have a one in four chance of a child being born with CAH; and

WHEREAS, Classical CAH in infant boys is not as easily recognized as in girls and may often not be identified until they present with vomiting or life-threatening adrenal shock within the first few weeks after birth; and

WHEREAS, Non-classical CAH is a much more common version of the disorder that is not life-threatening, but can affect puberty and growth in children and may cause infertility in males and females as well as other symptoms affecting quality of life; and

WHEREAS, The challenging complexity of ensuring health care to those in need must not deter or distract us from the urgency of finding and creating solutions to this persistent problem which requires immediate relief; and

JOINT RESOLUTION NO. 18

A JOINT RESOLUTION designating January 21 of each year as “Attention Deficit/Hyperactivity Disorder Awareness Day.”
WHEREAS, Attention Deficit/Hyperactivity Disorder (also known as ADHD) is a disorder characterized by inattentiveness, over-activity, impulsivity, or a combination of such symptoms that can significantly interfere with individuals' abilities to regulate their behavior and attend to tasks in developmentally-appropriate ways; and

WHEREAS, ADHD is one of the most commonly diagnosed neurobehavioral disorders of childhood, affecting an estimated 8.7 percent of school-aged children and an estimated 4.4 percent of adults in the United States in a given year; and

WHEREAS, Genetic factors may play an important role in causing this disorder, with research finding that approximately 50 percent of parents with ADHD have a child with the disorder, and that between 10 and 35 percent of children with ADHD have a parent or sibling with past or present ADHD; and

WHEREAS, Research also suggests that certain environmental factors may be linked to ADHD, such as alcohol use and smoking during pregnancy, exposure to high levels of lead, and possibly nutritional factors; and

WHEREAS, ADHD is a long-term, chronic condition that, if not treated properly, may result in adverse consequences such as low educational attainment, unemployment or underemployment, drug and alcohol abuse, antisocial behavior, involvement with the criminal justice system, and difficulties with marital and family relationships; and

WHEREAS, Treatment for ADHD generally involves medication, behavior therapy, or some combination of approaches; and

WHEREAS, Untreated ADHD may generate significant health care costs, since individuals with ADHD may be more likely to receive care for accident-related injuries, to utilize substance abuse treatment services, or to struggle with drug compliance or with following other medical advice; and

WHEREAS, Despite the serious consequences and costs of ADHD, the disorder is often undiagnosed or untreated, with recent results from the National Health and Nutrition Examination Survey indicating that only 48 percent of children with ADHD were diagnosed and only 32 percent had been treated consistently with ADHD medications during the past year; and

WHEREAS, Contributing to the difficulty of diagnosing ADHD is that lack of sleep, depression, learning disabilities, and other behavioral, developmental, or psychiatric problems may be confused with ADHD, and the National Institutes of Health recommends a careful examination of children suspected of having ADHD to rule out other reasons for their behavior; and
WHEREAS, According to parent-reported data from the 2007 National Survey of Children's Health, approximately nine percent of New Jersey's children may struggle with ADHD, a nearly two percentage point increase over the 2003 survey data; and
WHEREAS, Encouraging family members, health care professionals, employers, educators, and other members of the public to improve their understanding of ADHD can remove obstacles to providing individuals with ADHD with the behavioral health services that they need and can promote innovations in diagnosing and treating the disorder; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

WHEREAS, thanks to the efforts of all New Jerseyans, our State continues to recover and rebuild; and

WHEREAS, in addition to the significant damage caused to our State’s infrastructure, many residential and commercial properties were substantially damaged or completely destroyed by Superstorm Sandy, which caused a reduction in property values; and

WHEREAS, certain municipalities impacted by Superstorm Sandy may experience a decline in property tax collections due to both the hardships visited upon residents, and the reduction in the assessed value of their properties; and

WHEREAS, municipalities may also face a higher number of property tax appeals related to the damage caused by Superstorm Sandy, which may further reduce property valuations; and

WHEREAS, municipalities and local authorities providing water and sewer utility services may likewise experience revenue reductions associated with damage to their facilities, and the resulting lapse of services; and

WHEREAS, many municipalities, counties, school districts, fire districts, and local authorities recovering from Superstorm Sandy are bearing the cost of certain disaster-related expenses that are ineligible for reimbursement by the Federal Emergency Management Agency (“FEMA”); and

WHEREAS, these fluctuations in property values combined with the costs of reconstruction may trigger a substantial and untenable increase in the property taxes levied on our citizens; and

WHEREAS, in order to ameliorate or eliminate increases in property taxes, municipalities, counties, school districts, fire districts, and local authorities must look to every source of available assistance;
WHEREAS, FEMA administers a Community Disaster Loan Program offering resources that will help offset these potential lost revenues and unreimbursed disaster-related expenses; and

WHEREAS, a Community Disaster Loan is available for a five-year term, with authorization for FEMA to extend the term up to an additional five years based on the recipient’s financial condition; and
WHEREAS, FEMA is authorized to forgive all or part of a Community Disaster Loan where the recipient has met the relevant statutory and regulatory criteria; and
WHEREAS, the Community Disaster Loan Program provides a vital source of assistance that will help maintain essential services and prevent increases in property tax and utility rates that would impede our State’s recovery, and compound the distress and suffering already present in many communities; and
WHEREAS, it is incumbent upon every municipality, county, school district, fire district, and local authority that qualifies for a Community Disaster Loan to make an appropriate and timely application for a loan to ensure that every possible benefit is provided to our citizens as they rebuild our State; and
WHEREAS, on October 27, 2012, in light of the dangers posed by Superstorm Sandy, and pursuant to the authority provided under the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. App. A:9-33, et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4, and all amendments and supplements thereto, I declared a State of Emergency; and

WHEREAS, beginning on October 28, 2012, and continuing through October 30, 2012, Superstorm Sandy ("Sandy") struck the State of New Jersey; and
WHEREAS, Sandy destroyed entire communities and caused significant damage, or complete destruction, to thousands of homes across the State; and
WHEREAS, thanks to the efforts of first responders, private businesses, nonprofit organizations, State and local governmental leaders, and all citizens of New Jersey, our State continues to recover and rebuild; and
WHEREAS, since Sandy struck New Jersey, nonprofit organizations and volunteers have generously donated their resources, time, and talents to aid in the State’s recovery; and
WHEREAS, some nonprofit groups that are organized primarily for the construction and reconstruction of residences for persons displaced by disasters have contributed volunteers and resources to assist in New Jersey’s rebuilding; and
WHEREAS, these nonprofit organizations may recruit high school students, and other minor volunteers, to assist in the repair, construction, and rebuilding of homes damaged or destroyed by Sandy; and
WHEREAS, N.J.S.A. 34:2-21.17d restricts the nature and manner of volunteer construction work that minors between the ages of fourteen and seventeen may perform as volunteers for nonprofit housing organizations; and
WHEREAS, allowing available volunteers who are minors to engage in repair and reconstruction efforts, while maintaining all other safeguards that protect minors engaged in construction, will help many New Jerseyans return to their homes; and
WHEREAS, on October 27, 2012, in light of the dangers posed by Sandy, and pursuant to the authority provided under the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. App. A:9-33, et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4, and all amendments and supplements thereto, I declared a State of Emergency; and
WHEREAS, in accordance with N.J.S.A. App. A:9-34 and -51, I reserved the right to utilize and employ all available resources of the State government, and of each and every political subdivision of the State, to protect against the emergency created by Sandy; and
WHEREAS, in accordance with N.J.S.A. App. A:9-40, I declared that, due to the State of Emergency, no municipality, county, or any other agency or political subdivision of this State shall enact or enforce any order, rule, regulation, ordinance, or resolution that will or might in any way conflict with any of the provisions of any Executive Orders, or that will in any way interfere with or impede their achievement;

NOW, THEREFORE, I, CHRIS CHRISTIE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the statutes of this State, do hereby ORDER and DIRECT:

1. For the remainder of calendar year 2013, minors between fourteen and seventeen years of age shall be permitted to work as volunteers for nonprofit organizations engaged in housing construction, provided that all other provisions of N.J.S.A. 34:2-21.17d, and any other applicable law, rule, or regulation concerning the employment and protection of minors, shall remain in full force and effect.
2. The Commissioner of Labor and Workforce Development is directed to take all appropriate steps to effectuate this Order.
3. No municipality, county, or any other agency or political subdivision of this State shall enact or enforce any order, rule, regulation, ordinance, or resolution that will or might in any way conflict with the provisions of this Executive Order, or that will or might in any way interfere with or impede its achievement.
WHEREAS, ensuring the solvency and integrity of New Jersey's pension and health benefits systems is one of the highest priorities of my Administration; and

WHEREAS, the landmark, bipartisan pension and health benefits reform I signed into law in 2011 will help ensure the solvency of those programs for the benefit of public employees and retirees, while also ensuring that pension and health benefits obligations do not financially incapacitate the State and other public employers; and

WHEREAS, by making modest but sensible changes to retirement age and incentives, cost-of-living adjustments, and contributions from public employees, the 2011 landmark, bipartisan pension and benefits reform will save taxpayers over $120 billion over the next thirty years and put the pension system on more sound financial footing; and

WHEREAS, in Fiscal Year 2013, the State made one of the largest pension payments in New Jersey history at $1.03 billion, and the Fiscal Year 2014 budget will make the largest pension payment in State history at $1.67 billion; and

WHEREAS, while we have made substantial progress to reform public employee pension and health benefits, additional reforms are needed to safeguard the integrity of the systems and to ensure that taxpayer dollars are properly expended for these benefits; and

WHEREAS, it is critical that potential fraud and abuse of the pension and disability retirement systems be addressed to ensure that recipients are qualified and taxpayer funds are properly expended for the benefit of public employees and retirees; and

WHEREAS, unless these issues are addressed, pension fraud and abuse will place additional strains on public employee retirement systems, as well as State and local budgets; and

WHEREAS, in light of possible fraud and abuse related to retirement and other benefits, coordinated action must be taken to combat fraud and abuse, preserve the integrity of the systems, and protect every taxpayer dollar devoted to the systems;

NOW, THEREFORE, I, CHRIS CHRISTIE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:
1. The State Treasurer shall establish a Pension Fraud and Abuse Unit within the Department of the Treasury. 4. In order to accomplish the purposes of this Order, the Pension Fraud and Abuse Unit shall work closely and coordinate with both the Division of Pensions and Benefits within the Department of the Treasury and the Office of the Attorney General, and shall also receive referrals from the Office of the State Comptroller on claims of potential fraud and abuse.

5. The aforementioned agencies shall work closely to identify cases of suspected pension fraud, abuse, and ineligibility. They shall undertake investigations, share information and resources, develop strategies for curtailing fraud and abuse, and identify cases for civil and criminal prosecution. These agencies shall hold regular meetings to ensure the maximum cooperation in their work.

6. The Pension Fraud and Abuse Unit may recommend all civil or criminal remedies as may be provided by law to address such pension fraud, abuse, and improper participation, and, in conjunction with the Division of Pension and Benefits and the Office of the Attorney General, and as provided by law, may pursue such petitioning of the appropriate boards as necessary for denial of an application or revocation of a pension or benefit improperly granted, and may refer matters to the Division of Pension and Benefits, the Office of the Attorney General, and other State agencies as appropriate for further action.

7. The Pension Fraud and Abuse Unit shall encourage the public to report fraudulent pension and benefit claims and payments and shall maintain a website, mailing address, facsimile, electronic mail address, toll-free number, and other methods to receive such reports at the discretion of the Director.

8. The Pension Fraud and Abuse Unit is authorized to call upon the expertise and assistance of all State departments, divisions, offices, or agencies, as well as all political subdivisions of the State, to carry out its mission, including, but not limited to, the Department of Labor and Workforce Development, the Department of the Treasury, the New Jersey Motor Vehicle Commission, and the Office of the Attorney General.

9. All departments, divisions, offices, agencies, and political subdivisions of the State shall, to the extent not inconsistent with law, cooperate with the Pension Fraud and Abuse Unit and furnish the Unit with information upon request.

WHEREAS, oceanfront and other flood-prone communities lacking the benefits of flood hazard risk reduction measures including protective sand dunes, berms, and engineered beaches (collectively “Flood Hazard Risk Reduction Measures”) experienced significantly more catastrophic damage than surrounding communities; and

WHEREAS, recognizing the dangers posed by the absence of Flood Hazard Risk Reduction Measures, the United States Congress appropriated funds for the creation, improvement, and reconstruction of these important protections; and

WHEREAS, working collaboratively with the United States Army Corps of Engineers, New Jersey has begun the process of designing Flood Hazard Risk Reduction Measures for appropriate areas of the New Jersey coastline; and

WHEREAS, despite the responsible actions of these many property owners, other residents have frustrated the State's rebuilding and resiliency plans by refusing to grant easements, thereby jeopardizing the construction of Flood Hazard Risk Reduction Measures for all of New Jersey's citizens, undermining the essential benefits of these systems, and subjecting entire communities to unnecessary risks and dangers; and

WHEREAS, these recalcitrant property owners have had ample time and notice to voluntarily agree to grant these easements to help to ensure the health, safety, and welfare of their communities; and

WHEREAS, the continued absence of Flood Hazard Risk Reduction Measures in coastal communities creates an imminent threat to life, property, and the health, safety, and welfare of these communities; and

WHEREAS, the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. App. A:9-33, et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4, and all amendments and supplements thereto, confer upon the Governor of the State of New Jersey certain emergency powers; and

able resources of the State government and of each and every political subdivision of the State, whether of persons, properties, or instrumentalities, and to commandeer and utilize any personal services and any privately owned property necessary to protect against this emergency; and

WHEREAS, employing the procedures set out in N.J.S.A. 20:3-1 et seq., public entities are empowered to condemn private property for public purposes, including the creation of Flood Hazard Risk Reduction Measures; and

WHEREAS, pursuant to N.J.S.A. 12:3-64, the New Jersey Department of Environmental Protection ("DEP") is authorized to acquire any lands in the State that it deems advisable, and may enter upon and take property in advance of making compensation therefor where for any reason it cannot acquire the property by agreement with the owner; and

WHEREAS, pursuant to N.J.S.A. App. A:9-51.5, municipalities are authorized to enter upon and take possession and control of property necessary for the construction of Flood Hazard Risk Reduction Measures; and

WHEREAS, all of the aforementioned authority is necessary to protect the public health, safety, and welfare from future natural disasters; and

Each department, office, division, or agency is hereby required, to cooperate with the Office and to provide such assistance as is necessary to accomplish the purpose of this Order. (1897)
AMENDMENTS ADOPTED IN 2013
TO THE 1947 CONSTITUTION

ARTICLE I, PARAGRAPH 23

Amend Article I, paragraph 23 to read as follows:

23. Every employer shall, beginning the January 1 next following the date of the approval of this amendment by the people pursuant to Article IX of the Constitution, pay each employee subject to the “New Jersey State Wage and Hour Law,” P.L. 1966, c.113 (C.34:11-56a et seq.), or a successor State statute, a wage rate of not less than the rate required by that act, or $8.25 per hour, whichever is more. On the September 30 next following the date of the approval of this amendment, and on September 30 of each subsequent year, the State minimum wage rate shall be increased, effective the following January 1, by any increase during the one year prior to that September 30 in the consumer price index for all urban wage earners and clerical workers (CPI-W) as calculated by the federal government. If, at any time, the federal minimum hourly wage rate set by section 6 of the federal "Fair Labor Standards Act of 1938" (29 U.S.C. s.206), or a successor federal law, is raised to a level higher than the State minimum wage rate, then the State minimum wage rate shall be increased to the level of the federal minimum wage rate and all subsequent increases based on increases in the CPI-W pursuant to this paragraph shall be applied to the State minimum wage rate as increased to match the federal minimum wage rate. This paragraph shall not be construed as altering or amending any provision of the “New Jersey State Wage and Hour Law,” P.L.1966, c.113 (C.34:11-56a et seq.) or a successor State statute, other than the hourly rate set by that act, or prohibiting the Legislature from amending that act.
