LAWS

(11)
AN ACT concerning horseshoe crabs and shorebird conservation and supplementing P.L.1979, c.199 (C.23:2B-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.23:2B-20 Findings, declarations, determinations relative to horseshoe crab and shorebird conservation.

1. The Legislature finds and declares that each spring more than a million shorebirds of six species, including the red knot, ruddy turnstone, sanderling, semipalmented sandpiper, short-billed dowicher, and dunlin, stop at Delaware Bay beaches and feed upon horseshoe crab eggs; that the red knot was once considered one of New Jersey’s most abundant shorebirds; that this critical food source of horseshoe crab eggs consumed during the stopover of the red knot in New Jersey and Delaware is needed for the birds to gain sufficient weight to continue their migration north to breeding grounds in the Canadian Arctic, survive until food becomes available, and successfully reproduce; that surveys have shown that red knots migrating through the bay region have declined by more than 75 percent since 2000; and that state and international biologists fear that the red knot will become extinct as soon as 2010.

The Legislature further finds and declares that the numbers of shorebirds other than the red knots that feed on horseshoe crab eggs on the Delaware Bay have declined by a highly significant 64 percent during the period of 1998 through 2007.

The Legislature further finds and declares that shorebird populations have continued to decline, despite the fact that over the past two decades more than $3 million in public funds have been spent on the protection and restoration of shorebird populations and their habitats on New Jersey’s Delaware Bay shore.
The Legislature therefore determines that a moratorium on the harvest, landing and possession of horseshoe crabs is critical to ensure that more horseshoe crab eggs will be available as a food source, thus increasing the likelihood of survival of these shorebirds.

C.23:2B-21 Moratorium on taking of horseshoe crabs, exceptions; shorebird management plan.

2. a. Except as provided pursuant to subsection b. or c. of this section, there shall be a moratorium on the taking in the State of horseshoe crabs or the eggs of horseshoe crabs, on the landing in the State of such crabs or the eggs of horseshoe crabs taken from outside of the State, and on the possession of horseshoe crabs or the eggs of horseshoe crabs regardless of their origin, until such time as: (1) the recovery targets for the population of the red knot shorebird, identified pursuant to the United States Fish and Wildlife Service 2007 status assessment, entitled “Status of the Red Knot (Calidris canutus rufa) in the Western Hemisphere,” are met; and (2) a shorebird management plan, which, based upon scientific study and evidence, demonstrates to the satisfaction of the Department of Environmental Protection that a more than adequate food supply from horseshoe crab eggs for shorebirds and population viability for both shorebirds and horseshoe crabs exist. The plan shall be subject to public comment and to review and approval by a peer-review panel which shall include qualified shorebird and horseshoe crab ecologists, and the Endangered and Nongame Species Advisory Committee created pursuant to subsection e. of section 7 of P.L.1973, c.309 (C.23:2A-7). The plan must indicate that the shorebirds species including the red knot rufa subspecies have fully recovered, pursuant to the United States Fish and Wildlife Service recovery targets, before the reestablishment of a limited harvest season may be considered.

b. Notwithstanding the provisions of this section to the contrary, the Department of Environmental Protection may issue a permit for: (1) the taking, landing and possession of horseshoe crabs or the eggs of horseshoe crabs for scientific or educational purposes only, provided that the department determines that the collection of the horseshoe crabs or the eggs of horseshoe crabs for these purposes will not cause harm to the red knot, other shorebirds, or horseshoe crab populations; or

(2) the collection of blood from horseshoe crabs for biomedical purposes, provided that the horseshoe crabs are released otherwise unharmed to the same waters from which they were collected.

c. The moratorium established in subsection a. of this section shall not apply to the possession and use of horseshoe crabs harvested outside of
the State, provided that the person found in possession of, or using, the horseshoe crabs has documentation which shows that the horseshoe crabs were not harvested in New Jersey. The documentation shall include a receipt or bill of lading that provides:

(1) the name, address, and phone number of the person or company that provided the horseshoe crabs;
(2) the permit or license number of the person or company named pursuant to paragraph (1) of this subsection; and
(3) the state and, if possible, the location, where the horseshoe crabs were harvested.

d. Any person possessing or using horseshoe crabs in violation of this section shall be liable to a penalty of $10,000 for the first offense, and $25,000 for the second and subsequent offenses, in addition to any applicable penalties prescribed pursuant to subsections b. through d. of section 73 of P.L.1979, c.199 (C.23:2B-14).

3. This act shall take effect immediately.

Approved March 25, 2008.

CHAPTER 2

AN ACT concerning municipal courts and amending N.J.S.2B:12-1.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2B:12-1 is amended to read as follows:

Establishment of municipal courts.

2B:12-1. Establishment of municipal courts.

a. Every municipality shall establish a municipal court. If a municipality fails to maintain a municipal court or does not enter into an agreement pursuant to subsection b. or c. of this section, the Assignment Judge of the vicinage shall order violations occurring within its boundaries heard in any other municipal court in the county until such time as the municipality establishes and maintains a municipal court. The municipality without a municipal court shall be responsible for all administrative costs specified in the order of the Assignment Judge pending the establishment of its municipal court.
b. Two or more municipalities, by ordinance, may enter into an agreement establishing a single joint municipal court and providing for its administration. A copy of the agreement shall be filed with the Administrative Director of the Courts. As used in this act, "municipal court" includes a joint municipal court.

c. Two or more municipalities, by ordinance or resolution, may agree to provide jointly for courtrooms, chambers, equipment, supplies and employees for their municipal courts and agree to appoint judges and administrators without establishing a joint municipal court. Where municipal courts share facilities in this manner, the identities of the individual courts shall continue to be expressed in the captions of orders and process.

d. An agreement pursuant to subsection b. or c. of this section may be terminated as provided in the agreement. If the agreement makes no provision for termination, it may be terminated by any party with reasonable notices and terms as determined by the Assignment Judge of the vicinage.

e. Any county of the first class with a population of over 825,000 and a population density of less than 4,000 persons per square mile according to the latest federal decennial census, with a county police department and force established in accordance with N.J.S.40A:14-106 or a county park police system established in accordance with P.L.1960, c.135 (C.40:37-261 et seq.), may establish, by ordinance, a central municipal court, which shall be an inferior court of limited jurisdiction, to adjudicate cases filed by agents of the county health department, members of the county police department and force or county park police system, or other cases within its jurisdiction referred by the vicinage Assignment Judge pursuant to the Rules of Court, and provide for its administration. A copy of that ordinance shall be filed with the Administrative Director of the Courts. As used in this act, "municipal court" includes a central municipal court.

2. This act shall take effect immediately.

Approved March 26, 2008.

CHAPTER 3

AN ACT appropriating $33,000,000 from the "Garden State Green Acres Preservation Trust Fund" for the acquisition of lands by the State for recreation and conservation purposes.
1. a. There is appropriated from the "Garden State Green Acres Preservation Trust Fund" established pursuant to section 19 of P.L.1999, c.152 (C.13:8C-19), to the Department of Environmental Protection the sum of $33,000,000 for the acquisition of lands by the State for recreation and conservation purposes. CHAPTER 4

AN ACT concerning life insurance policies and amending N.J.S.17B:30-12.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.17B:30-12 is amended to read as follows:

Discrimination prohibited; terms defined.

17B:30-12. a. No person shall discriminate against any person or group of persons because of race, creed, color, national origin or ancestry of such person or group of persons in the issuance, withholding, extension or renewal of any policy of life or health insurance or annuity or in the fixing of the rates, terms or conditions therefor, or in the issuance or acceptance of any application therefor.

b. No person shall use any form of policy of life or health insurance or contract of annuity which expresses, directly or indirectly, any limitation, or discrimination as to race, creed, color, national origin or ancestry or any intent to make any such limitation or discrimination.

c. No person shall make or permit any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any policy of life insurance or contract of annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such policy of life insurance or contract of annuity.

d. No person shall make or permit any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees, or rates charged for any policy or contract of health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such policy or contract, or in any other manner whatever.

e. (1) No person shall discriminate against any individual on the basis of genetic information or the refusal to submit to a genetic test or make
available the results of a genetic test to the person in the issuance, withholding, extension or renewal of any hospital confinement or other supplemental limited benefit insurance, as defined by regulation of the commissioner, or in the fixing of the rates, terms or conditions therefor, or in the issuance or acceptance of any application therefor.

(2) As used in this subsection and subsection f. of this section:

"Genetic characteristic" means any inherited gene or chromosome, or alteration thereof, that is scientifically or medically believed to predispose an individual to a disease, disorder or syndrome, or to be associated with a statistically significant increased risk of development of a disease, disorder or syndrome.

"Genetic information" means the information about genes, gene products or inherited characteristics that may derive from an individual or family member.

"Genetic test" means a test for determining the presence or absence of an inherited genetic characteristic in an individual, including tests of nucleic acids such as DNA, RNA and mitochondrial DNA, chromosomes or proteins in order to identify a predisposing genetic characteristic.

f. No person shall make or permit any unfair discrimination against an individual in the application of the results of a genetic test or genetic information in the issuance, withholding, extension or renewal of a policy of life insurance, including credit life insurance, an annuity, disability income insurance contract or credit accident insurance coverage. If the commissioner has reason to believe that such unfair discrimination has occurred, including that application of the results of a genetic test is not reasonably related to anticipated claim experience, and that a proceeding by the commissioner would be in the interest of the public, the commissioner shall, in accordance with the provisions of N.J.S.17B:30-1 et seq., issue and serve upon the insurer a statement of the charges. Upon a determination that the practice or act of the insurer is in conflict with the provisions of this subsection, the commissioner shall issue an order requiring the insurer to cease and desist from engaging in the practice or act and may order payment of a penalty consistent with the provisions of N.J.S.17B:30-1 et seq.

If, in the issuance, withholding, extension or renewal of any policy of life insurance, including credit life insurance, an annuity, disability income insurance contract or credit accident insurance coverage, an insurer will use the results of a genetic test in compliance with this subsection, the insurer shall notify the individual who is the subject of the genetic test that such a test shall be required and shall obtain the individual's written informed consent for the test prior to the administration of the test, in accordance with
CHAPTER 5, LAWS OF 2008

the requirements of P.L.1985, c.179 (C.17:23A-1 et seq.). The insurer shall also provide that the physician or other health care professional designated by the individual shall promptly receive a copy of the results of the test and, if required, an interpretation of the test results by a qualified professional, and that the individual shall state in writing whether the individual elects to be informed of the results of the test.

g. No person shall make or permit any unfair discrimination against any individual on the basis of the individual's intent to engage in future lawful foreign travel in the issuance, extension or renewal of any policy of life insurance or in the fixing of the rates, terms or conditions therefor. For purposes of this subsection, "unfair discrimination" means any decision to issue, extend, or renew a policy of life insurance or the fixing of rates, terms, or conditions of a life insurance policy, on the basis of the individual's intent to engage in future lawful foreign travel, which is not based on sound actuarial principles or actual or reasonably anticipated experience.

h. Nothing contained in this section shall be construed to require any agent or company to take or receive the application for insurance or annuity of any person or to issue a policy of insurance or contract of annuity to any person.

2. This act shall take effect immediately.

Approved March 26, 2008.

cluding the amount of recycling tax due as a fee or surcharge on any amount
collected under a contract awarded pursuant to the "Local Public Contracts

sion of solid waste collection or solid waste disposal services; or (c) imposing
an automatic surcharge on any tariff established pursuant to law for the
solid waste disposal or transfer operations of the solid waste facility.

collected by the owner or operator of the solid waste facility.

(3) Every solid waste collector subject to the recycling tax is hereby
authorized to calculate, charge and collect rates, fees or surcharges from all
solid waste generators serviced by the solid waste collector sufficient to
recover the recycling tax imposed by this section.

h. The recycling tax imposed by this section shall be governed in all
respects by the provisions of the "State Uniform Tax Procedure Law,"
R.S.54:48-1 et seq., except only to the extent that a specific provision of
this section may be in conflict therewith.

3. Section 5 of P.L.1981, c.278 (C.13:1E-96) is amended to read as follows:

C.13:1E-96 State Recycling Fund; allocation of moneys.

5. a. The State Recycling Fund (hereinafter referred to as the "fund") is established as a nonlapsing, revolving fund. The fund shall be administered by the Department of Environmental Protection, and shall be credited with all recycling tax revenue collected pursuant to section 4 of P.L.2007, c.311 (C.13:1E-96.5), and all interest received on moneys in the fund.

b. Moneys in the fund shall be appropriated annually solely for the following purposes and no others:

(1) Not less than 60% of the estimated annual balance of the fund shall be used for the annual expenses of a program for direct recycling grants to municipalities or counties in those instances where a county, at its own expense, provides for the collection, processing and marketing of recyclable materials on a regional basis. The amount of a direct recycling grant shall be calculated on the basis of the total number of tons of recyclable materials annually recycled from residential, commercial and institutional sources within a particular municipality, or group of municipalities in the case of a county recycling program. No direct recycling grant shall exceed $10 per ton of recyclable materials recycled. All grant moneys received by a municipality shall be expended only for its recycling program. The department may allocate a portion of the direct recycling grant moneys as bonus grants to municipalities and counties whenever a municipality or county, at its own expense, provides for the collection of recyclable materials in its recycling program. The department shall announce each year the total amount of moneys available in the bonus grant fund.

A municipality may distribute a portion of its direct recycling grant moneys to nonprofit groups that are located within that municipality and which have contributed to the receipt of the direct recycling grant, except that this distribution shall not exceed the value of approved documented tonnage contributed by a nonprofit group.
A municipality may designate any nonprofit group as a recycling agent. A recycling agent shall receive that part of the municipality's direct recycling grant under this paragraph that represents the percentage of the grant received by the municipality due to the documented tonnage contributed by that recycling agent. Moneys received by a recycling agent shall be expended only for its recycling program. Any moneys not used for recycling shall be returned by the recycling agent to the municipality.

To be eligible for a direct recycling grant pursuant to this paragraph, a municipality or county in the case of a county recycling program shall demonstrate that the recyclable materials recycled by the municipal or county recycling program were not diverted from a commercial recycling program already in existence on the effective date of the ordinance or resolution establishing the municipal or county recycling program.

To remain eligible for a direct recycling grant pursuant to this paragraph, a municipality or county in the case of a county recycling program shall submit an annual recycling tonnage report to the department in accordance with rules and regulations adopted by the department therefor. Following the designation of a district certified recycling coordinator pursuant to section 3 of P.L.1987, c.102 (C.13:1E-99.13) and the designation of a municipal certified recycling coordinator pursuant to section 6 of P.L.1987, c.102 (C.13:1E-99.16), the department shall not accept an annual recycling tonnage report from a county or municipality unless the report has been signed by a certified recycling coordinator.

No direct recycling grant to any municipality shall be used for constructing or operating any facility for the baling of wastepaper or for the shearing, baling or shredding of ferrous or nonferrous materials.

Whenever a municipality operates a municipal service system for solid waste collection pursuant to R.S.40:66-1, or provides for regular solid waste collection service under a contract awarded pursuant to the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.), the amount of grant moneys received by the municipality shall not be less than the annual amount of recycling tax paid by the municipality pursuant to section 4 of P.L.2007, c.311 (C.13:1E-96.5), except that all grant moneys received by the municipality shall be expended only for its recycling program;

(2) 5% of the estimated annual balance of the fund shall be used for State recycling program planning and program funding, including the administrative expenses thereof;

(3) 25% of the estimated annual balance of the fund shall be used to provide State aid to counties for preparing, revising, and implementing solid waste management plans, including the implementation of the goals of the
State Recycling Plan. The moneys may also be used by the counties to support community oversight projects and to establish a citizens' advisory committee. A county receiving State aid shall not expend more than 2% of the amount of aid received in any year for the costs of administering the aid. The State aid shall be distributed to the counties on the basis of the total amount of solid waste generated from within each county during the previous calendar year as determined by the department. In the event that the department determines that any county has failed to fulfill its district solid waste management planning responsibilities, the department may withhold for an entire year or until the county fulfills its responsibilities, all or a portion of the amount of moneys that county would have received in any year pursuant to this paragraph. Any moneys withheld for an entire year shall be distributed among the remaining counties in the same proportion as the other moneys were distributed. The moneys may also be used by the counties for household hazardous waste collection, and for recycling program planning and program funding, including the administrative expenses thereof:

(4) 5% of the estimated annual balance of the fund shall be used by counties for public information and education programs concerning recycling activities; and

(5) Not more than 5% of the estimated annual balance of the fund shall be used by the department to provide grants to institutions of higher education for recycling demonstration, research or education, including professional training.

C.40A:4-45.45a Amounts raised to pay recycling tax treated as exclusion for calculation of adjusted tax levy.

4. Notwithstanding the provisions of section 10 of P.L.2007, c.62 (C.40A:4-45.45) to the contrary, amounts required to be raised to pay the recycling tax imposed by section 4 of P.L.2007, c.311 (C.13:1E-96.5) shall be treated as an exclusion that shall be added to the calculation of the adjusted tax levy.

5. This act shall take effect immediately and section 1 shall be retroactive to January 13, 2008.

Approved March 26, 2008.

CHAPTER 8

AN ACT concerning amounts expended for municipal free library purposes, amending R.S.40:54-15 and supplementing chapter 4 of Title 40A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.40:54-15 is amended to read as follows:
chapter 8, laws of 2008

annual report, identification of excess funds to municipality, transfer procedure.

40:54-15. a. The board of trustees shall make an annual report to the chief financial officer of the municipality which shall include a statement setting forth in detail all public revenues received by the library, all state aid received by the library, all expenditures made by the library and the balance of funds available. Notwithstanding the requirements of R.S.40:54-8 pertaining to the amount required to be raised and appropriated for library purposes, the annual report may identify excess funds that the board intends to approve and transfer to the municipality as miscellaneous revenue. The excess funds intended for transfer may be any amount that exceeds the sum of the amount of the audited operating expenditures of the library for the most recent available year, plus an additional 25% of those operating expenditures, excluding funds restricted for capital projects and grants, to be maintained as surplus. The annual report shall also include an analysis of the state and condition of the library and shall be sent to the municipal governing body and to the state library. The state librarian shall prescribe by regulation the form of all such reports.

b. (1) The board of trustees of a municipal free library may adopt a resolution of its intent to transfer excess funds to the municipality, as identified in its annual report pursuant to subsection a. of this section.

(2) The board of trustees of a municipal free library established after the effective date of P.L.2008, c.8 shall not adopt a resolution of intent pursuant to this subsection before the eighth budget year following its establishment.

c. Once the board of trustees has adopted a resolution of intent pursuant to subsection b. of this section, it shall forward the resolution to the state librarian for approval, along with any other information required by the state librarian and in accordance with procedures and forms promulgated by the state librarian in consultation with the director of the division of local government services in the department of community affairs. The state librarian shall approve any resolution upon a determination that all of the following provisions are met:

(1) the municipal free library will still retain a sum equal to the amount of the audited operating expenditures of the library for the most recent available year plus an additional 25% of that amount, excluding funds restricted for capital projects and grants, to be maintained as surplus;

(2) the municipality and the municipal free library are in compliance with all conditions imposed by rule or regulation promulgated by the state librarian for per capita library aid to public libraries according to the "state library aid law," N.J.S.18A:74-1 et seq., and pertaining to appropriations for the maintenance of a municipal free library according to R.S.40:54-8 or sec-
tion 2 of P.L.1959, c.155 (C.40:54-29.4) in the case of a joint free public library;

(3) there are sufficient funds remaining in the municipal free library's operating budget for the maintenance of the library for the balance of the fiscal year in which the transfer of funds to the municipality occurs; and

(4) the library board of trustees has a written plan of at least three years that reflects that the long-term funding needs of the library will be met, and that any capital expense will contribute to the provision of efficient and effective library services, and that the written plan has been approved by the State Librarian.

d. Upon approval of its resolution of intent by the State Librarian pursuant to subsection c. of this section, the board of trustees may cause the amount of the excess funds identified in its resolution to be transferred to the municipality.

C.40A:4-25.1 Use of library monies transferred to municipality.

2. Monies approved by the State Librarian for transfer to a municipality by the board of trustees of its municipal free library, pursuant to subsection c. of R.S.40:54-15, may be anticipated by the municipality as a miscellaneous revenue; provided, however, that the monies shall be used solely and exclusively by the municipality for the purposes of reducing the amount the municipality is required to raise by local property tax levy for municipal purposes. The director shall certify that each municipality has complied with this section. If the director finds that monies transferred to a municipality by its municipal free library pursuant to subsection d. of R.S.40:54-15 are not used by that municipality solely and exclusively to reduce the amount required to be raised by the local property tax levy, then the director shall correct the municipal budget, pursuant to N.J.S.40A:4-86, to ensure that the transferred funds are used for that purpose only.

3. This act shall take effect immediately.

Approved April 7, 2008.

1. An institution of higher education shall provide any student who, for reason of a religious observance, cannot attend a test or examination at its regular administration with an alternative opportunity to take an equivalent test or examination. The alternative opportunity shall be offered as soon after or before the regular administration of the test as is possible, and at comparable times, places, and costs. The test agency may request that the test subject provide a written explanation of the religious conflict signed by a clergyman of the test subject’s place of worship.

3. This act shall take effect immediately.

CHAPTER 11

CHAPTER 11, LAWS OF 2008

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1995, c.329 (C.34:15-130) is amended to read as follows:

C.34:15-130 Findings, declarations.

2. The Legislature finds and declares that, whereas current law already requires virtually all employers to provide for the payment of workers' compensation benefits to injured employees, because of the unique nature of the horse racing industry, difficulties have arisen in ensuring that coverage is provided to employees. For example, out-of-State horse owners are sometimes unaware of their obligation to provide such coverage, or because a jockey may ride the horses of more than one owner, there may be confusion as to who the responsible employer is. As a result, serious injuries have been sustained for which there is no coverage.

It is, therefore, in the public interest to ensure that workers' compensation coverage is available to persons employed in the thoroughbred and standardbred horse racing industries in New Jersey by collectively securing workers' compensation insurance coverage for certain designated horse racing industry employees who are eligible to receive that coverage pursuant to the provisions of this act, the costs of which shall be funded by the horse racing industry, and the assessments for funding that coverage shall be calculated separately for the thoroughbred and standardbred industries, based on their respective experience.

It is also in the public interest for the Legislature to provide, through this act, sufficient guidance and clarity regarding which horse racing industry employees are eligible for coverage secured by the New Jersey Horse Racing Injury Compensation Board pursuant to this act, and the circumstances that must exist for that coverage to be applicable.

2. Section 3 of P.L.1995, c.329 (C.34:15-131) is amended to read as follows:

C.34:15-131 Definitions relative to the New Jersey Horse Racing Injury Compensation Board.

3. As used in this act:

"Commission" means the New Jersey Racing Commission established pursuant to section 1 of P.L.1940, c.17 (C.5:5-22).
"Horse racing industry employee" means:

a. the driver of a standardbred horse, who is licensed or is required to be licensed by the commission, while that driver is engaged in performing those services for which that driver is or is required to be licensed at a permitted New Jersey racetrack in connection with the racing of a horse. That standardbred driver shall be considered to be the horse racing industry employee of a standardbred owner for the purposes of calculating, allocating and assessing the cost of workers' compensation insurance coverage;

b. the jockey, jockey apprentice or exercise rider of a thoroughbred horse, who is licensed or is required to be licensed by the commission, while engaged in performing those services for which that jockey, jockey apprentice or exercise rider is or is required to be licensed at a permitted New Jersey racetrack in connection with the racing or exercising of a horse. That jockey, jockey apprentice or exercise rider shall be considered to be the horse racing industry employee of a thoroughbred owner for the purposes of calculating, allocating and assessing the cost of workers' compensation insurance coverage; and

c. the stable employees of a thoroughbred trainer, who are licensed or are required to be licensed by the commission, while those stable employees are engaged in performing those services for which those stable employees are licensed or are required to be licensed at a permitted New Jersey racetrack, during the period of time the trainer's horses are stabled at the permitted New Jersey racetrack. Stable employees as defined herein shall include assistant trainers, grooms, and hot walkers.

A "horse racing industry employee" shall not mean a standardbred owner, standardbred trainer, thoroughbred owner, or thoroughbred trainer.

"Permitted New Jersey racetrack" means a New Jersey racetrack that has been approved by the commission to hold a horse race meeting as evidenced by a valid permit issued pursuant to section 18 of P.L.1940, c.17 (C.5:5-38) for the year in which the race meeting is held.

"Stabled" means the long-term placement of horses in assigned stalls in barns located on the grounds of a permitted New Jersey racetrack, in which stalls the horses reside continuously for the purpose of racing at any permitted racetrack in New Jersey, or the short-term placement of those horses in stalls located on the grounds of an out-of-State racetrack in connection with the pre-race detention requirements of that out-of-State racetrack, provided the horses are returned to their permanent stabled location at the permitted New Jersey racetrack within a maximum of 48 hours after that out-of-State race.
3. Section 6 of P.L.1995, c.329 (C.34:15-134) is amended to read as follows:

C.34:15-134 Insurance coverage; assessments.
6. a. The board shall secure workers' compensation insurance coverage for horse racing industry employees.
   
b. The board shall assess and collect sufficient funds to pay the costs of the insurance or self insurance coverage required by this act and by the workers' compensation laws of this State and to pay any additional costs necessary to carry out its other duties. The board shall ascertain the total funding necessary, establish the sums that are to be paid and establish by regulation the method of assessing and collecting these moneys. Assessments shall include, but shall not be limited to, deductions from gross overnight purses paid to owners, so long as such deductions do not exceed 3% of standardbred purses or 4% of thoroughbred purses, as applicable, and additional assessments may be collected as needed from standardbred owners, thoroughbred owners and thoroughbred trainers who are licensed or are required to be licensed by the commission. Track owners shall not be assessed for such costs.
   
c. Assessments for workers' compensation insurance coverage pursuant to this act shall be calculated and allocated separately for the thoroughbred and standardbred industries, based on their respective loss experience, and any assessments pursuant to subsection b. of this section shall be allocated accordingly. No public funds, other than the moneys collected pursuant to subsection b. of this section, shall be used for the purpose of self insurance or for paying the costs of workers' compensation insurance or workers' compensation benefits pursuant to this act.

4. Section 2 of P.L.1999, c.378 (C.34:15-134.1) is amended to read as follows:

C.34:15-134.1 Trainer to carry compensation insurance for employees, eligibility for coverage.
2. Notwithstanding any provision of P.L.1995, c.329 (C.34:15-129 et seq.), as amended:
   
a. A standardbred trainer who is licensed or is required to be licensed by the commission shall carry compensation insurance covering the standardbred trainer's employees as required by R.S.34:15-1 et seq., regardless of where the standardbred trainer's horses are stabled;
   
b. With respect to the stable employees of a thoroughbred trainer, the workers' compensation policy secured by the board shall cover only those stable employees who are licensed or are required to be licensed by the
commission when they are employed to work at a permitted New Jersey racetrack to care for the horses located there. To be eligible for coverage and benefits under the workers' compensation policy secured by the board, those stable employees shall be injured at a permitted New Jersey racetrack while they are engaged in performing services for which they are licensed or are required to be licensed. Those thoroughbred trainer's stable employees shall remain eligible for coverage under the workers' compensation policy secured by the board, if the trainer requires them to accompany a horse that is transported from the permitted New Jersey racetrack where it is stabled to compete in a race at an out-of-State racetrack. Those stable employees shall remain eligible for coverage under the board's policy for that period of time in which the out-of-State racetrack requires the horse to be present prior to the race, provided that the horse is returned to stabling at a permitted New Jersey racetrack within a maximum of 48 hours after the race. The workers' compensation policy of the board shall not cover those stable employees who are licensed or are required to be licensed by the commission who work with horses that the trainer has stabled at a location other than a permitted New Jersey racetrack;

c. A thoroughbred trainer who is licensed or is required to be licensed by the commission shall carry compensation insurance covering the thoroughbred trainer's employees as required by R.S.34:15-1 et seq. when the trainer's horses are not stabled at a permitted New Jersey racetrack. A thoroughbred trainer whose horses are stabled at a permitted New Jersey racetrack and whose stable employees receive workers' compensation coverage through the policy secured by the board shall immediately obtain compensation insurance covering these stable employees as required by R.S.34:15-1 et seq. if and when that trainer's horses are no longer stabled at a permitted New Jersey racetrack; and

d. A thoroughbred trainer whose stable employees receive workers' compensation coverage through the policy secured by the board shall ascertain and comply with the workers' compensation requirements of any other state to which that thoroughbred trainer is subject to jurisdiction. In such cases when a state other than New Jersey requires a thoroughbred trainer to obtain workers' compensation insurance coverage pursuant to the terms and conditions of its laws, any workers' compensation coverage provided through the policy secured by the board shall be secondary to the coverage required by the other state.

5. Section 7 of P.L.1995, c.329 (C.34:15-135) is amended to read as follows:
C.34:15-135 Employee, employer relationship under the act.

7. a. For the purposes of this act and R.S.34:15-36, a horse racing industry employee shall be deemed to be in the employment of the New Jersey Horse Racing Injury Compensation Board and in the employment of all standardbred owners, thoroughbred owners, or thoroughbred trainers, as the case may be, who are licensed or are required to be licensed by the commission and whose horses are stabled at a permitted New Jersey racetrack at the time of any occurrence for which workers' compensation benefits are payable pursuant to R.S.34:15-1 et seq., as supplemented by this act, and not solely in the employment of a particular owner or trainer. A horse racing industry employee shall not be deemed to be in the employment of the New Jersey Horse Racing Injury Compensation Board for any other purpose.

b. For the purposes of this act and R.S.34:15-36, the New Jersey Horse Racing Injury Compensation Board and all standardbred owners, thoroughbred owners, or thoroughbred trainers who are licensed or are required to be licensed by the commission and whose horses are stabled at a permitted New Jersey racetrack shall be deemed the employer of a horse racing industry employee at the time of any event for which workers' compensation benefits are payable pursuant to R.S.34:15-1 et seq., as supplemented by this act. The New Jersey Racing Injury Compensation Board shall not be deemed the employer of a horse racing industry employee for any other purpose.

c. With respect to horse racing industry employees, the requirements of R.S.34:15-1 et seq. regarding the provision of workers' compensation insurance by employers are satisfied in full by compliance with the requirements imposed upon standardbred owners, thoroughbred owners, and thoroughbred trainers by this act and any rules or regulations promulgated hereunder. If the responsible owner or trainer fails to comply with the requirements of this act or any rules or regulations promulgated hereunder and if the board is still required to pay the award on behalf of that owner or trainer who has been found to have violated this act or any rule or regulation promulgated hereunder, then the board is hereby authorized to impose a penalty on that owner or trainer in an amount not to exceed $10,000 per violation.

d. The provisions of this act shall not apply to employees of an owner or trainer who are not horse racing industry employees.

C.34:15-136.1 Documentation, maintenance of complete and accurate records of wages paid.

6. a. A thoroughbred trainer shall document and maintain complete and accurate records of all wages paid, whether by check or in cash, to stable
employees and, notwithstanding the provisions of subsection b. of the definition of “Horse racing industry employee” in section 3 of P.L.1995, c.329 (C.34:15-131), to exercise riders who are hired in connection with the exercising or racing of a horse the trainer trains, who receive workers’ compensation coverage through the policy secured by the board. A thoroughbred trainer shall produce these records within five days when directed to do so by the board or a designated agent of the board. The board is hereby authorized to impose a penalty in an amount not to exceed $1,000 per violation on any trainer who fails to produce complete and accurate records within the time period allotted by this subsection.

b. The appropriate horseman’s bookkeeper, consistent with regulations promulgated by the New Jersey Racing Commission, shall document and maintain complete and accurate records of all wages paid, whether by check or in cash, to a jockey or jockey apprentice or driver who receives workers’ compensation coverage through the policy secured by the board.

7. This act shall take effect immediately.

Approved April 11, 2008.

CHAPTER 12

AN ACT concerning promotional gaming credits issued by casinos and supplementing P.L.1977, c. 110 (C.5:12-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:12-38a “Promotional gaming credit.”

1. “Promotional gaming credit” — A slot machine credit or other item approved by the commission that is issued by a licensee to a patron for the purpose of enabling the placement of a wager at a slot machine in the licensee’s casino. No such credit shall be reported as a promotional gaming credit unless the casino licensee can establish that the credit was issued by the casino licensee and received from a patron as a wager at a slot machine in the licensee’s casino.

C.5:12-144.2 Annual deduction from gross revenue relative to promotional gaming credits.

2. a. A casino licensee shall receive an annual deduction from the gross revenue taxed pursuant to subsection a. of section 144 of P.L.1977, c.110
(C.5:12:144) in an amount equal to either (1) the promotional gaming credits reported by that licensee in its annual tax return or (2) such other portion of the promotional gaming credits reported by all casino licensees as the commission may allocate to a particular licensee to reflect that licensee's pro rata share of the costs of the 2008 agreement executed between the New Jersey Sports and Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry.

b. Casino licensees shall be allowed a deduction from gross revenues for a tax year pursuant to subsection a. of this section for the total value of promotional gaming credits redeemed by patrons at all licensed casinos for that tax year in excess of $90,000,000. For the first tax year in which this act becomes operative pursuant to section 3 of this act, P.L.2008, c.12, the commission shall reduce the $90,000,000 deduction threshold for that tax year in proportion to the part of the tax year that has elapsed prior to that operative date.

c. The commission shall establish, by regulation, procedures and standards for allocating the deduction established pursuant to this section to reflect each licensee's pro rata share of the costs of the 2008 agreement executed between the New Jersey Sports and Exposition Authority and the Casino Association of New Jersey for the benefit of the horse racing industry and procedures and standards for each licensee to take the deduction established pursuant to this section to reflect those deductions that exceed the costs of the 2008 agreement. Such regulations shall include standards for the allocation of the $90,000,000 deduction threshold established in subsection b. of this section, the timing of the application of deductions, and all other matters related to the provisions of this section.

d. (1) The commission shall establish, by regulation, procedures to ensure that the promotional gaming credit deduction established pursuant to this section does not result in a negative fiscal impact to the Casino Revenue Fund. If necessary, the commission may reduce the value of the available deduction to eliminate any negative fiscal impact to the Casino Revenue Fund attributable solely to the deduction and not to other economic or other factors that cause a negative fiscal impact to the Casino Revenue Fund.

(2) For the purposes of this subsection, "negative fiscal impact to the Casino Revenue Fund" shall mean that the amount generated from taxation of promotional gaming credits falls below the level generated in calendar year 2007.

3. This act, P.L.2008, c.12, shall become operative upon the certification by the chair of the Casino Control Commission to the State Treasurer
that an agreement has been executed between the New Jersey Sports and
Exposition Authority and the Casino Association of New Jersey for the
benefit of the horse racing industry, for $30,000,000 annually for a three-
year period.

4. This act shall take effect immediately.

Approved April 11, 2008.

No county shall impound a shopping cart that has a sign or notice identifying the owner of the cart, or the retailer who has written consent from the owner to use the cart, and listing a valid telephone number or address through which the owner or retailer can be contacted, unless the following conditions are met:

1. The shopping cart is located outside the premises or parking area of a retail mercantile establishment;
2. The county notifies the owner or retailer of the location of the cart and allows three business days from the date of such notification for the owner, retailer, or an authorized agent to retrieve the shopping cart, unless the immediate removal is necessary to prevent a danger to public safety;
3. The county notifies the owner or retailer upon impoundment of a shopping cart, and includes information as to how the cart may be retrieved;
4. The location that an impounded shopping cart is held is reasonably convenient to the owner, retailer, or authorized agent, and is open for business at least six hours of each business day;
5. Any fine imposed upon the owner or retailer for an impounded shopping cart does not exceed $50 for each occurrence for failure to retrieve shopping carts. An occurrence includes all shopping carts impounded in accordance with this section during a 24-hour period; and
6. The county must allow the owner or retailer a minimum of five business days following receipt of notice that a shopping cart has been impounded to retrieve the cart before it may sell or otherwise dispose of the cart.

c. A county may impound a shopping cart that has a sign or notice identifying the owner of the cart, or the retailer who has written consent from the owner to use the cart, and lists a valid telephone number or address through which the owner or retailer can be contacted, without meeting the conditions required by paragraphs (1) through (5) of subsection b. of this section if the county:

1. Notifies the owner or retailer within 24 hours of impounding the shopping cart, and includes information on how the cart may be retrieved;
2. Releases the cart to the owner, retailer or authorized agent without any charge or fine whatsoever, if the owner, retailer, or authorized agent attempts to retrieve the cart within five business days of notice.

Nothing contained in this section shall preclude or otherwise limit a county from impounding a shopping cart that does not have a sign or notice identifying the owner of the cart, or the retailer who has written consent from the owner to use the cart, and lists a valid telephone number or address through which the owner or retailer can be contacted.

C.10:4-12 Meetings open to public; exceptions.

7. a. Except as provided by subsection b. of this section all meetings of public bodies shall be open to the public at all times. Nothing in this act shall be construed to limit the discretion of a public body to permit, prohibit or regulate the active participation of the public at any meeting, except that a municipal governing body and a board of education shall be required to set aside a portion of every meeting of the municipal governing body or board of education, the length of the portion to be determined by the municipal governing body or board of education, for public comment on any governmental or school district issue that a member of the public feels may be of concern to the residents of the municipality or school district.

b. A public body may exclude the public only from that portion of a meeting at which the public body discusses:

(1) Any matter which, by express provision of federal law or State statute or rule of court shall be rendered confidential or excluded from the provisions of subsection a. of this section.

(2) Any matter in which the release of information would impair a right to receive funds from the Government of the United States.

(3) Any material the disclosure of which constitutes an unwarranted invasion of individual privacy such as any records, data, reports, recommendations, or other personal material of any educational, training, social service, medical, health, custodial, child protection, rehabilitation, legal defense, welfare, housing, relocation, insurance and similar program or in-
stitution operated by a public body pertaining to any specific individual admitted to or served by such institution or program, including but not limited to information relative to the individual's personal and family circumstances, and any material pertaining to admission, discharge, treatment, progress or condition of any individual, unless the individual concerned (or, in the case of a minor or incompetent, his guardian) shall request in writing that the same be disclosed publicly.

(4) Any collective bargaining agreement, or the terms and conditions which are proposed for inclusion in any collective bargaining agreement, including the negotiation of the terms and conditions thereof with employees or representatives of employees of the public body.

(5) Any matter involving the purchase, lease or acquisition of real property with public funds, the setting of banking rates or investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed.

(6) Any tactics and techniques utilized in protecting the safety and property of the public, provided that their disclosure could impair such protection. Any investigations of violations or possible violations of the law.

(7) Any pending or anticipated litigation or contract negotiation other than in subsection b.(4) herein in which the public body is, or may become a party.

Any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer.

(8) Any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance of, promotion or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the public body, unless all the individual employees or appointees whose rights could be adversely affected request in writing that such matter or matters be discussed at a public meeting.

(9) Any deliberations of a public body occurring after a public hearing that may result in the imposition of a specific civil penalty upon the responding party or the suspension or loss of a license or permit belonging to the responding party as a result of an act or omission for which the responding party bears responsibility.

2. This act shall take effect immediately.

Approved April 21, 2008.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:35-14 is amended to read as follows:

Rehabilitation program for drug and alcohol dependent persons subject to a presumption of incarceration or a mandatory minimum period of parole ineligibility; criteria for imposing special probation; ineligible offenders; prosecutorial objections; commitment to residential treatment facilities or participation in a nonresidential treatment program; presumption of revocation; brief incarceration in lieu of permanent revocation.

2C:35-14. Rehabilitation Program for Drug and Alcohol Dependent Persons Subject to a Presumption of Incarceration or a Mandatory Minimum Period of Parole Ineligibility; Criteria for Imposing Special Probation; Ineligible Offenders; Prosecutorial Objections; Commitment to Residential Treatment Facilities or Participation in a Nonresidential Treatment Program; Presumption of Revocation; Brief Incarceration in Lieu of Permanent Revocation.

a. Any person who is ineligible for probation due to a conviction for a crime which is subject to a presumption of incarceration or a mandatory minimum period of parole ineligibility may be sentenced to a term of special probation in accordance with this section, and may not apply for drug and alcohol treatment pursuant to N.J.S.2C:45-1. Nothing in this section shall be construed to prohibit a person who is eligible for probation in accordance with N.J.S.2C:45-1 due to a conviction for an offense which is not subject to a presumption of incarceration or a mandatory minimum period of parole ineligibility from applying for drug or alcohol treatment as a condition of probation pursuant to N.J.S.2C:45-1. Notwithstanding the presumption of incarceration pursuant to the provisions of subsection d. of N.J.S.2C:44-1, and except as provided in subsection c. of this section, whenever a drug or alcohol dependent person who is subject to sentencing under this section is convicted of or adjudicated delinquent for an offense, other than one described in subsection b. of this section, the court, upon notice to the prosecutor, may, on motion of the person, or on the court's own motion, place the person on special probation, which shall be for a term of five years, provided that the court finds on the record that:
(1) the person has undergone a professional diagnostic assessment to determine whether and to what extent the person is drug or alcohol dependent and would benefit from treatment; and

(2) the person is a drug or alcohol dependent person within the meaning of N.J.S.2C:35-2 and was drug or alcohol dependent at the time of the commission of the present offense; and

(3) the present offense was committed while the person was under the influence of a controlled dangerous substance, controlled substance analog or alcohol or was committed to acquire property or monies in order to support the person's drug or alcohol dependency; and

(4) substance abuse treatment and monitoring will serve to benefit the person by addressing his drug or alcohol dependency and will thereby reduce the likelihood that the person will thereafter commit another offense; and

(5) the person did not possess a firearm at the time of the present offense and did not possess a firearm at the time of any pending criminal charge; and

(6) the person has not been previously convicted on two or more separate occasions of crimes of the first or second degree, other than those listed in paragraph (7); or the person has not been previously convicted on two or more separate occasions, where one of the offenses is a crime of the third degree, other than crimes defined in N.J.S.2C:35-10, and one of the offenses is a crime of the first or second degree; and

(7) the person has not been previously convicted or adjudicated delinquent for, and does not have a pending charge of murder, aggravated manslaughter, manslaughter, robbery, kidnapping, aggravated assault, aggravated sexual assault or sexual assault, or a similar crime under the laws of any other state or the United States; and

(8) a suitable treatment facility licensed and approved by the Division of Addiction Services in the Department of Human Services is able and has agreed to provide appropriate treatment services in accordance with the requirements of this section; and

(9) no danger to the community will result from the person being placed on special probation pursuant to this section.

In determining whether to sentence the person pursuant to this section, the court shall consider all relevant circumstances, and shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing or other court proceedings, and shall also consider the presentence report and the results of the professional diagnostic assessment to deter-
mine whether and to what extent the person is drug or alcohol dependent and would benefit from treatment.

As a condition of special probation, the court shall order the person to enter a residential treatment program at a facility licensed and approved by the Division of Addiction Services in the Department of Human Services or a program of nonresidential treatment by a licensed and approved treatment provider, to comply with program rules and the requirements of the course of treatment, to cooperate fully with the treatment provider, and to comply with such other reasonable terms and conditions as may be required by the court or by law, pursuant to N.J.S.2C:45-1, and which shall include periodic urine testing for drug or alcohol usage throughout the period of special probation. In determining whether to order the person to participate in a nonresidential rather than a residential treatment program, the court shall follow the procedure set forth in subsection j. of this section. Subject to the requirements of subsection d. of this section, the conditions of special probation may include different methods and levels of community-based or residential supervision.

b. A person shall not be eligible for special probation pursuant to this section if the person is convicted of or adjudicated delinquent for:

(1) a crime of the first degree;
(2) a crime of the first or second degree enumerated in subsection d. of section 2 of P.L.1997, c.117 (C.2C:43-7.2);
(3) a crime, other than that defined in section 1 of P.L.1987, c.101 (C.2C:35-7), for which a mandatory minimum period of incarceration is prescribed under chapter 35 of this Title or any other law; or
(4) an offense that involved the distribution or the conspiracy or attempt to distribute a controlled dangerous substance or controlled substance analog to a juvenile near or on school property.

c. A person who is subject to sentencing under this section in accordance with subsection a. shall not be eligible for a sentence of special probation pursuant to this section if:

(1) the person has been:
(a) convicted of or adjudicated delinquent for an offense under section 1 of P.L.1987, c.101 (C.2C:35-7), subsection b. of section 1 of P.L.1997, c.185 (C.2C:35-4.1), or any crime for which there exists a presumption of imprisonment pursuant to subsection d. of N.J.S.2C:44-1 or any other statute;
(b) previously convicted of an offense under subsection a. of N.J.S.2C:35-5 or a similar offense under any other law of this State, any other state or the United States; or
(c) previously convicted on two or more separate occasions of crimes of the third degree, other than crimes defined in N.J.S.2C:35-10; and
(2) the prosecutor objects to the person being placed on special probation. The court shall not place a person on special probation over the prosecutor's objection except upon a finding by the court of a gross and patent abuse of prosecutorial discretion. If the court makes a finding of a gross and patent abuse of prosecutorial discretion and imposes a sentence of special probation notwithstanding the objection of the prosecutor, the sentence of special probation imposed pursuant to this section shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

d. Except as otherwise provided in subsection j. of this section, a person convicted of or adjudicated delinquent for a crime of the second degree or of a violation of section 1 of P.L.1987, c.101 (C.2C:35-7), or who previously has been convicted of or adjudicated delinquent for an offense under subsection a. of N.J.S.2C:35-5 or a similar offense under any other law of this State, any other state or the United States, who is placed on special probation under this section shall be committed to the custody of a residential treatment facility licensed and approved by the Division of Addiction Services in the Department of Human Services. Subject to the authority of the court to temporarily suspend imposition of all or any portion of the term of commitment to a residential treatment facility pursuant to subsection j. of this section, the person shall be committed to the residential treatment facility immediately, unless the facility cannot accommodate the person, in which case the person shall be incarcerated to await commitment to the residential treatment facility. The term of such commitment shall be for a minimum of six months, or until the court, upon recommendation of the treatment provider, determines that the person has successfully completed the residential treatment program, whichever is later, except that no person shall remain in the custody of a residential treatment facility pursuant to this section for a period in excess of five years. Upon successful completion of the required residential treatment program, the person shall complete the period of special probation, as authorized by subsection a. of this section, with credit for time served for any imprisonment served as a condition of probation and credit for each day during which the person satisfactorily complied with the terms and conditions of special probation while committed pursuant to this section to a residential treatment facility. Except as otherwise provided in subsection l. of this section, the person shall not be eligible for early discharge of special probation pursuant to N.J.S.2C:45-2, or any other provision of the law. The court, in determining the number of credits for time spent in residential treatment, shall consider the recommendations of the treatment provider. A person placed into a
residential treatment facility pursuant to this section shall be deemed to be subject to official detention for the purposes of N.J.S.2C:29-5 (escape).

e. The probation department or other appropriate agency designated by the court to monitor or supervise the person's special probation shall report periodically to the court as to the person's progress in treatment and compliance with court-imposed terms and conditions. The treatment provider shall promptly report to the probation department or other appropriate agency all significant failures by the person to comply with any court imposed term or condition of special probation or any requirements of the course of treatment, including but not limited to a positive drug or alcohol test or the unexcused failure to attend any session or activity, and shall immediately report any act that would constitute an escape. The probation department or other appropriate agency shall immediately notify the court and the prosecutor in the event that the person refuses to submit to a periodic drug or alcohol test or for any reason terminates his participation in the course of treatment, or commits any act that would constitute an escape.

f. (1) Upon a first violation of any term or condition of the special probation authorized by this section or of any requirements of the course of treatment, the court in its discretion may permanently revoke the person's special probation.

(2) Upon a second or subsequent violation of any term or condition of the special probation authorized by this section or of any requirements of the course of treatment, the court shall, subject only to the provisions of subsection g. of this section, permanently revoke the person's special probation unless the court finds on the record that there is a substantial likelihood that the person will successfully complete the treatment program if permitted to continue on special probation, and the court is clearly convinced, considering the nature and seriousness of the violations, that no danger to the community will result from permitting the person to continue on special probation pursuant to this section. The court's determination to permit the person to continue on special probation following a second or subsequent violation pursuant to this paragraph may be appealed by the prosecution.

(3) In making its determination whether to revoke special probation, and whether to overcome the presumption of revocation established in paragraph (2) of this subsection, the court shall consider the nature and seriousness of the present infraction and any past infractions in relation to the person's overall progress in the course of treatment, and shall also consider the recommendations of the treatment provider. The court shall give added weight to the treatment provider's recommendation that the person's special probation be permanently revoked, or to the treatment provider's opinion
that the person is not amenable to treatment or is not likely to complete the
treatment program successfully.

(4) If the court permanently revokes the person's special probation pursu­
ant to this subsection, the court shall impose any sentence that might
have been imposed, or that would have been required to be imposed, origi­
nally for the offense for which the person was convicted or adjudicated de­
linquent. The court shall conduct a de novo review of any aggravating and
mitigating factors present at the time of both original sentencing and resen­
tencing. If the court determines or is required pursuant to any other provi­
sion of this chapter or any other law to impose a term of imprisonment, the
person shall receive credit for any time served in custody pursuant to
N.J.S.2C:45-1 or while awaiting placement in a treatment facility pursuant
to this section, and for each day during which the person satisfactorily
complied with the terms and conditions of special probation while commit­
ted pursuant to this section to a residential treatment facility. The court, in
determining the number of credits for time spent in a residential treatment
facility, shall consider the recommendations of the treatment provider.

(5) Following a violation, if the court permits the person to continue on
special probation pursuant to this section, the court shall order the person to
comply with such additional terms and conditions, including but not limited
to more frequent drug or alcohol testing, as are necessary to deter and
promptly detect any further violation.

(6) Notwithstanding any other provision of this subsection, if the per­
son at any time refuses to undergo urine testing for drug or alcohol usage as
provided in subsection a. of this section, the court shall, subject only to the
provisions of subsection g. of this section, permanently revoke the person's
special probation. Notwithstanding any other provision of this section, if
the person at any time while committed to the custody of a residential
treatment facility pursuant to this section commits an act that would consti­
tute an escape, the court shall forthwith permanently revoke the person's
special probation.

(7) An action for a violation under this section may be brought by a
probation officer or prosecutor or on the court's own motion. Failure to
complete successfully the required treatment program shall constitute a vio­
lation of the person's special probation. A person who fails to comply with
the terms of his special probation pursuant to this section and is thereafter
sentenced to imprisonment in accordance with this subsection shall thereaf­
ter be ineligible for entry into the Intensive Supervision Program, provided
however that this provision shall not affect the person's eligibility for entry
into the Intensive Supervision Program for a subsequent conviction.
g. When a person on special probation is subject to a presumption of revocation on a second or subsequent violation pursuant to paragraph (2) of subsection f. of this section, or when the person refuses to undergo drug or alcohol testing pursuant to paragraph (6) of subsection f. of this section, the court may, in lieu of permanently revoking the person's special probation, impose a term of incarceration for a period of not less than 30 days nor more than six months, after which the person's term of special probation pursuant to this section may be reinstated. In determining whether to order a period of incarceration in lieu of permanent revocation pursuant to this subsection, the court shall consider the recommendations of the treatment provider with respect to the likelihood that such confinement would serve to motivate the person to make satisfactory progress in treatment once special probation is reinstated. This disposition may occur only once with respect to any person unless the court is clearly convinced that there are compelling and extraordinary reasons to justify reimposing this disposition with respect to the person. Any such determination by the court to reimpose this disposition may be appealed by the prosecution. Nothing in this subsection shall be construed to limit the authority of the court at any time during the period of special probation to order a person or special probation who is not subject to a presumption of revocation pursuant to paragraph (2) of subsection f. of this section to be incarcerated over the course of a weekend, or for any other reasonable period of time, when the court in its discretion determines that such incarceration would help to motivate the person to make satisfactory progress in treatment.

h. The court, as a condition of its order, and after considering the person's financial resources, shall require the person to pay that portion of the costs associated with his participation in any rehabilitation program, non-residential treatment program or period of residential treatment imposed pursuant to this section which, in the opinion of the court, is consistent with the person's ability to pay, taking into account the court's authority to order payment or reimbursement to be made over time and in installments.

i. The court shall impose, as a condition of the special probation, any fine, penalty, fee or restitution applicable to the offense for which the person was convicted or adjudicated delinquent.

j. Where the court finds that a person has satisfied all of the eligibility criteria for special probation and would otherwise be required to be committed to the custody of a residential treatment facility pursuant to the provisions of subsection d. of this section, the court may temporarily suspend imposition of all or any portion of the term of commitment to a residential
treatment facility and may instead order the person to enter a nonresidential treatment program, provided that the court finds on the record that:

(1) the person conducting the diagnostic assessment required pursuant to paragraph (1) of subsection a. of this section has recommended in writing that the proposed course of nonresidential treatment services is clinically appropriate and adequate to address the person's treatment needs; and

(2) no danger to the community would result from the person participating in the proposed course of nonresidential treatment services; and

(3) a suitable treatment provider is able and has agreed to provide clinically appropriate nonresidential treatment services.

If the prosecutor objects to the court's decision to suspend the commitment of the person to a residential treatment facility pursuant to this subsection, the sentence of special probation imposed pursuant to this section shall not become final for ten days in order to permit the appeal by the prosecution of the court's decision.

After a period of six months of nonresidential treatment, if the court, considering all available information including but not limited to the recommendation of the treatment provider, finds that the person has made satisfactory progress in treatment and that there is a substantial likelihood that the person will successfully complete the nonresidential treatment program and period of special probation, the court, on notice to the prosecutor, may permanently suspend the commitment of the person to the custody of a residential treatment program, in which event the special monitoring provisions set forth in subsection k. of this section shall no longer apply.

Nothing in this subsection shall be construed to limit the authority of the court at any time during the term of special probation to order the person to be committed to a residential or nonresidential treatment facility if the court determines that such treatment is clinically appropriate and necessary to address the person's present treatment needs.

k. (1) When the court temporarily suspends the commitment of the person to a residential treatment facility pursuant to subsection j. of this section, the court shall, in addition to ordering participation in a prescribed course of nonresidential treatment and any other appropriate terms or conditions authorized or required by law, order the person to undergo urine testing for drug or alcohol use not less than once per week unless otherwise ordered by the court. The court-ordered testing shall be conducted by the probation department or the treatment provider. The results of all tests shall be reported promptly to the court and to the prosecutor. In addition, the court shall impose appropriate curfews or other restrictions on the person's movements,
and may order the person to wear electronic monitoring devices to enforce such curfews or other restrictions as a condition of special probation.

(2) The probation department or other appropriate agency shall immediately notify the court and the prosecutor in the event that the person fails or refuses to submit to a drug or alcohol test, knowingly defrauds the administration of a drug test, terminates his participation in the course of treatment, or commits any act that would constitute absconding from parole. If the person at any time while entered in a nonresidential treatment program pursuant to subsection j. of this section knowingly defrauds the administration of a drug test, goes into hiding or leaves the State with a purpose of avoiding supervision, the court shall permanently revoke the person's special probation.

1. If the court finds that the person has made exemplary progress in the course of treatment, the court may, upon recommendation of the person's supervising probation officer or on the court's own motion, and upon notice to the prosecutor, grant early discharge from a term of special probation provided that the person: (1) has satisfactorily completed the treatment program ordered by the court; (2) has served at least two years of special probation; (3) did not commit a substantial violation of any term or condition of special probation, including but not limited to a positive urine test, within the preceding 12 months; and (4) is not likely to relapse or commit an offense if probation supervision and related services are discontinued.

2. N.J.S.2C:35-15 is amended to read as follows:

**Mandatory drug enforcement and demand reduction penalties; collection; disposition; suspension.**

2C:35-15. a. (1) In addition to any disposition authorized by this title, the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed for each such offense a penalty fixed at:

(a) $3,000.00 in the case of a crime of the first degree;
(b) $2,000.00 in the case of a crime of the second degree;
(c) $1,000.00 in the case of a crime of the third degree;
(d) $750.00 in the case of a crime of the fourth degree;
(e) $500.00 in the case of a disorderly persons or petty disorderly persons offense.
(2) A person being sentenced for more than one offense set forth in subsection a. of this section who is neither placed in supervisory treatment pursuant to this section nor ordered to perform reformatory service pursuant to subsection f. of this section may, in the discretion of the court, be assessed a single penalty applicable to the highest degree offense for which the person is convicted or adjudicated delinquent, if the court finds that the defendant has established the following:

(a) the imposition of multiple penalties would constitute a serious hardship that outweighs the need to deter the defendant from future criminal activity; and

(b) the imposition of a single penalty would foster the defendant's rehabilitation.

Every person placed in supervisory treatment pursuant to the provisions of N.J.S.2C:36A-1 or N.J.S.2C:43-12 for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed the penalty prescribed herein and applicable to the degree of the offense charged, except that the court shall not impose more than one such penalty regardless of the number of offenses charged. If the person is charged with more than one offense, the court shall impose as a condition of supervisory treatment the penalty applicable to the highest degree offense for which the person is charged.

All penalties provided for in this section shall be in addition to and not in lieu of any fine authorized by law or required to be imposed pursuant to the provisions of N.J.S.2C:35-12.

b. All penalties provided for in this section shall be collected as provided for collection of fines and restitutions in section 3 of P.L.1979, c.396 (C.2C:46-4), and shall be forwarded to the Department of the Treasury as provided in subsection c. of this section.

c. All moneys collected pursuant to this section shall be forwarded to the Department of the Treasury to be deposited in a nonlapsing revolving fund to be known as the "Drug Enforcement and Demand Reduction Fund." Moneys in the fund shall be appropriated by the Legislature on an annual basis for the purposes of funding in the following order of priority: (1) the Alliance to Prevent Alcoholism and Drug Abuse and its administration by the Governor's Council on Alcoholism and Drug Abuse; (2) the "Alcoholism and Drug Abuse Program for the Deaf, Hard of Hearing and Disabled" established pursuant to section 2 of P.L.1995, c.318 (C.26:2B-37); (3) the "Partnership for a Drug Free New Jersey," the State affiliate of the "Partnership for a Drug Free America"; and (4) other alcohol and drug abuse programs.
Moneys appropriated for the purpose of funding the "Alcoholism and Drug Abuse Program for the Deaf, Hard of Hearing and Disabled" shall not be used to supplant moneys that are available to the Department of Health and Senior Services as of the effective date of P.L.1995, c.318 (C.26:2B-36 et al.), and that would otherwise have been made available to provide alcoholism and drug abuse services for the deaf, hard of hearing and disabled, nor shall the moneys be used for the administrative costs of the program.

e. The court may suspend the collection of a penalty imposed pursuant to this section, provided the person is ordered by the court to participate in a drug or alcohol rehabilitation program approved by the court; and further provided that the person agrees to pay for all or some portion of the costs associated with the rehabilitation program. In this case, the collection of a penalty imposed pursuant to this section shall be suspended during the person's participation in the approved, court-ordered rehabilitation program. Upon successful completion of the program, as determined by the court upon the recommendation of the treatment provider, the person may apply to the court to reduce the penalty imposed pursuant to this section by any amount actually paid by the person for his participation in the program. The court shall not reduce the penalty pursuant to this subsection unless the person establishes to the satisfaction of the court that he has successfully completed the rehabilitation program. If the person's participation is for any reason terminated before his successful completion of the rehabilitation program, collection of the entire penalty imposed pursuant to this section shall be enforced. Nothing in this section shall be deemed to affect or suspend any other criminal sanctions imposed pursuant to this chapter or chapter 36 of this title.

f. A person required to pay a penalty under this section may propose to the court and the prosecutor a plan to perform reformatory service in lieu of payment of up to one-half of the penalty amount imposed under this section. The reformatory service plan option shall not be available if the provisions of paragraph (2) of subsection a. of this section apply or if the person is placed in supervisory treatment pursuant to the provisions of N.J.S.2C:36A-1 or N.J.S.2C:43-12. For purposes of this section, "reformatory service" shall include training, education or work, in which regular attendance and participation is required, supervised, and recorded, and which would assist in the defendant's rehabilitation and reintegration. "Reformatory service" shall include, but not be limited to, substance abuse treatment or services, other therapeutic treatment, educational or vocational services, employment training or services, family counseling, service to the community and volunteer work. For the purposes of this section, an application to participate in a
court-administered alcohol and drug rehabilitation program shall have the same effect as the submission of a reformative service plan to the court.

The court, in its discretion, shall determine whether to accept the plan, after considering the position of the prosecutor, the plan's appropriateness and practicality, the defendant's ability to pay and the effect of the proposed service on the defendant's rehabilitation and reintegration into society. The court shall determine the amount of the credit that would be applied against the penalty upon successful completion of the reformative service, not to exceed one-half of the amount assessed, except that the court may, in the case of an extreme financial hardship, waive additional amounts of the penalty owed by a person who has completed a court administered alcohol and drug rehabilitation program if necessary to aid the person's rehabilitation and reintegration into society. The court shall not apply the credit against the penalty unless the person establishes to the satisfaction of the court that he has successfully completed the reformative service. If the person's participation is for any reason terminated before his successful completion of the reformative service, collection of the entire penalty imposed pursuant to this section shall be enforced. Nothing in this subsection shall be deemed to affect or suspend any other criminal sanctions imposed pursuant to this chapter or chapter 36 of this title.

Any reformative service ordered pursuant to this section shall be in addition to and not in lieu of any community service imposed by the court or otherwise required by law. Nothing in this section shall limit the court's authority to order a person to participate in any activity, program or treatment in addition to those proposed in a reformative service plan.

3. This act shall take effect on the first day of the fourth month following enactment.

Approved April 21, 2008.

CHAPTER 16

AN ACT concerning the Joint Legislative Committee on Ethical Standards and ethics training for members of the Legislature, amending P.L.1971, c.182 and P.L.2003, c.255.

The chairman and the vice chairman shall not be members of the same political party.
 CHAPTER 16, LAWS OF 2008

(d) The Legislative Counsel in the Office of Legislative Services shall act as legal adviser to the joint committee. The Executive Director of the Office of Legislative Services shall appoint another attorney in the Office of Legislative Services to serve as Ethics Counsel to the individual members of the Legislature and officers and employees in the Legislative Branch. The Ethics Counsel shall provide informal ethics advice to individual members of the Legislature and officers and employees in the Legislative Branch upon request, when the request is one fully answered by the New Jersey Conflicts of Interest Law or the Legislative Code of Ethics or is on a subject previously determined by the Joint Committee. Informal ethics advice from the Ethics Counsel to a member of the Legislature or an officer or employee in the Legislative Branch shall be confidential and subject to the attorney-client privilege. The Ethics Counsel may also assist members of the Legislature and officers or employees in the Legislative Branch in requesting formal advisory opinions from the joint committee on novel subject matters. The Legislative Counsel shall, upon request, assist and advise the joint committee in the rendering of formal advisory opinions by the joint committee, in the approval and review of codes of ethics adopted by State agencies in the Legislative Branch, and in the recommendation of revisions in codes of ethics or legislation relating to the conduct of members of the Legislature or State officers and employees in the Legislative Branch.

(e) The joint committee may, within the limits of funds appropriated or otherwise available to it for the purpose, employ other professional, technical, clerical or other assistants, excepting legal counsel, and incur expenses as may be necessary to the performance of its duties.

(f) The joint committee shall have all the powers granted pursuant to chapter 13 of Title 52 of the Revised Statutes.

(g) The joint committee is authorized to render formal advisory opinions as to whether a given set of facts and circumstances would, in its opinion, constitute a violation of the provisions of this act, of a code of ethics promulgated pursuant to the provisions of this act or of any rule of either or both Houses which gives the joint committee jurisdiction and the authority to investigate a matter.

(h) (1) The joint committee shall have jurisdiction to initiate, receive, hear and review complaints regarding violations of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act. It shall further have such jurisdiction as to enforcement of the rules of either or both Houses of the Legislature governing the conduct of the members or employees thereof as those rules may confer upon the joint committee. A complaint regarding a violation of a code of ethics promulgated pur-
suant to the provisions of this act may be referred by the joint committee for disposition in accordance with subsection 12(d) of this act.

(2) The joint committee shall not accept a complaint against a member of the Legislature submitted within 90 days of a primary or general election in which the member is a candidate. An attempt to file a complaint during this period shall toll any statute of limitations. This paragraph shall not bar the joint committee from initiating a complaint during this period.

A complaint that is filed within seven days following a primary or general election shall be considered by the joint committee in an expedited manner that results in a final determination by the end of the annual session of the Legislature.

(3) The joint committee, when reviewing a complaint, shall have the authority to require a member of the Legislature who is the subject of a complaint to submit detailed financial disclosures containing information that is in addition to the information required to be disclosed by a law, rule or code of ethics. Such additional information shall remain confidential, unless the joint committee, by a vote of at least three-fourths of the total membership, directs that the information be made public.

(4) The joint committee shall inform a complainant of the time, date, and location of any meeting at which the joint committee will discuss or make a determination on any aspect of the complaint.

(i) Any State officer or employee or special State officer or employee in the Legislative Branch found guilty by the joint committee of violating any provisions of this act, of a code of ethics promulgated pursuant to the provisions of this act or of any rule of either or both Houses which gives the joint committee jurisdiction and the authority to investigate a matter shall be fined not less than $500.00 nor more than $10,000, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and may be reprimanded and ordered to pay restitution where appropriate and may be suspended from office or employment by order of the joint committee for a period not in excess of one year. If the joint committee finds that the conduct of the officer or employee constitutes a willful and continuous disregard of the provisions of this act, of a code of ethics promulgated pursuant to the provisions of this act or of any rule of either or both Houses which gives the joint committee jurisdiction and the authority to investigate a matter, it may order that person removed from office or employment and may further bar the person from holding any public office or employment in this State in any capacity whatsoever for a period not exceeding five years from the date on which the person was found guilty by the joint committee.
(j) A member of the Legislature who shall be found guilty by the joint committee of violating the provisions of this act, of a code of ethics promulgated pursuant to the provisions of this act or of any rule of either or both Houses which gives the joint committee jurisdiction and the authority to investigate a matter shall be fined not less than $500.00 nor more than $10,000, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and shall be subject to such further action as may be determined by the House of which the person is a member. In such cases the joint committee shall report its findings to the appropriate House and shall recommend to the House such further action as the joint committee deems appropriate, but it shall be the sole responsibility of the House to determine what further action, if any, shall be taken against such member.

2. Section 4 of P.L.2003, c.255 (C.52:13D-28) is amended to read as follows:

C.52:13D-28 Online tutorial on legislative ethics; certification; members of legislature, participation in annual ethics training, consultation with Ethics Counsel.

4. The Legislature shall provide an online tutorial on legislative ethics for its members and State officers or employees and special State officers or employees in the Legislative Branch of government. Each member of the Legislature and officer or employee in the Legislative Branch shall take the tutorial no later than April 1 of every even-numbered year. Each Executive Director shall submit a certification to the Ethics Counsel for himself or herself and for his or her respective staff members that they have completed the online tutorial. Each member of the Legislature shall submit to the Ethics Counsel a certification that he or she and his or her district office staff members have completed the online tutorial. The certification shall be public information. Failure to take the tutorial and file the certification shall be reported by the Ethics Counsel to the joint committee.

In addition to the tutorial, all officers and employees in the Legislative Branch shall participate in annual ethics training as directed by their Executive Directors and all members of the Legislature shall participate in annual ethics training as directed by the President of the Senate for members of the Senate and by the Speaker of the General Assembly for members of the General Assembly. The Executive Directors, the President of the Senate, and the Speaker of the General Assembly shall also direct the process by which completion of the training is verified. Such verification shall be filed with the Ethics Counsel. The verification shall be public information.
Failure to participate in the training and file the verification shall be reported by the Ethics Counsel to the joint committee.

Each member of the Legislature shall consult with the Ethics Counsel each year regarding the requirements of the New Jersey Conflicts of Interest Law and the Legislative Code of Ethics and any other applicable law, rule or standard of conduct relating to the area of ethics. The assistance of the Ethics Counsel to members of the Legislature is subject to the attorney-client privilege. This assistance is intended as a service to the members of the Legislature and may not be deemed to diminish a member's personal responsibility for adherence to applicable laws, code provisions, rules and other standards of conduct. No privileged information provided to the Ethics Counsel by members of the Legislature or officers or employees in the Legislative Branch shall be used or admitted into evidence in any proceeding against them; but this shall not prohibit proceedings against them from evidence independently derived.

3. This act shall take effect immediately.

Approved April 21, 2008.

CHAPTER 17

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1948, c.110 (C.43:21-26) is amended to read as follows:

C.43:21-26 Purpose.

2. Purpose. This act shall be liberally construed as remedial legislation enacted upon the following declarations of public policy and legislative findings of fact:

The public policy of this State, already established, is to protect employees against the suffering and hardship generally caused by involuntary unemployment. But the "unemployment compensation law" provides benefit payments to replace wage loss caused by involuntary unemployment
only so long as an individual is "able to work, and is available for work," and fails to provide any protection against wage loss suffered because of inability to perform the duties of a job interrupted by nonoccupational illness, injury, or other disability of the individual or of members of the individual's family. Nor is there any other comprehensive and systematic provision for the protection of working people against loss of earnings due to a nonoccupational sickness, accident, or other disability.

The prevalence and incidence of nonoccupational sickness, accident, and other disability among employed people is greatest among the lower income groups, who either cannot or will not voluntarily provide out of their own resources against the hazard of an earnings loss caused by nonoccupational sickness, accident, or other disability. Disabling sickness or accident occurs throughout the working population at one time or another, and approximately fifteen per centum (15%) of the number of people at work may be expected to suffer disabling illness of more than one week each year.

It was found, prior to the enactment of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.), that then existing voluntary plans for the payment of cash sickness benefits covered less than one-half of the number of working people of this State who were covered by the "unemployment compensation law," and that even that degree of voluntary protection afforded uneven, unequal and sometimes uncertain protection among the various voluntary benefit programs.

While the enactment of that law has provided stable protection for New Jersey's disabled workers, very few workers are protected from income losses caused by the need to take time off from work to care for family members who are incapable of self-care, including newborn and newly-adopted children. The growing portion of middle-income families in which all adult family members work, largely due to economic necessity, points to the desperate need for replacement income when a working family member must take time to care for family members who are unable to take care of themselves. Moreover, the United States is the only industrialized nation in the world which does not have a mandatory workplace-based program for such income support. It is therefore desirable and necessary to fill the gap in existing provisions for protection against the loss of earnings caused by involuntary unemployment, by extending such protection to meet the hazard of earnings loss due to inability to work caused by nonoccupational sickness, accidents, or other disabilities of workers and members of their families. Developing systems that help families adapt to the competing interests of work and home not only benefits workers, but also benefits employers by reducing employee turnover and increasing worker productivity.
The foregoing facts and considerations require that there be a uniform minimum program providing in a systematic manner for the payment of reasonable benefits to replace partially such earnings loss and to meet the continuing need for benefits where an individual becomes disabled during unemployment or needs to care for family members incapable of self-care. In order to maintain consumer purchasing power, relieve the serious menace to health, morals and welfare of the people caused by insecurity and the loss of earnings, to reduce the necessity for public relief of needy persons, to increase workplace productivity and alleviate the enormous and growing stress on working families of balancing the demands of work and family needs, and in the interest of the health, welfare and security of the people of this State, such a system, enacted under the police power, is hereby established, requiring the payment of reasonable cash benefits to eligible individuals who are subject to accident or illness which is not compensable under the worker's compensation law or who need to care for family members incapable of self-care.

While the Legislature recognizes the pressing need for benefits for workers taking leave to care for family members incapable of self-care, it also finds that the need of workers for leave during their own disability continues to be especially acute, as a disabled worker has less discretion about taking time off from work than a worker caring for a family member. Notwithstanding any interpretation of law which may be construed as providing a worker with rights to take action against an employer who fails or refuses to restore the worker to employment after the worker's own disability, the Legislature does not intend that the policy established by P.L.2008, c.17 (C.43:21-39.1 et al.) of providing benefits for workers during periods of family temporary disability leave to care for family members incapable of self-care be construed as granting any worker an entitlement to be restored by the employer to employment held by the worker prior to taking family temporary disability leave or any right to take action, in tort, or for breach of an implied provision of the employment agreement, or under common law, against an employer who fails or refuses to restore the worker to employment after the family temporary disability leave, and the Legislature does not intend that the policy of providing benefits during family temporary disability leave be construed as increasing, reducing or otherwise modifying any entitlement of a worker to return to employment or right of the worker to take action under the provisions of the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.), or the federal "Family and Medical Leave Act of 1993," Pub.L.103-3 (29 U.S.C. s.2601 et seq.).

temporary disability benefits plan, or "State plan," has proven to be highly efficient and cost effective in providing temporary disability benefits to New Jersey workers. The State plan guarantees the availability of coverage for all employers, regardless of experience, with low overhead costs and a rapid processing of claims and appeals by knowledgeable, impartial public employees. Consequently, the percentage of all employers using the State plan increased from 64% in 1952 to 98% in 2006, while the percentage of employees covered by the State plan increased from 28% to 83%. A publicly-operated, nonprofit State plan is therefore indispensable to achieving the goals of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

2. Section 3 of P.L.1948, c.110 (C.43:21-27) is amended to read as follows:

3. As used in this act, unless the context clearly requires otherwise:

(a) (1) "Covered employer" means, with respect to whether an employer is required to provide benefits during an employee's own disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.), any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, who is an employer subject to the "unemployment compensation law" (R.S.43:21-1 et seq.), except the State, its political subdivisions, and any instrumentality of the State unless such governmental entity elects to become a covered employer pursuant to paragraph (2) of this subsection (a); provided, however, that commencing with the effective date of this act, the State of New Jersey, including Rutgers, The State University, the University of Medicine and Dentistry of New Jersey and the New Jersey Institute of Technology, shall be deemed a covered employer, as defined herein.

"Covered employer" means, after June 30, 2009, with respect to whether the employer is an employer whose employees are eligible for benefits during periods of family temporary disability leave pursuant to P.L.1948, c.110 (C.43:21-25 et al.), and, after December 31, 2008, whether employees of the employer are required to make contributions pursuant to R.S.43:21-7(d)(1)(G)(ii), any individual or type of organization, including any partnership, association, trust, estate, joint-stock company, insurance company or domestic or foreign corporation, or the receiver, trustee in
bankruptcy, trustee or successor thereof, or the legal representative of a deceased person, who is an employer subject to the "unemployment compensation law" (R.S.43:21-1 et seq.), including any governmental entity or instrumentality which is an employer under R.S.43:21-19(h)(5), notwithstanding that the governmental entity or instrumentality has not elected to be a covered employer pursuant to paragraph (2) of this subsection (a).

(2) Any governmental entity or instrumentality which is an employer under R.S.43:21-19(h)(5) may, with respect to the provision of benefits during an employee's own disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.), elect to become a "covered employer" under this subsection beginning with the date on which its coverage under R.S.43:21-19(h)(5) begins or as of January 1 of any year thereafter by filing written notice of such election with the division within at least 30 days of the effective date. Such election shall remain in effect for at least two full calendar years and may be terminated as of January 1 of any year thereafter by filing with the division a written notice of termination at least 30 days prior to the termination date.

(b) (1) "Covered individual" means, with respect to whether an individual is eligible for benefits during an individual's own disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.), any person who is in employment, as defined in the "unemployment compensation law" (R.S.43:21-1 et seq.), for which the individual is entitled to remuneration from a covered employer, or who has been out of such employment for less than two weeks, except that a "covered individual" who is employed by the State of New Jersey, including Rutgers, The State University, the University of Medicine and Dentistry of New Jersey and the New Jersey Institute of Technology, or by any governmental entity or instrumentality which elects to become a "covered employer" pursuant to this amendatory act, shall not be eligible to receive any benefits under the "Temporary Disability Benefits Law" until such individual has exhausted all sick leave accumulated as an employee in the classified service of the State or accumulated under terms and conditions similar to classified employees or accumulated under the terms and conditions pursuant to the laws of this State or as the result of a negotiated contract with any governmental entity or instrumentality which elects to become a "covered employer."

"Covered individual" shall not mean, with respect to whether an individual is eligible for benefits during an individual's own disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.), any member of the Division of State Police in the Department of Law and Public Safety.

(2) "Covered individual" means, with respect to whether an individual is eligible for benefits during the individual's period of family temporary
disability leave pursuant to P.L.1948, c.110 (C.43:21-25 et al.), any individual who is in employment, as defined in the "unemployment compensation law" (R.S.43:21-1 et seq.), for which the individual is entitled to remuneration from a covered employer, or who has been out of that employment for less than two weeks.

(c) "Division" or "commission" means the Division of Temporary Disability Insurance of the Department of Labor and Workforce Development, and any transaction or exercise of authority by the director of the division shall be deemed to be performed by the division.

(d) "Day" shall mean a full calendar day beginning and ending at midnight.

(e) "Disability" shall mean such disability as is compensable under section 5 of P.L.1948, c.110 (C.43:21-29).

(f) "Disability benefits" shall mean any cash payments which are payable to a covered individual for all or part of a period of disability pursuant to P.L.1948, c.110 (C.43:21-25 et al.).

(g) "Period of disability" with respect to any covered individual shall mean:

1. The entire period of time during which the covered individual is continuously and totally unable to perform the duties of the covered individual's employment because of the covered individual's own disability, except that two periods of disability due to the same or related cause or condition and separated by a period of not more than 14 days shall be considered as one continuous period of disability; provided the individual has earned wages during such 14-day period with the employer who was the individual's last employer immediately preceding the first period of disability; and

2. On or after July 1, 2009, the entire period of family temporary disability leave taken from employment by the covered individual.

(h) "Wages" shall mean all compensation payable by covered employers to covered individuals for personal services, including commissions and bonuses and the cash value of all compensation payable in any medium other than cash.

(i) (1) (Deleted by amendment, P.L.2001, c.17).

(2) (Deleted by amendment, P.L.2001, c.17).

(3) "Base week" with respect to periods of disability commencing on or after October 1, 1985 and before January 1, 2001, means any calendar week during which a covered individual earned in employment from a covered employer remuneration equal to not less than 20% of the Statewide average weekly wage determined under subsection (c) of R.S.43:21-3,
which shall be adjusted to the next higher multiple of $1.00 if not already a multiple thereof.

(4) "Base week" with respect to periods of disability commencing on or after January 1, 2001, means any calendar week of a covered individual's base year during which the covered individual earned in employment from a covered employer remuneration not less than an amount 20 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of $1.00 if not already a multiple thereof, except that if in any calendar week an individual subject to this paragraph is in employment with more than one employer, the covered individual may in that calendar week establish a base week with respect to each of the employers from whom the covered individual earns remuneration equal to not less than the amount defined in this paragraph during that week.

(j) (1) "Average weekly wage" means the amount derived by dividing a covered individual's total wages earned from the individual's most recent covered employer during the base weeks in the eight calendar weeks immediately preceding the calendar week in which a period of disability commenced, by the number of such base weeks.

(2) If the computation in paragraph (1) of this subsection (j) yields a result which is less than the individual's average weekly earnings in employment with all covered employers during the base weeks in such eight calendar weeks, then the average weekly wage shall be computed on the basis of earnings from all covered employers during the base weeks in the eight calendar weeks immediately preceding the week in which the period of disability commenced.

(3) For periods of disability commencing on or after July 1, 2009, if the computations in paragraphs (1) and (2) of this subsection (j) both yield a result which is less than the individual's average weekly earnings in employment with all covered employers during the base weeks in the 26 calendar weeks immediately preceding the week in which the period of disability commenced, then the average weekly wage shall, upon a written request to the department by the individual on a form provided by the department, be computed by the department on the basis of earnings from all covered employers of the individual during the base weeks in those 26 calendar weeks, and, in the case of a claim for benefits from a private plan, that computation of the average weekly wage shall be provided by the department to the individual and the individual's employer.
When determining the "average weekly wage" with respect to a period of family temporary disability leave for an individual who has a period of family temporary disability immediately after the individual has a period of disability for the individual's own disability, the period of disability is deemed to have commenced at the beginning of the period of disability for the individual's own disability, not the period of family temporary disability.

(k) "Child" means a biological, adopted, or foster child, stepchild or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than 19 years of age or is 19 years of age or older but incapable of self-care because of mental or physical impairment.

(l) "Domestic partner" means a domestic partner as defined in section 3 of P.L.2003, c.246 (C.26:8A-3).

(m) "Civil union" means a civil union as defined in section 2 of P.L.2006, c.103 (C.37:1-29).

(n) "Family member" means a child, spouse, domestic partner, civil union partner or parent of a covered individual.

(o) "Family temporary disability leave" means leave taken by a covered individual from work with an employer to (1) participate in the providing of care, as defined in the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to that act, for a family member of the individual made necessary by a serious health condition of the family member; or (2) be with a child during the first 12 months after the child's birth, if the individual, or the domestic partner or civil union partner of the individual, is a biological parent of the child, or the first 12 months after the placement of the child for adoption with the individual. "Family temporary disability leave" does not include any period of time in which a covered individual is paid benefits pursuant to P.L.1948, c.110 (C.43:21-25 et al.) because the individual is unable to perform the duties of the individual's employment due to the individual's own disability.

(p) "Health care provider" means a health care provider as defined in the "Family Leave Act," P.L.1989, c.261 (C.34:11B-1 et seq.), and any regulations adopted pursuant to that act.

(q) "Parent of a covered individual" means a biological parent, foster parent, adoptive parent, or stepparent of the covered individual or a person who was a legal guardian of the covered individual when the covered individual was a child.

(r) "Placement for adoption" means the time when a covered individual adopts a child or becomes responsible for a child pending adoption by the covered individual.
(s) "Serious health condition" means an illness, injury, impairment or physical or mental condition which requires: inpatient care in a hospital, hospice, or residential medical care facility; or continuing medical treatment or continuing supervision by a health care provider.

(t) "12-month period" means, with respect to an individual who establishes a valid claim for disability benefits during a period of family temporary disability leave, the 365 consecutive days that begin with the first day that the individual first establishes the claim.

3. Section 5 of P.L.1948, c.110 (C.43:21-29) is amended to read as follows:

C.43:21-29 Compensable disability, individual, family.

5. Compensable disability. (a) In the case of the disability of a covered individual, disability shall be compensable subject to the limitations of P.L.1948, c.110 (C.43:21-25 et al.) if the disability is the result of the covered individual suffering an accident or sickness not arising out of and in the course of the individual's employment or if so arising not compensable under the workers' compensation law, R.S.34:15-1 et seq., and resulting in the individual's total inability to perform the duties of employment.

(b) In the case of an individual taking family temporary disability leave, the leave shall be compensable subject to the limitations of P.L.2008, c.17 (C.43:21-39.1 et al.).

4. Section 11 of P.L.1948, c.110 (C.43:21-35) is amended to read as follows:

C.43:21-35 Termination of private plans.

11. (a) If the division is furnished satisfactory evidence that a majority of the employees covered by an approved private plan have made election in writing to discontinue such plan, the division shall withdraw its approval of such plan effective at the end of the calendar quarter next succeeding that in which such evidence is furnished. Upon receipt of a petition therefore signed by not less than 10% of the employees covered by an approved private plan, the division shall require the employer upon 30 days' written notice to conduct an election by ballot in writing to determine whether or not a majority of the employees covered by such private plan favor discontinuance thereof; provided, that such election shall not be required more often than once in any 12-month period.

(b) Unless sooner permitted, for cause, by the division, no approved private plan shall be terminated by an employer, in whole or in part, until at
least 30 days after written notice of intention so to do has been given by the employer to the division and after notices are conspicuously posted so as reasonably to assure their being seen, or after individual notices are given to the employees concerned.

(c) The division may, after notice and hearing, withdraw its approval of any approved private plan if it finds that there is danger that the benefits accrued or to accrue will not be paid, that the security for such payment is insufficient, or for other good cause shown. No employer, and no union or association representing employees, shall so administer or apply the provisions of an approved private plan as to derive any profit therefrom. The division may withdraw its approval from any private plan which is administered or applied in violation of this provision.

(d) No termination of an approved private plan shall affect the payment of benefits, in accordance with the provisions of the plan, to employees whose period of disability commenced prior to the date of termination. Employees who have ceased to be covered by an approved private plan because of its termination shall, subject to the limitations and restrictions of this act, become eligible forthwith for benefits from the State Disability Benefits Fund for a period of disability commencing after such cessation, and contributions with respect to their wages shall immediately become payable as otherwise provided by law. Any withdrawal of approval of a private plan pursuant to this section shall be reviewable by writ of certiorari or by such other procedure as may be provided by law. With respect to a period of family temporary disability leave immediately after the individual has a period of disability during the individual’s own disability, the period of disability is deemed, for the purposes of determining whether the period of disability commenced prior to the date of the termination, to have commenced at the beginning of the period of disability during the individual’s own disability, not the period of family temporary disability leave.

(e) Anything in this act to the contrary notwithstanding, a covered employer who, under an approved private plan, is providing benefits at least equal to those required by the State plan, may modify the benefits under the private plan so as to provide benefits not less than the benefits required by the State plan. Individuals covered under a private plan shall not be required to contribute to the plan at a rate exceeding 3/4 of 1% of the amount of "wages" established for any calendar year under the provisions of R.S.43:21-7(b) prior to January 1, 1975, and 1/2 of 1% for calendar years beginning on or after January 1, 1975. For a calendar year beginning on or after January 1, 2009: an employer providing a private plan only for benefits for employees during their own disabilities may require the employees to
contribute to the plan at a rate not exceeding 0.5% of the amount of "wages" established for the calendar year under the provisions of R.S.43:21-7(b); an employer providing a private plan only for benefits for employees during periods of family temporary disability may require the individuals covered by the private plan to contribute an amount not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(ii); an employer providing a private plan both for benefits for employees during their own disabilities and for benefits during periods of family temporary disability may require the employees to contribute to the plan at a rate not exceeding 0.5% of the amount of "wages" established for the calendar year under the provisions of R.S.43:21-7(b) plus an additional amount not exceeding the amount the individuals would pay pursuant to R.S.43:21-7(d)(1)(G)(ii). Notification of the proposed modification shall be given by the employer to the division and to the individuals covered under the plan.

5. Section 14 of P.L.1948, c.110 (C.43:21-38) is amended to read as follows:

C.43:21-38 Duration of benefits.
   With respect to any period of disability for an individual's own disability commencing on or after January 1, 1953, disability benefits, not in excess of an individual's maximum benefits, shall be payable with respect to disability which commences while a person is a covered individual under the Temporary Disability Benefits Law, and shall be payable with respect to the eighth consecutive day of such disability and each day thereafter that such period of disability continues; and if benefits shall be payable for three consecutive weeks with respect to any period of disability commencing on or after January 1, 1968, then benefits shall also be payable with respect to the first seven days thereof. With respect to any period of family temporary disability leave commencing on or after July 1, 2009 and while an individual is a covered individual, family temporary disability benefits, not in excess of the individual's maximum benefits, shall be payable with respect to the first day of leave taken after the first one-week period following the commencement of the period of family temporary disability leave and each subsequent day of leave during that period of family temporary disability leave; and if benefits become payable on any day after the first three weeks in which leave is taken, then benefits shall also be payable with respect to any leave taken during the first one-week period in which leave is taken. The maximum total benefits payable to any eligible individual for any period of dis-
ability of the individual commencing on or after January 1, 1968, shall be either 26 times his weekly benefit amount or 1/3 of his total wages in his base year, whichever is the lesser; provided that such maximum amount shall be computed in the next lower multiple of $1.00 if not already a multiple thereof. The maximum total benefits payable to any eligible individual for any period of family temporary disability leave commencing on or after July 1, 2009, shall be six times the individual's weekly benefit amount or 1/3 of his total wages in his base year, whichever is the lesser; provided that the maximum amount shall be computed in the next lower multiple of $1.00, if not already a multiple thereof.

6. Section 15 of P.L.1948, c.110 (C.43:21-39) is amended to read as follows:

(a) for the first seven consecutive days of each period of disability; except that:

(1) if benefits shall be payable for three consecutive weeks with respect to any period of disability, then benefits shall also be payable with respect to the first seven days thereof;

(2) in the case of intermittent leave in a single period of family temporary disability leave taken to provide care for a family member of the individual with a serious health condition, benefits shall be payable with respect to the first day of leave taken after the first one-week period following the commencement of the period of family temporary disability leave and each subsequent day of leave during that period of family temporary disability leave; and if benefits become payable on any day after the first three weeks in which leave is taken, then benefits shall also be payable with respect to any leave taken during the first one-week period in which leave is taken; and

(3) in the case of an individual taking family temporary disability leave immediately after the individual has a period of disability for the individual's own disability, there shall be no waiting period between the period of the individual's own disability and the period of family temporary disability;

(b) (1) for more than 26 weeks with respect to any one period of disability of the individual;

(2) for more than six weeks with respect to any one period of family temporary disability leave, or more than 42 days with respect to any one
period of family temporary disability leave taken on an intermittent basis to provide care for a family member of the individual with a serious health condition; and

(3) for more than six weeks of family temporary disability leave during any 12-month period, or more than 42 days of family temporary disability leave taken during any 12-month period, on an intermittent basis to provide care for a family member of the individual with a serious health condition, including family temporary disability leave taken pursuant to R.S.43:21-4(f)(2) while unemployed;

(c) for any period of disability which did not commence while the claimant was a covered individual;

(d) for any period of disability of a claimant during which the claimant is not under the care of a legally licensed physician, dentist, optometrist, podiatrist, practicing psychologist, advanced practice nurse, or chiropractor, who, when requested by the division, shall certify within the scope of the practitioner's practice, the disability of the claimant, the probable duration thereof, and, where applicable, the medical facts within the practitioner's knowledge or for any period of family temporary disability leave for a serious health condition of a family member of the claimant, during which the family member is not receiving inpatient care in a hospital, hospice, or residential medical care facility or is not subject to continuing medical treatment or continuing supervision by a health care provider, who, when requested by the division, shall certify within the scope of the provider's practice, the serious health condition of the family member, the probable duration thereof, and, where applicable, the medical facts within the provider's knowledge;

(e) (Deleted by amendment, P.L.1980, c.90.)

(f) for any period of disability due to willfully and intentionally self-inflicted injury, or to injury sustained in the perpetration by the claimant of a crime of the first, second, third, or fourth degree, or for any period during which a covered individual would be disqualified for unemployment compensation benefits for gross misconduct under subsection (b) of R.S.43:21-5;

(g) for any period during which the claimant performs any work for remuneration or profit;

(h) in a weekly amount which together with any remuneration the claimant continues to receive from the employer would exceed regular weekly wages immediately prior to disability;

(i) for any period during which a covered individual would be disqualified for unemployment compensation benefits under subsection (d) of R.S.43:21-5, unless the disability commenced prior to such disqualification;
and there shall be no other cause of disqualification or ineligibility to receive disability benefits hereunder except as may be specifically provided in this act.

7. Section 17 of P.L.1948, c.110 (C.43:21-41) is amended to read as follows:

C.43:21-41 Entitlement for disability benefits.
17. (a) (Deleted by amendment, P.L.1975, c.355.)
(b) (Deleted by amendment, P.L.2001, c.17).
(c) (Deleted by amendment, P.L.2001, c.17).
(d) (1) (Deleted by amendment, P.L.2008, c.17).
(2) With respect to periods of disability commencing on or after January 1, 2001, no individual shall be entitled to benefits under this act unless the individual has, within the 52 calendar weeks preceding the week in which the individual's period of disability commenced, established at least 20 base weeks or earned not less than 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1996, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the disability commences, which amount shall be adjusted to the next higher multiple of $100.00, if not already a multiple thereof.
(e) With respect to a period of family temporary disability leave for an individual who has a period of family temporary disability immediately after the individual has a period of disability for the individual's own disability, the period of disability is deemed, for the purposes of specifying the time of the 52-week period in which base weeks or earnings are required to be established for benefit eligibility pursuant to this subsection (e), to have commenced at the beginning of the period of disability for the individual’s own disability, not the period of family temporary disability.

8. Section 31 of P.L.1948, c.110 (C.43:21-55) is amended to read as follows:

C.43:21-55 Penalties.
31. Penalties. (a) Whoever makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, and each such false statement or representation or failure to disclose a material fact shall constitute a separate offense, to obtain or increase any disability benefit under the State plan or an approved private plan, or for a disability during unemployment, including any benefit during a period of family temporary disability leave, either for himself or for any other person, shall be liable for a fine of $250 to be paid to the division. Upon refusal to pay such
fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey. If in any case liability for the payment of a fine as aforesaid shall be determined, any person who shall have received any benefits hereunder by reason of the making of such false statements or representations or failure to disclose a material fact, shall not be entitled to any benefits under this act for any disability occurring prior to the time he shall have discharged his liability hereunder to pay such fine.

(b) Any employer or any officer or agent of any employer or any other person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to prevent or reduce the benefits to any person entitled thereto, or to avoid becoming or remaining subject thereto, or to avoid or reduce any contribution or other payment required from an employer under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be liable for a fine of $250 to be paid to the division. Upon refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(c) Any person who shall willfully violate any provision hereof or any rule or regulation made hereunder, for which a fine is neither prescribed herein nor provided by any other applicable statute, shall be liable to a fine of $500 to be paid to the division. Upon the refusal to pay such fine, the same shall be recovered in a civil action by the division in the name of the State of New Jersey.

(d) Any person, employing unit, employer or entity violating any of the provisions of the above subsections with intent to defraud the division shall in addition to the penalties hereinbefore described, be liable for each offense upon conviction before the Superior Court or any municipal court for a fine not to exceed $1,000 or by imprisonment for a term not to exceed ninety days, or both, at the discretion of the court. The fine upon conviction shall be payable to the State disability benefits fund of the division. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

9. Section 2 of P.L.1997, c.318 (C.43:21-55.1) is amended to read as follows:

C.43:21-55.1 Liability for repayment of disability benefits overpayments.

2. (a) If it is determined by the division that an individual for any reason has received, under the State plan, an approved private plan or for a disabil-
ity during unemployment, any sum of disability benefits, including benefits during a period of family temporary disability leave, to which the individual was not entitled, the individual shall, except as provided in subsection (b) of this section, be liable to repay the sum in full. Except as provided in subsection (b) of this section, the sum that the individual is liable to repay shall be deducted from future benefits payable to the individual under P.L.1948, c.110 (C.43:21-25 et al.) or subsection (f) of R.S.43:21-4, or shall be repaid by the individual to the division, the employer or the insurer, and that sum shall be collectible in the manner provided for by law, including, but not limited to, the filing of a certificate of debt with the Clerk of the Superior Court of New Jersey; except that no individual who does not knowingly misrepresent or withhold any material fact to obtain benefits shall be liable for any repayments or deductions against future benefits unless notified before four years have elapsed from the time the benefits in question were paid. The division shall promptly notify the individual by mail of the determination and the reasons for the determination. Unless the individual files an appeal of the determination within 20 calendar days following the receipt of the notice, or, within 24 days after the notice was mailed to the individual's last known address, the determination shall be final.

(b) If the individual received the overpayment of benefits because of error made by the division, the employer or the physician, and if the individual did not knowingly misrepresent or withhold any material fact to obtain the benefits, the following limits shall apply:

1. The amount withheld from any subsequent benefit check shall be an amount not greater than 50% of the amount of the check; and
2. All repayments of the overpayments by the individual or the estate of the individual shall be waived if the individual is deceased or permanently disabled.

Any demand for repayment from an individual pursuant to this subsection shall include an explanation of the provisions of this subsection.

b. An individual shall not simultaneously receive disability benefits for family temporary disability leave and any other disability benefits pursuant to P.L.1948, c.110 (C.43:21-25 et al.) or any unemployment compensation.
c. The employer of an individual may, notwithstanding any other provision of law, including the provisions of N.J.S.18A:30-1 et seq., permit or require the individual, during a period of family temporary disability leave, to use any paid sick leave, vacation time or other leave at full pay made available by the employer before the individual is eligible for disability benefits for family temporary disability leave pursuant to P.L.2008, c.17 (C.43:21-39.1 et al.), except that the employer may not require the individual to use more than two weeks worth of leave at full pay. The employer may also have the total number of days worth of disability benefits paid pursuant to P.L.2008, c.17 (C.43:21-39.1 et al.) to the individual during a period of family temporary disability leave reduced by the number of days of leave at full pay paid by the employer to the individual during that period. If the employer requires the individual to use leave at full pay, the employee shall be permitted to take that fully-paid leave during the waiting period required pursuant to subsection (a) of section 15 of P.L.1948, c.110 (C.43:21-39). Nothing in P.L.2008, c.17 (C.43:21-39.1 et al.) shall be construed as nullifying any provision of an existing collective bargaining agreement or employer policy, or preventing any new provision of a collective bargaining agreement or employer policy, which provides employees more generous leave or gives employees greater rights to select which kind of leave is used or select the order in which the different kinds of leave are used. Nothing in P.L.2008, c.17 (C.43:21-39.1 et al.) shall be construed as preventing an employer from providing more generous benefits than are provided under P.L.2008, c.17 (C.43:21-39.1 et al.) or providing benefits which supplement the benefits provided under P.L.2008, c.17 (C.43:21-39.1 et al.) for some or all of the employer’s employees.

or right of the employee to take action under the provisions of the “Family Leave Act,” P.L.1989, c.261 (C.34:11B-1 et seq.) or the federal “Family and Medical Leave Act of 1993,” Pub.L.103-3 (29 U.S.C. s.2601 et seq.). If an employee receives benefits for family temporary disability leave pursuant to P.L.2008, c.17 (C.43:21-39.1 et al.) with respect to employment with an employer who is not an employer as defined in the “Family Leave Act,” P.L.1989, c.261 (C.34:11B-1 et seq.) and that employer fails or refuses to restore the employee to employment after the period of family temporary disability leave, that failure or refusal shall not be a wrongful discharge in violation of a clear mandate of public policy, and the employee shall not have a cause of action against that employer, in tort, or for breach of an implied provision of the employment agreement, or under common law, for that failure or refusal.

e. An employee taking family temporary disability leave or an employer from whom the employee is taking the leave shall have the same right to appeal a determination of a benefit for the family temporary disability leave made under P.L.2008, c.17 (C.43:21-39.1 et al.) as an employee or employer has to appeal a determination of a benefit for the disability of the employee under the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et al.), and any regulations adopted pursuant to the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et al.).

f. In the event of a period of family temporary disability leave of any individual covered under the State plan, the employer shall, not later than the ninth day of the period of family temporary disability leave, including any waiting period or time in which the employer provides sick leave, vacation or other fully paid leave, issue to the individual and to the division printed notices on division forms containing the name, address and Social Security number of the individual, such wage information as the division may require to determine the individual's eligibility for benefits, including any sick pay, vacation or other fully paid time off provided by the employer during the period of family temporary disability leave, and the name, address, and division identity number of the employer. Not later than 30 days after the commencement of the period of family temporary disability leave for which the notice is furnished by the employer, the individual shall furnish to the division a notice and claim for family temporary disability leave benefits. Upon the submission of the notices by the employer and the individual, the division may issue benefit payments. In the case of family temporary disability leave taken to care for a family member with a serious health condition, the benefits may be paid for periods not exceeding three weeks pending the receipt of the certification required pursuant to subsec-
tion b. of section 11 of P.L. 2008, c. 17 (C.43:21-39.2). Failure to furnish notice and certification in the manner above provided shall not invalidate or reduce any claim if it shall be shown to the satisfaction of the division not to have been reasonably possible to furnish the notice and certification and that the notice and certification was furnished as soon as reasonably possible.

g. Each covered employer shall conspicuously post notification, in a place or places accessible to all employees in each of the employer's workplaces, in a form issued by regulation promulgated by the commissioner, of each covered employee's rights regarding benefits payable pursuant to this section. The employer shall also provide each employee of the employer with a written copy of the notification: (1) not later than 30 days after the form of the notification is issued by regulation; (2) at the time of the employee's hiring, if the employee is hired after the issuance; (3) whenever the employee notifies the employer that the employee is taking time off for circumstances under which the employee is eligible for benefits pursuant to this section; and (4) at any time, upon the first request of the employee.

C.43:21-39.2 Duration of family temporary disability leave; continuous or intermittent; certification.

11. a. In the case of a family member who has a serious health condition, the benefits for family temporary disability leave may be taken intermittently when medically necessary, if: the total time within which the leave is taken does not exceed 12 months; the covered individual provides the employer with a copy of the certification required pursuant to subsection b. of this section; the covered individual provides the employer with prior notice of the leave not less than 15 days before the first day on which benefits are paid for the intermittent leave, unless an emergency or other unforeseen circumstance precludes prior notice; and the covered individual makes a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the employer and, if possible, provide the employer, prior to the commencement of intermittent leave, with a regular schedule of the days or days of the week on which the intermittent leave will be taken. In the case of family temporary disability leave benefits to care for a family member with a serious health condition which are taken on a continuous, non-intermittent basis, the covered individual shall: provide the employer with prior notice of the leave in a reasonable and practicable manner, unless an emergency or other unforeseen circumstance precludes prior notice; provide a copy of the certification required pursuant to subsection b. of this section; make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the employer.
b. Any period of family temporary disability leave for the serious health condition of a family member of the covered individual shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
   (1) The date, if known, on which the serious health condition commenced;
   (2) The probable duration of the condition;
   (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
   (4) A statement that the serious health condition warrants the participation of the covered individual in providing health care, as provided in the “Family Leave Act,” P.L.1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to that act;
   (5) An estimate of the amount of time that the covered individual is needed for participation in the care of the family member;
   (6) If the leave is intermittent, a statement of the medical necessity for the intermittent leave and the expected duration of the intermittent leave; and
   (7) If the leave is intermittent and for planned medical treatment, the dates of the treatment.

c. A covered individual claiming benefits to provide care for a family member with a serious health condition under the State plan or during unemployment shall, if requested by the division, have the family member submit to an examination by a health care provider designated by the division. The examinations shall not be more frequent than once a week, shall be made without cost to the claimant and shall be held at a reasonable time and place. Refusal of the family member to submit to an examination requested pursuant to this subsection shall disqualify the claimant from all benefits for the period in question, except from benefits already paid.

C.43:21-39.3 Payment of benefits for period of family temporary disability leave, birth or adoption of child.

12. a. All of the disability benefits paid to a covered individual during a period of family temporary disability leave with respect to any one birth or adoption shall be for a single continuous period of time, except that the employer of the covered individual may permit the covered individual to receive the disability benefits during non-consecutive weeks in a manner mutually agreed to by the employer and the covered individual and disclosed to the division by the employer.

b. The covered individual shall provide the employer with notice of the period of family temporary disability leave with respect to birth or
adoption not less than 30 days before the leave commences, unless it com-
mences while the individual is receiving unemployment benefits, in which
case the covered individual shall notify the division. The amount of bene-
fits shall be reduced by two weeks worth of benefits if the individual does
not provide notice to an employer as required by this subsection b., unless
the time of the leave is unforeseeable or the time of the leave changes for
unforeseeable reasons.

c. Family temporary disability leave taken because of the birth or
placement for adoption of a child may be taken at any time within a year
after the date of the birth or placement for adoption.

C.43:21-39.4 Availability of annual reports, contents.
13. a. The Commissioner of Labor and Workforce Development shall
issue and make available to the public, not later than December 31, 2010,
and each subsequent year, annual reports providing data on temporary dis-
ability benefits, including separate data for claims involving pregnancy and
childbirth, and family temporary disability benefits, including separate data
for each of the following categories of claims: care of newborn children;
care of newly adopted children; care of sick children; care of sick spouses,
and care of other sick family members. The reports shall include, for each
category of claims, the number of workers receiving the benefits, the
amount of benefits paid, the average duration of benefits, the average
weekly benefit, and, in the case of family temporary disability benefits, any
reported amount of sick leave, vacation or other fully paid time which re-
sulted in reduced benefit duration. The report shall provide data by gender
and by any other demographic factors determined to be relevant by the
commissioner. The reports shall also provide, for all temporary disability
benefits and for all family temporary disability benefits, the total costs of
benefits and the total cost of administration, the portion of benefits for
claims during unemployment, and the total revenues from: employer as-
sessments, where applicable; employee assessments; and other sources.

b. The commissioner may, in his discretion, conduct surveys and
other research regarding, and include in the annual reports descriptions and
evaluations of, the impact and potential future impact of the provisions of
P.L.2008, c.17 (C.43:21-39.1 et al.) on the State disability benefits fund,
and other effects of those provisions, including the costs and benefits result-
ing from the provisions of P.L.2008, c.17 (C.43:21-39.1 et al.) for:

(1) Employees and their families, including surveys and evaluations of:
what portion of the total number of employees taking leave would not have
taken leave, or would have taken less leave, without the availability of benefits;
what portion of employees return to work after receiving benefits and what portion are not permitted to return to work; and what portion of employees who are eligible for benefits do not claim or receive them and why they do not;

(2) Employers, including benefits such as reduced training and other costs related to reduced turnover of personnel, and increased affordability of family temporary disability leave insurance through the State plan, with special attention given to small businesses; and

(3) The public, including savings caused by any reduction in the number of people receiving public assistance.

c. The total amount of any expenses which the commissioner determines are necessary to carry out his duties pursuant to this section shall be charged to the Family Temporary Disability Leave Account of the State disability benefits fund, except that the amount shall in no case exceed $150,000 during any fiscal year.

14. R.S.43:21-4 is amended to read as follows:

**Benefit eligibility conditions.**

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if:

(a) The individual has filed a claim at an unemployment insurance claims office and thereafter continues to report at an employment service office or unemployment insurance claims office, as directed by the division in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided that no such regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R.S.43:21-6.

(c) (1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual's
own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual's control.

(4) (A) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual's employment opportunities or because the individual failed or refused to accept work while attending such program.

(B) For the purpose of this paragraph (4), any training program shall be regarded as approved by the division for the individual if the program and the individual meet the following requirements:

(i) The training is for a labor demand occupation and is likely to enhance the individual's marketable skills and earning power;

(ii) The training is provided by a competent and reliable private or public entity approved by the Commissioner of Labor and Workforce Development pursuant to the provisions of section 8 of the "1992 New Jersey Employment and Workforce Development Act," P.L.1992, c.43 (C.34:15D-8);

(iii) The individual can reasonably be expected to complete the program, either during or after the period of benefits;

(iv) The training does not include on the job training or other training under which the individual is paid by an employer for work performed by the individual during the time that the individual receives benefits; and

(v) The individual enrolls in vocational training, remedial education or a combination of both on a full-time basis.

(C) If the requirements of subparagraph (B) of this paragraph (4) are met, the division shall not withhold approval of the training program for the individual for any of the following reasons:

(i) The training includes remedial basic skills education necessary for the individual to successfully complete the vocational component of the training;

(ii) The training is provided in connection with a program under which the individual may obtain a college degree, including a post-graduate degree;

(iii) The length of the training period under the program; or

(iv) The lack of a prior guarantee of employment upon completion of the training.

(D) For the purpose of this paragraph (4), "labor demand occupation" means an occupation for which there is or is likely to be an excess of demand over supply for adequately trained workers, including, but not limited to, an occupation designated as a labor demand occupation by the Center for Occupational Employment Information pursuant to the provisions of subsection d. of section 27 of P.L.2005, c.354 (C.34:1A-86).

(6) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance at the funeral of an immediate family member, provided that the duration of the attendance does not extend beyond a two-day period.

For purposes of this paragraph, "immediate family member" includes any of the following individuals: father, mother, mother-in-law, father-in-law, grandmother, grandfather, grandchild, spouse, child, child placed by the Division of Youth and Family Services in the Department of Children and Families, sister or brother of the unemployed individual and any relatives of the unemployed individual residing in the unemployed individual's household.

(8) Any individual who is determined to be likely to exhaust regular benefits and need reemployment services based on information obtained by the worker profiling system shall not be eligible to receive benefits if the individual fails to participate in available reemployment services to which the individual is referred by the division or in similar services, unless the division determines that:

(A) The individual has completed the reemployment services; or

(B) There is justifiable cause for the failure to participate, which shall include participation in employment and training, self-employment assistance activities or other activities authorized by the division to assist reemployment or enhance the marketable skills and earning power of the individual and which shall include any other circumstance indicated pursuant to this section in which an individual is not required to be available for and actively seeking work to receive benefits.

benefits attributable to the waiting period in the form and manner pre-

(2) (Deleted by amendment, P.L.2008, c.17).
(3) (Deleted by amendment, P.L.2008, c.17).

(4) With respect to benefit years commencing on or after January 7,
2001, except as otherwise provided in paragraph (5) of this subsection, the
individual has, during his base year as defined in subsection (c) of
R.S.43:21-19:

(A) Established at least 20 base weeks as defined in paragraphs (2) and
(3) of subsection (t) of R.S.43:21-19; or

(B) If the individual has not met the requirements of subparagraph (A)
of this paragraph (4), earned remuneration not less than an amount 1,000
times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113
(C.34:11-56a4) on October 1 of the calendar year preceding the calendar
year in which the benefit year commences, which amount shall be adjusted
to the next higher multiple of $100 if not already a multiple thereof.

2001, notwithstanding the provisions of paragraph (4) of this subsection, an
unemployed individual claiming benefits on the basis of service performed in
the production and harvesting of agricultural crops shall, subject to the limita-

(B) Has earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of $100 if not already a multiple thereof; or

(C) Has performed at least 770 hours of service in the production and harvesting of agricultural crops.

(6) The individual applying for benefits in any successive benefit year has earned at least six times his previous weekly benefit amount and has had four weeks of employment since the beginning of the immediately preceding benefit year. This provision shall be in addition to the earnings requirements specified in paragraph (4) or (5) of this subsection, as applicable.

(f) (1) The individual has suffered any accident or sickness not compensable under the workers' compensation law, R.S.34:15-1 et seq. and resulting in the individual's total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R.S.43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for the inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d); provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in subsection (b) of section 3 of P.L.1948, c.110 (C.43:21-27); provided further that no benefits shall be payable under this subsection to any individual:

(C) For any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a crime of the first, second or third degree;
(D) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(E) For any week with respect to which or part of which the individual has received or is seeking disability benefits under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(F) For any period of disability commencing while such individual is a "covered individual," as defined in subsection (b) of section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27).

(2) The individual is taking family temporary disability leave to provide care for a family member with a serious health condition or to be with a child during the first 12 months after the child's birth or placement of the child for adoption with the individual, and the individual would be eligible to receive benefits under R.S.43:21-1 et seq. (without regard to the maximum amount of benefits payable during any benefit year) except for the individual's unavailability for work while taking the family temporary disability leave, and the individual has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d) provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in subsection (b) of section 3 of P.L.1948, c.110 (C.43:21-27); provided further that no benefits shall be payable under this subsection to any individual:

(A) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(B) For any week with respect to which or part of which the individual has received or is seeking disability benefits for a disability of the individual under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(C) For any period of family temporary disability leave commencing while the individual is a "covered individual," as defined in subsection (b) of section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27); or
(D) For any period of family temporary disability leave for a serious health condition of a family member of the claimant during which the family member is not receiving inpatient care in a hospital, hospice, or residential medical care facility and is not subject to continuing medical treatment or continuing supervision by a health care provider, who, when requested by the division, shall certify within the scope of the provider's practice, the serious health condition of the family member, the probable duration thereof, and, where applicable, the medical facts within the provider's knowledge.

(3) Benefit payments under this subsection (f) shall be charged to and paid from the State disability benefits fund established by the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.), and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and (C) of R.S.43:21-19 (i)(1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the "unemployment compensation law"; except that, notwithstanding any other provisions of the "unemployment compensation law":

(1) With respect to service performed after December 31, 1977, in an instructional research, or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual if such individual performs such services in the first of such academic years (or terms) and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms;

(2) With respect to weeks of unemployment beginning after September 3, 1982, on the basis of service performed in any other capacity for an educational institution, benefits shall not be paid based on the basis of such services to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms, except that if benefits are denied to any individual under this paragraph (2) and the individual was not offered an opportunity to perform these services for the educational institution for the
second of any academic years or terms, the individual shall be entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this clause;

(3) With respect to those services described in paragraphs (1) and (2) above, benefits shall not be paid on the basis of such services to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such period or holiday recess;

(4) With respect to any services described in paragraphs (1) and (2) above, benefits shall not be paid as specified in paragraphs (1), (2), and (3) above to any individual who performed those services in an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing those services to one or more educational institutions.

(h) Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sports seasons (or similar periods) if such individual performed such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such seasons (or similar periods).

(i) (1) Benefits shall not be paid on the basis of services performed by an alien unless such alien is an individual who was lawfully admitted for permanent residence at the time the services were performed and was lawfully present for the purpose of performing the services or otherwise was permanently residing in the United States under color of law at the time the services were performed (including an alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) (8 U.S.C. 1182 (d)(5)) of the Immigration and Nationality Act (8 U.S.C. 1101 et seq.)); provided that any modifications of the provisions of section 3304(a)(14) of the Federal Unemployment Tax Act (28 U.S.C. s.3304 (a)(14)), as provided by Pub.L.94-566, which specify other conditions or other effective dates than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under State law as a condition for full tax credit against
the tax imposed by the Federal Unemployment Tax Act, shall be deemed applicable under the provisions of this section.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of alien status shall be made except upon a preponderance of the evidence.

(j) Notwithstanding any other provision of this chapter, the director may, to the extent that it may be deemed efficient and economical, provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to Article III (State plan) of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

15. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.
(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.
(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more em-
mployers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;

(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;

(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;

(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates.

(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and

if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.

(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experi-
ence, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.
(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

1Fund balance as of March 31 as a percentage of taxable wages in the prior calendar year.
2Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).

(F) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) With respect to experience rating years beginning on or after July 1, 2004, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the
contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.00% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

- From January 1, 1998 until December 31, 1998, a factor of 12%;
- From January 1, 1999 until December 31, 1999, a factor of 10%;
- From January 1, 2000 until December 31, 2000, a factor of 7%;
- From January 1, 2002 until March 31, 2002, a factor of 36%;
- From April 1, 2002 until June 30, 2002, a factor of 85%;
- From July 1, 2002 until June 30, 2003, a factor of 15%;
- From July 1, 2003 until June 30, 2004, a factor of 15%;
- From July 1, 2004 until June 30, 2005, a factor of 7%;
- From July 1, 2005 until December 31, 2005, a factor of 16%; and
- From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) (Deleted by amendment, P.L.2008, c.17).

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to
less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment ex-
perience of the predecessor employer. The request for reconsideration shall
demonstrate, to the satisfaction of the controller, that the employment ex­
perience of the predecessor is not indicative of the future employment ex­
perience of the successor.

(B) An employer who transfers part of his or its organization, trade,
assets or business to a successor in interest, whether by merger, consolida­
tion, sale, transfer, descent or otherwise, may jointly make application with
such successor in interest for transfer of that portion of the employment ex­
perience of the predecessor employer relating to the portion of the or­
ganization, trade, assets or business transferred to the successor in interest,
including credit for past years, contributions paid, annual payrolls, benefit
charges, et cetera, applicable to such predecessor employer. The transfer of
employment experience may be allowed pursuant to regulation only if it is
found that the employment experience of the predecessor employer with
respect to the portion of the organization, trade, assets or business which
has been transferred may be considered indicative of the future employment
experience of the successor in interest. Credit shall be given to the succes­
sor in interest only for the years during which contributions were paid by
the predecessor employer with respect to that part of the organization,
trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having
become final, the predecessor employer thereafter shall not be entitled to
consideration for an adjusted rate based upon his or its experience or the part
thereof, as the case may be, which has thus been transferred. A successor in
interest to whom employment experience or a part thereof is transferred pur­
suant to this subsection shall, as of the date of the transfer of the organization,
trade, assets or business, or part thereof, immediately become an employer if
not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization,
trade, assets or business to a successor in interest, whether by merger, con­
solidation, sale, transfer, descent or otherwise and both the employer and
successor in interest are at the time of the transfer under common owner­
ship, management or control, then the employment experience attributable
to the transferred business shall also be transferred to and combined with
the employment experience of the successor in interest. The transfer of the
employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a
successor in interest shall become effective as of the first day of the calen­
dar quarter following the acquisition by the successor in interest. As of the
effective date, the successor in interest shall have its employer rate recalcu­
lated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/12 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et al.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance
its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other pro-
vision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the
each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker’s employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker’s employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker’s employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the
State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) (i) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or non-governmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(ii) Each worker shall contribute to the State disability benefits fund, in addition to any amount contributed pursuant to subparagraph (i) of this paragraph (1)(G), an amount equal to, during calendar year 2009, 0.09%, and during calendar year 2010 and each subsequent calendar year, 0.12%, of wages paid with respect to the worker's employment with any covered employer, including a governmental employer which is an employer as defined under R.S.43:21-19(h)(5), unless the employer is covered by an approved private disability plan for benefits during periods of family temporary disability leave. The contributions made pursuant to this subparagraph (ii) to the State disability benefits fund shall be deposited into an account of that fund reserved for the payment of benefits during periods of family temporary disability leave as defined in section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administra-
tion of those payments and shall not be used for any other purpose. This account shall be known as the "Family Temporary Disability Leave Account." Necessary administrative costs shall include the cost of an outreach program to inform employees of the availability of the benefits and the cost of issuing the reports required or permitted pursuant to section 13 of P.L. 2008, c.17 (C.43:21-39.4). No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, with the sole exception that, during calendar years 2008 and 2009, a total amount not exceeding $25 million may be transferred to that account from the revenues received in the State disability benefits fund pursuant to subparagraph (i) of this paragraph (1)(G) and be expended for those payments and their administration, including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after Janu-
January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et al.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et al.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et al.), pursuant to the provisions of R.S.43:21-8,
shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in
preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

   (i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et al.);

   (ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

   (iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged
(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;
(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;
(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;
(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;
(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or
(D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

(F) Notwithstanding any other provisions of this subsection (e), the rate of contribution paid to the State disability benefits fund by each covered employer as defined in paragraph (1) of subsection (a) of section 3 of P.L.1948, c.110 (C.43:21-27), shall be determined as if:

(i) No disability benefits have been paid with respect to periods of family temporary disability leave;

(ii) No worker paid any contributions to the State disability benefits fund pursuant to paragraph (1)(G)(ii) of subsection (d) of this section; and

(iii) No amounts were transferred from the State disability benefits funds to the “Family Temporary Disability Leave Account” pursuant to paragraph (1)(G)(ii) of subsection (d) of this section.
C.54A:6-31 Family leave benefits not included in gross income.

17. This act shall take effect immediately.

Approved May 2, 2008.

CHAPTER 21

AN ACT providing additional retirement benefits to certain employees of State government and supplementing Title 52 of the Revised Statutes.

WHEREAS, The public interest requires the control of long term costs and pension liabilities associated with the retirement of employees of State government pursuant to an early retirement program; and

WHEREAS, The public interest requires the maximization of short and long term budget savings associated with the reduction in the overall workforce for the State that will occur as a result of an offer of an early retirement incentive program; and

WHEREAS, The public interest requires assurance that a workforce reduction obtained as a result of an early retirement incentive program is maintained by a limitation on hiring replacements for those who retire; and

WHEREAS, To maximize savings and limit pension liabilities resulting from an early retirement incentive program, it is essential to limit the retirement systems through which an early retirement incentive program will be offered to the Public Employees' Retirement System and the Teachers' Pension and Annuity Fund, to require that any employee who participates
in such a program be already eligible to retire from State service and to further limit participation in the program to only a designated subset of employees who already are eligible to retire from State service; and

WHEREAS, Because the public interest requires that savings associated with vacancies achieved through an early retirement program not be lost by rehiring retired former employees, directly or indirectly, it is appropriate to establish restrictions prohibiting eligible employees who retire and receive a benefit pursuant to this act from eligibility for employment in, or from being awarded a contract to perform, or from performing professional services for the State as part of a contract awarded to a third party, by the branch of State government from which they retired, for a period of three years following the effective date of retirement; and

WHEREAS, To further ensure budget savings and limit liabilities, an early retirement incentive program must not be made available to employees of independent State authorities, or to employees enrolled in certain special sections of the Public Employees' Retirement System, or to certain employees in State departments or agencies when there is a determination that the mission of those departments or agencies is principally related to the provision of direct care or when the nature of their operations otherwise does not permit the imposition of a strict limit on the filling of vacancies; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. a. An eligible State employee or an eligible Judiciary employee who is at least 58 years of age and has at least 25 years of service credit under the Public Employees' Retirement System, established pursuant to P.L.1954, c.84 (C.43:15A-1 et seq.), or the Teachers' Pension and Annuity Fund, established pursuant to N.J.S.18A:66-1 et seq., other than a veteran who retires on a veteran's retirement, shall receive an additional three years of service credit under the Public Employees' Retirement System or the Teachers' Pension and Annuity Fund.

An employee who is at least 58 years of age and has at least 25 years of service credit and retires on a veteran's retirement under the Public Employees' Retirement System or the Teachers' Pension and Annuity Fund shall receive an additional pension under the retirement system in the amount of 3/55 of the compensation upon which the retirement allowance is based.

The additional retirement benefit provided pursuant to this subsection shall be applicable only to the full-time State employment from which an
eligibility employee retires to receive the benefit and the compensation for that employment.

b. For an eligible State employee who is at least 60 years of age and has at least 20, but less than 25, years of service credit under the Public Employees’ Retirement System or the Teachers’ Pension and Annuity Fund, the retirement system shall pay the premium or periodic charges for benefits provided to the retired State employee and the employee's dependents, but not including survivors, under the "New Jersey State Health Benefits Program Act," P.L.1961, c.49 (C.52:14-17.25 et seq.), in the same manner provided for State payment of premiums or periodic charges for a retired State employee with 25 or more years of service credit under section 6 of P.L.1996, c.8 (C.52:14-17.28b) for Public Employees’ Retirement System members, and in the same manner provided for State payment of premiums or periodic charges for a qualified retiree from the Teachers’ Pension and Annuity Fund under section 3 of P.L.1987, c.384 (C.52:14-17.32f) for Teachers’ Pension and Annuity Fund members.

c. An eligible State employee who is at least 60 years of age and has at least 10, but less than 20, years of service credit under the Public Employees’ Retirement System or the Teachers’ Pension and Annuity Fund shall receive an additional pension under the Public Employees’ Retirement System or the Teachers’ Pension and Annuity Fund of $500 a month in each of the 24 months following the effective date of retirement.

d. To receive the benefits provided by this section, an eligible State employee or an eligible Judiciary employee shall submit an application for retirement on or after March 1, 2008 but not later than July 15, 2008 and retire not later than August 1, 2008.

Service credit in the Public Employees’ Retirement System or the Teachers' Pension and Annuity Fund established through a purchase completed after the effective date of this act, P.L.2008, c.21, shall not be considered in determining an employee’s eligibility for the benefit provided pursuant to subsections a., b., and c. of this section, except that those employees who have previously authorized payroll deductions for a purchase of service credit or those employees who have received a quotation for a purchase of service credit from the Division of Pensions and Benefits within the 90 days prior to the effective date of this act may effectuate the purchase to qualify for eligibility under this act so long as that entire purchase is paid in full by July 15, 2008 or the date of the expiration of the purchase quotation, whichever date is earliest.

An application submitted by an eligible State employee or an eligible Judiciary employee for retirement within the time period set forth herein to
receive the benefits provided shall be irrevocable seven days after submission.

e. For the purpose of this section:

"Eligible State employee" means a full-time employee of the executive branch of State government eligible to participate in the New Jersey State Health Benefits Program of the State of New Jersey, but not including an employee of the Department of Human Services, Department of Military and Veterans’ Affairs, Department of Corrections, Juvenile Justice Commission in but not of the Department of Law and Public Safety, Office of the Public Defender in but not of the Department of the Treasury, and Department of Children and Families.

The term shall not include an employee of Rutgers, The State University; the New Jersey Institute of Technology; the University of Medicine and Dentistry of New Jersey; or a State college or university.

The term shall not include an employee of a public authority, board, commission, corporation, or other agency or instrumentality of the State allocated in, but not of, a principal department of State government pursuant to Article V, Section IV, paragraph 1 of the New Jersey Constitution authorized to participate in the Public Employees' Retirement System under section 73 of P.L.1954, c.84 (C.43:15A-73) or P.L.1990, c.25 (C.43:15A-73.2 et al.), which entity was authorized under P.L.2002, c.23 to provide additional retirement benefits to certain employees, as such entities are identified by the Division of Pensions and Benefits in consideration that the division submits a separate request for payment and receives a separate payment for benefits purposes from the entity. This paragraph shall not be deemed to exclude the New Jersey Commerce Commission or its successor.

"Eligible Judiciary employee" means a full-time employee of the judicial branch of State government eligible to participate in the New Jersey State Health Benefits Program of the State of New Jersey. The term shall not include a Justice of the Supreme Court, or a Judge of the Superior Court, or a Judge of a Municipal Court, or an employee of a Municipal Court.

f. When the needs of the executive branch of State government require the services of an employee who elects to retire and receive a benefit pursuant to this section, a State department may delay the effective date of retire-
ment of the employee until the first day of any calendar month after August 1, 2008, but not later than July 1, 2009. For each such delayed retirement, the State department shall request the approval of the State Treasurer by submitting in writing an explanation of the needs of the department, the services required of the employee, and the reasons why that particular employee's services are so essential as to necessitate a delay. The delay shall be effective only upon approval of the request by the State Treasurer. A request by an eligible State employee for a delay in the effective date of retirement, whether the employee provides reasons for the delay or not, shall not be considered by the State Treasurer unless the State department submits a request for a delay to the State Treasurer with the explanation described above.

When the needs of the judicial branch of State government require the services of an employee who elects to retire and receive a benefit pursuant to this section, the Judiciary may delay the effective date of retirement of the employee until the first day of any calendar month after August 1, 2008, but not later than July 1, 2009, pursuant to protocols to be issued by the Chief Justice of the Supreme Court.

An eligible State employee who applies to retire and receive the benefits provided by this section shall be deemed to consent, by that application, to a delay in the employee's effective date of retirement if the State department requests and receives approval for such a delay. An eligible Judiciary employee who applies to retire and receive the benefits provided by this section shall be deemed to consent, by that application, to a delay in the employee's effective date of retirement if the Chief Justice determines that such a delay is appropriate. Such an employee's receipt of the benefits provided by this section shall be conditioned upon faithful performance of services by the employee during the period of delay.

A delay in the effective date of retirement of an eligible State employee or an eligible Judiciary employee shall not extend the time period set forth in this section within which an employee shall qualify for a benefit pursuant to this section. The retirement of an employee for whom the effective date of retirement has been delayed shall be irrevocable.

For an eligible State employee or an eligible Judiciary employee who is a member of the Public Employees' Retirement System or the Teachers' Pension and Annuity Fund whose effective date of retirement is delayed and who dies before the retirement becomes effective, the retirement shall be effective as of the first day of the month after the date of death of the member.

The actuaries for the Public Employees' Retirement System and the Teachers' Pension and Annuity Fund shall determine the liabilities of the retirement systems for the additional service credit or pension provided
pursuant to this section and for the early retirement of employees in accordance with the tables of actuarial assumptions adopted by the boards of trustees of the retirement systems. These liabilities shall be added to the accrued liabilities of the State under the retirement systems and shall be funded as provided under section 24 of P.L.1954, c.84 (C.43:15A-24), section 2 of P.L.1990, c.6 (C.43:15A-24.1), N.J.S.18A:66-18, and section 2 of P.L.1987, c.385 (C.18A:66-18.1), respectively.

h. An eligible State employee or an eligible Judiciary employee who retires and receives a benefit pursuant to this section shall forfeit all tenure rights.

i. b. The commission shall review a submission made pursuant to subsection a. to determine whether it conforms to the requirements of this act and to the regulations promulgated thereunder and provides adequate and effective controls for the operations of the particular casino hotel submitting it. If during its review, the commission preliminarily determines that a procedure in the submission contains a substantial and material insufficiency likely to have a direct and materially adverse impact on the integrity of gaming or simulcast wagering operations or the control of gross revenue, the chairman, by written notice to the casino licensee, shall: (1) specify the precise nature of the insufficiency and, when possible, an acceptable alternative procedure, (2) schedule a hearing before the full commission no later than 15 days after the date of such written notice to plenarily and finally determine whether the procedure in question contains the described insufficiency, and (3) direct that the internal controls in issue not yet implemented not be implemented until approved by the commission. Upon receipt of the notice, the casino licensee shall proceed to the scheduled hearing before the full commission and may submit a revised procedure addressing the concerns specified in the notice.

c. Notwithstanding the provisions of subsections a. and b. hereof, the commission shall, by regulation, permit changes to those internal controls required by subsection a. hereof that cannot have a material impact upon the integrity of gaming or simulcast wagering operations or the control and reporting of gross revenue, including those internal controls described in paragraph (3) of subsection a. hereof, to be implemented by a casino licensee immediately upon the preparation and internal filing of such internal controls.

d. Each casino licensee and applicant shall submit a narrative description of its system of internal procedures and administrative and accounting controls for the recording and reporting of all business transactions and agreements governed by sections 92 and 104 of P.L.1977, c.110 (C.5:12-92 and 5:12-104, as amended) no later than five days after those operations commence or after any change in those procedures or controls takes effect.

3. Section 100 of P.L.1977, c.110 (C.5:12-100) is amended to read as follows:

C.5:12-100 Games and gaming equipment.

100. a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room in accordance with this act and the regulations promulgated hereunder and in a simulcasting facility to the extent provided by the "Casino Simulcasting Act," P.L.1992, c.19
(C.5:12-191 et al.). Notwithstanding the foregoing, if the commission approves the game of keno as an authorized game pursuant to section 5 of P.L.1977, c.110 (C.5:12-5), as amended, keno tickets may be sold or redeemed in accordance with commission regulations at any location in a casino hotel approved by the commission for such activity.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel except in a casino room, in the simulcasting facility, or in restricted casino areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the commission. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility but does not permit or require patron access, such as computers, may be possessed and maintained by a casino licensee in restricted casino areas specifically designated for that purpose by the casino licensee with the approval of the commission. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility but does not permit or require patron access, such as computers, may be possessed and maintained by a casino licensee in restricted casino areas specifically designated for that purpose by the casino licensee with the approval of the commission. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room or simulcasting facility by any person unless such equipment is necessary to the conduct of an authorized game, has permanently affixed, impressed or engraved thereon an identification number or symbol authorized by the commission, is under the exclusive control of a casino licensee or his employees, and is brought into or removed from the casino room or simulcasting facility following 24-hour prior notice given to an authorized agent of the commission.

Notwithstanding any other provision of this section, equipment which supports a multi-casino progressive slot system and links and interconnects slot machines of two or more casino licensees but is inaccessible to patrons, such as computers, may, with the approval of the commission, be possessed, maintained and operated by a casino licensee either in a restricted area on the premises of a casino hotel or in a secure facility specifically designed for that purpose off the premises of a casino hotel but within the city limits of the City of Atlantic City.

Notwithstanding the foregoing, a person may, with the prior approval of the commission and under such terms and conditions as may be required by the commission, possess, maintain or exhibit gaming equipment in any other area of the casino hotel; provided such equipment is used for nongaming purposes.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the commission for the counting and storage of cash, coins, tokens and checks received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other
representatives of value. All drop boxes and other devices wherein cash, coins, or tokens are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, shall be equipped with two locking devices, one key to which shall be under the exclusive control of the commission and the other under the exclusive control of the casino licensee, and said drop boxes and other devices shall not be brought into or removed from a casino room or simulcasting facility, or locked or unlocked, except at such times, in such places, and according to such procedures as the commission may require. In the event that a state of emergency is declared due to the failure to enact a general appropriation law by the deadline prescribed by Article VIII, Section II, paragraph 2 of the New Jersey Constitution, the commission, in accordance with section 4 of P.L.2008, c.23 (C.5:12-211), may, at its discretion, and as may be necessary to ensure the continuity of casino operations and the collection and counting of gross revenue, give temporary custody of its key to a certified public accountant approved by the commission, who shall act in the capacity of the commission with respect to the use, control and security of the key in accordance with internal controls approved by the commission in accordance with section 5 of P.L.2008, c.23 (C.5:12-212).

d. All chips used in gaming shall be of such size and uniform color by denomination as the commission shall require by regulation.

e. All gaming shall be conducted according to rules promulgated by the commission. All wagers and pay-offs of winning wagers shall be made according to rules promulgated by the commission, which shall establish such limitations as may be necessary to assure the vitality of casino operations and fair odds to patrons. Each slot machine shall have a minimum payout of 83%.

f. Each casino licensee shall make available in printed form to any patron upon request the complete text of the rules of the commission regarding games and the conduct of gaming, pay-offs of winning wagers, an approximation of the odds of winning for each wager, and such other advice to the player as the commission shall require. Each casino licensee shall prominently post within a casino room and simulcasting facility, as appropriate, according to regulations of the commission such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the commission shall require.

g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that
any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. (1) Except as herein provided, no slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested by the division and licensed for use by the commission. The division may, in its discretion, and for the purpose of expediting the approval process, utilize the services of any testing laboratory with a plenary license as a casino service industry pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) when testing a slot machine model. The division shall, within 60 days of its receipt of a complete application for the testing of a slot machine model, recommend the approval or rejection of the slot machine model to the commission. If the division is unable to complete the testing of a slot machine model within this 60-day period, the division may recommend that the commission conditionally approve the slot machine model for test use by a casino licensee provided that the division represents that the use of the slot machine model will not have a direct and materially adverse impact on the integrity of gaming or the control of gross revenue. The division shall give priority to the testing of slot machines which a casino licensee has certified it will use in its casino in this State. The commission shall, by regulation, establish such technical standards for licensure of slot machines, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. The denominations of such machines shall be set by the licensee; the licensee shall simultaneously notify the commission of the settings.

(2) The commission shall, by regulation, determine the permissible number and density of slot machines in a licensed casino so as to:

   (a) promote optimum security for casino operations;
   (b) avoid deception or frequent distraction to players at gaming tables;
   (c) promote the comfort of patrons;
   (d) create and maintain a gracious playing environment in the casino; and
   (e) encourage and preserve competition in casino operations by assuring that a variety of gaming opportunities is offered to the public.

Any such regulation promulgated by the commission which determines the permissible number and density of slot machines in a licensed casino shall provide that all casino floor space and all space within a casino licensee's casino simulcasting facility shall be included in any calculation of the permissible number and density of slot machines in a licensed casino.

i. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except for currency, negotiable personal checks, negotiable counter checks, other chips, coupons or complimentary vouchers distributed by the casino licensee, or, if authorized by regulation of the commission, a valid charge to a credit or debit card account. A casino licensee shall, upon the request of any person, redeem that licensee's gaming chips surrendered by that person in any amount over $100 with a check drawn upon the licensee's account at any banking institution in this State and made payable to that person.

l. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or Barker to induce any person to enter a casino or simulcasting facility or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose, unless otherwise permitted by the rules of the commission.

n. It shall be unlawful for any casino key employee or any person who is required to hold a casino key employee license as a condition of employment or qualification to wager in any casino or simulcasting facility in this State, or any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, to wager in a casino or simulcasting facility in the casino hotel in which the employee is employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee. Any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, must wait at least 30 days following the date that the employee either leaves employment with a casino licensee or is terminated from employment with a casino licensee before the employee may gamble in a casino or simulcasting facility in the casino hotel in which the employee was formerly employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit,
any tip or gratuity from any player or patron at the casino hotel or simulcast facility where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, accounted for, and placed in a pool for distribution pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked, except that the commission may permit a separate pool to be established for dealers in the game of poker, or may permit tips or gratuities to be retained by individual dealers in the game of poker.

p. Any slot system operator that offers an annuity jackpot shall secure the payment of such jackpot by establishing an annuity jackpot guarantee in accordance with the requirements of P.L.1977, c.110 (C.5:12-61 et seq.), and the rules of the commission.

C.5:12-211 Continuance of casino, simulcast operations during certain states of emergency; violations, fines.

4. In the event that a state of emergency is declared due to the failure to enact a general appropriation law by the deadline prescribed by Article VIII, Section II, paragraph 2 of the New Jersey Constitution, that prevents inspectors, agents, or other employees of the commission and the division from performing their normal duties, a casino licensee may continue to conduct casino and simulcast operations for a period not to exceed seven calendar days, notwithstanding that the inspectors, agents, or other employees of the commission and the division are unable to perform their functions, provided that the casino licensee has complied with section 5 of P.L.2008, c.23 (C.5:12-212), and that the casino licensee and its employees shall continue to comply with all relevant provisions of the New Jersey Constitution and all relevant State statutes and regulations and shall maintain detailed records of that compliance.

If, during any period of time that casino and simulcasting facilities remain open pursuant to the provisions of this section, the Governor determines that the holder of a casino license, or any licensed employee thereof, may be engaged in what the Governor believes to be a violation of any State statute or regulation governing the operation of those facilities that would ordinarily subject a licensee to a possible suspension or revocation of its license, the Governor shall have the authority to summarily suspend the license of that casino or employee until such time as it is rescinded by the Governor, or the state of emergency ceases and the commission or the division, as appropriate, is able to address the matter.
Any violation of a statute or regulation that would ordinarily subject a licensee to a fine, but which occurs while a facility remains open during a state of emergency pursuant to this section, which is not reported by the casino licensee in accordance with its approved internal control procedures, shall be punishable by a fine of no less than five times and up to ten times the amount of the usual fine, depending on the nature and seriousness of the violation. When the state of emergency ceases, casino licensees shall be responsible for any costs associated with re-implementing onsite State inspections.

C.5:12-212 Commission approval of internal controls prior to state of emergency.

5. In order for a casino licensee to conduct casino and simulcast operations during a state of emergency as authorized in section 4 of P.L.2008, c.23 (C.5:12-211), it shall obtain commission approval of internal controls prior to the state of emergency, which shall become effective only during the state of emergency, that contain, without limitation:

a. Procedures for the casino licensee and its employees to report any violation of a statute or regulation to the casino licensee’s chief legal officer and audit committee executive, who shall report any such violations to the Governor immediately and to the commission and division when the state of emergency ceases.

b. Procedures for the casino licensee to engage a certified public accountant approved by the commission, which procedures shall provide sufficient safeguards to ensure that the public’s interest in the integrity of casino operations is served, and shall include but not be limited to a criminal history record background check to be conducted in accordance with the authority provided under paragraph (5) of subsection b. of section 89 of P.L.1977, c.110 (C.5:12-89), to perform the following functions during the state of emergency:

10. a. In the event that a state of emergency is declared due to the failure to enact a general appropriation law by the deadline prescribed by Article VIII, Section II, paragraph 2 of the New Jersey Constitution, that prevents employees of the New Jersey Racing Commission from performing their normal duties, a holder of a permit to conduct a horse race meeting
may continue to hold scheduled races and simulcast operations for a period not to exceed seven calendar days, notwithstanding that employees of the commission are unable to perform the functions usually required for the conduct of horse racing in this State, provided that the permit holder has complied with subsection b. of this section, and that the permit holder and its employees shall continue to comply with all relevant provisions of the New Jersey Constitution and all relevant State statutes and regulations, and shall maintain detailed records of that compliance.

If, during any period of time that racetrack facilities remain open pursuant to the provisions of this section, the Governor determines that a permit holder, or any employee thereof, may be engaged in what the Governor believes to be a violation of any State statute or regulation governing the operation of those facilities and the conduct of horse racing in this State, that would ordinarily subject a permit holder or employee to a possible suspension or revocation of its permit or license, the Governor shall have the authority to summarily suspend the permit or license of that permit holder or employee until such time as it is rescinded by the Governor, or the state of emergency ceases and the commission is able to address the matter.

Any violation of a statute or regulation that would ordinarily subject a permit holder or licensee to a fine, but which occurs while a racetrack facility remains open during a state of emergency pursuant to this section, which is not reported by the permit holder or licensee in accordance with commission rules and regulations pursuant to subsection b. of this section, shall be punishable by a fine of no less than five times and up to ten times the amount of the usual fine, depending on the nature and seriousness of the violation. When the state of emergency ceases, permit holders shall be responsible for any costs associated with implementing the provisions of this section, including any costs accrued by the commission and associated with re-implementing commission functions and duties.

b. Notwithstanding any law, rule, or regulation to the contrary, the New Jersey Racing Commission may develop, through rules and regulations, the necessary standards, criteria, safeguards, and procedures that a permit holder shall meet prior to, and as a condition of, being eligible to continue to conduct horse racing operations in this State in the event that a state of emergency is declared, as provided in subsection a. of this section, and commission employees are not able to perform their usual functions. Notwithstanding any provision of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the commission may adopt immediately upon filing with the Office of Administrative Law such rules and regulations as the commission deems necessary to implement the
provisions of this section, which shall be effective for a period not to exceed 270 days following enactment of P.L.2008, c.23, and may thereafter be amended, adopted, or readopted by the commission in accordance with the requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

in the New Jersey Economic Development Authority, transferring the functions, powers and duties of the commission and other State entities to the division, and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:1B-210 Findings, declarations relative to abolishing the New Jersey Commerce Commission.

1. The Legislature finds and declares that:
   a. It is the policy of the State of New Jersey to stimulate economic growth and development by efforts that are efficient and coordinated across all sectors, departments, and agencies.
   b. The State's efforts to deliver effective economic growth and development assistance and improve the New Jersey economy currently flow through a number of different programs, enacted and amended incrementally over time, which are administered by a number of different entities.
   c. Greater coordination of the State's economic development efforts will achieve benefits, including short- and long-term budget savings during this period of unprecedented fiscal challenges facing the State, as well as enhancements to the effectiveness of the State's economic growth and development efforts.
   d. By consolidating the New Jersey Commerce Commission and transferring its primary functions to the Division of Business Assistance, Marketing, and International Trade in the New Jersey Economic Development Authority, the coordination of these related but distinct functions will be advanced.
   e. Such consolidation will enhance the work of the Division of Business Assistance, Marketing, and International Trade, which markets New Jersey and the opportunities in this State to the business community of the nation and the world, and the New Jersey Economic Development Authority, which provides financing on specific business projects, by improving cooperation and coordination among the agencies charged with these separate functions.
   f. Further, the State's economic development activities will be improved by consolidating the New Jersey Development Authority for Small Businesses, Minorities and Women's Enterprises into the New Jersey Economic Development Authority, which can deliver the financial and other assistance needed for such businesses and enterprises, and by consolidating other economic development entities.
g. State efforts to classify businesses that are small or minority- or women-owned to participate in State purchasing and procurement processes also will be more effective if the registration and certification programs of the New Jersey Commerce Commission are placed directly within the Department of the Treasury, which serves as the procurement agency of the State.

Demotional title rights shall be determined by the commission based upon the same criteria, except that the demotional title shall have lower but substantially similar duties and responsibilities as the affected title.

f. In local service, a permanent employee in a position affected by a layoff action shall be provided lateral and demotional title rights within the layoff unit.

(7) the position held by the permanent employee with the least seniority.

h. A permanent employee shall be granted special reemployment rights based on the employee's permanent title at the time of the layoff action and the employee shall be certified for reappointment after the layoff action to the same, lateral and lower related titles. Special reemployment rights shall be determined by the commission in the same manner as lateral and demotional rights.

85. Section 14 of P.L.2006, c.47 (C.9:3A-14) is amended to read as follows:

C.9:3A-14 Criminal history record information check for certain employees.
14. The Department of Children and Families shall not employ any individual as a direct care staff member unless the Commissioner of Children and Families has first determined, consistent with the requirements and standards of this section, that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police, which would disqualify that individual from being employed at the department. A criminal history record background check shall be conducted at least once every two years for an individual employed as a direct care staff member.
As used in this section, "direct care staff member" means an individual employed at the department in a position which involves unsupervised, regular contact with individuals receiving services from the department.

a. An individual shall be disqualified from employment as a direct care staff member if that individual's criminal history record check reveals a record of conviction of any of the following crimes and offenses:

(1) In New Jersey, any crime or disorderly persons offense:
   (a) involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq. or N.J.S.2C:15-1 et seq.; or
   (b) against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.; or

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section to the contrary, no individual shall be disqualified from employment under this act on the basis of any conviction disclosed by a criminal history record check performed pursuant to this section if the individual has affirmatively demonstrated to the Commissioner of Children and Families clear and convincing evidence of his rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) The nature and responsibility of the position which the convicted individual would hold;
   (2) The nature and seriousness of the offense;
   (3) The circumstances under which the offense occurred;
   (4) The date of the offense;
   (5) The age of the individual when the offense was committed;
   (6) Whether the offense was an isolated or repeated incident;
   (7) Any social conditions which may have contributed to the offense; and
   (8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

c. If a prospective direct care staff member refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall not consider the individual for employment as a
direct care staff member. The prospective staff member shall, however, retain any available right of review by the Civil Service Commission.

d. If a current direct care staff member refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall immediately remove the individual from his position as a direct care staff member and terminate the individual's employment. The staff member shall, however, retain any available right of review by the Civil Service Commission.

e. Notwithstanding the provisions of subsection a. of this section to the contrary, the department may provisionally employ an individual as a direct care staff member for a period not to exceed six months if that individual's State Bureau of Identification criminal history record background check does not contain any information that would disqualify the individual from employment at the department and if the individual submits to the commissioner a sworn statement attesting that the individual has not been convicted of any crime or disorderly persons offense as described in this section, pending a determination that no criminal history record background information which would disqualify the individual exists on file in the Federal Bureau of Investigation, Identification Division. An individual who is provisionally employed pursuant to this subsection shall perform his duties under the direct supervision of a superior who acts in a supervisory capacity over that individual until the determination concerning the federal information is complete.

f. All applicants or current direct care staff members from whom criminal history record background checks are required shall submit their fingerprints in a manner acceptable to the commissioner. The commissioner is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required by this section. No criminal history record background check shall be performed pursuant to this section unless the applicant shall have furnished his written consent to the check.

g. (1) Upon receipt of an applicant or direct care staff member's criminal history record information from the Federal Bureau of Investigation or the Division of State Police, as applicable, the commissioner shall notify the applicant or staff member, in writing, of the applicant's or staff member's qualification or disqualification for employment under this act. If the applicant or staff member is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the written notice.

(2) The applicant or staff member shall have 30 days from the date of written notice of disqualification to petition the commissioner for a hearing
on the accuracy of the criminal history record information or to establish his rehabilitation under subsection b. of this section. The commissioner may refer any case arising hereunder to the Office of Administrative Law for administrative proceedings pursuant to P.L.1978, c.67 (C.52:14F-1 et al.).

(3) The commissioner shall not maintain any individual's criminal history record information or evidence of rehabilitation submitted under this section for more than six months from the date of a final determination by the commissioner as to the individual's qualification or disqualification to be a direct care staff member pursuant to this section.

h. The commissioner shall initiate a criminal history record background check on all prospective direct care staff members. Current direct care staff members who have had a criminal history record background check conducted and stored in a manner approved by the commissioner shall have up to two years from the effective date of this act until the next criminal history background check is conducted.

i. The department shall assume the cost of all criminal history record background checks conducted on current and prospective direct care staff members.

A criminal history record background check shall be conducted at least once every two years for an individual employed at the facility. An individual shall be disqualified from employment under this act if that individual's criminal history record check reveals a record of conviction of any of the following crimes and offenses:

   (b) Against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.; or

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section, no individual shall be disqualified from employment under this act on the basis of any conviction disclosed by a criminal history record check performed pursuant to this act if the individual has affirmatively demonstrated to the Commissioner of Human Services clear and convincing evidence of his rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) The nature and responsibility of the position which the convicted individual would hold;

have had the individual under their supervision.

c. If a prospective employee of a facility refuses to consent to, or co­

e. Notwithstanding the provisions of subsection a. of this section to
the contrary, a facility may provisionally employ an individual for a period
not to exceed six months if that individual's State Bureau of Identification
criminal history record background check does not contain any information
that would disqualify the individual from employment at the facility and if
the individual submits to the commissioner a sworn statement attesting that
the individual has not been convicted of any crime or disorderly persons

101. Section 11 of P.L. 2007, c.63 (C.40A:65-11) is amended to read as follows:

C.40A:65-11 Employment reconciliation plan included in agreement; conditions.

11. a. When a local unit contracts, through a shared service or joint meeting, to have another local unit or a joint meeting provide a service it is currently providing using public employees and one or more of the local units have adopted Title 11A, Civil Service, then the agreement shall include an employment reconciliation plan in accordance with this section that and, if one or more of the local units have adopted Title 11A, Civil Service, shall specifically set forth the intended jurisdiction of the Civil Service Commission. An employment reconciliation plan shall be subject to the following provisions:
(1) a determination of those employees, if any, that shall be transferred to the providing local unit, retained by the recipient local unit, or terminated from employment for reasons of economy or efficiency, subject to the provisions of any existing collective bargaining agreements within the local units.

(2) any employee terminated for reasons of economy or efficiency by the local unit providing the service under the shared service agreement shall be given a terminal leave payment of not less than a period of one month for each five-year period of past service as an employee with the local unit, or other enhanced benefits that may be provided or negotiated. For the purposes of this paragraph, "terminal leave payment" means a single, lump sum payment, paid at termination, calculated using the regular base salary at the time of termination. Unless otherwise negotiated or provided by the employer, a terminal leave benefit shall not include extended payment, or payment for retroactive salary increases, bonuses, overtime, longevity, sick leave, accrued vacation or other time benefit, or any other benefit.

(3) the Civil Service Commission shall place any employee that has permanent status pursuant to Title 11A, Civil Service, of the New Jersey Statutes that is terminated for reasons of economy or efficiency at any time by either local unit on a special reemployment list for any civil service employer within the county of the agreement or any political subdivision therein.

(4) when a proposed shared service agreement affects employees in local units subject to Title 11A, Civil Service, of the New Jersey Statutes, an employment reconciliation plan shall be filed with the Civil Service Commission prior to the approval of the shared service agreement. The department shall review it for consistency with this section within 45 days of receipt and it shall be deemed approved, subject to approval of the shared service agreement by the end of that time, unless the department has responded with a denial or conditions that must be met in order for it to be approved.

(5) when an action is required of the Civil Service Commission by this section, parties to a planned shared service agreement may consult with that commission in advance of the action and the department shall provide such technical support as may be necessary to assist in the preparation of an employment reconciliation plan or any other action required of the commission by this section.

b. If all the local units that are parties to the agreement are subject to the provisions of Title 11A, Civil Service, of the New Jersey Statutes, the Civil Service Commission shall create an implementation plan for the agreement that will: (1) transfer employees with current status in current title unless reclassified, or (2) reclassify employees into job titles that best reflect the work to be performed. The Civil Service Commission shall re-
view whether any existing hiring or promotional lists should be merged, inactivated, or re-announced. Non-transferred employees shall be removed or suspended only for good cause and after the opportunity for a hearing before the Civil Service Commission; provided, however, that they may be laid-off in accordance with the provisions of N.J.S.11A:8-1 et seq., and the regulations promulgated thereunder. The final decision of which employees shall transfer to the new employer is vested solely with the local unit that will provide the service and subject to the provisions of any existing collective bargaining agreements within the local units.

c. If the local unit that will provide the service pursuant to a shared service agreement is subject to Title 11A, Civil Service, of the New Jersey Statutes, but the local unit to receive the service is not subject to that Title, and the contracting local units desire that some or all employees of the recipient local unit are to be transferred to the providing local unit, the Civil Service Commission shall vest only those employees who have been employed for one year or more in permanent status pursuant to N.J.S.11A:9-9 in appropriate titles, seniority, and tenure with the providing local unit based on the duties of the position. The final decision of which employees shall transfer to the new employer is vested solely with the local unit that will provide the service and subject to the provisions of any existing collective bargaining agreements within the local units.

d. If the local unit that will provide the service is not subject to the provisions of Title 11A, Civil Service, of the New Jersey Statutes, but the local unit that will receive the service is subject to that Title and the parties desire that some or all employees of the recipient local unit are to be transferred to the providing local unit, the transferred employees shall be granted tenure in office and shall only be removed or suspended for good cause and after a hearing; provided, however, that they may be laid-off in accordance with the provisions of N.J.S.11A:8-1 et seq., and the regulations promulgated thereunder. The transferred employees shall be subject to layoff procedures prior to the transfer to the new entity. Once transferred, they will be subject to any employment contracts and provisions that exist for the new entity. The final decision of which employees shall transfer to the new employer is vested solely with the local unit that will provide the service and subject to the provisions of any existing collective bargaining agreements within the local units.

102. Section 19 of P.L.2007, c.63 (C.40A:65-19) is amended to read as follows:

19. a. When a local unit agrees to participate in a joint meeting that will provide a service that the local unit is currently providing itself through public employees, the agreement shall include an employment reconciliation plan in accordance with this section. An employment reconciliation plan shall be subject to the following provisions:

(1) a determination of those employees, if any, that shall be transferred to the joint meeting, retained by the contracting local unit, or terminated from employment for reasons of economy or efficiency subject to the provisions of any collective bargaining agreements within the local units.

(2) any employee terminated for reasons of economy or efficiency by the contracting local unit providing the service or by the joint meeting shall be given a terminal leave payment of not less than a period of one month for each five-year period of past service as an employee with the local unit, or other enhanced benefits that may be provided or negotiated. Unless otherwise negotiated or provided by the employer, a terminal leave benefit shall not include extended payment, or payment for retroactive salary increases, bonuses, overtime, longevity, sick leave, accrued vacation or other time benefit, or any other benefit.

(3) the Civil Service Commission shall place any employee that has permanent status pursuant to Title 11A, Civil Service, of the New Jersey Statutes that is terminated for reasons of economy or efficiency at any time by either local unit on a special reemployment list for any civil service employer within the county of the agreement or any political subdivision therein.

(4) when a proposed joint contract affects employees in local units that operate under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, an employment reconciliation plan shall be filed with the Civil Service Commission prior to the approval of the joint meeting agreement. That department shall review the plan for consistency with this section within 45 days of receipt and it shall be deemed approved, subject to approval of the joint meeting agreement by the end of that time, unless that department has responded with a denial or conditions that must be met in order for it to be approved.

(5) when an action is required of the Civil Service Commission by this section, parties to a proposed joint contract may consult with the commission in advance of the action and the commission shall provide such technical support as may be necessary to assist in the preparation of an employment reconciliation plan or any other action required of the commission by this section.
b. If both the local unit and joint meeting operate under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, the Civil Service Commission shall create an implementation plan for employees to be hired by the joint meeting that will: (1) transfer employees with current status in current title unless reclassified or (2) reclassify employees, if necessary, into job titles that best reflect the work to be performed. The Civil Service Commission shall review whether any existing hiring or promotional lists should be merged, inactivated, or re-announced. Non-transferred employees shall be removed or suspended only for good cause and after the opportunity for a hearing before the Civil Service Commission; provided, however, that they may be laid-off in accordance with the provisions of N.J.S.11A:8-l et seq., and the regulations promulgated thereunder. The final decision of which employees shall transfer to the new employer is vested solely with the local unit that will provide the service and subject to the provisions of any existing collective bargaining agreements within the local units.

c. If the joint meeting operates under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, and a local unit receiving the service is not subject to that Title, and the parties desire that some or all employees of the local unit be transferred to the joint meeting, the Civil Service Commission shall vest only those employees who have been employed one year or more in permanent status pursuant to N.J.S.40A:9-9 in appropriate titles, seniority, and tenure with the providing local unit based on the duties of the position. The final decision of which employees shall transfer to the new employer is vested solely with the joint meeting and subject to the agreements affecting the parties, provided that those agreements do not conflict with the provisions of any existing collective bargaining agreements within the local units.

d. (1) If the joint meeting does not operate under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, and the local unit receiving the service is subject to that Title, and the parties desire that some or all employees of the recipient local unit are to be transferred to the joint meeting, then the transferred employees shall be granted tenure in office and shall be removed or suspended only for good cause and after a hearing. The transferred employees shall be subject to layoff procedures prior to the transfer to the new entity. Once transferred, they will be subject to any employment contracts and provisions that exist for the new entity. The final decision of which employees shall transfer to the joint meeting is vested solely with the joint meeting and subject to the provisions of any existing collective bargaining agreements within the local units.

(2) A joint meeting established after the effective date of sections 1 to 37 of P.L.2007, c.63 (C.40A:65-l et al.) that affects both employees in local
units subject to Title 11A, Civil Service, of the New Jersey Statutes and employees in local units not subject to that Title, shall determine whether the employees of the joint meeting shall be subject to the Title. If the joint meeting determines that the employees shall not be subject to Title 11A, Civil Service, of the New Jersey Statutes, then the employees from the local units in which the Title is in effect shall have the same rights as employees transferred pursuant to paragraph (1) of this subsection.

103. Section 27 of P.L.2007, c.63 (C.40A:65-27) is amended to read as follows:

C.40A:65-27 Creation of task force to facilitate consolidation.

27. a. Once a consolidation has been approved by the affected municipal governing bodies or voters, the division shall create a task force of State departments, offices and agencies, as it deems appropriate, and representatives of affected negotiations units, to facilitate the consolidation and provide technical assistance.

b. When a consolidation plan provides that the consolidated municipality will be subject to the provisions of Title 11A, Civil Service, of the New Jersey Statutes the Civil Service Commission is specifically authorized to create a consolidation implementation plan to vest non-civil service employees, based on the education and experience of the individuals, in appropriate titles and tenure.

c. Whenever a referendum question to decide if a consolidated municipality shall be subject to the provisions of Title 11A, Civil Service, of the New Jersey Statutes fails, the employees of a municipality already subject to that Title shall be given non-civil service titles in the new entity and previously held tenure shall be vacated.

d. The Public Employment Relations Commission is authorized to provide technical advice, pursuant to section 12 of P.L.1968, c.303 (C.34:13A-8.3), to assist a new municipality and existing labor unions to integrate separate labor agreements into consolidated agreements and to adjust the structure of collective negotiations units, as the commission determines appropriate for the consolidated municipality.

104. Section 12 of P.L.1971, c.182 (C.52:13D-23) is amended to read as follows:

C.52:13D-23 Codes of ethics.

12. (a) (1) The head of each State agency, or the principal officer in charge of a division, board, bureau, commission or other instrumentality
within a department of State Government designated by the head of such department for the purposes hereinafter set forth, shall within six months from the date of enactment, promulgate a code of ethics to govern and guide the conduct of the members of the Legislature, the State officers and employees or the special State officers and employees in the agency to which said code is applicable. Such code shall conform to the general standards hereinafter set forth in this section, but it shall be formulated with respect to the particular needs and problems of the agency to which said code is to apply and, when applicable, shall be a supplement to the uniform ethics code promulgated pursuant to paragraph (2) of this subsection. Notwithstanding any other provisions of this section, the New Jersey members to any interstate agency to which New Jersey is a party and the officers and employees of any State agency which fails to promulgate a code of ethics shall be deemed to be subject to a code of ethics the provisions of which shall be paragraphs (1) through (6) of subsection (e) of this section.

(2) Within 180 days following the effective date of this act, P.L.2005, c.382, the State Ethics Commission shall promulgate a uniform ethics code to govern and guide the conduct of State officers and employees and special State officers and employees in State agencies in the Executive Branch. Such code shall conform to the general standards hereinafter set forth in this section, shall be the primary code of ethics for State agencies once it is adopted and a code promulgated pursuant to paragraph (1) of this subsection shall be a supplement to the primary code. The head of each State agency, or the principal officer in charge of a division, board, bureau, commission or other instrumentality within a department of State Government designated by the head of such department shall revise each code of ethics promulgated prior to the uniform code to recognize the uniform code as the primary code.

(b) A code of ethics formulated pursuant to subsection (a) of this section to govern and guide the conduct of the State officers and employees or the special State officers and employees in any State agency in the Executive Branch, or any portion of such a code, shall not be effective unless it has first been approved by the State Ethics Commission. When a proposed code is submitted to the said commission it shall be accompanied by an opinion of the Attorney General as to its compliance with the provisions of this act and any other applicable provision of law. Nothing contained herein shall prevent officers of State agencies in the Executive Branch from consulting with the Attorney General or with the State Ethics Commission at any time in connection with the preparation or revision of such codes of ethics.

(c) A code of ethics formulated pursuant to this section to govern and guide the conduct of the members of the Legislature, State officers and em-
ployees or special State officers and employees in any State agency in the
Legislative Branch, or any portion of such code, shall not be effective
unless it has first been approved by the Legislature by concurrent resolu-
tion. When a proposed code is submitted to the Legislature for approval it
shall be accompanied by an opinion of the chief counsel as to its compli-
ance with the provisions of this act and any other applicable provisions of
law. Nothing contained herein shall prevent officers of State agencies in
the Legislative Branch from consulting with the Chief Legislative Counsel
or the Joint Legislative Committee on Ethical Standards at any time in con-
nection with the preparation or revision of such codes of ethics.

(d) Violations of a code of ethics promulgated pursuant to this section
shall be cause for removal, suspension, demotion or other disciplinary ac-
tion by the State officer or agency having the power of removal or discri-
pline. When a person who is in the classified civil service is charged with a
violation of such a code of ethics, the procedure leading to such removal or
discipline shall be governed by any applicable provisions of the Civil Ser-
vie Act, N.J.S. 11A:1-1 et seq., and the Rules of the Civil Service Com-
nission. No action for removal or discipline shall be taken under this sub-
section except upon the referral or with the approval of the State Ethics
Commission or the Joint Legislative Committee on Ethical Standards, which
ever is authorized to exercise jurisdiction with respect to the com-
plaint upon which such action for removal or discipline is to be taken.

(e) A code of ethics for officers and employees of a State agency shall
conform to the following general standards:

(1) No State officer or employee or special State officer or employee
should have any interest, financial or otherwise, direct or indirect, or engage
in any business or transaction or professional activity, which is in substantial
conflict with the proper discharge of his duties in the public interest.

(2) No State officer or employee or special State officer or employee
should engage in any particular business, profession, trade or occupation
which is subject to licensing or regulation by a specific agency of State
Government without promptly filing notice of such activity with the State
Ethics Commission, if he is an officer or employee in the Executive
Branch, or with the Joint Legislative Committee on Ethical Standards, if he
is an officer or employee in the Legislative Branch.

(3) No State officer or employee or special State officer or employee
should use or attempt to use his official position to secure unwarranted
privileges or advantages for himself or others.

(4) No State officer or employee or special State officer or employee
should act in his official capacity in any matter wherein he has a direct or
indirect personal financial interest that might reasonably be expected to impair his objectivity or independence of judgment.

(5) No State officer or employee or special State officer or employee should undertake any employment or service, whether compensated or not, which might reasonably be expected to impair his objectivity and independence of judgment in the exercise of his official duties.

(6) No State officer or employee or special State officer or employee should accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing him in the discharge of his official duties.

(7) No State officer or employee or special State officer or employee should knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of his acts that he may be engaged in conduct violative of his trust as a State officer or employee or special State officer or employee.

(8) Rules of conduct adopted pursuant to these principles should recognize that under our democratic form of government public officials and employees should be drawn from all of our society, that citizens who serve in government cannot and should not be expected to be without any personal interest in the decisions and policies of government; that citizens who are government officials and employees have a right to private interests of a personal, financial and economic nature; that standards of conduct should separate those conflicts of interest which are unavoidable in a free society from those conflicts of interest which are substantial and material, or which bring government into disrepute.

(f) The code of ethics for members of the Legislature shall conform to subsection (e) hereof as nearly as may be possible.

105. Section 13 of P.L.1971, c.182 (C.52:13D-24) is amended to read as follows:

C.52:13D-24 Restriction of solicitation, receipt, etc. of certain things of value by certain State officers, employees.

13. a. No State officer or employee, special State officer or employee, or member of the Legislature shall solicit, receive or agree to receive, whether directly or indirectly, any compensation, reward, employment, gift, honorarium, out-of-State travel or subsistence expense or other thing of value from any source other than the State of New Jersey, for any service,
advice, assistance, appearance, speech or other matter related to the officer, employee, or member's official duties, except as authorized in this section.

b. A State officer or employee, special State officer or employee, or member of the Legislature may, in connection with any service, advice, assistance, appearance, speech or other matter related to the officer, employee, or member's official duties, solicit, receive or agree to receive, whether directly or indirectly, from sources other than the State, the following:

(1) reasonable fees for published books on matters within the officer, employee, or member's official duties;

(2) reimbursement or payment of actual and reasonable expenditures for travel or subsistence and allowable entertainment expenses associated with attending an event in New Jersey if expenditures for travel or subsistence and entertainment expenses are not paid for by the State of New Jersey;

(3) reimbursement or payment of actual and reasonable expenditures for travel or subsistence outside New Jersey, not to exceed $500.00 per trip, if expenditures for travel or subsistence and entertainment expenses are not paid for by the State of New Jersey. The $500 per trip limitation shall not apply if the reimbursement or payment is made by (a) a nonprofit organization of which the officer, employee, or member is, at the time of reimbursement or payment, an active member as a result of the payment of a fee or charge for membership to the organization by the State or the Legislature in the case of a member of the Legislature; (b) a nonprofit organization that does not contract with the State to provide goods, materials, equipment, or services; or (c) any agency of the federal government, any agency of another state or of two or more states, or any political subdivision of another state.

Members of the Legislature shall obtain the approval of the presiding officer of the member's House before accepting any reimbursement or payment of expenditures for travel or subsistence outside New Jersey.

As used in this subsection, "reasonable expenditures for travel or subsistence" means commercial travel rates directly to and from an event and food and lodging expenses which are moderate and neither elaborate nor excessive; and "allowable entertainment expenses" means the costs for a guest speaker, incidental music and other ancillary entertainment at any meal at an event, provided they are moderate and not elaborate or excessive, but does not include the costs of personal recreation, such as being a spectator at or engaging in a sporting or athletic activity which may occur as part of that event.

c. This section shall not apply to the solicitation or acceptance of contributions to the campaign of an announced candidate for elective public
office, except that campaign contributions may not be accepted if they are known to be given in lieu of a payment prohibited pursuant to this section.

d. (1) Notwithstanding any other provision of law, a designated State officer as defined in paragraph (2) of this subsection shall not solicit, receive or agree to receive, whether directly or indirectly, any compensation, salary, honorarium, fee, or other form of income from any source, other than the compensation paid or reimbursed to him or her by the State for the performance of official duties, for any service, advice, assistance, appearance, speech or other matter, except for investment income from stocks, mutual funds, bonds, bank accounts, notes, a beneficial interest in a trust, financial compensation received as a result of prior employment or contractual relationships, and income from the disposition or rental of real property, or any other similar financial instrument and except for reimbursement for travel as authorized in paragraphs (2) and (3) of subsection b. of this section. To receive such income, a designated State officer shall first seek review and approval by the State Ethics Commission to ensure that the receipt of such income does not violate the "New Jersey Conflicts of Interest Law," P.L.1971, c.182 (C.52:13D-12 et seq.) or any applicable code of ethics, and does not undermine the full and diligent performance of the designated State officer's duties.

(2) For the purposes of this subsection, "designated State officer" shall include: the Governor, the Adjutant General, the Secretary of Agriculture, the Attorney General, the Commissioner of Banking and Insurance, the director of the Division of Business Assistance, Marketing, and International Trade, the Commissioner of Community Affairs, the Commissioner of Corrections, the Commissioner of Education, the Commissioner of Environmental Protection, the Commissioner of Health and Senior Services, the Commissioner of Human Services, the Commissioner of Children and Families, the Commissioner of Labor and Workforce Development, the President of the State Board of Public Utilities, the Secretary of State, the Superintendent of State Police, the Commissioner of Transportation, the State Treasurer, the head of any other department in the Executive Branch, and the following members of the staff of the Office of the Governor: Chief of Staff, Chief of Management and Operations, Chief of Policy and Communications, Chief Counsel to the Governor, Director of Communications, Policy Counselor to the Governor, and any deputy or principal administrative assistant to any of the aforementioned members of the staff of the Office of the Governor listed in this subsection.

The appointing authority shall not set the specific work hours of the construction official. The appointing authority shall also appoint a construction board of appeals to hear and decide appeals from decisions made by said construction official and subcode officials, in the administration and enforcement of the code. b. To establish tenure rights or any other right or protection provided by the "State Uniform Construction Code Act" or Title 11A, Civil Service, of the New Jersey Statutes, or any pension law or retirement system, the job title "construction official" shall be equivalent to that job title which, prior to the adoption of the State Uniform Construction Code as provided in section 5 of the "State Uniform Construction Code Act," entailed the chief administrative responsibility to enforce all construction codes which had been adopted by the municipal governing body, the enforcement of which was not the responsibility of an authorized private inspection agency; and the job title "subcode official" shall be equivalent to that job title which, prior to the adoption of the State Uniform Construction Code, entailed subordinate administrative responsibility to enforce one or more of the following construction codes: building, plumbing, electrical or fire code.

Any person, in a municipality operating under Title 11A, Civil Service, of the New Jersey Statutes, who, prior to the adoption of the State Uniform Construction Code, held the equivalent of the job title "construction" official or "subcode" official, but who no longer holds his position as a result of a determination that his old job title was not equivalent to that of "construc-
tion" official or "subcode" official, shall be offered reappointment as a construction official or subcode official, as the case may be, and shall be granted permanent classified status in such position. Tenure shall continue for (1) any construction official or subcode official who is serving under tenure as otherwise provided by law on the effective date of this act or within one year thereafter, or (2) any person certified pursuant to subsection c. of this section and who subsequently gains such tenure.

A construction official or subcode official appointed in a municipality operating under the provisions of Title 11A, Civil Service, of the New Jersey Statutes, who, at the time of adoption of the State Uniform Construction Code, January 1, 1977, or prior to January 1, 1981, had permanent classified status or was employed as a construction official or subcode official or in another position in the unclassified service, shall be included in the classified service without civil service examination in his respective title of construction official or subcode official. Any individual employed by a municipality, who, in his employment with the municipality between January 1, 1977 and prior to January 1, 1981, was charged with the chief administrative responsibility to enforce all existing municipal construction codes, shall be deemed as appointed to the position of construction official for the purposes of this act. Any individual employed by a municipality, who, in his employment with the municipality between January 1, 1977 and prior to January 1, 1981, was charged with chief responsibility to enforce the municipal building, plumbing, fire, or electrical code, shall be deemed as appointed to the position of subcode official for the purposes of this act. No person, on or after January 1, 1981, shall be appointed as construction or subcode official in a municipality operating under Title 11A, Civil Service, of the New Jersey Statutes without having passed an examination administered by the Civil Service Commission certifying the merit and fitness of the person to hold such position; provided that, whenever a noncivil service municipality adopts the provisions of that Title, construction code officials and subcode officials of such municipality appointed prior to the filing of the petition for the adoption of civil service, shall attain permanent status in the classified service without examination. Any construction or subcode official appointed after January 1, 1981 on a provisional basis in a municipality which has adopted the provisions of Title 11A, Civil Service, of the New Jersey Statutes, may not be removed from office except for just cause after a fair and impartial hearing has been held at the local level, with no further appeal to the Civil Service Commission; provided, however, that such a construction or subcode official may be removed to permit the appointment of a person certified for appointment by the Civil Service Commission.
A construction official or subcode official in a noncivil service municipality shall be appointed for a term of four years and shall, upon appointment to a second consecutive term or on or after the commencement of a fifth consecutive year of service, including years of service in an equivalent job title held prior to the adoption of the State Uniform Construction Code, be granted tenure and shall not be removed from office except for just cause after a fair and impartial hearing.

A construction or subcode official, to be eligible for appointment in civil service or noncivil service municipalities, shall be certified by the State of New Jersey in accordance with subsection c. of this section and shall have had at least three years' experience in construction, design or supervision as a licensed engineer or registered architect; or five years' experience in construction, design, or supervision as an architect or engineer with a bachelor's degree from an accredited institution of higher education; or 10 years' experience in construction, design or supervision as a journeyman in a trade or as a contractor. A subcode official shall, pursuant to any subcode which he administers, pass upon:

(1) matters relative to the mode, manner of construction or materials to be used in the erection or alteration of buildings or structures, except as to any such matter foreclosed by State approval pursuant to this act, and (2) actual execution of the approved plans and the installation of the materials approved by the State. The construction official in each municipality shall be the chief administrator of the "enforcing agency." He shall have the power to overrule a determination of a subcode official based on an interpretation of a substantive provision of the subcode which such subcode official administers, only if the construction official is qualified to act pursuant to this act as a subcode official for such subcode. He may serve as subcode official for any subcode which he is qualified under this act to administer. A subcode official or municipal engineer may serve as a construction official if otherwise qualified under the provisions of this act. The municipal enforcing agency shall require compliance with the provisions of the code, of all rules lawfully adopted and promulgated thereunder and of laws relating to the construction, alteration, repair, removal, demolition and integral equipment and location, occupancy and maintenance of buildings and structures, except as may be otherwise provided for.

Two or more municipalities may provide by ordinance, subject to regulations established by the commissioner, for the joint appointment of a construction official and subcode official for the purpose of enforcing the provisions of the code in the same manner.
c. No person shall act as a construction official or subcode official for any municipality unless the commissioner determines that said person is so qualified, except for the following:

(1) a municipal construction official or subcode official holding office under permanent civil service status, or tenure as otherwise provided by law on the effective date of this act or within one year thereafter and (2) a municipal construction official or subcode official holding office without such permanent civil service status or tenure on the effective date of this act or within one year thereafter; provided said construction official or subcode official not having such permanent civil service status or tenure shall be certified in accordance with this act within four years of the effective date thereof; provided further that a person holding on the effective date of this act a valid plumbing inspector's license from the Department of Health and Senior Services pursuant to Title 26 of the Revised Statutes may serve as a plumbing subcode official and a person holding on the effective date of this act a valid electrical inspector's license from the Board of Public Utilities pursuant to Title 48 of the Revised Statutes may serve as an electrical subcode official. The commissioner, after consultation with the code advisory board, may authorize the preparation and conducting of oral, written and practical examinations to determine if a person is qualified by this act to be eligible to be a construction official or subcode official or, in the alternative, may accept successful completion of programs of training as proof of qualification within the meaning of this act. Upon a determination of qualification the commissioner shall issue or cause to be issued a certificate to the construction official or subcode official or trainee stating that he is so certified. The commissioner, after consultation with the code advisory board, may establish classes of certification that will recognize the varying complexities of code enforcement in the municipalities within the State. The commissioner shall, after consultation with the code advisory board, provide for educational programs designed to train and assist construction officials and subcode officials in carrying out their responsibilities.

Whenever the commissioner is required by the terms of this subsection to consult with the code advisory board and the matter in question concerns plumbing subcode officials, the commissioner shall also consult with the Public Health Council and Commissioner of Health and Senior Services.

d. The commissioner, after consultation with the code advisory board, may periodically require that each construction official and subcode official demonstrate a working knowledge of innovations in construction technology and materials, recent changes in and additions to the relevant portions of the State Uniform Construction Code, and current standards of professional eth-
ics and legal responsibility; or, in the alternative, the commissioner, after consultation with the code advisory board, may accept successful completion of appropriate programs of training as proof of such working knowledge.

C. 48:2-21.34 Definitions relative to phase out schedule of transitional energy facility assessment unit rate surcharges; formulas; adjustments to rates.

67. a. As used in this section:

"Base rates" means the rates, including minimum bills, charged for utility commodities or service subject to the board's jurisdiction, other than the rates charged under a utility's levelized energy adjustment clause, hereinafter "LEAC," or levelized gas adjustment clause, hereinafter "LGAC," or equivalent rate provision;

"Base year" means the calendar year 1996;

"Board" means the Board of Public Utilities;

"Manufacturing facility" means a facility:

(1) with respect to which the owner of the facility shall have entered into an off-tariff rate agreement with an electric public utility, pursuant to the provisions of P.L. 1995, c. 180 (C. 48:2-21.24 et seq.);

(2) that manufactures products made from using "postconsumer material," as that term is defined in section 247.3 of title 40, Code of Federal Regulations, and other recovered material feedstocks that meet the requirements of the Comprehensive Procurement Guideline For Products Containing Recovered Materials as promulgated by the United States Environmental Protection Agency in section 247.1 et seq. of title 40, Code of
Federal Regulations, pursuant to the "Resource Conservation and Recovery Act," Pub.L.94-580 (42 U.S.C. s.6901 et seq.) and Executive Order No. 13101, issued by the President of the United States on September 14, 1998, provided that at least 75 percent of the manufacturing facility's total annual sales dollar volume of such products that are produced in New Jersey meet the recycled content standards within such guidelines;

(3) for which a "comprehensive energy audit," as that term is defined in section 2 of P.L.1995, c.180 (C.48:2-21.25), shall have been undertaken within 90 days after the effective date of P.L.2007, c.94 (C.48:2-21.36 et al.), which audit shall have evaluated cost-effective energy efficiency and conservation measures as part of the efforts to reduce energy costs;

(4) that has been in operation in this State for at least 25 years as of the effective date of P.L.2007, c.94 (C.48:2-21.36 et al.); and

(5) at which at least 800 employees are employed on the first business or work day after the expiration of such off-tariff rate agreement.

"Sales and use tax" means the sales and use tax liability computed on sales and use of energy and utility service as defined in section 2 of P.L.1966, c.30 (C.54:32B-2);

"Utility" means a public utility subject to regulation by the board pursuant to Title 48 of the Revised Statutes; and

"Utility service" means the supply, transmission, distribution or transportation of electricity, natural gas or telecommunications services or any combination of such commodities, processes or services.

b. No later than 60 days after the date this act is enacted, each electric, gas and telecommunications utility subject to the provisions of this act shall file with the board, and shall simultaneously provide copies to the Director of the Division of the Ratepayer Advocate, revised tariffs and such other supporting schedules, narrative and documentation required by this act, as set forth in this section, to reflect in the utility's rates the changes in tax liability effected pursuant to this act. No later than 90 days after the date of the utility's filing, and after determining that the filing and the rate changes provided for therein are in compliance with the provisions of this act, the board shall approve the utility's filing and associated rates for billing to the utility's customers, effective for utility service rendered on and after January 1, 1998. If the board determines that the utility's filing and the associated rate changes provided for therein are not in compliance with the provisions of this act, the board shall require the utility to amend or otherwise modify its filing to render it in compliance. The board may also permit the rates provided for in the utility's filing to be implemented on an interim basis pending the board's final determination in the event the board, in its dis-
cretion, determines that due to the filing's complexity, or for other valid reasons, including but not limited to the enactment of this act after June 30, 1997, additional time is needed for the board to complete its review of the filing. If the rates approved by the board upon its final determination are less than the rates implemented on an interim basis, the difference shall be refunded to the utility's customers with interest computed in accordance with N.J.A.C.14:3-7.5(c). The rate adjustments implemented pursuant to this act shall not constitute a fixing of rates pursuant to R.S.48:2-21 and shall not be subject to the hearing requirements set forth in that section.

c. As of the effective date of the rate changes implemented pursuant to this act, and except for rates applicable to sales that were or are currently exempt from the unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) and rates applicable to sales to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies, the board shall remove from the base rates of each electric public utility and gas public utility the unit tax rates included therein for the recovery of those unit-based energy taxes, and include therein provision for the recovery of corporation business tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and additionally shall authorize the collection of the sales and use tax imposed pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), as follows:

(1) The base rates of each gas and electric utility shall be reduced by the amount of the unit-based energy taxes per kilowatthour or per therm included therein.

(2) The provision for corporation business tax initially included in the base rates of each gas and electric utility shall be based on the utility's after-tax net income earned in the base year as booked, unless the board determines, in its discretion, that such income as booked is unusually high or low or otherwise unrepresentative of the utility's prospective net income, in which case the utility's base year net income shall be adjusted as determined by the board.

To permit the board to make this determination, in addition to including in its filing schedules showing its net income earned in the base year as booked, the utility shall include adjustments to such booked income to eliminate the effect of revenues, expenses and extraordinary or other charges that are non-recurring, atypical, or both, including, but not limited to an adjustment to eliminate the effect of unusually hot or cold weather, and that would otherwise make the utility's base year net income unusually high or low or otherwise unrepresentative of the utility's prospective net income. If the adjustment is being made to eliminate the effect of unusually hot or cold weather, associated revenue and expense adjustments shall
also be made. Subject to the board's approval, such adjusted income shall be the basis for the calculation of the initial provision for corporation business tax to be included in the utility's base rates.

The utility shall also include a calculation of its rate of return on common equity achieved in the base year, both as booked and as adjusted in accordance with the foregoing. The calculation shall be made employing the methodology set forth in N.J.A.C.14:12-4.2(b)1, and shall separately show the effect of reflecting adjustments to the calculation, if any, that may have been employed historically in establishing the utility's rate of return on common equity allowed for ratemaking purposes. The utility's filing shall also include copies of its audited financial statements for the base year and associated quarterly and other reports filed with the Securities and Exchange Commission.

To reflect the provision for corporation business tax in base rates, the demand charges, or charges per kilowatt, decatherm or million cubic feet; the energy charges, or charges per kilowatthour or per therm; and the customer charges, or charges other than demand and energy charges, set forth in each base rate schedule, and the floor price employed in parity rate schedules, included in the utility's tariff filed with and approved by the board shall be increased by amounts determined by multiplying such charges by the adjustment factor, "Ae, g" derived below:

\[
Ae, g = \frac{\left( I_{e,g} \times \frac{Rs}{(1-Re)} \right)}{Br_{e,g}}
\]

where:

"Ae, g" means the adjustment factor applicable to electric base rates (e), gas base rates (g), or both, other than rates applicable to sales that were exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;

"I_{e,g}" means the utility's base year after-tax net income from electric or gas sales, or both, and transportation service subject to the board's jurisdiction and other operating revenue if such revenue is reflected in the utility's cost of service for ratemaking purposes, adjusted as approved by the board;

"Br_{e,g}" means the utility's base year revenue from base rates applicable to electric or gas sales, or both, and transportation service subject to the board's jurisdiction, but excluding sales that were exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;
"Rs" means the corporation business tax rate, expressed as a decimal; 
"Rf" means the applicable federal corporation income tax rate expressed as a decimal; and 
"Re" equals Rs + Rf(1-Rs).

The utility shall account for the changes in tax liability provided for by this act effective January 1, 1998. Such accounting shall include the recording on the utility's income statement and balance sheet of deferred corporation business tax defined, for book accounting purposes, as differences in corporation business tax expense arising from timing differences in the recognition of revenue and expenses for book and tax purposes.

(3) When billed to the utility's customers, the adjusted base rate charges determined pursuant to paragraphs (1), (2), and (4) of this subsection, and the charges determined pursuant to the utility's levelized energy adjustment clause, levelized gas adjustment clause, or both, as determined both upon the effective date of the rate changes authorized by this act and as revised prospectively in accordance with the utility's tariff filed with and approved by the board, and the transitional energy facility assessment unit rate surcharges, hereinafter, "TEFA unit rate surcharges," determined in accordance with subsection d. of this section, shall be increased by an amount determined by multiplying such charges by the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.). In addition to the utility's rates for service included in its tariff, for informational purposes the tariff shall include such rates after application of the sales and use tax authorized by this section.

(4) The utility's filing with the board to implement the rate changes provided for by this act shall include an analysis, description, and quantification of the effect of the changes in rates and tax payments implemented pursuant to this act on the utility's requirement for cash working capital, and if such requirement is less than the cash working capital allowed for the collection and payment of unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) in determining the utility's base rates in effect prior to the rate changes implemented pursuant to this act, and to the extent the working capital reduction is not offset by a reduction in net deferred taxes as provided for below, such base rates shall be reduced by the reduction in the utility's revenue requirement associated with the remaining reduction in the working capital requirement not so offset, if any. The reduction in working capital shall be determined by using the same methodology employed in establishing the working capital allowance related to unit-based energy taxes reflected in the utility's base rates in effect prior to the rate changes implemented pursuant to this act. The reduction in
the utility's revenue requirement associated with the reduced working capital requirement shall be calculated using the utility's last overall rate of return allowed by the board, including provision for federal income taxes and the corporation business tax implemented pursuant to this act payable on the equity portion of the return, and shall be implemented on the effective date of the rate changes provided for, and in the manner set forth in paragraph (2) of this subsection.

If the utility's requirement for cash working capital is increased as a result of the changes in rates and tax payments implemented pursuant to this act, the utility may accrue carrying costs, calculated at its last overall rate of return allowed by the board and applied on a simple annual interest basis without compounding, on the increased working capital requirement and request recovery of such carrying costs in a rate proceeding before the board.

The working capital-related base rate changes and carrying cost accruals shall be subject to the board's approval, and shall not be included in the determination of the TEFA unit tax surcharges provided for in subsection d. of this section.

The utility's filing with the board to implement the rate changes provided for by this act shall also include an analysis, description and quantification of net deferred taxes. For the purposes of this section, "net deferred taxes" means deferred corporation business taxes, net of federal deferred income taxes, associated with the tax and rate changes implemented pursuant to this act, including deferred corporation business tax recorded in accordance with section 4 of P.L.1945, c.162 (C.54:10A-4), projected for the calendar year in which this act takes effect and for each year of the tax life of the asset giving rise to the deferred corporation business taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4).

If the change in such net deferred taxes projected for the calendar year in which the rate changes implemented pursuant to this act take effect is negative and if the utility's requirement for working capital is reduced as a result of the changes in rates and tax payments implemented pursuant to this act, the working capital-related rate reduction that otherwise would have been implemented pursuant to this subsection shall be treated as set forth in subparagraph (a) or (b) of this paragraph. For the purposes of this act, a change in net deferred taxes is considered negative when it reduces an existing deferred tax liability or creates a deferred tax asset on the utility's balance sheet. An appropriate rate adjustment for the working capital impacts of this act, reflecting all relevant facts and circumstances at the time of the adjustment, shall be made in the year when the earlier of the following events occur:
(a) The year in which the reduction in carrying costs assumed for the rate reduction for working capital that would have been made but for this paragraph is no longer required to offset, on a present value basis, the annual carrying costs calculated on the accumulated balance of negative net deferred taxes projected to be recorded by the utility, its successors and assigns, over the tax life of the single asset account giving rise to such net deferred taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4). For the purposes of this subparagraph (a):

(i) Carrying costs and present values are to be computed using the weighted average after-tax rate of return approved by the board in the utility's last base rate proceeding.

(ii) The accumulated balance of such negative net deferred taxes shall include net deferred taxes associated with all assets and liabilities originally placed in service by the utility and held by the utility or a company affiliated with the utility regardless of whether or not such assets continue to be subject to regulation by the New Jersey Board of Public Utilities.

(b) The year in which both an appropriate working capital adjustment and the accumulated balance of negative deferred taxes, as described in (ii) of subparagraph (a) of this paragraph (4), are reflected in the utility's rate base in a rate proceeding before the board. It is the intent of this section to fully compensate utilities on a present value basis, for the carrying costs associated with negative net deferred taxes arising as a result of this act, and to remit to ratepayers any credit due them as a result of any overcompensation as may have occurred due to the treatment of working capital and deferred taxes as set forth herein or in subparagraph (a) of this paragraph (4). At the time the above base rate adjustment is made, an analysis shall be made to determine if such carrying costs have been or will be fully recovered pursuant to the intent of this provision and any additional credit or charge to ratepayers to adjust for ratepayer overpayments or underpayments, if any shall be addressed.

If the change in net deferred taxes is positive, the increase shall be added to, or increase, the reduction in the utility's requirement for working capital if the requirement is reduced as a result of the rate and tax payment changes implemented pursuant to this act, or subtracted from the working capital requirement if it is increased, and the resultant net working capital requirement shall be reflected in rates or accrue carrying costs in the same manner as prescribed for changes in the utility's requirement for working capital above.

The deferred tax-related rate changes or carrying cost accruals shall be subject to the board's approval and shall not be included in the determination of the TEFA unit rate surcharges provided for in subsection d. of this section.
d. (1) Electric and gas utilities shall file, for the board's review and approval, initial TEFA unit rate surcharges determined by deducting from each unit-based energy tax unit rate tax rate effective January 1, 1997 the following:

(a) An amount per kilowatthour or per therm determined by multiplying the total revenue received in the base year from sales to which that unit tax rate would have been applicable by the factor \( \frac{R_u}{1 + R_u} \), where \( R_u \) is the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.) expressed as a decimal, and dividing the result by the kilowatthours or therms billed in that unit tax rate class in the base year; and

(b) An amount per kilowatthour or per therm determined by dividing the revenue that would have been received in the base year from the inclusion, in the manner prescribed in paragraph (2) of subsection c. of this section, of the corporation business tax in the rates applicable to sales billed in that unit tax rate class by the kilowatthours or therms billed in that rate class. In each case, the determination shall reflect the effect of adjustments that affect the level of sales and revenue, if any, as provided in subsection c. of this section. Of the resultant rate per kilowatthour or per therm, the portion for recovery of the utility's transitional energy facilities assessment liability shall be determined by multiplying such rate by the factor \( 1 - R_s \), where \( R_s \) is the corporation business tax rate expressed as a decimal.

The TEFA unit rate surcharges shall constitute non-bypassable wires and/or mains charges of the utility, and shall be applied to all sales within the customer classes to which they apply, regardless of whether such customers are purchasing bundled or unbundled services from the utility, but shall not be applied to sales:

(i) that were or are currently exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies, and

(ii) for a period of seven years commencing on the first day after the expiration of an off-tariff rate agreement, entered into or negotiated pursuant to the provisions of P.L.1995, c.180 (C.48:2-21.24 et seq.), to a manufacturing facility for use or consumption directly and primarily in the production of tangible personal property, other than energy.

Notwithstanding the provisions of the exemption provided in this subparagraph (ii) of subparagraph (b) of paragraph (1) of subsection d. of this section, the TEFA unit rate surcharge shall be applied to the sales to the owner of the manufacturing facility and the owner shall be refunded an amount equal to the TEFA unit rate surcharge paid by the filing, within 30 days following the close of a calendar quarter in which the exemption applies, of a claim with the New Jersey Division of Taxation for a refund of
the TEFA unit rate surcharge paid, which refund shall be paid within 30 days of the refund claim being filed. Proof of claim for refund shall be made by the submission of such records and other documentation as the Director of the Division of Taxation may require. If the owner of the manufacturing facility at any time during the exemption period relocates the manufacturing facility to a location outside of this State, the owner shall pay to the Director of the Division of Taxation the amount of TEFA unit rate surcharge for which an exemption shall have been allowed and refund obtained under this section. The State Treasurer shall notify the director of the relocation of a manufacturing facility to a location outside of this State, and the director shall issue a tax assessment for the recapture of tax, equal to the amount of TEFA unit rate surcharge for which an exemption shall have been allowed and refund obtained under this section. The recapture of tax shall be a State tax subject to the State Uniform Tax Procedure Law, R.S.54:48-1 et seq., and shall be deposited in the General Fund.

If, following the effective date of this act, a customer taking bundled service from the utility shall elect to obtain its requirements from another supplier and take transportation or wheeling service from the utility, the TEFA unit rate surcharge applicable to the bundled service shall continue to apply to the transportation or wheeling service. The TEFA components of the unit rate surcharges determined pursuant to this subsection (the components of the surcharges remaining after deducting the provision for corporation business tax included therein) shall be used to determine the transitional energy facility assessment liability pursuant to sections 36 through 49 of P.L.1997, c.162 (C.54:30A-100 through C.54:30A-113).

(2) Unless reduced pursuant to paragraphs (3) and (4) of this subsection, the initial TEFA unit rate surcharges are to be reduced annually on January 1, 1999 through January 1, 2001 by the following percentages:

<table>
<thead>
<tr>

<td>60%</td>

</tbody>
</table>

(3) For each year beginning with calendar year 1998 and ending with calendar year 2001, the TEFA surcharge adjustment shall be determined as the difference between:

(a) The sum of the estimated, or actual when known, (i) TEFA liabilities, as defined in section 43 of P.L.1997, c.162 (C.54:30A-107), and sales and use taxes collected and corporation business taxes booked for the year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act (the year 1998 liability), and (ii) the TEFA liabilities of those utilities and entities in all years following the year 1998 through
the year in which a determination is being made pursuant to this subsection (the determination year); and

(b) The sum of (i) the total of each remitter's base year liability, as defined in section 37 of P.L. 1997, c. 162 (C. 54: 30A-101), and (ii) the cumulative TEFA obligation, defined as the sum through the determination year of the amounts calculated by multiplying, for the applicable year, the percentage in the second column of the following table:

by the Year 1998 TEFA, where the Year 1998 TEFA is calculated as the total of each remitter's base year liability less the sales and use taxes collected and the corporation business taxes booked for the privilege period ending in calendar year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act. For purposes of this subsection, the amounts assumed for the determination year, including the year 1998 liability when first determined for the purposes of this subsection, shall be estimates based on nine months of actual data through and including the month of September, and three months of data forecast for the months of October through December.

(4) If the TEFA surcharge adjustment determined for the determination year is positive (that is, if the amount determined pursuant to subparagraph (a) of paragraph (3) of this subsection is greater than the amount determined pursuant to subparagraph (b) of paragraph (3) of this subsection), no reduction shall be made in the reduction in the TEFA unit rate surcharges provided for in paragraph (2) of this subsection for the year following the determination year. If the TEFA surcharge adjustment is negative, the reduction in the TEFA unit rate surcharges that otherwise would have been implemented on January 1 of the year following the determination year pursuant to paragraph (2) of this subsection shall be reduced by an amount (by percentage points) equal to the percentage the TEFA surcharge adjustment is of the total of the base year transitional energy facility assessment of all remitters, as defined in section 37 of P.L. 1997, c. 162 (C. 54: 30A-101), provided however, that such reduction in the reduction in the TEFA unit rate surcharges shall not exceed the percentage shown in paragraph (2) of
this subsection for that year; and provided further that in the first two years, that such reduction shall not exceed 10 percentage points for each year.

(5) (a) The TEFA unit rate surcharges for calendar years 2002 through 2011 shall be the same as the TEFA unit rate surcharges in effect for calendar year 2001.

(b) The TEFA unit rate surcharges in effect for calendar year 2011 shall be reduced on January 1, 2012 and January 1, 2013 by the following percentages:

e. The utility's filing with the board to implement the rate changes provided for by this act shall include proof of revenue schedules that show for each rate schedule included in the utility's tariff, aggregated by unit-based energy tax unit tax classes, the number of customers billed under the rate schedule, the billing determinants of such customers (i.e. the kilowatts of billing demand and kilowatthours of electric energy consumed, and the million cubic feet/decatherm subject to gas capacity-related charges and decatherm of gas consumed) and the associated revenue, both as booked in the base year and on a pro forma basis reflecting the rate changes implemented pursuant to this act. The proof of revenue shall additionally show the amount of unit-based energy taxes included in the base year revenue as booked, the unit-based energy taxes that would have been collected at the unit-based energy tax unit tax rates effective January 1, 1997, if different, as well as the corporation business tax, sales and use tax and transitional energy facility assessment revenue that would have been collected or received on a pro forma basis if the rates implemented pursuant to this act had been in effect in the base year.

f. The board may, in its discretion, permit the rate changes provided for in this act to be implemented as part of a pending base rate case or other proceeding in which the utility's rates are to be changed, provided that the effective date of the changes is not delayed beyond the date on which the changes would have been implemented under subsection c. of this section. The board may also, pursuant to its powers provided by law, permit or require further modifications in the implementation of this section to address unforeseen consequences arising out of the implementation of this act.

g. Customers of the utility who are exempt from the sales and use tax imposed on sales of gas and/or electricity or as a result of rate changes occurring prior to the effective date of this act or for other valid reasons are due a refund of sales or use tax inadvertently imposed on such customers as a result of implementing the rate changes provided for by this act shall file
with the State Treasurer to obtain such refunds. The State Treasurer shall promptly notify the utility of customers granted refunds under this provision in order to prevent additional collections of the sales and use tax from such customers.

h. Public utilities providing telecommunications service regulated by the board shall file for the board's review and approval revised tariffs that eliminate from the rates applicable to such service the excise tax liability included therein pursuant to P.L.1940, c.4 (C.54:30A-16 et seq.), and shall include therein the corporation business tax calculated using the methodology used in calculating the adjustment factor set forth in paragraph (2) of subsection c. of this section. Subsection d. of this section shall not apply to telecommunications utilities, and telecommunications utilities subject to a plan of regulation other than rate base/rate of return shall additionally not be required to file the rate of return information required by paragraph (2) of subsection c. Such utilities shall, however, include a narrative and/or other documentation as required by the board to support the reasonableness of the after-tax income, which may be adjusted to eliminate the effect of non-recurring or other atypical events, on which the corporate business tax inclusion in rates is based. Telecommunications utilities shall comply with all other applicable provisions of this section.

i. (1) The board shall not adjust the rates of a public utility, as provided in subsections c. and d. of this section, for a purchase by a cogenerator of natural gas and the transportation of that gas, that is exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46). The board shall not allocate, in any future rate case, any sales and use tax, corporation business tax, or transitional energy facility assessment to rates for this purpose.

(2) The board shall adjust the rates, as provided in subsection c. of this section, for a purchase by a cogenerator of any quantity of natural gas and the transportation of that gas that is not exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46).

(3) For the purposes of this section, "cogenerator" means a person or business entity that owns or operates a cogeneration facility in the State of New Jersey, which facility is a plant, installation or other structure whose primary purpose is the sequential production of electricity and steam or other forms of useful energy which are used for industrial, commercial, heating or cooling purposes, and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utility Regulatory Policies Act of 1978," Pub.L.95-617.
2. Section 38 of P.L.1997, c.162 (C.54:30A-102) is amended to read as follows:

C.54:30A-102 Establishment of remitter's transitional energy facility assessment.

3. The TEFA unit rate surcharge revenue realized during the 2009 State fiscal year attributable to the amendment made to section 67 of P.L.1997, c.162 (C.48:2-21.34) in section 1 of P.L.2008, c.32, is dedicated during that fiscal year to support State funds provided to hospitals in this State and to support State funds provided for Medicaid funding for nursing homes in this State.

4. This act shall take effect immediately.

Approved June 30, 2008.

CHAPTER 33

AN ACT concerning health care facilities and supplementing P.L.1971, c.136 (C.26:2H-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-18.74 Short title.

1. This act shall be known and may be cited as the “Health Care Stabilization Fund Act.”

C.26:2H-18.75 Findings, declarations relative to health care facilities.

2. The Legislature finds and declares that:
   a. The final report of the New Jersey Commission on Rationalizing Health Care Resources, issued on January 24, 2008, demonstrated that a large number of New Jersey general hospitals are in poor financial health and in financial distress due to a number of causes, including lack of universal coverage, underpayment by public payers, misaligned incentives and
interests between physicians and hospitals, lack of transparency of performance or cost, a need for more responsible governance at certain hospitals, and excessive geographic hospital density;

b. The financial challenges faced by general hospitals in New Jersey have caused many to close in recent years, and additional hospitals may close in the future;

c. A general hospital's sudden closure or significant reduction in services can threaten access to health care providers and specialized health care services in the hospital's primary service area;

d. It is vitally important to the residents of this State that continuity and stability be maintained when a general hospital closes or reduces services in order to assure access to high-quality and cost-effective health care services and referrals to residents of the affected community;

e. It is fitting and appropriate that the State of New Jersey provide temporary funding to continue access to and availability of health care services in time of emergent need and to condition that funding on adherence to requirements to ensure efficient and effective delivery of health care services; and

f. To that end, the Health Care Stabilization Fund is established for the purpose of providing emergency grants to general hospitals and other licensed health care facilities to ensure continuation of access and availability of necessary health care services to residents in a community served by a hospital facing closure or significantly reducing services due to financial distress.

C.26:2H-18.76 Health Care Stabilization Fund.

3. a. The Health Care Stabilization Fund is established as a nonlapsing, revolving fund in the Department of Health and Senior Services. The fund shall be administered by the Department of Health and Senior Services in consultation with the Department of the Treasury. The fund shall be comprised of such revenues as are appropriated by the Legislature from time to time, along with any interest earned on monies in the fund.

b. Monies from the fund shall be disbursed solely as grants to qualifying licensed health care facilities pursuant to eligibility criteria, and subject to conditions, prescribed by the Commissioner of Health and Senior Services in accordance with the requirements of this act.

C.26:2H-18.77 Awarding of grant to health care facility; factors considered.

4. The Commissioner of Health and Senior Services, in consultation with the State Treasurer and the New Jersey Health Care Facilities Financing Authority, may award a grant to a hospital or other licensed health care
facility from the fund if the commissioner determines that, due to extraordinary circumstances, the grant is necessary to maintain access to essential health care services or referral sources, as appropriate. In determining whether to award a grant to a licensed health care facility, the commissioner shall consider whether, at a minimum, the following factors are present:

a. Extraordinary circumstances threaten access to essential health services for residents in a community;

b. Persons in a community will be without ready access to essential health care services in the absence of the award of a grant from the fund;

c. Funding is unavailable from other sources to preserve or provide essential health care services;

d. A grant from the fund is likely to stabilize access to the essential health care services;

e. There is a reasonable likelihood that the essential health care services will be sustainable upon the termination of the grant;

f. The proposed recipient of the grant agrees to conditions established by the commissioner for receipt of a grant; and

g. The hospital or other licensed health care facility serves a significant number of uninsured and underinsured persons.

C.26:2H-18.78 Conditions for receipt of grant; rules, regulations; annual report.

5. a. The Commissioner of Health and Senior Services shall set reasonable conditions for the receipt of a grant by a general hospital or other licensed health care facility, which conditions may include, but need not be limited to, requirements to assure the efficient and effective delivery of health care services.

The facility shall agree to: the provision of essential health care services to the community as determined by the commissioner; facilitating the enrollment of individuals in appropriate government insurance programs; and providing the Department of Health and Senior Services with such quality of care, utilization, and financial information as determined by the commissioner to be reasonable and necessary. In the case of a facility whose financial condition created or contributed to the extraordinary circumstances necessitating the award of the grant, the facility shall agree to such corrective steps to its governance, management, and business operations as the commissioner deems reasonable and appropriate in light of the facility's circumstances and the health care needs of the community.

b. Within one year of the award of a grant from the fund, the commissioner, in consultation with the State Comptroller, shall cause to be conducted an audit to evaluate:
(1) whether a grantee's use of the funds was consistent with the provisions of this act, the commissioner's regulations, and any conditions imposed upon the award of the grant; and

(2) whether a grantee's use of the funds furthered the purposes of this act.

c. The commissioner, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt such rules and regulations as are necessary to effectuate the purposes of this act. The regulations shall specify eligibility criteria for, and conditions that must be met by, a health care facility to receive a grant from the fund.

Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the commissioner may adopt immediately upon filing with the Office of Administrative Law such regulations as the commissioner deems necessary to implement the provisions of this act, which shall be effective for a period not to exceed 270 days following enactment of this act and may thereafter be amended, adopted, or readopted by the department in accordance with the requirements of P.L.1968, c.410.

d. The commissioner shall annually, by March 1 of each year, submit a report on the Health Care Stabilization Fund to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1). The commissioner shall include a copy of the report on the department's website.

The report shall identify the health care facilities that received grants during the reporting period, the purpose for which the grant was allocated to the facility, and the extent to which the awarding of the grant furthered the purposes of this act. The report shall include a copy of any audits conducted pursuant to subsection b. of this section.

6. This act shall take effect on the 60th day following enactment.

Approved June 30, 2008.

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients – Nursing Homes are available for the payment of obligations applicable to prior fiscal years. In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.
CHAPTER 35, LAWS OF 2008

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 2008 are appropriated for payments to providers in the same program class from which the recovery originated. Subject to federal approval, the appropriations for those programs within the Medical Services for the Aged program classification are conditioned upon the Division of Medical Assistance and Health Services in the Department of Human Services and the Department of Health and Senior Services implementing policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Department of Health and Senior Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple’s resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Department of Health and Senior Services to fund the costs of enhanced audit recovery efforts of the Department within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, payments from the Payments for Medical Assistance Recipients-Nursing Homes account shall be made at 50% only for bedhold days at facilities with total occupancy rates at 90% or higher based on the occupancy percentage reported on each facility’s latest cost report; however, nursing homes shall hold a bed for a Medicaid beneficiary who is hospitalized for up to ten days.

The funds hereinabove appropriated for Medicaid High Occupancy-Nursing Homes shall be distributed for patient services among those nursing homes where the Medicaid patient day occupancy level is at or above 75%. Each such facility shall receive its distribution through a prospective per diem adjustment using actual days reported on the most recent cost report.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the
Aged and Disabled program shall be $6.00 for generic drugs and $7.00 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

Notwithstanding the provisions of any other law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for prescription claims with no Medicare Part D coverage except under the following conditions: (a) reimbursement for the cost of single source brand name legend drugs and non-legend drugs shall be on the basis of Average Wholesale Price less a 15% discount and reimbursement for the cost of multisource generic drugs shall be in accordance with the federal Deficit Reduction Act of 2005 upon final adoption of regulations by the Department of Health and Human Services; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through the current fiscal year, including the current increments for impact allowances, as determined by revised qualifying requirements, and allowances for 24-hour emergency services; and (c) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Department of Health and Senior Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Review Board, or brand name drugs with a lower cost per unit than the generic may be excluded from prior authorization by the Department of Health and Senior Services. Further, not later than April 1, 2009 the State Treasurer in consultation with the Commissioner of Health and Senior Services shall review whether the utilization of generic pharmaceuticals exceeds the level anticipated and the effect of such enhanced utilization of generic drugs on disbursements from these accounts, net of manufacturers rebates and adjusted for utilization shifts resulting from patent expirations or other one time factors, and to the extent possible within the limits of the funds appropriated and federal regulations herein above shall modify the average wholesale price discount rate to not less than 12.5%, the upper limit of the prescription drug dispensing fee structure to not greater than $4.07, or both, retroactive to July 1, 2008.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program, there are appropriated from the General Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and
the Senior Gold Prescription Discount Program are available to pharmacies that have not submitted an application to enroll as an approved medical supplier in the Medicare program, unless they already are an approved Medicare medical supplier. Pharmacies shall not be required to bill Medicare directly for Medicare Part B drugs and supplies, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAAD. Beneficiaries are responsible for the applicable PAAD or Senior Gold Prescription Discount Program copayment.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program shall be used to pay for quantities of erectile dysfunction therapy medication in excess of four dosage units (tablets/injections/suppositories) per month. Moreover, payment will only be provided if the diagnosis of erectile dysfunction is written on the prescription form and the treatment is provided to males over the age of 18 years. Furthermore, no payments for erectile dysfunction therapy will be made on behalf of sex offenders.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting.

At any point during the year, and notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c). Generic manufacturers shall be required to provide rebates equal to 15.1% of the Average Manufacturer's Price for all drugs, with the exception that any branded generic pharmaceutical shall generate rebates on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

From the amount hereinabove appropriated for the Senior Gold Prescription Discount Program, an amount not to exceed $3,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205, for rates implemented on or after July 1, 2000, target occupancy as determined pursuant to N.J.A.C.8:85-3.16 shall not apply to those facilities receiving enhanced rates of reimbursement pursuant to N.J.A.C.8:85-2.21. The per diem amounts for all other expenses of the enhanced rates shall be based upon reasonable base period costs divided by actual base period patient days, but no less than 85% of licensed bed days shall be used.
In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred between the various items of appropriation within the Medical Services for the Aged and Programs for the Aged program classifications to ensure the continuity of long-term care support services for beneficiaries receiving services within the Medical Services for the Aged program classification in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2005, no payment for Medicaid Adult or Pediatric Medical Day Care services, as hereinabove appropriated in the Medical Day Care Services account, shall be provided unless the services are prior authorized by professional staff designated by the Department of Health and Senior Services.

From the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Nursing Homes, the Commissioner of Health and Senior Services shall increase the reasonableness limit for total nursing care up to 120% of the median costs in the Medicaid nursing home rate-setting system during the current fiscal year.

Such sums as may be necessary, not to exceed $70,840,000, for payments for the Lifeline Credit and Tenants’ Lifeline Assistance programs, may be credited from the Energy Assistance program account in the Board of Public Utilities to the Lifeline program account and shall be applied in accordance with a Memorandum of Understanding between the President of the Board of Public Utilities and the Commissioner of Health and Senior Services, subject to the approval of the Director of the Division of Budgeting and Accounting.

Such sums as may be necessary are appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the “Nursing Home Quality of Care Improvement Fund Act,” P.L.2003, c.105 (C.26:2H-92 et seq.) and P.L.2004, c.41, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Medical Day Care Services is conditioned upon rate increases for the nursing home provider assessment not being included in the calculation of the Adult/Pediatric Day Care payment rates.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAA/D) programs are conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAA/D programs with the prescription drug benefits of the federal Medicare Prescription Drug, Improvement, and Modernization Act of 2003 as the primary payer due to the current federal prohibition against State automatic enrollment of PAA/D recipients in the new federal program. The PAA/D benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with enrollment in Medicare Part D for beneficiaries of the PAA/D and Senior Gold Prescription Discount programs, and for Medicare Part D premium costs for PAA/D beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2006, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and Disabled (PAA/D) programs and Senior Gold Prescription Discount Program accounts shall be available as payment as a PAA/D or
Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003" and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAA/D) program and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAA/D or Senior Gold accounts shall be expended for any individual unless the individual enrolled in the PAA/D program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged, Pharmaceutical Assistance to the Aged and Disabled, and Senior Gold Prescription Discount programs shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and appeals of coverage determinations. PAAD is authorized to represent program beneficiaries in the pursuit of such coverage. PAAD representation shall not result in any additional financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; facilitated enrollment in a prescription drug plan or Medicare Advantage Prescription Drug plan. If the beneficiary declines enrollment in any Medicare Part D plan, the beneficiary shall be barred from all benefits of the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the ElderCare Initiatives program shall be conditioned upon the following provision: State-funded home and community care (Jersey Assistance for Community Caregiving (JACC)) benefits paid incorrectly on behalf of JACC beneficiaries may be recovered from individuals found ineligible.

The amounts hereinabove appropriated for Global Budget for Long Term Care shall only be expended if federal approvals are received for such a program and only if federal Medicaid reimbursement or other federal matching funds are available to support the State appropriation.

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients-Nursing Homes, Medical Day Care Services, Global Budget for Long Term Care, and Medicaid High Occupancy-Nursing Homes are conditioned upon the Commissioner of Health and Senior Services making changes to such programs to make them consistent with the federal Deficit Reduction Act of 2005.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. Senior Gold is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold representation shall include, but not to be limited to, the following actions: pursuit of appeals, grievances, or coverage determinations.
Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries obtained through the efforts of any entity authorized to undertake the prevention and detection of Medicaid fraud, waste, and abuse, are appropriated to Medical Services for the Aged in the Division of Senior Services.

Notwithstanding the provisions of any law or regulation to the contrary, resources in the Global Budget for Long Term Care line item may be supplemented with transfers from the Medical Services for the Aged Program accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, persons receiving services through the Demonstration Adult Day Care Center Program - Alzheimer's Disease may receive services if appropriate medical documentation is provided to the Department of Health and Senior Services to justify those expenditures. A medical day services provider that is providing services through the Demonstration Adult Day Care Center Program - Alzheimer's Disease shall be reimbursed at not less than 85% of the free-standing Adult Day Medical Medicaid day rate. A social day services provider that is providing services through the program shall be reimbursed at not less than 70% of the free-standing Adult Day Medical Medicaid day rate. A medical or social day services provider that is providing services through the program shall not be subject to the 25% matching requirement set forth in section 3 of P.L.1988, c.114 (C.26:2M-11) or the requirement to submit a cost proposal to the Department of Health and Senior Services as set forth in N.J.A.C.8:92-3.2. The Demonstration Adult Day Care Center Program - Alzheimer's Disease shall reimburse the agency the difference between the client co-pay and the agreed upon rate. The Department of Health and Senior Services shall authorize enrollment of persons in the Demonstration Adult Day Care Center Program - Alzheimer's Disease for a maximum of three days per week. The Department shall not require participants in the program to pay for services provided through the program in excess of the amounts currently required under N.J.A.C.8:92-1.1 et seq.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program or the Senior Gold Prescription Discount Program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program.

Notwithstanding the provisions of N.J.A.C.8:85-3.19 or any other law to the contrary, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients - Nursing Homes shall be conditioned upon the following provisions: no facility shall receive a per diem rate increase as the result of the annual rebasing of facility submitted costs. In addition, only those facilities with greater than 75% Medicaid occupancy shall receive the full inflation adjustment as defined in N.J.A.C. 8:85-3.19 to their per diem reimbursement rate, all other facilities shall receive half of their calculated inflation adjustment.

In addition to the amounts hereinabove appropriated, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and

Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of P.L.1988, c.92 (C.30:4E-5 et seq.) to the contrary, funds appropriated for the Home Care Expansion Program (HCEP) shall be paid only for individuals enrolled in the program as of June 30, 1996 who are not eligible for the Community Care Program for the Elderly and Disabled or alternative programs, and only for so long as those individuals require services covered by the HCEP. Individuals enrolled in the HCEP as of June 30, 1996 and eligible for the Community Care Program for the Elderly and Disabled may apply to be enrolled in that program.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Casino Revenue Fund, Medical Services for the Aged, or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year’s annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $6.00 for generic drugs and $7.00 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, effective July 1, 2003, no State funds are appropriated for a Drug Utilization Review Council in the Department of Health and Senior Services, and therefore, the functions of the Council shall cease.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturers’ rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.
Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program are available to pharmacies that have not submitted an application to enroll as an approved medical supplier in the Medicare program, unless they already are an approved Medicare medical supplier. Pharmacies shall not be required to bill Medicare directly for Medicare Part B drugs and supplies, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAAD. Beneficiaries are responsible for the applicable PAAD copayment.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and the Disabled program shall be used to pay for quantities of erectile dysfunction therapy medication in excess of four dosage units (tablets/injections/suppositories) per month. Moreover, payment shall only be provided if the diagnosis of erectile dysfunction is written on the prescription form and the treatment is provided to males over the age of 18 years. Furthermore, no payments for erectile dysfunction therapy will be made on behalf of sex offenders.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Drug Discount Program account shall be expended for prescription claims with no Medicare Part D coverage except under the following conditions: (a) reimbursement for the cost of single source brand name legend drugs and non-legend drugs shall be on the basis of Average Wholesale Price less a 15% discount and reimbursement for the cost of multisource generic drugs shall be in accordance with the federal Deficit Reduction Act of 2005 upon final adoption of regulations by the Department of Health and Human Services; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $3.99 shall remain in effect through the current fiscal year, including the current increments for impact allowances, as determined by revised qualifying requirements, and allowances for 24-hour emergency services; and (c) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Department of Health and Senior Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Review Board, or brand name drugs with a lower cost per unit than the generic may be excluded from prior authorization by the Department of Health and Senior Services. Further, not later than April 1, 2009 the State Treasurer in consultation with the Commissioner of Health and Senior Services shall review whether the utilization of generic pharmaceuticals exceeds the level anticipated and the effect of such enhanced utilization of generic drugs on disbursements from these accounts, net of manufacturers rebates and adjusted for utilization shifts resulting from patent expirations or other one time factors, and to the extent possible within the limits of the funds appropriated and federal regulations herein above shall modify the average wholesale price discount rate to not less than 12.5%, the upper limit of the prescription drug dispensing fee structure to not greater than $4.07, or both, retroactive to July 1, 2008.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled and Senior Gold Prescription Discount Program are conditioned upon the Department of Health and Senior Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy
providers may dispense up to a 90–day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting. At any point during the year, and notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c). Generic manufacturers shall be required to provide rebates equal to 15.1% of the Average Manufacturers Price for all drugs, with the exception that any branded generic pharmaceutical shall generate rebates on the same basis as provided for in section 1927 (a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a)-(c).

Notwithstanding the provisions of section 2 of P.L.1988, c.114 (C.26:2M-10) to the contrary, private for-profit agencies shall be eligible grantees for funding from the Demonstration Adult Day Care Center Program-Alzheimer’s Disease account. Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Respite Care for the Elderly (CRF) account, $600,000 shall be charged to the Casino Simulcasting Fund. Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program is conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAAD program with the prescription drug benefits of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” as the primary payer due to the current federal prohibition against State automatic enrollment of PAAD recipients in the new federal program. The PAAD benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with enrollment in Medicare Part D for beneficiaries of the PAAD and Senior Gold programs, and for Medicare Part D premium costs for PAAD beneficiaries.

Notwithstanding the provisions of any law or regulation to the contrary, effective January 1, 2006, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) and Senior Gold program accounts shall be available as payment as a PAAD or Senior Gold benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal “Medicare Prescription Drug, Improvement, and Modernization Act of 2003” and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD) recipients, no funds hereinabove appropriated from the PAAD account shall be expended for any individual enrolled in the PAAD program unless the individual provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and
appeals of coverage determinations. PAAD is authorized to represent program beneficiaries in the pursuit of such coverage. PAAD representation shall not result in any additional financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; facilitated enrollment in a prescription drug plan or Medicare Advantage Prescription Drug plan. If any beneficiary declines enrollment in any Medicare Part D plan, that beneficiary shall be barred from all benefits of the PAAD program.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

The amounts hereinabove appropriated for Global Budget for Long Term Care are conditioned upon the Commissioner of Health and Senior Services making changes to such program to make it consistent with the federal Deficit Reduction Act of 2005.

Notwithstanding the provisions of any other law or regulation to the contrary, persons receiving services through the Demonstration Adult Day Care Center Program - Alzheimer's Disease may receive services if appropriate medical documentation is provided to the Department of Health and Senior Services to justify those expenditures. A medical day services provider that is providing services through the Demonstration Adult Day Care Center Program - Alzheimer’s Disease shall be reimbursed at not less than 85% of the free-standing Adult Day Medical Medicaid day rate. A social day services provider that is providing services through the program shall be reimbursed at not less than 70% of the free-standing Adult Day Medical Medicaid day rate. A medical or social day services provider that is providing services through the program shall not be subject to the 25% matching requirement set forth in section 3 of P.L.1988, c.114 (C.26:2M-11) or the requirement to submit a cost proposal to the Department of Health and Senior Services as set forth in N.J.A.C.8:92-3.2. The Demonstration Adult Day Care Center Program - Alzheimer's Disease shall reimburse the agency the difference between the client co-pay and the agreed upon rate. The Department of Health and Senior Services shall authorize enrollment of persons in the Demonstration Adult Day Care Center Program - Alzheimer’s Disease for a maximum of three days per week. The Department shall not require participants in the program to pay for services provided through the program in excess of the amounts currently required under N.J.A.C.8:92-1.1 et seq.

The amounts hereinabove appropriated for Global Budget for Long Term Care shall only be expended if federal approvals are received for such a program and only if federal Medicaid reimbursement or other federal matching funds are available to support the State appropriation.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program.

The amount hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals account is available to pay liabilities applicable to prior fiscal years, subject to the approval of the Director of the Division of Budget and Accounting.

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, during the period of July 1 through December 31 of each year, commencing July 1, 2009, the State shall pay to each county an amount equal to 37.5% of the total per capita costs for the reasonable cost of maintenance and clothing of county patients in State psychiatric facilities for the period January 1 through December 31 of that year.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, as of January 1, 2009, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 47.5% of the established State House Commission rate during the period January 1 through June 30 of each year. For all calendar years beginning January 1, 2009, the total amount to be paid by the State on behalf of county indigent patients shall not exceed 87.5% of the total reasonable per capita cost.

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health Services determines that in order to provide the least restrictive setting appropriate a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional sums as may be required, as determined by the Assistant Commissioner of the Division of Mental Health Services, to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of Budget and Accounting.

In addition to the amounts hereinabove appropriated for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ FamilyCare program as defined in P.L.2005, c.156 (C.30:4J-8 et al.).

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance for the Aged program is eliminated.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

The amount hereinabove appropriated for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and Management accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, subject to federal approval, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures.

The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to...
avoid payment for that care. The Division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan as shall be submitted by the Commissioner of Human Services.

Notwithstanding the provisions of the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), to the contrary, the Commissioner of Human Services shall adopt immediately upon filing with the Office of Administrative Law such regulations as the Commissioner deems necessary to ensure that monies expended for the NJ FamilyCare program do not exceed the amount hereinabove appropriated. The total payments shall not exceed the amount appropriated and shall be allocated among hospitals proportionately based on the amount of HRSF payments (excluding any adjustments to the HRSF for other Medicaid payment increases). Interim payments shall be made from the Hospital Relief Offset Payment account, based on an estimate of the total enhanced amount payable to a qualifying hospital, and subject to cost settlement. The enhanced payment, determined at cost settlement, shall be an amount approved by the Director of the Division of Budget and Accounting per Medicaid patient day, adjusted by a volume variance factor (the ratio of expected Medicaid inpatient days to actual Medicaid inpatient days for the rate year) and an HRSF factor (the ratio of the hospital's HRSF payments to total HRSF payments) and subject to a pro rata adjustment so that the total enhanced per diem amounts are equivalent to the total State and federal funds appropriated not to exceed an amount to be approved by the Director of the Division of Budget and Accounting. Payments shall be made from and are hereinabove appropriated in the Hospital Relief Offset Payment account, and shall be based on the qualifying hospitals' first finalized 1996 cost reports. The amount that the qualifying hospital would otherwise be eligible to receive from the Hospital Relief Subsidy Fund shall be reduced by the amount of this Graduate Medical Education outpatient payment. The total amount of these payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds. In no case shall these payments and all other enhanced payments related to those services primarily used by Medicaid and NJ FamilyCare beneficiaries that the hospital receives exceed the amount the hospital would otherwise have been eligible to receive from the Hospital Relief Subsidy Fund in the State fiscal year.

If such a municipality has not entered an agreement for shared police services with another municipality or government agency, notified the State Treasurer in writing of such agreement, and provided an executed copy of such agreement to the Treasurer by December 15, 2008, such municipality shall be deemed to have entered into a cost sharing agreement effective July 1, 2008 with the State Treasurer as provided in this paragraph.

Notwithstanding the provisions of any law or regulation to the contrary, none of the monies appropriated to the Division of State Police or the Department of Law and Public Safety shall be used for providing police protection to the inhabitants of rural sections pursuant to R.S.53:2-1 in a municipality in which such services were not provided in FY2007-08 unless that municipality enters into a cost sharing agreement with the State Treasurer to provide the full cost of the Division of State Police for providing such services. Notwithstanding the provisions of any law or regulation to the contrary, a municipality that enters into a cost sharing agreement with the State Treasurer may use monies from any grant-in-aid or State Aid appropriated pursuant to this act to meet the local share of providing such services; provided, that this paragraph shall not be construed to authorize use of constitutionally dedicated monies, bond monies, or federal funds in a manner or for a purpose inconsistent with the Constitution or federal law.

Notwithstanding the provisions of any law or regulation to the contrary, municipal appropriations made pursuant to a cost sharing agreement with the State Treasurer shall be included in the municipality's final appropriations upon which its permissible expenditures are calculated pursuant to section 2 of P.L.1976, c.68 (C.40A:4-45.2). Notwithstanding the provisions of section 10 of P.L.2007, c.62 (C.40A:4-45.45) to the contrary, amounts required by a municipality to be raised to pay for the cost of police services pursuant to a cost sharing agreement, as described hereinabove, shall be treated as an exclusion that shall be added to the calculation of the municipal adjusted tax levy.

Notwithstanding the foregoing provisions regarding cost sharing agreements or any law to the contrary, if the Superintendent of the Division of State Police, in consultation with the
Attorney General, determines that public safety requires that police protection be
provided to the inhabitants of rural sections pursuant to R.S.53:2-1 despite the fact that
a municipality as described above has not entered into a cost sharing agreement with the
State Treasurer, monies appropriated to the Division of State Police and the Department
of Law and Public Safety may be used for providing such police protection and the
Director of the Division of Budget and Accounting is authorized to withhold State Aid
payments to such municipalities and transfer such amounts to the Division of State Police.
Notwithstanding the provisions of any law or regulation to the contrary, municipalities shall
not be allowed to apply for Extraordinary Aid for any expenses related to a cost-sharing
agreement for rural policing.

Driver Fund Program.
In addition to the amount hereinabove appropriated for Gaming Enforcement, there are
appropriated from the Casino Control Fund such additional sums as may be required for
gaming enforcement, subject to the approval of the Director of the Division of Budget and
Accounting.

Notwithstanding the provisions of N.J.S.18A:71B-47 through N.J.S.18A:71B-49, or any other law or regulation to the contrary, the amounts hereinabove appropriated to the Higher Education Student Assistance Authority are subject to the following condition: commencing on or after July 1, 2007, any newly-admitted student attending a school of veterinary medicine in a reserved space for New Jersey residents through contractual agreements between the Higher Education Student Assistance Authority and participating out-of-state schools of veterinary medicine shall be required, through a contract with the Higher Education Student Assistance Authority, upon graduation to practice veterinary medicine in New Jersey for a period of one year for each year of contract funding provided on their behalf. Such service requirement must commence within one year of completion of the recipient’s veterinary education, including American Veterinary Medical Association-approved internships or residencies. If such service requirement is not met, in part or in full, after documented best efforts to find a position, said recipient must refund to the Higher Education Student Assistance Authority that portion of the amounts expended for the recipient’s contract seat that is not offset by practicing in New Jersey.

Amounts from the unexpended balance at the end of the preceding fiscal year, including refunds recognized after July 31, 2008, in the Tuition Aid Grants account are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the Higher Education Student Assistance Authority shall provide to students enrolled in public institutions of higher education who are eligible for maximum awards under the Tuition Aid Grants program hereinabove appropriated an increase above the fiscal year 2007-2008 tuition rate for the institution and the institution’s in-State undergraduate 2006-2007 tuition rate with comparable increases provided to students eligible for maximum awards enrolled at independent institutions. All other award amounts provided under the Tuition Aid Grants program shall be based on in-State undergraduate tuitions in effect at institutions in academic year 2005-2006. Reappropriated balances in the Tuition Aid Grants account shall be held as a contingency for unanticipated increases in the number of applicants qualifying for full-time Tuition Aid Grants awards, to fund shifts in the distribution of awards that result in an increase in total program costs, or to offset any shortfalls in the federal Leveraging Educational Assistance Partnership (LEAP) program. In addition to the amount hereinabove appropriated for Tuition Aid Grants, there are appropriated such sums as are required to cover the costs of increases in the number of applicants qualifying for full-time Tuition Aid Grants awards, to fund shifts in the distribution of awards that result in an increase in total program costs, or to offset any shortfalls in the federal Leveraging Educational Assistance Partnership (LEAP) program, subject to the approval of the Director of the Division of Budget and Accounting.
The amount hereinabove appropriated for Part-Time Tuition Aid Grants for County Colleges shall be used to provide funds for a pilot program of tuition aid grants for eligible, qualified part-time students enrolled at the county colleges established pursuant to N.J.S.18A:64A-1 et seq. The tuition aid grants shall be used to pay the tuition at a county college established pursuant to N.J.S.18A:64A-1 et seq. Within the limits of available appropriations as determined by the Higher Education Student Assistance Authority, part-time grant awards shall be pro-rated against the full-time grant award for the applicable institutional sector established pursuant to N.J.S.18A:71B-21 as follows: an eligible student enrolled with six to eight credits shall receive one-half of the value of a full-time award and an eligible student enrolled with nine to eleven credits shall receive three-quarters of a full-time award. Students shall apply first for all other forms of federal student assistance grants and scholarships; student eligibility for the Tuition Aid Grant awards program for part-time enrollment at a community college shall in other respects be determined by the authority in accordance with the criteria established pursuant to N.J.S.18A:71B-20, other than the criterion for full-time enrollment.

Amounts from the unexpended balance at the end of the preceding fiscal year, including refunds recognized after July 31, 2008, in the Part-Time Tuition Aid Grants for County Colleges account are appropriated, subject to the approval of the Director of the Division of Budget and Accounting. Reappropriated balances shall be held as a contingency for unanticipated increases in the number of applicants qualifying for Part-Time Tuition Aid Grants for County Colleges awards or to fund shifts in the distribution of awards that result in an increase in total program costs.

From the amount hereinabove appropriated for the Teaching Fellows Program the authority shall establish a Teaching Fellows Program that shall provide direct loans to finance the undergraduate study of academically talented students who have leadership potential and who are interested in teaching in a public school in the State. The program shall also provide for the redemption of a portion of each eligible student's loan expenses for each year of full-time employment as a teacher in a subject area of critical need or in a high-needs district.

Notwithstanding the provisions of any law or regulation to the contrary, any institution of higher education which participates in the Student Unit Record Enrollment data system may participate in the Outstanding Scholars Recruitment Program.

Receipts derived from voluntary contributions by taxpayers on New Jersey State gross income tax returns for the New Jersey World Trade Center Scholarship Fund are appropriated for the purpose of providing scholarships for eligible dependent children and surviving spouses of New Jersey residents who were killed in the terrorist attacks against the United States on September 11, 2001, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for the Dana Christmas Scholarship for Heroism shall be awarded in accordance with policies and procedures established by the Higher Education Student Assistance Authority. In general, recipients must have performed the act of heroism for which they are being recognized prior to reaching their twenty-second birthday; awards are for a one-time only scholarship of up to $10,000, and awards must be used for educational expenses related to attendance at a post-secondary institution that participates in the federal student assistance programs authorized under Title IV of the "Higher Education Act of 1965," as amended (20 U.S.C. s.1070 et seq.).

In addition to the amount hereinabove appropriated for the Social Services Student Loan Redemption Program, there are appropriated such sums as are required to cover the costs of increases in the number of applicants qualifying for this program, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any State law or regulation to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds including grants for preventive measures; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching
funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2008 of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 2009, reports on proposed expenditures during the current fiscal year for the following federal programs: the alcohol, drug abuse and mental health block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head’s designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.
Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State Administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Of the amounts hereinabove appropriated for Community Provider Cost of Living Adjustment, amounts may be transferred to other divisions within the Department of Human Services in order to provide a cost of living adjustment to community care providers contracting with the various divisions, subject to the approval of the Director of the Division of Budget and Accounting.

7. There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds such sums as may be necessary for the State to comply with the federal "Tax Reform Act of 1986," Pub.L.99-514 (26 U.S.C. s.1 et seq.), which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

8. There are appropriated from the General Fund, subject to the approval of the Director of the Division of Budget and Accounting, such sums as are necessary to pay interest, at the average rate of earnings during the fiscal year from the State's general investments, to those bond funds that have borrowed money from the General Fund or other bond funds and that have insufficient resources to accrue and pay the interest expense on such borrowing.

9. In addition to the amounts appropriated hereinabove, such additional sums as may be necessary are appropriated to fund the costs of the collection of debts, taxes and other fees and charges owed to the State, including but not limited to the services of auditors and attorneys and enhanced compliance programs, subject to the approval of the Director of the Division of Budget and Accounting.

14. The unexpended balances at the end of the preceding fiscal year in accounts that are funded by Interfund Transfers are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

15. Notwithstanding any provisions in this act or the provisions of any law or regulation to the contrary, no unexpended balances at the end of the preceding fiscal year are appropriated without the approval of the Director of the Division of Budget and Accounting, except that the Legislative Branch of State government shall be exempt from this provision. The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

16. The administrative costs of the Special Education Medicaid Initiative (SEMI) and the Medicaid Administrative Claiming (MAC) program, including the participation of a consultant, are appropriated and shall be paid from the revenue received, subject to the approval of the Director of the Division of Budget and Accounting.

17. The following transfer of appropriations rules are in effect for the current fiscal year:

a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

   (1) Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

   (2) Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account, as defined by major object 6, within an item of appropriation, from or to a different item of appropriation;
CHAPTER 35, LAWS OF 2008

(3) Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

(4) Requests for the transfer of State funds, in amounts greater than $50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

(5) Requests for the transfer of federal funds, in amounts greater than $300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;

(6) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove any such transfer request, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance subject to the approval of the Director of the Division of Budget and Accounting. However, an amount from any appropriation for any item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative or Judicial branches of State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency or necessity under the Other Inter-Departmental Accounts program classification and transfers from the appropriations to the various accounts in the category of Salary Increases and Other Benefits, both in the Interdepartmental Accounts, shall not be subject to legislative approval or disapproval.

18. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such
appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefore, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

19. The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the presentation of the Governor's Budget Recommendation Document that was proposed for this fiscal year.

20. None of the funds appropriated to the Executive Branch of State government for Information Processing, Development, Telecommunications, and Related Services and Equipment shall be available to pay for any of these services or equipment without the review of the Office of Information Technology, and compliance with statewide policies and standards and an approved department Information Technology Strategic Plan; authorization and approval by the Office of Information Technology is required for expenditure of amounts in excess of $2,500, as currently specified by Circular Letter 07-14-0MB/OIT.

21. If the sum provided in this act for a State aid payment pursuant to formula is insufficient to meet the full requirements of the formula, all recipients of State aid shall have their allocation proportionately reduced, subject to the approval of the Director of the Division of Budget and Accounting.

22. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and the director is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be that officer's duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

23. The Director of the Division of Budget and Accounting is empowered and it shall be the director's duty in the disbursement of funds for payment of expenses classified as salary increases and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool, insurance, travel, postage, lease payments on equipment purchases, additions, improvements and equipment, and compensation awards to credit or transfer to the Department of the Treasury, to an Inter-Departmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated or credited thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source, or to
24. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, or disaster. In addition, there are appropriated such additional sums as may be necessary for emergency repairs and reconstruction of State facilities or property, subject to the approval of the Director of the Division of Budget and Accounting and the Joint Budget Oversight Committee. Appropriations referred to the Joint Budget Oversight Committee shall be deemed approved unless a resolution of disapproval is adopted within 10 working days of receipt of notification of the proposed appropriation.

25. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

26. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

27. Notwithstanding any law to the contrary, should appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Property Tax Relief Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

28. Notwithstanding any law to the contrary, should appropriations in the Casino Revenue Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Casino Revenue Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

29. No funds shall be expended by any State Department in the Executive Branch in connection with a contract for the production of films, videotapes, video conferences, video-assisted training or multi-media projects that include video images unless the New Jersey Public Broadcasting Authority (PBA) has the opportunity to match any successful bid as part of any formal or informal contract award process. This is not a requirement to award a contract to PBA since the decision to award a contract may also be based on non-cost considerations.

30. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium as
31. Out of the amounts hereinabove appropriated, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the director deems improper.

32. Whenever any county, municipality, school district or a political subdivision thereof withholds funds from a State agency, or causes a State agency to make payment on behalf of a county, municipality, school district or a political subdivision thereof, then the Director of the Division of Budget and Accounting may withhold State aid payments and transfer the same as payment for such funds, as the Director of the Division of Budget and Accounting shall determine.

33. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Office, upon the effective date thereof.

34. The Director of the Division of Budget and Accounting may, upon application therefore, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefore, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefore from all persons obtaining money from the fund. The director shall make regulations governing disbursement from petty cash funds.

35. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

36. Notwithstanding the provisions of any law or regulation to the contrary, the State Treasurer may transfer from any fund in the State Treasurer's custody, deposited with the State Treasurer pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds established pursuant to statutes that provide for interest earnings to accrue to those funds, all such transfers shall be without interest. If the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State's general investments and such sums as are necessary shall be appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

37. Any qualifying State aid appropriation, or part thereof, made from the General Fund may be transferred and recorded as an appropriation from the Property Tax Relief Fund, as deemed necessary by the State Treasurer, in order that the Director of the Division of Budget and Accounting may warrant the necessary payments; provided however, that the
available unreserved, undesignated fund balance in the Property Tax Relief Fund, as determined by the State Treasurer, is sufficient to support the expenditure.

38. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $4,000 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget and Finance Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $4,000, which has been denied or not recommended by the head of such department, shall be precluded from presenting said claim to the Legislature for consideration.

39. Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund; provided however, that a portion of the indirect and administrative cost recoveries received which are in excess of the amount anticipated may be reclassified into a dedicated account and returned to State departments and agencies, as determined by the Director of the Division of Budget and Accounting, who shall notify the Legislative Budget and Finance Officer of the amount of such funds returned, the departments or agencies receiving such funds and the purpose for which such funds will be used, within 10 working days of any such transaction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.

40. Notwithstanding the provisions of any law or regulation to the contrary, each local school district that participates in the Special Education Medicaid Initiative (SEMI) shall receive a percentage of the federal revenue realized for current year claims. The percentage share shall be 17.5% of claims approved by the State by June 30.

41. Notwithstanding the provisions of any law or regulation to the contrary, each local school district that participates in the Medicaid Administrative Claiming (MAC) initiative shall receive a percentage of the federal revenue realized for current year claims. The percentage share shall be 17.5% of claims approved by the State by June 30.

42. Notwithstanding the provisions of P.L.1943, c.188 (C.52:14-17.1 et seq.), the rate of reimbursement for mileage allowed for employees traveling by personal automobile on official business shall be $0.31 per mile.

CHAPTER 38

AN ACT concerning health care coverage, revising parts of statutory law, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:15-1 Findings, declarations relative to health care coverage.

1. The Legislature finds and declares:
   a. There are an estimated 1.25 million residents of the State who have no health insurance coverage, of which over 240,000 are children, and the number of uninsured residents is increasing each year;
   b. While employer-sponsored health care coverage in the State is well above the national average and has been a major factor in keeping the number of uninsured lower than in many states, because of the rising cost of the coverage, increasing numbers of employers are considering dropping coverage for their employees and dependents, or are requiring employees to share in a greater percentage of premium costs and to bear larger copayments and coinsurance, which is making health care coverage increasingly unaffordable to low and moderate income working families;
   c. Persons without health insurance coverage receive less preventive care, poorer treatment for both minor and serious chronic and acute illnesses, and in many cases live shorter lives than comparable insured populations;
   d. Many uninsured are forced to seek health care in inappropriate settings such as hospital emergency rooms because they cannot obtain needed health care services in a convenient and more cost-effective setting such as a primary care provider's office or clinic, which contributes to higher health care costs;
   e. The uninsured are commonly billed at higher rates than those who have health care coverage. Health care costs have become a leading cause of bankruptcy in this country, and those without insurance are most at risk;
   f. The State has recognized the importance of increasing access to health care coverage and, over the last several years, has enacted several reforms to make health care coverage more affordable and accessible to residents of the State. Among these reforms are the expansions of coverage under the State Medicaid and NJ FamilyCare programs. Despite these efforts, too many low income parents and children lack access to health care coverage;
g. In order to ensure that more low income parents in the State have access to health care coverage and all children in the State are covered under a health plan, thus moving closer to providing universal coverage for all residents of this State, it is necessary to further expand coverage for parents under the NJ FamilyCare Program, and mandate that all children in the State have health care coverage, either through public programs or private coverage; and

h. In order to make insurance coverage more affordable to residents and small businesses in this State, and to stabilize enrollment in, and the costs of, individual and small employer health benefits plans, it is also necessary to adopt comprehensive reform measures to the insurance marketplace.

C.26:15-2 Coverage provided for residents 18 years of age and younger; terms defined.

2. a. Beginning one year after the date of enactment of this act, all residents of this State 18 years of age and younger shall obtain and maintain health care coverage that provides hospital and medical benefits. The coverage may be provided through an employer-sponsored or individual health benefits plan, the Medicaid program, NJ FamilyCare Program, or the NJ FamilyCare Advantage buy-in program.

b. The commissioner shall take such actions as are necessary to implement and operate the program in accordance with the State Children's Health Insurance Program established pursuant to 42 U.S.C.s.1397aa et seq.
c. The commissioner:

1. shall, by regulation, establish standards for determining eligibility and other program requirements, including, but not limited to, restrictions on voluntary disenrollments from existing health insurance coverage;

2. shall require that a parent or caretaker who is a qualified applicant purchase coverage, if available, through an employer-sponsored health insurance plan which is determined to be cost-effective and is approved by the commissioner, and shall provide assistance to the qualified applicant to purchase that coverage, except that the provisions of this paragraph shall not be construed to require an employer to provide health insurance coverage for any employee or employee's spouse or dependent child;

If an applicant does not submit income verification in a timely manner, before determining the applicant ineligible for the program, the commissioner shall seek to verify the applicant's income by reviewing available Department of the Treasury or Department of Labor and Workforce Development records concerning the applicant, or such other records as the commissioner determines appropriate.

The commissioner may establish such retrospective auditing or income verification procedures as he deems appropriate, such as sample auditing and matching reported income with records of the Department of the Treas-

The authorization, which shall be included on the program application form, shall be developed by the commissioner, in consultation with the State Treasurer;

(3) Online enrollment and renewal, in addition to enrollment and renewal by mail. The online enrollment and renewal forms shall include electronic links to other State and federal health and social services programs;

(4) Continuous enrollment;

(5) Simplified renewal by sending an enrollee a preprinted renewal form and requiring the enrollee to sign and return the form, with any applicable changes in the information provided in the form, no later than 30 days after the date the enrollee’s annual eligibility expires. The commissioner may establish such auditing or income verification procedures as he deems appropriate, as provided in paragraph (2) of this subsection; and

(6) Provision of program eligibility-identification cards that are issued no more frequently than once a year.

e. The commissioner shall take, or cause to be taken, any action necessary to secure for the State the maximum amount of federal financial participation available with respect to the program, subject to the constraints of fiscal responsibility and within the limits of available funding in any fiscal year. In this regard, notwithstanding the definition of “qualified applicant,” the commissioner may enroll in the program such children or their parents or caretakers who may otherwise be eligible for the Medicaid program in order to maximize use of federal funds that may be available pursuant to 42 U.S.C. s.1397aa et seq.

f. Subject to federal approval, a child shall be determined ineligible for the program if the child was voluntarily disenrolled from employer-sponsored group insurance coverage within six months prior to application to the program.

(1) A child who presents himself for treatment at a general hospital, federally qualified or community health center, local health department that provides primary care, or other State licensed community-based primary
care provider shall be deemed presumptively eligible for the program if a preliminary determination by hospital, health center, local health department or licensed health care provider staff indicates that the child meets program eligibility standards and is a member of a household with an income that does not exceed 350% of the poverty level;

(2) The provisions of paragraph (1) of this subsection shall also apply to a child who is deemed presumptively eligible for Medicaid coverage pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.);

(1) With respect to school-age children, the commissioner, in consultation with the Commissioner of Education and the Secretary of Agriculture, shall develop a form that provides information about the NJ FamilyCare and Medicaid programs and provides an opportunity for the parent or guardian who signs the school lunch application form to give consent for information to be shared with the Department of Human Services for the purpose of determining eligibility for the programs. The form shall be attached to, included with, or incorporated into, the school lunch application form.

i. Subject to federal approval, the commissioner shall, by regulation, establish that in determining income eligibility for a child, any gross family income above 200% of the poverty level, up to a maximum of 350% of the poverty level, shall be disregarded.

j. The commissioner shall establish a NJ FamilyCare coverage buy-in program through which a parent or caretaker whose family income exceeds 350% of the poverty level may purchase coverage under NJ FamilyCare for a child under the age of 19, who is uninsured and was not voluntarily disenrolled from employer-sponsored group insurance coverage within six months prior to application to the program. The program shall be known as NJ FamilyCare Advantage.

The commissioner shall establish the premium and cost sharing amounts required to purchase coverage, except that the premium shall not exceed the amount the program pays per month to a managed care organization under NJ FamilyCare for a child of comparable age whose family income is between 200% and 350% of the poverty level, plus a reasonable processing fee.

k. The commissioner, in consultation with the Rutgers Center for State Health Policy, shall develop a streamlined application form for the NJ FamilyCare and Medicaid programs.

l. Subject to federal approval, the Commissioner of Human Services shall establish a hardship waiver for part or all of the premium for an eligible child under the NJ FamilyCare program. A parent or caretaker may apply to the commissioner for a hardship waiver in a manner and form established by the commissioner. 3. a. The plans shall be offered on an open enrollment, modified community rated basis, pursuant to the provisions of this act and P.L.2008, c.38. Every carrier that issues small employer health benefits plans pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.) shall make a good faith effort to market individual health benefits plans.

b. A carrier shall offer to an eligible person a choice of at least three individual health benefits plans established by the board pursuant to section 6 of P.L.1992, c.161 (C.17B:27A-7). One plan shall be a basic health benefits plan. A carrier may elect to convert any individual contract or policy forms in force on the effective date of P.L.2008, c.38 to any of the benefit plans, except that the carrier may not convert more than 25% of existing contracts or policies each year, and the replacement plan shall be of no less actuarial value than the policy or contract being replaced.

Notwithstanding the provisions of this subsection to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.) shall be permitted to offer a basic health benefits plan in accordance with the provisions of that law in lieu of the plans required pursuant to this subsection.

(3) A contract or policy for a basic health benefits plan provided for in this section may contain or provide for coinsurance or deductibles, or both, except that no deductible shall be payable in excess of a total of $250 by an individual or $500 by a family unit during any benefit year; and no coinsurance shall be payable in excess of a total of $500 by an individual or by a family unit during any benefit year.

(4) Notwithstanding the provisions of paragraph (3) of this subsection or any other law to the contrary, a carrier may provide for increased deductibles or coinsurance for a basic health benefits plan if approved by the board or if the board increases deductibles or coinsurance included in the basic health benefits plan.

e. (Deleted by amendment, P.L.2008, c.38).

f. In addition to the rider packages provided for in subsection c. of section 6 of P.L.1992, c.161 (C.17B:27A-7), every carrier may offer, in connection with the health benefits plans required to be offered by this section, any number of riders which may add benefits or increase the actuarial value of any of the plans. Any such rider or amendment thereof shall be filed with the board for informational purposes before the rider may be sold. The added premium for each rider shall be listed separately from the premium for the standard plan.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner’s determination shall be in writing and shall be appealable.

12. Section 2 of P.L.2001, c.368 (C.17B:27A-4.5) is amended to read as follows:

b. A carrier shall offer the benefits on an indemnity basis, with the option that: (1) coverage is restricted to health care providers in the carrier’s network, including an exclusive provider organization, or the carrier’s preferred provider organization; or (2) coverage is provided through health care providers in the carrier’s network or preferred provider organization with an out-of-network option with 30% coinsurance in addition to whatever other coinsurance may be applicable under the policy.

With respect to all policies or contracts issued pursuant to this section, the premium rate charged by a carrier to the highest rated individual or class of individuals shall not be greater than 350% of the premium rate charged for the lowest rated individual or class of individuals purchasing this health benefits plan, provided, however, that the only factors upon which the rate differential may be based are age, gender, and geography. Rates applicable to policies or contracts issued pursuant to this section shall reflect past and prospective loss experience for benefits included in such policies or contracts, and shall be formulated in a manner that does not result in an unfair subsidization of rates applicable to policies issued pursuant to the provisions of P.L.1992, c.161 (C.17B:27A-2 et seq.) as the result of differences in levels of benefits offered.

d. Carriers may offer enhanced or additional benefits for an additional premium amount in the form of a rider or riders, each of which shall be comprised of a combination of enhanced or additional benefits, in a manner which will avoid adverse selection to the extent possible.

e. The provisions of P.L.1992, c.161 (C.17B:27A-2 et al.) shall apply to this section to the extent that they are not contrary to the provisions of this section, including but not limited to, provisions relating to preexisting conditions, guaranteed issue, and calculation of loss ratio.

f. No later than one year following enactment of this act, every carrier shall make an informational filing with the commissioner, which shall include the policy form, the premiums to be charged for the coverage, and the anticipated loss ratio. A carrier's network of providers shall be subject to review and approval or disapproval by the Commissioner of Banking and Insurance, in consultation with the Commissioner of Health and Senior Services, pursuant to regulations promulgated by the Department of Banking and Insurance, including review and approval or disapproval before plans with benefits provided through a carrier's network of providers pursuant to this section may be offered by the carrier. Policies or contracts written on this basis shall be rated in a separate rating pool for the purposes of establishing a premium, but for the purpose of determining a carrier's losses, these policies or contracts shall be aggregated with the losses on the carrier's other business written pursuant to the provisions of P.L.1992, c.161 (C.17B:27A-2 et al.).

14. Section 5 of P.L.1992, c.161 (C.17B:27A-6) is amended to read as follows:

a. The health benefits plan shall guarantee coverage for an eligible person and his dependents on a modified community rated basis.

b. A health benefits plan shall be renewable with respect to an eligible person and his dependents at the option of the policy or contract holder. A carrier may terminate a health benefits plan under the following circumstances:

(1) the policy or contract holder has failed to pay premiums in accordance with the terms of the policy or contract or the carrier has not received timely premium payments;
(2) the policy or contract holder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.

c. A carrier may not renew a health benefits plan only under the following circumstances:

(1) termination of eligibility of the policy or contract holder if the person is no longer a resident or becomes eligible for a group health benefits plan, group health plan, governmental plan or church plan;

(2) cancellation or amendment by the board of the specific individual health benefits plan;

(3) approval by the commissioner of a request by the individual carrier to not renew a particular type of health benefits plan, in accordance with rules adopted by the commissioner. After receiving approval by the commissioner, a carrier may not renew a type of health benefits plan only if the carrier: (a) provides notice to each covered individual provided coverage of this type of the nonrenewal at least 90 days prior to the date of the nonrenewal of the coverage; (b) offers to each individual provided coverage of this type the option to purchase any other individual health benefits plan currently being offered by the carrier; and (c) in exercising the option to not renew coverage of this type and in offering coverage as required under (b) above, the carrier acts uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for coverage;

(4) approval by the commissioner of a request by the individual carrier to cease doing business in the individual health benefits market. A carrier may not renew all individual health benefits plans only if the carrier: (a) first receives approval from the commissioner; and (b) provides notice to each individual of the nonrenewal at least 180 days prior to the date of the expiration of such coverage. A carrier ceasing to do business in the individual health benefits market may not provide for the issuance of any health benefits plan in the individual or small employer markets during the five-year period beginning on the date of the termination of the last health benefits plan not so renewed; and

(5) in the case of a health benefits plan made available by a health maintenance organization carrier, the carrier shall not be required to renew coverage to an eligible individual who no longer resides, lives, or works in the service area, or in an area for which the carrier is authorized to do business, but only if coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals.

15. Section 6 of P.L.1992, c.161 (C.17B:27A-7) is amended to read as follows:
6. The commissioner shall provide the board with an informational filing of the policy and contract forms and benefit levels it approves.

   a. The individual health benefits plans established by the board may include cost containment measures such as, but not limited to: utilization review of health care services, including review of medical necessity of hospital and physician services; case management benefit alternatives; selective contracting with hospitals, physicians, and other health care providers; and reasonable benefit differentials applicable to participating and non-participating providers; and other managed care provisions.

   b. An individual health benefits plan offered pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) shall contain a limitation of no more than 12 months on coverage for preexisting conditions. An individual health benefits plan offered pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) shall not contain a preexisting condition limitation of any period under the following circumstances:

      (1) to an individual who has, under creditable coverage, with no intervening lapse in coverage of more than 31 days, been treated or diagnosed by a physician for a condition under that plan or satisfied a 12-month pre-existing condition limitation; or

      (2) to a federally defined eligible individual who applies for an individual health benefits plan within 63 days of termination of the prior coverage.

   c. In addition to the standard individual health benefits plans provided for in section 3 of P.L.1992, c.161 (C.17B:27A-4), the board may develop up to five rider packages. Premium rates for the rider packages shall be determined in accordance with section 8 of P.L.1992, c.161 (C.17B:27A-9).

   d. After the board's establishment of the individual health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4), and notwithstanding any law to the contrary, a carrier shall file the policy or contract forms with the commissioner and certify to the commissioner that the
health benefits plans to be used by the carrier are in substantial compliance with the provisions in the corresponding approved plans. The certification shall be signed by the chief executive officer of the carrier. Upon receipt by the commissioner of the certification, the certified plans may be used until the commissioner, after notice and hearing, disapproves their continued use.

(2) All childhood immunizations as recommended by the Advisory Committee on Immunization Practices of the United States Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

(3) Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset hearing loss, pursuant to P.L.2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection; however, with respect to a health benefits plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), a deductible shall not be applied for any benefits provided pursuant to this subsection that rep-
resent preventive care as permitted by that federal law, and shall not be ap­
plied as provided pursuant to section 14 of P.L.2005, c.248 (C.17B:27A-
7.11). This subsection shall apply to all individual health benefits plans in
which the carrier has reserved the right to change the premium.

f. Effective immediately for a health benefits plan issued on or after
the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the
first 12-month anniversary date of a health benefits plan in effect on the
effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits
plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) that
provide benefits for expenses incurred in the purchase of prescription drugs
shall provide benefits for expenses incurred in the purchase of specialized
non-standard infant formulas, when the covered infant's physician has di­
agnosed the infant as having multiple food protein intolerance and has de­
termined such formula to be medically necessary, and when the covered
infant has not been responsive to trials of standard non-cow milk-based
formulas, including soybean and goat milk. The coverage may be subject
to utilization review, including periodic review, of the continued medical
necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other pre­
scribed items under the health benefits plan.

This subsection shall apply to all individual health benefits plans in
which the carrier has reserved the right to change the premium.

g. Effective immediately for an individual health benefits plan issued
on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and
effective on the first 12-month anniversary date of an individual health bene­

al.), the health benefits plans required pursuant to section 3 of P.L.1992,
c.161 (C.17B:27A-4) that qualify as high deductible health plans for which
qualified medical expenses are paid using a health savings account estab­

(26 U.S.C. s.223), including any plan offered by a federally qualified health
maintenance organization, shall contain benefits for expenses incurred in
connection with any medically necessary benefits provided in-network
which represent preventive care as permitted by that federal law.

The benefits provided pursuant to this subsection shall be provided to the
same extent as for any other medical condition under the health benefits plan,
except that a deductible shall not be applied for benefits provided pursuant to
this subsection. This subsection shall apply to all individual health benefits
plans in which the carrier has reserved the right to change the premium.
16. Section 8 of P.L.1992, c.161 (C.17B:27A-9) is amended to read as follows:

C.17B:27A-9 Determination of rates.
   b. The board shall make application on behalf of all carriers for any other subsidies, discounts, or funds that may be provided for under State or federal law or regulation. A carrier may include subsidies or funds granted to the board to reduce its premium rates for individual health benefits plans subject to this act.
   c. A carrier shall not issue individual health benefits plans on a new contract or policy form pursuant to this act until an informational filing of a full schedule of rates which applies to the contract or policy form has been filed with the commissioner. The commissioner shall provide a copy of the informational filing to the Attorney General and the board.
   d. A carrier desiring to increase or decrease premiums for any contract or policy form may implement that increase or decrease upon making an informational filing with the commissioner of that increase or decrease, along with the actuarial assumptions and methods used by the carrier in establishing that increase or decrease. The commissioner may disapprove any informational filing on a finding that it is incomplete and not in substantial compliance with P.L.1992, c.161 (C.17B:27A-2 et al.), or that the rates are inadequate or unfairly discriminatory.
   e. (1) Rates shall be formulated on contracts or policies required pursuant to section 3 of this act so that the anticipated minimum loss ratio for a contract or policy form shall not be less than 80% of the premium. The carrier shall submit with its rate filing supporting data, as determined by the commissioner, and a certification by a member of the American Academy of Actuaries, or other individuals in a format acceptable to the commissioner, that the carrier is in compliance with the provisions of this subsection.
      (2) Each calendar year, a carrier shall return, in the form of aggregate benefits for all of the policy or contract forms offered by the carrier pursuant to subsection a. of section 3 of P.L.1992, c.161 (C.17B:27A-4), at least 80% of the aggregate premiums collected for all of the policy or contract forms during that calendar year. Carriers shall annually report, no later than August 1 of each year, the loss ratio calculated pursuant to this section for all of the policy or contract forms for the previous calendar year. In each case in which the loss ratio fails to comply with the 80% loss ratio requirement, the carrier shall issue a dividend or credit against future premiums for all policy or contract holders, as applicable, in an amount sufficient to assure that the
aggregate benefits paid in the previous calendar year plus the amount of the dividends and credits equal 80% of the aggregate premiums collected for the policy or contract forms in the previous calendar year. All dividends and credits shall be distributed by December 31 of the year following the calendar year in which the loss ratio requirements were not satisfied. The annual report required by this subsection shall include a carrier's calculation of the dividends and credits applicable to all policy or contract forms, as well as an explanation of the carrier's plan to issue dividends or credits. The instructions and format for calculating and reporting loss ratios and issuing dividends or credits shall be specified by the commissioner by regulation. Those regulations shall include provisions for the distribution of a dividend or credit in the event of cancellation or termination by a policyholder.

17. Section 10 of P.L.1992, c.161 (C.17B:27A-11) is amended to read as follows:

C.17B:27A-11 Powers, authority of program, board.

10. The program shall have the general powers and authority granted under the laws of New Jersey to insurance companies, health service corporations and health maintenance organizations licensed or approved to transact business in this State, except that the program shall not have the power to issue health benefits plans directly to either groups or individuals.

The board shall have the specific authority to:

a. assess members their proportionate share of program losses and administrative expenses in accordance with the provisions of section 11 of this act, and make advance interim assessments, as may be reasonable and necessary for organizational and reasonable operating expenses and estimated losses. An interim assessment shall be credited as an offset against any regular assessment due following the close of the fiscal year;

b. establish rules, conditions, and procedures pertaining to the sharing of program losses and administrative expenses among the members of the program;

d. define the provisions of individual health benefits plans in accordance with the requirements of this act;

e. enter into contracts which are necessary or proper to carry out the provisions and purposes of this act;

f. establish a procedure for the joint distribution of information on individual health benefits plans issued pursuant to section 3 of this act;
g. establish, at the board's discretion, standards for the application of a means test for individual health benefits plans issued pursuant to section 3 of this act;

h. establish, at the board's discretion, reasonable guidelines for the purchase of new individual health benefits plans by persons who already are enrolled in or insured by another individual health benefits plan;

i. establish minimum requirements for performance standards for carriers that are reimbursed for losses submitted to the program and provide for performance audits from time to time;

j. sue or be sued, including taking any legal actions necessary or proper for recovery of an assessment for, on behalf of, or against the program or a member;

k. appoint from among its members appropriate legal, actuarial, and other committees as necessary to provide technical and other assistance in the operation of the program, in policy and other contract design, and any other function within the authority of the program;

l. borrow money to effect the purposes of the program. Any notes or other evidence of indebtedness of the program not in default shall be legal investments for carriers and may be carried as admitted assets; and

m. contract for an independent actuary and any other professional services the board deems necessary to carry out its duties under P.L.1992, c.161 (C.17B:27A-2 et al.).

18. Section 11 of P.L.1992, c.161 (C.17B:27A-12) is amended to read as follows:

C.17B:27A-12 Procedures for equitable sharing of program losses.

11. The board shall establish procedures for the equitable sharing of program losses among all members in accordance with their total market share as follows:

a. (1) By March 1, 1999, and following the close of each two-year calculation period thereafter, or on a different date established by the board:

(a) every carrier issuing health benefits plans in this State shall file with the board its net earned premium for the preceding two-year calculation period; and

(b) every carrier issuing individual health benefits plans in the State shall file with the board the net earned premium on health benefits plans issued pursuant to paragraph (1) of subsection b. of section 2 and section 3 of this act and the claims paid. If the claims paid for all health benefits plans during the two-year calculation period exceed 115% of the net earned
premium and any investment income thereon for the two-year calculation period, the amount of the excess shall be the net paid loss for the carrier that shall be reimbursable under this act.

(2) Every member shall be liable for an assessment to reimburse carriers issuing individual health benefits plans in this State which sustain net paid losses during the two-year calculation period, unless the member has received an exemption from the board pursuant to subsection d. of this section and has written a minimum number of non-group person life years as provided for in that subsection. The assessment of each member shall be in the proportion that the net earned premium of the member for the two-year calculation period preceding the assessment bears to the net earned premium of all members for the two-year calculation period preceding the assessment. Notwithstanding the provisions of this subsection to the contrary, a medical service corporation or a hospital service corporation shall not be liable for an assessment to reimburse carriers which sustain net paid losses.

(3) A member that is financially impaired may seek from the commissioner a deferment in whole or in part from any assessment issued by the board. The commissioner may defer, in whole or in part, the assessment of the member if, in the opinion of the commissioner, the payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. If an assessment against a member is deferred in whole or in part, the amount by which the assessment is deferred may be assessed against the other members in a manner consistent with the basis for assessment set forth in this section. The member receiving the deferment shall remain liable to the program for the amount deferred.

b. The participation in the program as a member, the establishment of rates, forms or procedures, or any other joint or collective action required by this act shall not be the basis of any legal action, criminal or civil liability, or penalty against the program, a member of the board or a member of the program either jointly or separately except as otherwise provided in this act.

c. Payment of an assessment made under this section shall be a condition of issuing health benefits plans in the State for a carrier. Failure to pay the assessment shall be grounds for forfeiture of a carrier's authorization to issue health benefits plans of any kind in the State, as well as any other penalties permitted by law.

d. (1) Notwithstanding the provisions of this act to the contrary, a carrier may apply to the board, by a date established by the board, for an exemption from the assessment and reimbursement for losses provided for in this section. A carrier which applies for an exemption shall agree to cover a minimum number of non-group person life years on an open enrollment
community rated basis, under a managed care or indemnity plan, as specified in this subsection, provided that any indemnity plan so issued conforms with sections 2 through 7, inclusive, of P.L.1992, c.161 (C.17B:27A-3 through 17B:27A-8). For the purposes of this subsection, non-group persons include individually enrolled persons, conversion policies issued pursuant to this act, Medicare cost and risk lives and Medicaid recipients; except that in determining whether the carrier meets the minimum number of non-group person life years required to be covered pursuant to this subsection, the number of Medicaid recipients and Medicare cost and risk lives shall not exceed 50% of the total. Pursuant to regulations adopted by the board, the carrier shall determine the number of non-group person life years it has covered by adding the number of non-group persons covered on the last day of each calendar quarter of the two-year calculation period, taking into account the limitations on counting Medicaid recipients and Medicare cost and risk lives, and dividing the total by eight.

(2) Notwithstanding the provisions of paragraph (1) of this subsection to the contrary, a health maintenance organization qualified pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.) and tax exempt pursuant to paragraph (3) of subsection (c) of section 501 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.501, may include up to one third Medicaid recipients and up to one third Medicare recipients in determining whether it meets its minimum number of non-group person life years.

(3) The minimum number of non-group person life years required to be covered, as determined by the board, shall equal the total number of non-group person life years of community rated, individually enrolled or insured persons, including Medicare cost and risk lives and enrolled Medicaid lives, of all carriers subject to this act for the two-year calculation period, multiplied by the proportion that that carrier's net earned premium bears to the net earned premium of all carriers for that two-year calculation period, including those carriers that are exempt from the assessment.

(4) On or before March 1 of the first year of each two-year calculation period, every carrier seeking an exemption pursuant to this subsection shall file with the board a statement of its net earned premium for the two-year calculation period. The board shall determine each carrier's minimum number of non-group person life years in accordance with this subsection.

(5) On or before March 1 of each year immediately following the close of a two-year calculation period, every carrier that was granted an exemption for the preceding two-year calculation period shall file with the board
the number of non-group person life years, by category, covered for the
two-year calculation period.

To the extent that the carrier has failed to cover the minimum number
of non-group person life years established by the board, the carrier shall be
assessed by the board on a pro rata basis for any differential between the
minimum number established by the board and the actual number covered
by the carrier.

(6) A carrier that applies for the exemption shall be deemed to be in
compliance with the requirements of this subsection if it has covered 100%
of the minimum number of non-group person life years required.

(7) Any carrier that writes both managed care and indemnity business
that is granted an exemption pursuant to this subsection may satisfy its ob-
ligation to cover a minimum number of non-group person life years by is-
suing either managed care or indemnity business, or both.

e. (Deleted by amendment, P.L.1997, c.146).

f. The loss assessment for the 2007-2008 two-year calculation period
shall be the last loss assessment authorized under this section, and no fur-
ther loss assessments shall be calculated or collected; provided, however,
that nothing in this subsection shall relieve a carrier of its obligations for
loss assessments authorized under this section prior to the effective date of
this section of P.L.2008, c.38.

19. Section 5 of P.L.1995, c.196 (C.17B:27A-16.5) is amended to read
as follows:

C.17B:27A-16.5 Hospital, medical insurance policy renewals; filing of rates.

5. A domestic mutual insurer which has converted from a health ser-
vice corporation pursuant to the provisions of sections 2 through 4 of
P.L.1995, c.196 (C.17:48E-46 through C.17:48E-48) shall not renew indi-
vidual hospital or medical insurance policies or health service contracts
originally issued prior to November 30, 1992, until it has made an informa-
tional filing with the commissioner. The rates shall be formulated so that
the anticipated minimum loss ratio for such policy or contract form shall
not be less than 80% of the premium. Such domestic mutual insurer shall
submit with its rate filing supporting data and a certification that the insurer
is in compliance with the anticipated loss ratio requirement. The content
and form of the supporting data and certification required pursuant to sub-
section e. of section 8 of P.L.1992, c.161 (C.17B:27A-9) shall satisfy the
requirements of this section. Any other insurer may irrevocably elect to
become subject to the provisions of this section by written notice to the commissioner in a format specified by the commissioner.

20. Section 1 of P.L.1992, c.162 (C.17B:27A-17) is amended to read as follows:

   "Anticipated loss ratio" means the ratio of the present value of the expected benefits, not including dividends, to the present value of the expected premiums, not reduced by dividends, over the entire period for which rates are computed to provide coverage. For purposes of this ratio, the present values must incorporate realistic rates of interest which are determined before federal taxes but after investment expenses.

   "Board" means the board of directors of the program.

   "Carrier" means any entity subject to the insurance laws and regulations of this State, or subject to the jurisdiction of the commissioner, that contracts or offers to contract to provide, deliver, arrange for, pay for, or reimburse any of the costs of health care services, including an insurance company authorized to issue health insurance, a health maintenance organization, a hospital service corporation, medical service corporation and health service corporation, or any other entity providing a plan of health insurance, health benefits or health services. The term "carrier" shall not include a joint insurance fund established pursuant to State law. For purposes of this act, carriers that are affiliated companies shall be treated as one carrier, except that any insurance company, health service corporation, hospital service corporation, or medical service corporation that is an affiliate of a health maintenance organization located in New Jersey or any health maintenance organization located in New Jersey that is affiliated with an insurance company, health service corporation, hospital service corporation, or medical service corporation shall treat the health maintenance organization as a separate carrier.

"Eligible employee" means a full-time employee who works a normal work week of 25 or more hours. The term includes a sole proprietor, a partner of a partnership, or an independent contractor, if the sole proprietor,

"Enrollment date" means, with respect to a person covered under a health benefits plan, the date of enrollment of the person in the health benefits plan or, if earlier, the first day of the waiting period for such enrollment.

"Financially impaired" means a carrier which, after the effective date of this act, is not insolvent, but is deemed by the commissioner to be potentially unable to fulfill its contractual obligations or a carrier which is placed under an order of rehabilitation or conservation by a court of competent jurisdiction.

or vision benefits; benefits for long-term care, nursing home care, home health care, community-based care, or any combination thereof; and such other similar, limited benefits as are specified in federal regulations. Health benefits plan shall not include hospital confinement indemnity coverage if the benefits are provided under a separate policy, certificate or contract of insurance, there is no coordination between the provision of the benefits and any exclusion of benefits under any group health benefits plan maintained by the same plan sponsor, and those benefits are paid with respect to an event without regard to whether benefits are provided with respect to such an event under any group health plan maintained by the same plan sponsor. An eligible employee or dependent shall not be considered a late enrollee if the individual: a. was covered under another employer's health benefits plan at the time he was eligible to enroll and stated at the time of the initial enrollment that coverage under that other employer's health benefits plan was the reason for declining enrollment, but only if the plan sponsor or carrier required such a statement at that time and provided the employee with notice of that requirement and the consequences of that requirement at that time; b. has lost coverage under that other employer's health benefits plan as a result of termination of employment or eligibility, reduction in the number of hours of employment, involuntary termination, the termination of the other plan's coverage, death of a spouse, or divorce or legal separation; and c. requests enrollment within 90 days after termination of coverage provided under another employer's health benefits plan. An eligible employee or dependent also shall not be considered a late enrollee if the individual is employed by an employer
which offers multiple health benefits plans and the individual elects a different plan during an open enrollment period; the individual had coverage under a COBRA continuation provision and the coverage under that provision was exhausted and the employee requests enrollment not later than 30 days after the date of exhaustion of COBRA coverage; or if a court of competent jurisdiction has ordered coverage to be provided for a spouse or minor child under a covered employee's health benefits plan and request for enrollment is made within 30 days after issuance of that court order.

All persons treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of the Internal Revenue Code of 1986 (26 U.S.C.s.414) shall be treated as one employer. Subsequent to the issuance of a health benefits plan to a small employer and for the purpose of determining continued eligibility, the size of a small employer shall be determined annually. Except as otherwise specifically provided, provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) that apply to a small employer shall continue to apply at least until the plan anniversary following the date the small employer no longer meets the requirements of this definition. In the case of an employer that was not in existence during the preceding calendar year, the determination of whether the employer is a small or large employer shall be based on the average number of employees that it is reasonably expected that the employer will employ on business days in the current calendar year. 21. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to read as follows:

C.17B:27A-19 Health benefits plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer at least three of the health benefit plans established by the board, as provided in this section, and also offer and make a good faith effort to market individual health benefits plans as provided in section 3 of P.L.1992, c.161 (C.17B:27A-4). The board shall establish a standard policy form for each of the plans, which except as otherwise provided in subsection j. of this section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:
   (1) Basic inpatient and outpatient hospital care;
   (2) Basic and extended medical-surgical benefits;
   (3) Diagnostic tests, including X-rays;
   (4) Maternity benefits, including prenatal and postnatal care; and
   (5) Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees' small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available
to all small employers on a continuing basis. Every small employer which elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).

e. (Deleted by amendment, P.L.2008, c.38).

f. Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.s.300e et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the plans required pursuant to this section.

Notwithstanding the provisions of this section to the contrary, a health maintenance organization which is approved pursuant to P.L.1973, c.337 (C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formulated by the board and approved by the commissioner which are in accordance with the provisions of that law in lieu of the plans required pursuant to this section, except that the plans shall provide the same level of benefits as required for a federally qualified health maintenance organization, including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance organization or otherwise affiliate with a health maintenance organization in order to comply with the provisions of this section, but the carrier shall be required to offer at least three of the health benefits plans which are formulated by the board and approved by the commissioner, including one plan which contains benefits and cost sharing levels that are equivalent to those required for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may modify the benefits provided for in sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3).
i. (1) In addition to the rider packages provided for in subsection d. of this section, every carrier may offer, in connection with the health benefits plans required to be offered by this section, any number of riders which may revise the coverage offered by the plans in any way, provided, however, that any form of such rider or amendment thereof which decreases benefits or decreases the actuarial value of a plan shall be filed for informational purposes with the board and for approval by the commissioner before such rider may be sold. Any rider or amendment thereof which adds benefits or increases the actuarial value of a plan shall be filed with the board for informational purposes before such rider may be sold. The added premium or reduction in premium for each rider, as applicable, shall be listed separately from the premium for the standard plan.

The commissioner shall disapprove any rider filed pursuant to this subsection that is unjust, unfair, inequitable, unreasonably discriminatory, misleading, contrary to law or the public policy of this State. The commissioner shall not approve any rider which reduces benefits below those required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3) and required to be sold pursuant to this section. The commissioner's determination shall be in writing and shall be appealable.

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued by or through a carrier, association, or multiple employer arrangement prior to January 1, 1994 or, if the requirements of subparagraph (c) of paragraph (6) of this subsection are met, issued by or through an out-of-State trust prior to January 1, 1994, at the option of a small employer policy or contract holder, may be renewed or continued after February 28, 1994, or in the case of such a health benefits plan whose anniversary date occurred between March 1, 1994 and the effective date of P.L.1994, c.1! (C.17B:27A-19.1 et al.), may be reinstated within 60 days of that anniversary date and renewed or continued if, beginning on the first 12-month anniversary date occurring on or after the sixtyeth day after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) and, regardless of the situs of delivery of the health benefits plan, the health benefits plan renewed, continued or reinstated pursuant to this subsection complies with the provisions of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-
Nothing in this subsection shall be construed to require an association, multiple employer arrangement or out-of-State trust to provide health benefits coverage to small employers that are not contemplated by the organizational documents, bylaws, or other regulations governing the purpose and operation of the association, multiple employer arrangement or out-of-State trust. Notwithstanding the foregoing provision to the contrary, an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members' employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;

(b) shall not use actual or expected health status in determining its membership; and

(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.

(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall monitor compliance of any such plan with the requirements of this subsection, except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48A-9.2, 17:48A-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992, c.162 (C.17B:27A-18 and 17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph, shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer
groups that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(9) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et al.) to the contrary, any individual, who is eligible for small employer coverage under a policy issued, renewed, continued or reinstated pursuant to this subsection, but who would be subject to a preexisting condition exclusion under the small employer health benefits plan, or who is a member of a small employer group who has been denied coverage under the small employer group health benefits plan for health reasons, may elect to purchase or continue coverage under an individual health benefits plan until such time as the group health benefits plan covering the small employer group of which the individual is a member complies with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the effective date of P.L.1995, c.340, the new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

(12) In a case in which a small employer purchased a health benefits plan directly from a carrier on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L.1995, c.340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan's issuing carrier pursuant to the provisions of this paragraph,
shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

k. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to this section, including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

(1) Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

(2) All childhood immunizations as recommended by the Advisory Committee on Immunization Practices of the United States Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L.1995, c.316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

(3) Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset hearing loss, pursuant to P.L.2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection; however, with respect to a small employer health benefits plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), a deductible shall not be applied for any benefits that represent preventive care as permitted by that federal law, and shall not be applied as provided pursuant to section 16 of P.L.2005, c.248 (C.17B:27A-19.14). This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.
CHAPTER 38, LAWS OF 2008

I. The board shall consider including benefits for speech-language pathology and audiology services, as rendered by speech-language pathologists and audiologists within the scope of their practices, in at least one of the standard policies and in at least one of the five riders to be developed under this section.

m. The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

n. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a small employer health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to this section that qualify as high deductible health plans for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in connection with any medically necessary benefits provided in-network that represent preventive care as permitted by that federal law.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that no deductible shall be applied for benefits provided pursuant to this subsection. This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.
22. Section 5 of P.L.2001, c.368 (C.17B:27A-19.11) is amended to read as follows:

C.17B:27A-19.11 Carrier offering plans pursuant to C.17B:27A-17 et seq. may offer additional plan with certain limited benefits.

5. In addition to the standard health benefits plans offered by a carrier on the effective date of this act, a carrier that writes small employer health benefits plans pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.) may also offer one or more of the plans through the carrier's network of providers, with no reimbursement for any out-of-network benefits other than emergency care, urgent care, and continuity of care. A carrier's network of providers shall be subject to review and approval or disapproval by the Commissioner of Banking and Insurance, in consultation with the Commissioner of Health and Senior Services, pursuant to regulations promulgated by the Department of Banking and Insurance, including review and approval or disapproval before plans with benefits provided through a carrier's network of providers pursuant to this section may be offered by the carrier. Policies or contracts written on this basis shall be rated in a separate rating pool for the purposes of establishing a premium, but for the purpose of determining a carrier's losses, these policies or contracts shall be aggregated with the losses on the carrier's other business written pursuant to the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

23. Section 7 of P.L.1992, c.162 (C.17B:27A-23) is amended to read as follows:

C.17B:27A-23 Policies, contracts renewable; exceptions.

7. Every policy or contract issued to small employers in this State pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.) shall be renewable with respect to all eligible employees or dependents at the option of the policy or contract holder, or small employer except that a carrier may discontinue or not renew a health benefits plan in accordance with the provisions of this section:

a. A carrier may discontinue such coverage only if:

(1) The policyholder, contract holder, or employer has failed to pay premiums or contributions in accordance with the terms of the health benefits plan or the carrier has not received timely premium payments; or

(2) The policyholder, contract holder, or employer has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage;

b. (Deleted by amendment, P.L.1997, c.146).
c. The number of employees covered under the health benefits plan is less than the number or percentage of employees required by participation requirements under the health benefits policy or contract;

d. Noncompliance with a carrier's employment contribution requirements;

e. Any carrier doing business pursuant to the provisions of this act ceases doing business in the small employer market, if the following conditions are satisfied:

(1) The carrier gives notice to cease doing business in the small employer market to the commissioner not later than eight months prior to the date of the planned withdrawal from the small employer market, during which time the carrier shall continue to be governed by this act with respect to business written pursuant to this act. For the purposes of this subsection, "date of withdrawal" means the date upon which the first notice to small employers is sent by the carrier pursuant to paragraph (2) of this subsection;

(2) No later than two months following the date of the notification to the commissioner that the carrier intends to cease doing business in the small employer market, the carrier shall mail a notice to every small business employer insured by the carrier, and all covered persons, that the policy or contract of insurance will not be renewed. This notice shall be sent by certified mail to the small business employer not less than six months in advance of the effective date of the nonrenewal date of the policy or contract;

(3) Any carrier that ceases to do business pursuant to this act shall be prohibited from writing new business in the small employer and individual health benefits plan markets for a period of five years from the date of termination of the last health insurance coverage not so renewed;

f. In the case of policies or contracts issued in connection with membership in an association or trust of employers, an employer ceases to maintain its membership in the association or trust, but only if such coverage is terminated under this provision uniformly without regard to any health status-related factor relating to any covered individual;

g. (Deleted by amendment, P.L.1995, c.50).

h. A decision by the small employer carrier to cease offering and not renew a particular type of group health benefits plan in the small employer market, if the board discontinues a standard health benefits plan or as permitted or required pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19), and pursuant to regulations adopted by the commissioner;

i. In the case of a health maintenance organization plan issued to a small employer:
(1) an eligible person who no longer resides, lives, or works in the carrier's approved service area, but only if coverage is terminated under this paragraph uniformly without regard to any health status-related factor of covered individuals; or

(2) a small employer that no longer has any enrollee in connection with such plan who lives, resides, or works in the service area of the carrier and the carrier would deny enrollment with respect to such plan pursuant to subsection a. of section 10 of P.L.1992, c.162 (C.17B:27A-26).

24. Section 9 of P.L.1992, c.162 (C.17B:27A-25) is amended to read as follows:

C.17B:27A-25 Premium rates; other plan requirements.
(2) (Deleted by amendment, P.L.1997, c.146).
(3) (a) For all policies or contracts providing health benefits plans for small employers issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19), and including policies or contracts offered by a carrier to a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.) the premium rate charged by a carrier to the highest rated small group purchasing a small employer health benefits plan issued pursuant to section 3 of P.L.1992, c.162 (C.17B:27A-19) shall not be greater than 200% of the premium rate charged for the lowest rated small group purchasing that same health benefits plan; provided, however, that the only factors upon which the rate differential may be based are age, gender and geography. Such factors shall be applied in a manner consistent with regulations adopted by the commissioner. For the purposes of this paragraph (3), policies or contracts offered by a carrier to a small employer who is a member of a Small Employer Purchasing Alliance shall be rated separately from the carrier's other small employer health benefits policies or contracts.
(b) A health benefits plan issued pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall be rated in accordance with the provisions of section 7 of P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the requirements of this paragraph.
(4) (Deleted by amendment, P.L.1994, c.11).
(5) Any policy or contract issued after January 1, 1994 to a small employer who was not previously covered by a health benefits plan issued by the issuing small employer carrier, shall be subject to the same premium
rate restrictions as provided in paragraph (3) of this subsection, which rate restrictions shall be effective on the date the policy or contract is issued.

(6) The board shall establish, pursuant to section 17 of P.L.1993, c.162 (C.17B:27A-51):

(a) up to six geographic territories, none of which is smaller than a county; and

(b) age classifications which, at a minimum, shall be in five-year increments.

d. Notwithstanding any other provision of law to the contrary, this act shall apply to a carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers.

A carrier which provides a health benefits plan to one or more small employers through a policy issued to an association or trust of employers after the effective date of P.L.1992, c.162 (C.17B:27A-17 et seq.), shall be required to offer small employer health benefits plans to non-association or trust employers in the same manner as any other small employer carrier is required pursuant to P.L.1992, c.162 (C.17B:27A-17 et seq.).

e. Nothing contained herein shall prohibit the use of premium rate structures to establish different premium rates for individuals and family units.

f. No insurance contract or policy subject to this act, including a contract or policy entered into with a small employer who is a member of a Small Employer Purchasing Alliance pursuant to the provisions of P.L.2001, c.225 (C.17B:27A-25.1 et al.), may be entered into unless and until the carrier has made an informational filing with the commissioner of a schedule of premiums, not to exceed 12 months in duration, to be paid pursuant to such contract or policy, of the carrier's rating plan and classification system in connection with such contract or policy, and of the actuarial assumptions and methods used by the carrier in establishing premium rates for such contract or policy.

g. (1) Beginning January 1, 1995, a carrier desiring to increase or decrease premiums for any policy form or benefit rider offered pursuant to subsection i. of section 3 of P.L.1992, c.162 (C.17B:27A-19) subject to this act may implement such increase or decrease upon making an informational filing with the commissioner of such increase or decrease, along with the actuarial assumptions and methods used by the carrier in establishing such increase or decrease, provided that the anticipated minimum loss ratio for
all policy forms shall not be less than 80% of the premium therefor as provided in paragraph (2) of this subsection. The commissioner may disapprove any informational filing on a finding that it is incomplete and not in substantial compliance with P.L.1992, c.162 (C.17B:27A-17 et seq.), or that the rates are inadequate or unfairly discriminatory. Until December 31, 1996, the informational filing shall also include the carrier's rating plan and classification system in connection with such increase or decrease.

(2) Each calendar year, a carrier shall return, in the form of aggregate benefits for all of the standard policy forms offered by the carrier pursuant to subsection a. of section 3 of P.L.1992, c.162 (C.17B:27A-19), at least 80% of the aggregate premiums collected for all of the standard policy forms, other than alliance policy forms, and at least 80% of the aggregate premiums collected for all of the non-standard policy forms during that calendar year. A carrier shall return at least 80% of the premiums collected for all of the alliances during that calendar year, which loss ratio may be calculated in the aggregate for all of the alliances or separately for each alliance. Carriers shall annually report, no later than August 1st of each year, the loss ratio calculated pursuant to this section for all of the standard, other than alliance policy forms, non-standard policy forms and alliance policy forms for the previous calendar year, provided that a carrier may annually report the loss ratio calculated pursuant to this section for all of the alliances in the aggregate or separately for each alliance. In each case where the loss ratio fails to substantially comply with the 80% loss ratio requirement, the carrier shall issue a dividend or credit against future premiums for all policyholders with the standard, other than alliance policy forms, non-standard policy forms or alliance policy forms, as applicable, in an amount sufficient to assure that the aggregate benefits paid in the previous calendar year plus the amount of the dividends and credits shall equal 80% of the aggregate premiums collected for the respective policy forms in the previous calendar year. All dividends and credits must be distributed by December 31 of the year following the calendar year in which the loss ratio requirements were not satisfied. The annual report required by this paragraph shall include a carrier's calculation of the dividends and credits applicable to standard, other than alliance policy forms, non-standard policy forms and alliance policy forms, as well as an explanation of the carrier's plan to issue dividends or credits. The instructions and format for calculating and reporting loss ratios and issuing dividends or credits shall be specified by the commissioner by regulation. Such regulations shall include provisions for the distribution of a dividend or credit in the event of cancellation or termination by a policyholder. For purposes of this paragraph, "alliance policy
forms" means policies purchased by small employers who are members of Small Employer Purchasing Alliances.

(3) The loss ratio of a health benefits plan issued pursuant to subsection j. of section 3 of P.L.1992, c.162 (C.17B:27A-19) shall be calculated in accordance with the provisions of section 7 of P.L.1995, c.340 (C.17B:27A-19.3), for the purposes of meeting the requirements of this subsection.

h. (Deleted by amendment, P.L.1993, c.162).

i. The provisions of this act shall apply to health benefits plans which are delivered, issued for delivery, renewed or continued on or after January 1, 1994.

k. A carrier who negotiates a reduced premium rate with a Small Employer Purchasing Alliance for members of that alliance shall provide a reduction in the premium rate filed in accordance with paragraph (3) of subsection a. of this section, expressed as a percentage, which reduction shall be based on volume or other efficiencies or economies of scale and shall not be based on health status-related factors.

C.17:22A-41.1 Notification by insurance producer to purchaser of compensation received by producer.

25. a. An insurance producer licensed pursuant to P.L.2001, c.210 (C.17:22A-26 et al.) who sells, solicits, or negotiates health insurance policies or contracts to residents of this State shall notify the purchaser of the insurance, in writing, of the amount of any commission, service fee, brokerage, or other valuable consideration that the producer will receive as a result of the sale, solicitation or negotiation of the health insurance policy or contract. If the commission, fee, brokerage, or other valuable consideration is based on a percentage of premium, the insurance producer shall include that information in the notification to the purchaser.

b. The commissioner may specify, by regulation, the information that shall be provided by an insurance producer in the notification to a purchaser of health insurance and the procedure for providing the notification.

C.30:4J-18 Enhanced outreach, enrollment initiative for certain programs.

26. The Commissioner of Human Services shall establish an enhanced NJ FamilyCare outreach and enrollment initiative to increase public awareness about the availability of, and benefits to enrolling in, Medicaid, NJ FamilyCare, and the NJ FamilyCare Advantage buy-in programs.

The initiative shall include culturally sensitive, Statewide and local media public awareness campaigns addressing the availability of health
care coverage for parents and children under the Medicaid and NJ FamilyCare programs and health care coverage for children under the NJ FamilyCare Advantage buy-in program.

The initiative shall also include the provision of training and support services, upon request, to community groups, legislative district offices, and community-based health care providers to enable these parties to assist in enrolling parents and children in the applicable programs.

27. The Commissioner of Human Services shall establish an Outreach, Enrollment, and Retention Working Group to develop a plan to carry out ongoing and sustainable measures to strengthen outreach to low and moderate income families who may be eligible for Medicaid, NJ FamilyCare, or NJ FamilyCare Advantage, to maximize enrollment in these programs, and to ensure retention of enrollees in these programs.

a. The members of the working group shall include:

(1) The Commissioners of Human Services, Health and Senior Services, Banking and Insurance, Labor and Workforce Development, Education, and Community Affairs, the Secretary of Agriculture, and the Child Advocate, or their designees, who shall serve ex officio; and

(2) Six public members appointed by the Commissioner of Human Services who shall include: one person who represents racial and ethnic minorities in this State; one person who represents managed care organizations that participate in the Medicaid and NJ FamilyCare programs; one person who represents the vendor under contract with the Division of Medical Assistance and Health Services to provide NJ FamilyCare eligibility, enrollment, and health benefit coordinator services to the division; one person who represents New Jersey Policy Perspective; one person who represents the Association for Children of New Jersey; and one person who represents Legal Services of New Jersey.

b. As part of the plan, the working group shall:

e. (1) The covered person's plan may require payment of a premium by the covered person or dependent, as appropriate, subject to the approval of the Commissioner of Banking and Insurance, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection c. of this section. The premium shall not exceed 102% of the applicable portion of the premium previously paid for that dependent's coverage under the plan prior to the termination of coverage at the specific age provided in the plan.

(2) The applicable portion of the premium previously paid for the dependent's coverage under the plan shall be determined pursuant to regulations promulgated by the Commissioner of Banking and Insurance, based
upon the difference between the plan's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commissioner which provides a substantially similar result.

(3) Payments of the premium may, at the election of the payor, be made in monthly installments.

f. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(1) the date upon which the dependent is disqualified for dependent status as set forth in subsection a. of this section;

(2) the date upon which coverage ceases under the plan by reason of a failure to make a timely payment of any premium required under the plan by the covered person or dependent for coverage provided pursuant to this section. The payment of any premium shall be considered to be timely if made within 30 days after the due date or within a longer period as may be provided for by the plan; or

(3) the date upon which the plan, under which coverage is provided to a dependent, ceases to provide coverage to the covered person.

Nothing herein shall be construed to permit a carrier to refuse a written election for coverage by a dependent pursuant to subsection c. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection, other than a disqualification based on age or lack of evidence of prior, creditable coverage or receipt of benefits.

g. Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to a covered person by the carrier:

(1) in the certificate of coverage or other equivalent document prepared for covered persons and delivered on or about the date of commencement of the covered persons' coverage; and

(2) (Deleted by amendment, P.L.2008, c.38)

(3) in a notice delivered to covered persons on a quarterly basis.

h. This section shall apply to those plans in which the carrier has reserved the right to change the premium.

34. Section 6 of P.L.2005, c.375 (C.26:21-10.3) is amended to read as follows:

C.26:2J-10.3 Coverage for certain dependents until age 31 by health maintenance organization.

(5) (a) is not actually provided coverage as a named subscriber, insured, enrollee, or covered person under any other group or individual health benefits plan, group health plan, church plan or health benefits plan, or entitled to benefits under Title XVIII of the Social Security Act, Pub.L.74-271 (42 U.S.C. s.1395 et seq.) at the time dependent coverage pursuant to this section begins or will begin; and
(b) there is evidence of prior, creditable coverage or receipt of benefits under a benefits plan or by law as set forth in subparagraph (a) of this paragraph.

b. (1) A health maintenance organization contract that provides coverage for an enrollee's dependent under which coverage of the dependent terminates at a specific age before the dependent's 30th birthday, and is delivered, issued, executed or renewed in this State pursuant to P.L.1973, c.337 (C.26:21-1 et seq.) on or after the effective date of this section of P.L.2008, c.38, shall, upon the application of the dependent as set forth in subsection c. of this section, provide coverage to the dependent after that specific age, until the dependent's 31st birthday.
(2) Nothing herein shall be construed to require:
(a) coverage for services provided to a dependent before the effective date of this section of P.L.2008, c.38; or
(b) that an employer or other group contract holder pay all or part of the cost of coverage for a dependent as provided pursuant to this section.
c. (1) A dependent covered by an enrollee's contract, which coverage under the contract terminates at a specific age on or before the dependent's 30th birthday, may make a written election for coverage as a dependent pursuant to this section, until the dependent's 30th birthday:
(a) within 30 days prior to the termination of coverage at the specific age provided in the contract;
(b) within 30 days after meeting the requirements for dependent status as set forth in subsection a. of this section, when coverage for the dependent under the contract previously terminated; or
(c) during an open enrollment period, as provided pursuant to the contract, if the dependent meets the requirements for dependent status as set forth in subsection a. of this section during the open enrollment period.
(2) (Deleted by amendment, P.L.2008, c.38)
d. (1) Coverage for a dependent who makes a written election for coverage pursuant to subsection c. of this section shall consist of coverage which is identical to the coverage provided to that dependent prior to the termination of coverage at the specific age provided in the contract. If coverage is modified under the contract for any similarly situated dependents for coverage prior to the termination of coverage at the specific age provided in the contract, the coverage shall also be modified in the same manner for the dependent.

(2) Coverage for a dependent who makes a written election for coverage pursuant to subsection c. of this section shall not be conditioned upon, or discriminate on the basis of, lack of evidence of insurability.

e. (1) The enrollee's contract may require payment under the schedule of charges by the enrollee or dependent, as appropriate, subject to the approval of the Commissioner of Banking and Insurance, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection c. of this section. The payment shall not exceed 102% of the applicable portion of the schedule of charges previously paid for that dependent's coverage under the contract prior to the termination of coverage at the specific age provided in the contract.

(2) The applicable portion of the schedule of charges previously paid for the dependent's coverage under the contract shall be determined pursuant to regulations promulgated by the Commissioner of Banking and Insurance, based upon the difference between the contract's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commissioner which provides a substantially similar result.

(3) Payments under the schedule of charges may, at the election of the payor, be made in monthly installments.

f. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(1) the date upon which the dependent is disqualified for dependent status as set forth in subsection a. of this section;

(2) the date upon which coverage ceases under the contract by reason of a failure to make a timely payment under any schedule of charges required under the contract by the enrollee or dependent for coverage provided pursuant to this section. The payment under any schedule of charges shall be considered to be timely if made within 30 days after the due date or within a longer period as may be provided for by the contract; or

(3) the date upon which the contract, under which coverage is provided to a dependent, ceases to provide coverage to the enrollee.
Nothing herein shall be construed to permit a health maintenance organization to refuse a written election for coverage by a dependent pursuant to subsection c. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection, other than a disqualification based on age or lack of evidence of prior, creditable coverage or receipt of benefits.

(g) Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to an enrollee by the health maintenance organization:

(1) in the certificate of coverage or other equivalent document prepared for enrollees and delivered on or about the date of commencement of the enrollees' coverage; and

(2) in a notice delivered to enrollees on a quarterly basis.

(h) This section shall apply to those contracts in which the health maintenance organization has reserved the right to change the schedule of charges.

35. Section 7 of P.L.2005, c.375 (C.52:14-17.29k) is amended to read as follows:

C.52:14-17.29k Coverage for certain dependents until age 31 by insurers covered by SHBP.

(5) (a) is not actually provided coverage as a named subscriber, insured, enrollee, or covered person under any other group or individual health benefits plan, group health plan, church plan or health benefits plan, or entitled to benefits under Title XVIII of the Social Security Act, Pub.L.74-271 (42 U.S.C. s.1395 et seq.) at the time dependent coverage pursuant to this section begins or will begin; and

(b) there is evidence of prior, creditable coverage or receipt of benefits under a benefits plan or by law as set forth in subparagraph (a) of this paragraph.

b. The State Health Benefits Commission shall ensure that every contract purchased or renewed by the commission on or after the effective date of P.L.2005, c.375 (C.17:48-6.19 et al.), prohibits the termination of cover-
age of a dependent before the dependent's 23rd birthday by reason of age, and complies with the provisions of this section of P.L.2008, c.38 concerning the coverage of a dependent by written election, as set forth in subsection d. of this section, until the dependent's 31st birthday.

c. Nothing within this section shall be construed to: (1) prevent any contract purchased or renewed by the commission from providing coverage for a dependent which terminates at a specific age after the dependent child's 23rd birthday; or (2) require coverage for services provided to a dependent before the effective date of this section of P.L.2008, c.38.

d. A dependent covered by a covered person's contract, which coverage under the contract terminates at a specific age on or before the dependent's 30th birthday, may make a written election for coverage as a dependent pursuant to this section, until the dependent's 30th birthday:

(a) within 30 days prior to the termination of coverage at the specific age provided in the contract;
(b) within 30 days after meeting the requirements for dependent status as set forth in subsection a. of this section, when coverage for the dependent under the contract previously terminated; or
(c) during an open enrollment period, as provided pursuant to the contract, if the dependent meets the requirements for dependent status as set forth in subsection a. of this section.

e. (1) Coverage for a dependent who makes a written election for coverage pursuant to subsection d. of this section shall consist of coverage which is identical to the coverage provided to that dependent prior to the termination of coverage at the specific age provided in the contract. If coverage is modified under the contract for any similarly situated dependents for coverage prior to the termination of coverage at the specific age provided in the contract, the coverage shall also be modified in the same manner for the dependent.

(2) Coverage for a dependent who makes a written election for coverage pursuant to subsection d. of this section shall not be conditioned upon, or discriminate on the basis of, lack of evidence of insurability.

f. (1) The covered person's contract may require payment of a premium by the covered person or dependent, as appropriate, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection d. of this section. The premium shall not exceed 102% of the applicable portion of the premium previously paid for that dependent's coverage under the contract prior to the termination of coverage at the specific age provided in the contract.

(2) The applicable portion of the premium previously paid for the dependent's coverage under the contract shall be determined by the commis-
sion, based upon the difference between the contract's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commission which provides a substantially similar result.

(3) Payments of the premium may, at the election of the payor, be made in monthly installments.

g. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(1) the date upon which the dependent is disqualified for dependent status as set forth in subsection a. of this section;

(2) the date upon which coverage ceases under the contract by reason of a failure to make a timely payment of any premium required under the contract by the covered person or dependent for coverage provided pursuant to this section. The payment of any premium shall be considered to be timely if made within 30 days after the due date or within a longer period as may be provided for by the contract; or

(3) the date upon which the contract, under which coverage is provided to a dependent, ceases to provide coverage to the covered person.

Nothing herein shall be construed to permit the commission to refuse a written election for coverage by a dependent pursuant to subsection d. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection, other than a disqualification based on age or lack of evidence of prior, creditable coverage or receipt of benefits.

h. Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to a covered person by the commission:

(1) in the certificate of coverage or other equivalent document prepared for covered persons and delivered on or about the date of commencement of the covered persons' coverage; and

(2) in a notice delivered to covered persons on a quarterly basis.

C.17B:27A-2.1 Regulations.

36. The Commissioner of Banking and Insurance shall, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), adopt regulations necessary to implement sections 9 through 25 and sections 29 through 34 of this act.

C.17B:27A-2.2 Effective date.

37. Sections 1 through 8, 26 through 28, 36 and this section of this act shall take effect immediately and sections 9 through 25 and 29 through 35 of this act shall take effect on the 180th day after enactment, except that the 80%
minimum loss ratio requirements in sections 16, 19, and 24 of this act shall take effect on January 1 next following the date of enactment. Sections 9 through 25 and 29 through 35 shall apply to all contracts and policies that are delivered, issued, executed or renewed or approved for issuance or renewal in this State on or after the effective date provided herein, but the Commissioner of Banking and Insurance may take such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

CHAPTER 39

AN ACT concerning State support for school facilities projects and amending and supplementing P.L.2000, c. 72.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.2000, c. 72 (C.18A:7G-1) is amended to read as follows:

C.18A:7G-1 Short title.

2. Section 5 of P.L.2000, c. 72 (C.18A:7G-5) is amended to read as follows:

C.18A:7G-5 Undertaking and financing of school facilities in certain districts.
5. a. The development authority shall undertake and the financing authority shall finance the school facilities projects of SDA districts.
   b. In the case of a district other than an SDA district, State support for the project shall be determined pursuant to section 9 or section 15 of P.L.2000, c.72 (C.18A:7G-9 or C.18A:7G-15), as applicable.
   c. Notwithstanding any provision of N.J.S.18A:18A-16 to the contrary, the procedures for obtaining approval of a school facilities project
shall be as set forth in this act; provided that any district whose school facilities project is not constructed by the development authority shall also be required to comply with the provisions of N.J.S.18A:18A-16.

d. (1) Any district seeking to initiate a school facilities project shall apply to the commissioner for approval of the project. The application may include, but not be limited to: a description of the school facilities project; a schematic drawing of the project or, at the option of the district, preliminary plans and specifications; a delineation and description of each of the functional components of the project; educational specifications detailing the programmatic needs of each proposed space; the number of unhoused students to be housed in the project; the area allowances per FTE student as calculated pursuant to section 8 of P.L.2000, c.72 (C.18A:7G-8); and the estimated cost to complete the project as determined by the district.

(2) In the case of an SDA district school facilities project, based upon its educational priority ranking and the Statewide strategic plan established pursuant to subsection m. of this section, the commissioner may authorize the development authority to undertake preconstruction activities which may include, but need not be limited to, site identification, investigation, and acquisition, feasibility studies, land-related design work, design work, site remediation, demolition, and acquisition of temporary facilities. Upon receipt of the authorization, the development authority may initiate the preconstruction activities required to prepare the application for commissioner approval of the school facilities project.

e. The commissioner shall review each proposed school facilities project to determine whether it is consistent with the district's long-range facilities plan and whether it complies with the facilities efficiency standards and the area allowances per FTE student derived from those standards; and in the case of an SDA district the commissioner shall also review the project's educational priority ranking and the Statewide strategic plan developed pursuant to paragraphs (2) and (3) of subsection m. of this section; and in the case of a district other than an SDA district the commissioner shall also review the project's priority pursuant to paragraph (4) of subsection m. of this section. The commissioner shall make a decision on a district's application within 90 days from the date he determines that the application is fully and accurately completed and that all information necessary for a decision has been filed by the district, or from the date of the last revision made by the district. If the commissioner is not able to make a decision within 90 days, he shall notify the district in writing explaining the reason for the delay and indicating the date on which a decision on the project will be made, provided that the date shall not be later than 60 days from
the expiration of the original 90 days set forth in this subsection. If the decision is not made by the subsequent date indicated by the commissioner, then the project shall be deemed approved and the preliminary eligible costs for new construction shall be calculated by using the proposed square footage of the building as the approved area for unhoused students.

f. If the commissioner determines that the school facilities project complies with the facilities efficiency standards and the district's long-range facilities plan and does not exceed the area allowance per FTE student derived from those standards, the commissioner shall calculate the preliminary eligible costs of the project pursuant to the formulas set forth in section 7 of P.L.2000, c.72 (C.18A:7G-7); except that (1) in the case of a county special services school district or a county vocational school district, the commissioner shall calculate the preliminary eligible costs to equal the amount determined by the board of school estimate and approved by the board of chosen freeholders pursuant to section 14 of P.L.1971, c.271 (C.18A:46-42) or N.J.S.18A:54-31 as appropriate, and (2) in the case of an SDA district, the commissioner shall calculate the preliminary eligible costs to equal the estimated cost as determined by the development authority.

g. If the commissioner determines that the school facilities project is inconsistent with the facilities efficiency standards or exceeds the area allowances per FTE student derived from those standards, the commissioner shall notify the district.

(1) The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the board of education or State district superintendent, as appropriate, demonstrates that school facilities needs related to required programs cannot be addressed within the facilities efficiency standards and that all other proposed spaces are consistent with those standards. The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the additional area allowances are necessary to accommodate centralized facilities to be shared among two or more school buildings within the district and the centralized facilities represent a more cost effective alternative.

(2) The commissioner may waive a facilities efficiency standard if the board of education or State district superintendent, as appropriate, demonstrates to the commissioner's satisfaction that the waiver will not adversely affect the educational adequacy of the school facility, including the ability to deliver the programs and services necessary to enable all students to achieve the core curriculum content standards.
(3) To house the district's central administration, a district may request an adjustment to the approved areas for unhoused students of 2.17 square feet for each FTE student in the projected total district school enrollment if the proposed administrative offices will be housed in a school facility and the district demonstrates either that the existing central administrative offices are obsolete or that it is more practical to convert those offices to instructional space. To the extent that existing administrative space will continue to be used for administrative purposes, the space shall be included in the formulas set forth in section 7 of P.L.2000, c.72 (C.18A:7G-7).

If the commissioner approves excess facilities efficiency standards or additional area allowances pursuant to paragraph (1), (2), or (3) of this subsection, the commissioner shall calculate the preliminary eligible costs based upon the additional area allowances or excess facilities efficiency standards pursuant to the formulas set forth in section 7 of P.L.2000, c.72 (C.18A:7G-7). In the event that the commissioner does not approve the excess facilities efficiency standards or additional area allowances, the district may either: modify its submission so that the school facilities project meets the facilities efficiency standards; or pay for the excess costs.

(4) The commissioner shall approve spaces in excess of, or inconsistent with, the facilities efficiency standards, hereinafter referred to as nonconforming spaces, upon a determination by the district that the spaces are necessary to comply with State or federal law concerning individuals with disabilities, including that the spaces are necessary to provide in-district programs and services for current disabled pupils who are being served in out-of-district placements or in-district programs and services for the projected disabled pupil population. A district may apply for additional State aid for nonconforming spaces that will permit pupils with disabilities to be educated to the greatest extent possible in the same buildings or classes with their nondisabled peers. The nonconforming spaces may: (a) allow for the return of pupils with disabilities from private facilities; (b) permit the retention of pupils with disabilities who would otherwise be placed in private facilities; (c) provide space for regional programs in a host school building that houses both disabled and nondisabled pupils; and (d) provide space for the coordination of regional programs by a county special services school district, educational services commission, jointure commission, or other agency authorized by law to provide regional educational services in a school building that houses both disabled and nondisabled pupils. A district's State support ratio shall be adjusted to equal the lesser of the sum of its district aid percentage as defined in section 3 of P.L.2000, c.72.
CHAPTER 39, LAWS OF 2008

(C.18A:7G-3) plus 0.25, or 100% for any nonconforming spaces approved by the commissioner pursuant to this paragraph.

h. Upon approval of a school facilities project and determination of the preliminary eligible costs:

(1) In the case of a district other than an SDA district, the commissioner shall notify the district whether the school facilities project is approved and, if so approved, the preliminary eligible costs and the excess costs, if any. Following the determination of preliminary eligible costs and the notification of project approval, the district may appeal to the commissioner for an increase in those costs if the detailed plans and specifications completed by a design professional for the school facilities project indicate that the cost of constructing that portion of the project which is consistent with the facilities efficiency standards and does not exceed the area allowances per FTE student exceeds the preliminary eligible costs as determined by the commissioner for the project by 10% or more. The district shall file its appeal within 30 days of the preparation of the plans and specifications. If the district chooses not to file an appeal, then the final eligible costs shall equal the preliminary eligible costs.

The appeal shall outline the reasons why the preliminary eligible costs calculated for the project are inadequate and estimate the amount of the adjustment which needs to be made to the preliminary eligible costs. The commissioner shall forward the appeal information to the development authority for its review and recommendation. If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner that the preliminary eligible costs be accepted as the final eligible costs. If the development authority determines the additional costs are not within the control of the district or are the result of design factors required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner a final eligible cost based on its experience for districts with similar characteristics, provided that, notwithstanding anything to the contrary, the commissioner shall not approve an adjustment to the preliminary eligible costs which exceeds 10% of the preliminary eligible costs. The commissioner shall make a determination on the appeal within 30 days of its receipt. If the commissioner does not approve an adjustment to the school facilities project's preliminary eligible costs, the commissioner shall issue his findings in writing on the reasons for the denial and on why the preliminary eligible costs as originally calculated are sufficient.
(2) In the case of an SDA district, the commissioner shall promptly prepare and submit to the development authority a preliminary project report which shall consist, at a minimum, of the following information: a complete description of the school facilities project; the actual location of the project; the total square footage of the project together with a breakdown of total square footage by functional component; the preliminary eligible costs of the project; the project's priority ranking determined pursuant to subsection m. of this section; any other factors to be considered by the development authority in undertaking the project; and the name and address of the person from the district to contact in regard to the project.

i. Upon receipt by the development authority of the preliminary project report, the development authority, upon consultation with the district, shall prepare detailed plans and specifications and schedules which contain the development authority's estimated cost and schedule to complete the school facilities project. The development authority shall transmit to the commissioner its recommendations in regard to the project which shall, at a minimum, contain the detailed plans and specifications; whether the school facilities project can be completed within the preliminary eligible costs; and any other factors which the development authority determines should be considered by the commissioner.

(1) In the event that the development authority determines that the school facilities project can be completed within the preliminary eligible costs: the final eligible costs shall be deemed to equal the preliminary eligible costs; the commissioner shall be deemed to have given final approval to the project; and the preliminary project report shall be deemed to be the final project report delivered to the development authority pursuant to subsection j. of this section.

(2) In the event that the development authority determines that the school facilities project cannot be completed within the preliminary eligible costs, prior to the submission of its recommendations to the commissioner, the development authority shall, in consultation with the district and the commissioner, determine whether changes can be made in the project which will result in a reduction in costs while at the same time meeting the facilities efficiency standards approved by the commissioner.

(a) If the development authority determines that changes in the school facilities project are possible so that the project can be accomplished within the scope of the preliminary eligible costs while still meeting the facilities efficiency standards, the development authority shall so advise the commissioner, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs; give final approval to the project
with the changes noted; and issue a final project report to the development authority pursuant to subsection j. of this section.

(b) If the development authority determines that it is not possible to make changes in the school facilities project so that it can be completed within the preliminary eligible costs either because the additional costs are the result of factors outside the control of the district or the additional costs are required to meet the facilities efficiency standards, the development authority shall recommend to the commissioner that the preliminary eligible costs be increased accordingly, whereupon the commissioner shall: calculate the final eligible costs to equal the sum of the preliminary eligible costs plus the increase recommended by the development authority; give final approval to the project; and issue a final project report to the development authority pursuant to subsection j. of this section.

(c) If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards or approved pursuant to paragraph (1) of subsection g. of this section, the development authority shall recommend to the commissioner that the preliminary eligible costs be accepted, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs and specify the excess costs which are to be borne by the district; give final approval to the school facilities project; and issue a final project report to the development authority pursuant to subsection j. of this section; provided that the commissioner may approve final eligible costs which are in excess of the preliminary eligible costs if, in his judgment, the action is necessary to meet the educational needs of the district.

(d) For a school facilities project undertaken by the development authority, the development authority shall be responsible for any costs of construction, but only from the proceeds of bonds issued by the financing authority pursuant to P.L.2000, c.72 (C.18A:7G-1 et al.) and P.L.2007, c.137 (C.52:18A-235 et al.), which exceed the amount originally projected by the development authority and approved for financing by the development authority, provided that the excess is the result of an underestimate of labor or materials costs by the development authority. After receipt by the development authority of the final project report, the district shall be responsible only for the costs associated with changes, if any, made at the request of the district to the scope of the school facilities project.

j. The development authority shall not commence the construction of a school facilities project unless the commissioner transmits to the development authority a final project report and the district complies with the
approval requirements for the local share, if any, pursuant to section 11 of P.L.2000, c.72 (C.18A:7G-11). The final project report shall contain all of the information contained in the preliminary project report and, in addition, shall contain: the final eligible costs; the excess costs, if any; the total costs which equals the final eligible costs plus excess costs, if any; the State share; and the local share.

k. For the SDA districts, the State share shall be 100% of the final eligible costs. For all other districts, the State share shall be an amount equal to the district aid percentage; except that the State share shall not be less than 40% of the final eligible costs.

If any district which is included in district factor group A or B, other than an SDA district, is having difficulty financing the local share of a school facilities project, the district may apply to the commissioner to receive 100% State support for the project and the commissioner may request the approval of the Legislature to increase the State share of the project to 100%.

l. The local share for school facilities projects constructed by the authority or a redevelopment entity shall equal the final eligible costs plus any excess costs less the State share.

m. (1) Within 90 days of the effective date of P.L.2007, c.137 (C.52:18A-235 et al.), the commissioner shall develop an educational facilities needs assessment for each SDA district. The assessment shall be updated periodically by the commissioner in accordance with the schedule the commissioner deems appropriate for the district; except that each assessment shall at a minimum be updated within five years of the development of the district's most recent prior educational facilities needs assessment. The assessment shall be transmitted to the development authority to be used to initiate the planning activities required prior to the establishment of the educational priority ranking of school facilities projects pursuant to paragraph (2) of this subsection.

(2) Following the approval of an SDA district's long-range facilities plan or of an amendment to that plan, but prior to authorization of preconstruction activities for a school facilities project included in the plan or amendment, the commissioner shall establish, in consultation with the SDA district, an educational priority ranking of all school facilities projects in the SDA district based upon the commissioner's determination of critical need in accordance with priority project categories developed by the commissioner. The priority project categories shall include, but not be limited to, health and safety, overcrowding in the early childhood, elementary, middle, and high school grade levels, spaces necessary to provide in-district programs and services for current disabled students who are being served in out-of-district
placements or in-district programs and services for the projected disabled student population, rehabilitation, and educational adequacy.

(3) Upon the commissioner's determination of the educational priority ranking of school facilities projects in SDA districts pursuant to paragraph (2) of this subsection, the development authority, in consultation with the commissioner, the SDA districts, and the governing bodies of the municipalities in which the SDA districts are situate, shall establish a Statewide strategic plan to be used in the sequencing of SDA district school facilities projects based upon the projects' educational priority rankings and issues which impact the development authority's ability to complete the projects including, but not limited to, the construction schedule and other appropriate factors. The development authority shall revise the Statewide strategic plan and the sequencing of SDA district school facilities projects in accordance with that plan no less than once every five years.

Any amendment to an SDA district's long-range facilities plan that is submitted to the commissioner in the period between the five-year updates of the long-range facilities plan shall be considered by the development authority, in consultation with the commissioner, for incorporation into the Statewide strategic plan. n. The provisions of the "Public School Contracts Law," N.J.S.18A:18A-1 et seq., shall be applicable to any school facilities project constructed by a district but shall not be applicable to projects constructed by the development authority or a redevelopment entity pursuant to the provisions of this act.

o. In the case of a school facilities project of a district other than an SDA district, any proceeds of school bonds issued by the district for the
purpose of funding the project which remain unspent upon completion of
the project shall be used by the district to reduce the outstanding principal
amount of the school bonds.

p. Upon completion by the development authority of a school facili-
ties project, if the cost of construction and completion of the project is less
than the total costs, the district shall be entitled to receive a portion of the
local share based on a pro rata share of the difference based on the ratio of
the State share to the local share.

q. The development authority shall determine the cause of any costs
of construction which exceed the amount originally projected by the develop-

The financing authority may establish reserve funds to further secure bonds and refunding bonds issued pursuant to this section and may issue bonds to pay for the administrative, insurance and operating costs of the financing authority and the development authority in carrying out the provisions of this act. In addition to its bonds and refunding bonds, the financing authority shall have the power to issue subordinated indebtedness, which shall be subordinate in lien to the lien of any or all of its bonds or refunding bonds as the financing authority may determine.

b. The costs may include, but shall not be limited to, any costs relating to the issuance of the bonds or refunding bonds, administrative costs of the financing authority attributable to the making and administering of loans and grants to fund school facilities projects, and costs attributable to the agreements entered into pursuant to subsection d. of this section.

c. Each issue of bonds or refunding bonds of the financing authority shall be special obligations of the financing authority payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds or refunding bonds, and may be secured by other sources of revenue, including, but not limited to, one or more of the following:

(1) Pledge of the revenues and other receipts to be derived from the payment of local unit obligations and any other payment made to the financing authority pursuant to agreements with any local unit, or a pledge or assignment of any local unit obligations, and the rights and interest of the financing authority therein;

In addition, the financing authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or other funds, including, without limitation, grants from the federal government for school facilities projects, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the financing authority or appropriations, grants, reimbursements or other funds or revenues of the financing authority.

e. The financing authority is authorized to engage, subject to the approval of the State Treasurer and in such manner as the State Treasurer shall determine, the services of financial advisors and experts, placement agents, underwriters, appraisers, and other advisors, consultants and agents as may be necessary to effectuate the financing of school facilities projects.

f. Bonds and refunding bonds issued by the financing authority pursuant to this section shall be special and limited obligations of the financing authority payable from, and secured by, funds and moneys determined by the financing authority in accordance with this section. Notwithstanding any other provision of law or agreement to the contrary, any bonds and refunding bonds issued by the financing authority pursuant to this section shall not be secured by the same property as bonds and refunding bonds issued by the financing authority to finance projects other than school facilities projects. Neither the members of the financing authority nor any other person executing the bonds or refunding bonds shall be personally
liable with respect to payment of interest and principal on these bonds or refunding bonds. Bonds or refunding bonds issued pursuant to this section shall not be a debt or liability of the State or any agency or instrumentality thereof, except as otherwise provided by this subsection, either legal, moral or otherwise, and nothing contained in this act shall be construed to authorize the financing authority to incur any indebtedness on behalf of or in any way to obligate the State or any political subdivision thereof, and all bonds and refunding bonds issued by the financing authority shall contain a statement to that effect on their face.

g. The State hereby pledges and covenants with the holders of any bonds or refunding bonds issued pursuant to this act that it will not limit or alter the rights or powers vested in the financing authority by this act, nor limit or alter the rights or powers of the State Treasurer in any manner which would jeopardize the interest of the holders or any trustee of the holders, or inhibit or prevent performance or fulfillment by the financing authority or the State Treasurer with respect to the terms of any agreement made with the holders of the bonds or refunding bonds or agreements made pursuant to subsection d. of this section; except that the failure of the Legislature to appropriate moneys for any purpose of this act shall not be deemed a violation of this section.

h. The financing authority and the development authority may charge to and collect from local units, districts, the State and any other person, any fees and charges in connection with the financing authority’s or development authority’s actions undertaken with respect to school facilities projects, including, but not limited to, fees and charges for the financing authority’s administrative, organization, insurance, operating and other expenses incident to the financing of school facilities projects, and the development authority’s administrative, organization, insurance, operating, planning, design, construction management, acquisition, construction, completion and placing into service and maintenance of school facilities projects. Notwithstanding any provision of this act to the contrary, no SDA district shall be responsible for the payment of any fees and charges related to the development authority’s operating expenses.

i. Upon the issuance by the financing authority of bonds pursuant to this section, other than refunding bonds, the net proceeds of the bonds shall be transferred to the development authority.

5. Section 15 of P.L.2000, c.72 (C.18A:7G-15) is amended to read as follows:

In the case of a district other than an SDA district, for any project approved by the commissioner after the effective date of this act, the district may elect to receive a one-time grant for the State share of the project in accordance with the provisions of subsection b. of this section rather than annual debt service aid under section 9 of P.L.2000, c.72 (C.18A:7G-9). The State share payable to the district shall equal the product of the project's final eligible costs and the district aid percentage or 40%, whichever is greater.

b. The commissioner shall establish a process for the annual allocation of grant funding. Under that process, the commissioner shall annually notify districts of the date on which the commissioner shall begin to receive applications for grant funding. c. The development authority shall provide grant funding for the State's share of the final eligible costs of a school facilities project pursuant to an agreement between the district and the development authority which shall, in addition to other terms and conditions, set forth the terms of disbursement of the State share. The funding of the State share shall not commence until the district secures financing for the local share.

6. Section 17 of P.L.2000, c.72 (C.18A:7G-17) is amended to read as follows:

C.18A:7G-17 Annual payment to financing authority by State.

17. In each fiscal year the State Treasurer shall pay from the General Fund to the financing authority, in accordance with a contract between the State Treasurer and the financing authority as authorized pursuant to section 18 of P.L.2000, c.72 (C.18A:7G-18), an amount equal to the debt service amount due to be paid in the State fiscal year on the bonds or refunding bonds of the financing authority issued or incurred pursuant to section 14 of P.L.2000, c.72 (C.18A:7G-14) and any additional costs authorized pursuant to that section; provided that all such payments from the General Fund shall be subject to and dependent upon appropriations being made from time to time by the Legislature for those purposes, and provided further that all payments shall be used only to pay for the costs of school facilities projects and the costs of financing those projects.
In regard to the increase in the amount of bonds authorized to be issued by the financing authority pursuant to P.L.2008, c.39 for the State share of costs for school facilities projects, debt service on the bonds or refunding bonds issued or incurred by the financing authority pursuant to section 14 of P.L.2000, c.72 (C.18A:7G-14) and any additional costs authorized pursuant to that section shall first be payable from revenues received from the gross income tax pursuant to the "New Jersey Gross Income Tax Act," P.L.1976, c.47 (C.54A:1-1 et seq.), except for debt service and additional costs for the administrative, insurance, operating, and other expenses of the financing authority and the development authority incurred in connection with school facilities projects.

7. Section 54 of P.L.2000, c.72 (C.34:1B-5.9) is amended to read as follows:

C.34:1B-5.9 Bonds deemed fully negotiable.

54. Notwithstanding the provisions of any law to the contrary, any bonds issued pursuant to P.L.2000, c.72 (C.18A:7G-1 et al.) or P.L.2007, c.137 (C.52:18A-235 et al.) or P.L.2008, c.39 (C.18A:7G-14.1 et al.) shall be fully negotiable within the meaning and for all purposes of Title 12A of the New Jersey Statutes, and each holder or owner of such a bond or other obligation, or of any coupon appurtenant thereto, by accepting the bond or coupon shall be conclusively deemed to have agreed that the bond or coupon is and shall be fully negotiable within the meaning and for all purposes of Title 12A.

C.18A:7G-14.1 Priority for projects of certain county vocational school districts.

C.18A:7G-13.1 Audits conducted of certain projects.

9. The development authority, in consultation with the State Comptroller, shall cause an audit to be conducted of a school facilities project financed pursuant to P.L.2000, c.72 (C.18A:7G-1 et al.) which has a State
share that exceeds $10,000,000. This provision shall not be construed to limit the authority of the development authority or the State Comptroller to conduct audits of other school facilities projects as provided by law.

10. The development authority, in consultation with the commissioner and program stakeholders, shall conduct a study on the potential cost savings in the school construction program in SDA and other school districts that could be realized through the use of standardized design elements, components, and construction materials. The study shall include, but not be limited to, consideration of the opportunities to save design time, facilitate construction inspections, and ensure maintenance protocol ease through:
   a. utilization of standard building details including, but not limited to, gymnasia, media centers, and cafeterias;
   b. use of bulk supply agreements with original manufacturers; and
   c. use of consistent preventive maintenance protocols to ensure maximum efficiency and lifespan of building components and systems.

The development authority shall submit the report on or before April 1, 2009 to the Governor, the Joint Budget Oversight Committee, the President of the Senate, the Speaker of the General Assembly, and the commissioner.

The regulations shall thereafter be amended, adopted, or readopted by the State Board of Education in accordance with the provisions of P.L.1968, c.410 (C.52:14B-1 et seq.).

   b. Have the right to wear his own clothing. If clothing is provided to the resident by the nursing home, it shall be of a proper fit.

n. The term “housing project” also may be applied to the planning of the buildings and improvements, the ac-

“Persons of low and moderate income” means persons or families who are, in the case of State assisted projects or programs, so defined by the Council on Affordable Housing in the Department of Community Affairs, or in the case of federally assisted projects or programs, defined as of “low and very low income” by the United States Department of Housing and Urban Development.

“Public body” means the State or any county, municipality, school district, authority or other political subdivision of the State.

“Redevelopment” means clearance, replanning, development and redevelopment; the conservation and rehabilitation of any structure or improvement, the construction and provision for construction of residential, commercial, industrial, public or other structures and the grant or dedication of spaces as may be appropriate or necessary in the interest of the general welfare for streets, parks, playgrounds, or other public purposes, including recreational and other facilities incidental or appurtenant thereto, in accordance with a redevelopment plan.
“Redevelopment agency” means a redevelopment agency created pursuant to subsection a. of section 11 of P.L.1992, c.79 (C.40A:12A-11) or established heretofore pursuant to the “Redevelopment Agencies Law,” P.L.1949, c.306 (C.40:55C-1 et al.), repealed by this act, which has been permitted in accordance with the provisions of this act to continue to exercise its redevelopment functions and powers.

“Redevelopment area” or “area in need of redevelopment” means an area determined to be in need of redevelopment pursuant to sections 5 and 6 of P.L.1992, c.79 (C.40A:12A-5 and 40A:12A-6) or determined heretofore to be a “blighted area” pursuant to P.L.1949, c.187 (C.40:55-21.1 et seq.) repealed by this act, both determinations as made pursuant to the authority of Article VIII, Section III, paragraph 1 of the Constitution. A redevelopment area may include lands, buildings, or improvements which of themselves are not detrimental to the public health, safety or welfare, but the inclusion of which is found necessary, with or without change in their condition, for the effective redevelopment of the area of which they are a part.

“Redevelopment entity” means a municipality or an entity authorized by the governing body of a municipality pursuant to subsection c. of section 4 of P.L.1992, c.79 (C.40A:12A-4) to implement redevelopment plans and carry out redevelopment projects in an area in need of redevelopment, or in an area in need of rehabilitation, or in both.

“Redevelopment plan” means a plan adopted by the governing body of a municipality for the redevelopment or rehabilitation of all or any part of a redevelopment area, or an area in need of rehabilitation, which plan shall be sufficiently complete to indicate its relationship to definite municipal objectives as to appropriate land uses, public transportation and utilities, recreational and municipal facilities, and other public improvements; and to indicate proposed land uses and building requirements in the redevelopment area or area in need of rehabilitation, or both.

“Redevelopment project” means any work or undertaking pursuant to a redevelopment plan; such undertaking may include any buildings, land, including demolition, clearance or removal of buildings from land, equipment, facilities, or other real or personal properties which are necessary, convenient, or desirable appurtenances, such as but not limited to streets, sewers, utilities, parks, site preparation, landscaping, and administrative, community, health, recreational, educational, and welfare facilities.

“Rehabilitation” means an undertaking, by means of extensive repair, reconstruction or renovation of existing structures, with or without the introduction of new construction or the enlargement of existing structures, in any area that has been determined to be in need of rehabilitation or redevelop-
opment, to eliminate substandard structural or housing conditions and arrest the deterioration of that area.

"Rehabilitation area" or "area in need of rehabilitation" means any area determined to be in need of rehabilitation pursuant to section 14 of P.L.1992, c.79 (C.40A:12A-14).

2. Section 7 of P.L.1992, c.79 (C.40A:12A-7) is amended to read as follows:

C.40A:12A-7 Adoption of redevelopment plan.

7. a. No redevelopment project shall be undertaken or carried out except in accordance with a redevelopment plan adopted by ordinance of the municipal governing body, upon its finding that the specifically delineated project area is located in an area in need of redevelopment or in an area in need of rehabilitation, or in both, according to criteria set forth in section 5 or section 14 of P.L.1992, c.79 (C.40A:12A-5 or 40A:12A-14), as appropriate.

The redevelopment plan shall include an outline for the planning, development, redevelopment, or rehabilitation of the project area sufficient to indicate:

(1) Its relationship to definite local objectives as to appropriate land uses, density of population, and improved traffic and public transportation, public utilities, recreational and community facilities and other public improvements.

(2) Proposed land uses and building requirements in the project area.

(3) Adequate provision for the temporary and permanent relocation, as necessary, of residents in the project area, including an estimate of the extent to which decent, safe and sanitary dwelling units affordable to displaced residents will be available to them in the existing local housing market.

(4) An identification of any property within the redevelopment area which is proposed to be acquired in accordance with the redevelopment plan.

(5) Any significant relationship of the redevelopment plan to (a) the master plans of contiguous municipalities, (b) the master plan of the county in which the municipality is located, and (c) the State Development and Redevelopment Plan adopted pursuant to the "State Planning Act," P.L.1985, c.398 (C.52:18A-196 et al.).

(6) As of the date of the adoption of the resolution finding the area to be in need of redevelopment, an inventory of all housing units affordable to low and moderate income households, as defined pursuant to section 4 of
P.L.1985, c.222 (C.52:27D-304), that are to be removed as a result of implementation of the redevelopment plan, whether as a result of subsidies or market conditions, listed by affordability level, number of bedrooms, and tenure.

(7) A plan for the provision, through new construction or substantial rehabilitation of one comparable, affordable replacement housing unit for each affordable housing unit that has been occupied at any time within the last 18 months, that is subject to affordability controls and that is identified as to be removed as a result of implementation of the redevelopment plan. Displaced residents of housing units provided under any State or federal housing subsidy program, or pursuant to the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.), provided they are deemed to be eligible, shall have first priority for those replacement units provided under the plan; provided that any such replacement unit shall not be credited against a prospective municipal obligation under the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.), if the housing unit which is removed had previously been credited toward satisfying the municipal fair share obligation. To the extent reasonably feasible, replacement housing shall be provided within or in close proximity to the redevelopment area. A municipality shall report annually to the Department of Community Affairs on its progress in implementing the plan for provision of comparable, affordable replacement housing required pursuant to this section.

b. A redevelopment plan may include the provision of affordable housing in accordance with the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.) and the housing element of the municipal master plan.

c. The redevelopment plan shall describe its relationship to pertinent municipal development regulations as defined in the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.). The redevelopment plan shall supersede applicable provisions of the development regulations of the municipality or constitute an overlay zoning district within the redevelopment area. When the redevelopment plan supersedes any provision of the development regulations, the ordinance adopting the redevelopment plan shall contain an explicit amendment to the zoning district map included in the zoning ordinance. The zoning district map as amended shall indicate the redevelopment area to which the redevelopment plan applies. Notwithstanding the provisions of the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) or of other law, no notice beyond that required for adoption of ordinances by the municipality shall be required for the hearing on or adoption of the redevelopment plan or subsequent amendments thereof.
d. All provisions of the redevelopment plan shall be either substantially consistent with the municipal master plan or designed to effectuate the master plan; but the municipal governing body may adopt a redevelopment plan which is inconsistent with or not designed to effectuate the master plan by affirmative vote of a majority of its full authorized membership with the reasons for so acting set forth in the redevelopment plan.

e. Prior to the adoption of a redevelopment plan, or revision or amendment thereto, the planning board shall transmit to the governing body, within 45 days after referral, a report containing its recommendation concerning the redevelopment plan. This report shall include an identification of any provisions in the proposed redevelopment plan which are inconsistent with the master plan and recommendations concerning these inconsistencies and any other matters as the board deems appropriate. The governing body, when considering the adoption of a redevelopment plan or revision or amendment thereof, shall review the report of the planning board and may approve or disapprove or change any recommendation by a vote of a majority of its full authorized membership and shall record in its minutes the reasons for not following the recommendations. Failure of the planning board to transmit its report within the required 45 days shall relieve the governing body from the requirements of this subsection with regard to the pertinent proposed redevelopment plan or revision or amendment thereof. Nothing in this subsection shall diminish the applicability of the provisions of subsection d. of this section with respect to any redevelopment plan or revision or amendment thereof.

f. The governing body of a municipality may direct the planning board to prepare a redevelopment plan or an amendment or revision to a redevelopment plan for a designated redevelopment area. After completing the redevelopment plan, the planning board shall transmit the proposed plan to the governing body for its adoption. The governing body, when considering the proposed plan, may amend or revise any portion of the proposed redevelopment plan by an affirmative vote of the majority of its full authorized membership and shall record in its minutes the reasons for each amendment or revision. When a redevelopment plan or amendment to a redevelopment plan is referred to the governing body by the planning board under this subsection, the governing body shall be relieved of the referral requirements of subsection e. of this section.

3. Section 4 of P.L.1968, c.410 (C.52:14B-4) is amended to read as follows:
C.52:14B-4 Adoption, amendment, repeal of rules.

4. (a) Prior to the adoption, amendment, or repeal of any rule, except as may be otherwise provided, the agency shall:

(1) Give at least 30 days' notice of its intended action. The notice shall include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, and the time when, the place where, and the manner in which interested persons may present their views thereon. The notice shall be mailed to all persons who have made timely requests of the agency for advance notice of its rule-making proceedings and in addition to other public notice required by law shall be published in the New Jersey Register. Notice shall also be distributed to the news media maintaining a press office to cover the State House Complex, and made available electronically through the largest nonproprietary cooperative public computer network. Each agency shall additionally publicize the intended action and shall adopt rules to prescribe the manner in which it will do so, and inform those persons most likely to be affected by or interested in the intended action. Methods that may be employed include publication of the notice in newspapers of general circulation or in trade, industry, governmental or professional publications, distribution of press releases to the news media and posting of notices in appropriate locations. The rules shall prescribe the circumstances under which each additional method shall be employed;

(2) Prepare for public distribution at the time the notice appears in the Register a statement setting forth a summary of the proposed rule, a clear and concise explanation of the purpose and effect of the rule, the specific legal authority under which its adoption is authorized, a description of the expected socio-economic impact of the rule, a regulatory flexibility analysis, or the statement of finding that a regulatory flexibility analysis is not required, as provided in section 4 of P.L.1986, c.169 (C.52:14B-19), a jobs impact statement which shall include an assessment of the number of jobs to be generated or lost if the proposed rule takes effect, an agriculture industry impact statement as provided in section 7 of P.L.1998, c.48 (C.4:1C-10.3), and a housing affordability impact statement and a smart growth development impact statement, as provided in section 31 of P.L.2008, c.46 (C.52:14B-4.1b);

(3) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. The agency shall consider fully all written and oral submissions respecting the proposed rule. If within 30 days of the publication of the proposed rule sufficient public interest is demonstrated in an extension of the time for submissions, the agency shall provide an additional 30 day period for the receipt of submissions by inter-
CHAPTER 46, LAWS OF 2008

The agency shall not adopt the proposed rule until after the end of that 30-day extension.

The agency shall conduct a public hearing on the proposed rule at the request of a committee of the Legislature, or a governmental agency or subdivision, or if sufficient public interest is shown, provided such request is made to the agency within 30 days following publication of the proposed rule in the Register. The agency shall provide at least 15 days' notice of such hearing, which shall be conducted in accordance with the provisions of subsection (g) of this section.

The head of each agency shall adopt as part of its rules of practice adopted pursuant to section 3 of P.L.1968, c.410 (C.52:14B-3) definite standards of what constitutes sufficient public interest for conducting a public hearing and for granting an extension pursuant to this paragraph; and

(4) Prepare for public distribution a report listing all parties offering written or oral submissions concerning the rule, summarizing the content of the submissions and providing the agency's response to the data, views and arguments contained in the submissions.

(b) A rule prescribing the organization of an agency may be adopted at any time without prior notice or hearing. Such rules shall be effective upon filing in accordance with section 5 of P.L.1968, c.410 (C.52:14B-5) or upon any later date specified by the agency.

(c) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 30 days' notice and states in writing its reasons for that finding, and the Governor concurs in writing that an imminent peril exists, it may proceed without prior notice or hearing, or upon any abbreviated notice and hearing that it finds practicable, to adopt the rule. The rule shall be effective for a period of not more than 60 days unless each house of the Legislature passes a resolution concurring in its extension for a period of not more than 60 additional days. The rule shall not be effective for more than 120 days unless repromulgated in accordance with normal rule-making procedures.

(d) No rule hereafter adopted is valid unless adopted in substantial compliance with P.L.1968, c.410 (C.52:14B-1 et seq.). A proceeding to contest any rule on the ground of noncompliance with the procedural requirements of P.L.1968, c.410 (C.52:14B-1 et seq.) shall be commenced within one year from the effective date of the rule.

(e) An agency may file a notice of intent with respect to a proposed rule-making proceeding with the Office of Administrative Law, for publication in the New Jersey Register at any time prior to the formal notice of action required in subsection (a) of this section. The notice shall be for the purpose of
eliciting the views of interested parties on an action prior to the filing of a formal rule proposal. An agency may use informal conferences and consultations as means of obtaining the viewpoints and advice of interested persons with respect to contemplated rule-making. An agency may also appoint committees of experts or interested persons or representatives of the general public to advise it with respect to any contemplated rule-making.

(f) An interested person may petition an agency to adopt a new rule, or amend or repeal any existing rule. Each agency shall prescribe by rule the form for the petition and the procedure for the submission, consideration and disposition of the petition. The petition shall state clearly and concisely:

1. The substance or nature of the rule-making which is requested;
2. The reasons for the request and the petitioner's interest in the request;
3. References to the authority of the agency to take the requested action.

The petitioner may provide the text of the proposed new rule, amended rule or repealed rule.

Within 60 days following receipt of any such petition, the agency shall either, (i) deny the petition, giving a written statement of its reasons; (ii) grant the petition and initiate a rule-making proceeding within 90 days of granting the petition; or (iii) refer the matter for further deliberations which shall be concluded within 90 days of referring the matter for further deliberations. Upon conclusion of such further deliberations, the agency shall either deny the petition and provide a written statement of its reasons or grant the petition and initiate a rule-making proceeding within 90 days. Upon the receipt of the petition, the agency shall file a notice stating the name of the petitioner and the nature of the request with the Office of Administrative Law for publication in the New Jersey Register. Notice of formal agency action on such petition shall also be filed with the Office of Administrative Law for publication in the Register.

If an agency fails to act in accordance with the time frame set forth in the preceding paragraph, upon written request by the petitioner, the Director of the Office of Administrative Law shall order a public hearing on the rule-making petition and shall provide the agency with a notice of the director's intent to hold the public hearing if the agency does not. If the agency does not provide notice of a hearing within 15 days of the director's notice, the director shall schedule and provide the public with a notice of that hearing at least 15 days prior thereto. If the public hearing is held by the Office of Administrative Law, it shall be conducted by an administrative law judge, a person on assignment from another agency, a person from the Office of Administrative Law assigned pursuant to subsection o. of section 5 of P.L.1978, c.67 (C.52:14F-5), or an independent contractor assigned by
the director. The petitioner and the agency shall participate in the public hearing and shall present a summary of their positions on the petition, a summary of the factual information on which their positions on the petition are based and shall respond to questions posed by any interested party. The hearing procedure shall otherwise be consistent with the requirements for the conduct of a public hearing as prescribed in subsection (g) of section 4 of P.L.1968, c.410 (C.52:14B-4), except that the person assigned to conduct the hearing shall make a report summarizing the factual record presented and the arguments for and against proceeding with a rule proposal based upon the petition. This report shall be filed with the agency and delivered or mailed to the petitioner. A copy of the report shall be filed with the Legislature along with the petition for rule-making.

(g) All public hearings shall be conducted by a hearing officer, who may be an official of the agency, a member of its staff, a person on assignment from another agency, a person from the Office of Administrative Law assigned pursuant to subsection o. of section 5 of P.L.1978, c.67 (C.52:14F-5) or an independent contractor. The hearing officer shall have the responsibility to make recommendations to the agency regarding the adoption, amendment or repeal of a rule. These recommendations shall be made public. At the beginning of each hearing, or series of hearings, the agency, if it has made a proposal, shall present a summary of the factual information on which its proposal is based, and shall respond to questions posed by any interested party. Hearings shall be conducted at such times and in locations which shall afford interested parties the opportunity to attend. A verbatim record of each hearing shall be maintained, and copies of the record shall be available to the public at no more than the actual cost, which shall be that of the agency where the petition for rule-making originated.

4. Section 2 of P.L.1985, c.222 (C.52:27D-302) is amended to read as follows:

C.52:27D-302 Findings.

2. The Legislature finds that:

a. The New Jersey Supreme Court, through its rulings in South Burlington County NAACP v. Mount Laurel, 67 N.J. 151 (1975) and South Burlington County NAACP v. Mount Laurel, 92 N.J. 158 (1983), has determined that every municipality in a growth area has a constitutional obligation to provide through its land use regulations a realistic opportunity for a fair share of its region's present and prospective needs for housing for low and moderate income families.
b. In the second Mount Laurel ruling, the Supreme Court stated that the determination of the methods for satisfying this constitutional obligation "is better left to the Legislature," that the court has "always preferred legislative to judicial action in their field," and that the judicial role in upholding the Mount Laurel doctrine "could decrease as a result of legislative and executive action."

c. The interest of all citizens, including low and moderate income families in need of affordable housing, and the needs of the workforce, would be best served by a comprehensive planning and implementation response to this constitutional obligation.

d. There are a number of essential ingredients to a comprehensive planning and implementation response, including the establishment of reasonable fair share housing guidelines and standards, the initial determination of fair share by officials at the municipal level and the preparation of a municipal housing element, State review of the local fair share study and housing element, and continuous State funding for low and moderate income housing to replace the federal housing subsidy programs which have been almost completely eliminated.

e. The State can maximize the number of low and moderate income units provided in New Jersey by allowing its municipalities to adopt appropriate phasing schedules for meeting their fair share, so long as the municipalities permit a timely achievement of an appropriate fair share of the regional need for low and moderate income housing as required by the Mt. Laurel I and II opinions and other relevant court decisions.

f. The State can also maximize the number of low and moderate income units by creating new affordable housing and by rehabilitating existing, but substandard, housing in the State. Because the Legislature has determined, pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.), that it is no longer appropriate or in harmony with the Mount Laurel doctrine to permit the transfer of the fair share obligations among municipalities within a housing region, it is necessary and appropriate to create a new program to create new affordable housing and to foster the rehabilitation of existing, but substandard, housing.

g. Since the urban areas are vitally important to the State, construction, conversion and rehabilitation of housing in our urban centers should be encouraged. However, the provision of housing in urban areas must be balanced with the need to provide housing throughout the State for the free mobility of citizens.

h. The Supreme Court of New Jersey in its Mount Laurel decisions demands that municipal land use regulations affirmatively afford a reason-
able opportunity for a variety and choice of housing including low and moderate cost housing, to meet the needs of people desiring to live there. While provision for the actual construction of that housing by municipalities is not required, they are encouraged but not mandated to expend their own resources to help provide low and moderate income housing.

i. Certain amendments to the enabling act of the Council on Affordable Housing are necessary to provide guidance to the council to ensure consistency with the legislative intent, while at the same time clarifying the limitations of the council in its rulemaking. Although the court has remarked in several decisions that the Legislature has granted the council considerable deference in its rulemaking, the Legislature retains its power and obligation to clarify and amend the enabling act from which the council derives its rulemaking power, from time to time, in order to better guide the council.

j. The Legislature finds that the use of regional contribution agreements, which permits municipalities to transfer a certain portion of their fair share housing obligation outside of the municipal borders, should no longer be utilized as a mechanism for the creation of affordable housing by the council.

5. Section 4 of P.L.1985, c.222 (C.52:27D-304) is amended to read as follows:

C.52:27D-304 Definitions.

c. "Low income housing" means housing affordable according to federal Department of Housing and Urban Development or other recognized standards for home ownership and rental costs and occupied or reserved for occupancy by households with a gross household income equal to 50% or less of the median gross household income for households of the same size within the housing region in which the housing is located.

j. "Prospective need" means a projection of housing needs based on development and growth which is reasonably likely to occur in a region or a municipality, as the case may be, as a result of actual determination of public and private entities. k. "Disabled person" means a person with a physical disability, infirmity, malformation or disfigurement which is caused by bodily injury, birth defect, aging or illness including epilepsy and other seizure disorders, and which shall include, but not be limited to, any degree of paralysis, amputation, lack of physical coordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment or physical reliance on a service or guide dog, wheelchair, or other remedial appliance or device.

6. Section 7 of P.L.1985, c.222 (C.52:27D-307) is amended to read as follows:

C.52:27D-307 Duties of council.

7. It shall be the duty of the council, seven months after the confirmation of the last member initially appointed to the council, or January 1, 1986, whichever is earlier, and from time to time thereafter, to:

a. Determine housing regions of the State;

b. Estimate the present and prospective need for low and moderate income housing at the State and regional levels;

c. Adopt criteria and guidelines for:
   (1) Municipal determination of its present and prospective fair share of the housing need in a given region which shall be computed for a 10-year period.

Municipal fair share shall be determined after crediting on a one-to-one basis each current unit of low and moderate income housing of adequate standard, including any such housing constructed or acquired as part of a housing program specifically intended to provide housing for low and moderate income households. Notwithstanding any other law to the contrary, a municipality shall be entitled to a credit for a unit if it demonstrates that (a) the municipality issued a certificate of occupancy for the unit, which was either newly constructed or rehabilitated between April 1, 1980 and December 15, 1986; (b) a construction code official certifies, based upon a visual exterior survey, that the unit is in compliance with pertinent construction code standards with respect to structural elements, roofing, siding, doors and windows; (c) the household occupying the unit certifies in writing, under penalty of perjury, that it receives no greater income than that established pursuant to section 4 of P.L.1985, c.222 (C.52:27D-304) to qualify for moderate income housing; and (d) the unit for which credit is sought is affordable to low and moderate income households under the standards established by the council at the time of filing of the petition for
CHAPTER 46, LAWS OF 2008

substantive certification. It shall be sufficient if the certification required in subparagraph (c) is signed by one member of the household. A certification submitted pursuant to this paragraph shall be reviewable only by the council or its staff and shall not be a public record;

Nothing in P.L.1995, c.81 shall affect the validity of substantive certification granted by the council prior to November 21, 1994, or of a judgment of compliance entered by any court of competent jurisdiction prior to that date. Additionally, any municipality that received substantive certification or a judgment of compliance prior to November 21, 1994 and filed a motion prior to November 21, 1994 to amend substantive certification or a judgment of compliance for the purpose of obtaining credits, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81. Any municipality that filed a motion prior to November 21, 1994 for the purpose of obtaining credits, which motion was supported by the results of a completed survey performed pursuant to council rules, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81;

(2) Municipal adjustment of the present and prospective fair share based upon available vacant and developable land, infrastructure considerations or environmental or historic preservation factors and adjustments shall be made whenever:

(a) The preservation of historically or important architecture and sites and their environs or environmentally sensitive lands may be jeopardized,
(b) The established pattern of development in the community would be drastically altered,
(c) Adequate land for recreational, conservation or agricultural and farmland preservation purposes would not be provided,
(d) Adequate open space would not be provided,
(e) The pattern of development is contrary to the planning designations in the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.),
(f) Vacant and developable land is not available in the municipality, and
(g) Adequate public facilities and infrastructure capacities are not available, or would result in costs prohibitive to the public if provided;

(3) (Deleted by amendment, P.L.1993, c.31).

(d) Provide population and household projections for the State and housing regions;
(e) In its discretion, place a limit, based on a percentage of existing housing stock in a municipality and any other criteria including employ-
ment opportunities which the council deems appropriate, upon the aggregate number of units which may be allocated to a municipality as its fair share of the region's present and prospective need for low and moderate income housing. No municipality shall be required to address a fair share of housing units affordable to households with a gross household income of less than 80% of the median gross household income beyond 1,000 units within ten years from the grant of substantive certification, unless it is demonstrated, following objection by an interested party and an evidentiary hearing, based upon the facts and circumstances of the affected municipality that it is likely that the municipality through its zoning powers could create a realistic opportunity for more than 1,000 low and moderate income units within that ten-year period. For the purposes of this section, the facts and circumstances which shall determine whether a municipality's fair share shall exceed 1,000 units, as provided above, shall be a finding that the municipality has issued more than 5,000 certificates of occupancy for residential units in the ten-year period preceding the petition for substantive certification in connection with which the objection was filed.

For the purpose of crediting low and moderate income housing units in order to arrive at a determination of present and prospective fair share, as set forth in paragraph (1) of subsection c. of this section, housing units comprised in a community residence for the developmentally disabled, as defined in section 2 of P.L.1977, c.448 (C.30:11B-2), shall be fully credited pursuant to rules promulgated or to be promulgated by the council, to the extent that the units are affordable to persons of low and moderate income and are available to the general public.

The council, with respect to any municipality seeking substantive certification, shall require that a minimum percentage of housing units in any residential development resulting from a zoning change made to a previously non-residentially-zoned property, where the change in zoning precedes or follows the application for residential development by no more than 24 months, be reserved for occupancy by low or moderate income households, which percentage shall be determined by the council based on economic feasibility with consideration for the proposed density of development.

In carrying out the above duties, including, but not limited to, present and prospective need estimations the council shall give appropriate weight to pertinent research studies, government reports, decisions of other branches of government, implementation of the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.) and public comment. To assist the council, the State Planning Commission established under that act shall
CHAPTER 46, LAWS OF 2008

provide the council annually with economic growth, development and decline projections for each housing region for the next ten years. The council shall develop procedures for periodically adjusting regional need based upon the low and moderate income housing that is provided in the region through any federal, State, municipal or private housing program.

No housing unit subject to the provisions of section 5 of P.L.2005, c.350 (C.52:27D-123.15) and to the provisions of the barrier free subcode adopted by the Commissioner of Community Affairs pursuant to the "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-119 et seq.) shall be eligible for inclusion in the municipal fair share plan certified by the council unless the unit complies with the requirements set forth thereunder.

C.52:27D-329.1 Coordination, review of housing elements.

7. The council shall coordinate and review the housing elements as filed pursuant to section 11 of P.L.1985, c.222 (C.52:27D-311), and the housing activities under section 20 of P.L.1985, c.222 (C.52:27D-320), at least once every three years, to ensure that at least 13 percent of the housing units made available for occupancy by low-income and moderate income households will be reserved for occupancy by very low income households, as that term is defined pursuant to section 4 of P.L.1985, c.222 (C.52:27D-304). Nothing in this section shall require that a specific percentage of the units in any specific project be reserved as very low income housing; provided, however, that a municipality shall not receive bonus credits for the provision of housing units reserved for occupancy by very low income households unless the 13 percent target has been exceeded within that municipality. The council shall coordinate all efforts to meet the goal of this section in a manner that will result in a balanced number of housing units being reserved for very low income households throughout all housing regions. For the purposes of this section, housing activities under section 20 of P.L.1985, c.222 (C.52:27D-320) shall include any project-based assistance provided from the "New Jersey Affordable Housing Trust Fund" pursuant to P.L.2004, c.140 (C.52:27D-287.1 et al.), regardless of whether the housing activity is counted toward the municipal obligation under the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.).

C.52:27D-329.2 Authorization of municipality to impose, collect development fees.

8. a. The council may authorize a municipality that has petitioned for substantive certification, or that has been so authorized by a court of competent jurisdiction, and which has adopted a municipal development fee ordinance to impose and collect development fees from developers of resi-
dential property, in accordance with rules promulgated by the council. Each amount collected shall be deposited and shall be accounted for separately, by payer and date of deposit.

A municipality may not spend or commit to spend any affordable housing development fees, including Statewide non-residential fees collected and deposited into the municipal affordable housing trust fund, without first obtaining the council’s approval of the expenditure. The council shall promulgate regulations regarding the establishment, administration and enforcement of the expenditure of affordable housing development fees by municipalities. The council shall have exclusive jurisdiction regarding the enforcement of these regulations, provided that any municipality which is not in compliance with the regulations adopted by the council may be subject to forfeiture of any or all funds remaining within its municipal trust fund. Any funds so forfeited shall be deposited into the "New Jersey Affordable Housing Trust Fund" established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320).

b. A municipality shall deposit all fees collected, whether or not such collections were derived from fees imposed upon non-residential or residential construction into a trust fund dedicated to those purposes as required under this section, and such additional purposes as may be approved by the council.

c. (1) A municipality may only spend development fees for an activity approved by the council to address the municipal fair share obligation.

(2) Municipal development trust funds shall not be expended to reimburse municipalities for activities which occurred prior to the authorization of a municipality to collect development fees.

(3) A municipality shall set aside a portion of its development fee trust fund for the purpose of providing affordability assistance to low and moderate income households in affordable units included in a municipal fair share plan, in accordance with rules of the council.

(a) Affordability assistance programs may include down payment assistance, security deposit assistance, low interest loans, common maintenance expenses for units located in condominiums, rental assistance, and any other program authorized by the council.

(b) Affordability assistance to households earning 30 percent or less of median income may include buying down the cost of low income units in a municipal fair share plan to make them affordable to households earning 30 percent or less of median income. The use of development fees in this manner shall not entitle a municipality to bonus credits except as may be provided by the rules of the council.
(4) A municipality may contract with a private or public entity to administer any part of its housing element and fair share plan, including the requirement for affordability assistance, or any program or activity for which the municipality expends development fee proceeds, in accordance with rules of the council.

(5) Not more than 20 percent of the revenues collected from development fees shall be expended on administration, in accordance with rules of the council.

def. The council shall establish a time by which all development fees collected within a calendar year shall be expended; provided, however, that all fees shall be committed for expenditure within four years from the date of collection. A municipality that fails to commit to expend the balance required in the development fee trust fund by the time set forth in this section shall be required by the council to transfer the remaining unspent balance at the end of the four-year period to the "New Jersey Affordable Housing Trust Fund," established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320), as amended by P.L.2008, c.46 (C.52:27D-329.1 et al.), to be used in the housing region of the transferring municipality for the authorized purposes of that fund.

e. Notwithstanding any provision of this section, or regulations of the council, a municipality shall not collect a development fee from a developer whenever that developer is providing for the construction of affordable units, either on-site or elsewhere within the municipality.

This section shall not apply to the collection of a Statewide development fee imposed upon non-residential development pursuant to sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 et seq.) by the State Treasurer, when such collection is not authorized to be retained by a municipality.

9. a. The council may authorize a municipality that has petitioned for substantive certification to impose and collect payments-in-lieu of constructing affordable units on site upon the construction of residential development, which payments may be imposed and collected as provided pursuant to the rules of the council. Payment-in-lieu fees shall be deposited into a trust fund, and accounted for separately from any other fees collected by a municipality. Whenever a payment-in-lieu is charged by a municipality pursuant to this subsection, a development fee authorized pursuant to section 8 of P.L.2008, c.46 (C.52:27D-329.2) shall not be charged in connection with the same development.
b. A municipality shall commit to expend collections from payments-in-lieu imposed pursuant to subsection a. of this section within four years of the date of collection. The council may extend this deadline if the municipality submits sufficient proof of building or other permits, or other efforts concerning land acquisition or project development. The council shall provide such administrative assistance as may be required to aid in the construction of affordable housing units. A municipality that fails to commit to expend the amounts collected pursuant to this section within the timeframes established shall be required to transfer any unexpended revenue collected pursuant to subsection a. of this section to the "New Jersey Affordable Housing Trust Fund," established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320), to be used within the same housing region for the authorized purposes of that fund, in accordance with regulations promulgated by the council.

C.52:27D-329.4 Maintenance, publication of up-to-date municipal status report.
10. The council shall maintain on its website, and also publish on a regular basis, an up-to-date municipal status report concerning the petitions for substantive certification of each municipality that has submitted to the council's jurisdiction, and shall collect and publish information concerning the number of housing units actually constructed, construction starts, certificates of occupancy granted, rental units maintained, and the number of housing units transferred or sold within the previous 12-month period. With respect to units actually constructed, the information shall specify the characteristics of the housing, including housing type, tenure, affordability level, number of bedrooms, and whether occupancy is reserved for families, senior citizens, or other special populations. No later than 60 months after the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.), the council shall require each municipality, as a condition of substantive certification, to provide, in a standardized electronic media format as determined by the council, the details of the fair share plan as adopted by the municipality and approved by the council. The council shall publish and maintain such approved plans on its website.

C.52:27D-329.5 Short title.
11. Sections 11 through 14 of P.L.2008, c.46 (C.52:27D-329.5 through C.52:27D-329.8) shall be known and may be cited as the "Housing Rehabilitation and Assistance Program Act."

C.52:27D-329.6 Findings, declarations relative to housing rehabilitation and assistance.
12. The Legislature finds and declares that:
a. The transfer of a portion of the fair share obligations among municipalities has proven to not be a viable method of ensuring that an adequate supply and variety of housing choices are provided in municipalities experiencing growth. Therefore, the use of a regional contribution agreement shall no longer be permitted under P.L.1985, c.222 (C.52:27D-301 et al.).

b. Although the elimination of the regional contribution agreement as a tool for the production of affordable housing pursuant to P.L.1985, c.222 (C.52:27D-301 et al.), will impact on some proposed agreements awaiting approval, it is for a public purpose and for the public good that such contracts be declared void for the current and future housing obligation rounds.

c. There is a need to assist municipalities in the rehabilitation of housing for occupancy by low and moderate income households. To this end, a specific program for housing rehabilitation by municipalities would best serve this need. It is the intent of the Legislature that this program, as well as funds earmarked for the purposes of the program, will be utilized, especially in urban areas which were the main recipients of regional contribution agreements, to continue to upgrade housing stock in order to provide a wide variety and choice of housing for persons living in those areas.

d. There is also a need to provide funding to municipalities to create additional incentives and assistance for the production of safe, decent, and affordable rental and other housing.

13. a. There is established within the Department of Community Affairs an Urban Housing Assistance Program for the purposes of assisting certain municipalities in the provision of housing through the rehabilitation of existing buildings or the construction of affordable housing.

b. Within the program there shall be established a trust fund to be known as the “Urban Housing Assistance Fund,” into which may be deposited:

(1) monies which may be available to the fund from any other programs established for the purposes of housing rehabilitation, other than monies from the "New Jersey Affordable Housing Trust Fund," established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320);

(2) monies appropriated by the Legislature to the fund; and

(3) any other funds made available through State or federal housing programs for the purposes of producing affordable housing, other than monies from the "New Jersey Affordable Housing Trust Fund," established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320).
c. The Commissioner of Community Affairs shall develop a strategic five-year plan for the program aimed at developing strategies to assist municipalities in creating rehabilitation programs and other programs to produce safe, decent housing within the municipality.

d. The commissioner may award a housing rehabilitation grant to a municipality that qualifies for aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.) and that has submitted a valid application to the Department of Community Affairs which details the manner in which the municipality will utilize funding in order to meet the municipality’s need to rehabilitate or create safe, decent, and affordable housing.

e. The commissioner shall promulgate rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of P.L.2008, c.46 (C.52:27D-329.1 et al.); provided that the regulations shall permit a municipality broad discretion in shaping its housing rehabilitation and construction program, but shall not permit a municipality to provide assistance to any household having an income greater than 120% of median household income for the housing region. The department may require a return of a grant upon its determination that a municipality is not performing in accordance with its grant or with the regulations.

C.52:27D-329.8 Annual appropriation.

14. a. There shall be appropriated annually from the amounts collected by the State Treasurer from the imposition of Statewide non-residential development fees and retained by the State pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.), the sum of $20,000,000 for deposit into the “Urban Housing Assistance Fund,” established pursuant to section 13 of P.L.2008, c.46 (C.52:27D-329.7), to be used for the purposes authorized under that section. Any surplus amounts remaining after crediting the “Urban Housing Assistance Fund,” in the amount required under this section from the collection of Statewide non-residential development fees, shall be annually appropriated to the “New Jersey Affordable Housing Trust Fund,” established pursuant to section 20 of P.L.1985, c.222 (C.52:27D-320).

b. In the event the full amount required to be transferred pursuant to subsection a. of this section is not transferred in any fiscal year, the Legislature shall subsequently appropriate in the same fiscal year from the General Fund an amount equal to the difference between the amount actually transferred and the amount required to be transferred pursuant to subsection a. of this section, so that the total funds made available to the “Urban Housing
Assistance Fund” annually shall be equal to the amount established pursuant to subsection a. of this section.

15. Section 11 of P.L.1985, c.222 (C.52:27D-311) is amended to read as follows:

C.52:27D-311 Provision of fair share by municipality.

11. a. In adopting its housing element, the municipality may provide for its fair share of low and moderate income housing by means of any technique or combination of techniques which provide a realistic opportunity for the provision of the fair share. The housing element shall contain an analysis demonstrating that it will provide such a realistic opportunity, and the municipality shall establish that its land use and other relevant ordinances have been revised to incorporate the provisions for low and moderate income housing. In preparing the housing element, the municipality shall consider the following techniques for providing low and moderate income housing within the municipality, as well as such other techniques as may be published by the council or proposed by the municipality:

(1) Rezoning for densities necessary to assure the economic viability of any inclusionary developments, either through mandatory set-asides or density bonuses, as may be necessary to meet all or part of the municipality's fair share in accordance with the regulations of the council and the provisions of subsection h. of this section;

(2) Determination of the total residential zoning necessary to assure that the municipality's fair share is achieved;

(3) Determination of measures that the municipality will take to assure that low and moderate income units remain affordable to low and moderate income households for an appropriate period of not less than six years;

(4) A plan for infrastructure expansion and rehabilitation if necessary to assure the achievement of the municipality's fair share of low and moderate income housing;

(5) Donation or use of municipally owned land or land condemned by the municipality for purposes of providing low and moderate income housing;

(6) Tax abatements for purposes of providing low and moderate income housing;

(7) Utilization of funds obtained from any State or federal subsidy toward the construction of low and moderate income housing;

(8) Utilization of municipally generated funds toward the construction of low and moderate income housing; and
(9) The purchase of privately owned real property used for residential purposes at the value of all liens secured by the property, excluding any tax liens, notwithstanding that the total amount of debt secured by liens exceeds the appraised value of the property, pursuant to regulations promulgated by the Commissioner of Community Affairs pursuant to subsection b. of section 41 of P.L.2000, c.126 (C.52:27D-311.2).

b. The municipality may provide for a phasing schedule for the achievement of its fair share of low and moderate income housing.

c. (Deleted by amendment, P.L.2008, c.46)

d. Nothing in P.L.1985, c.222 (C.52:27D-301 et al.) shall require a municipality to raise or expend municipal revenues in order to provide low and moderate income housing.

e. When a municipality's housing element includes the provision of rental housing units in a community residence for the developmentally disabled, as defined in section 2 of P.L.1977, c.448 (C.30:11B-2), which will be affordable to persons of low and moderate income, and for which adequate measures to retain such affordability pursuant to paragraph (3) of subsection a. of this section are included in the housing element, those housing units shall be fully credited as permitted under the rules of the council towards the fulfillment of the municipality's fair share of low and moderate income housing.

f. It having been determined by the Legislature that the provision of housing under P.L.1985, c.222 (C.52:27D-301 et al.) is a public purpose, a municipality or municipalities may utilize public monies to make donations, grants or loans of public funds for the rehabilitation of deficient housing units and the provision of new or substantially rehabilitated housing for low and moderate income persons, providing that any private advantage is incidental.

g. A municipality which has received substantive certification from the council, and which has actually effected the construction of the affordable housing units it is obligated to provide, may amend its affordable housing element or zoning ordinances without the approval of the council.

h. Whenever affordable housing units are proposed to be provided through an inclusionary development, a municipality shall provide, through its zoning powers, incentives to the developer, which shall include increased densities and reduced costs, in accordance with the regulations of the council and this subsection.

i. The council, upon the application of a municipality and a developer, may approve reduced affordable housing set-asides or increased densities to ensure the economic feasibility of an inclusionary development.
16. Section 12 of P.L.1985, c.222 (C.52:27D-312) is amended to read as follows:

\textbf{C.52:27D-312 Regional contribution agreements.}

12. a. Except as prohibited under P.L.2008, c.46 (C.52:27D-329.1 et al.), a municipality may propose the transfer of up to 50% of its fair share to another municipality within its housing region by means of a contractual agreement into which two municipalities voluntarily enter. A municipality may also propose a transfer by contracting with the agency or another governmental entity designated by the council if the council determines that the municipality has exhausted all possibilities within its housing region. A municipality proposing to transfer to another municipality, whether directly or by means of a contract with the agency or another governmental entity designated by the council, shall provide the council with the housing element and statement required under subsection c. of section 11 of P.L.1985, c.222 (C.52:27D-311), and shall request the council to determine a match with a municipality filing a statement of intent pursuant to subsection e. of this section. Except as provided in subsection b. of this section, the agreement may be entered into upon obtaining substantive certification under section 14 of P.L.1985, c.222 (C.52:27D-314), or anytime thereafter. The regional contribution agreement entered into shall specify how the housing shall be provided by the second municipality, hereinafter the receiving municipality, and the amount of contributions to be made by the first municipality, hereinafter the sending municipality.

b. A municipality which is a defendant in an exclusionary zoning suit and which has not obtained substantive certification pursuant to P.L.1985, c.222 may request the court to be permitted to fulfill a portion of its fair share by entering into a regional contribution agreement. If the court believes the request to be reasonable, the court shall request the council to review the proposed agreement and to determine a match with a receiving municipality or municipalities pursuant to this section. The court may establish time limitations for the council's review, and shall retain jurisdiction over the matter during the period of council review. If the court determines that the agreement provides a realistic opportunity for the provision of low and moderate income housing within the housing region, it shall provide the sending municipality a credit against its fair share for housing to be provided through the agreement in the manner provided in this section. The agreement shall be entered into prior to the entry of a final judgment in the litigation. In cases in which a final judgment was entered prior to the date P.L.1985, c.222 takes effect and in which an appeal is pending, a municipal-
ity may request consideration of a regional contribution agreement; provided that it is entered into within 120 days after P.L.1985, c.222 takes effect. In a case in which a final judgment has been entered, the court shall consider whether or not the agreement constitutes an expeditious means of providing part of the fair share. Notwithstanding this subsection, no consideration shall be given to any regional contribution agreement of which the council did not complete its review and formally approve a recommendation to the court prior to the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.).

c. Except as prohibited under P.L.2008, c.46 (C.52:27D-329.1 et al.), regional contribution agreements shall be approved by the council, after review by the county planning board or agency of the county in which the receiving municipality is located. The council shall determine whether or not the agreement provides a realistic opportunity for the provision of low and moderate income housing within convenient access to employment opportunities. The council shall refer the agreement to the county planning board or agency which shall review whether or not the transfer agreement is in accordance with sound, comprehensive regional planning. In its review, the county planning board or agency shall consider the master plan and zoning ordinance of the sending and receiving municipalities, its own county master plan, and the State development and redevelopment plan. In the event that there is no county planning board or agency in the county in which the receiving municipality is located, the council shall also determine whether or not the agreement is in accordance with sound, comprehensive regional planning. After it has been determined that the agreement provides a realistic opportunity for low and moderate income housing within convenient access to employment opportunities, and that the agreement is consistent with sound, comprehensive regional planning, the council shall approve the regional contribution agreement by resolution. All determinations of a county planning board or agency shall be in writing and shall be made within such time limits as the council may prescribe, beyond which the council shall make those determinations and no fee shall be paid to the county planning board or agency pursuant to this subsection.

d. In approving a regional contribution agreement, the council shall set forth in its resolution a schedule of the contributions to be appropriated annually by the sending municipality. A copy of the adopted resolution shall be filed promptly with the Director of the Division of Local Government Services in the Department of Community Affairs, and the director shall thereafter not approve an annual budget of a sending municipality if it does not include appropriations necessary to meet the terms of the resolution. Amounts appropriated by a sending municipality for a regional contri-
bution agreement pursuant to this section are exempt from the limitations on increases in final appropriations imposed under P.L.1976, c.68 (C.40A:4-45.1 et seq.).

e. The council shall maintain current lists of municipalities which have stated an intent to enter into regional contribution agreements as receiving municipalities, and shall establish procedures for filing statements of intent with the council. No receiving municipality shall be required to accept a greater number of low and moderate income units through an agreement than it has expressed a willingness to accept in its statement, but the number stated shall not be less than a reasonable minimum number of units, not to exceed 100, as established by the council. The council shall require a project plan from a receiving municipality prior to the entering into of the agreement, and shall submit the project plan to the agency for its review as to the feasibility of the plan prior to the council's approval of the agreement. The agency may recommend and the council may approve as part of the project plan a provision that the time limitations for contractual guarantees or resale controls for low and moderate income units included in the project shall be less than 30 years, if it is determined that modification is necessary to assure the economic viability of the project.

f. The council shall establish guidelines for the duration and amount of contributions in regional contribution agreements. In doing so, the council shall give substantial consideration to the average of: (1) the median amount required to rehabilitate a low and moderate income unit up to code enforcement standards; (2) the average internal subsidization required for a developer to provide a low income housing unit in an inclusionary development; (3) the average internal subsidization required for a developer to provide a moderate income housing unit in an inclusionary development. Contributions may be prorated in municipal appropriations occurring over a period not to exceed ten years and may include an amount agreed upon to compensate or partially compensate the receiving municipality for infrastructure or other costs generated to the receiving municipality by the development. Appropriations shall be made and paid directly to the receiving municipality or municipalities or to the agency or other governmental entity designated by the council, as the case may be.

g. The council shall require receiving municipalities to file annual reports with the agency setting forth the progress in implementing a project funded under a regional contribution agreement, and the agency shall provide the council with its evaluation of each report. The council shall take such actions as may be necessary to enforce a regional contribution agreement with respect to the timely implementation of the project by the receiving municipality.
No consideration shall be given to any regional contribution agreement for which the council did not complete its review and grant approval prior to the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.). On or after the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.), no regional contribution agreement shall be entered into by a municipality, or approved by the council or the court.

17. Section 20 of P.L.1985, c.222 (C.52:27D-320) is amended to read as follows:

C.52:27D-320 “New Jersey Affordable Housing Trust Fund.”

20. There is established in the Department of Community Affairs a separate trust fund, to be used for the exclusive purposes as provided in this section, and which shall be known as the “New Jersey Affordable Housing Trust Fund.” The fund shall be a non-lapsing, revolving trust fund, and all monies deposited or received for purposes of the fund shall be accounted for separately, by source and amount, and remain in the fund until appropriated for such purposes. The fund shall be the repository of all State funds appropriated for affordable housing purposes, including the proceeds from the receipts of the additional fee collected pursuant to paragraph (2) of subsection a. of section 3 of P.L.1968, c.49 (C.46:15-7), proceeds from available receipts of the Statewide non-residential development fees collected pursuant to section 35 of P.L.2008, c.46 (C.40:55D-8.4), monies lapsing or reverting from municipal development trust funds, or other monies as may be dedicated, earmarked, or appropriated by the Legislature for the purposes of the fund. All references in any law, order, rule, regulation, contract, loan, document, or otherwise, to the “Neighborhood Preservation Nonlapsing Revolving Fund” shall mean the “New Jersey Affordable Housing Trust Fund.” The department shall be permitted to utilize annually up to 7.5 percent of the monies available in the fund for the payment of any necessary administrative costs related to the administration of the “Fair Housing Act,” P.L.1985, c.222 (C.52:27D-301 et al.), the State Housing Commission, or any costs related to administration of P.L.2008, c.46 (C.52:27D-329.1 et al.).

a. Except as permitted pursuant to subsection g. of this section, the commissioner shall award grants or loans from this fund for housing projects and programs in municipalities whose housing elements have received substantive certification from the council, in municipalities receiving State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.), in municipalities subject to builder's remedy as defined in section 28 of P.L.1985, c.222 (C.52:27D-328) or in receiving municipalities in cases where the council
has approved a regional contribution agreement and a project plan developed by the receiving municipality.

Of those monies deposited into the "New Jersey Affordable Housing Trust Fund" that are derived from municipal development fee trust funds, or from available collections of Statewide non-residential development fees, a priority for funding shall be established for projects in municipalities that have petitioned the council for substantive certification.

Programs and projects in any municipality shall be funded only after receipt by the commissioner of a written statement in support of the program or project from the municipal governing body.

b. The commissioner shall establish rules and regulations governing the qualifications of applicants, the application procedures, and the criteria for awarding grants and loans and the standards for establishing the amount, terms and conditions of each grant or loan.

c. For any period which the council may approve, the commissioner may assist affordable housing programs which are not located in municipalities whose housing elements have been granted substantive certification or which are not in furtherance of a regional contribution agreement; provided that the affordable housing program will meet all or part of a municipal low and moderate income housing obligation.

d. Amounts deposited in the "New Jersey Affordable Housing Trust Fund" shall be targeted to regions based on the region's percentage of the State's low and moderate income housing need as determined by the council. Amounts in the fund shall be applied for the following purposes in designated neighborhoods:

(1) Rehabilitation of substandard housing units occupied or to be occupied by low and moderate income households;

(2) Creation of accessory apartments to be occupied by low and moderate income households;

(3) Conversion of non-residential space to residential purposes; provided a substantial percentage of the resulting housing units are to be occupied by low and moderate income households;

(4) Acquisition of real property, demolition and removal of buildings, or construction of new housing that will be occupied by low and moderate income households, or any combination thereof;

(5) Grants of assistance to eligible municipalities for costs of necessary studies, surveys, plans and permits; engineering, architectural and other technical services; costs of land acquisition and any buildings thereon; and costs of site preparation, demolition and infrastructure development for projects undertaken pursuant to an approved regional contribution agreement;
(6) Assistance to a local housing authority, nonprofit or limited dividend housing corporation or association or a qualified entity acting as a receiver under P.L.2003, c.295 (C.2A:42-114 et al.) for rehabilitation or restoration of housing units which it administers which: (a) are unusable or in a serious state of disrepair; (b) can be restored in an economically feasible and sound manner; and (c) can be retained in a safe, decent and sanitary manner, upon completion of rehabilitation or restoration; and

(7) Other housing programs for low and moderate income housing, including, without limitation, (a) infrastructure projects directly facilitating the construction of low and moderate income housing not to exceed a reasonable percentage of the construction costs of the low and moderate income housing to be provided and (b) alteration of dwelling units occupied or to be occupied by households of low or moderate income and the common areas of the premises in which they are located in order to make them accessible to handicapped persons.

e. Any grant or loan agreement entered into pursuant to this section shall incorporate contractual guarantees and procedures by which the division will ensure that any unit of housing provided for low and moderate income households shall continue to be occupied by low and moderate income households for at least 20 years following the award of the loan or grant, except that the division may approve a guarantee for a period of less than 20 years where necessary to ensure project feasibility.

f. Notwithstanding the provisions of any other law, rule or regulation to the contrary, in making grants or loans under this section, the department shall not require that tenants be certified as low or moderate income or that contractual guarantees or deed restrictions be in place to ensure continued low and moderate income occupancy as a condition of providing housing assistance from any program administered by the department, when that assistance is provided for a project of moderate rehabilitation if the project (1) contains 30 or fewer rental units and (2) is located in a census tract in which the median household income is 60 percent or less of the median income for the housing region in which the census tract is located, as determined for a three person household by the council in accordance with the latest federal decennial census. A list of eligible census tracts shall be maintained by the department and shall be adjusted upon publication of median income figures by census tract after each federal decennial census.

g. In addition to other grants or loans awarded pursuant to this section, and without regard to any limitations on such grants or loans for any other purposes herein imposed, the commissioner shall annually allocate such amounts as may be necessary in the commissioner's discretion, and in
accordance with section 3 of P.L.2004, c.140 (C.52:27D-287.3), to fund rental assistance grants under the program created pursuant to P.L.2004, c.140 (C.52:27D-287.1 et al.). Such rental assistance grants shall be deemed necessary and authorized pursuant to P.L.1985, c.222 (C.52:27D-301 et al.), in order to meet the housing needs of certain low income households who may not be eligible to occupy other housing produced pursuant to P.L.1985, c.222 (C.52:27D-301 et al.).

h. The department and the State Treasurer shall submit the "New Jersey Affordable Housing Trust Fund" for an audit annually by the State Auditor or State Comptroller, at the discretion of the Treasurer. In addition, the department shall prepare an annual report for each fiscal year, and submit it by November 30th of each year to the Governor and the Legislature, and the Joint Committee on Housing Affordability, or its successor, and post the information to its web site, of all activity of the fund, including details of the grants and loans by number of units, number and income ranges of recipients of grants or loans, location of the housing renovated or constructed using monies from the fund, the number of units upon which affordability controls were placed, and the length of those controls. The report also shall include details pertaining to those monies allocated from the fund for use by the State rental assistance program pursuant to section 3 of P.L.2004, c.140 (C.52:27D-287.3) and subsection g. of this section.

C.52:27D-329.9 Developments, certain, in certain regional planning entities.
18. a. Notwithstanding any rules of the council to the contrary, for developments consisting of newly-constructed residential units located, or to be located, within the jurisdiction of any regional planning entity required to adopt a master plan or comprehensive management plan pursuant to statutory law, including the New Jersey Meadowlands Commission pursuant to subsection (i) of section 6 of P.L.1968, c.404 (C.13:17-6), the Pine-lands Commission pursuant to section 7 of the "Pinelands Protection Act," P.L.1979, c.111 (C.13:18A-8), the Fort Monmouth Economic Revitalization Planning Authority pursuant to section 5 of P.L.2006, c.16 (C.52:271-5), or its successor, and the Highlands Water Protection and Planning Council pursuant to section 11 of P.L.2004, c.120 (C.13:20-11), but excluding joint planning boards formed pursuant to section 64 of P.L.1975, c.291 (C.40:55D-77), there shall be required to be reserved for occupancy by low or moderate income households at least 20 percent of the residential units constructed, to the extent this is economically feasible.

b. A developer of a project consisting of newly-constructed residential units being financed in whole or in part with State funds, including, but not
limited to, transit villages designated by the Department of Transportation, units constructed on State-owned property, and urban transit hubs as defined pursuant to section 2 of P.L. 2007, c.346 (C.34:1B-208), shall be required to reserve at least 20 percent of the residential units constructed for occupancy by low or moderate income households, as those terms are defined in section 4 of P.L. 1985, c.222 (C.52:27D-304), with affordability controls as required under the rules of the council, unless the municipality in which the property is located has received substantive certification from the council and such a reservation is not required under the approved affordable housing plan, or the municipality has been given a judgment of repose or a judgment of compliance by the court, and such a reservation is not required under the approved affordable housing plan.

c. (1) The Legislature recognizes that regional planning entities are appropriately positioned to take a broader role in the planning and provision of affordable housing based on regional planning considerations. In recognition of the value of sound regional planning, including the desire to foster economic growth, create a variety and choice of housing near public transportation, protect critical environmental resources, including farmland and open space preservation, and maximize the use of existing infrastructure, there is created a new program to foster regional planning entities.

(2) The regional planning entities identified in subsection a. of this section shall identify and coordinate regional affordable housing opportunities in cooperation with municipalities in areas with convenient access to infrastructure, employment opportunities, and public transportation. Coordination of affordable housing opportunities may include methods to regionally provide housing in line with regional concerns, such as transit needs or opportunities, environmental concerns, or such other factors as the council may permit; provided, however, that such provision by such a regional entity may not result in more than a 50 percent change in the fair share obligation of any municipality; provided that this limitation shall not apply to affordable housing units directly attributable to development by the New Jersey Sports and Exposition Authority within the New Jersey Meadowlands District.

(3) In addition to the entities identified in subsection a. of this section, the Casino Reinvestment Development Authority, in conjunction with the Atlantic County Planning Board, shall identify and coordinate regional affordable housing opportunities directly attributable to Atlantic City casino development, which may be provided anywhere within Atlantic County, subject to the restrictions of paragraph (4) of this subsection.

(4) The coordination of affordable housing opportunities by regional entities as identified in this section shall not include activities which would
provide housing units to be located in those municipalities that are eligible to receive aid under the “Special Municipal Aid Act,” P.L.1987, c.75 (C.52:27D-118.24 et seq.), or are coextensive with a school district which qualified for designation as a “special needs district” pursuant to the “Quality Education Act of 1990,” P.L.1990, c.52 (C.18A:7D-1 et al.), or at any time in the last 10 years have been qualified to receive assistance under P.L.1978, c.14 (C.52:27D-178 et seq.) and that fall within the jurisdiction of any of the regional entities specified in subsection a. of this section.

C.52:27D-321.1 Allocation of low income tax credits.
19. Notwithstanding any rules of the New Jersey Housing and Mortgage Finance Agency to the contrary, the allocation of low income tax credits shall be made by the agency to the full extent such credits are permitted to be allocated under federal law, including allocations of 4 percent or 9 percent federal low income tax credits, and including allocations allowable for partial credits. The affordable portion of any mixed income or mixed use development that is part of a fair share housing plan approved by the council, or a court-approved judgment of repose or compliance, including, but not limited to, a development that has received a density bonus, shall be permitted to receive allocations of low income tax credits, provided that the applicant can conclusively demonstrate that the market rate residential or commercial units are unable to internally subsidize the affordable units, and the affordable units are developed contemporaneously with the commercial or market rate residential units.

C.52:27D-321.2 Maintenance, publishing of annual report by NJHMFA.
20. The New Jersey Housing and Mortgage Finance Agency shall maintain on its website and publish annually a report concerning its activities during the year in promotion of affordable housing, including any activity pursuant to section 21 of P.L.1985, c.222 (C.52:27D-321). The report shall detail the number and amounts of grants, loans, the average loan amount made, the amounts of low income tax credits allocated by the agency, by location, and the number of proposed units, and any additional information which the agency deems informative to the public.

C.52:27D-329.10 Short title.
22. The Legislature finds that:
   a. High housing prices, escalating property taxes, increasing municipal fees, rising energy costs, and the costs to implement various State rules and regulations have put housing out of the reach of many citizens;
   b. The State of New Jersey suffers from a serious lack of housing affordable to its low and moderate income households, reflected in the large number of households living in overcrowded and substandard housing conditions, or burdened by unreasonable and excessive housing costs;
   c. As housing costs have increased in many parts of the State, and the process of urban revitalization has taken hold in many of the State’s cities, these problems have become more severe and have come to affect a wide range of households at many income levels;
   d. While new housing affordable to households at all income levels is urgently needed, the need to preserve existing housing owned or rented by low and moderate income households, much of which is at risk of loss, is also urgent;
   e. The production of new housing and the preservation of the existing housing stock, including but not limited to subsidized affordable housing, has a significant positive impact on the health and well-being of the State as a whole, in particular its older cities and their neighborhoods, and should be encouraged as a matter of public policy by the State government;
   f. Although the State has devoted substantial public resources for many years towards alleviating the housing needs of lower income households, the effective use of those resources and their impact on urban revitalization has been limited by inadequate strategic planning in the allocation of public resources, as well as inadequate coordination with and leveraging of private resources;
   g. The development of a strategic housing plan that will establish priorities to effectively target State resources should significantly enhance the impact of those resources in meeting the State’s housing needs and fostering urban revitalization;
   h. A strategic housing plan should provide for a means of coordinating the activities of the many State departments and agencies whose activities affect the ability of the State to meet its housing needs;
   i. The active involvement of individuals outside State government with knowledge and experience in all phases of housing preservation, development, and management, as well as planning and urban revitalization, in the preparation and adoption of the plan, and the monitoring of State activities pursuant to the plan, should significantly enhance the value and ef-
effectiveness of the plan in increasing the State's ability to meet its housing needs and foster urban revitalization.

(3) Specific recommendations for the manner in which all funds identified in paragraph (1) of this subsection should be prioritized and used, either through new construction, rehabilitation, preservation, rental subsidies, or other activities, to address the needs of the underserved populations set forth in subsection b. of this section;

(4) Specific actions needed to ensure the integrated use of State government resources that can be used to create or preserve affordable housing, provide supportive services, facilitate the use of housing for urban revitalization, and prevent homelessness, including an identification of the specific agencies and programs responsible for each action;

(5) An assessment of the State's performance during the preceding year;

(6) Recommendations for changes to any program or use of funds which the State controls available for land use planning, housing construction, rehabilitation, preservation, operating or rental subsidies and supportive services, including both procedural and substantive changes, and the specific agencies responsible for each change;

C.52:14B-4.lb Housing affordability impact analysis.

31. a. In proposing a rule for adoption, the agency involved shall issue a housing affordability impact analysis regarding the rule, which shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4). Each housing affordability impact analysis shall contain:

   (1) A description of the types and an estimate of the number of housing units to which the proposed rule will apply; and
   
   (2) A description of the estimated increase or decrease in the average cost of housing which will be affected by the regulation.

   This subsection shall not apply to any proposed rule which the agency finds would impose an insignificant impact, either because the scope of the regulation is minimal, or there is an extreme unlikelihood that the regulation would evoke a change in the average costs associated with housing. The agency's finding and an indication of the basis for its finding shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4).

b. In proposing a rule for adoption, the agency involved shall issue a smart growth development impact analysis regarding the rule, which shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4). Each smart growth development impact analysis shall contain:

   (1) A description of the types and an estimate of the number of housing units to which the proposed rule will apply;
   
   (2) A description of the estimated increase or decrease in the availability of affordable housing which will be affected by the regulation; and
   
   (3) A description as to whether the proposed rule will affect in any manner new construction within Planning Area 1 or 2, or within designated centers, under the State Development and Redevelopment Plan.

   This subsection shall not apply to any proposed rule which the agency finds would impose an insignificant impact, either because the scope of the regulation is minimal, or there is an extreme unlikelihood that the regulation would evoke a change in the housing production within Planning Area 1 or 2, or within designated centers, under the State Development and Redevelopment Plan. The agency's finding and an indication of the basis for
its finding shall be included in the notice of a proposed rule as required by subsection (a) of section 4 of P.L.1968, c.410 (C.52:14B-4).

For the purposes of complying with this subsection, and in order to avoid duplicative action, an agency may consider a series of closely related rules as one rule.

c. For the purposes of this section, "types" means housing groups distinguished by the following categories: housing reserved for occupancy by very low, low and moderate and middle income households, respectively; single family, two-family, and multi-family housing; rental housing and for-sale housing.

C.40:55D-8.1 Short title.

32. Sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7) shall be known and may be cited as the "Statewide Non-residential Development Fee Act."

C.40:55D-8.2 Findings, declarations relative to Statewide non-residential development fees.

33. The Legislature finds and declares:

a. The collection of development fees from builders of residential and non-residential properties has been authorized by the court through the powers delegated to the Council on Affordable Housing established pursuant to the "Fair Housing Act," P.L.1985, c.222 (C.52:27D-301 et al.).

b. New Jersey's land resources are becoming more scarce, while its redevelopment needs are increasing. In order to balance the needs of developing and redeveloping communities, a reasonable method of providing for the housing needs of low and moderate income and middle income households, without mandating the inclusion of housing in every non-residential project, must be established.

c. A Statewide non-residential development fee program which permits municipalities under the council's jurisdiction to retain these fees for use in the municipality will provide a fair and balanced funding method to address the State's affordable housing needs, while providing an incentive to all municipalities to seek substantive certification from the council.

d. Whereas pursuant to P.L.1977, c.110 (C.5:12-1 et seq.), organizations are directed to invest in the Casino Reinvestment Development Authority to ensure that the development of housing for families of low and moderate income shall be provided. The Casino Reinvestment Development Authority, in consultation with the council, shall work to effectuate the purpose and intent of P.L.1985, c.222 (C.52:27D-301 et al.).

C.40:55D-8.4 Fee imposed on construction resulting in non-residential development; exemptions.
35. a. Beginning on the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.), a fee is imposed on all construction resulting in non-residential development, as follows:
   (1) A fee equal to two and one-half percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots; or
   (2) A fee equal to two and one-half percent of the increase in equalized assessed value, of the additions to existing structures to be used for non-residential purposes.

b. All non-residential construction of buildings or structures on property used by churches, synagogues, mosques, and other houses of worship, and property used for educational purposes, which is tax-exempt pursuant to R.S.54:4-3.6, shall be exempt from the imposition of a non-residential development fee pursuant to this section, provided that the property continues to maintain its tax exempt status under that statute for a period of at least three years from the date of issuance of the certificate of occupancy. In addition, the following shall be exempt from the imposition of a non-residential development fee:
   (1) parking lots and parking structures, regardless of whether the parking lot or parking structure is constructed in conjunction with a non-residential development, such as an office building, or whether the parking lot is developed as an independent non-residential development;
(2) any non-residential development which is an amenity to be made available to the public, including, but not limited to, recreational facilities, community centers, and senior centers, which are developed in conjunction with or funded by a non-residential developer;

(3) non-residential construction resulting from a relocation of or an on-site improvement to a nonprofit hospital or a nursing home facility;

(4) projects that are located within a specifically delineated urban transit hub, as defined pursuant to section 2 of P.L.2007, c.346 (C.34:1B-208);

(5) projects that are located within an eligible municipality, as defined under section 2 of P.L.2007, c.346 (C.34:1B-208), when a majority of the project is located within a one-half mile radius of the midpoint of a platform area for a light rail system; and

(6) projects determined by the New Jersey Transit Corporation to be consistent with a transit village plan developed by a transit village designated by the Department of Transportation.

A developer of a non-residential development exempted from the non-residential development fee pursuant to this section shall be subject to it at such time the basis for the exemption set forth in this subsection no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development whichever is later.

For purposes of this subsection, “recreational facilities and community center” means any indoor or outdoor buildings, spaces, structures, or improvements intended for active or passive recreation, including but not limited to ball fields, meeting halls, and classrooms, accommodating either organized or informal activity; and “senior center” means any recreational facility or community center with activities and services oriented towards serving senior citizens.

If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by the municipality as a lien against the real property of the owner.

c. (1) Unless authorized to pay directly to the municipality in which the non-residential construction is occurring in accordance with paragraph (2) of this subsection, developers shall pay non-residential development fees imposed pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.) to the Treasurer, in accordance with subsection g. of this section in a manner and on such forms
as required by the Treasurer, provided that a certified proof concerning the payment shall be furnished by the Treasurer, to the municipality.

(2) The council shall maintain on its website a list of each municipality that is authorized to use the development fees collected pursuant to this section and that has a confirmed status of compliance with the “Fair Housing Act,” P.L.1985, c.222 (C.52:27D-301 et al.), which compliance shall include a spending plan authorized by the council for all development fees collected.

d. The payment of non-residential development fees required pursuant to sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7) shall be made prior to the issuance of a certificate of occupancy for such development. A final certificate of occupancy shall not be issued for any non-residential development until such time as the fee imposed pursuant to this section has been paid by the developer. A non-residential developer may deposit with the appropriate entity the development fees as calculated by the municipality under protest, and the local code enforcement official shall thereafter issue the certificate of occupancy provided that the construction is otherwise eligible for a certificate of occupancy.

e. The construction official responsible for the issuance of a building permit shall notify the local tax assessor of the issuance of the first building permit for a development which may be subject to a non-residential development fee. Within 90 days of receipt of that notice, the municipal tax assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the non-residential development. The construction official responsible for the issuance of a final certificate of occupancy shall notify the local assessor of any and all requests for the scheduling of a final inspection on property which may be subject to a non-residential development fee. Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the non-residential development in accordance with the regulations adopted by the Treasurer pursuant to P.L.1971, c.424 (C.54:1-35.35); calculate the non-residential development fee pursuant to sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7); and thereafter notify the developer of the amount of the non-residential development fee. Should the municipality fail to determine or notify the developer of the amount of the non-residential development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in subsection b. of section 37 of P.L.2008, c.46 (C.40:55D-8.6). Upon tender of the estimated non-residential development fee, provided the developer is in full
compliance with all other applicable laws, the municipality shall issue a final certificate of occupancy for the subject property. Failure of the municipality to comply with the timeframes or procedures set forth in this subsection may subject it to penalties to be imposed by the commissioner; any penalties so imposed shall be deposited into the “New Jersey Affordable Housing Trust Fund” established pursuant to section 20 of P.L.1985, c.222 as amended by section 17 of P.L.2008, c.46 (C.52:27D-320).

A developer of a mixed use development shall be required to pay the Statewide non-residential development fee relating to the non-residential development component of a mixed use development subject to the provisions of P.L.2008, c.46 (C.52:27D-329.1 et al.).

Non-residential construction which is connected with the relocation of the facilities of a for-profit hospital shall be subject to the fee authorized to be imposed under this section to the extent of the increase in equalized assessed valuation in accordance with regulations to be promulgated by the Director of the Division of Taxation, Department of the Treasury.

f. Any municipality that is not in compliance with the requirements established pursuant to sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7), or regulations of the council adopted thereto, may be subject to forfeiture of any or all funds remaining within its municipal development trust fund. Any funds so forfeited shall be deposited into the New Jersey Affordable Housing Trust Fund established pursuant to section 20 of P.L.1985, c.222 as amended by section 17 of P.L.2008, c.46 (C.52:27D-320).

g. The Treasurer shall credit to the "Urban Housing Assistance Fund," established pursuant to section 13 of P.L.2008, c.46 (C.52:27D-329.7) annually from the receipts of the fees authorized to be imposed pursuant to this section an amount equal to $20 million; all receipts in excess of this amount shall be deposited into the "New Jersey Affordable Housing Trust Fund," established pursuant to section 20 of P.L.1985, c.222 as amended by section 17 of P.L.2008, c.46 (C.52:27D-320), to be used for the purposes of that fund.

The Treasurer shall adopt such regulations as necessary to effectuate sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7), in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.40:55D-8.5 Regulations.

36. a. The commissioner, in consultation with the council, shall promulgate, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), such regulations as are necessary for the prompt and effective implementation of the provisions and purposes of
P.L.2008, c.46 (C.52:27D-329.1 et al.), including, but not limited to, provisions for the payment of any necessary administrative costs related to the assessment of properties and collection of any development fees by a municipality.

b. Notwithstanding the authority granted to the commissioner herein, the council shall adopt and promulgate, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), such regulations as are necessary for the effectuation of P.L.2008, c.46 (C.52:27D-329.1 et al.), including but not limited to, regulations necessary for the establishment, implementation, review, monitoring, and enforcement of a municipal affordable housing trust fund and spending plan.

37. a. The provisions of sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7) shall not apply to:

(1) Non-residential property for which a certificate of occupancy has been issued prior to the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.); or

(2) A non-residential planned development which has received approval of a general development plan pursuant to section 5 of P.L.1987, c.129 (C.40:55D-45.3), or a nonresidential development for which the developer has entered into a developer’s agreement pursuant to a development approval granted pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.) or for which the redeveloper has entered into a redevelopment agreement pursuant to P.L.1992, c.79 (C.40A:12A-1 et al.) prior to the effective date of P.L.2008, c.46 (C.52:27D-329.1 et al.); provided, however, that the general development plan, developer’s agreement, redevelopment agreement, or any development agreement pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) provides that the developer or redeveloper pay a fee for affordable housing of at least one percent of the equalized assessed value of the improvements which are the subject of the development plan, developer’s agreement, or redevelopment agreement.

b. A developer may challenge non-residential development fees imposed pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.) by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by the municipality or by the State, as the case may be. Appeals from a determination of the director may be made to the tax court in accordance with the provisions of the State Uniform Tax Procedure Law, R.S.54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
c. Whenever non-residential development is situated on real property that has been previously developed with a building, structure, or other improvement, the non-residential development fee shall be equal to two and a half (2.5) percent of the equalized assessed value of the land and improvements on the property where the non-residential development is situated at the time the final certificate of occupancy is issued, less the equalized assessed value of the land and improvements on the property where the non-residential development is situated, as determined by the tax assessor of the municipality at the time the developer or owner, including any previous owners, first sought approval for a construction permit, including, but not limited to, demolition permits, pursuant to the State Uniform Construction Code, or approval under the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.). If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

Whenever the developer of a non-residential development has made or committed itself to make a financial or other contribution relating to the provision of housing affordable to low and moderate income households prior to the enactment of P.L.2008, c.46 (C.52:27D-329.1 et al.), the non-residential development fee shall be reduced by the amount of the financial contribution and the fair market value of any other contribution made by or committed to be made by the developer. For purposes of this section, a developer is considered to have made or committed itself to make a financial or other contribution, if and only if: (1) the contribution has been transferred, including but not limited to when the funds have already been received by the municipality; (2) the developer has obligated itself to make a contribution as set forth in a written agreement with the municipality, such as a developer's agreement; or (3) the developer's obligation to make a contribution is set forth as a condition in a land use approval issued by a municipal land use agency pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.).

d. Unless otherwise provided for by law, no municipality shall be required to return a financial or any other contribution made by or committed to be made by the developer of a non-residential development prior to the enactment of P.L.2008, c.46 (C.52:27D-329.1 et al.) relating to the provision of housing affordable to low and moderate income households, provided that the developer does not obtain an amended, modified, or new municipal land use approval with a substantial change in the non-residential development. If the developer obtains an amended, modified, or new land use approval for non-residential development, the municipality, person, or entity shall be required to return to the developer any funds or other contribution provided by the developer for the provision of housing affordable to low and moderate
income households and the developer shall not be entitled to a reduction in the affordable housing development fee based upon that contribution.

e. The provisions of sections 32 through 38 of P.L.2008, c.46 (C.40:55D-8.1 through C.40:55D-8.7) shall not be construed in any manner as affecting the method or timing of assessing real property for property taxation purposes. The payment of a non-residential development fee shall not increase the equalized assessed value of any property.

C.40:55D-8.7 Certain local ordinances void.

38. a. Except as expressly provided in P.L.2008, c.46 (C.52:27D-329.1 et al.) including subsection b. of this section, any provision of a local ordinance which imposes a fee for the development of affordable housing upon a developer of non-residential property, including any and all development fee ordinances adopted in accordance with any regulations of the Council on Affordable Housing, or any provision of an ordinance which imposes an obligation relating to the provision of housing affordable to low and moderate income households, or payment in-lieu of building as a condition of non-residential development, shall be void and of no effect. A provision of an ordinance which imposes a development fee which is not prohibited by any provision of P.L.2008, c.46 (C.52:27D-329.1 et al.) shall not be invalidated by this section.

b. No affordable housing obligation shall be imposed concerning a mixed use development that would result in an affordable housing obligation greater than that which would have been imposed if the residential portion of the mixed use development had been developed independently of the non-residential portion of the mixed use development.

c. Whenever the developer of a non-residential development regulated under P.L.1977, c.110 (C.5:12-1 et seq.) has made or committed itself to make a financial or other contribution relating to the provision of housing affordable to low and moderate income households, the non-residential development fee authorized pursuant to P.L.2008, c.46 (C.52:27D-329.1 et al.) shall be satisfied through the investment obligations made pursuant to P.L.1977, c.110 (C.5:12-1 et seq.).

39. Section 1 of P.L.1995, c.231 (C.52:27D-310.1) is amended to read as follows:

C.52:27D-310.1 Computing municipal adjustment, exclusions.

1. When computing a municipal adjustment regarding available land resources as part of the determination of a municipality's fair share of affordable housing, the Council on Affordable Housing shall exclude from designating as vacant land:
(a) any land that is owned by a local government entity that as of January 1, 1997, has adopted, prior to the institution of a lawsuit seeking a builder's remedy or prior to the filing of a petition for substantive certification of a housing element and fair share plan, a resolution authorizing an execution of agreement that the land be utilized for a public purpose other than housing;

(b) any land listed on a master plan of a municipality as being dedicated, by easement or otherwise, for purposes of conservation, park lands or open space and which is owned, leased, licensed, or in any manner operated by a county, municipality or tax-exempt, nonprofit organization including a local board of education, or by more than one municipality by joint agreement pursuant to P.L.1964, c.185 (C.40:61-35.1 et seq.), for so long as the entity maintains such ownership, lease, license, or operational control of such land;

(c) any vacant contiguous parcels of land in private ownership of a size which would accommodate fewer than five housing units if current standards of the council were applied pertaining to housing density;

(d) historic and architecturally important sites listed on the State Register of Historic Places or National Register of Historic Places prior to the submission of the petition of substantive certification;

(e) agricultural lands when the development rights to these lands have been purchased or restricted by covenant;

(f) sites designated for active recreation that are designated for recreational purposes in the municipal master plan; and

(g) environmentally sensitive lands where development is prohibited by any State or federal agency.

No municipality shall be required to utilize for affordable housing purposes land that is excluded from being designated as vacant land.

Repealer.

41. This act shall take effect immediately.

Approved July 17, 2008.

C.52:27H-29 Findings, declarations.

1. The Legislature finds that the tourist, resort and convention industry of Atlantic City has traditionally made an important contribution to the economic vitality of this State; that the recent revitalization of that industry as a result of the authorization of casino gaming in Atlantic City has resulted in significant economic benefits not only to the residents of the city and its immediate environs, but to all of the residents of the State in the form of increased business and employment opportunities and augmented State and local revenues; and that the future growth of this industry will depend in part upon the provision and operation of an attractive convention center in Atlantic City or the promotion and marketing of the city of Atlantic City and the provision of an adequate mechanism whereby the interests and efforts of the State, the city and the private sector may be effectively coordinated and the financial soundness of a convention center assured.

To this end, the Legislature declares the establishment of an authority having the requisite power to own, lease, promote, operate, maintain, transfer and sell a convention center project in Atlantic City and to promote and market the city of Atlantic City to be in the public interest of the citizens of this State.

The Legislature further finds that it is in the best interests of the State for the Atlantic City Convention and Visitors Authority established pursuant to the provisions of P.L.1981, c.459 (C.52:27H-29 et seq.), which is the entity most closely related to the facilities and operations of the Atlantic City convention center project, to acquire ownership of and assume responsibility and control over the daily operations of the project.

29. This act shall take effect immediately.

Approved July 18, 2008.
AN ACT concerning organ donation and revising parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “New Jersey Hero Act,” referring to individuals who donate life-saving and life-enhancing organs and tissues.

C.26:6-67 Findings, declarations relative to organ and tissue donation initiatives.
2. The Legislature finds and declares that:
   a. For over three decades, the State of New Jersey has supported organ and tissue donation as a public policy, because one individual can save up to eight lives by donating his or her vital organs and enhance more than 50 lives by donating tissue;
   b. Although 95% of the national population indicates support for donation, a far smaller percentage have actually made a legally binding decision to be organ and tissue donors, the result of which has been the deaths of over 74,186 people nationally and 2,470 New Jersey residents since 1997 because life-saving organs were not available to them for transplant;
   c. A public policy supporting organ donation is no longer adequate, given the health crisis faced by more than 98,000 people awaiting life saving organ transplants nationally, of whom more than 4,000 are New Jersey residents;
   d. A new public policy of advocacy which encourages positive donation decisions is now imperative in order to save more lives;
   e. The health and welfare of New Jersey’s residents requires a more dynamic, comprehensive framework regarding organ donation, one with mandated educational and decisional components;
   f. This comprehensive framework must incorporate the federal government’s charge to organ procurement organizations to work with states in educating the public so that more individuals make positive donation decisions and document those decisions;
   g. In order to insure that more New Jersey residents become donors, it is necessary to provide curriculum in both secondary schools and institutions of higher education, as well as establish educational requirements for physicians and nurses, to dispel myths associated with organ donation, pro-
vide accurate information about the donation and recovery process, and emphasize the fundamental responsibility of individuals to take appropriate action, when able to do so, to help save another person’s life;

h. It is further necessary to provide residents with an accessible, secure means using the Internet, to register as organ donors in a way that ties the donation decision to a routine but necessary function, such as the receipt of a driver’s license or personal identification card, so that an interaction on the issue of organ donation occurs at or around the time New Jersey residents reach the age of majority; and

i. The combined initiatives provided for in this act will effectively achieve the State’s public policy goal to increase the number of organ and tissue donors in the State so that more lives can be saved or enhanced.

C.18A:7F-4.3 Information relative to organ donation given to students in grades 9 through 12.

3. a.    (1) The goals of the instruction shall be:

   (b) to fully address myths and misunderstandings regarding organ and tissue donation;

   (c) to explain the options available to adults, including the option of Designating a decision-maker to make the donation decision on one’s behalf; and

   (d) to instill an understanding of the consequences when an individual does not make a decision to become an organ donor and does not register or otherwise record a designated decision-maker;

   (2) The instruction shall inform students that beginning five years from the date of enactment of P.L.2008, c.48 (C.26:6-66 et al.), the New Jersey Motor Vehicle Commission will not issue or renew a New Jersey driver’s license or personal identification card unless a prospective or renewing licensee or card holder makes an acknowledgement regarding the donor decision pursuant to section 8 of P.L.2008, c.48 (C.39:3-12.4).
b. The Commissioner of Education, through the non-public school liaison in the Department of Education, shall make any related instructional materials available to private schools educating students in grades 9 through 12, or any combination thereof. Such schools are encouraged to use the instructional materials at the school; however, nothing in this subsection shall be construed to require such schools to use the materials.

7. If the commissioner has reason to believe that a condition exists or has occurred at an anatomical research recovery organization in violation of the provisions of this act, which is dangerous to the public health, he may order the organization to correct the violation and may immediately suspend the registration of the organization until the correction is completed. If a registrant denies that a violation exists or has occurred, the registrant shall have the right to apply to the commissioner for a hearing. The hearing shall
be held and a decision rendered within 48 hours of the receipt of the request. If the commissioner rules against the registrant, the registrant may apply to a court of competent jurisdiction for injunctive relief against the commissioner's order.

Except as provided in section 7 of this act, before denying to grant or renew a registration, or suspending or revoking a registration, pursuant to this act, the commissioner shall provide notice of the denial, revocation, or suspension, together with a specification of charges to the applicant or registrant, personally or by certified mail to the address of record, and the notice shall set forth the particular reasons for the denial, suspension, or revocation. The denial, suspension, or revocation shall become effective 30 days after mailing, unless the applicant or registrant, within the 30-day period, meets the requirements of the department or files with the department a written answer to the charges and gives written notice to the department of its desire for a hearing, in which case the denial, suspension, or revocation may be held in abeyance until the hearing has been concluded and a final decision rendered by the commissioner.

The commissioner shall afford the applicant or registrant an opportunity for a prompt hearing on the question of the granting, suspension, or revocation of the registration. The procedure governing the hearing shall be in accordance with the rules and regulations of the department. Either party may be represented by counsel of its own choosing, and has the right to subpoena witnesses and to compel their attendance on forms furnished by the department. The commissioner shall render a written decision stating conclusions and reasons therefor.

9. The commissioner shall adopt rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to
carry out the purposes of this act. The regulations may specify qualifications for personnel, including the medical director, employed at an anatomical research recovery organization and standards related to recovery of human bodies or parts.

10. This act shall take effect on the 180th day following enactment.

Approved July 22, 2008.

       portion of the record used to make the refusal, with the intent to revoke the
       refusal.

d. Except as otherwise provided in subsection h. of section 8 of this
   act, in the absence of an express, contrary indication by the person set forth
   in the refusal, a person's unrevoked refusal to make an anatomical gift of

   anatomical gift of the person's body or part.

C.26:6-84 Person other than donor prohibited from making anatomical gift, exceptions.

8. a. In the absence of an express, contrary indication by the donor, a

c. If a person other than the donor makes an unrevoked anatomical gift of the donor’s body or part pursuant to section 5 of this act or an amendment to an anatomical gift of the donor’s body or part pursuant to section 6 of this act, another person shall not make, amend, or revoke the gift of the donor’s body or part.

f. In the absence of an express, contrary indication by a donor or other person authorized to make an anatomical gift under this act, an anatomical gift of a part shall not be deemed to be a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or other person.

g. Notwithstanding the provisions of this section to the contrary, in the event of the death of a donor who is an unemancipated minor, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor’s body or part.

h. In the event of the death of an unemancipated minor who has signed a refusal, a parent of the minor who is reasonably available may revoke the minor’s refusal.

C.26:6-85 Person authorized to make anatomical gift of a decedent’s body.

9. a. (1) Subject to the provisions of this act, an anatomical gift of a decedent’s body or part may be made by any member of the following classes of persons who is reasonably available, in the order of priority listed:

(a) an agent of the decedent at the time of the decedent’s death who could have made an anatomical gift immediately before the decedent’s death pursuant to section 4 of this act;
(b) the spouse, civil union partner, or domestic partner of the decedent;
(c) an adult child of the decedent;
(d) either parent of the decedent;
(e) an adult sibling of the decedent;
(f) another adult who is related to the decedent by blood, marriage, or
adoption, or exhibited special care and concern for the decedent;
(g) a person who was acting as the guardian of the person of the dece­
dent at the time of the decedent’s death; and
(h) any other person having the authority to dispose of the decedent’s
body, including the administrator of a hospital in which the decedent was a
patient or resident immediately preceding death. In the absence of actual
notice of contrary indication by the decedent, the administrator shall make
an anatomical gift of a decedent’s body or part.

(2) If there is more than one member of a class as specified in subpara­
graphs (a) through (g) of paragraph (1) of this subsection who is entitled
to make an anatomical gift, a member of the class may make an anatomical
gift unless that member or a person to whom the gift may pass pursuant to
section 10 of this act knows of an objection by another member of the class.
If an objection is known, the gift shall be made only by a majority of the
members of the class who are reasonably available. Nothing in this subsec­
tion shall be construed to require that all members of the class authorize the
making of the gift or participate in the decision to make the gift.

(3) A person may not make an anatomical gift if, at the time of the de­
cedent’s death, a person in a prior class as specified in paragraph (1) of this
subsection is reasonably available to make or object to the making of an
anatomical gift.

b. (1) A person authorized to make an anatomical gift pursuant to sub­
section a. of this section may make an anatomical gift by a document of gift
signed by the person making the gift or by that person’s oral communica­
tion that is electronically recorded or is contemporaneously reduced to a
record and signed by the individual receiving the oral communication.

(2) Subject to the provisions of paragraph (3) of this subsection, an
anatomical gift by a person authorized to make the gift pursuant to subsec­
tion a. of this section may be amended or revoked orally or in a record by
any member of a prior class who is reasonably available. If more than one
member of the prior class is reasonably available, the gift made by the au­
thorized person may be:

(a) amended only if a majority of the reasonably available members
agree to amending the gift; or
(b) revoked only if a majority of the reasonably available members agree to revoking the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation made pursuant to paragraph (2) of this subsection shall be effective only if, before an incision has been made to remove a part from the donor’s body or before invasive procedures have begun to prepare the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation. A procurement organization, transplant hospital, or physician or technician with knowledge of a revocation shall make a best effort to communicate that information to the other parties involved in order to stop the anatomical gift recovery process.

C.26:6-86 Recipients of anatomical gift.

10. a. An anatomical gift may be made to the following persons or entities named in the document of gift:

(1) a hospital; accredited medical school, dental school, college, or university; organ procurement organization; or other appropriate person, for research or education;

(2) subject to the provisions of subsection b. of this section, an individual designated by the person making the anatomical gift if the individual is the recipient of the part; or

(3) an eye bank or tissue bank.

b. If an anatomical gift to an individual cannot be transplanted into the individual, the part shall pass in accordance with subsection f. of this section in the absence of an express, contrary indication by the person making the anatomical gift.

c. If there is more than one purpose of an anatomical gift set forth in the document of gift but the purposes are not set forth in any priority, the gift shall be used for transplantation or therapy, if suitable. If the gift cannot be used for transplantation or therapy, the gift may be used for research or education.

d. If an anatomical gift of one or more specific parts is made in a document of gift that does not name a person or entity as described in subsection a. of this section and does not identify the purpose of the gift, the gift shall be used only for transplantation or therapy, and shall pass in accordance with subsection f. of this section.

e. If a document of gift specifies only a general intent to make an anatomical gift by words such as “donor,” “organ donor,” or “body donor,” or by a symbol or statement of similar import, the gift shall include all parts, may be used only for transplantation or therapy, and shall pass in accordance with subsection f. of this section.
f. For the purposes of subsections b., d., and e. of this section, the following shall apply:
   (1) if the part is an eye, the gift shall pass to the appropriate eye bank;
   (2) if the part is tissue, the gift shall pass to the appropriate tissue bank; and
   (3) if the part is an organ, the gift shall pass to the appropriate organ procurement organization as custodian of the organ.

g. An anatomical gift of an organ for transplantation or therapy, other than an anatomical gift under paragraph (2) of subsection a. of this section, shall pass to the organ procurement organization as custodian of the organ.

h. If an anatomical gift does not pass pursuant to subsections a. through g. of this section or the decedent's body or part is not used for transplantation, therapy, research, or education, custody of the body or part shall pass to the person or entity under obligation to dispose of the body or part.

i. A person or entity shall not accept an anatomical gift if the person or entity knows that the gift was not effectively made pursuant to this act or that the decedent made a refusal pursuant to this act that was not revoked. For the purposes of the subsection, if a person or entity knows that an anatomical gift was made on a document of gift, the person or entity shall be deemed to know of any amendment or revocation of the gift or any refusal to make an anatomical gift on the same document of gift.

j. Except as otherwise provided in paragraph (2) of subsection a. of this section, nothing in this act shall be construed to affect the allocation of organs for transplantation or therapy.

C.26:6-87 Search for potential donor, document of refusal; permitted entities.

11. a. Upon the request of an organ procurement organization, the following persons shall make a reasonable search of an individual who the person reasonably believes is dead or whose death is imminent for a document of gift or other information identifying the individual as a donor or as an individual who made a refusal:
   (1) a law enforcement officer, firefighter, paramedic, or other emergency rescuer finding the individual; and
   (2) if no other source of the information is immediately available, a hospital, as soon as practical after the individual's arrival at the hospital.

b. If a document of gift or a refusal to make an anatomical gift is located by the search required pursuant to subsection a. of this section, the person responsible for conducting the search shall make the document of gift or refusal immediately available to the organ procurement organization.
c. A person shall not be subject to criminal or civil liability, but may be subject to administrative sanctions, for a failure to discharge the duties imposed pursuant to this section.

C.26:6-88 Delivery of document of gift or a refusal.
12. a. A document of gift need not be delivered during the donor’s lifetime to be effective.
   b. Upon or after an individual’s death, a person in possession of a document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to whom the gift may pass pursuant to section 10 of this act.

C.26:6-89 Notification by hospital relative to donor status.
13. a. A hospital shall notify an organ procurement organization or a third party designated by that organization of a person whose death is imminent or who has died in the hospital, in a timely manner sufficient to ensure that the examination, evaluation, and ascertainment of donor status as set forth in subsection d. of this section can be completed within a timeframe compatible with the donation of organs and tissues for transplant. The notification shall be made without regard to whether the person has executed an advance directive for health care.
   b. When a hospital refers a person who is dead or whose death is imminent to an organ procurement organization, the organization shall make a reasonable search of the records of the New Jersey Motor Vehicle Commission and any donor registry that it knows exists for the geographical area in which the person resides in order to ascertain whether the person has made an anatomical gift.
   c. (1) If the patient has a validly executed donor card, donor designation on a driver’s license, advance directive for health care, will, other document of gift, or registration with a Statewide organ and tissue donor registry, the procurement organization representative or the designated requester shall attempt to notify a person listed in section 9 of this act of the gift.
      If no document of gift is known to the procurement organization representative or the designated requester, one of those two individuals shall ask the persons listed in section 9 of this act whether the decedent had a validly executed document of gift. If there is no evidence of an anatomical gift or refusal by the decedent, the procurement organization representative or the
designated requester shall attempt to notify a person listed in section 9 of this act of the option to donate organs or tissues.

(2) The person in charge of the hospital or that person’s designated representative shall indicate in the medical record of the decedent whether or not a document of gift is known to exist, or otherwise whether consent was granted, the name of the person granting or refusing the consent, and that person’s relationship to the decedent.

d. When a hospital refers an individual who is dead or whose death is imminent to a procurement organization, and the organization has determined based upon a medical record review that the individual may be a prospective donor, then the organization may conduct any blood or tissue test or minimally invasive examination that is reasonably necessary to evaluate the medical suitability of a part that is or may be the subject of an anatomical gift for transplantation, therapy, research, or education from a donor or a prospective donor. The hospital shall not withdraw any measures that are necessary to maintain the medical suitability of the part until the procurement organization has had the opportunity to advise the applicable persons as set forth in section 9 of this act of the option to make an anatomical gift or has ascertained that the individual expressed a contrary intent. The results of such tests and examinations shall be used or disclosed only for purposes of evaluating medical suitability for donation and to facilitate the donation process, and as required or permitted by existing law.

e. At any time after a donor’s death, the person to whom an anatomical gift may pass pursuant to section 10 of this act may conduct any test or examination that is reasonably necessary to evaluate the medical suitability of the body or part for its intended purpose.

f. An examination conducted pursuant to this section may include an examination of all medical and dental records of the donor or prospective donor.

g. Upon the death of a minor who was a donor or had signed a refusal, the procurement organization shall, unless it knows the minor is emancipated, conduct a reasonable search for the parents of the minor and provide the parents with an opportunity to revoke or amend the anatomical gift or revoke the refusal.

h. Subject to the provisions of this act, the rights of a person or entity to whom a part passes pursuant to section 10 of this act shall be superior to the rights of all others with respect to that part. The person or entity may accept or reject an anatomical gift in whole or in part. Subject to the terms of the document of gift and the provisions of this act, a person or entity who accepts an anatomical gift of an entire body may allow embalming, burial or
cremation, and the use of remains in a funeral service. If the gift is of a part, the person or entity to which the part passes pursuant to section 10 of this act, upon the death of the donor and before embalming, burial or cremation, shall cause the part to be removed without unnecessary mutilation.

i. Neither the physician or registered professional nurse who attends the decedent at death nor the physician or registered professional nurse who determines the time of the decedent’s death may participate in the procedures for removing or transplanting a part from the decedent.

j. A physician or technician may remove a donated part from the body of a donor that the physician or technician is qualified to remove.

k. Each hospital or other licensed health care facility in this State shall be authorized to enter into such agreements or affiliations with procurement organizations as are necessary for the coordination of procurement and use of anatomical gifts.

C.26:6-90 Notification of death to procurement organization.

14. A person who seeks to facilitate the making of an anatomical gift, for the purposes of transplantation or therapy, from a decedent who was not a hospital patient at the time of death shall notify the procurement organization at or around the time of the person’s death in order to allow the organization to at least initially evaluate the potential donation and coordinate the donation process, as applicable.

C.26:6-91 Immunity from liability.

15. a. A person or entity shall be immune from liability for actions taken in accordance with, or in a good faith attempt to act in accordance with, the provisions of this act or the applicable anatomical gift law of another state.

b. Neither the person making an anatomical gift nor the donor’s estate shall be liable for any injury or damage that results from the making or use of the gift.

c. In determining whether an anatomical gift has been made, amended, or revoked pursuant to this act, a person or entity shall rely upon representations made by an individual as specified in section 9 of this act relating to the individual’s relationship to the donor or prospective donor unless the person knows that the representation is untrue.

16. a. A document of gift shall be valid if executed in accordance with:

(1) the provisions of this act;

(2) the laws of the state or country in which it is executed; or
(3) the laws of the state or country in which the person making the anatomical gift is domiciled, has a place of residence, or is a citizen at the time that the document of gift is executed.

b. The law of this State shall govern the interpretation of a valid document of gift to which the provisions of this act apply.

c. A person shall presume that a document of gift or amendment of an anatomical gift is valid unless the person knows that it was not validly executed or was revoked.

C.26:6-93 Requirements relative to donations from individuals having an advance directive.

17. If a hospital patient who is a prospective donor has executed an advance directive for health care, or has otherwise specified by record the circumstances under which the patient would want life support to be withheld or withdrawn from that person, and the terms of the advance directive or other record are in conflict with the option of making an anatomical gift by precluding the administration of measures necessary to ensure the medical suitability of a part for transplantation or therapy, the following requirements shall apply:

a. If the patient is determined to have decision making capacity pursuant to the provisions of P.L.1991, c.201 (C.26:2H-53 et seq.), then the patient shall, after consultation with the patient’s attending physician about the donor option and all other relevant factors in end-of-life decision making, make a determination concerning the withholding or withdrawing of treatment pursuant to existing law;

b. If the patient is determined to lack decision making capacity pursuant to section 8 of P.L.1991, c.201 (C.26:2H-60), then an agent acting pursuant to the patient’s advance directive or other record or, if no such agent has been designated by the patient or the agent is not reasonably available, another person authorized by law other than this act to make decisions on behalf of the patient with regard to the patient’s health care shall act for the patient to resolve the conflict.

The parties specified in this subsection shall seek to resolve the conflict as set forth therein as expeditiously as possible. Information relevant to the resolution of the conflict shall be obtained from the appropriate procurement organization and any other person authorized to make an anatomical gift for the patient pursuant to section 9 of this act.

Measures necessary to ensure the medical suitability of the part shall not be withheld or withdrawn from the patient prior to resolution of the conflict if the withholding or withdrawing is not contraindicated by the requirements of providing appropriate end-of-life care.
C.26:6-94 Cooperation of medical examiner with procurement organization.

18. a. Each medical examiner shall cooperate with any procurement organization to maximize the opportunity to recover anatomical gifts for the purpose of transplantation, therapy, research, or education.

b. A part shall not be removed from the body of a decedent under a medical examiner’s jurisdiction for transplantation, therapy, research, or education, nor delivered to a person for research or education, unless the part is the subject of an anatomical gift. The provisions of this section shall not be construed to preclude a medical examiner from performing an investigation as provided in P.L. 1967, c.234 (C.52:17B-78 et seq.) of a decedent under the medical examiner’s jurisdiction.

c. Upon the request of a procurement organization, the medical examiner shall release to the procurement organization the name, contact information, and available medical and social history of a decedent whose body is under the medical examiner’s jurisdiction. If the decedent’s body or part is medically suitable for transplantation, therapy, research, or education, the medical examiner shall release the post-mortem examination results to the procurement organization. The procurement organization shall make a subsequent disclosure of the post-mortem examination results or other information received from the medical examiner only if relevant to transplantation, therapy, research, or education.

C.26:6-95 Application, construction.

19. In applying and construing this uniform act, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among the states that enact it.

C.26:6-96 Acts modified, limited, superseded.

20. This act shall be deemed to modify, limit, and supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. s.7001 et seq., but not to modify, limit, or supersede Section 101(a) of that act, 15 U.S.C. s.7001(a), or to authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. s.7003(b).

21. N.J.S.2C:20-2 is amended to read as follows:

Consolidation of theft and computer criminal activity offenses; grading, provisions applicable to theft generally.

2C:20-2. a. Consolidation of Theft and Computer Criminal Activity Offenses. Conduct denominated theft or computer criminal activity in this
chapter constitutes a single offense, but each episode or transaction may be
the subject of a separate prosecution and conviction. A charge of theft or
computer criminal activity may be supported by evidence that it was com-
mitted in any manner that would be theft or computer criminal activity un-
der this chapter, notwithstanding the specification of a different manner in
the indictment or accusation, subject only to the power of the court to en-
sure fair trial by granting a bill of particulars, discovery, a continuance, or
other appropriate relief where the conduct of the defense would be preju-
diced by lack of fair notice or by surprise.

b. Grading of theft offenses.

(1) Theft constitutes a crime of the second degree if:
   (a) The amount involved is $75,000.00 or more;
   (b) The property is taken by extortion;
   (c) The property stolen is a controlled dangerous substance or con-
trolled substance analog as defined in N.J.S.2C:35-2 and the quantity is in
   excess of one kilogram;
   (d) The property stolen is a person's benefits under federal or State
   law, or from any other source, which the Department of Human Services or an
   agency acting on its behalf has budgeted for the person's health care and the
   amount involved is $75,000.00 or more; or
   (e) The property stolen is human remains or any part thereof; except
   that, if the human remains are stolen by deception or falsification of a
   document by which a gift of all or part of a human body may be made pur-
suant to P.L.2008, c.50 (C.26:6-77 et al.), the theft constitutes a crime of the
   first degree.

(2) Theft constitutes a crime of the third degree if:
   (a) The amount involved exceeds $500.00 but is less than $75,000.00;
   (b) The property stolen is a firearm, motor vehicle, vessel, boat, horse,
   domestic companion animal or airplane;
   (c) The property stolen is a controlled dangerous substance or con-
trolled substance analog as defined in N.J.S.2C:35-2 and the amount in-
volved is less than $75,000.00 or is undetermined and the quantity is one
   kilogram or less;
   (d) It is from the person of the victim;
   (e) It is in breach of an obligation by a person in his capacity as a fidu-
   ciary;
   (f) It is by threat not amounting to extortion;
   (g) It is of a public record, writing or instrument kept, filed or depos-
   ited according to law with or in the keeping of any public office or public
   servant;
(h) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is less than $75,000.00;

(i) The property stolen is any real or personal property related to, necessary for, or derived from research, regardless of value, including, but not limited to, any sample, specimens and components thereof, research subject, including any warm-blooded or cold-blooded animals being used for research or intended for use in research, supplies, records, data or test results, prototypes or equipment, as well as any proprietary information or other type of information related to research;

(j) The property stolen is a New Jersey Prescription Blank as referred to in R.S.45:14-14;

(k) The property stolen consists of an access device or a defaced access device; or

(l) The property stolen consists of anhydrous ammonia and the actor intends it to be used to manufacture methamphetamine.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00. If the amount involved was less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft or computer criminal activity shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts or computer criminal activities committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft or computer criminal activity was from or committed against the actor's spouse, except that misappropriation of household and personal effects, or other property normally
accessible to both spouses, is theft or computer criminal activity only if it occurs after the parties have ceased living together.

22. Section 1 of P.L.2007, c.36 (C.2C:22-2) is amended to read as follows:

C.2C:22-2 Disposition of body parts, criminal penalties imposed for certain offenses.
   1. a. A person who knowingly, for valuable consideration, purchases or sells a part for transplantation or therapy, if removal of a part from a donor is intended to occur after the donor's death, is guilty of a crime of the third degree and, notwithstanding the provisions of N.J.S.2C:43-3, shall be subject to a fine of not more than $50,000, as well as the term of imprisonment provided under N.J.S.2C:43-6, or both.

   Nothing in this subsection shall be construed to prohibit a person from charging a reasonable amount for the removal, processing, disposal, preservation, quality control, storage, transportation, or implantation of a part.

   b. A person who intentionally falsifies, forges, conceals, defaces, or obliterates a document by which a gift of all or part of a human body may be made pursuant to P.L.2008, c.50 (C.26:6-77 et al.), an amendment or revocation of such a document, or any death record or document of medical or social history pertaining to the body or part of the donor, or a refusal to make a gift, in order to obtain a financial benefit or gain, is guilty of a crime of the second degree and, notwithstanding the provisions of N.J.S.2C:43-3, shall be subject to a fine of not more than $50,000, as well as the term of imprisonment provided under N.J.S.2C:43-6, or both.

   c. As used in this section, the terms "decedent," "donor," "part," and "person" have the meaning ascribed to them in section 2 of P.L.2008, c.50 (C.26:6-78).

23. Section 6 of P.L.1995, c.257 (C.26:6-58.5) is amended to read as follows:

C.26:6-58.5 Transplant recovery technician's recovery of human body part.
   6. A technician as defined in section 2 of P.L.2008, c.50 (C.26:6-78) may recover a human body part for any purpose specified in P.L.2008, c.50 (C.26:6-77 et al.). A physician shall not be required to be present during the recovery procedure. Nothing in this section shall be construed to limit a physician or other person authorized by law to recover human body parts pursuant to law.
License of drivers; classifications.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless the person is under supervision while participating in a behind-the-wheel driving course pursuant to section 6 of P.L.1977, c.25 (C.39:3-13.2a) or is in possession of a validated permit, or a provisional or basic driver's license issued to him in accordance with this article.

No person under 18 years of age shall be issued a basic license to drive motor vehicles, nor shall a person be issued a validated permit, including a validated examination permit, until he has passed a satisfactory examination and other requirements as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road. No person shall sit for an examination for any permit without exhibiting photo identification deemed acceptable by the commission, unless that person is a high school student participating in a course of driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1). The commission may waive the written law knowledge examination for any person 18 years of age or older possessing a valid driver's license issued by any other state, the District of Columbia or the United States Territories of American Samoa, Guam, Puerto Rico or the Virgin Islands. The commission shall be required to provide that person with a booklet that highlights those motor vehicle laws unique to New Jersey. A road test shall be required for a provisional license and serve as a demonstration of the applicant's ability to operate a vehicle of the class designated. No person shall sit for a road test unless that person exhibits photo identification deemed acceptable by the commission. A high school student who has completed a course of behind-the-wheel automobile driving education approved by the State Department of Education and conducted in a public, parochial or private school of this State, who has been issued a special learner's permit pursuant to section 1 of P.L.1950, c.127 (C.39:3-13.1) prior to January 1, 2003, shall not be required to exhibit photo identification in order to sit for a road test. The commission may waive the road test for any person 18 years of age or older possessing a valid driver's license issued by any other state, the District of Columbia or the United States Territories of American Samoa, Guam, Puerto Rico or the Virgin Islands. The
CHAPTER 50, LAWS OF 2008

road test shall be given on public streets, where practicable and feasible, but may be preceded by an off-street screening process to assess basic skills. The commission shall approve locations for the road test which pose no more than a minimal risk of injury to the applicant, the examiner and other motorists. No new locations for the road test shall be approved unless the test can be given on public streets.

The commission shall issue a basic driver's license to operate a motor vehicle other than a motorcycle to a person over 18 years of age who previously has not been licensed to drive a motor vehicle in this State or another jurisdiction only if that person has: (1) operated a passenger automobile in compliance with the requirements of this title for not less than one year, not including any period of suspension or postponement, from the date of issuance of a provisional license pursuant to section 4 of P.L.1950, c.127 (C.39:3-13.4); (2) not been assessed more than two motor vehicle points; (3) not been convicted in the previous year for a violation of R.S.39:4-50, section 2 of P.L.1981, c.512 (C.39:4-50.4a), P.L.1992, c.189 (C.39:4-50.14), R.S.39:4-129, N.J.S.2C:12-5, subsection c. of N.J.S.2C:12-1, or any other motor vehicle-related violation the commission determines to be significant and applicable pursuant to regulation; and (4) passed an examination of his ability to operate a motor vehicle pursuant to this section.

The commission shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health and Senior Services concerning the use of alcohol or drugs as related to highway safety. The commission shall develop in conjunction with the State Department of Health and Senior Services supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Up to 20 questions may be added to the examination on subjects to be determined by the commission that are of particular relevance to youthful drivers, after consultation with the Director of the Office of Highway Traffic Safety.

The commission shall expand the driver's license examination to include a question asking whether the applicant is aware of the provisions of the "Revised Uniform Anatomical Gift Act," P.L.2008, c.50 (C.26:6-77 et al.) and the procedure for indicating on the driver's license the intention to make a donation of body organs or tissues pursuant to P.L.1978, c.181 (C.39:3-12.2).

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the commission any current driver's license issued to him by another state or jurisdiction upon his receipt of a driver's license for this State. The commission shall refuse to
issue a driver's license if the applicant fails to comply with this provision. An applicant for a permit or license who is less than 18 years of age, and who holds a permit or license for a passenger automobile issued by another state or country that is valid or has expired within a time period designated by the commission, shall be subject to the permit and license requirements and penalties applicable to State permit and license applicants who are of the same age; except that if the other state or country has permit or license standards substantially similar to those of this State, the credentials of the other state or country shall be acceptable.

The commission shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering.

b. Omnibuses as classified by R.S.39:3-10.1 and school buses classified under N.J.S.18A:39-1 et seq.

c. (Deleted by amendment, P.L.1999, c.28).

d. All motor vehicles not included in classifications a. and b. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. shall be a holder of a basic driver's license. Any issuance of a license under classification b. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The commission, upon payment of the lawful fee and after it or a person authorized by it has examined the applicant and is satisfied of the applicant's ability as an operator, may, in its discretion, issue a license to the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The commission may, at its discretion and for good cause shown, issue licenses which shall expire on a date fixed by it. If the commission issues a license to a person who has demonstrated authorization to be present in the United States for a period of time shorter than the standard period of the license, the commission shall fix the expiration date of the license at a date based on the period in which the person is authorized to be present in the
United States under federal immigration laws. The commission may renew such a license only if it is demonstrated that the person's continued presence in the United States is authorized under federal law. The fee for licenses with expiration dates fixed by the commission shall be fixed by the commission in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:

Motorcycle license or endorsement: $18.
Omnibus or school bus endorsement: $18.
Basic driver's license: $18.

The commission shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the commission's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The commission shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made in a manner prescribed by the commission and in accordance with procedures established by it.

The commission in its discretion may refuse to grant a permit or license to drive motor vehicles to a person who is, in its estimation, not a proper person to be granted such a permit or license, but no defect of the applicant shall debar him from receiving a permit or license unless it can be shown by tests approved by the commission that the defect incapacitates him from safely operating a motor vehicle.

In addition to requiring an applicant for a driver's license to submit satisfactory proof of identity and age, the commission also shall require the applicant to provide, as a condition for obtaining a permit and license, satisfactory proof that the applicant's presence in the United States is authorized under federal law.

If the commission has reasonable cause to suspect that any document presented by an applicant as proof of identity, age or legal residency is altered, false or otherwise invalid, the commission shall refuse to grant the permit or license until such time as the document may be verified by the issuing agency to the commission's satisfaction.

A person violating this section shall be subject to a fine not exceeding $500 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200 and, in addition,
the court shall issue an order to the commission requiring the commission to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the commission.

AN ACT concerning sunken or abandoned vessels, amending and supplementing P.L.1975, c.369, and amending various sections of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1962, c.73 (C.12:7-34.39) is amended to read as follows:

C.12:7-34.39 Application for vessel number; certificate; display.

4. (a) The owner of a vessel required to be numbered in this State shall file an application with the New Jersey Motor Vehicle Commission on forms approved by it. The application shall be signed by the owner and shall be accompanied by the fee prescribed by this act for such vessel. Upon receipt of the application in the approved form and the prescribed fee, the New Jersey Motor Vehicle Commission shall enter the same upon the records of its office and issue to the applicant a pocket-size, laminated or otherwise water resistant certificate of number, which shall state the name and address of the owner, a description of the vessel, its use, and the number assigned.
(b) Except as provided herein, the certificate of number shall be avail­able at all times for inspection on the vessel for which issued whenever such vessel is in operation. The certificate of number for vessels less than 26 feet in length and leased or rented to another for the latter's noncommer­cial use of less than 24 hours may be retained on shore by the vessel's owner or his representative at the place from which the vessel departs or returns to the possession of the owner or his representative; provided such substitute as the New Jersey Motor Vehicle Commission may prescribe by regulation is carried on board.

(c) The number assigned to a vessel shall be displayed on each side of the bow thereof, as prescribed by regulations of the New Jersey Motor Ve­hicle Commission, using letters and numerals not less than three inches in height; except that this provision shall not apply to a one-design class racing sailboat, without power installed either inboard or outboard, which is required to be numbered under section 3 of P.L.1962, c.73 (C.12:7-34.38). No other number shall be displayed on the bow.

(d) No application for a vessel number shall be approved if the appli­cant or owner has been found to have violated section 3 of P.L.1975, c.369 (C.12:7C-9) or subsection b. of section 10 of P.L.1975, c.369 (C.12:7C-16), until the New Jersey Motor Vehicle Commission has been notified by the appropriate municipality or harbor commission that all outstanding charges for vessel removal, storage, and destruction costs have been satisfied.

2. Section 3 of P.L.1995, c.401 (C.12:7-72) is amended to read as fol­lows:

C.12:7-72 Issuance of license to operate power vessel; requirements.

3. a. (1) Upon proper application therefor, the Chief Administrator of the New Jersey Motor Vehicle Commission shall license a person to operate a power vessel on the nontidal waters of this State. A person shall not make any misstatement of fact in an application for a power vessel operator's li­cense.

(2) The New Jersey Motor Vehicle Commission shall not issue or re­new the license of any person who has been found to have violated section 3 of P.L.1975, c.369 (C.12:7C-9) or subsection b. of section 10 of P.L.1975, c.369 (C.12:7C-16), until the New Jersey Motor Vehicle Commission has been notified by the appropriate municipality or harbor commission that all outstanding charges for vessel removal, storage, and destruction costs have been satisfied.

b. Except as provided pursuant to subsections c. and g. of this section:
(1) A person shall not operate a power vessel on the nontidal waters of this State without being licensed by the Chief Administrator of the New Jersey Motor Vehicle Commission; and

c. A person is not required to be licensed pursuant to subsection b. of this section when operating a power vessel:
   (1) powered solely by a motor of less than one horsepower or an electric motor of 12 volts or less;
   (2) that is 12 feet or greater in length and powered by a motor, or combination of motors, of less than 10 horsepower;
   (3) while actually competing in an authorized race held under the auspices of a duly incorporated yacht club or racing association in accordance with rules and regulations prescribed by the Division of State Police in the Department of Law and Public Safety and pursuant to a permit duly issued by that division;
   (4) if the person is an out-of-State resident and has written proof, while operating the power vessel, of successful completion of a boat safety course substantially similar to the boat safety course administered pursuant to section 1 of P.L.1987, c.453 (C.12:7-60).

d. Except as provided pursuant to subsection c. of this section, a person shall have in his possession a proper license at all times when operating a power vessel on nontidal waters and shall exhibit the license to any law enforcement officer upon request. Failure of a person to exhibit such license upon request shall be presumptive evidence that the person is not a licensed operator.

e. A person who violates the provisions of subsection b. of this section shall be subject to a fine of not more than $500 or to a term of imprisonment not to exceed 60 days, or both, except that:
   (1) A person who has never been licensed to operate a power vessel on the nontidal waters of this State or any other jurisdiction shall be subject to a fine of not less than $200 and, in addition, the court shall issue an order to the Chief Administrator of the New Jersey Motor Vehicle Commission requiring the chief administrator to refuse to issue a license to operate a power vessel on the nontidal waters of this State to that person for a period of not less than 180 days; and
   (2) A person who can exhibit to the court before which the person is summoned to answer to the charge a valid operator's license issued to that person which was valid on the day that person was charged shall be subject to a fine of not more than $100, in addition to any reasonable court costs the
court may impose. Notwithstanding the provisions of this subsection, the court may, in its discretion, dismiss a charge regarding the failure to exhibit an operator's license brought pursuant to the provisions of this section.

f. The penalties provided for pursuant to subsection e. of this section shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the New Jersey Motor Vehicle Commission.

g. A person who is under 16 years of age and was issued an operator's license pursuant to section 7 of P.L.1954, c.236 (C.12:7-34.7) before July 1, 1996 may operate a power vessel equipped with an outboard motor until the expiration date of that license.

3. Section 13 of P.L.1995, c.401 (C.12:7-82) is amended to read as follows:

C.12:7-82 Revocation, suspension of privilege to operate power vessel; conditions.

13. a. A court may revoke or suspend the privilege of a person to operate a power vessel if that person has been convicted of homicide in connection with the operation of a motor vehicle or of operating a motor vehicle while under the influence of intoxicating liquor or a narcotic, hallucinogenic or habit producing drug.

b. A court may revoke or suspend the privilege of a person to operate a power vessel if that person has been charged with a homicide in connection with the operation of a motor vehicle or of operating a vessel or motor vehicle while under the influence of intoxicating liquor or a narcotic, hallucinogenic or habit producing drug, pending disposition of that charge, or for any other violation of any of the provisions of chapter 7 of Title 12 of the Revised Statutes or of any rule or regulation prescribed thereunder by the Chief Administrator of the New Jersey Motor Vehicle Commission or the commission.

c. A court shall revoke or suspend the privilege of a person to operate a power vessel if that person has been charged with or convicted of homicide in connection with the operation of a vessel.

d. When a person's privilege to operate a power vessel is revoked or suspended, that person shall have an opportunity to be heard. Attendance of witnesses to such hearing may be compelled by subpoena.

e. Failure of the licensee or any other person possessing the license card to deliver the same to the suspending or revoking court, or the Chief Administrator of the New Jersey Motor Vehicle Commission if so ordered, shall constitute a violation. A court that suspends or revokes a license shall promptly place the license card in the custody of the New Jersey Motor Ve-
hicle Commission, except when the New Jersey Motor Vehicle Commission shall otherwise direct.

f. The New Jersey Motor Vehicle Commission shall have the exclusive power to restore a person's privilege to operate a power vessel and may restore that privilege after the person pays to the Chief Administrator of the New Jersey Motor Vehicle Commission a $100 restoration fee. Unless otherwise specified, whenever a license is revoked pursuant to this section a new license shall not be issued to the person whose license is revoked for at least six months after the date of such revocation, as determined by the Chief Administrator of the New Jersey Motor Vehicle Commission.

g. The court may revoke or suspend the privilege of a person to operate a power vessel if that person has been found to have violated section 3 of P.L.1975, c.369 (C.12:7C-9) or subsection b. of section 10 of P.L.1975, c.369 (C.12:7C-16), and all outstanding charges for vessel removal, storage, and destruction costs have not been satisfied.

4. Section 1 of P.L.1975, c.369 (C.12:7C-7) is amended to read as follows:

C.12:7C-7 Short title amended.
1. This act shall be known and may be cited as the "Abandoned or Sunken Vessels Disposition Law."

5. Section 2 of P.L.1975, c.369 (C.12:7C-8) is amended to read as follows:

C.12:7C-8 Definitions.
2. The following terms whenever used or referred to in this act shall have the following meanings unless a different meaning clearly appears from the context:
   a. "Vessel" means a boat, ship, or any other watercraft, regardless of whether it is, or was, used for recreational, commercial, or industrial purposes, or any other purpose, other than a seaplane on the water, used or capable of being used as a means of transportation on the water, except a boat or watercraft which is subject to the provisions of P.L.1969, c.264 (C.12:7C-1 et seq.), and includes any trailer used to transport or store it.
   b. "Owner" means a person or any other legal entity, other than a lienholder, having a property interest in or title to a vessel. The term includes a person entitled to the use or possession of a vessel subject to an interest of another person, reserved or created by agreement and securing payment or
performance of an obligation, but the term excludes a lessee under a lease not intended as security.

c. "Lienholder" means any person or any other legal entity holding a security interest in or to a vessel.

d. "Security interest" means an interest which is reserved or created by an agreement which secures payment or performance of an obligation and is valid against third parties generally.

f. "Waters of this State" means all waters within the jurisdiction of this State, both tidal and nontidal, and the marginal sea adjacent to this State to a distance of three nautical miles from the shoreline.

g. "Removal costs" means any or all costs associated with the removal, raising, towing, transporting, cleaning, storage, or destruction of any vessel from land or water and shall include the reimbursement of any or all costs incurred by the applicant in the course of acquiring title to an abandoned vessel, including acquiring title to any trailer abandoned with the vessel.

h. "Municipal waterway" means any portion of a body of water located within a municipality or any portion of a body of water over which a municipality or harbor commission legally exercises jurisdiction.

6. Section 3 of P.L.1975, c.369 (C.12:7C-9) is amended to read as follows:

C.12:7C-9 Abandonment of vessel, removal, impoundment; incident report, penalty.

3. a. It shall be unlawful for any owner to abandon any vessel to or upon public land or waters of this State, including any municipal waterway, to or upon any municipally-owned land, or to or upon any private property or the water immediately adjacent thereto without the consent of the official designated by law to have jurisdiction over such public land or waterway, or the owner or other person in charge of the private property except when an emergency exists.

b. (1) A vessel which has remained moored, grounded, docked, or otherwise attached or fastened to or upon any public land or waterway or any private property without such consent for a period of more than seven days, or which is submerged partially or completely into the water for any period of time, may be impounded if an official authorized by statute or ordinance to enforce regulations related to municipal waterways or a law enforcement officer having enforcement authority has reason to believe the vessel has been abandoned.
(2) The vessel may be removed from a municipal waterway by, or at the direction of, the municipality or harbor commission and may be impounded under the provisions of paragraph (1) of this subsection and removed to a storage space, and its registration certificate and registration plates seized.

(3) The owner shall be responsible for the cost of the removal and storage of the impounded vessel.

(4) Whenever a vessel is removed pursuant to this subsection, the official designated by law to have jurisdiction over the municipal waterway shall file an incident report with the New Jersey Motor Vehicle Commission.

c. (1) An owner who violates the provisions of subsection a. of this section shall be liable to a civil penalty of not more than $1,000. Each day upon which the violation continues shall constitute a separate offense.

(2) The civil penalty imposed pursuant to this subsection shall be collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), in a summary proceeding. An official authorized by statute or ordinance to enforce regulations related to municipal waterways or a law enforcement officer having enforcement authority in that municipality may issue a summons for a violation of the provisions of this section and may serve and execute all process with respect to the enforcement of this section consistent with the Rules of Court. A penalty recovered under the provisions of this section shall be recovered by and in the name of the State by the local municipality. The penalty shall be paid into the treasury of the municipality in which the violation occurred for the general uses of the municipality.

7. Section 4 of P.L.1975, c.369 (C.12:7C-10) is amended to read as follows:

C.12:7C-10 Presumption that vessel is abandoned, acquisition of title, reclamation.

4. If the owner of the vessel fails to claim the impounded vessel and pay the reasonable costs of removal and storage by midnight of the 30th day following impoundment, it shall be prima facie evidence of abandonment and shall establish a rebuttable presumption that the vessel is abandoned. A landowner, his lessee, or his agent, or a municipality or harbor commission, in the case of a municipal waterway, may institute proceedings to acquire title to any abandoned vessel on his land or the water immediately adjacent thereto in the case of a landowner, his lessee, or his agent, or which has become abandoned in a municipal waterway, in the case of a municipality or harbor commission. The acquisition of title divests any
other person and any other legal entity, including lienholders, of any interest in the vessel.

At any time prior to the final acquisition of title by the landowner, his lessee, his agent, or a municipality or harbor commission, the owner or a lessor or holder of a lien on the vessel may reclaim possession of it upon payment of the reasonable costs of removal and storage of the vessel and any outstanding penalties and court costs assessed against him; provided, however, that if it is a lessor or the holder of a lien who is reclaiming the vessel, he may reclaim the vessel without payment for the storage but shall pay the costs of removal. In such cases, the owner of the vessel shall be liable for all outstanding costs, fines and penalties, and the municipality shall have a lien against the property and income of that violator for the total amount of those outstanding costs, fines, and penalties if the vessel has been abandoned in a municipal waterway or on municipally-owned land.

8. Section 5 of P.L.1975, c.369 (C.12:7C-11) is amended to read as follows:

C.12:7C-11 Notification of owner, lienholder.

5. If a vessel has a boat registration number or other means of identifying the owner thereof, the person, entity, municipality, or harbor commission desiring to acquire title, shall, if possible, secure the owner's last known address, and the lienholder, if any, appearing on the records of the commission, and shall notify the owner by registered letter to his last known address and the lienholder by registered letter at the address of the lienholder appearing on the records of the commission that if ownership is not claimed and the vessel removed within 30 days, title to the vessel will be applied for in his or its name, or in the name of the municipality, or harbor commission, as appropriate. If any vessel's owner cannot be identified or his address ascertained, or no lienholder appears on the records of the commission, the registered letter need not be sent.

9. Section 6 of P.L.1975, c.369 (C.12:7C-12) is amended to read as follows:

C.12:7C-12 Notice of intent to acquire title; publication; contents.

6. The person, entity, municipality, or harbor commission desiring to acquire title shall also place a notice in a newspaper of general circulation published in the county or municipality where the vessel is located, describing the vessel, its location of abandonment, any identifying number, and
shall state if the vessel is not claimed and removed within 30 days after the publication date of the notice, the person, entity, municipality, or harbor commission, as the case may be, will apply for title to the vessel in the person's, entity's, municipality's, or harbor commission's name.

10. Section 7 of P.L.1975, c.369 (C.12:7C-13) is amended to read as follows:

C.12:7C-13 Application for title.
7. At the end of the 30-day period the person, entity, municipality, or harbor commission desiring to acquire title shall apply to the court for an order directing the commission for transfer of title to the vessel. In the event the order is granted, the person, entity, municipality, or harbor commission shall provide the commission with a copy of the order accompanied by the following affidavits:
   a. A statement that the vessel has been abandoned.
   b. Proof that the registered letter was mailed at least 30 days before application or a detailed explanation of the unsuccessful steps taken to identify and secure the address of the owner or lienholder, or both.
   c. Proof that a notice was printed in a paper as required in section 6 of P.L.1975, c.369 (C.12:7C-12).

11. Section 8 of P.L.1975, c.369 (C.12:7C-14) is amended to read as follows:

C.12:7C-14 Issuance of title to vessel.
8. Upon receipt of the material required in section 7 of P.L.1975, c.369 (C.12:7C-13) and upon payment of any fees and taxes due, the commission shall issue the applicant a title to the vessel.

12. Section 9 of P.L.1975, c.369 (C.12:7C-15) is amended to read as follows:

9. All costs incurred in receiving title to a vessel under P.L.1975, c.369 (C.12:7C-7 et seq.) shall be borne by the applicant. In the case of an applicant that is a municipality or a harbor commission, the applicant may recover all costs incurred in receiving title to an abandoned vessel from the previous owner of the vessel in the same manner as the recovery of the removal or destruction costs authorized under subsection a. of section 10 of P.L.1975, c.369 (C.12:7C-16).
13. Section 10 of P.L.1975, c.369 (C.12:7C-16) is amended to read as follows:

C.12:7C-16 Removal of vessel, costs; violations, penalties.

10. a. After receiving title, if the applicant desires to remove an abandoned vessel from the applicant’s land or the water immediately adjacent thereto, or from a municipal waterway or land owned by the municipality, or to destroy such vessel, any costs incurred by the applicant shall be borne by the previous owner of the vessel, provided that the owner shall have been identified pursuant to section 5 or 6 of P.L.1975, c.369 (C.12:7C-11 or C.12:7C-12).

b. (1) A previous owner who does not pay the removal cost of the vessel, or who does not reimburse the applicant for the removal cost of the vessel, shall be liable to a civil penalty of not more than $1,000, in addition to any penalty that may be imposed under section 3 of P.L.1975, c.369 (C.12:7C-9).

(2) The civil penalty imposed pursuant to this subsection shall be collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), in a summary proceeding. An official authorized by statute or ordinance to enforce regulations related to municipal waterways or a law enforcement officer having enforcement authority in that municipality may issue a summons for a violation of the provisions of this section and may serve and execute all process with respect to the enforcement of this section consistent with the Rules of Court. A penalty recovered under the provisions of this section shall be recovered by and in the name of the State by the local municipality. The penalty shall be paid into the treasury of the municipality in which the violation occurred for the general uses of the municipality.

14. Section 11 of P.L.1975, c.369 (C.12:7C-17) is amended to read as follows:

16. Section 13 of P.L.1975, c.369 (C.12:7C-19) is amended to read as follows:

c. The commissioner:

   (1) shall, by regulation, establish standards for determining eligibility and other program requirements, including, but not limited to, restrictions on voluntary disenrollments from existing health insurance coverage;

   (2) shall require that a parent or caretaker who is a qualified applicant purchase coverage, if available, through an employer-sponsored health insurance plan which is determined to be cost-effective and is approved by the commissioner, and shall provide assistance to the qualified applicant to purchase that coverage, except that the provisions of this paragraph shall not be construed to require an employer to provide health insurance coverage for any employee or employee's spouse or dependent child;

   (1) A streamlined application form as established pursuant to subsection k. of this section;

   (2) Require new applicants to submit one recent pay stub from the applicant's employer, or, if the applicant has more than one employer, one from each of the applicant's employers, to verify income. In the event the applicant cannot provide a recent pay stub, the applicant may submit another form of income verification as deemed appropriate by the commissioner. If an applicant does not submit income verification in a timely manner, before determining the applicant ineligible for the program, the commissioner shall seek to verify the applicant's income by reviewing available Department of the Treasury and Department of Labor and Work-

enrollee's annual eligibility expires. The commissioner shall establish such
auditing or income verification procedures, as provided in paragraph (2) of
this subsection; and

(6) Provision of program eligibility-identification cards that are issued
no more frequently than once a year.

e. The commissioner shall take, or cause to be taken, any action nec-
essary to secure for the State the maximum amount of federal financial par-
ticipation available with respect to the program, subject to the constraints of
fiscal responsibility and within the limits of available funding in any fiscal
year. In this regard, notwithstanding the definition of "qualified applicant," the
commissioner may enroll in the program such children or their parents
or caretakers who may otherwise be eligible for the Medicaid program in
order to maximize use of federal funds that may be available pursuant to 42
U.S.C. s.1397aa et seq.

f. Subject to federal approval, a child shall be determined ineligible
for the program if the child was voluntarily disenrolled from employers-
sponsored group insurance coverage within six months prior to application
to the program.
g. The commissioner shall provide, by regulation, for presumptive eligibility for the program in accordance with the following provisions:

(1) A child who presents himself for treatment at a general hospital, federally qualified or community health center, local health department that provides primary care, or other State licensed community-based primary care provider shall be deemed presumptively eligible for the program if a preliminary determination by hospital, health center, local health department or licensed health care provider staff indicates that the child meets program eligibility standards and is a member of a household with an income that does not exceed 350% of the poverty level;

(2) The provisions of paragraph (1) of this subsection shall also apply to a child who is deemed presumptively eligible for Medicaid coverage pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.);

(3) The parent or caretaker of a child deemed presumptively eligible pursuant to this subsection shall be required to submit a completed application for the program no later than the end of the month following the month in which presumptive eligibility is determined;

(4) A child shall be eligible to receive all services covered by the program during the period in which the child is presumptively eligible; and

(5) The commissioner may, by regulation, establish a limit on the number of times a child may be deemed presumptively eligible for NJ FamilyCare.

h. The commissioner, in consultation with the Commissioner of Education, shall administer an ongoing enrollment initiative to provide outreach to children throughout the State who may be eligible for the program.

(1) With respect to school-age children, the commissioner, in consultation with the Commissioner of Education and the Secretary of Agriculture, shall develop a form that provides information about the NJ FamilyCare and Medicaid programs and provides an opportunity for the parent or guardian who signs the school lunch application form to give consent for information to be shared with the Department of Human Services for the purpose of determining eligibility for the programs. The form shall be attached to, included with, or incorporated into, the school lunch application form.

The commissioner, in consultation with the Commissioner of Education, shall establish procedures for schools to transmit information attached to, included with, or provided on the school lunch application form regarding the NJ FamilyCare and Medicaid programs to the Department of Human Services, in order to enable the department to determine eligibility for the programs.
(2) The commissioner or the Commissioner of Education, as applicable, shall:

(a) make available to each elementary and secondary school, licensed child care center, registered family day care home, unified child care agency, local health department that provides primary care, and community-based primary care provider, informational materials about the program, including instructions for applying online or by mail, as well as copies of the program application form.

The entity shall make the informational and application materials available, upon request, to persons interested in the program; and

(b) request each entity to distribute a notice at least annually, as developed by the commissioner, to households of children attending or receiving its services or care, informing them about the program and the availability of informational and application materials. In the case of elementary and secondary schools, the information attached to, included with, or incorporated into, the school lunch application form for school-age children pursuant to this subparagraph shall be deemed to meet the requirements of this paragraph.

i. Subject to federal approval, the commissioner shall, by regulation, establish that in determining income eligibility for a child, any gross family income above 200% of the poverty level, up to a maximum of 350% of the poverty level, shall be disregarded.

j. The commissioner shall establish a NJ FamilyCare coverage buy-in program through which a parent or caretaker whose family income exceeds 350% of the poverty level may purchase coverage under NJ FamilyCare for a child under the age of 19, who is uninsured and was not voluntarily disenrolled from employer-sponsored group insurance coverage within six months prior to application to the program. The program shall be known as NJ FamilyCare Advantage.

The commissioner shall establish the premium and cost sharing amounts required to purchase coverage, except that the premium shall not exceed the amount the program pays per month to a managed care organization under NJ FamilyCare for a child of comparable age whose family income is between 200% and 350% of the poverty level, plus a reasonable processing fee.

k. The commissioner, in consultation with the Rutgers Center for State Health Policy, shall develop a streamlined application form for the NJ FamilyCare and Medicaid programs.

l. Subject to federal approval, the Commissioner of Human Services shall establish a hardship waiver for part or all of the premium for an eligible child under the NJ FamilyCare program. A parent or caretaker may ap-
ply to the commissioner for a hardship waiver in a manner and form estab-
lished by the commissioner. If the parent or caretaker can demonstrate to
the satisfaction of the commissioner, pursuant to regulations adopted by the
commissioner, that payment of all or part of the premium for the parent or
caretaker's child presents a hardship, the commissioner shall grant the
waiver for a prescribed period of time.

3. This act shall take effect on the 90th day after enactment.

Approved August 5, 2008.

If such a request is made, an overseas ballot shall be sent in a timely manner to the voter for all such elections.

   c. is accompanied by the following statement, which shall be certified by the voter's signature: "I understand that by transmitting by electronic

secret ballot. At the same time, I pledge to place the original voted ballot in
a secure envelope, together with any other required certification, and send
the documents immediately by air mail to the appropriate county board of

16. Section 4 of P.L.1995, c.195 (C.19:59-15) is amended to read as
follows:

C.19:59-15 Procedure relative to ballot transmitted by electronic means.

4. a. Immediately after a copy of the voted overseas ballot or federal

P.L.1995, c.195 (C.19:59-14), the overseas voter shall place the original
voted ballot in a secure envelope, together with a certificate substantially
the same as provided for in section 9 of P.L.1976, c.23 (C.19:59-9), and
send the documents by air mail to the appropriate county board of elections.

b. All copies of voted ballots received by electronic means shall be
approved, disapproved, processed and counted, and disputes in connection
therewith shall be handled, in the same manner as is applicable to other ab­
sentee ballots. No ballot received after the time designated for the closing
of the polls shall be counted.

c. The county board of elections shall take all necessary precautions
to preserve the security of the ballot materials and specifically shall ensure
that the vote cast by a voter using a ballot transmitted by electronic means
is not revealed, except to the extent necessary by law or judicial determina­
tion. Upon the completion of all inspections of a ballot transmitted by elec­
tronic means required by law, the board or any employee thereof acting un­
der its direction shall promptly separate the waiver certification from the
ballot transmitted by electronic means. Any person handling such a ballot
shall not identify the votes cast by any voter, except upon judicial determi­
nation.

d. Prior to certification of the results of the election, the county board
shall:

(1) compare the information on the copy transmitted by electronic
means of each voted ballot with the same on the original voted ballot sent
by air mail by the voter who transmitted to the county board a copy of the
voted ballot by electronic means, and the signature on the statement re­
ceived by electronic means with the signature on the certificate received by
air mail; and
(2) ascertain whether an original voted ballot has been received for each copy of a voted ballot received by electronic means and counted. Whenever the particulars of the copy of a voted ballot transmitted by electronic means do not conform exactly with the particulars of the original voted ballot sent by air mail to the county board afterwards by that voter and whenever an original voted ballot has not been received which corresponds to a copy of a voted ballot transmitted by electronic means which has been received and counted by the county board, those ballots and all other pertinent documents and information relative to those ballots shall be turned over to the superintendent of elections in counties having a superintendent and the prosecutor in all other counties for further investigation and action.

e. Within 30 days after the election, the county board shall gather and keep together the copy of the voted ballot transmitted by electronic means, the certified statement and the original voted ballot sent by air mail of each voter who transmitted a copy of a voted ballot by electronic means. Those ballots needed for an investigation conducted by the superintendent of elections or the county prosecutor, as the case may be, or by any other law enforcement official shall be returned to the county board as soon as practicable after the conclusion of the investigation. All ballots and documents relative to a copy of a voted ballot transmitted by electronic means and received by the county board shall be retained by it for a period of one year following the day of the election. The superintendent of elections in counties having a superintendent and the prosecutor in all other counties shall have the authority to impound all such documents whenever the superintendent or prosecutor shall deem such action necessary.

CHAPTER 65

AN ACT concerning the investment of certain municipal funds, supplementing chapter 5 of Title 40A of the New Jersey Statutes, and amending P.L.1992, c.79.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.40A:5-14.2 Findings, declarations relative to investment of certain municipal funds.
1. The Legislature finds and declares:
   a. Elected municipal officials are the stewards for the property owned by the municipality.
   b. It is sometimes necessary or desirable for the municipality to sell some of its assets that are no longer needed for a public purpose.
   c. The use of proceeds from the sale or lease of a municipal asset that results in relatively large proceeds, to either fund a new service or to provide property tax relief for a limited period of time, are examples of actions by a local governing body that often necessitate subsequent property tax increases to either continue the new service or to fill-in the revenue gap.
   d. Since the development or redevelopment of high valued municipal assets in a municipality in which casino gaming is authorized may be inextricably intertwined with the success of the casino gaming industry, an important revenue source for the State, it is in the best interests of the municipal taxpayers, as well as the citizens of the State, for the State and local elected officials to work collaboratively together to effectuate the prudent disposition of high value assets, to ensure that the interests of the State's casino gaming industry are not harmed, and to plan for the management of proceeds from the sale, assignment, lease, transfer, or redevelopment of those assets, when significant sums are involved, to ensure that any intended relief to municipal property taxpayers is maximized.

C.40A:5-14.3 Plan for conducting certain transactions involving real property in certain municipalities.
2. a. Whenever a municipality in which casino gaming is authorized intends to sell, assign, lease, or transfer ownership, or any other interest, in any real property, including real property to be sold, assigned, leased, or transferred pursuant to a redevelopment plan, or in any capital improvement or personal property, and:
   (1) the asset has an assessed value of at least $50 million, and either
   (2) (a) the proceeds to be realized by the municipality as a result of the sale, assignment, lease, or transfer, regardless of the length of the term of the payment, will exceed its final appropriations for the previous year's budget, as determined pursuant to section 2 of P.L.1976, c.68 (C.40A:4-45.2), or
   (b) the sale, assignment, lease, or transfer is to another public entity, regardless of the amount of the proceeds to be realized by the municipality, then, the governing body of the municipality shall submit an application for approval by the Local Finance Board containing a plan for conducting the sale, assignment, lease, transfer, or redevelopment of the asset in accor-
dance with procedures or forms promulgated by the Local Finance Board for this purpose.

(c) Notwithstanding subsection g. of section 8 of P.L.1992, c.79 (C.40A:12A-8), regarding the procedure for the sale or lease of assets by a municipality or redevelopment entity pursuant to a redevelopment plan, an asset subject to this subsection only shall be sold, assigned, leased, or transferred through a fair and open competitive process.

b. Upon submission of the proposed plan required pursuant to subsection a. of this section, the Local Finance Board shall schedule a hearing within 45 calendar days upon receipt of the proposed plan, for the purpose of approving the plan pursuant to subsection c. of this section. If the Local Finance Board does not schedule a hearing within 45 calendar days, then the plan is deemed approved.

c. At a hearing scheduled pursuant to subsection b. of this section, the Local Finance Board may approve the proposed plan for the sale, assignment, lease, transfer, or redevelopment of the asset. No actions to implement the proposed plan shall be taken until it has been approved by the Local Finance Board.

d. Subsequent to the issuance of an approval required by subsection c. of this section and prior to adopting any resolution or ordinance, or amending a resolution or ordinance introduced for the purpose of the sale, assignment, lease, transfer, or redevelopment of the asset, the municipality shall first obtain from the Local Finance Board a certification that: (1) the municipality complied with the requirements of P.L.2008, c.65 (C.40A:5-14.2 et al.); and (2) the proposed disposition of the asset, as introduced by the governing body, reflects the highest and best use of the asset, considering all relevant factors and circumstances.

e. To provide the certification required by subsection d. of this section, the Local Finance Board must find that the municipality implemented, without material deviation, the approved plan required by this section and has otherwise satisfied all other requirements of P.L.2008, c.65 (C.40A:5-14.2 et al.). The findings of the Local Finance Board shall be supported by a "fairness opinion" and appraisal, commissioned by the board from a reputable, experienced, and independent third-party entity licensed to do business in the State of New Jersey. The cost and expenses incurred by the Local Finance Board to commission the independent review may be reimbursed from the proceeds realized by the municipality as a result of the sale, assignment, lease or transfer of the asset.

f. The sale, assignment, lease, transfer, or redevelopment of a municipal asset requiring an application for approval by the Local Finance
Board pursuant to this section shall be voidable if the municipal governing body fails to submit the application.

C.40A:5-14.4 Application for approval of plan relative to disposition of certain assets.
3. a. The governing body of a municipality shall apply to the Local Finance Board on or before the 30th day prior to the closing of an agreement for the disposition of an asset requiring board approval in accordance with section 2 of P.L.2008, c.65 (C.40A:5-14.3), for approval of a plan, in the form of an ordinance, to allocate the proceeds of the sale, assignment, lease, transfer, or execution of a redevelopment agreement. The application shall be made in accordance with procedures or forms promulgated by the Local Finance Board. The proposed allocation plan shall state the purposes for which the cash proceeds resulting from the sale, assignment, lease, transfer, or redevelopment of the asset shall be used.

b. Upon the filing of an application pursuant to subsection a. of this section, the Local Finance Board shall schedule a hearing within 45 calendar days upon receipt of the application, for the purpose of approving a proposed plan to allocate the proceeds of the sale, assignment, lease, transfer, or redevelopment of the asset. At the hearing the Local Finance Board may approve the proposed plan or require its modification. The plan may be amended from time-to-time, as deemed necessary by the governing body and the Local Finance Board subject to a two-thirds majority voter referendum.

c. Upon approval by the Local Finance Board in accordance with subsection b. of this section, a proposed ordinance to effectuate the allocation plan may be finally adopted by the municipality.

d. A sale, assignment, lease, transfer, or redevelopment of a municipal asset requiring approval of an allocation plan pursuant to this section shall be voidable if the municipal governing body fails to comply with the requirements of this section.

C.40A:5-14.5 Dedicated trust fund, investment oversight board.
4. a. (1) Upon final approval of an ordinance by the municipal governing body pursuant to subsection c. of section 3 of P.L.2008, c.65 (C.40A:5-14.4), the Local Finance Board may order that the proceeds from the disposition of municipal assets, described in section 3 of P.L.2008, c.65 (C.40A:5-14.4), shall be deposited in a dedicated trust fund which shall be managed in accordance with the provisions of this subsection.

(2) Funds, for purposes described in the approved allocation plan, may be disbursed from the dedicated trust fund and shall be invested and managed pursuant to the provisions of the allocation plan required pursuant to
subsection b. of this section, and the investment plan approved pursuant to subsection l. of this section.

b. The management of funds in the dedicated trust fund shall be the responsibility of an investment oversight board which shall be organized immediately after each member provided for in subsection c. of this section has qualified and taken the oath of office.

c. The investment oversight board of a dedicated trust fund established pursuant to this section shall consist of three members as follows:

(1) The mayor of the municipality, ex-officio, or his designee;

(2) One member of the municipal council of the municipality, selected by a majority of its members, ex-officio, or his designee; and

(3) The chief financial officer of the municipality, ex-officio.

d. Each investment oversight board member shall, within 10 days after his appointment or selection, take an oath of office that so far as it devolves upon him, he will diligently and honestly administer the affairs of the board, and that he will not knowingly violate or willingly permit to be violated any of the provisions of law applicable to the dedicated trust fund. The oath shall be subscribed by the member making it, and certified by the officer before whom it is taken, and immediately filed in the office of the clerk of the municipality and in the office of the Secretary of State.

e. The members of the investment oversight board shall serve without compensation, but they shall be reimbursed by the municipality for all reasonable and necessary expenses that they incur through service on the board.

f. Each investment oversight board member shall be entitled to one vote on the board. A unanimous vote shall be necessary for a decision by the members at any meeting of the board; provided, however, that no vote shall be necessary for the annual distribution of earnings from the dedicated trust fund to the municipality for municipal property tax relief, if so provided in the allocation plan ordinance adopted pursuant to section 3 of P.L.2008, c.65 (C.40A:5-14.4).

g. Subject to the requirements and limitations of P.L.2008, c.65 (C.40A:5-14.2 et al.), the investment oversight board shall, from time to time, establish an investment management plan for the administration of the dedicated trust fund established pursuant to this section.

h. The investment oversight board shall elect from its membership a chairman. Any member of the board so elected shall serve as the chairman for a term of two years and until election of his successor. (ii) to permit the authority to transfer its ownership interest or other rights and obligations, other than any bonds, notes, or other obligations, including any credit agreement, of the authority issued and outstanding, or then in effect, on the date of such transfer under the Luxury Tax Bond Resolution, in the Atlantic City convention center project to the Atlantic City Convention and Visitors Authority, and cease any supervision of the Atlantic City Convention and Visitors Authority.

(iii) to implement any other provisions of P.L.2008, c.47 (C.52:27H-31.1 et al.).

(b) Upon obtaining such consents, approvals, waivers or non-objections or upon the reasonable determination by the authority or the State Treasurer that such consents, approvals or non-objections have been obtained, are unnecessary or that the absence of such consents, approvals or non-objections shall not result in a material default, the State Treasurer shall thereafter remit to the authority from the fund only those monies required to satisfy the obligations of subparagraphs (a)(i)(A) and (a)(i)(B) of this paragraph; the balance of the luxury tax revenues held by the State Treasurer in such fund, including interest thereon, shall be paid promptly to the Atlantic City Convention and Visitors Authority to be applied as provided in section 25 of P.L.2008, c.47 (C.52:27H-41.13), subject, however, to the lien of the Luxury Tax Bond Resolution until all bonds, notes, and other obligations, including any credit agreement, of the authority issued and outstanding or entered into pursuant to the Luxury Tax Bond Resolution have been paid or defeased in full.

(c) When all bonds, notes, or other obligations, including any credit agreement, of the authority issued and outstanding or entered into pursuant
to the Luxury Tax Bond Resolution have been paid or defeased in full, any
amounts received by the authority from the funds and accounts held under
the Luxury Tax Bond Resolution shall forthwith be transferred to the Atlantic
City Convention and Visitors Authority to be applied as provided in section 25 of P.L.2008, c.47 (C.52:27H-41.13).

CHAPTER 69

AN ACT concerning environmental infrastructure projects, and amending P.L.1985, c.334.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1985, c.334 (C.58:11B-6) is amended to read as follows:

C.58:11B-6 Issuance of bonds, notes, other obligations.

6. a. Except as may be otherwise expressly provided in the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), the trust may from time to time issue its bonds, notes or other obligations in any principal amounts as in the judgment of the trust shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums
on, any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations or the interest or redemption premiums thereon to be funded or refunded have or have not become due, the establishment or increase of reserves or other funds to secure or to pay the bonds, notes or other obligations or interest thereon and all other costs or expenses of the trust incident to and necessary to carry out its corporate purposes and powers.

b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A of the New Jersey Statutes, subject only to the provisions of the bonds, notes and other obligations for registration.

c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) as the trust may determine.

d. Bonds, notes or other obligations of the trust may be sold at any price or prices and in any manner as the trust may determine. Each bond, note or other obligation shall mature and be paid not later than 20 years from the effective date thereof, or the certified useful life of the project or projects to be financed by the bonds, whichever is less.

All bonds of the trust shall be sold at such price or prices and in such manner as the trust shall determine, after notice of sale, a summary of which shall be published at least once in at least three newspapers published in the State of New Jersey and at least once in a publication carrying municipal bond notices and devoted primarily to financial news published in New Jersey or the city of New York, the first summary notice to be at least five days
prior to the day of bidding. The notice of sale may contain a provision to the
effect that any or all bids made in pursuance thereof may be rejected. In the
event of such rejection or of failure to receive any acceptable bid, the trust,
at any time within 60 days from the date of such advertised sale, may sell
such bonds at private sale upon terms not less favorable to the State than the
terms offered by any rejected bid. The trust may sell all or part of the bonds
of any series as issued to any State fund or to the federal government or any
agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the
provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224
(C.58:11B-10.1 et al.) without obtaining the consent of any department, divi-
sion, board, bureau or agency of the State, and without any other proceedings
or the happening of any other conditions or things, other than those consents,
proceedings, conditions or things which are specifically required by P.L.1985,
c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.).

f. Bonds, notes or other obligations of the trust issued under the pro-
visions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224
(C.58:11B-10.1 et al.) shall not be a debt or liability of the State or of any
political subdivision thereof other than the trust and shall not create or con-
stitute any indebtedness, liability or obligation of the State or any political
subdivision, but all these bonds, notes and other obligations, unless funded
or refunded by bonds, notes or other obligations, shall be payable solely
from revenues or funds pledged or available for their payment as authorized
in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1
et al.). Each bond, note and obligation shall contain on its face a statement
to the effect that the trust is obligated to pay the principal thereof or the in-
terest thereon only from its revenues, receipts or funds pledged or available
for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or
P.L.1997, c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any
political subdivision thereof, is obligated to pay the principal or interest and
that neither the faith and credit nor the taxing power of the State, or any
political subdivision thereof, is pledged to the payment of the principal of
or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obliga-
tions, including subordinated indebtedness of the trust, shall not exceed
$2,600,000,000. In computing the foregoing limitations there shall be ex-
cluded all the bonds, notes or other obligations, including subordinated in-
debt edness of the trust, which shall be issued for refunding purposes,
whenever the refunding shall be determined to result in a savings.
(1) Upon the decision by the trust to issue refunding bonds, except for current refunding, and prior to the sale of those bonds, the trust shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the trust relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the trust to issue and sell the refunding bonds at public or private sale and the reasons therefor.

(2) The Joint Budget Oversight Committee or its successor shall have the authority to approve or disapprove the sales of refunding bonds as included in each report submitted in accordance with paragraph (1) of this subsection. The committee shall notify the trust in writing of the approval or disapproval within 30 days of receipt of the report. Should the committee not act within 30 days of receipt of the report, the trust may proceed with the sale of the refunding bonds, provided that the sale of refunding bonds shall realize not less than 3.00% net present value debt service savings.

(3) No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee or its successor as set forth in paragraphs (1) and (2) of this subsection.

(4) Within 30 days after the sale of the refunding bonds, the trust shall notify the committee of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

(5) The committee shall review all information and reports submitted in accordance with this subsection and may, on its own initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

h. Each issue of bonds, notes or other obligations of the trust may, if it is determined by the trust, be general obligations thereof payable out of any revenues, receipts or funds of the trust, or special obligations thereof payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds, notes or other obligations, and may be secured by one or more of the following:

(1) Pledge of revenues and other receipts to be derived from the payment of the interest on and principal of notes, bonds or other obligations issued to the trust by one or more local government units, and any other payment made to the trust pursuant to agreements with any local government units, or a pledge or assignment of any notes, bonds or other obligations of any local government unit and the rights and interest of the trust therein;
(2) Pledge of rentals, receipts and other revenues to be derived from leases or other contractual arrangements with any person or entity, public or private, including one or more local government units, or a pledge or assignment of those leases or other contractual arrangements and the rights and interest of the trust therein;

(3) Pledge of all moneys, funds, accounts, securities and other funds, including the proceeds of the bonds, notes or other obligations;

(4) Pledge of the receipts to be derived from the payments of State aid, payable to the trust pursuant to section 12 of P.L.1985, c.334 (C.58:11B-12);

(5) A mortgage on all or any part of the property, real or personal, of the trust then owned or thereafter to be acquired, or a pledge or assignment of mortgages made to the trust by any person or entity, public or private, including one or more local government units and the rights and interest of the trust therein.

i. The trust shall not issue any bonds, notes or other obligations, or otherwise incur any additional indebtedness, on or after November 5, 2028.

j. (Deleted by amendment, P.L.1996, c.88).

2. Section 9 of P.L.1985, c.334 (C.58:11B-9) is amended to read as follows:

C.58:11B-9 Loans to local governments.

9. a. (1) The trust may make and contract to make loans to local government units, or to a local government unit on behalf of another local government unit, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money.

(2) The trust may make and contract to make loans to public water utilities, or to any other person or local government unit on behalf of a public water utility, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any water supply project, which the public water utility may lawfully undertake or acquire.

(3) The trust may make and contract to make loans to private persons other than local government units, or to any other person or local government unit on behalf of a private person, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of stormwater management systems.
The loans may be made subject to those terms and conditions as the trust shall determine to be consistent with the purposes thereof. Each loan by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the loan. Each loan to a local government unit, public water utility or any other person shall be evidenced by notes, bonds or other obligations thereof issued to the trust. In the case of each local government unit, notes and bonds to be issued to the trust by the local government unit (1) shall be authorized and issued as provided by law for the issuance of notes and bonds by the local government unit, (2) shall be approved by the Local Finance Board in the Division of Local Government Services in the Department of Community Affairs, and (3) notwithstanding the provisions of N.J.S.40A:2-27, N.J.S.40A:2-28 and N.J.S.40A:2-29 or any other provisions of law to the contrary, may be sold at private sale to the trust at any price, whether or not less than par value, and shall be subject to redemption prior to maturity at any times and at any prices as the trust and local government units may agree. Each loan to a local government unit, public water utility or any other person and the notes, bonds or other obligations thereby issued shall bear interest at a rate or rates per annum as the trust and the local government unit, public water utility or any other person, as the case may be, may agree.

b. The trust is authorized to guarantee or contract to guarantee the payment of all or any portion of the principal and interest on bonds, notes or other obligations issued by a local government unit to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money, and the guarantee shall constitute an obligation of the trust for the purposes of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each guarantee by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the guarantee.

c. The trust shall not make or contract to make any loans or guarantees to local government units, public water utilities or any other person, or otherwise incur any additional indebtedness, on or after November 5, 2028.
d. The trust shall create and establish a special fund (hereinafter referred to as the "Interim Financing Program Fund") for the short-term or temporary loan financing or refinancing program (hereinafter referred to as the "Interim Financing Program").

Any short-term or temporary loans made by the trust pursuant to this subsection may only be made in advance of the anticipated loans the trust may make and contract to make under the provisions of subsection a. of this section to be financed or refinanced through the issuance of bonds, notes or other obligations of the trust authorized under section 6 of P.L.1985, c.334 (C.58:11B-6). AN ACT concerning the classroom placement of certain students and supplementing chapter 36 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:36-38 Classroom placement of twins, higher multiples, selection by parent, guardian.

1. a. (1) A parent or guardian of twins or higher order multiples enrolled in the same K through 8 grade level at the same public school may request that the children be placed in the same classroom or in separate classrooms. The school principal may recommend a classroom placement to the parent or guardian and may provide the parent or guardian with professional education advice that will assist the parent or guardian in making the best decision for the children's education. The parent or guardian shall request the classroom placement in writing no later than 14 days after the first day of each school year. The school principal shall provide the classroom placement requested by the parent or guardian and the students shall remain in this initial placement for the duration of the school year unless the board of education makes a different classroom placement determination pursuant to the provisions of subsection b. of this section.

In the event that the twins or higher order multiples enroll in the school after the school year commences, the parent or guardian shall request the classroom placement in writing no later than 14 days after the first day of attendance. The school principal shall provide the classroom placement requested by the parent or guardian if space is available in accordance with written local district class size requirements and the students shall remain in this initial placement for the duration of the school year unless the board of education makes a different classroom placement determination pursuant to the provisions of subsection b. of this section.

(2) A parent or guardian of twins or higher order multiples enrolled in the same 9th through 12th grade level at the same public school may request that the children be placed in the same classroom or in separate classrooms. The placement decision shall be made at the discretion of the school principal in the best interests of the school and its students. The parent or guardian may appeal the school principal's decision to the board of education, which shall make a final determination on the placement.
b. A school principal may, after consultation with the students' parent or guardian and teachers at the end of the initial grading period, request that the board of education make a different classroom placement determination for the twins or higher order multiples if the initial classroom placement is determined to be disruptive to any of the students in the class or classes in which the students are enrolled or if the principal concludes that the initial placement does not sufficiently support the students' academic or social development. Upon receiving the request, the board of education shall make a final classroom placement determination.

c. As used in this section, "higher order multiples" means triplets, quadruplets, quintuplets, or larger group of siblings born at one birth.

d. The provisions of this section shall not apply to a school district which maintains only a single classroom for the grade level in which the twins or higher order multiples are enrolled.

e. The parent or guardian shall be responsible for any additional pupil transportation costs that are incurred by the school district as a result of providing the requested classroom placement, unless the school district is in agreement with the placement.

f. In the event that one of the twins or higher order multiples receives special education services, the requested classroom placement shall not be accommodated if the placement is inconsistent with a student's Individualized Education Plan.

2. This act shall take effect immediately and shall first apply to the 2008-2009 school year.

Approved September 2, 2008.

CHAPTER 71

AN ACT concerning housing for older persons and homeowners' associations, and supplementing P.L.1993, c. 30 (C.45:22A-43 et seq.) and Title 46 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.45:22A-46.1 Findings, declarations relative to age-restricted communities.

1. The Legislature finds and declares:
a. Age-restricted communities are one of the fastest growing types of developments in the nation and in the State;

b. Age-restrictions violate federal laws against discrimination in housing, unless certain exceptions are met for age-restricted communities as authorized by federal law;

c. Homeowners' associations which manage the property in age-restricted communities currently have no methods by which to ensure that the exceptions to federal anti-discrimination provisions will be maintained upon the resales of units in such communities; and

d. It is necessary and in the public interest for the Legislature to create a method of ensuring compliance by age-restricted communities with federal law.

C.45:22A-46.2 Resale, transfer of dwelling unit, certification of compliance with rules of age-restricted community.

2. Notwithstanding any law or governing document to the contrary, the purchaser or grantee by operation of law of a dwelling unit in an age-restricted community shall be required to certify, prior to the resale or transfer by operation of law of a dwelling unit within the community, that the dwelling unit will be occupied by a person of an age that ensures compliance with the "housing for older persons" exception from the federal "Fair Housing Amendments Act of 1988," Pub.L.100-430 (42 U.S.C. ss.3601 et seq.) for that community as set forth in section 100.301 of Title 24, Code of Federal Regulations. The certification shall be on such form as may be prescribed by the Commissioner of Community Affairs, but shall not exceed one page in length. A copy of the certification shall be provided to the purchaser for recording. For the purpose of P.L.2008, c.71 (C.45:22A-46.1 et al.), "resale" shall mean any sale of a dwelling unit within an age-restricted community, other than the initial sale of the unit made by the developer to a purchaser.

C.46:15-6.2 Certification required for recording deed.

3. No deed shall be recorded with a county recording office for a property to which an age restriction applies unless the certification required pursuant to P.L.2008, c.71 (C.45:22A-46.1 et al.) accompanies such filing and is recorded with the deed as an addendum thereto.

4. This act shall take effect immediately.

Approved September 6, 2008.

b. The Local Finance Board shall prescribe a financial disclosure statement form for filing purposes. For counties and municipalities which have not established ethics boards, the board shall transmit sufficient copies of the forms to the municipal clerk in each municipality and the county clerk in each county for filing in accordance with this act. The municipal clerk shall make the forms available to the local government officers serving the municipality. The county clerk shall make the forms available to the local government officers serving the county.

For counties and municipalities which have established ethics boards, the Local Finance Board shall transmit sufficient copies of the forms to the ethics boards for filing in accordance with this act. 3. a. The Chief Administrator of the Motor Vehicle Commission may issue a provisional permit, subject to a fee, for an off-site sale to a licensed recreational vehicle or used motor vehicle dealer, provided:

(1) No more than one permit for a particular location is issued during any calendar quarter;

(2) A completed application and fee, in an amount determined by the chief administrator, is received by the commission at least 15 days prior to the first day of the sale;

(5) The display and sale of vehicles is conducted for no more than five consecutive days; and

(6) The sale is not open to the general public, but limited to members of the sponsoring organization or in the case of the off-site sales of recreational vehicles, only to ticketed individuals.

b. Following the issuance of a provisional permit for an off-site sale, and in the event that the chief administrator determines that neither the dealer, the sponsoring organization, nor the off-site sale location has an unsatisfactory history of violations of Title 39, the chief administrator shall issue a final permit for an off-site sale to the applicant, provided the dealer applicant delivers to the commission, no later than five days prior to the sale, a surety bond in the amount of $500,000 in the case of a permit for an off-site sale to a licensed used motor vehicle dealer; or $10,000 in the case of a permit for an off-site sale to a licensed recreational vehicle dealer issued by a company authorized to transact surety business in this State and payable to the New Jersey Motor Vehicle Commission. If a surety bond is cancelled or terminated for any reason prior to the end date of the sale, the company that issued the surety bond shall immediately notify the chief administrator of the cancellation or termination. The dealer applicant shall immediately obtain and file with the chief administrator a replacement surety bond prior to the end date of the sale that shall cover the uninsured term of the sale. In lieu of a surety bond, a dealer applicant may submit a notarized copy of a certificate of self-insurance issued pursuant to section 30 of P.L.1952, c.173 (C.39:6-52).

This practice includes the proposed location and arrangement of those tangible objects and features as are incidental and necessary for any government approval and as may be prescribed by State or local authorities, but does not include the design of structures or facilities ordinarily included in the practice of engineering or architecture and does not include the making of land surveys, or land plats for official approval or recording or other services as set forth in subsection (e) of section 2 of P.L.1938, c.342 (C.45:8-28).

19. This act shall take effect on the 180th day following enactment.

Approved September 6, 2008.

CHAPTER 78

AN ACT concerning the extension of certain permits and approvals affecting the physical development of property located within the State of New Jersey, superseding all statutory and regulatory requirements to the contrary, and supplementing Title 40 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40:55D-136.1 Short title.
1. This act shall be known and may be cited as the “Permit Extension Act of 2008.”

C.40:55D-136.2 Findings, declarations relative to extension of certain permits and approvals.
2. The Legislature finds and declares that:
   a. There exists a state of national recession, which has drastically affected various segments of the New Jersey economy, but none as severely as the State's banking, real estate and construction sectors.
   b. The real estate finance sector of the economy is in severe decline due to the sub-prime mortgage problem and the resultant widening mortgage finance crisis. The extreme tightening of lending standards for home buyers and other real estate borrowers has reduced access to the capital markets.
   c. As a result of the crisis in the real estate finance sector of the economy, real estate developers and redevelopers, including homebuilders, and commercial, office, and industrial developers, have experienced an industry-wide decline, including reduced demand, cancelled orders, declining sales and rentals, price reductions, increased inventory, fewer buyers who qualify to purchase homes, layoffs, and scaled back growth plans.
d. The process of obtaining planning board and zoning board of adjustment approvals for subdivisions, site plans, and variances can be difficult, time consuming and expensive, both for private applicants and government bodies.

e. The process of obtaining the myriad other government approvals, required pursuant to legislative enactments and their implementing rules and regulations, such as wetlands permits, treatment works approvals, on-site wastewater disposal permits, stream encroachment permits, flood hazard area permits, highway access permits, and numerous waivers and variances, also can be difficult and expensive; further, changes in the law can render these approvals, if expired or lapsed, impossible to renew or re-obtain.

f. County and municipal governments obtain determinations of master plan consistency, conformance, or endorsement with State or regional plans, from State and regional government entities which may expire or lapse without implementation due to the state of the economy.

g. The current national recession has severely weakened the building industry, and many landowners and developers are seeing their life's work destroyed by the lack of credit and dearth of buyers and tenants, due to the crisis in real estate financing and the building industry, uncertainty over the state of the economy, and increasing levels of unemployment in the construction industry.

h. The construction industry and related trades are sustaining severe economic losses, and the lapsing of government development approvals would, if not addressed, exacerbate those losses.

i. Financial institutions that lent money to property owners, builders, and developers are experiencing erosion of collateral and depreciation of their assets as permits and approvals expire, and the extension of these permits and approvals is necessary to maintain the value of the collateral and the solvency of financial institutions throughout the State.

j. Due to the current inability of builders and their purchasers to obtain financing, under existing economic conditions, more and more once-approved permits are expiring or lapsing and, as these approvals lapse, lenders must re-appraise and thereafter substantially lower real estate valuations established in conjunction with approved projects, thereby requiring the reclassification of numerous loans which, in turn, affects the stability of the banking system and reduces the funds available for future lending, thus creating more severe restrictions on credit and leading to a vicious cycle of default.

k. As a result of the continued downturn of the economy, and the continued expiration of approvals which were granted by State and local governments, it is possible that thousands of government actions will be undone by the passage of time.
1. Obtaining an extension of an approval pursuant to existing statutory or regulatory provisions can be both costly in terms of time and financial resources, and insufficient to cope with the extent of the present financial situation; moreover, the costs imposed fall on the public as well as the private sector.

m. It is the purpose of this act to prevent the wholesale abandonment of approved projects and activities due to the present unfavorable economic conditions, by tolling the term of these approvals for a period of time, thereby preventing a waste of public and private resources.

C.40:55D-136.3 Definitions relative to extension of certain permits and approvals.

3. As used in this act:

Nothing in this act shall shorten the duration that any approval would have had in the absence of this act, nor shall this act prohibit the granting of such additional extensions as are provided by law when the tolling granted by this act shall expire.

b. Nothing in this act shall be deemed to extend or purport to extend:

(1) any permit or approval issued by the government of the United States or any agency or instrumentality thereof, or any permit or approval by whatever authority issued of which the duration of effect or the date or terms of its expiration are specified or determined by or pursuant to law or regulation of the federal government or any of its agencies or instrumentalities;

(3) any permit or approval issued within an environmentally sensitive area;

gation to, or assumption by, the State of the authority to implement a federal law or program.

h. Nothing in this act shall be deemed to extend the obligation of any wastewater management planning agency to submit a wastewater management plan or plan update, or the obligation of a municipality to submit a wastewater management plan or plan update, pursuant to the "Water Quality Planning Act," P.L.1977, c.75 (C.58:11A-1 et seq.) and the Water Quality Management Planning rules, N.J.A.C.7:15-1.1 et seq., adopted by the Department of Environmental Protection, effective July 7, 2008.

CHAPTER 80

AN ACT establishing an autism and intellectual and other developmental disabilities awareness program and supplementing Titles 26 and 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2-189 Findings, declarations relative to autism, intellectual developmental disabilities awareness for first responders.

1. The Legislature finds and declares that:
   a. Autism is a developmental disorder of brain function which is typically manifested in impaired social interaction, problems with verbal and nonverbal communication and imagination, and unusual or severely limited activities and interests. These symptoms generally appear during the first three years of childhood and continue throughout life.
      According to the federal Centers for Disease Control and Prevention, or CDC, one of every 94 children in this State has autism, which is the highest rate among the states examined by the CDC in the most comprehensive study of the prevalence of autism to date;
   b. In addition to those diagnosed with autism every year, there are an estimated 4.5 million individuals with intellectual and other developmental disabilities living in the United States, including approximately 200,000 individuals in New Jersey.
      Developmental disabilities are a diverse group of severe chronic conditions that are due to mental or physical impairments which are manifested
in problems with major life activities such as language, mobility, learning, self-help, and independent living. Developmental disabilities begin anytime during development up to 22 years of age and usually last throughout a person's lifetime.

Intellectual disability is characterized both by a significantly below-average score on a test of mental ability or intelligence and by limitations in the ability to function in areas of daily life, such as communication, self-care, and getting along in social situations and school activities. Intellectual disability is sometimes referred to as a cognitive disability or mental retardation. Intellectual disabilities include, but are not limited to, Down syndrome, fetal alcohol syndrome, fragile X syndrome, Cri-du-chat syndrome, Prader-Willi syndrome, as well as infections such as congenital cytomegalovirus or birth defects that affect the brain such as hydrocephalus or cortical atrophy. Other causes of intellectual disability include serious head injury, stroke or certain infections such as meningitis; and

c. Firefighters, emergency medical technicians, and police officers may unexpectedly encounter or be asked to locate a person diagnosed with autism or an intellectual or other developmental disability. Given the high number of individuals affected by these disabilities, it is altogether fitting and proper to ensure that emergency responders are uniformly trained in recognizing the behavioral symptoms and characteristics of a child or adult with one or more of these disabilities, and are educated in the high risks associated with these disabilities as well as basic response techniques.

C.26:2-190 Development of training curriculum; rules, regulations.

2. a. The Commissioner of Health and Senior Services and the Commissioner of Human Services, in consultation with the New Jersey Fire and Emergency Medical Services Institute and the New Jersey State First Aid Council, shall develop a training curriculum with the purpose of informing emergency responders of the risks associated with autism or an intellectual or other developmental disability, as well as providing instruction in appropriate recognition and response techniques concerning these disabilities. The curriculum shall be incorporated into existing time requirements for training and continuing education of emergency responders.

b. Prior to certification by the Department of Health and Senior Services, each emergency medical technician trained in basic life support services as defined in section 1 of P.L.1985, c.351 (C.26:2K-21) shall be required to satisfactorily complete the training developed under subsection a. of this section. Every emergency medical technician certified prior to the effective date of this act shall, within 36 months of the effective date of this act, satisfactorily com-
plete the training in recognition and response techniques concerning these disabili­
ties, through existing continuing education requirements.

c. The Commissioner of Health and Senior Services shall adopt rules and regu­lations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.

C.52:27D-25jj Adoption of training course by Division of Fire Safety.

3. a. The Division of Fire Safety in the Department of Community Af­fairs, in consultation with the New Jersey Fire and Emergency Medical Services Institute, shall adopt a training course regarding the risks associated with autism or an intellectual or other developmental disability and appropriate recognition and response techniques concerning these disabilities, based on the curriculum developed by the Departments of Health and Senior Services and Human Services pursuant to subsection a. of section 2 of P.L.2008, c.80 (C.26:2-190). The course curriculum and instruction shall be administered to every firefighter recruit, volunteer or paid.

b. Each person, volunteer or paid, who is engaged in fire suppression, firefighting, or fire rescue before the effective date of this act shall, within 36 months of the effective date of this act, satisfactorily complete a training course in recognition and response techniques concerning these disabilities.

c. The Commissioner of Community Affairs shall adopt rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.

C.52:17B-71.9 Adoption of training course by Police Training Commission.

4. a. The Police Training Commission in the Department of Law and Public Safety shall adopt a training course regarding the risks associated with autism or an intellectual or other developmental disability and appropriate recognition and response techniques concerning these disabilities based on the curriculum developed by the Departments of Health and Senior Services and Human Services pursuant to subsection a. of section 2 of P.L.2008, c.80 (C.26:2-190). The training course shall be administered by the employing agency as part of the in-service training provided to each local police officer in each law enforcement unit operating in this State.

b. Prior to being appointed to permanent status as a local police officer in a law enforcement unit, an individual shall be required to complete the training course adopted under subsection a. of this section. Every local police officer appointed prior to the effective date of this act shall, within 36 months of the effective date of this act, satisfactorily complete a training course in recognition and response techniques concerning these disabilities.
c. The Police Training Commission shall adopt rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.

5. This act shall take effect on the first day of the seventh month following enactment.

Approved September 9, 2008.

Contempt.

2C:29-9. Contempt. a. A person is guilty of a crime of the fourth degree if he purposely or knowingly disobeys a judicial order or protective order, pursuant to section 1 of P.L.1985, c.250 (C.2C:28-5.1), or hinders, obstructs or impedes the effectuation of a judicial order or the exercise of jurisdiction over any person, thing or controversy by a court, administrative body or investigative entity.

b. Except as provided below, a person is guilty of a crime of the fourth degree if that person purposely or knowingly violates any provision in an order entered under the provisions of the "Prevention of Domestic Violence Act of 1991," P.L.1991, c.261 (C.2C:25-17 et al.) or an order entered under the provisions of a substantially similar statute under the laws of another state or the United States when the conduct which constitutes the violation could also constitute a crime or a disorderly persons offense. CHAPTER 82

AN ACT concerning public access requirements for marinas and supplementing Title 13 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. This act shall be known and may be cited as the "Public Access and Marina Safety Task Force Act."

C.13:19-39 Findings, declarations relative to public access requirements for marinas.
2. The Legislature finds and declares that:
   a. The Public Trust Doctrine is an important legal principle that establishes the right of the public to use tidal waterways and their shores, including the ocean, bays, and tidal rivers;
   b. As interpreted today, the Public Trust Doctrine upholds that public rights to tidal waterways and their shores are held by the State in trust for the benefit of all of the people, and recognizes and protects natural resources as well as recreational uses such as swimming, sunbathing, fishing, boating and walking along tidal waterways and their shores;
   c. Marinas are a unique and essential part of the State's waterfront community, providing access to a variety of recreational activities, and providing important boating infrastructure and services, that should be encouraged;
   d. In December 2007, the Department of Environmental Protection adopted rules and regulations, and issued a concurrent regulatory proposal, governing public access at marinas, which rules and regulations are both economically destructive and practically unworkable for the marina industry; and
   e. It is therefore in the public interest to conduct a study of the efficacy, practicability and feasibility of these rules and regulations and to impose a moratorium on their implementation until such time as the affected parties have had the opportunity to address the many and variegated issues raised thereby.

The Legislature therefore determines that a moratorium on the implementation of the rules and regulations adopted by the Department of Environmental Protection in December 2007 governing public access at marinas is critical to ensure that all affected interests are taken into account, thus increasing the likelihood of a more reasonable and equitable policy emerging therefrom.

C.13:19-40 Moratorium on implementation of certain rules, regulations.
3. There shall be a moratorium on the implementation of the provisions of N.J.A.C.7:7E-3.50, N.J.A.C.7:7E-7.3 and N.J.A.C.7:7E-8.11, as applied to marinas, as such rules and regulations were adopted by the Department of Environmental Protection on December 17, 2007. During the moratorium the Public Access and Marina Safety Task Force established pursuant to section 4 of this act shall conduct the study required pursuant to section 5 of this act. The moratorium shall expire on December 31, 2010.

4. a. There is established in but not of the Department of Environmental Protection the Public Access and Marina Safety Task Force. The task force shall evaluate and study the efficacy, practicability and feasibility of the rules and regulations governing public access at marinas, and submit its findings and recommendations, in writing, to the Governor and the Legislature as provided in section 6 of this act.

b. The task force shall consist of 10 members as follows:
   (1) a representative of the Department of Environmental Protection;
   (2) a representative of the Office of Maritime Resources in the Department of Transportation;
   (3) four elected public officials, to be appointed by the Governor with the advice and consent of the Senate, representing the coastal communities of Atlantic, Cape May, Monmouth and Ocean counties, respectively; and
   (4) four public members to be appointed by the Governor with the advice and consent of the Senate. Of the four public members, one shall be a representative of the Urban Coast Institute of Monmouth University, and one shall be a representative of the environmental community with a recognized expertise and specialization in coastal and shore protection issues. The remaining public members shall represent marina operators or a marine trade association.

c. The members of the task force shall serve without compensation, but may be reimbursed for necessary expenses incurred in the performance of their duties, within the limits of funds appropriated or otherwise made available to the task force for its purposes.

d. Any vacancy in the membership shall be filled in the same manner as the original appointment.

e. The task force shall be entitled to the assistance and service of the employees of any State, county or municipal department, board, bureau, commission, authority, or agency as it may require and as may be available to it for its purposes, and to employ stenographic and clerical assistance and to incur traveling or other miscellaneous expenses as may be necessary in order to perform its duties, within the limits of funds appropriated or otherwise made available to it for its purposes. The Department of Environmental Protection shall provide primary staff support to the task force.

f. The task force shall meet monthly or at the call of the chairperson of the task force or when requested by any four members of the task force.

g. The task force shall organize as soon as possible after the appointment of its members, and shall select annually a chairperson from among its members and a secretary who need not be a member of the task force.

5. a. It shall be the duty of the Public Access and Marina Safety Task Force to:

(1) evaluate and study the efficacy, practicability and feasibility of the rules and regulations adopted by the Department of Environmental Protection, and the concurrent regulatory proposal issued thereon, governing public access at marinas, in order to ascertain the most reasonable and equitable manner in which to proceed with a public access and marina use policy; and

(2) hold at least one public hearing to solicit public comment and suggestions on the issues and matters to be studied and evaluated pursuant to this subsection.

b. The task force may solicit or receive any information or resources concerning public access at marinas made available by any governmental, public, private, not-for-profit or for-profit entity.

6. The task force shall submit its report, including its findings and recommendations, to the Governor and, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), to the Legislature by December 31, 2010. Copies of the report shall be provided to the public upon request and free of charge, and the report shall be posted on the department’s internet website.

C.13:19-44 Departmental powers affected during duration of moratorium.

7. For the duration of the moratorium imposed pursuant to section 3 of this act, the department shall not:

a. require a marina facility to provide unlimited public access to the waterfront;

b. require a conservation easement by means of a deed restriction;

c. require perpendicular access across the entire waterfront; or

8. This act shall take effect immediately.

Approved September 10, 2008.

2C:36A-1. Conditional discharge for certain first offenses; expunging of records. a. Whenever any person who has not previously been convicted of any offense under section 20 of P.L.1970, c.226 (C.24:21-20), or a disorderly

(1) Suspend further proceedings and with the consent of the person after reference to the State Bureau of Identification criminal history record information files, place him under supervisory treatment upon such reasonable terms and conditions as it may require; or

(2) After plea of guilty or finding of guilty, and without entering a judgment of conviction, and with the consent of the person after proper reference to the State Bureau of Identification criminal history record information files, place him on supervisory treatment upon reasonable terms and conditions as it may require, or as otherwise provided by law.

b. In no event shall the court require as a term or condition of supervisory treatment under this section, referral to any residential treatment facility for a period exceeding the maximum period of confinement prescribed by law for the offense for which the individual has been charged or convicted, nor shall any term of supervisory treatment imposed under this subsection exceed a period of three years. If a person is placed under supervisory treatment under this section after a plea of guilty or finding of guilt, the court as a term and condition of supervisory treatment shall suspend the person's driving privileges for a period to be fixed by the court at not less than six months or more than two years unless the court finds compelling circumstances warranting an exception. For the purposes of this subsection, compelling circumstances warranting an exception exist if the suspension of the person’s driving privileges will result in extreme hardship and alternative means of transportation are not available. In the case of a person who at the time of placement under supervisory treatment under this section is less than 17 years of age, the period of suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the person is placed on supervisory treatment and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years.

If the driving privilege of a person is under revocation, suspension, or postponement for a violation of this title or Title 39 of the Revised Statutes at the time of the person's placement on supervisory treatment under this section, the revocation, suspension or postponement period imposed herein shall commence as of the date of the termination of the existing revocation,
suspension or postponement. The court which places a person on supervi­
sory treatment under this section shall collect and forward the person's
driver's license to the New Jersey Motor Vehicle Commission and file an
appropriate report with the commission in accordance with the procedure
set forth in N.J.S.2C:35-16. The court shall also inform the person of the
penalties for operating a motor vehicle during the period of license suspen­sion or postponement as required in N.J.S.2C:35-16.

Upon violation of a term or condition of supervisory treatment the court
may enter a judgment of conviction and proceed as otherwise provided, or
where there has been no plea of guilty or finding of guilty, resume proceed­
ings. Upon fulfillment of the terms and conditions of supervisory treatment
the court shall terminate the supervisory treatment and dismiss the proceed­
ings against him. Termination of supervisory treatment and dismissal under
this section shall be without court adjudication of guilt and shall not be
deemed a conviction for purposes of disqualifications or disabilities, if any,
imposed by law upon conviction of a crime or disorderly persons offense but
shall be reported by the clerk of the court to the State Bureau of Identifica­tion
criminal history record information files. Termination of supervisory
[...]
 Termination of supervisory
treatment and dismissal under this section may occur only once with respect
to any person. Imposition of supervisory treatment under this section shall
not be deemed a conviction for the purposes of determining whether a sec­
ond or subsequent offense has occurred under section 29 of P.L.1970, c.226
(C.24:21-29), chapter 35 or 36 of this title or any law of this State.

c. Proceedings under this section shall not be available to any defendant
unless the court in its discretion concludes that:

(1) The defendant's continued presence in the community, or in a civil
treatment center or program, will not pose a danger to the community; or

(2) That the terms and conditions of supervisory treatment will be ade­
quate to protect the public and will benefit the defendant by serving to correct
any dependence on or use of controlled substances which he may manifest; and

(3) The person has not previously received supervisory treatment under
section 27 of P.L.1970, c.226 (C.24:21-27), N.J.S.2C:43-12, or the provi­
sions of this chapter.

d. A person seeking conditional discharge pursuant to this section
shall pay to the court a fee of $75. The court shall forward all money col­
lected under this subsection to the treasurer of the county in which the court
is located. This money shall be used to defray the cost of juror compensa­tion
within that county. A person may apply for a waiver of this fee, by
reason of poverty, pursuant to the Rules Governing the Courts of the State
of New Jersey. Of the moneys collected under this subsection, $30 of each
fee shall be deposited in the temporary reserve fund created by section 25 of P.L.1993, c.275. After December 31, 1994, the $75 fee shall be paid to the court, for use by the State.

2. N.J.S.2C:35-16 is amended to read as follows:

Forfeiture or postponement of driving privileges.

2C:35-16. a. In addition to any disposition authorized by this title, the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, and notwithstanding the provisions of subsection c. of N.J.S.2C:43-2, a person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period to be fixed by the court at not less than six months or more than two years which shall commence on the day the sentence is imposed unless the court finds compelling circumstances warranting an exception. For the purposes of this section, compelling circumstances warranting an exception exist if the forfeiture of the person's right to operate a motor vehicle over the highways of this State will result in extreme hardship and alternative means of transportation are not available. In the case of a person who at the time of the imposition of sentence is less than 17 years of age, the period of any suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years. If the driving privilege of any person is under revocation, suspension, or postponement for a violation of any provision of this title or Title 39 of the Revised Statutes at the time of any conviction or adjudication of delinquency for a violation of any offense defined in this chapter or chapter 36 of this title, any revocation, suspension, or postponement period imposed herein shall commence as of the date of termination of the existing revocation, suspension, or postponement.

b. If forfeiture or postponement of driving privileges is ordered by the court pursuant to subsection a. of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person and forward such license or licenses to the Chief Administrator of the New Jersey Motor Vehicle Commission along with a report indicating the first and last day of the suspension or postponement period imposed by the court pursuant to
this section. If the court is for any reason unable to collect the license or licenses of the person, the court shall cause a report of the conviction or adjudication of delinquency to be filed with the Chief Administrator. That report shall include the complete name, address, date of birth, eye color, and sex of the person and shall indicate the first and last day of the suspension or postponement period imposed by the court pursuant to this section. The court shall inform the person orally and in writing that if the person is convicted of personally operating a motor vehicle during the period of license suspension or postponement imposed pursuant to this section, the person shall, upon conviction, be subject to the penalties set forth in R.S.39:3-40. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. If the person is the holder of a driver's license from another jurisdiction, the court shall not collect the license but shall notify forthwith the Chief Administrator who shall notify the appropriate officials in the licensing jurisdiction. The court shall, however, in accordance with the provisions of this section, revoke the person's non-resident driving privilege in this State.

c. In addition to any other condition imposed, a court may in its discretion suspend, revoke or postpone in accordance with the provisions of this section the driving privileges of a person admitted to supervisory treatment under N.J.S.2C:36A-1 or N.J.S.2C:43-12 without a plea of guilty or finding of guilt.

d. After sentencing and upon notice to the prosecutor, a person subject to suspension or postponement of driving privileges under this section may seek revocation of the remaining portion of any suspension or postponement based on compelling circumstances warranting an exception that were not raised at the time of sentencing. The court may revoke the suspension or postponement if it finds compelling circumstances.

3. This act shall take effect immediately.

Approved September 10, 2008.

CHAPTER 85

AN ACT establishing the Ellis Island Advisory Commission and supplementing Title 52 of the Revised Statutes.
CHAPTER 85, LAWS OF 2008

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:16A-99 Findings, declarations relative to Ellis Island.

1. The Legislature finds and declares that:
   a. Ellis Island occupies a significant and unique place in America's heritage; it was the primary United States immigration station from 1892 to 1954 when more than 12 million people passed through the station complex - the greatest surge of migration in America's history; and today, 40% of Americans can trace their family history from Ellis Island, which was added to the national park system in 1965 and placed under the operational supervision of the National Park Service as a part of the Statue of Liberty National Monument in recognition of its importance in American history, architecture, and culture.
   b. The closure of Ellis Island in 1954 resulted in its abandonment and decay; in 1990, following extensive rehabilitation, the Main Building reopened as an immigration museum and several buildings have been rehabilitated as administrative offices; and the National Park Service is working with Save Ellis Island, Inc. as the non-profit partner for implementation of the Ellis Island Institute and conference center, which is the preferred reuse for the remaining unused buildings on Ellis Island.
   c. The Ellis Island Institute would be the primary use and would include cultural, interpretive and educational programs and activities with a policy research center and administrative and study space; and the associated conference center would host meetings, retreats and workshops that primarily focus on immigration, world migration, public health, cultural and ethnic diversity, and family history.
   d. On May 26, 1998 the Supreme Court of the United States recognized and acknowledged New Jersey's sovereignty and governmental control over a substantial portion of Ellis Island, as defined in the Court's opinion; in December 1999 the Governor's Advisory Committee on the Preservation and Use of Ellis Island issued its final report and recommendations; and in 2000 Save Ellis Island, Inc. was created in response to the Governor's advisory committee.
   e. It is desirable to create a State-level commission, which as an organized body, on a continuous basis, will: promote the interests of the State of New Jersey and provide assistance and advice to Save Ellis Island, Inc., its successors and other interested parties concerning the proposed Ellis Island Institute and its associated conference center; promote the proposed Ellis Island Institute and its associated conference center regionally and nationally as an important cultural and private-public initiative and destination venue; provide recognition for the accomplishments of the State of
New Jersey in the rehabilitation, reuse and protection of cultural and historic resources on Ellis Island; and prepare reports to the Governor and the Legislature regarding its findings and recommendations.

Public members shall be eligible for reappointment. They shall serve until their successors are appointed and
qualified, and the term of any successor of any incumbent shall be calculated from the expiration of the term of that incumbent. A vacancy occurring other than by expiration of the term shall be filled in the same manner as the original appointment but for the unexpired term only. Public members may be removed by the Governor for cause.

c. The members of the commission shall serve without compensation but shall be reimbursed for necessary expenses incurred in the performance of their duties subject to the availability of funds.

C.52:16A-103 Authority of commission to request information, assistance.
5. The commission is authorized to call upon any department, office, division or agency of the State, or of a political subdivision of the State, to supply such information and assistance as it deems necessary to discharge its responsibilities under this act.

6. This act shall take effect immediately.

Approved September 12, 2008.

CHAPTER 86

AN ACT concerning certain residential mortgages, and supplementing Title 46 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:10B-36 Short title.
1. This act shall be known and may be cited as the “Save New Jersey Homes Act of 2008”.

C.46:10B-37 Findings, declarations relative to certain residential mortgages.
2. The Legislature finds and declares that:
   a. Many thousands of New Jersey homeowners are at risk of losing their homes as a result of mortgage foreclosures in the immediate future;
   b. Foreclosure of a family's home often represents the loss of the family's most valuable financial asset, and foreclosures undermine the health and economic vitality of neighborhoods;
   c. Foreclosures result in the loss of millions of dollars in assets, not only those of the homeowners who are the victims of foreclosure, but also in terms of the property values of homes located in the vicinity of fore-
closed properties, as well as millions in additional costs to state and local government for the loss of property tax revenue;

d. According to a report issued by the U.S. Government Accountability Office (GAO) in October 2007, New Jersey experienced an increase in residential mortgage foreclosure start rates in excess of 50% over the prior two years and the GAO found that defaults and foreclosures on mortgages have a significant economic impact on homeowners, lenders, and neighborhoods;

e. According to a report issued in April 2008 by the State Foreclosure Prevention Working Group, which is composed of banking regulators and attorneys general of 11 states, the collective efforts of mortgage lenders and government officials to address rising foreclosures have not resulted in meaningful improvement in foreclosure prevention, and new approaches, such as targeted efforts to slow down the foreclosure process, are needed to prevent millions of unnecessary foreclosures nationwide;

f. Foreclosures are largely the result of subprime lending practices, which have placed many homeowners in loans that they cannot realistically afford, by using mortgage loan features such as low introductory rates which reset to higher, variable rates, thereby increasing the risk of default for many homeowners in the State who, at an increasing rate, cannot sell their home or refinance their mortgage;

g. Industry analysts estimate that, nationwide, about 1.5 million mortgages are due to reset in 2008, and that as many as three million subprime mortgages could end up in foreclosure over the next several years; and

h. There is a compelling need for the State of New Jersey to address the ongoing economic crisis in the subprime mortgage market and to provide the means by which homeowners can obtain a period of extension to adjust their finances in order to increase their ability to retain their homes, encourage mortgage lenders to modify mortgage loan terms and resolve foreclosure disputes, and protect local governments and neighborhoods from the negative social, economic, and fiscal consequences of foreclosure and abandonment.

C.46:10B-38 Definitions relative to certain residential mortgages.

3. As used in this act:

"Creditor" means a State chartered bank, savings bank, savings and loan association or credit union, any person required to be licensed under the provisions of the "New Jersey Licensed Lenders Act," P.L.1996, c.157 (C.17:11C-1 et seq.), and any entity acting on behalf of the creditor named in the debt obligation including, but not limited to, servicers.
"Eligible borrower" means a borrower who is obligated to repay a loan secured by an introductory rate mortgage.

"Eligible foreclosed borrower" means a borrower who is obligated to repay a loan secured by an introductory rate mortgage and who receives a notice of intention to foreclose that mortgage pursuant to the "Fair Foreclosure Act," P.L.1995, c.244 (C.2A:50-53 et al.), except that an "eligible foreclosed borrower" shall not include an eligible borrower who has previously exercised the right to obtain a three-year period of extension pursuant to section 5 of this act.

"Full repayment" means the full repayment of the amounts due under the introductory rate mortgage, including, without limitation, upon the maturity date, a refinancing, or a sale of or other transfer of title to the property.

"Fully indexed rate" means the sum of the current value of the index used for the adjustable rate mortgage and the margin disclosed in the loan agreement.

"Introductory rate mortgage" means a consumer credit transaction in which the loan is secured by a mortgage on real estate in this State upon which there is located a one to four family dwelling which is occupied by the borrower as the borrower's principal residence, and which provides for: (1) an introductory payment rate option that is set at least 3 percent below the fully indexed rate at the time the loan was originated and payments may adjust by more than 3 percent at the reset date regardless of whether the variable rate index has increased; or (2) an interest rate that may adjust by more than 2 percent at the end of the initial fixed rate period of the loan and which, notwithstanding the payment rate in effect, had an interest rate at origination of more than 200 basis points over the Freddie Mac 30-year conventional interest rate and which provides for an introductory rate that is set below the fully indexed rate at the time the loan was originated and may adjust at the reset date regardless of whether the variable rate index has increased. "Introductory rate mortgage" shall not include: (1) a loan that provides for a fixed rate of interest for the first five years or longer; or (2) a loan that provides for an introductory rate that is set below the fully indexed rate at the time the loan was originated only as a result of the borrower's payment of bona fide discount points.

C.46:10B-39 Written notices from creditor to eligible borrower.

4. a. Prior to the date on which the interest rate in effect during the introductory period of an introductory rate mortgage resets to a variable interest rate under the terms of the mortgage, a creditor shall provide a series of written notices, separate and distinct from all other correspondence, to an
The creditor shall provide these notices at 60-day and 30-day intervals prior to the date that the introductory interest rate resets.

b. Each notice required pursuant to subsection a. of this section shall include, in plain language and in at least 14 point bold type:

1. the current interest rate under the terms of the introductory rate mortgage;
2. the date on which the interest rate resets from a fixed interest rate applicable during the introductory period to a variable interest rate;
3. an explanation of how the reset interest rate and monthly payment would be determined;
4. the best estimate by the creditor of the amount of the monthly payment that will apply after the date of the reset, and the assumptions upon which the estimate is based;
5. a list of alternatives an eligible borrower may pursue before the date of the reset, including any refinancing of the loan offered by the creditor or any renegotiation of loan terms offered by the creditor;
6. an explanation of the borrower's right to obtain a period of extension prior to the initial interest rate reset of an introductory rate mortgage pursuant to this act and an explanation of the procedure that a borrower must follow to obtain a period of extension; and
7. a certification of extension form that can be completed by a borrower in order to obtain a period of extension authorized pursuant to section 5 of this act.

C.46:10B-40 Period of extension; certification.

5. a. Notwithstanding any law or contract right to the contrary, prior to the initial interest rate reset of an introductory rate mortgage, a creditor shall provide an eligible borrower a period of extension for three years as provided in this section, during which the interest rate on the introductory rate mortgage shall not increase above the original introductory rate, provided the eligible borrower completes and returns a certification of extension to the creditor in accordance with the provisions of this section.

b. In order to obtain the period of extension, the eligible borrower shall provide to the creditor, prior to the date that the interest rate resets under the terms of the introductory rate mortgage, a completed certification of extension form signed by the eligible borrower, which contains:

1. the name of the eligible borrower;
2. the address of the property; and
3. an affirmative statement that the eligible borrower:
(a) does not have sufficient monthly income, after deductions for necessary living expenses, to pay the monthly payments that will apply after the date that the interest rate resets;
(b) requests the period of extension;
(c) agrees to continue, during the period of extension, monthly payments, which shall include principal and interest calculated at the introductory rate on the date that the introductory rate mortgage was originated, as well as amounts for taxes, insurance, and any other amounts being paid under the terms of the mortgage prior to the interest rate reset;
(d) agrees to pay the creditor, at the time of the full repayment of the introductory rate mortgage, any interest deferred on account of the period of extension;
(e) agrees to accept the creditor’s placement of a modification of mortgage on the property to secure the repayment of the interest deferred on account of the period of extension; and
(f) agrees to sign a modification of mortgage form that contains the terms of the period of extension and any documentation necessary to establish or record the modification of mortgage.

c. An eligible borrower who makes a knowing material misrepresentation in a certification of extension is guilty of a crime of the fourth degree.
d. The creditor, upon receiving the completed certification of extension, shall grant the eligible borrower the three-year period of extension, which shall commence on the date that the introductory rate is due to reset under the terms of the introductory rate mortgage.
e. Within a reasonable amount of time after the receipt of a completed certification of extension from an eligible borrower, a creditor shall provide to the eligible borrower a written acknowledgment that the certification of extension has been received. The acknowledgment shall contain the following:
(1) the monthly payment amount that is due from the eligible borrower during the period of extension, which shall include principal and interest, calculated at the introductory rate on the date the introductory rate mortgage was originated, as well as amounts for taxes, insurance, and any other amounts being paid under the terms of the mortgage prior to the interest rate reset;
(2) a schedule of payments, indicating the date that the first monthly payment is due and the dates that each subsequent monthly payment is due during the period of extension;
(3) the address to which the eligible borrower shall send the monthly payment; and
(4) a statement of proposed modification of mortgage, which shall include:

(a) a notice to the eligible borrower that the creditor will place a modification of mortgage on the property that is the security for the introductory rate mortgage, to secure the eligible borrower’s repayment of the amount of interest deferred by the period of extension; and

(b) an explanation of the method the creditor will use to calculate the amount of the interest deferred by the period of extension.

f. (1) A creditor who grants a period of extension to an eligible borrower shall have the right to record a modification of mortgage on the eligible borrower’s property in the public records in the county in which the property is located to secure the eligible borrower’s repayment of the amount of interest deferred by the period of extension. The modification of mortgage shall be effective from the date that it is executed. Notwithstanding any law to the contrary, the modification of mortgage shall have the same priority as the lien of the introductory rate mortgage. Upon payment by the eligible borrower of the total amount of interest deferred pursuant to the period of extension, which shall only be due upon full repayment of the introductory rate mortgage, the creditor shall provide the eligible borrower with a recordable satisfaction of the modification of mortgage, or otherwise cause the modification of mortgage to be discharged of record.

(2) If an eligible borrower fails to return to a creditor, who has a right to record a modification of mortgage pursuant to paragraph (1) of this subsection, a properly executed modification of mortgage or any other documentation necessary to establish or record the modification of mortgage, within 30 days from the borrower’s receipt from the creditor of a modification of mortgage form, the creditor may record the eligible borrower’s certification of extension in place of the modification of mortgage. Notwithstanding any other law to the contrary, the certification of extension shall have the same priority as the lien of the introductory rate mortgage. Upon payment by the eligible borrower of the total amount of interest deferred pursuant to the period of extension, the creditor shall provide the eligible borrower with a recordable satisfaction of the certification of extension, or otherwise cause the certification of extension to be discharged of record.

g. A creditor shall not require an eligible borrower to limit or waive the rights of the borrower to bring any claims, defenses, demands, proceedings, actions, or causes of action against the creditor as a condition of accepting an offer of any loss mitigation activities made available by the “Save New Jersey Homes Act of 2008,” P.L.2008, c.86 (C.46:10B-36 et seq.).
h. An eligible borrower who has been granted a period of extension shall forfeit all rights concerning deferment of interest payments provided by this act if the eligible borrower fails to make payments under the schedule of payments set forth in the creditor's acknowledgment of the period of extension or fails to comply with the terms of any modification of mortgage entered into between the creditor and the eligible borrower relating to the period of extension, such that the modification of mortgage becomes 60 days delinquent.

C.46:10B-41 Notice sent to eligible foreclosed borrower.

6. a. A creditor that issues to an eligible foreclosed borrower a notice of intention to foreclose an introductory rate mortgage pursuant to the “Fair Foreclosure Act,” P.L.1995, c.244 (C.2A:50-53 et al.), shall send to the eligible foreclosed borrower a series of written notices, by regular and registered mail, separate and distinct from all other correspondence. The notices shall include in plain language and in at least 14 point bold type:

(1) A statement that the information in the notice is being provided as required by the “Save New Jersey Homes Act of 2008,” P.L.2008, c.86 (C.46:10B-36 et seq.), which was enacted by the New Jersey Legislature and which provides certain rights to borrowers whose homes are the subject of a mortgage foreclosure action;

(4) A statement that the notice should be read carefully and that the eligible foreclosed borrower may wish to consult with an attorney to understand the rights that may be available under the “Save New Jersey Homes Act of 2008,” P.L.2008, c.86 (C.46:10B-36 et seq.); and

(5) A certification of extension form that can be completed by an eligible foreclosed borrower in order to obtain the period of extension authorized pursuant to section 7 of this act.

b. The notices required pursuant to subsection a. of this section shall be sent at the following intervals:

(1) within 10 days of issuing the notice of intention; and

(2) at the time that the creditor applies for entry of final judgment of foreclosure pursuant to section 6 of P.L.1995, c.244 (C.2A:50-58).
c. The notices shall be sent in envelopes that state the following information on the outside front portion of the envelope: “The New Jersey Legislature has enacted the Save New Jersey Homes Act of 2008, which may help you save your home from foreclosure. b. In order to obtain the period of extension, the eligible foreclosed borrower shall provide to the creditor, no later than 90 days from the date that the creditor sends the notice required pursuant to paragraph (2) of subsection b. of section 6 of this act, a completed certification of extension form signed by the eligible foreclosed borrower, which contains:

(2) the address of the property; and

(2) suspend the foreclosure proceeding that the creditor initiated pursuant to the “Fair Foreclosure Act,” P.L.1995, c.244 (C.2A:50-53 et al.).

A creditor may grant relief pursuant to paragraphs (1) and (2) of this subsection, upon receipt of a completed certification of extension from an eligible foreclosed borrower after the time period specified in subsection b. of this section, in the sole discretion of the creditor.

d. Within a reasonable period of time after the receipt of a completed certification of extension from an eligible foreclosed borrower within the time period specified in subsection b. of this section, a creditor shall provide to the eligible foreclosed borrower a written acknowledgment that the certification of extension has been received. The acknowledgment shall contain the following:

(2) The modification of mortgage shall be effective from the date that it is executed. Notwithstanding any other law to the contrary, the modification of mortgage shall have the same priority as the lien of the introductory rate mortgage. Upon payment by the eligible foreclosed borrower of the total amount of interest deferred pursuant to the period of extension, and any other amounts representing the arrearages for which the modification of mortgage secures repayment pursuant to this act, which shall only be due upon full repayment of the introductory rate mortgage, the creditor shall provide the eligible foreclosed borrower with a recordable satisfaction of the modification of mortgage, or otherwise cause the modification of mortgage to be discharged of record.

(3) If an eligible foreclosed borrower fails to return to a creditor, who has a right to record a modification of mortgage pursuant to paragraph (1) of this subsection, a properly executed modification of mortgage or any other documentation necessary to establish or record the modification of mortgage within 30 days from the borrower’s receipt from the creditor of a modification of
mortgage form, the creditor may record the eligible foreclosed borrower’s certification of extension in place of the modification of mortgage. Notwithstanding any other law to the contrary, the certification of extension shall have the same priority as the lien of the introductory rate mortgage. Upon payment by the eligible foreclosed borrower of the total amount of interest deferred pursuant to the period of extension, and any other amounts representing the arrearages for which the certification of extension secures repayment pursuant to this act, the creditor shall provide the eligible foreclosed borrower with a recordable satisfaction of the certification of extension, or otherwise cause the certification of extension to be discharged of record.

f. A creditor shall not require an eligible foreclosed borrower to limit or waive the rights of the borrower to bring any claims, defenses, demands, proceedings, actions, or causes of action against the creditor as a condition of accepting an offer of any loss mitigation activities made available by the “Save New Jersey Homes Act of 2008,” P.L. 2008, c.36 (C.46:10B-36 et seq.).

g. An eligible foreclosed borrower who has been granted a period of extension shall forfeit all rights concerning deferment of interest payments, suspension of foreclosure, and deferment of payment of amounts secured by a modification of mortgage, provided by the provisions of this act if the eligible foreclosed borrower fails to make payments under the schedule of payments as set forth in the creditor’s acknowledgment of the period of extension or fails to comply with the terms of the modification of mortgage entered into between the creditor and the eligible foreclosed borrower relating to the period of extension, such that the modification of mortgage becomes 60 days delinquent.

h. A court shall not approve an entry of final judgment in a foreclosure proceeding commenced pursuant to the “Fair Foreclosure Act,” P.L. 1995, c.244 (C.2A:50-53 et al.) as to an introductory rate mortgage unless the court is satisfied from the pleadings and certifications on file with the court that notice of the availability of the period of extension was provided to the eligible foreclosed borrower in accordance with the provisions of this act.

C.46:10B-43 Violations, penalties.

8. a. Any person who willfully violates any provision of this act shall be liable to a penalty of not more than $10,000 for the first offense, and not more than $20,000 for the second and subsequent offense, which penalty may be collected in a summary proceeding pursuant to the “Penalty Enforcement Law of 1999,” P.L.1999, c.274 (C.2A:58-10 et seq.), except that immaterial errors in a notice required to be provided by a creditor pursuant to this act, shall not constitute a violation of this act.
b. If a creditor violates any provision of this act, an eligible borrower, an eligible foreclosed borrower, or the Attorney General may bring an action to enforce compliance by a summary proceeding pursuant to the “Penalty Enforcement Law of 1999,” P.L. 1999, c.274 (C.2A:58-10 et seq.).

C.46:10B-44 Creditor's failure to fulfill obligation.

9. Failure of a creditor to fulfill any obligation under this act shall not be considered to be the exercise of a power, right, benefit, or privilege under the parity provisions of P.L.1981, c.163 (C.17:9A-24B1), section 48 of P.L.1963, c.144 (C.17:12B-48), or section 12 of P.L.1984, c.171 (C.17:13-90), and it shall not be a defense to a violation of this act that the failure to fulfill any provision of the act is an exercise of such a power, right, benefit, or privilege.

C.46:10B-45 Liberal construction.

10. This act shall be liberally construed to effectuate the purposes of the act.

C.46:10B-46 Severability.

11. If any section, subsection, paragraph, sentence or other part of this act is adjudged unconstitutional or invalid, the judgment shall not affect, impair or invalidate the remainder of this act, but shall be confined in its effect to the section, subsection, paragraph, sentence or other part of this act directly involved in the controversy in which the judgment shall have been rendered.

C.46:10B-47 Regulations.

12. The Attorney General, in consultation with the Department of Banking and Insurance shall adopt regulations, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the purposes of this act.

C.46:10B-48 Effective date; term.

13. This act shall take effect immediately, and remain in effect until January 1, 2011.

Approved September 15, 2008.

CHAPTER 87

AN ACT concerning the review and approval of certain transactions of parent or affiliate corporations of telecommunications and cable television companies and amending various parts of the statutory law.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1984, c.2 (C.48:2-51.1) is amended to read as follows:

C.48:2-51.1 Acquisition of control of public utility; approval of board of public utilities; exceptions.

1. a. Except as otherwise provided by subsection b. of this section, no person shall acquire or seek to acquire control of a public utility directly or indirectly through the medium of an affiliated or parent corporation or organization, or through the purchase of shares, the election of a board of directors, the acquisition of proxies to vote for the election of directors, or through any other manner, without requesting and receiving the written approval of the Board of Public Utilities. Any agreement reached, or any other action taken, in violation of this act shall be void. In considering a request for approval of an acquisition of control, the board shall evaluate the impact of the acquisition on competition, on the rates of ratepayers affected by the acquisition of control, on the employees of the affected public utility or utilities, and on the provision of safe and adequate utility service at just and reasonable rates. The board shall accompany its decision on a request for approval of an acquisition of control with a written report detailing the basis for its decision, including findings of fact and conclusions of law.

b. Nothing herein shall require the review or approval by the board of any parent or affiliate corporation of a telecommunications company if such parent or affiliate corporation does not itself provide regulated telecommunications service or telephone access line service, in this State, and seeks to combine, merge, or consolidate with, or acquire or acquire control of, another corporation or other organization which:

(1) does not directly provide regulated telecommunications services or telephone access line service, in this State; and

(2) does not directly or through one or more affiliates, own a controlling interest in another corporation or other organization which provides regulated telecommunications service or telephone access line service, in this State.

2. R.S.48:3-7 is amended to read as follows:

Utility property transactions.

48:3-7. a. Except as otherwise provided by subsection g. of this section, no public utility shall, without the approval of the board, sell, lease, mort-
gage, or otherwise dispose of or encumber its property, franchises, privileges, or rights, or any part thereof; or merge or consolidate its property, franchises, privileges, or rights, or any part thereof, with that of any other public utility.

Where, by the proposed sale, lease, or other disposition of all or a substantial portion of its property, any franchise or franchises, privileges, or rights, or any part thereof or merger or consolidation thereof as set forth herein, it appears that the public utility or a wholly owned subsidiary thereof may be unable to fulfill its obligation to any employees thereof with respect to pension benefits previously enjoyed, whether vested or contingent, the board shall not grant its approval unless the public utility seeking the board's approval for such sale, lease, or other disposition assumes such responsibility as will be sufficient to provide that all such obligations to employees will be satisfied as they become due.

Every sale, mortgage, lease, disposition, encumbrance, merger, or consolidation made in violation of this section shall be void.

Nothing herein shall prevent the sale, lease, or other disposition by any public utility of any of its property in the ordinary course of business, nor require the approval of the board to any grant, conveyance, or release of any property or interest therein heretofore made or hereafter to be made by any public utility to the United States, State, or any county or municipality or any agency, authority, or subdivision thereof, for public use.

The approval of the board shall not be required to validate the title of the United States, State, or any county or municipality or any agency, authority, or subdivision thereof, for any lands or interest therein heretofore condemned or hereafter to be condemned by the United States, State, or any county or municipality or any agency, authority or subdivision thereof for public use.

b. Notwithstanding any law, rule, regulation, or order to the contrary, an autobus public utility regulated by and subject to the provisions of Title 48 of the Revised Statutes may, without the approval of the Department of Transportation, sell, lease, mortgage, or otherwise dispose of or encumber its property, or any part thereof, except that approval of the Department of Transportation shall be required for the following:

(1) the sale of 60% or more of its property within a 12-month period;
(2) a merger or consolidation of its property, franchises, privileges, or rights; or
(3) the sale of any of its franchises, privileges or rights.

Notice of the sale, purchase or lease of any autobus or other vehicle subject to regulation under Title 48 of the Revised Statutes shall be provided to the Department of Transportation as the department shall require.
c. Except as otherwise provided in subsection e. of this section, no solid waste collector as defined in section 3 of P.L.1970, c.40 (C.48:13A-3) shall, without the approval of the Department of Environmental Protection:

(1) sell, lease, mortgage, or otherwise dispose of or encumber its property, including customer lists; or

(2) merge or consolidate its property, including customer lists, with that of any other person or business concern, whether or not that person or business concern is engaged in the business of solid waste collection or solid waste disposal pursuant to the provisions of P.L.1970 c.39 (C.13:1E-1 et seq.), P.L.1970, c.40 (C.48:13A-1 et al.), P.L.1991, c.381 (C.48:13A-7.1 et al.) or any other act.

d. Any solid waste collector seeking approval for any transaction enumerated in subsection c. of this section shall file with the department, on forms and in a manner prescribed by the department, a notice of intent at least 30 days prior to the completion of the transaction.

(1) The department shall promptly review all notices filed pursuant to this subsection. The department may, within 30 days of receipt of a notice of intent, request that the solid waste collector submit additional information to assist in its review if it deems that such information is necessary. If no such request is made, the transaction shall be deemed to have been approved. In the event that additional information is requested, the department shall outline, in writing, why it deems such information necessary to make an informed decision on the impact of the transaction on effective competition.

(2) The department shall approve or deny a transaction within 60 days of receipt of all requested information. In the event that the department fails to take action on a transaction within the 60-day period specified herein, then the transaction shall be deemed to have been approved.

(3) The department shall approve a transaction unless it makes a determination pursuant to the provisions of section 19 of P.L.1991, c.381 (C.48:13A-7.19) that the proposed sale, lease, mortgage, disposition, encumbrance, merger, or consolidation would result in a lack of effective competition.

The department shall prescribe and provide upon request all necessary forms for the implementation of the notification requirements of this subsection.

e. (1) Any solid waste collector may, without the approval of the department, purchase, finance, or lease any equipment, including collection or haulage vehicles.

(2) Any solid waste collector may, without the approval of the department, sell or otherwise dispose of its collection or haulage vehicles; except
that no solid waste collector shall, without the approval of the department in the manner provided in subsection d. of this section, sell or dispose of 33% or more of its collection or haulage vehicles within a 12-month period.

f. (1) The owner or operator of a privately-owned sanitary landfill facility may, without the approval of the Department of Environmental Protection, sell or otherwise dispose of its assets except that the prior approval of the department shall be required: (a) to sell all assets associated with the sanitary landfill facility or a portion thereof sufficient to transfer the operation of the sanitary landfill facility to a new owner or operator; (b) to sell a controlling ownership interest in the sanitary landfill facility; or (c) to merge or consolidate its property with that of any other person or business concern, whether or not that person or business concern is engaged in the business of solid waste disposal pursuant to the provisions of P.L. 1970, c. 39 (C. 13:1E-1 et seq.), P.L. 1970, c. 40 (C. 48:13A-1 et al.) or any other act.

(2) Any owner or operator seeking approval for any transaction enumerated in this subsection shall file with the department an application therefor, on forms and in a manner prescribed by the department. The department shall promptly review all applications filed pursuant to this subsection and shall serve requests for information regarding any transaction within 30 days following the filing of an application if the department deems that such information is necessary. The department shall approve or deny the transaction within 60 days of receipt of all requested information. In the event that the department fails to take action on a transaction within the 60-day period specified herein, then the transaction shall be deemed to have been approved.

As used in this section, "business concern" means any corporation, association, firm, partnership, sole proprietorship, trust, or other form of commercial organization; and "privately-owned sanitary landfill facility" means a commercial sanitary landfill facility which is owned and operated by a private person, corporation, or other organization and includes all appurtenances and related improvements used at the site for the transfer, processing, or disposal of solid waste.

g. Nothing herein shall require the review or approval by the board of any parent or affiliate corporation of a telecommunications company if such parent or affiliate corporation does not itself provide regulated telecommunications service or the provision of telephone access line service, in this State, and such parent or affiliate corporation seeks to sell, lease, mortgage, or otherwise to dispose of or to permit the encumbrance of any of its property, franchises, privileges or rights, or any part thereof; or to merge, or consolidate its property, franchises, privileges or rights, or any part thereof, with that or those of another corporation or other organization which:
(1) does not directly provide regulated telecommunications services or telephone access line service, in this State; and
(2) does not directly or through one or more affiliates, own a controlling interest in another corporation or other organization which provides regulated telecommunications service or telephone access line service, in this State.

3. R.S.48:3-9 is amended to read as follows:

Security transactions.

48:3-9. a. Except as otherwise provided by subsection b. of this section, no public utility shall, unless it shall have first obtained authority from the board so to do:

(1) Issue any stocks, or any bonds, notes, or other evidence of indebtedness payable more than 12 months after the date or dates thereof, or extend or renew any bond, note, or any other evidence of indebtedness so that any extension or renewal thereof shall be payable later than 12 months after the date of the original instrument; or
(2) Permit any demand note to remain unpaid for a period of more than 12 months after the date thereof.

The board shall approve any such proposed issue, with or without hearing at its discretion, when satisfied that such issue is to be made in accordance with law and the purpose thereof is approved by the board.

The provisions of this subsection shall not apply to any public utility operating, managing, or controlling a railroad or a railway express which is subject to the rules and regulations from time to time issued by the federal Surface Transportation Board or any successor agency.

The provisions of this subsection shall not apply to autobus public utilities under the jurisdiction of the Department of Transportation.

The provisions of this subsection shall not apply to any solid waste collector as defined in section 3 of P.L.1970, c.40 (C.48:13A-3).

The provisions of this subsection shall not apply to any privately-owned sanitary landfill facility as defined in section 3 of P.L.2003, c.169 (C.48:13A-7.26).

b. Nothing herein shall require the review or approval by the board of any parent or affiliate corporation of a telecommunications company if such parent or affiliate corporation seeks to issue any stocks, bonds, notes, or other evidence of indebtedness payable more than 12 months after the date or dates thereof, or to extend or renew any bond, note, or other evidence of indebtedness so that any extension or renewal thereof shall be payable later than 12 months after the date of the original instrument, or to permit any demand note
to remain unpaid for a period of more than 12 months after the date thereof, if
the parent or affiliate corporation of the telecommunications company which
seeks to engage in any of the aforementioned transactions does not itself pro-
vide regulated telecommunications services over a telecommunications net-
work or telephone access line service, but does directly or through one or more
affiliates own a controlling interest in a telecommunications network or does
otherwise control or exercise responsibility for, through any arrangement, the
management and operation of such a telecommunications network, or owns a
controlling interest in a telecommunications company that provides regulated
telecommunications service or telephone access line service.

4. R.S. 48:3-10 is amended to read as follows:

Sale or transfer of stock unless authorized by board prohibited; exceptions.

48:3-10. a. Except as otherwise provided by subsection b. of this sec-
tion, no public utility incorporated under the laws of this State shall sell,
nor shall any such public utility make or permit to be made upon its books
any transfer of any share or shares of its capital stock, to any other public
utility, unless authorized to do so by the board. Nor shall any public utility
incorporated under the laws of this State sell any share or shares of its capi-
tal stock or make or permit any transfer thereof to be made upon its books,
to any corporation, domestic or foreign, or any person, the result of which
sale or transfer in itself or in connection with other previous sales or trans-
fers shall be to vest in such corporation or person a majority in interest of
the outstanding capital stock of such public utility corporation unless au-
thorized to do so by the board.

Every assignment, transfer, contract, or agreement for assignment or
transfer, by or through any person or corporation to any corporation or per-
son in violation of any of the provisions hereof shall be void and of no ef-
effect, and no such transfer shall be made on the books of any public utility
corporation. Nothing herein contained shall be construed to prevent the
holding of stock lawfully acquired before March 5, 1935.

Where, by the proposed assignment, transfer, contract, or agreement for
assignment or transfer of capital stock as set forth herein, it appears that the
public utility or a wholly owned subsidiary thereof may be unable to fulfill
its obligation to any employees thereof with respect to pension benefits
previously enjoyed, whether vested or contingent, the board shall not grant
its authorization unless the public utility seeking the board's authorization
assumes such responsibility as will be sufficient to provide that all such
obligations to employees will be satisfied as they become due.
Nothing herein shall require the approval of the Department of Transportation to any sale or transfer by any public utility of any share or shares of its capital stock to the New Jersey Transit Corporation or any subsidiary thereof for public use.

b. Nothing herein shall require the review and approval by the board of any parent or affiliate corporation of a telecommunications company if such parent or affiliate corporation seeks to sell, or to make or permit to be made upon its books any transfer of any share or shares of its capital stock, to any other public utility, if the telecommunications company which seeks to engage in any of the aforementioned transactions does not itself provide regulated telecommunications services over a telecommunications network or telephone access line service, but does directly or through one or more affiliates own a controlling interest in such a telecommunications network or does otherwise control or exercise responsibility for, through any arrangement, the management and operation of such a telecommunications network, or owns a controlling interest in a telecommunications company that provides regulated telecommunications service or telephone access line service.

5. Section 38 of P.L.1972, c.186 (C.48:5A-38) is amended to read as follows:

38. a. Except as otherwise provided by subsection b. of this section, no CATV company shall combine, merge, or consolidate with, or acquire control of, another organization without first obtaining the approval of the board, which shall be granted only after an investigation and finding that such proposed combination, merger, consolidation, or acquisition is in the public interest.

b. Nothing herein shall require the review or approval by the board of any parent or affiliate corporation of a company that provides cable television service over a cable television system if such parent or affiliate corporation does not itself provide cable television service in this State and seeks to combine, merge, or consolidate with, or to acquire control of, another corporation or other organization that:

Every sale, mortgage, lease, disposition, encumbrance, merger or consolidation made in violation of this section shall be void.

b. Nothing herein shall prevent the sale, lease or other disposition by any CATV company of any of its property in the ordinary course of business, nor require the approval of the board to any grant, conveyance or release or any property or interest therein heretofore made or hereafter to be made by any CATV company to the United States, the State or any county or municipality or any agency, authority or subdivision thereof, for public use. The approval of the board shall not be required to validate the title of the United States, the State or any county or municipality or any agency, authority or subdivision thereof, to any lands or interest therein heretofore condemned or hereafter to be condemned by the United States, the State or any county or municipality or any agency, authority or subdivision thereof for public use.

c. Nothing herein shall require the review or approval by the board of any parent or affiliate corporation of a company that provides cable television service over a cable television system if such parent or affiliate corporation does not itself provide cable television service in this State and seeks to sell, lease, mortgage, or otherwise to dispose of or to permit the encumbrance of any of its property, franchises, privileges, or rights, or any part thereof; or to merge or consolidate its property, franchises, privileges, or rights, or any part thereof, with that or those of another corporation or other organization which:

(1) does not directly provide cable television service in this State; and

b. Permit any demand note to remain unpaid for a period of more than 12 months after the date thereof.

The board shall approve any such proposed issue, with or without hearing at its discretion, when satisfied that such issue is to be made in accordance with law and the purpose thereof is approved by the board.

AN ACT concerning retirement and other benefits for certain public employees and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known as “The Public Employee Pension and Benefits Reform Act of 2008.”

2. Section 36 of P.L.1995, c.259 (C.52:14-17.31a) is amended to read as follows:

C.52:14-17.31a Employee permitted to waive benefits coverage under SHBP.

36. a. Notwithstanding the provisions of any other law to the contrary, an employer other than the State which participates in the State Health Benefits Program, established pursuant to P.L.1961, c.49 (C.52:14-17.25 et seq.), may allow any employee who is eligible for other health care coverage to waive coverage under the State Health Benefits Program to which the employee is entitled by virtue of employment with the employer. The waiver shall be in such form as the Director of the Division of Pensions and Benefits shall prescribe and shall be filed with the division. After such waiver has been filed and for so long as that waiver remains in effect, no premium shall be required to be paid by the employer for the employee or the employee's dependents. Not later than the 180th day after the date on which the waiver is filed, the division shall refund to the employer the amount of any premium previously paid by the employer with respect to any period of coverage which followed the filing date.

b. Notwithstanding the provisions of any other law to the contrary, the State as an employer, or an employer that is an independent authority, commission, board, or instrumentality of the State which participates in the State Health Benefits Program, may allow any employee who is eligible for
other health care coverage that is not under the State Health Benefits Program to waive the coverage under the State Health Benefits Program to which the employee is entitled by virtue of employment with the employer. The waiver shall be in such form as the Director of the Division of Pensions and Benefits shall prescribe and shall be filed with the division.

c. In consideration of filing a waiver as permitted in subsections a. and b. of this section, an employer may pay to the employee annually an amount, to be established in the sole discretion of the employer, which shall not exceed 50% of the amount saved by the employer because of the employee's waiver of coverage. An employee who waives coverage shall be permitted to immediately resume coverage if the employee ceases to be eligible for other health care coverage for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the employer which represents an advance payment for a period of time during which coverage is resumed. An employee who wishes to resume coverage shall notify the employer in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked. The decision of an employer to allow its employees to waive coverage and the amount of consideration to be paid therefor shall not be subject to the collective bargaining process.

3. N.J.S.18A:66-13 is amended to read as follows:

Prior service credit.

18A:66-13. Prior service credit. A member may file a detailed statement of: a. school service and service in a similar capacity in other states and in schools within and outside the United States operated by a department of the United States Government for the instruction of the children of United States Government officers and employees, or b. other public employment in other states or with the United States Government which would be eligible for credit in a State-administered retirement system if the employment was with a public employer in this State, or c. military service in the Armed Forces of the United States, rendered prior to becoming a member, for which the member desires credit, and of such other facts as the retirement system may require. The member may purchase credit for all or a portion of the service evidenced in the statement up to the nearest number of years and months, but not exceeding 10 years, provided however, that a member purchasing that maximum credit may purchase up to five additional years for additional military service qualifying the member as a vet-
eran as defined in N.J.S.18A:66-2. No application shall be accepted for the purchase of credit for such service if, at the time of application, the member has a vested right to retirement benefits in another retirement system based in whole or in part upon that service.

The member may purchase credit for the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. The purchase may be made in regular installments, equal to at least one-half the full normal contribution to the retirement system, over a maximum period of 10 years. Neither the State nor the employer of a member who applies to purchase credit for public employment with the United States Government pursuant to subsection b. of this section or for military service pursuant to subsection c. of this section shall be liable for any payment to the retirement system on behalf of the member for the purchase of this credit.

Notwithstanding any provision of this act to the contrary, a member shall not be liable for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit for school service, public employment in other states or with the United States Government, or military service in the Armed Forces of the United States.

Any member electing to purchase the service who retires prior to completing payments as agreed with the retirement system will receive pro rata credit for service purchased prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump sum payment required at that time to provide full credit.

Notwithstanding any other provision of law to the contrary, service credit established in the retirement system by a member through purchase in accordance with this section, which purchase was made by an application submitted on or after the effective date of P.L.2008, c.89, except a purchase for military service in the Armed Forces of the United States, shall not be eligible for consideration when service is used to determine the qualification of the member for any health care benefits coverage paid, in whole or in part, by a public employer after the member's retirement.

4. Section 2 of P.L.1963, c.19 (C.43:15A-73.1) is amended to read as follows:
C.43:15A-73.1 Credit for employment in other states, federal government or military service; limitation; payments; pro rata credit upon retirement.

2. A member may file a detailed statement of public employment in other states or with the United States Government which would be eligible for credit in a State-administered retirement system if the employment was with a public employer in this State, or of military service in the Armed Forces of the United States, or of service resulting from initial appointment or employment on or after January 1, 2002 with a bi-state or multi-state agency established pursuant to an interstate compact to which the State is a party which would be eligible for credit in a State-administered retirement system if the employment was with a public employer in this State, rendered prior to becoming a member, for which the member desires credit, and of such other facts as the retirement system may require. The member may purchase credit for all or a portion of the service evidenced in the statement up to the nearest number of years and months, but not exceeding 10 years, provided however, that a member purchasing that maximum credit may purchase up to five additional years for additional military service qualifying the member as a veteran as defined in section 6 of P.L.1954, c.84 (C.43:15A-6). No application shall be accepted for the purchase of credit for the service if, at the time of application, the member has a vested right to retirement benefits in another retirement system based in whole or in part upon that service. The member may purchase credit for the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary as being applicable to the member's age at the time of the purchase, to the member's salary at that time, or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is greater. The purchase may be made in regular installments, equal to at least 1/2 of the full normal contribution to the retirement system, over a maximum period of 10 years. The employer of a member who applies, pursuant to this section, to purchase credit for public employment with the United States Government or for military service in the Armed Forces of the United States shall not be liable for any payment to the retirement system on behalf of the member for the purchase of this credit.

Notwithstanding any provision of this act to the contrary, a member shall not be liable for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit for public employment in other states or with the United States Government or military service in the Armed Forces of the United States or with a bi-state or multi-state agency.
Any member electing to make a purchase pursuant to this section who retires prior to completing payments as agreed with the retirement system will receive pro rata credit for the purchase prior to the date of retirement, but if the member so elects at the time of retirement, the member may make the additional lump sum payment required at that time to provide full credit.

Notwithstanding any other provision of law to the contrary, service credit established in the retirement system by a member through purchase in accordance with this section, which purchase was made by an application submitted on or after the effective date of P.L.2008, c.89, except a purchase for military service in the Armed Forces of the United States, shall not be eligible for consideration when service is used to determine the qualification of the member for any health care benefits coverage paid, in whole or in part, by a public employer after the member's retirement.

The amount certified by the system shall be payable by the employer to the
contingent reserve fund and shall be due and owing to the system even if
the employee is no longer in the employ of the employer by the date such

18A:66-36. Should a member of the Teachers' Pension and Annuity

a. The payments provided for in N.J.S.18A:66-37, if he so qualified under said section; or

b. A deferred retirement allowance beginning at age 60, or for a person who becomes a member of the retirement system on or after the effective date of P.L.2008, c.89 beginning at age 62, which shall be made up of an annuity derived from the member's accumulated deductions at the time of his severance from the service, and a pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 1/64 of his final compensation for each year of service credited as Class A service and 1/55 of his final compensation for each year of service credited as class B service, calculated in accordance with N.J.S.18A:66-44, with optional privileges provided for in N.J.S.18A:66-47 if he exercises such optional privilege at least 30 days before his attainment of the normal retirement age; provided, that such election is communicated by such member to the retirement system in writing stating at what time subsequent to the execution and filing thereof he desires to be retired; and provided, further, that such member may later elect: (1) to receive the payments provided for in N.J.S.18A:66-37, if he had qualified under that section at the time of leaving service, except that in order to avail himself of the optional privileges pursuant to N.J.S.18A:66-47, he must exercise such optional privilege at least 30 days before the effective date of his retirement; or (2) to withdraw his accumulated deductions with interest as provided in N.J.S.18A:66-34. If he had discontinued his service for more than two consecutive years, subsequent contributions shall be at a rate applicable to the age resulting from the subtraction of his years of creditable service at the time of his last discontinuance of contributing member-

CHAPTER 90

AN ACT exempting certain renewable energy systems from real property taxation and supplementing chapter 4 of Title 54 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54:4-3.113a Definitions relative to certain renewable energy systems.
1. As used in this act:
   “Board of appeals” means the construction board of appeals established under section 9 of P.L.1975, c.217 (C.52:27D-127), having jurisdiction in the municipality in which the property is located.
   “Commissioner” means the Commissioner of Community Affairs.
   “Director” means the Director of the Division of Taxation in the Department of the Treasury.
   “Local enforcing agency” means the enforcing agency in any municipality provided for under the “State Uniform Construction Code Act,” P.L.1975, c.217 (C.52:27D-119 et seq.) and rules and regulations adopted pursuant thereto.
   “Renewable energy” means: (1) electric energy produced from solar technologies, photovoltaic technologies, wind energy, fuel cells, geothermal technologies, wave or tidal action, methane gas from landfills, a resource recovery facility, a hydropower facility or a biomass facility, provided that the biomass is cultivated and harvested in a sustainable manner, and provided further that the Commissioner of Environmental Protection has determined that the resource recovery facility, hydropower facility or biomass facility, as appropriate, meets the highest environmental standards and minimizes any impacts to the environment and local communities; and (2) energy produced from solar thermal or geothermal technologies.
   “Renewable energy system” means any equipment that is part of, or added to, a residential, commercial, industrial, or mixed use building as an accessory use, and that produces renewable energy onsite to provide all or a portion of the electrical, heating, cooling, or general energy needs of that building.

C.54:4-3.113b Property certified as renewable energy system exempt from taxation.
2. Property that has been certified by a local enforcing agency as a renewable energy system shall be exempt from taxation under chapter 4 of Title 54 of the Revised Statutes. The owner of real property which is equipped with a certified renewable energy system may have exempted annually from the assessed valuation of the real property a sum equal to the
assessed valuation of the real property with the renewable energy system included, minus the assessed valuation of the real property without the renewable energy system included.

C.54:4-3.113c Requirements for certification by local enforcing agency.
3. No certification shall be made by the local enforcing agency as provided in this act, except upon written application therefor, which application shall be made under oath on a form prescribed by the director, and provided for the use of claimants by the local enforcing agency. The local enforcing agency may at any time inquire into the right of a claimant to the exemption, and for that purpose the local enforcing agency may require the filing of a new application or the submission of such proof as the local enforcing agency shall deem necessary to determine the right of the claimant to the continuance of the exemption. The local enforcing agency shall have the right to make an inspection of the premises which are the subject of the claim for exemption under this act.

C.54:4-3.113d Certification by local enforcing agency.
4. The local enforcing agency, when requested for a certification pursuant to this act, shall certify a system as being a renewable energy system whenever the local enforcing agency finds that the system installed was designed primarily as a renewable energy system in accordance with rules and regulations adopted by the commissioner pursuant to subsection b. of section 7 of this act. The certificate shall contain information identifying the renewable energy system and the cost thereof and shall be in such form and detail as the director shall prescribe. The certificate shall be provided to the applicant therefor, with a copy retained on file by the local enforcing agency, and a copy of the certificate shall be sent to the assessor of the taxing district in which the property containing the renewable energy system is located and has been installed. The exemption from taxation for the renewable energy system shall become effective for the tax year following the year in which certification has been granted and thereafter during its use primarily for such purposes.

C.54:4-3.113e Revocation of certificate.
5. The local enforcing agency, after giving notice to the holder of a renewable energy system certificate, may revoke a certificate whenever any of the following appears or occurs:
   a. the certificate was obtained by fraud or misrepresentation;
   b. the claimant for tax exemption has failed substantially to proceed with the construction, reconstruction, installation or acquisition of a renewable energy system;
c. the structure or equipment or both to which the certificate relates has ceased to be used for the primary purpose of providing renewable energy to provide all or a portion of the electrical, heating, cooling, or general energy needs of the structure and is being used for a different primary purpose; or
d. the claimant for the tax exemption has so departed from the equipment, design and construction previously certified by the local enforcing agency that, in the opinion of the local enforcing agency, the renewable energy system is not suitable and reasonably adequate for the purpose of using renewable energy to provide all or a portion of the electrical, heating, cooling, or general energy needs of the structure.

C.54:4-3.113f Review for aggrieved persons.

CHAPTER 91

AN ACT concerning tobacco products and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.2A:170-51.5 Findings, declarations relative to flavored cigarettes.
1. The Legislature finds and declares that:
   a. There has been a proliferation of flavored cigarettes in recent years, and many of these products have fruit, chocolate or other flavors that are particularly attractive to children;
   b. According to public health experts, the existence of these products increases the incidence of tobacco use among children;
   c. The earlier a person begins using tobacco, the more likely the person will become addicted to tobacco products and continue to smoke throughout that person's life;
   d. As a result, flavored cigarettes lead to increased tobacco use and addiction, higher health care costs, and a greater incidence of smoking-related illness and death; and
   e. Therefore, flavored cigarettes pose a significant threat to the health of the general public, and the protection of the public health warrants that the sale and distribution of these products be prohibited in this State.

C.2A:170-51.6 Sales, distribution of certain flavored cigarettes prohibited; definitions; violations, penalties.
2. a. No person, either directly or indirectly by an agent or employee, or by a vending machine owned by the person or located in the person's establishment, shall sell, offer for sale, distribute for commercial purpose at no cost or minimal cost or with coupons or rebate offers, give or furnish, to a person a cigarette, or any component part thereof, which contains a natural or artificial constituent or additive that causes the cigarette or any smoke emanating from that product to have a characterizing flavor other than tobacco, clove or menthol. In no event shall a cigarette or any component part thereof be construed to have a characterizing flavor based solely on the use of additives or flavorings, or the provision of an ingredient list made available by any means.
   As used in this section:
   (1) "characterizing flavor other than tobacco, clove or menthol" means that: the cigarette, or any smoke emanating from that product, imparts a distinguishable flavor, taste or aroma other than tobacco, clove or menthol prior to or during consumption, including, but not limited to, any fruit, chocolate, vanilla, honey, candy, cocoa, dessert, alcoholic beverage, herb or spice flavoring; or the cigarette or any component part thereof is advertised or marketed as having or producing any such flavor, taste or aroma;
   (2) "cigarette" means (a) any roll of tobacco wrapped in paper or in any substance not containing tobacco, and (b) any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the
type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette as described in subparagraph (a) of this paragraph (2); and

(3) "component part thereof" includes, but is not limited to, the tobacco, paper, roll or filter, or any other matter or substance which can be smoked.

b. A person who violates the provisions of subsection a. of this section shall be liable to a civil penalty of not less than $250 for the first violation, not less than $500 for the second violation, and $1,000 for the third and each subsequent violation. The civil penalty shall be collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), in a summary proceeding before the municipal court having jurisdiction. An official authorized by statute or ordinance to enforce the State or local health codes or a law enforcement officer having enforcement authority in that municipality may issue a summons for a violation of the provisions of subsection a. of this section, and may serve and execute all process with respect to the enforcement of this section consistent with the Rules of Court. A penalty recovered under the provisions of this subsection shall be recovered by and in the name of the State by the local health agency. The penalty shall be paid into the treasury of the municipality in which the violation occurred for the general uses of the municipality.

c. In addition to the provisions of subsection b. of this section, upon the recommendation of the municipality, following a hearing by the municipality, the Division of Taxation in the Department of the Treasury may suspend or, after a second or subsequent violation of the provisions of subsection a. of this section, revoke the license of a retail dealer issued under section 202 of P.L.1948, c.65 (C.54:40A-4). The licensee shall be subject to administrative charges, based on a schedule issued by the Director of the Division of Taxation, which may provide for a monetary penalty in lieu of a suspension.

3. This act shall take effect on the 60th day after enactment.

Approved October 1, 2008.

CHAPTER 94

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.34:15-79 is amended to read as follows:

Penalties for failure to carry insurance.

34:15-79. An employer who fails to provide the protection prescribed in this article shall be guilty of a disorderly persons offense and shall be guilty of a crime of the fourth degree if such failure is knowing. In cases where a workers' compensation award in the Division of Workers' Compensation of New Jersey against the defendant is not paid at the time of the
sentence, the court may suspend sentence upon that defendant and place him on probation for any period with an order to pay the delinquent compensation award to the claimant through the probation office of the county. Where the employer is a corporation, any officer who is actively engaged in the corporate business, including, but not limited to, the president, vice-president, secretary, and the treasurer thereof shall be liable for failure to secure the protection prescribed by this article. Any contractor placing work with a subcontractor shall, in the event of the subcontractor's failing to carry workers' compensation insurance as required by this article, become liable for any compensation which may be due an employee or the dependents of a deceased employee of a subcontractor. The contractor shall then have a right of action against the subcontractor for reimbursement.

A rebuttable presumption that an employer has established a successor firm, corporation or partnership shall arise if the two share at least three of the following capacities or characteristics: (1) perform similar work; (2) occupy the same premises; (3) have the same telephone or fax number; (4) have the same email address or internet website; (5) perform work in the same geographical area; (6) employ substantially the same work force; (7) utilize the same tools and equipment; (8) employ or engage the services of any person or persons involved in the direction or control of the other; or (9) list substantially the same work experience. If it is determined that an employer has established a successor firm, corporation or partnership, the "uninsured employer's fund" shall have a subrogation right against the successor firm, corporation or partnership for any benefits paid pursuant to R.S.34:15-1 et seq. by the "uninsured employer's fund," the injured worker may seek benefits not otherwise paid or payable by the "uninsured employer's fund" from the successor firm, corporation or partnership, and the successor firm, corporation or partnership shall have all of the same responsibilities regarding workers' compensation required pursuant to R.S.34:15-1 et seq. as the original employer.

Failure to produce at the time of the trial or upon written request by the division proof of workers' compensation insurance coverage by a mutual association or stock company authorized to write coverage on such risks in this State or written authorization by the Commissioner of Banking and Insurance to self-insure for workers' compensation pursuant to R.S.34:15-77, which was in force for the time cited by the division, creates a rebuttable presumption that the employer was uninsured when charged with a violation of this section.

The Director of the Division of Workers' Compensation, or any officer or employee of the division designated by the director, upon finding that an
employer has failed for a period of not less than 10 consecutive days to make the provisions for payment of compensation required by R.S.34:15-71 and R.S.34:15-72, shall impose upon that employer, in addition to all other penalties, fines or assessments provided for in chapter 15 of Title 34 of the Revised Statutes or in any supplement thereto, a penalty in the amount of up to $5,000 and when the period exceeds 10 days, an additional penalty of up to $5,000 for each period of 10 days thereafter. All penalties under this act shall be enforced and collected in accordance with section 12 of P.L.1966, c.126 (C.34:15-120.3). All penalties collected under this section shall be paid into the "uninsured employer's fund."

2. Section 2 of P.L.1995, c.393 (C.34:15-89.1) is amended to read as follows:

C.34:15-89.1 Notification to mutual associations, stock companies of requirements of employer ID numbers.

2. a. On or before March 1, 1996 and thereafter, the Compensation Rating and Inspection Bureau shall notify all mutual associations and stock companies authorized to write workers' compensation or employer's liability insurance on risks located in this State of the requirements of subsections b. and c. of this section.

b. On and after July 1, 1996, all mutual associations and stock companies authorized to write workers' compensation or employer's liability policies on risks located in this State shall, upon application for new policies or renewal of any existing policies, require submission of the employer identification number as assigned by the Department of Labor and Workforce Development pursuant to the provisions of the "unemployment compensation law," R.S.43:21-1 et seq., by each employer and shall maintain the identification number in their records and shall include the identification number on policies of insurance to be filed with the Compensation Rating and Inspection Bureau.

If the employer has been exempted from or is otherwise not subject to the provisions of the "unemployment compensation law," the mutual association or stock company writing workers' compensation insurance or employer's liability insurance coverage on risks of that employer shall, in a form and manner prescribed by the division, assign an identification number to that employer.

If an employer fails or refuses to comply with the reporting requirements of this subsection, the mutual association or stock company shall immediately notify the Division of Workers' Compensation of such failure
or refusal. Failure or refusal without reasonable cause shall result in the assessment of a penalty of up to $1,000 for each failure or refusal which shall be enforceable on a petition filed by the "uninsured employer's fund" in a summary proceeding before a judge of compensation upon notice to the employer and the proceeds of which shall be paid into the "uninsured employer's fund." Likewise, if a mutual association or stock company fails or refuses without reasonable cause to comply with the reporting requirements of this subsection and its insured employer has complied with those reporting requirements, a penalty of up to $1,000 for each such failure or refusal shall be enforceable on a petition filed by the "uninsured employer's fund" in a summary proceeding before a judge of compensation upon notice to the mutual association or stock company and any proceeds of the penalty shall be paid into the "uninsured employer's fund."

c. On and after July 1, 1996 the Compensation Rating and Inspection Bureau shall record and maintain the employer identification numbers received from mutual associations and stock companies pursuant to subsection b. of this section. The bureau shall, upon request of the Division of Workers' Compensation, provide to the division information, in a form and manner as prescribed by the division, with respect to the workers' compensation or employer's liability insurance coverage status of employers in this State, including the employer identification numbers.

d. On or before March 1, 1996 the Department of Banking and Insurance shall provide to the Division of Workers' Compensation a complete list of all employers engaged in business in this State who have been authorized, pursuant to the provisions of R.S.34:15-77 et seq., to self-insure for the payment of compensation. After that date, the department shall continue to provide notification to the division, in a form and manner as prescribed by the division, of any newly approved self-insured employer or the rescission of the authority for any previously approved employer to self-insure. On or before July 1, 2008 and thereafter, as may be requested by the division and in a form and manner as prescribed by the division, the Department of Banking and insurance shall provide to the division a complete list of all mutual associations and stock companies authorized to write workers' compensation or employer's liability insurance coverage on risks in the State.

3. This act shall take effect immediately.

Approved October 1, 2008.

b. For the purposes of this section, valid proof of current workers' compensation coverage shall be in the form of:

The physician shall further state that delay of treatment will result in irreparable harm or damage and state the specific nature of the irreparable harm or damage. allowing for the discount, if any, provided for herein and subject also to the
same conditions as in the case of the sale of stamps, covering the amount of
the tax for which the meter is set; or if prepayment is not made, subject to
the same conditions as in the case of the consignment of stamps.

The report shall detail, in such a manner as to facilitate an evaluation of the effectiveness of current provisions of the “Cigarette Tax Act” and any changes thereto, the methods of tax evasion and an estimate of their revenue impact, including: “cross-border shopping” issues such as direct, Internet, and mail-order cigarette purchases by consumers; cigarette smuggling; sales by unlicensed parties; sales of unstamped cigarettes by licensed vendors, and stamp counterfeiting. The report shall include information to facilitate the evaluation of the effectiveness of P.L.1999, c.328 in preventing the stamping of reimported cigarettes originally produced for export.

The report shall also summarize any information available to the director on issues ancillary to tax evasion, such as the impact of the availability of counterfeit branded cigarettes; the hijacking, theft or other diversion of brand name cigarettes; and the theft or other diversion of cigarette stamps or stamp affixing equipment.

The director shall include in the report such further observations and recommendations about the evasion of the “Cigarette Tax Act” as the director deems appropriate.

4. This act shall take effect immediately.

(j) A member of the Legislature who shall be found guilty by the joint committee of violating the provisions of this act, of a code of ethics promulgated pursuant to the provisions of this act or of any rule of either or both Houses which gives the joint committee jurisdiction and the authority to investigate a matter shall be fined not less than $500.00 nor more than $10,000, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and shall be subject to such further action as may be determined by the House of which the person is a member. In such cases the joint committee shall report its findings to the appropriate House and shall recommend to the House such further action as the joint committee deems appropriate, but it shall be the sole responsibility of the House to determine what further action, if any, shall be taken against such member.

CHAPTER 102

AN ACT increasing the carryover period of the net operating loss deduction under the corporation business tax, amending P.L.1945, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1945, c.162 (C.54:10A-4) is amended to read as follows:
C.54:10A-4 Definitions.

4. For the purposes of this act, unless the context requires a different meaning:

(a) "Commissioner" or "director" shall mean the Director of the Division of Taxation of the State Department of the Treasury.

(b) "Allocation factor" shall mean the proportionate part of a taxpayer's net worth or entire net income used to determine a measure of its tax under this act.

(c) "Corporation" shall mean any corporation, joint-stock company or association and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument, any other entity classified as a corporation for federal income tax purposes, and any state or federally chartered building and loan association or savings and loan association.

(d) "Net worth" shall mean the aggregate of the values disclosed by the books of the corporation for (1) issued and outstanding capital stock, (2) paid-in or capital surplus, (3) earned surplus and undivided profits, and (4) surplus reserves which can reasonably be expected to accrue to holders or owners of equitable shares, not including reasonable valuation reserves, such as reserves for depreciation or obsolescence or depletion. Notwithstanding the foregoing, net worth shall not include any deduction for the amount of the excess depreciation described in paragraph (2)(F) of subsection (k) of this section. The foregoing aggregate of values shall be reduced by 50% of the amount disclosed by the books of the corporation for investment in the capital stock of one or more subsidiaries, which investment is defined as ownership (1) of at least 80% of the total combined voting power of all classes of stock of the subsidiary entitled to vote and (2) of at least 80% of the total number of shares of all other classes of stock except nonvoting stock which is limited and preferred as to dividends. In the case of investment in an entity organized under the laws of a foreign country, the foregoing requisite degree of ownership shall effect a like reduction of such investment from the net worth of the taxpayer, if the foreign entity is considered a corporation for any purpose under the United States federal income tax laws, such as (but not by way of sole examples) for the purpose of supplying deemed paid foreign tax credits or for the purpose of status as a controlled foreign corporation. In calculating the net worth of a taxpayer entitled to reduction for investment in subsidiaries, the amount of liabilities of the taxpayer shall be reduced by such proportion of the liabilities as corresponds to the ratio which the excluded portion of the subsidiary values bears to the total assets of the taxpayer.
In the case of banking corporations which have international banking facilities as defined in subsection (n), the foregoing aggregate of values shall also be reduced by retained earnings of the international banking facility. Retained earnings means the earnings accumulated over the life of such facility and shall not include the distributive share of dividends paid and federal income taxes paid or payable during the tax year.

If in the opinion of the commissioner, the corporation's books do not disclose fair valuations the commissioner may make a reasonable determination of the net worth which, in his opinion, would reflect the fair value of the assets, exclusive of subsidiary investments as defined aforesaid, carried on the books of the corporation, in accordance with sound accounting principles, and such determination shall be used as net worth for the purpose of this act.

(e) (Deleted by amendment, P.L.1998, c.114.)

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least 90% thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents, patent rights and other securities for its own account, but this shall not include any corporation which: (1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than 90% of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) is a banking corporation, a savings institution, or a financial business corporation as defined in the Corporation Business Tax Act.

(g) "Regulated investment company" shall mean any corporation which for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended.

(h) "Taxpayer" shall mean any corporation, and any partnership required, or consenting, to report or to pay taxes, interest or penalties under this act. "Taxpayer" shall not include a partnership that is listed on a United States national stock exchange.

(i) "Fiscal year" shall mean an accounting period ending on any day other than the last day of December on the basis of which the taxpayer is required to report for federal income tax purposes.

(j) Except as herein provided, "privilege period" shall mean the calendar or fiscal accounting period for which a tax is payable under this act.

(k) "Entire net income" shall mean total net income from all sources, whether within or without the United States, and shall include the gain de-
rived from the employment of capital or labor, or from both combined, as well as profit gained through a sale or conversion of capital assets.

For the purpose of this act, the amount of a taxpayer's entire net income shall be deemed prima facie to be equal in amount to the taxable income, before net operating loss deduction and special deductions, which the taxpayer is required to report, or, if the taxpayer is classified as a partnership for federal tax purposes, would otherwise be required to report, to the United States Treasury Department for the purpose of computing its federal income tax, provided however, that in the determination of such entire net income,

(1) Entire net income shall exclude for the periods set forth in paragraph (2)(F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which is included in a taxpayer's federal taxable income solely as a result of an election made pursuant to the provisions of paragraph (8) of that section.

(2) Entire net income shall be determined without the exclusion, deduction or credit of:

(A) The amount of any specific exemption or credit allowed in any law of the United States imposing any tax on or measured by the income of corporations.

(B) Any part of any income from dividends or interest on any kind of stock, securities or indebtedness, except as provided in paragraph (5) of subsection (k) of this section.

(C) Taxes paid or accrued to the United States, a possession or territory of the United States, a state, a political subdivision thereof, or the District of Columbia, or to any foreign country, state, province, territory or subdivision thereof, on or measured by profits or income, or business presence or business activity, or the tax imposed by this act, or any tax paid or accrued with respect to subsidiary dividends excluded from entire net income as provided in paragraph (5) of subsection (k) of this section.

(D) (Deleted by amendment, P.L.1985, c.143.)

(E) (Deleted by amendment, P.L.1995, c.418.)

(F) (i) The amount by which depreciation reported to the United States Treasury Department for property placed in service on and after January 1, 1981, but prior to taxpayer fiscal or calendar accounting years beginning on and after the effective date of P.L.1993, c.172, for purposes of computing federal taxable income in accordance with section 168 of the Internal Revenue Code in effect after December 31, 1980, exceeds the amount of depreciation determined in accordance with the Internal Revenue Code provisions in effect prior to January 1, 1981, but only with respect to a taxpayer's ac-
counting period ending after December 31, 1981; provided, however, that where a taxpayer's accounting period begins in 1981 and ends in 1982, no modification shall be required with respect to this paragraph (F) for the report filed for such period with respect to property placed in service during that part of the accounting period which occurs in 1981. The provisions of this subparagraph shall not apply to assets placed in service prior to January 1, 1998 of a gas, gas and electric, and electric public utility that was subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998.

(ii) For the periods set forth in subparagraph (F)(i) of this subsection, any amount, except with respect to qualified mass commuting vehicles as described in section 168(f)(8)(D)(v) of the Internal Revenue Code as in effect immediately prior to January 1, 1984, which the taxpayer claimed as a deduction in computing federal income tax pursuant to a qualified lease agreement under paragraph (8) of that section.

The director shall promulgate rules and regulations necessary to carry out the provisions of this section, which rules shall provide, among others, the manner in which the remaining life of property shall be reported.

(G) (i) The amount of any civil, civil administrative, or criminal penalty or fine, including a penalty or fine under an administrative consent order, assessed and collected for a violation of a State or federal environmental law, an administrative consent order, or an environmental ordinance or resolution of a local governmental entity, and any interest earned on the penalty or fine, and any economic benefits having accrued to the violator as a result of a violation, which benefits are assessed and recovered in a civil, civil administrative, or criminal action, or pursuant to an administrative consent order. The provisions of this paragraph shall not apply to a penalty or fine assessed or collected for a violation of a State or federal environmental law, or local environmental ordinance or resolution, if the penalty or fine was for a violation that resulted from fire, riot, sabotage, flood, storm event, natural cause, or other act of God beyond the reasonable control of the violator, or caused by an act or omission of a person who was outside the reasonable control of the violator.

(ii) The amount of treble damages paid to the Department of Environmental Protection pursuant to subsection a. of section 7 of P.L.1976, c.141 (C.58:10-23.11f), for costs incurred by the department in removing, or arranging for the removal of, an unauthorized discharge upon failure of the discharger to comply with a directive from the department to remove, or arrange for the removal of, the discharge.

(H) The amount of any sales and use tax paid by a utility vendor pursuant to section 71 of P.L.1997, c.162.
(I) Interest paid, accrued or incurred for the privilege period to a related member, as defined in section 5 of P.L.2002, c.40 (C.54:10A-4.4), except that a deduction shall be permitted to the extent that the taxpayer establishes by clear and convincing evidence, as determined by the director, that: (i) a principal purpose of the transaction giving rise to the payment of the interest was not to avoid taxes otherwise due under Title 54 of the Revised Statutes or Title 54A of the New Jersey Statutes, (ii) the interest is paid pursuant to arm's length contracts at an arm's length rate of interest, and (iii)(aa) the related member was subject to a tax on its net income or receipts in this State or another state or possession of the United States or in a foreign nation, (bb) a measure of the tax includes the interest received from the related member, and (cc) the rate of tax applied to the interest received by the related member is equal to or greater than a rate three percentage points less than the rate of tax applied to taxable interest by this State.

A deduction shall also be permitted if the taxpayer establishes by clear and convincing evidence, as determined by the director, that the disallowance of a deduction is unreasonable, or the taxpayer and the director agree in writing to the application or use of an alternative method of apportionment under section 8 of P.L.1945, c.162 (C.54:10A-8); nothing in this subsection shall be construed to limit or negate the director's authority to otherwise enter into agreements and compromises otherwise allowed by law.

A deduction shall also be permitted to the extent that the taxpayer establishes by a preponderance of the evidence, as determined by the director, that the interest is directly or indirectly paid, accrued or incurred to (i) a related member in a foreign nation which has in force a comprehensive income tax treaty with the United States, provided however that the taxpayer shall disclose on its return for the privilege period the name of the related member, the amount of the interest, the relevant foreign nation, and such other information as the director may prescribe or (ii) to an independent lender and the taxpayer guarantees the debt on which the interest is required.

(J) Amounts deducted for federal tax purposes pursuant to section 199 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.199, except that this exclusion shall not apply to amounts deducted pursuant to that section that are exclusively based upon domestic production gross receipts of the taxpayer which are derived only from any lease, rental, license, sale, exchange, or other disposition of qualifying production property which the taxpayer demonstrates to the satisfaction of the director was manufactured or produced by the taxpayer in whole or in significant part within the United States but not qualified production property that was grown or extracted by the taxpayer. "Manufactured or produced" as used in this para-
graph shall be limited to performance of an operation or series of operations the object of which is to place items of tangible personal property in a form, composition, or character different from that in which they were acquired. The change in form, composition, or character shall be a substantial change, and result in a transformation of property into a different or substantially more usable product.

(3) The commissioner may, whenever necessary to properly reflect the entire net income of any taxpayer, determine the year or period in which any item of income or deduction shall be included, without being limited to the method of accounting employed by the taxpayer.

(4) There shall be allowed as a deduction from entire net income of a banking corporation, to the extent not deductible in determining federal taxable income, the eligible net income of an international banking facility determined as follows:

(A) The eligible net income of an international banking facility shall be the amount remaining after subtracting from the eligible gross income the applicable expenses;

(B) Eligible gross income shall be the gross income derived by an international banking facility, which shall include, but not be limited to, gross income derived from:

(i) Making, arranging for, placing or carrying loans to foreign persons, provided, however, that in the case of a foreign person which is an individual, or which is a foreign branch of a domestic corporation (other than a bank), or which is a foreign corporation or foreign partnership which is controlled by one or more domestic corporations (other than banks), domestic partnerships or resident individuals, all the proceeds of the loan are for use outside of the United States;

(ii) Making or placing deposits with foreign persons which are banks or foreign branches of banks (including foreign subsidiaries) or foreign branches of the taxpayers or with other international banking facilities;

(iii) Entering into foreign exchange trading or hedging transactions related to any of the transactions described in this paragraph; or

(iv) Such other activities as an international banking facility may, from time to time, be authorized to engage in;

(C) Applicable expenses shall be any expense or other deductions attributable, directly or indirectly, to the eligible gross income described in subparagraph (B) of this paragraph.

(5) Entire net income shall exclude 100% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to

the extent of the 80% or more ownership of investment described in subsection (d) of this section and shall exclude 50% of dividends which were included in computing such taxable income for federal income tax purposes, paid to the taxpayer by one or more subsidiaries owned by the taxpayer to the extent of 50% or more ownership of investment, such ownership of investment calculated in the same manner as the 80% or more of ownership of investment is calculated as described in subsection (d) of this section.

(6) (A) Net operating loss deduction. There shall be allowed as a deduction for the privilege period the net operating loss carryover to that period.

(B) Net operating loss carryover. A net operating loss for any privilege period ending after June 30, 1984 shall be a net operating loss carryover to each of the seven privilege periods following the period of the loss and a net operating loss for any privilege period ending after June 30, 2009 shall be a net operating loss carryover to each of the twenty privilege periods following the period of the loss. The entire amount of the net operating loss for any privilege period (the "loss period") shall be carried to the earliest of the privilege periods to which the loss may be carried. The portion of the loss which shall be carried to each of the other privilege periods shall be the excess, if any, of the amount of the loss over the sum of the entire net income, computed without the exclusions permitted in paragraphs (4) and (5) of this subsection or the net operating loss deduction provided by subparagraph (A) of this paragraph, for each of the prior privilege periods to which the loss may be carried.

(C) Net operating loss. For purposes of this paragraph the term "net operating loss" means the excess of the deductions over the gross income used in computing entire net income without the net operating loss deduction provided for in subparagraph (A) of this paragraph and the exclusions in paragraphs (4) and (5) of this subsection.

(D) Change in ownership. Where there is a change in 50% or more of the ownership of a corporation because of redemption or sale of stock and the corporation changes the trade or business giving rise to the loss, no net operating loss sustained before the changes may be carried over to be deducted from income earned after such changes. In addition where the facts support the premise that the corporation was acquired under any circumstances for the primary purpose of the use of its net operating loss carryover, the director may disallow the carryover.

(E) Notwithstanding the provisions of this paragraph (6) of subsection (k) of this section to the contrary, for privilege periods beginning during calendar year 2002 and calendar year 2003, no deduction for any net operating loss carryover shall be allowed and for privilege periods beginning during calendar year 2004 and calendar year 2005, there shall be allowed as
a deduction for the privilege period so much of the net operating loss carry-over as reduces entire net income otherwise calculated by 50%. If and only to the extent that any net operating loss carryover deduction is disallowed by reason of this subparagraph (E), the date on which the amount of the disallowed net operating loss carryover deduction would otherwise expire shall be extended by a period equal to the period for which application of the net operating loss was disallowed by this subparagraph.

Provided, that this subparagraph (E) shall not restrict the surrender or acquisition of corporation business tax benefit certificates pursuant to section 1 of P.L.1997, c.334 (C.34:1B-7.42a) and shall not restrict the application of corporation business tax benefit certificates pursuant to section 2 of P.L.1997, c.334 (C.54:10A-4.2).

(7) The entire net income of gas, electric and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, shall be adjusted by substituting the New Jersey depreciation allowance for federal tax depreciation with respect to assets placed in service prior to January 1, 1998. For gas, electric, and gas and electric public utilities that were subject to the provisions of P.L.1940, c.5 (C.54:30A-49 et seq.) prior to 1998, the New Jersey depreciation allowance shall be computed as follows: All depreciable assets placed in service prior to January 1, 1998 shall be considered a single asset account. The New Jersey tax basis of this depreciable asset account shall be an amount equal to the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all depreciable assets in service on December 31, 1997, increased by the excess, of the "net carrying value," defined to be adjusted book basis of all assets and liabilities, excluding deferred income taxes, recorded on the public utility's books of account on December 31, 1997, over the carryover adjusted basis for federal income tax purposes on December 31, 1997 of all assets and liabilities owned by the gas, electric, or gas and electric public utility as of December 31, 1997. "Books of account" for gas, gas and electric, and electric public utilities means the uniform system of accounts as promulgated by the Federal Energy Regulatory Commission and adopted by the Board of Public Utilities. The following adjustments to entire net income shall be made pursuant to this section:

(A) Depreciation for property placed in service prior to January 1, 1998 shall be adjusted as follows:

(i) Depreciation for federal income tax purposes shall be disallowed in full.

(ii) A deduction shall be allowed for the New Jersey depreciation allowance. The New Jersey depreciation allowance shall be computed for the
single asset account described above based on the New Jersey tax basis as
adjusted above as if all assets in the single asset account were first placed in
service on January 1, 1998. Depreciation shall be computed using the
straight line method over a thirty-year life. A full year’s depreciation shall
be allowed in the initial tax year. No half-year convention shall apply. The
depreciable basis of the single account shall be reduced by the adjusted fed­
teral tax basis of assets sold, retired, or otherwise disposed of during any
year on which gain or loss is recognized for federal income tax purposes as
described in subparagraph (B) of this paragraph.

(B) Gains and losses on sales, retirements and other disposals of as­

1. R.S.39:4-8 is amended to read as follows:

**Commissioner of Transportation's approval required; exceptions.**

39:4-8. a. Except as otherwise provided in this section, no ordinance, resolution, or regulation concerning, regulating, or governing traffic or traf-

The commissioner shall not be required to approve any such ordinance, resolution, or regulation, unless, after investigation by the commissioner, the same shall appear to be in the interest of safety and the expedition of traffic on the public highways. The commissioner's investigation need not include more than a review of the ordinance, resolution, or regulation, and the supporting documentation submitted by a board or body having jurisdiction over highways, unless the commissioner determines that additional investigation is warranted.

Prior to the adoption of any municipal or county ordinance, resolution, or regulation, which places any impact on roadways in an adjoining municipality or county, the governing board or body of the municipality or county shall provide appropriate notice to the adjoining municipality or county.

Notwithstanding any other provision of this section to the contrary, any municipal or county ordinance, resolution, or regulation which places any impact on a State roadway shall require the approval of the commissioner.

Where the commissioner's approval is required, a certified copy of the adopted ordinance, resolution, or regulation shall be transmitted by the clerk of the municipality or county, as applicable, to the commissioner within 30 days of adoption, together with: a copy of the municipal or county engineer's certification, a statement of the reasons for the municipal or county engineer's decision, detailed information as to the location of streets, intersections, and signs affected by the ordinance, resolution, or regulation, and traffic count, crash, and speed sampling data, when appropriate. The commissioner may invalidate the provisions of the ordinance, resolution, or regulation if the commissioner finds that the provisions of the ordinance, resolution, or regulation are inconsistent with the Manual on Uniform Traffic Control Devices for Streets and Highways, inconsistent with accepted engineering standards, are not based on the results of an accurate traffic and engineering survey, or place an undue traffic burden or impact on the State highway system, or affect the flow of traffic on the State highway system.

b. (1) A municipality may, without the approval of the commissioner, and consistent with the current standards prescribed by the Manual on Uniform Traffic Control Devices for Streets and Highways, establish by ordinance, resolution, or regulation, any of the provisions contained in R.S.39:4-197.

(3) The municipal or county engineer shall, under his seal as a licensed professional engineer, certify to the governing body of the municipality or county, as appropriate, that any designation or erection of signs or placement of pavement markings has been approved by the engineer after investigation of the circumstances, appears to the engineer to be in the interest of safety and the expedition of traffic on the public highways, and conforms to the current standards prescribed by the Manual on Uniform Traffic Control Devices for Streets and Highways, as adopted by the commissioner.

The provisions of the ordinance, resolution, or regulation shall be consistent with the Manual on Uniform Traffic Control Devices for Streets and Highways, consistent with accepted engineering standards, based on the results of an accurate traffic and engineering survey, and not place an undue traffic burden or impact on streets in an adjoining municipality or negatively affect the flow of traffic on the State highway system.

Nothing in this subsection shall allow municipalities to designate any intersection with any highway under State or county jurisdiction as a stop or yield intersection or counties to designate any intersection with any highway under State or municipal jurisdiction as a stop or yield intersection.

CHAPTER 111

AN ACT concerning termination of lease agreements in rental premises, supplementing Title 46 of the Revised Statutes, and amending P.L.1971, c.223.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:8-9.4 Short title.

1. Sections 1 through 8 and 10 of P.L.2008, c.111 (C.46:8-9.4 et seq.) shall be known and may be cited as the "New Jersey Safe Housing Act."
C.46:8-9.5 Findings, declarations relative to termination of lease agreements by domestic violence victims.

2. The Legislature finds and declares:
   a. Domestic violence is a serious crime that materially affects the health and safety of numerous New Jersey tenants and there are thousands of persons in this State who are regularly beaten, tortured, sexually assaulted and, in some cases, killed by their spouses or cohabitants;
   b. The inability to terminate a lease and its corresponding financial obligations may prevent domestic violence victims from leaving abusive relationships and seeking help;
   c. Domestic violence victims require an efficient method of terminating their lease obligations to escape abuse without that damaging their credit and rental history and, consequently, their ability to secure other safe housing; and
   d. The assistance and cooperation of the entire community, including landlords, neighbors, and employers, is necessary to reduce the incidence of domestic violence in our State.

C.46:8-9.6 Requirements for termination of lease.

3. The tenant may terminate any lease of a residential property that has been leased and used by the tenant solely for the purpose of providing a dwelling place for the tenant, or for the tenant’s family, prior to the expiration date thereof, if the tenant fulfills all requirements and procedures as established by P.L.2008, c.111 (C.46:8-9.4 et al.) and provides the landlord with:

   a. written notice that the tenant or a child of the tenant faces an imminent threat of serious physical harm from another named person if the tenant remains on the leased premises; and
   b. any of the following:
      (1) a certified copy of a permanent restraining order issued by a court pursuant to section 13 of “The Prevention of Domestic Violence Act of 1991,” P.L.1991, c.261 (C.2C:25-29), and protecting the tenant from the person named in the written notice;

C.46:8-9.7 Effective date of lease termination, conditions affecting co-tenants.

4. a. The rent shall be paid, pro rata, up to the time a lease terminates pursuant to this section.

b. A lease terminates under section 3 of P.L.2008, c.111 (C.46:8-9.6) only if the victim of domestic violence acts in good faith and fulfills all requirements and procedures as established by section 3 of P.L.2008, c.111 (C.46:8-9.6) in terminating the lease.

c. If there are tenants on the lease other than the tenant who has given notice of termination as described in section 3 of P.L.2008, c.111 (C.46:8-9.6), those co-tenants' lease also terminates, notwithstanding any provisions in section 2 of P.L.1974, c.49 (C.2A:18-61.1) requiring certain grounds for eviction to the contrary. When the terms of the tenancy are controlled by a publicly-funded housing assistance contract, notice and security deposit terms, requirements, and protections shall conform and be subject to restrictions, limitations or other requirements imposed by State or federal law.

C.46:8-9.9 Waiving of rights, remedies prohibited.

6. The parties to a lease agreement creating a tenancy in residential rental property may not agree to waive any rights or remedies arising under P.L.2008, c.111 (C.46:8-9.4 et al.).

C.46:8-9.11 Disclosure of certain information by landlord prohibited; exceptions.

8. A landlord shall not disclose information documenting domestic violence that has been provided to the landlord by a victim of domestic violence pursuant to section 3 of P.L.2008, c.111 (C.46:8-9.6). The information shall not be entered into any shared database or provided to any person or entity, but may be used when required as evidence in an eviction proceeding, action for unpaid rent or damages arising out of the tenancy, with the consent of the tenant, or as otherwise required by law.

9. Section 3 of P.L.1971, c.223 (C.46:8-21.1) is amended to read as follows:

C.46:8-21.1 Return of deposit; displaced tenant; termination of lease; civil penalties, certain.

3. Within 30 days after the termination of the tenant's lease or licensee's agreement, the owner or lessee shall return by personal delivery, registered or certified mail the sum so deposited plus the tenant's portion of the interest or earnings accumulated thereon, less any charges expended in accordance with the terms of a contract, lease, or agreement, to the tenant or licensee, or, in the case of a lease terminated pursuant to P.L.1971, c.318 (C.46:8-9.1), the executor or administrator of the estate of the tenant or licensee or the surviving spouse of the tenant or licensee so terminating the lease. The interest or earnings and any such deductions shall be itemized and the tenant, licensee, executor, administrator or surviving spouse notified thereof by personal delivery, registered or certified mail. Notwithstanding the provisions of this or any other section of law to the contrary, no deductions shall be made from a security deposit of a tenant who remains in possession of the rental premises.

Within five business days after:

a. the tenant is caused to be displaced by fire, flood, condemnation, or evacuation, and

b. an authorized public official posts the premises with a notice prohibiting occupancy; or

c. any building inspector, in consultation with a relocation officer, where applicable, has certified within 48 hours that displacement is expected
to continue longer than seven days and has so notified the owner or lessee in
writing, the owner or lessee shall have available and return to the tenant or
the tenant's designated agent upon his demand the sum so deposited plus the
tenant's portion of the interest or earnings accumulated thereon, less any
charges expended in accordance with the terms of the contract, lease or
agreement and less any rent due and owing at the time of displacement.

Within 15 business days after a lease terminates as described in section
3 of P.L.2008, c.111 (C.46:8-9.6), the owner or lessee shall have available
and return to the tenant or the tenant's designated agent upon his demand
any money or advance of rent deposited as security plus the tenant's portion
of the interest or earnings accumulated thereon, including the portion of any
money or advance of rent due to a victim of domestic violence terminating
a lease pursuant to section 3 of P.L.2008, c.111 (C.46:8-9.6), less any
charges expended in accordance with the terms of the contract, lease or
agreement and less any rent due and owing at the time of the lease termina-
tion.

Such net sum shall continue to be available to be returned upon de-
mand during normal business hours for a period of 30 days at a location in
the same municipality in which the subject leased property is located and
shall be accompanied by an itemized statement of the interest or earnings
and any deductions. The owner or lessee may, by mutual agreement with
the municipal clerk, have the municipal clerk of the municipality in which
the subject leased property is located return said net sum in the same man-
ner. Within three business days after receiving notification of the displace-
ment, the owner or lessee shall provide written notice to a displaced tenant
by personal delivery or mail to the tenant's last known address. In the event
that a lease terminates as described in section 3 of P.L.2008, c.111 (C.46:8-
9.6), within three business days after the termination, the owner or lessee
shall provide written notice to the victim of domestic violence by personal
delivery or mail to the tenant's last known address. Such notice shall in-
clude, but not be limited to, the location at which and the hours and days
during which said net sum shall be available to him. The owner or lessee
shall provide a duplicate notice in the same manner to the relocation officer.
Where a relocation officer has not been designated, the duplicate notice
shall be provided to the municipal clerk. When the last known address of
the tenant is that from which he was displaced and the mailbox of that ad-
dress is not accessible during normal business hours, the owner or lessee
shall also post such notice at each exterior public entrance of the property
from which the tenant was displaced. Notwithstanding the provisions of
P.L.1963, c.73 (C.47:1A-1 et seq.), or any other law to the contrary, the
municipal clerk, and any designee, agent or employee of the municipal clerk, shall not knowingly disclose or otherwise make available personal information about any victim of domestic violence that the clerk or any designee, agent or employee has obtained pursuant to the procedures described in section 3 of P.L.1971, c.223 (C.46:8-21.1).

Any such net sum not demanded by and returned to the tenant or the tenant's designated agent within the period of 30 days shall be redeposited or reinvested by the owner or lessee in an appropriate interest bearing or dividend yielding account in the same investment company, State or federally chartered bank, savings bank or savings and loan association from which it was withdrawn. In the event that said displaced tenant resumes occupancy of the premises, said tenant shall redeliver to the owner or lessee one-third of the security deposit immediately, one-third in 30 days and one-third 60 days from the date of reoccupancy. Upon the failure of said tenant to make such payments of the security deposit, the owner or lessee may institute legal action for possession of the premises in the same manner that is authorized for nonpayment of rent.

The Commissioner of Community Affairs, the Public Advocate, the Attorney General, or any State entity which made deposits on behalf of a tenant may impose a civil penalty against an owner or lessee who has willfully and intentionally withheld deposits in violation of section 1 of P.L.1967, c.265 (C.46:8-19), when the deposits were made by or on behalf of a tenant who has received financial assistance through any State or federal program, including welfare or rental assistance. An owner or lessee of a tenant on whose behalf deposits were made by a State entity and who has willfully and intentionally withheld such deposits in violation of this section shall be liable for a civil penalty of not less than $500 or more than $2,000 for each offense. The penalty prescribed in this paragraph shall be collected and enforced by summary proceedings pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). The State entity which made such deposits on behalf of a tenant shall be entitled to any penalty amounts recovered pursuant to such proceedings.

In any action by a tenant, licensee, executor, administrator or surviving spouse, or other person acting on behalf of a tenant, licensee, executor, administrator or surviving spouse, for the return of moneys due under this section, the court upon finding for the tenant, licensee, executor, administrator or surviving spouse shall award recovery of double the amount of said moneys, together with full costs of any action and, in the court's discretion, reasonable attorney's fees.

10. The provisions of P.L.2008, c.111 (C.46:8-9.4 et al.) shall not apply to any lease for the seasonal use or rental of real property. For purposes of this paragraph "seasonal use or rental" means use or rental for a term of not more than 125 consecutive days for residential purposes by a person having a permanent place of residence elsewhere, but shall not include use or rental of living quarters for seasonal, temporary or migrant farm workers in connection with any work or place where work is being performed. The landlord shall have the burden of proving that the use or rental of the residential property is seasonal.

   (5) the department determines that the staff member has affirmatively demonstrated rehabilitation, pursuant to the factors specified in subsection b. of section 5 of this act.

C.9:3-40.6 Convincing evidence of rehabilitation.

5. a. For crimes and offenses other than those cited in subsections a. and b. of section 4 of this act, a staff member may be eligible for employment at an approved agency if the staff member has affirmatively demonstrated to the department clear and convincing evidence of rehabilitation pursuant to subsection b. of this section.

   b. In determining whether a staff member has affirmatively demonstrated rehabilitation, the following factors shall be considered:
      (1) the nature and responsibility of the position at the agency that the convicted staff member would hold, has held or currently holds, as the case may be;
      (2) the nature and seriousness of the offense;
      (3) the circumstances under which the offense occurred;

c. The department shall make the final determination regarding the employment of the administrator of an agency with a criminal conviction specified under this section.

d. The administrator of the agency shall make the final determination regarding the employment of a staff member or applicant with a criminal conviction specified under this section.

e. If an administrator has knowledge that a staff member has criminal charges pending against the staff member, the administrator shall promptly notify the department to determine whether any action concerning the staff member is necessary.

C.9:3-40.7 Immunity from liability relative to disclosure of information by agency.

6. a. An approved agency that has received an employment application from an individual, or currently employs a staff member, shall be immune from liability for acting upon or disclosing information about the disqualification or termination of that applicant or staff member to another agency seeking to employ that staff member if the agency has:

   (1) received notice from the department, that the applicant or staff member has been determined by the department to be disqualified from employment pursuant to this act; or

   (2) terminated the employment of a staff member because the staff member was disqualified from employment on the basis of a conviction of a crime or disorderly persons offense pursuant to section 4 of this act after commencing employment at the agency.

b. An approved agency that acts upon or discloses information pursuant to subsection a. of this section shall be presumed to be acting in good faith unless it is shown by clear and convincing evidence that the agency acted with actual malice toward the staff member who is the subject of the information.

C.9:3-40.8 Child abuse record information check by agency.

7. a. In addition to the requirement for a criminal history record background check pursuant to section 2 of this act, the administrator of an agency shall request that the department conduct a child abuse record information check of its child abuse records to determine if an incident of child abuse or neglect has been substantiated, pursuant to section 4 of P.L.1971, c.437 (C.9:6-8.11), against any staff member of the agency.
b. The department shall deny, revoke or refuse to renew the agency's approval, as appropriate, if the department determines that an incident of child abuse or neglect by an administrator of an agency has been substantiated.

c. Each staff member of an agency or applicant for employment at the agency shall provide prior written consent for the department to conduct a child abuse record information check.

d. If the administrator of the agency refuses to consent to, or cooperate in, the securing of a child abuse record information check, the department shall suspend, deny, revoke or refuse to renew the agency's approval as an adoption agency, as appropriate.

e. If a staff member of an agency refuses to consent to, or cooperate in, the securing of a child abuse record information check, the individual shall be immediately terminated from employment at the agency.

f. The department shall complete the child abuse record information check within 45 days after receiving the request for the check.

C.9:3-40.9 Agency established after effective date, request for child abuse record information check for all staff members.

8. a. In the case of an adoption agency established after the effective date of this act, the administrator of the agency, prior to the agency's opening, shall ensure that a request for a child abuse record information check on each staff member is sent to the department.

The department shall not issue an approval to an adoption agency until the agency has requested that the department conduct a child abuse record information check on each staff member employed at the agency.

b. In the case of an adoption agency approved prior to the effective date of this act, the administrator of the agency shall submit a request to the department within 60 days of the effective date of this act for a child abuse record information check on each staff member.

c. Within two weeks after a new staff member begins employment at an agency, the administrator of the agency shall ensure that a request for a child abuse record information check on the new staff member is sent to the department.

A new staff member shall not be left alone as the only adult accompanying a child until the results of the staff member's child abuse record information check have been received by the administrator of the agency.

d. If the department determines that an incident of child abuse or neglect by a staff member has been substantiated, the department shall advise the administrator of the agency of the results, and the agency shall immediately terminate the staff member from employment at the agency.
e. The department shall consider, for the purposes of this act, any incidents of child abuse or neglect that were substantiated on or after June 29, 1995, to ensure that perpetrators have had an opportunity to appeal a substantiated finding of abuse or neglect; except that the department may consider substantiated incidents prior to that date, if the department, in its judgment, determines that the staff member poses a risk of harm to children in an agency. In cases involving incidents substantiated prior to June 29, 1995, in which the department determined that the individual posed such a risk, the department shall offer the staff member an opportunity for a hearing to contest the substantiation.

C.9:3-40.10 Adoption agencies located out-of-State.

9. In the case of an adoption agency located outside the State, the administrator of the agency shall ensure that all applicants or staff members meet all applicable laws and regulations in that state governing criminal history record background and child abuse record information checks that may be required as a condition of employment. In the event that criminal history record background and child abuse record information checks are not required, the administrator of the agency shall require that the applicant or staff member make a voluntary disclosure of any criminal conviction or substantiation for child abuse or neglect. The results of the disclosure shall be made available to the department, so the department can determine the suitability of the staff member or applicant for employment.

10. Section 7 of P.L. 2003, c.186 (C.53:1-20.9d) is amended to read as follows:

If the applicant or staff member is disqualified, the convictions that constitute the basis for the disqualification shall be identified in the written notice to the applicant or staff member. The applicant or staff member shall have 14 days from the date of the written notice of disqualification to challenge the accuracy of the criminal history record information. If no challenge is filed or if the determination of the accuracy of the criminal history record information upholds the disqualification, the department shall notify the facility or agency, as applicable, that the applicant or staff member has been disqualified from employment.

b. The Division of State Police shall promptly notify the Department of Children and Families in the event an applicant or staff member, who was the subject of a criminal history record background check conducted pursuant to subsection a. of this section, is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of such notification, the department shall make a determination regarding the employment of the applicant or staff member.

(2) A sale of post-paid calling service shall be sourced to the origination point of the telecommunications signal as first identified by either:

(a) the seller's telecommunications system; or
(b) information received by the seller from its service provider, if the system used to transport such signals is not that of the seller.

d. For the purposes of this section:

"Air-to-ground radiotelephone service" means a radio service, as that term is defined in 47 CFR 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft;

"Communications channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points;

"Customer" means the person or entity that contracts with the seller of telecommunications services. If the end user of telecommunications services is not the contracting party, then the end user of the telecommunications service is the customer of the telecommunication service, but this provision applies only for the purpose of sourcing sales of telecommunications services under this section. "Customer" does not include a reseller of telecommunications service or, for mobile telecommunications service, a serving carrier under an agreement to serve the customer outside the home service provider's licensed service area;

tained by making a payment on a call-by-call basis either through the use of
a credit card or payment mechanism such as a bank card, travel card, credit
card, or debit card, or by a charge made to a telephone number which is not
associated with the origination or termination of the telecommunications
service. A post-paid calling service includes a telecommunications service,
except a prepaid wireless calling service, that would be a prepaid calling
service except it is not exclusively a telecommunications service;

"Prepaid calling service" means the right to access exclusively tele­

whether manually or electronically dialed, and that is sold in predetermined

"Prepaid wireless calling service" means a telecommunications service
that provides the right to utilize mobile wireless service as well as other
non-telecommunications services, including the download of digital prod­

case that the system used to transport such signals is not that of the seller; or

(3) If the locations in paragraphs (1) and (2) of this definition are not
known, "service address" means the location of the customer's place of
primary use.
4. Section 4 of P.L.1966, c.30 (C.54:32B-4) is amended to read as follows:

C.54:32B-4 Tax bracket schedule.

4. a. For the purpose of adding and collecting the tax imposed by this act, or an amount equal as nearly as possible or practicable to the average equivalent thereof, to be reimbursed to the seller by the purchaser, a seller shall use one of the two following options:

(1) a tax shall be calculated based on the following formula:

</tr>
<tr>
<td>0.63 to 0.77</td>
<td>0.05</td>
</tr>
<tr>
<td>0.78 to 0.90</td>
<td>0.06</td>
</tr>
<tr>
<td>0.91 to $1.10</td>
<td>0.07</td>
</tr>
</tbody>
</table>

and in addition to a tax of $0.07 on each full dollar, a tax shall be collected on each part of a dollar in excess of a full dollar, in accordance with the above formula; or

(2) tax shall be calculated to the third decimal place. One-half cent ($0.005) or higher shall be rounded up to the next cent; less than $0.005 shall be dropped in order to round the result down.

Sellers may compute the tax due on a transaction on either an item or an invoice basis.

1. Receipts from sales of printed advertising material for distribution to out-of-State recipients and receipts from sales of processing services in connection with distribution of printed advertising material to out-of-State recipients are exempt from the tax imposed under the "Sales and Use Tax Act." The exemption provided by this section shall apply to receipts from charges for the printing or production of printed advertising material whether prepared in, or shipped into New Jersey after preparation and stored for subsequent shipment to out-of-State customers. The mail processing services exemption provided by this section shall apply to receipts from charges for all mail processing services for distribution to out-of-State recipients, including but not limited to the following: preparing and maintaining mailing lists, addressing, separating, folding, inserting, sorting and packaging printed advertising materials and transporting to the point of shipment by the mail service or other carrier.
11. Section 15 of P.L.2005, c.126 (C.54:32B-8.56) is amended to read as follows:

C.54:32B-8.56 Certain prewritten software, exemption from tax; definitions.

15. Receipts from sales of prewritten software delivered electronically and used directly and exclusively in the conduct of the purchaser's business, trade or occupation are exempt from the tax imposed under the "Sales and Use Tax Act", P.L.1966, c.30 (C.54:32B-1 et seq.). The exemption provided by this section shall not apply to receipts from sales of prewritten software delivered by a load and leave method.

"Computer" means an electronic device that accepts information in digital or similar form and manipulates it for a result based on a sequence of instructions.

"Computer software" means a set of coded instruction designed to cause a computer or automatic data processing equipment to perform a task.

"Delivered electronically" means delivered to the purchaser by means other than tangible storage media.

"Electronic" means relating to technology having electrical, digital magnetic, wireless, optical, electromagnetic, or similar capabilities.

"Load and leave" means delivery to the purchaser by the use of a tangible storage medium where the tangible storage medium is not physically transferred to the purchaser.

"Prewritten computer software" means computer software, including prewritten upgrades, which is not designed and developed by the author or other creator to the specifications of a specific purchaser. The combining of two or more prewritten computer software programs or prewritten portions thereof shall not cause the combination to be other than prewritten computer software. "Prewritten computer software" includes software designed and developed by the author or other creator to the specifications of a specific purchaser when it is sold to a person other than such purchaser. If a person modifies or enhances computer software of which that person is not the author or creator, the person shall be deemed to be the author or creator only of such person's modifications or enhancements. Prewritten software or a prewritten portion thereof that is modified or enhanced to any degree, where such modification or enhancement is designed and developed to the specifications of a specific purchaser, shall remain prewritten software; provided, however, that if there is a reasonable, separately stated charge or an invoice or other statement of the price given to the purchaser for such modification or enhancement, such modification or enhancement shall not constitute pre-written computer software.
12. Section 12 of P.L.1966, c.30 (C.54:32B-12) is amended to read as follows:

C.54:32B-12 Collection of tax from customer.

12. (a) Every person required to collect the tax shall collect the tax from the customer when collecting the price, service charge, amusement charge or rent to which it applies. If the customer is given any sales slip, invoice, receipt or other statement or memorandum of the price, service charge, amusement charge or rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the State.

(b) For the purpose of the proper administration of this act and to prevent evasion of the tax hereby imposed, and subject to the rules regarding the administration of exemptions authorized by the Streamlined Sales and Use Tax Agreement, it shall be presumed that all receipts for property or services of any type mentioned in subsections (a), (b), (c), and (f) of section 3, all rents for occupancy of the type mentioned in subsection (d) of said section, all amusement charges of any type mentioned in subsection (e) of said section, all charges in the nature of initiation fees, membership fees or dues mentioned in subsection (h) of said section, and all receipts from parking, storing or garaging a motor vehicle mentioned in subsection (i) of said section are subject to tax until the contrary is established, and the burden of proving that any such receipt, charge or rent is not taxable hereunder shall be upon the person required to collect tax or the customer. Unless a seller shall have taken from the purchaser a certificate, signed by the purchaser if in paper form, and bearing the purchaser's name and address and the number of the purchaser's registration certificate, to the effect that the property or service was purchased for resale or was otherwise exempt pursuant to the provisions of the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), or the purchaser, prior to taking delivery, furnishes to the seller any affidavit, statement or additional evidence, documentary or otherwise, which the director may require demonstrating that the purchaser is an exempt organization described in section 9(b)(1), the sale shall be deemed a taxable retail sale. Provided however, the director may, in the director's discretion, authorize a purchaser, who acquires tangible personal property, digital property or services under circumstances which make it impossible at the time of acquisition to determine the manner in which the tangible personal property, digital property or services will be used, to pay the tax directly to the director and waive the collection of the tax by the seller or
provide for direct pay authority under rules adopted under the Streamlined Sales and Use Tax Agreement. Provided further, the director shall authorize any eligible person, as defined in section 34 of P.L.1997, c.162 (C.54:32B-14.1), who purchases natural gas from a non-utility on and after January 1, 1998 through December 31, 2002, to pay the tax on the commodity directly to the director and waive the collection of the tax by the seller. No such authority shall be granted or exercised except upon application to the director, and the issuance by the director of a direct payment permit. If a direct payment permit is granted, its use shall be subject to conditions specified by the director, and the payment of tax on all acquisitions pursuant to the permit shall be made directly to the director by the permit holder.

c) The director may provide by regulation that the tax upon receipts from sales on the installment plan may be paid on the amount of each installment and upon the date when such installment is due. He may also provide by regulation for the exclusion from taxable receipts, amusement charges or rents of amounts subject, as applicable, to the provisions of section 30 of P.L.2005, c.126 (C.54:32B-12.1), representing sales where the contract of sale has been canceled, the property returned or the receipt, charge or rent has been ascertained to be uncollectible or, in the case the tax has been paid upon such receipt, charge or rent, for refund or credit of the tax so paid.

13. Section 14 of P.L.1966, c.30 (C.54:32B-14) is amended to read as follows:

C.54:32B-14 Liability for tax.

14. (a) Every person required to collect any tax imposed by this act shall be personally liable for the tax imposed, collected or required to be collected under this act. Any such person shall have the same right in respect to collecting the tax from that person's customer or in respect to non-payment of the tax by the customer as if the tax were a part of the purchase price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the director shall be joined as a party in any action or proceeding brought to collect the tax.

(b) Where any customer has failed to pay a tax imposed by this act to the person required to collect the same, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the customer directly to the director and it shall be the duty of the customer to file a return with the director and to pay the tax to the director within 20 days of the date the tax was required to be paid.
(c) The director may, whenever the director deems it necessary for the proper enforcement of this act, provide by regulation that customers shall file returns and pay directly to the director any tax herein imposed, at such times as returns are required to be filed and payment over made by persons required to collect the tax.

(d) No person required to collect any tax imposed by this act shall advertise or hold out to any person or to the public in general, in any manner, directly or indirectly, that the tax is not considered as an element in the price, amusement charge or rent payable by the customer, or except as provided by subsection (f) of this section that the person required to collect the tax will pay the tax, that the tax will not be separately charged and stated to the customer or that the tax will be refunded to the customer. Upon written application duly made and proof duly presented to the satisfaction of the director showing that in the particular business of the person required to collect the tax it would be impractical for the seller to separately charge the tax to the customer, the director may waive the application of the requirement herein as to such seller.

(e) All sellers of energy or utility service shall include the tax imposed by the "Sales and Use Tax Act" within the purchase price of the tangible personal property or service.

(f) A vendor other than a vendor subject to subsection (e) of this section making retail sales of tangible personal property or sales of services may advertise that the vendor will pay the tax for the customer subject to the conditions of this subsection.

(1) The advertising shall indicate that the vendor is, in fact, paying the tax for the customer and shall not indicate or imply that the sale or charge is exempt from taxation.

(2) Notwithstanding the provisions of section 12 of P.L.1966, c.30 (C.54:32B-12) to the contrary, any sales slip, invoice, receipt or other statement or memorandum of the price or service charge paid or payable given to the customer shall state that the tax will be paid by the vendor; provided however that such record shall be otherwise subject to the provisions of section 12 of P.L.1966, c.30 (C.54:32B-12).

(3) The vendor shall pay the amount of tax due on the retail sale or service receipt, as determined pursuant to section 4 of P.L.1966, c.30 (C.54:32B-4), as trustee for and on account of the State, and shall have the same liability for that amount of tax pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), as for an amount collected from a customer.
(g) No person required to collect any tax imposed by this act shall be held liable for having charged and collected the incorrect amount of sales and use tax by reason of reliance on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix.

(h) In connection with a purchaser's request from a seller of over-collected sales or use taxes, a seller shall be presumed to have a reasonable business practice, if in the collection of such sales or use taxes, the seller: (1) uses either a provider or a system, including a proprietary system, that is certified by the State; and (2) has remitted to the State all taxes collected less any deductions, credits, or collection allowances.

(i) No purchaser shall be held liable for any tax, interest or penalty for failure to pay the correct amount of tax by reason of:

(1) the reliance of the purchaser’s seller or certified service provider on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix;

(2) the reliance of the purchaser holding a direct pay permit on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments or contained in the taxability matrix;

(3) the reliance of the purchaser on erroneous data provided by the director with respect to the taxability matrix; or

(4) the reliance of a purchaser using databases of taxing jurisdiction assignments on erroneous data provided by the director with respect to tax rates, boundaries or taxing jurisdiction assignments, provided however that, to the extent that the director provides or certifies an address-based database for assigning tax rates and jurisdictions and upon appropriate notice, no relief from liability shall be allowed for errors resulting from reliance on a zip code database for assigning tax rates and jurisdictions.

Provided however, that as to the relief from liability for tax, the relief from liability for tax by reason of reliance on the taxability matrix shall be limited to the director’s erroneous classification in the taxability matrix of terms “taxable” or “exempt,” “included in sales price” or “excluded from sales price” or “included in the definition” or “excluded from the definition.”

14. Section 16 of P.L.1966, c.30 (C.54:32B-16) is amended to read as follows:

C.54:32B-16 Records to be kept.

16. Every person required to collect any tax imposed by this act shall keep records of every purchase, purchase for lease, sale or amusement
charge or occupancy and of all amounts paid, charged or due thereon and of
the tax payable thereon, in such form as the director may by regulation re-
quire. Such records shall include a true copy of each sales slip, invoice, re-
cipt, statement or memorandum upon which subsection (a) of section 12
requires that the tax be stated separately. Such records shall be available
for inspection and examination at any time upon demand by the director or
his duly authorized agent or employee and shall be preserved for a period
of four years, except that the director may consent to their destruction
within that period or may require that they be kept longer.

15. Section 17 of P.L.1966, c.30 (C.54:32B-17) is amended to read as
follows:

C.54:32B-17 Returns; streamlined systems; amnesty.
17. (a) Every person required to collect or pay tax under this act shall
on or before August 28, 1966, and on or before the twentieth day of each
month thereafter, make and file a return for the preceding month with the
director. The return of a seller of tangible personal property, digital prop-
erty or services shall show his receipts from sales and also the aggregate
value of tangible personal property, digital property and services sold by
him, the use of which is subject to tax under this act, and the amount of
taxes required to be collected with respect to such sales and use. The return
of a recipient of amusement charges shall show all such charges and the
amount of tax thereon, and the return of a person required to collect tax on
leases or rentals shall show all lease or rental payments received or charged
and the amount of tax thereon. The return of a recipient of initiation fees,
membership fees or dues for access to or use of the property or facilities of
a health and fitness, athletic, sporting or shopping club or organization shall
show all such charges and the amount of tax thereon. The return of the re-
cipient of charges from parking, storing or garaging a motor vehicle shall
show all such charges and the amount of tax thereon.

(b) The director may permit or require returns to be made covering
other periods and upon such dates as he may specify. In addition, the direc-
tor may require payments of tax liability at such intervals and based upon
such classifications as he may designate. In prescribing such other periods
to be covered by the return or intervals or classifications for payment of tax
liability, the director may take into account the dollar volume of tax in-
volved as well as the need for insuring the prompt and orderly collection of
the taxes imposed.
(c) The form of returns shall be prescribed by the director and shall contain such information as he may deem necessary for the proper administration of this act. The director may require amended returns to be filed within 20 days after notice and to contain the information specified in the notice.

(d) Pursuant to the Streamlined Sales and Use Tax Agreement, the director is authorized to accept certified automated systems and certified service providers to aid in the administration of the collection of the tax imposed under the "Sales and Use Tax Act".

(e) Subject to the limitations of this subsection and other provisions of the "Sales and Use Tax Act":

(1) In addition to the powers of the director prescribed pursuant to section 24 of P.L.1966, c.30 (C.54:32B-24) and the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., and notwithstanding the provisions of any other law to the contrary, the director shall grant "amnesty" for uncollected or unpaid sales or use tax to a seller that registers to collect and remit applicable sales or use tax on sales made to purchasers in this State in accordance with the terms of the Streamlined Sales and Use Tax Agreement, provided that the seller was not so registered in this State in the twelve-month period preceding the commencement of this State's participation in the agreement.

(2) Under terms of the "amnesty" granted pursuant to paragraph (1) of this subsection, a seller that registers shall not be assessed for uncollected or unpaid sales or use tax and shall not be assessed penalties or interest for sales made during the period the seller was not registered in this State, provided that the seller registers pursuant to paragraph (1) of this subsection within twelve months of the effective date of this State's participation in the Streamlined Sales and Use Tax Agreement.

(3) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available to a seller with respect to any matter for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes.

(4) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available for sales or use taxes already paid or remitted to the State or to taxes already collected by the seller.

(5) The "amnesty" limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall be in full effect and the director shall not assess deficiencies for uncollected or unpaid sales or use tax and shall not assess penalties or interest for sales made during the
period the seller was not registered in this State so long as the seller continues registration and continues collection and remittance of applicable sales or use taxes for a period of at least 36 months; provided however that the director may make such assessments by reason of the seller's fraud or intentional misrepresentation of a material fact. The statutes of limitations applicable to asserting tax liabilities, deficiencies, penalties and interest are tolled for this 36-month period.

(6) The "amnesty" granted pursuant to paragraph (1) of this subsection shall apply only to sales or use taxes due from a seller in its capacity as a seller and shall not apply to sales or use taxes due from a seller in its capacity as a buyer.

C.54:32B-8.58 Coin-operated telephone service receipts exempt.

16. a. Receipts from sales of coin-operated telephone service are exempt from the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.).
   b. For purposes of this section:
   "Coin-operated telephone service" means a telecommunications service paid for by inserting money into a telephone accepting direct deposits of money to operate.

C.54:32B-8.59 Receipts from certain telecommunications services exempt.

17. Receipts from telecommunications services provided by a person, or by that person's wholly owned subsidiary, not engaged in the business of rendering or offering telecommunications services to the public, for private and exclusive use within its organization, are exempt from the tax imposed under the Sales and Use Tax Act; provided however, that the exemption provided by this section shall not apply to sales of telecommunications services attributable to the excess unused telecommunications capacity of that person to another.

Repealer.

   b. Notwithstanding the repeal of section 1 of P.L.2006, c.41, the repeal shall not affect any obligation, lien, or duty to pay taxes, interest or penalties which have accrued or may accrue by virtue of any taxes imposed pursuant to the provisions of P.L.2006, c.41 or which may be imposed with respect to any redetermination, correction, recomputation, or deficiency assessment; and provided that all taxes and returns which would be due and
payable prior to the effective date of P.L.2008, c.123 (C.54:32B-8.58 et al.) shall be due and payable as if P.L.2006, c.41 were in effect; and provided that this repeal shall not affect the legal authority of the State to audit records and assess and collect taxes due or which may be due, together with such interest and penalties as have accrued or would have accrued thereon under the provisions of the law repealed; and provided that the repeal by subsection a. of this section, shall not affect any determination of, or affect any proceeding for, the enforcement thereof.

19. This act shall take effect immediately; provided however, that sections 1 through 18 shall remain inoperative until January 1, 2009.

Approved December 19, 2008.

CHAPTER 124

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.2004, c.59 (C.18A:71B-85) is amended to read as follows:

C.18A:71B-85 NJ STARS scholarships; eligibility.

5. a. A scholarship under the NJ STARS Program shall cover the full cost of tuition and fees, subject to the prior application of other grants and scholarships against those costs as provided under paragraph (2) of subsection c. of this section, for up to 18 credit hours in any semester, for an eligible student enrolled in a full-time course of study at the New Jersey county college serving the student's county of residence. An otherwise eligible student who demonstrates to the authority, in accordance with such criteria and by means of such documentation as the authority shall establish by regulation, that the county college serving the student's county of residence does not offer the curriculum that the student chooses to study shall be eligible for such scholarship at another New Jersey county college offering that curriculum. The amount of any scholarship allowed hereunder to a
student at a county college serving a county other than the student's county of residence shall be computed as though the student were a resident of the county served by that college, and the college shall likewise compute the amount of any additional payment, required with respect to the enrollment of that student for credit hours of study during a semester in which the scholarship is awarded that are not covered by that scholarship, as though the student were a resident of the county.

b. A student shall be eligible for a scholarship under the NJ STARS Program for up to five semesters, including summer sessions. The scholarship shall be payable for the first year of enrollment in a county college to a student who:

(1) graduated in the top 15.0% of the student's high school graduating class, provided that in the case of students graduating from high schools that do not calculate the class rank of their students, the student's ranking shall be determined by the high school in consultation with the authority; and

(2) completed a rigorous high school course of study in accordance with standards established by the Commission on Higher Education in consultation with the Commissioner of Education.

During a student's enrollment in a county college after the first year of enrollment, the scholarship shall be payable to that student if the student attains a grade point average of at least 3.0 by the start of the student's second year of county college enrollment. A student who attains a grade point average of less than 3.0 at the start of the second semester of the student's first year of county college enrollment shall participate in an enrichment program designed by the county college during the second semester of the student's first year of enrollment.

c. To be eligible to receive a scholarship under the NJ STARS Program a student shall:

(1) be a State resident pursuant to guidelines established by the authority. Notwithstanding the provisions of section 1 of P.L.1979, c.361 (C.18A:62-4) or any other section of law to the contrary, a dependent child of a parent or guardian who has been transferred to a military installation located in this State shall be considered a resident of this State for the purposes of qualifying for an NJ STARS scholarship;

(2) have applied for all other available forms of State and federal need-based grants and merit scholarships, exclusive of loans, the full amount of which grants and scholarships shall be applied to tuition and fee charges to reduce the amount of any scholarship that the student shall receive under the provisions of this act;
(3) except as otherwise provided pursuant to subsection a. of section 3 of P.L.2008, c.124 (C.18A:71B-85.2), be enrolled in a full-time course of study at a New Jersey county college;

(4) have graduated from high school in 2004 or later, and not earlier than the calendar year two years prior to the first calendar year in which a scholarship payment is to be made; and

(5) except as otherwise provided pursuant to subsection a. of section 3 of P.L.2008, c.124 (C.18A:71B-85.2), maintain continuous enrollment in a full-time course of study, unless on medical leave due to the illness of the student or a member of the student's immediate family or emergency leave because of a family emergency, which medical or emergency leave shall have been approved by the county college, or unless called to partial or full mobilization for State or federal active duty as a member of the National Guard or a Reserve component of the Armed Forces of the United States.

d. A student who is dismissed for academic or disciplinary reasons from a county college shall no longer be eligible for a scholarship under this act. If a student participating in the program is dismissed for disciplinary reasons, the student shall repay in full all amounts received under the program. The county college shall be responsible for collecting the repayment, or the amount of any overpayment or other improper payment, of any State awards under the program, in accordance with the provisions of N.J.S.18A:71B-10.

e. A student scholarship under the NJ STARS Program may be renewed upon the student's filing of a renewal financial aid application and providing evidence that the student has satisfied the requirements pursuant to subsection b. of this section.

C.18A:71B-85.1 College placement test to determine eligibility for program.

2. a. Upon notice from the authority in a student's senior year of high school of conditional eligibility for the NJ STARS Program, a student who determines to pursue final eligibility for the program shall take a college placement test to determine readiness for college-level coursework. The test shall be selected by the New Jersey Council of County Colleges and administered by the county college of the county in which the student's school district is located at no cost to the student or the school district. A county college may enter into an agreement with the school district to administer the test at the high school or other selected site within the district.

b. A county college shall notify any student who does not achieve the required score on the placement test that the student requires remediation prior to pursuing county college coursework for credit under the NJ STARS Program. The student shall have the responsibility to address the identified defi-
ciencies through such means as the student determines, including enrollment in remedial classes at the county college during the senior year of high school.

c. Upon graduation from high school, if a student meets the eligibility criteria for receipt of an NJ STARS scholarship but is not able to demonstrate the skill levels required to pursue courses for credit at a county college, the student shall not receive an NJ STARS scholarship until that ability is demonstrated. The student shall have one year from the September 1 next following the date of high school graduation to demonstrate such ability, and if at the end of the one-year period the student continues to require remediation, then the student shall lose eligibility for the NJ STARS Program. If during or at the end of the one-year period the student demonstrates the required ability, then the student shall be eligible for an NJ STARS scholarship for five semesters.

C.18A:71B-85.2 Option for fewer credits for recipient, eligibility for NJ STARS II scholarship.

3. a. A student who receives an NJ STARS scholarship shall be eligible to take less than 12 credits in the final semester if the county college determines that the student needs to complete less than 12 credits in that semester to complete the degree program.

b. In the case of a student who is enrolled in an associate degree program regularly requiring six semesters, the student shall not receive an NJ STARS scholarship for the sixth semester but shall maintain eligibility for the New Jersey Student Tuition Assistance Reward Scholarship II (NJ STARS II) Program established pursuant to P.L.2005, c.359 (C.18A:71B-86.1 et seq.), provided that the student meets the requirements for receipt of an NJ STARS II scholarship.

C.18A:71B-85.3 Application of college credits earned in high school.

4. A student who is eligible for an NJ STARS scholarship who earned college credits while enrolled in high school may submit to the county college a transcript from the institution of higher education that awarded the credits. If the county college determines that the student’s coursework is equivalent to that offered by the county college, then the county college shall apply the credits toward the award of the student’s associate degree under the NJ STARS Program.

C.18A:71B-85.4 Current recipients unaffected; exceptions.

5. a. In the case of a student who is receiving a scholarship under the NJ STARS Program on the effective date of P.L.2008, c.124 (C.18A:71B-85.1 et al.), the scholarship shall be administered and the student shall re-
main eligible for the program in accordance with the provisions of P.L.2004, c.59 (C.18A:71B-81 et seq.) as the same read before the effective date of P.L.2008, c.124 (C.18A:71B-85.1 et al.); except that a student who is in the first year of county college enrollment shall be required to attain at least a 3.25 cumulative grade point average upon graduation from a county college in order to qualify for the New Jersey Student Tuition Assistance Reward Scholarship II (NJ STARS II) Program and a student who is in the second year of county college enrollment shall be required to attain at least a 3.0 cumulative grade point average upon graduation from a county college to qualify for NJ STARS II.

b. Notwithstanding the provisions of subsection a. of section 4 of P.L.2005, c.359 (C.18A:71B-86.4) to the contrary, in the case of a student who is in the second year of county college enrollment on the effective date of P.L.2008, c.124 (C.18A:71B-85.1 et al.) who attains a cumulative grade point average equal to or greater than 3.0 and less than 3.25 upon graduation from a county college and who meets all other requirements for receipt of an NJ STARS II scholarship, the amount of the scholarship for the student's third academic year of study shall equal up to $3,000 per semester.

6. Section 4 of P.L.2005, c.359 (C.18A:71B-86.4) is amended to read as follows:

C.18A:71B-86.4 Eligibility for NJ STARS II; scholarship amounts.

4. a. A scholarship under the NJ STARS II Program shall be applied toward the cost of tuition or in the case of a student who receives a Tuition Aid Grant toward the cost of tuition and fees, subject to the prior application of other grants and scholarships against such costs as provided under paragraph (2) of subsection e. of this section, for an eligible student enrolled in a full-time course of study at a New Jersey four-year public institution of higher education. In the case of a student with a grade point average equal to or greater than 3.25 and less than 3.50, the scholarship shall equal up to $3,000 per semester, and in the case of a student with a grade point average equal to or greater than 3.50, the scholarship shall equal up to $3,500 per semester. The cost of a scholarship shall be paid 50% by the State and 50% by the public institution of higher education. Any cost of attendance that is not covered by the NJ STARS II scholarship or other available forms of grants and scholarships shall be paid by the student.

b. A student shall be eligible for a scholarship under the NJ STARS II Program for up to four semesters, excluding summer sessions, at a New Jersey four-year public institution of higher education.
c. CHAPTER 127

AN ACT providing residential mortgage assistance under certain circumstances, supplementing Title 46 and Title 55 of the Revised Statutes, amending P.L.1983, c.530, and P.L.1988, c.29; and making appropriations.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Mortgage Stabilization and Relief Act.”

C.55:14K-83 Findings, declarations relative to residential mortgage assistance.
2. The Legislature finds and declares that:
   a. Many thousands of New Jersey homeowners are at risk of losing their homes as a result of mortgage foreclosures.
   b. Foreclosures involve the loss of a family’s home, often the family’s most valuable financial asset, and foreclosures especially undermine the health and economic vitality of the urban neighborhoods in which a disproportionate share of foreclosures take place.
   c. Foreclosures result in the loss of millions of dollars in assets, not only those of the homeowners who are the victims of foreclosure, but also adversely affect the property values of homes located in the vicinity of foreclosed properties.
   d. The loss of a house often results in abandonment of properties, leading to significant costs and lost revenue for local governments, as well as harm to the neighborhoods in which properties are abandoned.
   e. Many of these foreclosures could be avoided if homeowners had greater access to high-quality, in-person foreclosure prevention counseling, emergency financial assistance, or additional time during which to negotiate loan modifications or obtain refinancing.
   f. There is a compelling public policy need for the State of New Jersey to provide the means by which homeowners can obtain mortgage-related counseling, emergency financial assistance, and time to adjust their
CHAPTER 127, LAWS OF 2008

finances in order to increase their ability to retain their homes, and to pro-
tect local governments and neighborhoods from the negative social, eco-
omic, and fiscal consequences of foreclosure and property abandonment.

g. New Jersey must ensure that neighborhoods are not adversely af-
fected by properties that are abandoned as a result of foreclosure and be-
come dilapidated eyesores in the community.

h. The Legislature recognizes that the difficulties encountered by
homeowners who are delinquent, or are in danger of becoming delinquent,
on their mortgage payment does not lend itself to a “one size fits all” solu-
tion and therefore it is necessary to establish a number of programs to assist
these homeowners.

be known and may be referred to as the “Mortgage Stabilization Program.”

C.55:14K-85 Definitions relative to “Mortgage Stabilization Program.”

There may be included in the carrying charges to any family for residence in any mutual housing project constructed, improved or rehabilitated with a loan from the agency an amount equal to 6% of the original cash investment of the family in the mutual housing project and, to the extent authorized by the agency where not included in the carrying charges, the value or cost of repainting the apartment and replacing any fixtures or appliances. Notwithstanding the provisions of this section, no family or individual shall be eligible for admission to any housing project constructed, improved or rehabilitated with a loan from the agency, whose gross aggregate family income exceeds such amount as shall be established from time to time by the agency, by rules or regulations promulgated here-
under; except that with respect to any project financed by an agency loan insured or guaranteed by the United States of America or any agency or instrumentality thereof, the agency may adopt the admission standards for such projects then currently utilized or required by the guarantor or insurer.

The provisions of this subsection shall not apply to any housing project that the agency determines is necessary to promote the long term development and viability of a neighborhood and spur its revitalization or is situated in a qualified municipality that is constructed, improved or rehabilitated on or after the date upon which the commissioner determines that the municipality fulfills the definition of a qualified municipality pursuant to section 4 of P.L.2002, c.43 (C.52:27BBB-4).

If the gross aggregate family income of a family residing in a housing project increases and the ratio to the current rental or carrying charges of the dwelling unit becomes greater than the ratio prescribed for admission in subsection a. of this section but is not more than 25% above the family income so prescribed for admission to the project, the owner or managing agent of the housing project shall permit the family to continue to occupy the unit. The agency or (with the approval of the agency) the housing sponsor of any housing project constructed, improved or rehabilitated with a loan from the agency, may terminate the tenancy or interest of any family residing in the housing project whose gross aggregate family income exceeds by 25% or more the amount prescribed herein and which continues to do so for a period of six months or more; but no tenancy or interest of any such family in any such housing project shall be terminated except upon reasonable notice and opportunity to obtain suitable alternate housing, in accordance with rules and regulations of the agency; and any such family, with the approval of the agency, may be permitted to continue to occupy the unit, subject to payment of a rent or carrying charge surcharge to the housing sponsor in accordance with a schedule of surcharges fixed by the agency. The provisions of this subsection shall not apply to any housing project situated in a qualified municipality that is constructed, improved or rehabilitated on or after the date upon which the commissioner determines that
the municipality fulfills the definition of a qualified municipality pursuant to section 4 of P.L.2002, c.43 (C.52:27BBB-4).

c. For projects on which the agency has made a loan and financed the loan with the proceeds of bonds issued prior to January 1, 1973, any remainder of the surcharge, or the total surcharge if tax exemption has not been granted, shall be paid into the housing finance fund securing the bonds issued to finance the project for the use of the agency; for projects financed on or after January 1, 1973, any remainder of the surcharge, or the total surcharge if tax exemption has not been granted, shall be paid to the agency.

d. Any family residing in a mutual housing project required to remove from the project because of excessive income as herein provided shall be discharged from liability on any note, bond or other evidence of indebtedness relating thereto and shall be reimbursed, in accordance with the rules of the agency, for all sums paid by the family to the housing sponsor on account of the purchase of stock or debentures as a condition of occupancy or on account of the acquisition of title for such purpose.

The provisions of this subsection shall not apply to any housing project situated in a qualified municipality that is constructed, improved or rehabilitated on or after the date upon which the commissioner determines that the municipality fulfills the definition of a qualified municipality pursuant to section 4 of P.L.2002, c.43 (C.52:27BBB-4).

The provisions of this subsection shall not apply to any housing project situated in a qualified municipality that is constructed, improved or rehabilitated on or after the date upon which the commissioner determines that the municipality fulfills the definition of a qualified municipality pursuant to section 4 of P.L.2002, c.43 (C.52:27BBB-4).

20. Section 2 of P.L.1988, c.29 (C.54A:6-22) is amended to read as follows:

2. Gross income shall not include payments and benefits directly received by a taxpayer under homeless persons' assistance programs, includ-

CHAPTER 128

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:6D-12.1 Short title.
1. Sections 1 through 6 of this act shall be known as the “Self-Directed Support Services for Persons with Developmental Disabilities Rights Act.”

C.30:6D-12.2 Findings, declarations relative to self-directed support services for persons with developmental disabilities.
2. The Legislature finds and declares that:
   a. There is a need for innovative approaches to meet the needs of persons with developmental disabilities;
   b. While there are many fine group homes, supervised apartments and other supervised living arrangements for persons with developmental disabilities, there is a need for not only an expansion of the availability of such programs, but also the development of innovative programs that are self-directed by persons with developmental disabilities and their families and guardians;
   c. The availability of innovative self-directed programs will expand the capacity of the Department of Human Services to serve the needs of persons with developmental disabilities; and
d. It is important to emphasize that persons with developmental disabili-
ties who participate in these highly desirable self-directed approaches to
care retain the rights guaranteed to them under the “Developmentally
Disabled Rights Act,” P.L.1977, c.82 (C.30:6D-1 et seq.).

C.30:6D-12.3 Definitions relative to self-directed support services for persons with
developmental disabilities.
3. As used in this act:

a developmental disability or person who has been authorized to serve as a

own home, the home of a family member or guardian, or some other similar
living environment. The purpose of the arrangement is to support the needs
of the person with a developmental disability by allowing the person, or his
family or guardian, or both, to determine the nature and scope of services to
be provided, in lieu of the department placing the person with a develop-
mental disability in a residential program operated by the department di-
rectly or by contracting with a residential provider of services for persons
with developmental disabilities.
“Services” means services as defined in section 3 of P.L.1977, c.82
(C.30:6D-3).

C.30:6D-12.4 Responsibilities of the commissioner.
4. The commissioner shall ensure that:
a. the provisions of section 9 of P.L.1977, c.82 (C.30:6D-9), concern-

their dignity, individuality and legal rights, apply to persons with develop-

b. a written, individualized habilitation plan, as provided for in sec-
tions 10 and 11 of P.L.1977, c.82 (C.30:6D-10 and 11), is developed and
placed into effect for each person receiving self-directed support services
no later than the 30th day following the initial receipt of such services. In
the case of persons receiving such services at the time of enactment of
the plan shall be effected no later
than the 60th day following enactment; and

c. each person's individualized habilitation plan is reviewed annually
pursuant to section 12 of P.L.1977, c.82 (C.30:6D-12).

P.L.2008, c.128 (C.30:6D-12.1 et al.).

b. A person receiving self-directed support services shall be entitled to

tion 4 of P.L.1977, c.82 (C.30:6D-4), by civil action or other remedy oth­
erwise available by common law or statute.

C.30:6D-12.6 Development, expansion of self-directed support services.

6. a. Except in the case of a short-term pilot program, the commissioner
shall, to the extent feasible, develop and expand the use of self-directed
support services throughout the State, and eliminate obstacles to the use of
such services. The services shall be made available without regard to the
severity of a person's disability, except to the extent that the person's dis­
ability would prevent that person from being safely accommodated with
self-directed support services.

ing self-directed support services for the same person, the commissioner

P.L.2008, c.128 (C.30:6D-12.1 et al.).

7. Section 2 of P.L.1983, c.524 (C.30:6D-14) is amended to read as

The placement of a person who has never before received services from the department directly into a community residential facility is a transfer.

8. This act shall take effect immediately.

C.19:60-1 School elections, adjustments, ballots.

1. a. An annual school election shall be held in each type II district on the third Tuesday in April. However, in any school year, the Commissioner of Education shall make any adjustments to the school budget and election calendar which may be necessary to change the annual school election date or any other school budget and election calendar date if that date coincides with a period of religious observance that limits significantly the usual activities of the followers of a particular religion or that would result in significant religious consequences for such followers. The commissioner shall inform local school boards, county clerks and boards of elections of these adjustments no later than the first working day in January of the year in which the adjustments are to occur.

of the legal voters of the district on only the fourth Tuesday in January
other than in a year when a presidential primary election occurs, in which
case no such election on that date may be called, the second Tuesday in
March, the last Tuesday in September, or the second Tuesday in December
when in its judgment the interests of the schools require such an election.
The board of education shall give the municipal clerk or clerks, as the case
may be, and the county board of elections no less than 60 days' notice, in

followers. The commissioner shall inform local school boards, county
clerks, and boards of election of the adjustment no later than the first work-
ing day in January of the year in which the adjustments are to occur.

As used in this section "a period of religious observance" means any

JOINT RESOLUTION NO. 8

A JOINT RESOLUTION congratulating and honoring the modern State of Israel on the 60th anniversary of its independence.

WHEREAS, Israel has been a steadfast friend and faithful ally of the United States over the past six decades, including dispatching rescue teams to Nairobi, Kenya in 1998 following the bombing of the American Embassy; and

TO THE 1947 CONSTITUTION

ARTICLE VIII, SECTION II, PARAGRAPH 3

Amend Article VIII, Section II, paragraph 3 to read as follows:

3. a. The Legislature shall not, in any manner, create in any fiscal year a debt or debts, liability or liabilities of the State, which together with any previous debts or liabilities shall exceed at any time one per centum of the total amount appropriated by the general appropriation law for that fiscal year, unless the same shall be authorized by a law for some single object or work distinctly specified therein. Regardless of any limitation relating to taxation in this Constitution, such law shall provide the ways and means, exclusive of loans, to pay the interest of such debt or liability as it falls due, and also to pay and discharge the principal thereof within thirty-five years from the time it is contracted; and the law shall not be repealed until such debt or liability and the interest thereon are fully paid and discharged. Except as hereinafter provided, no such law shall take effect until it shall have been submitted to the people at a general election and approved by a majority of the legally qualified voters of the State voting thereon.

b. On and after the date on which this subparagraph b. becomes part of the Constitution, the Legislature shall not enact any law that, in any manner, creates or authorizes the creation of a debt or liability of an autonomous public corporate entity, established either as an instrumentality of the State or otherwise exercising public and essential governmental functions, which debt or liability has a pledge of an annual appropriation as the ways and means to pay the interest of such debt or liability as it falls due and pay and discharge the principal of such debt, unless a law authorizing the creation of that debt for some single object or work distinctly specified therein shall have been submitted to the people at a general election and approved by a majority of the legally qualified voters of the State voting thereon. Voter approval shall not be required for any such law providing that the ways and means to pay the interest of and to pay and discharge the principal of such debt or liability shall be subject to appropriations of an independent non-State source of revenue paid by third
persons for the use of the single object or work thereof, or from a source of State revenue otherwise required to be appropriated pursuant to another provision of this Constitution.

c. No voter approval shall be required for any such law under subparagraphs a. or b. of this paragraph authorizing the creation of a debt or debts in a specified amount or an amount to be determined in accordance with such law for the refinancing of all or a portion of any outstanding debts or liabilities of the State, or of an autonomous public corporate entity, established either as an instrumentality of the State or otherwise exercising public and essential governmental functions, heretofore or hereafter created, so long as such law shall require that the refinancing provide a debt service savings determined in a manner to be provided in such law and that the proceeds of such debt or debts and any investment income therefrom shall be applied to the payment of the principal of, any redemption premium on, and interest due and to become due on such debts or liabilities being refinanced on or prior to the redemption date or maturity date thereof, together with the costs associated with such refinancing.

d. All money to be raised by the authority of such law shall be applied only to the specific object stated therein, and to the payment of the debt thereby created.

e. This paragraph shall not be construed to refer to any money that has been or may be deposited with this State by the government of the United States. Nor shall anything in this paragraph contained apply to the creation of any debts or liabilities for purposes of war, or to repel invasion, or to suppress insurrection or to meet an emergency caused by disaster or act of God.

EXECUTIVE ORDER No. 100

WHEREAS, Protecting the health of our children is one of the most important tasks of New Jersey State government; and
WHEREAS, Lead poisoning is preventable and has irreversible effects on children and adults; and
WHEREAS, Environmental lead can cause developmental disabilities, neurological and behavioral problems, decreased I.Q., and, in extreme cases, coma and death to children; and
WHEREAS, Approximately two million houses in New Jersey were constructed prior to the prohibition of the sale of lead paint, and many children are therefore potentially exposed to dangerous levels of environmental lead; and
WHEREAS, Dangerous levels of lead can be found not only in paint, but also in soil, water, and consumer products, and there is a need to educate parents and caregivers about that risk; and
WHEREAS, The New Jersey Department of the Public Advocate ("Public Advocate") has undertaken a study assessing the programs in New Jersey State and local government designed to protect children from residential lead exposure, which study has recommended important improvements in these protective programs; and
WHEREAS, The Public Advocate's report describes that among 104 dwellings in five cities in New Jersey, a high proportion contain possibly harmful levels of lead contamination, that lead was present even in dwellings in which some lead abatement activities had ostensibly been
undertaken, and that the dangers of lead poisoning are most likely to affect families in the State's older urban areas; and
WHEREAS, I find the report of the Public Advocate to be thoughtful and compelling;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Department of Health and Senior Services ("DHSS") shall, within 60 days, review its current lead standards, codified at N.J.A.C. 8:51, for the level of concern at which a child is considered poisoned in New Jersey and determine whether the State should lower its current standard.

2. DHSS, which, as a result of the Public Advocate's Report, already has instructed the local health departments to re-inspect the 85 properties identified in that report as at risk for lead exposure, shall report on the results of the re-inspection within 90 days.

3. DHSS shall expand the use of its case management information database to all local health departments beginning with those local health departments in communities with the greatest magnitude of risk, and DHSS shall offer to all local health departments training in the use of the case management information database.

4. DHSS shall, within 60 days, convene stakeholders to undertake a review of the desirability and feasibility of recommending prenatal blood lead screening of all pregnant women and all post-natal children.

5. DHSS shall develop new, additional educational materials and make them available to local health departments, nonprofits, consortia, lead coalitions, primary care providers, and other lead education organizations.

6. DHSS shall develop a targeted blood lead screening plan for children based on geographic information system mapping results. DHSS shall require all local health department Childhood Lead Poisoning Prevention ("CLPP") program grantees to develop a neighborhood-level targeted blood lead screening strategy. DHSS shall provide mapping information on blood lead level rates to all counties so blood lead level screening objectives can be included in their community health improvement plans.
7. DHSS shall, within 60 days, create a one-page handout on the dangers of blood lead.

8. DHSS shall, within 90 days, review local health departments' current practices regarding the inspection of all units of a multi-unit dwelling where a child has been poisoned by lead in one such dwelling unit. DHSS shall propose rules, if appropriate, that will require local health departments to notify in writing all tenants in a multi-unit dwelling where a child has been poisoned by lead in one such dwelling unit. This writing would, if appropriate, notify tenants that dangerous levels of lead have been found in the building and provide: information on the dangers of lead poisoning; information that advises parents of children age six or under to have a child blood lead tested and where a child can be tested; and a one-page informational fact sheet developed by DHSS.

9. DHSS shall identify which local health departments are willing to perform lead inspections at the request of any resident in, or owner of, pre-1978 housing if such person is willing to pay the cost of the inspection and shall make this information available to the public. The Department of Community Affairs ("DCA") shall regularly review and identify other private firms or individual inspectors that will be able to perform lead inspections at the request of any resident at the resident's own expense and make this information available to the public.

10. DHSS shall review the current procedures for the inspection of lead poisoned children's homes and the abatement of the property and shall propose rules, as appropriate, to mandate time frames by which local health departments, abatement companies, and property owners must ensure that the inspection, abatement, and clearance functions for which they are respectively responsible are completed.

11. DHSS shall direct that all CLPP programs shall upload weekly to the New Jersey Immunization Information System the blood lead test results of all children screened.

12. DHSS shall develop new, additional educational materials to increase awareness of sources of lead poisoning in consumer products including food, jewelry, and toys, and shall develop a visual aide that can be used by home visitors and others to identify non-paint sources of lead that can be found in consumer products.
13. The Department of Education ("DOE") shall make available to school districts, charter schools, and nonpublic schools lead education materials made available by DHSS and/or the Public Advocate for distribution to teachers, administrators, guidance counselors, nurses, and parents of pupils attending that school.

14. To improve the timeliness, accuracy, and efficiency of the lead data match system, the Department of Human Services ("DHS") and DHSS shall work together to enhance data collection and, if appropriate, utilize the DHSS case management information database to include a medical insurance collection field.

15. DCA has published a proposed rule that would prohibit anyone affiliated with or paid by an abatement company from performing the clearance inspection function on the same project. EXECUTIVE ORDER No. 103

WHEREAS, The State of New Jersey continues to confront a multi-billion dollar structural budget deficit caused by many years of bipartisan fiscal mismanagement and short-sightedness; and

WHEREAS, Despite the significant challenges posed by that continuing structural imbalance, this administration has succeeded, working cooperatively with the Legislature, in making great strides to reduce the State’s reliance on non-recurring sources of revenue to fund recurring State expenses; and

WHEREAS, In past years, surplus funds generated by unanticipated revenue growth or savings achieved through operational efficiencies were immediately redirected to new or expanded programs, postponing hard but overdue choices on budget reductions; and

WHEREAS, Repeated past failures to make those difficult choices and reductions has resulted in funding gaps that further exacerbate the State’s precarious structural budget imbalance; and

WHEREAS, New Jersey can no longer afford to merely get by, year after year, by focusing narrowly on the short-term finances of the State; and

WHEREAS, The temporary fixes and stopgap measures that have been relied upon in past fiscal years to manage the State’s finances can no longer be tolerated; and
WHEREAS, From the outset of the administration, I have emphasized as one of my highest priorities that recurring revenues must meet or exceed recurring expenses; and
WHEREAS, Now more than ever, it is not only prudent, but imperative, that the State’s finances be managed responsibly, with a focus on maximizing debt reduction and restricting State expenditures to levels matching or within recurring revenues; and
WHEREAS, As Governor, I have a responsibility to ensure a balanced budget, manage the operations of State Government effectively and efficiently, and maintain necessary government programs and assistance to the public; and
WHEREAS, Article VIII, Section II, paragraph 2 of the New Jersey State Constitution (1947) requires that State government expenditures do not exceed available State revenues; and
WHEREAS, N.J.S.A.52:27B-31 and -26 empower the Governor to prohibit the expenditure of existing or future appropriations, and to set aside necessary reserve funds, if necessary to avoid a budget deficit and to guard against extravagance, waste, or fiscal mismanagement in the administration of any State appropriations; and
WHEREAS, The time has come to build upon the foundation laid in the last three budgets and create a mechanism to help eliminate the practice of relying upon non-recurring revenues to fund recurring expenses of State government;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. For purposes of this Order:
   a. “Appropriations of the State” means the aggregate amounts appropriated from the certified revenue of the State in the general appropriation law and all other laws supplementing the general appropriation law that appropriate money for any purpose in a fiscal year.
   b. “Certified revenue of the State” means the revenue certified by the Governor pursuant to Article VIII, Section II, paragraph 2 of the Constitution of the State of New Jersey.
   c. “Recurring revenue of the State” means the portion of revenue determined by the State Treasurer in consultation with the Office of Management and Budget, and as set forth in a certification by the Governor separate from and in addition to the certification required pursuant to Article
VIII, Section II, paragraph 2 of the Constitution of the State of New Jersey, as recurring revenue of the State.

2. For fiscal years beginning on and after July 1, 2008, the State Treasurer, in consultation with the Office of Management and Budget, shall prepare an estimate of the recurring revenue of the State for each fiscal year. For fiscal years beginning on or after July 1, 2009, a certification setting forth such estimate shall be prepared for inclusion in the Governor's annual budget message to the Legislature for the year for which the Governor is making the budget recommendation.

3. In presenting the annual budget message, the Executive Branch of State Government shall not request or recommend appropriations of the State in an amount in excess of the certified amount of recurring revenue of the State for the fiscal year for which the budget recommendation is made, except as provided in this Order and in P.L.2008, c.22.

4. The certification of recurring revenue of the State required pursuant to section 2 of this Order shall be appended to the general appropriation law upon enactment thereof.

5. Recurring revenue of the State may be recalculated and recertified from time to time during the fiscal year, if appropriate.

6. For fiscal years beginning on and after July 1, 2009, it shall be the recommendation of the Executive Branch that any certified revenue of the State that is in excess of the amount of recurring revenue of the State shall not be available to support appropriations of the State, but rather shall be credited or appropriated to the "Long Term Obligation and Capital Expenditure Fund" for the purposes of paying for State capital improvements and the costs thereof, retiring and defeasing debt and the costs thereof, or making supplemental payments to reduce the unfunded post-retirement health benefits liability for members of and to reduce the unfunded pension liabilities of the Public Employees' Retirement System, the Teachers' Pension and Annuity Fund, the Police and Firemen's Retirement System, the State Police Retirement System, and the Judicial Retirement System, and the costs thereof, and making supplemental payments to reduce the unfunded post-retirement health benefits liability for members of the Alternative Benefit Program, and the costs thereof.
7. The provisions of this Order shall **not** be construed to render any balances in the “Long Term Obligation and Capital Expenditure Fund” or any other fund unavailable for meeting the costs of any emergency which requires an immediate response in the protection of the life, safety, or well-being of the citizens of this State, or to affect the Governor’s constitutional obligations to take care that the laws be faithfully executed and otherwise to act in the best interests of the people of the State.

8. This Order shall take effect immediately and shall continue in full force and effect until rescinded or modified by the Governor, or superseded by statute.

EXECUTIVE ORDER No. 114

WHEREAS, Safeguarding the clean drinking water supply for New Jersey's residents and preserving the quality of our environment are among the most important responsibilities of State government; and,

WHEREAS, The legislative and executive branches of State government have demonstrated a strong commitment to protecting New Jersey's natural resources, water supply, and quality of life from the negative effects of unrestrained and haphazard sprawl, while at the same time providing reasonable opportunities for growth and development in the State; and

WHEREAS, The New Jersey Highlands is an essential source of clean drinking water for one-half of the State's population, including communities beyond the Highlands, and contains other exceptional natural resources such as clean air, contiguous forest lands, wetlands, pristine watersheds, and habitat for fauna and flora, as well as many sites of historic significance, while also providing abundant recreational opportunities; and

WHEREAS, In 2004, the Highlands Water Protection and Planning Act, P.L.2004, c.120 ("Highlands Act"), was enacted to provide for the protection and enhancement of the Highlands Region through the creation of the Highlands Water Protection and Planning Council ("Highlands Council") and the enhancement of the statutory authority of numerous State agencies; and

WHEREAS, The Highlands Act required the Highlands Council to adopt a Regional Master Plan with a goal to protect and enhance the significant
value of the resources of the Highlands Region, and on July 17, 2008, the Highlands Council, after careful analysis of the best available scientific and planning materials, and after completing a thorough public review process, adopted the Highlands Regional Master Plan ("Highlands Plan"); and

WHEREAS, The Highlands Plan is an important planning tool to establish broad goals and criteria for each of the municipalities and counties within the Highlands Region; and

WHEREAS, In accordance with the Highlands Act, for lands in the Highlands Preservation Area, local governments are required, and for lands in the Highlands Planning Area, local governments are authorized, to update their local master plans and development regulations to conform to the Highlands Plan, and to adopt ordinances to effectuate those plans; and

WHEREAS, In further accordance with the Highlands Act, the master plans and development regulations of conforming municipalities must be submitted to the Highlands Council for approval, and the Governor retains veto authority over the actions taken at each Highlands Council meeting; and

WHEREAS, The Highlands Act encourages appropriate patterns of compatible residential, commercial, and industrial development, redevelopment, and economic growth in or adjacent to areas already utilized for such purposes, and discourages piecemeal, scattered, and inappropriate development, in order to accommodate local and regional growth and economic development in an orderly way while protecting the Highlands environment from the individual and cumulative adverse impacts thereof; and

WHEREAS, The Highlands Act also states that the maintenance of agricultural production and a positive agricultural business climate should be encouraged to the maximum extent possible wherever appropriate in the Highlands; and

WHEREAS, Regionally planned, compact, mixed-use communities can be consistent with agricultural, environmental, water, and historic resource protections, while sprawling development, whether under conventional zoning or in unplanned isolated clusters, may contribute to the degradation of the natural environment as well as regional and local quality of life; and

WHEREAS, In enacting the Highlands Act, the Legislature found and declared that, as a matter of wise public policy and fairness to property
owners, a strong and significant commitment by the State is necessary to fund the acquisition of exceptional natural resource value lands; and

WHEREAS, It is vital that the Garden State Preservation Trust be reauthorized and that a statewide transfer of development rights program be considered to meet the open space and agricultural preservation needs of the Highlands Region and the State, and, in part, to address landowner equity issues in the Highlands Region; and

WHEREAS, Landowner equity issues also should be addressed through enactment of a reasonable extension, of at least five years, beyond the June 30, 2009, expiration of the period set forth in the Highlands Act during which dual appraisals are required for open space and agricultural preservation acquisitions; and

WHEREAS, The Supreme Court of New Jersey, in South Burlington County v. Mount Laurel, 67 N.J. 151 (1975), and South Burlington County NAACP v. Mount Laurel, 92 N.J. 158 (1983), determined that every municipality in a growth area has a constitutional obligation to provide a realistic opportunity for a fair share of its region's needs for housing for low and moderate income families, which constitutional obligation must always be balanced with the protection of natural resources, and particularly, the quality and quantity of drinking water originating in the Highlands Region; and

WHEREAS, The Highlands Act directs that the Council on Affordable Housing shall take into consideration the Highlands Plan prior to making any determination regarding the allocation of the prospective fair share of the housing need in any municipality in the Highlands Region under the Fair Housing Act, P.L.1985, c.222 (C.52:27D-301 et al.) (“Fair Housing Act”), for the fair share period subsequent to 1999; and

WHEREAS, On July 17, 2008, the Fair Housing Act was amended by P.L.2008, c.46 to create a responsibility for the Highlands Council to plan for and create opportunities for affordable housing on a regional basis with consideration for infrastructure and transportation and to require a 20 percent affordable housing set-aside in residential developments;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Highlands Council shall work in cooperation with the Council on Affordable Housing (“COAH”), the Department of Environmental Protection (“DEP”), and the Department of Community Affairs to:
a. review COAH’s third round growth projections for consistency with the Highlands Plan and assist COAH in developing adjusted growth projections within the Highlands Region, consistent with the Highlands Plan, to be utilized by municipalities that conform to the Highlands Plan;

b. create realistic opportunities for municipalities to address the actual growth share obligation resulting from residential and non-residential development between January 1, 2004, and December 31, 2018, in the Highlands Region based on a growth share methodology under which affordable housing must be built when growth occurs, including the actual obligation accrued to date of approximately 3,000 affordable units, with consideration for innovative affordable housing mechanisms that further the resource protection standards of the Highlands Plan;

c. ensure that municipalities that voluntarily conform to the Highlands Plan support redevelopment and development pursuant to the Highlands Plan to maximize affordable housing opportunities while preserving critical environmental resources;

d. identify sites and opportunities for affordable housing within the Highlands Region, including, in accordance with P.L.2008, c.46, the creation of a realistic opportunity for at least 20 percent affordable housing set-asides in all new residential developments, with consideration for economic feasibility, and the coordination of regional affordable housing opportunities in areas with convenient access to infrastructure, employment opportunities, and public transportation;

e. identify additional sites, opportunities, and funding sources for 100 percent affordable housing developments that could aid in addressing the Highlands Region’s affordable housing needs while preserving its critical resources;

f. coordinate the deadlines for revision of municipal master plans and third round fair share plans to be in conformance with both the Highlands Act and the Fair Housing Act, including reasonable extensions of deadlines;

g. preserve scarce land, water, and sewer resources and dedicate these resources on a priority basis for the production of affordable housing consistent with the Highlands Plan, and provide priority review for proposed affordable housing projects; and

h. provide that conforming municipalities adopt Housing Elements and Fair Share Plans consistent with the Fair Housing Act.

2. The Highlands Council and COAH shall enter into a joint Memorandum of Understanding (MOU) as soon as practicable but no later than
60 days from the effective date of this Order to implement the provisions of Paragraph One of this Order.

3. In accordance with the Court's recognition in the Mt. Laurel cases of the clear obligation to preserve open space and natural resources, in implementing Paragraph One of this Order the relevant State agencies shall give priority to the protection of the critical water resources in the Highlands Region that provide drinking water to over five million people in New Jersey.

4. The Highlands Council and COAH, with appropriate input from DEP and the Department of Community Affairs, shall provide to the Governor quarterly written reports on the status of the coordinated efforts required pursuant to Paragraph One of this Order.

5. The State Transfer of Development Rights Bank shall reserve and make available to the Highlands Development Credit Bank, upon its establishment as authorized by N.J.S.A. 4:1C-52, an amount not less than $10 million.

6. The Highlands Council, in implementing its Land Use Capability Map Adjustment program, making any modifications to Highlands Open Water buffer standards, and designating Highlands Redevelopment Areas, shall:
   a. ensure that a public process is in place allowing the public to review and comment on any map adjustments, modifications to Highlands Open Water buffer standards, or designation of redevelopment areas proposed to the Council, prior to adoption; and
   b. ensure that there is no net natural resource loss or degradation of surface or ground water quality resulting from any map adjustments or modification to Highlands Open Water buffer standards.

7. In approving any plan or permit application or in issuing any other approval for a project located in the Protection Zone, the Conservation Zone, or the Environmentally-Constrained Sub-Zones, as delineated in the Highlands Plan, the DEP shall, to the maximum extent feasible, require that development proposals designed to meet the clustering provisions of the Highlands Plan, as necessary, be (i) part of a center-based, transit-oriented, or mixed-use development or a development that is consistent with the State's smart growth policies, and (ii) municipally or regionally planned
through Plan Conformance with the Highlands Plan and not isolated clusters. Furthermore, the DEP shall ensure that any such approval is conditioned upon the establishment of, and availability of funding for, the Highlands Development Credit Bank.

8. The DEP shall adopt and enforce strict standards for water deficit mitigation projects, consistent with the water deficit mitigation policies of the Highlands Plan, as part of the forthcoming update to the Statewide Water Supply Master Plan.

9. The DEP shall take appropriate action to ensure that no water allocation permit is issued for any development project located in the Protection Zone, the Conservation Zone, or the Environmentally-Constrained Sub-Zones, as delineated in the Highlands Plan, within a HUC14 subwatershed that is in, or anticipated to be in, a deficit of net water availability, as identified by the Highlands Plan, until such time that a Municipal Water Use and Conservation Management Plan, consistent with the policies in the Highlands Plan, has been approved by the Highlands Council and has been fully implemented.

10. The DEP shall take appropriate action to ensure that no approval is given to any portion of a Water Quality Management Plan amendment in the Protection Zone, the Conservation Zone, or the Environmentally-Constrained Sub-Zones, as delineated in the Highlands Plan, within a HUC14 subwatershed that is in, or anticipated to be in, a deficit of net water availability, as identified by the Highlands Plan, unless the approval is conditioned on a Municipal Water Use and Conservation Management Plan, consistent with the policies in the Highlands Plan, having been approved by the Highlands Council and having been fully implemented.

11. Nothing in this Order shall prohibit the issuance or granting of an approval if the denial or conditioning of such approval would adversely affect public health or safety or cause a taking of property without just compensation.

12. This Order shall take effect immediately.

Dated September 5, 2008.

EXECUTIVE ORDER No. 117

WHEREAS, The residents of New Jersey are entitled to a government that is effective, efficient, and free from corruption, favoritism, and waste; and
WHEREAS, In pursuit of those goals, a series of actions have been taken in New Jersey since 2004 – through legislation, executive order, and regulation – to protect the integrity of government contractual decisions and increase the public’s confidence in government by prohibiting the awarding of government contracts to business entities that also are contributors to certain candidates and political parties; and

WHEREAS, Among those actions were the issuance of Executive Order No. 134 (2004) and the codification of its provisions into statute in P.L.2005, c.51 (C.19:44A-20.13 et seq.) (“Chapter 51”); and

WHEREAS, Since its adoption, Chapter 51 has significantly reduced the influence of contractor contributions in the process of awarding State government contracts and has proven to be an effective method of ensuring that merit and cost-effectiveness drive the government contracting process; and

WHEREAS, This administration is committed to ensuring the highest ethical standards in government contracting and rooting out corruption, favoritism, and waste; and

WHEREAS, Experience has shown that additional measures are needed to ensure there is no dilution of the protections provided by Chapter 51 against the improper influence of political contributions on the process of awarding State government contracts and to ensure compliance with the provisions of Chapter 51; and

WHEREAS, Many State government contractors, particularly those that provide professional services, are business entities whose form of business organization and ownership structure are such that the political contribution limits in Chapter 51 apply to few if any of the individuals who own or control the entity; and

WHEREAS, The strong public interest in limiting political contributions by businesses that contract with the State requires that the contribution limits in Chapter 51 be applied to such individuals and that those limits otherwise be applied in such a way that the purposes of Chapter 51 will be served regardless of the form of business organization of the State government contractor; and

WHEREAS, Because New Jersey’s campaign finance laws permit large, and in some cases unlimited, political contributions to flow between and among various types of political committees and State officeholders, the effectiveness of the restrictions in Chapter 51 can be, and have been, undermined by the current ability of State government contractors to make large contributions to legislative leadership committees and municipal political party committees; and
WHEREAS, The Constitution of this State requires the Governor to manage the operations of State government effectively and fairly, uphold the law to ensure public order and prosperity, and confront and uproot malfeasance in whatever form it may take; and

WHEREAS, It is the Governor's responsibility to safeguard the integrity of the State government procurement process by ensuring that there is no dilution of the protections provided by Chapter 51 against the improper influence of political contributions on the process of awarding and overseeing the performance of State government contracts and that there be full compliance with the provisions of Chapter 51;

(“Chapter 51”).

b. “Contribution” means a contribution reportable by the recipient under “The New Jersey Campaign Contributions and Expenditures Reporting Act,” P.L.1973, c.83 (C.19:44A-1 et seq.) made on or after the effective date of this Order.

Any Executive Branch department, agency, authority, or independent State authority charged with implementing and enforcing Chapter 51 shall apply its provisions to a “business entity” as defined in Paragraph 1(a) of this Order in the same manner as those provisions apply to a “business entity” as defined in section 5 of Chapter 51.

3. Any Executive Branch department, agency, authority, or independent State authority charged with implementing and enforcing Chapter 51 shall apply its provisions to a contribution made to a legislative leadership committee or a municipal political party committee in the same manner as those provisions apply to a contribution to any candidate committee, election fund, or political party committee identified in Chapter 51.

4. Any Executive Branch department, agency, authority, or independent State authority charged with implementing and enforcing Chapter 51 shall apply its provisions to a contribution made to a candidate committee or election fund of any candidate for or holder of the office of Lieutenant Governor in the same manner as those provisions apply pursuant to Chapter 51 to a contribution to any candidate committee or election fund of any candidate for or holder of the office of Governor.

5. This Order shall take effect on November 15, 2008, and is intended to have prospective effect only. This Order shall not apply to any contribution made prior to November 15, 2008.

EXECUTIVE ORDER No. 118

WHEREAS, The residents of New Jersey are entitled to a government that is effective, efficient, and free from corruption, favoritism, and waste; and
WHEREAS, In pursuit of those goals, a series of actions have been taken in New Jersey since 2004 – through legislation, executive order, and regulation – to protect the integrity of government contractual decisions and increase the public’s confidence in government by prohibiting the awarding of government contracts to business entities that also are contributors to certain candidates and political parties; and
WHEREAS, Government decisions regarding redevelopment projects often involve substantial sums of money, and the procedures regarding such decisions can be less rigorous than those governing other types of procurement activities; and
WHEREAS, As demonstrated in the recent report of the Inspector General regarding the Encap redevelopment project, the integrity of government decisions regarding a redevelopment project can be called into question by virtue of the timing of political contributions and the nature of government actions benefiting or relating to a redevelopment project; and
WHEREAS, The Constitution of this State requires the Governor to manage the operations of State government effectively and fairly, uphold the law to ensure public order and prosperity, and confront and uproot malfeasance in whatever form it may take; and
WHEREAS, It is the Governor’s responsibility to safeguard the integrity of decision-making regarding State redevelopment projects by imposing restrictions on State agencies and independent authorities to insulate such decision-making from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. For the purposes of this Order:
   a. “Business entity” means:
      i. a for-profit entity as follows:
         A. in the case of a corporation: the corporation, any officer of the corporation, and any person or business entity that owns or controls 10% or more of the stock of the corporation;
B. in the case of a general partnership: the partnership and any partner;
C. in the case of a limited partnership: the limited partnership and any partner;
D. in the case of a professional corporation: the professional corporation and any shareholder or officer;
E. in the case of a limited liability company: the limited liability company and any member;
F. in the case of a limited liability partnership: the limited liability partnership and any partner;
G. in the case of a sole proprietorship: the proprietor; and
H. in the case of any other form of entity organized under the laws of this State or any other state or foreign jurisdiction: the entity and any principal, officer, or partner thereof;
ii. any subsidiary directly or indirectly controlled by the business entity;
iii. any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and
iv. with respect to an individual who is included within the definition of business entity, that individual's spouse or civil union partner, and any child residing with the individual, provided, however, that this Order shall not apply to a contribution made by such spouse, civil union partner, or child to a candidate for whom the contributor is entitled to vote or to a political party committee within whose jurisdiction the contributor resides unless such contribution is in violation of Paragraph 7 of this Order.

b. “Contribution” means a contribution reportable by the recipient under “The New Jersey Campaign Contributions and Expenditures Reporting Act,” P.L.1973, c.83 (C.19:44A-1 et seq.) made on or after the effective date of this Order.

c. “Redeveloper” means any business entity that enters into or proposes to enter into a redevelopment agreement, and includes (i) a subsidiary business entity directly or indirectly controlled by the redeveloper; and (ii) a business entity that contracts with the redeveloper to perform professional, consulting, or lobbying services in connection with the redevelopment project.

d. “Redevelopment agreement” means an agreement or contract with a State redevelopment entity for the redevelopment or rehabilitation of an area in need of redevelopment, or an area in need of rehabilitation, or any
part thereof, or other work forming a part of a redevelopment or rehabilitation project.

e. "State redevelopment entity" means any State agency, including any principal department in the Executive Branch and any division, board, bureau, office, commission, or other instrumentality within or created by such department, and any independent State authority, board, commission, instrumentality, or agency that is authorized by law to implement a redevelopment project and carry out a redevelopment plan. The State Treasurer shall prepare and publish a list of the State entities included under this definition.

2. State redevelopment entities shall use a competitive process, to include public issuance of a request for proposal, a request for qualifications, or similar solicitation, for selecting a redeveloper.

3. A State redevelopment entity shall not enter into or propose to enter into a redevelopment agreement with any redeveloper if, beginning after the public issuance of a request for proposal, a request for qualifications, or similar solicitation in accordance with Paragraph 2 of this Order, that redeveloper has made a contribution to (i) a candidate committee or election fund of any candidate for or holder of the public office of Governor or Lieutenant Governor, (ii) a State, county, or municipal political party committee or a legislative leadership committee, or (iii) a candidate committee or election fund of any candidate for or holder of a State legislative, county, or municipal elective public office in a State legislative district, county, or municipality in which any property subject to the redevelopment agreement is situated.

4. A redeveloper that enters into a redevelopment agreement with a State redevelopment entity shall not make a contribution during the term of the redevelopment agreement to any committee or election fund identified in Paragraph 3 of this Order.

5. Prior to entering into a redevelopment agreement a State redevelopment entity shall require the redeveloper to report all contributions the redeveloper made during the preceding four years to any political organization organized under section 527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the meaning of section 3 of P.L.1973, c.83 (C.19:44A-3), and, in the event the redeveloper enters into a contract with a business entity to perform professional,
consulting, or lobbying services in connection with the redevelopment project after entering into the redevelopment agreement, the redeveloper shall supplement its report to include such contributions by that business entity. Such reports shall be subject to review by the State Treasurer. If the State Treasurer determines that any such contribution or any other act by the redeveloper would constitute a violation of this Order, the State Treasurer shall disqualify the redeveloper from being awarded the redevelopment agreement.

6. Prior to entering into a redevelopment agreement a State redevelopment entity shall require the redeveloper to provide a written certification that it has not made a contribution that would bar the award of the redevelopment agreement pursuant to this Order. The redeveloper shall have a continuing duty to report any contribution it makes during the term of the redevelopment agreement. Such reports shall be subject to review by the State Treasurer.

7. A redeveloper shall not: (i) make a contribution in violation of this Order, unless such violation is remedied in accordance with Paragraph 8 of this Order; (ii) conceal or misrepresent a contribution given or received; (iii) make a contribution through an intermediary for the purpose of concealing or misrepresenting the source of the contribution; (iv) make a contribution on the condition or with the agreement that the recipient will in turn make a contribution that if made by the redeveloper itself would subject the redeveloper to the restrictions of this Order; (v) engage or employ a lobbyist, governmental affairs agent, or consultant with the intent or understanding that the lobbyist, governmental affairs agent, or consultant would make a contribution that if made by the redeveloper itself would subject the redeveloper to the restrictions of this Order; (vi) fund or direct contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange or contributions to circumvent the intent of this Order; or (viii) directly or indirectly, through or by any other person or means, do any act which would subject the redeveloper to the restrictions of this Order. A violation of the provisions of this Order shall be considered a material breach of the redevelopment agreement unless remedied in accordance with Paragraph 8 of this Order.

8. Except for contributions made within 60 days of a June primary election or a general election, if a redeveloper makes a contribution that would otherwise bar it from entering into a redevelopment agreement with
a State redevelopment entity or makes a contribution during the term of a redevelopment agreement in violation of this Order, the redeveloper may request a full reimbursement from the recipient and, if such reimbursement is received within 30 days after the date on which the contribution was made, the redeveloper would again be eligible to enter into the redevelopment agreement or would no longer be in violation, as appropriate.

9. Every request for qualifications, request for proposals, or any similar solicitation issued by a State redevelopment entity in connection with a redevelopment project shall contain a provision describing the requirements of this Order and a statement that compliance with this Order shall be a material term and condition of any redevelopment agreement with the State redevelopment entity and binding upon the parties thereto upon the execution of the redevelopment agreement.

10. To the extent that a term that is used in this Order requires interpretation or definition, resort shall be made to the relevant definition of the term in the "New Jersey Campaign Contributions and Expenditures Reporting Act," P.L.1973, c.83 (C.19:44A-1, et seq.) or to section 3 of P.L.1992, c.79 (C.40A:12A-3), as may be appropriate.

11. This Order shall take effect on November 15, 2008, and is intended to have prospective effect only. This Order shall apply to all redevelopment agreements entered into after November 15, 2008, but shall not affect any contribution made prior to November 15, 2008.

Dated September 24, 2008.

EXECUTIVE ORDERS

EXECUTIVE ORDER No. 121

WHEREAS, A key component of this Administration’s efforts to close New Jersey’s structural budget deficit and restore balance and integrity to the State’s finances has been a strategy to substantially reduce the size and cost of State government; and
WHEREAS, An aggressive attrition program over the past two years already has resulted in an overall reduction of nearly 2,000 Executive Branch employees; and
WHEREAS, The recently enacted budget for Fiscal Year 2009 further reduces the cost of State government by nearly $300 million and the number of State Executive Branch employees by between 2,000 and 3,000 through a combination of the Early Retirement Incentive (ERI) program established in P.L.2008, c.21, and the continuation of this Administration’s aggressive attrition program; and
WHEREAS, The significant reduction of Executive Branch employees to be achieved through the ERI initiative and the attrition program will require each department and agency to re-evaluate its priorities and adjust to the reduced workforce, leading to additional savings over time as departments and agencies do more with less and in some cases simply do less; and
WHEREAS, The public interest requires assurance that the workforce reduction to be obtained as a result of the ERI and attrition programs be maintained over time by a cap on the total number of Executive Branch employees to be administered through coordinated workforce reduction planning; and
WHEREAS, A coordinated workforce reduction planning effort also will help ensure that departments and agencies appropriately identify the programs and functions they will no longer be able to administer while retaining the ability to meet critical needs;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby established a Workforce Reduction Planning Board ("Board") to provide advice and recommendations to the Governor regarding implementation of a workforce reduction in the executive branch of State government.
2. The Board shall be composed of five members as follows: the State Treasurer; the Director of the Division of Budget and Accounting in the Department of the Treasury; either the chair of the Civil Service Commission, or a person designated by the Governor; and two persons designated by the Governor. Persons designated by the Governor shall serve at the pleasure of the Governor. The Governor shall select the chair and the vice-chair of the Board.

3. As soon as practicable after this Order takes effect, the State Treasurer shall certify the number of employees employed in each department, excluding seasonal employees and employees of independent authorities, as of the final pay period in Fiscal Year 2008.

4. Based on consultation with and recommendations from the Board, the Governor shall establish for each department and each agency that is to be treated for purposes of this Order separately from a department ("separate agency") the maximum number of employees that will be permitted to be on the department's or separate agency's payroll as of the final pay period in Fiscal Year 2009.

5. The aggregate maximum number of employees permitted to be on the payroll for all departments and separate agencies combined as of the final pay period in Fiscal Year 2009 shall not exceed the number of employees as certified by the State Treasurer pursuant to Paragraph 3 of this Order, less 90% of the number of employees who elect to retire and receive a benefit pursuant to section 1 of P.L.2008, c.21.

6. The aggregate maximum number of employees permitted to be on the payroll for all departments and separate agencies combined as of the final pay period in Fiscal Year 2009 shall remain as the aggregate maximum number of employees permitted to be on the payroll for all departments and separate agencies combined for subsequent fiscal years unless changed by subsequent Executive Order or action by the Legislature.

7. Following receipt of its maximum employee count, each department and separate agency shall submit to the Board a plan demonstrating how the department or separate agency intends to achieve and operate within its maximum employee count.

8. The Board shall review each plan and make recommendations to the Governor regarding approval or modification of each plan. The Gover-
nor shall then make a final decision regarding each plan. The Board shall
monitor implementation of each approved plan and advise the Governor.

9. Departments and separate agencies shall not use temporary em­
ployee service (TES) employees or persons employed by contractors as
permanent replacements for full-time employment positions that have been
reduced pursuant to this Order.

10. Each department and separate agency shall provide the Board with
information as requested by the Board, including but not limited to prelimi­
nary employee counts, plans, and any other requested information that may
assist in the implementation of this Order. The Board and the departments
and separate agencies shall interact as necessary in advance of the various
deadlines set forth in this Order.

11. The Board shall provide to the State Treasurer necessary informa­
tion to be included with the State Treasurer’s reports to the Legislature pur­
suant to subsection (b) of section 2 of P.L.2008, c.21.

12. This Order shall take effect immediately and shall continue in full
force and effect until rescinded or modified by the Governor, or superseded
by statute.

EXECUTIVE ORDER No. 122

WHEREAS, On August 4, 2006, the New Jersey Committee on Native
American Community Affairs was created by Executive Order in the
wake of a tragic shooting of a member of the Ramapough Lenape Na­
tion and in recognition of the imperative that all citizens be treated fairly
and have equal opportunity and access to State government and services
and that the rights of all citizens be protected; and

WHEREAS, This Committee was charged to “evaluate the current social
and economic conditions of Native Americans in New Jersey, namely
civil rights issues and the community’s access to education, fair housing,
infrastructure, employment, and health care”; and

WHEREAS, On December 14, 2007, the New Jersey Committee on Native
American Community Affairs issued its final report (the “2007 Re­
port”); and
WHEREAS, The 2007 Report contained 28 recommendations, among them that the State of New Jersey should: affirm its respect for and recognition of its three tribes; protect Native American open air worship sites and tribal burial grounds; resolve the long-standing environmental problems at the Ringwood Superfund Site and address the impact of those problems on local families; expand State government's awareness of and outreach to the Native American community; increase educational opportunities for Native Americans by creating a revised, culturally accurate, elementary school curriculum and a scholarship assistance program and by eliminating school-based discrimination; provide additional employment and housing opportunities; upgrade access to health care services; and broaden inter-State, State, county, and municipal relations with Native American communities; and

WHEREAS, The recommendations set forth in the 2007 Report should be implemented across all levels of government and among the State's Native American community as appropriate and that implementation needs to be monitored with particular care and diligence, given the indifference and neglect that Native American groups and individuals within the State have often confronted; and

WHEREAS, In 1995 the New Jersey Legislature created the New Jersey Commission on American Indian Affairs (the "Commission") and charged it with, among other duties, supporting the development of the State's American Indian Communities and acting as a liaison among those communities, the State and federal governments, and educational, social, and cultural institutions; and

WHEREAS, The 2007 Report recommended that the Commission's structure be modified and its membership be expanded, which changes would help it fulfill its mission but which also necessitate legislative action; and

WHEREAS, The 2007 Report concluded that State-only recognition was a major issue for a broad cross-section of the Native American community, summarized the history of New Jersey's three Native American tribes, and disavowed any intent to assist efforts at federal recognition for any tribe(s);

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. This administration affirms, endorses, and supports the New Jersey Legislature's acknowledgement in 1995 of the major role of the Nanticoke Lenni Lenape Indians, the Ramapough Mountain Indians, and the Powhatan
Renape Nation in the history of the State and those tribes' unique and continuing importance in New Jersey's political, social, and cultural life. Additionally, with the 2007 Report having reported that recognition is a major issue for a broad cross-section of the Native American community in New Jersey, the New Jersey Commission on American Indian Affairs is hereby directed to contact the leadership of the Nanticoke Lenni Lenape Indians, the Ramapough Mountain Indians, and the Powhatan Renape Nation to determine if any of these tribes wishes to be considered for State-only recognition via State statute.

2. The Commission shall oversee, coordinate, and monitor the implementation of the 2007 Report.

3. In fulfilling its charge pursuant to this Order, the Commission, among other duties, shall:
   a. recommend legislation and other proposals to protect Native American religious observances and related cultural practices;
   b. recommend legislation, gubernatorial measures, and cabinet-level actions to improve Native Americans' experiences in education, employment, and housing; protect Native Americans' civil rights and the environment surrounding their homes and communities; and create new mechanisms of communication between Native Americans, their leaders, and representatives of all levels of government;
   c. work with members of the cabinet or their designees and other officials from State, county, and municipal government to implement the recommendations of the 2007 Report; and
   d. prepare reports as of July 1, 2009, July 1, 2010, and July 1, 2011 about the State's progress in implementing the recommendations of the 2007 Report ("Implementation Reports").

4. The Commission is authorized to call upon any department, division, office, or agency of State government to provide such information, resources, or other assistance deemed necessary to discharge its responsibilities under this Order. Each department, division, office, and agency of this State is hereby required, to the extent not inconsistent with law, to cooperate with the Commission and to furnish it with such information, personnel, and assistance as is necessary to accomplish the purposes of this Order. In particular, the personnel of the Departments of Children and Families, Community Affairs, Education, Environmental Protection, Health and Senior Services, Human Services, and Labor and Workforce Development shall be available to the Commission upon request.
5. The Commission shall consult with experts or other knowledgeable persons in the public or private sector on any aspect of its mission pursuant to this Order.

6. The Commission shall recommend for appointment by the Governor an advisory group of no more than five persons to assist it in overseeing the implementation of the 2007 Report and in preparing the Implementation Reports. This advisory group shall cease to operate upon the enactment of legislation expanding the membership and structure of the Commission as recommended in the 2007 Report.

7. The Commission shall create a list of priorities so that its Implementation Reports shall include reference to its own activities as well as those of State government, provided, however, that nothing in this Order shall preclude the Commission from accomplishing its objectives prior to July 1, 2011, as set forth above.

8. The following additional steps shall be taken to implement the 2007 Report:
   a. The Departments of Children and Families and Health and Senior Services shall as soon as possible send representatives to inter-departmental meetings at Tribal Centers and develop and implement plans to work with those Centers;
   b. The Department of State shall develop a new website for the Commission, and the Departments of Children and Families and Health and Senior Services shall create links to that site, and that site shall include links, as appropriate, with those departments’ websites;
   c.    d. The Departments of Community Affairs, Education, and Human Services, within 30 days of the date of this Order, shall meet with representatives of the Commission to address issues identified in the 2007 Report within each department’s area of expertise and to develop and implement plans to work with the Commission and/or the Tribal Centers, as appropriate.

REORGANIZATION PLANS
REORGANIZATION PLAN NO. 001-2008
VICTIMS OF CRIME COMPENSATION AGENCY - TRANSFER TO DEPARTMENT OF LAW AND PUBLIC SAFETY
NOTICE OF A PLAN FOR THE REORGANIZATION AND TRANSFER OF THE VICTIMS OF CRIME COMPENSATION AGENCY

Take notice that on January 28, 2008, Governor Jon S. Corzine hereby issues the following Reorganization Plan (No. 001-2008) to reorganize the Victims of Crime Compensation Agency by transferring the agency and all related functions, powers and duties from the Department of the Treasury to the Department of Law and Public Safety.

GENERAL STATEMENT OF PURPOSE

The Victims of Crime Compensation Agency (Agency) in the Department of the Treasury provides compensation to crime victims for some of the expenses they suffer as the result of the crime. The Agency's victim counseling service provides, without charge, assistance to victims with regard to filing a claim with the Victims of Crime Compensation Review Board (Board), emergency food and clothing, employment opportunities, referrals to other social service agencies and assistance in obtaining legal advice or representation. In addition, the Agency identifies sources to provide mental health counseling to victims. The Agency is also authorized to conduct training programs for attorneys and victim service providers. The Agency may also seek leave to appear as amicus curiae in actions where the rights of crime victims are affected.

Currently, the executive director of the Agency is appointed by the Governor with the advice and consent of the Senate and serves at the pleasure of the Governor. The executive director, in consultation with the Board, is responsible for developing, establishing and supervising the Agency's practices and procedures.

The Board is established within the Agency. The Board is composed of five citizens appointed by the Governor with the advice and consent of the Senate. The Board members, who serve without compensation, serve three-year terms and may be reappointed. The Board hears appeals from decisions of the Victims of Crime Compensation Agency involving issues of victim compensation; consults with the executive director in developing, establishing and supervising all practices and procedures of the Agency;
reviews individual and supplemental awards to a victim or a victim's family in excess of $10,000 in the aggregate, and awards of attorney fees for legal representation to victims; reviews information detailing the aggregate claims received and paid by the Agency, and the operations of the Agency; and reviews and, if appropriate, approves any rules and regulations, standards, and maximum rates and service limitations for reimbursement proposed by the Agency.

The Agency is the successor to the Victims of Crime Compensation Board, established by P.L. 1971, c. 317 (C. 52:4B-1 et seq.), which was an agency in but not of the Department of Law and Public Safety. P.L. 2007, c. 95 reorganized the duties and responsibilities of the Victims of Crime Compensation Board into the newly established Agency, providing greater oversight by placing the Agency within a department of State Government, and established the unpaid Victims of Crime Compensation Review Board to replace the Victims of Crime Compensation Board, whose members were salaried employees.

The Department of Law and Public Safety houses the principal law enforcement and legal entities of State government. In addition, the Division of Criminal Justice maintains the State Office of Victim-Witness Advocacy, which also provides assistance to crime victims and their families. This Office works with the law enforcement community, public agencies, non-profit service agencies, the faith-based community and other entities to provide a victim-centered response to meet the needs of victims and their families. This Office also works with the similar entities within the county prosecutors' offices. The Office also administers several federal grant programs and the State Victim-Witness Advocacy Fund.

In order to more efficiently manage and administer the State's services for crime victims, this Reorganization Plan (Plan) provides for the transfer of the Victims of Crime Compensation Agency, including the Victims of Crime Compensation Review Board as well as the Office of Victim-Witness Assistance, to and within the Department of Law and Public Safety. It also provides for the renaming of the Agency as the Victims of Crime Compensation Office and the renaming of the Office of Victim-Witness Assistance as the Victim-Witness Assistance Bureau. This Plan also provides for the abolition of the position of executive director and the substitution of the position of director. This provision will allow for the better integration of the work of the Agency within the Department of Law and
Public Safety and the coordination of the Agency's work with the other victim services entities in that Department. This transfer will also increase the ability of the State to coordinate and improve victim services and related activities offered by the Agency and the Division of Criminal Justice in the Department of Law and Public Safety, aligning and assigning similar functions within one agency, thereby promoting overall efficiency and effectiveness.

NOW THEREFORE, in accordance with the provisions of the "Executive Reorganization Act of 1969," P.L. 1969, c. 203 (C. 52:14C-1 et seq.), I find with respect to the reorganization and transfers included in this Plan that each aspect is necessary to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch and of its agencies by grouping victim services and related functions within one department;

2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one department similar regulatory functions, particularly the providing of services to victims;

3. Group and coordinate these functions in a more consistent and practical way;

4. Reduce expenditures and promote economy to the fullest extent consistent with the efficient operations of the Executive Branch;

5. Increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; and

6. Eliminate duplication of efforts by consolidating certain functions which will result in a savings of State funds.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization of the Victims of Crime Compensation Agency:
1. The Victims of Crime Compensation Agency in the Department of the Treasury, including the functions, powers and duties assigned to it by P.L. 1971, c. 317 (C. 52:4B-1 et seq.), and P.L. 2007, c. 95 (C. 52:4B-3.2 through 3.4), is hereby continued and transferred to and within the Department of Law and Public Safety, and shall be renamed the Victims of Crime Compensation Office.

2. The Victims of Crime Compensation Review Board and its membership, including the functions, powers and duties assigned to it by P.L. 1971, c. 317 (C. 52:4B-1 et seq.), and P.L. 2007, c. 95 (C. 52:4B-3.2 through 3.4), is hereby continued and transferred to and within the Victims of Crime Compensation Office, Department of Law and Public Safety.

3. The Office of Victim-Witness Assistance created pursuant to P.L. 1985, c. 404, as amended (C. 52:4B-39 et seq.), is hereby continued and transferred to and within the Victims of Crime Compensation Office, Department of Law and Public Safety, and shall be renamed the Victim-Witness Assistance Bureau. The power of the executive director of the Victims of Crime Compensation Agency under section 31 of P.L. 2007, c. 95 (C. 52:4B-40.1), to appoint the director of the Office of Victim-Witness Assistance is continued and is transferred to the Attorney General.

4. The office of executive director of the Victims of Crime Compensation Agency created pursuant to section 2 of P.L. 2007, c. 95, is abolished. There is hereby created the position of director of the Victims of Crime Compensation Office. The functions, powers and duties of the executive director of the Agency are continued and are transferred to the director. The director shall be appointed as provided in P.L. 1969, c. 203, s. 5 (C. 52:14C-5), and shall receive such compensation as is provided by law. I find that the creation of the office of director and provision for compensation are necessary in order to effectuate the provisions of this Plan.

5. All employees of the Victims of Crime Compensation Agency shall be employees of the Department of Law and Public Safety and shall be transferred to the Department pursuant to the "State Agency Transfer Act," P.L. 1971, c. 375 (C. 52:14D-1 et seq.).

6. All records, property, appropriations and unexpended balance of funds appropriated or otherwise available to the Agency shall be transferred
REORGANIZATION PLAN

7. Whenever in P.L. 1971, c. 317 (C. 52:4B-1 et seq.), and in sections 2 through 4 of P.L. 2007, c. 95 (C. 52:4B-3.2 through 52:4B-3.4) or in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise reference is made to the Victims of Crime Compensation Agency or the Victims of Crime Compensation Review Board or the Office of Victim-Witness Assistance, or the executive director of the Victims of Crime Compensation Agency within the Department of the Treasury, the same shall mean and refer to the Victims of Crime Compensation Office or the Victims of Crime Compensation Review Board or the Victim-Witness Assistance Bureau, or the director of the Victims of Crime Compensation Office, as the case may be, within the Department of Law and Public Safety.

8. All regulations promulgated by the Victims of Crime Compensation Agency pursuant to section 9 of P.L. 1971, c. 317, (C. 52:4B-9), shall remain in effect until such time as they may be amended or repealed or new regulations are promulgated.

GENERAL PROVISIONS

1. All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies.

2. Unless otherwise specified in this Reorganization Plan, all transfers directed by this Reorganization Plan shall be effected pursuant to the State Agency Transfer Act, P.L. 1971, c. 375 (C. 52:14D-1 et seq.).

3. If any provisions of this Reorganization Plan or the application thereto to any persons, or circumstances, or the exercise of any power or authority hereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Reorganization Plan are declared to be severable.
A copy of this Reorganization Plan was filed on January 28, 2008 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on March 28, 2008, unless disapproved by each House of the Legislature by passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a later date should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under a heading of "Reorganization Plans."
