CHAPTER 3

AN ACT concerning the New Jersey Transportation Trust Fund Authority and amending and supplementing P.L.1984, c.73 and amending P.L.1987, c.460.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 9 of P.L.1984, c.73 (C.27:1B-9) is amended to read as follows:

C.27:1B-9 Issuance of bonds.

9. a. The authority shall have the power and is hereby authorized after November 15, 1984 and from time to time thereafter to issue its bonds, notes or other obligations in principal amounts as in the opinion of the authority shall be necessary to provide for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes, obligations or interest to be funded or refunded have or have not become due; and to provide for the security thereof and for the establishment or increase of reserves to secure or to pay the bonds, notes or other obligations or interest thereon and all other reserves and all costs or expenses of the authority incident to and necessary or convenient to carry out its corporate purposes and powers; and in addition to its bonds, notes and other obligations, the authority shall have the power to issue subordinated indebtedness, which shall be subordinate in lien to the lien of any or all of its bonds or notes. No resolution or other action of the authority providing for the issuance of bonds, refunding bonds, notes, or other obligations shall be adopted or otherwise made effective by the authority without the prior approval in writing of the Governor and the State Treasurer.
b. Except as may be otherwise expressly provided in the act or by the authority, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may provide the security and payment provisions for its bonds or notes as it may determine, including (without limiting the generality of the foregoing) bonds or notes as to which the principal and interest are payable from and secured by all or any portion of the revenues of and payments to the authority, and other moneys or funds as the authority shall determine. In addition, the authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or other funds, including without limitation grants from the federal government for federal aid highways or public transportation systems, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the authority or appropriations, grants, reimbursements or other funds or revenues of the authority. The authority may also enter into bank loan agreements, lines of credit and other security agreements as authorized pursuant to subsection h. of section 6 of P.L. 1984, c. 73 (C.27:1B-6) and obtain for or on its behalf letters of credit in each case for the purpose of securing its bonds, notes or other obligations or to provide direct payment of any costs which the authority is authorized to pay by this act and to secure repayment of any borrowings under the loan agreement, line of credit, letter of credit or other security agreement by its bonds, notes or other obligations or the proceeds thereof or by any or all of the revenues of and payments to the authority or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

c. Whether or not the bonds and notes are of the form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of said Title 12A.

d. Bonds or notes of the authority shall be authorized by a resolution or resolutions of the authority and may be issued in one or more series and shall bear the date, or dates, mature at the time or times, bear interest at the rate or rates of interest per annum, be in the denomination or denominations, be in the form, carry the conversion or registration privileges, have the rank or priority, be executed in the manner, be payable from the sources, in the medium of payment, at the place or places within or without the State, and be subject to the terms of redemption (with or without pre-
mium) as the resolution or resolutions may provide. Bonds or notes may be further secured by a trust indenture between the authority and a corporate trustee within or without the State. All other obligations of the authority shall be authorized by resolution containing terms and conditions as the authority shall determine.

e. Bonds, notes or other obligations of the authority may be sold at public or private sale at a price or prices and in a manner as the authority shall determine, either on a negotiated or on a competitive basis. Every bond, or refunding bond, issued on or after the effective date of P.L.2006, c.3 (C.27:1B-22.2 et al.) shall mature and be paid no later than 31 years from the date of the issuance of that bond or refunding bond.

f. Bonds or notes may be issued and other obligations incurred under the provisions of the act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, other than the approval as required by subsection a. of this section, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by the act.

g. Bonds, notes and other obligations of the authority issued or incurred under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision or be or constitute a pledge of the faith and credit of the State or of any political subdivision but all bonds, notes and obligations, unless funded or refunded by bonds, notes or other obligations of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in the act. Each bond, note or other obligation shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from revenues or funds of the authority and that neither the State nor any political subdivision thereof is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations. For the purposes of this subsection, political subdivision does not include the authority.

h. All expenses incurred in carrying out the provisions of the act shall be payable solely from the revenues or funds provided or to be provided under or pursuant to the provisions of the act and nothing in the act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or any political subdivision thereof.
i. The authority shall minimize debt incurrence by first relying on appropriations and other revenues available to the authority before incurring debt secured by State revenues to meet its statutory purposes. Commencing with the fiscal year beginning July 1, 1995 and ending within the fiscal year beginning July 1, 2005, the authority shall not incur debt in any fiscal year in excess of $650,000,000, except that if that permitted amount of debt, or any portion thereof, is not incurred in a fiscal year it may be incurred in a subsequent fiscal year. Commencing with the fiscal year beginning July 1, 2006 and ending with the fiscal year beginning on July 1, 2010, the authority shall not incur debt for any fiscal year in excess of $1,600,000,000, reduced in each of those fiscal years by the amount by which the appropriation of State funds to the Transportation Trust Fund Account for that fiscal year shall exceed $895,000,000; provided, however, that if a portion of that permitted amount of debt, less any reduction as provided above, is not incurred in a fiscal year, an amount not greater than the unused portion may be incurred in a subsequent fiscal year in addition to the amount otherwise permitted subject to the approval of the Joint Budget Oversight Committee. Debt permitted for the fiscal year beginning July 1, 2006 may be incurred prior to July 1, 2006. Any increase in this limitation shall only occur if so provided for by law. In computing the foregoing limitation as to the amount of debt the authority may incur, the authority may exclude any bonds, notes or other obligations, including subordinated obligations of the authority, issued for refunding purposes.

j. Upon the decision by the authority to issue refunding bonds pursuant to this section, and prior to the sale of those bonds, the authority shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the authority relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the authority to issue and sell the refunding bonds at public or private sale and the reasons therefor.

k. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sale of refunding bonds as included in each report submitted in accordance with subsection j. of this section. The committee shall approve or disapprove the sale of refunding bonds within 10 business days after physical receipt of the report. The committee shall notify the authority in writing of the approval or disapproval as expeditiously as possible.
1. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection k. of this section.

m. Within 30 days after the sale of the refunding bonds, the authority shall notify the Joint Budget Oversight Committee, or its successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, and the actual amount of debt service savings to be realized as a result of the sale of refunding bonds.

n. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the authority or to the Legislature, or both, as it deems appropriate.

o. No refunding bonds shall be issued unless the authority shall first determine that the present value of the aggregate principal of and interest on the refunding bonds is less than the present value of the aggregate principal of and interest on the outstanding bonds to be refinanced, except that, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semi-annual compounding and upon the prices paid to the authority by the initial purchasers of those refunding bonds.

2. Section 21 of P.L.1984, c.73 (C.27:1B-21) is amended to read as follows:

C.27:1B-21 Special Transportation Fund.

21. a. There is hereby established a separate fund entitled "Special Transportation Fund." This fund shall be maintained by the State Treasurer and may be held in depositories as may be selected by the treasurer and invested and reinvested as other funds in the custody of the treasurer, in the manner provided by law. The commissioner may from time to time (but not more frequently than monthly) certify to the authority an amount necessary to fund payments made, or anticipated to be made by or on behalf of the department, from appropriations established for or made to the department from revenues or other funds of the authority. The commissioner's certification shall be deemed conclusive for purposes of the act. The authority shall, within 15 days of receipt of the certificate, transfer from available funds of the authority to the treasurer for deposit in the Special Transportation Fund the amount certified by the commissioner, provided that all funds transferred shall only be expended by the department by project pur-
b. The department shall not expend any money except as appropriated by law. Commencing with appropriations for the fiscal years beginning on July 1, 1988, the department shall not expend any funds except as are appropriated by specific projects identified by a description of the projects, the county or counties within which they are located, and amounts to be expended on each project, in the annual appropriations act.

c. No funds appropriated, authorized or expended pursuant to this act shall be used to finance the resurfacing of highways by department personnel, where that resurfacing would require the use of more than 100,000 tons of bituminous concrete for that purpose in any calendar year, except that the commissioner may waive this provision when he determines the existence of emergency conditions requiring the use of department personnel for the resurfacing of highways, after the department has effectively reached the 100,000 ton limit.

d. In order to provide the department with flexibility in administering the specific appropriations by project identified in the annual appropriations act, the commissioner may transfer a part of any item to any other item subject to the approval of the Director of the Division of Budget and Accounting and of the Joint Budget Oversight Committee or its successor. Upon approval of the director and the committee, the transfer shall take effect.

e. Any federal funds which become available to the State for transportation projects which have not been appropriated to the department in the annual appropriations act, shall be deemed appropriated to the department and may, subject to approval by the Joint Budget Oversight Committee and the State Treasurer, be expended for any purpose for which such funds are qualified.

f. There shall be no appropriations from the revenues and other funds of the authority for regular and routine maintenance of public highways and components thereof, or operational activities of the department unrelated to the implementation of, and indirect costs associated with, the capital program. The commissioner shall include in his annual budget request sufficient funding to effectuate the purposes of P.L.2000, c.73 (C.27:1B-21.14 et al.).

g. To the extent that salaries or overhead of the department or the New Jersey Transit Corporation are charged to transportation projects, each agency shall keep adequate and truthful personnel records, and time charts to adequately justify each such charge and shall make those records available to the external auditor to the authority.

h. The commissioner shall annually, on or before January 1 of each fiscal year, report to the Governor and the Legislature how much money...
was expended in the previous fiscal year for salaries and overhead of the department and the New Jersey Transit Corporation. However, the amount expended from the revenues and other funds of the authority for salaries and overhead of the department and the New Jersey Transit Corporation for the fiscal year beginning July 1, 2006 and each fiscal year thereafter shall not exceed 13 percent of the total funds appropriated from the revenues and other nonfederal funds of the authority for those fiscal years.

i. No revenues or other funds of the authority shall be expended for emergency response operations, the review of applications for access permits under the State highway access management code and membership fees or other fees connected with membership in TRANSCOM, the Transportation Operations Coordinating Committee.

3. Section 20 of P.L.1984, c.73 (C.27:1B-20) is amended to read as follows:

C.27:1B-20 Transportation Trust Fund Account.

20. There is hereby established in the General Fund an account entitled "Transportation Trust Fund Account." During the fiscal year beginning July 1, 1984 and during each succeeding fiscal year in which the authority has bonds, notes or other obligations outstanding, the treasurer shall credit to this account:

a. An amount equivalent to the revenue derived from $0.105 per gallon from the tax imposed on the sale of motor fuels pursuant to chapter 39 of Title 54 of the Revised Statutes, as provided in Article VIII, Section II, paragraph 4 of the State Constitution, provided, however, such amount during any fiscal year shall not be less than $483,000,000;

b. (Deleted by amendment, P.L.2000, c.73).

c. An amount equivalent to moneys received by the State in accordance with contracts entered into with toll road authorities or other State agencies, provided that effective with the fiscal year beginning July 1, 1988 the amount so credited shall not be less than $24,500,000.00 in any fiscal year.

The treasurer shall also credit to this account, in accordance with a contract between the treasurer and the authority, an amount equivalent to the sum of the revenues due from the increase of fees for motor vehicle registrations collected pursuant to the amendment to R.S.39:3-20 made by this act and from the increase in the tax on diesel fuels imposed pursuant to the amendment to R.S.54:39-27 made by this act and by P.L.1987, c.460, provided that the total amount credited during the fiscal year beginning July 1, 1984 shall not be less than $20,000,000.00 and that the total amount cred-

itted during the fiscal year beginning July 1, 1985 and during every fiscal year thereafter shall not be less than $30,000,000.00.

In addition to the amounts credited to the account by this section, commencing with the fiscal year beginning July 1, 1995 and every fiscal year thereafter, there shall be appropriated from the General Fund such additional amounts as are necessary to carry out the provisions of this act and beginning July 1, 2000 the fees collected pursuant to subsection a. of section 68 of P.L.1990, c.8 (C.17:33B-63) shall be credited to the account for the purposes of this act, provided, however, the amount credited from such fees during any fiscal year shall not be less than $60,000,000.

d. In addition to the amount credited in subsection a. of this section, beginning January 1 following approval by the voters an amount equivalent to the revenue derived from the tax imposed on the sale of petroleum products pursuant to P.L.1990, c.42 (C.54:15B-1 et seq.), provided, however, such amount shall not be less than $100,000,000 in the period January 1 through June 30 following approval by the voters and shall not be less than $200,000,000 in any fiscal year thereafter and for the fiscal year commencing July 1, 2001 and for each fiscal year thereafter an amount equivalent to the revenue derived from the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) on the sale of new motor vehicles, provided, however, that such amount shall not be less than $200,000,000 for the fiscal year commencing July 1, 2003 and for each fiscal year thereafter, as provided in Article VIII, Section II, paragraph 4 of the State Constitution.

No later than the fifth business day of the month following the month in which a credit has been made, the treasurer shall pay to the authority, for its purposes as provided herein, the amounts then credited to the Transportation Trust Fund Account, provided that the payments to the authority shall be subject to and dependent upon appropriations being made from time to time by the Legislature of the amounts thereof for the purposes of the act.

4. Section 8 of P.L.1987, c.460 (C.27:1B-21.1) is amended to read as follows:

C.27:1B-21.1 Annual funding maximums.

8. a. Commencing with the report of the commissioner, as may be amended, required to be submitted pursuant to section 22 of P.L.1984, c.73 (C.27:1B-22) on or before March 1, 2006 and on each succeeding March 1 thereafter through March 1, 2010, the annual amount so reported by the commissioner for proposed projects shall not exceed $1,600,000,000 exclusive of federal funds.
b. For the fiscal year beginning on July 1, 2006 and for each fiscal year thereafter through the fiscal year beginning on July 1, 2010, the total annual amount authorized to be appropriated from the revenues and other nonfederal funds of the New Jersey Transportation Trust Fund Authority for the projects listed in the appropriations act pursuant to section 21 of P.L.1984, c.73 (C.27:1B-21) shall not exceed $1,600,000,000, all amounts exclusive of federal funds.

c. (Deleted by amendment, P.L.1991, c.40.)
d. (Deleted by amendment, P.L.1992, c.10).
e. The State Auditor shall provide for a unified annual audit of expenditures from the Special Transportation Fund, established by section 21 of P.L.1984, c.73 (C.27:1B-21), in order to determine that these funds are expended for costs eligible for funding from the authority and in a manner consistent with appropriations made by the Legislature. The findings of such audits shall be transmitted to the presiding officer of each House of the Legislature, and to the Chair of the Senate Budget and Appropriations Committee, the Senate Transportation Committee, the Assembly Appropriations Committee, and the Assembly Transportation and Communications Committee or their successors.

f. The State Auditor shall review bond issuances of the authority and report to the Joint Budget Oversight Committee and to the members of the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, on the status of the bonds of the authority and projects financed from the proceeds of the bonds. The report shall include the investment status of all unexpended bond proceeds and provide a description of any bond issues expected during a fiscal year, including type of issue, estimated amount of bonds to be issued and the expected month of sale.

5. Section 22 of P.L.1984, c.73 (C.27:1B-22) is amended to read as follows:

C.27:1B-22 Preparation, submission of reports.

22. The commissioner shall prepare and submit the following reports to the Governor, the Legislature, and the Financial Policy Review Board, established pursuant to section 6 of P.L.2006, c.3 (C.27:1B-22.2) under the terms set forth below: a Transportation Master Plan, a Statewide Capital Investment Strategy, an Annual Transportation Capital Program, a Transportation Trust Fund Authority Financial Plan, and a Five-Year Capital Plan.

a. To the end that the transportation system of the State shall be
planned in an orderly and efficient manner and that the Legislature shall be advised of the nature and extent of public highways, public transportation projects and other transportation projects contemplated to be financed under this act, the department shall submit a master plan, as provided in subsection (a) of section 5 of P.L.1966, c.301 (C.27:1A-5). Notwithstanding the provisions of that act, the plan shall be for a period of five years and shall be submitted to the Commission on Capital Budgeting and Planning, the Chairman of the Senate Transportation Committee and the Chairman of the Assembly Transportation and Communications Committee, or their successors, and the Legislative Budget and Finance Officer, and the metropolitan planning organizations, on or before March 1, 2001, and at five-year intervals thereafter. The master plan shall set the direction for the department's overall Capital Investment Strategy and subsequent annual Transportation Capital Programs submitted to the Legislature for approval pursuant to this section. This master plan shall, to the extent practicable, conform to all federal requirements for Statewide transportation planning.

b. The Department of Transportation, in conjunction with the New Jersey Transit Corporation, the New Jersey Turnpike Authority, and the South Jersey Transportation Authority, shall prepare a "Statewide Capital Investment Strategy" for at least a five-year period which shall contain, at a minimum, a statement of the goals of the department, the corporation, and the toll road authorities in major selected policy areas and the means by which the goals are to be attained during that period, using quantitative measures where appropriate. The Statewide Capital Investment Strategy may be updated and submitted no later than March 1 of each year. The Statewide Capital Investment Strategy shall provide for a multi-modal, intermodal, seamless, technologically advanced, and secure transportation system. It shall recommend investment for major program categories, set overall goals for investment in the State's infrastructure, and develop program targets and performance measures. It may rely on infrastructure management systems as developed by the department to assess bridge conditions, pavement conditions, bridge, traffic and pedestrian safety, traffic congestion and public transit facilities. With respect to pavement conditions, the department shall set as a priority the utilization of efficient cost-effective materials and treatments as stated in section 9 of P.L.2000, c.73 (C.27:1B-21.22). In the event that there exist appropriate circumstances for the use of micro-surfacing and cold-in-place recycling, the department shall establish as a special priority the use of these materials and surface treatments. The goals of the Capital Investment Strategy shall include, but not be limited to, reduction of vehicular and pedestrian accidents, reduction in
the backlog of projects, including one-half of the structurally deficient bridge repair projects and pavement deficiencies, and an increase in lane miles of bicycle paths, with a goal of constructing an additional 1,000 lane miles of bicycle paths in five years to reduce traffic congestion and for recreational uses. The construction of bicycle and pedestrian lanes, paths and facilities shall be subject to no stricter environmental requirements than are provided pursuant to federal law and regulations for such lanes, paths and facilities, notwithstanding the provisions to the contrary of State law and regulations, including State Executive Order No. 215 of 1989. With respect to the New Jersey Transit Corporation, the Statewide Capital Investment Strategy shall deal with the corporation's overall goal to keep the public transportation system in a state of good repair and, more specifically, in the area of bus transportation, present a strategy and a preliminary timetable for the replacement of the current diesel bus fleet with a fleet of buses which have reduced emission of air pollutants. The corporation shall consider the feasibility of buses with improved pollution controls and that reduce particulate emissions and buses powered by fuel other than conventional diesel fuel, such as compressed natural gas vehicles, hybrid vehicles, fuel cell vehicles, biodiesel vehicles, vehicles operated on ultra low sulfur fuel, vehicles operated on any other bus fuel approved by the United States Environmental Protection Agency, and the like. The corporation may consider as part of its strategy, cooperative efforts with bus manufacturers, and the solicitation of federal support, in developing a "clean bus" with air pollution controls superior to currently available technology. For the fiscal year beginning July 1, 2007 and each fiscal year thereafter, all buses purchased by the New Jersey Transit Corporation shall be buses with improved pollution controls and that reduce particulate emissions or buses powered by fuel other than conventional diesel fuel, such as compressed natural gas vehicles, hybrid vehicles, fuel cell vehicles, biodiesel vehicles, vehicles operated on ultra low sulfur fuel, vehicles operated on any other bus fuel approved by the United States Environmental Protection Agency, and the like. In the event that the corporation is not able to meet the bus purchase requirements set forth in this section with respect to any fiscal year, prior to the commencement of the fiscal year the board of the corporation shall by resolution submit a report to the Legislature detailing its inability to meet the requirements and the reasons therefor and shall submit the report to the Senate and General Assembly when both houses are in session, including therein a request to be exempted from the bus purchase requirements of this section with regard to the fiscal year in question. The President of the Senate and the Speaker of the General Assembly shall cause the date of sub-
mission to be entered upon the Senate Journal and the Minutes of the General Assembly. If a joint resolution approving the exemption is passed by the Legislature and signed by the Governor prior to the commencement of the fiscal year in question, the corporation shall be exempt from the requirements for that fiscal year.

In the fiscal year beginning on July 1, 2007 and in each fiscal year thereafter, in the year prior to the year in which final engineering is anticipated to start on any project which extends the reach of the New Jersey Transit rail or light rail system, the New Jersey Transit Corporation shall be required to identify and include in the annual Statewide Capital Investment Strategy the required State financial assistance to support operation of the incremental service for the first three years and the projected fare box recovery ratio at the commencement of the fourth year of operation of each project.

The Statewide Capital Investment Strategy shall also detail the planned investment of capital funds for public transportation projects of companies other than the New Jersey Transit Corporation engaged in the business of providing motor bus transportation. The Statewide Capital Investment Strategy shall demonstrate that such investment adequately addresses the finding in section 2 of P.L.1979, c.150 (C.27:25-2) that in the provision of public transportation services it is desirable to encourage to the maximum extent feasible the participation of private enterprise.

c. On or before March 1 of each year, the commissioner shall submit a report of general project categories and proposed projects thereunder to be financed in the ensuing fiscal year, including therewith a description of the projects, the county or counties within which they are to be located, a distinction between State and local projects, and the amount estimated to be expended on each project. This report shall be known as the "Annual Transportation Capital Program" for the upcoming fiscal year. It shall include proposed projects of both the Department of Transportation and the New Jersey Transit Corporation. The program shall be consistent with, and reflective of, the goals and priorities of the Capital Investment Strategy and the program shall include an explanation which demonstrates how it is consistent with, and reflective of, the goals and priorities.

d. On or before March 1 of each year, the commissioner shall also submit a "Transportation Trust Fund Authority Financial Plan" designed to implement the financing of the proposed projects. The financial plan shall contain an enumeration of the bonds, notes or other obligations of the authority which the authority intends to issue, including the amounts thereof and the conditions therefor. The financial plan shall set forth a complete operating and financial statement covering the authority's proposed opera-
tions during the ensuing fiscal year, including amounts of income from all sources, including but not limited to the proceeds of bonds, notes or other obligations to be issued, as well as interest earned. In addition, the plan shall contain proposed amounts to be appropriated and expended, as well as amounts for which the department anticipates to obligate during the ensuing fiscal year for any future expenditures.

e. The Statewide Capital Investment Strategy, the Annual Transportation Capital Program, and the Transportation Trust Fund Authority Financial Plan shall be submitted to the Senate and General Assembly. Within 45 days of the receipt thereof, the Senate or the General Assembly may object in writing to the commissioner in regard to any project or projects in the Annual Transportation Capital Program it disapproves or which it is of the opinion should be modified or added to or any additional or alternative projects considered or in regard to any element of the financial plan. The commissioner shall consider the objections and recommendations and resubmit the report within 10 days, containing therein any modifications based upon the commissioner's consideration of the objections or recommendations.

f. In order that the Legislature shall be advised of the nature and extent of public highways, public transportation projects, and other transportation projects contemplated to be financed under this act, the commissioner shall submit annually, together with the Annual Transportation Capital Program, a Five-Year Capital Plan, which shall set forth projects and programs anticipated to be funded over the five-year period. The Five-Year Capital Plan shall, to the extent practicable, conform to all federal requirements for Statewide transportation capital programming.

6. There is hereby created in the Executive Branch of the State Government, a body corporate and politic, with corporate succession, to be known as the Financial Policy Review Board. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the board is hereby allocated within the Department of Transportation, but, notwithstanding that allocation, the board shall be independent of any supervision or control by the department or by any body or officer thereof. The board is hereby constituted as an instrumentality of the State exercising public and essential governmental functions, and the exercise by the board of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

The board shall be comprised of five public members with experience in transportation finance and policy. The Governor shall appoint three of
the members with the advice and consent of the Senate. The remaining members shall be appointed by the Governor as follows: one upon the joint recommendation of the President of the Senate and the Minority Leader of the Senate, and one upon the joint recommendation of the Speaker of the General Assembly and the Minority leader of the General Assembly. Each member shall serve for a four-year term and shall serve until the member's successor is appointed and qualified; provided, however, that in order to achieve non-concurrent terms, of the members first appointed pursuant to this section, two members appointed by the Governor shall serve for four years; while the two members appointed upon the joint recommendation of the President of the Senate and the Minority Leader of the Senate and upon the joint recommendation of the Speaker of the General Assembly and the Minority Leader of the General Assembly shall serve for three years each, and the remaining member appointed by the Governor shall serve for two years. The Financial Policy Review Board shall be deemed to be constituted immediately upon appointment and qualification in the manner provided in this section of at least three members.

The purpose of the board is to assure fiscal discipline through evaluating the financing of transportation and preparing an annual State of Condition of Transportation Financing certification. The certification shall ensure that the financing and expenditures of the New Jersey Transportation Trust Fund Authority (the "authority") adhere to certain standards. The standards are:

a. The bonding limitation as provided in subsection i. of section 9 of P.L.1984, c.73 (C.27:1B-9).

b. For the fiscal year commencing July 1, 2007, the amount expended from the revenues and other funds of the authority for permitted maintenance shall not exceed the amount expended for permitted maintenance in the fiscal year commencing July 1, 2006.

c. The total amount authorized to be appropriated from the revenues and other funds of the authority for project costs shall not exceed $1,600,000,000 annually.

Commencing with the fiscal year beginning July 1, 2007, the board shall submit to the Governor, the Legislature, and the commissioner on an annual basis the State of Condition of Transportation Financing certification as to the requirements of subsection a. of this section referencing therein a certification with regard to subsections b. and c. of this section to the extent feasible, given the other provisions of this section. The certifications shall be based on the board's review of the State's fiscal year final expenditures from the preceding fiscal year, including bonding and expenditures from the annual independent audit of the authority, and the amount
of authority funds programmed for permitted maintenance. If the capital program and its financing are found to be in compliance, the first annual certification required by this paragraph shall be submitted by February 1, 2008, after the certification is concurred with by the members of the authority, and by February 1 of each year thereafter. The board shall advise the commissioner and the authority on February 1, 2008 and on each succeeding February 1, if the board finds that the authority is not in compliance with the bonding requirements as provided in subsection a. of the section, and that a corrective action plan is needed. The authority shall submit a corrective action plan that would reduce its future bond sales to offset the amount of excess bonding or to reduce future debt service payments, or both, as the case may be. Upon approval of the corrective action plan by the board, the certification shall be issued with certain conditions. The Annual Transportation Capital Program submitted to the Legislature for the forthcoming year shall be in compliance with the provisions of the corrective action plan. If the board does not approve the corrective action plan, the authority shall submit a financial plan showing bonding only for existing projects, noting that no bonds shall be issued for new projects shown in the department's Annual Transportation Capital Program. The board shall advise the commissioner on February 1, 2008 and on each succeeding February 1, if the board finds that the Department of Transportation has exceeded the limitation for the amount of authority funds spent on permitted maintenance pursuant to subsection b. of this section, or for the amount authorized to be appropriated for project costs pursuant to subsection c. of this section and that a corrective action plan is needed. The department shall submit a corrective action plan that would offset the excess amount spent, or the excess amount appropriated, in the prior year with less funding for permitted maintenance or for projects, as the case may be, in the proposed capital budget request. Upon approval of the corrective action plan by the board, a certification as to these matters shall be issued with certain conditions. The Annual Transportation Capital Program submitted to the Legislature for the forthcoming year shall be in compliance with the provisions of the corrective action plan. If the board does not approve the corrective action plan, the authority shall submit a financial plan showing bonding only for existing projects, noting that no bonds shall be issued for new projects shown in the department's Annual Transportation Capital Program.

7. Section 25 of P.L.1984, c.73 (C.27:1B-25) is amended to read as follows:
C.27:1B-25 County, municipal projects.

25. a. Notwithstanding the provisions of subtitle 4 of Title 27 of the Revised Statutes and P.L.1946, c.301 (C.27:15A-1 et seq.), the commissioner may, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law, allocate to counties and municipalities funds for the planning, acquisition, engineering, construction, reconstruction, repair, resurfacing and rehabilitation of public highways and the planning, acquisition, engineering, construction, reconstruction, repair, maintenance and rehabilitation of public transportation projects and of other transportation projects which a county or municipality may be authorized by law to undertake. In the case of a county or municipality for which an allocation has been made for the federal fiscal year beginning October 1, 1983, of an amount of federal aid for the federal aid urban system, as defined in 23 U.S.C. s.103, the amount of State aid allocated under this section in any fiscal year shall not be less than the amount of federal aid so allocated, together with the amount of matching funds required under federal law. No allocation shall be made to a county or municipality without certification by the commissioner: (1) that there exists with respect to that county or municipality a comprehensive plan, or plans, which he has approved, for the effective allocation, utilization and coordination of available federal and State transportation aid, and (2) that the county or municipality has agreed that State aid provided under this section is provided in lieu of federal aid for the federal aid urban system program and that any federal aid for the federal aid urban system program attributable to the area will be programmed by the Department of Transportation for projects of regional significance. In any year in which insufficient funds have been appropriated to meet the minimum county allocations established in this section, or if no appropriation is provided, the commissioner shall determine on a prorated basis the amount of the deficiency for each county having a minimum allocation and allocate from funds available under the federal aid urban system program sufficient funds to meet the minimum allocations.

b. The commissioner shall, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law, allocate at his discretion State aid to counties and municipalities for transportation projects, except that the amount to be appropriated for this program shall be 10% of the total amount appropriated for the total county and municipal aid programs. This State aid shall be set aside prior to any formula allocations provided for in subsections c., d., and e. of this section.

c. The commissioner shall, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law and
pursuant to the provisions of subsections b. and d. of this section, allocate State aid to municipalities for public highways under their jurisdiction. The amount to be appropriated shall be allocated on the basis of the following distribution factor:

\[
DF = \frac{P_c}{P_s} + \frac{C_m}{S_m}
\]

where, DF equals the distribution factor

- \( P_c \) equals county population
- \( P_s \) equals State population
- \( C_m \) equals municipal road mileage within the county
- \( S_m \) equals municipal road mileage within the State.

After the amount of aid has been allocated based on the above formula, the commissioner shall determine priority for the funding of municipal projects within each county, based upon criteria relating to volume of traffic, safety considerations, growth potential, readiness to obligate funds and local taxing capacity. In addition to the above criteria used in determining priority of funding of municipal projects in each county, the commissioner shall consider whether a project is intended to remedy hazardous conditions as identified for the purposes of providing transportation pursuant to N.J.S.18A:39-1.2 for school pupils or to improve pedestrian safety.

For the purposes of this subsection, (1) "population" means the official population count as reported by the New Jersey Department of Labor and Workforce Development; and (2) "municipal road mileage" means that road mileage under the jurisdiction of municipalities, as determined by the department.

d. There shall be appropriated at least $175,000,000 for the fiscal year commencing July 1, 2006 and for each fiscal year thereafter, for the purposes provided herein and in subsections b., c. and e. of this section. (1) Of that appropriation, the commissioner shall allocate $5,000,000.00 as State aid to any municipality qualifying for aid pursuant to the provisions of P.L.1978, c.14 (C.52:27D-178 et seq.). The commissioner shall allocate the aid to each municipality in the same proportion that the municipality receives aid under P.L.1978, c.14. (2) The remaining amount of the appropriation shall be allocated pursuant to the provisions of subsection e. of this section.
e. The commissioner may, pursuant to appropriations or authorizations being made from time to time by the Legislature according to law, allocate additional funding to the Local County Aid Program for public highway projects, in accordance with a formula similar to that provided for in subsection c. of this section, except that Cm equals road mileage under county jurisdiction and Sm equals total county road mileage within the State.

8. Section 9 of P.L.1995, c.108 (C.27:1B-25.1) is amended to read as follows:

C.27:1B-25.1 Aid to counties, municipalities, basis.

9. Aid to counties and municipalities administered by the department may, at the discretion of the commissioner, be disbursed to any individual county or municipality on a grant basis or on a cost reimbursement basis. Distribution of the portion of the grant provided initially to a county or municipality may be contingent on its performance in spending prior grants.

C.27:1B-22.3 Report to Governor, Legislature.

9. The Department of Transportation shall report to the Governor and the Legislature on September 1, 2008 and on September 1, 2010 on the amount of revenues and other funds of the authority which have been expended on permitted maintenance and on salaries and overhead of the department and the corporation in the previous two fiscal years respectively. In the reports the department shall provide reasons as to why the reported expenditure levels are appropriate and in the public interest. In addition, the department shall detail steps that have been undertaken to reduce expenditures for these purposes after June 30, 2006.

Repealer.

10. Section 27 of P.L.2000, c.73 (C.27:1B-21.31) is repealed.

11. This act shall take effect immediately.

CHAPTER 4

AN ACT concerning the licensing of participants in live horse racing with parimutuel wagering and supplementing chapter 5 of Title 5 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:5-161 Interstate Compact for Horse Racing Licensees.
1. The Interstate Compact for Horse Racing Licensees is hereby enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as herein provided.

C.5:5-162 Purpose of compact.
2. Purpose.
The purpose of this compact is to:
   a. Establish uniform requirements among the party states for the licensing of participants in live racing with parimutuel wagering, and ensure that all such participants who are licensed pursuant to this compact meet and maintain a uniform standard of honesty and integrity.
   b. Facilitate the growth of the parimutuel racing industry in each party state and nationwide by simplifying the process for licensing participants in live racing, and reduce the duplicative and costly process of separate licensing by the regulatory agency in each state that conducts live racing with parimutuel wagering.
   c. Authorize the New Jersey Racing Commission to participate in this compact.
   d. Provide for participation in this compact by officials of the party states, and permit those officials, through the compact committee established by this compact, to enter into contracts with governmental agencies and non-governmental persons to carry out the purpose of this compact.
   e. Establish the compact committee created by this compact as an interstate governmental entity duly authorized to request and receive criminal history record information from the Federal Bureau of Investigation and from state, local and foreign law enforcement agencies.

C.5:5-163 Definitions relative to Interstate Compact for Horse Racing Licensees.
3. Definitions.
As used in this compact:
"Compact committee" means the organization of officials from the party states that is authorized and empowered by this compact to carry out the purpose of this compact.
"Official" means the appointed, elected, designated or otherwise duly selected member of a racing commission or the equivalent thereof in a party state who represents that party state as a member of the compact committee.

C.5:5-164 Entry into force, eligible parties, withdrawal.
4. Entry into force, eligible parties, withdrawal.
   a. This compact shall come into force when enacted by any four states. Thereafter, this compact shall become effective as to any other state upon both: (1) that state's enactment of this compact, and (2) the affirmative vote of a majority of the officials on the compact committee as provided in subsection c. of section 5 of P.L.2006, c.4 (C.5:5-165).
   b. Any state that has adopted or authorized live racing with parimutuel wagering shall be eligible to become party to this compact.
   c. Any party state may withdraw from this compact by enacting a statute repealing this compact, but no such withdrawal shall become effective until the head of the executive branch of the withdrawing state has given notice in writing of such withdrawal to the head of the executive branch of all other party states. If, as a result of the withdrawals, participation in this compact decreases to fewer than three party states, this compact no longer shall be in force and effect unless and until there are at least three or more party states again participating in this compact.

C.5:5-165 Compact committee, powers and duties, voting, administration and management, immunity.
5. Compact committee, powers and duties, voting, administration and management, immunity.
   a. There is hereby created an interstate governmental entity to be known as the "compact committee," which shall be comprised of one official from the racing commission, or its equivalent, in each party state who shall be appointed, serve and be subject to removal in accordance with the laws of the party state the official represents. Pursuant to the laws of the respective party state, each official shall have the assistance of the party state's racing commission, or the equivalent thereof, in considering issues related to licensing participants in live racing and in fulfilling the official's responsibilities as the representative from the party state to the compact committee. If an official is unable to perform any duty in connection with the powers and duties of the compact committee, the racing commission, or
equivalent thereof, from the respective party state shall designate another of its members as an alternate who shall serve in the original official's place and represent the party state as its official on the compact committee until that racing commission, or equivalent thereof, determines that the original representative official is able once again to perform the official's duties as that party state's representative official on the compact committee. The designation of an alternate shall be communicated by the affected state's racing commission, or equivalent thereof, to the compact committee as the committee's bylaws may provide.

b. In order to carry out the purposes of this compact, the compact committee is hereby granted the power and duty to:

(1) Determine which categories of participants in live parimutuel racing, including but not limited to owners, trainers, jockeys, drivers, grooms, mutuel clerks, racing officials, veterinarians, farriers and others, should be licensed by the committee, and establish the requirements for the initial licensure of applicants in each such category, the term of the license for each category, and the requirements for renewal of licenses in each category. Provided, however, that with regard to all licensure requirements, including requests for criminal history record information, the effect of a criminal record on the issuance or renewal of a license, and with regard to the weight given to information relevant to an applicant's character or integrity in determining the issuance or renewal of a license, the compact committee shall determine for each category of participants in live racing which licensure requirements for that category are, in its judgment, the most restrictive licensure requirements of any party state for that category and shall adopt licensure requirements for that category that are, in its judgment, comparable to those most restrictive requirements.

(2) Investigate applicants for a license from the compact committee and, as permitted by federal and state law, gather information on such applicants, including criminal history record information from the Federal Bureau of Investigation and relevant state and local law enforcement agencies, and, where appropriate, from the Royal Canadian Mounted Police and law enforcement agencies of other countries, necessary to determine whether a license should be issued or renewed under the licensure requirements established by the committee as provided in paragraph 1 of this subsection. Only officials on, and employees of, the compact committee may receive and review such criminal history record information, and those officials and employees may use that information only for the purposes of this compact. The fingerprints of each applicant for a license from the compact committee shall be taken by the compact committee, its employees, or its designee and,
pursuant to Public Law 92-544 or Public Law 100-413, shall be forwarded to a state identification bureau, or to an association of state officials regulating parimutuel wagering designated by the Attorney General of the United States, for submission to the Federal Bureau of Investigation for a criminal history record check. Such finger-prints may be submitted on a fingerprint card or by electronic or other means authorized by the Federal Bureau of Investigation or other receiving law enforcement agency.

(3) Issue licenses to, and renew the licenses of, participants in live racing listed in paragraph 1 of this subsection who are found by the committee to have met the licensure and renewal requirements established by the committee. The compact committee shall not have the power or authority to deny a license. If it determines that an applicant will not be eligible for the issuance or renewal of a compact committee license, the compact committee shall notify the applicant that it will not be able to process the application further. Such notification does not constitute and shall not be considered to be the denial of a license. Any such applicant shall have the right to present additional evidence to, and to be heard by, the compact committee, but the final decision on issuance or renewal of the license shall be made by the compact committee using the requirements established pursuant to paragraph 1 of this subsection.

(4) Enter into contracts or agreements with governmental agencies and with non-governmental persons to provide personal services for its activities and such other services as may be necessary to effectuate the purposes of this compact.

(5) Create, appoint, and abolish those offices, employments, and positions, including an executive director, as it deems necessary for the purposes of this compact, prescribe their powers, duties and qualifications, hire persons to fill those offices, employments and positions, and provide for the removal, term, tenure, compensation, fringe benefits, retirement benefits and other conditions of employment of its officers, employees and other positions.

(6) Borrow, accept, or contract for the services of personnel from any state, the United States, or any other governmental agency, or from any person, firm, association, corporation or other entity.

(7) Acquire, hold, and dispose of real and personal property by gift, purchase, lease, license, or in other similar manner, in furtherance of the purposes of this compact.

(8) Charge a fee to each applicant for an initial license or renewal of a license.

(9) Receive other funds through gifts, grants and appropriations.
c. (1) Each official shall be entitled to one vote on the compact committee.
(2) All action taken by the compact committee with regard to the addi-
tion of party states as provided in subsection a. of section 4 of P.L.2006, c.4
(C.5:5-164), the licensure of participants in live racing, and the receipt and
disbursement of funds shall require a majority vote of the total number of
officials, or their alternates, on the committee. All other action by the com-
pact committee shall require a majority vote of those officials, or their al-
ternates, present and voting.

(3) No action of the compact committee may be taken unless a quorum
is present. A majority of the officials, or their alternates, on the compact
committee shall constitute a quorum.

d. (1) The compact committee shall elect annually from among its
members a chairman, a vice-chairman, and a secretary/treasurer.

(2) The compact committee shall adopt bylaws for the conduct of its
business by a two-thirds vote of the total number of officials, or their alter-
nates, on the committee at that time and shall have the power by the same
vote to amend and rescind these bylaws. The committee shall publish its
bylaws in convenient form and shall file a copy thereof and a copy of any
amendments thereto with the secretary of the state, or equivalent agency, of
each of the party states.

(3) The compact committee may delegate the day-to-day management
and administration of its duties and responsibilities to an executive director
and his support staff.

(4) Employees of the compact committee shall be considered govern-
mental employees.

e. No official of a party state or employee of the compact committee
shall be held personally liable for any good faith act or omission that occurs
during the performance and within the scope of his responsibilities and du-
ties under this compact.

C.5:5-166 Rights and responsibilities of party states.
6. Rights and responsibilities of party states.
a. By enacting this compact, each party state:

(1) Agrees: (a) to accept the decisions of the compact committee re-
garding the issuance or renewal of compact committee licenses to partici-
pants in live racing pursuant to the committee's licensure requirements, and
(b) to reimburse or otherwise pay the expenses of its official representative
on the compact committee or the official's alternate.

(2) Agrees not to treat a notification to an applicant by the compact
committee under paragraph 3 of subsection b. of section 5 of P.L.2006, c.4
(C.5:5-165) that the compact committee will not be able to process the applicant’s application further as the denial of a license or to otherwise penalize such an applicant based solely on such a decision by the compact committee.

(3) Reserves the right: (a) to charge a fee for the use of a compact committee license in that state, (b) to apply its own standards in determining whether, on the facts of a particular case, a compact committee licensee should be suspended, revoked, or determined to be ineligible to participate in racing, (c) to apply its own standards in determining licensure eligibility, under the laws of that party state, for categories of participants in live racing that the compact committee determines not to license and for individual participants in live racing who do not meet the licensure requirements of the compact committee, and (d) to establish its own licensure standards for the licensure of non-racing employees at parimutuel racetracks and employees at separate satellite wagering facilities. Any party state that issues a suspension, revocation or period of licensure ineligibility to a person possessing a compact committee license shall, through its racing commission, the equivalent thereof, or otherwise, promptly notify the compact committee of that penalty.

b. No party state shall be held liable for the debts or other financial obligations incurred by the compact committee.

C.5:5-167 Construction and severability.

7. Construction and Severability.

This compact shall be liberally construed so as to effectuate its purposes. The provisions of this compact shall be severable, and, if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of the United States or the constitution of any party state, or the applicability of this compact to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If all or some portion of this compact is held to be contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

8. This act shall take effect immediately.

Approved April 11, 2006.

AN ACT concerning the appointment of a State monitor in school districts with serious fiscal deficiencies, supplementing Title 18A of the New Jersey Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “School District Fiscal Accountability Act.”

2. a. In addition to the powers provided pursuant to P.L.2005, c.235 and P.L.1996, c.138 (C.18A:7F-1 et seq.) or any other law, the Commissioner of Education shall have the authority to appoint a State monitor and additional staff, as necessary, to provide direct oversight of a board of education's business operations and personnel matters if the school district receives an adverse or a disclaimer of opinion by its independent auditor in the annual audit required pursuant to N.J.S.18A:23-1 or if any two or more of the following circumstances apply to the school district:

(1) the school district ends the fiscal year with a deficit balance as calculated for budgetary purposes in the general fund, special revenue fund, or capital projects fund, with the exception of a capital projects fund deficit caused by the issuance of bond anticipation notes;

(2) the school district receives a qualified opinion by its independent auditor in the annual audit required pursuant to N.J.S.18A:23-1;

(3) the school district receives audit findings by its independent auditor identified as material weaknesses in internal controls;

(4) the school district fails to develop and implement a plan acceptable to the commissioner or his designee to address a potential or actual deficit balance in the general fund, special revenue fund, or capital projects fund, with the exception of a capital projects fund deficit caused by the issuance of bond anticipation notes; or

(5) the school district fails to implement a plan from the prior year which causes findings from the independent auditor to be repeated.

b. The State monitor shall:

(1) oversee the fiscal management and expenditures of school district funds, including, but not limited to, budget reallocations and reductions, approvals of purchase orders, budget transfers, and payment of bills and claims;

(2) oversee the operation and fiscal management of school district facilities, including the development and implementation of recommendations for redistricting and restructuring of schools;

(3) ensure development and implementation of an acceptable plan to address the circumstances set forth in subsection a. of this section which resulted in the appointment of the State monitor. The plan shall include measurable benchmarks and specific activities to address the deficiencies of the school district;

(4) oversee all district staffing, including the ability to hire, promote, and terminate employees;

(5) have authority to override a chief school administrator's action and a vote by the board of education on any of the matters set forth in this subsec-
tion, except that all actions of the State monitor shall be subject to the education, labor, and employment laws and regulations, including the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.), and collective bargaining agreements entered into by the school district;

(6) attend all meetings of the board of education, including closed sessions; and

(7) meet with the board of education on at least a quarterly basis to discuss with the members of the board the past actions of the board which led to the appointment of the State monitor and to provide board members with education and training that address the deficiencies identified in board actions.

c. The Commissioner of Education shall notify the State Board of Education following the appointment of a State monitor pursuant to subsection a. of this section. The State monitor shall report directly to the commissioner or his designee on a weekly basis. The State monitor shall also report monthly to the board of education and members of the public at the regularly scheduled board of education meeting.

d. For purposes of the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq., the State monitor shall be considered a State officer.

e. The State monitor shall provide oversight in the school district until the commissioner determines that all remedial actions required under the plan have been implemented and the necessary local capacity and fiscal controls have been restored to school district operations.

f. The salary of the State monitor shall be fixed by the commissioner and adjusted from time to time as the commissioner deems appropriate. The school district shall assume the total cost of the State monitor and necessary additional staff appointed pursuant to subsection a. of this section.

3. a. The Commissioner of Education shall recommend to the State Treasurer whether an advance State aid payment should be made to a school district for which a State monitor has been appointed. The commissioner's recommendation shall be based on whether the payment is necessary to ensure the provision of a thorough and efficient education. An advance State aid payment shall be recorded by the school district as revenue for budget purposes in the school year in which the advance State aid payment is provided.

b. The advance State aid payment shall be repaid by the school district through automatic reductions in the State aid provided to the school district in subsequent years. The term of the repayment shall not exceed 10 years, but may be for a shorter term as determined by the State Treasurer. At any time
during the term of the repayment the State Treasurer, in consultation with the Commissioner of Education, may determine to impose interest on the unpaid balance; except that interest shall not be imposed in the case of a school district for which a State monitor is appointed within 90 days of the effective date of this act. The commissioner shall transfer the amount of the reduction in State aid to the account established pursuant to section 5 of this act.

c. In any year in which the school district’s undesignated general fund balance is greater than 1.5% of general fund expenditures, the amount which exceeds 1.5% shall be an additional amount applied to the following year’s repayment of the advance State aid payment and the school district’s State aid shall be reduced by this additional amount in that following year.

4. a. The Office of the State Auditor shall conduct a forensic audit of the fiscal operations of any school district which has a year-end general fund deficit and also meets one of the other criteria in subsection a. of section 2 of this act. The audit shall be of the fiscal year in which the general fund deficit occurred and shall be in addition to the audit required of school districts pursuant to N.J.S.18A:23-1.

b. Notwithstanding the provisions of R.S.52:24-1 et seq. to the contrary, the Office of the State Auditor shall submit the audit to the commissioner, the Governor, and the Legislature. The Office of the State Auditor shall also present the audit to the district’s board of education and the public at the board’s next regularly scheduled monthly meeting.

c. The Office of the State Auditor shall forward any findings of fraudulent activities discovered as a result of the audit to the appropriate law enforcement agency.

d. Within 30 days of the presentation of the audit by the Office of the State Auditor to the board of education, the board shall submit to the commissioner a plan that addresses all of the findings, conclusions, and recommendations of the Office of the State Auditor which have not been previously addressed by the school district.

5. There is established in the Department of Education a nonlapsing, revolving dedicated account designated the “School District Deficit Relief Account” which shall be credited with the monies as may be appropriated pursuant to section 7 of P.L.2006, c.15, monies transferred by the Commissioner of Education pursuant to subsection b. of section 3 of P.L.2006, c.15 (C.18A:7A-56), and such other monies as may be appropriated, transferred
or otherwise made available for the purposes of providing an advance State aid payment to a school district pursuant to subsection a. of section 3 of P.L.2006, c.15. Any interest that shall accrue on the monies in the account shall be credited to the account.

6. The State Board of Education may promulgate rules pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.

7. a. The amount of any unexpended balance in the Emergency Fund appropriation from the General Fund in the Miscellaneous Grants-In-Aid program classification in the category of State aid made to the Department of Education in P.L.2005, c.132 is appropriated to the “School District Deficit Relief Account” for the purpose of that account, subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.

b. There is appropriated from the “School District Deficit Relief Account” established pursuant to section 5 of P.L.2006, c.15 (C.18A:7A-58) such sums as the Commissioner of Education determines are necessary for the purposes of providing an advance State aid payment to a school district pursuant to subsection a. of section 3 of P.L.2006, c.15, subject to the approval of the Director of the Division of Budget and Accounting in the Department of the Treasury.

8. This act shall take effect immediately.

CHAPTER 16

AN ACT creating the Fort Monmouth Economic Revitalization Planning Authority and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:271-1 Short title.

1. This act shall be known and may be cited as the “Fort Monmouth Economic Revitalization Planning Authority Act.”
CHAPTER 16, LAWS OF 2006

C.52:271-2 Findings, declarations relative to closure and revitalization of Fort Monmouth.

2. The Legislature hereby finds and declares that the closure and revitalization of Fort Monmouth is a matter of great concern for the host communities of Eatontown, Oceanport, and Tinton Falls; for Monmouth County; and for the entire State of New Jersey.

The Legislature further finds and declares that the economies, environment, and quality of life of the affected communities and the State will depend on the efficient and proper revitalization of Fort Monmouth. Given that there is no appropriate State or local entity to prepare a comprehensive conversion and revitalization plan for this facility, that the facility is located within three municipalities, and that there are federal requirements through the Base Realignment and Closure Commission process for the establishment of such an entity, it is therefore in the public interest and the interest of the State to plan for the comprehensive conversion and revitalization of Fort Monmouth that will enhance the creation of employment and other business opportunities for the benefit of the host communities and the entire State.

The Legislature has determined that to provide for the proper planning for the revitalization of Fort Monmouth, a corporate agency of the State shall be created with the necessary powers to accomplish these purposes.

C.52:271-3 Definitions relative to closure and revitalization of Fort Monmouth.

The exercise by the authority of the powers conferred by P.L.2006, c.16 (C.52:271-1 et seq.) shall be deemed and held to be an essential governmental function of the State. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the authority is allocated within the Department of the Treasury, but notwithstanding that allocation, the authority shall be independent of any supervision or control by the department or any board or officer thereof, except as may be provided in P.L.2006, c.16 (C.52:271-1 et seq.).

C.52:271-6 Members; appointment, qualification.

6. a. The authority shall consist of ten members to be appointed and qualified as follows:

The designee of an ex officio member may act on behalf of the member. The designation shall be in writing and shall be delivered to the authority and shall be effective until revoked or amended in writing to the authority.

c. Each member appointed by the Governor may be removed from office by the Governor for cause, after a public hearing, and may be suspended by the Governor pending the completion of that hearing. Each such member, before entering the duties of membership, shall take and subscribe an oath to perform those duties faithfully, impartially, and justly to the best of the person's ability. A record of those oaths shall be filed in the office of the Secretary of State.

No action taken at such meeting by the authority shall have force or effect until 10 days, Saturdays, Sundays, and public holidays excepted, after the copy of the minutes shall have been so delivered, unless during such 10-day period the Governor shall approve the same, in which case such action shall become effective upon such approval. If, in that 10-day period, the Governor returns such copy of the minutes with veto of any action taken by the authority or any member thereof at such meeting, such action shall be void.

i. Any and all proceedings, hearings or meetings of the authority or any advisory committees established by the authority shall be conducted in conformance with the "Open Public Meetings Act," P.L.1975, c.231 (C. 10:4-6 et seq.).

CHAPTER 23  
AN ACT concerning long-term care for Medicaid recipients and supplementing Title 30 of the Revised Statutes.  

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.30:4D-17.23 Short title.
1. This act shall be known and may be cited as the "Independence, Dignity and Choice in Long-Term Care Act."

C.30:4D-17.24 Findings, declarations relative to long-term care for Medicaid recipients.
2. The Legislature finds and declares that:
   a. The current population of adults 60 years of age and older in New Jersey is about 1.4 million, and this number is expected to double in size over the next 25 years;
   b. A primary objective of public policy governing access to long-term care in this State shall be to promote the independence, dignity and lifestyle choice of older adults and persons with physical disabilities or Alzheimer's disease and related disorders;
   c. Many states are actively seeking to "rebalance" their long-term care programs and budgets in order to support consumer choice and offer more choices for older adults and persons with disabilities to live in their homes and communities;
   d. New Jersey has been striving to redirect long-term care away from an over-reliance on institutional care toward more home and community-based options; however, it is still often easier for older adults and persons with disabilities to qualify for Medicaid long-term care coverage if they are admitted to a nursing home than if they seek to obtain services through one of the Medicaid home and community-based long-term care options available in this State, such as the Community Care Program for the Elderly and Disabled, Assisted Living, Adult Family Care, Caregiver Assistance Program, Adult Day Health Services, Traumatic Brain Injury, AIDS Community Care Alternatives Program, Community Resources for People with Disabilities, or Community Resources for People with Disabilities Private Duty Nursing;
   e. The federal "New Freedom Initiative" was launched in 2001 for the purpose of promoting the goal of independent living for persons with disabilities; and Executive Order No. 13217, issued by the President of the United States on June 18, 2001, called upon the federal government to assist states and localities to swiftly implement the 1999 United States Supreme Court decision in Olmstead v. L.C. and directed federal agencies to evaluate their policies, programs, statutes and regulations to determine whether any should be revised or modified to improve the availability of community-based services for qualified persons with disabilities;
   f. Executive Order No. 100, issued by the Governor on March 23, 2004, directed the Commissioner of Health and Senior Services, in consul-
tation with the State Treasurer, to prepare an analysis and recommendations for developing a global long-term care budgeting process designed to provide the Department of Health and Senior Services with the authority and flexibility to move Medicaid recipients into the appropriate level of care based on their individual needs, and to identify specific gaps and requirements necessary to streamline paperwork and expedite the process of obtaining Medicaid eligibility for home care options for those who qualify;

g. Executive Order No. 31, issued by the Governor on April 21, 2005, established a "money follows the person" pilot program and set aside funding in fiscal year 2006 for home and community-based long-term care;

h. Older adults and those with physical disabilities or Alzheimer's disease and related disorders that require a nursing facility level of care should not be forced to choose between going into a nursing home or giving up the medical assistance that pays for their needed services, and thereby be denied the right to choose where they receive those services; their eligibility for home and community-based long-term care services under Medicaid should be based upon the same income and asset standards as those used to determine eligibility for long-term care in an institutional setting; and

i. The enactment of this bill will ensure that, in the case of Medicaid-funded long-term care services, "the money follows the person" to allow maximum flexibility between nursing homes and home and community-based settings when it does not compromise federal funding or services in the nursing home and, in so doing, significantly expands the choices available to consumers of these services and thereby fulfills the goal of personal independence so highly valued by the growing number of older adults and persons with disabilities in this State.

C.30:4D-17.25 Definitions relative to long-term care for Medicaid recipients.

3. As used in this act:

"Commissioner" means the Commissioner of Health and Senior Services.

"Funding parity between nursing home care and home and community-based care" means that the distribution of the amounts expended for these two categories of long-term care under the Medicaid program reflects an appropriate balance between the service delivery costs of those persons whose needs and preferences can most appropriately be met in a nursing home and those persons whose needs and preferences can most appropriately be met in a home or community-based setting.

"Home and community-based care" means Medicaid home and community-based long-term care options available in this State, including, but not limited to, the Community Care Program for the Elderly and Disabled,
Assisted Living, Adult Family Care, Caregiver Assistance Program, Adult Day Health Services, Traumatic Brain Injury, AIDS Community Care Alternatives Program, Community Resources for People with Disabilities, and Community Resources for People with Disabilities Private Duty Nursing.

C.30:4D-17.26 Process to rebalance allocation of funding for expansion of long-term care services; pilot program, use Statewide.

4. a. (1) Beginning in fiscal year 2008, and in each succeeding fiscal year through fiscal year 2013, the commissioner, in consultation with the State Treasurer and the Commissioner of Human Services and in accordance with the provisions of this section, shall implement a process that rebalances the overall allocation of funding within the Department of Health and Senior Services for long-term care services through the expansion of home and community-based services for persons eligible for long-term care as defined by regulation of the commissioner. The expansion of home and community-based services shall be funded, within the existing level of appropriations, by diverting persons in need of long-term care to allow maximum flexibility between nursing home placements and home and community-based services. The State Treasurer, after review and analysis, shall determine the transfer of such funding to home and community-based services provided by the Departments of Health and Senior Services and Human Services as is necessary to effectuate the purposes of this act.

(2) Beginning in fiscal year 2008, and in each succeeding fiscal year through fiscal year 2013, funds equal to the amount of the reduction in the projected growth of Medicaid expenditures for nursing home care pursuant to paragraph (1) of this subsection, for State dollars only plus the percentage anticipated for programs and persons that will receive federal matching dollars, shall be reallocated to home and community-based care through a global budget and expended solely for such care, until the commissioner determines that total Medicaid expenditures for long-term care have been sufficiently rebalanced to achieve funding parity between nursing home care and home and community-based care. Any funds so reallocated, which are not expended in the fiscal year in which they are reallocated, shall be reserved for expenditures for home and community-based care in a subsequent fiscal year.

(3) Subject to federal approval, the home and community-based services to which funds are reallocated pursuant to this act shall include services designated by the commissioner, in consultation with the Commissioner of Human Services and the Medicaid Long-Term Care Funding Advisory Council established pursuant to this act.
(4) Notwithstanding the provisions of this subsection to the contrary, this act shall not be construed to authorize a reduction in funding for Medicaid-approved services based upon the approved State Medicaid nursing home reimbursement methodology, including existing cost screens used to determine daily rates, annual rebasing and inflationary adjustments.

b. The commissioner, in consultation with the Commissioner of Human Services, shall adopt modifications to the Medicaid long-term care intake system that promote increased use of home and community-based services. These modifications shall include, but not be limited to, the following:

(1) commencing March 1, 2007, on a pilot basis in Atlantic and Warren counties, pursuant to Executive Order No. 31 of 2005:
   (a) the provision of home and community-based services available under Medicaid, as designated by the commissioner, in consultation with the Commissioner of Human Services and the Medicaid Long-Term Care Funding Advisory Council established pursuant to this act, pending completion of a formal Medicaid financial eligibility determination for the recipient of services, for a period that does not exceed a time limit established by the commissioner; except that the cost of any services provided pursuant to this subparagraph to a person who is subsequently determined to be ineligible for Medicaid may be recovered from that person; and
   (b) the use of mechanisms for making fast-track Medicaid eligibility determinations, a revised clinical assessment instrument, and a computerized tracking system for Medicaid long-term care expenditures; and

(2) commencing March 1, 2008, expansion of the services and measures provided for in paragraph (1) of this subsection to all of the remaining counties in the State, subject to the commissioner conducting or otherwise providing for an evaluation of the pilot programs in Atlantic and Warren counties prior to that date and determining from that evaluation that the pilot programs are cost-effective and should be expanded Statewide.

C.30:4D-17.27 Duties of commissioner relative to report on budget, management plan.
5. The commissioner, in consultation with the Medicaid Long-Term Care Funding Advisory Council established pursuant to this act, shall:
   a. no later than October 1, 2007, present a report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), that provides a detailed budget and management plan for effectuating the purposes of this act, including a projected schedule and procedures for the implementation and operation of the Medicaid long-term care expenditure reforms required pursuant thereto; and
b. no later than January 1, 2008, present a report to the Governor, and to the Legislature pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), that documents the reallocation of funds to home and community-based care pursuant to section 4 of this act, and present an updated report no later than January 1 of each succeeding year until the commissioner determines that total Medicaid expenditures for long-term care have been sufficiently rebalanced to achieve funding parity between nursing home care and home and community-based care, at which point the commissioner shall document and certify to the Governor and the Legislature that such funding parity has been achieved.

C.30:4D-17.28 Duties of commissioner relative to funding parity, coordination, assessment instrument.

6. The commissioner, in consultation with the Medicaid Long-Term Care Funding Advisory Council established pursuant to this act, shall:
   a. Implement, by such time as the commissioner certifies to the Governor and the Legislature that funding parity has been achieved pursuant to subsection b. of section 5 of this act, a comprehensive data system to track long-term care expenditures and services and consumer profiles and preferences. The data system shall include, but not be limited to: the number of vacant nursing home beds annually and the number of nursing home residents transferred to home and community-based care pursuant to this act; annual long-term care expenditures for nursing home care and each of the home and community based long-term care options available to Medicaid recipients; and annual percentage changes in both long-term care expenditures for, and the number of Medicaid recipients utilizing, nursing home care and each of the home and community based long-term care options, respectively;
   b. Commence the following no later than January 1, 2008:
      (1) implement a system of Statewide long-term care service coordination and management designed to minimize administrative costs, improve access to services, and minimize obstacles to the delivery of long-term care services to people in need;
      (2) identify home and community based long-term care service models that are determined by the commissioner to be efficient and cost-effective alternatives to nursing home care, and develop clear and concise performance standards for those services for which standards are not already available in a home and community-based services waiver;
      (3) develop and implement with the Commissioner of Human Services a comprehensive consumer assessment instrument that is designed to facili-
tate an expedited process to authorize the provision of home and community-based care to a person through fast track eligibility prior to completion of a formal financial eligibility determination; and

(4) develop and implement a comprehensive quality assurance system with appropriate and regular assessments that is designed to ensure that all forms of long-term care available to consumers in this State are financially viable, cost-effective, and promote and sustain consumer independence; and

c. Seek to make information available to the general public on a Statewide basis, through print and electronic media, regarding the various forms of long-term care available in this State and the rights accorded to long-term care consumers by statute and regulation, as well as information about public and nonprofit agencies and organizations that provide informational and advocacy services to assist long-term care consumers and their families.

C.30:4D-17.29 Medicaid Long-Term Care Funding Advisory Council.

7. a. There is established the Medicaid Long-Term Care Funding Advisory Council within the Department of Health and Senior Services. The advisory council shall meet at least quarterly during each fiscal year until such time as the commissioner certifies to the Governor and the Legislature that funding parity has been achieved pursuant to subsection b. of section 5 of this act, and shall be entitled to receive such information from the Departments of Health and Senior Services, Human Services and the Treasury as the advisory council deems necessary to carry out its responsibilities under this act.

b. The advisory council shall:

(1) monitor and advise the commissioner on the implementation and operation of the Medicaid long-term care expenditure reforms and other provisions of this act; and

(2) develop recommendations for a program to recruit and train a stable workforce of home care providers, including recommendations for changes to provider reimbursement under Medicaid home and community-based care programs.

c. The advisory council shall comprise 15 members as follows:

(1) the commissioner, the Commissioner of Human Services and the State Treasurer, or their designees, as ex officio members; and

d: The advisory council shall organize as soon as possible after the appointment of its members, and shall annually select from its membership a chairman who shall serve until his successor is elected and qualifies. The members shall also select a secretary who need not be a member of the advisory council.

e. The department shall provide such staff and administrative support to the advisory council as it requires to carry out its responsibilities.

C.30:4D-17.30 Waiver of federal requirements.

8. The Commissioner of Human Services, with the approval of the Commissioner of Health and Senior Services, shall apply to the federal Centers for Medicare and Medicaid Services for any waiver of federal requirements, or for any State plan amendments or home and community-based services waiver amendments, which may be necessary to obtain federal financial participation for State Medicaid expenditures in order to effectuate the purposes of this act.

C.30:4D-17.31 Tracking of expenditures.

9. The commissioner, in consultation with the Commissioner of Human Services, shall track Medicaid long-term care expenditures necessary to carry out the provisions of this act.

10. There shall be included a unique global budget appropriation line item for Medicaid long-term care expenditures in the annual appropriations act for fiscal year 2008 and each succeeding fiscal year in order to provide flexibility to align these expenditures with services to be provided during each fiscal year as necessary to effectuate the purposes of this act.
11. This act shall take effect immediately.

Approved June 21, 2006.

CHAPTER 24

AN ACT concerning the discontinuance of electric and gas utility service and removal of equipment from abandoned properties, and amending and supplementing P.L.2003, c.210 (C.55:19-78 et al.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.55:19-106 Findings, declarations relative to discontinuation of certain utility service from abandoned properties.

1. The Legislature finds and declares that:
   a. Abandoned properties raise significant concerns for communities where they are located, including fostering criminal activity, posing possible public health problems and generally posing a risk to the quality of life for residents and businesses in the area.
   b. Under current law and tariffs approved under Board of Public Utilities regulations, customers of electric and natural gas utilities are required to provide reasonable access at all reasonable times to such utilities for the purpose of inspection of the customers' premises incident to the rendering of service, reading meters or the repairing of utility facilities used in connection with supplying service or for the removal of utility property.
   c. Public utilities are bound by law to provide safe, adequate and proper service and must be able to periodically inspect the customers' premises incident to rendering service, read meters, repair utility facilities or remove utility property.
   d. As a result of certain properties being abandoned or vacant, electric and natural gas utilities are denied the reasonable access to their facilities provided for by law and this impacts the ability to provide safe, adequate and proper service.
   e. The Legislature therefore determines that in the interest of the public safety of our communities, any electric and natural gas utility should be granted access to abandoned or vacant properties in order to inspect, repair and remove its facilities or property.
2. Section 3 of P.L.2006, c.210 (C.55:19-80) is amended to read as follows:

C.55:19-107 Access to abandoned property by utility, conditions.
3. A utility may take all necessary steps to enter the premises of, discontinue utility service to, and remove utility equipment from, any property listed on an abandoned property list established pursuant to section 36 of
P.L.1996, c.62 (C.55:19-55) or any property that is determined by a public officer to meet the definition of abandoned property as set forth in sections 4 through 6 of P.L.2003, c.210 (C.55:19-81 through C.55:19-83), provided that the utility is accompanied by a law enforcement officer from the municipality within which the property is located.

4. Section 36 of P.L.1996, c.62 (C.55:19-55) is amended to read as follows:

36. a. A qualified municipality that has designated or appointed a public officer pursuant to section 3 of P.L.1942, c.112 (C.40:48-2.5), may adopt an ordinance directing the public officer to identify abandoned property for the purpose of establishing an abandoned property list throughout the municipality, or within those parts of the municipality as the governing body may designate. Each item of abandoned property so identified shall include the tax block and lot number, the name of the owner of record, if known, and the street address of the lot.

b. In those municipalities in which abandoned properties have been identified in accordance with subsection a. of this section, the public officer shall establish and maintain a list of abandoned property, to be known as the "abandoned property list." The municipality may add properties to the abandoned property list at any time, and may delete properties at any time when the public officer finds that the property no longer meets the definition of an abandoned property. An interested party may request that a property be included on the abandoned property list following that procedure set forth in section 31 of P.L.2003, c.210 (C.55:19-105).

An abandoned property shall not be included on the abandoned property list if rehabilitation is being performed in a timely manner, as evidenced by building permits issued and diligent pursuit of rehabilitation work authorized by those permits. A property on which an entity other than the municipality has purchased or taken assignment from the municipality of a tax sale certificate which has been placed on the abandoned property list may be removed in accordance with the provisions of section 29 of P.L.2003, c.210 (C.55:19-103).

c. The Department of Community Affairs in conjunction with the Department of Environmental Protection shall prepare an information bulletin for distribution to every municipality describing the authority of a municipality under existing statutes and regulations to repair, demolish or otherwise deal with abandoned property.
d. (1) The public officer shall establish the abandoned property list or any additions thereto by publication in the official newspaper of the municipality, which publication shall constitute public notice and, within 10 days after publication, shall send a notice, by certified mail, return receipt requested, and by regular mail, to the owner of record of every property included on the list. The published and mailed notices shall identify property determined to be abandoned setting forth the owner of record, if known, the tax lot and block number and street address. The public officer, in consultation with the tax collector, shall also send out a notice by regular mail to any mortgagee, servicing organization, or property tax processing organization that receives a duplicate copy of the tax bill pursuant to subsection d. of R.S.54:4-64. When the owner of record is not known for a particular property and cannot be ascertained by the exercise of reasonable diligence by the tax collector, notice shall not be mailed but instead shall be posted on the property in the manner as provided in section 5 of P.L.1942, c.112 (C.40:48-2.7). The mailed notice shall indicate the factual basis for the public officer's finding that the property is abandoned property as that term is defined in section 35 of P.L.1996, c.62 (C.55:19-54) and the rules and regulations promulgated thereunder, specifying the information relied upon in making such finding. In all cases a copy of the mailed or posted notice shall also be filed by the public officer in the office of the county clerk or register of deeds and mortgages, as the case may be, of the county wherein the property is situate. This filing shall have the same force and effect as a notice of lis pendens under N.J.S.2A:15-6. The notice shall be indexed by the name of the property owner as defendant and the name of the municipality as plaintiff, as though an action had been commenced by the municipality against the owner.

(2) The authority or its subsidiaries, as appropriate, may reimburse the municipality for the postage costs and search fees associated with providing notice in accordance with paragraph (1) of this subsection in accordance with procedures and rules promulgated by the Department of Community Affairs.

(3) The public officer, within ten days of the establishment of the abandoned property list, or any additions thereto, shall send by regular mail, facsimile or electronic mail, a copy of the abandoned property list to the electric and gas utilities serving the municipality.

e. An owner or lienholder may challenge the inclusion of his property on the abandoned property list determined pursuant to subsection b. of this section by appealing that determination to the public officer within 30 days of the owner's receipt of the certified notice or 40 days from the date upon which the notice was sent. An owner whose identity was not known to the
CHAPTER 24, LAWS OF 2006

public officer shall have 40 days from the date upon which notice was published or posted, whichever is later, to challenge the inclusion of a property on the abandoned property list. For good cause shown, the public officer shall accept a late filing of an appeal. Within 30 days of receipt of a request for an appeal of the findings contained in the notice pursuant to subsection d. of this section, the public officer shall schedule a hearing for redetermination of the matter. Any property included on the list shall be presumed to be abandoned property unless the owner, through the submission of an affidavit or certification by the property owner averring that the property is not abandoned and stating the reasons for such averment, can demonstrate that the property was erroneously included on the list. The affidavit or certification shall be accompanied by supporting documentation, such as but not limited to photographs, repair invoices, bills and construction contracts. The sole ground for appeal shall be that the property in question is not abandoned property as that term is defined in section 35 of P.L.1996, c.62 (C.55:19-54). The public officer shall decide any timely filed appeal within 10 days of the hearing on the appeal and shall promptly, by certified mail, return receipt requested, and by regular mail, notify the property owner of the decision and the reasons therefor.

f. The property owner may challenge an adverse determination of an appeal with the public officer pursuant to subsection e. of this section, by instituting, in accordance with the New Jersey Court Rules, a summary proceeding in the Superior Court, Law Division, sitting in the county in which the property is located, which action shall be tried de novo. Such action shall be instituted within 20 days of the date of the notice of decision mailed by the public officer pursuant to subsection e. of this section. The sole ground for appeal shall be that the property in question is not abandoned property as that term is defined in section 35 of P.L.1996, c.62 (C.55:19-54). The failure to institute an action of appeal on a timely basis shall constitute a jurisdictional bar to challenging the adverse determination, except that, for good cause shown, the court may extend the deadline for instituting the action.

g. The public officer shall promptly remove any property from the abandoned property list that has been determined not to be abandoned on appeal.

h. The abandoned property list shall become effective, and the municipality shall have the right to pursue any legal remedy with respect to properties on the abandoned property list at such time as any one property has been placed on the list in accordance with the provisions of this section, upon the expiration of the period for appeal with respect to that property or upon the denial of an appeal brought by the property owner.

Approved July 7, 2006.

CHAPTER 31

AN ACT concerning graffiti, supplementing chapter 48 of Title 40 of the Revised Statutes and amending P.L.2002, c.128.
CHAPTER 31, LAWS OF 2006

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Municipal Beautification Act.”

C.40:48-2.59 Municipal powers to abate graffiti.

2. a. The governing body of every municipality may make, amend, repeal, and enforce ordinances to prohibit acts of graffiti on buildings, structures and other exposed surfaces located within the municipality and to require the owner of a building, structure or other exposed surface located in the municipality to remove graffiti.

b. For the purposes of this section, "graffiti" means any drawing, painting or making of any mark or inscription on public or private real or personal property without the prior written permission of the owner of the property.

c. (1) An ordinance requiring an owner to remove graffiti shall provide that the owner of record of the property shall be entitled to written notice of the order to remove graffiti and that the notice shall be delivered to the owner by certified and regular mail. The order shall afford the owner the opportunity to remove the graffiti within 90 days from the date that the notice is sent, however, the Department of Transportation shall be afforded 120 days from the date a notice is sent to remove graffiti from property owned by the department.

(2) The notice to remove graffiti shall contain a form to be utilized by a property owner to inform the municipality that the graffiti has been removed. The form shall contain a provision stating that by affixing a signature to the form, indicating that graffiti has been removed, the owner is certifying that the facts set forth therein are true and that the certification shall be considered as if made under oath and subject to the same penalties as provided by law for perjury.

(3) An owner who has been ordered to remove graffiti shall respond to the municipality by personal delivery or by certified mail:

(a) of any objection to the order, within 30 days of the date of the order, or
(b) of notice that the graffiti has been removed, within 90 days of the date of the order, or in the case of the Department of Transportation, within 120 days of the date of the order.

d. An owner who objects to an order to remove graffiti, pursuant to paragraph (3) of subsection c. of this section, may institute an action challenging the order before a court of competent jurisdiction within 60 days of the date of the order.
e. If a property owner does not undertake the removal of graffiti within 90 days of the date of the order, or in the case of the Department of Transportation, within 120 days of the date of the order, unless an action challenging the order to remove graffiti is still pending pursuant to subsection d. of this section, the municipality may remove the graffiti from that property and present the property owner with a detailed itemization of the costs incurred by the municipality, by certified and regular mail, for reimbursement from the property owner.

f. Whenever a municipality undertakes the removal of graffiti from any building, structure or other exposed surface, the governing body of the municipality, in addition to assessing the cost of removal as a municipal lien against the premises, may enforce the payment of such assessment, together with interest, as a debt of the owner of the property and may authorize the institution of an action at law for the collection thereof. The Superior Court shall have jurisdiction of any such action.

3. Section 5 of P.L.2002, c.128 (C.13:1E-217) is amended to read as follows:

C.13:1E-217 Clean Communities Program Fund.

5. The Clean Communities Program Fund is established as a nonlapsing, revolving fund in the Department of the Treasury. The Clean Communities Program Fund shall be administered by the Department of Environmental Protection and credited, in addition to any appropriations made thereto, with all user fees imposed pursuant to section 4 of P.L.2002, c.128 (C.13:1E-216) or penalties imposed pursuant to section 10 of P.L.2002, c.128 (C.13:1E-222), and any sums received as voluntary contributions from private sources. Interest received on moneys in the Clean Communities Program Fund shall be credited to the fund. Unless otherwise expressly provided by the specific appropriation thereof by the Legislature, which shall take the form of a discrete legislative appropriations act and shall not be included within the annual appropriations act, all available moneys in the Clean Communities Program Fund shall be appropriated annually solely for the following purposes and no others:

(4) A statement of the time necessary to complete the project, or of the time during which the increased municipal services are to be maintained;

(5) A statement of the manner in which the proposed project or increase in municipal services furthers the municipality's policy and intentions for addressing the economic and social conditions existing in the area of the enterprise zone as set forth in the zone development plan approved by the authority; and

(6) A description of the financial and programmatic controls and reporting mechanisms to be used to guarantee that the funds will be spent in accordance with the plan and that the project or increased municipal service will accomplish its purpose.

As used in this section, "project" means an activity funded by the zone assistance fund through the qualified municipality and implemented by the zone development corporation, including the purchasing, leasing, condemning, or otherwise acquiring of land or other property, or an interest therein, in the enterprise zone or as necessary for a right-of-way or other easement to or from the enterprise zone; the relocating and moving of persons or businesses displaced by the acquisition of land or property; the rehabilitation and redevelopment of land or property, including demolition, clearance, removal, relocation, renovation, alteration, construction, reconstruction, installation or repair of a land or a building, street, highway, alley, utility, service or other structure or improvement which will lead to increased economic activity within the zone; the acquisition, construction, reconstruction, rehabilitation, or installation of public facilities and improvements, except buildings and facilities for the general conduct of government and schools; the establishment of revolving loan or grant programs for qualified businesses in the zone to encourage private investment and job creation, matching grant programs for the establishment or operation of pedestrian malls, special improvement districts and tax increment districts, or other appropriate entity; marketing, advertising and special event activities that will lead to increased economic activity or encourage private investment and job creation in the zone, but not including the expenditures therefor which are required to be reported pursuant to "The New Jersey Campaign Contributions and Expenditures Reporting Act," P.L.1973, c.83 (C.19:44A-1 et seq.) and the costs associated therewith including the costs of an administrative appraisal, economic and environmental analyses, environmental remediation, engineering, planning, design, architectural, surveying or other professional or managerial services.

d. Upon adoption by the governing body of the qualifying municipality and by the zone development corporation, the proposal shall be sent to the authority for its evaluation and approval. The authority shall approve the proposal if it shall find:

(1) In the case of a project, that the proposed project furthers the policy and intentions of the zone development plan approved by the authority, and that the estimated annual payments for the project from the enterprise zone account to which the proposal pertains are not likely to result in a deficit in that account;

(2) In the case of an increase in eligible municipal services, that the proposal furthers the policy and intentions of the zone development plan approved by the authority; that the qualifying municipality has furnished satisfactory assurances that the additional policemen or firemen to be hired, or the additional vehicles, equipment or apparatus to be purchased or leased, shall be used to augment or upgrade public safety in the enterprise zone, and shall not be used in other areas of the municipality; that the qualifying municipality shall annually appropriate for the increased eligible municipal services an amount equal to 20% of the amount of annual payments for the eligible municipal services from the enterprise zone account and shall not request for the increased eligible municipal services an amount equal to more than 35% of the amount of annual payments into the enterprise zone account, unless the municipality and the authority have entered into an agreement or agreements to the contrary prior to July 1, 1992; and that the estimated annual payments for the eligible municipal services from the enterprise zone account to which the proposal pertains are not likely to result in a deficit in that account.

e. If the authority shall approve the proposal, it shall annually, upon its receipt of a written statement from the governing body of the qualifying municipality and the zone development corporation, certify to the State Treasurer the amount to be paid in that year from the enterprise zone account in the enterprise zone assistance fund with respect to each project or increase in eligible municipal services approved. The authority may at any time revoke its approval of a project or an increase in eligible municipal services if it finds that the annual payments made from the enterprise zone assistance fund are not being used as required by this section.

f. Upon certification by the authority of the annual amount to be paid to a qualifying zone with respect to any project or increase in eligible municipal services, the State Treasurer shall pay in each year to the qualifying municipality from the amounts deposited in the enterprise zone assistance
fund the amount so certified, within the limits of the amounts credited to the enterprise zone account of the qualifying municipality.

g. An amount not to exceed one-third of the amount deposited in the account created in the name of the authority in the enterprise zone assistance fund shall be used by the authority for the coordination and administration of the program throughout the State, including but not limited to costs for personnel, operating expenses and marketing. The balance of the remaining amount shall be distributed to qualifying municipalities in proportion to each municipality's contribution to the enterprise zone assistance fund for the coordination and administration of the program within the municipality, including but not limited to costs for personnel, operating expenses and marketing.

5. This act shall take effect July 15, 2006 and sections 1 and 2 shall apply to sales made on and after that date.

to the director, bureau, office, officer or person with which or with whom the document is required to be filed shall be deemed to be delivered on the date of the United States postmark stamped on the envelope. This shall apply only if the postmark date falls within the prescribed period or on or before the prescribed date for the filing of the document, determined with regard to any extension granted for filing, and the document was deposited in the mail, postage prepaid, properly addressed to the director, bureau, office, officer or person with which or with whom the document is required to be filed. This section shall also apply to postmarks not made by the United States Postal Service to the extent the Director of the Division of Taxation in the Department of the Treasury may prescribe.

b. Notwithstanding any law to the contrary, the director is authorized to permit or mandate the acceptable methods of filing any return required to be filed and making any payment required to be remitted within a prescribed period, or on or before a prescribed date, under the provisions of any State tax law. The director may prescribe reasonable methods for filing and payment, including electronic filing and payment methods, at the director's discretion, by the promulgation of regulations. penalty shall accrue at 5% per month or fraction thereof of the total tax liability not to exceed 25% of such tax liability. Unless any part of any underpayment of tax required to be shown on a return or report is shown to be due to reasonable cause, there shall be added to the tax an amount equal to 5% of the underpayment.

b. In addition to any other penalty for failing to file a return within the time prescribed or underpayment provided in this section or pursuant to any other provision of law, if a taxpayer or tax preparer fails to use electronic methods to file a return as may be required pursuant to the provisions of subsection b. of section 13 of P.L.1992, c.175 (C.54:49-3.1), section 4 of P.L.2006, c.36 (C.54A:8-6.1) or the law imposing the tax, or if a taxpayer fails to use electronic methods to pay tax as may be required pursuant to the provisions of subsection b. of section 13 of P.L.1992, c.175 (C.54:49-3.1), or the law imposing the tax, the taxpayer shall be liable for a penalty of $50 for each return or payment for which the taxpayer failed to file or pay electronically as may be applicable, and the tax preparer shall be liable for a penalty of $50 for each return for which the tax preparer failed to file electronically as may be applicable. The director may exercise discretion to abate all or any portion of the penalty in any circumstances the director determines appropriate, including but not limited to circumstances in which a taxpayer or tax preparer demonstrates to the director’s satisfaction that the failure to file or pay electronically was due to reasonable cause.

C.54A:8-6.1 Certain tax preparers required to use electronic methods for filing.

4. a. (1) Notwithstanding any other law to the contrary, for New Jersey gross income tax returns for taxable years beginning in 2006, if a tax preparer prepared or filed 100 or more gross income tax returns for the prior taxable year, the tax preparer shall use electronic methods for filing the returns and paying the tax for all the returns prepared or filed by the tax preparer for a taxable year, subject to such exceptions as the Director of the Division of Taxation may determine are reasonable. The director may exercise discretion to extend this requirement to a tax preparer that has prepared or filed 100 or more gross income tax returns for any of the five prior taxable years.

(2) The director is authorized to extend by regulation the electronic methods filing requirement, commencing with New Jersey gross income tax returns filed for taxable years beginning in 2007, to tax preparers that prepared or filed 50 or more gross income tax returns for the prior taxable year. The director, by regulation, may exercise discretion to extend this re-
requirement to a tax preparer that has prepared or filed 50 or more gross income tax returns for any of the five prior taxable years.

b. As used in this section, "tax preparer" means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax or claim for refund under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq.

c. The director shall determine the method or methods of electronic filing of returns and paying tax that satisfy the requirements imposed in this section including a procedure by which a taxpayer may elect that the tax preparer not file the taxpayer's return by electronic methods.

d. The director is authorized to determine if the requirements of this section shall apply to declarations and payments of estimated tax made by a tax preparer. To the extent that the director determines it will not be unduly burdensome, the director is authorized to require employers and payors of gambling winnings that withhold tax under N.J.S.54A:7-1, and payors of voluntary withholdings under section 1 of P.L.1989, c.328 (C.54A:7-1.1), to file returns and pay tax by electronic methods.

e. A tax preparer, employer or payor, other than an individual taxpayer preparing the taxpayer's own gross income tax return or a tax preparer preparing a return pro bono, failing to use electronic methods as required in this section shall be liable for the penalties provided in subsection b. of R.S.54:49-4 or as otherwise provided under the State Uniform Tax Procedure Law, R.S.54:48-1 et seq.

5. This act shall take effect immediately.

Approved July 8, 2006.

   “Lease price” means the capitalized cost as stated in the agreement between a lessor and a lessee.
   “Sales price” means the gross selling price appearing on a contract of sale.

C.39:3-8.4 Additional fee for certificate of ownership for certain motor vehicles; rules, regulations.

b. The additional fee authorized under subsection a. of this section shall be determined by multiplying the sales price or lease price for the new passenger automobile, prior to any credit or offset for any rebate or trade-in, by 0.4 percent. The fee imposed under this section shall be separately stated on any bill, receipt, invoice or similar document provided to the purchaser and shall not be subject to the retail sales taxes imposed under the provisions of the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.).

d. The fee authorized under this section shall not be imposed on the sale or lease of any new passenger automobile having a sale price or lease price, as the case may be, over $45,000 that:

(1) Has an Environmental Protection Administration average fuel efficiency rating of 40 or more miles per gallon; or

(2) Is certified as a zero emission vehicle by the Commissioner of Environmental Protection pursuant to the provisions of P.L.2003, c.266 (C.26:2C-8.15 et al.).

AN ACT changing the phase-out schedule of the transitional energy facility assessment (TEFA) unit rate surcharges on certain energy sales and amending P.L.1997, c.162.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 67 of P.L.1997, c.162 (C.48:2-21.34) is amended to read as follows:

C.48:2-21.34 Definitions relative to phase out schedule of transitional energy facility assessment unit rate surcharges; formulas; adjustments to rates.

67. a. As used in this section:
   "Base rates" means the rates, including minimum bills, charged for utility commodities or service subject to the board's jurisdiction, other than the rates charged under a utility's levelized energy adjustment clause, hereinafter "LEAC," or levelized gas adjustment clause, hereinafter "LGAC," or equivalent rate provision;
   "Base year" means the calendar year 1996;
   "Board" means the Board of Public Utilities;
   "Sales and use tax" means the sales and use tax liability computed on sales and use of energy and utility service as defined in section 2 of P.L.1966, c.30 (C.54:32B-2);
   "Utility" means a public utility subject to regulation by the board pursuant to Title 48 of the Revised Statutes; and
   "Utility service" means the supply, transmission, distribution or transportation of electricity, natural gas or telecommunications services or any combination of such commodities, processes or services.
b. No later than 60 days after the date this act is enacted, each electric, gas and telecommunications utility subject to the provisions of this act shall file with the board, and shall simultaneously provide copies to the Director of the Division of the Ratepayer Advocate, revised tariffs and such other supporting schedules, narrative and documentation required by this act, as set forth in this section, to reflect in the utility's rates the changes in tax liability effected pursuant to this act. No later than 90 days after the date of the utility's filing, and after determining that the filing and the rate changes provided for therein are in compliance with the provisions of this act, the board shall approve the utility's filing and associated rates for billing to the utility's customers, effective for utility service rendered on and after January 1, 1998. If the board determines that the utility's filing and the associated rate changes provided for therein are not in compliance with the provisions of this act, the board shall require the utility to amend or otherwise modify its filing to render it in compliance. The board may also permit the rates provided for in the utility's filing to be implemented on an interim basis pending the board's final determination in the event the board, in its discretion, determines that due to the filing's complexity, or for other valid reasons, including but not limited to the enactment of this act after June 30, 1997, additional time is needed for the board to complete its review of the filing. If the rates approved by the board upon its final determination are less than the rates implemented on an interim basis, the difference shall be refunded to the utility's customers with interest computed in accordance with N.J.A.C.14:3-7.5(c). The rate adjustments implemented pursuant to this act shall not constitute a fixing of rates pursuant to R.S.48:2-21 and shall not be subject to the hearing requirements set forth in that section.

c. As of the effective date of the rate changes implemented pursuant to this act, and except for rates applicable to sales that were or are currently exempt from the unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) and rates applicable to sales to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies, the board shall remove from the base rates of each electric public utility and gas public utility the unit tax rates included therein for the recovery of those unit-based energy taxes, and include therein provision for the recovery of corporation business tax imposed pursuant to P.L.1945, c.162 (C.54:10A-1 et seq.), and additionally shall authorize the collection of the sales and use tax imposed pursuant to P.L.1966, c.30 (C.54:32B-1 et seq.), as follows:

(1) The base rates of each gas and electric utility shall be reduced by the amount of the unit-based energy taxes per kilowatthour or per therm included therein.
(2) The provision for corporation business tax initially included in the base rates of each gas and electric utility shall be based on the utility's after-tax net income earned in the base year as booked, unless the board determines, in its discretion, that such income as booked is unusually high or low or otherwise unrepresentative of the utility's prospective net income, in which case the utility's base year net income shall be adjusted as determined by the board.

To permit the board to make this determination, in addition to including in its filing schedules showing its net income earned in the base year as booked, the utility shall include adjustments to such booked income to eliminate the effect of revenues, expenses and extraordinary or other charges that are non-recurring, atypical, or both, including, but not limited to an adjustment to eliminate the effect of unusually hot or cold weather, and that would otherwise make the utility's base year net income unusually high or low or otherwise unrepresentative of the utility's prospective net income. If the adjustment is being made to eliminate the effect of unusually hot or cold weather, associated revenue and expense adjustments shall also be made. Subject to the board's approval, such adjusted income shall be the basis for the calculation of the initial provision for corporation business tax to be included in the utility's base rates.

The utility shall also include a calculation of its rate of return on common equity achieved in the base year, both as booked and as adjusted in accordance with the foregoing. The calculation shall be made employing the methodology set forth in N.J.A.C. 14:12-4.2(b)1, and shall separately show the effect of reflecting adjustments to the calculation, if any, that may have been employed historically in establishing the utility's rate of return on common equity allowed for ratemaking purposes. The utility's filing shall also include copies of its audited financial statements for the base year and associated quarterly and other reports filed with the Securities and Exchange Commission.

To reflect the provision for corporation business tax in base rates, the demand charges, or charges per kilowatt, decatherm or million cubic feet; the energy charges, or charges per kilowatt hour or per therm; and the customer charges, or charges other than demand and energy charges, set forth in each base rate schedule, and the floor price employed in parity rate schedules, included in the utility's tariff filed with and approved by the board shall be increased by amounts determined by multiplying such charges by the adjustment factor, \( A_e \), derived below:
\[
A_{e,g} = \frac{(I_{e,g} \times [R_s/(1-R_e)])}{(B_{r,e,g})}
\]

where:

"A_{e,g}" means the adjustment factor applicable to electric base rates (e), gas base rates (g), or both, other than rates applicable to sales that were exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;

"I_{e,g}" means the utility's base year after-tax net income from electric or gas sales, or both, and transportation service subject to the board's jurisdiction and other operating revenue if such revenue is reflected in the utility's cost of service for ratemaking purposes, adjusted as approved by the board;

"B_{r,e,g}" means the utility's base year revenue from base rates applicable to electric or gas sales, or both, and transportation service subject to the board's jurisdiction, but excluding sales that were exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies;

"R_s" means the corporation business tax rate, expressed as a decimal;

"R_f" means the applicable federal corporation income tax rate expressed as a decimal; and

"R_e" equals R_s + R_f(1-R_s).

The utility shall account for the changes in tax liability provided for by this act effective January 1, 1998. Such accounting shall include the recording on the utility's income statement and balance sheet of deferred corporation business tax defined, for book accounting purposes, as differences in corporation business tax expense arising from timing differences in the recognition of revenue and expenses for book and tax purposes.

(3) When billed to the utility's customers, the adjusted base rate charges determined pursuant to paragraphs (1), (2), and (4) of this subsection, and the charges determined pursuant to the utility's levelized energy adjustment clause, levelized gas adjustment clause, or both, as determined both upon the effective date of the rate changes authorized by this act and as revised prospectively in accordance with the utility's tariff filed with and approved by the board, and the transitional energy facility assessment unit rate surcharges, hereinafter, "TEFA unit rate surcharges," determined in accordance with subsection d. of this section, shall be increased by an amount determined by multiplying such charges by the sales and use tax.
rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.). In addition to the utility's rates for service included in its tariff, for informational purposes the tariff shall include such rates after application of the sales and use tax authorized by this section.

(4) The utility's filing with the board to implement the rate changes provided for by this act shall include an analysis, description, and quantification of the effect of the changes in rates and tax payments implemented pursuant to this act on the utility's requirement for cash working capital, and if such requirement is less than the cash working capital allowed for the collection and payment of unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) in determining the utility's base rates in effect prior to the rate changes implemented pursuant to this act, and to the extent the working capital reduction is not offset by a reduction in net deferred taxes as provided for below, such base rates shall be reduced by the reduction in the utility's revenue requirement associated with the remaining reduction in the working capital requirement not so offset, if any. The reduction in working capital shall be determined by using the same methodology employed in establishing the working capital allowance related to unit-based energy taxes reflected in the utility's base rates in effect prior to the rate changes implemented pursuant to this act. The reduction in the utility's revenue requirement associated with the reduced working capital requirement shall be calculated using the utility's last overall rate of return allowed by the board, including provision for federal income taxes and the corporation business tax implemented pursuant to this act payable on the equity portion of the return, and shall be implemented on the effective date of the rate changes provided for, and in the manner set forth in paragraph (2) of this subsection.

If the utility's requirement for cash working capital is increased as a result of the changes in rates and tax payments implemented pursuant to this act, the utility may accrue carrying costs, calculated at its last overall rate of return allowed by the board and applied on a simple annual interest basis without compounding, on the increased working capital requirement and request recovery of such carrying costs in a rate proceeding before the board.

The working capital-related base rate changes and carrying cost accruals shall be subject to the board's approval, and shall not be included in the determination of the TEFA unit tax surcharges provided for in subsection d. of this section.

The utility's filing with the board to implement the rate changes provided for by this act shall also include an analysis, description and quantification of net deferred taxes. For the purposes of this section, "net deferred
"taxes" means deferred corporation business taxes, net of federal deferred income taxes, associated with the tax and rate changes implemented pursuant to this act, including deferred corporation business tax recorded in accordance with section 4 of P.L.1945, c.162 (C.54:10A-4), projected for the calendar year in which this act takes effect and for each year of the tax life of the asset giving rise to the deferred corporation business taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4).

If the change in such net deferred taxes projected for the calendar year in which the rate changes implemented pursuant to this act takes effect is negative and if the utility's requirement for working capital is reduced as a result of the changes in rates and tax payments implemented pursuant to this act, the working capital-related rate reduction that otherwise would have been implemented pursuant to this subsection shall be treated as set forth in subparagraph (a) or (b) of this paragraph. For the purposes of this act, a change in net deferred taxes is considered negative when it reduces an existing deferred tax liability or creates a deferred tax asset on the utility's balance sheet. An appropriate rate adjustment for the working capital impacts of this act, reflecting all relevant facts and circumstances at the time of the adjustment, shall be made in the year when the earlier of the following events occur:

(a) The year in which the reduction in carrying costs assumed for the rate reduction for working capital that would have been made but for this paragraph is no longer required to offset, on a present value basis, the annual carrying costs calculated on the accumulated balance of negative net deferred taxes projected to be recorded by the utility, its successors and assigns, over the tax life of the single asset account giving rise to such net deferred taxes pursuant to section 4 of P.L.1945, c.162 (C.54:10A-4). For the purposes of this subparagraph (a):

(i) Carrying costs and present values are to be computed using the weighted average after-tax rate of return approved by the board in the utility's last base rate proceeding.

(ii) The accumulated balance of such negative net deferred taxes shall include net deferred taxes associated with all assets and liabilities originally placed in service by the utility and held by the utility or a company affiliated with the utility regardless of whether or not such assets continue to be subject to regulation by the New Jersey Board of Public Utilities.

(b) The year in which both an appropriate working capital adjustment and the accumulated balance of negative deferred taxes, as described in (ii) of subparagraph (a) of this paragraph (4), are reflected in the utility's rate base in a rate proceeding before the board. It is the intent of this section to
fully compensate utilities on a present value basis, for the carrying costs associated with negative net deferred taxes arising as a result of this act, and to remit to ratepayers any credit due them as a result of any overcompensation as may have occurred due to the treatment of working capital and deferred taxes as set forth herein or in subparagraph (a) of this paragraph (4). At the time the above base rate adjustment is made, an analysis shall be made to determine if such carrying costs have been or will be fully recovered pursuant to the intent of this provision and any additional credit or charge to ratepayers to adjust for ratepayer overpayments or underpayments, if any shall be addressed.

If the change in net deferred taxes is positive, the increase shall be added to, or increase, the reduction in the utility's requirement for working capital if the requirement is reduced as a result of the rate and tax payment changes implemented pursuant to this act, or subtracted from the working capital requirement if it is increased, and the resultant net working capital requirement shall be reflected in rates or accrue carrying costs in the same manner as prescribed for changes in the utility's requirement for working capital above.

The deferred tax-related rate changes or carrying cost accruals shall be subject to the board's approval and shall not be included in the determination of the TEFA unit rate surcharges provided for in subsection d. of this section.

d. (1) Electric and gas utilities shall file, for the board's review and approval, initial TEFA unit rate surcharges determined by deducting from each unit-based energy tax unit tax rate effective January 1, 1997 the following: (a) An amount per kilowatthour or per therm determined by multiplying the total revenue received in the base year from sales to which that unit tax rate would have been applicable by the factor Ru/(1 + Ru), where Ru is the sales and use tax rate imposed under P.L.1966, c.30 (C.54:32B-1 et seq.) expressed as a decimal, and dividing the result by the kilowatthours or therms billed in that unit tax rate class in the base year; and (b) An amount per kilowatthour or per therm determined by dividing the revenue that would have been received in the base year from the inclusion, in the manner prescribed in paragraph (2) of subsection c. of this section, of the corporation business tax in the rates applicable to sales billed in that unit tax rate class by the kilowatthours or therms billed in that rate class. In each case, the determination shall reflect the effect of adjustments that affect the level of sales and revenue, if any, as provided in subsection c. of this section. Of the resultant rate per kilowatthour or per therm, the portion for recovery of the utility's transitional energy facilities assessment liability shall be determined by multiplying such rate by the factor (1 - Rs), where Rs is the corporation business tax rate expressed as a decimal. The TEFA unit rate surcharges shall constitute non-bypassable wires and/or mains
Charges of the utility, and shall be applied to all sales within the customer classes to which they apply, regardless of whether such customers are purchasing bundled or unbundled services from the utility, but shall not be applied to sales that were or are currently exempt from unit-based energy taxes formerly imposed pursuant to P.L.1940, c.5 (C.54:30A-49 et seq.) or to which section 59 of P.L.1997, c.162 (C.48:2-21.31) applies.

If, following the effective date of this act, a customer taking bundled service from the utility shall elect to obtain its requirements from another supplier and take transportation or wheeling service from the utility, the TEFA unit rate surcharge applicable to the bundled service shall continue to apply to the transportation or wheeling service. The TEFA components of the unit rate surcharges determined pursuant to this subsection (the components of the surcharges remaining after deducting the provision for corporation business tax included therein) shall be used to determine the transitional energy facility assessment liability pursuant to sections 36 through 49 of P.L.1997, c.162 (C.54:30A-100 through C.54:30A-113).

(2) Unless reduced pursuant to paragraphs (3) and (4) of this subsection, the initial TEFA unit rate surcharges are to be reduced annually on January 1, 1999 through January 1, 2001 by the following percentages:

<table>
<thead>
<tr>
<th>Date</th>
<th>Percentage</th>

<td>60%</td>
</tr>
</tbody>
</table>

(3) For each year beginning with calendar year 1998 and ending with calendar year 2001, the TEFA surcharge adjustment shall be determined as the difference between:

(a) The sum of the estimated, or actual when known, (i) TEFA liabilities, as defined in section 43 of P.L.1997, c.162 (C.54:30A-107), and sales and use taxes collected and corporation business taxes booked for the year 1998 by the gas and electric utilities and other entities subject to the TEFA provisions of this act (the year 1998 liability), and (ii) the TEFA liabilities of those utilities and entities in all years following the year 1998 through the year in which a determination is being made pursuant to this subsection (the determination year); and

(b) The sum of (i) the total of each remitter's base year liability, as defined in section 37 of P.L.1997, c.162 (C.54:30A-101), and (ii) the cumulative TEFA obligation, defined as the sum through the determination year of the amounts calculated by multiplying, for the applicable year, the percentage in the second column of the following table:
by the Year 1998 TEFA,
where the Year 1998 TEFA is calculated as the total of each remitter's base
year liability less the sales and use taxes collected and the corporation busi­
ness taxes booked for the privilege period ending in calendar year 1998 by
the gas and electric utilities and other entities subject to the TEFA provi­
sions of this act. For purposes of this subsection, the amounts assumed for
the determination year, including the year 1998 liability when first deter­
mined for the purposes of this subsection, shall be estimates based on nine
months of actual data through and including the month of September, and
three months of data forecast for the months of October through December.

(4) If the TEFA surcharge adjustment determined for the determination
year is positive (that is, if the amount determined pursuant to subparagraph
(a) of paragraph (3) of this subsection is greater than the amount deter­
mined pursuant to subparagraph (b) of paragraph (3) of this subsection), no
reduction shall be made in the reduction in the TEFA unit rate surcharges
provided for in paragraph (2) of this subsection for the year following the
determination year. If the TEFA surcharge adjustment is negative, the re­
duction in the TEFA unit rate surcharges that otherwise would have been
implemented on January 1 of the year following the determination year
pursuant to paragraph (2) of this subsection shall be reduced by an amount
(by percentage points) equal to the percentage the TEFA surcharge adjust­
ment is of the total of the base year transitional energy facility assessment
of all remitters, as defined in section 37 of P.L.1997, c.162 (C.54:30A-101),
provided however, that such reduction in the reduction in the TEFA unit
rate surcharges shall not exceed the percentage shown in paragraph (2) of
this subsection for that year; and provided further that in the first two years,
that such reduction shall not exceed 10 percentage points for each year.

(5) (a) The TEFA unit rate surcharges for calendar years 2002 through
2008 shall be the same as the TEFA unit rate surcharges in effect for calen­

(b) The TEFA unit rate surcharges in effect for calendar year 2008
shall be reduced on January 1, 2009 and January 1, 2010 by the following

e. The utility’s filing with the board to implement the rate changes provided for by this act shall include proof of revenue schedules that show for each rate schedule included in the utility’s tariff, aggregated by unit-based energy tax unit tax classes, the number of customers billed under the rate schedule, the billing determinants of such customers (i.e. the kilowatts of billing demand and kilowatthours of electric energy consumed, and the million cubic feet/decatherm subject to gas capacity-related charges and decatherm of gas consumed) and the associated revenue, both as booked in the base year and on a pro forma basis reflecting the rate changes implemented pursuant to this act. The proof of revenue shall additionally show the amount of unit-based energy taxes included in the base year revenue as booked, the unit-based energy taxes that would have been collected at the unit-based energy tax unit tax rates effective January 1, 1997, if different, as well as the corporation business tax, sales and use tax and transitional energy facility assessment revenue that would have been collected or received on a pro forma basis if the rates implemented pursuant to this act had been in effect in the base year.

f. The board may, in its discretion, permit the rate changes provided for this act to be implemented as part of a pending base rate case or other proceeding in which the utility’s rates are to be changed, provided that the effective date of the changes is not delayed beyond the date on which the changes would have been implemented under subsection c. of this section. The board may also, pursuant to its powers provided by law, permit or require further modifications in the implementation of this section to address unforeseen consequences arising out of the implementation of this act.

g. Customers of the utility who are exempt from the sales and use tax imposed on sales of gas and/or electricity or as a result of rate changes occurring prior to the effective date of this act or for other valid reasons are due a refund of sales or use tax inadvertently imposed on such customers as a result of implementing the rate changes provided for by this act shall file with the State Treasurer to obtain such refunds. The State Treasurer shall promptly notify the utility of customers granted refunds under this provision in order to prevent additional collections of the sales and use tax from such customers.

h. Public utilities providing telecommunications service regulated by the board shall file for the board’s review and approval revised tariffs that eliminate from the rates applicable to such service the excise tax liability
included therein pursuant to P.L.1940, c.4 (C.54:30A-16 et seq.), and shall include therein the corporation business tax calculated using the methodology used in calculating the adjustment factor set forth in paragraph (2) of subsection c. of this section. Subsection d. of this section shall not apply to telecommunication utilities, and telecommunication utilities subject to a plan of regulation other than rate base/rate of return shall additionally not be required to file the rate of return information required by paragraph (2) of subsection c. Such utilities shall, however, include a narrative and/or other documentation as required by the board to support the reasonableness of the after-tax income, which may be adjusted to eliminate the effect of non-recurring or other atypical events, on which the corporate business tax inclusion in rates is based. Telecommunications utilities shall comply with all other applicable provisions of this section.

i. (1) The board shall not adjust the rates of a public utility, as provided in subsections c. and d. of this section, for a purchase by a cogenerator of natural gas and the transportation of that gas, that is exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46). The board shall not allocate, in any future rate case, any sales and use tax, corporation business tax, or transitional energy facility assessment to rates for this purpose.

(2) The board shall adjust the rates, as provided in subsection c. of this section, for a purchase by a cogenerator of any quantity of natural gas and the transportation of that gas that is not exempt from sales and use tax pursuant to paragraph (2) of subsection b. of section 26 of P.L.1997, c.162 (C.54:32B-8.46).

(3) For the purposes of this section, "cogenerator" means a person or business entity that owns or operates a cogeneration facility in the State of New Jersey, which facility is a plant, installation or other structure whose primary purpose is the sequential production of electricity and steam or other forms of useful energy which are used for industrial, commercial, heating or cooling purposes, and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utility Regulatory Policies Act of 1978," Pub.L.95-617.

2. This act shall take effect immediately.

Approved July 8, 2006.

c. As used in this section, "fur clothing" means an article exempt from the tax imposed pursuant to the "Sales and Use Tax Act" pursuant to section 16 of P.L.1980, c.105 (C.54:32B-8.4) that is made of fur on the hide or pelt of an animal or animals and that fur is the component material of chief value...

e. The tax imposed pursuant to this section shall be governed by the provisions of the State Uniform Tax Procedure Law, R.S.54:48-1 et seq.

f. Notwithstanding any provision of P.L.1968, c.410 (C.52:148-1 et seq.) to the contrary, the director may adopt immediately upon filing with the Office of Administrative Law such regulations as the director deems necessary to implement the provisions of this act, which shall be effective for a period not to exceed 180 days following enactment of P.L.2006, c.41 (C.54:32G-1) and may thereafter be amended, adopted or readopted by the director in accordance with the requirements of P.L.1968, c.410.

2. This act shall take effect July 15, 2006 and apply to gross receipts from sales made on and after that date.

Approved July 8, 2006.

CHAPTER 43

AN ACT concerning the annual assessment on health maintenance organizations and amending P.L.2004, c.49.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 3 of P.L.2004, c.49 (C.26:2J-47) is amended to read as follows:

C.26:2J-47   Special interim assessment on HMOs, annual assessment beginning in FY2007; rates.

Prewritten software or a prewritten portion thereof that is modified or enhanced to any degree, where such modification or enhancement is designed and developed to the specifications of a specific purchaser, shall remain prewritten software; provided, however, that if there is a reasonable, separately stated charge or an invoice or other statement of the price given to the purchaser for such modification or enhancement, such modification or enhancement shall not constitute prewritten computer software. "Prewritten computer software" shall not include software delivered electronically.

13. Section 9 of P.L.1966, c.30 (C.54:32B-9) is amended to read as follows:

(3) The United Nations or any international organization of which the United States of America is a member where it is the purchaser, user or consumer, or where it sells services or property of a kind not ordinarily sold by private persons.

(b) Except as otherwise provided in this section any sale or amusement charge by or to any of the following or any use or occupancy by any of the following, where such sale, charge, use or occupancy is directly related to the purposes for which the following have been organized, shall not be subject to the sales and use taxes imposed under this act: a corporation, association, trust, or community chest, fund or foundation, organized and operated exclusively (1) for religious, charitable, scientific, testing for public safety, literary or educational purposes; or (2) for the prevention of cruelty to children or animals; or (3) as a volunteer fire company, rescue, ambulance, first aid or emergency company or squad; or (4) as a National Guard organization, post or association, or as a post or organization of war veterans, or the Marine Corps League, or as an auxiliary unit or society of any such post, organization or association; or (5) as an association of parents and teachers of an elementary or secondary public or private school exempt under the provisions of this subsection, shall not be subject to the sales and use taxes only if no part of the net earnings of the organization inures to the benefit of any private shareholder or individual, no substantial part of the activities of the organization is carrying on propaganda, or otherwise attempting to influence legislation, and the organization does not participate in, or intervene in (including the publishing or distributing of statements), any political campaign on behalf of any candidate for public office.

(c) Nothing in this section shall exempt from the taxes imposed under the "Sales and Use Tax Act":
(1) the sale of a motor vehicle by an organization described in subsection (b) of this section, unless the purchaser is an organization exempt under this section;

(2) retail sales of tangible personal property or digital property by any shop or store operated by an organization described in subsection (b) of this section, unless the tangible personal property or digital property was received by the organization as a gift or contribution and the shop or store is one in which substantially all the work in carrying on the business of the shop or store is performed for the organization without compensation and substantially all of the shop's or store's merchandise has been received by the organization as gifts or contributions or unless the purchaser is an organization exempt under this section; or

(3) the sale or use of energy or utility service to or by an organization described in paragraph (1) of subsection (a) or subsection (b) of this section.

(d) Any organization enumerated in subsection (b) of this section shall not be entitled to an exemption granted pursuant to this section unless it has complied with such requirements for obtaining a tax immunity authorization as may be provided in this act.

(e) Where any organization described in subsection (b) of this subsection carries on its activities in furtherance of the purposes for which it was organized, in premises in which, as part of those activities, it operates a hotel, occupancy of rooms in the premises and rents from those rooms received by the organization shall not be subject to tax under the "Sales and Use Tax Act."

(f) (1) Except as provided in paragraph (2) of this subsection, any admissions all of the proceeds of which inure exclusively to the benefit of the following organizations shall not be subject to any of the taxes imposed under subsection (e) of section 3 of P.L.1966, c.30 (C.54:32B-3):

(A) an organization described in paragraph (1) of subsection (a) or subsection (b) of this section;

(B) a society or organization conducted for the sole purpose of maintaining symphony orchestras or operas and receiving substantial support from voluntary contributions; or

(C) (Deleted by amendment, P.L.1999, c.416).

(D) a police or fire department of a political subdivision of the State, or a volunteer fire company, ambulance, first aid, or emergency company or squad, or exclusively to a retirement, pension or disability fund for the sole benefit of members of a police or fire department or to a fund for the heirs of such members.

(2) The exemption provided under paragraph (1) of this subsection shall not apply in the case of admissions to:
(A) Any athletic game or exhibition unless the proceeds shall inure exclusively to the benefit of elementary or secondary schools or unless in the case of an athletic game between two elementary or secondary schools, the entire gross proceeds from such game shall inure to the benefit of one or more organizations described in subsection (b) of this section;

(B) Carnivals, rodeos, or circuses in which any professional performer or operator participates for compensation;

(3) Admission charges for admission to the following places or events shall not be subject to any of the taxes imposed under subsection (e) of section 3 of P.L.1966, c.30 (C.54:32B-3):

(A) Any admission to agricultural fairs if no part of the net earnings thereof inures to the benefit of any stockholders or members of the association conducting the same; provided the proceeds therefrom are used exclusively for the improvement, maintenance and operation of such agricultural fairs.

(B) Any admission to a home or garden which is temporarily open to the general public as a part of a program conducted by a society or organization to permit the inspection of historical homes and gardens; provided no part of the net earnings thereof inures to the benefit of any private stockholder or individual.

(C) Any admissions to historic sites, houses and shrines, and museums conducted in connection therewith, maintained and operated by a society or organization devoted to the preservation and maintenance of such historic sites, houses, shrines and museums; provided no part of the net earnings thereof inures to the benefit of any private stockholder or individual.

14. Section 12 of P.L.1966, c.30 (C.54:32B-12) is amended to read as follows:

C.54:32B-12 Collection of tax from customer.

12. (a) Every person required to collect the tax shall collect the tax from the customer when collecting the price, service charge, amusement charge or rent to which it applies. If the customer is given any sales slip, invoice, receipt or other statement or memorandum of the price, service charge, amusement charge or rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the State.

(b) For the purpose of the proper administration of this act and to prevent evasion of the tax hereby imposed, and subject to the rules regarding the administration of exemptions authorized by the Streamlined Sales and Use
Tax Agreement, it shall be presumed that all receipts for property or services of any type mentioned in subsections (a), (b) and (c) of section 3, all rents for occupancy of the type mentioned in subsection (d) of said section, and all amusement charges of any type mentioned in subsection (e) of said section, are subject to tax until the contrary is established, and the burden of proving that any such receipt, amusement charge or rent is not taxable hereunder shall be upon the person required to collect tax or the customer. Unless a seller shall have taken from the purchaser a certificate, signed by the purchaser if in paper form and bearing the purchaser's name and address and the number of the purchaser's registration certificate, to the effect that the property or service was purchased for resale or the purchaser prior to taking delivery, furnishes to the seller any affidavit, statement or additional evidence, documentary or otherwise, which the director may require demonstrating that the purchaser is an exempt organization described in section 9(b)(1), the sale shall be deemed a taxable retail sale. Provided however, the director may, in the director's discretion, authorize a purchaser, who acquires tangible personal property, digital property or services under circumstances which make it impossible at the time of acquisition to determine the manner in which the tangible personal property, digital property or services will be used, to pay the tax directly to the director and waive the collection of the tax by the seller or provide for direct pay authority under rules adopted under the Streamlined Sales and Use Tax Agreement. Provided further, the director shall authorize any eligible person, as defined in section 34 of P.L.1997, c.162 (C.54:32B-14.1), who purchases natural gas from a non-utility on and after January 1, 1998 through December 31, 2002, to pay the tax on the commodity directly to the director and waive the collection of the tax by the seller. No such authority shall be granted or exercised except upon application to the director, and the issuance by the director of a direct payment permit. If a direct payment permit is granted, its use shall be subject to conditions specified by the director, and the payment of tax on all acquisitions pursuant to the permit shall be made directly to the director by the permit holder.

(c) The director may provide by regulation that the tax upon receipts from sales on the installment plan may be paid on the amount of each installment and upon the date when such installment is due. He may also provide by regulation for the exclusion from taxable receipts, amusement charges or rents of amounts subject, as applicable, to the provisions of section 30 of P.L.2005, c.126 (C.54:32B-12.1), representing sales where the contract of sale has been canceled, the property returned or the receipt, charge or rent has been ascertained to be uncollectible or, in the case the tax has been paid upon such receipt, charge or rent, for refund or credit of the tax so paid.
15. Section 15 of P.L.1966, c.30 (C.54:32B-15) is amended to read as follows:

C.54:32B-15 Certificate of registration; streamlined methods.

15. (a) On or before June 20, 1966, or in the case of persons commencing business or opening new places of business after such date, within three days after such commencement or opening, every person required to collect any tax imposed by this act and every person purchasing tangible personal property or digital property for resale shall file with the director a certificate of registration in a form prescribed by the director. In the case of a person commencing business or opening a new place of business on or after the first day of the third month following the enactment of P.L.1993, c.274 (C.40:52-i.3 et al.), the certificate shall be filed at least 15 business days before the commencement or opening. The director shall within five days after such registration issue, without charge, to each registrant a certificate of authority empowering the registrant to collect the tax and a duplicate thereof for each additional place of business of such registrant. Each certificate or duplicate shall state the place of business to which it is applicable. Such certificate of authority shall be prominently displayed in the place of business of the registrant. A registrant who has no regular place of doing business shall attach such certificate to his cart, stand, truck or other merchandising device. Such certificates shall be nonassignable and nontransferable and shall be surrendered to the director immediately upon the registrant's ceasing to do business at the place named.

(b) Any person who is not otherwise required to collect any tax imposed by this act and who makes sales to persons within the State of tangible personal property, digital property or services, the use of which is subject to tax under this act, may if he so elects file a certificate of registration with the director who may, in his discretion and subject to such conditions as he may impose, issue to him a certificate of authority to collect the compensating use tax imposed by this act.

(c) A seller that registers to pay or collect and remit sales or use tax in accordance with the terms of the Streamlined Sales and Use Tax Agreement may select one of the following methods of remittance or other method allowed by State law to remit the taxes collected, subject to the liabilities and conditions established pursuant to section 10 of P.L.2001, c.431 (C.54:32B-53):

(1) a model 1 seller, that selects a certified service provider as an agent to perform all the seller's sales or use tax functions, other than the seller's obligation to remit tax on its own purchases;
(2) a model 2 seller, that selects a certified automated system to use which calculates the amount of tax due on a transaction; or

(3) a model 3 seller, that uses its own proprietary automated sales tax system that has been certified as a certified automated system.

(d) A certified service provider in model 1 shall be allowed a monetary allowance in accordance with the terms of the contract that the states participating in the Streamlined Sales and Use Tax Agreement sign with the provider. The director shall prescribe the allowance in accordance with the terms of the contract, which shall be funded entirely from money collected in model 1.

A monetary allowance to a certified service provider may be based on one or more of the following incentives:

(1) A base rate that applies to taxable transactions processed by the provider.

(2) For a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

(e) A model 2 seller shall be allowed a monetary allowance which the director shall prescribe in accordance with the terms arrived at by the member states of the Streamlined Sales and Use Tax Agreement. The member states initially anticipate that they will provide a monetary allowance to sellers under model 2 based on the following:

(1) Each seller shall receive a base rate for a period not to exceed 24 months following the commencement of participation by the seller.

(2) For a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

(f) A model 3 seller and all other sellers that are not under model 1 or model 2 shall be allowed a monetary allowance which the director shall prescribe in accordance with the terms arrived at by the member states of the Streamlined Sales and Use Tax Agreement. The member states initially anticipate that they will provide a monetary allowance to sellers under model 3 and to all other sellers that are not under models 1 or 2 will be based on the following: for a period not to exceed 24 months following a voluntary seller's registration through the Streamlined Sales and Use Tax Agreement's central registration process, a percentage of tax revenue generated for a member

state by the voluntary seller for each member state for which the seller does not have a requirement to register to collect the tax.

16. Section 17 of P.L.1966, c.30 (C.54:32B-17) is amended to read as follows:

C.54:32B-17 Returns; streamlined systems; amnesty.
17. (a) Every person required to collect or pay tax under this act shall on or before August 28, 1966, and on or before the twentieth day of each month thereafter, make and file a return for the preceding month with the director. The return of a seller of tangible personal property, digital property or services shall show his receipts from sales and also the aggregate value of tangible personal property, digital property and services sold by him, the use of which is subject to tax under this act, and the amount of taxes required to be collected with respect to such sales and use. The return of a recipient of amusement charges shall show all such charges and the amount of tax thereon, and the return of a person required to collect tax on leases or rentals shall show all lease or rental payments received or charged and the amount of tax thereon.

(b) The director may permit or require returns to be made covering other periods and upon such dates as he may specify. In addition, the director may require payments of tax liability at such intervals and based upon such classifications as he may designate. In prescribing such other periods to be covered by the return or intervals or classifications for payment of tax liability, the director may take into account the dollar volume of tax involved as well as the need for insuring the prompt and orderly collection of the taxes imposed.

(c) The form of returns shall be prescribed by the director and shall contain such information as he may deem necessary for the proper administration of this act. The director may require amended returns to be filed within 20 days after notice and to contain the information specified in the notice.

(d) Pursuant to the Streamlined Sales and Use Tax Agreement, the director is authorized to accept certified automated systems and certified service providers to aid in the administration of the collection of the tax imposed under the "Sales and Use Tax Act".

(e) Subject to the limitations of this subsection and other provisions of the "Sales and Use Tax Act":

(1) In addition to the powers of the director prescribed pursuant to section 24 of P.L.1966, c.30 (C.54:32B-24) and the "State Uniform Tax Procedure Law," R.S.54:48-1 et seq., and notwithstanding the provisions of any other law to the contrary, the director shall grant "amnesty" for uncollected or unpaid sales or use tax to a seller that registers to collect and remit appli-
cable sales or use tax on sales made to purchasers in this State in accordance with the terms of the Streamlined Sales and Use Tax Agreement, provided that the seller was not so registered in this State in the twelve-month period preceding the commencement of this State's participation in the agreement.

(2) Under terms of the "amnesty" granted pursuant to paragraph (1) of this subsection, a seller that registers shall not be assessed for uncollected or unpaid sales or use tax and shall not be assessed penalties or interest for sales made during the period the seller was not registered in this State, provided that the seller registers pursuant to paragraph (1) of this subsection within twelve months of the effective date of this State's participation in the Streamlined Sales and Use Tax Agreement.

(3) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available to a seller with respect to any matter for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes.

(4) The limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall not be available for sales or use taxes already paid or remitted to the State or to taxes already collected by the seller.

(5) The "amnesty" limitations on deficiency assessments, penalties and interest pursuant to paragraph (2) of this subsection shall be in full effect and the director shall not assess deficiencies for uncollected or unpaid sales or use tax and shall not assess penalties or interest for sales made during the period the seller was not registered in this State so long as the seller continues registration and continues collection and remittance of applicable sales or use taxes for a period of at least 36 months; provided however that the director may make such assessments by reason of the seller's fraud or intentional misrepresentation of a material fact. The statutes of limitations applicable to asserting tax liabilities, deficiencies, penalties and interest are tolled for this 36 month period.

(6) The "amnesty" granted pursuant to paragraph (1) of this subsection shall apply only to sales or use taxes due from a seller in its capacity as a seller and shall not apply to sales or use taxes due from a seller in its capacity as a buyer.

17. Section 33 of P.L.2005, c.126 (C.54:32B-28.1) is amended to read as follows:
33. a. The effective date of any sales and use tax rate change shall be the first day of a calendar quarter and a sales and use tax rate change for services covering a period starting before and ending after that effective date shall first apply as follows: for a rate increase, the new rate shall apply to the first billing period starting on or after the effective date, and for a rate decrease, the new rate shall apply to bills rendered on or after the effective date;

b. The State shall make a reasonable effort to: provide sellers with as much advance notice as practicable of a rate change, limit the effective date of a rate change to the first day of a calendar quarter, and notify sellers of legislative changes in the tax base and amendments to sales and use tax rules and regulations; however, failure of a seller to receive notice or failure of the State to provide notice or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use taxes;

c. Any exemption, exception or exclusion from sales and use taxation shall be enacted only in accordance with the applicable provisions of the Streamlined Sales and Use Tax Agreement;

d. The State shall be subject to the uniform rules for the remittance of funds as provided in the Streamlined Sales and Use Tax Agreement;

e. The State shall be subject to the privacy and confidentiality provisions provided in the Streamlined Sales and Use Tax Agreement for participants in the system and consumers who deal with Model 1 sellers;

f. The uniform rules for the recovery of bad debts contained in the Streamlined Sales and Use Tax Agreement shall be in effect; and

g. The State shall not use registration with the central registration system and the collection of sales and use taxes in the member states as a factor in determining whether the seller has nexus with this State for any tax at any time.

18. Section 1 of P.L.2003, c.114 (C.54:32D-1) is amended to read as follows:

C.54:32D-1 State hotel and motel occupancy fee.

1. a. In addition to any other tax, assessment or use fee authorized by law, there is imposed and shall be paid a hotel and motel occupancy fee of 7% for occupancies on and after August 1, 2003 but before July 1, 2004, and of 5% for occupancies on and after July 1, 2004, upon the rent for every occupancy of a room or rooms in a hotel subject to taxation pursuant to subsection (d) of section 3 of P.L. 1966, c.30 (C:54:32B-3), which every person required to collect tax shall collect from the customer when collect-

tenth day following a certification by the Director of the Division of Budget
and Accounting in the Department of the Treasury pursuant to subsection d.
of section 2 of P.L.2003, c.114 (C.54:32D-2), no such fee shall be paid or
collected; and provided further that:

(1) the combined rates of the fee imposed under this section, plus the tax
imposed under the "Sales and Use Tax Act", P.L.1966, c.30 (C.54:32B-1 et
seq.), plus any tax imposed under P.L.1947, c.71 (C.40:48-8.15 et seq.), shall
not exceed a total rate of 14%, and to the extent that the total combined rate of
taxation for the listed fees and taxes would exceed 14%, the fee imposed under
this section shall be reduced so that the total combined rate equals 14%;

(2) the combined rates of the fee imposed under this section, plus the
tax imposed under the "Sales and Use Tax Act", P.L.1966, c.30 (C.54:32B-1
et seq.), plus any tax and assessment imposed under section 4 of P.L.1992,
c.165 (C.40:54D-4), shall not exceed a total rate of 14%, and to the extent
that the total combined rate of taxation for the listed fees and taxes would
exceed 14%, the fee imposed under this section shall be reduced so that the
total combined rate equals 14%; and

(3) the fee imposed under this section shall be at the rate of 1% in a city in
which the tax authorized under P.L.1981, c.77 (C.40:48E-1 et seq.) is imposed.

b. The hotel and motel occupancy fee imposed by subsection a. of this
section shall not be imposed on the rent for an occupancy if the purchaser,
user or consumer is an entity exempt from the tax imposed on an occu­
pancy under the "Sales and Use Tax Act" pursuant to subsection (a) of sec­

c. Terms used in this section shall have the meaning given those terms
pursuant to section 2 of P.L.1966, c.30 (C.54:32B-2).

19. Notwithstanding the provisions of sections 3 and 6 of P.L.1966,
c.30 (C.54:32B-3 and 54:32B-6) to the contrary, from July 15, 2006
through September 30, 2006 the rate of tax imposed pursuant to the “Sales
and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.) shall be 7%.

20. This act shall take effect immediately, provided however that sec­
tions 3, 4, 10 and 18 shall remain inoperative until July 15, 2006 and pro­
vided further that sections 1, 2, 5 through 9, and 11 through 16 shall remain
inoperative until October 1, 2006.

Approved July 8, 2006.

CHAPTER 45, LAWS OF 2006

$1,100,000, and either has general fund tax levy per pupil that exceeds $9,000 or a concentration of low-income pupils that exceeds 30 percent; (c) contiguous to an "Abbott district" and has at least one school with a concentration of low-income pupils equal to or greater than 20 percent; (d) a county vocational school district in which 51 percent or more of its resident enrollment is comprised of students who reside in an "Abbott district;" or (e) a district that qualified for High Expectations for Learning Proficiency Aid in FY 2006 but does not qualify for aid in FY 2007 under (a), (b), (c) or (d) above. Each school district that qualifies for High Expectations for Learning Proficiency Aid under (a), (b), (c), or (d) shall receive the same proportion of $15,000,000 as its projected October enrollment bears to the total projected October 2006 enrollment of all such districts; in addition such school district shall receive such additional amount as may be required to increase the amount of High Expectations for Learning Proficiency Aid that the district receives in the 2006-2007 school year to the amount of High Expectations for Learning Proficiency Aid the district received in the 2005-2006 school year, and in addition, any school district that was eligible for High Expectations for Learning Proficiency Aid pursuant to the State aid report released by the Department of Education on March 23, 2006, shall receive the greater of the amount of such aid as calculated herein or the amount of aid to which the district is entitled pursuant to the State aid report. A district that qualifies for aid under (e) above shall receive that same amount of aid in FY 2007 as it received in FY 2006. As used hereinabove, "district factor group" shall be determined by the commissioner using 2000 federal decennial census data; "equalized valuation per pupil" and "general fund tax levy per pupil" shall be as determined by the commissioner for the school year 2005-06; and "concentration of low-income pupils" shall be as defined in section 3 of P.L.1996, c.138 (C.18A:7F-3), except that ASSA data shall be as of October 2005.

Such sums received in the "School District Deficit Relief Account," established pursuant to P.L.2006, c.15 (C.18A:7A-54 et seq.), including loan repayments, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting. Receipts from nonpublic schools handicapped and auxiliary recoveries are appropriated for the payment of additional aid in accordance with section 17 of P.L.1977, c.192 (C.18A:46A-14) and section 14 of P.L.1977, c.193 (C.18A:46-19.8).

Notwithstanding the provisions of section 14 of P.L.1977, c.193 (C.18A:46-19.8) for the purpose of computing Nonpublic Handicapped Aid for pupils requiring the following services, the per pupil amounts for the 2006-2007 school year shall be: $1,372.20 for an initial evaluation or reevaluation for examination and classification; $380.00 for an annual review for examination and classification; $930.00 for speech correction; and $826.00 for supplementary instruction services, provided however, that the commissioner may adjust the per pupil amounts based upon the nonpublic pupil population and the need for services.

Notwithstanding the provisions of section 9 of P.L.1977, c.192 (C.18A:46A-9), the per pupil amount for compensatory education for the 2006-2007 school year for the purposes of computing Nonpublic Auxiliary Services Aid shall equal $856.25, provided however, that the commissioner may adjust the per pupil amount based upon the nonpublic pupil population and the need for services.

Notwithstanding the provisions of section 9 of P.L.1991, c.226 (C.18A:40-31), the amount appropriated hereinabove for Nonpublic Nursing Services Aid shall be made available to local school districts based upon the number of pupils enrolled in each nonpublic school on the last day prior to October 16, 2005 and the rate per pupil shall be $74.25. Nonpublic Technology Initiative aid shall be paid to school districts and allocated for nonpublic school pupils at the rate of $40.00 per pupil in a manner that is consistent with the provisions of the federal and State constitutions.
The amount hereinabove appropriated for Extraordinary Special Education Costs Aid shall be charged first to receipts of the supplemental fee established pursuant to section 2 of P.L.2003, c.113 (C.46:15-7.1) credited to the Extraordinary Aid Account. Notwithstanding any provisions of that law to the contrary, the amount appropriated for Extraordinary Special Education Costs Aid from receipts deposited in the Extraordinary Aid account shall not exceed the amount appropriated hereinabove.

Notwithstanding any other law or regulation to the contrary, the amount provided to each district from the amounts hereinabove appropriated for Consolidated Aid and Additional Formula Aid shall be included in the calculation of the spending growth limitation pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5).

Notwithstanding any law to the contrary, the amount hereinabove appropriated for Consolidated Aid shall be allocated in a manner that provides those districts that have not experienced a continued decline in enrollment with the amount payable for Consolidated Aid in the 2005-2006 school year. Districts are defined as experiencing a continued decline in two categories: (1) any district in which the resident enrollment has declined or remained the same each year, starting with October 2001 and ending October 2005, or (2) any district in which the resident enrollment has declined or remained the same each year, starting with October 2002 and ending October 2005. A district in category (1) shall have its Consolidated Aid allocation reduced by the sum of the percentage difference between the October 2005 enrollment and the October 2001 enrollment applied to its 2005-2006 allocation of Consolidated Aid and the percentage difference between the October 2004 enrollment and October 2001 enrollment applied to its 2004-2005 allocation of Consolidated Aid. A district in category (1) in which the total special education enrollment has declined or remained the same each year, starting with the October 2001 and ending October 2005, shall have its Consolidated Aid allocation further reduced by the difference in the special education enrollment in October 2001 and October 2005 within each tier classification multiplied by the corresponding special education cost factor used in 2001-2002. A district in category (2) shall have its Consolidated Aid allocation reduced by the sum of the percentage difference between the October 2005 enrollment and the October 2002 enrollment applied to its 2005-2006 allocation of Consolidated Aid and the percentage difference between the October 2004 enrollment and October 2002 enrollment applied to its 2004-2005 allocation of Consolidated Aid. A district in category (2) in which the total special education enrollment has declined or remained the same each year, starting with the October 2002 and ending October 2005, shall have its Consolidated Aid allocation further reduced by the difference in the special education enrollment in October 2002 and October 2005 within each tier classification multiplied by the corresponding special education cost factor used in 2001-2002. For the purposes of this provision, the October 2001 resident enrollment refers to the projected resident enrollment. All other resident enrollment figures refer to the actual resident enrollment based on the information reported to the department on the Application for State School Aid for applicable year.

Notwithstanding any law to the contrary, the amount hereinabove appropriated for Consolidated Aid shall be allocated in a manner that provides those districts that have not experienced a continued decline in enrollment with the amount payable for Consolidated Aid in the 2005-2006 school year. Districts are defined as experiencing a continued decline in two categories: (1) any "non-Abbott district" in which the resident enrollment has declined or remained the same each year, starting with October 2001 and ending October 2005, or (2) any "non-Abbott district" in which the resident enrollment has declined or remained the same each year, starting with October 2002 and ending October 2005. A district in category (1) shall have its Consolidated Aid
allocation reduced by the difference between the October 2005 enrollment and the October 2001 enrollment multiplied by $44. A district in category (2) shall have its Consolidated Aid allocation reduced by the difference between the October 2005 enrollment and the October 2002 enrollment multiplied by $44. For the purposes of this provision, the October 2001 resident enrollment refers to the projected resident enrollment. All other resident enrollment figures refer to the actual resident enrollment based on the information reported to the department on the Application for State School Aid for applicable year.

The Commissioner of Education shall not authorize the disbursement of funds to any “Abbott district” until the commissioner is satisfied that all educational expenditures in the district will be spent effectively and efficiently in order to enable those students to achieve the core curriculum content standards. The commissioner shall be authorized to take any affirmative action as is necessary to ensure the effective and efficient expenditure of funds for the implementation of all of the Abbott v. Burke programs, reforms and remedies. In furtherance of this responsibility, the Commissioner shall complete the comprehensive fiscal audits of Newark, Jersey City, Paterson, and Camden by November 2006, and complete all remaining fiscal audits and programmatic evaluations of the Abbott districts to ensure timely decision on the districts’ FY2008 budgets, as required by the May 9, 2006 order in Abbott v. Burke. In addition, in fulfilling this responsibility, the Commissioner shall promulgate regulations to govern the receipt and expenditure of State aid by the Abbott districts and the programs, positions and services supported thereby. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.), any such regulations adopted by the commissioner shall be deemed adopted immediately upon filing with the Office of Administrative Law, except that any such regulations related to the submission of district budgets shall be adopted in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), and such regulations shall remain in effect for a minimum of two years, as provided in the May 9, 2006 order in Abbott v. Burke. In order to expeditiously fulfill the responsibilities of the commissioner under Abbott v. Burke, determinations by the commissioner hereunder shall be considered to be final agency action and appeal of that action shall be directly to the Appellate Division of the Superior Court.

Of the amount hereinabove appropriated for Education Opportunity Aid, an amount not to exceed $13,531,000, shall be transferred to the Department of Education’s operating budget, subject to the approval of the Director of the Division of Budget and Accounting, for the purpose of managing and supervising implementation of Abbott program, reforms and remedies. In addition, the unexpended balance at the end of the preceding fiscal year in the Education Opportunity Aid account is appropriated for the same purpose and may also be transferred to the Department of Education’s operating budget, subject to the approval of the Director of the Division of Budget and Accounting.

The Commissioner shall, within 90 days prepare a budget to carry out all the department’s Abbott responsibilities, and to account for the amount of Abbott funds it receives. The Commissioner shall also, within 90 days, prepare a plan for evaluating the Abbott programs and reforms, for implementation of a student-level database, and for establishment of baseline data and progress benchmarks for each Abbott district linked to State curriculum standards. In formulating the plan, the Commissioner shall solicit the advice of Abbott stakeholders, and once finalized, shall disseminate the plan to the public.

The amount appropriated hereinabove for Education Opportunity Aid shall provide resources to equalize spending between “I” and “J” districts and “Abbott districts” and provide aid to fund additional needs of “Abbott districts.” Notwithstanding any other
law to the contrary, Education Opportunity Aid shall be provided to each "Abbott
district" whose per pupil regular education expenditure for 2006-2007 under P.L.1996,
c.138 is below the estimated per pupil average regular education expenditure of
districts in district factor groups "I" and "J" for 2006-2007. The minimum amount of
aid shall be determined as follows: funds shall be allocated in the amount of the
difference between each "Abbott district’s" per pupil regular education expenditure for
2006-2007 and the actual per pupil average regular education expenditure of
districts in district factor groups "I" and "J" for 2005-2006 indexed by the actual percentage
increase in the actual per pupil average regular education expenditure of districts in district
factor groups "I" and "J" for 2006-2007 over the per pupil average regular education
expenditure of districts in district factor groups "I" and "J" for 2004-2005. In
calculating the per pupil regular education expenditure of each "Abbott district" for
2006-2007, regular education expenditure shall equal the sum of the general fund tax
levy for 2005-2006, Core Curriculum Standards Aid, Supplemental Core Curriculum
Standards Aid, and all forms of stabilization aid pursuant to section 10 of P.L.1996,
c.138 (C.18A:7F-10); enrollments shall initially be those resident enrollments for
preschool through grade 12 contained on the Application for State School Aid for
2006-2007 indexed by the district’s enrollment growth rate used to determine the
estimated enrollments of October 2006; enrollments shall be calculated at their
full-time equivalent and reduced by preschool and one half of full-day kindergarten
enrollments. State aid shall be adjusted upon receipt of resident enrollment for the
"Abbott districts” as of October 13, 2006 as reflected on the Application for State
School Aid for 2007-2008. In calculating the actual per pupil regular education
expenditure of each "Abbott district” for 2006-2007, regular education expenditure
shall equal the sum of the actual general fund tax levy for 2006-2007, Core Curriculum
Standards Aid, Supplemental Core Curriculum Standards Aid, and all forms of
shall also be adjusted based on the actual per pupil average regular education
expenditure of districts in district factor groups “I” and “J” for 2006-2007. In
calculating the actual per pupil average regular education expenditure of districts in
district factor groups “I” and “J” for 2006-2007, regular education expenditure shall
equal the sum of the general fund tax levy for 2006-2007, Core Curriculum Standards
Aid, Supplemental Core Curriculum Standards Aid, and all forms of stabilization aid
pursuant to section 10 of P.L.1996, c.138 (C.18A:7F-10); enrollments shall be the
resident enrollment for preschool through grade 12 as of October 13, 2006 as reflected
on the Application for State School Aid for 2007-2008; enrollments shall be calculated
at their full-time equivalent and reduced by preschool and one half of full-day kindergarten
enrollments in districts receiving Early Childhood Program Aid.

Of the amount hereinabove appropriated for Education Opportunity Aid, each "Abbott
districts” allocation shall be the greater of the amount calculated in accordance with
the provisions hereinabove for equalized spending or the district’s final adjusted 2005-
2006 Education Opportunity Aid, including any supplemental award. The district’s
Education Opportunity Aid allocation shall be reduced by an amount equal to any
general fund tax levy increase required by the commissioner. After calculating the
"Abbott district’s” actual regular education expenditure, State aid shall be reduced by
the difference between the required general fund tax levy increase and the total general

The amount hereinabove appropriated for Education Opportunity Aid shall also be used to
ensure that every "Abbott district” is at parity and to implement other priorities as
established by the commissioner. Any "Abbott district” that fails to submit any
required documentation or fails to submit its annual audit by November 15, 2006 may
have its State aid withheld upon the commissioner's request to the Director of the
Division of Budget and Accounting.
Notwithstanding any other law to the contrary, as a condition of receiving Education
Opportunity Aid, an "Abbott district" shall examine all available group options for
every insurance policy held by the district, including any self-insurance plan
administered by the New Jersey School Boards Association Insurance Group on behalf
of districts, and shall participate in the most cost effective plans. As a further condition,
all "Abbott districts" shall take steps to maximize the district's participation in the
federal Universal Service Program (E-rate) and the ACT telecommunications program
offered through the New Jersey Association of School Business Administrators, shall
participate in the ACES energy program offered through the New Jersey Association of
School Boards Association unless a district can demonstrate that it receives the goods or
services at a cost less than or equal to the cost achieved by participants, and shall take
appropriate steps to maximize the district's participation in the Special Education
Medicaid Initiative (SEMI) program, with maximum participation defined by the
Commissioner of Education and shall refinance all outstanding debt for which a three
percent net present value savings threshold is achievable. An "Abbott district" that fails
to meet any of these requirements may have payment of Education Opportunity Aid
withheld until such time as these requirements are met. The commissioner is authorized
to establish any additional condition on the disbursement of Education Opportunity Aid
that the commissioner deems appropriate to ensure effective and efficient spending in
the "Abbott districts."
Notwithstanding any other law to the contrary, as a condition of receiving Education
Opportunity Aid, an "Abbott district" shall raise a general fund tax levy which shall be
no less than the sum of the general fund tax levy raised in 2005-2006 and the increase
in the levy from 2005-2006 to 2006-2007 that may be required by the commissioner.
The required levy increase shall be such that an "Abbott district's" total equalized tax
rate shall not be below 110 percent of the State average total equalized tax rate unless
such increase would result in an increase in the average household's tax liability of
more than $125 when using the 2005 tax data as published by the Department of
Community Affairs.
Notwithstanding any law to the contrary, the allocation of the amount hereinabove
appropriated for Education Opportunity Aid to an "Abbott district" shall be reduced
by the amount of proceeds received by the district from the sale of district surplus
property, which shall be appropriated by the district for regular education operations.
Surplus property means that property which is not being replaced by other property
under a grant agreement with the New Jersey Schools Construction Corporation.
The amount appropriated hereinabove as Abbott Preschool Expansion Aid is for the
purpose of funding the increase in the approved budgeted costs from 2001-2002 to
2006-2007 for the projected expansion of preschool programs in "Abbott districts"
2001–2002, the increase in approved budgeted costs for the purpose of funding will be
based on the year "Abbott" status was obtained. Payments of Abbott Preschool
Expansion Aid shall be based on documented expansion of the preschool program.

The amounts hereinabove appropriated for Payments for Medical Assistance Recipients—Nursing Homes are available for the payment of obligations applicable to prior fiscal years.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services and the Medical Services for the Aged program classification in Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 2007 are appropriated for payments to providers in the same program class from which the recovery originated.

The Division of Medical Assistance and Health Services in the Department of Human Services and the Department of Health and Senior Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division of Medical Assistance and Health Services and the Department of Health and Senior Services shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.
Notwithstanding the provisions of any other law to the contrary, a sufficient portion of receipts generated or savings realized in the Medical Services for the Aged Grants-In-Aid accounts from initiatives included in the current fiscal year appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Department of Health and Senior Services to fund the costs of enhanced audit recovery efforts of the department within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law to the contrary, reimbursement for nursing facility services, which are funded hereinabove in the Payments for Medical Assistance Recipients-Nursing Homes account, shall be 50% of the per diem rate when a Medicaid beneficiary is hospitalized. These payments shall be limited to the first 10 days of the hospitalization. Medicaid reimbursement for nursing facility services shall be discontinued beyond the 10th day of the hospitalization.

The funds hereinabove appropriated for Payments for Medical Assistance Recipients-Medicaid High Occupancy-Nursing Homes shall be distributed for patient services among those nursing homes where the Medicaid patient day occupancy level is at or above 75%. Each such facility shall receive its distribution through a prospective per diem rate adjustment according to the following formula: 

\[ E = \frac{A \times F}{T} \]

where \( E \) is the entitlement for a specific nursing home resulting from this allocation; \( A \) is Medicaid days; \( T \) is Medicaid days; \( x \) is the total reported Medicaid days for all affected nursing homes; and \( F \) is the total amount of State and federal funds to be distributed. No nursing home shall receive a total allocation greater than the amount lost, due to adjustments in Medicaid reimbursement methodology, which became effective April 1, 1995. Any balances remaining undistributed, from the abovementioned amount, shall be deposited in a reserve account in the General Fund.

Notwithstanding the provisions of any other law or regulation to the contrary, each prescription order dispensed in the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program for Maximum Allowable Cost (MAC) drugs, which are appropriated hereinabove in the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program, shall state "Brand Medically Necessary" in the prescriber's own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs, and each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.).

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements or other instruments. Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount Program benefits shall be void, and no PAAD and Senior Gold

...
Prescription Discount Program payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be $5.00.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 2003, no State funds are appropriated for a Drug Utilization Review Council in the Department of Health and Senior Services and therefore the functions of the Council shall cease.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the Senior Gold Prescription Discount program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program. Provided further that for fiscal year 2007, the Commissioner of Health and Senior Services, in consultation with the State Treasurer, shall negotiate and implement additional measures to maximize savings and cost recoveries in the PAAD and Senior Gold Prescription Discount Programs to ensure that the State of New Jersey is an aggressively cost-conscious purchaser of prescription drugs.

Notwithstanding the provisions of any other law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for prescription claims with no Medicare Part D coverage except under the following conditions: (a) reimbursement for prescription drugs shall be based on the Average Wholesale Price (AWP) less a 12.5% discount. In accordance with the federal Deficit Reduction Act of 2005, effective January 1, 2007, reimbursement for single source innovator drugs shall be calculated using the retail survey price or AWP less a 20% discount, whichever is lower; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $4.07 shall remain in effect through the current fiscal year, including the current increments for patient consultation, impact allowances and allowances for 24-hour emergency services; and (c) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Department of Health and Senior Services or its authorizing agent, however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Review Board or brand name drugs with a lower cost per unit than the generic may be excluded from prior authorization by the Department of Health and Senior Services.

In addition to the amount hereinabove, there are appropriated from the General Fund and available federal matching funds such additional sums as may be required for the
payment of claims, credits and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior Gold Prescription Discount Program are available to pharmacies that have not submitted an application to enroll as an approved medical supplier in the Medicare program, unless they already are an approved Medicare medical supplier. Pharmacies shall not be required to bill Medicare directly for Medicare Part B drugs and supplies, but must agree to allow PAAD to bill Medicare on their behalf by completing and submitting an electronic data interchange (EDI) form to PAAD. Beneficiaries are responsible for the applicable PAAD or Senior Gold Prescription Discount Program copayment.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program shall be used to pay for quantities of erectile dysfunction therapy medication in excess of four treatments per month. Moreover, payment will only be provided if the diagnosis of erectile dysfunction is written on the prescription form and the treatment is provided to males over the age of 18 years. Furthermore, no payments for erectile dysfunction therapy will be made on behalf of sex offenders.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Health and Senior Services shall have the authority to establish a voluntary prescription drug mail-order program. The mail-order program may waive, discount or rebate the beneficiary copay and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Health and Senior Services and the Director of the Division of Budget and Accounting.

At any point during the year, and notwithstanding the provisions of any other law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Health and Senior Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Health and Senior Services, through the Department of Human Services, providing for the payment of rebates to the State on the same basis as provided for in section 1927(a) through (c) of the Federal Social Security Act, 42 U.S.C.s.1396r-8(a)-(c). Provided further that for fiscal year 2007, the Commissioner of Health and Senior Services, in consultation with the State Treasurer, shall negotiate and implement additional measures to maximize savings and cost recoveries in the PAAD and Senior Gold Prescription Discount Programs to ensure that the State of New Jersey is an aggressively cost-conscious purchaser of prescription drugs.

From the amount hereinafore appropriated for the Senior Gold Prescription Discount Program, an amount not to exceed $3,850,000 may be transferred to various accounts as required, including Direct State Services accounts, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law to the contrary and subject to the notice provisions of 42 CFR 447.205, for rates implemented on or after July 1, 2000, target occupancy as determined pursuant to N.J.A.C.8:85-3.16 shall not apply to those facilities receiving enhanced rates of reimbursement pursuant to N.J.A.C.8:85-2.21. The per diem amounts for all other expenses of the enhanced rates shall be based upon
reasonable base period costs divided by actual base period patient days, but no less than 85% of licensed bed days shall be used.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred between the various items of appropriation within the Medical Services for the Aged and Programs for the Aged program classifications to ensure the continuity of long-term care support services for beneficiaries receiving services within the Medical Services for the Aged program classification in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law to the contrary, effective January 1, 2005, no payment for Medicaid Adult or Pediatric Medical Day Care services, as hereinabove appropriated in the Medical Day Care Services account, shall be provided unless the services are prior authorized by professional staff designated by the Department of Health and Senior Services.

From the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Nursing Homes, the Commissioner of Health and Senior Services shall increase the reasonableness limit for total nursing care up to 120% of the median costs in the Medicaid nursing home rate-setting system during the current fiscal year.

Such sums as may be necessary, not to exceed $70,840,000, for payments for the Lifeline Credit and Tenants’ Lifeline Assistance programs, may be credited from the Energy Assistance program account in the Board of Public Utilities to the Lifeline program account and shall be applied in accordance with a Memorandum of Understanding between the President of the Board of Public Utilities and the Commissioner of Health and Senior Services, subject to the approval of the Director of the Division of Budgeting and Accounting.

Such sums as may be necessary are appropriated from the General Fund for the payment of increased nursing home rates to reflect the costs incurred due to the payment of a nursing home provider assessment, pursuant to the “Nursing Home Quality of Care Improvement Fund Act,” P.L.2003, c.105 (C.26:2H-92 et seq.) and P.L.2004, c.41, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriations hereinabove for Medical Day Care Services is conditioned upon rate increases for the nursing home provider assessment not being included in the calculation of the Adult/Pediatric Day Care payment rates.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriations hereinabove to the Pharmaceutical Assistance to the Aged and Disabled (PAA/D) programs is conditioned upon the Department of Health and Senior Services coordinating the benefits of the PAA/D programs with the prescription drug benefits of the federal Medicare Prescription Drug, Improvement, and Modernization Act of 2003 as the primary payer due to the current federal prohibition against State automatic enrollment of PAA/D recipients in the new federal program. The PAA/D benefit and reimbursement shall only be available to cover the beneficiary cost share to in-network pharmacies and for deductible and coverage gap costs (as determined by the Commissioner of Health and Senior Services) associated with enrollment in Medicare Part D for beneficiaries of the PAA/D and Senior Gold programs, and for Medicare Part D premium costs for PAA/D beneficiaries.

Notwithstanding the provisions of any other law or regulation to the contrary, effective January 1, 2006, no funds appropriated in the Pharmaceutical Assistance to the Aged or Pharmaceutical Assistance to the Aged and Disabled (PAA/D) and Senior Gold
program accounts shall be available as payment as a PAA/D or Senior Gold benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal Medicare Prescription Drug, Improvement, and Modernization Act of 2003 and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAA/D) recipients, no funds hereinabove appropriated from the PAA/D accounts shall be expended for any individual unless the individual enrolled in a PAA/D program provides all data that may be necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriations hereinabove for the Pharmaceutical Assistance to the Aged, Pharmaceutical Assistance to the Aged and Disabled, and Senior Gold programs shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any other laws or regulations to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAA/D) Program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and appeals of coverage determinations. PAA/D is authorized to represent program beneficiaries in the pursuit of such coverage. PAA/D representation shall not result in any additional financial liability on behalf of such program beneficiaries and shall include, but need not be limited to, the following actions: application for the premium and cost-sharing subsidies on behalf of eligible program beneficiaries; pursuit of appeals, grievances, or coverage determinations; facilitated enrollment in a prescription drug plan or MA-PD plan. If the beneficiary declines enrollment in any Medicare Part D plan, the beneficiary shall be barred from all benefits of the PAA/D Program.

Notwithstanding the provisions of any law to the contrary, the appropriation hereinabove for the ElderCare Initiatives program shall be conditioned upon the following provision: State funded home and community care (Jersey Assistance for Community Caregiving (JACC)) benefits paid incorrectly on behalf of JACC beneficiaries may be recovered from individuals found ineligible.

The monies hereinabove appropriated for “global budget” shall only be expended if federal approvals are received for such a program and only if federal Medicaid reimbursement or other federal matching funds are available to support the State appropriation.

Notwithstanding the provisions of any law or regulation to the contrary, $12,000,000 of the Payments for Medical Assistance Recipients — Nursing Homes account shall be distributed as follows: (a) Nursing Homes entitled to receive funds from the Medicaid High Occupancy — Nursing Homes account shall receive 75% of the amount such nursing homes would otherwise be entitled to pursuant to N.J.A.C. 8:85-3.19; and (b) any remaining funds shall be proportionally distributed among the remaining nursing homes not entitled to receive funds from the Medicaid High Occupancy — Nursing Home account, as determined by the Commissioner of the Department of Health and Senior Services.

The amounts hereinabove appropriated for Nursing Home, Assisted Living, Community Care Alternatives, Medical Day Care Services, Global Budget Long-Term Care Initiative, and Medicaid High Occupancy are conditioned upon the Commissioner of Health and Senior Services making changes to such programs to make them consistent with the federal Deficit Reduction Act of 2005.
Notwithstanding the provisions of any other laws or regulations to the contrary, in order to maximize drug coverage under Medicaid Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare Drug Program, including appeals of coverage determinations. Senior Gold is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold representation shall include, but not to be limited to the following actions: pursuit of appeals, grievances, or coverage determinations.

In addition to the amount hereinabove, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, credits and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the Medical Services for the Aged program classification, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

For the purposes of account balance maintenance, all object accounts in the Medical Services for the Aged program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services, but ensure that no overspending will occur in the program classification.

Notwithstanding the provisions of any other laws or regulations to the contrary, in order to maximize prescription drug coverage under Medicare Part D, the Pharmaceutical Assistance to the Aged and Disabled (PAAD) Program shall be designated the authorized representative for the purposes of coordinating benefits with Medicare Part D, including enrollment and appeals of coverage determinations. Notwithstanding the provisions of any other law to the contrary, the Commissioner of Health and Senior Services shall devise, at the commissioner’s discretion, rules or guidelines that allocate reductions in health service grants to the extent possible toward administration, and not client services.

Any change in program eligibility criteria and increases in the types of services or rates paid for services to or on behalf of clients for all programs under the purview of the Department of Health and Senior Services, not mandated by federal law, shall first be approved by the Director of the Division of Budget and Accounting.

For the purposes of account balance maintenance, all object accounts appropriated in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.
Notwithstanding any law to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: the Commissioner of Human Services shall have the authority to convert individuals enrolled in a State-funded program who are also eligible for a federally matchable program, to the federally matchable program without the need for regulations. In addition to the amounts hereinabove appropriated for payments to providers on behalf of medical assistance recipients, such additional sums as may be required are appropriated from the General Fund to cover costs consequent to the establishment of presumptive eligibility for children and pregnant women in the Medicaid (Title XIX) program and the NJ FamilyCare program as defined in P.L.2005, c.156 (C.30:4J-8 et al.).

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance for the Aged program is eliminated.

Notwithstanding the provisions of any other law to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25% of the gross recovery.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program class from which the recovery originated.

The amount appropriated hereinabove for the Division of Medical Assistance and Health Services first is to be charged to the federal disproportionate share hospital reimbursements anticipated as Medicaid uncompensated care.

Notwithstanding any other law to the contrary, a sufficient portion of receipts generated or savings realized in Medical Assistance Grants-in-Aid accounts from initiatives may be transferred to the Health Services Administration and Management accounts to fund costs incidental to realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding any law to the contrary and subject to federal approval, the Commissioner of Human Services is authorized to develop and introduce Optional Service Plan Innovations to enhance client choice for users of Medicaid optional services, while containing expenditures.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 CFR 447.205, of the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Personal Care, personal care assistant services shall be limited to no more than 25 hours per week.

The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The Division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources that is not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan as shall be submitted by the Commissioner of Human Services. The Division of Medical Assistance and Health Services is empowered to competitively bid and contract for performance of federally mandated inpatient hospital utilization reviews, and the funds necessary for the contracted utilization review of these hospital
services are made available from the Payments for Medical Assistance Recipients-Inpatient Hospital account, subject to the approval of the Director of the Division of Budget and Accounting. Such sums as may be necessary are available from the Health Care Subsidy Fund to supplement Payments for Medical Assistance Recipients-Inpatient Hospital, subject to the approval of the Director of the Division of Budget and Accounting. Notwithstanding any other laws to the contrary, State funding for the New Jersey Health ACCESS program shall cease, and all enrollment shall be terminated as of July 1, 2001, or at such later date as shall be established by the Commissioner of Human Services. Notwithstanding the provisions of any law or regulation to the contrary, the NJ FamilyCare program benefit service packages, premium contributions, copayment levels, enrollment levels, and any other program features or operations may be modified as the Commissioner of Human Services deems necessary based upon a plan approved by the Director of the Division of Budget and Accounting to ensure that monies expended for the NJ FamilyCare program do not exceed the amount appropriated hereunder. Notwithstanding any provision of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), to the contrary, the Commissioner of Human Services shall adopt immediately upon filing with the Office of Administrative Law such regulations as the Commissioner deems necessary to ensure that monies expended for the NJ FamilyCare program do not exceed the amount appropriated hereunder. Such regulation may change or adjust the financial and non-financial eligibility requirements for some or all of the applicants or beneficiaries in the program, the benefits provided, cost-sharing amounts, or may suspend in whole or in part the processing of applications for any or all categories of individuals covered by the program. Notwithstanding any other law to the contrary, those hospitals that are eligible to receive a Hospital Relief Subsidy Fund (HRSF) payment as appropriated hereinabove in the Payments for Medical Assistance Recipients-Inpatient Hospital program shall receive enhanced payments from the Medicaid program for providing services to Medicaid and NJ FamilyCare beneficiaries. The total payments shall not exceed the amount appropriated and shall be allocated among hospitals proportionately based on the amount of HRSF payments (excluding any adjustments to the HRSF for other Medicaid payment increases). Interim payments shall be made from the Hospital Relief Offset Payment account, based on an estimate of the total enhanced amount payable to a qualifying hospital, and subject to cost settlement. The enhanced payment, determined at cost settlement, shall be an amount approved by the Director of the Division of Budget and Accounting per Medicaid patient day, adjusted by a volume variance factor (the ratio of expected Medicaid inpatient days to actual Medicaid inpatient days for the rate year) and an HRSF factor (the ratio of the hospital’s HRSF payments to total HRSF payments) and subject to a pro rata adjustment so that the total enhanced per diem amounts are equivalent to the total State and federal funds appropriated not to exceed an amount to be approved by the Director of the Division of Budget and Accounting. The total of these payments shall be reduced by an amount equal to any increase in Medicaid and NJ FamilyCare fee-for-service payments to New Jersey hospitals enacted herein or subsequent to this legislation. Notwithstanding any other law to the contrary for those hospitals that qualify for a Hospital Relief Subsidy Fund payment, the State Medicaid program shall reimburse those hospitals Graduate Medical Education outpatient payments up to the amount the hospital would have received under Medicare principles of reimbursement for Medicaid and NJ FamilyCare fee-for-service beneficiaries. Payments shall be made from and are appropriated hereinabove in the Hospital Relief Offset Payment account, and shall be based on the qualifying hospitals' first finalized 1996 cost reports. The
amount that the qualifying hospital would otherwise be eligible to receive from the Hospital Relief Subsidy Fund shall be reduced by the amount of this Graduate Medical Education outpatient payment. The total amount of these payments shall not exceed an amount approved by the Director of the Division of Budget and Accounting in combined State and federal funds. In no case shall these payments and all other enhanced payments related to those services primarily used by Medicaid and NJ FamilyCare beneficiaries that the hospital receives exceed the amount the hospital would otherwise have been eligible to receive from the Hospital Relief Subsidy Fund in the State fiscal year.

Of the amounts appropriated in State and federal funds in the Hospital Relief Offset Payment accounts in the Department of Human Services, Division of Medical Assistance and Health Services, such sums as may be necessary shall be transferred to the Hospital Relief Subsidy Fund within the Health Care Subsidy Fund established pursuant to P.L.1992, c.160 (C26:2H-18.51 et seq.) to maximize federal revenues related to these accounts and maintain an appropriate level of hospital payments, subject to the approval of the Director of the Division of Budget and Accounting.

Rebates from pharmaceutical manufacturing companies during the current fiscal year for prescription expenditures made to providers on behalf of Medicaid clients are appropriated for the Payments for Medical Assistance Recipients-Prescription Drugs account. Provided further that for fiscal year 2007, the Commissioner of Human Services, in consultation with the State Treasurer, shall negotiate and implement additional measures to maximize savings and cost recoveries in the Payments for Medical Assistance Recipients-Prescription Drugs, NJ FamilyCare, and General Assistance Medical Services prescription drugs programs to ensure that the State of New Jersey is an aggressively cost-conscious purchaser of prescription drugs.

Notwithstanding the provisions of any other law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, no funds appropriated for prescription drugs in the Payments for Medical Assistance Recipients-Prescription Drugs or General Assistance Medical Services account shall be expended except under the following conditions: (a) reimbursement for the cost of legend, and non-legend drugs, and nutritional supplements, shall not exceed the Average Wholesale Price (AWP) less a 12.5% discount. In accordance with the federal Deficit Reduction Act of 2005, effective January 1, 2007, reimbursement for single source innovator drugs shall be calculated using the retail survey price or AWP less a 20% discount, whichever is lower; (b) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $4.07 shall remain in effect through the current fiscal year, including the current increments for patient consultation, impact allowances, and allowances for 24-hour emergency services; and (c) multisource generic and single source brand name drugs shall be dispensed without prior authorization but multisource brand name drugs shall require prior authorization issued by the Division of Medical Assistance and Health Services or its authorizing agent; however, a 10-day supply of the multisource brand name drug shall be dispensed pending receipt of prior authorization. Certain multisource brand name drugs with a narrow therapeutic index, other drugs recommended by the Drug Utilization Board or brand name drugs with lower cost per unit than the generic, may be excluded from prior authorization by the Division of Medical Assistance and Health Services.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 CFR 447.205, approved nutritional supplements which are funded hereinabove in the Payments for Medical Assistance Recipients-Prescription Drug program shall be reimbursed in accordance with a fee schedule set by the Director of the Division of Medical Assistance and Health Services.
CHAPTER 45, LAWS OF 2006

No funding shall be provided from the General Assistance Medical Services or NJ FamilyCare programs for anti-retroviral drugs for the treatment of HIV/AIDS, as specified in the Department of Health and Senior Services’ Formulary for the AIDS Drugs Distribution Program (ADDP).

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriation in the General Assistance Medical Services account hereinabove shall be conditioned upon the following provisions which shall apply to the dispensing of prescription drugs through that account: (a) all Maximum Allowable Cost (MAC) drugs dispensed shall state “Brand Medically Necessary” in the prescriber’s own handwriting if the prescriber determines that it is necessary to override generic substitution of drugs; and (b) each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.). The list of drugs substituted shall conform to all requirements pertaining to drug substitution and federal upper limits for MAC drugs as administered by the State Medicaid Program.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Division of Medical Assistance and Health Services to fund the costs of enhanced audit recovery efforts of the division within the General Medical Services program classification, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriations in the Payments for Medical Assistance Recipients-Prescription Drugs, General Assistance Medical Services, and NJ FamilyCare accounts shall be conditioned upon the following provision: each prescription order for protein nutritional supplements and specialized infant formulas dispensed shall be filled with the generic equivalent unless the prescription order states “Brand Medically Necessary” in the prescriber’s own handwriting.

Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Outpatient Hospital, an amount not to exceed $1,900,000 is allocated for limited prenatal medical care for New Jersey pregnant women who, except for financial requirements, are not eligible for any other State or federal health insurance program.

Of the revenues received as a result of sanctions to health maintenance organizations participating in Medicaid Managed Care, an amount not to exceed $500,000 is appropriated to the NJ KidCare A - Administration account to improve access to medical services and quality care through such activities as outreach, education, and awareness, subject to the approval of the Director of the Division of Budget and Accounting.

Non-contracted hospitals providing emergency services to Medicaid or NJ FamilyCare members enrolled in the managed care program shall accept, as payment in full, the amounts that the non-contracted hospital would receive from Medicaid for the emergency services and/or any related hospitalization if the beneficiary were enrolled in Medicaid fee-for-service.

Notwithstanding the provisions of subsection (b) of N.J.A.C.10:60-5.3 and subsection (a) of N.J.A.C.10:60-5.4 to the contrary, a person receiving the maximum number of Early and Periodic Screening, Diagnosis and Treatment/Private Duty Nursing (EPSDT/PDN) services, that is, 16 hours in any 24-hour period, may be authorized to receive additional PDN hours if private health insurance is available to cover the cost of the additional hours and appropriate medical documentation is provided that indicates that additional PDN hours are required and that the primary caregiver is not qualified to provide the additional PDN hours.

Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Clinic Services, an amount not to exceed $1,900,000 is allocated for limited prenatal medical care provided by clinics, or in the case of radiology and clinical
laboratory services ordered by a clinic, for New Jersey pregnant women who, except for financial requirements, are not eligible for any other State or federal health insurance program.

Additional federal Title XIX revenue generated from the claiming of family planning services payments on behalf of individuals enrolled in the Medicaid managed care program is appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

The Division of Medical Assistance and Health Services (DMAHS), in coordination with the county welfare agencies, shall continue a program to outstation eligibility workers in disproportionate share hospitals and federally qualified health centers.

The amount appropriated hereinabove for Payments for Medical Assistance Recipients-Other Services, NJ FamilyCare, and NJ KidCare may be used to pay financial rewards to individuals or entities who report instances of health care-related fraud and/or abuse involving the programs administered by DMAHS (including, but not limited to, the New Jersey Medicaid and NJ FamilyCare programs), or the Pharmaceutical Assistance to the Aged and Disabled (PAAD) or Work First New Jersey General Public Assistance programs. Rewards may be paid only when the reports result in a recovery by DMAHS, and only if other conditions established by DMAHS are met, and shall be limited to 10% of the recovery or $1,000, whichever is less. Notwithstanding any State law to the contrary, but subject to any necessary federal approval and/or change in federal law, receipt of such rewards shall not affect an applicant’s individual financial eligibility for the programs administered by DMAHS, or for PAAD or Work First New Jersey General Public Assistance programs.

Of the amount hereinabove appropriated for Eligibility Determination, an amount not to exceed $630,000 is allocated for increased eligibility determination costs related to immigrant services.

Premiums received from families enrolled in the NJ FamilyCare program established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.) are appropriated for NJ FamilyCare payments.

Of the amount hereinabove appropriated for the NJ FamilyCare program, there shall be transferred to various accounts, including Direct State Services and State Aid accounts, such amounts, not to exceed $6,000,000, as are necessary to pay for the administrative costs of the program, subject to the approval of the Director of the Division of Budget and Accounting.

The Commissioners of Human Services and Health and Senior Services shall establish a system to utilize unopened prescription drugs at nursing facilities issued to patients at such facilities and which have not exceeded their expiration date.

Notwithstanding the provisions of any law or regulation to the contrary, from the amount appropriated hereinabove for the Payments for Medical Assistance Recipients-Inpatient Hospital program, the Commissioner of Human Services shall establish a disease management program to improve the quality of care for beneficiaries of the Division of Medical Assistance and Health Services and reduce costs in the General Medical Services program.

Notwithstanding the provisions of any other law to the contrary, no funds appropriated for the Medicaid program as hereinabove appropriated in the Payments for Medical Assistance Recipients-Prescription Drugs account are available to any pharmacy that does not agree to allow Medicaid to bill on its behalf any third party, as defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3), by participating in a billing agreement executed between the State and the pharmacy.

Notwithstanding the provisions of any other law to the contrary, effective January 1, 2005, inpatient hospital reimbursements for Medical Assistance services for dually eligible individuals shall exclude Medicare Part A crossover payments according to a plan
designed by the Commissioner of Human Services and approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of N.J.A.C.10:49-7.1 et seq. to the contrary and subject to approval by the federal government, the Division of Medical Assistance and Health Services shall increase reimbursement for ambulance services, including BLS emergency and nonemergency ambulance services and specialty care transport services, provided to Medicaid recipients who are also Medicare eligible to the applicable Medicare rate.

Notwithstanding the provisions of any other law or regulation to the contrary, and subject to the notice provisions of 42 CFR 447.205 where applicable, the appropriation in the Payments for Medical Assistance Recipients-Physician Services account shall be conditioned upon the following provisions: (a) reimbursement for the cost of physician-administered drugs shall be consistent with reimbursement for legend and non-legend drugs; and (b) reimbursement for selected high cost physician-administered drugs shall be limited to those drugs supplied by manufacturers who have entered into the federal Medicaid Drug Rebate Agreement and are subject to drug rebate rules and regulations consistent with this agreement. The Division of Medical Assistance and Health Services shall collect and submit utilization and coding information to the Secretary of the United States Department of Health and Human Services for all single source drugs administered by physicians.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriation hereinabove for Payments for Medical Assistance Recipients-Prescription Drugs shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug until such time as the original prescription is 85% finished.

Notwithstanding the provisions of any other law or regulation to the contrary, the appropriation hereinabove for Payments for Medical Assistance Recipients-Outpatient Hospital shall be conditioned upon the following provision: certifications shall not be granted for new or re-locating off-site hospital-based entities in accordance with N.J.A.C.10:52-1.3 with the exception of providers whose services are deemed necessary to meet special needs by the Division of Medical Assistance and Health Services.

Of the amount hereinabove appropriated for Payments for Medical Assistance Recipients-Prescription Drugs, such sums as are necessary are available for payment of Medicare Part D copayments and for certain pharmaceuticals not included in the Part D provider formularies for those individuals who are dually eligible for Medicaid and Medicare. These funds shall only be available to cover copayments and non-formulary drugs to pharmacies participating in the federal Medicare Part D program. Payments for pharmaceuticals not included in the Part D formularies may be subject to prior
authorization. The Department of Human Services may require proof of appeal or may appeal the Medicare Part D formulary decision on behalf of a dual-eligible client.

Notwithstanding the provision of any other law to the contrary, no funds appropriated in the Payments for Medical Assistance Recipients-Prescription Drugs line item shall be expended for the payment of claims for pharmaceuticals not included in the Part D provider formularies of Medicare Part D eligibles unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services providing for the payment of rebates to the State on the same basis as provided for in section 1927(a) through (c) of the federal Social Security Act, 42 U.S.C. s.1396r-8(a) - (c). All rebates received are appropriated for the Medical Assistance Recipients-Prescription Drugs account. Provided further that for fiscal year 2007, the Commissioner of Human Services, in consultation with the State Treasurer, shall negotiate and implement additional measures to maximize savings and cost recoveries in the Payments for Medical Assistance Recipients-Prescription Drugs program to ensure that the State of New Jersey is an aggressively cost-conscious purchaser of prescription drugs.

Notwithstanding the provision of any other law or regulation to the contrary, effective July 1, 2006, distribution of the Graduate Medical Education (GME) payment to eligible acute care teaching hospitals shall not be in excess of, or cause an individual hospital to exceed its federal disproportionate share hospital upper payment limits.

Notwithstanding the provision of any other law or regulation to the contrary, effective October 1, 2006, payments from the Payments for Medical Assistance Recipients-Outpatient Hospital account for outpatient hospital reimbursement for psychiatric services provided as an outpatient hospital service to eligible individuals age 22 or older, shall be paid at the lower of charges or prospective hourly rates as established by the Commissioner of Human Services. Costs related to such services shall be excluded from outpatient hospital costs settlements.

The amounts hereinaabove appropriated for Personal Care, Managed Care, Hospital Relief Offset Payments, Other Treatment Facilities, Inpatient Hospital, Prescription Drugs, Outpatient Hospital, Physician Services, Home Health Care, Medicare Premiums, Dental Services, Psychiatric Hospital, Medical Supplies, Clinic Services, Transportation Services, Other Services, Eligibility Determination Services, and Health Benefit Coordination Services are conditioned upon the Commissioner of Human Services making changes to such programs to make them consistent with the federal Deficit Reduction Act of 2005.

All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

The Division of Developmental Disabilities is authorized to transfer funds from the Dental
Program for Non-Institutionalized Children account to the Division of Medical Assistance and Health Services, in proportion to the number of program participants who are Medicaid eligible.

Excess State funds realized by federal involvement through Medicaid in the Dental Program for Non-Institutionalized Children are committed for the program's support during the subsequent fiscal year, rather than for expansion.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Amounts that become available as a result of the return of persons from private institutional care placements, including in-State and out-of-State placements, shall be available for transfer to community and community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Cost recoveries from skill development homes during the fiscal year ending June 30, 2007, not to exceed $12,500,000, are appropriated for the continued operation of the Skill Development Homes program, subject to the approval of the Director of the Division of Budget and Accounting.

The total amount appropriated in the Community Services Waiting List Reduction Initiative-FY2002, the Community Transition Initiative-FY2002, and the Community Nursing Care Initiative-FY2002 accounts are available for transfer to community support programs, subject to the approval of the Director of the Division of Budget and Accounting.
Notwithstanding the provisions of Title 30 of the Revised Statutes or any other law or regulation to the contrary, the Director of the Division of Developmental Disabilities is authorized to waive statutory, regulatory, or licensing requirements in the use of funds appropriated hereinafore for the implementation of a self-determination pilot program including participants from the Community Services Waiting List Reduction Initiatives-FY1997 through FY2002, subject to the approval of a plan by the Director of the Division of Developmental Disabilities, which will allow an individual to be removed from the waiting list. This waiver also applies to those persons identified as part of the Community Transition Initiative-FY2001 and FY2002, and the Community Nursing Care Initiative-FY2002, who choose self-determination.

Cost recoveries from developmentally disabled patients and residents collected during the fiscal year ending June 30, 2007, not to exceed $5,500,000, are appropriated for the continued operation of the Group Homes program, and an additional amount, not to exceed $20,630,000, is appropriated for Community Services Waiting List Reduction Initiatives, subject to the approval of the Director of the Division of Budget and Accounting.

Such sums as may be necessary are appropriated from the General Fund for the payment of any provider assessments to State Intermediate Care Facilities/Mental Retardation facilities, subject to the approval of the Director of the Division of Budget and Accounting of a plan to be submitted by the Commissioner of Human Services. Notwithstanding any other law to the contrary, only the federal share of funds anticipated from these assessments shall be available to the Department of Human Services for the purposes set forth in P.L.1998, c.40 (C.30:6D-43 et seq.).

From the amounts hereinafore appropriated for the Community Services Waiting List Reduction Initiative-FY2002 and the Community Transition Initiative-FY2002 accounts, such funds as are necessary may be transferred to various administrative accounts as required, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any other law to the contrary, expenditures of federal Community Care Waiver funding received for community-based programs in the Division of Developmental Disabilities are limited to $268,712,000. Federal funding received above this level must be approved by the Director of the Division of Budget and Accounting in accordance with a plan submitted by the Department of Human Services.

In order to permit flexibility in the handling of appropriations and assure timely payment of provider services, funds may be transferred within the Grants-in-Aid accounts within the Division of Developmental Disabilities, subject to the approval of the Director of the Division of Budget and Accounting.

The unexpended balance at the end of the preceding fiscal year in the Developmental Center Enhancement account is appropriated.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private Institutional Care account to the Group Homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Cost recoveries from skill development homes during the fiscal year ending June 30, 2007, not to exceed $12,500,000, are appropriated for the continued operation of the Skill Development Homes program, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law to the contrary, the Higher Education Student Assistance Authority shall provide to students enrolled in public institutions of higher education who are eligible for maximum awards under the Tuition Aid Grants program hereinabove appropriated an increase above the fiscal year 2006 award amount equal to the difference between the in-State undergraduate 2005-2006 tuition rate for the institution and the institution’s in-State undergraduate 2004-2005 tuition rate with comparable increases provided to students eligible for maximum awards enrolled at independent institutions. Within the limits of available appropriations as determined by the Higher Education Student Assistance Authority, part-time grant awards shall be pro-rated against the full-time grant award for the applicable institutional sector established pursuant to N.J.S.18A:71B-21 as follows: an eligible student enrolled with six to eight credits shall receive one-half of the value of a full-time award and an eligible student enrolled with nine to eleven credits shall receive three-quarters of a full-time award. Students shall apply first for all other forms of federal student assistance grants and scholarships; student eligibility for the tuition aid grant awards program for part-time enrollment at a community college shall in other respects be determined by the authority in accordance with the criteria established pursuant to N.J.S.18A:71B-20, other than the criterion for full-time enrollment.

Amounts from the unexpended balance at the end of the preceding fiscal year, including refunds recognized after July 31, 2006, in the Part-Time Tuition Aid Grants for County Colleges account are appropriated, subject to the approval of the Director of the Division of Budget and Accounting. From the amount hereinabove appropriated for the Teaching Fellows Program the authority shall establish a Teaching Fellows Program that shall provide direct loans to finance the undergraduate study of academically talented students who have leadership potential and who are interested in teaching in a public school in the State. The program shall also provide for the redemption of a portion of each eligible student’s loan expenses for each year of full-time employment as a teacher in a subject area of critical need or in a high-needs district.

Notwithstanding any law or regulation to the contrary, any institution of higher education which participates in the Student Unit Record Enrollment data system may participate in the Outstanding Scholars Recruitment Program.

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to the approval of the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25% of unanticipated grant awards, and up to 25% of increases in previously anticipated grant awards for which no State matching funds are required except for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated, and any such grants intended to prevent threats to homeland security up to 100% of previously anticipated or unanticipated grant award amounts for which no State matching funds are required, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are
received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 2006, of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 2007, reports on proposed expenditures during the current fiscal year for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide services under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the Director deems improper.

The sum herein appropriated to the Department of Transportation for the Hudson-Bergen Light Rail Transit System is hereby appropriated, to the extent necessary, to pay the principal of and interest on the grant anticipation notes issued by the New Jersey Transit Corporation.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, and within the federal matching funding, in the Division of Medical Assistance and Health Services in the Department of Human Services, and within the Medical Services for the Aged program classification, and within the federal matching funding, in the Division of Senior Services in the Department of Health and Senior Services, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as
an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State Administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development’s agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

8. 14. The unexpended balances at the end of the preceding fiscal year in accounts that are funded by Interfund Transfers are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

15. Notwithstanding any other provisions in this act or the provisions of any other law to the contrary, no unexpended balances at the end of the preceding fiscal year are appropriated without the approval of the Director of the Division of Budget and Accounting, except that the Legislative Branch of State government shall be exempt from this provision. The Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of those instances in which unexpended balances are not appropriated pursuant to this section.

16. The administrative costs of the Special Education Medicaid Initiative (SEMI) and the Medicaid Administrative Claiming (MAC) program, including the participation of a consultant, are appropriated and shall be paid from the revenue received, subject to the approval of the Director of the Division of Budget and Accounting.

   a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of
appropriation to a different item of appropriation. For the purposes of this section, “item of appropriation” means the spending authority identified by an organization code, appropriation source, and program code, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

1. Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

2. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account, as defined by major object 6, within an item of appropriation, from or to a different item of appropriation;

3. Requests for the transfer of State and other nonfederal funds, in amounts greater than $50,000, to or from any Special Purpose or Grant account in which the identifying organization code, appropriation source, and program code, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

4. Requests for the transfer of State funds, in amounts greater than $50,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

5. Requests for the transfer of federal funds, in amounts greater than $300,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item, as defined by the program class;

6. Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget
Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance subject to the approval of the Director of the Division of Budget and Accounting. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative or Judicial branches of State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency or necessity under the Other Interdepartmental Accounts program classification and transfers from the appropriations to the various accounts in the category of Salary Increases and Other Benefits, both in the Inter-Departmental Accounts, shall not be subject to legislative approval or disapproval.

18. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefor, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

19. The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the presentation of the Governor’s Budget Recommendation Document dated March 21, 2006.

20. None of the funds appropriated to the Executive Branch of State government for Information Processing, Development, Telecommunications, and Related Services and Equipment shall be available to pay for any of these services or equipment without the review of the Office of Information Technology, and compliance with statewide policies and standards and an approved department Information Technology Strategic Plan; authorization and approval by the Office of Information Technology is required for expenditure of amounts in excess of $2,500, as shall be specified by Circular Letter.
21. If the sum provided in this act for a State aid payment pursuant to formula is insufficient to meet the full requirements of the formula, all recipients of State aid shall have their allocation proportionately reduced, subject to the approval of the Director of the Division of Budget and Accounting.

22. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and the director is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be that officer's duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

23. The Director of the Division of Budget and Accounting is empowered and it shall be the director's duty in the disbursement of funds for payment of expenses classified as salary increases and other benefits, employee benefits, debt service, rent, telephone, data processing, motor pool, insurance, travel, postage, lease payments on equipment purchases, additions, improvements and equipment, and compensation awards to credit or transfer to the Department of the Treasury, to an Inter-Departmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated or credited thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source, or to reimburse the Department of the Treasury, an Inter-Departmental account, or the General Fund for reductions made representing statewide savings in the above expense classifications, as the director shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

24. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, or disaster.

25. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.
26. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

27. Notwithstanding any law to the contrary, should appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Property Tax Relief Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

28. Notwithstanding any law to the contrary, should appropriations in the Casino Revenue Fund exceed available revenues, the Director of the Division of Budget and Accounting is authorized to transfer General Fund unreserved, undesignated fund balances into the Casino Revenue Fund, providing unreserved, undesignated fund balances are available from the General Fund, as determined by the Director of the Division of Budget and Accounting.

29. No funds shall be expended by any State Department in the Executive Branch in connection with a contract for the production of films, videotapes, video conferences, video-assisted training or multi-media projects that include video images unless the New Jersey Public Broadcasting Authority (PBA) has the opportunity to match any successful bid as part of any formal or informal contract award process. This is not a requirement to award a contract to PBA since the decision to award a contract may also be based on non-cost considerations.

30. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium as if it were a State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

31. Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or the department head's designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the director deems improper.

32. Whenever any county, municipality, school district or a political subdivision thereof withholds funds from a State agency, or causes a State agency to make payment on behalf of a county, municipality, school district or a political subdivision thereof, then the Director of the Division of Budget and Accounting may withhold State aid payments and transfer the same as payment for such funds, as the Director of the Division of Budget and Accounting shall determine.
33. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

34. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from the fund. The director shall make regulations governing disbursement from petty cash funds.

35. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

36. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in the State Treasurer’s custody, deposited with the State Treasurer pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds established pursuant to statutes that provide for interest earnings to accrue to those funds, all such transfers shall be without interest. If the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State’s general investments and such sums as are necessary shall be appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

37. Bonds or notes issued under this act shall be issued and sold in the same manner, and subject to the same restrictions, as applicable to bonds of an authority authorized to be issued pursuant to the "municipal and county utilities authorities law," P.L. 1957, c. 183 (C. 40: 14B-1 et seq.), including specifically sections 25 through 33 (C. 40: 14B-25 through C. 40: 14B-33).

An authority formed pursuant to P.L. 2006, c. 46 (C. 30: 9-23.15 et al.) shall be deemed to be a municipal authority for the purposes of sections 59, 62, 63, 64, and 65 of P.L. 1957, c. 183 (C. 40: 14B-59 and C. 40: 14B-62 through C. 40: 14B-65), and those sections shall be applicable to a municipal hospital authority and its bonds as authorized pursuant to P.L. 2006, c. 46 (C. 30: 9-23.15 et al.). P.L. 2006, c. 46 (C. 30: 9-23.15 et al.) shall be construed liberally to effectuate the legislative intent and as complete and independent authority for the performance by a municipal hospital authority of each and every act and thing herein authorized.

For purposes of P.L. 2006, c. 46 (C. 30: 9-23.15 et al.), “costs” means, in addition to the usual connotations thereof, the cost of acquisition or construction of all or any part of a hospital and of all or any property, rights, easements, privileges, or agreements deemed by the authority to be necessary or useful and convenient therefor or in connection therewith, including interest or discount on bonds, cost of issuance of bonds, and legal expenses, cost of financial, professional and other estimates and advice, organization, administrative, operating and other expenses of the authority or of a hospital owned by the authority prior to and during such acquisition or construction, and all such other expenses as may be necessary or incident to the financing, acquisition, construction and completion of the hospital, or any part thereof, and the placing of the same in operation, and also such provision or reserves for working capital, operating, maintenance or replacement expenses or for payment or security of principal of or interest on bonds during or after such acquisition or construction as the authority may determine,
and also reimbursements to the authority or the city of any moneys theretofore expended for the purposes of the authority. In addition, the issuance of any bonds or other instruments by a municipal hospital authority shall be subject to the approval of the Local Finance Board in the Department of Community Affairs.

b. Contracts entered into between the city and the authority pursuant to P.L.2006, c.46 (C.30:9-23.15 et al.) may also contain provisions as to the financing and payment of expenses to be incurred by the authority and determined by it to be necessary for its purposes. Every such contract shall be authorized and entered into under and pursuant to a resolution adopted by the authority and an ordinance of the governing body of the city, but the terms or text of the contract need not be set forth in full or stated in any such resolution or ordinance if the form of the contract is on file in the office of the municipal clerk and the place in fact of such filing is described in the resolution or ordinance. Any such contract may be made with or without consideration and for a specified or an unlimited time and on any terms and conditions which may be approved by or on behalf of the city and which may be agreed to by the authority in conformity with its contracts with the holders of any bonds or notes, and shall be valid whether or not an appropriation with respect thereto is made by the city prior to authorization or execution thereof. Every such city is hereby authorized and directed to do and perform any and all acts or things necessary, convenient or desirable to carry out and perform every such contract and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of that city.

c. The city may unconditionally guarantee the punctual payment of the principal of and interest on any bonds or notes issued by the authority, in the same manner, and subject to the same restrictions, as municipal guarantees of bonds of an authority authorized to be issued pursuant to the “Parking Authority Law,” P.L.1948, c.198 (C.40:11A-1 et seq.).

d. The provisions of N.J.S.40A:2-11 shall not apply to any bond ordinance of the city authorizing bonds pursuant to P.L.2006, c.46 (C.30:9-23.15 et al.).

e. Notwithstanding any provision of this act to the contrary, any investments of money by the authority shall be made consistent with the provisions of N.J.S.40A:5-1 et seq.

CHAPTER 47

AN ACT establishing the Department of Children and Families as a principal department in the Executive Branch, supplementing Title 9 of the Revised Statutes, and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.9:3A-1 Short title.

1. Sections 2 through 15 of this act shall be known and may be cited as the "Department of Children and Families Act."

C.9:3A-2 Findings, declarations relative to establishing Department of Children and Families.

2. The Legislature finds and declares that:
   a. In 2003, New Jersey settled a class action lawsuit alleging that the State's child welfare system, which was primarily administered through the Division of Youth and Family Services in the Department of Human Ser-
vices, failed to protect the State’s most vulnerable children from child abuse and neglect. Under the terms of the settlement agreement, a New Jersey Child Welfare Panel was created to provide technical assistance to the State on child welfare issues in order to monitor the development and implementation of a State plan to reform New Jersey’s child welfare system;

b. Although the State has committed substantial financial resources to the reform of the child welfare system between the date of the settlement agreement and 2005, the New Jersey Child Welfare Panel concluded that the department has not been able to demonstrate substantial progress in the implementation of the reform plan, and the Child Welfare Panel and other child advocates have concluded that children continue to remain at risk;

c. One of the concerns about the reform is that the child welfare system is administered through and is one of several large units within one of the largest agencies in State government, the Department of Human Services, which is responsible for so many of our State’s vulnerable citizens. The department consists of approximately 22,000 employees and includes, in addition to the Division of Youth and Family Services: the Division of Medical Assistance and Health Services, which administers the State’s Medicaid and NJ FamilyCare programs; the Division of Family Development, which administers the Temporary Assistance for Needy Families program and other public assistance programs; the Division of Developmental Disabilities, which provides services to developmentally disabled persons in the community and operates seven developmental centers; the Division of Mental Health Services, which provides services to persons with mental illness in the community and operates five psychiatric hospitals; the Division of Addiction Services, which administers the State’s substance abuse programs; the Division of Disability Services, which provides various services to disabled adults; and the Commission for the Blind and Visually Impaired and the Division of the Deaf and Hard of Hearing, which are responsible for providing services to persons who are blind or visually impaired and persons with hearing impairments, respectively; and

d. In order to facilitate aggressive reform of the child welfare system and ensure that the reform effort is successful, it is, therefore, in the best interest of the citizens of this State to establish a principal department within the Executive Branch that focuses exclusively on protecting children and strengthening families, so that our State’s children will have the optimum conditions in which to grow and prosper to the benefit of themselves, their families, and society as a whole. The department shall have the goal of ensuring safety, permanency, and well-being for all children, and shall have direct responsibility for child welfare and other children and family
services, supported by strong inter-agency partnerships among other State departments also responsible for family services.

C.9:3A-3 Department of Children and Families established.
3. There is established in the Executive Branch of the State Government a principal department that shall be known as the Department of Children and Families.

C.9:3A-4 Definitions relative to Department of Children and Families.
4. As used in this act:
   “Commissioner” means the Commissioner of Children and Families.
   “Department” means the Department of Children and Families established by this act.

5. a. The head and chief administrative officer of the department shall be the Commissioner of Children and Families. The commissioner shall be a person qualified by training and experience to perform the duties of his office. The commissioner shall be appointed by the Governor, with the advice and consent of the Senate, and shall serve at the pleasure of the Governor during the Governor's term of office and until the appointment and qualification of the commissioner's successor. He shall receive such salary as shall be provided by law and shall devote his entire time and attention to the duties of the office and shall not engage in any other profession or occupation.
   b. The commissioner shall delegate such of his powers as he deems appropriate for the efficient administration of the department, to be exercised under the commissioner's direction and supervision by one or more deputy commissioners. A deputy commissioner shall devote his entire time and attention to the duties of that office and shall receive such salary as the commissioner deems appropriate.

C.9:3A-6 Designation of final decision maker for contested cases.
6. Notwithstanding any provision of P.L.1968, c.410 (C.52:14B-1 et seq.) to the contrary, the commissioner may designate an appropriate officer of the department to serve as the final decision maker in any contested case or group of contested cases filed with the Office of Administrative Law. The designation shall be in writing and shall be filed with the Office of Administrative Law. The designation shall remain in effect until amended by the commissioner.

If a witness fails without good cause to attend, testify or produce such records or documents as directed in the subpoena, he shall be punished in the manner provided for the punishment of any witness who disobeys a summons or subpoena issued from a court of record in this State.

C.9:3A-9 Functions, powers, duties of Office of Children's Services transferred to department.

9. All of the functions, powers and duties of the Office of Children’s Services in the Department of Human Services, and the power to receive, allocate, expend, and authorize the expenditure of federal moneys available for children and families are hereby transferred and assigned to, assumed by and devolved upon the Department of Children and Families. To effectuate such transfer there shall also be transferred such officers and employees as are necessary, all appropriations or reappropriations, to the extent of remaining unexpended or unencumbered balances thereof, whether allocated or unallocated and whether obligated or unobligated, and all necessary books, papers, records and property. C.9:3A-14 Criminal history record information check for certain employees.

14. The Department of Children and Families shall not employ any individual as a direct care staff member unless the Commissioner of Children and Families has first determined, consistent with the requirements and standards of this section, that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police, which would disqualify that individual from being employed at the department. A criminal history record background check shall be conducted at least once every two years for an individual employed as a direct care staff member.

As used in this section, “direct care staff member” means an individual employed at the department in a position which involves unsupervised, regular contact with individuals receiving services from the department.

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section to the contrary, no individual shall be disqualified from employment under this act on the basis of any conviction disclosed by a criminal history record check performed pursuant to this section if the individual has affirmatively demonstrated to the Commissioner of Children and Families clear and convincing evidence of his rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(6) Whether the offense was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense; and
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

c. If a prospective direct care staff member refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall not consider the individual for employment as a direct care staff member. The prospective staff member shall, however, retain any available right of review by the Merit System Board in the Department of Personnel.

d. If a current direct care staff member refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall immediately remove the individual from his position as a direct care staff member and terminate the individual’s employment. The staff member shall, however, retain any available right of review by the Merit System Board in the Department of Personnel.

e. Notwithstanding the provisions of subsection a. of this section to the contrary, the department may provisionally employ an individual as a direct care staff member for a period not to exceed six months if that individual’s State Bureau of Identification criminal history record background check does not contain any information that would disqualify the individual from employment at the department and if the individual submits to the commissioner a sworn statement attesting that the individual has not been convicted of any crime or disorderly persons offense as described in this section, pending a determination that no criminal history record background information which would disqualify the individual exists on file in the Federal Bureau of Investigation, Identification Division. An individual who is provisionally employed pursuant to this subsection shall perform his duties under the direct supervision of a superior who acts in a supervisory capacity over that individual until the determination concerning the federal information is complete.

f. All applicants or current direct care staff members from whom criminal history record background checks are required shall submit their fingerprints in a manner acceptable to the commissioner. The commis-
sioner is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required by this section. No criminal history record background check shall be performed pursuant to this section unless the applicant shall have furnished his written consent to the check.

g. (1) Upon receipt of an applicant or direct care staff member's criminal history record information from the Federal Bureau of Investigation or the Division of State Police, as applicable, the commissioner shall notify the applicant or staff member, in writing, of the applicant's or staff member's qualification or disqualification for employment under this act. If the applicant or staff member is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the written notice.

(2) The applicant or staff member shall have 30 days from the date of written notice of disqualification to petition the commissioner for a hearing on the accuracy of the criminal history record information or to establish his rehabilitation under subsection b. of this section. The commissioner may refer any case arising hereunder to the Office of Administrative Law for administrative proceedings pursuant to P.L.1978, c. 67 (C.52:14F-1 et al.).

(3) The commissioner shall not maintain any individual's criminal history record information or evidence of rehabilitation submitted under this section for more than six months from the date of a final determination by the commissioner as to the individual's qualification or disqualification to be a direct care staff member pursuant to this section.

h. The commissioner shall initiate a criminal history record background check on all prospective direct care staff members. Current direct care staff members who have had a criminal history record background check conducted and stored in a manner approved by the commissioner shall have up to two years from the effective date of this act until the next criminal history background check is conducted.

i. The department shall assume the cost of all criminal history record background checks conducted on current and prospective direct care staff members.

C.53:1-20.9f Exchange of fingerprint data.

15. a. The Commissioner of Children and Families is authorized to exchange fingerprint data with, and to receive information from, the Division of State Police in the Department of Law and Public Safety and the Federal Bureau of Investigation in accordance with the provisions of section 14 of P.L.2006, c.47 (C.9:3A-14).
b. The Division of State Police shall promptly notify the Department of Children and Families in the event an applicant for a direct care staff member position or a direct care staff member who was the subject of a criminal history record background check conducted pursuant to subsection a. of this section, is convicted of a crime or offense in this State after the date the background check was performed. Upon receipt of such notification, the Department of Children and Families shall make a determination regarding the employment of the applicant or staff member.

16. Section 18 of P.L.1982, c.77 (C.2A:4A-37) is amended to read as follows:

C.2A:4A-37 Place of detention or shelter.
18. Place of detention or shelter. a. The Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170) shall specify the place where a juvenile may be detained; and the Department of Children and Families shall specify where a juvenile may be placed in shelter.

b. No juvenile shall be placed in detention or shelter care in any place other than that specified by the Juvenile Justice Commission or Department of Children and Families as provided in subsection a.

c. A juvenile being held for a charge under this act or for a violation of or contempt in connection with a violation of Title 39 of the Revised Statutes, chapter 7 of Title 12 of the Revised Statutes or N.J.S.2C:33-13, including a juvenile who has reached the age of 18 years after being charged, shall not be placed in any prison, jail or lockup nor detained in any police station, except that if no other facility is reasonably available a juvenile may be held in a police station in a place other than one designed for the detention of prisoners and apart from any adult charged with or convicted of a crime for a brief period if such holding is necessary to allow release to his parent, guardian, other suitable person, or approved facility. No juvenile shall be placed in a detention facility which has reached its maximum population capacity, as designated by the Juvenile Justice Commission.

d. No juvenile charged with delinquency shall be transferred to an adult county jail solely by reason of having reached age 18. The following standards shall apply to any juvenile who has been placed on probation pursuant to section 24 of P.L.1982, c.77 (C.2A:4A-43) and who violates the conditions of that probation after reaching the age of 18; who has been placed on parole pursuant to the provisions of the “Parole Act of 1979,” P.L.1979, c.441 (C.30:4-123.45 et seq.) and who violates the conditions of
that parole after reaching the age of 18; or who is arrested after reaching the
age of 18 on a warrant emanating from the commission of an act of juvenile
delinquency:

(1) In the case of a person 18 years of age but less than 20 years of age,
the court, upon application by any interested party, shall determine the
place of detention, taking into consideration the age and maturity of the
person, whether the placement of the person in a juvenile detention facility
would present a risk to the safety of juveniles residing at the facility, the
likelihood that the person would influence in a negative manner juveniles
incarcerated at the facility, whether the facility has sufficient space avail­
able for juveniles and any other factor the court deems appropriate. Upon
application at any time by the juvenile detention facility administrator or
any other interested party, the court may order that the person be relocated
to the county jail. The denial of an application shall not preclude subse­
quent applications based on a change in circumstances or information that
was not previously made available to the court. The determination of the
place of detention shall be made in a summary manner;

(2) In the case of a person 20 years of age or older, the person shall be
incarcerated in the county jail unless good cause is shown.

e. (1) The Juvenile Justice Commission and the Department of Chil­
dren and Families shall promulgate such rules and regulations from time to
time as deemed necessary to establish minimum physical facility and pro­
gram standards for juvenile detention facilities or shelters under their re­
spective supervision.

(2) The Juvenile Justice Commission and the Department of Children
and Families, in consultation with the appropriate county administrator of
the county facility or shelter, shall assign a maximum population capacity
for each juvenile detention facility or shelter based on minimum standards
for these facilities.

f. (1) Where either the Juvenile Justice Commission or the Department
of Children and Families determines that a juvenile detention facility or
shelter under its control or authority is regularly over the maximum popula­
tion capacity or is in willful and continuous disregard of the minimum
standards for these facilities or shelters, the commission or department may
restrict new admissions to the facility or shelter.

(2) Upon making such determination, the commission or department
shall notify the governing body of the appropriate county of its decision to
impose such a restriction, which notification shall include a written state­
ment specifying the reasons therefor and corrections to be made. If the
commission or department shall determine that no appropriate action has
been initiated by the administrator of the facility or shelter within 60 days following such notification to correct the violations specified in the notification, it shall order that such juvenile detention facility or shelter shall immediately cease to admit juveniles. The county shall be entitled to a hearing where such a restriction is imposed by the commission or department.

(3) Any juvenile detention facility or shelter so restricted shall continue under such order until such time as the commission or department determines that the violation specified in the notice has been corrected or that the facility or shelter has initiated actions which will ensure the correction of said violations.

(4) Upon the issuance of an order to cease admissions to a juvenile detention facility or shelter, the commission or department shall determine whether other juvenile detention facilities or shelters have adequate room for admitting juveniles and shall assign the juveniles to the facilities or shelters on the basis of available space; provided that the department shall not assign the juvenile to a facility or shelter where such facility or shelter is at the maximum population. A juvenile detention facility or shelter ordered to accept a juvenile shall do so within five days following the receipt of an order to accept admission of such juvenile.

(5) A juvenile detention facility or shelter restricted by an order to cease admissions shall assume responsibility for the transportation of a juvenile sent to another juvenile detention facility or shelter so long as the order shall remain in effect.

(6) A facility or shelter receiving juveniles pursuant to paragraph (4) of this subsection shall receive from the sending county a reasonable and appropriate per diem allowance for each juvenile sent to the facility, such allowance to be used for the custody, care, maintenance, and any other services normally provided by the county to juveniles in the facility or shelter and which reflects all county expenditures in maintaining such juvenile, including a proportionate share of all buildings and grounds costs, personnel costs, including fringe benefits, administrative costs and all other direct and indirect costs.

(7) The governing body of a county whose juvenile detention facility or shelter has been prohibited from accepting new admissions, and whose juveniles have been assigned to other juvenile detention facilities or shelters, shall appropriate an amount to pay the county receiving such juveniles for all expenses incurred pursuant to paragraph (6) of this subsection.

17. Section 23 of P.L.1982, c.77 (C.2A:4A-42) is amended to read as follows:
CHAPTER 47, LAWS OF 2006

C.2A:4A-42 Predispositional evaluation.

23. Predispositional evaluation. a. Before making a disposition, the court may refer the juvenile to an appropriate individual, agency or institution for examination and evaluation.

b. In arriving at a disposition, the court may also consult with such individuals and agencies as may be appropriate to the juvenile's situation, including the county probation division, the Department of Children and Families, the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170), the county youth services commission, school personnel, clergy, law enforcement authorities, family members and other interested and knowledgeable parties. In so doing, the court may convene a predispositional conference to discuss and recommend disposition.

c. The predisposition report ordered pursuant to the Rules of Court may include a statement by the victim of the offense for which the juvenile has been adjudicated delinquent or by the nearest relative of a homicide victim. The statement may include the nature and extent of any physical harm or psychological or emotional harm or trauma suffered by the victim, the extent of any loss to include loss of earnings or ability to work suffered by the victim and the effect of the crime upon the victim's family. The probation division shall notify the victim or nearest relative of a homicide victim of his right to make a statement for inclusion in the predisposition report if the victim or relative so desires. Any statement shall be made within 20 days of notification by the probation division. The report shall further include information on the financial resources of the juvenile. This information shall be made available on request to the Victims of Crime Compensation Board established pursuant to section 3 of P.L.1971, c.317 (C.52:4B-3) or to any officer authorized under section 3 of P.L.1979, c.396 (C.2C:46-4) to collect payment of an assessment, restitution or fine. Any predisposition report prepared pursuant to this section shall include an analysis of the circumstances attending the commission of the act, the impact of the offense on the community, the offender's history of delinquency or criminality, family situation, financial resources, the financial resources of the juvenile's parent or guardian, and information concerning the parent or guardian's exercise of supervision and control relevant to commission of the act.

Information concerning financial resources included in the report shall be made available to any officer authorized to collect payment on any assessment, restitution or fine.

18. Section 24 of P.L.1982, c.77 (C.2A:4A-43) is amended to read as follows:
CHAPTER 47, LAWS OF 2006

C.2A:4A-43 Disposition of delinquency cases.

24. Disposition of delinquency cases. a. In determining the appropriate disposition for a juvenile adjudicated delinquent the court shall weigh the following factors:

(1) The nature and circumstances of the offense;
(2) The degree of injury to persons or damage to property caused by the juvenile's offense;
(3) The juvenile's age, previous record, prior social service received and out-of-home placement history;
(4) Whether the disposition supports family strength, responsibility and unity and the well-being and physical safety of the juvenile;
(5) Whether the disposition provides for reasonable participation by the child's parent, guardian, or custodian, provided, however, that the failure of a parent or parents to cooperate in the disposition shall not be weighed against the juvenile in arriving at an appropriate disposition;
(6) Whether the disposition recognizes and treats the unique physical, psychological and social characteristics and needs of the child;
(7) Whether the disposition contributes to the developmental needs of the child, including the academic and social needs of the child where the child has mental retardation or learning disabilities;
(8) Any other circumstances related to the offense and the juvenile's social history as deemed appropriate by the court;
(9) The impact of the offense on the victim or victims;
(10) The impact of the offense on the community; and
(11) The threat to the safety of the public or any individual posed by the child.

b. If a juvenile is adjudged delinquent, and except to the extent that an additional specific disposition is required pursuant to subsection e. or f. of this section, the court may order incarceration pursuant to section 25 of P.L. 1982, c. 77 (C.2A:4A-44) or any one or more of the following dispositions:

(1) Adjourn formal entry of disposition of the case for a period not to exceed 12 months for the purpose of determining whether the juvenile makes a satisfactory adjustment, and if during the period of continuance the juvenile makes such an adjustment, dismiss the complaint; provided that if the court adjourns formal entry of disposition of delinquency for a violation of an offense defined in chapter 35 or 36 of Title 2C of the New Jersey Statutes the court shall assess the mandatory penalty set forth in N.J.S.2C:35-15 but may waive imposition of the penalty set forth in N.J.S.2C:35-16 for juveniles adjudicated delinquent;
(2) Release the juvenile to the supervision of the juvenile’s parent or guardian;

(3) Place the juvenile on probation to the chief probation officer of the county or to any other suitable person who agrees to accept the duty of probation supervision for a period not to exceed three years upon such written conditions as the court deems will aid rehabilitation of the juvenile;

(4) Transfer custody of the juvenile to any relative or other person determined by the court to be qualified to care for the juvenile;

(5) Place the juvenile under the care and responsibility of the Department of Children and Families so that the commissioner may designate a division or organizational unit in the department pursuant to P.L.1951, c.138 (C.30:4C-1 et seq.) for the purpose of providing services in or out of the home. Within 14 days, unless for good cause shown, but not later than 30 days, the Department of Children and Families shall submit to the court a service plan, which shall be presumed valid, detailing the specifics of any disposition order. The plan shall be developed within the limits of fiscal and other resources available to the department. If the court determines that the service plan is inappropriate, given existing resources, the department may request a hearing on that determination;

(6) Place the juvenile under the care and custody of the Commissioner of Human Services for the purpose of receiving the services of the Division of Developmental Disabilities of that department, provided that the juvenile has been determined to be eligible for those services under P.L.1965, c.59, s.16 (C.30:4-25.4);

(7) Commit the juvenile, pursuant to applicable laws and the Rules of Court governing civil commitment, to the Department of Children and Families under the responsibility of the Division of Child Behavioral Health Services for the purpose of placement in a suitable public or private hospital or other residential facility for the treatment of persons who are mentally ill, on the ground that the juvenile is in need of involuntary commitment;

(8) Fine the juvenile an amount not to exceed the maximum provided by law for such a crime or offense if committed by an adult and which is consistent with the juvenile’s income or ability to pay and financial responsibility to the juvenile’s family, provided that the fine is specially adapted to the rehabilitation of the juvenile or to the deterrence of the type of crime or offense. If the fine is not paid due to financial limitations, the fine may be satisfied by requiring the juvenile to submit to any other appropriate disposition provided for in this section;

(9) Order the juvenile to make restitution to a person or entity who has suffered loss resulting from personal injuries or damage to property as a
result of the offense for which the juvenile has been adjudicated delinquent. The court may determine the reasonable amount, terms and conditions of restitution. If the juvenile participated in the offense with other persons, the participants shall be jointly and severally responsible for the payment of restitution. The court shall not require a juvenile to make full or partial restitution if the juvenile reasonably satisfies the court that the juvenile does not have the means to make restitution and could not reasonably acquire the means to pay restitution;

(10) Order that the juvenile perform community services under the supervision of a probation division or other agency or individual deemed appropriate by the court. Such services shall be compulsory and reasonable in terms of nature and duration. Such services may be performed without compensation, provided that any money earned by the juvenile from the performance of community services may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(11) Order that the juvenile participate in work programs which are designed to provide job skills and specific employment training to enhance the employability of job participants. Such programs may be without compensation, provided that any money earned by the juvenile from participation in a work program may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(12) Order that the juvenile participate in programs emphasizing self-reliance, such as intensive outdoor programs teaching survival skills, including but not limited to camping, hiking and other appropriate activities;

(13) Order that the juvenile participate in a program of academic or vocational education or counseling, such as a youth service bureau, requiring attendance at sessions designed to afford access to opportunities for normal growth and development. This may require attendance after school, evenings and weekends;

(14) Place the juvenile in a suitable residential or nonresidential program for the treatment of alcohol or narcotic abuse, provided that the juvenile has been determined to be in need of such services;

(15) Order the parent or guardian of the juvenile to participate in appropriate programs or services when the court has found either that such person’s omission or conduct was a significant contributing factor towards the commission of the delinquent act, or, under its authority to enforce litigant’s rights, that such person’s omission or conduct has been a significant contributing factor towards the ineffective implementation of a court order previously entered in relation to the juvenile;
(16) (a) Place the juvenile in a nonresidential program operated by a public or private agency, providing intensive services to juveniles for specified hours, which may include education, counseling to the juvenile and the juvenile’s family if appropriate, vocational training, employment counseling, work or other services;

(b) Place the juvenile under the custody of the Juvenile Justice Commission established pursuant to section 2 of P.L.1995, c.284 (C.52:17B-170) for placement with any private group home or private residential facility with which the commission has entered into a purchase of service contract;

(17) Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver’s license, registration certificate, or both of any juvenile who used a motor vehicle in the course of committing an act for which the juvenile was adjudicated delinquent. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the delinquent act and the potential effect of the loss of driving privileges on the juvenile’s ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial commitment;

(18) Order that the juvenile satisfy any other conditions reasonably related to the rehabilitation of the juvenile;

(19) Order a parent or guardian who has failed or neglected to exercise reasonable supervision or control of a juvenile who has been adjudicated delinquent to make restitution to any person or entity who has suffered a loss as a result of that offense. The court may determine the reasonable amount, terms and conditions of restitution; or

(20) Place the juvenile, if eligible, in an appropriate juvenile offender program established pursuant to P.L.1997, c.81 (C.30:8-61 et al.).

c. (1) Except as otherwise provided in subsections e. and f. of this section, if the county in which the juvenile has been adjudicated delinquent has a juvenile detention facility meeting the physical and program standards established pursuant to this subsection by the Juvenile Justice Commission, the court may, in addition to any of the dispositions not involving placement out of the home enumerated in this section, incarcerate the juvenile in the youth detention facility in that county for a term not to exceed 60 consecutive days. Counties which do not operate their own juvenile detention facilities may contract for the use of approved commitment programs with counties with which they have established agreements for the use of pre-disposition juvenile detention facilities. The Juvenile Justice Commission shall promulgate such rules and regulations from time to time as deemed
necessary to establish minimum physical facility and program standards for
the use of juvenile detention facilities pursuant to this subsection.

(2) No juvenile may be incarcerated in any county detention facility
unless the county has entered into an agreement with the Juvenile Justice
Commission concerning the use of the facility for sentenced juveniles.
Upon agreement with the county, the Juvenile Justice Commission shall
certify detention facilities which may receive juveniles sentenced pursuant
to this subsection and shall specify the capacity of the facility that may be
made available to receive such juveniles; provided, however, that in no
event shall the number of juveniles incarcerated pursuant to this subsection
exceed 50% of the maximum capacity of the facility.

(3) The court may fix a term of incarceration under this subsection where:
(a) The act for which the juvenile was adjudicated delinquent, if com-
mitted by an adult, would have constituted a crime or repetitive disorderly
persons offense;

(b) Incarceration of the juvenile is consistent with the goals of public
safety, accountability and rehabilitation and the court is clearly convinced
that the aggravating factors substantially outweigh the mitigating factors as
set forth in section 25 of P.L.1982, c.77 (C.2A:4A-44); and

(c) The detention facility has been certified for admission of adjudi-
cated juveniles pursuant to paragraph (2).

(4) If as a result of incarceration of adjudicated juveniles pursuant to
this subsection, a county is required to transport a predisposition juvenile to
a juvenile detention facility in another county, the costs of such transporta-
tion shall be borne by the Juvenile Justice Commission.

d. Whenever the court imposes a disposition upon an adjudicated de-
linquent which requires the juvenile to perform a community service, resti-
tution, or to participate in any other program provided for in this section
other than subsection c., the duration of the juvenile’s mandatory participa-
tion in such alternative programs shall extend for a period consistent with
the program goal for the juvenile and shall in no event exceed one year be-
yond the maximum duration permissible for the delinquent if the juvenile
had been committed to a term of incarceration.

e. In addition to any disposition the court may impose pursuant to this
section or section 25 of P.L.1982, c.77 (C.2A:4A-44), the following orders
shall be included in dispositions of the adjudications set forth below:

(1) An order of incarceration for a term of the duration authorized pur-
suant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) or an
order to perform community service pursuant to paragraph (10) of subsec-
tion b. of this section for a period of at least 60 days, if the juvenile has
been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of theft of a motor vehicle, or the crime of unlawful taking of a motor vehicle in violation of subsection c. of N.J.S.2C:20-10, or the third degree crime of eluding in violation of subsection b. of N.J.S.2C:29-2;

(2) An order of incarceration for a term of the duration authorized pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) which shall include a minimum term of 60 days during which the juvenile shall be ineligible for parole, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of aggravated assault in violation of paragraph (6) of subsection b. of N.J.S.2C:12-1, the second degree crime of eluding in violation of subsection b. of N.J.S.2C:29-2, or theft of a motor vehicle, in a case in which the juvenile has previously been adjudicated delinquent for an act which, if committed by an adult, would constitute unlawful taking of a motor vehicle or theft of a motor vehicle;

(3) An order to perform community service pursuant to paragraph (10) of subsection b. of this section for a period of at least 30 days, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the fourth degree crime of unlawful taking of a motor vehicle in violation of subsection b. of N.J.S.2C:20-10;

(4) An order of incarceration for a term of the duration authorized pursuant to this section or section 25 of P.L.1982, c.77 (C.2A:4A-44) which shall include a minimum term of 30 days during which the juvenile shall be ineligible for parole, if the juvenile has been adjudicated delinquent for an act which, if committed by an adult, would constitute the crime of unlawful taking of a motor vehicle in violation of N.J.S.2C:20-10 or the third degree crime of eluding in violation of subsection b. of N.J.S.2C:29-2, and if the juvenile has previously been adjudicated delinquent for an act which, if committed by an adult, would constitute either theft of a motor vehicle, the unlawful taking of a motor vehicle or eluding.

f. (1) The minimum terms of incarceration required pursuant to subsection e. of this section shall be imposed regardless of the weight or balance of factors set forth in this section or in section 25 of P.L.1982, c.77 (C.2A:4A-44), but the weight and balance of those factors shall determine the length of the term of incarceration appropriate, if any, beyond any mandatory minimum term required pursuant to subsection e. of this section.

(2) When a court in a county that does not have a juvenile detention facility or a contractual relationship permitting incarceration pursuant to subsection c. of this section is required to impose a term of incarceration
pursuant to subsection e. of this section, the court may, subject to limitations on commitment to State correctional facilities of juveniles who are under the age of 11 or developmentally disabled, set a term of incarceration consistent with subsection e. which shall be served in a State correctional facility. When a juvenile who because of age or developmental disability cannot be committed to a State correctional facility or cannot be incarcerated in a county facility, the court shall order a disposition appropriate as an alternative to any incarceration required pursuant to subsection e.

(3) For purposes of subsection e. of this section, in the event that a "boot camp" program for juvenile offenders should be developed and is available, a term of commitment to such a program shall be considered a term of incarceration.

g. Whenever the court imposes a disposition upon an adjudicated delinquent which requires the juvenile to perform a community service, restitution, or to participate in any other program provided for in this section, the order shall include provisions which provide balanced attention to the protection of the community, accountability for offenses committed, fostering interaction and dialogue between the offender, victim and community and the development of competencies to enable the child to become a responsible and productive member of the community.

19. Section 1 of P.L.1982, c.79 (C.2A:4A-60) is amended to read as follows:

C.2A:4A-60 Disclosure of juvenile information; penalties for disclosure.

1. Disclosure of juvenile information; penalties for disclosure.

a. Social, medical, psychological, legal and other records of the court and probation division, and records of law enforcement agencies, pertaining to juveniles charged as a delinquent or found to be part of a juvenile-family crisis, shall be strictly safeguarded from public inspection. (11) The Office of the Child Advocate established pursuant to P.L.2005, c.155 (C.52:27EE-1 et al.). Disclosure of juvenile information received by
the child advocate pursuant to this paragraph shall be in accordance with the provisions of section 76 of P.L.2005, c.155 (C.52:27EE-76); and

(12) Law enforcement agencies with respect to information available on the juvenile central registry maintained by the courts pursuant to subsection g. of this section, including, but not limited to: records of official court documents, such as complaints, pleadings and orders for the purpose of obtaining juvenile arrest information; juvenile disposition information; juvenile pretrial information; and information concerning the probation status of a juvenile.

b. Records of law enforcement agencies may be disclosed for law enforcement purposes, or for the purpose of reviewing applications for a permit to purchase a handgun or a firearms purchaser identification card to any law enforcement agency of this State, another state or the United States, and the identity of a juvenile under warrant for arrest for commission of an act that would constitute a crime if committed by an adult may be disclosed to the public when necessary to execution of the warrant.

c. At the time of charge, adjudication or disposition, information as to the identity of a juvenile charged with an offense, the offense charged, the adjudication and disposition shall, upon request, be disclosed to:

(1) The victim or a member of the victim's immediate family;
(2) (Deleted by amendment P.L.2005, c.165).
(3) On a confidential basis, the principal of the school where the juvenile is enrolled for use by the principal and such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or to planning programs relevant to the juvenile's educational and social development, provided that no record of such information shall be maintained except as authorized by regulation of the Department of Education; or
(4) A party in a subsequent legal proceeding involving the juvenile, upon approval by the court.

d. A law enforcement or prosecuting agency shall, at the time of a charge, adjudication or disposition, advise the principal of the school where the juvenile is enrolled of the identity of the juvenile charged, the offense charged, the adjudication and the disposition if:

(1) The offense occurred on school property or a school bus, occurred at a school-sponsored function or was committed against an employee or official of the school; or
(2) The juvenile was taken into custody as a result of information or evidence provided by school officials; or
(3) The offense, if committed by an adult, would constitute a crime, and the offense:
   (a) resulted in death or serious bodily injury or involved an attempt or conspiracy to cause death or serious bodily injury; or
   (b) involved the unlawful use or possession of a firearm or other weapon; or
   (c) involved the unlawful manufacture, distribution or possession with intent to distribute a controlled dangerous substance or controlled substance analog; or
   (d) was committed by a juvenile who acted with a purpose to intimidate an individual or group of individuals because of race, color, religion, sexual orientation or ethnicity; or
   (e) would be a crime of the first or second degree.

Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to a juvenile's educational and social development, and no record of such information shall be maintained except as authorized by regulation of the Department of Education.

e. Nothing in this section prohibits a law enforcement or prosecuting agency from providing the principal of a school with information identifying one or more juveniles who are under investigation or have been taken into custody for commission of any act that would constitute an offense if committed by an adult when the law enforcement or prosecuting agency determines that the information may be useful to the principal in maintaining order, safety or discipline in the school or in planning programs relevant to the juvenile's educational and social development. Information provided to the principal pursuant to this subsection shall be treated as confidential but may be made available to such members of the staff and faculty of the school as the principal deems appropriate for maintaining order, safety or discipline in the school or for planning programs relevant to the juvenile's educational and social development. No information provided pursuant to this section shall be maintained.

f. Information as to the identity of a juvenile adjudicated delinquent, the offense, the adjudication and the disposition shall be disclosed to the public where the offense for which the juvenile has been adjudicated delinquent if committed by an adult, would constitute a crime of the first, second or third degree, or aggravated assault, destruction or damage to property to an extent of more than $500.00, unless upon application at the time of dis-
position the juvenile demonstrates a substantial likelihood that specific and extraordinary harm would result from such disclosure in the specific case. Where the court finds that disclosure would be harmful to the juvenile, the reasons therefor shall be stated on the record.

g. (1) Nothing in this section shall prohibit the establishment and maintaining of a central registry of the records of law enforcement agencies relating to juveniles for the purpose of exchange between State and local law enforcement agencies and prosecutors of this State, another state, or the United States. These records of law enforcement agencies shall be available on a 24-hour basis.

(2) Certain information and records relating to juveniles in the central registry maintained by the courts, as prescribed in paragraph (12) of subsection a. of this section, shall be available to State and local law enforcement agencies and prosecutors on a 24-hour basis.

h. Whoever, except as provided by law, knowingly discloses, publishes, receives, or makes use of or knowingly permits the unauthorized use of information concerning a particular juvenile derived from records listed in subsection a. or acquired in the course of court proceedings, probation, or police duties, shall, upon conviction thereof, be guilty of a disorderly persons offense.

i. Juvenile delinquency proceedings.

(1) Except as provided in paragraph (2) of this subsection, the court may, upon application by the juvenile or his parent or guardian, the prosecutor or any other interested party, including the victim or complainant or members of the news media, permit public attendance during any court proceeding at a delinquency case, where it determines that a substantial likelihood that specific harm to the juvenile would not result. The court shall have the authority to limit and control attendance in any manner and to the extent it deems appropriate;

(2) The court or, in cases where the county prosecutor has entered an appearance, the county prosecutor shall notify the victim or a member of the victim's immediate family of any court proceeding involving the juvenile and the court shall permit the attendance of the victim or family member at the proceeding except when, prior to completing testimony as a witness, the victim or family member is properly sequestered in accordance with the law or the Rules Governing the Courts of the State of New Jersey or when the juvenile or the juvenile's family member shows, by clear and convincing evidence, that such attendance would result in a substantial likelihood that specific harm to the juvenile would result from the attendance of the victim or a family member at a proceeding or any portion of a proceed-
ing and that such harm substantially outweighs the interest of the victim or family member to attend that portion of the proceeding;

(3) The court shall permit a victim, or a family member of a victim to make a statement prior to ordering a disposition in any delinquency proceeding involving an offense that would constitute a crime if committed by an adult.

j. The Department of Education, in consultation with the Attorney General, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations concerning the creation, maintenance and disclosure of pupil records including information acquired pursuant to this section.

20. Section 14 of P.L.1982, c.80 (C.2A:4A-89) is amended to read as follows:

14. When intake has filed with the court a petition for out of home placement, the court shall, within 24 hours, conduct a hearing on the petition. The court shall notify the parents, the juvenile and his counsel and, if indigent, have counsel appointed by the court. The hearing shall be conducted in accordance with the Rules of Court and shall be attended by the parents, the juvenile, and when requested by the court, a representative of the Department of Children and Families. The following procedure shall be followed for the hearing:

a. The court shall hold the hearing to consider the petition and may approve or disapprove the temporary out of home placement. The court may approve the temporary out of home placement if either of the following factors exists:

(1) A serious conflict or other problem between the parent and the juvenile which cannot be resolved by delivery of services to the family during continued placement of the juvenile in the parental home; or

(2) The physical safety and well-being of the juvenile would be threatened if the juvenile were placed in the parental home.

b. If the court disapproves a petition for an out of home placement, a written statement of reasons shall be filed, and the court shall order that the juvenile is to remain at or return to the parental home.

c. Temporary out of home placement shall continue until otherwise provided by the court. The order approving the temporary out of home placement shall direct the Department of Children and Families, or other service or agency to submit a family service plan that is designed to resolve
the family crisis consistent with the well-being and physical safety of the juvenile. The court shall direct such department, service or agency to make recommendations as to which agency or person shall have physical custody of the child, the extent of the parental powers to be awarded to such agency or person and parental visitation rights.

d. Within 14 days of the date of the order approving the petition for temporary out of home placement is entered, unless for good cause shown, but no later than 30 days, the department, service or agency shall submit to the court a family service plan, which shall be presumed valid, detailing the specifics of the court order. The plan shall be developed within the limits of fiscal and other resources available to the department, service or agency. If the court determines that the service plan is inappropriate, given existing resources, the department, service or agency may request a hearing on that determination.

e. At the hearing held to consider the family service plan presented by the department or other service or agency, the court shall consider all such recommendations included therein. The court, consistent with this section, may modify such plan and shall make its dispositional order for the juvenile. The court's dispositional order shall specify the responsibility of the Department of Children and Families or other service with respect to the juvenile who shall be placed, those parental powers temporarily ordered to the department or service and parental visitation rights. Where placement cannot be immediately made, the department or other service or agency shall report to the court every 14 days on the status of the placement and progress toward implementation of the plan.

C.2C:7-5 Records; immunity.

immunity provided under this section applies to the release of relevant information to other employees or officials or to the general public.

c. Nothing in this act shall be deemed to impose any liability upon or to give rise to a cause of action against any public official, public employee, or public agency for failing to release information as authorized in subsection d. of this section.

d. Nothing in this section shall be construed to prevent law enforcement officers from notifying members of the public exposed to danger of any persons that pose a danger under circumstances that are not enumerated in this act.

24. N.J.S.2C:13-1 is amended to read as follows:

Kidnapping.

2C:13-1. Kidnapping. a. Holding for ransom, reward or as a hostage. A person is guilty of kidnapping if he unlawfully removes another from the place where he is found or if he unlawfully confines another with the purpose of holding that person for ransom or reward or as a shield or hostage.

b. Holding for other purposes. A person is guilty of kidnapping if he unlawfully removes another from his place of residence or business, or a substantial distance from the vicinity where he is found, or if he unlawfully confines another for a substantial period, with any of the following purposes:

(1) To facilitate commission of any crime or flight thereafter;
(2) To inflict bodily injury on or to terrorize the victim or another;
(3) To interfere with the performance of any governmental or political function; or
(4) To permanently deprive a parent, guardian or other lawful custodian of custody of the victim.

If the actor releases the victim unharmed and in a safe place prior to apprehension, it is a crime of the second degree.

(2) Kidnapping is a crime of the first degree and upon conviction thereof, an actor shall be sentenced to a term of imprisonment by the court, if the victim of the kidnapping is less than 16 years of age and if during the kidnapping:

Notwithstanding the provisions of paragraph (1) of subsection a. of N.J.S.2C:43-6, the term of imprisonment imposed under this paragraph shall be either a term of 25 years during which the actor shall not be eligible for parole, or a specific term between 25 years and life imprisonment, of which the actor shall serve 25 years before being eligible for parole; provided, however, that the crime of kidnapping under this paragraph and underlying aggravating crimes listed in subparagraph (a), (b) or (c) of this paragraph shall merge for purposes of sentencing. If the actor is convicted of the criminal homicide of a victim of a kidnapping under the provisions of chapter 11, any sentence imposed under provisions of this paragraph shall be served consecutively to any sentence imposed pursuant to the provisions of chapter 11.

d. "Unlawful" removal or confinement. A removal or confinement is unlawful within the meaning of this section and of sections 2C:13-2 and 2C:13-3, if it is accomplished by force, threat or deception, or, in the case of a person who is under the age of 14 or is incompetent, if it is accomplished without the consent of a parent, guardian or other person responsible for general supervision of his welfare.

e. It is an affirmative defense to a prosecution under paragraph (4) of subsection b. of this section, which must be proved by clear and convincing evidence, that:

(1) The actor reasonably believed that the action was necessary to preserve the victim from imminent danger to his welfare. However, no defense shall be available pursuant to this subsection if the actor does not, as soon as reasonably practicable but in no event more than 24 hours after taking a victim under his protection, give notice of the victim's location to the police department of the municipality where the victim resided, the office of the county prosecutor in the county where the victim resided, or the Division of Youth and Family Services in the Department of Children and Families;

(2) The actor reasonably believed that the taking or detaining of the victim was consented to by a parent, or by an authorized State agency; or

(3) The victim, being at the time of the taking or concealment not less than 14 years old, was taken away at his own volition by his parent and without purpose to commit a criminal offense with or against the victim.
f. It is an affirmative defense to a prosecution under paragraph (4) of subsection b. of this section that a parent having the right of custody reasonably believed he was fleeing from imminent physical danger from the other parent, provided that the parent having custody, as soon as reasonably practicable:

25. N.J.S.2C:13-4 is amended to read as follows:

Interference with custody.

a. Custody of children. A person, including a parent, guardian or other lawful custodian, is guilty of interference with custody if he:

(1) Takes or detains a minor child with the purpose of concealing the minor child and thereby depriving the child's other parent of custody or parenting time with the minor child; or

(2) After being served with process or having actual knowledge of an action affecting marriage or custody but prior to the issuance of a temporary or final order determining custody and parenting time rights to a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of depriving the child's other parent of custody or parenting time, or to evade the jurisdiction of the courts of this State; or

(3) After being served with process or having actual knowledge of an action affecting the protective services needs of a child pursuant to Title 9 of the Revised Statutes in an action affecting custody, but prior to the issuance of a temporary or final order determining custody rights of a minor child, takes, detains, entices or conceals the child within or outside the State for the purpose of evading the jurisdiction of the courts of this State; or

(4) After the issuance of a temporary or final order specifying custody, joint custody rights or parenting time, takes, detains, entices or conceals a minor child from the other parent in violation of the custody or parenting time order.

Interference with custody is a crime of the second degree if the child is taken, detained, enticed or concealed: (i) outside the United States or (ii) for more than 24 hours. Otherwise, interference with custody is a crime of
the third degree but the presumption of non-imprisonment set forth in subsection e. of N.J.S.2C:44-1 for a first offense of a crime of the third degree shall not apply.

b. Custody of committed persons. A person is guilty of a crime of the fourth degree if he knowingly takes or entices any committed person away from lawful custody when he is not privileged to do so. "Committed person" means, in addition to anyone committed under judicial warrant, any orphan, neglected or delinquent child, mentally defective or insane person, or other dependent or incompetent person entrusted to another's custody by or through a recognized social agency or otherwise by authority of law.

c. It is an affirmative defense to a prosecution under subsection a. of this section, which must be proved by clear and convincing evidence, that:

(1) The actor reasonably believed that the action was necessary to preserve the child from imminent danger to his welfare. However, no defense shall be available pursuant to this subsection if the actor does not, as soon as reasonably practicable but in no event more than 24 hours after taking a child under his protection, give notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Children and Families;

(2) The actor reasonably believed that the taking or detaining of the minor child was consented to by the other parent, or by an authorized State agency; or

(3) The child, being at the time of the taking or concealment not less than 14 years old, was taken away at his own volition and without purpose to commit a criminal offense with or against the child.

d. It is an affirmative defense to a prosecution under subsection a. of this section that a parent having the right of custody reasonably believed he was fleeing from imminent physical danger from the other parent, provided that the parent having custody, as soon as reasonably practicable:

(1) Gives notice of the child's location to the police department of the municipality where the child resided, the office of the county prosecutor in the county where the child resided, or the Division of Youth and Family Services in the Department of Children and Families; or

(2) Commences an action affecting custody in an appropriate court.

e. The offenses enumerated in this section are continuous in nature and continue for so long as the child is concealed or detained.

f. (1) In addition to any other disposition provided by law, a person convicted under subsection a. of this section shall make restitution of all
reasonable expenses and costs, including reasonable counsel fees, incurred by the other parent in securing the child's return.

(2) In imposing sentence under subsection a. of this section the court shall consider, in addition to the factors enumerated in chapter 44 of Title 2C of the New Jersey Statutes:

(a) Whether the person returned the child voluntarily; and
(b) The length of time the child was concealed or detained.

g. As used in this section, "parent" means a parent, guardian or other lawful custodian of a minor child.

26. Section 1 of P.L.1999, c.421 (C.2C:25-34) is amended to read as follows:

(2) an out-of-home placement for a child being placed by the Division of Youth and Family Services, to include any adult member of the prospective placement household.

Any individual, agency, surrogate or court which receives from the Administrative Office of the Courts the records referred to in this section shall keep such records and reports, or parts thereof, confidential and shall not disseminate or disclose such records and reports, or parts thereof; provided that nothing in this section shall prohibit a receiving individual, agency, surrogate or court from disclosing records and reports, or parts thereof, in a manner consistent with and in furtherance of the purpose for which the records and reports or parts thereof were received.

Any individual who disseminates or discloses a record or report, or parts thereof, of the central registry, for a purpose other than investigating a report of domestic violence, conducting a background investigation involving a person’s application for a firearm permit or employment as a police or law enforcement officer, making a determination of an issue before the court, conducting a background investigation as specified in subsection e. of this section, or for any other purpose other than that which is authorized by law or the Supreme Court of the State of New Jersey, shall be guilty of a crime of the fourth degree.

d. When a person is charged with a criminal offense on a juvenile delinquency complaint and is released without being detained pursuant to section 15 or 16 of P.L.1982, c.77 (C.2A:4A-34 or C.2A:4A-35), the law enforcement officer or prosecuting attorney shall prepare an application pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) for filing on the next court day.

The law enforcement officer releasing the juvenile shall serve the juvenile and his parent or guardian with written notice that an order shall be issued by the Family Part of the Superior Court on the next court day prohibiting the juvenile from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section.

The court shall issue such order on the first court day following the release of the juvenile. If the restraints contained in the court order differ from the restraints contained in the notice, the order shall not be effective until the third court day following the issuance of the order. The juvenile may apply to the court to stay or modify the order on the grounds set forth in subsection e. of this section.

e. The court may forego issuing a restraining order for which application has been made pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) only if the defendant establishes by clear and convincing evidence that:

(1) the defendant lawfully resides at or has legitimate business on or near the place, or otherwise legitimately needs to enter the place. In such an event, the court shall not issue an order pursuant to this section unless the court is clearly convinced that the need to bar the person from the place in order to protect the public safety and the rights, safety and health of the residents and persons working in the place outweighs the person's interest in returning to the place. If the balance of the interests of the person and
the public so warrants, the court may issue an order imposing conditions upon the person’s entry at, upon or near the place; or

(2) the issuance of an order would cause undue hardship to innocent persons and would constitute a serious injustice which overrides the need to protect the rights, safety and health of persons residing in or having business in the place.

f. A restraining order issued pursuant to subsection a., b., c., d. or h. of this section shall describe the place from which the person has been barred and any conditions upon the person’s entry into the place, with sufficient specificity to enable the person to guide his conduct accordingly and to enable a law enforcement officer to enforce the order. The order shall also prohibit the person from entering an area of up to 500 feet surrounding the place, unless the court rules that a different buffer zone would better effectuate the purposes of this act. In the discretion of the court, the order may contain modifications to permit the person to enter the area during specified times for specified purposes, such as attending school during regular school hours. When appropriate, the court may append to the order a map depicting the place. The person shall be given a copy of the restraining order and any appended map and shall acknowledge in writing the receipt thereof.

g. (1) The court shall provide notice of the restraining order to the local law enforcement agency where the arrest occurred and to the county prosecutor.

(2) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person’s conviction or adjudication of delinquency for a criminal offense, the local law enforcement agency may post a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, upon one or more of the principal entrances of the place or in any other conspicuous location. Such posting shall be for the purpose of informing the public, and the failure to post a copy of the order shall in no way excuse any violation of the order.

(3) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person’s conviction or adjudication of delinquency for a criminal offense, any law enforcement agency may publish a copy of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, in a newspaper circulating in the area of the restraining order. Such publication shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.
(4) Notwithstanding the provisions of section 1 of P.L.1982, c.79 (C.2A:4A-60), prior to the person's conviction or adjudication of delinquency for a criminal offense, any law enforcement agency may distribute copies of any orders issued pursuant to this section, or an equivalent notice containing the terms of the order, to residents or businesses located within the area delineated in the order or, in the case of a school or any government-owned property, to the appropriate administrator, or to any tenant association representing the residents of the affected area. Such distribution shall be for the purpose of informing the public, and the failure to publish a copy of the order shall in no way excuse any violation of the order.

h. When a person is convicted of or adjudicated delinquent for any criminal offense, the court, upon application of a law enforcement officer or prosecuting attorney pursuant to section 3 of P.L.2001, c.365 (C.2C:35-5.9) and except as provided in subsection e. of this section, shall, by separate order or within the judgment of conviction, issue an order prohibiting the person from entering any place defined by subsection b. of section 3 of P.L.1999, c.334 (C.2C:35-5.6), including a buffer zone surrounding the place or modifications as provided by subsection f. of this section. Upon the person's conviction or adjudication of delinquency for a criminal offense, a law enforcement agency, in addition to posting, publishing, and distributing the order or an equivalent notice pursuant to paragraphs (2), (3) and (4) of subsection g. of this section, may also post, publish and distribute a photograph of the person.

i. When a juvenile has been adjudicated delinquent for an act which, if committed by an adult, would be a criminal offense, in addition to an order required by subsection h. of this section or any other disposition authorized by law, the court may order the juvenile and any parent, guardian or any family member over whom the court has jurisdiction to take such actions or obey such restraints as may be necessary to facilitate the rehabilitation of the juvenile or to protect public safety or to safeguard or enforce the rights of residents of the place. The court may commit the juvenile to the care and responsibility of the Department of Children and Families until such time as the juvenile reaches the age of 18 or until the order of removal and restraint expires, whichever first occurs, or to such alternative residential placement as is practicable.

j. An order issued pursuant to subsection a., b., c. or d. of this section shall remain in effect until the case has been adjudicated or dismissed, or for not less than two years, whichever is less. An order issued pursuant to subsection h. of this section shall remain in effect for such period of time as shall be fixed by the court but not longer than the maximum term of im-
prisonment or incarceration allowed by law for the underlying offense or offenses. When the court issues a restraining order pursuant to subsection h. of this section and the person is also sentenced to any form of probationary supervision or participation in the Intensive Supervision Program, the court shall make continuing compliance with the order an express condition of probation or the Intensive Supervision Program. When the person has been sentenced to a term of incarceration, continuing compliance with the terms and conditions of the order shall be made an express condition of the person’s release from confinement or incarceration on parole. At the time of sentencing or, in the case of a juvenile, at the time of disposition of the juvenile case, the court shall advise the defendant that the restraining order shall include a fixed time period in accordance with this subsection and shall include that provision in the judgment of conviction, dispositional order, separate order or order vacating an existing restraining order, to the law enforcement agency that made the arrest and to the county prosecutor.

k. All applications to stay or modify an order issued pursuant to this act, including an order originally issued in municipal court, shall be made in the Superior Court. The court shall immediately notify the county prosecutor in writing whenever an application is made to stay or modify an order issued pursuant to this act. If the court does not issue a restraining order, the sentence imposed by the court for a criminal offense as defined in subsection b. of this section shall not become final for ten days in order to permit the appeal of the court’s findings by the prosecution.

l. Nothing in this section shall be construed in any way to limit the authority of the court to take such other actions or to issue such orders as may be necessary to protect the public safety or to safeguard or enforce the rights of others with respect to the place.

m. Notwithstanding any other provision of this section, the court may permit the person to return to the place to obtain personal belongings and effects and, by court order, may restrict the time and duration and provide for police supervision of such a visit.

28. Section 1 of P.L.2003, c.301 (C.2C:44-6.2) is amended to read as follows:

C.2C:44-6.2 Person sentenced to incarceration, care and custody of minor child.

1. a. In any case in which a person has been convicted of a crime for which the person will be incarcerated, the court shall order, as part of the presentence investigation required pursuant to N.J.S.2C:44-6, that a determination be made as to whether the person is the sole caretaker of a minor
child and, if so, who will assume responsibility for the child’s care and custody during the period the person is incarcerated.

b. If the determination is made that the person is the sole caretaker of the child, the presentence investigation shall also include:

(1) verification that the person who will be responsible for the child’s care and custody during the period of incarceration has agreed to assume responsibility for the child’s care and custody;

(2) an inquiry as to the willingness of the person to assume responsibility for the child’s care and custody during the period of incarceration; and

(2) the person convicted of the crime resides in a household with other minor children or is a parent of a minor child,

the court, based on an interview with the defendant, shall make a referral to the Division of Youth and Family Services in the Department of Children and Families and provide the division with the name and address of the person convicted of the crime, information on the person’s criminal history and the name and address of each child referred to in paragraph (2) of this subsection.

follows:

C.3B:12A-6 Considerations for appointment as kinship legal guardian.

6. a. In making its determination about whether to appoint the caregiver
as kinship legal guardian, the court shall consider:
   (1) if proper notice was provided to the child’s parents;
(2) the best interests of the child;
(3) the kinship caregiver assessment;
(4) in cases in which the division is involved with the child as provided in subsection a. of section 8 of P.L.2001, c.250 (C.30:4C-85), the recommendation of the division, including any parenting time or visitation restrictions;
(5) the potential kinship legal guardian's ability to provide a safe and permanent home for the child;
(6) the wishes of the child's parents, if known to the court;
(7) the wishes of the child if the child is 12 years of age or older, unless unique circumstances exist that make the child's age irrelevant;
(8) the suitability of the kinship caregiver and the caregiver's family to raise the child;
(9) the ability of the kinship caregiver to assume full legal responsibility for the child;
(10) the commitment of the kinship caregiver and the caregiver's family to raise the child to adulthood;
(11) the results from the child abuse record check conducted pursuant to section 9 of P.L.2001, c.250 (C.30:4C-86); and
(12) the results from the criminal history record background check and domestic violence check conducted pursuant to section 9 of P.L.2001, c.250 (C.30:4C-86). In any case in which the caregiver petitioning for kinship legal guardianship, or any adult residing in the prospective caregiver's home, has a record of criminal history or a record of being subjected to a final domestic violence restraining order under P.L.1991, c.261 (C.2C:25-7 et seq.), the court shall review the record with respect to the type and date of the criminal offense or the provisions and date of the final domestic violence restraining order and make a determination as to the suitability of the person to become a kinship legal guardian. For the purposes of this paragraph, with respect to criminal history, the court shall consider convictions for offenses specified in subsections c., d. and e. of section 1 of P.L.1985, c.396 (C.30:4C-26.8).

b. The court shall not award kinship legal guardianship of the child unless proper notice was served upon the parents of the child and any other party to whom the court has awarded custody or parenting time for that child, in accordance with the Rules of Court.
c. The court shall not award kinship legal guardianship of the child solely because of parental incapacity.
d. The court shall appoint the caregiver as a kinship legal guardian if, based upon clear and convincing evidence, the court finds that:
(1) each parent's incapacity is of such a serious nature as to demon-
strate that the parents are unable, unavailable or unwilling to perform the
regular and expected functions of care and support of the child;
(2) the parents' inability to perform those functions is unlikely to
change in the foreseeable future;
(3) in cases in which the division is involved with the child as provided
in subsection a. of section 8 of P.L.2001, c.250 (C.30:4C-85), (a) the divi-
sion exercised reasonable efforts to reunify the child with the birth parents
and these reunification efforts have proven unsuccessful or unnecessary;
and (b) adoption of the child is neither feasible nor likely; and
(4) awarding kinship legal guardianship is in the child's best interests.
e. The court order appointing the kinship legal guardian shall specify,
as appropriate, that:
(1) a kinship legal guardian shall have the same rights, responsibilities
and authority relating to the child as a birth parent, including, but not lim-
ited to: making decisions concerning the child's care and well-being; con-
senting to routine and emergency medical and mental health needs; arrang-
ing and consenting to educational plans for the child; applying for financial
assistance and social services for which the child is eligible; applying for a
motor vehicle operator's license; applying for admission to college; respons-
sibility for activities necessary to ensure the child's safety, permanency and
well-being; and ensuring the maintenance and protection of the child; ex-
cept that a kinship legal guardian may not consent to the adoption of the
child or a name change for the child;
(2) the birth parent of the child retains the authority to consent to the
adoption of the child or a name change for the child;
(3) the birth parent of the child retains the obligation to pay child sup-
port;
(4) the birth parent of the child retains the right to visitation or parent-
ing time with the child, as determined by the court;
(5) the appointment of a kinship legal guardian does not limit or termi-
nate any rights or benefits derived from the child's parents, including, but
not limited to, those relating to inheritance or eligibility for benefits or in-
surance; and
(6) kinship legal guardianship terminates when the child reaches 18
years of age or when the child is no longer continuously enrolled in a sec-
ondary education program, whichever event occurs later, or when kinship
legal guardianship is otherwise terminated.
f. An order or judgment awarding kinship legal guardianship may be
vacated by the court prior to the child's 18th birthday if the court finds that
the kinship legal guardianship is no longer in the best interests of the child or, in cases where there is an application to return the child to the parent, based upon clear and convincing evidence, the court finds that the parental incapacity or inability to care for the child that led to the original award of kinship legal guardianship is no longer the case and termination of kinship legal guardianship is in the child's best interests.

In cases in which the division was involved, when determining whether a child should be returned to a parent, the court may refer a parent for an assessment prepared by the division, in accordance with regulations adopted by the commissioner.

g. An order or judgment awarding kinship legal guardianship may be vacated by the court if, based upon clear and convincing evidence, the court finds that the guardian failed or is unable, unavailable or unwilling to provide proper care and custody of the child, or that the guardianship is no longer in the child's best interests.

determine district of residence as follows:
a. The district of residence for children in resource family homes shall
be the district in which the resource family parents reside. If a child in a
resource family home is subsequently placed in a State facility or by a State
agency, the district of residence of the child shall then be determined as if
no such resource family placement had occurred.
b. The district of residence for children who are in residential State
facilities, or who have been placed by State agencies in group homes, skill
development homes, private schools or out-of-State facilities, shall be the

cost established pursuant to P.L.1996, c.138 (C.18A:7F-1 et seq.). This
amount shall be appropriated in the same manner as other State aid under
this act. The Department of Education shall pay the amount to the Depart­

88. Section 19 of P.L.1996, c.138 (C.18A:7F-19) is amended to read as
follows:

C.18A:7F-19 Calculation of special education categorical aid.

19. a. Special education categorical aid for each school district and
county vocational school district shall be calculated for the 1997-98 school
year as follows:

Tier I is the number of pupils classified for other than speech correction
services resident in the district which receive related services including, but
not limited to, occupational therapy, physical therapy, speech and counsel-
ing. Aid shall equal 0.0223 of the T&E amount rounded to the nearest
whole dollar for each of the four service categories provided per classified
pupil.

Tier II is the number of pupils resident in the district meeting the classi-
fication definitions for perceptually impaired, neurologically impaired,
educable mentally retarded and preschool handicapped; all classified pupils in shared time county vocational programs in a county vocational school which does not have a child study team receiving services pursuant to chapter 46 of Title 18A of the New Jersey Statutes; and nonclassified pupils in State training schools or secure care facilities. For the purpose of calculating State aid for 1997-98, each district, other than a county vocational school district, shall have its pupil count for perceptually impaired reduced by perceptually impaired classifications in excess of one standard deviation above the State average classification rate at December 1995 or 9.8 percent of the district's resident enrollment. The perceptually impaired limitation shall be phased down to the State average of the prebudget year over a five-year period by adjusting the standard deviation as follows: 75 percent in 1998-99, 50 percent in 1999-2000, 25 percent in 2000-2001 and the State average in year five. No reduction in aid shall be assessed against any district in which the perceptually impaired classification rate is 6.5% or less of resident enrollment. Aid shall equal 0.4382 of the T&E amount rounded to the nearest whole dollar for each student meeting the Tier II criteria.

The commissioner shall develop a system to provide that each school district submits data to the department on the number of the district's pupils with a classification definition of perceptually impaired who are enrolled in a county vocational school. Such pupils shall be counted in the district of residence's resident enrollment for the purpose of calculating the limit on perceptually impaired classifications for Tier II State aid.

Tier III is the number of classified pupils resident in the district in categories other than speech correction services, perceptually impaired, neurologically impaired, educable mentally retarded, socially maladjusted, preschool handicapped, and who do not meet the criteria of Tier IV, intensive services; and nonclassified pupils in juvenile community programs. Aid shall equal 0.8847 of the T&E amount for each pupil meeting the Tier III criteria.

Tier IV is the number of classified pupils resident in the district receiving intensive services. For 1997-98, intensive services are defined as those provided in a county special services school district and services provided for pupils who meet the classification definitions for autistic, chronically ill, day training eligible, or visually handicapped, or are provided for pupils who meet the classification definition for multiply handicapped and are in a private school for the handicapped, educational services commission, or jointure commission placement in the 1996-97 school year. The commissioner shall collect data and conduct a study to determine intensive service criteria and the appropriate per pupil cost factor to be universally applied to
all service settings, beginning in the 1998-99 school year. Aid shall equal 1.2277 of the T&E amount for each pupil meeting the Tier IV criteria.

Classified pupils in Tiers II through IV shall be eligible for Tier I aid. Classified pupils shall be eligible to receive aid for up to four services under Tier I.

For the 1998-99 school year, these cost factors shall remain in effect and special education aid growth shall be limited by the CPI growth rate applied to the T&E amount and changes in classified pupil counts. For subsequent years, the additional cost factors shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education.

For the purposes of this section, classified pupil counts shall include pupils attending State developmental centers, Department of Children and Families Regional Day Schools, Department of Children and Families residential centers, State residential mental health centers, and institutions operated by or under contract with the Department of Human Services or the Department of Children and Families. Classified pupils of elementary equivalent age shall include classified preschool handicapped and kindergarten pupils.

b. In those instances in which the cost of providing education for an individual classified pupil exceeds $40,000:

(1) For costs in excess of $40,000 incurred in the 2002-2003 through 2004-2005 school years, the district of residence shall, in addition to any special education State aid to which the district is entitled on behalf of the pupil pursuant to subsection a. of this section, receive additional special education State aid as follows: (a) with respect to the amount of any costs in excess of $40,000 but less than or equal to $60,000, the additional State aid for the classified pupil shall equal 60% of that amount; (b) with respect to the amount of any costs in excess of $60,000 but less than or equal to $80,000, the additional State aid for the classified pupil shall equal 70% of that amount; and (c) with respect to the amount of any costs in excess of $80,000, the additional State aid for the classified pupil shall equal 80% of that amount; provided that in the case of an individual classified pupil for whom additional special education State aid was awarded to a district for the 2001-2002 school year, the amount of such aid awarded annually to the district for that pupil for the 2002-2003, 2003-2004 or 2004-2005 school year shall not be less than the amount for the 2001-2002 school year, except that if the district's actual special education costs incurred for the pupil in the 2002-2003, 2003-2004 or 2004-2005 school year are reduced below the amount of such costs for the pupil in the 2001-2002 school year, the amount of aid shall be decreased by the amount of that reduction; and
(2) For costs in excess of $40,000 incurred in the 2005-2006 school year and thereafter, a district shall receive additional special education State aid equal to 100% of the amount of that excess.

A district, in order to receive funding pursuant to this subsection, shall file an application with the department that details the expenses incurred on behalf of the particular classified pupil for which the district is seeking reimbursement. Additional State aid awarded for extraordinary special education costs shall be recorded by the district as revenue in the current school year and paid to the district in the subsequent school year.

c. A school district may apply to the commissioner to receive emergency special education aid for any classified pupil who enrolls in the district prior to March of the budget year and who is in a placement with a cost in excess of $40,000. The commissioner may debit from the student's former district of residence any special education aid which was paid to that district on behalf of the student.

d. The department shall review expenditures of federal and State special education aid by a district in every instance in which special education monitoring identifies a failure on the part of the district to provide services consistent with a pupil's individualized education program.

89. Section 24 of P.L.1996, c.138 (C.18A:7F-24) is amended to read as follows:

24. Annually by December 15, the Department of Corrections, the Department of Human Services, the Department of Children and Families and the Juvenile Justice Commission shall each submit to the commissioner for approval, with respect to the facilities under their operational or supervisory authority, a budget for educational programs as set forth in section 8 of P.L.1979, c.207 (C.18A:7B-4) for the subsequent year, together with enrollments and per pupil costs. For the purposes of calculating a per pupil cost, enrollment shall be based on the number of pupils in the State facility on the last school day prior to October 16 of the prebudget year. In the subsequent year, pursuant to P.L.1979, c.207 (C.18A:7B-1 et seq.) for students resident in a district, approved per pupil amounts shall be deducted from each school district's State aid and remitted to the appropriate agency, except that for county juvenile detention centers, no deduction shall be made until Fiscal Year 1999; in that year and thereafter, 50% of approved per pupil amounts shall be deducted and remitted to the Juvenile Justice Commission.

91. Section 5 of P.L.2000, c.72 (C.18A:7G-5) is amended to read as follows:

C.18A:7G-5 Financing, construction of school facilities in certain districts by authority.

5. a. The authority shall construct and finance the school facilities projects of Abbott districts, districts in level II monitoring pursuant to section 14 of P.L.1975, c.212 (C.18A:7A-14) as of the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.), and districts with a district aid percentage equal to or greater than 55%.

b. Any district whose district aid percentage is less than 55% may elect to have the authority undertake the construction of a school facilities project in the district and the State share shall be determined pursuant to this section. In the event that the district elects not to have the authority undertake the construction of the project, State support for the project shall be determined pursuant to section 9 or section 15 of this act, as applicable.

c. Notwithstanding any provision of N.J.S.18A:18A-16 to the contrary, the procedures for obtaining approval of a school facilities project shall be as set forth in this act; provided that any district whose district aid percentage is less than 55%, which elects not to have the authority or a redevelopment entity undertake the construction of the project, shall also be required to comply with the provisions of N.J.S.18A:18A-16.

d. Any district seeking to initiate a school facilities project shall apply to the commissioner for approval of the project. The application shall, at a minimum, contain the following information: a description of the school facilities project; a schematic drawing of the project or, at the option of the district, preliminary plans and specifications; a delineation and description of each of the functional components of the project; the number of unhoused students to be housed in the project; the area allowances per FTE student as calculated pursuant to section 8 of this act; and the estimated cost to complete the project as determined by the district.

e. The commissioner shall review each proposed school facilities project to determine whether it is consistent with the district’s long-range facilities plan and whether it complies with the facilities efficiency standards and the area allowances per FTE student derived from those standards. The commissioner shall make a decision on a district’s application within 90 days from the date he determines that the application is fully and accurately
completed and that all information necessary for a decision has been filed by the district, or from the date of the last revision made by the district. If the commissioner is not able to make a decision within 90 days, he shall notify the district in writing explaining the reason for the delay and indicating the date on which a decision on the project will be made, provided that the date shall not be later than 60 days from the expiration of the original 90 days set forth in this subsection. If the decision is not made by the subsequent date indicated by the commissioner, then the project shall be deemed approved and the preliminary eligible costs for new construction shall be calculated by using the proposed square footage of the building as the approved area for unhooused students.

f. If the commissioner determines that the school facilities project complies with the facilities efficiency standards and the district's long-range facilities plan and does not exceed the area allowance per FTE student derived from those standards, the commissioner shall calculate the preliminary eligible costs of the project pursuant to the formulas set forth in section 7 of this act; except that in the case of a county special services school district or a county vocational school district, the commissioner shall calculate the preliminary eligible costs to equal the amount determined by the board of school estimate and approved by the board of chosen freeholders pursuant to section 14 of P.L.1971, c.271 (C.18A:46-42) or N.J.S.18A:54-31 as appropriate.

g. If the commissioner determines that the school facilities project is inconsistent with the facilities efficiency standards or exceeds the area allowances per FTE student derived from those standards, the commissioner shall notify the district.

(1) The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the board of education or State district superintendent, as appropriate, demonstrates that school facilities needs related to required programs cannot be addressed within the facilities efficiency standards and that all other proposed spaces are consistent with those standards. The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the additional area allowances are necessary to accommodate centralized facilities to be shared among two or more school buildings within the district and the centralized facilities represent a more cost effective alternative.

(2) The commissioner may waive a facilities efficiency standard if the board of education or State district superintendent, as appropriate, demonstrates to the commissioner's satisfaction that the waiver will not adversely
affect the educational adequacy of the school facility, including the ability to deliver the programs and services necessary to enable all students to achieve the core curriculum content standards.

(3) To house the district's central administration, a district may request an adjustment to the approved areas for unhoused students of 2.17 square feet for each FTE student in the projected total district school enrollment if the proposed administrative offices will be housed in a school facility and the district demonstrates either that the existing central administrative offices are obsolete or that it is more practical to convert those offices to instructional space. To the extent that existing administrative space will continue to be used for administrative purposes, the space shall be included in the formulas set forth in section 7 of this act.

If the commissioner approves excess facilities efficiency standards or additional area allowances pursuant to paragraph (1), (2), or (3) of this subsection, the commissioner shall calculate the preliminary eligible costs based upon the additional area allowances or excess facilities efficiency standards pursuant to the formulas set forth in section 7 of this act. In the event that the commissioner does not approve the excess facilities efficiency standards or additional area allowances, the district may either: modify its submission so that the school facilities project meets the facilities efficiency standards; or pay for the excess costs.

(4) The commissioner shall approve spaces in excess of, or inconsistent with, the facilities efficiency standards, hereinafter referred to as nonconforming spaces, upon a determination by the district that the spaces are necessary to comply with State or federal law concerning individuals with disabilities. A district may apply for additional State aid for nonconforming spaces that will permit pupils with disabilities to be educated to the greatest extent possible in the same buildings or classes with their nondisabled peers. The nonconforming spaces may: (a) allow for the return of pupils with disabilities from private facilities; (b) permit the retention of pupils with disabilities who would otherwise be placed in private facilities; (c) provide space for regional programs in a host school building that houses both disabled and nondisabled pupils; and (d) provide space for the coordination of regional programs by a county special services school district, educational services commission, jointure commission, or other agency authorized by law to provide regional educational services in a school building that houses both disabled and nondisabled pupils. A district's State support ratio shall be adjusted to equal the lesser of the sum of its district aid percentage as defined in section 3 of this act plus 0.25, or 100% for any
nonconforming spaces approved by the commissioner pursuant to this paragraph.

h. Upon approval of a school facilities project and determination of the preliminary eligible costs:

1) In the case of a district whose district aid percentage is less than 55% and which has elected not to have the authority undertake the construction of the school facilities project, the commissioner shall notify the district whether the school facilities project is approved and, if so approved, the preliminary eligible costs and the excess costs, if any. Following the determination of preliminary eligible costs and the notification of project approval, the district may appeal to the commissioner for an increase in those costs if the detailed plans and specifications completed by a design professional for the school facilities project indicate that the cost of constructing that portion of the project which is consistent with the facilities efficiency standards and does not exceed the area allowances per FTE student exceeds the preliminary eligible costs as determined by the commissioner for the project by 10% or more. The district shall file its appeal within 30 days of the preparation of the plans and specifications. If the district chooses not to file an appeal, then the final eligible costs shall equal the preliminary eligible costs.

The appeal shall outline the reasons why the preliminary eligible costs calculated for the project are inadequate and estimate the amount of the adjustment which needs to be made to the preliminary eligible costs. The commissioner shall forward the appeal information to the authority for its review and recommendation. If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards, the authority shall recommend to the commissioner that the preliminary eligible costs be accepted as the final eligible costs. If the authority determines the additional costs are not within the control of the district or are the result of design factors required to meet the facilities efficiency standards, the authority shall recommend to the commissioner a final eligible cost based on its experience for districts with similar characteristics, provided that, notwithstanding anything to the contrary, the commissioner shall not approve an adjustment to the preliminary eligible costs which exceeds 10% of the preliminary eligible costs. The commissioner shall make a determination on the appeal within 30 days of its receipt. If the commissioner does not approve an adjustment to the school facilities project's preliminary eligible costs, the commissioner shall issue his findings in writing on the reasons
for the denial and on why the preliminary eligible costs as originally calculated are sufficient.

(2) In all other cases, the commissioner shall promptly prepare and submit to the authority a preliminary project report which shall consist, at a minimum, of the following information: a complete description of the school facilities project; the actual location of the project; the total square footage of the project together with a breakdown of total square footage by functional component; the preliminary eligible costs of the project; the project's priority ranking determined pursuant to subsection m. of this section; any other factors to be considered by the authority in undertaking the project; and the name and address of the person from the district to contact in regard to the project.

i. Upon receipt by the authority of the preliminary project report, the authority, upon consultation with the district, shall prepare detailed plans and specifications and schedules which contain the authority's estimated cost and schedule to complete the school facilities project. The authority shall transmit to the commissioner the authority's recommendations in regard to the project which shall, at a minimum, contain the detailed plans and specifications; whether the school facilities project can be completed within the preliminary eligible costs; and any other factors which the authority determines should be considered by the commissioner.

1. In the event that the authority determines that the school facilities project can be completed within the preliminary eligible costs: the final eligible costs shall be deemed to equal the preliminary eligible costs; the commissioner shall be deemed to have given final approval to the project; and the preliminary project report shall be deemed to be the final project report delivered to the authority pursuant to subsection j. of this section.

2. In the event that the authority determines that the school facilities project cannot be completed within the preliminary eligible costs, prior to the submission of the authority's recommendations to the commissioner, the authority shall, in consultation with the district and the commissioner, determine whether changes can be made in the project which will result in a reduction in costs while at the same time meeting the facilities efficiency standards approved by the commissioner.

a. If the authority determines that changes in the school facilities project are possible so that the project can be accomplished within the scope of the preliminary eligible costs while still meeting the facilities efficiency standards, the authority shall so advise the commissioner, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs; give final approval to the project with the changes
CHAPTER 47, LAWS OF 2006

noted; and issue a final project report to the authority pursuant to subsection j. of this section.

(b) If the authority determines that it is not possible to make changes in the school facilities project so that it can be completed within the preliminary eligible costs either because the additional costs are the result of factors outside the control of the district or the additional costs are required to meet the facilities efficiency standards, the authority shall recommend to the commissioner that the preliminary eligible costs be increased accordingly, whereupon the commissioner shall: calculate the final eligible costs to equal the sum of the preliminary eligible costs plus the increase recommended by the authority; give final approval to the project; and issue a final project report to the authority pursuant to subsection j. of this section.

(c) If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards or approved pursuant to paragraph (1) of subsection g. of this section, the authority shall recommend to the commissioner that the preliminary eligible costs be accepted, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs and specify the excess costs which are to be borne by the district; give final approval to the school facilities project; and issue a final project report to the authority pursuant to subsection j. of this section; provided that the commissioner may approve final eligible costs which are in excess of the preliminary eligible costs if, in his judgment, the action is necessary to meet the educational needs of the district.

(d) For a school facilities project constructed by the authority, the authority shall be responsible for any costs of construction, but only from the proceeds of bonds issued by the authority pursuant to this act, which exceed the amount originally projected by the authority and approved for financing by the authority, provided that the excess is the result of an underestimate of labor or materials costs by the authority. After receipt by the authority of the final project report, the district shall be responsible only for the costs associated with changes, if any, made at the request of the district to the scope of the school facilities project.

j. The authority shall not commence the acquisition or construction of a school facilities project unless the commissioner transmits to the authority a final project report and the district complies with the approval requirements for the local share, if any, pursuant to section 11 of this act. The final project report shall contain all of the information contained in the preliminary project report and, in addition, shall contain: the final eligible costs;
the excess costs, if any; the total costs which equals the final eligible costs plus excess costs, if any; the State share; and the local share.

k. For the Abbott districts, the State share shall be 100% of the final eligible costs. For all other districts, the State share shall be an amount equal to 115% of the district aid percentage; except that the State share shall not be less than 40% of the final eligible costs.

If any district which is included in district factor group A or B, other than an Abbott district, is having difficulty financing the local share of a school facilities project, the district may apply to the commissioner to receive 100% State support for the project and the commissioner may request the approval of the Legislature to increase the State share of the project to 100%.

l. The local share for school facilities projects constructed by the authority or a redevelopment entity shall equal the final eligible costs plus any excess costs less the State share.

m. The commissioner shall establish, in consultation with the Abbott districts, a priority ranking of all school facilities projects in the Abbott districts based upon his determination of critical need, and shall establish priority categories for all school facilities projects in non-Abbott districts. The commissioner shall rank projects from Tier I to Tier IV in terms of critical need according to the following prioritization:

Tier I: health and safety, including electrical system upgrades; required early childhood education programs; unhoused students/class size reduction as required to meet the standards of the "Comprehensive Educational Improvement and Financing Act of 1996," P.L.1996, c.138 (C.18A:7F-1 et seq.);

Tier II: educational adequacy - specialized instructional spaces, media centers, cafeteriiums, and other non-general classroom spaces contained in the facilities efficiency standards; special education spaces to achieve the least restrictive environment;

Tier III: technology projects; regionalization or consolidation projects;

Tier IV: other local objectives.

n. The provisions of the "Public School Contracts Law," N.J.S. 18A:18A-1 et seq., shall be applicable to any school facilities project constructed by a district but shall not be applicable to projects constructed by the authority or a redevelopment entity pursuant to the provisions of this act.

o. In the event that a district whose district aid percentage is less than 55% elects not to have the authority undertake construction of a school facilities project, any proceeds of school bonds issued by the district for the purpose of funding the project which remain unspent upon completion of
the project shall be used by the district to reduce the outstanding principal amount of the school bonds.

p. Upon completion by the authority of a school facilities project, if the cost of construction and completion of the project is less than the total costs, the district shall be entitled to receive a portion of the local share based on a pro rata share of the difference based on the ratio of the State share to the local share.

q. The authority shall determine the cause of any costs of construction which exceed the amount originally projected by the authority and approved for financing by the authority.

r. In the event that a district has engaged architectural services to prepare the documents required for initial proposal of a school facilities project, the district shall, if permitted by the terms of the district's contract for architectural services, and at the option of the authority assign the contract for architectural services to the authority if the authority determines that the assignment would be in the best interest of the school facilities project.

s. Notwithstanding anything to the contrary contained in P.L.2000, c.72 (C.18A:7G-1 et al.), an ECPA district, at its option, may provide in its long-range facilities plan submitted pursuant to section 4 of this act, for one or more community early childhood education facilities projects. If the district has requested designation of a demonstration project pursuant to section 6 of this act and is eligible to submit a plan for a community early childhood education facilities project pursuant to this section, the district shall be permitted to include the community early childhood education facilities project as part of the demonstration project.

(1) An ECPA district seeking to initiate a community early childhood education facilities project shall apply to the commissioner for approval of the project. The application shall, at a minimum, contain the following information: the name of the community provider; evidence that the community provider is licensed by the Department of Children and Families pursuant to P.L.1983, c.492 (C.30:5B-1 et seq.) and is a tax exempt nonprofit organization; evidence that the community provider is or shall provide early childhood education programs for the district; a description of the community early childhood education facilities project; a schematic drawing of the project, or at the option of the district, preliminary plans and specifications; a delineation and description of each of the functional components of the project; identification of those portions of the proposed project which shall be devoted in whole or in part to the provision of early childhood education programs to 3 or 4-year old children from the ECPA district; the estimated cost to complete the project as determined by the district in consultation
with the community provider; and whether the facility provides services other than early childhood education programs for 3 and 4-year old children, pursuant to a contract with the ECPA district.

(2) The commissioner shall review the proposed early childhood education facilities project to determine whether it is consistent with the district's long-range facilities plan, whether it will provide a facility which is structurally adequate and safe and capable of providing a program which will enable preschool children being served pursuant to the ECPA district's approved early childhood education operational plan to meet the standards for early childhood education programs established by the department and whether there is a need for increased capacity or to rehabilitate existing space to meet these standards. Only those facilities which are used for 3 or 4-year old children pursuant to a contract with the ECPA district shall be eligible for approval, provided that facilities which are jointly used by 3 or 4-year old children from the ECPA district and from other districts shall also be eligible for approval.

(3) If the commissioner approves the project, the commissioner shall determine, in consultation with the authority, the cost to complete the approved project, which shall be the reasonable, estimated cost of the renovation or new construction necessary to provide a facility which is structurally adequate and safe and capable of providing a program which will enable preschool children being served pursuant to the ECPA district's approved early childhood education operational plan to meet the standards for early childhood education programs established by the department. For projects initiated by an Abbott district, the State support shall be 100% of such reasonable, estimated cost. For projects initiated by an ECPA district that is not an Abbott district, the State support shall be an amount equal to 115% of the district aid percentage of that ECPA district, of such reasonable, estimated cost, except that the State support shall not be less than 40% of such reasonable, estimated cost. The commissioner shall issue a final project report to the authority which shall contain a complete description of the project, the actual location of the project, the total square footage of the project together with a breakdown of total square footage by functional component; any other factors to be considered by the authority in undertaking the project; the names and addresses of the people to contact from the district and the community provider; the amount of State support for the project; and the amount of local support required from the community provider to pay for costs, if any, of the project which have not been approved by the commissioner for State support.
(4) Upon submission to the authority of a final project report, the authority shall undertake the financing, acquisition, construction and all other appropriate actions necessary to complete the community early childhood education facilities project, provided, that if there is local support required for the project, such actions shall not commence until the authority receives the local support from the community provider. The authority may, in its discretion, and upon consultation with the commissioner, authorize a community provider to undertake the acquisition, construction and all other appropriate action necessary to complete the project, in which case the authority shall not provide State support until the community provider provides the local support, if any.

(5) In order to implement the arrangements established for community early childhood education facilities projects, the authority shall enter into an agreement with the district, the commissioner and the community provider containing the terms and conditions determined by the parties to be necessary to effectuate the project.

(6) The authority shall require as a condition of providing State support for any community early childhood education facilities project that the State support must be repaid by the community provider in the event that (a) the commissioner determines that the project is no longer being used for the purposes for which it was intended; or (b) the project is sold, leased or otherwise conveyed to an individual or organization that does not have tax exempt nonprofit or government status.

Attendance at school free of charge.

18A:38-1. Public schools shall be free to the following persons over five and under 20 years of age:
   a. Any person who is domiciled within the school district;
   b. (1) Any person who is kept in the home of another person domiciled within the school district and is supported by such other person gratis as if he were such other person's own child, upon filing by such other person with the secretary of the board of education of the district, if so required by the board, a sworn statement that he is domiciled within the district and is supporting the child gratis and will assume all personal obligations for the child relative to school requirements and that he intends so to keep and support the child gratuitously for a longer time than merely through the school term, and a copy of his lease if a tenant, or a sworn statement by his landlord acknowledging his tenancy if residing as a tenant without a written lease, and upon filing by the child's parent or guardian with the secretary of the board of education a sworn statement that he is not capable of supporting or providing care for the child due to a family or economic hardship and that the child is not residing with the resident of the district solely for the purpose of receiving a free public education within the district. The statement shall be accompanied by documentation to support the validity of the sworn statements, information from or about which shall be supplied only to the board and only to the extent that it directly pertains to the support or nonsupport of the child. If in the judgment of the board of education the evidence does not support the validity of the claim by the resident, the board may deny admission to the child. The resident may contest the board's decision to the commissioner within 21 days of the date of the deci-
sion and shall be entitled to an expedited hearing before the commissioner on the validity of the claim and shall have the burden of proof by a preponderance of the evidence that the child is eligible for a free education under the criteria listed in this subsection. The board of education shall, at the time of its decision, notify the resident in writing of his right to contest the board's decision to the commissioner within 21 days. No child shall be denied admission during the pendency of the proceedings before the commissioner. In the event the child is currently enrolled in the district, the student shall not be removed from school during the 21-day period in which the resident may contest the board's decision nor during the pendency of the proceedings before the commissioner. If in the judgment of the commissioner the evidence does not support the claim of the resident, he shall assess the resident tuition for the student prorated to the time of the student's ineligible attendance in the school district. Tuition shall be computed on the basis of $1/180 of the total annual per pupil cost to the local district multiplied by the number of days of ineligible attendance and shall be collected in the manner in which orders of the commissioner are enforced. Nothing shall preclude a board from collecting tuition from the resident, parent or guardian for a student's period of ineligible attendance in the schools of the district where the issue is not appealed to the commissioner;

(2) If the superintendent or administrative principal of a school district finds that the parent or guardian of a child who is attending the schools of the district is not domiciled within the district and the child is not kept in the home of another person domiciled within the school district and supported by him gratis as if the child was the person's own child as provided for in paragraph (1) of this subsection, the superintendent or administrative principal may apply to the board of education for the removal of the child. The parent or guardian shall be entitled to a hearing before the board and if in the judgment of the board the parent or guardian is not domiciled within the district or the child is not kept in the home of another person domiciled within the school district and supported by him gratis as if the child was the person's own child as provided for in paragraph (1) of this subsection, the board may order the transfer or removal of the child from school. The parent or guardian may contest the board's decision before the commissioner within 21 days of the date of the decision and shall be entitled to an expedited hearing before the commissioner and shall have the burden of proof by a preponderance of the evidence that the child is eligible for a free education under the criteria listed in this subsection. The board of education shall, at the time of its decision, notify the parent or guardian in writing of his right to contest the decision within 21 days. No child shall be removed
from school during the 21-day period in which the parent may contest the board's decision or during the pendency of the proceedings before the commissioner. If in the judgment of the commissioner the evidence does not support the claim of the parent or guardian, the commissioner shall assess the parent or guardian tuition for the student prorated to the time of the student's ineligible attendance in the schools of the district. Tuition shall be computed on the basis of 1/180 of the total annual per pupil cost to the local district multiplied by the number of days of ineligible attendance and shall be collected in the manner in which orders of the commissioner are enforced. Nothing shall preclude a board from collecting tuition from the parent or guardian for a student's period of ineligible attendance in the schools of the district where the issue is not appealed to the commissioner;

The provisions of this section requiring proof of support, custody or tenancy shall not apply to a person keeping a child in his home whose parent or guardian is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States and who has been ordered into active military service in any of the armed forces of the United States in time of war or national emergency. In such a situation, the child shall be eligible to enroll in the district in which he is being kept, and no tuition shall be charged by the district. Following the return of the child's parent or guardian from active military service, the child's eligibility for enrollment without tuition in the district in which he or she is being kept shall cease at the end of the current school year;

c. Any person who fraudulently allows a child of another person to use his residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his child to a person in another district commits a disorderly persons offense;

d. Any person whose parent or guardian, even though not domiciled within the district, is residing temporarily therein, but any person who has had or shall have his all-year-round dwelling place within the district for one year or longer shall be deemed to be domiciled within the district for the purposes of this section;

e. Any person for whom the Division of Youth and Family Services in the Department of Children and Families is acting as guardian and who is placed in the district by the division;

f. Any person whose parent or guardian moves from one school district to another school district as a result of being homeless and whose district of residence is determined pursuant to section 19 of P.L.1979, c.207 (C.18A:7B-12).
95. Section 1 of P.L.2000, c.138 (C.18A:44-5) is amended to read as follows:

Types of facilities and programs.

18A:46-13. It shall be the duty of each board of education to provide suitable facilities and programs of education for all the children who are classified as handicapped under this chapter. The absence or unavailability of a special class facility in any district shall not be construed as relieving a board of education of the responsibility for providing education for any child who qualifies under this chapter.

The Department of Human Services, and the Department of Children and Families, as applicable, shall provide transportation for all children who attend day training centers operated by the department.

A board of education is not required to provide any further educational program for children who have been admitted to the Marie H. 2. a. The multidisciplinary treatment team at a State facility shall provide written notice to the parent or legal guardian of a child who is placed in the facility, when the child attains the age of 18, or, if the child is over the age of 18 when placed in the facility, at the time of placement, that the child is not entitled to receive tuition free educational services after the age of 21.

b. Written notice given pursuant to this section shall describe in detail the parent's or guardian's opportunity to consent to having the child's name or other relevant information forwarded in a report to the Commissioner of Human Services, the Commissioner of Children and Families, or the Commissioner of Corrections, as appropriate, for the purposes of determining whether the child will likely need services after the age of 21 and, if so, recommending possible adult educational services. For the purposes of this subsection, "relevant information" means that information in the possession of and used by the multidisciplinary treatment team to ascertain the physical, mental, emotional and cultural-educational factors which contribute to the child's handicapping condition, including but not limited to: (1) results

Nothing in this subsection shall be construed to require a multidisciplinary treatment team to perform any examination or evaluation not otherwise required by law.

c. Upon the written consent of the parent or legal guardian, the multidisciplinary treatment team shall forward the child's name and other relevant information in a report to the Commissioner of Human Services, the Commissioner of Children and Families, or the Commissioner of Corrections, as appropriate, for the development of a recommendation for adult educational services. A copy of the report shall also be submitted to the Commissioner of Education at the same time that the report is submitted to the Commissioner of Human Services, the Commissioner of Children and Families or the Commissioner of Corrections, as applicable.

3. a. The Commissioner of Human Services, the Commissioner of Children and Families, or the Commissioner of Corrections, as appropriate, or their designees, in consultation with the Commissioner of Education, or his designee, shall determine whether a child, whose report is submitted to the Department of Human Services, Department of Children and Families, or the Department of Corrections, as appropriate, pursuant to subsection c. of section 2 of this act, will likely need adult educational services and, if the need will likely exist, develop a recommendation of all appropriate educational programs operated or approved by the Department of Human Services, Department of Children and Families, Department of Corrections or Department of Education which may be available when the child attains the age of 21. If necessary and appropriate, the Commissioner of Human Services, the Commissioner of Children and Families, or the Commissioner of Corrections, as appropriate, may conduct an evaluation of the child to determine if adult educational services will be needed. The recommendation of all programs shall be made available to the parent or guardian of the child as soon as practicable but not later than six months before the child attains the age of 21.
b. If the Commissioner of Human Services, Commissioner of Children and Families, or Commissioner of Corrections, as appropriate, determines, pursuant to subsection a. of this section, that the child will not require adult educational services, the commissioner shall notify the child's parent or guardian in writing of the determination. The Legislature hereby finds that it is in the best interests of the State of New Jersey to provide job security during good behavior and efficiency for the teachers and other certified professional educators employed in State institutions within the Department of Corrections, the Department of Children and Families, and the Department of Human Services. To accomplish this goal it is appropriate to provide tenure protection for such professionals teaching in such State institutions, subject to the provisions set forth in this act.

103. Section 3 of P.L.1986, c.158 (C.18A:60-1.2) is amended to read as follows:

Dismissals resulting from such reduction shall not be by reason of residence, age, sex, marriage, race, religion, or political affiliation. When such professors, associate professors, assistant professors, instructors, supervisors, registrars, teachers, or other persons employed in a teaching capacity under tenure are dismissed by reason of such reduction, those professors, associate professors, assistant professors, instructors, supervisors, registrars, teachers, or other persons employed in a teaching capacity having the least number of years of service to their credit shall be dismissed in preference to those having longer terms of service. Should any such professor, associate professor, assistant professor, instructor, supervisor, registrar, teacher, or other person employed in a teaching capacity under tenure be dismissed as a result of such reduction, such person shall be and remain upon a preferred eligible list in the order of years of service for reemployment, whenever vacancies occur, and shall be reemployed by the commissioner in such order, when, and if, a vacancy in a position for which such professor, associate professor, assistant professor, instructor, supervisor, registrar, teacher, or other person employed in a teaching capacity shall be qualified. Such reemployment shall give full recognition to previous years of service.

b. Recent data and assessments of the child welfare system in this State demonstrate the need for a new approach to delivering services to this vulnerable population, and the system must therefore be reformed;

c. Because the safety of children must always be paramount, allegations of child abuse and neglect must be investigated quickly and thoroughly and protective actions must be taken immediately if necessary;

d. Concerns about the safety, permanency and well-being of children require significant changes in: the organization of the child welfare system, the ability to implement best practices within the system; the development of effective services to meet the needs of children and families; and the elimination of impediments to the quick and efficient management of abuse and neglect cases;

e. Children need safe, stable and positive relationships with caring adults in order to thrive; and, if their parents are incapable of providing such a caring relationship, the State must look to other families to provide this kind of relationship;

f. To ensure the best outcomes for children and their families, these substitute families must be viewed and treated as “resource families” and provided with appropriate support, training and responsibilities, which will include: expedited licensure for this purpose, equalized payment rates for care among the various types of resource families, and enhanced access to necessary support services tailored to their respective needs;

go. Youths must be provided with supports and services in their communities that will enable them to grow into healthy and productive adults; and those youths who previously received child welfare services must continue to receive those services beyond the age of 18, up to age 21, as appropriate; and

120. Section 1 of P.L.1962, c.140 (C.30:4C-4.1) is amended to read as follows:

C.30:4C-4.1 Consent and approval of actions or proceedings.

1. Notwithstanding the provisions of any other law, no action or proceeding, including an application for a writ of habeas corpus, in any court which the Division of Youth and Family Services is authorized by law to
commence or maintain shall be commenced or maintained by the division, without the consent and approval of the Commissioner of Children and Families, as hereinafter provided.

121. Section 2 of P.L. 1962, c. 140 (C. 30:4C-4.2) is amended to read as follows:

C. 30:4C-4.2 Nature of consent and approval to defend or oppose action or proceeding.

2. In no case shall the Division of Youth and Family Services, defend against any action or proceeding or make or oppose any application for a writ of habeas corpus without the express consent and approval of the Commissioner of Children and Families.

122. Section 12 of P.L. 1951, c. 138 (C. 30:4C-12) is amended to read as follows:

C. 30:4C-12 Filing complaint; investigation; application for court order; hearing.

12. Whenever it shall appear that the parent or parents, guardian, or person having custody and control of any child within this State is unfit to be entrusted with the care and education of such child, or shall fail to provide such child with proper protection, maintenance and education, or shall fail to ensure the health and safety of the child, or is endangering the welfare of such child, a written or oral complaint may be filed with the division, or other entity designated by the commissioner, by any person or by any public or private agency or institution interested in such child. When such a complaint is filed by a public or private agency or institution, it shall be accompanied by a summary setting forth the reason for such complaint and other social history of the child and his family's situation which justifies such complaint; or, if this is not feasible, such summary shall be made available to the division, or other entity within the department that is investigating the complaint, as soon thereafter as possible. Upon receipt of a complaint as provided in this section, the division, or other entity designated by the commissioner, shall investigate, or shall cause to be investigated, the statements set forth in such complaint. If the circumstances so warrant, the parent, parents, guardian, or person having custody and control of the child may be afforded an opportunity to file an application for care, as provided in section 11 of P.L. 1951, c. 138 (C. 30:4C-11). If the parent, parents, guardian, or person having custody and control of the child refuses to permit or in any way impedes an investigation, and the department determines that further investigation is necessary in the best interests of the child, the division may thereupon apply to the Family Part of the Chancery
Division of the Superior Court in the county where the child resides, for an order directing the parent, parents, guardian, or person having custody and control of the child to permit immediate investigation. The court, upon such application, may proceed to hear the matter in a summary manner and if satisfied that the best interests of the child so require may issue an order as requested.

If, after such investigation has been completed, it appears that the child requires care and supervision by the division or other action to ensure the health and safety of the child, the division may apply to the Family Part of the Chancery Division of the Superior Court in the county where the child resides for an order making the child a ward of the court and placing the child under the care and supervision or custody of the division.

The court, at a summary hearing held upon notice to the division, and to the parent, parents, guardian, or person having custody and control of the child, if satisfied that the best interests of the child so require, may issue an order as requested, which order shall have the same force and effect as the acceptance of a child for care by the division as provided in section 11 of P.L.1951, c.138 (C.30:4C-11); provided, however, that such order shall not be effective beyond a period of six months from the date of entry unless the court, upon application by the division, at a summary hearing held upon notice to the parent, parents, guardian, or person having custody of the child, extends the time of the order.

Immediately after the court's order and while the child is in the division's care, the division shall initiate a search for the child's mother or father, if they are not known to the division. The search shall be initiated within 30 days of the court order. The search will be completed when all sources contacted have either responded to the inquiry or failed to respond within 45 days. The results shall be valid for six months after the date it was completed.

123. Section 6 of P.L.1991, c.275 (C.30:4C-12.1) is amended to read as follows:

C.30:4C-12.1 Search for relatives; assessment of abilities.

6. a. In any case in which the Department of Children and Families accepts a child in its care or custody, including placement, the department shall initiate a search for relatives who may be willing and able to provide the care and support required by the child. The search shall be initiated within 30 days of the department's acceptance of the child in its care or custody. The search will be completed when all sources contacted have either
responded to the inquiry or failed to respond within 45 days. The depart-
ment shall complete an assessment of each interested relative's ability to
provide the care and support, including placement, required by the child.

b. If the department determines that the relative is unwilling or unable
to assume the care of the child, the department shall not be required to re-
evaluate the relative. The department shall inform the relative in writing of:

(1) the reasons for the department's determination;
(2) the responsibility of the relative to inform the department if there is
a change in the circumstances upon which the determination was made;
(3) the possibility that termination of parental rights may occur if the
child remains in resource family care for more than six months; and
(4) the right to seek review by the department of such determination.

c. The department may decide to pursue the termination of parental
rights if the department determines that termination of parental rights is in
the child's best interests.

124. Section 4 of P.L.2000, c.58 (C.30:4C-15.7) is amended to read as
follows:

C.30:4C-15.7 Designated sites for voluntary relinquishment of child; assumption of
care, custody, control by DYFS.

4. a. If a person voluntarily delivers a child who is or appears to be no
more than 30 days old to, and leaves the child at a State, county or munici-
pal police station and does not express an intent to return for the child, a
State, county or municipal police officer shall take the child to the emer-
gency department of a licensed general hospital in this State and the hospi-
tal shall proceed as specified in subsection b. of this section.

b. If a person voluntarily delivers a child who is or appears to be no
more than 30 days old to, and leaves the child at an emergency department
of a licensed general hospital in this State and does not express an intent to

subsection a. of this section, the hospital shall:

(1) take possession of the child without a court order;

child's physical health and safety; and
(3) no later than the first business day after taking possession of the
child, notify the Division of Youth and Family Services in the Department
of Children and Families that the hospital has taken possession of the child.
c. The Division of Youth and Family Services shall assume the care, custody and control of the child immediately upon receipt of notice from a licensed general hospital pursuant to paragraph (3) of subsection b. of this section. The division shall commence a thorough search of all listings of missing children to ensure that the relinquished child has not been reported missing.

d. A child for whom the Division of Youth and Family Services assumes care, custody and control pursuant to subsection c. of this section shall be treated as a child taken into possession without a court order.

e. It shall be an affirmative defense to prosecution for abandonment of a child that the parent voluntarily delivered the child to and left the child at, or voluntarily arranged for another person to deliver the child to and leave the child at, a State, county or municipal police station as provided in subsection a. of this section or the emergency department of a licensed general hospital in this State as provided in subsection b. of this section. Nothing in this subsection shall be construed to create a defense to any prosecution arising from any conduct other than the act of delivering the child as described herein, and this subsection specifically shall not constitute a defense to any prosecution arising from an act of abuse or neglect committed prior to the delivery of the child to a State, county or municipal police station as provided in subsection a. of this section or the emergency department of a licensed general hospital in this State as provided in subsection b. of this section.

f. A State, county or municipal police officer and the governmental jurisdiction employing that officer or an employee of an emergency department of a licensed general hospital in this State and the hospital employing that person shall incur no civil or criminal liability for any good faith acts or omissions performed pursuant to this section.

g. Any person who voluntarily delivers a child who is or appears to be no more than 30 days old to a licensed general hospital or a police station in accordance with this section shall not be required to disclose that person's name or other identifying information or that of the child or the child's parent, if different from the person who delivers the child to the hospital or police station, or provide background or medical information about the child, but may voluntarily do so.

125. Section 6 of P.L.2000, c.58 (C.30:4C-15.9) is amended to read as follows:

C.30:4C-15.9 Educational and public information program, toll free hotline.

6. a. The Commissioner of Children and Families, in consultation with the Commissioner of Health and Senior Services, shall establish an educa-
tional and public information program to promote safe placement alternatives for newborn infants, the confidentiality offered to birth parents and information regarding adoption procedures. This campaign shall include the establishment of a 24-hour, toll free hotline to assist in making information about the safe haven procedures established by P.L.2000, c.58 (C.30:4C-15.5 et al.) as widely available as possible.

b. The Department of Children and Families shall provide to licensed general hospitals in this State and State, county or municipal police stations information about relevant social service agencies which may be made available to any person voluntarily delivering a child as provided in section 4 of P.L.2000, c.58 (C.30:4C-15.7).

126. Section 9 of P.L.2000, c.58 (C.30:4C-15.10) is amended to read as follows:

C.30:4C-15.10 Rules, regulations.

9. The Commissioner of Children and Families, in consultation with the Commissioner of Health and Senior Services and pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate the purposes of this act.

127. Section 1 of P.L.2005, c.294 is amended to read as follows:

1. The Legislature finds and declares that:

a. The “New Jersey Safe Haven Infant Protection Act,” P.L.2000, c.58 (C.30:4C-15.5 et seq.) is intended to provide for the emergency possession of certain abandoned newborn infants in such a manner as to ensure the anonymity, confidentiality and freedom from prosecution that may encourage a parent who may be under severe emotional stress to leave an infant at a safe haven and thereby save that infant's life;

b. This statute requires the Commissioner of Children and Families to establish an educational and public information program to promote safe placement alternatives for newborn infants, the confidentiality offered to birth parents and information regarding adoption procedures;

c. Pursuant to the Safe Haven law, the Department of Children and Families established a multifaceted media campaign to inform the public about its provisions, and this effort has included: a 24-hour toll-free telephone hotline; public service announcements on radio and cable television; posters for display in social service agencies, high schools, stores and churches; pocket cards and brochures in both English and Spanish; and advertising in local and college newspapers and on billboards and buses;
d. Despite these efforts to promote public awareness of the Safe Haven law, unlawful abandonment of newborn infants continues to be a problem in New Jersey, as evidenced by the finding of three newborn infants who were unlawfully abandoned during a three-week period in January 2004, instead of being dropped off safely as provided under P.L.2000, c.58, with the consequent loss of life for one of those infants; and

e. The indications of this continuing problem raise questions about whether the existing efforts to disseminate information about the provisions of the Safe Haven law can create sufficient public awareness to alleviate the problem of unlawful baby abandonment and thereby achieve the intent of the “New Jersey Safe Haven Infant Protection Act.”

128. Section 2 of P.L.2005, c.294 is amended to read as follows:

2. There is established the Safe Haven Awareness Promotion Task Force in the Department of Children and Families. The purpose of the task force shall be to study and evaluate the efficacy of existing efforts to promote awareness among the general public of the provisions of the “New Jersey Safe Haven Infant Protection Act,” P.L.2000, c.58 (C.30:4C-15.5 et seq.), and develop recommendations relating to specific actionable measures to support and enhance efforts that would improve the effectiveness of the campaign to promote public awareness of the Safe Haven law.

129. Section 3 of P.L.2005, c.294 is amended to read as follows:

3. a. The task force shall consist of 19 members as follows:

(1) the Commissioners of Health and Senior Services, Children and Families and Education, the Director of the Division on Women in the Department of Community Affairs and the Child Advocate, or their designees, who shall serve ex officio; and

(2) 14 public members, who shall be appointed by the Governor no later than the 30th day after the effective date of this act, as follows: one person upon the recommendation of the Association for Children of New Jersey; one person upon the recommendation of the New Jersey Chapter of the National Association of Social Workers; one person upon the recommendation of the School of Social Work at Rutgers, The State University of New Jersey; one person upon the recommendation of Foster and Adoptive Family Services; one person upon the recommendation of the American Academy of Pediatrics-New Jersey Chapter; one person upon the recommendation of the New Jersey Education Association; one person upon the
recommendation of the New Jersey State School Nurses Association; one person upon the recommendation of the New Jersey Hospital Association; one person upon the recommendation of the Mental Health Association in New Jersey; one person upon the recommendation of the New Jersey Task Force on Child Abuse and Neglect, one person upon the recommendation of the New Jersey Catholic Conference; one person upon the recommendation of New Jersey Right to Life; and two members of the public with a demonstrated expertise in issues relating to the work of the task force.

Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

b. The Commissioner of Children and Families or the commissioner's designee shall serve as chairperson of the task force. The task force shall organize as soon as practicable following the appointment of its members and shall select a vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the task force.

c. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

d. The task force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

e. The task force may meet and hold hearings at the places it designates during the sessions or recesses of the Legislature.

f. The Department of Children and Families shall provide staff support to the task force.

130. Section 26 of P.L.1951, c.138 (C.30:4C-26) is amended to read as follows:

C.30:4C-26 Placing child in resource family home, group home or institution.

26. a. Whenever the circumstances of a child are such that his needs cannot be adequately met in his own home, the division may effect his placement in a resource family home, with or without payment of board, in a group home, or in an appropriate institution if such care is deemed essential for him. The division shall make every reasonable effort to select a resource family home, a group home or an institution of the same religious faith as the parent or parents of such child.

b. Whenever the division shall place any child, as provided by this section, in any municipality and county of this State, the child shall be deemed a
resident of such municipality and county for all purposes except school funding, and he shall be entitled to the use and benefit of all health, recreational, vocational and other facilities of such municipality and county in the same manner and extent as any other child living in such municipality and county.

c. Whenever the division shall place any child, as provided by this section, in any school district, the child shall be entitled to the educational benefits of such district; provided, however, that the district of residence, as determined by the Commissioner of Education pursuant to law, shall be responsible for paying tuition for such child to the district in which he is placed.

d. No municipality shall enact a planning or zoning ordinance governing the use of land by, or for, single family dwellings which shall, by any of its terms or provisions or by any rule or regulation adopted in accordance therewith, discriminate between children who are members of such single families by reason of their relationship by blood, marriage or adoption, children placed with such families in such dwellings by the division or other entity designated by the Commissioner of Children and Families, and children placed pursuant to law with families in single family dwellings known as group homes.

Any planning or zoning ordinance, heretofore or hereafter enacted by a municipality, which violates the provisions of this section, shall be invalid and inoperative.

If the legally responsible person is of insufficient financial ability, the person is liable in an amount which a court of competent jurisdiction directs according to a scheduled rate approved by the division. Nothing contained herein shall prevent the legally responsible person from voluntarily executing an agreement for payment to the division for the costs of maintenance of the child receiving care or custody when the child is in a resource family home.

b. The division shall have a lien against the property of the legally responsible person in an amount equal to the amount to be paid, which lien shall have priority over all unrecorded encumbrances.

c. If the legally responsible person fails to reimburse the department, through the division, for the costs of maintenance of a child incurred by the division when the child is in a resource family home, a court of competent jurisdiction, upon the complaint of the Commissioner of Children and Families, may summon the legally responsible person and other witnesses, and may order the legally responsible person to pay an amount to the department, according to a scheduled rate approved by the division.

d. In any case in which the department, through the division, has agreed to provide youth facilities aid to a public, private or voluntary agency pursuant to this act, the division shall have a lien against the property of any person, persons or agency so contracting, in an amount equal to the amount or amounts so contracted to be paid, which lien shall have priority over all unrecorded encumbrances. Such lien shall be reduced for each year of service provided by the agency at a rate to be negotiated by the division and the agency, but in no case more than 20% a year; provided, however, that annual reductions shall not exceed $10,000.

d. “Division” means the Division of Youth and Family Services in the Department of Children and Families;

142. Section 1 of P.L.1991, c.448 (C.30:4C-53.1) is amended to read as follows:

C.30:4C-53.1 Findings, declarations.

1. The Legislature finds and declares that it is in the public interest, whereby the safety of children shall be of paramount concern, to afford every child placed outside his home by the Division of Youth and Family Services in the Department of Children and Families with permanency through return to his own home, if the child can be returned home without endangering the child's health or safety; through adoption, if family reunification is not possible; or through an alternative permanent placement, if termination of parental rights is not appropriate:

   a. Due to the severity of health and social problems such as AIDS, drug abuse and homelessness, the division often works with families over a period of many years, and the children of these families often spend a majority of their young lives in resource family care; and

   b. Research has shown that the longer children remain in the resource family care system, the greater number of placements they experience. As a result of these multiple placements, from birth family to resource family home and from one resource family home to another resource family home,
children develop emotional and psychological problems, making it more
difficult for them to develop a positive self-image; and

c. (Deleted by amendment, P.L.2004, c.130).

d. The obligation of the State to recognize and protect the rights of
children in the child welfare system should be fulfilled in the context of a
clear and consistent policy which limits the repeated placement of children
in resource family care and promotes the eventual placement of these chil-
dren in stable and safe permanent homes.

176. Section 1 of P.L.1977, c.448 (C.30:11B-1) is amended to read as follows:

C.30:11B-1 Findings.

1. The Legislature finds that many developmentally disabled persons who are now housed in large institutions can be better cared for and given training for independent living in small community residences. Such persons have a right to the fuller, more normal life that care in such residences brings, and it is, therefore, the intention of the Legislature, through this act, to encourage the development of community residences for the developmentally disabled and to provide for the licensing and regulation of such residences by the Department of Human Services.

The Legislature further finds that there are many persons who have been hospitalized due to mental illness and are recovered to the extent that they no longer require such hospitalization, but would benefit from the specialized independent-living training available to residents of small community residences for the mentally ill. These community residences for the mentally ill may also be utilized by persons who have not been hospitalized for mental illness but who are participating in community mental health counseling or training programs provided by a State-affiliated community mental health agency. These persons have a right to the fuller, more normal life that care in community residences brings, and it is, therefore, the intention of the Legislature through this act, to encourage the development of community residences for the mentally ill and to provide for the licensing and regulation of the residences by the Department of Human Services or the Department of Children and Families, as applicable.

In addition, the Legislature finds that many persons who have sustained head injuries which impair their cognitive, behavioral, social or physical functioning, and who are now housed in large institutions can be better cared for and given training for independent living in small community
residences. These persons have a right to the fuller, more normal life that care in these residences brings, and it is, therefore, the intention of the Legislature, through this act, to encourage the development of community residences for persons with head injuries and to provide for the licensing and regulation of these residences by the Department of Human Services.

(a) The individual has filed a claim at an unemployment insurance
claims office and thereafter continues to report at an employment service
office or unemployment insurance claims office, as directed by the division
in accordance with such regulations as the division may prescribe, except
that the division may, by regulation, waive or alter either or both of the re-

as to such other types of cases or situations with respect to which the divi-

would be inconsistent with the purpose of this act; provided that no such
regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the
provisions of subsection (a) of R.S.43:21-6.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual’s own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual’s control.

(4) (A) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual’s employment opportunities or because the individual failed or refused to accept work while attending such program.

(B) For the purpose of this paragraph (4), any training program shall be regarded as approved by the division for the individual if the program and the individual meet the following requirements:

(C) If the requirements of subparagraph (B) of this paragraph (4) are met, the division shall not withhold approval of the training program for the individual for any of the following reasons:

(i) The training includes remedial basic skills education necessary for the individual to successfully complete the vocational component of the training;

(ii) The training is provided in connection with a program under which the individual may obtain a college degree, including a post-graduate degree;

(iii) The length of the training period under the program; or

(iv) The lack of a prior guarantee of employment upon completion of the training.
(D) For the purpose of this paragraph (4), "labor demand occupation" means an occupation for which there is or is likely to be an excess of demand over supply for adequately trained workers, including, but not limited to, an occupation designated as a labor demand occupation by the New Jersey Occupational Information Coordinating Committee pursuant to the provisions of subsection h. of section 1 of P.L. 1987, c.457 (C.34:1A-76) or section 12 of P.L.1992, c.43 (C.34:1A-78).

(8) Any individual who is determined to be likely to exhaust regular benefits and need reemployment services based on information obtained by the worker profiling system shall not be eligible to receive benefits if the individual fails to participate in available reemployment services to which the individual is referred by the division or in similar services, unless the division determines that:

(A) The individual has completed the reemployment services; or

(B) There is justifiable cause for the failure to participate, which shall include participation in employment and training, self-employment assistance activities or other activities authorized by the division to assist reemployment or enhance the marketable skills and earning power of the individual and which shall include any other circumstance indicated pursuant to this section in which an individual is not required to be available for and actively seeking work to receive benefits.
(9) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's work as a board worker for a county board of elections on an election day.

(d) With respect to any benefit year commencing before January 1, 2002, the individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided that the requirements of this paragraph shall be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

The waiting period provided by this subsection shall not apply to benefit years commencing on or after January 1, 2002. An individual whose total benefit amount was reduced by the application of the waiting period to a claim which occurred on or after January 1, 2002 and before the effective date of P.L.2002, c.13, shall be permitted to file a claim for the additional benefits attributable to the waiting period in the form and manner prescribed by the division, but not later than the 180th day following the effective date of P.L.2002, c.13 unless the division determines that there is good cause for a later filing.

The Office of the Public Guardian for Elderly Adults is authorized to access the child abuse registry in the Department of Children and Families and the domestic violence central registry in the Administrative Office of the Courts.

A person shall be disqualified from registration if the person’s criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

A person shall also be disqualified from registration if a check of the child abuse registry reveals that the person has a history of child abuse.

In a case in which a check of the domestic violence central registry reveals that the person has a history of domestic violence, the public guardian shall review the record with respect to the type and date of the criminal offense or the provisions and date of the final domestic violence restraining order and make a determination as to the suitability of the person to be a registered professional guardian.

b. Notwithstanding the provisions of subsection a. of this section to the contrary, no person shall be disqualified from registration on the basis of any conviction disclosed by a criminal history record background check performed pursuant to this act if the person has affirmatively demonstrated to the public guardian clear and convincing evidence of the applicant's rehabilitation. In determining whether a person has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) the nature and responsibility of the position which the person would hold, has held or currently holds, as the case may be;
(2) the nature and seriousness of the offense;
(3) the circumstances under which the offense occurred;
(4) the date of the offense;
(5) the age of the person when the offense was committed;

The Office of the Public Guardian is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required pursuant to this act.

b. Upon receipt of the criminal history record information for a person from the Federal Bureau of Investigation or the Division of State Police, the public guardian shall, within a reasonable time, notify the person in writing of his qualification or disqualification for registration under this act. If the person is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the notice to the person.

c. Upon receipt of the information for a person from the child abuse registry in the Department of Children and Families or the domestic violence central registry in the Administrative Office of the Courts, the public guardian shall, within a reasonable time, notify the person in writing of his qualification or disqualification for registration under this act. If the person is disqualified, the incident or incidents which constitute the basis for the disqualification shall be identified in the notice to the person.

The Superintendent of State Police shall provide this processing service without the collection of fees from the applicants in processing background checks of prospective resource family parents or members of their immediate families. In such cases, the Department of Children and Families shall be responsible for paying the fees imposed pursuant to subsection a. of this section. Nothing in this section shall prohibit the Superintendent of State Police, with the approval of the Attorney General, from providing this processing service without the collection of fees from the applicant in other circumstances which in his sole discretion he deems appropriate, if the applicants would not receive a wage or salary for the time and services they provide to an organization or who are considered volunteers. In those circumstances where the Superintendent of State Police, with the approval of the Attorney General, determines to provide this processing service without the collection of fees to the individual applicants, the superintendent may assess the fees for providing this service on behalf of the applicants to any department of State, county or municipal government which is responsible for operating or overseeing that volunteer
program. The agencies shall transfer all moneys collected for the processing fee to the Division of State Police.

b. AN ACT concerning surrender charges for certain individual deferred annuities and amending P.L.2005, c.194.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 8 of P.L.2005, c.194 (C.17B:25-28) is amended to read as follows:

C.17B:25-28 Determination of benefits.

8. a. For the purpose of determining the benefits calculated under sections 6 and 7 of this act, in the case of annuity contracts for which the maturity date is stated, that maturity date shall not be after the later of: (1) the anniversary of the contract next following the annuitant's seventieth birthday; or (2) the tenth anniversary of the contract. In the case of annuity contracts under which an election may be made to have annuity payments begin at optional maturity dates, the maturity date shall be deemed to be the latest date for which election is permitted by the contract, but shall not be deemed to be later than the latest date permitted for an annuity contract with a stated maturity date.

b. The amount of benefits calculated under sections 6 and 7 of this act on or after the stated or deemed maturity date shall not be reduced by any surrender charge. The amount of the benefits calculated under sections 6 and 7 of this act on or after the stated or deemed maturity date shall not be less than the greater of: (1) the present value of annuity benefits available on or after the maturity date, computed according to the assumptions stated in section 5 of this act; or (2) the amount available on or after the maturity date to be applied to the purchase of an annuity on a basis stated in a contract.

c. Contracts providing for flexible considerations may have separate surrender charge schedules associated with each consideration, provided that the nonforfeiture values are at least as great as they would be if each consideration had been a separate single consideration contract based on the requirements of subsection a. of section 4 of this act. For the purpose of determining the maturity date, the tenth anniversary of the contract shall be determined separately for each consideration.

d. (1) The difference between an annuity contract's greater present value, utilized for determining any paid-up annuity benefit, and referred to as the contract's accumulation value, and its lesser present value, utilized when an annuitant withdraws from the contract, and referred to as the contract's withdrawal value, on or after the date of maturity, shall not be considered to be a surrender charge for the purposes of this section if:

(a) the accumulation value of the contract:

(i) is never available in a lump sum, and is paid out in substantially equal payments over a period of not less than five years or the surviving lifetime of the annuitant's life, whichever period is shorter; and
(ii) for the contract period prior to the date of maturity and during the period, on or after the date of maturity, of any annuity payments, credits a fixed rate of at least 1% more than the rate credited to the withdrawal value, or credits a rate that provides substantive participation in an equity indexed benefit with an estimated expected value of at least 1% more than the rate credited to the withdrawal value; and

(b) the separately defined withdrawal value of the contract:

(i) equals, at maturity, not less than the minimum value of the contract as defined in section 4 of P.L.2005, c.194 (C.17B:25-24), plus any premium load; and

(ii) accumulates, from maturity and later, at the minimum rate as defined in section 4 of P.L.2005, c.194 (C.17B:25-24).

(2) For the purpose of this subsection, the Department of Banking and Insurance may approve other methods of providing enhanced value to the accumulation value of a contract in comparison to the withdrawal value of the contract. Any method approved by the department shall be reasonably determined to provide an enhanced value to the contract’s accumulation value which is at least as favorable to the contract holder as the accumulation value provided by the provisions of this subsection.

The provisions of this section shall apply notwithstanding section 1 of P.L.2001, c.237 (C.17B:25-18.4), shall take precedence over that section of law, and shall apply to annuity contracts regardless of whether the requirements of that section have been met.

The governing body may, by resolution, fix a minimum rental with the reservation of the right to reject all bids where the highest bid is not accepted. Notice of such reservation shall be included in the advertisement of the letting of the lease and public notice thereof shall be given of the time of the letting of the lease. Such resolution may provide that upon the completion of the bidding, the highest bid may be accepted or all of the bids may be rejected. Whenever a county or municipality acquires real property that, immediately prior to acquisition, was leased from the prior owner by a private person for agricultural or horticultural use, and the county or municipality determines that, until such time as the real property is needed for public use, the temporary continuance of the private agricultural or horticultural use would not compromise that public use, it may lease the real property to the prior lessee for agricultural or horticultural use for such period, consideration, and other terms and conditions as shall be mutually agreed upon.

AN ACT concerning child-protection window guards and amending and supplementing P.L.1995, c.120.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1995, c.120 (C.55:13A-7.12) is amended to read as follows:
CHAPTER 55, LAWS OF 2006

1. As used in this act:

"child-protection window guard" or "window guard" means a bar, screen or grille assembly designed to be installed in a window for the purpose of preventing accidental fall or ejection of a child through the window. It shall be so designed, constructed and installed that no person of the age of 10 years or younger may through accident, ignorance or inadvertence, remove, open or dislodge it so as to permit such fall or ejection. Such window guards shall conform to specifications developed by the commissioner regarding design, construction and installation so as to accomplish the purpose of this act. A municipality may adopt standards that afford tenants greater protections than are provided pursuant to the commissioner's specifications.

The commissioner's specifications for double hung windows shall ensure that window guards protect the full openable area of each lower window. The specifications shall provide that all window guards shall be designed and installed as to ensure that any space between the lowest section of the top horizontal bar of the window guard and the bottom of the upper sash is less than four inches. Installation of rigid metal stops in the upper tracks of a bottom window or other attempts to limit the ability to raise the bottom window shall not be an acceptable method of satisfying the specifications provided for in this section. Window stops may be utilized as a safety enhancement when used in addition to installed window guards.

"common interest community" means a horizontal property regime, condominium, cooperative, or mutual housing corporation in which some of the property, known as common elements, is owned as tenants-in-common by all of the property owners.

"unit owners' association" means the association organized for the purpose of management of the common elements and facilities of a common interest community.

2. Section 2 of P.L.1995, c.120 (C.55:13A-7.13) is amended to read as follows:

2. a. (1) Except as provided in subsection b. of this section, the owner, lessor, agent or other person who manages or controls a multiple dwelling, other than a multiple dwelling which is part of a common interest community, shall, upon the written request of a tenant of a unit in which a child or children 10 years of age or under reside or will reside or are regularly present for a substan-
tial period of time, provide, install and maintain approved child-protection window guards on the windows of the dwelling unit and on any windows in the public halls of a multiple dwelling in which any child or children of such age reside or are regularly present for a substantial period of time.

(2) (a) Except as provided in subsection b. of this section, the owner, lessor, agent or other person who controls a unit of dwelling space in a multiple dwelling within a common interest community, upon the written request of a tenant of a unit in which a child or children 10 years of age or under reside or will reside or are regularly present for a substantial period of time, shall provide, install and maintain child-protection window guards on the windows of the unit.

(b) The owner, lessor, agent or other person who controls a unit of dwelling space in a multiple dwelling within a common interest community shall provide written notice to the unit owners' association whenever a tenant of a unit, in which a child or children 10 years of age or under reside or will reside or are regularly present for a substantial period of time, has requested that child-protection window guards be installed on the windows in the common areas of the common interest community.

(3) (a) Except as provided in subsection b. of this section, upon the written request of an owner or an occupant of a dwelling unit of a multiple dwelling within a common interest community, in which dwelling unit a child or children 10 years of age or under reside or will reside or are regularly present for a substantial period of time, the unit owners' association shall install and maintain child-protection window guards on the windows which are determined to be in common areas of the community property and maintained by the association.

(b) A unit owners' association shall not adopt or seek to enforce any restrictions or architectural controls which would prohibit or impede the installation of a window guard in compliance with P.L.1995, c.120 (C.55:13A-7.12 et seq.).

b. (1) The requirements of subsection a. of this section shall apply to all windows, except those windows which give access to a fire escape, which are not designed to open, or which are on the first floor; provided, however, that the requirements of subsection a. of this section shall apply to first floor windows in such circumstances as the commissioner may provide by rule.

(2) The requirements of subsection a. of this section shall not apply to seasonal rental units. "Seasonal rental unit" means a dwelling unit rented for a term of not more than 125 consecutive days for residential purposes by a person having a permanent residence elsewhere, but shall not include
use or rental of living quarters by migrant, temporary or seasonal workers in connection with any work or place where work is being performed. The owner, lessor, agent or other person who controls a dwelling unit shall have the burden of proving that the rental is seasonal.

c. Any child-protection window guard installed pursuant to P.L.1995, c.120 (C.55:13A-7.12 et seq.) shall conform to the requirements of the State Uniform Construction Code with respect to means of emergency egress, and a window guard installed on an emergency egress window shall be releasable or removable from the inside without use of a key, tool or excessive force. Window guards installed on all other windows shall be designed, constructed, and installed so that they may not deliberately or through accident, ignorance or inadvertence, be removed, opened, or dislodged without the use of a key or tool.

d. (1) Upon installation of a child-protection window guard in a dwelling unit, and annually thereafter, the owner, lessor, agent or other person who manages and controls that dwelling unit shall provide the tenant with an orientation concerning the safe use and manipulation of window guards in accordance with guidelines established by the Commissioner of Community Affairs pursuant to section 5 of P.L.1995, c.120 (C.55:13A-7.16).

e. At least twice annually, the owner, lessor, unit owners' association, agent or other person who manages and controls a unit of dwelling space in a multiple dwelling, the common areas of the multiple dwelling, or both, in which child protection window guards have been installed, shall inspect each such window guard under their control to ensure that it remains sound and in conformance with the provisions of P.L.1995, c.120 (C.55:13A-7.12 et seq.), and shall enter a record of such inspection in a log, which shall be maintained as a permanent record so long as the window guard remains installed, and for five years thereafter, and which shall be available upon request to the department or its duly authorized representative.

f. A tenant or unit owner may file a complaint with the commissioner for the failure to comply with the provisions of P.L.1995, c.120 (C.55:13A-
7.12 et seq.). The commissioner shall investigate complaints within a reasonable time period. The commissioner may impose penalties authorized under the "Hotel and Multiple Dwelling Law," P.L.1967, c.76 (C.55:13A-1 et seq.) for violations concerning the installation of child-protection window guards and may institute a criminal complaint for a repeat conviction after the imposition of a $5,000 civil penalty for a continuing violation pursuant to section 19 of P.L.1967, c.76 (C.55:13A-19).

g. To the extent that a violation of P.L.1995, c.120 (C.55:13A-7.12 et seq.) has occurred within a rental unit in a common interest community, such violation shall be noticed to, and resultant penalties imposed upon, the unit owner of such rental unit and not the unit owners' association.

h. To the extent that a violation of P.L.1995, c.120 (C.55:13A-7.12 et seq.) has occurred within the common areas of a common interest community, such violation shall be noticed to, and resultant penalties imposed upon, the unit owners' association.

3. Section 3 of P.L.1995, c.120 (C.55:13A-7.14) is amended to read as follows:

3. a. All leases offered to tenants in multiple dwellings shall contain a notice, conspicuously set forth therein in prominent boldface type, advising tenants and prospective tenants of the availability of window guards under P.L.1995, c.120 (C.55:13A-7.12 et seq.) and the need for a tenant to request in writing the installation of window guards. In the case of a cooperative, as defined in P.L.1987, c.381 (C.46:80-1 et seq.), formed prior to the effective date of P.L.2006, c.55 (C.55:13A-7.12a et al.), the notice required by this subsection shall not be required in proprietary leases.

b. (1) At the time of lease signing, the owner, lessor, agent or other person who manages or controls a unit of dwelling space in a multiple dwelling shall verbally inform the tenant of the tenant's right to request the installation of window guards under P.L.1995, c.120 (C.55:13A-7.12 et seq.). Verification that this verbal notice was provided and understood shall be set forth in a written document, aside from the lease document itself, which written document shall acknowledge that the tenant was made aware of the right to request the installation of window guards and which shall be signed by both the tenant and the owner, lessor, agent or other person who manages or controls the unit of dwelling space.
(2) (a) The owner, lessor, agent or other person who manages or controls a multiple dwelling unit or a rental unit within a common interest community shall cause to be delivered to each dwelling unit so managed or controlled, twice annually, a notice, in form and manner prescribed by the commissioner, advising occupants of the obligation of the said owner, lessor, agent or other person to install child-protection window guards pursuant to section 2 of P.L.1995, c.120 (C.55:13A-7.13). For the purposes of this section, an owner of a rental unit located within a common interest community, and not the unit owners' association, shall be deemed to be the managing agent of that rental unit. A lease provision notifying a tenant of the availability of window guards may satisfy one of the notice requirements of this subparagraph.

(b) The owner, lessor, unit owners' association, agent or other person who manages or controls the common areas of a multiple dwelling shall cause to be delivered to each dwelling unit, twice annually, a notice, in form and manner prescribed by the commissioner, advising occupants of the obligation of the said owner, lessor, unit owners' association, agent or other person to install child-protection window guards pursuant to section 2 of P.L.1995, c.120 (C.55:13A-7.13). A lease provision notifying a tenant of the availability of window guards may satisfy one of the notice requirements of this subparagraph.

(3) The owner, lessor, unit owners' association, agent or other person who manages or controls the common areas of a multiple dwelling shall cause to be conspicuously posted and prominently displayed in the common areas of that dwelling a notice advising the occupants of the obligation of the owner, lessor, unit owners' association, agent or other person to install child-protection window guards pursuant to section 2 of P.L.1995, c.120 (C.55:13A-7.13) and advising tenants to check their window guards on a regular basis and to report any problems or concerns to the owner, lessor, unit owners' association, agent or other person who manages or controls the multiple dwelling.

c. Notwithstanding any municipal ordinance to the contrary, expenditures not exceeding $20 per window guard installed in a dwelling unit that are made pursuant to P.L.1995, c.120 (C.55:13A-7.12 et seq.) may be passed on to the tenant who requested installation of the window guard.

4. Section 4 of P.L.1995, c.120 (C.55:13A-7.15) is amended to read as follows:

4. No tenant or occupant of a multiple dwelling unit, or any other person, shall obstruct or interfere with the installation of child-protection window guards required under section 2 of P.L.1995, c.120 (C.55:13A-7.13), nor shall any person remove or otherwise render ineffective such window guards; provided, however, that the owner or the representative of the owner may remove window guards from an unoccupied unit or, with the consent of the tenant, from a unit in which no child 10 years of age or under resides or is regularly present for a substantial period of time; and provided, further, that the owner or the representative of the owner shall remove window guards when requested to do so by the tenant in writing.

5. Section 5 of P.L.1995, c.120 (C.55:13A-7.16) is amended to read as follows:

(4) Shoplifting is a disorderly persons offense under subsection b. of
this section if the full retail value of the merchandise is less than $200.

The value of the merchandise involved in a violation of this section may be aggregated in determining the grade of the offense where the acts or conduct constituting a violation were committed pursuant to one scheme or course of conduct, whether from the same person or several persons, or were committed in furtherance of or in conjunction with an organized retail theft enterprise.

Additionally, notwithstanding the term of imprisonment provided in N.J.S.2C:43-6 or 2C:43-8, any person convicted of a shoplifting offense shall be sentenced to perform community service as follows: for a first offense, at least ten days of community service; for a second offense, at least 15 days of community service; and for a third or subsequent offense, a maximum of 25 days of community service and any person convicted of a third or subsequent shoplifting offense shall serve a minimum term of imprisonment of not less than 90 days.

d. Presumptions. Any person purposely concealing unpurchased merchandise of any store or other retail mercantile establishment, either on the premises or outside the premises of such store or other retail mercantile establishment, shall be prima facie presumed to have so concealed such merchandise with the intention of depriving the merchant of the possession, use or benefit of such merchandise without paying the full retail value thereof, and the finding of such merchandise concealed upon the person or among the belongings of such person shall be prima facie evidence of purposeful concealment; and if such person conceals, or causes to be concealed, such merchandise upon the person or among the belongings of another, the finding of the same shall also be prima facie evidence of willful concealment on the part of the person so concealing such merchandise.

e. A law enforcement officer, or a special officer, or a merchant, who has probable cause for believing that a person has willfully concealed unpurchased merchandise and that he can recover the merchandise by taking the person into custody, may, for the purpose of attempting to effect recovery thereof, take the person into custody and detain him in a reasonable manner for not more than a reasonable time, and the taking into custody by a law enforcement officer or special officer or merchant shall not render such person criminally or civilly liable in any manner or to any extent whatsoever.

Any law enforcement officer may arrest without warrant any person he has probable cause for believing has committed the offense of shoplifting as defined in this section.

A merchant who causes the arrest of a person for shoplifting, as pro-
vided for in this section, shall not be criminally or civilly liable in any manner or to any extent whatsoever where the merchant has probable cause for believing that the person arrested committed the offense of shoplifting.

f. Any person who possesses or uses any antishoplifting or inventory control device countermeasure within any store or other retail mercantile establishment is guilty of a disorderly persons offense.

C.2C:20-11.2 Leader of organized retail theft enterprise.

2. A person is a leader of an organized retail theft enterprise if he conspires with others as an organizer, supervisor, financier or manager, to engage for profit in a scheme or course of conduct to effectuate the transfer or sale of shoplifted merchandise. Leader of organized retail theft enterprise is a crime of the second degree. Notwithstanding the provisions of subsection a. of N.J.S.2C:43-3, the court may impose a fine not to exceed $250,000 or five times the retail value of the merchandise seized at the time of the arrest, whichever is greater.

Notwithstanding the provisions of N.J.S.2C:1-8, a conviction of leader of organized retail theft enterprise shall not merge with the conviction for any offense which is the object of the conspiracy. Nothing contained in this section shall prohibit the court from imposing an extended term pursuant to N.J.S.2C:43-7; nor shall this section be construed in any way to preclude or limit the prosecution or conviction of any person for conspiracy under N.J.S.2C:5-2, or any prosecution or conviction for any other offense.

It shall not be necessary in any prosecution under this section for the State to prove that any intended profit was actually realized. The trier of fact may infer that a particular scheme or course of conduct was undertaken for profit from all of the attending circumstances, including but not limited to the number of persons involved in the scheme or course of conduct, the actor's net worth and his expenditures in relation to his legitimate sources of income, the amount of merchandise involved, or the amount of cash or currency involved.

It shall not be a defense to a prosecution under this section that any shoplifted merchandise was brought into or transported in this State solely for ultimate distribution in another jurisdiction; nor shall it be a defense that any profit was intended to be made in another jurisdiction.

3. This act shall take effect immediately.

Approved August 2, 2006.

C.58:10A-37.4 Allocation of fund; priorities.

4. a. Monies in the fund shall be allocated and used to provide financial assistance only to (1) eligible owners or operators of regulated tanks in this State in order to finance the eligible project costs of the upgrade or closure of those regulated tanks as may be required pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.); (2) eligible owners and operators of petroleum underground storage tanks in this State in order to finance the eligible project costs of remediations that are necessary due to the discharge of petroleum from one or more of those petroleum underground storage tanks; (3) eligible owners or operators of petroleum underground storage tanks in this State that are not regulated pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.) or 42 U.S.C. s.6991 et seq. in order to finance the eligible project costs of the replacement or closure of those tanks; and (4) eligible owners or operators of regulated tanks in this State who have met the upgrade requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.) in order to finance an improvement or replacement of a regulated tank. Priority for the issuance of financial assistance from the fund, and the terms and conditions of that financial assistance, shall be based upon the criteria set forth in this section.

b. Upon a determination that an application for financial assistance meets all established criteria for the award of financial assistance from the fund, the authority shall approve the application. Prior to December 22, 1998, the authority may approve only those applications given priority pursuant to paragraphs (1) and (2) of this subsection or pursuant to subsections c. and f. of this section, but the authority may receive, file, and deem complete any application for financial assistance it receives prior to that date.

Upon the authority's approval of an application for financial assistance, the authority shall award financial assistance to an applicant upon the availability of sufficient monies in the fund. When monies in the fund are not sufficient at any point in time to fully fund all applications for financial assistance that have been approved by the authority, the authority shall award financial assistance to approved applicants, notwithstanding the date of approval of the application, in the following order of priority:

(1) Upgrades of regulated tanks required to be upgraded pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given first priority;
(2) Closure of any regulated tank required to be upgraded pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given second priority;

(3) Upgrades of regulated tanks required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.), but not pursuant to 42 U.S.C. s.6991 et seq., and including any necessary remediation at the site of the regulated tank, shall be given third priority;

(4) Any necessary remediations at the sites of petroleum underground storage tanks other than those given priority pursuant to paragraph (1), (2), or (3) of this subsection shall be given fourth priority;

(5) Closure of any regulated tank required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21 et seq.), but not pursuant to 42 U.S.C. s.6991 et seq., shall be given last priority.

c. Notwithstanding the priority for the award of financial assistance set forth in subsection b. of this section, whenever there has been a discharge, and the discharge poses a threat to a drinking water source, to human health, or to a sensitive or significant ecological area, an approved application for the award of financial assistance for the remediation and upgrade or closure, if necessary, shall be given priority over all other applications for financial assistance.

d. The priority ranking of applicants within any priority category enumerated in paragraphs (1), (2), (3), (4), and (5) of subsection b. and in subsection c. of this section shall be based upon the date an application for financial assistance is filed with the authority as determined pursuant to section 6 of P.L.1997, c.235 (C.58:10A-37.6).

e. Whenever a facility consists of petroleum underground storage tanks from more than one priority category as enumerated in paragraphs (1) through (5) of subsection b. of this section, and subsection c. of this section, all the petroleum underground storage tanks at that facility shall be accorded the priority that would be accorded the highest priority petroleum underground storage tank at that facility.

f. Notwithstanding the priority rankings established in this section, one-tenth of the amount annually appropriated to the Petroleum Underground Storage Tank Remediation, Upgrade and Closure Fund shall be used to provide financial assistance to owners or operators of petroleum underground storage tanks used to store heating oil for onsite consumption in a residential building, in order to finance the eligible project costs of remediations that are necessary due to the discharge of heating oil from those petroleum underground storage tanks. The authority shall provide financial
assistance pursuant to this subsection notwithstanding the owner or operator's ability to obtain commercial loans for all or part of the financing. The priority ranking of applicants for these funds shall be based upon the date an application for financial assistance is filed with the authority as determined pursuant to section 6 of P.L.1997, c.235 (C.58:10A-37.6). If the authority does not receive qualified applications for financial assistance from owners and operators of petroleum underground storage tanks used to store heating oil for onsite consumption that meet the criteria set forth in this act and in any rules or regulations issued pursuant thereto, sufficient to enable the award of financial assistance an amount equal to one-tenth of the amount annually appropriated to the fund in any one year as required pursuant to this subsection, the authority may award that financial assistance in the order of priority as provided in this section. In addition to the monies dedicated pursuant to this subsection, the authority may award financial assistance to an owner or operator of a petroleum underground storage tank used to store heating oil for onsite consumption when the criteria enumerated in subsection c. of this section are met.

3. Section 5 of P.L.1997, c.235 (C.58:10A-37.5) is amended to read as follows:

C.58:10A-37.5 Awarding of financial assistance.

5. a. (1) The authority may award financial assistance from the fund to an eligible owner or operator in the form of a loan or a conditional hardship grant as provided in this section. An award of financial assistance, either as a loan or a grant, or a combination of both, may, upon application therefor, be for 100% of the eligible project costs, except as provided in paragraph (1) of subsection c. and in subsection h. of this section. However, a loan that any applicant may receive from the fund for an upgrade, remediation, or closure, or any combination thereof, for any one facility, may not exceed $2,000,000, except as provided below, and a grant that any applicant may receive from the fund for any one facility, may not exceed $500,000. A loan that an applicant may receive from the fund for a remediation of a discharge that poses a threat to a drinking water source may not exceed $3,000,000.

(2) Notwithstanding the provisions of paragraph (1) of this subsection to the contrary, an eligible owner or operator of a facility located within an area designated as a Planning Area 1 (Metropolitan), Planning Area 2 (Suburban), a designated center as designated pursuant to the "State Planning Act," sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.), or
the Highlands Region designated pursuant to section 7 of P.L.2004, c.120 (C.13:20-7), may receive a loan in an amount not to exceed $3,000,000 and a grant in an amount not to exceed $1,000,000 for each facility so located.

b. A public entity applying for financial assistance from the fund may only be awarded financial assistance in the form of an interest free loan.

c. An applicant, other than a public entity, may apply for and receive a conditional hardship grant for the upgrade, closure or remediation as provided in paragraph (1) of this subsection, or a loan for an upgrade, closure or remediation as provided in paragraph (2) of this subsection, provided that an applicant for a conditional hardship grant or a loan for an upgrade may be eligible for financial assistance only for any underground storage tank with a capacity of over 2,000 gallons used to store heating oil for onsite consumption in a nonresidential building that has received an extension of the deadline for compliance with the standards pursuant to subsection b. of section 9 of P.L.1986, c.102 (C.58:10A-29). Financial assistance awarded an applicant pursuant to this subsection may consist entirely of a conditional hardship grant, a loan for an upgrade, a loan for a closure, or a loan for a remediation, or any combination thereof, except that the total amount of the award of financial assistance shall be subject to the per facility dollar limitation enumerated in subsection a. of this section. Notwithstanding any other provision of this subsection to the contrary, no tax exempt, nonprofit organization, corporation, or association shall be awarded a conditional hardship grant pursuant to paragraph (1) of this subsection, provided that an independent institution of higher education, a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501 (c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad, may be awarded a conditional hardship grant pursuant to paragraph (1) of this subsection.

(1) A conditional hardship grant for eligible project costs of an upgrade, closure or remediation shall be awarded by the authority based upon a finding of eligibility and financial hardship and upon a finding that the applicant meets the criteria set forth in this act.

In order to be eligible for a conditional hardship grant for closure or upgrade, in the case of a regulated tank, the applicant shall have owned or operated the subject regulated tank as of December 1, 2002 and continually thereafter or shall have inherited the property from a person who owned the regulated tank as of that date. In order to be eligible for a conditional hardship grant for remediation, in the case of a regulated tank, the applicant shall have
owned or operated the subject regulated tank at the time of tank closure. No applicant shall be eligible for a conditional hardship grant if the applicant has a taxable income of more than $250,000 or a net worth, exclusive of the applicant's primary residence and pension, of over $500,000. Any applicant with a taxable income of more than $200,000 who qualifies for a grant shall be required to pay no more than $1,000 of the eligible project costs.

Notwithstanding the eligibility requirements for net worth and income, an independent institution of higher education, a nonprofit organization, corporation, or association with not more than 100 paid individuals that is qualified for exemption from federal taxation pursuant to section 501(c)(3) of the federal Internal Revenue Code, 26 U.S.C.s.501(c)(3), or a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad shall be eligible for a conditional hardship grant for eligible project costs of a closure or remediation of a petroleum underground storage tank.

A finding of financial hardship by the authority shall be based upon a determination that an applicant cannot reasonably be expected to repay all or a portion of the eligible project costs if the financial assistance were to be awarded as a loan. The amount of an award of a conditional hardship grant shall be the amount of that portion of the eligible project costs the authority determines the applicant cannot reasonably be expected to repay.

In making a finding of financial hardship for an application for the upgrade, closure, or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is a part of the business property of the owner, the authority shall base its finding upon the cash flow of the applicant's business, whether or not any part of the applicant's business is related to the ownership or operation of that petroleum underground storage tank. In making a finding of financial hardship for an application for the upgrade or remediation of a petroleum underground storage tank, where the petroleum underground storage tank is not a part of the business property of the owner, the authority shall base its finding upon the applicant's taxable income in the year prior to the date of the application being submitted.

If the authority awards a conditional hardship grant in combination with a loan pursuant to this subsection, the authority shall release to the applicant the loan monies prior to the release of the conditional hardship grant monies.

Conditional hardship grants awarded to an applicant shall be subject to the lien provisions enumerated in section 16 of P.L.1997, c.235 (C.58:10A-37.16).

(2) A loan to an eligible owner or operator for the eligible project costs of an upgrade, closure, or remediation shall be awarded by the authority only upon a finding that the applicant other than a public entity is able to
repay the amount of the loan.

In making a finding of an applicant's ability to repay a loan for the upgrade, closure, and remediation of a regulated tank, or for the remediation of a discharge from a petroleum underground storage tank, the authority shall base its finding, as applicable, upon the cash flow of the applicant's business, the applicant's taxable income and the applicant's personal and business assets, except that the authority may not consider the applicant's primary residence as collateral, except that the authority may consider the applicant's primary residence as collateral with the permission of the applicant or where the subject petroleum underground storage tank or regulated tank is located at the primary residence.

d. The authority shall, where applicable, require an applicant applying for financial assistance from the fund to submit to the authority the financial statements of the applicant's business for three years prior to the date of the application, the most recent interim financial statement for the year of the application, the applicant's federal income tax returns, or other relevant documentation.

e. Nothing in this section is intended to alter the priority or criteria for awarding financial assistance established pursuant to section 4 of P.L.1997, c.235 (C.58:10A-37.4).

f. An eligible owner or operator may only be awarded that amount of financial assistance issued as a loan for which the applicant demonstrates he could not qualify for and obtain as a commercial loan. The provisions of this subsection shall not apply to an owner or operator or petroleum underground storage tank used to store heating oil for onsite consumption in a residential building, to an independent institution of higher education, or to a duly incorporated volunteer fire, ambulance, first aid, emergency, or rescue company or squad.

g. An eligible owner or operator of a regulated tank in this State who has met the upgrade requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.) may be awarded a loan in order to finance an improvement or replacement of a regulated tank to meet State and federal standards.

h. (1) In the case of a closure of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State where no remediation is required, an eligible owner or operator may receive a grant in an amount up to $1,200.

   (2) In the case of a replacement and closure of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State where no remediation is required, an eligi-
ble owner or operator may receive a grant in an amount up to $3,000.

No person shall be eligible for grant monies from the fund to replace a petroleum underground storage tank that stores heating oil for onsite consumption in a residential building if the tank that stores heating oil for that residential building was previously replaced using a grant from the fund.

i. In the case of a closure and replacement of a petroleum underground storage tank used to store heating oil for onsite consumption in a residential building in this State, to the maximum extent feasible, the owner or operator shall replace the petroleum underground storage tank with an aboveground tank.

4. Section 7 of P.L. 1997, c. 235 (C. 58: 10A-37.7) is amended to read as follows:

C. 58:10A-37.7 Conditions for awarding financial assistance.

7. a. The authority shall award financial assistance to an owner or operator of a facility only if the facility is properly registered with the department pursuant to section 3 of P.L. 1986, c. 102 (C. 58: 10A-23), where applicable, and if all fees or penalties due and payable on the facility to the department pursuant to P.L. 1986, c. 102 have either been paid or the nature or the amount of the fee or penalty is being contested in accordance with law.

b. The authority may deny an application for financial assistance, and any award of financial assistance may be recoverable by the authority, upon a finding that:

1. in the case of financial assistance awarded for a remediation, the discharge was proximately caused by the applicant's knowing conduct;

2. in the case of financial assistance awarded for a remediation, the discharge was proximately caused or exacerbated by knowing conduct by the applicant with regard to any lawful requirement applicable to petroleum underground storage tanks intended to prevent, or to facilitate the early detection of, the discharge;

3. the applicant failed to commence or complete a remediation, closure, or an upgrade for which an award of financial assistance was made within the time required by the department in accordance with the applicable rules and regulations, within the time prescribed in an administrative order, an administrative consent agreement, a memorandum of agreement, or a court order; or

4. the applicant provided false information or withheld information on a loan or grant application, or other relevant information required to be
submitted to the authority, on any matter that would otherwise render the applicant ineligible for financial assistance from the fund, that would alter the priority of the applicant to receive financial assistance from the fund, that resulted in the applicant receiving a larger grant or loan award than the applicant would otherwise be eligible, or that resulted in payments from the fund in excess of the actual eligible project costs incurred by the applicant or the amount to which the applicant is legally eligible.

Nothing in this subsection shall be construed to require the authority to undertake an investigation or make any findings concerning the conduct described in this subsection.

c. An application for financial assistance from the fund for an upgrade or closure of a regulated tank shall include all regulated tanks at the facility for which the applicant is seeking financial assistance. Except as provided in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), once financial assistance for an upgrade or closure is awarded for a facility, no additional award of financial assistance for upgrade or closure costs may be made for that facility. However, if an applicant discovers while performing upgrade or closure activities that a remediation is necessary at the site of a facility, and if financial assistance was previously awarded for that site only for an upgrade or closure of a regulated tank, the applicant may amend his application and apply for financial assistance for the required remediation subject to the limitations enumerated in section 5 of P.L.1997, c.235 (C.58:10A-37.5). An application for financial assistance for an upgrade or closure of a regulated tank shall be conditioned upon the applicant agreeing to perform, at the time of the upgrade or closure, any remediation necessary as a result of a discharge from the regulated tank and commencement of the remediation within the time prescribed and in accordance with the rules and regulations of the department.

d. Except as provided in this subsection, and in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), no financial assistance for upgrade shall be awarded for any regulated tank required to meet the upgrade or closure requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.), unless the application is filed with the authority prior to January 1, 1999 and the application is complete and the application fee is received by August 1, 1999. Except as provided in subsection g. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), no financial assistance for upgrade shall be awarded for any underground storage tank with a capacity of over 2,000 gallons used to store heating oil for onsite consumption in a nonresidential building required to be upgraded pursuant to P.L.1986, c.102 (C.58:10A-21
et seq.) but not pursuant to 42 U.S.C. s.6991 et seq., unless the applicant has received an extension of the deadline for compliance with the standards pursuant to subsection b. of section 9 of P.L.1986, c.102 (C.58:10A-29), the application is filed with the authority prior to June 30, 2005 and the application is complete and the application fee is received by December 31, 2005.

No financial assistance for closure shall be awarded for any regulated tank required to meet the upgrade or closure requirements pursuant to 42 U.S.C. s.6991 et seq. or P.L.1986, c.102 (C.58:10A-21 et seq.), or for the remediation of a discharge from any such regulated tank except as provided in subsection c. of this section, unless the application is filed with the authority prior to June 30, 2005 and the application is complete and the application fee is received by December 31, 2005.

In the case of a regulated tank that is not operational, financial assistance for the closure or the remediation of any discharge therefrom may be awarded if the application is filed with the authority no more than 18 months after the date of discovery of the existence of the regulated tank, or 18 months from the effective date of P.L.2003, c.148, whichever is later.

e. The date of occurrence of a discharge shall not affect eligibility for financial assistance from the fund. Except for a preliminary assessment or a site investigation performed after the effective date of P.L.1997, c.235 (C.58:10A-37.1 et seq.), and except as provided in subsections g. through j. of this section, no award of financial assistance shall be made from the fund for the otherwise eligible project costs of a remediation, closure, or an upgrade, or parts thereof, completed prior to an award of financial assistance from the fund.

f. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if financial assistance from the Hazardous Discharge Site Remediation Fund established pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4) has previously been made for a remediation at that site as a result of a discharge from that petroleum underground storage tank. No financial assistance may be awarded from the fund for the remediation of a discharge from a petroleum underground storage tank if the discharge began subsequent to the completion of an upgrade of that petroleum underground storage tank, which upgrade was intended to meet all applicable upgrade regulations of the department, no matter when the upgrade was performed.

g. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.), where an eligible owner or operator has filed an application for financial assistance from the fund, and there are either insufficient monies in the fund or the authority has not yet acted upon the application or
awarded the financial assistance, the eligible owner or operator may expend its own funds for the upgrade, closure, or remediation, and upon approval of the application, the authority shall award the financial assistance as a reimbursement of the monies expended for eligible project costs.

h. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant has expended the applicant's own funds on a remediation after filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.3) to reimburse the eligible owner or operator for the eligible project costs of the remediation.

i. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant that is an independent institution of higher education has expended the applicant's own funds on a remediation prior to filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the applicant for expenditures for the eligible project costs of the remediation made on or after December 1, 1996 in an amount not to exceed $500,000 for each independent institution of higher education.

j. Notwithstanding any provision of P.L.1997, c.235 (C.58:10A-37.1 et seq.) to the contrary, if an applicant has expended the applicant's own funds for a remediation of a petroleum underground storage tank used to store heating oil at the applicant's primary residence prior to filing an application for financial assistance from the fund for the eligible project costs of the remediation, the authority, upon approval of the application, may make a grant from the fund pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) to reimburse the applicant for the eligible project costs of the remediation.

5. Section 16 of P.L.1997, c.235 (C.58:10A-37.16) is amended to read as follows:

C.58:10A-37.16 Liens for financial assistance.

16. a. In addition to any other financial assistance requirements imposed by the authority pursuant to P.L.1997, c.235 (C.58:10A-37.1 et seq.), any award of financial assistance from the fund except for any grant
awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) for a replacement or closure of a petroleum underground storage tank used to store heating oil at the applicant's residence or for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's residence, shall constitute, in each instance, a debt of the applicant to the fund. The debt shall constitute a lien on the real property at which the subject facility is located. The lien shall be in the amount of the financial assistance awarded the applicant. The lien shall attach when a notice of lien, incorporating the name of the property owner, a description of the real property on which the subject facility is located and an identification of the amount of the financial assurance awarded, is duly filed with the county recording officer in the county in which the property is located.

Where financial assistance from the fund is awarded as a combination of a loan and a grant, separate liens for the loan and the grant shall be filed. No lien shall be placed on any real property of an applicant based on a conditional hardship grant awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), for a replacement or closure of a petroleum underground storage tank used to store heating oil at the applicant's residence or for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's residence.

b. A lien that is filed on real property pursuant to a loan shall be removed upon repayment of the loan.

c. Except as provided below, the lien that is filed on real property pursuant to a conditional hardship grant shall be removed upon repayment of the amount of the grant that is unsatisfied or upon the end of a five-year period in which the site for which the financial assistance was awarded continued to be operated in substantially the same manner as it was operated at the time of the award of financial assistance. The period of operation need not run consecutively. Beginning with the second year of operating in substantially the same manner, 25% of the conditional hardship grant shall be deemed satisfied with an additional 25% to be satisfied each year until the entire amount of the conditional hardship grant is satisfied at the end of the five-year period. The owner or operator of the facility claiming to have satisfied a conditional hardship grant due to the five-year period of operation, shall submit a certification of this fact to the authority. Upon repayment of the unsatisfied grant award or upon submittal of this certification,
unless the authority has made a finding that the certification is not correct, the authority shall remove the lien from the property.

Where real property for which a conditional hardship grant was awarded is not being operated in substantially the same manner, the five-year period to satisfy the lien shall be tolled. If at any time prior to the satisfaction of the lien the property is developed or operated for a purpose that is not substantially the same as its operation at the time of the award of the conditional hardship grant, the grant recipient shall so certify to the authority upon the change in operation. Upon receipt of this certification, the authority shall determine, based upon the new operation of the property if the financial assistance shall continue as a conditional hardship grant or if it shall be converted into a loan. In making this determination, the authority shall base its decision on the financial hardship factors used in determining the original eligibility for the conditional hardship grant.

A lien that is filed on real property pursuant to a grant shall be removed by the authority upon condemnation of the property or upon the exercise of the power of eminent domain, and the conditional hardship grant shall be deemed satisfied.

The authority may take whatever enforcement actions it deems necessary to verify the operation of any property for which a conditional hardship grant was made. The terms and conditions of any loan converted from a grant pursuant to this subsection shall be the same as those authorized pursuant to this act.

d. The provisions of this section do not apply to any real property of an applicant who is a public entity.

6. Section 3 of P.L.1991, c.123 (C.58:10A-24.3) is amended to read as follows:

C.58:10A-24.3 Examinations for certification to perform services on underground storage tanks.

3. a. The department shall establish and conduct examinations for certifying that a person is qualified to perform services on underground storage tanks at underground storage tank sites for purposes of complying with the provisions of P.L.1986, c.102 (C.58:10A-21 et seq.) and for tank testing, tank installation, tank removal, tank closure, or subsurface evaluations for corrective action, closure or corrosivity on unregulated heating oil tanks. Application to the department for examination for certification shall be made in a manner and on such forms as may be prescribed by the department. The department may pre-
scribe training or continuing education, experience or other requirements as a condition for taking a certification examination, or for recertification. The filing of an application shall be accompanied by a nonrecoverable application fee of $35.00 to cover the costs of processing the application and conducting examinations. No person shall be certified by the department unless he or she satisfactorily completes the examination and satisfies any other requirements of this act, or of the department adopted pursuant thereto.

b. Notwithstanding the provisions of subsection a. of this section, any person who files, within 300 days of the effective date of this act, an application for certification under this subsection, and demonstrates to the department that he or she has adequately performed services on underground storage tanks at underground storage tank sites for at least five consecutive years immediately preceding the filing of the application, shall be certified without examination upon payment of an application and certification fee. Within one year of certification, a person certified pursuant to this subsection shall submit to the department evidence of attendance at a department approved training course on the department's rules and regulations concerning underground storage tanks. One year from the effective date of this act, no person applying for certification pursuant to this subsection shall perform services requiring certification until certified by the department.

c. A person certified pursuant to subsection b. of this section shall comply with the examination and other requirements adopted by the department pursuant to subsection a. of this section as a precondition for filing for a renewal of a certification issued pursuant to subsection b. of this section.

d. The department may establish a general certification for tank services and on-site supervisory responsibilities, and such other classes of certification for particular tank services or for on-site supervisory responsibilities as it deems appropriate, and may establish separate training, examination and working experience requirements therefor. The department shall establish a separate certification for tank testing, tank installation, tank removal, tank closure, and subsurface evaluations for corrective action, closure or corrosivity on unregulated heating oil tanks with separate training and examination requirements therefor. The certification program for persons who perform services on underground storage tanks or on unregulated heating oil tanks shall include standards for pricing, customer service, compliance with applicable rules and regulations, adequate submissions to the department, and any other standards relevant to the performance, qualifications, and business practices of persons or business firms seeking certification. Any person certified to perform services on underground storage tanks at under-

7. Section 5 of P.L.1991, c.123 (C.58:10A-24.5) is amended to read as follows:

C.58:10A-24.5 Denial, revocation, etc. of certification.
5. a. The department may deny, suspend, revoke, or refuse to renew a certification for good cause, including:
   (1) a violation, or abetting another to commit a violation, of any provision of this act, or of P.L.1986, c.102 (C.58:10A-21 et seq.), or rule or regulation adopted, or order issued under either act;
   (2) making a false statement on an application for certification or other information required by the department pursuant to this act, or P.L.1986, c.102;
   (3) misrepresentation or the use of fraud in obtaining certification, in performing tank testing, tank installation, tank removal, tank closure, or subsurface evaluations for corrective action, closure or corrosivity on an unregulated heating oil tank, or in performing underground storage tank services;
   (4) failure to meet the standards or requirements of the certification program, including standards relevant to the performance, qualifications, and business practices of persons or business firms who perform tank services.
   b. Before suspending, revoking, or refusing to renew a certification, the department shall afford the applicant or certificate holder an opportunity to be heard in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:148-1 et seq.).
   c. Suspension, revocation, or refusal to renew a certification shall not bar the department from pursuing against the applicant or certificate holder any other lawful remedy available to the department.
   d. Any business firm or person whose certification is revoked shall be ineligible to apply for certification for three years from the date of the revocation.
   e. If the department has reason to believe that a condition exists that poses an imminent threat to the public health, safety or welfare, it may order the certificate holder to cease operations pending the outcome of the hearing.

C.58:10A-24.8 Interim rules, regulations establishing certification program.
8. a. Notwithstanding the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:148-1 et seq.) to the contrary, the Department of Environmental Protection shall adopt, after notice, interim rules and
regulations establishing a program for the certification of persons qualified to perform tank testing, tank installation, tank removal, tank closure, or subsurface evaluations for corrective action, closure or corrosivity on unregulated heating oil tanks as provided in P.L. 1999, c.322 within 60 days after the effective date of this act. The rules and regulations shall be effective as regulations immediately upon filing with the Office of Administrative Law and shall be effective for a period not to exceed 18 months, and may, thereafter, be amended, adopted or readopted by the department in accordance with the provisions of the "Administrative Procedure Act."

b. Upon the adoption of interim rules and regulations pursuant to this section, a grant or loan from the fund to close or replace an unregulated heating oil tank may only be made to reimburse the applicant for work performed by a person certified pursuant to section 3 of P.L.1991, c.123 (C.58:10A-24.3).

C.58:10A-24.9 Required DEP submissions copied to municipality.

9. Any person who performs tank installation, tank removal, tank closure, or subsurface evaluations for corrective action, closure or corrosivity on an unregulated heating oil tank shall provide to the governing body of the municipality in which the tank is located, copies of any submissions required by the Department of Environmental Protection concerning the tank installation, tank removal, tank closure, and subsurface evaluations for corrective action, closure or corrosivity on an unregulated heating oil tank within 10 days after their submission to the department.

10. This act shall take effect immediately.

Approved August 2, 2006.

b. Timeshare plans without an accommodation or component site in this State if those timeshare plans are offered to be sold within this State, regardless of whether the offer originates from within or outside of this State.

C.45:15-16.53 Inapplicability of act.

4. a. This act shall not apply to any of the following:

(1) Timeshare plans, whether or not an accommodation or component site is located in the State, consisting of 10 or fewer timeshare interests;

(2) Timeshare plans, whether or not an accommodation or component site is located in this State, the use of which extends over any period of three years or less. For purposes of determining the term of a timeshare plan, the period of any automatic renewal shall be included, unless a pur-
chaser has the right to terminate the purchaser’s participation in the timeshare plan at any time and receive a pro rata refund, or the purchaser receives a notice, not less than 30 days, but not more than 60 days, prior to the date of renewal, informing the purchaser of the right to terminate at any time prior to the date of automatic renewal;

(3) Timeshare plans, whether or not an accommodation or component site is located in the State, under which the prospective purchaser's total financial obligation will be equal to or less than $3,000 during the entire term of the timeshare plan;

(4) Component sites of specific timeshare interest multi-site timeshare plans that are neither located in nor offered for sale in this State, except that these component sites are still subject to the disclosure requirements of section 10 of this act;

(5) Offers or dispositions of securities or units of interest issued by a real estate investment trust regulated under any State or federal statute;

(6) Offers or dispositions of securities currently registered with the Bureau of Securities within the Division of Consumer Affairs in the Department of Law and Public Safety.

b. A person shall not be required to register as a developer under this act if:

(1) The person is an owner of a timeshare interest who has acquired the timeshare interest for the person’s own use and occupancy and who later offers it for resale in a single or isolated transaction; or

(2) The person is a managing entity or an association that is not otherwise a developer of a timeshare plan in its own right, solely while acting as an association or under a contract with an association to offer or sell a timeshare interest transferred to the association through foreclosure, deed in lieu of foreclosure, or gratuitous transfer, if such acts are performed in the regular course of, or as an incident to, the management of the association for its own account in the timeshare plan.

c. If a developer has already registered a timeshare plan under this act, the developer may offer or dispose of an interest in a timeshare plan that is not registered under this act if the developer is offering a timeshare interest in the additional timeshare plan to a current timeshare interest owner of a timeshare interest in a timeshare plan created or operated by that same developer subject to the rules and regulations adopted by the commission.

d. The commission may, from time to time, pursuant to any rules and regulations adopted pursuant to this act, exempt from any of the provisions of this act any timeshare plan, if it finds that the enforcement of this act
with respect to that plan is not necessary in the public interest, or required for the protection of purchasers, by reason of the small amount of the purchase price or the limited character of the offering.

C.45:15-16.54 Administration by Real Estate Commission.
5. This act shall be administered by the New Jersey Real Estate Commission in the Department of Banking and Insurance.

C.45:15-16.55 Nonpreemption of local codes; supersedure of other regulation of timeshares.
6. Except as provided in this section, no provision of this act shall invalidate or modify any provision of any zoning, subdivision, or building code, law, ordinance or regulation. In case of conflict between the provisions of this act and the provisions of any other law, ordinance or regulation governing or purporting to govern the creation, registration, disclosure requirements or sale of timeshare interests in a component site, the provisions of this act shall control.

C.45:15-16.56 Creation of timeshare plan.
7. A timeshare plan may be created in any accommodation unless otherwise prohibited. A timeshare plan shall maintain a one-to-one purchaser-to-accommodation ratio, which means the ratio of the number of purchasers eligible to use the accommodations of a timeshare plan on a given day to the number of accommodations available for use within the plan on that day, such that the total number of purchasers eligible to use the accommodations of the timeshare plan during a given consecutive 12-month period never exceeds the total number of accommodations available for use in the timeshare plan during that consecutive 12-month period. For purposes of the calculation under this section, each purchaser shall be counted at least once, and an individual accommodation shall not be counted more than one time per day per year. An owner of a timeshare interest who is delinquent in the payment of a timeshare plan assessment shall continue to be considered eligible to use the accommodations of the timeshare plan for purposes of calculating the one-to-one purchaser-to-accommodation ratio.

C.45:15-16.57 Requirements for developers of timeshares; application, registration.
8. a. A developer who sells, offers to sell, or attempts to solicit prospective purchasers in this State to purchase a timeshare interest, or any person who creates a timeshare plan with an accommodation in the State, shall reg-
ister with the commission, on forms provided by the commission or in electronic formats authorized by the commission, all timeshare plans which have accommodations located in the State or which are sold or offered for sale to any individual located in the State.

b. Upon the submission of an application approved by the commission, the commission may grant a 90-day preliminary registration to allow the developer to begin offering and selling timeshare interests in a timeshare plan regardless of whether the accommodations of the timeshare plan are located within or outside of the State. Upon submission of a substantially complete application for an abbreviated or comprehensive registration under this act, including all appropriate fees, to the commission prior to the expiration date of the preliminary registration, the preliminary registration will be automatically extended during the registration review period provided that the developer is actively and diligently pursuing registration under this act. The preliminary registration shall automatically terminate with respect to those timeshare interests covered by a final public offering statement that is issued before the scheduled termination date of the preliminary registration. The preliminary registration shall also terminate upon the issuance of any notice of rejection due to the developer’s failure to comply with the provisions of this act.

To obtain a preliminary registration, the developer shall provide all of the following:

(1) Submit the reservation instrument to be used in a form previously approved by the department with at least the following provisions:
   (a) The right of both the developer and the potential purchaser to unilaterally cancel the reservation at any time;
   (b) The payment to the potential purchaser of his or her total deposit following cancellation of the reservation by either party;
   (c) The placing of the deposit into an escrow account; and
   (d) A statement to the effect that the offering has not yet received final approval from the commission, and that no offering can be made until an offering plan has been filed with, and accepted by, the commission;

(2) Agree to provide each potential purchaser with a copy of the preliminary public offering statement and an executed receipt for a copy before any money or other thing of value has been accepted by or on behalf of the developer in connection with the reservation;

(3) Agree to provide a copy of the reservation instrument signed by the potential purchaser and by or on behalf of the developer to the potential purchaser;
(4) Provide evidence acceptable to the commission that all funds received by the developer will be placed into an independent escrow account with instructions that no funds will be released until a final order of registration has been granted;

(5) Submit the filing fee for a preliminary registration as provided for by regulation. The filing fee shall be in addition to the filing fees for an abbreviated or comprehensive registration as established by this act;

(6) File all advertisements to be utilized by the developer under the preliminary registration with the commission before use. All advertisements and advertising literature shall contain the following, or substantially similar, disclaimer:

"This advertising material is being used for the purpose of soliciting sales of timeshare interests."

(7) Such other information as the commission may require in order to further the provisions of this act, to assure full and fair disclosure and for the protection of purchaser interests.

c. Prior to the issuance of an order of registration for an abbreviated or comprehensive registration, the commission may issue a conditional registration approval for a timeshare plan if the filing is deemed to be substantially complete by the commission and the commission determines that the deficiencies are likely to be corrected by the applicant in a reasonable time and manner. Once the commission issues a conditional registration approval, the applicant may begin entering into purchase contracts with the purchaser and provide the purchaser with the most current version of the public offering statement; however, no rescission period may begin to run until the final approved public offering statement is delivered to the purchaser. If there is no material difference between the documents provided to the purchaser pursuant to the conditional registration and the documents approved as part of the final order of approval, then those documents need not be delivered again to the purchaser. All purchase contracts that are executed under the authority of a conditional registration approval shall contain the following provisions:

(1) No escrow will close, funds will not be released from escrow, and the interest contracted for will not be conveyed until a final approved public offering statement for the timeshare plan is furnished to the purchaser.

(2) The contract may be rescinded, in which event the entire sum of money paid or advanced by the purchaser shall be returned if the purchaser or lessee is dissatisfied with the final public offering statement.

(3) The term for a conditional registration approval shall be six months
from the date of approval by the commission, and may be extended upon
application to the commission for an additional six month period.

d. A developer shall include in its application for registration with the
commission, the following information:

(1) The developer's legal name, any assumed names used by the de­
veloper, and the developer's principal office location, mailing address, primary
contact person and telephone number;

(2) The name, location, mailing address, primary contact person and
telephone number of the timeshare plan;

(3) The name and principal address of the developer's authorized New
Jersey representative who shall be a licensed real estate broker licensed to
maintain offices within this State;

(4) A declaration as to whether the timeshare plan is a single-site time­
share plan or a multi-site timeshare plan and, if a multi-site timeshare plan,
whether it consists of specific timeshare interests or non-specific timeshare
interests;

(5) The name and principal address of all brokers within New Jersey
who sell or offer to sell any timeshare interests in any timeshare plan of­
erred by the developer to any person in this State, who shall be licensed as a
real estate broker pursuant to R.S.45:15-1 et seq., and who are the author­
ized representatives of the developer;

(6) The name and principal address of all non-affiliated marketing enti­
ties who, by means of inducement, promotion or advertisement, attempt to
encourage or procure prospective purchasers located in the State to attend a
sales presentation for any timeshare plan offered by the developer or au­
thorized broker;

(7) The name and principal address of all managing entities who man­
age the timeshare plan;

(8) A public offering statement which complies with the requirements
of this act; and

(9) Any other information regarding the developer, timeshare plan,
brokers, marketing entities or managing entities as required by the commis­

ion and established by the commission by regulation.

e. The developer shall comply with the following escrow requirements:

(1) A developer of a timeshare plan shall deposit with an escrow agent
all funds which are received during the purchaser's cancellation period set
forth in section 18 of this act, into an escrow account in a federally insured
depository or a depository acceptable to the commission. The deposit of
such funds shall be evidenced by an executed escrow agreement between
the escrow agent and the developer. The escrow agreement shall include provisions that funds may be disbursed to the developer by the escrow agent from the escrow account only after expiration of the purchaser's cancellation period and in accordance with the purchase contract, subject to paragraph (2) of this subsection.

(2) If a developer contracts to sell a timeshare interest and the construction of any property in which the timeshare interest is located has not been completed, the developer, upon expiration of the cancellation period set forth in section 18 of this act, shall continue to maintain in an escrow account all funds received by or on behalf of the developer from the purchaser under the purchase contract. The commission shall establish by rule the type of documentation which shall be required for evidence of completion, including but not limited to a certificate of occupancy, a certificate of substantial completion, or equivalent certificate from a public safety inspection agency in the applicable jurisdiction. The report shall reflect any material changes in the information contained in the original or subsequently submitted applications or documents.

b. (1) The developer shall file amendments to its registration to reflect any material change in any information set forth in the project and disclosure documents. The developer shall notify the commission of the material change prior to implementation of the change, unless the change is beyond the control of the developer; in which event, the developer shall provide written notice to the commission as soon as reasonably practicable after the occurrence of the event. All amendments, supplements, and facts relevant to the material change shall be filed with the commission within 20 calendar days of the material change.
(2) The developer may continue to sell timeshare interests in the timeshare plan so long as, prior to closing, the developer provides a notice to each purchaser that describes the material change and provides to each purchaser the previously approved public offering statement. If the change is material and adverse to the purchasers of the timeshare plan as a whole, as determined by the commission, no closing shall occur until the amendment relating to the material and adverse change has been approved by the commission. After the amendment relating to the material and adverse change has been approved and the amended public offering statement has been issued, the amended public offering statement shall be provided to the purchaser, and an additional seven-day rescission period shall commence. The developer shall be required to maintain evidence of the receipt by each purchaser of the amended public offering statement. If the commission refuses to approve the amendment relating to the material and adverse change, all sales made using the notice shall be subject to rescission and all funds returned.

(3) The developer shall update the public offering statement to reflect any changes to the timeshare plan that are not material and adverse, including the addition of any component sites, within a reasonable time as determined by the commission pursuant to regulation.

c. Upon a determination by the commission that an annual report is no longer necessary for the protection of the public interest or that the developer no longer retains any interest and no longer has any contractual, bond or other obligations in the subdivision, the commission shall issue an order terminating the responsibilities of the developer under this act.

C.45:15-16.61 Issuance of notice of filing of registration.

12. Upon receipt of a substantially complete application for registration, in proper form and accompanied by the appropriate filing fees, the commission shall, within 10 business days of receipt of the registration, issue a notice of filing. The notice shall not be construed as an approval of the registration, or any portion thereof.

C.45:15-16.62 Review of registration; orders, schedule.

13. Every registration required to be filed with the commission under this act shall be reviewed by the commission and the commission shall issue an order of registration in accordance with the following schedule:

a. As to comprehensive registrations, registrations shall be effective upon the issuance of an order of registration by the commission within 60
days after receipt and issuance of a notice of filing. The commission shall provide a list of deficiencies in the application, if any, within 60 days of the issuance of the notice of filing. If a list of deficiencies is not provided to the applicant within 60 days of issuance of the notice of filing, the timeshare plan shall be deemed registered unless the applicant has consented in writing to a delay.

b. As to abbreviated registrations, registration shall be effective upon the issuance of an order of registration by the commission 30 days after receipt and issuance of a notice of filing. The commission shall provide a list of deficiencies in the application, if any, within 30 days of the issuance of the notice of filing. c. A preliminary registration shall be effective within 20 days of receipt, unless the commission provides to the applicant a written list of deficiencies in the application, if any, within 20 days of receipt of a completed application and fee. If a list of deficiencies is not provided to the applicant within 20 days of receipt of the application for a preliminary registration, the preliminary registration shall be deemed approved unless the applicant has consented in writing to a delay.

\[C.45:15-16.63\] Deficiency notice, appeal.

14. a. If the commission determines upon inquiry and examination that any of the requirements of this act have not been met, the commission shall notify the applicant that the application for registration shall be corrected as specified in writing within 30 days from the date the notice is received by the applicant. These findings shall be the result of the commission's preliminary inquiry and examination and no hearing shall be required as the basis for those findings.

b. In the event that the requirements of the deficiency notice are not met within the time frame provided in subsection a. of this section, and the applicant has not demonstrated a good faith effort to correct the deficiencies, the commission may enter an order rejecting the filing. The order shall include the factual and legal basis for the rejection and shall provide that, unless appealed as provided for in subsection c. of this section, the terms of the order shall become final after 45 days of delivery to the applicant.

c. Upon the applicant's receipt of an order of rejection, the applicant shall have the right to file an appeal with the commission and shall be enti-
tied to a hearing thereon provided that the appeal is filed within 45 days of the applicant's receipt of the order of rejection. In the event that an appeal is filed by the applicant, the order of rejection shall not take effect until such time as a determination has been rendered on the appeal. While an appeal of an order of rejection remains pending, a timeshare plan which is the subject of the notice of filing referenced in the order of rejection shall not be considered registered.

C.45:15-16.64 Fee for initial registration.

15. a. The fee for an initial registration shall be $1,000 plus $50 per timeshare interest, which fee shall not exceed $7,500, unless otherwise provided by the commission pursuant to regulation to defray the cost of rendering the services required by the provisions of this act.

C.45:15-16.65 Registrations required for sale.

16. Unless otherwise provided by regulation, a developer, or any of its agents, shall not sell, offer, or dispose of a timeshare interest in this State unless all necessary registrations are filed and approved by the commission, or while an order revoking or suspending a registration is in effect.

C.45:15-16.66 Creation of provision for managing entity, duties.

17. a. Before the first sale of a timeshare interest, the developer shall create or provide for a managing entity, which shall be either the developer, a separate manager or management firm, the board of directors of an owners' association, or some combination thereof.

b. The duties of the managing entity shall include, but not be limited to:

(1) Management and maintenance of all accommodations constituting the timeshare plan;

(2) Collection of all assessments as provided in the timeshare instrument;

(3) Providing to all purchasers each year an itemized annual budget, which shall include all estimated revenues and expenses;

(4) Maintenance of all books and records concerning the timeshare plan;

(5) Scheduling occupancy of accommodations, when purchasers are not entitled to use specific timeshare periods, so that all purchasers will be provided the opportunity to possess and use the accommodations of the
timeshare plan which they have purchased; and
(6) Performing any other functions and duties that are necessary and proper to maintain the accommodations or that are required by the timeshare instrument.

c. In the event a developer, managing entity or association files a complaint in a foreclosure proceeding involving timeshare interests, the developer, managing entity or association may join in the same action multiple defendant obligers and junior interest holders of separate timeshare interests, provided:
   (1) The foreclosure proceeding involves a single timeshare plan;
   (2) The foreclosure proceeding is filed by a single plaintiff;
   (3) The default and remedy provisions in the written instruments on which the foreclosure proceeding is based are substantially the same for each defendant; and
   (4) The nature of the defaults alleged is the same for each defendant.

d. In any foreclosure proceeding involving multiple defendants filed under subsection c. of this section, the court shall, if appropriate, sever for separate trial any count of the complaint in which a defense or counterclaim is timely raised by a defendant.

C.45:15-16.67 Voidability of purchase contract.
18. Any purchase contract entered into by a purchaser of a timeshare interest under this act shall be voidable by the purchaser, without penalty, within seven calendar days after the receipt of the public offering statement or the execution of the purchase contract, whichever date is later. The purchase contract shall provide notice of the seven-day cancellation period, together with the name and mailing address to which any notice of cancellation shall be delivered. Notice of cancellation shall be timely if the notice is deposited with the United States Postal Service not later than midnight of the seventh day. Upon such cancellation, the developer shall refund to the purchaser all payments made by the purchaser, less the amount of any benefits actually received pursuant to the purchase contract. The refund shall be made within 30 days after the receipt of the notice of cancellation, or receipt of funds from the purchaser's cleared check, whichever occurs later. If a purchaser elects to cancel a purchase contract pursuant to this section, the purchaser may do so by hand delivering a written notice of cancellation or by mailing a notice of cancellation by certified mail, return receipt requested, to the developer, as applicable, at an address set forth in the purchase contract.
C.45:15-16.68 Conditions for release of escrow funds to the developer.

19. Excluding any encumbrance placed against the purchaser's timeshare interest securing the purchaser's payment of purchase money financing for the purchase, the developer shall not be entitled to the release of any funds escrowed with respect to each timeshare interest and any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, until the developer has provided satisfactory evidence to the commissioner of one of the following:

a. The timeshare interest together with any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, are free and clear of any of the claims of the developer, any owner of the underlying fee, a mortgagee, judgment creditor, or other lienor or any other person having an interest in or lien or encumbrance against the timeshare interest or appurtenant property or property rights;

b. The developer, any owner of the underlying fee, a mortgagee, judgment creditor, or other lienor, or any other person having an interest in or lien or encumbrance against the timeshare interest or appurtenant property or property rights, including any amenities represented to the purchaser as being part of the timeshare plan, has recorded a subordination and notice to creditors document in the jurisdiction in which the timeshare interest is located. The subordination document shall expressly and effectively provide that the interest holder's right, lien or encumbrance shall not adversely affect, and shall be subordinate to, the rights of the owners of the timeshare interests in the timeshare plan regardless of the date of purchase, from and after the effective date of the subordination document;

c. l. A registrant's concealing, diverting, or disposing of any funds or assets of any person in a manner that impairs the rights of purchasers of timeshare interests in the timeshare plan.

m. A registrant's failure to perform any stipulation or agreement made to induce the commission to issue an order relating to the timeshare plan.

n. A registrant's, or its agents or brokers engaging in any act that constitutes a violation of the "Law Against Discrimination," P.L.1945, c.169 (C.10:5-1 et seq.).

o. A registrant's, or its agent's or broker's failure to provide information requested in writing by the commission, either as the result of a complaint to the commission or as a result of a random audit conducted by the commission, which would indicate a violation of this act.

C.45:15-16.75 Powers of commission.

26. The commission may:

   d. Cooperate with similar agencies or commissions in this State or other jurisdictions to establish uniform filing procedures and forms, uniform public offering statements, advertising standards, rules and common administrative practices;
   e. Grant exemptions pursuant to the rules and regulations adopted pursuant to this act;

   g. Require or permit any person to file a statement in writing, under oath or otherwise, as the commission determines, as to all the facts and circumstances concerning any matter to be investigated;
   h. For the purpose of any investigation or proceeding under this act, the commission or any officer designated by regulation, may administer oaths, or affirmations, and upon its own motion or upon request of any party may subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of material evidence; and
   i. Upon failure to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all persons affected thereby, the commission may apply to the Superior Court for an order compelling compliance with the subpoena.

C.45:15-16.76 Determinations by commission; cease and desist order.

27. a. If the commission determines after notice and hearing that a person has:
(1) Violated any provision of this act;
(2) Directly or through an agent or employee engaged in any false, deceptive, or misleading advertising, promotional or sales methods in the State to offer or dispose of an interest in the timeshare plan;
(3) Made any material change in the plan of disposition and development of the timeshare plan subsequent to the order of registration without first complying with the provisions of section 11 of this act;
(4) Disposed of any timeshare plan which have not been registered with the commission; or
(5) Violated any lawful order or rule or regulation of the commission; the commission may issue an order requiring the person to cease and desist from the unlawful practice and to take such affirmative action as in the judgment of the commission will carry out the purposes of this act.

b. If the commission makes a finding of fact in writing that the public interest will be irreparably harmed by delay in issuing an order, the commission may issue a temporary cease and desist order. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held within 15 days of the receipt of the request.

C.45:15-16.77 Violations.
28. a. If it appears that a person has engaged, or is about to engage, in an act or practice constituting a violation of a provision of this act, the commission, with or without prior administrative proceedings, may bring an action in the Superior Court to enjoin the acts or practices and to enforce compliance with this act or any rule, regulation or order hereunder. Upon proper showing, injunctive relief or a temporary restraining order shall be granted, and a receiver may be appointed. The commission shall not be required to post a bond in any court proceeding.

b. The commission may intervene in any suit relating to this act. Each developer registered pursuant to this act shall provide the commission with notice of any lawsuit that is filed against the developer or the registered timeshare plan that relates to rights, duties, or responsibilities of the developer or timeshare plan as set forth in this act.

C.45:15-16.78 Application for registration deemed submission to jurisdiction of courts.
29. a. For purposes of this act, an application for registration submitted to the commission shall be deemed a submission, by the applicant, to the jurisdiction of the courts of the State of New Jersey.

b. In addition to the methods of service provided for in the Rules of
Court, service may be made by delivering a copy of the process to a person designated by the commission to receive the process at its office, but that service shall not be effective unless the plaintiff, which may be the commission, in a proceeding instituted by it:

(1) Sends a copy of the process and the pleading by certified mail to the defendant or respondent at his last known address; and

(2) The plaintiff's affidavit of compliance with this section is filed in the case on or before the return day of the process, if any, or within the time as the court allows.

c. If any person, including any nonresident of this State, engages in conduct prohibited by this act and has not filed a consent to service of process, and personal jurisdiction over him cannot otherwise be obtained in this State, that conduct authorizes the commission to receive service of process, in any non-criminal proceedings against him or his successor which arises from that conduct and which is brought under this act with the same force as if served on him personally. Notice shall be given as provided in subsection b. of this section.

C.45:15-16.79 Additional penalties.

30. a. Any broker, broker-salesperson or salesperson who violates the provisions of this act shall, in addition to the penalties set forth herein, be subject to the penalties as set forth in R.S.45:15-17.

b. Any person who violates any provision of this act or any person who, in an application for registration filed with the commission, makes any untrue statement of a material fact or omits to state a material fact shall be fined not less than $250, nor more than $50,000, per violation.

c. The commission may levy and collect the penalties set forth in subsection b. of this section after affording the person alleged to be in violation of this act an opportunity for a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) on the alleged violations and a finding by the commission that the person is guilty of the violation. When a penalty levied by the commission has not been satisfied within 30 days of the levy, the penalty may be sued for and recovered by, and in the name of, the commission in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

d. The commission may, in the interest of justice, compromise any civil penalty, if in its determination the gravity of the offense does not warrant the assessment of the full fine.
C.45:15-16.80  Actions, counterclaims, remedies.
31. a. Any person who suffers any ascertainable loss of moneys as a result of the failure of another to comply fully with the provisions of this act may bring an action or assert a counterclaim in any court of competent jurisdiction. In any action filed under this section in which a defendant is found to have knowingly engaged in any false, deceptive, misleading promotional or sales methods or discriminatory advertising on the basis of race, sex, creed, color, marital status, national origin or religion, concealed or fraudulently diverted any funds or assets so as to defeat the rights of timeshare plan purchasers, made an intentional misrepresentation or concealed a material fact in an application for registration, or disposed of any timeshare plan required to be registered under this act, which are not so registered, the court shall, in addition to any other appropriate legal or equitable remedy, award double the damages suffered, and court costs, including reasonable attorney's fees. In the case of an untruth, omission, or misleading statement the developer sustains the burden of proving that the purchaser knew of the untruth, omission or misleading statement, or that he did not rely on such information, or that the developer did not know, and in the exercise of reasonable care could not have known of the untruth, omission, or misleading statement.

b. The court, in addition to the remedies provided in this act, may award any other relief appropriate under the circumstances including, in the court's discretion, restitution of all monies paid and, where a developer has failed to provide to a purchaser a copy of the current public offering statement approved by the commission prior to execution of the contract or agreement, rescission of the contract. If the purchaser fails to establish a cause of action, and the court further determines that the action was wholly without merit, the court shall award attorney's fees to the developer.

c. Any stipulation or provision purporting to bind a purchaser acquiring an interest in a timeshare plan subject to the provisions of this act to a waiver of compliance with the provisions of this act shall be void.

C.45:15-16.81  Valid registration required for action.
32. a. An action shall not be maintained by any developer in any court in this State with respect to any agreement, contract, or services for which registration is required by this act, or to recover the agreed price or any consideration under any agreement, or to recover for services for which a registration is required by this act, without proving that the developer had a valid order of registration at the time of making the agreement or performing the work.
b. A person licensed in this State as a real estate broker pursuant to R.S.45:15-1 et seq. shall not represent any unregistered timeshare plan and shall not accept or collect any commission or other form of consideration from any developer unless the timeshare plan is registered pursuant to the requirements of this act.

C.45:15-16.82 Rules.
  33. The commission shall adopt rules for the implementation and enforcement of this act in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.45:15-16.83 Forms, procedures.
  34. The commission may prescribe forms and procedures for submitting information to the commission.

C.45:15-16.84 Investigation of matters relative to application for registration.
  35. The commission shall thoroughly investigate all matters relating to an application for registration under this act and may require a personal inspection of any timeshare plan, accommodation, and any offices where any of the foregoing may transact business. All reasonable expenses incurred by the commission in investigating such matters shall be paid by the registrant. The commission may require a deposit sufficient to cover the expenses prior to incurring the expenses.

C.45:15-16.85 Existing timeshare plans remain in full force and effect.
  36. All timeshare plans that were registered and approved pursuant to the provisions of the "Real Estate Sales Full Disclosure Act," P.L.1989, c.239 (C.45:15-16.27 et seq.) and "The Planned Real Estate Development Full Disclosure Act," P.L.1977, c.419 (C.45:22A-21 et seq.) in effect on the effective date of this act shall remain in full force and effect after the effective date of this act and shall be considered registered under this act and shall not be required to file any further documentation under this act, except as to comply with the requirements of section 11.

Developers who have filed timeshare plans that were exempt from the requirements of the "Real Estate Sales Full Disclosure Act," P.L.1989, c.239 (C.45:15-16.27 et seq.) and "The Planned Real Estate Development Full Disclosure Act," P.L.1977, c.419 (C.45:22A-21 et seq.) shall be required to file a registration application with the commission within 90 days from the effective date of this act unless they are otherwise exempt under
this act. These developers and timeshare plans shall be allowed to continue operating as long as a registration application is filed with the commission within the timeframe stated above and as long as they, in good faith, continue to work with the commission to correct any and all deficiencies in the registration application.

Any existing injunction or temporary restraining order validly obtained under the "Real Estate Sales Full Disclosure Act," P.L.1989, c.239 (C.45:15-16.27 et seq.) or "The Planned Real Estate Development Full Disclosure Act," P.L.1977, c.419 (C.45:22A-21 et seq.) which prohibits unregistered practice of timeshare developers, timeshare plans, and their agents shall not be invalidated by the enactment of this act and shall continue to have full force and effect on and after the effective date of this act. Any existing disciplinary action or investigation pursuant to a violation under the "Real Estate Sales Full Disclosure Act," P.L.1989, c.239 (C.45:15-16.27 et seq.) or "The Planned Real Estate Development Full Disclosure Act," P.L.1977, c.419 (C.45:22A-21 et seq.) shall not be invalidated by the enactment of this act and shall continue to have full force and effect on and after the effective date of this act.

In making this certification, the chairman may conclusively rely on the project review conducted by the Department of Environmental Protection without any independent review thereof by the trust;
   b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the "Water Supply Fund" established pursuant to section 14 of the "Water Supply Bond Act of 1981," (P.L. 1981, c. 261), as amended by P.L. 1983, c. 355 and amended and supplemented by P.L. 1997, c. 223, the "Wastewater Treatment Fund" established pursuant to section 15 of the "Wastewater Treatment Bond Act of 1985" (P.L. 1985, c. 329), the "1992 Wastewater Treatment Fund" established pursuant to section 27 of the "Green Acres, Clean Water, Farmland and Historic Preservation Bond Act of 1992" (P.L. 1992, c. 88), the "2003 Water Resources and Wastewater Treatment Fund" established pursuant to section 19 of the "Dam, Lake, Stream, Flood Control, Water Resources, and Wastewater Treatment Project Bond Act of 2003" (P.L. 2003, c. 162), or the Drinking Water State Revolving Fund established pursuant to section 1 of P.L. 1998, c. 84;
   c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;

   e. The loan shall bear interest, exclusive of any late charges or administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5) by the project sponsors receiving trust loans, at or below the interest rate paid by the trust on the bonds issued to make or refund the loans authorized by this act, adjusted for underwriting discount and original issue discount or premium, in accordance with the terms and conditions set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21) or the financial plan required pursuant to section 25 of P.L.1997, c.224 (C.58:11B-21.1); and

1. a. (1) There is appropriated to the Department of Environmental Protection from the Clean Water Fund - State Revolving Fund Accounts (hereinafter referred to as the "Clean Water State Revolving Fund Accounts") an amount equal to the Federal fiscal year 2006 capitalization grant made available to the State for clean water projects pursuant to the "Water Quality Act of 1987" (33 U.S.C. s.1251 et seq.), and any amendatory and supplementary acts thereto (hereinafter referred to as the "Federal Clean Water Act").

2. a. (1) The department is authorized to expend funds for the purpose of making supplemental zero interest loans to or on behalf of the project sponsors listed below for the following clean water environmental infrastructure projects:
(2) The loans authorized in this subsection shall be made for the difference between the allowable loan amounts required by these projects based upon final building costs pursuant to section 6 of this act and the loan amounts certified by the commissioner in State fiscal years 2000, 2002, 2004, 2005 and 2006 and for increased allowable costs as defined and determined in accordance with the rules and regulations adopted by the department pursuant to section 4 of P.L.1985, c.329. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.1985, c.334 (C.58:11B-6) is amended to read as follows:
6. a. Except as may be otherwise expressly provided in the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), the trust may from time to time issue its bonds, notes or other obligations in any principal amounts as in the judgment of the trust shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes or other obligations issued by it, whether the bonds, notes or other obligations or the interest or redemption premiums thereon to be funded or refunded have or have not become due, the establishment or increase of reserves or other funds to secure or to pay the bonds, notes or other obligations or interest thereon and all other costs or expenses of the trust incident to and necessary to carry out its corporate purposes and powers.

b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A of the New Jersey Statutes, subject only to the provisions of the bonds, notes and other obligations for registration.

c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) as the trust may determine.

d. Bonds, notes or other obligations of the trust may be sold at any price or prices and in any manner as the trust may determine. Each bond, note or other obligation shall mature and be paid not later than 20 years
from the effective date thereof, or the certified useful life of the project or projects to be financed by the bonds, whichever is less.

All bonds of the trust shall be sold at such price or prices and in such manner as the trust shall determine, after notice of sale, a summary of which shall be published at least once in at least three newspapers published in the State of New Jersey and at least once in a publication carrying municipal bond notices and devoted primarily to financial news published in New Jersey or the city of New York, the first summary notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the trust, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The trust may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) without obtaining the consent of any department, division, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things, other than those consents, proceedings, conditions or things which are specifically required by P.L.1985, c.334 (C.58:11B-i et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.).

f. Bonds, notes or other obligations of the trust issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) shall not be a debt or liability of the State or of any political subdivision thereof other than the trust and shall not create or constitute any indebtedness, liability or obligation of the State or any political subdivision, but all these bonds, notes and other obligations, unless funded or refunded by bonds, notes or other obligations, shall be payable solely from revenues or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.), and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State, or any
political subdivision thereof, is pledged to the payment of the principal of
or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obliga-
tions, including subordinated indebtedness of the trust, shall not exceed
$2,400,000,000. In computing the foregoing limitations there shall be ex-
cluded all the bonds, notes or other obligations, including subordinated in-
debtedness of the trust, which shall be issued for refunding purposes,
whenever the refunding shall be determined to result in a savings.

(1) Upon the decision by the trust to issue refunding bonds, except for
current refunding, and prior to the sale of those bonds, the trust shall transmit
to the Joint Budget Oversight Committee, or its successor, a report that a de-
cision has been made, reciting the basis on which the decision was made,
including an estimate of the debt service savings to be achieved and the cal-
culations upon which the trust relied when making the decision to issue re-
funding bonds. The report shall also disclose the intent of the trust to issue
and sell the refunding bonds at public or private sale and the reasons therefor.

(2) The Joint Budget Oversight Committee or its successor shall have
the authority to approve or disapprove the sales of refunding bonds as in-
cluded in each report submitted in accordance with paragraph (1) of this
subsection. The committee shall notify the trust in writing of the approval
or disapproval as expeditiously as possible.

(3) No refunding bonds shall be issued unless the report has been sub-
mitted to and approved by the Joint Budget Oversight Committee or its
successor as set forth in paragraphs (1) and (2) of this subsection.

(4) Within 30 days after the sale of the refunding bonds, the trust shall
notify the committee of the result of that sale, including the prices and terms,
conditions and regulations concerning the refunding bonds, the actual amount
of debt service savings to be realized as a result of the sale of refunding
bonds, and the intended use of the proceeds from the sale of those bonds.

(5) The committee shall review all information and reports submitted in
accordance with this subsection and may, on its own initiative, make obser-
vations to the trust, or to the Legislature, or both, as it deems appropriate.

h. Each issue of bonds, notes or other obligations of the trust may, if it
is determined by the trust, be general obligations thereof payable out of any
revenues, receipts or funds of the trust, or special obligations thereof pay-
able out of particular revenues, receipts or funds, subject only to any
agreements with the holders of bonds, notes or other obligations, and may
be secured by one or more of the following:

(1) Pledge of revenues and other receipts to be derived from the pay-
ment of the interest on and principal of notes, bonds or other obligations is-
sued to the trust by one or more local government units, and any other payment made to the trust pursuant to agreements with any local government units, or a pledge or assignment of any notes, bonds or other obligations of any local government unit and the rights and interest of the trust therein;

(2) Pledge of rentals, receipts and other revenues to be derived from leases or other contractual arrangements with any person or entity, public or private, including one or more local government units, or a pledge or assignment of those leases or other contractual arrangements and the rights and interest of the trust therein;

(3) Pledge of all moneys, funds, accounts, securities and other funds, including the proceeds of the bonds, notes or other obligations;

(4) Pledge of the receipts to be derived from the payments of State aid, payable to the trust pursuant to section 12 of P.L.1985, c.334 (C.58:11B-12);

(5) A mortgage on all or any part of the property, real or personal, of the trust then owned or thereafter to be acquired, or a pledge or assignment of mortgages made to the trust by any person or entity, public or private, including one or more local government units and the rights and interest of the trust therein.

i. The trust shall not issue any bonds, notes or other obligations, or otherwise incur any additional indebtedness, on or after November 5, 2026.

j. (Deleted by amendment, P.L.1996, c.88).

2. Section 9 of P.L.1985, c.334 (C.58:11B-9) is amended to read as follows:

C.58:11B-9 Loans to local government units.

9. a. (1) The trust may make and contract to make loans to local government units, or to a local government unit on behalf of another local government unit, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money.

(2) The trust may make and contract to make loans to public water utilities, or to any other person or local government unit on behalf of a public water utility, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of any water supply project, which the public water utility may lawfully undertake or acquire.
(3) The trust may make and contract to make loans to private persons other than local government units, or to any other person or local government unit on behalf of a private person, in accordance with and subject to the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.) to finance the cost of stormwater management systems.

The loans may be made subject to those terms and conditions as the trust shall determine to be consistent with the purposes thereof. Each loan by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the loan. Each loan to a local government unit, public water utility or any other person shall be evidenced by notes, bonds or other obligations thereof issued to the trust. b. The trust is authorized to guarantee or contract to guarantee the payment of all or any portion of the principal and interest on bonds, notes or other obligations issued by a local government unit to finance the cost of any wastewater treatment system project or water supply project, which the local government unit may lawfully undertake or acquire and for which the local government unit is authorized by law to borrow money, and the guarantee shall constitute an obligation of the trust for the purposes of P.L.1985, c.334 (C.58:11B-1 et seq.) or P.L.1997, c.224 (C.58:11B-10.1 et al.). Each guarantee by the trust and the terms and conditions thereof shall be subject to approval by the State Treasurer, and the trust shall make available to the State Treasurer all information, statistical data and reports of independent consultants or experts as the State Treasurer shall deem necessary in order to evaluate the guarantee.
c. The trust shall not make or contract to make any loans or guarantees to local government units, public water utilities or any other person, or otherwise incur any additional indebtedness, on or after November 5, 2026.

The trust shall create and establish a special fund (hereinafter referred to as the "Interim Financing Program Fund") for the short-term or temporary loan financing or refinancing program (hereinafter referred to as the "Interim Financing Program").

Any short-term or temporary loans made by the trust pursuant to this subsection may only be made in advance of the anticipated loans the trust may make and contract to make under the provisions of subsection a. of this section to be financed or refinanced through the issuance of bonds, notes or other obligations of the trust authorized under section 6 of P.L.1985, c.334 (C.58:11B-6). CHAPTER 70

AN ACT renaming the Open Public Meetings Act in honor of its sponsor, Senator Byron M. Baer, and amending and supplementing P.L.1975, c.231.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:

WHEREAS, It has long been recognized that openness in government promotes citizen participation in public affairs, increases public confidence in government, and makes public officials more accountable to the electorate; and

WHEREAS, The founders of our nation acknowledged the need for public access in the development of public policy, a concept expressed by James Madison who observed that popular government without popular information is “a Prologue to a Farce or a Tragedy; or perhaps both;” and

WHEREAS, Openness in the conduct of government affairs helps to prevent actual or perceived corruption because, as Woodrow Wilson stated, “corruption thrives in secret places and avoids public places;” and

WHEREAS, In keeping with this tradition, Senator Byron M. Baer sponsored the New Jersey “Open Public Meetings Act” in the mid-1970’s to guarantee the public’s right to attend meetings of public bodies at which public business is discussed or acted upon and to have adequate notice of these meetings; and

WHEREAS, In enacting this law, the Legislature declared that the right of the public to attend meetings of public bodies was “vital” to the democratic process and that “secrecy in public affairs undermines the faith of the public in government and the public’s effectiveness in fulfilling its role in a democratic society;” and

WHEREAS, Senator Baer has long been known as the “Father of the Open Public Meetings Act” because of his instrumental role in the enactment of this groundbreaking legislation which greatly enhanced public access to State and local government decision-making and which promoted a national trend toward making government-held information more available to the public; and
WHEREAS, By 1981, every other state and the federal government, in large part because of New Jersey's example, had enacted similar laws intended to promote public confidence in government and the political process; and

WHEREAS, For his role in promoting greater openness in government, Senator Baer was recently inducted into the "State Open Government Hall of Fame;" and

WHEREAS, It is appropriate, therefore, to recognize Senator Baer by renaming the "Open Public Meetings Act" in his honor.

2. Section 1 of P.L.1975, c.231 (C.10:4-6) is amended to read as follows:

C.10:4-6 “Senator Byron M. Baer Open Public Meetings Act.”

1. This act shall be known and may be cited as the “Senator Byron M. Baer Open Public Meetings Act.”

3. This act shall take effect immediately.

Approved August 2, 2006.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.38A:15-4 Creation of New Jersey POW-MIA medal; award, conditions.

1. a. The Governor may present in the name of the State of New Jersey a POW-MIA medal of appropriate design, and ribbon to be worn in lieu thereof, to:

(1) any person who, on the date of induction into the organized militia or federal military service, was a resident of this State and who, while serving in the organized militia or in federal military service on active duty in a combat theater of operation during time of war or emergency, shall have been officially listed as a prisoner of war or missing in action by the United States Department of Defense; or

(2) any person who, on the date of induction into the organized militia or federal military service, was not a resident of this State but currently resides in this State or was a resident at time of death and who, while serving in the organized militia or in federal military service on active duty in a combat theater of operation during time of war or emergency, shall have been officially listed as a prisoner of war or missing in action by the United States Department of Defense; and

(3) was taken prisoner and held captive or declared missing in action:
   (a) while engaged in an action against an enemy of the United States; (b) while engaged in military operations involving conflict with an opposing foreign force; or (c) while serving with friendly forces engaged in an armed conflict against an opposing force in which the United States is not a belligerent party.

b. The period of creditable military service must include the period of captivity from date of capture through date of release. While no minimum time period of captivity exists as eligibility criteria for the medal, the New Jersey Department of Military and Veterans' Affairs should determine each case on its merits.

c. The medal shall be issued only to those taken prisoner by foreign armed forces that are hostile to the United States, under circumstances which the Adjutant General, or his designee, finds to have been comparable
to those under which persons have generally been held captive by enemy armed forces during periods of armed conflict.

d. Any person convicted by a United States military tribunal of misconduct or a criminal charge or whose discharge is less than honorable based on actions while a POW-MIA is ineligible for the medal. Any POW-MIA whose conduct was not in accord with the Code of Conduct and whose actions are documented by United States military records, is ineligible for the medal. Resolution of questionable cases shall be the responsibility of the Adjutant General or his designee.

e. No more than one medal shall be awarded. For subsequent acts justifying award of the medal, service stars shall be awarded and worn on the suspension and service ribbon of the medal. A period of captivity terminates on return to United States military control. Escapees who do not return to United States military control and are recaptured by an enemy do not begin a new period of captivity for subsequent award of the medal.

f. The medal may be awarded for a deceased person or a person absent as a prisoner of war or missing in action and, when so directed, may be presented to such representatives, as the Adjutant General considers appropriate, who submit all of the required forms and documentation on behalf of that person.

Return of remains, in and of itself, does not constitute evidence of POW-MIA status.

C.38A:15-5 Requests for, issuance of medal.

2. The Department of Military and Veterans' Affairs shall receive requests for, and issue, the medal to eligible individuals or their next-of-kin, who shall use the "New Jersey Department of Military and Veterans' Affairs application for award/program" application, attaching a copy of DD Form 214 or WD Form 53 and death certificate copy, if applicable.

C.38A:15-6 "POW-MIA Medal Fund;" use.

There shall be deposited into the fund the amounts made available for the purposes of the fund and monetary donations that may be received from any source for the purposes of the fund and any interest earned thereon. Monies deposited in the fund shall be dedicated for the design, manufacture and distribution of the medal.

4. This act shall take effect six months from the date of enactment, but the New Jersey Department of Military and Veterans' Affairs may take
such anticipatory administrative action in advance thereof as shall be necessary for the implementation of this act.

Approved August 2, 2006.

The State Auditor shall personally or by any of his duly authorized assistants, or by contract with independent public accountant firms, examine and post-audit all the accounts, reports and statements and make independent verifications of all assets, liabilities, revenues and expenditures of the State, its departments, institutions, boards, commissions, officers, and any and all other State agencies, now in existence or hereafter created, hereinafter in this chapter called "accounting agencies."

The State Auditor shall conduct, at the direction of the Legislative Services Commission or of the presiding officer of either house of the Legislature or on the State Auditor's own initiative, a performance review audit of any program of any accounting agency, any independent authority, or any public entity or grantee that receives State funds, in a manner that is consistent with the Government Auditing Standards for performance audits utilized by the United States Government Accountability Office or its successor.

When the State Auditor conducts any audit or performance review audit, the accounting agency, or authority, entity or grantee, shall respond in writing to each item in the State Auditor's report and the State Auditor, at
an appropriate time determined by him, shall conduct a post-audit review of the accounting agency's, or authority's, entity's, or grantee's, compliance with the State Auditor's recommendations.

The officers and employees of each accounting agency, or authority, entity, or grantee, shall assist the State Auditor, when and as required by him, and provide the State Auditor with prompt access to all records necessary for the State Auditor to perform his duties, notwithstanding any statutory or regulatory requirements of confidentiality with regard to the records, for the purpose of carrying out the provisions of this chapter. The State Auditor shall report the failure of any accounting agency, or authority, entity, or grantee, to provide prompt access to any relevant record to the presiding officer of each house of the Legislature. The State Auditor shall not disclose a confidential record provided by an accounting agency, or authority, entity, or grantee, except as may be necessary for the State Auditor to fulfill his constitutional or statutory responsibilities. Working papers prepared by the State Auditor shall be confidential and shall not be considered government records under P.L.1963, c.73 (C.47:1A-1 et seq.).

Notwithstanding any law to the contrary, post-audits and performance review audits shall be conducted within the limits of the resources and personnel available to the State Auditor. If resources and personnel are insufficient to conduct all such required post-audits and performance review audits, the State Auditor may prioritize certain audits and forgo others upon notice to the Governor and the presiding officer of each house of the Legislature.

Any State officer or employee charged with the custody of State funds whose accounts are found by the State Auditor to be inaccurate shall be automatically suspended from having any further connection with such funds until the audit is completed and the findings reported to the Governor and the presiding officer of each house of the Legislature.

Immediately upon receipt of such report from the State Auditor, the Governor shall fix a time and place for hearing such charges as the State Auditor may bring by giving not less than five days' notice thereof in writing to such officer or head of a department so charged and to the State Auditor.

After due hearing, he shall take such action as may be necessary, in his judgment, including the removal of any officer or head of a department found guilty of such charges or any of them, but if the right of removal in any case is vested exclusively in the Legislature, the Governor may suspend from further duty any such officer or head of a department so charged and shall transmit to the Legislature at the earliest possible date a written report of his findings with his recommendations thereon for consideration and action by the legislature.

CHAPTER 83

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1972, c.186 (C.48:5A-2) is amended to read as follows:

C.48:5A-2 Legislative findings, determinations, and declarations.

2. The Legislature finds, determines and declares:

a. That, after careful investigation, it appears that the rates, services and operations of cable television companies in this State are affected with a public interest;

b. That it should be, and is hereby declared, the policy of this State to provide fair regulation of cable television companies in the interest of the public;

c. That the objects of such regulation are (1) to promote adequate, economical and efficient cable television service to the citizens and residents of this State, (2) to encourage the optimum development of the educational and community-service potentials of the cable television medium, (3)
to provide just and reasonable rates and charges for cable television system services without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices, (4) to promote and encourage harmony between cable television companies and their subscribers and customers, (5) to protect the interests of the several municipalities of this State in relation to the issuance of municipal consents for the operation of cable television companies within their several jurisdictions, and to secure a desirable degree of uniformity in the practices and operations of cable television companies in those several jurisdictions; and (6) to cooperate with other states and with the Federal Government in promoting and coordinating efforts to regulate cable television companies effectively in the public interest;

d. That to secure such regulation and promote the objectives thereof, authority to regulate cable television companies generally, and their rates, services and operations, in the manner and in accordance with the policies set forth in P.L.1972, c.186 (C.48:5A-1 et seq.) (the "act"), shall be vested in the Board of Public Utilities;

e. That the Federal Communications Commission (the "FCC") reported in its 2005 assessment of video programming competition that increased competition in the multichannel video programming distributor ("MVPD") market has led to improvements in cable television services, including more channels of video programming and increased service options for consumers, and in the case of facilities-based competition, lower prices for customers;

f. That, as a result of ongoing technological innovations, non-traditional providers of MVPD services such as local telephone common carriers are offering or preparing to offer MVPD services over existing telephone lines or over newly-installed high-speed fiber lines to customers in their local telephone service areas, and such developments have the potential for stimulating additional competition in the MVPD market that should lead to further improvements for MVPD customers;

g. That, in order to afford an equal opportunity for non-traditional MVPD providers such as local telephone common carriers to compete with existing providers, and to ensure that customers receive the benefits of a more competitive MVPD market, it is in the public interest to encourage common carriers to enter the MVPD market by adapting the existing regulatory framework to the changed circumstances brought about by recent technological developments while allowing the State to retain its necessary and appropriate regulatory oversight with regard to consumer protection and customer service elements; and
h. That nothing in this act shall be seen to limit or otherwise reduce the protection afforded to cable television customers, and it is in the public interest to include additional provisions in this act to ensure that customers continue to be provided a high level of consumer protection and customer service in a more competitive MVPD market.

pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.) shall be operative only to
the extent that the same are not in conflict with the laws of the United

The board through the office is hereby empowered and directed to cooperate with any Federal regulatory agency in the enforcement within this State of all Federal laws, rules, regulations and orders relating to CATV systems and CATV companies, and therein to act as agent for such Federal regulatory body to the extent authorized by or pursuant to Federal law, and to enter into agreements for said purpose.

8. Section 11 of P.L.1972, c.186 (C.48:5A-11) is amended to read as follows:

C.48:5A-11 Rates, charges and classifications for services; filing; publication; notice; review; hearings; limitation on revenues; effective competition.

b. The board shall from time to time cause the established rates and rate schedules of each CATV company for cable TV reception service to be reviewed, and if upon such review it shall appear to the board that, under federal law, such rates, or any of them, are or may be excessive, unreasonable, unjustly discriminatory or unduly preferential, the board shall require the CATV company to establish to its satisfaction that such rates are just, reasonable and not excessive or unjustly preferential or discriminatory, and for such purpose shall order the director to hold a hearing thereon. After a hearing upon notice and full opportunity to be heard afforded to the CATV company, the director may recommend amendment of the schedule of cable television subscription rates charged by such company, and such amended schedule if approved by the board shall supersede and replace the schedule so amended.

c. Any hearing held pursuant to this section shall be open to the public, and notice thereof shall be published by the cable television company at least 10 days prior thereto in a newspaper or newspapers of general circulation in the certificated area wherein the rate schedule which is the subject of

d. No CATV company shall derive from the operations of cable television reception service or cable communications systems any revenues other than the fees, charges, rates and tariffs provided for in subsection a. of this section and in subsection g. of section 28 of this act.

e. Whenever pursuant to the provisions of P.L. 1972, c. 186 (C.48:5A-1 et seq.) the board or the director is required to determine whether any of the rates, charges, fees, tariffs and classifications of a CATV company are unjust, unreasonable, discriminatory or unduly preferential, there shall be taken into consideration any fees which are charged for the use of a CATV system, or part thereof, as an advertising medium, or for services ancillary to such use, and from which the CATV system derives revenue, directly or indirectly, and the effect thereof upon, the company's requirements for revenue from such fees, rates, charges, tariffs and classifications subject to the provisions of this section.

f. The provisions of this section shall not apply in any area where there is effective competition as that term is used in 47 U.S.C. s.543.

"Senior citizen" means any person 62 years of age or older who subscribes for CATV service and who does not share the subscription with more than one other person in the same dwelling unit who is less than 62 years of age.

C.48:5A-11.3 Discount in rates not mandatory.

3. A cable television company shall not be required, as part of any franchising agreement, or renewal thereof, or as part of any negotiations leading up to a franchising agreement, or renewal thereof, or pursuant to order, rule or regulation of the office or the board, to provide the reduction or discount in rates which is permitted under section 2 of P.L.1985, c.356 (C.48:5A-11.2).

11. Section 15 of P.L.1972, c.186 (C.48:5A-15) is amended to read as follows:

C.48:5A-15 Certificate of approval or system-wide franchise for extension, operation of CATV system; exceptions.

15. No person shall hereafter begin the construction or extension of a CATV system, or begin the operation of a CATV system, or acquire ownership or control thereof, without first obtaining from the board a certificate of approval or franchise issued in accordance with the provisions and procedures specified in P.L.1972, c.186 (C.48:5A-1 et seq.); except that the director may, by order, rule or regulation, exempt a CATV company from the above requirement in a case in which the CATV company's temporary acts or operations do not require the issuance of a certificate of approval or a system-wide franchise in the public interest. The issuance of a certificate of approval or a system-wide franchise by the board to a CATV company shall be deemed to confer a franchise upon the CATV company. A tele-
communications service provider holding authority, granted prior to the enactment of P.L.2006, c.83 (C.48:5A-25.1 et al.), to utilize the public rights-of-way to construct, upgrade, operate or maintain a communications network shall not be required to obtain a certificate of authority, system-wide franchise or any other authorization, except for being subject to generally applicable non-discriminatory permit requirements, to construct, upgrade, operate or maintain a communications network capable of providing cable service, and a certificate of authority or a system-wide franchise shall be required only prior to the actual provision of cable service on a commercial basis to the general public.

12. Section 16 of P.L.1972, c.186 (C.48:5A-16) is amended to read as follows:

C.48:5A-16 Application for certificate of approval, system-wide franchise, fees; decision; appeal; hearings.

16. a. Any entity that seeks to provide cable service in this State after the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.) may apply for either individual certificates of approval or a system-wide franchise. The application for a certificate of approval or a system-wide franchise from the board shall be in writing.

b. (1) If the application is for an individual certificate of approval, it shall have attached hereto the municipal consents required under section 22 of P.L.1972, c.186 (C.48:5A-22), except that a CATV company which is authorized under section 25 of P.L.1972, c.186 (C.48:5A-25) to continue operations after the expiration of a municipal consent and pending municipal action upon application made for renewal or reissuance of such consent may in lieu of such municipal consent attach to its application a statement regarding its authorization to continue operations under the provisions of section 25 of P.L.1972, c.186 (C.48:5A-25); and shall contain such other information as the director may from time to time prescribe by duly promulgated rule, regulation or order. Each such application shall be accompanied by a filing fee of $200.

(2) Upon receipt of an application for a certificate of approval, the board shall review the application and shall, within 30 days of the receipt thereof, either issue the certificate of approval applied for or order the director to schedule a hearing upon the application. No application shall be denied without a hearing thereon. In determining whether a certificate of approval should be issued, the board shall consider only the requirements of sections 17 and 28 of P.L.1972, c.186 (C.48:5A-17 and C.48:5A-28).

d. If the application is for a system-wide franchise, it shall be accompanied by a filing fee of $1,000, and shall specify the information required in section 28 of P.L.1972, c.186 (C.48:5A-28).

e. A hearing held pursuant to subsection b. of this section shall be held not later than the sixtieth day following the date of receipt of the application; it may be adjourned from time to time, but not to a date later than the sixtieth day following the date on which it commenced, except with the consent of the applicant. If such hearing is held, the director shall within 60 days after the conclusion thereof, transmit his findings of fact and recommendations to the board, which shall either issue or deny the certificate for which application was made, or may issue a certificate with such limitations and conditions as the public interest may require. The board shall transmit notice of its decision to the applicant.

f. Upon receipt of an application for a system-wide franchise submitted pursuant to subsection a. of this section, the board shall review the application and shall, within 45 days of the receipt thereof, schedule two public hearings to be held in different geographical areas of the State during the 45-day review period to consider the application. In determining whether a system-wide franchise should be issued, the board shall consider only the requirements of sections 17 and 28 of P.L.1972, c.186 (C.48:5A-17 and C.48:5A-28). On or before the expiration of the 45-day period, the board shall issue an order in writing approving the application if the applicant has complied with the requirements for a system-wide franchise, or the board shall disapprove the application in writing citing the reasons for disapproval if the board determines that the application for a system-wide franchise does not comply with the requirements for a system-wide franchise. If, during the 45-day review period, the board determines to disapprove the application, the board shall schedule a meeting with the applicant to explain to the applicant the reasons for the board’s disapproval and to allow the applicant to question the board concerning the reasons for the board’s disapproval. Such meeting shall be scheduled no later than two weeks following the expiration of the 45-day review period required by this subsection. The applicant shall have 30 days following the date of the meeting with the board required by this subsection to file an appeal of the board’s decision. The board shall thereafter schedule an administrative hearing not later than the thirtieth day following the date of the filing of the applicant’s appeal in order to consider the applicant’s appeal. The board shall issue a final decision in written form on the applicant’s appeal not later than the sixtieth day following the administrative hearing, required by this subsection, on the applicant’s appeal.
13. Section 17 of P.L.1972, c.186 (C.48:5A-17) is amended to read as follows:

C.48:5A-17 Certificate of approval, system-wide franchise for CATV operations.
17. a. The board shall issue a certificate of approval or a system-wide franchise, as appropriate, when, after reviewing the application, and after the required meeting and hearings have been held pursuant to section 16 of P.L.1972, c.186 (C.48:5A-16), the applicant establishes to the board's satisfaction that the applicant has all the municipal consents necessary to support the application, if such consents are required, and that such consents and the issuance thereof are in conformity with the requirements of P.L.1972, c.186 (C.48:5A-1 et seq.), and that the applicant has complied or is ready, willing and able to comply with all applicable rules and regulations imposed by or pursuant to State or federal law as preconditions for engaging in the applicant's proposed CATV operations; provided, that in the case of any application for a certificate of approval which has omitted the attachment of municipal consent in the circumstance provided for in subsection a. of section 16 of P.L.1972, c.186 (C.48:5A-16), the board shall condition the issuance of the certificate upon the applicant's reasonably prompt attainment of the omitted municipal consent or reasonably prompt initiation of proceedings under subsection d. of this section.

b. In considering any application for a certificate of approval, the board shall take into consideration the probable effects upon both the area for which certification is sought and neighboring areas not covered in the municipal consents; and if it finds that the probable effects, for technical and financial reasons, would be to impede the development of adequate cable service, or create an unreasonable duplication of services likely to be detrimental to the development of adequate cable service in any area either within or without the area for which certification is sought, it may deny the certificate or it may amend the certificate in issuing it so as to:

(1) Direct that areas covered in the application be excluded from the area certified; or

(2) Direct that areas not covered in the application be included in the area certified.

c. No such certificate of approval amended pursuant to subsection b. of this section shall be issued except after hearing of which each affected municipality shall be given notice and afforded opportunity to be heard. No such amended certificate of approval shall be issued which would impair the terms of any existing certificate of approval or of any municipal consent upon which such existing certificate is based, except with the con-
sent of the holder of such existing certificate and of any municipality hav­ing issued such municipal consent.

d. If a municipality shall arbitrarily refuse to grant the municipal con­sent required under the terms of P.L.1972, c.186 (C.48:5A-1 et seq.) pre­requisite to issuance of a certificate, or to act upon an application for such municipal consent within 90 days after such application is filed, then the applicant may avoid the necessity of first obtaining such municipal consent by showing to the satisfaction of the board that the municipal consent is being arbitrarily withheld. But any CATV company certificated without municipal consent shall nevertheless pay the franchise tax to the municipality imposed under section 30 of P.L.1972, c.186 (C.48:5A-30). An applica­tion for certificate filed pursuant to this subsection shall be accompanied by a filing fee of $1,000.

e. If any municipality or county shall refuse to any CATV company, whether the holder of a municipal consent from that municipality or other­wise, any zoning variance or other municipal act or authorization, or any county act or authorization, necessary to permit such CATV company to locate any facility of such CATV company within such municipality or county, or to install transmission facilities through such municipality or county for the purpose of serving subscribers or customers in any area for which such CATV company has been issued a certificate or system-wide franchise by the board, the CATV company may apply to the board for an order setting aside such municipal or county refusal and permitting such location of facility or installation of transmission facilities as requested by the CATV company. An application pursuant to this subsection shall be accompanied by a filing fee of $500. The board, after hearing upon notice and full opportunity for both the applicant and the municipality or county to be heard, shall issue such order when it appears to the board’s satisfaction that such permission is necessary to enable the CATV company to provide safe, adequate and proper CATV service to its customers or subscribers in the manner required by P.L.1972, c.186 (C.48:5A-1 et seq.) and that such location or installation will not adversely affect the public health, safety and welfare.

f. The director shall issue a certificate of approval to any CATV com­pany lawfully engaged in the construction, extension or operation of a CATV system within the boundaries of the municipality cited in the application, for the construction, extension or operation then being conducted within such municipality, without further review, if application for such certificate is filed with the board within 90 days after such effective date. The construction, extension or operation of such a CATV system may be
lawfully continued pending the filing of such an application unless the di-
tector orders otherwise. An application for such certificate which is un-
timely shall be determined in accordance with the procedures prescribed in
subsections a. through d. of this section. A certificate of approval issued
under this subsection shall expire five years from the date of issuance; and
no CATV company holding such certificate shall be authorized to continue
its operations after such expiration unless prior thereto it shall have ob-
tained a certificate of approval under the procedures specified in subsec-
tions a. through d. of this section, except that such a CATV company which
has initiated proceedings for certification under subsections a. through d. of
this section prior to the expiration of a certificate of approval granted under
this subsection may continue its operations pending the final disposition of
such proceedings. An application pursuant to this subsection shall be ac-
accompanied by a filing fee of $50.

14. Section 18 of P.L.1972, c.186 (C.48:5A-18) is amended to read as
follows:

C.48:5A-18 Hearings; conduct; notice; intervention by municipalities; fees; disposition
of fees and charges.

18. a. Any hearing held pursuant to the provisions of section 16 or sec-

tion 17 of P.L.1972, c.186 (C.48:5A-16 or C.48:5A-17) shall be open to the

public, and notice thereof shall be published by the applicant at least 10 days

prior thereto in a newspaper or newspapers of general circulation throughout

the State or (1) if the hearing is upon application for certification, in each

municipality comprised, in whole or part, in the area for which certification

is sought, or (2) if the hearing is upon an application under subsection e. of

section 17 of P.L.1972, c.186 (C.48:5A-17), in each municipality whose re-

fusal of municipal action or authorization is involved in the application.

b. Every municipality may intervene in any hearing or investigation

held under the authority of P.L.1972, c.186 (C.48:5A-1 et seq.) which in-

volves rates, charges, services or facilities affecting the municipality or the

public within the municipality.

c. For the purpose of defraying the administrative expenses of hearings

held pursuant to section 16 or 17 of P.L.1972, c.186 (C.48:5A-16 or

C.48:5A-17), the applicant CATV company shall be required to pay to the

Office of Cable Television a fee not in excess of $500 per day of hearing or

fraction thereof, according to such fee schedule as the director shall from
time to time adopt by rule. Such fee shall be in addition to any filing fee
imposed pursuant to sections 16 and 17 of P.L.1972, c.186 (C.48:5A-16 and
C.48:5A-17); the amount shall be due and payable upon presentation of an invoice.

d. All fees and charges collected under the provisions of sections 16 and 17 of P.L.1972, c.186 (C.48:5A-16 and C.48:5A-17) shall be received by the director for the sole use of the State, and the director shall report on and return to the State Treasurer all such fees and charges collected.

15. Section 19 of P.L.1972, c.186 (C.48:5A-19) is amended to read as follows:

C.48:5A-19 Certificate of approval, system-wide franchise; transferability; duration; renewal.

19. a. A certificate of approval issued by the board shall be nontransferable, except by consent of the board and shall specify the area to which it applies and the municipal consents upon which it is based. A certificate of approval issued by the board shall be valid for 15 years from the date of issuance or 20 years from the date of issuance if the board certifies that a CATV company has implemented an open video system in accordance with 47 U.S.C. s.573 within one year after receiving a municipal consent, or until the expiration, revocation, termination or renegotiation of any municipal consent upon which it is based, whichever is sooner. But amendment of the terms of a municipal consent by mutual consent and in conformity with the procedures specified in P.L.1972, c.186 (C.48:5A-1 et seq.) during the term for which it was issued shall not require the issuance of a new certificate of approval. A CATV company holding a certificate based upon a municipal consent with a provision for automatic renewal for a term not exceeding 10 years beyond its expiration date or 15 years beyond its expiration date if the board certifies that the CATV company has implemented an open video system in accordance with 47 U.S.C. s.573, shall be entitled to automatic reissuance of a certificate for such term, unless it shall forfeit such entitlement by violation of any terms of P.L.1972, c.186 (C.48:5A-1 et seq.), regulations issued pursuant thereto, or by the terms of the municipal consent.

b. A system-wide franchise issued by the board shall be nontransferable, except by consent of the board, and shall specify the area to which it applies. A system-wide franchise issued by the board shall be valid for seven years from the date of issuance. A system-wide franchise issued pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.) shall not require: (1) a CATV company to operate outside of the areas in which the CATV company either has plant or equipment in use for the provision of any consumer video, cable or telecommunications service, or has proposed to place into use such
plant or equipment for the provision of such services; or (2) a CATV company with municipal consents issued prior to the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.) to operate outside of the areas covered by such consents. Renewal of a system-wide franchise shall be valid for a period of seven years from the date of the renewal issuance, and the board shall establish rules governing the renewal of a system-wide franchise.

16. Section 20 of P.L.1972, c.186 (C.48:5A-20) is amended to read as follows:

**C.48:5A-20 Highways and rights-of-way; use; joint use with other CATV company or public utility.**

20. a. Upon obtaining the prior approval of the board, if necessary, a CATV company may construct and maintain the wires, cables, and conduits necessary to its business upon, under or over any highway, and may erect and maintain the necessary fixtures, including poles and posts, for sustaining such wires and cables; provided, however, that such wires, cables and fixtures shall be so placed or constructed as not to unreasonably inconvenience public travel on the highway or the use thereof by public utilities or other persons or organizations having rights therein. This subsection shall not apply to a telecommunications service provider deploying telecommunications facilities that can be used as shared-use facilities to carry cable television service at a later date.

b. Whenever the board shall find that public convenience and necessity require the use by a CATV company or a public utility of the wires, cables, conduits, poles or other equipment, or any part thereof, on, over or under any highway or any right-of-way and belonging to another CATV company or public utility, and that such use will not result in injury to the owner or other users of such equipment or any right-of-way or in any substantial detriment to the service, and that such CATV companies or public utilities have failed to agree upon such use or the terms and conditions or compensation for the same, the board may order that such use be permitted and prescribe a reasonable compensation and reasonable terms and conditions for the joint use. If such use is ordered, the CATV company or public utility to which the use is permitted shall be liable to the owner or other users of such equipment for such damage as may result therefrom to the property of such owner or other users thereof.

17. Section 7 of P.L.1991, c.412 (C.48:5A-20.1) is amended to read as follows:
C.48:5A-20.1 Notice of development applications to CATV general manager, municipal registration.

7. Within 30 days after the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.), the board shall notify the general manager of every cable television company that, in order to receive notice by an applicant pursuant to subsection h. of section 7.1 of P.L.1975, c.291 (C.40:55D-12), the cable television company shall register with any municipality in which the cable television company has plant located in a right-of-way or easement.

18. Section 21 of P.L.1972, c.186 (C.48:5A-21) is amended to read as follows:

C.48:5A-21 Lease, rental of facilities, rights-of-way.

21. Upon the prior approval of the board, any person may lease or rent or otherwise make available facilities or rights-of-way, including pole space, to a CATV company for the redistribution of television signals to or toward the customers or subscribers of such CATV company. The terms and conditions, including rates and charges to the CATV company, imposed by any public utility under any such lease, rental or other method of making available such facilities or rights-of-way, including pole space, to a CATV company shall be subject to the jurisdiction of the board in the same manner and to the same extent that rates and charges of public utilities generally are subject to the board's jurisdiction by virtue of the appropriate provisions of Title 48 of the Revised Statutes.

C.48:5A-25.1 Municipal consents, certificates of approval previously issued remain in effect, conversion to system-side franchise; conditions.

19. a. Municipal consents and certificates of approval for applications to provide cable television services in a municipality issued prior to the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.) shall remain in effect until such time as they may expire or until such time as the cable television company is granted a renewal of the franchise as a municipal franchise or converts the franchise to a system-wide franchise. Except as may otherwise be provided by subsection b. of this section and section 30 of P.L.1972, c.186 (C.48:5A-30), both the municipality and the cable television company shall be bound by the terms of the municipal consents and certificates of approval until such time as the municipal consents and certificates of approval have been converted into a system-wide franchise. A cable television company with a municipal franchise or franchises issued prior to the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.) may, if it wishes,
automatically convert any or all such franchise or franchises into a system-wide franchise upon notice to the board and the affected municipality, but without the need for the consent of either the board or the affected municipality and without regard to the requirements of P.L.2006, c.83 (C.48:5A-25.1 et al.) applicable to applications for such a franchise, except that the commitments required pursuant to subsections h. through n. of section 28 of P.L.1972, c.186 (C.48:5A-28) shall be applicable to any or all such system-wide franchises and any failure of a CATV company to abide by or conform its practices to such commitments shall be considered a violation of the system-wide franchise and the board may enforce these provisions through the imposition of monetary penalties under section 51 of P.L.1972, c.186 (C.48:5A-51), or the suspension or revocation of the system-wide franchise, or it may seek to renew such franchise or franchises as a municipal franchise or franchises pursuant to the provisions of P.L.1972, c.186 (C.48:5A-1 et seq.). Such conversion need not take place with respect to all municipalities at the same time, but rather the cable television company may convert additional municipal franchises and add affected municipalities to the service area covered by such system-wide franchise at any time during the term of the system-wide franchise.

b. If a cable television company is granted a system-wide franchise by the board pursuant to the provisions of P.L.2006, c.83 (C.48:5A-25.1 et al.), the company shall be able thereafter to be issued a municipal franchise or franchises and the renewal of a municipal franchise or franchises which had been issued prior to the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.). Nothing herein shall preclude a municipality from enforcing its right-of-way management powers on a reasonable and non-discriminatory basis, except that such powers shall not include the authority to impose any fees, taxes, assessments or charges of any nature for the use of public rights-of-way by a CATV company except as expressly provided by P.L.2006, c.83 (C.48:5A-25.1 et al.). The provisions of this subsection shall not be construed to relieve any cable television company issued a system-wide franchise of its obligations to meet the requirements of section 20 of P.L.2006, c.83 (C.48:5A-25.2).

C.48:5A-25.2 Requirements for CATV system-wide franchise.

20. a. As part of any system-wide franchise issued by the board pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.), a CATV company shall be required to:

(1) begin providing cable television service on a commercial basis, within three years of issuance of the system-wide franchise, in:
(a) each county seat that is within the CATV company’s service area; and

(b) each municipality within the CATV company’s service area that has a population density greater than 7,111 persons per square mile of land area, as determined by the most recent federal decennial census prior to the enactment of P.L.2006, c.83 (C.48:5A-25.1 et al.).

The requirements of this paragraph shall only apply to CATV companies that on the date of the issuance of the system-wide franchise provide more than 40 percent of the local exchange telephone service market in this State;

(2) make cable television service available throughout the residential areas of any such municipalities within six years of the date the CATV company first provides cable television service on a commercial basis directly to multiple subscribers within such central office area, subject to the CATV company’s line extension policy; provided, however, that such provision of service shall not be required in: (a) areas where developments or buildings are subject to claimed exclusive arrangements with other CATV companies; (b) developments or buildings that the CATV company cannot access, using its standard technical solutions, under commercially reasonable terms and conditions after good faith negotiation; or (c) areas in which the CATV company is unable to access the public rights-of-way under reasonable terms and conditions. The requirements of this paragraph shall only apply to CATV companies that on the date of the issuance of the system-wide franchise provide more than 40 percent of the local exchange telephone service market in this State. As used in this subsection, "central office" has the same meaning as that term is defined in 47 C.F.R. Part 36, Appendix, and "central office area" means the towns or portions of towns served by such central office;

(3) provide service within the CATV company’s service area where cable television service is being offered, without discrimination against any group of potential residential cable subscribers because of the income levels of the residents of the local area in which such groups reside; and

(4) fully complete a system capable of providing cable television service to all households within the CATV company’s service area where cable television service is being offered, subject to the CATV company’s line extension policy and the provisions of paragraphs (1) through (3) of this subsection.

b. Any person affected by the requirements of subsection a. of this section may seek enforcement of such requirements by initiating a proceeding with the board. As used in this section, an affected person includes a municipality within which the potential residential subscribers referred to in
subsection a. of this section reside.

c. If the board determines that a CATV company has denied access to cable television service to a group of potential residential subscribers because of the income levels of the residents of the local area in which such group resides or has failed to meet the requirements of paragraph (2) of subsection a. of this section, the board is authorized to, after conducting a hearing with full notice and opportunity to be heard, impose monetary penalties of not less than $50,000, nor more than $100,000 per municipality, not to exceed a total of $3,650,000 per year for all violations. A municipality in which the provider offers cable television service shall be an appropriate party in any such proceeding.

d. The board shall convene proceedings within 36 months after the grant of the first issued system-wide franchise to examine the effects of the entry of system-wide franchisees into the State's cable television market, and shall, within six months of convening such proceedings, report to the Legislature on the following: (1) the extent of actual deployment of cable service by each system-wide franchisee, including the income and race of persons in the areas where such facilities were deployed; (2) the franchisee's effect on choice in the marketplace; and (3) the effect that introduction of system-wide competitors has had on consumers. The study shall be transmitted to the Governor, the President of the Senate, the Speaker of the General Assembly, the Minority Leader of the Senate, the Minority Leader of the General Assembly, and the members of the Senate Economic Growth Committee and the Assembly Telecommunications and Utilities Committee, or their respective successor committees.

21. Section 26 of P.L.1972, c.186 (C.48:5A-26) is amended to read as follows:

26. a. Any ordinance issuing a municipal consent pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.) shall designate some officer, office, bureau or other agency of the municipal government as "complaint officer" to receive and act upon complaints by subscribers to cable television reception service of the CATV company to which such consent is issued; and shall provide for the establishment of procedures and methods by which such complaints shall be received, processed and acted upon, for the resolution and settlement of complaints and disputes between such subscribers and the company, and for the enforcement of decisions made by such "complaint offi-
"All complaints by such subscribers alleging inadequate, unsafe or improper service or failure by the company to comply with the terms of the municipal consent shall be made in the first instance to such "complaint officer." The "complaint officer" shall, within 30 days of the receipt of such a complaint, report in writing to the subscriber the disposition or status of the subscriber's complaint. Any subscriber or CATV company aggrieved by the action of a "complaint officer" in connection with such complaint or dispute, or any subscriber who shall not have received the written report required under this section within 30 days, may petition the office for a hearing upon said complaint, under the rules promulgated by the director for the hearing and disposition of such matters.

b. Any municipality may, in lieu of complying with the terms of subsection a. of this section, provide in the ordinance issuing its municipal consent that complaints by local subscribers to cable television reception service shall be filed directly with the office, which shall thereupon be deemed the "complaint officer" for purposes of this section.

c. Each CATV company receiving a municipal consent or a system-wide franchise issued pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.), shall provide to each subscriber to its cable television reception service, at the time that person becomes a subscriber and at least once in each calendar year thereafter while that person remains a subscriber, in a form approved by the director, information as to the identity of the "complaint officer," which for system-wide franchises shall be the Office of Cable Television, the identity and location of the local business office or agent required under subsection d. of this section, and the procedure to be followed in making and pursuing complaints to the "complaint officer" or the office pursuant to this section.

d. A municipal consent or system-wide franchise issued pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.) shall require that the CATV company to which it is issued shall maintain local business offices or agents, for the purpose of receiving, investigating and resolving all complaints regarding the quality of service, equipment malfunctions, and similar matters.

22. Section 8 of P.L.2003, c.38 (C.48:5A-26.1) is amended to read as follows:

C.48:5A-26.1 Record of complaints, annual report.

8. a. In addition to the requirements as provided in section 26 of P.L.1972, c.186 (C.48:5A-26), the board shall, upon notice, by order in writing require every CATV company to keep for at least a period of three years, a record of complaints received at the CATV company's office,
which shall include the name and address of the subscriber, the date, the nature of the complaint, any corrective action taken if required, and the final disposition of the complaint. The record shall be available for inspection by the staff of the office. Copies of such record shall be provided to the staff of the office upon request.

b. Every CATV company shall furnish to the office annually a detailed report of the number and character of complaints made by customers and communicated to the CATV company. In meeting such requirement, the board shall establish a procedure for CATV companies to record and characterize those customer complaints using a uniform reporting methodology and containing those matters as the board may from time to time prescribe. Copies of the report shall be forwarded to the Governor and members of the Legislature. All reports submitted to the office shall comply with the provisions of the "Cable Subscriber Privacy Protection Act," P.L.1988, c.121 (C.48:5A-54 et seq.).

23. Section 28 of P.L.1972, c.186 (C.48:5A-28) is amended to read as follows:

C.48:5A-28 Contents of application, commitments by system-wide franchises.

28. Each application for a municipal consent or system-wide franchise shall contain:

a. A description of the initial area to be served.

b. A description of the proposed service in terms of the number of channels of cable television reception service.

c. Sufficient evidence that the applicant has the financial and technical capacity and the legal, character and other qualifications to construct, maintain and operate the necessary installations, lines and equipment and to provide the service proposed in a safe, adequate and proper manner.

d. Evidence of sufficient bond, or commitment therefor, with sureties to be approved by the office, in the penal sum of not less than $25,000 for the faithful performance of all undertakings by the applicant as represented in the application; the sufficiency of which shall be subject to review by the director and approval by the board.

e. An undertaking to hold the board and all municipalities served harmless from any liability arising out of the applicant’s operation and construction of its CATV system.

f. Evidence of sufficient insurance insuring the board, all municipalities served and the applicant with respect to all liability for any death, personal injury, property damage or other liability arising out of the applicant’s
construction and operation of its CATV system; the sufficiency of which shall be subject to review by the director and approval by the board. Such insurance shall be no less than: (1) $150,000 for bodily injury or death to any one person, within the limit, however, of $500,000 for bodily injury or death resulting from any one accident, (2) $100,000 for property damage resulting from any one accident, and (3) $50,000 for all other types of liability; the sufficiency of which shall be subject to review by the director and approval by the board.

g. A schedule of proposed rates for cable television reception service, which rates shall not be altered during the term for which the municipal consent is issued, except by application to the board for amendment of the terms and conditions of said consent after public hearing, subject to the rules of the office, review by the director and approval by the board, or amendment pursuant to the provisions of subsection b. of section 11 of P.L.1972, c.186 (C.48:5A-11).

h. (1) With regard only to applications for a system-wide franchise, a commitment as to those municipalities that are served by a CATV company at the time of the application, to match or surpass any line extension policy operative at the time the system-wide franchise is granted and placed into effect prior to the enactment of P.L.2006, c.83 (C.48:5A-25.1 et al.) by a local franchise or certificate of approval, for the duration of the system-wide franchise. In any event, the CATV company shall extend its plant along public rights-of-way to all residences and businesses within 150 aerial feet of the CATV company's existing plant at no cost beyond the normal installation rate, and to all residences and businesses within 100 underground feet of the CATV company's plant at no cost beyond the normal installation rate, and shall set a minimum house per mile density of not less than 35 homes per square mile.

(2) This commitment shall be in addition to any and all board orders and rules that impact upon the extension of plant, except that such commitment shall supersede the board's regulations adopted as N.J.A.C. 14:3-8.1 et seq., which shall not apply to CATV companies, including telecommunications service providers that have obtained a system-wide franchise.

i. With regard only to applications for a system-wide franchise, a commitment to provide to each municipality that is served by a CATV company, with two public, educational and governmental access channels. In the event that two or more access channels are requested by a municipality, the municipality shall demonstrate that its cable-related needs require the provision of such additional access channels. Any and all CATV companies operating in a municipality shall provide interconnection to all other...
CATV companies on reasonable terms and conditions, and the board shall adopt regulations for procedures by which disputes between such CATV companies shall be determined and expeditiously resolved. Each municipality or its non-profit designee shall assume responsibility for the management, operations and programming of the public, educational and governmental access channels.

j. With regard only to applications for a system-wide franchise, a commitment to install and retain or provide, without charge, one service outlet activated for basic service to any and all fire stations, public schools, police stations, public libraries, and other such buildings used for municipal purposes.

k. With regard only to applications for a system-wide franchise, a commitment to provide free Internet service, without charge, through one service outlet activated for basic service to any and all fire stations, public schools, police stations, public libraries, and other such buildings used for municipal purposes.

l. With regard only to applications for a system-wide franchise, a commitment to provide equipment and training for access users, without charge, on a schedule to be agreed upon between the municipality and the CATV company.

m. With regard only to applications for a system-wide franchise, a commitment to provide a return feed from any one location in the municipality, without charge, to the CATV company’s headend or other location of interconnection to the cable television system for public, educational or governmental use, which return feed, at a minimum, provides the ability for the municipality to cablecast live or taped access programming, in real time, as may be applicable, to the CATV company’s customers in the municipality. No CATV company is responsible for providing a return access feed unless a municipality requests such a feed in writing. A CATV company that has interconnected with another CATV company may require the second CATV company to pay for half of the CATV company’s absorbed costs for extension.

n. With regard only to applications for a system-wide franchise, a commitment to meet any consumer protection requirements applicable, pursuant to board regulations, to cable television companies operating under certificates of approval.

C.48:5A-28.1 Rules for dispute resolution between companies and municipalities.

24. The board shall adopt rules for procedures for resolving disputes between CATV companies and between CATV companies and municipalities concerning the provisions of subsections i. through m. of section 28 of P.L.1972, c.186 (C.48:5A-28).
C.48:5A-28.2 Application requirements relevant to board's decision on applications; enforcement of commitments.

25. a. All of the elements required to be included in the franchise application pursuant to P.L.1972, c.186 (C.48:5A-1 et seq.) shall form, in part, the foundation for the board’s decision as to the certificate of approval or system-wide franchise.

b. The failure of a cable television company to abide by or conform its practices to the commitments in the application shall be considered a violation of the certificate of approval or system-wide franchise, and the board may enforce these provisions through any appropriate method, including the imposition of monetary penalties under section 51 of P.L.1972, c.186 (C.48:5A-51), or the suspension or revocation of the certificate of approval or system-wide franchise.

26. Section 29 of P.L.1972, c.186 (C.48:5A-29) is amended to read as follows:

C.48:5A-29 Conformance of proposals, representations to rules, regulations.

29. All proposals and representations included in an application for municipal consent or a system-wide franchise shall conform to applicable rules and regulations of the office; except that nothing in P.L.1972, c.186 (C.48:5A-1 et seq.) shall be construed to prevent an applicant from exceeding minimum requirements set by the office, or offering facilities and services not required or forbidden by such rules and regulations.

27. Section 30 of P.L.1972, c.186 (C.48:5A-30) is amended to read as follows:

C.48:5A-30 Payment from CATV company to municipality; system-wide franchise fees, local and State.

30. a. Except as provided in subsection d. of this section, in consideration of a municipal consent issued under P.L.1972, c.186 (C.48:5A-1 et seq.), the CATV company to which the municipal consent is issued shall annually pay to each municipality served by the CATV company, in lieu of all other franchise taxes and municipal license fees, a sum equal to two percent of the gross revenues from all recurring charges in the nature of subscription fees paid by subscribers to its cable television reception service in such municipality. Each CATV company shall, on or before the twenty-fifth day of January each year, file with the chief fiscal officer of each municipality in the territory in which it is certificated to operate a statement,
verified by oath, showing the gross receipts from such charges, and shall at
the same time pay thereon to the chief fiscal officer of the municipality the
two percent charge hereby imposed on those receipts as a yearly franchise
revenue for the use of the streets.

b. Any CATV company which, pursuant to any agreement in effect
prior to December 15, 1972, paid or had agreed to pay to any municipality
in fees or other charges in consideration of the consent of such municipality
to the use of streets, alleys and public places thereof for the installation and
operation of a CATV system, or similar consideration, a sum or rate ex-
ceeding that which it would pay pursuant to this section shall, in applying
for a certificate of approval show to the satisfaction of the board that the
reduction in such payments effectuated by the application of this section
shall be reflected in (1) commensurate reduction of rates to subscribers to
cable television reception service or (2) commensurate improvements in
such service made available to such subscribers. If the board is not so satis-
fied it shall amend, as excessive, the rate schedule contained in the applica-
tion so that such rates shall be reduced to a degree commensurate with the
reduction in payments by the CATV company to the municipality.

c. In consideration of a municipal consent issued to a CATV company
pursuant to P.L. 1972, c.186 (C.48:5A-1 et seq.), a municipality may peti-
tion the board for permission to charge a yearly franchise fee exceeding that
prescribed in subsection a. of this section. A municipal consent setting such
a fee in excess of the amount prescribed in subsection a. of this section
shall be deemed to constitute such a petition when filed with the board pur-
suant to section 16 of P.L.1972, c.186 (C.48:5A-16) as part of an applica-
tion for a certificate of approval. A hearing pursuant to the provisions of
section 16 of P.L.1972, c.186 (C.48:5A-16) shall be held upon any applica-
tion containing such petition, or upon any such petition separately filed, and
at such hearing full notice and opportunity to be heard upon the matter shall
be accorded to both the municipality and any CATV company affected
thereby. The board after such hearing and upon recommendation of the
director may grant such petition and allow the imposition of a franchise
revenue exceeding that prescribed in subsection a. of this section, and at a
rate to be prescribed by the board, when the board is satisfied that the same
is warranted by the expenses to the municipality with respect to the regula-
tion or supervision within its territory of cable television, or any other ex-
penses caused by the existence and operation within its territory of cable
television service.

d. In consideration of a system-wide franchise issued under P.L.1972,
c.186 (C.48:5A-1 et seq.), once the CATV company receiving such system-
wider franchise serves one or more residents within a municipality, then
such CATV company shall pay the fees as provided in paragraphs (1) and
(2) of this subsection, and once such CATV company files a certification
with the board certifying that the company is capable of serving 60 percent
or more of the households within such municipality that are served by a
CATV company that has received a municipal consent issued under
P.L.1972, c.186 (C.48:5A-1 et seq.) and the board approves such certifica-
tion, both the CATV company receiving such system-wide franchise and a
CATV company in such municipality that has received a municipal consent
issued under P.L.1972, c.186 (C.48:5A-1 et seq.), shall annually pay:

(1) to such municipality served by the CATV company, in lieu of all
other franchise taxes and municipal license fees, and for the purpose of
providing local property tax relief, a sum equal to three and one half per-
cent of the gross revenues, as this term is defined in section 3 of
P.L.1972, c.186 (C.48:5A-3), that the company derives during the calendar year from
cable television service charges or fees paid by subscribers in the munici-
pality to the company; and

(2) to the State Treasurer, on behalf of persons residing in the munici-
pality who are eligible for the "Pharmaceutical Assistance to the Aged and
Disabled" program established pursuant to P.L.1975, c.194 (C.30:4D-20 et
seq.), a sum equal to the amount that such eligible persons pay as charges
or fees to the company for providing basic cable service to such persons,
provided that the yearly total of such payments from the company shall not
exceed one half of one percent of the gross revenues, as this term is defined
in section 3 of P.L.1972, c.186 (C.48:5A-3), that the company derives dur-
ing the calendar year from cable television service charges or fees paid by
subscribers in the municipality to the company. The State Treasurer shall
establish a "CATV Universal Access Fund," for the purposes described in
this paragraph.

e. Each CATV company shall, on or before the twenty-fifth day of
January each year, file with the chief fiscal officer of each municipality in
the territory in which it is certificated to operate a statement, verified by
oath, showing the gross receipts from the charges described in subsection d.
of this section, and shall at the same time pay thereon: (1) to the chief fiscal
officer of the municipality the three and one-half percent charge hereby im-
posed on those receipts as a yearly franchise revenue for the purpose of pro-
viding local property tax relief; and (2) to the State Treasurer, for deposit
into the "CATV Universal Access Fund," for the purpose of providing pay-
ment to eligible subscribers residing in the municipality an amount equal to
the charges or fees paid by such subscribers during the preceding calendar
year to the company for providing basic cable service to such subscribers, provided that the yearly total of such payments by the company to such subscribers does not exceed the one half of one percent charge hereby imposed.

f. For the purposes of this section, in the case of a cable service that may be bundled or integrated functionally with other services, capabilities or applications, the fee required by this section shall be applied only to the gross revenue from charges or fees derived from revenues attributable to the provision of cable service, as reflected on the books and records of the holder in accordance with Federal Communications Commission rules, regulations, standards or orders.

g. For the purposes of this section, within 45 days of the date of receipt of the certification filed pursuant to subsection d. of this section, the board shall issue an order in writing approving the certification, or the board shall disapprove the certification in writing citing the reasons for disapproval. If the board fails to either approve or disapprove the certification within the 45-day period, the certification shall be deemed to be approved. If, during the 45-day period, the board determines to disapprove the certification, the board shall schedule a meeting with the CATV company to explain to the CATV company the reasons for the board's disapproval and to allow the CATV company to question the board concerning the reasons for the board's disapproval. The board shall thereafter schedule an administrative hearing not later than the thirtieth day following the filing of the CATV company's appeal in order to consider the CATV company's appeal. The board shall issue a final decision in written form on the CATV company's appeal not later than the sixtieth day following the administrative hearing, required by this subsection, on the CATV company's appeal.

28. Section 47 of P.L.1972, c.186 (C.48:5A-47) is amended to read as follows:

47. The board may, after affording the holder an opportunity to be heard, revoke, suspend or alter any certificate of approval or franchise for the violation of any provisions of P.L.1972, c.186 (C.48:5A-1 et seq.) or the rules, regulations or orders made under authority of P.L.1972, c.186 (C.48:5A-1 et seq.), or for other reasonable cause, upon a finding that the
revocation, suspension or alteration will not adversely affect the public interest in the provision of safe, adequate and proper cable television service in this State.

29. Section 51 of P.L.1972, c.186 (C.48:5A-51) is amended to read as follows:

**C.48:5A-51 Penalties, enforcement.**

51. a. Any person or any officer or agent thereof who shall knowingly violate any of the provisions of P.L.1972, c.186 (C.48:5A-1 et seq.) or aid or advise in such violation, or who, as principal, manager, director, agent, servant or employee knowingly does any act comprising a part of such violation, is guilty of a misdemeanor.

b. Any person who shall violate any provision of P.L.1972, c.186 (C.48:5A-1 et seq.) or any rule, regulation or order duly promulgated hereunder, shall be liable to a penalty of not more than $1,000 for a first offense, not less than $2,000 nor more than $5,000 for a second offense, and not less than $5,000 nor more than $10,000 for a third and every subsequent offense. The penalties provided in this subsection may be enforced by summary proceedings instituted by the board in the name of the State in accordance with the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). For the purposes of the fines imposed pursuant to this subsection, a "cable television company" shall include all of the affiliates of such company.

c. Whenever it shall appear to the board that any person has violated, intends to violate, or will violate any provisions of this act or any rule, regulation or order duly promulgated hereunder, the board may institute a civil action in the Superior Court for injunctive relief and for such other relief as may be appropriate in the circumstances, and the said court may proceed in any such action in a summary manner.

30. a. The Commissioner of Community Affairs, in consultation with the Board of Public Utilities, shall develop and conduct a study to investigate how CATV companies can overcome the technical, physical and other barriers to the provision of cable television services to residents of multiple dwellings in New Jersey. The Commissioner is directed to consider the relevant experiences of those CATV companies that have received a certificate of approval, those CATV companies that have received a system-wide franchise, or any other new or existing entrants to the cable television market in this State.
b. In preparing the study, the commissioner shall investigate any model codes, such as the "BOCA National Existing Structures Code of 1987," the New Jersey Housing Rehabilitation code promulgated pursuant to P.L.1995, c.78 (C.52:27D-123.7 et seq.) and experiences of other code enforcement jurisdictions, to consult with individuals and organizations experienced in the construction or rehabilitation of multiple dwellings in this State and conduct research as may be relevant to the purposes of P.L.1972, c.186 (C.48:5A-1 et seq.).

c. The commissioner shall, within 18 months of the date of enactment of P.L.2006, c.83 (C.48:5A-25.1 et al.), submit a written report to the Governor and Legislature, pursuant to section 2 of P.L.1991, c.164 (C.52:14-19.1), setting forth the findings and recommendations of this study as well as making such recommendations for further legislative action as the commissioner may deem likely to remove those barriers.

31. Except as otherwise provided in paragraph (2) of subsection h. of section 28 of P.L.1972, c.186 (C.48:5A-28), the provisions of P.L.2006, c.83 (C.48:5A-25.1 et al.) shall not be construed to in any way conflict with any obligations that may exist under any and all applicable board orders and rules that are in place on the effective date of P.L.2006, c.83 (C.48:5A-25.1 et al.).

32. This act shall take effect immediately, but sections 1 through 31 shall be inoperative until the 90th day after enactment, except that the board may take such anticipatory administrative action as may be necessary to effectuate the purposes of P.L.2006, c.83 (C.48:5A-25.1 et al.).

(1) For the purpose of establishing the registry, the Director of the Division of Consumer Affairs, in consultation with the Commissioners of Human Services and Health and Senior Services, shall obtain drug retail price information for these prescription drugs, which indicates the actual price to be paid to a pharmacy by a retail purchaser for a listed drug at the listed dosage, from data collected by the Division of Medical Assistance and Health Services in the Department of Human Services that includes the charge for the cost of the medication and the dispensing fee, and does not exceed the usual and customary or posted or advertised charge by the pharmacy. The establishment of the registry shall be subject to any federal approval that may be required to effectuate the purposes of this act and shall conform with any requirements of State or federal law regarding the confidentiality and use of the information contained therein.

(2) The registry shall include the information obtained by the director pursuant to paragraph (1) of this subsection, and shall be updated by the division at least weekly to reflect the most current information obtained by the director.

(3) The registry shall be organized by the director in a format that is conducive to review and comparison by consumers of prescription drug retail prices charged by pharmacies in each zip code within the State, and shall include the name and address of each pharmacy.

b. The division shall make available electronically on its Internet website in English and Spanish the information contained in the registry, and shall provide the information to consumers upon request by means of a toll-free telephone service operated by the division.

The information made available on the Internet website shall:

(1) be organized to meet the requirements of paragraph (3) of subsection a of this section and be designed so that the consumer may download and print the displayed information;

(2) include Internet web links to other governmental information resources that provide information relating to the regulation of prescription drugs and State and federal health care coverage and pharmaceutical assistance programs;

(3) include an advisory statement by the division alerting consumers of the need to tell their health care practitioner and pharmacist about all the medications they may be taking and to ask them how to avoid harmful interactions between those drugs, if any; and
(4) contain clearly understandable language that is designed to assist consumers in understanding the content of, and how to access, the information made available on the website pursuant to this section.

c. The director may require each pharmacy practice site in the State to furnish to the director such information as the director deems necessary to effectuate the provisions of this section.

d. The division may contract with a public or private entity for the purpose of developing, administering, and maintaining the registry established pursuant to this section. The contract shall specify the duties and responsibilities of the entity with respect to the development, administration, and maintenance of the registry. The division shall monitor the work of the entity to ensure that the registry is developed, administered, and maintained pursuant to the requirements of this act.

C.45:14-82 Annual list of 150 most frequently prescribed prescription drugs distributed to pharmacies; drug retail price list maintained by pharmacy.

2. a. The Director of the Division of Consumer Affairs shall prepare at least annually, and shall make available to each pharmacy practice site in the State without charge, a list of the 150 most frequently prescribed prescription drugs that includes the usual dosages prescribed for each drug.

b. Each pharmacy practice site in the State shall maintain a prescription drug retail price list, which contains the names of the drugs on the list provided by the division pursuant to subsection a. of this section and the retail price for each drug on the list charged at that pharmacy practice site, including the date of the update of the retail price list, and shall make the prescription drug retail price list available to customers upon request.

(1) The prescription drug retail price list shall include an advisory statement prepared by the division alerting consumers of the need to tell their health care practitioner and pharmacist about all the medications that they may be taking and to ask them how to avoid harmful interactions between those drugs, if any.

(2) The pharmacy practice site shall post a sign that notifies customers of the availability of the drug retail price list in a conspicuous location that is: at or adjacent to the place where prescriptions are presented for compounding and dispensing; in the waiting area for customers; or in the area where prescribed drugs are delivered.

c. The provisions of this section shall not be construed to prevent a pharmacy practice site from changing or charging the current retail price at any time, provided that the listed price is updated at least weekly to reflect the new retail price.
CHAPTER 85, LAWS OF 2006

3. The Director of the Division of Consumer Affairs, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate the purposes of this act.

4. This act shall take effect on the first day of the thirteenth month after enactment, but the Director of the Division of Consumer Affairs may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.

CHAPTER 85

AN ACT requiring persons transacting business in this State and making payments to certain unincorporated construction contractors to withhold from those payments, amending N.J.S.54A:7-1 and supplementing chapter 7 of Title 54A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.54A:7-1 is amended to read as follows:

Requirement of withholding tax from wages.

54A:7-1. Requirement of withholding tax from wages.

(a) General.--From and after September 1, 1976, every employer maintaining an office or transacting business within this State and making payment of any wages subject to New Jersey personal income tax or making payment of any remuneration for employment subject to contribution under the New Jersey "unemployment compensation law" pursuant to R.S.43:21-1 et seq. that is subject to New Jersey personal income tax to a resident or nonresident individual shall deduct and withhold from such wages for each payroll period a tax computed in such manner as to result, so far as practicable, in withholding from the employee's wages during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due resulting from the inclusion in the employee's New Jersey income of his wages received during such calendar year. The method of determining the amount to be withheld shall be prescribed by regulations of the director, with due regard to the withholding exemptions of the employee.

(b) Withholding exemptions.--For purposes of this section:
An employee shall be entitled to the equivalent of the same number of New Jersey withholding exemptions as the number of withholding exemptions to which he is entitled for Federal income tax withholding purposes. An employer may rely upon the number of Federal withholding exemptions claimed by the employee.

(c) The payor of New Jersey gambling winnings shall withhold New Jersey gross income tax on those winnings at a rate of 3% in all instances where the payor is required to withhold for federal income tax purposes under subsection (q) of section 3402 of the federal Internal Revenue Code of 1986 (26 U.S.C. s. 3402), as amended, except that this subsection shall not apply to the New Jersey State Lottery.

C.54A:7-1.2 Entities making payments to unincorporated contractors, 7 percent withholding; exceptions; definitions.

2. a. A person, other than a governmental entity, homeowner, or tenant, maintaining an office or transacting business in this State and making a payment of compensation or remuneration for services rendered in this State to a resident unincorporated contractor or nonresident unincorporated contractor shall deduct and withhold from the payment a tax equal to 7 percent of the amount paid, except as otherwise provided by this section.

b. A person that obtains from its unincorporated contractor proof of the contractor's registration with the Division of Revenue in the Department of the Treasury shall not be required to withhold pursuant to subsection a. of this section. The types of proof required and the length of the retention period of the proofs shall be as prescribed by the Director of the Division of Taxation.

c. Withholding pursuant to subsection a. of this section shall not be required for payments for which withholding is required pursuant to N.J.S.54A:7-1 or such other payments as the director may prescribe by regulation.

d. A person required to deduct and withhold tax from a payment under subsection a. of this section shall furnish to each unincorporated contractor an annual written statement reflecting the total of all payments made and tax withheld in a calendar year on or before February 15 following the close of that calendar year in the form prescribed by the director.

e. Payments to an unincorporated contractor for which withholding is required by subsection a. of this section shall be taxable or subject to employer withholding under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., as if no withholding were required by this section, but any amount actually deducted and withheld under this section in any
calendar year shall be deemed to have been paid to the director on behalf of the unincorporated contractor from whom withheld, and the contractor shall be credited with having paid that amount for the taxable year beginning in such calendar year.

A person required to deduct and withhold tax under subsection a. of this section shall, for each calendar month, on or before the 15th day of the month following the close of the calendar month, file a return as prescribed by the director and pay over to the director or to a depository designated by the director the amounts required to be deducted and withheld. The director may, if the director believes such action necessary for the protection of the revenues, require a person to make a return and pay to the director the amounts deducted and withheld at any time, or from time to time. The director may, by regulation, require the filing of withholding returns and the payment of withheld amounts on a semimonthly or more frequent basis or require the filing of returns on a quarterly basis, with payments of the amounts withheld on a monthly or more frequent basis, if the director deems such action in the best interest of the State.

Any reconciliation of withholding shall be filed on or before February 15 following the close of the calendar year in accordance with rules and regulations prescribed by the director.

f. If a person required to deduct and withhold tax under subsection a. of this section fails to collect, truthfully account for, pay over the withholding, or make returns of the withholding as required in this section, the director may serve a notice requiring such person to withhold the amounts that become withholdable after service of such notice, to deposit such withholdings in a bank approved by the director in a separate account, in trust for and payable to the State of New Jersey and keep the amount of such withholdings in such account until payment over to the director. Such notice shall remain in effect until a notice of cancellation is served by the director.

g. (1) A person required to deduct and withhold tax under subsection a. of this section is hereby made liable for such withholding, except as that person may be excused from that withholding pursuant to subsection b. of this section.

Except as provided in subsection f. of section 27 of P.L.1993, c.139 (C.58:10B-5), financial assistance and grants to municipalities, counties, or redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may be made for real property: (1) on which they hold a tax sale certificate; (2) that they have acquired through foreclosure or other similar means; or (3) that they have acquired, or, in the case of a county governed by a board of chosen freeholders, have passed a resolution or, in the case of a municipality or a county operating under the "Optional County Charter Law," P.L.1972, c.154 (C.40:41A-1 et seq.), have passed an ordinance or other appropriate document to acquire, by voluntary conveyance for the purpose of redevelopment, or for recreation and conservation purposes. Financial assistance and grants may only be awarded for real property on which there has been or on which there is suspected of
being a discharge of a hazardous substance or a hazardous waste. Grants and financial assistance provided pursuant to this paragraph shall be used for performing preliminary assessments, site investigations, remedial investigations, and remedial actions on real property in order to determine the existence or extent of any hazardous substance or hazardous waste contamination, and to remediate the site in compliance with the applicable health risk and environmental standards on those properties. No grant shall be awarded for a remedial action for a project involving the redevelopment of contaminated property for recreation or conservation purposes unless the use of the property is preserved for recreation and conservation purposes by conveyance of a development easement, conservation restriction or easement, or other restriction or easement permanently restricting development, which shall be recorded and indexed with the deed in the registry of deeds for the county. A municipality that has performed, or on which there has been performed, a preliminary assessment, site investigation or remedial investigation on property may obtain a loan for the purpose of continuing the remediation on those properties as necessary to comply with the applicable remediation regulations adopted by the department. No grant shall be awarded pursuant to this paragraph to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) unless that entity has adopted by ordinance or resolution a comprehensive plan specifically for the development or redevelopment of contaminated or potentially contaminated real property in that municipality or the entity can demonstrate to the authority that a realistic opportunity exists that the subject real property

A person qualifies for an innocent party grant if that person acquired the property prior to December 31, 1983, the hazardous substance or hazardous waste that was discharged at the property was not used by the person at that site, and that person certifies that he did not discharge any hazardous substance or hazardous waste at an area where a discharge is discovered. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person may exceed $1,000,000;

(5) Moneys shall be allocated for (a) financial assistance to persons who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L.1995, c.413 (C.54:4-3.154), or (b) matching grants for up to 25% of the project costs to qualifying persons, municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), who propose to perform a remedial action that uses an innovative technology, or for the implementation of a limited restricted use remedial action or an unrestricted use remedial action except that no grant awarded pursuant to this paragraph may exceed $250,000; and

(6) Twenty percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (5) of this subsection.

For the purposes of paragraph (5) of this subsection, "qualifying persons" means any person who has a net worth of not more than $2,000,000 and "project costs" means that portion of the total costs of a remediation that is specifically for the use of an innovative technology or to implement an unrestricted use remedial action or a limited restricted use remedial action, as applicable.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. The unpaid balance of a loan for the
remediation of real property that is transferred by devise or succession shall not become immediately payable in full, and loan repayments shall be made by the person who acquires the property. Loans to municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a person, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed $3,000,000 in any calendar year except as provided in subsection f. of P.L.1993, c.139 (C.58:10B-5). Grants to a municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 may be for up to 100% of the total costs of the preliminary assessment, site investigation, or remedial investigation regardless of when the application was received by the department. Grants to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 may be for up to 75% of the total costs of the remedial action at any one site for any application received by the department on or after September 15, 2005. Repayments of principal and interest on the loans issued from the remediation fund shall be paid to the authority and shall be deposited into the remediation fund.

The total amount of grant moneys awarded in any one year may not exceed 70 percent of the total amount of financial assistance and grants awarded in that year.

c. No person, other than a qualified person planning to use an innovative technology for the cost of that technology, a qualified person planning to use a limited restricted use remedial action or an unrestricted use remedial action for the cost of the remedial action, a person performing a remediation in an environmental opportunity zone, or a person voluntarily performing a remediation, shall be eligible for financial assistance from the remediation fund to the extent that person is capable of establishing a
remediation funding source for the remediation as required pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3).

d. The authority may use a sum that represents up to 2% of the mon­eys issued as financial assistance or grants from the remediation fund each year for administrative expenses incurred in connection with the operation of the fund and the issuance of financial assistance and grants.

CHAPTER 94

AN ACT concerning regulation of fine particle emissions from certain vehicles and equipment powered by diesel engines, and amending P.L.2005, c.219.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 6 of P.L.2005, c.219 (C.26:2C-8.31) is amended to read as follows:

C.26:2C-8.31 Closed crankcase technology for regulated school buses.

6. a. No later than two years after the effective date of P.L.2005, c.219 (C.26:2C-8.26 et al.), or two years after the date on or by which both certifications required in this subsection have been made, whichever is later, every owner of a regulated school bus shall have installed on the regulated school bus closed crankcase technology as specified by the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

No owner of a regulated school bus shall be required to install closed crankcase technology pursuant to this subsection unless:

(1) the State Treasurer certifies in each of the two years after the effective date of P.L.2005, c.219 (C.26:2C-8.26 et al.) that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund; and

(2) the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay the cost of purchase and installation of the closed crankcase technology required pursuant to this subsection in that two-year period.

Provided that the State Treasurer has issued the certification required under paragraph (1) of this subsection for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated ve-
vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices in those regulated vehicles or pieces of equipment.

b. The Department of Environmental Protection shall provide, and each owner of a regulated school bus shall obtain from the department, a compliance form for each regulated school bus. The owner of the regulated school bus shall submit a cost estimate to the department detailing the cost of any retrofit device to be installed as part of the closed crankcase technology and any cost associated with the installation of the closed crankcase technology prior to its purchase or installation. The department may determine whether the estimated costs are unreasonable, based upon criteria including, but not limited to, prevailing market rates and acquisition by the State of comparable technology. If the department makes such a determination, the department shall enter into negotiations with the owner of the regulated school bus to resolve the discrepancy.

The owner of the regulated school bus shall complete the compliance form, retain a copy for the owner's records, and return it to the department as soon as practicable after the installation of the closed crankcase technology to verify compliance with the requirements of subsection a. of this section and to seek reimbursement for the cost of the closed crankcase technology. The compliance form shall include the cost of any retrofit device installed as part of the closed crankcase technology and any cost associated with the installation of the closed crankcase technology. After the installation of the closed crankcase technology on a regulated school bus, a copy of the completed compliance form shall be kept on each regulated school bus at all times.

c. The department shall review the compliance forms submitted pursuant to subsection b. of this section and forward them to the State Treasurer. The State Treasurer shall reimburse each owner of a regulated school bus the cost of any retrofit device installed as part of the closed crankcase technology requirement and any cost associated with the installation of the closed crankcase technology indicated on the compliance form, in accordance with the provisions of sections 28 through 31, inclusive, of P.L.2005, c.219 (C.26:2C-8.53 through C.26:2C-8.56).

d. The Department of Environmental Protection shall provide any training necessary to implement the provisions of subsection d. of this section for any employees of, or persons contracted or licensed by, the New Jersey Motor Vehicle Commission, as determined necessary by the Chief Administrator of the New Jersey Motor Vehicle Commission.

e. The Department of Environmental Protection and the New Jersey Motor Vehicle Commission shall adopt jointly, pursuant to the "Administr-
tive Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations concerning the installation of the crankcase technology required pursuant to this section and establishing the inspection requirements and procedures for verification of compliance with the crankcase technology requirement established pursuant to this section, the use of the compliance form in any inspection or as part of the inspection procedures and verification of compliance, any training necessary for any employees of, or persons contracted or licensed by, the New Jersey Motor Vehicle Commission, and the extent of that training to be provided by the Department of Environmental Protection, and in what manner that training shall be provided.

f. If for any reason, the owner of the regulated school bus is unable to comply with the requirements specified in this section, the owner shall notify the department, as soon as practicable, of the inability to comply. The department shall resolve the situation with the owner as soon as practicable, and the department shall issue any necessary documentation and other information to the owner of the regulated school bus.

2. Section 9 of P.L.2005, c.219 (C.26:2C-8.34) is amended to read as follows:

C.26:2C-8.34 Submissions to DEP by owner of regulated vehicle, equipment.

9. a. Except as otherwise provided for in this section, any owner of a regulated vehicle or regulated equipment shall submit to the Department of Environmental Protection:

(1) an inventory of all on-road diesel vehicles and off-road diesel equipment owned, operated, or leased by the owner;

(2) notice by the owner that the owner shall comply with the requirements of P.L.2005, c.219 (C.26:2C-8.26 et al.) through the use of the best available retrofit technologies as designated and provided for under the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), or that the owner cannot comply in that manner and is submitting a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan;

(3) the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan being submitted in lieu of complying through the use of the best available retrofit technologies as designated and provided for under the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), if the owner has elected to do so; and

(4) an estimate of the cost of any retrofit device and any cost associated with the installation of that retrofit device, in accordance with the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).
CHAPTER 94, LAWS OF 2006

The department may disapprove any notice submitted pursuant to para-
graph (2) of this subsection by an owner complying with the requirements
as designated and provided for under the rules and regulations adopted pur-
suant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), if the department de-
termines that the costs or cost estimates, submitted pursuant to paragraph
(4) of this subsection, for the best available retrofit technology described in
the notice, are unreasonable based upon criteria including, but not limited
to, prevailing market rates and acquisition by the State of comparable tech-
nology. If the department makes such a determination, the department shall
enter into negotiations with the owner to resolve the discrepancy. For own-
ers complying by submitting a fleet retrofit plan, combined fleet retrofit
plan, or fleet averaging plan pursuant to this subsection, the department
shall review any notice, plan, cost, or cost estimate in accordance with the

b. Each owner of a regulated vehicle or regulated equipment shall
make the submittals required pursuant to subsection a. in accordance with
the following schedule:

(1) for regulated solid waste vehicles, no later than 180 days after the
effective date of the rules and regulations adopted pursuant to section 3 of
P.L.2005, c.219 (C.26:2C-8.28);

(2) for public regulated commercial buses, no later than one year after
the effective date of the rules and regulations adopted pursuant to section 3
of P.L.2005, c.219 (C.26:2C-8.28);

(3) for private regulated commercial buses, no later than one year and
180 days after the effective date of the rules and regulations adopted pursuant
to section 3 of P.L.2005, c.219 (C.26:2C-8.28); and

(4) for regulated on-road diesel vehicles and regulated equipment other
than regulated solid waste vehicles and regulated commercial buses, no
later than four years after the effective date of the rules and regulations
adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

c. No owner of a private regulated commercial bus shall be required
to make any submittal pursuant to subsection b. of this section until the
owners of public regulated commercial buses have made their submittals
required pursuant to that subsection, and no installation and use of a retrofit
device on a private regulated commercial bus may be required earlier than
180 days after the owners of public regulated commercial buses have been
required to install and have begun the use of retrofit devices on public regu-
lated commercial buses.

d. The owner of regulated vehicles or regulated equipment who com-
mences operation of a fleet after the effective date of the rules and regula-
tions adopted pursuant to section 3 of P.L. 2005, c.219 (C.26:2C-8.28) shall make the submittals required pursuant to subsection a. of this section within 180 days after the date on which they began operations, or the date provided in subsection b. of this section, whichever is later.

e. The owner of regulated vehicles or regulated equipment may coordinate or combine the development of a fleet retrofit plan with the development of a fleet retrofit plan of any other owner, or a group of owners, of regulated vehicles or regulated equipment, and with the guidance of the Department of Environmental Protection submit a combined fleet retrofit plan.

f. The fleet retrofit plan submitted pursuant to subsection a. of this section shall include a description by the owner of the best available retrofit technology and the specific regulated vehicle or piece of regulated equipment on which the specific best available retrofit technology would be used, as determined by the owner pursuant to the rules and regulations adopted pursuant to section 3 of P.L. 2005, c.219 (C.26:2C-8.28).

g. If the owner of regulated vehicles or regulated equipment determines that the best available retrofit technology as required under the rules and regulations adopted pursuant to section 3 of P.L. 2005, c.219 (C.26:2C-8.28) is not feasible for a specific regulated vehicle or pieces of regulated equipment, the owner may document this determination in the fleet retrofit plan and request the use of another level of best available retrofit technology to meet the requirement for that specific regulated vehicle or piece of regulated equipment, or provide documentation as to why the owner cannot use the best available retrofit technology that is required. The owner may also propose and negotiate an enforceable commitment to:

(1) retire the regulated vehicle or piece of regulated equipment and replace it with a vehicle or piece of equipment certified to fine particle emission levels at or below the emission levels that would have been achieved by the use of the required best available retrofit technology; or

(2) replace the engine of the vehicle or the equipment with an engine certified to that fine particle emissions level.

h. The owner of 75 or more regulated vehicles or pieces of regulated equipment, or any group of owners who elect to develop a combined fleet retrofit plan pursuant to subsection e. of this section under which 75 or more regulated vehicles or pieces of regulated equipment would be regulated, may propose to the Department of Environmental Protection a fleet averaging plan, in lieu of a fleet retrofit plan or a combined fleet retrofit plan, for the fleet or fleets affected. The owner or owners may propose a fleet averaging plan provided that the total net percent reductions in fine particle emissions under the proposed fleet averaging plan are equivalent to the estimated re-
ductions in fine particle emissions that would have been achieved by the owner if a fleet retrofit plan were submitted and implemented for the regulated vehicles or regulated equipment, or both, or by the owners if the owners had submitted and implemented a combined fleet retrofit plan for their regulated vehicles or regulated equipment, or both, as calculated pursuant to the provisions of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28). The owner or group of owners may propose achieving fine particle emissions reductions from any on-road diesel vehicle, off-road diesel equipment, regulated vehicle, or regulated equipment owned by the owner or group of owners, or the retirement of any of those vehicles or equipment, and shall submit the proposed fleet averaging plan to the department as required by the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

i. A fleet averaging plan proposed pursuant to subsection h. of this section that proposes the use of retrofit devices on any on-road diesel vehicle, off-road diesel equipment, regulated vehicle, or regulated equipment shall include:

   (1) a description by the owner of the best available retrofit technology and the specific vehicle or equipment on which the specific best available retrofit technology would be used, the specific vehicle or equipment to be retired, and how the required fine particle reductions shall be achieved through a combination of the use of best available retrofit technology on the specific vehicles or equipment; and (2) other measures or applications of best available retrofit technology consistent with the provisions of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

j. The Department of Environmental Protection shall give due consideration in the application of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan requirements to any efforts or actions by owners of regulated vehicles or regulated equipment who voluntarily retrofit, retire, or repower vehicles or equipment prior to the adoption of rules and regulations pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), and may modify any of the requirements of this section for such an owner in order to provide such due consideration.

k. The Department of Environmental Protection shall provide any technical guidance needed in preparing the fleet retrofit plans, combined fleet retrofit plans, and fleet averaging plans required pursuant to this section and any revisions, supplements, or modifications thereto required pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.).

l. No owner of regulated vehicles or regulated equipment shall be required to install or use a retrofit device on a regulated vehicle or regulated equipment as required pursuant to the rules and regulations adopted pursu-
ant to section 3 of P.L.2005, c.219 (C.26:2C-8.28) or under a plan submitted pursuant to this section in any year unless the State Treasurer certifies for that year that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund and the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay the cost of purchase and installation of the retrofit devices required to be used by rule and regulation or under an approved fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan or supplement or modification thereto, as applicable, by an owner in that year.

Provided that the State Treasurer has issued the certification that the constitutionally dedicated moneys have been deposited in the fund for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices to be purchased for, and installed in, those regulated vehicles or pieces of regulated equipment.

3. Section 10 of P.L.2005, c.219 (C.26:2C-8.35) is amended to read as follows:

C.26:2C-8.35 Approval of fleet retrofit plans.

10. a. The department shall review, and approve or disapprove all parts of any fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan submitted pursuant to section 9 of P.L.2005, c.219 (C.26:2C-8.34). The department may approve or disapprove any fleet retrofit plan, combined fleet retrofit plan, or the fleet averaging plan in part, and:

(1) may direct the owner to comply with the approved part or parts of the fleet retrofit plan, the combined fleet retrofit plan, or the fleet averaging plan, as applicable, prior to final approval of other parts of the fleet retrofit plan, the combined fleet retrofit plan, or the fleet averaging plan; or

(2) in the case of a fleet averaging plan, may determine that the owner or the group of owners cannot comply with the requirements of P.L.2005, c.219 (C.26:2C-8.26 et al.) by implementing the proposed fleet averaging plan, and may require the owner to submit a fleet retrofit plan, or the group of owners of the fleets to submit a combined fleet retrofit plan or individual fleet retrofit plans.

Any determination made, or requirement established, pursuant to paragraph (2) of this subsection shall be made in writing and shall be provided in writing to each owner affected by the determination or requirement.
The department may disapprove any fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or any part thereof, submitted pursuant to paragraph (3) of subsection a. of section 9 of P.L.2005, c.219 (C.26:2C-8.34), if the department determines that the costs or cost estimates, submitted pursuant to paragraph (4) of subsection a. of section 9 of P.L.2005, c.219 (C.26:2C-8.34) for retrofit devices described in the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, as appropriate, are unreasonable based upon criteria including, but not limited to, prevailing market rates and acquisition by the State of comparable technology. If the department makes such a determination, the department shall enter into negotiations with the owner to resolve the discrepancy.

b. If the department exercises its authority under paragraph (2) of subsection a. of this section, the department shall issue a modified timetable for submittal of a fleet retrofit plan for the regulated vehicles or regulated equipment, a combined fleet retrofit plan for the group of owners, or individual fleet retrofit plans for the owners in the group. The department may require the submittal of these plans no earlier than 180 days after the date of the determination pursuant to paragraph (2) of subsection a. of this section, or the date on or by which both of the certifications required pursuant to subsection I. of section 9 of P.L.2005, c.219 (C.26:2C-8.34) have been made, whichever is later. The department shall review, approve or disapprove any fleet retrofit plan or combined fleet retrofit plan submitted in accordance with this modified timetable.

c. Whenever the department disapproves a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or a part thereof, the department shall provide a detailed explanation to the owner indicating the deficiencies of the disapproved fleet retrofit plan, disapproved combined fleet retrofit plan, or the disapproved fleet averaging plan, or part thereof, and the recommendations of the department to correct the deficiencies.

d. During the review process or prior to final approval of a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the part thereof in question, the department may contact and enter into negotiations with the owner to resolve discrepancies between the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), the submitted fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, and any requests by the owner for alternatives pursuant to subsection g. of section 9 of P.L.2005, c.219 (C.26:2C-8.34).

e. The owner or a group of owners whose fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or any part thereof, is disapproved by the department shall make the recommended revisions to the dis-
approved fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the disapproved part thereof, within 60 days after the receipt of the disapproval notification from the department, and shall submit to the department the final revised fleet retrofit plan, final revised combined fleet retrofit plan, or the final revised fleet averaging plan, or the final revised part thereof that had been disapproved and revised. If the department does not take further action within 30 days after receipt of the final revised fleet retrofit plan, final revised combined fleet retrofit plan, the final fleet averaging plan, or the final revised part that had been disapproved, the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the part that had been disapproved and revised, shall be considered approved and in effect. If the department finds within 30 days after the receipt of the final revised fleet retrofit plan, final revised combined fleet retrofit plan, or the final revised fleet averaging plan, that the owner has not complied with the recommended revisions, the department may take further action to require compliance with this subsection, but the plan shall be in effect as of the date of the close of the 30-day period following the submittal of the final revised plan, or part thereof.

f. Upon the date of final approval of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or any part thereof, the owner shall be subject to the provisions of the fleet retrofit plan, combined fleet retrofit plan, fleet averaging plan, or that part thereof, and shall be required to comply with these provisions on or after the final approval date or the date on or by which both certifications required pursuant to subsection l of section 9 of P.L.2005, c.219 (C.26:2C-8.34) have been made, whichever is later.

4. Section 25 of P.L.2005, c.219 (C.26:2C-8.50) is amended to read as follows:

C.26:2C-8.50 Percentage of ultra-low sulfur diesel fuel required on-road.

b. No sooner than July 15, 2006, and following a public hearing held by the Department of Environmental Protection on the availability of ultra-low sulfur diesel fuel in the State for use in on-road diesel vehicles and off-road diesel equipment, the department shall determine and issue a written notice of its determination as to whether sufficient supplies of ultra-low sulfur diesel fuel are available in the State to require a minimum of 80 percent of all diesel fuel annually sold, distributed, or used in the State to be ultra-low sulfur diesel fuel for use in on-road diesel vehicles or off-road diesel equipment, or both, on and after January 15, 2007, without signifi-
cant disruption of, or significant price increases in, the wholesale and retail fuel market. If the department determines that supplies would be sufficient, the department shall require a certain percentage, to be determined by the department, of all diesel fuel annually sold, distributed, or used in the State to be ultra-low sulfur diesel fuel for use in on-road diesel vehicles or off-road diesel equipment, or both, on or after the 180th day after the date on which the department issues a written determination that supplies would be sufficient, provided that this percentage shall be the highest percentage that can practically be required without significant disruption of, or significant price increases in, the wholesale and retail fuel market, but shall be no less than 80 percent of all diesel fuel annually sold, distributed, or used in the State.

c. If the department determines that sufficient supplies are not available pursuant to subsection b. of this section, the requirement to sell, distribute, or use only ultra-low sulfur diesel fuel in the State shall take effect only 180 days after the department issues a written determination that the supplies are sufficient to sell, distribute, or use only ultra-low sulfur diesel fuel in the State.

d. The Department of Environmental Protection, in consultation with the Department of Law and Public Safety, the Department of Labor and Workforce Development, and the Attorney General, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary for the implementation of this section.

5. This act shall take effect immediately.

Approved August 22, 2006.

C.2A:30A-2 Payment to prime contractor, subcontractor, subsubcontractor, timely payment; exceptions; disputes; resolution.

2. a. If a prime contractor has performed in accordance with the provisions of a contract with the owner and the billing for the work has been approved and certified by the owner or the owner’s authorized approving agent, the owner shall pay the amount due to the prime contractor for each periodic payment, final payment or retainage monies not more than 30 calendar days after the billing date, which for a periodic billing, shall be the periodic billing date specified in the contract. The billing shall be deemed approved and certified 20 days after the owner receives it unless the owner provides, before the end of the 20-day period, a written statement of the amount withheld and the reason for withholding payment, except that in the case of a public or governmental entity that requires the entity’s governing body to vote on authorizations for each periodic payment, final payment or retainage monies, the amount due may be approved and certified at the next scheduled public meeting of the entity’s governing body, and paid during the entity’s subsequent payment cycle, provided this exception has been defined in the bid specifications and contract documents.
b. If a subcontractor or subsubcontractor has performed in accordance with the provisions of its contract with the prime contractor or subcontractor and the work has been accepted by the owner, the owner's authorized approving agent, or the prime contractor, as applicable, and the parties have not otherwise agreed in writing, the prime contractor shall pay to its subcontractor and the subcontractor shall pay to its subsubcontractor within 10 calendar days of the receipt of each periodic payment, final payment or receipt of retainage monies, the full amount received for the work of the subcontractor or subsubcontractor based on the work completed or the services rendered under the applicable contract. In the case of ongoing work on the same project for which partial payments are made, the amount of money owed for work already completed shall only be payable if the subcontractor or subsubcontractor is performing to the satisfaction of the prime contractor or subcontractor, as applicable.

c. If a payment due pursuant to the provisions of this section is not made in a timely manner, the delinquent party shall be liable for the amount of money owed under the contract, plus interest at a rate equal to the prime rate plus 1%. Interest on amounts due pursuant to this section shall be paid to the prime contractor, subcontractor or subsubcontractor for the period beginning on the day after the required payment date and ending on the day on which the check for payment has been drawn. The provisions of this subsection c. shall not apply to any transportation project as defined in section 3 of P.L. 1984, c.73 (C.27:1B-3), if that project receives federal funding and the awarding agency has been notified by the federal government that it will be classified as a high risk grantee pursuant to 49 C.F.R. 18.12.

d. A prime contractor, subcontractor or subsubcontractor may, after providing seven calendar days' written notice to the party failing to make the required payments, suspend performance of a construction contract, without penalty for breach of contract, until the payment required pursuant to this section is made, if the contractor, subcontractor or subsubcontractor: is not paid as required by this section; is not provided a written statement of the amount withheld and the reason for the withholding; and the payor is not engaged in a good faith effort to resolve the reason for the withholding. The provisions of this subsection d. shall not apply to any transportation project as defined in section 3 of P.L. 1984, c.73 (C.27:1B-3), if that project receives federal funding and the application of this provision would jeopardize the funding because the owner could not meet the federal standards for financial management systems as outlined in 49 C.F.R. 18.20.

e. (1) The rights, remedies or protections provided by this section for prime contractors, subcontractors and subsubcontractors shall be in addition
to other remedies provided pursuant to any other provision of State law. To the extent that the provisions of this section provide greater rights, remedies or protections for prime contractors, subcontractors and subsubcontractors than other provisions of State law, the provisions of this section shall supersede those other provisions.

(2) No provision of this section shall be construed as restricting in any way the rights or remedies provided by any other applicable State or federal law to an owner who is a resident homeowner or purchaser with respect to the real property being improved.

f. All contracts for the improvement of structures entered into after the effective date of P.L.2006, c.96 between owners, prime contractors, subcontractors or subsubcontractors shall provide that disputes regarding whether a party has failed to make payments required pursuant to this section may be submitted to a process of alternative dispute resolution. Alternative dispute resolution permitted by this section shall not apply to disputes concerning the bid solicitation or award process, or to the formation of contracts or subcontracts. In any civil action brought to collect payments pursuant to this section, the action shall be conducted inside of this State and the prevailing party shall be awarded reasonable costs and attorney fees.

3. This act shall take effect immediately, but shall not apply to contracts for the improvement of structures entered into before the effective date.

Approved September 1, 2006.

CHAPTER 99

AN ACT providing for sterile syringe access programs, supplementing Titles 26 and 13 of the Revised Statutes and Title 2C of the New Jersey Statutes, amending P.L.1989, c.34, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:5C-25 Short title.
1. This act shall be known and may be cited as the "Bloodborne Disease Harm Reduction Act."

C.26:5C-26 Findings, declarations relative to sterile syringe access programs.
2. The Legislature finds and declares that:
   a. New Jersey, in comparison with other states nationwide, has the highest rate of cumulative AIDS cases among women, the third highest rate of cumulative pediatric AIDS cases, the fifth highest adult HIV rate, and a rate of injection-related HIV infection that is almost twice the national average;
   b. About one in every three persons living with HIV or AIDS is female;
   c. More than a million people in the United States are frequent intravenous drug users at a cost to society in health care, lost productivity, accidents and crime of more than $50 billion annually;
   d. Sterile syringe access programs have been proven effective in reducing the spread of HIV, hepatitis C and other bloodborne pathogens without increasing drug abuse or other adverse social impacts; yet New Jer-
sey remains the only State nationwide that provides no access to sterile syringes in order to prevent the spread of disease;

e. Every scientific, medical and professional agency or organization that has studied this issue, including the federal Centers for Disease Control and Prevention, the American Medical Association, the American Public Health Association, the National Academy of Sciences, the National Institutes of Health Consensus Panel, the American Academy of Pediatrics, and the United States Conference of Mayors, has found sterile syringe access programs to be effective in reducing the transmission of HIV; and

f. Sterile syringe access programs are designed to prevent the spread of HIV, hepatitis C and other bloodborne pathogens, and to provide a bridge to drug abuse treatment and other social services for drug users; and it is in the public interest to encourage the development of such programs in this State in accordance with statutory guidelines designed to ensure the safety of consumers who use these programs, the health care workers who operate them, and the members of the general public.

C.26:5C-27 Demonstration program for operation of sterile syringe access programs.

3. The Commissioner of Health and Senior Services shall establish a demonstration program to permit up to six municipalities to operate a sterile syringe access program in accordance with the provisions of this act. For the purposes of the demonstration program, the commissioner shall prescribe by regulation requirements for a municipality to establish, or otherwise authorize the operation within that municipality of, a sterile syringe access program to provide for the exchange of hypodermic syringes and needles in accordance with the provisions of this act.

a. The commissioner shall:

(1) request an application, to be submitted on a form and in a manner to be prescribed by the commissioner, from any municipality that seeks to establish a sterile syringe access program, or from other entities authorized to operate a sterile syringe access program within that municipality as provided in paragraph (2) of subsection a. of section 4 of this act;

(2) approve those applications that meet the requirements established by regulation of the commissioner and contract with the municipalities or entities whose applications are approved to establish a sterile syringe access program as provided in paragraph (2) of subsection a. of section 4 of this act to operate a sterile syringe access program in any municipality in which the governing body has authorized the operation of sterile syringe access programs within that municipality by ordinance;

(3) support and facilitate, to the maximum extent practicable, the link-
age of sterile syringe access programs to such health care facilities and pro-
grams as may provide appropriate health care services, including mental
health and substance abuse treatment, and to housing assistance, career em-
ployment-related counseling, and education counseling to consumers par-
icipating in any such program;

(4) provide for the adoption of a uniform identification card or other
uniform Statewide means of identification for consumers, staff and volun-
teers of a sterile syringe access program pursuant to paragraph (8) of sub-
section b. of section 4 of this act; and

(5) maintain a record of the data reported to the commissioner by ster-
ile syringe access programs pursuant to paragraph (10) of subsection b. of
section 4 of this act.

may be made available from the private sector to effectuate the purposes of
this act.

CHAPTER 100

AN ACT concerning the "Law against Discrimination" and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.10:2-1 is amended to read as follows:

Antidiscrimination provisions.

10:2-1. Antidiscrimination provisions. Every contract for or on behalf of the State or any county or municipality or other political subdivision of the State, or any agency of or authority created by any of the foregoing, for the construction, alteration or repair of any public building or public work or for the acquisition of materials, equipment, supplies or services shall contain provisions by which the contractor agrees that:

a. In the hiring of persons for the performance of work under this contract or any subcontract hereunder, or for the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under this contract, no contractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex, discriminate against any person who is qualified and available to perform the work to which the employment relates;

b. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex;
c. There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of $50.00 for each person for each calendar day during which such person is discriminated against or intimidated in violation of the provisions of the contract; and
d. This contract may be canceled or terminated by the contracting public agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract.

No provision in this section shall be construed to prevent a board of education from designating that a contract, subcontract or other means of procurement of goods, services, equipment or construction shall be awarded to a small business enterprise, minority business enterprise or a women's business enterprise pursuant to P.L.1985, c.490 (C.18A:18A-51 et seq.).

2. Section 3 of P.L.1945, c.169 (C.10:5-3) is amended to read as follows:

C.10:5-3 Findings, declarations.

3. The Legislature finds and declares that practices of discrimination against any of its inhabitants, because of race, creed, color, national origin, ancestry, age, sex, gender identity or expression, affectional or sexual orientation, marital status, familial status, liability for service in the Armed Forces of the United States, disability or nationality, are matters of concern to the government of the State, and that such discrimination threatens not only the rights and proper privileges of the inhabitants of the State but menaces the institutions and foundation of a free democratic State; provided, however, that nothing in this expression of policy prevents the making of legitimate distinctions between citizens and aliens when required by federal law or otherwise necessary to promote the national interest.

The Legislature further declares its opposition to such practices of discrimination when directed against any person by reason of the race, creed, color, national origin, ancestry, age, sex, gender identity or expression, affectional or sexual orientation, marital status, liability for service in the Armed Forces of the United States, disability or nationality of that person or that person's spouse, partners, members, stockholders, directors, officers, managers, superintendents, agents, employees, business associates, suppliers, or customers, in order that the economic prosperity and general welfare of the inhabitants of the State may be protected and ensured.

The Legislature further finds that because of discrimination, people
suffer personal hardships, and the State suffers a grievous harm. The personal hardships include: economic loss; time loss; physical and emotional stress; and in some cases severe emotional trauma, illness, homelessness or other irreparable harm resulting from the strain of employment controversies; relocation, search and moving difficulties; anxiety caused by lack of information, uncertainty, and resultant planning difficulty; career, education, family and social disruption; and adjustment problems, which particularly impact on those protected by this act. Such harms have, under the common law, given rise to legal remedies, including compensatory and punitive damages. The Legislature intends that such damages be available to all persons protected by this act and that this act shall be liberally construed in combination with other protections available under the laws of this State.

3. Section 4 of P.L.1945, c.169 (C.10:5-4) is amended to read as follows:

C.10:5-4 Obtaining employment, accommodations and privileges without discrimination; civil right.

4. All persons shall have the opportunity to obtain employment, and to obtain all the accommodations, advantages, facilities, and privileges of any place of public accommodation, publicly assisted housing accommodation, and other real property without discrimination because of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, familial status, disability, nationality, sex, gender identity or expression or source of lawful income used for rental or mortgage payments, subject only to conditions and limitations applicable alike to all persons. This opportunity is recognized as and declared to be a civil right.

2. The Department of Law and Public Safety shall perform criminal history record background checks on applicants employed by or to be employed by independent contractors in a critical position at a designated facility. The department, or a private vendor approved by the department, also shall perform a thorough identity verification check on these applicants, to include, at a minimum, a credit investigation, a Social Security number verification to detect informational inconsistencies, and a cross-referencing of all applicants against appropriate law enforcement advisories and terror watch lists; provided, however, that in no instance shall information obtained from the Violent Gang and Terrorist Organization File (VGTOF) be disseminated to a non-criminal justice agency or an applicant unless that dissemination is authorized by the Federal Bureau of Investigation and is consistent with federal laws, rules and regulations. An independent contractor shall not employ or hire an applicant for employment in a critical position at a designated facility unless the Attorney General determines that no criminal record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police which would disqualify the individual from being employed, and that the applicant is not otherwise disqualified as a result of required identity verification checks, performed pursuant to the provisions of this act. Any person who is employed on the date of enactment of this act by an independent contractor and who works within a designated facility in a position determined by the Attorney General to be a critical position shall be permitted to serve in that capacity unless and until it is determined that the applicant is disqualified pursuant to this section, provided that within 30 days of the Attorney General's determination that the person will be serving in a critical position, an application has been submitted to the Department of Law and Public Safety with the required fees for that person to qualify for employment in a critical position, and the person has consented to and cooperates with the securing of a criminal history record background check and identity verification check

C.App.A:9-81 Determination of titles, positions designated as critical positions.
3. The Attorney General, in consultation with the Director of the Office of Homeland Security and Preparedness, the Commissioner of Environmental Protection, and industry representatives, shall determine the titles and positions which shall be designated as critical positions. These positions may include, but are not limited to, positions involving information management, preserving and ensuring the public safety, or contractors' access to information or facilities which could be utilized to compromise the public safety and national security.

No criminal history record background check or identity verification checks shall be performed pursuant to this act unless the applicant shall have furnished written consent to such checks. The independent contractor shall bear the cost for the applicant's criminal history record check and identity verification checks.
C.App.A:9-83 Notification of qualification, disqualification of applicant; appeal; maintenance of information.

5. a. Upon receipt of an applicant's criminal history record information and identity verification information, the department shall notify the independent contractor who employs the applicant or is considering the applicant for employment as to whether the applicant is qualified or disqualified for employment pursuant to this act. The independent contractor shall notify the applicant in writing of his qualification for or disqualification from employment pursuant to this act. If the applicant is disqualified for employment, the reasons which constitute the basis for the disqualification shall be identified in the written notice.

b. An applicant shall have 20 days from the date of written notice of disqualification to file an appeal with the department for a review of the criminal history record information or identity verification information to establish rehabilitation or to dispute the accuracy of such information pursuant to regulations adopted by the Attorney General.

c. An applicant's criminal history record information or identity verification information submitted under this act shall not be maintained for more than six months from the date of the final disposition of the applicant's disqualification.

C.App.A:9-84 Development of system to certify applicants, issuance of credentials; fees.

6. a. The Attorney General, in conjunction with the Commissioner of Environmental Protection, shall develop a system to certify applicants who have been subject to a criminal history record background check and identity verification checks, and who have qualified for employment in a critical position at a designated facility pursuant to the provisions of this act. The Attorney General shall cause to be issued credentials for each such qualified applicant.

b. An independent contractor shall provide written documentation to a designated facility that all employees placed in critical positions have been certified, pursuant to this section.

The Attorney General shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.416 (C.52:14B-1 et seq.) to implement the provisions of this act, including rules and regulations regarding access to and dissemination of information obtained as a result of conducting a criminal history background check and identity verification checks.

8. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:1B-21.32 Findings, declarations relative to certain stem cell, life sciences, and biomedical research.

2. The Legislature finds and declares that:

Millions of people suffer from currently incurable diseases and injuries, and recent medical science, including the use of new regenerative medical therapies such as the use of a special type of human cells called "stem cells," provides indications that cures and treatments for certain of these diseases and injuries can be developed;

The development of such cures and treatments will improve New Jersey's health care system, can reduce long-term health care costs, and can benefit the New Jersey economy by creating projects, jobs and therapies;

The State of New Jersey is home to many of the leading life sciences, biotechnology and pharmaceutical companies and the State seeks to preserve its leading role, attract investment, attract scientists, enhance research and, toward that end, seeks to finance facilities for entities involved in stem cell research, life sciences and biomedical research;

Financing stem cell research facilities and life sciences and biomedical research facilities will substantially further the public interest and can most economically be financed through a bond issue; and

The State of New Jersey has determined that bonds issued by the New Jersey Economic Development Authority are the most desirable means to provide funding for such facilities and projects.

3. Notwithstanding the provisions of any law, rule, regulation or order to the contrary:

b. CHAPTER 103

AN ACT concerning marriage and civil unions, establishing a commission and revising and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.37:1-28 Findings, declarations concerning civil unions.

1. The Legislature finds and declares that:
   a. Same-sex couples in New Jersey live together in committed relationships without the benefits and rights afforded to heterosexual couples who choose to marry;
   b. Promoting such stable and durable relationships as well as eliminating obstacles and hardships these couples may face is necessary and proper and reaffirms this State’s obligation to insure equality for all the citizens of New Jersey;
   c. New Jersey was one of the first states to adopt comprehensive legislation prohibiting discrimination based on affectional or sexual orientation and one of the first states to formally recognize domestic partnerships by enacting the “Domestic Partnership Act,” P.L.2003, c.246 (C.26:8A-1 et al.) on January 12, 2004 thereby guaranteeing in law certain rights and benefits to those individuals who enter into domestic partnerships;
   d. Those rights and benefits afforded to same-sex couples under the “Domestic Partnership Act” should be expanded by the legal recognition of civil unions between same-sex couples in order to provide these couples with all the rights and benefits that married heterosexual couples enjoy;
   e. It is the intent of the Legislature to comply with the constitutional mandate set forth by the New Jersey Supreme Court in the recent landmark decision of Lewis v. Harris, 188 N.J. 415 (October 25, 2006) wherein the Court held that the equal protection guarantee of Article I, paragraph 1 of the State Constitution was violated by denying rights and benefits to committed same-sex couples which were statutorily given to their heterosexual
counterparts. The Court stated that the “State can fulfill that constitutional requirement in one of two ways. It can either amend the marriage statutes to include same-sex couples or enact a parallel statutory structure by another name, in which same-sex couples would not only enjoy the rights and benefits, but also bear the burdens and obligations of civil marriage.” Id. at 463.

f. The Legislature has chosen to establish civil unions by amending the current marriage statute to include same-sex couples. In doing so, the Legislature is continuing its longstanding history of insuring equality under the laws for all New Jersey citizens by providing same-sex couples with the same rights and benefits as heterosexual couples who choose to marry.

the costs associated therewith; provided however, this fee shall not apply to the death registration of a person who died while in the military or naval or maritime or merchant marine service of the United States whose death is recorded pursuant to section 1 of P.L.1950, c.299 (C.26:6-5.2). d. separation, provided that the partners in a civil union couple have lived separate and apart in different habitations for a period of at least 18 or more consecutive months and there is no reasonable prospect of reconciliation; and provided further that, after the 18-month period, there shall be a presumption that there is no reasonable prospect of reconciliation;

Appeals shall be taken only from the final judgment.

77. N.J.S.2A:34-21 is amended to read as follows:

78. N.J.S.2A:34-23 is amended to read as follows:

Alimony, maintenance.

Pending any matrimonial action or action for dissolution of a civil union brought in this State or elsewhere, or after judgment of divorce or dissolution or maintenance, whether obtained in this State or elsewhere, the court may make such order as to the alimony or maintenance of the parties, and also as to the care, custody, education and maintenance of the children, or any of them, as the circumstances of the parties and the nature of the case shall render fit, reasonable and just, and require reasonable security for the due observance of such orders, including, but not limited to, the creation of trusts or other security devices, to assure payment of reasonably foreseeable medical and educational expenses. Upon neglect or refusal to give such reasonable security, as shall be required, or upon default in complying with any such order, the court may award and issue process for the immediate sequestration of the personal estate, and the rents and profits of the real estate of the party so charged, and appoint a receiver thereof, and cause such personal estate and the rents and profits of such real estate, or so much thereof as shall be necessary, to be applied toward such alimony and maintenance as to the said court shall from time to time seem reasonable and just; or the performance of the said orders may be enforced by other
ways according to the practice of the court. Orders so made may be revised and altered by the court from time to time as circumstances may require.

The court may order one party to pay a retainer on behalf of the other for expert and legal services when the respective financial circumstances of the parties make the award reasonable and just. In considering an application, the court shall review the financial capacity of each party to conduct the litigation and the criteria for award of counsel fees that are then pertinent as set forth by court rule. Whenever any other application is made to a court which includes an application for pendente lite or final award of counsel fees, the court shall determine the appropriate award for counsel fees, if any, at the same time that a decision is rendered on the other issue then before the court and shall consider the factors set forth in the court rule on counsel fees, the financial circumstances of the parties, and the good or bad faith of either party.

a. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, the court in those cases not governed by court rule shall consider, but not be limited to, the following factors:

1. Needs of the child;
2. Standard of living and economic circumstances of each parent;
3. All sources of income and assets of each parent;
4. Earning ability of each parent, including educational background, training, employment skills, work experience, custodial responsibility for children including the cost of providing child care and the length of time and cost of each parent to obtain training or experience for appropriate employment;
5. Need and capacity of the child for education, including higher education;
6. Age and health of the child and each parent;
7. Income, assets and earning ability of the child;
8. Responsibility of the parents for the court-ordered support of others;
9. Reasonable debts and liabilities of each child and parent; and
10. Any other factors the court may deem relevant.

The obligation to pay support for a child who has not been emancipated by the court shall not terminate solely on the basis of the child's age if the child suffers from a severe mental or physical incapacity that causes the child to be financially dependent on a parent. The obligation to pay support for that child shall continue until the court finds that the child is relieved of the incapacity or is no longer financially dependent on the parent. However, in assessing the financial obligation of the parent, the court shall con-
sider, in addition to the factors enumerated in this section, the child's eligibility for public benefits and services for people with disabilities and may make such orders, including an order involving the creation of a trust, as are necessary to promote the well-being of the child.

As used in this section "severe mental or physical incapacity" shall not include a child's abuse of, or addiction to, alcohol or controlled substances.

b. In all actions brought for divorce, dissolution of a civil union, divorce from bed and board, legal separation from a partner in a civil union couple or nullity the court may award one or more of the following types of alimony: permanent alimony; rehabilitative alimony; limited duration alimony or reimbursement alimony to either party. In so doing the court shall consider, but not be limited to, the following factors:

(1) The actual need and ability of the parties to pay;
(2) The duration of the marriage or civil union;
(3) The age, physical and emotional health of the parties;
(4) The standard of living established in the marriage or civil union and the likelihood that each party can maintain a reasonably comparable standard of living;
(5) The earning capacities, educational levels, vocational skills, and employability of the parties;
(6) The length of absence from the job market of the party seeking maintenance;
(7) The parental responsibilities for the children;
(8) The time and expense necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment, the availability of the training and employment, and the opportunity for future acquisitions of capital assets and income;
(9) The history of the financial or non-financial contributions to the marriage or civil union by each party including contributions to the care and education of the children and interruption of personal careers or educational opportunities;
(10) The equitable distribution of property ordered and any payouts on equitable distribution, directly or indirectly, out of current income, to the extent this consideration is reasonable, just and fair;
(11) The income available to either party through investment of any assets held by that party;
(12) The tax treatment and consequences to both parties of any alimony award, including the designation of all or a portion of the payment as a non-taxable payment; and
(13) Any other factors which the court may deem relevant.

When a share of a retirement benefit is treated as an asset for purposes of equitable distribution, the court shall not consider income generated thereafter by that share for purposes of determining alimony.

c. In any case in which there is a request for an award of permanent alimony, the court shall consider and make specific findings on the evidence about the above factors. If the court determines that an award of permanent alimony is not warranted, the court shall make specific findings on the evidence setting out the reasons therefor. The court shall then consider whether alimony is appropriate for any or all of the following: (1) limited duration; (2) rehabilitative; (3) reimbursement. In so doing, the court shall consider and make specific findings on the evidence about factors set forth above. The court shall not award limited duration alimony as a substitute for permanent alimony in those cases where permanent alimony would otherwise be awarded.

An award of alimony for a limited duration may be modified based either upon changed circumstances, or upon the nonoccurrence of circumstances that the court found would occur at the time of the award. The court may modify the amount of such an award, but shall not modify the length of the term except in unusual circumstances.

In determining the length of the term, the court shall consider the length of time it would reasonably take for the recipient to improve his or her earning capacity to a level where limited duration alimony is no longer appropriate.

d. Rehabilitative alimony shall be awarded based upon a plan in which the payee shows the scope of rehabilitation, the steps to be taken, and the time frame, including a period of employment during which rehabilitation will occur. An award of rehabilitative alimony may be modified based either upon changed circumstances, or upon the nonoccurrence of circumstances that the court found would occur at the time of the rehabilitative award.

This section is not intended to preclude a court from modifying permanent alimony awards based upon the law.

e. Reimbursement alimony may be awarded under circumstances in which one party supported the other through an advanced education, anticipating participation in the fruits of the earning capacity generated by that education.

f. Nothing in this section shall be construed to limit the court's authority to award permanent alimony, limited duration alimony, rehabilita-
tive alimony or reimbursement alimony, separately or in any combination, as warranted by the circumstances of the parties and the nature of the case.

g. In all actions for divorce or dissolution other than those where judgment is granted solely on the ground of separation the court may consider also the proofs made in establishing such ground in determining an amount of alimony or maintenance that is fit, reasonable and just. In all actions for divorce, dissolution of civil union, divorce from bed and board, or legal separation from a partner in a civil union couple where judgment is granted on the ground of institutionalization for mental illness the court may consider the possible burden upon the taxpayers of the State as well as the ability of the party to pay in determining an amount of maintenance to be awarded.

h. In all actions where a judgment of divorce, dissolution of civil union, divorce from bed and board or legal separation from a partner in a civil union couple is entered the court may make such award or awards to the parties, in addition to alimony and maintenance, to effectuate an equitable distribution of the property, both real and personal, which was legally and beneficially acquired by them or either of them during the marriage or civil union. However, all such property, real, personal or otherwise, legally or beneficially acquired during the marriage or civil union by either party by way of gift, devise, or intestate succession shall not be subject to equitable distribution, except that interspousal gifts or gifts between partners in a civil union couple shall be subject to equitable distribution.

79. Section 1 of P.L.1997, c.405 (C.2A:34-23d) is amended to read as follows:

C.2A:34-23d Maintenance of certain insurance coverage in action for divorce or dissolution.

1. a. Upon filing of a complaint for an action for divorce, dissolution, nullity or separate maintenance, where the custody, visitation or support of a minor child is an issue, the party who has maintained all existing insurance coverage or coverage traditionally maintained during the marriage or civil union, including but not limited to, all health, disability, home or life insurance, shall continue to maintain or continue to share in the cost of maintaining the coverage.

b. If a party who has maintained the existing insurance coverage or has shared in the cost of maintaining the coverage has had a voluntary or involuntary change in employment status, which may cause the existing insurance coverage to terminate, then that party shall notify the other party
that it may be necessary to reallocate the financial responsibilities of maintaining the coverage.

c. Upon receipt of this notice, the party may petition the court to reallocate financial responsibilities.

d. The court may take any action it deems appropriate to reallocate financial responsibilities including but not limited to ordering a party to obtain comparable coverage or releasing a party from the obligation or any other order.

80. Section 4 of P.L.1988, c.153 (C.2A:34-23.1) is amended to read as follows:

C.2A:34-23.1 Equitable distribution criteria.

4. In making an equitable distribution of property, the court shall consider, but not be limited to, the following factors:
   a. The duration of the marriage or civil union;
   b. The age and physical and emotional health of the parties;
   c. The income or property brought to the marriage or civil union by each party;
   d. The standard of living established during the marriage or civil union;
   e. Any written agreement made by the parties before or during the marriage or civil union concerning an arrangement of property distribution;
   f. The economic circumstances of each party at the time the division of property becomes effective;
   g. The income and earning capacity of each party, including educational background, training, employment skills, work experience, length of absence from the job market, custodial responsibilities for children, and the time and expense necessary to acquire sufficient education or training to enable the party to become self-supporting at a standard of living reasonably comparable to that enjoyed during the marriage or civil union;
   h. The contribution by each party to the education, training or earning power of the other;
   i. The contribution of each party to the acquisition, dissipation, preservation, depreciation or appreciation in the amount or value of the marital property, or the property acquired during the civil union as well as the contribution of a party as a homemaker;
   j. The tax consequences of the proposed distribution to each party;
   k. The present value of the property:
i. The need of a parent who has physical custody of a child to own or occupy the marital residence or residence shared by the partners in a civil union couple and to use or own the household effects;

m. The debts and liabilities of the parties;

n. The need for creation, now or in the future, of a trust fund to secure reasonably foreseeable medical or educational costs for a spouse, partner in a civil union couple or children;

o. The extent to which a party deferred achieving their career goals; and

p. Any other factors which the court may deem relevant.

In every case, the court shall make specific findings of fact on the evidence relevant to all issues pertaining to asset eligibility or ineligibility, asset valuation, and equitable distribution, including specifically, but not limited to, the factors set forth in this section.

It shall be a rebuttable presumption that each party made a substantial financial or nonfinancial contribution to the acquisition of income and property while the party was married.

81. Section 1 of P.L.1954, c.187 (C.2A:34-24.1) is amended to read as follows:

C.2A:34-24.1 Court-orders for support, maintenance despite absence of personal jurisdiction.

1. When a spouse or partner in a civil union couple has secured a judgment or decree of divorce, whether absolute or from bed and board, dissolution of a civil union, legal separation from a partner in a civil union couple, or of nullity or annulment of marriage or civil union, in an action whether brought in this State or elsewhere, wherein jurisdiction over the person of the other spouse or the other partner in a civil union couple was not obtained, the court may make the same orders and judgments touching the suitable support and maintenance to be paid and provided by the spouse or partner in a civil union couple, or to be made out of the spouse’s or partner’s property, for the other spouse or partner and their children, or any of them, by their marriage or civil union and for such time, as the nature of the case and circumstances of the parties render suitable and proper, pursuant to the provisions of chapter 34 of Title 2A of the New Jersey Statutes notwithstanding the securing of such judgment or decree.

82. N.J.S.2A:34-25 is amended to read as follows:
Termination of alimony.

2A:34-25. If after the judgment of divorce or dissolution a former spouse shall remarry or a former partner shall enter into a new civil union, permanent and limited duration alimony shall terminate as of the date of remarriage or new civil union except that any arrearages that have accrued prior to the date of remarriage or new civil union shall not be vacated or annulled. A former spouse or former partner in a civil union couple who remarries or enters into a new civil union shall promptly so inform the spouse or partner paying permanent or limited duration alimony as well as the collecting agency, if any. The court may order such alimony recipient who fails to comply with the notification provision of this act to pay any reasonable attorney fees and court costs incurred by the recipient's former spouse or partner as a result of such non-compliance.

APPENDIX A
CODE OF CONDUCT FOR THE GOVERNOR

I. PURPOSE
The Governor hereby adopts this Code to ensure public trust and confidence by providing a clear standard of conduct for the Governor.

II. STATEMENT OF POLICY
The position of Governor exists to serve the public in a manner that fosters the respect, trust, and confidence of the public.

This Code of Conduct prohibits conflicts that are substantial and material or that may bring the Governor into disrepute. This Code is not intended to be applied in a vacuum. To that end, it attempts to balance public perception with the practical realities of the position of Governor. This Code attempts to set a high standard of ethical behavior and provide clear-cut guidelines that accommodate the unique role of Governor as the head of State government, State's leading advocate, and head of a political party.

In any instance in which the Governor is not certain what the standard of conduct should be, he should consult the Advisory Ethics Panel, as established hereunder, as well as such members of his staff as he deems appropriate.

III. CODE OF CONDUCT
A. SOLICITATION AND RECEIPT OF GIFTS AND OTHER ITEMS
1. Except as otherwise provided herein or unless offered to the general public, the Governor shall not solicit, receive, or agree to receive, directly or indirectly, any compensation, reward, gift, favor, service, outside employment, offer of outside employment, preferential loans, services at
preferential rates, discounts, gratuities, meals, lodging, travel expenses or anything of monetary value intended to influence him in the conduct of his public duties.

2. The Governor may accept gifts, favors, services, gratuities, meals, lodging or travel expenses from relatives or personal friends that are paid for with personal funds.

3. The Governor may accept gifts, favors, services, gratuities, meals, lodging or travel expenses that are paid for by a State Committee of a political party or similar entity.

4. The Governor may accept and personally retain a gift of minimal value tendered and received as a souvenir or mark of courtesy.

5. A tangible gift of greater than minimal value is deemed to have been accepted on behalf of the State of New Jersey and, on acceptance, shall become the property of the State of New Jersey. The Governor may retain such gifts during the period of his incumbency. At the conclusion of the Governor's final term, such gifts shall be delivered to the State Museum, for appropriate disposition. Alternatively, the Governor may purchase any or all such gifts at fair market value.

6. For the purposes of this section, minimal value is deemed to be $285, to be adjusted in accordance with the Federal Gift and Decorations Act.

3. The Governor may accept travel and related expenses provided by a government, a governmental agency, a foreign government, a governmental authority, a bona fide public or private educational institution, a nonprofit organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, or by a person outside the United States which substantially satisfies the requirements for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code.

4. For purposes of this section, a gift of travel does not include travel that is paid from campaign funds, or that is an in-kind political contribution.

E. DE FACTO HEAD OF POLITICAL PARTY

The Governor's status as de facto head of his political party is intertwined with his public responsibilities as Head of the State government. The Governor may act in a partisan political role, identify himself as Governor in that capacity, endorse political candidates, attend
political events and raise and accept political contributions in accordance with governing campaign contribution laws.

F. CONFLICTS AND APPEARANCES OF CONFLICTS

1. The Governor shall not engage in conduct that constitutes a conflict of interest. A conflict of interest is defined as use by the Governor of the authority of his office or of any confidential information received through his holding public office for the private pecuniary benefit of himself, a member of his immediate family, or a business in which he or a member of his immediate family has a financial interest. Examples of such actions include instances where by operation of state or federal law, only the Governor can act, such as approval or disapproval of legislative enactments, nominations or appointments of State officers, or declaration of emergencies.

2. The Governor shall not solicit or accept anything of monetary value, including a gift, loan, political contribution, reward, or promise of future employment based on any understanding of the Governor that the vote, official action, or judgment of the Governor would be influenced thereby.
3. The Governor shall not have any direct or indirect interest, financial or otherwise, or engage in any business or transaction or professional activity that is in substantial conflict with the proper discharge of the Governor's duties in the public interest.

8. The Governor shall not knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of his official duties that he may be engaged in conduct inconsistent with this Code.

control in accordance with prescribed procedures and not for personal gain or benefit.

WHEREAS, New Jersey is a national leader in promoting energy efficiency, renewable energy, and environmental protection and is dedicated to reducing energy usage, which decreases emissions of greenhouse gasses and improves the health and welfare of the State’s citizens; and
WHEREAS, Increasing greenhouse gas emissions have been documented to result in global warming that is causing a rise in sea level, which in turn will affect the natural resources of the 127 miles of New Jersey’s coast and negatively impact billions of dollars of existing infrastructure; and

WHEREAS, New Jersey State government controls hundreds of buildings throughout the State and spends nearly $128 million annually on energy for its various facilities; and

WHEREAS, Establishing the position of Director of Energy Savings within the Department of the Treasury will assist in reducing the State’s energy expenses and benefit the environment; and

WHEREAS, Reducing energy usage through energy efficiency and increased use of renewable energy will improve the State’s economy by exerting downward pressure on natural gas prices and otherwise lowering the cost of energy, creating local jobs, and stemming the flow of energy dollars to out-of-State entities; and

WHEREAS, Energy savings and environmental protection gains can be achieved through changes in the purchasing patterns of State government, which wields considerable purchasing power; and

WHEREAS, The increased purchase of energy efficient, less toxic, and recycled products and services by State government is considered one of the best ways to bolster these markets, as well as the economic viability of New Jersey; and

WHEREAS, State government should assume a leadership role in promoting the efficient use of energy and natural resources in the interest of long-term protection and enhancement of our State’s natural beauty;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby created within the Department of the Treasury the position of Director of Energy Savings. The Director of Energy Savings
shall be appointed by the Governor and shall report to the Treasurer.

2. The Director of Energy Savings shall be responsible for implementing a program to increase energy efficiency, reduce energy usage, and improve the procurement of energy for all State facilities. Specifically, the Director of Energy Savings shall:
   a. These audits shall, at a minimum, analyze energy efficiencies and the feasibility of installing on-site renewable energy systems that can be cost-effectively implemented with a 10-year payback period;
   b. Provide an annual report to the Governor outlining the environmental results and cost savings to the State;
   c. Take the action necessary to enable the State to partake in the bulk purchase and energy contract program to maximize the State’s purchasing power;

   e. Work with the Economic Development Authority, the Office of Economic Growth, the Commission on Science and Technology, and the Board of Public Utilities to develop a plan for promoting economic development around renewable energy and advanced energy technologies;

   g. Evaluate and determine whether the State should participate in the Board of Public Utilities’ Clean Power Choice program; and

3. All State departments, authorities and instrumentalities with purchasing or procurement authority (hereinafter, “State agencies”) shall select ENERGY STAR energy-efficient products when acquiring new energy-using products or replacing existing equipment. The Director of the Division of Purchase and Property in the Department of the Treasury (hereinafter, the “Division of Purchase and Property”) shall issue standards and guidelines to implement this requirement. For products that do not have ENERGY STAR labels, State agencies shall follow guidelines established by the New Jersey Clean Energy Program.

b. Each State agency shall, when purchasing products in the product categories set forth in the Addendum, purchase the recycled products listed in the Addendum, provided the recycled products are competitive. In connection with such purchases, consideration shall be given to recycled products containing the highest percentage of post-consumer waste material.

c. Each State agency shall print all publications and documents, including those publications and documents printed under the supervision of the State agency, on recycled paper, unless the State agency cannot procure a sufficient quantity of competitive recycled paper. The phrase “printed on recycled paper,” “recycled paper” or words or symbols to that effect should be imprinted on the publication or document.

In cases where a PBT-free alternative is not available, the State agency shall include specifications to encourage product manufacturers to take back and recycle used PBT-containing products.
6. In creating any new specification, and prior to the renewal of any expired specification, each State agency shall revise or eliminate any standards or provisions unrelated to performance that present barriers to the purchase of recycled products (e.g., unnecessary brightness standards or their equivalents for paper and paper products shall be lowered to remove any impediments that these standards may pose to the purchase of recycled paper or recycled paper products), energy efficient products, renewable energy products, low toxicity products and alternatives to products that contain PBTs, and other products manufactured through environmentally sustainable methods.

7. The Director of the Division of Purchase and Property shall have the authority to extend any existing contracts under their current terms when the Director determines such extension to be in the best interests of the State.

8. Each State agency shall submit an annual report to the Division of Purchase and Property by August 31 of each year that details the types, volume and dollar amounts of recycled products, energy efficient products, renewable energy products, low toxicity products and alternatives to products that contain PBTs, and other products manufactured through environmentally sustainable methods purchased during the previous fiscal year. This report shall be submitted either electronically or on paper in accordance with subsections (c) and (d) of section 5 of this Order.

9. State agencies shall transition to energy efficient products and equipment, renewable energy products, recycled products, low toxicity products and alternatives to products that contain PBTs, and other products manufactured through environmentally sustainable methods as soon as possible but in a manner that avoids wasting of existing inventories and allows the phase-out of products inconsistent with this Order.

10. The Office of Clean Energy in the Board of Public Utilities and the Department of Environmental Protection shall provide technical assistance to the Director of Energy Savings, State agency coordinators, and the Division of Purchase and Property in support of implementation of this Order and shall promote innovative research and development to identify new recycled products, energy efficient products, renewable energy products, low toxicity products and alternatives to products that contain
PBTs, and other products manufactured through environmentally sustainable methods to be purchased by State agencies.

11. This Order shall not apply whenever inclusion in a contract of a provision or provisions of this Order would violate the terms, conditions, or limitations of any grant, funding or financial assistance from the federal government or any agency thereof.

WHEREAS, State employees, government officials and members of public bodies must at all times be accountable to the people of the State; and

WHEREAS, Public service must never be used for private gain; and

WHEREAS, Members of the governing boards of State institutions of higher education in New Jersey are responsible for the expenditure of substantial amounts of public dollars and must be fully cognizant of the Conflicts of Interest Law and the need to avoid even the appearance of impropriety; and

WHEREAS, Members of State university and college governing boards volunteer time and energy as a commitment to public service; and

WHEREAS, Current financial disclosure forms applicable to members of State university and college governing boards do not detail or identify with sufficient precision the conflicts of interest that all board members must avoid; and

WHEREAS, Multiple existing Executive Orders apply to members of State university and college governing boards and require disclosure forms that differ both in form and content; and

WHEREAS, An Advisory Group on Ethics Issues, consisting of former Governors Brendan Byrne and Thomas Kean, retired Supreme Court Justice Stewart Pollock, former Attorney General John Degnan, and
Princeton University President Shirley Tilghman, Ph.D., has reviewed and identified concerns regarding the current system and recommended various changes to the Governor; and

WHEREAS, A new and stricter conflicts of interest form will provide for clearer public accountability by requiring governing board members both to identify specifically potential conflicts of interest and to swear under the penalties of perjury that they are not engaged in a practice that constitutes a conflict of interest; and

WHEREAS, Requiring members of State university and college governing boards to complete and swear to the accuracy of a detailed and focused conflicts of interest form will enhance the State Ethics Commission’s ability to review information and enforce the Conflicts of Interest Law;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. No member of a governing board of a State university or college ("board member") or board member’s spouse, domestic partner, or child, parent, or sibling residing in the same household shall do business with the institution that the board member governs. For the purposes of this Order, the term “do business with” shall mean providing or receiving any goods or services or otherwise engaging in a transaction involving the exchange of anything of value.

2. No board member or board member’s spouse, domestic partner, or child, parent, or sibling residing in the same household shall be employed by or derive or receive compensation from any firm, association, or partnership that does business with the institution that the board member governs.

3. No board member shall own or control more than one percent of the profits or assets of a firm, association, or partnership that does business with the institution that the board member governs.

4. The prohibitions in paragraphs 1, 2, and 3 shall also apply to shareholders, associates, or professional employees of a professional service corporation with which the board member is associated or otherwise
affiliated regardless of the extent or amount of the board member's shareholder interest in such a corporation.

5. The State Ethics Commission ("Commission") is hereby authorized to grant an exception from the terms of paragraphs 2, 3, and 4 of this Order if, in the judgment of the executive director, the entity that is doing business with the institution is doing so pursuant to a contract awarded in accordance with the competitive bidding laws applicable to that institution or the public interest requires that an exception be made.

6. The Commission shall promulgate a conflict of interest form designed to identify and avoid conflicts of interest involving board members. Each form shall be as complete and detailed as necessary in the judgment of the State Ethics Commission to fully disclose all conflicts of interest or potential conflicts of interest.

7. Every board member shall file on an annual basis the conflicts of interest form on or before May 15, except that the 2006 filing must be made on or before July 1, 2006. Board members who are newly named to a board subsequent to the effective date of this Order shall file a conflicts of interest form no later than 120 days from their assumption of office.

8. Each conflict of interest form shall contain a sworn certification, under penalty of perjury, by the board member that he or she has read the statement, that to the best of his or her knowledge and belief it is true, correct, and complete, and that he or she has not transferred and will not transfer any asset, interest, or property for the purpose of concealing it from disclosure while retaining an equitable interest therein.

9. All State universities and colleges shall complete a list of all vendors and companies that do business with, or provide services to, their respective institutions ("vendor lists"). The institutions shall submit vendor lists to the Commission and to all individual board members no later than February 15 of each calendar year. Lists shall be provided this year no later than May 15, 2006.

10. The Commission shall use these vendor lists to evaluate conflicts of interest on an ongoing basis. In addition, individual board members shall use these lists to identify and avoid conflicts and to prepare their conflicts of interest form.
11. All State universities and colleges shall be required to update these vendor lists on a quarterly basis (namely, May 15, August 15, and November 15), and provide copies to the Commission and individual board members. The institutions shall also provide newly appointed board members with vendor lists when they join the governing board.

12. Periodic updating of vendor lists will enable board members to comply with their continuing obligation to identify and avoid conflicts of interest. Within 30 days of the receipt of a quarterly update, board members shall report any potential new conflicts to the Commission.

13. Each governing board of a State university or college shall incorporate the provisions of this Order into its code of ethics.

14. The Commission shall have the authority to enforce the terms of this Order.

15. In addition to all other civil and criminal penalties provided by law, a board member found by the Commission to have violated the provisions of paragraph 1, 2, 3, or 4 of this Order shall be fined not less than $500 nor more than $10,000 and may be suspended from office by order of the Commission for a period of not in excess of one year.

16. The failure of any board member to comply with the provisions of this Order shall constitute good cause for the appointing authority to remove the board member from office. If the Commission finds that the conduct of the board member constitutes a continuous and willful disregard of the provisions of the Order, the Commission may order the board member removed from office and may further bar the board member from holding any public office or employment in the State for a period not exceeding five years from the date on which the Commission made its finding.

17. For failure to file a conflicts of interest form, the Commission shall impose a civil penalty of $50 for each day of the violation, which penalty may be collected in a summary proceeding pursuant to the “Penalty Enforcement Law of 1999,” P.L. 1999, c.274 (C.2A:58-10 et seq.).
18. Executive Order No. 65 (2005) is hereby rescinded and Executive Order No. 1 (2006) is hereby amended by deleting paragraph 6(b)(ii) of section I thereof.

19. This Order shall take effect immediately.

Dated May 12, 2006.

EXECUTIVE ORDER No. 18

WHEREAS, On July 1, 2006, I signed Executive Order No. 17 declaring, inter alia, that a state of emergency exists in the State of New Jersey because of the absence of a General Appropriations Law for Fiscal Year 2007. The Order provided for the continuation of State services and functions that are essential to the health, safety, and welfare of the people of New Jersey, and established a framework for effectuating the orderly cessation of services and functions that are not essential; and

WHEREAS, It is not known when a General Appropriations Law will be enacted for Fiscal Year 2007; and

WHEREAS, Article V, Section I, Paragraph 12 and Article IV, Section I, Paragraph 4 of the New Jersey Constitution authorize the Governor to convene the Legislature in Special Sessions whenever in the Governor’s opinion the public interest shall require; and

WHEREAS, Article V, Section I, Paragraph 12 of the New Jersey Constitution requires the Governor to communicate to the Legislature, by message at the opening of each regular session and at such other times as the Governor may deem necessary, the condition of the State and to recommend such measures as the Governor may deem desirable; and

WHEREAS, The Constitution and the health, safety, and welfare of the people of New Jersey require that a State budget be adopted; and

WHEREAS, It is imperative that a General Appropriations Law for Fiscal Year 2007 be passed by the Legislature and enacted into law as soon as possible in order to minimize, to the extent possible, the damaging consequences of the current situation, as detailed in Executive Order No. 17;
NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

2. Pursuant to the provisions of Article V, Section I, Paragraph 12 and Article IV, Section I, Paragraph 4 of the New Jersey Constitution, it is my opinion that the public interest requires the Legislature to convene in order to fulfill its constitutional duty to pass a balanced General Appropriations Law for Fiscal Year 2007 and to consider legislation that is related to the State budget. I hereby call the Legislature to Special Sessions and direct that they convene commencing at 9:00 a.m. on July 4, 2006, and continuing for each day thereafter until a General Appropriations Law for Fiscal Year 2007 is enacted.

3. Pursuant to Article V, Section I, Paragraph 12 of the New Jersey Constitution, I deem it necessary to communicate to the Legislature by message to be delivered at the opening of the Special Sessions at 9:00 a.m. on July 4, 2006, and at such times thereafter as I may determine to be necessary or desirable.

4. This Order shall remain in effect until such time as a General Appropriations Law is enacted for Fiscal Year 2007.

5. This Order shall take effect immediately.

EXECUTIVE ORDER No. 19

WHEREAS, On July 1, 2006, a General Appropriations Law for Fiscal Year 2007 had not been enacted; and

WHEREAS, On July 1, 2006, I signed Executive Order No. 17 declaring, inter alia, that a state of emergency exists in the State of New Jersey because of the absence of a General Appropriations Law for Fiscal Year
2007. The Order provided for the continuation of State functions and services that are essential to the health, safety, and welfare of the people of New Jersey and established a framework for effectuating the orderly cessation of functions and services that were not deemed essential; and

WHEREAS, Executive Order No. 17 remains in effect until such time as a General Appropriations Law is enacted for Fiscal Year 2007; and

WHEREAS, The cessation of non-essential functions and services has continued for eight days and caused great disruption to the general public and the economy of this State; resulted in the closing of many vital State enterprises including all casinos, race tracks, the State lottery, State parks and beaches, motor vehicle offices, camps for children with disabilities, permitting and inspection operations required for the conduct of business, and virtually all State highway construction projects; and caused the loss of significant revenues to private businesses and the State; and

WHEREAS, An agreement has been reached as to the content of a General Appropriations Law for Fiscal Year 2007 that provides for predictable, reliable, and recurring revenues to match expenditures, and a bill incorporating that agreement has passed both houses of the Legislature; and

WHEREAS, It will require additional time for the bill to be reviewed and signed into law; and

WHEREAS, Under the present unique circumstances, it is in the best interests of the people of the State, and would further the protection of the health, safety, and welfare of the people of the State, to begin the orderly resumption of State government functions and services so that the government will be prepared to resume all functions and services immediately upon the signing of a General Appropriations Law for Fiscal Year 2007;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby DECLARE, ORDER, and DIRECT:

3. The State Treasurer and the Director of the Office of Management and Budget are hereby authorized to obligate funds for the purpose of paying for the resumption of these functions and services, but in the absence of a signed General Appropriations Law for Fiscal Year 2007 in accordance with Article VIII, Section II, Paragraph 2 of the New Jersey Constitution, no funds shall be disbursed except as provided by law.

4. All State officials and agencies shall cooperate fully in the implementation of this Order.

5. This Order shall take effect immediately.

Dated July 8, 2006.

WHEREAS, The State of New Jersey appreciates the importance of these services and recognizes the need to continue and improve both the quality of care and the living and working conditions of the providers; and

WHEREAS, The State of New Jersey, through the Department of Human Services, is vested with the regulatory authority, including but not limited to the establishment of reimbursement rates, and the administrative oversight responsibility for the operation of family child care homes; and

WHEREAS, To ensure quality standards of care, it is in the public interest for New Jersey to maintain a child care delivery system that encourages the recruitment and retention of quality family child care providers to deliver these vital services; and

WHEREAS, A majority of New Jersey’s registered and approved family child care providers have authorized either the American Federation of State, County and Municipal Employees, AFL-CIO (AFSCME) or the Communications Workers of America, AFL-CIO (CWA) to be their exclusive representative through individually-signed authorizations, not more than twelve (12) months old; and

WHEREAS, AFSCME and CWA have formed the Child Care Workers Union (CCWU) for the purpose of jointly representing family child care providers; and
WHEREAS, The State Board of Mediation has certified CCWU as having presented to the Board of Mediation authorization cards representing a majority of family child care providers;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Commissioner of the New Jersey Department of Human Services (DHS) or his/her designee, or if applicable the Commissioner of the Department of Children and Families or his/her designee, on behalf of the State of New Jersey, shall meet in good faith with the CCWU, as the recognized exclusive majority representative of all registered and approved family child care providers, for the purpose of entering into a written agreement regarding reimbursement rates, payment procedures, benefits, health and safety conditions and any other matters that would improve recruitment and retention of qualified family child care providers and the quality of the programs they provide, subject to the provisions of paragraph 6 below. Nothing in this Order shall require that an agreement be reached on any particular matter provided the parties act in good faith.

2. When an agreement is reached pursuant to paragraph 1 above, it shall be embodied in writing and shall be binding upon the State of New Jersey. Any agreement that requires rule making or statutory changes will be contingent upon the successful completion of such regulatory or legislative action. If any provisions of the agreement require legislative action, or require the appropriation of funds to be effective, the parties will jointly seek the enactment of such legislative action. If any provisions of the agreement require the adoption or modification of rules and regulations of any department or agency of State government to be effective, the department or agency shall seek the adoption or modification of such rules or regulations through appropriate regulatory action.

3. In affording family child care providers the right to act through an exclusive majority representative and seek an agreement with the State per the terms of this Order, the State intends that the “State Action” exemption to federal antitrust laws be fully available to the State, family child care providers and their exclusive representative and that exempt conduct shall be actively supervised by the Department of Human Services, or if applicable the Department of Children and Families.
4. Nothing in this Order is intended to give to family child care providers, or imply that family child care providers have, any right to engage in a strike or collective cessation of the delivery of child care services.

5. The agreement entered into between CCWU and the Commissioner may provide for the payment of union dues and representation fees.

6. Nothing in this Order shall be construed to grant family child care providers status as State employees for any purposes, including, but not limited to, the New Jersey Tort Claims Act (N.J.S.A. 59:1-1 et seq.), the New Jersey Temporary Disability Benefits Law (N.J.S.A. 43:21-25 et seq.), the New Jersey Unemployment Compensation Law (N.J.S.A. 43:21-1 et seq.), and the New Jersey Workers Compensation Law (N.J.S.A. 34:15-1 et seq.). Although family child care providers are not State employees, the subjects to be included in an agreement shall be consistent with those areas that are considered negotiable pursuant to the New Jersey Employer-Employee Relations Act (N.J.S.A. 34:13A-1 et seq.).

7. Nothing in this Order shall be construed to interfere with the rights of parents or guardians to choose family child care providers.

8. 9. Should any part of this Order be declared to be invalid or unenforceable, or should the enforcement of or compliance with any part of this Order be suspended, restrained or barred, by the final judgment of a court of competent jurisdiction, the remainder of this Order shall remain in full force and effect.

10. This Order shall take effect immediately.

EXECUTIVE ORDER No. 25

WHEREAS, Cable television is an important service upon which millions in our State rely for entertainment and information; and

WHEREAS, Competition among providers of cable television service has been shown to enhance the quality of, and reduce the price for, such service; and

WHEREAS, Today, the prospects for meaningful competition for the delivery of cable television service to consumers have been greatly improved through the emergence of new technologies and the development of a dynamic marketplace for cable television service; and

WHEREAS, New Jersey law governing the regulation of cable television service has not substantially changed since the enactment in 1972 of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 et seq. (the “Act”); and
WHEREAS, In order for New Jersey residents to enjoy the benefits of enhanced competition in an expeditious manner, substantial changes in the Act are necessary to make New Jersey's system of cable television regulation more flexible and adaptable to rapidly evolving technologies and market conditions; and

WHEREAS, The Legislature has passed, and I have signed into law, Assembly Committee Substitute for Assembly Bill No. 804 (2006) ("A-804"), legislation that makes these substantial changes and will accelerate the introduction of meaningful competition into the New Jersey cable television market through the issuance of "system-wide franchises"; and

WHEREAS, This Administration is committed to ensuring that all of New Jersey's communities receive the benefits of meaningful cable television competition as quickly as possible; and

WHEREAS, Verizon New Jersey Inc., which is the regulated local telephone service provider for millions of New Jersey residents, has committed to seeking a system-wide franchise and to investing more than $1.5 billion over the next three years to build a fiber-optic system that, within three years, is expected to be capable of providing cable competition to more than 3.5 million New Jersey residents. Further, Verizon also has indicated that, because of the density and other unique aspects of the New Jersey market, Verizon's long-range goal is to upgrade its network with fiber technology in wire centers throughout the State if consumers respond to its new video and data services as it anticipates; and

WHEREAS, In adopting A-804, the Legislature concluded that relying on a balance of market forces and legislative mandates is the best approach to achieve the goal of ensuring that all of New Jersey's communities receive the benefits of meaningful cable television competition as quickly as possible, and I concur with that conclusion; and

WHEREAS, The legislative mandates include so-called "build-out" requirements set forth in section 20(a) of A-804 as well as an explicit statutory prohibition against red-lining; and
WHEREAS, Section 20(a)(2) of A-804 describes the circumstances under which a system-wide franchisee will not be required to provide service to multiple-dwelling units ("MDUs"); and

WHEREAS, Concerned citizens and various organizations have raised concerns that I share about the potential negative impact of those provisions on those who reside in apartment buildings and other MDUs; and

WHEREAS, Section 20(b) of A-804 provides an enforcement mechanism to ensure that system-wide franchisees abide by the build-out requirements of section 20(a); and

WHEREAS, The effectiveness of this enforcement mechanism would be enhanced through strong and appropriate regulations and active monitoring by the Public Advocate; and

WHEREAS, The Act grants to the Director of the Office of Cable Television within the Board of Public Utilities ("BPU") the authority, subject to BPU approval, to promulgate regulations to implement the Act; and

WHEREAS, The Public Advocate is responsible for a broad range of consumer-protection and advocacy functions, including but not limited to promoting the public interest with respect to the provision of cable television and related services;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. In addition to all other regulations necessary or appropriate to implement A-804, the Director shall, with BPU approval, promulgate regulations providing guidance concerning the meaning of the terms that appear in Section 20(a)(2) of A-804, including the following: "claimed exclusive arrangements"; "standard technical solutions"; "commercially reasonable terms and conditions"; "after good faith negotiation"; and "reasonable terms and conditions."
2. The Director shall, with BPU approval, promulgate regulations requiring that, whenever a system-wide franchisee invokes an exception to the provision of service to a multiple-dwelling unit ("MDU") as set forth in section 20(a)(2)(a), (b) or (c) of A-804, the franchisee must promptly provide written notice of such invocation to both the BPU and the Public Advocate. Such written notice shall describe both the fact that an exception is being invoked as well as a thorough description of the reason or reasons supporting such invocation.

3. The Public Advocate shall monitor the activities of system-wide franchisees and bring appropriate enforcement actions, pursuant to section 20(b) of A-804 or otherwise, to protect the rights of residents of MDUs and all citizens and ensure that they receive appropriate coverage and service.

4. This Order shall take effect immediately.

EXECUTIVE ORDER No. 29

WHEREAS, On December 30, 1999, the State of New Jersey and the United States Department of Justice entered into a consent decree concerning the practice of racial profiling by the New Jersey State Police. The consent decree embraced many of the recommendations previously made by the State Police Review Team, which had found that the problem of racial profiling on portions of the New Jersey Turnpike was "real, not imagined"; and

WHEREAS, Compliance with the consent decree has been overseen by a team of independent monitors who were appointed by and who answer directly to the United States District Court for the District of New Jersey; and

WHEREAS, On June 27, 2006, the independent federal monitors issued a report to the United States District Court, finding that the New Jersey State Police have achieved 100% compliance with all of the
requirements in the consent decree and have gone beyond the requirements of the consent decree. The federal monitors concluded that there has been no indication of racial profiling in State Police traffic stops, and the monitors lauded the progress that has been made in implementing systemic reforms, crediting the State Police supervisory and management review process; and

WHEREAS, In July 2005, based on the documented success of the New Jersey State Police in addressing the racial profiling issue, and with the intention of having State Police policies and procedures serve as a model for all law enforcement agencies, the Attorney General issued a law enforcement directive defining and prohibiting the practice of "racially influenced policing," and directing that this nondiscrimination policy apply to all law enforcement agencies and departments throughout the State of New Jersey; and

WHEREAS, The independent monitors have determined that the State Police have been in compliance with the requirements of the consent decree for more than the two years necessary to authorize the termination of the consent decree, and the United States Department of Justice has sought the State's concurrence in filing a joint motion to terminate the consent decree in recognition of the commitment and achievement of the men and women of the New Jersey State Police; and

WHEREAS, It is appropriate to take actions to ensure that the commitment by the State Police to nondiscriminatory policing that has been recognized by the independent monitors and the Civil Rights Division of the United States Department of Justice is permanently institutionalized and continues as part of the agency's culture of professionalism and public service; and

WHEREAS, In evaluating whether to terminate the consent decree, it is appropriate to solicit input from New Jersey citizens, and especially representatives from the minority communities most directly affected by the practice of racial profiling, to ensure public confidence that racial profiling will not be practiced or tolerated in the future;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:
1. There is hereby established an Advisory Committee on Police Standards.

2. The Advisory Committee shall recommend to the Governor whether and under what circumstances the State of New Jersey should join with the United States Department of Justice in filing a motion to the United States District Court to terminate the consent decree.

3. The Advisory Committee shall make recommendations on how to ensure that the practice of racial profiling is not engaged in or tolerated in the future in the event that the consent decree is terminated by the United States District Court. The Advisory Committee shall consider, for example, whether it would be appropriate to retain outside auditors or consultants to continue to independently examine State Police data and mobile video recordings of motor vehicle stops, employing a review methodology similar to the one presently used by the independent federal monitors who have acted under the auspices of the United States District Court.

4. The Advisory Committee shall provide recommendations to the Attorney General and the Governor on how the programs developed by the New Jersey State Police can assist other law enforcement agencies throughout the State in preventing all forms of racial profiling.

5. The Advisory Committee shall conduct one or more public hearings in order to provide an opportunity for the federal monitors, representatives of the New Jersey State Police, New Jersey citizens and others to provide relevant testimony. The Advisory Committee shall also provide the means for citizens and others to submit comments by mail and by the internet.

6. The Advisory Committee shall be comprised of twenty-one (21) members who will be appointed by and serve at the pleasure of the Governor. Membership of the Committee shall include the Attorney General. The remaining members shall be appointed by the Governor based on their experience and expertise in matters concerning law, criminal justice, and the principles of equal protection and non-discrimination in the enforcement of the laws.

EXECUTIVE ORDER No. 34

WHEREAS, New Jersey maintains a diverse business community that includes many thousands of small businesses, which generate substantial economic activity and provide numerous employment opportunities throughout the State; and

WHEREAS, Small businesses that employ less than 100 people each account for nearly half of all jobs in the State; and

WHEREAS, The State's economic strength and vitality are inextricably linked to the continued growth and success of small and emerging business enterprises; and

WHEREAS, Minority- and women-owned businesses comprise a significant percentage of the State's small businesses; and

WHEREAS, New Jersey's diverse population is an invaluable asset to the State and its business community; and

WHEREAS, Each year the State enters into billions of dollars worth of contracts to obtain construction and construction-related services, as well as other goods and services needed by State departments and agencies; and

WHEREAS, It is a priority of my administration to take all necessary remedial steps to overcome the factors that have operated to prevent or inhibit participation by minority- and women-owned business enterprises in the procurement opportunities offered by the State, and to
ensure that State government renews its commitment to the utilization of minority- and women-owned business enterprises in its procurement practices through increased outreach, enhanced transparency, and effective monitoring of the progress made in this regard; and

WHEREAS, The State has previously taken steps intended to identify, quantify, and remedy racial and gender disparities resulting from its procurement practices; and

WHEREAS, In 1984, the State adopted the New Jersey Set-Aside Act, N.J.S.A. 52:32-17 et seq. (the "Set-Aside Act"), in an effort to address historic discrimination based upon race and gender in the State's procurement practices; and

WHEREAS, In 1989, the Supreme Court of the United States concluded, in the case of City of Richmond v. J.A. Croson Co., 488 U.S. 469 (1989), that a race-based set-aside program established by a local government entity was unconstitutional under the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution because it was not justified by a compelling interest and narrowly tailored to accomplish a remedial purpose; and

WHEREAS, The Supreme Court in Croson indicated that government set-aside programs based on racial classifications must adhere to strict constitutional standards, including that such programs or policies must be justified based on strong evidence of actual discrimination carried out by the governmental entity and that the program or policy must be narrowly tailored to remedy the discrimination; and

WHEREAS, In order to comply with the constitutional requirements outlined in the Croson decision, Governors Kean, Florio, Whitman, McGreevey, and Codey took various steps to evaluate past and present discrimination in the State's procurement practices, beginning with Governor Thomas H. Kean’s issuance of Executive Order No. 213 (1989) establishing the "Governor's Study Commission on Discrimination in Public Works Procurement and Construction Contracts" (the "Commission"); and

WHEREAS, The Commission issued its report in 1993, which contained evidence of widespread discrimination against firms owned and
operated by minorities and women and indicated that these firms experience pervasive exclusion from the public contracting process; and

WHEREAS, In light of the Commission’s findings, Governor James J. Florio issued Executive Order No. 84 (1993) establishing a set-aside program mandating that minority- and women-owned firms be awarded specific percentages of public contracts, and Governor Christine T. Whitman thereafter issued Executive Order No. 112 (2000), which established the “Governor’s Study Commission on Discrimination in State Employment and Contracting” (the “Study Commission”) and charged that Study Commission with the task of examining the nature and scope of any past or present discrimination in State employment and procurement practices; and

WHEREAS, The Study Commission, later renamed the “Disparity Study Commission,” continued its investigative work through the administrations of Governors James E. McGreevey and Richard J. Codey; and

WHEREAS, In 2003, the Set-Aside Act was permanently enjoined by a Consent Decree entered by the federal district court in the matter of GEOD v. State of New Jersey, Civil Action No. 01-2656 (SRC) (D.N.J.) (the “Consent Decree”) and following entry of the Consent Decree, Governor McGreevey issued Executive Order No. 71 (2003) eliminating set-aside goals for minority- and women-owned businesses and instead instituting a race- and gender-neutral small business set-aside program; and

WHEREAS, In 2005, the Disparity Study Commission issued its reports, the “Disparity Study of Procurement in Professional Services, Other Services and Goods and Commodities Report” and the “Construction Services Disparity Report” (the “Disparity Studies”), finding significant disparities between firms ready, willing, and able to do business with the State and those firms actually awarded contracts to provide goods and services to State departments, agencies, authorities, colleges, and universities; and

WHEREAS, The results of the Disparity Studies clearly demonstrate the necessity of immediate action to promote more inclusive purchasing and procurement processes;
NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby established within the Office of Economic Growth, which was created at the outset of this administration to oversee job creation and business expansion activities in the State of New Jersey, a Division of Minority and Women Business Development (the "Division").    b. Track and monitor, in coordination with the Division of Purchase and Property in the Department of the Treasury and the State departments, agencies, authorities, colleges, and universities, all of the State’s procurement practices, including but not limited to the share of contracting dollars paid to M/WBEs through formal bidding processes, pursuant to
delegated purchasing authority, and under cooperative purchasing agreements;

c. Establish standards and procedures that State departments, agencies, authorities, colleges, and universities shall use in developing annual procurement opportunity plans, which shall incorporate appropriate M/WBE utilization goals;

d. Obtain quarterly reports from each State department, agency, authority, college, and university relating to their purchasing and procurement activities;

e. Create and maintain an electronic M/WBE supplier database and ensure that listings of qualified M/WBEs are provided to the appropriate State entities as procurement opportunities arise; and

f. Provide an annual report to the Governor, the Legislature, and the public concerning the purchasing and procurement activities of the State departments, agencies, authorities, colleges, and universities.

5. The Director of the Division, or a designee, may consult with experts or other knowledgeable individuals in the public or private sector on any aspect of the Division’s mission.

6. Each State department, agency, authority, college, and university shall designate, within thirty (30) days of the issuance of this Order, an M/WBE liaison, who shall have direct, independent access to his or her Commissioner, Secretary, department head, or similar cabinet-level official concerning M/WBE program matters, including but not limited to coordination with the Director as required pursuant to this Order.

7. Furthermore, there is hereby established a Minority and Women’s Business Development Advisory Council (the “Council”). The Council shall be comprised of individuals representing varying racial, ethnic, and socio-economic backgrounds who have experience in business, State procurement and contracting processes, legal affairs concerning equal opportunity in public contracting, or other areas relevant to the activities of the Council.

8. No Council member shall actively seek to secure a State contract or other agreement to provide goods or services to the State on behalf of any entity or organization of any kind in which the member has any personal or pecuniary interest.
9. The Council shall consist of thirteen (13) voting members as follows:
   a. The Chief of the Office of Economic Growth, or a designee, who shall serve ex officio;
   b. The State Treasurer, or a designee, who shall serve ex officio;
   c. The Secretary of the New Jersey Commerce, Economic Growth and Tourism Commission, or a designee, who shall serve ex officio;
   d. Ten (10) public members, appointed by the Governor, two of whom shall be based upon the recommendation of the President of the Senate, provided that no more than one of whom shall be of the same political party, and two of whom shall be appointed based upon the recommendation of the Speaker of the General Assembly, provided that no more than one of whom shall be of the same political party.

10. The public members of the Council shall serve voluntarily and for terms of two years and until such time as a successor is appointed and qualified, except that of those members first appointed, five (5) shall be appointed for a term of two (2) years and five (5) shall be appointed for a term of one (1) year. Any vacancy caused by reason other than expiration of a member’s term shall be filled in the same manner as the original appointment for the unexpired term only.

11. The Governor shall designate a Chairperson who will preside over all meetings of the Council. A Vice-Chairperson may be selected by a majority vote of the Council.

12. The Council shall be provided with Executive Branch representatives who shall assist with administrative support and other necessary functions in order to carry out the duties of the Council.

13. The Council shall advise the Director and the Division on all matters referred to it by the Director, or a designee, and may make recommendations to the Director on other relevant policy and implementation matters as the Council deems appropriate.

14. As part of its duties under this Order, the Council may review the State’s current procurement and contracting practices and make recommendations for the improvement thereof. The Council may consult with experts or other knowledgeable individuals in the public or private sector on any aspect of its mission.
15. Each State department, agency, authority, college, and university is hereby directed, to the extent not inconsistent with law, to work cooperatively with the Division in order to increase participation by M/WBEs in the procurement opportunities offered by the State. The Division is authorized to call upon any State department, agency, authority, college, or university to provide such information, personnel, resources, or other assistance available to such agency as the Director deems necessary to discharge the responsibilities of the Division under this Order. Each State department, agency, authority, college, and university is hereby required, to the extent not inconsistent with law, to cooperate fully with the Division and to furnish the Division with such information and assistance on as timely a basis as is necessary to accomplish the purposes of this Order.

16. This Order shall take effect immediately.

EXECUTIVE ORDER No. 37

WHEREAS, The residents of New Jersey are entitled to a government that is effective, efficient, and free from corruption, favoritism, and waste; and
WHEREAS, There are numerous independent and quasi-independent governmental entities in this State commonly referred to as State authorities; and

WHEREAS, Those State authorities have capital and operating budgets cumulatively amounting to billions of dollars, but operate outside of the standard structure of the executive branch of State government; and

WHEREAS, Though operating outside the standard structure of the executive branch of State government, the State authorities are a part of the executive branch and thus are subject to the Governor’s executive powers pursuant to Article V of the New Jersey Constitution; and

WHEREAS, Greater coordination of the actions of the State authorities is necessary to ensure that State economic policy is implemented in a uniform and consistent manner, designed to achieve maximum gains in areas such as economic growth and job creation; and

WHEREAS, While strides have been made recently concerning ethics and governance reform at the State authorities, additional measures are needed to make authority operations more efficient, to bring greater transparency to the actions of the authorities, to provide greater clarity concerning the responsibilities of authority board members, and to ensure consistent adherence to appropriate financial controls; and

WHEREAS, It is imperative that when the State authorities award contracts to vendors, such contracts are awarded in a manner that is fair, transparent, and designed to ensure that the authorities are obtaining quality products and services at the best possible value; and

WHEREAS, Awarding a contract to the lowest responsible bidder is, in many circumstances, the method of awarding contracts that produces the best economic results; and

WHEREAS, In other circumstances, including procurement of professional services for sophisticated or complex transactions, price is a factor, but is not always the only factor, that should be considered in determining what firm should be awarded a contract; and
WHEREAS, It is nonetheless vital that all contracts be awarded based on price and quality factors, as opposed to favoritism or other impermissible considerations; and

WHEREAS, Further guidance in this area would help to ensure that those goals are reached; and

WHEREAS, Ultimately, maximization of the potential of the State's authorities is dependent upon qualified, talented, and honest men and women agreeing to serve on authority boards and in authority management positions, and further steps must be taken to recruit such individuals;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Governor's Office shall conduct periodic policy coordination meetings with the executive directors and chairs of the State authorities. At those meetings, the Office of Economic Growth shall present the State's economic growth strategies and goals to the State authorities. The State authorities are hereby directed to incorporate those strategies and goals into their capital plan development processes. The authorities shall submit their proposed capital plans to the Office of Economic Growth and the Governor's Authorities Unit for review and discussion. Those presentations shall include specific information as to how the authority's capital plan and other expenditures reflect the State's economic growth strategies.

2. On an annual basis, each State authority shall prepare a comprehensive report concerning the authority's operations. The report shall set forth the significant actions of the authority from the previous year, including a discussion of the degree of success the authority had in promoting the State's economic growth strategies and other policies. In addition, the report shall include authority financial statements and identify internal financial controls at the authority that govern expenditures, financial reporting, procurement, and other financial matters and transactions. The report shall contain a certification by the appropriate senior staff member(s) that during the preceding year the authority has, to the best of their knowledge, followed all of the authority's standards, procedures, and internal controls, or, where such certification is not
warranted, shall set forth the manner in which such controls were not followed and a description of the corrective action to be taken by the authority. Following approval of the report by the board of directors, a copy of the report shall be submitted to the Governor’s Authorities Unit and posted on the authority’s web-site.

3. The Governor’s Authorities Unit shall continue its ongoing monitoring and oversight of the State authorities, and shall continue to review minutes of authority proceedings for the purpose of recommending gubernatorial veto or approval of those minutes.

4. The boards of directors at the State authorities shall have the following responsibilities, among others, which are designed to ensure that each authority operates in an efficient, transparent, and ethical manner:
   a. Exercise direct oversight over the chief executive officer, chief financial officer, and other senior management at the authority;
   b. Ensure that appropriate financial controls are in place at the authority and that an audit committee has been appropriately impaneled to the extent required by Executive Order No. 122 (2004);
   c. Maintain procurement policies and procedures that are consistent with the provisions of this Order and statutory law concerning competitive bidding;
   d. Ensure compliance with all legislation that prohibits the awarding of contracts to businesses that have made disqualifying political contributions;
   e. Establish policies concerning personnel matters, such as job qualifications, hiring practices, and compensation;
   f. Establish all policies necessary to implement provisions of governing ethics laws, including but not limited to Executive Order No. 36 (2005) and Executive Order No. 41 (2005);
   g. Require authority management to post notice of authority board meetings and agendas and a copy of meeting minutes on the authority’s web-site; and
   h. Disclose, on an annual basis, any outside business dealings that board members, their employers, or their immediate family members have had with the authority during the previous year, and require senior authority staff to do the same. The disclosures shall be made via certifications submitted by individual board members and senior staff to the board.
5. All procurement contracts to be awarded by State authorities are to be advertised in a way designed to ensure that potentially interested, qualified firms receive appropriate notice of the proposed contract and a fair opportunity to seek it. Each State authority shall promulgate standing procedures for the public advertising of such contracts, which typically would be expected to include advertisement in appropriate publications and on the authority's web-site.

6. The State's Office of Information Technology is hereby directed to develop and establish a single web-site to serve as an additional location at which all State authority procurement contracts shall be posted. Once the web-site is operational, each State authority shall post all proposed procurement contracts on this site. The Office of Information Technology shall develop procedures to facilitate such postings.

7. All procurement contracts are to be awarded by State authorities in accordance with pre-set, transparent procedures established by each authority and reviewed by the Governor's Authorities Unit. For every contract to be awarded, a description of the contract to be awarded as well as any project specifications and related information shall be made available in writing to interested parties. All proposals, bids, or other responses to an advertised contract shall be submitted in written or electronic form and, in cases where the contract is to be awarded to the low bidder, shall be sealed until opened with all other bids.

8. The State authorities may hold pre-bid conferences with interested parties to explain project specifications, to explain the factors on the basis of which the contract will be awarded, and/or to answer any questions. The location, time, and other information concerning the pre-bid conference shall be set forth with the advertised contract or otherwise appropriately advertised prior to the due date for responses.

9. Absent exceptional circumstances, contracts for the purchase of materials, products, supplies, and non-professional services shall be awarded to the lowest responsible bidder that submits a responsive bid. Where a State authority proposes to award such a contract to someone other than the low bidder, it must explain the exceptional circumstances justifying such a decision in the proposed resolution awarding the contract. Where, however, statutory law requires a state authority to award particular
types of contracts to the lowest responsible bidder without exception, that law shall continue to apply.

10. The State authorities may award contracts for professional services or technical services on the basis of multiple factors as opposed to simply on the basis of cost. Each authority shall establish a fair and transparent process for awarding such contracts, including setting forth in writing the scoring factors and scoring procedures to be used. The Governor’s Authorities Unit shall provide each State authority with sample numerical, quantitative scoring techniques that can be used to evaluate proposals. The scoring system may not be designed to improperly steer a contract or contracts to a particular firm or set of firms. Similarly, project specifications shall not be drafted in such a way as to steer a contract to a particular firm or set of firms. Each State authority shall review its ongoing and open-ended professional services contracts and establish a timetable for periodic advertising and re-evaluation of those contracts in accordance with the terms of this Order.

11. Factors that State authorities may use as a part of this scoring process include but are not limited to the following:
   a. The background, qualifications, skills, and experience of the firm and its staff;
   b. The firm’s degree of expertise concerning the area at issue;
   c. The rate or price to be charged by the firm;
   d. The authority’s prior experiences with the firm;
   e. The firm’s familiarity with the work, requirements, and systems of the State authority;
   f. The firm’s proposed approach to the issues raised in the project description or specifications;
   g. The firm’s capacity to meet the requirements of the project at issue;
   h. The firm’s references;
   i. Interviews with prospective firms; and
   j. Geographical location of the firm’s offices.

12. In accordance with State policy, and particularly Executive Order No. 34 (2006), the procurement process shall include efforts to ensure equal opportunity for minority-owned, women-owned, and small business enterprises.
13. Prior to the receipt of any proposals or qualifications concerning a professional service or technical services contract, the State authority shall establish an appropriately qualified Evaluation Committee to review and score the proposals submitted. The authority shall screen the members of the committee for conflicts of interest and for the appearance of such a conflict. Similarly, members of the authority’s board of directors shall not participate, either directly or indirectly, in the procurement process where such a member has a conflict of interest or there is an appearance of such a conflict.

14. The analysis of relevant factors that leads the State authority to award the contract to a particular firm shall be memorialized, in summary form, in the proposed resolution awarding the contract.

15. For professional services rendered in connection with bond sales, related financial instruments, and litigation matters, where similar services are expected to be required on numerous occasions over a period of time, the procedures and criteria set forth herein may be used to create a prequalified group or “pool” of potential contract partners for a term not to exceed two years. The establishment of such a pool may not be used to circumvent a genuine competitive process that ensures that quality service is being obtained at the best possible value. The request for proposals/qualifications or similar document advertising the formation of the pool shall make clear the basis on which individual firms will be selected from the pool to perform particular services. That selection may be based, for example, on the price to be charged by the pool member on the particular transaction and the relative strengths of each pool member in view of the particular transaction, through a process of alternating firms, or other justifiable approaches.

16. The above provisions concerning public advertisement and competitive processes shall not apply in the following limited circumstances:

a. Where the contract price is below the bid threshold set forth by the State Treasurer pursuant to N.J.S.A. ss.52:34-7(b), unless other State law sets forth a lower bid threshold in a particular case, in which case the lower threshold shall apply. An authority may not divide a contract into multiple proposed contracts in order to take advantage of this exception and must, if invoking this exception, certify that it has not done so and must maintain a record of that certification. Although this exception permits a State
authority to avoid the formal procedures promulgated in accordance with this Order, it is expected that each State authority will advertise and employ a competitive process of some type even for small-dollar contracts to the extent it is feasible and economical to do so. That less-formal process may include obtaining telephonic quotations or obtaining written quotations following more limited advertising. The process used shall be memorialized in the certification referred to above.

b. In cases of unforeseen life, safety, or health emergencies where the public exigency requires that services or products be purchased immediately, as demonstrated by the memorialized concurrence of three authority officials who have been pre-designated to make such determinations. This exception is a limited one; the State authorities shall make efforts to contract in advance to deal with the types of emergencies that typically arise. In addition, the emergency contract must be limited to purchasing those services or products necessary to mitigate the emergency situation.

c. Sole-source awards made when there is only one vendor capable or available to provide the goods or services. Sole-source procurements should be used only in exceptional circumstances and only when necessary. When an authority invokes this exception, the designated authority officer shall write and sign a memorandum of sole-source justification.

d. Contracts with the federal or any state government or any agency or political subdivision thereof.

e. Where a firm has brought an innovative idea to the authority, a request for proposals cannot be constructed without communicating the new idea, and the procurement would not benefit from a competitive selection process.

f. Where State or federal statutory law requires a different process than that set forth herein.

g. Where the authority has received authorization from the Governor’s Authorities Unit.

17. Where one of the above exceptions is invoked, the proposed resolution concerning the contract shall set forth the justification for invoking the exception and the authority’s executive director shall certify that circumstances warrant application of the exception.

18. Senior management at each authority shall annually review authority operations with the specific goal of identifying waste and
inefficiencies, and take appropriate remedial steps that shall be reported to the Governor’s Authorities Unit.

19. This Order shall apply to all State authorities, namely, all independent State authorities, any board, commission, or agency that is organized in but not of a principal department of State government, and all State authorities that are required to submit their minutes, resolutions, or actions for gubernatorial approval or veto.

20. In view of this Order, the Office of the Attorney General of New Jersey shall conduct a review of the procedures that that office uses in instances when it has a role in the appointment of counsel for the State’s authorities.

22. State authorities shall continue to comply with the audit requirements of Executive Order No. 122 (2004). Aside from this paragraph, nothing in this Order is intended to affect the provisions of Executive Order No. 122. However, that Order is hereby amended to add the following requirements:
   a. The required audit shall be conducted annually;
   b. The audit shall be submitted to the board of directors for its review and, if accepted, approval;
   c. The audit shall be accompanied by a written certification from both the chief executive officer and the chief financial officer that the financial information provided to the auditor in connection with the audit is, to the best of their knowledge, accurate and that such information, to the best of their knowledge, fairly represents the financial condition and operational results of the authority for the year in question; and
   d. The final, approved audit shall be posted on the authority’s website and submitted to the State Treasurer and the Governor’s Authorities Unit.

23. It is the policy of this administration to seek candidates for membership on State authority boards from all sectors, including academia, business, and labor. All interested New Jersey residents are invited to send their qualifications to the Governor’s Appointments Office, 125 West State Street, Trenton, NJ 08625, for inclusion in the “Talent Bank” being
EXECUTIVE ORDERS

compiled by that office. That office shall continue to seek out qualified, experienced, and honest individuals interested in serving their State in this capacity, while carefully screening applicants for any actual, perceived, or potential conflicts of interest.

24. This Order shall take effect 60 days from the date of its execution, although State authorities are instructed to begin complying immediately with the terms of this Order to the extent possible.

Dated September 26, 2006.

EXECUTIVE ORDER No. 39

WHEREAS, The 1999-2000 Advisory Commission on Hospitals identified excess hospital capacity as a major cause of the general financial
distress that characterized New Jersey’s general acute care hospitals at that time; and

WHEREAS, There has been no comprehensive evaluation of the financial condition of New Jersey’s general acute care hospitals since the report of the 1999-2000 Advisory Commission on Hospitals; and

WHEREAS, Since 1999, 10 general acute care hospitals have permanently closed in New Jersey, reducing the number of such hospitals to 80; and

WHEREAS, Despite this reduction in excess hospital capacity, in 2004 New Jersey’s general acute care hospitals had a median operating margin slightly above one percent, and an average operating margin of 0.4 percent, well below the national average of 4.04 percent and the Northeast region average of 2.86 percent; and

WHEREAS, In 2004, 45 percent of New Jersey’s general acute care hospitals operated with a negative margin; and

WHEREAS, In 2006, one general hospital closed, two general hospitals filed for bankruptcy, and one general hospital was authorized to convert to a municipal hospital authority; and

WHEREAS, General acute care hospitals remain, despite technical advances that have shortened the length of in-patient stays and moved many services to an outpatient setting, crucial links in New Jersey’s overall continuum of health care services; and

WHEREAS, All general acute care hospitals provide a wide range of health care services to New Jersey’s residents that are not available from any other source; and

WHEREAS, There has been no comprehensive State planning in more than a decade to assure an ongoing appropriate correlation between hospital capacity and demand for hospital services Statewide; and

WHEREAS, Government and industry have a compelling interest in supporting a structured, rational assessment of in-patient capacity and primary care outcomes in order to support continued access to care and to promote better health outcomes; and
WHEREAS, The hospital industry is the fifth largest industry in the State, providing nearly 150,000 jobs; and

WHEREAS, Health care workers play a crucial role in ensuring access to quality health care, and government and industry have a mutual interest in promoting and supporting an adequate and stable health care workforce; and

WHEREAS, There is a need to develop, for the benefit of the residents of New Jersey, a comprehensive Health Care Resource Allocation Plan to promote the rational use of public and private health care resources and services; and

WHEREAS, Given the State’s significant financial investment in existing general acute care hospitals, there is a need for greater accountability regarding resource allocation; and

WHEREAS, Given the financial distress many New Jersey hospitals face and the limited State funds available to assist hospitals, there is a need to examine whether closure is appropriate for any struggling, non-essential hospital, and whether those underutilized hospital assets can be redeployed for other health care or otherwise appropriate purposes as well; and

WHEREAS, There is no formal State policy to ensure that general acute care hospitals that are essential for access to health care, especially for low-income and medically underserved communities, will continue to operate in a fiscally sound and effective manner;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby established the Commission on Rationalizing New Jersey's Health Care Resources ("Commission").

2. All members of the Commission shall be appointed by the Governor and shall serve at his pleasure. The Governor shall also select the chair of the Commission. All members of the Commission shall serve without compensation.
3. There shall be 11 members appointed to the Commission. The members shall be broadly representative of the health care industry with a specific emphasis on general acute care hospitals in New Jersey.

4. The Commission shall organize as soon as practicable after the appointment of a majority of its members.

5. The Commission is authorized to call upon any department, office, division or agency of this State to supply it with data and any other information, personnel or other assistance available to such agency as the Commission deems necessary to discharge its duties under this Order. Each department, office, division or agency of this State is hereby required, to the extent not inconsistent with law, to cooperate fully with the Commission within the limits of its statutory authority and to furnish it with such assistance on as timely a basis as is necessary to accomplish the purposes of this Order. The Commission may consult with experts or other knowledgeable individuals in the public or private sector on any aspect of its mission. In particular, the Health Care Facilities Financing Authority shall assist the Commission in accomplishing the purposes of this Order.

6. The Commission shall perform the following tasks:
   a. Assess the financial and operating condition of New Jersey's general acute care hospitals by benchmarking them against national performance levels; compare the performance of New Jersey's general acute care hospitals to the performance of general acute care hospitals in a group of similar states; compare the array of programs and services offered by a hospital with the core mission of that hospital and the existing availability of those services at other hospitals within their region; and evaluate the effectiveness of established programs in meeting their intended objectives;
   b. Analyze the characteristics of New Jersey's most financially distressed hospitals to identify common factors contributing to their distress including the availability of alternative sources of care such as federally qualified health centers and other ambulatory care providers;
   c. Determine appropriate geographical regions throughout New Jersey for provision of access to medical care for the residents of New Jersey, including those who are low-income and medically underserved, and assess the current and projected future demand for physician, hospital, federally qualified health center and other ambulatory care providers in each such region and compare that future demand with existing capacity;
   d. Develop criteria for the identification of essential general acute care hospitals in New Jersey and use the criteria developed to determine
whether a financially distressed hospital at risk of closing is essential to maintaining access to health care for the residents of New Jersey;

e. Make recommendations for the development of State policy to support essential general acute care hospitals that are financially distressed including the development of performance and operational benchmarks for such hospitals;

f. Make recommendations on the effectiveness of current State policy concerning assistance to financially distressed hospitals that are non-essential and that seek to close but require debt relief or other assistance to enable them to do so, and make recommendations on ways to improve State policy to facilitate such closures;

g. Evaluate appropriate alternative uses to which such facilities might be put, including but not limited to, their potential redeployment as federally qualified health centers, other ambulatory care providers, physician offices and treatment facilities;

h. Develop and publish a State Health Care Resource Allocation Plan to promote the rational use of public and private health care resources, labor, and technology and to serve as the basis for reviewing and approving the development and/or redeployment of health care assets and services around the State;

i. Review existing Certificate of Need statutes and regulations to ensure consistency with the State Health Care Resource Allocation Plan and recommend amendments and/or revisions to achieve that objective if necessary;

j. Make recommendations to strengthen State oversight and ensure greater accountability of State resources; and

k. Issue a written report of its findings and recommendations no later than June 1, 2007, to the Governor, the Senate President, the Senate Minority Leader, the Assembly Speaker, and the Assembly Minority Leader.

7. The Governor at his discretion may reconvene the Commission every three years to reevaluate and update the State Health Care Resource Allocation Plan. The Department of Health and Senior Services shall, in the interim periods, continue to collect necessary data for the Commission to review if it is reconvened.

8. This Order shall take effect immediately.

Dated October 12, 2006.

EXECUTIVE ORDER No. 41

WHEREAS, New Jersey governors traditionally have issued Executive Orders granting the day after Thanksgiving as a day off for employees in the Executive Departments of State government; and

WHEREAS, I firmly believe that, as a matter of sound practice, days off should not be granted in this manner but should be either negotiated or statutorily authorized; and

WHEREAS, Because the granting of a day off on the day after Thanksgiving has been a longstanding practice such that employees may have made plans based on the expectation that such a day off would be granted this year, that practice will not be changed for this year; and

WHEREAS, In the future I will not continue the practice of granting the day after Thanksgiving as a day off by Executive Order, and the
determination of whether employees are able to treat the day after Thanksgiving as a paid day off will be made based on collective negotiations or statutory authorization;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. November 24, 2006, the day following Thanksgiving, shall be granted as a day off to employees who work in the Executive Departments of State Government and who are paid from State funds or from federal funds made available to the State, whose functions, in the opinion of their appointing authority, permit such absence.

2. An alternate day shall be granted to the aforementioned category of employees whose functions, in the opinion of their appointing authority, precludes such absence on November 24, 2006.

WHEREAS, Information technology plays an integral role in promoting a robust economy and a sustainable workforce in the State; and

WHEREAS, There is a current lack of accountability, control, monitoring, and oversight of State department and agency information technology projects;

NOW, THEREFORE, I, JON S. CORZINE, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby established a State of New Jersey Technology Governing Board (Governing Board). This Board shall be responsible for setting the overall direction, standards, and priorities for the information technology community in the executive branch of State government and for reviewing and approving the annual budget request of the Office of Information Technology (OIT). Also, all requests from departments and agencies for new information technology spending shall first be submitted to and approved by the Governing Board before submission to the Office of Management and Budget.

2. The Governing Board shall be chaired by an individual who shall be appointed by and serve at the pleasure of the Governor and shall possess the management experience and technology background to govern a complex technology landscape. The Governing Board shall meet quarterly, or more frequently, as directed by the Chair.

7. The CTO shall draft and establish Service Level Agreements with each department. The purpose of these agreements will be to set and manage expectations and the levels of service response among OIT, the Deputy CTOs, and the individual department or agency operations. The agreements should also establish priorities and allocate the resources necessary to achieve such priorities.
8. There is hereby established a Project Review Board (PRB), which shall report directly to the Governing Board. The PRB shall be comprised of between three (3) and five (5) executive branch officials selected by the Chair of the Governing Board, with the approval of the Governor, and shall be responsible for the review, approval, and monitoring of large executive branch information technology projects. Effective immediately, a moratorium on executive branch information technology expenditures is hereby imposed to enable the CTO and the Governing Board to develop a consolidation proposal pursuant to Paragraph 9 of this Order as well as to provide the Governing Board an opportunity to identify information technology priorities for the State as provided for in Paragraph 1 of this Order. The CTO and the Director of the Office of Management and Budget shall, within 30 days of the date of this Order, jointly develop and issue a circular letter setting forth details of the moratorium and an exception process.

The position of Chief Technology Officer created by Executive Order No. 87 (1998) is hereby abolished. Any other provisions of Executive Order No. 84 (1984) and Executive Order No. 87 (1998) that are inconsistent with the provisions of this Order are hereby rescinded.

15. This Order shall take effect immediately.
