CHAPTER 194

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17B:25-21 Short title.
1. This act shall be known and may be cited as the "Indexed Standard Nonforfeiture Law for Individual Deferred Annuities."

C.17B:25-22 Inapplicability of act.
2. This act shall not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.408), as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this State through an agent or other representative of the company issuing the contract.

C.17B:25-23 Required provisions for contract of annuity.
3. a. No contract of annuity to which this act applies shall be delivered or issued for delivery in this State on or after the second anniversary of the effective date of this act, or any earlier date as elected by the company pursuant to section 14 of this act, unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the Commissioner of Banking and Insurance are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:

   (1) That upon cessation of payment of considerations under a contract, or upon the written request of the contract owner, the company shall grant a paid-up annuity benefit on a plan stipulated in the contract of that value provided by sections 5, 6, 7, 8 and 10 of this act;

   (2) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the company shall pay in lieu of a paid-up annuity benefit a cash surrender benefit in the amount provided by sections 5, 6, 8 and 10 of this act. The company may reserve the right to defer the payment of the
cash surrender benefit for a period not to exceed six months after demand therefor with surrender of the contract after making written request and receiving written approval of the commissioner. The request shall address the necessity and equitableness to all policyholders of the deferral;

(3) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of the benefits; and

(4) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which the benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract or any prior withdrawals from or partial surrenders of the contract.

b. Notwithstanding the requirements of this section, a deferred annuity contract may provide that if no considerations have been received under a contract for a period of two full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from prior considerations paid would be less than $20 monthly, the company may at its option terminate the contract by payment in cash of the then present value of the portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by this payment shall be relieved of any further obligation under the contract.

C.17B:25-24 Minimum values.

4. The minimum values provided by sections 5, 6, 7, 8 and 10 of this act of any paid-up annuity, cash surrender or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as defined in this section.

a. (1) The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to that time at rates of interest as indicated in subsection b. of this section of the net considerations, as defined in paragraph (2) of this subsection, paid prior to that time, decreased by the sum of subparagraphs (a) through (d) below:

(a) Any prior withdrawals from or partial surrenders of the contract accumulated at rates of interest as indicated in subsection b. of this section;

(b) An annual contract charge of $50, accumulated at rates of interest as indicated in subsection b. of this section;

(c) Any premium tax paid by the company for the contract, accumulated at rates of interest as indicated in subsection b. of this section; and

(d) The amount of any indebtedness to the company on the contract, including interest due and accrued.
(2) The net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount equal to 87.5% of the gross considerations credited to the contract during that contract year, except that in the case of a single premium contract, net considerations shall consist of 90% of the gross considerations credited to the contract during that contract year.

b. The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of 3% per annum or the following, which shall be specified in the contract if the interest rate will be reset:

(1) The five-year Constant Maturity Treasury Rate reported by the Federal Reserve Board as of a date, or average over a period, rounded to the nearest 1/20th of one percent, specified in the contract no longer than 15 months prior to the contract issue date or redetermination date under paragraph (4) of this section;

(2) Reduced by 125 basis points;

(3) Where the resulting interest rate is not less than 1% per annum; and

(4) The interest rate shall apply for an initial period, and may be redetermined for additional periods. The redetermination date, basis and period, if any, shall be stated in the contract. The basis is the date or average over a specified period that produces the value of the five-year Constant Maturity Treasury Rate to be used at each redetermination date.

c. During the period or term that a contract provides a substantive participation in an equity indexed benefit, it may increase the reduction described in paragraph (2) of subsection b. of this section by up to an additional 100 basis points to reflect the value of the equity index benefit. The present value at the contract issue date, and at each redetermination date thereafter, of the additional reduction shall not exceed the market value of the benefit. The commissioner may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit. If that demonstration is not acceptable to the commissioner, the commissioner may disallow or limit the additional reduction.

d. The commissioner may adopt rules to implement the provisions of subsection c. of this section which provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts that the commissioner determines adjustments are justified.

C.17B:25-25 Paid-up annuity benefit.

5. Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. Present value
shall be computed using the mortality table, if any, and the interest rates specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

C.17B:25-26 Cash surrender benefits, determination of present value.

6. For contracts that provide cash surrender benefits, the cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit that would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender, reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, which present value shall be calculated on the basis of an interest rate not more than 1% higher than the interest rate specified in the contract for accumulating the net considerations to determine maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event shall any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

C.17B:25-27 Determination of present value.

7. For contracts that do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine maturity value, and increased by any additional amounts credited by the company to the contract. For contracts that do not provide any death benefits prior to the commencement of any annuity payments, present values shall be calculated on the basis of that interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

C.17B:25-28 Determination of benefits.

8. a. For the purpose of determining the benefits calculated under sections 6 and 7 of this act, in the case of annuity contracts for which the maturity date is stated, that maturity date shall not be after the later of: (1) the
anniversary of the contract next following the annuitant's seventieth birthday; or (2) the tenth anniversary of the contract. In the case of annuity contracts under which an election may be made to have annuity payments begin at optional maturity dates, the maturity date shall be deemed to be the latest date for which election is permitted by the contract, but shall not be deemed to be later than the latest date permitted for an annuity contract with a stated maturity date.

b. The amount of benefits calculated under sections 6 and 7 of this act on or after the stated or deemed maturity date shall not be reduced by any surrender charge. The amount of the benefits calculated under sections 6 and 7 of this act on or after the stated or deemed maturity date shall not be less than the greater of: (1) the present value of annuity benefits available on or after the maturity date, computed according to the assumptions stated in section 5 of this act; and (2) the amount available on or after the maturity date to be applied to the purchase of an annuity on a basis stated in a contract.

c. Contracts providing for flexible considerations may have separate surrender charge schedules associated with each consideration, provided that the nonforfeiture values are at least as great as they would be if each consideration had been a separate single consideration contract based on the requirements of subsection a. of section 4 of this act. For the purpose of determining the maturity date, the tenth anniversary of the contract shall be determined separately for each consideration.

The provisions of this section shall apply notwithstanding section 1 of P.L.2001, c.237 (C.17B:25-18.4), shall take precedence over that section of law, and shall apply to annuity contracts regardless of whether the requirements of that section have been met.

9. A contract that does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that those benefits are not provided.

10. Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
CHAPTER 194, LAWS OF 2005

11. For a contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum forfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of sections 5, 6, 7, 8 and 10 of this act, additional benefits payable in the event of total and permanent disability, as reversionary annuity or deferred reversionary annuity benefits, or as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this act. The inclusion of those benefits shall not be required in any paid-up benefits unless the additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits.

12. The Commissioner of Banking and Insurance may adopt rules to implement the provisions of this act pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.178:25-20.1 Supersedure of standard nonforfeiture law, certain.

C.178:25-33 Effective date, applicability.
14. This act shall take effect immediately and shall apply as follows:
a. Before the second anniversary of the effective date of this act, on a contract form-by-contract form basis, to those annuity contracts for which the company has filed a notice of election of applicability with the Commissioner of Banking and Insurance. A company that elects not to file using the "Indexed Standard Forfeiture Law for Individual Deferred Annuities," P.L.2005, c.194 (C.17B:25-21 et al.), may continue to use contract forms
which use the interest rate of 1 1/2% per annum for minimum nonforfeiture values as specified by paragraph (4) of subsection g. of section 5 of P.L.1981, c.285 (C.17B:25-20).

b. In all other instances, to all annuity contracts issued by the company on or after the second anniversary of the effective date.

Approved August 18, 2005.

CHAPTER 195

AN ACT concerning certain enforcement powers of the Department of Banking and Insurance, supplementing Title 17 of the Revised Statutes and repealing parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:1-25 Findings, declarations relative to enforcement powers of Department of Banking and Insurance.

1. The Legislature finds and declares that:
   a. Financial institutions increasingly influence and affect the lives and livelihood of consumers in this State to such a degree that the actions, and the potential adverse consequences of any possible abuse by those institutions, need to be diligently monitored and, when appropriate, adequately constrained.
   b. Expanding and strengthening the enforcement powers of the Division of Banking within the Department of Banking and Insurance is needed in order to permit the division to maintain and fulfill its duty of responsible oversight of those financial institutions chartered or operating under New Jersey law.
   c. Modeling these enhanced enforcement powers on those powers currently provided to and utilized by federal financial regulatory agencies will facilitate a uniform approach to regulatory oversight of all financial institutions and promote consistency in efficient and effective regulatory enforcement.

C.17:1-26 Definitions relative to enforcement powers of Department of Banking and Insurance.

2. As used in this act, and except as otherwise expressly provided in this act:
   "Bank" means a bank as defined in subsection (1) of section 1 of P.L.1948, c.67 (C.17:9A-1).
   "Commissioner" means the Commissioner of Banking and Insurance.
"Control" means:

(a) in good faith, in a fiduciary capacity, except where those voting securities are held in a trust that constitutes a person; or
(b) in the regular course of securing or collecting a debt previously contracted in good faith which securities are disposed of within a period of two years after the date on which they were acquired or after the enactment of this act, whichever is later.

(3) A person is deemed to control voting securities or assets owned, controlled or held directly or indirectly:
(a) by any subsidiary of the person;
(b) in a fiduciary capacity, including by pension and profit-sharing trusts, for the benefit of the shareholders, members, employees or individuals serving in similar capacities, of the person or of any of its subsidiaries; or

"Department" means the Department of Banking and Insurance.
"Director" means a director of a bank and a manager of a mutual savings bank or mutual State association.
"Major shareholder" means anyone who owns voting securities of a covered institution and exercises control as defined in this section, and shall mean a depositor of a mutual State association which exercises control as defined in this section.

or limited partnership, or members of a limited liability company is controlled in any manner by a covered institution; or (3) any entity, with respect to the management of the policies of which a covered institution has the power, directly or indirectly, to exercise a controlling influence.

"Voting securities" means shares of common or preferred stock, general or limited partnership shares or interests or similar interests if the shares or interests, by statute, charter, or in any manner, entitle the holder:

(1) To vote for or to select directors, trustees, partners or persons exercising similar functions for the issuing person; or

(2) To vote on or to direct the conduct of the operations or other significant policies of the issuing person.

Preferred shares, limited partnership shares or interests or similar interests are not "voting securities" if:

(1) Any voting rights associated with the shares or interests, including the right to select or vote for the selection of directors, trustees or partners or persons exercising similar functions, are limited solely to the type customarily provided by statute with regard to matters that would significantly and adversely affect the rights or preference of the security or other interest, such as the issuance of additional amounts or classes of senior securities, the modification of the terms of the security or interest, the dissolution of the issuing person, or the payment of dividends by the issuing person when preferred dividends are in arrears, or, entitle the holder thereof to vote for the election of directors, trustees or partners or persons exercising similar functions only as the result of the failure to pay a dividend or to fulfill an obligation or satisfy a condition specified by the terms of the shares or interests; and

(2) The shares or interests represent an essentially passive investment or financing device and do not otherwise provide the holder with control over the issuing person.

3. No bank, savings bank, State association, or any officer, director, employee, or major shareholder thereof, shall:

a. Fail to comply with an order or other written instruction of the commissioner or any other financial regulatory agency;

b. Violate a State or federal law;

c. Take any action, or fail to take an action, with the result that a material interest of the covered institution is adversely affected;

d. Be convicted of a crime that would permit adverse action by a governmental agency pursuant to P.L.1968, c.282 (C. 2A:168A-1 et seq.);
e. Provide incorrect, misleading, incomplete or untrue material information about the covered institution to the commissioner or any federal financial regulatory agency;

f. Withhold material information from the commissioner or any federal financial regulatory authority about the covered institution; or

g. Take an action, or fail to take an action, the result of which poses a substantial risk to the safety and soundness of the covered institution or may cause substantial damage to its reputation.

4. a. In addition to any other penalty provided by law, if the commissioner determines that a bank, savings bank, State association, or any officer, director, employee or major shareholder thereof, has violated a provision of section 3 of this act, the commissioner may impose any one or more of the following penalties and sanctions as he deems appropriate. The commissioner may:

   (1) Impose a civil penalty of up to $10,000 for each violation, or up to $50,000 for each willful violation;

   (2) Suspend, revoke or refuse to renew a license issued by the department;

   (3) Temporarily remove a person responsible for a violation of this act from working in that person's present capacity or in any capacity related to activities regulated by the department;

   (7) Enter an appropriate temporary order, to be effective immediately and until entry of a final order, pending completion of an investigation or any formal proceeding instituted pursuant to this act, if the commissioner finds that the interests of the public require immediate action to prevent undue harm to the covered institution, depositors or the public. Orders issued pursuant to this paragraph shall be subject to an application to vacate upon two days' notice, and a preliminary hearing on the temporary order shall be held, in any event, within five days after it is issued, in accordance with the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.); and

   (8) Impose other sanctions or conditions as the commissioner deems appropriate.

b.Penalties and other sanctions shall be reasonable, based on the nature, extent and frequency of the violation, and the risk to the covered
institutions, depositors and the public. In addition to these factors, the commissioner shall consider, when determining the amount of a monetary penalty against an institution pursuant to paragraph (1) of subsection a. of this section, the amount of other monetary penalties, if any, imposed, or to be imposed, by another regulatory agency or through other legal process, and the impact of the total penalties on the institution.

c. A decision of the commissioner shall be a final order of the department and shall be enforceable in a court of competent jurisdiction.

d. The department shall publish the final adjudication issued in accordance with this section, subject to redaction or modification to preserve confidentiality.

e. Orders may be appealed as a final administrative action pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

Repealer.

5. Section 249 of P.L.1948, c.67 (C.17:9A-249) is repealed.

CHAPTER 199

AN ACT establishing an assessment funding mechanism for the support of the Division of Banking in the Department of Banking and Insurance, imposing certain additional fees and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:1C-33 Findings, declarations relative to funding mechanism for Division of Banking.

1. a. The Legislature finds and declares that:
(1) The Division of Banking has a statutory obligation to protect the interests of New Jersey's consumers and to regulate and oversee the operations of the financial industry it charters, licenses and registers.

(2) In order to maintain an adequate level of oversight and supervision, and to perform its regulatory responsibilities, it is necessary to establish an assessment funding mechanism for the division's special needs.

(3) A banking assessment funding source is a clear indication of the commitment that the State of New Jersey has made to the special needs of the Division of Banking relative to its administrative activities with regard to the financial regulation, supervision and monitoring of the depository institutions and other financial entities it charters, licenses and registers.

(4) A dedicated funding mechanism for the Division of Banking is in the public interest.

b. The Legislature therefore intends for the actual incurred expenses of the Division of Banking for all services related to the division's financial regulation, supervision and monitoring of depository institutions and other financial entities it charters, licenses and registers to be assessed among these depository institutions, licensees and registrants.

C.17:1C-34 Definitions relative to funding mechanism for Division of Banking.

2. For the purposes of this act:
   "Assessment" means the assessment imposed pursuant to section 3 of this act for the special functions of the division as provided in that section.
   "Commissioner" means the Commissioner of Banking and Insurance.
   "Department" means the Department of Banking and Insurance.
   "Depository institution" means any entity holding a state charter for a bank, savings bank, savings and loan association or credit union, irrespective of whether the entity accepts deposits.
   "Division" means the Division of Banking in the Department of Banking and Insurance.
"Regulated entity" means a depository institution, other financial entity or person chartered, licensed or registered by the Division of Banking or who should be chartered, licensed or registered.

C.17:1C-35 Certification of expenses incurred for administration of special functions of Division of Banking: assessments.

3. a. The Director of the Division of Budget and Accounting in the Department of the Treasury shall, on or before August 15 in each year, ascertain and certify to the commissioner by category the total amount of expenses incurred by the State in connection with the administration of the special functions of the Division of Banking in the Department of Banking and Insurance relative to the financial regulation, supervision and monitoring of depository institutions and other financial entities it licenses during the preceding fiscal year. Those expenses shall include, in addition to the direct cost of personal service, the cost of maintenance and operation, the cost of employee benefits and the workers' compensation paid for and on account of personnel, rentals for space occupied in State-owned or State-leased buildings and all other direct and indirect costs of the administration of those functions of the department, as well as any amounts remaining uncollected from the assessment of the previous fiscal year. Certification made pursuant to this subsection shall be made by the Director of the Division of Budget and Accounting.

b. (1) Upon receipt of the certification made by the Director of the Division of Budget and Accounting pursuant to subsection a. of this section, but no later than September 1 in each year following the close of the previous fiscal year, the commissioner shall issue, in accordance with the provisions of this section, the assessment for the amount of the expenses incurred by, or on behalf of, the department for those special purposes recognized in this act.

(2) Assessments made pursuant to this section shall be distributed among all regulated entities in accordance with regulations promulgated by the commissioner pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

c. The commissioner shall certify the amount of the assessment issued to each regulated entity. Each regulated entity shall remit the amount so certified and assessed to it to the department in accordance with the procedures established in this act. Amounts collected by the department shall be used for reimbursement to the State for expenses incurred in connection with the special functions of the division relative to the financial regulation, supervision and monitoring of depository institutions and other financial entities it charters, licenses or registers, provided that the amount collected
for those expenses shall not exceed the amount appropriated by the Legislature for those expenses.

C.17:1C-36 Objections to assessment, hearing.

4. Within 15 days after the date of mailing a statement of the assessment as provided in this act, a regulated entity may file its objections to its assessment with the commissioner. Upon receiving those objections, the commissioner shall either: amend the statement as warranted, consistent with sections 5 and 6 of this act; or schedule and send a notice of a hearing on the objections, which hearing shall be held not less than 30 nor more than 60 days after the date of the notice.

C.17:1C-37 Transmission of findings to objector.

5. If upon receiving the objections, or after the hearing, the commissioner finds any part of the assessment against the objecting regulated entity excessive, erroneous, unlawful or invalid, he shall transmit to the objector, by registered mail, his findings and an amended statement of the assessment in accordance with those findings, which shall have the same force and effect as an original statement of the assessment. If the commissioner finds the entire statement of the assessment unlawful or invalid, he shall notify the objector, by registered mail, of that determination, and the original statement of the assessment shall be null and void. If the commissioner finds that the statement as rendered is neither excessive, erroneous, unlawful or invalid, in whole or in part, he shall transmit notice thereof to the objector by registered mail.

C.17:1C-38 Notice of delinquency, collection.

6. If a statement of the assessment against which objections are filed is not paid in full within 30 days after the date of mailing to the objector of notice of a finding that the objections have been disallowed; or if an amended statement of the assessment is not paid within 30 days of the date a copy thereof is mailed by registered mail to the objector, the commissioner shall give notice of the delinquency to the State Treasurer and to the objector, and the State Treasurer shall proceed to make the collection.

C.17:1C-39 Action for recovery.

7. No action for recovery of an amount paid under this act shall be maintained in any court unless objections have been filed with the commissioner. In an action for recovery of any payments, plaintiff may raise any relevant issue of law, but the commissioner’s findings of fact shall be presumptive evidence of the facts therein stated.
C.17:1C-40 Action, proceeding.

8. No action or proceeding shall be maintained in any court for the purpose of restraining or delaying the collection or payment of a statement of the assessment rendered in accordance with the provisions of this act. A regulated entity against which a statement of the assessment is rendered shall pay the amount thereof, and after the payment may, in the manner provided by this act at any time within two years from the date of the payment, bring an action at law against the State to recover the amount paid, with legal interest thereon from the date of payment, upon the ground that the assessment was excessive, erroneous, unlawful or invalid, in whole or in part.

C.17:1C-41 Exclusive procedure under act.

9. The procedure provided in this act for determining the lawfulness of statements of the assessment and the recovery of payments made pursuant to those statements of the assessment shall be exclusive of all other remedies and procedures.

C.17:1C-42 Failure, refusal to pay, notice to Treasurer.

10. If any regulated entity to which a statement of the assessment as provided in this act has been mailed fails or refuses to pay the amount within 30 days, or fails to file with the commissioner objections to the statement of the assessment as provided in this act, the commissioner shall transmit to the State Treasurer a certified copy of both the statement of the assessment and the notice of the neglect or refusal of the regulated entity to pay the amount thereof, and at the same time shall mail by registered mail to the entity a copy of the items transmitted to the State Treasurer.

C.17:1C-43 Procedure for collection.

11. Within 10 days after receipt of the notice and certified copy of the statement of the assessment, the State Treasurer shall proceed to collect the amount stated to be due, with legal interest, by seizure and sale of any goods or chattels, including stocks, securities, bank accounts, surety bonds, realty, evidences of debt and accounts receivable belonging to the regulated entity anywhere within the State. The State Treasurer shall not seize any goods or chattels held by the regulated entity on behalf of another.

C.17:1C-44 Additional remedies.

12. As an additional remedy, the State Treasurer may issue a certificate to the Clerk of the Superior Court, that a regulated entity is indebted under this act in an amount stated in the certificate. The clerk shall immediately enter upon his record of docketed judgments the name of the regulated entity, and of the State, the amount of debt so certified, and the date of the entry. The entry shall have the same force and effect as the entry of a docketed judgment in the office of the clerk, and the State Treasurer shall have all the
remedies and may take all of the proceedings for the collection thereof which may be had or taken upon the recovery of a judgment in an action, but without prejudice to the regulated entity's right of appeal.

C.17:1C-45 Exemption from fees, charges: exceptions.

13. a. Notwithstanding any law or regulation to the contrary, a regulated entity paying the amounts assessed to it in statements of the assessment made pursuant to section 3 of this act shall be exempt from all fees or charges imposed by the division pursuant to any other provision of law or regulation, except for:
   (1) charter fees;
   (2) application fees for licenses;
   (3) mortgage solicitor registration application fees;
   (4) fees for entry by a foreign depository institution whether from another state of the United States or from another country into New Jersey for branch, trust or other activities;
   (5) fees charged under the "Governmental Unit Deposit Protection Act," P.L.1970, c.236 (C.17:9-41 et seq.);
   (6) fees charged any entity not chartered, licensed or registered by this State, including but not limited to activities conducted by foreign banks pursuant to section 316 of P.L.1948, c.47 (C.17:9A-316) or foreign associations pursuant to section 214 of P.L.1963, c.144 (C.17:12B-214); and
   (7) fees charged qualified corporations authorized pursuant to section 213 of P.L.1948, c.67 (C.17:9A-213) to perform either registrar and transfer agent activities or activities permitted for qualified educational institutions.

b. Nothing in this section shall exempt a regulated entity from paying any fine or penalty imposed by the commissioner for a violation of a statute or regulation.

c. Except as provided in paragraph (1) of subsection d. of section 7 of the "New Jersey Home Ownership Security Act of 2002," P.L.2003, c.64 (C.46:1OB-28), all fees, charges, fines and penalties as described in subsections a. and b. of this subsection shall be remitted to the State Treasurer for deposit into the General Fund, and those fees, charges, fines and penalties shall not be part of the assessment funding mechanism or considered in the calculation pursuant to section 15 of this act.

C.17:1C-46 Rules, regulations; contents.

14. a. The State Treasurer and the commissioner may adopt rules and regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), to effectuate the purposes of this act.

b. Any regulation promulgated by the commissioner shall describe the factors to be considered in computing the assessment. In the case of depository institutions, the assessment shall consider the following factors as
appropriate: assets, deposits or shares, trust funds under management and the supervisory rating of the institution. In the case of licensees or registrants, the assessment shall consider the following factors as appropriate: loan volume, volume of money transmitted, number of transactions, volume of checks cashed, number of licensee branches, number of authorities held under the "New Jersey Licensed Lenders Act," P.L.1996, c.157 (C.17:11C-1 et seq.) and the supervisory rating of the entity. In computing the assessment for depository institutions, licensees or registrants, the commissioner may consider those additional factors the commissioner deems appropriate.

c. The general purpose of the computations to determine the assessment shall be to distribute the financial burden proportionally among the depository institutions and other financial entities it charters, licenses and registers consistent with the division's regulatory activities.

d. The commissioner shall provide for the orderly and fair transition to assessments on existing charters, licensees and registrants by promulgating rules and regulations and by establishing administrative procedures that are reasonable, necessary and consistent with this act.

e. The commissioner shall consider the impact of the assessment on check cashers licensed pursuant to P.L.1993, c.383 (C.17:15A-30 et seq.), and may take any appropriate action pursuant to the commissioner's authority to limit fees as provided in section 14 of P.L.1993, c.383 (C.17:15A-43).

C.17:1C-47 Total amount assessable.

15. a. The total amount assessable to regulated entities in any fiscal year for the assessment established by this act shall not exceed the lesser of:

(1) the total amount of expenses incurred by the State in connection with the administration of the special functions of the division pursuant to section 3 of this act during the preceding fiscal year as ascertained by the Director of the Division of Budget and Accounting in the Department of the Treasury, on or before August 15 in each year, and certified to the commissioner by category; or

(2) .00015 times the sum of (a) the total assets for State-chartered banks, savings banks, and savings and loan associations for the preceding calendar year plus (b) the total loan volume for residential mortgage loans closed by licensed lenders pursuant to the "New Jersey Licensed Lenders Act," P.L.1996, c.157 (C.17:11C-1 et seq.).

b. In calculating the assessments:

(1) Banks, savings banks and savings and loan associations shall be given prorated credit for unused portions of assessment periods; and

(2) Licensees shall be given prorated credit for unused portions of licensing periods.
C. The department shall not issue an examination bill for an examination that has not been completed by the date that the regulated entity becomes subject to the assessment pursuant to the provisions of this act. For the purposes of this act, the completion of the examination shall not include the time to process and review the examination report.

C.17:1C-48 Liability for errors, penalties; third degree crime.

16. a. A depository institution that submits figures on assets, deposits or any other factor used by the department to compute the depository institution's assessment that are substantially or materially in error shall be liable for an administrative penalty not to exceed $10,000 for each submission that contains incorrect information.

b. CHAPTER 200

AN ACT establishing the "New Jersey Disease Management Study Commission."

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Forty-four percent of non-institutionalized Americans have chronic conditions, but these persons account for 78% of health care expenditures in the United States;
   b. Disease management is a system of coordinated health care interventions typically targeting individuals who have, or are at risk, for developing, chronic medical conditions, which seeks to help them better understand
when to seek care, how to manage their conditions and how to improve their quality of life;

c. Many disease management programs have been successful at improving quality of life, improving health care practices and decreasing health care expenditures by reducing the use of more costly health care services such as inpatient hospital care and emergency room visits;

d. Despite their successes, disease management programs still face several barriers to widespread implementation including resistance among patients and health care providers, low adherence to treatment protocols and a lack of technology to support programs; and

e. There is, therefore, a need to assess disease management programs and determine incentives that would encourage employers, insurers and individuals to use disease management programs as a means of improving the quality of health care while reducing costs.

2. a. There is established the "New Jersey Disease Management Study Commission" in the Department of Health and Senior Services. The purpose of the commission shall be to assess disease management programs to determine their potential to improve health care quality while reducing health care costs.

b. The commission shall consist of 19 members as follows:

(1) the Commissioners of Health and Senior Services, Banking and Insurance and Human Services, and the Director of the Division of Consumer Affairs in the Department of Law and Public Safety, or their designees, who shall serve ex officio; and

(2) 15 public members, to be appointed by the Governor, who shall include: two representatives of AAHP-HIAA, at least one of whom represents managed care companies; one member who is a hospital employee, upon the recommendation of the New Jersey Council of Teaching Hospitals; one representative of the Medical Society of New Jersey; one representative of the New Jersey Business and Industry Association; one representative of the New Jersey Hospital Association; one member who is an advanced practice nurse, upon the recommendation of the New Jersey State Nurses Association; one representative of the Rutgers Center for State Health Policy; one representative of the Department of Preventive Medicine and Community Health at UMDNJ-New Jersey Medical School; one representative of the New Jersey Academy of Family Physicians; one representative of the Disease Management Association of America; one representative of the Environmental and Occupational Health Sciences Institute at UMDNJ-Robert Wood Johnson Medical School; one representative of the New Jersey Pharmacists' Association; and one representative of the New Jersey Dietetic Association.
c. Vacancies in the membership of the commission shall be filled in the same manner provided for the original appointments. The public members of the commission shall serve without compensation, but may be reimbursed for traveling and other miscellaneous expenses necessary to perform their duties, within the limits of funds made available to the commission for its purposes.

d. The commission shall organize as soon as practicable, but no later than the 60th day after the appointment of its members, and shall select a chairperson and vice-chairperson from among the members.

e. The commission shall meet at the call of its chair and may hold hearings at the times and in the places it may deem appropriate and necessary to fulfill its charge. The commission shall be entitled to call to its assistance, and avail itself of the services of, the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available for its purposes.

f. The Department of Health and Senior Services shall provide staff services to the commission, including a secretary who is not a member of the commission.

3. The commission shall:

a. assess disease management programs to determine their potential to improve individual health, promote quality health care and contain health care costs;

b. identify technologies that it deems are most effective in supporting disease management programs and review, at a minimum, the following: factors which prevent the adoption of, or participation in, disease management programs; financial and non-financial incentives which may encourage employers, insurers and individuals to use disease management programs; specific incentives offered by other states to encourage the use of disease management programs, and their results; and disease management programs implemented by other states, and their results;

c. identify methods to improve public awareness of the effects of indoor pollutants on the health of individuals, and how they are to be identified and eliminated using proper environmental controls;

d. study insurance products that are designed to promote health wellness and methods to promote the wider acceptance of wellness physical and preventive examinations within the medical community; and

e. study various aspects of demand management with respect to health care consumers in order to better understand the reasons that people choose to access the health care system.
4. The commission shall report its findings and recommendations to the Governor and Legislature, along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than 18 months after the date of its initial meeting.

5. This act shall take effect immediately and shall expire upon the issuance of the commission report.

Approved August 18, 2005.

C.2C:35-25 Sale restrictions for ephedrine products; disorderly persons offense.

1. a. Except as provided in subsection d. of this section, no person shall sell, offer for sale or purchase in any single retail transaction more than:

   (1) three packages, or any number of packages that contain a total of nine grams, of any drug containing a sole active ingredient of ephedrine, pseudoephedrine, phenylpropanolamine, or any of their salts, optical isomers or salts of optical isomers, or

   (2) three packages of any combination drug containing, as one of its active ingredients, ephedrine, pseudoephedrine, phenylpropanolamine, or any of their salts, optical isomers or salts of optical isomers, or any number
of packages of such combination drug that contain a total of nine grams of ephedrine, pseudoephedrine, phenylpropanolamine, or any of their salts, optical isomers or salts of optical isomers.

b. As used in this section, "drug" has the meaning as defined in R.S.24:1-1.

c. A violation of this section is a disorderly persons offense.

d. This act shall not apply to a drug lawfully prescribed or administered by a licensed physician, veterinarian or dentist.

C.2C:35-26 Reporting requirement for ephedrine products.

2. Every pharmacy, store and other retail mercantile establishment shall promptly communicate to local law enforcement authorities the confirmed report of, or actual knowledge of, a loss of 30 or more grams of any drug containing a sole active ingredient of ephedrine, pseudoephedrine, phenylpropanolamine, or any of their salts, optical isomers or salts of optical isomers. As used in this section, "store or other retail mercantile establishment" means a place where merchandise is displayed, held, stored or sold or offered to the public for sale.

3. 4. N.J.S. 2C:20-2 is amended to read as follows:

Consolidation of theft offenses; grading; provisions applicable to theft generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally.

a. Consolidation of Theft and Computer Criminal Activity Offenses. Conduct denominated theft or computer criminal activity in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of theft or computer criminal activity may be supported by evidence that it was committed in any manner that would be theft or computer criminal activity under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other
appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.
   (1) Theft constitutes a crime of the second degree if:
      (a) The amount involved is $75,000.00 or more;
      (b) The property is taken by extortion;
      (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the quantity is in excess of one kilogram;
      (d) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is $75,000 or more; or
      (e) The property stolen is human remains or any part thereof.
   (2) Theft constitutes a crime of the third degree if:
      (a) The amount involved exceeds $500.00 but is less than $75,000.00;
      (b) The property stolen is a firearm, motor vehicle, vessel, boat, horse, domestic companion animal or airplane;
      (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the amount involved is less than $75,000.00 or is undetermined and the quantity is one kilogram or less;
      (d) It is from the person of the victim;
      (e) It is in breach of an obligation by a person in his capacity as a fiduciary;
      (f) It is by threat not amounting to extortion;
      (g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant;
      (h) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is less than $75,000;
      (i) The property stolen is any real or personal property related to, necessary for, or derived from research, regardless of value, including, but not limited to, any sample, specimens and components thereof, research subject, including any warm-blooded or cold-blooded animals being used for research or intended for use in research, supplies, records, data or test results, prototypes or equipment, as well as any proprietary information or other type of information related to research;
      (j) The property stolen is a New Jersey Prescription Blank as referred to in R.S.45:14-14;
      (k) The property stolen consists of an access device or a defaced access device; or
(1) The property stolen consists of anhydrous ammonia and the actor intends it to be used to manufacture methamphetamine.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00. If the amount involved was less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft or computer criminal activity shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts or computer criminal activities committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft or computer criminal activity was from or committed against the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft or computer criminal activity only if it occurs after the parties have ceased living together.

C.2C:35-28 Unlawful possession of precursors; manufacturing methamphetamine; crime of second degree.

5. a. Except as authorized by P.L.1970, c. 226 (C.24:21-1 et seq.), a person is guilty of the crime of unlawful possession of a precursor if the person knowingly or purposely possesses anhydrous ammonia with intent to unlawfully manufacture methamphetamine or any of its analogs.

b. Except as authorized by P.L.1970, c. 226 (C.24:21-1 et seq.), a person is guilty of the crime of unlawful possession of a precursor if the person knowingly or purposely possesses phenylalanine with intent to unlawfully manufacture methamphetamine or amphetamine or any of their analogs.

c. Except as authorized by P.L.1970, c. 226 (C.24:21-1 et seq.), a person is guilty of the crime of unlawful possession of a precursor if the person knowingly or purposely possesses, with intent to manufacture a controlled dangerous substance or controlled substance analog, any of the following:
(1) carbamide (urea) and propanedioc and malonic acid or its derivatives;  
(2) ergot or an ergot derivative and diethylamine or dimethyl-formamide or diethylamide;  
(3) phenylacetone (1-phenyl-2 propanone);  
(4) pentazocine and methyliodid;  
(5) phenylacetonitrile and dichlorodiethyl methylamine or dichlorodiethyl benzylamine;  
(6) diephenylacetonitrile and dimethylaminoisopropyl chloride;  
(7) piperidine and cyclohexanone and bromobenzene and lithium or magnesium; or  
(8) 2, 5-dimethoxy benzaldehyde and nitroethane and a reducing agent.

d. (1) Except as authorized by P.L.1970, c. 226 (C.24:21-1 et seq.), a person is guilty of the crime of unlawful possession of a precursor if the person, with intent to unlawfully manufacture methamphetamine, knowingly or purposely possesses ephedrine (including its salts, isomers or salts of isomers), norpseudoephedrine (including its salts, isomers or salts of isomers), n-methylephedrine (including its salts, isomers or salts of isomers), n-methylpseudoephedrine (including its salts, isomers or salts of isomers), or pseudoephedrine (including its salts, isomers or salts of isomers).

(2) Proof that a person in possession of any of the substances enumerated in paragraph (1) of this subsection at the same time also possesses any of the following substances shall give rise to a permissive inference by the trier of fact that the person acted with intent to unlawfully manufacture methamphetamine:
   (a) amorphous (red) phosphorus or white phosphorus;  
   (b) hydroiodic acid;  
   (c) anhydrous ammonia;  
   (d) sodium; or  
   (e) lithium.

Unlawful possession of a precursor in violation of this section is a crime of the second degree.

6. a. The New Jersey Department of Agriculture, which includes the Secretary of Agriculture, the State Board of Agriculture and the State Chemist, shall conduct a study on the feasibility of using an additive to anhydrous ammonia sold as agricultural fertilizer to inhibit or prevent its illicit use in the manufacturing of the drug methamphetamine. The study shall consider: the effectiveness of potential additives in inhibiting or preventing the use of anhydrous ammonia to manufacture the drug methamphetamine; expected final cost of any potential additives; the human health hazards, hazards to fish, shellfish and wildlife, and environmental hazards of any potential
additives as compared to the same hazards posed by anhydrous ammonia; and the extent which the additives would be expected to reduce the effectiveness or usefulness of anhydrous ammonia as an agricultural fertilizer.

b. The department shall prepare a report on the recommendations to require or encourage the use of an additive to anhydrous ammonia to inhibit or prevent its use in the manufacture of methamphetamine and submit a copy of such report to the Legislature and the Governor no later than one year after the effective date of P.L.2005, c.207 (C.2C:35-25 et al.).

7. This act shall take effect on the 90th day following enactment.

Approved August 24, 2005.

C.39:4-10.1 Bicycle helmets, requirements.

1. a. A person under 17 years of age shall not operate, or ride upon a bicycle as a passenger, unless that person is wearing a properly fitted and fastened bicycle helmet which meets the standards of the American National Standards Institute (ANSI Z90.4 bicycle helmet standard) or the Snell Memorial Foundation's 1990 Standard for Protective Headgear for Use in Bicycling. This requirement shall apply to a person who rides upon a bicycle while in a restraining seat which is attached to the bicycle or in a trailer towed by the bicycle.

(2) exclusively on a trail, route, course, boardwalk, path or other area which is set aside for the use of bicycles or for the use of pedestrians and bicycle operation is not otherwise prohibited. However, an exemption may not be granted under this paragraph for any portion of a trail, route, course, boardwalk, path or other area which is immediately adjacent to a road or highway used by motor vehicle traffic and which does not contain a barrier of sufficient height and rigidity to prevent the inadvertent or deliberate entry of a bicycle operator onto the road or highway.

d. An ordinance enacted pursuant to subsection c. of this section shall specify those roads, highways, trails, routes, courses, boardwalks, paths or areas within the municipality where helmets are not required during the operation of a bicycle.

e. When a bicycle is being operated in an area where bicycle helmets are not required, the operator or a passenger, except a passenger in a restraining seat or trailer, shall dismount from the bicycle and walk whenever it is necessary to enter a crosswalk or to cross a road or highway upon which motor vehicle traffic is permitted.

This notification requirement shall not apply to a seller when a bicycle is sold through the use of a catalog or brochure and the purchase and payment are made by mail, telephone or another telecommunications or electronic method.

CHAPTER 209

AN ACT authorizing the adoption of substance abuse testing policies in public school districts and supplementing chapter 40A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:40A-22 Findings, declarations relative to substance abuse testing policies in public school districts.

1. The Legislature finds and declares that there are many school districts within the State with a growing problem of drug abuse among their students. The Legislature further finds that federal and State courts have held that it may be appropriate for school districts to combat this problem through the random drug testing of students participating in extracurricular activities, including interscholastic athletics, and students who possess school parking permits. The Legislature also finds that a random drug testing program may have a positive effect on attaining the important objectives of deterring drug use and providing a means for the early detection of students with drug problems so that counseling and rehabilitative treatment may be offered.
C.18A:40A-23 Adoption of policy for random testing of certain students.

2. A board of education may adopt a policy, pursuant to rules and regulations adopted by the State Board of Education in consultation with the Department of Human Services, which are consistent with the New Jersey Constitution and the federal Constitution, for the random testing of the district's students in grades 9-12 who participate in extracurricular activities, including interscholastic athletics, or who possess school parking permits, for the use of controlled dangerous substances as defined in N.J.S.2C:35-2 and anabolic steroids. The testing shall be conducted by the school physician, school nurse or a physician, laboratory or health care facility designated by the board of education and the cost shall be paid by the board. Any disciplinary action taken against a student who tests positive for drug use or who refuses to consent to testing shall be limited to the student's suspension from or prohibition against participation in extracurricular activities, or revocation of the student's parking permits.

C.18A:40A-24 Public hearing prior to adoption of drug testing policy.

3. Each board of education shall hold a public hearing prior to the adoption of its drug testing policy. The policy shall be in written form and shall be distributed to students and their parents or guardians at the beginning of each school year. The policy shall include, but need not be limited to, the following:
   a. notice that the consent of the student and his parent or guardian for random student drug testing is required for the student to participate in extracurricular activities and to possess a school parking permit;
   b. the procedures for collecting and testing specimens;
   c. the manner in which students shall be randomly selected for drug testing;
   d. the procedures for a student or his parent or guardian to challenge a positive test result;
   e. the standards for ensuring the confidentiality of test results;
   f. the specific disciplinary action to be imposed upon a student who tests positive for drug use or refuses to consent to testing;
   g. the guidelines for the referral of a student who tests positive for drug use to drug counseling or rehabilitative treatment; and
   h. the scope of authorized disclosure of test results

4. The State Board of Education, in consultation with the Department of Human Services, shall adopt pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the rules and regulations necessary to carry out the provisions of this act.

The notification shall be distributed between January 1 and February 15 of each calendar year following the calendar year in which the person received the unemployment compensation.

C.30:1-2.5 Notification of availability of earned income tax credit, recipients of certain public assistance.

The notification shall be distributed in a manner deemed by the commissioner to be the most practicable and cost effective, but that will ensure personal notification of each person. The notification shall be distributed between January 1 and February 15 of each calendar year following the calendar year in which the person was a recipient or participant, or foster parent. Within 30 days after receipt of the written description the director shall, if the director finds that the process
provides for fair competition and integrity in the negotiation process, approve, in writing, the description submitted by the contracting unit. If the director finds that the process does not provide for fair competition and integrity in the negotiation process, the director shall advise the contracting unit of the deficiencies that must be remedied. If the director fails to respond in writing to the contracting unit within 30 days, the procurement process as described shall be deemed approved. As used in this section, "collection" means the physical removal of recyclable materials from curbside or any other location selected by the contracting unit.

The gross weight of a disabled commercial vehicle or combination of disabled commercial vehicles being removed from a highway shall not be included in the calculation of the registration fee for the drawing vehicle.

The chief administrator may fix the expiration date for registration certificates at a date other than 12 months if the chief administrator determines that such change is necessary, appropriate or convenient in order to aid in implementing the vehicle inspection requirements of chapter 8 of Title 39 or for other good cause. The minimum registration fee shall be as follows:

Except as otherwise provided in this subsection, every registration for these commercial motor vehicles shall expire and the certificate thereof shall become void on the last day of the twelfth calendar month following the month in which the certificate was issued; provided, however, that the chief administrator may require registrations which shall expire, and issue certificates thereof which shall become void on a date fixed by the chief administrator, which shall not be sooner than three months or later than 26 months after the date of issuance of such certificates, and the fees for such registrations or registration applications, including any other fees or charges collected in connection with the registration fee, shall be fixed by the chief administrator in amounts proportionately less or greater than the fees established by law. The registration fee shall be $22.50 for each 1,000 pounds or portion thereof.

For purposes of calculating this fee, weight means the gross weight, including the gross weight of all vehicles in any combination of which such commercial motor vehicle is the drawing vehicle.
Such commercial motor vehicle shall be operated in compliance with the speed limitations of Title 39 of the Revised Statutes and shall not be operated at a speed greater than 45 miles per hour when one or more of its axles has a load which exceeds the limitations prescribed in R.S.39:3-84.

In the event that the applicant for registration exercises the four-year option, a fee of $64 for each such vehicle shall be paid to the chief administrator in advance.

If any commercial motor-drawn vehicle registered for a four-year period is sold or withdrawn from use on the highways, the chief administrator may, upon surrender of the vehicle registration and plate, refund $16 for each full year of unused prepaid registration.

e. It shall be unlawful for any vehicle or combination of vehicles registered under this act, having a gross weight, including load or contents, in excess of the gross weight provided on the registration certificate to be operated on the highways of this State.

The owner, lessee, bailee or any one of the aforesaid of a vehicle or combination of vehicles, including load or contents, found or operated on any public road, street or highway or on any public or quasi-public property in this State with a gross weight of that vehicle or combination of vehicles, including load or contents, in excess of the weight limitation permitted by

A vehicle or combination of vehicles for which there is no valid certificate of registration is deemed to have been registered for zero pounds for the purposes of the enforcement of this act, in addition to any other violation of this Title, but is not deemed to be lawfully or validly registered pursuant to the provisions of this Title.

This section shall not be construed to supersede or repeal the provisions of section 39:3-84, 39:4-75, or 39:4-76 of this Title.

CHAPTER 215

AN ACT providing for the appointment of a BPU Business Ombudsman in the Board of Public Utilities and supplementing Title 48 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.48:2-92 Short title.
1. This act shall be known and may be cited as the "BPU Business Ombudsman Act."

C.48:2-93 Findings, declarations relative to BPU Business Ombudsman.
2. The Legislature finds and determines that:
a. The attraction and retention of new and existing businesses is vital to the continued economic development of the State.

b. The increasing complexity of energy issues and the creation of a competitive energy marketplace, has resulted in obstacles to the attraction and retention of new and existing businesses in this State, especially since other states have developed marketing and promotional materials and programs designed to offer businesses the means to quickly determine energy savings from relocating to another area of the country.

c. An effective strategy to counter such efforts, attract new businesses and retain existing businesses in this State, is to provide for the appointment of a BPU Business Ombudsman within the Board of Public Utilities who shall be responsible for providing information to businesses concerning energy costs in the State and to assist businesses with the application for and processing of State energy programs, subsidies and grants to reduce their energy costs.

d. It is in the public interest to remain competitive with other states by authorizing the President of the Board of Public Utilities to appoint a BPU Business Ombudsman to act as a centralized resource for businesses to obtain information and assistance concerning State energy costs, potential benefits resulting from switching to or utilizing third-party energy suppliers, State energy programs, subsidies and grants to reduce energy costs and to promote energy efficiencies.

e. The appointment of a BPU Business Ombudsman to oversee and coordinate the dissemination of energy information needed by businesses is intended to encourage businesses to remain and expand in this State, to attract businesses from other states to relocate to this State and to stimulate business investment.

C.48:2-94 Definitions relative to BPU Business Ombudsman.

3. As used in this act:
   "Act" means the "BPU Business Ombudsman Act."
   "Board" means the Board of Public Utilities.
   "Business project or activity" means a new commercial or industrial business or enterprise or the expansion or improvement of an existing commercial or industrial business or enterprise in this State.
   "BPU Business Ombudsman" means the person appointed by the President of the Board pursuant to section 4 of this act.

C.48:2-95 BPU Business Ombudsman; appointment, powers, duties, funding.

4. a. There is hereby created a BPU Business Ombudsman in the board to provide information and assistance to any business, located in this State or seeking to relocate in this State, with regard to energy costs, potential benefits from switching to or utilizing third-party energy suppliers, State
energy programs, subsidies or grants available to businesses to reduce their energy costs and promotion of energy efficiencies.

b. The ombudsman office shall be headed by a BPU Business Ombudsman who shall be appointed by the President of the Board and shall serve at the pleasure of the President of the Board. The BPU Business Ombudsman shall be a person qualified by training, experience, or both, to direct the work of the office. In appointing an Ombudsman, the President of the Board may select from, but shall not be restricted to, candidates from within the board as presently constructed.

c. The Ombudsman, under the supervision of the board, shall organize the work of that office and employ such professional, technical, research and clerical staff as may be necessary, proper and expedient to carry out the purposes of P.L.2005, c.215 (C.48:2-92 et seq.). The board, in consultation with the Ombudsman, may formulate and adopt rules and regulations and prescribe duties for the efficient conduct of the business, work and general administration in connection with P.L.2005, c.215 (C.48:2-92 et seq.). The Ombudsman may delegate to subordinate employees such of the Ombudsman's powers as the Ombudsman may deem desirable, to be exercised under the Ombudsman's supervision and direction.

d. The BPU Business Ombudsman and staff shall be funded through use of a portion of the monies received by the board as a result of the board's inclusion of a retail margin on certain hourly-priced and larger non-residential customers pursuant to the board's continuing regulation of Basic Generation Service pursuant to sections 3 and 9 of P.L.1999, c.23 (C.48:3-51 and 48:3-57). Nothing in P.L.2005, c.215 (C.48:2-92 et seq.) should be interpreted to restrict the board's discretion to set the level of the retail margin. Should the board determine to reduce or eliminate the retail margin or take any action that might implicate the funding of the activities or position, or both, of the BPU Business Ombudsman, the board shall assess the continuing need for the Ombudsman and upon a determination that the position remains necessary and useful shall consider alternative funding options.

5. It shall be the function of the office to:
   a. Assist businesses with obtaining information concerning energy costs in response to requests from businesses;
   b. Monitor the impact of State energy costs on business projects and activities and on business decisions to relocate to this State, and identify and recommend energy cost reduction strategies including State programs, subsidies and grants that may be available for businesses to reduce their energy costs;
c. Participate in the application process for State energy programs, subsidies and grants on behalf of a business, if in the BPU Business Ombudsman's judgment, such participation may be necessary to assist a business in order for a project or activity to proceed;
d. Work with board staff to assist in creating public information programs designed to acquaint and educate businesses and the public about the duties and responsibilities of the office; and
e. Interface with energy marketers seeking to provide service in this State and, where appropriate, work to bring them together with businesses concerned about energy costs.

C.48:2-97 Annual report to board.

6. The Ombudsman shall make an annual report to the board of the office's operations, and render such other reports as the board shall from time to time request or as may be required by law.

C.48:2-98 Rules, regulations.

7. The board may, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), adopt such rules and regulations, as shall be necessary to implement the provisions of this act.

8. This act shall take effect 90 days after enactment but the board may take administrative actions in advance to effectuate the purposes of this act.

Approved August 29, 2005.

(b) Directly to or from any target range, or other authorized place for the purpose of practice, match, target, trap or skeet shooting exhibitions, provided in all cases that during the course of the travel all firearms are carried in the manner specified in subsection g. of this section and the person has complied with all the provisions and requirements of Title 23 of the Revised Statutes and any amendments thereto and all rules and regulations promulgated thereunder; or
(c) In the case of a firearm, directly to or from any exhibition or display of firearms which is sponsored by any law enforcement agency, any rifle or pistol club, or any firearms collectors club, for the purpose of displaying the firearms to the public or to the members of the organization or club, provided, however, that not less than 30 days prior to the exhibition or display, notice of the exhibition or display shall be given to the Superintendent of the State Police by the sponsoring organization or club, and the sponsor has complied with such reasonable safety regulations as the superintendent may promulgate. Any firearms transported pursuant to this section shall be transported in the manner specified in subsection g. of this section:

(4) A person from keeping or carrying about a private or commercial aircraft or any boat, or from transporting to or from such vessel for the purpose of installation or repair a visual distress signalling device approved by the United States Coast Guard.

(g) All weapons being transported under paragraph (2) of subsection b., subsection e., or paragraph (1) or (3) of subsection f. of this section shall be carried unloaded and contained in a closed and fastened case, gunbox, securely tied package, or locked in the trunk of the automobile in which it is being transported, and in the course of travel shall include only such deviations as are reasonably necessary under the circumstances.

(h) Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent any employee of a public utility, as defined in R.S.48:2-13, doing business in this State or any United States Postal Service employee, while in the actual performance of duties which specifically require regular and frequent visits to private premises, from possessing, carrying or using any device which projects, releases or emits any substance specified as being noninjurious to canines or other animals by the Commissioner of Health and Senior Services and which immobilizes only on a temporary basis and produces only temporary physical discomfort through being vaporized or otherwise dispensed in the air for the sole purpose of repelling canine or other animal attacks.

The device shall be used solely to repel only those canine or other animal attacks when the canines or other animals are not restrained in a fashion sufficient to allow the employee to properly perform his duties.

Any device used pursuant to this act shall be selected from a list of products, which consist of active and inert ingredients, permitted by the Commissioner of Health and Senior Services.

(i) Nothing in N.J.S.2C:39-5 shall be construed to prevent any person who is 18 years of age or older and who has not been convicted of a felony, from possession for the purpose of personal self-defense of one pocket-sized device which contains and releases not more than three-quarters of an ounce of chemical substance not ordinarily capable of lethal use or of inflicting
serious bodily injury, but rather, is intended to produce temporary physical discomfort or disability through being vaporized or otherwise dispensed in the air. Any person in possession of any device in violation of this subsection shall be deemed and adjudged to be a disorderly person, and upon conviction thereof, shall be punished by a fine of not less than $100.00.

j. A person shall qualify for an exemption from the provisions of N.J.S.2C:39-5, as specified under subsections a. and c. of this section, if the person has satisfactorily completed a firearms training course approved by the Police Training Commission.

Such exempt person shall not possess or carry a firearm until the person has satisfactorily completed a firearms training course and shall annually qualify in the use of a revolver or similar weapon. For purposes of this subsection, a "firearms training course" means a course of instruction in the safe use, maintenance and storage of firearms which is approved by the Police Training Commission. The commission shall approve a firearms training course if the requirements of the course are substantially equivalent to the requirements for firearms training provided by police training courses which are certified under section 6 of P.L.1961, c.56 (C.52:17B-71). A person who is specified in paragraph (1), (2), (3) or (6) of subsection a. of this section shall be exempt from the requirements of this subsection.

k. Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent any financial institution, or any duly authorized personnel of the institution, from possessing, carrying or using for the protection of money or property, any device which projects, releases or emits tear gas or other substances intended to produce temporary physical discomfort or temporary identification.

l. Nothing in subsection b. of N.J.S.2C:39-5 shall be construed to prevent a law enforcement officer who retired in good standing, including a retirement because of a disability pursuant to section 6 of P.L.1944, c.255 (C.43:16A-6), section 7 of P.L.1944, c.255 (C.43:16A-7), section 1 of P.L.1989, c.103 (C.43:16A-6.1) or any substantially similar statute governing the disability retirement of federal law enforcement officers, provided the officer was a regularly employed, full-time law enforcement officer for an aggregate of five or more years prior to his disability retirement and further provided that the disability which constituted the basis for the officer's retirement did not involve a certification that the officer was mentally incapacitated for the performance of his usual law enforcement duties and any other available duty in the department which his employer was willing to assign to him or does not subject that retired officer to any of the disabilities set forth in subsection c. of N.J.S.2C:58-3 which would disqualify the retired officer from possessing or carrying a firearm, who semi-annually qualifies in the use of the handgun he is permitted to carry in accordance with
the requirements and procedures established by the Attorney General pursuant to subsection j. of this section and pays the actual costs associated with those semi-annual qualifications, who is less than 70 years of age, and who was regularly employed as a full-time member of the State Police; a full-time member of an interstate police force; a full-time member of a county or municipal police department in this State; a full-time member of a State law enforcement agency; a full-time sheriff, undersheriff or sheriff's officer of a county of this State; a full-time State or county corrections officer; a full-time county park police officer; a full-time county prosecutor's detective or investigator; or a full-time federal law enforcement officer from carrying a handgun in the same manner as law enforcement officers exempted under paragraph (7) of subsection a. of this section under the conditions provided herein:

(1) The retired law enforcement officer, within six months after retirement, shall make application in writing to the Superintendent of State Police for approval to carry a handgun for one year. An application for annual renewal shall be submitted in the same manner.

(2) Upon receipt of the written application of the retired law enforcement officer, the superintendent shall request a verification of service from the chief law enforcement officer of the organization in which the retired officer was last regularly employed as a full-time law enforcement officer prior to retiring. The verification of service shall include:
   (a) The name and address of the retired officer;
   (b) The date that the retired officer was hired and the date that the officer retired;
   (c) A list of all handguns known to be registered to that officer;
   (d) A statement that, to the reasonable knowledge of the chief law enforcement officer, the retired officer is not subject to any of the restrictions set forth in subsection c. of N.J.S.2C:58-3; and
   (e) A statement that the officer retired in good standing.

(3) If the superintendent approves a retired officer's application or reapplication to carry a handgun pursuant to the provisions of this subsection, the superintendent shall notify in writing the chief law enforcement officer of the municipality wherein that retired officer resides. In the event the retired officer resides in a municipality which has no chief law enforcement officer or law enforcement agency, the superintendent shall maintain a record of the approval.

(4) The superintendent shall issue to an approved retired officer an identification card permitting the retired officer to carry a handgun pursuant to this subsection. This identification card shall be valid for one year from the date of issuance and shall be valid throughout the State. The identification card shall not be transferable to any other person. The identification
card shall be carried at all times on the person of the retired officer while the
retired officer is carrying a handgun. The retired officer shall produce the
identification card for review on the demand of any law enforcement officer
or authority.

(5) Any person aggrieved by the denial of the superintendent of approval for a permit to carry a handgun pursuant to this subsection may request a hearing in the Superior Court of New Jersey in the county in which he resides by filing a written request for such a hearing within 30 days of the denial. Copies of the request shall be served upon the superintendent and the county prosecutor. The hearing shall be held within 30 days of the filing of the request, and no formal pleading or filing fee shall be required. Appeals from the determination of such a hearing shall be in accordance with law and the rules governing the courts of this State.

(6) A judge of the Superior Court may revoke a retired officer's privilege to carry a handgun pursuant to this subsection for good cause shown on the application of any interested person. A person who becomes subject to any of the disabilities set forth in subsection c. of N.J.S.2C:58-3 shall surrender, as prescribed by the superintendent, his identification card issued under paragraph (4) of this subsection to the chief law enforcement officer of the municipality wherein he resides or the superintendent, and shall be permanently disqualified to carry a handgun under this subsection.

(7) The superintendent may charge a reasonable application fee to retired officers to offset any costs associated with administering the application process set forth in this subsection.

m. Nothing in subsection d. of N.J.S.2C:39-5 shall be construed to prevent duly authorized personnel of the New Jersey Division of Fish and Wildlife, while in the actual performance of duties, from possessing, transporting or using any device that projects, releases or emits any substance specified as being non-injurious to wildlife by the Director of the Division of Animal Health in the Department of Agriculture, and which may immobilize wildlife and produces only temporary physical discomfort through being vaporized or otherwise dispensed in the air for the purpose of repelling bear or other animal attacks or for the aversive conditioning of wildlife.

n. Nothing in subsection b., c., d. or e. of N.J.S.2C:39-5 shall be construed to prevent duly authorized personnel of the New Jersey Division of Fish and Wildlife, while in the actual performance of duties, from possessing, transporting or using hand held pistol-like devices, rifles or shotguns that launch pyrotechnic missiles for the sole purpose of frightening, hazing or aversive conditioning of nuisance or depredating wildlife; from possessing, transporting or using rifles, pistols or similar devices for the sole purpose of chemically immobilizing wild or non-domestic animals; or, provided the duly authorized person complies with the requirements of subsection j. of
this section, from possessing, transporting or using rifles or shotguns, upon completion of a Police Training Commission approved training course, in order to dispatch injured or dangerous animals or for non-lethal use for the purpose of frightening, hazing or aversive conditioning of nuisance or depredating wildlife.

CHAPTER 217

AN ACT concerning the award of county college credit to certain firefighters and supplementing chapter 64A of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 18A:64A-79 Findings, declarations relative to award of county college credit to certain firefighters.

1. The Legislature finds and declares that: through programs and courses county fire academies work to enhance the ability of firefighters to deal more effectively with fire and related emergencies; county fire academy courses offer students an opportunity to grow professionally and to increase their knowledge and skills to provide a safe and effective response to their communities; and certain courses offered by county fire academies are equal in difficulty to those at the college level.

The Legislature, therefore, further finds that it is appropriate for county colleges to award college credits to firefighters for certain courses completed in county fire academies.

C. 18A:64A-80 Conditions for receipt of county college credit for course at fire academy.

2. a. Any person who successfully completes a course at a county fire academy shall receive county college credit for the course if: the county college determines after a review of the curriculum of the course offered by the county fire academy that the curriculum is similar to the curriculum of a course offered in the county college's fire science program; and upon completion of the course, the person successfully completes an examination approved by the county college. The county college shall waive any credit-by-exam fee the college may charge.

b. The county fire academy and county college of a county shall work jointly to identify courses at the county fire academy which offer a curriculum similar to that of courses included in the county college's fire science program.

3. This act shall take effect immediately.

Approved September 7, 2005.

CHAPTER 219

AN ACT concerning regulation of fine particle emissions from certain vehicles and equipment powered by diesel engines, and amending and supplementing various parts of statutory law.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2C-8.26 Findings, declarations relative to regulation of fine particle emissions from diesel engines.

1. The Legislature finds and declares that the emissions of fine particles into the air pose an extraordinary health risk to the people of the State; that the Department of Environmental Protection has determined that 1,000 deaths and 68,000 cases of asthma in the State each year are attributed to the exceedance of the federal 2.5 micron fine particle standard in the State; that exhaust emissions from diesel-powered vehicles and equipment contribute substantially to the fine particle problem, and pose both cardiovascular and cancer risks; that the United States Environmental Protection Agency has classified diesel exhaust as likely to be carcinogenic to humans by inhalation at environmental exposures; that the United States Environmental Protection Agency has also identified diesel particle matter and diesel exhaust organic gases as a mobile source air toxic; that studies repeatedly have found links between exposure to fine particles and health effects, including premature death and increased incidents of asthma, allergies, and other breathing disorders; and that these studies include the examination of the health impacts of the exposure to diesel emissions for school children riding diesel-powered school buses.

The Legislature further finds and declares that, although some new diesel-powered vehicles and equipment operate more cleanly and may contribute less to air quality problems than their predecessors, diesel-powered trucks, buses, and off-road equipment tend to remain in service as long as 20 years or more; that, among these types of vehicles and equipment, diesel commercial buses and diesel solid waste vehicles operate in significant numbers in urban areas of the State where the reduction of fine particle diesel emissions should be prioritized because fine particle diesel emissions are at the highest concentrations in these areas; that the emissions from diesel school buses directly impact the health of school children throughout the State; that unless emissions from some on-road diesel-powered vehicles and off-road diesel-powered equipment currently operating in the State are controlled, all on-road diesel-powered vehicles and off-road diesel-powered equipment will continue to emit high levels of fine particles and contribute to air pollution in the State for many years to come; that filters and other devices and cleaner burning fuels are available to reduce emissions from older diesel vehicles and equipment; that retrofitting certain diesel-powered vehicles and equipment with emissions reducing devices, operating these vehicles and equipment on cleaner burning fuel, or both, could significantly improve air quality; that although such requirements impose costs, the costs
are relatively small when compared with the costs of the vehicles or equipment they update or the cost of the impact on the public health from the air pollution that the requirements abate; that by exercising discretion in the types of vehicles and equipment and the matching of technologies to vehicles and equipment, the cost of installing and using pollution-reducing devices and fuels can be minimized and the air pollution reduction and public health benefits can be maximized; and that the Department of Environmental Protection has estimated that targeting reductions of fine particles from these vehicles and equipment could remove 315 tons per year from the ambient air in the State and could prevent more than 150 premature deaths.

The Legislature therefore determines that it is of vital importance to the health of the people of the State to begin to reduce significantly fine particle emissions and exposure of school children to these emissions; and that this start can be most effectively and economically accomplished by requiring the use of the best available retrofit technologies for the reduction of fine particle emissions in diesel-powered commercial buses, school buses, solid waste vehicles, and publicly owned on-road vehicles and off-road equipment.

C.26:2C-8.27 Definitions relative to regulation of fine particle emissions from diesel engines.

(7) any other provisions the department determines necessary for the implementation of P.L.2005, c.219 (C.26:2C-8.26 et al.).

c. No provision of the rules and regulations adopted pursuant to subsection a. of this section may:

(1) designate any other types, makes, models, or classes of vehicles or equipment as regulated vehicles or regulated equipment other than regulated vehicles and regulated equipment as defined in section 2 of P.L.2005, c.219 (C.26:2C-8.27);

(2) require the installation and use of a retrofit device on a private regulated commercial bus earlier than 180 days after the owners of public regulated commercial buses have been required to install and have begun to use best available retrofit technologies that are retrofit devices on public regulated commercial buses;

(3) require the installation or use of a retrofit device on a regulated vehicle or piece of regulated equipment unless:

(a) the State Treasurer certifies that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund for that year; and

(b) the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay for the cost of purchase and installation of the retrofit device required to be installed or used in that given year, by rule or regulation or by a provision of a plan submitted pursuant to section 7 or section 9 of P.L.2005, c.219 (C.26:2C-8.32 or C.26:2C-8.34).

Provided that the State Treasurer has issued the certification required under subparagraph (a) of paragraph (3) of this subsection for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices in those regulated vehicles or pieces of equipment.

d. The rules and regulations adopted pursuant to paragraph (6) of subsection b. of this section shall at a minimum require that:

(1) the manufacturer of best available retrofit technology warrant to the owner of any regulated vehicle or piece of regulated equipment the full repair and replacement cost of the best available retrofit technology, including parts and labor, if the best available retrofit technology fails to perform as verified;
(2) the manufacturer of best available retrofit technology warrant to the owner of any regulated vehicle or piece of regulated equipment, if the installation or use of the best available retrofit technology damages the engine or the engine components of the regulated vehicle or piece of regulated equipment, the repair or replacement of engine components to return the engine components of the regulated vehicle or piece of regulated equipment to the condition they were in prior to damage caused by the best available retrofit technology;

(3) the manufacturers of best available retrofit technology authorize installers of best available retrofit technology other than fuel as authorized installers of the best available retrofit technology; and

(4) only authorized installers of best available retrofit technology install best available retrofit technology other than fuel.

The specific provisions of these requirements and the specific provisions of any warranty may be established by the department through rules and regulations adopted pursuant to this section or under separate rules and regulations adopted pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), including but not limited to, the period of time during which a warranty would be in effect.

C.26:2C-8.29 DEP to consult when developing rules, regulations concerning diesel commercial buses.

4. The Department of Environmental Protection shall consult with the New Jersey Motor Vehicle Commission and the New Jersey Transit Corporation when developing the provisions of the rules and regulations to be adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28) concerning diesel commercial buses. No later than 60 days before any proposed rules or regulations are filed for publication in the New Jersey Register, the Department of Environmental Protection shall submit for comment to the New Jersey Transit Corporation any rules or regulations concerning diesel commercial buses proposed for adoption pursuant to section 3, section 19, or section 20 of P.L.2005, c.219 (C.26:2C-8.28, C.26:2C-8.44, or C.26:2C-8.45). The Department of Environmental Protection, wherever possible, shall incorporate into requirements imposed on the New Jersey Transit Corporation the use of improved pollution control or fuels other than conventional diesel fuel used by the New Jersey Transit Corporation pursuant to section 22 of P.L.1984, c.73 (C.27:1B-22), but may require additional controls or fuel use for diesel commercial buses operated by, or under contract to, the New Jersey Transit Corporation. No provision of section 22 of P.L.1984, c.73 (C.27:1B-22) shall be construed to supersede, or exempt the New Jersey Transit Corporation from, any requirements the Department of Environmental Protection may establish pursuant to this section. The Department of
Environmental Protection shall give due consideration to the efforts and actions of the New Jersey Transit Corporation for any reduction of fine particle diesel emissions that it has achieved by the installation of retrofit equipment on on-road diesel vehicles in its fleet or the use of special fuels by its fleet to use prior to the submittal of any fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan required pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.).

C.26:2C-8.30 Public outreach program to owners of affected vehicles, equipment.

5. The Department of Environmental Protection shall develop and implement, in consultation with the New Jersey Motor Vehicle Commission, a public outreach program to notify and inform the owners of regulated vehicles or regulated equipment affected by the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.) of the provisions of the law. In developing and implementing the public outreach program, the department shall make every effort to reach those owners that can be identified with the information that is available to the department and through other State agencies or departments, but the department shall not be responsible for notifying and informing owners that could not be identified, and not the New Jersey Motor Vehicle Commission nor any other State agency or department shall be required to identify every owner.

C.26:2C-8.31 Closed crankcase technology for regulated school buses.

6. a. No later than two years after the effective date of P.L.2005, c.219 (C.26:2C-8.26 et al.), or two years after the date on or by which both certifications required in this subsection have been made, whichever is later, every owner of a regulated school bus shall have installed on the regulated school bus closed crankcase technology as specified by the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

No owner of a regulated school bus shall be required to install closed crankcase technology pursuant to this subsection unless:

(1) the State Treasurer certifies in each of the two years after the effective date of P.L.2005, c.219 (C.26:2C-8.26 et al.) that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund; and

(2) the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay the cost of purchase and installation of the closed crankcase technology required pursuant to this subsection in that two-year period.

Provided that the State Treasurer has issued the certification required under paragraph (1) of this subsection for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated
vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices in those regulated vehicles or pieces of equipment.

b. The Department of Environmental Protection shall provide, and each owner of a regulated school bus shall obtain from the department, a compliance form for each regulated school bus. The owner of the regulated school bus shall complete the compliance form, retain a copy for the owner’s records, and return it to the department as soon as practicable after the installation of the closed crankcase technology to verify compliance with the requirements of subsection a. of this section and to seek reimbursement for the cost of the closed crankcase technology. The compliance form shall include the cost of any retrofit device installed as part of the closed crankcase technology and any cost associated with the installation of the closed crankcase technology. After the installation of the closed crankcase technology on a regulated school bus, a copy of the completed compliance form shall be kept on each regulated school bus at all times.

c. The department shall review the compliance forms submitted pursuant to subsection b. of this section and forward them to the State Treasurer. The State Treasurer shall reimburse each owner of a regulated school bus the cost of any retrofit device installed as part of the closed crankcase technology requirement and any cost associated with the installation of the closed crankcase technology indicated on the compliance form, in accordance with the provisions of sections 28 through 31, inclusive, of P.L.2005, c.219 (C.26:2C-8.53 through C.26:2C-8.56).

d. The Department of Environmental Protection shall provide any training necessary to implement the provisions of subsection d. of this section for any employees of, or persons contracted or licensed by, the New Jersey Motor Vehicle Commission, as determined necessary by the Chief Administrator of the New Jersey Motor Vehicle Commission.

e. The Department of Environmental Protection and the New Jersey Motor Vehicle Commission shall adopt jointly, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations concerning the installation of the crankcase technology required pursuant to this section and establishing the inspection requirements and procedures for verification of compliance with the crankcase technology requirement established pursuant to this section, the use of the compliance form in any inspection or as part of the inspection procedures and verification of compliance, any training necessary for any employees of, or persons contracted or licensed by, the New Jersey Motor Vehicle Commission, and the extent of that training to be provided by the Department of Environmental Protection, and in what manner that training shall be provided.
f. If for any reason, the owner of the regulated school bus is unable to comply with the requirements specified in this section, the owner shall notify the department, as soon as practicable, of the inability to comply. The department shall resolve the situation with the owner as soon as practicable, and the department shall issue any necessary documentation and other information to the owner of the regulated school bus.

C.26:2C-8.32 Study to identify, quantify sources of fine particles in cabin of regulated school buses.

7. a. Within two years after the effective date of P.L.2005, c.219 (C.26:2C-8.26 et al.), the Department of Environmental Protection shall complete a study to identify and quantify the sources of fine particles present in the cabin of a regulated school bus. The study shall:

(1) evaluate the relative contribution of emissions from both the crankcase and the tailpipe to in-cabin levels of fine particles; and

(2) evaluate the feasibility of requiring, and the environmental and health benefits of the reduction of fine particle levels from school bus tailpipe emissions through the use of additional retrofit devices.

b. If the Department of Environmental Protection finds as a result of the study conducted pursuant to subsection a. of this section that technologically feasible reductions in tailpipe emissions would significantly reduce the health risks associated with exposure of children to fine particles in the cabin of a standard school bus, the department may require the use of additional best available retrofit technologies in or on regulated school buses. If the department makes such a finding pursuant to the study, the department shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations establishing:

(1) the best available retrofit technologies that regulated school buses shall be required to use, according to type, class, and other identifying vehicle information as designated by the department in these rules and regulations; and

(2) the requirements for submitting a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan that are consistent with the requirements and provisions of section 9 and section 10 of P.L.2005, c.219 (C.26:2C-8.34 and C.26:2C-8.35) and the requirements for implementing the use of best available retrofit technologies for any owner who elects not to submit such a plan.

No use of additional best available retrofit technologies in or on regulated school buses may be required pursuant to this subsection for regulated school buses scheduled to be in service for less than two years on or after the date of notification pursuant to subsection d. of this section. No provision
of the rules and regulations may require an owner of a regulated school bus to make a submittal to the department except as provided by this section.

c. No owner of a regulated school bus shall be required to install or use a retrofit device on a regulated school bus as required pursuant to the rules and regulations adopted pursuant to subsection b. of this section or pursuant to any part of a plan submitted pursuant to subsection e. of this section unless:

(1) the State Treasurer certifies that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund for that year; and

(2) the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay for the cost of purchase and installation of the retrofit device required to be used by rule or regulation or by a provision of a plan submitted pursuant to subsection e. of this section in that given year.

Provided that the State Treasurer has issued the certification required under paragraph (1) of this subsection for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated school buses for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices in those regulated school buses.

d. The Department of Environmental Protection shall notify each owner of a regulated school bus of the adoption of the rules and regulations pursuant to subsection b. of this section and the provisions of those rules and regulations. In establishing additional requirements pursuant to subsection b. of this section, the department shall require the compliance of regulated school buses before the compliance of other vehicles and equipment required to use best available retrofit technologies pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.). The State Treasurer shall prioritize the use of dedicated moneys in the Diesel Risk Mitigation Fund to allow for regulated school bus compliance with the provisions of this section, and shall prioritize payments made from the fund for regulated school buses complying with these additional requirements.

e. If rules and regulations are adopted pursuant to subsection b. of this section, each owner of a regulated school bus shall submit to the Department of Environmental Protection:

(1) an inventory of the diesel-powered school buses that are owned by the owner;

(2) notice by the owner that the owner shall comply with the requirements of P.L.2005, c.219 (C.26:2C-8.26 et al.) through the use of the best available retrofit technologies as designated and provided for under the rules
and regulations adopted pursuant to subsection b. of this section, or that the owner cannot comply in that manner and is submitting a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan; and

(3) the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan being submitted in lieu of complying through the use of the best available retrofit technologies as designated and provided for under the rules and regulations adopted pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.), if the owner has elected to do so.

The owner shall make these submittals no later than 180 days after the effective date of the rules and regulations adopted pursuant to subsection b. of this section, or the date on or by which both certifications required pursuant to subsection c. of this section have been made, whichever is later.

f. No later than 180 days after the date of the submittals and notice pursuant to subsection e. of this section, the Department of Environmental Protection shall review, approve, and resolve any discrepancies concerning any submitted fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, and shall issue final approval of the submitted plan. Any supplements or modifications to the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan submitted pursuant to this subsection shall be made pursuant to section 10 of P.L.2005, c.219 (C.26:2C-8.35).

g. The department shall provide a one-page compliance form to each owner of a regulated school bus that submits a notice to comply pursuant to paragraph (2) of subsection e. of this section for each regulated school bus required to use best available retrofit technologies. The compliance form shall be similar to the compliance form issued pursuant to section 17 of P.L.2005, c.219 (C.26:2C-8.42) and shall be consistent with the provisions of subsection b. of that section. The department shall issue with the compliance form a notice of instructions describing the purpose of, and the procedures for completion of the compliance form, and the requirement to keep the compliance form with the regulated vehicle, or other vehicle included in a fleet averaging plan or modification thereto, for the life of the vehicle.

The owner of the regulated school bus shall complete the compliance form, retain a copy for the owner's records, and return it to the department as soon as practicable after the installation of, or commencement of the use of, the best available retrofit technologies required pursuant to the rules and regulations adopted pursuant to subsection b. of this section. The department shall review the compliance forms submitted and shall forward them to the State Treasurer, who shall reimburse each owner of a regulated school bus the cost of any retrofit device and the costs associated with the installation thereof, in accordance with the provisions of sections 28 through 31, inclusive, of P.L.2005, c.219 (C.26:2C-8.53 through C.26:2C-8.56).
C.26:2C-8.33 Rules and regulations relative to idling school buses, consistency with "Air Pollution Control Act (1954)."

8. a. The rules and regulations adopted pursuant to paragraph (4) of subsection b. of section 3 of P.L.2005, c.219 (C.26:2C-8.28), shall be consistent with any rules and regulations adopted pursuant to the "Air Pollution Control Act (1954)," P.L.1954, c.212 (C.26:2C-1 et seq.) concerning the idling of vehicles powered by diesel engines, shall be no less stringent than the restrictions on idling pursuant to department rules and regulations in effect on the date of enactment of P.L.2005, c.219 (C.26:2C-8.26 et al.), and shall provide for the same penalties to be enforced for school bus idling as are enforced for the idling of other motor vehicles pursuant to section 2 of P.L.1966, c.15 (C.39:3-70.2), except that:

   (1) a warning shall be issued to the driver of the school bus operated in violation of these provisions, to the school district if the school district is not the owner of the school bus, and the principal or administrator of the school serviced by the school bus operated in violation of these provisions, for the first violation;

   (2) for a first violation, a notice of violation shall be issued to, and the appropriate penalty imposed on, the owner of the school bus operated in violation of these provisions; and

   (3) subsequent violations shall be enforced against the owner of the school bus operated in violation of these provisions, if other than the school district, and the school district serviced by the school bus operated in violation of these provisions.

   No penalties may be assessed against any driver of any school bus that is operated in violation of the rules and regulations adopted pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.).

b. The Department of Environmental Protection shall consult with the Department of Education, individual school districts and school administrators concerning the issue of school bus idling, and develop and assist with the implementation of policies and procedures to achieve compliance with the rules and regulations adopted pursuant to paragraph (4) of subsection b. of section 3 of P.L.2005, c.219 (C.26:2C-8.28).

c. The Department of Law and Public Safety, in consultation with local law enforcement, the Department of Education, the Department of Environmental Protection, and the New Jersey Motor Vehicle Commission, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any rules or regulations necessary to facilitate and ensure the enforcement of the rules and regulations adopted pursuant to paragraph (4) of subsection b. of section 3 of P.L.2005, c.219 (C.26:2C-8.28).
CHAPTER 219, LAWS OF 2005

C.26:2C-8.34 Submissions to DEP by owner of regulated vehicle, equipment.

9. a. Except as otherwise provided for in this section, any owner of a regulated vehicle or regulated equipment shall submit to the Department of Environmental Protection:
   
   (1) an inventory of all on-road diesel vehicles and off-road diesel equipment owned, operated, or leased by the owner;
   
   (2) notice by the owner that the owner shall comply with the requirements of P.L.2005, c.219 (C.26:2C-8.26 et al.) through the use of the best available retrofit technologies as designated and provided for under the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), or that the owner cannot comply in that manner and is submitting a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan; and
   
   (3) the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan being submitted in lieu of complying through the use of the best available retrofit technologies as designated and provided for under the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), if the owner has elected to do so.

b. Each owner of a regulated vehicle or regulated equipment shall make the submittals required pursuant to subsection a. in accordance with the following schedule:
   
   (1) for regulated solid waste vehicles, no later than 180 days after the effective date of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28);
   
   (2) for public regulated commercial buses, no later than one year after the effective date of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28);
   
   (3) for private regulated commercial buses, no later than one year and 180 days after the effective date of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28); and
   
   (4) for regulated on-road diesel vehicles and regulated equipment other than regulated solid waste vehicles and regulated commercial buses, no later than two years after the effective date of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

c. No owner of a private regulated commercial bus shall be required to make any submittal pursuant to subsection b. of this section until the owners of public regulated commercial buses have made their submittals required pursuant to that subsection, and no installation and use of a retrofit device on a private regulated commercial bus may be required earlier than 180 days after the owners of public regulated commercial buses have been required to install and have begun the use of retrofit devices on public regulated commercial buses.
d. The owner of regulated vehicles or regulated equipment who com-
mences operation of a fleet after the effective date of the rules and regu-
lations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28) shall
make the submittals required pursuant to subsection a. of this section within
180 days after the date on which they began operations, or the date provided
in subsection b. of this section, whichever is later.

e. The owner of regulated vehicles or regulated equipment may coordi-
nate or combine the development of a fleet retrofit plan with the develop-
ment of a fleet retrofit plan of any other owner, or a group of owners, of
regulated vehicles or regulated equipment, and with the guidance of the
Department of Environmental Protection submit a combined fleet retrofit
plan.

f. The fleet retrofit plan submitted pursuant to subsection a. of this
section shall include a description by the owner of the best available retrofit
technology and the specific regulated vehicle or piece of regulated equipment
on which the specific best available retrofit technology would be used, as
determined by the owner pursuant to the rules and regulations adopted
pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

g. If the owner of regulated vehicles or regulated equipment determines
that the best available retrofit technology as required under the rules and
regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28)
is not feasible for a specific regulated vehicle or pieces of regulated equip-
ment, the owner may document this determination in the fleet retrofit plan
and request the use of another level of best available retrofit technology to
meet the requirement for that specific regulated vehicle or piece of regulated
equipment, or provide documentation as to why the owner cannot use the
best available retrofit technology that is required. The owner may also
propose and negotiate an enforceable commitment to:
   (1) retire the regulated vehicle or piece of regulated equipment and
       replace it with a vehicle or piece of equipment certified to fine particle
       emission levels at or below the emission levels that would have been
       achieved by the use of the required best available retrofit technology; or
   (2) replace the engine of the vehicle or the equipment with an engine
       certified to that fine particle emissions level.

h. The owner of 75 or more regulated vehicles or pieces of regulated
equipment, or any group of owners who elect to develop a combined fleet
retrofit plan pursuant to subsection d. of this section under which 75 or more
regulated vehicles or pieces of regulated equipment would be regulated, may
propose to the Department of Environmental Protection a fleet averaging
plan, in lieu of a fleet retrofit plan or a combined fleet retrofit plan, for the
fleet or fleets affected. The owner or owners may propose a fleet averaging
plan provided that the total net percent reductions in fine particle emissions
under the proposed fleet averaging plan are equivalent to the estimated reductions in fine particle emissions that would have been achieved by the owner if a fleet retrofit plan were submitted and implemented for the regulated vehicles or regulated equipment, or both, or by the owners if the owners had submitted and implemented a combined fleet retrofit plan for their regulated vehicles or regulated equipment, or both, as calculated pursuant to the provisions of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28). The owner or group of owners may propose achieving fine particle emissions reductions from any on-road diesel vehicle, off-road diesel equipment, regulated vehicle, or regulated equipment owned by the owner or group of owners, or the retirement of any of those vehicles or equipment, and shall submit the proposed fleet averaging plan to the department as required by the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

i. A fleet averaging plan proposed pursuant to subsection g. of this section that proposes the use of retrofit devices on any on-road diesel vehicle, off-road diesel equipment, regulated vehicle, or regulated equipment shall include: (1) a description by the owner of the best available retrofit technology and the specific vehicle or equipment on which the specific best available retrofit technology would be used, the specific vehicle or equipment to be retired, and how the required fine particle reductions shall be achieved through a combination of the use of best available retrofit technology on the specific vehicles or equipment; and (2) other measures or applications of best available retrofit technology consistent with the provisions of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

j. The Department of Environmental Protection shall give due consideration in the application of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan requirements to any efforts or actions by owners of regulated vehicles or regulated equipment who voluntarily retrofit, retire, or repower vehicles or equipment prior to the adoption of rules and regulations pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), and may modify any of the requirements of this section for such an owner in order to provide such due consideration.

k. The Department of Environmental Protection shall provide any technical guidance needed in preparing the fleet retrofit plans, combined fleet retrofit plans, and fleet averaging plans required pursuant to this section and any revisions, supplements, or modifications thereto required pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.).

l. No owner of regulated vehicles or regulated equipment shall be required to install or use a retrofit device on a regulated vehicle or regulated equipment as required pursuant to the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28) or under a plan submitted
pursuant to this section in any year unless the State Treasurer certifies for that year that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund and the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay the cost of purchase and installation of the retrofit devices required to be used by rule and regulation or under an approved fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan or supplement or modification thereto, as applicable, by an owner in that year.

Provided that the State Treasurer has issued the certification that the constitutionally dedicated moneys have been deposited in the fund for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices to be purchased for, and installed in, those regulated vehicles or pieces of regulated equipment.

C.26:2C-8.35 Approval of fleet retrofit plans.

10. a. The department shall review, and approve or disapprove all parts of any fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan submitted pursuant to section 9 of P.L.2005, c.219 (C.26:2C-8.34). The department may approve or disapprove any fleet retrofit plan, combined fleet retrofit plan, or the fleet averaging plan in part, and:

(1) may direct the owner to comply with the approved part or parts of the fleet retrofit plan, the combined fleet retrofit plan, or the fleet averaging plan, as applicable, prior to final approval of other parts of the fleet retrofit plan, the combined fleet retrofit plan, or the fleet averaging plan; or

(2) in the case of a fleet averaging plan, may determine that the owner or the group of owners cannot comply with the requirements of P.L.2005, c.219 (C.26:2C-8.26 et al.) by implementing the proposed fleet averaging plan, and may require the owner to submit a fleet retrofit plan, or the group of owners of the fleets to submit a combined fleet retrofit plan or individual fleet retrofit plans.

Any determination made, or requirement established, pursuant to paragraph (2) of this subsection shall be made in writing and shall be provided in writing to each owner affected by the determination or requirement.

b. If the department exercises its authority under paragraph (2) of subsection a. of this section, the department shall issue a modified timetable for submittal of a fleet retrofit plan for the regulated vehicles or regulated equipment, a combined fleet retrofit plan for the group of owners, or individual fleet retrofit plans for the owners in the group. The department may require the submittal of these plans no earlier than 180 days after the date of
the determination pursuant to paragraph (2) of subsection a. of this section, or the date on or by which both of the certifications required pursuant to subsection l. of section 9 of P.L.2005, c.219 (C.26:2C-8.34) have been made, whichever is later. The department shall review, approve or disapprove any fleet retrofit plan or combined fleet retrofit plan submitted in accordance with this modified timetable.

c. Whenever the department disapproves a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or a part thereof, the department shall provide a detailed explanation to the owner indicating the deficiencies of the disapproved fleet retrofit plan, disapproved combined fleet retrofit plan, or the disapproved fleet averaging plan, or part thereof, and the recommendations of the department to correct the deficiencies.

d. During the review process or prior to final approval of a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the part thereof in question, the department may contact and enter into negotiations with the owner to resolve discrepancies between the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28), the submitted fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, and any requests by the owner for alternatives pursuant to subsection g. of section 9 of P.L.2005, c.219 (C.26:2C-8.34).

e. The owner or a group of owners whose fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or any part thereof, is disapproved by the department shall make the recommended revisions to the disapproved fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the disapproved part thereof, within 60 days after the receipt of the disapproval notification from the department, and shall submit to the department the final revised fleet retrofit plan, final revised combined fleet retrofit plan, or the final revised fleet averaging plan, or the final revised part thereof that had been disapproved and revised. If the department does not take further action within 30 days after receipt of the final revised fleet retrofit plan, final revised combined fleet retrofit plan, the final fleet averaging plan, or the final revised part that had been disapproved, the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or the part that had been disapproved and revised, shall be considered approved and in effect. If the department finds within 30 days after the receipt of the final revised fleet retrofit plan, final revised combined fleet retrofit plan, or the final revised fleet averaging plan, that the owner has not complied with the recommended revisions, the department may take further action to require compliance with this subsection, but the plan shall be in effect as of the date of the close of the 30-day period following the submittal of the final revised plan, or part thereof.

f. Upon the date of final approval of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan, or any part thereof, the owner shall
be subject to the provisions of the fleet retrofit plan, combined fleet retrofit plan, fleet averaging plan, or that part thereof, and shall be required to comply with these provisions on or after the final approval date or the date on or by which both certifications required pursuant to subsection 1. of section 9 of P.L.2005, c.219 (C.26:2C-8.34) have been made, whichever is later.

C.26:2C-8.36 Anniversary date of plans, submissions required from owner.

11. a. The date on which all parts of a fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan have been approved and are in effect shall serve as the anniversary date of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan approval for the purposes of this subsection. On each annual anniversary of the date of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan approval, or 90 days after the date of the fleet retrofit plan, combined fleet retrofit plan, or fleet averaging plan approval, or the approval of the most recent supplement or modification thereto, as applicable, whichever is later, each owner of regulated vehicles or regulated equipment shall submit a supplement to the fleet retrofit plan or combined fleet retrofit plan, or a modification of the fleet averaging plan, as applicable, indicating any changes to the fleet that have been made.

b. A supplement submitted pursuant to subsection a. of this section shall include:

(1) a description of any on-road diesel vehicles or off-road diesel equipment owned, operated, or leased by the owner added or removed from the fleet since the submission of the fleet retrofit plan or combined fleet retrofit plan, or the last supplement thereto; and

(2) for the regulated vehicles or regulated equipment added to the fleet, a description of the best available retrofit technology and the specific vehicle or piece of equipment on which the specific best available retrofit technology would be used.

c. A modification to a fleet averaging plan submitted pursuant to subsection a. of this section shall include:

(1) a description of any on-road diesel vehicles or off-road diesel equipment owned, operated, or leased by the owner or removed from the fleet since the submission of the fleet averaging plan or the last modification, thereto;

(2) for the regulated vehicles or regulated equipment added to the fleet, a description of the best available retrofit technology and the specific vehicle or piece of equipment on which the specific best available retrofit technology would be used that was not described in the fleet averaging plan or the last modification thereto; and
(3) a description of how the required fine particle reductions shall be achieved through a combination of the use of best available retrofit technology on specific regulated vehicles and other on-road diesel vehicles, or on specific regulated equipment and other off-road diesel equipment, and other measures or applications of best available retrofit technology consistent with the provisions of the rules and regulations adopted pursuant to section 3 of P.L.2005, c.219 (C.26:2C-8.28).

d. The department shall review, and approve or disapprove all parts of the supplement or the modification no later than one year after its submittal date. The department may approve or disapprove any supplement or modification to any plan in part, and require the owner of the regulated vehicles or regulated equipment to comply with the approved part or parts of the supplement or modification prior to final approval of other parts of the supplement or the modification.

e. Whenever the department disapproves a supplement to a fleet retrofit plan, combined fleet retrofit plan, or a modification to a fleet averaging plan, or a part thereof, the department shall provide a detailed explanation to the owner or operator of the fleet indicating the deficiencies of the disapproved supplement or modification, or part thereof, and the recommendations of the department to correct the deficiencies. The owner or a group of owners who receive disapproval of a supplement to a fleet retrofit plan or combined fleet retrofit plan, or of a modification to a fleet averaging plan, or a part thereof, shall make the recommended revisions to the supplement or the modification within 60 days after the receipt of the disapproval notification from the department, and submit the final revised supplement or modification, or the revised part that had been disapproved, to the department. If the department does not take further action within 30 days after receipt of the final revised supplement or modification, or the revised part that had been disapproved, the revised supplement to the fleet retrofit plan or combined fleet retrofit plan, or modification to the fleet averaging plan, or the revised part that had been disapproved shall be considered approved and in effect. If the department finds within 30 days after the receipt of the final revised supplement or modification or the final revised part that had been disapproved, that the owner has not complied with the recommended revisions, the department may take further action to require compliance with this subsection, but the supplement or modification shall be in effect as of the date of the close of the 30-day period after the receipt of the final revised supplement or modification.

f. Upon the date of final approval of the applicable part, and the date the final supplement or modification is in effect, the owner shall be subject to the provisions of the fleet retrofit plan or combined fleet retrofit plan, and the supplement thereto, or the fleet averaging plan and the modification
thereto, except as may otherwise be provided pursuant to subsection e. of section 10 of P.L.2005, c.219 (C.26:2C-8.35).

   g. No owner of a regulated vehicle or regulated equipment shall be required to install or use a retrofit device on a regulated vehicle or piece of regulated equipment as required pursuant to a supplement to a fleet retrofit plan or combined fleet retrofit plan, or a modification to a fleet averaging plan or, any part of such a supplement or a modification, in any year unless the State Treasurer certifies for that year that the constitutionally dedicated moneys have been deposited in the Diesel Risk Mitigation Fund, and the Department of Environmental Protection certifies that sufficient moneys are available in the fund to pay the cost of purchase and installation of the retrofit devices required to be used by an owner by rule or regulation or by the supplement to a fleet retrofit plan or combined fleet retrofit plan or the modification to a fleet averaging plan in that year.

   Provided that the State Treasurer has issued the certification that the constitutionally dedicated moneys have been deposited in the fund for that year, the department may determine the amount of moneys available in the fund for that year, require the purchase and installation of those retrofit devices in those regulated vehicles or pieces of regulated equipment for which sufficient moneys are available, and certify that sufficient moneys are available for those retrofit devices to be purchased for, and installed in, those regulated vehicles or pieces of regulated equipment.

C.26:2C-8.37 Inapplicability relative to vehicles, equipment meeting federal standard.

C.26:2C-8.50 Ultra-low sulfur diesel fuel required on-road.

25. a. No on-road diesel vehicle may operate in the State using any fuel other than ultra-low sulfur diesel fuel, on or after October 15, 2006, or the date set by the United States Environmental Protection Agency as the retail compliance date for the sale of ultra-low sulfur diesel for use in on-road diesel vehicles pursuant to federal law and regulation.

b. No sooner than July 15, 2006, and following a public hearing held by the Department of Environmental Protection on the availability of ultra-low sulfur diesel fuel in the State, the department shall determine and issue a written notice of its determination as to whether sufficient supplies of ultra-low sulfur diesel fuel are available in the State to require only ultra-low sulfur diesel fuel to be sold in the State on and after January 15, 2007, without significant disruption of, or significant price increases in, the wholesale and retail fuel market. If the department determines that supplies would be sufficient, no diesel fuel other than ultra-low sulfur diesel fuel may be sold in the State on or after the 180th day after the date on which the department issues a written determination that supplies would be sufficient, or three months after the retail compliance date for the sale of ultra-low sulfur diesel fuel for use in on-road diesel vehicles implemented by the United States Environmental Protection Agency, whichever is later.

c. If the department determines that sufficient supplies are not available pursuant to subsection b. of this section, the requirement to sell only ultra-low sulfur diesel fuel in the State shall take effect only 180 days after the department issues a written determination that the supplies are sufficient.

d. The Department of Environmental Protection, in consultation with the Department of Law and Public Safety, the Department of Labor and Workforce Development, and the Attorney General, shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary for the implementation of this section.
C.26:2C-8.51 Inapplicability relative to farm vehicles, equipment.

26. No provision of P.L.2005, c.219 (C.26:2C-8.26 et al.) shall be construed to apply to any vehicle or equipment used on, or in the course of the operation of, a farm or to any vehicle or equipment used for any agricultural purposes.

C.26:2C-8.52 Violations, penalties.

27. a. Whenever the Commissioner of Environmental Protection finds that a person has violated a provision of P.L.2005, c.219 (C.26:2C-8.26 et al.), or any rule or regulation adopted pursuant thereto, the commissioner may:

   (1) Levy a civil administrative penalty in accordance with subsection b. of this section; or
   (2) Bring an action for a civil penalty in accordance with subsection c. of this section.

   Recourse to any of the remedies available under this section shall not preclude recourse to any of the other remedies prescribed in this section or by any other applicable law.

   b. The commissioner is authorized to assess a civil administrative penalty of not more than $5,000 for each violation of P.L.2005, c.219 (C.26:2C-8.26 et al.), or any rule or regulation adopted pursuant thereto. In adopting rules and regulations establishing the amount of any penalty to be assessed, the commissioner may take into account the type, seriousness, and duration of the violation and the economic benefits from the violation gained by the violator. No assessment shall be levied pursuant to this section until after the party has been notified by certified mail or personal service. The notice shall: (1) identify the section of the law, rule, regulation, approval, or authorization violated; (2) recite the facts alleged to constitute a violation; (3) state the amount of the civil penalties to be imposed; and (4) affirm the rights of the alleged violator to a hearing. The ordered party shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order after assessing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy an administrative penalty is in addition to all other enforcement provisions in this act and in any other applicable law, rule, or regulation, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. Any civil administrative penalty assessed under this section may be
compromised by the commissioner upon the posting of a performance bond by the violator, or upon such terms and conditions as the commissioner may establish by regulation.

c. A person who violates any provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.), or any rule or regulation adopted pursuant thereto, or who fails to pay a civil administrative penalty in full pursuant to subsection b. of this section, shall be subject, upon order of a court, to a civil penalty for such violation of not more than $5,000. Any civil penalty imposed pursuant to this subsection may be collected with costs in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). In addition to any penalties, costs or interest charges, the court may assess against the violator the amount of actual economic benefit accruing to the violator from the violation. The Superior Court and the municipal court shall have jurisdiction to enforce the provisions of the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.) in connection with the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.).

d. Any person who knowingly, recklessly, or negligently makes a false statement, representation, or certification in any application, record, or other document filed or required to be maintained under P.L.2005, c.219 (C.26:2C-8.26 et al.) shall be in violation of P.L.2005, c.219 (C.26:2C-8.26 et al.) and shall be subject to the penalties assessed pursuant to subsections b. and c. of this section.

C.26:2C-8.53 "Diesel Risk Mitigation Fund"; money credited, use.

28. a. There is established in the Department of the Treasury a special, nonlapsing fund to be known as the "Diesel Risk Mitigation Fund." The fund shall be administered by the State Treasurer and shall be credited with:

(1) constitutionally dedicated moneys;
(2) such moneys as are appropriated by the Legislature; and
(3) any return on investment of moneys deposited in the fund.

b. Moneys in the fund may be used by the Department of the Treasury solely for:

(1) reimbursements to owners of regulated vehicles or regulated equipment to reimburse the cost of required retrofit devices and the installation thereof;
(2) the administrative costs incurred by the Department of Environmental Protection to implement the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.) up to $900,000 per year; and
(3) the administrative costs incurred by the New Jersey Motor Vehicle Commission to implement the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.) up to $250,000 per year.
c. No moneys in the fund may be made available for any costs associated with requirements imposed by P.L.2005, c.219 (C.26:2C-8.26 et al.), unless the State Treasurer certifies that the constitutionally dedicated moneys have been deposited in the fund in that year.

If the moneys provided for the administrative costs of the New Jersey Motor Vehicle Commission are not required by the commission in a given year because they exceed the amount of the administrative costs of the commission in that year, the State Treasurer shall provide those moneys unexpended for that purpose to the Department of Environmental Protection for administrative costs, provided that the administrative costs paid from the constitutionally dedicated moneys deposited in the fund do not exceed $1,150,000.

d. Any owner of a regulated vehicle or piece of regulated equipment is eligible for reimbursement from the fund. Notwithstanding the provisions of the "Local Budget Law" (N.J.S.40A:4-1 et seq.) to the contrary, a county, municipality, or an authority as defined in section 3 of P.L.1983, c.313 (C.40A:5A-3) required to comply with the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.) may anticipate in its annual budget or any amendments or supplements thereto those sums to be reimbursed from the fund for the costs of retrofit devices and their installation that are required to be used in or on any regulated vehicle or piece of regulated equipment in a given year in which the county, municipality, or authority incurs the cost. For the purposes of subsection 1. of section 3 of P.L.1976, c.68 (C.40A:4-45.3) and subsection g. of section 4 of P.L.1976, c.68 (C.40A:4-45.4), the costs of retrofit devices and their installation shall be considered an amount to be received from State funds in reimbursement for local expenditures and therefore exempt from the limitation on local budgets imposed pursuant to section 2 of P.L.1976, c.68 (C.40A:4-45.2).

C.26:2C-8.54 Allocation of moneys in fund, application for reimbursement.

29. a. Moneys in the fund shall be allocated and used to provide reimbursement to the owners of regulated vehicles or regulated equipment for 100% of the costs of the purchase and installation of the retrofit device pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.), other than fuel.

b. The owner or operator of a regulated vehicle or piece of regulated equipment seeking the reimbursement authorized in subsection a. of this section shall file an application on a form to be developed by the State Treasurer and the Department of Environmental Protection, with the department, with the documentation required by the department and the State Treasurer pursuant to section 30 of P.L.2005, c.219 (C.26:2C-8.55). Neither the State Treasurer nor the Department of Environmental Protection may charge an application fee.
c. Upon a determination that an application for reimbursement meets all established criteria for an award from the fund, the Department of Environmental Protection and the State Treasurer shall approve the application. Upon the department approval of an application for reimbursement from the fund, the State Treasurer shall award the reimbursement to an owner upon the availability of sufficient moneys in the fund. If moneys in the fund are not sufficient at any point to fund all applications for reimbursement that have been approved by the State Treasurer, the State Treasurer shall award reimbursement to approved owners based upon the date of approval of the application.

C.26:2C-8.55 Rules, regulations relative to filing requirements for reimbursement.

30. a. The State Treasurer shall adopt, in consultation with the Department of Environmental Protection, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations:
(1) establishing the filing requirements for a complete application for reimbursement from the fund; and
(2) to require an owner:
(a) to submit documentation or other information demonstrating that the retrofit device has been purchased and installed on a regulated vehicle, which shall include the vehicle identification number of the vehicle, or on regulated equipment the serial number;
(b) to submit documentation of the actual costs incurred for the purchase of the retrofit device required to be installed, the nature and scope of work performed to install the retrofit device, and the actual costs incurred to install the technology;
(c) to submit a certification that the owner has not engaged in any of the conduct described in subsection a. of section 31 of P.L.2005, c.219 (C.26:2C-8.56);
(d) to submit a certification that the retrofit device installed on a regulated vehicle or regulated equipment is in conformance with rules and regulations of the Department of Environmental Protection; and
(e) to provide access at reasonable times to the regulated vehicles or regulated equipment to determine compliance with the terms and conditions of the reimbursement award.

b. In establishing requirements for applications for reimbursement, the State Treasurer:
(1) may not impose conditions that interfere with the everyday normal operations of an owner's business activities, except to the extent necessary to ensure the owner has complied with the provisions of P.L.2005, c.219 (C.26:2C-8.26 et al.);
(2) shall strive to minimize the complexity and costs to owners of complying with such requirements; and
(3) shall expeditiously process all applications in accordance with a schedule established, in consultation with the Department of Environmental Protection, for the review and the taking of final action within 30 days after the receipt of the completed application.

C.26:2C-8.56 Denial of application for reimbursement.
31. a. The State Treasurer may deny an application for reimbursement from the fund, and any reimbursement from the fund may be recoverable by the State Treasurer, upon a finding that:
   (1) the owner of a regulated vehicle or regulated equipment failed to commence or complete the purchase or installation of best available retrofit technology on the vehicle or equipment for which an application for reimbursement was filed in accordance with the applicable rules and regulations; or
   (2) the owner of a regulated vehicle or regulated equipment provided false information or withheld information on an application that would render the owner ineligible for reimbursement from the fund, that resulted in the owner receiving a larger reimbursement than the owner would otherwise be eligible, or that resulted in payments from the fund in excess of the actual costs incurred by the owner or the amount to which the owner is legally eligible.
b. Nothing in this section shall be construed to require the State Treasurer, the Department of Environmental Protection, or any other State agency or department, to undertake an investigation or make any findings concerning the conduct described in subsection a. of this section.

32. Section 4 of P.L.1966, c.16 (C.26:2C-8.4) is amended to read as follows:

federal "Clean Air Act," 42 U.S.C. s.7401 et seq., and any subsequent federal laws controlling air contaminants from motor vehicles.

The owner of any school bus that is operated or is permitted to idle in violation of rules and regulations adopted pursuant to the Department of Environmental Protection pursuant to the "Air Pollution Control Act (1954)," P.L.1954, c.212 (C.26:2C-1 et seq.) or any applicable rules and regulations adopted pursuant to P.L.2005, c.219 (C.26:2C-8.26 et al.) shall be liable for a penalty of not less than $250 nor more than $1,000 per day, per vehicle, which shall be enforced in accordance with the provisions of chapter 5 of Title 39 of the Revised Statutes, except that no penalty may be assessed against any driver of a school bus who is not the owner of the school bus.

The provisions of this section shall not apply to a motor vehicle idling in traffic, or a motor vehicle other than a school bus idling in a queue of motor vehicles, that are intermittently motionless and moving because the progress of the motor vehicles in the traffic or the queue has been stopped or slowed by the congestion of traffic on the roadway or other conditions over which the driver of the idling motor vehicle has no control.

CHAPTER 220

AN ACT establishing a community service pilot program for high school students in the Department of Education.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. a person is not only an individual, but part of a broader community of family, friends, neighbors and fellow citizens;
   b. an important goal of public education should be to teach young people about their role in society and to develop in them a sense of civic responsibility, especially toward those in the community who may demonstrate greater social need, such as the elderly, the sick, the poor, and the homeless;
   c. a student can best learn about civic responsibility by participating in community organizations and activities which are aimed at addressing some of the social problems and concerns facing our society;
   d. a number of school districts throughout the country currently require high school students to participate in a community service program; and
   e. the establishment of a community service requirement for high school students in this State on a pilot basis would provide young people with an opportunity to actively participate in their communities and would help them to mature into responsible citizens and adults with strong social and civic values.

2. a. The Commissioner of Education shall establish a community service pilot program. Pursuant to the pilot program, beginning in the 2005-2006 school year and in each of the following two school years thereafter, a high school junior in a selected school shall complete a minimum of 15 hours of community service. The high school junior:
(1) may complete the community service requirement during the evenings, on weekends, or during the summer, but shall not complete the requirement during school hours;
(2) may complete the community service requirement with a non-profit agency or organization, a public agency or institution, a non-profit or for-profit health care facility, or any other community organization which the commissioner deems appropriate; and
(3) shall not receive compensation for community service or substitute employment for the service requirement.

b. The commissioner shall select 30 schools to participate in the pilot program based upon the commissioner's evaluation of the school's ability to successfully implement the program. In selecting the schools to participate, the commissioner shall include urban and suburban schools from the north, central and southern regions of the State with at least one school per county.
c. The commissioner shall authorize the board of education of a school district in which a selected school is located to exempt a student from all or part of the community service requirement if, in the judgment of the board, the requirement would result in undue hardship for the student. In addition, the commissioner may authorize the board of education to exempt a student who is classified pursuant to chapter 46 of Title 18A of the New Jersey Statutes from all or part of the service required pursuant to the pilot program if, in the judgment of the board, the performance of that service would be inconsistent with the Individual Education Plan of that student.

3. The commissioner shall periodically review the progress of the community service pilot program to ensure that the program is achieving the intended goals, and shall report to the Governor and the Legislature by December, 2008 on the effectiveness of the pilot program. The report shall include a recommendation on the advisability of the pilot program's continuation and expansion to all high schools within the State.

4. Nothing in this act shall be construed to exempt the agencies, organizations, and institutions which permit high school students to perform community service from complying with child labor laws pursuant to P.L.1940, c.153 (C.34:2-21.1 et seq.).

5. The State Board of Education shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate the purposes of this act.

6. This act shall take effect immediately.

Approved September 9, 2005.

The board of directors of any corporation, or the board of trustees of any corporation or other institution of a public or semipublic nature not for pecuniary profit, having control over private roads, may construct or provide for the construction of a speed hump on any private road subject to the provisions of Title 39 of the Revised Statutes, pursuant to P.L.1945, c.284 (C.39:5A-1 et seq.).

(2) Isolation or quarantine of any person shall be terminated by the commissioner when the person no longer poses a risk of transmitting an infectious disease to others.

c. (1) To the extent possible, the premises in which persons are isolated or quarantined shall be maintained in a safe and hygienic manner, designed to minimize the likelihood of further transmission of infection or other harm to persons subject to isolation or quarantine. (3) Except as provided in paragraph (4) of this subsection, before isolating or quarantining a person, the commissioner shall obtain a written order, which may be an ex parte order, from the Superior Court authorizing such action. The order shall be requested as part of a petition filed in compliance with paragraphs (1) and (2) of this subsection. The court shall grant an order upon finding by a preponderance of the evidence that isolation or quarantine is warranted pursuant to the provisions of this section. (b) the premises designated for isolation or quarantine;

In any proceedings brought for relief under this subsection, the court may extend the time for a hearing upon a showing by the commissioner that extraordinary circumstances exist that justify the extension.

(6) The court may order consolidation of individual claims into a group of claims where:

(a) the number of persons involved or to be affected is so large as to render individual participation impractical;

(b) there are questions of law or fact common to the individual claims or rights to be determined;

(1) Following a hearing as provided for in paragraph (5) of subsection e. of this section, on or after a period of time of no less than 10 days but not more than 21 days, as determined by the commissioner based on the generally recognized incubation period of the infectious disease warranting the isolation or quarantine, a person isolated or quarantined pursuant to the provisions of this section may request a court hearing to contest his continued isolation or quarantine. The court may proceed in a summary manner.

The hearing shall be held within 72 hours of receipt of the request, excluding Saturdays, Sundays and legal holidays. A request for a hearing shall not act to stay the order of isolation or quarantine. At the hearing, the commissioner must show by a preponderance of the evidence that continuation of the isolation or quarantine is warranted because the person poses a significant risk of transmitting a disease to others with serious consequences.

(2) A person isolated or quarantined pursuant to the provisions of this section may request at any time a hearing in the Superior Court for injunctive relief regarding his treatment and the terms and conditions of the quarantine or isolation. Upon receiving a request for either type of hearing described in this paragraph, the court shall fix a date for a hearing. The court may proceed in a summary manner. The hearing shall be held no later than 10 days after
the receipt of the request by the court. A request for a hearing shall not act to stay the order of isolation or quarantine.

(7) If, upon a hearing, the court finds that the isolation or quarantine of the individual is not warranted under the provisions of this section, then the person shall be immediately released from isolation or quarantine. If the court finds that the isolation or quarantine of the person is not in compliance with the provisions of subsection c. of this section, the court may fashion remedies appropriate to the circumstances of the state of public health emergency and in keeping with the provisions of this section.

g. (1) The petitioner shall have the right to be represented by counsel.

(2) The manner in which the request for a hearing under this section is filed and acted upon shall be in accordance with the Rules of Court.

C.26:13-16 Reinstatement of employment after isolation, quarantine.

16. a. Any person who has been placed in isolation or quarantine pursuant to an order of the commissioner and who at the time of quarantine or isolation was in the employ of any public or private employer, other than a temporary position, shall be reinstated to such employment or to a position of like seniority, status and pay, unless the employer's circumstances have so changed as to make it impossible or unreasonable to do so, if the person:

(1) receives a certificate of completion of isolation or quarantine issued by the department or the authorized local health department;

(2) is still qualified to perform the duties of such position; and

(3) makes application for reemployment within 90 days after being released from isolation or quarantine.

b. If a public or private employer fails or refuses to comply with the provisions of this section, the Superior Court may, upon the filing of a complaint by the person entitled to the benefits of this section, specifically require the employer to comply with the provisions of this section, and may, as an incident thereto, order the employer to compensate the person for any loss of wages or benefits suffered by reason of the employer's unlawful action. A person claiming to be entitled to the benefits of this section may appear and be represented by counsel, or, upon application to the Attorney General, request that the Attorney General appear and act on his behalf. If the Attorney General is reasonably satisfied that the person so applying is entitled to the benefits, he shall appear and act as attorney for the person in the amicable adjustment of the claim, or in the filing of any complaint and the prosecution thereof. No fees or court costs shall be assessed against a person so applying for the benefits under this section. Attorney fees shall be awarded to the Attorney General or to the counsel for a person entitled to benefits under this section, who prevails in the proceeding.
c. The Attorney General may apply to the Superior Court and the court may grant additional relief to persons placed in isolation or quarantine under section 15 of this act, which relief may include, but is not limited to, relief similar to that accorded to military personnel under P.L.1979, c.317 (C.38:23C-1 et seq.).

C.26:13-17 Access to medical information.

17. With respect to a state of public health emergency:

a. Access to medical information of individuals who have participated in medical testing, treatment, vaccination, isolation or quarantine programs or efforts by the commissioner pursuant to this act shall be limited to those persons having a legitimate need to acquire or use the information to:

   (1) provide treatment to the individual who is the subject of the health information;
   (2) conduct epidemiologic research;
   (3) investigate the causes of the transmission;
   (4) assist law enforcement agencies in the identification and location of victims of the public health emergency; or
   (5) provide payment by a responsible party for treatment or services rendered.

b. Medical information held by the commissioner shall not be disclosed to others without individual written, specific informed consent, except for disclosures made:

   (1) directly to the individual;

   (6) pursuant to a court order to avert a clear danger to an individual or the public health; or
   (7) to identify a deceased individual or determine the manner or cause of death.

c. Strictly for the purposes of controlling and containing the public health emergency, the commissioner may provide medical information to a health care facility about an employee who has participated in medical treatment or testing which may impact upon the public health emergency. This information may include, but is not limited to, medical testing, treat-
ment, vaccination, isolation or quarantine programs or efforts by the com-
misson pursuant to this act when the commissioner deems that the health
care facility should be advised of such medical information in order to take
actions necessary to protect the health and well being of its patients, residents
or other health care employees.

Nothing in this subsection shall be construed to allow for the release of
medical information that is not related to the public health emergency or is
protected under federal or State law.

C:26:13-18 Emergency powers regarding health care personnel.

18. During a state of public health emergency, the commissioner may
exercise, for such period as the state of public health emergency exists, the
following emergency powers regarding health care personnel:

a. To require in-State health care providers to assist in the performance
of vaccination, treatment, examination or testing of any individual;

b. To appoint and prescribe the duties of such out-of-State emergency
health care providers as may be reasonable and necessary to respond to the
public health emergency, as provided in this subsection.

(1) The appointment of out-of-State emergency health care providers
may be for such period of time as the commissioner deems appropriate, but
shall not exceed the duration of the public health emergency. The comis-
ioner may terminate the out-of-State appointments at any time or for any
reason if the termination will not jeopardize the health, safety and welfare
of the people of this State.

(2) The commissioner may waive any State licensing requirements,
permits, fees, applicable orders, rules and regulations concerning profes-
sional practice in this State by health care providers from other jurisdictions;
and

emergency, to appoint and prescribe the duties of county medical examiners,
regional medical examiners, designated forensic pathologists, their assistants,
out-of-State medical examiners and others as may be required for the proper
performance of the duties of the office.

(1) The appointment of persons pursuant to this subsection may be for
a limited or unlimited time, but shall not exceed the duration of the public
health emergency. The State Medical Examiner may terminate the
out-of-State appointments at any time or for any reason.

(2) The State Medical Examiner may waive any licensing requirements,
permits or fees otherwise required for the performance of these duties, so
long as the appointed emergency assistant medical examiner is competent
to properly perform the duties of the office. In addition, if from another
jurisdiction, the appointee shall possess the licensing, permit or fee require-
ment for medical examiners or assistant medical examiners in that jurisdiction.

d. (1) An in-State health care provider required to assist pursuant to subsection a. of this section and an out-of-State emergency health care provider appointed pursuant to subsection b. of this section shall not be liable for any civil damages as a result of the provider's acts or omissions in providing medical care or treatment related to the public health emergency in good faith and in accordance with the provisions of this act.

(2) An in-State health care provider required to assist pursuant to subsection a. of this section and an out-of-State emergency health care provider appointed pursuant to subsection b. of this section shall not be liable for any civil damages as a result of the provider's acts or omissions in undertaking public health preparedness activities, which activities shall include but not be limited to pre-event planning, drills and other public health preparedness efforts, in good faith and in accordance with the provisions of this act.

C.26:13-19 Definitions relative to, and immunity from liability.

19. a. As used in this section:

"Injury" means death, injury to a person or damage to or loss of property.

b. (1) A public entity and the agents, officers, employees, servants or representatives of a public entity, including volunteers, shall not be liable for an injury caused by any act or omission in connection with a public health emergency, or preparatory activities, that is within the scope of the authority granted under this act, including any order, rule or regulation adopted pursuant thereto. An agent, officer, employee, servant, representative or volunteer is not immune under this section, however, for an injury that results from an act that is outside the scope of the authority granted by this act or for conduct that constitutes a crime, actual fraud, actual malice, gross negligence or willful misconduct.

(2) A public entity or agent, officer, employee, servant or representative or volunteer, shall not be liable for an injury arising out of property of any kind that is donated or acquired according to the provisions of this or any other act for use in connection with a public health emergency. An agent, officer, employee, servant, representative or volunteer is not immune under this section, however, for an injury that results from an act that is outside the
scope of the authority granted by this act or for conduct that constitutes a crime, actual fraud, actual malice, gross negligence or willful misconduct.

c. (1) A person or private entity who:

(a) owns, manages or controls property that is used in connection with a public health emergency shall not be liable for an injury with respect to the property, unless the injury is a result of gross negligence or willful misconduct. The immunity applies whether the person or entity owning, managing or controlling the property permits the use of the property voluntarily, with or without compensation, or the State or another public entity exercises the condemnation powers in this or any other act with respect to the use of the property;

(b) is acting in the performance of a contract with a public entity in connection with a public health emergency shall not be liable for an injury caused by the person or entity's negligence in the course of performing the contract, unless the injury is a result of gross negligence or willful misconduct; and

A person, entity or employee of the entity is not immune under this section, however, for an injury that results from an act that is outside the scope of the authority granted by this act or for conduct that constitutes a crime, actual fraud, actual malice, gross negligence or willful misconduct.

(3) The immunities established under this subsection shall not apply to a person or private entity whose act or omission caused or contributed to the public health emergency.

(4) As used in this subsection, "private entity" includes, but is not limited to, a health care provider.

d. The immunities established under this section shall be liberally construed to carry out the purposes of this act and shall apply to all public health preparedness activities, including pre-event planning, drills or other public health preparedness efforts. The immunities are in addition to, and shall not limit or abrogate in any way, other statutory immunities, common law immunities, statutory conditions on maintaining a lawsuit such as the
notice provisions of the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq., or other defenses available to those who participate in responding to, or preparing for, a public health emergency.

20. The commissioner may authorize any school, health care facility, child care center or youth camp to provide potassium iodide as a supplemental protective action during a radiological emergency to residents, staff members, minors or other persons present in such facility, if:

a. prior written permission has been obtained from each resident or representative of a resident, staff member, or parent or guardian of a minor for providing the potassium iodide; and

b. each person providing permission has been advised, in writing: (1) that the ingestion of potassium iodide is voluntary only, (2) about the contraindications of taking potassium iodide and (3) about the potential side effects of taking potassium iodide.

C.26:13-21 LINCS agencies to serve as planning, coordinating agency for local government entity.

b. The commissioner, either directly or through the LINCS agencies, shall coordinate the activities of all local health agencies in the county with regard to public health protection related to preparing for and responding to public health emergencies. The LINCS agency shall notify each local health agency in its jurisdiction of the nature and extent of the emergency, except that nothing in this subsection shall be construed to prevent the commissioner from notifying a local health agency directly.

c. The LINCS agency and all other local health agencies within the county shall be subject to the direction and authority of the commissioner, and shall perform such activities as are directed by the commissioner, in accordance with the provisions of this act.

d. The LINCS agencies shall be responsible for performing human disease surveillance, terrorism response and public health emergency response-related activities in such a manner as the commissioner may direct, and for reporting to the commissioner on the conduct of these activities as performed in the county or city, as applicable.

e. The commissioner may utilize the LINCS agencies to disseminate such information to the other local health agencies in the county, and to collect such information from those agencies, as the commissioner deems...
necessary; and the LINCS agencies shall transmit the information to the commissioner or the other local health agencies as directed by the commissioner.

(2) The commissioner shall cooperate, and may share information contained in the registry, with the United States Centers for Disease Control and Prevention, the Department of Homeland Security, the New Jersey Department of Agriculture, and State and federal law enforcement agencies pursuant to a communicable disease investigation commenced or conducted by the department, the New Jersey Domestic Security Preparedness Task Force established pursuant to P.L.2001, c.246 (C.App. A:9-64 et seq.), or other State or federal law enforcement agency having investigatory authority, or in connection with any investigation involving the release, theft or loss of a registered biological agent. Access to this information shall terminate upon the completion of the investigation.

(3) Release of information from the registry as authorized under this section shall not render the information released or information prepared for or maintained in the registry a public or government record under P.L.1963, c.73 (C.47:1A-1 et seq.) and P.L.2001, c.404 (C.47:1A-5 et al.).

e. Any person who willfully or knowingly violates any provision of this section is liable for a penalty not to exceed $10,000 per day of the violation, and each day the violation continues shall constitute a separate and distinct violation. The regulations shall include, but not be limited to:

5. establishment of a process for a person that possesses or maintains a registered biological agent to alert appropriate authorities of unauthorized possession or attempted possession of a registered biological agent, and designation of appropriate authorities for receipt of the alerts; and

6. establishment of criteria and procedures for the commissioner to grant exemptions to the requirements if it is determined that the public benefit of such exemption outweighs the need for regulation.

23. a. The commissioner shall develop and implement a New Jersey Vaccine Education and Prioritization Plan, as provided in subsection b. of this section, when the commissioner determines that: (1) an emergent condition exists and there is clear evidence that adverse and avoidable health outcomes from a preventable and acute communicable disease are expected to affect identifiable categories of high-risk individuals throughout the State; and (2) in order to protect or treat such individuals, assistance with the administration of vaccine is warranted due to a vaccine shortage.

b. To protect the public health during a vaccine shortage, the commissioner shall issue an order to implement a New Jersey Vaccine Education and Prioritization Plan, which shall comprise:

1. procedures for the assessment of available vaccine Statewide;

2. procedures for the distribution and administration of vaccines that shall apply to physicians, nurses, health care facilities, pharmacies and others that dispense vaccines. The procedures shall include, but not be limited to,

d. A person who willfully or knowingly violates the New Jersey Vaccine Education and Prioritization Plan or any procedures contained therein shall be liable for a civil penalty of $500 for each violation. The penalty shall be sued for and collected by the commissioner in a summary proceeding before the Superior Court pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

b. The board shall meet at such times as may be necessary to fulfill the requirements set forth herein. The Commissioner of Health and Senior Services shall convene the board within 45 days of the filing of a complete petition. The concurrence of six members of the board shall be necessary for the validity of all acts of the board.

c. Subject to available appropriations, the board shall have the authority to award reasonable reimbursement, as determined by the board, for any services required of any person under the provisions of this act, which shall be paid at the prevailing established rate for services of a like or similar nature as determined by the board. Subject to available appropriations, the board shall have the authority to award reasonable reimbursement, as deter-
mined by the board, for any property employed, taken or used under the provisions of this act.

d. All awards shall be paid from any funds appropriated by the State, any political subdivision of the State, or the federal government, for such purpose. In awarding reimbursement under this section, the board shall take into account any funds, or any other thing of value, received by a claimant from any other source, including but not limited to private donations, contributions and insurance proceeds. The board shall not award reimbursement unless the claimant has demonstrated, to the satisfaction of the board, that the claimant has first sought reimbursement for any loss incurred due to the declaration of a public health emergency from any and all appropriate third party payers.

25. a. Any person making a claim for reimbursement for private property or services employed, taken or used for a public purpose under this act shall, subsequent to the termination of the public health emergency, file a petition for an award with the State Public Health Emergency Claim Reimbursement Board, established pursuant to section 24 of this act, through the Commissioner of Health and Senior Services. The petition shall be signed by the claimant and shall set forth the following:

Subsequent to the filing of an initial petition, the board may request such additional information as it deems necessary from any claimant and may require the claimant, and any other person with knowledge of facts and circumstances relevant to the claim, to appear before the board for a hearing. No petition shall be filed with the board more than 180 days from the last date the services or property were employed, taken or used, except that this deadline may be extended by the board as is necessary to further the purposes of this act.

c. The board’s determination concerning a claimant’s petition for reimbursement shall be transmitted to the claimant in writing. The claimant may appeal the decision to the Superior Court subject to the Rules of Court regarding the review of State agency actions.
d. Any person seeking reimbursement under this act shall proceed in accordance with the provisions of this section unless the declaration of public health emergency which gives rise to the claim or petition for reimbursement is superseded by order of the Governor pursuant to P.L.1942, c.251 (C.App.A:9-33 et seq.). Upon the declaration of an emergency by the Governor pursuant to P.L.1942, c.251 which supersedes the declaration of a public health emergency, the person shall proceed in accordance with the provisions of P.L.1942, c.251 and the person's rights, remedies and entitlement to reimbursement shall be limited to that which is afforded in that act.

27. The commissioner shall have the power to enforce the provisions of this act through the issuance of orders and such other remedies as are provided by law.

28. The provisions of this act do not explicitly preempt other laws or regulations that preserve to a greater degree the powers of the Governor or commissioner, provided such laws or regulations are consistent and do not otherwise restrict or interfere with the operation or enforcement of the provisions of this act.

C.26:13-29 Additional powers of State Medical Examiner.

29. The powers granted in the act are in addition to, and not in derogation of, powers otherwise granted by law to the State Medical Examiner.

(iii) grants for preliminary assessment, site investigation or remedial investigation of a contaminated site,

(iv) financial assistance for the implementation of a remedial action, or

(v) financial assistance for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area; or

A municipality that has performed, or on which there has been performed, a preliminary assessment, site investigation or remedial investigation on property may obtain a loan for the purpose of continuing the remediation on those properties as necessary to comply with the applicable remediation regulations adopted by the department. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person may exceed $1,000,000;

(5) Moneys shall be allocated for (a) financial assistance to persons who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L. 1995, c. 413 (C.54:4-3.154), or (b) matching grants for up to 25% of the project costs to qualifying persons, municipalities, counties, and
redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), who propose to perform a remedial action that uses an innovative technology, or for the implementation of a limited restricted use remedial action or an unrestricted use remedial action except that no grant awarded pursuant to this paragraph may exceed $250,000; and

(6) Twenty percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (5) of this subsection.

For the purposes of paragraph (5) of this subsection, "qualifying persons" means any person who has a net worth of not more than $2,000,000 and "project costs" means that portion of the total costs of a remediation that is specifically for the use of an innovative technology or to implement an unrestricted use remedial action or a limited restricted use remedial action, as applicable.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. The unpaid balance of a loan for the remediation of real property that is transferred by devise or succession shall not become immediately payable in full, and loan repayments shall be made by the person who acquires the property. Loans to municipalities, counties, and redevelopment entities authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a person, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipality, county, or redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed $3,000,000 in any calendar year except as provided in subsection f. of P.L.1993, c.139 (C.58:10B-5). Grants to a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4) may not exceed 75% of the total costs of the remediation at any one site. Repayments of principal and
interest on the loans issued from the remediation fund shall be paid to the
authority and shall be deposited into the remediation fund.

The total amount of grant moneys awarded in any one year may not
exceed 70 percent of the total amount of financial assistance and grants
awarded in that year.

c. No person, other than a qualified person planning to use an
innovative technology for the cost of that technology, a qualified person
planning to use a limited restricted use remedial action or an unrestricted use
remedial action for the cost of the remedial action, a person performing a
remediation in an environmental opportunity zone, or a person voluntarily
performing a remediation, shall be eligible for financial assistance from the
remediation fund to the extent that person is capable of establishing a
remediation funding source for the remediation as required pursuant to

d. The authority may use a sum that represents up to 2% of the moneys
issued as financial assistance or grants from the remediation fund each year
for administrative expenses incurred in connection with the operation of the
fund and the issuance of financial assistance and grants.

e. Prior to March 1 of each year, the authority shall submit to the
Senate Environment Committee and the Assembly Environment and Solid
Waste Committee, or their successors, a report detailing the amount of
money that was available for financial assistance and grants from the
remediation fund for the previous calendar year, the amount of money
estimated to be available for financial assistance and grants for the current
calendar year, the amount of financial assistance and grants issued for the
previous calendar year and the category for which each financial assistance
and grant was rendered, and any suggestions for legislative action the
authority deems advisable to further the legislative intent to facilitate
remediation and promote the redevelopment and use of existing industrial
sites.

5. Section 29 of P.L.1993, c.139 (C.58:1OB-7) is amended to read as
follows:

C.58:1OB-7 Awarding of financial assistance, grants, priorities.

29. a. A qualified applicant for financial assistance or a grant from the
remediation fund shall be awarded financial assistance or a grant by the
authority upon the availability of sufficient moneys in the remediation fund
for the purpose of the financial assistance or grant. The authority shall award
financial assistance and grants in the following order of priority:

(1) Sites on which there has been a discharge and the discharge poses
an imminent and significant threat to a drinking water source, to human
health, or to a sensitive or significant ecological area shall be given first priority; and

(2) Sites in areas designated as Planning Area 1 (Metropolitan), Planning Area 2 (Suburban), designated centers, or areas receiving plan endorsement as designated pursuant to the "State Planning Act," sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.), sites that the Brownfields Redevelopment Task Force, established pursuant to section 5 of P.L.1997, c.278 (C.58:10B-23), determines are of immediate economic development potential, and sites in brownfield development areas, shall be given second priority. The priority ranking of applicants within any priority category enumerated in this section for awarding financial assistance and grants from the remediation fund shall be based upon the date of receipt by the authority of an application from the applicant. If an application is determined to be incomplete by the authority, an applicant shall have 30 days from receipt of written notice of incompleteness to file any additional information as may be required by the authority for a completed application. If an applicant fails to file the additional information within those 30 days, the filing date for that application for financial assistance or a grant for a site that is not within a priority category enumerated in this section, shall be the date that the additional information is received by the authority. An application shall be deemed complete when all the information required by the authority has been received in the required form.

b. Within 90 days, for a private entity, or 180 days for a municipality, county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), of notice of approval of a financial assistance or grant application, an applicant shall submit to the authority an executed contract for the remediation activities for which the financial assistance or grant application was made. The contract shall be consistent with the terms and conditions for which the financial assistance or grant was rendered. Failure to submit an executed contract within the time provided, without good cause, shall constitute grounds for the alteration of an applicant’s priority ranking for the awarding of financial assistance or a grant.

6. Section 30 of P.L.1993, c.139 (C.58:10B-8) is amended to read as follows:

C.58:10B-8 Financial assistance, grant recipients’ compliance, conditions.

30. a. The authority shall, by rule or regulation:

(1) require a financial assistance or grant recipient to provide to the authority, as necessary or upon request, evidence that financial assistance or grant moneys are being spent for the purposes for which the financial
assistance or grant was made, and that the applicant is adhering to all of the terms and conditions of the financial assistance or grant agreement;

(2) require the financial assistance or grant recipient to provide access at reasonable times to the subject property to determine compliance with the terms and conditions of the financial assistance or grant;

(3) establish a priority system for rendering financial assistance or grants for remediations identified by the department as involving an imminent and significant threat to a public water source, human health, or to a sensitive or significant ecological area pursuant to subsection a. of section 28 of P.L.1993, c.139 (C.58:10B-6);

(4) provide that payment of a grant shall be conditioned upon the subrogation to the department of all rights of the recipient to recover remediation costs from the discharger or other liable parties. All moneys collected in a cost recovery subrogation action shall be deposited into the remediation fund;

(5) provide that an applicant for financial assistance or a grant pay a reasonable fee for the application which shall be used by the authority for the administration of the loan and grant program;

(6) provide that where financial assistance to a person other than a municipality, a county, or a redevelopment entity authorized to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4), is for a portion of the remediation cost, that the proceeds thereof not be disbursed to the applicant until the costs of the remediation for which a remediation funding source has been established has been expended;

(7) provide that the amount of a grant for the costs of a remedial action shall not include the cost to remediate a site to meet residential soil remediation standards if the local zoning ordinances adopted pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) does not allow for residential use;

(8) adopt such other requirements as the authority shall deem necessary or appropriate in carrying out the purposes for which the Hazardous Discharge Site Remediation Fund was created.

b. An applicant for financial assistance or a grant shall be required to:

(1) provide proof, as determined sufficient by the authority, that the applicant, where applicable, cannot establish a remediation funding source for all or part of the remediation costs, as required by section 25 of P.L.1993, c.139 (C.58:10B-3). The provisions of this paragraph do not apply to grants to innocent persons, grants for the use of innovative technologies, or grants for the implementation of unrestricted use remedial actions or limited restricted use remedial actions or to financial assistance or grants to municipalities, counties, or redevelopment entities authorized
to exercise redevelopment powers pursuant to section 4 of P.L.1992, c.79 (C.40A:12A-4); and

(2) demonstrate the ability to repay the amount of the financial assistance and interest, and, if necessary, to provide adequate collateral to secure the financial assistance amount.

c. Information submitted as part of a loan or grant application or agreement shall be deemed a public record subject to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.).

d. In establishing requirements for financial assistance or grant applications and financial assistance or grant agreements, the authority:

(1) shall minimize the complexity and costs to applicants or recipients of complying with such requirements;

(2) may not require financial assistance or grant conditions that interfere with the everyday normal operations of the recipient's business activities, except to the extent necessary to ensure the recipient's ability to repay the financial assistance and to preserve the value of the loan collateral; and

(3) shall expeditiously process all financial assistance or grant applications in accordance with a schedule established by the authority for the review and the taking of final action on the application, which schedule shall reflect the degree of complexity of a financial assistance or grant application.

C.58:10B-25.1 Guidelines for designation of brownfield development areas.

7. The Department of Environmental Protection shall establish guidelines to establish a procedure for the designation of brownfield development areas. In establishing criteria for the establishment of a brownfield development area, the department shall require:

(1) that a brownfield development area includes at least two brownfield sites within a contiguous area;

(2) that the boundaries are consistent with the boundaries of a distinct neighborhood;

(3) broad community support for the establishment of a brownfield development area; and

(4) that the establishment of a brownfield development area will result in a benefit to the public health and safety, and the environment.

A brownfield development area shall be designated by the department, in writing, upon application by a person proposing to remediate a site or sites within the area, or upon the department's initiative.

The guidelines, and any subsequent revisions thereto, and a list of the brownfield development areas, and any subsequent revisions thereto, shall be published in the New Jersey Register. The adoption of the guidelines or

of the revisions thereto, shall not be subject to the requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.58:10B-25.2 Grant expenditures for remedial action constitutes debt of property owner to fund; lien.

8. Any expenditure of grant moneys for a remedial action in a brownfield development area by a municipality, county, or redevelopment entity on property in which the municipality, county, or redevelopment entity does not have an ownership interest, shall constitute a debt of the property owner to the fund. The debt shall constitute a lien on the real property at which the remedial action is performed. The lien shall be in the amount of the grant awarded for the remedial action on that property. The lien shall attach when a notice of lien, incorporating the name of the property owner, a description of the property subject to the remedial action and an identification of the amount of the grant awarded from the fund, is duly filed with the county recording officer in the county in which the property is located. The lien filed pursuant to this section which affects the property subject to the remedial action shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this notice of lien shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this notice of lien. A lien that is filed on real property pursuant to this section shall be removed upon transfer of ownership of the property to the municipality, county, or redevelopment entity that expended grant moneys for a remedial action on that property.

C.58:10B-25.3 Pilot program for awarding grants to nonprofit organizations; conditions.

9. a. The Department of Environmental Protection, in consultation with the New Jersey Economic Development Authority, shall develop a pilot program to award grants from the Hazardous Discharge Site Remediation Fund established pursuant to section 26 of P.L.1993, c.139 (C.58:10B-4) to nonprofit organizations described in section 501(c)(3) of the federal Internal Revenue Code, 26 U.S.C. s.501(c)(3), that are exempt from taxation pursuant to section 501(a) of the federal Internal Revenue Code, 26 U.S.C. s.501(a), for the preliminary assessment, site investigation, and remedial investigation of real property that has been contaminated or is suspected of being contaminated by the discharge of a hazardous substance. All of the limitations and conditions for the award of financial assistance and grants applicable to municipalities pursuant to the provisions of the "Brownfield and Contaminated Site Remediation Act," P.L.1997, c.278 (C.58:10B-1.1 et al.) shall apply to the award of grants to a nonprofit organization pursuant
to this section. The total amount awarded pursuant to this pilot program shall not exceed $5,000,000.

b. Prior to March 1 of each year, the Department of Environmental Protection shall prepare and transmit to the members of the Senate Environment Committee and the Assembly Environment and Solid Waste Committee, or their successors, an annual report that provides a description of the projects for which grants have been awarded, the grant recipients for each project, the owner of the property being remediated, the amount of each grant, and the location of the property being remediated.

10. This act shall take effect immediately.

Approved September 15, 2005.

e. In addition to any other disposition authorized by this Title, the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43), or any other statute indicating the dispositions that may be ordered for an adjudication of delinquency, and, notwithstanding the provisions of subsection c. of N.J.S.2C:43-2, every person convicted of or adjudicated delinquent for a violation of any offense defined in this section shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period to be fixed by the court at not less than six months or more than two years which shall commence on the day the sentence is imposed. In the case of any person who at the time of the imposition of the sentence is less than 17 years of age, the period of the suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years. If the driving privilege of any person is under revocation, suspension, or postponement for

The court shall inform the person orally and in writing that if the person is convicted of personally operating a motor vehicle during the period of license suspension or postponement imposed pursuant to this section, the person shall, upon conviction, be subject to the penalties set forth in R.S.39:3-40. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. If the person is the holder of a driver's license from another jurisdiction, the court shall not collect the license, but shall notify forthwith the director who shall notify the appropriate officials in that licensing jurisdiction. The court shall, however, in accordance with the provisions of this section, revoke the person's non-resident driving privileges in this State.

In addition to any other condition imposed, a court, in its discretion, may suspend, revoke or postpone the driving privileges of a person admitted to supervisory treatment under N.J.S.2C:36A-1 or N.J.S.2C:43-12 without a plea of guilty or finding of guilt.

e. The sentencing court shall issue such orders as are necessary to correct any public record or government document that contains false information as a result of a theft of identity. The sentencing court may provide restitution to the victim in accordance with the provisions of section 4 of P.L.2002, c.85 (C.2C:21-17.1).

a. in clearing the credit history or credit rating of the victim; or
b. in connection with any civil or administrative proceeding to satisfy any debt, lien, or other obligation of the victim arising as a result of the actions of the defendant.

4. Section 5 of P.L.2003, c.184 (C.2C:21-17.2) is amended to read as follows:

C.2C:21-17.2 Use of personal identifying information of another, certain; second degree crime.

other document issued by a governmental agency or which belongs or pertains to a person other than the person who possesses the document.

b. Notwithstanding the provisions of N.J.S.2C:1-8 or any other law, a conviction under this section shall not merge with a conviction of any other criminal offense, nor shall such other conviction merge with a conviction under this section, and the court shall impose separate sentences upon each violation of this section and any other criminal offense.

c. 5. Section 7 of P.L.2003, c.184 (C.2C:21-17.4) is amended to read as follows:

C.2C:21-17.4 Action by person defrauded by unauthorized use of personal identifying information.

7. a. Any person who suffers any ascertainable loss of moneys or property, real or personal, as a result of the use of that person's personal identifying information, in violation of N.J.S.2C:21-1, section 1 of P.L.1983, c.565 (2C:21-2.1), N.J.S.2C:21-17, section 5 of P.L.2003, c.184 (C.2C:21-17.2) or section 6 of P.L.2003, c.184 (C.2C:21-17.3), may bring an action in any court of competent jurisdiction. In any action under this section the court shall, in addition to any other appropriate legal or equitable relief, award damages in an amount three times the value of all costs incurred by the victim as a result of the person's criminal activity. These costs may include, but are not limited to, those incurred by the victim in clearing his credit history or credit rating, or those incurred in connection with any civil or administrative proceeding to satisfy any debt, lien, or other obligation of the victim arising as a result of the actions of the defendant. The victim may also recover those costs incurred for attorneys' fees, court costs and any out-of-pocket losses. A financial institution, insurance company, bonding association or business that suffers direct financial loss as a result of the offense shall also be entitled to damages, but damages to natural persons shall be fully satisfied prior to any payment to a financial institution, insurance company, bonding association or business.
b. The standard of proof in actions brought under this section is a preponderance of the evidence, and the fact that a prosecution for a violation of N.J.S.2C:21-1, section 1 of P.L.1983, c.565 (2C:21-2.1) or N.J.S.2C:21-17 is not instituted or, where instituted, terminates without a conviction shall not preclude an action pursuant to this section. A final judgment rendered in favor of the State in any criminal proceeding shall estop the defendant from denying the same conduct in any civil action brought pursuant to this section.

c. The cause of action authorized by this section shall be in addition to and not in lieu of any forfeiture or any other action, injunctive relief or any other remedy available at law, except that where the defendant is convicted of a violation of this act, the court in the criminal action, upon the application of the Attorney General or the prosecutor, shall in addition to any other disposition authorized by this Title sentence the defendant to pay restitution in an amount equal to the costs incurred by the victim as a result of the defendant's criminal activity, regardless of whether a civil action has been instituted. These costs may include, but are not limited to those incurred by the victim in clearing his credit history or credit rating; those incurred in connection with any civil or administrative proceeding to satisfy any debt, lien, or other obligation of the victim arising as a result of the actions of the defendant; or those incurred for attorneys' fees, court costs and any out-of-pocket losses. A financial institution, insurance company, bonding association or business that suffers direct financial loss as a result of the offense shall also be entitled to restitution, but restitution to natural persons shall be fully satisfied prior to any payment to a financial institution, insurance company, bonding association or business.

CHAPTER 226

AN ACT concerning identity theft, amending P.L.1997, c.172 and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.56:11-44 Short title.
1. This act shall be known and may be cited as the "Identity Theft Prevention Act."

C.56:11-45 Findings, declarations relative to identity theft.
2. The Legislature finds and declares that:
   a. The crime of identity theft has become one of the major law enforcement challenges of the new economy, as vast quantities of sensitive, personal information are now vulnerable to criminal interception and misuse; and
   b. A number of indicators reveal that, despite increased public awareness of the crime, incidents of identity theft continue to rise; and
   c. An integral part of many identity crimes involves the interception of personal financial data or the fraudulent acquisition of credit cards or other financial products in another person's name; and

(1) a scanning device to access, read, obtain, memorize or store, temporarily or permanently, information encoded on the magnetic strip or stripe of a payment card, without the permission of the authorized user of the payment card; or

CHAPTER 226

AN ACT concerning identity theft, amending P.L.1997, c.172 and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.56:11-44 Short title.
1. This act shall be known and may be cited as the "Identity Theft Prevention Act."

C.56:11-45 Findings, declarations relative to identity theft.
2. The Legislature finds and declares that:
   a. The crime of identity theft has become one of the major law enforcement challenges of the new economy, as vast quantities of sensitive, personal information are now vulnerable to criminal interception and misuse; and
   b. A number of indicators reveal that, despite increased public awareness of the crime, incidents of identity theft continue to rise; and
   c. An integral part of many identity crimes involves the interception of personal financial data or the fraudulent acquisition of credit cards or other financial products in another person's name; and
d. Identity theft is an act that violates the privacy of our citizens and ruins their good names: victims can suffer restricted access to credit and diminished employment opportunities, and may spend years repairing damage to credit histories; and

e. Credit reporting agencies and issuers of credit should have uniform reporting requirements and effective fraud alerts to assist identity theft victims in repairing and protecting their credit; and

f. The Social Security number is the most frequently used record keeping number in the United States. Social Security numbers are used for employee files, medical records, health insurance accounts, credit and banking accounts, university ID cards and many other purposes; and

g. Social Security numbers are frequently used as identification numbers in many computer files, giving access to information an individual may want kept private and allowing an easy way of linking data bases. Therefore, it is wise to limit access to an individual's Social Security number whenever possible; and

h. It is therefore a valid public purpose for the New Jersey Legislature to ensure that the Social Security numbers of the citizens of the State of New Jersey are less accessible in order to detect and prevent identity theft and to enact certain other protections and remedies related thereto and thereby further the public safety.

C.2C:21-17.6 Report of identity theft to local law enforcement agency.

3. a. A person who reasonably believes or reasonably suspects that he has been the victim of identity theft in violation of N.J.S.2C:21-l, section 1 of P.L.1983, c.565 (C.2C:21-2.1) or N.J.S.2C:21-17 may contact the local law enforcement agency in the jurisdiction where he resides, which shall take a police report of the matter and provide the complainant with a copy of that report. Notwithstanding the fact that jurisdiction may lie elsewhere for investigation and prosecution of a crime of identity theft, the local law enforcement agency shall take the complaint and provide the complainant with a copy of the complaint and may refer the complaint to a law enforcement agency in that different jurisdiction.

b. Nothing in this section shall interfere with the discretion of a local law enforcement agency to allocate resources for investigations of crimes. A complaint filed under this section is not required to be counted as an open case for purposes such as compiling open case statistics.

4. Section 3 of P.L.1997, c.172 (C.56:11-30) is amended to read as follows:

C.56:11-30 Definitions relative to consumer credit reports.

3. As used in this act:
"Adverse action" has the same meaning as in subsection (k) of section 603 of the federal "Fair Credit Reporting Act," 15 U.S.C. s.1681a.

"Consumer" means an individual.

"Consumer report" (1) means any written, oral or other communication of any information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics or mode of living which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing the consumer's eligibility for:

(a) credit or insurance to be used primarily for personal, family or household purposes;
(b) employment purposes; or
(c) any other purpose authorized under section 4 of this act.

(2) The term "consumer report" does not include:

(a) any:
   (i) report containing information solely on transactions or experiences between the consumer and the person making the report;
   (ii) communication of that information among persons related by common ownership or affiliated by corporate control; or
   (iii) communication of other information among persons related by common ownership or affiliated by corporate control, if it is clearly and conspicuously disclosed to the consumer that the information may be communicated among those persons and the consumer is given the opportunity, before the time that the information is initially communicated, to direct that the information not be communicated among those persons;
(b) any authorization or approval of a specific extension of credit directly or indirectly by the issuer of a credit card or similar device;
(c) any report in which a person, who has been requested by a third party to make a specific extension of credit directly or indirectly to a consumer, conveys his decision with respect to that request, if the third party advises the consumer of the name and address of the person to whom the request was made, and the person makes the disclosures to the consumer required under 15 U.S.C. s.1681m; or
(d) communication excluded from the definition of consumer report pursuant to subsection (o) of section 603 of the federal "Fair Credit Reporting Act," 15 U.S.C. s.1681a.

"Consumer reporting agency" means any person which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages, in whole or in part, in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties, and which uses any means or facility for the purpose of preparing or furnishing consumer reports.
"Director" means the Director of the Division of Consumer Affairs in the Department of Law and Public Safety.

"Division" means the Division of Consumer Affairs in the Department of Law and Public Safety.

"Employment purposes" means, when used in connection with a consumer report, a report used for the purpose of evaluating a consumer for employment, promotion, reassignment or retention as an employee.

"File" means, when used in connection with information on any consumer, all of the information on that consumer recorded and retained by a consumer reporting agency regardless of how the information is stored.

"Investigative consumer report" means a consumer report or a portion thereof in which information on a consumer's character, general reputation, personal characteristics or mode of living is obtained through personal interviews with neighbors, friends or associates of the consumer who is the subject of the report or with others with whom the consumer is acquainted or who may have knowledge concerning any of those items of information. However, this information shall not include specific factual information on a consumer's credit record obtained directly from a creditor of the consumer or from a consumer reporting agency when the information was obtained directly from a creditor of the consumer or from the consumer.

"Medical information" means information or records obtained, with the consent of the individual to whom it relates, from licensed physicians or medical practitioners, hospitals, clinics, or other medical or medically related facilities.

"Security freeze" means a notice placed in a consumer's consumer report, at the request of the consumer and subject to certain exceptions, that prohibits the consumer reporting agency from releasing the report or any information from it without the express authorization of the consumer, but does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer report.

5. a. A consumer may elect to place a security freeze on his consumer report by:

(1) making a request in writing by certified mail or overnight mail to a consumer reporting agency; or

(2) making a request directly to the consumer reporting agency through a secure electronic mail connection, if an electronic mail connection is provided by the consumer reporting agency.

b. A consumer reporting agency shall place a security freeze on a consumer report no later than five business days after receiving a written request from the consumer.
c. The consumer reporting agency shall send a written confirmation of the security freeze to the consumer within five business days of placing the freeze and at the same time shall provide the consumer with a unique personal identification number or password to be used by the consumer when providing authorization for the release of his credit for a specific party or period of time.

d. If the consumer wishes to allow his consumer report to be accessed for a specific party or period of time while a freeze is in place, he shall contact the consumer reporting agency via certified or overnight mail or secure electronic mail and request that the freeze be temporarily lifted, and provide all of the following:

(1) Information generally deemed sufficient to identify a person;
(2) The unique personal identification number or password provided by the consumer reporting agency pursuant to subsection c. of this section; and
(3) The proper information regarding the third party who is to receive the consumer report or the time period for which the consumer report shall be available to users of the consumer report.

e. A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a consumer report pursuant to subsection d. of this section shall comply with the request no later than three business days after receiving the request.

f. A consumer reporting agency shall develop procedures involving the use of telephone, fax, the Internet, or other electronic media to receive and process a request from a consumer to temporarily lift a freeze on a consumer report pursuant to subsection d. of this section in an expedited manner. The director shall promulgate regulations necessary to allow the use of electronic media to receive and process a request from a consumer to temporarily lift a security freeze pursuant to subsection d. of this section as quickly as possible, with the goal of processing a request within 15 minutes of that request.

g. A consumer reporting agency shall remove or temporarily lift a freeze placed on a consumer report only in the following cases:

(1) Upon consumer request, pursuant to subsection d. or j. of this section; or
(2) If the consumer report was frozen due to a material misrepresentation of fact by the consumer. If a consumer reporting agency intends to remove a freeze upon a consumer report pursuant to this paragraph, the consumer reporting agency shall notify the consumer in writing at least five business days prior to removing the freeze on the consumer report.

h. If a third party requests access to a consumer report on which a security freeze is in effect, and this request is in connection with an application for credit or any other use, and the consumer does not allow his
consumer report to be accessed for that specific party or period of time, the third party may treat the application as incomplete.

i. (1) At any time that a consumer is required to receive a summary of rights required under section 609 of the federal "Fair Credit Reporting Act," 15 U.S.C. s.1681g, the following notice shall be included:

New Jersey Consumers Have the Right to Obtain a Security Freeze

You may obtain a security freeze on your credit report to protect your privacy and ensure that credit is not granted in your name without your knowledge. You have a right to place a "security freeze" on your credit report pursuant to New Jersey law.

The security freeze will prohibit a consumer reporting agency from releasing any information in your credit report without your express authorization or approval. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. When you place a security freeze on your credit report, within five business days you will be provided a personal identification number or password to use if you choose to remove the freeze on your credit report or to temporarily authorize the release of your credit report for a specific party, parties or period of time after the freeze is in place. To provide that authorization, you must contact the consumer reporting agency and provide all of the following:

(i) The unique personal identification number or password provided by the consumer reporting agency;
(ii) Proper identification to verify your identity; and
(iii) The proper information regarding the third party or parties who are to receive the credit report or the period of time for which the report shall be available to users of the credit report.

A consumer reporting agency that receives a request from a consumer to lift temporarily a freeze on a credit report shall comply with the request no later than three business days or less, as provided by regulation, after receiving the request.

A security freeze does not apply to circumstances in which you have an existing account relationship and a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control or similar activities.

If you are actively seeking credit, you should understand that the procedures involved in lifting a security freeze may slow your own applications for credit. You should plan ahead and lift a freeze, either completely if you are shopping around, or specifically for a certain creditor, a few days before actually applying for new credit.
You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action can be brought against a consumer reporting agency or a user of your credit report.

(2) If a consumer requests information about a security freeze, he shall be provided with the notice provided in paragraph (1) of this subsection and with any other information, as prescribed by the director by regulation, about how to place, temporarily lift and permanently lift a security freeze.

j. A security freeze shall remain in place until the consumer requests that the security freeze be removed. A consumer reporting agency shall remove a security freeze within three business days of receiving a request for removal from the consumer, who provides the following:

(1) Proper identification; and
(2) The unique personal identification number or password provided by the consumer reporting agency pursuant to subsection c. of this section.

k. A consumer reporting agency shall require proper identification of the person making a request to place or remove a security freeze.

l. The provisions of this section do not apply to the use of a consumer report by the following:

(1) A person, or subsidiary, affiliate, or agent of that person, or an assignee of a financial obligation owing by the consumer to that person, or a prospective assignee of a financial obligation owing by the consumer to that person in conjunction with the proposed purchase of the financial obligation, with which the consumer has or had prior to assignment an account or contract, including a demand deposit account, or to whom the consumer issued a negotiable instrument, for the purposes of reviewing the account or collecting the financial obligation owing for the account, contract, or negotiable instrument. For purposes of this paragraph, "reviewing the account" includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements;

(2) A subsidiary, affiliate, agent, assignee, or prospective assignee of a person to whom access has been granted under subsection d. of this section, for purposes of facilitating the extension of credit or other permissible use;

(3) Any State or local agency, law enforcement agency, trial court, or private collection agency acting pursuant to a court order, warrant, or subpoena;

(4) The Division of Taxation in the Department of the Treasury for the purpose of enforcing the tax laws of this State;

(5) A State or local child support enforcement agency;

(6) The use of credit information for the purposes of prescreening as provided for by the federal "Fair Credit Reporting Act," 15 U.S.C. s.1681 et seq.;
(7) Any person or entity administering a credit file monitoring subscription service to which the consumer has subscribed; or

(8) Any person or entity for the purpose of providing a consumer with a copy of the consumer's credit report upon the consumer's request.

m. (1) A consumer reporting agency shall not charge a consumer any fee to place a security freeze on that consumer's consumer report.

(2) A consumer reporting agency may charge a reasonable fee, not to exceed $5, to a consumer who elects to remove or temporarily lift a security freeze on that consumer's consumer report.

(3) A consumer may be charged a reasonable fee, not to exceed $5, if the consumer fails to retain the original personal identification number provided by the consumer reporting agency and must be reissued the same or a new personal identification number.

C.56:11-47 Actions of consumer reporting agency relative to security freeze.

6. If a security freeze is in place, a consumer reporting agency shall not change any of the following official information in a consumer report without sending a written confirmation of the change to the consumer within 30 days of the change being posted to the consumer's file: name; date of birth; Social Security number; or address. Written confirmation is not required for technical modifications of a consumer's official information, including name and street abbreviations, complete spellings, or transposition of numbers or letters. In the case of an address change, the written confirmation shall be sent to both the new address and to the former address.

C.56:11-48 Inapplicability of sections 4 through 9 of act to resellers.

7. The provisions of sections 4 through 9 of this amendatory and supplementary act shall not apply to a consumer reporting agency that acts only as a reseller of credit information by assembling and merging information contained in the database of another consumer reporting agency or multiple consumer reporting agencies, and does not maintain a permanent database of credit information from which new consumer reports are produced, except that such a reseller of credit information shall honor any security freeze placed on a consumer report by another consumer reporting agency.

C.56:11-49 Entities not required to place security freeze in consumer report.

8. The following entities are not required to place a security freeze in a consumer report, pursuant to section 5 of this amendatory and supplementary act:

a. A check services company or fraud prevention services company, which issues reports on incidents of fraud or authorizations for the purpose
of approving or processing negotiable instruments, electronic funds transfers, or similar methods of payments; and

b. A demand deposit account information service company, which issues reports regarding account closures due to fraud, substantial overdrafts, ATM abuse, or similar negative information regarding a consumer, to inquiring banks or other financial institutions for use only in reviewing a consumer request for a demand deposit account at the inquiring bank or financial institution.

C.56:11-50 Noncompliance, liability.

9. a. Any person who willfully fails to comply with the requirements of sections 4 through 9 of this amendatory and supplementary act shall be liable to a consumer as provided in section 11 of P.L.1997, c.172 (C.56:11-38).

b. Any person who is negligent in failing to comply with the requirements of sections 4 through 9 of this amendatory and supplementary act shall be liable to a consumer as provided in section 12 of P.L.1997, c.172 (C.56:11-39).

C.56:8-161 Definitions relative to security of personal information.

10. As used in sections 10 through 15 of this amendatory and supplementary act:

Dissociated data that, if linked, would constitute personal information is personal information if the means to link the dissociated data were accessed in connection with access to the dissociated data.

For the purposes of sections 10 through 15 of this amendatory and supplementary act, personal information shall not include publicly available information that is lawfully made available to the general public from federal, state or local government records, or widely distributed media.

"Private entity" means any individual, corporation, company, partnership, firm, association, or other entity, other than a public entity.

11. A business or public entity shall destroy, or arrange for the destruction of, a customer's records within its custody or control containing personal information, which is no longer to be retained by the business or public entity, by shredding, erasing, or otherwise modifying the personal information in those records to make it unreadable, undecipherable or nonreconstructable through generally available means.

C.56:8-163 Disclosure of breach of security to customers.

12. a. Any business that conducts business in New Jersey, or any public entity that compiles or maintains computerized records that include personal information, shall disclose any breach of security of those computerized
records following discovery or notification of the breach to any customer who is a resident of New Jersey whose personal information was, or is reasonably believed to have been, accessed by an unauthorized person. The disclosure to a customer shall be made in the most expedient time possible and without unreasonable delay, consistent with the legitimate needs of law enforcement, as provided in subsection c. of this section, or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system. Disclosure of a breach of security to a customer shall not be required under this section if the business or public entity establishes that misuse of the information is not reasonably possible. Any determination shall be documented in writing and retained for five years.

b. Any business or public entity that compiles or maintains computerized records that include personal information on behalf of another business or public entity shall notify that business or public entity, who shall notify its New Jersey customers, as provided in subsection a. of this section, of any breach of security of the computerized records immediately following discovery, if the personal information was, or is reasonably believed to have been, accessed by an unauthorized person.

c. (1) Any business or public entity required under this section to disclose a breach of security of a customer's personal information shall, in advance of the disclosure to the customer, report the breach of security and any information pertaining to the breach to the Division of State Police in the Department of Law and Public Safety for investigation or handling, which may include dissemination or referral to other appropriate law enforcement entities.

d. For purposes of this section, notice may be provided by one of the following methods:

(2) Electronic notice, if the notice provided is consistent with the provisions regarding electronic records and signatures set forth in section 101 of the federal "Electronic Signatures in Global and National Commerce Act" (15 U.S.C. s.7001); or

(3) Substitute notice, if the business or public entity demonstrates that the cost of providing notice would exceed $250,000, or that the affected class of subject persons to be notified exceeds 500,000, or the business or
public entity does not have sufficient contact information. Substitute notice shall consist of all of the following:

(a) E-mail notice when the business or public entity has an e-mail address;

(b) Conspicuous posting of the notice on the Internet web site page of the business or public entity, if the business or public entity maintains one; and

(c) Notification to major Statewide media.

e. Notwithstanding subsection d. of this section, a business or public entity that maintains its own notification procedures as part of an information security policy for the treatment of personal information, and is otherwise consistent with the requirements of this section, shall be deemed to be in compliance with the notification requirements of this section if the business or public entity notifies subject customers in accordance with its policies in the event of a breach of security of the system.

f. In addition to any other disclosure or notification required under this section, in the event that a business or public entity discovers circumstances requiring notification pursuant to this section of more than 1,000 persons at one time, the business or public entity shall also notify, without unreasonable delay, all consumer reporting agencies that compile or maintain files on consumers on a nationwide basis, as defined by subsection (p) of section 603 of the federal "Fair Credit Reporting Act" (15 U.S.C. s.1681a), of the timing, distribution and content of the notices.

(2) Print an individual's Social Security number on any materials that are mailed to the individual, unless State or federal law requires the Social Security number to be on the document to be mailed;

(3) Print an individual's Social Security number on any card required for the individual to access products or services provided by the entity;

(4) Intentionally communicate or otherwise make available to the general public an individual's Social Security number;

(5) Require an individual to transmit his Social Security number over the Internet, unless the connection is secure or the Social Security number is encrypted; or

(6) Require an individual to use his Social Security number to access an Internet web site, unless a password or unique personal identification number or other authentication device is also required to access the Internet web site.
b. Nothing in this section shall prevent a public or private entity from using a Social Security number for internal verification and administrative purposes, so long as the use does not require the release of the Social Security number to persons not designated by the entity to perform associated functions allowed or authorized by law.

c. Nothing in this section shall prevent the collection, use or release of a Social Security number, as required by State or federal law.

d. Notwithstanding this section, Social Security numbers may be included in applications and forms sent by mail, including documents sent as part of an application or enrollment process, or to establish, amend or terminate an account, contract or policy, or to confirm the accuracy of the Social Security number. A Social Security number that is permitted to be mailed under this subsection may not be printed, in whole or in part, on a postcard or other mailer not requiring an envelope, or visible on the envelope or without the envelope having been open.

e. Nothing in this section shall apply to documents that are recorded or required to be open to the public pursuant to Title 47 of the Revised Statutes. This section shall not apply to records that are required by statute, case law, or New Jersey Court Rules, to be made available to the public by entities provided for in Article VI of the New Jersey Constitution.

f. Nothing in this section shall apply to the interactive computer service provider's transmissions or routing or intermediate temporary storage or caching of an image, information or data that is otherwise subject to this section.

14. The Director of the Division of Consumer Affairs in the Department of Law and Public Safety, in consultation with the Commissioner of Banking and Insurance, shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), necessary to effectuate sections 4 through 15 of this amendatory and supplementary act.

C.56:8-166 Unlawful practice, violation.

15. It shall be an unlawful practice and a violation of P.L.1960, c.39 (C.56:8-1 et seq.) to willfully, knowingly or recklessly violate sections 10 through 13 of this amendatory and supplementary act.

16. This act shall take effect on January 1 next following enactment, except that section 3 of this act shall take effect immediately.

CHAPTER 227

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.2000, c.24 (C.52:17B-88.10) is amended to read as follows:

C.52:17B-88.10 Standardized protocols for autopsies of suspected SIDS victims.

2. a. The State Medical Examiner, in consultation with the Commissioner of Health and Senior Services, shall develop standardized protocols for autopsies performed in those cases in which the suspected cause of death of a child under one year of age is sudden infant death syndrome and in which the child is between one and three years of age and the death is sudden and unexpected.

b. The State Medical Examiner shall establish a Sudden Child Death Autopsy Protocol Committee to assist in developing and reviewing the protocol. The committee shall include, but shall not be limited to, the State Medical Examiner or his designee, the Assistant Commissioner of the Division of Family Health Services in the Department of Health and Senior Services or his designee, the Director of the Division of Youth and Family Services in the Department of Human Services or his designee, the director of the SIDS Resource Center established pursuant to P.L.1987, c.331 (C.26:5D-4), an epidemiologist, a forensic pathologist, a pediatric pathologist, a county medical examiner, a pediatrician who is knowledgeable about sudden infant death syndrome and child abuse, a law enforcement officer, an emergency medical technician or a paramedic, a family member of a sudden infant death syndrome victim and a family member of a sudden unexpected death victim who was between one and three years of age at the time of death.

The committee shall annually review the protocol and make recommendations to the State Medical Examiner to revise the protocol, as appropriate.

c. The protocols shall include requirements and standards for scene investigation, criteria for ascertaining the cause of death based on autopsy, criteria for specific tissue sampling, and such other requirements as the committee deems appropriate. The protocols shall take into account nationally recognized standards for pediatric autopsies.

The State Medical Examiner shall be responsible for ensuring that the protocols are followed by all medical examiners and other persons
authorized to conduct autopsies in those cases in which the suspected cause of death is sudden infant death syndrome or in which the child is between one and three years of age and the death is sudden and unexpected.

d. The protocols shall authorize the State Medical Examiner, county medical examiner or other authorized person to take tissue samples for research purposes, as provided in section 2 of P.L.2005, c.227 (C.52:17B-88.11).

e. The sudden infant death syndrome autopsy protocol shall provide that if the findings in the autopsy are consistent with the definition of sudden infant death syndrome specified in the protocol, the person who conducts the autopsy shall state on the death certificate that sudden infant death syndrome is the cause of death.

C.52:17B-88.11 Protocol for participation of medical examiners in certain research activities concerning SIDS.

2. The Legislature finds and declares that: advances in genetics, biochemistry and other areas of medical research are yielding new information about the specific causes of sudden death in infancy and early childhood; these findings are of great importance because the largest subgroup of these deaths, Sudden Infant Death Syndrome, remains a "rule-out" diagnosis for which the family learns what did not, rather than what did, cause the death of their child; without knowing the actual cause, families are not able to determine if there is a genetic basis that places their other children at risk, and physicians are not able to prevent a death by prospectively diagnosing and treating a potentially fatal medical problem; and if the State is to meet its public health goal of reducing infant mortality, it is in the public interest to accelerate efforts to identify actual causes of death in infants and young children.

a. The State Medical Examiner, in consultation with the Commissioner of Health and Senior Services and the Sudden Child Death Autopsy Protocol Committee established pursuant to section 2 of P.L.2000, c.24 (C.52:17B-88.10) shall establish, pursuant to this section, a protocol for participation by medical examiners in research activities concerning deaths of children three years of age and younger. The protocol shall be revised as necessary. The research shall include all autopsies in which the suspected cause of death of a child under one year of age is sudden infant death syndrome and the suspected cause of death of a child three years of age and younger is not considered a violent death pursuant to subsection a. of section 9 of P.L.1967, c.234 (C.52:17B-86).

The protocol shall authorize the State Medical Examiner, county medical examiner or other authorized person to take and transfer tissue samples to an approved research project prior to obtaining the consent of the
parent or legal guardian of the deceased infant or young child, but the research project shall not be permitted to use the tissue prior to its obtaining consent as provided in paragraph (3) of this subsection.

Notwithstanding the provisions of this section to the contrary, the protocol shall provide that no tissue sample shall be taken from a deceased infant or young child whose parent or legal guardian has objected to an autopsy because it is contrary to the religious beliefs of the deceased, in accordance with section 2 of P.L.1983, c.535 (C.52:178B-88.2).

The protocol shall, at a minimum, stipulate that:

(1) the research project first be approved by the institutional review board of the facility at which the research shall be conducted, then by the Sudden Child Death Autopsy Protocol Committee, and finally by the Institutional Review Board of the New Jersey Department of Health and Senior Services. If a research project is submitted by the Department of Health and Senior Services, the final review of the project shall be conducted by an independent review board;

(2) the research project delineate the information, other than the tissue sample, that will be required from the investigation of the death of the infant or young child;

(3) the research project develop a plan for the release by the State Medical Examiner or county medical examiner, as applicable, of a decedent's tissue, as well as obtaining written consent for the use of the tissue and other identifying information from the parent or legal guardian of the deceased infant or young child;

(4) the research project develop a plan for the disposal of a decedent's tissue in the event that the parent or guardian does not give consent for use of the tissue, and in cases in which consent is given, upon completion of the research. The plan shall incorporate accepted procedures for disposal of surgical biopsies and biohazardous materials, and shall include procedures to inform the parent or guardian and the Sudden Child Death Autopsy Protocol Committee of the disposal plan;

(5) the research project reimburse the State Medical Examiner, county medical examiner or other authorized person participating in the research for reasonable costs incurred in taking, storing and providing tissue samples for the project. The estimated costs subject to reimbursement shall be reviewed and approved by the State Medical Examiner;

(6) the research project provide the State Medical Examiner and the Sudden Child Death Autopsy Protocol Committee with periodic updates on the status of the project; and

(7) the Sudden Child Death Autopsy Protocol Committee may terminate a research project that is not in compliance with the research project as approved pursuant to this subsection.
b. Upon receiving notification from the research project that the research project has obtained written consent from the parent or legal guardian of the deceased infant or young child for the use of tissue samples and identifying information, the State Medical Examiner, county medical examiner or other authorized person, as applicable, shall provide the research project with copies of the autopsy reports and any reports generated by the State Medical Examiner or county medical examiner concerning the subject of the research.

c. The information and tissue samples provided by the State Medical Examiner, county medical examiner or other authorized person to the research project shall be used by the research project only for the purposes approved by the Sudden Child Death Autopsy Protocol Committee and as specified in the protocol, and shall not otherwise be divulged or made public so as to disclose the identity of any person to whom they relate. The information provided to the research project shall not be considered a public record pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.) or P.L.2001, c.404 (C.47:1A-5 et al.).

d. The Sudden Child Death Autopsy Protocol Committee shall oversee the approved research projects.

e. The State Medical Examiner, county medical examiner, their employees and other persons authorized by the State Medical Examiner to provide tissue samples and identifying information to the research project, and the members of the Sudden Child Death Autopsy Protocol Committee shall not be liable for civil damages as the result of any actions or omissions performed in good faith and in accordance with the provisions of this act.

3. This act shall take effect on the 60th day after enactment.

Approved September 22, 2005.

CHAPTER 228

AN ACT concerning dam safety, and amending R.S.58:4-5 and R.S.58:4-6.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.58:4-5 is amended to read as follows:

Alterations, additions and repairs of unsafe reservoirs or dams; duties of owner.

58:4-5. a. An owner or person having control of a reservoir or dam shall:
(1) Implement all measures required pursuant to this chapter or the provisions of P.L.1981, c.249 (C.58:4-8.1 et seq.), or any rule, regulation, code, permit or order issued pursuant thereto, including but not limited to, performance of periodic inspections required pursuant to section 2 of P.L.1981, c.249 (C.58:4-8.2) or development, updating and implementation of emergency action plans;

(2) Provide to the Department of Environmental Protection, upon request, any reports or information required pursuant to this chapter or the provisions of P.L.1981, c.249, or any rule or regulation adopted, or permit or order issued pursuant thereto; and

(3) Implement any action ordered by the Commissioner of Environmental Protection to correct conditions that render the reservoir or dam to be considered, as determined by the commissioner, unsafe or improperly maintained or to bring the reservoir or dam into compliance with standards established pursuant to this chapter, or any rule or regulation adopted, or permit or order issued pursuant thereto.

b. If, in the judgment of the commissioner, any reservoir or dam is not sufficiently strong to resist the pressure of water that is or may be upon it or there is reasonable cause to believe that danger to life or property may be anticipated from the reservoir or dam, or if for any other cause the commissioner shall determine the reservoir or dam to be unsafe or improperly maintained, the commissioner shall take any action authorized pursuant to this section to compel compliance with the provisions of this chapter, or any rule or regulation adopted, or permit or order issued pursuant thereto, and shall determine whether the water in the reservoir or above the dam shall be drawn off in whole or in part, and what alterations, additions and repairs are necessary to be made to the reservoir or dam to make it safe and properly maintained or whether the dam or appurtenant structures located therein should be removed. The commissioner also may take action as authorized pursuant to R.S.58:4-6 against the owner or person having control of the reservoir or dam for such relief as the commissioner may determine. The commissioner shall forthwith in writing order the owner or person having control of the reservoir or dam to cause the alterations, additions and repairs to be made within the time to be limited in the order. A copy of any order issued by the commissioner pursuant to this section shall be sent to the clerk of the municipality and the clerk of the county in which the reservoir or dam is located. The commissioner also may order the water in the reservoir or above the dam to be drawn off in whole or in part as the commissioner may determine. The commissioner shall not approve the decommissioning of a reservoir or dam until the commissioner has provided 30 days' prior notice and the commissioner has complied with the provisions of R.S.58:4-10 as applicable. The notice of the proposed
decommissioning shall be published at least 30 days prior to the decommissioning of the reservoir or dam in at least one newspaper of general circulation in the municipality in which the reservoir or dam is located. The commissioner shall have the right to enter upon any and all properties for the purpose of obtaining information about the safety and proper maintenance of any reservoir, dam or appurtenant structures located therein.

c. Any owner or person having control of a reservoir or dam who fails to comply with an order issued pursuant to this section or R.S.58:4-6 may be liable to the department in an amount equal to the cost of removal of the dam or appurtenant structures located therein undertaken by the department, including attorney’s fees and court costs, pursuant to subsection d. of this section.

Whenever two or more owners or persons having control of a reservoir or dam are liable for the cost of removal, including attorney’s fees and court costs, the department may allocate the cost of removal among the liable parties using such factors as the department determines are appropriate. Nothing in this subsection shall affect the right of any party to seek contribution from any other person responsible for the cost of removal of the dam pursuant to any other statute or under common law.

d. (1) Whenever the commissioner determines that a dam is in imminent danger of failure and has reasonable cause to believe that danger to life or property may be anticipated from the reservoir, dam or appurtenant structures located therein, and the owner of the dam or person having control of the reservoir or dam has failed to comply with an order to repair the dam issued pursuant to subsection a. of this section or R.S.58:4-6, or to take such interim measures as the department determines are appropriate, including reducing the amount of water impounded by the dam or breaching the dam, the department may, in addition to actions authorized pursuant to R.S.58:4-6, enter upon any and all properties wherein the reservoir, dam or appurtenant structures are located and, using resources and personnel available to the department, remove or cause to be removed the dam or appurtenant structures located therein, allowing the water to flow freely.

Prior to any action by the department pursuant to this subsection, the owner or person having control of the reservoir or dam, shall, no later than 60 days after receipt of a notice from the department of a pending removal action, submit to the department, in writing, an acceptable implementation plan addressing the proposed actions to be taken regarding the failed or failing reservoir or dam.

(2) Any expenditures made by the department pursuant to this section shall constitute, in each instance, a debt to the State. The debt shall constitute a lien on all property owned by the owner or person having control of the reservoir or dam when a certificate of debt, incorporating a
description of the property of the owner or person having control of the reservoir or dam subject to the repair, and related costs, is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment and order docket the name and address of the owner or person having control of the reservoir or dam and the amount of the lien as set forth in the certificate of debt. Upon entry by the clerk, the lien, to the amount committed by the department for dam repair, shall attach to the revenues and all real and personal property of the owner or person having control of the reservoir or dam, whether or not the owner or person having control of the reservoir or dam is insolvent.

The certificate of debt filed pursuant to this paragraph which affects the property of an owner or person having control of a reservoir or dam subject to the dam repairs shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this certificate of debt shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this certificate of debt.

The certificate of debt filed pursuant to this subsection which affects any property of an owner or person having control of a reservoir or dam, other than the property subject to the repairs, shall have priority from the day of the filing of the certificate of debt over all other claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a certificate of debt pursuant to this subsection.

Whenever the owner or person having control of the reservoir or dam is a private lake association or other body representing owners of property adjacent to the reservoir or lake created by the dam or impoundment, liens may be imposed upon the individual owners of the property represented by the association. An owner whose property has such a lien imposed may release the property from a lien claimed under this subsection by filing with the clerk of the Superior Court a cash or surety bond, payable to the department in the amount of the sums expended by the department pursuant to this section, including attorney's fees and court costs, or the value of the property after the abatement action is complete, whichever is less.

e. The provisions of this section shall not limit the use of other remedies available to the department pursuant to law.

f. The commissioner may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any rules or regulations necessary to implement the provisions of this section.

2. R.S.58:4-6 is amended to read as follows:
58:4-6. a. Whenever the Commissioner of Environmental Protection finds that a person has violated any provision of the "Safe Dam Act," P.L.1981, c.249 (C.58:4-8.1 et seq.), or any rule, regulation or order issued pursuant thereto, the commissioner may:

1. Issue an order requiring any such person to comply in accordance with subsection b. of this section; or
2. Bring a civil action in accordance with subsection c. of this section; or
3. Levy a civil administrative penalty in accordance with subsection d. of this section; or
4. Bring an action for a civil penalty in accordance with subsection e. of this section; or
5. Petition the Attorney General to bring a criminal action in accordance with subsection f. of this section.

Recourse to any of the remedies available under this section shall not preclude recourse to any of the other remedies prescribed in this section or by any other applicable law.

b. Whenever, on the basis of available information, the commissioner finds a person in violation of any provision of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto, the commissioner may issue an administrative order: (1) specifying the provision or provisions of the law, rule, regulation, or order, of which the person is in violation; (2) citing the action which constituted the violation; (3) requiring compliance with the provision or provisions violated; (4) requiring the restoration of the area which is the site of the violation; and (5) providing notice to the person of the right to a hearing on the matters contained in the order.

c. The commissioner is authorized to institute a civil action in Superior Court for appropriate relief from any violation of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto. Such relief may include, singly or in combination:

1. A temporary or permanent injunction, including an order or judgment as will effectually secure the persons interested from danger of loss from the breaking of a dam. The court may proceed in the action in a summary manner or otherwise;
2. Assessment of the violator for the costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation, and for the reasonable costs of preparing and bringing legal action under this subsection;
3. Assessment of the violator for any costs incurred by the State in removing, correcting, or terminating the adverse effects resulting from any
violation for which legal action under this subsection may have been brought;

(4) Assessment against the violator for compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by a violation;

(5) A requirement that the violator restore the site of the violation to the maximum extent practicable and feasible.

d. The commissioner is authorized to assess a civil administrative penalty of up to $25,000 for each violation of any provision of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto, and each day during which each violation continues shall constitute an additional, separate, and distinct offense. Any amount assessed under this subsection shall fall within a range established by regulation by the commissioner for violations of similar type, seriousness, and duration. In adopting rules and regulations establishing the amount of any penalty to be assessed, the commissioner may take into account the economic benefits from the violation gained by the violator. No assessment shall be levied pursuant to this section until after the party has been notified by certified mail or personal service. The notice shall: (1) identify the section of the law, rule, regulation or order violated; (2) recite the facts alleged to constitute a violation; (3) state the amount of the civil penalties to be imposed; and (4) affirm the rights of the alleged violator to a hearing. The ordered party shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. After the hearing and upon finding that a violation has occurred, the commissioner may issue a final order specifying the amount of the fine imposed. If no hearing is requested, the notice shall become final after the expiration of the 20-day period. Payment of the assessment is due when a final order is issued or the notice becomes a final order. The authority to levy an administrative penalty is in addition to all other enforcement provisions in this act and in any other applicable law, rule, or regulation, and the payment of any assessment shall not be deemed to affect the availability of any other enforcement provisions in connection with the violation for which the assessment is levied. Any civil administrative penalty assessed under this section may be compromised by the commissioner upon the posting of a performance bond by the violator, or upon such terms and conditions as the commissioner may establish by regulation.

e. A person who violates any provision of P.L.1981, c.249 or any rule, regulation or order issued pursuant thereto, an administrative order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection c. of this section, or who fails to pay a civil administrative penalty in full pursuant to subsection d. of this section, shall be subject,
upon order of a court, to a civil penalty not to exceed $10,000 per day of such violation, and each day during which the violation continues shall constitute an additional, separate, and distinct offense. Any civil penalty imposed pursuant to this subsection may be collected with costs in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). In addition to any penalties, costs or interest charges, the court may assess against the violator the amount of actual economic benefit accruing to the violator from the violation. The Superior Court and the municipal court shall have jurisdiction to enforce the provisions of the "Penalty Enforcement Law of 1999" in connection with this section.

f. A person who purposely, knowingly or recklessly violates any provision of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto, shall be guilty, upon conviction, of a crime of the fourth degree and, notwithstanding any provision of N.J.S.2C:43-3 to the contrary, shall be subject to a fine of not less than $2,500 nor more than $25,000 per day of violation, in addition to any other applicable penalties and provisions under Title 2C of the New Jersey Statutes. A second or subsequent offense under this subsection shall subject the violator to a fine, notwithstanding any provision of N.J.S.2C:43-3 to the contrary, of not less than $5,000 nor more than $50,000 per day of violation, in addition to any other applicable penalties and provisions under Title 2C of the New Jersey Statutes. A person who knowingly makes a false statement, representation, or certification in any application, record, or other document filed or required to be maintained under the provisions of P.L.1981, c.249 shall be guilty, upon conviction, of a crime of the fourth degree and, notwithstanding any provision of N.J.S.2C:43-3 to the contrary, shall be subject to a fine of not more than $10,000, in addition to any other applicable penalties and provisions under Title 2C of the New Jersey Statutes.

g. In addition to the penalties prescribed in this section, a notice of violation of any provision of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto, shall be recorded on the deed of the property wherein the violation occurred, on order of the commissioner, by the clerk or register of deeds and mortgages of the county wherein the affected property is located and with the clerk of the Superior Court and shall remain attached thereto until such time as the violation has been remedied and the commissioner orders the notice of violation removed.

h. The department may require an owner or person having control of a reservoir or dam to provide any information the department requires to determine compliance with any provision of P.L.1981, c.249, or any rule, regulation or order issued pursuant thereto.
i. Any person who knowingly, recklessly, or negligently makes a false statement, representation or certification in any application, record, or other document filed or required to be maintained under the provisions of P.L.1981, c.249, shall be in violation of the act and shall be subject to the penalties assessed pursuant to subsections d. and e. of this section.

j. All penalties collected pursuant to this section or sums collected pursuant to R.S.58:4-5 shall be deposited in the "Environmental Services Fund," established pursuant to section 5 of P.L.1975, c.232 (C.13:1D-33), and kept separate from other receipts deposited therein, and appropriated to the department for the removal of dams in the State.

k. The department shall have the authority to enter any property, facility, premises, or site for the purpose of conducting inspections to determine the condition of any dam, or to conduct inspections of ordered repairs or to otherwise determine compliance with the provisions of P.L.1981, c.249.

3. This act shall take effect immediately.

Approved September 22, 2005.

policy as collateral for a loan;

(2) The issuer of a life insurance policy providing accelerated benefits
pursuant to regulations prescribed by the commissioner and pursuant to the
policy;

(3) An authorized or eligible insurer that provides stop loss coverage to
a viatical settlement provider, financing entity, special purpose entity or
related provider trust;

(4) A natural person who enters into or effectuates no more than one

(8) An accredited investor or qualified institutional buyer as defined

of 1933" (15 U.S.C. s.77a et seq.) as amended, and who purchases a
viaticated policy from a viatical settlement provider.

"Viaticated policy" means a life insurance policy or certificate that has
been acquired by a viatical settlement provider pursuant to a viatical
settlement contract.

"Viator" means the owner of a policy who enters or seeks to enter into
a viatical settlement contract. For the purposes of this act, a viator shall not
be limited to an owner of a policy insuring the life of an individual with a
terminal or chronic illness or condition except where specifically addressed.
If there is more than one viator on a single policy and the viators are
residents of different states, the transaction shall be governed by the law of
the state in which the viator having the largest percentage ownership resides
or, if the viators hold equal ownership, the state of residence of one viator
agreed upon in writing by all viators. Viator shall not include:
(1) A viatical settlement provider licensed under this act;
(2) An accredited investor or qualified institutional buyer as defined respectively in Regulation D, Rule 501 (17 C.F.R. 230.501 through 230.508) or Rule 144A (17 C.F.R. 230.144A) of the federal "Securities Act of 1933" (15 U.S.C. s.77a et seq.), as amended;
(3) A financing entity;
(4) A special purpose entity; or
(5) A related provider trust.

C.178:308-3 License to operate as viatical settlement provider.

3. a. A person shall not operate as a viatical settlement provider without first obtaining a license from the commissioner of the state of residence of the viator.

b. (1) No person shall act on behalf of a viator residing in this State, or otherwise negotiate, as that term is defined in section 3 of P.L.2001, c.210 (C.17:22A-28), viatical settlement contracts between a viator residing in this State and one or more viatical settlement providers unless that person is licensed as a life insurance producer pursuant to the "New Jersey Insurance Producer Licensing Act of 2001," P.L.2001, c.210 (C.17:22A-26 et seq.) and has been licensed as a resident insurance producer in his home state for not less than one year.

(2) Irrespective of the manner in which the life insurance producer is compensated, a life insurance producer is deemed to represent only the viator and not the viatical settlement provider or any insurer, and owes a fiduciary duty to the viator to act according to the viator's instructions and in the best interest of the viator.

(3) Not later than 30 days from the first day of negotiating a viatical settlement contract on behalf of a viator, such producer shall notify the commissioner of that activity on a form or in a manner that may be prescribed by, and shall pay any applicable fees determined by, the commissioner by regulation. The notification shall include an acknowledgment by the producer that he will operate in accordance with the provisions of this act.

(4) Notwithstanding paragraph (1) of this subsection, a person licensed as an attorney, or a certified public accountant, representing a viator, and whose compensation is not paid directly or indirectly by the viatical settlement provider, may negotiate a viatical settlement contract without a license as a life insurance producer.

c. Application for a viatical settlement provider license pursuant to subsection a. of this section shall be made to the commissioner by the applicant on a form prescribed by the commissioner, and the application shall be accompanied by a fee, the amount of which shall be set by the
commissioner by regulation, provided, however, that the license and renewal fees for a viatical settlement license shall not exceed that established by law or regulation for a domestic stock life insurance company.

d. A viatical settlement provider license may be renewed from year to year on the anniversary date upon payment of the annual renewal fee in an amount set by the commissioner by regulation. Failure to pay the fee by the renewal date shall result in expiration of the license.

e. The applicant for a license pursuant to subsection a. of this section shall provide information on forms required by the commissioner. The commissioner shall have the authority, at any time, to require the applicant to fully disclose the identity of all stockholders except those owning fewer than five percent of the shares of an applicant whose shares are publicly traded, partners, officers, members and employees, and the commissioner may, in his discretion, refuse to issue a license in the name of a legal entity if not satisfied that any officer, employee, stockholder, partner or member thereof who may materially influence the applicant's conduct meets the standards of this act.

f. A license pursuant to subsection a. of this section issued to a legal entity authorizes all partners, officers, members and designated employees to act as viatical settlement providers, under the license, and all those persons shall be named in the application and any supplements to the application.

g. Upon the filing of an application and the payment of the license fee, the commissioner shall make an investigation of each applicant and issue a license if the commissioner finds that the applicant:

1. Has provided a detailed plan of operation;
2. Is competent and trustworthy and intends to act in good faith in the capacity involved by the license applied for;
3. Has a good business reputation and has had experience, training or education so as to be qualified in the business for which the license is applied for;
4. If a legal entity, provides a certificate of good standing from the state of its domicile; and
5. Has provided an anti-fraud plan that meets the requirements of section 12 of this act.

h. The commissioner shall not issue a license to a nonresident applicant unless a written designation of an agent for service of process is filed and maintained with the commissioner, or the applicant has filed with the commissioner, the applicant's written irrevocable consent that any action against the applicant may be commenced against the applicant by service of process on the commissioner.
i. A viatical settlement provider shall provide to the commissioner any new or revised information about officers, stockholders holding 10% or more of the outstanding shares, partners, directors, members or designated employees within 30 days of the change.

C.17B:30B-4 Refusal to issue, suspension, revocation, refusal to renew license.

4. a. The commissioner may refuse to issue, suspend, revoke or refuse to renew the license of a viatical settlement provider, if the commissioner finds that:

(1) There was any material misrepresentation in the application for the license;

(2) The licensee or any officer, partner, member or key management personnel has been convicted of fraudulent or dishonest practices, is subject to a final administrative action or is otherwise shown to be untrustworthy or incompetent to act as a licensee;

(3) The licensee demonstrates a pattern of unreasonable payments to viators;

(4) The licensee or any officer, partner, member or key management personnel has been found guilty of, or has pleaded guilty or nolo contendere to, any felony, or to a misdemeanor involving fraud or moral turpitude, regardless of whether a judgment of conviction has been entered by the court;

(5) The licensee has entered into any settlement contract that has not been approved pursuant to this act;

(6) The licensee has failed to honor contractual obligations set out in a viatical settlement contract;

(7) The licensee no longer meets the requirements for initial licensure;

(8) The licensee has assigned, transferred or pledged a viaticated policy to a person other than a viatical settlement provider licensed in this State, an accredited investor or qualified institutional buyer as defined respectively in Regulation D, Rule 501 (17 C.F.R. 230.501 through 230.508) or Rule 144A (17 C.F.R. 230.144A) of the federal "Securities Act of 1933" (15 U.S.C. s.77a et seq.), as amended, financing entity, special purpose entity or related provider trust; or

(9) The licensee or any officer, partner, member or key management personnel has violated any provision of this act.

b. The commissioner may suspend, revoke or refuse to renew the license of a life insurance producer if the commissioner finds that the life insurance producer has violated the provisions of this act.

c. Before the commissioner denies a license application or suspends, revokes or refuses to renew the license of a viatical settlement provider or suspends, revokes or refuses to renew the license of a life insurance
producer pursuant to this act, the commissioner shall conduct a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.17B:30B-5 Approval of viatical settlement forms by commissioner.

5. A person shall not use a viatical settlement contract form or provide a disclosure statement or application form to a viator in this State unless it has been filed with and approved by the commissioner. The commissioner shall disapprove a viatical settlement contract form or disclosure statement form if, in the commissioner's opinion, the contract form, disclosure form, or provisions contained therein are unreasonable, contrary to the interests of the public, or otherwise misleading or unfair to the viator. The commissioner may require the submission of advertising material used in connection with a viatical settlement contract.

C.17B:30B-6 Filing of annual statement.

6. a. Each viatical settlement provider licensee shall file with the commissioner on or before March 1 of each year an annual statement containing that information which the commissioner by regulation may prescribe. This information is limited to only those transactions in which the viator is a resident of this State and shall not include individual transaction data or data which compromises the privacy of personal, financial, and health information of the viator or insured.

b. Except as otherwise allowed or required by law, a viatical settlement provider, insurance company, life insurance producer, information bureau, rating agency or company, or any other person with actual knowledge of the identity of the insured, shall not disclose that identity, or the insured's financial or medical information, to any other person unless the disclosure:

(1) Is necessary to effect a viatical settlement contract between the viator and a viatical settlement provider and the viator and insured have provided prior written consent to the disclosure;

(2) Is provided in response to an investigation or examination by the commissioner or any other governmental officer or agency or pursuant to the requirements of subsection e. of section 12 of this act;

(3) Is a term of or condition to the transfer of a policy by one viatical settlement provider to another viatical settlement provider;

(4) Is necessary to permit a financing entity, related provider trust or special purpose entity to finance the purchase of policies by a viatical settlement provider and the viator and insured have provided prior written consent to the disclosure;

(5) Is necessary to allow the viatical settlement provider or its authorized representative to make contacts for the purpose of determining health status, or
(6) Is required to purchase stop loss coverage.

c. In addition to the information required in this section, the commissioner may require that either or both viatical settlement providers and life insurance producers provide to the commissioner that information the commissioner determines by regulation, regarding the amount and method of compensation paid to life insurance producers for negotiating a viatical settlement contract pursuant to this act.

C.17B:30B-7 Examinations of licensees by commissioner.

7. a. (1) The commissioner may conduct an examination of a licensee under this act as often as the commissioner, in his sole discretion, deems appropriate.

(2) For purposes of completing an examination of a licensee under this act, the commissioner may examine or investigate any person, or the business of any person, insofar as the examination or investigation is, in the sole discretion of the commissioner, necessary or material to the examination of the licensee.

(3) In lieu of an examination under this act of any foreign or alien licensee licensed in this State, the commissioner may, at the commissioner's discretion, accept an examination report on the licensee as prepared by the commissioner or other regulator for the licensee's state of domicile or port-of-entry state.

b. (1) A person required to be licensed by this act shall for five years retain copies of all:

(a) Proposed, offered or executed viatical settlement contracts, underwriting documents, policy forms and applications from the date of the proposal, offer, or execution of the viatical settlement contract, whichever is later;

(b) All checks, drafts or other evidence and documentation related to the payment, transfer, deposit or release of funds from the date of the transaction; and

(c) All other records and documents related to the requirements of this act.

(2) This subsection shall not relieve a person of the obligation to produce these documents to the commissioner after the retention period has expired if that person has retained the documents.

(3) Records required to be retained pursuant to this subsection shall be legible and complete and may be retained in paper, photograph, microprocess, magnetic, mechanical or electronic media, or by any process that accurately reproduces or forms a durable medium for the reproduction of a record.
c. (1) Upon determining that an examination should be conducted, the commissioner shall issue an examination warrant appointing one or more examiners to perform the examination and instructing them as to the scope of the examination. In conducting the examination, the examiner shall observe those guidelines and procedures set forth in the Examiners' Handbook adopted by the National Association of Insurance Commissioners (NAIC). The commissioner may also employ other guidelines or procedures as the commissioner deems appropriate.

(2) Every licensee or person from whom information is sought, its officers, directors and agents shall provide to the examiners timely, convenient and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets and computer or other recordings relating to the property, assets, business and affairs of the licensee being examined. The officers, directors, employees and agents of the licensee or person shall facilitate the examination and aid in the examination so far as it is in their power to do so. The refusal of a licensee, by its officers, directors, employees or agents, to submit to examination or to comply with any reasonable written request of the commissioner shall be grounds for suspension or refusal of, or nonrenewal of any license or authority held by the licensee to engage in the business of viatical settlements or other business subject to the commissioner's jurisdiction. Any proceedings for suspension, revocation or refusal of any license or authority shall be conducted pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

(3) The commissioner shall have the power to issue subpoenas, to administer oaths and to examine under oath any person as to any matter pertinent to the examination. Upon the failure or refusal of a person to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court.

(4) When making an examination under this act, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

(5) Nothing contained in this act shall be construed to limit the commissioner's authority to terminate or suspend an examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this State. Findings of fact and conclusions made pursuant to any examination shall be prima facie evidence in any legal or regulatory action.
(6) Nothing contained in this act shall be construed to limit the commissioner's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee work papers or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action which the commissioner may, in his or her sole discretion, deem appropriate.

d. (1) Examination reports shall be comprised of only facts appearing upon the books, records or other documents of the licensee, its agents or other persons examined, or as ascertained from the testimony of its officers or agents or other persons examined concerning its affairs, and such conclusions and recommendations as the examiners find reasonably warranted from the facts.

(2) No later than 60 days following completion of the examination, the examiner in charge shall file with the commissioner a verified written report of examination under oath. Upon receipt of the verified report, the commissioner shall transmit the report to the licensee examined, together with a notice that shall afford the licensee examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report.

(3) Within 30 days of the end of the period allowed for the receipt of written submissions or rebuttals, the commissioner shall fully consider and review the report, together with any written submissions or rebuttals, and any relevant portions of the examiner's workpapers and either:

(a) Adopt the examination as filed or with modification or corrections. If the examination report reveals that the company is operating in violation of any law, regulation or prior order of the commissioner, the commissioner may order the company to take any action the commissioner considers necessary and appropriate to cure the violation; or

(b) Reject the examination report with directions to the examiners to reopen the examination for purposes of obtaining additional data, documentation or information, and refiling pursuant to paragraph (1) of this subsection; or

(c) Call for an investigatory hearing with no less than 20 days' notice to the company for purposes of obtaining additional documentation, data, information and testimony.

(4) (a) All determinations made pursuant to subparagraph (a) of paragraph (3) of this subsection shall be accompanied by findings and conclusions resulting from the commissioner's consideration and review of the examination report, relevant examiner workpapers and any written submissions or rebuttals. Any such determination shall be served upon the company, together with a copy of the adopted examination report. Within
30 days of the issuance of the adopted report, the company shall file affidavits executed by each of its directors stating under oath that they have received a copy of the adopted report and related orders.

(b) Any hearing under subparagraph (c) of paragraph (3) of this subsection shall be conducted by the commissioner or an authorized representative of the commissioner as a nonadversarial, confidential investigatory proceeding, as necessary for the resolution of any inconsistencies, discrepancies or disputed issues apparent upon the face of the filed examination report or raised by or as a result of the commissioner's review of relevant workpapers or by the written submission or rebuttal of the company. Within 20 days of the conclusion of any such hearing, the commissioner shall make a determination pursuant to subparagraph (a) of paragraph (3) of this subsection.

(i) The hearing shall proceed expeditiously with discovery by the company limited to the examiner's workpapers which tend to substantiate any assertions set forth in any written submission or rebuttal. The commissioner or his representative may issue subpoenas for the attendance of any witnesses or the production of any documents relevant to the investigation whether under the control of the department, the company or other persons. Nothing contained in this section shall require the department to disclose any information or records which would indicate or show the existence or content of any investigation or activity of a criminal justice agency.

(ii) The hearing shall proceed with the commissioner or his representative posing questions to the persons subpoenaed. Thereafter the company and the department may present testimony relevant to the investigation. Cross-examination shall be conducted only by the commissioner or his representative. The company and the department shall be permitted to make closing statements and may be represented by counsel of their choice.

(5) Upon the adoption of the examination report under subparagraph (a) of paragraph (3) of this subsection, the commissioner may continue to hold the content of the examination report as private and confidential information for a period of 90 days except to the extent provided in paragraph (6) of subsection c. of this section.

(6) If the commissioner determines that regulatory action is appropriate as a result of an examination, the commissioner may initiate any proceedings or actions provided by law.

e. (1) Names and individual identification data for all viators shall be considered private and confidential information and shall not be disclosed by the commissioner, unless required by law.

(2) Except as otherwise provided in this act, all examination reports, working papers, recorded information, documents and copies thereof
produced by, obtained by or disclosed to the commissioner or any other person in the course of an examination made under this act, or in the course of analysis or investigation by the commissioner of the financial condition or market conduct of a licensee shall be confidential by law and privileged, shall not be subject to any State or federal freedom of information law, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. The commissioner is authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as part of the commissioner's official duties.

(3) Documents, materials or other information, including, but not limited to, all working papers, and copies thereof, in the possession or control of the NAIC and its affiliates and subsidiaries shall be confidential by law and privileged, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action if they are:

(a) Created, produced or obtained by or disclosed to the NAIC and its affiliates and subsidiaries in the course of assisting an examination made under this act, or assisting the commissioner in the analysis or investigation of the financial condition or market conduct of a licensee;

(b) Disclosed to the NAIC and its affiliates and subsidiaries under paragraph (4) of this subsection by the commissioner.

(c) For the purposes of paragraph (2) of this subsection, "act" includes the law of another state or jurisdiction that is substantially similar to this act.

(4) Neither the commissioner nor any person that received the documents, material or other information while acting under the authority of the commissioner, including the NAIC and its affiliates and subsidiaries, shall be permitted to testify in any private civil action concerning any confidential documents, materials or information subject to paragraph (1) of this subsection.

(5) In order to assist in the performance of the commissioner's duties, the commissioner:

(a) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to paragraph (1) of this subsection, with other state, federal and international regulatory agencies, with the NAIC and its affiliates and subsidiaries, and with state, federal and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the document, material, communication or other information; and

(b) May receive documents, materials, communications or information, including otherwise confidential and privileged documents, materials or information, from the NAIC and its affiliates and subsidiaries, and from
regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information.

(6) No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in paragraph (5) of this subsection.

(7) A privilege established under the law of any state or jurisdiction that is substantially similar to the privilege established under this subsection shall be available and enforced in any proceeding in, and in any court of, this State.

(8) Nothing contained in this act shall prevent or be construed as prohibiting the commissioner from disclosing the content of an examination report, preliminary examination report or results, or any matter relating thereto, to the commissioner of any other state or country, or to law enforcement officials of this or any other state or agency of the federal government at any time or to the NAIC, so long as that agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this act.

f. (1) An examiner may not be appointed by the commissioner if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this act. This subsection shall not be construed to automatically preclude an examiner from being:

(a) A viator;

(b) An insured in a viated insurance policy; or

(c) A beneficiary in an insurance policy that is proposed to be viated.

(2) Notwithstanding the requirements of this subsection, the commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though these persons may from time to time be similarly employed or retained by persons subject to examination under this act.

g. (1) No cause of action shall arise nor shall any liability be imposed against the commissioner, the commissioner's authorized representatives or any examiner appointed by the commissioner for any statements made or conduct performed in good faith while carrying out the provisions of this act.

(2) No cause of action shall arise nor shall any liability be imposed against any person for the act of communicating or delivering information
or data to the commissioner or the commissioner's authorized representative or examiner pursuant to an examination made under this act, if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. This paragraph shall not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in paragraph (1) of this subsection.

(3) A person identified in paragraph (1) or (2) of this subsection shall be entitled to an award of attorney's fees and costs if that person is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this act and the party bringing the action was not substantially justified in doing so. For purposes of this section, a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.

h. The commissioner may investigate suspected fraudulent viatical settlement acts and persons engaged in the business of viatical settlements.

C.17B:30B-8 Disclosures to viator, procedure.

8. a. With each application for a viatical settlement, a viatical settlement provider or life insurance producer shall provide the viator with at least the following disclosures no later than the time the application for the viatical settlement contract is signed by all parties. The disclosures shall be provided in a separate document that is signed by the viator and the viatical settlement provider, and shall provide the following information:

(1) There are possible alternatives to viatical settlement contracts, including any accelerated death benefits or policy loans offered under the viator's life insurance policy;

(2) Some or all of the proceeds of the viatical settlement contract may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor;

(3) Proceeds of the viatical settlement contract could be subject to the claims of creditors;

(4) Receipt of the proceeds of a viatical settlement contract may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies;

If exercised by the viator, rescission is effective only if both notice of the rescission is given and repayment of all
proceeds and any premiums, loans and loan interest to the settlement provider is made within the rescission period. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment of all viatical settlement proceeds and any premiums, loans and loan interest to the viatical settlement provider;

(6) Funds will be sent to the viator within three business days after the viatical settlement provider has received the insurer or group administrator's acknowledgment that ownership of the policy has been transferred and the beneficiary has been designated pursuant to the viatical settlement contract;

(7) Entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy, to be forfeited by the viator and that assistance should be sought from a financial adviser;

(8) Disclosure to a viator shall include distribution of a brochure, describing the process of viatical settlements approved by the commissioner. The National Association of Insurance Commissioners (NAIC) form for the brochure shall be used unless one is developed by the commissioner;

(9) The disclosure document shall contain the following language:
"All medical, financial or personal information solicited or obtained by a viatical settlement provider or life insurance producer about an insured, including the insured's identity or the identity of family members, a spouse or a significant other, may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years."; and

(10) The insured may be contacted by the viatical settlement provider or its authorized representative for the purpose of determining the insured's health status. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less.

b. A viatical settlement provider shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and the viatical settlement provider and provide the following information:

(1) State the affiliation, if any, between the viatical settlement provider and the issuer of the insurance policy to be acquired pursuant to a viatical settlement contract;
(2) The document shall include the name, address and telephone number of the viatical settlement provider;

(3) If the policy to be acquired pursuant to a viatical settlement contract has been issued as a joint policy or involves family riders or any coverage of a life other than the insured under the policy to be acquired pursuant to a viatical settlement contract, the viator shall be informed of the possible loss of coverage on the other lives;

(4) State the dollar amount of the current death benefit payable to the viatical settlement provider under the policy. The viatical settlement provider shall, if known, also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy and the viatical settlement provider's interest in those benefits; and

(5) State the name, business address and telephone number of the independent third party escrow agent, and the fact that the viator or owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

c. If the viatical settlement provider transfers ownership or changes the beneficiary of the policy, the viatical settlement provider shall communicate the change in ownership or beneficiary to the insured within 20 days after the change.

C.17B:30B-9 Material required prior to entering into viatical settlement contract.

9. a. (1) A viatical settlement provider entering into a viatical settlement contract shall first obtain:

(a) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract; and

(b) A document in which the insured consents to the release of his medical records to a viatical settlement provider, life insurance producer and, if the policy was issued less than two years from the date of application for a viatical settlement contract, to the insurance company that issued the policy covering the life of the insured.

(2) The insurer shall respond to a request for verification of coverage submitted by a viatical settlement provider not later than 30 calendar days after the date the request is received. The request for verification of coverage shall be made on a form approved by the commissioner. The insurer shall complete and issue the verification of coverage or indicate in which respects it is unable to respond. In its response, the insurer shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at that time regarding the validity of the insurance contract.
(3) Prior to or at the time of execution of the viatical settlement contract, the viatical settlement provider shall obtain a witnessed document in which the viator consents to the viatical settlement contract, represents that the viator has a full and complete understanding of the viatical settlement contract, that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator is entering into the viatical settlement contract freely and voluntarily and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness and that the terminal or chronic illness was diagnosed after the life insurance policy was issued.

(4) If a life insurance producer performs any of the activities required of the viatical settlement provider, the viatical settlement provider is deemed to have fulfilled the requirements of this section.

b. All medical information solicited or obtained by any licensee shall be subject to the applicable provisions of State law relating to confidentiality of medical information.

c. All viatical settlement contracts entered into in this State shall provide the viator with an unconditional right to rescind the contract before the earlier of 30 calendar days after the date upon which the settlement contract is executed by all parties or 15 calendar days after the receipt of the viatical settlement proceeds by the viator. If exercised by the viator, rescission is effective only if both notice of the rescission is given and a full repayment of all proceeds and any premiums, loans and loan interest to the settlement provider is made within the rescission period. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment to the viatical settlement provider or purchaser of all viatical settlement proceeds, and any premiums, loans and loan interest that have been paid by the settlement provider.

d. The viatical settlement provider shall instruct the viator to send the executed documents required to effect the change in ownership, assignment or change in beneficiary directly to the independent escrow agent. Within three business days after the date the escrow agent receives the documents (or from the date the viatical settlement provider receives the documents, if the viator erroneously provides the documents directly to the provider), the provider shall pay or transfer the proceeds of the viatical settlement into an escrow or trust account maintained in a State or federally-chartered financial institution whose deposits are insured by the Federal Deposit Insurance Corporation (FDIC). Upon payment of the settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership, assignment or change in beneficiary forms to the viatical settlement provider or related provider trust. Upon the escrow agent's receipt of the acknowledgment of the properly completed transfer of ownership or
designation of beneficiary from the insurance company, the escrow agent shall pay the viatical settlement proceeds to the viator.

e. Failure to tender consideration to the viator for the viatical settlement contract within the time disclosed pursuant to paragraph (6) of subsection a. of section 8 of this act renders the viatical settlement contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator.

f. Contacts with the insured for the purpose of determining the health status of the insured by the viatical settlement provider after the viatical settlement has occurred shall only be made by the settlement provider licensed in this State or its authorized representatives and shall be limited to once every three months for insureds with a life expectancy of more than one year, and to no more than once per month for insureds with a life expectancy of one year or less. The provider shall explain to the insured the procedure for these contacts at the time the viatical settlement contract is entered into. The limitations set forth in this subsection shall not apply to any contacts with an insured for reasons other than determining the insured's health status. Viatical settlement providers shall be responsible for the actions of their authorized representatives.

g. If the insured is not terminally or chronically ill, viatical settlement providers shall pay an amount greater than the cash surrender value or accelerated death benefit then available.

C.17B:30B-10 Two-year period required between issuance of policy and viatical settlement; exceptions.

10. a. It is a violation of this act for any person to enter into a viatical settlement contract within a two-year period commencing with the date of issuance of the insurance policy unless the viator certifies to the viatical settlement provider that one or more of the following conditions have been met within the two-year period:

(1) The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual life insurance policy, so long as the total amount of time covered under the conversion policy plus the time covered under the prior policy is at least 24 months. The time covered under a group policy shall be calculated without regard to any change in insurance carriers, provided the coverage has been continuous and under the same group sponsorship;

(2) The viator submits independent evidence to the viatical settlement provider that within the two-year period: (a) the viator or insured was terminally ill or chronically ill; or (b) the viator or insured disposed of his ownership interests in a closely held corporation pursuant to a buyout or
other similar agreement in effect at the time the insurance policy was initially issued; or (c) both.

b. Copies of the independent evidence described in paragraph (2) of subsection a. of this section and documents required by subsection a. of section 9 of this act shall be submitted to the insurer when the viatical settlement provider submits a request to the insurer for verification of coverage. The copies shall be accompanied by a letter of attestation from the viatical settlement provider that the copies are true and correct copies of the documents received by the viatical settlement provider.

c. If the viatical settlement provider submits to the insurer a copy of the owner or insured's certification described in subsection a. of this section when the provider submits a request to the insurer to effect the transfer of the policy to the viatical settlement provider, the copy shall be deemed to conclusively establish that the viatical settlement contract satisfies the requirements of this section and the insurer shall timely respond to the request.

C.17B:30B-11 Advertisement of viatical settlement contracts; guidelines, standards.

11. The purpose of this section is to provide prospective viators with clear and unambiguous statements in the advertisement of viatical settlement contracts and to assure the clear, truthful and adequate disclosure of the benefits, risks, limitations and exclusions of any viatical settlement contract. This purpose is intended to be accomplished by the establishment of guidelines and standards of permissible and impermissible conduct in the advertising of viatical settlement contracts to assure that product descriptions are presented in a manner that prevents unfair, deceptive or misleading advertising and is conducive to accurate presentation and description of viatical settlements through the advertising media and material used by licensees under this act.

a. This section shall apply to any advertising of viatical settlement contracts or related products or services intended for dissemination in this State, including Internet advertising viewed by persons located in this State. Where disclosure requirements are established pursuant to federal regulation, this section shall be interpreted so as to minimize or eliminate conflict with federal regulation wherever possible.

b. Every viatical settlement provider licensee shall establish and at all times maintain a system of control over the content, form and method of dissemination of all advertisements of its contracts, products and services. All advertisements, regardless of by whom written, created, designed or presented, shall be the responsibility of the viatical settlement provider licensee, as well as the individual who created or presented the advertisement. A system of control shall include regular, routine notification, at least
once a year, to life insurance producers and others authorized by the viatical settlement provider who disseminates advertisements, of the requirements and procedures for approval prior to the use of any advertisements not furnished by the viatical settlement provider.

c. Advertisements shall be truthful and not misleading in fact or by implication. The form and content of an advertisement of a viatical settlement contract, product or service shall be sufficiently complete and clear so as to avoid deception. It shall not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive shall be determined by the commissioner from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

d. Certain advertisements are deemed false and misleading on their face and are prohibited. False and misleading advertisements include, but are not limited to, the following representations:

(1) "Guaranteed," "fully secured," "100 percent secured," "fully insured," "secure," "safe," "backed by rated insurance companies," "backed by federal law," "backed by state law," or "state guaranty funds," or similar representations;

(2) "No risk," "minimal risk," "low risk," "no speculation," "no fluctuation," or similar representations;

(3) "Qualified or approved for individual retirement accounts (IRAs), Roth IRAs, 401(k) plans, simplified employee pensions (SEP), 403(b), Keogh plans, TSA, other retirement account rollovers," "tax deferred," or similar representations;

(4) "Utilization of the word "guaranteed" to describe the fixed return, annual return, principal, earnings, profits, investment, or similar representations;

(5) "No sales charges or fees" or similar representations; and

(6) "High yield," "superior return," "excellent return," "high return," "quick profit," or similar representations;

(7) Purported favorable representations or testimonials about the benefits of viatical settlement contracts taken out of context from newspapers, trade papers, journals, radio and television programs, and all other forms of print and electronic media.

e. The information required to be disclosed under this section shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

(1) An advertisement shall not omit material information or use words, phrases, statements, references or illustrations if the omission or use has the
capacity, tendency or effect of misleading or deceiving viators as to the nature or extent of any benefit, loss covered, premium payable, or state or federal tax consequence. The fact that the viatical settlement contract offered is made available for inspection prior to consummation of the sale, or an offer is made to refund the payment if the viator is not satisfied or that the viatical settlement contract includes a "free look" period that satisfies or exceeds legal requirements, does not remedy misleading statements.

(2) An advertisement shall not use the name or title of a life insurance company or a life insurance policy unless the advertisement has been approved by the insurer.

(3) An advertisement shall not represent that premium payments will not be required to be paid on the life insurance policy that is the subject of a viatical settlement contract in order to maintain that policy, unless that is the fact.

(4) An advertisement shall not state or imply that interest charged on an accelerated death benefit or a policy loan is unfair, inequitable or in any manner an incorrect or improper practice.

(5) The words "free," "no cost," "without cost," "no additional cost," "at no extra cost," or words of similar import shall not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.

(6) Testimonials, appraisals or analysis used in advertisements must be genuine; represent the current opinion of the author; be applicable to the viatical settlement contract, product or service advertised, if any, and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective viators as to the nature or scope of the testimonials, appraisal, analysis or endorsement. In using testimonials, appraisals or analysis, the viatical settlement provider licensee makes as its own all the statements contained therein, and the statements are subject to all the provisions of this section.

(a) If the individual making a testimonial, appraisal, analysis or an endorsement has a financial interest in the viatical settlement provider or related entity as a stockholder, director, officer, employee or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

(b) An advertisement shall not state or imply that a viatical settlement contract, benefit or service has been approved or endorsed by a group of individuals, society, association or other organization unless that is the fact and unless any relationship between an organization and the licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled or managed by the licensee, or receives any payment or other
consideration from the licensee for making an endorsement or testimonial, that fact shall be disclosed in the advertisement.

c. When an endorsement refers to benefits received under a viatical settlement contract all pertinent information shall be retained for a period of five years after its use.

d. An advertisement shall not contain statistical information unless it accurately reflects recent and relevant facts. The source of all statistics used in an advertisement shall be identified.

e. An advertisement shall not disparage insurers, viatical settlement providers, life insurance producers, policies, services or methods of marketing.

f. The name of the licensee shall be clearly identified in all advertisements about the licensee or its viatical settlement contract, products or services, and if any specific viatical settlement contract is advertised, the viatical settlement contract shall be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name of the viatical settlement provider shall be shown on the application.

g. An advertisement shall not use a trade name, group designation, name of the parent company of a licensee, name of a particular division of the licensee, service mark, slogan, symbol or other device or reference without disclosing the name of the licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the licensee, or to create the impression that a company other than the licensee would have any responsibility for the financial obligation under a viatical settlement contract.

h. An advertisement shall not use any combination of words, symbols or physical materials that by their content, phraseology, shape, color or other characteristics are so similar to a combination of words, symbols or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective viators into believing that the solicitation is in some manner connected with a government program or agency.

i. An advertisement may state that a licensee is licensed in the state where the advertisement appears so long as it does not exaggerate that fact or suggest or imply that competing licensees may not be so licensed. The advertisement may ask the audience to consult the licensee’s website or contact the department to find out if the state requires licensing and, if so, whether the viatical settlement provider, or life insurance producer is licensed.

j. An advertisement shall not create the impression that the viatical settlement provider, its financial condition or status, the payment of its
claims or the merits, desirability, or advisability of its viatical settlement contracts forms are recommended or endorsed by any government entity.

m. The name of the actual licensee shall be stated in all of its advertisements. An advertisement shall not use a trade name, any group designation, name of any affiliate or controlling entity of the licensee, service mark, slogan, symbol or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the licensee.

n. An advertisement shall not directly or indirectly create the impression that any division or agency of the State or of the federal government endorses, approves or favors:

(1) Any viatical settlement provider licensee or its business practices or methods of operation;
(2) The merits, desirability or advisability of any viatical settlement contract;
(3) Any viatical settlement contract; or
(4) Any life insurance policy or life insurance company.

o. If the advertiser emphasizes the speed with which the viatication will occur, the advertising shall disclose the average time from the date of the completed application to the date of offer and from acceptance of the offer to receipt of the funds by the viator.

p. If the advertising emphasizes the dollar amounts available to viators, the advertising shall disclose the average purchase price as a percent of face value obtained by viators contracting with the licensee during the past six months.

C.17B:30B-12 Fraudulent viatical settlement acts, prohibited, reporting, investigation, prosecution.

12. a. A person shall not commit a fraudulent viatical settlement act as defined in section 2 of this act.

b. A person shall not knowingly or intentionally interfere with the enforcement of the provisions of this act or investigations of suspected or actual violations of this act.

c. A person in the business of viatical settlements shall not knowingly or intentionally permit any person convicted of a felony involving dishonesty or breach of trust to participate in the business of viatical settlements.

d. (1) Viatical settlement contracts and applications for viatical settlement contracts, regardless of the form of transmission, shall contain the following statement or a substantially similar statement: "Any person who knowingly presents false information in an application for insurance
or viatical settlement contract is guilty of a crime and may be subject to fines and confinement in prison."

(2) The lack of a statement as required in paragraph (1) of this subsection does not constitute a defense in any prosecution for a fraudulent viatical settlement act.

e. (1) Any person engaged in the business of viatical settlements having knowledge or a reasonable belief that a fraudulent viatical settlement act is being, will be or has been committed shall provide to the commissioner the information required by, and in a manner prescribed by, the commissioner.

(2) Any other person having knowledge or a reasonable belief that a fraudulent viatical settlement act is being, will be or has been committed may provide to the commissioner the information required by, and in a manner prescribed by, the commissioner.

f. (1) No civil liability shall be imposed on and no cause of action shall arise from the furnishing of information concerning suspected, anticipated or completed fraudulent viatical settlement acts or suspected or completed fraudulent insurance acts, if the information is provided to or received from:

(a) The commissioner or the commissioner's employees, agents or representatives;

(b) Federal, state or local law enforcement or regulatory officials or their employees, agents or representatives;

(c) A person involved in the prevention and detection of fraudulent viatical settlement acts or that person's agents, employees or representatives;

(e) The life insurer, including its agents and employees, that issued the life insurance policy covering the life of the insured.

(2) Paragraph (1) of this subsection shall not apply to statements made with actual malice. In an action brought against a person for filing a report or furnishing other information concerning a fraudulent viatical settlement act or a fraudulent insurance act, the party bringing the action shall plead specifically any allegation that paragraph (1) does not apply because the person filing the report or furnishing the information did so with actual malice.

(3) A person identified in paragraph (1) of this subsection shall be entitled to an award of attorney's fees and costs if he is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this act and the party bringing the action was not substantially justified in doing so. For purposes
of this section a proceeding is "substantially justified" if it had a reasonable basis in law or fact at the time that it was initiated.

(4) This section does not abrogate or modify common law or statutory privileges or immunities enjoyed by a person described in paragraph (1) of this subsection.

g. (1) The documents and evidence provided pursuant to subsection e. of this section or obtained by the commissioner in an investigation of suspected or actual fraudulent viatical settlement acts shall be privileged and confidential and shall not be a public record and shall not be subject to discovery or subpoena in a civil or criminal action.

(2) The provisions of paragraph (1) of this subsection shall not prohibit release by the commissioner of documents and evidence obtained in an investigation of suspected or actual fraudulent viatical settlement acts:

(a) In administrative or judicial proceedings to enforce laws administered by the commissioner;

(b) To federal, state or local law enforcement or regulatory agencies, to an organization established for the purpose of detecting and preventing fraudulent viatical settlement acts or to the National Association of Insurance Commissioners (NAIC); or

(c) At the discretion of the commissioner, to a person in the business of viatical settlements or the business of life insurance that is aggrieved by a fraudulent viatical settlement act.

(3) Release of documents and evidence under paragraph (2) of this subsection shall not abrogate or modify the privilege granted in paragraph (1) of this subsection.

h. This act shall not:

(1) Preempt the authority or relieve the duty of other law enforcement or regulatory agencies to investigate, examine and prosecute suspected violations of law;

(2) Prevent or prohibit a person from disclosing voluntarily information concerning a fraudulent viatical settlement act to a law enforcement or regulatory agency other than the department; or

(3) Limit the powers granted elsewhere by the laws of this State to the commissioner or the Insurance Fraud Prosecutor to investigate and examine possible violations of law and to take appropriate action against wrongdoers.

i. Viatical settlement providers shall have in place antifraud initiatives reasonably calculated to detect, prosecute and prevent fraudulent viatical settlement acts. At the discretion of the commissioner, the commissioner may order, or a licensee may request and the commissioner may grant, modifications of the following required initiatives as necessary to ensure an effective antifraud program. The modifications may be more or less restrictive than the required initiatives so long as the modifications may
reasonably be expected to accomplish the purpose of this section. Antifraud initiatives shall include:

1. Fraud investigators, who may be viatical settlement provider employees or independent contractors; and

2. An antifraud plan, which shall be submitted to the commissioner. The antifraud plan shall include, but not be limited to:

   a. A description of the procedures for detecting and investigating possible fraudulent viatical settlement acts and procedures for resolving material inconsistencies between medical records and insurance applications;

   d. A description or chart outlining the organizational arrangement of the antifraud personnel who are responsible for the investigation and reporting of possible fraudulent viatical settlement acts and investigating unresolved material inconsistencies between medical records and insurance applications.

3. Antifraud plans submitted to the commissioner shall be privileged and confidential and shall not be a public record and shall not be subject to discovery or subpoena in a civil or criminal action.

4. The commissioner may refer suspected fraudulent viatical settlement acts to the Department of Law and Public Safety, Office of Insurance Fraud Prosecutor, for investigation, prosecution or other action or disposition involving such suspected fraudulent viatical settlement acts.

C.17B:30B-13 Injunction in addition to penalties, enforcement provisions.

13. a. In addition to the penalties and other enforcement provisions of this act, if any person violates this act or any regulation implementing this act, the commissioner may seek an injunction in a court of competent jurisdiction and may apply for temporary and permanent orders that the commissioner determines are necessary to restrain the person from committing the violation.

   b. Any person damaged by the acts of a person in violation of this act may bring a civil action against the person committing the violation in a court of competent jurisdiction.

   c. The commissioner may issue, in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), a cease and desist order upon a person that violates any provision of this act, any regulation or order adopted by the commissioner, or any written agreement entered into with the commissioner.
d. When the commissioner finds that an activity in violation of this act presents an immediate danger to the public that requires an immediate final order, the commissioner may issue an emergency cease and desist order reciting with particularity the facts underlying the findings. The emergency cease and desist order is effective immediately upon service of a copy of the order on the respondent and remains effective for 90 days. If the commissioner begins non-emergency cease and desist proceedings, the emergency cease and desist order remains effective, absent an order by a court of competent jurisdiction pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

e. In addition to the penalties and other enforcement provisions of this act, any person who violates this act shall be subject to civil penalties of up to $10,000 per violation which may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.). The commissioner's order may require a person found to be in violation of this act to make restitution to persons aggrieved by violations of this act.

f. A person convicted of a violation of this act shall be ordered to pay restitution to persons aggrieved by the violation of this act. Restitution shall be ordered in addition to a fine or imprisonment, but not in lieu of a fine or imprisonment.

g. A person convicted of a violation of this act may be sentenced in accordance with paragraph (1), (2), (3) or (4) of this subsection based on the greater of: the value of property, services, or other benefit wrongfully obtained or attempted to be obtained; or the aggregate economic loss suffered by any person as a result of the violation. A person convicted of a fraudulent viatical settlement act shall be ordered to pay restitution to persons aggrieved by the fraudulent viatical settlement act. Restitution shall be ordered in addition to a fine or imprisonment but not in lieu of a fine or imprisonment.

(1) Imprisonment for not more than 20 years or payment of a fine of not more than $100,000, or both, if the value of the viatical settlement contract is more than $35,000;

(2) Imprisonment for not more than 10 years or payment of a fine of not more than $20,000, or both, if the value of the viatical settlement contract is more than $2,500 but not more than $35,000;

(3) Imprisonment for not more than five years or payment of a fine of not more than $10,000, or both, if the value of the viatical settlement contract is more than $500 but not more than $2,500; or

(4) Imprisonment for not more than one year or payment of a fine of not more than $3,000, or both, if the value of the viatical settlement contract is $500 or less.
h. In any prosecution under paragraphs (1), (2), (3) and (4) of subsection g. of this section the value of the viatical settlement contracts within any six-month period may be aggregated and the defendant charged accordingly in applying the provisions of this section; provided that, when two or more offenses are committed by the same person in two or more counties, the accused may be prosecuted in any county in which one of the offenses was committed for all of the offenses aggregated under this section. The applicable statute of limitations provision shall not begin to run until the insurance company or law enforcement agency is aware of the fraud, but in no event may the prosecution be commenced later than seven years after the act has occurred.

C.178:30B-14 Violation considered unfair trade practice; penalties.

14. A violation of this act shall be considered an unfair trade practice pursuant to N.J.S.17B:30-1 et seq. and shall be subject to the penalties contained in N.J.S.17B:30-17.

C.178:30B-15 Regulations, authority of commissioner.

15. The commissioner shall have the authority to promulgate regulations implementing the provisions of this act pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) including, but not limited to, the following:
   a. Establishing standards for evaluating reasonableness of payments under viatical settlement contracts for persons terminally or chronically ill;

   d. Governing the relationship and responsibilities of insurers, viatical settlement providers, life insurance producers and others in the business of viatical settlements during the period of consideration or effectuation of a viatical settlement contract.

C.178:30B-16 Construction of act with Uniform Securities Law.

16. Nothing in this act shall be construed to preempt or otherwise limit the provisions of the "Uniform Securities Law (1967)," P.L.1967, c.93 (C.49:3-47 et seq.) or any regulations, orders, policy statements, notices, bulletins, or other interpretations issued by or through the Attorney General or his designee acting pursuant thereto. Compliance with the provisions of this act does not constitute compliance with any applicable provisions of the "Uniform Securities Law (1967)."
C.17B:30B-17 Continuation of negotiating viatical settlements, certain circumstances prior to act.

17. a. Notwithstanding the provisions of sections 1 through 16 of this act, a person who has lawfully negotiated viatical settlement contracts between a viator and one or more viatical settlement providers for at least one year immediately prior to the effective date of this act may continue to negotiate viatical settlements in this State for a period of one year from the effective date of this act, provided that person registers with the department on a form prescribed by the department. The registration form shall be published by the department not later than 30 days from the effective date of this act and shall require a person registering to evidence that he has lawfully negotiated viatical settlement contracts and include an acknowledgment by that person that he will operate in accordance with and comply with this act.

b. A viatical settlement provider that is either licensed or is lawfully transacting business in this State immediately prior to the effective date of this act may continue to do so pending approval or disapproval of the viatical settlement provider's application for a license pursuant to this act.

18. Section 2 of P.L.1967, c.93 (C.49:3-49) is amended to read as follows:

C.49:3-49 Definitions relative to Uniform Securities Law.

2. When used in this act, unless the context requires otherwise:
   (a) "Bureau" means the agency designated in subsection (a) of section 19 of P.L.1967, c.93 (C.49:3-66);
   (b) "Agent" means any individual other than a broker-dealer, who represents a broker-dealer or issuer in effecting or attempting to effect purchases or sales of securities. "Agent" does not include an individual who represents an issuer in (1) effecting transactions in a security exempted by paragraph (1), (2), (3), or (11) of subsection (a) of section 3 of P.L.1967, c.93 (C.49:3-50); (2) effecting transactions exempted by subsection (b) of section 3 of P.L.1967, c.93 (C.49:3-50); (3) effecting transactions with existing employees, partners, or directors of the issuer, if no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this State; or (4) a broker-dealer in effecting transactions in this State limited to those transactions described in paragraph (2) of subsection (h) of section 15 of the "Securities Exchange Act of 1934," 15 U.S.C. s.78o(h)(2); or (5) such other persons not otherwise within the intent of this subsection (b), as the bureau chief may by rule or order designate. A partner, officer, or director of a broker-dealer or issuer, or a person occupying a similar status or performing similar functions, is an agent only
if he otherwise comes within this definition. The bureau chief may by rule or order, as to any transaction, waive the requirement of agent registration. The bureau chief may by rule define classes of persons as "agents," if those persons are regulated as "agents" by the Securities and Exchange Commission or any self-regulatory organization established pursuant to the laws of the United States;

(c) "Broker-dealer" means any person engaged in the business of effecting or attempting to effect transactions in securities for the accounts of others or for his own account. (d) "Capital" shall mean net capital, as defined and adjusted under the formula established by the Securities and Exchange Commission in Rule 15c3-1, 17 C.F.R. s.240.15c3-1, made pursuant to the "Securities Exchange Act of 1934," prescribing a minimum permissible ratio of aggregate indebtedness to net capital as such formula presently exists or as it may hereafter be amended;

(e) "Fraud," "deceit," and "defraud" are not limited to common-law fraud or deceit. "Fraud," "deceit" and "defraud" in addition to the usual construction placed on these terms and accepted in courts of law and equity, shall include the following, provided, however, that any promise, representation, misrepresentation or omission be made with knowledge and with intent to deceive or with reckless disregard for the truth and results in a detriment to the purchaser or client of an investment adviser:

(2) Any promise or representation as to the future which is beyond reasonable expectation or is unwarranted by existing circumstances;

(3) The gaining of, or attempt to gain, directly or indirectly, through a trade in any security, a commission, fee or gross profit so large and exorbitant as to be unconscionable, unreasonable or in violation of any law, regulation, rule, order or decision of the Securities and Exchange Commis-
sion, or the bureau chief; or to the extent that such law, regulation, rule or order directly applies to the person involved, the gaining of, or attempt to gain, directly or indirectly, through a trade in any security, a commission, fee or gross profit so large and exorbitant as to be in violation of any law, regulation, rule, order or decision of any other state or Canadian securities administrator, or any self-regulatory organization established pursuant to the laws of the United States;

(4) Generally any course of conduct or business which is calculated or put forward with intent to deceive the public or the purchaser of any security or investment advisory services as to the nature of any transaction or the value of such security;

(5) Any artifice, agreement, device or scheme to obtain money, profit or property by any of the means herein set forth or otherwise prohibited by this act;

(f) "Guaranteed" means guaranteed as to payment of principal, interest or dividends;

(g) (1) "Investment adviser" means:

   (i) any person who, for direct or indirect compensation, engages in the business of advising others, either directly or through publications or writings, as to the value of securities or as to the advisability of investing in, purchasing, selling or holding securities, or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities; and

CHAPTER 232

AN ACT authorizing the establishment of a New Jersey Hall of Fame, amending P.L.1985, c.325 and supplementing chapter 10 of Title 5 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.5:10-6.4 Short title.

1. This act shall be known and may be cited as the "New Jersey Hall of Fame Act."

C.5:10-6.5 Findings, determinations relative to establishment of New Jersey Hall of Fame.

2. The Legislature finds and determines that:
   a. New Jersey has given rise to many nationally and internationally known leaders in many diverse areas including the visual and performing arts, music, literature, science, education, sports, entertainment, business, religion, government, military and philanthropy;
   b. While the New Jersey Sports Hall of Fame has taken the lead during the past twenty years in honoring many New Jersey athletes who have distinguished themselves in the world of sports, it is entirely fitting and proper to establish a broader-based hall of fame project that would allow the State to promote the accomplishments of such individuals who have excelled in many different fields of endeavor in addition to sports;
   c. Other states including South Carolina and South Dakota have successfully established and operated their own hall of fame projects for over 30 years and have utilized such projects to not only improve their state's image but to also raise millions of dollars for their respective halls of fame;
   d. It is therefore in the public interest for this State to publicly recognize the unique achievements of outstanding New Jerseyans from many diverse fields through the creation of a New Jersey Hall of Fame in order to honor outstanding persons from New Jersey for their contributions in many different fields of endeavor, and to utilize revenues obtained from the New Jersey Hall of Fame events and ceremonies to support the funding of the New Jersey Hall of Fame and to contribute to charitable organizations that directly benefit children in need in New Jersey and throughout the world.

3. Section 1 of P.L.1985, c.325 (C.5:10-6.1) is amended to read as follows:
C.5:10-6.1 New Jersey Hall of Fame.

Vacancies in the membership of the commission and in the offices of chairperson and vice-chairperson shall be filled in the manner provided for the original appointments pursuant to P.L.2005, c.232 (C.5:10-6.4 et al.).

e. The members to be appointed to the commission shall represent a diversity of areas consistent with the goals of the New Jersey Hall of Fame including, but not limited to, persons who are representative of the areas of the visual and performing arts, music, literature, science, education, sports, entertainment, business, religion, government, military and philanthropy, persons who are familiar with these areas as they relate directly to the State of New Jersey and everyday New Jersey residents who have contributed to making this State a great place to live and work.

CHAPTER 233
AN ACT concerning advance directives for mental health care and supple­menting Titles 26 and 30 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.26:2H-102 Short title.
1. This act shall be known and may be cited as the "New Jersey Advance Directives for Mental Health Care Act."

C.26:2H-103 Findings, declarations relative to advance directives for mental health care.
2. The Legislature finds and declares that:
a. This State recognizes, in its law and public policy, a patient's right to make voluntary, informed choices to accept, reject, or choose among alternative courses of medical and surgical treatment, and specifically for a competent adult to plan ahead for health care decisions through the execution of an advance directive for health care, otherwise known as a living will or durable power of attorney for health care, and to have the wishes expressed therein respected, subject to certain limitations;
b. Advance directives for health care provide a vehicle for competent adults to operationalize their fundamental legal right to accept or refuse medical treatment in the event that they are rendered unable to make decisions and communicate with a health care provider about their treatment options because of serious illness, injury or permanent loss of mental capacity;
c. The issues affecting persons with mental illness and their psychiatric needs warrant enactment of a separate statute governing advance directives for these individuals, who: find their civil rights and due process protections frequently compromised; often lack the resources, societal supports and self-esteem needed to make advance directives for health care work for them; and are disadvantaged by the fact that many physicians and attorneys are unaware of the specific issues that typically enter into the decisions that a person with mental illness may make for himself when in crisis;
d. The provision by statute of advanced directives for mental health care will assure respect for the rights of patients with mental illness with
respect to the provision of mental health services and their decision-making in regard thereto; and

e. In order to permit a person with mental illness to execute an advance directive that specifies preferences for mental health services in the event that the declarant is subsequently determined to lack decision-making capacity, the Legislature hereby enacts the "New Jersey Advance Directives for Mental Health Care Act."

C.26:2H-105 Execution, reaffirmation, modification, revocation, suspension of advance directive for mental health care.

4. a. A declarant may execute, reaffirm, modify, revoke or suspend an advance directive for mental health care at any time, except as provided in subsection f. of section 5 of this act.

(1) The advance directive shall be signed and dated by, or at the direction of, the declarant in the presence of at least one subscribing adult witness, who shall attest that the declarant is of sound mind and free of duress and undue influence.

(2) The advance directive may be supplemented by a video or audio tape recording.

b. The following persons shall not act as a witness to the execution of an advance directive for mental health care:

(1) a designated mental health care representative; and
(2) the responsible mental health care professional responsible for, or directly involved with, the patient's care at the time that the advance directive is executed.

c. A person shall not act as a sole witness to the execution of an advance directive for mental health care if that person is:
related to the declarant by blood, marriage or adoption, or is the declarant's domestic partner or otherwise shares the same home with the declarant;
(2) entitled to any part of the declarant's estate by will or by operation of law at the time that the advance directive is executed; or
(3) an operator, administrator or employee of a rooming or boarding house or a residential health care facility in which the declarant resides.

C.26:2H-106 Validity of advance directive for mental health care, reaffirmation, modification, revocation.

5. a. (1) An advance directive for mental health care shall be deemed to be valid for an indefinite period of time if it does not include an expiration date, subject to a declarant's right to modify, revoke or suspend the advance directive in accordance with the provisions of this section.
(2) If an advance directive includes an expiration date that occurs during a period of time in which the declarant has been determined by the responsible mental health care professional to lack the capacity to make a particular mental health care decision, the advance directive shall remain in effect until the declarant is determined by the responsible mental health care professional to have regained the capacity to make a particular mental health care decision.

b. A declarant may state in an advance directive for mental health care, including a proxy directive or an instruction directive, or both, whether the declarant wishes to be able to modify, revoke or suspend the advance directive after it has become operative pursuant to section 7 of this act; however, the failure to include such a statement in the advance directive shall not be construed to prevent the declarant from modifying, revoking or suspending the advance directive under the circumstances described in this subsection.

c. A declarant may reaffirm or modify an advance directive for mental health care, including a proxy directive or an instruction directive, or both, subject to the provisions of subsection b. of this section. The reaffirmation or modification shall be made in accordance with the requirements for execution of an advance directive for mental health care pursuant to section 4 of this act.

d. A declarant may revoke an advance directive for mental health care, including a proxy directive or an instruction directive, or both, subject to the provisions of subsection b. of this section, by the following means:
(1) notification, orally or in writing, to the mental health care representative or mental health care professional, or other reliable witness, or by any other act evidencing an intent to revoke the document; or
(2) execution of a subsequent proxy directive or instruction directive, or both, in accordance with section 4 of this act.

e. Designation of the declarant's spouse as mental health care representative shall be revoked upon divorce or legal separation, and designation of the declarant's domestic partner as mental health care representative shall be revoked upon termination of the declarant's domestic partnership, unless otherwise specified in the advance directive.

f. An inpatient in a psychiatric facility may modify, revoke or suspend an advance directive for mental health care, including a proxy directive or an instruction directive, or both, by any of the means stated in paragraph (1) of subsection d. of this section, unless a responsible mental health professional determines, in accordance with the provisions of section 8 of this act, that the patient lacks decision-making capacity to make the decision to modify, revoke or suspend the advance directive. A patient who has modified, revoked or suspended an advance directive may reinstate that advance directive by oral or written notification to the mental health care representative or mental health care professional of an intent to reinstate the advance directive.

g. Reaffirmation, modification or revocation of an advance directive for mental health care is effective upon communication to any person capable of transmitting the information, including the mental health care representative or mental health care professional responsible for the patient's care.

C.26:2H-107 Execution of proxy directive.

6. a. A declarant may execute a proxy directive, pursuant to the requirements of section 4 of this act, designating a competent adult to act as the declarant's mental health care representative.

   (1) A competent adult, including, but not limited to, a declarant's spouse, domestic partner, adult child, parent or other family member, friend, religious or spiritual advisor, or other person of the declarant's choosing, may be designated as a mental health care representative.

   (2) An operator, administrator or employee of a psychiatric facility in which the declarant is a patient or resident shall not serve as the declarant's mental health care representative unless the operator, administrator or employee is related to the declarant by blood, marriage, domestic partnership or adoption.

   This restriction shall not apply to a mental health care professional if that individual does not serve as the patient's responsible mental health care professional or other provider of mental health care services to the patient and the patient's mental health care representative at the same time.

   (3) A declarant may designate one or more alternate mental health care representatives, listed in order of priority. In the event that the primary
designee is unavailable, unable or unwilling to serve as mental health care representative, or is disqualified from such service pursuant to this section or any other law, the next designated alternate shall serve as mental health care representative. In the event that the primary designee subsequently becomes available and able to serve as mental health care representative, the primary designee may, insofar as then practicable, serve as mental health care representative.

(4) A declarant may direct the mental health care representative to consult with specified individuals, including alternate designees, family members and friends, in the course of the decision-making process.

(5) A declarant shall state the limitations, if any, to be placed upon the authority of the mental health care representative.

(6) If a declarant explicitly authorizes the mental health care representative to consent to the declarant’s admission to a psychiatric facility, the declarant shall separately initial each paragraph in which that authorization is granted at the time that the proxy directive is signed and witnessed.

b. A declarant may execute an instruction directive, pursuant to the requirements of section 4 of this act, which specifies preferences for mental health services in the event that the declarant is subsequently determined to lack decision-making capacity.

(1) The instruction directive may include: a statement of the declarant’s general mental health care philosophy and objectives; the declarant’s specific wishes regarding the provision, withholding or withdrawal of any form of mental health care; or both.

(2) The declarant’s specific wishes regarding the provision, withholding or withdrawal of any form of mental health care may include:

(a) the identification of mental health care professionals and programs and psychiatric facilities that the declarant would prefer to provide mental health services;

(b) consent to admission to a psychiatric facility for up to a specified number of days;

(c) a refusal to accept specific types of mental health treatment, including medications;

(d) a statement of medications preferred by the declarant for mental health treatment;

(e) a statement of the preferred means of crisis intervention or other preferences for mental health treatment; and

(f) additional instructions or information concerning mental health care.

(3) An instruction directive may, but need not, be executed contemporaneously with, or be attached to, a proxy directive.

CHAPTER 233, LAWS OF 2005

C.26:2H-108 Operative date of advance directive for mental health care.

7. a. An advance directive for mental health care shall become operative:

(1) when it is transmitted to the responsible mental health care professional or the psychiatric facility; and it is determined pursuant to section 8 of this act that the patient lacks capacity to make a particular mental health care decision; or

(2) at an earlier date if stipulated by the declarant in the advance directive.

b. Treatment decisions pursuant to an advance directive for mental health care shall not be made and implemented until there has been a reasonable opportunity to establish, and where appropriate confirm, a reliable diagnosis and prognosis for the patient.

8. a. The responsible mental health care professional shall determine whether the patient lacks the capacity to make a particular mental health care decision. The determination shall: be stated in writing; include the responsible mental health care professional's opinion concerning the nature, cause, extent and probable duration of the patient's incapacity; and be made a part of the patient's medical records.

b. The responsible mental health care professional's determination of a lack of decision-making capacity shall be confirmed by one or more mental health care professionals. The opinion of the confirming mental health care professional shall be stated in writing and made a part of the patient's medical records in the same manner as that of the responsible mental health care professional.

c. A mental health care professional designated by the patient's advance directive as a mental health care representative shall not make the determination of a lack of decision-making capacity.

d. The responsible mental health care professional shall inform the patient, if the patient has any ability to comprehend that he has been determined to lack decision-making capacity, and the mental health care representative that:

(1) the patient has been determined to lack decision-making capacity to make a particular mental health care decision;

(2) each has the right to contest this determination; and

(3) each may have recourse to the dispute resolution process established by the psychiatric facility pursuant to section 14 of this act. Notice to the patient and the mental health care representative shall be documented in the patient's medical records.
e. A determination of lack of decision-making capacity under this act shall be solely for the purpose of implementing an advance directive for mental health care in accordance with the provisions of this act, and shall not be construed as a determination of a patient's incapacity or incompetence for any other purpose.

f. For the purposes of this section, a determination that a patient lacks decision-making capacity shall be based upon, but need not be limited to, an evaluation of the patient's ability to understand and appreciate the nature and consequences of a particular mental health care decision, including the benefits and risks of, and alternatives to, the proposed mental health care, and to reach an informed decision.

g. For the purposes of this section, "mental health care decision" includes a decision to modify, revoke or suspend an advance directive for mental health care as provided in subsection f. of section 5 of this act.

C.26:2H-110 Authority of mental health care representative.

9. a. If it has been determined that the patient lacks decision-making capacity, a mental health care representative shall have authority to make mental health care decisions on behalf of the patient.

(1) The mental health care representative shall act in good faith and within the bounds of the authority granted by the advance directive for mental health care and by this act.

(2) The mental health care representative may consent to the patient's admission to a psychiatric facility only as authorized pursuant to paragraph (6) of subsection a. of section 6 of this act.

b. If a different individual has been appointed as the patient's legal guardian, the mental health care representative shall retain legal authority to make mental health care decisions on the patient's behalf, unless the terms of the legal guardian's court appointment or other court decree provide otherwise.

c. The conferral of legal authority on the mental health care representative shall not be construed to impose liability upon that person for any portion of the patient's health care costs.

d. An individual designated as a mental health care representative or as an alternate mental health care representative may decline to serve in that capacity.

e. The mental health care representative shall exercise the patient's right to be informed of the patient's mental health condition, prognosis and treatment options, and to give informed consent to, or refusal of, health care.

f. In the exercise of these rights and responsibilities, the mental health care representative shall seek to make the mental health care decision that the patient would have made if the patient possessed decision-making capacity under the circumstances, or, when the patient's wishes cannot
adequately be determined, shall make a mental health care decision in the best interests of the patient.

g. Departure from the decisions of a mental health care representative shall be permitted only if the responsible mental health care professional determines that compliance with those decisions would:
   (1) violate the accepted standard of mental health care or treatment under the circumstances of the patient’s mental health condition;
   (2) require the use of a form of care or treatment that is not available to the mental health care professional responsible for the provision of mental health services to the patient;
   (3) violate a court order or provision of statutory law; or
   (4) endanger the life or health of the patient or another person.

C.26:2H-11 Additional responsibilities of responsible mental health care professional.

10. In addition to any rights and responsibilities recognized or imposed by or pursuant to this act, or by any other law, a mental health care professional shall have the following responsibilities:
   a. The responsible mental health care professional shall make an affirmative inquiry of the patient, the patient’s family or others, as appropriate under the circumstances, concerning the existence of an advance directive for mental health care. The responsible mental health care professional shall note in the patient’s medical records whether or not an advance directive exists, and the name of the patient’s mental health care representative, if any, and shall attach a copy of the advance directive to the patient’s medical records. The responsible mental health care professional shall document in the same manner the reaffirmation, modification, revocation or suspension of an advance directive, if he has knowledge of such action.
   b. In the event of a transfer of a patient’s care:
      (1) The responsible mental health care professional shall assure the timely transfer of the patient’s medical records, including a copy of the patient’s advance directive for mental health care; and
      (2) A mental health care professional other than the responsible mental health care professional, who is responsible for the patient’s care, shall cooperate in effecting an appropriate, respectful and timely transfer of care, and to assure that the patient is not abandoned or treated disrespectfully.

C.26:2H-112 Discussion of patient’s mental health condition.

11. a. (1) The responsible mental health care professional, the patient to the extent possible, the mental health care representative, and, when appropriate, any additional mental health care professional responsible for the patient’s care, shall discuss the nature and consequences of the patient’s mental health condition, and the risks, benefits and burdens of the proposed mental health care and its alternatives. Except as provided in paragraph (2)
of subsection b. of this section, the responsible mental health care professional shall obtain informed consent for, or refusal of, health care from the mental health care representative.

(2) The decision-making process shall allow, as appropriate under the circumstances, adequate time for the mental health care representative to understand and deliberate about all relevant information before a treatment decision is implemented.

b. (1) The mental health care representative and the responsible mental health care professional shall seek to promote the patient's capacity for effective participation.

(2) Once decision-making authority has been conferred upon a mental health care representative pursuant to an advance directive for mental health care, if the patient is subsequently found to possess adequate decision-making capacity with respect to a particular mental health care decision, the patient shall have legal authority to make that decision. In those circumstances, the mental health care representative may continue to participate in the decision-making process in an advisory capacity, unless the patient objects.

c. If a mental health care representative is authorized to consent to the patient's admission to a psychiatric facility pursuant to paragraph (6) of subsection a. of section 6 of this act and the responsible mental health care professional has obtained informed consent for admission from the mental health care representative, the responsible mental health professional may admit the patient based upon the responsible mental health professional's:

(1) thorough investigation of the patient's psychiatric and psychological history, diagnosis and need for care or treatment, and expressed wishes;

(2) written determination that the patient is in need of an inpatient evaluation or would benefit from the care or treatment of a mental, emotional or other personality disorder in an inpatient setting, and that the evaluation, care or treatment cannot be accomplished in a less restrictive setting; and

(3) documentation in the patient's medical records of the responsible mental health professional's findings and recommendations with regard to the patient's care or treatment.

d. In acting to implement a patient's wishes pursuant to an advance directive for mental health care, the mental health care representative shall give priority to the patient's instruction directive, and may also consider, as appropriate and necessary, the following forms of evidence of the patient's wishes:

(1) the patient's contemporaneous expressions, including nonverbal expressions;
(2) other reliable sources of information, including the mental health care representative's personal knowledge of the patient's values, preferences and goals; and

(3) reliable oral or written statements previously made by the patient, including, but not limited to, statements made to other persons.

e. If the instruction directive, in conjunction with other evidence of the patient's wishes, does not provide, in the exercise of reasonable judgment, clear direction as applied to the patient's mental health condition and the treatment alternatives, the mental health care representative shall exercise reasonable discretion, in good faith, to effectuate the provisions, intent, and spirit of the instruction directive and other evidence of the patient's wishes.

f. Subject to the provisions of this act, and unless otherwise stated in the advance directive, if the patient's wishes cannot be adequately determined, then the mental health care representative shall make a mental health care decision in the patient's best interests.

C.26:2H-113 Instruction directive legally operative, conditions.

12. a. If the patient has executed an instruction directive but has not designated a mental health care representative, or if neither the designated mental health care representative or any alternate designee is able or available to serve, the instruction directive shall be legally operative. If the instruction directive provides clear and unambiguous guidance under the circumstances, it shall be honored in accordance with its specific terms by a legally appointed guardian, if any, family member, mental health care professional and psychiatric facility involved with the patient's mental health care, and any other person acting on the patient's behalf, except as provided in subsection c. of this section.

b. If the instruction directive is, in the exercise of reasonable judgment, not specific to the patient's mental health condition and the treatment alternatives, the responsible mental health care professional, in consultation with a legally appointed guardian, if any, family member, or other person acting on the patient's behalf, shall exercise reasonable judgment to effectuate the wishes of the patient, giving full weight to the terms, intent and spirit of the instruction directive.

c. Departure from the specific provisions of the instruction directive shall be permitted only if the responsible mental health care professional determines that compliance with those terms or provisions would:

(1) violate the accepted standard of mental health care or treatment under the circumstances of the patient's mental health condition;

(2) require the use of a form of care or treatment that is not available to the mental health care professional responsible for the provision of mental health services to the patient;
(3) violate a court order or provision of statutory law; or
(4) endanger the life or health of the patient or another person.

C.26:2H-114 Additional rights, responsibilities of psychiatric facility.

13. In addition to any rights and responsibilities recognized or imposed by or pursuant to this act, or any other law, a psychiatric facility shall have the following responsibilities:

   a. A psychiatric facility shall adopt such policies and practices as are necessary to provide for routine inquiry, at the time of admission, and at such other times as are appropriate under the circumstances, concerning the existence and location of an advance directive for mental health care.

   b. A psychiatric facility shall adopt such policies and practices as are necessary to provide appropriate informational materials concerning advance directives for mental health care to all interested patients and their families and mental health care representatives, and to assist patients interested in discussing and executing an advance directive for mental health care.

   c. In situations in which a transfer of care is necessary, including a transfer for the purpose of effectuating a patient's wishes pursuant to an advance directive for mental health care, a psychiatric facility shall, in consultation with the responsible mental health care professional, take all reasonable steps to effect the appropriate, respectful and timely transfer of the patient to the care of an alternative mental health care professional or psychiatric facility, as necessary, and shall assure that the patient is not abandoned or treated disrespectfully. In those circumstances, a psychiatric facility shall assure the timely transfer of the patient's medical records, including a copy of the patient's advance directive for mental health care.

   d. A psychiatric facility shall establish procedures and practices for dispute resolution in accordance with section 14 of this act.

   e. A psychiatric facility shall adopt such policies and practices as are necessary to: inform mental health care professionals of their rights and responsibilities under this act; assure that those rights and responsibilities are understood; and provide a forum for discussion and consultation regarding the requirements of this act.

C.26:2H-115 Procedures, practices for resolving disagreements.

14. a. In the event of disagreement among the patient, mental health care representative and responsible mental health care professional concerning the patient's decision-making capacity or the appropriate interpretation and application of the provisions of an advance directive for mental health care to the patient's course of treatment, the parties may seek to resolve the disagreement by means of procedures and practices established by the psychiatric facility, including but not limited to, consultation
with an institutional ethics committee, or with a person designated by the psychiatric facility for this purpose, or may seek resolution by a court of competent jurisdiction.

b. A mental health care professional involved in the patient's care, other than the responsible mental health care professional, or an administrator of a psychiatric facility may also invoke the dispute resolution process established by the psychiatric facility to seek to resolve a disagreement concerning the patient's decision-making capacity or the appropriate interpretation and application of the provisions of an advance directive for mental health care.

C.26:2H-116 Construction of act; severability.

15. The provisions of this act shall not be construed to supersede any court order relating to, or the provisions of any other statute governing, commitment or admission to a psychiatric facility or the provision of mental health care, including, but not limited to, P.L.1987, c.116 (C.30:4-27.1 et seq.). Any conflict between a court order or the provisions of another statute and the provisions of an advance directive for mental health care, which renders those provisions of the advance directive invalid, shall not be deemed to invalidate any other provisions of the advance directive that do not conflict with the court order or statute.

C.26:2H-117 Rules, regulations relative to psychiatric facilities operated by DHSS.

16. In accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the Commissioner of Health and Senior Services, in consultation with the Commissioner of Human Services, shall adopt rules and regulations, with respect to psychiatric facilities licensed by the Department of Health and Senior Services, to:

a. provide for the annual reporting by those psychiatric facilities to the Department of Health and Senior Services, and the gathering of such additional data, as is reasonably necessary to oversee and evaluate the implementation of this act; except that the commissioner shall seek to minimize the burdens of record-keeping imposed by the rules and regulations and ensure the appropriate confidentiality of patient records; and

b. require those psychiatric facilities to adopt policies and practices designed to:

(1) make routine inquiry, at the time of admission and at such other times as are appropriate under the circumstances, concerning the existence and location of an advance directive for mental health care;

(2) provide appropriate informational materials concerning advance directives for mental health care, including information about the registry of advance directives for mental health care established or designated pursuant to section 17 of this act, to all interested patients and their families.
and mental health care representatives, and to assist patients interested in discussing and executing an advance directive for mental health care, as well as to encourage declarants to periodically review their advance directives for mental health care as needed;

(3) inform mental health care professionals of their rights and responsibilities under this act, to assure that the rights and responsibilities are understood, and to provide a forum for discussion and consultation regarding the requirements of this act; and

(4) otherwise comply with the provisions of this act.

C.30:4-177.59 Rules, regulations relative to psychiatric facilities operated by DHS.

17. In accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the Commissioner of Human Services, in consultation with the Commissioner of Health and Senior Services, shall:

a. adopt rules and regulations, with respect to psychiatric facilities operated by the Department of Human Services, to:

(1) provide for the annual reporting by those psychiatric facilities to the Department of Human Services, and the gathering of such additional data, and the sharing of such reported information and additional data by the Department of Human Services with the Department of Health and Senior Services, as is reasonably necessary to oversee and evaluate the implementation of P.L.2005, c.233 (C.26:2H-102 et al.); except that the commissioner shall seek to minimize the burdens of record-keeping imposed by the rules and regulations and ensure the appropriate confidentiality of patient records; and

b. A mental health care professional shall not be subject to criminal or civil liability, or to discipline by the psychiatric facility or the respective State licensing board for professional misconduct, for any actions performed to carry out the terms of an advance directive for mental health care in good faith and in accordance with: the provisions of this act; any rules and regulations adopted by the Commissioner of Health and Senior Services or the Commissioner of Human Services pursuant to this act; and accepted professional standards.

c. A psychiatric facility shall not be subject to criminal or civil liability for any actions performed in good faith and in accordance with the provisions of this act to carry out the terms of an advance directive for mental health care.

C.26:2H-120 Construction of act with advance directive for health care.

20. Nothing in this act shall be construed to impair the legal force and effect of an advance directive for health care executed pursuant to P.L.1991, c.201 (C.26:2H-53 et seq.) either prior to or after the enactment of this act.

C.26:2H-121 Absence of directive, no presumption created.

21. The absence of an advance directive for mental health care shall create no presumption with respect to a patient's wishes regarding the provision, withholding or withdrawing of any form of health care. The
provisions of this act shall not apply to persons who have not executed an advance directive for mental health care.

C.26:2H-122 Existing rights, obligations unaffected under health insurance programs.

C.26:2H-123 Validity of directive executed out-of-State.

23. An advance directive for mental health care executed under the laws of another state in compliance with the laws of that state or the State of New Jersey is validly executed for the purposes of this act. An advance directive for mental health care executed in a foreign country in compliance with the laws of that country or the State of New Jersey, and not contrary to the public policy of this State, is validly executed for the purposes of this act.

(2) Durable powers of attorney for health care executed pursuant to P.L.2000, c.109 prior to the effective date of this act shall have the same legal force and effect as if they had been executed in accordance with the provisions of this act.

b. Nothing in this act shall be construed to impair the rights of emancipated minors under existing law.

C.26:2H-125 Intentional disregard for act, professional misconduct; fines; fourth degree crime for certain acts relative to advance directives.

25. a. A mental health care professional who intentionally fails to act in accordance with the requirements of this act is subject to discipline for professional misconduct pursuant to section 8 of P.L.1978, c.73 (C.45:1-21).

b. A psychiatric facility that intentionally fails to act in accordance with the requirements of this act shall be subject to a fine of not more than
$1,000 for each offense. For the purposes of this subsection, each violation shall constitute a separate offense. Penalties for violations of this act shall be recovered in a summary civil proceeding, brought in the name of the State in a court of competent jurisdiction pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

c. It shall be a crime of the fourth degree for a person to:
   (1) willfully conceal, cancel, deface, obliterate or withhold personal knowledge of an advance directive for mental health care, or a modification, revocation or suspension thereof, without the declarant's consent;
   (2) falsify or forge an advance directive for mental health care of another person, or a modification, revocation or suspension thereof;
   (3) coerce or fraudulently induce the execution of an advance directive for mental health care, or a modification, revocation or suspension thereof; or

CHAPTER 234

AN ACT concerning intermodal chassis, requiring a systematic maintenance check program, allocating responsibility for equipment defects, and supplementing Title 39 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:3-79.10 Definitions relative to intermodal chassis.

1. As used in this act:
   "Department" means the New Jersey Department of Transportation.
   "Equipment interchange receipt" or "interchange receipt" means the receipt exchanged between an intermodal equipment provider or its agent and a motor carrier or its driver confirming acceptance of an intermodal
chassis by a motor carrier and indicating the name of the intermodal equipment provider for such equipment.

"Intermodal chassis" or "chassis" means a trailer designed to carry intermodal freight containers.

"Intermodal equipment facility" means any facility in New Jersey at which intermodal chassis are maintained and interchanged to motor carriers by or on behalf of an intermodal equipment provider.

"Intermodal equipment provider" or "equipment provider" means the person or entity that provides an intermodal chassis to a motor carrier pursuant to a written interchange agreement or has responsibility for maintenance of the intermodal chassis.

"Systematic maintenance check program" or "SMC" means the eight-point intermodal chassis inspection program established by this act.

C.39:3-79.11 Systematic maintenance check program required; violations, penalties.

2. a. An intermodal equipment provider shall not tender for interchange in New Jersey with a motor carrier an intermodal chassis that has not passed the systematic maintenance check program required by this act or that fails to meet the requirements set forth in the Federal Motor Carrier Safety Regulations, 49 C.F.R. sections 393 and 396. Any intermodal equipment provider tendering to, or interchanging with, a motor carrier such equipment shall provide certification that the chassis is currently in compliance with the SMC program set forth in this act.

b. An intermodal equipment provider that violates this section shall be assessed a civil administrative penalty by the department up to $5,000, per occurrence, commensurate with the gravity of the offense. A civil administrative penalty imposed pursuant to this subsection may be recovered by a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

c. Nothing in this act is intended to supersede or interfere with the commercial motor vehicle inspection requirements and standards set forth in 49 C.F.R. sections 393 and 396. Rather, this act imposes an additional requirement that an intermodal equipment provider inspect chassis on a routine basis and as otherwise required by this act.

C.39:3-79.12 Establishment, implementation of systematic maintenance check program.

3. a. An intermodal equipment provider shall establish and implement a systematic maintenance check program for the intermodal chassis that it tenders for interchange to motor carriers. The SMC program shall be consistent with Federal Motor Carrier Safety Regulations set forth in 49 C.F.R. sections 393 and 396 and shall include, but not be limited to, the following components or actions:

(1) tires;
(2) brakes;
(3) lights;
(4) a twist lock and safety lock inspection which includes ensuring that twist locks are operational and safety locks are working;
(5) wheel lubrication;
(6) frame;
(7) registration and federal and State inspection stickers; and
(8) upon the satisfactory completion of the inspection and any required actions necessary to bring the chassis into compliance with the inspection standards, the application of an SMC inspection sticker with the equipment provider's name, the inspector's name, and an expiration date set at six months following the inspection. Chassis which fail a SMC inspection shall be processed in accordance with section 4 of this act.

b. Each SMC inspection shall be recorded on a SMC inspection report that shall include, but not be limited to, all of the following:
   (1) Positive identification of the intermodal chassis, including company identification number and vehicle license plate number;
   (2) Date of and reason for each SMC inspection; and
   (3) Signature, under penalty of perjury, of the inspector that the SMC inspection has been performed and that the chassis is roadworthy or, if the chassis failed the inspection, the specific reason for the failure.

4. a. Intermodal equipment providers shall implement a process to positively identify by means of a tag those intermodal chassis that are out-of-service as a result of having failed an inspection required by this act. The tag shall contain the name of the intermodal equipment provider, the inspector and the date that the chassis failed inspection. The tag shall be supplied by the intermodal equipment provider and shall meet the specifications determined by the department.

b. A chassis which is out-of-service as a result of having failed an inspection required by this act shall be transported, without a container, to a facility where repairs and maintenance may be performed. Defects identified during an SMC inspection of a chassis shall be repaired, and the repairs shall be recorded on the chassis maintenance file and on the SMC inspection report.

A chassis subject to this section shall not be interchanged with a motor carrier or operated on a public road in New Jersey until all defects listed during the inspection have been corrected, the chassis passes an SMC inspection, and an authorized inspector attests to that fact and affixes an SMC inspection sticker to the chassis.
C.39:3-79.14 Additional events causing immediate inspection.

5. In addition to the routine SMC inspection which must take place at least once every six months in accordance with section 3 of this act, the following events shall cause a full SMC eight-point inspection to be done immediately:

a. a repair is done to remedy a defect that would be the basis for failure of an SMC inspection other than a minor repair or minor equipment defect,

b. a defect is noted on an in-gate interchange receipt that would be the basis for failure of an SMC inspection other than a minor repair or minor equipment defect, or

c. an SMC inspection sticker has expired.

For purposes of this section, "minor repair or minor equipment defect" means any one of the following: the need to inflate tires; the need to replace lights, a lens or a reflector; a twistlock or safety lock inspection or a safety latch replacement; a simple confirmation of federal or State inspection stickers; or the reapplication of an SMC inspection sticker that has not expired.

C.39:3-79.15 Qualifications of inspectors.

6. Individuals performing SMC inspections pursuant to this act shall be qualified, at a minimum, as set forth in 49 C.F.R. sections 396.19 and 396.25. Evidence of each inspector's qualification shall be retained by the intermodal equipment provider at the intermodal equipment facility for the period of time during which the inspector is performing SMC inspections at that facility.

C.39:3-79.16 Request for repair, replacement prior to completion of interchange; violations, penalties.

7. a. Any motor carrier or driver who, as a result of the pre-trip inspection of the intermodal chassis, determines the intermodal chassis to be in an unsafe operating condition shall request that the intermodal equipment provider repair or replace the intermodal chassis prior to completion of the interchange. It shall be at the discretion of the intermodal equipment provider whether to repair or to replace the chassis.

In the event a driver is forced to wait for more than one hour while the chassis is repaired or replaced, the intermodal equipment provider shall compensate the driver at an hourly rate to be set by the department based upon the average rate in comparable situations.

b. If a driver's request for repair or replacement is refused by the equipment provider, which shall be a violation of this section, the driver may file a complaint with the department. If, after an equipment provider has been afforded an opportunity for a hearing pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the department
determines that the equipment provider has violated this section, that person shall be subject to a civil administrative penalty to be imposed by the department not to exceed $1,000 for the first violation and not more than $5,000 for each subsequent violation. A civil administrative penalty imposed pursuant to this subsection may be recovered by a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

C.39:3-79.17 Records maintained for three years, format.

8. Records of inspections, maintenance or repairs of chassis performed pursuant to this act shall be maintained for three years and made available upon request of the department or a motor carrier which has transported the chassis.

All records required by this act may be kept in a digital format or other media allowing for the storage and retrieval of data if printouts of those records can be provided upon request at the intermodal equipment facility.

C.39:3-79.18 Registration for intermodal equipment provider required.

9. a. Any intermodal equipment provider that tenders intermodal chassis for interchange in New Jersey with a motor carrier shall register with the New Jersey Department of Transportation in accordance with regulations promulgated pursuant to this act.

b. Every registered intermodal equipment provider shall certify to the department on an annual basis that the equipment provider is conducting a systematic maintenance check program for intermodal chassis that is in compliance with this act.

c. The department may conduct audits at an intermodal equipment facility as it deems necessary to effectuate the purposes of this act, including, but not limited to, when an intermodal equipment provider has demonstrated a history of non-compliance with any requirements of this act. The audit shall include, but not be limited to, SMC inspection, tagging and processing of failed chassis, repair, and record-keeping requirements. The department is authorized to enter any intermodal equipment facility for the purposes of conducting the audits.

As part of the audits, the department may request the New Jersey State Police or, if the chassis is tendered at a port, the police of the authority operating that port, to accompany the department and to conduct a limited number of chassis inspections in order to determine that SMC inspection and identification requirements are being met. Any New Jersey State Police officer trained to inspect intermodal chassis is authorized to enter any intermodal equipment facility for the purposes of conducting inspections as part of an audit by the department. Nothing herein shall limit the authority
of an authorized member of the State Police or the police of the authority
operating the port to enter upon and perform inspections of vehicles in
operation upon the highways of this State or at the premises or places of
business of the owner or lessee of such vehicles.

d. If, during an audit, the department determines that an intermodal
equipment provider has failed to comply with any of the requirements of
this act, the department shall:

(1) direct the intermodal equipment provider to comply immediately
with the requirements of this act; and

(2) impose a civil administrative penalty on the intermodal equipment
provider of up to $5,000, commensurate with the gravity of the offense, for
every day that the intermodal equipment provider fails to comply with the
requirements of this act. A civil administrative penalty imposed pursuant to
this subsection may be recovered by a summary proceeding pursuant to the

C.39:3-79.19 Contents of summons, complaint, violation report.

10. a. When, upon roadside inspection of an intermodal chassis, there
is found a violation of State law or regulations or Federal Motor Carrier
Safety Administration Regulations, 49 C.F.R. sections 393 and 396,
relating to the chassis, any summons, complaint, or violation report shall
cite the motor carrier, the intermodal equipment provider, or the registered
owner as follows:

(1) for latent equipment defects on the chassis, the summons, com­
plaint, or violation report shall cite the intermodal equipment provider
identified on the equipment interchange receipt; in the event there is no
equipment interchange receipt, the summons, complaint or violation report
shall cite the equipment provider shown on the SMC inspection sticker. If
there is neither an interchange receipt or a SMC inspection sticker, the
summons, complaint or violation report shall cite the registered owner of the
chassis as determined by a registration document, a company identification
number or the chassis license plate number. When the summons, complaint
or violation report cites the registered owner because it is not possible to
identify an equipment provider, the registered owner may seek reimburse­
ment for any fine from the equipment provider; and

(2) for equipment defects when the equipment is one of the specific
equipment components required to be inspected by the driver during the
pre-trip inspection, the summons, complaint or violation report shall cite the
motor carrier. The pre-trip inspection shall be conducted as part of the walk­
around inspection required by federal law prior to use of the chassis.

The department, in conjunction with representatives of intermodal
equipment providers, motor carriers and the New Jersey State Police, shall
establish a list of the specific chassis equipment components to be inspected during the pre-trip inspection and for which the driver shall be cited on the summons, complaint or violation report.

b. (1) An intermodal equipment provider, registered chassis owner, or any other entity shall not seek reimbursement of a fine or penalty imposed by a municipal court for a violation of State law or regulations or Federal Motor Carrier Safety Administration Regulations, 49 C.F.R. sections 393 and 396, relating to the chassis from the motor carrier or its driver, or otherwise hold the motor carrier or its driver responsible for summons or complaint related to the chassis, unless the violation was caused by the negligence or willful misconduct of the motor carrier, its driver, agent, subcontractor or assigns.

(2) A motor carrier or its driver shall not seek reimbursement of a fine or penalty imposed by a municipal court for a violation of State law or regulations or Federal Motor Carrier Safety Administration Regulations, 49 C.F.R. sections 393 and 396, relating to the chassis from the intermodal equipment provider, registered chassis owner, or any other entity, or otherwise hold the intermodal equipment provider, registered chassis owner, or any other entity responsible for summons or complaint related to the chassis, unless the violation was caused by the negligence or willful misconduct of the intermodal equipment provider, registered chassis owner, or other entity.

c. (1) Whenever the act or omission of an intermodal equipment provider is deemed the cause for a violation report citing a motor carrier, the motor carrier may petition the appropriate authorities to request that the violation not be used or applied against the motor carrier's overall compliance record maintained in accordance with Federal Motor Carrier Safety Administration Regulations.

(2) Whenever the act or omission of a motor carrier or its driver is deemed the cause for a violation report citing an intermodal equipment provider, the intermodal equipment provider may petition the appropriate authorities to request that the violation not be used or applied against the intermodal equipment provider's overall compliance record maintained in accordance with Federal Motor Carrier Safety Administration Regulations.

(3) The State Police and the department shall establish a process whereby, upon application of a motor carrier, a violation report improperly citing a motor carrier may be administratively removed from its compliance record.

The State Police and the department shall establish a process whereby, upon application of an intermodal equipment provider, a violation report improperly citing an intermodal equipment provider may be administratively removed from its compliance record.
d. The provisions of this section shall apply only to a summons, complaint, or violation report issued on or after the effective date of this act.

e. This section is intended solely to determine which party shall be cited on a summons, complaint or violation report for a violation of State law or regulations or Federal Motor Carrier Safety Administration Regulations, 49 C.F.R. sections 393 and 396, relating to an intermodal chassis. Nothing in this section is intended to affect any indemnification agreement among an intermodal equipment provider, a motor carrier or any other entity concerning intermodal chassis.

C.39:3-79.20 Interference with act deemed violation; penalties.

11. It shall be a violation of this act to interfere with or attempt to interfere with the duties, obligations, rights or remedies of a motor carrier or its driver, an intermodal equipment provider, or an SMC inspector as provided in this act. If, after a person has been afforded an opportunity for a hearing pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the department determines that the person has violated this section, that person shall be subject to a civil administrative penalty to be imposed by the department not to exceed $1,000 for the first violation and not more than $5,000 for each subsequent violation. A civil administrative penalty imposed pursuant to this subsection may be recovered by a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

C.39:3-79.21 Rules, regulations.

12. The department shall adopt such rules and regulations pursuant to the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to effectuate the purposes of this act.

13. This act shall take effect on the first day of the twelfth month following enactment. This act shall expire upon:

a. the effective date of a federal statute to regulate the inspection and maintenance of intermodal chassis; or

b. when final rules by the Federal Motor Carrier Safety Administration regulating the inspection and maintenance of intermodal chassis take effect.

Approved September 22, 2005.

CHAPTER 235

AN ACT concerning school district monitoring and amending, supplementing and repealing parts of the statutory law.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1975, c.212 (C.18A:7A-3) is amended to read as follows:

3. For the purposes of this act, unless the context clearly requires a different meaning:

"Administrative order" means a written directive ordering specific corrective action by a district which has shown insufficient compliance with the quality performance indicators.

"Highly skilled professional" means a designee of the commissioner deemed to have the skills and experience necessary to assist a school district in improving its effectiveness or to provide oversight in a school district in one or more of the five key components of school district effectiveness.

"Joint Committee on the Public Schools" means the committee created pursuant to P.L.1975, c.16 (C.52:9R-1 et seq.).

"Targeted assistance" means the assistance provided to a school district in a specific area to support the teaching and learning process and overall district effectiveness.

"Technical assistance" means guidance and support provided to a school district to enable the district to meet State and federal policy and regulatory requirements and to ensure the provision of a thorough and efficient education.

2. Section 10 of P.L.1975, c.212 (C.18A:7A-10) is amended to read as follows:

10. For the purpose of evaluating the thoroughness and efficiency of all the public schools of the State, the commissioner, with the approval of the State board and after review by the Joint Committee on the Public Schools, shall develop and administer the New Jersey Quality Single Accountability Continuum for evaluating the performance of each school. The goal of the New Jersey Quality Single Accountability Continuum shall be to ensure that all districts are operating at a high level of performance. The system shall be based on an assessment of the degree to which the thoroughness and efficiency standards established pursuant to section 4 of P.L.1996, c.138 (C.18A:7F-4) are being achieved and an evaluation of school district capacity in the following five key components of school district effectiveness: instruction and program; personnel; fiscal management; operations; and governance. A school district's capacity and effectiveness shall be
determined using quality performance indicators comprised of standards for each of the five key components of school district effectiveness. The quality performance indicators shall take into consideration a school district's performance over time, to the extent feasible. Based on a district's compliance with the indicators, the commissioner shall assess district capacity and effectiveness and place the district on a performance continuum that will determine the type and level of oversight and technical assistance and support the district receives.

3. Section 11 of P.L.1975, c.212 (C.18A:7A-11) is amended to read as follows:

The district reports shall be submitted to the commissioner annually on a date and in such form as prescribed by the commissioner, who shall make them the basis for an annual report to the Governor and the Legislature, describing the condition of education in New Jersey, the efforts of New Jersey schools in meeting the standards of a thorough and efficient education, the steps underway to correct deficiencies in school performance, and the progress of New Jersey schools in comparison to other state education systems in the United States.

4. Section 14 of P.L.1975, c.212 (C.18A:7A-14) is amended to read as follows:

14. a. (1) The commissioner shall review the results of the report submitted pursuant to sections 10 and 11 of P.L.1975, c.212 (C.18A:7A-10 and 18A:7A-11) and after examination of all relevant data, including student assessment data, determine where on the performance continuum the district shall be placed. The commissioner, through collaboration, shall establish a mechanism for parent, school employee and community resident input into the review process. If the commissioner finds that a school district or county vocational school district satisfies 80 percent to 100 percent of the quality performance indicators in each of the five key components of school district effectiveness, the commissioner shall issue to the district a letter of recognition designating the district as a high performing district, provided that the district has submitted to the department a statement of assurance which attests that the contents of the report are valid.
The commissioner shall recommend that the State board certify the school district for a period of seven years as providing a thorough and efficient system of education, contingent on continued progress in meeting the quality performance indicators.

b. If a school district satisfies 50 percent to 79 percent of the quality performance indicators, the district shall be considered a moderate performing district. The commissioner shall require the district to develop an improvement plan to address the quality performance indicators with which the district has not complied and to increase district capacity through the provision of technical assistance and other measures designed to meet the district's needs. The improvement plan shall be submitted to and approved by the commissioner. In accordance with the improvement plan, the commissioner shall provide targeted assistance, technical assistance, or both, to the district. If necessary, the commissioner may authorize an in-depth examination of the district to determine the causes for the district's noncompliance with the quality performance indicators.

The commissioner shall review the district's progress in implementing the improvement plan not less than every six months. If the commissioner finds, based on those reviews, that after two years the district has not satisfied 80 to 100 percent of the quality performance indicators in each of the five key components of school district effectiveness, the commissioner shall require the district to amend the improvement plan. The amended plan shall be submitted to the commissioner for approval.

If a district effectively implements its improvement plan and is able to satisfy 80 to 100 percent of the quality performance indicators in each of the five key components of school district effectiveness through the interventions set forth in this subsection, the commissioner shall issue the district a letter of recognition designating the district as a high performing district. The commissioner shall recommend that the State board certify the school district for a period of seven years as providing a thorough and efficient system of education, contingent on continued progress in meeting the quality performance indicators. If the district has not effectively implemented its improvement plan and has not satisfied 80 to 100 percent of the quality performance indicators in each of the five key components of school district effectiveness through the interventions set forth in this subsection, the commissioner shall issue the district a letter detailing the areas in which the district remains deficient.

c. (1) If a school district satisfies less than 50 percent of the quality performance indicators in four or fewer of the five key components of school district effectiveness, the commissioner shall authorize an in-depth evaluation of the district's performance and capacity. Based on the findings and recommendations of that evaluation, the district, in cooperation with the
department, shall develop an improvement plan to address the quality performance indicators with which the district has not complied and to increase district capacity through the provision of technical assistance and other measures designed to meet the district's needs. The improvement plan shall be submitted to the commissioner for approval. Upon approval, the commissioner shall provide the district with the technical assistance outlined in the plan and shall assure that the district's budget provides the resources necessary to implement the improvement plan.

The commissioner shall review the district's progress in implementing the improvement plan not less than every six months. The reviews shall include an on-site visit. If the commissioner finds, based on those reviews, that after two years the district has not satisfied at least 50% of the quality performance indicators in one or more of the key components of school district effectiveness, the commissioner shall require the district to amend the improvement plan. The amended plan shall be submitted to the commissioner for approval.

Nothing in this paragraph shall be construed to prohibit the commissioner or the State board, as applicable, from directing the district to enter partial State intervention prior to the expiration of the two-year period.

(2) The district's improvement plan may include the appointment by the commissioner of one or more highly skilled professionals to provide technical assistance to the district in the areas in which it has failed to satisfy the quality performance indicators. Each highly skilled professional shall work collaboratively with the district to increase local capacity in the areas of need identified in the improvement plan. The cost for the salaries of the highly skilled professionals shall be a shared expense of the school district and the State, with the State assuming one-half of the cost of these salaries and the school district being responsible for one-half of the costs.

(3) If the district satisfies less than 50% of the quality performance indicators in one of the five key components of school district effectiveness, the commissioner may also order the district to enter partial State intervention. The board of education which is directed to enter partial State intervention may appeal that decision to the State Board of Education. The State board may refer the hearing of that appeal to a committee of not less than three of its members, which committee shall hear the appeal and report thereon, recommending its conclusions, to the board and the board shall decide the appeal by resolution in open meeting. A determination of the appeal by the State board shall be considered final.

(4) If the district satisfies less than 50% of the quality performance indicators in two to four of the five key components of school district effectiveness, the commissioner may also order the district board of education to show cause why an administrative order placing the district
under partial State intervention should not be implemented. The plenary hearing before a judge of the Office of Administrative Law pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), upon said order to show cause, shall be conducted on an expedited basis and in the manner prescribed by subdivision B of article 2 of chapter 6 of Title 18A of the New Jersey Statutes. In the proceeding the State shall have the burden of showing that the recommended administrative order is not arbitrary, unreasonable or capricious.

If, after a plenary hearing, the commissioner determines that it is necessary to take corrective action, the commissioner shall have the power to order necessary budgetary changes within the district or other measures the commissioner deems appropriate to establish a thorough and efficient system of education.

If the board fails to show cause why an administrative order placing the district under partial State intervention should not be implemented, the commissioner shall recommend to the State board that it issue an order placing the district under partial State intervention. Notwithstanding any other provision of law to the contrary and upon its determining that the school district is not providing a thorough and efficient system of education, the State board may place the district under partial State intervention. Nothing herein shall limit the right of any party to appeal the State board's order to the Superior Court.

(5) If the position of superintendent of schools is vacant in a district under partial State intervention, the commissioner may appoint a superintendent who shall serve for a period not to exceed two years.

(6) In addition to the highly skilled professionals appointed pursuant to paragraph (2) of this subsection to provide technical assistance to the district in implementing its improvement plan, the commissioner, in consultation with the local board of education, may appoint one or more highly skilled professionals in a district under partial State intervention to provide direct oversight in the district regarding the quality performance indicators with which the district has failed to comply. The highly skilled professional shall have authority in the areas of oversight that the commissioner designates. The highly skilled professional shall work collaboratively with the superintendent, the board of education and the employees of the district working in the area of the oversight to address areas identified in the improvement plan. The cost for the salaries of the highly skilled professionals shall be a shared expense of the school district and the State, with the State assuming one-half of the costs of these salaries and the school district being responsible for one-half of the costs.

(7) The commissioner may appoint up to three additional members to the board of education of a district under partial State intervention. If the
commissioner appoints three additional members pursuant to this paragraph, the commissioner shall appoint one of these additional members from a list of three candidates provided by the local governing body of the municipality in which the school district is located. The commissioner shall make every effort to appoint residents of the district. A board member appointed by the commissioner shall be a nonvoting member of the board and shall have all the other rights, powers and privileges of a member of the board. A board member appointed by the commissioner shall report to the commissioner on the activities of the board of education and shall provide assistance to the board of education on such matters as deemed appropriate by the commissioner, including, but not limited to, the applicable laws and regulations governing specific school board action. A member appointed by the commissioner shall serve for a term of two years. The commissioner shall obtain approval of the State board for any extension of the two-year term. Any vacancy in the membership appointed by the commissioner shall be filled in the same manner as the original appointment.

If a board of education is subject to additional appointments pursuant to section 67 of P.L.2002, c.43 (C.52:27BBB-63), then the provisions of this paragraph shall not be applicable during the period in which the board is subject to those appointments.

Six months following the district being placed under partial State intervention, the commissioner shall determine, pursuant to criteria promulgated by the State Board of Education, whether or not the board members he has appointed shall become voting members of the board of education. If the commissioner determines that the board members he has appointed shall become voting members, the school district shall have 30 days to appeal the commissioner's determination to the State Board of Education.

(8) Based on the district's success in implementing its improvement plan, the commissioner shall make a determination to withdraw from intervention in one or more of the areas that have been under State intervention, to leave one or more areas under State intervention or to recommend to the State Board of Education that the district be placed under full State intervention.

If the commissioner determines that the district has successfully implemented the improvement plan, the commissioner shall issue a letter of recognition to the district designating the district as a high performing district and the State shall withdraw from intervention in the district. The commissioner shall recommend that the State board certify the school district for a period of seven years as providing a thorough and efficient system of education, contingent on continued progress in meeting the quality performance indicators.
d. (Deleted by amendment, P.L.2005, c.235.)

e. (1) If a school district satisfies less than 50 percent of the quality performance indicators in each of the five key components of school district effectiveness, the commissioner shall authorize an in-depth evaluation of the district's performance and capacity. Based on the findings and recommendations of that evaluation, the district, in cooperation with the department, shall develop an improvement plan to address the quality performance indicators with which the district has not complied and to increase district capacity through the provision of technical assistance and other measures designed to meet the district's needs. The improvement plan shall be submitted to the commissioner for approval. Upon approval, the commissioner shall provide the district with the technical assistance outlined in the plan and shall assure that the district's budget provides the resources necessary to implement the improvement plan.

The commissioner shall review the district's progress in implementing the improvement plan not less than every six months. The reviews shall include an on-site visit. If the commissioner finds, based on those reviews, that after two years the district has not satisfied at least 50% of the quality performance indicators in one or more of the key components of school district effectiveness, the commissioner shall require the district to amend the improvement plan. The amended plan shall be submitted to the commissioner for approval.

Nothing in this paragraph shall be construed to prohibit the State board from directing the district to enter full State intervention prior to the expiration of the two-year period.

(2) The district's improvement plan may include the appointment by the commissioner of one or more highly skilled professionals to provide technical assistance to the district in the areas in which it has failed to satisfy the quality performance indicators. Each highly skilled professional shall work collaboratively with the district to increase local capacity in the areas of need identified in the improvement plan. The cost for the salaries of the highly skilled professionals shall be a shared expense of the school district and the State, with the State assuming one-half of the cost of these salaries and the school district being responsible for one-half of the costs.

5. Section 15 of P.L.1975, c.212 (C.18A:7A-15) is amended to read as follows:

15. a. In addition to procedures established pursuant to subsection e. of section 14 of P.L.1975, c.212 (C.18A:7A-14), the commissioner may
order the local board to show cause why an administrative order placing the district under full State intervention should not be implemented. The plenary hearing before a judge of the Office of Administrative Law, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), upon said order to show cause, shall be conducted on an expedited basis and in the manner prescribed by subdivision B of article 2 of chapter 6 of Title 18A of the New Jersey Statutes. In the proceeding the State shall have the burden of showing that the recommended administrative order is not arbitrary, unreasonable or capricious.

If, after a plenary hearing, the commissioner determines that it is necessary to take corrective action, the commissioner shall have the power to order necessary budgetary changes within the district or other measures the commissioner deems appropriate to establish a thorough and efficient system of education.

If the board fails to show cause why an administrative order placing the district under full State intervention should not be implemented, the commissioner shall recommend to the State board that it issue an order placing the district under full State intervention. Notwithstanding any other provision of law to the contrary and upon its determining that the school district is not providing a thorough and efficient system of education, the State board may place the district under full State intervention. Nothing herein shall limit the right of any party to appeal the State board's order to the Superior Court.

b. In districts under full State intervention the State board, upon the recommendation of the commissioner, may appoint a State district superintendent to serve for a period not to exceed three years.

c. In addition to the highly skilled professionals appointed pursuant to paragraph (2) of subsection e. of section 14 of P.L.1975, c.212 (C.18A:7A-14), to provide technical assistance to the district in implementing its improvement plan, the commissioner, in consultation with the local board of education, may appoint one or more highly skilled professionals in a district under full State intervention to provide direct oversight in the district regarding the quality performance indicators with which the district has failed to comply. The highly skilled professional shall have authority in the areas of oversight that the commissioner designates. The highly skilled professional shall work collaboratively with the superintendent, the board of education and the employees of the district working in the area of the oversight to address areas identified in the improvement plan. The cost for the salaries of the highly skilled professionals shall be a shared expense of the school district and the State, with the State assuming one-half of the costs of these salaries and the school district being responsible for one-half of the costs.

In the event that a capital projects review board is established pursuant to section 1 of P.L.1991, c.139 (C.18A:7A-46.1) the board shall hear the recommendation of the State district superintendent or the person designated by the commissioner concerning any proposed capital project, which is to be financed in whole or in part by school bonds or notes, or through a lease purchase agreement pursuant to subsection f. of N.J.S.18A:20-4.2, and shall undertake all actions necessary to review the proposed capital project to determine whether the project will assist the school district under full State intervention in providing a thorough and efficient system of education in that district. In making this determination it may take into consideration factors such as the conditions in the school district, any applicable educational goals, the objectives and standards established by the State, the need for the capital project, the reasonableness of the amount to be expended for the capital project, the estimated time for the undertaking and completion of the capital project, and any other factors which the board may deem necessary including the relationship of the capital project to the long-term capital budget or plan of the school district and the fiscal implications thereof.

Following its review and within 60 days of the date on which the State district superintendent or the person designated by the commissioner submits the recommendation to the board, the board shall adopt a resolution as to whether the school district under full State intervention should undertake the capital project and providing its reasons therefor. The board shall adopt a resolution indicating the necessity for the capital project and shall also fix and determine by resolution the amount necessary to be raised locally for the capital project. If the board fails to act within 60 days of the submission date, the State district superintendent or the person designated by the commissioner shall submit the recommendation to the commissioner
who shall approve or disapprove the capital project. If the board makes a
decision which is contrary to the recommendation of the superintendent or
the person designated by the commissioner, the superintendent or the person
designated by the commissioner may, within 30 days from the date of the
board's action, submit the matter to the commissioner for final decision. If
the commissioner determines that a capital project should be undertaken, the
commissioner shall so notify the board and shall indicate the amount
necessary to be raised locally for the capital project. Upon notification, the
board shall adopt a resolution indicating the necessity for the capital project
and shall also fix and determine by resolution the amount necessary for the
capital project as indicated by the commissioner. Certified copies of any

the authorization of a lease purchase agreement shall be delivered to the
State district superintendent or the person designated by the Commissioner
of Education, the Commissioner of Education, the Director of the Division
of Local Government Services in the Department of Community Affairs

c. In the event that the State board, upon the recommendation of the commissioner, has appointed a State district superintendent in a district
under full State intervention and if the district is placed under partial State intervention or is designated as a high performing or moderate performing district, then the board of education shall be permitted to extend the contract of the superintendent who holds the position at the time that the district is placed under partial State intervention or is designated a high performing or moderate performing district, provide 18-months' notice to the superintendent to modify the contract, or allow the contract in effect to expire with the appropriate statutory notice pursuant to subsection b. of section 4 of P.L.1991, c.267 (C.18A:17-20.1).

C.18A:7G-5 Financing, construction of school facilities in certain districts by authority.

5. a. The authority shall construct and finance the school facilities projects of Abbott districts, districts in level II monitoring pursuant to
section 14 of P.L.1975, c.212 (C.18A:7A-14) as of the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.), and districts with a district aid percentage equal to or greater than 55%.

b. Any district whose district aid percentage is less than 55% may elect to have the authority undertake the construction of a school facilities project in the district and the State share shall be determined pursuant to this section. In the event that the district elects not to have the authority undertake the construction of the project, State support for the project shall be determined pursuant to section 9 or section 15 of this act, as applicable.

c. Notwithstanding any provision of N.J.S.18A:18A-16 to the contrary, the procedures for obtaining approval of a school facilities project shall be as set forth in this act; provided that any district whose district aid percentage is less than 55%, which elects not to have the authority or a redevelopment entity undertake the construction of the project, shall also be required to comply with the provisions of N.J.S.18A:18A-16.

d. Any district seeking to initiate a school facilities project shall apply to the commissioner for approval of the project. The application shall, at a minimum, contain the following information: a description of the school facilities project; a schematic drawing of the project or, at the option of the district, preliminary plans and specifications; a delineation and description of each of the functional components of the project; the number of unhoused students to be housed in the project; the area allowances per FTE student as calculated pursuant to section 8 of this act; and the estimated cost to complete the project as determined by the district.

e. The commissioner shall review each proposed school facilities project to determine whether it is consistent with the district's long-range facilities plan and whether it complies with the facilities efficiency standards and the area allowances per FTE student derived from those standards. The commissioner shall make a decision on a district's application within 90 days from the date he determines that the application is fully and accurately completed and that all information necessary for a decision has been filed by the district, or from the date of the last revision made by the district. If the commissioner is not able to make a decision within 90 days, he shall notify the district in writing explaining the reason for the delay and indicating the date on which a decision on the project will be made, provided that the date shall not be later than 60 days from the expiration of the original 90 days set forth in this subsection. If the decision is not made by the subsequent date indicated by the commissioner, then the project shall be deemed approved and the preliminary eligible costs for new construction shall be calculated by using the proposed square footage of the building as the approved area for unhoused students.
f. If the commissioner determines that the school facilities project complies with the facilities efficiency standards and the district's long-range facilities plan and does not exceed the area allowance per FTE student derived from those standards, the commissioner shall calculate the preliminary eligible costs of the project pursuant to the formulas set forth in section 7 of this act; except that in the case of a county special services school district or a county vocational school district, the commissioner shall calculate the preliminary eligible costs to equal the amount determined by the board of school estimate and approved by the board of chosen freeholders pursuant to section 14 of P.L.1971, c.271 (C.18A:46-42) or N.J.S.18A:54-31 as appropriate.

g. If the commissioner determines that the school facilities project is inconsistent with the facilities efficiency standards or exceeds the area allowances per FTE student derived from those standards, the commissioner shall notify the district.

(1) The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the board of education or State district superintendent, as appropriate, demonstrates that school facilities needs related to required programs cannot be addressed within the facilities efficiency standards and that all other proposed spaces are consistent with those standards. The commissioner shall approve area allowances in excess of the area allowances per FTE student derived from the facilities efficiency standards if the additional area allowances are necessary to accommodate centralized facilities to be shared among two or more school buildings within the district and the centralized facilities represent a more cost effective alternative.

(2) The commissioner may waive a facilities efficiency standard if the board of education or State district superintendent, as appropriate, demonstrates to the commissioner's satisfaction that the waiver will not adversely affect the educational adequacy of the school facility, including the ability to deliver the programs and services necessary to enable all students to achieve the core curriculum content standards.

(3) To house the district's central administration, a district may request an adjustment to the approved areas for unhoused students of 2.17 square feet for each FTE student in the projected total district school enrollment if the proposed administrative offices will be housed in a school facility and the district demonstrates either that the existing central administrative offices are obsolete or that it is more practical to convert those offices to instructional space. To the extent that existing administrative space will continue to be used for administrative purposes, the space shall be included in the formulas set forth in section 7 of this act.
If the commissioner approves excess facilities efficiency standards or additional area allowances pursuant to paragraph (1), (2), or (3) of this subsection, the commissioner shall calculate the preliminary eligible costs based upon the additional area allowances or excess facilities efficiency standards pursuant to the formulas set forth in section 7 of this act. In the event that the commissioner does not approve the excess facilities efficiency standards or additional area allowances, the district may either: modify its submission so that the school facilities project meets the facilities efficiency standards; or pay for the excess costs.

(4) The commissioner shall approve spaces in excess of, or inconsistent with, the facilities efficiency standards, hereinafter referred to as nonconforming spaces, upon a determination by the district that the spaces are necessary to comply with State or federal law concerning individuals with disabilities. A district may apply for additional State aid for nonconforming spaces that will permit pupils with disabilities to be educated to the greatest extent possible in the same buildings or classes with their nondisabled peers. The nonconforming spaces may: (a) allow for the return of pupils with disabilities from private facilities; (b) permit the retention of pupils with disabilities who would otherwise be placed in private facilities; (c) provide space for regional programs in a host school building that houses both disabled and nondisabled pupils; and (d) provide space for the coordination of regional programs by a county special services school district, educational services commission, jointure commission, or other agency authorized by law to provide regional educational services in a school building that houses both disabled and nondisabled pupils. A district's State support ratio shall be adjusted to equal the lesser of the sum of its district aid percentage as defined in section 3 of this act plus 0.25, or 100% for any nonconforming spaces approved by the commissioner pursuant to this paragraph.

h. Upon approval of a school facilities project and determination of the preliminary eligible costs:

(1) In the case of a district whose district aid percentage is less than 55% and which has elected not to have the authority undertake the construction of the school facilities project, the commissioner shall notify the district whether the school facilities project is approved and, if so approved, the preliminary eligible costs and the excess costs, if any. Following the determination of preliminary eligible costs and the notification of project approval, the district may appeal to the commissioner for an increase in those costs if the detailed plans and specifications completed by a design professional for the school facilities project indicate that the cost of constructing that portion of the project which is consistent with the facilities efficiency standards and does not exceed the area allowances per
If a student exceeds the preliminary eligible costs as determined by the commissioner for the project by 10% or more. The district shall file its appeal within 30 days of the preparation of the plans and specifications. If the district chooses not to file an appeal, then the final eligible costs shall equal the preliminary eligible costs.

The district shall outline the reasons why the preliminary eligible costs calculated for the project are inadequate and estimate the amount of the adjustment which needs to be made to the preliminary eligible costs. The commissioner shall forward the appeal information to the authority for its review and recommendation. If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards, the authority shall recommend to the commissioner that the preliminary eligible costs be accepted as the final eligible costs. If the authority determines the additional costs are not within the control of the district or are the result of design factors required to meet the facilities efficiency standards, the authority shall recommend to the commissioner a final eligible cost based on its experience for districts with similar characteristics, provided that, notwithstanding anything to the contrary, the commissioner shall not approve an adjustment to the preliminary eligible costs which exceeds 10% of the preliminary eligible costs. The commissioner shall make a determination on the appeal within 30 days of its receipt. If the commissioner does not approve an adjustment to the school facilities project's preliminary eligible costs, the commissioner shall issue his findings in writing on the reasons for the denial and on why the preliminary eligible costs as originally calculated are sufficient.

(2) In all other cases, the commissioner shall promptly prepare and submit to the authority a preliminary project report which shall consist, at a minimum, of the following information: a complete description of the school facilities project; the actual location of the project; the total square footage of the project together with a breakdown of total square footage by functional component; the preliminary eligible costs of the project; the project's priority ranking determined pursuant to subsection m. of this section; any other factors to be considered by the authority in undertaking the project; and the name and address of the person from the district to contact in regard to the project.

i. Upon receipt by the authority of the preliminary project report, the authority, upon consultation with the district, shall prepare detailed plans and specifications and schedules which contain the authority's estimated cost and schedule to complete the school facilities project. The authority shall transmit to the commissioner the authority's recommendations in regard to the project which shall, at a minimum, contain the detailed plans
and specifications; whether the school facilities project can be completed within the preliminary eligible costs; and any other factors which the authority determines should be considered by the commissioner.

(1) In the event that the authority determines that the school facilities project can be completed within the preliminary eligible costs: the final eligible costs shall be deemed to equal the preliminary eligible costs; the commissioner shall be deemed to have given final approval to the project; and the preliminary project report shall be deemed to be the final project report delivered to the authority pursuant to subsection j. of this section.

(2) In the event that the authority determines that the school facilities project cannot be completed within the preliminary eligible costs, prior to the submission of the authority’s recommendations to the commissioner, the authority shall, in consultation with the district and the commissioner, determine whether changes can be made in the project which will result in a reduction in costs while at the same time meeting the facilities efficiency standards approved by the commissioner.

(a) If the authority determines that changes in the school facilities project are possible so that the project can be accomplished within the scope of the preliminary eligible costs while still meeting the facilities efficiency standards, the authority shall so advise the commissioner, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs; give final approval to the project with the changes noted; and issue a final project report to the authority pursuant to subsection j. of this section.

(b) If the authority determines that it is not possible to make changes in the school facilities project so that it can be completed within the preliminary eligible costs either because the additional costs are the result of factors outside the control of the district or the additional costs are required to meet the facilities efficiency standards, the authority shall recommend to the commissioner that the preliminary eligible costs be increased accordingly, whereupon the commissioner shall: calculate the final eligible costs to equal the sum of the preliminary eligible costs plus the increase recommended by the authority; give final approval to the project; and issue a final project report to the authority pursuant to subsection j. of this section.

(c) If the additional costs are the result of factors that are within the control of the district or are the result of design factors that are not required to meet the facilities efficiency standards or approved pursuant to paragraph (1) of subsection g. of this section, the authority shall recommend to the commissioner that the preliminary eligible costs be accepted, whereupon the commissioner shall: calculate the final eligible costs to equal the preliminary eligible costs and specify the excess costs which are to be borne by the district; give final approval to the school facilities project; and issue a final
project report to the authority pursuant to subsection j. of this section; provided that the commissioner may approve final eligible costs which are in excess of the preliminary eligible costs if, in his judgment, the action is necessary to meet the educational needs of the district.

(d) For a school facilities project constructed by the authority, the authority shall be responsible for any costs of construction, but only from the proceeds of bonds issued by the authority pursuant to this act, which exceed the amount originally projected by the authority and approved for financing by the authority, provided that the excess is the result of an underestimate of labor or materials costs by the authority. After receipt by the authority of the final project report, the district shall be responsible only for the costs associated with changes, if any, made at the request of the district to the scope of the school facilities project.

j. The authority shall not commence the acquisition or construction of a school facilities project unless the commissioner transmits to the authority a final project report and the district complies with the approval requirements for the local share, if any, pursuant to section 11 of this act. The final project report shall contain all of the information contained in the preliminary project report and, in addition, shall contain: the final eligible costs; the excess costs, if any; the total costs which equals the final eligible costs plus excess costs, if any; the State share; and the local share.

k. For the Abbott districts, the State share shall be 100% of the final eligible costs. For all other districts, the State share shall be an amount equal to 115% of the district aid percentage; except that the State share shall not be less than 40% of the final eligible costs.

If any district which is included in district factor group A or B, other than an Abbott district, is having difficulty financing the local share of a school facilities project, the district may apply to the commissioner to receive 100% State support for the project and the commissioner may request the approval of the Legislature to increase the State share of the project to 100%.

l. The local share for school facilities projects constructed by the authority or a redevelopment entity shall equal the final eligible costs plus any excess costs less the State share.

m. The commissioner shall establish, in consultation with the Abbott districts, a priority ranking of all school facilities projects in the Abbott districts based upon his determination of critical need, and shall establish priority categories for all school facilities projects in non-Abbott districts. The commissioner shall rank projects from Tier I to Tier IV in terms of critical need according to the following prioritization:

Tier I: health and safety, including electrical system upgrades; required early childhood education programs; unhoused students/class size reduction

Tier II: educational adequacy - specialized instructional spaces, media centers, cafeteriums, and other non-general classroom spaces contained in the facilities efficiency standards; special education spaces to achieve the least restrictive environment;

Tier III: technology projects; regionalization or consolidation projects;

Tier IV: other local objectives.

n. The provisions of the "Public School Contracts Law," N.J.S.18A:18A-1 et seq., shall be applicable to any school facilities project constructed by a district but shall not be applicable to projects constructed by the authority or a redevelopment entity pursuant to the provisions of this act.

o. In the event that a district whose district aid percentage is less than 55% elects not to have the authority undertake construction of a school facilities project, any proceeds of school bonds issued by the district for the purpose of funding the project which remain unspent upon completion of the project shall be used by the district to reduce the outstanding principal amount of the school bonds.

p. Upon completion by the authority of a school facilities project, if the cost of construction and completion of the project is less than the total costs, the district shall be entitled to receive a portion of the local share based on a pro rata share of the difference based on the ratio of the State share to the local share.

q. The authority shall determine the cause of any costs of construction which exceed the amount originally projected by the authority and approved for financing by the authority.

r. In the event that a district has engaged architectural services to prepare the documents required for initial proposal of a school facilities project, the district shall, if permitted by the terms of the district's contract for architectural services, and at the option of the authority assign the contract for architectural services to the authority if the authority determines that the assignment would be in the best interest of the school facilities project.

s. Notwithstanding anything to the contrary contained in P.L.2000, c.72 (C.18A:7G-1 et al.), an ECPA district, at its option, may provide in its long-range facilities plan submitted pursuant to section 4 of this act, for one or more community early childhood education facilities projects. If the district has requested designation of a demonstration project pursuant to section 6 of this act and is eligible to submit a plan for a community early childhood education facilities project pursuant to this section, the district
shall be permitted to include the community early childhood education facilities project as part of the demonstration project.

(1) An ECPA district seeking to initiate a community early childhood education facilities project shall apply to the commissioner for approval of the project. The application shall, at a minimum, contain the following information: the name of the community provider; evidence that the community provider is licensed by the Department of Human Services pursuant to P.L.1983, c.492 (C.30:5B-1 et seq.) and is a tax exempt nonprofit organization; evidence that the community provider is or shall provide early childhood education programs for the district; a description of the community early childhood education facilities project; a schematic drawing of the project, or at the option of the district, preliminary plans and specifications; a delineation and description of each of the functional components of the project; identification of those portions of the proposed project which shall be devoted in whole or in part to the provision of early childhood education programs to 3 or 4-year old children from the ECPA district; the estimated cost to complete the project as determined by the district in consultation with the community provider; and whether the facility provides services other than early childhood education programs for 3 and 4-year old children, pursuant to a contract with the ECPA district.

(2) The commissioner shall review the proposed early childhood education facilities project to determine whether it is consistent with the district's long-range facilities plan, whether it will provide a facility which is structurally adequate and safe and capable of providing a program which will enable preschool children being served pursuant to the ECPA district's approved early childhood education operational plan to meet the standards for early childhood education programs established by the department and whether there is a need for increased capacity or to rehabilitate existing space to meet these standards. Only those facilities which are used for 3 or 4-year old children pursuant to a contract with the ECPA district shall be eligible for approval, provided that facilities which are jointly used by 3 or 4-year old children from the ECPA district and from other districts shall also be eligible for approval.

(3) If the commissioner approves the project, the commissioner shall determine, in consultation with the authority, the cost to complete the approved project, which shall be the reasonable, estimated cost of the renovation or new construction necessary to provide a facility which is structurally adequate and safe and capable of providing a program which will enable preschool children being served pursuant to the ECPA district's approved early childhood education operational plan to meet the standards for early childhood education programs established by the department. For projects initiated by an Abbott district, the State support shall be 100% of
such reasonable, estimated cost. For projects initiated by an ECPA district that is not an Abbott district, the State support shall be an amount equal to 115% of the district aid percentage of that ECPA district, of such reasonable, estimated cost, except that the State support shall not be less than 40% of such reasonable, estimated cost. The commissioner shall issue a final project report to the authority which shall contain a complete description of the project, the actual location of the project, the total square footage of the project together with a breakdown of total square footage by functional component; any other factors to be considered by the authority in undertaking the project; the names and addresses of the people to contact from the district and the community provider; the amount of State support for the project; and the amount of local support required from the community provider to pay for costs, if any, of the project which have not been approved by the commissioner for State support.

(4) Upon submission to the authority of a final project report, the authority shall undertake the financing, acquisition, construction and all other appropriate actions necessary to complete the community early childhood education facilities project, provided, that if there is local support required for the project, such actions shall not commence until the authority receives the local support from the community provider. The authority may, in its discretion, and upon consultation with the commissioner, authorize a community provider to undertake the acquisition, construction and all other appropriate action necessary to complete the project, in which case the authority shall not provide State support until the community provider provides the local support, if any.

(5) In order to implement the arrangements established for community early childhood education facilities projects, the authority shall enter into an agreement with the district, the commissioner and the community provider containing the terms and conditions determined by the parties to be necessary to effectuate the project.

(6) The authority shall require as a condition of providing State support for any community early childhood education facilities project that the State support must be repaid by the community provider in the event that (a) the commissioner determines that the project is no longer being used for the purposes for which it was intended; or (b) the project is sold, leased or otherwise conveyed to an individual or organization that does not have tax exempt nonprofit or government status.

33. Section 14 of P.L.2000, c.72 (C.18A:7G-14) is amended to read as follows:

14. Notwithstanding any other provisions of law to the contrary:
   a. The authority shall have the power, pursuant to the provisions of this act and P.L.1974, c.80 (C.34:1B-1 et seq.), to issue bonds and refunding bonds, incur indebtedness and borrow money secured, in whole or in part, by moneys received pursuant to sections 17, 18 and 19 of this act for the purposes of: financing all or a portion of the costs of school facilities projects and any costs related to the issuance thereof, including, but not limited to, the administrative, insurance, operating and other expenses of the authority to undertake the financing, design, construction and maintenance of school facilities projects; lending moneys to local units to pay the costs of all or a portion of school facilities projects and any costs related to the issuance thereof; funding the grants to be made pursuant to section 15 of this act; and financing the acquisition of school facilities projects to permit the refinancing of debt by the district pursuant to section 16 of this act. The aggregate principal amount of the bonds, notes or other obligations issued by the facilities authority shall not exceed: $100,000,000 for the State share of costs for county vocational school district school facilities projects; $6,000,000,000 for the State share of costs for Abbott district school facilities projects; and $2,500,000,000 for the State share of costs for school facilities projects in all other districts. This limitation shall not include any bonds, notes or other obligations issued for refunding purposes.
   
   The authority may establish reserve funds to further secure bonds and refunding bonds issued pursuant to this section and may issue bonds to pay for the administrative, insurance and operating costs of the authority in carrying out the provisions of this act. In addition to its bonds and refunding bonds, the authority shall have the power to issue subordinated indebtedness, which shall be subordinate in lien to the lien of any or all of its bonds or refunding bonds as the authority may determine.
   
   b. The authority shall issue the bonds or refunding bonds in such manner as it shall determine in accordance with the provisions of this act and P.L.1974, c.80 (C.34:1B-1 et seq.); provided that notwithstanding any other law to the contrary, no resolution adopted by the authority authorizing the issuance of bonds or refunding bonds pursuant to this section shall be adopted or otherwise made effective without the approval in writing of the State Treasurer; and refunding bonds issued to refund bonds issued pursuant to this section shall be issued on such terms and conditions as may be determined by the authority and the State Treasurer. The authority may, in any resolution authorizing the issuance of bonds or refunding bonds issued pursuant to this section, pledge the contract with the State Treasurer provided for pursuant to section 18 of this act, or any part thereof, or may pledge all or any part of the repayments of loans made to local units
pursuant to section 19 of this act for the payment or redemption of the bonds or refunding bonds, and covenant as to the use and disposition of money available to the authority for payment of the bonds and refunding bonds. All costs associated with the issuance of bonds and refunding bonds by the authority for the purposes set forth in this act may be paid by the authority from amounts it receives from the proceeds of the bonds or refunding bonds, and from amounts it receives pursuant to sections 17, 18, and 19 of this act. The costs may include, but shall not be limited to, any costs relating to the issuance of the bonds or refunding bonds, administrative costs of the authority attributable to the making and administering of loans and grants to fund school facilities projects, and costs attributable to the agreements entered into pursuant to subsection d. of this section.

c. Each issue of bonds or refunding bonds of the authority shall be special obligations of the authority payable out of particular revenues, receipts or funds, subject only to any agreements with the holders of bonds or refunding bonds, and may be secured by other sources of revenue, including, but not limited to, one or more of the following:

(1) Pledge of the revenues and other receipts to be derived from the payment of local unit obligations and any other payment made to the authority pursuant to agreements with any local unit, or a pledge or assignment of any local unit obligations, and the rights and interest of the authority therein;

(2) Pledge of rentals, receipts and other revenues to be derived from leases or other contractual arrangements with any person or entity, public or private, including one or more local units, or a pledge or assignment of those leases or other contractual arrangements and the rights and interests of the authority therein;

(3) Pledge of all moneys, funds, accounts, securities and other funds, including the proceeds of the bonds;

(4) Pledge of the receipts to be derived from payments of State aid to the authority pursuant to section 21 of this act;

(5) Pledge of the contract or contracts with the State Treasurer pursuant to section 18 of this act;

(6) Pledge of any sums remitted to the local unit by donation from any person or entity, public or private, subject to the approval of the State Treasurer;

(7) A mortgage on all or any part of the property, real or personal, comprising a school facilities project then owned or thereafter to be acquired, or a pledge or assignment of mortgages made to the authority by any person or entity, public or private, including one or more local units and rights and interests of the authority therein; and
(8) The receipt of any grants, reimbursements or other payments from the federal government.

d. The resolution authorizing the issuance of bonds or refunding bonds pursuant to this section may also provide for the authority to enter into any revolving credit agreement, agreement establishing a line of credit or letter of credit, reimbursement agreement, interest rate exchange agreement, currency exchange agreement, interest rate floor or cap, options, puts or calls to hedge payment, currency, rate, spread or similar exposure or similar agreements, float agreements, forward agreements, insurance contracts, surety bonds, commitments to purchase or sell bonds, purchase or sale agreements, or commitments or other contracts or agreements and other security agreements approved by the authority in connection with the issuance of the bonds or refunding bonds pursuant to this section. In addition, the authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or other funds, including, without limitation, grants from the federal government for school facilities projects, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the authority or appropriations, grants, reimbursements or other funds or revenues of the authority.

e. The authority is authorized to engage, subject to the approval of the State Treasurer and in such manner as the State Treasurer shall determine, the services of financial advisors and experts, placement agents, underwriters, appraisers, and other advisors, consultants and agents as may be necessary to effectuate the financing of school facilities projects.

f. Bonds and refunding bonds issued by the authority pursuant to this section shall be special and limited obligations of the authority payable from, and secured by, funds and moneys determined by the authority in accordance with this section. Notwithstanding any other provision of law or agreement to the contrary, any bonds and refunding bonds issued by the authority pursuant to this section shall not be secured by the same property as bonds and refunding bonds issued by the authority to finance projects other than school facilities projects. Neither the members of the authority nor any other person executing the bonds or refunding bonds shall be personally liable with respect to payment of interest and principal on these bonds or refunding bonds. Bonds or refunding bonds issued pursuant to this section shall not be a debt or liability of the State or any agency or instrumentality thereof, except as otherwise provided by this subsection, either legal, moral or otherwise, and nothing contained in this act shall be construed to authorize the authority to incur any indebtedness on behalf of or in any way to obligate the State or any political subdivision thereof, and
all bonds and refunding bonds issued by the authority shall contain a statement to that effect on their face.

g. The State hereby pledges and covenants with the holders of any bonds or refunding bonds issued pursuant to this act that it will not limit or alter the rights or powers vested in the authority by this act, nor limit or alter the rights or powers of the State Treasurer in any manner which would jeopardize the interest of the holders or any trustee of the holders, or inhibit or prevent performance or fulfillment by the authority or the State Treasurer with respect to the terms of any agreement made with the holders of the bonds or refunding bonds or agreements made pursuant to subsection d. of this section; except that the failure of the Legislature to appropriate moneys for any purpose of this act shall not be deemed a violation of this section.

h. The authority may charge to and collect from local units, districts, the State and any other person, any fees and charges in connection with the authority's actions undertaken with respect to school facilities projects, including, but not limited to, fees and charges for the authority's administrative, organization, insurance, operating and other expenses incident to the financing, planning, design, construction management, acquisition, construction, completion and placing into service and maintenance of school facilities projects. Notwithstanding any provision of this act to the contrary, no district in Level II monitoring pursuant to section 14 of P.L.1975, c.212 (C.18A:7A-14) as of the effective date of P.L.2000, c.72 (C.18A:7G-1 et al.), or a district whose district aid percentage is greater than or equal to 55% but less than 100% shall be responsible for the payment of any fees and charges related to the authority's operating expenses.

34. Section 2 of P.L.1979, c.294 (C.18A:22-8.1) is amended to read as follows:

C.18A:22-8.1 Transfer of funds, conditions.

2. Except as otherwise provided pursuant to this section, whenever a school district desires to transfer amounts among line items and program categories, the transfers shall be by resolution of the board of education approved by a two-thirds affirmative vote of the authorized membership of the board; however, a board may, by resolution, designate the chief school administrator to approve such transfers as are necessary between meetings of the board. Transfers approved by the chief school administrator shall be reported to the board, ratified and duly recorded in the minutes at a subsequent meeting of the board, but not less than monthly. Transfers of surplus amounts or any other unbudgeted or underbudgeted revenue to line items and program categories shall require the approval of the Commissioner of Education and shall only be approved between April 1 and June
30 for line items and program categories necessary to achieve the thorough­ness standards established pursuant to subsection a. of section 4 of P.L.1996, c.138 (C18A:7F-4); except that upon a two-thirds affirmative vote of the authorized membership of a board of education, the board may petition the commissioner for authority to transfer such revenue prior to April 1 due to an emergent circumstance and the commissioner may authorize the transfer if he determines that the transfer is necessary to meet such emergency. Transfers from any general fund appropriation account that, on a cumulative basis, exceed 10% of the amount of the account included in the school district's budget as certified for taxes shall require the approval of the commissioner. In a school district wherein the Commis­sioner of Education has directed an in-depth evaluation pursuant to subsection e. of section 14 of P.L.1975, c.212 (C.18A:7A-14), the board of education shall obtain the written approval of the county superintendent of schools prior to implementing any board authorized transfer of funds.

35. Section 67 of P.L.2002, c.43 (C.52:27BBB-63) is amended to read as follows:

C.52:27BBB-63 Membership of board of education in qualified municipality increased; appointments; terms.

67. a. The membership of the board of education serving in a school district which is contiguous with a qualified municipality and which is subject to level II monitoring or level III monitoring pursuant to section 14 of P.L.1975, c.212 (C.18A:7A-14) prior to the effective date of P.L.2005, c.235 shall be increased as set forth in this section in order to ensure the State's and the municipality's ability to participate in the activities of the board. The membership of the board of education serving in a school district which is contiguous with a qualified municipality so designated after the effective date of P.L.2005, c.235 and which is directed to enter partial State intervention pursuant to section 14 of P.L.1975, c.212 (C.18A:7A-14) shall be increased as set forth in this section in order to ensure the State's and the municipality's ability to participate in the activities of the board. Board members appointed by the Governor or mayor shall be voting members of the board and shall have all the rights, powers and privileges of a member of the board. Members appointed by the Governor or mayor shall serve at the pleasure of the Governor or mayor, as appropriate. Any vacancy in the membership appointed by the Governor or mayor shall be filled in the same manner as the original appointment, but for the unexpired term only. returns to the number on the board prior to the designation of the qualified municipality. Members appointed thereafter shall serve for a term of three years as provided in this section.

In order to ensure substantial local representation on any such board, in no case shall the number of the positions appointed by the mayor and elected by the voters, combined, constitute less than a majority of the total positions on the board. This section shall not apply to State-operated school districts established pursuant to P.L.1987, c.399 (C.18A:7A-34 et seq.) prior to the effective date of P.L.2005, c.235 or a district under full State intervention established pursuant to P.L.1987, c.399 (C.18A:7A-34 et seq.) after the effective date of P.L.2005, c.235.

The first two positions on the board, the terms of which expire after the designation of a qualified municipality, shall be abolished upon expiration of their terms and shall not be filled by mayoral appointments so that the total membership of the board returns to five members. The Governor shall continue to make appointments to fill the positions held by the gubernatorial appointees, when their terms expire or when a vacancy occurs, until after the tenth year following the designation of the qualified municipality. Beginning in the first year following the tenth year after the designation of the qualified municipality, vacancies resulting from the expiration of a term, or for any other reason, in any position on the board filled by gubernatorial appointment shall be filled in the same manner as provided before the designation of the qualified municipality.

CHAPTER 238

AN ACT concerning liability for the discharge of hazardous substances, and amending P.L.1976, c.141.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1976, c.141 (C.58:10-23.1 lg) is amended to read as follows:

C.58:10-23.11g Liability for cleanup and removal costs.

8. a. The fund shall be strictly liable, without regard to fault, for all cleanup and removal costs and for all direct and indirect damages no matter by whom sustained, including but not limited to:

(1) The cost of restoring, repairing, or replacing any real or personal property damaged or destroyed by a discharge, any income lost from the time such property is damaged to the time such property is restored, repaired or replaced, and any reduction in value of such property caused by such discharge by comparison with its value prior thereto;

(2) The cost of restoration and replacement, where possible, of any natural resource damaged or destroyed by a discharge;

(3) Loss of income or impairment of earning capacity due to damage to real or personal property, including natural resources destroyed or damaged by a discharge; provided that such loss or impairment exceeds 10% of the amount which claimant derives, based upon income or business records, exclusive of other sources of income, from activities related to the particular real or personal property or natural resources damaged or destroyed by such discharge during the week, month or year for which the claim is filed;

(4) Loss of tax revenue by the State or local governments for a period of one year due to damage to real or personal property proximately resulting from a discharge;

(5) Interest on loans obtained or other obligations incurred by a claimant for the purpose of ameliorating the adverse effects of a discharge pending the payment of a claim in full as provided by this act.
b. The damages which may be recovered by the fund, without regard to fault, subject to the defenses enumerated in subsection d. of this section against the owner or operator of a major facility or vessel, shall not exceed $50,000,000.00 for each major facility or $1,200 per gross ton for each vessel, except that such maximum limitation shall not apply and the owner or operator shall be liable, jointly and severally, for the full amount of such damages if it can be shown that such discharge was the result of (1) gross negligence or willful misconduct, within the knowledge and privity of the owner, operator or person in charge, or (2) a gross or willful violation of applicable safety, construction or operating standards or regulations. Damages which may be recovered from, or by, any other person shall be limited to those authorized by common or statutory law.

c. (1) Except as provided in section 2 of P.L.2005, c.43 (C.58:10-11g12), any person who has discharged a hazardous substance, or is in any way responsible for any hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs no matter by whom incurred. Such person shall also be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs incurred by the department or a local unit pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.11f).

(2) In addition to the persons liable pursuant to this subsection, in the case of a discharge of a hazardous substance from a vessel into the waters of the State, the owner or operator of a refinery, storage, transfer, or pipeline facility to which the vessel was en route to deliver the hazardous substance who, by contract, agreement, or otherwise, was scheduled to assume ownership of the discharged hazardous substance, and any other person who was so scheduled to assume ownership of the discharged hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs if the owner or operator of the vessel did not have the evidence of financial responsibility required pursuant to section 2 of P.L.1991, c.58 (C.58:10-23.11g2).

Where a person is liable for cleanup and removal costs as provided in this paragraph, any expenditures made by the administrator for that cleanup and removal shall constitute a debt of that person to the fund. The debt shall constitute a lien on all property owned by that person when a notice of lien identifying the nature of the discharge and the amount of the cleanup, removal and related costs expended from the fund is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the liable person and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and
removal, shall attach to the revenues and all real and personal property of
the liable person, whether or not that person is insolvent.

For the purpose of determining priority of this lien over all other claims
or liens which are or have been filed against the property of an owner or
operator of a refinery, storage, transfer, or pipeline facility, the lien on the
facility to which the discharged hazardous substance was en route shall have
priority over all other claims or liens which are or have been filed against
the property. The notice of lien filed pursuant to this paragraph which
affects any property of a person liable pursuant to this paragraph other than
the property of an owner or operator of a refinery, storage, transfer, or
pipeline facility to which the discharged hazardous substance was en route,
shall have priority from the day of the filing of the notice of the lien over all
claims and liens filed against the property, but shall not affect any valid lien,
right, or interest in the property filed in accordance with established
procedure prior to the filing of a notice of lien pursuant to this paragraph.

To the extent that a person liable pursuant to this paragraph is not
otherwise liable pursuant to paragraph (1) of this subsection, or under any
other provision of law or under common law, that person may bring an
action for indemnification for costs paid pursuant to this paragraph against
any other person who is strictly liable pursuant to paragraph (1) of this
subsection.

Nothing in this paragraph shall be construed to extend or negate the
right of any person to bring an action for contribution that may exist under
P.L.1976, c.141, or any other act or under common law.

(3) In addition to the persons liable pursuant to this subsection, any
person who owns real property acquired on or after September 14, 1993 on
which there has been a discharge prior to the person's acquisition of that
property and who knew or should have known that a hazardous substance
had been discharged at the real property, shall be strictly liable, jointly and
severally, without regard to fault, for all cleanup and removal costs no
matter by whom incurred. Such person shall also be strictly liable, jointly
and severally, without regard to fault, for all cleanup and removal costs
incurred by the department or a local unit pursuant to subsection b. of
section 7 of P.L.1976, c.141 (C.58:10-23.11f). Nothing in this paragraph
shall be construed to alter liability of any person who acquired real property
prior to September 14, 1993.

d. (1) In addition to those defenses provided in this subsection, an act or
omission caused solely by war, sabotage, or God, or a combination thereof,
shall be the only defenses which may be raised by any owner or operator of
a major facility or vessel responsible for a discharge in any action arising
under the provisions of this act.
(2) A person, including an owner or operator of a major facility, who owns real property acquired on or after September 14, 1993 on which there has been a discharge, shall not be liable for cleanup and removal costs or for any other damages to the State or to any other person for the discharged hazardous substance pursuant to subsection c. of this section or pursuant to civil common law, if that person can establish by a preponderance of the evidence that subparagraphs (a) through (d) apply, or if applicable, subparagraphs (a) through (e) apply:

(a) the person acquired the real property after the discharge of that hazardous substance at the real property;

(b) (i) at the time the person acquired the real property, the person did not know and had no reason to know that any hazardous substance had been discharged at the real property, or (ii) the person acquired the real property by devise or succession, except that any other funds or property received by that person from the deceased real property owner who discharged a hazardous substance or was in any way responsible for a hazardous substance, shall be made available to satisfy the requirements of P.L.1976, c.141, or (iii) the person complies with the provisions of subparagraph (e) of paragraph (2) of this subsection;

(c) the person did not discharge the hazardous substance, is not in any way responsible for the hazardous substance, and is not a corporate successor to the discharger or to any person in any way responsible for the hazardous substance or to anyone liable for cleanup and removal costs pursuant to this section;

(d) the person gave notice of the discharge to the department upon actual discovery of that discharge.

To establish that a person had no reason to know that any hazardous substance had been discharged for the purposes of this paragraph (2), the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property. For the purposes of this paragraph (2), all appropriate inquiry shall mean the performance of a preliminary assessment, and site investigation, if the preliminary assessment indicates that a site investigation is necessary, as defined in section 23 of P.L.1993, c.139 (C.58:10B-1), and performed in accordance with rules and regulations promulgated by the department defining these terms.

Nothing in this paragraph (2) shall be construed to alter liability of any person who acquired real property prior to September 14, 1993; and

(e) For the purposes of this subparagraph the person must have (i) acquired the property subsequent to a hazardous substance being discharged on the site and which discharge was discovered at the time of acquisition as a result of the appropriate inquiry, as defined in this paragraph (2), (ii)
performed, following the effective date of P.L.1997, c.278, a remediation of the site or discharge consistent with the provisions of section 35 of P.L.1993, c.139 (C.58:10B-12), or, relied upon a valid no further action letter from the department for a remediation performed prior to acquisition, or obtained approval of a remedial action workplan by the department after the effective date of P.L.1997, c.278 and continued to comply with the conditions of that workplan, and (iii) established and maintained all engineering and institutional controls as may be required pursuant to sections 35 and 36 of P.L.1993, c.139. A person who complies with the provisions of this subparagraph by actually performing a remediation of the site or discharge as set forth in (ii) above shall be issued, upon application, a no further action letter by the department. A person who complies with the provisions of this subparagraph either by receipt of a no further action letter from the department following the effective date of P.L.1997, c.278, or by relying on a previously issued no further action letter shall not be liable for any further remediation including any changes in a remediation standard or for the subsequent discovery of a hazardous substance, at the site, or emanating from the site, if the remediation was for the entire site, and the hazardous substance was discharged prior to the person acquiring the property. Notwithstanding any other provisions of this subparagraph, a person who complies with the provisions of this subparagraph only by virtue of the existence of a previously issued no further action letter shall receive no liability protections for any discharge which occurred during the time period between the issuance of the no further action letter and the property acquisition. Compliance with the provisions of this subparagraph (e) shall not relieve any person of any liability for a discharge that is off the site of the property covered by the no further action letter, for a discharge that occurs at that property after the person acquires the property, for any actions that person negligently takes that aggravates or contributes to a discharge of a hazardous substance, for failure to comply in the future with laws and regulations, or if that person fails to maintain the institutional or engineering controls on the property or to otherwise comply with the provisions of the no further action letter.

(3) Notwithstanding the provisions of paragraph (2) of this subsection to the contrary, if a person who owns real property obtains actual knowledge of a discharge of a hazardous substance at the real property during the period of that person's ownership and subsequently transfers ownership of the property to another person without disclosing that knowledge, the transferor shall be strictly liable for the cleanup and removal costs of the discharge and no defense under this subsection shall be available to that person.
(4) Any federal, State, or local governmental entity which acquires ownership of real property through bankruptcy, tax delinquency, abandonment, escheat, eminent domain, condemnation or any circumstance in which the governmental entity involuntarily acquires title by virtue of its function as sovereign, or where the governmental entity acquires the property by any means for the purpose of promoting the redevelopment of that property, shall not be liable, pursuant to subsection c. of this section or pursuant to common law, to the State or to any other person for any discharge which occurred or began prior to that ownership. This paragraph shall not provide any liability protection to any federal, State, or local governmental entity which has caused or contributed to the discharge of a hazardous substance. This paragraph shall not provide any liability protection to any federal, State, or local government entity that acquires ownership of real property by condemnation or eminent domain where the real property is being remediated in a timely manner at the time of the condemnation or eminent domain action.

(5) A person, including an owner or operator of a major facility, who owns real property acquired prior to September 14, 1993 on which there has been a discharge, shall not be liable for cleanup and removal costs or for any other damages to the State or to any other person for the discharged hazardous substance pursuant to subsection c. of this section or pursuant to civil common law, if that person can establish by a preponderance of the evidence that subparagraphs (a) through (d) apply:

(a) the person acquired the real property after the discharge of that hazardous substance at the real property;

(b) (i) at the time the person acquired the real property, the person did not know and had no reason to know that any hazardous substance had been discharged at the real property, or (ii) the person acquired the real property by devise or succession, except that any other funds or property received by that person from the deceased real property owner who discharged a hazardous substance or was in any way responsible for a hazardous substance, shall be made available to satisfy the requirements of P.L.1976, c.141;

(c) the person did not discharge the hazardous substance, is not in any way responsible for the hazardous substance, and is not a corporate successor to the discharger or to any person in any way responsible for the hazardous substance or to anyone liable for cleanup and removal costs pursuant to this section;

(d) the person gave notice of the discharge to the department upon actual discovery of that discharge.

To establish that a person had no reason to know that any hazardous substance had been discharged for the purposes of this paragraph (5), the
person must have undertaken, at the time of acquisition, all appropriate inquiry on the previous ownership and uses of the property based upon generally accepted good and customary standards.

Nothing in this paragraph (5) shall be construed to alter liability of any person who acquired real property on or after September 14, 1993.

e. Neither the fund nor the Sanitary Landfill Contingency Fund established pursuant to P.L. 1981, c.306 (C.13:1E-100 et seq.) shall be liable for any damages incurred by any person who is relieved from liability pursuant to subsection e of this section for a remediation that involves the use of engineering controls but the fund and the Sanitary Landfill Contingency Fund shall be liable for any remediation that involves only the use of institutional controls if after a valid no further action letter has been issued the department orders additional remediation except that the fund and the Sanitary Landfill Contingency Fund shall not be liable for any additional remediation that is required to remove an institutional control.

f. Notwithstanding any other provision of this section, a person, who owns real property acquired on or after the effective date of P.L.1997, c.278 (C.58:10B-1.1 et al.), shall not be liable for any cleanup and removal costs or damages, under this section or pursuant to any other statutory or civil common law, to any person, other than the State and the federal government, harmed by any hazardous substance discharged on that property prior to acquisition, and any migration off that property related to that discharge, provided all the conditions of this subsection are met:
(1) the person acquired the real property after the discharge of that hazardous substance at the real property;
(2) the person did not discharge the hazardous substance, is not in any way responsible for the hazardous substance, and is not a corporate successor to the discharger or to any person in any way responsible for the hazardous substance or to anyone liable for a discharge pursuant to this section;
(3) the person gave notice of the discharge to the department upon actual discovery of that discharge;
(4) within 30 days after acquisition of the property, the person commenced a remediation of the discharge, including any migration, pursuant to a department oversight document executed prior to acquisition, and the department is satisfied that remediation was completed in a timely and appropriate fashion; and
(5) Within ten days after acquisition of the property, or within 30 days after the expiration of the period or periods allowed for the right of redemption pursuant to tax foreclosure law, the person agrees in writing to provide access to the State for remediation and related activities, as determined by the State.
The provisions of this subsection shall not relieve any person of any liability:

(1) for a discharge that occurs at that property after the person acquired the property;

(2) for any actions that person negligently takes that aggravates or contributes to the harm inflicted upon any person;

(3) if that person fails to maintain the institutional or engineering controls on the property or to otherwise comply with the provisions of a no further action letter or a remedial action workplan and a person is harmed thereby;

(4) for any liability to clean up and remove, pursuant to the department's regulations and directions, any hazardous substances that may have been discharged on the property or that may have migrated therefrom; and

(5) for that person's failure to comply in the future with laws and regulations.

g. Nothing in the amendatory provisions to this section adopted pursuant to P.L.1997, c.278 shall be construed to remove any defense to liability that a person may have had pursuant to subsection e. of this section that existed prior to the effective date of P.L.1997, c.278.

h. Nothing in this section shall limit the requirements of any person to comply with P.L.1983, c.330 (C.13:1K-6 et seq.).

2. This act shall take effect 120 days after enactment.

Approved October 31, 2005.

CHAPTER 239

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346
(C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.
(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall
be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average payroll.

(C) Specially assigned rates.

(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and
if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.

(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S. 43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller
as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{3}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by $\frac{6}{10}$ of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by $\frac{3}{10}$ of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for
a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) (Deleted by amendment, P.L.2004, c.45).
(v) With respect to the experience rating year beginning on July 1, 2003, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 1998 until December 31, 1998, a factor of 12%;
From January 1, 1999 until December 31, 1999, a factor of 10%;
From January 1, 2000 until December 31, 2000, a factor of 7%;
From January 1, 2002 until March 31, 2002, a factor of 36%;
From April 1, 2002 until June 30, 2002, a factor of 85%;
From July 1, 2002 until June 30, 2003, a factor of 15%;
From July 1, 2003 until June 30, 2004, a factor of 15%; and
From July 1, 2004 until June 30, 2005, a factor of 7%; and
From July 1, 2005 until June 30, 2006, a factor of 16%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.
(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, March 31, 1998 or March 31, 1999, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor and Workforce Development shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1997, March 31, 1998 or March 31, 1999, as applicable, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, July 1, 1998, July 1, 1999, as applicable, of at least 3.00%. If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 2000, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor and Workforce Development shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 2000, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 2000 of at least 3.00%.

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.
CHAPTER 239, LAWS OF 2005

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.
(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer who transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.
(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provi-
sion of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (i), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 etc.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that
employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that
employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages
are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28.)
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the
"Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in
section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.
(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:
   (i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et seq.);
   (ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;
   (iii) 11/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:
   (i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;
   (ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;
   (iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;
   (iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;
   (v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.
(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E)(1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.
(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

2. R.S.43:21-11 is amended to read as follows:

**Administration.**

43:21-11. (a) Duties and powers of the Department of Labor and Workforce Development. The department shall have power and authority to adopt, amend, or rescind such rules and regulations, require such reports, make such investigations, and take such other action as it deems necessary or suitable or to administer this chapter; provided that the Commissioner of Labor and Workforce Development may delegate such power and authority, subject to his ultimate supervision and control. Such rules and regulations shall be effective upon publication in the manner, not inconsistent with the provisions of this chapter, which the department shall prescribe. The department shall determine its own organization and methods of procedure, in accordance with the provisions of this chapter. Whenever the department believes that a change in contribution or benefit rates will become necessary to protect the solvency of the fund, it shall promptly so inform the Governor and the Legislature, and make recommendations with respect thereto.

(b) Regulations and general and special rules. General and special rules may be adopted, amended, or rescinded by the department. General rules shall become effective 10 days after filing with the Secretary of State and publication in one or more newspapers of general circulation in this State. Special rules shall become effective 10 days after notification to or mailing to the last known address of the individuals or concerns affected thereby. Regulations may be adopted, amended, or rescinded by the department and shall become effective in the manner and at the time prescribed by the department.

(c) Publication. The department shall cause to be printed for distribution to the public the text of this chapter, the department's regulations and general rules, its annual reports to the Governor, and any other material the
department deems relevant and suitable and shall furnish the same to any person upon application therefor.

(d) Personnel. Subject to other provisions of this chapter, the department is authorized to appoint (subject to the provisions of Title 11, Civil Service), fix the compensation, and prescribe the duties and powers of such officers, accountants, attorneys, experts, and other persons as may be necessary in the performance of its duties under R.S. 43:21-1 et seq. All positions shall be filled by persons selected and appointed on a nonpartisan merit basis from lists of eligible persons prepared by the Civil Service Commission, in accordance with the provisions of Title 11, Civil Service, except that any attorney, now or hereafter in office or position of legal assistant for the department, shall be placed in the exempt class of the civil service and thereafter shall not be subject to removal except for cause and then only in accordance with the provisions of Title 11, Civil Service; provided, however, that nothing herein shall be construed to apply to any attorney designated as special counsel in accordance with the provisions of sections 43:21-6, subsection (h), and 43:21-17. The division shall not employ or pay any person who is an officer or committee member of any political party organization. The commissioner may delegate to any such person so appointed such power and authority as he deems reasonable and proper for the effective administration of this chapter, and may in his discretion bond any person handling moneys or signing checks hereunder.

(e) Employment Security Council. There shall be within the department an Employment Security Council, as established and constituted under the Department of Labor and Industry Act of 1948 (P.L. 1948, c. 446; C. 34:1A-1 et seq.).

(f) Employment stabilization. The department, with the advice and aid of the Employment Security Council, shall take all appropriate steps to reduce and prevent unemployment; to encourage and assist in the adoption of practical methods of vocational training, retraining and vocational guidance; to investigate, recommend, advise, and assist in the establishment and operation, by municipalities, counties, school districts, and the State, of reserves for public works to be used in times of business depression and unemployment; to promote the re-employment of unemployed workers throughout the State in every other way that may be feasible, and to these ends to carry on and publish the records of investigations and research studies.

(g) Records and reports. Each employing unit shall keep true and accurate employment records, containing such information as may be prescribed. Such records shall be open to inspection and be subject to being copied by the director of the division and the controller or their authorized representatives at any reasonable time. The department may require from
any employing unit any sworn or unsworn reports, with respect to persons
employed by it, which are deemed necessary for the effective administration
of this chapter. Under such rules and regulations as may be adopted by the
department, reports relative to wages and separation from employment may
be required from any employer or employing unit at the time such employer
or employing unit suspends business operations in this State, or from any
employer or employing unit which fails to cooperate in submitting promptly
the wage and employment data which may be required under paragraph (2)
of subsection (b) of section 43:21-6 of this Title. If the nature of such
suspension is temporary or in the nature of a transfer, then the employer or
employing unit may be excused from furnishing such a termination report
upon assurances that proper arrangements have been made to supply any
information which may be required under paragraph (2) of subsection (b)
of section 43:21-6 of this Title. The department may require from any
employer or employing unit reports relative to wages and separation in such
manner and at such time as may be necessary for the effective administration
of this chapter.

All records, reports and other information obtained from employers and
employees under this chapter, except to the extent necessary for the proper
administration of this chapter, shall be confidential and shall not be pub­
lished or open to public inspection other than to public employees in the
performance of their public duties, and shall not be subject to subpoena or
admissible in evidence in any civil action or proceeding other than one
arising under this chapter, but any claimant at a hearing before an appeal
tribunal, the division or the board of review shall be supplied with informa­
tion from such records to the extent necessary for the proper presentation of
his claim. Any officer or employee of the department who violates any
 provision of this section shall be liable to a fine of $200.00, to be recovered
in a civil action in the name of the division, said fine when recovered to be
paid to the unemployment compensation auxiliary fund for the use of said
fund.

(h) Oaths and witnesses. In the discharge of the duties imposed by this
chapter, the controller, the appeal tribunal and any duly authorized represen­
tative or member of the division, the director or any deputy director thereof
or member of the board of review shall have power to administer oaths and
affirmations, take depositions, certify to official acts, and issue subpenas to
compel the attendance of witnesses and the production of books, papers,
correspondence, memoranda and other records deemed necessary as evi­
dence in connection with a disputed claim or the administration of this
chapter. Witnesses subpoenaed pursuant to this section shall in the discretion
of the department be allowed fees at a rate to be fixed by it. Such fees shall
be deemed a part of the expense of administering this chapter.
(i) Subpenas. In case of contumacy by or refusal to obey a subpena issued to any person, any court of this State within the jurisdiction of which the inquiry is carried on or within the jurisdiction of which said person guilty of contumacy or refusal to obey is found or resides or transacts business, upon application by the department or its duly authorized representative, or the board of review, shall have jurisdiction to issue to such person an order requiring such person to appear before the board of review or a member thereof, the department or its duly authorized representative, there to produce evidence if so ordered or there to give testimony touching the matter under investigation or in question; and any failure to obey such order of the court may be punished by said court as a contempt thereof. Any person who shall without just cause fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, and other records, if it is in his power so to do, in obedience to a subpena of the division or of the board of review shall be punished by a fine of not more than $200.00 or by imprisonment for not longer than 60 days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(j) Protection against self-incrimination. No person shall be excused from attending and testifying or from producing books, papers, correspondence, memoranda and other records before the department or the board of review or in obedience to the subpena of a member of the department or the board of review or a member thereof, or any duly authorized representative thereof in any cause or proceeding before the department, the board of review or a member thereof, on the ground that the testimony or evidence, documentary or otherwise, required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no individual shall be prosecuted or subject to any penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that such individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

(k) State-Federal cooperation. In the administration of this chapter the department shall cooperate to the fullest extent, consistent with the provisions of this chapter, with the United States Department of Labor to secure to this State and its citizens all advantages available under the provisions of the Social Security Act (42 U.S.C. s. 301 et seq.), as amended, the Federal Unemployment Tax Act (26 U.S.C. s. 3301 et seq.), as amended, and the Wagner-Peyser Act (29 U.S.C. s. 49 et seq.), as amended; shall make such reports, in such form and containing such information as the United States Secretary of Labor may from time to time require; and shall comply with
such provisions as the United States Secretary of Labor may from time to
time find necessary to assure the correctness and verification of such reports;
and shall comply with the regulations prescribed by the United States Secre­
tary of Labor governing the expenditure of such sums as may be allotted and
paid to this State under any of such federal acts.

Upon request therefor, the department shall furnish to any agency of the
United States charged with the administration of public works or assistance
through public employment, the name, address, ordinary occupation and
employment status of each recipient of benefits and such recipient's rights
to further benefits under this chapter.

The department may afford reasonable cooperation with every agency
of the United States charged with the administration of any unemployment
insurance law.

The department is authorized to make such investigations and exercise
such of the other powers provided herein with respect to the administration
of this chapter and to transmit such information and make available such
services and facilities to the agency charged with the administration of any
State or federal unemployment insurance or public employment service law
as it deems necessary or appropriate to facilitate the administration of such
law and to accept and utilize information, services and facilities made
available to this State by such agency.

The department shall adopt regulations prescribed by the United States
Secretary of Labor to address state unemployment tax avoidance and to
insure that the transfer or acquisition of a business is not done for the specific
purpose of avoiding higher contribution rates.

(1) The controller shall establish procedures to identify employers who
engage in the transfer or acquisition of a business, trade or organization for
the purposes of achieving an unemployment tax rate unrelated to employ­
ment experience.

3. R.S.43:21-14 is amended to read as follows:

Periodic contribution reports.

43:21-14. (a) (1) In addition to such reports as may be required under
the provisions of subsection (g) of R.S.43:21-11, every employer shall file
with the controller periodic contribution reports on such forms and at such
times as the controller shall prescribe, to disclose the employer's liability for
contributions under the provisions of this chapter (R.S.43:21-1 et seq.), and
at the time of filing each contribution report shall pay the contributions
required by this chapter (R.S.43:21-1 et seq.), for the period covered by such
report. The controller may require that such reports shall be under oath of
the employer. Any employer who shall fail to file any report, required by the
controller, on or before the last day for the filing thereof shall pay a penalty of $10.00 for each day of delinquency until and including the fifth day following such last day and for any period of delinquency after such fifth day, a penalty of $10.00 a day or 25% of the amount of the contributions due and payable by the employer for the period covered by the report, whichever is the lesser; if there be no liability for contributions for the period covered by any contribution report or in the case of any report other than a contribution report, the employer or employing unit shall pay a penalty of $10.00 a day for each day of delinquency in filing or $50.00, whichever is the lesser; provided, however, that when it is shown to the satisfaction of the controller that the failure to file any such report was not the result of fraud or an intentional disregard of this chapter (R.S.43:21-1 et seq.), or the regulations promulgated hereunder, the controller, in his discretion, may remit or abate any unpaid penalties heretofore or hereafter imposed under this section. On or before October 1 of each year, the controller shall submit to the Commissioner of Labor and Workforce Development a report covering the 12-month period ending on the preceding June 30, and showing the names and addresses of all employers for whom the controller remitted or abated any penalties, or ratified any remission or abatement of penalties, and the amount of such penalties with respect to each employer. Any employer who shall fail to pay the contributions due for any period, on or before the date they are required by the controller to be paid, shall pay interest on the amount thereof from such date until the date of payment thereof, at the rate of 1% a month through June 30, 1981 and at the rate of 1 1/4% a month after June 30, 1981. Upon the written request of any employer or employing unit, filed with the controller on or before the due date of any report or contribution payment, the controller, for good cause shown, may grant, in writing, an extension of time for the filing of such report or the paying of such contribution, with interest at the applicable rate; provided no such extension shall exceed 30 days and that no such extension shall postpone payment of any contribution for any period beyond the day preceding the last day for filing tax returns under Title IX of the federal Social Security Act for the year in which said period occurs.

(2)(A) For the calendar quarter commencing July 1, 1984 and each successive quarter thereafter, each employer shall file a report with the controller within 30 days after the end of each quarter in a form and manner prescribed by the controller, listing the name, social security number and wages paid to each employee and the number of base weeks (as defined in subsection (t) of R.S.43:21-19) worked by the employee during the calendar quarter. (B) Any employer who fails without reasonable cause to comply with the reporting requirements of this paragraph (2) shall be liable for a penalty in the following amount for each employee with respect to whom
the employer is required to file a report but who is not included in the report or for whom the required information is not accurately reported for each employee required to be included, whether or not the employee is included:

(i) For the first failure for one quarter in any eight consecutive quarters, $5.00 for each employee;

(ii) For the second failure for any quarter in any eight consecutive quarters, $10.00 for each employee; and

(iii) For the third failure for any quarter in any eight consecutive quarters, and for any failure in any eight consecutive quarters, which failure is subsequent to the third failure, $25.00 for each employee.

(C) Information reported by employers as requested by this paragraph (2) shall be used by the Department of Labor and Workforce Development for the purpose of determining eligibility for benefits of individuals in accordance with the provisions of R.S.43:21-1 et seq. Notwithstanding the provisions of subsection (g) of R.S.43:21-11, the Department of Labor and Workforce Development is hereby authorized to provide the Department of Human Services and the Higher Education Assistance Authority with information reported by employers as required by this paragraph (2). For each fiscal year, the Director of the Division of Budget and Accounting of the Department of the Treasury shall charge the appropriate account of the Department of Human Services and the Higher Education Assistance Authority in amounts sufficient to reimburse the Department of Labor and Workforce Development for the cost of providing information under this subparagraph (C).

(D) For the purpose of administering the provisions of this paragraph (2), all appropriations, files, books, papers, records, equipment and other property, and employees currently assigned to the Division of Taxation for the implementation of the "Wage Reporting Act," P.L.1980, c.48 (C.54:1-55 et seq.), shall be transferred to the Department of Labor and Workforce Development as of September 1, 1984 in accordance with the provisions of the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

(b) The contributions, penalties, and interest due from any employer under the provisions of this chapter (R.S.43:21-1 et seq.), from the time they shall be due, shall be a personal debt of the employer to the State of New Jersey, recoverable in any court of competent jurisdiction in a civil action in the name of the State of New Jersey; provided, however, that except in the event of fraud, no employer shall be liable for contributions or penalties unless contribution reports have been filed or assessments have been made in accordance with subsection (c) or (d) of this section before four years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), nor shall any employer be required to pay interest on any such contribution
unless contribution reports were filed or assessments made within such four-year period; provided further that if such contribution reports were filed or assessments made within the four-year period, no civil action shall be instituted, nor shall any certificate be issued to the Clerk of the Superior Court under subsection (e) of this section, except in the event of fraud, after six years have elapsed from the last day of the calendar year with respect to which any contributions become payable under this chapter (R.S.43:21-1 et seq.), or July 1, 1958, whichever is later. Payments received from an employer on account of any debt incurred under the provisions of this chapter (R.S.43:21-1 et seq.) may be applied by the controller on account of the contribution liability of the employer and then to interest and penalties, and any balance remaining shall be recoverable by the controller from the employer. Upon application therefor, the controller shall furnish interested persons and entities certificates of indebtedness covering employers, employing units and others for contributions, penalties and interest, for each of which certificates the controller shall charge and collect a fee of $2.00 per name; no such certificate to be issued, however, for a fee of less than $10.00. All fees so collected shall be paid into the unemployment compensation administration fund.

(e) If any employer shall fail to make any report as required by the rules and regulations of the division pursuant to the provisions of this chapter (R.S.43:21-1 et seq.), the controller may make an estimate of the liability of such employer from any information it may obtain, and, according to such estimate so made, assess such employer for the contributions, penalties, and interest due the State from him, give notice of such assessment to the employer, and make demand upon him for payment.

(d) After a report is filed under the provisions of this chapter (R.S.43:21-1 et seq.) and the rules and regulations thereof, the controller shall cause the report to be examined and shall make such further audit and investigation as it may deem necessary, and if therefrom there shall be determined that there is a deficiency with respect to the payment of the contributions due from such employer, the controller shall assess the additional contributions, penalties, and interest due the State from such employer, give notice of such assessment to the employer, and make demand upon him for payment.

(e) As an additional remedy, the controller may issue to the Clerk of the Superior Court of New Jersey a certificate stating the amount of the employer's indebtedness under this chapter (R.S.43:21-1 et seq.) and describing the liability, and thereupon the clerk shall immediately enter upon his record of docketed judgments such certificate or an abstract thereof and duly index the same. Any such certificate or abstract, heretofore or hereafter docketed, from the time of docketing shall have the same force and effect as a judg-
ment obtained in the Superior Court of New Jersey, and the controller shall
have all the remedies and may take all the proceedings for the collection
thereof which may be had or taken upon the recovery of such a judgment in
a civil action upon contract in said court. Such debt, from the time of docket-
ing thereof, shall be a lien on and bind the lands, tenements and
hereditaments of the debtor.

The Clerk of the Superior Court shall be entitled to receive for docketing
such certificate, $0.50, and for a certified transcript of such docket, $0.50.
If the amount set forth in said certificate as a debt shall be modified or
reversed upon review, as hereinafter provided, the Clerk of the Superior
Court shall, when an order of modification or reversal is filed, enter in the
margin of the docket opposite the entry of the judgment, the word "modified"
or "reversed," as the case may be, and the date of such modification or
reversal.

The employer, or any other party having an interest in the property upon
which the debt is a lien, may deposit the amount claimed in the certificate
with the Clerk of the Superior Court of New Jersey, together with an addi-
tional 10% of the amount thereof, or $100.00, whichever amount is the
greater, to cover interest and the costs of court, or in lieu of depositing the
amount in cash, may give a bond to the State of New Jersey in double the
amount claimed in the certificate, and file the same with the Clerk of the
Superior Court. Said bond shall have such surety and shall be approved in
the manner required by the Rules Governing the Courts of the State of New
Jersey.

After the deposit of said money or the filing of said bond, the employer,
or any other party having an interest in the said property, may, after exhaust-
ing all administrative remedies, secure judicial review of the legality or
validity of the indebtedness or the amount thereof, and the said deposit of
cash shall be as security for, and the bond shall be conditioned to prosecute,
the judicial review with effect.

Upon the deposit of said money or the filing of the said bond with the
Clerk of the Superior Court, all proceedings on such judgment shall be
stayed until the final determination of the cause, and the moneys so deposited
shall be subject to the lien of the indebtedness and costs and interest thereon,
and the lands, tenements, and hereditaments of said debtor shall forthwith
be discharged from the lien of the State of New Jersey and no execution shall
issue against the same by virtue of said judgment.

Notwithstanding the provisions of subsections (a) through (c) of this
section, the Department of Labor and Workforce Development may, with
the concurrence of the State Treasurer, when all reasonable efforts to collect
amounts owed have been exhausted, or to avoid litigation, reduce any
liability for contributions, penalties and interest, provided no portion of those
(f) If, not later than two years after the calendar year in which any moneys were erroneously paid to or collected by the controller, whether such payments were voluntarily or involuntarily made or made under mistake of law or of fact, an employer, employing unit, or employee who has paid such moneys shall make application for an adjustment thereof, the said moneys shall, upon order of the controller, be either credited or refunded, without interest, from the appropriate fund. For like cause and within the same period, credit or refund may be so made on the initiative of the controller.

(g) All interest and penalties collected pursuant to this section shall be paid into a special fund to be known as the unemployment compensation auxiliary fund; all moneys in this special fund shall be deposited, administered and disbursed in the same manner and under the same conditions and requirements as is provided by law for other special funds in the State Treasury, and shall be expended, under legislative appropriation, for the purpose of aiding in defraying the cost of the administration of this chapter (R.S.43:21-1 et seq.); for the repayment of any interest bearing advances made from the federal unemployment account pursuant to the provisions of section 1202(b) of the Social Security Act, 42 U.S.C. s.1322; and for essential and necessary expenditures in connection with programs designed to stimulate employment, as determined by the Commissioner of Labor and Workforce Development, except that any moneys in this special fund shall be first applied to aiding in the defraying of necessary costs of the administration of this chapter (R.S.43:21-1 et seq.) as determined by the Commissioner of Labor and Workforce Development. The Treasurer of the State shall be ex officio the treasurer and custodian of this special fund and, subject to legislative appropriation, shall administer the fund in accordance with the directions of the controller. Any balances in this fund shall not lapse at any time, but shall be continuously available, subject to legislative appropriation, to the controller for expenditure. The State Treasurer shall give a separate and additional bond conditioned upon the faithful performance of his duties in connection with the unemployment compensation auxiliary fund, in an amount to be fixed by the division, the premiums for such bond to be paid from the moneys in the said special fund.

(h) All disputes under R.S.43:21-1 et seq. unless specifically indicated otherwise, shall be resolved in accordance with the "Administrative Procedure Act." P.L.1968, c.410 (C.52:14B-1 et seq.).

4. R.S.43:21-16 is amended to read as follows:
Unemployment compensation offenses and penalties.

43:21-16. (a) Whoever makes a false statement or representation, knowing it to be false, or knowingly fails to disclose a material fact, to obtain or increase or attempts to obtain or increase any benefit or other payment under this chapter (R.S.43:21-1 et seq.), or under an employment security law of any other state or of the federal government, either for himself or for any other person, shall be liable to a fine of $20.00 for each offense, or 25% of the amount fraudulently obtained, whichever is greater, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14, said fine when recovered to be paid to the unemployment compensation auxiliary fund for the use of said fund; and each such false statement or representation or failure to disclose a material fact shall constitute a separate offense. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

(b) (1) An employing unit or any officer or agent of an employing unit or any other person who makes a false statement or representation, knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this chapter (R.S.43:21-1 et seq.), or under an employment security law of any other state or of the federal government, or who willfully fails or refuses to furnish any reports required hereunder (except for such reports as may be required under subsection (b) of R.S.43:21-6) or to produce or permit the inspection or copying of records, as required hereunder, shall be liable to a fine of $100.00, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14, said fine when recovered to be paid to the unemployment compensation auxiliary fund for the use of said fund; and each such false statement or representation or failure to disclose a material fact, and each day of such failure or refusal shall constitute a separate offense. Any penalties imposed by this paragraph shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

(2) Any employing unit or any officer or agent of an employing unit or any other person who fails to submit any report required under subsection (b) of R.S.43:21-6 shall be subject to a penalty of $25.00 for the first report not submitted within 10 days after the mailing of a request for such report, and an additional $25.00 penalty may be assessed for the next 10-day period, which may elapse after the end of the initial 10-day period and before the
report is filed; provided that when such report or reports are not filed within
the prescribed time but it is shown to the satisfaction of the director that the
failure was due to a reasonable cause, no such penalty shall be imposed. Any
penalties imposed by this paragraph shall be recovered as provided in sub-
section (e) of R.S. 43:21-14, and when recovered shall be paid to the unem-
ployment compensation auxiliary fund for the use of said fund.

(3) Any employing unit, officer or agent of the employing unit, or any
other person, determined by the controller to have knowingly violated, or
attempted to violate, or advised another person to violate the transfer of
employment experience provisions found at R.S. 43:21-7 (c)(7), or who
otherwise knowingly attempts to obtain a lower rate of contributions by
failing to disclose material information, or by making a false statement, or
by a misrepresentation of fact, shall be subject to a fine of $5,000 or 25% of
the contributions under-reported or attempted to be under-reported, which-
ever is greater, to be recovered as provided in subsection (e) of R.S.
43:21-14, and when recovered to be paid to the unemployment compensation
auxiliary fund for the use of said fund. For the purposes of this subsection,
"knowingly" means having actual knowledge of, or acting with deliberate
ignorance or reckless disregard for the prohibition involved.

(c) Any person who shall willfully violate any provision of this chapter
(R.S. 43:21-1 et seq.) or any rule or regulation thereunder, the violation of
which is made unlawful or the observance of which is required under the
terms of this chapter (R.S. 43:21-1 et seq.), and for which a penalty is neither
prescribed herein nor provided by any other applicable statute, shall be liable
to a fine of $50.00, to be recovered in an action at law in the name of the
Division of Unemployment and Temporary Disability Insurance of the
Department of Labor and Workforce Development of the State of New
Jersey or as provided in subsection (e) of R.S. 43:21-14, said fine when
recovered to be paid to the unemployment compensation auxiliary fund for
the use of said fund; and each day such violation continues shall be deemed
to be a separate offense.

(d) (1) When it is determined by a representative or representatives
designated by the Director of the Division of Unemployment and Temporary
Disability Insurance of the Department of Labor and Workforce Develop-
ment of the State of New Jersey that any person, whether (i) by reason of the
nondisclosure or misrepresentation by him or by another of a material fact
(whether or not such nondisclosure or misrepresentation was known or
fraudulent), or (ii) for any other reason, has received any sum as benefits
under this chapter (R.S. 43:21-1 et seq.) while any conditions for the receipt
of benefits imposed by this chapter (R.S. 43:21-1 et seq.) were not fulfilled
in his case, or while he was disqualified from receiving benefits, or while
otherwise not entitled to receive such sum as benefits, such person, unless
the director (with the concurrence of the controller) directs otherwise by regulation, shall be liable to repay those benefits in full. The sum shall be deducted from any future benefits payable to the individual under this chapter (R.S.43:21-1 et seq.) or shall be paid by the individual to the division for the unemployment compensation fund, and such sum shall be collectible in the manner provided for by law, including, but not limited to, the filing of a certificate of debt with the Clerk of the Superior Court of New Jersey; provided, however, that, except in the event of fraud, no person shall be liable for any such refunds or deductions against future benefits unless so notified before four years have elapsed from the time the benefits in question were paid. Such person shall be promptly notified of the determination and the reasons therefor. Unless such person, within seven calendar days after the delivery of such determination, or within 10 calendar days after such notification was mailed to his last-known address, files an appeal from such determination, such determination shall be final.

(2) Interstate and cross-offset of state and federal unemployment benefits. To the extent permissible under the laws and Constitution of the United States, the commissioner is authorized to enter into or cooperate in arrangements or reciprocal agreements with appropriate and duly authorized agencies of other states or the United States Secretary of Labor, or both, whereby:

(A) Overpayments of unemployment benefits as determined under subsection (d) of R.S.43:21-16 shall be recovered by offset from unemployment benefits otherwise payable under the unemployment compensation law of another state, and overpayments of unemployment benefits as determined under the unemployment compensation law of another state shall be recovered by offset from unemployment benefits otherwise payable under R.S.43:21-1 et seq.; and

(B) Overpayments of unemployment benefits as determined under applicable federal law, with respect to benefits or allowances for unemployment provided under a federal program administered by this State under an agreement with the United States Secretary of Labor, shall be recovered by offset from unemployment benefits otherwise payable under R.S.43:21-1 et seq., or any federal program administered by this State, or under the unemployment compensation law of another state or any federal unemployment benefit or allowance program administered by another state under an agreement with the United States Secretary of Labor, if the other state has in effect a reciprocal agreement with the United States Secretary of Labor as authorized by subsection (g) of 42 U.S.C.s.503, and if the United States agrees, as provided in the reciprocal agreement with this State entered into under subsection (g) of 42 U.S.C.s.503, that overpayments of unemployment benefits as determined under subsection (d) of R.S.43:21-16 and overpayments as determined under the unemployment compensation law
of another state which has in effect a reciprocal agreement with the United States Secretary of Labor as authorized by subsection (g) of 42 U.S.C.s.503, shall be recovered by offset from benefits or allowances otherwise payable under a federal program administered by this State or another state under an agreement with the United States Secretary of Labor.

(e) (1) Any employing unit, or any officer or agent of an employing unit, which officer or agent is directly or indirectly responsible for collecting, truthfully accounting for, remitting when payable any contribution, or filing or causing to be filed any report or statement required by this chapter, or employer, or person failing to remit, when payable, any employer contributions, or worker contributions (if withheld or deducted), or the amount of such worker contributions (if not withheld or deducted), or filing or causing to be filed with the controller or the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey, any false or fraudulent report or statement, and any person who aids or abets an employing unit, employer, or any person in the preparation or filing of any false or fraudulent report or statement with intent to defraud the State of New Jersey or an employment security agency of any other state or of the federal government, or with intent to evade the payment of any contributions, interest or penalties, or any part thereof, which shall be due under the provisions of this chapter (R.S.43:21-1 et seq.), shall be liable for each offense upon conviction before any Superior Court or municipal court, to a fine not to exceed $1,000.00 or by imprisonment for a term not to exceed 90 days, or both, at the discretion of the court. The fine upon conviction shall be payable to the unemployment compensation auxiliary fund. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

(2) Any employing unit, officer or agent of the employing unit, or any other person, who knowingly violates, or attempts to violate, or advise another person to violate the transfer of employment experience provisions found at R.S.43:21-7 (c)(7) shall be, upon conviction before any Superior Court or municipal court, guilty of a crime of the fourth degree. For the purposes of this subsection, "knowingly" means having actual knowledge of, or acting with deliberate ignorance or reckless disregard for the prohibition involved.

(f) Any employing unit or any officer or agent of an employing unit or any other person who aids and abets any person to obtain any sum of benefits under this chapter to which he is not entitled, or a larger amount as benefits than that to which he is justly entitled, shall be liable for each offense upon conviction before any Superior Court or municipal court, to a fine not to exceed $1,000.00 or by imprisonment for a term not to exceed 90 days, or both, at the discretion of the court. The fine upon conviction shall be payable
to the unemployment compensation auxiliary fund. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in this chapter (R.S.43:21-1 et seq.).

(g) There shall be created in the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey an investigative staff for the purpose of investigating violations referred to in this section and enforcing the provisions thereof.

(h) An employing unit or any officer or agent of an employing unit who makes a false statement or representation, knowing it to be false, or who knowingly fails to disclose a material fact, to reduce benefit charges to the employing unit pursuant to paragraph (1) of subsection (c) of R.S.43:21-7, shall be liable to a fine of $1,000, to be recovered in an action at law in the name of the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development of the State of New Jersey or as provided in subsection (e) of R.S.43:21-14. The fine when recovered shall be paid to the unemployment compensation auxiliary fund for the use of the fund. Each false statement or representation or failure to disclose a material fact, and each day of that failure or refusal shall constitute a separate offense. Any penalties imposed by this subsection shall be in addition to those otherwise prescribed in R.S.43:21-1 et seq.

5. This act shall take effect immediately.

Approved December 15, 2005.

CHAPTER 243

AN ACT concerning alcoholic beverages and supplementing Title 33 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.33:1-93.12 Short title.
1. Sections 1 through 9 of this act shall be known and may be cited as the "Malt Alcoholic Beverage Practices Act."

C.33:1-93.13 Findings, declarations relative to malt alcoholic beverages.
2. The Legislature finds and declares that:
   a. The distribution and sale of malt alcoholic beverages in this State vitally affects the general economy and revenues of the State, as well as the public interest and public welfare.
   b. It is appropriate to recognize the guiding characteristics regarding the distribution of malt alcoholic beverages to foster responsible industry practices involving the moderate and responsible use of these beverages, to provide a framework for the malt alcohol beverage industry that recognizes and encourages the beneficial aspects of competition, to provide trade stability, to maintain the three-tier distribution system, to protect the interests of the consumer regarding product quality and freshness and to achieve all facets of the legislatively declared public policy of this State as set forth in section 4 of P.L.1985, c.258 (C.33:1-3.1).
   c. It is therefore fitting and proper to regulate the business relationship between brewers and wholesalers of malt alcoholic beverages and set forth their respective responsibilities to further the public policy of this State and protect beer wholesalers from unreasonable demands and requirements by brewers, while devoting sufficient efforts and resources to the distribution and sale of malt alcoholic beverages.
   d. The Legislature also finds and declares that nothing in sections 1 through 9 of this act shall be construed in any manner whatsoever to apply to wholesalers of wines and spirits and that sections 1 through 9 of the act shall be strictly limited to the responsibilities of brewers and wholesalers. But section 10 of this act shall apply to wholesalers of beer, wine and spirits alike.

C.33:1-93.14 Definitions relative to malt alcoholic beverages.
3. As used in sections 1 through 9 of this act:
   "Base product" is a malt alcoholic beverage product distributed by a wholesaler.
   "Brand extension" means any malt alcoholic beverage product offered for sale in the State, other than on a test market basis in a defined market area, that uses as part of its brand name, logo, packaging or trade dress, including but not limited to, the name of the brewer if the brewer's name is a part of the product name, or that is sold or marketed to the beer trade or to
the consumer substantially in association with, a brand name, logo, packaging or trade dress, including, but not limited to, the name of the brewer if the brewer's name is a part of the product name, of a malt alcoholic beverage product then distributed by a wholesaler.

"Brewer" means any person, whether located within or outside the State who:

a. brews, manufactures, imports, markets or supplies malt alcoholic beverages and sells malt alcoholic beverages to a plenary wholesale licensee or a limited wholesale licensee for the purpose of resale;

b. is an agent or broker of such a person who solicits orders for or arranges sales of such person's malt alcoholic beverages to a plenary wholesale licensee or a limited wholesale licensee for the purpose of resale; or

c. is a successor brewer.

"Fair market value" of an asset means the price at which the asset would change hands between a willing seller and a willing buyer when neither is acting under compulsion and when both have knowledge of the relevant facts.

"Good cause" means and is limited to a failure to substantially comply with reasonable terms contained in a contract or agreement between a brewer and wholesaler that contains the same terms as the brewer's contract with similarly situated United States, not including United States territories or possessions, distributors.

"Person" means a natural person, corporation, partnership, trust, or other entity and, in case of an entity, it shall include any other entity, except a natural person, which has a majority interest in such entity or effectively controls such entity.

"Sale or transfer" means any disposition of a contract, agreement or relationship between a brewer and a wholesaler or of any rights to acquire and distribute products of a brewer, or any interest therein, with or without consideration, including, but not limited to, bequest, inheritance, gift, exchange, lease or license.

"Successor brewer" means any person, not under common control with the predecessor brewer, who by any means, including, without limitation, by way of purchase, assignment, transfer, lease, license, appointment, contract, agreement, joint venture, merger, or other disposition of all or part of the business, assets, including trademarks, brands, distribution rights and other intangible assets, or ownership interests of a brewer, acquires the business or malt alcoholic beverage brands of another brewer, or otherwise succeeds to a brewer's interest with respect to any malt alcoholic beverage brands.

"Wholesaler" means a plenary wholesale licensee or a limited wholesale licensee who purchases malt alcoholic beverages from a brewer for the
C.33:1-93.15 Contract, agreement between brewer and wholesaler.

4. a. Every brewer shall contract and agree in writing with a wholesaler for all supply, distribution and sale of the products of the brewer in this State, and each contract shall provide and specify the rights and duties of the brewer and the wholesaler with regard to such supply, distribution and sale. The terms and provisions of such contracts shall be reasonable, reflect the parties' mutuality of purpose and community of interest in the responsible sale and marketing of their products, and shall comply with and conform to State law and the terms of this act. The provisions of this act may not be waived or modified by written or oral agreement, estoppel or otherwise, and any provision of a contract or ancillary agreement that directly or indirectly requires or amounts to a waiver of any provision of this act, or that would relieve any person of any obligation or liability under this act, or that imposes unreasonable standards of performance on a wholesaler, shall be a violation of this act and shall be null, void and of no effect.

b. This act shall apply to all contracts, agreements and relationships among any brewers and wholesalers, including contracts, agreements or relationships entered into, renewed, extended or modified after the effective date of this act. Contracts, agreements and relationships existing prior to the effective date of this act that are continuing in nature, have an indefinite term or have no specific duration shall be deemed for purposes of this act to have been renewed 60 days after the effective date of this act.

c. The terms or provisions of a contract or agreement between a brewer and wholesaler shall not permit a brewer, and it shall be a violation of this act for a brewer:

(1) to terminate, cancel or refuse to renew a contract, agreement or relationship with a wholesaler, or to fail or refuse to grant to a wholesaler the right to purchase and resell any brand extension under the same form of agreement as the base product, in part or in whole, except where the brewer establishes that it has acted for good cause and in good faith;

(2) to terminate, cancel or refuse to renew a contract, agreement or relationship with a wholesaler, in part or in whole, because the wholesaler refuses or fails to accept an unreasonable amendment to the contract, agreement or relationship;

(3) to terminate, cancel or refuse to renew a contract, agreement or relationship with a wholesaler, in part or in whole, without first giving the wholesaler written notice setting forth all of the alleged deficiencies on the part of the wholesaler and giving the wholesaler a reasonable opportunity of not more than 120 days to cure the alleged deficiencies; provided, how-
ever, that such period for cure may be increased or reduced to a commercially reasonable period by an order of a court in this State in a proceeding in which each party shall bear its own costs and expenses;

(4) to require the brewer's consent to the acquisition, sale or transfer of distribution rights for products other than those of the brewer or of assets unrelated to the distribution of the brewer's products;

(5) to unreasonably withhold consent to a proposed sale or transfer of any ownership interests in the wholesaler to the spouse, children or heirs of existing holders of such ownership interests or to employees of the wholesaler, or to trusts for the benefit of such persons, except upon a statement of reasonable grounds, provided such transfer does not result in a sale or transfer of effective control, including but not limited to a change in the persons holding the majority voting power, of the wholesaler; or to take more than 30 days to approve or disapprove the proposed sale or transfer after the brewer has received written notice of the proposal from the wholesaler and received all reasonably requested information from the wholesaler to enable the brewer to pass upon the proposed sale or transfer.

(6) to unreasonably withhold consent to a proposed sale or transfer, in part or in whole, of any ownership interests in the wholesaler or the distribution rights for the brewer's products, assets of the wholesaler related to the distribution of the brewer's products, or of ownership interests in the wholesaler to other parties, except upon a statement of reasonable grounds that are based upon reasonable, previously announced, in an agreement with its wholesalers or otherwise, standards of the brewer, relating to the qualifications of such transferee relating to the character, financial ability or business experience of the proposed transferee, or relating to the resulting market combinations or territory to be serviced by the transferee; or to take more than 30 days to approve or disapprove the proposed sale or transfer after the brewer has received written notice of the proposal from the wholesaler and received all reasonably requested information from the wholesaler to enable the brewer to pass upon the proposed sale or transfer, provided that such period may be extended by agreement of the parties; provided, however, that at any time within such 30-day period prior to the date on which the brewer approves or disapproves such a proposed sale or transfer, the brewer shall have the right and option to purchase, and in the event of a brewer's disapproval relating to the resulting market combinations or territory to be serviced by the transferee, the wholesaler shall have the right and option to require the brewer to purchase at the price and on the terms and conditions set forth in the agreement between the wholesaler and the proposed transferee, all of the distribution rights, assets or ownership interest that are the subject of the proposed sale or transfer, at the price and on the terms and
conditions set forth in the agreement between the wholesaler and the proposed transferee, subject to the following:

(a) if the proposed transferee is the spouse, children or heirs of existing holders of ownership interests in the wholesaler, then the brewer shall not have the right and option to purchase such ownership interest;

(b) if the proposed transferee is an existing holder of ownership interests in the wholesaler, or is the manager or the successor manager of the wholesaler, then if the brewer exercises its option to purchase under this section, the wholesaler may, instead of selling or transferring to the brewer, rescind the proposed sale or transfer by notice to the brewer; and

(c) the brewer shall complete such purchase within 60 days of its exercise of its right to do so.

(7) to allow more than one wholesaler to sell any of the brewer's product lines or brands within the same territory or area at the same time. This paragraph shall not apply to contracts or agreements entered into prior to the effective date of this act, or future renewals of such contracts or agreements, to the extent that, as permitted under the existing contract or agreement and the future renewals allow, as of the effective date of this act, different wholesalers to sell certain but not all of the brewer's brands or brand extensions within the same territory or area at the same time;

(8) to unreasonably fail to consent to the wholesaler's designation of an individual as the wholesaler's manager or successor-manager in accordance with previously announced non-discriminatory and reasonable qualifications and standards;

(9) to withdraw approval of an individual as the wholesaler's manager or successor-manager unless in good faith and with just cause based upon deficiencies in the performance of the manager or successor-manager, which in the case of the manager shall be material deficiencies;

(10) to prohibit, directly or indirectly, the right of free association among wholesalers for any lawful purpose; or

(11) to fail to act, during the term of the contract, agreement or relationship between them in a manner consistent with the covenant of good faith and fair dealing implicit in State contract law.

A wholesaler also shall act in a manner consistent with the covenant of good faith and fair dealing implied in State contract law.

d. It shall not be a violation of this act for a successor brewer to:

(1) terminate, in whole or in part, its contract, agreement or relationship with a wholesaler, or the contract, agreement or relationship with a wholesaler of the brewer it succeeded, for the purpose of transferring the distribution rights in the wholesaler's territory for the malt alcoholic beverage brands to which the successor brewer succeeded, to a wholesaler or wholesalers that then distributes other products of the successor brewer in such territory,
provided that the successor brewer or the second wholesaler or wholesalers first pays to the first wholesaler the fair market value of the first wholesaler's business with respect to the terminated brand or brands; provided, however, that such termination shall not be permitted, and may be enjoined, where it may cause irreparable injury to the first wholesaler and the standards for injunctive relief are otherwise met; and provided further that a rebuttable presumption of such irreparable injury shall be inferred when the terminated brand or brands represent 20% or more of the first wholesaler's gross sales; or

(2) to assume and continue the contract, agreement or relationship of the brewer it succeeded with a wholesaler in the wholesaler's territory for the malt alcoholic beverage brands to which it succeeded, notwithstanding that the successor brewer distributes other products in such territory through another wholesaler.

e. Whether the terms of a contract, agreement or relationship conform with the provisions of this section shall be determined by a court of this State in the context of a specific case or controversy among wholesalers and brewers only, and not by generally applicable rule, regulation or otherwise. In any such determination proper consideration should be given to relevant precedents provided under the "Franchise Practices Act," P.L.1971, c.356 (C.56:10-1 et seq.), and the fact that a term of a contract, agreement or relationship may be a term of the kind described in section 9 of this act shall not be considered in making such determination.

C.33:1-93.16 Termination of contract, agreement by brewer, conditions.

5. Notwithstanding the provisions of paragraphs (1) through (3) of subsection c. of section 4 of this act, a brewer may immediately terminate a contract or agreement with a wholesaler, to the extent provided in reasonable terms of the contract or agreement that contains the same terms as the brewer's contract with similarly situated United States, not including United States territories or possessions, distributors, if any of the following occur:

a. The assignment or attempted assignment by the wholesaler for the benefit of creditors, the institution of proceedings in bankruptcy by or against the wholesaler, the dissolution or liquidation of the wholesaler, the insolvency of the wholesaler or the wholesaler's failure to pay for malt alcoholic beverages in accordance with the agreed terms;

b. Failure of any owner to sell his ownership interest in a wholesaler within 120 days after the:

(1) owner has been convicted of a felony or crime of the third degree or higher which, in the reasonable judgment of the brewer, may adversely affect the goodwill or interests of the wholesaler or the brewer and the brewer notifies the wholesaler that it requires such sale; or
(2) brewer learns of such conviction and notifies the wholesaler that it requires such sale because, in the reasonable judgment of the brewer, it may adversely affect the goodwill or interests of the wholesaler or the brewer and the brewer notifies the wholesaler that it requires such sale;

c. Fraudulent conduct of the wholesaler, in any of its dealings with the brewer or the brewer's products, that is known to, or should have been known to the senior management or the owners of the wholesaler;

d. Revocation or suspension for more than 31 days of the wholesaler's federal basic permit or of any state or local license required of a wholesaler for the normal operation of its business;

e. Intentional sale, directly or indirectly, of malt alcoholic beverages by a wholesaler outside the sales territory prescribed by the brewer; or

f. Without brewer consent, the wholesaler engages in changes in ownership, the establishment of trusts or other ownership interests, enters into buy-sell agreements, or grants an option to purchase an ownership interest; this provision will not apply if the wholesaler establishes that the brewer's failure to consent, after having received notice as provided in paragraph (5) or (6) of subsection c. of section 4 of this act, was in violation of this act.

C.33:1-93.17 Representation of brewer by wholesaler, standards.

6. During the term of a contract or agreement between a brewer and a wholesaler subject to this act, the wholesaler shall, in accordance with the reasonable standards of such contract or agreement, as reasonably relied upon by the wholesaler, enforced without discriminatory intent and in good faith, and uniformly applicable to similarly situated distributors, maintain physical facilities, equipment and personnel so that the product and brand of the brewer are properly represented in the territory of the wholesaler, the reputation and trade name of the brewer are reasonably protected, and the public is served.

C.33:1-93.18 Actions against brewer, remedies.

7. a. Any brewer or wholesaler may bring an action against a brewer for violation of this act, or against a successor brewer in connection with a termination pursuant to paragraph (1) of subsection d. of section 4 of this act, in the Superior Court of the State of New Jersey. Any brewer who violates any provision of this act, and any successor brewer who terminates a contract, agreement or relationship with a wholesaler pursuant to paragraph (1) of subsection d. of section 4 of this act, shall pay the injured wholesaler all reasonable damages sustained by it as a result of the brewer's violations. Injunctive and other equitable relief also shall be available in appropriate circumstances under the applicable standards for such relief under State law. Injunctive equitable relief shall be granted against an actual or threatened
unlawful failure or refusal to grant a wholesaler the right to purchase and resell a brand extension. The wholesaler or brewer who sues alleging a violation of this act shall, if successful, also be entitled to the costs of the action including, but not limited to, reasonable attorney's fees.

b. Without limiting the provisions of subsection a. of this section, if a brewer violates paragraph (1), (2) or (3) of subsection c. of section 4 of this act, the injured wholesaler's reasonable damages shall include the fair market value of the wholesaler's business with respect to the terminated brand or brands.

c. If a brewer terminates or fails to renew, in whole or in part, a contract, agreement or relationship with a wholesaler for good cause and in good faith, other than terminations or failures to renew properly based upon grounds for immediate termination under section 5 of this act, the brewer shall pay to the wholesaler reasonable compensation, which may be established by a reasonable liquidated damages provision in a written contract or written agreement between the brewer and the wholesaler. Payment for inventory and other tangible assets owned and used by the wholesaler in its operation as a wholesaler for the brewer's products as provided for under the standards of a written contract or agreement, as well as a payment determined by multiplying by two the wholesaler's pre-tax net income attributable to the sale of the brewer's brand or brands for the wholesaler's most recently completed fiscal year preceding the year in which the termination occurs, is deemed to be a reasonable liquidated damages provision under this act for such a termination of the right to distribute brands representing more than 20% of the wholesaler's revenues. This payment shall not be deemed reasonable compensation in any other circumstance or to represent a basis for calculating fair market value. In particular and without limitation, in the case of brands representing 20% or less of a wholesaler's revenues, which may not require significant incremental expenses for delivery, sales and service, making a net income standard inappropriate, such payment shall not be deemed to be a reasonable liquidated damages provision under this act.

d. In the event of a termination under section 5 of this act, payment for inventory in the manner prescribed under the reasonable standards of a contract or agreement is reasonable compensation under this act.

e. Nothing in this act shall be deemed to give a right of action for violation of this act to any third party to the relationship between a brewer and a wholesaler, except for a brewer adversely affected by another brewer's violation of this act with respect to a common wholesaler.

8. If any material provision within any section of this act is held invalid, the remainder of this act and the act as a whole shall be held invalid; pro-
vided that if the application of any material provision within any section of 
this act to any person or circumstance is held invalid, then the remainder of 
this act and the act as a whole shall be held invalid as to such person or 
et seq.) shall not apply to those agreements subject to this act; provided, 
however, that as the material provisions of this act are not severable, this 
section shall not be severable from the provisions of sections 3, 4 and 7 of 
this act, and in the event that any provision thereof is held invalid, then the 
"Franchise Practices Act" shall be fully applicable to the extent it would 
otherwise apply as if this act had not been enacted, and if the application of 
any provision thereof to any person or circumstance is held invalid, then the 
"Franchise Practices Act" shall be fully applicable to such person or circum-
stance to the extent it would otherwise apply as if this act had not been 
enacted with respect to such person or circumstance.

C.33:1-93.20 Justification for input by brewer into operations of wholesaler; conditions, terms.

9. The Legislature finds that where a brewer's products represent more 
than 20% of a wholesaler's gross sales and the brewer and wholesaler have 
a community of interest in the marketing of the brewer's products, there is 
a justification for certain input by the brewer into the operations of the 
wholesaler, but that such input from numerous brewers representing smaller 
percentages of a wholesaler's gross sales might subject wholesalers to 
inconsistent obligations, create uncertainty as to those obligations, and 
interfere unreasonably with the wholesaler's ability to operate its business. 
Accordingly, consistent with the legislatively declared public policy of this 
State in section 4 of P.L.1985, c.258 (C.33:1-3.1), the use of the following 
terms in any agreement or contract, including agreements or contracts 
existing on the effective date of this act, between manufacturers of malt 
alcoholic beverages and wholesalers, shall not be construed to grant such 
manufacturer or wholesaler an interest in another manufacturer or wholesaler 
under the relevant provisions of Title 33 of the Revised Statutes or any rule 
or regulation promulgated thereunder provided that the brewer's products 
represent more than 20% of the wholesaler's gross sales and the brewer and 
wholesaler have a community of interest in the marketing of the brewer's 
products:

a. Terms providing brewers the ability to give reasonable consent to 
wholesaler ownership and management changes, including successor man-
agement;

b. Terms setting forth quality, operational, marketing and sales stan-
dards designed to properly represent the products, brands, reputation and 
trade name of the brewer, in the territory and at retail, including terms under
which a wholesaler commits to provide certain efforts and resources toward a brewer's products;

c. Terms concerning ordering and inventory methods with respect to the brewer's products; and

d. Terms requiring wholesalers to provide financial information to a brewer related to sales and operations of the brewer's products, and reasonable aggregated financial information related to the sales and operations of all other malt alcoholic beverage products distributed by the wholesaler.

C.33:1-43.2 Services, items, equipment, availability to retailers, conditions.

10. a. Manufacturers, importing entities or wholesalers, as these terms are defined in R.S.33:1-1, or third parties at the direction of manufacturers, importing entities or wholesalers, may sell, lease or provide services, items or equipment to retailers that are intended to enhance or protect the quality, display, availability or marketing of their products to consumers, including:

(1) Cleaning and needed repairs of dispensing systems for alcoholic beverage products, including draught systems for malt alcoholic beverages, powered decanter systems for wine and pouring systems, and decanter racks or blending machines for distilled spirits.

(2) Certain equipment, such as tap handles, filters, faucets, tavern heads, regulators, and similar ancillary equipment, that protects the quality or taste of the alcoholic beverage products produced or supplied by the appropriate licensee, subject to the provisions of R.S.33:1-43.1. Substantial equipment such as complete draught or refrigeration systems, or coolant shall only be sold at no less than fair market value; however nothing in this subsection shall be construed to prevent a licensee from renting or providing such substantial equipment to a retailer on a short-term temporary basis for special events.

(3) Delivery of alcoholic beverages into a retail account at the number of locations as mutually agreed upon by the wholesaler and the retailer.

(4) Occasional, unscheduled placing, and stocking of alcoholic beverages sold by the wholesaler within a retail accounts' premises, to ensure the alcoholic beverages will be available for consumers to purchase, as mutually agreed upon by the wholesaler and retailer, and regular rotation of alcoholic beverages sold by the wholesaler as necessary to ensure the freshness of those products with a limited shelf life.

(5) Shelf management, marketing and pricing recommendations, and implementation of shelf management decisions and resets of a manufacturer's supplier's, wholesaler's, or third party's own products as mutually agreed upon by the wholesaler and the retailer.

(6) Building product displays, including price signs denoting prices established by the retailer, sweepstakes prizes for customers as part of a
display and advertising items such as point of sale advertising and consumer novelties, as mutually agreed upon by the wholesaler and retailer.

b. A licensee may provide reasonable entertainment to another licensee, such as engaging in sporting activities, taking a licensee to an entertainment or sports event, or providing meals and beverages to the licensee. The licensee shall not condition the provision of such services, equipment, consumer sweepstakes prizes or entertainment on an agreement to sell the alcoholic beverage products of a manufacturer, supplier or wholesaler. A retailer shall not request the provision of such services, equipment, consumer sweepstakes prizes or entertainment as a condition for selling the alcoholic beverage products of a manufacturer, supplier or wholesaler.

11. This act shall take effect on the first day of the third month after enactment.

Approved December 15, 2005.

Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits
plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection; however, with respect to a health benefits plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), a deductible shall not be applied for any benefits provided pursuant to this subsection that represent preventive care as permitted by that federal law, and shall not be applied as provided pursuant to section 14 of P.L.2005, c.248 (C.17B:27A-7.11). This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

f. Effective immediately for a health benefits plan issued on or after the effective date of P.L.2001, c.361 (C.17:48-6z et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L.2001, c.361 (C.17:48-6z et al.), the health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) that provide benefits for expenses incurred in the purchase of prescription drugs shall provide benefits for expenses incurred in the purchase of specialized non-standard infant formulas, when the covered infant's physician has diagnosed the infant as having multiple food protein intolerance and has determined such formula to be medically necessary, and when the covered infant has not been responsive to trials of standard non-cow milk-based formulas, including soybean and goat milk. The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

g. Effective immediately for an individual health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of an individual health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to section 3 of P.L.1992, c.161 (C.17B:27A-4) that qualify as high deductible health plans for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), including any plan offered by a federally qualified health maintenance organization, shall contain benefits for expenses incurred in connection with any medically necessary benefits provided in-network which represent preventive care as permitted by that federal law.
The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection. This subsection shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

C.17B:27A-7.11 Individual health benefits plan, high deductible, deductible inapplicable, certain circumstances.

14. Notwithstanding the provisions of subsection e. of section 6 of P.L.1992, c.161 (C.17B:27A-7) regarding deductibles for a high deductible health plan, a health benefits plan offered pursuant to P.L.1992, c.161 (C.17B:27A-2 et seq.) on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C.s.223), shall not apply a deductible for any benefits for which a deductible is not applicable pursuant to any law enacted after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.). This section shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

15. Section 3 of P.L.1992, c.162 (C.17B:27A-19) is amended to read as follows:

C.17B:27A-19 Five health benefit plans offered to small employers; exceptions.

3. a. Except as provided in subsection f. of this section, every small employer carrier shall, as a condition of transacting business in this State, offer to every small employer the five health benefit plans as provided in this section. The board shall establish a standard policy form for each of the five plans, which except as otherwise provided in subsection j. of this section, shall be the only plans offered to small groups on or after January 1, 1994. One policy form shall contain the benefits provided for in sections 55, 57, and 59 of P.L.1991, c.187 (C.17:48E-22.2, 17B:26B-2 and 26:2J-4.3). In the case of indemnity carriers, one policy form shall be established which contains benefits and cost sharing levels which are equivalent to the health benefits plans of health maintenance organizations pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C. s.300e et seq.). The remaining policy forms shall contain basic hospital and medical-surgical benefits, including, but not limited to:
   (1) Basic inpatient and outpatient hospital care;
   (2) Basic and extended medical-surgical benefits;
   (3) Diagnostic tests, including X-rays;
(4) Maternity benefits, including prenatal and postnatal care; and

(5) Preventive medicine, including periodic physical examinations and inoculations.

At least three of the forms shall provide for major medical benefits in varying lifetime aggregates, one of which shall provide at least $1,000,000 in lifetime aggregate benefits. The policy forms provided pursuant to this section shall contain benefits representing progressively greater actuarial values.

Notwithstanding the provisions of this subsection to the contrary, the board also may establish additional policy forms by which a small employer carrier, other than a health maintenance organization, may provide indemnity benefits for health maintenance organization enrollees by direct contract with the enrollees' small employer through a dual arrangement with the health maintenance organization. The dual arrangement shall be filed with the commissioner for approval. The additional policy forms shall be consistent with the general requirements of P.L.1992, c.162 (C.17B:27A-17 et seq.).

b. Initially, a carrier shall offer a plan within 90 days of the approval of such plan by the commissioner. Thereafter, the plans shall be available to all small employers on a continuing basis. Every small employer which elects to be covered under any health benefits plan who pays the premium therefor and who satisfies the participation requirements of the plan shall be issued a policy or contract by the carrier.

c. The carrier may establish a premium payment plan which provides installment payments and which may contain reasonable provisions to ensure payment security, provided that provisions to ensure payment security are uniformly applied.

d. In addition to the five standard policies described in subsection a. of this section, the board may develop up to five rider packages. Any such package which a carrier chooses to offer shall be issued to a small employer who pays the premium therefor, and shall be subject to the rating methodology set forth in section 9 of P.L.1992, c.162 (C.17B:27A-25).

e. Notwithstanding the provisions of subsection a. of this section to the contrary, the board may approve a health benefits plan containing only medical-surgical benefits or major medical expense benefits, or a combination thereof, which is issued as a separate policy in conjunction with a contract of insurance for hospital expense benefits issued by a hospital service corporation, if the health benefits plan and hospital service corporation contract combined otherwise comply with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.). Deductibles and coinsurance limits for the contract combined may be allocated between the separate contracts at the discretion of the carrier and the hospital service corporation.
f. Notwithstanding the provisions of this section to the contrary, a
health maintenance organization which is a qualified health maintenance
organization pursuant to the "Health Maintenance Organization Act of
1973," Pub.L.93-222 (42 U.S.C.s.300e et seq.) shall be permitted to offer
health benefits plans formulated by the board and approved by the commis-
sioner which are in accordance with the provisions of that law in lieu of the
five plans required pursuant to this section.

Notwithstanding the provisions of this section to the contrary, a health
maintenance organization which is approved pursuant to P.L.1973, c.337
(C.26:2J-1 et seq.) shall be permitted to offer health benefits plans formu-
lated by the board and approved by the commissioner which are in accor-
dance with the provisions of that law in lieu of the five plans required pursu-
ant to this section, except that the plans shall provide the same level of
benefits as required for a federally qualified health maintenance organization,
including any requirements concerning copayments by enrollees.

g. A carrier shall not be required to own or control a health maintenance
organization or otherwise affiliate with a health maintenance organization
in order to comply with the provisions of this section, but the carrier shall
be required to offer the five health benefits plans which are formulated by
the board and approved by the commissioner, including one plan which
contains benefits and cost sharing levels that are equivalent to those required
for health maintenance organizations.

h. Notwithstanding the provisions of subsection a. of this section to the
contrary, the board may modify the benefits provided for in sections 55, 57

i. (1) In addition to the rider packages provided for in subsection d. of
this section, every carrier may offer, in connection with the five health
benefits plans required to be offered by this section, any number of riders
which may revise the coverage offered by the five plans in any way, pro-
vided, however, that any form of such rider or amendment thereof which
decreases benefits or decreases the actuarial value of one of the five plans
shall be filed for informational purposes with the board and for approval by
the commissioner before such rider may be sold. Any rider or amendment
thereof which adds benefits or increases the actuarial value of one of the five
plans shall be filed with the board for informational purposes before such
rider may be sold.

The commissioner shall disapprove any rider filed pursuant to this
subsection that is unjust, unfair, inequitable, unreasonably discriminatory,
misleading, contrary to law or the public policy of this State. The commis-
sioner shall not approve any rider which reduces benefits below those
required by sections 55, 57 and 59 of P.L.1991, c.187 (C.17:48E-22.2,
17B:26B-2 and 26:2J-4.3) and required to be sold pursuant to this section.
The commissioner’s determination shall be in writing and shall be appealable.

j. (1) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a health benefits plan issued by or through a carrier, association, or multiple employer arrangement prior to January 1, 1994 or, if the requirements of subparagraph (c) of paragraph (6) of this subsection are met, issued by or through an out-of-State trust prior to January 1, 1994, at the option of a small employer policy or contract holder, may be renewed or continued after February 28, 1994, or in the case of such a health benefits plan whose anniversary date occurred between March 1, 1994 and the effective date of P.L.1994, c.11 (C.17B:27A-19.1 et al.), may be reinstated within 60 days of that anniversary date and renewed or continued if, beginning on the first 12-month anniversary date occurring on or after the sixtieth day after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) and, regardless of the situs of delivery of the health benefits plan, the health benefits plan renewed, continued or reinstated pursuant to this subsection complies with the provisions of section 2, subsection b. of section 3, and sections 6, 7, 8, 9 and 11 of P.L.1992, c.162 (C.17B:27A-18, 17B:27A-19, 17B:27A-22, 17B:27A-23, 17B:27A-24, 17B:27A-25 and 17B:27A-27) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

Nothing in this subsection shall be construed to require an association, multiple employer arrangement or out-of-State trust to provide health benefits coverage to small employers that are not contemplated by the organizational documents, bylaws, or other regulations governing the purpose and operation of the association, multiple employer arrangement or out-of-State trust. Notwithstanding the foregoing provision to the contrary, an association, multiple employer arrangement or out-of-State trust that offers health benefits coverage to its members’ employees and dependents:

(a) shall offer coverage to all eligible employees and their dependents within the membership of the association, multiple employer arrangement or out-of-State trust;

(b) shall not use actual or expected health status in determining its membership; and

(c) shall make available to its small employer members at least one of the standard benefits plans, as determined by the commissioner, in addition to any health benefits plan permitted to be renewed or continued pursuant to this subsection.
(2) Notwithstanding the provisions of this subsection to the contrary, a carrier or out-of-State trust which writes the health benefits plans required pursuant to subsection a. of this section shall be required to offer those plans to any small employer, association or multiple employer arrangement.

(3) (a) A carrier, association, multiple employer arrangement or out-of-State trust may withdraw a health benefits plan marketed to small employers that was in effect on December 31, 1993 with the approval of the commissioner. The commissioner shall approve a request to withdraw a plan, consistent with regulations adopted by the commissioner, only on the grounds that retention of the plan would cause an unreasonable financial burden to the issuing carrier, taking into account the rating provisions of section 9 of P.L.1992, c.162 (C.17B:27A-25) and section 7 of P.L.1995, c.340 (C.17B:27A-19.3).

(b) A carrier which has renewed, continued or reinstated a health benefits plan pursuant to this subsection that has not been newly issued to a new small employer group since January 1, 1994, may, upon approval of the commissioner, continue to establish its rates for that plan based on the loss experience of that plan if the carrier does not issue that health benefits plan to any new small employer groups.

(5) A health benefits plan that otherwise conforms to the requirements of this subsection shall be deemed to be in compliance with this subsection, notwithstanding any change in the plan's deductible or copayment.

(6) (a) Except as otherwise provided in subparagraphs (b) and (c) of this paragraph, a health benefits plan renewed, continued or reinstated pursuant to this subsection shall be filed with the commissioner for informational purposes within 30 days after its renewal date. No later than 60 days after the board adopts regulations concerning the implementation of the rating factors permitted by section 9 of P.L.1992, c.162 (C.17B:27A-25) the filing shall be amended to show any modifications in the plan that are necessary to comply with the provisions of this subsection. The commissioner shall monitor compliance of any such plan with the requirements of this subsection, except that the board shall enforce the loss ratio requirements.

(b) A health benefits plan filed with the commissioner pursuant to subparagraph (a) of this paragraph may be amended as to its benefit structure if the amendment does not reduce the actuarial value and benefits coverage of the health benefits plan below that of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. The amendment shall be filed with the commissioner for approval pursuant to the terms of sections 4, 8, 12 and 25 of P.L.1995, c.73 (C.17:48-8.2, 17:48A-9.2, 17:48E-13.2 and 26:2J-43), N.J.S.17B:26-1 and N.J.S.17B:27-49, as applicable, and shall comply with the provisions of sections 2 and 9 of P.L.1992,

(c) A health benefits plan issued by a carrier through an out-of-State trust shall be permitted to be renewed or continued pursuant to paragraph (1) of this subsection upon approval by the commissioner and only if the benefits offered under the plan are at least equal to the actuarial value and benefits coverage of the lowest standard health benefits plan established by the board pursuant to subsection a. of this section. For the purposes of meeting the requirements of this subparagraph, carriers shall be required to file with the commissioner the health benefits plans issued through an out-of-State trust no later than 180 days after the date of enactment of P.L.1995, c.340. A health benefits plan issued by a carrier through an out-of-State trust that is not filed with the commissioner pursuant to this subparagraph, shall not be permitted to be continued or renewed after the 180-day period.

(7) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, an association, multiple employer arrangement or out-of-State trust may offer a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to small employer groups that are otherwise eligible pursuant to paragraph (1) of subsection j. of this section during the period for which such health benefits plan is otherwise authorized to be renewed, continued or reinstated.

(8) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) to the contrary, a carrier, association, multiple employer arrangement or out-of-State trust may offer coverage under a health benefits plan authorized to be renewed, continued or reinstated pursuant to this subsection to new employees of small employer groups covered by the health benefits plan in accordance with the provisions of paragraph (1) of this subsection.

(9) Notwithstanding the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.) or P.L.1992, c.161 (C.17B:27A-2 et seq.) to the contrary, any individual, who is eligible for small employer coverage under a policy issued, renewed, continued or reinstated pursuant to this subsection, but who would be subject to a preexisting condition exclusion under the small employer health benefits plan, or who is a member of a small employer group who has been denied coverage under the small employer group health benefits plan for health reasons, may elect to purchase or continue coverage under an individual health benefits plan until such time as the group health benefits plan covering the small employer group of which the individual is a member complies with the provisions of P.L.1992, c.162 (C.17B:27A-17 et seq.).

(10) In a case in which an association made available a health benefits plan on or before March 1, 1994 and subsequently changed the issuing carrier between March 1, 1994 and the effective date of P.L.1995, c.340, the
new issuing carrier shall be deemed to have been eligible to continue and renew the plan pursuant to paragraph (1) of this subsection.

(11) In a case in which an association, multiple employer arrangement or out-of-State trust made available a health benefits plan on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L. 1995, c. 340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

(12) In a case in which a small employer purchased a health benefits plan directly from a carrier on or before March 1, 1994 and subsequently changes the issuing carrier for that plan after the effective date of P.L. 1995, c. 340, the new issuing carrier shall file the health benefits plan with the commissioner for approval in order to be deemed eligible to continue and renew that plan pursuant to paragraph (1) of this subsection.

Notwithstanding the provisions of subparagraph (b) of paragraph (6) of this subsection to the contrary, a small employer who changes its health benefits plan's issuing carrier pursuant to the provisions of this paragraph, shall not, upon changing carriers, modify the benefit structure of that health benefits plan within six months of the date the issuing carrier was changed.

k. Effective immediately for a health benefits plan issued on or after the effective date of P.L. 2005, c. 248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a health benefits plan in effect on the effective date of P.L. 2005, c. 248 (C.17:48E-35.27 et al.), the health benefits plans required pursuant to this section, including any plans offered by a State approved or federally qualified health maintenance organization, shall contain benefits for expenses incurred in the following:

(1) Screening by blood lead measurement for lead poisoning for children, including confirmatory blood lead testing as specified by the Department of Health and Senior Services pursuant to section 7 of P.L. 1995, c. 316 (C.26:2-137.1); and medical evaluation and any necessary medical follow-up and treatment for lead poisoned children.

(2) All childhood immunization as recommended by the Advisory Committee on Immunization Practices of the United State Public Health Service and the Department of Health and Senior Services pursuant to section 7 of P.L. 1995, c. 316 (C.26:2-137.1). A carrier shall notify its insureds, in writing, of any change in the health care services provided with respect to childhood immunizations and any related changes in premium. Such notification shall be in a form and manner to be determined by the Commissioner of Banking and Insurance.

(3) Screening for newborn hearing loss by appropriate electrophysiologic screening measures and periodic monitoring of infants for delayed onset
hearing loss, pursuant to P.L.2001, c.373 (C.26:2-103.1 et al.). Payment for this screening service shall be separate and distinct from payment for routine new baby care in the form of a newborn hearing screening fee as negotiated with the provider and facility.

The benefits provided pursuant to this subsection shall be provided to the same extent as for any other medical condition under the health benefits plan, except that a deductible shall not be applied for benefits provided pursuant to this subsection; however, with respect to a small employer health benefits plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), a deductible shall not be applied for any benefits that represent preventive care as permitted by that federal law, and shall not be applied as provided pursuant to section 16 of P.L.2005, c.248 (C.17B:27A-19.14). This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

The coverage may be subject to utilization review, including periodic review, of the continued medical necessity of the specialized infant formula.

The benefits shall be provided to the same extent as for any other prescribed items under the health benefits plan.

This subsection shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

Effective immediately for a health benefits plan issued on or after the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.) and effective on the first 12-month anniversary date of a small employer health benefits plan in effect on the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.),

of-pocket expenses incurred by those individuals; and the percentage of
income used by those individuals to pay deductibles.
b. All disclosures made pursuant to this section shall be made in accordance with section 2713 of the "Health Insurance Portability and Accountability Act of 1996," Pub.L.104-191 (42 U.S.C. s.300gg-13).

22. a. Notwithstanding the purposes of the "Lead Hazard Control Assistance Fund" provided by P.L.2003, c.311 (C.52:27D-437.1 et al.), the Commissioner of Community Affairs shall transfer to the Division of Medical Assistance and Health Services in the Department of Human Services from the "Lead Hazard Control Assistance Fund" established pursuant to section 4 of P.L.2003, c.311 (C.52:27D-437.4), upon certification by the director of the division pursuant to paragraph (2) of subsection d. of this section, an amount not to exceed $500,000 annually in each fiscal year following the effective date of P.L.2005, c.248 (C.17:48E-35.27 et al.), to fund the costs incurred by licensed health care facilities and licensed health care providers for any necessary medical follow-up and treatment for lead poisoned children covered under a contract, policy, or plan that qualifies as a high deductible health plan for which qualified medical expenses are paid using a health savings account established pursuant to section 223 of
the federal Internal Revenue Code of 1986 (26 U.S.C. s.223), as provided in this section.

Licensed health care facilities and licensed health care providers shall not seek reimbursement for any costs incurred pursuant to this subsection from the insureds covered under a contract, policy, or plan that qualifies as a high deductible health plan for which medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223) or the carrier that issued the high deductible health plan for which medical expenses are paid using a health savings account established pursuant to section 223 of the federal Internal Revenue Code of 1986 (26 U.S.C. s.223).

CHAPTER 249

AN ACT concerning the redirection of payroll taxes from the unemployment compensation fund to the Health Care Subsidy Fund and the extension of certain unemployment compensation benefits and amending R.S.43:21-7 and P.L.1970, c.324.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.
(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10\% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.
(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this
shall be credited with all the contributions which he has paid on his own
behalf on or before January 31 of any calendar year with respect to employ­
ment occurring in the preceding calendar year; provided, however, that if
January 31 of any calendar year falls on a Saturday or Sunday, an employer's
account shall be credited as of January 31 of such calendar year with all the
contributions which he has paid on or before the next succeeding day which
is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.)
shall be construed to grant any employer or individuals in his service prior
claims or rights to the amounts paid by him into the fund either on his own
behalf or on behalf of such individuals. Benefits paid with respect to benefit
years commencing on and after January 1, 1953, to any individual on or
before December 31 of any calendar year with respect to unemployment in
such calendar year and in preceding calendar years shall be charged against
the account or accounts of the employer or employers in whose employment
such individual established base weeks constituting the basis of such bene­
fits, except that, with respect to benefit years commencing after January 4,
1998, an employer’s account shall not be charged for benefits paid to a
claimant if the claimant’s employment by that employer was ended in any
way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5,
would have disqualified the claimant for benefits if the claimant had applied
for benefits at the time when that employment ended. Benefits paid under
a given benefit determination shall be charged against the account of the
employer to whom such determination relates. When each benefit payment
is made, either a copy of the benefit check or other form of notification shall
be promptly sent to the employer against whose account the benefits are to
be charged. Such copy or notification shall identify the employer against
whose account the amount of such payment is being charged, shall show at
least the name and social security account number of the claimant and shall
specify the period of unemployment to which said check applies. If the total
amount of benefits paid to a claimant and charged to the account of the
appropriate employer exceeds 50% of the total base year, base week wages
paid to the claimant by that employer, then such employer shall have can­
celed from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of
benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance,
and dissolution of joint accounts by two or more employers, and shall, in
accordance with such regulations and upon application by two or more
employers to establish such an account, or to merge their several individual
accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

1. 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
2. 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
3. 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
4. 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
5. 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
6. 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
7. 1/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;
8. 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer’s contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

1. 4%, if such excess is less than 10% of his average annual payroll;
2. 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 46/10\%, if such excess equals or exceeds 20\% of his average annual payroll.

(C) Specially assigned rates.

(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

- if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4\%, whichever is higher, and
- if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.

(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S. 43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4\% but is less than 7\% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1\% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2\% but is less than 4\% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1\% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2\% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding
calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) \( \frac{6}{10} \) of 1\% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20\% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of \( \frac{1}{10} \)\% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by \( \frac{6}{10} \) of 1\% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10\% computed to the nearest multiple of \( \frac{1}{10} \)\% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10\% but is less than 12 1/2\% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \( \frac{3}{10} \) of 1\% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than \( \frac{4}{10} \) of 1\%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2\% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by \( \frac{6}{10} \) of 1\% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3\% or more of his average annual payroll, otherwise by \( \frac{3}{10} \) of 1\% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than \( \frac{4}{10} \) of 1\%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by
dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E) (i) (Deleted by amendment, P.L.1997, c.263).
(iii) (Deleted by amendment, P.L.2003, c.107).
(iv) (Deleted by amendment, P.L.2004, c.45).
(v) With respect to the experience rating year beginning on July 1, 2003, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

(F) (i) (Deleted by amendment, P.L. 1997, c.263).

(ii) With respect to experience rating years beginning on or after July 1, 1997, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.00%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(iii) With respect to experience rating years beginning on or after July 1, 2004, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On or after January 1, 1993 until December 31, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 52.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this
subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%. On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

January 1, 2002 until June 30, 2006, the contribution rate for each employer
liable to pay contributions, as computed under subparagraph (E) of this
paragraph (5), shall be decreased by a factor, as set out below, computed to
the nearest multiple of 1/10%, except that, if an employer has a deficit
reserve ratio of negative 35.0% or under, the employer's rate of contribution
shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 1998 until December 31, 1998, a factor of 12%;
From January 1, 1999 until December 31, 1999, a factor of 10%;
From January 1, 2000 until December 31, 2000, a factor of 7%;

From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by
this subparagraph (H) shall be in addition to the amount of the reduction in

(5), except that the rate of contribution of an employer who has a deficit
reserve ratio of negative 35.0% or under shall not be reduced pursuant to this
subparagraph (H) to less than 5.4% and the rate of contribution of any other
employer shall not be reduced to less than 0.0%.

(I) If the fund reserve ratio decreases to a level of less than 4.00% on
March 31 of calendar year 1994 or calendar year 1995, the provisions of
subparagraph (H) of this paragraph (5) shall cease to be in effect as of July
1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio
pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, March 31, 1998
or March 31, 1999, the controller finds that the fund reserve ratio has de-
creased to a level of less than 3.00%, the Commissioner of Labor and
Workforce Development shall notify the State Treasurer of this fact and of
the dollar amount necessary to bring the fund reserve ratio up to a level of
3.00%. The State Treasurer shall, prior to March 31, 1997, March 31, 1998
or March 31, 1999, as applicable, transfer from the General Fund to the
unemployment compensation fund, revenues in the amount specified by the
commissioner and which, upon deposit in the unemployment compensation
fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, July 1, 1998, July 1, 1999, as applicable, of at least 3.00%. If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 2000, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor and Workforce Development shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 2000, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 2000 of at least 3.00%.

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60
days; provided that in no event may such payments which are made later than 120
days after the beginning of the year for which such rates are effective be considered
in determining the experience rate for the year in which the payment is made. Any
employer receiving any extended period of time within which to make such
additional payment and failing to make such payment timely shall be, in addition
to the required amount of additional payment, liable for a penalty of 5% thereof
or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this
subsection shall be made only in the form of credits against accrued or future
contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substan-
tially all the assets of an employer to a successor in interest, whether by
merger, consolidation, sale, transfer, descent or otherwise, the controller shall
transfer the employment experience of the predecessor employer to the
successor in interest, including credit for past years, contributions paid,
annual payrolls, benefit charges, et cetera, applicable to such predecessor
employer, pursuant to regulation, if it is determined that the employment
experience of the predecessor employer with respect to the organization,
trade, assets or business which has been transferred may be considered
indicative of the future employment experience of the successor in interest.
The successor in interest may, within four months of the date of such transfer
of the organization, trade, assets or business, or thereafter upon good cause
shown, request a reconsideration of the transfer of employment experience
of the predecessor employer. The request for reconsideration shall demon-
strate, to the satisfaction of the controller, that the employment experience
of the predecessor is not indicative of the future employment experience of
the successor.

(B) An employer who transfers part of his or its organization, trade,
assets or business to a successor in interest, whether by merger, consolida-
tion, sale, transfer, descent or otherwise, may jointly make application with
such successor in interest for transfer of that portion of the employment
experience of the predecessor employer relating to the portion of the organi-
sation, trade, assets or business transferred to the successor in interest,
including credit for past years, contributions paid, annual payrolls, benefit
charges, et cetera, applicable to such predecessor employer. The transfer of
employment experience may be allowed pursuant to regulation only if it is
found that the employment experience of the predecessor employer with
respect to the portion of the organization, trade, assets or business which has
been transferred may be considered indicative of the future employment
experience of the successor in interest. Credit shall be given to the successor
in interest only for the years during which contributions were paid by the
predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer who transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any govern-
mental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer,
including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of
R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of
R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110.
(C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28.)
(iii) (Deleted by amendment, P.L.1994, c.112.)
(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply
to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded.
unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (i) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer.
who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll as defined in this chapter (R.S.43:21-1 et seq.);

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the
amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof; more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/16 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.
2. Section 5 of P.L.1970, c.324 (C.43:21-24.11) is amended to read as follows:

5. For the purposes of the extended benefit program and as used in this act, unless the context clearly requires otherwise:

   (1) Begins with the third week after a week for which there is a state "on" indicator; and
   (2) Ends with either of the following weeks, whichever occurs later:
      (a) The third week after the first week for which there is a state "off" indicator; or
      (b) The thirteenth consecutive week of such period; provided, that no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this State; and provided further, that no extended benefit period may become effective in this State prior to the effective date of this act.

b. (Deleted by amendment.)

c. (Deleted by amendment.)

d. There is a "state 'on' indicator" for this State for a week if:

      (a) Equaled or exceeded 120% of the average of these rates for the corresponding 13-week period during each of the preceding 2 calendar years, and, for weeks beginning after September 25, 1982, equaled or exceeded 5%; or
      (b) With respect to benefits for weeks of unemployment beginning after September 25, 1982, equaled or exceeded 6%; or
   (2) With respect to any week of unemployment beginning after December 27, 2003, the average seasonally adjusted rate of total unemployment in the State, as determined by the United States Secretary of Labor for the most recent three-month period for which data for all states are published:
      (a) Equals or exceeds 6.5%; and
      (b) Equals or exceeds 110% of the average seasonally adjusted rate of total unemployment in the State during either or both of the corresponding three-month periods ending in the two preceding calendar years.

e. There is a "state 'off' indicator" for this State for a week if:
(1) The division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of the respective week and the immediately preceding 12 weeks, paragraph (1) of subsection d. was not satisfied; and

(2) With respect to any week of unemployment beginning after December 27, 2003, as determined by the United States Secretary of Labor for the most recent three-month period for which data for all states are published, paragraph (2) of subsection d. was not satisfied.

f. "Rate of insured unemployment," for purposes of subsections d. and e. means the percentage derived by dividing

(1) The average weekly number of individuals filing claims for regular benefits in this State for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the division on the basis of its reports to the United States Secretary of Labor, by

(2) The average monthly covered employment for the specified period.

g. "Regular benefits" means benefits payable to an individual under the "unemployment compensation law" (R.S. 43:21-1 et seq.) or under any other State law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. s.8501 et seq.) other than extended benefits.

h. "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. s.8501 et seq.) payable to an individual under the provisions of this act for weeks of unemployment in his eligibility period.

j. "Exhaustee" means an individual who, with respect to any week of unemployment in his eligibility period:

(1) Has received prior to the week, all of the regular benefits that were available to him under the "unemployment compensation law" (R.S. 43:21-1 et seq.) or any other State law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. s.8501 et seq.) in his current benefit year that includes such week, provided, that for the purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to wages and/or employment that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or
(2) His benefit year having expired prior to such week, has no, or insufficient, wages and/or employment on the basis of which he could establish a new benefit year that would include such week; and

(3) (a) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965 and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and

(b) has not received and is not seeking unemployment benefits under the Unemployment Compensation Law of Canada; but if he is seeking these benefits and the appropriate agency finally determines that he is not entitled to benefits under that law he is considered an exhaustee if the other provisions of this definition are met.

1. CHAPTER 250

AN ACT concerning the use of certain ammunition by law enforcement officers and amending N.J.S.2C:3-11.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:3-11 is amended to read as follows:
Definitions.

2C:3-11. Definitions. In this chapter, unless a different meaning plainly is required: 

a. "Unlawful force" means force, including confinement, which is employed without the consent of the person against whom it is directed and the employment of which constitutes an offense or actionable tort except for a defense (such as the absence of intent, negligence, or mental capacity; duress, youth, or diplomatic status) not amounting to a privilege to use the force. Assent constitutes consent, within the meaning of this section, whether or not it otherwise is legally effective, except assent to the infliction of death or serious bodily harm.

b. "Deadly force" means force which the actor uses with the purpose of causing or which he knows to create a substantial risk of causing death or serious bodily harm. Purposely firing a firearm in the direction of another person or at a vehicle, building or structure in which another person is believed to be constitutes deadly force unless the firearm is loaded with less-lethal ammunition and fired by a law enforcement officer in the performance of the officer's official duties. A threat to cause death or serious bodily harm, by the production of a weapon or otherwise, so long as the actor's purpose is limited to creating an apprehension that he will use deadly force if necessary, does not constitute deadly force.

c. "Dwelling" means any building or structure, though movable or temporary, or a portion thereof, which is for the time being the actor's home or place of lodging except that, as used in 2C:3-7, the building or structure need not be the actor's own home or place of lodging.

d. "Serious bodily harm" means bodily harm which creates a substantial risk of death or which causes serious, permanent disfigurement or protracted loss or impairment of the function of any bodily member or organ or which results from aggravated sexual assault or sexual assault.

e. "Bodily harm" means physical pain, or temporary disfigurement, or impairment of physical condition.

f. "Less-lethal ammunition" means ammunition approved by the Attorney General which is designed to stun, temporarily incapacitate or cause temporary discomfort to a person without penetrating the person's body. The term shall also include ammunition approved by the Attorney General which is designed to gain access to a building or structure and is used for that purpose.

2. This act shall take effect immediately.

Approved January 4, 2006.
AN ACT concerning insurance coverage for prescribed contraceptives and supplementing Titles 17, 26 and 52 of the Revised Statutes and Title 17B of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:48-6ee Hospital service corporation, coverage for prescription female contraceptives.

1. A hospital service corporation that provides hospital or medical expense benefits for expenses incurred in the purchase of outpatient prescription drugs under a contract shall provide coverage under every such contract delivered, issued, executed or renewed in this State or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, for expenses incurred in the purchase of prescription female contraceptives. For the purposes of this section, "prescription female contraceptives" means any drug or device used for contraception by a female, which is approved by the federal Food and Drug Administration for that purpose, that can only be purchased in this State with a prescription written by a health care professional licensed or authorized to write prescriptions, and includes, but is not limited to, birth control pills and diaphragms.

A religious employer may request, and a hospital service corporation shall grant, an exclusion under the contract for the coverage required by this section if the required coverage conflicts with the religious employer's bona fide religious beliefs and practices. A religious employer that obtains such an exclusion shall provide written notice thereof to prospective subscribers and subscribers. The provisions of this section shall not be construed as authorizing a hospital service corporation to exclude coverage for prescription drugs that are prescribed for reasons other than contraceptive purposes or for prescription female contraceptives that are necessary to preserve the life or health of a subscriber. 8. R.S.45:5-7 is amended to read as follows:

Examinations; licensing; license; definitions; display of license.

45:5-7. All examinations shall be written in the English language, but the board, in its discretion, may use supplementary oral or practical examinations, either of the whole class or of individuals. The examinations shall be in all subjects taught and practiced in the legally incorporated schools or colleges of podiatric medicine, in good standing in the opinion of the board, which confer the degree of doctor of podiatric medicine or other doctorate degree in podiatric medicine. Said application and examination papers shall be deposited in the files of the said board for at least five years, and they shall be prima facie evidence of all matters therein contained. All licenses shall be signed by the president and secretary of the board and shall be attested by the seal thereof.

If the examination is satisfactory, the board shall issue a license entitling the applicant to practice podiatric medicine in this State.

"Podiatric medicine" or "practice of podiatric medicine" is defined to be the diagnosis or treatment of or the holding out of a right or ability to diagnose or treat any ailment of the human foot or ankle, including local manifestations of systemic diseases as they appear on the lower leg, foot or ankle but not treatment of systemic diseases of any other part of the body, or the holding out of a right or ability to treat the same by any one or more of the following means: local medical, mechanical, surgical, manipulative and physio-therapeutic, including the application of any of the aforementioned means to the lower leg and ankle for the treatment of a foot or ankle ailment. Such means shall not be construed to include the amputation of the leg or foot. The term "local medical" hereinbefore mentioned shall be construed to mean the prescription or use of a therapeutic agent or remedy where the action or reaction is intended for a localized area or part. A podiatrist is a physician within the scope of this chapter, and may be referred to as a podiatric physician.

Every person practicing podiatric medicine under this act shall at all times conspicuously display in his place of practice his license and yearly
registration to practice. It shall be unlawful to practice podiatric medicine in this State without so displaying such license and registration. Any applicant for a license to practice podiatric medicine upon proving that he has been examined and licensed by the examining and licensing board of another state, territory of the United States, or the District of Columbia, may in the discretion of the board be granted a license to practice podiatric medicine without further examination upon payment to the board of a license fee of $100.00; provided, such applicant shall furnish proof that he can fulfill the requirements demanded in the other sections of this chapter relating to applicants for admission by examinations; provided further, that the laws of such state, territory or the District of Columbia accord equal reciprocal rights to a licensed podiatrist of this State, who desires to practice his profession in such state, territory or the District of Columbia; provided further, that said applicant has been in lawful and ethical practice of podiatric medicine in the state, territory or District of Columbia from which he applies for five full consecutive years next prior to filing his application; and provided, further, that said applicant shall, within six months after the issuance of his license hereunder, remove to this State, establish his permanent and only legal residence and cease to operate his practice in the state from which he applies and not use such license for part-time practice in this State. An affidavit setting forth his intention to comply with the requirements of this proviso must be filed with the application for license. In any such application for a license without examination, all reciprocal questions of academic requirements of other states, territories or the District of Columbia shall be determined by the board. The board shall consider each application for such license on its individual merits and may, in its discretion and without establishing a precedent, waive the requirements for residency in lieu of 10 or more years of active and continuous ethical practice outside of this State.

The board may issue to any licensed podiatrist of this State, known to it to be of good moral character and who has conducted an ethical practice in this State, and who desires to remove his residence and practice to another state, a certificate or certification authenticated with its seal, which shall attest such information as may be necessary for competent boards of other states to determine reciprocity qualifications, upon payment of a fee of $10.00.

The board may, in its discretion, accept in lieu of its own examination, either in whole or in part, the certificate of the National Board of Podiatric Medical Examiners; and provided further, that the applicant satisfies in all other respects the requirements for licensure by examination. Such application to the board shall be accompanied by an application fee of $100.00 plus $10.00 for verification. In the event an oral or practical examination or both
is given under this provision, an additional fee of $25.00 may be required for examiner compensation.

The board, in its discretion, may grant a license without further examination to any person whose previous license has been revoked under R.S.45:5-8 and upon payment to the board of a license fee of $100.00.

9. R.S.45:5-9 is amended to read as follows:

Biennial certificate of registration for licensed podiatrist; reinstatement procedure.

45:5-9. a. Every licensed podiatrist shall procure every two years from the executive director of the board, on or before November 1, a biennial certificate of registration, which shall be issued by the executive director upon payment of a fee to be determined by the board. The executive director shall mail to each licensed podiatrist on or before October 1 every two years a printed blank form to be properly filled in and returned to the executive director by such licensed person on or before the succeeding November 1, together with such fee. Upon the receipt of said form properly filled in, and such fee, the biennial certificate of registration shall be issued and transmitted. Every licensed podiatrist who continues the practice of podiatric medicine after having failed to secure a biennial certificate of registration at the time and in the manner required by this section shall be subject to a penalty of $25.00 for each failure. Immediately after November 1, the executive director shall send by registered mail to every podiatrist who has failed to obtain a biennial registration certificate for the ensuing two-year period a notice that their license will be automatically suspended within 30 days unless the penalty and registration fee is paid immediately. Upon failure to register after such notice, the license of such person shall be automatically suspended and shall not be reinstated except upon full payment of penalty and registration fee. However, such suspension shall not apply to anyone who has ceased to practice in this State. Any person whose license shall have been automatically suspended under this section shall during such period of suspension be regarded as an unlicensed person, and if he continues to engage in the practice of podiatric medicine during such period, he shall be liable to the penalties prescribed by R.S.45:5-11.

b. If an applicant for reinstatement of licensure has not engaged in practice in any jurisdiction for a period of more than five years, or the board's review of the reinstatement application establishes a basis for concluding that there may be clinical deficiencies in need of remediation, before reinstatement the board may require the applicant to submit to, and successfully pass, an examination or an assessment of skills. If that examination or assessment identifies clinical deficiencies or educational needs, the board may require the licensee, as a condition of reinstatement of licensure, to take and success-
fully complete any educational training, or to submit to any supervision, monitoring or limitations, as the board determines are necessary to assure that the licensee practices with reasonable skill and safety.

10. R.S.45:5-10 is amended to read as follows:

Construction of chapter; certain acts not prohibited; fees for permitting out-of-State podiatrist to take charge of resident’s practice.

45:5-10. Nothing in this chapter shall be construed to prohibit a duly licensed physician from treating diseases or ailments of the feet or ankles, or a lawfully qualified podiatrist residing in another State from meeting registered podiatrists of this State in consultation, or any legally qualified podiatrist of another State from taking charge of the practice of a legally qualified podiatrist of this State temporarily on written permission of the board during the latter's absence therefrom and upon the latter's written request to the board for permission so to do. Such permission may be granted for a period of not more than 3 months upon payment of a fee of $10.00. The board, in its discretion and upon payment of an additional fee of $10.00, may extend such permission for a further period but not to exceed 6 months. Nothing in this act shall prohibit the fitting, recommending or sale of corrective shoes, arch supports or other mechanical appliances by retail dealers or manufacturers, provided, however, that they shall not be made or fabricated from plaster casts or models or by any other means for specific individual persons except upon the prescription of a podiatrist or physician.

(a) Whoever practices podiatric medicine in this State without first having obtained and filed the license herein provided for, or contrary to any of the provisions of this chapter, or whoever practices podiatric medicine under a false or assumed name, or falsely impersonates another practitioner of a like or different name, or buys, sells, or fraudulently obtains any diploma as a podiatrist, or any podiatric medicine license, record or registration, or aids or assists any person not regularly licensed and registered to practice podiatric medicine in this State, to practice podiatric medicine therein, or whoever violates any of the provisions of this chapter, shall be liable to a penalty of $200.00.

Every person practicing podiatric medicine and every person practicing podiatric medicine as an employee of another shall cause his name to be conspicuously displayed and kept in a conspicuous place at the entrance of the place where such practice shall be conducted, and any person who shall
neglect to cause his name to be displayed as herein required shall be liable
to a penalty of $100.00.

Using the title doctor or its abbreviation in the practice of podiatric
medicine must be qualified by the word or words "podiatrist" or "surgeon
podiatrist." Any person who violates this provision shall be liable to a penalty
of $100.00.

It shall be unlawful for any person not licensed under this act to use
terms, titles, words or letters which would designate or imply that he or she
is qualified to treat foot or ankle ailments, or to hold himself or herself out
as being able to diagnose, treat, operate, or prescribe for any ailment of the
human foot or ankle, or offer or attempt to diagnose, treat, operate or pre­
scribe for any ailment of the human foot or ankle.

(b) The Superior Court and municipal courts, within their respective
territorial jurisdictions, shall have jurisdiction to hear and determine actions
for penalties under this chapter. The penalties provided for by this section
shall be sued for and recovered by and in the name of the State Board of
Medical Examiners of New Jersey, as plaintiff. Penalties imposed because
of the violation of any provision of this chapter shall be collected and en­
forced by summary proceedings pursuant to the "Penalty Enforcement Law
of the board, as plaintiff, and shall be either in the nature of a summons or
warrant.

license herein provided for, or the violation by any person of the provisions
of this act; or of the practice of podiatric medicine by any person under a
false or assumed name; or the false presentation of another practitioner of
a like or different name; or for practicing podiatric medicine under any name,
title or heading other than that under which he or she has a license to practice

CHAPTER 274

AN ACT establishing a New Jersey Elderly Person Suicide Prevention Advisory Council and supplementing Title 26 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2MM-1 Findings, declarations relative to elderly person suicide prevention.

1. The Legislature finds and declares that:
   a. According to the National Institute of Mental Health, elderly Americans are disproportionately likely to die by suicide; individuals 65 years of age and older comprise only 13% of the United States population, but they accounted for 18% of all suicide deaths in 2000;
   b. In New Jersey, individuals 65 years of age and older also comprise about 13% of the State population and they accounted for 17% of all suicide deaths in the State in 2000;
   c. The national suicide rate for men is relatively constant from 25 to 64 years of age, but increases significantly after 65 years of age, with men accounting for 84% of suicides among individuals 65 years of age and older in 2000; and for women the national suicide rate peaks between 45 and 64 years of age and does so again after 75 years of age;
   d. When categorized by race and gender, white men 85 years of age and older have among the highest suicide rates nationally, with 59 deaths per 100,000 persons in 2000, which is more than five times the national rate of 10.6 per 100,000, and according to "Healthy New Jersey 2010," issued by the Department of Health and Senior Services, the seventh leading cause of premature death among New Jerseyans is suicide, with the highest rates among elderly white males;
   e. The risk factors for suicide among elderly Americans differ from those among younger groups; elderly persons have a higher prevalence of depression, greater use of highly lethal methods and greater social isolation;
   f. The presence of mental illness (especially depression and alcohol abuse), the presence of physical illness or impairment, unrelieved pain, financial stress and social isolation (especially being widowed in males) and the availability of firearms in the home contribute to the higher incidence of suicide among elderly Americans;
   g. Suicide among elderly Americans may even be underreported by 40% or more; omitted from statistics are "silent suicides," such as deaths from noncompliance with medical instructions, prescription overdosages, self-starvation or dehydration and other self-induced "accidents";
   h. Most elderly patients who complete suicide saw their physicians within a few months of their deaths and more than a third did so within the week of their suicide, and warning signs which indicate a serious risk of suicide include: loss of interest in things or activities that are usually seen as enjoyable; lessening of social interactions, self-care and grooming; violating medical regimens or prescription dosages; experiencing or expecting loss
of a spouse; feeling hopeless or worthless; and putting personal affairs in order, including giving things away or making changes to a will; and

i. Physicians, nurses and other health care professionals who treat and care for elderly patients need to be aware of the higher incidence of suicide among elderly Americans and recognize the risk factors associated with this age group.

AN ACT concerning certain municipal redevelopment agencies and supplementing P.L.1992, c.79.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40A:12A-11.1 Findings, declarations relative to municipal redevelopment agencies; additional commissioners, certain.

1. a. The Legislature finds and declares that:

(1) The redevelopment agencies of municipalities across this State renew the vitality and fabric of their neighborhoods and business districts, improve their image, visibility and stature, construct new housing, generate employment opportunities for the local work force and draw consumers and tourists to the municipality; and

(2) These agencies achieve these goals by planning and implementing projects that provide housing, jobs, parks and office buildings; and

(3) Municipalities with a large area and population are faced with a greater burden of responsibility in order to achieve their goals than their smaller, less populated counterparts; and

(4) Increasing the number of commissioners on the redevelopment agencies of larger municipalities in this State will expedite the redevelopment of these municipalities and contribute to a Statewide renaissance that stands to benefit all State residents.

b. Notwithstanding other provisions of this law to the contrary, a municipality with an area of more than 15 square miles and having a population of more than 40,000, according to the most recent federal decennial census, may create a redevelopment agency with nine commissioners or increase the membership of a redevelopment agency already created from seven to nine commissioners. Except as otherwise provided in this subsection, the commissioners shall be appointed by the governing body in the manner generally required for appointments by the form of government under which the municipality is governed. Except as otherwise provided in this subsection, commissioners shall each serve for a term of five years; except that the first of these appointees shall be designated to serve for the following terms: one for a term of one year, two for a term of two years, two for terms of three years, two for a term of four years, and two for terms of five years. Except as otherwise provided in this subsection, where a redevelopment agency of seven commissioners already exists, the additional two commissioners shall be appointed to initial terms of two and four years, as determined by lot.
Notwithstanding any provision of law to the contrary, whenever a municipality governed by the borough form of government pursuant to N.J.S.40A:60-1 et seq. creates a redevelopment agency with nine commissioners, or increases the membership of a redevelopment agency from seven to nine commissioners, two commissioners shall be members of the borough council to be appointed by the council. A member of council so appointed may designate another resident of the borough to serve on the redevelopment agency for any particular meeting in the event the member of council is unavailable. The term of a commissioner who is a member of a borough council shall be one year or terminate upon completion of the council-member's term of office, whichever occurs first.

No more than three commissioners shall be officers or employees of the municipality. Each commissioner shall continue to hold office at the expiration of a term until a successor shall have been appointed and qualified. Any vacancy occurring in the office of commissioner, from any cause, shall be filled in the same manner as the original appointment, but for the unexpired term.

2. This act shall take effect immediately.

CHAPTER 276

AN ACT concerning training for safe schools resource officers and supplementing Title 18A of the New Jersey Statutes and Title 52 of the Revised Statutes

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that: many New Jersey public schools employ a safe schools resource officer or, in conjunction with local law enforcement agencies, assign a law enforcement officer to serve as a safe schools resource officer, or assign a school employee to serve as a school liaison to law enforcement; most safe schools resource officers perform many roles, including law enforcement officer, law-related counselor and law-related education teacher; every safe schools resource officer works with and among pupils, teachers and administrators, and many also work with parents; by virtue of their daily interaction with pupils, safe schools resource officers invariably make a strong, early impression of the institution of law
enforcement; the job of safe schools resource officer involves great responsibility and highly specialized skills; and the State should provide comprehensive and consistent training for those individuals entrusted with these responsibilities.

For a third violation of this act, or if a person is found liable for more than two violations of this act within a single proceeding, the liability for a third or any succeeding violation shall not exceed a civil penalty in the amount of $20,000 for each additional violation.
In lieu of an administrative proceeding or an action in the Superior Court, the Attorney General may bring an action for the collection or enforcement of civil penalties for the violation of any provision of this act. The action may be brought in a summary manner, pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.) and the Rules Governing the Courts of the State of New Jersey governing actions for the collection of civil penalties, in the Municipal Court or Special Civil Part of the Law Division of the Superior Court in the municipality or county where the offense occurred. Process in the action may be by summons or warrant. If the defendant in the action fails to answer the action, the court shall, upon finding that an unlawful act or practice has been committed by the defendant, issue a warrant for the defendant's arrest in order to bring the person before the court to satisfy the civil penalties imposed.

In an action commenced pursuant to this section, the court may order restored to any person in interest any moneys or property acquired by means of an unlawful act or practice. An action alleging the unregistered practice of the activities regulated by this act may be brought pursuant to this section or, where injunctive relief is sought, by an action commenced in the Superior Court. e. Whenever it shall appear to the Attorney General that a violation of this act has occurred, is occurring, or will occur, the Attorney General, in addition to any other proceeding authorized by law, may seek and obtain in a summary proceeding in the Superior Court an injunction prohibiting the act or practice. In the proceeding the court may assess a civil penalty in accordance with the provisions of this act, order restoration to any person in interest of any moneys or property, real or personal, acquired by means of an unlawful act or practice and may enter any orders necessary to prevent the performance of an unlawful practice in the future and to remedy fully any past unlawful activity.

f. Upon the failure of any person to comply within 10 days after service of any order of the Attorney General directing payment of penalties, attorney's fees, costs or restoration of moneys or property as authorized by this act, the Attorney General may issue a certificate to the Clerk of the Superior Court that the person is indebted to the State for the payment. A copy of the certificate shall be served upon the person against whom the order was entered. The clerk shall immediately enter upon the record of docketed judgments the name of the person so indebted and of the State, a designation of the statute under which each payment was directed, the amount of each payment, a listing of property ordered restored, and the date of the certification. The entry shall have the same force and effect as the entry of a dock-
eted judgment in the Superior Court and the Attorney General shall have all
rights and remedies of a judgment creditor, in addition to exercising any
other available remedies.

g. If a person fails or refuses to file any statement or report, or fails or
refuses to grant access to premises from which activities regulated by this
act are conducted in any lawfully conducted investigative matter, or fails to
obey a subpoena issued pursuant to this act, the Attorney General may apply
to the Superior Court and obtain an order:

penalties in accordance with the amounts prescribed by this act;
(2) Enjoining the conduct of any practice in violation of this act; or
(3) Granting other relief as required.

h. If a person who refuses to testify or produce any computer data,
book, paper, or document in any proceeding under this act for the reason that
the testimony or evidence, documentary or otherwise, required of him may
tend to incriminate him, or convict him of a crime, is directed to testify or
to produce the computer data, book, paper, or document by the Attorney
General, he shall comply with the direction.

A person who is entitled by law to and does assert a privilege, and who
complies with the direction of the Attorney General, shall not thereafter be
prosecuted or subject to any penalty or forfeiture in any criminal proceeding
which arises out of and relates to the subject matter of the proceeding. No
person so testifying shall be exempt from prosecution or punishment for
perjury or false swearing committed by him in giving the testimony or from
any civil or administrative action arising from the testimony.

i. In addition or as an alternative to revocation or suspension of a
registration, the Attorney General may, after affording an opportunity to be
heard and finding a violation of this act:

(1) Assess civil penalties in accordance with this act;
(2) Direct that any person cease and desist from any act or practice in
violation of this act or take necessary affirmative corrective action with
regard to any unlawful act or practice;
(3) Order any person to restore to any person aggrieved by an unlawful
act or practice any money or property, real or personal, acquired by means
of any unlawful act or practice, except that the Attorney General shall not

State; or

to this act in satisfaction of assessments.

1. Directing the person to cease and desist from that unlawful act or practice;
2. Assessing civil penalties in accordance with this act;
3. Directing that person restore to any person aggrieved by the unlawful act or practice any money or property, real or personal, acquired by means of the unlawful act or practice, except that the Attorney General shall not order restoration in a dollar amount greater than those moneys received by the registrant, agent or any other person violating this act;

5. Authorizing the release of sums from any bond maintained pursuant to P.L.1994, c.16 (C.45:17A-18 et seq.) in satisfaction of assessments.

When it shall appear to the Attorney General that a person against whom an order pursuant to this section has been entered has violated the order, the Attorney General may initiate a summary proceeding in the Superior Court for enforcement of the order. Any person found to have violated such an order shall be ordered to comply with the prior administrative order and may be ordered to pay civil penalties in the amount of not more than $25,000 for each violation of the order. If a person fails to pay a civil penalty assessed by the court for violation of an order, the court assessing the unpaid penalty is authorized, upon application of the Attorney General, to grant any relief which may be obtained under any statute or court rule governing the collection and enforcement of penalties.

In any administrative proceeding on a complaint alleging a violation of this act, the Attorney General may issue subpoenas to compel the attendance of witnesses or the production of computer data, books, records, or documents at the hearing on the complaint as provided by this act.

In addition to any other action or remedy available under this act, a charitable organization aggrieved by a violation of paragraph (4) or (8) of subsection c. of section 15 of this act may initiate a civil action or assert a counterclaim in any court of competent jurisdiction against the violator. Upon establishing the violation, the charitable organization shall recover treble its damages or treble the violator's profits, whichever is greater. In all actions under this subsection the court shall award reasonable attorney's fees, filing fees and reasonable costs of suit.

Notwithstanding any other provision of this section to the contrary, a parent organization may be held accountable for actions related to information filed on behalf of a local unit only if the parent organization has filed...
information knowing that the information is false or misleading or knowing that material facts are omitted.

o. Notwithstanding any other provision of this section to the contrary, any local unit that has provided to its parent organization timely, truthful and complete information and otherwise conducted itself in compliance with the provisions of this act, shall not be held accountable for the misconduct of a parent organization, including, but not limited to, the failure of the parent organization to file timely reports on behalf of the local unit.

54A:9-6. Additions to tax and civil penalties. (a) Failure to file tax return. In case of failure to file a tax return under this act on or before the prescribed date (determined with regard to any extension of time for filing),
unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be added to the amount required to be shown as tax on such return such amount as is required under the State Tax Uniform Procedure Law, R.S.54:48-1 et seq. For this purpose, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(b) Deficiency due to negligence. If any part of a deficiency is due to negligence or intentional disregard of this act or rules or regulations hereunder (but without intent to defraud), there shall be added to the tax an amount equal to 10% of the deficiency.

(c) Failure to file declaration or underpayment of estimated tax. If any taxpayer fails to file a declaration of estimated tax or fails to pay all or any part of an installment of estimated tax, the taxpayer shall be deemed to have made an underpayment of estimated tax except as provided pursuant to subsection (d) of this section. There shall be added to the tax for the taxable year an amount at the rate as is required under the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., upon the amount of the underpayment for the period of the underpayment but not beyond the 15th day of the fourth month following the close of the taxable year. No underpayment shall be deemed to exist with respect to a declaration or installment otherwise due on or after the taxpayer's death.

(d) Exception to addition for underpayment of estimated tax. The addition to tax under subsection (c) with respect to any underpayment of any installment shall not be imposed if the total amount of all payments of estimated tax and all payments of tax made pursuant to subsection a. of section 12 of P.L.2002, c.40 (C.54:10A-15.11) and credited to the taxpayer pursuant to subsection b. of section 12 of P.L.2002, c.40 made on or before the last date prescribed for the payment of such installment equals or exceeds whichever of the following set forth in paragraphs (1) and (2) and subject to paragraph (3) is the lesser--

(1) The amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least--
(A) An amount equal to 100% of the tax shown on the return of the taxpayer for the preceding taxable year, except as provided pursuant to paragraph (3) of this subsection, if a return showing a liability for tax was filed by the taxpayer for the preceding taxable year and such preceding year was a taxable year of 12 months, or

(B) An amount equal to 100% of the tax computed, except as provided pursuant to paragraph (3) of this subsection, at the rates applicable to the taxable year, on the basis of the taxpayer's status with respect to the taxpayer's personal exemptions for the taxable year, but otherwise on the basis of the facts shown on the taxpayer's return for, and the law applicable to, the preceding taxable year, or

(C) An amount equal to 80% of the tax for the taxable year (two-thirds of the tax for farmers referred to in subsection (e) of section 54A:8-4) computed by placing on an annualized basis the income for the months in the taxable year ending before the month in which the installment is required to be paid (or, in the case of a trust or estate, the income for the months ending before the date one month before the month in which the installment is required). For purposes of this subparagraph, the income shall be placed on an annualized basis by:

(i) Multiplying by 12 (or, in the case of a taxable year of less than 12 months, the number of months in the taxable year) the income for the months in the taxable year ending before the month in which the installment is required to be paid (or, in the case of a trust or estate, the income for the months ending before the date one month before the month in which the installment is required),

(ii) Dividing the resulting amount by the number of months in the taxable year ending before the month in which such installment date falls (or, in the case of a trust or estate, the number of months ending before the date one month before the month in which such installment date falls), and

(iii) Deducting from such amount the deductions for personal exemptions allowable for the taxable year (such personal exemptions being determined as of the last date prescribed for payment of the installment); or

(2) An amount equal to 90% of the tax computed, at the rates applicable to the taxable year, on the basis of the actual income for the months in the taxable year ending before the month in which the installment is required to be paid.

(3) If the taxable gross income shown on the return of the taxpayer for the preceding taxable year exceeds $150,000 ($75,000 in the case of a married individual within the meaning of section 7703 of the federal Internal Revenue Code of 1986, 26 U.S.C. s.7703, filing separately for the taxable year for which the amount of the installment is being determined) subparagraphs (A) and (B) of paragraph (1) of this subsection shall be applied by
substituting "110%" for "100%". For purposes of this paragraph, "taxable gross income" means gross income after any allowable deductions under chapter 3 or 3A of the "New Jersey Gross Income Tax Act" (C.54A:3-1 et seq. or 54A:3A-1 et seq.); or, in the case of a trust or estate, gross income after any allowable deductions or exemptions, income commissions and amounts distributed or credited to beneficiaries; and "gross income" for a nonresident means gross income calculated as if such nonresident were a resident.

(e) Deficiency due to fraud. If any part of a deficiency is due to fraud, there shall be added to the tax an amount equal to 50% of the deficiency. This amount shall be in lieu of any other addition to tax imposed by subsection (a) or (b).

(f) Nonwillful failure to pay withholding tax. If any employer, without intent to evade or defeat any tax imposed by this act or the payment thereof, shall fail to make a return and pay a tax withheld by him at the time required by or under the provisions of section 54A:7-4, such employer shall be liable for such tax and shall pay the same together with interest thereon and the addition to tax provided in subsection (a), and such interest and addition to tax shall not be charged to or collected from the employee by the employer. The director shall have the same rights and powers for the collection of such tax, interest and addition to tax against such employer as are now prescribed by this act for the collection of tax against an individual taxpayer.

(g) Willful failure to collect and pay over tax. Any person required to collect, truthfully account for, and pay over the tax imposed by this act who willfully fails to collect such tax or truthfully account for and pay over such tax or willfully attempts in any manner to evade or defeat the tax or the payment thereof, shall, in addition to other penalties provided by law, be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. No addition to tax under subsection (b) or (c) shall be imposed for any offense to which this subsection applies.

(h) Failure to file certain information returns. In case of each failure to file a statement of a payment to another person, required under authority of subsection (c) of section 54A:8-6 (relating to information at source, including the duplicate statement of tax withheld on wages) on the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure is due to reasonable cause and not to willful neglect, there shall, upon notice and demand by the director and in the same manner as tax, be paid by the person so failing to file the statement, a penalty of $2.00 for each statement not so filed, but the total amount imposed on the delinquent person for all such failures during any calendar year shall not exceed $2,000.00.
(i) Additional penalty. Any person who with fraudulent intent shall fail to pay, or to deduct or withhold and pay, any tax, or to make, render, sign or certify any return or declaration of estimated tax or to supply any information within the time required by or under this act, shall be liable to a penalty of not more than $5,000.00, in addition to any other amounts required under this act, to be imposed, assessed and collected by the director. The director shall have the power, in his discretion, to waive, reduce or compromise any penalty under this subsection.

(j) Additions treated as tax. The additions to tax and penalties provided by this section shall be paid upon notice and demand and shall be assessed, collected and paid in the same manner as taxes and any reference in this act to income tax or tax imposed by this act, shall be deemed also to refer to the additions to tax and penalties provided by this section. For purposes of section 54A:9-2, this subsection shall not apply to:

(1) Any addition to tax under subsection (a) except as to that portion attributable to a deficiency;
(2) Any addition to tax under subsection (e); and
(3) Any additional penalty under subsection (i).

(k) Determination of deficiency. (l) Person defined. For purposes of subsections (f), (g), (h) and (i), the term person or employer includes an individual, corporation or partnership or an officer or employee of any corporation (including a dissolved corporation) or a member or employee of any partnership, who as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(b) the person has successfully completed a State-approved pre-rental instruction course provided by the owner or lessor of the power vessel prior to operating the power vessel on the waters of the State; and

(c) the owner of the power vessel rental business is experienced in the operation of power vessels and has successfully completed a boat safety course approved by the Superintendent of State Police in the Department of Law and Public Safety.

(4) A person required to take the boat safety course pursuant to this section and section 7 of P.L.2005, c.292 who purchases a power vessel that is not a personal watercraft at a boat dealership may operate that power vessel for 30 days without having completed a boat safety course approved by the Superintendent of State Police in the Department of Law and Public Safety provided that the person successfully completes a State-approved pre-purchase instruction course provided by the owner or operator of the boat dealership prior to operating the power vessel, and the owner or operator of the boat dealership is experienced in the operation of power vessels and has successfully completed a boat safety course approved by the Superintendent of State Police. The State-approved pre-purchase instruction course required by this paragraph shall be a uniform, standardized course developed by the Superintendent of State Police. The State-approved pre-purchase instruction course shall not replace the requirement that a person shall successfully complete an approved boat safety course pursuant to the other provisions of P.L.2005, c.292 (C.12:7-61.1 et al.). The provisions of this paragraph shall not apply to a person purchasing a power vessel from another private party.

(5) A person holding a United States Coast Guard operator’s license may operate a power vessel on the waters of this State without having
completed a boat safety course approved by the Superintendent of State Police in the Department of Law and Public Safety.

The Superintendent of State Police shall establish appropriate guidelines to implement the provisions of this subsection.

c. Except as provided pursuant to section 18 of P.L.1995, c.401 (C.12:7-86), a person shall not operate a personal watercraft on the waters of this State without having successfully completed a boat safety course approved by the Superintendent of State Police in the Department of Law and Public Safety or a written test pursuant to section 8 of P.L.2005, c.292.

d. Whenever a person who is required by this section or by section 7 of P.L.1995, c.401 (C.12:7-76), section 3 or 4 of P.L.1952, c.157 (C.12:7-46 or C.12:7-47), or section 9 of P.L.1986, c.39 (C.12:7-57) to have completed a boat safety course operates a power vessel or personal watercraft, as appropriate, on the waters of this State, that person shall have in possession a certificate certifying that person's successful completion of a boat safety course approved by the superintendent and shall, when requested to do so, exhibit the certificate to a law enforcement or peace officer of this State. Failure of the person to exhibit the certificate is presumptive evidence that the person has not completed an approved boat safety course.

e. A person who violates subsection a., b., c. or d. of this section or who exhibits to a law enforcement or peace officer a certificate of completion of an approved boat safety course of another person is subject to a fine of not less than $100 nor more than $500.

f. A person who owns or has control or custody of a power vessel and allows the power vessel to be operated on the waters of this State by a person who is required pursuant to the provisions of this section to possess a certificate certifying successful completion of a boat safety course but who does not possess such certificate is subject to a fine of not more than $100.

g. A person making application to the Chief Administrator of the New Jersey Motor Vehicle Commission for a power vessel operator's license issued pursuant to section 3 of P.L.1995, c.401 (C.12:7-72) who is required pursuant to the provisions of this section to possess a certificate certifying successful completion of a boat safety course shall submit proof of successful completion of the course or the written examination for experienced boaters with the application. The chief administrator shall not issue a power vessel operator's license to such person who fails to submit this proof. A permanent State of New Jersey boating safety certificate or a temporary boating safety certificate issued on a Division of State Police application for boating safety certificate form shall satisfy this requirement.

2. Section 2 of P.L.1987, c.269 (C.12:7-23.2) is amended to read as follows:
C.12:7-23.2 Muffler requirement.

2. Every power vessel used on the waters of this State shall at all times be equipped with a muffler or muffler system in good working order and in constant operation. A person shall not use a muffler or muffler system cutout, bypass or similar method or device designed to prevent or diminish the operational capacity of a muffler or muffler system installed on a power vessel used on the waters of this State. Decibel levels exceeding the limits established pursuant to rules and regulations as measured by a noise meter operated by a trained Marine Police officer or municipal law enforcement officer shall be evidence of a violation of P.L. 1987, c.269 (C.12:7-23.2 et seq.). For the purposes of P.L. 1987, c.269 (C.12:7-23.2 et seq.), muffler means a sound dissipative device or system which abates the sound of gases which are emitted from an internal combustion engine and which prevents excessive or unusual noise.

(b) Whenever an accident involves any vessel subject to this act and results in the death, disappearance, or injury of any person, or in property damage in excess of the federal standard for filing an accident report as established pursuant to 33 C.F.R. s.173.55, the operator or operators thereof shall file, with the Division of State Police, a full description of the accident, including such information as that division may, by regulation, require within the times specified in subsection (c) of this section. The Superintendent of State Police shall notify operators, in a manner deemed appropriate, of a change in the federal standard for filing an accident report.

(c) A boating accident that occurs on the waters of this State shall be reported to the Division of State Police by the quickest means of communication possible, if the accident has caused the death or the disappearance of any person; any other reportable boating accident that may result in personal
injury or property damage shall be reported within 10 days to the Division of State Police.

(d) The report of a boating accident herein required to be made by the operator of the vessel involved in the boating accident shall not, during any judicial proceeding, be referred to in any way; it shall not be subject to subpoena nor admissible as evidence in any proceeding. Subject to these restrictions, information contained in a boating accident report and any statistical information based thereon will be made available upon request for official purposes to the United States Coast Guard or any federal agency successor thereto.

At least one of the public members shall be actively employed in the marine industry.

The chairman shall be designated by the Governor. Each member of the commission shall serve at the pleasure of the Governor during his term and until the successor of the commission member has been appointed and has qualified. Vacancies shall be filled only for the unexpired term.

(b) The members of the commission shall serve without compensation except for the actual expenses incurred while engaged in their duties as members of the commission.

(c) The commission will promulgate rules and regulations, subject to the approval of the Attorney General, not inconsistent with the provisions of this act and including, but not limited to the inspection, operation, equipping, anchorage, racing and safety of vessels upon the waters of this State.

These rules and regulations shall be such as are reasonably necessary for the protection of the health, safety and welfare of the public and for the free and proper use of said waters by any persons or vessels in, on or about such waters. These regulations shall not be inconsistent with regulations issued
by the agency or agencies of the United States having jurisdiction with
respect to power vessels upon the waters of this State.

The commission shall meet monthly or at the call of the Attorney Gen­

5. Section 1 of P.L.1987, c.453 (C.12:7-60) is amended to read as
follows:

C.12:7-60 Approved boat safety courses.

1. a. The Superintendent of State Police in the Department of Law and
Public Safety shall establish a list of approved boat safety courses, offered
by public or private persons or agencies for profit or otherwise and taught
by approved boat safety instructors. Approved courses shall provide formal
instruction in power vessel handling and safety. The superintendent may
approve a boat safety course upon the initiative of the superintendent or by
application on a form to be created by the superintendent.

For the purposes of this section, "approved boat safety course" means
a boat safety course that meets qualifications set forth in regulations promul­
gated by the Superintendent of State Police, in consultation with the Attorney
General; the regulations shall require at least eight hours of instruction, with
a minimum of six hours of classroom instruction, or, if the boat safety course
is offered via the Internet, require at least the equivalent of eight hours of
instruction; whether offered in a classroom or via the Internet, the boat safety
course shall conclude with a closed-book written examination administered
by an instructor in person and present with the person taking the written
examination.

For the purposes of this section, an "approved boat safety instructor"
means an individual who is trained and experienced in the art and science
of navigation and seamanship and who holds a United States Coast Guard
operator's license, or a certification as an instructor as provided by the United
States Coast Guard Auxiliary, the United States Power Squadron, the Na­

The superintendent shall, pursuant to the "Administrative Procedure Act," P.L.1968, c. 410 (C. 52:14B-1 et seq.), adopt rules and regulations to implement this section. While developing these rules and regulations, the Superintendent of State Police shall consult with the National Association of State Boating Law Administrators, or its successor organization, concerning the provisions of the rules and regulations being adopted pursuant to this subsection.

(a) In New Jersey, any crime or disorderly persons offense:

(i) involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq., or N.J.S.2C:15-1 et seq.;

(ii) against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.;

(iii) involving theft as set forth in chapter 20 of Title 2C of the New Jersey Statutes;

(iv) involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10;

The Marine Services Bureau in the Division of State Police shall obtain the instructor's name, address, fingerprints and written consent for a criminal history record background check to be performed pursuant to this paragraph. The Marine Services Bureau is authorized to receive criminal history record information from the State Bureau of Identification in the Division of State Police and the Federal Bureau of Investigation consistent with applicable State and federal laws, rules and regulations. The Marine Services Bureau shall determine whether the person is disqualified from employment as an
instructor based on the person's criminal history record background check
and render the decision to the public or private entity.

The instructor shall bear the cost for the criminal history record back­
ground check, including all costs of administering and processing the check,
but a volunteer instructor shall be afforded a fee reduction as authorized by
applicable State and federal law, rule and regulation.

CHAPTER 294

AN ACT establishing the Safe Haven Awareness Promotion Task Force.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The "New Jersey Safe Haven Infant Protection Act," P.L.2000, c.58 (C.30:4C-15.5 et seq.) is intended to provide for the emergency possession of certain abandoned newborn infants in such a manner as to ensure the anonymity, confidentiality and freedom from prosecution that may encour-
age a parent who may be under severe emotional stress to leave an infant at a safe haven and thereby save that infant's life;

b. This statute requires the Commissioner of Human Services to establish an educational and public information program to promote safe placement alternatives for newborn infants, the confidentiality offered to birth parents and information regarding adoption procedures;

c. Pursuant to the Safe Haven law, the Department of Human Services established a multifaceted media campaign to inform the public about its provisions, and this effort has included: a 24-hour toll-free telephone hot-line; public service announcements on radio and cable television; posters for display in social service agencies, high schools, stores and churches; pocket cards and brochures in both English and Spanish; and advertising in local and college newspapers and on billboards and buses;

d. Despite these efforts to promote public awareness of the Safe Haven law, unlawful abandonment of newborn infants continues to be a problem in New Jersey, as evidenced by the finding of three newborn infants who were unlawfully abandoned during a three-week period in January 2004, instead of being dropped off safely as provided under P.L.2000, c.58, with the consequent loss of life for one of those infants; and

e. The indications of this continuing problem raise questions about whether the existing efforts to disseminate information about the provisions of the Safe Haven law can create sufficient public awareness to alleviate the problem of unlawful baby abandonment and thereby achieve the intent of the "New Jersey Safe Haven Infant Protection Act."

2. There is established the Safe Haven Awareness Promotion Task Force in the Department of Human Services. The purpose of the task force shall be to study and evaluate the efficacy of existing efforts to promote awareness among the general public of the provisions of the "New Jersey Safe Haven Infant Protection Act," P.L.2000, c.58 (C.30:4C-15.5 et seq.), and develop recommendations relating to specific actionable measures to support and enhance efforts that would improve the effectiveness of the campaign to promote public awareness of the Safe Haven law.

3. a. The task force shall consist of 19 members as follows:

(1) the Commissioners of Health and Senior Services, Human Services and Education, the Director of the Division on Women in the Department of Community Affairs and the Child Advocate, or their designees, who shall serve ex officio; and

(2) 14 public members, who shall be appointed by the Governor no later than the 30th day after the effective date of this act, as follows: one person upon the recommendation of the Association for Children of New Jersey;
one person upon the recommendation of the New Jersey Chapter of the National Association of Social Workers; one person upon the recommendation of the School of Social Work at Rutgers, The State University of New Jersey; one person upon the recommendation of Foster and Adoptive Family Services; one person upon the recommendation of the American Academy of Pediatrics-New Jersey Chapter; one person upon the recommendation of the New Jersey Education Association; one person upon the recommendation of the New Jersey State School Nurses Association; one person upon the recommendation of the New Jersey Hospital Association; one person upon the recommendation of the Mental Health Association in New Jersey; one person upon the recommendation of the New Jersey Task Force on Child Abuse and Neglect, one person upon the recommendation of the New Jersey Catholic Conference; one person upon the recommendation of New Jersey Right to Life; and two members of the public with a demonstrated expertise in issues relating to the work of the task force.

Vacancies in the membership of the task force shall be filled in the same manner provided for the original appointments.

b. The Commissioner of Human Services or the commissioner's designee shall serve as chairperson of the task force. The task force shall organize as soon as practicable following the appointment of its members and shall select a vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the task force.

c. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the task force.

d. The task force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

e. The task force may meet and hold hearings at the places it designates during the sessions or recesses of the Legislature.

f. The Department of Human Services shall provide staff support to the task force.

4. The task force shall report its findings and recommendations to the Governor and the Legislature, along with any legislative bills that it desires to recommend for adoption by the Legislature, no later than six months after the initial meeting of the task force.
5. This act shall take effect immediately and shall expire upon the issuance of the task force report.

Approved January 9, 2006.

(2) It is to be made or entered into with the United States of America, the State of New Jersey, county or municipality or any board, body, officer, agency or authority thereof or any other state or subdivision thereof.

(3) Bids have been advertised pursuant to section 4 of P.L.1971, c.198 (C.40A:11-4) on two occasions and (a) no bids have been received on both occasions in response to the advertisement, or (b) the governing body has rejected such bids on two occasions because it has determined that they are not reasonable as to price, on the basis of cost estimates prepared for or by the contracting agent prior to the advertising therefor, or have not been independently arrived at in open competition, or (c) on one occasion no bids were received pursuant to (a) and on one occasion all bids were rejected pursuant to (b), in whatever sequence; any such contract may then be negoti-
ated and may be awarded upon adoption of a resolution by a two-thirds affirmative vote of the authorized membership of the governing body authorizing such contract; provided, however, that:

(i) A reasonable effort is first made by the contracting agent to determine that the same or equivalent goods or services, at a cost which is lower than the negotiated price, are not available from an agency or authority of the United States, the State of New Jersey or of the county in which the contracting unit is located, or any municipality in close proximity to the contracting unit;

(ii) The terms, conditions, restrictions and specifications set forth in the negotiated contract are not substantially different from those which were the subject of competitive bidding pursuant to section 4 of P.L.1971, c.198 (C.40A:11-4); and

(iii) Any minor amendment or modification of any of the terms, conditions, restrictions and specifications, which were the subject of competitive bidding pursuant to section 4 of P.L.1971, c.198 (C.40A:11-4), shall be stated in the resolution awarding such contract; provided further, however, that if on the second occasion the bids received are rejected as unreasonable as to price, the contracting agent shall notify each responsible bidder submitting bids on the second occasion of its intention to negotiate, and afford each bidder a reasonable opportunity to negotiate, but the governing body shall not award such contract unless the negotiated price is lower than the lowest rejected bid price submitted on the second occasion by a responsible bidder, is the lowest negotiated price offered by any responsible vendor, and is a reasonable price for such goods or services.

Whenever a contracting unit shall determine that a bid was not arrived at independently in open competition pursuant to subsection (3) of this section it shall thereupon notify the county prosecutor of the county in which the contracting unit is located and the Attorney General of the facts upon which its determination is based, and when appropriate, it may institute appropriate proceedings in any State or federal court of competent jurisdiction for a violation of any State or federal antitrust law or laws relating to the unlawful restraint of trade.

(4) The contracting unit has solicited and received at least three quotations on materials, supplies or equipment for which a State contract has been issued pursuant to section 12 of P.L.1971, c.198 (C.40A:11-12), and the lowest responsible quotation is at least 10% less than the price the contracting unit would be charged for the identical materials, supplies or equipment, in the same quantities, under the State contract. Any such contract entered into pursuant to this subsection may be awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the governing body of the contracting unit at a meeting thereof authorizing such
a contract. A copy of the purchase order relating to any such contract, the
requisition for purchase order, if applicable, and documentation identifying
the price of the materials, supplies or equipment under the State contract and
the State contract number shall be filed with the director within five working
days of the award of any such contract by the contracting unit. The director
shall notify the contracting unit of receipt of the material and shall make the
material available to the State Treasurer. The contracting unit shall make
available to the director upon request any other documents relating to the
solicitation and award of the contract, including, but not limited to, quota­
tions, requests for quotations, and resolutions. The director periodically shall
review material submitted by contracting units to determine the impact of
such contracts on local contracting and shall consult with the State Treasurer
on the impact of such contracts on the State procurement process. The
director may, after consultation with the State Treasurer, adopt rules in
accordance with the "Administrative Procedure Act," P.L.1968, c.410
(C.52:14B-1 et seq.) to limit the use of this subsection, after considering the
impact of contracts awarded under this subsection on State and local con­
tracting, or after considering the extent to which the award of contracts
pursuant to this subsection is consistent with and in furtherance of the
purposes of the public contracting laws.

(5) Notwithstanding any provision of law, rule or regulation to the
contrary, the subject matter consists of the combined collection and market­
ing, or the cooperative combined collection and marketing of recycled
material recovered through a recycling program, or any product intentionally
produced or derived from solid waste received at a resource recovery facility
or recovered through a resource recovery program including, but not limited
to, refuse-derived fuel, compost materials, methane gas, and other similar
products, provided that in lieu of engaging in such public advertising for bids
and the bidding therefor, the contracting unit shall, prior to commencing the
procurement process, submit for approval to the Director of the Division of
Local Government Services, a written detailed description of the process to
be followed in securing said services. Within 30 days after receipt of the
written description the director shall, if the director finds that the process
provides for fair competition and integrity in the negotiation process, ap­
prove, in writing, the description submitted by the contracting unit. If the
director finds that the process does not provide for fair competition and
integrity in the negotiation process, the director shall advise the contracting
unit of the deficiencies that must be remedied. If the director fails to respond
in writing to the contracting unit within 30 days, the procurement process
as described shall be deemed approved. As used in this section, "collection"
means the physical removal of recyclable materials from curbside or any
other location selected by the contracting unit.
(6) Notwithstanding any provision of law, rule or regulation to the contrary, the contract is for the provision of electricity by a contracting unit engaged in the distribution of electricity for retail sale, or for the provision of administrative or dispatching services related to the transmission of such electricity, provided that in lieu of engaging in public advertising for bids and the bidding therefor, the contracting unit shall, prior to commencing the procurement process, submit for approval to the Director of the Division of Local Government Services, a written detailed description of the process to be followed in securing such services. Such process shall be designed in a way that is appropriate to and commensurate with industry practices, and the integrity of the government contracting process. Within 30 days after receipt of the written description, the director shall, if the director finds that the process provides for fair competition and integrity in the negotiation process, approve, in writing, the description submitted by the contracting unit. If the director finds that the process does not provide for fair competition and integrity in the negotiation process, the director shall advise the contracting unit of the deficiencies that must be remedied. If the director fails to respond in writing to the contracting unit within 30 days, the procurement process, as submitted to the director pursuant to this section, shall be deemed approved.

Upon termination of the guardianship, pursuant to N.J.S.3B:12-64 the guardian, after the allowance of his final account, shall pay over and distribute all funds and properties of the former ward or to the estate of the former ward in accordance with the order of the court.

45. N.J.S.3B:12-64 is amended to read as follows:

When authority and responsibility of guardian terminate.

3B:12-64. When authority and responsibility of guardian terminate.
a. The authority and responsibility of a guardian of the person or estate of an incapacitated person terminate upon:
   (1) the death, resignation or removal of the guardian;  
   (2) upon the death of the incapacitated person; or  
   (3) upon the entry of a judgment adjudicating the restoration of competency or termination of guardianship for other reasons.

b. However, termination does not affect the guardian's liability for prior acts, nor the guardian's obligation to account for funds and assets of the ward.

c. Notwithstanding the termination of the guardianship, the guardian may make final burial and funeral arrangements if the body remains unclaimed for five days and may pay for burial and funeral costs, Surrogate fees of administration, probate and bond from the guardianship account. Resignation of a guardian does not terminate the guardianship unless it has been approved by a judgment of the court.

d. Upon the death of an incapacitated person the guardian shall provide written notification to the Surrogate and shall provide the Surrogate with a copy of the death certificate within seven days of the guardian's receipt of the death certificate.

46. N.J.S.3B:12-66 is amended to read as follows:

Filling vacancy in guardianship.

The Superior Court, or the Surrogate's court in the case of a minor, shall have jurisdiction to fill the vacancy by the appointment of a substituted guardian. The Superior Court may fill the vacancy in case of a guardian of a minor or where letters of guardianship were granted by the Superior Court or when removing or discharging the guardian. The Surrogate's court may fill the vacancy in the case of a guardian of a minor where letters were granted by the Surrogate's Court.

47. N.J.S.3B:22-2 is amended to read as follows:

Order of priority of claims when assets insufficient.

3B:22-2. If the applicable assets of the estate are insufficient to pay all claims in full, the personal representative shall make payment in the following order:

a. Reasonable funeral expenses;

b. Costs and expenses of administration;

c. Debts for the reasonable value of services rendered to the decedent by the Office of the Public Guardian for Elderly Adults;
CHAPTER 304, LAWS OF 2005

d. Debts and taxes with preference under federal law or the laws of this State;

e. Reasonable medical and hospital expenses of the last illness of the decedent, including compensation of persons attending him;

f. Judgments entered against the decedent according to the priorities of their entries respectively;

g. All other claims.

No preference shall be given in the payment of any claim over any other claim of the same class, and a claim due and payable shall not be entitled to a preference over claims not due. The commencement of an action against the personal representative for the recovery of a debt or claim or the entry of a judgment thereon against the personal representative shall not entitle such debt or claim to preference over others of the same class.

C.38:12-66.1 Removal from New Jersey after appointment of guardian.

48. Removal from New Jersey after Appointment of Guardian.

a. A guardian appointed in this State desiring to move to another state with his ward shall obtain an order from the Superior Court of this State consenting to the ward's removal and if applicable, the guardian's discharge. The Superior Court may transfer the guardianship to another state if the court is satisfied that a transfer will serve the best interest of the ward.

b. The ward's removal and discharge of the guardian shall be on such terms as the Superior Court deems necessary, including requiring filing and settlement of the guardian's account and filing of an exemplified copy of the order evidencing the other state court's acceptance of jurisdiction over the guardianship and the guardian.

C.38:12-66.2 Transfer into New Jersey of guardianship established in another state.

49. Transfer into New Jersey of Guardianship Established in Another State.

a. A guardian or like fiduciary appointed in another state may file a summary action in the Superior Court for the transfer of the guardianship and the appointment as a guardian in this State if domicile in this State is or will be established.

b. Notice of hearing shall be given to the ward and to the persons who would be entitled to notice if the regular procedures for appointment of a guardian under the New Jersey Rules of Court were applicable.

c. The Superior Court shall grant an application for the transfer of a guardianship established in another state unless the court determines that the proposed guardianship is a collateral attack on an existing or proposed guardianship or the transfer and appointment would not be in the best interest of the ward.
d. An exemplified record of a court of competent jurisdiction evidencing the original proceeding adjudicating the ward's incapacity and any amendment or modification orders entered subsequent to the original judgment shall be filed with the Superior Court. Subject to due process principles, full faith and credit may be accorded to a court in another state's determination of the ward's incapacity. The Superior Court may fix the rights, powers, and duties of the guardian that the court determines are necessary to administer the ward's person or estate, or both person and estate, in this State.

e. The guardian shall give notice of the application to transfer guardianship to the court in the other state.

50. This act shall take effect immediately.

CHAPTER 305

AN ACT establishing the "New Jersey Health Care Access Study Commission."

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The number of people in this State who do not have health insurance has increased significantly over a period of several years;
   b. Nearly 1.2 million New Jerseyans, or almost 14% of the State population, were without health care coverage in 2001;
   c. The uninsurance rate in New Jersey among both non-elderly adults and children is still high for those whose annual incomes are less than 100% of the federal poverty level even with the Legislature's recent expansion of the NJ FamilyCare Program, which will provide health care coverage to low-income families;
   d. Racial and ethnic, as well as income, disparities in access to health care threaten communities across the State, as they do across the entire nation;
   e. Dollars that could be expended on providing health care services are being diverted to meet administrative costs and not patient needs;
   f. The current health care system too often puts the financial bottom line ahead of patient care and threatens the financial viability of those health.
care providers who attempt to provide a safety net that meets the treatment needs of the uninsured and poorly insured; and

g. There is an urgent need for an independent mechanism by which State policymakers can study and consider various options for achieving the goal of establishing a health care system that provides State residents with access to health care regardless of income, age, employment or health status, and in which health care providers are able to provide patients with the quality health care that they need.

2. a. There is established the "New Jersey Health Care Access Study Commission" in the Department of Health and Senior Services.

The purpose of the commission shall be to study and develop specific recommendations regarding the most effective means of achieving the goal of establishing a health care system in the State that provides access to health care for State residents and which:

(1) is affordable to individuals, families, businesses and taxpayers, and removes financial barriers to needed health care;

(2) is as cost-efficient as practicable by expending the maximum amount available on direct patient care;

(3) provides comprehensive benefits that include benefits for mental health and long-term care services;

(4) promotes prevention and early intervention;

(5) includes parity for mental health and other services;

(6) eliminates disparities in access to quality health care;

(7) addresses the needs of people with special health care needs and underserved populations in both urban and rural areas;

(8) promotes health care quality and better health outcomes;

(9) addresses the need to have an adequate number of qualified health care providers to guarantee timely access to quality health care;

(10) provides adequate and timely payments in order to guarantee access to health care providers;

(11) fosters a strong network of health care facilities, including safety net providers;

(12) ensures continuity of coverage and care;

(13) maximizes consumer choice of health care providers; and

(14) is easy for patients and health care providers to use and reduces the volume of paperwork from its current level.

b. The commission shall consist of 28 members as follows:

(1) the Commissioners of Health and Senior Services, Human Services and Banking and Insurance, and the State Treasurer, or their designees, who shall serve ex officio; and
(2) 24 public members, who shall be appointed by the Governor no later than the 60th day after the effective date of this act, as follows: one person upon the recommendation of the New Jersey Hospital Association; one person upon the recommendation of the Hospital Alliance of New Jersey; one person upon the recommendation of the New Jersey Council of Teaching Hospitals; one person upon the recommendation of the New Jersey Primary Care Association, Inc.; one person upon the recommendation of the Medical Society of New Jersey; one person upon the recommendation of the New Jersey State Nurses Association; one person upon the recommendation of the Health Professionals and Allied Employees; one person upon the recommendation of the New Jersey Academy of Family Physicians; one person upon the recommendation of the American College of Emergency Physicians, New Jersey Chapter; one person upon the recommendation of the University of Medicine and Dentistry of New Jersey, who shall be an expert on multicultural health issues and racial and ethnic health disparities; one person upon the recommendation of the New Jersey Association of Osteopathic Physicians and Surgeons; one person upon the recommendation of the New Jersey Dental Association; one person upon the recommendation of AARP; one person upon the recommendation of the New Jersey Business and Industry Association; one person upon the recommendation of the New Jersey State AFL-CIO; one person upon the recommendation of AAHP-HIAA; one person upon the recommendation of an insurance carrier providing a managed care plan under the Medicaid program; one person upon the recommendation of a health service corporation; one person upon the recommendation of Legal Services of New Jersey; one person upon the recommendation of The Center for State Health Policy at Rutgers, The State University of New Jersey; and four members of the public who have a demonstrated expertise in issues relating to the work of the commission, two of whom shall represent organizations that have a demonstrated record of advocacy on behalf of medically indigent persons and persons with mental illness, respectively.

Vacancies in the membership of the commission shall be filled in the same manner provided for the original appointments.

c. The Commissioner of Health and Senior Services or the commissioner's designee shall serve as chairperson of the commission. The commission shall organize as soon as practicable following the appointment of its members and shall select a vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the commission.

d. The public members shall serve without compensation, but shall be reimbursed for necessary expenses incurred in the performance of their duties and within the limits of funds available to the commission.
e. The commission shall be entitled to call to its assistance and avail itself of the services of the employees of any state, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

f. The commission may meet and hold hearings at the places it designates during the sessions or recesses of the legislature.

g. The Department of Health and Senior Services shall provide staff support to the commission.

3. The commission shall report its findings and recommendations to the Governor and the legislature, along with any legislative bills that it desires to recommend for adoption by the legislature, no later than January 1, 2008.

CHAPTER 310

AN ACT concerning instruction in suicide prevention for public school pupils and teaching staff members and supplementing chapter 6 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Suicide is a leading cause of death for young people in this State. According to the Center for Health Statistics in the New Jersey Department of Health and Senior Services, between 1999 and 2001 more than 1,500 young people ages 13 to 18 made suicide attempts which resulted in hospitalization. More than 50 of these attempts were fatal. When young people up to 24 years of age are added to the equation, the number of attempted suicides rises to 3,000 and the number of fatalities rises to nearly 200.
   b. A suicide can devastate a community. According to the National Alliance for the Mentally Ill (NAMI), suicide severely impacts the families and friends left behind, who often wrongly live with extreme shame and guilt over not having prevented the death of their loved one. Moreover, many attempts which do not result in death nonetheless end in serious injury to the victims and lifelong trauma to their families and those who know them.
   c. A person who is considering suicide may exhibit behavioral warning signs. If someone notices the warning signs of suicide, it may be possible to avert a tragedy. With the possible exception of a parent, no one
is better situated than a teacher to detect these signs and to initiate appropriate steps to prevent a suicide attempt. Proper training for teaching staff members can thus save pupils' lives and save the families and friends of would-be victims the trauma of a suicide or suicide attempt. Moreover, early identification of depression and other problems may help to reduce the number of young people who commit or attempt to commit suicide once they have left school and entered adulthood.

d. It is therefore appropriate for the Legislature to require: the State Board of Education to require instruction in suicide prevention as part of any continuing education which public school teaching staff members must complete to maintain their certification; and inclusion of suicide prevention awareness in the Core Curriculum Content Standards in Comprehensive Health and Physical Education.

2. The State Board of Education, in consultation with the New Jersey Youth Suicide Prevention Advisory Council established in the Department of Human Services pursuant to P.L.2003, c.214 (C.30:9A-22 et seq.), shall, as part of the professional development requirement established by the State board for public school teaching staff members, require each public school teaching staff member to complete at least two hours of instruction in suicide prevention, to be provided by a licensed health care professional with training and experience in mental health issues, in each professional development period.

3. Within 180 days of the effective date of this act, the State Board of Education shall revise the Core Curriculum Content Standards in Comprehensive Health and Physical Education to provide for instruction in suicide prevention in an appropriate place in the curriculum of elementary school, middle school, and high school pupils.

4. This act shall take effect immediately.

Approved January 11, 2006.

That person, who has been identified by a federal, state or local law enforcement agency as a member or associate of an organized crime group or cartel or of a terrorist group or cartel, shall be presumed to be a member or associate of an organized crime group or cartel or of a terrorist group or cartel; or

(7) Commission of a racketeering activity or knowing association with a person who has been convicted of a racketeering activity by a court of the United States, or any state or territory thereof.

8. Section 6 of P.L. 1956, c. 194 (C.32:23-105) is amended to read as follows:

C.32:23-105 Checkers.

6. 5-n. Checkers. (1) The commission shall establish within the longshoremen's register a list of all qualified longshoremen eligible, as hereinafter provided, for employment as checkers in the Port of New York District. No person shall act as a checker within the Port of New York District unless at the time he is included in the longshoremen's register as a checker, and no person shall employ another to work as a checker within the Port of New York District unless at the time such other person is included in the longshoremen's register as a checker.

(2) Any person applying for inclusion in the longshoremen's register as a checker shall file at any such place and in such manner as the commission shall designate a written statement, signed and verified by such person, setting forth the following:

(a) The full name, residence, place and date of birth and social security number of the applicant;
(b) The present and previous occupations of the applicant, including the places where he was employed and the names of his employers;
(c) Such further facts and evidence as may be required by the commission to ascertain the character, integrity and identity of the applicant.

(3) No person shall be included in the longshoremen's register as a checker

(a) Unless the commission shall be satisfied that the applicant possesses good character and integrity;
(b) If the applicant has, without subsequent pardon, been convicted by a court of the United States or any State or territory thereof, of the commission of, or the attempt or conspiracy to commit treason, murder, manslaughter or any felony or high misdemeanor or any of the following misdemeanors or offenses: illegally using, carrying or possessing a pistol or other dangerous weapon; making or possessing burglar's instruments; buying or receiving stolen property; unlawful entry of a building; aiding an escape from prison; unlawfully possessing, possessing with intent to distribute, sale or distribution of a controlled dangerous substance or a controlled dangerous substance analog; petty larceny, where the evidence shows the property was stolen from a vessel, pier or other waterfront terminal; or violation of the compact. Any such applicant ineligible for inclusion in the longshoremen's register as a checker by reason of any such conviction may submit satisfactory evidence to the commission that he has for a period of not less than 5 years, measured as hereinafter provided, and up to the time of application, so conducted himself as to warrant inclusion in the longshoremen's register as a checker, in which event the commission may, in its discretion, issue an order removing such ineligibility. The aforesaid period of 5 years shall be measured either from the date of payment of any fine imposed upon such person or the suspension of sentence or from the date of his unrevoked release from custody by parole, commutation or termination of his sentence;

(c) If the applicant knowingly or willfully advocates the desirability of overthrowing or destroying the government of the United States by force or violence or shall be a member of a group which advocates such desirability, knowing the purposes of such group include such advocacy.

(4) When the application shall have been examined and such further inquiry and investigation made as the commission shall deem proper and when the commission shall be satisfied therefrom that the applicant possesses the qualifications and requirements prescribed by this section, the commission shall include the applicant in the longshoremen's register as a checker. The commission may permit temporary registration as a checker to any applicant under this section pending final action on an application made for such registration, under such terms and conditions as the commission may prescribe, which shall be valid for a period to be fixed by the commission, not in excess of 6 months.

(5) The commission shall have power to reprimand any checker registered under this section or to remove him from the longshoremen's register as a checker for such period of time as it deems in the public interest for any of the following offenses:
(a) Conviction of a crime or other cause which would permit disqualification of such person from inclusion in the longshoremen's register as a checker upon original application;

(b) Fraud, deceit or misrepresentation in securing inclusion in the longshoremen's register as a checker or in the conduct of the registered activity;

(c) Violation of any of the provisions of the compact;

(e) Inducing or otherwise aiding or abetting any person to violate the terms of the compact;

(f) Paying, giving, causing to be paid or given or offering to pay or give to any person any valuable consideration to induce such other person to violate any provision of the compact or to induce any public officer, agent or employee to fail to perform his duty under the compact;

(g) Consorting with known criminals for an unlawful purpose;

(h) Transfer or surrender of possession to any person either temporarily or permanently of any card or other means of identification issued by the commission as evidence of inclusion in the longshoremen's register without satisfactory explanation; or

(i) False impersonation of another longshoreman or of another person licensed under the compact.

(6) The commission shall have the right to recover possession of any card or other means of identification issued as evidence of inclusion in the longshoremen's register as a checker in the event that the holder thereof has been removed from the longshoremen's register as a checker.

(7) Nothing contained in this section shall be construed to limit in any way any rights of labor reserved by article XV of the compact.

9. Section 1 of P.L.1976, c.102 (C.32:23-118) is amended to read as follows:

C.32:23-118 Temporary suspension of permits, licenses and registrations for indictment or other charge of crime.

1. 5.q. (1) The commission may temporarily suspend a temporary permit or a permanent license or a temporary or permanent registration pursuant to the provisions of section 4 of Article XI of this act until further order of the commission or final disposition of the underlying case, only where the permittee, licensee or registrant has been indicted for, or otherwise charged with, a crime which is equivalent to a felony in the State of New York or to a crime of the third, second, or first degree in the State
of New Jersey or only where the permittee or licensee is a port watchman who is charged by the commission pursuant to Article XI of this act with misappropriating any other person's property at or on a pier or other waterfront terminal.

(2) In the case of a permittee, licensee or registrant who has been indicted for, or otherwise charged with, a crime, the temporary suspension shall terminate immediately upon acquittal or upon dismissal of the criminal charge. A person whose permit, license or registration has been temporarily suspended may, at any time, demand that the commission conduct a hearing as provided for in Article XI of this act. Within 60 days of such demand, the commission, if feasible, and within the commission's discretion, shall commence the hearing and, within 30 days of receipt of the administrative law judge's report and recommendation, the commission shall render a final determination thereon; provided, however, that these time requirements, shall not apply for any period of delay caused or requested by the permittee, licensee or registrant. A person whose permit, license or registration has been temporarily suspended by the order of the commission may, no more than four times per year subsequent to the date of temporary suspension, petition the commission to vacate the temporary suspension.

(3) The commission may, within its discretion, bar any permittee, licensee or registrant who has been suspended pursuant to the provisions of subsection (1) above, from any employment by a licensed stevedore or a carrier of freight by water, if that individual has been indicted or otherwise charged in any federal, state or territorial proceeding with any crime involving the possession with intent to distribute, sale or distribution of a controlled dangerous substance or controlled dangerous substance analog, racketeering or theft from a pier or waterfront terminal.

10. If any part of this act or the application thereof to any person or circumstances be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this act or the application thereof to other persons or circumstances and the two states hereby declare that they would have entered into this act or the remainder thereof had the invalidity of such provision or application thereof been apparent.

11. This act constitutes an agreement between the states of New Jersey and New York, supplementary to the waterfront commission compact and amendatory thereof, and shall be liberally construed to effectuate the purposes of that compact, and the powers vested in the waterfront commis-
sion shall be construed to be in aid of and supplemental to and not in limitation of or in derogation of any of the powers heretofore conferred upon or delegated to the waterfront commission.

12. This act shall take effect upon the enactment of substantially similar legislation by the State of New York or, if the State of New York should enact legislation of a similar substance and effect of any section of this act, that section of this act shall take effect upon that enactment; but if legislation substantially similar to this act or any section thereof already has been enacted, this act or the section in question shall take effect immediately.

AN ACT concerning commercial nonagricultural activities and personal wireless service facilities on preserved farmland, and supplementing P.L.1983, c.32 (C.4:1C-11 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.4:1C-32.1 Special permit to allow a commercial nonagricultural activity on certain land; conditions; definitions.

1. a. Any person who owns qualifying land on which a development easement was conveyed to, or retained by, the committee, a board, or a qualifying tax exempt nonprofit organization pursuant to the provisions of section 24 of P.L.1983, c.32 (C.4:1C-31), section 5 of P.L.1988, c.4 (C.4:1C-31.1), section 1 of P.L.1989, c.28 (C.4:1C-38), section 1 of P.L.1999, c.180 (C.4:1C-43.1), or sections 37 through 40 of P.L.1999, c.152 (C.13:8C-37 through C.13:8C-40) may apply for a special permit pursuant to this section to allow a commercial nonagricultural activity to occur on the land.

b. The committee, in its sole discretion, may issue a special permit pursuant to this section to the landowner if the development easement is owned by the committee. The committee and the board, in their joint discretion, may authorize the committee to issue a special permit pursuant to this section to the landowner if the development easement is owned by a board. The committee and the qualifying tax exempt nonprofit organization, in their joint discretion, may authorize the committee to issue a special
permit pursuant to this section to the landowner if the development easement is owned by a qualifying tax exempt nonprofit organization.

c. A special permit may be issued pursuant to this section provided that:

   (1) the land is a commercial farm as defined pursuant to section 3 of P.L.1983, c.31 (C.4:1C-3);

   (2) there is no commercial nonagricultural activity already in existence on the land at the time of application for the special permit or on any portion of the farm that is not subject to the development easement, except that the committee may waive the requirements of this paragraph, either entirely or subject to any appropriate conditions, (a) if such preexisting commercial nonagricultural activity is deemed to be of a minor or insignificant nature or to rely principally upon farm products, as defined pursuant to R.S.4:10-1, derived from the farm, or (b) for other good cause shown by the applicant;

   (3) the permit is for one commercial nonagricultural activity only;

   (4) no more than one permit may be valid at any one time for use on the land;

   (5) the permit is for a maximum of 20 years duration;

   (6) the permit does not run with the land and may not be assigned;

   (7) the commercial nonagricultural activity utilizes, or is supported through the occupation of, a structure or structures existing on the date of enactment of this act, except that the permit may authorize, subject to the requirements of paragraph (12) of this subsection, an expansion of an existing structure or structures which expansion does not exceed 500 square feet in footprint area in total for all of the structures, provided that, for any such expansion, the applicant demonstrates to the satisfaction of the committee that:

      (a) the purpose or use of the expansion is necessary to the operation or functioning of the commercial nonagricultural activity;

      (b) the area of the proposed footprint of the expansion is reasonably calculated based solely upon the demands of accommodating the commercial nonagricultural activity and does not incorporate excess space; and

      (c) the location, design, height, and aesthetic attributes of the expansion reflect the public interest of preserving the natural and unadulterated appearance of the landscape and structures;

   (8) the commercial nonagricultural activity does not interfere with the use of the land for agricultural production;

   (9) the commercial nonagricultural activity utilizes the land and structures in their existing condition except as allowed otherwise pursuant to paragraph (7) of this subsection;

   (10) the commercial nonagricultural activity does not have an adverse impact upon the soils, water resources, air quality, or other natural resources
(11) the commercial nonagricultural activity is not a high traffic volume business; and
(12) any necessary local zoning and land use approvals and any other applicable approvals that may be required by federal, State, or local law, rule, regulation, or ordinance are obtained for the commercial nonagricultural activity.

d. In addition to those factors enumerated under subsection c. of this section, the committee, in evaluating an application for a special permit, shall also consider such additional factors as traffic generated and the number of employees required by the proposed commercial nonagricultural activity so as to limit to the maximum extent possible the intensity of the activity and its impact on the land and the surrounding area.

e. For the purposes of this section:
"Commercial nonagricultural activity" shall not include a personal wireless service facility as defined and regulated pursuant to section 2 of this act;
"Qualifying land" means a farm that was preserved for farmland preservation purposes prior to the date of enactment of this act under any of the laws cited in subsection a. of this section and for which no portion of the farm was excluded in the deed of easement from preservation; and
"Qualifying tax exempt nonprofit organization" shall have the same meaning as set forth in section 3 of P.L.1999, c.152 (C.13:8C-3).

C.4:1C-32.2 Special permit to allow a personal wireless service facility on certain land; conditions; definitions.

2. a. Any person who owns land on which a development easement was conveyed to, or retained by, the committee, a board, or a qualifying tax exempt nonprofit organization pursuant to the provisions of section 24 of P.L.1983, c.32 (C.4:1C-31), section 5 of P.L.1988, c.4 (C.4:1C-31.1), section 1 of P.L.1989, c.28 (C.4:1C-38), section 1 of P.L.1999, c.180 (C.4:1C-43.1), sections 37 through 40 of P.L.1999, c.152 (C.13:8C-37 through C.13:8C-40), or any other State law enacted for farmland preservation purposes may apply for a special permit pursuant to this section to allow a personal wireless service facility to be erected on the land.

b. The committee, in its sole discretion, may issue a special permit pursuant to this section to the landowner if the development easement is owned by the committee. The committee and the board, in their joint discretion, may authorize the committee to issue a special permit pursuant to this section to the landowner if the development easement is owned by a board. The committee and the qualifying tax exempt nonprofit organiza-
tion, in their joint discretion, may authorize the committee to issue a special permit pursuant to this section to the landowner if the development easement is owned by a qualifying tax exempt nonprofit organization.

c. A special permit may be issued pursuant to this section provided that:

   (1) the land is a commercial farm as defined pursuant to section 3 of P.L.1983, c.31 (C.4:1C-3);

   (2) there is no commercial nonagricultural activity already in existence on the land at the time of application for the special permit or on any portion of the farm that is not subject to the development easement, except that the committee may waive the requirements of this paragraph, either entirely or subject to any appropriate conditions, (a) if such preexisting commercial nonagricultural activity is deemed to be of a minor or insignificant nature or to rely principally upon farm products, as defined pursuant to R.S.4:10-1, derived from the farm, or (b) for other good cause shown by the applicant;

   (3) the permit is for one personal wireless service facility only, although this paragraph shall not prohibit the committee, board, or qualifying tax exempt nonprofit organization, as the case may be, from approving the sharing of the single permitted facility by more than one personal wireless service company, or the use of the facility for other compatible wireless communication uses deemed by the committee, board, or qualifying tax exempt nonprofit organization, as the case may be, to not be violative of the intent or the goals, purposes, or requirements of this section;

   (4) no more than one permit may be valid at any one time for use on the land;

   (5) the permit is for a maximum of 20 years duration;

   (6) the permit does not run with the land and may not be assigned;

   (7) the personal wireless service facility utilizes, or is supported through the occupation of, existing structures, except that the permit may authorize, subject to the requirements of paragraph (12) of this subsection, an expansion of an existing structure or structures which expansion does not exceed 500 square feet in footprint area in total for all of the structures, or the construction of a new structure not to exceed 500 square feet in footprint area which is independent of any existing structure, provided that in either case the applicant demonstrates to the satisfaction of the committee that:

      (a) the expansion or the new structure is necessary to the operation or functioning of the personal wireless service facility;

      (b) for a new structure, (i) there are no existing structures on the land which could be utilized or occupied to adequately support the personal wireless service facility, and (ii) the relevant deficiencies associated with each such existing structure, as indicated in a written description provided by the applicant, support that conclusion; and
(c) the area of the proposed footprint of the expansion or the new structure is reasonably calculated based solely upon the demands of accommodating the personal wireless service facility and does not incorporate excess space;

(8) the location, design, height, and aesthetic attributes of the personal wireless service facility reflect, to the greatest degree possible without creating an undue hardship on the applicant or an unreasonable impediment to the erection of the personal wireless service facility, the public interest of preserving the natural and unadulterated appearance of the landscape and structures;

(9) the personal wireless service facility does not interfere with the use of the land for agricultural production;

(10) the personal wireless service facility utilizes the land and structures in their existing condition except as allowed otherwise pursuant to paragraph (7) of this subsection;

(11) the personal wireless service facility does not have an adverse impact upon the soils, water resources, air quality, or other natural resources of the land or the surrounding area, and does not involve the creation of additional parking spaces whether paved or unpaved; and

(12) any necessary local zoning and land use approvals and any other applicable approvals that may be required by federal, State, or local law, rule, regulation, or ordinance are obtained for the personal wireless service facility.

d. In addition to those factors enumerated under subsection c. of this section, the committee, in evaluating an application for a special permit for a personal wireless service facility, shall also consider such additional factors as traffic generated and the number of employees required by the proposed personal wireless service facility so as to limit to the maximum extent possible the intensity of the activity and its impact on the land and the surrounding area.

e. Notwithstanding any law, rule, or regulation to the contrary, a personal wireless service company whose proposed facility is the subject of a permit application pursuant to this section shall be required to obtain all applicable local zoning and land use approvals and any other applicable approvals that may be required by State or local law, rule, regulation, or ordinance even if the proposed facility includes a compatible wireless communication use, such as law enforcement or emergency response communication equipment, which may otherwise allow the proposed facility to be exempt from obtaining any such approvals.

f. As a condition of the issuance of a permit pursuant to this section, a personal wireless service facility shall agree to allow, at no charge to the requesting State or local governmental entity, the sharing of the facility for
any State or local government owned or sponsored compatible wireless communication use for public purposes, such as law enforcement or emergency response communication equipment, approved by the committee.

g. For the purposes of this section:
"Qualifying tax exempt nonprofit organization" shall have the same meaning as set forth in section 3 of P.L.1999, c.152 (C.13:8C-3); and
"Personal wireless service facility" means a personal wireless service tower and any associated equipment and structures necessary to operate and maintain that tower, as regulated pursuant to federal law.

C.4:1C-32.3 Special permit, application fee, grounds for suspension, revocation.

3. a. The application fee for a special permit authorized pursuant to either section 1 or section 2 of this act shall be $1,000, payable to the committee regardless of whether or not a permit is issued. All proceeds from the collection of application fees by the committee pursuant to this act shall be utilized by the committee for farmland preservation purposes.

b. The committee may suspend or revoke a special permit issued pursuant to either section 1 or section 2 of this act for a violation of any term or condition of the permit or any provision of the respective section.

c. The committee shall, within 60 days after the date of enactment of this act, develop guidelines for the implementation and administration of this act, including, but not limited to, procedures and standards for the filing, evaluation, and approval of permit applications, which seek to balance, as equally important concepts, the public interest in protecting farmland from further development as a means of preserving agriculture and agricultural structures and enhancing the beauty and character of the State and the local communities where farmland has been preserved with the public interest in providing support to sustain and strengthen the agricultural industry in the State.

d. Every two years, the committee shall prepare a report on the implementation of this act. The report shall include a survey and inventory of all commercial nonagricultural activities occurring on, and of all personal wireless service facilities placed on, preserved farmland in accordance with this act; the extent to which existing structures, such as barns, sheds, and silos, are used for those purposes, and how those structures have been modified therefor; the extent to which new structures, instead of existing structures, have been erected to host personal wireless service facilities and the number and type of new structures used to disguise those facilities, such as artificial trees and faux barns, sheds, and silos; and such other information as the committee deems useful. The report prepared pursuant to this subsection shall be transmitted to the Governor, the President of the Senate,
the Speaker of the General Assembly, the respective chairpersons of the
Senate Economic Growth Committee, the Senate Environment Committee,
the Assembly Agriculture and Natural Resources Committee, and the
Assembly Environment and Solid Waste Committee or their designated
successors. Copies of the report shall also be made available to the public
upon request and free of charge, and shall be posted on the website of the
State Agriculture Development Committee.

e. The committee shall adopt, pursuant to the "Administrative
Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), any rules and
regulations necessary to carry out the purposes of this act.

4. This act shall take effect on the 60th day after the date of enactment.

Approved January 12, 2006.

CHAPTER 315

AN ACT concerning underground storage tank grants, and amending

BE IT ENACTED by the Senate and General Assembly of the State of New
Jersey:

1. Section 10 of P.L.1997, c.235 (C.58:10A-37.10) is amended to read
as follows:

C.58:10A-37.10 Terms of loans.

10. a. All loans awarded from the fund shall be for a term not to exceed
ten years. Except as provided in subsection b. of section 5 of P.L.1997,
c.235 (C.58:10A-37.5), all loans shall be at a rate between two percent and
the prime rate at the time of approval, or at the time of loan closing if the
prime rate is lower at that time. The authority shall determine the interest
rate to be imposed based on the applicant's ability to repay the loan.

b. Upon the sale of the facility for which the loan was made, the
unpaid balance of the loan shall become immediately payable in full. Upon
the sale of a facility for which a conditional hardship grant was made
pursuant to section 5 of P.L.1997, c.235 (C.58:10A-37.5), that amount of
the conditional hardship grant that must be repaid, as calculated pursuant to
section 16 of P.L.1997, c.235 (C.58:10A-37.16), shall become immediately
payable in full except as provided below. No repayment of a conditional
hardship grant shall be required upon transfer of ownership of the property
for which the grant was made, pursuant to a condemnation proceeding or by
the exercise of the power of eminent domain. No repayment of a condi-
tional hardship grant awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's primary residence shall be required.

2. Section 16 of P.L.1997, c.235 (C.58:10A-37.16) is amended to read as follows:

C.58:10A-37.16 Liens for financial assistance.

16. a. In addition to any other financial assistance requirements imposed by the authority pursuant to P.L.1997, c.235 (C.58:10A-37.1 et seq.), any award of financial assistance from the fund except for any grant awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5) for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's primary residence, shall constitute, in each instance, a debt of the applicant to the fund. The debt shall constitute a lien on the real property at which the subject facility is located. The lien shall be in the amount of the financial assistance awarded the applicant. The lien shall attach when a notice of lien, incorporating the name of the property owner, a description of the real property on which the subject facility is located and an identification of the amount of the financial assurance awarded, is duly filed with the county recording officer in the county in which the property is located. Where financial assistance from the fund is awarded as a combination of a loan and a grant, separate liens for the loan and the grant shall be filed. No lien shall be placed on any real property of an applicant based on a conditional hardship grant awarded pursuant to paragraph (1) of subsection c. of section 5 of P.L.1997, c.235 (C.58:10A-37.5), for a remediation necessitated by a discharge from a petroleum underground storage tank used to store heating oil at the applicant's primary residence.

b. A lien that is filed on real property pursuant to a loan shall be removed upon repayment of the loan.

c. Except as provided below, the lien that is filed on real property pursuant to a conditional hardship grant shall be removed upon repayment of the amount of the grant that is unsatisfied or upon the end of a 15-year period in which the site for which the financial assistance was awarded continued to be operated in substantially the same manner as it was operated at the time of the award of financial assistance. The period of operation need not run consecutively. Beginning with the 11th year of operating in substantially the same manner, 20% of the conditional hardship grant shall be deemed satisfied with an additional 20% to be satisfied each year until the entire amount of the conditional hardship grant is satisfied at the end of
the 15-year period. The owner or operator of the facility claiming to have satisfied a conditional hardship grant due to the 15-year period of operation, shall submit a certification of this fact to the authority. Upon repayment of the unsatisfied grant award or upon submittal of this certification, unless the authority has made a finding that the certification is not correct, the authority shall remove the lien from the property.

Where real property for which a conditional hardship grant was awarded is not being operated in substantially the same manner, the 15-year period to satisfy the lien shall be tolled. If at any time prior to the satisfaction of the lien the property is developed or operated for a purpose that is not substantially the same as its operation at the time of the award of the conditional hardship grant, the grant recipient shall so certify to the authority upon the change in operation. Upon receipt of this certification, the authority shall determine, based upon the new operation of the property if the financial assistance shall continue as a conditional hardship grant or if it shall be converted into a loan. In making this determination, the authority shall base its decision on the financial hardship factors used in determining the original eligibility for the conditional hardship grant.

A lien that is filed on real property pursuant to a grant shall be removed by the authority upon condemnation of the property or upon the exercise of the power of eminent domain, and the conditional hardship grant shall be deemed satisfied.

The authority may take whatever enforcement actions it deems necessary to verify the operation of any property for which a conditional hardship grant was made. The terms and conditions of any loan converted from a grant pursuant to this subsection shall be the same as those authorized pursuant to this act.

d. The provisions of this section do not apply to any real property of an applicant who is a public entity.

3. This act shall take effect immediately.

Approved January 12, 2006.

CHAPTER 321

AN ACT creating a study commission on the death penalty and imposing a moratorium on executions and amending P.L.1983, c.245.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Life is the most valuable possession of a human being; the State should exercise utmost care to protect its residents' lives from homicide, accident, or arbitrary or wrongful taking by the State;
   b. The experience of this State with the death penalty has been characterized by significant expenditures of money and time;
   c. The financial costs of attempting to implement the death penalty statutes may not be justifiable in light of the other needs of this State;
   d. There is a lack of any meaningful procedure to ensure uniform application of the death penalty in each county throughout the State;
   e. There is public concern that racial and socio-economic factors influence the decisions to seek or impose the death penalty;
   f. There has been increasing public awareness of cases of individuals wrongfully convicted of murder, in New Jersey and elsewhere in the nation;
   g. The Legislature is troubled that the possibility of mistake in the death penalty process may undermine public confidence in our criminal justice system;
h. The execution of an innocent person by the State of New Jersey would be a grave and irreversible injustice;
i. Many citizens may favor life in prison without parole or life in prison without parole with restitution to the victims as alternatives to the death penalty; and
j. In order for the State to protect its moral and ethical integrity, the State must ensure a justice system which is impartial, uncorrupted, equitable, competent, and in line with evolving standards of decency.

2. a. There is established the New Jersey Death Penalty Study Commission.
b. The commission shall study all aspects of the death penalty as currently administered in the State of New Jersey, including but not limited to the following issues:
   (1) whether the death penalty rationally serves a legitimate penological intent such as deterrence;
   (2) whether there is a significant difference between the cost of the death penalty from indictment to execution and the cost of life in prison without parole; in considering the overall cost of the death penalty in New Jersey, the cost of all the capital trials that result in life sentences as well as the death sentences that are reversed on appeal must be factored into the equation;
   (3) whether the death penalty is consistent with evolving standards of decency;
   (4) whether the selection of defendants in New Jersey for capital trials is arbitrary, unfair, or discriminatory in any way and there is unfair, arbitrary, or discriminatory variability in the sentencing phase or at any stage of the process;
   (5) whether there is a significant difference in the crimes of those selected for the punishment of death as opposed to those who receive life in prison;
   (6) whether the penological interest in executing some of those guilty of murder is sufficiently compelling that the risk of an irreversible mistake is acceptable; and
   (7) whether alternatives to the death penalty exist that would sufficiently ensure public safety and address other legitimate social and penological interests, including the interests of families of victims.
c. The commission will propose new legislation, if appropriate.
d. The commission shall be composed of 13 members. Appointments should reflect the diversity of the population of New Jersey. Members will be appointed as follows:
(1) five members appointed by the Governor, at least one of whom shall be appointed from each of the following groups: Murder Victims Families for Reconciliation and the New Jersey Crime Victims' Law Center; and at least two of whom shall be appointed from the religious/ethical community in New Jersey;

(7) a representative of the County Prosecutors Association of New Jersey.

e. Members shall be appointed within 45 days of enactment.

f. The Office of Legislative Services shall provide staffing for the work of the commission.

g. The members of the commission shall serve without compensation, but may be reimbursed for necessary expenses incurred in the performance of their duties, within the limits of funds appropriated or otherwise made available to the commission for its purposes.

h. The commission shall choose a chairperson from among its members.

i. Any vacancy in the membership shall be filled in the same manner as the original appointment.

j. The commission is entitled to the assistance and service of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes, and to employ stenographic and clerical assistance and to incur traveling or other miscellaneous expenses as may be necessary in order to perform its duties, within the limits of funds appropriated or otherwise made available to it for its purposes.

k. The commission may meet and hold hearings at the places it designates during the sessions or recesses of the Legislature and shall report its findings and recommendations to the Governor and the Legislature, along with any legislation it desires to recommend for adoption by the Legislature, no later than November 15, 2006.

3. Beginning on the effective date of this act, if a defendant has been sentenced to death pursuant to subsection c. of N.J.S.2C:11-3, the sentence
of death will not be executed prior to 60 days after the issuance of the commission's report and recommendations.

4. Section 5 of P.L.1983, c.245 (C.2C:49-5) is amended to read as follows:

b. If the execution of the sentence on the date appointed shall be delayed while the conviction or sentence is being appealed, the judge authorized to act pursuant to subsection a. of this section, at the conclusion of the appellate process, if the conviction or sentence is not set aside, shall make out, sign and deliver another warrant as provided in subsection a. of this section. If the execution of the sentence on the date appointed is delayed by any other cause, the judge shall, as soon as such cause ceases to exist, make out, sign and deliver another warrant as provided in subsection a. of this section.

c. The date appointed in the warrant shall be not less than 30 days and not more than 60 days after the issuance of the warrant. The commissioner may fix the time of execution on that date.

If necessary to satisfy the requirements of this section, the judge may reduce the amount of or eliminate the award of punitive damages.

b. No defendant shall be liable for punitive damages in any action in an amount in excess of five times the liability of that defendant for compensatory damages or $350,000, whichever is greater.

If the decedent has not left a will appointing a person to control the funeral and disposition of the remains, the right to control the funeral and disposition of the human remains shall be in the following order, unless other directions have been given by a court of competent jurisdiction:

Transfers under this section shall take effect on the first day of the first full calendar month following the effective date of this act by at least 180 days. PERS shall transmit to PFRS an amount equal to the present value of the

Active and retired death benefits, accidental death benefits, and ordinary and accidental disability retirement benefits for members transferring to PFRS under this act shall be the benefits provided under PFRS.

For members transferring to PFRS under this act, the widows' or widowers' pensions provided under section 26 of P.L.1967, c.250 (C.43:16A-12.1) shall be the amount of the benefit determined as provided in section 26 multiplied by the ratio of the service credit under PFRS from the date of transfer to the total amount of service credit. b. Notwithstanding the provisions of subsection a. of this section, a fireman who transfers membership from PERS to PFRS may receive full credit toward benefits under PFRS for the transferred PERS service credit if the member agrees to pay the full cost of the accrued liability for the transferred PERS service credit in the same manner and subject to the same terms and conditions provided for the purchase of credit for military service under section 3 of P.L.1991, c.153 (C.43:16A-11.11).

of the board added pursuant to this act, P.L.2001, c.454, shall be retirees of the pension fund elected by the retirees of the pension fund, and each such member shall serve for a term of two years. The first board selected as provided in section 18A:66-96 shall serve until the month of January following the incorporation of such association. At such time four members of the association shall be elected as trustees, in place of the four first selected, by a majority vote of the members of the association as follows: one for the term of one year, one for the term of two years, one for the term of three years, and one for the term of four years, who shall serve for the respective terms for which they are each chosen. Thereafter in the month of January of each year a member shall be chosen for a full term of four years to serve in place of the trustee whose term shall have expired.

After the effective date of P.L.2005, c.328, any pension fund created as provided in this article shall be under the control and management of the board of seven trustees, at least one of whom shall be an active member until the last active member of the fund retires and one of whom shall be a retiree. The remaining trustees may be either active members or retirees as the number of each may be determined by the bylaws of the board of trustees prior to an election. Commencing with the first January following the enactment of this act, P.L.2005, c.328, and continuing each January thereafter, two individuals shall be elected as trustees in the place of two sitting trustees by a majority vote, for a term of three years. Active member trustees shall be elected by a majority vote of the active members of the association, and retiree trustees shall be elected by a majority vote of the retirees of the pension fund. The transition in trustee terms and the number of trustees elected shall be accomplished as determined by the board.

In any election for a trustee in which there is only one candidate for a position, a vote of retirees or active members shall not be held and the candidate shall be designated a trustee by a majority vote of the sitting board of trustees.

Any vacancy occurring among the board of trustees or in the office of chairperson, vice-chairperson, secretary, treasurer, or other officers of such corporation shall be filled in the manner provided in bylaws, and in the absence of such provision shall be filled by the board of trustees.

2. N.J.S.18A:66-98 is amended to read as follows:

**Trustees to elect officers; compensation.**

18A:66-98. The board of trustees shall at the first annual meeting thereof, and at each annual meeting, elect a chairperson, vice-chairperson, secretary, and treasurer, and such other officers as they may deem necessary. The secretary may be one of their own members. The board of trustees shall
fix the compensation of the secretary and treasurer. The chairperson shall serve without compensation.

3. N.J.S.18A:66-109 is amended to read as follows:

Disbursements; deposits and investments.

18A:66-109. No money shall be paid out of the pension fund except by the treasurer of the corporation upon warrants signed by the chairperson of the board of trustees and countersigned by the secretary thereof. No warrant shall be drawn except by the order of the board upon a yea and nay vote recorded in the minutes of the board.

The board of trustees may deposit the moneys of the fund in any bank or trust company which is a member of the Federal Reserve System, and may invest those moneys in bonds secured by mortgages, or in mortgages guaranteed or insured by agencies or instrumentalities of the United States of America, provided that those mortgages are legal investments for savings banks in this State. The board of trustees may invest and reinvest the moneys in other evidences of indebtedness, or capital stock or other securities issued by any company incorporated within the United States or within the Dominion of Canada, and in the bonds and other evidences of indebtedness of the United States of America, any state, city, county, school district or of the instrumentality of any state or of the United States of America. All income, interest or dividends paid or agreed to be paid on account of any loan or deposit shall constitute a part of the fund.

4. N.J.S.18A:66-110 is amended to read as follows:

Manner of payment of pensions; options.

18A:66-110. Pensions shall be paid from the fund in the manner following:

a. A member of the pension fund who was a member on or before June 26, 1962 and who has or shall hereafter have credit in the pension fund for 30 years or more as an employee of a board of education in a county wherein the fund has been established and maintained shall, upon application to the board of trustees of the pension fund, be retired by such board of trustees and shall thereupon receive annually from the fund, for and during the remainder of his or her life, by way of pension, an amount equal to one-forty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board.

b. Upon the retirement of a member who has reached the age of 60 years, the person so retired shall be entitled to receive during his or her life,
by way of pension, one-forty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board. Upon the receipt of proper proof of death of a member who has retired on a service retirement allowance, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate an amount equal to one-half of the highest annual compensation received by the member in any year of creditable service.

c. A member of the fund who has credit therein for 10 years, who shall become incapacitated, either mentally or physically, and who cannot perform the regular duties of employment, or who is found unfit for the performance of his or her duties, upon the application of his employer or upon his own application or the application of someone acting in his behalf, shall be retired by the board of trustees of the pension fund and thereupon shall receive annually from the fund a retirement allowance as described in subsection b. of this section if he has reached or passed age 60 and if he is under age 60, an amount equal to nine-tenths of one-forty-fifth of the average annual compensation received in any three years of creditable service providing the largest possible benefit multiplied by the number of years of creditable service; provided, however, that in no event shall the pension be based upon less than 17 years nor more than 30 years of service unless the member would have had less than 17 years of service at age 60, in which event he shall be given credit for the years to age 60; however, a member who has not attained age 70 who shall become incapacitated, either mentally or physically, as a direct result of a traumatic event occurring in the performance of his or her duties of such employee, shall, upon the application of his employer or upon his own application or the application of someone acting in his behalf, be retired by the board of trustees of the pension fund, and, thereupon, if a report of the accident, in a form acceptable to the board of trustees of the pension fund, is filed with the said board of trustees within 60 days next following the accident and the application for retirement is filed with the said board of trustees within two years of the date of the accident, shall receive annually from the fund an amount equal to two-thirds of the annual salary being received by such employee on the date of the accident. The board of trustees may waive strict compliance with the time limits within which a report of the accident and an application for retirement must be filed with the board if it is satisfied: (1) that a report of the accident from which the disability is claimed to have resulted was filed with the employing board of education with reasonable promptitude and in no event later than 60 days after the accident, and (2) the applicant shall
show that his failure to file a report with the board of trustees or to file his application for retirement within the time limited by law was due to mistake, inadvertence, ignorance of fact or law, inability, or to the fraud, misrepresentation or deceit of any person, or to a delay in the manifestation of the incapacity, or to any other reasonable cause or excuse, and (3) that the application for retirement was filed in good faith and the circumstances justify its favorable consideration.

The trustees of the pension fund shall have the power to determine whether or not any employee is permanently and totally disabled, and whether or not a disability of an employee is the direct result of a traumatic event occurring at some definite time and place in the performance of his or her duties as such employee. The claimant shall have the right to present physicians, witnesses or other testimony in his or her behalf before the board of trustees. The chairperson, or any other member of the board of trustees, may administer oaths to any physician or other persons called before the board of trustees regarding the employee's disability. The board of trustees shall decide, by resolution, whether the applicant is entitled to the benefit of this article.

Permanent and total disability resulting from a cardiovascular, pulmonary or muscular-skeletal condition which was not a direct result of a traumatic event occurring in the performance of duty shall be deemed an ordinary disability.

Once in each year, the board of trustees may, and upon the member's application shall, require any member retired for a disability, who is under the age of 60, to undergo medical examination by a physician or physicians designated by the board of trustees. The examination shall be made at the residence of the pensioner or any other place mutually agreed upon. If the physician or physicians thereupon report and certify to the board of trustees that the disabled pensioner is not permanently and totally incapacitated, either mentally or physically, for the performance of duty, and the board finds that said member is engaged in a gainful occupation, or could be engaged in a gainful occupation, and if the board concurs in the report, then the amount of the pension shall be reduced to an amount which, when added to the amount then being earned by him or her or an amount which he or she could earn if gainfully employed, shall not exceed the amount of compensation received by him or her at the time of his or her retirement, including any cost of living adjustment. If subsequent examination of such pensioner shows that his or her earnings have changed since the date of his or her last examination, then the amount of the pension shall be further altered, but the new pension shall not exceed the amount of the pension originally granted, nor shall the new pension, when added to the amount then being earned by
the pensioner, exceed the salary or compensation received by him or her at the time of his or her retirement, including any cost of living adjustment.

d. At the time of retirement, any member may elect to receive his or her benefits in a retirement allowance payable throughout life, or he or she may, on retirement, elect to convert the benefits, otherwise payable to him or her, into a retirement allowance of the equivalent actuarial value computed on the basis of such mortality tables as shall be adopted by the board of trustees, in accordance with one of the optional forms following:

Option 1. A reduced retirement allowance, payable during life, with a provision that in the case of death, before the total pension payments have equaled the actuarial value computed as aforesaid, the balance shall be paid to his or her surviving designated beneficiary, duly acknowledged and filed with the board of trustees; and if none, then to the executor or administrator of his or her estate.

Option 2. A reduced retirement allowance, payable during the retired member's life, with the provision that after his or her death it will continue during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 3. A reduced retirement allowance, payable during the retired member's life, with the provision that after his or her death, an allowance at one-half of the rate of his or her reduced allowance will be continued during the life of and be paid to his or her designated beneficiary, if such person survives him or her.

Option 4. A reduced retirement allowance, payable during the retired member's life, with some other benefit payable after his or her death, provided the benefit is approved by the board of trustees.

Option 5. Some other benefit, which is equivalent to the full amount, three-quarters, one-half or one-quarter of the member's retirement allowance, shall be paid upon the member's death to the beneficiary designated by the member, and if that beneficiary dies before the member, the member's retirement allowance shall increase to the maximum retirement allowance for the member's lifetime, provided that such other benefit together with the member's lesser and maximum retirement allowances shall be certified by the actuary to be of equivalent actuarial value.

Except in the case of members who have elected to receive (1) a deferred retirement allowance pursuant to N.J.S.18A:66-113 or (2) an early retirement allowance pursuant to section 4 of P.L.1971, c.382 (C.18A:66-113.1) after separation from service pursuant to N.J.S.18A:66-113, if a member dies within 30 days after the date of retirement or the date of board approval, whichever is later, the member's retirement allowance shall not become effective and the member shall be considered an active member at the time of death. However, if the member
dies after the date the application for retirement was filed with the system, the retirement will become effective if:

(1) The deceased member had designated a beneficiary under an optional settlement provided by this section; and

(2) The surviving beneficiary requests in writing that the board make such a selection. Upon formal action by the board approving that request, the request shall be irrevocable.

The board may select an Option 3 settlement on behalf of the beneficiary of a member who applied for and was eligible for retirement but who died prior to the effective date of the retirement allowance if all of the above conditions, with the exception of (1), are met.

The board of trustees shall, from time to time and as often as they deem it necessary, employ an actuary, who shall recommend, and the board shall keep in convenient form, such data as shall be necessary for actuarial valuations of the various funds created by this article. At least once in every five-year period, or more frequently as determined by the board of trustees, the actuary shall make an actuarial investigation into the mortality, service and salary experience of the members and beneficiaries of the retirement system, and shall make a valuation of the assets and liabilities of the various funds thereof, and upon the basis of such investigation the board of trustees shall:

(a) Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

(b) Certify the rate of contribution which shall be made by each board of education to the pension fund as provided by this article.

5. This act shall take effect immediately.

Approved January 12, 2006.

former employees, retirees or pensioners of the employer, or to the public
or any governmental entity, by the activities, policies or practices of the

written final agency determination of the director. Such challenges shall not be contested cases subject to the requirements of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), and the regulations promulgated pursuant to that act. A final agency determination shall be appealable to the Appellate Division of New Jersey Superior Court.

c. The Legislature, in consultation and cooperation with the Director of the Division of Purchase and Property, shall adopt procurement and contracting processes for the Legislative Branch of the State that are consistent with the intent of sections 1, 2, 3, 8, and 9 of P.L.2005, c.336 (C.52:34-10.1, C.52:34-10.2, C.52:34-10.3, C.52:34-10.8, and C.52:34-10.9).

12. Section 1 of P.L.1996, c.16 (C.52:34-6.1) is amended to read as follows:

C.52:34-6.1 Purchase of goods, services from Federal Supply Schedules for State agencies, federal procurement programs.

1. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.) to the contrary, the Director of the Division of Purchase and Property in the Department of the Treasury shall promulgate the Federal Supply Schedules of the Federal General Services Administration or schedules from other federal procurement programs pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) as an alternate price guide for the purchase of goods and services for State agencies and for the entities defined in section 1 of P.L.1959, c.40 (C.52:27B-56.1), subject to the following conditions:

(1) the price of the goods or services being procured is no greater than the price offered to federal agencies;
(2) (Deleted by amendment, P.L.2005, c.336.);
(3) the State receives the benefit of federally mandated price reductions during the term of the contract; and
(4) the price of the goods or services being procured is no greater than the price of the same or equivalent goods or services under the State contract, unless the State determines that because of factors other than price, selection of a vendor from the Federal Supply Schedules or schedules from other federal procurement programs would be more advantageous to the State.

13. Section 7 of P.L.1996, c.16 (C.52:34-6.2) is amended to read as follows:

C.52:34-6.2 Cooperative purchasing agreements with other states for purchase of goods, services; rules, regulations.

7. a. Notwithstanding the provisions of any other law to the contrary except the provisions of R.S.30:4-95, and as an alternative to the procedures concerning the awarding of public contracts provided in P.L.1954, c.48 (C.52:34-6 et seq.), the Director of the Division of Purchase and Property in the Department of the Treasury may enter into cooperative purchasing agreements with one or more other states, or political subdivisions thereof, for the purchase of goods and services. A cooperative purchasing agreement shall allow the jurisdictions which are parties thereto to standardize and combine their requirements for the purchase of a particular good or service into a single contract solicitation which shall be competitively bid and awarded by one of the jurisdictions on behalf of jurisdictions participating in the contract.

b. (1) The director may elect to purchase goods or services through a contract awarded pursuant to a cooperative purchasing agreement whenever the director determines this to be the most cost-effective method of procurement. Prior to entering into any contract to be awarded or already awarded through a cooperative purchasing agreement, the director shall review and approve the specifications and proposed terms and conditions of the contract.

(2) The director may also elect to purchase goods or services through a contract awarded pursuant to a nationally-recognized and accepted cooperative purchasing agreement that has been developed utilizing a competitive bidding process, in which other states participate, whenever the director determines this to be the most cost-effective method of procurement. Prior to entering into any contract to be awarded through a nationally-recognized and accepted cooperative purchasing agreement that has been developed utilizing a competitive bidding process, the director shall review...
and approve the specifications and proposed terms and conditions of the contract.

c. The director may solicit bids and award contracts on behalf of this State and other jurisdictions which are parties to a cooperative purchasing agreement provided that the agreement specifies that each jurisdiction participating in a contract is solely responsible for the payment of the purchase price and cost of purchases made by it under the terms of any contract awarded pursuant to the agreement.

d. The director may promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), which are necessary to effectuate the purposes of this section.

14. Section 7 of P.L.1954, c.48 (C.52:34-12) is amended to read as follows:

C.52:34-12 State advertisement for bids.

7. a. Whenever advertising is required: (a) specifications and invitations for bids shall permit such full and free competition as is consistent with the procurement of supplies and services necessary to meet the requirements of the using agency and shall, wherever practicable, include such factors as life-cycle costs, sliding percentage preference scales, or other similar analysis as shall be deemed effective by the Director of the Division of Purchase and Property, hereinafter referred to as the director, (b) the advertisement for bids shall be in such newspaper or newspapers and other medium or media selected by the State Treasurer as will best give notice thereof to bidders and shall be sufficiently in advance of the purchase or contract to promote competitive bidding; (c) the advertisement shall designate the time and secure location when and where proposals, which may be submitted in electronic or other format designated by the director, shall be received, opened and publicly announced, the amount of the cash or certified check, if any, which must accompany each bid, and such other terms as the State Treasurer may deem proper; (d) notice of revisions or addenda to advertisements or bid documents relating to bids shall be published in a newspaper or newspapers and other medium or media selected by the State Treasurer to give notice to bidders at least seven days, Saturdays, Sundays and holidays excepted, prior to the bid due date; (e) failure to advertise for the receipt of bids or to provide proper notification of revisions or addenda to advertisements or bid documents related to bids as prescribed by paragraph (d) of this subsection shall prevent the acceptance of bids and require the readvertisement for bids; (f) for any procurement, the State Treasurer or the director may negotiate with bidders the final terms and conditions of any procurement, including price; such ability to so
negotiate must be expressly set forth in the applicable invitation to bid and such bids shall not be publicly accessible until after negotiations have been completed and the notice of intent to award the contract has been issued; (g) award shall be made with reasonable promptness, after negotiation with bidders where authorized, by written or electronic notice to that responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the State, price and other factors considered; and (h) the Treasurer shall require, with respect to contracts for information technology goods and services, a limitation of liability determined by the Director of the Division of Purchase and Property. When negotiations occur pursuant to paragraph (f) of this subsection, a written record of the nature and content of the negotiations, as well as the dates and persons involved, shall become a public record when the notice of intent to award the contract is issued.

Any or all bids may be rejected when the State Treasurer or the Director of the Division of Purchase and Property determines that it is in the public interest so to do. The State Treasurer or designee may adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), such rules and regulations as may be necessary to implement the provisions of this section.

This subsection shall apply to all bids received on and after the date of enactment of P.L.1999, c.440.

b. Whenever by law a State independent authority may negotiate with bidders, after bid opening, the final terms and conditions of any procurement, including price, and such ability to so negotiate is expressly set forth in the applicable invitation to bid, a written record of the nature and content of the negotiations, as well as the dates and persons involved, shall not be publicly accessible until after the notice of intent to award the contract is issued.

15. Section 1 of P.L.1986, c.26 (C.52:34-12.1) is amended to read as follows:

C.52:34-12.1 Awarding of contracts to multiple bidders.

1. a. When awarding contracts pursuant to section 7 of P.L.1954, c.48 (C.52:34-12), the Director of the Division of Purchase and Property may make awards to multiple bidders, to furnish the same or similar materials, supplies, services or equipment, where multiple bidders are necessary:

(1) to furnish the quantities required by using agencies;
(2) to provide expeditious and cost-efficient local deliveries to using agencies;
(3) to enable using agencies to purchase materials, supplies, services or equipment which are compatible with those previously purchased;
(4) to provide for standardization of equipment, interchangeability of parts or continuation of services;

(5) to provide using agencies or participants in cooperative purchasing arrangements with a diversity of product choices to meet the collective safety, environmental or technological needs of such agencies or cooperative purchasers; or

(6) when the director determines that multiple awards are necessary to serve the State's interests.

b. The director may determine whether the anticipated use of a contract by entities authorized by law to participate in cooperative purchasing arrangements with the State justifies awarding a contract to multiple bidders on the basis of any one or more of the criteria set forth in subsection a. of this section.

c. Where multiple contracts have been awarded pursuant to subsection a. of this section, a using agency shall make purchases from that contractor whose contract terms and conditions are most advantageous to the agency, price and other factors considered.

d. All purchases made by using agencies under subsection c. of this section shall be reported to the director, in a manner prescribed by the director. The report shall include the reasons for selecting a particular contractor under subsection c. of this section.

e. (Deleted by amendment, P.L.2005, c.336.)

16. R.S.52:25-23 is amended to read as follows:

Purchasing authority delegation for amounts under $25,000; under $250,000, certain.

52:25-23. The Director of the Division of Purchase and Property may, by written order, delegate purchasing authority to the using agencies for purchases or contracts not in excess of $25,000.00; except that:

a. Purchases or contracts shall not be divided to circumvent the dollar limit imposed by this section;

b. Prior to issuing purchase orders pursuant to this section, a using agency shall verify the existence of funds for the purchase or contract and shall verify that the article or service to be purchased or contracted for is not available under any of the contracts issued by the Division of Purchase and Property; and

c. Records of all purchases made or contracts negotiated under this section shall be maintained by the using agency and made available for audit by or under the direction of the Director of the Division of Purchase and Property and shall include proper proof that the purchase or contract was made or negotiated competitively, where competition is practicable.
The Director of the Division of Purchase and Property may, by written order, rescind or reduce the level of purchasing authority delegated to any using agency determined by the director to have violated the provisions of the delegated authorization.

d. The director may, by written order, delegate purchasing authority to a specific agency for advertisement of purchases or contracts not in excess of $250,000, subject to the requirements set forth in this section, when the director has determined that such purchases or contracts are for the procurement of goods or services which are unique to the operations of that particular using agency and are not common or similar to goods or services used by other State agencies and, therefore, are not suitable for leveraging with other State agency procurements.

17. This act shall take effect on the first day of the third month following enactment.

Approved January 12, 2006.

CHAPTER 339

AN ACT establishing the Special Education Review Commission.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. the proportion of the total State public education enrollment that is classified for special education services has steadily increased over the past seven years;
b. students are classified into Tiers according to the special education services needed, with the services provided to students in Tier II being the least costly and the services provided to students in Tier IV being the most costly;

c. over the past seven years, the number of students classified in Tier IV has grown from 10,175 to 28,424, an increase of 18,249 (179%), while the number of students classified in Tier II has grown from 111,620 to 112,052, an increase of 432 (.4%);

d. in the 553 nonvocational school districts with a resident enrollment greater than 100, there is great variation in the percent that classified students make up of a district's total residential enrollment: the median percent is 13.8%; the maximum percent is 32.4%; and the minimum percent is 5.3%;

e. while the cost factors published in the Biennial Report on the Cost of Providing a Thorough and Efficient Education used to calculate special education aid have increased since the 2001-02 school year, there has been no increase in State aid for special education during this time;

f. the number of special education students whose costs are in excess of $40,000 is increasing dramatically, from 946 in the 1997-98 school year to 7,212 in the 2003-04 school year;

g. of the number of special education students whose costs are in excess of $40,000, the number sent to institutions out-of-State has increased from 113 to 189 (67.3%) and the total cost has increased from $9.2 million to $14.4 million (57.5%) over the past three years;

h. with increased numbers of special education students and no increase in State aid for special education since the 2001-02 school year, the costs for special education are increasingly being borne by local school districts;

i. federal aid for special education, while increasing in the past few years, is still below the 40% commitment contained in the original federal legislation and in light of the federal formula for funding special education in the states, every dollar New Jersey receives is actually worth about $.67 with respect to the average per pupil expenditure in New Jersey;

j. the State and its school districts face a considerable amount of uncertainty and costs with respect to implementing the requirements to include special education students in the Statewide assessments and in the measurement of school and school district adequate yearly progress under the federal "No Child Left Behind Act of 2001";

k. the recently enacted "Individuals with Disabilities Education Improvement Act of 2004" includes changes to the "Individuals with Disabilities Education Act" which will impact the delivery of special education services in New Jersey; and

l. given the issues the State faces with regard to special education, it is timely for the Legislature to establish a Special Education Review Com-
mission to review the delivery, quality and cost of special education services in New Jersey.

2. There is established a commission to be known as the Special Education Review Commission. The commission shall consist of 30 members as follows: two members of the Senate to be appointed by the President of the Senate who shall not be of the same political party; two members of the General Assembly to be appointed by the Speaker of the General Assembly who shall not be of the same political party; the Commissioner of Education, ex officio, or a designee; the Commissioner of Health and Senior Services, ex officio, or a designee; the Commissioner of Human Services, ex officio, or a designee; the Attorney General, ex officio, or a designee; an Executive Co-Director of the Statewide Parent Advocacy Network, or a designee; one member each to be appointed by the Arc of New Jersey, the New Jersey Developmental Disabilities Council, the New Jersey Association of School Administrators, the New Jersey Association of School Business Officials, the New Jersey Parent-Teacher Association, the New Jersey Principals and Supervisors Association, the Garden State Coalition of Schools, the New Jersey Speech-Language Hearing Association, the Council of Private Schools for Children with Special Needs, ASAH, the Department of Education’s Advisory Committee on Nonpublic Schools and the New Jersey School Boards Association; and eight members to be appointed by the Governor, one of whom shall be from a county special services school district, two of whom shall be public members who are either gifted disabled individuals or parents of gifted disabled individuals, and five of whom shall be public members knowledgeable about the disabilities requiring special education services and experienced in the delivery of those services.

3. Appointments to the commission shall be made within 30 days of the effective date of this act. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments were made. Members of the commission shall serve without compensation but shall be entitled to their actual and necessary expenses incurred in the performance of their duties pursuant to this act.

4. a. The commission shall organize within 30 days after the appointment of its members and shall select a chairperson and a vice-chairperson from among its members and a secretary who need not be a member of the commission.
   b. Staff and related support services shall be provided to the commission by the Department of Education. The commission shall also be entitled
to call to its assistance and avail itself of the services of the employees of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes.

5. It shall be the duty of the commission to study the issues associated with the delivery, quality, cost and funding of special education services for New Jersey students. The commission shall include in its study the unique issues of gifted and disabled individuals who are students at elementary or secondary schools. In studying the issues of gifted and disabled individuals the commission shall assess ways to improve access to available services, reduce duplications of effort and create new programming to meet those needs that are not currently being met.

6. The commission may meet and hold hearings at the place or places it designates during the sessions or recesses of the Legislature and shall issue a final report of its findings and recommendations, including any recommended legislation, to the Governor and the Legislature no later than the 180th day following its organizational meeting.

7. This act shall take effect immediately and the commission shall expire upon submission of its report to the Governor and Legislature pursuant to section 6 of this act.

Approved January 12, 2006.

CHAPTER 340

Except as permitted pursuant to subsection c. of this section, a person shall not take from the marine waters or other waters of the State in any one day, or have in the person's possession at any time, more than two striped bass. Each of the striped bass taken in accordance with this subsection shall be at least 28 inches in length.
b. A person shall not fillet, or remove the head or tail, or parts thereof, of any striped bass at sea, except this subsection shall not apply to striped bass that have been filleted under authority of, and in accordance with, a special permit therefor which may be issued by the Commissioner of Environmental Protection to an inspected vessel licensed to accommodate 15 or more passengers.

c. The Commissioner of Environmental Protection, by public notice placed in the New Jersey Register, shall establish management measures for striped bass in and upon the marine waters and other waters of the State, which management measures shall be consistent with the Striped Bass Management Plan of the Atlantic States Marine Fisheries Commission. Upon the approval of the Atlantic States Marine Fisheries Commission, these management measures shall provide for the taking in one day, or the possession at any time, of striped bass in addition to the two striped bass permitted pursuant to subsection a. of this section and shall include the size and quantity limits and the areas and the seasons for the taking of such additional striped bass.

The department shall monitor the catch provided for in this subsection and provide for its discontinuance as necessary to keep the State in compliance with the allowances of the commission.

2. This act shall take effect immediately.

Approved January 12, 2006.

CHAPTER 341

AN ACT concerning coverage provided to State employees and retirees under the State Health Benefits Program and amending P.L.1961, c.49 and P.L.1996, c.8.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1961, c.49 (C.52:14-17.28) is amended to read as follows:

C.52:14-17.28 Purchase of contracts.

4. The commission shall negotiate with and arrange for the purchase, on such terms as it deems to be in the best interests of the State and its

The commission shall not enter into a contract under this act unless the benefits provided thereunder equal or exceed the minimum standards specified in section 5 of P.L.1961, c.49 (C.52:14-17.29) for the particular coverage which such contract provides, and unless coverage is available to all eligible employees and their dependents on the basis specified by section 7 of P.L.1961, c.49 (C.52:14-17.31), except that a State employee enrolled in the program on or after July 1, 2003 and all law enforcement officers employed by the State for whom there is a majority representative for collective negotiation purposes may not be eligible for coverage under the traditional plan as defined in section 2 of P.L.1961, c.49 (C.52:14-17.26) pursuant to a binding collective negotiations agreement or pursuant to the application by the commission, in its sole discretion, of the terms of any collective negotiations agreement binding on the State to State employees for whom there is no majority representative for collective negotiations purposes.

2. Section 6 of P.L.1996, c.8 (C.52:14-17.28b) is amended to read as follows:

C.52:14-17.28b Determination of obligation of State agencies to pay premium; periodic charges.

6. a. Notwithstanding the provisions of any other law to the contrary, the obligations of the State or an independent State authority, board, commission, corporation, agency, or organization to pay the premium or periodic charges for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.) may be determined by means of a binding collective negotiations agreement, including any agreements in force at the time of the adoption of P.L.1996, c.8. With respect to State employees for whom there is no majority representative for collective negotiations purposes, the commission may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for the State and such employees in a manner consistent with the terms of any collective negotiations agreement binding on the State. With respect to employees of an independent State authority, board, commission, corporation, agency, or organization for whom there is no majority representative for collective negotiations purposes, the employer may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for such employer and such employees in a manner consistent with the terms of any collective negotiations agreement binding on such employer. The provisions of this subsection shall also apply to
employees deemed or considered to be employees of the State pursuant to subsection (c) of section 2 of P.L. 1961, c.49 (C.52:14-17.26).

b. (1) Notwithstanding the provisions of any other law to the contrary, for each State employee who accrues 25 years of nonconcurrent service credit in one or more State or locally-administered retirement systems before July 1, 1997, excepting the employee who elects deferred retirement, the State, upon the employee's retirement, shall pay the full cost of the premium or periodic charges for the health benefits provided to a retired State employee and dependents covered under the State Health Benefits Program, but not including survivors, and shall also reimburse the retired employee for premium charges under Part B of Medicare covering the retired employee and the employee's spouse.

(2) Notwithstanding the provisions of any other law to the contrary, and except as otherwise provided by section 8 of P.L. 1961, c.49 (C.52:14-17.32) as amended by P.L. 2005, c.341, for each State employee who accrues 25 years of nonconcurrent service credit in one or more State or locally-administered retirement systems on or after July 1, 1997, excepting the employee who elects deferred retirement, the State, upon the employee's retirement, shall pay the premium or periodic charges for the health benefits provided to a retired State employee and dependents covered under the State Health Benefits Program, but not including survivors, and shall reimburse the retired employee for premium charges under Part B of Medicare covering the retired employee and the employee's spouse: (a) in accordance with the provisions, if any, concerning health benefits coverage in retirement which are in the collective negotiations agreement applicable to the employee at the time of the employee's accrual of 25 years of nonconcurrent service credit in one or more State or locally-administered retirement systems, or (b) if the employee has no majority representative for collective negotiations purposes, in a manner consistent with the terms, if any, concerning health benefits coverage in retirement which are in any collective negotiations agreement deemed applicable by the State Health Benefits Commission to that employee at the time of the employee's accrual of 25 years of nonconcurrent service credit in one or more State or locally-administered retirement systems.

3. Section 8 of P.L. 1961, c.49 (C.52:14-17.32) is amended to read as follows:

C.52:14-17.32 Health benefits for retirees.

8. a. The basic coverage and the major medical coverage of any employee, and the employee's dependents, if any, shall cease upon the discontinuance of the term of office or employment or upon cessation of active
full-time employment subject to such regulations as may be prescribed by the commission for limited continuance of basic coverage and major medical coverage during disability, part-time employment, leave of absence or layoff, and for continuance of basic coverage and major medical coverage after retirement, any such continuance after retirement to be provided at such rates and under such conditions as shall be prescribed by the commission, subject, however, to the requirements hereinafter set forth in this section. Notwithstanding the provisions of any law to the contrary, for law enforcement officers employed by the State for whom there is a majority representative for collective negotiation purposes, and for nonaligned sworn members of the Division of State Police who retire after July 1, 2005, the coverage options available to such employees in retirement shall be limited to those options that were available to the employee on the employee's last day of employment. The commission may also establish regulations prescribing an extension of coverage when an employee or dependent is totally disabled at termination of coverage.

b. Rates payable by retired employees for themselves and their dependents, by active employees for dependents covered by medicare benefits, and by the State or other employer for an active employee alone covered by medicare benefits, shall be determined on the basis of utilization experience according to classifications determined by the commission, provided, however, that the total rate payable by such retired employee for the employee and the employee's dependents, or by such active employee for the employee's dependents and the State or other employer for such active employee alone, for coverage hereunder and for Part B of medicare, shall not exceed by more than 25%, as determined by the commission, the total amount which would have been required to have been paid by the employee and by the State or other employer for the coverage maintained had the employee continued in office or active employment and the employee and the employee's dependents were not eligible for medicare benefits. "Medicare" as used in this act means the coverage provided under Title XVIII of the Social Security Act as amended in 1965, or its successor plan or plans.

c. (1) From funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and the employee's dependents covered under the program, but not including survivors, if such employee retired from one or more State or locally-administered retirement systems on a benefit or benefits based in the aggregate on 25 years or more of nonconcurrent service credited in the retirement systems, excepting the employee who elected deferred retirement, but including the employee who retired on a disability pension based on fewer years of service credited in the retirement systems and shall also reimburse such retired employee for the premium charges under Part B of
the federal medicare program covering the retired employee and the employee's spouse. In the case of full-time employees of the Rutgers University Cooperative Extension Service, service credited in the federal Civil Service Retirement System (5 U.S.C.s.8331 et seq.) which was earned as a result of full-time employment at Rutgers University, may be considered alone or in combination with service credited in one or more State or locally-administered retirement systems for the purposes of establishing the minimum 25-year service requirement to qualify for the benefits provided in this section. Any full-time employee of the Rutgers University Cooperative Extension Service who meets the eligibility requirements set forth in this amendatory act shall be eligible for the benefits provided in this section, provided that at the time of retirement such employee was covered by the State Health Benefits Program and elected to continue such coverage into retirement.

(2) Notwithstanding the provisions of this section to the contrary, from funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and the employee's dependents covered under the program, but not including survivors, if: (a) the employee retires on or after the effective date of this 1987 amendatory act; (b) the employee was employed by Rutgers University prior to January 2, 1955 and remained in continuous service with Rutgers University until retirement even though the employee (i) did not join a State-administered retirement system, or, (ii) became a member of a State-administered retirement system, but accumulated less than 25 years of credited service; and (c) the employee is covered by the program at the time of retirement.

(3) Notwithstanding the provisions of this section to the contrary, in the case of an employee of a State college, as described in chapter 64 of Title 18A of the New Jersey Statutes, or of a county college, as defined in N.J.S.18A:64A-1, service credited in a private defined contribution retirement plan which was earned as an employee of an auxiliary organization, as defined in section 2 of P.L.1982, c.16 (C.18A:64-27), at a State or county college shall be considered in combination with service credited in a State-administered retirement system for the purposes of establishing the minimum 25-year service requirement to qualify for the benefits provided in this section, provided that the employee is covered by the program at the time of retirement.

(4) Notwithstanding the provisions of this section to the contrary, from funds appropriated therefor, the State shall pay the premium or periodic charges for the benefits provided to a retired State employee and any dependents covered under the program, but not including survivors, if the employee: (a) retired prior to the effective date of this act, P.L.1997, c.335
(C.52:14-17.32), under the State Police Retirement System, established pursuant to P.L.1965, c.89 (C.53:5A-1 et seq.), with more than 20 but less than 25 years of service credit in the retirement system; (b) was subsequently employed by the State in another position or positions not covered by the State Police Retirement System; (c) has, in the aggregate, at least 30 years of full-time employment with the State; and (d) is covered by the program at the time of terminating full-time employment with the State.

4. This act shall take effect immediately.

AN ACT concerning minors' consent to medical care or treatment and amending P.L.1968, c.230.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1968, c.230 (C.9:17A-4) is amended to read as follows:

C.9:17A-4 Consent by minor to treatment.

1. The consent to the provision of medical or surgical care or services by a hospital, public clinic, or the performance of medical or surgical care or services by a physician, licensed to practice medicine, when executed by a minor who is or believes that he may be afflicted with a venereal disease, or who is at least 13 years of age and is or believes that he may be infected with the human immunodeficiency virus or have acquired immune deficiency syndrome, or by a minor who, in the judgment of a treating physician, appears to have been sexually assaulted, shall be valid and binding as if the minor had achieved his or her majority, as the case may be. Any such consent shall not be subject to later disaffirmance by reason of minority. In the case of a minor who appears to have been sexually assaulted, the minor's parents or guardian shall be notified immediately, unless the attending physician believes that it is in the best interests of the patient not to do so; however, inability of the treating physician, hospital or clinic to locate or notify the parents or guardian shall not preclude the provision of any necessary emergency medical or surgical care to the minor.
When a minor believes that he is suffering from the use of drugs or is a drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2) or is suffering from alcohol dependency or is an alcoholic as defined in section 2 of P.L.1975, c.305 (C.26:2B-8), his consent to treatment under the supervision of a physician licensed to practice medicine, or an individual licensed or certified to provide treatment for alcoholism or in a facility licensed by the State to provide for the treatment of alcoholism shall be valid and binding as if the minor had achieved his or her majority, as the case may be. Any such consent shall not be subject to later disaffirmance by reason of minority. Treatment for drug use, drug abuse, alcohol use or alcohol abuse that is consented to by a minor shall be considered confidential information between the physician, the treatment provider or the treatment facility, as appropriate, and his patient, and neither the minor nor his physician, treatment provider or treatment facility, as appropriate, shall be required to report such treatment when it is the result of voluntary consent, except as may otherwise be required by law.

The consent of no other person or persons, including but not limited to a spouse, parent, custodian or guardian, shall be necessary in order to authorize such hospital, facility or clinical care or services or medical or surgical care or services to be provided by a physician licensed to practice medicine or by an individual licensed or certified to provide treatment for alcoholism to such a minor.

2. This act shall take effect immediately.

Approved January 12, 2006.

CHAPTER 343

AN ACT concerning penalties for drug offenses and amending N.J.S.2C:35-16.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:35-16 is amended to read as follows:

Forfeiture or postponement of driving privileges.

2C:35-16. Forfeiture or Postponement of Driving Privileges.

a. In addition to any disposition authorized by this title, the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43), or any other statute indicating
the dispositions that can be ordered for an adjudication of delinquency, and
notwithstanding the provisions of subsection c. of N.J.S.2C:43-2, a person
convicted of or adjudicated delinquent for a violation of any offense defined
in this chapter or chapter 36 of this title shall forthwith forfeit his right to
operate a motor vehicle over the highways of this State for a period to be
fixed by the court at not less than six months or more than two years which
shall commence on the day the sentence is imposed unless the court finds
compelling circumstances warranting an exception. For the purposes of this
section, compelling circumstances warranting an exception exist if the
forfeiture of the person's right to operate a motor vehicle over the highways
of this State will result in extreme hardship and alternative means of trans­
portation are not available. In the case of a person who at the time of the
imposition of sentence is less than 17 years of age, the period of any suspen­
sion of driving privileges authorized herein, including a suspension of the
privilege of operating a motorized bicycle, shall commence on the day the
sentence is imposed and shall run for a period as fixed by the court of not less
than six months or more than two years after the day the person reaches the
age of 17 years. If the driving privilege of any person is under revocation,
suspension, or postponement for a violation of any provision of this title or
Title 39 of the Revised Statutes at the time of any conviction or adjudication
of delinquency for a violation of any offense defined in this chapter or
chapter 36 of this title, any revocation, suspension, or postponement period
imposed herein shall commence as of the date of termination of the existing
revocation, suspension, or postponement.

b. If forfeiture or postponement of driving privileges is ordered by the
court pursuant to subsection a. of this section, the court shall collect forth­
with the New Jersey driver's license or licenses of the person and forward
such license or licenses to the Chief Administrator of the New Jersey Motor
Vehicle Commission along with a report indicating the first and last day of
the suspension or postponement period imposed by the court pursuant to this
section. If the court is for any reason unable to collect the license or licenses
of the person, the court shall cause a report of the conviction or adjudication
of delinquency to be filed with the Chief Administrator. That report shall
include the complete name, address, date of birth, eye color, and sex of the
person and shall indicate the first and last day of the suspension or postpone­
ment period imposed by the court pursuant to this section. The court shall
inform the person orally and in writing that if the person is convicted of
personally operating a motor vehicle during the period of license suspension
or postponement imposed pursuant to this section, the person shall, upon
conviction, be subject to the penalties set forth in R.S.39:3-40. A person
shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the
receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. If the person is the holder of a driver's license from another jurisdiction, the court shall not collect the license but shall notify forthwith the Chief Administrator who shall notify the appropriate officials in the licensing jurisdiction. The court shall, however, in accordance with the provisions of this section, revoke the person's non-resident driving privilege in this State.

c. In addition to any other condition imposed, a court may in its discretion suspend, revoke or postpone in accordance with the provisions of this section the driving privileges of a person admitted to supervisory treatment under N.J.S.2C:36A-1 or N.J.S.2C:43-12 without a plea of guilty or finding of guilt.

2. This act shall take effect immediately.

Approved January 12, 2006.

b. The amount of the credit applied under this section against the tax imposed pursuant to section 5 of P.L.1945, c.162, for a privilege period, when taken together with any other credits allowed against the tax imposed pursuant to section 5 of P.L.1945, c.162, shall not exceed 50 percent of the tax liability otherwise due and shall not reduce the tax liability to an amount less than the statutory minimum provided in subsection (e) of section 5 of

c. A taxpayer may, with an application for a credit provided for in subsection a. of this section, apply to the director and the executive director of the authority for a tax credit transfer certificate in lieu of the taxpayer being allowed any amount of the credit against the tax liability of the taxpayer. The director and the executive director of the authority may consult with the New Jersey Motion Picture and Television Development Commission in consideration of any application for approval of a tax credit or tax credit transfer certificate under this section. The tax credit transfer certificate, upon receipt thereof by the taxpayer from the director and the authority, may be sold or assigned, in full or in part, to any other taxpayer that may have a tax liability under P.L.1945, c.162 or N.J.S.54A:1-1 et seq., in exchange for private financial assistance to be provided by the purchaser or assignee to the taxpayer that has applied for and been granted the credit. The certificate provided to the taxpayer shall include a statement waiving the taxpayer’s right to claim that amount of the credit against the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5) that the taxpayer has elected to sell or assign. The sale or assignment of any amount of a tax credit transfer certificate allowed under this section shall not be exchanged for consideration received by the taxpayer of less than 75% of the transferred credit amount. Any amount of a tax credit transfer certificate used by a purchaser or assignee against a tax liability under P.L.1945, c.162 shall be subject to the same limitations and conditions that apply to the use of a credit pursuant to subsection b. of this section. Any amount of a tax credit transfer certificate obtained by a purchaser or assignee under this section may be applied against the purchaser’s or assignee’s tax liability under N.J.S.54A:1-1 et seq. and shall be subject to the same limitations and conditions that apply to the use of a credit pursuant to section 2 of P.L.2005, c.345 (C.54A:4-12).

d. As used in this section:
"Film" means a feature film, a television series or a television show of 15 minutes or more in length, intended for a national audience. Qualified film production expenses shall not include expenses incurred in marketing or advertising a film.

"Total production expenses" means costs for services performed and tangible personal property used or consumed in the production of a film.

"Post-production costs" means the costs of the phase of production that follows principal photography, in which raw footage is cut and assembled into a finished film with sound synchronization and visual effects.

e. The Director of the Division of Taxation in the Department of the Treasury, in consultation with the New Jersey Motion Picture and Television Development Commission and the New Jersey Economic Development Authority, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), as are necessary to implement this act including examples of qualified film production expenses and the procedures and forms to apply for a credit and for a tax credit transfer certificate necessary for a taxpayer to sell or assign an amount of tax credit under this section. The value of credits, including tax credits allowed through the granting of tax credit transfer certificates, approved by the director and the authority pursuant to this section and pursuant to section 2 of P.L.2005, c.345 (C.54A:4-12) shall not exceed a cumulative total of $10,000,000 in any fiscal year to apply against the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5), and the tax imposed pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq. If the cumulative total amount of credits and tax credit transfer certificates allowed to taxpayers for privilege periods or taxable years commencing during a single fiscal year under this section and section 2 of P.L.2005, c.345 (C.54A:4-12) exceeds the amount of credits available in that year, then taxpayers who have first applied for and have not been allowed a credit or tax credit transfer certificate amount for that reason shall be allowed, in the order in which they have submitted an application, the amount of tax credit or certificate on the first day of the next succeeding fiscal year in which tax credits and tax credit transfer certificates under this section and section 2 of P.L.2005, c.345 (C.54A:4-12) are not in excess of the amount of credits
available. The Executive Director of the New Jersey Economic Development Authority, in conjunction with the Director of the Division of Taxation shall prepare and submit a report to the Governor and the Legislature on the effectiveness of the credit as an incentive for encouraging film productions to locate in New Jersey which shall be completed before the third taxable year or privilege period in which a credit may be claimed.

C.54A:4-12 Gross income tax credit for certain film production expenses: definitions.

2. a. A taxpayer, upon application to the Director of the Division of Taxation in the Department of the Treasury and the New Jersey Economic Development Authority, shall be allowed a credit against the tax otherwise due for the taxable year under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., in an amount equal to 20 percent of the qualified film production expenses of the taxpayer during a taxable year commencing after the effective date of P.L.2005, c.345, provided that (1) at least 60 percent of the total production expenses, exclusive of post-production costs, of the taxpayer will be incurred for services performed and goods used or consumed in New Jersey, and (2) principal photography of the film commences within 150 days after the approval of the application for the credit.

b. The amount of the credit allowed pursuant to this section shall be applied against the tax otherwise due under N.J.S.54A:1-1 et seq. after all other credits and payments. If the credit exceeds the amount of tax otherwise due, that amount of excess shall be an overpayment for the purposes of N.J.S.54A: 9-7.

c. A taxpayer may, with an application for a credit provided for in subsection a. of this section, apply to the director and the executive director of the authority for a tax credit transfer certificate in lieu of the taxpayer being allowed any amount of the credit against the tax liability of the taxpayer. The director and the executive director of the authority may consult with the New Jersey Motion Picture and Television Development Commission in consideration of any application for approval of a tax credit or tax credit transfer certificate under this section. The tax credit transfer certificate, upon receipt thereof by the taxpayer from the director and the authority, may be sold or assigned, in full or in part, to any other taxpayer that may have a tax liability under N.J.S.54A:1-1 et seq. or P.L.1945, c.162 (C.54A:10A-1 et seq.), in exchange for private financial assistance to be provided by the purchaser or assignee to the taxpayer that has applied for and been granted the credit. The certificate provided to the taxpayer shall include a statement waiving the taxpayer's right to claim that amount of the credit against the tax imposed pursuant to N.J.S.54A:1-1 et seq., that the taxpayer has elected to sell or assign. The sale or assignment of any amount of a tax credit transfer certificate allowed under this section shall not be exchanged
for consideration received by the taxpayer of less than 75% of the transferred credit amount. Any amount of a tax credit transfer certificate used by a purchaser or assignee against a tax liability under N.J.S.54A:1-1 et seq., shall be subject to the same limitations and conditions that apply to the use of a credit pursuant to subsection b. of this section. Any amount of a tax credit transfer certificate obtained by a purchaser or assignee under this section may be applied against the purchaser's or assignee's tax liability under P.L.1945, c.162 and shall be subject to the same limitations and conditions that apply to the use of a credit pursuant to section 1 of P.L.2005, c.345 (C.54:10A-5.39).

d. A partnership shall not be allowed a credit under this section directly, but the amount of credit or tax credit transfer certificate of a taxpayer in respect of a distributive share of partnership income under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., shall be determined by allocating to the taxpayer that proportion of the credit or certificate acquired by the partnership that is equal to the taxpayer's share, whether or not distributed, of the total distributive income or gain of the partnership for its taxable year ending within or with the taxpayer's taxable year. For the purposes of subsection b. of this section, the amount of tax liability that would be otherwise due of a taxpayer is that proportion of the total liability of the taxpayer that the taxpayer's share of the partnership income or gain included in gross income bears to the total gross income of the taxpayer. The provisions of subsection c. of this section shall apply to the amount of any credit or certificate of a taxpayer in respect of a distributive share of partnership income.

e. As used in this section:

"Film" means a feature film, a television series or a television show of 15 minutes or more in length, intended for a national audience. Film shall not include a production featuring news, current events, weather and market reports or public programming, talk show, game show, sports event, award show or other gala event, a production that solicits funds, a production containing obscene material as defined in N.J.S.2C:34-2 and N.J.S.2C:34-3, or a production primarily for private, industrial, corporate or institutional purposes.

"Qualified film production expenses" means an expense incurred in New Jersey for the production of a film including post-production costs incurred in New Jersey. Qualified film production expenses shall include but shall not be limited to wages and salaries of individuals employed in the production of a film on which the tax imposed by the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq. has been paid or are due; the costs of construction, operations, editing, photography, sound synchronization, lighting, wardrobe and accessories and the cost of rental of facilities and equipment.

"Total production expenses" means costs for services performed and tangible personal property used or consumed in the production of a film.

"Post production costs" means the costs of the phase of production that follows principal photography, in which raw footage is cut and assembled into a finished film with sound synchronization and visual effects.

f. The Director of the Division of Taxation in the Department of the Treasury, in consultation with the New Jersey Motion Picture and Television Development Commission and the New Jersey Economic Development Authority, shall adopt rules in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), as are necessary to implement this act including examples of qualified film production expenses and the procedures and forms to apply for a credit and for a tax credit transfer certificate necessary for a taxpayer to sell or assign an amount of tax credit under this section. The amount of credits, including tax credits allowed through the granting of tax credit transfer certificates, approved by the director and the authority pursuant to this section and pursuant to section 1 of P.L.2005, c.345 (C.54:10A-5.39) shall not exceed a cumulative total of $10,000,000 in any fiscal year to apply against the tax imposed under N.J.S.54A:1-1 et seq., and the tax imposed pursuant to section 5 of P.L.1945, c.162 (C.54:10A-5). If the cumulative total amount of credits and tax credit transfer certificates allowed to taxpayers for taxable years or privilege periods commencing during a single fiscal year under this section and section 1 of P.L.2005, c.345 (C.54:10A-5.39) exceeds the amount of credits available in that year, then taxpayers who have first applied for and have not been allowed a credit or tax credit transfer certificate amount for that reason shall be allowed, in the order in which they have submitted an application, the amount of tax credit or certificate on the first day of the next succeeding fiscal year in which tax credits and tax credit transfer certificates under this section and section 1 are not in excess of the amount of credits available. The Executive Director of the New Jersey Economic Development Authority, in conjunction with the Director of the Division of Taxation shall prepare and submit a report to the Governor and the Legislature on the effectiveness of the credit as an incentive for encouraging film productions to locate in New Jersey which shall be completed before the third taxable year or privilege period in which a credit may be claimed.

3. This act shall take effect immediately and apply to qualified film production expenses incurred on or after the date of enactment, and sections 1 and 2 shall apply respectively to privilege periods and taxable years begin-
ning on and after July 1, 2005 and shall expire with privilege periods and taxable years first commencing after July 1, 2015.

CHAPTER 346

AN ACT concerning the use of defibrillators in health clubs and supplementing P.L. 1999, c. 34 (C.2A:62A-23 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:62A-30 Findings, declarations relative to use of defibrillators in health clubs.

1. The Legislature finds and declares that:
   a. According to the American Heart Association, when a person suffers sudden cardiac arrest, the person's chance of survival decreases by 7% to 10% for each minute that passes without defibrillation; and with defibrillation given in the first minute after cardiac arrest, the survival rate can be as high as 90%;
   b. The greatest risk for cardiac arrest is among men over 45 and women over 55 years of age, as well as among persons who smoke, are overweight or have diabetes;
   c. Studies have shown that while exercise helps the heart in the long run, the risk of physical activity is not zero and the risk for cardiac arrest may increase during the time that the person is engaging in moderate or vigorous exercise, particularly for those who are sporadic exercisers or have underlying cardiovascular disease;
   d. The number of Americans who exercise regularly at health clubs has increased steadily in recent years, as has the age of persons who exercise at these clubs; as many as 30 million people now visit health and exercise centers in this country, and it is estimated that about 55% percent of these people are over age 35;
   e. As the age of persons who use health clubs increases, it is reasonable to assume that the number of members with cardiovascular disease is rising as well;
   f. In recognition of the increasing risk of cardiac arrest at health clubs and the effectiveness of readily accessible automated external defibrillators in saving lives, it is, therefore, in the best interest of the residents of this State to require health clubs to maintain defibrillators on their premises.
CHAPTER 346, LAWS OF 2005  2241

C.2A:62A-31 Requirements for health clubs relative to defibrillators.

2. No later than one year after the effective date of this act;

      (1) acquire at least one automated external defibrillator as defined in section 2 of P.L.1999, c.34 (C.2A:62A-24), and store it in an accessible location within the health club that is known and available to the employees of the health club for the purposes of this act; and
      (2) ensure that the automated external defibrillator is tested and maintained, and provide notification to the appropriate first aid, ambulance or rescue squad or other appropriate emergency medical services provider regarding the defibrillator, the type acquired and its location, pursuant to section 3 of P.L.1999, c.34 (C.2A:62A-25); and
   b. The owner or operator of a health club that is subject to the provisions of subsection a. of this section shall:
      (1) arrange and pay for training in cardio-pulmonary resuscitation and the use of an automated external defibrillator for the employees of that health club in accordance with the provisions of section 3 of P.L.1999, c.34 (C.2A:62A-25);
      (2) ensure that the health club has at least one employee on site during its normal business hours who is trained in cardio-pulmonary resuscitation and the use of an automated external defibrillator in accordance with the provisions of section 3 of P.L.1999, c.34 (C.2A:62A-25); and
      (3) ensure that the employees of that health club comply with the provisions of section 4 of P.L.1999, c.34 (C.2A:62A-26) concerning the use of the automated external defibrillator.

3. A person who violates the provisions of section 2 of this act shall be liable to a civil penalty of not less than $250 for the first violation, not less than $500 for the second violation, and not less than $1,000 for the third and each subsequent violation.

   The penalty shall be collected pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), in a summary proceeding before the municipal court having jurisdiction. An official authorized by statute or ordinance to enforce the State or local health codes or a law enforcement officer having enforcement authority in that municipality may issue a summons for a violation of the provisions of section 2 of this act, and may serve and execute all process with respect to the enforcement of this section consistent with the Rules of Court.
A penalty recovered under the provisions of this section shall be recovered by and in the name of the State by the local health agency. The penalty shall be paid into the treasury of the municipality in which the violation occurred for the general uses of the municipality.

C.2A:62A-33 Immunity from civil, criminal liability.

4. A health club that is subject to the provisions of this act shall be immune from civil or criminal liability resulting from the malfunctioning of an automated external defibrillator that has been maintained and tested by the health club according to the manufacturer's operational guidelines, pursuant to section 3 of P.L.1999, c.34 (C.2A:62A-25), as required in paragraph (2) of subsection a. of section 2 of this act.

The immunity provided in this section shall be in addition to the immunity provided pursuant to section 5 of P.L.1999, c.34 (C.2A:62A-27).

5. The Commissioner of Health and Senior Services, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), and in consultation with the Director of the Division of Consumer Affairs in the Department of Law and Public Safety, shall adopt rules and regulations to effectuate the purposes of this act.

6. This act shall take effect immediately.

Approved January 12, 2006.

CHAPTER 348

AN ACT concerning protection from contribution suits, and amending and supplementing P.L.1976, c.141.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1976, c.141 (C.58:10-23.1lf) is amended to read as follows:

C.58:10-23.1lf Cleanup and removal of hazardous substances.

7. a. (1) Whenever any hazardous substance is discharged, the department may, in its discretion, act to clean up and remove or arrange for the cleanup and removal of the discharge or may direct the discharger to clean up and remove, or arrange for the cleanup and removal of, the discharge. If the discharge occurs at any hazardous waste facility or solid waste facility, the department may order the hazardous waste facility or solid waste facility closed for the duration of the cleanup and removal operations. The department may monitor the discharger's compliance with any such directive. Any discharger who fails to comply with such a directive shall be liable to the department in an amount equal to three times the cost of such cleanup and removal, and shall be subject to the revocation or suspension of any license issued or permit held authorizing that person to operate a hazardous waste facility or solid waste facility.

(2) (a) Whenever one or more dischargers or persons cleans up and removes a discharge of a hazardous substance, those dischargers and persons
shall have a right of contribution against all other dischargers and persons in any way responsible for a discharged hazardous substance or other persons who are liable for the cost of the cleanup and removal of that discharge of a hazardous substance. In an action for contribution, the contribution plaintiffs need prove only that a discharge occurred for which the contribution defendant or defendants are liable pursuant to the provisions of subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), and the contribution defendant shall have only the defenses to liability available to parties pursuant to subsection d. of section 8 of P.L.1976, c.141 (C.58:10-23.11g). In resolving contribution claims, a court may allocate the costs of cleanup and removal among liable parties using such equitable factors as the court determines are appropriate. Nothing in this subsection shall affect the right of any party to seek contribution pursuant to any other statute or under common law.

(b) A person who has discharged a hazardous substance or is in any way responsible for the discharge of a hazardous substance who has resolved his liability to the State for cleanup and removal costs, including the payment of compensation for damage to, or the loss of, natural resources, or for the restoration of natural resources, and (i) has received a no further action letter from the State, or (ii) has entered into an administrative or judicially approved settlement with the State, shall not be liable for claims for contribution regarding matters addressed in the settlement or the no further action letter, as the case may be. The settlement shall not release any other person from liability for cleanup and removal costs who is not a party to the settlement, but shall reduce the potential liability of any other discharger or person in any way responsible for a discharged hazardous substance at the site that is the subject of the no further action letter or the settlement by the amount of the no further action letter or the settlement.

(3) In an action for contribution taken pursuant to this subsection, a contribution plaintiff may file a claim with the court for treble damages. A contribution plaintiff may be granted an award of treble damages by the court from one or more contribution defendants only upon a finding by the court that: (a) the contribution defendant is a person who was named on or subject to a directive issued by the department, who failed or refused to comply with such a directive, and who is subject to contribution pursuant to this subsection; (b) the contribution plaintiff gave 30 days' notice to the contribution defendant of the plaintiffs intention to seek treble damages pursuant to this subsection and gave the contribution defendant an opportunity to participate in the cleanup; (c) the contribution defendant failed or refused to enter into a settlement agreement with the contribution plaintiff; and (d) the contribution plaintiff entered into an agreement with the department to remediate the site. Notwithstanding the foregoing requirements, any
authorization to seek treble damages made by the department prior to the effective date of P.L. 1997, c. 278 (C. 58:10B-1.1 et al.) shall remain in effect, provided that the department or the contribution plaintiff gave notice to the contribution defendant of the plaintiff's request to the department for authorization to seek treble damages.

A contribution defendant from whom treble damages is sought in a contribution action shall not be assessed treble damages by any court where the contribution defendant, for good cause shown, failed or refused to enter the settlement agreement with the contribution plaintiff or where principles of fundamental fairness will be violated. One third of an award of treble damages in a contribution action pursuant to this paragraph shall be paid to the department, which sum shall be deposited in the New Jersey Spill Compensation Fund. The other two thirds of the treble damages award shall be shared by the contribution plaintiffs in the proportion of the responsibility for the cost of the cleanup and removal that the contribution plaintiffs have agreed to with the department or in an amount as has been agreed to by those parties.

Cleanup and removal of hazardous substances and actions to minimize damage from discharges shall, to the greatest extent possible, be in accordance with the National Contingency Plan for cleanup and removal of oil and hazardous substances established pursuant to section 311(c)(2) of the federal Water Pollution Control Act Amendments of 1972 (Pub.L. 92-500, 33U.S.C. s.1251 et seq.).

Whenever the department acts to clean up and remove a discharge or contracts to secure prospective cleanup and removal services, it is authorized to draw upon the money available in the fund. Such money shall be used to pay promptly for all cleanup and removal costs incurred by the department in cleaning up, in removing or in minimizing damage caused by such discharge. Nothing in this section is intended to preclude removal and cleanup operations by any person threatened by such discharges, provided such persons coordinate and obtain approval for such actions with ongoing State or federal operations. No action taken by any person to contain or clean up and remove a discharge shall be construed as an admission of liability for said discharge. No person who renders assistance in containing or cleaning up and removing a discharge shall be liable for any civil damages to third parties resulting solely from acts or omissions of such person in rendering such assistance, except for acts or omissions of gross negligence or willful misconduct. In the course of cleanup or removal operations, no person shall discharge any detergent into the waters of this State without prior authorization of the commissioner.

b. Notwithstanding any other provisions of P.L. 1976, c. 141 (C. 58:10-23.11 et seq.), the department, subject to the approval of the
administrator with regard to the availability of funds therefor, or a local unit as a part of an emergency response action and with the approval of the department, may clean up and remove or arrange for the cleanup and removal of any hazardous substance which:

(1) Has not been discharged from a grounded or disabled vessel, if the department determines that such cleanup and removal is necessary to prevent an imminent discharge of such hazardous substance; or

(2) Has not been discharged, if the department determines that such substance is not satisfactorily stored or contained and said substance possesses any one or more of the following characteristics:
   (a) Explosiveness;
   (b) High flammability;
   (c) Radioactivity;
   (d) Chemical properties which in combination with any discharged hazardous substance at the same storage facility would create a substantial risk of imminent damage to public health or safety or an imminent and severe damage to the environment;
   (e) is stored in a container from which its discharge is imminent as a result of contact with a hazardous substance which has already been discharged and such additional discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or
   (f) High toxicity and is stored or being transported in a container or motor vehicle, truck, rail car or other mechanized conveyance from which its discharge is imminent as a result of the significant deterioration or the precarious location of the container, motor vehicle, truck, rail car or other mechanized conveyance, and such discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(3) Has been discharged prior to the effective date of P.L.1976, c.141.

c. If and to the extent that he determines that funds are available, the administrator shall approve and make payments for any cleanup and removal costs incurred by the department for the cleanup and removal of a hazardous substance other than petroleum as authorized by subsection b. of this section; provided that in determining the availability of funds, the administrator shall not include as available funds revenues realized or to be realized from the tax on the transfer of petroleum, to the extent that such revenues result from a tax levied at a rate in excess of $0.01 per barrel, pursuant to subsection b. of section 9 of P.L.1976, c.141 (C.58:10-23.11h), unless the administrator determines that the sum of claims paid by the fund on behalf of petroleum discharges or cleanup and removals plus pending reasonable claims against the fund on behalf of petroleum discharges or cleanup and removals is
greater than 30% of the sum of all claims paid by the fund plus all pending reasonable claims against the fund.

d. The administrator may only approve and make payments for any cleanup and removal costs incurred by the department for the cleanup and removal of a hazardous substance discharged prior to the effective date of P.L. 1976, c. 141, pursuant to subsection b. of this section, if, and to the extent that, he determines that adequate funds from another source are not or will not be available; and provided further, with regard to the cleanup and removal costs incurred for discharges which occurred prior to the effective date of P.L. 1976, c. 141, the administrator may not during any one-year period pay more than $18,000,000 in total or more than $3,000,000 for any discharge or related set or series of discharges.

e. Notwithstanding any other provisions of P.L. 1976, c. 141, the administrator, after considering, among any other relevant factors, the department's priorities for spending funds pursuant to P.L. 1976, c. 141, and within the limits of available funds, shall make payments for the restoration or replacement of, or connection to an alternative water supply for, any private residential well destroyed, contaminated, or impaired as a result of a discharge prior to the effective date of P.L. 1976, c. 141; provided, however, total payments for said purpose shall not exceed $500,000 for the period between the effective date of this subsection e. and January 1, 1983, and in any calendar year thereafter.

f. Any expenditures made by the administrator pursuant to this act shall constitute, in each instance, a debt of the discharger to the fund. The debt shall constitute a lien on all property owned by the discharger when a notice of lien, incorporating a description of the property of the discharger subject to the cleanup and removal and an identification of the amount of cleanup, removal and related costs expended from the fund, is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the discharger and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and removal, shall attach to the revenues and all real and personal property of the discharger, whether or not the discharger is insolvent.

The notice of lien filed pursuant to this subsection which affects the property of a discharger subject to the cleanup and removal of a discharge shall create a lien with priority over all other claims or liens which are or have been filed against the property, except if the property comprises six dwelling units or less and is used exclusively for residential purposes, this notice of lien shall not affect any valid lien, right or interest in the property filed in accordance with established procedure prior to the filing of this notice of lien. The notice of lien filed pursuant to this subsection which
affects any property of a discharger, other than the property subject to the cleanup and removal, shall have priority from the day of the filing of the notice of the lien over all other claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this subsection.

G. In the event a vessel discharges a hazardous substance into the waters of the State, the cleanup and removal and related costs resulting from that discharge that constitute a maritime lien on the discharging vessel pursuant to 33 U.S.C. s.1321 or any other law, may be recovered by the Department of Environmental Protection in an action in rem brought in the district court of the United States. An impoundment of a vessel resulting from this action shall continue until:

1. the claim against the owner or operator of the vessel for the cleanup and removal and related costs of the discharge is satisfied;
2. the owner or operator of the vessel, or a representative of the owner or operator, provides evidence of financial responsibility as provided in section 2 of P.L.1991, c.58 (C.58:10-23.11g2) and satisfactorily guarantees that these costs will be paid; or
3. the impoundment is otherwise vacated by a court order. The remedy provided in this subsection is in addition to any other remedy or enforcement power that the department may have under any other law.

Any action brought by the State pursuant to this subsection and any impoundment of a vessel resulting therefrom shall not subject the State to be in any way liable for a subsequent or continued discharge of a hazardous substance from that vessel.

C.58:10-23.1le2 Publication of information relative to contribution suit settlements.

2. At least 30 days prior to its agreement to any administrative or judicially approved settlement entered into pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), or at least 30 days prior to the issuance of any no further action letter issued pursuant to P.L.1993, c.139 (C.58:10B-1 et seq.), on or after the effective date of P.L.2005, c.348 (C.58:10-23.1le2 et al.), the Department of Environmental Protection shall publish in the New Jersey Register and on the New Jersey Department of Environmental Protection's website the name of the case, the names of the parties to the settlement or the no further action letter, as the case may be, the location of the property on which the discharge occurred, and a summary of the terms of the settlement or the no further action letter, including the amount of any monetary payments made or to be made. The Department of Environmental Protection shall provide written notice of the settlement or of the no further action letter, which shall include the information listed above, to all other parties in the
case and to any other potentially responsible parties of whom the department
has notice at the time of the publication.

3. This act shall take effect on the 90th day after the date of enactment.

Approved January 12, 2006.

The members shall serve for terms of six years, except that of the members first appointed, two shall serve for terms of four years, three for terms of five years, and three for terms of six years. All members shall serve until their respective successors are appointed and shall have qualified. Notwithstanding the above, a member appointed to represent the interests of local government shall serve only such length of the term for which appointed as the member continues to hold elected local office, except that the term of a member so appointed shall not become vacant until 60 days after the member ceases to hold that elected office. Vacancies shall be filled in the same manner as the original appointments, but for the remainders of the unexpired terms only.

c. The members, excluding the executive director of the agency and the Commissioner of Community Affairs, shall be compensated at the rate of $150.00 for each six-hour day, or prorated portion thereof for more or less than six hours, spent in attendance at meetings and consultations and all members shall be eligible for reimbursement for necessary expenses incurred in connection with the discharge of their duties.

d. The Governor shall nominate the members within 30 days of the effective date of this act and shall designate a member to serve as chairman throughout the member's term of office and until his successor shall have been appointed and qualified. The member added by P.L.2005, c.350 (C.52:27D-311a et al.) shall be nominated within 30 days of the effective date of that act.

e. Any member may be removed from office for misconduct in office, willful neglect of duty, or other conduct evidencing unfitness for the office, or for incompetence. A proceeding for removal may be instituted by the Attorney General in the Superior Court. A member or employee of the council shall automatically forfeit his office or employment upon conviction of any crime. Any member or employee of the council shall be subject to the duty to appear and testify and to removal from his office or employment in accordance with the provisions of P.L.1970, c.72 (C.2A:81-17.2a et seq.).

4. Section 7 of P.L.1985, c.222 (C.52:27D-307) is amended to read as follows:

C.52:27D-307 Duties of council.

7. It shall be the duty of the council, seven months after the confirmation of the last member initially appointed to the council, or January 1, 1986, whichever is earlier, and from time to time thereafter, to:

a. Determine housing regions of the State;

b. Estimate the present and prospective need for low and moderate income housing at the State and regional levels;
c. Adopt criteria and guidelines for:

(1) Municipal determination of its present and prospective fair share of the housing need in a given region which shall be computed for a 10-year period. Municipal fair share shall be determined after crediting on a one-to-one basis each current unit of low and moderate income housing of adequate standard, including any such housing constructed or acquired as part of a housing program specifically intended to provide housing for low and moderate income households. Notwithstanding any other law to the contrary, a municipality shall be entitled to a credit for a unit if it demonstrates that (a) the municipality issued a certificate of occupancy for the unit, which was either newly constructed or rehabilitated between April 1, 1980 and December 15, 1986; (b) a construction code official certifies, based upon a visual exterior survey, that the unit is in compliance with pertinent construction code standards with respect to structural elements, roofing, siding, doors and windows; (c) the household occupying the unit certifies in writing, under penalty of perjury, that it receives no greater income than that established pursuant to section 4 of P.L.1985, c.222 (C.52:27D-304) to qualify for moderate income housing; and (d) the unit for which credit is sought is affordable to low and moderate income households under the standards established by the council at the time of filing of the petition for substantive certification. It shall be sufficient if the certification required in subparagraph (c) is signed by one member of the household. A certification submitted pursuant to this paragraph shall be reviewable only by the council or its staff and shall not be a public record;

Nothing in P.L.1995, c.81 shall affect the validity of substantive certification granted by the council prior to November 21, 1994, or to a judgment of compliance entered by any court of competent jurisdiction prior to that date. Additionally, any municipality that received substantive certification or a judgment of compliance prior to November 21, 1994 and filed a motion prior to November 21, 1994 to amend substantive certification or a judgment of compliance for the purpose of obtaining credits, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81. Any municipality that filed a motion prior to November 21, 1994 for the purpose of obtaining credits, which motion was supported by the results of a completed survey performed pursuant to council rules, shall be entitled to a determination of its right to credits pursuant to the standards established by the Legislature prior to P.L.1995, c.81;

(2) Municipal adjustment of the present and prospective fair share based upon available vacant and developable land, infrastructure considerations or environmental or historic preservation factors and adjustments shall be made whenever:
(a) The preservation of historically or important architecture and sites and their environs or environmentally sensitive lands may be jeopardized,
(b) The established pattern of development in the community would be drastically altered,
(c) Adequate land for recreational, conservation or agricultural and farmland preservation purposes would not be provided,
(d) Adequate open space would not be provided,
(e) The pattern of development is contrary to the planning designations in the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L.1985, c.398 (C.52:18A-196 et seq.),
(f) Vacant and developable land is not available in the municipality, and
(g) Adequate public facilities and infrastructure capacities are not available, or would result in costs prohibitive to the public if provided; and
(3) (Deleted by amendment, P.L.1993, c.31).
d. Provide population and household projections for the State and housing regions;
e. In its discretion, place a limit, based on a percentage of existing housing stock in a municipality and any other criteria including employment opportunities which the council deems appropriate, upon the aggregate number of units which may be allocated to a municipality as its fair share of the region's present and prospective need for low and moderate income housing. No municipality shall be required to address a fair share beyond 1,000 units within ten years from the grant of substantive certification, unless it is demonstrated, following objection by an interested party and an evidentiary hearing, based upon the facts and circumstances of the affected municipality that it is likely that the municipality through its zoning powers could create a realistic opportunity for more than 1,000 low and moderate income units within that ten-year period. For the purposes of this section, the facts and circumstances which shall determine whether a municipality's fair share shall exceed 1,000 units, as provided above, shall be a finding that the municipality has issued more than 5,000 certificates of occupancy for residential units in the ten-year period preceding the petition for substantive certification in connection with which the objection was filed.

For the purpose of crediting low and moderate income housing units in order to arrive at a determination of present and prospective fair share, as set forth in paragraph (1) of subsection c. of this section, housing units comprised in a community residence for the developmentally disabled, as defined in section 2 of P.L.1977, c.448 (C.30:11B-2), shall be fully credited pursuant to rules promulgated or to be promulgated by the council, to the extent that the units are affordable to persons of low and moderate income and are available to the general public.
In carrying out the above duties, including, but not limited to, present and prospective need estimations the council shall give appropriate weight to pertinent research studies, government reports, decisions of other branches of government, implementation of the State Development and Redevelopment Plan prepared pursuant to sections 1 through 12 of P.L. 1985, c. 398 (C.52:18A-196 et seq.) and public comment. To assist the council, the State Planning Commission established under that act shall provide the council annually with economic growth, development and decline projections for each housing region for the next ten years. The council shall develop procedures for periodically adjusting regional need based upon the low and moderate income housing that is provided in the region through any federal, State, municipal or private housing program.

No housing unit subject to the provisions of section 5 of P.L. 2005, c. 350 (C.52:27D-123.15) and to the provisions of the barrier free subcode adopted by the Commissioner of Community Affairs pursuant to the "State Uniform Construction Code Act," P.L. 1975, c. 217 (C.52:27D-119 et seq.) shall be eligible for inclusion in the municipal fair share plan certified by the council unless the unit complies with the requirements set forth thereunder.

C.52:27D-123.15 Adaptability requirement; design standards.

5. a. Any new construction for which an application for a construction permit has not been declared complete by the enforcing agency before the effective date of P.L. 2005, c. 350 (C.52:27D-311 et al.) and for which credit is sought pursuant to P.L. 1985, c. 222 (C.52:27D-301 et al.) on or after the effective date of P.L. 2005, c. 350 (C.52:27D-311 et al.) shall be adaptable; however, elevators shall not be required in any building or within any dwelling unit for the purposes of P.L. 2005, c. 350 (C.52:27D-311 et al.). In buildings without elevator service, only ground floor dwelling units shall be required to be constructed to conform with the technical design standards of the barrier free subcode in order to be credited pursuant to P.L. 1985, c. 222 (C.52:27D-301 et al.).

b. Notwithstanding the exemption for townhouse dwelling units in the barrier free subcode, the first floor of all townhouse dwelling units and of all other multifloor dwelling units for which credit is sought pursuant to P.L. 1985, c. 222 (C.52:27D-301 et al.) on or after the effective date of P.L. 2005, c. 350 (C.52:27D-311 et al.) and for which an application for a construction permit has not been declared complete by the enforcing agency pursuant to P.L. 2005, c. 350 (C.52:27D-311 et al.), shall be subject to the technical design standards of the barrier free subcode and shall include the following features:

(1) an adaptable entrance to the dwelling unit;

(2) an adaptable full service bathroom on the first floor;
(3) an adaptable kitchen on the first floor;
(4) an accessible interior route of travel; and
(5) an adaptable room with a door or a casing where a door can be installed which may be used as a bedroom on the first floor.

c. (1) Full compliance with the requirements of this section shall not be required where an entity can demonstrate that it is site impracticable to meet the requirements. Full compliance shall be considered site impracticable only in those rare circumstances when the unique characteristics of terrain prevent the incorporation of accessibility features.

(2) If full compliance with this section would be site impracticable, compliance with this section for any portion of the dwelling shall be required to the extent that it is not site impracticable.

d. In the case of a unit or units which are constructed with an adaptable entrance pursuant to subsection c. of this section, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed. Additionally, the builder of the unit or units shall deposit sufficient funds to adapt 10 percent of the affordable units in the project which have not been constructed with accessible entrances with the municipality in which the units are located, for deposit into the municipal affordable housing trust fund. These funds shall be available for the use of the municipality for the purpose of making the adaptable entrance of any such affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.

For the purposes of this section:
"Adaptable," as used with regard to an entrance, means that the plans for the unit include a feasible building plan to adapt the entrance so as to make the unit accessible.

"Disabled person" means "disabled person" as defined in section 4 of P.L.1985, c.222 (C.52:27D-304).

"Ground floor" means the first floor with a dwelling unit or portion of a dwelling unit, regardless of whether that floor is at grade. A building may have more than one ground floor.

"Site impracticable" means having the characteristic of "site impracticability" as set forth in section 100.205 (a) of title 24, Code of Federal Regulations.

C.52:27D-311b Assurance of adaptability requirements; council measures.

6. The council may take such measures as are necessary to assure compliance with the adaptability requirements imposed pursuant to P.L.2005, c.350 (C.52:27D-311a et al.), including the inspection of those units which are newly constructed and receive housing credit as provided
under P.L.2005, c.350 (C.52:27D-311a et al.) for adaptability, as part of the monitoring which occurs pursuant to P.L.1985, c.222 (C.52:27D-301 et al.). If any units for which credit was granted in accordance with the provisions of P.L.2005, c.350 (C.52:27D-311a et al.) are found not to conform to the requirements of P.L.2005, c.350 (C.52:27D-311a et al.), the council may require the municipality to amend its fair share plan within 90 days of receiving notice from the council, to address its fair share obligation pursuant to P.L.1985, c.222 (C.52:27D-301 et al.). In the event that the municipality fails to amend its fair share plan within 90 days of receiving such notice, the council may revoke substantive certification.

7. This act shall take effect on the first day of the ninth month next following enactment, except that the commissioner may take such immediate action as necessary in order to effectuate the provisions of P.L.2005, c.350 (C.52:27D-311a et al.).

Approved January 12, 2006.

CHAPTER 351

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:10-19.1 Definitions relative to off-site sale of certain motor vehicles.

1. As used in this act:

"Off-site sale" means the display and sale of new or used recreational vehicles by a recreational vehicle dealer, or used motor vehicles registered in New Jersey by a used motor vehicle dealer, licensed under the provisions of R.S.39:10-19, at a location other than the dealer's established place of business. An "off-site sale" includes any off-site display of vehicles at which a recreational vehicle or used motor vehicle dealer has a sales person or employee present. For the purposes of this act, "off-site sale" does not include:

a. An off-site display of vehicles at which a recreational vehicle or used motor vehicle dealer has no sales personnel present; or
b. The sale of a vehicle at an auction at which only wholesale purchases are permitted.

"Sponsoring organization" means:
a. a credit union, automobile club, or other such not for profit organization or entity that makes the opportunity to attend and purchase a motor vehicle at an off-site sale available to its members; or
b. a trade show coordinator, or other such organization, entity, or individual that makes the opportunity to attend and purchase a recreational vehicle at an off-site sale available to ticketed individuals.

2. Notwithstanding any other provision of law to the contrary, a recreational vehicle or used motor vehicle dealer, licensed under the provisions of R.S.39:10-19, may hold an off-site sale provided he is granted a final permit to do so pursuant to section 3 of this act.

C.39:10-19.3 Provisional permit for certain off-site motor vehicle sales; conditions.

3. a. The Chief Administrator of the Motor Vehicle Commission may issue a provisional permit, subject to a fee, for an off-site sale to a licensed recreational vehicle or used motor vehicle dealer, provided:

   (2) A completed application and fee, in an amount determined by the chief administrator, is received by the commission at least 15 days prior to the first day of the sale;
   (3) The applicant is a recreational vehicle or used motor vehicle dealer, licensed under the provisions of R.S.39:10-19, in good standing;
   (4) The sale is not conducted within 1,000 feet of the established place of business of any motor vehicle dealer licensed under the provisions of R.S.39:10-19;
   (5) The display and sale of vehicles is conducted for no more than five consecutive days; and
   (6) The sale is not open to the general public, but limited to members of the sponsoring organization or in the case of the off-site sales of recreational vehicles, only to ticketed individuals.

b. Following the issuance of a provisional permit for an off-site sale, and in the event that the chief administrator determines that neither the dealer, the sponsoring organization, nor the off-site sale location has an unsatisfactory history of violations of Title 39, the chief administrator shall issue a final permit for an off-site sale to the applicant, provided the dealer delivers to the commission, no later than five days prior to the sale:
   (1) A surety bond in the amount of $500,000; or
C.39:10-19.4 Maintenance of booth, desk by dealer at off-site sale premises.

b. Any agreements of sale, offerings, or contracts entered into during the off-site sale shall include, or have attached, the following information, in a clearly identifiable manner:
   (1) The address and telephone number of the established place of business of the recreational vehicle or used motor vehicle dealer conducting the off-site sale; and
   (2) The recreational vehicle or used motor vehicle dealer's license number; and
   (3) A copy of the final permit issued to the recreational vehicle or used motor vehicle dealer authorizing him to conduct the off-site sale.

5. Section 4 of P.L.1999, c.90 (C.2C:33-26) is amended to read as follows:

C.2C:33-26 Sale of motor vehicle on Sunday; exception.

4. A person who engages in the business of buying, selling or exchanging motor vehicles or who opens a place of business and attempts to engage in such conduct on a Sunday commits a disorderly persons offense. The first offense is punishable by a fine not to exceed $100.00 or imprisonment for a period of not more than 10 days or both; the second offense is punishable by a fine not to exceed $500 or imprisonment for a period of not more than 30 days or both; the third or each subsequent offense is punishable by a fine of $750.00 or imprisonment for a period of six months or both. If the person is a licensed dealer in new or used motor vehicles in this State, under the provisions of chapter 10, Title 39 of the Revised Statutes, the person shall also be subject to suspension or revocation of his dealer's license to engage in the business of buying, selling or exchanging in motor vehicles in this State as provided in Title 39, chapter 10, section 10, section 20, for violation of this statute. Nothing contained in this section shall be construed to prohibit a person from accepting a deposit to secure the sale of a recreational vehicle, as defined in section 1 of P.L.1999, c.284 (C.54:4-1.18), at an off-site sale authorized pursuant to section 2 of P.L.2005, c.351 (C.39:10-19.2), on a Sunday.

6. This act shall take effect on the first day of the seventh month after enactment, but the Chief Administrator of the Motor Vehicle Commission
may take such anticipatory acts in advance of that date as may be necessary for the timely implementation of this act.

Approved January 12, 2006.

CHAPTER 352

AN ACT concerning health claims and amending and supplementing various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.178:30-48 Short title.
1. This act shall be known and may be cited as the "Health Claims Authorization, Processing and Payment Act."

C.178:30-49 Findings, declarations relative to processing health claims.
2. The Legislature finds and declares that:
   a. Health care services available under health benefits plans must be promptly provided to covered persons under all circumstances, along with timely reimbursement to hospitals and physicians for their services rendered;
   b. However, confusion still exists among consumers, hospitals, physicians and carriers with respect to time frames for communication of determinations by carriers to deny, reduce or terminate benefits under the provisions of a health benefits plan based upon utilization management decisions;
   c. Since it is the declared public policy of the State that hospital and related health care services be of the highest quality and demonstrated need and be efficiently provided and properly utilized at a reasonable cost, the hospital care and related health care services must be appropriate to the condition of the patient and payment must be for services that were rendered to the patient;
   d. Because it is fair and reasonable for hospitals and physicians to receive reimbursement for health care services delivered to covered persons under their health benefits plans and inefficiencies in any area of the health care delivery system reflect poorly on all aspects of the health care delivery system, and because those inefficiencies can harm the consumers of health care, it is appropriate for the Legislature now to establish uniform procedures and guidelines for hospitals, physicians and health insurance carriers to follow in communicating and following utilization management decisions and determinations on behalf of consumers.
Definitions relative to processing health claims.

"Hospital" means a general acute care facility licensed by the Commissioner of Health and Senior Services pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.), including rehabilitation, psychiatric and long-term acute facilities.

"Medical necessity" or "medically necessary" means or describes a health care service that a health care provider, exercising his prudent clinical judgment, would provide to a covered person for the purpose of evaluating, diagnosing or treating an illness, injury, disease or its symptoms and that is:
in accordance with the generally accepted standards of medical practice; clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the covered person's illness, injury or disease; not primarily for the convenience of the covered person or the health care provider; and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that covered person's illness, injury or disease.

"Network provider" means a participating hospital or physician under contract or other agreement with a carrier to furnish health care services to covered persons.

"Payer" means a carrier which requires that utilization management be performed to authorize the approval of a health care service and includes an organized delivery system that is certified by the Commissioner of Health and Senior Services or licensed by the commissioner pursuant to P.L.1999, c.409 (C.17:48H-1 et seq.).

"Payer's agent" or "agent" means an intermediary contracted or affiliated with the payer to provide authorization for service or perform administrative functions including, but not limited to, the payment of claims or the receipt, processing or transfer of claims or claim information.

"Physician" means a physician licensed pursuant to Title 45 of the Revised Statutes.

"Utilization management" means a system for reviewing the appropriate and efficient allocation of health care services under a health benefits plan according to specified guidelines, in order to recommend or determine whether, or to what extent, a health care service given or proposed to be given to a covered person should or will be reimbursed, covered, paid for, or otherwise provided under the health benefits plan. The system may include, but shall not be limited to: preadmission certification, the application of practice guidelines, continued stay review, discharge planning, preauthorization of ambulatory care procedures and retrospective review.

(3) a description of claims for which the submission of additional documentation or information is required for the adjudication of a claim fitting that description;

(4) the payer's policy or procedure for reducing the payment for a duplicate or subsequent service provided by a health care provider on the same date of service; and

(5) any other information the commissioner deems necessary.

b. Any changes in the information or policies required to be provided pursuant to subsection a. of this section shall be clearly noted on the Internet website.

C.17B:30-52 Response by payer to request for authorization of health care services.

5. a. A payer shall respond to a hospital or physician request for authorization of health care services by either approving or denying the request based on the covered person's health benefits plan. Any denial of a request for authorization or limitation imposed by a payer on a requested service shall be made by a physician under the clinical direction of the medical director who shall be licensed in this State and communicated to the hospital or physician by facsimile, E-mail or any other means of written communication agreed to by the payer and hospital or physician, as follows:

(4) if the payer requires additional information to approve or deny a request for authorization, the payer shall so notify the hospital or physician by facsimile, E-mail or any other means of written communication agreed to by the payer and hospital or physician within the applicable time frame set forth in paragraph (1), (2) or (3) of this subsection and shall identify the specific information needed to approve or deny the request for authorization.

If the payer is unable to approve or deny a request for authorization within the applicable time frame set forth in paragraph (1), (2) or (3) of this subsection because of the need for this additional information, the payer shall have an additional period within which to approve or deny the request, as follows:

(a) in the case of a request for prior authorization for a covered person who will be receiving inpatient hospital services, within a time frame appropriate to the medical exigencies of the case but no later than 15 days beyond the time of receipt by the payer from the hospital or physician of the additional information that the payer has identified as needed to approve or deny the request for authorization;

(b) in the case of a request for authorization for a covered person who is currently receiving inpatient hospital services or care rendered in the emergency department of a hospital, no more than 24 hours beyond the time of receipt by the payer from the hospital or physician of the additional information that the payer has identified as needed to approve or deny the request for authorization;

(c) in the case of a request for authorization for a covered person who will be receiving health care services in another setting, within a time frame appropriate to the medical exigencies of the case but no more than 15 days beyond the time of receipt by the payer from the hospital or physician of the additional information that the payer has identified as needed to approve or deny the request for authorization.

b. Payers and hospitals shall have appropriate staff available between the hours of 9 a.m. and 5 p.m., seven days a week, to respond to authorization requests within the time frames established pursuant to subsection a. of this section.

c. d. If a hospital or physician fails to respond to a payer's request for additional information necessary to render an authorization decision within 72 hours, the hospital or physician's request for authorization shall be deemed withdrawn.
C.17B:30-53 Reimbursement for covered services, conditions.

6. a. When a hospital or physician complies with the provisions set forth in section 5 of P.L.2005, c.352 (C.17B:30-52), no payer, or payer's agent, shall deny reimbursement to a hospital or physician for covered services rendered to a covered person on grounds of medical necessity in the absence of fraud or misrepresentation if the hospital or physician:
   (1) requested authorization from the payer and received approval for the health care services delivered prior to rendering the service;
   (2) requested authorization from the payer for the health care services prior to rendering the services and the payer failed to respond to the hospital or physician within the time frames established pursuant to section 5 of P.L.2005, c.352 (C.17B:30-52); or
   (3) received authorization for the covered service for a patient who is no longer eligible to receive coverage from that payer and it is determined that the patient is covered by another payer, in which case the subsequent payer, based on the subsequent payer's benefits plan, shall accept the authorization and reimburse the hospital or physician.

   b. If the hospital is a network provider of the payer, health care services shall be reimbursed at the contracted rate for the services provided.

   c. No payer, or payer's agent, shall amend a claim by changing the diagnostic code assigned to the services rendered by a hospital or physician without providing written justification.

C.17B:30-54 Reimbursement according to provider contract.

7. A payer, or payer's agent, shall reimburse a hospital or physician according to the provider contract for all medically necessary emergency and urgent care health care services that are covered under the health benefits plan, including all tests necessary to determine the nature of an illness or injury.

8. Section 11 of P.L.1997, c.192 (C.26:2S-11) is amended to read as follows:

C.26:2S-11 Independent Health Care Appeals Program.

11. There is established the Independent Health Care Appeals Program in the department.

   The purpose of the appeals program is to provide an independent medical necessity or appropriateness of services review of final decisions by carriers to deny, reduce or terminate benefits in the event the final decision is contested by the covered person or any health care provider acting on behalf of the covered person but only with the covered person's consent. The
appeal review shall not include any decisions regarding benefits not covered by the covered person's health benefits plan.

a. A covered person or health care provider may apply to the Independent Health Care Appeals Program for a review of a decision to deny, reduce or terminate a benefit if the person or health care provider has already completed the carrier's appeals process, if any, and the person or health care provider contests the final decision by the carrier. The person or health care provider shall apply to the department within 60 days of the date the final decision was issued by the carrier, in a manner determined by the commissioner.

b. As part of the application, the covered person or health care provider shall provide the department with:
   (1) The name and business address of the carrier;
   (2) A brief description of the covered person's medical condition for which benefits were denied, reduced or terminated;
   (3) A copy of any information provided by the carrier regarding its decision to deny, reduce or terminate the benefit; and
   (4) A written consent to obtain any necessary medical records from the carrier and, in the case of a carrier which offers a managed care plan, any other out-of-network physician the person may have consulted on the matter.

c. The covered person shall pay the department an application processing fee of $25, except that the commissioner may reduce or waive the fee in the case of financial hardship. The health care provider acting on the covered person's behalf shall bear all costs associated with the appeal that are normally paid by the covered person.

d. Prior to receiving hospital services, a covered person or a person designated by the covered person may sign a consent form authorizing a health care provider acting on the covered person's behalf to appeal a determination by the carrier to deny, reduce or terminate benefits. The consent is valid for all stages of the carrier's informal and formal appeals process and the Independent Health Care Appeals Program established pursuant to this section. A covered person shall retain the right to revoke his consent at any time.

e. A health care provider shall provide notice to the covered person whenever the health care provider initiates an appeal of a carrier's determination to deny, reduce or terminate a benefit or deny payment for a health care service based on a medical necessity determination made by the carrier. The health care provider shall provide additional notice to the covered person each time the health care provider continues the appeal to the next stage of an appeals process, including any appeal to an independent utilization review organization pursuant to this section.
9. Section 12 of P.L.1997, c.192 (C.26:2S-12) shall be amended to read as follows:

C.26:2S-12 Contract to conduct appeal reviews; procedures.

12. a. The commissioner shall contract with one or more independent utilization review organizations in the State that meet the requirements of this act to conduct the appeal reviews. The independent utilization review organization shall be independent of any carrier. The commissioner may establish additional requirements, including conflict of interest standards, consistent with the purposes of this act that an organization shall meet in order to qualify for participation in the Independent Health Care Appeals Program.

b. The commissioner shall establish procedures for transmitting the completed application for an appeal review to the independent utilization review organization.

c. The independent utilization review organization shall promptly review the pertinent medical records of the covered person to determine the appropriate, medically necessary health care services the person should receive, based on applicable, generally accepted practice guidelines developed by the federal government, national or professional medical societies, boards or associations and any applicable clinical protocols or practice guidelines developed by the carrier. The organization shall complete its review and make its determination within 90 days of receipt of a completed application for an appeal review or within less time, as prescribed by the commissioner.

Upon completion of the review, the organization shall state its findings in writing and make a determination of whether the carrier's denial, reduction or termination of benefits deprived the covered person of medically necessary services covered by the person's health benefits plan. If the organization determines that the denial, reduction or termination of benefits deprived the person of medically necessary covered services, it shall convey to the covered person or the health care provider acting on behalf of the covered person and carrier its decision regarding the appropriate, medically necessary health care services that the person should receive, which shall be binding on the carrier. If all or part of the organization's decision is in favor of the covered person, the carrier shall promptly provide coverage for the health care services found by the organization to be medically necessary covered services. If the covered person is not in agreement with the organization's decision, the person may seek the desired health care services outside of his health benefits plan, at his own expense.

d. If the commissioner determines that a carrier has failed to comply with the decision of an independent utilization review organization or is
otherwise in violation of patient rights and other applicable regulations, the commissioner may impose such penalties and sanctions on the carrier, as provided by regulation, as the commissioner deems appropriate.

e. The commissioner shall require the independent utilization review organization to establish procedures to provide for an expedited review of a carrier's denial, reduction or termination of a benefit decision when a delay in receipt of the service could seriously jeopardize the health or well-being of the covered person.

f. The covered person's medical records provided to the Independent Health Care Appeals Program and the independent utilization review organization and the findings and recommendations of the organization made pursuant to this act are confidential and shall be used only by the department, the organization and the affected carrier for the purposes of this act. The medical records and findings and recommendations shall not otherwise be divulged or made public so as to disclose the identity of any person to whom they relate, and shall not be included under materials available to public inspection pursuant to P.L. 1963, c.73 (C.47:1A-1 et seq.).

g. The commissioner shall establish a reasonable, per case reimbursement schedule for the independent utilization review organization.

h. The cost of the appeal review shall be borne by the carrier pursuant to a schedule of fees established by the commissioner.

10. Section 2 of P.L.1999, c.154 (C.17:48-8.4) is amended to read as follows:

C.17:48-8.4 Hospital service corporation to receive, transmit transactions electronically; standards.

2. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a hospital service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for implementation will result in an undue hardship to a hospital service corporation, or its agent, its subsidiary or its covered persons.
b. Within 12 months of the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a hospital service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator shall use the standard health care enrollment and claim forms in connection with all group and individual contracts issued, delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a hospital service corporation or its agent shall require that health care providers file all claims for payment for health care services. A covered person who receives health care services shall not be required to submit a claim for payment, but notwithstanding the provisions of this subsection to the contrary, a covered person shall be permitted to submit a claim on his own behalf, at the covered person's option. All claims shall be filed using the standard health care claim form applicable to the contract.

d. For the purposes of this subsection, "substantiating documentation" means any information specific to the particular health care service provided to a covered person.

   (1) Effective 180 days after the effective date of P.L.1999, c.154, a hospital service corporation or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

   (a) the health care provider is eligible at the date of service;
   (b) the person who received the health care service was covered on the date of service;
   (c) the claim is for a service or supply covered under the health benefits plan;
   (d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L.2005, c.352 (C.17B:30-51); and
   (e) the payer has no reason to believe that the claim has been submitted fraudulently.

   (2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
(a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;
(b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;
(c) the payer disputes the amount claimed; or
(d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,
the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:
(i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;
(ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;
(iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or
(iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.
(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.
(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.
(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care provider for an overdue claim shall be credited to any civil penalty for late
payment of the claim levied by the Department of Human Services against a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or submitted by health care providers that have a pattern of inappropriate billing or claims that were subject to coordination of benefits, no payer shall seek reimbursement for overpayment of a claim previously paid pursuant to this section later than 18 months after the date the first payment on the claim was made. No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;
(ii) the funds for the reimbursement if the health care provider disputes the request and initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider’s rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the reimbursement request to the health care provider or after the health care
provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A hospital service corporation or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount of money in dispute, if applicable, with accrued interest at the rate of 12%
per annum, on or before the 30th calendar day following the notification of the payer's determination on the appeal. Interest shall begin to accrue on the day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the payer shall notify the health care provider of its findings on or before the 30th calendar day following the receipt of the appeal form and shall include in the notification written instructions for referring the dispute to arbitration as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and Insurance the number of appeals it has received and the resolution of each appeal.

(2) Any dispute regarding the determination of an internal appeal conducted pursuant to paragraph (1) of this subsection may be referred to arbitration as provided in this paragraph. The Commissioner of Banking and Insurance shall contract with a nationally recognized, independent organization that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th calendar day following the receipt of the determination which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance. No dispute shall be accepted for arbitration unless the payment amount in dispute is $1,000 or more, except that a health care provider may aggregate his own disputed claim amounts for the purposes of meeting the threshold requirements of this subsection. No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to the rules of the arbitration entity, including rules of discovery subject to confidentiality requirements established by State or federal law.

(4) An arbitrator’s determination shall be:
   (a) signed by the arbitrator;
   (b) issued in writing, in a form prescribed by the Commissioner of Banking and Insurance, including a statement of the issues in dispute and the findings and conclusions on which the determination is based; and
   (c) issued on or before the 30th calendar day following the receipt of the required documentation.

The arbitration shall be nonappealable and binding on all parties to the dispute.

(5) If the arbitrator determines that a payer has withheld or denied payment in violation of the provisions of this section, the arbitrator shall order the payer to make payment of the claim, together with accrued interest, on or before the 10th business day following the issuance of the determina-
tion. If the arbitrator determines that a payer has withheld or denied payment on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured hospital service corporation contract for which the financial obligation for the payment of a claim under the contract rests upon the hospital service corporation.

g. Any person found in violation of this section with a pattern and practice as determined by the Commissioner of Banking and Insurance shall be liable to a civil penalty as set forth in section 17 of P.L.2005, c.352 (C.17B:30-55).

11. Section 3 of P.L.1999, c.154 (C.17:48A-7.12) is amended to read as follows:

C.17:48A-7.12 Medical service corporation to receive, transmit transactions electronically; standards.

3. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a medical service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for implementation will result in an undue hardship to a medical service corporation, or its agent, its subsidiary or its covered persons.
b. Within 12 months of the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L. 1999, c.154 (C.17B:30-23), a medical service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator shall use the standard health care enrollment and claim forms in connection with all group and individual contracts issued, delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L. 1999, c.154 (C.17B:30-23), a medical service corporation or its agent shall require that health care providers file all claims for payment for health care services. A covered person who receives health care services shall not be required to submit a claim for payment, but notwithstanding the provisions of this subsection to the contrary, a covered person shall be permitted to submit a claim on his own behalf, at the covered person's option. All claims shall be filed using the standard health care claim form applicable to the contract.

d. For the purposes of this subsection, "substantiating documentation" means any information specific to the particular health care service provided to a covered person.

(1) Effective 180 days after the effective date of P.L. 1999, c.154, a medical service corporation or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. 1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

(a) the health care provider is eligible at the date of service;

(b) the person who received the health care service was covered on the date of service;

(c) the claim is for a service or supply covered under the health benefits plan;

(d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L. 2005, c.352 (C.17B:30-51); and

(e) the payer has no reason to believe that the claim has been submitted fraudulently.

(2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
(a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;

(b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;

(c) the payer disputes the amount claimed; or

(d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,

the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:

(i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;

(ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;

(iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or

(iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.

(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.

(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.

(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care provider for an overdue claim shall be credited to any civil penalty for late
payment of the claim levied by the Department of Human Services against
a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or
submitted by health care providers that have a pattern of inappropriate
billing or claims that were subject to coordination of benefits, no payer shall
seek reimbursement for overpayment of a claim previously paid pursuant
to this section later than 18 months after the date the first payment on the
claim was made. No payer shall seek more than one reimbursement for
overpayment of a particular claim. At the time the reimbursement request
is submitted to the health care provider, the payer shall provide written
documentation that identifies the error made by the payer in the processing
or payment of the claim that justifies the reimbursement request. No payer
shall base a reimbursement request for a particular claim on extrapolation
of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health
care provider have been improperly altered or reconstructed, or a material
number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider
and the payer has investigated the claim in accordance with its fraud preven­tion
plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15),
and referred the claim, together with supporting documentation, to the Office
of the Insurance Fraud Prosecutor in the Department of Law and Public

(11) (a) In seeking reimbursement for the overpayment from the health
care provider, except as provided for in subparagraph (b) of this paragraph,
no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day
following the submission of the reimbursement request to the health care
provider;
(ii) the funds for the reimbursement if the health care provider disputes
the request and initiates an appeal on or before the 45th calendar day follow­
ing the submission of the reimbursement request to the health care provider
and until the health care provider's rights to appeal set forth under paragraphs
(1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but
not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by
assessing them against payment of any future claims submitted by the health
care provider after the 45th calendar day following the submission of the
reimbursement request to the health care provider or after the health care
provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A medical service corporation or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount of money in dispute, if applicable, with accrued interest at the rate of 12%
per annum, on or before the 30th calendar day following the notification of the payer's determination on the appeal. Interest shall begin to accrue on the day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the payer shall notify the health care provider of its findings on or before the 30th calendar day following the receipt of the appeal form and shall include in the notification written instructions for referring the dispute to arbitration as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and Insurance the number of appeals it has received and the resolution of each appeal.

(2) Any dispute regarding the determination of an internal appeal conducted pursuant to paragraph (1) of this subsection may be referred to arbitration as provided in this paragraph. The Commissioner of Banking and Insurance shall contract with a nationally recognized, independent organization that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th calendar day following the receipt of the determination which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance. No dispute shall be accepted for arbitration unless the payment amount in dispute is $1,000 or more, except that a health care provider may aggregate his own disputed claim amounts for the purposes of meeting the threshold requirements of this subsection. No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:28-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to the rules of the arbitration entity, including rules of discovery subject to confidentiality requirements established by State or federal law.

(4) An arbitrator's determination shall be:

(a) signed by the arbitrator;

(b) issued in writing, in a form prescribed by the Commissioner of Banking and Insurance, including a statement of the issues in dispute and the findings and conclusions on which the determination is based; and

(c) issued on or before the 30th calendar day following the receipt of the required documentation.

The arbitration shall be nonappealable and binding on all parties to the dispute.

(5) If the arbitrator determines that a payer has withheld or denied payment in violation of the provisions of this section, the arbitrator shall order the payer to make payment of the claim, together with accrued interest, on or before the 10th business day following the issuance of the determina-
tion. If the arbitrator determines that a payer has withheld or denied payment on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured medical service corporation contract for which the financial obligation for the payment of a claim under the contract rests upon the medical service corporation.

g. Any person found in violation of this section with a pattern and practice as determined by the Commissioner of Banking and Insurance shall be liable to a civil penalty as set forth in section 17 of P.L.2005, c.352 (C.17B:30-55).

12. Section 4 of P.L.1999, c.154 (C.17:48E-10.1) is amended to read as follows:

C.17:48E-10.1 Health service corporation to receive, transmit transactions electronically; standards.

4. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a health service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for implementation will result in an undue hardship to a health service corporation, or its agent, its subsidiary or its covered persons.
b. Within 12 months of the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a health service corporation or its agent or a subsidiary that processes health care benefits claims as a third party administrator shall use the standard health care enrollment and claim forms in connection with all group and individual contracts issued, delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a health service corporation or its agent shall require that health care providers file all claims for payment for health care services. A covered person who receives health care services shall not be required to submit a claim for payment, but notwithstanding the provisions of this subsection to the contrary, a covered person shall be permitted to submit a claim on his own behalf, at the covered person’s option. All claims shall be filed using the standard health care claim form applicable to the contract.

d. For the purposes of this subsection, “substantiating documentation” means any information specific to the particular health care service provided to a covered person.

(1) Effective 180 days after the effective date of P.L.1999, c.154, a health service corporation or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

(a) the health care provider is eligible at the date of service;
(b) the person who received the health care service was covered on the date of service;
(c) the claim is for a service or supply covered under the health benefits plan;
(d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L.2005, c.352 (C.17B:30-51) ; and
(e) the payer has no reason to believe that the claim has been submitted fraudulently.

(2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
(a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;

(b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;

(c) the payer disputes the amount claimed; or

(d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,

the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:

(i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;

(ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;

(iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or

(iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L. 1993, c. 362 (C. 17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L. 1998, c. 21 (C. 17:33A-16).

(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.

(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.

(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.

(6) If a payer subject to the provisions of P.L. 1983, c. 320 (C. 17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L. 1993, c. 362 (C. 17:33A-15), or refer the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L. 1998, c. 21 (C. 17:33A-16).
(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care provider for an overdue claim shall be credited to any civil penalty for late
payment of the claim levied by the Department of Human Services against a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or submitted by health care providers that have a pattern of inappropriate billing or claims that were subject to coordination of benefits, no payer shall seek reimbursement for overpayment of a claim previously paid pursuant to this section later than 18 months after the date the first payment on the claim was made. No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;
(ii) the funds for the reimbursement if the health care provider disputes the request and initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the reimbursement request to the health care provider or after the health care
provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A health service corporation or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.178:30-51 through C.178:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount of money in dispute, if applicable, with accrued interest at the rate of 12%
per annum, on or before the 30th calendar day following the notification of
the payer’s determination on the appeal. Interest shall begin to accrue on the
day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the
payer shall notify the health care provider of its findings on or before the
30th calendar day following the receipt of the appeal form and shall include
in the notification written instructions for referring the dispute to arbitration
as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and
Insurance the number of appeals it has received and the resolution of each
appeal.

(2) Any dispute regarding the determination of an internal appeal
conducted pursuant to paragraph (1) of this subsection may be referred to
arbitration as provided in this paragraph. The Commissioner of Banking and
Insurance shall contract with a nationally recognized, independent organiza-
tion that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th
calendar day following the receipt of the determination which is the basis of
the appeal, on a form prescribed by the Commissioner of Banking and
Insurance. No dispute shall be accepted for arbitration unless the payment
amount in dispute is $1,000 or more, except that a health care provider may
aggregate his own disputed claim amounts for the purposes of meeting the
threshold requirements of this subsection. No dispute pertaining to medical
necessity which is eligible to be submitted to the Independent Health Care
Appeals Program established pursuant to section 11 of P.L.1997, c.192
(C.26:2S-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to
the rules of the arbitration entity, including rules of discovery subject to
confidentiality requirements established by State or federal law.

(4) An arbitrator’s determination shall be:

(a) signed by the arbitrator;
(b) issued in writing, in a form prescribed by the Commissioner of
Banking and Insurance, including a statement of the issues in dispute and the
findings and conclusions on which the determination is based; and
(c) issued on or before the 30th calendar day following the receipt of the
required documentation.

The arbitration shall be nonappealable and binding on all parties to the
dispute.

(5) If the arbitrator determines that a payer has withheld or denied
payment in violation of the provisions of this section, the arbitrator shall
order the payer to make payment of the claim, together with accrued interest,
on or before the 10th business day following the issuance of the determina-
tion. If the arbitrator determines that a payer has withheld or denied payment on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured health service corporation contract for which the financial obligation for the payment of a claim under the contract rests upon the health service corporation.

g. Any person found in violation of this section with a pattern and practice as determined by the Commissioner of Banking and Insurance shall be liable to a civil penalty as set forth in section 17 of P.L.2005, c.352 (C.17B:30-55).

13. Section 5 of P.L.1999, c.154 (C.17B:26-9.1) is amended to read as follows:

C.17B:26-9.1 Health insurer to receive, transmit transactions relative to individual policies electronically; standards.

5. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a health insurer or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for implementation will result in an undue hardship to a health insurer, or its agent, its subsidiary or its covered persons.
b. Within 12 months of the adoption of regulations establishing stan-
dard health care enrollment and claim forms by the Commissioner of Bank-
ing and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23),
a health insurer or its agent or a subsidiary that processes health care benefits
claims as a third party administrator shall use the standard health care enroll-
ment and claim forms in connection with all individual policies issued,
delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing stan-
dard health care enrollment and claim forms by the Commissioner of Bank-
ing and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23),
a health insurer or its agent shall require that health care providers file all
claims for payment for health care services. A covered person who receives
health care services shall not be required to submit a claim for payment, but
notwithstanding the provisions of this subsection to the contrary, a covered
person shall be permitted to submit a claim on his own behalf, at the covered
person's option. All claims shall be filed using the standard health care claim
form applicable to the policy.

d. For the purposes of this subsection, "substantiating documentation"
means any information specific to the particular health care service provided
to a covered person.

(1) Effective 180 days after the effective date of P.L.1999, c.154, a
health insurer or its agent, hereinafter the payer, shall remit payment for
every insured claim submitted by a covered person or health care provider,
no later than the 30th calendar day following receipt of the claim by the
payer or no later than the time limit established for the payment of claims
in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever
is earlier, if the claim is submitted by electronic means, and no later than the
40th calendar day following receipt if the claim is submitted by other than
electronic means, if:

(a) the health care provider is eligible at the date of service;
(b) the person who received the health care service was covered on the
date of service;
(c) the claim is for a service or supply covered under the health benefits
plan;
(d) the claim is submitted with all the information requested by the payer
on the claim form or in other instructions that were distributed in advance
to the health care provider or covered person in accordance with the provi-
sions of section 4 of P.L.2005, c.352 (C.17B:30-51); and
(e) the payer has no reason to believe that the claim has been submitted
fraudulently.

(2) If all or a portion of the claim is not paid within the time frames
provided in paragraph (1) of this subsection because:
(a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;
(b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;
(c) the payer disputes the amount claimed; or
(d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,
the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:
(i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;
(ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;
(iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or
(iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.
(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.
(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.
(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care provider for an overdue claim shall be credited to any civil penalty for late
payment of the claim levied by the Department of Human Services against a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or submitted by health care providers that have a pattern of inappropriate billing or claims that were subject to coordination of benefits, no payer shall seek reimbursement for overpayment of a claim previously paid pursuant to this section later than 18 months after the date the first payment on the claim was made. No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;

(b) in administrative proceedings;

(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or

(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;

(ii) the funds for the reimbursement if the health care provider disputes the request and initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or

(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the reimbursement request to the health care provider or after the health care
provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A health insurer or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount of money in dispute, if applicable, with accrued interest at the rate of 12% per annum, on or before the 30th calendar day following the notification of
the payer's determination on the appeal. Interest shall begin to accrue on the
day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the
payer shall notify the health care provider of its findings on or before the
30th calendar day following the receipt of the appeal form and shall include
in the notification written instructions for referring the dispute to arbitration
as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and
insurance the number of appeals it has received and the resolution of each
appeal.

(2) Any dispute regarding the determination of an internal appeal
conducted pursuant to paragraph (1) of this subsection may be referred to
arbitration as provided in this paragraph. The Commissioner of Banking and
Insurance shall contract with a nationally recognized, independent organiza­
tion that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th
calendar day following the receipt of the determination which is the basis of
the appeal, on a form prescribed by the Commissioner of Banking and
Insurance. No dispute shall be accepted for arbitration unless the payment
amount in dispute is $1,000 or more, except that a health care provider may
aggregate his own disputed claim amounts for the purposes of meeting the
threshold requirements of this subsection. No dispute pertaining to medical
necessity which is eligible to be submitted to the Independent Health Care
Appeals Program established pursuant to section 11 of P.L.1997, c.192
(C.26:2S-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to
the rules of the arbitration entity, including rules of discovery subject to
confidentiality requirements established by State or federal law.

(4) An arbitrator's determination shall be:

(a) signed by the arbitrator;

(b) issued in writing, in a form prescribed by the Commissioner of
Banking and Insurance, including a statement of the issues in dispute and the
findings and conclusions on which the determination is
based; and

(c) issued on or before the 30th calendar day following the receipt of the
required documentation.

The arbitration shall be nonappealable and binding on all parties to the
dispute.

(5) If the arbitrator determines that a payer has withheld or denied
payment in violation of the provisions of this section, the arbitrator shall
order the payer to make payment of the claim, together with accrued interest,
on or before the 10th business day following the issuance of the determina­
tion. If the arbitrator determines that a payer has withheld or denied payment
on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured policy for which the financial obligation for the payment of a claim under the policy rests upon the health insurer.

g. Any person found in violation of this section with a pattern and practice as determined by the Commissioner of Banking and Insurance shall be liable to a civil penalty as set forth in section 17 of P.L.2005, c.352 (C.17B:30-55).

14. Section 6 of P.L.1999, c.154 (C.17B:27-44.2) is amended to read as follows:

C.17B:27-44.2 Health insurer to receive, transmit transactions relative to group policies electronically; standards.

6. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a health insurer or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for implementation will result in an undue hardship to a health insurer, or its agent, its subsidiary or its covered persons.
b. Within 12 months of the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L. 1999, c.154 (C.17B:30-23), a health insurer or its agent or a subsidiary that processes health care benefits claims as a third party administrator shall use the standard health care enrollment and claim forms in connection with all group policies issued, delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L. 1999, c.154 (C.17B:30-23), a health insurer or its agent shall require that health care providers file all claims for payment for health care services. A covered person who receives health care services shall not be required to submit a claim for payment, but notwithstanding the provisions of this subsection to the contrary, a covered person shall be permitted to submit a claim on his own behalf, at the covered person's option. All claims shall be filed using the standard health care claim form applicable to the policy.

d. For the purposes of this subsection, "substantiating documentation" means any information specific to the particular health care service provided to a covered person.

(1) Effective 180 days after the effective date of P.L. 1999, c.154, a health insurer or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

(a) the health care provider is eligible at the date of service;

(b) the person who received the health care service was covered on the date of service;

(c) the claim is for a service or supply covered under the health benefits plan;

(d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L. 2005, c.352 (C.17B:30-51); and

(e) the payer has no reason to believe that the claim has been submitted fraudulently.

(2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
(a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;
(b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;
(c) the payer disputes the amount claimed; or
(d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,

the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:
(i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;
(ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;
(iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or
(iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud, in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.

(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.

(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.

(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care provider for an overdue claim shall be credited to any civil penalty for late

No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;
(ii) the funds for the reimbursement if the health care provider disputes the request and initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the reimbursement request to the health care provider or after the health care
provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A health insurer or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount of money in dispute, if applicable, with accrued interest at the rate of 12% per annum, on or before the 30th calendar day following the notification of
the payer's determination on the appeal. Interest shall begin to accrue on the day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the payer shall notify the health care provider of its findings on or before the 30th calendar day following the receipt of the appeal form and shall include in the notification written instructions for referring the dispute to arbitration as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and Insurance the number of appeals it has received and the resolution of each appeal.

(2) Any dispute regarding the determination of an internal appeal conducted pursuant to paragraph (1) of this subsection may be referred to arbitration as provided in this paragraph. The Commissioner of Banking and Insurance shall contract with a nationally recognized, independent organization that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th calendar day following the receipt of the determination which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance. No dispute shall be accepted for arbitration unless the payment amount in dispute is $1,000 or more, except that a health care provider may aggregate his own disputed claim amounts for the purposes of meeting the threshold requirements of this subsection. No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:28-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to the rules of the arbitration entity, including rules of discovery subject to confidentiality requirements established by State or federal law.

(4) An arbitrator's determination shall be:

(a) signed by the arbitrator;

(b) issued in writing, in a form prescribed by the Commissioner of Banking and Insurance, including a statement of the issues in dispute and the findings and conclusions on which the determination is based; and

(c) issued on or before the 30th calendar day following the receipt of the required documentation.

The arbitration shall be nonappealable and binding on all parties to the dispute.

(5) If the arbitrator determines that a payer has withheld or denied payment in violation of the provisions of this section, the arbitrator shall order the payer to make payment of the claim, together with accrued interest, on or before the 10th business day following the issuance of the determination. If the arbitrator determines that a payer has withheld or denied payment
on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

All claims shall be filed using the standard health care claim form applicable to the contract.

d. For the purposes of this subsection, "substantiating documentation" means any information specific to the particular health care service provided to a covered person.

(1) Effective 180 days after the effective date of P.L.1999, c.154, a health maintenance organization or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

(a) the health care provider is eligible at the date of service;
(b) the person who received the health care service was covered on the date of service;
(c) the claim is for a service or supply covered under the health benefits plan;
(d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L.2005, c.352 (C.17B:30-51); and
(e) the payer has no reason to believe that the claim has been submitted fraudulently.
(2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
   (a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;
   (b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;
   (c) the payer disputes the amount claimed; or
   (d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,
      the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:
      (i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;
      (ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;
      (iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or
      (iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).
(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.
(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.
(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.
(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the
Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L. 1998, c.21 (C. 17:33A-16).

(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care
provider for an overdue claim shall be credited to any civil penalty for late payment of the claim levied by the Department of Human Services against a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or submitted by health care providers that have a pattern of inappropriate billing or claims that were subject to coordination of benefits, no payer shall seek reimbursement for overpayment of a claim previously paid pursuant to this section later than 18 months after the date the first payment on the claim was made. No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;
(ii) the funds for the reimbursement if the health care provider initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the
reimbursement request to the health care provider or after the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A health maintenance organization or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount
of money in dispute, if applicable, with accrued interest at the rate of 12%
per annum, on or before the 30th calendar day following the notification of
the payer's determination on the appeal. Interest shall begin to accrue on the
day the appeal was received by the payer.
If the payer issues a determination against the health care provider, the
payer shall notify the health care provider of its findings on or before the
30th calendar day following the receipt of the appeal form and shall include
in the notification written instructions for referring the dispute to arbitration
as provided by paragraph (2) of this subsection.
The payer shall report annually to the Commissioner of Banking and
Insurance the number of appeals it has received and the resolution of each
appeal.
(2) Any dispute regarding the determination of an internal appeal
conducted pursuant to paragraph (1) of this subsection may be referred to
arbitration as provided in this paragraph. The Commissioner of Banking and
Insurance shall contract with a nationally recognized, independent organiza­
tion that specializes in arbitration to conduct the arbitration proceedings.
Any party may initiate an arbitration proceeding on or before the 90th
calendar day following the receipt of the determination which is the basis of
the appeal, on a form prescribed by the Commissioner of Banking and
Insurance. No dispute shall be accepted for arbitration unless the payment
amount in dispute is $1,000 or more, except that a health care provider may
aggregate his own disputed claim amounts for the purposes of meeting the
threshold requirements of this subsection. No dispute pertaining to medical
necessity which is eligible to be submitted to the Independent Health Care
Appeals Program established pursuant to section 11 of P.L.1997, c.192
(C.26:2S-11) shall be the subject of arbitration pursuant to this subsection.
(3) The arbitrator shall conduct the arbitration proceedings pursuant to
the rules of the arbitration entity, including rules of discovery subject to
confidentiality requirements established by State or federal law.
(4) An arbitrator's determination shall be:
(a) signed by the arbitrator;
(b) issued in writing, in a form prescribed by the Commissioner of
Banking and Insurance, including a statement of the issues in dispute and the
findings and conclusions on which the determination is based; and
(c) issued on or before the 30th calendar day following the receipt of the
required documentation.
The arbitration shall be nonappealable and binding on all parties to the
dispute.
(5) If the arbitrator determines that a payer has withheld or denied
payment in violation of the provisions of this section, the arbitrator shall
order the payer to make payment of the claim, together with accrued interest,
on or before the 10th business day following the issuance of the determination. If the arbitrator determines that a payer has withheld or denied payment on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured health maintenance organization contract for which the financial obligation for the payment of a claim under the health maintenance organization coverage for health care services rests upon the health maintenance organization.

g. Any person found in violation of this section with a pattern and practice as determined by the Commissioner of Banking and Insurance shall be liable to a civil penalty as set forth in section 17 of P.L.2005, c.352 (C.17B:30-55).

16. Section 10 of P.L.1999, c.154 (C.17:48F-13.1) is amended to read as follows:

C.17:48F-13.1 Prepaid prescription service organization to receive, transmit transactions electronically; standards.

10. a. Within 180 days of the adoption of a timetable for implementation pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a prepaid prescription service organization or its agent or a subsidiary that processes health care benefits claims as a third party administrator, shall demonstrate to the satisfaction of the Commissioner of Banking and Insurance that it will adopt and implement all of the standards to receive and transmit health care transactions electronically, according to the corresponding timetable, and otherwise comply with the provisions of this section, as a condition of its continued authorization to do business in this State.

The Commissioner of Banking and Insurance may grant extensions or waivers of the implementation requirement when it has been demonstrated to the commissioner's satisfaction that compliance with the timetable for
implementation will result in an undue hardship to a prepaid prescription service organization, or its agent, its subsidiary or its covered enrollees.

b. Within 12 months of the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a prepaid prescription service organization or its agent will use the standard health care enrollment and claim forms in connection with all contracts issued, delivered, executed or renewed in this State.

c. Twelve months after the adoption of regulations establishing standard health care enrollment and claim forms by the Commissioner of Banking and Insurance pursuant to section 1 of P.L.1999, c.154 (C.17B:30-23), a prepaid prescription service organization or its agent shall require that health care providers file all claims for payment for health care services. A covered person who receives health care services shall not be required to submit a claim for payment, but notwithstanding the provisions of this subsection to the contrary, a covered person shall be permitted to submit a claim on his own behalf, at the covered person's option. All claims shall be filed using the standard health care claim form applicable to the contract.

d. For the purposes of this subsection, "substantiating documentation" means any information specific to the particular health care service provided to a covered person.

(1) Effective 180 days after the effective date of P.L.1999, c.154, a prepaid prescription service organization or its agent, hereinafter the payer, shall remit payment for every insured claim submitted by a covered person or health care provider, no later than the 30th calendar day following receipt of the claim by the payer or no later than the time limit established for the payment of claims in the Medicare program pursuant to 42 U.S.C. s.1395u(c)(2)(B), whichever is earlier, if the claim is submitted by electronic means, and no later than the 40th calendar day following receipt if the claim is submitted by other than electronic means, if:

(a) the health care provider is eligible at the date of service;
(b) the person who received the health care service was covered on the date of service;
(c) the claim is for a service or supply covered under the health benefits plan;
(d) the claim is submitted with all the information requested by the payer on the claim form or in other instructions that were distributed in advance to the health care provider or covered person in accordance with the provisions of section 4 of P.L.2005, c.352 (C.17B:30-51); and
(e) the payer has no reason to believe that the claim has been submitted fraudulently.
(2) If all or a portion of the claim is not paid within the time frames provided in paragraph (1) of this subsection because:
   (a) the claim submission is incomplete because the required substantiating documentation has not been submitted to the payer;
   (b) the diagnosis coding, procedure coding, or any other required information to be submitted with the claim is incorrect;
   (c) the payer disputes the amount claimed; or
   (d) there is strong evidence of fraud by the provider and the payer has initiated an investigation into the suspected fraud,
the payer shall notify the health care provider, by electronic means and the covered person in writing within 30 days of receiving an electronic claim, or notify the covered person and health care provider in writing within 40 days of receiving a claim submitted by other than electronic means, that:
   (i) the claim is incomplete with a statement as to what substantiating documentation is required for adjudication of the claim;
   (ii) the claim contains incorrect information with a statement as to what information must be corrected for adjudication of the claim;
   (iii) the payer disputes the amount claimed in whole or in part with a statement as to the basis of that dispute; or
   (iv) the payer finds there is strong evidence of fraud and has initiated an investigation into the suspected fraud in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(3) If all or a portion of an electronically submitted claim cannot be adjudicated because the diagnosis coding, procedure coding or any other data required to be submitted with the claim was missing, the payer shall electronically notify the health care provider or its agent within seven days of that determination and request any information required to complete adjudication of the claim.

(4) Any portion of a claim that meets the criteria established in paragraph (1) of this subsection shall be paid by the payer in accordance with the time limit established in paragraph (1) of this subsection.

(5) A payer shall acknowledge receipt of a claim submitted by electronic means from a health care provider, no later than two working days following receipt of the transmission of the claim.

(6) If a payer subject to the provisions of P.L.1983, c.320 (C.17:33A-1 et seq.) has reason to believe that a claim has been submitted fraudulently, it shall investigate the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L.1993, c.362 (C.17:33A-15), or refer the claim, together with supporting documentation, to the Office of the
Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L.1998, c.21 (C.17:33A-16).

(7) Payment of an eligible claim pursuant to paragraphs (1) and (4) of this subsection shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means and on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

If payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of paragraph (2) or paragraph (3) of this subsection, the claims payment shall be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, for claims submitted by electronic means and the 40th calendar day for claims submitted by other than electronic means, following receipt by the payer of the required documentation or information or modification of an initial submission.

If payment is withheld on all or a portion of a claim by a payer pursuant to paragraph (2) or (3) of this subsection and the provider is not notified within the time frames provided for in those paragraphs, the claim shall be deemed to be overdue.

(8) (a) No payer that has reserved the right to change the premium shall deny payment on all or a portion of a claim because the payer requests documentation or information that is not specific to the health care service provided to the covered person.

(b) No payer shall deny payment on all or a portion of a claim while seeking coordination of benefits information unless good cause exists for the payer to believe that other insurance is available to the covered person. Good cause shall exist only if the payer's records indicate that other coverage exists. Routine requests to determine whether coordination of benefits exists shall not be considered good cause.

(c) In the event payment is withheld on all or a portion of a claim by a payer pursuant to subparagraph (a) or (b) of this paragraph, the claims payment shall be deemed to be overdue if not remitted to the claimant or his agent by the payer on or before the 30th calendar day or the time limit established by the Medicare program, whichever is earlier, following receipt by the payer of a claim submitted by electronic means or on or before the 40th calendar day following receipt of a claim submitted by other than electronic means.

(9) An overdue payment shall bear simple interest at the rate of 12% per annum. The interest shall be paid to the health care provider at the time the overdue payment is made. The amount of interest paid to a health care
provider for an overdue claim shall be credited to any civil penalty for late payment of the claim levied by the Department of Human Services against a payer that does not reserve the right to change the premium.

(10) With the exception of claims that were submitted fraudulently or submitted by health care providers that have a pattern of inappropriate billing or claims that were subject to coordination of benefits, no payer shall seek reimbursement for overpayment of a claim previously paid pursuant to this section later than 18 months after the date the first payment on the claim was made. No payer shall seek more than one reimbursement for overpayment of a particular claim. At the time the reimbursement request is submitted to the health care provider, the payer shall provide written documentation that identifies the error made by the payer in the processing or payment of the claim that justifies the reimbursement request. No payer shall base a reimbursement request for a particular claim on extrapolation of other claims, except under the following circumstances:

(a) in judicial or quasi-judicial proceedings, including arbitration;
(b) in administrative proceedings;
(c) in which relevant records required to be maintained by the health care provider have been improperly altered or reconstructed, or a material number of the relevant records are otherwise unavailable; or
(d) in which there is clear evidence of fraud by the health care provider and the payer has investigated the claim in accordance with its fraud prevention plan established pursuant to section 1 of P.L. 1993, c. 362 (C. 17:33A-15), and referred the claim, together with supporting documentation, to the Office of the Insurance Fraud Prosecutor in the Department of Law and Public Safety established pursuant to section 32 of P.L. 1998, c. 21 (C. 17:33A-16).

(11) (a) In seeking reimbursement for the overpayment from the health care provider, except as provided for in subparagraph (b) of this paragraph, no payer shall collect or attempt to collect:

(i) the funds for the reimbursement on or before the 45th calendar day following the submission of the reimbursement request to the health care provider;
(ii) the funds for the reimbursement if the health care provider disputes the request and initiates an appeal on or before the 45th calendar day following the submission of the reimbursement request to the health care provider and until the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section are exhausted; or
(iii) a monetary penalty against the reimbursement request, including but not limited to, an interest charge or a late fee.

The payer may collect the funds for the reimbursement request by assessing them against payment of any future claims submitted by the health care provider after the 45th calendar day following the submission of the
reimbursement request to the health care provider or after the health care provider's rights to appeal set forth under paragraphs (1) and (2) of subsection e. of this section have been exhausted if the payer submits an explanation in writing to the provider in sufficient detail so that the provider can reconcile each covered person's bill.

(b) If a payer has determined that the overpayment to the health care provider is a result of fraud committed by the health care provider and the payer has conducted its investigation and reported the fraud to the Office of the Insurance Fraud Prosecutor as required by law, the payer may collect an overpayment by assessing it against payment of any future claim submitted by the health care provider.

(12) No health care provider shall seek reimbursement from a payer or covered person for underpayment of a claim submitted pursuant to this section later than 18 months from the date the first payment on the claim was made, except if the claim is the subject of an appeal submitted pursuant to subsection e. of this section or the claim is subject to continual claims submission. No health care provider shall seek more than one reimbursement for underpayment of a particular claim.

e. (1) A prepaid prescription service organization or its agent, hereinafter the payer, shall establish an internal appeal mechanism to resolve any dispute raised by a health care provider regardless of whether the health care provider is under contract with the payer regarding compliance with the requirements of this section or compliance with the requirements of sections 4 through 7 of P.L.2005, c.352 (C.17B:30-51 through C.17B:30-54). No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of an appeal pursuant to this subsection. The payer shall conduct the appeal at no cost to the health care provider.

A health care provider may initiate an appeal on or before the 90th calendar day following receipt by the health care provider of the payer's claims determination, which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance which shall describe the type of substantiating documentation that must be submitted with the form. The payer shall conduct a review of the appeal and notify the health care provider of its determination on or before the 30th calendar day following the receipt of the appeal form. If the health care provider is not notified of the payer's determination of the appeal within 30 days, the health care provider may refer the dispute to arbitration as provided by paragraph (2) of this subsection.

If the payer issues a determination in favor of the health care provider, the payer shall comply with the provisions of this section and pay the amount
of money in dispute, if applicable, with accrued interest at the rate of 12% per annum, on or before the 30th calendar day following the notification of the payer's determination on the appeal. Interest shall begin to accrue on the day the appeal was received by the payer.

If the payer issues a determination against the health care provider, the payer shall notify the health care provider of its findings on or before the 30th calendar day following the receipt of the appeal form and shall include in the notification written instructions for referring the dispute to arbitration as provided by paragraph (2) of this subsection.

The payer shall report annually to the Commissioner of Banking and Insurance the number of appeals it has received and the resolution of each appeal.

(2) Any dispute regarding the determination of an internal appeal conducted pursuant to paragraph (1) of this subsection may be referred to arbitration as provided in this paragraph. The Commissioner of Banking and Insurance shall contract with a nationally recognized, independent organization that specializes in arbitration to conduct the arbitration proceedings.

Any party may initiate an arbitration proceeding on or before the 90th calendar day following the receipt of the determination which is the basis of the appeal, on a form prescribed by the Commissioner of Banking and Insurance. No dispute shall be accepted for arbitration unless the payment amount in dispute is $1,000 or more, except that a health care provider may aggregate his own disputed claim amounts for the purposes of meeting the threshold requirements of this subsection. No dispute pertaining to medical necessity which is eligible to be submitted to the Independent Health Care Appeals Program established pursuant to section 11 of P.L.1997, c.192 (C.26:2S-11) shall be the subject of arbitration pursuant to this subsection.

(3) The arbitrator shall conduct the arbitration proceedings pursuant to the rules of the arbitration entity, including rules of discovery subject to confidentiality requirements established by State or federal law.

(4) An arbitrator's determination shall be:
(a) signed by the arbitrator;
(b) issued in writing, in a form prescribed by the Commissioner of Banking and Insurance, including a statement of the issues in dispute and the findings and conclusions on which the determination is based; and
(c) issued on or before the 30th calendar day following the receipt of the required documentation.

The arbitration shall be nonappealable and binding on all parties to the dispute.

(5) If the arbitrator determines that a payer has withheld or denied payment in violation of the provisions of this section, the arbitrator shall order the payer to make payment of the claim, together with accrued interest,
on or before the 10th business day following the issuance of the determination. If the arbitrator determines that a payer has withheld or denied payment on the basis of information submitted by the health care provider and the payer requested, but did not receive, this information from the health care provider when the claim was initially processed pursuant to subsection d. of this section or reviewed under internal appeal pursuant to paragraph (1) of this subsection, the payer shall not be required to pay any accrued interest.

(6) If the arbitrator determines that a health care provider has engaged in a pattern and practice of improper billing and a refund is due to the payer, the arbitrator may award the payer a refund, including interest accrued at the rate of 12% per annum. Interest shall begin to accrue on the day the appeal was received by the payer for resolution through the internal appeals process established pursuant to paragraph (1) of this subsection.

(7) The arbitrator shall file a copy of each determination with and in the form prescribed by the Commissioner of Banking and Insurance.

f. As used in this section, "insured claim" or "claim" means a claim by a covered person for payment of benefits under an insured prepaid prescription service organization contract for which the financial obligation for the payment of a claim under the contract rests upon the prepaid prescription service organization.

9. Section 10 of P.L.1989, c.293 (C.34:15C-7) is amended to read as follows:

a. A description of the State workforce investment policy developed pursuant to section 8 of this act;

b. An assessment and an evaluation of the demand for various kinds of trained workers in New Jersey and recommendations on how to direct the State's workforce investment efforts to be most effective in using that demand to increase the productivity and earning power of the work force;

c. (Deleted by amendment, P.L.2005, c.354.)

d. A description of any performance standards established pursuant to section 11 of this act and remedial instruction standards established pursuant to section 14 of this act and any evaluation of workforce investment activities based on those standards;

e. Evaluations of other existing workforce investment programs, their goals and structures, and the consistency of each program with the State workforce investment policy developed by the commission;

f. (1) Evaluations of the organizational structures, functions and activities of governmental agencies performing advisory functions or activities in relation to workforce investment programs or services, including advisory functions and activities performed in connection with vocational education, adult education, apprenticeship, vocational rehabilitation and human services programs; and

(2) Recommendations to the Governor about coordination of the State's efforts in these program areas, including, if the commission deems appropriate, a recommendation to the Governor for the transfer of these advisory functions and activities to the jurisdiction of the commission; and

g. Recommendations for any other changes the commission deems appropriate in the overall structure of the State's workforce investment system, including the consolidation of duplicative programs and services and the reallocation of State and federal funds to the agencies able to make the best use of those funds.

The New Jersey Unified State Workforce Investment Plan shall be submitted to the Governor, the Legislature and each department charged with the operation of any program or service which is evaluated by the
commission or the subject of a recommendation in the report consistent with the timetable established by the federal Workforce Investment Act of 1998, Pub.L.105-220 (29 U.S.C. s.2801 et seq.).

The commission may, at any other time as it deems appropriate, issue additional reports to the Governor and the Legislature concerning any of the subjects addressed in the New Jersey Unified Workforce Investment Plan. Significant changes in the economy or technology or in federal or State policy on any area included in the workforce investment system may result in modifications to the plan.

The commission shall conduct a periodic, comprehensive evaluation of the activities of the workforce investment system and make a periodic report
to the Governor and the Legislature regarding the effectiveness of the workforce investment system in implementing the purposes of this act.

10. Section 11 of P.L.1989, c.293 (C.34:15C-8) is amended to read as follows:

C.34:15C-8 Establishment of performance standards for evaluating workforce investment system.

11. a. The commission shall establish quantifiable performance standards for evaluating the workforce investment system, and guidelines for procedures to encourage and enforce compliance with those standards. The commission shall establish the standards and procedures in conjunction with any department or commission which funds or administers workforce investment programs.

The standards shall be designed to measure the success of the system in assisting the individuals it serves to attain and maintain high levels of productivity and earning power, through preparation for employment in occupations with significant opportunities for career advancement. The standards shall take into account the specific needs and characteristics of the target populations.

b. Each workforce investment program, including any program funded or established pursuant to the Workforce Investment Act of 1998, Pub. L. 105-220 (29 U.S.C. s. 2901 et seq.), the Carl D. Perkins Vocational and Applied Technology Education Amendments of 1998, Pub.L.105-332 (20 U.S.C. s.2301 et seq.), or the State Workforce Development Partnership Program, P.L.1992, c.43 (C.34:15D-1 et seq.), is hereby deemed to be subject to the performance standards and guidelines established pursuant to subsection a. of this section. The performance standards for the program shall be based on factors including, but not limited to:

(1) The percentage of trainees who are placed, following completion of the program, in employment in the occupation for which they are trained or who are enrolled for further education or training, if those enrollments are a goal of the program;

(2) The success of the program in sustaining or increasing the trainees' levels of earnings, based on the wage levels upon placement in employment, and the trainees' retention in employment; and

(3) (Deleted by amendment, P.L.2005, c.354.)

(4) The success of the program in facilitating the remedial instruction which the program is required to make available to trainees under standards established pursuant to section 14 of this act.

In establishing performance standards, the commission shall not use criteria which may adversely affect the assessment of a program because of
any emphasis the program may have on long-term occupational training and instruction.

The commission shall establish dates by which each department administering workforce investment programs shall adopt the standards and guidelines for use in the planning, budgeting and administration of those programs.

The standards shall apply to a program which is State or federally funded except to the extent that application of the standards would prevent the program from receiving the federal funding.

11. Section 13 of P.L.1989, c.293 (C.34:15C-10) is amended to read as follows:

C.34:15C-10 Commission shall establish requirements for each workforce investment program.

13. The commission shall establish such requirements as it deems appropriate for each workforce investment program to utilize the comprehensive occupational information compiled and disseminated by the Center for Occupational Employment Information established pursuant to section 27 of P.L.2005, c.354 (C.34:1A-86) and other information developed cooperatively by the Department of Labor and Workforce Development and the commission for program planning and individual career decision-making.

C.34:15C-7.1 Selection of industries with growing, unmet demand for skilled workers.

12. a. The State Employment and Training Commission shall select industries in which a growing or unmet demand for skilled workers, professionals or other personnel provides an opportunity to generate significant growth in employment or careers providing access to self-sufficiency and shall create State-level industry task forces consisting of key stakeholders in each selected industry to analyze the most significant mismatches between labor supply and demand in the industry and develop Statewide strategies to rectify those mismatches. The membership of each task force shall be selected by the commission and shall include leaders of businesses, labor unions, professional associations and other stakeholders in the industry and representatives from State departments and agencies which the commission determines may be of assistance in rectifying the mismatches of supply and demand.

b. The commission shall select Workforce Investment Boards and direct them to create regional planning bodies to address the workforce needs in the regions under the jurisdictions of the boards of specific industries, occupations or career clusters in which a growing or unmet demand for skilled workers, professionals or other personnel provides an opportunity to generate significant growth in employment or careers providing self-sufficiency. The membership of each regional planning body shall include
representatives of Workforce Investment Boards and One Stop Career Center partners and leaders of businesses, labor unions and professional associations and other stakeholders of the industries, occupations, career clusters or employers in the region. The region under a regional planning body shall be selected by the commission to enhance local delivery systems by providing meaningful geographic boundaries for labor market rationalization. The region selected for one industry, occupation or career cluster may be different from the region selected for another industry, occupation or career cluster. The size of regions under regional planning bodies may vary in accordance with the concentration of the relevant work forces or in accordance with other factors. The commission may also determine any areas outside of the State which would benefit from a joint effort with a regional planning body and direct the body to seek cooperation with the Workforce Investment Board or boards outside of the State that have jurisdiction over those areas.

c. The purpose of each regional planning body shall be to develop, for its area of jurisdiction, strategies to match labor market supply and demands and support a demand-side focus anchoring the employment and training system to the labor market in a manner which increases opportunities for employment and careers providing access to self-sufficiency. Those strategies may include job skill training and utilization of labor market and demographic information to match the location of jobs with the residence of workers. The planning for the development of the strategy shall include an analysis of the adequacy of the transportation system to get the workers to the jobs and the suitability of the training being offered in an area for the needs of the local workplace, and shall take into consideration any Statewide strategy developed by a Statewide industry task force pursuant to subsection a. of this section which is relevant to the jurisdiction of the regional planning body.

d. The Legislature finds and declares that the current and growing shortage of skilled and credentialed health care professionals, paraprofessionals, and entry-level workers has reached crisis proportions. The commission shall establish a State-level industry task force on the health care industry, as well as regional planning bodies on the health care industry in each region designated by the commission, to address this problem and promote enduring partnerships among employers, labor unions, professional associations and other stakeholders in the health care industry, the public workforce investment system, primary, secondary and postsecondary education, and social service providers to develop and sustain solutions in the areas of recruitment, retention, training and education capacity-building in that industry in a manner which increases opportunities for employment and careers providing access to self-sufficiency.
C.34:15C-10.1 Certificate of approval for, application by qualifying schools.

13. a. A qualifying school shall make a written application to the Commissioner of Labor and Workforce Development for a certificate of approval, and shall not be permitted to operate unless it receives the certificate of approval issued by the Commissioner of Labor and Workforce Development and the Commissioner of Education pursuant to the rules that they promulgate. The application shall be in the form prescribed by the commissioners and shall furnish the information required by the commissioners. Upon receipt of this application, with the required documentation, the Commissioner of Labor and Workforce Development shall cause to be conducted an evaluation of the applicant school prior to the issuance of a certificate of approval. The certificate shall be in a form prescribed by the Commissioners of Labor and Workforce Development and Education and shall be prominently displayed so that it is visible to the general public. The certificate is issued to the applicant owner and school and is nontransferable. In the event of a change of ownership, the new owner is required to apply for a change in ownership subject to the conditions and fees prescribed by the Commissioner of Labor and Workforce Development and prior to the issuance of a new certificate of approval. Approval shall also be required for changes in location and any additional locations. Program and course curricula and instructional personnel and administrator credentials shall be submitted for approval and contain sufficient information for proper evaluation as determined by the Commissioner of Education. The personnel of a qualifying school shall meet the qualifications set forth by the Commissioners of Labor and Workforce Development and Education in order to own, operate, market, supervise, or offer instruction.

b. A casino gaming school shall not receive a certificate of approval pursuant to subsection a. of this section unless the school is licensed by the New Jersey Casino Control Commission pursuant to subsection a. of section 96 of P.L.1977, c.110 (C.5:12-92).

c. An applicant shall not be issued a certificate of approval if, upon the review and consideration of the submitted application, the application is found to be not in accordance with the rules and regulations set forth by the Commissioners of Labor and Workforce Development and Education. The Commissioners of Labor and Workforce Development and Education may revoke, suspend, or place reasonable conditions upon the continued approval represented by the certificate. Prior to revocation, the Commissioners of Labor and Workforce Development and Education shall notify the holder in writing of the impending action and set forth the grounds for the action. The Commissioners of Labor and Workforce Development and Education may reexamine a school during the year in which notice or conditions have
been imposed. A certificate of approval may be revoked, suspended, or made conditional if the Commissioners of Labor and Workforce Development and Education have reasonable cause to believe that the school is guilty of violating this section or any of the rules adopted under this section or is found to be financially unsound.

d. An approved qualifying school shall maintain a permanent student record for each student enrolled. This information shall include, but not be limited to, the student's Social Security number, gender, date of birth, date of enrollment, and any date of completion, date of termination, date of start in a job, date of application for a license, licensing examination result, date of issue of a license, any credential issued, and other information as specified by the State Employment and Training Commission or the Center for Occupational Employment Information. For any individual who does not have a Social Security number, the qualifying agency may substitute an alternate method of identification, except that, at the time of start into employment the alternate code shall be cross-referenced with the individual's valid Social Security number. The applicant school shall submit a record retention plan to the Commissioner of Labor and Workforce Development that describes the method by which a student or other legitimate requester may obtain a copy of the permanent record verifying attendance and academic achievement of a student at the school. The plan shall identify the organization or individual responsible for maintaining and responding to requests for and distributing records in the event that the school ceases operation or closes. The Department of Labor and Workforce Development and the Department of Education may adopt additional regulations prescribing the manner in which student records, including transcripts, shall be maintained and distributed, and regulations setting penalties for failure to comply with an approved record retention plan.

e. An approved qualifying school shall be open for monitoring and inspection to any officer, representative or agent designated by the Commissioners of Labor and Workforce Development and Education. The Departments of Labor and Workforce Development and Education shall conduct examinations of all facilities and methods of operating, as they deem appropriate.

f. The Departments of Labor and Workforce Development and Education shall continue to oversee the proper conduct of qualifying schools and shall maintain rules governing curricula, qualifications of instructors and supervisors, facilities, record keeping requirements and any other matters essential to the maintenance of quality instruction and the business integrity of qualifying schools.

g. An approved qualifying school shall submit an annual report to the Commissioner of Labor and Workforce Development. The annual report
shall include, but not be limited to, enrollment information, post-training placement information and tuition received as well as an electronic or paper copy of student transcripts. Failure to furnish the required report shall be just cause for the commissioner to amend, suspend or revoke the approval to operate as previously granted by whatever governmental entity, or to take other appropriate actions. The annual report shall be for the period of July 1 through June 30 of the preceding year and shall be submitted, not later than 30 calendar days after the close of the reporting period, in the format and on the forms provided by the commissioner. A qualifying school shall also submit any additional reports as requested by the commissioner on a more frequent basis. A qualifying school shall submit the name and Social Security number of each newly enrolled student on a reporting basis to be established by the commissioner.

Objective performance standards and measures for evaluating qualifying schools shall be jointly developed and implemented by the State Board of Education and the New Jersey State Employment and Training Commission. Policy makers and consumers shall be provided with information concerning approved programs and shall be provided access to a consumer report card on the effectiveness of the qualifying schools on the State Eligible Training Provider List showing the long-term success of former trainees of each qualifying school in obtaining permanent employment and increasing earnings over one or more time periods following the completion or other termination of training, including a period of two years following the completion or other termination of training.

i. Any State or federal funds which become available for the school approval functions performed by the Department of Labor and Workforce Development or the Department of Education, as described in this act, shall be appropriated to the respective department for the regulation and oversight of qualifying schools pursuant to the provisions of this act.

j. The Commissioner of the Department of Labor and Workforce Development shall, in consultation with the Department of Education, adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations as necessary to establish approval and renewal fees and to effectuate the provisions of this section. Existing rules and regulations, as of the effective date of P.L.2005, c.354 (C.34:15C-7.1 et al.), shall remain in effect for one year or until rules and regulations adopted pursuant to this subsection replace them.

C.34:15C-10.2 State Eligible Training Provider List.

15. Section 14 of P.L.1989, c.293 (C.34:15C-11) is amended to read as follows:

C.34:15C-11 Commission to coordinate initiatives with State departments.

14. a. The commission shall foster and coordinate workforce investment initiatives of all State Departments. It shall promote initiatives of the Department of Education and the Commission on Higher Education to maximize the contributions of the State's public schools and institutions of higher education in implementing the State workforce investment policy developed by the commission. The commission shall foster and coordinate initiatives of the Department of Education and the Commission on Higher Education that will enhance the State's efforts to assist at-risk youths in achieving educational success and making successful transitions to work. The commission shall foster initiatives of the Commission on Higher Education among institutions of higher education that will enhance the State's workforce investment efforts, including: the coordination of vocational programs between institutions; more use of facilities at institutions which provide education at or above the level of county colleges, including, but not limited to, the Advanced Technology Centers established pursuant to P.L.1985, c.102 (C.52:9X-1 et seq.), P.L.1985, c.103 (C.18A:64J-1 et seq.), P.L.1985, c.104 (C.18A:64J-8 et seq.), P.L.1985, c.105 (C.18A:64J-15 et seq.), and P.L.1985, c.106 (C.18A:64J-22 et seq.); developing more programs to offer four year degrees for working students who attend only at nights and on weekends; and expanding programs which provide college credit for training and educational experiences outside of traditional academic contexts.

b. The commission shall have the responsibility, jointly with the Department of Education, the Department of Labor and Workforce Development and the Commission on Higher Education, to: (1) establish standards regarding the minimum levels of remedial instruction which shall be made available to a trainee under any workforce investment program, including
any program of training undertaken in connection with additional unemploy­
ment compensation benefits provided pursuant to the provisions of P.L.1992,
c.47 (C.43:21-57 et al.) or any program funded or established pursuant to the
Pub. L. 105-220 (29 U.S.C. s.2801 et seq.); and (2) coordinate the develop­

The remedial instruction standards shall be determined through the use of
common diagnostic tools, curricula, and evaluation techniques, and shall
take into account the differing needs and characteristics of the various target
populations which the programs serve. The remedial instruction standards
shall be based on evaluations of the minimum levels of basic skills needed
to succeed in particular types of occupational training offered under the
programs and any additional improvements in basic skills needed by individ­
uals of each target population to successfully adapt to the State's changing
economy. The standard for the minimum level of remedial instruction that
shall be made available to an individual receiving the occupational training
for a particular occupation shall not be less than the level necessary to attain
the minimum basic skill levels indicated as needed for that occupation in the
Bureau of Labor Statistics' Occupational Information Network, or "O*NET." The
commission, the Department of Education, the Department of Labor and
Workforce Development and the Commission on Higher Education, may
jointly set this standard at a higher level, but if they do not, the level indicated
in the Bureau of Labor Statistics' Occupational Information Network, or

If an employer receiving a grant for customized training services pursuant to this section relocates or outsources any or all of the jobs out of the State for which the customized training services were provided under the grant within three years following the end date of the customized contract, the employer shall, if all of the jobs are relocated or outsourced, return all of the moneys provided to the employer by the State for customized training services, or, if only a portion of the jobs are relocated or outsourced, return a part of the
moneys, deemed by the commissioner to be appropriate and proportional to the portion of the jobs relocated or outsourced, and the returned amount shall be deposited into the Workforce Development Partnership Fund.

The customized training services provided to an approved applicant may include any combination of employment and training services or any single employment and training service approved by the commissioner, including remedial instruction provided to upgrade workplace literacy. Each service may be provided by a separate approved service provider. No training or employment service shall be funded through a customized training grant, unless the service is provided directly by an employer or is provided by an approved service provider. An employer who directly provides training and employment services to his own employees shall not be regarded as a service provider and shall not be subject to any requirement to obtain approval by the State as a service provider, including the requirements of section 13 of P.L.2005, c.354 (C.34:15C-10.1) to be approved as a qualifying school or the requirements of section 14 of P.L.2005, c.354 (C.34:15C-10.2) to be included on the State Eligible Training Provider List.

The means to attain the goal shall include coordinated efforts between the office and One Stop Career Centers to prepare recipients for employment and make them available to employers, but shall not include any policy which may penalize

C.34:15D-7 Counseling.

7. Counseling shall be made available by the department to each qualified displaced worker or qualified disadvantaged worker applying to participate in the Workforce Development Partnership program and, in the case of a qualified disadvantaged worker who is a recipient of, or eligible for, benefits under the Work First New Jersey Program, to participate in the Workforce Development Partnership program or in any of those employment-directed workforce development programs or activities transferred to the Department of Labor and Workforce Development pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3) which provide employment and training services as defined in section 3 of P.L.1992, c.43 (C.34:15D-3), including the services indicated in paragraphs (11) through (16) of subsection b. of section 2 of P.L.2004, c.39 (C.34:1A-1.3). Counseling may also be made available to a qualified employed worker who seeks remedial instruction or is selected to participate in a customized training program, if the worker's employer requests the counseling. The counseling shall be provided by a job counselor hired and employed by the State pursuant to Title 11A, Civil Service, of the New Jersey Statutes, or hired and employed by a political subdivision of the State, or be provided by a qualified job counselor hired and employed by a non-profit organization which began functioning as the One Stop Career Center operator with the written consent of the chief elected official and the commissioner prior to the effective date of P.L.2004, c.39 (C.34:1A-1.2 et al.), or hired and employed by an approved community-based or faith-based organization to provide counseling which the organization entered into an agreement to provide before the effective date of P.L.2004, c.39 (C.34:1A-1.2 et al.). In the case of a qualified disadvantaged worker who is a recipient of, or is eligible for, benefits under the Work First New Jersey Program, the counseling provided pursuant to this section shall be the counseling for the provision of employment and training services either under the Workforce Development Partnership program or under programs or activities transferred to the Department of Labor and Workforce Development pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3), but the counseling provided pursuant to this section shall be provided in conjunction and in coordination with counseling provided in connection with any services, other than training and employment services, made available to the disadvantaged worker under programs or activities transferred to the Depart-
ment of Labor and Workforce Development pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3). The purpose of any counseling made available pursuant to this section is to assist each worker in obtaining the employment and training services most likely to enable the worker to obtain employment providing self-sufficiency for the worker and also to provide the worker with the greatest opportunity for long-range career advancement with high levels of productivity and earning power. The counseling shall include:

a. Testing and assessment of the worker's job skills and aptitudes, including the worker's literacy skills and other basic skills. Basic skills testing and assessment shall be provided to the worker unless information is provided regarding the worker's educational background and occupational or professional experience which clearly demonstrates that the worker's basic skill level meets the standards established pursuant to section 14 of P.L.1989, c.293 (C.34:15C-11) or unless the worker is already participating in a remedial instruction program which meets those standards;

b. An evaluation by a qualified job counselor of what remedial instruction, if any, is determined to be necessary for the worker to advance in his current employment or occupation or to succeed in any particular occupational training which the worker would undertake under the program, provided that the remedial instruction shall be at a level not lower than that needed to meet the standards established pursuant to section 14 of P.L.1989, c.293 (C.34:15C-11);

c. The provision to the worker of information regarding any of the labor demand occupations for which training meets the requirements of section 4 of this act in the worker's case, including information about the wage levels in those occupations, and information regarding the effectiveness of approved service providers of occupational training in occupations which the worker is considering, including a consumer report card on service providers showing the long-term success of former trainees of each provider in obtaining permanent employment and increasing earnings over one or more time periods following the completion or other termination of training, including a period of two years following the completion or other termination of training;

d. The timely provision of information to the worker regarding the services and benefits available to the worker, and all actions required of the worker to obtain the services and benefits, under the provisions of this act and P.L.1992, c.47 (C.43:21-57 et al.), and under the Work First New Jersey program in the case of a qualified disadvantaged worker receiving or eligible for benefits under that program; and the provision to the worker of a written statement of the worker's rights and responsibilities with respect to programs for which the worker is eligible, which includes a full disclosure to the worker of the worker's right to obtain the services most likely to enable the
CHAPTER 354, LAWS OF 2005

worker to obtain employment providing self-sufficiency and the workers' right not to be denied training services for any of the reasons indicated in subsection d. of section 6 of P.L.1992, c.43 (C.34:15D-6), including the worker's right not to be denied training services because the worker already has identifiable occupational skills, if those existing skills are for employment with a level of earnings lower than the level of self-sufficiency;

e. Discussion with the counselor of the results of the testing and evaluation; and

f. The development of a written Employability Development Plan identifying the training, employment and other workforce investment services, including any needed remedial instruction, to be provided to the worker pursuant to this act. In the case of a qualified disadvantaged worker, the Employability Development Plan will be, to the greatest extent possible while remaining in compliance with any applicable federal requirements, coordinated and made consistent with any individual responsibility plan developed for the worker under the Work First New Jersey program. In the case of a qualified disadvantaged worker who is or was receiving, or who is eligible for but not receiving, benefits under the Work First New Jersey program, and who does not have a marketable bachelor's degree, the counselor may approve, as part of the workers' Employability Development Plan, the replacement of Work First New Jersey program benefits by Supplemental Workforce Development Benefits paid to the disadvantaged worker for full-time educational activity without, or with insufficient, other work activity from available resources for employment-directed and workforce development programs and activities transferred from the Department of Human Services pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3) or from the account of the Workforce Development Partnership Fund reserved for qualified disadvantaged workers pursuant to subsection b. of section 9 of P.L.1992, c.43 (C.34:15D-9), for any period of time for which the counselor determines that:

(1) Full-time remedial instruction to obtain a high school diploma or G.E.D. or full-time post secondary education in a two-year or four-year degree-granting educational program with a course of study related to work, even if the duration of the full-time education is longer than two years, is the training and employment service that is most likely to enable the worker to obtain employment providing self-sufficiency;

(2) The worker has responsibility during that period of time for the care of dependent children or other family members unable to care for themselves the magnitude of which, if added to the full-time instructional or educational activities indicated in paragraph (1) of this subsection, make it likely that any additional work activity will jeopardize the success of the instructional or educational activity; and
(3) Providing Work First New Jersey program benefits to the worker during that period of time for the full-time instructional or educational activity without, or with insufficient, work activities would result in a loss of benefits for the worker pursuant to section 9 of P.L.1997, c.38 (C.44:10-63) or would be counted toward the maximum limit of 60 cumulative months of Work First New Jersey program benefits provided to the worker pursuant to section 2 of P.L.1997, c.37 (C.44:10-72).

With respect to the use of the funds deposited during any fiscal year in the account of the Workforce Development Partnership Fund reserved for qualified disadvantaged workers pursuant to subsection b. of section 9 of P.L.1992, c.43 (C.34:15D-9), first priority shall be given for the payment of Supplemental Workforce Development Benefits pursuant to this subsection. Not more than 1,500 qualified disadvantaged workers shall receive Supplemental Workforce Development Benefits pursuant to this subsection at any one time. With respect to using available resources for employment-directed and workforce development programs and activities transferred from the Department of Human Services pursuant to section 2 of P.L.2004, c.39 (C.34:1A-1.3) for Supplemental Workforce Development Benefits, no federal funds which are part of those resources may be used for Supplemental Workforce Development Benefits which result in the imposition of conditions of participation other than those established by this subsection. If federal funds are used for childcare costs of a participant, the Department of Human Services may transfer the funds to the Child Care and Development Block Grant, as permitted by law and as needed to permit the use of the federal funds while preventing any loss of benefits to the participant and preventing the childcare time from being counted toward the participant's maximum limit of 60 cumulative months of Work First New Jersey program benefits. The counselor shall assist in facilitating the use, to the maximum extent possible, of Pell grants or other available educational grants to pay for tuition and other educational costs of a recipient of Supplemental Workforce Development Benefits provided pursuant to this section. The requirements for receiving Supplemental Workforce Development Benefits may include work-site experience which will enhance the participant's employability in the participant's field, provided that the required sum of class hours for a full-time class schedule, hours of study time at not less than one and one half times class time, and hours of work-site experience, shall not exceed 40 hours per week and that the commissioner shall adopt regulations for reasonable adjustments in participation requirements for good cause, including verifiable needs related to physical or mental health problems, illness, accident or death or serious personal or family problems that necessitate reduced participation, provided further that no individual shall receive Supplemental Workforce Development Benefits for a period of more than
five years. The commissioner shall adopt regulations setting standards for satisfactory academic progress for continued participation. Participation may not be denied for any of the reasons which subsection d. of section 6 of P.L.1992, c.43 (C.34:15D-6) prohibits from being used to deny training grants. For the purposes of this section, "Work First New Jersey benefits" means benefits for which a worker and the worker's family would be eligible if the worker was participating in the Work First New Jersey program or any successor program to the Work First New Jersey program.

Counseling made available at the request of an employer participating in a customized training program may include only those components requested by the employer.

All information regarding a worker applicant or trainee which is obtained or compiled in connection with the testing, assessment and evaluation and which may be identified with the worker shall be confidential and shall not be released to an entity other than the worker, the counselor, the department or partners of the One-Stop system as necessary for them to provide training and employment services or other workforce investment services to the individual, unless the worker provides written permission to the department for the release of the information or the information is used solely for program evaluation.

24. Section 8 of P.L.1992, c.43 (C.34:15D-8) is amended to read as follows:

b. No service provider shall be approved to be funded by the program to provide an employment and training service unless the provider agrees to provide the service to each trainee referred to it on a first-come, first-served basis, up to the total number of trainees that the provider agrees to serve. This subsection shall not be construed as limiting or curtailing in any way an employer's right to select the workers who participate in customized training pursuant to the provisions of subsection e. of section 5 of this act.

c. Each service provider shall maintain, make available and submit appropriate records and data for monitoring and evaluation purposes, as
required by the State Employment and Training Commission and the department. The records and data shall include, but not be limited to:

(2) A record of all administrative and overhead expenses of the provider related to the providing of employment and training services funded by the program and the provider's direct expenses of providing the services; and

(3) Any other information deemed appropriate by the commissioner or the State Employment and Training Commission for evaluation purposes.

d. In the case of a provider of occupational training services, the commissioner shall collect the information needed to effectively measure the long-term success of the former trainees of the provider in obtaining permanent employment and increasing earnings over one or more time periods following the completion or other termination of training, including a period of two years following the completion or other termination of training. The commission shall set such standards as it deems appropriate regarding comparisons of the former trainees with groups of otherwise similar individuals who did not receive the training. The information obtained pursuant to this subsection shall be used to:

(1) Assist in evaluating the performance of providers of occupational training services;

(2) Assist in determining which providers of occupational training services to place on the State Eligible Training Provider List;

(4) Assist in evaluating the overall effectiveness of training funded by the program.

e. The State Employment and Training Commission, the commissioner, and each service provider shall comply with all pertinent State and federal laws regarding the privacy of students and other participants in employment and training programs, including but not limited to, the Privacy Act of 1974, Pub. L.93-579 (5 U.S.C. s.552 and 20 U.S.C. s.1232g), and shall provide all disclosures to the students and participants required by those laws.

The center shall only use aggregate statistical summaries of individual data in assessing or evaluating any program at a qualifying school or other training provider. The commission and the center shall adopt standards and procedures to prevent any State agency from publishing, disclosing or releasing information which could identify any individual and shall not publish, disclose or otherwise release information which could identify any individual, except to an agency of government requiring such information in the performance of its statutory duties. Any executive agency of State government precluded by law from sharing information on specific individuals may provide student outcome and licensing information through statistical summary or other forms which prevent the identification of specific individuals.

(1) Detention is necessary to secure the presence of the juvenile at the next hearing as evidenced by a demonstrable record of recent willful failure to appear at juvenile court proceedings or to remain where placed by the court or the court intake service or the juvenile is subject to a current warrant for failure to appear at court proceedings which is active at the time of arrest; or
(2) The physical safety of persons or property of the community would be seriously threatened if the juvenile were not detained and the juvenile is charged with an offense which, if committed by an adult, would constitute a crime of the first, second or third degree or one of the following crimes of the fourth degree: aggravated assault; stalking; criminal sexual contact; bias intimidation; failure to control or report a dangerous fire; possession of a prohibited weapon or device in violation of N.J.S.2C:39-3; or unlawful possession of a weapon in violation of N.J.S.2C:39-5; or

(3) With respect to a juvenile charged with an offense which, if committed by an adult, would constitute a crime of the fourth degree other than those enumerated in paragraph (2) of this subsection, or a disorderly persons or petty disorderly persons offense, and with respect to a juvenile charged with an offense enumerated in subsection c. when the criteria for detention are not met, the juvenile may be temporarily placed in a shelter or other non-secure placement if a parent or guardian cannot be located or will not accept custody of the juvenile. Police and court intake personnel shall make all reasonable efforts to locate a parent or guardian to accept custody of the juvenile prior to requesting or approving the juvenile's placement in a shelter or other non-secure placement. If, after the initial detention hearing, continued placement is necessary, the juvenile shall be returned to a shelter or other non-secure placement.

d. The judge or court intake officer prior to making a decision of detention shall consider and, where appropriate, employ any of the following alternatives:

(1) Release to parents;
(2) Release on juvenile's promise to appear at next hearing;

(7) Placement in a shelter care facility; or
(8) Imposition of any other restrictions other than detention or shelter care reasonably related to securing the appearance of the juvenile.

e. In determining whether detention is appropriate for the juvenile, the following factors shall be considered:

(1) The nature and circumstances of the offense charged;
(2) The age of the juvenile;
(3) The juvenile's ties to the community;
(4) The juvenile's record of prior adjudications, if any; and
(5) The juvenile's record of appearance or nonappearance at previous
court proceedings.

f. No juvenile 11 years of age or under shall be placed in detention
unless he is charged with an offense which, if committed by an adult, would
be a crime of the first or second degree or arson.
g. If the court places a juvenile in detention, the court shall state on the
record its reasons for that detention.
h. For purposes of this section, a failure to appear at juvenile court
proceedings or to remain where placed by the court or the court intake
service shall be deemed recent if it occurred within the 12 months immedi­
ately preceding the detention hearing, or if it occurred within the period of
12 to 24 months preceding the detention hearing and the juvenile is unable
to demonstrate a record of voluntary compliance with any subsequent court
appearance and placement requirements.

CHAPTER 362
AN ACT concerning baseball spectator safety and supplementing Title 2A
of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New
Jersey:

1. This act shall be known and may be cited as the "New Jersey Base­
ball Spectator Safety Act of 2006."

C.2A:53A-44 Provision of protected seating for spectators, recognition of inherent risks,
statement of intent.
2. The Legislature recognizes that baseball stadium owners and opera­
tors have a duty to provide protected seating to spectators who, seeking to
avoid the risk of injury, desire protection. However, the Legislature also
recognizes that persons who attend professional baseball games may be
injured as a result of the risks inherent in being a spectator at such games.
The Legislature further finds that attendance at such professional baseball
games is a family and community based activity to be encouraged.
over, the State derives economic benefit from spectators attending professional baseball games. Therefore, it is the intent of the Legislature to encourage attendance at professional baseball games. Limiting the civil liability of those who own professional baseball teams and those who own the stadiums where professional baseball games are played will help contain costs, thereby keeping ticket prices affordable.

C.2A:53A-45 Definitions relative to baseball spectator safety.

3. As used in this act:
   a. "Owner" means a person, including a corporation, partnership, or limited liability company, who is in lawful possession and control of a professional baseball team or a stadium in which a professional baseball game is played. "Owner" shall also include the owner's shareholders, partners, directors, officers, employees and agents.
   b. "Professional baseball game" means any baseball game, whether for exhibition or competition, in which the participating baseball teams are members of a league of professional baseball clubs, commonly known as a major league or a minor league, and which teams are comprised of paid baseball players. "Professional baseball game" shall also include pregame activities and shall include any baseball game or pregame activity.
   c. "Spectator" means a person who is present at a baseball game for the purpose of observing the game, whether or not a fee is paid.

4. a. Notwithstanding any other provision of law, spectators of professional baseball games are presumed to have knowledge of and to assume the inherent risks of observing professional baseball games. These risks are defined as injuries which result from being struck by a baseball or a baseball bat anywhere on the premises during a professional baseball game.
   b. (1) Except as provided in section 5 of this act, the assumption of risk set forth in this section shall be a complete bar to suit and shall serve as a complete defense to a suit against an owner by a spectator for injuries resulting from the assumed risks.
   (2) Except as provided in section 5 of this act, an owner shall not be liable for an injury to a spectator resulting from the inherent risks of attending a professional baseball game. Except as provided in section 5 of this act, no spectator or spectator's representative shall make any claim against, maintain an action against, or recover from an owner for injury, loss, or damage to the spectator resulting from any of the inherent risks of attending a professional baseball game.
   c. Nothing in this act shall preclude a spectator from bringing an action against another spectator for an injury to person or property resulting from such other spectator's acts or omissions.

5. a. Nothing in section 4 of this act shall prevent or limit the liability of an owner who fails to post and maintain the warning signs required pursuant to section 6 of this act.

b. Nothing in section 4 of this act shall prevent or limit the liability of an owner who fails to provide protection for spectators in the most dangerous sections of the stands. This limited duty may be satisfied by having a net behind home plate.

6. a. Every owner of a stadium where professional baseball games are played shall post and maintain signs which contain the warning notice set forth in subsection b. of this section. Such signs shall be posted in conspicuous places at the entrances outside the stadium and at stadium facilities where tickets to professional baseball games are sold.

b. The signs described in subsection a. of this section shall contain the following warning notice:

**WARNING**
UNDER NEW JERSEY LAW, A SPECTATOR OF PROFESSIONAL BASEBALL ASSUMES THE RISK OF ANY INJURY TO PERSON OR PROPERTY RESULTING FROM ANY OF THE INHERENT DANGERS AND RISKS OF SUCH ACTIVITY AND MAY NOT RECOVER FROM AN OWNER OF A BASEBALL TEAM OR AN OWNER OF A STADIUM WHERE PROFESSIONAL BASEBALL IS PLAYED FOR INJURY RESULTING FROM THE INHERENT DANGERS AND RISKS OF OBSERVING PROFESSIONAL BASEBALL, INCLUDING BEING STRUCK BY A BASEBALL OR A BASEBALL BAT ANYWHERE ON THE PREMISES DURING A PROFESSIONAL BASEBALL GAME.

AN ACT concerning identification of brownfield sites, supplementing P.L.1997, c.278 (C.58:10B-1.1 et al.), and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.58:10B-23.1 Findings, declarations relative to redevelopment of brownfield sites.

1. The Legislature finds and declares that the redevelopment of brownfield sites provides an alternative to the development of undeveloped land; that the redevelopment of brownfield sites would reinvigorate the surrounding areas, provide additional tax revenues to municipal government, and create jobs; and that it is vital that State, county and local governments concerned with the economic growth in the State have available an accurate and comprehensive list of known brownfield sites so that growth can be directed away from sensitive areas and into already developed areas or currently underutilized areas. The Legislature further finds and declares that landowners should be encouraged to list their property on the State's inventory of brownfield sites in order to enhance opportunities for reusing brownfield sites to the benefit of all redevelopment stakeholders and to promote a cleaner environment, a more robust economy, and a better quality of life.

C.58:10B-23.2 Preparation of inventory of brownfield sites; definitions.

2. a. In accordance with section 5 of P.L.1997, c.278 (C.58:10B-23), the Brownfields Redevelopment Task Force shall continue to prepare an inventory of brownfield sites in the State, and shall expedite its efforts to
compile a State inventory of brownfield sites for listing on the New Jersey Brownfields Site Mart. Within 12 months after the effective date of this act, and annually thereafter, the Brownfields Redevelopment Task Force shall submit a progress report to the Senate Environment Committee and the Assembly Environment and Solid Waste Committee, summarizing the efforts employed during the past 12 months toward compilation of an inventory of known brownfield sites in the State.

b. The inventory of brownfield sites shall include a list of known brownfield sites in the State, and at least the following information for each site:

(1) the street address, lot and block number, municipality and county;
(2) the size of the site;
(3) the last known municipal zoning classification for the site;
(4) the name and address of the owner of record of the site;
(5) an assessment of the contaminants known or suspected by the Department of Environmental Protection to have been discharged at the site;
(6) the extent and status of any remediation known by the Department of Environmental Protection to have been performed on the site; and
(7) the planning area designation and any center designation as shown on the State Plan Policy Map prepared by the State Planning Commission pursuant to P.L.1985, c.398 (C.52:18A-196 et seq.).

c. As used in this section, "brownfield site" means any former or current commercial or industrial site that is currently vacant or underutilized and on which there has been, or is suspected to have been, a discharge of a contaminant and "New Jersey Brownfields Site Mart" means an interactive database accessible on the Internet that provides information to developers, property owners, and State and local planners and officials, about brownfield sites in order to facilitate the sale and redevelopment of those properties.

3. There is hereby appropriated to the Department of Community Affairs the sum of $285,000 from the General Fund for the Brownfields Redevelopment Task Force established pursuant to section 5 of P.L.1997, c.278 (C.58:1B-23) to expedite and continue its inventory of brownfields sites and other functions as provided in section 5 of P.L.1997, c.278, including efforts to promote the cleanup and redevelopment of brownfield sites. Use of these moneys shall be memorialized by formal Task Force Resolutions, which shall be a matter of public record.

$26,200 or, commencing January 1, 2005, the amount determined pursuant
to subsection b. of section 3 of P.L.1986, c.43 (C.18A:64-54), when an
emergency affecting the health, safety or welfare of occupants of college
property requires the immediate delivery of the materials or supplies or
the performance of the work, if the purchases, contracts or agreements are
awarded or made in the following manner:

a. A written requisition for the performance of the work or the
furnishing of materials or supplies, certified by the employee in charge of
the building, facility or equipment where the emergency occurred, is filed
with the contracting agent or his deputy in charge describing the nature of
the emergency, the time of its occurrence, and the need for invoking this
section. The contracting agent, or his deputy in charge, being satisfied that
the emergency exists, is authorized to award a contract for the work,
materials or supplies.

b. Upon the furnishing of the work, materials or supplies in accor­
dance with the terms of the contract or agreement, the contractor furnish­
ing the work, materials or supplies is entitled to be paid therefor and the
State college is obligated for the payment.

c. The board of trustees may prescribe rules and procedures to imple­
ment the requirements of this section.

7. Section 9 of P.L.1986, c.43 (C.18A:64-60) is amended to read as

Property or any municipality or county in this State.
(b) A State college may also use, without advertising for bids, or 
having rejected all bids obtained pursuant to advertising, the Federal 
Supply Schedules of the General Services Administration subject to the 
following conditions:

(1) the price of the goods or services being procured is no greater than
the price offered to federal agencies;

(2) the State college receives the benefit of federally mandated price
reductions during the term of the contract and is protected from price
increases during that time; and

(3) the price of the goods or services being procured is no greater than
the price of the same or equivalent goods or services under any State
contract, unless the State college determines that because of factors other
than price, selection of a vendor from the Federal Supply Schedules would
be more advantageous to the State college.

c. Whenever a purchase is made pursuant to this section, the State
college shall place its order with the vendor offering the lowest price,
including delivery charges, that best meets the requirements of the State
college. Prior to placing such an order, the State college shall document
with specificity that the materials, supplies, goods, services or equipment
selected best meet the requirements of the State college.

8. Section 14 of P.L.1986, c.43 (C.18A:64-65) is amended to read
as follows:

C.18A:64-65 Advertisement for bids; notice of revisions.
14. a. All advertisements for bids shall be published in a legal newspa-
per sufficiently in advance of the date fixed for receiving the bids to
promote competitive bidding but in no event less than 10 days prior to that
date for any construction projects or any other contract or purchase. In
addition to being published in a legal newspaper, advertisements may also
be posted using electronic data or media services, including the internet.
The advertisement shall designate the manner of submitting and of receiv-
ing the bids and the time and place at which the bids will be received. If
the published specifications provide for receipt of bids by mail, those bids
which are mailed to the State college shall be sealed and shall be opened
only at such time and place as all bids received are unsealed and an-
ounced. At that time and place, the contracting agent of the State college
shall publicly receive the bids and thereupon immediately proceed to
unseal them and publicly announce the contents, which announcement
shall be made in the presence of any parties bidding or their agents who
are then and there present. A proper record of the prices and terms shall
be made. No bids shall be received after the time designated in the adver-
tisement.
b. Notice of revisions or addenda to advertisements or bid documents relating to bids shall be published in a legal newspaper or newspapers no later than seven days, Saturdays, Sundays and holidays excepted, prior to the bid due date. The notice shall be provided to any person who has submitted a bid or who has received a bid package, in one of the following ways: (a) in writing by certified mail or (b) by certified facsimile transmission, meaning that the sender's facsimile machine produces a receipt showing date and time of transmission and that the transmission was successful or (c) by a delivery service that provides certification of delivery to the sender. Failure to advertise or provide proper notification of revisions or addenda to advertisements or bid documents related to bids as prescribed by this section shall prevent the acceptance of bids and require the readvertisement for bids.

Failure to obtain a receipt when good faith notice is sent or delivered to the address or telephone facsimile number on file with the State college shall not be considered failure by the State college to provide notice.

9. Section 16 of P.L.1986, c.43 (C.18A:64-67) is amended to read as follows:

16. There may be required from any person bidding on any purchase, contract or agreement, advertised in accordance with law, that the bid be accompanied by a guaranty payable to the State college that, if the purchase, contract or agreement is awarded to him, he will enter into a contract therefor. The guaranty shall be in the amount of 10% of the bid but not in excess of $20,000.00, except as otherwise provided herein, and may be given, at the option of the bidder, by certified check, cashier's check or bid bond. For a construction contract the guaranty shall be in the amount of 10% of the bid. In the event that any law or regulation of the United States imposes any condition upon the awarding of a monetary grant to any State college, which condition requires a guaranty in an amount other than 10% of the bid or in excess of $20,000.00, the provisions of this section shall not apply and the requirements of the law or regulation of the United States shall govern.

The college may require a bid guaranty alone without also requiring a performance bond or other security in the contract.

10. Section 17 of P.L.1986, c.43 (C.18A:64-68) is amended to read as follows:
C.18A:64-68 Provision of surety company bond, other security.

17. a. In addition to or independently of the guaranty which may be required pursuant to this article, the State college may require that the successful bidder provide a surety company bond or other security acceptable to the State college:

(1) For the faithful performance of all provisions of the advertisement for bids, the specifications and any other documents issued to bidders or a repair or maintenance bond; and

(2) In a form which may be required in the specifications or other documents issued to bidders.

b. In every case in which a performance bond is required, the requirement shall be set forth in the specifications or other documents issued to all bidders.

c. The State college shall require that all performance bonds be issued by a surety which meets the following standards:

(1) The surety shall have the minimum surplus and capital stock or net cash assets required by R.S.17:17-6 or R.S.17:17-7, whichever is appropriate, at the time the invitation to bid is issued; and

(2) With respect to all payment and performance bonds in the amount of $850,000 or more, (a) if the amount of the bond is at least $850,000 but not more than $3.5 million, the surety shall hold a current certificate of authority, issued by the United States Secretary of the Treasury pursuant to 31 U.S.C.s.9305, that is valid in the State of New Jersey as listed annually in the United States Treasury Circular 570, except that if the surety has been operational for a period in excess of five years, the surety shall be deemed to meet the requirements of this subparagraph if it is rated in one of the three highest categories by an independent, nationally recognized United States rating company that determines the financial stability of insurance companies, which rating company or companies shall be determined pursuant to standards promulgated by the Commissioner of Banking and Insurance by regulation adopted pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), and (b) if the amount of the bond is more than $3.5 million, then the surety shall hold a current certificate of authority, issued by the United States Secretary of the Treasury pursuant to 31 U.S.C.s.9305, that is valid in the State of New Jersey as listed annually in the United States Treasury Circular 570 and, if the surety has been operational for a period in excess of five years, shall be rated in one of the three highest categories by an independent, nationally recognized United States rating company that determines the financial stability of insurance companies, which rating company or companies shall be determined pursuant to standards promulgated by the Commissioner of Banking and Insurance by regulation adopted pursuant to the "Adminis-
trative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). A surety subject to the provisions of subparagraph (b) of this paragraph which does not hold a certificate of authority issued by the United States Secretary of the Treasury shall be exempt from the requirement to hold such a certificate if the surety meets an equivalent set of standards developed by the Commissioner of Banking and Insurance through regulation which is at least equal, and may exceed, the general criteria required for issuance of a certificate of authority by the United States Secretary of the Treasury pursuant to 31 U.S.C.s.9305. A surety company seeking such an exemption shall, not later than the 180th day following the effective date of P.L.1995, c.384 (N.J.S.2A:44-143 et al.), certify to the appropriate State college that it meets that equivalent set of standards set forth by the commissioner as promulgated.

d. A State college shall not accept more than one payment and performance bond to cover a single construction contract. The State college may accept a single bond executed by more than one surety to cover a single construction contract only if the combined underwriting limitations of all the named sureties, as set forth in the most current annual revision of United States Treasury Circular 570, or as determined by the Commissioner of Banking and Insurance pursuant to R.S.17:18-9, meet or exceed the amount of the contract to be performed.

11. Section 18 of P.L.1986, c.43 (C.18A:64-69) is amended to read as follows:

18. The State college shall award the contract or reject all bids within such time as may be specified in the specifications or other documents issued to all bidders, but in no case more than 60 days, except the bids of any bidders who consent thereto, either before or after the 60-day period, may, at the request of the State college, be held for consideration for such longer period of time as may be agreed. Within three days, Sundays and holidays excepted, after the awarding of the contract and the approval of the successful bidder's performance bond, if any, the bid guaranty of the remaining bidders shall be returned to them.
12. Section 19 of P.L.1986, c.43 (C.18A:64-70) is amended to read as follows:

C.18A:64-70 Awards to responsible bidder whose bid is most advantageous.

19. All contracts or agreements for the purchase of goods and services, as distinct from contracts or agreements for the construction of buildings and other improvements, which require public advertisement for bids shall be awarded by the board of trustees to the responsible bidder whose bid, conforming to the invitation for bids, will be most advantageous to the State college, price and other factors considered.

Prior to the award of any contract or agreement which does not require public advertisement, the estimated cost of which is 20% or more of the amount set forth in this act or, commencing January 1, 1985, 20% of the amount determined by the Governor pursuant to subsection b. of section 3 of this act, the contracting agent shall, except in the case of professional services, solicit quotations therefor whenever practicable, and the award thereof shall be made, in accordance with section 3 of this article, on the basis of the quotation, conforming to the request for proposals, which is most advantageous to the State college, price and other factors considered; however, if the contracting agent deems it impractical to solicit competitive quotations or having sought the quotations determines that the award should not be made on that basis, the contracting agent shall file a statement of explanation of the reason or reasons therefor, which shall be placed on file with the purchase, contract, or agreement.

13. Section 2 of P.L.1992, c.61 (C.18A:64-76.1) is amended to read as follows:

C.18A:64-76.1 Advertisements by contracting agent for bids; award of contracts.

2. a. Whenever the entire cost for the construction, alteration or repair of any building by a State college will exceed the amount determined pursuant to subsection b. of section 3 of P.L.1986, c.43 (C.18A:64-54), the contracting agent shall advertise for and receive in the manner provided by law:

(1) separate bids for the following categories of work:
   (a) the plumbing and gas fitting work;
   (b) the heating and ventilating systems and equipment;
   (c) the electrical work, including any electrical power plants;
   (d) the structural steel and ornamental iron work;
   (e) all other work and materials required for the completion of the project, or

(2) bids for all work and materials required to complete the entire project if awarded as a single contract, or
(3) both (1) and (2) above.

All bids submitted shall set forth the names and license numbers of all subcontractors to whom the bidder will subcontract the work described in the foregoing categories (a) through (e).

b. Contracts shall be awarded to the lowest responsible bidder whose bid, conforming to the invitation for bids, will be the most advantageous to the State college. Whenever two or more bids of equal amounts are the lowest bids submitted by responsible parties, the college may award the contract to any of the parties, as, in its discretion, it may determine.

14. Section 26 of P.L.1986, c.43 (C.18A:64-77) is amended to read as follows:

C.18A:64-77 Deduction for costs of completion.

26. All specifications for the doing of any construction work for a State college shall fix the date before which the work shall be completed, or the number of working days to be allowed for its completion, and every contract shall contain a provision that if the construction work is not completed by the date fixed for completion or in the number of days allowed for completion, as set forth in the specifications, there shall be a deduction from the contract price for any moneys paid by the college to other contractors for the completion of the project. This requirement shall not preclude the State college from seeking liquidated damages or other remedies.

15. Section 27 of P.L.1986, c.43 (C.18A:64-78) is amended to read as follows:

C.18A:64-78 Sale of surplus personal property.

27. Any college may, by resolution of its board of trustees, authorize the sale in the following manner of its personal property not needed for college purposes:

a. If the estimated fair value of the property to be sold exceeds $26,200 or, commencing January 1, 2005, the amount determined pursuant to subsection b. of section 3 of P.L.1986, c.43 (C.18A:64-54), in any one sale and the property does not consist of perishable goods, it shall be sold at public sale to the highest bidder.

b. Notice of the date, time and place of the public sale, together with a description of the items to be sold and the conditions of sale, shall be published once in a legal newspaper. Sales shall be held not less than seven nor more than 14 days after the publication of the notice thereof.
c. Personal property may be sold to the United States, the State of New Jersey, another college or to any body politic by private sale without advertising for bids.

d. If no bids are received, the property may then be sold at private sale without further publication or notice thereof but in no event at less than the estimated fair value; or the State college may, if it so elects, reoffer the property at public sale. As used herein, "estimated fair value" means the market value of the property if sold by a willing seller to a willing buyer less the cost to the college of continuing to store or maintain the property.

e. A State college may reject all bids if it determines a rejection to be in the public interest. In any case in which the college has rejected all bids, it may readvertise the personal property for a subsequent public sale. If it elects to reject all bids at a second public sale pursuant to this section, it may then sell the personal property without further publication or notice thereof at private sale, but in no event shall the negotiated price at the private sale be less than the amount of the highest bid rejected at the preceding two public sales, nor shall the terms or conditions of sale be changed or amended.

f. If the estimated fair value of the property to be sold does not exceed $26,200 or, commencing January 1, 2005, the amount determined pursuant to subsection b. of section 3 of P.L.1986, c.43 (C.18A:64-54), in any one sale or the property consists of perishable goods, it may be sold at private sale without advertising for bids.

16. Section 28 of P.L.1986, c.43 (C.18A:64-79) is amended to read as follows:

C.18A:64-79 Multi-year contracts.

28. A State college may only enter a contract exceeding 36 consecutive months for the:

a. Supplying of fuel and oil for heating and other purposes and utilities for any term not exceeding in the aggregate five years; or

  j. Any single project for the construction, reconstruction or rehabilitation of a public building, structure or facility, or a public works project, including the retention of the services of an architect, engineer, construction manager, or other consultant in connection with the project, for the length of time necessary for the completion of the actual construction; or

All multiyear leases and contracts entered into pursuant to this section, except contracts and agreements for the provision of work or the supplying of equipment to promote energy conservation and authorized pursuant to subsection i. of this section, shall contain a clause making them subject to the availability and appropriation annually of sufficient funds to meet the extended obligation or contain an annual cancellation clause.

Repealer.

17. Section 20 of P.L.1986, c.43 (C.18A:64-71) is repealed.

18. This act shall take effect on the 60th day after enactment and apply to contracts for which bids are solicited on and after the effective date.

CHAPTER 370

AN ACT concerning guardianship for elderly or other incapacitated adults, supplementing Titles 9, 52 and 53 of the Revised Statutes, amending N.J.S.3B:12-25 and N.J.S.22A:2-30 and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:27G-32 Findings, declarations relative to elderly, incapacitated adults.

1. The Legislature finds and declares that:
   a. As the elderly and other incapacitated adult populations in the State continue to grow, the need for an increasing number of qualified individuals to be available to serve as court-appointed guardians for this population increases;
   b. New Jersey has established the Office of the Public Guardian for Elderly Adults to perform guardian services for adults age 60 years or older who do not have family or friends willing or able to furnish guardian services. The registration of professional guardians, to be available when family, friends or the Office of the Public Guardian for Elderly Adults are unable to act, will enhance the quality of care given to vulnerable adults;
   c. To the extent that many elderly and other incapacitated adults in the State do not have family or friends available to serve as guardians, it is prudent, after giving first consideration for guardianship of elderly adults to the Office of the Public Guardian for Elderly Adults, or when that office is not available, to develop other qualified individuals who can serve as professional guardians; and
   d. The establishment of standards for professional guardians will help protect adults who are adjudicated mentally incapacitated and need guardianship services.

C.52:27G-33 Requirements for service as guardian.

2. a. A person shall not serve as a professional guardian of five or more wards who are incapacitated adults unless that person has been granted letters of guardianship under N.J.S.3B:12-25 and is:
   (1) a spouse, domestic partner as defined in section 3 of P.L.2003, c.246 (C.26:8A-3), heir or friend of the incapacitated adult;
   (2) the public guardian appointed pursuant to section 5 of P.L.1985, c.298 (C.52:27G-24); or
   (3) a registered professional guardian.
   b. A person shall not serve as a registered professional guardian for any incapacitated adult who is a resident or confined to any facility or institution
where the registered professional guardian is employed by, or has any duties or responsibilities in connection with, the facility or institution, with the exception of an employee who has duties and responsibilities at the facility or institution and is a relative of the ward.

c. Nothing herein shall affect the authority of the court to appoint a financial institution qualified pursuant to section 28 of P.L.1948, c.67 (C.17:9A-28) as a fiduciary, or a person designated as a testamentary guardian.

d. A person may serve as a professional guardian of an incapacitated adult if that person has been registered by the Office of the Public Guardian for Elderly Adults as a professional guardian pursuant to this act. (3) has supplied proof of current professional liability insurance coverage to the Office of the Public Guardian for Elderly Adults;

(4) has submitted a credit check to the Office of the Public Guardian for Elderly Adults from one national credit reporting agency, which has been issued within one month of the date of the application for registration as a professional guardian;

(5) has satisfied the criminal history record background, child abuse registry and domestic violence central registry check requirements of this act;

(6) is not subject to any outstanding warrants for arrest;

(7) has completed approved initial training and biennial continuing education courses, as provided for in section 5 of this act, relating to guardianship law, procedures and ethics; and

(8) is not otherwise ineligible as set forth in section 3 of this act.

e. Except for legal services authorized by a court, a person serving as a registered professional guardian: (1) shall only provide guardianship services to a ward and shall not bill the ward for other professional or licensed services while serving as guardian; and (2) shall not contract for professional or licensed services with a person, organization or agency with which the guardian has a vested interest.
Ineligibility for registration as professional guardian.

3. a. In addition to the disqualification from registration as a professional guardian pursuant to section 6 of this act, a person is ineligible for registration as a professional guardian or, if registered, may have his registration suspended or revoked pursuant to section 12 of this act, if the person:

(1) is an attorney who has been disbarred or suspended from the practice of law;

(2) was engaged in a profession or occupation for which the person was licensed, certified or registered by a board or other authorized entity in the State and his license, certification or registration was suspended or revoked by the applicable board or other authorized entity of the profession or occupation;

(3) has a criminal conviction or has been found to be civilly liable for any matter involving moral turpitude, abuse, neglect, fraud, misappropriation, misrepresentation, theft or conversion;

(4) lacks financial responsibility to serve as a registered professional guardian, as determined by the Office of the Public Guardian for Elderly Adults;

(5) is found to have committed abuse, neglect or exploitation of another person;

(6) is the subject of any other disciplinary decision or civil adjudication that would prohibit the person by law from providing services to children or vulnerable adults;

(7) fails to fulfill the initial training or biennial continuing education courses pursuant to this act;

(8) misrepresents, conceals or falsifies information on the registered guardian application form or annual renewal form;

(9) is found to have committed any act which results in a substantial change in the registered guardian’s qualifications to serve as a guardian;

(10) engages in conduct which demonstrates unfitness to work as a registered professional guardian, including, but not limited to, persistent or repeated violations of a court order or engaging in any impropriety involving dishonesty, fraud, deceit or misrepresentation;

(11) fails to cooperate during the course of an investigation by the Office of the Public Guardian for Elderly Adults or any law enforcement agency;

(12) repeatedly fails to accept pro bono cases when assigned by the court; or

(13) is the subject of a court order, finding of fact or conclusion of law that indicates:

(a) a finding that the professional guardian has violated the guardian’s duties to an incapacitated person or his estate;

(b) a failure to comply with an order of the court;
(c) knowingly or negligently engaging in misconduct which: benefits the professional guardian or another; operates to deceive the court; causes serious or potentially serious injury to a party, the public or the legal system; or causes serious or potentially serious interference with a legal proceeding;
(d) endangering an incapacitated person;
(e) conduct outside the powers or role of a guardian;
(f) a repeated or significant failure to perform guardian responsibilities or a dereliction of fiduciary duties;
(g) a failure to file required reports and forms;
(h) having engaged in inappropriate billing or fee payment; or
(i) malfeasance, nonfeasance or misfeasance.

b. A registered professional guardian shall maintain records of all transactions and reports associated with an incapacitated adult in his care and shall be subject to audit or spot-check inspection at any reasonable time, at the discretion of the public guardian and his authorized agents, to enable the public guardian to verify satisfactory operational, fiscal and care management compliance by professional guardians.

C.52:27G-35 Existing agreements, void, exceptions.

4. a. An inter vivos gift, contract, conveyance, disposition, transfer, trust, change in beneficiary designation, appointment, or re-titling of an account or property, or a testamentary instrument affecting an incapacitated adult's money or property in favor of a registered professional guardian or a family member or business associate of the registered professional guardian, made or executed, as appropriate, during the two-year period before the establishment of a guardianship in which the registered professional guardian is appointed as guardian shall be void, unless the court determines that:

(1) the registered professional guardian or a family member or business associate of the registered professional guardian who benefits from the inter vivos transaction or testamentary instrument described in this subsection is a spouse, domestic partner as defined in section 3 of P.L.2003, c.246 (C.26:8A-3) or heir at law of the incapacitated adult; or

(2) the registered professional guardian has proved by a preponderance of the evidence that the inter vivos transaction or testamentary instrument described in this subsection:

(a) was not made or executed, as appropriate, when the incapacitated adult was under the disability that caused the incapacitated adult to be subsequently declared incapacitated;

(b) was authorized and not the result of undue influence, fraud, coercion, duress, deception or misrepresentation; and

(c) was reviewed by an independent attorney, who is not associated with the registered professional guardian or a family member or business associate
of the registered professional guardian, donee, contracting party, transferee, beneficiary, title holder or devisee, and that:

(i) the independent attorney counseled the incapacitated adult about the nature and consequences of the intended inter vivos transaction or testamentary instrument described in this subsection; and

(ii) the independent attorney certified that the intended inter vivos transaction or testamentary instrument described in this subsection was not the result of undue influence, fraud, coercion, duress or misrepresentation.

The provisions of this subsection shall not be construed to affect any other right or remedy that may be available to the incapacitated adult or the estate of the incapacitated adult with respect to an inter vivos transaction or testamentary instrument described in this subsection that benefits a registered professional guardian or a family member or business associate of the registered professional guardian.

The provisions of this subsection shall not be construed to invalidate a subsequent transfer for value to a bona fide transferee from a registered professional guardian or a family member or business associate of the registered professional guardian.

b. A registered professional guardian, unless authorized by a court order after notice to all interested persons, shall not:

(1) loan an incapacitated adult's property or funds to himself or an affiliate;

(2) make, revoke or change an incapacitated adult's beneficiary designation to himself or an affiliate;

(3) purchase or participate in the purchase of property from an incapacitated adult's estate for the professional guardian's own or an affiliate's account or benefit;

(4) transfer an incapacitated adult's property or funds by inter vivos transaction to himself or an affiliate, or receive by operation of survivorship rights any of an incapacitated adult's property or funds for himself or an affiliate;

(5) engage in any transaction involving self-dealing or a conflict of interest concerning an incapacitated adult's property or funds; or

(6) make any renovation to the ward's real property in an amount greater than $10,000, except that in extraordinary circumstances involving a catastrophic situation, the guardian may apply ex parte to the Superior Court for an order permitting the renovation.

C.52:27G-36 Application, annual registration fees.

5. a. The Office of the Public Guardian for Elderly Adults shall charge each professional guardian an initial application fee and an annual registration fee. The initial application fee shall be in addition to the cost of a credit
history report and child abuse registry and criminal history record background checks. Annual registration shall be made on forms furnished by the office and accompanied by the applicable fee, as established by the office. The initial application and annual registration fees shall not exceed $300. Such fees shall be retained by the office for the implementation of this act.

b. The Office of the Public Guardian for Elderly Adults shall approve a vendor to provide initial training and continuing education courses biennially in accordance with procedures to be established by the office. In order to administer this program efficiently, the office may limit the number of vendors providing this service.

C.52:27G-37 Criminal background checks for professional guardians.

6. a. Upon receipt of an application for registration as a professional guardian, the Office of the Public Guardian for Elderly Adults is authorized to determine whether criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division or in the State Bureau of Identifications in the Division of State Police that would disqualify the person from being registered as a professional guardian.

The Office of the Public Guardian for Elderly Adults is authorized to access the child abuse registry in the Department of Human Services and the domestic violence central registry in the Administrative Office of the Courts.

A person shall be disqualified from registration if the person's criminal history record background check reveals a record of conviction of any of the following crimes and offenses:

(1) In New Jersey, any crime or disorderly persons offense:
   (a) involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:11-1 et seq., N.J.S.2C:12-1 et seq., N.J.S.2C:13-1 et seq., N.J.S.2C:14-1 et seq. or N.J.S.2C:15-1 et seq.;
   (b) against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S.2C:24-1 et seq.;
   (c) involving theft as set forth in chapter 20 of Title 2C of the New Jersey Statutes, or fraud relating to any health care plan or program as set forth in section 15 of P.L.1989, c.300 (C.2C:21-4.1), sections 2 and 3 of P.L.1997, c.353 (C.2C:21-4.2 and 2C:21-4.3), P.L.1999, c.162 (C.2C:21-22.1) or section 17 of P.L.1968, c.413 (C.30:4D-17); or
   (d) involving any controlled dangerous substance or controlled substance analog as set forth in chapter 35 of Title 2C of the New Jersey Statutes except paragraph (4) of subsection a. of N.J.S.2C:35-10.

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.
A person shall also be disqualified from registration if a check of the child abuse registry reveals that the person has a history of child abuse.

In a case in which a check of the domestic violence central registry reveals that the person has a history of domestic violence, the public guardian shall review the record with respect to the type and date of the criminal offense or the provisions and date of the final domestic violence restraining order and make a determination as to the suitability of the person to be a registered professional guardian.

b. Notwithstanding the provisions of subsection a. of this section to the contrary, no person shall be disqualified from registration on the basis of any conviction disclosed by a criminal history record background check performed pursuant to this act if the person has affirmatively demonstrated to the public guardian clear and convincing evidence of the applicant's rehabilitation. In determining whether a person has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) the nature and responsibility of the position which the person would hold, has held or currently holds, as the case may be;
(2) the nature and seriousness of the offense;
(3) the circumstances under which the offense occurred;
(4) the date of the offense;
(5) the age of the person when the offense was committed;
(6) whether the offense was an isolated or repeated incident;
(7) any social conditions which may have contributed to the offense; and
(8) any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, work history, or the recommendation of those who have had the person under their supervision.

c. If a person refuses to consent to, or cooperate in, the securing of a criminal history record background check, the public guardian shall not register that person as a professional guardian and shall notify the person of that denial.

C.52:27G-38 Information provided for background checks.

7. a. A person who is required to undergo a criminal history record background, child abuse registry and domestic violence central registry check pursuant to section 6 of this act shall submit to the public guardian his name, address and fingerprints, in accordance with the applicable State and federal laws, rules and regulations. The Office of the Public Guardian is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required pursuant to this act.
b. Upon receipt of the criminal history record information for a person from the Federal Bureau of Investigation or the Division of State Police, the public guardian shall, within a reasonable time, notify the person in writing of his qualification or disqualification for registration under this act. If the person is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the notice to the person.

c. Upon receipt of the information for a person from the child abuse registry in the Department of Human Services or the domestic violence central registry in the Administrative Office of the Courts, the public guardian shall, within a reasonable time, notify the person in writing of his qualification or disqualification for registration under this act. If the person is disqualified, the incident or incidents which constitute the basis for the disqualification shall be identified in the notice to the person.

d. The person has a right to be heard by the Office of the Public Guardian for Elderly Adults, within 30 days from the date of the written notice of disqualification, on the accuracy of his criminal history record, child abuse registry or domestic violence central registry information or to establish his rehabilitation under subsection b. of section 6 of this act. Upon the issuance of a final decision by the public guardian, pursuant to this subsection, the Office of the Public Guardian for Elderly Adults shall notify the person as to whether he remains disqualified. A person disputing an adverse determination by the Office of the Public Guardian for Elderly Adults may file with the Office of Administrative Law for an administrative hearing.

The department shall immediately forward the information obtained as a result of the check to the Office of the Public Guardian for Elderly Adults.

d. (1) Coverage for a dependent who makes a written election for coverage pursuant to subsection c. of this section shall consist of coverage which
is identical to the coverage provided to that dependent prior to the termination of coverage at the specific age provided in the plan. If coverage is modified under the plan for any similarly situated dependents for coverage prior to the termination of coverage at the specific age provided in the plan, the coverage shall also be modified in the same manner for the dependent.

(2) Coverage for a dependent who makes a written election for coverage pursuant to subsection c. of this section shall not be conditioned upon, or discriminate on the basis of, lack of evidence of insurability.

e. (1) The covered person's plan may require payment of a premium by the covered person or dependent, as appropriate, subject to the approval of the Commissioner of Banking and Insurance, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection c. of this section. The premium shall not exceed 102% of the applicable portion of the premium previously paid for that dependent's coverage under the plan prior to the termination of coverage at the specific age provided in the plan.

(2) The applicable portion of the premium previously paid for the dependent's coverage under the plan shall be determined pursuant to regulations promulgated by the Commissioner of Banking and Insurance, based upon the difference between the plan's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commissioner which provides a substantially similar result.

(3) Payments of the premium may, at the election of the payor, be made in monthly installments.

f. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(1) the dependent is disqualified for dependent status as set forth in subsection a. of this section;

(2) the date on which coverage ceases under the plan by reason of a failure to make a timely payment of any premium required under the plan by the covered person or dependent for coverage provided pursuant to this section. The payment of any premium shall be considered to be timely if made within 30 days after the due date or within a longer period as may be provided for by the plan; or

(3) the date upon which the employer under whose plan coverage is provided to a dependent ceases to provide coverage to the covered person.

Nothing herein shall be construed to permit a carrier to refuse a written election for coverage by a dependent pursuant to subsection c. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection.
Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to a covered person:

(1) in the certificate of coverage prepared for covered persons by the carrier on or about the date of commencement of coverage; and

(2) by the covered person's employer:

(a) on or before the coverage of a covered person's dependent terminates at the specific age as provided in the plan;

(b) at the time coverage of the dependent is no longer provided pursuant to this section because the dependent is disqualified for dependent status as set forth in subsection a. of this section, except this employer notice shall not be required when a dependent no longer qualifies based upon paragraph (1) or (3) of subsection a. of this section;

(c) before the 30 day period in each year following the year coverage terminates at the specific age as provided in the plan, permitting a dependent to make a written election for coverage pursuant to subsection c. of this section; and

(d) immediately following the effective date of this section, with respect to information concerning a dependent's opportunity, for 12 months after the effective date of this section, to make a written election to reinstate coverage under a plan pursuant to paragraph (2) of subsection c. of this section.

This section shall apply to those plans in which the carrier has reserved the right to change the premium.

C.26:2J-10.3 Coverage for certain dependents until age 30 by health maintenance organization.

provide coverage to the dependent after that specific age, until the dependent's 30th birthday.

(2) Nothing herein shall be construed to require:

(b) that an employer pay all or part of the cost of coverage for a dependent as provided pursuant to this section.

c. (1) A dependent covered by an enrollee's contract, which coverage under the contract terminates at a specific age before the dependent's 30th birthday, may make a written election for coverage as a dependent pursuant to this section, until the dependent's 30th birthday:
(a) within 30 days prior to the termination of coverage at the specific age provided in the contract;
(b) within 30 days after meeting the requirements for dependent status as set forth in subsection a. of this section, when coverage for the dependent under the contract previously terminated; or

(2) For 12 months after the effective date of this section, a dependent who qualifies for dependent status as set forth in subsection a. of this section, but whose coverage as a dependent under an enrollee's contract terminated under the terms of the contract prior to the effective date of this section, may make a written election to reinstate coverage under that contract as a dependent pursuant to this section.

d. (2) Coverage for a dependent who makes a written election for coverage pursuant to subsection c. of this section shall not be conditioned upon, or discriminate on the basis of, lack of evidence of insurability.

e. (1) The enrollee's contract may require payment under the schedule of charges by the enrollee or dependent, as appropriate, subject to the approval of the Commissioner of Banking and Insurance, for any period of coverage relating to a dependent's written election for coverage pursuant to subsection c. of this section. The payment shall not exceed 102% of the applicable portion of the schedule of charges previously paid for that depend-
ent's coverage under the contract prior to the termination of coverage at the specific age provided in the contract.

(2) The applicable portion of the schedule of charges previously paid for the dependent's coverage under the contract shall be determined pursuant to regulations promulgated by the Commissioner of Banking and Insurance, based upon the difference between the contract's rating tiers for adult and dependent coverage or family coverage, as appropriate, and single coverage, or based upon any other formula or dependent rating tier deemed appropriate by the commissioner which provides a substantially similar result.

(3) Payments under the schedule of charges may, at the election of the payor, be made in monthly installments.

f. Coverage for a dependent provided pursuant to this section shall be provided until the earlier of the following:

(1) the dependent is disqualified for dependent status as set forth in subsection a. of this section;

(2) the date on which coverage ceases under the contract by reason of a failure to make a timely payment under any schedule of charges required under the contract by the enrollee or dependent for coverage provided pursuant to this section. The payment under any schedule of charges shall be considered to be timely if made within 30 days after the due date or within a longer period as may be provided for by the contract; or

(3) the date upon which the employer under whose contract coverage is provided to a dependent ceases to provide coverage to the enrollee.

Nothing herein shall be construed to permit a health maintenance organization to refuse a written election for coverage by a dependent pursuant to subsection c. of this section, based upon the dependent's prior disqualification pursuant to paragraph (1) of this subsection.

(4) Notice regarding coverage for a dependent as provided pursuant to this section shall be provided to an enrollee:

(1) in the certificate of coverage prepared for enrollees by the health maintenance organization on or about the date of commencement of coverage; and

(2) by the enrollee's employer:

(a) on or before the coverage of an enrollee's dependent terminates at the specific age as provided in the contract;

(b) at the time coverage of the dependent is no longer provided pursuant to this section because the dependent is disqualified for dependent status as set forth in subsection a. of this section, except this employer notice shall not be required when a dependent no longer qualifies based upon paragraph (1) or (3) of subsection a. of this section;

(c) before any open enrollment period permitting a dependent to make a written election for coverage pursuant to subsection c. of this section; and
(d) immediately following the effective date of this section, with respect to information concerning a dependent's opportunity, for 12 months after the effective date of the section, to make a written election to reinstate coverage under a contract pursuant to paragraph (2) of subsection c. of this section.

e. Any person who violates the provisions of this section shall be guilty of a crime of the fourth degree in addition to any other crime or offense specified by law.

C.45:19-35 Employees of license holder, "employee's statement" required.

8. a. The licensee shall be liable, accountable and responsible for the actions and conduct in connection with his or her business of each person so employed.

b. The holder of any license issued under the provisions of this act shall require each person employed to execute and furnish a verified statement, to be known as an "employee's statement," which shall set forth the employee's full name, residence, place and date of birth and such other information as the superintendent shall require by rule or regulation. The licensee shall retain in safe keeping, and the superintendent shall at all times have access to and may from time to time examine, each "employee's statement." The holder of any license issued under the provisions of this act shall pay to the superintendent an additional fee, in an amount established by the superintendent by rule or regulation, for each person employed by the licensee.

c. A licensee who fails to comply with any of the provisions of this section shall be guilty of a crime of the fourth degree in addition to any other crime or offense specified by law. Any person who shall knowingly make a false statement in or knowingly omit any material information from the "employee's statement" required by this section shall be guilty of a crime of the fourth degree in addition to any other crime or offense specified by law.

C.45:19-36 Fingerprinting, criminal history record background check for employees of licensed bounty hunter.

9. a. The superintendent shall compare the person’s fingerprints with information on file with the State Bureau of Identification in the Division
of State Police and the Federal Bureau of Investigation consistent with applicable State and federal laws, rules and regulations.

b. A person who is required to be licensed pursuant to the provisions of this act shall not knowingly employ in any capacity whatsoever any person who has been convicted, as indicated by a criminal history record background check performed pursuant to the provisions of this section, of:

(1) a crime of the first, second, third or fourth degree;

(2) an offense involving the unlawful use, possession or sale of a controlled dangerous substance as defined in N.J.S.2C:35-2; or

(3) an offense where employment of the person by the licensee would be contrary to the public interest, as determined by the superintendent.

c. A person who is required to be licensed pursuant to the provisions of this act who employs any person for whom a criminal history record background check required by this section has not been performed or whom the licensee knows has been convicted of a disqualifying crime or offense as set forth in this section shall be guilty of a crime of the fourth degree in addition to any other crime or offense specified by applicable law. Each violation of this section shall constitute a separate offense.

C.45:19-37 "Unlawful force" defined, penalties for use.

10. a. Any person who is required to be licensed pursuant to the provisions of this act who enters any premises or dwelling without license or privilege or who employs the use of unlawful force in engaging in or assisting in the apprehension, arrest, detention, confinement, surrender, securing or surveillance of any person who has violated the provisions of N.J.S.2C:29-7 or has failed to appear in any court of law in this State or any other state, when so required by law, or has failed to answer any charge, subpoena or court ordered inquiry, when so required by law, shall, in addition to any other criminal penalties provided under law, be guilty of a crime of the fourth degree.

As used in this section, the term “unlawful force” shall have the same meaning as set forth in N.J.S.2C:3-11.

b. A person who is required to be licensed pursuant to the provisions of this act shall not purchase, possess or carry a handgun, firearm or other weapon unless otherwise permitted under chapter 39 or 58 of Title 2C of the New Jersey Statutes. A person who violates the provisions of this subsection shall, in addition to any other criminal penalties provided under law, be guilty of a crime of the fourth degree.

C.45:19-38 Powers of superintendent.

11. For the purpose of investigating whether a person has engaged in, or is engaging in, any act or practice declared unlawful under this act, or for the purpose of investigating the character, competency, integrity or methods

Nothing contained in this section shall be construed to limit, waive or abrogate the scope or effect of any statutory or common law privilege, including but not limited to, the attorney-client privilege.

C.45:19-39 Violation, revocation, suspension of license.

12. a. A violation of any of the provisions of this act shall be cause for revocation or suspension of any license issued hereunder, notwithstanding that the same violation may constitute a crime or other offense under the laws of this State or any other state or jurisdiction. An indictment, prosecution and conviction arising out of any of the provisions of this act shall not be construed to preclude, if the evidence so warrants, an indictment, prosecu-
tion and conviction for any other crime or offense in this State or any other state or jurisdiction.

b. In addition to any other penalties prescribed by this act or any other law, a person who violates any of the provisions of this act shall be liable to a civil penalty not to exceed $1,000 for a first offense and not to exceed $2,500 for a second or subsequent offense. AN ACT to promote cooperation, partnerships and the exchange of information across the Mid-Atlantic region, ratifying on behalf of the State of New Jersey a compact therefor and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:9X-11 Short title.

1. This act shall be known and may be cited as the "SMART Research and Development Compact Act."

C.52:9X-12 SMART Research and Development Compact ratified.

2. The State of New Jersey hereby ratifies the SMART Research and Development Compact with any other state legally joining therein, which compact is substantially as follows:
ARTICLE I

a. The shared borders, similar economic, environmental, and socioeconomic traits as well as the common historical attributes between the residents of Delaware, Maryland, New Jersey, and Pennsylvania, bind the four states into a common Mid-Atlantic region.

b. This region presents a rich framework of approximately 618 colleges and universities, including approximately 38 leading engineering colleges with a variety of technical expertise and ingenious research and development programs within every field of science and technology.

c. This region contains a variety of federally owned and generated laboratories or organizations assigned with the task of performing needed research and development in most of our Nation's technical areas, highlighted by defense, transportation, health, energy, and communications.

d. This region possesses a great wealth of private manufacturers, laboratories, and nonprofit organizations in each of the scientific and technological pursuits, such as homeland security, defense, aerospace, manufacturing, information systems, materials, chemicals, medical applications, and pharmaceuticals.

e. Increased cooperation between the above-mentioned institutions and the four Mid-Atlantic State governments may effectively enhance the region's contribution to the United States in all fields of science and technology and promote academic, private and public research and development, technical enterprise, and intellectual vitality.

f. A multi-state organization assigned with the task of linking various institutions across different jurisdictions and promoting working partnerships may further assist the United States by providing a model for the rest of the nation for the effective use of limited national, State, and local funding resources.

ARTICLE II

There is created the SMART (Strengthening the Mid-Atlantic Region for Tomorrow) Research and Development Compact (hereinafter referred to as "the compact"). The purpose of the compact is to promote the contribution of the Mid-Atlantic region to the nation's research and development in science and technology, and to create a multi-state organization, the purpose of which is to oversee and help facilitate the acquisition of research and development funding, and to enhance the cooperation, formation of partnerships, and sharing of information among businesses, academic institutions, federal and state governmental agencies, laboratories, federally owned and operated...
laboratories, and nonprofit entities, within the Mid-Atlantic region comprised of the states of Delaware, Maryland, New Jersey, and Pennsylvania.

ARTICLE III

a. The states eligible to become parties to the compact shall be the four states of Delaware, Maryland, New Jersey, and Pennsylvania.

b. Each state eligible to become a party state to the compact shall be declared a "party state" upon enactment of the compact into law by the state.

ARTICLE IV

a. The party states agree to establish a multi-state organization as a joint organization to be known as the SMART Organization (hereinafter referred to as "the organization").

b. The organization shall be headed by a Board of Directors that shall consist of a representative from each party state, appointed as provided by the law of that state, and representatives from the party states for each technology class described in ARTICLE V of the compact. The Board of Directors may also include representatives of any business, academic institution, nonprofit agency, federal or state governmental agency, laboratory, and federally owned and operated laboratory within the party states.

c. The Board of Directors shall oversee and direct the projects, administration, and policies of the organization and may create and utilize the services of technology-designated working groups to identify goals and sources of funding, establish research and development projects, detect new technology advances for the Mid-Atlantic region to pursue, and facilitate cooperation among regional entities. The Board of Directors and working groups in the organization shall serve without compensation and shall hold regular quarterly meetings and such special meetings as their business may require.

d. The organization shall adopt bylaws and any other such rules or procedures as may be needed. The organization may hold hearings and conduct studies and surveys to carry out its purpose. The organization may acquire by gift or otherwise and hold and dispose of such money and property as may be provided for the proper performance of its functions, may cooperate with other public or private groups, whether local, state, regional, or national, having an interest in economic or technology development, and may exercise such other powers as may be appropriate to accomplish its functions and duties in connection with the development of the organization and to carry out the purpose of the compact.
ARTICLE V

CHAPTER 378

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1977, c.225 (C.34:1A-46) is amended to read as follows:

C.34:1A-46 Legislative findings and declarations.

2. The Legislature hereby finds and declares that:

a. Increased revenues for this State and more employment opportunities for its citizens will result from the proper promotion throughout the United States and the world of the many tourist attractions which New Jersey has to offer to vacationers and travelers.

b. Such proper promotion—and the desired expansion of tourism in New Jersey—will be enhanced by the formulation of a master plan for the development of the tourist industry throughout New Jersey.
c. The objective of State policy through its programs, agencies, and resources shall be to provide an optimum of satisfaction and high-quality service to visitors, to protect the natural beauty of New Jersey, and to sustain, promote, and expand the economic health of the tourist industry in a manner and to the extent compatible with such goals.

d. To implement this policy, the Commerce, Economic Growth and Tourism Commission shall create advertisements for use on television, radio, the Internet and in print, to promote the State's diverse appeal to prospective national and international vacationers and travelers as part of its advertising, public relations, and marketing campaign. In addition, as required pursuant to section 9 of P.L.1977, c.225 (C.34:1A-53), the Division of Travel and Tourism shall annually review the 10-year master plan developed pursuant to section 8 of P.L.1977, c.225 (C.34:1A-52) by the director of the division with the assistance of the New Jersey Tourism Policy Council, and submit a report to the Governor and Legislature containing an evaluation of the preceding year's activities and developments in tourism and the revisions recommended in the master plan.

e. In the advancement and promotion of New Jersey's tourism industry, it is necessary to change the name of the New Jersey Commerce and Economic Growth Commission to the New Jersey Commerce, Economic Growth and Tourism Commission and to require that the division report semiannually to the Governor and the Legislature on the efforts of the commission to promote tourism in New Jersey and on the expenditure of funds allocated to tourism advertising and promotion from hotel and motel occupancy fees pursuant to section 2 of P.L.2003, c.114 (C.54:32D-2). As tourism may be particularly sensitive to changing economic conditions, a frequent review of the State's tourism planning and activities may necessitate revisions in the State's tourism policy to further encourage tourism promotion and to otherwise meet the challenges of implementing this policy.

2. Section 3 of P.L.1977, c.225 (C.34:1A-47) is amended to read as follows:

C.34:1A-47 Definitions.

3. As used in this act, unless a different meaning appears from the context:

"Council" means the New Jersey Tourism Policy Council.

"Director" means the Director of the Division of Travel and Tourism.
"Division" means the Division of Travel and Tourism in the New Jersey Commerce, Economic Growth and Tourism Commission.

"Elected local official" means the county executive of any county wherein that office is established, a member of the governing body of a county, or a mayor or member of the governing body of a municipality.

"Tourism" means activities involved in providing and marketing services and products, including accommodations, for nonresidents and residents who travel to and in New Jersey for recreation and pleasure.

"Tourist industry" means the industry consisting of private and public organizations which directly or indirectly provide services and products to nonresidents and residents who travel to and in New Jersey for recreation and pleasure.

3. Section 4 of P.L.1977, c.225 (C.34:1A-48) is amended to read as follows:

C.34:1A-48 Division of Travel and Tourism, establishment; director, appointment.

4. There is hereby established in the New Jersey Commerce, Economic Growth and Tourism Commission ("commission") the Division of Travel and Tourism. The division shall be under the supervision of a director, who shall be a person qualified by training and experience to direct the work of such division. The director shall be appointed by the Governor after consultation with the council and with the advice and consent of the Senate. The director shall serve during the term of office of the Governor appointing the director and until the director's successor is appointed and qualified. The director shall receive such salary as shall be provided by law and shall devote the director's entire time and attention to the duties of the director's office and shall not, while in office, engage in any other gainful pursuit. The Governor may remove the director from office for cause, upon notice and opportunity to be heard.

4. Section 7 of P.L.1977, c.225 (C.34:1A-51) is amended to read as follows:

C.34:1A-51 New Jersey Tourism Policy Council.

7. a. There is created in the division the New Jersey Tourism Policy Council which shall consist of 23 members:

- One representative of the food service sector;
- One representative of the eco-tourism sector;
- One representative of the cultural arts sector;
- One representative of the convention and visitor bureaus or tour/receptive services sectors;

(3) The Chief Executive Officer and Secretary of the commission, who shall serve ex officio as a voting member and chair of the council;

(4) Six elected local officials, not more than three of whom shall be of the same political party, who shall be appointed by the Governor with the advice and consent of the Senate, and of whom one shall be a resident of Cape May or Cumberland County, one shall be a resident of Atlantic County, one shall be a resident of Burlington, Camden, Gloucester, Mercer or Salem County, one shall be a resident of Monmouth or Ocean County, one shall be a resident of Bergen, Essex, Hudson, Middlesex, Passaic or Union County, and one shall be a resident of Hunterdon, Morris, Somerset, Sussex or Warren County; and

Public members shall serve until their successors are appointed and qualified. Vacancies occurring other than by expiration of term shall be filled for the unexpired term only.

(2) The term of appointment, as a member of the council, of an elected local official appointed pursuant to paragraph 4 of subsection a. of this
section shall be the same as the term of office, as an elected local official, that the person is serving at the time of such appointment. In the event that a member of the council appointed pursuant to that paragraph no longer serves as an elected local official, the term of appointment for that member shall cease and the Governor may, with the advice and consent of the Senate, appoint a replacement to serve for the remainder of the unexpired term. In the case of a person who, at the time of such appointment, serves as an elected local official in two different offices, the term of the person's appointment to the council shall be measured by the longer of the terms as an elected local official. Nothing in this paragraph shall preclude the reappointment as an elected local official member of the council of a person whose term of office as such elected local official has expired, but who has been reelected to succeed himself in the same local office.

d. (Deleted by amendment, P.L.1991, c.280).

e. The members of the council shall serve without compensation but shall be entitled to reimbursement for actual and necessary expenses incurred in the performance of their duties as members.

However, a public member whose term of office has ceased pursuant to this section shall continue in office until a successor is appointed and qualified.

9. Section 1 of P.L.1998, c.44 (C.52:27C-61) is amended to read as
follows:
CHAPTER 378, LAWS OF 2005 2513

C.52:27C-61 Short title.
1. This act shall be known and may be cited as the "New Jersey Commerce, Economic Growth and Tourism Commission Act."

10. Section 2 of P.L.1998, c.44 (C.52:27C-62) is amended to read as follows:

2. The Legislature finds and declares that:
   a. New Jersey is in a fierce competition for jobs and businesses, not only with other states, but throughout the world; and
   b. The State must do all it can to increase opportunities for New Jersey citizens to enjoy economic success and prosperity; and
   c. To attract business, New Jersey must think and act like a business, by utilizing the best available personnel, without consideration of political affiliation, selected on the basis of the skills, ability and experience, needed to provide enhanced customer service, and by responding to the needs of the business community with flexibility and agility; and
   d. Commerce and economic development are priorities for New Jersey because success in these endeavors means the creation of jobs for our citizens. As such, commerce and economic development deserve a unique and dynamic role in our State government; and
   e. Because we soon will be entering the 21st century, New Jersey must now boldly transform its economic development mission to be market driven, mobile and responsive enough to the future's challenges to empower New Jersey to undertake new commercial and economic ventures as the economic engine of the Northeast; and
   f. The State and its citizens will benefit from a more sharply focused economic development vision, in which the State's efforts are coordinated under one organization, the New Jersey Commerce, Economic Growth and Tourism Commission, that coordinates economic development activities for the State with all related entities, including, but not limited to, the New Jersey Economic Development Authority, the New Jersey Commission on Science and Technology, the New Jersey Urban Enterprise Zone Authority, the Motion Picture and Television Development Commission, and the New Jersey Development Authority for Small Businesses, Minorities' and Women's Enterprises; and
   g. Just as the Legislature 25 years ago could not have predicted the technological and business changes that have taken place since then, this Legislature recognizes that it, too, cannot predict the future and must, therefore, ensure that the Commerce, Economic Growth and Tourism Commis-
tion has the agility and ability to retool its focus and priorities to ensure the State's capability to respond to the technological and business changes yet to come; and

h. Economic growth and prosperity are still the number one priorities for our citizens, and by creating an innovative and independent economic development entity, the New Jersey Commerce, Economic Growth and Tourism Commission, the Legislature reaffirms that it is also a priority of government; and

i. The board of directors of the commission appointed pursuant to this act should assist the Chief Executive Officer and Secretary of the commission appointed pursuant to this act in assuring that persons appointed to the staff of the commission, because they will no longer be in the classified civil service pursuant to Title 11A of the New Jersey Statutes, will be selected on the basis of qualification and professional and technical competence, avoiding political considerations to the maximum extent possible; and

j. The New Jersey Commerce, Economic Growth and Tourism Commission promotes economic vitality and builds a foundation for world economic leadership in the 21st century and stimulates dynamic economic growth by providing resources and services to citizens, businesses and institutions, in partnership with other government agencies and the private sector, to create jobs. Because of the crucial importance tourism plays in New Jersey's economy, the commission is therefore charged with the mandate to increase tourism through promotional, informational, educational, and developmental programs. These initiatives are to be designed to maintain and increase New Jersey's standing as a premier national and international travel destination by nurturing, expanding and attracting industry, commerce, and tourism, in order to achieve the highest quality of life and ensure economic security for all our citizens.

11. Section 3 of P.L.1998, c.44 (C.52:27C-63) is amended to read as follows:

3. There is established a body corporate and politic, with corporate succession, to be known as the "New Jersey Commerce, Economic Growth and Tourism Commission" (hereinafter "the commission").

The commission shall be established in the Executive Branch of the State Government and for the purposes of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the commission is allocated, in but not of, the Department of the Treasury, but notwithstanding this allocation, the commission shall be independent of any supervision and control by the department or by any board or officer thereof.
12. Section 5 of P.L.1998, c.44 (C.52:27C-65) is amended to read as follows:

C.52:27C-65 Appropriations, moneys continued.

5. All appropriations and other moneys available and to become available to any department, division, bureau, board, commission, or other entity or agency, the functions, powers and duties of which have been assigned or transferred to the Department of Commerce and Economic Development, are hereby continued in the commission, except as herein otherwise provided, and shall be available for the objects and purposes for which such moneys are appropriated subject to any terms, restrictions, limitations, or other requirements imposed by State or federal law. Nothing herein shall alter the provisions of section 4 of P.L.1983, c.190 (C.34:1B-39). Whenever, in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Department of Commerce and Economic Development or the New Jersey Commerce and Economic Growth Commission, the same shall mean and refer to the "New Jersey Commerce, Economic Growth and Tourism Commission" in but not of the Department of the Treasury.

13. This act shall take effect immediately; sections 1 through 12 shall remain inoperative until the 90th day after enactment, but the New Jersey Commerce and Economic Growth Commission may take such anticipatory administrative action in advance as shall be necessary for the implementation of the act.

Approved January 12, 2006.

CHAPTER 379

AN ACT establishing prevailing wage standards for State building service contracts and supplementing chapter 11 of Title 34 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. It is declared to be the public policy of this State to establish prevailing wage levels for the employees of contractors and subcontractors furnishing building services for any property or premises owned or leased by the State in order to safeguard the efficiency and general well-being of those
employees and to protect them and their employers from the effects of serious and unfair competition based on low wage levels which are detrimental to efficiency and well-being.

C.34:11-56.59 Definitions relative to prevailing wage levels for employees furnishing State building services.

"The State" means the State of New Jersey and all of its departments, bureaus, boards, commissions, agencies and instrumentalities, including any State institutions of higher education, but does not include political subdivisions.

C.34:11-56.60 Contract to contain provision for prevailing wage, building services rates.

3. Every contract to furnish building services for any property or premises owned or leased by the State shall contain a provision stating the prevailing wage for building services rates that are applicable to the workers employed in the performance of the contract and shall contain a stipulation that those workers shall be paid not less than the indicated prevailing wage for building services rates. The contract shall provide for annual adjustments
of the prevailing wage for building services during the term of the contract, and shall provide that if it is found that any worker employed by the contractor or any subcontractor covered by the contract has been paid less than the required prevailing wage, the State Treasurer may terminate the contractor or subcontractor's right to proceed with the work, and the contractor and his sureties shall be liable to the State for any excess costs occasioned by the termination.

4. The record shall be open at all reasonable hours to inspection by the Director of the Division of Purchase and Property and the commissioner.

C.34:11-56.62 Civil action to recover prevailing wage for building services.

5. Any worker paid less than the prevailing wage for building services to which the worker is entitled by the provisions of this act may recover in a civil action the full amount of the prevailing wage for building services less any amount actually paid to the worker by the employer together with any costs and reasonable attorney's fees allowed by the court, and an agreement between the worker and the employer to work for less than the prevailing wage for building services shall not be a defense to the action. The worker shall be entitled to maintain an action for and on behalf of the worker or other workers similarly situated and the worker or workers may designate an agent or representative to maintain such actions for and on behalf of all workers similarly situated. At the request of any worker paid less than the prevailing wage for building services required under the provisions of this act, the commissioner may take an assignment of the wage claim in trust for the assigning worker or workers and may bring any legal action necessary to collect the claim, and the employer shall be required to pay any costs and such reasonable attorney's fee as are allowed by the court.

C.34:11-56.63 Authority of commissioner.

6. The commissioner shall have the authority to:

a. investigate and ascertain the wages of any employees of a contractor or subcontractor furnishing building services for any property or premises owned or leased by the State;

b. enter and inspect the place of business or employment of any contractor or subcontractor furnishing building services for any property or premises owned or leased by the State, for the purpose of examining and
inspecting any or all books, registers, payrolls, and other records of any such contractor or subcontractor that in any way relate to or have a bearing upon the question of wages, hours, and other conditions of employment of any employees of such contractor or subcontractor; copy any or all of such books, registers, payrolls, and other records as the commissioner may deem necessary or appropriate; and question the employees of such contractor or subcontractor for the purpose of ascertaining whether the provisions of this act have been and are being complied with;

c. require from such contractor or subcontractor full and correct statements in writing, including sworn statements, with respect to wages, hours, names, addresses, and other information pertaining to the contractor or subcontractor's workers and their employment as the commissioner may deem necessary or appropriate; and

d. require any contractor or subcontractor to file, within 10 days of receipt of a request, any records enumerated in subsections b. and c. of this section, sworn as to their validity and accuracy. If the contractor or subcontractor fails to provide the requested records within 10 days, the State Treasurer may immediately withhold from payment to the employer up to 25% of the amount, not to exceed $100,000, to be paid to the employer under the terms of the contract pursuant to which the building services work is being performed. The amount withheld shall be immediately released upon receipt by the State Treasurer of a notice from the commissioner indicating that the request for records has been satisfied.

C.34:11-56.64 Violations; fines, penalties.

7. Any contractor or subcontractor who willfully hinders or delays the commissioner in the performance of the commissioner's duties in the enforcement of this act, or fails to make, keep, and preserve any records as required under the provisions of this act, or falsifies any such record, or refuses to make any such record accessible to the commissioner upon demand, or refuses to furnish a sworn statement of such record or any other information required for the proper enforcement of this act to the commissioner upon demand, or pays or agrees to pay wages at a rate less than the rate applicable under this act or otherwise violates any provision of this act or of any regulation or order issued under this act shall be guilty of a disorderly persons offense and shall, upon conviction therefor, be fined not less than $100.00 nor more than $1,000 or be imprisoned for not less than 10 nor more than 90 days, or by both such fine and imprisonment. As an alternative to any other sanctions or in addition thereto, herein or otherwise provided by law for violation of this act, the commissioner is authorized to supervise the payment of amounts due to workers under this act, and the contractor or subcontractor may be required to make these payments to the commissioner to be held in a special account in trust for the workers, and paid on order of the commissioner directly to the worker or workers affected. The contractor or subcontractor shall also pay the commissioner an administrative fee equal to not less than 10% or more than 25% of any payment made to the commissioner pursuant to this section. The amount of the administrative fee shall be specified in a schedule of fees to be promulgated by rule or regulation of the commissioner in accordance with the "Administrative Procedure Act," P.L.1968, c. 410 (C. 52:14B-1 et seq.). The fee shall be applied toward enforcement and administration costs of the

CHAPTER 380

AN ACT concerning collective negotiation agreement provisions for grievance arbitration and amending P.L.1968, c.303.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 7 of P.L.1968, c.303 (C.34:13A-5.3) is amended to read as follows:

C.34:13A-5.3 Employee organizations; right to form or join; collective negotiations; grievance procedures.

7. Except as hereinafter provided, public employees shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join and assist any employee organization or to refrain from any such activity; provided, however, that this right shall not extend to elected officials, members of boards and commissions, managerial executives, or confidential employees, except in a school district the term managerial executive shall mean the superintendent of schools or his equivalent, nor, except where established practice, prior agreement or special circumstances dictate the contrary, shall any supervisor having the power to hire, discharge, discipline, or to effectively recommend the same, have the right to be represented in collective negotiations by an employee organization that admits nonsupervisory personnel to membership, and the fact that any organization has such supervisory employees as members shall not deny the right of that organization to represent the appropriate unit in collective negotiations; and provided further, that, except where established practice, prior agreement, or special circumstances dictate the contrary, no policeman shall have the right to join an employee organization that admits employees other than policemen to membership. The negotiating unit shall be defined with due regard for the community of interest among the employees concerned, but the commission shall not intervene in matters of recognition and unit definition except in the event of a dispute.

Representatives designated or selected by public employees for the purposes of collective negotiation by the majority of the employees in a unit appropriate for such purposes, by the majority of the employees voting in an election conducted by the commission as authorized by this act or, at the option of the representative in a case in which the commission finds that only one representative is seeking to be the majority representative, by a majority of the employees in the unit signing authorization cards indicating their preference for that representative, shall be the exclusive representatives for collective negotiation concerning the terms and conditions of employment of the employees in such unit. An authorization card indicating preference shall not be valid unless it is printed in a language understood by the employees who signs it.

Nothing herein shall be construed to prevent any official from meeting with an employee organization for the purpose of hearing the views and requests of its members in such unit so long as (a) the majority representative is informed of the meeting; (b) any changes or modifications in terms and
conditions of employment are made only through negotiation with the majority representative; and (c) a minority organization shall not present or process grievances. Nothing herein shall be construed to deny to any individual employee his rights under Civil Service laws or regulations. When no majority representative has been selected as the bargaining agent for the unit of which an individual employee is a part, he may present his own grievance either personally or through an appropriate representative or an organization of which he is a member and have such grievance adjusted.

A majority representative of public employees in an appropriate unit shall be entitled to act for and to negotiate agreements covering all employees in the unit and shall be responsible for representing the interest of all such employees without discrimination and without regard to employee organization membership. Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established. In addition, the majority representative and designated representatives of the public employer shall meet at reasonable times and negotiate in good faith with respect to grievances, disciplinary disputes, and other terms and conditions of employment. Nothing herein shall be construed as permitting negotiation of the standards or criteria for employee performance.

When an agreement is reached on the terms and conditions of employment, it shall be embodied in writing and signed by the authorized representatives of the public employer and the majority representative.

Public employers shall negotiate written policies setting forth grievance and disciplinary review procedures by means of which their employees or representatives of employees may appeal the interpretation, application or violation of policies, agreements, and administrative decisions, including disciplinary determinations, affecting them, provided that such grievance and disciplinary review procedures shall be included in any agreement entered into between the public employer and the representative organization. Such grievance and disciplinary review procedures may provide for binding arbitration as a means for resolving disputes. Except as otherwise provided herein, the procedures agreed to by the parties may not replace or be inconsistent with any alternate statutory appeal procedure nor may they provide for binding arbitration of disputes involving the discipline of employees with statutory protection under tenure or civil service laws, except that such procedures may provide for binding arbitration of disputes involving the minor discipline of any public employees protected under the provisions of section 7 of P.L.1968, c.303 (C.34:13A-5.3), other than public employees subject to discipline pursuant to R.S.53:1-10. Grievance and disciplinary review procedures established by agreement between the public employer and the representative organization shall be utilized for any dispute covered
by the terms of such agreement. For the purposes of this section, minor discipline shall mean a suspension or fine of less than five days unless the employee has been suspended or fined an aggregate of 15 or more days or received more than three suspensions or fines of five days or less in one calendar year.

Where the State of New Jersey and the majority representative have agreed to a disciplinary review procedure that provides for binding arbitration of disputes involving the major discipline of any public employee protected under the provisions of this section, other than public employees subject to discipline pursuant to R.S.53:1-10, the grievance and disciplinary review procedures established by agreement between the State of New Jersey and the majority representative shall be utilized for any dispute covered by the terms of such agreement. For the purposes of this section, major discipline shall mean a removal, disciplinary demotion, suspension or fine of more than five days, or less where the aggregate number of days suspended or fined in any one calendar year is 15 or more days or unless the employee received more than three suspensions or fines of five days or less in one calendar year.

In interpreting the meaning and extent of a provision of a collective negotiation agreement providing for grievance arbitration, a court or agency shall be bound by a presumption in favor of arbitration. Doubts as to the scope of an arbitration clause shall be resolved in favor of requiring arbitration.

2. This act shall take effect immediately.

Approved January 12, 2006.

(4) Upon the receipt of proper proofs of the death of a member who has retired on a service retirement allowance, there shall be paid to his beneficiary an amount equal to one-half of the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service.

10. (a) The Executive Commission on Ethical Standards created pursuant to P.L.1967, c.229, is continued and established in the Department of Law and Public Safety and shall constitute the first commission under P.L.1971, c.182 (C.52:13D-12 et al.).

Upon the effective date of P.L.2005, c.382, the Executive Commission on Ethical Standards shall be renamed, and thereafter referred to, as the State Ethics Commission. Vacancies in the membership of the commission shall be filled in the same manner as the original appointments but, in the case of public mem-

(d) The Attorney General shall act as legal adviser and counsel to the commission. The Attorney General shall upon request advise the commission in the rendering of advisory opinions by the commission, in the approval and review of codes of ethics adopted by State agencies in the Executive Branch and in the recommendation of revisions in codes of ethics or legislation relating to the conduct of State officers and employees in the Executive Branch.

The training officer shall devote full-time to the creation, maintenance and coordination of a training program on ethical standards. The program shall be established for the purpose specified in section 2 of P.L.2005, c.382 (C.52:13D-21.1). The program shall be provided by the training officer or assistants or deputies of such officer, or by such other persons as may be designated by the commission. The commission shall approve the form and content of the training program created by the training officer and shall determine when and at what intervals State officers and employees and special State officers and employees in a State agency in the Executive Branch shall be required to complete such a program. The training program may include content which in particular addresses the situations of certain identified groups of officers or employees such as those who are involved in contracting processes.

(3) The commission shall employ a compliance officer who shall be in the unclassified service of the civil service of this State. The compliance officer shall devote full-time to the creation, maintenance, monitoring and coordination of procedures to ensure that all State officers and employees and special State officers and employees in State agencies in the Executive Branch comply fully with all reporting and training requirements and that all materials, forms, codes, orders and notices are distributed to and acknowledged by appropriate individuals, as may be required. In addition, the compliance officer shall conduct, on such regular basis as determined by the commission, systematic audits of State agencies in the Executive Branch for
compliance with the laws, regulations, codes, orders, procedures, advisory opinions and rulings concerning the ethical standards for State employees and officers and special State officers and employees.

(f) The commission, in order to perform its duties pursuant to the provisions of P.L.1971, c.182 (C.52:13D-12 et al.), shall have the power to conduct investigations, hold hearings, compel the attendance of witnesses and the production before it of such books and papers as it may deem necessary, proper and relevant to the matter under investigation. The members of the commission and the persons appointed by the commission for that purpose are hereby empowered to administer oaths and examine witnesses under oath.

(g) The commission is authorized to render advisory opinions as to whether a given set of facts and circumstances would, in its opinion, constitute a violation of the provisions of P.L.1971, c.182 (C.52:13D-12 et al.) or of a code of ethics promulgated pursuant to the provisions of P.L.1971, c.182 (C.52:13D-12 et al.).

(h) The commission shall have jurisdiction to initiate, receive, hear and review complaints regarding violations, by any current or former State officer or employee or current or former special State officer or employee, in the Executive Branch, of the provisions of P.L.1971, c.182 (C.52:13D-12 et al.) or of a code of ethics promulgated pursuant to the provisions of P.L.1971, c.182 (C.52:13D-12 et al.). An investigation regarding a violation committed during service by a former State officer or employee or special State officer or employee shall be initiated by the commission not later than two years following the termination of service.

The commission shall have the authority to dismiss a complaint that it determines to be frivolous.

(i) Any current or former State officer or employee or current or former special State officer or employee found guilty by the commission of violating any provision of P.L.1971, c.182 (C.52:13D-12 et al.) or of a code of ethics promulgated pursuant to the provisions of P.L.1971, c.182 (C.52:13D-12 et al.) shall be fined not less than $500 nor more than $10,000, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.), and may be suspended from office or employment by order of the commission for a period of not in excess of one year. If the commission finds that the conduct of the officer or employee constitutes a willful and continuous disregard of the provisions of P.L.1971, c.182 (C.52:13D-12 et al.) or of a code of ethics
promulgated pursuant to the provisions of P.L.1971, c.182 (C.52:13D-12 et al.), it may order that person removed from office or employment and may further bar the person from holding any public office or employment in this State in any capacity whatsoever for a period of not exceeding five years from the date on which the person was found guilty by the commission.

In addition, for violations occurring after the effective date of P.L.2005, c.382, the commission may order restitution, demotion, censure or reprimand, or for a failure to file an appropriate financial disclosure statement or form, shall impose a civil penalty of $50 for each day of the violation, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

(j) The remedies provided herein are in addition to all other criminal and civil remedies provided under the law.

(k) The commission shall promulgate, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), such rules and regulations as may be necessary to effectuate the purposes of P.L.1971, c.182 (C.52:13D-12 et al.).

b. No State officer or employee, nor any person, nor any member of the immediate family of any State officer or employee, or person, nor any partnership, firm or corporation with which any such State officer or employee or person is associated or in which he has an interest, nor any partner, officer, director or employee while he is associated with such partnership, firm, or corporation, shall hold, directly or indirectly, an interest in, or hold employment with, or represent, appear for, or negotiate on behalf of, any holder of, or applicant for, a casino license, or any holding or intermediary
company with respect thereto, in connection with any cause, application, or matter, except that (1) a State officer or employee other than a State officer or employee included in the definition of person, and (2) a member of the immediate family of a State officer or employee, or of a person, may hold employment with the holder of, or applicant for, a casino license if, in the judgment of the State Ethics Commission, the Joint Legislative Committee on Ethical Standards, or the Supreme Court, as appropriate, such employment will not interfere with the responsibilities of the State officer or employee, or person, and will not create a conflict of interest, or reasonable risk of the public perception of a conflict of interest, on the part of the State officer or employee, or person. No special State officer or employee without responsibility for matters affecting casino activity, excluding those serving in the Departments of Education, Health and Senior Services, and Human Services and the Commission on Higher Education, shall hold, directly or indirectly, an interest in, or represent, appear for, or negotiate on behalf of, any holder of, or applicant for, a casino license, or any holding or intermediary company with respect thereto, in connection with any cause, application, or matter. However, a special State officer or employee without responsibility for matters affecting casino activity may hold employment directly with any holder of or applicant for a casino license or any holding or intermediary company thereof and if so employed may hold, directly or indirectly, an interest in, or represent, appear for, or negotiate on behalf of, his employer, except as otherwise prohibited by law.

c. No person or any member of his immediate family, nor any partnership, firm or corporation with which such person is associated or in which he has an interest, nor any partner, officer, director or employee while he is associated with such partnership, firm or corporation, shall, within two years next subsequent to the termination of the office or employment of such person, hold, directly or indirectly, an interest in, or hold employment with, or represent, appear for or negotiate on behalf of, any holder of, or applicant for, a casino license in connection with any cause, application or matter. However, a special State officer or employee without responsibility for matters affecting casino activity may hold employment directly with any holder of or applicant for a casino license or any holding or intermediary company with respect thereto, in connection with any cause, application, or matter. (1) a member of the immediate family of a person may hold employment with the holder of, or applicant for, a casino license if, in the judgment of the State Ethics Commission, the Joint Legislative Committee on Ethical Standards, or the Supreme Court, as appropriate, such employment will not interfere with the responsibilities of the person and will not create a conflict of interest, or reasonable risk of the public perception of a conflict of interest, on the part of the person;
(2) an employee who is terminated as a result of a reduction in the workforce at the agency where employed, other than an employee who held a policy-making management position at any time during the five years prior to termination of employment, may, at any time prior to the end of the two-year period, accept employment with the holder of, or applicant for, a casino license if, in the judgment of the State Ethics Commission, the Joint Legislative Committee on Ethical Standards, or the Supreme Court, as appropriate, such employment will not create a conflict of interest, or reasonable risk of the public perception of a conflict of interest, on the part of the employee. In no case shall the restrictions of this subsection apply to a secretarial or clerical employee. Nothing herein contained shall alter or amend the post-employment restrictions applicable to members and employees of the Casino Control Commission and employees and agents of the Division of Gaming Enforcement pursuant to subsection b. (2) of section 59 and to section 60 of P.L.1977, c.110 (C.5:12-59 and C.5:12-60); and

(3) any partnership, firm or corporation engaged in the practice of law with which a former member of the Judiciary is associated, and any partner, officer, director or employee thereof, other than the former member, may represent, appear for or negotiate on behalf of any holder of, or applicant for, a casino license in connection with any cause, application or matter or any holding company or intermediary company with respect to such holder of, or applicant for, a casino license in connection with any phase of casino development, permitting, licensure or any other matter whatsoever related to casino activity, and the former member shall not be barred from association with such partnership, firm or corporation, if the former member: (1) is screened, for a period of two years next subsequent to the termination of the former member's employment, from personal participation in any such representation, appearance or negotiation; and (2) the former member is associated with the partnership, firm or corporation in a position considered "of counsel," which does not entail any equity interest in the partnership, firm or corporation.

d. This section shall not apply to the spouse of a State officer or employee, which State officer or employee is without responsibility for matters affecting casino activity, who becomes the spouse subsequent to the State officer's or employee's appointment or employment as a State officer or employee and who is not individually or directly employed by a holder of, or applicant for, a casino license, or any holding or intermediary company.

e. The Joint Legislative Committee on Ethical Standards and the State Ethics Commission, as appropriate, shall forthwith determine and publish, and periodically update, a list of those positions in State government with responsibility for matters affecting casino activity.
f. No person shall solicit or accept, directly or indirectly, any complimentary service or discount from any casino applicant or licensee which he knows or has reason to know is other than a service or discount that is offered to members of the general public in like circumstance.

g. No person shall influence, or attempt to influence, by use of his official authority, the decision of the commission or the investigation of the division in any application for licensure or in any proceeding to enforce the provisions of this act or the regulations of the commission. Any such attempt shall be promptly reported to the Attorney General; provided, however, that nothing in this section shall be deemed to proscribe a request for information by any person concerning the status of any application for licensure or any proceeding to enforce the provisions of this act or the regulations of the commission.

h. Any person who willfully violates the provisions of this section is a disorderly person and shall be subject to a fine not to exceed $1,000, or imprisonment not to exceed six months, or both.

In addition, for violations of subsection c. of this section occurring after the effective date of P.L.2005, c.382, a civil penalty of not less than $500 nor more than $10,000 shall be imposed upon a former State officer or employee or former special State officer or employee of a State agency in the Executive Branch upon a finding of a violation by the State Ethics Commission, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

5. Section 58 of P.L.1977, c.110 (C.5:12-58) is amended to read as follows:

C.5:12-58 Restrictions on pre-employment by commissioners, commission employees and division employees and agents.

58. Restrictions on Pre-Employment by Commissioners, Commission Employees and Division Employees and Agents.

a. Deleted by amendment.

b. No person shall be appointed to or employed by the commission or division if, during the period commencing three years prior to appointment or employment, said person held any direct or indirect interest in, or any employment by, any person which is licensed as a casino licensee pursuant to section 87 of P.L.1977, c.110 (C.5:12-87) or as a casino service industry pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) or has an application for such a license pending before the commission; provided, however, that notwithstanding any other provision of this act to the contrary, any such person may be appointed to or employed by the commission or
division if his interest in any such casino licensee or casino service industry which is publicly traded would not, in the opinion of the employing agency, interfere with the objective discharge of such person's employment obligations, but in no instance shall any person be appointed to or employed by the commission or division if his interest in such a casino licensee or casino service industry which is publicly traded constituted a controlling interest in that casino licensee or casino service industry; and provided further, however, that notwithstanding any other provision of this act to the contrary, any such person may be employed by the commission or division in a secretarial or clerical position if, in the opinion of the employing agency, his previous employment by, or interest in, any such casino licensee or casino service industry would not interfere with the objective discharge of such person's employment obligations.

c. Prior to appointment or employment, each member of the commission, each employee of the commission, the director of the Division of Gaming Enforcement and each employee and agent of the division shall swear or affirm that he possesses no interest in any business or organization licensed by or registered with the commission.

d. Each member of the commission and the director of the division shall file with the State Ethics Commission a financial disclosure statement listing all assets and liabilities, property and business interests, and sources of income of said member or director and his spouse and shall provide to the State Ethics Commission a financial disclosure statement listing all assets and liabilities, property and business interests, and sources of income of the parents, brothers, sisters, and children of said member or director. Such statement shall be under oath and shall be filed at the time of appointment and annually thereafter.

e. Each employee of the commission, except for secretarial and clerical personnel, and each employee and agent of the division, except for secretarial and clerical personnel, shall file with the State Ethics Commission a financial disclosure statement listing all assets and liabilities, property and business interests, and sources of income of said employee or agent and his spouse. Such statement shall be under oath and shall be filed at the time of employment and annually thereafter.

6. Section 59 of P.L.1977, c.110 (C.5:12-59) is amended to read as follows:

C.5:12-59 Employment restrictions on commissioners, commission employees and division employees.

59. Employment Restrictions on Commissioners, Commission Employees and Division Employees.
a. The "New Jersey Conflicts of Interest Law," P.L.1971, c.182 (C.52:13D-12 et seq.) shall apply to members of the commission and to all employees of the commission and the division, except as herein specifically provided.

b. The commission shall, no later than January 1, 1981, promulgate a Code of Ethics that is modeled upon the Code of Judicial Conduct of the American Bar Association, as amended and adopted by the Supreme Court of New Jersey. This Code of Ethics shall include, but not be limited to, provisions that address the propriety of relationships and dealings between the commission and its staff, and licensees and applicants for licensure under this act.

c. The division shall promulgate a Code of Ethics governing its specific needs.

d. The Codes of Ethics promulgated by the commission and the division shall not be in conflict with the laws of this State, except, however, that said Codes of Ethics may be more restrictive than any law of this State.

e. The Codes of Ethics promulgated by the commission and the division shall be submitted to the State Ethics Commission for approval. The Codes of Ethics shall include, but not be limited to provisions that:

   (1) No commission member or employee or division employee or agent shall be permitted to gamble in any establishment licensed by the commission except in the course of his duties.

   (2) No commission member or employee or division employee or agent shall solicit or accept employment from any person licensed by or registered with the commission or from any applicant for a period of four years after termination of service with the commission or division, except as otherwise provided in section 60 of this act.

   (3) No commission member or employee or any division employee or agent shall act in his official capacity in any matter wherein he or his spouse, child, parent or sibling has a direct or indirect personal financial interest that might reasonably be expected to impair his objectivity or independence of judgment.

   (4) No commission employee or any division employee or agent shall act in his official capacity in a matter concerning an applicant for licensure or a licensee who is the employer of a spouse, child, parent or sibling of said commission or division employee or agent when the fact of the employment of such spouse, child, parent or sibling might reasonably be expected to impair the objectivity and independence of judgment of said commission employee or division employee or agent.

   (5) No spouse, child, parent or sibling of a commission member shall be employed in any capacity by an applicant for a casino license or a casino licensee nor by any holding, intermediary or subsidiary company thereof.
(6) No commission member shall meet with any person, except for any other member of the commission or employee of the commission, or discuss any issues involving any pending or proposed application or any matter whatsoever which may reasonably be expected to come before the commission, or any member thereof, for determination unless the meeting or discussion takes place on the business premises of the commission, provided, however, that commission members may meet to consider matters requiring the physical inspection of equipment or premises at the location of the equipment or premises. All meetings or discussions subject to this paragraph shall be noted in a log maintained for this purpose and available for inspection pursuant to the provisions of P.L.1963, c.73 (C.47:1A-1 et seq.).

f. No commission member or employee or division employee or agent shall have any interest, direct or indirect, in any applicant or in any person licensed by or registered with the commission during his term of office or employment.

g. Each commission member and employee of the commission, including legal counsel, and each employee and agent of the division shall devote his entire time and attention to his duties and shall not pursue any other business or occupation or other gainful employment; provided, however, that secretarial and clerical personnel may engage in such other gainful employment as shall not interfere with their duties to the commission or division, unless otherwise directed; and provided further, however, that other employees of the commission and division and agents of the division may engage in such other gainful employment as shall not interfere or be in conflict with their duties to the commission or division, upon approval by the commission or the director of the division, as the case may be.

h. No member of the commission, employee of the commission, or employee or agent of the division shall:

(1) Use his official authority or influence for the purpose of interfering with or affecting the result of an election or a nomination for office;

(2) Directly or indirectly coerce, attempt to coerce, command or advise any person to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes; or

(3) Take any active part in political campaigns or the management thereof; provided, however, that nothing herein shall prohibit a person from voting as he chooses or from expressing his personal opinions on political subjects and candidates.

i. For the purpose of applying the provisions of the "New Jersey Conflicts of Interest Law," any consultant or other person under contract for services to the commission and the division shall be deemed to be a special State employee, except that the restrictions of section 4 of P.L.1981, c.142 (C.52:13D-17.2) shall not apply to such person. Such person and any
corporation, firm or partnership in which he has an interest or by which he is employed shall not represent any person or party other than the commission or the division before the commission.

7. Section 60 of P.L.1977, c.110 (C.5:12-60) is amended to read as follows:

C.5:12-60 Post-employment restrictions

60. Post-employment restrictions.
   a. No member of the commission shall hold any direct or indirect interest in, or be employed by, any applicant or by any person licensed by or registered with the commission for a period of 4 years commencing on the date his membership on the commission terminates.
   b. (1) No employee of the commission or employee or agent of the division may acquire any direct or indirect interest in, or accept employment with, any applicant or any person licensed by or registered with the commission, for a period of two years commencing at the termination of employment with the commission or division, except that a secretarial or clerical employee of the commission or the division may accept such employment at any time after the termination of employment with the commission or division. At the end of two years and for a period of two years thereafter, a former employee or agent who held a policy-making management position at any time during the five years prior to termination of employment may acquire an interest in, or accept employment with, any applicant or person licensed by or registered with the commission upon application to and the approval of the commission upon a finding that the interest to be acquired or the employment will not create the appearance of a conflict of interest and does not evidence a conflict of interest in fact.
      (2) Notwithstanding the provisions of this subsection, if the employment of a commission employee or a division employee or agent, other than an employee or agent who held a policy-making management position at any time during the five years prior to termination of employment, is terminated as a result of a reduction in the workforce at the commission or division, the employee or agent may, at any time prior to the end of the two-year period, accept employment with any applicant or person licensed by or registered with the commission upon application to and the approval of the commission upon a finding that the employment will not create the appearance of a conflict of interest and does not evidence a conflict of interest in fact. The decision of the commission shall be final, and the employee or agent shall not be subject to a determination by the State Ethics Commission under section 4 of P.L.1981, c.142 (C.52:13D-17.2).
c. No commission member or person employed by the commission or division shall represent any person or party other than the State before or against the commission for a period of two years from the termination of his office or employment with the commission or division.

d. No partnership, firm or corporation in which a former commission member or employee or former division employee or agent has an interest, nor any partner, officer or employee of any such partnership, firm or corporation shall make any appearance or representation which is prohibited to said former member, employee, or agent; provided, however, that nothing herein shall prohibit such partnership, firm or corporation from making such appearance or representation on behalf of a casino service industry licensed under subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92).

e. Notwithstanding any post-employment restriction imposed by this section, nothing herein shall prohibit a former commission member or employee or former division employee or agent, at any time after termination of such membership or employment, from acquiring an interest in, or soliciting or obtaining employment with, any person licensed as a casino service industry under subsection c. of section 92 of this act or any applicant for such licensure.

8. Section 62 of P.L.1977, c.110 (C.5:12-62) is amended to read as follows:

C.5:12-62 Enforcement.

62. Enforcement.

a. The State Ethics Commission, established pursuant to the "New Jersey Conflicts of Interest Law," P.L.1971, c.182 (C.52:13D-12 et seq.) shall enforce the provisions of sections 58, 59, and 60 of this act.

b. Penalties for violation of sections 58, 59, and 60 shall be those set forth in P.L.1971, c.182 (C.52:13D-12 et seq.).

In addition, for violations of section 60 occurring after the effective date of P.L.2005, c.382, the commission shall impose a civil penalty of not less than $500 nor more than $10,000, which penalty may be collected in a summary proceeding pursuant to the "Penalty Enforcement Law of 1999," P.L.1999, c.274 (C.2A:58-10 et seq.).

9. Section 8 of P.L.1971, c.182 (C.52:13D-19) is amended to read as follows:

C.52:13D-19 Contracts of State agencies.

8. a. No member of the Legislature or State officer or employee shall knowingly himself, or by his partners or through any corporation which he controls or in which he owns or controls more than 1% of the stock, or by
any other person for his use or benefit or on his account, undertake or execute, in whole or in part, any contract, agreement, sale or purchase of the value of $25.00 or more, made, entered into, awarded or granted by any State agency, except as provided in subsection b. of this section. No special State officer or employee having any duties or responsibilities in connection with the purchase or acquisition of property or services by the State agency where he is employed or an officer shall knowingly himself, by his partners or through any corporation which he controls or in which he owns or controls more than 1% of the stock, or by any other person for his use or benefit or on his account, undertake or execute, in whole or in part, any contract, agreement, sale or purchase of the value of $25.00 or more, made, entered into, awarded or granted by that State agency, except as provided in subsection b. of this section. The restriction contained in this subsection shall apply to the contracts of interstate agencies to the extent consistent with law only if the contract, agreement, sale or purchase is undertaken or executed by a New Jersey member to that agency or by his partners or a corporation in which he owns or controls more than 1% of the stock.

b. The provisions of subsection a. of this section shall not apply to (a) purchases, contracts, agreements or sales which (1) are made or let after public notice and competitive bidding or which (2), pursuant to section 5 of chapter 48 of the laws of 1944 (C. 52:34-10) or such other similar provisions contained in the public bidding laws or regulations applicable to other State agencies, may be made, negotiated or awarded without public advertising for bids, or (b) any contract of insurance entered into by the Director of the Division of Purchase and Property pursuant to section 10 of article 6 of chapter 112 of the laws of 1944 (C. 52:27B-62), if such purchases, contracts or agreements, including change orders and amendments thereto, shall receive prior approval of the Joint Legislative Committee on Ethical Standards if a member of the Legislature or State officer or employee or special State officer or employee in the Legislative Branch has an interest therein, or the State Ethics Commission if a State officer or employee or special State officer or employee in the Executive Branch has an interest therein.

10. Section 12 of P.L.1971, c.182 (C.52:13D-23) is amended to read as follows:

C.52:13D-23 Codes of ethics.

12. (a) (1) The head of each State agency, or the principal officer in charge of a division, board, bureau, commission or other instrumentality within a department of State Government designated by the head of such department for the purposes hereinafter set forth, shall within six months from the date of enactment, promulgate a code of ethics to govern and guide
the conduct of the members of the Legislature, the State officers and employees or the special State officers and employees in the agency to which said code is applicable. Such code shall conform to the general standards hereinafter set forth in this section, but it shall be formulated with respect to the particular needs and problems of the agency to which said code is to apply and, when applicable, shall be a supplement to the uniform ethics code promulgated pursuant to paragraph (2) of this subsection. Notwithstanding any other provisions of this section, the New Jersey members to any interstate agency to which New Jersey is a party and the officers and employees of any State agency which fails to promulgate a code of ethics shall be deemed to be subject to a code of ethics the provisions of which shall be paragraphs (1) through (6) of subsection (e) of this section.

(2) Within 180 days following the effective date of this act, P.L.2005, c.382, the State Ethics Commission shall promulgate a uniform ethics code to govern and guide the conduct of State officers and employees and special State officers and employees in State agencies in the Executive Branch. Such code shall conform to the general standards hereinafter set forth in this section, shall be the primary code of ethics for State agencies once it is adopted and a code promulgated pursuant to paragraph (1) of this subsection shall be a supplement to the primary code. The head of each State agency, or the principal officer in charge of a division, board, bureau, commission or other instrumentality within a department of State Government designated by the head of such department shall revise each code of ethics promulgated prior to the uniform code to recognize the uniform code as the primary code.

(b) A code of ethics formulated pursuant to subsection (a) of this section to govern and guide the conduct of the State officers and employees or the special State officers and employees in any State agency in the Executive Branch, or any portion of such a code, shall not be effective unless it has first been approved by the State Ethics Commission. When a proposed code is submitted to the said commission it shall be accompanied by an opinion of the Attorney General as to its compliance with the provisions of this act and any other applicable provision of law. Nothing contained herein shall prevent officers of State agencies in the Executive Branch from consulting with the Attorney General or with the State Ethics Commission at any time in connection with the preparation or revision of such codes of ethics.

(c) A code of ethics formulated pursuant to this section to govern and guide the conduct of the members of the Legislature, State officers and employees or special State officers and employees in any State agency in the Legislative Branch, or any portion of such code, shall not be effective unless it has first been approved by the Legislature by concurrent resolution. When a proposed code is submitted to the Legislature for approval it shall be accompanied by an opinion of the chief counsel as to its compliance with
the provisions of this act and any other applicable provisions of law. Nothing contained herein shall prevent officers of State agencies in the Legislative Branch from consulting with the Chief Legislative Counsel or the Joint Legislative Committee on Ethical Standards at any time in connection with the preparation or revision of such codes of ethics.

(d) Violations of a code of ethics promulgated pursuant to this section shall be cause for removal, suspension, demotion or other disciplinary action by the State officer or agency having the power of removal or discipline. When a person who is in the classified civil service is charged with a violation of such a code of ethics, the procedure leading to such removal or discipline shall be governed by any applicable provisions of the Civil Service Act, N.J.S.11A:1-1 et seq., and the Rules of the Department of Personnel. No action for removal or discipline shall be taken under this subsection except upon the referral or with the approval of the State Ethics Commission or the Joint Legislative Committee on Ethical Standards, whichever is authorized to exercise jurisdiction with respect to the complaint upon which such action for removal or discipline is to be taken.

(e) A code of ethics for officers and employees of a State agency shall conform to the following general standards:

(1) No State officer or employee or special State officer or employee should have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity, which is in substantial conflict with the proper discharge of his duties in the public interest.

(2) No State officer or employee or special State officer or employee should engage in any particular business, profession, trade or occupation which is subject to licensing or regulation by a specific agency of State Government without promptly filing notice of such activity with the State Ethics Commission, if he is an officer or employee in the Executive Branch, or with the Joint Legislative Committee on Ethical Standards, if he is an officer or employee in the Legislative Branch.

(3) No State officer or employee or special State officer or employee should use or attempt to use his official position to secure unwarranted privileges or advantages for himself or others.

(4) No State officer or employee or special State officer or employee should act in his official capacity in any matter wherein he has a direct or indirect personal financial interest that might reasonably be expected to impair his objectivity or independence of judgment.

(5) No State officer or employee or special State officer or employee should undertake any employment or service, whether compensated or not, which might reasonably be expected to impair his objectivity and independence of judgment in the exercise of his official duties.
(6) No State officer or employee or special State officer or employee should accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing him in the discharge of his official duties.

(7) No State officer or employee or special State officer or employee should knowingly act in any way that might reasonably be expected to create an impression or suspicion among the public having knowledge of his acts that he may be engaged in conduct violative of his trust as a State officer or employee or special State officer or employee.

(8) Rules of conduct adopted pursuant to these principles should recognize that under our democratic form of government public officials and employees should be drawn from all of our society, that citizens who serve in government cannot and should not be expected to be without any personal interest in the decisions and policies of government; that citizens who are government officials and employees have a right to private interests of a personal, financial and economic nature; that standards of conduct should separate those conflicts of interest which are unavoidable in a free society from those conflicts of interest which are substantial and material, or which bring government into disrepute.

(f) The code of ethics for members of the Legislature shall conform to subsection (e) hereof as nearly as may be possible.

11. Section 13 of P.L.1971, c.182 (C.52:13D-24) is amended to read as follows:

C.52:13D-24 Restriction on, solicitation, receipt, etc. of certain things of value by certain State officers, employees.

13. a. No State officer or employee, special State officer or employee, or member of the Legislature shall solicit, receive or agree to receive, whether directly or indirectly, any compensation, reward, employment, gift, honorarium, out-of-State travel or subsistence expense or other thing of value from any source other than the State of New Jersey, for any service, advice, assistance, appearance, speech or other matter related to the officer, employee, or member's official duties, except as authorized in this section.

b. A State officer or employee, special State officer or employee, or member of the Legislature may, in connection with any service, advice, assistance, appearance, speech or other matter related to the officer, employee, or member's official duties, solicit, receive or agree to receive, whether directly or indirectly, from sources other than the State, the following:
(1) reasonable fees for published books on matters within the officer, employee, or member's official duties;

(2) reimbursement or payment of actual and reasonable expenditures for travel or subsistence and allowable entertainment expenses associated with attending an event in New Jersey if expenditures for travel or subsistence and entertainment expenses are not paid for by the State of New Jersey;

(3) reimbursement or payment of actual and reasonable expenditures for travel or subsistence outside New Jersey, not to exceed $500.00 per trip, if expenditures for travel or subsistence and entertainment expenses are not paid for by the State of New Jersey. The $500 per trip limitation shall not apply if the reimbursement or payment is made by (a) a nonprofit organization of which the officer, employee, or member is, at the time of reimbursement or payment, an active member as a result of the payment of a fee or charge for membership to the organization by the State or the Legislature in the case of a member of the Legislature; (b) a nonprofit organization that does not contract with the State to provide goods, materials, equipment, or services; or (c) any agency of the federal government, any agency of another state or of two or more states, or any political subdivision of another state.

Members of the Legislature shall obtain the approval of the presiding officer of the member's House before accepting any reimbursement or payment of expenditures for travel or subsistence outside New Jersey.

As used in this subsection, "reasonable expenditures for travel or subsistence" means commercial travel rates directly to and from an event and food and lodging expenses which are moderate and neither elaborate nor excessive; and "allowable entertainment expenses" means the costs for a guest speaker, incidental music and other ancillary entertainment at any meal at an event, provided they are moderate and not elaborate or excessive, but does not include the costs of personal recreation, such as being a spectator at or engaging in a sporting or athletic activity which may occur as part of that event.

c. This section shall not apply to the solicitation or acceptance of contributions to the campaign of an announced candidate for elective public office, except that campaign contributions may not be accepted if they are known to be given in lieu of a payment prohibited pursuant to this section.

d. (1) Notwithstanding any other provision of law, a designated State officer as defined in paragraph (2) of this subsection shall not solicit, receive or agree to receive, whether directly or indirectly, any compensation, salary, honorarium, fee, or other form of income from any source, other than the compensation paid or reimbursed to him or her by the State for the performance of official duties, for any service, advice, assistance, appearance, speech or other matter, except for investment income from stocks, mutual funds, bonds, bank accounts, notes, a beneficial interest in a trust, financial
compensation received as a result of prior employment or contractual relationships, and income from the disposition or rental of real property, or any other similar financial instrument and except for reimbursement for travel as authorized in subsections (2) and (3) of paragraph b. of this section. To receive such income, a designated State officer shall first seek review and approval by the State Ethics Commission to ensure that the receipt of such income does not violate the "New Jersey Conflicts of Interest Law," P.L.1971, c.182 (C.52:13D-12 et seq.) or any applicable code of ethics, and does not undermine the full and diligent performance of the designated State officer's duties.

CHAPTER 383

AN ACT concerning smoking in indoor public places and workplaces and revising parts of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:3D-55 Short title.

1. This act shall be known and may be cited as the "New Jersey Smoke-Free Air Act."

C.26:3D-56 Findings, declarations relative to smoking in indoor public places, workplaces.

2. The Legislature finds and declares that: tobacco is the leading cause of preventable disease and death in the State and the nation, and tobacco smoke constitutes a substantial health hazard to the nonsmoking majority of the public; the separation of smoking and nonsmoking areas in indoor public places and workplaces does not eliminate the hazard to nonsmokers if these areas share a common ventilation system; and, therefore, subject to
certain specified exceptions, it is clearly in the public interest to prohibit smoking in all enclosed indoor places of public access and workplaces.

C.26:3D-57 Definitions relative to smoking in indoor public places, workplaces.

3. As used in this act:
   "Bar" means a business establishment or any portion of a nonprofit entity, which is devoted to the selling and serving of alcoholic beverages for consumption by the public, guests, patrons or members on the premises and in which the serving of food, if served at all, is only incidental to the sale or consumption of such beverages.
   "Cigar bar" means any bar, or area within a bar, designated specifically for the smoking of tobacco products, purchased on the premises or elsewhere; except that a cigar bar that is in an area within a bar shall be an area enclosed by solid walls or windows, a ceiling and a solid door and equipped with a ventilation system which is separately exhausted from the nonsmoking areas of the bar so that air from the smoking area is not recirculated to the nonsmoking areas and smoke is not backstreamed into the nonsmoking areas.
   "Cigar lounge" means any establishment, or area within an establishment, designated specifically for the smoking of tobacco products, purchased on the premises or elsewhere; except that a cigar lounge that is in an area within an establishment shall be an area enclosed by solid walls or windows, a ceiling and a solid door and equipped with a ventilation system which is separately exhausted from the nonsmoking areas of the establishment so that air from the smoking area is not recirculated to the nonsmoking areas and smoke is not backstreamed into the nonsmoking areas.
   "Indoor public place" means a structurally enclosed place of business, commerce or other service-related activity, whether publicly or privately owned or operated on a for-profit or nonprofit basis, which is generally accessible to the public, including, but not limited to: a commercial or other office building; office or building owned, leased or rented by the State or by a county or municipal government; public and nonpublic elementary or secondary school building; board of education building; theater or concert hall; public library; museum or art gallery; bar, restaurant or other establishment where the principal business is the sale of food for consumption on the premises, including the bar area of the establishment; garage or parking facility; any public conveyance operated on land or water, or in the air; and passenger waiting rooms and platform areas in any stations or terminals thereof; health care facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.); patient waiting room of the office of a health care provider licensed pursuant to Title 45 of the Revised Statutes; child care center licensed pursuant to P.L.1983, c.492 (C.30:5B-1 et seq.); race track facility; facility

"Person having control of an indoor public place or workplace" means the owner or operator of a commercial or other office building or other indoor public place from whom a workplace or space within the building or indoor public place is leased.

"Smoking" means the burning of, inhaling from, exhaling the smoke from, or the possession of a lighted cigar, cigarette, pipe or any other matter or substance which contains tobacco or any other matter that can be smoked.

"Tobacco retail establishment" means an establishment in which at least 51% of retail business is the sale of tobacco products and accessories, and in which the sale of other products is merely incidental.

"Workplace" means a structurally enclosed location or portion thereof at which a person performs any type of service or labor.

C.26:30-58 Smoking prohibited in indoor public place, workplace.

4. a. Smoking is prohibited in an indoor public place or workplace, except as otherwise provided in this act.

   b. Smoking is prohibited in any area of any building of, or on the grounds of, any public or nonpublic elementary or secondary school, regardless of whether the area is an indoor public place or is outdoors.

C.26:30-59 Exceptions.

C.26:30-62 Violations; fines, penalties; enforcement.
   8. a. The person having control of an indoor public place or workplace shall order any person smoking in violation of this act to comply with the provisions of this act. JOINT RESOLUTION No. 8

A JOINT RESOLUTION creating the "Smart Freight Railroad Study Commission."

WHEREAS, Approximately 24 million tons of freight per year are moved along the State's Class I long distance and short-line railroads; and

WHEREAS, Northern New Jersey is at the center of rail freight services in the State, supporting the demand for the distribution of freight out of the Port of New York and New Jersey, the biggest container port on the eastern seaboard, and Newark Airport, one of the fastest growing air cargo hubs in North America; and

WHEREAS, To meet the demand, short-line freight railroads in northern New Jersey are expanding through the reactivation of previously unused or abandoned rail lines and construction of new rail lines, potentially leading to a cumulative increase in freight traffic along the Rahway Valley Railroad, the Lehigh Valley Railroad, the Staten Island Railway, the Raritan Valley Line, the Erie Lackawanna, the Chemical Coast Line, the Reading System, and the West Trenton Line; and

WHEREAS, These railroads were laid out in the 19th century and are being reactivated to meet 21st century needs; however it is not clear whether this expansion is being engineered with an overall strategic plan that maximizes the efficiency of freight movement while minimizing the impact on traffic flow, the environment, and safety in the communities near the rail lines; and

WHEREAS, Since the Department of Transportation has purchased the rights-of-way for several of these abandoned rail corridors for the reactivation of rail transportation services, it is appropriate to establish a commission to study the costs and benefits of short-line freight
railroad expansion before more State money is spent on the process; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. There is established a commission to be known as the "Smart Freight Railroad Study Commission" to consist of ten members as follows:
   a. Two members of the General Assembly, with special consideration given to members who represent the areas that would be affected by freight rail expansion and who shall not be of the same political party, to be appointed by the Speaker of the General Assembly, to serve during the two-year legislative session in which the appointments are made;
   b. Two members of the Senate, with special consideration given to members who represent the areas that would be affected by freight rail expansion and who shall not be of the same political party, to be appointed by the President of the Senate, to serve during the two-year legislative session in which the appointments are made;
   c. The Commissioner of the Department of Transportation, ex officio, or the commissioner's designated representative;
   d. Five members of the public to be appointed by the Governor with the advice and consent of the Senate: one of whom shall be a representative of the rail freight services industry, one of whom shall be a representative of the environmental community, one of whom shall be an individual with expertise in New Jersey transportation issues, one of whom shall be a representative of the New Jersey State League of Municipalities, and one of whom shall be a representative of a community-based organization that represents the interests of the communities near the short-line freight railroad expansion projects. No more than three of the members appointed by the Governor shall be of the same political party.

The members of the commission shall serve without compensation, but may be reimbursed for necessary expenses incurred in the performance of their duties, within the limits of funds appropriated or otherwise made available to the commission for this purpose.

Vacancies in the membership of the commission shall be filled in the same manner as the original appointments.

2. a. The commission shall organize within 30 days after the appointment of the majority of its members and shall select a chairperson and vice-chairperson from among the members. The chairperson shall appoint a secretary, who need not be a member of the commission.
b. The commission shall meet at the call of the chairperson and, except as provided by section 4 of this joint resolution, hold hearings at such places as the chairperson shall designate, during the sessions and recesses of the Legislature.

c. The commission shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county, or municipal department, board, bureau, commission, or agency, as it may require and as may be available for its purposes, and to employ stenographic and clerical assistance and incur traveling and other miscellaneous expenses as may be necessary in order to perform its duties, within the limits of funds appropriated or otherwise made available to it for its purposes.

3. The commission shall conduct a thorough and comprehensive study of whether there is a need for the reactivation and construction of short-line freight railroads in northern New Jersey, and whether the potential for economic growth from the expansion of the rail lines justifies the economic cost to the State, the impact on air, soil, ground water, noise, and vibration pollution in the area of the rail lines, and the impact on the quality of life of nearby communities with regard to traffic flow, safety, and property values.

The commission shall adopt findings and recommendations as to whether the State should proceed with the expansion of short-line freight railroads in northern New Jersey or postpone the expansion projects until a more comprehensive plan of the State's short-line rail freight system can be developed by experts in rail freight transportation.

The commission shall prepare and submit a final report, containing its findings and recommendations, no later than six months after the commission organizes, to the Governor, the President of the Senate, and the Speaker of the General Assembly. The commission shall dissolve and all commission activities are to cease seven months after the commission's organization.

4. Within three months after the commission organizes, the commission shall hold at least one public hearing in a county in northern New Jersey that would be affected by short-line rail expansion to receive public input into short-line freight railroad expansion. The commission shall provide at least 10 days' notice to the public of the time and place of the public hearing.

5. a. With respect to the 10.5 mile section of the Lehigh Valley Railroad short-line freight track extending from the Township of Edison in Middlesex County to the Borough of Bound Brook in Somerset County, beginning on the effective date of this joint resolution, the Department of
Transportation shall not enter into any new contract for the purposes of rehabilitation or construction of railroads, tracks, structures, or rights-of-way for the reestablishment or establishment of short-line freight rail services until the commission has completed its report.

b. Nothing in subsection a. of this section shall be construed to prohibit the Department of Transportation from entering into any new contract for rehabilitation or construction of railroads, tracks, structures, or rights-of-way for the reestablishment or establishment of short-line freight rail services in other areas of this State outside of the 10.5 mile section of the Lehigh Valley Railroad track referred to in subsection a. of this section.

6. This joint resolution shall take effect immediately and shall expire seven months after the organization of the commission.

Approved January 9, 2006.

JOINT RESOLUTION No. 9

WHEREAS, The sudden onset of trauma, physical distress or severe psychological distress due to illness, injury, natural disaster or acts of terrorism may result in disability or death without emergency medical care; and

WHEREAS, The few minutes after an injury occurs or at the onset of a medical crisis are frequently the most important to avoid death or serious impairment and disability, and the citizens of New Jersey expect and depend upon the prompt response of emergency medical services personnel to provide expert pre-hospital emergency care; and

WHEREAS, The current New Jersey emergency medical services system is a mix of over 25,000 dedicated volunteer and career providers, including first responders, emergency medical technicians, paramedics, nurses and physicians who respond to over 800,000 requests for emergency medical services each year; and

WHEREAS, The quality of care provided depends on well-trained and competent emergency medical services personnel, adequate staffing
levels, well-equipped emergency medical vehicles and sufficient funding to maintain the viability of the system; and

WHEREAS, Changes made by the federal Centers for Medicare and Medicaid Services to the Medicare ambulance fee structure in 2002 have significantly impacted the New Jersey hospital-based primarily non-transport advanced life support system; and it is estimated that, when fully implemented in the year 2006, current advanced life support services could face a $32 million deficit; and

WHEREAS, The availability of qualified pre-hospital providers available to respond to requests for their services and a fiscally viable system that provides both basic and advanced life support services are essential to maintaining a high quality comprehensive emergency medical services system available to all New Jersey residents and visitors 24 hours a day, 7 days a week, 365 days a year; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

2. This Order shall take effect immediately.

EXECUTIVE ORDER No. 18

WHEREAS, Executive Order No. 134 ("E.O. 134") was issued on September 22, 2004 for the purpose of protecting the integrity of the State's public contracting process by ensuring that decisions regarding the award of State contracts are based upon merit and are not influenced, in appearance or actuality, by political contributions to a candidate for or holder of the public Office of Governor, or any State or county political party committee; and

WHEREAS, E.O. 134 prohibits the award of any State contract in excess of $17,500 to any firm making a reportable contribution during certain specified time periods to a candidate committee or an election fund of any candidate for Governor or the current holder of the Office of Governor, or any State or county political party committee; and

WHEREAS, E.O. 134 further requires that, effective October 15, 2004, firms seeking State contracts must report all contributions made during the preceding four years to any political organization organized under section 527 of the Internal Revenue Code that also meets the definition
of a continuing political committee, within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7, and permits the State Treasurer to disqualify a firm from bidding on or receiving a contract if the Treasurer determines that such contributions constitute a conflict of interest; and

WHEREAS, By banning the practice of pay-to-play as described above, E.O. 134 clearly advances the best interests of the citizens and taxpayers of the State of New Jersey by ensuring that decisions regarding the award of State contracts are based upon merit and are not influenced, in appearance or actuality, by contributions to a candidate for or holder of the public office of Governor, or to any State or county political party committee; and

WHEREAS, E.O. 134, by its terms, applies to all State contracts above the $17,500 threshold established therein and does not expressly distinguish between State-funded contracts and those contracts that may be funded, in whole or in part, with funds received from other sources; and

WHEREAS, The New Jersey Department of Transportation ("DOT") annually receives approximately $750 to $800 million from the Federal Highway Administration ("FHWA") for the design, construction and maintenance of highways in New Jersey and, pursuant to federal law, 23 U.S.C.s. 112 et seq., and its implementing regulations, the FHWA must approve the plans, specifications and method of procurement for DOT contracts that are federally funded; and

WHEREAS, Beginning in October 2004, the DOT communicated on several occasions with the FHWA concerning whether the inclusion of E.O. 134's requirements in federally funded highway contracts would have any effect on federal highway funding; and

WHEREAS, The FHWA recently has taken the position that despite its beneficial public purpose, E.O. 134 as applied to federally funded highway contracts allegedly poses a threat to competition and would violate federal law, asserting in a January 6, 2005 letter from the FHWA Division Administrator to the DOT Commissioner that "Executive Order #134 conflicts with Federal regulations and may not be included in Federal-aid contracts" and "[u]nless this provision is removed from Federal projects, we cannot authorize Federal funds;" and
WHEREAS, The DOT has not received FHWA authorization on any new federally funded highway construction project since December 2004, and at this time 19 projects totaling approximately $250 million are being held up for lack of federal funding because the contracts for those projects contain language implementing the requirements of E.O. 134; and

WHEREAS, The FHWA's position not only denies the DOT the ability to undertake important construction projects that are necessary to protect the safety and well-being of New Jersey's citizens and the citizens of other states who are traveling by motor vehicle in New Jersey, but also has an economic impact due to job loss associated with projects that cannot proceed without federal funds; and

WHEREAS, The State of New Jersey initiated litigation intended to protect the State's interests by challenging the FHWA's determination that E.O. 134 is in conflict with federal law, and requesting declaratory and injunctive relief preventing the FHWA from withholding federal highway funds; and

WHEREAS, As part of the litigation, the State sought a temporary restraining order to compel the FHWA to release federal highway funds during the pendency of the litigation; and

WHEREAS, A federal district court has denied the State's request for a restraining order, with the effect that the FHWA will be able to continue withholding those essential transportation funds from the State while the litigation proceeds; and

WHEREAS, The Constitution of this State requires me, as Acting Governor, to manage the operations of State government effectively and fairly, consistent with the laws as interpreted by the courts; and

WHEREAS, The State of New Jersey intends to pursue its available legal remedies; however, pursuit of those remedies will likely take several months, and the citizens of this State cannot continue to be harmed by the federal withholding of critically needed transportation funds in the interim;
NOW, THEREFORE, I, RICHARD J. CODEY, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and Statutes of this State, do hereby ORDER and DIRECT:

1. The provisions of E.O. 134 shall not apply to DOT contracts that are funded, in whole or in part, by the FHWA.

2. Except as herein modified, all of the provisions of E.O. 134 shall remain in full force and effect.

3. This Order shall take effect immediately and shall be effective until such time as the State obtains the relief sought in the pending litigation captioned, State of New Jersey v. Norman Y. Mineta, et al.

Dated January 26, 2005.

EXECUTIVE ORDER No. 33

WHEREAS, In July 2002 the State Commission of Investigation ("SCI") launched a formal investigation into reported abuses in new-home construction and inspection; and
WHEREAS, Over the course of its nearly three-year inquiry into these complaints, the SCI conducted hundreds of field interviews; examined thousands of pages of documentary evidence; took sworn testimony from scores of witnesses; performed sophisticated accounting analyses; and held five days of hearings to present its findings to the public; and

WHEREAS, The SCI completed its investigation in March 2005 with the issuance of comprehensive report detailing the findings of the inquiry and proposing recommendations for reform; and

WHEREAS, The SCI report revealed examples of shoddy and deficient construction practices, lax regulatory oversight and poor remediation options for homebuyers; and

WHEREAS, The Department of Community Affairs ("DCA") has assisted the SCI in its investigation; and

WHEREAS, In response to the SCI investigation, the SCI and DCA have recommended a series of reforms designed to bolster oversight of the home construction industry, strengthen the inspection and enforcement process, and safeguard the interests of the home-buying public; and

WHEREAS, It is appropriate and just that this Office do everything in its power to protect the home-buying public and to restore consumer confidence in those charged with regulating the home construction industry;

NOW THEREFORE, I, RICHARD J. CODEY, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Department of Community Affairs ("DCA") to create a home-buyers web site containing information on registered builders including claims adjudicated against them, industry standard guides, housing codes, inspection information, and homebuyers' warranty rights.

2. The DCA to publish and distribute to every new homeowner, within four months of the closing date, a booklet that explains their warranty rights and how they can protect them by filing timely claims.
3. That the current multi-step arbitration process be eliminated and replaced with a single arbitration hearing, which should focus on repair of the defects rather than monetary settlement. The method-of-repair standard should be the repair necessary to restore the home to "as new" condition and place the residence in compliance with applicable codes and industry standards.

4. That DCA oversight of the arbitration process in New Jersey be strengthened to include: reviewing of arbitrator qualifications; requiring that all arbitrators who handle major structural or fire safety defect claims be licensed as architects or professional engineers, specifically qualified in residential construction technology; and ensuring that arbitrators and arbitration services performing in New Jersey are in full compliance with disclosure requirements of New Jersey's arbitration law.

5. That private warranty plans be required to actively eliminate conflicts of interest of arbitrators through a rigorous plan-administered economic disclosure and disqualification procedure, with copies of documents pertaining to this process forwarded to DCA with certification by the warranty plan as to due diligence.

6. That DCA review any cases of homeowner dissatisfaction with the warranty process.

7. That warranty plans provide DCA with records of all complaints, beyond mere numerical reporting.

8. That DCA promulgate a strict code of ethics for all State, county, and municipal building inspectors and construction code officials.

9. That given the critical importance of proper structural framing in new homes, the DCA adopt code provisions that require home builders to certify compliance with the Department's framing checklist.

10. That the Department of Community Affairs establish a system of engineering inspections to be executed under municipal auspices, but paid for by builder fees, where code violations are found in a new home that has received a certificate of occupancy.

11. This Order shall take effect immediately.

EXECUTIVE ORDER No. 36

WHEREAS, In the words of President John F. Kennedy, "[n]o responsibility of government is more fundamental than the responsibility for maintaining the highest standards of ethical behavior by those who conduct the public business. This principle must be followed not only in reality, but in appearance. For the basis of effective government is public confidence, and that confidence is endangered when ethical standards falter or appear to falter"; and

WHEREAS, I have made it a cornerstone of my administration to transform the ethical culture in State government, with the hope of forging a renewed partnership among government, its employees, and the people of this State; and

WHEREAS, To help realize this goal, I appointed Special Counsel for Ethics Review to assess the efficacy of the States existing ethical standards, to conduct an extensive audit of Executive Branch ethics training programs, and to identify areas within the existing ethics rules that require reform and improvement; and

WHEREAS, After completing their review and analysis, Special Counsel issued a series of sweeping recommendations designed to clarify and unify the States ethics codes, promote transparency in government processes, bolster ethics training programs, enhance government accountability to the public, and toughen penalties for ethics violations; and

WHEREAS, As concrete steps toward achieving these ends, Special Counsel urged the implementation of three new ethics guidelines: The Uniform Ethics Code, the Plain Language Ethics Guide, and the Business Ethics Guide; recommended that the Executive Commission
on Ethical Standards establish a confidential toll-free hotline for the receipt of ethics complaints; proposed that the Executive Commission post financial disclosure forms in an on-line searchable database; and urged the Executive Director of the Executive Commission on Ethical Standards to meet with every new member of the Governor's Cabinet shortly after they take office, and thereafter to meet with the entire Cabinet on an annual basis to address ethics-related issues; and

WHEREAS, The Uniform Ethics Code distills the otherwise disparate Executive Branch ethics strictures into a single ethics code, providing uniform standards of conduct applicable to all Executive Branch employees; and

WHEREAS, The Plain Language Ethics Guide explains clearly and succinctly to all Executive Branch employees the ethical standards that must be met by every State employee; and

WHEREAS, The Business Ethics Guide makes clear the ethical standards required of third parties conducting business with the State; and

WHEREAS, The confidential, toll-free reporting hotline allows both State employees and members of the public to lodge ethics complaints, obtain information, and voice ethics-related concerns; and

WHEREAS, Posting financial disclosure forms on the internet provides the public with ready access to the assets, holdings, and other financial interests of public employees; and

WHEREAS, The State of New Jersey has a compelling interest in ensuring that Executive Branch employees understand and appreciate their ethical duties and responsibilities; and

WHEREAS, Those who have a business relationship with a governmental agency must be fully educated regarding their ethical obligations to the public; and

WHEREAS, It is important that Executive Branch business be conducted in the most transparent manner possible, so that citizens have full information about efforts directed at influencing Executive Branch policies and procurement; and
WHEREAS, We must always remember that government officers are at all times accountable to the people of this State and that public service should never be used for private gain;

NOW, THEREFORE, I, RICHARD J. CODEY, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The Executive Commission on Ethical Standards shall promulgate a Uniform Ethics Code.

EXECUTIVE ORDER No. 48

WHEREAS, New Jersey was the crossroads of the American Revolution, both because of its location along the primary north/south land route within the American colonies, and because it was situated between the British headquarters in New York City and the Continental Congress in Philadelphia; and
WHEREAS, New Jersey's location between the warring parties was such that from the Battle of Bunker Hill in 1775 until the formal British surrender in 1783, continuous civil war took place on New Jersey soil between individuals and communities loyal to the Crown and those seeking independence for the American colonies; with the result that nowhere in the 13 colonies was the cost to the civilian population greater; nowhere was the suffering of the troops greater; nowhere was the price of liberty more dear than in New Jersey; and

WHEREAS, Military action in New Jersey between 1775 and 1783 included five major campaigns: the American retreat from New York; the Ten Crucial Days (Crossing of the Delaware and Battles of Trenton and Princeton) of 1776 and 1777; the defense of the Delaware and capture of Philadelphia; the British retreat from Philadelphia and the Battle of Monmouth; and the closing battle in New Jersey at Springfield; and some 291 lesser-known battles and encounters, including Tory and militia raids, strikes by privateers from the protection of rivers and bays, and ambushes from woodland or mountain hideaways; which were important to the outcome of the American Revolution, and thereby to the history of the United States; and

WHEREAS, The Continental Army spent winters in the rural Morristown and Middlebrook areas, while the British Army made winter encampments in New Jersey cities; and the farms, mines, and mills located in New Jersey supplied both armies as they fought their way back and forth across the State; and

WHEREAS, General George Washington spent almost half the period of the American Revolution commanding troops of the Continental Army in New Jersey; and

WHEREAS, The National Register of Historic Places lists more than 250 buildings and sites in the State of New Jersey that are associated with the period of the American Revolution; while portions of the New Jersey landscape important to the strategies of the British and Continental armies, including waterways, mountains, farms, wetlands, villages, and roadways:
A. Retain the integrity of the period of the American Revolution; and
B. Offer outstanding opportunities for conservation, education and recreation; and
WHEREAS, Because of the important role that New Jersey played in the successful outcome of the American Revolution, there is a State interest in developing a regional framework to assist local and county governments, organizations, and private citizens in:
A. Preserving and protecting cultural, historic, and natural resources of the period; and
B. Bringing recognition to those resources for the educational and recreational benefit of the present and future generations of citizens of the State and the United States; and

WHEREAS, Pursuant to FY2000 Congressional direction recommended by Reps. Rodney Frelinghuysen and Rush Holt, the United States Department of the Interior's National Park Service conducted a special resource and feasibility study in the State of New Jersey, publishing its findings in August, 2002, in a draft report entitled "Crossroads of the American Revolution: Special Resource Study, National Heritage Area Feasibility Study and Environmental Assessment"; and

WHEREAS, The National Park Service concluded that nationally distinctive cultural, historic, and natural resources in the State of New Jersey meet the criteria necessary for federal designation, and that establishment of a Crossroads of the American Revolution National Heritage Area is suitable and feasible; and

WHEREAS, The National Park Service's Crossroads of the American Revolution study names the Crossroads of the American Revolution Association, Inc., as the management entity for the National Heritage Area, noting that the Association is a nonprofit corporation whose board of directors is designed to represent the widest variety of interests and locations within the proposed National Heritage Area, which may include local government, business, education, historians, historic preservation, open space and natural resource protection, sports persons, tourism and recreation; and that its mission is to foster the conservation, preservation and interpretation of New Jersey's American Revolutionary heritage in ways that enhance public understanding about the people, places and events that transformed the course of American history; and

WHEREAS, In October, 2002, after considering the public comment received, the Northeast Region of the National Park Service published a Public Comment Document, in which the "Preferred Boundary
Proposal" option (often referred to as the "red boundary" option for the color of the proposed National Heritage Area in the attached map depicting this option) was selected for the delineation of the Crossroads of the American Revolution National Heritage Area; the recommended area would include all or part of fourteen counties in central New Jersey, stretching from the Delaware River to the Atlantic Ocean, and from Gloucester County in the south-central part of the State almost to the New York border in Bergen County; and

WHEREAS, In late 2002, the Secretary of the Interior certified to Congress that the Crossroads of the American Revolution met all National Park Service criteria as a National Heritage Area; and Senators Jon Corzine and Frank Lautenberg plan to introduce a bill in the Senate and Reps. Rodney Frelinghuysen and Rush Holt have introduced a parallel bill in the House of Representatives which would establish in New Jersey the "Crossroads of the American Revolution National Heritage Area" and would provide funding for developing a plan which will focus attention on the area's distinctive natural and cultural resources and promote the partnerships required for their protection;

NOW, THEREFORE, I, RICHARD J. CODEY, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The State of New Jersey is hereby declared to be the "Crossroads of the American Revolution," and a Crossroads of the American Revolution State Heritage Area is hereby designated, with the lands and waters within the "red boundary" set forth in the "Preferred Boundary Proposal" map (attached) comprising the area of this State Heritage Area; encompassing resources in 213 municipalities and all or portions of 14 counties in central New Jersey, with branches to the north and south connecting the area to New York and Pennsylvania.

2. This Executive Order shall serve as a preparatory and facilitating step toward securing Congressional designation of the Crossroads of the American Revolution National Heritage Area in concert with recommendations of the United States Department of the Interior, National Park Service and with provisions of the pending federal legislation.
3. All departments, officers, divisions and agencies of the State are hereby directed to cooperate as much as practically feasible with the nonprofit Crossroads of the American Revolution Association, Inc., as well as any other nonprofit groups dedicated to the conservation, preservation and interpretation of New Jersey's Revolutionary War heritage in this Heritage Area, to further their goals, as appropriate within the limits of statutory authority and appropriations.

EXECUTIVE ORDER No. 51

WHEREAS, In August 2004, the Legislature enacted P.L. 2004, c.121, known as the "New Jersey Fair and Clean Elections Pilot Project"; and

WHEREAS, That Act was designed to strengthen public confidence in New Jersey's democratic processes and institutions by establishing a Clean Elections Pilot Project to provide selected candidates for the offices of Member of the General Assembly with equal resources with which to communicate with voters; and

WHEREAS, That Act further provided that the participants in the New Jersey Fair and Clean Elections Pilot Project would be selected by the Chairs of the State political parties whose candidate for Office of the Governor received the largest number and second largest number of votes in the most recent gubernatorial election, each from among one of three specified legislative districts; and

WHEREAS, Those districts have been selected by the respective Chairs of the eligible political parties; and

WHEREAS, In order to be certified as a New Jersey Fair and Clean Elections candidate under the Act, the participating candidates must obtain a specified number of contributions in certain amounts within a certain timeframe; and
WHEREAS, The Election Law Enforcement Commission (ELEC) recently amended its implementing regulations to increase the public’s ability to contribute to participating candidates in the Pilot Project by using electronic transfers from a checking account or a debit card and contributing through accessing a website; and

WHEREAS, The established deadline for making such qualifying contributions is currently due to expire on September 7, 2005, and it is apparent that most of the participating candidates will not receive sufficient qualifying contributions prior to the current deadline; and

WHEREAS, Without an extension of the deadline, the New Jersey Fair and Clean Elections Pilot Project will most likely not occur, in contravention of the clear legislative intent underlying P.L. 2004, c.121; and

WHEREAS, Following public hearings by the bi-partisan New Jersey Citizens’ Clean Elections Commission that is monitoring this issue, the Chair of the Commission endorses an extension of the deadline for making qualifying contributions to participating candidates; and

WHEREAS, The Legislature is not in Session and cannot rectify this anomaly by extending the deadline statutorily; and

WHEREAS, The public interest clearly warrants an extension of the deadline to allow a brief period of time for the improvements recently made by ELEC to work and to allow the participating candidates to reach the number of contributions required in order to qualify under the Pilot Project;

NOW, THEREFORE, I, RICHARD J. CODEY, Acting Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

Additionally, new purchasing contracts for the purchase of such products or cleaning services shall include an appropriate requirement consistent with this Order and the guidelines provided by the Department of the Treasury.

6. This Order shall take effect immediately.

Dated January 12, 2006.

EXECUTIVE ORDER No. 77

WHEREAS, It has been the priority of my Administration to restore the traditional role of government by helping those citizens who need it the most; and

WHEREAS, Throughout my years of public service and my tenure as Governor, I have strived to better the lives of those persons with mental illness and to improve New Jersey's mental health system; and

WHEREAS, Working cooperatively with many dedicated non-profit providers, the State of New Jersey, through its Department of Human Services, has made great strides in caring for those citizens in need of assistance; and

WHEREAS, Despite those accomplishments, there remains much to be done by the State in fostering improvements to our current system and in assisting the non-profit contractual providers in developing sufficient reserves or working capital to assist them in such endeavors as upgrading or replacing infrastructure, or defraying short-term liabilities;

NOW, THEREFORE, I, RICHARD J. CODEY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:
I. The Department of Human Services (the Department) shall develop a pilot program of Operational Incentives for its Division of Mental Health Services (DMHS) contracts.

2. This Operational Incentives Pilot Program shall apply to all DMHS non-profit, non-hospital and non-governmental agencies with cost reimbursement contracts. Fixed price and fixed rate contracts shall not be included in this pilot program, nor are contracts with hospital-based or governmental organizations.

3. The Department shall establish this pilot program that will allow the contract provider to earn an Operational Incentive when the provider's final contract expenditure report indicates that a net contract surplus exists. Providers should be allowed to retain 100 percent of the current contracts' net savings identified from contract deficiencies. The Department shall establish reasonable restrictions and limits on the earned incentives, including an annual cap and a provision that federal funds cannot be included in the Operational Incentive.

4. The Operational Incentive shall be utilized by the provider agencies as a savings reserve, available to meet cash flow needs as working capital and for assisting the provider agency in meeting its mission. The guidelines adopted by the Department shall prohibit providers from utilizing the Operational Incentive funds to expand programming that would require ongoing funding, thereby creating obligations for future budget cycles. The guidelines shall also prohibit providers from utilizing Operational Incentive funds for executive management staff bonuses.

5. The guidelines adopted by the Department shall further provide that, upon termination of the contractual relationship with DMHS, or upon dissolution of the provider's corporate entity, the provider shall refund to DMHS all remaining funds in the Operational Incentives reserve account.

6. The Department may expand the pilot program established by this Order to include providers under contract with the Department's Division of Developmental Disabilities, or any of the other Divisions within the Department.

7. This Order shall take effect immediately, and shall be retroactive to DMHS contracts entered into on or after July 1, 2005.

WHEREAS, It has been the priority of my Administration to restore the traditional role of government by helping those citizens who need it the most; and

WHEREAS, Throughout my years of public service and my tenure as Governor, I have strived to better the lives of those persons with mental illness and to improve New Jersey's mental health system; and

WHEREAS, Consumers, family members, mental health providers and public health practitioners endorse a recovery-oriented mental health system which enables persons suffering from mental illness to live, work, learn and participate fully in their communities; and

WHEREAS, The recovery process enables a person to re-establish a sense of integrity and purpose and to live a satisfying, hopeful and contributory life, within the limitations of the illness; and

WHEREAS, The wellness process is a conscious, deliberate and ongoing process in which a person becomes aware of and makes choices towards a more satisfying lifestyle; and

WHEREAS, The public mental health system must continue to move from an institutional system of care to a community system of care based upon the principles of wellness and recovery;

NOW, THEREFORE, I, RICHARD J. CODEY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The financing of the State of New Jersey's mental health system should be changed to promote state-of-the-art treatment alternatives. These alternatives would include, but not be limited to, permanent supportive housing, supportive employment, in-home services and consumer self-help.

2. The Department of Human Services (the Department) shall commence an immediate review of currently licensed partial-care and partial-hospitalization programs to determine the appropriateness of utilizing and funding, where appropriate, recovery-based programming and services. The Department shall also commence an immediate review of its
existing regulations dealing with mental health services and programs for adults and children, with an eye towards revising those rules to allow for the shift to a system based on wellness and recovery. This shift should include staff training, mission, vision, treatment and recovery modalities, contracting and funding.

3. The Department shall examine whether the State Medicaid Plan should adopt the Medicaid Rehabilitation Option, which would allow greater flexibility than currently exists to bill for non-facility-based services such as outreach, peer services, family education, supportive housing services, case management and social and recreational activities. This Option would provide more flexibility to meet consumers' needs by allowing services to be community-based rather than clinic-based, and would better maximize federal dollars, resulting in more financial resources.

4. The Department of Labor and Workforce Development and the Department of Human Services shall develop a cooperative training series for individuals with mental illness, family members and providers, in order to increase awareness and utilization of the Ticket to Work Program, to ensure that New Jersey is maximizing the benefits of this federal program and resources for individuals with mental illness and other disabilities.

5. New Jersey should continue and expand its emphasis on evidence-based and/or promising practices, such as physical wellness and recovery programs now offered at the University of Medicine and Dentistry's Centers for Excellence.

6. Performance and outcome measures are essential to the evaluation of treatment and value. The Division of Mental Health Services should move away from its current funding paradigm, which is historical in nature, to one that pays for services based upon quality performance and measurable outcomes.

7. This Order shall take effect immediately.

WHEREAS, It has been the priority of my Administration to restore the traditional role of government by helping those citizens who need it the most; and

WHEREAS, Throughout my years of public service and my tenure as Governor, I have strived to better the lives of those persons with mental illness and to improve New Jersey's mental health system; and

WHEREAS, The care and treatment of children with emotional disturbances or mental illnesses is of particularly great concern and must be a top priority;

NOW, THEREFORE, I, RICHARD J. CODEY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. I urge my successor as Governor to reconstitute, strengthen and expand the Governor's Cabinet for Children created by Executive Order No. 60 (2003) and Executive Order No. 83 (2003). Specifically, I would recommend that membership of the Children's Cabinet be expanded to include two members of the Task Force on Mental Health, a minimum of two pediatricians, and a minimum of two child psychiatrists and child psychologists. I would further recommend that the Commissioner of Human Services be designated by the Governor as a Co-Chair and that a second Co-Chair be designated from among the members who are professionals in the community.

2. The Department of Human Services shall take all necessary steps to strengthen its prevention and early intervention programs. Service delivery should occur at sites such as preschools and pediatric health care clinics where children and families already access other services. The Department shall take steps to ensure that personnel who interact with children in preschools, schools, health care facilities and juvenile justice agencies receive ongoing training on how to identify and respond to early childhood development issues and risk factors.

3. The Department shall examine how screening of young children for development and mental health issues can be implemented on a Statewide basis, and how follow-up assessments and linkage to services can be made
available to all who need them. The Department shall launch a public
awareness campaign to alert educators, parents, pediatricians and the
general public to early intervention issues such as positive parenting skills,
identifying at-risk children, available resources and how to access those
resources.

4. This Order shall take effect immediately.

REORGANIZATION PLANS
REORGANIZATION PLAN NO. 001-2005
MOTORCYCLE SAFETY EDUCATION PROGRAM—TRANSFER TO MOTOR VEHICLE COMMISSION
NOTICE OF A PLAN FOR THE REORGANIZATION AND TRANSFER OF THE MOTORCYCLE SAFETY EDUCATION PROGRAM

PLEASE TAKE NOTICE that on January 24, 2005, Acting Governor Richard J. Codey hereby issues the following Reorganization Plan (No. 001-2005) to reorganize the State's motorcycle safety education program by transferring responsibility for the program and all related duties from the Office of Highway Traffic Safety in the Department of Law and Public Safety to the New Jersey Motor Vehicle Commission allocated in, but not of, the Department of Transportation.

GENERAL STATEMENT OF PURPOSE

Pursuant to existing statutory authority, P.L.1991, c.451 (C.27:5F-36 et seq.), the Director of the Office of Highway Traffic Safety in the Department of Law and Public Safety has established a motorcycle safety education program. The program consists of a motorcycle safety education course of instruction and training that meets or exceeds the standards and requirements of the rider's course developed by the Motorcycle Safety Foundation. The course is open to any person who is an applicant for or who has been issued a New Jersey motorcycle license or endorsement. The Director offers courses to the public and may assign employees of the Office to serve as course instructors. He may also contract with other persons qualified to serve as instructors. The Motorcycle Safety Education Fund supports the program and is established in the Office of Highway Traffic Safety to be used exclusively by the Office to defray the costs of the program. Five dollars of the fee collected by the New Jersey Motor Vehicle Commission for the issuance of each motorcycle license or endorsement is deposited in the Fund and any other moneys which may become available for motorcycle safety education. The Director is also authorized to approve public or private educational institutions to provide the course. Additionally, the Director is charged with certifying that an instructor of the motorcycle safety education course has been qualified by the Motorcycle Safety Foundation and has the riding experience and driving record required by statute. Pursuant to its statutory authority, section 6 of P.L.1991, c.452 (C.39:3-10.31), the New Jersey Motor Vehicle Commission is authorized to grant a waiver of the road test portion of the examinations required for a
motorcycle license or endorsement for the holder of a motorcycle examination permit who has successfully passed the motorcycle safety education course established by the Director.

This Plan provides for the transfer of the functions, powers, and duties of the Director of the Office of Highway Traffic Safety in the Department of Law and Public Safety with respect to the program, and the offering of the course by the State and others to the Motor Vehicle Commission allocated in, but not of, the Department of Transportation. The transfer will allow the same agency responsible for issuing motorcycle licenses and endorsements, depositing monies in the Motorcycle Safety Education Fund, and granting the road test waiver to schedule and staff classes in the motorcycle safety education course open to the public. It will also transfer oversight of the public and private educational institutions approved to offer the course and the certification of instructors of the course to the Commission, the same agency that regulates driver's schools and instructors. These schools may also offer the motorcycle safety education course through instructors who apply to the Commission for an endorsement as an instructor of the motorcycle safety education course. Furthermore, the Plan provides for the transfer of the Motorcycle Safety Education Fund to the Commission and continues the Motorcycle Safety Education Advisory Committee as an advisory body to the Commission. The overall effect of the transfer will be to consolidate the State's motor vehicle and motorcycle education, testing and licensing activities in one agency, thereby eliminating unnecessary duplication of effort and promoting overall efficiency, effectiveness, and economy by realigning similar functions in one agency.

NOW, THEREFORE, in accordance with the provisions of the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.), I find with respect to the reorganization and transfers included in this Plan that each is necessary to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch and of its agencies by grouping similar motorcycle licensing and education activities and related functions within one agency;

2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one agency similar regulatory functions, particularly the
licensing of persons to operate motorcycles and the regulating of motorcy-
cles, instructors, and motorcycle training programs;

3. Group, coordinate and streamline regulatory functions in a more
consistent and practical way;

4. Reduce expenditures and promote economy to the fullest extent
consistent with the efficient operations of the Executive Branch;

5. Increase the efficiency of the operations of the Executive Branch to
the fullest extent practicable; and

6. Eliminate overlapping and duplication of effort by consolidating
certain functions which will result in a savings of State funds.

PROVISIONS OF THE REORGANIZATION PLAN:

I. The functions, powers and duties assigned to the Director of the
Office of Highway Traffic Safety in the Department of Law and Public
Safety by P.L.1991, c.452 (C.27:5F-36 et seq.) and the motorcycle safety
education program established by the Director pursuant thereto are
continued and hereby transferred to the New Jersey Motor Vehicle
Commission allocated in, but not of, the Department of Transportation
(hereinafter the "Motor Vehicle Commission").

II. The Motorcycle Safety Education Fund established in the Office of
Highway Traffic Safety by P.L.1991, c.248, s. 4 (C.27:5F-39) is continued
and hereby transferred to and established in the Motor Vehicle Commission,
to be used exclusively by the Motor Vehicle Commission to defray the costs
of the motorcycle safety education program and any other costs permitted
by the terms of P.L.1991, c.248, s.4 (C.27:5F-39). Any unobligated
balances of the Motorcycle Safety Education Fund and any unexpended
funds shall be transferred to the Commission on the effective date of this
Reorganization Plan. The Motor Vehicle Commission shall continue to
deposit in the Fund five dollars of the fee collected for a motorcycle license
or endorsement and any other funding that becomes available for the
program.

III. Full-time employees of the Office of Highway Traffic Safety whose
positions are funded by Federal and State funds in accordance with the
State's Federally funded highway safety program, 23 U.S.C. s.402, perform
chiefly supervisory duties related to the motorcycle safety education
program. Employees, including temporary service employees, whose compensation is provided by the Motorcycle Safety Education Fund perform program-related duties such as serving as course instructors in the classes offered by the Office. Accordingly, the following transfers shall occur:

A. Any person employed by the Office of Highway Traffic Safety on a full or part-time basis whose position is funded by the Motorcycle Safety Education Fund is hereby transferred to and shall become, as the case may be, a full time or part time employee of the Motor Vehicle Commission. The transfer of such employees shall not deprive any person of any tenure rights or any right or protection provided the person by Title 11A, Civil Service, of the New Jersey Statutes, or any pension law or retirement system.

B. Any temporary employment service positions funded by the Motorcycle Safety Education Fund established or continued in the Office of Highway Traffic Safety with the approval of the Department of Personnel for the purpose of employing temporary services employees at an hourly rate to perform functions and duties pertaining to the motorcycle safety education responsibilities of the Office are hereby transferred to the Motor Vehicle Commission until such time as the term for which the positions have been established expires.

IV. All records belonging to the Office of Highway Traffic Safety related to the motorcycle safety education program and the functions, powers, and duties of the Director and Office pursuant to P.L.1991, c.452 (C.27:5F-36 et seq.), including records related to public and private educational institutions approved to provide the motorcycle safety education course and the certification of instructors of the course, and any personal property, including motorcycles, equipment or supplies, purchased with monies from the Motorcycle Safety Education Fund or otherwise obtained to offer the motorcycle safety education program to the public or to support, approve or oversee motorcycle safety education courses offered by public and private educational institutions and their instructors, shall be transferred to the Motor Vehicle Commission in accordance with the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

V. The Motorcycle Safety Education Advisory Committee established pursuant to P.L.1991, c.452, s.3 (C.27:5F-38) and its membership are continued and are transferred to the Motor Vehicle Commission, and the
Committee's advisory functions on behalf of the Director shall be performed on behalf of the Motor Vehicle Commission.

VI. Whenever in P.L.1991, c.452 (C.27:5F-36 et seq.) or in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise reference is made to the Director of the Office of Highway Traffic Safety or the Office of Highway Traffic Safety pertaining to the functions, powers or duties of the Director of the Office of Highway Traffic Safety or the Office of Highway Traffic Safety set forth in P.L.1991, c.452 (C.27:5F-36 et seq.) or the motorcycle safety education program established pursuant thereto, the same shall mean and refer to the Motor Vehicle Commission or the motorcycle safety education program transferred to the Motor Vehicle Commission by this Plan, as the case may be. Whenever in P.L.1991, c.452 (C.27:5F-36 et seq.) or in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise reference is made to the Motorcycle Safety Education Fund established in the Office of Highway Traffic Safety or to the Motorcycle Safety Education Advisory Committee, the same shall mean and refer to the Motorcycle Safety Education Fund established in the Motor Vehicle Commission or the Motorcycle Safety Education Advisory Committee continued by this Plan and transferred to the Motor Vehicle Commission whose advisory functions are performed on behalf of the Motor Vehicle Commission, as the case may be.

VII. All regulations promulgated by the Director of the Office of Highway Traffic pursuant to P.L.1991, c.452, s.5 (C.27:5F-40) shall remain in effect as if promulgated by the Motor Vehicle Commission until such time as they may be amended or repealed or new regulations are promulgated by the Motor Vehicle Commission. Whenever reference in the regulations is made to the Director of the Office of Highway Traffic Safety, the same shall mean and refer to the Chief Administrator of the Motor Vehicle Commission.

VIII. Nothing in this Reorganization Plan shall affect provisions 1e through 1f of Reorganization Plan No. 002-1995, effective July 22, 1995. These provisions require the approval of the Attorney General prior to the Motor Vehicle Commission's engaging in certain activities, including the promulgation of regulations, related to civil or criminal law enforcement. The requirement is based on the close connection between the criminal, regulatory and administrative authority of the Attorney General and the authority and functions of the Commission with respect to motor vehicles.
GENERAL PROVISIONS

1. All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies.

2. Unless otherwise specified in this Reorganization Plan, all transfers directed by this Reorganization Plan shall be effected pursuant to the State Agency Transfer Act, P.L.1971, c.375 (C.52:14D-1 et seq.).

3. If any provisions of this Reorganization Plan or the application thereto to any persons, or circumstances, or the exercise of any power or authority hereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Reorganization Plan are declared to be severable.

A copy of this Reorganization Plan was filed on January 24, 2005 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on March 25, 2005 unless disapproved by each House of the Legislature by passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a later date should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under a heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 002-2005
A PLAN TO PROVIDE FOR THE TRANSFER,
CONSOLIDATION AND REORGANIZATION OF THE
REORGANIZATION PLANS

LICENSING AND REGULATION OF RESIDENTIAL HEALTH CARE FACILITIES FROM THE DEPARTMENT OF HEALTH AND SENIOR SERVICES TO THE DEPARTMENT OF COMMUNITY AFFAIRS

PLEASE TAKE NOTICE that on March 14, 2005, Acting Governor Richard J. Codey hereby issues the following Reorganization Plan No. 002-2005 to provide for the transfer, consolidation and reorganization of the licensing and regulation of residential health care facilities from the Department of Health and Senior Services to the Department of Community Affairs.

GENERAL STATEMENT OF PURPOSE

This Plan transfers responsibility for all license, regulatory and enforcement activities related to residential health care facilities, as defined in P.L.1953, c.212, s.1, as amended (C.30:11A-1), from the Department of Health and Senior Services to the Department of Community Affairs. The Department of Community Affairs currently has jurisdiction over the regulation of rooming and boarding houses, facilities that are similar in nature to residential health care facilities, and serve a population with similar needs. The health, safety and rights of residents of residential health care facilities can be most effectively and efficiently protected by consolidating the oversight of such facilities with the regulation of rooming and boarding houses.

THE RATIONALE FOR RELOCATING THE LICENSING AND REGULATION OF RESIDENTIAL HEALTH CARE FACILITIES WITHIN THE DEPARTMENT OF COMMUNITY AFFAIRS

The purpose of the Reorganization Plan is to consolidate oversight of residential health care facilities, P.L.1953, c.212, as amended (C.30:11A-1 et seq.), and rooming and boarding houses, P.L.1979, c.496, as amended (C.55:13B-1 et seq.), within a single executive department, the Department of Community Affairs. Such consolidation is appropriate given the similarities between residential health care facilities and boarding houses. Both residential health care facilities and boarding houses provide services to similar populations, and also provide roughly equivalent levels of services. Specifically, in addition to the basic provision of food and shelter, both types of facilities provide assistance to residents in terms of coping with issues of daily living. The level of such services, however, does not
generally rise in either case to the point where skilled nursing care is required. Currently the Department of Community Affairs regulates and inspects boarding houses. The Department of Community Affairs currently performs two separate yearly inspections on each boarding house in the State. One inspection, designated as the property maintenance inspection, is to insure that the physical facility itself is in compliance with all requirements. The second inspection is to insure that all social services offered by that particular boarding house are being appropriately provided. The Department of Health and Senior Services' staff currently regulating and inspecting residential health care facilities also oversee and/or inspect nursing homes, assisted living facilities, intermediate care facilities, and medical day care facilities, all of which provide skilled healthcare services to the population they serve. Transferring all licensing, regulatory and enforcement activities involving residential health care facilities to the Department of Community Affairs will enable the Department of Health and Senior Services to focus on the regulation of those facilities that provide skilled healthcare services.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch by combining similar functions and activities within one agency, thus eliminating overlapping and duplication of effort;

2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one agency similar functions;

3. Group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes;

4. Promote economy to the fullest extent consistent with the efficient operation of the Executive Branch; and

5. Increase the efficiency of the operations of the Executive Branch to the fullest extent possible.
PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. All of the powers, functions and duties exercised by the Commissioner of Health and Senior Services, or any division, bureau or office within the Department of Health and Senior Services (collectively DHSS), to the extent they relate to residential health care facilities, except those located with, and operated by, licensed health care facilities including, but not limited to, the powers, functions and duties relating to residential health care facilities under:

   a) L.1971, c.136, as amended (C.26:2H-1 et seq.)
   b) L.1979, c.496, as amended (C.26:2H-5.1 et seq.)
   c) L.1999, c.154, s.14 (C.26:2H-12.12)
   d) L.2003, c.246, s.13 (C.26:2H-12.22)
   e) L.1988, c.113, s.2 (C.26:2H-13.1)
   f) L.1988, c.114, as amended (C.26:2H-14.2 et seq.)
   g) L.1989, c.173, s.2 (C.26:2H-14.4)
   h) L.1993, c.282 (C.26:2H-14.5 et seq.)
   i) L.1977, c.238, as amended (C.26:2H-36 et seq.)
   j) L.1991, c.201, as amended (C.26:2H-53 et seq.)
   k) L.1979, c.496, as amended (C.30:1A-2 et seq.)
   l) L.1986, c.205, as amended (C.30:1A-4 et seq.)
   m) L.1997, c.258, s.3 (C.30:4-177.55)
   n) L.1953, c.212, as amended (C.30:11A-1 et seq.)

   are continued, transferred to, and established within, the Department of Community Affairs, and shall henceforth be exercised by the Commissioner of Community Affairs, provided, however, that all powers, functions and duties exercised by DHSS relating to all other health care facilities that are not residential health care facilities, and all DHSS personnel, shall remain with DHSS; and provided further that all penalties imposed and collected by the Department of Community Affairs from residential health care facilities shall be retained by the Department of Community Affairs for the purpose of the enforcement of the responsibilities transferred to the Department pursuant to this Plan.

2. The powers, functions and duties hereby transferred shall be organized and implemented within the Department of Community Affairs as determined by the Commissioner of Community Affairs.
3. All records held by the Department of Health and Senior Services for purposes of the program hereby transferred are transferred to the Department of Community Affairs, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

4. Whenever any law, rule, regulation, contract, order, document, judicial or administrative proceeding or otherwise, expressly references residential health care facilities and refers to the Department of Health and Senior Services or the Commissioner of Health and Senior Services, the same shall mean the Department of Community Affairs or the Commissioner of Community Affairs, respectively, except where the context clearly requires otherwise.

5. The Commissioners of the Department of Community Affairs and the Department of Health and Senior Services shall enter into inter-agency agreements, as necessary and appropriate, to effectuate the provisions of this Plan.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L.1969, c.203. Specifically, this reorganization will promote the more effective management of the Executive Branch and its agencies, and it will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions. This Plan will provide greater protection for the residents of residential health care facilities and for the public at large.

2. Any section or part of this Plan that conflicts with Federal law or regulations shall be considered null and void unless and until addressed and corrected through an interagency agreement, Federal waiver or other means.

3. All acts and parts of acts and plans or parts of plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

4. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is
held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

5. This Plan is intended to protect and promote public health, safety and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.

6. All transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

7. A copy of this Reorganization Plan was filed on March 15, 2005 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on May 13, 2005 unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than May 13, 2005, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 003-2005
A PLAN FOR THE TRANSFER OF CERTAIN FUNCTIONS, POWERS AND DUTIES OF THE PUBLIC HEALTH COUNCIL TO THE DEPARTMENT OF HEALTH AND SENIOR SERVICES

PLEASE TAKE NOTICE that on June 27, 2005, Acting Governor Richard J. Codey hereby issues this Reorganization Plan No. 003-2005 (Plan), providing for the transfer of certain functions, powers and duties of the Public Health Council to the Department of Health and Senior Services.
GENERAL STATEMENT OF PURPOSE

The Commissioner of the Department of Health and Senior Services is the chief public health official directly responsible to the Governor on all matters relating to the public health. The Commissioner supervises and directs the Department of Health and Senior Services in carrying out its public health functions, including in times of emergency. As such, it is vitally important that the Commissioner have direct responsibility for and control of health policy and practices as well as the ability to respond quickly to any changes necessary to meet public needs and to ensure that policies are coordinated throughout the State.

The Public Health Council has been created in the Department of Health and Senior Services and been given authority independent of the Commissioner on matters affecting the public health. Specifically, the Council is vested with the responsibility to establish the State Sanitary Code which may cover any subject affecting public health, or the preservation and improvement of public health and the prevention of disease in this State, including the immunization of school children. In addition, the State Sanitary Code may contain, among other things, sanitary regulations prohibiting nuisances hazardous to human health, regulating the detection, reporting, prevention and control of communicable and preventable diseases, regulating the conduct of public funerals, and regulating the preparation, handling, transportation, burial or other disposal, disinterment and reburial of dead human bodies. While the Commissioner is available to the Governor at all times, the Council meets monthly.

The current structure of the Council does not afford the Commissioner the necessary level of coordination of and control over these fundamentally important public health activities. In current times, it is imperative that the Commissioner have the ability to control and direct all matters relating to the public health so as to ensure that the Commissioner and the Governor are able to respond to immediate and changing public health needs, particularly those relating to domestic security preparedness, planning and response.

The transfer of power will ensure effective and coordinated exercise of powers in a way that is directly responsible to the Governor as the Chief Executive. In light of its experience in considering and addressing issues of public health, the Public Health Council will continue to serve the Commissioner and the Department in an advisory capacity.
NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.) (Act), I find, with respect to the transfer, reorganization and consolidation provided for in this Plan, that each aspect of the Plan is necessary to accomplish the purposes set forth in Section 2 of the Act and that each aspect will: 1. Promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions, and the expeditious administration of the public business; 2. Reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive Branch; 3. Increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; 4. Group, coordinate and consolidate agencies and functions of the Executive Branch, as nearly as may be, according to major purposes; 5. Reduce the number of agencies by consolidating those having similar functions under a single head and abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Executive Branch; and 6. Eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. The functions, powers and duties of the Public Health Council under P.L.1947, c.177, as amended (C.26:1A-5 et seq.), other than the Council's advisory and consultative functions, are continued and are transferred to the Department of Health and Senior Services to be allocated within the Department as determined by the Commissioner.

GENERAL PROVISIONS

1. I find this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L.1969, c.203. Specifically, this reorganization will promote the more effective management of the Executive Branch and its agencies, and it will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate and consolidate functions in a more consistent and practical manner, improve services and service delivery to New Jersey citizens and businesses, and eliminate overlapping and duplication of functions.
2. All acts and parts of acts and plans or parts of plans inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

3. If any provision of this Plan or the application thereof to any person, or circumstance, or the exercise of any power or authority hereunder is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of the Plan are declared to be severable.

4. This Plan is intended to protect and promote the public health, safety and welfare and shall be liberally construed to attain the objectives and effect the purposes thereof.

5. All transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

A copy of this Reorganization Plan was filed on June 27, 2005 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on August 26, 2005 unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than August 26, 2005, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 004-2005
A PLAN FOR THE TRANSFER OF THE RESPONSIBILITIES FOR DEBT COLLECTION FUNCTIONS FROM VARIOUS
STATE AGENCIES AND CONSOLIDATING THEM WITHIN THE DEPARTMENT OF THE TREASURY

PLEASE TAKE NOTICE that on June 27, 2005, Acting Governor Richard J. Codey hereby issues this Reorganization Plan No. 004-2005 (the Plan), to provide for the transfer of responsibilities for certain debt collection functions from State agencies in the Executive Branch of government to the Department of the Treasury.

This Plan furthers an ongoing effort to streamline and make more effective the operations of the Executive Branch in the interests of efficiency by consolidating certain debt collection functions into a single organization.

GENERAL STATEMENT OF PURPOSE

In 1997-1998, the State began the process of consolidating the debt collection and receipts processing functions of the Executive Branch of government by creating a Division of Revenue in the Department of the Treasury and assigning to it responsibility for revenue management of many programs in the Executive Branch. That process was continued in 2004 under Reorganization Plan 004-2004, which reassigned overall responsibility for the Division of Revenue's debt collection and receipts processing functions to the Department of the Treasury. This move gave the Treasurer the flexibility to assign various revenue management functions to the unit in that Department able to carry out those responsibilities most efficiently.

The current Plan is designed to further this process of consolidating in a single organization all responsibility for revenue management, in particular, debt collection, by transferring the remaining debt collection responsibilities of State departments and agencies in the Executive Branch to the Department of the Treasury, after those departments and agencies have had an opportunity to collect the fee, fine, costs, penalties and assessments owed to the department or agency. This Plan does not, however, affect the debt collection responsibilities of independent authorities and instrumentalities allocated to departments in the Executive Branch, but otherwise independent of the operational and budgetary control of the department to which they are allocated. Also, this Plan recognizes that, with respect to matters that are the subject of litigation in which representation is provided by or on behalf of the Attorney General, the State may profit from the prompt application by the Attorney General of the legal tools for
the collection of debt. Accordingly, with respect to this select category of outstanding debt, it is appropriate to reserve to the Attorney General the first opportunity to exhaust lawful and appropriate measures to collect outstanding fees, fines, costs, penalties and assessments before such debt is referred to the Department of the Treasury for collection.

There are several reasons why consolidation of debt collection functions is in the best interest of the State. Centralizing debt collection responsibility in the Department of the Treasury has allowed that Department to define and control the policies and procedures governing the processing of collections and to approach collections in an organized, systematic way. Centralizing collections processing and related data entry functions in the Treasury will assist the State by taking advantage of Treasury's specialized collections services in an efficient and cost-effective manner. This consolidation will improve the State's overall ability to collect revenue and improve service to citizens. Moreover, the consolidation will eliminate duplication of effort in the area of collections.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L. 1969, c.203 (C.52:14C-1 et seq.) I find with respect to the reorganization, transfer and consolidation provided for in this Plan, that each aspect of the Plan is necessary to accomplish the purposes set forth in Section 2 of the Act and that each aspect will:

1. promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions and the expeditious administration of the public business;

2. reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive Branch;

3. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

4. group, coordinate and consolidate agencies and functions of the Executive Branch, as nearly as may be, according to major purposes; and

5. eliminate overlapping and duplication of effort.
PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. For purposes of this Plan the term "debt" means a fee, fine, cost, penalty or assessment owed to a State department or agency in the Executive Branch, other than an independent authority or instrumentality that is independent of the operational and budgetary control of the department to which it is allocated. The term "debt" does not include interagency debts and debts associated with loans, notes, grants and contracts. For purposes of the transfer of responsibility under this Plan, a fee, fine, cost, penalty or assessment constitutes a "debt" three months after it becomes due and owing.

2. Except as provided in paragraph 4, the functions, powers and duties relating to collection of debt are continued and are transferred to the Department of the Treasury.

3. All functions, powers and duties not transferred to the Department of the Treasury by this Plan remain with the department or agency of origin. Nothing in the Plan shall be construed to diminish or modify the Attorney General's powers, duties or role pursuant to the Constitution, the common or statutory law, including but not limited to the Attorney General's powers, duties and role pursuant to P.L.1944, c.20, as amended (C.52:17A-1 et seq.) to act as sole legal advisor, attorney and counsel for all officers, departments, boards, bodies, commissions andinstrumentalities of the State government and to represent them in all proceedings or actions of any kind which may be brought for or against them in any court of this State; to interpret all statutes and legal documents, inspect and approve contracts -- and titles and otherwise control their legal activities; to attend generally to all legal matters in which the State or any officer, department, board, body, commission or instrumentality of the State government is a party or in which its rights or interests are involved; and to appoint, employ, supervise and dismiss special counsel.

4. The functions, powers and duties for the collection of a debt owed to a department or agency in the Executive Branch in any matter in which: (i) the Attorney General or special counsel approved by the Attorney General has participated in the negotiation or approval of the debt; or (ii) the debt arises from litigation or administrative action shall be transferred to the Department of the Treasury six months after the fee, fine, cost, penalty or
assessment becomes a debt, if the Attorney General has taken no action to collect that debt within that time; provided, the Attorney General may determine at any time to transfer a debt to Treasury for collection.

5. Each Executive Branch department or agency shall be responsible for ensuring that its internal systems for collecting any fees, fines, costs, penalties or assessments owed to it are adequate and effective. Account records for all debts shall be transferred promptly from the department or agency of origin to the Department of the Treasury three months after the fine, fee, cost, penalty or assessment is due and owing. Once such records are transferred, the Department of the Treasury shall be the legal custodian thereof and shall be responsible for conducting all collection operations on the accounts using all available methods, and for the maintenance and disposition of the records as required by law.

GENERAL PROVISIONS

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will more efficiently direct, administer and control the State’s revenue management functions, in particular the collections functions. This Plan provides for the consolidation and coordination of this activity into a single organization, the Department of the Treasury. This consolidation will improve the State’s overall ability to collect revenue. Moreover, the consolidation will eliminate duplication of effort in the area of collections.

2. Monies collected or received by the Department of the Treasury shall be deposited in such accounts or funds and shall otherwise be disposed of as may be provided by State or Federal law for deposit or disposition of such monies.

3. All acts or parts of acts or Plans or parts of Plans inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

4. Unless otherwise specified in this Plan all transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).
5. If any provisions of this Plan or the application thereof to any person or circumstances or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of this Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provision not contrary to law. To this end, the provisions of this Plan are declared to be severable.

6. This Plan is intended to make the operations of the Executive Branch more efficient and effective with regard to revenue management practices and shall be liberally construed to attain the objectives and effect the purposes thereof.

A copy of this Reorganization Plan was filed on June 27, 2005 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on August 26, 2005, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than August 26, 2005, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

GENERAL STATEMENT OF PURPOSE

This Plan transfers responsibility for the licensing and regulation of health maintenance organizations (HMOs), the regulation of other carriers licensed by the Department of Banking and Insurance that offer managed care plans subject to the Health Care Quality Act, P.L.1997, c.192 (C.26:2S-1 et seq.), and the certification and regulation of entities subject to the Organized Delivery System Act, P.L.1999, c.409 (C.17:48H-1 et seq.), from the Department of Health and Senior Services to the Department of Banking and Insurance. The Department of Banking and Insurance currently has jurisdiction over the regulation of various types of insurance carriers, including HMOs, with respect to certain aspects of their operations, such as marketing, claims processing, and financial examination and solvency. Transferring the Office of Managed Care to the Department of Banking and Insurance will create a more centralized, coordinated and integrated approach to the oversight of all managed care entities.

THE RATIONALE FOR RELOCATING THE LICENSING AND REGULATION OF HEALTH MAINTENANCE ORGANIZATIONS AND ORGANIZED DELIVERY SYSTEMS WITHIN THE DEPARTMENT OF BANKING AND INSURANCE

The Office of Managed Care (OMC) is a unit in the Department of Health and Senior Services (DHSS) responsible for licensing and regulating HMOs, regulating certain aspects of managed care plans offered by carriers subject to the Health Care Quality Act and certifying and regulating entities subject to the Organized Delivery System Act, with respect to certain aspects of such entities' business, including, but not limited to, adequacy of provider networks, utilization management systems, and the Independent Health Care Appeals Program. OMC has regulatory authority with respect to both risk-bearing and non-risk bearing entities seeking the status of an Organized Delivery System (ODS). Risk-bearing ODSs are licensed by the Department of Banking and Insurance (DOBI); however, because those entities must comply with the majority of OMC's requirements for certification, OMC currently works in a consultative capacity with DOBI, providing licensing recommendations to it regarding risk-bearing ODSs. OMC currently certifies non-risk bearing ODSs.
OMIC handles managed care complaints and tracks external appeal requests processed through the Independent Health Care Appeals Program and the outcomes of such appeals. OMC produces a semi-annual report regarding the activities of the Independent Health Care Appeals Program, which it provides to the Legislature and the Governor, pursuant to P.L.1997, c.192, s.14 (C.26:2S-14). OMC compiles an annual HMO Report Card, which contains information on the performance of New Jersey’s HMOs with respect to their commercial plans, including how well the plans deliver important health care services, and how members rate the services they receive, in accordance with N.J.S.A.26:2S-15.

DOBI regulates the banking, insurance, and real estate industries in order to protect and educate consumers and promote the growth, financial stability, and efficiency of those industries. DOBI consists of two Divisions: the Division of Banking and the Division of Insurance. The Division of Insurance is further divided into units that oversee Consumer Protection Services, Solvency Regulation, Life and Health Insurance, and Property and Casualty Insurance.

Within the Life and Health unit, the Health Insurance Bureau ("HIB") is responsible for the review and approval of individual and group health insurance forms and those rates, which are within DOBI’s jurisdiction. HIB reviews all disability income, long term care, Medicare supplement, accident-only, hospital confinement indemnity, dental care and vision care health insurance contracts sold to individuals. HIB also reviews and approves rates for such coverages in the individual market. With the exception of group hospital-medical contracts sold to individuals and small employers, HIB is responsible for the review of all group health insurance policies, group term life insurance policies, and health maintenance organization contracts.

Also within the Life and Health unit is the Valuation Bureau ("VB"), which is responsible for the licensing of all health insurance companies and service corporations, dental plan organizations, prepaid prescription service organizations and ODSs. The VB also licenses and/or registers third party administrators and self-funded multiple employer welfare arrangements. Moreover, the VB regulates health joint insurance funds operated by local governments and school boards.

The Actuarial Bureau within the Life and Health unit reviews prompt pay reports submitted by all health carriers as well as rate filings.
The Office of Solvency Regulation (OSR) monitors the financial solvency of insurers and HMOs doing business in New Jersey. The OSR performs a detailed financial analysis on all domestic insurers and HMOs on at least a quarterly basis and on-site financial examinations of these entities every three to five years. The OSR is accredited by the National Association of Insurance Commissioners Financial Standards and Accreditation Program and must perform these analyses and reviews in accordance with the standards of the Program in order to maintain such accreditation.

In 1992, the New Jersey Legislature created two programs to guarantee access to health coverage for individuals and employees of small employers, regardless of health status, age, claims history, or any other risk factor. The Individual Health Coverage Program ("IHC") and the Small Employer Health Benefits Program ("SEH") have reformed the individual and small employer (employers with 2-50 employees) health insurance markets.

The Consumer Protection Services unit in DOBI responds to complaints and inquiries on all aspects of the business of insurance, including the activities of insurance producers; payment disputes involving "clean claims;" the carriers' implementation of internal and external appeals procedures mandated by N.J.A.C.11:22-1 et seq., regarding the payment of claims to participating providers; financial and contractual matters; and medical and dental claim disputes. The CPS unit also performs market conduct examinations of health claims which reviews, among other things, the carrier's payment of claims, provisions of mandated benefits and compliance with appeal procedures. Moreover, a sub-unit within CPS, Enforcement, investigates and initiates sanctioning proceedings against carriers and producers that commit violations involving health and dental insurance matters.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in Section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch by combining similar functions and activities within one agency, thus eliminating overlapping and duplication of effort;
2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one agency similar functions;

3. Group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes;

4. Promote economy to the fullest extent consistent with the efficient operation of the Executive Branch; and

5. Increase the efficiency of the operations of the Executive Branch to the fullest extent possible.

REORGANIZATION PLAN NO. 006-2005
A PLAN TO PROVIDE FOR THE TRANSFER, CONSOLIDATION AND REORGANIZATION OF THE LICENSING OF PRIVATE LICENSED FACILITIES FOR PERSONS WITH DEVELOPMENTAL DISABILITIES FROM THE DEPARTMENT OF HEALTH AND SENIOR SERVICES TO THE DEPARTMENT OF HUMAN SERVICES

PLEASE TAKE NOTICE that on June 30, 2005, Acting Governor Richard J. Codey hereby issues the following Reorganization Plan No. 006-2005 to provide for the transfer, consolidation and reorganization of the licensing of private facilities for persons with developmental disabilities from the Department of Health and Senior Services to the Department of Human Services.
GENERAL STATEMENT OF PURPOSE

This Plan concerns health care facilities that are privately owned, licensed facilities for persons with developmental disabilities and subject to N.J.A.C.10:47-1.1 (Facilities). This Plan transfers responsibility for the licensing of these Facilities from the Department of Health and Senior Services to the Department of Human Services. The Department of Health and Senior Services currently has jurisdiction over the licensing of health care facilities, including the Facilities. The Department of Human Services currently has responsibility for developing the standards for, and inspecting these Facilities. The health, safety and rights of residents of these Facilities can be most effectively and efficiently protected by consolidating the licensure, inspection, and enforcement authority for such facilities within one agency.

THE RATIONALE FOR RELOCATING THE LICENSING OF PRIVATE FACILITIES FOR PERSONS WITH DEVELOPMENTAL DISABILITIES WITHIN THE DEPARTMENT OF HUMAN SERVICES

The purpose of the Reorganization Plan is to consolidate oversight of these Facilities within a single executive department, the Department of Human Services. Such consolidation is appropriate given the fact that the Department of Human Services, through its Division of Developmental Disabilities (DDD), is responsible for protecting the rights of persons with developmental disabilities, and establishing standards for the provision of services to such individuals, in accordance with the Developmentally Disabled Rights Act, P.L.1977, c.82, as amended (C.30:6D-1 et seq.). DDD's mission is to assist people with developmental disabilities to live as independently as possible. DDD currently serves over 33,000 individuals. The Department of Human Services has responsibility for the development of minimum operating standards for, and the inspection of, private licensed facilities serving persons with developmental disabilities, pursuant to P.L.1918, c.147, s.119, as amended (C.30:1-12), P.L.1918, c.147, s.125, as amended (C.30:1-15), P.L.1965, c.59, s.3, as amended (C.30:1-15.1), and P.L.1977, c.82, as amended (C.30:6D-1 et seq.). Currently, the Department of Health and Senior Services licenses four facilities as private licensed facilities for persons with developmental disabilities.

The Health Care Facilities Planning Act, P.L.1971, c.136, as amended (C.26:2H-1 et seq.), vests responsibility for the licensing of health care
facilities, including these Facilities, within the Department of Health and Senior Services.

This Plan will allow the same agency to assume all regulatory authority, including licensure, inspection and enforcement authority, over these Facilities, and to incorporate the regulation of such Facilities into the comprehensive program of residential services administered by the Department of Human Services. This will provide more efficient and effective protection for those persons with developmental disabilities who require such residential supervision, and will provide for overall improvement in the quality of life for those residents.

NOW, THEREFORE, in accordance with the provisions of the Executive Reorganization Act of 1969, P.L.1969, c.203 (C.52:14C-l et seq.), I find, with respect to the transfer, consolidation and reorganization provided for in this Plan, that they are necessary in order to accomplish the purposes set forth in section 2 of that Act and will do the following:

1. Promote more effective management of the Executive Branch by combining similar functions and activities within one agency, thus eliminating overlapping and duplication of effort;

2. Promote better and more efficient execution of the laws and expeditious administration of the public business by consolidating and integrating within one agency similar functions;

3. Group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes;

4. Promote economy to the fullest extent consistent with the efficient operation of the Executive Branch; and

5. Increase the efficiency of the operations of the Executive Branch to the fullest extent possible.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. All of the powers, functions and duties exercised by the Commissioner of Health and Senior Services, or any division, bureau or office within the Department of Health and Senior Services (collectively DHSS),
to the extent they relate to private licensed facilities for persons with developmental disabilities, including, but not limited to, the powers, functions and duties relating to private licensed facilities for persons with developmental disabilities under:

a) L.1971, c.136, as amended (C.26:2H-1 et seq.)
b) L.1979, c.496, as amended (C.26:2H-5.1 et seq.)
c) L.1999, c.154, s.14 (C.26:2H-12.12)
d) L.2003, c.246, s.13 (C.26:2H-12.22)
e) L.1988, c.113, s.2 (C.26:2H-13.1)
f) L.1988, c.114, as amended (C.26:2H-14.2 et seq.)
g) L.1989, c.173, s.2 (C.26:2H-14.4)
h) L.1993, c.282 (C.26:2H-14.5 et seq.)
i) L.1977, c.238, as amended (C.26:2H-36 et seq.)
j) L.1991, c.201, as amended (C.26:2H-53 et seq.)

are continued, transferred to, and established within, the Department of Human Services, and shall henceforth be exercised by the Commissioner of Human Services, provided, however, that all powers, functions and duties exercised by DHSS relating to all other health care facilities that are not private licensed facilities for persons with developmental disabilities shall remain with DHSS; and provided further that all penalties collected by the Department of Human Services from these Facilities pursuant to the powers, duties and functions transferred herein and specifically, pursuant to P.L.1971, c.136, s.16, as amended (C.26:2H-16), shall be paid to the Department of Human Services.

2. The personnel, support services or funds to purchase such services utilized for the support of the licensing of these Facilities within the Department of Health and Senior Services shall be transferred to the Department of Human Services. These transfers shall be made as determined by mutual agreement between the Commissioner of Health and Senior Services and the Commissioner of Human Services, as set forth in a Memorandum of Understanding, after considering the number and type of positions presently utilized for support of the licensing of these facilities and the appropriateness of transferring personnel, positions, and/or funding. All records, property, appropriations and any unexpended balance of funds appropriated or otherwise available to the Department of Health and Senior Services in connection with the licensing of these Facilities shall be transferred to the Department of Human Services, pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.). The transfers of specific resources and personnel shall be effectuated as determined by agreement between the Commissioner of Health and Senior Services and
the Commissioner of Human Services, after considering the processes necessary to provide an orderly transition.

3. The powers, functions, duties and personnel hereby transferred shall be organized and implemented within the Department of Human Services as determined by the Commissioner of Human Services.

4. Whenever any law, rule, regulation, contract, order, document, judicial or administrative proceeding or otherwise, expressly references private facilities for persons with developmental disabilities and refers to the Department of Health and Senior Services or the Commissioner of Health and Senior Services, the same shall mean the Department of Human Services or the Commissioner of Human Services, respectively, except where the context clearly requires otherwise.

5. The Commissioners of the Department of Human Services and the Department of Health and Senior Services shall enter into inter-agency agreements, as necessary and appropriate, to effectuate the provisions of this Plan.

**GENERAL PROVISIONS**

1. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will promote the more effective management of the Executive Branch and its agencies, and it will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch according to major purposes. It will group, coordinate and consolidate functions in a more consistent and practical manner and eliminate overlapping and duplication of functions. This Plan will provide greater protection for the residents of private licensed residential facilities for persons with developmental disabilities, and for the public at large.

2. All acts and parts of acts and plans or parts of plans inconsistent with the provisions of this Plan are superseded to the extent of such inconsistencies.

3. If any provision of this Plan, or the application thereof to any person, or circumstance, or the exercise of any power or authority thereunder, is held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, or affect other exercises or power or authority
under such provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

4. This Plan is intended to protect and promote public health, safety and welfare, and shall be liberally construed to attain the objectives and effect the purposes thereof.

5. All transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L. 1971, c 375 (C.52:14D-1 et seq).

A copy of this Reorganization Plan was filed on June 30, 2005 with the Secretary of State and with the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on August 29, 2005 unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than August 29, 2005, should the acting Governor establish such a later date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO. 007-2005

PLEASE TAKE NOTICE that on November 10, 2005, Acting Governor Richard J. Codey hereby issues this Re-organization Plan No. 007-2005 (the
Plan), providing for the transfer within the Department of Human Services (DHS) of the division level Office of Licensing (OOL), and all of its functions, powers, duties and personnel, from the Division of Youth and Family Services (DYFS), the Division of Developmental Disabilities (DDD), and the Division of Mental Health Services (DMHS) to the Office of Program Integrity and Accountability (OPIA) within DHS; and further providing for the transfer within DHS of the Institutional Abuse Investigations Unit (IAIU) and all of its functions, powers, duties and personnel to the Office of Children's Services (OCS).

Recent data and assessments of the child welfare system in this State demonstrated the need for a new approach to delivering services to abused and neglected children. A comprehensive child welfare reform plan was issued in June, 2004 by DHS as part of a federal class action settlement. This Reorganization Plan is consistent with that child welfare reform plan. It furthers DHS' intention to effectively manage OOL and IAIU, which license and handle allegations of maltreatment in facilities providing out of home placements for children. It also prevents potential conflicts of interest between OOL and IAIU, on the one hand, and DYFS, the primary user of out of home placements being licensed or investigated, on the other hand. The transfer of OOL and the IAIU allows DYFS to focus its mission on abused and neglected children and to allow responsibilities for licensure and investigating institutional abuse to be met by the DHS' OPIA and OCS. P.L.2004, c.130.

Additionally, the consolidation of the licensing function of DYFS, DDD and DMHS will result in the development of licensing processes that are standardized, consistent and possess intrinsic value to our consumers. The reorganization of these three licensing units will result in the DHS OOL functioning as a single licensing and regulatory authority across DHS that supports the provision of a safe environment in which DHS consumers receive services that sustain, nurture and assist in growth and well-being.

GENERAL STATEMENT OF PURPOSE

The Division of Youth and Family Services (DYFS) was created by P.L.1951, c.138 as the successor to the Bureau of Children's Services as the State agency for the care, custody, guardianship, maintenance and protection of children. P.L.1979, c.309. (C.30:4C-1 et seq.). In accordance with this law, DYFS was authorized to administer for the Department of Human Services and the Commissioner of Human Services, the powers and duties of visitation and inspection with respect to institutions, organizations and
noninstitutional agencies for the care, custody and welfare of children and
to issue such reasonable rules and regulations as may be necessary for the
purpose of carrying these purposes into effect. The DYFS Director was also
authorized to issue final agency decisions concerning licensure and
investigation of abuse and neglect allegations arising in these facilities.
(See, e.g., N.J.A.C. 10:120-2.13)

The Division of Developmental Disabilities (DDD) was established by
P.L.1985, c.145 as a new division that incorporates the existing Division of
Mental Retardation (DMR) and expands the population. The DDD
Director, as the agency head (see N.J.S.A. 52:14B-2 and N.J.A.C. 1:1-2.1),
was authorized to issue final agency decisions concerning DDD licensure
of community residences for the developmentally disabled (see N.J.S.A.

The Division of Mental Health Services (DMHS) replaced the Division
of Mental Health and Hospitals in 1995, pursuant to P.L.1995, c.4, s.11,
which had been established by the Commissioner of Institutions and
Agencies pursuant to the powers conferred by N.J.S.A. 30:1-9 and
transferred to the Department of Human Services in 1976 (see P.L.1976,
c.98). The DMHS Director, as the agency head (see N.J.S.A.52:14B-2 and
N.J.A.C.1:1-2.1), was authorized to issue final agency decision licensure
authority pursuant to P.L.1995, c.321 regarding certain providers of
community mental health services (see N.J.A.C.10:37-10.1 et seq.).

In order to promote consistent practice among the licensing units within
the Department of Human Services, the Office of Program Integrity and
Accountability was created under the direction of an Assistant Commis­sioner. The OOL, included in the OPIA, renders all administrative licensing
decisions concerning DYFS, DDD and DMHS. Pursuant to the child
welfare plan, the Office of Children's Services was created under the
direction of the Deputy Commissioner for Children's Services within the
Department to oversee such entities as are designated by the Commissioner
of Human Services including, but not limited to, DYFS, the Division of
Child Behavioral Health Services and the Division of Prevention and

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of
1969", P.L.1969, c.203 (C.52:14C-1 et seq.) (the Act), I find, with
respect to the transfer, reorganization and consolidation provided for in this
Plan, that each aspect of the Plan is necessary to accomplish the purposes set
forth in Section 2 of the Act and that each aspect will:
1. promote the better execution of the law, the more effective management of the Executive Branch and of its agencies and functions, and the expeditious administration of the public business;

2. reduce expenditures and promote economy to the fullest extent consistent with the efficient operation of the Executive Branch;

3. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

4. group, coordinate and consolidate agencies and functions of the Executive Branch, as nearly as may be, according to major purposes;

5. reduce the number of agencies by consolidating those having similar functions under a single head and abolish such agencies or functions thereof as may not be necessary for the efficient conduct of the Executive Branch; and

6. eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

THEREFORE, I hereby order the following reorganization:

1. a) The Bureau of Licensing formerly in the Division of Youth and Family Services and the licensing units the Division of Developmental Disabilities and the Division of Mental Health Services in the Department of Human Services and their functions, powers, duties and personnel are continued and are transferred to the Office of Program Integrity and Accountability in the Department of Human Services.

b) The functions, powers, and duties of the Director and/or Assistant Commissioner, as applicable, of the Division of Youth and Family Services, the Division of Developmental Disabilities and the Division of Mental Health Services, concerning division related licensing, including authority to serve as final agency decision maker in certain contested cases, are continued and are transferred to the Assistant Commissioner of the Office of Program Integrity and Accountability in the Department of Human Services.

c) The Institutional Abuse Investigations Unit, formerly in the Division of Youth and Family Services in the Department of Human Services and its
functions, powers, duties and personnel are continued and are transferred to the Office of Children's Services in the Department of Human Services.

d) The functions, powers, and duties of the Director and/or Assistant Commissioner, as applicable, of the Division of Youth and Family Services concerning functions of the IAIU, including authority to serve as final agency decision maker in certain contested cases, are continued and are transferred to the Deputy Commissioner of the Office of Children's Services in the Department of Human Services.

e) The functions, powers, and duties of the Director of the Division of Youth and Family Services, including authority to serve as final agency decision maker in certain contested cases, are continued and are transferred to the Deputy Commissioner of the Office of Children's Services in the Department of Human Services.

f) I find this plan is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203 (C.52:14C-2). In addition to the reasons set forth above, this Plan will result in increased efficiency, due to economies of scale, and also will result in greater coordination and improved functioning of the State's regulation of resource family homes, residential youth treatment centers, licensed child care centers and adoption agencies and other facilities serving children, youth and families. Further, the consolidation of the licensing function of DYFS, DDD and DMHS will result in the development of licensing processes that are standardized, consistent and possess intrinsic value to our consumers. The reorganization of these three licensing units will result in the DHS OOL functioning as a single licensing and regulatory authority across DHS that supports the provision of a safe environment in which DHS consumers receive services that sustain, nurture and assist in growth and well-being. This Plan will streamline State government for the benefit of all New Jersey citizens.

2. All records, property, appropriations, and any unexpended balance of funds appropriated or otherwise available to the OOL, are transferred to the OOL as constituted in the OPIA.

3. Whenever in P.L.2004, c.130, P.L.1985, c.145, P.L.1995, c 4, or in any rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise thereunder, reference is made to the OOL in the Division of Youth and Family Services, the Division of Developmental Disabilities, or the Division of Mental Health Services, it shall now be amended to refer to the OOL in the OPIA in the Department of Human Services.
4. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

5. Unless otherwise specified in this Plan, all transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act", P.L.1971, c.375 (C.52:14D-1 et seq.).

6. If any provision of this Plan or the application thereof to any person, or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

7. This Plan is intended to protect and promote the public health, safety and welfare, and shall be liberally construed to obtain the objectives and effect the purposes thereof.

A copy of this Reorganization Plan was filed on November 10, 2005 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days, on January 9, 2006, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than January 9, 2006 should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans".
