C.54:53-17 Three month amnesty period; applicability, procedure.

4. a. In addition to the powers of the director prescribed under the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., and notwithstanding the provisions of any other laws to the contrary, the director shall establish a period not to exceed three months in duration, which period shall end no later than one year after the date of enactment of this act, during which a taxpayer who has failed to pay any State tax on or before the day on which the tax is required to be paid may pay to the director on or before the last day of the period established by the director the amount of that tax, without any interest that may otherwise be due, without any costs of collection that may otherwise be due, and without the imposition of any civil or criminal penalties arising out of an obligation imposed under any State tax law. CHAPTER 3

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1995, c.278 (C.19:60-3) is amended to read as follows:

   C.19:60-3 District board members to perform election duties; designation of polling place, voting equipment.

   3. a. Notwithstanding the provisions of R.S.19:6-1, for school elections the county board of the county in which the election district is located shall designate two members of the district board of election to perform all the duties of the district board for that election, except that where electronic voting systems are in use in any election district in which there are more than 900 registered voters, the county board shall designate four members of the district board to perform all the duties of the district
board for that election. Notwithstanding the provisions of R.S.19:6-10, the county board shall appoint one of the persons so designated to serve as judge and the other or another, as the case may be, of those persons so designated to serve as inspector for school elections.

b. Notwithstanding the provisions of subsection a. or any other law to the contrary:

(1) Upon the request of a board of education or the clerk of a municipality in the county or upon its own initiative, the county board may designate the polling place and voting equipment of one election district to serve as the polling place and voting equipment for the voters of one or more other election districts for school elections. Such a designation shall be based on the casting of no more than 500 ballots during each of the two preceding annual school elections by the voters of the election districts for which that polling place is designated. If, at two consecutive annual school elections thereafter, the number of ballots cast by the voters in those election districts is more than 500, the county board shall effect an appropriate revision of the election districts using that polling place. If a request is from a municipal clerk, the request shall apply only to the election districts in that municipality.

(2) If one polling place is designated for two or more election districts, the county board shall designate at least two members from among the members of the district boards of election of those election districts to perform all the duties of the district board for the school election. The county board shall also appoint one of the persons so designated to serve as judge and another of those persons to serve as inspector for school elections.

2. Section 11 of P.L.1995, c.278 (C.19:60-11) is amended to read as follows:

C.19:60-11 Use of poll list in lieu of signature copy register.

11. The district board of election shall, for any school election, utilize a poll list instead of the signature copy register. The poll list shall be arranged in a column or columns appropriately headed so as to indicate the election, the date thereof, and the school district and election district in which the same is used, in such a manner that each voter voting in the polling place at the election may sign the voter's name and state the voter's address therein and the number of the voter's official ballot may be indicated opposite the signature. The district board shall compare the signature in the poll lists with that in the signature copy registers before accepting the ballot.

If one polling place is designated for two or more election districts pursuant to subsection b. of section 3 of P.L.1995, c.278 (C.19:60-3), the provisions of this section shall apply to the members of the district boards of
election designated to serve as the election officers at the polling place for those election districts. The signature copy registers for those election districts shall be provided to those election officers.

3. Section 12 of P.L. 1995, c.278 (C.19:60-12) is amended to read as follows:

C.19:60-12 Expenses; mandated expenditures.

12. All costs, charges and expenses, including the compensation of the members of the district boards and the compensation and expenses of the county board of elections, the county superintendent of elections, the clerk of the county, and the municipal clerks for any school election shall be paid by the board of education of the school district. All costs, charges and expenses submitted to the board of education for payment shall be itemized and shall include the separate identification of costs to prepare, print and distribute sample ballots. Amounts expended by a county or a municipality in the conduct of school elections for which the board of education shall make payment shall be considered mandated expenditures exempt from the limitations on the county tax levy and from the limitations on final municipal appropriations imposed pursuant to P.L.1976, c.68 (C.40A:4-45.1 et seq.), and any costs to the board of education which exceed the amount of the costs to that board for the annual school election immediately preceding the enactment of P.L.1995, c.278 (C.19:60-1 et seq.) shall not be included for the purpose of calculating a school district's maximum permissible net budget pursuant to section 85 of P.L.1990, c.52 (C.18A:7D-28).

4. R.S.19:15-2 is amended to read as follows:

Operation hours of polls; members present.

19:15-2. The district boards shall open the polls for such election at seven o'clock in the morning and close them at eight o'clock in the evening, and shall keep them open during the whole day of election between these hours; except that for a school election the polls shall be open between the hours of five and nine P.M. and during any additional time which the school board may designate between the hours of seven A.M. and nine P.M.

The board may allow one member thereof at a time to be absent from the polling place and room for a period not exceeding one hour between the hours of one o'clock and five o'clock in the afternoon or for such shorter time as it shall see fit.

At no time from the opening of the polls to the completion of the canvass shall there be less than a majority of the board present in the polling room or place, except that during a school election there shall always be at least one member of each district election board present or if more than two
district board members are designated to serve at the polling place, at least
two members present.

5. Section 2 of PL.1994, c.179 (C.19:31-3.3) is amended to read as
follows:

C.19:31-3.3 Digitalized images of signatures, use.

2. In those counties in which the commissioner of registration employs
data processing equipment capable of creating or receiving, storing, and
printing a digitalized image of the signature of a person registered to vote,
the commissioner may eliminate the use of the duplicate permanent
registration binders and may authorize and direct the use at the polls in place
of such a binder, as a signature copy register for the purposes of this Title
and Title 40 of the Revised Statutes, of a polling record which identifies on
each page the election at which the record is used, which indicates for each
registrant the name and address of the registrant and identifies the municip­
ality and the particular election district therein from which the person is
registered, and which includes adjacent to the registrant's name and address
an imprint of the digitalized image of the registrant's signature and sufficient
space, immediately to the left or right of that imprint, for the registrant to
sign the record, which imprint and signature shall be used as the signature
comparison record as prescribed by this Title. The polling record shall also
include for each registrant sufficient space for the notation of remarks as
provided by R.S.19:15-23 and for the recording of any challenge and the
determination thereof by the district board as provided by R.S.19:15-24, or
by other elections officials charged with the same duties as the district board
in connection with the conduct of an election. In the case of a primary
election, the polling record shall also indicate for each registrant the political
party, if any, of which the registrant is a member for the purpose of voting
at that primary election.

Polling records for each election shall be prepared by the commissioner
of registration not later than the 14th day preceding the election. At each
election, the delivery of the polling records to the municipal clerk and to the
district boards or other elections officials charged with the same duties as
the district board in connection with the conduct of an election, and the
return of those records by the district boards or such other elections officials
to the commissioner of registration, shall be made in the manner and in
accordance with the schedule prescribed by law for the delivery and return
at that election of the signature copy registers.

The commissioner of registration shall retain the polling records for any
election for a period of not less than six years following that election.
6. After the first annual school election conducted pursuant to P.L. 1995, c.278 (C.19:60-1 et seq.), the Secretary of State shall conduct a survey of each school district to compare the costs of conducting the school election pursuant to that law with the costs of conducting school elections previously under Title 18A of the New Jersey Statutes. The survey shall be based on an examination of the same items with respect to each such election. The secretary shall report the findings of the survey to the Governor and the Legislature no later than October 1, 1996.

7. This act shall take effect immediately.

Approved February 29, 1996.

Blanket bond coverage may be provided in lieu of an individual bond as to any officer or employee required by law to be bonded, except treasurers and tax collectors, by whatever title known, provided the blanket bond meets the requirements for the individual bond in amount, rights of cancellation, and the governmental agencies in whose favor it runs.

Whenever a copy of an individual bond is required by law to be filed with or supplied to specified officers, evidence of blanket bond coverage

The maximum risk to be retained for group term life insurance by a joint insurance fund on a self-insured basis shall not exceed a face amount of $5,000 per covered employee or dependent or more if approved by the Commissioners of Insurance and Community Affairs. As used in this subsection: (1) "life insurance" means life insurance as defined pursuant to N.J.S.17B:17-3; (2) "health insurance" means health insurance as defined pursuant to N.J.S.17B:17-4 or service benefits as provided by health service corporations, hospital service corporations or medical service corporations authorized to do business in this State; and (3) "dependent" means dependent as defined pursuant to N.J.S.40A:10-16.

AN ACT concerning the collection of child support payments, amending P.L. 1981, c. 417 and supplementing chapter 17 of Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L. 1981, c. 417 (C.2A:17-56.8) is amended to read as follows:

C.2A:17-56.8 Enforcement of child support orders.

2. Every complaint, notice or pleading for the entry or modification of an order of a court which includes child support shall include a written notice to the obligor stating that the child support provision of the order shall, and the medical support provision may, as appropriate, be enforced by an income withholding upon the current or future income due from the obligor's employer or successor employers and upon the unemployment compensation benefits due the obligor and against debts, income, trust funds, profits or income from any other source due the obligor except as provided in section 3 of P.L. 1981, c. 417 (C.2A:17-56.9). The written notice shall also state that the driver's license and professional or occupational licenses held or applied for by the obligor may be denied, suspended or revoked if: the child support arrearage is equal to or exceeds the amount of child support payable for six months; the obligor fails to provide health insurance for the children as ordered by the court for six months; or a warrant for the obligor's arrest has been issued by the court due to failure to pay child support as ordered, failure to appear at a hearing to establish paternity or child support, or failure to appear at a hearing to enforce a child support order and said warrant remains outstanding. The written notice shall also state that the amount of a IV-D child support order and the provisions for medical support coverage shall be reviewed and updated, as necessary, at least every three years.

The court shall ensure that in the case of each obligor against whom a support order is or has been issued or modified, the obligor's income shall be withheld to comply with the order. An amount shall be withheld to pay the support obligation and it shall include an amount to be applied toward liquidation of arrearages reduced to judgments, payments for paternity testing procedures and provisions for medical support coverage when applicable. These provisions shall also be applicable to all orders issued on or before the effective date of this act.
C.2A:17-56.40  Definitions relative to child support.

2. As used in sections 2 through 13 of this act:

"Appropriate enforcement methods" means mechanisms such as income withholding, withholding of civil lawsuits, and execution of the assets of the obligor which can result in immediate payment of the child support arrearage when available. In appropriate cases, the license revocation process may be used as an alternative to Rule 5:7-5 of the Rules Governing the Courts of the State of New Jersey.

"Child support" means the periodic payment of support for dependents in accordance with a court order or judgment. Child support may include spousal support or alimony if those amounts are unallocated in the order or judgment. Child support also includes the health insurance provisions of a court order or judgment.

"Child support- related warrant" means an outstanding warrant for the arrest of a child support obligor or putative father issued by the court for failure to pay child support as ordered, failure to appear at a hearing to establish paternity or child support, or failure to appear at a hearing to enforce a child support order.

"Court" means the Family Part of the Superior Court of New Jersey.

"License" means any license, registration or certificate issued by the State of New Jersey or its agencies or boards that is directly necessary to provide a product or service for compensation, or to operate a motor vehicle.

"Licensing authority" means any department, division, board, agency or other instrumentality of State government that issues a license, registration, certificate or other authorization to provide goods or services for compensation, to operate a motor vehicle.

"Obligee" means any person to whom a child support obligation is payable including, but not limited to, the custodian of the child who is the subject of the order or a county welfare agency that is providing benefits under the program of aid to families with dependent children to the custodian of the child.

"Obligor" means any person who owes child support in accordance with an order issued by the Superior Court of New Jersey or a foreign order registered in this State under P.L.1981, c.243 (C.2A:4-30.24 et seq.). "Obligor" may include a putative father if the basis of a license suspension or revocation action is a warrant for failure to appear at a hearing to establish paternity.
"Probation Division" means the Probation Division of the Superior Court which is responsible for enforcing child support orders in New Jersey.

"State IV-D agency" means the Division of Family Development in the Department of Human Services.

C2A:17-56.41 Consequences of obligor's noncompliance, license suspension, revocation; hearing.

3. a. If the child support arrearage equals or exceeds the amount of child support payable for six months or court-ordered health insurance for the child is not provided for six months or a child support-related warrant exists, and the obligor is found to possess a license in the State and all appropriate enforcement methods to collect the child support arrearage, as defined in section 2 of P.L.1996, c.7 (C.2A:17-56.40) have been exhausted, the Probation Division shall send a written notice to the obligor, by certified and regular mail, return receipt requested, at the obligor's last-known address or place of business or employment, advising the obligor that the obligor's license shall be revoked or suspended unless, within 30 days of the postmark date of the notice, the obligor pays the full amount of the child support arrearage, or provides proof that health insurance for the child has been obtained, or makes a written request for a court hearing to the Probation Division. If a child support-related warrant for the obligor exists, the license revocation or suspension process shall be terminated if the obligor pays the full amount of the child support arrearage, provides proof that health insurance for the child has been obtained as required by the court order, or surrenders to the county sheriff or the Probation Division.

b. If the obligor fails to take one of the actions in subsection a. of this section within 30 days of the postmark date of the notice and there is proof that service on the obligor was effective, the Probation Division shall file a certification with the court setting forth the obligor's non-compliance with the support order and the obligor's failure to respond to the written notice of the potential license suspension or revocation. If, based on the papers filed by the Probation Division, the court is satisfied that service on the obligor was effective as set forth in this section, it shall without need for further due process or hearing, enter a court order suspending or revoking all licenses held by the obligor. Upon the entry of the order, the Probation Division shall forward a copy to the obligor and all appropriate licensing authorities.

Simultaneous certified and regular mailing of the written notice shall constitute effective service unless the United States Postal Service returns the mail to the Probation Division within the 30-day response period marked "moved, unable to forward," "addressee not known," "no such number/street," "insufficient address," or "forwarding order expired." If the certified mail is returned for any other reason without the return of the
regular mail, the regular mail service shall constitute effective service. If the mail is addressed to the obligor at the obligor's place of business or employment, with postal instructions to deliver to addressee only, service will be deemed effective only if the signature on the return receipt appears to be that of the obligor. Acceptance of the certified mail notice signed by the obligor, the obligor's attorney, or a competent member of the obligor's household above the age of 14 shall be deemed effective service.

c. If the obligor requests a hearing, the Probation Division shall file a petition for a judicial hearing in accordance with section 5 of P.L.1996, c.7 (C.2A:17-56.43). The hearing shall occur within 45 days of the obligor's request. If, prior to the hearing, the obligor pays the full amount of the child support arrearage or provides health insurance as ordered, the license revocation process shall be terminated. No license revocation action shall be initiated if the Probation Division has received notice that the obligor has pending a motion to modify the child support order if that motion was filed prior to the date that the notice of the license suspension or revocation was sent by the Probation Division. The court shall consider the Probation Division's petition to revoke or suspend a license in accordance with section 5 of P.L.1996, c.7 (C.2A:17-56.43).

c.2A:17-56.42 Payments made through Probation Division.

4. Child support payments not presently made through the Probation Division shall be so made, upon the application of the obligee to the Probation Division and prior to the application of the provisions of this act.

c.2A:17-56.43 Suspension, revocation of license.

5. The court shall suspend or revoke a license if it finds that: a. all appropriate enforcement methods as defined in section 2 of P.L.1996, c.7 (C.2A:17-56.40) have been exhausted, b. the obligor is the holder of a license, c. the requisite child support arrearage amount exists or health insurance for the child has not been provided as ordered pursuant to section 3 of P.L.1996, c.7 (C.2A:17-56.41), d. no motion to modify the child support order, filed prior to the date that the notice of the license suspension or revocation was sent by the Probation Division, is pending before the court, and e. there is no equitable reason, such as involuntary unemployment, disability, or compliance with a court-ordered plan for the periodic payment of the child support arrearage amount, for the obligor's non-compliance with the child support order.

If the court is satisfied that these conditions exist, it shall first consider suspending or revoking a driver's license prior to a professional license. If the obligor fails to appear at the hearing after being properly served with notice, the court shall order the suspension or revocation of all licenses held by the obligor. In the case of a driver's license, if the court finds that the
license revocation or suspension will result in a significant hardship to the obligor, to the obligor’s legal dependents under 18 years of age living in the obligor’s household, to the obligor’s employees, or to persons, businesses or entities to whom the obligor provides goods or services, the court may allow the obligor to pay 25% of the past-due child support amount within three working days of the hearing, establish a payment schedule to satisfy the remainder of the arrearages within one year, and require that the obligor comply with any current child support obligation. If the obligor agrees to this arrangement, no suspension or revocation of any licenses shall be ordered. Compliance with the payment agreement shall be monitored by the Probation Division. If the obligor has good cause for not complying with the payment agreement within the time permitted, the obligor shall immediately file a motion with the court and the Probation Division requesting an extension of the payment plan. The court may extend the payment plan if it is satisfied that the obligor has made a good faith effort to comply with the plan and is unable to satisfy the full amount of past-due support within the time permitted due to circumstances beyond the obligor’s control. In no case shall a payment plan extend beyond the date the dependent child reaches the age of 18. If the obligor fails to comply with the court-ordered payment schedule, the court shall, upon receipt of a certification of non-compliance from the obligee or Probation Division, and without further hearing, order the immediate revocation or suspension of all licenses held by the obligor. If required by existing law or regulation, the court shall order that the obligor surrender the license to the issuing authority within 30 days of the date of the order.

C.2A:17-56.44 Suspension, revocation procedures.

6. a. The Probation Division shall provide the licensing authority with a copy of the order requiring the suspension or revocation of a license. Upon receipt of an order requiring the suspension or revocation of a license for non-payment of child support, the licensing authority shall immediately notify the licensee of the effective date of the suspension or revocation, which shall be 20 days after the postmark of the notice, direct the licensee to refrain from engaging in the activity associated with the license, surrender any license as required by law, and inform the licensee that the license shall not be reinstated until the court or Probation Division certifies that all child support arrearage is satisfied. The Probation Division and the State IV-D agency in association with the affected licensing authorities may develop electronic or magnetic tape data transfers to notify licensing authorities of restrictions, suspensions, revocations and reinstatements. No liability shall be imposed on a licensing authority for suspending or revoking a license if the action is in response to a court order issued in accordance with
P.L.1996, c.7 (C.2A:17-56.40 et al.). Licensing authorities shall not have jurisdiction to modify, remand, reverse, vacate or stay a court order to restrict, suspend or revoke a license for non-payment of child support.

b. If a licensee, upon receipt of the notice of suspension or revocation from the licensing authority, disputes that he is an obligor, the licensee shall notify the licensing authority and the Probation Division by registered mail within 20 days of the postmark of the notice and request a hearing. Upon receipt of the licensee's request for a hearing, the Probation Division shall determine if the licensee is an obligor. If the Probation Division determines that the licensee is an obligor, the Probation Division shall file a petition for a judicial hearing on the issue of whether the licensee is an obligor. The hearing shall occur within 30 days. If the Probation Division determines that the licensee is not an obligor, the Probation Division shall so notify the licensee and the licensing authority. The licensing authority shall not suspend or revoke a person's license, if the licensing authority received proper notice of the licensee's request for a hearing pursuant to this subsection, until the court finds that the licensee is an obligor. The Probation Division shall notify the licensing authority of the court's finding. Upon receipt of the court's finding that the licensee is an obligor, the licensing authority shall immediately suspend or revoke the obligor's license without additional review or hearing.

c. The revocation or suspension of a license ordered by the court in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.) shall continue until the obligor files with the licensing authority either a court order restoring the license or a Probation Division certification attesting to the full satisfaction of the child support arrearage.

d. Each licensing authority shall require license applicants to certify on the license application form, under penalty of perjury, that the applicant does not have a child support obligation, the applicant does have such an obligation but the arrearage amount does not equal or exceed the amount of child support payable for six months, or the applicant is not the subject of a child-support related warrant. A license shall not be granted to an obligor who applies for a license if there is an arrearage equal to or exceeding the amount of child support payable for six months or who is the subject of a child support-related warrant. The application form shall state that making a false statement may subject the applicant to contempt of court. It shall also state that if the applicant's certification is found to be false, the licensing authority shall take disciplinary action including, but not limited to, immediate revocation or suspension of the license.

e. For all licenses issued or renewed in the State after the effective date of P.L.1996, c.7 (C.2A:17-56.40 et al.), the licensing authority shall record the full name, mailing address, Social Security number and date of birth of
the applicant or licensee. All affected licensing authorities shall cooperate and enter into agreements with the Probation Division and the State IV-D agency to exchange information to effectuate the purposes of P.L.1996, c.7 (C.2A:17-56.40 et al.). The Division of Motor Vehicles in the Department of Transportation and other appropriate licensing agencies shall amend their regulations and public notices to permit Social Security numbers collected by those agencies to be used for child support enforcement purposes. License information obtained through data matches with licensing authorities shall be maintained on the Automated Child Support Enforcement System in the Department of Human Services for future use.

C.2A:17-56.45 Payment of fees.
7. The obligor shall pay all fees associated with the revocation, suspension or reinstatement of a license. Any fees paid by the obligor to the licensing authority to issue, renew or maintain a license shall not be refunded if the license is suspended or revoked in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.).

C.2A:17-56.46 Information on driver's license suspension to insurers.
8. Information regarding driver's licenses suspended or revoked in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.) shall be made available by the Division of Motor Vehicles to insurance companies that issue motor vehicle policies. Insurance companies are prohibited from increasing a policyholder's rates solely because a license was suspended or revoked in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.).

C.2A:17-56.47 Due process, service.
9. All actions taken to suspend or revoke a license in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.) shall be carried out in full compliance with due process laws and the Rules Governing the Courts of the State of New Jersey. Service of process shall be made in accordance with applicable New Jersey court rules and statutes. For the purposes of P.L.1996, c.7 (C.2A:17-56.40 et al.), service of process may be effected by an employee of the Probation Division.

C.2A:17-56.48 Cooperative agreements.
10. The State IV-D agency shall enter into cooperative agreements for federal IV-D funding with the Department of Law and Public Safety and any other appropriate licensing authority that is responsible for administering license suspensions and revocations in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.) to the extent that the costs are eligible for federal financial participation under section 451 of Title IV, Part D of the federal Social Security Act (42 U.S.C.§651 et seq.).
CHAPTER 8, LAWS OF 1996

11. The license revocation provisions of P.L.1996, c.7 (C.2A:17-56.40 et al.) apply to all orders issued before or after the effective date of P.L.1996, c.7 (C.2A:17-56.40 et al.). All child support arrearage and health insurance provisions in existence on or before the effective date of P.L.1996, c.7 (C.2A:17-56.40 et al.) shall be included in determining whether a case is eligible for enforcement in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.). This act applies to all child support obligations ordered by any state, territory or district of the United States that are being enforced by the Probation Division, that are payable directly to the obligee, or have been registered in this State in accordance with P.L.1981, c.243 (C.2A:4-30.24 et seq.).

C.2A:17-56.50 Annual report.

12. The Administrative Office of the Courts shall submit an annual report to the Governor and the Legislature regarding the number and type of licenses suspended or revoked in accordance with P.L.1996, c.7 (C.2A:17-56.40 et al.) and the total amount of child support collected due to P.L.1996, c.7 (C.2A:17-56.40 et al.).

C.2A:17-56.51 Rules, procedures, regulations.

14. This act shall take effect immediately.

Approved March 15, 1996.

The commission shall establish a health benefits program for the employees of the State, the cost of which shall be paid as specified in section 6 of this act. The commission shall establish rules and regulations as may be deemed reasonable and necessary for the administration of this act.

The Attorney General shall be the legal advisor of the commission.

The commission shall publish annually a report showing the fiscal transactions of the program for the preceding year and stating other facts pertaining to the plan. The commission shall submit the report to the Governor and furnish a copy to every employer for use of the participants and the public.

3. Section 6 of P.L.1961, c.49 (C.52:14-17.30) is amended to read as follows:

C.52:14-17.30 State payment of premium.

6. (A) For each active covered State employee and for the eligible dependents the employee may have enrolled at the employee's option the State, from funds appropriated therefor, shall pay the premium or periodic charges for the benefits provided under the contract in amounts equal to the premium or periodic charges for the benefits provided under such a contract covering the employee and the employee's enrolled dependents.

(B) An employee may, on an optional basis, enroll the employee's dependents for coverage under the contract subject to such regulations and conditions as the commission and the carrier may prescribe. There is hereby created a health benefits fund. Said fund shall be used to pay the premiums or periodic charges for which the State is responsible under this act.

4. Section 7 of P.L.1964, c.125 (C.52:14-17.38) is amended to read as follows:

C.52:14-17.38 Certification of premium rates, charges; Medicare premiums.

7. The Division of Pensions and Benefits shall certify to the certifying agent of each employer electing participation under the program the premium rates and periodic charges applicable to the coverage provided for employees and dependents. The participating employer shall remit to the
division all contributions to premiums and periodic charges in advance of their due dates, subject to the rules and regulations of the commission.

From funds allocated therefor, the employer other than the State may pay the premium or periodic charges for the benefits provided to a retired employee and the employee's dependents covered under the program, if such employee retired from a State or locally-administered retirement system on a benefit based on 25 years or more of service credited in such retirement system, excepting the employee who elected deferred retirement, but including the employee who retired on a disability pension based on fewer years of service credited in such retirement system, and may also reimburse such retired employee for the employee's premium charges under Part B of Medicare covering the retired employee and the employee's spouse. "Retired employee and the employee's dependents" may, upon adoption of an appropriate resolution therefor by the participating employer, also include otherwise eligible employees, and their dependents, who retired from a State or locally-administered retirement system prior to the date that the employer became a participating employer in the New Jersey State Health Benefits Program. The term may also, upon adoption of an appropriate resolution therefor by the participating employer, include otherwise eligible employees, and their dependents, who did not elect to continue coverage in the program during such time after the employer became a participating employer that the employer did not pay premium or periodic charges for benefits to retired employees and their dependents pursuant to this section. Eligibility and enrollment of such employees and dependents shall be in accordance with such rules and regulations as may be adopted by the State Health Benefits Commission.

The employer other than the State may, by resolution, pay the premium or periodic charges for the benefits provided to the surviving spouse of a retired employee and the employee's dependents covered under the program as provided in this section.

5. Section 7 of P.L.1961, c.49 (C.52:14-17.31) is amended to read as follows:

C.52:14-17.31 Effective date of coverage; rules and regulations; furnishing of information to Division of Pensions and Benefits.

7. The coverage provided solely for employees shall, subject to the provisions below, automatically become effective for all eligible employees from the first day on or after the effective date of the program on which they satisfy the definition of "employee" contained in this act. The commission shall establish the rules and regulations governing the enrollment and effective dates of coverage of dependents of employees it deems necessary
or desirable. The rules and regulations shall not defer coverage with respect to any qualified dependent an employee has on the date the employee's employer becomes a participating employer, provided the employee was, immediately prior to the date, insured with respect to the dependent under a group major medical insurance plan of the employer which was in effect immediately prior to the date. Under the rules and regulations established by the commission, each employee shall be given the opportunity to enroll for coverage for dependents as of the earliest date the employee becomes eligible for enrollment. An employee may elect to enroll dependents for both basic coverage and major medical expense coverage but may not enroll for either coverage alone.

If, on the date coverage for an employee would become effective, the employee is not actively at work full-time at the customary place of employment or other location to which the employment requires the employee to travel, the employee shall not be covered until the employee is so actively at work, except the employee shall be covered, if on the date the employee's employer becomes a participating employer, the employee was, immediately prior to that date, insured under a group major medical insurance plan of the employer which was in effect immediately prior to that date.

In the event that the group major medical plan which covered an employee or dependents immediately prior to the date the employee's employer becomes a participating employer provides, after termination of coverage thereunder, any continuation of benefits for medical expenses for hospitalization, surgery, medical treatment or any related service or supply, or would so provide in the absence of coverage pursuant to this act, no coverage shall be afforded pursuant to this act for any such expenses (i) which are covered, or which would be covered in the absence of coverage pursuant to this act, in whole or in part, by the prior insurance plan or (ii) which may be used in satisfaction of any deductible requirement under the prior insurance plan to establish entitlement to the continuation of benefits.

Each employee shall furnish the Division of Pensions and Benefits, in the prescribed form, the information necessary on account of the employee's own coverage and necessary to enroll dependents. Any employee not desiring coverage at the time the employee first becomes eligible, shall give the division written notice of that fact in the form prescribed by the division. The employee may not enroll thereafter except at the times and under the conditions prescribed by the commission.

If an employee of an employer other than the State eligible for coverage has a spouse who is also an employee of an employer other than the State eligible for coverage, the spouse may elect single coverage as an employee and to enroll as a dependent, in which event no coverage shall be provided
for such spouse as an employee while covered as a dependent. The employee of an employer other than the State, who has enrolled such spouse, and who is required to pay the full cost of dependent coverage, may receive a refund from the State Division of Pensions and Benefits equivalent in amount to the employer's cost for an employee's coverage. When both husband and wife are covered as employees, only one may enroll for their children as dependents.

A similar refund shall be authorized pursuant to such rules and regulations as the commission deems necessary or desirable in the case of an employee of an employer other than the State who is paying the full cost of dependent coverage for a spouse who is an employee of the State and eligible for coverage.

If a husband and wife are both eligible for coverage under the program as employees:

   a. each may elect coverage for himself or herself as an employee and for their qualified dependents, including the spouse, under the traditional plan or the State managed care plan, but only one may elect coverage for himself or herself and for their qualified dependents, including the spouse, in a participating health maintenance organization; and

   b. each may elect single coverage in any participating health maintenance organization, provided that he or she is not covered under the participating health maintenance organization as a dependent of his or her spouse.

Any person employed as a substitute teacher by a school district and who provides evidence of coverage under another health benefits program may waive coverage for the current school year on or after the date on which the person becomes an employee eligible for coverage.

C.52:14-17.28b Determination of obligation of State, agencies to pay premium, periodic charges.

6. a. Notwithstanding the provisions of any other law to the contrary, the obligations of the State or an independent State authority, board, commission, corporation, agency, or organization to pay the premium or periodic charges for health benefits coverage provided under P.L.1961, c.49 (C.52:14-17.25 et seq.) may be determined by means of a binding collective negotiations agreement, including any agreements in force at the time of the adoption of P.L.1996, c.8. With respect to State employees for whom there is no majority representative for collective negotiations purposes, the commission may, in its sole discretion, modify the respective payment obligations set forth in P.L.1961, c.49 for the State and such employees in a manner consistent with the terms of any collective negotiations agreement binding on the State. With respect to employees of an independent State authority, board, commission, corporation, agency, or organization for
whom there is no majority representative for collective negotiations purposes, the employer may, in its sole discretion, modify the respective payment obligations set forth in P.L. 1961, c.49 for such employer and such employees in a manner consistent with the terms of any collective negotiations agreement binding on such employer. The provisions of this subsection shall also apply to employees deemed or considered to be employees of the State pursuant to subsection (c) of section 2 of P.L. 1961, c.49 (C.52:14-17.26).

b. (1) Notwithstanding the provisions of any other law to the contrary, for each State employee who accrues 25 years of service credit in a State-administered retirement system before July 1, 1997, excepting the employee who elects deferred retirement, the State, upon the employee’s retirement, shall pay the full cost of the premium or periodic charges for the health benefits provided to a retired State employee and dependents covered under the State Health Benefits Program, but not including survivors, and shall also reimburse the retired employee for premium charges under Part B of Medicare covering the retired employee and the employee’s spouse.

(2) Notwithstanding the provisions of any other law to the contrary, for each State employee who accrues 25 years of service credit in a State-administered retirement system on or after July 1, 1997, excepting the employee who elects deferred retirement, the State, upon the employee’s retirement, shall pay the premium or periodic charges for the health benefits provided to a retired State employee and dependents covered under the State Health Benefits Program, but not including survivors, and shall reimburse the retired employee for premium charges under Part B of Medicare covering the retired employee and the employee’s spouse: (a) in accordance with the provisions, if any, concerning health benefits coverage in retirement which are in the collective negotiations agreement applicable to the employee at the time of the employee’s accrual of 25 years of service credit in the retirement system, or (b) if the employee has no majority representative for collective negotiations purposes, in a manner consistent with the terms, if any, concerning health benefits coverage in retirement which are in any collective negotiations agreement deemed applicable by the State Health Benefits Commission to that employee at the time of the employee’s accrual of 25 years of service credit in the retirement system.

C.52:14-15.la Establishment of cafeteria plan; payroll deductions.

7. Notwithstanding the provisions of any other law to the contrary, the State Treasurer on behalf of the State, and the governing body of an independent State authority, board, commission, corporation, agency or organization may establish as an employer a cafeteria plan for its employees pursuant to section 125 of the federal Internal Revenue Code, 26
U.S.C.§125. The plan may provide for a reduction in an employee's salary, through payroll deductions or otherwise, in exchange for payment by the employer of medical or dental expenses not covered by a health benefits plan, and dependent care expenses as provided in section 129 of the code, 26 U.S.C.§129, and such other benefits as are consistent with section 125 which are included under the plan. The amount of any reduction in an employee's salary for the purpose of contributing to the plan shall continue to be treated as regular compensation for all other purposes, including the calculation of pension contributions and the amount of any retirement allowance, but, to the extent permitted by the federal Internal Revenue Code, shall not be included in the computation of federal taxes withheld from the employee's salary.

8. This act shall take effect immediately.

Approved March 21, 1996.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that State prisons and other penal and correctional institutions of the New Jersey Department of Corrections continue to house populations of inmates in excess of their capacities and remain seriously overcrowded. These conditions continue to endanger the safety, welfare, and resources of the State and cannot be handled effectively through regular State and municipal corrections operations. The Legislature therefore declares that the state of emergency in the State prisons and other penal and correctional institutions of the New Jersey Department of Corrections, which was declared pursuant to P.L.1994, c.12, continues. The purpose of this act is to extend the Governor's authority to issue executive orders to alleviate the state of emergency existing in the penal and correctional institutions of the New Jersey Department of Corrections.

2. There is hereby declared a continuing state of emergency in connection with the overcrowding in State prisons and other penal and correctional institutions of the New Jersey Department of Corrections.
3. In order to address the effects of the continuing state of emergency declared herein, the Governor is authorized to issue such executive orders pursuant to this act as the Governor deems necessary and appropriate to respond to the overcrowding problem in the State prisons and other penal and correctional institutions of the New Jersey Department of Corrections to ensure the safety, welfare and resources of the residents of the State for such period or periods designated by the Governor, but not to extend beyond the date the Legislature determines the state of emergency no longer exists.

4. This act shall take effect immediately, and shall remain in effect for a period of time not to exceed two years from the date of enactment, at which time the Legislature may continue the state of emergency for prison overcrowding by subsequent legislative action.

(2) To determine if an applicant meets the requirements of subparagraph (c) of paragraph (1) of this subsection A., the commissioner shall consider only the costs of purchasing, constructing, leasing or otherwise establishing the proposed office including the costs for staffing, furniture and equipment needed therefor and the effect of these costs on the operations of the applicant as a whole.

(3) The applicant need not demonstrate an ability to operate the proposed office at a profit within a definable period of time based on the generation of new deposits from the market area to be entered except to the extent that losses suffered at the proposed office could affect the safety and soundness of the applicant's overall operations.

B. Before any minibranch office shall be established, the bank or savings bank shall file a written application on forms supplied by the commissioner. A duly adopted resolution of the board of directors or managers authorizing such application shall accompany the application. There shall be no hearing required to be held by the commissioner in connection with such application. The commis-

The regulations so made shall also be directed toward the creation, operation and maintenance of a substantial competitive parity between banking institutions and other financial institutions in all matters relating to the establishment, operation, and maintenance of branch offices.

21. A. B. A bank, out-of-State bank or savings bank may discontinue a branch office upon resolution of its board of directors or board of managers. Upon the adoption of such a resolution, the bank, out-of-State bank or savings bank shall file a certificate in the department specifying the location of the branch office to be discontinued, and the date upon which the discontinuance shall be effective.

C. Whenever the commissioner shall find that a branch office is not open for the transaction of business during such hours or days as the commissioner shall determine are reasonably necessary for the banking needs of the area served by such branch office, the commissioner may, by order, direct the bank, out-of-State bank or savings bank to keep such branch office open during such hours or days, and, upon the failure of the bank, out-of-State bank or savings bank to comply with such order, the commissioner may, after giving the bank, out-of-State bank or savings bank reasonable opportunity to be heard, make an order forfeiting the right of the bank, out-of-State bank or savings bank to maintain the branch office, and, upon the service of the order upon the bank, out-of-State bank or savings bank, it shall cease to maintain such branch office. An order of the commissioner made pursuant to this subsection shall be subject to review, hearing and relief in the Superior Court, in a proceeding in lieu of prerogative writ.

B. If it shall appear from the application, or if the commissioner shall find from such proof as the commissioner may require, or from such investigation as the commissioner may cause to be made, that the area which would be served by such office after its change in location would not be substantially different from the area theretofore served by such office, the commissioner shall approve the application.

C. If it shall appear to the commissioner, from the application, or from such proof as the commissioner may require, or from such investigation as the commissioner may cause to be made, that the proposed location will be so far removed from the place then occupied by such principal office or by such branch office that the area which would be served by such office after its change in location would be substantially different from the area theretofore served by it, the commissioner shall not approve such application unless, after such investigation or hearing, or both, as the commissioner may determine to be advisable, the commissioner shall find that the interests of the public will be served to advantage by such change in location, and that conditions in the locality to which removal is proposed afford reasonable promise of successful operation.

D. No savings bank shall change the location of its principal office pursuant to subsection C. of this section unless, prior to making application to the commissioner for his approval, the change in location is approved by a vote of two-thirds of its board of managers then in office.

After such a change, the bank or savings bank may maintain a branch office at the location formerly occupied by its principal office, or it may discontinue business at such location. Such bank or savings bank shall file a certificate of such change in the department within one week from the date such change is made. A change in location effected pursuant

C.17:9A-133.1 Interstate merger transactions.

b. Except as otherwise expressly provided in this subsection b., an interstate merger transaction shall not be permitted if, upon consummation of the transaction, the resulting state or federally chartered bank or savings bank, including all federally insured depository institutions that would be affiliates as defined in subsection (k) of section (2) of the federal "Bank Holding Company Act of 1956," 12 U.S.C. 1841(k), would control 30 percent or more of the total amount of deposits held by insured depository institutions in this State. The commissioner may by regulation adopt a procedure whereby the foregoing limitation on control of deposits may be waived for good cause.
c. The commissioner shall not permit before June 1, 1997, an interstate merger transaction involving one or more banks or savings banks and an out-of-State bank or banks unless the home state of each bank involved in the transaction has in effect, as of the date of the approval of such transaction, a law that applies equally to all out-of-state banks and expressly permits interstate merger transactions with all out-of-state banks.

d. The commissioner shall not permit on or after June 1, 1997, an interstate merger transaction involving one or more banks or savings banks and an out-of-State bank or banks if the home state of any bank or savings bank involved in the merger transaction has enacted a law after September 29, 1994, and before June 1, 1997, that applies equally to all out-of-State banks and expressly prohibits merger transactions involving out-of-State banks.

g. Any out-of-State bank which shall be the resulting bank in an interstate merger transaction shall file with the commissioner in a manner consistent with regulations promulgated by the commissioner for this purpose.

17. Section 148 of P.L.1948, c.67 (C.17:9A-148) is amended to read as follows:

C.17:9A-148 "Applicable federal law" defined; merger, consolidation of banks, national banking associations.

148. A. As used in subsection B. of this section, "applicable federal law" means the laws of the United States, as presently enacted and as hereafter from time to time supplemented or amended, governing the merger or consolidation of a bank organized under State laws into a national banking association, under the charter of such association; and, as used in subsection C. of this section, "applicable federal law" means the laws of the United States, as presently enacted and as hereafter from time to time supplemented or amended, governing the merger or consolidation of a national banking association into a bank organized under State laws, under the charter of such bank.
B. One or more banks may, without the approval of the commissioner or of any other officer, department, board or agency of this State, merge into or consolidate with a national banking association under the charter of such association, with the approval of the holders of at least 2/3 of the capital stock of each such bank entitled to vote. A majority of the directors of each such bank shall, within 10 days after such approval has been given, file in the department a certificate over their signatures that such approval has been given, and that the bank intends to act in pursuance thereof. Except as otherwise provided in subsection D. of this section, a merger or consolidation authorized by this subsection shall be effected solely in the manner and with the effect provided by applicable federal law, and no such merger or consolidation shall be subject to sections 132 through 147 of P.L. 1948, c.67 (C.17:9A-132 through 17:9A-147) or to any other law of this State; but a copy of the agreement or merger or consolidation certified by the comptroller of the currency shall be evidence, and may be recorded, as provided by section 138 of P.L.1948, c.67 (C.17:9A-138). Upon the taking effect of the merger or consolidation, the bank shall be deemed to have surrendered its charter.

C. One or more national banking associations, or one or more national banking associations together with one or more banks may, with the approval of the commissioner as provided by section 136 of P.L.1948, c.67 (C.17:9A-136), merge into a bank, or may consolidate with a bank under the charter of such bank. Each bank which is a party to such a merger or consolidation as a merging bank or as the receiving bank shall, in all respects, comply with and be subject to the provisions of sections 134 through 147 of P.L.1948, c.67 (C.17:9A-134 through 17:9A-147), in the same manner and with the same effect as if all the parties to such merger or consolidation were banks; the rights, duties, obligations, powers and privileges of each such bank, whether such bank is a merging bank or the receiving bank, and of its or their depositors, other creditors, stockholders and all other persons in interest, shall be as prescribed and defined by sections 134 through 137 of P.L.1948, c.67 (C.17:9A-134 through 17:9A-137); and except as in this subsection otherwise provided in respect to national banking associations, every provision contained in sections 134 through 137 of P.L.1948, c.67 (C.17:9A-134 through 17:9A-137) shall be applicable to a merger or consolidation effected pursuant to this subsection, notwithstanding that a national banking association is a party to such a merger or consolidation. Each national banking association which is a party to a merger or consolidation authorized by this subsection shall comply with and be subject to the provisions of applicable federal law, and the rights, duties, obligations, powers and privileges of such national banking association, and of its depositors, other creditors, stockholders and all other
persons in interest, shall be as prescribed and defined by such applicable federal law.

D. National banking associations may, under the laws of the United States, merge into or consolidate with a bank organized under State laws, without approval by any United States authority other than an authority empowered by United States law to approve or disapprove of a merger between, or a consolidation of, State-chartered banks.

E. Except as otherwise expressly provided in this subsection E., an interstate merger transaction shall not be permitted if, upon consummation of the transaction, the resulting state or federally chartered bank or savings bank, including all federally insured depository institutions that would be affiliates as defined in subsection (k) of section (2) of the federal "Bank Holding Company Act of 1956," 12 U.S.C. 1841(k), would control 30 percent or more of the total amount of deposits held by insured depository institutions in this State. The commissioner may by regulation adopt a procedure whereby the foregoing limitation on control of deposits may be waived for good cause.

F. Before June 1, 1997, a merger involving a bank and a national banking association without a branch office in New Jersey shall not be permitted unless the home state of each institution involved in the transaction has in effect, as of the date of the approval of that transaction, a law that applies equally to all out-of-state banks and expressly permits interstate merger transactions with all out-of-state banks. On or after June 1, 1997, a merger involving a bank and a national banking association without a branch office in New Jersey, shall not be permitted if the home state of any institution involved in the transaction has enacted a law after September 29, 1994 and before June 1, 1997, that applies equally to all out-of-State banks and expressly prohibits merger transactions involving out-of-State banks.

G. A national banking association without a principal or branch office in New Jersey may acquire a branch office of a bank, and the branch shall be treated, for the purposes of this section, as a bank. A bank may acquire an out-of-State branch office of a national banking association, and the branch shall be treated, for purposes of this section, as a national banking association.

The report shall be attested by the signatures of at least three directors who are not officers of the bank or out-of-State bank, and shall be verified by the oaths of at least two officers of the bank or out-of-State bank. The commissioner may extend for not more than ten days the time within which such report shall be filed.

C. The commissioner shall have power to call for special reports from a bank or out-of-State bank when, in the commissioner's judgment, such special reports are necessary in order to obtain a full and complete knowledge of its condition.

D. A bank or out-of-State bank which fails to make and transmit a report required by this section shall be subject to a penalty of $100 for each day during which such failure continues, to be recovered with costs by the State in any court of competent jurisdiction in a civil action prosecuted by the Attorney General.

E. The commissioner may waive the requirements of this section if the bank or out-of-State bank files a similar report with federal regulators and adequate provision is made for the commissioner to have access to that filing.

19. Section 258 of P.L.1948, c.67 (C.17:9A-258) is amended to read as follows:

258. A summary of the report of assets and liabilities as of the end of the most recent fiscal year, required to be submitted to the department pursuant to section 256 of P.L.1948, c.67 (C.17:9A-256), shall be readily available to customers of the bank.

C.17:9A-260 Banks, examination by commissioner; cooperative exams.

260. A. The commissioner shall, whenever and as often as the commissioner shall deem it advisable, cause the affairs of every bank, and every out-of-State bank with a branch office in New Jersey, to be examined to determine whether the bank or out-of-State bank is conducting its business in conformity with the laws of this State and its certificate of incorporation, and with safety to its depositors, other creditors and the public.
B. The officers and employees of every bank and out-of-State bank being examined shall exhibit to the examiners all its securities, books, records and accounts and shall otherwise facilitate the examination so far as it may be in their power.

C. The commissioner, a deputy commissioner, and every examiner assigned by the commissioner or by a deputy commissioner to examine the affairs of a bank or out-of-State bank may administer an oath to any person whose testimony is required for the purposes of the examination. The commissioner or deputy commissioner may compel the appearance of any person for the purposes of examination, by subpoena ad testificandum and the production of books, papers, documents, or other records by subpoena duces tecum.

D. For banks or out-of-State banks with branches in New Jersey and one or more other states, the commissioner may contract with the state banking regulator in the other state or states where branch offices are located to conduct cooperative exams. Pursuant to those agreements, examiners of the department may examine branch offices of banks and out-of-State banks both in New Jersey and in other states, and examiners of other state banking regulators may examine branch offices of banks and out-of-State banks both in New Jersey and in other states. The fees for these examinations may be shared pursuant to a contract or agreement among the regulators.

21. Section 264 of P.L.1948, c.67 (C.17:9A-264) is amended to read as follows:

The court shall order the issuance of a subpoena for the production or admission into evidence of any such report or portion thereof, only if it is satisfied that (1) it is material and relevant to the issues in the proceedings, and (2) the ends of justice and public advantage will be subserved thereby. This section shall not prohibit the commissioner from sharing a report of examination with
another state or federal regulator so long as provision is made for retaining the confidentiality of the report. This section shall not apply to any action or proceeding instituted by the commissioner or Attorney General pursuant to any law of this State.

The commissioner may, upon notice and a hearing, order a foreign bank to close any service facility operated in violation of the provisions of this subsection or of other any law. Any entity acting as an agent pursuant to section 1 of P.L.1989, c.245 (C.17:9A-19.2) shall not be required to register and be regulated pursuant to this subsection C.

(2) Nothing in this section or in the "Banking Act of 1948," P.L.1948, c.67 (C.17:9A-1 et seq.) shall prohibit a foreign bank, including one organized under the laws of a foreign country, from owning and operating in this State, as a subsidiary, a State or federally chartered bank and the ownership and operation of, and the sharing of directors, officers and employees with that subsidiary shall not constitute transacting business in this State.

Every report and copy of a report of examination of a foreign bank or office of a foreign bank made by or under the supervision of the commissioner, and every report and copy thereof made by a bank pursuant to the requirement of the commissioner, shall be confidential, and shall not be made public by any officer, director or employee of a foreign bank, and shall not be subject to subpoena or to admission into evidence in any action or proceeding in any court, except pursuant to an order of the court made upon notice to the commissioner and after affording the commissioner an opportunity to advise the court of reasons for excluding from evidence that report or any portion thereof. The court shall order the issuance of a subpoena for the production or admission into evidence of any report or portion thereof, only if it is satisfied that (1) it is material and relevant to the issues in the proceedings, and (2) the ends of justice and public advantage will be subserved thereby. This section shall not prohibit the commissioner from sharing a report of examination with another state or federal regulator or a bank regulator from a foreign country, or other person, so long as provision is made for retaining the confidentiality of the report. This section shall not apply to any action or proceeding instituted by the commissioner or Attorney General pursuant to any law of this State.

assets or liabilities of the agencies or branch offices of the bank or commercial lending company shall be included, and the assets and liabilities of offices of the bank or commercial lending company outside this State shall be excluded.

b. Whenever the commissioner adopts a regulation or order of repeal of a regulation under subsection a. of this section, the commissioner may,

C.17:9A-450 Definitions of adjusted liabilities and eligible assets relative to foreign banks.

69. a. In this section:

(1) "Adjusted liabilities," when used with respect to a foreign bank, means the liabilities of the bank's business in this State, excluding: (a) accrued expenses; (b) any liability to an office, whether in or outside of this State, or subsidiary of the bank; and (c) such other liabilities as the commissioner may by regulation or order exclude.

(2) "Applicable minimum," when used with respect to eligible assets deposited or to be deposited with an approved depository by a foreign bank, means the amount as the commissioner may from time to time by regulation or order determine to be necessary for the establishment of sound financial condition, for the protection of the interests of creditors of the bank's business in this State, or for the protection of the public interest.

However, in the case of a foreign bank which is licensed to establish an agency or a branch office, the applicable minimum shall in no event be less than the greater of (a) 5 percent of the adjusted liabilities of the bank or (b) $1,000,000.

(3) "Approved depository," when used with respect to a foreign bank, means a bank organized under the laws of this State or a national bank headquartered in this State which has been selected by such foreign bank and approved by the commissioner for the purpose of acting as the approved depository of the foreign bank and which has filed with the commissioner, in the form as the commissioner may by regulation or order prescribe, an agreement to comply with all applicable provisions of this section and of any regulation or order issued under this section.

(4) "Eligible assets" when used with respect to a foreign bank, means any of the following:

(e) Any banker's acceptance which is payable in the United States and which is eligible for discount with a Federal Reserve bank.

(f) Any other asset which the commissioner by regulation or order determines to be eligible.

Notwithstanding the foregoing provisions of this paragraph, "eligible asset," when used with respect to a foreign bank, does not include any instrument the issuer of which: (i) is, or is affiliated with, the foreign bank; (ii) is domiciled in, or controlled by a bank or other person domiciled in, the same foreign nation as the foreign bank; or (iii) is, or is controlled by, the foreign nation. For purposes of the foregoing provision, to be "affiliated" means to control, to be controlled by, or to be under common control with.

b. For purposes of this section:

(1) The amount of adjusted liabilities of a foreign bank's business in this State shall be computed for the period, in the manner, and on the basis as the commissioner may by regulation or order prescribe.

(2) Any eligible asset shall be valued at the lesser of market or par.

(2) Whenever a foreign bank which is licensed to transact business in this State ceases to be so licensed, the bank shall thereafter establish on deposit, with an approved depository, eligible assets having a value in an amount not less than the applicable minimum for the period of time the commissioner may determine to be necessary for the protection of creditors of the bank's business in this State or for the protection of the public interest.

d. (1) No foreign bank which establishes eligible assets on deposit pursuant to this section shall withdraw any of those eligible assets except with the prior approval of the commissioner.

assets except with the prior approval of the commissioner or as otherwise provided in subsection h. of this section.

e. Any foreign bank which establishes eligible assets on deposit with an approved depository pursuant to this section shall be entitled to receive any income paid on such eligible assets, unless the commissioner shall have suspended or revoked its license to transact business in this State or taken possession of its property and business in this State.

f. (1) Whenever a foreign bank deposits eligible assets with, or withdraws eligible assets from, an approved depository pursuant to this section, the bank shall do so in accordance with the procedures and requirements the commissioner may by regulation or order prescribe.

(2) Whenever an approved depository receives, holds, or releases eligible assets pursuant to this section, the approved depository shall do so in accordance with the procedures and requirements the commissioner may by regulation or order prescribe and shall file with the commissioner reports as and when the commissioner may by regulation or order require.

g. Whenever a foreign bank establishes eligible assets on deposit with an approved depository pursuant to this section:

(1) The eligible assets shall be deemed to be pledged to the commissioner for the benefit of the creditors of the bank's business in this State; and, notwithstanding any provision of the Uniform Commercial Code, N.J.S.12A:1-101 et seq., to the contrary, the commissioner, for the benefit of the creditors, shall be deemed to have a security interest in those eligible assets.

(2) The eligible assets shall be free from any lien, charge, right of setoff, credit, or preference in connection with any claim of the approved depository against the bank.

h. (1) If the commissioner takes possession of the property and business of a foreign bank which establishes eligible assets on deposit with an approved depository pursuant to this section, the approved depository shall, upon order of the commissioner, release those eligible assets to the commissioner, as liquidator of the property and business of the bank.

(2) If a foreign bank which establishes eligible assets on deposit with an approved depository pursuant to this section fails to pay any judgment creditor of its business in this State and the commissioner has not taken possession of the property and business of the bank, the approved depository shall release the eligible assets to the commissioner, and the commissioner shall make the disposition of the eligible assets, as a court of competent jurisdiction of this State or of the United States may order for the benefit of that judgment creditor. For purposes of this paragraph, "judgment creditor of its business in this State" means a person to whom the bank is required to pay money under a judgment which: (a) arose out of the bank's business in this State; (b) has been entered by a court of competent
jurisdiction of this State or of the United States; (c) has become final, in that all possibility of direct attack on that judgment by way of appeal, motion for new trial, motion to vacate, or petition for extraordinary writ has been exhausted; and (d) has remained unpaid for a period of not less than 60 days after becoming final.

c. A foreign bank licensed to establish an agency or a branch office in this State shall hold at its agency or branch offices in this State or at such other places as the commissioner may approve, eligible assets in the amount, if any, as the commissioner may from time to time by regulation or order determine to be necessary for the interests of creditors of the bank's business in this State, or for the protection of the public interest. However, in no event shall the amount exceed 108 percent of the adjusted liabilities of the bank's business in this State.

d. If the commissioner finds, with respect to a foreign bank licensed to establish an agency or a branch office in this State, that such action is necessary for the establishment of sound financial condition, for the protection of the public interest, the commissioner may order the bank to place all or part of the eligible assets which the bank is required to hold under subsection c. of this section in the custody of a bank organized under
CHAPTER 17, LAWS OF 1996

If the commissioner finds otherwise, the commissioner shall deny the application.

c. Whenever an application by a foreign bank to close an agency or branch office has been approved and all conditions precedent to the closing have been fulfilled, the bank may close the office and shall promptly thereafter surrender to the commissioner the license which authorized it to establish the office.

If the commissioner finds otherwise, the commissioner shall deny the application. If the commissioner finds otherwise, the commissioner shall deny the application.

c. (1) Except as otherwise provided in paragraph (2) of this subsection c., a voluntary surrender of a license shall be effective on the 30th day after

C.17:9A-462 Suspension, revocation of license of bank, commercial lending company.

81. If, after notice and a hearing, the commissioner finds any of the following with respect to a foreign bank or commercial lending company which is licensed to establish an office, the commissioner may issue an order suspending or revoking the license of the bank or commercial lending company:

i. That the existence of the bank or commercial lending company or the authority of the bank or commercial lending company to transact banking business or lending under the laws of the place where the bank or commercial lending company is domiciled has been suspended or terminated; or

j. That any fact or condition exists which, if it had existed at the time when the bank or commercial lending company applied for its license to transact business in this State, would have been grounds for denying the application.

C.17:9A-463 Issuance of order suspending, revoking license of bank, commercial lending company, hearing.

82.a If the commissioner finds that any of the factors set forth in section 81 of P.L.1996, c.17 (C.17:9A-462) is true with respect to any foreign bank or commercial lending company which is licensed to establish an office and that it is necessary, for the protection of the interests of creditors of the bank's or company's business in this State, or for the protection of the public interest, that the commissioner immediately suspend or revoke the license of the bank or commercial lending company, the commissioner may issue an order suspending or revoking the license of the bank or commercial lending company.

b. (1) Within 30 days after an order is issued pursuant to subsection a. of this section, the foreign bank or commercial lending company to which the order is issued may file with the commissioner an application for a hearing on the order. (2) The right of any foreign bank or commercial lending company to which an order is issued under subsection a. of this section to petition for judicial review of that order shall not be affected by the failure of the bank or company to apply to the commissioner for a hearing on the order pursuant to paragraph (1) of this subsection b.

C.17:9A-464 Surrender of suspended, revoked license.

83. Any foreign bank or commercial lending company whose license to establish an office is suspended or revoked shall immediately surrender its license to the commissioner.

Any foreign bank or commercial lending company to which an order is issued under section 81 or 82 of P.L.1996, c.17 (C.17:9A-462 or C.17:9A-463), may apply to the commissioner to modify or rescind the order. The commissioner shall not grant the application unless he finds that it is in the public interest to do so and that it is reasonable to believe that the bank or commercial lending company will, if and when it is again licensed to establish an office, comply with all applicable provisions of sections 79 through 85 of P.L.1996, c.17 (C.17:9A-460 through C.17:9A-466) and of any regulation or order issued thereunder.

b. The right of any foreign bank or commercial lending company to which an order is issued under section 81 or 82 of P.L.1996, c.17 (C.17:9A-462 or C.17:9A-463) to petition for judicial review of that order shall not be affected by the failure of that bank or commercial lending company to apply to the commissioner pursuant to subsection a. of this section to modify or rescind the order.

C.17:9A-466 Possession of property, business of bank by commissioner.

85. a. If the commissioner finds that any of the factors set forth in section 81 of P.L.1996, c.17 (C.17:9A-462) or in subsection b. of section 79 of P.L.1996, c.17 (C.17:9A-460) is true with respect to any foreign bank which is licensed to transact business in this State and that it is necessary for the protection of the interests of the creditors of the bank's business in this State or for the protection of the public interest that the commissioner take immediate possession of the property and business of the bank, the commissioner may by order forthwith take possession of the property and business of the bank and retain possession until the bank resumes business in this State or is finally liquidated. The bank may, with the consent of the
commissioner, resume business in this State upon such conditions as the commissioner may prescribe.

b. (1) Whenever the commissioner takes possession of the property and business of a foreign bank pursuant to subsection a. of this section, that bank may, within 10 days apply to the Superior Court in the county in which the primary office of the bank is located to enjoin further proceedings. The court may, after ordering the commissioner to show cause why further proceedings should not be enjoined and after a hearing, dismiss the application or enjoin the commissioner from further proceedings and order him to surrender the property and business of the bank to the bank or make such further order as may be just.

(2) The judgment of the court may be appealed by the commissioner or by the bank in the manner provided by law for appeals from the judgment of a Superior Court. In case the commissioner appeals the judgment of the court, an appeal shall operate as a stay of the judgment, and the commissioner shall not be required to post any bond.

c. Whenever the commissioner takes possession of the property and business of a foreign bank pursuant to subsection a. of this section, the commissioner shall conserve or liquidate the property and business of that bank pursuant to the receivership provisions of the Banking Act, including Article 42 of "The Banking Act of 1948," P.L. 1948, c.67 (C.17:9A-266 et seq.), and these provisions shall apply as if the bank were a bank organized under the Banking Act.

d. When the commissioner has completed the liquidation of the property and business of a foreign bank, the commissioner shall transfer any remaining assets to the bank in accordance with the orders the court may issue. However, if the bank has an office in another state of the United States which is in liquidation and the assets of that office appear to be insufficient to pay in full the creditors of the office, the court shall order the commissioner to transfer to the liquidator of the office that amount of any such remaining assets as appears to be necessary to cover the insufficiency; if there are two or more such offices and the amount of remaining assets is less than the aggregate amount of insufficiencies with respect to the offices, the court shall order the commissioner to distribute the remaining assets among the liquidators of those offices in any manner the court finds equitable.

e. The commissioner may apply the provisions of this section to a commercial lending company, in which case these provisions shall take precedence over any other provisions of state law applying to the commercial lending company.

C.17:12B-24 Establishment, operation of branch offices by State association.

24. A No State association shall hereafter establish or operate a branch office or offices, other than as provided by the conditions and limitations of sections 24 through 27 of this act without the prior written approval of the commissioner; provided, however, that any association operating an authorized branch office at the effective date of this act may continue to do so.

(1) An association operating a branch office approved prior to the effective date of this act with conditions or restrictions imposed on its operation may upgrade such office by notifying the commissioner at least 30 days before such upgrading. A branch office is considered upgraded if the association is relieved of any of the conditions or restrictions imposed on operation of the office when it opened. If within 30 days of receipt of the notice, the commissioner does not notify the association of his objection which would require the association to submit an application or additional information before upgrading, the association may upgrade the office.

(2) An approved, but unopened branch office as of the effective date of this amendatory act may open and operate in the same manner as a branch office approved subsequent to the effective date of this amendatory act.

(3) Any application which deals with offices of a State association filed with the commissioner prior to the effective date of this amendatory act shall
continue to be processed as any application filed subsequent to the effective
date of this amendatory act; however, the commissioner may request such
additional information as may be necessary to comply with the requirements
of this amendatory act.

B. An association may apply for a branch office regardless of the
number of branch applications it has pending before the commissioner.
Within 15 days after submission of any branch application to the commis­sioner, the applying 
State association shall give notice of such application by
publication of a notice of such application in a newspaper published within
the municipality in which it is proposed to locate the branch office if there
be one or, if there be no such newspaper, in a newspaper published in the
county and having a substantial circulation in the municipality. The notice
shall be in a form approved by the commissioner, and shall include the name
of the applying association and the location, as precisely as possible, in the
municipality where such branch office is to be located. For good cause, the
commissioner may dispense with the notice requirements of this section.

No less than 30 days after filing with the commissioner the proof of
publication of the aforementioned notice within 90 days thereafter, the
commissioner shall announce his decision upon such application and file in
his office a written memorandum stating the reasons therefor, which shall be
open to public inspection; and he shall forthwith thereafter give written

determine if an applicant meets this requirement, the commissioner shall
consider only the costs of purchasing, constructing, leasing or otherwise
establishing the proposed office, including the costs for staffing, furniture
and equipment needed therefor and the effect of these costs on the
operations of the applying institution as a whole. The applicant need not
demonstrate an ability to operate the proposed office at a profit within a
definable period of time based on the generation of new deposits from the
market area to be entered except to the extent that losses suffered at the
proposed office could affect the safety and soundness of the applicant's
overall operations; and
(4) that the applicant has achieved sufficient compliance as defined by the commissioner by regulation with the provisions of the "Community Reinvestment Act of 1977," 12 U.S.C. §2901 et seq.

D. (Deleted by amendment, P.L.1996, c.17.)

b. If it shall appear from the application, or if the commissioner shall find from such proof as the commissioner may require, or from such investigation as the commissioner may cause to be made, that the area which would be served by the principal or branch office after its change in location would not be substantially different from the area theretofore served by that office, the commissioner shall approve the application.

c. If it shall appear to the commissioner, from the application, or from such proof as the commissioner may require, or from such investigation as the commissioner may cause to be made, that the proposed location will be so far removed from the place then occupied by the principal office or by the branch office that the area which would be served by that office after its change in location would be substantially different from the area theretofore served by it, the commissioner shall not approve the application unless, after an investigation or hearing, or both, as the commissioner may determine to be advisable, the commissioner shall find that the interests of the public will be served to advantage by the change in location, and that conditions in the locality to which removal is proposed afford reasonable promise of successful operation.
d. The failure to open and operate a relocated office within 12 months after the commissioner approves the application therefor, shall automatically terminate the right to open the relocated office, except that, for good cause shown, the commissioner may, at the commissioner's discretion, extend for additional periods, not to exceed 12 months each time, the time within which the relocated office may be opened, provided that the initial application shall be made before the expiration of 12 months from the date authority is granted to relocate the principal office and any subsequent application shall be made before the expiration of any subsequent period for which permission to extend has been granted by the commissioner.

Such consent, once given, shall thereafter be irrevocable, regardless whether it was given gratuitously or for a valuable consideration. The commissioner shall, either personally or by a person appointed by the commissioner, visit and examine every State association at least once every two years, or more often if deemed expedient. When deemed advisable, the examiner shall verify the liabilities of the State association to its members by an inspection and verification of their accounts. The commissioner shall promptly communicate the result of every examination to the president of the State association examined, who shall present the same to the board at the next regular meeting, or a special meeting, if deemed advisable, or if so directed by the commissioner. The court shall order the issuance of a subpoena for the production or admission into evidence of any such report or portion thereof, only if it is satisfied that (1) it is material and relevant to the issues in the proceedings, and (2) the ends of justice and public advantage will be subserved thereby. This section shall not apply to any action or proceeding instituted by the commissioner or Attorney General pursuant to any law of this State.

For State associations or out-of-State associations with branch offices in this State and also in one or more other states, the commissioner may contract with the state regulator in the other state or states where branch offices are located to conduct cooperative examinations. Pursuant to those agreements, examiners of the department may examine branch offices of

The commissioner and every examiner may administer an oath or affirmation to any person whose testimony is required on any examination, and compel the appearance of any person for the purpose of examination, and the production of books, papers and documents, by subpoena.

If any person shall fail to obey the subpoena, give testimony, answer questions or produce any books, papers or documents as required, the Superior Court may, upon ex parte application, make an order compelling him to do so.

C.17:12B-178 Order to continue illegal, unsafe practices; violations, penalty.

178. If it shall appear to the commissioner that a State association or an out-of-State association has violated any law of this State or of its home state, or any of its bylaws, or is conducting its business in an unsafe or unauthorized manner, he may order it in writing to discontinue its illegal or unsafe practices. Such order shall be sent to the State association's president, who shall present it to the board at its next regular meeting, or at a special meeting, if he deems it advisable, or if the commissioner so directs. The board's action thereon shall be promptly communicated by the president to the commissioner.

A State association or out-of-State association which fails or refuses to comply with an order of the commissioner issued pursuant to this section within the time limited in such order, shall be liable to a penalty of $500.00 to be recovered with costs by the State in any court of competent jurisdiction in a civil action prosecuted by the Attorney General.

b. The commissioner may not permit a merger involving an association and an out-of-State association or federal association unless the home state of each out-of-State association and federal association involved in the transaction has in effect, as of the date of the approval of such transaction, a law that permits interstate merger transactions with associations whose home state is this State.

c. A resulting association that is an out-of-State association shall file with the commissioner in a manner which is consistent with regulations adopted by the commissioner for this purpose.

The commissioner may, upon notice and a hearing, order a foreign association to close any service facility operated in violation of the provisions of this subsection or of any other law. An entity which is affiliated, either directly or indirectly, with a foreign association and intends to engage in back office operations in this State shall register and be regulated pursuant to this subsection as if it were a foreign association.

CHAPTER 22

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. N.J.S.2C:1-6 is amended to read as follows:

**Time limitations.**

b. Except as otherwise provided in this section, prosecutions for other offenses are subject to the following periods of limitations:

(1) A prosecution for a crime must be commenced within five years after it is committed;
(2) A prosecution for a disorderly persons offense or petty disorderly persons offense must be commenced within one year after it is committed;
(4) A prosecution for an offense set forth in N.J.S.2C:14-3 or N.J.S.2C:24-4, when the victim at the time of the offense is below the age of 18 years, must be commenced within five years of the victim's attaining the age of 18 or within two years of the discovery of the offense by the victim, whichever is later.

c. An offense is committed either when every element occurs or, if a legislative purpose to prohibit a continuing course of conduct plainly appears, at the time when the course of conduct or the defendant's complicity therein is terminated. Time starts to run on the day after the offense is committed.

d. A prosecution is commenced for a crime when an indictment is found and for a nonindictable offense when a warrant or other process is issued, provided that such warrant or process is executed without unreasonable delay. Nothing contained in this section, however, shall be deemed to prohibit the downgrading of an indictable offense to a nonindictable offense at any time if the indictable offense was filed within the statute of limitations applicable to indictable offenses.

e. The period of limitation does not run during any time when a prosecution against the accused for the same conduct is pending in this State.

Approved May 1, 1996.

CHAPTER 23

An Act concerning the statute of limitations in certain civil actions and supplementing chapter 14 of Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2A:14-26.1 Findings, declarations relative to statute of limitations regarding hemophiliacs infected with HIV, AIDS; accrual of actions.

1. a. The Legislature finds and declares:

   (1) Over one-half of the people with hemophilia in this country were infected with the human immunodeficiency virus (HIV) in the early 1980's from contaminated blood products.

   (2) AIDS, unlike any other disease, stigmatizes and isolates its victims. Victims, their families and survivors have been reluctant to step forward and seek compensation for their injuries through the legal system because of their legitimate fear of attendant publicity.

   (3) Because of this fear, many did not seek timely redress. They also were unaware that blood product manufacturers may have had the technical capacity at the time to address the situation and may have been responsible for their injuries. It is only very recently that a government-sponsored report was issued indicating that the blood products could have been virally inactivated prior to the advent of the AIDS epidemic among blood product recipients.

   (4) The scientific complexity of the issue, the compelling psychological and emotional trauma associated with the disease, the lack of publicly available information and the lack of definitive studies at the time combined to create a singular, unique circumstance which existing limitations principles are ill-suited to address.

   (5) This act will provide a remedy for the bar which may be imposed by the statute of limitations in these cases by setting a date certain for the accrual of the cause of action.

   (6) The Legislature expresses no opinion as to whether any blood product manufacturers may, or may not, have actually been at fault for the
contracting of HIV and AIDS among blood product recipients. It is simply the intent of the Legislature to allow these particular victims "their day in court" in light of the unique and extraordinary circumstances of their plight.

b. notwithstanding the provisions of any other law to the contrary, no action for damages based upon personal injury, survivorship or wrongful death brought against a proprietary manufacturer of blood products based on infusion of a blood product resulting in contracting human immunodeficiency virus (HIV) or acquired immunodeficiency syndrome (AIDS) shall be deemed to accrue prior to July 13, 1995.

c. The provisions of this act shall apply to all pending claims, including any action which has been filed with a court but not yet dismissed or finally adjudicated.

C.2A:14-26.2 Inapplicability of act.

2. The provisions of this act shall be inapplicable to any civil action governed by the statute of limitations of another jurisdiction.

3. This act shall take effect immediately.

CHAPTER 24

An Act municipalities and school districts, creating a Council on Local Mandates, supplementing Title 52 of the Revised Statutes and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:13H-1 Findings, declarations relative to State-imposed mandates.

1. The Legislature finds and declares that:

a. at the November 1995 general election, the people of this State approved an amendment to the New Jersey Constitution providing that, in certain cases, new statutes and new administrative rules and regulations promulgated by State agencies shall not impose unfunded mandates on counties, municipalities or school districts;

b. the purpose of this constitutional provision is to prevent the State government from requiring units of local government to implement additional or expanded activities without providing funding for those activities;
c. the long-standing, prior practice of State-imposed, unfunded mandates has contributed to the rise in local property taxes which has increasingly burdened New Jersey's property owners;

d. the constitutional amendment also directs the Legislature to create a Council on Local Mandates to resolve disputes regarding whether a law or a rule or regulation, covered by the amendment, constitutes an unfunded State mandate; and

e. it is, therefore, the purpose of this act to effectuate the will of the people of this State and to fulfill the Legislature's responsibility to establish the Council on Local Mandates.

C.52:13H-2 Unfunded mandate; mandatory status ceased, expiration.

2. Except as provided in section 3 of this act, any provision of a law enacted on or after January 17, 1996, or any part of a rule or regulation originally adopted after July 1, 1996 pursuant to a law regardless of when that law was enacted, which is determined in accordance with the provisions of this act to be an unfunded mandate upon boards of education, counties, or municipalities because it does not authorize resources to offset the additional direct expenditures required for the implementation of the law or the rule or regulation, shall cease to be mandatory in its effect and shall expire. A law or a rule or regulation which is determined to be an unfunded mandate shall not be considered to establish a standard of care for the purpose of civil liability.

C.52:13H-3 Laws, rules, regulations, not unfunded mandates.

3. Notwithstanding the provisions of any other law to the contrary, the following categories of laws and rules or regulations shall not be unfunded mandates:

a. those which are required to comply with federal laws or rules or to meet eligibility standards for federal entitlements;

b. those which are imposed on both government and non-government entities in the same or substantially similar circumstances;

c. those which repeal, revise or ease an existing requirement or mandate or which reappropriate the costs of activities between boards of education, counties, and municipalities;

d. those which stem from failure to comply with previously enacted laws or rules or regulations issued pursuant to a law;

e. those which implement the provisions of the New Jersey Constitution; and

f. laws which are enacted after a public hearing, held after public notice that unfunded mandates will be considered, for which a fiscal analysis is available at the time of the public hearing and which, in addition to complying with all other constitutional requirements with regard to the
enactment of laws, are passed by 3/4 affirmative vote of the members of each House of the Legislature.

C.52:13H-4 Council on Local Mandates created.

4. Pursuant to Article VIII, Section II, paragraph 5(b) of the New Jersey Constitution, there is created a Council on Local Mandates. The council shall consist of nine public members. The Governor shall appoint four members, at least two of whom shall be appointed from a list of six willing nominees submitted by the chair of the State committee of the political party the gubernatorial candidate of which received the second largest number of votes cast in the most recent general election for Governor. The President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly, the Minority Leader of the General Assembly and the Chief Justice of the New Jersey Supreme Court shall each appoint one member.

C.52:13H-5 Member qualifications.

5. A member of the council shall be a citizen of the United States and a resident of New Jersey at the time of appointment and while serving on the council. Each appointee shall demonstrate to the satisfaction of the official making the appointment that the appointee possesses knowledge of, and familiarity with, the legislative process, the regulatory functions of the Executive Branch, or the procedures and operations of counties, municipalities or school districts; except that in the case of a person appointed by the Governor from a list of six willing nominees submitted by the chair of the State committee of the political party the gubernatorial candidate of which received the second largest number of votes cast in the most recent general election for Governor the appointee shall demonstrate such knowledge and familiarity to the satisfaction of that chair.

C.52:13H-6 Members' selection; terms.

6. a. Within 30 days of the effective date of this act, the chair of the State committee of the political party the gubernatorial candidate of which received the second largest number of votes cast in the most recent general election for Governor shall submit to the Governor a list of names of six nominees willing to serve on the council. Within 45 days of the effective date, the Governor shall appoint four members of the council, two of whom shall be selected from that list. The terms of the members initially appointed by the Governor shall expire on February 1, 1999. Thereafter, members appointed by the Governor shall serve terms of four years beginning on the expiration date of the prior members' terms and ending on February 1st four years later. At least 45 days prior to the expiration of the term of the gubernatorial appointees, the chair of the State committee of the political
party the gubernatorial candidate of which received the second largest number of votes cast in the most recent general election for Governor shall submit a list of names of six nominees willing to serve on the council. Two of the four members appointed by the Governor shall be selected from that list.

b. Within 45 days of the effective date of this act, the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly and the Minority Leader of the General Assembly shall each appoint one member of the council. The terms of the members initially appointed by these officials shall expire on February 1, 1998. Thereafter, such members shall serve terms of two years beginning on the expiration date of the preceding members' terms and ending on February 1st two years later.

c. Within 45 days of the effective date of this act, the Chief Justice of the New Jersey Supreme Court shall appoint one member of the council. The term of the member initially appointed by the Chief Justice shall expire on February 1, 2001. Thereafter, the member appointed by the Chief Justice shall serve a term of five years beginning on the expiration of the preceding member's term and ending on February 1st five years later.

d. A member of the council shall not continue to serve in a hold-over capacity upon the expiration of the member's term. The officials responsible for making appointments to the council pursuant to this section shall do so in a timely manner in order to ensure that vacancies do not occur when terms expire.

C.52:13H-7 Vacancies.

7. A vacancy in the membership of the council shall be filled in the same manner in which the original appointment was made, but for the unexpired term only. When a vacancy occurs among one of the gubernatorial appointees who is a member of the same political party as the Governor then in office, the Governor shall appoint a replacement of the Governor's choice. When a vacancy occurs among one of the gubernatorial appointees who is a member of a political party which is different from that of the Governor, the Governor shall appoint a replacement from a list of three nominees submitted by the chair of the State committee of that political party.

C.52:13H-8 Monetary compensation.

8. A member of the council shall receive compensation in the amount of $150 per day for each day that the member attends a meeting of the council and shall be reimbursed for necessary expenses incurred in the performance of the member's duties.
C.52:13H-9 Organization of council.

9. The council shall organize as soon as possible after the appointment of its members. The first chair of the council shall be appointed by the Governor from among the members thereof. At the first meeting of the council held after February 1st in each subsequent year, the members shall choose one of their number to serve as chair of the council. While any one of the council's nine members may be chosen by the Governor as the council's first chair, subsequent chairs shall be chosen by the members in a manner which ensures that the chair rotates annually among the legislative, gubernatorial and judicial appointees. At least five members of the council shall be present in order for the council to conduct its business. A ruling of the council shall require at least five votes.

C.52:13H-10 Council plan, rules, staffing.

10. The council shall establish, and revise from time to time, a plan for its organization and may incur expenses within the limits of funds available to it. The council may adopt rules governing its procedures. The council shall employ, pursuant to Title 11A of the New Jersey Statutes, such clerical and secretarial staff as it deems necessary. In addition, each member of the council may employ one professional employee who shall directly serve the member for a period not to exceed one year. Upon completion of one year of service a professional employee shall not again be employed in that capacity by any member of the council. Professional employees of the council shall be deemed confidential employees for purposes of the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.). Employees and members of the council shall be enrolled in the Public Employees' Retirement System. The council may employ legal counsel, on a temporary basis, to represent it in any proceeding to which it is a party. The council may contract for the services of other professional, technical and operational personnel and consultants as may be necessary for the performance of its responsibilities under this act. Nothing contained in this section shall be construed as authorizing the council to employ an executive director, director, or other permanent employee, other than permanent secretarial or clerical personnel.

C.52:13H-11 Conflicts law, code of ethics; public employment restricted.

11. The members and employees of the council shall be subject to the provisions of the "New Jersey Conflicts of Interest Law," P.L.1971, c.182 (C.52:13D-12 et seq.), except that in addition to the requirements of that act, a member of the council, while serving on the council and for a period of two years thereafter, shall not hold any other State or local office or employment. The council shall adopt a code of ethics to govern the conduct
of its members and employees. The Executive Commission on Ethical Standards shall have jurisdiction to consider complaints regarding violations of P.L.1971, c.182 (C.52:13D-12 et seq.) or of the code of ethics by any member or employee of the council.

C.52:13H-12 Duties of council.

12. a. It shall be the duty of the council to review, and issue rulings upon, complaints filed with the council by a county, municipality or school district that any provision of a statute enacted on or after January 17, 1996 and any part of a rule or regulation originally adopted after July 1, 1996 pursuant to a law regardless of when that law was enacted constitutes an unfunded mandate upon the county, municipality or school district because it does not authorize resources to offset the additional direct expenditures required for the implementation of the statute or the rule or regulation. A complaint filed with the council shall be in the form of a resolution passed by the governing body of a county or municipality or by a local board of education. A county executive or a mayor who has been directly elected by the voters of the municipality may also file a written complaint with the council, after the mayor or county executive has provided the governing body with written notice of intention to file a complaint with the council. A complaint may be accompanied by supportive evidence. The council shall review each complaint and, when necessary, interview witnesses and examine documents. The council, by majority vote of its membership, shall issue a written ruling, accompanied by any concurring or dissenting opinions, as to whether or not a statute or a rule or regulation constitutes an unfunded State mandate and an explanation of the reasons for its determination. If the council determines that any provision of a statute or any part of a rule or regulation constitutes an unfunded State mandate which is prohibited by Article VIII, Section II, paragraph 5 of the New Jersey Constitution and this act, that provision of the law or that part of the rule or regulation shall cease to be mandatory in its effect and shall expire. A ruling of the council shall be restricted to the specific provision of a law or the specific part of a rule or regulation which constitutes an unfunded mandate and shall, as far as possible, leave intact the remainder of a statute or a rule or regulation. The council shall not have the authority to determine whether the funding of any statute or any rule or regulation is adequate.

b. The council shall have the authority to consolidate complaints filed by more than one governing body, mayor, county executive or local board in regard to the same provision of a statute or the same part of a rule or regulation.

c. Any group or individual may file a written request with the council to appear in the capacity of an amicus curiae in regard to a complaint. The
request shall state the identity of the group or individual, the issue it wishes to address, the nature of the public interest therein and the nature of the requestor's interest, involvement or expertise with respect thereto. The council shall grant the request if it is determined by a majority vote of the council's members that the request is timely, that participation by the group or individual will assist in the resolution of the matter and that no interested party will be prejudiced thereby. In granting permission, the council shall specifically define the extent of the requestor's participation in the matter.

C.52:13H-13 Complaints considered.

13. The council shall not consider complaints concerning pending legislation or proposed rules or regulations and shall not issue advisory rulings or opinions on any matter. The fact that the council may have previously issued a ruling in regard to a particular statute or rule or regulation shall not prevent the council from reconsidering its ruling upon receipt of a valid complaint and in response to changed circumstances such as discontinuance of funding.

C.52:13H-14 Public meetings.

14. The council shall not be subject to the provisions of the "Open Public Meetings Act," P.L.1975, c.231 (C.10:4-6 et seq.). The council shall conduct proceedings at which it examines witnesses and receives evidence in public. However, the members of the council may meet on all other matters in closed session.

15. A ruling issued by the council shall be in writing and shall set forth the reasons for the council's determination. The council shall cause its rulings, together with any concurring or dissenting opinions of council members, to be published in a suitable form and made available to members of the public. The rulings of the council, as well as any record of its proceedings conducted in public, shall be public records pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.).

C.52:13H-16 Preliminary rulings.

16. The council shall have the authority to issue a preliminary ruling enjoining enforcement of a statute or a rule or regulation pending the council's consideration of whether the statute or the rule or regulation constitutes an unfunded mandate whenever a complaint filed with the council by a county, municipality or school district demonstrates, to the satisfaction of the council, that significant financial hardship to the county, municipality or school district would result from compliance and there is a substantial likelihood that the statute or the rule or regulation is, in fact, an impermissible, unfunded State mandate.
CHAPTER 25, LAWS OF 1996

C.52:13H-17 Request for assistance.

17. The council may request from any State agency or any county, municipality or school district cooperation and assistance in the performance of its duties.

C.52:13H-18 Rulings as political determinations.

18. Pursuant to Article VIII, Section II, paragraph 5(b) of the New Jersey Constitution, rulings of the council shall be political determinations and shall not be subject to judicial review.

C.52:13H-19 Annual report.

19. The council shall submit a report to the Governor and the Legislature prior to December 31 of each year setting forth the names and salaries of: the professional employees of council members, individuals employed by the council on a temporary or permanent basis, and personnel and consultants for whose service the council has contracted.

C.52:13H-20 Appropriations.

20. The Legislature shall annually appropriate to the council from the General Fund of the State such amounts as may be necessary for the council to effectively carry out its responsibilities under this act.

21. There is appropriated to the Council on Local Mandates $350,000 from the general fund to effectuate the purposes of this act.

22. This act shall take effect immediately.

Approved May 8, 1996.

Amounts received as grants from the Office of Customized Training pursuant to the "1992 New Jersey Employment and Workforce Development Act," P.L.1992, c.43 (C.34:15D-1 et seq.), shall be excluded from the calculation of the total amount permitted under this subsection.

9. As determined by the commissioner, a business which is awarded a grant under this act shall submit a copy of the State tax return for the business showing business income or activity, appropriate to its form of ownership, to the commissioner. Failure to submit a copy of this document may result in the suspension or termination of a grant.

C.34:1B-121 Annual report.

10. The commissioner shall prepare and transmit to the Governor and the Legislature on or before November 1st of each year, a report concerning the impact of the program on job creation in the State.

   Hospital Specific Preliminary Cost Base-1992
   = Hospital Specific % Uncompensated Care (%UC)

   A hospital is eligible for a charity care subsidy in 1993 if, upon establishing a rank order of the %UC for all hospitals, the hospital is among the 80% of hospitals with the highest %UC.

   (2) The maximum amount of the charity care subsidy an eligible hospital may receive in 1993 shall be based on the following:

   Hospital Specific Approved Uncompensated Care-1991
   Total approved Uncompensated Care All Eligible Hospitals-1991
   X $500 million
   = Maximum Amount of Hospital Specific Charity Care Subsidy for 1993

   (3) A hospital shall be required to submit all claims for charity care cost reimbursement, as well as demographic information about the persons who
qualify for charity care, to the department in a manner and time frame specified by the Commissioner of Health, in order to continue to be eligible for a charity care subsidy in 1993 and in subsequent years.

The demographic information shall include the recipient's age, sex, marital status, employment status, type of health insurance coverage, if any, and if the recipient is a child under 18 years of age who does not have health insurance coverage or a married person who does not have health insurance coverage, whether the child's parent or the married person's spouse, as the case may be, has health insurance.

(4) A hospital shall be reimbursed for the cost of eligible charity care at the same rate paid to that hospital by the Medicaid program; except that charity care services provided to emergency room patients who do not require those services on an emergency basis shall be reimbursed at a rate appropriate for primary care, according to a schedule of payments developed by the commission.

(5) The department shall provide for an audit of a hospital's charity care for 1993 within a time frame established by the department.

c. For the period January 1, 1994 to December 31, 1994, a hospital shall receive disproportionate share payments from the Division of Medical Assistance and Health Services based on the amount of charity care submitted to the commission or its designated agent, in a form and manner specified by the commission. The commission or its designated agent shall review and price all charity care claims and notify the Division of Medical Assistance and Health Services of the amount it shall pay to each hospital on a monthly basis based on actual services rendered.

(1) (Deleted by amendment, P.L.1995, c.133.)

(2) If the commission is not able to fully implement the charity care claims pricing system by January 1, 1994, the commission shall continue to make provisional disproportionate share payments to eligible hospitals, through the Division of Medical Assistance and Health Services, based on the charity care costs incurred by all hospitals in 1993, until such time as the commission is able to implement the claims pricing system.

If there are additional charity care balances available after the 1994 distribution based on 1993 charity care costs, the department shall transfer these available balances from the fund to the Division of Medical Assistance and Health Services for an approved one-time additional disproportionate share payment to hospitals according to the methodology provided in section 12 of P.L.1995, c.133 (C.26:2H-18.59a). The total payment for all hospitals shall not exceed $75.5 million.

(3) A hospital shall be reimbursed for the cost of eligible charity care at the same rate paid to that hospital by the Medicaid program; except that charity care services provided to emergency room patients who do not
require those services on an emergency basis shall be reimbursed at a rate appropriate for primary care, according to a schedule of payments developed by the commission.

(4) (Deleted by amendment, P.L.1995, c.133.)

d. (Deleted by amendment, P.L.1995, c.133.)

e. The total amount allocated for charity care subsidy payments shall be: in 1994, $450 million; in 1995, $400 million; in 1996, $310 million; and in 1997, $300 million. Total payments to hospitals shall not exceed the amount allocated for each given year.

f. Beginning January 1, 1995:

(1) The charity care subsidy shall be determined pursuant to section 13 of P.L.1995, c.133 (C.26:2H-18.59b).

(2) A charity care claim shall be valued at the same rate paid to that hospital by the Medicaid program, except that charity care services provided to emergency room patients who do not require those services on an emergency basis shall be valued at a rate appropriate for primary care according to a schedule of payments adopted by the commissioner.

(3) The department shall provide for an audit of a hospital's charity care within a time frame established by the commissioner.

5. Section 14 of P.L.1995, c.133 (C.26:2H-18.59c) is amended to read as follows:

C.26:2H-18.59c Submission of financial and demographic data.

14. All acute care hospitals licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et al.) shall submit to the department all demographic and financial data specified in this section, in a manner and time frame specified by the commissioner.

a. A hospital shall submit demographic information about the persons who qualify for charity care or to whom the hospital provides uncompensated care, which includes, at a minimum: the individual's age, sex, marital status, employment status, type of health insurance coverage, if any, and if the individual is a child under 18 years of age who does not have health insurance coverage or a married person who does not have health insurance coverage, whether the child's parent or the married person's spouse, as the case may be, has health insurance.

b. A hospital shall submit all financial data required by the department for the purposes of calculating the payer mix factor as defined in sections 12 and 13 of P.L.1995, c.133 (C.26:2H-18.59a and C.26:2H-18.59b) and section 7 of P.L.1996, c.28 (C.26:2H-18.59e).

c. A hospital which fails to provide the information required pursuant to this section in a manner and time frame specified by the commissioner, shall be liable to a civil penalty not to exceed $1,000 for each day in which
the hospital is not in compliance. The commissioner shall recover the penalty in an administrative proceeding held pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

6. Section 13 of P.L.1992, c.160 (C.26:2H-18.63) is amended to read as follows:

C.26:2H-18.63 Civil penalties for false statement, misrepresentation.

13. a. Any person or entity who makes a false statement or misrepresentation of a material fact in order to qualify any person or entity for any benefits to which he is not entitled under this act or P.L.1996, c.28 (C.26:2H-18.59e et al.), shall be liable to civil penalties of:

(1) payment of interest on the amount of the excess benefits or subsidy payments at the maximum legal rate in effect on the date the benefits were provided to the person or payment was made to the person or entity, for the period from the date upon which benefits were provided or payment was made to the date upon which repayment is made to the department; and

(2) payment of an amount not to exceed three times the amount of the excess benefit or subsidy payment.

b. A hospital which, without intent to violate this act, obtains a subsidy payment in excess of the amount to which it is entitled, shall be liable to a civil penalty of payment of interest on the amount of the excess payment at the maximum legal rate in effect on the date the payment was made to the hospital, from the date upon which payment was made to the date upon which repayment is made to the department, except that a hospital shall not be liable to the civil penalty when an excess subsidy payment is obtained by the hospital as a result of an error made by the department, as determined by the commissioner.

c. All interest and civil penalties provided for in this section shall be recovered in an administrative proceeding held pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

d. In order to satisfy any recovery claim asserted against a hospital under this section, whether or not that claim has been the subject of final agency adjudication, the commissioner is authorized to withhold subsidy payments otherwise payable under this act to the hospital.

7. a. Beginning January 1, 1996 through December 31, 1997, and except as provided in section 8 of P.L.1996, c.28 (C.26:2H-18.59f), the charity care subsidy shall be determined according to the following methodology.
If the Statewide total of adjusted charity care is less than available charity care funding, a hospital's charity care subsidy shall equal its adjusted charity care.

If the Statewide total of adjusted charity care is greater than available charity care funding, then the hospital-specific charity care subsidy shall be determined by allocating available charity care funds so as to equalize hospital-specific payer mix factors to the Statewide target payer mix factor. Those hospitals with a payer mix factor greater than the Statewide target payer mix factor shall be eligible to receive a subsidy sufficient to reduce their factor to that Statewide level; those hospitals with a payer mix factor that is equal to or less than the Statewide target payer mix factor shall not be eligible to receive a subsidy.

Charity care subsidy payments shall be based upon actual documented hospital charity care.

As used in this section:
(1) The hospital-specific "documented charity care" shall be equal to the dollar amount of charity care provided by the hospital that is verified in the department's most recent charity care audit conducted under the most recent charity care eligibility rules adopted by the department and valued at the same rate paid to that hospital by the Medicaid program.

For 1996, documented charity care shall equal the audited, Medicaid-priced amounts reported for the first three quarters of 1995. This amount shall be multiplied by 1.33 to determine the annualized 1995 charity care amount. For 1997, documented charity care shall be equal to the audited Medicaid-priced amounts for the last quarter two years prior to the payment period and the first three quarters of the year prior to the payment period.

(2) In 1996, the hospital-specific "operating margin" shall be equal to: the hospital's 1993 and 1994 income from operations minus its 1993 and 1994 charity care subsidies divided by its 1993 and 1994 total operating revenue minus its 1993 and 1994 charity care subsidies. After calculating each hospital's operating margin, the department shall determine the Statewide median operating margin.

In 1997, the hospital-specific "operating margin" shall be calculated in the same manner as for 1996, but on the basis of income from operations, total operating revenue and charity care subsidies data from the three most current years;

(3) The hospital-specific "profitability factor" shall be determined annually as follows. Those hospitals that are equal to or below the Statewide median operating margin shall be assigned a profitability factor of "1." For those hospitals that are above the Statewide median operating margin, the profitability factor shall be equal to:
(4) The hospital-specific "adjusted charity care" shall be equal to a hospital's documented charity care times its profitability factor;

(5) The hospital-specific "revenue from private payers" shall be equal to the sum of the gross revenues, as reported to the department in the hospital's most recently available New Jersey Hospital Cost Reports for all non-governmental third party payers including, but not limited to, Blue Cross and Blue Shield plans, commercial insurers and health maintenance organizations;

(6) The hospital-specific "payer mix factor" shall be equal to a hospital's adjusted charity care divided by its revenue from private payers; and

(7) The "Statewide target payer mix factor" is the lowest payer mix factor to which all hospitals receiving charity care subsidies can be reduced by spending all available charity care subsidy funding for that year.

b. For the purposes of this section, "income from operations" and "total operating revenue" shall be defined by the department in accordance with financial reporting requirements established pursuant to N.J.A.C.8:31B-3.3.

c. Charity care subsidy payments shall commence on or after the date of enactment of P.L.1996, c.28 and the full calendar year 1996 allocation shall be disbursed by January 31, 1997.

C.26:2H-18.59f Implementation of health care program for low income residents.

8. Within 30 days of the date of enactment of P.L.1996, c.28, the Commissioner of Human Services, in consultation with the Commissioner of Health and the State Treasurer, shall pursue any necessary waivers from the federal Department of Health and Human Services in order to implement a health care program to provide low income residents of the State who qualify pursuant to section 10 of P.L.1992, c.160 (C.26:2H-18.60), with eligible charity care services on a managed care basis. The program shall be implemented by the Commissioner of Health in consultation with the Commissioner of Human Services and the State Treasurer.

a. The program shall be administered Statewide by one or more program administrators under contract with the State Treasurer pursuant to this section. For the purposes of this section, program administrator may include, but not be limited to, an acute care hospital which receives charity care reimbursements or a health maintenance organization.
b. The Commissioner of Health, in consultation with the Commissioner of Human Services and the State Treasurer, shall, within 30 days after approval of the federal waiver, and at appropriate intervals thereafter, solicit proposals from entities in the State interested in administering the health care program.

c. The contract shall include, but not be limited to, provisions for:

(1) providing charity care services on a managed care basis as specified by the Commissioner of Health, in consultation with the Commissioner of Human Services and the State Treasurer. An administrator shall be responsible for determining the most appropriate and cost-effective means of providing the health care services required by an eligible person and for directing the person to that means for receipt of the services;

(2) the determination of eligibility criteria for health care providers who choose to participate in the program;

(3) a methodology established by the Commissioner of Health for reimbursement of participating hospitals and other health care providers;

(4) the development and use of a uniform method for determining eligibility of State residents for health care services under the program; and

(5) the submission of quarterly reports to the Department of Health and the Department of the Treasury, in a form and manner required by the department, detailing expenditures of health care funds in the program.

The contract shall also provide that provider participation in the program shall ensure the maximum receipt by the State of federal disproportionate share monies pursuant to Pub.L.89-97 (42 U.S.C.§1396a et seq.) and Pub.L.102-234.

d. The Commissioner of Health shall report 12 months after the contract with the administrator or administrators is entered into by the State Treasurer and each year thereafter to the standing reference committees on health and appropriations of the Senate and General Assembly and the Governor on:

(1) expenditures related to the provision of health care services on a managed care basis, the number of persons served, the types of services provided, the hospitals participating in the program, the number and types of other health care providers participating in the program and such other information as may be required by the Legislature;

(2) the effectiveness of the program in containing or reducing costs for providing health care services to qualified low income residents of the State; and

(3) recommendations developed in consultation with the Commissioner of Human Services and the State Treasurer concerning additional cost containment actions that may be adopted for the provision of health care services to qualified low income persons.
e. Nothing in this section shall be construed to expand covered health care services to include services not covered by the charity care program in effect on the effective date of this act.

f. The implementation of the health care program pursuant to this section or other subsidies for charity care that affect the Medicaid State plan shall be contingent upon receipt of federal approvals that assure continuation of an acceptable level of federal Medicaid matching funds, including disproportionate share monies, as determined by the Director of the Division of Medical Assistance and Health Services in the Department of Human Services and the Director of the Division of Budget and Accounting in the Department of the Treasury.

C.26:2H-18.59g Establishment of technology infrastructure to support Statewide health care program.

9. The Commissioner of Health, in consultation with the State Treasurer, shall establish a technology infrastructure to support the Statewide health care program established pursuant to section 8 of P.L.1996, c.28 (C.26:2H-18.59f).

The State Treasurer, in consultation with the Commissioners of Health and Human Services may, if deemed to be in the State's best interests, include system features and provisions in the technology infrastructure to satisfy the requirements of multiple programs and purposes, including, but not limited to, programs such as, Medicaid, food stamps, public assistance, and purposes such as the exchange and consolidation of health care information permitted by law, eligibility and identity verification, claims processing, the use of electronic patient identification technology and electronic data interchange.

C.26:2H-18.58b Health Care Subsidy Fund payer of last resort; exemptions.

10. With the exception of the Catastrophic Illness in Children Relief Fund, established pursuant to P.L.1987, c.370 (C.26:2-148 et seq.) and the Victims of Crime Compensation Board established pursuant to section 3 of P.L.1971, c.317 (C.52:4B-3), the Health Care Subsidy Fund is the payer of last resort for persons who otherwise qualify for charity care or managed health care services pursuant to P.L.1992, c.160 (C.26:2H-18.51 et al.) and P.L.1996, c.28. A hospital or other health care provider shall not submit a claim for charity care or managed health care services reimbursement on behalf of any individual otherwise eligible for charity care or managed health care services for whom the hospital or other health care provider is eligible to receive reimbursement under any State or federal program not specifically exempted in this section or any other third party payer.
11. a. The Health Care Subsidy Fund shall be funded with $15 million in General Fund revenues in calendar year 1996 and $41 million in General Fund revenues in calendar year 1997.

b. In calendar year 1998, the Health Care Subsidy Fund shall be supported with revenues derived from efficiencies achieved by State use of an electronic data interchange system for health care claims and related information, in amounts necessary to provide funding for the health care program pursuant to section 8 of P.L.1996, c.28 (C.26:2H-18.59f).

12. a. The Commissioner of Health shall transfer to the Hospital Health Care Subsidy account in the Division of Medical Assistance and Health Services of the Department of Human Services from the Health Care Subsidy Fund, $35 million in calendar year 1996 and $71 million in calendar year 1997, according to a schedule to be determined by the Commissioner of Health in consultation with the Commissioner of Human Services. These funds shall be distributed to eligible disproportionate share hospitals according to a methodology adopted by the Commissioner of Human Services pursuant to N.J.A.C.10:52-8.2, using hospital expenditure data for the most recent calendar year available for reimbursements from these funds.

b. In calendar years 1996 and 1997, the Governor shall recommend and the Legislature shall appropriate to the Hospital Health Care Subsidy account for distribution to disproportionate share hospitals which are eligible for reimbursement pursuant to subsection a. of this section, those federal funds received in connection with the provision of hospital reimbursements from that account.

13. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the
rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal
Revenue Code of 1986 (26 U.S.C.§3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer’s account.
(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. §3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;

(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;

(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;

(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;

(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;

(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.
(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4)
of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C. §1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

Fund balance as of March 31 as a percentage of taxable wages in the prior calendar year.

Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).

(F)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, if the balance of the unemployment trust fund as of the prior March 31 is negative, the contribution rate for each employer liable to pay contributions, as computed under subparagraph E of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(ii) With respect to experience rating years beginning on or after July 1, 1997, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 1.00%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph E of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year in which the fund reserve ratio is equal to or greater than 7.00%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On or after January 1, 1993 until December 31, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 52.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this
subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after April 1, 1996 until December 31, 1996, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 25.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after January 1, 1997 until December 31, 1997, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 10.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to
less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1997, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, of at least 3.00%.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1998, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1998, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1998 of at least 3.00%.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for
the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the
predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of
contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.
Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 contribute to the unemployment compensation fund 0.40% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.
(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S. 43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948 c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(2) (A) (Deleted by amendment, P.L.1984, c.24.)
(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28).
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of
this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S. 43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S. 43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S. 43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S. 43:21-1 et seq.), pursuant to the provisions of R.S. 43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and
establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the “Temporary Disability Benefits Law,” the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer’s account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer’s account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the “Temporary Disability Benefits Law” on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several
individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.));

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding
(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46)), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer
whom whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

14. Section 29 of P.L.1992, c.160 (C.43:21-7b) is amended to read as follows:

C.43:21-7b Contributions to Health Care Subsidy Fund.

29. a. Beginning January 1, 1993 until December 31, 1995, except as provided pursuant to subsection b. of this section, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.6% of the employee's taxable wages.

Beginning April 1, 1996 through December 31, 1996, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.6% of the employee's taxable wages, except that the total amount contributed to the fund when combined with the employee's contribution made pursuant to R.S.43:31-7(d)(1)(D) for the period January 1, 1996 through March 31, 1996, shall not exceed 0.6% of the employee's taxable wages for the 1996 calendar year.

Beginning January 1, 1997 through December 31, 1997, each employee shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to 0.5% of the employee's taxable wages.

Also beginning on January 1, 1993 until December 31, 1995 and beginning April 1, 1996 until December 31, 1997, each employer shall, in such a manner and at such times as determined by the commissioner, contribute to the fund an amount equal to the amount that the employer's contribution to the unemployment compensation fund is decreased pursuant to subparagraph (H) of paragraph (5) of subsection (c) of R.S.43:21-7.

b. If the unemployment compensation fund reserve ratio, as determined pursuant to paragraph (5) of subsection (c) of R.S.43:21-7, decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subsection a. of this section shall cease to be in effect as of July 1 of that calendar year and each employer who would be subject to making the contributions pursuant to subsection a. of this section if that subsection were in effect shall, beginning on July 1 of that calendar year, contribute to the fund an amount equal to 0.62% of the total wages paid by
CHAPTER 28, LAWS OF 1996 195

the employer and shall continue to contribute that amount until December 31, 1995.

c. If the total amount of contributions to the fund pursuant to this section during the calendar year 1993 exceeds $600 million, all contributions which exceed $600 million shall be deposited in the unemployment compensation fund. If the total amount of contributions to the fund pursuant to this section during calendar year 1994 or calendar year 1995 exceeds $500 million, all contributions which exceed $500 million shall be deposited in the unemployment compensation fund. If the total amount of contributions made to the fund pursuant to this section for the calendar year 1996 or 1997 exceeds $330 million in calendar year 1996 or 1997 shall be deposited in the unemployment compensation fund.

d. All necessary administrative costs related to the collection of contributions pursuant to this section shall be paid from the contributions.

15. Section 32 of P.L. 1992, c.160 (C.43:21-7e) is amended to read as follows:

C.43:21-7e Entitlement to refund or tax credit.

32. a. If an employee receives wages from more than one employer during any calendar year, and the sum of the employee’s contributions deposited in the fund exceeds an amount equal to 0.6% of the wages determined in accordance with the provisions of paragraph (3) of subsection (b) of R.S.43:21-7 during calendar year 1993, calendar year 1994 or calendar year 1995, the employee shall be entitled to a refund of the excess if a claim establishing the employee’s right to the refund is made within two years after the end of the respective calendar year in which the wages are received and are the subject of the claim. The commissioner shall refund any overpayment from the fund without interest.

If an employee receives wages from more than one employer during the calendar year 1996 and the sum of the employee’s contributions deposited in the unemployment compensation fund during the period January 1, 1996 through March 31, 1996 and the employee’s contributions deposited in the health care subsidy fund during the period April 1, 1996 through December 31, 1996 exceeds an amount equal to 0.6% of the wages determined in accordance with the provisions of paragraph (3) of subsection (b) of R.S.43:21-7 which wages are received during the period January 1, 1996 through December 31, 1996, the employee shall be entitled to a refund of the excess if a claim establishing the employee’s right to the refund is made within two years after the end of the respective calendar year in which the wages are received and are the subject of the claim. The commissioner shall
refund any overpayment without interest from the unemployment compensation fund or the health care subsidy fund, or both, as appropriate.

If an employee receives wages from more than one employer during the calendar year 1997, and the sum of the employee's contributions deposited in the fund exceeds an amount equal to 0.5% of the wages determined in accordance with the provisions of paragraph (3) of subsection (b) of R.S.43:21-7 during calendar year 1997, the employee shall be entitled to a refund of the excess if a claim establishing the employee's right to the refund is made within two years after the end of the respective calendar year in which the wages are received and are the subject of the claim. The commissioner shall refund any overpayment from the fund without interest.

b. Any employee who is a taxpayer and entitled, pursuant to the provisions of subsection a. of this section, to a refund of contributions deducted during a tax year from his wages shall, in lieu of the refund, be entitled to a credit in the full amount thereof against the tax otherwise due on his New Jersey gross income for that tax year if he submits his claim for the credit and accompanies that claim with evidence of his right to the credit in the manner provided by regulation by the Director of the Division of Taxation. In any case in which the amount, or any portion thereof, of any credit allowed hereunder results in or increases an excess of income tax payment over income tax liability, the amount of the new or increased excess shall be considered an overpayment and shall be refunded to the taxpayer in the manner provided by subsection (a) of N.J.S.54A:9-7.

16. Section 4 of P.L.1971, c.346 (C.43:21-7.3) is amended to read as follows:

C.43:21-7.3 Governmental entities.

4. (a) Notwithstanding any other provisions of the "unemployment compensation law" for the payment of contributions, benefits paid to individuals based upon wages earned in the employ of any governmental entity or instrumentality which is an employer defined under R.S.43:21-19(h)(5) shall, to the extent that such benefits are chargeable to the account of such governmental entity or instrumentality in accordance with the provisions of R.S.43:21-1 et seq., be financed by payments in lieu of contributions.

(b) Any governmental entity or instrumentality may, as an alternative to financing benefits by payments in lieu of contributions, elect to pay contributions beginning with the date on which its subjectivity begins by filing written notice of its election with the department no later than 120 days after such subjectivity begins, provided that such election shall be effective for at least two full calendar years; or it may elect to pay contributions for a period of not less than two calendar years beginning January 1 of
any year if written notice of such election is filed with the department not later than February 1 of such year; provided, further, that such governmental entity or instrumentality shall remain liable for payments in lieu of contributions with respect to all benefits paid based on base year wages earned in the employ of such entity or instrumentality in the period during which it financed its benefits by payments in lieu of contributions.

(c) Any governmental entity or instrumentality may terminate its election to pay contributions as of January 1 of any year by filing written notice not later than February 1 of any year with respect to which termination is to become effective. It may not revert to a contributions method of financing for at least two full calendar years after such termination.

(d) Any governmental entity or instrumentality electing the option for contributions financing shall report and pay contributions in accordance with the provisions of R.S.43:21-7 except that, notwithstanding the provisions of that section, the contribution rate for such governmental entity or instrumentality shall be 1% for the entire calendar year 1978 and the contribution rate for any subsequent calendar years shall be the rate established for governmental entities or instrumentalities under subsection (e) of this section.

(e) On or before September 1 of each year, the Commissioner of Labor shall review the composite benefit cost experience of all governmental entities and instrumentalities electing to pay contributions and, on the basis of that experience, establish the contribution rate for the next following calendar year which can be expected to yield sufficient revenue in combination with worker contributions to equal or exceed the projected costs for that calendar year.

(f) Any covered governmental entity or instrumentality electing to pay contributions shall each year appropriate, out of its general funds, moneys to pay the projected costs of benefits at the rate determined under subsection (e) of this section. These funds shall be held in a trust fund maintained by the governmental entity for this purpose. Any surplus remaining in this trust fund may be retained in reserve for payment of benefit costs for subsequent years either by contributions or payments in lieu of contributions.

(g) Any governmental entity or instrumentality electing to finance benefit costs with payments in lieu of contributions shall pay into the fund an amount equal to all benefit costs for which it is liable pursuant to the provisions of the "unemployment compensation law." Each subject governmental entity or instrumentality shall require payments from its workers in the same manner and amount as prescribed under R.S.43:21-7(d) for governmental entities and instrumentalities financing their benefit costs with contributions. No such payment shall be used for a purpose other than to meet the benefits liability of such governmental entity or instrumentality. In addition, each subject governmental entity or instrumentality shall
appropriate out of its general funds sufficient moneys which, in addition to any worker payments it requires, are necessary to pay its annual benefit costs estimated on the basis of its past benefit cost experience; provided that for its first year of coverage, its benefit costs shall be deemed to require an appropriation equal to 1% of the projected total of its taxable wages for the year. These appropriated moneys and worker payments shall be held in a trust fund maintained by the governmental entity or instrumentality for this purpose. Any surplus remaining in this trust fund shall be retained in reserve for payment of benefit costs in subsequent years. If a governmental entity or instrumentality requires its workers to make payments as authorized herein, such workers shall not be subject to the contributions required in R.S.43:21-7(d).

(h) Notwithstanding the provisions of the above subsection (g), commencing July 1, 1986 worker contributions to the unemployment trust fund with respect to wages paid by any governmental entity or instrumentality electing or required to make payments in lieu of contributions, including the State of New Jersey, shall be made in accordance with the provisions of R.S.43:21-7(d)(1)(C) or R.S.43:21-7(d)(1)(D), as applicable, and, in addition, each governmental entity or instrumentality electing or required to make payments in lieu of contributions shall, except during the period starting January 1, 1993 and ending December 31, 1995 and the period starting April 1, 1996 and ending December 31, 1997 or, if the unemployment compensation fund reserve ratio, as determined pursuant to paragraph (5) of subsection (c) of R.S.43:21-7, decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, ending July 1 of that calendar year, require payments from its workers at the following rates of wages paid, which amounts are to be held in the trust fund maintained by the governmental entity or instrumentality for payment of benefit costs: for calendar year 1998 and each calendar year thereafter, 0.30%.

17. Section 1 of P.L.1944, c.81 (C.43:21-14.1) is amended to read as follows:

C.43:21-14.1 Refund of contributions; claim.
1. Any employee who is paid wages by two or more employers aggregating more than the amount of "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) shall be entitled to a refund of the amount of contributions deducted from such wages and paid to the Division of Employment Security in excess of the contribution which is determined pursuant to R.S.43:21-7(d)(1)(D) required on the amount of "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) except that no such refund shall be made unless the employee makes a claim, establishing his right thereto, within two years after the calendar year in
which the wages are paid with respect to which refund of contribution is claimed. No interest shall be allowed or paid with respect to any such refund.

18. This act shall take effect immediately and shall be retroactive to January 1, 1996.

Approved May 16, 1996,

CHAPTER 30

AN ACT concerning unemployment insurance benefits, amending and supplementing chapter 21 of Title 43 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. For the purposes of the Emergency Unemployment Benefits Program and as used in this act:

"Emergency unemployment benefits" means benefits financed entirely by the State and paid to exhaustees pursuant to this act.

"Emergency unemployment benefit period" means a period not within an extended benefit period which:

a. Begins on June 2, 1996, and

b. Ends upon the conclusion of the second week after the first week for which there is a State "on" indicator as defined in section 5 of P.L.1970,
c.324 (C.43:21-24.11) or other federally-financed supplemental benefits program, or

c. If there is no such "on" indicator, ends with the occurrence of either of the following:

(1) The third week after the first week for which there is a State emergency unemployment benefits "off" indicator; or

(2) The calendar week after the calendar week in which total expenditures of emergency unemployment compensation fund Statewide first exceed $350 million.

There is a State emergency unemployment benefits "off" indicator for any week in which it is determined by the division based on data reported by the U.S. Bureau of Labor Statistics that, for the prior four calendar months, the average total unemployment rate (seasonally adjusted) in this State is less than 6.0 percent.

Notwithstanding any other provision of this subsection c., no emergency unemployment benefits shall be paid after December 1, 1996, except that emergency benefits shall be paid to individuals who established emergency unemployment claims prior to that date. No emergency unemployment benefits shall be paid to any individual after March 1, 1997.

"Eligibility period" of an exhaustee means the period consisting of the weeks in the exhaustee's benefit year which begin in an emergency unemployment benefit period and, if that benefit year ends in the emergency unemployment benefit period, any weeks thereafter which begin in the period.

"Exhaustee" means an individual who exhausted all of the regular benefits that were available to the individual pursuant to the "unemployment compensation law," R.S.43:21-1 et seq., (including benefits payable to federal civilian employees and ex-service persons or payable under the combined wage program), after December 2, 1995 and before June 2, 1996, or during any calendar week of the emergency unemployment benefit period. No individual who exhausted all of the available regular benefits prior to December 3, 1995 shall be eligible for emergency unemployment benefits. An individual whose benefit year has expired prior to the beginning of the emergency unemployment benefit period shall not be eligible for such benefits.

2. During an emergency unemployment benefit period exhaustees, who otherwise continue to meet the eligibility requirements for regular benefits pursuant to the provisions of the "unemployment compensation law," R.S.43:21-1 et seq., and who are not eligible for any other unemployment benefits, including benefits provided for by any federal law extending
benefits beyond those provided for as regular benefits or extended benefits, may receive weekly emergency unemployment benefits for weeks subsequent to June 2, 1996 in an amount equal to the weekly benefit amount of the individual's most recent regular unemployment benefit claim subject to the provisions of the "unemployment compensation law," R.S.43:21-1 et seq. The maximum emergency unemployment benefits an individual may receive pursuant to this act is 50 percent of the regular unemployment benefits which were payable to the individual pursuant to the "unemployment compensation law," R.S.43:21-1 et seq., (including benefits payable to federal civilian employees and ex-service persons or payable under the combined wage program) in the individual's applicable benefit year.

C.43:21-24.23 Employer's account not charged; exceptions.

3. No employer's account shall be charged for emergency unemployment benefits paid to an unemployed individual pursuant to this act, except for the account of an out-of-State employer who is liable for charges under the Combined Wage Program. However, nothing in this section shall be construed to relieve employers electing to make payments in lieu of contributions pursuant to section 3 or 4 of P.L.1971, c.346 (C.43:21-7.2 or C.43:21-7.3) from reimbursing the unemployment benefits paid to an unemployed individual pursuant to this act.

Emergency unemployment benefits paid to federal civilian employees shall be charged to the appropriate federal account. Emergency unemployment benefits paid to ex-service persons shall be charged to the unemployment compensation fund.

4. Emergency unemployment benefits may be paid pursuant to the provisions of this act only with respect to weeks not within an extended benefit period, and not within a period covered by any federal law allowing the filing of new claims extending benefits beyond those provided for as regular or extended benefits. If a federal extended benefits period triggers "on," maximum benefits payable to an individual under the federal extended benefits program or any federal supplemental benefits program shall be reduced by an amount equal to that received by the individual under the emergency unemployment benefits program.

C.43:21-24.25 Administrative actions to ensure proper payment of emergency unemployment benefits.

5. Notwithstanding the provisions of any other law, the division shall use appropriate administrative means to insure that emergency unemployment benefits are paid only to individuals who meet the requirements of this act. These administrative actions may include, but shall not be limited to,
the following procedure: the division shall match the claimant's social
security number against available wage records to insure that no earnings
were reported for that claimant by employers under R.S.43:21-14 for
periods in which emergency unemployment benefits were paid. All
necessary administrative costs related to implementation of this act shall be
paid from contributions made pursuant to section 29 of P.L.1992, c.160
(C.43:21-7b).

6. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose
benefit financing provisions are set forth in section 4 of P.L.1971, c.346
(C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of
contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2),
shall pay to the controller for the unemployment compensation fund, contribu­
tions as set forth in subsections (a), (b) and (c) hereof, and the provisions of
subsections (d) and (e) shall be applicable to all employers, consistent with the
provisions of the "unemployment compensation law" and the "Temporary

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for
each calendar year in which he is subject to this chapter (R.S.43:21-1 et
seq.), with respect to having individuals in his employ during that calendar
year, at the rates and on the basis hereinafter set forth. Such
contributions shall become due and be paid by each employer to the controller for the
fund, in accordance with such regulations as may be prescribed, and shall not
be deducted, in whole or in part, from the remuneration of individuals in his
employ.

(2) In the payment of any contributions, a fractional part of a cent shall
be disregarded unless it amounts to $0.005 or more, in which case it shall be
increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following
contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise
prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as
the term is used in this subsection (b) and in subsections (c), (d) and (e) of
this section 7, shall include the first $4,800.00 paid during calendar year
1975, for services performed either within or without this State; provided
that no contribution shall be required by this State with respect to services
performed in another state if such other state imposes contribution liability
with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C.§3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall

be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C.§3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);
(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;
(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;
(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;
(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;
(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;
(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:
(1) 4%, if such excess is less than 10% of his average annual payroll;
(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;
(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:
(i) if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit
experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.
reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C.§1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(E)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

Deficit Reserve Ratio:
- Subsection (F)(i) With respect to experience rating years beginning on or after July 1, 1986 and before July 1, 1997, if the balance of the unemployment trust fund as of the prior March 31 is negative, the contribution rate for each employer liable to pay contributions, as computed under subparagraph E of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10%. If not already a multiple thereof.
- Subsection (F)(ii) With respect to experience rating years beginning on or after July 1, 1997, if the fund reserve ratio based on the fund balance as of the prior March 31 is less than 1.00%, the contribution rate for each employer liable...
to pay contributions, as computed under subparagraph E of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1% except that, during any experience rating year in which the fund reserve ratio is equal to or greater than 7.00%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On or after January 1, 1993 until December 31, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 52.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

On or after January 1, 1994 until December 31, 1995, except as provided pursuant to subparagraph (I) of this paragraph (5), notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

If, upon calculating the unemployment compensation fund reserve ratio pursuant to R.S.43:21-7(c)(5)(D) prior to March 31, 1997, the controller finds that the fund reserve ratio has decreased to a level of less than 3.00%, the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1997, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1997, of at least 3.00%.

the Commissioner of Labor shall notify the State Treasurer of this fact and of the dollar amount necessary to bring the fund reserve ratio up to a level of 3.00%. The State Treasurer shall, prior to March 31, 1998, transfer from the General Fund to the unemployment compensation fund, revenues in the amount specified by the commissioner and which, upon deposit in the unemployment compensation fund, shall result, upon recalculation, in a fund reserve ratio used to determine employer contributions beginning July 1, 1998 of at least 3.00%

(6) Additional contributions.
Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.
(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were
owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as
defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a
nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 contribute to the unemployment compensation fund 0.40% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the
State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S. 43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S. 43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S. 43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L. 1948 c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(2) (A) (Deleted by amendment, P.L.1984, c.24.)
(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) (Deleted by amendment, P.L.1996, c.28).
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal
to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(h)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of
R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(c) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary Disability Benefits Law," the employer shall be exempt from the contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any
calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.));

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.
(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46)), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.
(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

7. Section 4 of P.L.1971, c.346 (C.43:21-7.3) is amended to read as follows:

C43:21-7.3 Governmental entities.

4. (a) Notwithstanding any other provisions of the "unemployment compensation law" for the payment of contributions, benefits paid to individuals based upon wages earned in the employ of any governmental entity or instrumentality which is an employer defined under R.S.43:21-19(h)(5) shall, to the extent that such benefits are chargeable to the account of such governmental entity or instrumentality in accordance with the provisions of R.S.43:21-1 et seq., be financed by payments in lieu of contributions.

(b) Any governmental entity or instrumentality may, as an alternative to financing benefits by payments in lieu of contributions, elect to pay contributions beginning with the date on which its subjectivity begins by filing written notice of its election with the department no later than 120 days after such subjectivity begins, provided that such election shall be
effective for at least two full calendar years; or it may elect to pay contributions for a period of not less than two calendar years beginning January 1 of any year if written notice of such election is filed with the department not later than February 1 of such year; provided, further, that such governmental entity or instrumentality shall remain liable for payments in lieu of contributions with respect to all benefits paid based on base year wages earned in the employ of such entity or instrumentality in the period during which it financed its benefits by payments in lieu of contributions.

(c) Any governmental entity or instrumentality may terminate its election to pay contributions as of January 1 of any year by filing written notice not later than February 1 of any year with respect to which termination is to become effective. It may not revert to a contributions method of financing for at least two full calendar years after such termination.

(d) Any governmental entity or instrumentality electing the option for contributions financing shall report and pay contributions in accordance with the provisions of R.S.43:21-7 except that, notwithstanding the provisions of that section, the contribution rate for such governmental entity or instrumentality shall be 1% for the entire calendar year 1978 and the contribution rate for any subsequent calendar years shall be the rate established for governmental entities or instrumentalities under subsection (e) of this section.

(e) On or before September 1 of each year, the Commissioner of Labor shall review the composite benefit cost experience of all governmental entities and instrumentalities electing to pay contributions and, on the basis of that experience, establish the contribution rate for the next following calendar year which can be expected to yield sufficient revenue in combination with worker contributions to equal or exceed the projected costs for that calendar year.

(f) Any covered governmental entity or instrumentality electing to pay contributions shall each year appropriate, out of its general funds, moneys to pay the projected costs of benefits at the rate determined under subsection (e) of this section. These funds shall be held in a trust fund maintained by the governmental entity for this purpose. Any surplus remaining in this trust fund may be retained in reserve for payment of benefit costs for subsequent years either by contributions or payments in lieu of contributions.

(g) Any governmental entity or instrumentality electing to finance benefit costs with payments in lieu of contributions shall pay into the fund an amount equal to all benefit costs for which it is liable pursuant to the provisions of the "unemployment compensation law." Each subject governmental entity or instrumentality shall require payments from its workers in the same manner and amount as prescribed under R.S.43:21-7(d) for governmental entities and instrumentalities financing their benefit costs with contributions. No such payment shall be used for a purpose other than
to meet the benefits liability of such governmental entity or instrumentality. In addition, each subject governmental entity or instrumentality shall appropriate out of its general funds sufficient moneys which, in addition to any worker payments it requires, are necessary to pay its annual benefit costs estimated on the basis of its past benefit cost experience; provided that for its first year of coverage, its benefit costs shall be deemed to require an appropriation equal to 1% of the projected total of its taxable wages for the year. These appropriated moneys and worker payments shall be held in a trust fund maintained by the governmental entity or instrumentality for this purpose. Any surplus remaining in this trust fund shall be retained in reserve for payment of benefit costs in subsequent years. If a governmental entity or instrumentality requires its workers to make payments as authorized herein, such workers shall not be subject to the contributions required in R.S.43:21-7(d).

(h) Notwithstanding the provisions of the above subsection (g), commencing July 1, 1986 worker contributions to the unemployment trust fund with respect to wages paid by any governmental entity or instrumentality electing or required to make payments in lieu of contributions, including the State of New Jersey, shall be made in accordance with the provisions of R.S.43:21-7(d)(1)(C) or R.S.43:21-7(d)(1)(D), as applicable, and, in addition, each governmental entity or instrumentality electing or required to make payments in lieu of contributions shall, except during the period starting January 1, 1993 and ending December 31, 1995 and the period starting April 1, 1996 and ending December 31, 1997 or, if the unemployment compensation fund reserve ratio, as determined pursuant to paragraph (5) of subsection (c) of R.S.43:21-7, decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, ending July 1 of that calendar year, require payments from its workers at the following rates of wages paid, which amounts are to be held in the trust fund maintained by the governmental entity or instrumentality for payment of benefit costs: for calendar year 1998 and each calendar year thereafter, 0.30%.

8. Section 1 of P.L.1944, c.81 (C.43:21-14.1) is amended to read as follows:

C.43:21-14.1 Refund of contributions; claim.

1. Any employee who is paid wages by two or more employers aggregating more than the amount of "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) shall be entitled to a refund of the amount of contributions deducted from such wages and paid to the Division of Employment Security in excess of the contribution which is determined pursuant to R.S.43:21-7(d)(1)(D) required on the amount of "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) except
CHAPTER 31, LAWS OF 1996

that no such refund shall be made unless the employee makes a claim, establishing his right thereto, within two years after the calendar year in which the wages are paid with respect to which refund of contribution is claimed. No interest shall be allowed or paid with respect to any such refund.

   (1) The power to make discretionary distributions of either principal or income to or for the benefit of the trustee, the trustee's estate, or the creditors of either, unless either:

      (a) limited by an ascertainable standard relating to the trustee's health, education, support or maintenance, within the meaning of 26 U.S.C. §§2041 and 2514; or

      (b) exercisable by the trustee only in conjunction with another person having a substantial interest in the property subject to the power which is adverse to the interest of the trustee within the meaning of 26 U.S.C. §2041(b) (1) (C) (ii);

   If a trustee is prohibited by paragraph (1) of this subsection from exercising a power conferred upon the trustee, the trustee nevertheless may
exercise that power but shall be limited to distributions for the trustee's health, education, support or maintenance to the extent otherwise permitted by the terms of the trust.

(2) The power to make discretionary distributions of either principal or income to satisfy any of the trustee's personal legal obligations for support or other purposes;

(3) The power to make discretionary allocations in the trustee's personal favor of receipts or expenses as between income and principal, unless such trustee has no power to enlarge or shift any beneficial interest except as an incidental consequence of the discharge of such trustee's fiduciary duties;

(4) The power to exercise any of the powers proscribed in this subsection with regard to an individual other than the trustee to the extent that such individual could exercise a similar prohibited power in connection with a trust that benefits the trustee.

b. Unless otherwise prohibited by the provisions of subsection a. of this section, a trustee may exercise a power described in that subsection in favor of someone other than the trustee, the trustee's estate, or the creditors of either.

c. If a governing instrument contains a power proscribed under subsection a. of this section the following shall apply:

(1) If the power is conferred on two or more trustees, it may be exercised by the trustee or trustees who are not so prohibited as if they were the only trustee or trustees; or

(2) If there is no trustee in office who can exercise such power upon application of any interested party, a court of competent jurisdiction shall appoint a trustee to exercise such power or, except as provided in subsection d. of this section, a successor trustee who would not be disqualified shall be appointed to exercise the power that the other trustees cannot exercise in accordance with the provisions of the trust instrument as if the office of trustee were vacant.

d. No beneficiary of a trust, in an individual, trustee or other capacity, may appoint, or remove and appoint, a trustee who is related or subordinate to the beneficiary within the meaning of 26 U.S.C. § 672 (c) unless:

(1) the trustee's discretionary power to make distributions to or for such beneficiary is limited by an ascertainable standard relating to the beneficiary's health, education, support or maintenance as set forth in subsection a. of this section;

(2) the trustee's discretionary power may not be exercised to satisfy any of such beneficiary's legal obligations for support or other purposes; and

(3) the trustee's discretionary power may not be exercised to grant to such beneficiary a general power to appoint property of the trust to the
beneficiary, the beneficiary's estate or the creditors thereof within the meaning of 26 U.S.C. §2041.

This subsection d. shall not apply if the appointment of the trustee by the beneficiary may be made only in conjunction with another person having a substantial interest in the property of the trust, subject to the power, which is adverse to the exercise of the power in favor of the beneficiary within the meaning of 26 U.S.C. §2041(b) (1) (C) (ii).

e. The provisions of this section shall not apply during the time that a trust remains revocable or amendable by the grantor.

f. This section applies to:

(1) Any trust created under a governing instrument executed 90 days or more after the effective date of this act, unless the governing instrument expressly provides that this act does not apply; and

(2) Any trust created under a governing instrument executed before 90 days after the effective date of this act, unless all interested parties affirmatively elect on or before three years after the effective date by a written declaration signed by or on behalf of each interested party and delivered to the trustee, not to be subject to the application of this act. In the case of a testamentary trust, such declarations shall be filed with the clerk of the court in which the will was admitted to probate.

g. In this section the term "interested party" means:

(1) Each trustee then serving; and

(2) Each person having an interest in income or principal whom it would be necessary to join as a party in a proceeding for the judicial settlement of a trustee's account or, if such a person has not attained majority or is otherwise incapacitated, the person's legal representative under applicable law or the person's agent under a durable power of attorney that is sufficient to grant such authority.

2. This act shall take effect immediately.

Approved June 26, 1996.
Note: In approving the following act, certain items were deleted or reduced by the Governor. For a statement of those items see the Governor's statement appended to Senate Bill No. 3, dated June 28, 1996.

However, available funding shall first provide for the Community Care Program for the Elderly and Disabled, the expansion of Medicaid to 185 percent of poverty, and the Infant Mortality Reduction Program. In addition, notwithstanding any law to the contrary, the first $300,000 in resources from the annual .5 percent assessment is anticipated as General Fund revenue to offset Department of Health Grants-In-Aid appropriations. The remaining available funds may be used to fund programs established by section 25 of P.L.1991, c.187 (C.26:2H-18.47), as determined by the Commissioner of Health, subject to the approval of the Director of the Division of Budget and Accounting. Any unexpended balance as of June 30, 1996 in the Health Care Fund.

Receipts from licenses, permits and fees collected by the Department of Health, in excess of those anticipated, are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of section 5 of P.L. 1996, c.29 (C.52:18A-2a) to the contrary, the State Treasurer shall transfer to the Health Care Subsidy Fund established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58), only those additional revenues generated from third party liability recoveries by the State, excluding Medicaid, arising from a review by the Director of the Division of Budget and Accounting of hospital payments reimbursed from the Health Care Subsidy Fund with service dates after the date of enactment of P.L. 1996, c.29.

Notwithstanding any provision of law to the contrary, and notwithstanding the terms of any repayment agreement with the Department of Health concerning charity care overpayments, the department shall forgive any repayment due to be made to the department in fiscal year 1997 as repayment of a charity care overpayment that is due from a hospital which meets the following conditions: (a) the hospital received in 1995 less than 50% of that hospital's 1993 "Charity Care" Subsidy payments, exclusive of any supplemental payments received during fiscal year 1996, (b) the hospital receives less than 33% of that hospital's total uncompensated care in subsidy, (c) the hospital does not receive any subsidy payments under the "Other Uncompensated Care" subsidy account in 1995, and (d) the hospital treats a substantial amount of problem billed cases measured by having received at least $4,000,000 from the Hospital Relief Fund in the Division of Medical Assistance and Health Services in the Department of Human Services during fiscal year 1996.

The State Treasurer is authorized to sell part or all of the assets of the Garden State Health Plan on such terms and conditions as the State Treasurer, in consultation with the Commissioner of Human Services, determines to be in the best interest of the State. In addition, payment to a vendor for their assistance in the sale of the Garden State Health Plan shall be paid from the sale of the Garden State Health Plan revenue, subject to the approval of the Director of the Division of Budget and Accounting.

There are appropriated for transitional costs additional funds from Garden State Health Plan revolving fund balances or the General Fund, as determined necessary by the Director of the Division of Budget and Accounting. Also, subject to the approval of the Director of the Division of Budget and Accounting, there are appropriated within the Garden State Health Plan revolving fund sufficient payments for a management services contract if such a contract is entered into during the process of selling the Plan.

Such sums as may be necessary are appropriated from the amount hereinabove for Payments for Medical Assistance Recipients - Nursing Homes to provide for long-term care alternative services for Medicaid eligible individuals residing in Class C boarding homes or residential health care facilities (or portions thereof), which have converted to comprehensive personal care homes and have been licensed by the Department of Health, when these individuals would have otherwise entered a nursing home, subject to both federal approval and approval of the Director of the Division of Budget and Accounting.
The Division of Medical Assistance and Health Services, subject to federal approval, shall implement policies that would limit the ability of persons who have the financial ability to provide for their own long-term care needs to manipulate current Medicaid rules to avoid payment for that care. The division shall require, in the case of a married individual requiring long-term care services, that the portion of the couple's resources which are not protected for the needs of the community spouse be used solely for the purchase of long-term care services.

Funding for alternative long-term care initiatives is made available from the Payments for Medical Assistance Recipients -- Nursing Homes account, subject to both federal waiver approval and approval of the Director of the Division of Budget and Accounting.

The Division of Medical Assistance and Health Services is empowered to competitively bid and contract for performance of federally mandated inpatient hospital utilization reviews, and that the funds necessary for the contracted utilization review of these hospital services be made available from the Payments for Medical Assistance Recipients -- Inpatient Hospital account subject to the approval of the Director of the Division of Budget and Accounting.

Of the amounts included within the appropriations for Payments for Medical Assistance Recipients -- Inpatient Hospital and Payments for Medical Assistance Recipients -- Outpatient Hospital for Graduate Medical Education reimbursement for services provided to Medicaid beneficiaries not enrolled in managed care, the University Hospital of the University of Medicine and Dentistry of New Jersey shall receive no less than $10,183,000 (combined State and federal) in fiscal year 1997, subject to the approval of the Director of the Division of Budget and Accounting.

Rebates from pharmaceutical manufacturing companies during the fiscal year ending June 30, 1997 for prescription expenditures made to providers on behalf of Medicaid clients are appropriated for the Payments for Medical Assistance Recipients -- Prescription Drugs account.

Such sums as may be necessary are appropriated from enhanced audit recoveries obtained by the Division of Medical Assistance and Health Services to fund the costs of enhanced audit recovery efforts of the division within the General Medical Services program classification subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for "Pharmaceutical Assistance to the Aged and Disabled" program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the "Pharmaceutical Assistance to the Aged and Disabled" (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.) shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements or other instruments. Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.
Notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) to the contrary, the copayment in the "Pharmaceutical Assistance to the Aged and Disabled" program shall be $5.00.

Notwithstanding the provisions of any law to the contrary, the copayment in the "Pharmaceutical Assistance to the Aged and Disabled" program shall be $5.00.

Notwithstanding the provisions of any law to the contrary, rebates from pharmaceutical companies for prescriptions purchased by the Pharmaceutical Assistance to the Aged and Disabled program shall continue throughout fiscal year 1997. All revenues from such rebates during the fiscal year ending June 30, 1997 are appropriated for the "Pharmaceutical Assistance to the Aged and Disabled" program.

Notwithstanding any law to the contrary and subject to the notice provisions of 42 C.F.R §447.205, Personal Care Assistant services shall be limited to no more than 25 hours per week. Additional hours, up to 40 per week, shall be authorized by the Division of Medical Assistance and Health Services prior to the provision of services not provided by clinics under contract with the Division of Mental Health Services. The hourly weekend rate shall be $16. Additional savings shall be achieved by an increase in the frequency of the assessments performed to determine the need, scope and duration of Personal Care Assistant services.

Notwithstanding the provisions of any law to the contrary, no funds appropriated for Medicaid nursing facility reimbursement shall be expended for administrator or assistant administrator costs or non-food general costs in excess of 100% of the median for those cost centers, subject to the notice provisions of 42 C.F.R. §477.205.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 1996 or at the earliest date thereafter consistent with the notice provisions of 42 C.F.R §447.205 where applicable, no funds appropriated in the Payments for Medical Assistance Recipients -- Prescription Drugs account and in the Pharmaceutical Assistance to the Aged and Disabled program classification shall be expended except under the following conditions: (a) reimbursement for prescription drugs shall be based on the Average Wholesale Price less a 10% discount, (b) prescription drugs dispensed by a retail pharmacy shall be limited to a 34-day or 100 unit dose supply, whichever is greater, (c) the current prescription drug dispensing fee structure set as a variable rate of $3.73 to $4.07 in effect on June 30, 1996 shall remain in effect through fiscal year 1997, including the current increments for patient consultation, impact allowances, and allowances for 24-hour emergency services, (d) reimbursement for non-legend drugs including protein replacement supplements, specialized infant formulas and food oils, devices or supplies shall be on the basis of the Estimated Acquisition Cost (EAC), identified in current national price compendia for other appropriate sources, and their supplements, minus the appropriate regression, plus dispensing fee, and (e) reimbursement shall continue for all providers who supply protein nutritional supplements and specialized infant formulas, subject to all applicable regulations established by the Commissioner of Human Services, and provided further, however, that the Commissioner of Human Services may, after an audit or other equivalent documentation demonstrating provider non-compliance, terminate any agreements with such provider.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 1996, each prescription order dispensed in the Pharmaceutical
Assistance to the Aged and Disabled program shall state "Brand Medically Necessary" in the prescriber’s own handwriting in order to override generic substitution of Maximum Allowable Cost (MAC) drugs, and each prescription order shall follow the requirements of P.L.1977, c.240 (C.24:6E-1 et seq.). The list of drugs substituted shall conform to the Drug Utilization Review Council approved list of substitutable drugs and any other requirements pertaining to drug substitution as established by the State Medicaid Program.

Notwithstanding any law to the contrary, prescription drug benefits provided to eligible beneficiaries in the General Medical Services program shall be subject to computer-based Point-of-Sale review.

Notwithstanding any other law to the contrary, effective July 1, 1996, reimbursement for nursing facility services shall be 90% of the per diem rate when a Medicaid beneficiary is hospitalized. As in the past, these payments shall be limited to be the first ten days of the hospitalization. Medicaid reimbursement for nursing facility services shall be discontinued beyond the tenth day of the hospitalization.

Notwithstanding the provisions of any law to the contrary, subject to the notification provisions of 42 CFR §447.205, no funds appropriated for Medicaid in-State inpatient hospital services for DRG hospital reimbursement shall be expended in excess of the methodology contained herein. Inpatient hospital reimbursement for Graduate Medical Education (GME) and Indirect Medical Education (IME) is calculated based on Medicare Principles of reimbursement to major teaching hospitals. Major teaching hospitals is defined as those hospitals which had a minimum of 45 resident full-time equivalents (FTEs) in all approved and accredited residences from the 1993 Medicare first finalized audited cost report.

The amount calculated shall be distributed to all teaching hospitals based on the hospital-specific percentage to total weighted FTEs, where weighted FTEs equals the hospital-specific current FTEs times the hospital-specific Medicaid fee-for-service days divided by the total Medicaid fee-for-service days for all teaching hospitals. The source for the FTEs and the Medicaid fee-for-services days is the Medicare audited cost report for 1996 for 1996 services and 1997 for 1997 services. Payments for GME and IME will be paid in a monthly lump sum from the appropriation for in-patient hospital services and will be reconciled to 1996 and 1997 cost reports. Therefore, all direct and indirect costs related to the GME program will be excluded from the cost base when calculating the DRG rates. The standard rate for each DRG shall be based on the Statewide Median. These changes shall be effective July 1, 1996, after federally mandated findings and assurances analyses are completed.

The unexpended balances as of June 30, 1996 in the Managed Care Initiative account, not to exceed $6,000,000, is appropriated, subject to the approval of the Director of Budget and Accounting.

The funds appropriated hereinabove for Payments for Medical Assistance Recipients - High Medicaid Occupancy Nursing Homes shall be distributed among those nursing homes whose Medicaid patient day occupancy level is at or above 75%. Each such facility shall receive its distribution through a prospective per diem rate adjustment according to the following formula: \( E = \frac{A \text{ Medicaid Days}}{T \text{ Medicaid Days}} \times F \); where \( E \) is the entitlement for a specific nursing home resulting from this allocation; \( A \text{ Medicaid Days} \) is an individual nursing home's
reported Medicaid days on June 30, 1996; T Medicaid Days is the total reported Medicaid days for all affected nursing homes; and F is the total amount of State and federal funds to be distributed. No nursing home shall receive a total allocation greater than the amount lost, due to adjustments in Medicaid reimbursement methodology, which became effective April 1, 1995. Any balances remaining undistributed from the abovementioned amount, shall be deposited in a reserve account in the General Fund.

Of the amount hereinabove for Foundation Aid, an amount equal to the total earnings of investments of the School Fund shall first be charged to such fund.

Notwithstanding any other law to the contrary, the Foundation Aid entitlement for each school district shall be the same as the entitlement amount for the district in 1995-1996.

Notwithstanding any other law to the contrary, Foundation Aid for special needs districts whose estimated per pupil local levy budget for 1996-97 is below 86.23 percent of the estimated per pupil average local levy budget of districts in District Factor Groups "I" and "J" for 1996-97 shall be increased. The amount of increase shall be determined as follows: funds shall be allocated to ensure that the estimated local levy budget per pupil in each such special needs district be at 86.23 percent of the estimated per pupil average local levy budget of districts in District Factor Groups "I" and "J" for 1996-97. For purposes of estimating the average per pupil local levy budget in District Factor Groups "I" and "J," each such district's local levy budget in 1995-96 shall be increased by 2.5 percent and each such district's resident enrollment on October 13, 1995, shall be increased by 2.83 percent. For purposes of estimating the per pupil local levy budget of each special needs district for 1996-97, each such district's resident enrollment on October 13, 1995, shall be increased by 0.97 percent. The minimum required general fund tax levy for each special needs district whose estimated per pupil local levy budget for 1996-97 is below the estimated per pupil average local levy budget of districts in District Factor Groups "I" and "J" for 1996-97 shall not be less than its 1995-96 general fund tax levy. Each special needs district whose estimated per pupil local levy budget for 1996-97 is above the estimated per pupil average local levy budget of districts in District Factor Groups "I" and "J" for 1996-97 shall have a minimum required general fund tax levy sufficient to be at 100 percent of the estimated per pupil average local levy budget of districts in District Factor Groups "I" and "J" for 1996-97 as determined by the Commissioner of Education.

Notwithstanding any other law to the contrary, foundation aid for each non-special needs district with a resident enrollment decline between October 15, 1991, and October 13, 1995, shall be decreased. The amount of the decrease for each such district shall be equal to one-half the percentage decline of the resident enrollment.

Notwithstanding any other law to the contrary, the Commissioner of Education may direct that a special needs district implement an educational improvement plan that includes up to 100 percent of its foundation aid increase for certain demonstrably effective programs to be determined by the Commissioner consistent with N.J.A.C.6:8-9.4.

Notwithstanding the provisions of subsection b. of section 19 of P.L.1987, c.399 (C.18A:7A-52), additional sums as necessary for the Department of Education to provide additional State aid to a State-operated district pursuant to subsection
c. of section 19 of P.L.1987, c.399 (C.18A:7A-52) are appropriated, upon the recommendation of the Commissioner of Education and the Director of the Division of Local Government Services and subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of section 8 of P.L.1991, c.226 (C.18A:40-30), the amount appropriated hereinabove for Nonpublic Nursing Services Aid shall be made available to local school districts based upon the number of pupils enrolled in each nonpublic school on the last day prior to October 16, 1995.

Notwithstanding any other law, the amount of State aid made available to the Department of Human Services pursuant to "The State Facilities Education Act of 1979," P.L.1979, c.207 (C.18A:7B-1 et seq.) to defray the costs of educating eligible children in approved private schools under contract with the Department of Human Services shall not exceed the actual costs of the education of these children in such private schools.

Notwithstanding any other law to the contrary, special education aid for pupils classified as eligible for day training shall be paid directly to the resident school district; provided however, that for pupils under contract for service in a day training facility operated by or under contract with the Department of Human Services, tuition shall be withheld and paid to the Department of Human Services.

The amount hereinabove for Technology Grants shall be apportioned to each district based upon each district's percentage of the State total October 13, 1995, resident enrollment, and districts shall be required to account for the expenditure of these funds in the 1996-97 or subsequent school year in the Special Revenue Fund. These funds shall only be expended for the purchase of computers, software and other peripherals, and retrofitting of school facilities for access to voice, video, and data transmission that facilitate information retrieval, telecommunications, multimedia, interactive distance learning, and home/school linkages. Districts which send students to another school district on a tuition basis may, in proportion to the resident students sent to another school district to the total of all resident students, expend such funds for the tuition of such students. When this option is executed, the sending district shall notify the receiving district of the amount, and the receiving district shall record such portion of tuition revenues in
the Special Revenue Fund together with the receiving district's Technology Grant revenues, and expend such funds only for the designated purposes.

Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. This provision shall apply to all payments made after June 30, 1996.

Receipts from counties for persons receiving Old Age Assistance, Disability Assistance, and Assistance for the Blind under the Supplemental Security Income (SSI) program are appropriated for the purpose of providing State aid to the counties, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the provisions of section 3 of P.L.1973, c.256 (C.44:7-87), the Department of Human Services shall assess welfare boards at the beginning of each fiscal year in the same proportion that the counties currently participate in the federal categorical assistance programs, in order to obtain the amount of each county's share of the supplementary payments for eligible persons in this State, based upon the number of eligible persons in the county. Welfare boards shall pay the amount assessed.

In addition to the provisions of section 5 of P.L.1959, c.86 (C.44:10-5), for payments that are not eligible for federal financial participation, payment of the State share of expenditures by the county welfare agency for Aid to Families with Dependent Children shall be at the rate of 115% during the period July 1 through December 31 of each year and at a rate of 75% during the period January 1 through June 30; provided that, the total payment of the State share of expenditures during the period January 1 through December 31 of each year shall not exceed 95%.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 1997, are appropriated for payments to providers in the same program class from which the recovery originated.

Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

The amounts hereinabove appropriated for payments in the "Pharmaceutical Assistance to the Aged and Disabled" program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years. (d) reimbursement for non-legend drugs including protein replacement supplements, specialized infant formulas and food oils, devices or supplies shall be on the basis of the Estimated Acquisition Cost (EAC), identified in current national price compendia for other appropriate sources, and their supplements, minus the appropriate regression, plus dispensing fee, and (e) reimbursement will continue for all providers who supply protein nutritional supplements and specialized infant formulas, subject to all applicable regulations established by the Commissioner of Human Services, and provided further, however, that the Commissioner of Human Services may, after an audit or other equivalent documentation demonstrating provider non-compliance, terminate any agreements with such provider.

Notwithstanding the provisions of any other law or regulation to the contrary, effective July 1, 1996, each prescription order dispensed in the Pharmaceutical Assistance to the Aged and Disabled program shall state "Brand Medically Necessary" in the prescriber's own handwriting in order to override generic

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to allotment by the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required; the first 25 percent of unanticipated grant awards, and up to 25 percent of increases in previously anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; federal financial aid funds for students attending post-secondary educational institutions in excess of the amount specifically appropriated; provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $500,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; "discretion" refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The unexpended balances of federal funds as of June 30, 1996 are continued for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 1996 of any unexpended balances which are continued.

The appropriate executive agencies shall prepare and submit to the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 1997, reports on proposed expenditures during fiscal year 1997 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide service under the block grants.

Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendations of any department head or his designated
representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which the director deems improper.

Grand Total Appropriation, All Funds ......................................... $21,440,091,000

2. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefor, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

3. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, fund code, as defined by the appropriation unit, and program code, as defined by the appropriation unit, unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

(4) Requests for the transfer of State and other nonfederal funds, in amounts greater than $25,000, to or from any Special Purpose or Grant account in which the identifying organization code, fund code, as defined by the appropriation unit, and program code, as defined by the appropriation unit, remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

(5) Requests for the transfer of State funds, in amounts greater than $25,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

(6) Requests for the transfer of federal funds, in amounts greater than $100,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item;

(7) Requests for the transfer of federal funds, in amounts greater than $100,000, to or from any Special Purpose or State Aid and Grants account within an item of appropriation, from or to a different item of appropriation;
(8) Requests for the transfer of federal funds, in amounts greater than $100,000, to or from any Special Purpose or State Aid and Grants account, in which the identifying organization code, fund code and program code remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations; and

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (5) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance subject to the approval of the Director of the Division of Budget and Accounting. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative branch of State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or his designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency or necessity under the State Contingency Fund and transfers from the appropriations to the various accounts in the category of Salary and Other Benefits, both in the Inter-Departmental Accounts, shall not be subject to legislative approval or disapproval.

11. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and the director is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or
branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be that officer's duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

12. The Director of the Division of Budget and Accounting is empowered and it shall be the director's duty in the disbursement of funds for payment of expenses classified as employee benefits, debt service, rent, telephone, motor pool, insurance, postage, lease payments on equipment purchases and compensation awards to credit or transfer to the Department of the Treasury, to an Inter-Departmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source as the director shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

13. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

15. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

16. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

17. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in his custody, deposited with the State Treasurer pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or
other revenue received in the Treasury in support of this act. Except for transfers from the several funds whose statutes provide for interest earnings to accrue to the fund, all such transfers shall be without interest. When the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State's general investments.

18. Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund; provided however, that a portion of the indirect and administrative cost recoveries received which are in excess of the amount anticipated may be reclassified into a dedicated account and returned to State departments and agencies, as determined by the Director of the Division of Budget and Accounting, who shall notify the Legislative Budget and Finance Officer of the amount of such funds returned, the departments or agencies receiving such funds and the purpose for which such funds will be used, within 10 working days of any such transaction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.

19. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium as if it were a State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

20. The Director of the Division of Budget and Accounting may settle any claim not exceeding $2,000 due and owing to the State.

21. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $4,000 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget and Finance Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $4,000, which has been denied or not recommended by the head of such department, shall be precluded from presenting said claim to the Legislature for consideration.

22. Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or his designated representative. 23. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from the fund. The director shall make regulations governing disbursement from petty cash funds.

24. The spending plans shall account for any changes in departmental spending which differ from this appropriation act and all supplements to this act. The spending plans shall be submitted on forms specified by the Director of the Division of Budget and Accounting.

26. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

27. The Director of the Division of Budget and Accounting shall provide the Legislative Budget and Finance Officer with copies of all BB-4s, Application for Non-State funds, and accompanying project proposals or grant applications, which require a State match and that may commit or require State support after the grant's expiration.

Provided further that, to the extent that short-term notes are issued for cash flow management purposes in connection with the Property Tax Relief Fund, there are appropriated from the Property Tax Relief Fund such sums as may be required to pay the principal of those short-term notes.

32. The State Treasurer is authorized to issue short-term notes, which notes shall not constitute a general obligation of the State or a debt or a liability within the meaning of the State Constitution and the State Treasurer is authorized to pay any costs or obligations relating to the issuance of such short-term notes or contracts relating thereto. Such short-term notes shall be issued in such amounts and at such times as the State Treasurer shall deem necessary for the above stated purposes and for the payment of related costs, and on such terms and conditions, sold in such manner and at such prices, bearing interest at such fixed or variable rate or rates, renewable at such time or times, and entitled to such security, and using such paying agents as shall be determined by the State Treasurer. 34. None of the funds appropriated to the Executive Branch of State government for Information Processing, Development, Telecommunications, and Related Services (External), Information Processing-Internal, and Information Processing and Telecommunications Equipment shall be available to pay for any information processing services or equipment without the review of the Office of Telecommunications and Information Systems and compliance with Statewide policies and standards; authorization and approval by the Office of Telecommunications and Information Systems is required for expenditure of amounts in excess of the current Direct Purchase Authorization (DPA) threshold.

b. Except as provided in subsection c. of this section, whenever the commission or any employee of the commission obtains information or evidence of cause for the removal or discipline of a public official or public employee, the commission shall, as soon as practicable, refer such information or evidence to the Attorney General unless the commission shall, by majority vote, determine that special circumstances exist which require the delay in transmittal of the information or evidence.

c. Whenever the commission or any employee of the commission obtains any information or evidence of criminal wrongdoing or misconduct on the part of the Attorney General, the commission shall immediately refer such information or evidence to the Governor, the Senate President and the Speaker of the General Assembly for further direction to the commission pursuant to section 3 of P.L.1968, c.266 (C.52:9M-3) or for any other action authorized by the laws of this State or of the United States.

d. Whenever the commission or any employee of the commission obtains any information or evidence indicating a reasonable possibility of an unauthorized disclosure of information or a violation of any provision of P.L.1968, c.266 (C.52:9M-1 et seq.), the commission shall immediately refer such information to the Attorney General.

2. Section 10 of P.L.1968, c.266 (C.52:9M-10) is amended to read as follows:

C.52:9M-10 Annual, interim reports to Governor, Legislature.

10. The commission shall make an annual report to the Governor and Legislature which shall include its recommendations. 3. Section 11 of P.L. 1968, c. 266 (C.52:9M-11) is amended to read as follows:
C.52:9M-11 Commission to keep public informed.

11. By such means and to such extent as it shall deem appropriate, the commission shall, consistent with the provisions of sections 7 and 8 of P.L.1996, c.44 (C.52:9M-8.1 and C.52:9M-12.2) keep the public informed as to the operations of organized crime, problems of criminal law enforce­ment in the State and other activities of the commission.

4. Section 9 of P.L.1979, c.254 (C.52:9M-12.1) is amended to read as follows:

C.52:9M-12.1 Witnesses at hearing, rights, notice, statement.

9. a. No person may be required to appear at a hearing or to testify at a hearing unless there has been personally served upon him prior to the time when he is required to appear a copy of P.L.1968, c.266 as amended and supplemented, and a general statement of the subject of the investigation. A copy of the resolution, statute, order or other provision of law authorizing the investigation shall be furnished by the commission upon request therefor by the person summoned.

b. A witness summoned to a hearing shall have the right to be accompanied by counsel, who shall be permitted to advise the witness of his rights, subject to reasonable limitations to prevent obstruction of or interference with the orderly conduct of the hearing. Counsel for any witness who testifies at a public or private hearing may submit proposed questions to be asked of the witness relevant to the matters upon which the witness has been questioned and the commission shall ask the witness such of the questions as it may deem appropriate to its inquiry.

c. A complete and accurate record shall be kept of each public hearing and a witness shall be entitled to receive a copy of his testimony at such hearing at his own expense. e. The commission shall make a good faith effort to notify any person whose name the commission believes will be mentioned in a potentially adverse context at a public hearing. Any person whose name is mentioned or will be mentioned or who is specifically identified and who believes that
testimony or other evidence given at a public hearing or comment made by any member of the commission or its counsel at such a hearing tends to defame him or otherwise adversely affect his reputation shall have the right, either in private or in public or both at a reasonably convenient time to be set by the commission, to appear personally before the commission, and testify in his own behalf as to matters relevant to the testimony or other evidence complained of, or in the alternative, to file a statement of facts under oath relating solely to matters relevant to the testimony or other evidence complained of, which statement shall be incorporated in the record.

f. Nothing in this section shall be construed to prevent the commission from granting to witnesses appearing before it, or to persons who claim to be adversely affected by testimony or other evidence adduced before it, such further rights and privileges as it may determine.

5. Section 15 of P.L.1968, c.266 (C.52:9M-15) is amended to read as follows:

Any member or employee of the commission who shall violate this section shall be dismissed from his office or discharged from his employment.

b. Any statement made by a member of the commission or an employee thereof relevant to any proceedings before or investigative activities of the commission shall be absolutely privileged and such privilege shall be a complete defense to any action for libel or slander; provided, however, that nothing in this subsection shall be deemed to grant immunity for any
statement made with knowledge of its falsity or with reckless disregard as to whether it was true or false.

c. Nothing contained in this section shall in any way prevent the commission from furnishing information or making reports, as required by this act, or from furnishing information to the Legislature, or to a standing reference committee thereof, pursuant to a resolution duly adopted by a standing reference committee or pursuant to a duly authorized subpoena or subpoena duces tecum, provided, however, that nothing herein shall be deemed to preclude the commission from seeking from a court of competent jurisdiction a protective order to avoid compliance with such subpoena or duces tecum.

The amount repaid each year shall be not less than one tenth of the total amount transferred from the State disability benefits fund to the clearing account of the unemployment compensation fund under subsection (f) of this section, plus not less than one tenth of the amount reimbursed to the General Fund in accordance with subsection (g), plus accrued interest. The State Treasurer shall, on or before the thirty-first day of January in 1995 and in each subsequent year determine what amount shall be repaid to the State
disability benefits fund in the next commencing fiscal year, which amount shall be consistent with the provisions of this subsection (h). The Legislature shall appropriate that amount from the General Fund to the State disability benefits fund. For purposes of determining the balance in the State disability benefits fund as prescribed pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the amount transferred from the State disability benefits fund to the unemployment compensation fund pursuant to subsection (f) of this section and reimbursed to the General Fund pursuant to subsection (g) of this section less repayments or other reductions, plus accrued interest shall be included therein.

(i) The State Treasurer is hereby authorized and directed to requisition and withdraw on or after July 1, 1996 an amount not greater than $250,000,000 from the State disability benefits fund and to deposit that amount in the General Fund. For purposes of determining the balance in the State disability benefits fund as prescribed pursuant to subparagraph (1) of subparagraph (E) of paragraph (3) of subsection (e) of R.S.43:21-7, the amount transferred from the State disability benefits fund to the General Fund pursuant to this subsection (i) shall be included therein.

(j) To ensure that the provisions of subsection (i) of this section do not reduce or delay benefits payable pursuant to the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et seq.), whenever the amount in the State disability benefits fund is less than the amount required to pay the benefits provided under that law and the necessary costs of administering those benefits, the additional amount required to pay the benefits and the administrative costs shall be paid from the General Fund. The amounts paid from the General Fund for benefits and administrative costs pursuant to this subsection shall be repaid to the General Fund from the State disability benefits fund at such time as the Treasurer determines that the repayment may be made without reducing or delaying benefits payable pursuant to the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et seq.). The repayment to the General Fund from the State disability benefits fund pursuant to this subsection (j) shall not effect an increase in employee or employer contributions under subsection (d) or (e) of R.S.43:21-7.

2. There is appropriated in Fiscal Year 1996, from the General Fund to the State disability benefits fund, the entire amount determined by the State Treasurer to be necessary to meet, in full, the requirements of subsection (h) of section 23 of P.L.1948, c.110 (C.43:21-47) for repayment to the State disability benefits fund, including the interest required by that subsection.

3. There is appropriated in Fiscal Year 1997, $250,000,000 from the State disability benefits fund for deposit into the General Fund as authorized
and directed pursuant to subsection (i) of section 23 of P.L.1948, c.110 (C.43:21-47).

4. This act shall take effect immediately, except that section 2 shall be retroactive to June 30, 1996 if enacted after that date and section 3 shall take effect July 1, 1996.

Approved June 28, 1996.

CHAPTER 48

AN ACT concerning the deposit of certain public school facilities loan fund repayments into the General Fund and amending and supplementing P.L.1993, c.102.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1993, c.102 (C.34:1B-7.23) is amended to read as follows:

C.34:1B-7.23 "Public School Facilities Code Compliance Loan Fund."

4. a. The authority shall establish and maintain a special nonlapsing revolving fund to be known as the "Public School Facilities Code Compliance Loan Fund," hereinafter the "compliance fund," which shall be credited with: (1) the $25 million allocated from the Economic Recovery Fund pursuant to paragraph (1) of subsection d. of section 4 of P.L.1992, c.16 (C.34:1B-7.13); (2) any moneys that shall be received by the authority from the repayment of loans made from the compliance fund and interest thereon; and (3) any other moneys which the authority determines to deposit therein.

b. The authority may use the moneys in the compliance fund to finance not less than 25%, and not more than 50%, of the total cost of any project, in accordance with the criteria set forth in this section, for the purpose of providing low-interest loans to school districts, to finance the renovation, repair or other alteration of existing school buildings, the construction of new school buildings or the conversion of existing school buildings to other instructional purposes, if such renovation, repair, alteration, construction or conversion is required to bring buildings that, at the time of application, do not meet State health and safety code requirements, into compliance with those requirements.

c. Upon application by a school district for a low-interest loan, the commissioner is authorized and empowered to determine whether the
renovations, repairs, alterations, conversion or construction are necessary to meet State health and safety code requirements. If the commissioner determines that such work is necessary, the commissioner shall certify that the school district is eligible for a low-interest loan pursuant to this section to finance the renovation, repair, alteration, conversion or construction described in the application.

d. (1) Upon certification, the commissioner shall waive the holding of a referendum or the requirement for approval by a board of school estimate pursuant to subsection (d) of N.J.S.18A:20-4.2 or N.J.S.18A:24-5 et seq., as the case may be, or the requirement for approval of the project by a capital projects control board pursuant to P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as appropriate, and the school district may, upon receiving the certification and waiver, apply to the authority for a loan pursuant to this section. The terms of the loan and the repayment schedule shall be established by the authority. The repayments to the authority by the school districts shall be treated as net debt service by the school districts for school aid purposes. In addition to the amount of taxes determined by the legal voters of the district at the annual school election, the secretary of the board of education shall certify the amount required for the repayment of the interest and principal of the loan in the same manner required for interest and debt redemption charges pursuant to N.J.S.18A:22-33, and the amount so certified shall be included in the taxes assessed, levied and collected in the municipality or municipalities comprising the school district for such purposes.

(2) All repayments, and interest thereon, shall be deposited by the authority in the compliance fund, for use in the manner provided for in this section, except insofar as the authority may direct that such amounts be deposited in the small projects fund established pursuant to section 7 of P.L.1993, c.102 (C.34:1B-7.25).

(3) Notwithstanding any provision of this section to the contrary, on and after the effective date of P.L.1996, c.48 (C.34:1B-7.23a et al.), any loan repayments and interest thereon on deposit or deposited into the compliance fund shall be paid by the authority to the State Treasurer for deposit into the General Fund of the State, provided that the payment does not violate any existing agreement of the authority with bondholders.

e. The authority, in consultation with the commissioner shall, in determining whether to grant approval of any loan application pursuant to this section, take into consideration the severity of the need for the particular project, the ability of the school district to begin and complete the project in an expeditious manner, the ability of the school district to proceed with the funding of the balance of the funds for the project, and the extent to which
The approval of the project contributes to the equable distribution of moneys in the compliance fund.

f. The balance of the moneys needed for a project for which an application for a loan is made pursuant to this section may be funded by the school district by: (1) the issuance of bonds, or other borrowing, excluding lease-purchase agreements, pursuant to the provisions of subsection (d) of N.J.S.18A:20-4.2, N.J.S.18A:24-5 et seq., or P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as appropriate; except that the commissioner shall waive the holding of a referendum or the requirement for approval by a board of school estimate pursuant to subsection (d) of N.J.S.18A:20-4.2, or N.J.S.18A:24-5 et seq., as the case may be, or the requirement for approval of the project by a capital projects control board pursuant to P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as appropriate; (2) borrowing from the "Public Schools Small Projects Loan Assistance Fund" established pursuant to section 7 of P.L.1993, c.102 (C.34:1B-7.25), if the total cost of the project does not exceed $5,000,000, and in any such case the commissioner shall waive the holding of a referendum or the requirement for approval by a board of school estimate pursuant to subsection (d) of N.J.S.18A:20-4.2 or N.J.S.18A:24-5 et seq., as the case may be, or approval of the project by a capital projects control board pursuant to P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as appropriate; (3) moneys of the school district not necessary for the completion of any other specific projects; and (4) any other lawful source; except that no project funded or approved to be funded by school district bonds authorized, pursuant to law, prior to December 31, 1992 shall be funded pursuant to P.L.1993, c.102 (C.34:1B-7.20 et al.).

g. Any school district shall be eligible to receive additional loans pursuant to this section even if the district has received a previous loan; provided that those additional loans are in conformity with the selection criteria established pursuant to this section.

h. Net earnings received from the investment or deposit of moneys in the compliance fund by the authority shall be redeposited in the fund for use for the purposes of this section.

2. Section 5 of P.L.1993, c.102 (C.34:1B-7.24) is amended to read as follows:

C.34:1B-7.24 "Public School Facilities Loan Assistance Fund."

year ending June 30, 1994, P.L.1993 c.155; (2) the $20,000,000 allocated from the Economic Recovery Fund pursuant to paragraph (2) of subsection d. of section 4 of P.L.1992, c.16 (C.34:1B-7.13); (3) any moneys that shall be received by the authority from the repayment of loans made from the facilities fund and interest thereon; and (4) any other moneys which the authority determines to deposit therein.

b. The authority may use the moneys in the facilities fund to provide for low interest loans to finance not less than 25%, and not more than 50%, of the total cost of any project, in accordance with the criteria set forth in this section, for the purpose of renovation, repair or other alteration of existing school buildings, for construction of new school buildings or for the conversion of existing school buildings to other instructional purposes, whether or not that renovation, repair, alteration, construction or conversion is required to bring buildings that, at the time of application do not meet State health and safety code requirements, into compliance with those requirements.

c. Upon application by any school district to the authority for a loan to be made pursuant to subsection b. of this section, the authority shall, in consultation with the commissioner, determine whether to grant approval for the loan based upon the appropriate authorization for the loan pursuant to subsection (d) of N.J.S.18A:20-4.2, or the project pursuant to P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as the case may be, the relationship of the project to the enhancement of the school's academic programs, the ability of the school district to begin and complete the project in an expeditious manner, the ability of the school district to proceed with the funding of the balance of the moneys needed for the project, and the extent to which approval of the project would contribute to the equable distribution of moneys in the facilities fund.

d. The balance of the moneys needed for a project for which an application for a loan is made pursuant to subsection b. of this section may be funded by the school district by: (1) the issuance of bonds, or other borrowing, excluding lease-purchase agreements, pursuant to the provisions of subsection (d) of N.J.S.18A:20-4.2, N.J.S.18A:24-5 et seq., or P.L.1991, c.139 (C.18A:7A-46.1 et seq.) as appropriate; (2) if the borrowing of money or the issuance of bonds is authorized pursuant to subsection (d) of N.J.S.18A:20-4.2 or N.J.S.18A:24-5 et seq., as the case may be, or if the project is approved pursuant to P.L.1991, c.139 (C.18A:7A-46.1 et seq.), as appropriate, borrowing from the "Public Schools Small Projects Loan Assistance Fund" established pursuant to section 7 of P.L.1993, c.102 (C. 34:1B-7.25), if the total cost of the project does not exceed $5,000,000; (3) moneys of the school district not necessary for the completion of any other specific projects; and (4) any other lawful source; except that no project
funded or approved to be funded by school district bonds authorized, pursuant to law, prior to December 31, 1992 shall be funded pursuant to P.L.1993, c.102 (C.34:1B-7.20 et al.).

CHAPTER 53

AN ACT concerning the adoption of building construction codes, supplementing and amending P.L.1975, c.217.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:27D-122.1 Findings, declarations relative to building construction codes.

1. The Legislature finds and declares that:
   a. One of the specified purposes of the "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-119 et seq.), was the elimination of restrictive and unnecessary construction regulations that tend to unnecessarily increase construction costs.
   b. While the overall effect of the statutory requirement that the subcodes of the State Uniform Construction Code be adoptions of the model codes or standards of nationally recognized organizations, including all amendments or revisions to such codes or standards, has been consistent with the intent and purpose of the "State Uniform Construction Code Act," there have been exceptional instances in which the amendment or revision of an adopted code or standard has included changes that are not consistent with that intent and purpose.
c. It is therefore necessary and appropriate that the Commissioner of Community Affairs be given the authority to limit the adoption of later revisions to the model code to include only those standards in effect on July 1, 1995, and any later revisions or amendments of model codes which would not be inconsistent with the intent and purpose of the act.

2. Section 5 of P.L.1975, c.217 (C.52:27D-123) is amended to read as follows:

C.52:27D-123 State Uniform Construction Code; adoption.

5. a. The commissioner shall after public hearing pursuant to section 4 of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-4) adopt a State Uniform Construction Code for the purpose of regulating the structural design, construction, maintenance and use of buildings or structures to be erected and alteration, renovation, rehabilitation, repair, maintenance, removal or demolition of buildings or structures already erected. Prior to the adoption of said code, the commissioner shall consult with the code advisory board and other departments, divisions, bureaus, boards, councils or other agencies of State Government heretofore authorized to establish or administer construction regulations.

Such prior consultations with departments, divisions, bureaus, boards, councils, or other agencies of State Government shall include but not be limited to consultation with the Commissioner of Health and the Public Health Council prior to adoption of a plumbing subcode pursuant to paragraph b. of this section. Said code shall include any code, rule or regulation incorporated therein by reference.

b. The code shall be divided into subcodes which may be adopted individually by the commissioner as he may from time to time consider appropriate. These subcodes shall include but not be limited to a building code, a plumbing code, an electrical code, an energy code, a fire prevention code, a manufactured or mobile home code and mechanical code.

These subcodes shall be adoptions of the model codes of the Building Officials and Code Administrators International, Inc., the National Electrical Code, and the National Standard Plumbing Code, provided that for good reasons, the commissioner may adopt as a subcode a model code or standard of some other nationally recognized organization upon a finding that such model code or standard promotes the purposes of this act. The initial adoption of a model code or standard as a subcode shall constitute adoption of subsequent edition
year publications of the model code or standard organization, except as provided for in paragraphs (1) through (4) of this subsection. Adoption of publications shall not occur more frequently than once every three years: provided, however, that a revision or amendment may be adopted at any time in the event that the commissioner finds that there exists an imminent peril to the public health, safety or welfare.

(1) Except as otherwise provided in this subsection, the edition of a model code or standard in effect as a subcode as of July 1, 1995 shall continue in effect regardless of any publication of a subsequent edition of that model code or standard. Prior to establishing the effective date for any subsequent revision or amendment of any model code or standard adopted as a subcode, the commissioner shall review, in consultation with the code advisory board, the text of the revised or amended model code or standard and determine whether the amended or revised provisions of the model code are essential to carry out the intent and purpose of this act as viewed in contrast to the corresponding provisions of the subcode then currently in effect.

(2) In the event that the commissioner, pursuant to paragraph (1) of this subsection, determines that any amended or revised provision of a model code is essential to carry out the intent and purpose of this act as viewed in contrast to any corresponding provision of the subcode then currently in effect, the commissioner may then adopt that provision of the amended or revised model code.

(3) The commissioner, in consultation with the code advisory board, shall have the authority to review any model code or standard currently in effect as a subcode of the State Uniform Construction Code and compare it with previously adopted editions of the same model code or standard in order to determine if the subcode currently in effect is at least as consistent with the intent and purpose of this act as were previously adopted editions of the same model code or standard.

(4) In the event that the commissioner, after consultation with the code advisory board, determines pursuant to this subsection that a provision of a model code or standard currently in effect as a subcode of the State Uniform Construction Code is less consistent with the intent and purpose of this act than was the corresponding provision of a previously adopted edition of the same model code or standard, the commissioner may delete the provision in effect and substitute in its place the corresponding provision of the previously adopted edition of the same model code or standard determined to be more consistent with the intent and purpose of this act.

The commissioner shall be authorized to adopt a barrier free subcode or to supplement or revise any model code adopted hereunder,
for the purpose of insuring that adequate and sufficient features are available in buildings or structures so as to make them accessible to and usable by the physically handicapped.

c. Any municipality through its construction official, and any State agency or political subdivision of the State may submit an application recommending to the commissioner that a State sponsored code change proposal be adopted. Such application shall contain such technical justification and shall be submitted in accordance with such rules of procedure as the commissioner may deem appropriate, except that whenever the State Board of Education shall determine that enhancements to the code are essential to the maintenance of a thorough and efficient system of education, the enhancements shall be made part of the code; provided that the amendments do not result in standards that fall below the adopted subcodes. The Commissioner of the Department of Education shall consult with the Commissioner of the Department of Community Affairs prior to publishing the intent of the State Board to adopt any amendments to the Uniform Construction Code. Upon adoption of any amendments by the State Board of Education they shall be transmitted forthwith to the Commissioner of the Department of Community Affairs who shall publish and incorporate the amendments as part of the Uniform Construction Code and the amendments shall be enforceable as if they had been adopted by the commissioner.

At least 45 days prior to the final date for the submission of amendments or code change proposals to the National Model Code Adoption Agency, the code of which has been adopted as a subcode under this act, the commissioner shall hold a public hearing in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), at which testimony on any application recommending a State sponsored code change proposal will be heard.

The commissioner shall maintain a file of such applications, which shall be made available to the public upon request and upon payment of a fee to cover the cost of copying and mailing.

After public hearing, the code advisory board shall review any such applications and testimony and shall within 20 days of such hearing present its own recommendations to the commissioner.

The commissioner may adopt, reject or return such recommendations to the code advisory board for further deliberation. If adopted, any such proposal shall be presented to the subsequent meeting of the National Model Code Agency by the commissioner or by persons designated by the commissioner as a State sponsored code change proposal. Nothing herein, however, shall limit the right of any
municipality, the department, or any other person from presenting amendments to the National Model Code Agency on its own initiative. The commissioner may adopt further rules and regulations pursuant to this subsection and may modify the procedures herein described when a model code change hearing has been scheduled so as not to permit adequate time to meet such procedures.

d. (Deleted by amendment, P.L.1983, c.496.)

3. This act shall take effect on the first day of the third month following enactment.

Approved June 28, 1996.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that, due to the interpretation of N.J.S.18A:28-5 by the Appellate Division in the case of Nelson v. Board of Education of the Township of Old Bridge, a clarification of that statute is necessary in order to continue the traditional practice of providing that tenure is acquired in one of the specifically enumerated positions only if the individual has served for the requisite statutorily required period of time in that position.

2. N.J.S.18A:28-5 is amended to read as follows:

Tenure of teaching staff members.

(a) Three consecutive calendar years, or any shorter period which may be fixed by the employing board for such purpose; or
(b) Three consecutive academic years, together with employment at the beginning of the next succeeding academic year; or
(c) The equivalent of more than three academic years within a period of any four consecutive academic years.

For purposes of this chapter, tenure in any of the administrative or supervisory positions enumerated herein shall accrue only by employment in that administrative or supervisory position. Tenure so accrued shall not extend to any other administrative or supervisory position and nothing herein shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.18A:28-6 in a position in which the individual actually served.

3. This act shall take effect immediately and shall apply to all individuals who have acquired tenure pursuant to N.J.S.18A:28-5 or any prior statute.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54A:3A-15 Short title.

1. This act shall be known and may be cited as the "Property Tax Deduction Act."

C.54A:3A-16 Definitions relative to residential property taxes.

2. As used in this act:

"Continuing care retirement community" means a residential facility primarily for retired persons where lodging and nursing, medical or other health related services at the same or another location are provided as continuing care to an individual pursuant to an agreement effective for the life of the individual or for a period greater than one year, including mutually terminable contracts, and in consideration of the payment of an entrance fee with or without other periodic charges.

"Cooperative" means a housing corporation or association which entitles the holder of a share or membership interest thereof to possess and occupy for dwelling purposes a house, apartment, manufactured or mobile home or other unit of housing owned or leased by the corporation or association, or to lease or purchase a unit of housing constructed or to be constructed by the corporation or association.

"Dwelling house" means any residential property assessed as real property which consists of not more than four units, of which not more than one may be used for commercial purposes, but shall not include a unit in a condominium, cooperative, horizontal property regime or mutual housing corporation.

"Homestead" means:

 d. a unit in a cooperative or mutual housing corporation which constitutes the place of domicile of a residential shareholder or lessee
therein, or of a lessee or shareholder who is not a residential shareholder therein, which is used by the taxpayer as the taxpayer's principal residence; and

C.54A:3A-17 Resident taxpayer allowed deduction from gross income for property taxes; limitations.

3. a. A resident taxpayer under the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., shall be allowed a deduction from gross income for property taxes not in excess of $10,000, subject to the limitations of subsection f. of this section, due and paid for the calendar year in which the taxes are due and payable on the taxpayer's homestead.

b. A deduction for property taxes shall be allowed pursuant to this section in relation to the amount of the property taxes actually paid by or allocable to a resident taxpayer who has more than one homestead, but the aggregate amount of the property taxes claimed shall not exceed the total of the proportionate amounts of property taxes assessed and levied against or allocable to each homestead for the portion of the taxable year for which the taxpayer occupied it as the taxpayer's principal residence.

c. If title to a homestead is held by more than one individual as joint tenants or tenants in common, each individual shall be allowed a deduction pursuant to this section only in relation to the individual's proportionate share of the property taxes assessed and levied against the homestead. The proportionate share shall be equal to that of all other individuals who hold the title, but if the conveyance under which the title is held provides for unequal interests therein, a taxpayer's share of the property taxes shall be in proportion to the taxpayer's interest in the title.

d. If title to a homestead is held by a husband and wife who own the homestead as tenants by the entirety, or if that husband and wife are both residential shareholders of a cooperative or mutual housing corporation and occupy the same homestead therein, and who elect to file separate income tax returns pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., that husband and wife shall each be entitled to one-half of the deduction for property taxes for which they may be jointly eligible pursuant to this section.
e. If the homestead is a dwelling house consisting of more than one unit, that taxpayer shall be allowed a deduction for property taxes only in relation to the proportionate share of the property taxes assessed and levied against the residential unit occupied by the taxpayer, as determined by the local tax assessor.

f. Notwithstanding the provisions of subsection a. of this section to the contrary: (1) a resident taxpayer shall be allowed a deduction for a taxpayer's taxable year beginning during 1996 based on 50% of the property taxes not in excess of $5,000 paid on the taxpayer's homestead; and (2) a resident taxpayer shall be allowed a deduction for a taxpayer's taxable year beginning during 1997 based on 75% of the property taxes not in excess of $7,500 paid on the taxpayer's homestead.

C.54A:3A-18 Deduction allowed resident taxpayer whose homestead is a unit of residential rental property; limitations.

4. a. A resident taxpayer whose homestead is a unit of residential rental property shall be allowed a deduction from gross income for that portion of the rent constituting property taxes not in excess of $10,000, subject to the limitations of subsection d. of this section, due and paid for the calendar year in which the rent constituting taxes is due and payable, for occupancy of that homestead.

b. A husband and wife who elect to file separate income tax returns pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., shall each be entitled to one-half of the property tax deduction allowed pursuant to this section.

c. If more than one taxpayer, other than husband and wife, qualify to deduct rent constituting property taxes by reason of their having occupied the same rented homestead, it shall be presumed that the deduction shall be equally divided. A taxpayer may, however, deduct an amount for rent constituting property taxes in the same proportion that the rent paid by that taxpayer bears to the total rent paid by all tenants of the same unit.

d. Notwithstanding the provisions of subsection a. of this section to the contrary: (1) a resident taxpayer whose homestead is a unit of residential rental property shall be allowed a deduction for the taxpayer's taxable year beginning during 1996 based on 50% of the rent constituting property taxes not in excess of $5,000 paid for the occupancy of that homestead; and (2) a resident taxpayer whose homestead is a unit of residential rental property shall be allowed a deduction for the taxpayer's taxable year beginning during 1997 based on 75% of the rent constituting property taxes not in excess of $7,500 paid for the occupancy of that homestead.
C.54A:3A-19 Deduction for property taxes, rent constituting property taxes; limitations.

5. a. If a taxpayer who is eligible for a deduction for property taxes under section 3 of this act for a part of the taxable year is also eligible for a deduction for rent constituting property taxes under section 4 of this act for a part of the taxable year, the taxpayer shall be allowed a deduction, not in excess of $10,000, subject to the limitations of subsection b. of this section, the amount of which shall be equal to the sum of the amount of property taxes due and paid for the calendar year in which the property taxes are due and payable on a homestead that is not a unit of residential rental property and the amount of rent constituting property taxes due and paid for the calendar year in which the rent constituting property taxes is due and payable for the occupancy of a homestead that is a unit of residential rental property, provided however, that the amount of property taxes shall be subject to the limitations set forth in subsections b. through e. of section 3 and the amount of rent constituting property taxes shall be subject to the limitations set forth in subsections b. and c. of section 4 as may be applicable.

b. Notwithstanding the provisions of subsection a. of this section to the contrary: (1) a taxpayer who is eligible for a deduction for property taxes under section 3 of this act for a part of the taxable year and is also eligible for a deduction for rent constituting property taxes under section 4 of this act for a part of the taxable year, shall be allowed a deduction for the taxpayer's taxable year beginning during 1996 based on 50% of an amount not in excess of $5,000, the amount of which shall be equal to the sum of the amount of property taxes paid on a homestead that is not a unit of residential rental property and the amount of rent constituting property taxes paid for the occupancy of a homestead that is a unit of residential rental property; and (2) a taxpayer who is eligible for a deduction for property taxes under section 3 of this act for a part of the taxable year and is also eligible for a deduction for rent constituting property taxes under section 4 of this act for a part of the taxable year, shall be allowed a deduction for the taxpayer's taxable year beginning during 1997 based on 75% of an amount not in excess of $7,500, the amount of which shall be equal to the sum of the amount of property taxes paid on a homestead that is not a unit of residential rental property and the amount of rent constituting property taxes paid for the occupancy of a homestead that is a unit of residential rental property.
6. a. (1) Notwithstanding any provision of this act to the contrary, commencing with the taxpayer's taxable year beginning on or after January 1, 1996:

   (a) a taxpayer; or

   (b) a resident of this State who is 65 years of age or older at the close of the taxable year or who is allowed to claim a personal deduction as a blind or disabled taxpayer pursuant to subsection b. of N.J.S.54A:3-1 but who, pursuant to N.J.S.54A:2-4, is not subject to tax; and,

who paid property taxes or rent constituting property taxes on a homestead during the calendar year may elect to take a credit instead of the deduction provided pursuant to section 3, 4, or 5 in the amount of $50, subject to the provisions of paragraph (2) of this subsection.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, the amount of tax liability reduction or credit allowed for the taxpayer's taxable year beginning during 1996 shall be $25 and the amount of tax liability reduction or credit allowed for the taxpayer's taxable year beginning during 1997 shall be $37.50.

b. A husband and wife who elect to file separate income tax returns pursuant to the "New Jersey Gross Income Tax Act," N.J.S.54A:1-1 et seq., shall each be entitled to one-half of the credit allowed pursuant to subsection a. of this section.

c. The credit shall be paid to the taxpayer as a refund of overpayment pursuant to N.J.S.54A:9-7, provided however, that subsection (f) of that section shall not apply. The credit for a claimant qualified under subsection a. of this section who, pursuant to N.J.S.54A:2-4, is not subject to tax, shall be applied for annually on an application as shall be made available by the director, to be filed with the director on or before the date for filing annual gross income tax returns. The director shall determine the form and manner by which a qualified applicant shall apply for a refund of an overpayment pursuant to this section, and the time of the refund of the overpayment. For the purposes of this section, refunds of overpayments may be combined with payments of rebates pursuant to P.L.1990, c.61 (C.54:4-8.57 et seq.).

C.54A:3A-21 Benefits not subject to garnishment, attachment, other legal process.

7. The benefits provided for in P.L.1996, c.60 (C.54A:3A-15 et al.) shall not be subject to garnishment, attachment or other legal process, except as provided in section 1 of P.L.1981, c.239 (C.54A:9-8.1) or except for an income withholding order issued pursuant to P.L.1981,

CHAPTER 62

AN ACT designated the "New Jersey Urban Redevelopment Act," reconstituting the New Jersey Urban Development Corporation as the New Jersey Redevelopment Authority, providing a source of funding therefor, establishing a neighborhood empowerment program, amending, supplementing and repealing various sections of statutory law, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "New Jersey Urban Redevelopment Act."

C.55:19-21 Findings, determinations relative to urban redevelopment.

2. The Legislature finds and determines that:
   a. As one of the nation's most densely populated States and one of the earliest settled, New Jersey is beset by a host of urban problems attendant upon economic obsolescence, an aging infrastructure, long-term underinvestment and de-industrialization;
   b. Although the State Development and Redevelopment Plan has fostered a more coordinated and integrated State planning process and has placed renewed emphasis on urban revitalization goals, the realization of those revitalization goals still presents a critical challenge to the private sector and the myriad of governmental entities whose policies touch urban areas;
   c. The rapid pace of technological change with which the late twentieth century is associated, represented by the development and growth of the "information superhighway," and increasing world competition, spurred on by recent and ongoing international free trade agreements, threatens to further marginalize our already distressed and beleaguered urban centers;
   d. Environmentally compromised sites present a particular challenge to the State's urban centers, particularly those with major associated cleanup liability and, notwithstanding the impressive strides taken by this Legislature to address remediation issues, further remedies are necessary in order to imbue those sites with renewed economic potential;
   e. Given the number of years over which these problems have developed and in light of the enormity of the challenges which lay ahead, it is incumbent upon this Legislature to designate an entity that has as its primary focus the State's urban centers, and to provide that entity with resources to effectuate renewal in these urban areas;
   f. At present, a vast and complex network of State agencies and policies which should cooperate in the identification and resolution of urban problems too often work at cross-purposes and so it is vital that this new entity bring together those agencies whose policies are most strongly felt in urban areas in order to promote their economic and social viability in a coordinated fashion;
   g. There is a need for a redevelopment agency whose focus is developing and implementing strategic revitalization plans and neighborhood empowerment plans for urban neighborhoods to serve as
the State's primary community development agency with particular focus on technical assistance, grants, low and no interest loans, loan guarantees, and capacity building for community development organizations; and

h. This legislative initiative is intended to implement the urban redevelopment initiative concept and philosophy articulated by the sponsor which calls for the establishment of an independent entity which will allow for a coordinated approach to urban revitalization and succeed in achieving its goals where previous urban efforts have failed.

C.55:19-22 Definitions relative to urban redevelopment.

3. As used in P.L.1996, c.62 (C.55:19-20 et al.), except as otherwise clearly required by the context:
"Authority" means the New Jersey Redevelopment Authority established pursuant to section 4 of P.L.1996, c.62 (C.55:19-23).
"Department" means the Department of Commerce and Economic Development.
"Project" means a specific work or improvement, including lands, buildings, improvements, real and personal property or any interest therein, including lands under water, riparian rights, space rights and air rights, acquired, owned, constructed, reconstructed, rehabilitated or improved by the authority or a subsidiary, or by any other person, firm or corporation under agreement with the authority or subsidiary pursuant to the provisions of P.L.1996, c.62 (C.55:19-20 et al.) in a qualified municipality, and which falls within any of the following classifications:

(1) "Industrial project"--a project designed and intended to provide facilities for manufacturing, industrial, commercial, wholesale, retail, warehousing, or research and development purposes, including but not limited to machinery and equipment deemed necessary for the operation thereof, when the authority finds that there is a compelling public need to undertake such project.

(2) "Land-use improvement project"--a project for the clearance, replanning, reconstruction, rehabilitation, renewal, redevelopment, conservation, restoration or improvement of an area, in cooperation or under agreement with a qualified municipality which has designated the area in need of redevelopment.

(3) "Civil project"--a project designed and intended to provide facilities for educational, cultural, health, recreational, community or other civic purposes.

If, within the 10-day period, the Governor returns the copy of the minutes with a veto of any action taken by the authority or any member thereof at the meeting, that action shall be null and void and of no effect. The powers conferred in this subsection upon the Governor shall be exercised with due regard for the rights of the holders of bonds and notes of the authority at any time outstanding, and nothing in or done pursuant to this subsection shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or notes or for the benefit, protection or security of the holders thereof.    b. the use, regulation, operation, maintenance, insurance or disposition of all or any part of any project or projects;

C.55:19-38 Prevailing wages.

19. Any builder, contractor or subcontractor engaged upon a project within the meaning of P.L.1996, c.62 (C.55:19-20 et al.), and any person, firm or authority managing or operating such a project, including the authority and its subsidiaries, shall pay the workmen employed in the construction, reconstruction, demolition, or rehabilitation thereof not less than the prevailing wage rate. The prevailing wage rate shall be determined by the Commissioner of Labor in all cases, except that the prevailing wage rate shall be determined by the Secretary of the United States Department of Labor in accordance with the Davis-Bacon Act as amended (40 U.S.C. § 276a to 276a-5), when the loan or other assistance given by the authority in connection with the work, or the funds of the authority or subsidiary thereof expended for the work, are the subject of direct or indirect federal assistance other than federal tax exemption of the interest paid on obligations of the authority or a subsidiary thereof.

C.55:19-39 Public hearing on project.

20. a. Under the jurisdiction and at the discretion of the authority, there may be a public hearing on each project, the cost of which is estimated to exceed $250,000, within the municipality in which the project is to be located. In the event that a hearing is to be conducted, the authority shall cause notice of the hearing to be published in at least two newspapers of general circulation within the municipality at least 15 days prior to the date of the hearing and shall also file the notice at least 15 days prior to the date of the hearing with the governing body of the county and municipality in which the project is to be located.

The notice shall summarize the project and specify where and how additional information may be obtained.

b. All testimony presented at the hearing and all material submitted to the authority within 15 days following the hearing shall be included in a hearing record to be prepared and made available to the public by the authority.

c. The governing body of the county or municipality in receipt of the notice prescribed in subsection a. of this section may file with the authority, within 15 days following the hearing, a written objection to the project, stating in detail the nature of the objection.
d. The authority shall respond in writing to any objection filed pursuant to subsection c. of this section, including specific responses to the data, views, and arguments contained in the objection.

21. The exercise of the powers granted by P.L.1996, c.62 (C.55:19-20 et al.) shall constitute the performance of an essential governmental function and the authority shall not be required to pay any taxes or assessments upon or in respect of a project, or any property or moneys of the authority, and the authority, its projects, property and moneys and any bonds and notes issued under the provisions of P.L.1996, c.62 (C.55:19-20 et al.), their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free from taxation of every kind by the State except for transfer, inheritance and estate taxes and by any political subdivision of the State; provided, that any person occupying a project whether as lessee, vendee or otherwise shall, as long as title thereto shall remain in the authority, pay to the political subdivision in which such project is located a payment in lieu of taxes which shall equal the taxes on real and personal property, including water and sewer service charges or assessments, which such person would have been required to pay had it been the owner of such property during the period for which such payment is made and neither the authority nor its projects, properties, money or bonds and notes shall be obligated, liable or subject to lien of any kind for the enforcement, collection or payment thereof. If and to the extent the proceedings under which the bonds authorized to be issued under the provisions of P.L.1996, c.62 (C.55:19-20 et al.) so provide, the authority may agree to cooperate with such person occupying a project, in connection with any administrative or judicial proceedings for determining the validity or amount of such payments and may agree to appoint or designate and reserve the right in and for such person to take all action which the authority may lawfully take in respect of such payments and all matters relating thereto, provided such person shall bear and pay all costs and expenses of the authority thereby incurred at the request of such person or by reason of any such action taken by such person on behalf of the authority. If such person occupying a project has paid the amounts in lieu of taxes required by this section to be paid, such person shall not be required to pay any such taxes for which a payment in lieu thereof has been made to the State or to any political subdivision, any other statute to the contrary notwithstanding.
C.55:19-41 Agreements between contiguous municipalities to share project revenues.

22. The governing bodies of any two contiguous municipalities within which is located or is to be located a New Jersey Redevelopment Authority project situated in part within each municipality, may by reciprocal ordinances enter into agreements with each other to share all tax revenues, payments in lieu of taxes or other revenues as shall be derived from the entire project, and to which they are by law entitled, in such proportion as they deem proper.

23. Any agreement entered into pursuant to section 22 of P.L.1996, c.62 (C.55:19-41) for the sharing of payments and revenues derived from a project shall also set forth the manner in which the costs of municipal services for such project are to be apportioned and specify the services to be supplied by each municipality in sufficient detail so as to permit the owners, occupants and users of property within the project to determine the responsibilities of each participating municipality.

C.55:19-43 Investments permitted.

24. Notwithstanding any restriction contained in any other law, the State and all political subdivisions of this State, and all other persons who are or may hereafter be authorized to invest in bonds or other obligations of the State, may invest any sinking funds, moneys or other funds, including capital, belonging to them or within their control in any bonds or notes issued by the authority under the provisions of P.L.1996, c.62 (C.55:19-20 et al.).

25. The foregoing sections of P.L.1996, c.62 (C.55:19-20 et al.) shall be deemed to provide a complete method for the doing of things authorized thereby and shall be regarded as not in conflict with, or as restrictive of, powers conferred by any other laws, and the provisions of P.L.1996, c.62 (C.55:19-20 et al.) shall be complete authority for the issuance of bonds by the authority and the provisions of any other laws shall not apply to the issuance of such bonds.

26. With its first annual report, and every second year thereafter, the authority shall submit a New Jersey Redevelopment Strategy document, setting forth the goals and priorities governing the selection of the projects it anticipates participating in or assisting; and the authority shall annually review and evaluate the projects actually undertaken in light of the goals and priorities established therefor by the
New Jersey Redevelopment Strategy document. In selecting projects for its participation, and in evaluating those projects in which it has participated, the authority shall devise and employ techniques for forecasting and measuring relevant indices of accomplishment of its goals of economic revitalization, including specifically:

a. the number of jobs created, or to be created, by, or as a result of, the project;

b. the cost, or estimated cost, to the State, involved in the creation of those jobs;

c. the amount of private capital investment in, or stimulated by, a project, in proportion to the public funds invested therein; and

d. in the case of an industrial project or a multi-purpose project which has, as one of its elements, a project classified as an industrial project, a determination, based upon written findings, that the project would not be undertaken but for the participation of the authority.

27. a. There is hereby created the New Jersey Redevelopment Investment Fund, or "fund," a revolving loan pool to be used for the purpose of making loans, loan guarantees or grants pursuant to the provisions of this act, into which shall be paid:

(1) moneys received from the sale of authority bonds;

(2) funds appropriated by section 68 of P.L.1996, c.62 as may be determined by the authority;

(3) repayments of loans or other payments, including repayments of principal and interest on loans, received by the authority pursuant to agreements made under authority of section 5, 8, 9 or 10 of P.L.1996, c.62 (C.55:19-24, C.55:19-27, C.55:19-28 or C.55:19-29);

(4) any income derived from investment pursuant to subsection b. of this section;

(5) moneys collected as user fees and facility charges in connection with any civic project or utilities project managed or operated by the authority as authorized by subsection z. of section 5 of P.L.1996, c.62 (C.55:19-24); and

(6) such additional funds as the Legislature may from time to time appropriate for the purpose.

b. The fund shall be in the custody and control of the authority, which may invest and reinvest any portion thereof not immediately required for the purposes of the authority in the manner provided by law for investment of public funds on projects and investments utilizing revenues from the sale of general obligation bonds, which projects shall be subject to the approval of the State Treasurer, and the State
Treasurer's actions shall be based solely on his fiduciary role to ensure that all applicable federal and State tax laws are adhered to regarding the investment of bond funds.

c. The authority may resell any loan or loans made by the authority pursuant to this act to any buyer or buyers; the proceeds of any such sales shall be returned to the fund established pursuant to this section.

C.55:19-47 Establishment of loan rates, maturities; earnings paid to the fund.

28. a. Loan rates and maturities of loans made by the New Jersey Redevelopment Authority shall be established by the Commissioner of Commerce and Economic Development taking into consideration rates available in capital markets for comparable maturities and comparable credit quality. Local governments may secure interim financing under this act to enable a project to be undertaken before permanent financing is secured or may secure permanent financing under P.L.1996, c.62 (C.55:19-20 et al.) with a final maturity related to the expected useful life of the project being so financed.

b. Net earnings received from the investment or deposit of the New Jersey Redevelopment Investment Fund shall be paid into the New Jersey Redevelopment Investment Fund.

C.55:19-48 County empowered to enter into contracts with authority.

29. a. Any county, by resolution of its governing body, shall have power to enter into contracts with the authority relating to any project or projects situated within the county; provided, however, that any such resolution shall be introduced in writing at a meeting of the governing body and shall be passed upon first reading which may be by title, and thereafter, the resolution shall be published with notice of the introduction thereof and of the date, time and place of further consideration for final passage, and on the date and at the time and place so advertised, all persons interested shall be given the opportunity to be heard and after the hearing, the governing body may proceed to reject or finally adopt the resolution by the recorded affirmative votes of at least two-thirds of the full membership of the governing body; and provided, further, that the resolution shall contain findings and determinations of the governing body (1) that the project will maintain employment opportunities in the county or provide new employment opportunities in the county and (2) that the contract with the authority is a necessary inducement to the undertaking of the project in that it makes the financing thereof feasible. The contract or contracts may provide for the payment to the authority by the county annually or otherwise of such sum or sums of money, computed at fixed amounts or by any formula, or in any other manner as may be fixed in or pursuant thereto.
Any contract may be made and entered into for a term beginning currently or at some future or contingent date and with or without consideration and for a specified or unlimited time and on any terms and conditions which may be approved by the county and which may be agreed to by the authority in conformity with its contracts with the holders of any bonds, and shall be valid and binding on the county whether or not an appropriation is made thereby prior to authorization or execution of the contract. Every county is hereby authorized and directed to do and perform any and all acts and things necessary, convenient or desirable to carry out and perform any contract entered into by it and to provide for the payment or discharge of any obligation thereunder in the same manner as other obligations of the county.

b. For the purpose of aiding the authority and cooperating in the planning, designing, acquiring, constructing, reconstructing, improving, equipping and furnishing of any project situate in any county, any county, by ordinance of its governing body, shall have power from time to time and for such period and upon such terms, with or without consideration, as may be provided by the ordinance and accepted by the authority:

(1) to appropriate moneys for the purposes of the authority with respect to the project, and to loan or donate such money to the authority in such installments and upon such terms as may be agreed upon with the authority;

(2) upon authorization by it in accordance with law of the performance of any act or thing which it is empowered by law to authorize or perform and after appropriation of the moneys, if any, necessary for that performance, to covenant and agree with the authority to do and perform any act and as to the time, manner and other details of its doing and performance; and

(3) to appropriate money for all or any part of the cost of the acquisition or construction of the project, and, in accordance with the limitations and exceptions thereto and in the manner or mode of procedure prescribed by the local bond law to incur indebtedness, borrow money and issue its negotiable bonds for the purpose of the project and appropriation, and to pay the proceeds of those bonds to the authority.

c. Any contract, and any instrument making or evidencing the same, may be pledged or assigned by the authority, with the consent of the county executing the contract, to secure its bonds and thereafter may not be modified except as provided by the terms of such instrument or by the terms of the pledge or assignment.
C.55:19-49 Property of authority exempt from levy, sale.

30. All property of the authority shall be exempt from levy and sale by virtue of an execution and no execution or other judicial process shall issue against the same nor shall any judgment against an authority be a charge or lien upon its property; provided, that nothing herein contained shall apply to or limit the rights of the holder of any bonds to pursue any remedy for the enforcement of any pledge or lien given by the authority on or with respect to any project or any revenues or other moneys.

C.55:19-50 Moneys transferred to the fund; functions, employees, property transferred to the authority.

31. a. All sums appropriated, transferred or otherwise available to the New Jersey Redevelopment Authority from any source, are transferred to the New Jersey Redevelopment Investment Fund to carry out the purposes of P.L. 1996, c. 62 (C.55:19-20 et al.).

b. All of the functions, powers and duties of the New Jersey Urban Development Corporation are hereby transferred to and vested in the New Jersey Redevelopment Authority.

c. At the discretion of the board of the New Jersey Redevelopment Authority, all employees employed by the New Jersey Urban Development Corporation as of the effective date of this act may serve the New Jersey Redevelopment Authority.

d. All records, property, outstanding loans, loan guarantees and other obligations of the New Jersey Urban Development Corporation shall be transferred to, and assumed by, the New Jersey Redevelopment Authority.

C.55:19-51 Use of moneys, priorities, relative to Local Development Financing Fund.

32. Moneys deposited in the fund established pursuant to section 4 of P.L. 1983, c. 190 (C.34:1B-39), shall be used to provide financial assistance to sponsors for implementation of projects as defined pursuant to P.L. 1974, c. 80 (C.34:1B-1 et seq.). Financial assistance provided by the fund shall be used to meet eligible project costs as defined pursuant thereto. Eligible projects to be undertaken by the New Jersey Redevelopment Authority pursuant to P.L. 1996, c. 62 (C.55:19-20 et al.), shall be given priority consideration by the Commissioner of Commerce and Economic Development in administering this fund.

C.55:19-52 Municipal ordinance to provide for tax abatement, payment in lieu of taxes.

33. In order to provide security for the bonds or other obligations authorized herein, a municipality may adopt an ordinance which
provides for tax abatement within a redevelopment area and for a payment in lieu of taxes. Any tax abatement granted by the municipality and any agreement for the payment in lieu of taxes shall be included as part of a financial agreement between the municipality and the developer in accordance with the provisions of P.L. 1991, c. 431 (C.40A:20-1 et seq.); provided, however, that provisions of subsection b. of section 12 of P.L. 1991, c. 431 (C.40A:20-12), subsection a. of section 14 of P.L. 1991, c. 431 (C.40A:20-14) and subsection c. of section 18 of P.L. 1991, c. 431 (C.40A:20-18) shall not apply to any financial agreement entered into pursuant to this section.

C.55:19-53 Financial agreements to provide for repayment of bonds.

34. a. A financial agreement entered into pursuant to section 33 of P.L. 1996, c. 62 (C.55:19-52) shall provide for payments in lieu of taxes in an amount agreed upon, and, to the extent needed to pay debt service and other related costs of the bonds or other obligations authorized in this section, shall be pledged to the repayment of the bonds or other obligations authorized in this section.

b. The bonds or other obligations authorized in this section shall be special and limited obligations secured by the agreement for payment in lieu of taxes or other available sources.

c. The New Jersey Redevelopment Authority, New Jersey Economic Development Authority or county improvement authority may issue negotiable bonds or other obligations for the purpose of financing or refinancing the construction, reconstruction, repair, alteration, improvement and development of any infrastructure or parking or transportation facilities or work that reduces, abates or prevents environmental pollution or other improvements that provide a public benefit within or to a redevelopment area as defined pursuant to section 3 of P.L. 1992, c. 79 (C.40A:12A-3).

d. The financial agreement provided for in this section or other source of revenues may be assigned, by the municipality, in whole or in part, directly to the New Jersey Redevelopment Authority, New Jersey Economic Development Authority or county improvement authority or the trustee of bonds or other obligations as payment or security for the bonds or other obligations.

e. In the event the payment in lieu of taxes is secured by a mortgage, the mortgage may also be assigned and pledged to the repayment of the bonds authorized herein.

f. Notwithstanding any law to the contrary, the assignment of the agreement for payment in lieu of taxes may be an absolute assignment of all or part of the municipality's right, title and interest in such
agreement or in the payment in lieu of taxes, and to the extent assigned, such agreement or payment shall not be included in the general funds of the municipality.

g. After the bonds or other obligations are paid and no longer deemed to be outstanding, the entire payment in lieu of taxes shall be paid directly to the municipality and shall be included within its general funds.

h. The assignment of any mortgage that secures a payment in lieu of taxes may also be an absolute assignment of all or part of the municipality's right, title and interest in such mortgage and, to the extent assigned, any moneys realized from the foreclosure of the mortgaged property shall not be included in the general funds of the municipality.

i. After the bonds or other obligations are paid and no longer deemed to be outstanding, the assignment of the mortgage shall terminate and any moneys realized from the foreclosure of the mortgaged property shall be included in the general funds of the municipality.

C.55:19-54 Definitions relative to abandoned property.

35. For the purposes of this article:

"Abandoned property" means:

a. real property for which environmental remediation is required by State law, rule or regulation and the condition of which is found or declared by the public officer to be inimical to the welfare, including the economic welfare of the residents of the municipality wherein the real property is located; or

b. a building or structure found or declared to be inimical to the welfare, including the economic welfare, of the residents of the municipality wherein the building or structure is located, pursuant to section 1 of P.L.1989, c.91 (C.40:48-2.3a) or unfit for human habitation, occupancy or use pursuant to section 3 of P.L.1942, c.112 (C.40:48-2.5), along with the parcel of land upon which the building or structure is situate.

"Public officer" means a person designated or appointed by the municipal governing body pursuant to section 3 of P.L.1942, c.112 (C.40:48-2.5) who is responsible for determining that a property is abandoned.

C.55:19-55 Inventory, identification of abandoned property.

36. a. A qualified municipality that has designated or appointed a public officer pursuant to section 3 of P.L.1942, c.112 (C.40:48-2.5), may adopt an ordinance directing the public officer to undertake an
inventory of abandoned property in those areas designated for redevelopment pursuant to the "Local Redevelopment and Housing Law," P.L.1992, c.79 (C.40A:12A-1 et seq.). The ordinance may direct the public officer to exclude from the inventory of abandoned property that property for which the expense to the municipality of determining the cost of environmental remediation required under State or federal law would be excessive, in the judgment of the municipal governing body. Each item of abandoned property on the inventory shall include the tax block and lot number, the name of the owner of record, if known, and the street address of the lot.

b. In those municipalities in which an inventory has been conducted in accordance with subsection a. of this section, the public officer shall maintain a list of abandoned property, to be known as the "abandoned property list." An abandoned property shall not be included on the abandoned property list if rehabilitation is being performed in a timely manner.

c. (1) The Department of Community Affairs shall adopt rules and regulations prescribing guidelines and criteria for determining if a property is inimical to the welfare, including the economic welfare, of the residents of the municipality wherein the building or structure is located, pursuant to section 1 of P.L.1989, c.91 (C.40:48-2.3a) or unfit for human habitation, occupancy or use pursuant to section 3 of P.L.1942, c.112 (C.40:48-2.5), and whether such property is undergoing rehabilitation in a timely manner within the meaning of subsection b. of this section. The public officer shall apply such standards in conducting any inventory pursuant to this section.

(2) The Department of Community Affairs in conjunction with the Department of Environmental Protection shall prepare an information bulletin for distribution to every municipality describing the authority of a municipality under existing statutes and regulations to repair, demolish or otherwise deal with abandoned property.

d. (1) The public officer, within 10 days of the completion of the abandoned property list, shall send a notice, by certified mail, return receipt requested, and by regular mail, to the owner of record of every property included on the list and shall cause the list to be published in the official newspaper of the municipality, which publication shall constitute public notice. The published and mailed notices shall identify property determined to be abandoned setting forth the owner of record, if known, the tax lot and block number and street address. The public officer, in consultation with the tax collector, shall also send out a notice by regular mail to any mortgagee, servicing organization, or property tax processing organization that receives a duplicate copy of
the tax bill pursuant to subsection d. of R.S.54:4-64. When the owner of record is not known for a particular property and cannot be ascertained by the exercise of reasonable diligence by the tax collector, notice shall not be mailed but instead shall be posted on the property in the manner as provided in section 5 of P.L.1942, c.112 (C.40:48-2.7). The mailed notice shall indicate the factual basis for the public officer's finding that the property is abandoned property as that term is defined in section 35 of P.L.1996, c.62 (C.55:19-54) and the rules and regulations promulgated thereunder, specifying the information relied upon in making such finding. In all cases a copy of the mailed or posted notice shall also be filed by the public officer in the office of the county clerk or register of deeds and mortgages, as the case may be, of the county wherein the property is situate. This filing shall have the same force and effect as a notice of lis pendens under N.J.S.2A:15-6. The notice shall be indexed by the name of the property owner as defendant and the name of the municipality as plaintiff, as though an action had been commenced by the municipality against the owner.

(2) The authority or its subsidiaries, as appropriate, may reimburse the municipality for the postage costs and search fees associated with providing notice in accordance with paragraph (1) of this subsection in accordance with procedures and rules promulgated by the Department of Community Affairs.

e. An owner or lienholder may challenge the inclusion of his property on the abandoned property list determined pursuant to subsection b. of this section by appealing that determination to the public officer within 30 days of the owner's receipt of the certified notice or 40 days from the date upon which the notice was sent. An owner whose identity was not known to the public officer shall have 40 days from the date upon which notice was published or posted, whichever is later, to challenge the inclusion of a property on the abandoned property list. For good cause shown, the public officer shall accept a late filing of an appeal. Within 30 days of receipt of a request for an appeal of the findings contained in the notice pursuant to subsection d. of this section, the public officer shall schedule a hearing for redetermination of the matter. Any property included on the list shall be presumed to be abandoned property unless the owner, through the submission of an affidavit or certification by the property owner averring that the property is not abandoned and stating the reasons for such averment, can demonstrate that the property was erroneously included on the list. The affidavit or certification shall be accompanied by supporting documentation, such as but not limited to photographs, repair invoices, bills and construction contracts. The sole ground for
appeal shall be that the property in question is not abandoned property as that term is defined in section 35 of P.L. 1996, c.62 (C.55:19-54). The public officer shall decide any timely filed appeal within 10 days of the hearing on the appeal and shall promptly, by certified mail, return receipt requested, and by regular mail, notify the property owner of the decision and the reasons therefor.

f. The property owner may challenge an adverse determination of an appeal with the public officer pursuant to subsection e. of this section, by instituting, in accordance with the New Jersey Court Rules, a summary proceeding in the Superior Court, Law Division, sitting in the county in which the property is located, which action shall be tried de novo. Such action shall be instituted within 20 days of the date of the notice of decision mailed by the public officer pursuant to subsection e. of this section. The sole ground for appeal shall be that the property in question is not abandoned property as that term is defined in section 35 of P.L. 1996, c.62 (C.55:19-54). The failure to institute an action of appeal on a timely basis shall constitute a jurisdictional bar to challenging the adverse determination, except that, for good cause shown, the court may extend the deadline for instituting the action.

g. The public officer shall promptly remove any property from the abandoned property list that has been determined not to be abandoned on appeal.

C.55:19-56 Sale of tax lien on abandoned property; remediation costs.

37. a. Notwithstanding R.S.54:5-19 or the provisions of any other law to the contrary, if a property is included on the abandoned property list and the property taxes or other municipal liens due on the property are delinquent six or more quarters as of the date of expiration of the right to appeal inclusion on the list, or, if an appeal has been filed, as of the date that all opportunities for appeal of inclusion on the list have been exhausted, then the tax lien on the property may be sold in accordance with the procedures in the "tax sale law," R.S.54:5-1 et seq., on or after the 90th day following the expiration of that time of appeal or final determination on an appeal, as appropriate. The purchaser of a tax sale certificate sold pursuant to this subsection, unless it is the municipality or the authority or its subsidiaries, shall be required to post bond to guarantee the rehabilitation of the property in accordance with the requirements for an owner to remove the property from the abandoned property list pursuant to section 36 of P.L. 1996, c.62 (C.55:19-55). The cost of the bond posted by the purchaser of the tax sale certificate shall be added to the amount required to be paid by the owner for redemption of the property. The municipality may, at its
option, require that the sale of the tax sale certificate or any subsequent assignment or transfer of a tax sale certificate held by the municipality be subject to the express condition that the purchaser or assignee shall be obliged to perform and conclude any rehabilitation or repairs necessary to remove the property from the abandoned property list pursuant to section 36 of P.L. 1996, c.62 (C.55:19-55) and to post a bond in favor of the municipality to guarantee the rehabilitation or repair of the property. The cost of rehabilitation and repairs and the cost of the bond shall be added to the amount required to be paid by the owner for redemption of the property. The purchaser, assignee or transferee of the tax sale certificate who is required to rehabilitate and repair the property shall be required to file the appropriate affidavits with the tax collector, pursuant to R.S.54:5-62, representing the amounts of moneys expended periodically toward the rehabilitation or repair of the property. A purchaser, assignee or transferee shall be entitled to interest on the amounts expended, as set forth in the affidavits, at the delinquent rate of interest for delinquencies in excess of $1,500 pursuant to R.S.54:4-67 of the municipality in effect for the time period when the amounts were expended. The tax sale certificate purchaser, assignee or transferee, under the auspices and with the authority of the municipality, shall be permitted to enter in and upon the property for the purposes of appraising the costs of rehabilitation and repair and to perform all other acts required to guarantee the completion of the rehabilitation or repair of the property. No rehabilitation or repair work shall be commenced, however, until proof of adequate liability insurance and an indemnification agreement holding the municipality harmless is filed with the public officer. If the tax sale certificate is not purchased at the initial auction of the tax sale certificate and the municipality purchases the certificate pursuant to R.S.54:5-34, then the municipality is authorized and empowered to convey and transfer to the authority or any of its subsidiaries, without receiving compensation therefor, all of its right, title and interest in that certificate; however, any portion of the amount paid to the tax collector to redeem the tax sale certificate that represents tax or other municipal lien delinquencies and subsequent municipal liens, including interest, shall be returned by the tax collector to the municipality.

b. (1) If the municipality or the authority or its subsidiaries acquires the tax sale certificate for a property on the abandoned property list, then, upon 10 days' written notice to the property owner and any mortgagee as of the date of the filing of the lis pendens notice under subsection d. of section 36 of P.L. 1996, c.62 (C.55:19-55), that entity shall be permitted to enter upon the property and remediate any
conditions that caused the property to be included on the abandoned property list. No remediation shall be commenced, however, if within that 10-day period the owner or mortgagee shall have notified the municipality or authority or its subsidiary, as appropriate, in writing that the owner or mortgagee has elected to perform the remediation itself. When the owner or mortgagee elects to perform the remediation itself, it shall be required to post bond in favor of the municipality or authority or its subsidiaries, as appropriate, in order to ensure performance. The amount and conditions of the bond shall be determined by the public officer.

(2) The cost of remediation incurred by the municipality or the authority or its subsidiaries pursuant to this subsection, as so certified by the entity incurring the cost upon completion of the remediation, shall constitute a lien upon the property first in time and right to any other lien, whether the other lien was filed prior to, or after the filing of any lien by the municipality or the authority, except for municipal taxes, liens and assessments and any lien imposed pursuant to the "Spill Compensation and Control Act," P.L.1976, c.141 (C.58:10-23.11 et seq.), together with any interest thereon. The certification of cost shall be filed and recorded as a lien by the entity incurring the cost with the county clerk or register of deeds and mortgages, as appropriate, in the county in which the property is located.

c. (1) Failure of an owner or lienholder to remove a property from the abandoned property list within 60 days after expiration of the period of time for appeal of inclusion of the property on the list pursuant to subsection e. of section 36 of P.L.1996, c.62 (C.55:19-55), shall be prima facie evidence of the intent of the owner to continue to maintain the property as abandoned property.

(2) The clearance, development, redevelopment, or repair of property being maintained as an abandoned property pursuant to paragraph (1) of this subsection shall be a public purpose and public use for which the power of eminent domain may be exercised.

C.55:19-57 Removal of property from list of abandoned properties; remediation.

38. a. An owner may remove a property from the list of abandoned properties prior to sale of the tax sale certificate by paying all taxes and municipal liens due, including interest and penalties and:

(1) by posting cash or a bond equal to the cost of remediating all conditions because of which the property has been determined to be abandoned pursuant to section 36 of P.L.1996, c.62 (C.55:19-55) and posting cash or a bond to cover the cost of any environmental cleanup required on the property, evidenced by a certification by a licensed
engineer retained by the owner and reviewed and approved by the public officer stating that the cash or bond adequately covers the cost of the cleanup; or

(2) by demonstrating to the satisfaction of the public officer that the conditions rendering the property abandoned have been remediated in full; provided, however, that where the public officer finds that the owner is actively engaged in remediating the conditions because of which the property was determined to be abandoned pursuant to section 36 of P.L.1996, c.62 (C.55:19-55), as evidenced by significant rehabilitation activity on the property, the public officer may grant an extension of time of not more than 120 days for the owner to complete all work, during which time no further proceedings will be taken against the owner or the property.

b. If the owner has posted cash or a bond in order to have a property removed from the abandoned property list and the conditions because of which the property was determined to be abandoned have not been fully remediated within one year of the date of posting the cash or bond, or, in the case of a property which requires a remediation of any known, suspected or threatened release of contaminants, if the owner has failed to enter into a memorandum of agreement with the Department of Environmental Protection or an administrative consent order, as the case may be, or if an agreement or order is in effect but the owner has failed to perform the remediation in conformance with the agreement or order, then the cash or bond shall be forfeited to the municipality which shall use the cash or bond and any interest which has accrued thereon for the purpose of demolishing or rehabilitating the property or performing the environmental remediation. Any funds remaining after the property has been demolished, rehabilitated or cleaned up shall be returned to the owner.

C.55:19-58 Action to foreclose right of redemption.

39. a. When a person other than the municipality or the authority or its subsidiaries acquires a tax sale certificate for a property on the abandoned property list at tax sale, the purchaser may institute an action to foreclose the right of redemption at any time after the expiration of six months following the date of the sale of the tax sale certificate.

b. Notwithstanding section 6 of P.L.1948, c.96 (C.54:5-104.34), when the municipality is the purchaser at tax sale of any property on the abandoned property list pursuant to R.S.54:5-34, or when the authority or any of its subsidiaries acquires the tax sale certificate pursuant to
subsection a. of section 37 of P.L.1996, c.62 (C.55:19-56), an action to foreclose the right of redemption may be instituted in accordance with the provisions of subsection b. of R.S.54:5-77.

c. After the foreclosure action is instituted, the right to redeem shall exist and continue to exist until barred by the judgment of the Superior Court; provided, however, that no redemption shall be permitted except where the owner:

(1) posts cash or a bond equal to the cost of remediating the conditions because of which the property was determined to be abandoned pursuant to section 36 of P.L.1996, c.62 (C.55:19-55), as determined by the court; or

(2) demonstrates to the court that the conditions because of which the property was determined to be abandoned pursuant to section 36 of P.L.1996, c.62 (C.55:19-55) have been remedied in full.

C.55:19-59 Final judgment barring right of redemption; grounds for reopening.

40. Once a final judgment barring the right of redemption with respect to a property on the list of abandoned properties has been recorded, no court shall reopen such judgment at any time except on the grounds of lack of jurisdiction or fraud in the conduct of the action; in any such proceeding, the provisions of P.L.1996, c.62 (C.55:19-20 et al.) shall be construed liberally in favor of the purchaser, assignee or transferee of the tax sale certificate.

41. R.S.54:5-86 is amended to read as follows:

Action by municipality to foreclose right of redemption.

54:5-86. When the municipality is the purchaser of a tax sale certificate, the municipality, or its assignee or transferee, may, at any time after the expiration of the term of six months from the date of sale, institute an action to foreclose the right of redemption. Except as provided in subsection a. of section 39 of P.L.1996, c.62 (C.55:19-58), for all other persons that do not acquire a tax sale certificate from a municipality, an action to foreclose the right of redemption may be instituted at any time after the expiration of the term of two years from the date of sale of the tax sale certificate. On instituting the action the right to redeem shall exist and continue until barred by the judgment of the Superior Court.

42. Section 30 of P.L.1971, c.361 (C.20:3-30) is amended to read as follows:
C.20:3-30 Determination date of just compensation.

30. Just compensation shall be determined as of the date of the earliest of the following events: (a) the date possession of the property being condemned is taken by the condemnor in whole or in part; (b) the date of the commencement of the action; (c) the date on which action is taken by the condemnor which substantially affects the use and enjoyment of the property by the condemnee; or (d) the date of the declaration of blight by the governing body upon a report by a planning board pursuant to section 38 of P.L.1971, c.361 (C.20:3-38), or, in the case of a property being maintained as an abandoned property for failure to remove the property from the abandoned property list, as provided pursuant to subsection c. of section 37 of P.L.1996, c.62 (C.55:19-56), if there was no declaration of blight, as of the date of expiration of the condemnee's right to appeal inclusion of the property on the abandoned property list.

43. R.S.54:5-112 is amended to read as follows:

Private sale of real estate acquired for delinquent taxes, assessments by municipality.

54:5-112. When a municipality has or shall have acquired title to real estate by reason of its having been struck off and sold to the municipality at a sale for delinquent taxes or assessments, the governing body thereof may, by resolution adopted by a majority thereof by roll call, sell such real estate at private sale to such person and for such sums, not less than the amount of municipal liens charged against the same, except as provided in subsection a. of section 38 of P.L.1996, c.62 (C.55:19-57), as shall seem to be to the best interest of the municipality. Upon the adoption of the resolution and the payment of the consideration as stated therein, the officers of the governing body authorized by resolution shall make, execute, acknowledge and deliver a deed without covenants to the purchaser, which deed shall vest in the purchaser all of the right, title and interest of the municipality in the real estate therein described. The deed need not contain any recitals, except a statement of the actual consideration. Such sales shall not include real estate, title to which has been perfected by the municipality.

44. R.S.54:5-113 is amended to read as follows:

Private sale of certificate of tax sale by municipality.

54:5-113. When a municipality has or shall have acquired title to real estate by reason of its having been struck off and sold to the municipality at a sale for delinquent taxes and assessments, the
governing body thereof may by resolution authorize a private sale of the certificate of tax sale therefor, together with subsequent liens thereon, for not less than the amount of liens charged against such real estate, except as provided in section 2 of P.L.1993, c.113 (C.54:5-113.1) and subsection a. of section 38 of P.L.1996, c.62 (C.55:19-57). The sale shall be made by assignment executed by such officers as may be designated in the resolution. When the total amount of the municipal liens shall, at the time of the proposed sale or assignment, exceed the assessed value of the real estate as of the date of the last sale thereof for unpaid taxes and assessments, the certificates, together with subsequent liens thereon, may be sold and assigned for a sum not less than such assessed value.

47. a. There is established in, but not of, the Department of Community Affairs an Office of Neighborhood Empowerment.

b. The Governor shall appoint an executive director of the Office of Neighborhood Empowerment who shall serve at the pleasure of the Governor. The executive director shall report solely to the Urban Coordinating Council, which shall supervise and control the office.

c. The executive director of the Office of Neighborhood Empowerment may hire employees as may be required to carry out the purposes of this section, and to fix and pay their compensation from funds available, all without regard to the provisions of Title 11A, Civil Service, of the New Jersey Statutes.

48. The Office of Neighborhood Empowerment shall:

C.55:19-64 Development of neighborhood empowerment plan.

49. a. In order to qualify to receive the services of the Office of Neighborhood Empowerment and of an interagency team, a community must first have developed a neighborhood empowerment plan which shall be submitted to the Urban Coordinating Council established pursuant to section 45 of P.L.1996, c.62 (C.55:19-60). A neighborhood empowerment plan shall incorporate and address the needs of the neighborhood as identified by the community. It shall be comprehensive and shall take into consideration and show the relationship to the municipal master plan, other locally adopted plans (including, but not limited to urban enterprise zone plans, redevelopment plans and neighborhood social service plans), and the State Development and Redevelopment Plan, and shall outline how residents, municipal government, the private sector and neighborhood organizations will cooperate with the State and with each other during implementation. Neighborhood empowerment plans shall focus on neighborhood restoration. They may include, but need not be limited to, projects for infrastructure improvement and expansion, rehabilitation and construction of affordable housing, increased public safety, facility rehabilitation and construction, economic development, recreation and open space, environmental cleanup, employment and training, improvement of educational opportunities for youth, and efficient and humane provision of social services dedicated to strengthening the community's human capital.

b. Neighborhood empowerment plans shall be developed by local sponsors with the guidance of a community director and under the direction of, and with the participation of, residents, community-based organizations, the private sector, and the municipal government. A local sponsor may be a municipality, county, public or private county
and municipal development agency, district management corporation created pursuant to section 4 of P.L.1972, c.134 (C.40:56-68), community action board established pursuant to section 4 of P.L.1991, c.51 (C.52:27D-398), sponsors of neighborhood empowerment organizations, or an institution, such as a hospital, college or university, or a community-based organization.

The entity that will implement the neighborhood empowerment plan shall be either a new or existing community development organization or a consortium of existing community-based organizations.

C.55:19-65 Distribution of eligibility guidelines for participation in neighborhood empowerment program.

50 Within one year of the effective date of P.L.1996, c.62 (C.55:19-20 et al.), the Urban Coordinating Council established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), shall distribute to the clerk of each qualified municipality eligibility guidelines for participation in the neighborhood empowerment program. The eligibility guidelines for participation in the neighborhood empowerment program shall be established by the Urban Coordinating Council established pursuant to section 46 of P.L.1996, c.62 (C.55:19-61) in consultation and in conjunction with the New Jersey Redevelopment Authority.

C.55:19-66 Preference accorded to certain neighborhood empowerment plans.

51. In designating qualified municipalities for participation in the neighborhood empowerment program, the Urban Coordinating Council in consultation and in conjunction with the authority shall accord preference to neighborhood empowerment plans which:
   a. have the greatest potential for success in stimulating primarily new economic activity in the area;
   b. are designed to address the greatest degree of urban distress, as measured by existing levels of unemployment and poverty;
   c. demonstrate the most substantial and reliable commitments of resources by empowerment neighborhood businesses, associations, voluntary community organizations and other private entities to the successful redevelopment of the empowerment neighborhood;
   d. demonstrate the most substantial effort and commitment by the municipality to encourage economic activity in the area and to remove disincentives for job creation compatible with the fiscal condition of the municipality; and
   e. demonstrate most convincingly how the proposed plan will increase jobs for neighborhood residents and ratables in the neighborhood, thereby lessening the need for municipal tax increases.

52. In addition to the considerations set forth in section 51 of P.L.1996, c.62 (C.55:19-66), the Urban Coordinating Council in consultation and in conjunction with the authority in evaluating a neighborhood empowerment plan for designation purposes shall consider:
   a. the likelihood of attracting other State or federal assistance or both to projects in the designated area;
   b. the adverse or beneficial effects of an empowerment neighborhood located at the proposed area upon economic development activities or projects of State or other public agencies which are in operation or are approved for operation in the qualified municipality;
   c. the degree of commitment made by public and private entities to utilize minority contractors and assure equal opportunities for employment in connection with any construction or reconstruction to be undertaken in the eligible area;
   d. the impact of the plan upon the social, educational, natural and historic environment of the proposed empowerment neighborhood; and
   e. the degree to which the implementation of the plan involves the relocation of residents from the proposed empowerment neighborhood and the adequacy of commitments and provisions with respect thereto.

53. Upon receipt of an application from a qualified municipality, the Urban Coordinating Council in consultation and in conjunction with the authority shall review the application to determine whether or not it meets the eligibility guidelines established pursuant to section 50 of P.L.1996, c.62 (C.55:19-65). The Urban Coordinating Council shall complete its review within 90 days of receiving an application, but may extend this time period by an additional 60 days if necessary.

C.55:19-69 Public hearings on applications; determination.

54. a. Once the Urban Coordinating Council in consultation and in conjunction with the authority has identified those qualified municipalities whose neighborhood empowerment plans fulfill the criteria for designation set forth in sections 51 and 52 of P.L.1996, c.62 (C.55:19-66 and C.55:19-67), the Urban Coordinating Council may, at its discretion, hold public hearings for the purpose of receiving public comments on the applications. In the event that a hearing is to be conducted, at least one public hearing shall be held in a municipality which has applied for empowerment neighborhood designation. The Urban Coordinating Council shall give at least 30 days' public notice of each hearing in advertisements in at least two newspapers which
circulate in the area served by the hearing and at least 30 days' notice
to the governing body and planning board of each county and munici-
pality in the area served by the hearing.

b. Taking full account of the testimony presented at the public
hearings, the Urban Coordinating Council in consultation and in
conjunction with the authority shall make a determination regarding the
designation of empowerment neighborhoods within 30 days of the final
hearing.

c. The Urban Coordinating Council in consultation and in conjunc-
tion with the authority shall designate as many empowerment neigh-
borhoods as possible given available financial resources and the ability of
the Urban Coordinating Council to oversee project implementation.
The application process for each application cycle, including the public
hearings, shall occur as set forth in this section.

C.55:19-70 Eligibility for investments from New Jersey Redevelopment Investment Fund.

55. a. Any municipality in which an empowerment neighborhood
has been designated shall be eligible for investments by the authority
from the New Jersey Redevelopment Investment Fund in infrastructure
improvements and any other projects which the authority may choose
to invest in.

b. State programs shall give consideration to projects included in
neighborhood empowerment plans developed pursuant to section 49 of
P.L.1996, c.62 (C.55:19-64), or community development plans, as far
as practicable.

56. Section 8 of P.L.1976, c.141 (C.58:10-23.11g) is amended to
read as follows:

C.58:10-23.11g Liability for cleanup and removal costs.

8. a. The fund shall be strictly liable, without regard to fault, for
all cleanup and removal costs and for all direct and indirect damages no
matter by whom sustained, including but not limited to:

(1) The cost of restoring, repairing, or replacing any real or
personal property damaged or destroyed by a discharge, any income
lost from the time such property is damaged to the time such property
is restored, repaired or replaced, and any reduction in value of such
property caused by such discharge by comparison with its value prior
thereto;

(2) The cost of restoration and replacement, where possible, of any
natural resource damaged or destroyed by a discharge;

(3) Loss of income or impairment of earning capacity due to
damage to real or personal property, including natural resources
destroyed or damaged by a discharge; provided that such loss or impairment exceeds 10% of the amount which claimant derives, based upon income or business records, exclusive of other sources of income, from activities related to the particular real or personal property or natural resources damaged or destroyed by such discharge during the week, month or year for which the claim is filed;

(4) Loss of tax revenue by the State or local governments for a period of one year due to damage to real or personal property proximately resulting from a discharge;

(5) Interest on loans obtained or other obligations incurred by a claimant for the purpose of ameliorating the adverse effects of a discharge pending the payment of a claim in full as provided by this act.

b. The damages which may be recovered by the fund, without regard to fault, subject to the defenses enumerated in subsection d. of this section against the owner or operator of a major facility or vessel, shall not exceed $50,000,000.00 for each major facility or $150.00 per gross ton for each vessel, except that such maximum limitation shall not apply and the owner or operator shall be liable, jointly and severally, for the full amount of such damages if it can be shown that such discharge was the result of (1) gross negligence or willful misconduct, within the knowledge and privity of the owner, operator or person in charge, or (2) a gross or willful violation of applicable safety, construction or operating standards or regulations. Damages which may be recovered from, or by, any other person shall be limited to those authorized by common or statutory law.

c. (1) Any person who has discharged a hazardous substance, or is in any way responsible for any hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs no matter by whom incurred. Such person shall also be strictly liable, jointly and severally, without regard to fault, for all cleanup and removal costs incurred by the department or a local unit pursuant to subsection b. of section 7 of P.L.1976, c.141 (C.58:10-23.1lf).

(2) In addition to the persons liable pursuant to paragraph (1) of this subsection, in the case of a discharge of a hazardous substance from a vessel into the waters of the State, the owner or operator of a refinery, storage, transfer, or pipeline facility to which the vessel was en route to deliver the hazardous substance who, by contract, agreement, or otherwise, was scheduled to assume ownership of the discharged hazardous substance, and any other person who was so scheduled to assume ownership of the discharged hazardous substance, shall be strictly liable, jointly and severally, without regard to fault, for all
cleanup and removal costs if the owner or operator of the vessel did not have the evidence of financial responsibility required pursuant to section 2 of P.L.1991, c.58 (C.58:10-23.11g2).

Where a person is liable for cleanup and removal costs as provided in this paragraph, any expenditures made by the administrator for that cleanup and removal shall constitute a debt of that person to the fund. The debt shall constitute a lien on all property owned by that person when a notice of lien identifying the nature of the discharge and the amount of the cleanup, removal and related costs expended from the fund is duly filed with the clerk of the Superior Court. The clerk shall promptly enter upon the civil judgment or order docket the name and address of the liable person and the amount of the lien as set forth in the notice of lien. Upon entry by the clerk, the lien, to the amount committed by the administrator for cleanup and removal, shall attach to the revenues and all real and personal property of the liable person, whether or not that person is insolvent.

For the purpose of determining priority of this lien over all other claims or liens which are or have been filed against the property of an owner or operator of a refinery, storage, transfer, or pipeline facility, the lien on the facility to which the discharged hazardous substance was en route shall have priority over all other claims or liens which are or have been filed against the property. The notice of lien filed pursuant to this paragraph which affects any property of a person liable pursuant to this paragraph other than the property of an owner or operator of a refinery, storage, transfer, or pipeline facility to which the discharged hazardous substance was en route, shall have priority from the day of the filing of the notice of the lien over all claims and liens filed against the property, but shall not affect any valid lien, right, or interest in the property filed in accordance with established procedure prior to the filing of a notice of lien pursuant to this paragraph.

To the extent that a person liable pursuant to this paragraph is not otherwise liable pursuant to paragraph (1) of this subsection, or under any other provision of law or under common law, that person may bring an action for indemnification for costs paid pursuant to this paragraph against any other person who is strictly liable pursuant to paragraph (1) of this subsection.

Nothing in this paragraph shall be construed to extend or negate the right of any person to bring an action for contribution that may exist under P.L.1976, c.141, or any other act or under common law.

d. (1) In addition to those defenses provided in this subsection, an act or omission caused solely by war, sabotage, or God, or a combination thereof, shall be the only defenses which may be raised by any
owner or operator of a major facility or vessel responsible for a discharge in any action arising under the provisions of this act.

(2) A person, including an owner or operator of a major facility, who owns real property acquired after the effective date of P.L. 1993, c.139 (C.13:1K-9.6 et al.), on which there has been a discharge, shall be considered a person in any way responsible for the discharged hazardous substance pursuant to subsection c. of this section, unless that person can establish by a preponderance of the evidence that all of the following apply:

(a) the person acquired the real property after the discharge of that hazardous substance at the real property;

(b) (i) at the time the person acquired the real property, the person did not know and had no reason to know that any hazardous substance had been discharged at the real property, or (ii) the person acquired the real property by devise or succession, except that any other funds or property received by that person from the deceased real property owner who discharged a hazardous substance or was in any way responsible for a hazardous substance, shall be made available to satisfy the requirements of P.L.1976, c.141;

(c) the person did not discharge the hazardous substance and is not in any way responsible for the hazardous substance; and

(d) the person gave notice of the discharge to the department upon actual discovery of that discharge.

To establish that a person had no reason to know that any hazardous substance had been discharged for the purposes of this paragraph (2), the person must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property. For the purposes of this paragraph (2), all appropriate inquiry shall mean the performance of a preliminary assessment, and site investigation (if the preliminary assessment indicates that a site investigation is necessary), as defined in section 23 of P.L.1993, c.139 (C.58:10B-1), and performed in accordance with rules and regulations promulgated by the department defining these terms.

Nothing in this paragraph (2) shall be construed to alter liability of any person who acquired real property prior to the effective date of P.L.1993, c.139 (C.13:1K-9.6 et al.).

(3) Notwithstanding the provisions of paragraph (2) of this subsection to the contrary, if a person who owns real property obtains actual knowledge of a discharge of a hazardous substance at the real property during the period of that person's ownership and subsequently transfers ownership of the property to another person without disclosing that knowledge, the transferor shall be strictly liable for the cleanup
and removal costs of the discharge and no defense under this subsection shall be available to that person.

(4) Any federal, State, or local governmental entity which acquires ownership of real property through bankruptcy, tax delinquency, abandonment, escheat, eminent domain, condemnation or any circumstance in which the government involuntarily acquires title by virtue of its function as sovereign, shall not be liable for the cleanup and removal costs of any discharge which occurred or began prior to that ownership. This paragraph shall not apply to any federal, State or local governmental entity which has caused or contributed to the discharge of a hazardous substance.

e. (1) If the Department of Environmental Protection issues a no further action letter or approves a remedial action workplan after the effective date of P.L. 1996, c.62 (C.55:19-20 et al.) for a site at which a discharge occurred prior to or after the effective date of P.L. 1996, c.62 (C.55:19-20 et al.), then any person who is not otherwise liable for any discharge at the site which occurred prior to the department's approval of the no further action letter or remedial action workplan shall not be liable for the discharge based solely on that person becoming an owner or operator of the site of the discharge after the discharge has occurred. For the purposes of this paragraph, a site shall constitute the real property defined in the remedial action workplan or, if no remedial action workplan is required, the no further action letter. The provisions of this paragraph shall only apply when the site is located in a qualified municipality as defined pursuant to section 3 of P.L. 1996, c.62 (C.55:19-22) and there is continued compliance with all of the conditions of the no further action letter, the remedial action workplan and all applicable engineering and institutional controls.

(2) The fund established pursuant to the "Spill Compensation and Control Act," P.L. 1976, c.141 (C.58:10-23.11 et seq.), shall not be liable for any damages incurred by any person who is relieved from liability pursuant to this subsection.

57. a. Where a person who is performing a remediation on real property located in a qualified municipality, as defined by section 3 of P.L. 1996, c.62 (C.55:19-22) and who has entered into a memorandum of agreement with the department, subsequently submits to the department documents relating to the remediation of that property, the department shall:
(1) review those documents in a timely fashion and provide approval, disapproval or conditional approval, as required by section 58 of P.L.1996, c.62 (C.55:19-72), and
(2) provide in writing to that person a document detailing the basis for any disapproval or conditional approval.

b. Where a person who is performing a remediation on real property located in a qualified municipality, as defined by section 3 of P.L.1996, c.62 (C.55:19-22) and who has entered into a memorandum of agreement with the department, subsequently submits to the department a remedial action workplan which proposes innovative technologies, the department shall:
(1) review the remedial action workplan in a timely fashion and provide approval, disapproval or conditional approval, as required by section 58 of P.L.1996, c.62 (C.55:19-72), and
(2) provide in writing to that person a document detailing the basis for any disapproval or conditional approval.

C.55:19-72 Urban Site Remediation Coordinator.

58. a. The Commissioner of Environmental Protection shall appoint an Urban Site Remediation Coordinator. The coordinator shall be responsible for the oversight and approval of site remediations conducted in areas designated as empowerment neighborhoods pursuant to sections 45 to 55 of P.L.1996, c.62 (C.55:19-60 to C.55:19-70). The Commissioner of Environmental Protection shall vest in the coordinator sufficient authority to properly manage the timely approval of site remediation activities in empowerment neighborhoods. The coordinator shall report directly to the commissioner. The coordinator shall meet regularly with the commissioner to ensure the proper and efficient coordination of these projects.

b. Upon the submittal of the administratively and technically complete and accurate results of a phase of a remediation required to be submitted that requires the department's review and approval in order to comply with the applicable laws and regulations concerning a site remediation conducted in an area designated as an empowerment neighborhood, the department shall review and approve, approve with conditions, or disapprove the submission or other documents within the following time frames:
(1) preliminary assessment - 15 days;
(2) site investigation - 15 days;
(3) remedial investigation workplan - 30 days;
(4) remedial investigation report - 60 days;
(5) remedial action workplan - 90 days;
(6) remedial action progress reports - 30 days;
(7) remedial action final report - 45 days.

59. Financial assistance pursuant to this act may be rendered only for that amount of the cost of a remediation for which the person cannot establish a remediation funding source.

(2) Financial assistance rendered to persons who voluntarily undertake a remediation may only be made for that amount of the cost of the remediation that the person cannot otherwise fund by any of the authorized methods to establish a remediation funding source.

b. Financial assistance may be rendered from the remediation fund to (1) owners or operators of industrial establishments who are required to perform remediation activities pursuant to P.L.1983, c.330 (C.13:1K-6 et al.), upon closing operations or prior to the transfer of ownership or operations of an industrial establishment, (2) persons who have discharged a hazardous substance or who are in any way responsible for a hazardous substance pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), and (3) persons who voluntarily undertake the remediation of a discharge of a hazardous substance or hazardous waste and who have not been ordered or directed to perform the remediation by the department or by a court.

any such real property upon which the New Jersey Redevelopment Authority owns or holds the tax sale certificate.

d. For the purposes of this section, "person" shall include the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.).

65. Section 28 of P.L.1993, c.139 (C.58:10B-6) is amended to read as follows:

C.58:10B-6 Financial assistance and grants from the fund; allocations.

28. a. Except for moneys deposited in the remediation fund for specific purposes, financial assistance and grants from the remediation fund shall be rendered for the following purposes and, on an annual basis, obligated in the percentages as provided in this subsection. Upon a written joint determination by the authority and the department that it is in the public interest, financial assistance and grants dedicated for the purposes and in the percentages set forth in paragraph (1), (2), or (3) of this subsection, may, for any particular year, be obligated to other purposes set forth in this subsection. The written determination shall be sent to the Senate Environment Committee, and the Assembly Agriculture and Waste Management Committee, or their successors. For the purposes of this section, "person" shall include the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.).

(2) At least 10% of the moneys shall be allocated for financial assistance and grants to municipal governmental entities that hold a tax sale certificate on real property or have acquired through foreclosure or other similar means real property on which there has been or on which there is suspected of being a discharge of hazardous substances or hazardous wastes or the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), for any such
real property upon which the New Jersey Redevelopment Authority owns or holds the tax sale certificate. Grants shall be used for performing preliminary assessments, site investigations, and remedial investigations on property acquired by a municipal governmental entity or the New Jersey Redevelopment Authority, as the case may be, or on which the municipality or the New Jersey Redevelopment Authority owns or holds a tax sale certificate, in order to determine the existence or extent of any hazardous substance or hazardous waste contamination on those properties. A municipal governmental entity that has performed a preliminary assessment, site investigation and remedial investigation on property or the New Jersey Redevelopment Authority, in any case where the New Jersey Redevelopment Authority has performed the preliminary assessment, site investigation, and remedial investigation may obtain a loan for the purpose of continuing the remediation on those properties it owns as necessary to comply with the applicable remediation standards adopted by the department;

(3) At least 15% of the moneys shall be allocated for financial assistance to persons, including the New Jersey Redevelopment Authority, or municipal governmental entities for remediation activities at sites that have been contaminated by a discharge of a hazardous substance or hazardous waste, or at which there is an imminent and significant threat of a discharge of a hazardous substance or hazardous waste, and the discharge or threatened discharge poses or would pose an imminent and significant threat to a drinking water source, to human health, or to a sensitive or significant ecological area;

(4) At least 10% of the moneys shall be allocated for financial assistance to persons, other than municipal governmental entities, who voluntarily undertake the remediation of a hazardous substance or hazardous waste discharge, and who have not been ordered to undertake the remediation by the department or by a court;

(6) At least 20% of the moneys shall be allocated for grants to persons, other than municipal governmental entities, who own real property upon which there has been a discharge of a hazardous substance or a hazardous waste and that person qualifies for an innocent party grant. A person qualifies for an innocent party grant if that person acquired the property prior to December 31, 1983, except as provided
hereunder, the hazardous substance or hazardous waste that was discharged at the property was not used by the person at that site, and that person certifies that he did not discharge any hazardous substance or hazardous waste at an area where a discharge is discovered; provided, however, that if the person is the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.), the authority shall qualify for an innocent party grant pursuant to this paragraph where the immediate predecessor in title to the authority qualified for but failed to receive such grant. A grant authorized pursuant to this paragraph may be for up to 50% of the remediation costs at the area of concern for which the person qualifies for an innocent party grant, except that no grant awarded pursuant to this paragraph to any person including the New Jersey Redevelopment Authority may exceed $1,000,000.

(7) At least 5% of the moneys shall be allocated for loans to persons, other than municipal governmental entities, who own and plan to remediate an environmental opportunity zone for which an exemption from real property taxes has been granted pursuant to section 5 of P.L.1995, c.413 (C.54:4-3.154); and

(8) Five percent of the moneys in the remediation fund shall be allocated for financial assistance or grants for any of the purposes enumerated in paragraphs (1) through (7) of this subsection, except that where moneys in the fund are insufficient to fund all the applications in any calendar year that would otherwise qualify for financial assistance or a grant pursuant to this paragraph, the authority shall give priority to financial assistance applications that meet the criteria enumerated in paragraph (3) of this subsection.

b. Loans issued from the remediation fund shall be for a term not to exceed ten years, except that upon the transfer of ownership of any real property for which the loan was made, the unpaid balance of the loan shall become immediately payable in full. Loans to municipal governmental entities and the New Jersey Redevelopment Authority established pursuant to P.L.1996, c.62 (C.55:19-20 et al.) shall bear an interest rate equal to 2 points below the Federal Discount Rate at the time of approval or at the time of loan closing, whichever is lower, except that the rate shall be no lower than 3 percent. All other loans shall bear an interest rate equal to the Federal Discount Rate at the time of approval or at the time of the loan closing, whichever is lower, except that the rate on such loans shall be no lower than five percent. Financial assistance and grants may be issued for up to 100% of the estimated applicable remediation cost, except that the cumulative maximum amount of financial assistance which may be issued to a
person other than a governmental entity, including the New Jersey Redevelopment Authority, in any calendar year, for one or more properties, shall be $1,000,000. Financial assistance and grants to any one municipal governmental entity, including the New Jersey Redevelopment Authority, may not exceed $2,000,000 in any calendar year. Repayments of principal and interest on the loans issued from the remediation fund shall be paid to the authority and shall be deposited into the remediation fund.

c. No person, other than a municipal governmental entity, the New Jersey Redevelopment Authority or a person engaging in a voluntary remediation, shall be eligible for financial assistance from the remediation fund to the extent that person is capable of establishing a remediation funding source for the remediation as required pursuant to section 25 of P.L.1993, c.139 (C.58:10B-3).

d. The authority may use a sum that represents up to 2% of the moneys issued as financial assistance or grants from the remediation fund each year for administrative expenses incurred in connection with the operation of the fund and the issuance of financial assistance and grants.

e. Prior to March 1 of each year, the authority shall submit to the Senate Environment Committee and the Assembly Agriculture and Waste Management Committee, or their successors, a report detailing the amount of money that was available for financial assistance and grants from the remediation fund for the previous calendar year, the amount of money estimated to be available for financial assistance and grants for the current calendar year, the amount of financial assistance and grants issued for the previous calendar year and the category for which each financial assistance and grant was rendered, and any suggestions for legislative action the authority deems advisable to further the legislative intent to facilitate remediation and promote the redevelopment and use of existing industrial sites.

66. Section 29 of P.L.1993, c.139 (C.58:10B-7) is amended to read as follows:

C.58:10B-7 Awarding of financial assistance, grants, priorities.

29. a. A qualified applicant for financial assistance or a grant from the remediation fund shall be awarded financial assistance or a grant by the authority upon the availability of sufficient moneys in the remediation fund for the purpose of the financial assistance or grant. Priority for awarding financial assistance and grants from the remediation fund shall be based upon the date of receipt by the
authority of a complete application from the applicant. If an application is determined to be incomplete by the authority, an applicant shall have 30 days from receipt of written notice of incompleteness to file any additional information as may be required by the authority for a completed application. If an applicant fails to file the additional information within those 30 days, the filing date for that application shall be the date that the additional information is received by the authority. An application shall be deemed complete when all the information required by the authority has been received in the required form. Notwithstanding that the New Jersey Redevelopment Authority is eligible for grants and financial assistance from the fund, the authority shall be awarded a grant or financial assistance based upon the priority system for such awards as provided in this subsection.

b. Within 90 days, for a private entity, or 180 days for a municipal governmental entity or the New Jersey Redevelopment Authority, of notice of approval of a financial assistance or grant application, an applicant shall submit to the authority an executed contract for the remediation activities for which the financial assistance or grant application was made. The contract shall be consistent with the terms and conditions for which the financial assistance or grant was rendered. Failure to submit an executed contract within the time provided, without good cause, shall constitute grounds for the alteration of an applicant's priority ranking for the awarding of financial assistance or a grant.

C.17:22-6A2 Procurement of surplus line coverages; conditions.

8. If certain insurance coverages of subjects resident, located, or to be performed in this State cannot be procured from authorized insurers, such coverages, hereinafter designated "surplus lines," may be procured from unauthorized insurers, subject to the following conditions:

(a) The insurance must be eligible for export under section 9 of P.L.1960, c.32 (C.17:22-6.43);

(b) The insurer must be an eligible surplus lines insurer under section 11 of P.L.1960, c.32 (C.17:22-6.45);

(c) The insurance must be so placed through a licensed New Jersey surplus lines agent whose office and records are maintained in New Jersey; and

(d) Other applicable provisions of this surplus lines law must be complied with.

(e) No surplus lines agent shall exercise binding authority in this State on behalf of any insurer unless the agent has first filed with the commissioner for informational purposes and not for the purpose of approval or disapproval the written agreement between the agent and the insurer setting forth the terms, conditions and limitations governing the exercise of the binding authority by the agent. A copy of any amendments to the agreement and of any notice of cancellation or termination of the agreement shall be filed by the agent with the commissioner no later than 10 days after adoption thereof.

The agreement filed pursuant to this section shall be considered and treated as a confidential document, and shall not be available for inspection by the public.

The agreement shall include the following items:

(1) A description of the classes of insurance for which the agent holds binding authority;

(2) The geographical limits upon the exercise of binding authority by the agent;

(3) The maximum dollar limitation on the binding authority of the agent for any one risk for each class of insurance written by the agent;

(4) The maximum policy period for which the agent may bind a risk;

(5) If the binding authority is delegable by the agent, a prohibition against the delegation without the prior written approval of the insurer.
CHAPTER 69, LAWS OF 1996

If an agent who is qualified in accordance with this section to exercise binding authority on behalf of an insurer delegates the binding authority to any other agent, the agent to whom the authority is delegated shall not exercise the same until a copy of the instrument delegating the binding authority shall first have been filed with the commissioner for informational purposes and not for the purpose of approval or disapproval. The instrument delegating the binding authority shall include an identification of the binding authority agreement between the delegating agent and the insurer.

3. Section 9 of P.L.1960, c.32 (C.17:22-6.43) is amended to read as follows:

C.17:22-6.43 Eligibility for export of insurance coverage; conditions.

9. No insurance coverage shall be eligible for export unless it meets all of the following conditions:

(a) The insurance coverage required must not be procurable, after a diligent effort has been made to do so, from among the insurers authorized to transact that kind and class of insurance in this State, and the insurance coverage exported shall be only that coverage not so procurable from authorized insurers, provided, however, that associated commercial general liability and commercial property coverages may be exported along with such unprocurable coverage; and

(b) The premium rate at which the coverage is exported shall not be lower than the lowest rate which has been filed by or on behalf of any authorized insurer, provided, however, that any reduction in coverage or limits as compared to policies filed by authorized insurers may be exported at a commensurate reduction in premium rate; and

(c) The policy form or contract under which the insurance is written shall provide coverage under substantially the same terms and conditions as that provided in policy forms or contracts which are currently approved by the commissioner for use in the admitted market for the same line or lines of insurance. Notwithstanding the foregoing, the surplus lines agent may file with the commissioner a policy form or contract which modifies the coverage provided for in forms approved in the admitted market if the modification meets one of the following criteria: (1) the modification is reasonable giving consideration to past and prospective loss experience of the risk or risks to be insured and the modification facilitates the availability of coverage for such risk or risks which coverage would otherwise not be available at a reasonable cost; or (2) the modification renders the form unique and designed for use with respect to a particular subject of insurance.

At least 30 days before the effective date of any type of policy form or contract which deviates from the standard form, a surplus lines agent shall
file the policy form or contract with the commissioner, together with a
statement which sets forth the manner in which the form deviates from the
standard form or a previously filed form, in accordance with the criteria set
forth in paragraph (1) or (2) of this subsection, and the reasons for the
deviation. If, following the filing of the policy form or contract the
commissioner finds that it does not meet the criteria set forth in this
subsection, he may order that the policy form or contract be disapproved or
withdrawn and that no such policy forms or contracts thereafter be issued
or renewed.

Except, that the commissioner shall by rules and regulations declare
eligible for export generally and notwithstanding the provisions of subsec­
tions (a), (b) and (c) above, any class or classes of insurance coverage or risk
for which he finds, after a hearing, which he shall hold annually or more
often, of which notice thereof was given to each insurer authorized to
transact such class or classes in this State, that there is no reasonable or
adequate market among authorized insurers. The notice of such hearing
shall also identify any type of policy form or contract which deviates from
the standard form approved in the admitted market that has been disap­
proved or withdrawn by the commissioner during the preceding year, and
shall provide interested parties with the opportunity to present relevant
information at the hearing for the commissioner's consideration. Any such
rules and regulations shall continue in effect during the existence of the
conditions upon which predicated, but subject to earlier termination by the
commissioner. The commissioner shall notify all surplus lines agents of such
termination.

4. Section 11 of P.L.1960, c.32 (C.17:22-6.45) is amended to read as
follows:

C.17:22-6A5 Eligibility as surplus
insurer.

11. No surplus lines agent shall place any coverage with any unautho­
rized insurer which is not then an eligible surplus lines insurer as provided
for under this section. No unauthorized insurer shall be or become an
eligible surplus lines insurer unless made eligible by the commissioner in
accordance with the following conditions:

(a) Eligibility of the insurer must be requested in writing by a licensed
surplus lines agent;

(b) The insurer must be currently an authorized insurer in the state or
country of its domicile as to the kind or kinds of insurance proposed to be
so placed, and must have been such an insurer for not less than one full year
preceding; or must be the subsidiary of an admitted insurer or of an already
eligible surplus lines insurer that has been so admitted or eligible for a period of not less than one full year preceding;

(c) Before granting eligibility the requesting surplus lines agent or the insurer shall furnish the commissioner with duly authenticated copies of its current annual financial statement, one in the language and monetary values of the country of the insurer, and the other in the English language and with all monetary values therein expressed in United States dollars, at the current exchange rate shown in the statement, and with such additional information relative to the insurer as the commissioner may require;

(d) The insurer shall establish satisfactory evidence of financial integrity, and:

(1) Have capital and surplus, or its equivalent under the laws of its domiciliary jurisdiction, which is not less than twice the amount of minimum capital and surplus required for like admitted insurers or $15,000,000, whichever is greater; except that unauthorized insurers already eligible under this act shall have at least $10,000,000 by December 31, 1996; at least $12,500,000 by December 31, 1997; and $15,000,000 by December 31, 1998. In addition, an alien insurer shall maintain in the United States, as the sole security requirement to qualify for eligibility in this State, an irrevocable trust fund in a state or federally chartered bank in an amount not less than $2,500,000 for the protection of all of its policyholders in the United States; provided, however, that an alien insurer eligible for surplus lines may be required to deposit securities in New Jersey in an amount deemed appropriate by the commissioner as a condition of maintaining its eligibility status. The trust fund shall consist of cash, securities, letters of credit, or of investments of substantially the same character and quality as those which are eligible investments for the capital and statutory reserves of admitted insurers authorized to write like kinds of insurance in this State. The trust fund shall not be included in any calculation of capital and surplus or its equivalent and shall have an expiration date which at no time shall be less than five years. In lieu of the above capital and surplus requirements, and trust fund amount, any Lloyd's or other similar group of alien insurers, which group includes unincorporated individual insurers shall maintain a trust fund of not less than $50,000,000.00 as security to the full amount thereof for all policyholders and creditors in the United States of each member of the group, and the trust shall likewise comply with the terms and conditions hereinabove set forth. The credit for reinsurance requirements of sections 2 and 3 of P.L.1993, c.243 (C.17:51B-2 and 17:51B-3) shall not apply to an eligible alien surplus lines insurer that appears on the quarterly listing prepared by the International Insurers Department (IID) of the National Association of Insurance Commissioners and that provides the commissioner annually with a copy of such insurer's current Schedule R.
filing and such other information concerning ceded reinsurance that the
International Insurers Department or the commissioner may from time to
time require. Any insurance exchange created by the laws of an individual
state may be approved by the commissioner as an eligible insurer under the
provisions of this section, and shall maintain capital and surplus, or the
substantial equivalent thereof, of not less than $35,000,000.00 in the
aggregate. For insurance exchanges which maintain funds in an amount
acceptable to the commissioner for the protection of all insurance exchange
policyholders, each individual syndicate, except those syndicates which have
elected and qualify for S corporation status pursuant to subsection (a) of
section 1362 of the federal Internal Revenue Code of 1986, 26
U.S.C.§1362, shall maintain minimum capital and surplus, or the substantial
equivalent thereof, of not less than $2,000,000.00. Any syndicate which has
elected and qualified for S corporation status pursuant to subsection (a) of
section 1362 of the federal Internal Revenue Code of 1986, 26
U.S.C.§1362, need not maintain the minimum capital and surplus required
under the provisions of this section and the failure of any such syndicate to
meet these minimum requirements shall not render the exchange ineligible
for approval under this section; except that so long as such syndicate fails to
maintain the minimum capital and surplus required under the provisions of
this section, such syndicate shall not transact the business of insurance in this
State and shall not be approved by the commissioner as an eligible insurer
under the provisions of this section. In the event the insurance exchange
does not maintain funds in an amount acceptable to the commissioner for the
protection of all insurance exchange policyholders, each individual syndicate
shall have capital and surplus, or its equivalent under the laws of its
domiciliary jurisdiction, which is not less than twice the amount of minimum
capital and surplus required for like admitted insurers. No insurance
exchange approved as an eligible insurer by the commissioner shall be a
member of the New Jersey Surplus Lines Insurance Guaranty Fund created
pursuant to P.L.1984, c.101 (C.17:22-6.70 et seq.) nor shall any claim
against an exchange be deemed to be a covered claim pursuant to the
provision of that act; and

(2) Have caused to be provided to the commissioner a copy of its
current annual statement certified by the insurer, which, relative to the
period reported upon, is no more than 18 months old, and which is either:
(A) filed with and approved by the regulatory authority in the domicile of the
unauthorized insurer; or (B) certified by an accounting or auditing firm
licensed in the jurisdiction of the insurer's domicile. In the case of an
insurance exchange, the statement may be an aggregate combined statement
of all underwriting syndicates operating during the period reported upon;
(e) The condition or methods of operation of the insurer must not be such as would render its operation hazardous to the public or its policyholders in this State;

(f) The insurer must be of good reputation as to the providing of service to its policyholders and the payment of losses and claims;

(g) No insurer shall be eligible the management of which is found by the commissioner to be incompetent or untrustworthy, or so lacking in insurance company managerial experience as to make the proposed operation hazardous to the insurance-buying public; or which the commissioner has good reason to believe is affiliated directly or indirectly through ownership, control, reinsurance transactions or other insurance or business relations, with any person or persons whose business operations are or have been detrimental to policyholders, stockholders, investors, creditors or to the public;

(h) No insurer shall be eligible the voting control or ownership of which is held in whole or substantial part by any government or governmental agency, or which is operated for or by any such government or agency. Membership in a mutual insurer, or subscribership in a reciprocal insurer, or ownership of stock of an insurer by the alien property custodian or similar official of the United States, or supervision of an insurer by public insurance supervisory authority shall not be deemed to be an ownership, control, or operation of the insurer for the purposes of this subsection;

(i) The insurer shall constitute, by a duly executed instrument filed with the department, the commissioner and his successor in office its true and lawful attorney, upon whom all original process in any action or legal proceeding against it may be served, and therein agree that any original process against it which may be served upon the commissioner shall be of the same force and validity as if served on the insurer, and that the authority thereof shall continue in force irrevocable so long as any liability of the insurer remains outstanding in this State.

The commissioner shall annually publish a list of all currently eligible surplus lines insurers, and shall mail a copy thereof to each licensed surplus lines agent at his office last of record with the commissioner.

This section shall not be deemed to cast upon the commissioner any duty or responsibility to determine the actual financial condition or claims practices of any unauthorized insurer; and the status of eligibility, if granted by the commissioner, shall indicate only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the commissioner has no credible evidence to the contrary.

Where it appears that any particular insurance risk which is eligible for export, but insurance coverage thereon, in whole or in part, is not procurable from the eligible surplus lines insurers, then the surplus lines agent may file
a supplemental affidavit stating such facts and advising the commissioner that such part of the risk as shall be unprocurable, as aforesaid, is being placed with named unauthorized insurers, in the amounts and percentages set forth in the affidavit. Such named unauthorized insurer shall, however, before accepting any risk in this State, deposit with the commissioner United States government bonds in an amount acceptable to the commissioner, which shall be held by said commissioner for the benefit of New Jersey policyholders only and the surplus lines agent shall procure from such unauthorized insurer and file with the commissioner a certified copy of its current annual statement of financial condition. If such deposit is made and the statement reveals, including both capital and surplus, net assets of at least $5,000,000 consisting of at least $1,500,000 liquid assets, then the surplus lines agent may proceed to consummate the contract of insurance. Whenever any insurance risk or any part thereof is placed with an unauthorized insurer, as provided herein, the policy, binder or cover note shall bear conspicuously on its face in boldface type the following notation:

"All or some of the insurers participating in this risk have not been admitted to transact business in the State of New Jersey, nor have they been approved as a surplus lines insurer by the insurance commissioner of this State. The placing of such insurance by a duly licensed surplus lines agent in this State shall not be construed as approval of such insurer by the insurance commissioner of the State of New Jersey. Such insurance is not covered by the New Jersey Property-Liability Insurance Guaranty Association or the New Jersey Surplus Lines Insurance Guaranty Fund." All other provisions of this Title, except the provisions of P.L.1984, c.101 (C.17:22-6.70 et seq.), shall apply to such placement the same as if such risks were placed with an eligible surplus lines insurer.

5. Section 13 of P.L.1960, c.32 (C.17:22-6.47) is amended to read as follows:

C.17:22-6.47 Submission of affidavit, certification to surplus lines agent.

13. Within 30 business days after the effectuation of any surplus lines insurance the originating broker shall submit to the surplus lines agent an affidavit or certification by the broker, on a form prescribed and furnished by the commissioner, as to efforts made to place the coverage with authorized insurers and the results thereof, except that no such affidavit or certification shall be required for those coverages, risks or classes of insurance declared eligible for export by the commissioner pursuant to section 9 of P.L.1960, c.32 (C.17:22-6.43). The affidavit or certification shall be maintained in the files of the broker and the surplus lines agent and
shall be available for inspection by the commissioner for a period of at least five years.

A broker who fails to submit the affidavit or certification to the surplus lines agent within the prescribed time is subject to the penalties provided under section 27 of P.L.1960, c.32 (C.17:22-6.61).

6. Section 23 of P.L.1960, c.32 (C.17:22-6.57) is amended to read as follows:

**C.17:22-6.57 Record of surplus lines contract procured.**

23. Each surplus lines agent shall keep in his office in this State a full and true record of each surplus lines contract procured by him, including a copy of the daily report, if any, and showing such of the following items as may be applicable:

   (a) Amount of the insurance and perils insured against;
   (b) Brief general description of property insured and where located;
   (c) Gross premium charged;
   (d) Return premium paid, if any;
   (e) Rate of premium charged upon the several items of property;
   (f) Effective date of the contract, and the terms thereof;
   (g) Name and post-office address of the insured;
   (h) Name and home office address of the insurer;
   (i) Amount collected from the insured; and
   (j) Other information as may be required by the commissioner.

The record shall at all times be open to examination by the commissioner without notice, and shall be so kept available and open to the commissioner for five years next following expiration or cancellation of the contract.

7. Section 24 of P.L.1960, c.32 (C.17:22-6.58) is amended to read as follows:

**C.17:22-6.58 Verified report of surplus lines insurance transacted.**

24. Each surplus lines agent shall within 45 calendar days after the end of each calendar quarter file with the commissioner a verified report in duplicate of all surplus lines insurance transacted by him during such calendar quarter.

The report shall be on forms as prescribed and furnished by the commissioner and shall show:

   (a) Gross amount of each kind of insurance transacted;
   (b) Aggregate gross premiums charged;
   (c) Aggregate of returned premiums and taxes paid to insureds;
   (d) Aggregate of net premiums; and
   (e) Additional information as required by the commissioner.
8. Section 25 of P.L. 1960, c.32 (C.17:22-6.59) is amended to read as follows:

C.17:22-6.59 Premium receipts tax for surplus lines coverages.

25. The premiums charged for surplus lines coverages are subject to a premium receipts tax of 3% of all gross premiums less any return premiums charged for such insurance. The surplus lines agent shall collect from the insured, either directly or through the originating broker, the amount of the tax, in addition to the full amount of the gross premium charged by the insurer for the insurance; provided, however, that the tax on any unearned portion of the premium shall be returned to the policyholder by the surplus lines agent. The surplus lines agent is prohibited from absorbing such tax, or, as an inducement for insurance or for any other reason, rebating all or any part of such tax or of his commission.

The surplus lines agent shall forward to the commissioner together with his quarterly report submitted pursuant to section 24 of P.L. 1960, c.32 (C.17:22-6.58) a check in the amount of the premium receipts tax due for that period made out to "the State of New Jersey," except that where the policies cover fire insurance on property in any municipality or portion of a township, or fire district in this State, which now has or may hereafter have, a duly incorporated firemen's relief association, the premium receipts tax covering such insurance shall be paid to the treasurer of the association.

The tax imposed hereunder, if delinquent, shall be subject to the provisions of R.S. 54:49-3 and R.S. 54:49-4.

The check covering taxes paid under the provisions of this act shall be forwarded by the commissioner to the Director of the Division of Taxation and that portion of the premiums representing fire insurance shall be distributed by him in the amount now or hereafter provided by law as to taxes collected by him from fire insurance companies of other states and foreign countries. The commissioner shall ascertain and report to the Director of the Division of Taxation all facts necessary to enable the director to ascertain, fix and collect the amount of the tax to be paid by each licensee subject thereto under this act.

If a surplus lines policy covers risks or exposures only partially in this State, the tax payable shall be computed on the portion of the premium which is properly allocable to the risks or exposures located in this State.

This section does not apply as to insurance of or with respect to insurance of risks of the State Government or its agencies, or of any county or municipality or of any agency thereof.
9. Section 27 of P.L.1960, c.32 (C.17:22-6.61) is amended to read as follows:

C.17:22-6.61 Suspension, revocation, refusal to renew license of surplus lines agent.

27. The commissioner may suspend, revoke, or refuse to renew the license of a surplus lines agent and all other licenses and permits held by the licensee under this Title, upon any one or more of the following grounds:

(a) Removal of the licensee's office from the State;
(b) Removal of the accounts and records of his surplus lines business from this State during the period when such accounts and records are required to be maintained under section 23 of P.L.1960, c.32 (C.17:22-6.57);
(c) Closure of the licensee's office for a period of more than 30 consecutive days, unless granted permission by the commissioner upon showing circumstances warranting such closure for a longer period;
(d) Failure to make and file his quarterly reports when due as required by section 24 of P.L.1960, c.32 (C.17:22-6.58);
(e) Failure to pay the tax on surplus lines premiums, as provided for in this surplus lines law;
(f) Failure to maintain the bond as required by section 14 of P.L.1987, c.293 (C.17:22A-14);
(g) Suspension, revocation or refusal to renew any other license issued by the commissioner;

(h) Lack of qualifications as for an original surplus lines agent's license;
(i) Violation of any provision of this surplus lines law;
(j) For any other cause for which a license could be denied, revoked, suspended or renewal refused under section 17 of P.L.1987, c.293 (C.17:22A-17).

In addition to the foregoing penalties set forth in this section, any person, persons or corporation violating any of the provisions of this act shall be liable to a penalty not exceeding $2,500 for the first offense and not exceeding $5,000 for each succeeding offense to be recovered in a summary proceeding as provided in R.S.17:33-2.

10. Section 29 of P.L.1960, c.32 (C.17:22-6.63) is amended to read as follows:

C.17:22-6.63 Lawsuits against unauthorized insurer.

29. An unauthorized insurer which has not been made eligible as a surplus lines insurer by the commissioner in accordance with section 11 of P.L.1960, c.32 (C.17:22-6.45) may be sued upon any cause of action arising in this State under any surplus lines insurance contract issued by it or certificate, cover note or other confirmation of such insurance issued by the
surplus lines agent, pursuant to the same procedure as is provided in the Unauthorized Insurers' Process Act, P.L.1952, c.330 (C.17:51-1 et seq.).

Any such policy issued by the insurer, or any certificate of insurance issued by the surplus lines agent, shall contain a provision stating the substance of this section and designating the person to whom the commissioner shall mail process.

This section shall be cumulative to any other methods which may be provided by law for service of process upon the insurer.

11. Section 30 of P.L.1960, c.32 (C.17:22-6.64) is amended to read as follows:

C.17:22-6.64 Report of insurance through unauthorized foreign, alien insurer.

30. Every insured who in this State procures or causes to be procured or continues or renews insurance with an unauthorized foreign or alien insurer, or any insured or self-insurer who procures or continues excess loss, catastrophe or other insurance, upon a subject of insurance resident, located or to be performed within this State, other than insurance procured through a surplus lines agent pursuant to the surplus lines law of this State or exempted from tax under section 25 of P.L.1960, c.32 (C.17:22-6.59), shall within 30 days after the date such insurance was so procured, continued, or renewed, file a report of the same with the commissioner in writing and upon forms designated by the commissioner and furnished to such an insured upon request. The report shall show the name and address of the insured or insureds, name and address of the insurer, the subject of the insurance, a general description of the coverage, the amount of premium currently charged therefor, and such additional pertinent information as is reasonably requested by the commissioner.

Any insurance in an unauthorized insurer procured through negotiations or an application, in whole or in part occurring or made within or from within this State, or for which premiums in whole or in part are remitted directly or indirectly from within this State, shall be deemed to be insurance procured, or continued or renewed in this State within the intent of this section.

There is hereby levied upon the obligation, chose in action, or right represented by the premium charged for such insurance, a tax at the rate of 3% of the gross amount of such premium less any return premiums charged for such insurance. Within 30 days after the insurance was so procured, continued or renewed, and coincidentally with the filing with the commissioner of the report provided for in this section, the insured shall pay the amount of the tax to the commissioner, who, after reviewing the above report, shall turn over the amount of the tax to the Director of the Division

director to ascertain and fix the proper amount of the tax.

the same to the commissioner within the time specified in this section.

The tax imposed hereunder if delinquent shall be subject to the

The tax shall be collectible from the insured by civil action brought by
the commissioner.

The amount of taxes paid to the Director of the Division of Taxation
under the provisions of this section on premiums for fire insurance shall be
distributed by him in the manner now or hereafter provided by law as to
taxes collected by him from fire insurance companies of other states and
foreign countries.

This section does not abrogate or modify, and shall not be construed or

CHAPTER 70

AN ACT authorizing the creation of a debt of the State of New Jersey by issuance of bonds of the State in the aggregate principal amount of $300,000,000 to provide moneys for the construction of subaqueous
pits and a containment facility or facilities for the disposal of dredged material from the New Jersey/New York port region; for the costs of projects related to the decontamination of dredged material; for the dredging of the Kill Van Kull, the Arthur Kill, and other navigational channels located in the port region; for the dredging of navigational waterways not located in the port region; for the remediation of hazardous discharge sites and contaminated water supplies; for the restoration of lakes; and for the construction of economic development sites in the Delaware River and Bay Region; providing the ways and means to pay and discharge the principal and interest thereof; providing for the submission of this act to the people at a general election; and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Port of New Jersey Revitalization, Dredging, Environmental Cleanup, Lake Restoration, and Delaware Bay Area Economic Development Bond Act of 1996."

2. The Legislature finds and declares that the sand, silt and mud, which naturally accumulate in the navigation channels and ship berths in the port area of northern New Jersey and New York City must be dredged on a regular basis to ensure the continued economic viability of the shipping and trade industry, which creates more than 200,000 direct and indirect jobs, provides more than $20 billion in regional economic benefits and generates salaries and wages in excess of $5 billion; that while the economic importance of dredging is significant, it must be recognized that dredged material is often contaminated with harmful and dangerous substances; that in order to enjoy the economic benefits provided by an accessible port, an economically viable and long-term solution to the problem of dredged material disposal must be found; and that it is therefore in the public interest to provide a funding mechanism to finance, in whole or in part, the construction of subaqueous pits and a containment facility or facilities to provide for the safe disposal of dredged materials, projects related to the decontamination of dredged material, and the dredging of the Kill Van Kull, the Arthur Kill and other navigational channels located in the port region.

The Legislature further finds and declares that the improper, irresponsible, and sometimes illegal discharge of hazardous substances presents a grave threat to the public health and safety and the environment; that the dangers posed by these discharges can be minimized only by prompt identification, cleanup and removal of these hazardous discharges; that
existing funding sources are not adequate to finance these remediation operations; and that it is therefore in the best interests of all citizens of this State to provide a funding mechanism to finance the prompt and efficient remediation of hazardous discharge sites.

The Legislature further finds and declares that navigational channels not located in the port region require dredging to accommodate the commercial fishing industry and recreational boating activities; that the viability of the fishing and tourism industries depends in large part upon the existence of navigable waterways; and that it is in the public interest to provide funding to finance the dredging operations necessary to ensure the continued viability of these important industries.

The Legislature further finds and declares that the lakes of the State are a precious natural resource threatened by nonpoint source pollution, soil erosion, eutrophication, flood damage, illegal solid waste disposal and littering, and uncontrolled vegetative growth; that lakes provide recreation, conservation, water supply, flood control, and other benefits important to the health, safety, and welfare of the citizens of New Jersey; and that in order to protect and preserve these water bodies, it is in the public interest for the State, local government, and private lake associations or similar organizations or persons in conjunction with local government to undertake lake restoration projects.

The Legislature further finds and declares that there are many potential economic development sites in need of financing that would provide jobs and prosperity to the Delaware River and Bay Region of the State; and that it is in the public interest to provide funding to finance the estimated costs of land purchase, building construction, equipment purchase and miscellaneous site improvements of these economic development sites.

The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at a private sale, without advertisement.

18. The State Treasurer shall establish a fund to be known as the "1996 Dredging and Containment Facility Fund," and the moneys therein shall be held in those depositories as the State Treasurer may select.

Moneys in the fund shall not be expended except in accordance with
appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the "1996 Economic Development Site Fund" shall identify the projects to be funded by the moneys.

At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available moneys in any fund of the treasury of the State to the credit of the "1996 Dredging and Containment Facility Fund," the "1996 Environmental Cleanup Fund," the "1996 Economic Development Site Fund," or the "1996 Lake Restoration Fund," those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

b. Pending their application to the purposes provided in this act, the moneys in the "1996 Dredging and Containment Facility Fund," the "1996 Environmental Cleanup Fund," the "1996 Economic Development Site Fund," and the "1996 Lake Restoration Fund," may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in these funds shall be redeposited therein and become part of the respective funds.

23. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon,
24. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

25. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in the bonds.

26. Any bond or bonds issued hereunder, which are subject to refinancing pursuant to the "Refunding Bond Act of 1985," P.L.1985, c.74 as amended by P.L.1992, c.182 (C.49:2B-1 et seq.), shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of the Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.
prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit
with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

27. Refunding bonds issued pursuant to P.L.1985, c.74 as amended by P.L.1992, c.182 (C.49:2B-1 et seq.) may be consolidated with bonds issued pursuant to sections 5, 6, 7, 8 and 9 of this act or with bonds issued pursuant to any other act for purposes of sale.

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to pay the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a
separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered and treated as part of the General Fund, available for general purposes.

29. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, then the State Treasurer shall certify to the Director of the Division of Budget and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

30. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1996. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers be published therein and to notify the clerk of each county of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

If you approve of the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word "Yes."

If you disapprove of the act entitled below, make a cross (X), plus (+) or check (✓) mark in the square opposite the word "No."

CHAPTER 71

AN ACT concerning certain projects and supplementing P.L. 1963, c. 150 (C.34:11-56.25 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:11-56.47 Action for damages permitted by certain persons bidding on public contracts; conditions; definitions.

1. a. Any person who submits a bid directly to a public body for a contract for any public work subject to the provisions of the "New Jersey Prevailing Wage Act," P.L. 1963, c. 150 (C.34:11-56.25 et seq.) and is not awarded the contract and whose bid is the lowest bid other than the bid accepted by the public body or, if, pursuant to law, the contract is awarded on the basis of factors other than or in addition to the lowest bid, whose bid is the highest in rank other than the bid accepted by the public body (hereinafter referred to in this section as the "plaintiff") may bring an action for damages in a court of competent jurisdiction against the contractor who was directly awarded the contract by the public body or any subcontractor of that contractor (hereinafter referred to in this section as the "defendant") alleging that the defendant has, in connection with work performed pursuant to the contract, violated the provisions of P.L. 1963, c. 150 (C.34:11-56.25 et seq.) or failed to pay any contribution, tax, assessment or benefit required by any other applicable law. If there is more than one losing bidder, a bidder with a higher bid than the second lowest bidder or lower rank than the second highest rank, if, pursuant to law, the contract is awarded on the basis of factors other than or in addition to the lowest bid, may bring the action if that bidder gives written notice of his intention to bring an action, sent by first-class mail and certified mail, return receipt requested, to every other losing bidder whose bid was lower than his or whose bid was higher in rank.
than his and none of the bidders notified files an action within 30 days following the date of their receipt of notice. The written notice of intention to bring an action must contain the following: (1) a statement of the specific violations or failures to pay allegedly committed, which shall not preclude, in the course of the action, consideration of other violations or failures to pay as may be revealed in the course of discovery, (2) a statement that the action is to be filed pursuant to this act, and (3) a statement that the recipient of the notice may have the right to file an action and will be precluded from doing so if he does not file an action within 30 days of his receipt of the notice. If no other losing bidder so notified files an action within 30 days of his receipt of the notice, the losing bidder who sent the notice shall file an action pursuant to this act within 15 days of the last day any of the recipients of the notice could have filed an action. If more than one bidder files an action, all actions other than that filed by the bidder whose bid is the lowest of the bidders who filed actions, or, if, pursuant to law, the contract is awarded on the basis of factors other than or in addition to the lowest bid, whose bid is the highest in rank of the bidders who filed actions, shall be dismissed.

b. Upon a finding by the court that the plaintiff was a responsible bidder for the contract and a finding that one or more defendants violated the provisions of P.L. 1963, c. 150 (C.34:11-56.25 et seq.) or failed to pay any contribution, tax, assessment or benefit required by any other applicable law in connection with work performed pursuant to the contract, and that the plaintiff submitted a bid for the contract which was less than the sum total of the bid accepted by the public body plus any additional amount that the defendant or defendants would have paid during the term of the contract to be in full compliance with P.L. 1963, c. 150 (C.34:11-56.25 et seq.) and other applicable laws in connection with the contract, the court shall order the defendant or defendants to pay to the plaintiff the entire amount of damages sustained plus costs and reasonable attorney's fees or, if the court finds the noncompliance to be intentional, three times the amount of damages sustained plus costs and reasonable attorney's fees, except that the court shall order no payment to the plaintiff if the court finds that the violation or failure to pay was caused by minor record keeping mistakes or minor computational errors or by other minor mistakes. The occurrence of more than two violations or failures to pay shall lead to the rebuttable presumption that the violation or failure to pay at issue is not minor. If there are two or more defendants, the court shall allocate the payments for damages sustained and attorney's fees among the defendants in a reasonable manner. Nothing in this section shall be construed as requiring payments to a plaintiff by any contractor or subcontractor who has not violated the provisions of P.L. 1963, c. 150 (C.34:11-56.25 et seq.) or failed to pay any contribution,
tax, assessment or benefit required by any other applicable law in connection with work performed pursuant to the contract. A plaintiff may designate an agent or representative to maintain the action if the violation or failure to pay has an adverse effect on the agent or representative or, if the agent or representative is an organization or association, on any member of the organization or association. If the plaintiff prevails, the agent or representative shall be entitled to reimbursement for costs and reasonable attorney's fees of the agent or representative but not to a financial interest in the damages awarded.

c. For the purposes of this section, the damages sustained by a plaintiff shall include the plaintiff's costs of preparing and submitting the bid and may, if sought by the plaintiff, include profits that the court determines the plaintiff would have made if the plaintiff had been awarded the contract and complied with P.L.1963, c.150 (C.34:11-56.25 et seq.) and other applicable laws.

d. If the court determines that the defendant did not, in connection with work performed pursuant to the contract, violate the provisions of P.L.1963, c.150 (C.34:11-56.25 et seq.) or fail to pay any contribution, tax, assessment or benefit required by other applicable law, the court shall order the plaintiff to pay the costs and reasonable attorney's fees of the defendant. Nothing herein shall preclude a defendant who is found to have committed minor record keeping mistakes, minor computational errors or other minor mistakes from being awarded relief pursuant to section 1 of P.L.1988, c.46 (C.2A:15-59.1).

e. As used in this section:
   "Person" means any individual, corporation, company, partnership, firm, association or business;
   "Contractor" means a person who is directly awarded a contract for a public work by a public body; and
   "Subcontractor" means any subcontractor or lower tier subcontractor of a contractor.

2. This act shall take effect immediately.

Approved July 18, 1996.

No person who provides volunteer service or assistance to the Korean Veterans' Memorial Committee, including but not limited to a person who provides architectural or construction services, shall be liable for damages as a result of that person's actions of commission or omission arising out of and in the course of that person rendering the volunteer service or assistance.

CHAPTER 73, LAWS OF 1996

CHAPTER 73

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40A:12A-50a "Large Site Landfill Reclamation and Improvement Law."

1. P.L.1995, c.173 (C.40A:12A-50 et seq.) as amended and supplemented shall be known and may be cited as the "Large Site Landfill Reclamation and Improvement Law."

2. Section 1 of P.L.1995, c.173 (C.40A:12A-50) is amended to read as follows:

C.40A:12A-50 Findings, declarations relative to landfill reclamation improvement districts.

1. a. The Legislature finds and declares that it is a public purpose and compelling State interest and is consistent with Article VIII, Section 3, paragraph 1 of the Constitution of this State to facilitate the redevelopment of large landfill sites in areas in need of redevelopment within municipalities that are attempting to create economic growth and thereby to promote employment and economic development. Environmentally sound landfill reclamation is essentially a "capping" process, and the development potential of a capped landfill is limited. The extensive landfill areas in some of the State's areas in need of redevelopment present major obstacles, both environmentally and financially, for the proper redevelopment of the economic potential of these areas, which makes it necessary to provide special financial and redevelopment tools for municipalities to address these obstacles.

b. The Legislature, therefore, determines that it is appropriate to enable municipalities to establish landfill reclamation improvement districts in areas in need of redevelopment comprising landfills of sufficient size to foster meaningful economic development and to provide municipalities with the appropriate tools for the reclamation and redevelopment of those districts.

c. The Legislature further determines that the proper remediation of extensive landfills and the redevelopment of large landfill sites are necessary to halt the decline in economic activity and the underemployment of economic resources in these areas, to reverse the deterioration of the value of previous investments in areas in need of redevelopment and of public revenue collections on those investments, and to eliminate the disincentive to new investment; and that the improvement of these large sites is vital to
the safety, health and welfare of the residents of the municipalities in which they are located and to the State, and constitutes an important opportunity for enhancing the economic condition of the municipalities in which large site landfills are located and that of the State, by augmenting the fiscal resources of government and by stimulating private and public efforts to enhance the attractiveness and desirability of the State as a place to live and work.

d. Therefore, to foster this redevelopment, the Legislature further determines, in accordance with the New Jersey Constitution, including without limitation, Article VIII, Section 3, paragraph 1, that a municipality that has created a landfill reclamation improvement district may: (1) provide for a tax abatement within that district and for a payments in lieu of taxes agreement, in accordance with P.L. 1991, c.431 (C.40A:20-i et seq.) and P.L. 1995, c.173 (C.40A:12A-50 et seq.) and this amendatory and supplementary act, P.L. 1996, c.73 (C.40A:12A-50a et al.); (2) levy special assessments on real property within that district in accordance with chapter 56 of Title 40 of the Revised Statutes, R.S.40:56-1 et seq., and with P.L. 1995, c.173 and this amendatory and supplementary act, P.L. 1996, c.73 (C.40A:12A-50a et al.); and (3) secure revenue bonds, notes or other obligations with those payments in lieu of taxes and special assessments, and utilize these means to secure funds to effect landfill closures, remediation, redevelopment, and construction of infrastructure improvements which will benefit the public at large and which constitute an important public purpose.

e. The Legislature, further, determines that special financing problems exist with respect to the size or nature and extent of remediation and infrastructure improvements where the reclamation improvement district consists of a tract of land of at least 150 acres of which not less than 100 acres were formerly used as a landfill, and determines that the municipality, may, by ordinance, levy a franchise assessment for the privilege of transacting business within the district, which franchise assessment shall be used to compensate the municipality for loss of tax revenues arising from assignment of payments in lieu of taxes or special assessments, or both, as security for bonds.

f. The Legislature, further, determines that it is appropriate to authorize the New Jersey Economic Development Authority established pursuant to P.L. 1974, c.80 (C.34:1B-1 et seq.) or other instrumentality created by law with the power to incur debt and issue bonds and other obligations, as a conduit for municipalities, to issue and secure revenue bonds, notes or other obligations issued in accordance with P.L. 1995, c.173 (C.40A:12A-50 et seq.) and this amendatory and supplementary act, P.L. 1996, c.73 (C.40A:12A-50a et al.) with respect to financing or refinancing, without limitation, the site work, construction, reconstruction, repair, alteration,
improvement, and development of any infrastructure or parking or transportation facilities or work that abates, prevents or reduces environmental pollution or other improvements that provide a public benefit within or appurtenant to a landfill reclamation improvement district.

3. Section 2 of P.L. 1995, c.173 (C.40A:12A-51) is amended to read as follows:

C.40A:12A-51 Definitions used in C.40A:12A-50 et seq.

general welfare of the residents of the municipality and the district. A municipality may create, by separate ordinances, more than one district. 4. a. A municipality that has created a district pursuant to section 3 of P.L. 1995, c. 173 (C.40A:12A-52), in which there is an area designated as an urban enterprise zone in which the receipts of certain sales are exempt to the extent of 50% of the tax imposed under the "Sales and Use Tax Act," P.L. 1966, c. 30 (C.54:32B-1 et seq.), pursuant to section 21 of P.L. 1983, c. 303 (C.52:27H-80), may for the purpose of increasing public revenue adopt an ordinance to levy and collect, within the district, a franchise assessment not to exceed three percent of gross receipts and to devote the proceeds from those assessments to municipal purposes as provided in this section.

c. The ordinance shall be a valid and binding ordinance of the municipality. The ordinance shall continue in force and effect until repealed by the governing body. The municipality may also provide and covenant by ordinance that the ordinance authorizing the franchise assessment will not be amended so as to repeal or reduce the franchise assessment while bonds issued pursuant to P.L. 1995, c. 173 (C.40A:12A-50 et seq.) and this amendatory and supplementary act, P.L. 1996, c. 73 (C.40A:12A-50a et al.) are outstanding, unless the resolution authorizing the bonds shall provide otherwise. Such covenant shall constitute a valid and legally binding contract between the municipality and bondholders.

d. No franchise assessment shall be imposed on gross receipts which the municipality or the State is prohibited from taxing under New Jersey law, or the Constitution and laws of the United States of America.

e. Upon adoption, the municipal clerk shall immediately transmit a copy of the ordinance to the Director of the Division of Local Government Services in the Department of Community Affairs and to the Director of the Division of Taxation in the Department of the Treasury. Every ordinance
levying a franchise assessment pursuant to this section shall provide for reporting assessments due and for the collection thereof, and all franchise assessments pursuant to such an ordinance shall be remitted to the chief financial officer of the municipality. An ordinance levying a franchise assessment shall take effect only on the first day of any month in any year. The ordinance shall provide for the allocation and distribution of the proceeds of the franchise assessments collected; provided, however, that only such sums as are retained by the municipality pursuant to the ordinance shall be included in the general funds of the municipality and all other franchise assessment proceeds shall be held in trust for the payment or reimbursement of costs or obligations incurred for the purposes of the district.

f. The ordinance shall set forth the person or persons subject to the franchise assessment payment and collection procedures, and any other matters deemed relevant by the municipality with the municipality having discretion as to the mechanism to be utilized. The ordinance shall also contain findings that the imposition of the franchise assessment is necessary because of the substantial risks undertaken to develop a landfill reclamation improvement district, and to offset loss of revenues by the municipality because of its assignment of payments in lieu of taxes.

g. The ordinance shall provide for the collection of the franchise assessment by an officer of the municipality who shall be designated in the ordinance; shall provide methods for enforcement; and may provide penalties for the violation of any of the provisions of the ordinance.

h. All revenues collected under the ordinance and retained by the municipality pursuant to this section shall be deposited in the general fund of the municipality and may be used for general municipal purposes, including the payment of salaries, construction, reconstruction, maintenance and repair of municipal buildings, installations and properties and for such other purposes as may be provided by existing ordinances or ordinances hereafter enacted for general municipal purposes.

6. For the purposes of the effective administration of the franchise assessment, a municipality adopting a franchise assessment ordinance shall have the power to:

a. Collect the franchise assessment, interest and penalties imposed by an ordinance adopted pursuant to section 4 of P.L.1995, c.173 (C.40A:12A-53) which shall from the time due be a debt of the person by whom payable to the municipality, recoverable in a court of competent jurisdiction in a civil action in the name of the municipality to be instituted within three years of the date due.
b. Authorize, as an additional remedy, the chief financial officer of the municipality to issue a certificate to the clerk of the Superior Court that any person is indebted under the ordinance in an amount stated in the certificate. Thereupon, the clerk to whom the certificate is issued shall immediately enter upon the record of documented judgments the name of the person, the address of the place of business where the franchise assessment liability was incurred, the amount of the debt so certified and the date of making of the entry. The making of the entry shall have the same force and effect as the entry of a documented judgment in the office of the clerk, and the chief financial officer of the municipality shall have all the remedies and may take all the proceedings for the collection of the debt which may be had or taken upon the recovery of a judgment in an action, but without prejudice to the person's right of appeal.

c. Provide that, if for any reason the franchise assessment is not paid when due, interest at the rate of 12% per annum on the amount of the franchise assessment due, and an additional penalty of one-half of 1% of the amount of the unpaid assessment for each month or fraction thereof during which the franchise assessment remains unpaid, shall be added and collected. When action is brought for the recovery of any franchise assessment, the person liable therefor shall, in addition, be liable for the costs of collection and the interest and penalties imposed.

Any aggrieved person may, within 90 days of the entry of the decision, order, finding, assessment or action of the chief financial officer of the municipality under this section, file an appeal in the Superior Court, upon payment of the amount stated by the chief financial officer to be due. The appeal provided by this section shall be the exclusive remedy available to any person for review of a determination of the chief financial officer with respect to a liability for the franchise assessment imposed.

7. Section 5 of P.L. 1995, c.173 (C.40A:12A-54) is amended to read as follows:

C.40A:12A-54 Appropriation of franchise assessments; apportionment of retained amount.

5. Any portion of the aggregate franchise assessment collected annually by the municipality which is not appropriated or expended by the municipality for purposes of the district as such purposes are provided in the "Local Redevelopment and Housing Law," P.L. 1992, c.79 (C.40A:12A-1 et seq.), but is retained by the municipality, shall be apportioned between the municipality and the county in which the landfill reclamation improvement district is located, such that 90 percent of the retained franchise assessment collected in that year shall be retained by the municipality and 10 percent
shall be transferred by the municipality to the county for use in economic development.

C.40A:12A-56 Provision for tax abatement, payments in lieu of taxes; special assessments.

8. a. A municipality that has created a landfill reclamation improvement district pursuant to section 3 of P.L.1995, c.173 (C.40A:12A-52) may provide for tax abatement within that district and for payments in lieu of taxes in accordance with the provisions of P.L.1991, c.431 (C.40A:20-1 et seq.); provided, however, that the provisions of section 12 of P.L.1991, c.431 (C.40A:20-12) establishing a minimum or maximum annual service charge and requiring staged increases in annual service charges over the term of the exemption period, and of section 13 of P.L.1991, c.431 (C.40A:20-13) permitting the relinquishment of status under that act, shall not apply to landfill reclamation improvement district projects.

b. In addition to, or in lieu of, the tax abatement provided for in subsection a. of this section, the municipality may provide by ordinance for one or more special assessments within the landfill reclamation improvement district in accordance with chapter 56 of title 40 of the Revised Statutes, R.S.40:56-1 et seq., provided, however, that the provisions of R.S.40:56-35 shall be applied so that if any installment of a special assessment shall remain unpaid for 30 days after the time at which it shall become due, the municipality may provide, by ordinance, either that: (1) the whole assessment or balance due thereon shall become and be immediately due; or (2) any subsequent installments which would not yet have become due except for the default shall be considered as not in default and that the lien for the installments not yet due shall continue; and provided, further, that the ordinance may require that the assessments be payable in yearly installments, with legal interest thereon, over a period of years up to but in no event exceeding the period of years for which the bonds were issued, or for 30 years, whichever shall be less. In levying a special assessment on the lands or improvements, or both, located in the district, the municipality may provide that the amount of the special assessment shall be a specific amount, not to exceed the cost of the improvements, paid with respect to property located in the district. That specific amount shall, to the extent accepted by the owner of the property benefitted, be deemed the conferred benefit, in lieu of the amount being determined by the procedures otherwise applicable to determining the actual benefit conferred on the property. Special assessments levied pursuant to an ordinance adopted under this subsection shall constitute a municipal lien upon confirmation by the municipal governing body or by the court, under R.S.40:56-33.

c. Upon adoption, a copy of the ordinance shall be filed for public inspection in the office of the municipal clerk, and there shall be published in a newspaper, published or circulating in the municipality, a notice stating
the fact and the date of adoption and the place where the ordinance is filed and a summary of the contents of the ordinance. The notice shall state that any action or proceeding of any kind or nature in any court questioning the validity or proper authorization of the ordinance or the actions authorized to be taken as set forth in the ordinance shall be commenced within 20 days after the publication of the notice. If no action or proceeding questioning the validity of the ordinance providing for tax abatement, special assessments or other actions authorized by the ordinance shall be commenced or instituted within 20 days after the publication of the notice, the county and the school district and all other municipalities within the county and all residents and taxpayers and owners of property therein shall be forever barred and foreclosed from instituting or commencing any action or proceeding in any court questioning the validity or enforceability of the ordinance or the validity or enforceability of acts authorized under the ordinance, and the ordinance and acts authorized by the ordinance shall be conclusively deemed to be valid and enforceable in accordance with their terms and tenor.

C40A:12A-57 Application for issuance of negotiable bonds, obligations secured by payments in lieu of taxes, special assessments.

9. a. The municipality may, by resolution of the governing body, authorize the municipality to apply to the authority for the authority to issue negotiable bonds or other obligations secured by payments in lieu of taxes and special assessments. Bonds so issued shall be for the purpose of financing or refinancing the construction, reconstruction, repair, alteration, improvement, and development of any on-site or off-site infrastructure improvements, or parking or transportation facilities, or work that reduces, abates or prevents environmental pollution, or other improvements that provide a public benefit within or to a landfill reclamation improvement district.

b. A municipality that has created a landfill reclamation improvement district pursuant to section 3 of P.L.1995, c.173 (C.40A:12A-52) may, by resolution of its governing body, enter into contracts with the authority relating to any project or projects for the purpose of financing or refinancing the construction, reconstruction, repair, alteration, improvement, and development of any on-site or off-site infrastructure improvements, or parking or transportation facilities, or work that reduces, abates or prevents environmental pollution, or other improvements that provide a public benefit within or to a landfill reclamation improvement district. A resolution so adopted shall contain findings and determinations of the governing body: (1) that the project will result in the closure and remediation of a landfill and create employment opportunities in the municipality; and, (2) that the
contract with the authority is a necessary inducement to the undertaking of
the project in that the contract makes the financing thereof feasible. The
contract or contracts may provide for the assignment, for the benefit of
bondholders, of all or any portion of payments in lieu of taxes and special
assessments. A contract may be made and entered into for a term beginning
currently or at some future or contingent date, and with or without
consideration, and for a specified or unlimited time, and on any terms and
conditions which may be requested by the municipality and as may be agreed
to by the authority in conformity with its contracts with the holders of
bonds, and shall be valid and binding on the municipality. The municipality
is hereby authorized and directed to do and perform any contract so entered
into by it and to provide for the discharge of any obligation thereunder in the
same manner as other obligations of the municipality.

Any contract, and any instrument making or evidencing the same, may
be pledged or assigned by the authority, with the consent of the municipality
executing the contract, to secure its bonds and thereafter may not be
modified except as provided by the terms of the instrument or by the terms
of the pledge or assignment.

c. The payments in lieu of taxes and special assessments may be
assigned directly to the authority or the trustee for the bonds as payment or
security for the bonds. Notwithstanding any law to the contrary, the
assignment shall be an absolute assignment of all the municipality's right,
title, and interest in the payment in lieu of taxes and special assessments, or
portion thereof, along with the rights and remedies provided to the
municipality under the agreement including, but not limited to, the right of
collection of payments due. Payments in lieu of taxes and special assess­
ments shall not be included in the general funds of the municipality, nor shall
they be subject to any laws regarding the receipt, deposit, investment or
appropriation of public funds and shall retain such status notwithstanding
enforcement of the payment or assessment by the municipality or assignee
as provided herein. The municipality shall be a "person" within the meaning
of that term as defined in section 3 of P.L.1974, c.80 (C.34:1B-3); and the
purpose described in this section shall be a "project" within the meaning of
that term as defined in section 3 of P.L.1974, c.80 (C.34:1B-3).

d. Notwithstanding the provisions of subsection g. of section 37 of
P.L.1992, c.79 (C.40A:12A-37), the bonds and notes issued pursuant to this
section shall be non-recourse obligations, and shall not be direct and general
obligations of the municipality, and the municipality shall not be obligated to
levy and collect a tax sufficient in an amount to pay the principal and interest
on the bonds and notes when the same become due and payable. The
provisions of the "Local Government Supervision Act (1947)," P.L.1947,
c.151 (C.52:27BB-1 et seq.) shall not apply to any bonds or other obliga-
tions issued or authorized pursuant to this section and those bonds or other obligations shall not be considered gross debt of the municipality on any debt statement filed in accordance with the "Local Bond Law," N.J.S.40A:2-1 et seq., and the provisions of chapter 27 of Title 52 of the Revised Statutes shall not apply to such bonds.

e. The proceeds from the sale of the bonds and any funds provided by any department of the State, authority created by the State or bi-state authority, shall not require compliance with public bidding laws, including the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.), or any other statute where the redeveloper shall undertake the landfill closure, remediation, redevelopment and construction of the infrastructure improvements. The use of these funds shall be subject to public accountability and oversight by the municipality or agency providing the funds.

C.40A:12A-58 Payments in lieu of taxes continuous lien; recording of ordinance; termination of lien.

10. a. Payments required to be made in accordance with an agreement for payments in lieu of taxes entered into under section 8 of this amendatory and supplementary act, P.L.1996, c.73 (C.40A:12A-56) shall be a continuous lien on the land against which the ordinance is recorded on and after the date of recordation of both the ordinance and the agreement, whether simultaneously or not, all subsequent payments in lieu of taxes thereunder, interest, penalties and costs of collection which thereafter fall due or accrue shall be added and relate back to and be a part of the initial lien. Upon recordation of the ordinance and agreement, payments in lieu of taxes shall constitute a municipal lien within the meaning, and for all purposes, of law.

b. If revenue bonds or other obligations are issued by the authority in order to finance or refinance the construction, reconstruction, repair, alteration, improvement, and development of any infrastructure, or parking or transportation facilities, or work that reduces, abates or prevents environmental pollution, or other improvements that provide a public benefit within or to a landfill reclamation improvement district in accordance with section 9 of P.L.1996, c.73 (C.40A:12A-57), the municipality or the redeveloper may record, either simultaneously or at different times, any ordinance enacted by the municipality relating to the payment in lieu of taxes agreement or special assessments and, either simultaneously with the ordinance or at different times, a copy of the agreement or agreements. The ordinance, when recorded, shall contain a legend at the top of the front page substantially as follows:

"THIS ORDINANCE SECURES BONDS OR OTHER OBLIGATIONS ISSUED IN ACCORDANCE WITH THE PROVISIONS OF THE "LARGE SITE LANDFILL RECLAMATION AND IMPROVE-
MENT LAW" AND THE LIEN HEREOF IN FAVOR OF THE OWNERS OF SUCH BONDS OR OTHER OBLIGATIONS IS A MUNICIPAL LIEN SUPERIOR TO ALL OTHER NON-MUNICIPAL LIENS HEREAFTER RECORDED."

c. Notwithstanding any law to the contrary, upon recordation of both the ordinance and any accompanying agreement and upon the issuance of bonds or other obligations, the lien thereof shall be perfected for all purposes in accordance with law and the lien shall thereafter be superior to all non-municipal liens thereafter recorded or otherwise arising, without any additional notice, recording, filing, continuation filing or action, until the payment in full of the bonds or other obligations. The lien thereby established shall apply not only to the bonds and other obligations initially issued, but also to any refinancing or refunding thereof, as well as to any additional bonds and other obligations thereafter issued on a parity therewith in accordance with the provisions of the original documents securing the initial bonds and other obligations; provided, however, that in the event any ordinance or agreement is amended or supplemented in a way which increases the amount of payment in lieu of taxes or special assessments, the lien as to that increase shall be perfected and apply upon the recordation of the amended or supplemented ordinance and agreement (including the above-recited legend). Except as set forth in this section, no amendment or supplement to the ordinance or agreement thereafter recorded shall affect the perfection or priority of the lien established upon original recordation thereof.

d. Upon the final payment in full of any bonds or other obligations secured as provided in this section and section 9 of this amendatory and supplementary act, P.L.1996, c.73 (C.40A:12A-57), the lien established hereby shall terminate, and the municipality shall record a notice to that effect.

C.40A:12A-59 Payment in lieu of taxes may be secured by mortgage.

11. In lieu of the provisions of section 10 of P.L.1996, c.73 (C.40A:12A-58), the municipality may provide in the agreement that the payment in lieu of taxes, if any, is to be secured by a mortgage. In that event the mortgage may also be assigned and pledged to the repayment of the bonds authorized herein.

The assignment of any mortgage that secures a payment in lieu of taxes, if any, may also be an absolute assignment of all or part of the municipality's right, title, and interest in the mortgage and, to the extent assigned, any moneys realized from the foreclosure of the mortgaged property shall not be included in the general funds of the municipality.
After the bonds or other obligations are paid and no longer deemed to be outstanding, the assignment of the mortgage shall terminate.

C.40A:12A-60 Bonds exempt from taxation; exceptions.
12. All bonds issued pursuant to this act are hereby declared to be issued by a political subdivision of this State and for an essential public and governmental purpose and the bonds, and the interest thereon and the income therefrom, and all facility charges, funds, revenues and other moneys pledged or available to pay or secure the payment of the bonds, or interest thereon, shall at all times be exempt from taxation except for transfer inheritance and estate taxes.

C.40A:12A-61 Pledge, covenant, agreement with bond holders.
13. The State of New Jersey does hereby pledge to and covenant and agree with the holders of any bonds issued pursuant to this act that the State will not limit or alter the terms of any agreement, ordinance or resolution made in connection with the security for and the issuance and sale of any bonds, so as to in any way impair the rights or remedies of such holders, and will not modify in any way the exemption from taxation provided for in this act, until the bonds, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged or provided for.

14. If any section, subsection, clause or provision of this act shall be adjudged to be unconstitutional or ineffective in whole or in part, to the extent that it is not adjudged unconstitutional or is not ineffective, it shall be valid and effective and no other section, subsection, clause or provision of this act shall on account thereof be deemed invalid or ineffective, and the inapplicability or invalidity of any section, subsection, clause or provision of this act in any one or more instances or under any one or more circumstances shall not be taken to affect or prejudice in any way its applicability or validity in any other instance or under any other circumstance.

C.40A:12A-63 Bonds, notes, obligations presumed fully authorized, issued.
15. After issuance, pursuant to this act, all bonds, notes or other obligations shall be conclusively presumed to be fully authorized and issued by all courts and officers of this State, and any person shall be estopped from questioning their sale, execution or delivery.

16. N.J.S.40A:4-39 is amended to read as follows:
Anticipation of dedicated revenues.

40A:4-39. a. In the budget of any local unit, dedicated revenues anticipated during the fiscal year from any dog tax, dog license, revenues collected pursuant to N.J.S.18A:39-1.2, solid fuel license, sinking fund for term bonds, bequest, escheat, federal grant, motor vehicle fine dedicated to road repairs, relocation costs deposited into a revolving relocation assistance fund established pursuant to section 2 of P.L.1987, c.98 (C.20:4-4.1a), receipts from franchise assessments levied pursuant to section 4 of P.L.1995, c.173 (C.40A:12A-53) to be retained by the municipality and, subject to the prior written consent of the director, other items of like character when the revenue is not subject to reasonably accurate estimate in advance, may be included in said budget by annexing to said budget a statement in substantially the following form:

"The dedicated revenues anticipated during the year from ...... (here insert one or more of the sources above, as the case may be) are hereby anticipated as revenue and are hereby appropriated for the purposes to which said revenue is dedicated by statute or other legal requirement."

b. Dedicated revenues included in accordance with this section shall be available for expenditure by the local unit as and when received in cash during the fiscal year. The inclusion of such dedicated revenues shall be subject to the approval of the director, who may require such explanatory statements or data in connection therewith as the director deems advisable for the information and protection of the public.

Repealer.

18. This act shall take effect immediately.

Approved July 22, 1996.

Approved July 25, 1996.
AN ACT concerning condominium rules and amending P.L. 1969, c.257.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 13 of P.L. 1969, c.257 (C.46:8B-13) is amended to read as follows:

**C46:8B-13 Bylaws.**

13. The administration and management of the condominium and condominium property and the actions of the association shall be governed by bylaws which shall initially be recorded with the master deed and shall provide, in addition to any other lawful provisions, for the following:

(a) The form of administration, indicating the titles of the officers and governing board of the association, if any, and specifying the powers, duties and manner of selection, removal and compensation, if any, of officers and board members. If the bylaws provide that any of the powers and duties of the association as set forth in sections 14 and 15 of P.L. 1969, c.257 (C.46:8B-14 and 46:8B-15) be exercised through a governing board elected by the membership of the association, or through officers of the association responsible to and under the direction of such a governing board, all meetings of that governing board, except conference or working sessions at which no binding votes are to be taken, shall be open to attendance by all unit owners, and adequate notice of any such meeting shall be given to all unit owners in such manner as the bylaws shall prescribe; except that the governing board may exclude or restrict attendance at those meetings, or portions of meetings, dealing with (1) any matter the disclosure of which would constitute an unwarranted invasion of individual privacy; (2) any pending or anticipated litigation or contract negotiations; (3) any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer; or (4) any matter involving the employment, promotion, discipline or dismissal of a specific officer or employee of the association. At each meeting required under this subsection to be open to all unit owners, minutes of the proceedings shall be taken, and copies of those minutes shall be made available to all unit owners before the next open meeting.

(b) The method of calling meetings of unit owners, the percentage of unit owners or voting rights required to make decisions and to constitute a quorum, but such bylaws may nevertheless provide that unit owners may waive notice of meetings or may act by written agreement without meetings.
(c) The manner of collecting from unit owners their respective shares of common expenses and the method of distribution to the unit owners of their respective shares of common surplus or such other application of common surplus as may be duly authorized by the bylaws.

(d) The method by which the bylaws may be amended, provided that no amendment shall be effective until recorded in the same office as the then existing bylaws. The bylaws may also provide a method for the adoption, amendment and enforcement of reasonable administrative rules and regulations, including the imposition of fines and late fees which may be enforced as a lien pursuant to section 21 of P.L.1969, c.257 (C.46:8B-21) relating to the operation, use, maintenance and enjoyment of the units and of the common elements including limited common elements.

2. Section 14 of P.L.1969, c.257 (C.46:8B-14) is amended to read as follows:

C.46:8B-14 Responsibilities of association.

14. The association, acting through its officers or governing board, shall be responsible for the performance of the following duties, the costs of which shall be common expenses:

(a) The maintenance, repair, replacement, cleaning and sanitation of the common elements.

(b) The assessment and collection of funds for common expenses and the payment thereof.

(c) The adoption, distribution, amendment and enforcement of rules governing the use and operation of the condominium and the condominium property and the use of the common elements, including but not limited to the imposition of reasonable fines, assessments and late fees upon unit owners, if authorized by the master deed or bylaws, subject to the right of a majority of unit owners to change any such rules.

(d) The maintenance of insurance against loss by fire or other casualties normally covered under broad-form fire and extended coverage insurance policies as written in this State, covering all common elements and all structural portions of the condominium property and the application of the proceeds of any such insurance to restoration of such common elements and structural portions if such restoration shall otherwise be required under the provisions of this act or the master deed or bylaws.

(e) The maintenance of insurance against liability for personal injury and death for accidents occurring within the common elements whether limited or general and the defense of any actions brought by reason of injury or death to person, or damage to property occurring within such common
elements and not arising by reason of any act or negligence of any individual unit owner.

(f) The master deed or bylaws may require the association to protect blanket mortgages, or unit owners and their mortgagees, as their respective interest may appear, under the policies of insurance provided under clauses (d) and (e) of this section, or against such risks with respect to any or all units, and may permit the assessment and collection from a unit owner of specific charges for insurance coverage applicable to his unit.

(g) The maintenance of accounting records, in accordance with generally accepted accounting principles, open to inspection at reasonable times by unit owners. Such records shall include:
   (i) A record of all receipts and expenditures.
   (ii) An account for each unit setting forth any shares of common expenses or other charges due, the due dates thereof, the present balance due, and any interest in common surplus.

(h) Nothing herein shall preclude any unit owner or other person having an insurable interest from obtaining insurance at his own expense and for his own benefit against any risk whether or not covered by insurance maintained by the association.

(i) Such other duties as may be set forth in the master deed or bylaws.

(j) An association shall exercise its powers and discharge its functions in a manner that protects and furthers or is not inconsistent with the health, safety and general welfare of the residents of the community.

(k) An association shall provide a fair and efficient procedure for the resolution of housing-related disputes between individual unit owners and the association, and between unit owners, which shall be readily available as an alternative to litigation. A person other than an officer of the association, a member of the governing board or a unit owner involved in the dispute shall be made available to resolve the dispute. A unit owner may notify the Commissioner of Community Affairs if an association does not comply with this subsection. The commissioner shall have the power to order the association to provide a fair and efficient procedure for the resolution of disputes.

3. Section 15 of P.L.1969, c.257 (C.46:8B-15) is amended to read as follows:

C.46:8B-15 Powers of association.

15. Subject to the provisions of the master deed, the bylaws, rules and regulations and the provisions of this act or other applicable law, the association shall have the following powers:
(a) Whether or not incorporated, the association shall be an entity which shall act through its officers and may enter into contracts, bring suit and be sued. If the association is not incorporated, it may be deemed to be an entity existing pursuant to this act and a majority of the members of the governing board or of the association, as the case may be, shall constitute a quorum for the transaction of business. Process may be served upon the association by serving any officer of the association or by serving the agent designated for service of process. Service of process upon the association shall not constitute service of process upon any individual unit owner.

(b) The association shall have access to each unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any common elements therein or accessible therefrom or for making emergency repairs necessary to prevent damage to common elements or to any other unit or units. The association may charge the unit owner for the repair of any common element damaged by the unit owner or his tenant.

(c) The association may purchase units in the condominium and otherwise acquire, hold, lease, mortgage and convey the same. It may also lease or license the use of common elements in a manner not inconsistent with the rights of unit owners.

(d) The association may acquire or enter into agreements whereby it acquires leaseholds, memberships or other possessory or use interests in lands or facilities including, but not limited to country clubs, golf courses, marinas and other recreational facilities, whether or not contiguous to the condominium property, intended to provide for the enjoyment, recreation or other use or benefit of the unit owners. If fully described in the master deed or bylaws, the fees, costs and expenses of acquiring, maintaining, operating, repairing and replacing any such memberships, interests and facilities shall be common expenses. If not so described in the master deed or bylaws as originally recorded, no such membership interest or facility shall be acquired except pursuant to amendment of or supplement to the master deed or bylaws duly adopted as provided therein and in this act. In the absence of such amendment or supplement, if some but not all unit owners desire any such acquisition and agree to assume among themselves all costs of acquisition, maintenance, operation, repair and replacement thereof, the association may acquire or enter into an agreement to acquire the same as limited common elements appurtenant only to the units of those unit owners who have agreed to bear the costs and expenses thereof. Such costs and expenses shall be assessed against and collected from the agreeing unit owners in the proportions in which they share as among themselves in the common expenses in the absence of some other unanimous agreement among themselves. No other unit owner shall be charged with any such cost
or expense; provided, however, that nothing herein shall preclude the
extension of the interests in such limited common elements to additional unit
owners by subsequent agreement with all those unit owners then having an
interest in such limited common elements.

(e) The association may levy and collect assessments duly made by the
association for a share of common expenses or otherwise, including any
other moneys duly owed the association, upon proper notice to the
appropriate unit owner, together with interest thereon, late fees and
reasonable attorneys' fees, if authorized by the master deed or bylaws.

(f) If authorized by the master deed or bylaws, the association may
impose reasonable fines upon unit owners for failure to comply with
provisions of the master deed, bylaws or rules and regulations, subject to the
following provisions:

A fine for a violation or a continuing violation of the master deed,
bylaws or rules and regulations shall not exceed the maximum monetary
penalty permitted to be imposed for a violation or a continuing violation
under section 19 of the "Hotel and Multiple Dwelling Law," P.L.1967, c.76

On roads or streets with respect to which Title 39 of the Revised
Statutes is in effect under section 1 of P.L.1945, c.284 (C.39:5A-1), an
association may not impose fines for moving automobile violations.

A fine shall not be imposed unless the unit owner is given written notice
of the action taken and of the alleged basis for the action, and is advised of
the right to participate in a dispute resolution procedure in accordance with
subsection (k) of section 14 of P.L.1969, c.257 (C.46:8B-14). A unit owner
who does not believe that the dispute resolution procedure has satisfactorily
resolved the matter shall not be prevented from seeking a judicial remedy in
a court of competent jurisdiction.

(g) Such other powers as may be set forth in the master deed or bylaws,
if not prohibited by P.L.1969, c.257 (C.46:8B-1 et seq.) or any other law of
this State.

4. Section 16 of P.L.1969, c.257 (C.46:8B-16) is amended to read as
follows:

C.46:8B-16 Authority, rights of unit owner.

16. (a) No unit owner, except as an officer of the association, shall
have any authority to act for or bind the association. An association,
however, may assert tort claims concerning the common elements and
facilities of the development as if the claims were asserted directly by the
unit owners individually.
(b) Failure to comply with the bylaws and the rules and regulations governing the details of the use and operation of the condominium, the condominium property and the common elements, and the quality of life therein, in effect from time to time, and with the covenants, conditions and restrictions set forth in the master deed or in deeds of units, shall be grounds for reasonable fines and assessments upon unit owners maintainable by the association, or for an action for the recovery of damages, for injunctive relief, or for a combination thereof, maintainable by the association or by any other unit owner or by any person who holds a blanket mortgage or a mortgage lien upon a unit and is aggrieved by any such noncompliance.

(c) A unit owner shall have no personal liability for any damages caused by the association or in connection with the use of the common elements. A unit owner shall be liable for injuries or damages resulting from an accident in his own unit in the same manner and to the same extent as the owner of any other real estate.

(d) A unit owner may notify the Commissioner of Community Affairs upon the failure of an association to comply with requests made under subsection (g) of section 14 of P.L.1969, c.257 (C.46:8B-14) by unit owners to inspect at reasonable times the accounting records of the association. Upon investigation, the commissioner shall have the power to order the compliance of the association with such a request.

5. Section 21 of P.L.1969, c.257 (C.46:8B-21) is amended to read as follows:

C.46:8B-21 Liens in favor of association; priority.

21. a. The association shall have a lien on each unit for any unpaid assessment duly made by the association for a share of common expenses or otherwise, including any other moneys duly owed the association, upon proper notice to the appropriate unit owner, together with interest thereon and, if authorized by the master deed or bylaws, late fees, fines and reasonable attorney's fees; provided however that an association shall not record a lien in which the unpaid assessment consists solely of late fees. Such lien shall be effective from and after the time of recording in the public records of the county in which the unit is located of a claim of lien stating the description of the unit, the name of the record owner, the amount due and the date when due. Such claim of lien shall include only sums which are due and payable when the claim of lien is recorded and shall be signed and verified by an officer or agent of the association. Upon full payment of all sums secured by the lien, the party making payment shall be entitled to a recordable satisfaction of lien. Except as set forth in subsection b. of this section, all such liens shall be subordinate to any lien for past due and unpaid
property taxes, the lien of any mortgage to which the unit is subject and to any other lien recorded prior to the time of recording of the claim of lien.

b. A lien recorded pursuant to subsection a. of this section shall have a limited priority over prior recorded mortgages and other liens, other than liens for unpaid property taxes or federal taxes, to the extent provided in this subsection. This priority shall be limited as follows:

(1) To a lien which is the result of customary condominium assessments as defined herein, the amount of which shall not exceed the aggregate customary condominium assessment against the unit owner for the six-month period prior to the recording of the lien.

(2) With respect to a particular mortgage, to a lien recorded prior to:
   (a) the receipt by the association of a summons and complaint in an action to foreclose a mortgage on that unit; or (b) the filing with the proper county recording office of a lis pendens giving notice of an action to foreclose a mortgage on that unit.

(3) In the case of more than one association lien being filed, either because an association files more than one lien or multiple associations have filed liens, the total amount of the liens granted priority shall not be greater than the assessment for the six-month period specified in paragraph 1 of this subsection. Priority among multiple filings shall be determined by their date of recording with the earlier recorded liens having first use of the priority given herein.

(4) The priority granted to a lien pursuant to this subsection shall expire on the first day of the 60th month following the date of recording of an association's lien.

(5) A lien of an association shall not be granted priority over a prior recorded mortgage or mortgages under this subsection if a prior recorded lien of the association for unpaid assessments has obtained priority over the same recorded mortgage or mortgages as provided in this subsection, for a period of 60 months from the date of recording of the lien granted priority.

(6) When recording a lien which may be granted priority pursuant to this act, an association shall notify, in writing, any holder of a first mortgage lien on the property of the filing of the association lien. An association which exercises a good faith effort but is unable to ascertain the identity of a holder of a prior recorded mortgage on the property will be deemed to be in substantial compliance with this paragraph.

For the purpose of this section, a "customary condominium assessment" shall mean an assessment for periodic payments, due the association for regular and usual operating and common area expenses pursuant to the association's annual budget and shall not include amounts for reserves for contingencies, nor shall it include any late charges, penalties, interest or any fees or costs for the collection or enforcement of the assessment or any lien
arising from the assessment. The periodic payments due must be due
monthly, or no less frequently than quarter-yearly, as may be acceptable to
the Federal National Mortgage Association so as not to disqualify an
otherwise superior mortgage on the condominium from purchase by the
Federal National Mortgage Association as a first mortgage.

c. Upon any voluntary conveyance of a unit, the grantor and grantee of
such unit shall be jointly and severally liable for all unpaid assessments
pertaining to such unit duly made by the association or accrued up to the
date of such conveyance without prejudice to the right of the grantee to
recover from the grantor any amounts paid by the grantee, but the grantee
shall be exclusively liable for those accruing while he is the unit owner.

d. Any unit owner or any purchaser of a unit prior to completion of a
voluntary sale may require from the association a certificate showing the
amount of unpaid assessments pertaining to such unit and the association
shall provide such certificate within 10 days after request therefor. The
holder of a mortgage or other lien on any unit may request a similar
certificate with respect to such unit. Any person other than the unit owner
at the time of issuance of any such certificate who relies upon such
certificate shall be entitled to rely thereon and his liability shall be limited to
the amounts set forth in such certificate.

e. If a mortgagee of a first mortgage of record or other purchaser of a
unit obtains title to such unit as a result of foreclosure of the first mortgage,
such acquirer of title, his successors and assigns shall not be liable for the
share of common expenses or other assessments by the association
pertaining to such unit or chargeable to the former unit owner which became
due prior to acquisition of title as a result of the foreclosure. Any remaining
unpaid share of common expenses and other assessments, except assess­
ments derived from late fees or fines, shall be deemed to
be common
expenses collectible from all of the remaining unit owners including such
acquirer, his successors and assigns.

f. Liens for unpaid assessments may be foreclosed by suit brought in the
name of the association in the same manner as a foreclosure of a mortgage
on real property. The association shall have the power, unless prohibited by
the master deed or bylaws to bid on the unit at foreclosure sale, and to
acquire, hold, lease, mortgage and convey the same. Suit to recover a
money judgment for unpaid assessments may be maintained without waiving
the lien securing the same.

6. Any bylaws provision providing for the imposition of reasonable
fines and late fees that was adopted prior to the effective date of and which
is not inconsistent with the provisions of P.L.1996, c.79 (C.46:8B-13 et al.)
and any fine levied by a condominium association against a unit owner in
accordance with its bylaws prior to the effective date of P.L.1996, c.79 (C.46:8B-13 et al.) is hereby validated; provided, however, that this section shall not be applicable to any case in which a judicial determination relative to the legality of any such fine has been rendered on or before the effective date of this act.

7. This act shall take effect immediately.

Approved July 25, 1996.

CHAPTER 81

AN ACT concerning certain types of liens and amending various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2A:44-128 is amended to read as follows:

Debts for labor and materials; funds liable; asserting lien; forfeiture of lien.

2A:44-128. a. Any person who, as laborer, mechanic, materialman, merchant or trader, or subcontractor, in pursuance of or conformity with the terms of any contract for any public improvement made between any person and a public agency as defined in N.J.S.2A:44-126 and authorized by law to make contracts for the making of public improvements, performs any labor or furnishes any materials, including the furnishing of oil, gasoline or lubricants and vehicle use, toward the performance or completion of any such contract, shall, on complying with the provisions of subsection b. of N.J.S.2A:44-128, N.J.S.2A:44-132 and N.J.S.2A:44-133, have a lien for the value of the labor or materials, or both, upon the moneys due or to grow due under the contract and in the control of the public agency, to the full value of the claim or demand. The lien may be filed and, to the extent of the amount due or to grow due under the contract, shall become an absolute lien to the full value of the labor performed or materials furnished in favor of every person and his representatives and assigns employed by or furnishing materials to the contractor or subcontractor.

No public agency shall be required to pay a greater amount than the contract price of the labor performed and materials furnished or the value
thereof when no specific contract is made with respect to the same by the contractor or subcontractor, respectively.

b. Any person who may seek to assert a lien under subsection a. of this section shall, within 20 days of the first performance of work or performance of work or delivery of labor or materials to a subcontractor, file with the municipal clerk, the chief financial officer of the county or the chairman of the commission, board or authority, whichever is appropriate, written notice that he or she has furnished labor or materials to the subcontractor. The notice shall contain the name, address and telephone number of the person providing the labor or materials, the name and geographical location of the public improvement for which the labor or materials have been supplied, the name of the subcontractor to which the labor or materials have been supplied, a description of the labor or materials supplied, and the date that the labor or materials were first supplied to the subcontractor. The officer of the public agency shall maintain a separate file for all written notices which shall be available to the public for inspection and copying during regular business hours. Failure to provide this written notice as required within 20 days of the first performance of work or delivery of labor or materials to the subcontractor shall be a bar to secure a lien for the labor or materials provided, unless there is money owing from the contractor to the subcontractor to whom the labor or materials were provided, in which case the lien shall be limited in value to a sum not greater than the money owing from the contractor to the subcontractor.

The public entity with which the notice required by this section is filed may charge an inquiry fee for information contained in the notice to any person, including the contractor. The inquiry fee shall be reasonable and shall be set to reflect the cost to the public entity of retrieving the information.

Notwithstanding the provisions of this section to the contrary, if a notice is filed after the 20-day period, the person so filing may assert a lien under subsection a. of this section for any labor or materials provided on or after that filing date.

No additional notice shall be required for work or materials provided under the same public improvement contract subsequent to the initial notice, notwithstanding that the work and materials may be provided under a separate contract or purchase order.

Written notice shall be substantially in the following form:

**NOTICE OF THE DELIVERY OF LABOR OR MATERIALS**

In accordance with the terms and provisions of the "Municipal Mechanics' Lien Law," N.J.S.2A:44-125 et seq., notice is hereby given that:
1. (Name of person supplying labor or materials) of (address of person supplying labor or materials) has on (date) provided to (name of subcontractor) the following: (description of labor or materials). My telephone number is (telephone number of person supplying labor or materials).

2. The (description of labor or materials) were provided for the (name of public improvement) in (name of municipality), New Jersey.

Signed: ......................................... 
For: .............................................. 
Individual, firm or corporation

c. Funds received by a contractor and paid to a subcontractor or supplier for work performed or labor or materials supplied pursuant to a contract for any public improvement shall be applied only to amounts due and owing for work performed or labor or materials supplied for such public improvement. Any subcontractor or supplier who knowingly applies such payment received from the contractor on the public improvement to amounts due and owing for work performed or labor or materials supplied on a construction project other than the public improvement and then claims a lien on the public improvement for non-payment shall forfeit all lien rights under this title. A subcontractor or supplier forfeiting his lien rights pursuant to this section shall be liable for all damages incurred by any contractor as a result of the misapplication of such funds, including attorney's fees, and shall be liable for all court costs and reasonable legal expenses, including attorneys' fees, incurred by the contractor in defending or causing the discharge of the lien claim.

2. N.J.S.2A:44-143 is amended to read as follows:

Additional bond for payment of claims for labor, material, etc.; waiver, surety's obligation.

2A:44-143. a. (1) When public buildings or other public works or improvements are about to be constructed, erected, altered or repaired under contract, at the expense of the State or any contracting unit, as defined in section 2 of P.L.1971, c.198 (C.40A:11-2), or school district, the board, officer or agent contracting on behalf of the State, contracting unit or school district, shall require delivery of the payment and performance bond issued in accordance with N.J.S.2A:44-147 and otherwise, as provided for by law, with an obligation for the performance of the contract and for the payment by the contractor for all labor performed or materials, provisions, provender or other supplies, teams, fuels, oils, implements or machinery used or consumed in, upon, for or about the construction, erection, alteration or repair of such buildings, works or improvements provided by subcontractors or material suppliers in contract with the contractor, or
subcontractors or material suppliers in contract with a subcontractor to the
contractor, which class of persons shall be the beneficiaries of the payment
and performance bond. The board, officer or agent shall also require that all
payment and performance bonds be issued by a surety which meets the
following standards:

(a) The surety shall have the minimum surplus and capital stock or net
cash assets required by R.S.17:17-6 or R.S.17:17-7, whichever is appro­
riate, at the time the invitation to bid is issued; and

(b) With respect to all payment and performance bonds in the amount
of $850,000 or more, (i) if the amount of the bond is at least $850,000 but
not more than $3.5 million, the surety shall hold a current certificate of
authority, issued by the United States Secretary of the Treasury pursuant to
31 U.S.C. §9305, that is valid in the State of New Jersey as listed annually
in the United States Treasury Circular 570, except that if the surety has been
operational for a period in excess of five years, the surety shall be deemed
to meet the requirements of this subsubparagraph if it is rated in one of the
three highest categories by an independent, nationally recognized United
States rating company that determines the financial stability of insurance
companies, which rating company or companies shall be determined
pursuant to standards promulgated by the Commissioner of Insurance by
regulation adopted pursuant to the "Administrative Procedure Act,"
P.L.1968, c.410 (C.52:14B-1 et seq.), and (ii) if the amount of the bond is
more than $3.5 million, then the surety shall hold a current certificate of
authority, issued by the United States Secretary of the Treasury pursuant to
31 U.S.C. §9305, that is valid in the State of New Jersey as listed annually
in the United States Treasury Circular 570 and, if the surety has been
operational for a period in excess of five years, shall be rated in one of the
three highest categories by an independent, nationally recognized United
States rating company that determines the financial stability of insurance
companies, which rating company or companies shall be determined
pursuant to standards promulgated by the Commissioner of Insurance by
regulation adopted pursuant to the "Administrative Procedure Act,"
P.L.1968, c.410 (C.52:14B-1 et seq.). A surety subject to the provisions
of subsubparagraph (ii) of this subparagraph which does not hold a
certificate of authority issued by the United States Secretary of the Treasury
shall be exempt from the requirement to hold such a certificate if the surety
meets an equivalent set of standards developed by the Commissioner of
Insurance through regulation which at least equal, and may exceed, the
general criteria required for issuance of a certificate of authority by the
United States Secretary of the Treasury pursuant to 31 U.S.C. §9305. A
surety company seeking such an exemption shall, not later than the 180th
day following the effective date of P.L.1995, c.384, certify to the appropi-
ate contracting unit that it meets that equivalent set of standards set forth by
the commissioner as promulgated.

(2) When such contract is to be performed at the expense of the State
and is entered into by the Director of the Division of Building and Construc-
tion or State departments designated by the Director of the Division of
Building and Construction, the director or the State departments may: (a)
establish for that contract the amount of the bond at any percentage, not
exceeding 100%, of the amount bid, based upon the director's or depart-
ment's assessment of the risk presented to the State by the type of contract,
and other relevant factors, and (b) waive the bond requirement of this
section entirely if the contract is for a sum not exceeding $200,000.

(3) When such a contract is to be performed at the expense of a
contracting unit or school district, the board, officer or agent contracting on
behalf of the contracting unit or school district may: (a) establish for that
contract the amount of the bond at any percentage, not exceeding 100%, of
the amount bid, based upon the board's, officer's or agent's assessment of the
risk presented to the contracting unit or school district by the type of
contract and other relevant factors, and (b) waive the bond requirement of
this section entirely if the contract is for a sum not exceeding $100,000.

b. A surety's obligation shall not extend to any claim for damages based
upon alleged negligence that resulted in personal injury, wrongful death, or
damage to real or personal property, and no bond shall in any way be
construed as a liability insurance policy. Nothing herein shall relieve the
surety's obligation to guarantee the contractor's performance of all
conditions of the contract, including the maintenance of liability insurance
if and as required by the contract. Only the obligee named on the bond, and
any subcontractor performing labor or any subcontractor or materialman
providing materials for the construction, erection, alteration or repair of the
public building, work or improvement for which the bond is required
pursuant to this section, shall have any claim against the surety under the
bond.

c. A board, officer or agent contracting on behalf of the State,
contracting unit or school district shall not accept more than one payment
and performance bond to cover a single construction contract. The board,

An interest in a plenary retail transit license issued in accordance with this section shall be excluded in determining the maximum number of retail licenses permitted under P.L.1962, c.152 (C.33:1-12.31 et seq.).

Club license. 5. The holder of this license shall be entitled, subject to rules and regulations, to sell any alcoholic beverages but only for immediate consumption on the licensed premises and only to bona fide club members and their guests. The fee for this license shall be fixed by the governing board or body of the municipality in which the licensed premises are situated, by ordinance, at not less than $50.00 and not more than $150.00. commission pursuant to the provisions of this act, such holder shall dispose
of his interest in the corporation; provided, however, that, notwithstanding
the provisions of N.J.S.14A:7-12 and N.J.S.12A:8-101 et seq., nothing
herein shall be deemed to require that any security of such corporation bear
any legend to this effect;

(8) The corporation, if it is not a publicly traded corporation, shall
establish to the satisfaction of the commission that appropriate charter
provisions create the absolute right of such non-publicly traded corporations
and companies to repurchase at the market price or the purchase price,
whichever is the lesser, any security, share or other interest in the corpora-
tion in the event that the commission disapproves a transfer in accordance
with the provisions of this act;

(9) Any publicly traded holding, intermediary, or subsidiary company
of the corporation, whether the corporation is publicly traded or not, shall
contain in its corporate charter the same provisions required under
paragraph (7) for a publicly traded corporation to be eligible to apply for a
casino license; and

(10) Any non-publicly traded holding, intermediary or subsidiary
company of the corporation, whether the corporation is publicly traded or
not, shall establish to the satisfaction of the commission that its charter
provisions are the same as those required under paragraphs (7) and (8) for
a non-publicly traded corporation to be eligible to apply for a casino license.

Notwithstanding the foregoing, any corporation or company which had
bylaw provisions approved by the commission prior to the effective date of
this 1987 amendatory act shall have one year from the effective date of this
1987 amendatory act to adopt appropriate charter provisions in accordance
with the requirements of this subsection.
The provisions of this subsection shall apply with the same force and effect with regard to casino license applicants and casino licensees which have a legal existence that is other than corporate to the extent which is appropriate.

e. No person shall be issued or be the holder of a casino license if the issuance or the holding results in undue economic concentration in Atlantic City casino operations by that person. The commission shall, after conducting public hearings thereon, promulgate rules and regulations in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) defining the criteria the commission will use in determining what constitutes undue economic concentration. For the purpose of this subsection a person shall be considered the holder of a casino license if such license is issued to such person or if such license is held by any holding, intermediary or subsidiary company thereof, or by any officer, director, casino key employee or principal employee of such person, or of any holding, intermediary or subsidiary company thereof.

4. Section 83 of P.L.1977, c.110 (C.5:12-83) is amended to read as follows

C.5:12-83 Approved hotel.

83. a. An approved hotel for purposes of this act shall be a hotel providing facilities in accordance with this section. Nothing in this section shall be construed to limit the authority of the commission to determine the suitability of facilities as provided in this act, and nothing in this section shall be construed to require a casino to be smaller than the maximum size herein provided.

b. (1) In the case of a casino hotel in operation on June 29, 1991, a casino hotel shall include:

(a) an approved hotel containing at least the number of qualifying sleeping units, as defined in section 27 of P.L.1977, c.110 (C.5:12-27), which it had on that date, except that those units may be consolidated and reconfigured in order to form suites so long as there remain at least 500 qualifying sleeping units; and

(b) a casino, the total square footage of which shall not exceed the amount of casino space authorized on the basis of the provisions of this section which were in effect on June 28, 1991 and applicable to that casino hotel at that time, unless the number of qualifying sleeping units under subparagraph (a) of this paragraph and the number of any qualifying sleeping units added after June 29, 1991 permit an increase on the following basis: 60,000 square feet of casino space for the first 500 qualifying sleeping units and 10,000 square feet of casino space for each additional 100 qualifying
sleeping units above 500, up to a maximum of 200,000 square feet of casino space. No casino hotel in operation on June 29, 1991 shall be required to reduce the amount of its casino space below the amount authorized as of June 28, 1991 unless the number of qualifying sleeping units is reduced below the number required in subparagraph (a) of this paragraph.

For the purpose of increasing casino space, an agreement approved by the commission for the addition of qualifying sleeping units within two years after the commencement of gaming operations in the additional casino space shall be deemed an addition of those rooms, but if the agreement is not fulfilled due to conditions within the control of the casino licensee, the casino licensee shall close the additional casino space or any portion thereof as directed by the commission.

The calculation of the number of qualifying sleeping units added with respect to any such casino hotel shall not include any qualifying sleeping unit or other hotel or motel room in existence in Atlantic City on June 29, 1991, whether or not that unit or room was offered or usable for occupancy on that date, or any replacement for such a unit or room which results from construction or renovation after that date, except that any hotel room in existence in Atlantic City on June 29, 1991 which was not used or available for use on that date and for at least 10 years prior to that date and which is reconstructed or replaced after the effective date of this amendatory and supplementary act, P.L.1993, c.159, and meets the specifications of a sleeping unit prescribed in section 27 of P.L.1977, c.110 (C.5:12-27) may be included in such calculation; any hotel room in existence in Atlantic City on June 29, 1991 which, for at least 10 years prior thereto, had been used as part of an annexed facility of a casino hotel, which facility was determined by the commission to be part of an approved hotel subsequent thereto and prior to the effective date of this amendatory and supplementary act, P.L.1995, c.18 (C.5:12-2.1 et al.), and meets, or was or is reconstructed or replaced to meet, the specifications of a sleeping unit prescribed in section 27 of P.L.1977, c.110 (C.5:12-27), may be included in such calculation; and any replacement which, in the judgment of the commission, is an integral element of a program of neighborhood rehabilitation undertaken by the casino licensee with the approval of the city of Atlantic City may also be included in such calculation.

(2) In the case of a hotel in operation on June 29, 1991 which was part of a casino hotel prior to, but not as of, that date, and which is reestablished as part of a casino hotel after that date, a casino hotel shall include:

(a) an approved hotel containing at least the number of qualifying sleeping units, as defined in section 27 of P.L.1977, c.110 (C.5:12-27), which it had on the date the casino ceased operations prior to June 29, 1991,
except that those units may be consolidated and reconfigured in order to form suites so long as there remain at least 500 qualifying sleeping units; and

(b) a casino, the total square footage of which shall not exceed the amount of casino space the casino had on the date it ceased operations prior to June 29, 1991 unless the number of qualifying sleeping units under subparagraph (a) of this paragraph and the number of any qualifying sleeping units added after that date permit an increase on the following basis: 60,000 square feet of casino space for the first 500 qualifying sleeping units and 10,000 square feet of casino space for each additional 100 qualifying sleeping units above 500, up to a maximum of 200,000 square feet of casino space. No casino hotel which operates pursuant to this paragraph shall be required to reduce the amount of its casino space below the amount it had on the date it ceased operations unless the number of qualifying sleeping units is reduced below the number required in subparagraph (a) of this paragraph.

For the purpose of increasing casino space, an agreement approved by the commission for the addition of qualifying sleeping units within two years after the commencement of gaming operations in the additional casino space shall be deemed an addition of those rooms, but if the agreement is not fulfilled due to conditions within the control of the casino licensee, the casino licensee shall close the additional casino space or any portion thereof as directed by the commission.

The calculation of the number of qualifying sleeping units added with respect to any such hotel shall not include any qualifying sleeping unit or other hotel or motel room in existence in Atlantic City on June 29, 1991, whether or not that unit or room was offered or usable for occupancy on the effective date, or any replacement for such a unit or room which results from construction or renovation after that date, except that any hotel room in existence in Atlantic City on June 29, 1991 which was not used or available for use on that date and for at least 10 years prior to that date and which is reconstructed or replaced after the effective date of this amendatory and supplementary act, P.L. 1993, c.159, and meets the specifications of a sleeping unit prescribed in section 27 of P.L. 1977, c.110 (C.5:12-27) may be included in such calculation, and any replacement which, in the judgment of the commission, is an integral element of a program of neighborhood rehabilitation undertaken by the casino licensee with the approval of the city of Atlantic City may also be included in such calculation.

c. In the case of a casino hotel not in operation prior to or on June 29, 1991, a casino hotel shall include an approved hotel containing at least 500 qualifying sleeping units, as defined in section 27 of the "Casino Control Act," P.L.1977, c.110 (C.5:12-27), and a casino, the total square footage of which shall not exceed 60,000 square feet, except that for each additional
100 qualifying sleeping units above 500, the maximum amount of the casino space may be increased by 10,000 square feet, up to a maximum of 200,000 square feet of casino space. The calculation of the number of qualifying sleeping units with respect to any such casino hotel shall not include any qualifying sleeping unit or other hotel or motel room in existence in Atlantic City on June 29, 1991, whether or not that unit or room was offered or usable for occupancy on that date, or any replacement for such a unit or room which results from construction or renovation after that date, except that any hotel room in existence in Atlantic City on June 29, 1991 which was not used or available for use on that date and for at least 10 years prior to that date and which is reconstructed or replaced after the effective date of this amendatory and supplementary act, P.L.1993, c.159, and meets the specifications of a sleeping unit prescribed in section 27 of P.L.1977, c.110 (C.5:12-27) may be included in such calculation, and any replacement which, in the judgment of the commission, is an integral element of a program of neighborhood rehabilitation undertaken by the casino licensee with the approval of the city of Atlantic City may also be included in such calculation.

d. Once a hotel is initially approved, the commission shall thereafter rely on the certification of the casino licensee with regard to the number of qualifying sleeping units and shall permit rehabilitation, renovation and alteration of any part of the approved hotel even if the rehabilitation, renovation, or alteration will mean that the casino licensee does not temporarily meet the requirements of subsection c. so long as the licensee certifies that the rehabilitation, renovation, or alteration shall be completed within one year.

g. (Deleted by amendment, P.L.1991, c.182).

h. (Deleted by amendment, P.L.1991, c.182).

i. The commission shall not impose any criteria or requirements regarding the contents of the approved hotel in addition to the criteria and requirements expressly specified in the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.); provided, however, that the commission shall be authorized to require each casino licensee to establish and maintain an approved hotel which is in all respects a superior, first-class facility of exceptional quality which will help restore Atlantic City as a resort, tourist and convention destination.

5. Section 98 of P.L.1977, c.110 (C.5:12-98) is amended to read as follows:
C. 5:12-98 Casino facility requirements.

98. a. Each casino licensee shall arrange the facilities of its casino and, if appropriate, its simulcasting facility in such a manner as to promote optimum security for the casino and simulcasting facility operations, and shall comply in all respects with regulations of the commission pertaining thereto.

b. Each casino hotel shall include:

(1) A closed circuit television system according to specifications approved by the commission, with access on the licensed premises to the system or its signal provided to the commission or the division, in accordance with regulations pertaining thereto;

(2) One or more rooms or locations approved by the commission as casino space; and

(3) Design specifications that insure that visibility in a casino or in the simulcasting facility is not obstructed in any way that might interfere with the ability of the commission or the division to supervise casino or simulcasting facility operations.

6. Section 100 of P.L. 1977, c. 110 (C. 5:12-100) is amended to read as follows:

C. 5:12-100 Games and gaming equipment.

100. a. This act shall not be construed to permit any gaming except the conduct of authorized games in a casino room in accordance with this act and the regulations promulgated hereunder and in a simulcasting facility to the extent provided by the "Casino Simulcasting Act," P.L. 1992, c. 19 (C. 5:12-191 et al.). Notwithstanding the foregoing, if the commission approves the game of keno as an authorized game pursuant to section 5 of P.L. 1977, c. 110 (C. 5:12-5), as amended, keno tickets may be sold or redeemed in accordance with commission regulations at any location in a casino hotel approved by the commission for such activity.

b. Gaming equipment shall not be possessed, maintained or exhibited by any person on the premises of a casino hotel except in a casino room, in the simulcasting facility, or in restricted casino areas used for the inspection, repair or storage of such equipment and specifically designated for that purpose by the casino licensee with the approval of the commission. Gaming equipment which supports the conduct of gaming in a casino or simulcasting facility but does not permit or require patron access, such as computers, may be possessed and maintained by a casino licensee in restricted casino areas specifically designated for that purpose by the casino licensee with the approval of the commission. No gaming equipment shall be possessed, maintained, exhibited, brought into or removed from a casino room or simulcasting facility by any person unless such equipment is necessary to the
conduct of an authorized game, has permanently affixed, imprinted, impressed or engraved thereon an identification number or symbol authorized by the commission, is under the exclusive control of a casino licensee or his employees, and is brought into or removed from the casino room or simulcasting facility following 24-hour prior notice given to an authorized agent of the commission.

Notwithstanding the foregoing, a person may, with the prior approval of the commission and under such terms and conditions as may be required by the commission, possess, maintain or exhibit gaming equipment in any other area of the casino hotel; provided such equipment is used for nongaming purposes.

c. Each casino hotel shall contain a count room and such other secure facilities as may be required by the commission for the counting and storage of cash, coins, tokens and checks received in the conduct of gaming and for the inspection, counting and storage of dice, cards, chips and other representatives of value. All drop boxes and other devices wherein cash, coins, or tokens are deposited at the gaming tables or in slot machines, and all areas wherein such boxes and devices are kept while in use, shall be equipped with two locking devices, one key to which shall be under the exclusive control of the commission and the other under the exclusive control of the casino licensee, and said drop boxes and other devices shall not be brought into or removed from a casino room or simulcasting facility, or locked or unlocked, except at such times, in such places, and according to such procedures as the commission may require.

d. All chips used in gaming shall be of such size and uniform color by denomination as the commission shall require by regulation.

e. All gaming shall be conducted according to rules promulgated by the commission. All wagers and pay-offs of winning wagers shall be made according to rules promulgated by the commission, which shall establish such limitations as may be necessary to assure the vitality of casino operations and fair odds to patrons. Each slot machine shall have a minimum payout of 83%.

f. Each casino licensee shall make available in printed form to any patron upon request the complete text of the rules of the commission regarding games and the conduct of gaming, pay-offs of winning wagers, an approximation of the odds of winning for each wager, and such other advice to the player as the commission shall require. Each casino licensee shall prominently post within a casino room and simulcasting facility, as appropriate, according to regulations of the commission such information about gaming rules, pay-offs of winning wagers, the odds of winning for each wager, and such other advice to the player as the commission shall require.
g. Each gaming table shall be equipped with a sign indicating the permissible minimum and maximum wagers pertaining thereto. It shall be unlawful for a casino licensee to require any wager to be greater than the stated minimum or less than the stated maximum; provided, however, that any wager actually made by a patron and not rejected by a casino licensee prior to the commencement of play shall be treated as a valid wager.

h. (1) No slot machine shall be used to conduct gaming unless it is identical in all electrical, mechanical and other aspects to a model thereof which has been specifically tested by the division and licensed for use by the commission. The division may, in its discretion, and for the purpose of expediting the approval process, refer testing to any testing laboratory with a plenary license as a casino service industry pursuant to subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92). The division shall give priority to the testing of slot machines which a casino licensee has certified it will use in its casino in this State. The commission shall, by regulation, establish such technical standards for licensure of slot machines, including mechanical and electrical reliability, security against tampering, the comprehensibility of wagering, and noise and light levels, as it may deem necessary to protect the player from fraud or deception and to insure the integrity of gaming. The denominations of such machines shall be set by the licensee; the licensee shall simultaneously notify the commission of the settings.

(2) The commission shall, by regulation, determine the permissible number and density of slot machines in a licensed casino so as to:

(a) promote optimum security for casino operations;
(b) avoid deception or frequent distraction to players at gaming tables;
(c) promote the comfort of patrons;
(d) create and maintain a gracious playing environment in the casino; and
(e) encourage and preserve competition in casino operations by assuring that a variety of gaming opportunities is offered to the public.

Any such regulation promulgated by the commission which determines the permissible number and density of slot machines in a licensed casino shall provide that all casino floor space and all space within a casino licensee's casino simulcasting facility shall be included in any calculation of the permissible number and density of slot machines in a licensed casino.

i. (Deleted by amendment, P.L.1991, c.182).

k. It shall be unlawful for any person to exchange or redeem chips for anything whatsoever, except for currency, negotiable personal checks, negotiable counter checks, other chips, coupons or complimentary vouchers distributed by the casino licensee, or, if authorized by regulation of the commission, a valid charge to a credit or debit card account. A casino
licensee shall, upon the request of any person, redeem that licensee's gaming chips surrendered by that person in any amount over $100 with a check drawn upon the licensee's account at any banking institution in this State and made payable to that person.

1. It shall be unlawful for any casino licensee or its agents or employees to employ, contract with, or use any shill or Barker to induce any person to enter a casino or simulcasting facility or play at any game or for any purpose whatsoever.

m. It shall be unlawful for a dealer in any authorized game in which cards are dealt to deal cards by hand or other than from a device specifically designed for that purpose, unless otherwise permitted by the rules of the commission.

n. It shall be unlawful for any casino key employee or any person who is required to hold a casino key employee license as a condition of employment or qualification to wager in any casino or simulcasting facility in this State, or any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, to wager in a casino or simulcasting facility in the casino hotel in which the employee is employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee. Any casino employee, other than a junket representative, bartender, waiter, waitress, or other casino employee who, in the judgment of the commission, is not directly involved with the conduct of gaming operations, must wait at least 30 days following the date that the employee either leaves employment with a casino licensee or is terminated from employment with a casino licensee before the employee may gamble in a casino or simulcasting facility in the casino hotel in which the employee was formerly employed or in any other casino or simulcasting facility in this State which is owned or operated by the same casino licensee.

o. (1) It shall be unlawful for any casino key employee or boxman, floorman, or any other casino employee who shall serve in a supervisory position to solicit or accept, and for any other casino employee to solicit, any tip or gratuity from any player or patron at the casino hotel or simulcasting facility where he is employed.

(2) A dealer may accept tips or gratuities from a patron at the table at which such dealer is conducting play, subject to the provisions of this subsection. All such tips or gratuities shall be immediately deposited in a lockbox reserved for that purpose, accounted for, and placed in a pool for distribution pro rata among the dealers, with the distribution based upon the number of hours each dealer has worked.
CHAPTER 84, LAWS OF 1996

7. Section 104 of P.L.1977, c.110 (C.5:12-104) is amended to read as follows:

C.5:12-104 Casino licensee -- leases and contracts.

104. a. (1) Unless otherwise provided in this subsection, no agreement which provides for the payment, however defined, of any direct or indirect interest, percentage or share of any money or property gambled at a casino or simulcasting facility or derived from casino gaming activity or wagering at a simulcasting facility of any such interest, percentage, or share of any revenues, profits or earnings of a casino or simulcasting facility shall be lawful.

(2) Agreements which provide only for the payment of a fixed sum which is in no way affected by the amount of any such money, property, revenues, profits or earnings shall not be subject to the provisions of this subsection; and receipts, rentals or charges for real property, personal property or services shall not lose their character as payments of a fixed sum because of contract, lease, or license provisions for adjustments in charges, rentals or fees on account of changes in taxes or assessments, cost-of-living index escalations, expansion or improvement of facilities, or changes in services supplied.

(3) Agreements between a casino licensee and its employees which provide for casino employee or casino key employee profit sharing and which are in writing and have been filed with the commission shall be lawful and effective only if expressly approved as to their terms by the commission.

(4) Agreements to lease an approved casino hotel or the land thereunder and agreements for the complete management of all casino gaming operations in a casino hotel shall not be subject to the provisions of this subsection but shall rather be subject to the provisions of subsections b. and c. of section 82 of this act.

(5) Agreements which provide for percentage charges between the casino licensee and a holding company or intermediary company of the casino licensee shall be in writing and filed with the commission but shall not be subject to the provisions of this subsection.

(6) Agreements relating to simulcast racing and wagering between a casino licensee and an in-State or out-of-State sending track licensed or exempt from licensure in accordance with subsection c. of section 92 of P.L.1977, c.110 (C.5:12-92) shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the parimutuel pool wagered at a simulcasting facility to be paid to the sending track shall not be subject to the provisions of paragraph (1) of this subsection.
(7) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) as a hub facility, as defined in joint regulations of the Casino Control Commission and the New Jersey Racing Commission, shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission and the New Jersey Racing Commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the hub facility shall not be subject to the provisions of paragraph (1) of this subsection.

(8) Agreements relating to simulcast racing and wagering between a casino licensee and a casino service industry licensed pursuant to the provisions of subsection a. of section 92 of P.L.1977, c.110 (C.5:12-92) to conduct casino simulcasting in a simulcasting facility shall be in writing, be filed with the commission, and be lawful and effective only if expressly approved as to their terms by the commission, except that any such agreements which provide for a percentage of the casino licensee's share of the parimutuel pool wagered at a simulcasting facility to be paid to the casino service industry shall not be subject to the provisions of paragraph (1) of this subsection.

b. Each casino applicant or licensee shall maintain, in accordance with the rules of the commission, a record of each written or unwritten agreement regarding the realty, construction, maintenance, or business of a proposed or existing casino hotel or related facility. The foregoing obligation shall apply regardless of whether the casino applicant or licensee is a party to the agreement. Any such agreement may be reviewed by the commission on the basis of the reasonableness of its terms, including the terms of compensation, and of the qualifications of the owners, officers, employees, and directors of any enterprise involved in the agreement, which qualifications shall be reviewed according to the standards enumerated in section 86 of this act. If the commission disapproves such an agreement or the owners, officers, employees, or directors of any enterprise involved therein, the commission may require its termination.

Every agreement required to be maintained, and every related agreement the performance of which is dependent upon the performance of any such agreement, shall be deemed to include a provision to the effect that, if the commission shall require termination of an agreement pursuant to this subsection, such termination shall occur without liability on the part of the casino applicant or licensee or any qualified party to the agreement or any related agreement. Failure expressly to include such a provision in the agreement shall not constitute a defense in any action brought to terminate
the agreement. If the agreement is not maintained or presented to the commission in accordance with commission regulations, or the disapproved agreement is not terminated, the commission may pursue any remedy or combination of remedies provided in this act.

For the purposes of this subsection, "casino applicant" includes any person required to hold a casino license pursuant to section 82 of P.L.1977, c.110 (C.5:12-82) who has applied to the commission for a casino license or any approval required under P.L.1977, c.110 (C.5:12-1 et seq.).

c. Nothing in this act shall be deemed to permit the transfer of any license, or any interest in any license, or any certificate of compliance or any commitment or reservation.

8. Section 4 of P.L.1992, c.19 (C.5:12-194) is amended to read as follows:

C.5:12-194 Establishment of casino simulcasting facility.

4. a. (1) A casino licensee which wishes to conduct casino simulcasting shall establish a simulcasting facility as part of the casino hotel. The simulcasting facility may be adjacent to, but shall not be part of, any room or location in which casino gaming is conducted pursuant to the provisions of P.L.1977, c.110 (C.5:12-1 et seq.). The simulcasting facility shall conform to all requirements concerning square footage, equipment, security measures and related matters which the Casino Control Commission shall by regulation prescribe. The space required for the establishment of a simulcasting facility shall not reduce the space authorized for casino gaming activities as specified in section 83 of P.L.1977, c.110 (C.5:12-83). The cost of establishing, maintaining and operating a simulcasting facility shall be the sole responsibility of the casino licensee.

(2) Wagering on simulcast horse races shall be conducted only in the simulcasting facility, which shall be open and operated whenever simulcast horse races are being transmitted to the casino hotel during permitted hours of casino operation.

(3) Any authorized game, as defined in section 5 of P.L.1977, c.110 (C.5:12-5), other than slot machines may be conducted in a simulcasting facility subject to the rules and regulations of the Casino Control Commission.

(4) The security measures for a simulcasting facility shall include the installation by the casino licensee of a closed circuit television system according to specifications approved by the Casino Control Commission. The Casino Control Commission and the Division of Gaming Enforcement shall have access to the system or its signal in accordance with regulations of the commission.
b. All persons engaged directly in wagering-related activities conducted by a casino licensee in a simulcasting facility, whether employed by the casino licensee or by a person or entity conducting casino simulcasting in the simulcasting facility pursuant to an agreement with the casino licensee, shall be licensed as casino employees or casino key employees, as appropriate. All other employees of the casino licensee or of the person or entity conducting casino simulcasting who are working in the simulcasting facility shall be licensed or registered in accordance with regulations of the Casino Control Commission.

Any employee at the Atlantic City Race Course or Garden State Park on or after June 12, 1992, who loses employment with that racetrack as a direct result of the implementation of casino simulcasting and who has been licensed by the New Jersey Racing Commission for five consecutive years immediately preceding the loss of employment shall be given first preference for employment whenever any comparable position becomes available in any casino simulcasting facility, provided the person is qualified pursuant to this subsection. If a casino licensee enters into an agreement with a person or entity for the conduct of casino simulcasting in its simulcasting facility, the agreement shall include the requirement that such first preference in employment shall be given by the person or entity with respect to employment in the simulcasting facility.

c. A casino licensee which establishes a simulcasting facility and conducts casino simulcasting shall, as a condition of continued operation of casino simulcasting, receive all live races which are transmitted by in-State sending tracks.

d. Agreements between a casino licensee and an in-State or out-of-State sending track for casino simulcasting shall be in writing and shall be filed with the New Jersey Racing Commission and with the Casino Control Commission in accordance with section 104 of P.L.1977, c.110 (C.5:12-104).

e. If wagering at casinos on sports events is authorized by the voters of this State and by enabling legislation enacted by the Legislature, and if a casino licensee conducts such wagering and casino simulcasting, the two activities shall be conducted in the same area, in accordance with such regulations as the Casino Control Commission shall prescribe with respect to wagering on sports events and in accordance with this act and such regulations as may be adopted pursuant to section 3 of this act with respect to casino simulcasting.

9. This act shall take effect immediately.

4. Any loan made by the Department of Environmental Protection pursuant to this act shall be subject to the following requirements:
   
a. The commissioner has certified that the project is in compliance with the provisions of P.L.1985, c.329 or P.L.1992, c.88 and any rules and regulations adopted pursuant thereto;
   
b. The loan amount shall not exceed 50% of the total estimated allowable project cost of the wastewater treatment system;
c. The loan shall be repaid within a period not to exceed 23 years of the making of the loan;

d. The loan shall be conditioned upon approval of a loan from the New Jersey Wastewater Treatment Trust pursuant to P.L.1996, c.87; except that this requirement shall not apply to Project No. S340927-02 (Town of Hammonton: $3,530,000), for which a loan has been made by the trust pursuant to P.L.1992, c.37 for both phases of this local government unit's wastewater treatment system project;

e. The loan shall be subject to any other terms and conditions as may be established by the commissioner and approved by the State Treasurer, which may include, notwithstanding any other provision of law to the contrary, subordination of a loan authorized in this act to loans made by the trust pursuant to P.L.1996, c.87 or to administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5).

5. The priority list and authorization for the making of loans pursuant to sections 2 and 3 of this act shall expire on July 1, 1997, and any local government unit which has not executed and delivered a loan agreement with the department for a loan authorized in this act shall no longer be entitled to that loan.

6. The Commissioner of Environmental Protection is authorized to reduce or increase the individual amount of loan funds made available to local government units pursuant to sections 2 and 3 of this act based upon low bid building costs or final building costs defined in and determined in accordance with rules and regulations adopted by the commissioner pursuant to section 4 of P.L.1985, c.329, provided that the total loan amount does not exceed the original loan amount.

7. The expenditure of the funds appropriated by this act is subject to the provisions and conditions of P.L.1985, c.329 or P.L.1992, c.88 and any rules and regulations adopted by the commissioner pursuant thereto.

8. The Department of Environmental Protection shall provide general technical assistance to any local government unit requesting assistance regarding wastewater treatment system project development or applications for funds for a project.

9. a. Prior to repayment to the "Wastewater Treatment Fund" pursuant to the provisions of section 16 of P.L.1985, c.329, and prior to repayment to the "1992 Wastewater Treatment Fund" pursuant to the provisions of section 28 of P.L.1992, c.88, repayments of loans made pursuant to this act may be utilized by the New Jersey Wastewater Treatment Trust established
pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.) under terms and conditions established by the commissioner and trust, and approved by the State Treasurer, and consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) and federal tax law, to the extent necessary to secure repayment of trust bonds issued to finance loans approved pursuant to P.L.1996, c.87, and to secure the administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5) by the local government units receiving trust loans.

c. To the extent that any loan repayment sums are used to secure trust bond repayments or administrative fee payments, the trust shall repay such sums to the department for deposit into the "Wastewater Treatment Fund" or the "1992 Wastewater Treatment Fund," as appropriate.

10. The Commissioner of Environmental Protection is authorized to enter into a capitalization grant agreement as may be required pursuant to the Federal Act.

11. a. The Director of the Division of Budget and Accounting in the Department of the Treasury is directed to transfer to the "Wastewater Treatment Fund" the entire sum of money, if any, appropriated to the Department of Environmental Protection for "Public Wastewater Facilities" in the "State Aid" section of P.L.1996, c.42. The sum transferred to the "Wastewater Treatment Fund" pursuant to this section is appropriated to the New Jersey Wastewater Treatment Trust established pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.). The trust shall deposit all or a portion of this sum as it may deem necessary and appropriate into one or more reserve funds established pursuant to section 11 of P.L.1985, c.334 (C.58:11B-11). These reserve funds shall include reserve funds constituted collectively as a water pollution control revolving fund for the purposes of the Federal Act and shall be known as the Trust Reserve Fund - State Revolving Fund Accounts; except that the trust shall not establish the Trust Reserve Fund - State Revolving Fund Accounts prior to the execution of a capitalization grant agreement entered into by the Commissioner of Environmental Protection pursuant to section 10 of this act.
b. Any portion of the sum appropriated to the trust pursuant to subsection a. of this section or subsection a. of section 11 of P.L.1989, c.189, subsection a. of section 11 of P.L.1990, c.99, subsection a. of section 11 of P.L.1991, c.325, subsection a. of section 11 of P.L.1992, c.38, subsection a. of section 11 of P.L.1993, c.193, subsection a. of section 11 of P.L.1994, c.106 or subsection a. of P.L.1995, c.219, plus any net earnings received from the investment or deposit of such moneys by the trust not required by the trust to establish reserve funds as provided in this section, shall be returned to the "Wastewater Treatment Fund" and placed in any account therein as determined by the commissioner to be used by the department for making zero interest loans to local government units to finance a portion of the cost of the wastewater treatment system projects listed in sections 2 and 3 of this act up to the individual amounts indicated and in the priority stated, except as any such amount may be reduced by the commissioner pursuant to section 6 of this act or if a project fails to meet the requirements of section 4 of this act; and except that the commissioner shall certify to the chairman of the trust that such funds are needed for zero interest loans before any transfer is made. In the event that the commissioner fails to make this certification, the unexpended balance not devoted to establishing reserve funds shall remain with the trust but shall not be expended by the trust until such expenditure is authorized pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.).

12. There is appropriated to the New Jersey Wastewater Treatment Trust established pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.) from repayments of loans deposited in any account, including the State Revolving Fund Accounts contained within the "Wastewater Treatment Fund" or the "1992 Wastewater Treatment Fund," and from any net earnings received from the investment and reinvestment of such deposits, such sums as the chairman of the trust shall certify to the Commissioner of Environmental Protection to be necessary and appropriate for deposit into one or more reserve funds established by the trust pursuant to section 11 of P.L.1985, c.334 (C.58:11B-11); except that the certification shall not be made with respect to the State Revolving Fund Accounts prior to the execution of a capitalization grant agreement entered into by the commissioner pursuant to section 10 of this act.

A portion of the proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses; for the payment of reserve capacity expenses and the associated debt service reserve fund requirements; and for the payment of increased costs as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

6. Any loan made by the New Jersey Wastewater Treatment Trust pursuant to this act shall be subject to the following requirements:
   a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L.1985, c.334 or P.L.1992, c.88 and any rules and regulations adopted pursuant thereto;
   b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the "Wastewater Treatment Fund" established pursuant to the "Wastewater Treatment Bond Act of 1985," P.L.1985, c.329 or the "1992 Wastewater Treatment Fund" established pursuant to section 27 of the "Green Acres, Clean Water, Farmland and Historic Preservation Bond Act of 1992," P.L.1992, c.88;
   c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;
   d. The loan shall not exceed the allowable project cost of the wastewater treatment system, exclusive of capitalized interest and issuance expenses as provided in subsection b. of section 7 of this act, reserve capacity expenses and the associated debt service reserve fund requirements as provided in subsection c. of section 7 of this act, and increased costs as
defined and determined in accordance with the rules and regulations adopted

payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334
(C.58:11B-5) by the local government units receiving trust loans, at or
below the interest rate paid by the trust on the bonds issued to make the
loans authorized by this act, adjusted for underwriting discount, in ac­
cordance with the terms and conditions set forth in the financial plan required
pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21); and

f. The loan shall be subject to all other terms and conditions as the trust
shall determine to be consistent with the provisions of P.L.1985, c.334

thereto, and with the financial plan required by section 21 of P.L.1985, c.334
(C.58:11B-21).

The priority list and authorization for the making of loans pursuant to

building costs or final building costs defined in and determined in accordance
with rules and regulations adopted by the trust pursuant to section 27 of
P.L.1985, c.334 (C.58:11B-27). The trust is authorized to use any such
reduction in the loan amount made available to a local government unit to
cover that local government unit's increased costs due to differing site

The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the trust, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The trust may sell all or part of the bonds
of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) without obtaining the consent of any department, division, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things, other than those consents, proceedings, conditions or things which are specifically required by P.L.1985, c.334 (C.58:11B-1 et seq.).

Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, is pledged to the payment of the principal or the interest on the bonds, notes or other obligations.

g. The aggregate principal amount of bonds, notes or other obligations, including subordinated indebtedness of the trust, shall not exceed $600,000,000.00, except that, for the purposes of implementing the Fiscal Year 1994 Financial Plan as approved by the Legislature pursuant to SCR No. 118 of 1993 and ACR No. 138 of 1993, the Fiscal Year 1995 Financial Plan as approved by the Legislature pursuant to SCR No. 74 of 1994 and ACR No. 78 of 1994, the Fiscal Year 1996 Financial Plan as approved by the Legislature pursuant to SCR No. 105 of 1995 and ACR No. 15 of 1995, and the Fiscal Year 1997 Financial Plan as approved by the Legislature pursuant to SCR No. 75 of 1996 and ACR No. 14 of 1996, the trust may exceed the foregoing limitations. (5) The subcommittee shall review all information and reports submitted in accordance with this subsection and may, on its own initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

19:6-22. a. (1) The county boards shall, at 10 a.m., on the second Tuesday in March or on such other day as they may agree on within the first 15 days in March, in each year, meet at the courthouse, or other place as provided for, in their respective counties, and, subject to the provisions of paragraph (2) of this subsection, organize by electing one of their number to be chairman and one to be secretary; but the chairman and secretary shall not be members of the same political party.

(2) In case of failure to elect a chairman after three ballots or viva voce votes, the member having the greatest seniority on the board shall be the chairman thereof, except that if the member having the greatest seniority on the board so chooses, that member shall instead be secretary of the board; in the event that that senior member so chooses to become secretary, no election shall be held to choose a secretary of the board, the board shall elect one of its members who is not of the same political party as the secretary to be the chairman of the board, and in the case of a failure again to elect a chairman after three ballots or viva voce votes, the person among those members having the greatest seniority on the board shall be the chairman thereof.

In any case of failure to elect a chairman, if two or more members of the board who are eligible to become chairman have greatest and equal seniority on the board, then the board shall, not later than the fifth day following the organization meeting, notify the Governor of an inability to fill the position of chairman either by election or on the basis of seniority, including in that notice a certification of the names of those senior members of the board. b. The boards shall have power in their discretion to hold their meetings for any purpose, except organization, in any part of their respective counties. Meetings may be called by either the chairman or the secretary of the board, or at the request of any two members.

2. This act shall take effect immediately, and shall be applicable to the first annual organization meeting of each county board of elections that is held following the effective date of the act and thereafter.

CHAPTER 93

AN ACT concerning school dress codes and supplementing chapter 11 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:11-7 Findings, declarations relative to school dress codes.

1. The Legislature finds and declares that many educators believe that school dress can significantly influence pupil behavior and that schools that have adopted dress codes, including dress codes which require school uniforms and which prohibit clothing indicating membership in certain gangs, experience greater school pride and improved behavior in and out of the classroom. The Legislature further finds that to assist in controlling the environment in public schools, to facilitate and maintain an effective learning environment, and to keep the focus of the classroom on learning, school districts should be specifically authorized to implement uniform clothing requirements for their students.

C.18A:11-8 Adoption of dress code policy for schools permitted.

2. a. A board of education may adopt a dress code policy to require that students wear a school uniform if the policy is requested by the principal, staff and parents of an individual school and if the board determines that the policy will enhance the school learning environment. Any policy adopted which requires the wearing of a uniform shall include a provision to assist economically disadvantaged students. The board shall hold a public hearing prior to the adoption of the policy and shall not implement the policy with less than three months' notice to the parents or
guardians of the students. The specific uniform selected shall be determined by the principal, staff, and parents of the individual school.

b. The board of education may provide a method whereby parents may choose not to comply with an adopted school uniform policy. If the board provides such a method, a student shall not be penalized academically or otherwise discriminated against nor denied admittance to school if the student's parents choose not to comply with the school uniform policy.

c. A dress code policy adopted pursuant to this section shall not preclude students who participate in a nationally recognized youth organization which is approved by the board of education from wearing organization uniforms to school on days that the organization has scheduled a meeting.

3. A board of education may adopt a dress code policy to prohibit students from wearing, while on school property, any type of clothing, apparel or accessory which indicates that the student has membership in, or affiliation with, any gang associated with criminal activities. The local law enforcement agency shall advise the board, upon its request, of gangs which are associated with criminal activities.

4. This act shall take effect immediately.

Approved July 26, 1996.

No person enrolled as a student of an elementary or secondary school, knowingly and without the express written permission of the school board, its delegated authority, or any school principal, shall bring or possess any remotely activated paging device on any property used for school purposes, at any time and regardless of whether school is in session or other persons are present. A violation of this section shall be a disorderly persons offense. No
permission to bring or possess any remotely activated paging device on
school property shall be granted unless and until a student shall have
established to the satisfaction of the school authorities a reasonable basis for
the possession of the device on school property.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-7.4 Findings, declarations.

1. The Legislature finds and declares that it is in the public interest for the State to facilitate the development of an effective and efficient spectrum of quality health care services; and that the conversion of existing hospital bed capacity to a less intensive and more appropriate level of care for post-acute care patients in order to create subacute care units will ensure an optimal quality of care, promote continuity of care and avoid the duplication of existing health care facility bed capacity through costly new construction.

C.26:2H-7.5 Definitions regarding subacute care units.

2. As used in this act:
   "Commissioner" means the Commissioner of Health.

other relevant professional disciplines to deliver complex clinical interventions.

   (2) the maximum length of stay in the unit shall not exceed eight days;

   (3) the unit shall be certified to participate in the Medicare program as a skilled nursing facility;

Long-term care beds in a hospital's subacute care unit shall not be transferred to, or combined with, a subacute care unit in another hospital. Bed limitations for a hospital shall include both conversions of existing acute care beds and any purchases or other acquisitions or rentals of beds to be used by a hospital for the provision of subacute care under this act;

   (6) notwithstanding the provisions of section 10 of P.L.1971, c.136 (C.26:2H-10) to the contrary, the hospital shall be required to pay an application fee of $5,000 for a certificate of need to establish a subacute care unit; and

The report also shall include information on the number of patients admitted to the hospital's subacute care unit pursuant to subsection c. of this section because the patient could not be readmitted to a skilled nursing home.

CHAPTER 111

AN ACT concerning the sharing of certain personnel by school boards, amending various sections of the New Jersey Statutes and supplementing chapter 17 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:17-14.1 is amended to read as follows:

Appointment of school business administrator; duties; subcontracting; tenure acquisition.

18A:17-14.1. A board or the boards of two or more districts may, under rules and regulations prescribed by the State board, appoint a school business administrator by a majority vote of all the members of the board, define his duties, which may include serving as secretary of one of the boards, and fix his salary, whenever the necessity for such appointment shall have been agreed to by the county superintendent of schools or the county superintendents of schools of the counties in which the districts are situate and approved by the commissioner and the State board. A school business administrator shall be appointed in the manner provided in this section,
however when the boards of education of two or more school districts
determine to share a school business administrator, the appointment shall

district from subcontracting its school business administrator to another
school district pursuant to the provisions of P.L.1973, c.208 (C.40:8A-1 et seq.), in which case credit toward tenure acquisition shall accrue only in the
primary district of employment. The provisions of P.L.1996, c.111
(C.18A:17-24.1 et al.) concerning the arrangement to share a school business
administrator by two or more school districts shall not apply when a school
district subcontracts its school business administrator to another school
district.

2. N.J.S.18A:17-15 is amended to read as follows:

Appointment of superintendents; terms; apportionment of expense.

18A:17-15. The board of education of a Type I district and of any Type
II district, now having or hereafter authorized to have a superintendent of
schools, may, by contract appoint, for a term of not less than three nor more
than five years and expiring July 1, a superintendent of schools by the
recorded roll call majority vote of the full membership of the board.

A superintendent of schools may be appointed for a like term also in any
other Type II district or in any other two or more Type II districts as follows:

Application for the establishment of the office of superintendent of
schools for a district or for two or more districts which determine to share a
superintendent shall be made to the county superintendent of the county or
the county superintendent of each of the counties in which such district or
districts are situate and if said application is agreed to in writing by such
county superintendent or county superintendents and shall be approved by
the commissioner and the State board, the board of education of such a
district so applying may appoint a superintendent of schools for a single
district in the manner hereinbefore provided or may appoint a superintendent
for two or more districts in the manner provided by section 4 of P.L.1996,

3. N.J.S.18A:28-5 is amended to read as follows:

Tenure of teaching staff members.

18A:28-5. The services of all teaching staff members employed in the
positions of teacher, principal, other than administrative principal, assistant
principal, vice-principal, assistant superintendent, and all school nurses
including school nurse supervisors, head school nurses, chief school nurses,
school nurse coordinators, and any other nurse performing school nursing
services and such other employees as are in positions which require them to
hold appropriate certificates issued by the board of examiners, serving in any
school district or under any board of education, excepting those who are not
the holders of proper certificates in full force and effect and school business
administrators shared by two or more school districts, shall be under tenure
during good behavior and efficiency and they shall not be dismissed or
reduced in compensation except for inefficiency, incapacity, or conduct
unbecoming such a teaching staff member or other just cause and then only
in the manner prescribed by subarticle B of article 2 of chapter 6 of this Title,
after employment in such district or by such board for:
(a) Three consecutive calendar years, or any shorter period which may be
fixed by the employing board for such purpose; or
(b) Three consecutive academic years, together with employment at the
beginning of the next succeeding academic year; or
(c) The equivalent of more than three academic years within a period of
any four consecutive academic years.
For purposes of this chapter, tenure in any of the administrative or
supervisory positions enumerated herein shall accrue only by employment
in that administrative or supervisory position. Tenure so accrued shall not
extend to any other administrative or supervisory position and nothing herein
shall limit or restrict tenure rights which were or may be acquired pursuant
to N.J.S.18A:28-6 in a position in which the individual actually served.

4. The boards of education of two or more school districts may share a
superintendent or a school business administrator, or both. A shared
superintendent or business administrator shall be subject to the same rules
governing eligibility for employment as are superintendents or business
administrators of a single district. The decision to share a school business
administrator shall be made jointly by the boards of education of the districts,
in consultation with the superintendents of the respective districts, subject
to the final approval of the Commissioner of Education. The decision to
share a superintendent shall be made jointly by the boards of education of the
districts, subject to the final approval of the Commissioner of Education. The
procedure shall be as follows:

community input, decide to share a superintendent or school business
administrator, the districts shall mutually prepare a report for submission to
the county superintendent or county superintendents if the districts are in
different counties. The report shall outline the anticipated advantages to the
districts and the feasibility of a shared arrangement. The report shall set forth
a plan explaining how the shared arrangement will operate, and shall also
address such items as community support for the arrangement, effect on
services to the respective districts, division of the superintendent's or
business administrator's time between the districts, availability of administra-
tive backup, likelihood of situations creating conflict of interest, and financial
advantages of the arrangement.

b. The county superintendent or superintendents shall review the plan and
forward a recommendation to the Commissioner of Education who shall
approve or disapprove the plan.

5. Any boards obtaining the approval of the Commissioner of Education
may contract with one another for the sharing of a superintendent or school
business administrator. The contract shall be in writing and shall address the
responsibilities of each district under the sharing relationship, including the
apportionment of costs. The agreement shall be made contingent upon the
districts' mutual agreement on a candidate to fill the shared position and shall
be conterminous with the superintendent's or business administrator's
employment contract. A candidate for the position of superintendent shall
hold the standard certificate of school administrator and a candidate for the
position of school business administrator shall hold the standard certificate
of school business administrator.

a. The school districts shall together agree on how the initial costs of
sharing a superintendent or business administrator shall be apportioned,
which apportionment shall be expressed as a percentage for each district, and
shall include the cost of salaries and benefits.

b. At least one year prior to the expiration of the first or any subsequent
contract between school boards sharing a superintendent or business
administrator, a board wishing to terminate the contract shall notify, in
writing, the other board or boards and the superintendent or business
administrator, that it wishes to terminate the contract.

c. Should a board give a notice of termination, the contract between the
boards shall be terminated at the expiration of that term and the superinten­
dent or business administrator shall not be reappointed by the joint boards at
the end of the current term. However, the termination shall not preclude a
board from reemploying the superintendent or business administrator on an
individual basis.

d. Upon the expiration of a contract between school boards sharing a
superintendent or business administrator, the boards shall submit a report to
the county superintendent or superintendents, which shall include an
evaluation of the sharing relationship and the feasibility of voluntarily
forming a regional district.

6. The boards of education may, by contract, appoint a shared superinten­
dent or school business administrator for a term of not less than three nor
more than five years and expiring July 1, by the recorded roll call majority
vote of the membership of each board. At the conclusion of the term of the
initial contract or of any subsequent contract, the superintendent or business administrator shall be deemed reappointed for another contracted term of the same duration as the previous contract unless either:

a. The boards shall together agree to reappoint the person by contract for a different term, which term shall not be less than three nor more than five years in which event reappointments thereafter shall be deemed for the new term unless a different term is again specified; or

b. At least one year prior to the expiration of the first or any subsequent contract a board shall notify the superintendent or business administrator and the other board or boards in writing that the person will not be reappointed at the end of the current term, in which event the person's employment shall cease at the expiration of that term. The contract between the boards shall also be terminated. However, the termination shall not preclude any board from reemploying the superintendent or business administrator on an individual basis. If a contract between boards of education is terminated because the superintendent or business administrator is not reappointed at the end of the term of employment, and the boards involved in the previous sharing relationship determine to enter into a new contract, the boards shall not be required to prepare and submit a report or receive the approval of the Commissioner of Education if the new contract is for the same shared position for which the boards previously received approval.

7. During the term of any employment contract with the board, a shared superintendent or school business administrator shall not be dismissed or reduced in compensation except for inefficiency, incapacity, or conduct unbecoming or other just cause and then only in the manner prescribed by N.J.S.18A:6-9 et seq.

8. The position of shared superintendent or shared business administrator shall not be a tenurable position. If two or more boards of education appoint an individual from within one of the school districts to a shared position, the individual shall retain all tenure rights accrued in the positions in which he previously served within the district. However, in no event shall the districts be required to appoint a tenured individual from within any of the districts to fill a shared position.

C.18A:17-24.6 Determination of initial terms, conditions of employment contract.

9. The initial terms and conditions of the employment contract between the boards and the superintendent or school business administrator shall be determined by the boards and the superintendent or business administrator. The terms shall be maintained for the life of the contract.

Boards may mutually agree to provide additional benefits or compensation during the life of the superintendent's or business administrator's
contract, but if agreement is not possible, an individual board may do so unilaterally based upon the superintendent’s or business administrator’s performance and the needs of the district, and the responsibility for the cost of the additional benefits shall rest solely with that individual board.

10. Each district shall ensure that the shared superintendent or school business administrator is evaluated individually in that district, in accordance with statute and regulation.

11. The county superintendent or superintendents if the districts are in different counties shall serve as a mediator for any disputes arising over the interpretation of the contract between the boards of education sharing a superintendent or a school business administrator.

12. The provisions of P.L.1996, c.111 (C.18A:17-24.1 et al.) shall govern the sharing of a superintendent or school business administrator by two or more boards of education and shall not be deemed inconsistent with the provisions of P.L.1973, c.208 (C.40:8A-1 et seq.) insofar as that act may authorize the subcontracting of school district administrative services.

13. This act shall take effect immediately, but the employment of a shared superintendent or school business administrator shall be effective on July 1, 1997 and thereafter.

Approved August 29, 1996.

Each member of the council shall be appointed by the Governor, with the advice and consent of the Senate, for a term of four years and shall serve until a successor has been appointed and has qualified.

Any vacancies in the membership of the council occurring other than by expiration of term shall be filled by the Governor, with the advice and consent of the Senate, for the unexpired term only. Any member of the council may be removed from office by the Governor, for cause, upon notice and opportunity to be heard.

b. The council shall, subject to the approval of the commissioner, formulate comprehensive policies for the preservation and improvement of the shellfish industry and resource of the State. The council shall also: (1) consult with and advise the commissioner and the Marine Fisheries Council with respect to the implementation of the shellfisheries program; (2) study the activities of the shellfisheries program and hold hearings with respect thereto as it may deem necessary or desirable; and (3) initiate, by resolution of the council, proposed rules and regulations concerning shellfish to the commissioner.

c. No lease of any of the lands of the State under the tidal waters thereof, to be exclusively used and enjoyed by the lessee for the planting and
cultivating of shellfish, shall hereafter be allowed except when approved by a majority of the appropriate section of the council; and no such lease shall hereafter in any case be allowed except when approved and signed by the commissioner.

d. The council shall be divided into two sections, one to be known as the "Delaware Bay Section," consisting of the members from the counties of Cumberland and Salem, and one of the members from Cape May county, and the other to be known as the "Atlantic Coast Section," consisting of the members from the counties of Atlantic, Burlington, Ocean and Monmouth, and one of the members from Cape May county. In the event only one member from Cape May county has been appointed and has qualified as a member of the council, the qualified member may elect to serve in both sections of the council and participate in the exercise of the powers and performance of the duties of each of the sections until a second member from Cape May county has been appointed and has qualified as a member of the council.

 Except as provided in subsection e. of this section, the Delaware Bay Section shall, subject to the approval of the commissioner, exercise all the powers and perform all the duties of the council in matters relating to the shellfish industry in the tidal waters of the Delaware river, Delaware bay and their tributaries.

 The Atlantic Coast Section shall, subject to the approval of the commissioner, exercise all the powers and perform all the duties of the council in matters relating to the shellfish industry in all of the tidal waters of the State except in the tidal waters of the Delaware river, Delaware bay and their tributaries.

e. The commissioner, in consultation with the Delaware Bay Section of the Shell Fisheries Council, shall fix fees for all oysters landed from the Delaware river, Delaware bay and their tributaries. These fees shall be collected by and allocated to the Division of Fish, Game and Wildlife and shall be deposited in the "Oyster Resource Development Account," established pursuant to section 8 of P.L.1996, c.112 (C.23:3-12.2).

3. R.S.50:3-2 is amended to read as follows:

No license shall be issued for a period longer than one year.

All licenses shall be numbered and recorded by the commissioner.

All fees for licenses collected pursuant to this section shall be deposited in the "Oyster Resource Development Account,” established pursuant to
section 8 of P.L.1996, c.112 (C.23:3-12.2), and shall be subject to all the terms and conditions of that section.

There is established within the "hunters' and anglers' license fund," created pursuant to the provisions of R.S.23:3-11 and R.S.23:3-12, a separate and dedicated account to be known as the "Oyster Resource Development Account." This account shall be credited with all revenues received from oysters landed from the Delaware river, Delaware bay and their tributaries, including, but not limited to, all fees collected pursuant to R.S.50:1-18, R.S.50:3-2, and section 4 of P.L.1945, c.39 (C.50:3-20.13), and as provided in subsection c. of this section. The moneys in the account shall be allocated to the Division of Fish, Game and Wildlife within the Department of Environmental Protection and shall be disbursed only for the enhancement and management of the oyster resource in the Delaware bay in the amounts and manner prescribed by the commissioner, after consultation with the Delaware Bay Section of the Shell Fisheries Council.

9. This act shall take effect immediately.

Approved August 29, 1996.

CHAPTER 113

AN ACT concerning relief of certain mandates on local governments and amending and supplementing various sections of statutory law.

WHEREAS, Over the past four decades, prior to adoption of the constitutional amendment prohibiting unfunded State mandates on local government, the State routinely and systematically imposed greater and greater numbers of mandates, orders, directives and burdens on local govern-
ment. This web of mandates and burdens came about as the result of the enactment and adoption of a plethora of unrelated laws and regulations addressing many and diverse issues. While these actions by State government occurred in order to address a variety of public concerns, they all shared a common philosophical underpinning: the mandatory implementation of State policy directives by local government officials; and

WHEREAS, While the overwhelming majority of these statutes and regulations were established by sincere-minded, and well intentioned public officials in order to address legitimate public concerns, the collective regulatory weight of these mandates on local officials continues to be a matter of deep concern and a subject that cries for legislative relief; and

WHEREAS, In response to this decades long pattern of seemingly inexorable increases in burdensome mandates from Trenton, local officials repeatedly petition the Legislature for relief. In response to entreaties of local officials, various committees of several Legislatures have determined to continue to address the problem of burdensome mandates on an expedited basis through the enactment of omnibus statutes that repeal or modify many of those mandates; now, therefore,

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1941, c.151 (C.4:19-15.3) is amended to read as follows:

C.4:19-15.3 Application, renewal of dog license; fee; exemptions.

3. The person applying for the license and registration tag shall pay the fee fixed or authorized to be fixed in section 12 of this act, and the sum of $1.00 for a one-year registration tag or $3.00 for a three-year registration tag for each dog; and for each renewal, the fee for the license and for the registration tag shall be the same as for the original license and tag; and said licenses, registration tags and renewals thereof shall expire no later than June 30 in the year stated on the license; except that this expiration date shall not require a municipality to alter its schedule for administering rabies inoculations to any dog to be licensed and registered; nor shall this expiration date require a municipality to alter its schedule for renewing licenses and registration tags, provided that the registration period precedes June 30. The governing body of a municipality may stagger the expiration of such annual licenses so long as all expirations occur no later than June 30 in the calendar year stated on the license.

Only one license and registration tag shall be required in any licensing year for any dog owned in New Jersey, and such license and tag shall be accepted by all municipalities as evidence of compliance with this section.
Dogs used as guides for blind persons and commonly known as "seeing-eye" dogs, dogs used to assist handicapped persons and commonly known as "service dogs," or dogs used to assist deaf persons and commonly known as "hearing ear" dogs shall be licensed and registered as other dogs hereinabove provided for, except that the owner or keeper of such dog shall not be required to pay any fee therefor.

License forms and uniform official metal registration tags designed by the State Department of Health shall be furnished by the municipality and shall be numbered serially and shall bear the year of issuance and the name of the municipality.

2. Section 4 of P.L.1982, c.203 (C.4:19-15.3a) is amended to read as follows:

C.4:19-15.3a Staggered expiration of licenses, prorated fees.

4. Subsequent to the effective date of P.L.1982, c.203, the provisions of any law to the contrary notwithstanding:

a. All annual licenses required pursuant to the provisions of section 2 of P.L.1941, c.151 (C.4:19-15.2), section 3 of P.L.1941, c.151 (C.4:19-15.3) and section 8 of P.L.1941, c.151 (C.4:19-15.8) shall expire no later than June 30 in the calendar year next following issuance; provided that the license and registration tag fee shall be prorated for any license and registration tag which is valid for longer than 12 months. The governing body of a municipality may stagger the expiration of such annual licenses so long as all expirations occur no later than June 30 in the calendar year next following issuance.

b. Any three-year registration tag issued pursuant to the provisions of section 2 of P.L.1941, c.151 (C.4:19-15.2) or section 3 of P.L.1941, c.151 (C.4:19-15.3), which is due to expire January 31 of the year of the effective date of this act, shall be valid until June 30 of that year.

Upon renewal of the three-year licenses on June 30 of the calendar year next following issuance, the municipality may assess a fee, in addition to the annual fee, which reflects a prorated portion of the three-year fee for the period January 31 to June 30 preceding renewal.

3. The Department of State shall investigate the methods of reducing mandatory election costs in municipalities with populations of 500 persons or less. The Department of State shall report its finding to the Governor and to the Legislature on or before the first day of the seventh month following enactment of this provision.

4. R.S.26:3-66 is amended to read as follows:
Procedure in enactment of health ordinance code.

26:3-66. No health ordinance or code shall be finally adopted unless it shall have been:

a. Given a first reading, which first reading may be by title, at a meeting held at least one week prior to final passage;

b. Published, in summary form, in a newspaper published and circulating in the municipality or county for which the local board is organized, and in the case of a municipal board of health, if there be no such newspaper, then in at least one newspaper published and circulating in the county in which the municipality is located, at least two days prior to final passage.

The publication shall contain a notice stating the time and place when and where the local board will consider the final passage of the proposed ordinance or code;

c. Posted on the bulletin board or other place upon which public notices are customarily posted in the building where the local board regularly meets prior to the meeting for final consideration. Copies of the ordinance or code shall be made available to members of the general public of the county upon request; and

d. Upon the opening of the meeting for final consideration of the ordinance or code, given a second reading, which reading may be by title. Thereafter, the ordinance may be passed with or without amendments, or rejected.

5. R.S.26:3-67 is amended to read as follows:

Publication of summary of health ordinance, code, title.

26:3-67. Before any health ordinance or code shall take effect, a summary of the ordinance or code, or its title, shall be published at least once in a newspaper published and circulating as prescribed in section 26:3-66 of this title.

6. R.S.39:4-8 is amended to read as follows.

Commissioner of Transportation's approval required; exceptions.

39:4-8. a. Except as otherwise provided in this section, no ordinance or resolution concerning, regulating or governing traffic or traffic conditions, adopted or enacted by any board or body having jurisdiction over highways, shall be of any force or effect unless the same is approved by the Commissioner of Transportation, according to law. The commissioner shall not be required to approve any such ordinance, resolution or regulation, unless, after investigation by him, the same shall appear to be in the interest of safety and the expedient of traffic on the public highways.

b. In the case of totally self-contained streets under municipal jurisdiction which have no direct connection with any street in any other municipality,
or in the case of totally self-contained streets under county jurisdiction which have no direct connection with any street in any other county, the municipality or county may, by ordinance or resolution, as appropriate, without the approval of the Commissioner of Transportation, designate reasonable and safe speed limits, parking restrictions, no passing zones, mid-block crosswalks and crosswalks at intersections, and erect appropriate signs, designate any intersection as a stop or yield intersection and erect appropriate signs and place longitudinal pavement markings delineating the separation of traffic flows and the edge of the pavement, provided that the municipal or county engineer shall, under his seal as a licensed professional engineer, certify to the municipal or county governing body, as appropriate, that any designation or erection of signs or placement of markings: (1) has been approved by him after investigation by him of the circumstances, (2) appears to him to be in the interest of safety and the expedition of traffic on the public highways and (3) conforms to the current standards prescribed by the Manual of Uniform Traffic Control Devices for Streets and Highways, as adopted by the Commissioner of Transportation.

A certified copy of the adopted ordinance or resolution, as appropriate, shall be transmitted by the clerk of the municipality or county, as appropriate, to the commissioner within 30 days of adoption, together with a copy of the engineer's certification; a statement of the reasons for the engineer's decision; detailed information as to the location of streets, intersections and signs affected by any designation or erection of signs or placement of markings; and traffic count, accident and speed sampling data, when appropriate. The commissioner, at his discretion, may invalidate the provisions of the ordinance or resolution within 90 days of receipt of the certified copy if he reviews it and finds that the provisions of the ordinance or resolution are inconsistent with the Manual of Uniform Traffic Control Devices for Streets or Highways; are inconsistent with accepted engineering standards; are not based on the results of an accurate traffic and engineering survey; or place an undue traffic burden or impact on streets in an adjoining municipality or negatively affect the flow of traffic on the State highway system.

Nothing in this subsection shall allow municipalities to designate any intersection with any highway under State or county jurisdiction as a stop or yield intersection or counties to designate any intersection with any highway under State or municipal jurisdiction as a stop or yield intersection.

c. Subject to the provisions of R.S.39:4-138, in the case of any street under municipal or county jurisdiction, a municipality or county may, without the approval of the Commissioner of Transportation, do the following:

By ordinance or resolution:

(1) prohibit or restrict general parking;
(2) designate restricted parking under section 1 of P.L.1977, c.309 (C.39:4-197.6);
(3) designate time limit parking;
(4) install parking meters.
By ordinance, resolution or regulation:
(1) designate loading and unloading zones and taxi stands;
(2) approve street closings for periods up to 48 continuous hours; and
(3) designate restricted parking under section 1 of P.L.1977, c.202 (C.39:4-197.5).
Nothing in this subsection shall allow municipalities or counties to establish angle parking or to reinstate or add parking on any street, or approve the closure of streets for more than 48 continuous hours, without the approval of the Commissioner of Transportation.

7. R.S.40:49-2 is amended to read as follows:

 Procedure for passage; “governing body” defined.

 40:49-2. Except as otherwise provided in R.S.40:49-6 and 40:49-12, the procedure for the passage of ordinances shall be as follows:
  a. Every ordinance after being introduced and having passed a first reading, which first reading may be by title, shall be published in its entirety or by title and summary at least once in a newspaper published and circulated in the municipality, if there be one, and if not, in a newspaper printed in the county and circulating in the municipality, together with a notice of the introduction thereof, the time and place when and where it will be further considered for final passage, a clear and concise statement prepared by the clerk of the governing body setting forth the purpose of the ordinance, and the time and place when and where a copy of the ordinance can be obtained without cost by any member of the general public who wants a copy of the ordinance. If there be only one such publication the same shall be at least one week prior to the time fixed for further consideration for final passage. If there be more than one publication, the first shall be at least one week prior to the time fixed for further consideration for final passage.
  b. At the time and place so stated in such publication, or at any time and place to which the meeting for the further consideration of the ordinance shall from time to time be adjourned, all persons interested shall be given an opportunity to be heard concerning the ordinance. The opportunity to be heard shall include the right to ask pertinent questions concerning the ordinance by any resident of the municipality or any other person affected by the ordinance. Final passage thereof shall be at least 10 days after the first reading.
  c. Upon the opening of the hearing, the ordinance shall be given a second reading, which reading may be by title, and thereafter, it may be passed with or without amendments, or rejected. Prior to the said second reading, a copy
of the ordinance shall be posted on the bulletin board or other place upon which public notices are customarily posted in the principal municipal building of the municipality, and copies of the ordinance shall be made available to members of the general public of the municipality who shall request such copies. If any amendment be adopted, substantially altering the substance of the ordinance, the ordinance as so amended shall not be finally adopted until at least one week thereafter, and the ordinance as amended shall be read at a meeting of the governing body, which reading may be by title, and shall be published in its entirety or by title or by title and summary, together with a notice of the introduction, the time and place when and where a copy of the amended ordinance can be obtained without any cost by any member of the general public who desires a copy, a clear and concise statement prepared by the clerk of the governing body setting forth the purpose of the ordinance, and the time and place when and where the amended ordinance will be further considered for final passage, at least two days prior to the time so fixed. At the time and place so fixed, or at any other meeting to which the further consideration of the amended ordinance may be adjourned, the governing body may proceed to pass the ordinance, as amended, or again amend it in the same manner.

d. Upon passage, every ordinance, or the title, or the title and a summary, together with a notice of the date of passage or approval, or both, shall be published at least once in a newspaper circulating in the municipality, if there be one, and if not, in a newspaper printed in the county and circulating in the municipality. No other notice or procedure with respect to the introduction or passage of any ordinance shall be required.

Nothing herein shall be construed to affect the provisions of R.S.40:49-7 to 40:49-12 or R.S.40:49-27.

For the purposes of this section, "governing body" shall include any municipal or county agency, board or commission authorized by law to adopt ordinances.

8. Section 16 of P.L.1975, c.291 (C.40:55D-25) is amended to read as follows:

16. a. The planning board shall follow the provisions of this act and shall accordingly exercise its power in regard to:

(1) The master plan pursuant to article 3;
(2) Subdivision control and site plan review pursuant to article 6;
(3) The official map pursuant to article 5;
(4) The zoning ordinance including conditional uses pursuant to article 8;

(3) Perform such other advisory duties as are assigned to it by ordinance or resolution of the governing body for the aid and assistance of the governing body or other agencies or officers.

c. (1) In a municipality having a population of 10,000 or less, a nine-member planning board, if so provided by ordinance, shall exercise, to the same extent and subject to the same restrictions, all the powers of a board of adjustment, but the Class I and the Class III members shall not participate in the consideration of applications for development which involve relief pursuant to subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70).

CHAPTER 115

AN ACT concerning law enforcement officers, and amending and supplementing parts of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:11-3 is amended to read as follows:

Murder.

a. Except as provided in N.J.S.2C:11-4 criminal homicide constitutes murder when:

(1) The actor purposely causes death or serious bodily injury resulting in death; or
(2) The actor knowingly causes death or serious bodily injury resulting in death; or

(3) It is committed when the actor, acting either alone or with one or more other persons, is engaged in the commission of, or an attempt to commit, or flight after committing or attempting to commit robbery, sexual assault, arson, burglary, kidnapping or criminal escape, and in the course of such crime or of immediate flight therefrom, any person causes the death of a person other than one of the participants; except that in any prosecution under this subsection, in which the defendant was not the only participant in the underlying crime, it is an affirmative defense that the defendant:

(a) Did not commit the homicidal act or in any way solicit, request, command, importune, cause or aid the commission thereof; and

(b) Was not armed with a deadly weapon, or any instrument, article or substance readily capable of causing death or serious physical injury and of a sort not ordinarily carried in public places by law-abiding persons; and

(c) Had no reasonable ground to believe that any other participant was armed with such a weapon, instrument, article or substance; and

(d) Had no reasonable ground to believe that any other participant intended to engage in conduct likely to result in death or serious physical injury.

b. (1) Murder is a crime of the first degree but a person convicted of murder shall be sentenced, except as provided in subsection c. of this section, by the court to a term of 30 years, during which the person shall not be eligible for parole or to a specific term of years which shall be between 30 years and life imprisonment of which the person shall serve 30 years before being eligible for parole.

(2) If the victim was a law enforcement officer and was murdered while performing his official duties or was murdered because of his status as a law enforcement officer, the person convicted of that murder shall be sentenced, except as otherwise provided in subsection c. of this section, by the court to a term of life imprisonment, during which the person shall not be eligible for parole.

c. Any person convicted under subsection a.(1) or (2) who committed the homicidal act by his own conduct; or who as an accomplice procured the commission of the offense by payment or promise of payment of anything of pecuniary value; or who, as a leader of a narcotics trafficking network as defined in N.J.S.2C:35-3 and in furtherance of a conspiracy enumerated in N.J.S.2C:35-3, commanded or by threat or promise solicited the commission of the offense, shall be sentenced as provided hereinafter:

(1) The court shall conduct a separate sentencing proceeding to determine whether the defendant should be sentenced to death or pursuant to the provisions of subsection b. of this section.
Where the defendant has been tried by a jury, the proceeding shall be conducted by the judge who presided at the trial and before the jury which determined the defendant's guilt, except that, for good cause, the court may discharge that jury and conduct the proceeding before a jury empaneled for the purpose of the proceeding. Where the defendant has entered a plea of guilty or has been tried without a jury, the proceeding shall be conducted by the judge who accepted the defendant's plea or who determined the defendant's guilt and before a jury empaneled for the purpose of the proceeding. On motion of the defendant and with consent of the prosecuting attorney the court may conduct a proceeding without a jury. Nothing in this subsection shall be construed to prevent the participation of an alternate juror in the sentencing proceeding if one of the jurors who rendered the guilty verdict becomes ill or is otherwise unable to proceed before or during the sentencing proceeding.

(2) (a) At the proceeding, the State shall have the burden of establishing beyond a reasonable doubt the existence of any aggravating factors set forth in paragraph (4) of this subsection. The defendant shall have the burden of producing evidence of the existence of any mitigating factors set forth in paragraph (5) of this subsection but shall not have a burden with regard to the establishment of a mitigating factor.

(b) The admissibility of evidence offered by the State to establish any of the aggravating factors shall be governed by the rules governing the admission of evidence at criminal trials. The defendant may offer, without regard to the rules governing the admission of evidence at criminal trials, reliable evidence relevant to any of the mitigating factors. If the defendant produces evidence in mitigation which would not be admissible under the rules governing the admission of evidence at criminal trials, the State may rebut that evidence without regard to the rules governing the admission of evidence at criminal trials.

(c) Evidence admitted at the trial, which is relevant to the aggravating and mitigating factors set forth in paragraphs (4) and (5) of this subsection, shall be considered without the necessity of reintroducing that evidence at the sentencing proceeding; provided that the fact finder at the sentencing proceeding was present as either the fact finder or the judge at the trial.

(d) The State and the defendant shall be permitted to rebut any evidence presented by the other party at the sentencing proceeding and to present argument as to the adequacy of the evidence to establish the existence of any aggravating or mitigating factor.

(e) Prior to the commencement of the sentencing proceeding, or at such time as he has knowledge of the existence of an aggravating factor, the prosecuting attorney shall give notice to the defendant of the aggravating factors which he intends to prove in the proceeding.
(f) Evidence offered by the State with regard to the establishment of a prior homicide conviction pursuant to paragraph (4)(a) of this subsection may include the identity and age of the victim, the manner of death and the relationship, if any, of the victim to the defendant.

(3) The jury or, if there is no jury, the court shall return a special verdict setting forth in writing the existence or nonexistence of each of the aggravating and mitigating factors set forth in paragraphs (4) and (5) of this subsection. If any aggravating factor is found to exist, the verdict shall also state whether it outweighs beyond a reasonable doubt any one or more mitigating factors.

(a) If the jury or the court finds that any aggravating factors exist and that all of the aggravating factors outweigh beyond a reasonable doubt all of the mitigating factors, the court shall sentence the defendant to death.

(b) If the jury or the court finds that no aggravating factors exist, or that all of the aggravating factors which exist do not outweigh all of the mitigating factors, the court shall sentence the defendant pursuant to subsection b.

(c) If the jury is unable to reach a unanimous verdict, the court shall sentence the defendant pursuant to subsection b.

(4) The aggravating factors which may be found by the jury or the court are:

(a) The defendant has been convicted, at any time, of another murder. For purposes of this section, a conviction shall be deemed final when sentence is imposed and may be used as an aggravating factor regardless of whether it is on appeal;

(b) In the commission of the murder, the defendant purposely or knowingly created a grave risk of death to another person in addition to the victim;

(c) The murder was outrageously or wantonly vile, horrible or inhuman in that it involved torture, depravity of mind, or an aggravated assault to the victim;

(d) The defendant committed the murder as consideration for the receipt, or in expectation of the receipt of anything of pecuniary value;

(e) The defendant procured the commission of the offense by payment or promise of payment of anything of pecuniary value;

(f) The murder was committed for the purpose of escaping detection, apprehension, trial, punishment or confinement for another offense committed by the defendant or another;

(g) The offense was committed while the defendant was engaged in the commission of, or an attempt to commit, or flight after committing or attempting to commit murder, robbery, sexual assault, arson, burglary or kidnapping;
(h) The defendant murdered a public servant, as defined in N.J.S.2C:27-1, while the victim was engaged in the performance of his official duties, or because of the victim's status as a public servant;

(i) The defendant: (i) as a leader of a narcotics trafficking network as defined in N.J.S.2C:35-3 and in furtherance of a conspiracy enumerated in N.J.S.2C:35-3, committed, commanded or by threat or promise solicited the commission of the offense or (ii) committed the offense at the direction of a leader of a narcotics trafficking network as defined in N.J.S.2C:35-3 in furtherance of a conspiracy enumerated in N.J.S.2C:35-3;

(j) The homicidal act that the defendant committed or procured was in violation of paragraph (1) of subsection a. of N.J.S.2C:17-2; or

(k) The victim was less than 14 years old.

(5) The mitigating factors which may be found by the jury or the court are:

(a) The defendant was under the influence of extreme mental or emotional disturbance insufficient to constitute a defense to prosecution;

(b) The victim solicited, participated in or consented to the conduct which resulted in his death;

(c) The age of the defendant at the time of the murder;

(d) The defendant's capacity to appreciate the wrongfulness of his conduct or to conform his conduct to the requirements of the law was significantly impaired as the result of mental disease or defect or intoxication, but not to a degree sufficient to constitute a defense to prosecution;

(e) The defendant was under unusual and substantial duress insufficient to constitute a defense to prosecution;

(f) The defendant has no significant history of prior criminal activity;

(g) The defendant rendered substantial assistance to the State in the prosecution of another person for the crime of murder; or

(h) Any other factor which is relevant to the defendant's character or record or to the circumstances of the offense.

(6) When a defendant at a sentencing proceeding presents evidence of the defendant's character or record pursuant to subparagraph (h) of paragraph (5) of this subsection, the State may present evidence of the murder victim's character and background and of the impact of the murder on the victim's survivors. If the jury finds that the State has proven at least one aggravating factor beyond a reasonable doubt and the jury finds the existence of a mitigating factor pursuant to subparagraph (h) of paragraph (5) of this subsection, the jury may consider the victim and survivor evidence presented by the State pursuant to this paragraph in determining the appropriate weight to give mitigating evidence presented pursuant to subparagraph (h) of paragraph (5) of this subsection.
d. The sentencing proceeding set forth in subsection c. of this section shall not be waived by the prosecuting attorney.

e. Every judgment of conviction which results in a sentence of death under this section shall be appealed, pursuant to the Rules of Court, to the Supreme Court. Upon the request of the defendant, the Supreme Court shall also determine whether the sentence is disproportionate to the penalty imposed in similar cases, considering both the crime and the defendant. Proportionality review under this section shall be limited to a comparison of similar cases in which a sentence of death has been imposed under subsection c. of this section. In any instance in which the defendant fails, or refuses to appeal, the appeal shall be taken by the Office of the Public Defender or other counsel appointed by the Supreme Court for that purpose.

f. Prior to the jury's sentencing deliberations, the trial court shall inform the jury of the sentences which may be imposed pursuant to subsection b. of this section on the defendant if the defendant is not sentenced to death. The jury shall also be informed that a failure to reach a unanimous verdict shall result in sentencing by the court pursuant to subsection b.

g. A juvenile who has been tried as an adult and convicted of murder shall not be sentenced pursuant to the provisions of subsection c. but shall be sentenced pursuant to the provisions of subsection b. of this section.

h. In a sentencing proceeding conducted pursuant to this section, no evidence shall be admissible concerning the method or manner of execution which would be imposed on a defendant sentenced to death.

i. For purposes of this section the term "homicidal act" shall mean conduct that causes death or serious bodily injury resulting in death.

2. N.J.S.40A:14-147 is amended to read as follows:

**Removal, suspension of police officer.**

40A:14-147. Except as otherwise provided by law, no permanent member or officer of the police department or force shall be removed from his office, employment or position for political reasons or for any cause other than incapacity, misconduct, or disobedience of rules and regulations established for the government of the police department and force, nor shall such member or officer be suspended, removed, fined or reduced in rank from or in office, employment, or position therein, except for just cause as hereinbefore provided and then only upon a written complaint setting forth the charge or charges Against such member or officer. The complaint shall be filed in the office of the body, officer or officers having charge of the department or force wherein the complaint is made and a copy shall be served upon the member or officer so charged, with notice of a designated
hearing thereon by the proper authorities, which shall be not less than 10 nor more than 30 days from date of service of the complaint.

A complaint charging a violation of the internal rules and regulations established for the conduct of a law enforcement unit shall be filed no later than the 45th day after the date on which the person filing the complaint obtained sufficient information to file the matter upon which the complaint is based. The 45-day time limit shall not apply if an investigation of a law enforcement officer for a violation of the internal rules or regulations of the law enforcement unit is included directly or indirectly within a concurrent investigation of that officer for a violation of the criminal laws of this State. The 45-day limit shall begin on the day after the disposition of the criminal investigation. The 45-day requirement of this paragraph for the filing of a complaint against an officer shall not apply to a filing of a complaint by a private individual.

A failure to comply with said provisions as to the service of the complaint and the time within which a complaint is to be filed shall require a dismissal of the complaint.

The law enforcement officer may waive the right to a hearing and may appeal the charges directly to any available authority specified by law or regulation, or follow any other procedure recognized by a contract, as permitted by law.

3. Section 1 of P.L.1977, c.437 (C.40A:14-152.2) is amended to read as follows:

C.40A:14-152.2 Immunity from tort liability; provision of benefits for police, law enforcement officer exercising Statewide police powers; exemptions; terms defined.

1. Whenever any municipal police officer or other law enforcement officer has been conferred with Statewide police powers and is acting under lawful authority beyond the territorial limits of his employing municipality or other appointing authority, said police officer or law enforcement officer, as the case may be, shall have all of the immunities from tort liability and shall have all of the pension, relief, disability, workmen's compensation, insurance, and other benefits enjoyed while performing duties within said employing municipality or the jurisdictional responsibility of the other appointing authority, as the case may be; provided, however, in the case of a law enforcement officer other than a municipal police officer or a county law enforcement officer afforded such immunities and benefits under the provisions of section 1 of P.L.1977, c.439 (C.40A:14-107.1), the immunities from tort liability and other benefits enjoyed while performing duties within the jurisdictional responsibility of the appointing authority shall be extended only in those instances where (1) the law enforcement officer has been
requested by the other jurisdiction to perform law enforcement duties within its boundaries; or (2) the law enforcement officer is performing law enforcement duties within another jurisdiction upon the orders of his superiors.

As used in this section, "law enforcement officer" means any person who is employed as a permanent full-time member of any State, county or municipal law enforcement agency, department, or division of those governments who is statutorily empowered to act for the detection, investigation, arrest, conviction, detention, or rehabilitation of persons violating the criminal laws of this State and statutorily required to successfully complete a training course approved by, or certified as being substantially equivalent to such an approved course, by the Police Training Commission pursuant to P.L.1961, c.56 (C.52:17B-66 et seq.). "Law enforcement agency" means any public agency, other than the Department of Law and Public Safety; any police force, department or division within the State of New Jersey, or any county or municipality thereof, which is empowered by statute to act for the detection, investigation, arrest, conviction, detention, or rehabilitation of persons violating the criminal laws of this State.

4. Section 7 of P.L.1968, c.303 (C.34:13A-5.3) is amended to read as follows:

C.34:13A-5.3 Employee organizations; right to form or join; collective negotiations; grievance procedures.

7. Except as hereinafter provided, public employees shall have, and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join and assist any employee organization or to refrain from any such activity; provided, however, that this right shall not extend to elected officials, members of boards and commissions, managerial executives, or confidential employees, except in a school district the term managerial executive shall mean the superintendent of schools or his equivalent, nor, except where established practice, prior agreement or special circumstances dictate the contrary, shall any supervisor having the power to hire, discharge, discipline, or to effectively recommend the same, have the right to be represented in collective negotiations by an employee organization that admits nonsupervisory personnel to membership, and the fact that any organization has such supervisory employees as members shall not deny the right of that organization to represent the appropriate unit in collective negotiations; and provided further, that, except where established practice, prior agreement, or special circumstances dictate the contrary, no policeman shall have the right to join an employee organization that admits
employees other than policemen to membership. The negotiating unit shall be defined with due regard for the community of interest among the employees concerned, but the commission shall not intervene in matters of recognition and unit definition except in the event of a dispute.

Representatives designated or selected by public employees for the purposes of collective negotiation by the majority of the employees in a unit appropriate for such purposes or by the majority of the employees voting in an election conducted by the commission as authorized by this act shall be the exclusive representatives for collective negotiation concerning the terms and conditions of employment of the employees in such unit. Nothing herein shall be construed to prevent any official from meeting with an employee organization for the purpose of hearing the views and requests of its members in such unit so long as (a) the majority representative is informed of the meeting; (b) any changes or modifications in terms and conditions of employment are made only through negotiation with the majority representative; and (c) a minority organization shall not present or process grievances. Nothing herein shall be construed to deny to any individual employee his rights under Civil Service laws or regulations. When no majority representative has been selected as the bargaining agent for the unit of which an individual employee is a part, he may present his own grievance either personally or through an appropriate representative or an organization of which he is a member and have such grievance adjusted.

A majority representative of public employees in an appropriate unit shall be entitled to act for and to negotiate agreements covering all employees in the unit and shall be responsible for representing the interest of all such employees without discrimination and without regard to employee organization membership. Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established. In addition, the majority representative and designated representatives of the public employer shall meet at reasonable times and negotiate in good faith with respect to grievances, disciplinary disputes, and other terms and conditions of employment. Nothing herein shall be construed as permitting negotiation of the standards or criteria for employee performance.

When an agreement is reached on the terms and conditions of employment, it shall be embodied in writing and signed by the authorized representatives of the public employer and the majority representative.

Public employers shall negotiate written policies setting forth grievance and disciplinary review procedures by means of which their employees or representatives of employees may appeal the interpretation, application or violation of policies, agreements, and administrative decisions, including disciplinary determinations, affecting them, provided that such grievance and
disciplinary review procedures shall be included in any agreement entered into between the public employer and the representative organization. Such grievance and disciplinary review procedures may provide for binding arbitration as a means for resolving disputes. The procedures agreed to by the parties may not replace or be inconsistent with any alternate statutory appeal procedure nor may they provide for binding arbitration of disputes involving the discipline of employees with statutory protection under tenure or civil service laws, except that such procedures may provide for binding arbitration of disputes involving the minor discipline of any public employees protected under the provisions of section 7 of P.L. 1968, c.303 (C.34:13A-5.3), other than public employees subject to discipline pursuant to R.S.53:1-10. Grievance and disciplinary review procedures established by agreement between the public employer and the representative organization shall be utilized for any dispute covered by the terms of such agreement. For the purposes of this section, minor discipline shall mean a suspension or fine of less than five days unless the employee has been suspended or fined an aggregate of 15 or more days or received more than three suspensions or fines of five days or less in one calendar year.

C.2A:62A-1.1 Immunity from civil damages for certain law enforcement officers at accident scenes.

5. A municipal, county or State law enforcement officer is not liable for any civil damages as a result of any acts or omissions undertaken in good faith in rendering care at the scene of an accident or emergency to any victim thereof, or in transporting any such victim to a hospital or other facility where treatment or care is to be rendered; provided, however, that nothing in this section shall exonerate a law enforcement officer for gross negligence.

6. Section 6 of P.L.1961, c.56 (C.52:17B-71) is amended to read as follows:

C.52:17B-71 Powers, responsibilities, duties of commission.

6. The commission is vested with the power, responsibility and duty:

 7. a. In addition to any other disposition made pursuant to law, a court shall order a person convicted of, indicted for or formally charged with a criminal offense, a disorderly persons offense or a petty disorderly persons offense, to submit to an approved serological test for acquired immune deficiency syndrome (AIDS) or infection with the human immunodeficiency virus (HIV) or any other related virus identified as a probable causative agent of AIDS if:

   (1) in the course of the commission of the offense, including the immediate flight thereafter or during any investigation or arrest related to that offense, a law enforcement officer, the victim or other person suffered a prick from a hypodermic needle, provided there is probable cause to believe that the defendant is an intravenous user of controlled dangerous substances; or

   (2) in the course of the commission of the offense, including the immediate flight thereafter or during any investigation or arrest related to that offense, a law enforcement officer, the victim or other person had
contact with the defendant which involved or was likely to involve the transmission of bodily fluids.

The court may order a person to submit to an approved serological test for AIDS or infection with the HIV or any other related virus identified as a probable causative agent of AIDS if in the course of the performance of any other law enforcement duties, a law enforcement officer suffers a prick from a hypodermic needle, provided that there is probable cause to believe that the defendant is an intravenous user of controlled dangerous substances, or had contact with the defendant which involved or was likely to involve the transmission of bodily fluids. The court shall issue such an order only upon the request of the law enforcement officer, victim of the offense or other affected person made at the time of indictment, charge or conviction. If a county prosecutor declines to make such an application within 72 hours of being requested to do so by the law enforcement officer, the law enforcement officer may appeal to the Division of Criminal Justice in the Department of Law and Public Safety for that officer to bring the application. The person shall be ordered by the court to submit to such repeat or confirmatory tests as may be medically necessary.

As used in this section, "formal charge" includes a proceeding by accusation in the event that the defendant has waived the right to an indictment.

b. A court order issued pursuant to subsection a. of this section shall require testing to be performed as soon as practicable by the Commissioner of the Department of Corrections pursuant to authority granted to the commissioner by sections 6 and 10 of P.L.1976, c.98 (C.30:1B-6 and 30:1B-10) or by a provider of health care or at a health care facility licensed pursuant to section 12 of P.L.1971, c.136 (C.26:2H-12). The order shall also require that the results of the test be reported to the offender, the appropriate Office of Victim-Witness Advocacy if a victim of an offense is tested, and the affected law enforcement officer. Upon receipt of the result of a test ordered pursuant to subsection a. of this section, the Office of Victim-Witness Advocacy shall provide the victim with appropriate counseling, referral for counseling and if appropriate, referral for health care. The office shall notify the victim or make appropriate arrangements for the victim to be notified of the test result.

c. In addition to any other disposition authorized, a court may order an offender at the time of sentencing to reimburse the State for the costs of the tests ordered pursuant to subsection a. of this section.

d. The result of a test ordered pursuant to subsection a. of this section shall be confidential and health care providers and employees of the Department of Corrections, the Office of Victim-Witness Advocacy, a health care facility or counseling service shall not disclose the result of a test performed pursuant to
this section except as authorized herein or as otherwise authorized by law or court order. The provisions of this section shall not be deemed to prohibit disclosure of a test result to the person tested.

e. Persons who perform tests ordered pursuant to subsection a. of this section in accordance with accepted medical standards for the performance of such tests shall be immune from civil and criminal liability arising from their conduct.

f. This section shall not be construed to preclude or limit any other testing for AIDS or infection with the HIV or any other related virus identified as a probable causative agent of AIDS which is otherwise permitted by statute, court rule or common law.

C.2A:4A-43.4 Orders for certain serological testing of juveniles required under certain circumstances.

8. a. In addition to any other disposition made pursuant to law, a court shall order a juvenile charged with delinquency or adjudicated delinquent for an act which, if committed by an adult would constitute a crime, a disorderly persons offense or a petty disorderly persons offense, to submit to an approved serological test for acquired immune deficiency syndrome (AIDS) or infection with the human immunodeficiency virus (HIV) or any other related virus identified as a probable causative agent of AIDS if:

(1) in the course of the commission of the act, including the immediate flight thereafter or during any investigation or arrest related to that act, a law enforcement officer, the victim or other person suffered a prick from a hypodermic needle, provided there is probable cause to believe that the juvenile is an intravenous user of controlled dangerous substances; or

(2) in the course of the commission of the act, including the immediate flight thereafter or during any investigation or arrest related to that act, a law enforcement officer, the victim or other person had contact with the juvenile which involved or was likely to involve the transmission of bodily fluids.

The court may order a juvenile to submit to an approved serological test for AIDS or infection with the HIV or any other related virus identified as a probable causative agent of AIDS if in the course of the performance of any other law enforcement duties, a law enforcement officer suffers a prick from a hypodermic needle, provided that there is probable cause to believe that the defendant is an intravenous user of controlled dangerous substances, or had contact with the defendant which involved or was likely to involve the transmission of bodily fluids. The court shall issue such an order only upon the request of the law enforcement officer, victim of the offense or other affected person made at the time of indictment, charge or conviction. If a county prosecutor declines to make such an application within 72 hours of being requested to do so by the law enforcement officer, the law
enforcement officer may appeal to the Division of Criminal Justice in the Department of Law and Public Safety for that officer to bring the application. The juvenile shall be ordered by the court to submit to such repeat or confirmatory tests as may be medically necessary.

b. A court order issued pursuant to subsection a. of this section shall require testing to be performed as soon as practicable by the Executive Director of the Juvenile Justice Commission pursuant to authority granted to the executive director by sections 6 and 10 of P.L.1976, c.98 (C.30:1B-6 and 30:1B-10) or by a provider of health care or at a health care facility licensed pursuant to section 12 of P.L.1971, c.136 (C.26:2H-12). The order shall also require that the results of the test be reported to the offender, the appropriate Office of Victim-Witness Advocacy if a victim of an offense is tested, and the affected law enforcement officer. Upon receipt of the result of a test ordered pursuant to subsection a. of this section, the Office of Victim-Witness Advocacy shall provide the victim with appropriate counseling, referral for counseling and if appropriate, referral for health care. The office shall notify the victim or make appropriate arrangements for the victim to be notified of the test result.

c. In addition to any other disposition authorized, a court may order a juvenile at the time of sentencing to reimburse the State for the costs of the tests ordered by subsection a. of this section.

d. The result of a test ordered pursuant to subsection a. of this section shall be confidential and health care providers and employees of the Juvenile Justice Commission, the Office of Victim-Witness Advocacy, a health care facility or counseling service shall not disclose the result of a test performed pursuant to this section except as authorized herein or as otherwise authorized by law or court order. The provisions of this section shall not be deemed to prohibit disclosure of a test result to the person tested.

e. Persons who perform tests ordered pursuant to subsection a. of this section in accordance with accepted medical standards for the performance of such tests shall be immune from civil and criminal liability arising from their conduct.

f. This section shall not be construed to preclude or limit any other testing for AIDS or infection with the HIV or any other related virus identified as a probable causative agent of AIDS which is otherwise permitted by statute, court rule or common law.

C2C:43-3.3 Additional penalties for persons convicted of crime deposited in "Law Enforcement Officers Training and Equipment Fund."

9. a. In addition to any disposition made pursuant to the provisions of Title 2C of the New Jersey Statutes, any person convicted of a crime shall be assessed a penalty of $30.
b. In addition to any other disposition made pursuant to the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43) or any other statute indicating the dispositions that may be ordered for adjudications of delinquency, a juvenile adjudicated delinquent for an offense which if committed by an adult would be a crime shall be assessed a penalty of $15.

c. The penalties assessed under subsections a. and b. of this section shall be collected as provided for the collection of fines and restitution in section 3 of P.L.1979, c.396 (C.2C:46-4) and forwarded to the State Treasury for deposit in a separate account to be known as the "Law Enforcement Officers Training and Equipment Fund." The penalty assessed in this section shall be collected only after a penalty assessed in section 2 of P.L.1979, c.396 (C.2C:43-3.1) and any restitution ordered is collected.

The fund shall be used to support the development and provision of basic and in-service training courses for law enforcement officers by police training schools approved pursuant to P.L.1961, c.56 (C.52:17B-66 et seq.). In addition, the fund shall also be used to enable police training schools to purchase equipment needed for the training of law enforcement officers. Distributions from the fund shall only be made directly to such approved schools.

d. The Police Training Commission in the Department of Law and Public Safety shall be responsible for the administration and distribution of the fund pursuant to its authority under section 6 of P.L.1961, c.56 (C.52:17B-71).

e. An adult prisoner of a State correctional institution who does not pay the penalty imposed pursuant to this section shall have the penalty deducted from any income the inmate receives as a result of labor performed at the institution or any type of work release program. If any person, including an inmate, fails to pay the penalty imposed pursuant to this section, the court may order the suspension of the person's driver's license or nonresident reciprocity privilege, or prohibit the person from receiving or obtaining a license until the assessment is paid. The court shall notify the Director of the Division of Motor Vehicles of such an action. Prior to any action being taken pursuant to this subsection, the person shall be given notice and a hearing before the court to contest the charge of the failure to pay the assessment.

10. Every law enforcement agency shall adopt and implement guidelines which shall be consistent with the guidelines governing the "Internal Affairs Policy and Procedures" of the Police Management Manual promulgated by the Police Bureau of the Division of Criminal Justice in the Department of Law and Public Safety, and shall be consistent with any tenure or civil service laws, and shall not supersede any existing contractual agreements.
11. This act shall take effect on the 120th day following enactment.

Approved September 11, 1996.

2. This act shall take effect immediately.

Approved September 16, 1996.
AN ACT establishing an arts based curriculum pilot program in the Department of Education and supplementing chapter 54 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:54G-1 Short title.
1. This act shall be known and may be cited as the "Arts Create Excellent Schools (ACES) Pilot Program Act."

C.18A:54G-2 Findings, declarations relative to arts based curriculum pilot program.
2. The Legislature finds and declares that:
   a. Although there currently exists support for the arts in education within the public schools of this State, there is a vast difference in how local school districts implement arts education and a significant number of students graduate from New Jersey schools without any exposure to the arts;
   b. The Literacy in the Arts Task Force, created in 1987 by the Legislature to examine the state of arts education in New Jersey, recommended that schools include both intensive arts experiences and integration of the arts across an interdisciplinary curriculum and urged districts to adopt a curriculum framework using the arts as a means of providing all students the tools for an effective and more enriched learning experience;
   c. Since the Literacy in the Arts Task Force completed its work, there have been a number of other developments at the State and national level which have affirmed the value of incorporating the arts into the school curriculum as a strategy to engage and challenge students and thus advance their motivation and level of academic achievement;
   d. The value of infusing the arts into the public school curricular core has been supported and advanced through the revision of New Jersey's State Goals for Education in 1992, the Department of Education's draft of Core Curriculum Standards, the Department of Education's Strategic Plan for Systemic Change, and the national education reform effort embodied in the Goals 2000: Educate America Act, all of which have pointed to the arts as a mechanism to improve the ability of students to think critically and to solve problems; and
   e. In an era in which states and the federal government are searching for ways in which to advance the educational achievement of at-risk students, research has indicated that an arts-based curriculum offers a powerful tool to effectuate student academic achievement by increasing the motivation of students who may be disaffected from the learning process. There is
empirical evidence that academic disciplines such as reading, writing, languages, social studies, science and math are reinforced through an arts-infused curriculum.

The Legislature further finds, therefore, that a program which provides for the development of arts-infused model schools can serve an important public policy function by determining if the strategies utilized by the model schools are effective and can be successfully replicated in districts throughout the State to enhance overall student performance.

C.18A:54G-3 "Arts Create Excellent Schools (ACES) Pilot Program."

3. There is established in the Department of Education the "Arts Create Excellent Schools (ACES) Pilot Program" to be administered by the Commissioner of Education pursuant to the provisions of this act. The department shall consult with the New Jersey State Council on the Arts in the Department of State in the operation and administration of the program. The program shall provide for the development of three model schools which incorporate an innovative arts-infused curriculum into the student learning process. The model schools, which shall be developed through organizational partnerships including State and local government agencies and the private sector, shall have the following goals:

a. to prepare students for educational achievement by developing imagination, reasoning, judgment and the critical thinking skills necessary for problem solving and decision making;

b. to develop an arts-infused curriculum based on interdisciplinary and thematic units;

c. to broaden the role of the teacher through staff development to include such diverse roles as instructor, coach, mentor and exemplar;

d. to improve student performance as determined by standard measures and alternative assessment strategies;

e. to enhance student self-concept as determined by measures of self-esteem;

f. to encourage understanding of traditional, local and diverse cultures;

g. to integrate school activities with professional and community based arts organizations; and

h. to further evaluate and research arts education.

C.18A:54G-4 Request for proposals for development of ACES schools.

4. The Commissioner of Education shall forward a request for proposals for the development of ACES schools to local school districts. Each school district shall disseminate the request for proposals to all schools within the district. A school which wants to participate in the pilot program shall, upon securing the approval of the board of education, submit a proposal to the commissioner. The proposal shall outline the school's plan to infuse the arts
into all aspects of the curriculum to enhance academic excellence, student motivation and self-esteem. The proposal shall include, but not be limited to, the following information:

a. the specific mechanisms which will be used to integrate the arts within all academic disciplines offered in the school's curriculum;

b. the utilization of technology within the school to advance student levels of organizational ability, critical thinking, problem solving and creative skills; and

c. the manner in which professional development experiences in the arts will be factored into the school design to assist the teaching and administrative staff to define and implement the teaching strategies necessary to achieve the educational goals of an arts-infused curriculum.

C.18A:54G-5 Selection of schools to participate in program.

5. The commissioner shall select three schools to participate in the program based upon the commissioner's evaluation of the school's ability to successfully implement a model arts-based curriculum. In selecting the schools to participate, the commissioner shall seek a cross section of schools from urban, suburban, rural and State-operated school districts with equal consideration given to schools located in the north, central and southern geographical regions of the State. The selection process shall include visits to potential model schools to ascertain the administration and faculty commitment and ability to adopt an arts-based curriculum.

C.18A:54G-6 Evaluation component included within ACES program.

6. a. The commissioner shall provide for the inclusion of an evaluation component within the ACES program which shall be both formative and summative in nature. The assessment methods designed to evaluate the model schools shall be appropriate for assessing student educational outcomes and teacher development and shall place emphasis on student progress in problem solving, comprehension, critical thinking and reasoning.

   b. During the initial four years of the ACES program each model school shall undergo an annual evaluation conducted by the Department of Education pursuant to subsection a. of this section. After the program's fourth year, the commissioner shall submit to the Governor and Legislature an evaluation of the ACES program and a recommendation on the advisability of its continuation and expansion to other schools within the State.

C.18A:54G-7 Rules, regulations.

7. The State Board of Education shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the rules and regulations necessary to carry out the provisions of this act.
8. This act shall take effect immediately.

Approved September 16, 1996.

CHAPTER 118

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1993, c.159 (C.5:12-173.1) is amended to read as follows:

C.5:12-173.1 Findings, declarations relative to redevelopment in Atlantic City.

1. The Legislature finds that the single most significant factor contributing to the cost of constructing, maintaining, operating and supporting highways, roads and infrastructure, in Atlantic City, and particularly in the "corridor" region of the city, is the heavy volume of motor vehicular traffic occasioned by the attraction of casino gambling in Atlantic City. This traffic is encouraged by the provision of free parking by casino operations, by the relative underdevelopment of public transportation services, and by the shortage of hotel accommodations in the city. While the Legislature has taken various measures, most notably the "South Jersey Transportation Authority Act," P.L.1991, c.252 (C.27:25A-1 et al.), to provide and improve public transportation services in the South Jersey region as an alternative to the use of motor vehicles, the heavy capital costs associated with reconstruction of the corridor region's infrastructure require a continuous source of public funding. The Legislature declares, therefore, that it is in the public interest to require a standard minimum charge for casino parking within Atlantic City, and to impose fees on amounts received from those charges, with the proceeds of those fees to be used by the Casino Reinvestment Development Authority for projects which are related to improving the highways, roads, infrastructure, traffic regulation and public safety of the city, or which are otherwise necessary or useful to the economic development and redevelopment of the city in this regard. It is also in the public interest to establish a special temporary fund for the use of existing moneys of the authority for the provision of financial assistance to
casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City.

The Legislature declares that it is the public purpose of this amendatory act, P.L.1996, c.118 (C.5:12-173.3a et al.), that financial assistance to casino licensees to construct, reconstruct or rehabilitate hotel rooms in Atlantic City shall be determined after excluding costs reasonably related to space used for the conduct of casino gaming. It was, and continues to be, the public purpose of P.L.1993, c.159 (C.5:12-173.1 et seq.) that financial assistance may be provided to a project which includes, incorporates, facilitates or supports space used for the conduct of casino gaming in a casino hotel facility, but only for costs reasonably related to hotel rooms and their appurtenant facilities in the project.

2. Section 8 of P.L.1993, c.159 (C.5:12-173.8) is amended to read as follows:

C.5:12-173.8 Moneys set aside for hotel development projects.

8. a. From the moneys made available to the Casino Reinvestment Development Authority pursuant to section 3 of P.L.1984, c.218 (C.5:12-144.1), the authority shall, in such manner as it may reasonably determine, set aside $100,000,000 for investment on hotel development projects in Atlantic City undertaken by a casino licensee under the "Casino Control Act," P.L.1977, c.110 (C.5:12-1 et seq.), operating an approved hotel on the effective date of this amendatory and supplementary act, P.L.1993, c.159 (C.5:12-173.1 et al.), which result in the construction, reconstruction or rehabilitation of at least 200 hotel rooms in the City of Atlantic City. The authority shall, by regulation, adopt standards for determining the extent of construction, reconstruction or rehabilitation of hotel rooms or appurtenant facilities required in order to qualify for authority investment, which standards shall require at least that the hotel rooms be operated as part of a licensed casino facility or be first class hotel rooms located and operated in a manner consistent with an authority approved project. The authority shall require as a condition for authority investment that the hotel rooms be subject to an agreement with the authority that requires the rooms to be reserved, at certain times and under certain conditions agreeable to the authority, for convention business in connection with an authority approved project. A hotel development project may qualify for authority investment notwithstanding that it includes, incorporates, facilitates or supports an expansion of space used for the conduct of casino gaming in a casino hotel facility operated by a casino licensee. Any casino licensee which undertook a hotel development project that was approved by the authority prior to the effective date of this amendatory act,
P.L.1996, c.118 (C.5:12-173.3a et al.), for an investment out of moneys set aside pursuant to this subsection a., but which investment has not been received by the casino licensee as a result of the inclusion in the project of space for use for the conduct of casino gaming, shall be entitled pursuant to this subsection a. to receive the investment previously approved by the authority. The provisions of section 30 of P.L.1984, c.218 (C.5:12-178) shall not apply to investments made out of the moneys so set aside. The authority shall determine the amount each casino licensee shall be eligible to receive out of the moneys so set aside. The form, amount and terms of the investment made by the authority shall be determined by the authority, but the maximum amount of the investment shall not exceed the lesser of the amount which the casino licensee applying therefor is eligible to receive, or the amount equal to 27% of the costs reasonably related to constructing, reconstructing or rehabilitating the hotel rooms or appurtenant facilities in the project excluding costs reasonably related to space used for the conduct of casino gaming.

For the purposes of determining each casino licensee’s eligibility for authority investments from the moneys so set aside, the authority may by resolution permit the transfer of obligation to make payment under section 3 of P.L.1984, c.218 (C.5:12-144.1) to any other casino licensee which has received approval for investment in a project to construct, reconstruct or rehabilitate hotel rooms.

In approving a hotel development project, the authority shall establish a schedule for investments to be made by the authority as progressive stages of construction, reconstruction or rehabilitation are accomplished. Any moneys remaining in the special fund thereafter shall be available for investment in otherwise eligible projects of the authority.

b. From the moneys made available to the Casino Reinvestment Development Authority pursuant to section 3 of P.L.1984, c.218 (C.5:12-144.1), the authority shall, in such manner as it may reasonably determine, set aside $75,000,000 for investment on hotel development projects in Atlantic City, which shall be in addition to the moneys set aside pursuant to subsection a. of this section. Any moneys set aside pursuant to that subsection a. which are not invested by the authority as the result of the failure of a casino licensee to comply with requirements, regulations, conditions or determinations made under that subsection a. shall be available for authority investment pursuant to this subsection b. Authority investments under this subsection b. shall be subject to the requirements, regulations, conditions and determinations of that subsection a., except as follows:

(1) The authority may provide an additional investment amount to a casino licensee which had a hotel development project approved prior to the effective date of this amendatory act, P.L.1996, c.118 (C.5:12-173.3a
et al.), but which the authority has approved for an amount out of the moneys set aside pursuant to that subsection a. that is less than the maximum amount of investment for the approved project because sufficient investment funds were not available to fund all projects approved under that subsection a. at the maximum amount of investment. The additional investment may be made only as the result of an application made to the authority on or before April 1, 1996. The additional investment amount shall not be greater than the difference between the maximum amount of investment for the approved project under that subsection a. and the amount which the authority actually approved for the project. The authority may provide an additional investment amount pursuant to this paragraph (1) only for those previously approved hotel development projects for which construction, reconstruction or rehabilitation has actually and substantially commenced on or before August 31, 1996.

(2) Thereafter, any casino licensee may be eligible to receive an investment out of moneys set aside pursuant to this subsection b.; provided, that the casino licensee shall apply for approval of a hotel development project by the authority within 90 days following the effective date of this amendatory act. The authority shall require as a condition for authority investment under this paragraph that construction, reconstruction or rehabilitation of the hotel development project actually and substantially commence within 12 months after the date upon which the authority and the casino licensee enter into a hotel room credit agreement.

3. Section 3 of P.L.1984, c.218 (C.5:12-144.1) is amended to read as follows:

C.5:12-144.1 Imposition of investment alternative tax.

3. a. (1) Commencing with the first annual tax return of a licensee for any calendar year beginning after December 31, 1983, there is imposed an investment alternative tax on the gross revenues as defined in section 24 of P.L.1977, c.110 (C.5:12-24) of the licensee in the amount of 2.5% of those gross revenues. The tax imposed with respect to each calendar year shall be due and payable on the last day of April next following the end of the calendar year. The State Treasurer shall have a lien against the property constituting the casino of a licensee for the amount of any tax not paid when due. No tax shall be imposed, however, on the gross revenues received by a licensee during the first 12 months of the operation of any casino that commences operation after January 1, 1984, but prior to the effective date of this act, P.L.1996, c.118 (C.5:12-173.3a et al.).

(2) A licensee shall pay to the State Treasurer on or before the 15th day of the first, fourth, seventh, and 10th months of each year as partial payment
of the investment alternative tax imposed pursuant to paragraph (1) of this subsection an amount equal to 1.25% of the estimated gross revenues for the three-month period immediately preceding the first day of those months. The moneys received shall be placed in an escrow account and shall be held until the licensee directs that the moneys be transferred to the Casino Reinvestment Development Authority for the purchase of bonds issued by or offered through the Casino Reinvestment Development Authority or pursuant to a contract for such a purchase, be made available to the licensee for a direct investment approved by the authority, or be transferred to the Casino Revenue Fund as partial payment of the investment alternative tax imposed pursuant to paragraph (1) of this subsection. Any interest derived from the moneys in the escrow account shall be paid or made available to the Casino Revenue Fund. If a licensee fails to pay the amount due or underpays by an unjustifiable amount, the Casino Control Commission shall impose a fine of 5% of the amount due or of the underpayment, as the case may be, for each month or portion thereof the licensee is in default of payment, up to 25% of the amount in default. Any fine imposed shall be paid to the Casino Reinvestment Development Authority and shall be used for the purposes of this 1984 amendatory and supplementary act.

b. Each licensee shall be entitled to an investment tax credit against the tax imposed by subsection a. of this section, provided the licensee shall pay over the moneys required pursuant to section 5 of P.L.1993, c.159 (C.5:12-173.5): (1) for the first 10 years of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and (2) for the remainder of a licensee's tax obligation, in an amount equal to twice the purchase price of bonds issued by the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this 1984 amendatory and supplementary act, purchased by the licensee, or twice the amount of the investments authorized in lieu thereof, and twice the amount of investments made by a licensee in other approved eligible investments made pursuant to section 25 of this act. The Casino Reinvestment Development Authority shall have the power to enter into a contract or contracts with a licensee pursuant to which the Casino Reinvestment Development Authority agrees to issue and sell bonds to the licensee, and the licensee agrees to purchase the bonds issued by or offered through the Casino Reinvestment Development Authority, in annual purchase price amounts as will constitute a credit against at least 50% of the tax to become due in any future year or years. The contract may contain those terms and conditions relating to the terms of the bonds and to the issuance and sale of the bonds to the licensee as the
Casino Reinvestment Development Authority shall deem necessary or desirable. The contract shall not be deemed to be in violation of section 104 of P.L.1977, c.110 (C.5:12-104). After the first 10 years of a licensee’s investment alternative tax obligation, a licensee will have the option of entering into a contract with the Casino Reinvestment Development Authority to have its tax credit comprised of direct investments in approved eligible projects. These direct investments shall not comprise more than 50% of a licensee’s eligible tax credit in any one year.

The entering of a contract pursuant to this section shall be sufficient to entitle a licensee to an investment tax credit for the appropriate tax year.

c. A contract entered into between a licensee and the Casino Reinvestment Development Authority may provide for a deferral of payment for and delivery of bonds required to be purchased and for a deferral from making approved eligible investments in any year, but no deferral shall occur more than two years consecutively. A deferral of payment for any bonds required to be purchased by a licensee and a deferral from making approved eligible investments may be granted by the Casino Reinvestment Development Authority only upon a determination by the Casino Control Commission that purchase of these bonds or making approved eligible investments would cause extreme financial hardship to the licensee and a determination by the Casino Reinvestment Development Authority that the deferral of the payment would not violate any covenant or agreement or impair any financial obligation of the Casino Reinvestment Development Authority. The contract may establish a late payment charge to be paid in the event of deferral or other late payment at a rate as shall be agreed to by the Casino Reinvestment Development Authority. If a deferral of purchase or investment is granted, the licensee shall be deemed to have made the purchase or investment at the time required by the contract, except that if the purchase is not made at the time to which the purchase or investment was deferred, then the licensee shall be deemed not to have made the purchase or investment. The Casino Control Commission shall adopt regulations establishing a uniform definition of extreme financial hardship applicable to all these contracts. If a licensee petitions the Casino Reinvestment Development Authority for a deferral, the Casino Reinvestment Development Authority shall give notice of that petition to the Casino Control Commission and to the Division of Gaming Enforcement within three days of the filing of the petition. The Casino Control Commission shall render a decision within 60 days of notice as to whether the licensee has established extreme financial hardship, after consultation with the Division of Gaming Enforcement. The Casino Reinvestment Development Authority shall render a decision as to the availability of the deferral within 10 days of the receipt by it of the decision of the Casino Control Commission and shall notify the
Division of Gaming Enforcement and the Casino Control Commission of that decision. If a deferral is granted, the Casino Reinvestment Development Authority may determine whether the purchases or investments shall be made in a lump sum, made over a period of years, or whether the period of obligation shall be extended an additional period of time equivalent to the period of time deferred.

d. The license of any licensee which has defaulted in its obligation to make any purchase of bonds or investment in any approved eligible project under a contract entered into pursuant to subsection b. of this section for a period of 90 days may be suspended by the Casino Control Commission until that purchase is made or deferred in accordance with subsection b. of this section, or a fine or other penalty may be imposed upon the licensee by the commission. If the Casino Control Commission elects not to suspend the license of a licensee after the licensee has first defaulted in its obligation but instead imposes some lesser penalty and the licensee continues to be in default of its obligation after a period of 30 additional days and after any additional 30-day period, the commission may impose another fine or penalty upon the licensee, which may include suspension of that licensee’s license. The fine shall be 5% of the amount of the obligation owed for each month or portion thereof a licensee is in default, up to 25% of that obligation; shall be paid to the Casino Reinvestment Development Authority; and shall be used for the purposes of this 1984 amendatory and supplementary act.

e. A contract entered into by a licensee and the Casino Reinvestment Development Authority pursuant to subsection b. of this section may provide that after the first 10 years of a licensee's investment alternative tax obligation imposed by subsection a. of this section, the Casino Reinvestment Development Authority may repurchase bonds previously sold to the licensee, which were issued after the 10th year of a licensee's investment alternative tax obligation, by the Casino Reinvestment Development Authority, if the Casino Reinvestment Development Authority determines that the repurchase will not violate any agreement or covenant or impair any financial obligation of the Casino Reinvestment Development Authority and that the licensee will reinvest the proceeds of the resale in an eligible project approved by the Casino Reinvestment Development Authority.

f. (1) During the 30 years a licensee is obligated to pay an investment alternative tax pursuant to subsection k. of this section, the total of (a) the proceeds of all bonds purchased by a licensee from or through the Casino Reinvestment Development Authority and (b) all approved investments in eligible projects by a licensee shall be devoted to the financing of projects in the following areas and amounts:
Areas | Yrs. | Yrs. | Yrs. | Yrs. | Yrs. | Yrs. | Yrs.
- | - | - | - | - | - | - | -
  a) Atlantic City | 1-3 | 4-5 | 6-10 | 11-15 | 16-20 | 21-25 | 26-30
     | 100% | 90% | 80% | 50% | 30% | 20% |  
  b) South Jersey | 8% | 12% | 28% | 43% | 45% |  
  c) North Jersey | 2% | 8% | 22% | 27% | 35% | 35% |  
  d) Atlantic City through the Atlantic City Fund | 65% |  

except that, with respect to the obligations for calendar years 1994 through 1998, the amount allocated for the financing of projects in North Jersey from each casino licensee's obligation shall be the amount allocated for calendar year 1993, and the difference between that amount and the amount to be allocated to North Jersey, on the basis of the above schedule, from each casino licensee's obligations for calendar years 1994 through 1998 shall be paid into or credited to the Atlantic City Fund established by section 44 of P.L.1995, c.18 (C.5:12-161.1) and be devoted to the financing of projects in Atlantic City through that fund. For the purposes of this paragraph, "South Jersey" means the counties of Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer, Ocean, and Salem; and "North Jersey" means the remaining 12 counties of the State. For the purposes of this 1984 amendatory and supplementary act, bond "proceeds" means all funds received from the sale of bonds and any funds generated or derived therefrom.

In the financing of projects outside Atlantic City, the Casino Reinvestment Development Authority shall give priority to the revitalization of the urban areas of this State in the ways specified in section 12 of this 1984 amendatory and supplementary act. Those areas shall include, but not be limited to, all municipalities qualifying for aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.).

Within nine months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in South Jersey for the first seven years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes
a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first seven years of the receipt of funds by South Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the seventh year of the receipt of funds by South Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

Within 36 months from the effective date of this 1984 amendatory and supplementary act, the Casino Reinvestment Development Authority shall determine the allocation of projected available moneys to municipalities in North Jersey for the first five years of their receipt of funds, giving priority to the revitalization of the urban areas of the region. Municipalities receiving such an allocation shall present to the Casino Reinvestment Development Authority for its approval comprehensive plans or projects for which the allocations shall be used. Any such comprehensive plan or project may be submitted to the Casino Reinvestment Development Authority for a determination of eligibility at any time prior to the year for which the funds are allocated, and the Casino Reinvestment Development Authority shall make a determination of eligibility of the plan or project within a reasonable amount of time. If the Casino Reinvestment Development Authority makes a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, for any municipality whose total cost exceeds the amount allocated to that municipality for the first five years of the receipt of funds by North Jersey municipalities, the Casino Reinvestment Development Authority shall make available sufficient funds in subsequent years necessary to complete those plans or projects, or
to complete that portion of the plan or project originally agreed to be funded through the Casino Reinvestment Development Authority, from funds received by the Casino Reinvestment Development Authority in the years following the fifth year of the receipt of funds by North Jersey municipalities. If the comprehensive plan or project is determined by the Casino Reinvestment Development Authority not to be an eligible plan or project, the municipality may submit any other comprehensive plan or project for a determination of eligibility. If, however, the municipality fails to receive a positive determination of eligibility for any comprehensive plan or project, or combination of comprehensive plans or projects, sufficient to exhaust the total allocation to that municipality for any year prior to April 30 of the following year for which the allocation was made, the allocation to that municipality for that year shall cease, and the Casino Reinvestment Development Authority may apply those excess funds to any other comprehensive plan or project in any other municipality in the region whose comprehensive plan or project has received a positive determination of eligibility by the Casino Reinvestment Development Authority.

(2) Commencing with the first year in which a licensee incurs a tax obligation pursuant to this section, and for the period of two years thereafter, 100% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City pursuant to paragraph (1) of this subsection shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, as defined in this subsection. For the purposes of this subsection, the "rehabilitation, development, or construction of housing facilities" shall include expenses attributable to site preparation, infrastructure needs and housing-related community facilities and services, including supporting commercial development. Commencing with the fourth year in which a licensee incurs a tax obligation pursuant to this subsection, 50% of the proceeds of all bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City shall be used exclusively to finance the rehabilitation, development, or construction of housing facilities in the city of Atlantic City for persons or families of low through middle income. Commencing with the 11th year in which a licensee incurs a tax obligation pursuant to this section, 50% of the annual aggregate of the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority which are devoted to the financing of projects in the city of Atlantic City and investments in approved eligible projects commenced by a licensee in the city of Atlantic City shall be used exclusively to finance the rehabilitation,
development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income.

(3) The Legislature finds that it is necessary to provide for a balanced community and develop a comprehensive housing program. The Casino Reinvestment Development Authority shall determine the need for housing in the city of Atlantic City, in consultation with the city of Atlantic City and specifically its zoning and planning boards. This shall include determining the types and classes of housing to be constructed and the number of units of each type and class of housing to be built. The Casino Reinvestment Development Authority shall give priority to the housing needs of the persons and their families residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act. The actual percentage of the proceeds of bonds and investments in approved eligible projects commenced by a licensee in the city of Atlantic City, which shall be used exclusively to finance the rehabilitation, development, or construction of, or to provide mortgage financing of, housing facilities in the city of Atlantic City for persons or families of low through middle income, shall be based upon the authority's determination of the need for housing in the city of Atlantic City conducted pursuant to this subsection. Once the housing needs of the persons residing in the city of Atlantic City in 1983 and continuing such residency through the effective date of this 1984 amendatory and supplementary act have been met, as determined by the Casino Reinvestment Development Authority pursuant to this subsection, any required percentages for such housing in the city of Atlantic City may, in its sole discretion, be waived by the Casino Reinvestment Development Authority. To aid the Casino Reinvestment Development Authority in making these determinations, the Casino Reinvestment Development Authority shall review the proposal for a housing redevelopment program and strategy for the city of Atlantic City approved and adopted by the Casino Control Commission and shall give priority to same and any other plan or project which is consistent with the standards of this subsection and is acceptable to the Casino Reinvestment Development Authority, pursuant to section 25 of this 1984 amendatory and supplementary act. The Casino Reinvestment Development Authority may determine whether the funds used to finance housing facilities in the city of Atlantic City for persons or families of low, moderate, median range, and middle income are derived from the proceeds of bonds purchased by a licensee from the Casino Reinvestment Development Authority to be devoted to the financing of projects in the city of Atlantic City, investments in approved eligible projects commenced by a licensee in the city of Atlantic City, or a combination of both. Any investment made by a licensee in excess
of 100% of its eligible investment tax credit during the first three years and
in excess of 50% thereafter in either the purchase of bonds or direct
investments in approved eligible projects for low, moderate, median range,
and middle income family housing facilities in the city of Atlantic City may
be carried forward and credited against the licensee's obligation to make a
100% investment during the first three years and 50% thereafter in low,
moderate, median range, and middle income family housing in any future
year, with the approval of the Casino Reinvestment Development Authority.
For the purposes of this act, "low income families" means families whose
income does not exceed 50% of the median income of the area, with
adjustments for smaller and larger families. "Moderate income families"
means families whose income does not exceed 80% and is not less than 50%
of the median income for the area, with adjustments for smaller and larger
families. "Median range income families" means families whose income does
not exceed 120% and is not less than 80% of the median income for the
area, with adjustments for smaller and larger families. "Middle income
families" means families whose income does not exceed 150% and not less
than 120% of the median income for the area, with adjustments for smaller
and larger families. "Median income" means an income defined as median
within the Standard Metropolitan Statistical Area for Atlantic City by the
United States Department of Housing and Urban Development.

In order to achieve a balanced community, the authority shall ensure that
the development of housing for families of low and moderate income shall
proceed at the same time as housing for families of median range and middle
income, until such time as there is no longer a need for such facilities in the
city of Atlantic City, as determined by the Casino Reinvestment Develop­
ment Authority.

(4) Notwithstanding any other law or section to the contrary, particular­ly
this subsection regarding the waiver of the required percentages for
housing in the city of Atlantic City, subsection i. of section 14, and sections
26, 27, 28, 29, and 31 of this 1984 amendatory and supplementary act,
nothing shall be implemented or waived by the Casino Reinvestment
Development Authority which would reduce, impair, or prevent the
fulfillment of the priorities established and contained in this subsection of this
1984 amendatory and supplementary act.

(g) If a person is a licensee with regard to more than one approved hotel
pursuant to section 82 of P.L.1977, c.110 (C:5:12-82), the person shall
separately account for the gross revenues, the investment alternative tax
obligations, and the investments for a tax credit against the investment
alternative tax for each approved hotel, and the tax obligations of the
licensee under this section shall be determined separately for each approved
hotel. The licensee may apportion investments between its approved hotels;
provided that no amount of investment shall be credited more than once. If a licensee receives the prior approval of the Casino Reinvestment Development Authority, the licensee may make eligible investments in excess of the investments necessary to receive a tax credit against the investment alternative tax for a given calendar year, and the licensee may carry forward this excess investment and have it credited to its next investment alternative tax obligation. If the Casino Reinvestment Development Authority approves of such excess investment and approves the carry forward of this excess investment, and a licensee elects to purchase bonds of the Casino Reinvestment Development Authority or makes direct investments in approved eligible projects in excess of the investments necessary to receive a tax credit against the investment alternative tax for its current obligation, the licensee shall be entitled to a reduction of the amount of investments necessary in future years, which amount shall be determined annually by the Casino Reinvestment Development Authority, taking into account a current market discount rate from the date of the purchase or investment to the date the purchase or investment would have been required to be made.

h. Each casino licensee shall prepare and file, in a form prescribed by the Casino Reinvestment Development Authority, an annual return reporting that financial information as shall be deemed necessary by the Casino Reinvestment Development Authority to carry out the provisions of this act. This return shall be filed with the Casino Reinvestment Development Authority and the Casino Control Commission on or before April 30 following the calendar year on which the return is based. The Casino Control Commission shall verify to the Casino Reinvestment Development Authority the information contained in the report, to the fullest extent possible. Nothing in this subsection shall be deemed to affect the due dates for making any investment or paying any tax under this section.

i. Any purchase by a licensee of bonds issued by or offered through the Casino Reinvestment Development Authority pursuant to sections 14 and 15 of this act and subsection b. of this section and all approved eligible investments made by a licensee pursuant to section 25 of this act and subsection b. of this section are to be considered investments and not taxes owed or grants to the State or any political subdivision thereof. As such, a licensee shall have the possibility of the return of principal and a return on the capital invested as with other investments. Investors in the bonds issued by or offered through the Casino Reinvestment Development Authority shall be provided with an opinion from a recognized financial rating agency or a financial advisory firm with national standing that each loan of bond proceeds by the Casino Reinvestment Development Authority has the minimum characteristics of an investment, in that a degree of assurance exists that interest and principal payments can be made and other terms of
the proposed investment be maintained over the period of the investment, and that the loan of the bond proceeds would qualify for a bond rating of "C" or better. If an opinion cannot be obtained from a recognized financial rating agency or a financial advisory firm with national standing, an opinion shall be obtained from an expert financial analyst with national standing, selected and hired by the Casino Reinvestment Development Authority. In order to achieve a balanced portfolio, assure the viability of the authority and the projects, facilities and programs undertaken pursuant to this 1984 amendatory and supplementary act, no more than 25% of the total investments made by or through the Casino Reinvestment Development Authority with the proceeds of bonds generated in each year shall be investments which would qualify for a bond rating of "C," unless all holders of obligations in each year agree to waive the 25% limit for that year. Nothing herein shall be interpreted as limiting the Casino Reinvestment Development Authority from taking any steps it deems appropriate to protect the characteristics of its investment in projects or any other investments from not being real investments with a prospect for the return of principal and a return on the capital invested. Anything contained in this section shall not be considered a guarantee by the State or any political subdivision thereof of any return of principal or interest, but any purchase by a licensee of bonds or approved eligible investments made by a licensee pursuant to this act shall be at the risk of the licensee. A licensee or the licensees purchasing an issue of bonds issued by the Casino Reinvestment Development Authority in any given year may arrange, at their option, for those bonds or the investments, made by or through the Casino Reinvestment Development Authority with the proceeds of those bonds, to be insured. The cost of any such insurance purchased by a licensee or licensees shall be paid by the licensee or licensees desiring such insurance.

j. The Casino Reinvestment Development Authority shall promulgate rules and regulations deemed necessary to carry out the purposes of this section.

k. The obligation of a licensee to pay an investment alternative tax pursuant to subsection a. of this section shall end for each licensed facility operated by the licensee 30 years after any investment alternative tax obligation is first incurred in connection with each licensed facility operated by the licensee, unless extended in connection with a deferral granted by the Casino Reinvestment Development Authority pursuant to subsection c. of this section.

4. Section 5 of P.L.1984, c.218 (C.5:12-153) is amended to read as follows:

No person shall be reappointed to succeed himself as a casino industry representative member, and no person appointed shall be an employee, officer or agent of the same casino licensee as the person whom he succeeds as a casino industry representative member; and

(8) One member appointed by the Governor to serve ex officio as a voting member, who shall be either the Commissioner of the Department of Commerce and Economic Development or the Commissioner of the Department of Community Affairs, or the Governor may appoint, in lieu thereof, an additional member of the Casino Control Commission as a voting member.

No more than four of the voting members appointed by the Governor pursuant to paragraph (1) of this subsection shall be of the same political party.

In the appointment of members of the authority, consideration should be given to achieving a membership of high quality and varied experience, with special emphasis on the fields of banking, finance, investment, and housing and urban development.

b. Each member appointed by the Governor shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A member shall be eligible for reappointment. Any vacancy in
the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. The member or members of the Casino Control Commission appointed by the Governor shall serve as a member or members of the Casino Reinvestment Development Authority at the pleasure of the Governor, subject to the limitations in subsections c., f., and h. of section 52 of P.L.1977, c.110 (C.5:12-52). Such a member may be removed or suspended from office as a member of the Casino Reinvestment Development Authority as provided in section 6 of this act. Any removal or suspension from office of a member of the Casino Control Commission from the Casino Reinvestment Development Authority shall not affect his office held as a member of the Casino Control Commission. Removal from office as a member of the Casino Control Commission may only be done in accordance with subsection g. of section 52 of P.L.1977, c.110 (C.5:12-52).

5. Section 7 of P.L.1984, c.218 (C.5:12-155) is amended to read as follows:

The Governor shall designate from among the appointed and voting public members, a chairman and a vice chairman of the Casino Reinvestment Development Authority, who shall serve in those capacities at the pleasure of the Governor. The powers of the Casino Reinvestment Development Authority shall be vested in the members thereof in office from time to time and eight voting members of the Casino Reinvestment Development Authority shall constitute a quorum at any meeting thereof. Action may be taken by motions and resolutions adopted by the Casino Reinvestment Development Authority at any meeting thereof by the affirmative vote of at least eight members of the Casino Reinvestment Development Authority. No vacancy in the membership of the Casino Reinvestment Development Authority shall impair the right of a quorum of the members to exercise all the powers and perform all the duties of the Casino Reinvestment Development Authority.

6. Section 9 of P.L.1984, c.218 (C.5:12-157) is amended to read as follows:

8. This act shall take effect immediately.

Approved September 16, 1996.

CHAPTER 119

AN ACT concerning farm vehicles and amending R.S.39:3-24 and 39:3-25.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:3-24 is amended to read as follows:

Farm tractors, traction equipment; registration; operation; fee.

39:3-24. (a) The director shall register farm tractors and traction equipment used for farm operation to travel upon the public highways. The fee for such registration shall be $5 per annum, whether the registration is issued for the yearly period or only a portion thereof. Such tractor
equipment or farm tractors may draw farm machinery and implements while in transit from one farm to another without additional registration therefor. 

(b) The director may register motor vehicles, not for hire, used exclusively as farm machinery or farm implements, to travel upon the public highways, from one farm, or portion thereof, to another farm, or portion thereof, both owned or managed by the registered owner of the vehicle or vehicles. The fee for such registration shall be $5 per annum, whether the registration is issued for a yearly period or only a portion thereof. Any vehicle so registered and any truck registered pursuant to the provisions of 39:3-25 of this Title may draw not more than one vehicle used exclusively on the farm and a vehicle so drawn need not be registered. A vehicle registered pursuant to this section or to R.S.39:3-25 may be used under contract with a municipality to remove snow upon a public highway.

(c) No vehicle registered pursuant to this section shall be operated on a public highway at any time from sunset to sunrise, except a vehicle being operated under contract with a municipality to remove snow. Every such vehicle when operated on a public highway shall have means adequate to control the movement of and to stop and hold such vehicle on any up or down grade and shall be operated in accordance with uniform rules and regulations prescribed by the Director of the Division of Motor Vehicles. Such rules and regulations shall specify the coverings that may be used on the wheels of such vehicles, the days, hours and conditions under which such vehicles can be operated, the circumstance under which escort vehicles shall be required, the distance that may be traveled upon the public highways and such vehicle equipment or other requirements or restrictions as may be necessary to protect the safety of the users of the public highways.

Motor vehicles, not for hire, which are used exclusively as farm tractors, traction equipment, farm machinery or farm implements which cannot be operated at a speed in excess of 20 miles per hour shall not be required to be registered under this section.

2. R.S.39:3-25 is amended to read as follows:

"Farmer" license plate, issuance, fee, expiration.

39:3-25. In addition to the motor vehicle licenses authorized to be issued pursuant to the provisions of this chapter, the director shall issue, upon application therefor, a license plate for trucks marked "farmer," which shall be issued upon evidence satisfactory to the director that the applicant is a farmer and is actually engaged in the growing, raising and producing of farm products as an occupation. License plates issued under authority of this section shall be placed upon motor trucks engaged exclusively in the carrying or transportation of applicant's farm products, raised or produced
on his farm, and farm supplies, and not engaged in hauling for hire, except for a truck being operated under contract with a municipality to remove snow.

Applicants for license plates herein authorized shall pay a registration fee of $25 plus $4.25 for each 1,000 pounds or portion thereof in excess of 5,000 pounds. If the registration cycle established by the director is for more or less than 11 months, applicants shall pay amounts proportionately less or greater than the fees established by law.

Except as otherwise provided in this section, every registration for a farm truck shall expire and the certificate thereof shall become void on the last day of the eleventh calendar month following the month in which the certificate was issued; except that the director may require registrations which shall expire, and issue certificates thereof which shall become void, on a date fixed by the director, which shall not be sooner than three months or later than 26 months after the date of issuance of such certificates, and the fees for such registrations, including any other fees or charges collected in connection with the registration fee, shall be fixed by the director in amounts proportionately less or greater than the fees established by law. The director may fix the expiration date for registration certificates at a date other than 11 months if the director determines that such change is necessary, appropriate or convenient in order to aid in implementing the vehicle inspection requirements of chapter 8 of Title 39 or for other good cause.

The term "farmer" as used in this section means any person engaged in the commercial raising, growing and producing of farm products on a farm not less than five acres in area, and who does not engage in the business of buying farm products for resale; and the term "farm products" means any crop, livestock or fur products.

3. This act shall take effect immediately.

Approved October 30, 1996.
1. Section 3 of P.L.1976, c.83 (C.19:4-12) is amended to read as follows:

C.19:4-12 Allotment of voting machines, devices; appointment of additional members of district board.

3. Each district in which two voting machines or five electronic system voting devices are to be used shall contain, as nearly as is practicable, 1,000 voters, and each district in which three voting machines or eight electronic system voting devices are to be used shall contain, as nearly as is practicable, 1,500 voters.

Nothing herein shall prevent any election district from containing fewer voters than prescribed above, if necessary for the convenience of the voters.

In a district where more than two voting machines or five electronic system voting devices are to be used, two additional members of the district board, who shall not be members of the same political party, shall be appointed for each additional voting machine or system.

2. R.S.19:6-2 is amended to read as follows:

Application for membership on district board; qualifications.

19:6-2. a. Any legal voter (1) who is a member of a political party by virtue of having voted in a party primary or who shall have filed a party declaration form for the ensuing primary election with the commissioner of the county in which the voter is registered and who, for two years prior to making written application, has not espoused the cause of another political party or its candidates, or (2) who is not affiliated with a political party may make written application for service as a member of a district board of any municipality in the county in which he or she resides on a form to be prepared and furnished for that purpose by such board and signed by him or her and stating thereon, under the applicant's oath, the applicant's name and address and the political party to which he or she belongs or, if the applicant is not affiliated with a political party, the fact that the applicant is not so affiliated, and that the applicant is of good moral character and has not been convicted of any crime involving moral turpitude and possesses the following qualifications, namely: such eyesight as will enable the applicant, with or without eyeglasses, to read nonpareil type; ability to read the English language readily; ability to add and subtract figures correctly; ability to write in a legible hand with reasonable facility; reasonable knowledge of the duties to be performed by the applicant as an election officer under the election laws of this State and such health as will permit the applicant to discharge his or her duties as such election officer.
b. No person shall be precluded from applying to serve as a member of a district board of any municipality for failure to vote in any year such person was ineligible to vote by reason of age or residence.

3. R.S.19:6-3 is amended to read as follows:

Appointment of district board members by county board, Assignment Judge of Superior Court.

19:6-3. a. (1) The county board shall, on or before April 1, appoint the members of the district boards in the manner prescribed by paragraph (2) of this subsection. The members of any district board shall be equally apportioned between the two political parties which at the last preceding general election held for the election of all of the members of the General Assembly cast the largest and next largest number of votes respectively in this State for members of the General Assembly, except that if the county board is unable to fill all of the positions of the members of a particular district board from among qualified members of those two political parties, the county board shall appoint to any such unfilled position an otherwise qualified person who is unaffiliated with any political party, but no such appointment of an unaffiliated person shall be made prior to March 25, and in no event shall more than two such unaffiliated persons serve at the same time on any district board.

(2) In making appointments of members of the several district boards of the county, the county board shall consult with the chairperson of the county committee of each of the two political parties referred to in paragraph (1) of this subsection. On or before March 15 of each year, the county board shall transmit to each of those chairpersons a list of those positions on the membership of the several district boards that are subject to apportionment under that paragraph (1) to the political party of which that chairperson is a member, and to which the county board has been unable to make an appointment from among qualified members of that political party. The county board shall include with each such list a request that the chairperson to whom that list is transmitted return to the board a list of the names of candidates for those unfilled positions. On or before March 25, the county board shall, on the basis of the lists so returned to it, fill as many of the remaining unfilled positions in the membership of the several district boards as possible, and shall assign or reassign appointees as necessary to ensure that the membership of each district board within the county shall include at least one member of each of the two political parties. The county board shall then appoint to any unfilled position on a district board an otherwise qualified person who is unaffiliated with any political party.

b. In case the county board shall neglect, refuse or be unable to appoint and certify the members of the district boards as herein provided, the
Assignment Judge of the Superior Court shall, before April 10 in each year, make such appointments and certifications.

4. R.S.19:6-5 is amended to read as follows:

Removal of district board member; filing of vacancies.

19:6-5. Any member of a district board in an election district may be summarily removed from office, with or without cause, and vacancies filled, at any time by the members of the county board of the county in which such election district is located in the manner hereinafter provided. In the case of a member of the district board who was appointed as a member of a political party, removal shall be made by the members of the county board of that political party, and in the case of a member of the district board unaffiliated with a political party at the time of appointment, removal shall be made by the county board. Upon a removal the members of the county board so acting shall make a certificate of removal and file same with the county board.

The members of the county board removing such election officer shall forthwith proceed to fill the vacancy caused by the removal, and shall issue to the person selected to fill the vacancy a certificate which shall entitle that person to perform all the duties of a member of the district board for such election district.

5. R.S.19:6-10 is amended to read as follows:

Meeting, organization of district board.

19:6-10. Each district board shall, on or before the second Tuesday next preceding the primary election, meet and organize by the election of one of its members as judge, who shall be chairman of the board, and another of its members as inspector. The judge and inspector shall not be members or voters of the same political party. In case of failure to elect a judge as herein provided, after balloting or voting three times, the senior member of the board in respect to length of continuous service as a member of such district board shall become judge, and in case of failure to elect an inspector after balloting or voting three times, the next senior member of the board in respect to length of continuous service as a member of such district board shall become inspector; provided, that both the chairman and the inspector shall not be members or voters of the same political party. The other members of the board shall be clerks of election, and shall perform all the duties required by law of the clerks of district boards.

6. Section 2 of P.L.1944, c.230 (C.19:31A-8) is amended to read as follows:
2. Every person qualified to vote in any election shall at any time after the opening of the polls be at liberty to enter the polling place or room and claim his right to vote at such election in his proper district, and he shall claim such right in person before the district board in the district. The board shall permit no person to vote whose name does not appear in the signature copy register of its election district. Each voter in claiming the right to vote shall first give his full name and address to the member of the district board having charge of the duplicate permanent registration binder and voting record and the signature comparison record. Such clerk shall thereupon locate the permanent registration form and voting record and signature comparison record of the voter and shall require the voter to thereupon sign his name in the proper space on his signature comparison record if the voter has previously signed his name on the line marked sample signature. If the voter has not so signed the member of the district board shall require the voter to sign the line marked sample signature and compare the sample signature with the signature made by such person at the time he registered and if satisfied that they were made by one and the same person he shall then permit the voter to sign his name in the proper space on the signature comparison record. The voter shall sign his name without assistance using black ink in the proper column on the signature comparison record. Such signature being completed on the signature comparison record the member of the board having charge of the duplicate permanent registration binder shall audibly and publicly announce the name of the claimant and if the member of the board has ascertained from the duplicate permanent registration binder that the claimant is registered as a qualified voter and upon comparison the member of the board is satisfied that the signature of the claimant and the sample signature on the signature copy register has been made by one and the same person, the member of the board who compared the signature of the voter shall place his initials in the proper column on the signature comparison record signifying that he has made such comparison and is satisfied that the signature of the claimant and sample signature has been made by one and the same person; whereupon the voter shall be eligible to receive a ballot unless it be shown to the satisfaction of a majority of the members of the district board that he is not entitled to vote in the district or has otherwise become disqualified.

In addition to signing the signature comparison record and after the comparison of the signature with the signature in the register, a person offering to vote at a primary election for the general election shall announce his name and the party primary in which he wishes to vote.
After a person has voted, the member of the district board having charge of the signature copy register shall place the number of the person's ballot in the proper column on the record of voting form of such person, which number shall constitute a record that the person has voted. In the case of a primary election for the general election such member of the district board shall also place in the proper column on the record of voting form the first three letters of the name of the political party whose primary ballot such person has voted.

No person shall be required to sign the signature comparison record as a means of identification if he shall have been unable to write his name when he registered, or if, having been able to write his name when registered, he subsequently shall have lost his sight or lost the hand with which he was accustomed to write or shall by reason of disease or accident be unable to write his name when he applies to vote, but each such person who alleges his inability to sign his name on the signature comparison record shall establish his identity as follows: one of the members of the district board shall read the same list of questions to the voter as were required upon registration, such questions shall be provided at each election by the commissioner of registration and are to be known as "identification statements for election day." The member of the board shall write the answers of the voter upon the identification statement. These statements shall be inserted in the front of the duplicate registry binders, at each election, and shall be numbered serially from one to twenty.

Each statement shall contain the same questions as the voter was required to answer upon registration. The questions answered upon registration shall not be turned to or inspected until the answers to the questions shall have been written on election day by the member of the board.

At the end of each list of questions shall be printed the following statement: "I certify that I have read to the above named voter each of the foregoing questions and that I have duly recorded his answers as above to each of said questions"; and the member of the board who has made the above record shall sign his name to such certificate and date the same, and note the time of day of making such record. If the answers to the questions asked of the voter on election day agree with the answers given by him to the same questions at the time he registered, he shall then be eligible to receive a ballot. Any person who shall permit or attempt to furnish the answers on behalf of the voter shall be guilty of a misdemeanor. The commissioner of registration shall furnish sufficient identification statements for each election district in each county. The statements shall be printed on sheets approximately ten by sixteen inches and shall contain a margin of approximately two inches for binding and shall be inserted in the front of the
duplicate registry binders each election and shall be in substantially the following form:

At any election any person who declares under oath and establishes to the satisfaction of a majority of all the members of the district board, that by reason of an inability to read or write, blindness or other physical disability he is unable to mark his ballot without assistance, shall have the assistance of two members of the board who shall not be members of the same political party, to be assigned by the board, in preparing his ballot. Such members shall retire with such voter to the booth and assist him in the preparation of his ballot and folding the same. The member acting as clerk of the district board shall make an entry on a disability certificate for assistance, which entry shall be in the form of an oath and be inserted in the front of the duplicate registry binders each election.

In every instance when such oath was administered to a voter as herein provided, it shall state briefly what facts were sworn to and the names of the members of the board who aided such voter. Any members of the district board shall be eligible to witness the preparation of the ballot of any such voter, but no other person shall be allowed to assist him in marking his ballot or to witness the marking of the same. No member of the board shall reveal the name of any person for whom such voter has voted or anything that took place while he was being assisted.

Such voter, if blind, disabled, or unable to read or write, may, in lieu of the assistance of the board as above provided, have assistance of some person of his own selection in preparing his ballot. Such person shall retire with such voter to the booth and assist him in the preparation of his ballot and folding the same. The name and address of such person shall be recorded as above. In such case, no other person than the one so selected by the voter shall be allowed to assist such voter in marking his ballot or witness the marking of the same. No person so selected shall reveal the name of any person for whom such voter has voted or anything that took place while he was being assisted.

The disability certificates shall be numbered serially one to twenty. The commissioner of registration shall furnish sufficient disability certificates for assistance for each election district in his county. The disability certificates for assistance shall be printed on sheets approximately ten by sixteen inches and shall contain a margin of approximately two inches for binding and shall be in substantially the following form:

The commissioner of registration in each county shall furnish sufficient certificates of signature comparison records for each election district in his county to be filled in and signed at the close of the polls by the members of the district board. 7. R.S.19:52-1 is amended to read as follows:

Preparation of polling places.

19:52-1. The district boards of each election district shall meet at the polling place three-quarters of an hour before the time set for opening of the polls at each election and shall proceed to arrange the furniture, stationery and voting machine or machines for the conduct of the election. The district boards shall then and there have the voting machine, ballots and stationery required to be delivered to them for such election by the officials charged by law with that duty. If not previously done, they shall insert in their proper
place on the voting machine the ballots containing the names of offices to be filled at such election and the names of candidates nominated therefor.

The keys to the voting machine shall be delivered to the district election officers in any manner that the county board of elections or the superintendent of elections or the municipal clerk, as the case may be, having custody of voting machines, may determine, at least three-quarters of an hour before the time set for opening the polls, in a sealed envelope, on which shall be written or printed the number and location of the voting machine, the number of the seal with which it is sealed, the number of the green seal with which the emergency ballot box is sealed, and the number registered on the protective counter or device, as reported by the custodian.

The envelope containing the keys shall not be opened until at least two members of the board who are not members of the same political party shall be present at the polling place and shall have examined the envelope to see that it has not been opened. Before opening the envelope all election officers present shall examine the number on the seal on the machine and the number registered on the protective counter, and shall ascertain if they are the same as the numbers written on the envelope; and if they are not the same, the machine must not be opened until such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, after due notice of such discrepancy, shall have caused such machine to be re-examined and properly arranged by any person or persons employed or appointed pursuant to R.S.19:48-6. If the numbers on the voting machine seal and the protective counter are found to agree with the numbers on the envelope, the district election officers shall proceed to open the doors concealing the counters, and each district election officer shall carefully examine every counter and ascertain whether or not it registers zero (000), and the same shall be subject to the inspection of official watchers.

In addition, each district election officer shall carefully examine the emergency ballot box to ascertain whether or not it is properly sealed with a numbered green seal and examine the number to ascertain if it is the same as the number written on the voting machine key envelope. If the numbers are not the same, the county board of elections, the superintendent of elections, or the municipal clerk, as the case may be, shall be notified of the discrepancy.

The machine shall remain locked against voting until the polls are formally opened and shall not be operated except by voters in voting. If any counter is found not to register zero (000) the district board shall immediately notify such county board of elections or such superintendent of elections or such municipal clerk, as the case may be, who shall, if practicable, cause such counter to be adjusted at zero (000) by any person or persons employed or appointed pursuant to R.S.19:48-6. If it shall be
impracticable for such person or persons to arrive in time to so adjust such counter before the time set for opening the polls, the district election officers shall immediately make a written statement of the designating letter and number of such counter, together with the number registered thereon, and shall sign and post same upon the wall of the polling room, where it shall remain throughout election day, and in filling out the statement of canvass, they shall subtract such number from the number registered thereon at the close of the polls.

8. R.S.19:52-5 is amended to read as follows:

锁紧，封存投票机；宣布投票结果。

19:52-5. Immediately upon the close of the polls, the district election officers shall lock and seal the voting machine against further voting and open the counter compartment in the presence of persons who may be lawfully present at that time, giving full view of the counters. The judge of the district board, under the scrutiny of a member of such board who is not a member of the same political party as the judge, shall then in the order of the offices as their titles are arranged on the machine, read and announce in distinct tones the result as shown by the counters, and shall then read the votes recorded for each office on the irregular ballots. He shall also, in the same manner, read and announce the vote on each constitutional amendment, proposition or other question. As each vote is read and announced, it shall be recorded in two statements of canvass by two other members of such district board who are not members of the same political party, and when completed the record thereof shall be compared with the numbers on the counters of the machine. If found to be correct, the result shall be announced by the judge of such board and the statement of canvass, after being duly certified, shall be filed as now provided by law for filing election returns. After the reading and announcing of the vote and before the doors of the counter compartment of the voting machine shall be closed, ample opportunity shall be given to any person or persons lawfully present to compare the results so announced with the counters of the machine and any necessary corrections shall then and there be made by such district board. No tally sheets nor return blanks as required by law for use in election districts where paper ballots are used shall be furnished or used in election districts where voting machines are used, but in lieu thereof there shall be furnished two copies of a statement of canvass to conform to the requirements of the make and type of voting machine or machines being used.

9. Section 7 of P.L.1973. c.82 (C.19:53A-7) is amended to read as follows:
7. a. Thirty minutes before the opening of the polls the local district election officers shall arrive at the polling place, place the voting devices in position for voting, and examine them to see that they have the correct ballot labels by comparing them with the sample ballots, and are in proper working order. They shall open and check the ballot cards, supplies, records and forms, and post the sample ballots and instructions to voters.

b. Each voter requesting assistance shall be instructed how to operate the voting device before he enters the voting booth. If he needs additional instruction after entering the voting booth and requests assistance, two members of the district board who are not members of the same political party may if necessary enter the booth and give him additional instructions.

c. The district election official attending the voting machine shall inspect the face of the machine and the ballot at least once per hour to see that the face of the machine and the ballot are in their proper place and that neither has been mutilated, defaced, tampered with or changed and that the machine has not been changed.

d. After the voter has marked his ballot cards, he shall place the ballot card inside the envelope provided for this purpose and return it to the election officer, who shall remove the stub, place it on a file string, and deposit the envelope with the ballot card inside in the ballot box. No ballot card from which the stub has been detached shall be accepted by the election official in charge of the ballot box, but it shall be marked "Spoiled" and placed with the spoiled ballot cards.

e. Any voter who spoils his ballot card may return it enclosed in the envelope and secure another. The word "Spoiled" shall be written across the face of the envelope, which shall be placed on the same string with the stubs.

f. As soon as the polls have been closed and the last qualified voter has voted, all unused ballot cards shall be placed in a container and sealed for return to the board of elections. The ballot box shall be opened and any write-in votes counted, unless these votes are to be counted by duly appointed bipartisan tabulating teams at the counting center. Before write-in votes are counted they shall be compared with votes cast on the ballot card for the same office. If the voter has cast more votes for an office than he is entitled to vote for, the vote for that office shall be declared null and void and that vote shall not be counted for that office. Votes cast for duly nominated candidates on the ballot card will not be voided because of an invalid write-in vote, but if otherwise valid shall be counted. The voted ballot cards shall next be placed in the ballot card container for delivery to the
counting center, and the voting devices shall be placed in their containers for returning to the county board of elections.

g. The district board election officers shall prepare a report of the number of voters who have voted, as indicated by the poll list, the number of write-in votes and any other votes counted by the district board and the number of spoiled ballots, and shall place the original copy of this report in the ballot card container for delivery to the counting center, which thereupon shall be sealed so that no additional ballot cards may be deposited or removed. Such container shall be durably constructed so as to be resistant to fire, water and tampering. The duplicate copy of said report shall be returned to the county election board with other records. Two district election board officers who are not members of the same political party shall forthwith deliver the ballot card container to the counting center or other place designated by the county board. The county board may, in its discretion, direct that ballots be delivered to one or more collection points from which points the ballots shall be transported collectively to the counting center by two duly appointed deputies who are not members of the same political party. The district board shall receive a receipt before releasing the ballots to said deputies.

10. Section 8 of P.L.1973, c.82 (C.19:53A-8) is amended to read as follows:

C.19:53A-8 Counting of ballots; testing of equipment.

8. a. Prior to the start of the count of the ballots, each county board of elections shall have the automatic tabulating equipment tested to ascertain that it will accurately count the votes cast for all offices and on all measures. Public notice of the time and place of the test shall be given at least 48 hours prior thereto by publication once in three or more daily or weekly newspapers published in the county or jurisdiction where such equipment is used, if a newspaper is published therein, otherwise in a newspaper of general circulation therein; said newspapers shall be selected so as to give the widest possible notice to the voters of said county and one of said newspapers shall be the newspaper or one of the newspapers in which legal notices of the county are required to be published. The test shall be conducted by processing a preaudited group of ballot cards so punched as to record a predetermined number of valid votes for each candidate and on each measure, and shall include for each office one or more ballots which have votes in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. In such test a different number of valid votes shall be assigned to each candidate for an office, and for and against each measure. If any error is detected, the cause
therefor shall be ascertained and corrected and an errorless count shall be made and certified to by the county board of elections before the count is started. The tabulating equipment shall pass the same test at the conclusion of the count before the election returns are approved as official. On completion of the count, the programs, test materials, and ballot cards arranged by districts shall be sealed and retained as provided for paper ballots.

b. All proceedings at the counting center shall be under the direction of the county board of elections or persons designated by it; there shall always be two persons in charge who shall not be members of the same political party; and all proceedings shall be conducted under the observation of the public, but no persons except those authorized for the purpose shall touch any ballot card or return. All persons who are engaged in processing and counting of the ballots shall be deputized and take an oath that they will faithfully perform their assigned duties. If any ballot card is damaged or defective so that it cannot properly be counted by the automatic tabulating equipment, a true duplicate copy shall be made and substituted for the damaged ballot card. All duplicate ballot cards shall be clearly labeled "duplicate," and shall bear a serial number which shall be recorded on the damaged or defective ballot card. The damaged or defective ballot card as well as the "duplicate" shall be preserved with the other ballot cards. During the count the election officer or board in charge may from time to time release unofficial returns. Upon completion of the count the official returns shall be open to the public.

c. The return of the automatic tabulating equipment, to which have been added the write-in and absentee votes, shall, after being duly certified by the county board of elections, constitute the official return of each election district.

d. If for any reason it becomes impracticable to count all or a part of the ballot cards with tabulating equipment, the county board of elections may direct that they be counted manually, following as far as practicable the provisions governing the counting of paper ballots contained in Title 19 of the Revised Statutes.

11. A vacancy or vacancies in the membership of any district board of elections existing on the effective date of P.L.1996, c.120 may be filled in accordance with the provisions of R.S.19:6-3 as amended by section 3 thereof, but for the unexpired term only.

12. This act shall take effect immediately.

Approved October 31, 1996.

For accounting or privilege periods beginning on or after January 1, 1995, but ending not later than December 31, 2007, the credit allowed under this section shall be 10% of the cost of commuter transportation benefits for the relevant accounting or privilege period, as appropriate, subject to the limitations of subsection b. of this section. Notwithstanding the provisions of this section to the contrary, a taxpayer which filed a certified compliance plan with the Department of Transportation required by section 5 of P.L.1992, c.32 (C.27:26A-5) on or before May 31, 1996, shall be allowed a credit against that tax equal to 15% of the cost of commuter transportation benefits for the accounting or privilege periods ending on and after July 31, 1996 but ending not later than June 30, 1997, for the relevant accounting or privilege period, as appropriate, subject to the limitations of subsection b. of this section. In the case of a taxpayer receiving partnership income, an offset against that income subject to the limitations in paragraph (5) of subsection b. of this section shall be considered the credit.

b. (1) The credit granted a taxpayer for an accounting or privilege period shall not exceed the per employee limit multiplied by the number of employees participating in alternative means of commuting at the work location. The per employee limit shall be $36 for the accounting or privilege periods beginning on and after January 1, 1994 but before January 1, 1995, $72 for the accounting or privilege period beginning on or after January 1, 1995 but before January 1, 1997 and $100 for those periods thereafter. For those periods beginning on or after January 1, 1995, the Director of the Division of Taxation, in the Department of the Treasury, shall adjust the limit, rounded down to the nearest dollar, in proportion to the change in the average consumer price index for all urban consumers in the New York and Northeastern New Jersey and the Philadelphia areas, as reported by the United States Department of Labor, from calendar year 1994 to the calendar year ending immediately before the appropriate period.

(2) The taxpayer may only claim a credit for providing commuter transportation benefits based upon a direct expenditure made after the taxpayer has registered with the Department of Transportation and the taxpayer’s employer trip reduction program has been certified for providing commuter transportation benefits by the Department of Transportation as prescribed in section 3 of P.L.1996, c.121 (C.27:26A-4.3). (3) The amount of the credit allowed under this section for an accounting or privilege period shall not exceed 50% of the tax liability which would be otherwise due for any one of the taxes enumerated in subsection a. of this section after first applying the credits, if any, allowed under any other law and shall not reduce the amount of tax liability to less than the statutory minimum provided in subsection (e) of section 5 of P.L.1945, c.162 (C.54:10A-5), section 3 of P.L.1946, c.174 (C.54:10B-3) or section 3 of P.L.1973, c.31 (C.54:10D-3), as may be applicable.

(4) A taxpayer having liability for more than one of the taxes enumerated in subsection a. of this section for an accounting or privilege period shall allocate the credit amount available for that period to the liabilities for that period in the proportion that each liability bears to the total of the liabilities for that period, and each apportioned amount of credit shall be applied to only one amount of liability.

(5) A partnership shall not be allowed a credit under this section directly. A partnership shall be entitled to reduce total partnership income distributed to the partners and subject to tax under subsection k. of N.J.S.54A:5-1 by the lesser of 71.5 percent of the amount of commuter transportation benefits
provided pursuant to law or $515 for each employee receiving such benefits.
For accounting and privilege periods beginning on or after January 1, 1995,
but ending no later than December 31, 2007, the reduction to partnership
income allowed under this section shall be the lesser of 143 percent of the
cost of commuter transportation benefits provided or $1,030 for each
employee receiving such benefits for the relevant accounting or privilege
period, as appropriate, subject to the limitations of subsection b. of this
section.

c. Each employee who receives money towards commuter transporta-
tion benefits from the employee's employer as an advance, a reimbursement,
or both, shall furnish suitable proof to the employer, in the form of receipts,
ticket stubs or the like, that the employee utilized monies provided by the
employer for an alternative means of commuting, as defined pursuant to
d. For the purposes of verifying eligibility for the credit, the Commis-
sioner of Transportation shall certify to the Director of the Division of Taxation
a list of those employers which have registered with the department
and have a certified voluntary employer trip reduction program. An
employer trip reduction program of an employer who is a member of a
TMA shall be considered certified by the department. "A member of a
TMA" shall be defined in regulations promulgated by the department
pursuant to section 3 of P.L.1996, c.121 (C.27:26A-4.3). The list shall be
provided to the Director of the Division of Taxation within 90 days of
registration.
e. The taxpayer shall file with the department a schedule of the
expenditures for which the taxpayer has claimed a credit pursuant to this
section on any tax return filed with the Director of the Division of Taxation,
in such form and pursuant to such rules as shall be prescribed by the
commissioner in consultation with the Director of the Division of Taxation.

7. Section 1 of P.L.1993, c.108 (C.54A:6-23) is amended to read as
follows:

C.54A:6-23 Commuter transportation benefits not considered gross income.

1. a. For the purposes of the "New Jersey Gross Income Tax Act,"

commuter transportation benefits as defined pursuant to section 3 of
P.L.1992, c.32 (C.27:26A-3), up to and including the limit per taxable year
per employee pursuant to subsection b. of this section. Should an employee
receive commuter transportation benefits in excess of those limits in a
taxable year, only the amount in excess of those limits shall be included in
gross income. If an employee receives money towards commuter transporta-
tion benefits from the employee's employer, as an advance, a reimbursement, or both, the employee shall furnish suitable proof to the employer in the form of receipts, ticket stubs or the like that the employee used the employer provided money for alternative means of commuting as defined pursuant to section 3 of P.L.1992, c.32 (C.27:26A-3).

b. The limit per taxable year per employee shall be $720 for the taxable years beginning on and after January 1, 1993 but before January 1, 1997. The limit per taxable year per employee shall be $1,000 for the taxable years beginning on and after January 1, 1997. For taxable years beginning on or after January 1, 1994, the director shall adjust the limit, rounded down to the nearest $5, in proportion to the change in the average consumer price index for all urban consumers in the New York and Northeastern New Jersey and the Philadelphia areas, as reported by the United States Department of Labor, from calendar year 1993 to the calendar year ending immediately before the taxable year.

c. The exclusion provided by subsection a. of this section shall not apply to any commuter transportation benefit unless such benefit is provided in addition to and not in lieu of any compensation otherwise payable to the employee.

The Commissioner of the Department of Commerce and Economic Development in consultation with the State Treasurer shall negotiate the terms and conditions of any redevelopment agreement on behalf of the State.

b. In negotiating a redevelopment agreement with a developer, the commissioner shall consider the following factors:

(2) the extent of economic and related social distress in the municipality and the area to be affected by the redevelopment project;

(3) the degree to which the redevelopment project will advance State, regional and local development strategies;

(4) the likelihood that the redevelopment project shall upon completion be capable of repaying the closure and remediation costs incurred;

(5) the relationship of the redevelopment project to a comprehensive local development strategy, including other major projects undertaken within the municipality; and

(6) the degree to which the redevelopment project enhances and promotes job creation and economic development.

C.13:1E-116.4 Reimbursement of costs of closure and remediation.

4. a. The provisions of any other law, or rule or regulation adopted pursuant thereto, to the contrary notwithstanding, any developer that enters into a redevelopment agreement pursuant to section 3 of P.L.1996, c.124 (C.13:1E-116.3), may be eligible for reimbursement of 75% of the costs of the closure and remediation of the municipal solid waste landfill pursuant to the provisions of this section upon the commencement of a business operation within a redevelopment project, the sales receipts of which are subject to the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.).

b. To be eligible for reimbursement of 75% of the costs of closure and remediation, a developer shall submit an application, in writing, to the director for review and certification of the reimbursement. The director shall review the request for the reimbursement upon receipt of an application therefor, and shall approve or deny the application for certification on a timely basis.
The director shall certify a developer to be eligible for the reimbursement if the director shall find that:

1. A place of business is located in the area subject to the redevelopment agreement for the purpose of making retail sales;
2. Non-exempt items are regularly exhibited and offered for retail sale at that location;
3. The place of business is not utilized primarily for the purpose of catalogue or mail order sales; and

When filing an application for certification for a reimbursement pursuant to this section, the developer shall submit to the director a certification of the total closure and remediation costs incurred by the developer for the closure and remediation of the municipal solid waste landfill located at the site of the redevelopment project as provided in the redevelopment agreement.

C.13:1E-116.5 Memorandum of agreement to qualify for reimbursement certification.

5. a. b. Under the memorandum of agreement, the developer shall agree to perform and complete any closure activity or remediation as may be required by the Department of Environmental Protection, pursuant to law, to ensure the environmentally sound and proper closure and remediation of the municipal solid waste landfill located at the site of the redevelopment project. Any activity necessary to remediate ground or surface water contamination caused by a municipal solid waste landfill shall be undertaken in compliance with the remediation standards adopted by the Department of Environmental Protection pursuant to P.L.1993, c.139 (C.58:10B-1 et al.).

c. After the developer has entered into a memorandum of agreement with the Commissioner of Environmental Protection, the commissioner shall submit a copy thereof to the developer, the clerk of the municipality in which the municipal solid waste landfill is located, the Commissioner of the Department of Commerce and Economic Development, and the director.

6. a. There is created in the Department of the Treasury a special fund to be known as the Municipal Landfill Closure and Remediation Fund. Moneys in the fund shall be dedicated to the purpose of reimbursing a developer who enters into a redevelopment agreement pursuant to section 3 of P.L.1996, c.124 (C.13:1E-116.3) and is certified for reimbursement pursuant to section 4 of P.L.1996, c.124 (C.13:1E-116.4) in an amount equal to 75% of the closure and remediation costs of the municipal solid waste landfill. A special account within the fund shall be created for each developer upon approval of a certification pursuant to section 4 of P.L.1996, c.124 (C.13:1E-116.4). The Legislature shall annually appropriate the entire balance of the fund for the purposes of reimbursement of closure and remediation costs as provided in section 7 of P.L.1996, c.124 (C.13:1E-116.7).

b. 7. a. The State Treasurer shall reimburse the developer for 75% of the closure and remediation costs of the municipal solid waste landfill from the Municipal Landfill Closure and Remediation Fund upon approval of certification of the reimbursement pursuant to section 4 of P.L.1996, c.124 (C.13:1E-116.4). The developer shall be entitled to periodic payments from the fund in an amount equal to one half of the taxes due and payable pursuant to the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) from any person required to collect the tax at the site of a redevelopment project which is subject to a redevelopment agreement between the developer and the State pursuant to section 3 of P.L.1996, c.124 (C.13:1E-116.3). Payments from the fund shall be made to a developer at the same frequency in which the payments are made to the State from the persons required to collect the tax. Payments to the developer shall be made within 15 days of receipt by the State of the taxes.

b. A developer shall submit to the director updated closure and remediation costs actually incurred by the developer for the closure or remediation of the municipal solid waste landfill located at the site of the redevelopment project as provided in the redevelopment agreement. The
reimbursement authorized pursuant to this section shall continue until such time as the aggregate dollar amount of the reimbursement equals 75% of the dollar amount of the closure and remediation costs actually incurred by the developer, as certified to the director by the developer. To remain entitled to the reimbursement authorized pursuant to this section, the developer shall perform and complete all closure and remediation activities during the closure and post-closure periods as may be required pursuant to the memorandum of agreement entered into with the Commissioner of Environmental Protection pursuant to section 5 of P.L.1996, c.124 (C.13:1E-116.5). The Department of Environmental Protection may review the closure and remediation costs incurred by the developer to determine if they are reasonable.

8. Section 21 of P.L.1983, c.303 (C.52:27H-80) is amended to read as follows:

C.52:27H-80 Tax exemption of 50% for retail sales.

Any vendor, which is a qualified business having a place of business located in a designated enterprise zone, may apply to the Director of the Division of Taxation in the Department of the Treasury for certification pursuant to this section. The director shall certify a vendor if he shall find that the vendor owns or leases and regularly operates a place of business located in the designated enterprise zone for the purpose of making retail sales, that items are regularly exhibited and offered for retail sale at that location, and that the place of business is not utilized primarily for the purpose of catalogue or mail order sales. The certification under this section shall remain in effect during the time the business retains its status as a qualified business meeting the eligibility criteria of section 27 of P.L.1983, c.303 (C.52:27H-86). However, the director may at any time revoke a certification granted pursuant to this section if he shall determine that the vendor no longer complies with the provisions of this section.
Notwithstanding the provisions of this act to the contrary, except as may otherwise be provided by section 7 of P.L.1983, c.303 (C.52:27H-66), the authority may, in its discretion, determine whether or not the provisions of this section shall apply to any enterprise zone designated after the effective date of P.L.1985, c.142 (C.52:27H-66 et al.); provided, however, that the authority may make such a determination only where the authority finds that the award of an exemption of 50 percent of the tax imposed under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.) will not have any adverse economic impact upon any other urban enterprise zone.

Notwithstanding any other provisions of law to the contrary, except as provided in subsection b. of section 6 of P.L.1996, c.124 (C.13:1E-116.6), after first depositing 10 percent of the gross amount of all revenues received from the taxation of retail sales made by certified vendors from business locations in designated enterprise zones to which this exemption shall apply into the account created in the name of the authority in the enterprise zone assistance fund pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88), the remaining 90 percent shall be deposited immediately upon collection by the Department of the Treasury, as follows:

a. In the first five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, all such revenues shall be deposited in the enterprise zone assistance fund created pursuant to section 29 of P.L.1983, c.303 (C.52:27H-88);

b. In the second five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 66 2/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 33 1/3% shall be deposited in the General Fund;

c. In the third five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, 33 1/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 66 2/3% shall be deposited in the General Fund;

d. In the final five-year period during which the State shall have collected reduced rate revenues within an enterprise zone, but not to exceed the life of the enterprise zone, all those revenues shall be deposited in the General Fund.

Commencing on the effective date of P.L.1993, c.144, all revenues in any enterprise zone to which the provisions of this section have been extended prior to the enactment of P.L.1993, c.144 shall be deposited into the enterprise zone assistance fund until there shall have been deposited all revenues into that fund for a total of five full years, as set forth in subsection a. of this section. The State Treasurer then shall proceed to deposit funds into the enterprise zone assistance fund according to the schedule set forth in subsections b. through d. of this section, beginning at the point where the
enterprise zone was located on that schedule on the effective date of P.L.1993, c.144. No enterprise zone shall receive the deposit benefit granted by any one subsection of this section for more than five cumulative years.

The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of P.L.1983, c.303 (C.52:27H-88), subject to annual appropriations being made for those purposes and uses.

9. This act shall take effect immediately.

Approved November 6, 1996.

C.10:543 Short title.
1. Sections 1 through 10 of this act shall be known and may be cited as the "Genetic Privacy Act."

C.10:544 Findings, declarations relative to genetic information.
2. The Legislature finds and declares:
   a. The DNA molecule contains information about an individual's probable medical future. This information is written in a code that is rapidly being broken.
   b. Genetic information is personal information that should not be collected, retained or disclosed without the individual's authorization.
   c. The improper collection, retention or disclosure of genetic information can lead to significant harm to the individual, including stigmatization and discrimination in areas such as employment, education, health care and insurance.
   d. An analysis of an individual's DNA provides information not only about an individual, but also about the individual's parents, siblings and children, thereby impacting family privacy, including reproductive decisions.
   e. Current legal protections for medical information, tissue samples and DNA samples are inadequate to protect genetic privacy.
   f. Laws for the collection, storage and use of identifiable DNA samples and private genetic information obtained from those samples are needed both to protect individual privacy and to permit legitimate genetic research.
   g. Progress in mapping the genes that cause breast cancer and other diseases has far outpaced the development of a legal and ethical context in which genetic information can be properly evaluated.
   h. Effective tests to determine the presence of genes that cause breast cancer and other diseases carry with them the devastating potential for discrimination against carriers of these genes.

3. N.J.S.17B:30-12 is amended to read as follows:

Discrimination prohibited; terms defined.
   a. No person shall discriminate against any person or group of persons because of race, creed, color, national origin or ancestry of such person or group of persons in the issuance, withholding, extension or renewal of any policy of life or health insurance or annuity or in the fixing of the rates, terms or conditions therefor, or in the issuance or acceptance of any application therefor.
   b. No person shall use any form of policy of life or health insurance or contract of annuity which expresses, directly or indirectly, any limitation, or
discrimination as to race, creed, color, national origin or ancestry or any intent to make any such limitation or discrimination.

c. No person shall make or permit any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any policy of life insurance or contract of annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such policy of life insurance or contract of annuity.

d. No person shall make or permit any unfair discrimination between individuals of the same class and of essentially the same hazard in the amount of premium, policy fees, or rates charged for any policy or contract of health insurance or in the benefits payable thereunder, or in any of the terms or conditions of such policy or contract, or in any other manner whatever.

e. (1) No person shall discriminate against any individual on the basis of genetic information or the refusal to submit to a genetic test or make available the results of a genetic test to the person in the issuance, withholding, extension or renewal of any hospital confinement or other supplemental limited benefit insurance, as defined by regulation of the commissioner, or in the fixing of the rates, terms or conditions therefor, or in the issuance or acceptance of any application therefor.

(2) As used in this subsection and subsection f. of this section:

"Genetic characteristic" means any inherited gene or chromosome, or alteration thereof, that is scientifically or medically believed to predispose an individual to a disease, disorder or syndrome, or to be associated with a statistically significant increased risk of development of a disease, disorder or syndrome.

"Genetic information" means the information about genes, gene products or inherited characteristics that may derive from an individual or family member.

"Genetic test" means a test for determining the presence or absence of an inherited genetic characteristic in an individual, including tests of nucleic acids such as DNA, RNA and mitochondrial DNA, chromosomes or proteins in order to identify a predisposing genetic characteristic.

f. No person shall make or permit any unfair discrimination against an individual in the application of the results of a genetic test or genetic information in the issuance, withholding, extension or renewal of a policy of life insurance, including credit life insurance, an annuity, disability income insurance contract or credit accident insurance coverage. If the commissioner has reason to believe that such unfair discrimination has occurred, including that application of the results of a genetic test is not reasonably related to anticipated claim experience, and that a proceeding by the commissioner would be in the interest of the public, the commissioner shall,
in accordance with the provisions of N.J.S.17B:30-1 et seq., issue and serve upon the insurer a statement of the charges. Upon a determination that the practice or act of the insurer is in conflict with the provisions of this subsection, the commissioner shall issue an order requiring the insurer to cease and desist from engaging in the practice or act and may order payment of a penalty consistent with the provisions of N.J.S.17B:30-1 et seq.

If, in the issuance, withholding, extension or renewal of any policy of life insurance, including credit life insurance, an annuity, disability income insurance contract or credit accident insurance coverage, an insurer will use the results of a genetic test in compliance with this subsection, the insurer shall notify the individual who is the subject of the genetic test that such a test shall be required and shall obtain the individual's written informed consent for the test prior to the administration of the test, in accordance with the requirements of P.L.1985, c.179 (C.17:23A-1 et seq.). The insurer shall also provide that the physician or other health care professional designated by the individual shall promptly receive a copy of the results of the test and, if required, an interpretation of the test results by a qualified professional, and that the individual shall state in writing whether the individual elects to be informed of the results of the test.

g. Nothing contained in this section shall be construed to require any agent or company to take or receive the application for insurance or annuity of any person or to issue a policy of insurance or contract of annuity to any person.

4. Section 5 of P.L.1945, c.169 (C.10:5-5) is amended to read as follows:

CHAPTER 129

AN ACT establishing an Educational Technology Teacher Training Program in the Department of Education and supplementing chapter 6 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Educational Technology Teacher Training Act."

C.18A:6-104 Findings, declarations relative to Educational Technology Teacher Training.
2. The Legislature finds and declares that:
   a. In order for all of New Jersey's students to acquire the critical thinking and problem solving skills necessary to become productive citizens in the next century, they will require access to the opportunities provided by modern technology;
   b. It is imperative that teachers understand the potential of technology within the classroom to support curriculum goals and that they become proficient and sophisticated users of those technologies critical to educating New Jersey's students;
   c. Many of this State's teachers ended their training before technology was pervasive within teacher education programs and as a result the most frequently mentioned issue in educational technology has been the need for staff training;
   d. The Education Technology Task Force, formed by the Commission on Business Efficiency in the Public Schools to assist the Legislature and Executive branch in formulating a Statewide educational technology policy, noted in its March, 1996 report, Technology and New Jersey's Schools in the 21st Century, that some school districts have exemplary technology programs and also have developed exemplary staff training programs.
e. The task force also recommended that in order to provide access to technology to teachers in the most efficient manner possible, the State should build upon this expertise by providing grants to school districts with proven histories of success in applying technology to education so that these school districts may share that knowledge with other districts through training programs specifically developed for that purpose; and

f. The New Jersey Department of Education has repeatedly stressed the importance of technology training for educational personnel and in fact in its April, 1993 report, Educational Technology in New Jersey: A Plan for Action, emphasized the critical need for strategies that will provide and support effective staff development models in this regard.

3. The Commissioner of Education shall develop and administer an Educational Technology Teacher Training Program. The purpose of the program shall be to provide grants to local school districts which have successfully integrated technology within their own educational programs to develop and offer educational technology training programs to the teachers and staff of other school districts and to the teachers and staff of non-public schools. The grants shall be allocated to school districts on a competitive basis and the commissioner may, if he deems appropriate, award grants to other appropriate applicants which he feels have the potential to develop and offer high quality educational technology training programs to school staff, including the staff of non-public schools.

C.18A:6-106 "Educational Technology Teacher Training Fund."

4. a. There is established within the Department of Education a fund to be known as the "Educational Technology Teacher Training Fund," hereinafter referred to as the "fund." The fund shall be used to provide grants to school districts or other applicants as approved by the commissioner to develop and administer educational technology training programs for school district staff. The grants shall be provided for a three-year period after which the technology training program shall be supported on a fee-for-service basis, through private sector-school district partnership funding, or both. During the initial three-year period, the grant funding shall be supplemented on a fee-for-service basis to offset costs which may exceed the grant amount.

b. The fund shall annually be credited with money appropriated by the Legislature, any moneys received from corporate donors or other private sector support, and any federal funds which may become available for teacher technology training.

c. Grants provided from the fund shall be used for the development of accessible training sites; costs associated with educational technology
training personnel; the acquisition of equipment necessary for technological training including hardware and software; subscription fees for telecommunications and data base services; and any other purpose approved by the commissioner.

C.18A:6-107 Proposals for training programs; grants; training sites.

5. a. Within 90 days of the effective date of this act, the commissioner shall forward a request for proposals for the establishment of educational technology teacher training programs to local school districts and other appropriate applicants. A local school district or other applicant which wants to participate in the program shall submit a proposal to the commissioner which outlines the district's or applicant's plan to offer educational technology training to teachers and other school staff. The proposal shall include information which outlines the manner in which the technology training program shall become self-supporting at the end of the three-year grant period through a fee-for-service arrangement, private sector support, or some other mechanism as developed by the grant recipient. The proposal shall also include any other information which the commissioner may require.

b. The commissioner shall select grant recipients based on the quality of the proposed educational technology teacher training program. In selecting grant recipients, the commissioner shall consider the leadership and experience of the grant applicant in the effective use of educational technology within the classroom; the location of the proposed training site; and the potential for the training program to operate independently of grant funds at the end of the three-year period.

c. The commissioner shall award grants to support at least 21 teacher training sites in the amount of $200,000 per site. The commissioner shall provide for a phase-in of training sites over the three-year period with at least seven sites established in the first year of the program, seven sites in the second year, and seven sites in the third year. In establishing a schedule for the phase-in of training sites, the commissioner shall ensure that there is an equitable distribution of sites in terms of their geographic location providing at a minimum for the establishment of one training site per county.

d. Each training site shall include:
   (1) program offerings providing basic technology skills;
   (2) program offerings related to word processing, data bases, spreadsheets, and design;
   (3) a minimum of three educational multimedia program offerings;
   (4) a minimum of two telecommunications program offerings; and
(5) program offerings which provide instruction on implementing teaching strategies that support the integration of technology in the classroom.

6. The commissioner shall annually evaluate the effectiveness of the teacher training programs being operated by grant recipients. Three years following the effective date of this act, the commissioner shall report to the Governor and the Legislature on the progress of the Educational Technology Teacher Training Program.

7. The State Board of Education shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the rules and regulations necessary to carry out the provisions of this act.

8. This act shall take effect immediately.

Approved November 20, 1996.

1. Section 2 of P.L.1974, c.49 (C.2A:18-61.1) is amended to read as follows:

C.2A:18-61.1 Grounds for removal of tenants

2. No lessee or tenant or the assigns, under-tenants or legal representatives of such lessee or tenant may be removed by the Superior Court from any house, building, mobile home or land in a mobile home park or tenement leased for residential purposes, other than (1) owner-occupied premises with not more than two rental units or a hotel, motel or other guest house or part thereof rented to a transient guest or seasonal tenant; (2) a

occupied by a member of the immediate family of the owner of that unit,
provided, however, that exception (2) or (3) shall apply only in cases in

a. The person fails to pay rent due and owing under the lease whether

d. The person has continued, after written notice to cease, to substan-
tially violate or breach any of the landlord’s rules and regulations governing
said premises, provided such rules and regulations are reasonable and have
been accepted in writing by the tenant or made a part of the lease at the
beginning of the lease term.
e. The person has continued, after written notice to cease, to substan-
tially violate or breach any of the covenants or agreements contained in the
lease for the premises where a right of reentry is reserved to the landlord in
the lease for a violation of such covenant or agreement, provided that such
covenant or agreement is reasonable and was contained in the lease at the
beginning of the lease term.
f. The person has failed to pay rent after a valid notice to quit and notice
of increase of said rent, provided the increase in rent is not unconscionable
and complies with any and all other laws or municipal ordinances governing
rent increases.
g. The landlord or owner (1) seeks to permanently board up or demolish
the premises because he has been cited by local or State housing inspectors
for substantial violations affecting the health and safety of tenants and it is
economically unfeasible for the owner to eliminate the violations; (2) seeks

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that county and municipal parks in the State are deteriorating due to a lack of proper maintenance, operation, or improvement; that the use and enjoyment of such parks is diminished by their poor condition; that counties and municipalities often do not have the funds to expend for the proper maintenance, operation, or improvement of their parks; that proper maintenance, operation, and improvement helps extend the life of park facilities, thereby reducing the need in some cases for
large public capital expenditures for new park facilities and allowing any savings resulting therefrom to be used for other public purposes; that private businesses located near county or municipal parks have a public service interest as well as a private financial incentive in ensuring that such parks are well cared for; that such businesses often have financial and other resources available to them to devote to such a worthy purpose; that many nonprofit organizations would welcome the opportunity for their members and volunteers to assist counties or municipalities in the maintenance, operation, or improvement of county or municipal parks in a spirit of public service; and that, therefore, it is appropriate to authorize counties and municipalities and private businesses or nonprofit organizations to establish mutually beneficial partnerships in the manner prescribed by this act that will result in county and municipal parks that are better maintained, operated, and improved for the use and enjoyment of the public.

2. Section 2 of P.L. 1992, c. 101 (C.40:12-21) is amended to read as follows:

C.40:12-21 Definitions relative to county, municipal parks.

Any local government unit may enter into an agreement with a business entity or nonprofit organization located within or near the local government unit to provide for the maintenance, operation, or improvement of a park or any portion thereof located within the local government unit, at no cost to the local government unit except as provided pursuant to section 4 of P.L.1992, c.101 (C.40:12-23). No such park maintenance, operation, or improvement agreement may be entered into unless the business entity or nonprofit organization successfully demonstrates to the local government unit that the business entity or nonprofit organization is capable of maintaining, operating, or improving the park according to the agreed upon terms and conditions. A park maintenance, operation, or improvement agreement shall be for such period as may be agreed upon by the local government unit and the business entity or nonprofit organization, and may be terminated by the business entity or nonprofit organization upon at least six months' notice to the local government unit, or by the local government unit at any time without prior notice to the business entity or nonprofit organization, for any reason, including, but not limited to, failure of the participating business entity or nonprofit organization to comply with any term or condition of the park maintenance, operation, or improvement agreement.

C.40:12-26 No liability in civil actions, insurance.

7. a. Except where permitted by the "New Jersey Tort Claims Act," N.J.S.59:1-1 et seq., no local government unit, or any employee or agent thereof, may be held liable in any civil action to any person for any injury or damages that may be caused or sustained by any participating entity, or any employee, agent, contractor, member, or volunteer thereof, during the course, or as a result of maintaining, operating, or improving a park.

CHAPTER 133

AN ACT concerning the civil commitment of certain criminal defendants and amending various sections of Title 2C of the New Jersey Statutes and P.L.1987, c.116.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. N.J.S.2C:4-6 is amended to read as follows:

_Determination of fitness to proceed; effect of finding of unfitness; proceedings if fitness is regained; post-commitment hearing._

2C:4-6. Determination of fitness to proceed; Effect of Finding of Unfitness; Proceedings if Fitness is Regained; Post-Commitment Hearing.

a. When the issue of the defendant's fitness to proceed is raised, the issue shall be determined by the court. If neither the prosecutor nor counsel for the defendant contests the finding of the report filed pursuant to section 2C:4-5, the court may make the determination on the basis of such report. If the finding is contested or if there is no report, the court shall hold a hearing on the issue. If the report is received in evidence upon such hearing, either party shall have the right to summon and examine the psychiatrists who joined in the report and to offer evidence upon the issue.

b. If the court determines that the defendant lacks fitness to proceed, the proceeding against him shall be suspended, except as provided in subsection c. of this section. At this time, the court may commit him to the custody of the Commissioner of Human Services to be placed in an appropriate institution if it is found that the defendant is so dangerous to himself or others as to require institutionalization, or it shall proceed to determine whether placement in an out-patient setting or release is appropriate; provided, however, that no commitment to any institution shall be in excess of such period of time during which it can be determined whether it is substantially probable that the defendant could regain his competence within the foreseeable future.

c. If the defendant has not regained his fitness to proceed within three months, the court shall hold a hearing on the issue of whether the charges against him shall be dismissed with prejudice or held in abeyance.

The hearing shall be held only upon notice to the prosecutor and with an opportunity for the prosecutor to be heard. When the charges are not dismissed, each defendant's case shall be specifically reviewed by the court at six-month intervals upon notice to the prosecutor and with an opportunity for the prosecutor to be heard until an order is made by the court that the defendant stand trial or that the charges be dismissed.

There shall be a presumption that charges against a defendant who is not competent to proceed shall be held in abeyance. The presumption can be overcome only if the court determines, using the factors set forth in this subsection, that continuing the criminal prosecution under the particular circumstances of the case would constitute a constitutionally significant injury to the defendant attributable to undue delay in being brought to trial.

In determining whether the charges shall be held in abeyance or dismissed, the court shall weigh the following factors: the defendant's
CHAPTER 133, LAWS OF 1996

prospects for regaining competency; the period of time during which the defendant has remained incompetent; the nature and extent of the defendant's institutionalization; the nature and gravity of the crimes charged; the effects of delay on the prosecution; the effects of delay on the defendant, including any likelihood of prejudice to the defendant in the trial arising out of the delay; and the public interest in prosecuting the charges.

d. When the court, on its own motion or upon application of the commissioner, his designee or either party, determines after a hearing, if a hearing is requested, that the defendant has regained fitness to proceed, the proceedings shall be resumed.

e. (Deleted by amendment, P.L.1996, c.133).

f. The fact that the defendant is unfit to proceed does not preclude determination of any legal objection to the prosecution which is susceptible of fair determination prior to trial and without the personal participation of the defendant.

2. N.J.S.2C:4-8 is amended to read as follows:

Commitment of a person by reason of insanity.

2C:4-8. Commitment of a Person by Reason of Insanity. a. After acquittal by reason of insanity, the court shall order that the defendant undergo a psychiatric examination by a psychiatrist of the prosecutor's choice. If the examination cannot take place because of the unwillingness of the defendant to participate, the court shall proceed as in section 2C:4-5c. The defendant, pursuant to this section, may also be examined by a psychiatrist of his own choice.

b. The court shall dispose of the defendant in the following manner:

(1) If the court finds that the defendant may be released without danger to the community or himself without supervision, the court shall so release the defendant; or

(2) If the court finds that the defendant may be released without danger to the community or to himself under supervision or under conditions, the court shall so order; or

(3) If the court finds that the defendant cannot be released with or without supervision or conditions without posing a danger to the community or to himself, it shall commit the defendant to a mental health facility approved for this purpose by the Commissioner of Human Services to be treated as a person civilly committed. In all proceedings conducted pursuant to this section and pursuant to section N.J.S.2C:4-6 concerning a defendant who lacks the fitness to proceed, including any periodic review proceeding, the prosecuting attorney shall have the right to appear and be heard. The defendant's continued commitment, under the law governing civil commit-
ment, shall be established by a preponderance of the evidence, during the maximum period of imprisonment that could have been imposed, as an ordinary term of imprisonment, for any charge on which the defendant has been acquitted by reason of insanity. Expiration of that maximum period of imprisonment shall be calculated by crediting the defendant with any time spent in confinement for the charge or charges on which the defendant has been acquitted by reason of insanity.

C. No person committed under this section shall be confined within any penal or correctional institution or any part thereof.

3. N.J.S. 2C:4-9 is amended to read as follows:

Release of persons committed by reason of insanity.

a. If a person has been committed pursuant to section 2C:4-8 or section 2C:4-6 and if the commissioner, or his designee, or the superintendent of the institution to which the person has been committed, is of the view that a person committed to his custody, pursuant to section 2C:4-8 or section 2C:4-6, may be discharged or released on condition without danger to himself or to others, or that he may be transferred to a less restrictive setting for treatment, the commissioner or superintendent shall make application for the discharge or release of such person in a report to the court by which such person was committed and shall transmit a copy of such application and report to the prosecutor, the court, and defense counsel. The court may, in its discretion, appoint at least two qualified psychiatrists, neither of whom may be on the staff of the hospital to which the defendant had been committed, to examine such person and to report within 30 days, or such longer period as the court determines to be necessary for the purpose, their opinion as to his mental condition.

b. The court shall hold a hearing to determine whether the committed person may be safely discharged, released on condition without danger to himself or others, or treated as in civil commitment. The hearing shall be held upon notice to the prosecutor and with the prosecutor's opportunity to be heard. Any such hearing shall be deemed a civil proceeding. According to the determination of the court upon the hearing, the court shall proceed as in section 2C:4-8b. (1), (2) or (3).

c. A committed person may make application for his discharge or release to the court by which he was committed, and the procedure to be followed upon such application shall be the same as that prescribed above in the case of an application by the commissioner.

d. Each defendant's case shall be specifically reviewed as provided by the law governing civil commitment.
4. Section 15 of P.L. 1987, c. 116 (C. 30:4-27.15) is amended to read as follows:

C. 30:4-27.15 Court findings relative to involuntary commitment.

15. a. If the court finds by clear and convincing evidence that the patient needs continued involuntary commitment, it shall issue an order authorizing the involuntary commitment of the patient and shall schedule a subsequent court hearing in the event the patient is not administratively discharged pursuant to section 17 of P.L. 1987, c. 116 (C. 30:4-27.17) prior thereto.

b. If the court finds that the patient does not need continued involuntary commitment, the court shall so order. A patient who is serving a term of incarceration shall be returned to the appropriate State, county or local authority to complete service of the term of incarceration imposed until released in accordance with law, and any other patient shall be discharged by the facility within 48 hours of the court's verbal order or by the end of the next working day, whichever is longer, with a discharge plan prepared pursuant to section 18 of P.L. 1987, c. 116 (C. 30:4-27.18).

(1) The court may discharge the patient subject to conditions, if the court finds that the person does not need involuntary or continued involuntary commitment and the court finds:

(a) that the patient's history indicates a high risk of rehospitalization because of the patient's failure to comply with discharge plans; or

(b) that there is substantial likelihood that by reason of mental illness the patient will be dangerous to himself, others or property if the patient does not receive other appropriate and available services that render involuntary commitment unnecessary.

(2) Conditions imposed pursuant to this section shall include those recommended by the facility and mental health agency staff and developed with the participation of the patient. Conditions imposed on the patient shall be specific and their duration shall not exceed 90 days unless the court determines, in a case in which the Attorney General or a county prosecutor participated, that the conditions should be imposed for a longer period. If the court imposes conditions for a period exceeding six months, the court shall provide for a review hearing on a date the court deems appropriate but in no event later than six months from the date of the order. The review hearing shall be conducted in the manner provided in this section, and the court may impose any order authorized pursuant to this section.

(3) The designated mental health agency staff person shall notify the court if the patient fails to meet the conditions of the discharge plan, and the court shall issue an order directing that the person be taken to a screening service for an assessment. The court shall determine, in conjunction with the findings of a screening service, if the patient needs to be rehospitalized and,
if so, the patient shall be returned to the facility. The court shall hold a hearing within 20 days of the day the patient was returned to the facility to determine if the order of conditional discharge should be vacated.

d. Notwithstanding subsection a. of this section, or any provision of section 16, 17 or 18 of P.L.1987, c.116 (C.30:4-27.16, 30:4-27.17 or 30:4-27.18), no person committed while serving a term of incarceration shall be discharged by the court or administratively discharged prior to the date on which the person's maximum term would have expired had he not been committed. If the person is no longer in need of involuntary commitment, the person shall be returned to the appropriate State, county or local authority to complete service of the term of incarceration imposed until released in accordance with law, and the person shall be given day for day credit for all time during which the person was committed.

e. Notwithstanding subsection a. of this section, or any provision of section 16, 17 or 18 of P.L.1987, c.116 (C.30:4-27.16, 30:4-27.17 or 30:4-27.18), no person committed pursuant to N.J.S.2C:4-8 concerning acquittal of a criminal charge by reason of insanity or pursuant to N.J.S.2C:4-6 concerning lack of mental competence to stand trial shall be discharged by the court or administratively discharged unless the prosecuting attorney in the case receives prior notice and an opportunity to be heard.

5. Section 17 of P.L.1987, c.116 (C.30:4-27.17) is amended to read as follows:

C.30:4-27.17 Discharge determination.

17. a. The treatment team at a short-term care or psychiatric facility or special psychiatric hospital shall, subject to the limitations set forth in subsections b. and c. of this section, administratively discharge a patient from involuntary commitment status if the treatment team determines that the patient no longer needs involuntary commitment. If a discharge plan has not been developed pursuant to section 18 of this act, it shall be developed forthwith.

b. If the patient is confined pursuant to an order entered under section 15 of P.L.1987, c.116 (C.30:4-27.15) in a case in which the Attorney General or a county prosecutor participated, the treatment team shall, no less than 10 days prior to the proposed date of administrative discharge, provide written notice to the committing court and to the person or persons who presented the case for involuntary commitment. If, within five days of receipt of such notice, a person who presented the case for commitment files a request for a hearing on the issue of continuing need for commitment and serves notice of that request, in accordance with the provisions of section 13 of P.L.1987, c.116 (C.30:4-27.13), the treatment team shall delay the
administrative discharge and the court shall schedule a hearing on the issue. The hearing shall be conducted in the manner provided in section 15 of P.L.1987, c.116 (C.30:4-27.15).

c. If the patient is confined pursuant to an order entered under N.J.S.2C:4-8 concerning acquittal of a criminal charge by reason of insanity or under N.J.S.2C:4-6 concerning lack of mental competence to stand trial, the treatment team shall, no less than 10 days prior to the proposed date of administrative discharge, provide written notice to the committing court and to the prosecutor. If, within five days of receipt of such notice, the prosecutor files a request for a hearing on the issue of continuing need for commitment and serves notice of that request, in accordance with the provisions of section 13 of P.L.1987, c.116 (C.30:4-27.13), the treatment team shall delay the administrative discharge and the court shall schedule a hearing on the issue. The hearing shall be conducted in the manner provided in section 15 of P.L.1987, c.116 (C.30:4-27.15).

6. This act shall take effect immediately.

Approved December 5, 1996.

CHAPTER 134

AN ACT concerning certain negotiable instruments, supplementing chapter 3 of Title 12A of the New Jersey Statutes and amending N.J.S.3B:14-58.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Lost, destroyed, or stolen cashier's check, teller's check or certified check.

1. 12A:3-312. Lost, Destroyed, or Stolen Cashier's Check, Teller's Check or Certified Check.

   a. In this section:

      (1) "Check" means a cashier's check, teller's check, or certified check.

      (2) "Claimant" means a person who claims the right to receive the amount of a cashier's check, teller's check, or certified check that was lost, destroyed, or stolen.

      (3) "Declaration of loss" means a written statement, made under penalty of perjury, to the effect that: the declarer lost possession of a check; the declarer is the drawer or payee of the check, in the case of a certified check, or the remitter or payee of the check, in the case of a cashier's check or
teller's check; the loss of possession was not the result of a transfer by the declarer or a lawful seizure; and the declarer cannot reasonably obtain possession of the check because the check was destroyed, its whereabouts cannot be determined, or it is in the wrongful possession of an unknown person or a person that cannot be found or is not amenable to service of process.

(4) "Obligated bank" means the issuer of a cashier's check, teller's check or the acceptor of a certified check.

b. A claimant may assert a claim to the amount of a check by a communication to the obligated bank describing the check with reasonable certainty and requesting payment of the amount of the check, if: the claimant is the drawer or payee of a certified check or the remitter or payee of a cashier's check or a teller's check; the communication contains or is accompanied by a declaration of loss of the claimant with respect to the check; the communication is received at a time and in a manner affording the bank a reasonable time to act on it before the check is paid; and the claimant provides reasonable identification if requested by the obligated bank. Delivery of a declaration of loss is a warranty of the truth of the statements made in the declaration. If a claim is asserted in compliance with this subsection, the following rules apply:

(1) The claim becomes enforceable at the later of the time the claim is asserted, or the 90th day following the date of the check, in the case of a cashier's check or a teller's check, or the 90th day following the date of the acceptance, in the case of a certified check.

(2) Until the claim becomes enforceable, it has no legal effect and the obligated bank may pay the check or, in the case of a teller's check, may permit the drawee to pay the check. Payment to a person entitled to enforce the check discharges all liability of the obligated bank with respect to the check.

(3) If the claim becomes enforceable before the check is presented for payment, the obligated bank is not obliged to pay the check.

(4) When the claim becomes enforceable, the obligated bank becomes obliged to pay the amount of the check to the claimant if payment of the check has not been made to a person entitled to enforce the check. Subject to paragraph (1) of subsection a. of 12A:4-302, payment to the claimant discharges all liability of the obligated bank with respect to the check.

c. If the obligated bank pays the amount of a check to a claimant under paragraph (4) of subsection b. of this section and the check is presented for payment by a person having rights of a holder in due course, the claimant is obliged to refund the payment to the obligated bank if the check is paid, or pay the amount of the check to the person having rights of a holder in due course if the check is dishonored.
d. If a claimant has the right to assert a claim under subsection b. of this section and is also a person entitled to enforce a cashier's check, teller's check, or certified check which is lost, destroyed, or stolen, the claimant may assert rights with respect to the check either under this section or 12A:3-309.

2. N.J.S.3B:14-58 is amended to read as follows:

Deposit in fiduciary's personal account; liability of bank receiving deposit and paying checks.

3B:14-58. Deposit in fiduciary's personal account; liability of bank receiving deposit and paying checks.

a. If a fiduciary makes a deposit in a bank to his personal credit of checks drawn by him upon an account in his own name as fiduciary, or of checks drawn by him upon an account in the name of his principal, if he is empowered to draw thereon, or, except as provided in subsection b. of this section, if he otherwise makes a deposit of funds held by him as fiduciary, the bank receiving the deposit is not bound to inquire whether the fiduciary is committing thereby a breach of his obligation as fiduciary. The bank is authorized to pay the amount of the deposit of any part thereof upon the personal check of the fiduciary without being liable to the principal, unless the bank receives the deposit or pays the check with actual knowledge that the fiduciary is committing a breach of his obligation as fiduciary in making the deposit or in drawing the check, or with knowledge of facts that its action in receiving the deposit of paying the check amounts to bad faith.

b. In the case of an instrument payable to the principal or the fiduciary as fiduciary, the bank has notice of the breach of fiduciary duty if the instrument is deposited to an account other than an account of the fiduciary, as fiduciary, or an account of the principal.

3. This act shall take effect immediately

Approved December 5, 1996.

CHAPTER 135

AN ACT establishing a New Jersey Shade Tree and Community Forestry Program, providing for the issuance of certain license plates dedicated to the support and funding of the program, supplementing Title 13 and chapter 3 of Title 39 of the Revised Statutes and chapter 4 of Title 59 of the New Jersey Statutes, and amending R.S.40:64-14 and P.L.1958, c.41.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.13:1L-17.1 Short title.
1. Sections 1 through 9 of this act shall be known and may be cited as the "New Jersey Shade Tree and Community Forestry Assistance Act."

C.13:1L-17.2 Findings, declarations relative to shade trees, forests in communities.
2. The Legislature finds and declares that shade trees and forests are a necessary and important part of community and urban environments, and are critical to the environmental, social and economic welfare of the State; that the ability of all county and municipal governments to care for and manage their shade trees could be enhanced through technical and financial assistance from a State community forestry program; that local governments have experienced recurring and damaging exposure to litigation due to the drastic decline and poor condition of the State's community tree resource; that properly planned and implemented local community forestry programs can provide the necessary basis for local governments to reduce or eliminate liability associated with local tree care programs and shade tree commissions; and that the viability of county and municipal shade tree commissions is essential to the preservation and enhancement of the State's community tree resource.

The Legislature therefore determines that it is appropriate for the State to encourage, promote and assist in the establishment, retention and enhancement of shade tree and community forestry programs by local governments; and that it is altogether fitting and proper to establish a shade tree and community forest preservation license plate, the revenues from which would be dedicated to the support of a State community forestry program.

C.13:1L-17.3 Definitions relative to community forestry.
3. As used in sections 1 through 9 of this act:
"Commissioner" means the Commissioner of Environmental Protection;
"Community forestry" means the planting, protection, care and management of trees and other related natural resources within a municipality or county;
"Department" means the Department of Environmental Protection;
"Local government" means a municipality, county or other political subdivision of the State, or any agency thereof;
"Shade tree commission" means a municipal body created pursuant to R.S.40:64-1 et seq. or a county body created pursuant to R.S.40:37-1 et seq.; and
"State Forester" means the State Forester designated pursuant to section 17 of P.L.1983, c.324 (C.13:1L-17).

C.13:1L-17.4 "New Jersey Shade Tree and Community Forestry Program" established.

4. There is established in the Division of Parks and Forestry in the Department of Environmental Protection, under the supervision of the State Forester, the "New Jersey Shade Tree and Community Forestry Program," the purposes of which shall be to:
   a. Assist local governments and shade tree commissions in establishing and maintaining community forestry programs and in encouraging persons to engage in appropriate and approved practices with respect to tree management and care;
   b. Advise local governments and shade tree commissions in the development and coordination of policies, programs and activities for the promotion of community forestry;
   c. Provide grants to local governments and shade tree commissions applying for assistance in the development and implementation of a comprehensive community forestry plan approved pursuant to section 7 of P.L.1996, c.135 (C.13:1L-17.7), to the extent monies are appropriated or otherwise made available therefor;
   d. Educate citizens on the importance of trees and forests and their role in the maintenance of a clean and healthy environment;
   e. Provide technical assistance, planning and analysis for projects related to community forestry;
   f. Provide training assistance to local governments and shade tree commissions regarding community forestry issues such as tree diseases, insect programs and tree planting and maintenance; and
   g. Provide volunteer opportunities for the State's citizens and organizations interested in community forestry activities.

C.13:1L-17.5 Community Forestry Council, establishment, membership, powers.

5. a. There is established in the department a Community Forestry Council, which shall consist of 20 members, appointed by the State Forester, all of whom shall be citizens with expertise or interest in trees, forestry, or tree or forest management, maintenance or care. CHAPTER 137

AN ACT concerning bank revolving credit plans and supplementing Title 17 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:3B-29 Findings, declarations relative to bank revolving credit plans.

1. a. The Legislature finds and declares that:
   (1) Interest that can be charged by issuers of bank credit cards may depend on the laws of the state under which a bank is chartered or in which a federally chartered bank has its principal office, or the laws of the state where such bank has a branch office;
   (2) The United States Supreme Court has held, in accordance with the provisions of federal law, that a national bank issuer of a bank credit card can export the rate of interest allowed in its home state to other states, and this holding is now equally applicable to national and state banks;
   (3) There has been significant and expensive litigation concerning the extent to which certain related charges constitute part of the exportable rate of interest, but federal and state courts and the Comptroller of the Currency have taken the expansive view that related charges constitute a part of the exportable rate of interest; and
   (4) Consequently, issuers of bank credit cards have located and continue to locate in states which have the least restrictive laws regarding interest and related charges.

b. Therefore, the Legislature proposes to simplify State law with respect to interest on bank credit cards to make this State as equally attractive as other states for the location of bank credit card operations.

c. Moreover, since the rules applicable to revolving credit plans have been the subject of disputes by courts and regulators; since the New Jersey Department of Banking and Insurance has advised New Jersey-based banks that under State parity law there are no limits on late fees and related charges; and since any retroactive application of restrictions would impose upon New Jersey-based banks a competitive disadvantage, the Legislature proposes to "level the playing field" for New Jersey-based banks and to preclude potentially costly litigation by permitting this act to apply to all revolving credit plans entered into before and after the effective date of this act.

C.17:3B-30 Definitions relative to bank revolving credit plans.

2. As used in this act:
   "Bank" means any state or federally charted bank, savings bank or savings and loan association.
   "Borrower" means any corporation, partnership, association, government or governmental subdivision or agency, trust, individual or other entity.
   "Individual borrower" means a borrower who is a natural person borrowing for personal, household or family purposes.
“Credit device” means any card, check, identification code or other means of identification contemplated by the agreement governing the plan.

“Loans” means cash advances or loans to be paid to or for the account of the borrower.

“Outstanding unpaid indebtedness” means, on any day, an amount not in excess of the total amount of purchases and loans charged to the borrower's account under the plan which is outstanding and unpaid at the end of the day, after adding the aggregate amount of any new purchases and loans charged to the account as of that day and deducting the aggregate amount of any payments and credits applied to that indebtedness as of that day and, if the agreement governing the plan so provides, may include the amount of any periodic interest, interest charges and other charges permitted by this act, including late or delinquency charges, which have accrued in the account and which are unpaid at the end of the day.

“Purchases” means payments for property of whatever nature, real or personal, tangible or intangible, and payments for services, licenses, taxes, official fees, fines, private or governmental obligations, or any other thing of value.

“Revolving credit plan” or “plan” means a plan contemplating the extension of credit under an account governed by an agreement between a bank and a borrower pursuant to which:

(1) the bank permits the borrower, and if the agreement governing the plan so provides, persons acting on behalf of or with authorization from the borrower, from time to time to make purchases or to obtain loans, or both, by use of a credit device;

(2) the amounts of purchases made and loans obtained are charged to the borrower’s account under the plan;

(3) the borrower is required to pay the bank the amounts of all purchases and loans charged to the borrower’s account under the plan, but has the privilege of paying the amounts outstanding from time to time in full or in installments; and

(4) interest may be charged and collected by the bank from time to time on the outstanding unpaid indebtedness under the plan.

C.17:3B-31 Bank permitted to offer credit under revolving credit plan.

3. A bank may, subject to any limitations on lending authority contained in its charter or otherwise imposed by law, and subject to other provisions of this act, offer and extend credit under a revolving credit plan to a borrower and in connection therewith may charge and collect periodic interest, interest charges and other charges permitted by this act and may take such security as collateral in connection therewith as may be acceptable to the bank. Without limitation of the foregoing, credit may be extended
under a revolving credit plan by a bank's acquisition of obligations arising out of the honoring by a merchant, a bank or other financial institution, whether chartered or organized under the laws of this or any other state, the District of Columbia, the United States or any district, territory or possession of the United States, or any foreign country, or a government or governmental subdivision or agency, of a credit device made available to a borrower under a plan, whether directly or indirectly by means of telephone, point of sale terminal, automated teller machine or other electronic or similar device, or through the mails.

C.17:3B-32 Bank permitted to charge, collect periodic interest under revolving credit plan.

4. A bank may charge and collect periodic interest under a revolving credit plan on outstanding unpaid indebtedness in the borrower's account under the plan at such daily, weekly, monthly, annual or other periodic percentage rate or rates as the agreement governing the plan provides or as established in the manner provided in the agreement governing the plan. If the applicable periodic percentage rate under the agreement governing the plan is other than daily, periodic interest may be calculated on an amount not in excess of the average outstanding unpaid indebtedness for the applicable billing period, determined by dividing the total of the amounts of outstanding unpaid indebtedness for each day in the applicable billing period by the number of days in the billing period. If the applicable periodic percentage rate under the agreement governing the plan is monthly, a billing period shall be deemed to be a month or monthly if the last day of each billing period is on the same day of each month or does not vary by more than four days therefrom.

C.17:3B-33 Periodic percentage rate, rates of interest may vary.

5. If the agreement governing the revolving credit plan so provides, the periodic percentage rate or rates of interest under the plan may vary in accordance with a schedule or formula. The periodic percentage rate or rates may vary from time to time as the rate determined in accordance with the schedule or formula varies and the periodic percentage rate or rates, as so varied, may be made applicable to all or any part of the outstanding unpaid indebtedness under the plan on or after the effective date of the variation, including any indebtedness arising out of purchases made or loans obtained prior to the variation in the periodic percentage rate or rates. Without limitation, a permissible schedule or formula hereunder may include provision in the agreement governing the plan for a change in the periodic percentage rate or rates of interest applicable to all or any part of outstanding unpaid indebtedness, whether by variation of the then applicable periodic percentage rate or rates of interest, variation of an index or margin or otherwise, or whether contingent upon the happening of any event or
circumstance specified in the plan, which event or circumstance may include the failure of the borrower to perform in accordance with the terms of the plan.

C.17:3B-34 Additional interest, charges permitted.

6. In addition to or in lieu of interest at a periodic rate or rates as provided pursuant to sections 4 and 5 of this act, a bank may, if the agreement governing the revolving credit plan so provides, charge and collect as interest, in the manner or form as the plan may provide, one or more of the following:

a. A daily, weekly, monthly, annual or other periodic charge in the amount or amounts as the agreement may provide for the privileges made available to the borrower under the plan.

b. A transaction charge or charges in the amount or amounts as the agreement may provide for each separate purchase or loan under the act.

c. A minimum charge for each daily, weekly, monthly, annual or other scheduled billing period under the plan during any portion of which there is an outstanding unpaid indebtedness under the plan.

d. Reasonable fees for services rendered or for reimbursement of expenses incurred in good faith by the bank or its agents in connection with the plan, or other reasonable fees incident to the application for and the opening, administration, and termination of a plan, including, without limitation, commitment, application and processing fees, official fees and taxes, costs incurred by reason of examination of title, inspection, appraisal, recording, mortgage satisfaction or other formal acts necessary or appropriate to the security for the plan, and filing fees.

e. Returned payment charges.

f. Documentary evidence charges.

g. Stop payment fees.

h. Over limit charges.

i. Automated teller machine charges or similar electronic or interchange fees or charges.

j. Any other fee expressly disclosed to the borrower prior to the imposition of the fee.

C.17:3B-35 Imposition of different terms.

7. A bank may, if the agreement governing a revolving credit plan so provides, impose different terms, including without limitation, the terms governing the periodic percentage rate or rates used to calculate interest, the method of computing the outstanding unpaid indebtedness to which the rate or rates are applied, the amounts of other charges and the applicable installment repayment schedule, in respect of indebtedness arising out of purchases and loans made under the plan.
CHAPTER 137, LAWS OF 1996 949

C.17:3B-36 Customary checking charges may be imposed.

8. If credit under a revolving credit plan is offered and extended in connection with a demand deposit account or other transaction account maintained by the borrower with the bank pursuant to an agreement or arrangement whereby the bank agrees to honor checks, drafts or other debits to the account, which if paid would create or increase a negative balance in the account, by making extensions of credit to the borrower under a revolving credit plan, any charges customarily imposed by the bank under the terms governing the demand deposit or other transaction account in the absence of any associated revolving credit plan, including, without limitation, check charges, monthly maintenance charges, checkbook charges, charges for a check drawn on funds in excess of an available line of credit and other similar charges, may continue to be imposed on the account without specific reference thereto or incorporation thereof by reference in the agreement governing the revolving credit plan and the amount of any charge, to the extent the balance in the demand deposit or other transaction account is insufficient to pay the charge, may be charged to the borrower's account under the plan as a loan thereunder and may be included in the outstanding unpaid indebtedness in accordance with the terms of the agreement governing the revolving credit plan.

C.17:3B-37 Omission of monthly installments.

9. A bank may at any time and from time to time unilaterally extend to a borrower under a revolving credit plan the option of omitting one or more monthly installments.

C.17:3B-38 Insurance for borrower requested, required.

10. a. A bank may request but not require an individual borrower to be insured with respect to a revolving credit plan under a life, health, accident, health and accident or other credit or other permissible insurance policy, whether group or individual. If an individual borrower's outstanding unpaid indebtedness under the plan is secured by an interest in real or personal property, a bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to the property, or against liability arising out of the ownership or use of the property, and may finance the premiums for the insurance.

b. In the case of a borrower borrowing under a revolving credit plan for other than personal, household or family purposes, a bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, under a life, health, accident, health and accident or other credit or other permissible insurance policy, whether group or individual. If the borrower's outstanding unpaid indebtedness under the plan is secured by an interest in
real or personal property, the bank may require the borrower to obtain insurance, from an insurer acceptable to the bank, against loss of or damage to the property, or against liability arising out of the ownership or use of the property and may finance the premiums for the insurance.

c. The offer and placement of insurance under this section shall be subject in all respects to the applicable provisions of N.J.A.C.3:1-13.1 or 3:1-13.2, or both.

C.17:3B-39 Imposition of late, delinquency charge.

11. If the agreement governing a revolving credit plan so provides, a bank may impose, as interest, a late or delinquency charge upon any outstanding unpaid installment payments or portions thereof under the plan which are in default, except that: no more than one late or delinquency charge may be imposed with respect to any single installment payment or portion thereof regardless of the period during which it remains in default; and for the purpose only of the preceding proviso, all payments by the borrower shall be deemed to be applied to the satisfaction of installment payments in the order in which they become due. Nothing contained in this section shall limit, restrict or otherwise affect the right of the bank pursuant to section 5 of this act to change the periodic percentage rate or rates of interest applicable to the revolving credit plan between the bank and a borrower upon the occurrence of a delinquency or default or other failure of the borrower to perform in accordance with the terms of the plan.

C.17:3B-40 Default by borrower, attorney's, collection agency's fee.

12. If a borrower defaults under the terms of a plan and the bank refers the borrower's account for collection to an attorney or collection agency, not a regularly salaried employee of the bank, for collection, the bank may, if the agreement governing the revolving credit plan so provides, charge and collect from the borrower a reasonable attorney's or collection agency's fee and, in addition, if the agreement governing the plan so provides, the bank may recover from the borrower all court or other collection costs actually incurred by the bank.

C.17:3B-41 Terms of agreement, amendment.

13. a. A bank may, if the agreement governing a revolving credit plan so provides, at any time, or from time to time, amend the terms of the agreement, including without limitation, the terms governing the periodic percentage rate or rates used to calculate interest, the method of computing the outstanding unpaid indebtedness to which the rate or rates are applied, the amounts of other charges and the applicable installment repayment schedule, in accordance with the further provisions of this section.
b. (1) The bank shall notify each affected borrower of an amendment to the terms of the agreement in the manner set forth in the agreement governing the plan and in compliance with the requirements of the federal "Truth in Lending Act," 15 U.S.C. s.1601 et seq., and regulations promulgated thereunder, if applicable; except that if the amendment has the effect of increasing the periodic interest or interest charges to be paid by the borrower, the bank shall mail or deliver to the borrower, at least 30 days before the effective date of the amendment, a conspicuous written notice which shall clearly describe the amendment and shall also set forth the effective date of the amendment and the pertinent information contemplated by the following provisions of this section.

(2) If the amendment has the effect of increasing the periodic interest or interest charges to be paid by the borrower, the amendment shall, except as otherwise provided for in this section, become effective as to a particular borrower as of the first day of the billing cycle during which the effective date of the amendment occurs or as of any later date, in either case, in accordance with this section and as stipulated in the notice, so long as the borrower does not, within 30 days of the mailing or the delivery of the notice of the amendment, whichever is earlier, furnish written notice to the bank that the borrower does not agree to accept the amendment. The notice from the bank shall include: a statement that, absent the borrower's written notice to the bank, within 30 days of the earlier of the mailing or delivery of the notice of the amendment, that the borrower does not agree to accept the amendment, the proposed amendment will become effective and apply to the borrower and the borrower's account; and the address to which a borrower may send notice of the borrower's election not to accept the amendment. Any borrower who gives timely notice electing not to accept an amendment shall be permitted to pay the outstanding unpaid indebtedness in the borrower's account under the plan in accordance with the terms of the agreement governing the plan without giving effect to the amendment; except that if the borrower does not agree to accept the proposed amendment, the bank may convert the borrower's account to a closed-end credit account on credit terms substantially identical to or more favorable to the borrower than those set forth in the then existing agreement governing the borrower's account and the borrower will continue to be subject to the terms of the existing agreement or the more favorable terms until the borrower's account balance is paid in full. As a condition to the effectiveness of any notice that a borrower does not accept the amendment, the bank may require the borrower to return all credit devices. If after 30 days from mailing or delivery by the bank of a proposed amendment, a borrower uses a credit device to obtain credit under a plan, notwithstanding that the borrower has, prior to the use, given the bank notice that the borrower does
not accept an amendment, the amendment shall be deemed to have been accepted and shall become effective as to the borrower and the borrower's account as of the date that the amendment would have become effective but for the giving of notice by the borrower.

(3) Notwithstanding paragraph (2) of this subsection b., the bank may also amend the agreement governing the plan to require that any amendment shall become effective only if the borrower uses the plan after a date specified in the notice of the proposed amendment which is at least 30 days after the giving of the notice, but which need not be the date the amendment becomes effective, by making a purchase or obtaining a loan or if the borrower indicates to the bank the borrower's express agreement to the amendment. Any such amendment may become effective as to a particular borrower as of the first day of the billing period during which the borrower used the borrower's account or indicated agreement to the amendment. Any borrower who fails to use the borrower's account or to indicate agreement to an amendment shall be permitted to pay the outstanding unpaid indebtedness in the borrower's account under the plan in accordance with the terms of the agreement governing the plan without giving effect to the amendment subject to the right of the bank to convert the borrower's account to a closed-end credit account as provided in paragraph (2) of this subsection b.

c. If the terms of the agreement governing the plan, as originally drawn or as amended pursuant to this section, so provide, any amendment may, on and after the date upon which it becomes effective as to a particular borrower, apply to all then outstanding unpaid indebtedness in the borrower's account under the plan, including any indebtedness which shall have arisen out of purchases made or loans obtained prior to the effective date of the amendment.

d. For purposes of this section, the following shall not be deemed an amendment which has the effect of increasing the interest to be paid by the borrower:

(1) A decrease in the required amount of a periodic installment payment.
(2) A change in the schedule or formula used under a variable rate plan under section 5 of this act so long as the initial interest rate resulting from the change is not an increase.
(3) A change from a daily periodic rate to a periodic rate other than daily or from a periodic rate other than daily to a daily periodic rate under section 4 of this act.

e. The procedure for amendment by a bank of the terms of a plan to which the borrower, other than an individual borrower, is a party may, in lieu of the foregoing provisions of this section, be as the agreement governing the plan may otherwise provide.
C.17:3B-42 Other laws not applicable; exceptions.

14. Any other law of this State limiting the rate or amount of interest, discount, points, finance charges, service charges or other charges which may be charged, taken, collected, received or reserved shall not apply to extensions of credit under a revolving credit plan operated in accordance with this act; except that the periodic percentage rate of interest which may be charged, taken, collected, received or reserved under a revolving credit plan operated in accordance with this act shall not exceed the percentage rate permitted pursuant to N.J.S.2C:21-19.

C.17:3B-43 Nonexclusivity of act.

15. The provisions of this act are not exclusive and a bank may extend credit either pursuant to this act or as otherwise provided by applicable law.

C.17:3B-44 Charges considered interest.

16. Notwithstanding the characterization of certain charges in the act as interest, all charges permitted by this act which may be deemed interest by any rules, regulations or interpretations of the Comptroller of the Currency for purposes of section 85 of "The National Bank Act," 12 U.S.C. s.85, shall be considered interest for purposes of this act.

C.17:3B-45 Laws of State govern revolving credit plan, conditions.

17. A revolving credit plan between a bank and an individual borrower shall be governed by the laws of this State if the plan so provides and the bank has its principal office in this State or makes its loans from a branch or other facility in this State.

C.17:3B-46 Provisions of act may apply to any revolving credit plans.

18. a. A bank may apply the provisions of this act to any of its revolving credit plans.

b. A bank may apply this act to a revolving credit plan entered into prior to the effective date of this act and the act shall govern any limitations on fees and charges assessed under that plan, both before and after the effective date of this act.

c. The Department of Banking and Insurance may request information from any bank which applies this act to a revolving credit plan on the bank's interest rates, fees and charges which are imposed by the bank with respect to its revolving credit plan. A bank shall provide the department with the information requested within 30 days of receipt of the request. The department shall make the information received pursuant to this subsection generally available to residents of the State and any newspapers of general circulation in this State.
d. (1) Any bank which is requested to provide the Department of Banking and Insurance with information pursuant to subsection c. of this section and fails to provide the information to the department within the time period required shall not be precluded from applying this act to its revolving credit plans, but shall be subject to a penalty of up to $25,000 for each revolving credit plan to which this act is applied, which shall be paid to the department within a month of verification by the department that the bank is subject to the provisions of subsection c. of this section.

(2) Any bank which knowingly and with reckless disregard for the truth misstates in the information provided the department, its interest rates, fees or charges shall be assessed by and pay to the department a penalty of not more than $25,000 for each misstatement.

19. This act shall take effect immediately.

Approved December 6, 1996.

CHAPTER 138

AN ACT providing for the maintenance and support of a thorough and efficient system of free public schools and revising parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:7F-1 Short title.

1. This act shall be known and may be cited as the "Comprehensive Educational Improvement and Financing Act of 1996."

C.18A:7F-2 Findings, declarations relative to school funding.

2. a. The Legislature finds and declares that:

(1) The Constitution of the State of New Jersey states that the Legislature shall provide for the maintenance and support of a thorough and efficient system of free public schools for the instruction of all children in the State between the ages of 5 and 18 years.

(2) Although the New Jersey Supreme Court has held that prior school funding laws did not establish a system of public education that was thorough and efficient, the court has consistently held that the Legislature is responsible to substantively define what constitutes a thorough and efficient system of education responsive to that constitutional requirement.
In spite of repeated legislative efforts, the education funding system in New Jersey has permitted disparate spending levels among the many districts without establishing specific educational standards of achievement and the absence of those standards has led to ever-increasing levels of taxation and funding without measurable improvement toward the constitutionally required level of education.

The present system of school budget development, approval, and appeal has resulted in defining a thorough and efficient system of education as the sum of whatever elements an individual district determines and incorporates into its budget.

As the court has acknowledged, equality of spending does not ensure equal academic achievement.

Every child in New Jersey must have an opportunity for an education based on academic standards that meet the constitutional requirement regardless of where the child resides and public funds must be expended to support schools which are thorough and efficient in delivering those educational standards; school districts must in turn be assured the financial support to provide those constitutionally compelled educational standards.

b. The Legislature, therefore, provides and establishes:

1. A definition of a thorough and efficient system of public education which is uniformly applicable to all districts in the State and specifies what must be learned with reference to academic standards that must be achieved by all students.

2. The types of programs and services that will accomplish these goals in a manner that is thorough and efficient.

3. A level of financial support sufficient to provide those programs and services.

4. A funding mechanism to ensure that support.

5. A system which ensures that the expenditure of public funds will be undertaken both with prudence and sound management and with accountability that includes mechanisms for enforcement in the event a district fails to meet the substantive standards established as set forth herein.

As part of the periodic review process for the standards established pursuant to this subsection and subsection a. of this section, the State board and commissioner shall review the portions of districts' local levies which are above the districts' maximum T&E budgets submitted in the intervening years to assess whether elements included in those portions should be incorporated into the revised standards. The Commissioner of Education shall also review the advisory cost benchmarks for the provision of non-

CHAPTER 138, LAWS OF 1996

C.18A:7F-5 Notification of districts of aid payable; budget submissions.

5. a. Biennially, within 30 days following the approval of the Report on the Cost of Providing a Thorough and Efficient Education, the commissioner shall notify each district of the T&E amount, the T&E flexible amount, the T&E range, early childhood program amount, demonstrably effective program amount, instructional supplement amount, and categorical amounts per pupil for the subsequent two fiscal years.

Annually, within two days following the transmittal of the State budget message to the Legislature by the Governor pursuant to section 11 of PL.1944, c.112 (C.52:27B-20), the commissioner shall notify each district of the maximum amount of aid payable to the district in the succeeding school year pursuant to the provisions of this act, and shall notify each district of the district's T&E budget, maximum T&E budget, and minimum permissible T&E budget for the succeeding school year.

Beginning in the 1998-99 school year, unless otherwise specified within this act, aid amounts payable for the budget year shall be based on budget year pupil counts, which shall be projected by the commissioner using data from prior years. Adjustments for the actual pupil counts of the budget year shall be made to State aid amounts payable during the school year succeeding the budget year. Additional amounts payable shall be reflected as revenue and an account receivable for the budget year.

Notwithstanding any other provision of this act to the contrary, each district's State aid payable for the 1997-98 school year, with the exception of transportation and facilities aids pursuant to sections 25, 26, and 27 of this act, shall be based on simulations employing the various formulas and State aid amounts contained in this act using projections based on the October 1995 pupil counts, December 1995 special education census data and October 1995 equalized valuations. Transportation aid shall be calculated based on the provisions of this act using pupil data for the 1996-97 school year and adjusted to reflect the total amount of State aid disbursed in the 1996-97 school year. The commissioner shall prepare a report dated December 19, 1996 reflecting the State aid amounts payable by category for each district and shall submit the report to the Legislature prior to the adoption of this act. The amounts contained in the commissioner's report shall be the final amounts payable and shall not be subsequently adjusted because of changes in pupil counts or equalized valuations. The projected pupil counts and equalized valuations used for the calculation of State aid shall also be used for the calculation of maximum T&E budget, minimum T&E budget, local share, required local share, and spending growth limitation. State aid notification of debt service aid pursuant to section 27 of this act shall include a statement that debt service aid shall be determined in the budget.
Any school district which enrolls students who reside on federal property which were not included in the calculation of core curriculum standards aid for 1997-98 shall have its core curriculum standards aid recalculated for these additional enrollments through the 1997-98 school year using the property value multiplier, income value multiplier, equalized valuation, and district income which were used in the original Statewide calculation of core curriculum standards aid. The additional aid resulting from the recalculations shall be divided by 20 and the product shall be added to each of the remaining core curriculum standards aid payments for the 1997-98 school year. Additionally, the core curriculum standards aid calculation and payment schedule for 1998-99 shall be adjusted for such enrollments arriving after the last school day prior to October 16, 1997.

b. Each district shall have a required local share. For Abbott districts, the required local share for the purpose of determining its estimated minimum equalized tax rate and supplemental core curriculum standards aid shall equal the district’s local share calculated at the middle of the T&E range (T&E amount x WENR, where WENR is the district’s weighted enrollment pursuant to section 13 of this act).

Notwithstanding the above provision, no Abbott district shall raise a general fund tax levy which is less than the prior year general fund tax levy unless the sum of the levy and the other components of the T&E program budget equals or exceeds its maximum T&E budget calculated pursuant to section 13 of this act.

For district factor group A districts, the required local share shall equal the district’s local share calculated at its minimum T&E budget pursuant to section 13 of this act.

For all other districts, the required local share shall equal the lesser of the local share calculated at the district’s minimum T&E budget pursuant to section 13 of this act, or the district’s budgeted local share for the prebudget year.

In order to meet this requirement, each district shall raise a general fund tax levy which, when added to the general fund balance designated for the budget year, miscellaneous local general fund revenues estimated consistent with GAAP to be realized during the budget year, supplemental core curriculum standards aid calculated pursuant to section 17 of this act and stabilization aid and supplemental school tax reduction aid calculated pursuant to section 10 of this act, equals its required local share or, for Abbott districts, the amount required when the calculation of required local share would result in a general fund tax levy which is less than the general fund tax levy of the prebudget year. For 1997-98, the budgeted local share for the prebudget year shall be the district’s general fund tax levy.
For the 1997-98 school year, any tax increase which would be required of an Abbott district or district factor group A district to meet its required local share, after consideration of supplemental core curriculum standards aid, stabilization aid, and supplemental school tax reduction aid shall be fully funded by the State and recorded as supplemental core curriculum standards aid. The commissioner, in consultation with the Commissioner of the Department of Community Affairs and the Director of the Division of Local Government Services in the Department of Community Affairs, shall examine the fiscal ability of the Abbott districts and the district factor group A districts eligible for supplemental core curriculum standards aid to absorb any reduction in such aid and shall make recommendations to the Legislature and the Governor regarding the continuation of supplemental core curriculum standards aid to those districts. In making those recommendations, the commissioner shall consider the ratable base of the municipality or municipalities in which the district is located, the tax burden placed upon the local community due to other required municipal services, and the fiscal ability of the school district to raise its required local share. The commissioner shall not implement any of those recommendations until the recommendations are enacted into law.

No municipal governing body or bodies or board of school estimate, as appropriate, shall certify a general fund tax levy which does not meet the required local share provisions of this section.

c. Annually, on or before March 4, each district board of education shall adopt, and submit to the commissioner for approval, together with such supporting documentation as the commissioner may prescribe, a budget that provides no less than the minimum permissible T&E budget, plus categorical amounts required for a thorough and efficient education as established pursuant to the report, special revenue funds and debt service funds.

d. (1) A district proposing a budget which includes spending which exceeds the maximum T&E budget established pursuant to section 13 of this act shall submit, as appropriate, to the board of school estimate or to the voters of the district at the annual school budget election conducted pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of its net budget does not exceed the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of three percent or the CPI, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expenditures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, and special education costs per pupil in excess of $40,000. The adjustment for special education costs shall equal any increase in the sum of per pupil amounts in excess of $40,000 for the budget year less
the sum of per pupil amounts in excess of $40,000 for the prebudget year indexed by the CPI or three percent, whichever is greater. The adjustment for enrollments shall equal the increase in unweighted resident enrollments between the prebudget year and budget year multiplied by the per pupil general fund tax levy amount for the prebudget year indexed by the CPI or three percent, whichever is greater. The adjustment for capital outlay shall equal any increase between the capital outlay portion of the general fund budget for the budget year less any withdrawals from the capital reserve account and the capital outlay portion of the general fund budget for the prebudget year indexed by the CPI or three percent, whichever is greater. Any district with a capital outlay adjustment to its spending growth limitation shall be restricted from transferring any funds from capital outlay accounts to current expense accounts. The adjustment for capital outlay shall not become part of the prebudget year net budget for purposes of calculating the spending growth limitation of the subsequent year. The adjustment for pupil transportation costs provided pursuant to N.J.S.18A:39-1.1 shall equal the cost of providing such pupil transportation services for the budget year.

(2) A district proposing a budget set at or below the minimum T&E budget established pursuant to section 13 of this act shall submit, as appropriate, to the board of school estimate or to the voters of the district at the annual school budget election conducted pursuant to the provisions of P.L.1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of the net T&E budget shall not exceed the prebudget year net T&E budget or in 1997-98 the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of three percent or the CPI, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expenditures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, and special education costs per pupil in excess of $40,000. The enrollment adjustment shall equal the increase in weighted resident enrollment between the prebudget year and the budget year multiplied by the T&E amount less the T&E flexible amount. The adjustments for special education costs, pupil transportation services, and capital outlay expenditures shall be calculated pursuant to the provisions of paragraph (1) of this subsection.

Notwithstanding the provisions of this paragraph, no district shall raise a net budget which is less than the local share required under the required local share provisions of this act plus the other components of its net budget.

(3) A district proposing a budget set at or below the maximum T&E budget, but including amounts in excess of the minimum T&E budget established pursuant to section 13 of this act, shall submit, as appropriate,
to the board of school estimate or to the voters at the annual school budget election conducted pursuant to the provisions of P.L. 1995, c.278 (C.19:60-1 et seq.), a general fund tax levy which when added to the other components of its net T&E budget does not exceed the prebudget year net T&E budget or in 1997-98 the prebudget year net budget by more than the spending growth limitation calculated as follows: the sum of three percent or the CPI, whichever is greater, multiplied by the prebudget year net budget, and adjustments for changes in enrollment, certain capital outlay expenditures, expenditures for pupil transportation services provided pursuant to N.J.S.18A:39-1.1, and special education costs per pupil in excess of $40,000 per pupil. The enrollment adjustment shall equal the increase in the unweighted resident enrollment between the prebudget year and the budget year multiplied by the prebudget year T&E program budget per pupil indexed by the CPI or three percent, whichever is greater. For the 1997-98 school year, the T&E program budget for the prebudget year shall equal the sum of the general fund tax levy, foundation aid, and transition aid. The adjustment for special education costs, pupil transportation services, and capital outlay expenditures shall be made pursuant to the provisions of paragraph (1) of this subsection.

(4) Any debt service payment made by a school district during the budget year shall not be included in the calculation of the district's spending growth limitation.

(5) For the 1997-98 school year, a district's spending growth limitation shall be increased by the excess of county special services school district tuition over prebudget year county special services school district tuition indexed by the CPI or three percent, whichever is greater.

(6) For the purpose of determining a district's spending growth limitation for the 1997-98 school year, a district may apply to the commissioner to add all or a part of the district's original designated general fund balance for 1996-97 to the spending growth limitation if it can demonstrate through current accounting records and historical trend data that the fund balance will actually be spent in the budget year.

(7) If the use of early childhood program aid for the provision of full-day kindergarten and preschool classes and other early childhood programs and services will cause the district to exceed its spending growth limitation, the district may apply to the commissioner for an adjustment to that limitation.

(8) If an increase in tuition for the budget year charged to a sending district by the receiving district pursuant to the provisions of N.J.S.18A:38-19 would reduce the sending district's per pupil net budget amount below the prior year's per pupil net budget amount in order to comply with the
district's spending growth limitation, the district may apply to the commission­
er for an adjustment to that limitation.

(9) Any district may submit at the annual school budget election a separate proposal or proposals for additional funds, including interpretive statements, specifically identifying the program purposes for which the proposed funds shall be used, to the voters, who may, by voter approval, authorize the raising of an additional general fund tax levy for such purposes. In the case of a district with a board of school estimate, one proposal for the additional spending shall be submitted to the board of school estimate. Any proposal or proposals rejected by the voters shall be submitted to the municipal governing body or bodies for a determination as to the amount, if any, that should be expended notwithstanding voter rejection. The decision of the municipal governing body or bodies or board of school estimate, as appropriate, shall be final and no appeals shall be made to the commissioner.

(10) Notwithstanding any provision of law to the contrary, if a district proposes a budget which exceeds the maximum T&E budget, the following statement shall be published in the legal notice of public hearing on the budget pursuant to N.J.S.18A:22-28, posted at the public hearing held on the budget pursuant to N.J.S.18A:22-29, and printed on the sample ballot required pursuant to section 10 of P.L.1995, c.278 (C.19:60-10):

"Your school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district."

e. (1) Any general fund tax levy rejected by the voters for a proposed budget in excess of the maximum T&E budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination of the amount that should be expended. If the governing body or bodies or board of school estimate, as appropriate, reduce the district's proposed net budget, the district may appeal any of the reductions to the commissioner on the grounds that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall consider enrollment increases or decreases within the district; the history of voter approval or rejection of district budgets; the impact on the local levy; and whether the reductions will impact on the ability of the district to fulfill its contractual obligations. A district may not appeal any reductions on the grounds that the amount is necessary for a thorough and efficient education.
(2) Any general fund tax levy rejected by the voters for a proposed budget at or below the maximum T&E budget shall be submitted to the governing body of each of the municipalities included within the district for determination of the amount that should be expended notwithstanding voter rejection. In the case of a district having a board of school estimate, the general fund tax levy shall be submitted to the board for determination. Any reductions may be appealed to the commissioner on the grounds that the amount is necessary for a thorough and efficient education or that the reductions will negatively impact on the stability of the district given the need for long term planning and budgeting. In considering the appeal, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection.

In the case of a school district in which the proposed budget is below, or after a reduction made by the municipal governing body or board of school estimate is below, the minimum T&E budget calculated pursuant to section 13 of this act, any reductions made by the municipal governing body or board of school estimate shall be automatically reviewed by the commissioner. In reviewing the budget, the commissioner shall also consider the factors outlined in paragraph (1) of this subsection. In addition, the municipal governing body or board of school estimate shall be required to demonstrate clearly to the commissioner that the proposed budget reductions shall not adversely affect the ability of the school district to provide a thorough and efficient education or the stability of the district given the need for long term planning and budgeting.

(3) In lieu of any budget reduction appeal provided for pursuant to paragraphs (1) and (2) of this subsection, the State board may establish pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), an expedited budget review process based on a district's application to the commissioner for an order to restore a budget reduction.

(4) When the voters, municipal governing body or bodies, or the board of school estimate authorize the general fund tax levy, the district shall submit the resulting budget to the commissioner within 15 days of the action of the voters or municipal governing body or bodies, whichever is later, or of the board of school estimate as the case may be.

f. Any district which is not an Abbott district but which was classified as a special needs district under the "Quality Education Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), may appeal any budget reduction made by the municipal governing body or board of school estimate, as appropriate, to the commissioner.

g. The commissioner shall annually review the budget of any district which was classified as a special needs district under the "Quality Education
Act of 1990," P.L.1990, c.52 (C.18A:7D-1 et al.), to determine if any educationally meritorious program or service established through State resources provided as a result of that funding law is proposed to be reduced or eliminated. If the commissioner determines that the program or service is in jeopardy and that a reallocation of resources is possible without jeopardizing other educationally meritorious programs or services, he may require the school board to fund the program or service through a reallocation of resources.

C.18A:7F-6 Approval of budget by commissioner.

6. a. The commissioner shall not approve any budget submitted pursuant to subsection c. of section 5 of this act unless he is satisfied that the district has adequately implemented within the budget the thoroughness and efficiency standards set forth pursuant to section 4 of this act. In those instances in which a district submits a budget set at less than its minimum T&E budget, the commissioner may, when he deems it necessary to ensure implementation of standards, direct additional expenditures, in specific accounts and for specific purposes, up to the district's T&E budget. A district which submits a budget set at less than its minimum T&E budget and which fails to meet core curriculum content standards in any school year shall be required to increase expenditures so as to meet at least the minimum T&E budget within the next two budget years. In those instances in which a district submits a budget at or above its minimum T&E budget, the commissioner may likewise, when he deems it necessary to ensure implementation of standards, direct additional expenditures, in specific accounts and for specific purposes, up to the T&E budget. In all cases, including those instances in which a district submits a budget above its T&E budget, the commissioner may direct such budgetary reallocations and programmatic adjustments, or take such other measures, as he deems necessary to ensure implementation of the required thoroughness and efficiency standards.

b. In addition, whenever the commissioner determines, through the results of Statewide assessments conducted pursuant to law and regulation, or during the course of an evaluation of school performance conducted pursuant to section 10 of P.L.1975, c.212 (C.18A:7A-10), that a district, or one or more schools within the district, is failing to achieve the core curriculum content standards, the commissioner may summarily take such action as he deems necessary and appropriate, including but not limited to:

(1) directing the restructuring of curriculum or programs;
(2) directing staff retraining or reassignment;
(3) conducting a comprehensive budget evaluation;
(4) redirecting expenditures;
(5) enforcing spending at the full per pupil T&E amount; and
(6) notwithstanding any provisions of the "New Jersey Employer-Employee Relations Act," P.L.1941, c.100 (C.34:13A-1 et seq.), to the contrary, reviewing the terms of future collective bargaining agreements.

For the purpose of evaluating a district’s results on Statewide assessments pursuant to this subsection, the commissioner shall limit the use of these actions to those instances in which a school in a district has experienced at least three consecutive years of failing test scores.

The commissioner shall report any action taken under this subsection to the State board within 30 days. A board of education may appeal a determination that the district is failing to achieve the core curriculum content standards and any action of the commissioner to the State board.

Nothing in this section shall be construed to limit such general or specific powers as are elsewhere conferred upon the commissioner pursuant to law.

Nothing in this act shall be deemed to restrict or limit any rights established pursuant to the "New Jersey Employer-Employee Relations Act." P.L.1941, c.100 (C.34:13A-1 et seq.), nor shall the commissioner’s powers under this act be construed to permit the commissioner to restrict, limit, interfere with, participate, or be directly involved in collective negotiations, contract administration, or processing of grievances, or in relation to any terms and conditions of employment. This provision shall apply to a State-operated school district only after the terms and conditions of a contract have been finalized.

c. Each Abbott district shall submit its proposed budget for the next school year to the commissioner seven days prior to the submission date for all other school district budgets. The review of the budget shall include, but not be limited to, an assessment of efforts to reduce class sizes, increase the breadth of program offerings, and direct funds into the classroom. If the commissioner determines during the review of an Abbott district budget that funds are not appropriately directed so that students in the districts are provided the educational opportunity to meet the core curriculum content standards, the commissioner shall direct the reallocation of funds within the budget. The commissioner shall approve any transfer of funds from instructional accounts to non-instructional accounts. In addition, if the commissioner directs the reallocation of funds from or between instructional accounts or from or between non-instructional accounts in the proposed budget, the district shall not transfer any funds to or from those accounts that were subject to reallocation without the prior approval of the commissioner. The commissioner shall, for any Abbott district, when he deems it necessary to ensure implementation of the thoroughness standards, direct additional expenditures above the T&E budget in specific accounts and for
specific purposes, up to the maximum T&E budget without approval of the local voters or board of school estimate, as applicable.

d. In addition to the audit required of school districts pursuant to N.J.S.18A:23-1, the accounts and financial transactions of any school district in which the State aid equals 80% or more of its net budget for the budget year shall be directly audited by the Office of the State Auditor on an annual basis.

e. Notwithstanding any provision of law to the contrary, in the review of a school district's budget pursuant to subsection c. or e. of section 5 of this act, the commissioner shall not eliminate, reduce, or reallocate funds contained within the budget for pupil transportation services provided pursuant to N.J.S.18A:39-1.1 nor require the district to eliminate these funds from the base budget and to submit a separate proposal to the voters or board of school estimate pursuant to paragraph (9) of subsection d. of section 5 of this act for the inclusion of the funds within the proposed budget. The decision to provide such pupil transportation services shall be made by the board of education of the school district. In the case of a school budget that is defeated by the voters or a budget that is not approved by the board of school estimate, that decision shall be made in consultation with the municipal governing board or board of school estimate, as appropriate, or, in the case of a regional district, the municipal governing bodies.

C.18A:7F-7 Undesignated general fund balances, use, limits.

7. a. If the amount of the budgeted general fund for the prebudget year is $100 million or less, an undesignated general fund balance in excess of 6% of that amount or $75,000, whichever is greater, shall be appropriated by a school district or county vocational school district for the purpose of the budget prepared pursuant to section 5 of this act. If the amount of the budgeted general fund for the prebudget year exceeds $100 million, an undesignated general fund balance in excess of 6% of the first $100 million and in excess of 3% of the amount which exceeds $100 million shall be appropriated by a school district or county vocational school district for the purpose of the budget prepared pursuant to section 5 of this act.

b. Notwithstanding the provisions of subsection a. of this section, if the district has a formal plan to expand, renovate or construct school facilities, join a distance learning network, or make a major replacement or acquisition of instructional equipment within the subsequent five years, the district may, with the approval of the commissioner, transfer the excess undesignated general fund balance to the capital reserve account established pursuant to N.J.S.18A:21-3 for that purpose.

c. If it is determined that the undesignated general fund balances at December 31, 1996 or June 30 of any school year exceed those permitted
of this section, the excess undesignated general fund balances shall be reserved and designated in the subsequent year's budget submitted to the commissioner pursuant to subsection c. of section 5 of this act.

d. The commissioner may withhold State aid in an amount not to exceed the excess undesignated general fund balances for failure to comply with subsection c. of this section.

C.18A:7F-8 Payments to school district by State Treasurer, dates.

8. The amounts payable to each school district and county vocational school district pursuant to this act shall be paid by the State Treasurer upon the certification of the commissioner and warrant of the Director of the Division of Budget and Accounting. Five percent of the appropriation for core curriculum standards aid, supplemental core curriculum standards aid, special education, transportation, early childhood programs, demonstrably effective programs, instructional supplement, bilingual, county vocational education program, distance learning network, and other aid pursuant to this act shall be paid on the first and fifteenth of each month from September through June. If a local board of education requires funds prior to the first payment, the board shall file a written request with the commissioner stating the need for the funds. The commissioner shall review each request and forward for payment those for which need has been demonstrated.

Facilities funds shall be paid as required to meet due dates for payment of principal and interest. Each school district, county vocational school district, and county special services school district shall file an annual report regarding facilities payments to the commissioner. The report shall include the amount of interest bearing school debt, if any, of the municipality or district then remaining unpaid, together with the date or dates upon which they fall due. In the case of a Type I school district, the board secretary shall secure the schedule of outstanding obligations from the clerk of the municipality.

C.18A:7F-9 Receipt of State aid by school district; conditions.

9. In order to receive any State aid pursuant to this act, a school district, county vocational school district, or county special services school district shall comply with the rules and standards for the equalization of opportunity which have been or may hereafter be prescribed by law or formulated by the commissioner pursuant to law, including those implementing this act or related to the core curriculum content standards required by this act, and shall further comply with any directive issued by the commissioner pursuant to section 6 of this act. The commissioner is hereby authorized to withhold all or part of a district's State aid for failure to comply with any rule,
standard or directive. No State aid shall be paid to any district which has not provided public school facilities for at least 180 days during the preceding school year, but the commissioner, for good cause shown, may remit the penalty.

C.18A:7F-10 Stabilization aid per district; calculation.

1. a. Notwithstanding any other provision of this act to the contrary, the total stabilized aid for each district shall not be increased by more than the district's stabilization aid growth limit. In the event that total stabilized aid exceeds the prebudget year total by a rate greater than the stabilization aid growth limit, the commissioner shall adjust the components of total stabilized aid so that they total exactly the prebudget year total increased by the stabilization aid growth limit. For the 1997-98 school year, the prebudget year total shall include foundation aid, transition aid, categorical aids for special education, bilingual education and county vocational education, and transportation aid paid for the 1996-97 school year. For the 1998-99 school year and thereafter, the prebudget year total shall be the total for the same aid categories as included in total stabilized aid plus any stabilization aid the district has received pursuant to subsection b. of this section, as paid in the prebudget years. For the 1997-98 and 1998-99 school years, total stabilized aid shall include core curriculum standards aid, categorical aids for special education programs, bilingual education programs, and county vocational programs, transportation aid, and aid for adult and postsecondary programs calculated pursuant to sections 15, 19, 20, 21, 25, and 28 of this act. For the 1999-2000 school year and thereafter, total stabilized aid shall include core curriculum standards aid, supplemental core curriculum standards aid, distance learning network aid, categorical aids for special education programs, bilingual education programs, county vocational programs, early childhood program aid, demonstrably effective program aid, instructional supplement aid, transportation aid, aid for adult and postsecondary programs, and academic achievement rewards calculated pursuant to sections 15 through 22, 25, 28 and 29 of this act.

Notwithstanding any provision of this section to the contrary, the commissioner shall ensure that for any district with a stabilization reduction in 1997-98 that by the 1999-2000 school year and thereafter, the total stabilized aid for each school district reflects the actual pupil counts of the district.

b. Notwithstanding any other provision of this act to the contrary, the total of a district's stabilization aid, core curriculum standards aid, supplemental core curriculum standards aid, distance learning network aid, categorical aids for special education programs, bilingual education programs, county vocational programs, early childhood program aid,
demonstrably effective program aid, transportation aid, aid for adult and postsecondary programs, and academic achievement rewards calculated pursuant to subsection a. of this section and sections 15 through 17, subsection a. of section 18, 19 through 22, 25, 28 and 29 of this act, shall not be decreased by more than 10% below the amounts paid for these categories in the prebudget year. In the event that the sum of the formula entitlements calculated pursuant to those sections is less than 90% of the prebudget total, stabilization aid shall be paid in the amount of the difference between 90% of the prebudget year total and the sum of those entitlements. For the 1997-98 school year, the prebudget year total shall include foundation aid, transition aid, aid for at-risk pupils, technology aid and categorical aids for special education, bilingual education and county vocational education, and transportation aid.

b. For the 1997-98 school year, supplemental stabilization aid shall be paid to any district in which:
   1) the total aid payable for the categories listed in subsection b. of this section is less than the prebudget year total for the same aids; and
   2) resident enrollment projected for October 1997 exceeds 99 percent of the resident enrollment for October 1991 or resident enrollment projected for October 1997 is less than resident enrollment for October 1991 by 35 or fewer pupils or the prebudget year equalized tax rate exceeded the Statewide average equalized school tax rate by 10% or more.

An eligible district shall be aided in the amount of its total aid decline, after offset by any stabilization aid provided pursuant to subsection b. of this section, or $4,000,000, whichever is less. The commissioner, in consultation with the Commissioner of the Department of Community Affairs and the Director of the Division of Local Government Services in the Department of Community Affairs, shall examine the fiscal ability of districts eligible for supplemental stabilization aid to absorb aid losses and shall make recommendations to the Legislature and the Governor regarding the continuation of supplemental stabilization aid. The commissioner shall not implement any of those recommendations until the recommendations are enacted into law.

c. For the 1997-98 school year, supplemental stabilization aid shall be paid to any district in which:
   1) the total aid payable for the categories listed in subsection b. of this section is less than the prebudget year total for the same aids; and
   2) resident enrollment projected for October 1997 exceeds 99 percent of the resident enrollment for October 1991 or resident enrollment projected for October 1997 is less than resident enrollment for October 1991 by 35 or fewer pupils or the prebudget year equalized tax rate exceeded the Statewide average equalized school tax rate by 10% or more.

An eligible district shall be aided in the amount of its total aid decline, after offset by any stabilization aid provided pursuant to subsection b. of this section, or $4,000,000, whichever is less. The commissioner, in consultation with the Commissioner of the Department of Community Affairs and the Director of the Division of Local Government Services in the Department of Community Affairs, shall examine the fiscal ability of districts eligible for supplemental stabilization aid to absorb aid losses and shall make recommendations to the Legislature and the Governor regarding the continuation of supplemental stabilization aid. The commissioner shall not implement any of those recommendations until the recommendations are enacted into law.

d. Additional supplemental stabilization aid of $500,000 per district shall be disbursed to any district which meets all of the following criteria:
   1) the district's projected resident enrollment for the 1997-98 school year exceeds 10,000 pupils;
   2) the district's 1996-97 net budget is less than the sum of its maximum T&E budget calculated pursuant to section 13 of this act and early childhood program aid, demonstrably effective program aid, instructional supplement aid, transportation aid, and categorical program aid received pursuant to sections 19 through 22, 28, and 29 of this act;
(3) the district's total aid payable for the categories listed in subsection b. of this section exceeds the prebudget year total for the same aids by no more than 10%;

(4) the district's original State aid notice for 1996-97 was not reduced pursuant to P.L.1995, c.236 (C.18A:7E-6 et seq.);

(5) the district's core curriculum standards aid as a percentage of its T&E budget is less than 50%; and

(6) the district was certified as of November 30, 1996.

e. For the 1997-98 school year, each district which had pupils placed in a county special services school district on October 15, 1995 shall receive additional supplemental stabilization aid as follows:

(1) when the sum of the district's total aid payable for the categories listed in subsection b. of this section, aid payable pursuant to subsections c. and d. of this section, and aid payable pursuant to subsection c. of section 18 of this act exceeds the prebudget year total for the same aids pursuant to subsection b. of this section, the district shall receive an amount equal to the excess of the State aid generated by such placements in the county special services school district in 1996-97 over the excess calculated pursuant to this paragraph; or

(2) when the district's prebudget year aid pursuant to subsection b. of this section equals or exceeds the sum of the total aid payable for the categories listed in subsection b. of this section, aid payable pursuant to subsections c. and d. of this section, and aid payable pursuant to subsection c. of section 18 of this act, the district shall receive an amount equal to the State aid generated by such placements in the county special services school district in 1996-97.

f. Supplemental school tax reduction aid shall be paid to any district which meets the following criteria:

(1) the district's 1996-97 net budget per pupil is less than 115% of the State average net budget per pupil;

(2) the district's 1996-97 equalized tax rate of the general fund is greater than 130% of the Statewide average equalized school tax rate;

(3) the district does not receive any supplemental core curriculum standards aid; and

(4) the district is not included within the Department of Education's district factor groups I or J based on the 1990 federal census data.

Each district which is determined to be eligible to receive aid pursuant to this subsection shall receive aid according to the following formula:

\[ .75 \times (\text{ESTR} - 1.30 \times \text{STESTR}) \times \text{EVAL} \]

where

ESTR is the district's equalized tax rate of the general fund for the 1996-97 school year;
STESTR is the Statewide average equalized school tax rate for the 1996-97 school year; and
EVAL is the district October 1995 equalized valuation.
No district shall receive more than $300,000 pursuant to this subsection.
g. Additional supplemental stabilization aid shall be paid to any district which is located in a municipality which has a population composed of more than 45% senior citizens age 65 or older according to the most recent federal decennial census. The aid shall equal $200 multiplied by the district's resident enrollment projected for October 1997.
h. Any stabilization aid, supplemental stabilization aid, and supplemental school tax reduction aid paid pursuant to this section shall be applied toward the required local share of the school district or county vocational school district which receives the aid.

11. The State's core curriculum standards aid contribution for the 1997-98 school year shall be $2,620,200,000. In subsequent years, the State's core curriculum standards aid contribution shall be the total Statewide core curriculum standards aid calculated pursuant to section 15 of this act for the prebudget year and prior to the application of section 10 indexed by the sum of 1.0, the CPI, and the State average enrollment growth percentage between the prebudget year and the budget year as projected by the commissioner.

C.18A:7F-12 Establishment of basic per pupil T&E amount.
12. The commissioner shall establish, based on the standards issued pursuant to section 4 of this act, a basic per pupil T&E amount, and shall develop appropriate weights reflecting the differing costs of providing education at the kindergarten, elementary school, middle school, and high school levels, which weights shall be applied in determining a district's T&E budget as set forth in section 13 of this act. The T&E amount for the 1997-1998 school year shall be $6,720, which shall be adjusted for inflation by the CPI for the 1998-1999 school year. The weights for kindergarten, elementary (grades 1-5), middle (grades 6-8), and high school (grades 9-12) levels for the 1997-98 school year shall be 0.5, 1.0, 1.12 and 1.20 respectively. In subsequent years, the T&E amount and the school level weights shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education, with the T&E amount adjusted for inflation by the CPI in the second year to which the report applies.

For the 1997-98 school year, the T&E flexible amount shall be $336, and the T&E range shall be from $6,384 to $7,056. These figures shall be adjusted by the CPI for the 1998-99 school year. In subsequent years, the T&E range shall be established biennially in the Report on the Cost of
Providing a Thorough and Efficient Education, with the T&E range adjusted for inflation by the CPI in the second year to which the report applies.

13. a. The weighted enrollment for each school district and each county vocational school district shall be calculated as follows:

\[ WENR = PW \times PENR + EW \times EENR + MW \times MENR + HW \times HENR \]

where

- \( PW \) is the T&E weight for kindergarten enrollment;
- \( EW \) is the T&E weight for elementary enrollment;
- \( MW \) is the T&E weight for middle school enrollment;
- \( HW \) is the T&E weight for high school enrollment;
- \( PENR \) is the resident enrollment for kindergarten;
- \( EENR \) is the resident enrollment for grades 1-5;
- \( MENR \) is the resident enrollment for grades 6-8; and
- \( HENR \) is the resident enrollment for grades 9-12.

For the purposes of this section, ungraded pupils shall be counted in their age-equivalent grade.

b. The maximum T&E budget for each school district and each county vocational school district shall be calculated as follows:

\[ \text{MAXBUD} = (TE + FL) \times WENR \]

where

- \( TE \) is the T&E amount; and
- \( FL \) is the T&E flexible amount.

c. The minimum T&E budget for each school district and each county vocational school district shall be calculated as follows:

\[ \text{MINBUD} = (TE - FL) \times WENR \]

except in the case of Abbott districts, in which the minimum T&E budget shall equal the maximum T&E budget as calculated pursuant to subsection b. of this section

where

- \( TE \) is the T&E amount;
- \( FL \) is the T&E flexible amount; and
- \( WENR \) is the district's weighted enrollment.

d. The T&E budget for each school district and each county vocational school district shall be calculated for 1997-98 as follows:

\[ \text{TEBUD} = \text{PBNB} \times (1 + \text{CPI}) - (\text{CAT} + \text{DEP} + \text{ECP} + \text{IS}) \]

provided that \( \text{TEBUD} \) shall be neither less than \( \text{MINBUD} \) nor greater than \( \text{MAXBUD} \) and where

- \( \text{PBNB} \) is the district's prebudget year net budget;
- \( \text{CAT} \) is the sum of aids calculated in accordance with sections 19, 20, 21, 22, 25, 28 and 29 of this act;
- \( \text{DEP} \) is the aid calculated in accordance with section 18 of this act;
ECP is the aid calculated in accordance with section 16 of this act; and
IS is the aid calculated in accordance with section 18 of this act.

In subsequent years, the T&E budget shall be calculated as follows:

\[ TEBUD = (WENR \times PBNB/PBWENR) \times (1 + CPI) - (CAT + DEP + ECP + IS); \]

provided that CPI shall not be less than .03 and
provided that TEBUD shall be neither less than MINBUD nor greater than MAXBUD and where

- PBNB is the district's pre-budget year net T&E budget;
- CAT is the sum of aids payable in accordance with sections 19, 20, 21, 22, 25, 28 and 29 of this act;
- DEP is the aid payable in accordance with section 18 of this act;
- ECP is the aid payable in accordance with section 16 of this act; and
- IS is the aid payable in accordance with section 18 of this act;
- WENR is the district's weighted enrollment; and
- PBWENR is the district's weighted enrollment for the pre-budget year.

C.18A:7F-14 Calculation of local share for core curriculum standards aid.

14. Each school district and each county vocational school district shall receive core curriculum standards aid predicated on a local share determined by district property wealth and district income.

a. Each district's local share shall be calculated as follows:

\[ LSHARE = \frac{TEBUD}{LSBASE} \times \frac{(WRT \times EQVAL + IRT \times INC)}{2} \]

where

- TEBUD is the T&E budget as determined pursuant to subsection d. of section 13 of this act;
- LSBASE = (TE - FL) \times WENR;
- WRT is the Statewide property value multiplier determined pursuant to subsection c. of this section;
- IRT is the Statewide income multiplier determined pursuant to subsection c. of this section;
- EQVAL is the district's pre-budget year equalized valuation; and
- INC is the district's income.

b. The local share for each county vocational school district shall be calculated as follows:

\[ LSHARE = \frac{COSHARE}{COTEBUD} \times TEBUD \]

where

- COLSHARE is the sum of the local shares for all school districts in the county calculated pursuant to subsection a. of this section;
- COTEBUD is the sum of the T&E budgets for all school districts in the county calculated pursuant to subsection d. of section 13 of this act; and
TEBUD is the county vocational district's T&E budget calculated pursuant to subsection d. of section 13 of this act.

c. The values for the property value multiplier and the income multiplier shall be annually determined by the commissioner as follows:

The property value multiplier shall be determined such that core curriculum standards aid equals the Statewide available core curriculum standards aid for all districts determined according to this act, had each school district's and county vocational school district's local share equaled the product of the property value multiplier and the district's equalized valuation, and had each district's general fund levies equaled its local share.

The income multiplier shall be determined such that core curriculum standards aid equals the Statewide available core curriculum standards aid for all districts determined according to this act, had each school district's and county vocational school district's local share equaled the product of the income multiplier and the district's income, and had each district's general fund levies equaled its local share.

In the event that these multipliers, when used in accordance with the provisions of this section and assuming that each district's general fund levy is equal to its local share, do not result in core curriculum standards aid for all districts equal to the Statewide available core curriculum standards aid, the commissioner shall adjust these multipliers appropriately, giving equal weight to each.

15. Each district's core curriculum standards aid shall be calculated as follows:

\[
\text{CCSAID} = \text{TEBUD} - \text{LSHARE}
\]

provided that CCSAID shall not be less than zero; and

where

- \( \text{LSHARE} \) is the district's local share calculated pursuant to section 14 of this act; and
- \( \text{TEBUD} \) is the district's T&E budget calculated pursuant to subsection d. of section 13 of this act.

Each district's core curriculum standards aid for general fund expenses shall be expended to provide a thorough and efficient system of education consistent with the standards established pursuant to section 4 of this act.

A school district may make an appeal to the commissioner on the amount of its core curriculum standards aid on the basis that the calculation of income within the local share formula under section 14 of this act does not accurately reflect the district's income wealth.

16. Early childhood program aid shall be distributed to all school districts with high concentrations of low-income pupils, for the purpose of providing full-day kindergarten and preschool classes and other early childhood programs and services.

For districts in which the concentration of low income pupils is equal to or greater than 20% and less than 40%, aid shall be distributed according to the following formula:

\[ \text{Aid} = A1 \times \text{Modified District Enrollment} \]

For districts in which the concentration of low income pupils is equal to or greater than 40%, aid shall be distributed according to the following formula for the purpose of expanding instructional services previously specified to three year olds, or of providing, in addition to the instructional services previously specified, transition and social services to primary grade students:

\[ \text{Aid} = A2 \times \text{Modified District Enrollment} \]

where

- \( A1 = $465 \); and
- \( A2 = $750 \).

For the 1998-1999 school year, the per pupil funding amounts shall be these amounts multiplied by the CPI. For subsequent years, the amounts shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education and shall be derived from cost analyses of appropriate programmatic applications of these funds as identified in the report. The amounts shall be adjusted for inflation by the CPI in the second year of the period to which the report applies.

County vocational school districts and limited purpose regional high school districts meeting the eligibility criteria of this section shall receive aid payable under this section as demonstrably effective program aid in addition to amounts received pursuant to section 18 of this act.

Each district which receives early childhood program aid shall submit to the commissioner for approval an operational plan that shall be a subset of the district's comprehensive strategic plan, to establish preschool and full-day kindergarten for all four and five year olds by the 2001-2002 school year and to maintain them thereafter. Districts shall appropriate the aid in a special revenue fund for expenditure, but may place all or a portion of the aid in a capital reserve account during the first four years to establish facilities for these purposes. During the first four school years following enactment of this act, districts may use early childhood program aid for educationally meritorious programs or for the purpose of constructing new school facilities or enlarging existing school facilities for use by pupils other than
those enrolled in early childhood programs, provided the new or enlarged facilities are used for and are adequate to house the planned early childhood programs. Districts which maintain progress consistent with the implementation plan may also use the funds for demonstrably effective programs pursuant to section 18 prior to establishing the programs required pursuant to this section. The commissioner shall establish guidelines to track the specific purposes of expenditures under this section.

C.18A:7F-17 Criteria for eligibility for supplemental core curriculum standards aid.

17. a. Each school district and county vocational school district which meets the following criteria shall be eligible to receive supplemental core curriculum standards aid:

   (1) the district's concentration of low-income pupils, relative to modified district enrollment, equals or exceeds 40%; and
   (2) the district's estimated minimum equalized tax rate exceeds that estimated for the State as a whole by more than 10%; and
   (3) in any district with a resident enrollment in excess of 2,000 pupils the district's equalized valuation per resident pupil is not more than twice the Statewide equalized valuation per pupil.

   b. Each school district and county vocational school district which is determined to be eligible to receive aid pursuant to subsection a. of this section shall receive aid according to the following formula if the calculated result is greater than zero:

   \((\text{MEQTXRT} \times 1.10 \times \text{STEQTXRT}) \times \text{EQVAL}\)

   where

   \(\text{MEQTXRT}\) is the district's estimated minimum equalized tax rate;
   \(\text{STEQTXRT}\) is the estimated minimum equalized tax rate for the State; and
   \(\text{EQVAL}\) is the district's equalized valuation.

C.18A:7F-18 Calculation of demonstrably effective program aid.

18. a. Demonstrably effective program aid shall be generated by individual schools and distributed to districts for the purpose of providing instructional, school governance, and health and social service programs to students enrolled in the generating school according to the following formulas:

   Aid shall be distributed to districts with schools in which the concentration of low-income pupils is equal to or greater than 20% and less than 40% as follows:

   \(\text{Aid} = B1 \times \text{SENR1}\)

   where
SENR1 is the sum of school enrollments for all schools in the district enrolling low-income pupils at rates equal to or greater than 20% but less than 40%.

Aid shall be distributed to districts with schools in which the concentration of low-income pupils is equal to or greater than 40% as follows:

\[
\text{Aid} = B2 \times \text{SENR2}
\]

where

SENR2 is the sum of the school enrollments for all schools in the district enrolling low-income pupils at rates equal to or greater than 40%;

where

\[
B1 = $300; \quad \text{and} \quad B2 = $425.
\]

For the 1998-1999 school year, the per pupil funding amounts shall be these amounts multiplied by the CPI. For subsequent years, the amounts shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education and be derived from cost analyses of appropriate programmatic applications as identified in the report. The amounts shall be adjusted for inflation by the CPI in the second year of the period to which the report applies.

b. The State Board of Education, upon the recommendation of the commissioner, shall adopt regulations governing the use of demonstrably effective program aid and an accounting mechanism to ensure that use. The rules shall provide for:

(1) Programs. A definition as recommended by the commissioner shall be established of the demonstrably effective programs and services which shall qualify for aid. The definition shall include for 1997-98, but not be limited to: alternative schools; community schools; class size reduction programs; parent education programs; job training programs; training institutes to improve homework response; telephone tutorial programs; teleconference and video tutoring programs; and HSPT/Early Warning test before school/after school preparation programs. The commissioner shall establish the per-pupil cost of providing these effective programs and services in the Report on the Cost of Providing a Thorough and Efficient Education.

(2) Accountability. A recipient district shall be required to obtain the approval of the Department of Education for the planned uses of demonstrably effective program funds. A periodic public process shall be established by which specific programmatic uses for the funds shall be identified and approved. A district failing to use the funds in the prescribed manner shall be subject to rescission of aid and additional monetary penalties as established by the commissioner.
(3) Monitoring. To facilitate State monitoring of the uses of the funds, districts shall be required to maintain separate program and service accounts in the special revenue section of district budgets and financial records in accordance with GAAP and specifications prescribed by the commissioner.

c. Instructional supplement aid shall be generated by school districts and county vocational school districts and distributed to districts for the purposes of providing supplemental services for students from low-income families. Aid shall be distributed to districts in which the concentration of low-income pupils is equal to or greater than 5% and less than 20%. Districts will receive $339 for each pupil from low-income families. For the 1998-99 school year, the per pupil funding amount shall be this amount multiplied by the CPI. For subsequent years, the amount shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education and be derived from cost analyses of appropriate programmatic applications as identified in the report. The amount shall be adjusted for inflation by the CPI in the second year of the period to which the report applies. Instructional supplement aid shall be accounted for in a special revenue fund.

d. The Department of Education shall develop, in collaboration with the Departments of Human Services and Health and Senior Services, as well as other appropriate State departments and agencies, mechanisms necessary to coordinate the provision of programs and services at the local level.

C.18A:7F-19 Calculation of special education categorical aid.

19. a. Special education categorical aid for each school district and county vocational school district shall be calculated for the 1997-98 school year as follows:

Tier I is the number of pupils classified for other than speech correction services resident in the district which receive related services including, but not limited to, occupational therapy, physical therapy, speech and counseling. Aid shall equal 0.0223 of the T&E amount rounded to the nearest whole dollar for each of the four service categories provided per classified pupil.

Tier II is the number of pupils resident in the district meeting the classification definitions for perceptually impaired, neurologically impaired, educable mentally retarded and preschool handicapped; all classified pupils in shared time county vocational programs in a county vocational school which does not have a child study team receiving services pursuant to chapter 46 of Title 18A of the New Jersey Statutes; and nonclassified pupils in State training schools or secure care facilities. For the purpose of calculating State aid for 1997-98, each district, other than a county vocational school district, shall have its pupil count for perceptually impaired
reduced by perceptually impaired classifications in excess of one standard deviation above the State average classification rate at December 1995 or 9.8 percent of the district’s resident enrollment. The perceptually impaired limitation shall be phased down to the State average of the prebudget year over a five-year period by adjusting the standard deviation as follows: 75 percent in 1998-99, 50 percent in 1999-2000, 25 percent in 2000-2001 and the State average in year five. No reduction in aid shall be assessed against any district in which the perceptually impaired classification rate is 6.5% or less of resident enrollment. Aid shall equal 0.4382 of the T&E amount rounded to the nearest whole dollar for each student meeting the Tier II criteria.

The commissioner shall develop a system to provide that each school district submits data to the department on the number of the district’s pupils with a classification definition of perceptually impaired who are enrolled in a county vocational school. Such pupils shall be counted in the district of residence’s resident enrollment for the purpose of calculating the limit on perceptually impaired classifications for Tier II State aid.

Tier III is the number of classified pupils resident in the district in categories other than speech correction services, perceptually impaired, neurologically impaired, educable mentally retarded, socially maladjusted, preschool handicapped, and who do not meet the criteria of Tier IV, intensive services; and nonclassified pupils in juvenile community programs. Aid shall equal 0.8847 of the T&E amount for each pupil meeting the Tier III criteria.

Tier IV is the number of classified pupils resident in the district receiving intensive services. For 1997-98, intensive services are defined as those provided in a county special services school district and services provided for pupils who meet the classification definitions for autistic, chronically ill, day training eligible, or visually handicapped, or are provided for pupils who meet the classification definition for multiply handicapped and are in a private school for the handicapped, educational services commission, or jointure commission placement in the 1996-97 school year. The commissioner shall collect data and conduct a study to determine intensive service criteria and the appropriate per pupil cost factor to be universally applied to all service settings, beginning in the 1998-99 school year. Aid shall equal 1.2277 of the T&E amount for each pupil meeting the Tier IV criteria.

Classified pupils in Tiers II through IV shall be eligible for Tier I aid. Classified pupils shall be eligible to receive aid for up to four services under Tier I.

For the 1998-99 school year, these cost factors shall remain in effect and special education aid growth shall be limited by the CPI growth rate applied to the T&E amount and changes in classified pupil counts. For subsequent
years, the additional cost factors shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education.

For the purposes of this section, classified pupil counts shall include pupils attending State developmental centers, DHS Regional Day Schools, State Division of Youth and Family Services' residential centers, State residential mental health centers, and institutions operated by or under contract with the Department of Human Services. Classified pupils of elementary equivalent age shall include classified preschool handicapped and kindergarten pupils.

b. In those instances in which the cost of providing education for an individual classified pupil exceeds $40,000, after an assessment by the review panel of placements and placement costs for the applicable school year; in those cases in which the district must educate an extraordinary number of classified pupils; or in those instances in which the district is ordered to make a high cost placement by a tribunal of competent jurisdiction, the district may apply to the commissioner for additional aid. A panel established by the commissioner for this purpose shall review the district's application and determine whether to grant the district's request based on factors including, but not limited to: an assessment of whether the district is spending appropriate amounts of regular and special education funds on special education pupils; the facts of the particular case or cases at issue; the district's level of compliance with regulatory requirements; and the impact of the extraordinary costs on the district's budget. Additional State aid awarded for extraordinary special education costs shall be recorded by the district as revenue in the current school year and paid to the district in the subsequent school year.

c. A school district may apply to the commissioner to receive emergency special education aid for any classified pupil who enrolls in the district prior to March of the budget year and who is in a placement with a cost in excess of $40,000. The commissioner may debit from the student's former district of residence any special education aid which was paid to that district on behalf of the student.

C.18A:7F-20 Calculation of bilingual education categorical aid.

20. Bilingual education categorical aid for each school district and each county vocational school district shall be calculated as follows:

\[
BAID = BACF \times B
\]

where

- BACF is the additional cost factor for bilingual education categorical aid;
- B is the number of bilingual education pupils enrolled in the district.
CHAPTER 138, LAWS OF 1996

C.18A:7F-21 Calculation of county vocational categorical aid.

21. County vocational categorical aid for each county vocational school district shall be calculated as follows:

\[ \text{CVAID} = \text{CVACF} \times \text{CV} \]

where

- CVACF is the additional cost factor for county vocational categorical aid; and
- CV is the number of county vocational pupils enrolled in the district. Pupils attending shared-time secondary programs shall be counted as 0.5.

22. a. Distance learning network aid shall be calculated for each school district and county vocational school district as follows:

\[ \text{TECHAID} = \text{TECHACF} \times \text{RES} \]

where

- TECHACF is the additional cost factor for distance learning network aid; and
- RES is the district's resident enrollment.

b. Statewide distance learning networks shall be established and each district shall be a member by the 2001-2002 school year. The distance learning networks shall be used to create a Statewide infrastructure for the delivery of voice, video and data, and shall provide all districts with the opportunity to share curricular offerings so as to expand the scope, quality, richness and diversity of curricula in all school districts and contribute to the redefining of teaching and learning in the contemporary setting. Distance learning network aid shall be accounted for in a special revenue fund. This aid may be used for equipment, wiring, access fees, software and supplies, professional development, staffing, maintenance, and other uses that may be necessary for the establishment of effective distance learning networks.

c. Each county special services school district shall receive a grant of $15,000 annually for the purposes of subsection b. of this section.

d. All funds from loan repayments into the Public School Facilities Code Compliance Loan Fund established under section 4 of P.L.1993, c.102 (C.34:1B-7.23) and the Public School Facilities Loan Assistance Fund established under section 5 of P.L.1993, c.102 (C.34:1B-7.24) shall be dedicated for school district technology capital projects as required pursuant to subsection b. of this section.
C.18A:7F-23 Additional cost factors.

23. The following additional cost factors shall be in effect for the purpose of calculating aid for the 1997-98 school year pursuant to sections 20 through 22 of this act:

- BACF = $1,073;
- CVACF = $1,662; and
- TECHACF = $40.

For the 1998-99 school year, the additional cost factors shall be these cost factors inflated by the CPI.

For subsequent years, the additional cost factors shall be established biennially in the Report on the Cost of Providing a Thorough and Efficient Education and adjusted for inflation by the CPI for the second year of the period to which the report applies.

24. Annually by December 15, the Department of Corrections, the Department of Human Services, and the Juvenile Justice Commission shall each submit to the commissioner for approval, with respect to the facilities under their operational or supervisory authority, a budget for educational programs as set forth in section 8 of P.L.1979, c.207 (C.18A:7B-4) for the subsequent year, together with enrollments and per pupil costs. For the purposes of calculating a per pupil cost, enrollment shall be based on the number of pupils in the State facility on the last school day prior to October 16 of the prebudget year. In the subsequent year, pursuant to P.L.1979, c.207 (C.18A:7B-1 et seq.) for students resident in a district, approved per pupil amounts shall be deducted from each school district's State aid and remitted to the appropriate agency, except that for county juvenile detention centers, no deduction shall be made until Fiscal Year 1999; in that year and thereafter, 50% of approved per pupil amounts shall be deducted and remitted to the Juvenile Justice Commission.

25. a. Each school district's and county vocational school district's State aid for transportation shall consist of base aid (BA) and an incentive factor (IF) determined as follows:

\[ BA = (BA1 \times IF) + BA2 \]

where

- \[ BA1 = CP1 \times P1 + CD1 \times P1 \times D1; \]
- \[ BA2 = CP2 \times P2 + CD2 \times P2 \times D2; \]

P1 is the total number of regular education public pupils and regular nonpublic pupils eligible for transportation pursuant to N.J.S.18A:39-1, excluding preschool pupils except in districts that qualify for early childhood
aid pursuant to section 16 of this act, and of special education pupils eligible for transportation pursuant to N.J.S.18A:46-23 with no special transportation requirements, who are resident in the district as of the last school day prior to October 16 of the prebudget year:

- D1 is the average home-to-school mileage for P1 pupils;
- P2 is the total number of special education pupils eligible for transportation pursuant to N.J.S.18A:46-23 with special transportation requirements who are resident in the district as of the last school day prior to October 16 of the prebudget year;
- D2 is the average home-to-school mileage for P2 pupils; and
- CPI, CD1, CP2 and CD2 are cost coefficients with values set forth in subsection b. of this section.

IF is the incentive factor, which modifies base aid paid for pupils transported on regular vehicles according to each district's percentile rank in regular vehicle capacity utilization. For the school year 1997-98, IF = 1. The Governor shall submit to the Legislature at least 60 days prior to the 1998 budget address proposed transportation incentive factors applicable to the 1998-99 school year and thereafter along with supporting data. The incentive factors shall be deemed approved by the Legislature unless a concurrent resolution is passed within 60 days of the date of submission.

b. For 1997-98, the cost coefficients in subsection a. of this section shall have the following values:

- CP1 = $280.24;
- CD1 = $28.75;
- CP2 = $1,192.69; and
- CD2 = $80.12.

For 1998-99, the coefficients shall be inflated by the CPI.

In subsequent years, the coefficients shall be revised by the commissioner on a biennial basis and similarly adjusted by the CPI in intervening years.

c. For the 1997-1998 school year, each district's base aid shall be prorated such that the overall distribution of base aid does not exceed that distributed Statewide in the 1996-1997 school year.

C.18A:7F-26 Distribution of State aid for facilities.

26. Beginning in the 1998-99 school year, State aid for facilities shall be distributed to each school district, county vocational school district, and county special services school district through a formula which reimburses districts for all or part of the principal and interest payments on both debt service and lease purchase payments. The aidable base shall be that percentage of debt service or lease purchase payments equal to the ratio of
approved costs to the original issuance amount and shall be reduced for districts that fail to meet maintenance requirements on aided facilities.

The Governor shall submit to the Legislature at least 60 days prior to the 1998 budget address, criteria for determining approved costs, State support levels, and maintenance incentives applicable to the 1998-99 school year and thereafter along with supporting data. The criteria shall be deemed approved by the Legislature unless a concurrent resolution is passed within 60 days of the date of submission.

27. For the 1997-98 school year, the amount and allocation of debt service aid shall be determined in the budget.

C.18A:7F-28 Distribution of State aid for adult school and post-high school programs.

28. For the 1997-98 school year, State aid shall be distributed on an unweighted per pupil basis for pupils enrolled in approved adult high schools, post-graduate programs and approved full-time post-secondary programs of county vocational schools. For 1997-98, districts will receive $1,345 for each adult pupil. The commissioner shall conduct a review of existing programs to determine programmatic definitions and establish appropriate per pupil amounts which shall recognize the higher costs of post-secondary programs at county vocational schools. For the 1998-99 school year, these amounts shall be distributed as inflated by the CPI. Thereafter, per pupil funding amounts shall be established in a supplement to the Report on the Cost of Providing a Thorough and Efficient Education.

C.18A:7F-29 Establishment of Academic Achievement Reward Program.

29. a. There is hereby established in the Department of Education the Academic Achievement Reward Program. The purpose of the program shall be to provide rewards to districts having one or more schools that meet criteria for attaining absolute success in or significant progress towards high student academic achievement, pursuant to subsection b. of this section. Rewards shall be based on performance as measured by the Statewide assessments of the most recent year with results available at the time of State aid notification. For the purposes of this section, schools shall be sorted into three groupings by enrollment for each of the Statewide assessments established pursuant to the provisions of P.L. 1979, c.241 (C.18A:7C-1 et seq.).

b. Schools with 90% of student enrollment performing at or above the passing scores on one or more of the Statewide assessments as provided in subsection a. of this section shall qualify for the absolute success reward. Schools that do not qualify for the absolute success reward shall be eligible for the significant progress reward. All eligible schools shall be grouped into
five bands based on the initial passing rate for each of the three Statewide assessments. The 10% in each band with the highest level of improvement from the previous year's passing rate shall qualify for the significant progress reward.

c. The Legislature shall make an annual appropriation to effectuate the purposes of this section. The amount appropriated shall be divided proportionally according to the average size of schools within each enrollment grouping among all districts with schools determined to qualify for either the absolute success or the significant progress reward. Funds awarded shall be payable to the school district or county vocational school district in which the school is located.

C.18A:7F-30 Establishment of Consolidation of Services Grant Program; sending-receiving tuition pilot project.

30. a. The Commissioner of Education shall establish a Consolidation of Services Grant Program in the 1997-98 school year. The goal of the grant program shall be to utilize the county special services school districts to promote shared services and regionalization of such services as transportation, child study teams, related and other specialized services, programs of professional development, legal and arbitration services, technology, and purchasing.

A county special services school district which elects to participate in the grant program shall submit an application to the Department of Education based upon a request for proposal developed by the department in consultation with the county special services school districts. Three grants shall be awarded by the commissioner in the first year of the program and an additional two grants in the second year. The total grants awarded by the department in the first year of the program shall be in the amount of $600,000.

b. The commissioner may establish a five-year sending-receiving school district tuition calculation pilot project for the Ocean Township School District in Ocean County and the Barnegat School District in Ocean County. The project shall provide a procedure whereby the tuition charged by a receiving school district shall be established in relationship to the maximum T&E budget.

31. A Regionalization Advisory Panel shall be created to conduct a study and to develop recommendations regarding ways to encourage school districts to regionalize or share services. The panel shall determine the feasibility of regionalizing at the county level such education administration services as overall administration, purchasing, transportation, budgeting and accounting while maintaining local control at the school district or building
level for curriculum, instruction, personnel, and management of instructional processes. In addition, the panel shall study site-based management, use of local parent advisory councils, maintenance of local tax bases, and other issues related to regionalization of districts and services.

The panel shall consist of 12 members as follows: five public members appointed by the Governor, no more than three of whom shall be of the same political party; three members appointed by the President of the Senate, no more than two of whom shall be of the same political party; three members appointed by the Speaker of the General Assembly, no more than two of whom shall be of the same political party; and the Commissioner of Education, ex officio, or a designee.

Appointments to the panel shall be made no later than February 1, 1997. The panel shall issue its report to the Governor and the Legislature no later than February 1, 1998, and shall expire 30 days after that date.

C.18A:7F-32 Adjustment of State aid calculations in regional districts.

32. a. When State aid is calculated for any year and a part of any district becomes a new school district or a part of another school district, or comes partly under the authority of a regional board of education, the commissioner shall adjust the State aid calculations among the districts affected, or between the district and the regional board, as the case may be, on an equitable basis in accordance with the intent of this act.

Whenever an all-purpose regional school district is approved by the voters during any calendar year, the regional district shall become effective on the succeeding July 1 for the purpose of calculating State aid, and the commissioner shall request supplemental appropriations for such additional State aid as may be required. After a regional school district becomes entitled to State aid, it shall continue to be entitled to aid as calculated for a regional district notwithstanding the subsequent consolidation of the constituent municipalities of the regional school district.

b. For a period of five years following regionalization, each regional school district formed after the effective date of this act shall be eligible to receive supplemental State aid equal to the difference between the regional district's core curriculum standards aid calculated pursuant to section 15 of this act for the budget year and the sum of core curriculum standards aid received by each constituent district of that regional school district in the year prior to regionalization, multiplied by the transition weight. For the purpose of this section, the transition weight shall equal 1.0 for the first year following regionalization, .80 for the second year following regionalization, .60 for the third year following regionalization, .40 for the fourth year following regionalization, and .20 for the fifth year following regionalization.
CHAPTER 138, LAWS OF 1996

C.18A:7F-33 Annual filing of district report with commissioner.

33. Annually, on or before October 20, the secretary of the board of education, with approval of the superintendent of schools, or if there is no superintendent of schools, with the approval of the county superintendent of schools, shall file with the commissioner a report prescribed by the commissioner containing all data necessary to effectuate the aid provisions of this act, which shall include but not be limited to, the number of pupils enrolled by grade, the number of these pupils classified as eligible for special education services other than speech corrections services, the number of pupils in approved programs for bilingual education, the number of low-income pupils, and the number of pupils in State facilities, county vocational schools, State college demonstration schools, evening schools, other public or private schools to which the district is paying tuition, or who are receiving home instruction on the last school day prior to October 16. In addition, districts shall file annual reports providing such information as the commissioner may require for pupils receiving special education services.

34. Section 3 of P.L.1975, c.212 (C.18A:7A-3) is amended to read as follows:

3. For the purposes of this act, unless the context clearly requires a different meaning:
   "Administrative order" means a written directive ordering specific corrective action by a district which has shown insufficient educational progress within a reasonable period of time in meeting goals and standards.
   "Joint Committee on the Public Schools" means the committee created pursuant to P.L.1975, c.16 (C.52:9R-1 et seq.).

35. Section 10 of P.L.1975, c.212 (C.18A:7A-10) is amended to read as follows:

10. For the purpose of evaluating the thoroughness and efficiency of all the public schools of the State, the commissioner, with the approval of the State board and after review by the Joint Committee on the Public Schools, shall develop and administer a uniform, Statewide system for evaluating the performance of each school. The system shall be based on such means as the commissioner deems proper in order to (a) determine pupil status and needs, (b) ensure pupil progress, and (c) assess the degree to which the thoroughness and efficiency standards established pursuant to section 4 of P.L.1996, c.138 (C.18A:7F-4) are being achieved.
36. Section 11 of P.L.1975, c.212 (C.18A:7A-11) is amended to read as follows:

11. Each school district and county vocational school district shall make an annual report of its progress in conforming to the standards for the evaluation of school performance adopted pursuant to section 10 of P.L.1975, c.212 (C.18A:7A-10). Each district's annual report shall include but not be limited to:

a. Demographic data related to each school;

b. Results of designated assessment programs, including Statewide assessment programs established pursuant to law and regulation;

c. Information on each school's fiscal operation, including the budget of each school;

e. Plans and programs for professional improvement;

f. Plans to carry out innovative educational programs designed to improve the quality of education;

g. Recommendations for school improvements during the ensuing year; and

h. Such additional information as may be prescribed by the commissioner.

Additionally, the State Board of Education may require each district to submit a facilities survey, including current use practices and projected capital project needs.

The district reports shall be submitted to the commissioner annually on a date to be prescribed by the commissioner, who shall make them the basis for an annual report to the Governor and the Legislature, describing the condition of education in New Jersey, the efforts of New Jersey schools in meeting the standards of a thorough and efficient education, the steps underway to correct deficiencies in school performance, and the progress of New Jersey schools in comparison to other state education systems in the United States.

37. Section 14 of P.L.1975, c.212 (C.18A:7A-14) is amended to read as follows:

14. a. (1) The commissioner shall review the results of the evaluations conducted and reports submitted pursuant to sections 10 and 11 of P.L.1975, c.212 (C.18A:7A-10 and 18A:7A-11). The commissioner shall establish a mechanism for parent, school employee and community resident input into the review process. If the commissioner shall find that a school
district or county vocational school district satisfies the evaluation criteria, the commissioner shall recommend that the State board certify the school district for a period of seven years as providing a thorough and efficient system of education, contingent on continued progress in meeting the standards. If the commissioner finds that a school district can correct the deficiency or deficiencies without additional diagnostic monitoring or technical assistance, the commissioner may certify the school district with the condition that the district correct the deficiency within a period of time to be determined by the commissioner. If the commissioner shall find that a school district has failed to show sufficient progress toward achieving the thoroughness and efficiency standards established pursuant to section 4 of P.L.1996, c.138 (C.18A:7F-4), the commissioner shall advise the local board of education of that determination, and shall direct that the district enter level II monitoring, as defined pursuant to law and regulation. Nothing herein shall preclude the commissioner from taking the steps set forth in section 6 of P.L.1996, c.138 (C.18A:7F-6) upon a finding that the district is failing to meet core curriculum content standards.

(2) The board of education of a school district which is directed to enter level II monitoring may appeal that decision to the State Board of Education. The State board may refer the hearing of that appeal to a committee of not less than three of its members, which committee shall hear the appeal and report thereon, recommending its conclusions, to the board and the board shall decide the appeal by resolution in open meeting. A determination of the appeal by the State board shall be considered final.

b. (1) When a district enters level II monitoring, the commissioner shall establish procedures whereby parents, school employees and community residents may meet with the commissioner or the commissioner's designee to discuss their concerns and the county superintendent shall appoint an external review team whose members shall be qualified by training and experience to examine the conditions in the specific district. In conjunction with the Department of Education, the team, at the direction of the commissioner, shall either examine only those aspects of the district's operations bearing on the areas of deficiency, or shall examine all aspects of the district's operation, including but not limited to education, governance, management and finance. In addition, the team shall examine conditions in the community which may adversely affect the ability of the pupils to learn and the team may recommend measures to mitigate the effects of those conditions. The team shall report its findings and conclusions, including directives to be utilized by the district in the preparation of a corrective action plan to achieve certification and recommendations as to the technical assistance which the district will require in order to effectively implement the corrective action plan, to the commissioner. The commissioner shall direct
the district to respond to the report of the external review team in establish­
ing a corrective action plan. The corrective action plan shall be submitted to and approved by the commissioner. The commissioner shall assure that the local district's budget provides the resources necessary to implement the approved plan, including the necessary technical assistance. The entire cost of those activities associated with the review team shall be paid by the Department of Education. The commissioner shall also have the authority to order necessary budgetary reallocations within the district, or such other measures as he deems necessary and appropriate. Further, nothing herein shall preclude the commissioner from taking the steps set forth in section 6 of P.L.1996, c.138 (C.18A:7F-6) upon a finding that the district is failing to meet core curriculum content standards.

(2) If the commissioner finds that the district is unsuccessful in correcting the deficiencies noted in the evaluation process, the commissioner shall direct that the district enter level III monitoring, as defined pursuant to law and regulation. However, if the commissioner determines that a district is making reasonable progress toward correcting deficiencies, the commissioner may grant an extension for a specific period of time. During this extension the district will remain under level II monitoring. At the end of the extension the commissioner shall determine whether the district is eligible for certification or if the district must be directed to enter level III monitoring.

c. (1) When a district which has had a comprehensive examination of all aspects of the district's operations by an external review team pursuant to subsection b. of this section is directed to enter level III monitoring the commissioner shall prepare an administrative order directing the corrective actions which shall be taken by the district based upon the findings and conclusions of the level II external review team and the department's monitoring of the level II plan. The commissioner shall insure that technical assistance is provided to the district in order to implement those actions. The commissioner shall also have the power to order necessary budgetary reallocations within the district, or such other measures as the commissioner deems necessary and appropriate. Further, nothing herein shall preclude the commissioner from taking the steps set forth in section 6 of P.L.1996, c.138 (C.18A:7F-6) upon a finding that the district is failing to meet core curriculum content standards.

(2) When a district which has not had a comprehensive examination of all aspects of the district's operations by an external review team pursuant to subsection b. of this section is directed to enter level III monitoring, the commissioner shall designate the county superintendent to appoint an external review team whose members shall be qualified by training and experience to examine the conditions in the specific district. In conjunction with the Department of Education, the team shall examine all aspects of the
district's operations including but not limited to education, governance, management and finance. The team shall report its findings and conclusions, including directives to be utilized in the preparation of a corrective action plan to achieve certification, to the commissioner. The commissioner shall prepare an administrative order directing the corrective actions which shall be taken by the district based upon the findings and conclusions of the level III external review team and the department's monitoring of the level II plan. The commissioner shall insure that technical assistance is provided to the district in order to implement those actions. The commissioner shall also have the power to order necessary budgetary reallocations within the district, or such other measures as the commissioner deems necessary and appropriate. Further, nothing herein shall preclude the commissioner from taking the steps set forth in section 6 of P.L. 1996, c. 138 (C.18A:7F-6) upon a finding that the district is not meeting core curriculum content standards.

(3) The board of education of a school district which is directed to enter level III monitoring may appeal that decision to the State Board of Education. The State board may refer the hearing of that appeal to a committee of not less than three of its members, which committee shall hear the appeal and report thereon, recommending its conclusions, to the board and the board shall decide the appeal by resolution in open meeting. A determination of the appeal by the State board shall be considered final.

(4) If the commissioner finds, based upon the findings and directives of the level II or level III review team and the Department of Education, that conditions within the district may preclude the successful implementation of a corrective action plan or that the district has failed to make reasonable progress in the implementation of a corrective action plan to achieve certification, the commissioner shall direct that a comprehensive compliance investigation be conducted by the Department of Education. If the commissioner directs that a comprehensive compliance investigation be conducted, the commissioner may order any necessary action to insure the security of the books, papers, vouchers and records of the district.

d. Whenever a district in level II monitoring is directed to establish a corrective action plan or whenever a district in level III monitoring shall be required to implement an approved corrective action plan pursuant to this section, the commissioner shall determine the cost to the district of implementation of those portions of the corrective action plan which are directly responsive to the district's deficiencies as identified in the report of the external review team or, where applicable, by the commissioner. In making this fiscal assessment, the commissioner shall identify those aspects of the corrective action plan which are already contained in the district's current expense budget. Where appropriate, the commissioner shall reallocate funds within the district's budget to support the corrective action plan.
Once reallocated, any transfers among line items of the district’s budget may occur only with the commissioner’s approval. The commissioner shall further determine the amount of additional revenue, if any, needed to implement the corrective action plan and shall recertify a budget for the district.

e. A comprehensive compliance investigation shall entail a thorough and detailed examination of a district’s educational programs, fiscal practices, governance and management. Based on the investigation, the commissioner shall issue a report which will document any irregularities and list all those aspects of the corrective action plan established pursuant to subsections b. and c. of this section which have not been successfully implemented by the district or the conditions which would preclude the district from successfully implementing a plan. A copy of this report shall be given to the district. The commissioner shall also order the local board to show cause why an administrative order, subject to the provisions of section 15 of P.L.1975, c.212 (C.18A:7A-15) and section 1 of P.L.1987, c.399 (C.18A:7A-34) should not be implemented. The plenary hearing before a judge of the Office of Administrative Law, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), upon said order to show cause shall be conducted in the manner prescribed by subdivision B of article 2 of chapter 6 of Title 18A of the New Jersey Statutes.

In the proceeding the State shall have the burden of showing that the recommended administrative order is not arbitrary, unreasonable or capricious.

38. Section 1 of P.L.1991, c.3 (C.18A:7A-14.1) is amended to read as follows:

1. The Legislature finds and declares that:

a. It is the constitutional obligation of the Legislature to provide all children in New Jersey with a thorough and efficient system of free public schools;

b. The breadth and scope of such a system are defined by the Legislature through the commissioner and the State board pursuant to P.L.1996, c.138 (C.18A:7F-1 et al.) so as to insure quality educational programs for all children;

c. It is imperative that the program in every school district in this State includes all of the major elements identified as essential for that system consistent with standards adopted pursuant to section 10 of P.L.1975, c.212 (C.18A:7A-10);
d. It is the responsibility of the State to insure that any school district which is shown to be deficient in one or more of these major elements takes corrective actions without delay in order to remedy those deficiencies;
e. This responsibility can be fulfilled, in addition to the mechanisms for ensuring compliance established pursuant to section 6 of P.L.1996, c.138 (C.18A:7F-6), through an effective and efficient system of evaluation and monitoring which will insure quality and comprehensive instructional programming in every school district and provide for immediate and direct corrective action to insure that identified deficiencies do not persist, and which does so within the context of the maximum of local governance and management and the minimum of paperwork and unnecessary procedural requirements.

39. Section 17 of P.L.1987, c.399 (C.18A:7A-50) is amended to read as follows:

17. The State district superintendent of a State-operated school district shall develop a budget on or before March 22 and shall present this budget to the board of education to elicit the board's comments and recommendations. This budget shall conform in all respects with the requirements of chapter 22 of Title 18A of the New Jersey Statutes and shall be subject to the limitations on spending by local school districts otherwise required by P.L.1996, c.138 (C.18A:7F-1 et al.).

40. Section 19 of P.L.1987, c.399 (C.18A:7A-52) is amended to read as follows:

C.18A:7A-52 Determination of amount of appropriation for following school year.

19. a. After the public hearing provided for by section 18 of P.L.1987, c.399 (C.18A:7A-51) but not later than April 8, the State district superintendent shall fix and determine the amount of money necessary to be appropriated for the ensuing school year and shall certify the amounts to be raised by special district tax for school purposes as well as the sum necessary for interest and debt redemption, if any, to the county board of taxation and the amount or amounts so certified shall be included in the taxes assessed, levied and collected in the municipality or municipalities comprising the district. The State district superintendent shall follow the procedures established pursuant to section 5 of P.L.1996, c.138 (C.18A:7F-5).

41. Section 6 of P.L. 1979, c.207 (C.18A:7B-2) is amended to read as follows:

C.18A:7B-2 Deductions, forwarding of sums to appropriate departments; disposition.

6. a. For each State-placed child who is resident in a district and in a State facility on the last school day prior to October 16 of the prebudget year, and for each district-placed child who is resident in a district and in a State facility on the last school day prior to October 16 of the budget year, the Commissioner of Education shall deduct from the State aid payable to that district an amount equal to the approved per pupil cost established pursuant to the provisions of section 24 of P.L. 1996, c.138 (C.18A:7F-24); except that for a child in a county juvenile detention center, no deduction shall be made until Fiscal Year 1999, in which year and thereafter 50% of the per pupil cost shall be deducted.

b. If, for any district, the amount to be deducted pursuant to subsection a. of this section is greater than State aid payable to the district, the district shall pay to the Department of Education the difference between the amount to be deducted and the State aid payable to the district.

c. The amount deducted pursuant to subsection a. of this section and the amount paid to the Department of Education pursuant to subsection b. of this section shall be forwarded to the Department of Human Services if the facility is operated by or under contract with that department, or to the Department of Corrections if the facility is operated by or under contract with that department, or to the Juvenile Justice Commission established pursuant to section 2 of P.L. 1995, c.284 (C.52:17B-170) if the facility is operated by or under contract with that commission, and shall serve as payment by the district of tuition for the child. In the case of county juvenile detention centers, the tuition shall be deemed to supplement funds currently provided by the county for this purpose under chapter 10 and chapter 11 of Title 9 of the Revised Statutes. In Fiscal Year 1998, a county shall not decrease its level of contribution as a result of the payment of tuition pursuant to this section. In Fiscal Year 1999 and thereafter, a county shall be required to pay 50% of the approved per pupil costs established pursuant to the provisions of section 24 of P.L. 1996, c.138 (C.18A:7F-24) for the purpose of implementing chapters 10 and 11 of Title 9 of the Revised Statutes. Amounts so deducted shall be used solely for the support of educational programs and shall be maintained in a separate account for that purpose. No district shall be responsible for the tuition of any child admitted by the State to a State facility after the last school day prior to October 16 of the prebudget year.
42. Section 9 of P.L.1979, c.207 (C.18A:7B-5) is amended to read as follows:

C.18A:7B-5 Rules, regulations to ensure thorough and efficient education for children in State facilities.

9. The Commissioner of Education, with the approval of the State Board of Education, shall promulgate rules and regulations to ensure a thorough and efficient education, consistent with the provisions of P.L.1996, c.138 (C.18A:7F-1 et al.), for the children in State facilities. In the case of county juvenile detention centers, the Office of Education in the Juvenile Justice Commission shall develop, in consultation with the commissioner, appropriate standards, to be effective for Fiscal Year 1999, for the provision of a thorough and efficient education by the county for facilities established under chapter 10 and chapter 11 of Title 9 of the Revised Statutes.

The commissioner shall continually review the operation of educational programs in State facilities. If he finds that the operation of any of these programs does not meet the educational standard required by the regulations, he shall direct that a remedial plan be prepared by the education director of the facility in which the program is located, together with the director of educational services of the department which is operating or contracting with the facility. The plan shall be submitted to the Commissioner of Education for his approval. If he approves the plan, it shall be implemented in a timely and effective manner. If he finds the plan or its implementation to be insufficient, he may, until the insufficiency is corrected, withhold and place in a special account any State aid funds which otherwise would have been forwarded pursuant to section 6 of this act.

43. Section 11 of P.L.1979, c.207 (C.18A:7B-7) is amended to read as follows:

C.18A:7B-7 Request for administrative review concerning pupil in State facility.

11. a. Any parent or guardian of a pupil in a State facility and any pupil in a State facility between 18 and 20 years of age, may request an administrative review on matters of educational classification or educational program.

b. The administrative review process shall include the following sequence:

(1) A conference with teaching staff members or child study team personnel;

(2) A conference with the Director of Educational Services of the Department of Human Services, the Department of Corrections, or the Juvenile Justice Commission, whichever is appropriate;
CHAPTER 138, LAWS OF 1996

(3) A hearing by the Commissioner of Education pursuant to law and regulation.

c. The due process rights available to children, parents and guardians in the public schools on matters of educational classification or educational program shall be available to children, parents and guardians in State facilities.

d. The placement of a child in a particular State facility shall not be subject to an administrative review or hearing pursuant to this section.

44. Section 19 of P.L.1979, c.207 (C.18A:7B-12) is amended to read as follows:

C.18A:7B-12 Determination of district of residence.

19. For school funding purposes, the Commissioner of Education shall determine district of residence as follows:

a. The district of residence for children in foster homes shall be the district in which the foster parents reside. If a child in a foster home is subsequently placed in a State facility or by a State agency, the district of residence of the child shall then be determined as if no such foster placement had occurred.

b. The district of residence for children who are in residential State facilities, or who have been placed by State agencies in group homes, private schools or out-of-State facilities, shall be the present district of residence of the parent or guardian with whom the child lived prior to his most recent admission to a State facility or most recent placement by a State agency.

If this cannot be determined, the district of residence shall be the district in which the child resided prior to such admission or placement.

c. The district of residence for children whose parent or guardian temporarily moves from one school district to another as the result of being homeless shall be the district in which the parent or guardian last resided prior to becoming homeless. For the purpose of this amendatory and supplementary act, "homeless" shall mean an individual who temporarily lacks a fixed, regular and adequate residence.

d. If the district of residence cannot be determined according to the criteria contained herein, or if the criteria contained herein identify a district of residence outside of the State, the State shall assume fiscal responsibility for the tuition of the child. The tuition shall equal the approved per pupil cost established pursuant to P.L.1996, c.138 (C.18A:7F-1 et al.). This amount shall be appropriated in the same manner as other State aid under this act. The Department of Education shall pay the amount to the Department of Human Services, the Department of Corrections or the Juvenile Justice Commission established pursuant to section 2 of P.L.1995,
c.284 (C.52:17B-170) or, in the case of a homeless child, the Department of Education shall pay the appropriate T&E amount and any appropriate additional cost factor for special education pursuant to section 19 of P.L.1996, c.138 (C.18A:7F-19) to the school district in which the child is enrolled.

45. Section 20 of P.L.1979, c.207 (C.18A:7B-13) is amended to read as follows:

C.18A:7B-13 Annual report by commissioner to Legislature.

20. Beginning in the school year 1997-98, the Commissioner of Education shall annually report to the Legislature, describing the condition of educational programs in State facilities, the efforts of the Departments of Corrections and Human Services and the Juvenile Justice Commission in meeting the standards of a thorough and efficient education in these facilities, the steps underway to correct any deficiencies in their educational programs, and the progress of the educational programs in New Jersey State facilities in comparison with those in the state facilities of other states. At that time the commissioner shall recommend to the Legislature any necessary or desirable changes or modifications in P.L.1979, c.207 (C.18A:7B-1 et al.).

46. Section 2 of P.L.1979, c.241 (C.18A:7C-2) is amended to read as follows:

2. Pursuant to guidelines established by the Commissioner of Education, each board of education shall establish standards for graduation from its secondary schools. The standards shall include, but need not be limited to:
   a. Satisfactory performance on the Statewide assessment test as provided for in section 1 of P.L.1979, c.241 (C.18A:7C-1);
   b. Demonstration of proficiencies in those subject areas and skills identified by the board as necessary for graduation other than those assessed by the Statewide assessment tests.

b. On or before November 5 of each year, each board of education shall forward to the commissioner an estimate of the cost of providing, during the next school year, the services required pursuant to this act and the number of pupils attending nonpublic schools located within the district as of the last school day of October of the current school year, excluding those pupils who have refused nursing services pursuant to section 8 of this act. The commissioner shall provide State aid to each school district in an amount equal to the number of nonpublic school pupils within the district identified by the district on or before November 5 multiplied by the State support limit. A board which wants to participate in the program shall submit a proposal to the commissioner which outlines the district’s plan to provide substance abuse prevention, intervention and treatment referral services to students through the employment of a substance awareness coordinator. Nothing shall preclude a district which employs a substance awareness coordinator at the time of the effective date of this act from participating in this program. The commissioner shall select school districts to participate in the program through a competitive grant process. The participating districts shall include urban, suburban and rural districts from the north, central and southern geographic regions of the State with at least one school district per county. In addition to all other State aid to which the local district is entitled under the provisions of P.L.1996, c.138 (C.18A:7F-1 et al.) and other pertinent statutes, each board of education participating in the program shall receive from the State, for a three-year period, the amount necessary to pay the salary of its substance awareness coordinator.

The State Board of Education shall approve the education and experience criteria necessary for employment as a substance awareness coordinator. If a board of education requires funds prior to September, the board shall file a written request with the Commissioner of Education stating the need for the funds. The commissioner shall review each request and forward those for which need has been demonstrated to the appropriate officials for payment.

In the event the expenditures incurred by any district are less than the amount of State aid received, the district shall refund the unexpended State aid after completion of the school year. The refunds shall be paid no later than December 1. In any year, a district may submit a request for additional aid pursuant to P.L.1977, c.193 (C.18A:46-19.1 et al.). b. The board of education of any county special services school district may receive such funds as may be appropriated by the county pursuant to section 13 of P.L.1971, c.271 (C.18A:46-41) and shall be entitled to collect and receive from the sending districts in which the pupils attending the county special services school reside, for the tuition of those pupils, a sum not to exceed the actual cost per pupil as determined for each special education program or for the special services school district, according to rules prescribed by the commissioner and approved by the State board. Whenever funds have been appropriated by the county, the county special services school district may charge a fee in addition to tuition for any pupils who are not residents of the county. The fee shall not exceed the amount of the county's per pupil appropriation to the county special services school district. For each special education program or for the special services school district, the tuition shall be at the same rate per pupil for each sending district whether within or without the county. Ten percent of the tuition amount and the nonresident fee amount, if any, shall be paid on the first of each month from September to June to the receiving district by each sending district. The annual aggregate amount of all tuition may be anticipated by the board of education of the county special services school district with respect to the annual budget of the county special services school district. Tuition charged to the resident district shall be deducted from the resident district’s State aid and transferred directly to the county special services district by the Department of Education according to procedures
established by the commissioner. The transfers shall equal 1/20th of the tuition charged and shall occur on the same schedule of State aid payments for the resident districts. Beginning in May of the preceding year the county special services district shall report to the department and the resident districts the current enrollments and tuition rates by district. Enrollment changes reported at least 30 days in advance of a scheduled transfer shall be honored.

Unless specifically designated, county special services school districts shall not receive State aid under the provisions of P.L.1996, c.138 (C.18A:7F-1 et al.). The county special services general fund budget, exclusive of any county contribution, shall not exceed the general fund budget, exclusive of any county contribution, in the prebudget year adjusted by the CPI or three percent, whichever is greater, plus an enrollment factor.

An undesignated general fund balance of 10 percent of the general fund budget exclusive of tuition adjustments of prior years may be maintained. For the years 1997-98 through 2001-2002, State aid shall be provided to fund tuition losses when placements drop by more than five percent between the budget year and prebudget year. State aid shall equal the difference between 95 percent of the prebudget year enrollment on May 1 preceding the prebudget year multiplied by the budget year tuition rate and actual enrollments on May 1 preceding the budget year multiplied by the budget year tuition rate.

c. The board of education of any county special services school district, with the approval of the board of chosen freeholders of the county, may provide for the establishment, maintenance and operation of dormitory and other boarding care facilities for pupils in conjunction with any one or more of its schools for special services, and the board shall provide for the establishment, maintenance and operation of such health care services and facilities for the pupils as the board shall deem necessary.

b. The appropriate per pupil aid amount shall then be multiplied by the number of auxiliary services received for each pupil enrolled in the nonpublic schools who were identified as eligible to receive each auxiliary service as of the last school day of June of the prebudget year, to obtain each district's State aid for the next school year.

c. The per pupil aid amount for home instruction shall be determined by multiplying the T&E amount by a cost factor of 0.0037 by the number of hours of home instruction actually provided in the prior school year.

1. The Legislature finds and declares that the welfare of the citizens of this State and the financial integrity of the governmental reimbursement programs administered for their benefit are threatened by the growing problem of prescription drug abuse, particularly the widespread trafficking in forged and altered prescriptions for oral drugs and items; the submission of these forged prescriptions for payment by State and federal funds through the Medicaid, Pharmaceutical Assistance to the Aged and Disabled, and general assistance programs and by private health insurers drive the cost of health care up for all citizens of New Jersey; and to reduce the ease with which such forgeries can be accomplished and to deter drug abuse, the implementation of a program by which prescriptions shall be written on a uniform prescription blank, printed on non-reproducible, non-erasable safety paper, subject to stringent security controls, is required.

The Legislature further finds and declares that it is likely that prior authorization programs to control fraud and abuse may become unnecessary upon the passage and implementation of P.L.1996, c.154 (C.45:14-14.1 et al.).

C.45:14-14.2 Use of New Jersey Prescription Blanks by licensed prescriber required.

2. a. Beginning 180 days after the effective date of P.L.1996, c.154 (C.45:14-14.1 et al.), a licensed prescriber shall use non-reproducible, non-erasable safety paper New Jersey Prescription Blanks bearing that prescriber's license number whenever the prescriber issues prescriptions for controlled dangerous substances, prescription legend drugs or other prescription items. The prescription blanks shall be secured from a vendor approved by the Division of Consumer Affairs in the Department of Law and Public Safety.

Notwithstanding the provisions of this subsection to the contrary, the Director of the Division of Consumer Affairs may temporarily suspend the operative date of this subsection if the director finds that an insufficient number of licensed prescribers have obtained the required prescription blanks by the operative date with the result that persons seeking to have prescriptions filled would be substantially inconvenienced. The director shall promptly notify the licensed prescribers of the new operative date of this subsection.

b. A licensed prescriber shall maintain a record of the receipt of New Jersey Prescription Blanks. The prescriber shall notify the Office of Drug Control in the Division of Consumer Affairs as soon as possible but no later than 72 hours of being made aware that any New Jersey Prescription Blank in the prescriber's possession has been stolen. Upon receipt of notification,
the Office of Drug Control shall take appropriate action, including notification to the Department of Human Services and the Attorney General.

C.45:14-14.3 Use of New Jersey Prescription Blanks by health care facility required.

3. a. Beginning 180 days after the effective date of P.L.1996, c.154 (C.45:14-14.1 et al.), prescriptions issued by a health care facility licensed pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall be written on non-reproducible, non-erasable safety paper New Jersey Prescription Blanks. The prescription blanks shall be secured from a vendor approved by the Division of Consumer Affairs in the Department of Law and Public Safety. The New Jersey Prescription Blanks shall bear the unique provider number assigned to that health care facility for the issuing of prescriptions for controlled dangerous substances, prescription legend drugs or other prescription items.

Notwithstanding the provisions of this subsection to the contrary, the Director of the Division of Consumer Affairs may temporarily suspend the operative date of this subsection if the director finds that an insufficient number of licensed health care facilities have obtained the required prescription blanks by the operative date with the result that persons seeking to have prescriptions filled would be substantially inconvenienced. The director shall promptly notify the licensed health care facilities of the new operative date of this subsection.

b. A health care facility shall maintain a record of the receipt of New Jersey Prescription Blanks. The health care facility shall notify the Office of Drug Control in the Division of Consumer Affairs as soon as possible but no later than 72 hours of being made aware that any New Jersey Prescription Blank in the facility's possession has been stolen. Upon receipt of notification, the Office of Drug Control shall take appropriate action, including notification to the Department of Human Services and the Attorney General.

C.45:14-14.4 Use of New Jersey Prescription Blanks for filling of prescription by pharmacist required.

4. a. Beginning 180 days after the effective date of P.L.1996, c.154 (C.45:14-14.1 et al.), a prescription issued by a licensed prescriber or health care facility shall not be filled by a pharmacist unless the prescription is issued on a New Jersey Prescription Blank bearing the prescriber's license number or the unique provider number assigned to a health care facility, as required pursuant to section 2 or 3 of P.L.1996, c.154 (C.45:14-14.2 or C.45:14-14.3).

Notwithstanding the provisions of this subsection to the contrary, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety may temporarily suspend the operative date of this subsection if the director finds that an insufficient number of licensed prescribers or licensed health care facilities have obtained the required prescription blanks.
by the operative date with the result that persons seeking to have prescriptions filled would be substantially inconvenienced. The director shall notify licensed pharmacists of the new operative date of this subsection.

b. Notwithstanding the provisions of subsection a. of this section to the contrary, for the 90 days following the 180-day period or such other operative date as may be determined by the Director of the Division of Consumer Affairs pursuant to subsection a. of this section, a pharmacist, prior to filling a prescription, shall request verification, in writing or orally, of the prescription from the prescriber or health care facility if the pharmacist receives a prescription that is not issued on a New Jersey Prescription Blank as required by section 2 or 3 of P.L.1996, c.154 (C.45:14-14.2 or C.45:14-14.3).

C.45:14-14.5 Transmission of prescription by telephone, electronic means.

5. Nothing contained in P.L.1996, c.154 (C.45:14-14.1 et al.) shall preclude a licensed prescriber from transmitting to a pharmacist by telephone or electronic means a prescription, as otherwise authorized by law, if that prescriber provides the prescriber's Drug Enforcement Administration registration number or prescriber's license number, as appropriate, to the pharmacist at the time the prescriber transmits the prescription.

C.45:14-14.6 Establishment of format for New Jersey Prescription Blanks.

6. a. The Division of Consumer Affairs in the Department of Law and Public Safety shall establish the format for uniform, non-reproducible, non-erasable safety paper prescription blanks, to be known as New Jersey Prescription Blanks, which format shall include an identifiable logo or symbol that will appear on all prescription blanks. The division shall establish the format and solicit vendors within 10 days after the effective date of P.L.1996, c.154 (C.45:14-14.1 et al.). The division shall, within 45 days of the effective date of P.L.1996, c.154, approve a sufficient number of vendors to ensure production of an adequate supply of New Jersey Prescription Blanks for licensed prescribers and health care facilities Statewide.

b. The Division of Consumer Affairs shall mail to all licensed prescribers in this State designated under R.S.45:14-14 to write prescriptions, to all licensed pharmacists and to all licensed health care facilities a notice of the requirements of P.L.1996, c.154 (C.45:14-14.1 et al.) and the names and addresses of the vendors approved to produce New Jersey Prescription Blanks. The notice shall be mailed 30 days prior to the operative date of sections 2, 3 and 4 of P.L.1996, c.154 (C.45:14-14.2, C.45:14-14.3 and C.45:14-14.4).
7. a. No later than May 1, 1997, the Department of Human Services, in conjunction with the Department of Health and Senior Services, shall submit a written report to the Legislature and the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, documenting the costs and savings directly attributable to prior authorization programs in order to determine whether prior authorization programs are both cost effective and not duplicative of other programs in reducing fraud and abuse related to prescription drugs.

b. No later than February 1, 1998, the Department of Human Services, in conjunction with the Department of Health and Senior Services, shall submit a report to the Legislature and the Senate Budget and Appropriations Committee and the Assembly Appropriations Committee, or their successors, detailing the impact of P.L.1996, c.154 (C.45:14-14.1 et al.).

8. R.S.45:14-14 is amended to read as follows:

"Prescription" defined.

45:14-14. The term "prescription" as used in R.S.45:14-13, and R.S.45:14-15 to R.S.45:14-17 means an order for drugs or medicines or combinations or mixtures thereof, written or signed by a duly licensed physician, dentist, optometrist, veterinarian, other medical practitioner, a certified nurse midwife, a nurse practitioner/clinical nurse specialist or a physician assistant, licensed or approved to write prescriptions intended for the treatment or prevention of disease in man or animals, and includes orders for drugs or medicines or combinations or mixtures thereof, on a New Jersey Prescription Blank obtained from a vendor approved by the Division of Consumer Affairs in the Department of Law and Public Safety pursuant to section 6 of P.L.1996, c.154 (C.45:14-14.6), transmitted to pharmacists through word of mouth, telephone, telegraph or other means of communication by a duly licensed physician, dentist, optometrist, veterinarian, other medical practitioner, a certified nurse midwife, a nurse practitioner/clinical nurse specialist or a physician assistant, licensed or approved to write prescriptions intended for the treatment or prevention of disease in man or animals, and such prescriptions received by word of mouth, telephone, telegraph or other means of communication shall be recorded in writing by the pharmacist and the record so made by the pharmacist shall constitute the original prescription to be filed by the pharmacist as provided for in R.S.45:14-15, but no prescription, for any narcotic drug, except as provided in section 15 of P.L.1970, c.226 (C.24:21-15), shall be given or transmitted to pharmacists, in any other manner, than in writing signed by the physician, dentist, veterinarian, other medical practitioner, certified nurse midwife,
nurse practitioner/clinical nurse specialist or a physician assistant, giving or transmitting the same, nor shall such prescription be renewed or refilled.

9. N.J.S.2C:20-2 is amended to read as follows:

Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally.

2C:20-2. Consolidation of Theft Offenses; Grading; Provisions Applicable to Theft Generally. a. Consolidation of Theft Offenses. Conduct denominated theft in this chapter constitutes a single offense, but each episode or transaction may be the subject of a separate prosecution and conviction. A charge of theft may be supported by evidence that it was committed in any manner that would be theft under this chapter, notwithstanding the specification of a different manner in the indictment or accusation, subject only to the power of the court to ensure fair trial by granting a bill of particulars, discovery, a continuance, or other appropriate relief where the conduct of the defense would be prejudiced by lack of fair notice or by surprise.

b. Grading of theft offenses.
   (1) Theft constitutes a crime of the second degree if:
   (a) The amount involved is $75,000.00 or more;
   (b) The property is taken by extortion;
   (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the quantity is in excess of one kilogram; or
   (d) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is $75,000 or more.
   (2) Theft constitutes a crime of the third degree if:
   (a) The amount involved exceeds $500.00 but is less than $75,000.00;
   (b) The property stolen is a firearm, motor vehicle, vessel, boat, horse or airplane;
   (c) The property stolen is a controlled dangerous substance or controlled substance analog as defined in N.J.S.2C:35-2 and the amount involved is less than $75,000.00 or is undetermined and the quantity is one kilogram or less;
   (d) It is from the person of the victim;
   (e) It is in breach of an obligation by a person in his capacity as a fiduciary;
   (f) It is by threat not amounting to extortion;
(g) It is of a public record, writing or instrument kept, filed or deposited according to law with or in the keeping of any public office or public servant;

(h) The property stolen is a person's benefits under federal or State law, or from any other source, which the Department of Human Services or an agency acting on its behalf has budgeted for the person's health care and the amount involved is less than $75,000;

(i) The property stolen is any real or personal property related to, necessary for, or derived from research, regardless of value, including, but not limited to, any sample, specimens and components thereof, research subject, including any warm-blooded or cold-blooded animals being used for research or intended for use in research, supplies, records, data or test results, prototypes or equipment, as well as any proprietary information or other type of information related to research; or

(j) The property stolen is a New Jersey Prescription Blank as referred to in R.S.45:14-14.

(3) Theft constitutes a crime of the fourth degree if the amount involved is at least $200.00 but does not exceed $500.00. If the amount involved was less than $200.00 the offense constitutes a disorderly persons offense.

(4) The amount involved in a theft shall be determined by the trier of fact. The amount shall include, but shall not be limited to, the amount of any State tax avoided, evaded or otherwise unpaid, improperly retained or disposed of. Amounts involved in thefts committed pursuant to one scheme or course of conduct, whether from the same person or several persons, may be aggregated in determining the grade of the offense.

c. Claim of right. It is an affirmative defense to prosecution for theft that the actor:

(1) Was unaware that the property or service was that of another;

(2) Acted under an honest claim of right to the property or service involved or that he had a right to acquire or dispose of it as he did; or

(3) Took property exposed for sale, intending to purchase and pay for it promptly, or reasonably believing that the owner, if present, would have consented.

d. Theft from spouse. It is no defense that theft was from the actor's spouse, except that misappropriation of household and personal effects, or other property normally accessible to both spouses, is theft only if it occurs after the parties have ceased living together.

10. N.J.S.2C:21-1 is amended to read as follows:
Forgery and related offenses.

2C:21-1. a. Forgery. A person is guilty of forgery if, with purpose to defraud or injure anyone, or with knowledge that he is facilitating a fraud or injury to be perpetrated by anyone, the actor:

(1) Alters or changes any writing of another without his authorization;
(2) Makes, completes, executes, authenticates, issues or transfers any writing so that it purports to be the act of another who did not authorize that act or of a fictitious person, or to have been executed at a time or place or in a numbered sequence other than was in fact the case, or to be a copy of an original when no such original existed; or
(3) Utters any writing which he knows to be forged in a manner specified in paragraph (1) or (2).

"Writing" includes printing or any other method of recording information, money, coins, tokens, stamps, seals, credit cards, badges, trademarks, and other symbols of value, right, privilege, or identification.

b. Grading of forgery. Forgery is a crime of the third degree if the writing is or purports to be part of an issue of money, securities, postage or revenue stamps, or other instruments, certificates or licenses issued by the government, New Jersey Prescription Blanks as referred to in R.S.45:14-14, or part of an issue of stock, bonds or other instruments representing interest in or claims against any property or enterprise.

Otherwise forgery is a crime of the fourth degree.

c. Possession of forgery devices. A person is guilty of possession of forgery devices, a crime of the third degree, when with purpose to use, or to aid or permit another to use the same for purposes of forging written instruments, he makes or possesses any device, apparatus, equipment or article specially designed or adapted to such use.

11. This act shall take effect immediately.

Approved January 6, 1997.

CHAPTER 155

AN ACT concerning certain dividends paid by certain domestic insurers and amending P.L.1994, c.189.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
CHAPTER 155, LAWS OF 1996

1. Section 1 of P.L.1994, c.189 (C.17:17-20) is amended to read as follows:

1. a. An insurer that is formed under the laws of another state and is admitted to transact the business of insurance in this State may become a domestic insurer upon the commissioner’s determination that the company has complied with all applicable requirements of Title 17 of the Revised Statutes relating to the formation of a domestic insurer of the same type. If the commissioner approves the domestication of a foreign insurer pursuant to this section, the insurer shall be entitled to a certificate of authority equivalent to that which was previously held as a foreign insurer and the insurer shall be subject to the authority and jurisdiction of this State. The newly domesticated insurer shall amend its articles of incorporation to provide that the corporation is a continuation of the corporate existence of the original foreign corporation through the adoption of this State as its corporate domicile, and that the original date of incorporation in its original domiciliary state is the date of incorporation of such domestic insurer. For purposes of the premium tax laws, pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.), however, the date of licensure shall be the date on which the commissioner approves the domestication in this State.

b. Any domestic insurer may, upon the written approval of the commissioner, transfer its domicile to any other state in which it is admitted to transact the business of insurance. The company shall cease to be a domestic insurer as of the effective date of the transfer approved by the commissioner. Such a company shall be admitted to transact the business of insurance in this State if the company is otherwise qualified as a foreign insurer pursuant to the applicable requirements of Title 17 of the Revised Statutes.

c. Every insurer authorized to transact business in the State shall notify the commissioner of the details of any proposed transfer of domicile at least 60 days prior to the effective date of the proposed transfer, however, the commissioner may approve a shorter period for providing such notice. Such an insurer shall file promptly any resulting amendments to corporate documents filed or required to be filed with the commissioner.

d. Prior to granting approval for any foreign insurer to become a domestic insurer, or for a domestic insurer to transfer its domicile to another state, the commissioner may conduct whatever investigations, examinations or hearings he deems necessary, and may subject the issuance of his approval to the conditions and restrictions that he determines are reasonable and necessary for the protection of the company’s policyholders or the public.

e. The transfer of domicile of an insurer pursuant to the provisions of this section shall not be construed to alter either the existing rights,
franchises and interests, or the duties, obligations and liabilities of the insurer transferring domicile, except as otherwise provided by law. Insurers who transfer domicile shall continue to be subject to all the liabilities, claims and demands against the company which were in existence prior to the transfer of domicile. Any action or proceeding pending at the time of the consummation of the process by which the domicile is transferred in which the company is a party shall not abate or discontinue by reason of the transfer of domicile, but shall be prosecuted to a final resolution in the same manner as if the transfer of domicile had not taken place.

f. The certificate of authority, insurance producer appointments and licenses, rating systems and other documents required to be maintained for regulatory purposes, which are in existence and approved for use in this State at the time any insurer licensed to transact the business of insurance in this State transfers its corporate domicile to this or any other state by merger, consolidation, transfer, or any other lawful method, shall continue in full force and effect upon such transfer if the commissioner is satisfied that the insurer remains duly qualified to transact the business of insurance in this State. All outstanding policies of any transferring insurer shall remain in full force and effect and need not be endorsed as to the new name of the company or its new location unless so ordered by the commissioner. To the extent required by law, every transferring insurer shall file new policy forms with the commissioner on or before the effective date of the transfer, but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the commissioner.

g. When two foreign insurers of the same insurance holding company system domiciled in different states are approved for domestication pursuant to subsection a. of this section during the calendar year following enactment of P.L.1994, c.189 (C.17:17-20 et al.), these insurers shall thereafter file financial statements in this State pursuant to R.S. 17:23-1 that are consistent with the financial statements filed by each other with respect to the same or similar financial transactions notwithstanding any inconsistent financial statements filed previously as required by insurance regulators of the prior respective domiciles. Any dividends previously paid by these insurers pursuant to the laws of the former domiciliary states in excess of the earned surplus of these insurers shall, to the extent of such excess, be reported on the financial statements filed by each insurer after domestication in this State as a return of capital distributed from gross paid in and contributed surplus rather than as negative earnings.

2. This act shall take effect immediately.

Approved January 8, 1997.
CHAPTER 156, LAWS OF 1996

CHAPTER 156

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1974, c.17 (C.17:30A-5) is amended to read as follows:

   d. "Covered claim" means an unpaid claim, including one of unearned premiums, which arises out of and is within the coverage, and not in excess of the applicable limits of an insurance policy to which this act applies, issued by an insurer, if such insurer becomes an insolvent insurer after January 1, 1974, and (1) the claimant or insured is a resident of this State at the time of the insured event; or (2) the property from which the claim arises is permanently located in this State. "Covered claim" shall not include any amount due any reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries or otherwise; provided, that a claim for any such amount, asserted against a person insured under a policy issued by an insurer which has become an insolvent insurer, which, if it were not a claim by or for the benefit of a reinsurer, insurer, insurance pool, or underwriting association, would be a "covered claim," may be filed directly with the receiver of the insolvent insurer, but in no event may any such claim be asserted in any legal action against the insured of such insolvent insurer.

A "covered claim" shall not include amounts for interest on unliquidated claims, punitive damages unless covered by the policy, counsel fees for prosecuting suits for claims against the association, and assessments or charges for failure of such insolvent insurer to have expeditiously settled claims.

A "covered claim" shall not include a claim filed with the association after the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer unless the claimant demon-
strates unusual hardship and the commissioner approves of treatment of the
claim as a "covered claim." "Unusual hardship" shall be defined in regula-
tions promulgated by the commissioner. With respect to insurer insolvencies
pending as of the effective date of this 1996 amendatory act, a "covered
claim" shall not include a claim filed with the association: (1) more than one

by the court for the filing of claims against the liquidator or receiver of the
insolvent insurer, whichever date occurs later;

e. "Insolvent insurer" means (1) a licensed insurer admitted pursuant to
R.S.17:32-1 et seq. or authorized pursuant to R.S.17:17-1 et seq., or

this State either at the time the policy was issued or when the insured event
occurred, and (2) which is determined to be insolvent by the court of
competent jurisdiction. "Insolvent insurer" does not include any unautho-

pursuant to P.L.1960, c.32 (C.17:22-6.37 et seq.);

f. "Member insurer" means any person who (1) writes any kind of
insurance to which this act applies under section 2 b. including the exchange
of reciprocal or interinsurance contracts and (2) is a licensed insurer
admitted or authorized to transact the business of insurance in this State.
"Member insurer" does not include any unauthorized or nonadmitted insurer
whether or not deemed eligible for surplus lines pursuant to P.L.1960, c.32
(C.17:22-6.37 et seq.);

g. "Net direct written premiums" means direct gross premiums written
in this State on insurance policies to which this act applies, less return
premiums thereon and dividends paid or credited to policyholders on such
direct business. "Net direct written premiums" does not include premiums

on policies issued by an insurer as a member of the New Jersey Insurance
Underwriting Association pursuant to P.L.1968, c.129 (C.17:37A-1 et seq.).

2. Section 12 of P.L.1974, c.17 (C.17:30A-12) is amended to read as
follows:

C.17:30A-12 Recovery of covered claims, exhaustion of other sources.

12. a. Any person having a covered claim which may be recovered from
more than one insurance guaranty association or its equivalent shall seek
recovery first from the association of the place of residence of the insured at
the time of the insured event except that if it is a first party claim for damage
to property with a permanent location, he shall seek recovery first from the
association of the location of the property. Any recovery under this act shall
be reduced by the amount of recovery from any other insurance guaranty
association or its equivalent. However, if recovery is denied or deferred by the association, a person may proceed to recover from any other insurance guaranty association or its equivalent from which recovery may be legally sought.

b. Any person having a claim against an insurer, whether or not the insurer is a member insurer, under any provision in an insurance policy other than a policy of an insolvent insurer which is also a covered claim, shall be required to exhaust first his right under that other policy. An amount payable on a covered claim under P.L.1974, c.17 (C.17:30A-1 et seq.) shall be reduced by the amount of recovery under any such insurance policy.

3. Section 3 of P.L.1984, c.101 (C.17:22-6.72) is amended to read as follows:

C.17:22-6.72 Definitions relative to the Surplus Lines Insurance Guaranty Fund.

As used in this act:

b. "Covered claim" means an unpaid claim, including a claim for unearned premiums, which arises out of and is within the coverage, and not in excess of the applicable limits of an insurance policy to which this act applies, and which was issued by a surplus lines insurer which was eligible to transact insurance business in this State at the time the policy was issued and which has been determined to be an insolvent insurer on or after June 1, 1984, if (1) the claimant or policyholder is a resident of this State at the time of the occurrence of the insured event for which a claim has been made, or (2) the property from which the claim arises is permanently located in this State.

"Covered claim" shall not include any amount due any reinsurer, insurance pool or underwriting association, as subrogation recoveries or otherwise, except that a claim for any such amount, asserted against a person insured under a policy issued by a surplus lines insurer which has become an insolvent insurer, which, if it were not a claim by or for the benefit of a reinsurer, insurer, insurance pool, or underwriting association, would be a "covered claim," may be filed directly with the receiver of the insolvent insurer, but in no event may any such claim be asserted in any legal action against the insured of that insolvent insurer. "Covered claim" shall also not include amounts for interest on unliquidated claims, punitive damages unless covered by the policy, counsel fees for prosecuting suits for claims against the fund, and assessments or charges for failure by an insolvent insurer to have expeditiously settled claims.
A "covered claim" shall not include a claim filed with the fund after the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer unless the claimant demonstrates unusual hardship and the commissioner approves of treatment of the claim as a "covered claim." "Unusual hardship" shall be defined in regulations promulgated by the commissioner. With respect to insurer insolvencies pending as of the effective date of this 1996 amendatory act, a "covered claim" shall not include a claim filed with the fund: (1) more than one year after the effective date of this 1996 amendatory act or (2) the date set by the court for the filing of claims against the liquidator or receiver of the insolvent insurer, whichever date occurs later.

c. "Fund" means the New Jersey Surplus Lines Insurance Guaranty Fund created pursuant to section 4 of this act.

d. "Insolvent insurer" means an insurer which was an eligible surplus lines insurer at the time the insurance policy was issued or when the insured event occurred, and which is determined to be insolvent by a court of competent jurisdiction in this State or the state or place in which the surplus lines insurer is domiciled. "Insolvent insurer" does not include an admitted insurer issuing insurance pursuant to section 10 of P.L.1960, c.32 (C.17:22-6.44).

e. "Member insurer" means an eligible, nonadmitted or surplus lines insurer required to be a member of, and that is subject to, assessments by the fund.

f. "Net direct written premiums" means direct gross premiums on insurance policies written by a surplus lines insurer to which this act applies, less return premiums thereon and dividends paid or credited to policyholders on that direct business. If a policy issued by a surplus lines insurer covers risks or exposures only partially in this State, the "net direct written premiums" shall be computed, for assessment purposes, on that portion of the premium subject to the premium receipts tax levied in accordance with section 25 of P.L.1960, c.32 (C.17:22-6.59). "Net direct written premiums" do not include premiums on contracts between insurers or reinsurers.

g. "Surplus lines insurer" means a nonadmitted insurer approved as an eligible, nonadmitted or unauthorized insurer pursuant to section 11 of P.L.1960, c.32 (C.17:22-6.45) at the time the policies were issued against which a covered claim may be filed in accordance with this act.

4. Section 10 of P.L.1984, c.101 (C.17:22-6.79) is amended to read as follows:
CHAPTER 157, LAWS OF 1996

C.17:22-6.79 Recovery of covered claims, exhaustion of other sources.

10. a. Any person having a covered claim that may be recovered from more than one insurance guaranty association, or its equivalent, shall seek recovery first from the association of the place of residence of the policyholder at the time of the insured event, except that if it is a first party claim for damage to property with a permanent location, he shall seek recovery first from the association of the jurisdiction in which the property is located. Any recovery under this act shall be reduced by the amount of recovery from any other insurance guaranty association; except that, if recovery is denied or deferred by that association, a person may proceed to recover from any other insurance guaranty association from which recovery may be legally sought.

b. Any person having a claim against an insurer, whether or not the insurer is a member insurer, under any provision in an insurance policy other than a policy of an insolvent insurer which is also a covered claim, shall be required to exhaust first his right under that other policy. An amount payable on a covered claim under P.L.1984, c.101 (C.17:22-6.70 et seq.) shall be reduced by the amount of recovery under any such insurance policy.

5. This act shall take effect immediately and shall apply to all pending unpaid claims and all claims filed on or after the effective date of this act.

Approved January 8, 1997.

c. The license fee for a branch office shall be based on the number of activities in which the person is authorized to engage at that location pursuant to the schedule provided in section 8 of this act.

C.17:11C-10 Information on license; posting, disposition of license.

10. a. The license shall state the name of the licensee and the licensee's place of business or businesses, as applicable, and shall contain such other information as the commissioner may see fit to require.

The sale or transfer shall be deemed approved if the commissioner does not deny the application within 30 days after receipt, or 10 days when the sale or transfer is to another licensee under this act. In lieu of individual bonds, a licensee may procure a blanket bond to cover all employees licensed under the provisions of this act in an amount as prescribed by regulations of the commissioner. The bond shall run to the State for the benefit of any person injured by the wrongful act, default, fraud or misrepresentation of the licensee or its employees. No bond shall comply with the requirements of this section unless the bond contains a provision that it shall not be canceled for any cause unless notice of intention to cancel is filed in the department at least 30 days before the day upon which cancellation shall take effect.

d. The commissioner may by regulation: define the term "tangible net worth;" provide for a phase-in period for licensees acting as mortgage bankers or mortgage brokers to comply with the tangible net worth requirements of this section; and establish standards for determining compliance with those requirements and any remedial action, including suspension of a license, for failure to comply with those requirements.

e. The net worth and liquid asset requirements of this section and of sections 15 and 16 of this act are not cumulative, and the net worth and liquid assets necessary to satisfy the requirements for one licensed activity may also be used to satisfy another licensed activity.

C.17:11C-17 Maintenance of place of business.

17. a. A licensee engaging in business as a mortgage banker or mortgage broker, a secondary lender or a consumer lender shall have and maintain a place of business in this State for the transaction of business. Nothing in this act or in the "Retail Installment Sales Act of 1960," P.L.1960, c.40 (C.17:16C-1 et seq.), shall be construed to require an entity licensed as only a sales finance company to maintain a branch office in this State so long as it is qualified to do business here and has a registered agent for service of process.

b. If a licensee maintains a branch office or offices, one of the offices shall be designated as a principal office.

c. A licensee which changes the address of its principal office or a branch office shall file with the commissioner those documents required by regulation, and shall pay an administrative fee not in excess of $100.

18. a. The commissioner may refuse to issue and may revoke, suspend or refuse to renew a license or impose a penalty pursuant to this act, or refuse to register or rescind or revoke a solicitor registration, if the
commissioner finds, after notice and an opportunity for a hearing in accordance with the "Administrative Procedure Act," P.L.1968, c. 410 (C.52:14B-1 et seq.) and any rules adopted thereunder, that any person, applicant for or holder of the license has:

3. Been convicted of an offense involving breach of trust, moral turpitude or fraudulent or dishonest dealing, or had a final judgment entered against him in a civil action upon grounds of fraud, misrepresentation or deceit;
4. Become insolvent, or failed to attain or maintain the required net worth;
5. Demonstrated unworthiness, incompetence, bad faith or dishonesty in the transaction of business as a licensee; or
6. Engaged in any other conduct which would be deemed by the commissioner to be the cause for denial of the license.

b. A license of a corporation, partnership, association or other entity may be suspended or revoked if any officer, director or member of the licensee has committed any act which would be cause for suspending or revoking a license issued to him as an individual.

c. If the license issued to an individual is revoked or suspended, the license issued to the partnership, association, corporation or other entity shall also be revoked or suspended by the commissioner, unless within the time fixed by the commissioner, in the case of a partnership, the connection therewith of the member whose license has been revoked shall be severed and that member's interest in the partnership and share in its activities brought to an end, or in the case of an association, corporation, or other entity, the offending officer or director shall be discharged and shall have no further participation in its activity. Officers and directors of the corporation shall be required to fully divest themselves of all stock, bonds or other corporate holdings.

d. The department may suspend or revoke the entire license of a person whose license is suspended or revoked for only one of its authorized licensed activities.

e. Any licensee may surrender any license by delivering to the commissioner written notice that the license is surrendered, along with the license, but the surrender shall not affect the licensee's civil or criminal liability for an act committed prior to the surrender.
C.17:11C-19 Maintenance of books, accounts, records, documents.

19. a. Every licensee shall maintain, at the place of business in this State designated in the license, those books, accounts, records and documents of the business conducted under the license as may be prescribed by the commissioner to enable the commissioner to determine whether the business of the licensee is being conducted in accordance with the provisions of this act and the orders, rules and regulations issued hereunder.

   b. A licensee operating two or more licensed places of business in this State shall maintain the records of all licensed places at any one of the licensed places. Upon appropriate notice to the commissioner and if a change in location of records is made, the commissioner shall be notified in writing of the change within five business days of the change.

   c. Every licensee shall preserve all books, accounts, records and documents pertaining to its business, and keep them available for examination by the commissioner, for at least three years from the date of original entry, or such longer time as prescribed by the commissioner by regulation.

   d. A licensee may, upon approval of the commissioner, keep records at a location, designated by the licensee, outside this State, provided that the licensee shall make the records available in this State upon request of the commissioner, or, at its option have the records examined at its out-of-State location and shall pay the reasonable expenses of the commissioner for the examination.

(2) Credit involuntary unemployment insurance in accordance with forms and rates filed and approved by the commissioner pursuant to applicable regulations.

b. If a licensee obtains or provides any credit insurance for a borrower or borrowers pursuant to subsection a. of this section, a licensee may deduct from the principal of a loan and retain an amount equal to the premium lawfully charged by the insurance company. The premium may be charged monthly in the case of an open-end loan or open-end consumer loan. The amount so deducted and retained shall not be considered a prohibited charge or amount of any examination, service, brokerage, commission, expense, fee or bonus or other thing or otherwise.

c. If a borrower or borrowers obtain such insurance from or through a licensee, the licensee shall show the amount of the charge for the insurance and cause to be delivered to the borrower or borrowers a copy of the policy, certificate or other evidence of that insurance when the loan is made. Nothing in this act shall prohibit the licensee from collecting the premium or identifiable charge for insurance permitted by this section and from receiving and retaining any dividend, or any other gain or advantage resulting from that insurance.

d. A licensee may require a borrower to demonstrate that the property securing a first mortgage loan or secondary mortgage loan is insured against damage or loss due to fire and other perils, including those of extended coverage, for a term not to exceed the term of the loan and in an amount not to exceed the amount of the secondary loan, together with the amount needed to satisfy all prior liens on that property.

c. No mortgage banker or mortgage broker shall charge or exact directly or indirectly from the mortgagor or any other person fees, commissions or charges not authorized by this act.

d. No person shall receive any commission, bonus or fee in connection with arranging or originating a first mortgage loan for a borrower unless that person is licensed or exempt from licensure as a mortgage banker or mortgage broker, except that a registered mortgage solicitor may receive a commission, bonus, or fee from his employer.

e. No person or licensee authorized to act as a mortgage banker or mortgage broker shall pay any commission, bonus or fee to any person not licensed or not exempt under the provisions of this act in connection with arranging for or originating a mortgage loan for a borrower, except that a
registered mortgage solicitor may be paid a bonus, commission or fee by his employer.

f. No person shall obtain or attempt to obtain a license by fraud or misrepresentation.

g. No mortgage banker or mortgage broker shall misrepresent, circumvent, or conceal the nature of any material particular of any transaction to which the mortgage banker or broker is a party.

h. No mortgage banker or mortgage broker shall fail to disburse funds in accordance with the mortgage banker's or broker's agreements, unless otherwise ordered by the commissioner or a court of this State or of the United States.

i. No mortgage banker or mortgage broker shall fail without good cause to account or deliver to any person any personal property, money, fund, deposit, check, draft, mortgage, document or thing of value, which is not the mortgage banker's or broker's property, or which the mortgage banker or broker is not in law or equity entitled to retain under the circumstances, at the time which has been agreed upon, or is required by law or, in the absence of a fixed time, upon demand of the person entitled to such accounting and delivery.

j. No person or licensee shall fail to place in escrow, immediately upon receipt, any money, fund, deposit, check or draft entrusted to him by any person dealing with him as a mortgage banker or mortgage broker, in a manner approved by the commissioner, or to deposit the funds in a trust or escrow account maintained by him with a financial institution the deposits of which are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, wherein the funds shall be kept until the disbursement thereof is properly authorized.

k. No mortgage banker or mortgage broker shall fail (1) to present a certified check, cashier's check or bank check for the proceeds of the first mortgage loan; (2) to arrange an electronic fund transfer for the proceeds of the loan; or (3) to provide for payment by any other means which is ethically permissible to the purchaser, acting on the purchaser's own behalf, or to the attorney for the purchaser, at a reasonable time and place prior to the time of the mortgage closing transaction. This subsection shall not prevent a person or licensee from utilizing any method of payment which is agreed upon by the person or licensee and the closing agent; nor shall it prevent the person or licensee from assessing a reasonable charge as set forth by regulation by the commissioner to reflect the additional cost to the person or licensee for the issuance of a certified, cashier's or bank check, an electronic fund transfer, or any other means of payment which is ethically permissible. That reasonable charge shall be fully disclosed at application or at or prior to the issuance of the loan commitment. A "bank check" means
a negotiable instrument drawn by a state or federally chartered bank, savings bank or savings and loan association on itself or on its account in another state or federally chartered bank, savings bank or savings and loan association doing business in this State.

C.17:11C-23 Fees allowed to be charged by mortgage bankers.

23. a. Notwithstanding the provisions of any other law, a person licensed as a mortgage banker, incidental to the origination, processing and closing of a mortgage loan transaction, shall have the right to charge only the following fees: (1) credit report fee; (2) appraisal fee; (3) application fee; (4) commitment fee; (5) warehouse fee; (6) fees necessary to reimburse the mortgage banker for charges imposed by third parties; and (7) discount points.

b. Notwithstanding the provisions of any other law, a person licensed as a mortgage broker, incidental to the brokering of a first mortgage loan transaction, shall have the right to charge only the following fees: (1) application fee; and (2) discount points.

c. No person licensed as a mortgage banker or mortgage broker may charge any fee either not expressly authorized by this section or authorized by the commissioner by regulation.

C.17:11C-24 Secondary lenders permitted to make closed-end loans.

24. a. Notwithstanding the provisions of R.S. 31:1-1 or any other law to the contrary, a person licensed as a secondary lender may make closed-end loans, and may charge, contract for and receive thereon interest at an annual percentage rate agreed to by the licensee and the borrower.

b. The note evidencing a closed-end loan may provide for a variation in the interest rate in which adjustments to the interest rate shall correspond directly to the movement of an interest rate index which is readily available to and verifiable by the borrower and is beyond the control of the lender. If the note provides for a variation in the interest rate, that fact shall be clearly described in plain language, in at least eight-point bold face type on the face of the note. If the note provides for a final payment which is substantially greater than the previous installments, that fact, together with a statement that the lender is under no obligation to refinance the loan, unless the lender unconditionally obligates itself to do so, shall be clearly disclosed in plain language, in at least eight-point bold face type on the face of the note. No rate increase or decrease shall take effect during the first six months of the term of the loan. Thereafter, no rate increase or decrease shall take effect unless at least 30 days prior to the effective date of that increase or decrease, a written notice has been mailed or delivered to the borrower that clearly and conspicuously describes the increase or decrease, and unless at least six months have elapsed without any increase in the rate.
c. Upon written request from the borrower, a secondary lender shall give to the borrower, without charge, within five days from the date of receipt of that request, a written statement of the borrower's account, which shall show the dates and amounts of all installment payments on a closed-end loan credited to the borrower's account, the dates, amounts and explanation of all other charges or credits to the account and the unpaid balance thereof. A secondary lender shall not be required to furnish more than two such statements in any 12-month period.

C.17:11 C-25 Secondary lenders permitted to make open-end loans.

25. Notwithstanding the provisions of R.S.31:1-1 or any other law to the contrary, and subject to all applicable provisions of this act, a person licensed as a secondary lender shall have authority to make open-end loans as defined in section 2 of this act, upon the same terms and conditions permitted to banks, savings banks, savings and loan associations pursuant to State and federal laws and regulations promulgated thereunder, and may charge, contract for, and receive thereon, interest at an annual percentage rate agreed to by the licensee and the borrower, provided however, that with respect to fees and other charges permitted in connection with open-end loans, secondary mortgage lenders shall be subject to the provisions of this act.

C.17:11 C-26 Requirements for instruments evidencing secondary mortgage loan.

26. An instrument evidencing a secondary mortgage loan shall:

a. Be in the form of a promissory note for a closed-end loan, and in the form of a loan agreement for an open-end loan, and shall be identifiable by the use of the words "Secondary Mortgage Loan" printed prominently, in 14-point bold type or larger, centered and at the top of the promissory note or loan agreement.

b. Provide for the payment, in full, of the total amount of the secondary mortgage loan in substantially equal payment periods, measured in terms of weeks or months, and, except as otherwise permitted, substantially equal installment payment amounts, except that the initial payment period may be deferred for 60 days, and, provided further, when appropriate for the purpose of facilitating payment in accordance with the borrower's intermittent income, a promissory note or loan agreement may provide an installment schedule which reduces or omits payments over any period or periods of time during which the borrower's income is reduced or suspended, and the final installment may be $1 more or less than the amount of all other installment payments.

c. Contain the following notice printed prominently, in the identical form indicated below, in 10-point bold type or larger, directly above the space provided for the signature of the borrower.
"NOTICE TO BORROWER

Read this promissory note or loan agreement before you sign.
Do not sign this promissory note or loan agreement if it contains blank spaces.
The promissory note or loan agreement is secured by a secondary mortgage on your real property.

d. Be completed in full before it is signed by the borrower. In the event that it is unnecessary to fill in a blank space provided for in any instrument, the figure -0-, a dash, line or the word "none" shall be inserted in such blank space.

C.17:11C-27 Prohibited provisions in writings executed in connection with secondary mortgage loan.

27. No writing of any kind executed in connection with a secondary mortgage loan shall contain:
   a. A power of attorney to confess judgment;
   b. An assignment of or order for the payment of any salary, wages, commissions or any other compensation for services, or any part thereof, earned or to be earned.
   c. An agreement to pay any amount other than the unpaid balance of the promissory note or loan agreement or any other charge authorized by this act.
   d. A provision relieving the licensee from liability for any claim, or from any legal remedy, which the borrower may have against the licensee under the terms of the promissory note or loan agreement.
   e. A provision whereby the borrower waives any right of action against the licensee, a subsequent holder or any person acting on the licensee's or holder's behalf for any illegal act committed in the collection of payments under the promissory note or loan agreement.
   f. An acceleration clause under which the unpaid balance of the promissory note or loan agreement not yet matured or any part thereof may be declared due and payable because the licensee or subsequent holder deems himself to be insecure.

C.17:11C-28 Secondary lenders, charges, fees allowed.

28. a. A secondary lender shall not contract for, charge, receive or collect directly or indirectly, any of the following in connection with a secondary mortgage loan: a broker's or finder's fee; commission; expense; fine; penalty; premium; or any other thing of value other than the charges authorized by this act; except the expenses incurred on actual sale of the real property in foreclosure proceedings or upon the entry of judgment, which are otherwise authorized by law; provided, however, that:
(1) A secondary lender may charge and receive no more than three discount points computed as a percentage of the principal amount of the loan and may add such discount points to the principal balance of the loan, which discount points shall be fully earned when the loan is made. The annual percentage rate charged to the borrower, including the discount points, if any, shall be subject to N.J.S.2C:21-19. As used in this paragraph, "discount point" means one percent of the principal amount of the loan; and

(2) A secondary lender may require a borrower to pay a reasonable legal fee at the time of the execution of the secondary mortgage loan, provided that any legal fee shall represent a charge actually incurred in connection with the secondary mortgage loan and shall not be paid to any person other than an attorney authorized to practice law in this State; provided further that the legal fee shall be evidenced by a statement issued to the licensee from the attorney.

b. Secondary lenders shall have authority to collect fees for title examination, abstract of title, survey, title insurance, credit reports, appraisals, and recording fees when those fees are actually paid by the licensee to a third party for those services or purposes and to include those fees in the amount of the loan principal.

c. Secondary lenders shall also have the authority to charge and collect a returned check fee in an amount not to exceed $20 which the secondary lender may charge the borrower if a check of the borrower is returned to the licensee uncollected due to insufficient funds in the borrower's account. Licensees shall also have the authority to charge and collect a late charge in any amount as may be provided in the note or loan agreement, but no late charge shall exceed 5% of the amount of payment in default. Not more than one late charge shall be assessed on any one payment in arrears.

d. A secondary lender shall not make any other charge or accept an advance deposit prior to the time a secondary mortgage loan is closed, except that a secondary lender may charge:

(1) an application fee at closing; and

(2) on an open-end loan, an annual fee of $50 or 1% of the line of credit, whichever is less.

c. A promissory note or loan agreement may provide for the payment of attorney fees in the event it becomes necessary to refer the promissory note or loan agreement to an attorney for collection; provided, however, that any such provision shall be void and unenforceable unless:

(1) The promissory note or loan agreement is referred to an attorney authorized to practice law in this State;

(2) The attorney to whom the promissory note or loan agreement is referred is not a partner, officer, director or employee, whether salaried or commissioned, of the secondary lender; and
(3) Suit is actually filed by the attorney to whom the promissory note or loan agreement is referred and subsequently decided in favor of the secondary lender, in which event the attorney fees shall not exceed 15% of the first $500, 10% of the next $500 and 5% of any excess amount due and owing under the promissory note or loan agreement and, provided further that at least 15 days prior to the commencement of the suit, the secondary lender or his attorney shall send to the borrower, by certified or registered mail, return receipt requested, at the borrower's last known address, a statement of the secondary lender's intention to sue, which statement shall also specify the amount of principal, interest and any other charge due and owing to the secondary lender.

C.17:11C-29 Collection of additional charges by secondary lender.

29. a. If a secondary lender charges or collects interest, costs or other charges on a secondary mortgage loan in excess of those permitted by this act, the licensee may collect only the principal amount of the loan, and may not collect interest, costs or other charges with respect to the loan. In addition, a licensee who knowingly and willfully violates any provision of this act shall also forfeit to the borrower three times any amount of the interest, costs or other charges collected in excess of that authorized by law.

b. A secondary lender shall have no liability on a secondary mortgage loan for an unintentional error if within 90 days after discovering an error the licensee notifies the borrower of the error and makes adjustments in the account as necessary to assure that the borrower will not be required to pay any interest, costs or other charges which aggregate in excess of the charges permitted under this act for secondary mortgage loans. The discovery of an unintentional error within the meaning of this section shall include an entry of a judgment by a court of competent jurisdiction holding that a rule or regulation with which the licensee acted in conformity was invalid or in violation of this act, and a licensee shall have no liability for that unintentional error if the licensee takes the actions required upon discovery of an error pursuant to this section within the time stated therein following entry of such a judgment.

C.17:11C-30 Obligations of secondary lender to borrower.

30. A secondary lender shall:

   a. Give to the borrower, without charge, a copy of every instrument, document or other writing the borrower signs, and written evidence of any insurance obtained from the licensee.

   b. Give to the borrower, without charge, at the time a closed-end loan is made, and at the time of the first advance on an open-end loan, a closing statement which itemizes the individual amounts disbursed to or on behalf of the borrower, including, but not limited to, the premium for insurance, if
any, the total amount of funds so disbursed, the amount of the interest charge, total amount of the loan, the amount, number and due date of the installment payments and the interest charge expressed as an annual percentage rate, as applicable.

c. In the event a borrower's application for a secondary mortgage loan is denied, notify the borrower, in writing, of that denial and provided further, the name of any such borrower or a list of such borrowers shall not be referred by the licensee, in any manner whatsoever, to any other lender, retail seller of personal property or services or to any other person, whether in this or any other state.

d. If a secondary mortgage loan is not consummated, return all documents executed by or belonging to the borrower.

e. When payment is made in cash on an account of a secondary mortgage loan, give to the borrower, without charge, at the time that payment is actually received, a written receipt which shall show the name and address of the licensee, the name and address of the borrower, account number or other identification mark or symbol, date and amount paid.

f. When a closed-end loan is paid in full, or when an open-end loan is paid in full and the borrower has notified the licensee in writing to discontinue his account with the licensee:

(1) Refund or credit to the borrower, in accordance with regulations promulgated by the commissioner, any unearned portion of the premium for any insurance, if a premium for such insurance was disbursed on behalf of the borrower at the time the secondary mortgage loan was originally made.

(2) Stamp or write on the face of the promissory note or loan agreement evidencing the borrower's secondary mortgage loan indebtedness "Paid in Full" or "Canceled," the date paid and the name and address of the licensee and, within 45 days, return the promissory note or loan agreement to the borrower.

(3) Release any lien on real property and cancel the same of record pursuant to P.L.1975, c.137 (C.46:18-11.2 et seq.), and, at the time the promissory note or loan agreement evidencing the borrower's secondary mortgage loan indebtedness is returned, deliver to the borrower such good and sufficient assignments, releases or any other certificate, instrument or document as may be necessary to vest the borrower with complete evidence of title, insofar as the applicable secondary mortgage loan is concerned, to the real property, except that the licensee may require the borrower to pay any charge imposed upon the licensee by a county recording officer to effect the cancellation or release.

C.17:11C-31 Secondary lenders, prohibited practices.

31. A secondary lender shall not:
a. Transact any business subject to the provisions of this act under any other name or at any other location except that designated in his license. For the purpose of this section, the transaction of business includes, but is not limited to, the signing of any instrument, document or any other form by the borrower, except that a borrower's application for a secondary mortgage loan need not be signed in the office of the licensee and a secondary mortgage loan need not be closed at the office of a licensee so long as it is closed in New Jersey at the office of an attorney admitted to practice in this State.

b. Request that a borrower incorporate in connection with a secondary mortgage loan or aid or abet such a scheme.

c. Make a secondary mortgage loan which has been referred by a retail seller, who, in connection with that referral, has required the borrower to purchase personal property or services or has indicated that such a purchase is necessary as a condition precedent for that loan.

d. Require or accept from a borrower any collateral or security for a secondary mortgage loan other than a mortgage, indenture or any other similar instrument or document which creates a lien upon any real property or an interest in real property including, but not limited to, shares of stock in a cooperative corporation.

e. Solicit secondary mortgage loan business through any other person by paying, directly or indirectly, for such business referred to the licensee by any such person, except that a licensee may solicit secondary mortgage loan business on behalf of another licensee or lender expressly authorized to make secondary mortgage loans in this State if (1) that solicitation results in no additional cost or expense to the borrower; and (2) the application and all advertising in connection therewith clearly disclose the identity of the person or entity which will be making the loan. If those conditions are met, a licensee may collect a fee or a commission from the lender as consideration for the solicitation.

C.17:11C-32 Consumer loans permitted by licensees, terms.

32. a. Notwithstanding the provisions of R.S.31:1-1 or any other law to the contrary, every licensee authorized to engage in the consumer loan business may loan any sum of money not exceeding $15,000, repayable in installments, and may charge, contract for and receive thereon interest at an annual percentage rate or rates agreed to by the licensee and the borrower.

b. A closed-end consumer loan contract may provide for a variation in the interest rate in which adjustments to the interest rate shall correspond directly to the movement of an interest rate index which is readily available to and verifiable by the borrower and is beyond the control of the lender. No increase during the entire loan term shall result in an interest rate of more
than 6% per annum over the rate applicable initially, nor shall the rate be 
raised more than 3% per annum during any 12-month period. The lender 
shall not be obligated to decrease the interest rate more than 6% over the 
term of the loan, nor more than 3% per annum during any 12-month period. 
If a rate increase is applied to the loan, the lender shall also be obligated to 
adopt and implement uniform standards for decreasing the rate. If the 
contract provides for the possibility of an increase or decrease or both in 
the rate, that fact shall be clearly described in plain language, in at least 8-point 
bold face type on the face of the contract. No rate increase shall take effect 
unless (1) at least 90 days prior to the effective date of the first such 
increase, or 30 days prior to the effective date of any subsequent increase, 
a written notice has been mailed or delivered to the borrower that clearly 
and conspicuously describes such increase, and (2) unless at least 365 days 
have elapsed without any increase in the rate. Where the loan contract so 
provides for an increase or decrease in the rate of interest, the installments 
may vary in amount, notwithstanding any other law to the contrary, except 
that if the rate increases, the borrower may request, and the lender shall 
provide for, either an increase in the amount of the installment payment or 
an extension of the term of the loan, or some combination of an increase in 
the amount of the installment payment and extension of the term.

c. An open-end loan agreement may provide that the lender may at any 
time, or from time to time, change the terms of the agreement, including the 
terms governing the periodic interest rate, calculation of interest or the 
method of computing the required amount of periodic installment payments, 
provided however, that:

(1) the periodic interest rate shall not be changed more than once in each 
billing cycle;

(2) any change in the periodic interest rate shall correspond to the 
movement of a market interest rate index specified in the agreement which 
is readily verifiable by the borrower and beyond the control of the lender;

(3) a change in any term of the agreement, including the periodic 
interest rate, may be permitted to apply to any then-outstanding unpaid 
indebtedness in the borrower's account, including any indebtedness which 
shall have arisen from advances obtained prior to the effective date of the 
change, so long as that fact is clearly and conspicuously disclosed in the 
agreement;

(4) if the agreement provides for the possibility of a change in any term 
of the agreement, including the rate, that fact shall be clearly described in 
plain language, in at least 8-point bold face type on the face of the written 
notice; and

(5) no change in any term of the agreement or of the index specified in 
the agreement shall be effective unless: (a) at least 30 days prior to the
effective date of the change, a written notice has been mailed or delivered to
the borrower that clearly and conspicuously describes the change and the
indebtedness to which it applies, and states that the incurrence by the
borrower or another person authorized by him of any further indebtedness
under the law to which the agreement relates on or after the effective date
of the change specified in the notice shall constitute acceptance of the
change; and (b) either the borrower agrees in writing to the change or the
borrower or another person authorized by him incurs further indebtedness
on or after the effective date of the change stated in that notice, which
indebtedness may include outstanding balances. Any borrower who fails to
use the borrower's account or so to indicate agreement to the change shall
be permitted to pay the outstanding unpaid indebtedness in the borrower's
account in accordance with the terms governing the open-end consumer
loan agreement without giving effect to the change.

d. The consumer lender shall notify each affected borrower in a
consumer loan agreement of any change in the manner set forth in the
closed-end and open-end agreement governing the plan and in compliance
with the requirements of the federal "Truth in Lending Act" (15
U.S.C.s.1601 et seq.) and regulations promulgated thereunder, as in effect
from time to time, if applicable.

e. The interest and periodic payments for consumer loans at these rates
shall be computed from the standard tables based on the actuarial or annuity
method which conforms to the so-called "United States Rule of Partial
Payments," which provides that interest shall be calculated whenever a
payment is made and the payment shall be first applied to the payment of
interest and if it exceeds the interest due, the balance is to be applied to
diminish principal. If the payment is insufficient to pay the entire amount
of interest, the balance of interest due shall not be added to principal, so as to
produce interest thereon.

f. No interest on a consumer loan shall be paid, deducted, or received in
advance. Interest shall not be compounded and shall be computed only on
unpaid principal balances. For the purpose of computing interest, all
installment payments shall be applied on the date of receipt, and interest shall
be charged for the actual number of days elapsed at the daily rate of 1/365
of the yearly rate.

g. No consumer lender shall induce or permit any person nor any
husband and wife, jointly or severally, to become obligated, directly or
contingently or both, under more than one contract of a consumer loan at
the same time for the purpose of obtaining a higher rate of interest than
would otherwise be permitted by this section. This prohibition shall not
apply to any loan made pursuant to any other law of this State.
C.17:11C-33 Additional charges prohibited on consumer loan; violations.

33. a. In addition to the interest herein provided for on a consumer loan, no further or other charge, or amount whatsoever for any examination, service, brokerage, commission, expense, fee, or bonus or other thing or otherwise shall be directly or indirectly charged, contracted for, or received, except for any amount actually paid by a licensee to a public official for the recording of a security interest in connection with security given for the loan and (1) amounts for insurance obtained or provided by the licensee in accordance with the provisions of this act; (2) on actual sale of the security in foreclosure proceedings or upon the entry of judgment; (3) a returned check fee in an amount not to exceed $20, which the licensee may charge the borrower if a check of the borrower is returned to the licensee uncollected due to insufficient funds in the borrower's account; and (4) an annual fee on open-end accounts which may not exceed an amount equal to one percent of the line of credit or $50, whichever is less.

b. A consumer lender who violates or participates in the violation of any provision of section 3, 19, 20, 21, 34, 35 or 36 or subsection a., b., or c. of section 32, or subsection a. of this section, or subsection e. or f. of section 41 of this act, shall be guilty of a crime of the fourth degree. A contract of loan not invalid for any other reason, in the making or collection of which any act shall have been done which constitutes a crime of the fourth degree under this section, shall be void and the lender shall have no right to collect or receive any principal, interest or charges unless the act was the result of a good faith error, including a good faith error made as a result of a licensee's acting in conformity with a rule or regulation of the commissioner which is later held to be invalid or in violation of any provision of this act by a judgment of a court of competent jurisdiction, and the licensee notifies the borrower of the error within 90 days after discovering it and makes adjustments in the account necessary to assure that the borrower will not be required to pay any interest, costs, or other charges which aggregate in excess of the charges permitted under this act. If any interest, consideration or charges in excess of those permitted are charged, contracted for or received, except as the result of a good faith error, the consumer lender may collect only the principal amount of the loan, and may not collect interest, costs or other charges with respect to the loan. In addition, a consumer lender who knowingly and willfully violates any provision of this act shall also forfeit to the borrower three times any amount of the interest, costs or other charges collected in excess of that authorized by law.

c. A consumer lender shall have no liability on a consumer loan for an unintentional error if within 90 days after discovering an error the licensee notifies the borrower of the error and makes adjustments in the account as necessary to assure that the borrower will not be required to pay any
interest, costs or other charges which aggregate in excess of the charges permitted under this act for consumer loans. The discovery of an unintentional error within the meaning of this section shall include an entry of a judgment by a court of competent jurisdiction holding that a rule or regulation with which the consumer lender acted in conformity was invalid or in violation of this act, and a consumer lender shall have no liability for such unintentional error if the consumer lender takes the actions required by this section upon discovery of such an error within the time stated therein following entry of such a judgment.

C.17: 11 C-34 Requirements for consumer lender relative to closed-end loan.

34. Every consumer lender, incident to a closed-end consumer loan, shall:

a. Deliver to the borrower at the time a loan is made a statement in the English language showing in clear and distinct terms the amount and date of the loan and its maturity, the nature of the security, if any, for the loan, the name and address of the borrower and of the licensee, the payment schedule, the amount of interest charges, and the annual percentage rate of interest;

b. Give to any borrower who makes a payment in cash a plain and complete receipt for all payments made on account of the loan at the time payments are made, specifying the amount applied to interest and the amount, if any, applied to principal, and stating the unpaid balance, if any of the loan;

c. Permit payment to be made in advance in any amount on any contract of loan at any time, but the licensee may apply the payment first to all interest in full at the agreed rate up to the date of payment;

d. Upon repayment of the loan in full, mark indelibly every obligation and security signed by the borrower, or a copy thereof, with the word "paid" or "canceled," and release, or give the borrower evidence to release any mortgage, or security interest which no longer secures an obligation to the licensee, restore any pledge, cancel and return any note or a copy thereof, and cancel and return any assignment or a copy thereof given to the licensee by the borrower.

No consumer lender shall take any confession of judgment incident to a closed-end consumer loan. No consumer lender shall, incident to a closed-end consumer loan take any note, promise to pay, or security that does not accurately disclose the amount of the loan, the date of the loan, the payment schedule, the amount of interest charges, and the annual percentage rate of interest, nor any instrument in which blanks are left to be filled in after the loan is made.
C.17:11C-35 Limits on closed-end consumer loans.

35. a. No closed-end consumer loan in an amount of $1,000 or less shall be made for a greater period of time than 36 months and 15 days.
   b. No closed-end consumer loan in an amount in excess of $1,000, but not exceeding $2,500, shall be made for a greater period of time than 48 months and 15 days.
   c. No closed-end consumer loan in an amount in excess of $2,500, but not exceeding $5,000, shall be made for a greater period of time than 60 months and 15 days.
   d. No closed-end consumer loan in an amount in excess of $5,000, but not exceeding $10,000, shall be made for a greater period of time than 84 months and 15 days.
   e. No closed-end consumer loan in an amount in excess of $10,000 shall be made for a greater period of time than 120 months and 15 days.

C.17:11C-36 Open-end consumer loans; conditions, terms.

36. a. A licensee authorized to engage in the consumer loan business may make open-end consumer loans and may contract for and receive thereon interest at an annual percentage rate or rates agreed to by the licensee and the borrower.
   b. A consumer lender shall not compound interest on an open-end consumer loan by adding any unpaid interest authorized by this act to the principal balance of the borrower's account but the unpaid principal balance may include other charges permitted by this act.
   c. Interest on an open-end consumer loan shall be computed in each billing cycle by one of the following methods:
      (1) By converting each yearly rate to a daily rate and multiplying that daily rate by the applicable portion of the daily unpaid principal balance of the account, in which case each daily rate is determined by dividing each yearly rate by 365; or
      (2) By multiplying one-twelfth of each yearly rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle; or
      (3) By converting each yearly rate to a daily rate and multiplying that daily rate by the applicable portion of the average daily unpaid principal balance of the account in the billing cycle, in which case each daily rate is determined by dividing each yearly rate by 365, and the average daily unpaid principal balance is the sum of the amount unpaid each day during the cycle divided by the number of days in the cycle.
d. For all of the above methods of computation, the billing cycle shall be monthly and the unpaid principal balance on any day shall be determined by adding to any balance unpaid as of the beginning of that day all advances and other permissible amounts charged to the borrower and deducting all payments and other credits made or received that day.

e. In an open-end consumer loan, the borrower may at any time pay all or any part of the unpaid balance in his account; or, if the account is not in default, the borrower may pay the unpaid principal balance in monthly installments, subject to the following minimum payment requirements. Minimum monthly payments shall be in an amount which would result in the full repayment of the initial loan advance, exclusive of any interest, within the maximum term set forth for other loans of the same amount in section 35 of this act, except that the minimum payment for any initial advance not exceeding $2,500 shall be in an amount which would result in full repayment of the initial loan advance within the maximum term of 48 months and 15 days. This minimum payment shall continue at that amount until such time as an additional advance to the borrower is made, other than for permitted charges, at which time the minimum monthly payment shall be determined and shall be in that amount which would result in the full repayment of the unpaid principal balance of the loan, after the advance and including the advance, within the maximum term set forth for the other loans of the same amount, except that if the principal balance of the loan, after the advance and including the advance, does not exceed $2,500, the minimum payment shall be in that amount which would result in full repayment of the principal balance of the loan within the maximum term of 48 months and 15 days. Minimum payments after each subsequent advance shall be determined in the same manner. No minimum payment shall exceed the amount required to pay the balance in full, including unpaid interest and charges to date.

f. In addition to interest, a licensee may contract for and receive on an open-end consumer loan the charges permitted under this act for other consumer loans, subject to all the conditions and restrictions on those charges, with the following variations:

(1) If credit life, disability or involuntary unemployment insurance is provided and if the insured dies or becomes disabled or involuntarily unemployed when there is an outstanding open-end loan indebtedness, the insurance shall be sufficient to pay the total balance of the loan due on the date of the borrower's death in the case of credit life insurance, all minimum payments which become due on the loan during the covered period of disability in the case of credit disability insurance or all covered minimum payments which become due on the loan during the covered period of involuntary unemployment in the case of involuntary unemployment insurance. The additional charge for credit life insurance, credit disability
insurance or credit involuntary unemployment insurance shall be calculated in each billing cycle by applying the current monthly premium rate for that insurance, as determined by the commissioner, to the unpaid balances in the borrower's account, using any of the methods specified in subsection c. of this section for the calculation of interest;

(2) No credit life, disability or involuntary unemployment insurance written in connection with an open-end loan shall be canceled by the licensee because of delinquency of the borrower in the making of the required minimum payments on the loan unless one or more of the payments is past due for a period of 90 days or more; and the licensee shall advance to the insurer the amounts required to keep the insurance in force during that period, which amounts may be debited to the borrower's account.

g. A consumer lender may take a security interest in personal property to secure an open-end consumer loan. Any security may be retained until the open-end account is terminated, except that if the security interest covers consumer goods, then within one month, or within 10 days following written demand by the borrower, after there is no outstanding balance in the account and no commitment by the licensee to make advances, the licensee shall release the security interest. If a security interest is taken, the open-end consumer loan agreement shall state the nature and extent of that security interest.

h. No licensee in connection with an open-end consumer loan shall take any confession of judgment or power of attorney, or take any instrument in which blanks are left to be filled in after the loan is made.

C.17:11 C-37 Prohibited charges for large consumer loans.

37. No licensee authorized to engage in the consumer loan business shall directly or indirectly charge, contract for, or receive any interest, discount, or consideration greater than he would be permitted by law to charge if he were not a licensee under this act upon the loan, use, or sale of credit, of the amount or value of more than $15,000. The foregoing prohibition shall also apply to any licensee who permits any person, as borrower or as indorser, guarantor, or surety for any borrower, or otherwise, to owe directly or contingently or both under one or more loan contracts to the licensee at any time the sum of more than $15,000 for principal.

C.17:11 C-38 Certain payments deemed loan secured by assignment.

38. The payment of $15,000 or less in money, credit, goods or things in action, as consideration for any sale, assignment or order for the payment of wages, salary, commissions or other compensation for services, whether earned or to be earned, shall, for the purposes of this act, be deemed a loan secured by the assignment. The transaction shall be governed by and subject
to the provisions of this act and any such sale, assignment or order hereafter made shall, for the purposes of this act, be void and of no effect.

C.17:11C-39 Validity of chattel mortgage, security interest, conditions.

39. No chattel mortgage or security interest, as defined in N.J.S.12A:1-201, in, or other lien on, household furniture then in the possession and use of the borrower, taken in connection with a consumer loan, shall be valid unless that chattel mortgage and the financing statement and the security agreement are in writing, signed in person by the borrower, and if the borrower is married, unless it is signed in person by both husband and wife. The written assent of a spouse shall not be required when husband and wife have been living separate and apart for a period of at least five months prior to the making of the mortgage or lien or security interest.

C.17:11C-40 Loans secured by property.

40. The payment of $15,000 or less in money, credit, goods or things in action as consideration for any sale of personal property which is made on condition that the property be sold back at a greater price shall, for the purposes of this act, be deemed to be a loan secured by the property and the amount by which the repurchase price exceeds the original payment actually paid shall be deemed interest or charges upon the loan from the date the original payment is made until the date the repurchase price is paid. The transaction shall be governed by and be subject to the provisions of this act as if it were a consumer loan.

C.17:11C-41 Consumer lenders, prohibited practices.

41. a. No consumer lender shall make any loan upon security of any assignment of or order for the payment of any salary, wages, commissions or other compensation for services earned, or to be earned, nor shall any such assignment or order be taken by a licensee at any time in connection with any consumer loan, or for the enforcement or repayment thereof, and any such assignment or order hereafter so taken or given to secure any loan made by any licensee under this act shall be void and of no effect.

b. No consumer lender shall take a lien upon real estate as security for any consumer loan, except a lien created by law upon the recording of a judgment.

c. No licensee shall conduct the consumer loan business within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction therewith, except as may be authorized in writing by the commissioner.

d. Every consumer loan contract, other than an open-end consumer loan contract or a variable rate closed-end consumer loan contract under subsection b. of section 32 of this act, shall provide for repayment of
principal and interest combined in installments which shall be payable at approximately equal periodic intervals of time and which shall be so arranged that no installment is substantially greater in amount than any preceding installment, except that the repayment schedule may reduce or omit installments when necessary because of the seasonal nature of the borrower's income.

e. No person, except as authorized by this act, shall directly or indirectly charge, contract for, or receive any interest, discount, or consideration greater than the lender would be permitted by law to charge if he were not a licensee hereunder upon the loan, use, or forbearance of money, goods, or things in action, or upon the loan, use, or sale of credit of the amount of $15,000 or less. This prohibition shall apply to any person who, by any device, subterfuge, or pretense, shall charge, contract for, or receive greater interest, consideration, or charges than is authorized by this act for the loan, use, or forbearance of money, goods, or things in action or for the loan, use, or sale of credit.

f. No consumer loans of the amount or value of $15,000 or less for which a greater rate of interest, consideration, or charge than is permitted by this act has been charged, contracted for, or received, whenever made, shall be enforced in this State and any person, partnership, association or corporation in any way participating therein in this State shall be subject to the provisions of this act. The foregoing shall not apply to loans legally made in any state which then has in effect a regulatory small loan law similar in principle to this act, but an action to enforce any loan made in any state to a person then residing in this State may be maintained in this State only if the amount of interest, discount, consideration or other charge for that loan, demanded to be paid in the action, does not exceed that permitted to a licensee authorized to engage in the consumer loan business by this act for a loan of the same amount repayable in the same manner.

C.17:11C-42 Investigations, examinations of licensees.

42. a. The commissioner may make such investigations and examinations of any licensee or other person as the commissioner deems necessary to determine compliance with this act and the orders, rules and regulations issued hereunder. For these purposes, the commissioner may examine the books, accounts, records and other documents or matters of any licensee or other person. Each licensee shall be subject to an examination by the commissioner, not more than once in any 18-month period, unless the commissioner has reason to believe that the licensee is not complying with the provisions of this act or any rule or regulation promulgated thereunder, or is not transacting business in accordance with law, at which time the commissioner may conduct an examination at any time. The commissioner
shall have the power to compel by subpoena the production of all relevant books, records and other documents and materials relative to an examination or investigation. Examinations conducted under the provisions of this act shall be confidential except as required in the administration, enforcement and prosecution of violations under this act or pursuant to court order. The cost of the investigations and examinations shall be borne by the licensee.

b. The commissioner or the commissioner's designee shall have power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence before him in any matter over which he has jurisdiction pursuant to this act, and to administer oaths and affirmations to any person.

c. If any person shall refuse to obey a subpoena, or to give testimony or to produce evidence as required thereby, the commissioner may apply ex parte to any court having jurisdiction over that person for an order compelling the appearance of the witness before the commissioner to give testimony or to produce evidence as required thereby, or both.

C.17:11C-43 Annual report by licensees.

43. A licensee shall annually file a report before April 1 with the commissioner which shall set forth such information as the commissioner shall require concerning the business conducted as a licensee during the preceding calendar year. The report shall be in writing under oath and on a form provided by the commissioner. The commissioner shall charge a fee for the filing of the report to defer the department's administrative expense.

C.17:11C-44 Agreements unenforceable, void.

44. Any agreement to waive any provision of this act shall be unenforceable and void.

C.17:11C-45 Applicability of act to mortgages.

45. The provisions of this act shall apply to any first mortgage loan or secondary mortgage loan:

a. Advertised, caused to be advertised, solicited, negotiated, offered, or otherwise transacted within this State, in whole or in part, whether by the ultimate lender or any other person;

b. Made or executed within this State; or

c. Which is secured by real property located in this State, notwithstanding the place of execution.

C.17:11C-46 Validity of mortgages.

46. The failure of any person to comply with the provisions of this act shall not affect the validity or enforceability of any mortgage loan or secondary mortgage loan, and no person acquiring such a loan shall be
required to ascertain if a licensee has made such a loan in compliance with the provisions of this act.

C.17:11C-47 Injunctions by commissioner.

47. If the commissioner has reason to believe that any person or licensee has engaged, is engaged, or is about to engage in any practice or transaction prohibited by this act, the commissioner may, in addition to any other remedies he may have, bring a summary action in the name and on behalf of the State against the person or licensee and any other person concerned or in any way participating in or about to participate in those practices or those actions in violation of this act, to enjoin the person or licensee from continuing the practices or transactions or engaging therein or doing any act in furtherance thereof or in violation of this act.

C.17:11C-48 Violations, penalties.

48. a. Any person or licensee who engages in any conduct or practice prohibited by this act may be liable to a penalty not exceeding $5,000 to be recovered in a summary proceeding under the "penalty enforcement law" (N.J.S.2A:58-1 et seq.). Each violation shall constitute a separate offense, and the penalty under this section shall be in addition to any suspension or revocation of license. In addition, the commissioner may order any licensee to refund any fee taken illegally or in violation of this act or rules, regulations or orders issued pursuant hereto. Willful violations of this act shall be considered a crime of the third degree.

b. After notice and an opportunity for a hearing, the commissioner may order that any person who has purposely and knowingly violated any provision of this act, or of the rules and regulations issued pursuant hereto, and has thereby caused financial harm to consumers, be barred for a term not exceeding 10 years from acting as a licensee, a stockholder, a partner or other owner, or an employee of a licensee, an officer of a licensee, a director of a licensee or in any other capacity pursuant to this act. Violations of such a final order shall be considered a crime of the third degree.

C.17:11C-49 Rules, regulations.

The commissioner shall charge for a license such fee as he shall prescribe by rule or regulation. The license fee, as prescribed by the commissioner by regulation, shall be based on the number of the following activities in which the person is licensed to act: as a mortgage banker or mortgage broker, as a secondary mortgage lender, as a consumer lender, or as a sales finance company. The fee shall be set according to the following schedule:

JOINT RESOLUTION No. 6

A JOINT RESOLUTION establishing a task force to study the revitalization of the oyster industry.

WHEREAS, The culture of oysters in New Jersey estuarine areas is the oldest type of aquaculture practiced in the State; and

WHEREAS, This practice gave rise to a very significant industry for more than one hundred years; however, in the last forty years the production of oysters has steadily declined to an average value of less than ten percent of the levels previously achieved; and

WHEREAS, This decline is attributable to a complex set of factors, many of which are beyond the control of the practitioners of this type of culture; and

WHEREAS, There is ample evidence that the biological potential for oyster production, especially in the Delaware bay, remains high; and
WHEREAS, The persons involved in the shellfish industry clearly recognize the need for the introduction of innovative changes in culture practices in order to again realize this potential; and

WHEREAS, Such innovation, including commercial scale trials of new operational strategies, is seriously impeded by the current antiquated statutory and regulatory structure controlling the use of this natural resource; and

WHEREAS, Reformulation of the regulatory structure is urgently needed to permit the technological updating of oyster culture practices that will permit the circumvention of the current adverse conditions and foster the revitalization of the New Jersey oyster industry; now, therefore,

Appointments to the task force shall be made within 60 days of the effective date of this joint resolution.

2. It shall be the duty of the task force to examine the status of oyster culture as currently practiced in New Jersey. The task force shall evaluate the technological, sociological and regulatory aspects of the harvesting and culture of oysters in the Delaware bay and adjacent waters. The task force shall define the problems confronting the oyster industry, including the causes for its reduced production and diminished economic return, examine feasible alternative strategies that might be utilized in reversing the negative trend in the industry, and provide a comprehensive plan of action for revitalization of the industry, including recommendations for actions to be taken by the Legislature and the Governor to address the technical, regulatory, and legal problems impeding the proper utilization of this
valuable natural resource. The task force shall present a final report of its findings and recommendations to the Governor and the Legislature no later than 180 days following the appointment of the members of the task force. The task force shall dissolve upon the issuance of its final report.

3. The members of the task force shall serve without compensation.

No moneys appropriated pursuant to this subparagraph (c) may be expended for any indirect administrative costs of the State, its departments, agencies, or authorities. No more than nine percent of the moneys annually credited pursuant to this paragraph, which shall be taken from the amount dedicated...
pursuant to this subparagraph (c), may be expended for any direct program administrative costs of the State, its departments, agencies, or authorities. WHEREAS, Health care is a large and profitable business and presents a significant opportunity for financial gain in which any lack of effective regulatory and legal controls and enforcement mechanism invites fraud; and
WHEREAS, New Jersey cannot wait for the conclusion of the national dialogue to decide how best to allocate scarce health care resources, achieve access to quality care for all New Jersey citizens and rid the marketplace of fraud; and

WHEREAS, New Jersey must ensure that its regulatory and legal efforts are as strong and effective as possible in both preventing health care fraud and in identifying and prosecuting such fraud where it exists; and

WHEREAS, There have been enforcement successes in the ongoing battle against health care fraud, including the investigation and prosecution of alleged broad based schemes involving fraudulent insurance claims submitted by health care providers and others to private insurance companies, self-funded insurance programs and the Medicaid program. More, however, needs to be done; and

WHEREAS, Health care fraud will be better policed by a broad “systematic” approach and greater coordination of prevention and enforcement efforts;

8. The Task Force shall consist of the Attorney General, who shall serve as chairperson of the Task Force; the Treasurer; the Commissioner of Health; the Commissioner of Insurance; and the Commissioner of Human Services.

REORGANIZATION PLANS
REORGANIZATION PLAN NO. 001-1996

PLEASE TAKE NOTICE that on May 2, 1996, Governor Christine Todd Whitman hereby issues this Reorganization Plan, No. 001-1996 (the "Plan"), to provide for the transfer, consolidation and reorganization of all senior services within the Department of Health and the redesignation of the Department as the Department of Health and Senior Services. The Plan is part of the continuing effort to consolidate and align the structure and functions of the Executive Branch in the interest of efficiency and economy, without qualitative or quantitative diminution of services to the public.

GENERAL STATEMENT OF PURPOSE

This Plan will foster the efficient implementation of a coherent public policy for the elder citizens of the State. Four departments of the Executive Branch currently administer the major policies and programs that affect the health and well-being of elder New Jersey citizens. The Department of Community Affairs, through its Division on Aging, administers programs and services that provide assistance to individuals and organizations concerned with the well-being of older citizens and maintains oversight of a Statewide network of Area Agencies on Aging. The Division on Aging also includes the Public Guardian and the Ombudsman for the Institutionalized Elderly and is charged with the protection of the State's frail elder residents. The Department of Human Services, through its Division of Medical Assistance and Health Services and its Division of Youth and Family Services, administers programs and provides financial reimbursement for a broad variety of services to eligible elder beneficiaries. The Senior Health Unit of the Department of Insurance provides information to Medicare beneficiaries concerning supplemental and long-term care alternatives. The Department of Health, through its licensing and planning functions, promotes and insures quality of health care services for seniors from wellness to long-term care alternatives. The current allocations of responsibilities among these various agencies create overlapping responsibilities and fragmentation of services, making it difficult for older adults and their caregivers to access services.

Seniors will benefit from having one department in State government provide to them the policy prominence that they deserve. Improved policy
making capabilities and integration of programs will result in expanded service options and improved service delivery. This Plan will designate a State agency with Senior Services as a priority. Programs from the four departments will be merged with the Department of Health and Senior Services. The Plan will ensure the coordination of local programs, improve consumer access to a full range of services, increase high quality options to promote independence among older citizens, encourage and work with older citizens and their organizations, maintain service and care accountability through quality outcomes and act as an advocate for the State's older citizens.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation and reorganization provided for in this Plan, that each aspect is necessary to accomplish the purposes set forth in Section 2 of that Act and that each aspect will:

1. promote the more effective management of the Executive Branch by consolidating senior service-related functions and activities within one agency;

2. promote better and more efficient execution of the laws and the expeditious administration of the public business by consolidating and integrating within one agency similar functions;

3. group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes;

4. promote economy to the fullest extent consistent with the efficient operations of the Executive Branch;

5. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; and

6. eliminate duplication and overlapping of effort that have resulted from the dispersion of senior services throughout the Executive Branch and, thereby, better utilize State resources.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

REORGANIZATION PLAN NO.002-1996
A PLAN FOR THE TRANSFER AND REORGANIZATION OF THE STATE LIBRARY WITHIN THE DEPARTMENT OF STATE

PLEASE TAKE NOTICE that on May 2, 1996, Governor Christine Todd Whitman hereby issues this Reorganization Plan, No. 002-1996 (the Plan), providing for the transfer and reorganization of the State Library.

The Plan represents an ongoing effort to streamline and downsize the structure and functions of the Executive Branch in the interests of efficiency and economy without quantitative or qualitative diminution of services to the public.

GENERAL STATEMENT OF PURPOSE

Prior to 1983, the State Library, State Museum, Bureau of Records Management Services, Archives Section and New Jersey Historical Commission were all located within the Division of the State Library, Archives and History in the Department of Education. Pursuant to 1983 reorganization plans, the State Museum, Historical Commission, Bureau of Records Management and Archives sections were transferred to the Department of State in order to consolidate all cultural and historical entities within the Department of State. The State Library remained in the Department of Education as the Division of the State Library.

The Division of the State Library (the Division) is charged with operating the State Library, coordinating a Statewide system of libraries, administering State and federal programs for the development of libraries, and promoting library services in the State. The Division also operates the Library Network pursuant to P.L. 1983, c.486 (C.18A:73-35a et seq.). The Division of the State Library is headed by an assistant commissioner who also serves as the State Librarian. An advisory council (the council) is also located within the Division. The council consists of eight members, seven appointed by the Governor plus the State Librarian. The council makes recommendations to the Commissioner of Education and State Librarian regarding the responsibilities of the Division.

The Division of the State Library is also responsible for administering the various State library aid programs established pursuant to Chapter 74 of Title 18A of the New Jersey Statutes and P.L. 1983, c.486 (C.18A:73-35a et seq.) and distributing federal library aid.

Under this Reorganization Plan, the Division of the State Library shall be reconstituted as a division within the Department of State.
REORGANIZATION PLANS

The purpose of this Reorganization Plan will be to further concentrate the cultural and heritage functions of the State in a single department while focusing the core mission of the Department of Education on the elementary and secondary education of the children of this State. Many State institutions of higher education are allocated to the Department of State and it is envisioned under this Reorganization Plan that the Secretary of State may delegate certain responsibilities to an institution of higher education such as Thomas A. Edison State College in order to maximize the productivity of the State Library.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.) (the Act), I find, with respect to the transfer and reorganization provided for in this Plan, that each aspect is necessary to accomplish the purposes set forth in section 2 of the Act and that each aspect will:

1. promote the better execution of the laws, the more effective management of the Executive Branch and of its agencies and functions, and the expeditious administration of the public business;

2. reduce expenditures and/or increase economy to the fullest extent consistent with the efficient operation of the Executive Branch;

3. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable;

4. group, coordinate, and consolidate agencies and functions of the Executive Branch as nearly as possible according to major purposes;

5. reduce the number of agencies by consolidating those having similar functions under a single head, and abolish such agencies or functions as are not necessary for the efficient conduct of the Executive Branch; and

6. eliminate overlapping and duplication of effort.

PROVISIONS OF THE REORGANIZATION PLAN

b. The position of State Librarian and the position of Assistant Commissioner of the Division of the State Library established pursuant to section 17 of P.L.1969, c.158 (C.18A:73-32) and N.J.S.18A:4-34 are abolished. The authority provided by law to the State Librarian, Assistant Commissioner of the Division of the State Library, Commissioner of Education, and State Board of Education regarding the work of the Division of the State Library is continued and transferred to the Secretary of State, to be exercised through such employees as the Secretary of State may designate including employees of an institution of higher education allocated to the Department of State such as Thomas A. Edison State College.

c. The authority of the Commissioner of Education, pursuant to section 19 of P.L.1969, c.158 (C.18A:73-34), as amended and supplemented, to appoint, employ, and remove, subject to the provisions of Title 11A, Civil Service, such assistants and employees as may be necessary to carry out the purposes of the Division of the State Library, is continued and transferred to the Secretary of State, to be exercised through such employees as the Secretary of State may designate including employees of an institution of higher education allocated to the Department of State such as Thomas A. Edison State College. In the event of a subsequent transfer of employees of the Division of the State Library to an institution of higher education allocated to the Department of State such as Thomas A. Edison State College, the employees shall retain their career service status and all rights afforded to them under Title 11A.

e. The Department of State, or an agency allocated to the Department of State, shall be the State agency designated to carry out the purpose of any federal law concerning libraries pursuant to sections 24 and 25 of P.L.1969, c.158 (C.18A:73-39 and 40) and to apply for, receive and disburse federal
aid pursuant to section 26 of P.L.1969, c.158 (C.18A:73-41). However, the Governor shall retain the right to designate another State agency to carry out this function pursuant to section 25 of P.L.1969, c.158 (C.18A:73-40).

f. The Advisory Council of the Division of the State Library established pursuant to section 13 of P.L.1969, c.158 (C.18A:73-28) is continued and transferred to the Department of State to be known as the "State Library Advisory Council" (the council). The membership of the Commissioner of Education, ex officio, on the council is terminated and the designation of the State Librarian as secretary to the council is terminated. The Secretary of State or her designee shall serve as a member of the council, ex officio, and the Secretary of State shall appoint a secretary to the council. The advisory council shall make recommendations to the Secretary of State and such other persons as the Secretary of State may designate.

g. The responsibility of the State Board of Education and Board of Examiners to certify professional librarians pursuant to N.J.S.45:8A-1 is continued in those entities.

I find this Plan is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203 (C.52:14C-2). In addition to the reasons set forth above, this Plan will result in increased efficiency and also will result in greater coordination and improved functioning of the State's library system. Further, this Plan will streamline State government for the benefit of all of New Jersey's citizens.

2. All records, property, appropriations and any unexpended balance of funds appropriated or otherwise available to the State Library are transferred to the Department of State.

3. Whenever, in any law, rule, regulation, order, contract, document, or judicial or administrative proceeding, or otherwise thereunder concerning the functions of the Division of the State Library in the Department of Education, reference is made to the State Librarian, Assistant Commissioner of the Division of the State Library, Commissioner of Education, and State Board of Education, the same shall mean and refer to the Secretary of State or her designee.

4. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

5. Unless otherwise specified in this Plan, all transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).
6. If any provisions of this Plan or the application thereof to any person or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan, or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

7. This Plan is intended to protect and promote the public health, safety and welfare, and shall be liberally construed to obtain the objectives and effect the purposes thereof.

A copy of this Plan was filed on May 2, 1996 with both Houses of the Legislature and with the Secretary of State for publication in the New Jersey Register. This Plan shall become effective in 60 days on July 1, 1996, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than July 1, 1996, should the Governor establish such a later date for the effective date of this Plan, or any part hereof, by Executive Order.

PLEASE TAKE NOTE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO.003-1996
A PLAN FOR THE REORGANIZATION OF THE DEPARTMENT OF TRANSPORTATION

PLEASE TAKE NOTICE that on November 7, 1996 Governor Christine Todd Whitman hereby issues the following Reorganization Plan No. 003-1996 (the Plan), providing for the increased efficiency, coordination and functioning of the Department of Transportation.

The Plan is part of the continuing effort to consolidate and align the structure and functions of the Executive Branch in the interests of efficiency and economy without qualitative or quantitative diminution of services to the public.
GENERAL STATEMENT OF PURPOSE

Pursuant to its present statutory authority, it is the duty of the Department of Transportation, among other responsibilities, to solve or assist in the solution of the problems of all modes of transportation; to construct needed transportation systems; to promote an efficient, fully integrated and balanced transportation system for the State; to prepare and implement comprehensive plans and programs for all modes of transportation development in the State; and to coordinate the transportation activities of State agencies, State-created public authorities and other public agencies with transportation responsibilities within the State.

Currently, the Commissioner of Transportation is assisted by a Deputy Commissioner and five Assistant Commissioners: one for Policy and Planning, one for Motor Vehicle Services, one for Design and Right of Way (who also serves as the State Transportation Engineer), one for Finance and Administration and one for Construction and Maintenance. This Plan abolishes the position of Assistant Commissioner for Design and Right of Way and creates in its place the position of Assistant Commissioner for Capital Program Management; abolishes the position of Assistant Commissioner for Construction and Maintenance and creates in its place the position of Assistant Commissioner for Operations; and abolishes the position of Assistant Commissioner for Policy and Planning and creates in its place the position of Assistant Commissioner for External and Governmental Affairs. The existing positions of Assistant Commissioner for Finance and Administration and Assistant Commissioner for Motor Vehicle Services are retained without change under this Plan.

This Plan supplements efforts by the Commissioner of Transportation to consolidate and coordinate certain of the Department's functions pursuant to the Commissioner's existing statutory authority under section 6 of P.L.1966, c.301 (C.27:1A-6).

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.) (the Act), I find, with respect to the reorganization provided for in this Plan, that each aspect is necessary to accomplish the purposes set forth in Section 2 of the Act and that each aspect will:

1. promote the better and more efficient execution of the law by consolidating the project delivery and operational functions of the Department in a more consistent and practical way according to major purposes;

2. promote the expeditious administration of the public business by coordinating and consolidating the capital construction, operational and
intergovernmental functions of the Department in accordance with the Plan
to increase departmental efficiency and output; and

3. eliminate some overlapping and duplication within the Department by
consolidating and reallocating certain functions and responsibilities and
thereby better utilizing the resources of the Department.

**PROVISIONS OF THE REORGANIZATION PLAN**

1. a. The position of Assistant Commissioner for Design and Right of Way, created pursuant to Reorganization Plan No. 001-1988, is hereby abolished. In its place there is hereby created the position of Assistant Commissioner for Capital Program Management, which person shall be appointed by and shall serve at the pleasure of the Commissioner. This Assistant Commissioner shall receive such compensation as may be provided by law. The Assistant Commissioner for Capital Program Management shall be a professional engineer qualified by training and experience in the design and construction of highways, bridges and other transportation facilities. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Assistant Commissioner for Design and Right of Way, the same shall mean and refer to the Assistant Commissioner for Capital Program Management.

b. The position of Assistant Commissioner for Construction and Maintenance created pursuant to Reorganization Plan No. 001-1988, is hereby abolished. In its place there is hereby created the position of Assistant Commissioner for Operations, which person shall be appointed by and shall serve at the pleasure of the Commissioner. The Assistant Commissioner shall receive such compensation as may be provided by law. The Assistant Commissioner for Operations shall be qualified by training and experience in the maintenance and operation of highways, bridges and other transportation facilities. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Assistant Commissioner for Construction and Maintenance, the same shall mean and refer to the Assistant Commissioner for Operations or Assistant Commissioner for Capital Program Management, as appropriate.

c. The position of Assistant Commissioner of Transportation Services and Planning created pursuant to N.J.S.A.27:1A-8(a) and (b), which position was renamed the Assistant Commissioner for Policy and Planning by Reorganization Plan No. 001-1988, is hereby abolished. There is hereby created in its place the position of Assistant Commissioner for External and Governmental Affairs, which person shall serve at the pleasure of the Commissioner. The Assistant Commissioner shall receive such compensa-
tion as may be provided by law. The Assistant Commissioner for External and Governmental Affairs shall be qualified by training and experience in intergovernmental relations and community involvement activities. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Assistant Commissioner of Transportation Services and Planning, the same shall mean and refer to the Assistant Commissioner for External and Governmental Affairs.

d. The position of State Transportation Engineer created pursuant to Reorganization Plan No. 001-1988 is continued. The Commissioner shall designate an existing Department position which shall be held by a professional engineer and which, in addition to its existing responsibilities, shall serve as State Transportation Engineer.

e. The position of Legislative Liaison, together with all of its functions and duties as established within the Office of the Commissioner pursuant to Reorganization Plan No. 001-1988, is hereby transferred from the Office of the Commissioner to the newly established Assistant Commissioner for External and Governmental Affairs.

I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in Section 2 of P.L.1969, c.203. Specifically, this reorganization will enable the Department to meet the challenges of efficiently building and operating a transportation system to satisfy the future needs of the citizens of this State. It will foster a more economical and efficient operation within the Department and ensure that projects are delivered on a timely basis.

The abolition of the positions of Assistant Commissioner for Design and Right of Way and the Assistant Commissioner for Construction and Maintenance and the creation of the positions of Assistant Commissioner for Capital Program Management and Assistant Commissioner for Operations will enable the Department to better manage two of its primary functions: the building and operating of transportation systems. It will serve to increase departmental efficiency and promote the more expeditious administration of the public business. The abolition of the position of the Assistant Commissioner for Policy and Planning and the creation of the position of Assistant Commissioner for External and Governmental Affairs will emphasize the importance of intra- and inter-governmental relationships and the community outreach responsibilities of the Department. Each of these changes will enable the public to more fully understand the functions of these Assistant Commissioners by clarifying the names of major Department sections and will aid in the administration of the Department.
2. Nothing contained in this Plan shall be construed to limit the authority of the Commissioner of Transportation to organize the Department pursuant to C.27:1A-6.

3. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

4. Unless otherwise specified in this Plan, all transfers directed by this Plan shall be effected pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

5. If any provisions of this Plan or the application thereof to any person or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of this Plan which can be given effect without the invalid provisions or applications of the Plan or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

6. This Plan is intended to make the operations of the Executive Branch more efficient and effective and shall be liberally construed to attain the objectives and effect the purposes thereof.

A copy of this Plan was filed on November 7, 1996 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on January 6, 1997, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than January 6, 1997, should the Governor establish such a later date for the effective date of this Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading of "Reorganization Plans."

REORGANIZATION PLAN NO.004-1996
A PLAN FOR THE TRANSFER, CONSOLIDATION AND REORGANIZATION OF CONSTRUCTION-RELATED REVIEW AND ENFORCEMENT FUNCTIONS WITHIN THE DEPARTMENT OF COMMUNITY AFFAIRS

PLEASE TAKE NOTICE that on November 7, 1996 Governor Christine Todd Whitman hereby issues this Reorganization Plan, No.004-1996 (the "Plan"), to provide for the transfer, consolidation and reorganization of plan review for the administration and enforcement of Federal and State standards applicable to the construction, alteration, demolition or maintenance of hospital and health care facilities and the review of construction plans for the issuance of certain construction approvals conferred upon the Department of Education within the Department of Community Affairs.

The Plan is part of the continuing effort to consolidate and align the structure and functions of the Executive Branch in the interest of efficiency and economy, without qualitative or quantitative diminution of services to the public.

GENERAL STATEMENT OF PURPOSE

This Plan will foster the efficient implementation of a coherent public policy for construction plan review and standards enforcement. Three departments of the Executive Branch currently are responsible for review of construction plans and enforcement of construction standards. The Department of Community Affairs, through its Division of Codes and Standards, is fully responsible for the adoption and enforcement of State construction codes for all facilities except hospitals and health care and educational facilities. The Department of Education reviews construction plans for compliance with State construction codes and for compliance with educational adequacy standards adopted by the Department of Education. The Department of Health and Senior Services conducts plan reviews for compliance with State construction codes and for compliance with Federal standards applicable to the construction, alteration, demolition or maintenance of hospital and health care facilities. The current allocations of responsibilities among these various agencies create overlapping responsibilities, making it difficult to ensure the uniform enforcement of construction standards and, in the case of the Departments of Community Affairs and Education, forcing the public to seek code-related services from more than one agency.

Citizens of this State will benefit from having one department in State government review construction plans and enforce construction standards
for all facilities. This integration of functions will result in improved efficiency and will enable the public to obtain construction code-related services from one agency. Functions from the three departments will be merged with the Department of Community Affairs. The Plan will ensure the coordination of efforts and improve uniform enforcement of construction standards.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to the transfer, consolidation and reorganization provided for in this Plan, that each aspect is necessary to accomplish the purposes set forth in section 2 of the Act and that each aspect will:

1. promote the more effective management of the Executive Branch by consolidating construction review and standards enforcement functions and activities within one agency;

2. promote better and more efficient execution of the laws and the expeditious administration of the public business by consolidating and integrating within one agency similar functions;

3. group, coordinate and consolidate functions in a more consistent and practical manner according to major purposes;

4. promote economy to the fullest extent consistent with the efficient operations of the Executive Branch;

5. increase the efficiency of the operations of the Executive Branch to the fullest extent practicable; and

6. eliminate duplication and overlapping of effort that have resulted from the dispersion of construction review and standards enforcement functions throughout the Executive Branch and, thereby, better utilize State resources.

PROVISIONS OF THE REORGANIZATION PLAN

Therefore, I hereby order the following reorganization:

1. a. The authority conferred upon the Department of Health and Senior Services, pursuant to N.J.A.C.5:23-4.9(c), to serve as the sole plan review agency for the administration and enforcement of Federal and State standards applicable to the construction, alteration, demolition or maintenance of hospital and health care facilities, shall henceforth be exercised by the Department of Community Affairs. The powers, functions and duties
b. All employees of the Department of Health and Senior Services who are employed to conduct plan reviews for the administration and enforcement of Federal and State standards applicable to the construction, alteration, demolition or maintenance of hospital and health care facilities shall be employees of the Department of Community Affairs and shall be transferred to that Department pursuant to the "State Agency Transfer Act," P.L. 1971, c. 375 (C.52:14D-1 et seq.). Additionally, all records, property, appropriations and any unexpended balance of funds appropriated or otherwise available to the Department of Health and Senior Services in connection with such plan review activities shall be transferred to the Department of Community Affairs pursuant to the "State Agency Transfer Act," P.L. 1971, c. 375 (C.52:14D-1 et seq.).

c. The Department of Community Affairs shall:

(1) Assist the Department of Health and Senior Services' licensing program in updating and amending physical plant and construction standards for its rules establishing programmatic, space, layout and equipment requirements for each classification of health care facility and continue to provide consultation services to the licensing program regarding interpretation of those requirements;

(2) Enforce compliance with physical plant and construction standards adopted within the Department of Health and Senior Services' licensing regulations for each classification of health care facility through plan review and, as needed, inspection of all newly constructed health care facilities and/or additions, renovations or alterations to existing health care facilities;

(3) Assist the Department of Health and Senior Services with construction status information relating to health care facility construction projects; and

(4) Assist health care facilities, through schematic preliminary reviews, to assure proper functional design of the facilities based on Department of Health and Senior Services licensing requirements which may not be specifically within the scope of the State Uniform Construction Code.

d. Whenever any law, rule, regulation, order, contract, tariff, document, judicial or administrative proceeding or otherwise relating to plan review for the administration and enforcement of Federal and State standards applicable to the construction, alteration, demolition or maintenance of hospital and health care facilities refers to the Department of Health and Senior Services, the same shall mean the Department of Community Affairs.
2. a. All powers, functions and duties of the Department of Education relating to the review of construction plans for the issuance of construction permits conferred upon the Department of Education "approvals" by P.L.1975, c.217, section 12, as amended by P.L.1983, c.496, section 4 (C.52:27D-130), are transferred to the Department of Community Affairs; provided, however, that the Department of Education shall retain the authority to make final determinations regarding educational adequacy. The powers, functions and duties hereby transferred shall be organized and implemented within the Department of Community Affairs as determined by the Commissioner of Community Affairs after consultation with the Commissioner of Education.

b. All employees of the Department of Education whose primary responsibility involves construction code enforcement shall be employees of the Department of Community Affairs and shall be transferred to that Department pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.). Additionally, all records, property, appropriations and any unexpended balance of funds for code construction review which are appropriated or otherwise available to the Department of Education for the discharge of the powers, functions and duties hereby transferred to the Department of Community Affairs shall be transferred to that Department pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

c. The Department of Community Affairs shall provide assistance to the Department of Education in the evaluation of schematic and preliminary plans for educational adequacy, so that the Department of Education may carry out its duties under N.J.A.C. 6:22.

d. Whenever any law, rule, regulation, order, contract, tariff, document, judicial or administrative proceeding or otherwise relating to the construction of public school facilities, or review for educational adequacy in connection with such construction, refers to the Department of Education, the same shall mean the Department of Community Affairs; provided, however, that the approval of educational adequacy of facilities shall continue to be the responsibility of the Department of Education and reference to that Department in relation to such approval shall not be deemed to be reference to the Department of Community Affairs.

3. I find that each aspect of this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will promote the more effective management of the Executive Branch and its agencies, and it will promote economy to the fullest extent consistent with the efficient operation of the Executive Branch.
4. Any section or part of this Plan that conflicts with federal law or regulation shall not be effective unless and until addressed for the purpose of this Plan through an interagency agreement or a federal waiver.

5. All acts and parts of acts inconsistent with any of the provisions of this Plan are superseded to the extent of such inconsistencies.

6. If any provisions of this Plan or the application thereof to any person, or circumstances, or the exercise of any power or authority hereunder are held invalid or contrary to law, such holding shall not affect other provisions or applications of the Plan, which can be given effect without the invalid provisions or applications of the Plan or affect other exercises of power or authority under said provisions not contrary to law. To this end, the provisions of this Plan are declared to be severable.

7. This Plan is intended to protect and promote the public health, safety and welfare and shall be liberally construed to attain the objectives and effect the purposes thereof.

8. All transfers directed by this Plan shall be effective pursuant to the "State Agency Transfer Act," P.L.1971, c.375 (C.52:14D-1 et seq.).

A copy of this Plan was filed on November 7, 1996 with the Secretary of State and the Office of Administrative Law for publication in the New Jersey Register. This Plan shall become effective in 60 days on January 6, 1997, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Plan, or at a date later than January 6, 1997, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.

PLEASE TAKE NOTICE that this Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under the heading "Reorganization Plans."
