CHAPTER 74, LAWS OF 1994

CHAPTER 74

An Act exempting from workers' compensation certain employees who are eligible for compensation under federal law and amending R.S.34:15-36.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.34:15-36 is amended to read as follows:

Definitions.

34:15-36. "Willful negligence" within the intent of this chapter shall consist of (1) deliberate act or deliberate failure to act, or (2) such conduct as evidences reckless indifference to safety, or (3) intoxication, operating as the proximate cause of injury, or (4) unlawful use of a controlled dangerous substance as defined in the "New Jersey Controlled Dangerous Substances Act," P.L.1970, c.226 (C.24:21-1 et seq.).

"Employer" is declared to be synonymous with master, and includes natural persons, partnerships, and corporations; "employee" is synonymous with servant, and includes all natural persons, including officers of corporations, who perform service for an employer for financial consideration, exclusive of (1) employees eligible under the federal "Longshore and Harbor Workers' Compensation Act," 44 Stat. 1424 (33 U.S.C. §901 et seq.), for benefits payable with respect to accidental death or injury, or occupational disease or infection; and (2) casual employments, which shall be defined, if in connection with the employer's business, as employment the occasion for which arises by chance or is purely accidental; or if not in connection with any business of the employer, as employment not regular, periodic or recurring; provided, however, that forest fire wardens and forest firefighters employed by the State of New Jersey shall, in no event, be deemed casual employees.

Employment shall be deemed to commence when an employee arrives at the employer's place of employment to report for work and shall terminate when the employee leaves the employer's place of employment, excluding areas not under the control of the employer; provided, however, when the employee is required by the employer to be away from the employer's place of employment, the employee shall be deemed to be in the course of employment when the employee is engaged in the direct performance of duties assigned or directed by the employer; but the employment of employee paid travel time by an employer for
time spent traveling to and from a job site or of any employee who utilizes an employer authorized vehicle shall commence and terminate with the time spent traveling to and from a job site or the authorized operation of a vehicle on business authorized by the employer. Travel by a policeman, fireman, or a member of a first aid or rescue squad, in responding to and returning from an emergency, shall be deemed to be in the course of employment.

Employment shall also be deemed to commence when an employee is traveling in a ridesharing arrangement between his or her place of residence or terminal near such place and his or her place of employment, if one of the following conditions is satisfied: the vehicle used in the ridesharing arrangement is owned, leased or contracted for by the employer, or the employee is required by the employer to travel in a ridesharing arrangement as a condition of employment.

"Disability permanent in quality and partial in character" means a permanent impairment caused by a compensable accident or compensable occupational disease, based upon demonstrable objective medical evidence, which restricts the function of the body or of its members or organs; included in the criteria which shall be considered shall be whether there has been a lessening to a material degree of an employee's working ability. Subject to the above provisions, nothing in this definition shall be construed to preclude benefits to a worker who returns to work following a compensable accident even if there be no reduction in earnings. Injuries such as minor lacerations, minor contusions, minor sprains, and scars which do not constitute significant permanent disfigurement, and occupational disease of a minor nature such as mild dermatitis and mild bronchitis shall not constitute permanent disability within the meaning of this definition.

"Disability permanent in quality and total in character" means a physical or neuropsychiatric total permanent impairment caused by a compensable accident or compensable occupational disease, where no fundamental or marked improvement in such condition can be reasonably expected.

Factors other than physical and neuropsychiatric impairments may be considered in the determination of permanent total disability, where such physical and neuropsychiatric impairments constitute at least 75% or higher of total disability.

"Ridesharing" means the transportation of persons in a motor vehicle, with a maximum carrying capacity of not more than 15 passengers, including the driver, where such transportation is
incidental to the purpose of the driver. This term shall include such ridesharing arrangements known as carpools and vanpools.

“Medical services, medical treatment, physicians’ services and physicians’ treatment” shall include, but not be limited to, the services which a chiropractor is authorized by law to perform and which are authorized by an employer pursuant to the provisions of R.S.34:15-1 et seq.

2. This act shall take effect immediately.

CHAPTER 75

The office of municipal tax collector and municipal treasurer, or municipal clerk may be held by the same person.

2. This act shall take effect immediately.

public funds may be expended and private property taken or acquired, and are governmental functions of State concern. The necessity in the public interest for the provisions hereinafter enacted is hereby declared as a matter of legislative determination.

3. Section 9 of P.L.1960, c.183 (C.40:37A-52) is amended to read as follows:

5. Section 13 of P.L.1960, c.183 (C.40:37A-56) is amended to read as follows:

C.40:37A-56 Report to governing body; powers limited.

13. Notwithstanding any other provision of this act, the authority shall not construct or acquire such public facility or facilities (other than a development project or redevelopment project within the county which created the authority), or make any lease or other agreement relating to use by any governmental unit or person of all or any part of any such public facility or facilities for a term in excess of five years, until there has been filed with the authority a copy of a resolution adopted by the governing body of the county and, if applicable, by any beneficiary county, certified by its clerk, describing such public facility or facilities in terms sufficient for reasonable identification and consenting to the construction or acquisition thereof by the authority or the making of such leases or other agreements.

(2) Unless otherwise required by any agreement of the authority with holders of its bonds, no authority shall sell any part of a development project or make any lease or other agreement relating to use by any governmental unit or person of said part for a term in excess of five years (A) Until the Commissioner of Community Affairs (hereinafter called the “commissioner”) has

(3) Every authority shall have power, subject to the provisions of subsection (2) of this section, to sell or otherwise dispose of all or any part of any development project or to lease the same to any governmental unit or person or make agreement of any kind with any governmental unit or person for the use or operation thereof, for such consideration and for such period or periods of time and upon such other terms and conditions as it may fix and agree upon. In the exercise of such power, the authority may make any land or structure in the development project available for use by private enterprise or governmental units in accordance with the development plan at its use value, being the value (whether expressed in terms of rental or capital price) at which the authority determines such land or structure should be made available in order that it may be developed or used for the purpose or purposes specified in such plan. To vote for any person whose name is not printed upon this ballot write or paste the name in the blank space under the proper title of office and mark a cross x, plus + or check \[\checkmark\] with ink or pencil in the square at the left of the name of such person. CHAPTER 78

AN ACT concerning reduced rates by municipalities, municipal and county utilities authorities and sewerage authorities for senior citizens and the permanently disabled, and amending and supplementing various sections of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.40:14A-8.2 Establishment of rates or schedules for senior citizens, disabled.

1. Any county or municipal sewerage authority or county or municipal utilities authority may establish within its district rates or schedules which provide for a reduction or total abatement of the periodic rents, rates, fees, or other charges for the use or services of the sewerage system which are charged to or collected from any person residing in the district of the age of 65 or more years, or less than 65 years of age and permanently and totally disabled according to the provisions of the federal Social Security Act, 42 U.S.C.§301 et seq., or disabled under any federal law administered by the United States Department of Veterans Affairs if the disability is rated as 60% or higher, and the person either is annually eligible to receive assistance under the "Pharmaceutical Assistance to the Aged and Disabled" (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.) or
has a total income not in excess of $10,000 per year exclusive of benefits under any one of the following:

a. The federal Social Security Act, 42 U.S.C.§301 et seq. and all amendments and supplements thereto;

b. Any other program of the federal government or pursuant to any other federal law which provides benefits in whole or in part in lieu of benefits referred to in, or for persons excluded from coverage under subsection a. of this section including, but not limited to, the federal "Railroad Retirement Act of 1974," 45 U.S.C.§231 et seq., and federal pension, disability and retirement programs; or

c. Pension, disability or retirement programs of any state or its political subdivisions, or agencies thereof, for persons not covered under subsection a. of this section except that, the total amount of benefits to be allowed exclusion by any owner under subsection b. or c. of this section shall not be in excess of the maximum amount of benefits payable to, and allowable for exclusion by, an owner in similar circumstances under subsection a. of this section.

2. Section 8 of P.L.1946, c.138 (C.40:14A-8) is amended to read as follows:

C.40:14A-8 Service charges authorized.

8. (a) Every sewerage authority is hereby authorized to charge and collect rents, rates, fees or other charges (in this act sometimes referred to as "service charges") for direct or indirect connection with, or the use or services of, the sewerage system.

Such service charges may be charged to and collected from any person contracting for such connection or use or services or from the owner or occupant, or both of them, of any real property which directly or indirectly is or has been connected with the system or from or on which originates or has originated sewage or other wastes which directly or indirectly have entered or may enter the sewerage system, and the owner of any such real property shall be liable for and shall pay such service charges to the sewerage authority at the time when and the place where such service charges are due and payable.

(b) Rents, rates, fees and charges, which may be payable periodically, being in the nature of use or service charges, shall as nearly as the sewerage authority shall deem practicable and equitable be uniform throughout the district for the same type, class and amount of use or service of the sewerage system, except as permitted by section 1 of P.L.1994, c.78 (C.40:14A-8.2), and may be based or computed either on the consumption of water on or in connection
with the real property, making due allowance for commercial use of water, or on the number and kind of water outlets on or in connection with the real property, or on the number and kind of plumbing or sewerage fixtures or facilities on or in connection with the real property, or on the number of persons residing or working on or otherwise connected or identified with the real property, or on the capacity of the improvements on or connected with the real property, or on any other factors determining the type, class and amount of use or service of the sewerage system, or on any combination of any such factors, and may give weight to the characteristics of the sewage and other wastes and any other special matter affecting the cost of treatment and disposal thereof, including chlorine demand, biochemical oxygen demand, concentration of solids and chemical composition. In addition to any such periodic service charges, a separate charge in the nature of a connection fee or tapping fee, in respect of each connection of any property with the sewerage system, may be imposed upon the owner or occupant of the property so connected. Such connection charges shall be uniform within each class of users, and the amount thereof shall not exceed the actual cost of the physical connection, if made by the authority, plus an amount computed in the following manner to represent a fair payment toward the cost of the system:

1. The amount representing all debt service, including but not limited to sinking funds, reserve funds, the principal and interest on bonds, and the amount of any loans and interest thereon, paid by the sewerage authority to defray the capital cost of developing the system as of the end of the immediately preceding fiscal year of the authority shall be added to all capital expenditures made by the authority not funded by a bond ordinance or debt for the development of the system as of the end of the immediately preceding fiscal year of the authority.

2. Any gifts, contributions or subsidies to the authority received from, and not reimbursed or reimbursable to any federal, State, county or municipal government or agency or any private person, and that portion of amounts paid to the authority by a public entity under a service agreement or service contract which is not repaid to the public entity by the authority, shall then be subtracted.

3. The remainder shall be divided by the total number of service units served by the authority at the end of the immediately preceding fiscal year of the authority, and the results shall then be apportioned to each new connector according to the number of service units attributed to that connector, to produce the connector’s
contribution to the cost of the system. In attributing service units to each connector, the estimated average daily flow of sewage for the connector shall be divided by the average daily flow of sewage for the average single family residence in the authority's district to produce the number of service units to be attributed.

The connection fee shall be recomputed at the end of each fiscal year of the authority, after a public hearing is held in the manner prescribed in subsection (c) of this section. The revised connection fee may be imposed upon those who subsequently connect in that fiscal year to the system. The combination of such connection fee or tapping fee and the aforesaid periodic service charges shall meet the requirements of subsection (c) hereof.

(c) The sewerage authority shall prescribe and from time to time when necessary revise a schedule of service charges, which shall comply with the terms of any contract of the sewerage authority and in any event shall be such that the revenues of the sewerage authority will at all times be adequate to pay all expenses of operation and maintenance of the sewerage system, including reserves, insurance, extensions, and replacements, and to pay punctually the principal of and interest on any bonds and to maintain such reserves or sinking funds therefor as may be required by the terms of any contract of the sewerage authority or as may be deemed necessary or desirable by the sewerage authority. Said schedule shall thus be prescribed and from time to time revised by the sewerage authority after public hearing thereon which shall be held by the sewerage authority at least 20 days after notice of the proposed adjustment is mailed to the clerk of each municipality serviced by the authority and publication of notice of the proposed adjustment of the service charges and of the time and place of the public hearing in at least two newspapers of general circulation in the area serviced by the authority. The sewerage authority shall provide evidence at the hearing showing that the proposed adjustment of the service charges is necessary and reasonable, and shall provide the opportunity for cross-examination of persons offering such evidence, and a transcript of the hearing shall be made and a copy thereof shall be available upon request to any interested party at a reasonable fee. The sewerage authority shall likewise fix and determine the time or times when and the place or places where such service charges shall be due and payable and may require that such service charges shall be paid in advance for periods of not more than one year. A copy of such schedule of service charges in effect shall at all times be kept on file at the principal office of the sewerage authority and shall at all reasonable times be open to public inspection.
(d) Any county sewerage authority may establish sewerage regions in portions of the district. Rents, rates, fees and charges which may be payable periodically, being in the nature of use or service charges, shall as nearly as the sewerage authority shall deem practicable and equitable, be uniform throughout the district for the same type, class and amount of use or service of the sewerage systems, except as permitted by section 1 of P.L.1994, c.78 (C.40:14A-8.2), and shall meet all other requirements of subsection (b) hereof.

3. Section 21 of P.L.1957, c.183 (C.40:14B-21) is amended to read as follows:

C.40:14B-21 Water service charges.

21. Every municipal authority is hereby authorized to charge and collect rents, rates, fees or other charges (in this act sometimes referred to as "water service charges") for direct or indirect connection with, or the use, products or services of, the water system, or for sale of water or water services, facilities or products. Such water service charges may be charged to and collected from any person contracting for such connection or use, products or services or for such sale or from the owner or occupant, or both of them, of any real property which directly or indirectly is or has been connected with the water system or to which directly or indirectly has been supplied or furnished such use, products or services of the water system or water or water services, facilities or products, and the owner of any such real property shall be liable for and shall pay such water service charges to the municipal authority at the time when and place where such water service charges are due and payable. Such rents, rates, fees and charges shall as nearly as the municipal authority shall deem practicable and equitable be uniform throughout the district for the same type, class and amount of use, products or services of the water system, except as permitted by section 1 of P.L.1992, c.215 (C.40:14B-22.2), and may be based or computed either on the consumption of water on or in connection with the real property, or on the number and kind of water outlets on or in connection with the real property, or on the number and kind of plumbing fixtures or facilities on or in connection with the real property, or on the number of persons residing or working on or otherwise connected or identified with the real property, or on the capacity of the improvements on or connected with the real property, or on any other factors determining the type, class and amount of use,
products or services of the water system supplied or furnished, or on any combination of such factors, and may give weight to the characteristics of the water or water services, facilities or products and, as to service outside the district, any other matter affecting the cost of supplying or furnishing the same, including the cost of installation of necessary physical properties.

In addition to any such water service charges, a separate charge in the nature of a connection fee or tapping fee, in respect of each connection of any property with the water system, may be imposed upon the owner or occupant of the property so connected. Such connection charges shall be uniform within each class of users and the amount thereof shall not exceed the actual cost of the physical connection, if made by the authority, plus an amount computed in the following manner to represent a fair payment toward the cost of the system:

a. The amount representing all debt service, including but not limited to sinking funds, reserve funds, the principal and interest on bonds, and the amount of any loans and interest thereon, paid by a municipal authority to defray the capital cost of developing the system as of the end of the immediately preceding fiscal year of the authority shall be added to all capital expenditures made by the authority not funded by a bond ordinance or debt for the development of the system as of the end of the immediately preceding fiscal year of the authority.

b. Any gifts, contributions or subsidies to the authority received from, and not reimbursed or reimbursable to any federal, State, county or municipal government or agency or any private person, and that portion of amounts paid to the authority by a public entity under a service agreement or service contract which is not repaid to the public entity by the authority, shall then be subtracted.

c. The remainder shall be divided by the total number of service units served by the authority at the end of the immediately preceding fiscal year of the authority, and the results shall then be apportioned to each new connector according to the number of service units attributed to that connector, to produce the connector's contribution to the cost of the system. In attributing service units to each connector, the estimated average daily flow of water for the connector shall be divided by the average daily flow of water to the average single family residence in the authority's district, to produce the number of service units to be attributed.

The connection fee shall be recomputed at the end of each fiscal year of the authority, after a public hearing is held in the manner prescribed in section 23 of P.L.1957, c.183 (C.40:14B-23). The revised connection fee may be imposed upon those who subsequently connect
in that fiscal year to the system. The combination of such connection fee or tapping fee and the aforesaid water service charges shall meet the requirements of section 23 of P.L.1957, c.183 (C.40:14B-23). The foregoing notwithstanding, no municipal authority shall impose any charges or fees in excess of the cost of water actually used for any sprinkler system required to be installed in any residential health care facility pursuant to the “Health Care Facilities Planning Act,” P.L.1971, c.136 (C.26:2H-1 et seq.) and regulations promulgated thereunder or in any rooming or boarding house pursuant to the “Rooming and Boarding House Act of 1979,” P.L.1979, c.496 (C.55:13B-1 et al.) and regulations promulgated thereunder. Nothing in this amendatory act shall preclude any municipal authority from charging for the actual cost of water main connection.

4. Section 1 of P.L.1992, c.215 (C.40:14B-22.2) is amended to read as follows:

C.40:14B-22.2 Reduced, abated rents, rates, fees for senior citizens, disabled.

a. The federal Social Security Act, 42 U.S.C.§301 et seq. and all amendments and supplements thereto;

b. Any other program of the federal government or pursuant to any other federal law which provides benefits in whole or in part in lieu of benefits referred to in, or for persons excluded from coverage under subsection a. of this section including, but not limited to, the federal “Railroad Retirement Act of 1974,” 45 U.S.C.§231 et seq., and federal pension, disability and retirement programs; or

CHAPTER 84

AN ACT concerning the decommissioning of dams and reservoirs, and amending R.S.58:4-5, R.S.58:4-9 and R.S.58:4-10.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.58:4-5 is amended as follows:

Alterations, additions and repairs of unsafe reservoirs or dams.

58:4-5. If, in the judgment of the commissioner, any reservoir or dam is not sufficiently strong to resist the pressure of water upon it or there is reasonable cause to believe that danger to life or property may be anticipated from the reservoir or dam, or if for any other cause the commissioner shall determine the reservoir or dam to be unsafe or improperly maintained, the commissioner shall determine whether the water in the reservoir or above the dam shall be drawn off in whole or in
part, and what alterations, additions and repairs are necessary to be made to the reservoir or dam to make it safe and properly maintained. The commissioner shall forthwith in writing order the owner or person having control of the reservoir or dam to cause the alterations, additions and repairs to be made within the time to be limited in the order. The commissioner also may order the water in the reservoir or above the dam to be drawn off in whole or in part as the commissioner may determine. The commissioner shall not approve the decommissioning of a reservoir or dam until the commissioner has provided 30 days' prior notice and the commissioner has complied with the provisions of R.S.58:4-10 as applicable. The notice of the proposed decommissioning shall be published at least 30 days prior to the decommissioning of the reservoir or dam in at least one newspaper of general circulation in the municipality in which the reservoir or dam is located. The commissioner shall have the right to enter upon any and all properties for the purpose of obtaining information about the safety and proper maintenance of any reservoir, dam or appurtenant structures located therein.

2. R.S.58:4-9 is amended to read as follows:

Maintenance of existing reservoirs and dams; petition against abandonment.

58:4-9. Where a reservoir or dam has been in existence 20 years and the owners of land along the shores above the dam or on the reservoir have made or shall have made permanent improvements on the land or where the shores have become a populated community, depending upon the permanency of the condition created, or where the reservoir or dam has become a valuable resource for the quality of life in the municipality in which the reservoir or dam is located, and a petition signed by a majority of the landowners along the shore of any pond formed by the reservoir or dam, or by any number of residents of the municipality in which the reservoir or dam is located, or by the governing body of the municipality, protesting against the removal of the reservoir, water or dam or the decommissioning of the reservoir or dam has been filed with the commissioner, the owner or owners of the reservoir or dam shall not, without the consent of the commissioner, tear down, destroy or abandon the reservoir or dam, or, except for the purpose of making necessary repairs, withdraw the water below the usual low-water mark, or maintain the water at the reduced level.

3. R.S.58:4-10 is amended to read as follows:
Hearing on petition; fixing low-water mark; maintenance expenses.

58:4-10. When a petition has been filed protesting against the removal of any reservoir, water or dam or against the decommissioning of any reservoir or dam as provided in R.S.58:4-9, the commissioner shall hold a public hearing, upon 30 days' notice to all parties interested, and following prior notice published 30 days before the hearing in at least one newspaper of general circulation in the municipality in which the reservoir or dam is located. Following this public hearing, the commissioner may make a determination concerning the removal of the reservoir, water or dam or decommissioning of the reservoir or dam and may then establish and fix a permanent low-water mark. Should it appear that the maintenance of the reservoir or dam would be an undue burden upon the owner thereof, the commissioner shall enter into negotiations with the landowners interested around the reservoir or above the dam, the governing body of the municipality in which the reservoir or dam is located, and any other parties to the petition filed with the commissioner protesting against the removal of the reservoir, water or dam or the decommissioning of the reservoir or dam, for the purpose of determining how and by whom the expenses of maintenance shall be paid.

4. This act shall take effect immediately.

CHAPTER 85

AN ACT increasing the membership of certain authorities in certain municipalities and amending P.L.1946, c.138 and P.L.1948, c.348.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1946, c.138 (C.40:14A-4) is amended to read as follows:

C.40:14A-4 Creation of sewerage authorities.

4. (a) The governing body of any county may, by resolution duly adopted, create a public body corporate and politic under the name and style of "the ........................., sewerage authority," with all or any significant part of the name of such county inserted. Said body shall
consist of the five members thereof, who shall be appointed by resolution of the governing body as hereinafter in this section provided, together with the additional members thereof, if any, appointed as hereinafter in subsection (j) of this section provided, and it shall constitute the sewerage authority contemplated and provided for in this act and an agency and instrumentality of said county. After the taking effect of the resolution for the creation of said body and the filing of a certified copy thereof as in subsection (d) of this section provided, five persons shall be appointed as the members of the sewerage authority. The members first appointed shall, by the resolution of appointment, be designated to serve for terms respectively expiring on the first days of the first, second, third, fourth and fifth Febuararies next ensuing after the dates of their appointments. On or after January 1 in each year after such first appointments, one person shall be appointed as a member of the sewerage authority to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term.

(b) The governing body of any municipality may, by ordinance duly adopted, create a public body corporate and politic under the name and style of “the ....................... sewerage authority,” with all or any significant part of the name of such municipality inserted. A sewerage authority created pursuant to this section by a municipality other than a city of the first class shall consist of five members and a sewerage authority created pursuant to this section by a municipality which is a city of the first class shall consist of five or seven members, as determined by the governing body. Members of the sewerage authority shall be appointed by resolution of the governing body as hereinafter in this section provided, and the authority shall constitute the sewerage authority contemplated and provided for in this act and an agency and instrumentality of said municipality. After the taking effect of such ordinance and the filing of a certified copy thereof as in subsection (d) of this section provided, the members of the sewerage authority shall be appointed. The members first appointed shall, by the resolution of appointment, be designated to serve for terms respectively expiring as follows: the terms of the first four members shall expire in turn on each of the first days of the first, second, third and fourth Febuararies next ensuing after the dates of their appointments, and the remaining members shall be designated to serve for terms expiring on the first day of the fifth February next ensuing after the date of their appoint-
ment. On or after January 1 in each year after such first appointments, one person shall be appointed or reappointed as a member of the sewerage authority to succeed each member whose term is expiring, and shall serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term.

The governing body of a municipality which is a city of the first class may increase the membership of its sewerage authority to seven members from five members. The two additional members shall be appointed to serve five-year terms, commencing on the February 1 next following their appointment and expiring on February 1 in the fifth year after their appointment.

(c) The governing bodies of any two or more municipalities or any two or more counties, the areas of which together comprise an integral body of territory, may, by parallel ordinances, or in the case of counties, by parallel resolutions, duly adopted by each of such governing bodies within any single calendar year, create a public body corporate and politic under the name and style of "the ................ sewerage authority," with all or any significant part of the name of each such municipality or county or some identifying geographical phrase inserted. Said body shall consist of the members thereof, in an aggregate number determined as hereinafter in this subsection provided, who shall be appointed by resolutions of the several governing bodies as hereinafter in this section provided, and it shall constitute the sewerage authority contemplated and provided for in this act and an agency and instrumentality of the said municipalities or counties. The number of members of the sewerage authority to be appointed at any time for full terms of office by the governing body of any such municipality or county shall be as may be stated in said ordinances or resolutions, which shall be not less than one nor more than three. After the taking effect of the said ordinances or resolutions of all such municipalities or counties and after the filing of certified copies thereof as in subsection (d) of this section provided, the appropriate number of persons shall be appointed as members of the sewerage authority by the governing body of each municipality or county. In the case of municipalities or counties which by ordinance or resolution are entitled to appoint only one member of the authority, the total number of members, if five or more, shall be divided into five classes as nearly equal as possible, except that if there are less than five members, each member shall constitute a class. The members initially appointed shall
be appointed for such terms that the terms of one class shall expire on the first day of each of the first, second, third, fourth and fifth Februaries next ensuing the date of appointment. In the event the several municipalities or counties cannot agree on the terms of the respective representatives, such terms shall be determined by lot. On or after January 1 in each year after such appointments, the expiring terms shall be filled by the appointment for terms commencing February 1 in such year and expiring on the first day of the fifth February next ensuing.

Upon the expiration of the terms of office of members, in office on July 1, 1970, of sewerage authorities created by two or more municipalities or counties, where only one member is appointed by any participating municipality or county, their immediate successors, except for appointments to fill vacancies, shall be appointed for designated terms of one, two, three, four or five years in the same manner as in this subsection (c) provided as to initial appointees.

In municipalities or counties entitled to appoint three members, the appointing authority shall designate one of the initial appointees to serve for a term of three years, one for four years and one for five years. In municipalities or counties entitled to appoint two members, the appointing authority shall designate one of the initial appointees to serve for a term of five years and one for four years. On or after January 1 in the year in which expire the terms of the said members first appointed and in every fifth year thereafter, the appropriate number of persons shall be appointed as members of the sewerage authority by the governing body of each municipality or county, to serve for terms commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during the unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term by the governing body which made the original appointment for such unexpired term.

Upon the expiration of the terms of office of members, in office on July 1, 1967, of sewerage authorities created by two or more municipalities or counties, where more than one member is appointed by any participating municipality or county, their immediate successors, except for appointments to fill vacancies, shall be appointed for designated terms of three, four or five years in the same manner as in this subsection (c) provided as to initial appointees.

(d) A copy of each resolution or ordinance for the creation of a sewerage authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the
office of the Secretary of State. Upon proof of such filing of a
certified copy of the resolution or ordinance or of certified copies
of the parallel ordinances for the creation of a sewerage authority
as aforesaid, the sewerage authority therein referred to shall, in
any suit, action or proceeding involving the validity or enforce­
ment of, or relating to, any contract or obligation or act of the
sewerage authority, be conclusively deemed to have been law­
fully and properly created and established and authorized to
transact business and exercise its powers under this act. A copy
of any such certified resolution or ordinance, duly certified by or
on behalf of the Secretary of State, shall be admissible in evi­
dence in any suit, action or proceeding.

(e) A copy of each resolution appointing any member of a sew­
erage authority adopted pursuant to this section, duly certified by
the appropriate officer of the local unit, shall be filed in the office
of the Secretary of State. A copy of such certified resolution,
duly certified by or on behalf of the Secretary of State, shall be
admissible in evidence in any suit, action or proceeding and,
except in a suit, action or proceeding directly questioning such
appointment, shall be conclusive evidence of the due and proper
appointment of the member or members named therein.

(f) The governing body of a county which may create or join in the
creation of any sewerage authority pursuant to this section shall not
thereafter create or join in the creation of any other sewerage author­
ity. No governing body of any municipality constituting the
whole or any part of a district shall create or join in the creation of
any sewerage authority except upon the written consent of the
sewerage authority and in accordance with the terms and condi­
tions of such consent, and in the event such consent be given and
a sewerage authority be created pursuant thereto, the terms and
conditions of such consent shall thereafter be in all respects bind­
ing upon such municipality and the sewerage authority so created,
and any system of sewers or sewage disposal plants constructed
or maintained in conformity with the terms and conditions of such
consent by the sewerage authority so created shall be deemed not
to be competitive with the sewerage systems of the sewerage
authority giving such consent. In the event that prior to the cre­
ation of a sewerage authority of a county the governing body of
any municipality located in said county shall have created or
joined in the creation of a sewerage authority, the area within the
territorial limits of such municipality shall not be part of the dis­
trict of the sewerage authority of said county.
(g) Within 10 days after the filing in the office of the Secretary of State of a certified copy of a resolution for the creation of a sewerage authority adopted by the governing body of any county pursuant to this section, a copy of such resolution, duly certified by the appropriate officer of the county, shall be filed in the office of the clerk of each municipality within the county. In the event that the governing body of any such municipality shall, within 60 days after such filing in the office of the Secretary of State, adopt a resolution determining that such municipality shall not be a part of the district of such sewerage authority and file a copy thereof, duly certified by its clerk, in the office of the Secretary of State, the area within the territorial limits of such municipality shall not thereafter be part of such district, but at any time after the adoption of such resolution, the governing body of such municipality may, by ordinance duly adopted, determine that such area shall again be a part of such district, and if thereafter a copy of such ordinance, duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of such sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and after such filing the area within the territorial limits of such municipality shall forever be part of such district.

(h) The governing body of any local unit which has created a sewerage authority pursuant to subsection (a) or subsection (b) of this section may, in the case of a county by resolution duly adopted or in the case of a municipality by ordinance duly adopted, dissolve such sewerage authority on the conditions set forth in this subsection. The governing bodies of two or more local units which have created a sewerage authority pursuant to subsection (c) of this section may, by parallel ordinances duly adopted by each of such governing bodies within any single calendar year, dissolve such sewerage authority on the conditions set forth in this subsection. Such a sewerage authority may be dissolved on condition that (1) either the members of such authority have not been appointed or the sewerage authority, by resolution duly adopted, consents to such dissolution, and (2) the sewerage authority has no debts or obligations outstanding. Upon the dissolution of any sewerage authority in the manner provided in this subsection, the governing body or bodies dissolving such sewerage authority shall be deemed never to have created or joined in the creation of a sewerage authority. A copy of each resolution or ordinance for the dissolution of a sewerage authority adopted pursuant to this subsection, duly certified by the appropriate
officer of the local unit, shall be filed in the office of the Secretary of State. Upon proof of such filing of a certified copy of the resolution or ordinance or of certified copies of the parallel ordinances for the dissolution of a sewerage authority as aforesaid and upon proof that such sewerage authority had no debts or obligations outstanding at the time of the adoption of such resolution, ordinance or ordinances, the sewerage authority therein referred to shall be conclusively deemed to have been lawfully and properly dissolved and the property of the sewerage authority shall be vested in the local unit or units. A copy of any such certified resolution or ordinance, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding.

(i) Whenever the sewerage authority of any county shall certify to the governing body of any county that it has entered into a contract pursuant to section 23 of this act with one or more municipalities situate within any other county, one additional member of the sewerage authority for each such other county shall be appointed by resolution of the governing body of such other county as in this section provided. The additional member so appointed for any such other county, and his successors, shall be a resident of one of said municipalities situate within such other county. The additional member first appointed or to be first appointed for any such other county shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If after such appointment of an additional member for any such other county the sewerage authority shall certify to said governing body of such other county that it is no longer a party to a contract entered into pursuant to section 23 of this act with any municipality situate within such other county, the term of office of such additional member shall thereupon cease and expire and no additional member for such other county shall thereafter be appointed.

(j) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality may, by
ordinance duly adopted, provide that the members of the sewerage authority shall thereafter be appointed by the governing body of such new consolidated municipality, which shall make appointment of members of the sewerage authority by resolution as hereinafter in this subsection provided. On or after the taking effect of such ordinance, one person shall be appointed as a member of the sewerage authority for a term commencing on February 1 in each year, if any, after the date of consolidation, in which has or shall have expired the term of a member of the sewerage authority theretofore appointed by the governing body of the municipality which has been or shall be so consolidated, and expiring on February 1 in the fifth year after such year. Thereafter, on or after January 1 in each year, one person shall be appointed as a member of the sewerage authority to serve for a term commencing on February 1 in such year and expiring February 1 in the fifth year after such year. In the event of a vacancy in the membership of the sewerage authority occurring during an unexpired term of office, a person shall be appointed as a member of the sewerage authority to serve for such unexpired term. Each member of the sewerage authority appointed by the governing body of a municipality which has been or shall be so consolidated shall continue in office until his successor has been appointed as in this subsection provided and has qualified.

(k) If a municipality, the governing body of which has created a sewerage authority pursuant to subsection (b) of this section, has been or shall be consolidated with another municipality, the governing body of the new consolidated municipality, subject to the rights of the holders, if any, of bonds issued by the sewerage authority, and upon receipt of the sewerage authority's written consent thereto, may provide, by ordinance duly adopted, that the area within the territorial boundaries of the new consolidated municipality shall constitute the district of the sewerage authority, and upon the taking effect of such ordinance, such area shall constitute the district of the sewerage authority. Until the taking effect of such ordinance, the district of the sewerage authority shall be the area within the territorial boundaries, as they existed at the date of the consolidation, of the municipality the governing body of which created the sewerage authority.

(l) Whenever, with the approval of any sewerage authority created by the governing bodies of two or more municipalities, any other municipality not constituting part of the district shall convey to the sewerage authority all or any part of a system of main,
lateral or other sewers or other sewerage facilities located within the district and theretofore owned and operated by such other municipality, then, if so provided in the instruments of such conveyance, one additional member of the sewerage authority for such other municipality shall be appointed by resolution of its governing body as in this section provided. The additional member so appointed for such municipality, and his successors, shall be residents of such municipality. The additional member first appointed or to be first appointed for such municipality shall serve for a term expiring on the first day of the fifth February next ensuing after the date of such appointment, and on or after January 1 in the year in which expires the term of the said additional member first appointed and in every fifth year thereafter, one person shall be appointed by said governing body as a member of the sewerage authority as successor to said additional member, to serve for a term commencing on February 1 in such year and expiring on February 1 in the fifth year after such year. If at any time after such conveyance of sewers or sewerage facilities by a municipality its governing body shall adopt a resolution determining not thereafter to be represented in the membership of the sewerage authority and shall file a copy thereof duly certified by its clerk in the office of the sewerage authority, the term of office of any such additional member theretofore appointed for such municipality shall thereupon cease and expire and no additional member for such municipality shall thereafter be appointed.

(m)(i) The governing body of any municipality which is contiguous to the district of a sewerage authority created by the governing bodies of two or more other municipalities may at any time, by ordinance duly adopted, propose that the whole or any part of the area herein referred to as "service area" within the territorial limits of such municipality shall be a part of said contiguous district. Such ordinance shall (1) state the number of members of the sewerage authority, not less than one nor more than three, thereafter to be appointed for full terms of office by the governing body of such municipality, and (2) determine that, after the filing of a certified copy thereof and of a resolution of the sewerage authority in accordance with this subsection, such service area shall be a part of said contiguous district. If thereafter a copy of such ordinance duly certified by the appropriate officer of such municipality, together with a certified copy of a resolution of said sewerage authority approving such ordinance, shall be filed in the office of the Secretary of State, then from and
after such filing the service area shall forever be part of said contiguous district and said sewerage authority shall consist of the members thereof acting or appointed as in this section provided and constitute an agency and instrumentality of such municipality, as well as such other municipalities. The governing body of the said municipality so becoming part of said contiguous district shall thereupon appoint members of the sewerage authority in the number stated in such ordinance, for periods and in the manner provided for the first appointment of members of a sewerage authority under subsection (c) of this section.

(ii) If the service area of such municipality shall then be part of the district of any other sewerage authority or municipal authority, such other authority shall, by resolution adopted not more than one year prior to the adoption of such ordinance, consent to the inclusion of the service area in the district of said contiguous district, and the service area shall become part of said contiguous district as aforesaid and shall no longer be part of the district of such other authority for sewerage purposes. If only part of the area within the territorial limits of such municipality shall constitute the service area to become part of said contiguous district, the service area shall be that so designated or shown on a map thereof bearing legend or reference to this section and filed in the office of the clerk of such municipality and in the office of the secretary of each authority referred to in this section, and such map shall be incorporated by a reference thereto in such ordinance and resolution as or for a description of the service area. For all the purposes of this act, such sewerage authority shall be deemed to have been created by the governing body of such municipality jointly with the other municipalities (the territorial areas of which constitute the district of such contiguous authority), and such municipality shall have all powers, duties, rights and obligations provided for by this act or any other law for or with respect to such sewerage authority or any other sewerage authority or municipal authority, notwithstanding that only a part of the area within the territorial limits of such municipality shall become part of said contiguous district.

(n) The governing body of a county or municipality may provide, in the ordinance or resolution creating the sewerage authority, for not more than two alternate members. Alternate members shall be designated by the governing body as “Alternate No. 1” and “Alternate No. 2” and shall serve during the absence or disqualification of any regular member or members. The gov-
erning body of the county or municipality shall provide by ordinance or resolution for the order in which the alternates shall serve. The term of each alternate member shall be five years commencing on February 1 of the year of appointment; provided, however, that in the event two alternate members are appointed their initial terms shall be four and five years, respectively. The terms of the first alternate members appointed pursuant to this amendatory act shall commence on the dates of their appointments and shall expire on the fourth or fifth January 31 next ensuing after the dates of their appointments, as the case may be. Alternate members may participate in discussions of the proceedings but may not vote, except in the absence or disqualification of a regular member. A vote shall not be delayed in order that a regular member may vote instead of an alternate member.

(o) Whenever any sewerage authority has entered into a contract for the treatment or disposal of sewage originating in the district, pursuant to section 23 of P.L.1946, c.138 (C.40:14A-23), with any contiguous sewerage authority, then, with the approval of the contiguous sewerage authority, the sewerage authority may appoint, by resolution duly adopted, two additional members to the contiguous sewerage authority, as provided in this subsection. The additional members shall be either residents of the district of the sewerage authority or members or the executive director of the sewerage authority. The additional members shall serve five year terms, except that the additional members first appointed shall serve for terms respectively expiring on the first days of the fourth and fifth Februaries next ensuing after the dates of their appointments. On or after January 1 in the years in which the terms of the additional members expire, one person shall be appointed by the sewerage authority as a member of the contiguous sewerage authority as successor to the additional member, to serve for a term commencing on February 1 of that year. Vacancies shall be filled in the manner of the original appointments but for the unexpired terms only. If a sewerage authority has entered into a contract with a contiguous sewerage authority for the treatment or disposal of sewage, and thereafter adopts a resolution determining not to be represented in the membership of the contiguous sewerage authority and files a copy thereof, duly certified by its secretary, in the office of the contiguous sewerage authority, the terms of office of any additional members shall cease and no additional members shall be appointed thereafter.

2. Section 4 of P.L.1948, c.348 (C.40:66A-4) is amended to read as follows:
C.40:66A-4 Creation of incinerator authorities.

4. (a) The governing body of any municipality may, by ordinance duly adopted, create a public body corporate and politic under the name and style of "the ................ incinerator authority" with all or any significant part of the name of such municipality inserted. An incinerator authority created pursuant to this section by a municipality other than a city of the first class shall consist of five members, and an incinerator authority created pursuant to this section by a municipality which is a city of the first class shall consist of five or seven members, as determined by the governing body. Members of the incinerator authority shall be appointed by resolution of the governing body as hereinafter in this section provided, and the authority shall constitute the incinerator authority contemplated and provided for in this act and an agency and instrumentality of said municipality. After the taking effect of such ordinance and the filing of a certified copy thereof as in subsection (c) of this section provided, the members of the incinerator authority shall be appointed. The members first appointed shall, by the resolution of appointment, be designated to serve for terms respectively expiring as follows: the terms of the first four members shall expire in turn on each of the first days of the first, second, third and fourth Februaries next ensuing after the date of their appointment, and the remaining members shall be designated to serve for terms expiring on the first day of the fifth February next ensuing after the date of their appointment. On or after the first day of January in each year after such first appointments, one person shall be appointed or reappointed as a member of the incinerator authority to succeed each member whose term is expiring, and shall serve for a term commencing on the first day of February in such year and expiring on the first day of February in the fifth year after such year. In the event of a vacancy in the membership of the incinerator authority occurring during an unexpired term of office, a person shall be appointed as a member of the incinerator authority to serve for such unexpired term.

The governing body of a municipality which is a city of the first class may increase the membership of its incinerator authority to seven members from five members. The two additional members shall be appointed to serve five-year terms, commencing on the February 1 next following their appointment and expiring on February 1 in the fifth year after their appointment.

(b) The governing bodies of any two or more municipalities, whether or not the areas of such municipalities comprise an integral body of territory, may, by parallel ordinances duly adopted by each of such governing bodies within any single calendar year,
create a public body corporate and politic under the name and style of “the ................................ incinerator authority” with all or any significant part of the name of each such municipality or some identifying geographical phrase inserted. Said body shall consist of the members thereof, in an aggregate number determined as hereinafter in this subsection provided, who shall be appointed by resolution of the several governing bodies as hereinafter in this section provided, and it shall constitute the incinerator authority contemplated and provided for in this act and an agency and instrumentality of the said municipalities. The number of members of the incinerator authority to be appointed at any time for full terms of office by the governing body of any such municipality, shall be as may be stated in said ordinances which shall be not less than one nor more than three. After the taking effect of the said ordinances of all such municipalities and after the filing of certified copies thereof as in subsection (c) of this section provided, the appropriate number of persons shall be appointed as members of the incinerator authority by the governing body of each municipality. The members first appointed or to be first appointed shall serve for terms expiring on the first day of the fifth February next ensuing after the date of the first appointment of any member. On or after the first day of January in the year in which expires the terms of the said members first appointed and in every fifth year thereafter, the appropriate number of persons shall be appointed as members of the incinerator authority by the governing body of each municipality, to serve for terms commencing on the first day of February in such year and expiring on the first day of February in the fifth year after such year. In the event of a vacancy in the membership of the incinerator authority occurring during an unexpired term of office, a person shall be appointed as a member of the incinerator authority to serve for such unexpired term by the governing body which made the original appointment for such unexpired term.

(c) A copy of each ordinance for the creation of an incinerator authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. Upon proof of such filing of a certified copy of the ordinance or of certified copies of the parallel ordinances for the creation of an incinerator authority as aforesaid, the incinerator authority therein referred to shall, in any suit, action or proceeding involving the validity or enforcement of, or relating to, any contract or obligation or act of the incinerator authority, be conclusively deemed to have been lawfully and properly created and established and authorized to transact business and exercise its powers under this act. A copy of any such certified ordinance,
duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding.

(d) A copy of each resolution appointing any member of an incinerator authority adopted pursuant to this section, duly certified by the appropriate officer of the local unit, shall be filed in the office of the Secretary of State. A copy of such certified resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any suit, action or proceeding and, except in a suit, action or proceeding directly questioning such appointment, shall be conclusive evidence of the due and proper appointment of the members named therein.

(e) No governing body which may create or join in the creation of any incinerator authority pursuant to this section shall thereafter create or join in the creation of any other incinerator authority. No governing of any municipality within a district shall create or join in the creation of any incinerator authority except upon the written consent of the incinerator authority and in accordance with the terms and conditions of such consent, and in the event such consent be given and an incinerator authority be created pursuant thereto, the area within the territorial boundaries of such municipality shall not thereafter be part of the district.

3. This act shall take effect immediately.

3. As used in this act:
   a. "Gross revenue" means annual gross revenue or gross shel­
ten rent or annual gross rents, as appropriate, and other income,
for each urban renewal entity designated pursuant to this act. The
financial agreement shall establish the method of computing gross
revenue for the entity, and the method of determining insurance,
operating and maintenance expenses paid by a tenant which are
ordinarily paid by a landlord, which shall be included in the gross
revenue; provided, however, that any federal funds received,
whether directly or in the form of rental subsidies paid to tenants,
by a nonprofit corporation that is the sponsor of a qualified subsi­

incorporated pursuant to Title 14A of the New Jersey Statutes, or
established pursuant to Title 42 of the Revised Statutes, for which

allowable profit rate to each total project unit cost, if the project
is undertaken in units, or the total project cost, if the project is not undertaken in units, for the period commencing on the date on which the construction of the unit or project is completed, and terminating at the close of the fiscal year of the entity preceding the date on which the computation is made, where:

"Allowable profit rate" means the percentage per annum arrived at by adding 1 1/4% to the annual interest percentage rate payable on the entity's initial permanent mortgage financing. If the initial permanent mortgage is insured or guaranteed by a governmental agency, the mortgage insurance premium or similar charge, if payable on a per annum basis, shall be considered as interest for this purpose. If there is no permanent mortgage financing the allowable profit rate shall be arrived at by adding 1 1/4% per annum to the interest rate per annum which the municipality determines to be the prevailing rate on mortgage financing on comparable improvements in the county.

c. "Net profit" means the gross revenues of the urban renewal entity less all operating and non-operating expenses of the entity, all determined in accordance with generally accepted accounting principles, but:

(2) there shall not be included in expenses either depreciation or obsolescence, interest on debt, income taxes, or salaries, bonuses or other compensation paid, directly or indirectly to directors, officers and stockholders of the entity, or officers, partners or other persons holding any proprietary ownership interest in the entity.

The urban renewal entity shall provide to the municipality an annual audited statement which clearly identifies the calculation of net profit for the urban renewal entity during the previous year. The annual audited statement shall be prepared by a certified pub-

The written court order releasing the defendant shall contain the court's directives specifically restricting the defendant's ability to have contact with the victim or the victim's friends, co-workers or relatives. The clerk of the court or other person designated by the court shall provide a copy of this order to the victim forthwith.

c. The victim's location shall remain confidential and shall not appear on any documents or records to which the defendant has access.

d. Before bail is set, the defendant's prior record shall be considered by the court. Bail shall be set as soon as is feasible, but in all cases within 24 hours of arrest.

e. Once bail is set it shall not be reduced without prior notice to the county prosecutor and the victim. Bail shall not be reduced by a judge other than the judge who originally ordered bail, unless the reasons for the amount of the original bail are available to the judge who reduces the bail and are set forth in the record.

f. A victim shall not be prohibited from applying for, and a court shall not be prohibited from issuing, temporary restraints pursuant to this act because the victim has charged any person with commission of a criminal act.

4. Section 12 of P.L.1991, c.261 (C.2C:25-28) is amended to read as follows:

C.2C:25-28 Filing complaint alleging domestic violence in Family Part; proceedings.

12. a. A victim may file a complaint alleging the commission of an act of domestic violence with the Family Part of the Chan-
cary Division of the Superior Court in conformity with the Rules of Court. The court shall not dismiss any complaint or delay disposition of a case because the victim has left the residence to avoid further incidents of domestic violence. Filing a complaint pursuant to this section shall not prevent the filing of a criminal complaint for the same act.

On weekends, holidays and other times when the court is closed, a victim may file a complaint before a judge of the Family Part of the Chancery Division of the Superior Court or a municipal court judge who shall be assigned to accept complaints and issue emergency, ex parte relief in the form of temporary restraining orders pursuant to this act.

A plaintiff may apply for relief under this section in a court having jurisdiction over the place where the alleged act of domestic violence occurred, where the defendant resides, or where the plaintiff resides or is sheltered, and the court shall follow the same procedures applicable to other emergency applications. Criminal complaints filed pursuant to this act shall be investigated and prosecuted in the jurisdiction where the offense is alleged to have occurred. Contempt complaints filed pursuant to N.J.S.2C:29-9 shall be prosecuted in the county where the contempt is alleged to have been committed and a copy of the contempt complaint shall be forwarded to the court that issued the order alleged to have been violated.

b. The court shall waive any requirement that the petitioner's place of residence appear on the complaint.

c. The clerk of the court, or other person designated by the court, shall assist the parties in completing any forms necessary for the filing of a summons, complaint, answer or other pleading.

d. Summons and complaint forms shall be readily available at the clerk's office, at the municipal courts and at municipal and State police stations.

e. As soon as the domestic violence complaint is filed, both the victim and the abuser shall be advised of any programs or services available for advice and counseling.

f. A plaintiff may seek emergency, ex parte relief in the nature of a temporary restraining order. A municipal court judge or a judge of the Family Part of the Chancery Division of the Superior Court may enter an ex parte order when necessary to protect the life, health or well-being of a victim on whose behalf the relief is sought.

If it appears that the plaintiff is in danger of domestic violence, the judge shall, upon consideration of the plaintiff's
domestic violence complaint, order emergency ex parte relief, in
the nature of a temporary restraining order. A decision shall be
made by the judge regarding the emergency relief forthwith.

h. A judge may issue a temporary restraining order upon
sworn testimony or complaint of an applicant who is not physi­
cally present, pursuant to court rules, or by a person who
represents a person who is physically or mentally incapable of fil­
ing personally. A temporary restraining order may be issued if
the judge is satisfied that exigent circumstances exist sufficient to
excuse the failure of the applicant to appear personally and that
sufficient grounds for granting the application have been shown.

i. An order for emergency, ex parte relief shall be granted
upon good cause shown and shall remain in effect until a judge of
the Family Part issues a further order. Any temporary order here­
der is immediately appealable for a plenary hearing de novo
not on the record before any judge of the Family Part of the
county in which the plaintiff resides or is sheltered if that judge
issued the temporary order or has access to the reasons for the
issuance of the temporary order and sets forth in the record the
reasons for the modification or dissolution. The denial of a tem­
porary restraining order by a municipal court judge and
subsequent administrative dismissal of the complaint shall not bar
the victim from refiling a complaint in the Family Part based on
the same incident and receiving an emergency, ex parte hearing
de novo not on the record before a Family Part judge, and every
denial of relief by a municipal court judge shall so state.

j. Emergency relief may include forbidding the defendant from
returning to the scene of the domestic violence, forbidding the
defendant to possess any firearm or other weapon enumerated in
subsection r. of N.J.S.2C:39-1, ordering the search for and seizure
of any such weapon at any location where the judge has reasonable
cause to believe the weapon is located and any other appropriate
relief. The judge shall state with specificity the reasons for and
scope of the search and seizure authorized by the order.

k. The judge may permit the defendant to return to the scene of
the domestic violence to pick up personal belongings and effects
but shall, in the order granting relief, restrict the time and duration
of such permission and provide for police supervision of such visit.

l. An order granting emergency relief, together with the com­
plaint or complaints, shall immediately be forwarded to the
appropriate law enforcement agency for service on the defendant,
and to the police of the municipality in which the plaintiff resides
or is sheltered, and shall immediately be served upon the defendant by the police, except that an order issued during regular court hours may be forwarded to the sheriff for immediate service upon the defendant in accordance with the Rules of Court. If personal service cannot be effected upon the defendant, the court may order other appropriate substituted service. At no time shall the plaintiff be asked or required to serve any order on the defendant.

m. (Deleted by amendment, P.L.1994, c.94.)

n. Notice of temporary restraining orders issued pursuant to this section shall be sent by the clerk of the court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency or court.

o. (Deleted by amendment, P.L.1994, c.94.)

p. Any temporary or permanent restraining order issued pursuant to this act shall be in effect throughout the State, and shall be enforced by all law enforcement officers.

5. Section 13 of P.L.1991, c.261 (C.2C:25-29) is amended to read as follows:

C.2C:25-29 Hearing procedure; relief.

13. a. A hearing shall be held in the Family Part of the Chancery Division of the Superior Court within 10 days of the filing of a complaint pursuant to section 12 of this act in the county where the ex parte restraints were ordered, unless good cause is shown for the hearing to be held elsewhere. A copy of the complaint shall be served on the defendant in conformity with the Rules of Court.

If a criminal complaint arising out of the same incident which is the subject matter of a complaint brought under P.L.1981, c.426 (C.2C:25-1 et seq.) or P.L.1991, c.261 (C.2C:25-17 et seq.) has been filed, testimony given by the plaintiff or defendant in the domestic violence matter shall not be used in the simultaneous or subsequent criminal proceeding against the defendant, other than domestic violence contempt matters and where it would otherwise be admissible hearsay under the rules of evidence that govern where a party is unavailable. At the hearing the standard for proving the allegations in the complaint shall be by a preponderance of the evidence. The court shall consider but not be limited to the following factors:

(i) The previous history of domestic violence between the plaintiff and defendant, including threats, harassment and physical abuse;
(2) The existence of immediate danger to person or property;
(3) The financial circumstances of the plaintiff and defendant;
(4) The best interests of the victim and any child;
(5) In determining custody and visitation the protection of the victim's safety; and
(6) The existence of a verifiable order of protection from another jurisdiction.

An order issued under this act shall only restrain or provide damages payable from a person against whom a complaint has been filed under this act and only after a finding or an admission is made that an act of domestic violence was committed by that person. The issue of whether or not a violation of this act occurred, including an act of contempt under this act, shall not be subject to mediation or negotiation in any form. In addition, where a temporary or final order has been issued pursuant to this act, no party shall be ordered to participate in mediation on the issue of custody or visitation.

b. In proceedings in which complaints for restraining orders have been filed, the court shall grant any relief necessary to prevent further abuse. At the hearing the judge of the Family Part of the Chancery Division of the Superior Court may issue an order granting any or all of the following relief:

(1) An order restraining the defendant from subjecting the victim to domestic violence, as defined in this act.
(2) An order granting exclusive possession to the plaintiff of the residence or household regardless of whether the residence or household is jointly or solely owned by the parties or jointly or solely leased by the parties. This order shall not in any manner affect title or interest to any real property held by either party or both jointly. If it is not possible for the victim to remain in the residence, the court may order the defendant to pay the victim's rent at a residence other than the one previously shared by the parties if the defendant is found to have a duty to support the victim and the victim requires alternative housing.
(3) An order providing for visitation. The order shall protect the safety and well-being of the plaintiff and minor children and shall specify the place and frequency of visitation. Visitation arrangements shall not compromise any other remedy provided by the court by requiring or encouraging contact between the plaintiff and defendant. Orders for visitation may include a designation of a place of visitation away from the plaintiff, the participation of a third party, or supervised visitation.
(a) The court shall consider a request by a custodial parent who has been subjected to domestic violence by a person with visitation rights to a child in the parent's custody for an investigation or evaluation by the appropriate agency to assess the risk of harm to the child prior to the entry of a visitation order. Any denial of such a request must be on the record and shall only be made if the judge finds the request to be arbitrary or capricious.

(b) The court shall consider suspension of the visitation order and hold an emergency hearing upon an application made by the plaintiff certifying under oath that the defendant's access to the child pursuant to the visitation order has threatened the safety and well-being of the child.

(4) An order requiring the defendant to pay to the victim monetary compensation for losses suffered as a direct result of the act of domestic violence. The order may require the defendant to pay the victim directly, to reimburse the Violent Crimes Compensation Board for any and all compensation paid by the Violent Crimes Compensation Board directly to or on behalf of the victim, and may require that the defendant reimburse any parties that may have compensated the victim, as the court may determine. Compensatory losses shall include, but not be limited to, loss of earnings or other support, including child or spousal support, out-of-pocket losses for injuries sustained, cost of repair or replacement of real or personal property damaged or destroyed or taken by the defendant, cost of counseling for the victim, moving or other travel expenses, reasonable attorney's fees, court costs, and compensation for pain and suffering. Where appropriate, punitive damages may be awarded in addition to compensatory damages.

(5) An order requiring the defendant to receive professional domestic violence counseling from either a private source or a source appointed by the court and, in that event, at the court's discretion requiring the defendant to provide the court at specified intervals with documentation of attendance at the professional counseling. The court may order the defendant to pay for the professional counseling.

(6) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim or of other family or household members of the victim and requiring the defendant to stay away from any specified place that is named in the order and is frequented regularly by the victim or other family or household members.
(7) An order restraining the defendant from making contact with the plaintiff or others, including an order forbidding the defendant from personally or through an agent initiating any communication likely to cause annoyance or alarm including, but not limited to, personal, written, or telephone contact with the victim or other family members, or their employers, employees, or fellow workers, or others with whom communication would be likely to cause annoyance or alarm to the victim.

(8) An order requiring that the defendant make or continue to make rent or mortgage payments on the residence occupied by the victim if the defendant is found to have a duty to support the victim or other dependent household members; provided that this issue has not been resolved or is not being litigated between the parties in another action.

(9) An order granting either party temporary possession of specified personal property, such as an automobile, checkbook, documentation of health insurance, an identification document, a key, and other personal effects.

(10) An order awarding emergency monetary relief, including emergency support for minor children, to the victim and other dependents, if any. An ongoing obligation of support shall be determined at a later date pursuant to applicable law.

(11) An order awarding temporary custody of a minor child. The court shall presume that the best interests of the child are served by an award of custody to the non-abusive parent.

(12) An order requiring that a law enforcement officer accompany either party to the residence or any shared business premises to supervise the removal of personal belongings in order to ensure the personal safety of the plaintiff when a restraining order has been issued. This order shall be restricted in duration.

(13) An order which permits the victim and the defendant to occupy the same premises but limits the defendant’s use of that premises, but only if it is documented by the judge granting the order that:

(a) The plaintiff specifically and voluntarily requests such an order; and

(b) The judge determines that the request is made voluntarily and with the plaintiff’s knowledge that the order may not provide the same protection as an order excluding the defendant from the premises and with the plaintiff’s knowledge that the order may be difficult to enforce; and

(c) Any conditions placed upon the defendant in connection with the continued access to the premises and any penalties for
noncompliance with those conditions shall be explicitly set out in the order and shall be in addition to any other remedies for non-compliance available to the victim.

(14) An order granting any other appropriate relief for the plaintiff and dependent children, provided that the plaintiff consents to such relief, including relief requested by the plaintiff at the final hearing, whether or not the plaintiff requested such relief at the time of the granting of the initial emergency order.

(15) An order that requires that the defendant report to the intake unit of the Family Part of the Chancery Division of the Superior Court for monitoring of any other provision of the order.

(16) An order prohibiting the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1 and ordering the search for and seizure of any such weapon at any location where the judge has reasonable cause to believe the weapon is located. The judge shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

(17) An order prohibiting the defendant from stalking or following, or threatening to harm, to stalk or to follow, the complainant or any other person named in the order in a manner that, taken in the context of past actions of the defendant, would put the complainant in reasonable fear that the defendant would cause the death or injury of the complainant or any other person. Behavior prohibited under this act includes, but is not limited to, behavior prohibited under the provisions of P.L.1992, c.209 (C.2C:12-10).

c. Notice of orders issued pursuant to this section shall be sent by the clerk of the Family Part of the Chancery Division of the Superior Court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency.

d. Upon good cause shown, any final order may be dissolved or modified upon application to the Family Part of the Chancery Division of the Superior Court, but only if the judge who dissolves or modifies the order is the same judge who entered the order, or has available a complete record of the hearing or hearings on which the order was based.

6. Section 14 of P.L.1991, c.261 (C.2C:25-30) is amended to read as follows:
C.2C:25-30 Violations, penalties.

14. Except as provided below, a violation by the defendant of an order issued pursuant to this act shall constitute an offense under subsection b. of N.J.S.2C:29-9 and each order shall so state. All contempt proceedings conducted pursuant to N.J.S.2C:29-9 involving domestic violence orders, other than those constituting indictable offenses, shall be heard by the Family Part of the Chancery Division of the Superior Court. All contempt proceedings brought pursuant to P.L.1991, c.261 (C.2C:25-17 et seq.) shall be subject to any rules or guidelines established by the Supreme Court to guarantee the prompt disposition of criminal matters. Additionally, and notwithstanding the term of imprisonment provided in N.J.S.2C:43-8, any person convicted of a second or subsequent nonindictable domestic violence contempt offense shall serve a minimum term of not less than 30 days. Orders entered pursuant to paragraphs (3), (4), (5), (8) and (9) of subsection b. of section 13 of this act shall be excluded from enforcement under subsection b. of N.J.S.2C:29-9; however, violations of these orders may be enforced in a civil or criminal action initiated by the plaintiff or by the court, on its own motion, pursuant to applicable court rules.

7. Section 15 of P.L.1991, c.261 (C.2C:25-31) is amended to read as follows:

C.2C:25-31 Contempt, law enforcement procedures.

15. Where a law enforcement officer finds that there is probable cause that a defendant has committed contempt of an order entered pursuant to the provisions of P.L.1981, c.426 (C.2C:25-1 et seq.) or P.L.1991, c.261 (C.2C:25-17 et seq.), the defendant shall be arrested and taken into custody by a law enforcement officer. The law enforcement officer shall follow these procedures:

The law enforcement officer shall transport the defendant to the police station or such other place as the law enforcement officer shall determine is proper. The law enforcement officer shall:

a. Sign a complaint concerning the incident which gave rise to the contempt charge;

b. Telephone or communicate in person or by facsimile with the appropriate judge assigned pursuant to this act and request bail be set on the contempt charge;

c. If the defendant is unable to meet the bail set, take the necessary steps to insure that the defendant shall be incarcerated at police headquarters or at the county jail; and
d. During regular court hours, the defendant shall have bail set by a Superior Court judge that day. On weekends, holidays and other times when the court is closed, the officer shall arrange to have the clerk of the Family Part notified on the next working day of the new complaint, the amount of bail, the defendant's whereabouts and all other necessary details. In addition, if a municipal court judge set the bail, the arresting officer shall notify the clerk of that municipal court of this information.

8. Section 17 of P.L.1991, c.261 (C.2C:25-33) is amended to read as follows:

C.2C:25-33 Records of applications for relief; reports; confidentiality.

17. The Administrative Office of the Courts shall, with the assistance of the Attorney General and the county prosecutors, maintain a uniform record of all applications for relief pursuant to sections 9, 10, 12, and 13 of P.L.1991, c. 261 (C.2C:25-25, C.2C:25-26, C.2C:25-28, and C.2C:25-29). The record shall include the following information:

a. The number of criminal and civil complaints filed in all municipal courts and the Superior Court;
b. The sex of the parties;
c. The relationship of the parties;
d. The relief sought or the offense charged, or both;
e. The nature of the relief granted or penalty imposed, or both, including, but not limited to, custody and child support;
f. The effective date of each order issued; and
g. In the case of a civil action in which no permanent restraints are entered, or in the case of a criminal matter that does not proceed to trial, the reason or reasons for the disposition.

It shall be the duty of the Director of the Administrative Office of the Courts to compile and report annually to the Governor, the Legislature and the Advisory Council on Domestic Violence on the data tabulated from the records of these orders.

All records maintained pursuant to this act shall be confidential and shall not be made available to any individual or institution except as otherwise provided by law.

9. This act shall take effect immediately.

CHAPTER 95

AN ACT concerning the admissibility of certain evidence in prosecutions for sex crimes and amending N.J.S.2C:14-7.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.2C:14-7 is amended to read as follows:

Victim's previous sexual conduct.

2C:14-7. a. In prosecutions for aggravated sexual assault, sexual assault, aggravated criminal sexual contact, criminal sexual contact, endangering the welfare of a child in violation of N.J.S.2C:24-4 or the fourth degree crime of lewdness in violation of subsection b. of N.J.S.2C:14-4, evidence of the victim's previous sexual conduct shall not be admitted nor reference made to it in the presence of the jury except as provided in this section. When the defendant seeks to admit such evidence for any purpose, the defendant must apply for an order of the court before the trial or preliminary hearing, except that the court may allow the motion to be made during trial if the court determines that the evidence is newly discovered and could not have been obtained earlier through the exercise of due diligence. After the application is made, the court shall conduct a hearing in camera to determine the admissibility of the evidence. If the court finds that evidence offered by the defendant regarding the sexual conduct of the victim is relevant and highly material and meets the requirements of subsections c. and d. of this section and that the probative value of the evidence offered substantially outweighs its collateral nature or the probability that its admission will create undue prejudice, confusion of the issues, or unwarranted invasion of the privacy of the victim, the court shall enter an order setting forth with specificity what evidence may be introduced and the nature of the questions which shall be permitted, and the reasons why the court finds that such evidence satisfies the standards contained in this section. The defendant may then offer evidence under the order of the court.

b. In the absence of clear and convincing proof to the contrary, evidence of the victim's sexual conduct occurring more than one year before the date of the offense charged is presumed to be inadmissible under this section.

c. Evidence of previous sexual conduct with persons other than the defendant which is offered by any lay or expert witness
shall not be considered relevant unless it is material to proving the source of semen, pregnancy or disease.

d. Evidence of the victim's previous sexual conduct with the defendant shall be considered relevant if it is probative of whether a reasonable person, knowing what the defendant knew at the time of the alleged offense, would have believed that the alleged victim freely and affirmatively permitted the sexual behavior complained of.

e. For the purposes of this section, "sexual conduct" shall mean any conduct or behavior relating to sexual activities of the victim, including but not limited to previous or subsequent experience of sexual penetration or sexual contact, use of contraceptives, sexual activities reflected in gynecological records, living arrangement and lifestyle.

2. This act shall take effect immediately.

Approved August 11, 1994.

The withdrawing district may issue bonds for that amount, or any portion of that amount, pursuant to chapter 24 of Title 18A of the
New Jersey Statutes; provided however, that the total principal amount of any such debt issued shall not exceed $8,000,000.

The withdrawing district shall provide the Commissioner of the Department of Education with a detailed statement of the costs of issuance of any such bonds, within thirty days of the issuance thereof, with specific reference, where applicable, to itemized costs for the following services:

1. management fees;
2. underwriters' fees;
3. selling concessions;
4. underwriters' counsel; and
5. other costs.

C.18A:13-61.2 “Equity interest” defined; calculation.

2. a. As used in section 1 of this act, “equity interest” means the excess in value between the assets to be acquired by the withdrawing district pursuant to section 3 of P.L.1975, c.360 (C.18A:13-53) and the proportionate contribution made by the withdrawing district to all regional assets, adjusted for replacement value.

b. The calculation required to establish the equity interest as defined in subsection a. of this section shall be the excess, if any, of the replacement cost of the buildings, grounds, furnishings, equipment, and additions thereto to which the withdrawing district shall take title upon withdrawal pursuant to section 3 of P.L.1975, c.360 (C.18A:13-53) over that amount obtained by multiplying the replacement cost of all the regional district's buildings, grounds, furnishings, equipment, and additions thereto by a ratio that reflects the proportionate contributions made by the withdrawing district to the payment of the cost of the regional district's assets. The proportionate contribu-
tion shall be determined by reference to the proportion of the revenues of the regional district contributed by the withdrawing district in each fiscal year of the life of all of the buildings, grounds, furnishings, equipment, and additions thereto of the regional district.

3. This act shall take effect immediately.

Approved August 11, 1994.

distribution authority," with all or any significant part of the name of the county inserted. The body shall consist of the five members, who shall be residents of the county and be appointed by ordinance or resolution of the governing body as hereinafter provided, and it shall constitute the authority contemplated and provided for in this act and an agency or instrumentality of the county. Copies of the ordinance or resolution for the creation of the authority, certified by the clerk of the governing body, shall be filed in the office of the Secretary of State and in the office of the Division of Local Government Services in the Department of Community Affairs. A copy of any such certified ordinance or resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any action or proceeding and shall be conclusive evidence of due and proper adoption and filing thereof as provided in this section. After such filing in the office of the Secretary of State, a copy of the ordinance or resolution shall be published at least once in a newspaper published or circulating in the county, together with a notice stating the fact and date of its adoption and the date of the first publication of such notice. If no action questioning the validity of the creation or establishment of the authority shall be commenced within 45 days after the first publication of such notice, then the authority shall be conclusively deemed to have been validly created and established and authorized to transact business and exercise powers as a public body created pursuant to this act.

b. Upon approval by the Local Finance Board pursuant to section 20 of P.L.1983, c.313 (C.40A:5A-20), the governing body of any county which has created an authority pursuant to this act may by ordinance or resolution, as appropriate, dissolve such authority if either (1) such authority has no debts or obligations outstanding, or (2) all creditors or other obligees of the authority have consented to the ordinance or resolution. A copy of any ordinance or resolution, certified by the clerk of the governing body, shall be filed in the office of the Secretary of State and in the office of the Division of Local Government Services in the Department of Community Affairs. Upon proof of such filing and upon proof either that the authority had no debts or obligations outstanding at the time of the adoption of such ordinance or resolution or that the assumption of any such debts or obligations has been provided for in the ordinance or resolution, as appropriate, and that all creditors or other obligees of the authority have consented to such ordinance or resolution, the authority shall be
conclusively deemed to have been lawfully and properly dissolved. Thereupon, all right, title and interest in and to the property of the authority shall be vested in the county, except that any particular property shall vest in any other governmental unit or person if the terms of any lease or other agreement of the authority with respect thereto shall so provide. A copy of any such certified ordinance or resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any action or proceeding and shall be conclusive evidence of due and proper adoption and filing thereof as aforesaid.

c. The members first appointed shall, by the resolution of appointment, be designated to serve for terms respectively expiring on the first days of the first, second, third, fourth and fifth February next ensuing after the date of their appointment. On or after January 1 in each year after such first appointments, one person shall be appointed as a member of the authority for a term commencing on or after February 1 in such year and expiring on February 1 in the fourth year after such year. Each member shall hold office for the term of appointment and until his successor shall have been appointed and qualified. Any vacancy in the membership of the authority during an unexpired term shall be filled by appointment of a person as member for the unexpired term. A copy of any resolution appointing any such members, certified by the clerk of the governing body, may be filed in the office of the Secretary of State and in the office of the Division of Local Government Services in the Department of Community Affairs. A copy of any such certified resolution, duly certified by or on behalf of the Secretary of State, shall be admissible in evidence in any action or proceeding and shall be conclusive evidence of due and proper adoption and filing thereof as aforesaid and, except in an action or proceeding seeking only exclusion of the appointee from office, shall be conclusive evidence of the due and proper appointment of the members named therein.

d. Every authority, upon the first appointment of its members and thereafter on or after February 1 in each year, shall annually elect from among its members a chairman and a vice chairman who shall hold office until February 1 next ensuing and until their respective successors shall have been appointed and qualified.

e. The powers of an authority shall be vested in the members thereof in office from time to time, and a majority of the entire authorized voting membership of the authority shall constitute a quorum at any meeting thereof. Action may be taken and motions
and resolutions adopted by the authority at any meeting of the members thereof by the affirmative vote of a majority of the voting members present, unless in any case the bylaws of the authority shall require a larger number.

f. The members of an authority shall serve without compensation, but the authority may reimburse its members for necessary expenses incurred in the discharge of their duties.

g. No member of the governing body of the county shall be appointed as a member of, or employed by, an authority; but the governing body of the county may, by ordinance or resolution, as appropriate, provide that, in addition to the members appointed pursuant to subsection a. of this section, the county executive in the case of a county having adopted article 3 of the “Optional County Charter Law,” P.L. 1972, c.154 (C.40:41A-31 et seq.), the county manager in the case of a county having adopted article 4 of that act (C.40:41A-45 et seq.), the county supervisor in the case of a county having adopted article 5 of that act (C.40:41A-59 et seq.), or the president of the board of chosen freeholders in the case of any other county, shall be appointed to serve ex officio, as a non-voting member of an authority.

h. A member of an authority may be removed by the governing body of the county for incapacity, inefficiency or neglect of duty or misconduct in office or other disqualifying cause and after he shall have been given a copy of the charges against him and, not sooner than 10 days thereafter, been afforded opportunity for a hearing, in person or by counsel, by such governing body with respect to such charges.

C.40:37D-5 Powers of authority, general.

To appoint and employ an executive director and additional officers, who need not be members of the authority, and accountants, attorneys, financial advisors or experts and any other officers, agents and employees as it may require and determine their qualifications, terms of office, duties and compensation, all without regard to the provisions of Title 11A of the New Jersey Statutes;

C.40:37D-6 County food processing and distribution center.

6. a. An authority created pursuant to section 4 of this act is authorized to acquire by purchase, establish, develop, construct, operate, maintain, repair, reconstruct, restore, improve and otherwise effectuate a food processing and distribution center. The center shall be known as the “....county food processing and distribution center,” with all or any significant part of the name of the county inserted, and shall be located in that county of this State. The center shall consist, as the authority may determine, of one or more buildings, structures, facilities, properties and appurtenances incidental and necessary to a center suitable for the processing and distribution of food on a local or regional basis and may include a wholesale produce market and storage, distri-
bution and processing facilities for meat, fish, dairy and other grocery products, beverages and frozen foods, driveways, roads, approaches, parking areas, restaurants, transportation structures, systems and facilities, and equipment, furnishings, and all other structures and appurtenant facilities related to, necessary for, or complementary to the purposes of the center or any facility thereof. The authority may construct on the site other facilities consistent with the purposes for which the authority was established. As part of the center the authority is authorized to make capital contributions to others for transportation and other facilities, and accommodations for the public using the center. Any part of the site not occupied or to be occupied by facilities of the center may be leased by the authority for purposes determined by the authority to be consistent with or related to the purposes of the center. In addition, the authority may contract with any person for the development of any of the facilities to be a part of the center and may provide for the financing of the acquisition of any real property or of any construction.

b. Revenues, moneys or other funds, if any, derived from the operation or ownership of the center, shall be applied in accordance with the resolution or resolutions authorizing or relating to the issuance of bonds or notes of the authority to the following purposes and in the following order:

(1) Principal, sinking fund installments and redemption of and interest on any bonds or notes of the authority issued for the purposes of the center or for the purpose of refunding the same, including reserves therefor;

(2) The costs of operation and maintenance of the center and reserves therefor;

(3) The costs of any major or extraordinary repairs, renewals or replacements with respect to the center or incidental improvements to it not paid pursuant to paragraph (1) above, including reserves therefor;

(4) Payments required to be made pursuant subsection b. of section 16 of this act;

(5) Payments authorized to be made pursuant to subsection c. of section 16 of this act;

(6) The balance remaining after application in accordance with the above shall be deposited according to the terms of the bond resolution.

C.40:37D-7 Powers of authority relative to highways and lands.

7. a. If the authority shall find it necessary in connection with the undertaking of the center to change the location of any por-
tion of any public highway or road, it may contract with any government agency, or public or private corporation which may have jurisdiction over the public highway or road to cause the public highway or road to be constructed at a location the authority deems most favorable. The cost of the reconstruction and any damage incurred in changing the location of the highway shall be ascertained and paid by the authority as a part of the cost of the center. Any public highway affected by the construction of the center may be vacated or relocated by the authority in the manner now provided by law for the location or relocation of public roads, and any damages awarded as a result shall be paid by the authority as part of the cost of the center. In all undertakings authorized by this subsection the authority shall consult and obtain the approval of the Department of Transportation.

b. In addition to the foregoing powers, the authority and its authorized agents and employees may enter upon any lands, waters and premises for the purpose of making surveys, soundings, drillings and examinations as it may deem necessary or convenient for the purposes of this act, all in accordance with due process of law, and the entry shall not be deemed a trespass nor shall an entry for that purpose be deemed an entry under any condemnation proceedings which may be then pending. The authority shall make reimbursement for any actual damages resulting to the lands, waters and premises as a result of its activities.

c. The authority shall also have power to make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances, herein called “public utility facilities,” of any public utility as defined in R.S.48:2-13, in, on, along, over or under the center. Whenever the authority shall determine that it is necessary that public utility facilities which now are, or hereafter may be, located in, on, along, over or under the center shall be relocated in the center, or should be removed therefrom, the public utility owning or operating the facilities shall relocate or remove the same in accordance with the order of the authority. The cost and expenses of the relocation or removal, including the cost of installing the facilities in a new location, or new locations, and the cost of any lands, or any rights or interests in lands and any other rights, acquired to accomplish the relocation or removal, shall be ascertained and paid by the authority as a part of the cost of the center. In case of any relocation or removal of facilities, as
aforesaid, the public utility owning or operating the same, its successors or assigns may maintain and operate the facilities, with the necessary appurtenances, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate the facilities in their former location or locations. In all undertakings authorized by this subsection the authority shall consult and obtain the approval of the Board of Public Utilities.

C.40:37D-8 Exercise of power of eminent domain.

8. a. Upon the exercise of the power of eminent domain, the compensation to be paid thereunder shall be ascertained and paid in the manner provided in the “Eminent Domain Act of 1971,” P.L.1971, c.361 (C.20:3-1 et seq.), insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act. The authority may join in separate subdivisions in one petition or complaint the descriptions of any number of tracts or parcels of land or property to be condemned, if each tract or parcel lies wholly in or has a substantial part of its value lying wholly within the same county, and the names of any number of owners and other parties who may have an interest therein and all the land or property included in the petition or complaint may be condemned in a single proceeding; but separate awards shall be made for each tract or parcel of land or property.

b. Upon the filing of the petition or complaint or at any time thereafter the authority may file with the clerk of the county in which the property is located and also with the clerk of the Superior Court a declaration of taking, signed by the authority, declaring that possession of one or more of the tracts or parcels of land or property described in the petition or complaint is being taken by and for the use of the authority. The declaration of taking shall be sufficient if it sets forth: (1) a description of each tract or parcel of land or property to be taken sufficient for the identification of it, to which there shall be attached a plan or map thereof; (2) a statement of the estate or interest in the land or property being taken; (3) a statement of the sum of money estimated by the authority by resolution to be just compensation for the taking of the estate or interest in each tract or parcel of land or property described in the declaration; and (4) that, in compliance with the provisions of this act, the authority has established and is maintaining a trust fund as hereinafter provided.
c. Upon the filing of the declaration, the authority shall deposit with the clerk of the Superior Court the amount of the estimated compensation stated in the declaration. In addition to the deposits with the clerk of the Superior Court the authority shall maintain a special trust fund on deposit with a bank or trust company doing business in the State in an amount at least equal to twice the aggregate amount deposited with the clerk of the Superior Court, as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court. The trust fund shall consist of cash or securities readily convertible into cash constituting legal investment for trust funds under the laws of the State. The trust fund shall be held solely to secure and may be applied to the payment of just compensation for the land or other property described in the declarations of taking. The authority shall be entitled to withdraw from the trust fund from time to time so much as may then be in excess of twice the aggregate of the amount deposited with the clerk of the Superior Court as estimated compensation for all property described in declarations of taking with respect to which the compensation has not been finally determined and paid to the persons entitled thereto or into court.

d. Upon the filing of the declaration of taking pursuant to subsection b. of this section and depositing with the clerk of the Superior Court the amount of the estimated compensation stated in the declaration, the authority, without other process or proceedings, shall be entitled to the exclusive possession and use of each tract of land or property described in the declaration and may forthwith enter into and take possession of the land or property, it being the intent of this provision that the proceedings for compensation or any other proceedings relating to the taking of the land or interest therein or other property shall not delay the taking of possession thereof and the use thereof by the authority for the purposes for which the authority is authorized by law to acquire or condemn the land or other property or interest in it.

e. The authority shall cause notice of the filing of the declaration and the making of the deposit to be served upon each party in interest named in the petition residing in the State, either personally or by leaving a copy at his residence, if known, and upon each party in interest residing out of the State, by mailing a copy to him at his residence, if known. If the residence of the party or the name of the party is unknown, notice shall be published at least once in a newspaper published or circulating in the counties
in which the land is located. Service, mailing or publication shall be made within 10 days after filing the declaration. Upon the application of any party in interest and after notice to other parties in interest, including the authority, any judge of the Superior Court assigned to sit for that county may order that the money deposited with the clerk of the Superior Court or any part thereof be paid forthwith to the persons entitled thereto for or on account of the just compensation to be awarded in the proceeding, provided each person files with the clerk of the Superior Court a consent in writing that, if the award in the condemnation proceeding shall be less than the amount deposited, the court, after notice as provided in this subsection and hearing, may determine his liability, if any, for the return of the difference or any part of it and enter judgment therefor. If the amount of the award as finally determined shall exceed the amount so deposited, the person to whom the award is payable shall be entitled to recover from the authority the difference between the amount of the deposit and the amount of the award, with interest at the then legal rate from the date of making the deposit. If the amount of the award shall be less than the amount so deposited, the clerk of the Superior Court shall return the difference between the amount of the award and the deposit to the authority, unless the amount of the deposit or any part of it shall have theretofore been distributed, in which event the court, on petition of the authority and notice to all persons interested in the award and affording them an opportunity to be heard, shall enter judgment in favor of the authority for the difference against the parties liable for the return. The authority shall cause notice of the date fixed for the hearing to be served upon each party residing in the State, either personally or by leaving a copy at his residence, if known, and upon each party residing out of the State, by mailing a copy to him at his residence, if known. If the residence of any party or the name of the party is unknown, notice shall be published at least once in a newspaper published or circulating in the counties in which the land is located. Service, mailing or publication shall be made at least 10 days before the date fixed for the hearing.

Whenever under the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.) the amount of the award may be paid into court, payment may be made into the Superior Court and may be distributed according to law. The authority shall not abandon any condemnation proceeding subsequent to the date upon which it has taken possession of the land or property as herein provided.
CHAPTER 98, LAWS OF 1994

C.40:37D-9 Issuance of bonds, notes.

9. a. The authority is authorized from time to time to issue its bonds or notes in principal amounts which in the opinion of the authority shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds or notes issued by it, whether the bonds or notes or interest to be funded or refunded have or have not become due, the establishment or increase of the reserves to secure or to pay the bonds or notes or interest and all other costs or expenses of the authority incident to and necessary to carry out its corporate purposes and powers.

b. Except as may be otherwise expressly provided in this act or by the authority, every issue of bonds or notes shall be general obligations payable out of any revenues or funds of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may issue types of bonds or notes as it may determine, including, but not limited to, bonds or notes as to which the principal and interest are payable (1) exclusively from the revenues and receipts of the part of the center financed with the proceeds of the bonds or notes; (2) exclusively from the revenues and receipts of certain designated parts of the center, whether or not the same are financed in whole or in part from the proceeds of the bonds or notes; or (3) from its revenues and receipts generally. The bonds or notes may be additionally secured by a pledge of any grant, subsidy or contribution from the United States of America or any agency or instrumentality thereof or the State or any agency, instrumentality or political subdivision thereof, or any person, or a pledge of any income or revenues, funds or moneys of the authority from any source whatsoever.

c. Whether or not the bonds and notes are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds and notes are negotiable instruments within the meaning of and for all the purposes of Title 12A, subject only to the provisions of the bonds and notes for registration.

d. Bonds or notes of the authority shall be authorized by a resolution of the authority and may be issued in one or more series and shall bear the date, mature at the time, bear interest at a rate of interest per annum, be in denominations, be in a form, either coupon or registered, carry any conversion or registration privileges, have rank or priority, be executed in any manner, be payable from any sources in any medium of monetary payment at a place within
or without the State, and be subject to the terms of redemption, with or without premium, as the resolution may provide.

e. Bonds or notes of the authority may be sold at public or private sale at a price and in a manner that the authority determines. Every bond shall mature and be paid not later than 40 years from the date of issue.

f. Bonds or notes may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by this act.

g. Bonds and notes of the authority issued under the provisions of this act shall not be a debt or liability of the State or its political subdivisions other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of a political subdivision or be or constitute a pledge of the faith and credit of the State or of a political subdivision but the bonds and notes, unless funded or refunded by bonds or notes of the authority, shall be payable solely from revenues or funds pledged or available for their payment as authorized in this act. Each bond and note shall contain on its face a statement to the effect that the authority is obligated to pay its principal or interest only from revenues or funds of the authority and that neither the State nor its political subdivisions are obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or its political subdivisions is pledged to the payment of the principal of or the interest on the bonds or notes.

h. All expenses incurred in carrying out the provisions of this act shall be payable solely from revenues or funds provided or to be provided under the provisions of this act and nothing in this act shall be construed to authorize the authority to incur any indebtedness or liability on behalf of or payable by the State or its political subdivisions.

C.40:37D-10 Additional powers of authority relative to bond covenants.

10. In any resolution of the authority authorizing or relating to the issuance of any bonds or notes, the authority, in order to secure the payment of the bonds or notes and in addition to its other powers, shall have power by the resolutions which shall constitute covenants by the authority and contracts with the holders of the bonds or notes to:

to make bonds or notes more marketable, notwithstanding that the covenants, acts or things may not be enumerated herein.

C.40:37D-11 Pledges by authority immediately valid, binding.

11. Any pledge of revenues, moneys, funds or other property made by the authority shall be valid and binding from the time when the pledge is made. The revenues, moneys, funds or other property so pledged and thereafter received by the authority shall immediately be subject to the lien of the pledge without any physical delivery or further act, and the lien of the pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether the parties have notice thereof. Neither the resolution nor any other instrument by which a pledge of revenues, moneys or funds is created need be filed or recorded except in the records of the authority.

C.40:37D-12 Establishment of additional reserves, funds, accounts.

12. a. The authority may establish reserves, funds or accounts, in addition to those required pursuant to subsection b. of section 6 of this act, as it determines necessary or desirable to further the accomplishment of the purposes of the authority, to manage any funds that may be received other than those specified in subsection b. of section 6 of this act, or to comply with the provisions of any agreement made by or any resolution of the authority.

b. Nothing herein contained shall be deemed to cause the bonds or notes of the authority to be a debt or a liability of the State or its political subdivisions other than the authority, and the bonds and notes of the authority shall not create or constitute any indebtedness, liability or obligation of this State or any political subdivision or be or constitute a pledge of the faith and credit of the State or its political subdivisions.

13. a. The State pledges to and covenants and agrees with the holders of any bonds or notes issued pursuant to this act that the State will not limit or alter the rights or powers vested in the authority to acquire, construct, maintain, improve, repair and operate the center in any way that would jeopardize the interest of those holders, or to perform and fulfill the terms of any agreement made with the holders of the bonds or notes, or to fix, establish, charge and collect rents, fees, rates or other charges as may be convenient or necessary to produce sufficient revenues to meet all expenses of the authority and fulfill the terms of any agreement made with the holders of the bonds and notes, together with interest thereon, with
interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of the holders, until the bonds, together with interest thereon, are fully met and discharged or provided for.

b. The State shall have the right, upon furnishing the authority with sufficient funds, to require the authority to redeem, pay or cause to be paid, at or prior to maturity, in whole or in part, any bonds issued by the authority under this act, provided the redemption or payment is made in accordance with the provision of any contract entered into by the authority with the holders of the bonds.

C.40:37D-14 Investment of funds, moneys in authority bonds.

14. The State and all public officers, governmental units and agencies thereof, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or notes issued pursuant to this act, and the bonds or notes shall be authorized security for any public deposits.

C.40:37D-15 Conveyance of governmental real property to authority.

15. All counties and municipalities and other governmental subdivisions, authorities, and public departments, agencies and commissions of the State, notwithstanding any contrary provision of law, are authorized to lease, lend, grant or convey to the authority at its request upon terms and conditions as the governing body or other proper authorities of the counties, municipalities and governmental subdivisions, authorities and departments, agencies or commissions of the State deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the authorizing ordinance of the governing body of the municipality, the authorizing resolution of the governing body of the county, or the regular and formal action of any public body concerned, any real property or interest therein which may be necessary or convenient to the effectuation of the purposes of the authority, including public highways and real property already devoted to public use, provided that the real property is located within the site authorized for the center.
Tax treatment of authority facilities, property, bonds.

16. a. All facilities and other property of the authority are declared to be public property devoted to an essential public and governmental function and purpose and shall be exempt from all taxes and special assessments of the State or any political subdivision thereof, but when any part of the center not occupied or to be occupied by facilities of the center is leased by the authority to another whose property is not exempt and the leasing of which does not make the real estate taxable, the estate created by the lease and its appurtenances shall be listed as the property of the lessee or his assignee, and be assessed and taxed as real estate. All bonds or notes issued pursuant to this act are declared to be issued by a body corporate and politic of the State and for an essential public and governmental purpose and the bonds and notes, and the interest thereon and the income therefrom, and all funds, revenues, income and other moneys received or to be received by the authority and pledged or available to pay or secure the payment of the bonds or notes, or interest thereon, shall be exempt from taxation except for transfer inheritance and estate taxes.

b. To the end that there does not occur an undue loss of future tax revenues by reason of the acquisition of real property by the authority or construction of additional facilities by the authority for the center, the authority annually shall make payments in lieu of taxes to the taxing jurisdiction in which the property is located in an amount computed in each year with respect to each taxing jurisdiction in an amount equal to the taxes which would have been assessed against the property acquired by the authority if the property were not exempt. The payments shall be made in each year commencing with the first year subsequent to the year in which the real property shall have been converted from a taxable to an exempt status by reason of its acquisition by the authority.

c. The authority is further authorized to enter into any agreement with any county or municipality in the State, whereby the authority will undertake to pay any additional amounts to compensate for any loss of tax revenues by reason of the acquisition of any real property by the authority for the center or to pay amounts to be used by the county or municipality in furtherance of the development of the center. Every county and municipality so located is authorized to enter into these agreements with the authority and to accept payments which the authority makes thereunder.

The final report shall include but shall not be limited to an explanation of the procedures used in the project, the number of tons of recyclable materials recovered, the types of materials recovered, the number of tons of materials sold, the buyers of any materials recovered, the materials composted, the number of tons of materials composted, additional disposal capacity created, cost effectiveness, the environmental problems revealed, the measures taken for closure, the materials remaining in the landfill, if any, the equipment purchased, an accounting of the costs of the projects, and any other information the department deems appropriate.

e. The department may charge reasonable fees, not to exceed 10% of the amount of the grant, for any of the services to be performed or rendered in connection with this section, and for the costs of compliance monitoring and administration. The fee schedule shall reasonably reflect the duration or complexity of the specific service performed or rendered, information reviewed, or inspection conducted.

f. As used in this section, "local government unit" means any county or municipality, or any agency, instrumentality, authority or corporation of any county or municipality, including, but not limited to, sewerage, utility and improvement authorities, or any public body having local or regional jurisdiction over solid waste disposal, including, but not limited to, solid waste management districts, or any political subdivision of the State, authority or agency authorized pursuant to law to own or operate sanitary landfill facilities or to provide for the environmentally sound disposal of solid waste.

Any moneys disbursed by the department from the fund for this purpose shall be repaid to the fund in equal amounts from the fees collected by the department pursuant to section 3 of P.L.1971, c.461 (C.13:1E-18), in annual installments beginning July 1, 1990 and annually thereafter until the full amount is repaid according to a schedule of repayments determined by the State Treasurer. For the purposes of this subsection, "State agency" means any State department, division, agency, commission or authority.

3. Section 21 of P.L.1975, c.326 (C.13:1E-30) is amended to read as follows:

C.13:1E-30 State grant for experimental, landfill mining projects; application; evaluation.

   21. a. The applicant shall submit a
copy of the plan for any solid waste collection, disposal or utilization experimental project for which a State grant is sought and such other detailed information concerning the project, including maps, data, plans, estimated costs, and method of financing, as the commissioner may require by rules and regulations promulgated hereunder. Any income or interest on, or increment to, moneys so invested or reinvested shall be included in the fund.

b. Upon the approval by the commissioner of any application for a State grant pursuant to this amendatory and supplementary act, the commissioner shall pay over the moneys in the fund, or any portion thereof, to the contracting person in accordance with commitments made and contracts entered into pursuant to this amendatory and supplementary act.

c. Nothing herein shall be construed as requiring the commissioner to approve any application for any State grant or to expend the moneys in the aforesaid Solid Waste Management Research and Development Fund solely for the purposes of making such State grants, and the commissioner is hereby authorized and empowered, in his discretion, to allocate the moneys in the fund, or any portion thereof, for any experimentation with, or demonstration of, new
methods and techniques for the collection, disposal and utilization of solid waste, including the acquisition of real property and the purchase of any facility, site, laboratory, equipment or machinery as authorized pursuant to section 6 of P.L.1970, c.39 (C.13:1E-6).

CHAPTER 101

AN ACT concerning certain pollution control equipment and pollution prevention strategies, and supplementing P.L.1954, c.212 (C.26:2C-1 et seq.) and P.L.1977, c.74 (C.58:10A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2C-9.3 Findings, declarations, determinations.

1. The Legislature finds and declares that to enhance and improve the quality of the environment and to protect and foster the public health of the citizens of New Jersey it is altogether fitting and proper to allow private entities who, pursuant to law, have applied for a permit for the purpose of constructing, installing, maintaining or operating pollution control equipment or devices or for the purpose of implementing pollution prevention process modifications to commence with that construction, installation, maintenance or operation or to implement those modifications while the Department of Environmental Protection is reviewing the permit application; and that authorizing such pre-approval actions will lead to the environmental benefits that would result from the timely construction, installation, maintenance and operation of pollution control equipment or devices and the prompt implementation of pollution prevention process modifications.

The Legislature therefore determines that it is within the public interest to allow private entities who have applied for permits to construct, install, maintain or operate pollution control equipment or devices or for permits to implement pollution prevention process modifications to undertake such construction, installation, maintenance or operation or to implement such process modifications while the department is reviewing their permit application, but with the clear and full understanding that they assume all risks for their actions.

C.26:2C-9.4 Construction, etc., of air pollution control equipment during pendency of permit application.

2. Except where specifically prohibited under the federal “Clean Air Act” (42 U.S.C. §7401 et seq.) pursuant to (a) 42 U.S.C. §7502 for new or modified major stationary sources; (b) 42 U.S.C. §7475 for major emitting facilities; (c) 42 U.S.C. §7411 for new or modified stationary sources; (d) 42 U.S.C. §7412 for the construction, reconstruction, or modification of any major source of hazardous air pollutants; or (e) any other such federal requirement, any private entity who has submitted to
the Department of Environmental Protection, pursuant to the "Air Pollution Control Act (1954)," P.L.1954, c.212 (C.26:2C-1 et seq.), an application for a permit to construct, install, maintain or operate pollution control equipment or devices or to implement pollution prevention process modifications may construct, install, maintain and operate such equipment or devices or implement such pollution prevention process modifications during the pendency of the permit application review process. A private entity intending to take action authorized pursuant to this section during the pendency of the permit application review process shall notify the department of the intent to undertake the action seven days prior to the commencement of the action. The prior notification may be made by certified mail or in a manner acceptable to the department.

Nothing in this section shall be construed to limit the department's discretion in establishing construction, installation, maintenance, and operating standards for such equipment or devices, or in otherwise reviewing the permit application, nor shall the costs incurred by the applicant for the construction, installation, maintenance or operation of such equipment or devices or the implementation of pollution prevention process modifications during the pendency of the permit application review process be used by an applicant as grounds for an appeal of the department's decision on the permit application. If the department determines that any pollution control equipment or devices or pollution prevention process modifications constructed, installed, maintained or implemented during the pendency of the permit application review process are not consistent with applicable federal and State laws, rules, or regulations, the department and the applicant shall enter into an agreement containing a schedule setting forth a date certain on which the applicant shall modify, replace or cease the operation of the pollution control equipment or devices or implementation of the pollution prevention process modifications. If the department and the applicant shall fail to enter into an agreement, the department may issue a schedule setting forth a date certain on which the applicant shall comply.

Failure of the applicant to comply with the schedule setting forth a date for compliance shall constitute a violation of P.L.1954, c.212 (C.26:2C-1 et seq.), and shall subject the applicant to penalties as prescribed by that act. A person who constructs, installs, maintains, or operates pollution control equipment or devices or who implements pollution prevention process modifications that the department determines are not consistent with applicable federal or State laws, rules, or regulations,
shall not be subject to civil or criminal penalties for that inconsistent action as long as the person's actions do not result in (1) the emission of an air contaminant that was not previously being emitted or that was not authorized to be emitted by the person's permit or certificate; or (2) an exceedance of any applicable air contaminant emission level in the permit or certificate.

Nothing in this section shall be construed to authorize the emission of an air contaminant not otherwise authorized to be emitted under a permit or certificate or the emission of an air contaminant at a level in excess of the air contaminant emission limitations contained in the permit or certificate. The provisions of this section shall not be construed to authorize or permit any construction, installation, maintenance, or operation which would result in any new air contaminant emissions but shall only apply to existing sources of air contaminant emissions.

As used in this section:

(1) "private entity" means any private individual, corporation, company, partnership, firm, association, owner or operator but shall not include, and the provisions of this section shall not apply to, any municipal, county, or State agency or authority or to any agency, authority or subdivision created by one or more municipal, county or State governments;

(2) "pollution prevention process modifications" means any physical or operational change to a process which reduces air contaminant emissions to the environment.

C.58:10A-6.2 Findings, declarations, determinations.

3. The Legislature finds and declares that to enhance and improve the quality of the environment and to protect and foster the public health of the citizens of New Jersey it is altogether fitting and proper to allow private entities who, pursuant to law, have applied for a permit for the purpose of building, installing, maintaining or operating any facility for the collection, treatment or discharge of any pollutant or for the purpose of implementing pollution prevention process modifications to commence with that building, installation, maintenance or operation or to implement those modifications while the Department of Environmental Protection is reviewing the permit application; and that authorizing such pre-approval actions would lead to the environmental benefits that would result from the timely building, installation, maintenance and operation of facilities and the prompt implementation of pollution prevention process modifications.
The Legislature therefore determines that it is within the public interest to allow private entities who have applied for permits to build, install, maintain or operate any facility for the collection, treatment or discharge of any pollutant or for permits to implement pollution prevention process modifications to undertake such building, installation, maintenance or operation or to implement such process modifications while the department is reviewing their permit application, but with the clear and full understanding that they assume all risks for their actions.

C.58:10A-6.3 Installation, etc. of water pollution control facilities during pendency of permit application.

4. Except where specifically prohibited under the “Federal Water Pollution Control Act Amendments of 1972” (33 U.S.C. §1251 et seq.) or any other such federal requirement, any private entity who has submitted to the Department of Environmental Protection, pursuant to the “Water Pollution Control Act,” P.L.1977, c.74 (C.58:10A-1 et seq.), an application for a permit to build, install, maintain or operate any facility for the collection, treatment or discharge of any pollutant or to implement pollution prevention process modifications may build, install, maintain and operate such facilities or implement such pollution prevention process modifications during the pendency of the permit application review process. A private entity intending to take action authorized pursuant to this section during the pendency of the permit application review process shall notify the department of the intent to undertake the action seven days prior to the commencement of the action. The prior notification may be made by certified mail or in a manner acceptable to the department.

Nothing in this section shall be construed to limit the department’s discretion in establishing building, installation, maintenance and operating standards for such facilities, or in otherwise reviewing the permit application, nor shall the costs incurred by the applicant for the building, installation, maintenance or operation of such facilities or the implementation of pollution prevention process modifications during the pendency of the permit application review process be used by an applicant as grounds for an appeal of the department’s decision on the permit application. If the department determines that any facilities or pollution prevention process modifications built, installed, maintained or implemented during the pendency of the permit application review process are not consistent with applicable federal and State laws, rules, or regulations, the department and the applicant shall enter into an agreement containing a schedule setting forth a date certain on
which the applicant shall modify, replace or cease the operation of the facilities or implementation of the pollution prevention process modifications. If the department and the applicant shall fail to enter into an agreement, the department may issue a schedule setting forth a date certain on which the applicant shall comply.

Failure of the applicant to comply with the schedule setting forth a date for compliance shall constitute a violation of P.L.1977, c.74 (C.58:10A-1 et seq.), and shall subject the applicant to penalties as prescribed in that act. A person who builds, installs, maintains, or operates any facility for the collection, treatment, or discharge of pollutants or who implements pollution prevention process modifications in a manner which the department determines is not consistent with applicable federal or State laws, rules, or regulations, shall not be subject to civil or criminal penalties for that inconsistent action as long as the person’s actions did not result in (1) the discharge of a pollutant which was not authorized to be discharged by the person’s permit or (2) an exceedance of any applicable discharge parameter in the permit.

Nothing in this section shall be construed to authorize a person to discharge a pollutant not otherwise authorized to be discharged by a permit held by that person or to discharge a pollutant at a level in excess of the discharge parameters contained in the permit.

The provisions of this section shall not be construed to authorize or permit any building, installation, maintenance, or operation which would result in any new source of discharge but shall only apply to facilities for existing permitted sources of discharges.

As used in this section:

(1) “private entity” means any private individual, corporation, company, partnership, firm, association, owner or operator but shall not include, and the provisions of this section shall not apply to, any municipal, county, or State agency or authority or to any agency, authority or subdivision created by one or more municipal, county or State governments;

(2) “pollution prevention process modifications” means any physical or operational change to a process which reduces water pollution discharges to the environment.

5. This act shall take effect immediately.

Approved August 11, 1994.

One plan shall be a basic health benefits plan, one plan shall be a managed care plan and three plans shall include enhanced benefits of proportionally increasing actuarial value. A carrier may elect to convert any individual contract or policy forms in force on the effective date of this act to any of the five benefit plans, except that the carrier may not convert more than 25% of existing contracts or policies each year, and the replacement plan shall be of no less actuarial value than the policy or contract being replaced.

Notwithstanding the provisions of this subsection to the contrary, at any time after three years after the effective date of this act, the board, by regulation, may reduce the number of plans required to be offered by a carrier.

Notwithstanding the provisions of this subsection to the contrary, a health maintenance organization which is a qualified health maintenance organization pursuant to the "Health Maintenance Organization Act of 1973," Pub.L.93-222 (42 U.S.C.§300e et seq.) shall be permitted to offer a basic health benefits plan in accordance with the provisions of that law in lieu of the five plans required pursuant to this subsection.

c. (1) A basic health benefits plan shall provide the benefits set forth in section 55 of P.L.1991, c.187 (C:17:48E-22.2), sec-

(3) A contract or policy for a basic health benefits plan provided for in this section may contain or provide for coinsurance or deductibles, or both, except that no deductible shall be payable in excess of a total of $250 by an individual or $500 by a family unit during any benefit year; and no coinsurance shall be payable in excess of a total of $500 by an individual or by a family unit during any benefit year.

(4) Notwithstanding the provisions of paragraph (3) of this subsection or any other law to the contrary, a carrier may provide for increased deductibles or coinsurance for a basic health benefits plan if approved by the board or if the board increases deductibles or coinsurance included in the basic health benefits plan.

(5) The provisions of section 13 of P.L.1985, c.236 (C:17:48E-13), N.J.S.17B:26-1, and section 8 of P.L.1973, c.337 (C.26:2J-8) with respect to the filing of policy forms shall not apply to health plans issued on or after the effective date of this act.

(6) The provisions of section 27 of P.L.1985, c.236 (C.17:48E-27) and section 7 of P.L.1988, c.71 (C.17:48E-27.1) with respect to rate filings shall not apply to individual health plans issued on or after the effective date of this act.

d. Every group conversion contract or policy issued after the effective date of this act shall be issued pursuant to this section; except that this requirement shall not apply to any group conversion contract or policy in which a portion of the premium is chargeable to, or subsidized by, the group policy from which the conversion is made.

e. If all five of the individual health benefits plans are not established by the board by the effective date of P.L.1993, c.164 (C.17B:27A-16.1 et al.), a carrier may phase-in the offering of the five health benefits plans by offering each health benefits plan as it is established by the board; however, once the board establishes all five plans, the carrier shall be required to offer the five plans in accordance with the provisions of P.L.1992, c.161 (C.17B:27A-2 et al.).
2. Section 8 of P.L.1992, c.161 (C.17B:27A-9) is amended to read as follows:

C.17B:27A-9 Determination of rates.

8. a. The board shall make application to the Hospital Rate Setting Commission on behalf of all carriers for approval of discounted or reduced rates of payment to hospitals for health care services provided under an individual health benefits plan provided pursuant to this act.

b. In addition to discounted or reduced rates of hospital payment, the board shall make application on behalf of all carriers for any other subsidies, discounts, or funds that may be provided for under State or federal law or regulation. A carrier may include discounted or reduced rates of hospital payment and other subsidies or funds granted to the board to reduce its premium rates for individual health benefits plans subject to this act.

c. A carrier shall not issue individual health benefits plans on a new contract or policy form pursuant to this act until an informational filing of a full schedule of rates which applies to the contract or policy form has been filed with the board. The board shall forward the informational filing to the commissioner and the Attorney General.

d. A carrier shall make an informational filing with the board of any change in its rates for individual health benefits plans pursuant to section 3 of this act prior to the date the rates become effective. The board shall file the informational filing with the commissioner and the Attorney General. If the carrier has filed all information required by the board, the filing shall be deemed to be complete.

e. (1) Rates shall be formulated on contracts or policies required pursuant to section 3 of this act so that the anticipated minimum loss ratio for a contract or policy form shall not be less than 75% of the premium. The carrier shall submit with its rate filing supporting data, as determined by the board, and a certification by a member of the American Academy of Actuaries, or other individuals acceptable to the board and to the commissioner, that the carrier is in compliance with the provisions of this subsection.

(2) Following the close of each calendar year, if the board determines that a carrier's loss ratio was less than 75% for that calendar year, the carrier shall be required to refund to policy or contract holders the difference between the amount of net earned premium it received that year and the amount that would have been necessary to achieve the 75% loss ratio.
f. Notwithstanding the provisions of P.L.1992, c.161 (C.17B:27A-2 et seq.) to the contrary, the schedule of rates filed pursuant to this section by a carrier which insured at least 50% of the community-rated individually insured persons on the effective date of P.L.1992, c.161 (C.17B:27A-2 et seq.) shall not be required to produce a loss ratio which when combined with the carrier's administrative costs and investment income results in self-sustaining rates prior to January 1, 1996, for individual policies or contracts issued prior to August 1, 1993. The carrier shall, not later than 30 days after the effective date of P.L.1994, c.102 (C.17B:27A-4 et al.), file with the board for approval, a plan to achieve this objective.

3. This act shall take effect immediately.

Approved August 11, 1994.

A portion of the proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses; for the payment of reserve capacity expenses and the associated debt service reserve fund requirements; and for the payment of increased costs due to differing site conditions as defined and determined in accordance with the rules and regulations adopted by the trust pursuant to section 27 of P.L. 1985, c.334 (C.58:11B-27).

6. Any loan made by the New Jersey Wastewater Treatment Trust pursuant to this act shall be subject to the following requirements:

a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L.1985, c.334 and any rules and regulations adopted pursuant thereto;

b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the “Wastewater Treatment Fund” established pursuant to the “Wastewater Treatment Bond Act of 1985,” P.L.1985, c.329;

c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;

d. The loan shall not exceed 50% of the total estimated allowable project cost of the wastewater treatment system, exclusive of capitalized interest and issuance expenses as provided in subsec-
tion b. of section 7 of this act, reserve capacity expenses and the 
associated debt service reserve fund requirements as provided in 
subsection c. of section 7 of this act, and increased costs due to 
differing site conditions as defined and determined in accordance 
with the rules and regulations adopted by the trust pursuant to 
section 27 of P.L.1985, c.334 (C.58:11B-27);

e. The loan shall bear interest at or below the interest rate paid 
by the trust on the bonds issued to make the loans authorized by 
this act, adjusted for underwriting discount, in accordance with 
the terms and conditions set forth in the financial plan required 
pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21); and

f. The loan shall be subject to all other terms and conditions 
as the trust shall determine to be consistent with the provisions of 
P.L.1985, c.334 (C.58:11B-1 et seq.) and any rules and regula-
tions adopted pursuant thereto, and with the financial plan 

The requirements enumerated in subsections a. through f. of this 
section shall not apply to Project No. S340929-03 (Wayne Township), for 
which the trust made a loan pursuant to sections 3 and 4 of P.L.1992, 
c.37 as Project No. S340929-02 (Wayne Township: $3,342,715). The 
trust shall amend the existing loan agreement executed and delivered by 
Wayne Township to change the project scope.

The priority list and authorization for the making of loans pur-
suant to this act shall expire on July 1, 1995, and any local 
government unit which has not executed and delivered a loan 
agreement with the trust for a loan authorized in this act shall no 
longer be entitled to that loan.

reduce the individual amount of loan funds made available to local 
government units pursuant to sections 2, 3 and 4 of this act based 
upon low bid building costs or final building costs defined in and 
determined in accordance with rules and regulations adopted by the 
trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27). The 
trust is authorized to use any such reduction in the loan amount made 
available to a local government unit to cover that local government 
unit’s increased costs due to differing site conditions as defined and 
determined in accordance with the rules and regulations adopted by 
the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

b. The trust is authorized to increase each loan amount autho-

capitalized interest and issuance expenses allocable to each loan
made by the trust pursuant to this act; provided that the increase for issuance expenses, excluding underwriters' discount, municipal bond insurance premiums and bond rating agency fees, shall not exceed 0.4% of the principal amount of trust bonds issued to make loans authorized by this act.

b. Whether or not the bonds, notes or other obligations of the trust are of a form and character as to be negotiable instruments under the terms of Title 12A of the New Jersey Statutes, the bonds, notes and other obligations are made negotiable instruments within the meaning of and for the purposes of Title 12A, subject only to the provisions of the bonds, notes and other obligations for registration.
c. Bonds, notes or other obligations of the trust shall be authorized by a resolution or resolutions of the trust and may be issued in one or more series and shall bear any date or dates, mature at any time or times, bear interest at any rate or rates of interest per annum, be in any denomination or denominations, be in any form, either coupon, registered or book entry, carry any conversion or registration privileges, have any rank or priority, be executed in any manner, be payable in any coin or currency of the United States which at the time of payment is legal tender for the payment of public and private debts, at any place or places within or without the State, and be subject to any terms of redemption by the trust or the holders thereof, with or without premium, as the resolution or resolutions may provide. A resolution of the trust authorizing the issuance of bonds, notes or other obligations may provide that the bonds, notes or other obligations be secured by a trust indenture between the trust and a trustee, vesting in the trustee any property, rights, powers and duties in trust consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) as the trust may determine.

d. Bonds, notes or other obligations of the trust may be sold at any price or prices and in any manner as the trust may determine. Each bond, note or other obligation shall mature and be paid not later than 20 years from the effective date thereof, or the certified useful life of the project or projects to be financed by the bonds, whichever is less.

All bonds of the trust shall be sold at such price or prices and in such manner as the trust shall determine, after notice of sale, published at least three times in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in New Jersey or the city of New York, the first notice to be at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any or all bids made in pursuance thereof may be rejected. In the event of such rejection or of failure to receive any acceptable bid, the trust, at any time within 60 days from the date of such advertised sale, may sell such bonds at private sale upon terms not less favorable to the State than the terms offered by any rejected bid. The trust may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

e. Bonds, notes or other obligations of the trust may be issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) without obtaining the consent of any department, division, board,

f. Bonds, notes or other obligations of the trust issued under the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) shall not be a debt or liability of the State or of any political subdivision thereof other than the trust and shall not create or constitute any indebtedness, liability or obligation of the State or any political subdivision, but all these bonds, notes and other obligations, unless funded or refunded by bonds, notes or other obligations, shall be payable solely from revenues or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.). Each bond, note and obligation shall contain on its face a statement to the effect that the trust is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in P.L.1985, c.334 (C.58:11B-1 et seq.) and that neither the State, nor any political subdivision thereof, is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, is pledged to the payment of the principal of or the interest on the bonds, notes or other obligations.

(5) The subcommittee shall review all information and reports submitted in accordance with this subsection and may, on its own initiative, make observations to the trust, or to the Legislature, or both, as it deems appropriate.

i. The trust shall not issue any bonds, notes or other obligations, or otherwise incur any additional indebtedness, on or after November 5, 2005.

CHAPTER 108

AN ACT authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in an aggregate principal amount of $160,000,000 for the purpose of planning, construction, reconstruction, development, erection, acquisition, extension, improvement, rehabilitation and equipment of community residences for clients of the Division of Developmental Disabilities and other State and community-based human services facilities; providing the ways and means to pay and discharge the principal of and interest on the bonds; providing for the submission of this act to the people at a general election; and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Developmental Disabilities' Waiting List Reduction and Human Services Facilities Construction Bond Act of 1994."

2. The Legislature finds and declares:
   a. The number of persons on the waiting list for services from the Division of Developmental Disabilities has increased 34%, from 3,090 to 4,150, between December 1990 and December 1993.
   b. The number of persons on the waiting list who require a residential placement increased 36%, between December 1990 and December 1993, from 2,509 to 3,407.
   c. The Department of Human Services has expended virtually all the 1989 bond funds that had been allocated to the Division of Developmental Disabilities to develop residential programs for its clients.
   d. Implementation of the program in this act to reduce the division's waiting list will meet the immediate and critical need of the people of New Jersey, will substantially further the public interest, and can be most economically financed through a bond issue.
   e. That the reduction of the division's waiting list and the meeting of critical needs financed by a bond issue be accomplished creatively in living environments that are typical of those in which persons without disabilities reside, utilizing existing community resources to the greatest extent possible.
   f. That individuals served by use of this bond issue for the development of community residences for clients of the division be
given, to the maximum extent possible, choice and control over
where and with whom they live.

g. In addition, the State of New Jersey requires continuing
funding to support community grants to develop such facilities as
group homes and other community-based facilities for persons
with mental illness, developmental disabilities, or other physical
and emotional problems.
h. Increased community efforts are necessary to provide the
proper level of services in local areas, and thereby reduce the
demand for institutional care at State human services facilities
and reduce institutional populations.
i. The State of New Jersey requires continuing funding for capital
improvements at human services facilities, in the areas of life safety,
accreditation, physical plant and program improvement projects.
j. Implementation of such programs will meet the immediate
and critical need of the people of New Jersey, will substantially
further the public interest, and can be most economically financed
through a bond issue.

17. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at such price or prices and upon such terms and conditions as may be provided in the bonds.

19. Any bond or bonds issued hereunder, which are subject to the "Refunding Bond Act of 1985," P.L.1985, c.74 as amended by P.L.1992, c.182 (C.49:2B-1 et seq.), shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust.
company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds.

Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds
so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

20. Refunding bonds issued pursuant to P.L.1985, c.74 as amended by P.L.1992, c.182 (C.49:2B-1 et seq.) may be consolidated with bonds issued pursuant to section 5 of this act or with bonds issued pursuant to any other act for purposes of sale.

21. To provide funds to meet the interest and principal payment requirements for the bonds issued under this act and outstanding, there is appropriated in the order following:
   a. Revenue derived from the collection of taxes under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and
   b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the
year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property. The governing body of each municipality shall pay to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to pay the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered and treated as part of the General Fund, available for general purposes.

22. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, then the State Treasurer shall certify to the Director of the Division of Budget and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several
taxing districts of the county in proportion to the ratables as ascertained for the current year.

23. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1994. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers be published therein and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

If you approve of the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “Yes.”

If you disapprove of the act entitled below, make a cross (X), plus (+) or check (✓) mark in the square opposite the word “No.”

If voting machines are used, a vote of “Yes” or “No” shall be equivalent to these markings respectively.

CHAPTER 112

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.43:21-7 is amended to read as follows:

Contributions.

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the “unemployment compensation law” and the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et seq.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The “wages” of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsec-
(c), (d) and (e) of this section 7, shall include the first $4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessor, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first $4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor on or before September 1 of the preceding year and shall be 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of $100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in subsection (b) of section 3306 of the Federal Unemployment Tax Act, Chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C.§3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the Federal Unemployment Tax Act for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar

year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies. If the total amount of benefits paid to a claimant and charged to the account of the appropriate employer exceeds 50% of the total base year, base week wages paid to the claimant by that employer, then such employer shall have canceled from his account such excess benefit charges as specified above.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C.§3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be 2 8/10%, except as otherwise provided in the following provi-
sions. No employer’s rate for the 12 months commencing July 1 of any calendar year shall be other than 2 8/10%, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer’s rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) 2 5/10%, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) 2 2/10%, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) 1 9/10%, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) 1 6/10%, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;

(5) 1 3/10%, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;

(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;

(7) 7/10 of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(8) 4/10 of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer’s contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;

(2) 4 3/10%, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;

(3) 4 6/10%, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates. If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer’s rate shall be specially assigned as follows: (i) if the reserve balance in its account
is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and (ii) if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of
paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The “balance” in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State’s account under section 903 of the Social Security Act, as amended (42 U.S.C.§1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the “unemployment compensation law.”

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.
(E) With respect to experience rating years beginning on or after July 1, 1986, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph 4 of this subsection (R.S. 43:21-7 (c)(4)), as set forth in the following table:

(F) With respect to experience rating years beginning on or after
July 1, 1986, if the balance of the unemployment trust fund as of the
prior March 31 is negative, the contribution rate for each employer
liable to pay contributions, as computed under subparagraph E of
this paragraph (5), shall be increased by a factor of 10% computed to
the nearest multiple of $\frac{1}{10}\%$ if not already a multiple thereof.

(G) On or after January 1, 1993, and ending December 31,
1997, notwithstanding any other provisions of this paragraph (5),
the contribution rate for each employer liable to pay contribu-
tions, as computed under subparagraph (E) of this paragraph (5),
shall be decreased by 0.1%, except that, during any experience
rating year in which the fund reserve ratio is equal to or greater
than 7.00%, there shall be no decrease pursuant to this subpara-
graph (G) in the contribution of any employer who has a deficit
reserve ratio of negative 35.00% or under.

(H) On or after January 1, 1993 until December 31, 1993,
notwithstanding any other provisions of this paragraph (5), the
contribution rate for each employer liable to pay contributions, as
computed under subparagraph (E) of this paragraph (5), shall be
decreased by a factor of 52.0% computed to the nearest multiple
of $\frac{1}{10}\%$, except that, if an employer has a deficit reserve ratio of
negative 35.0% or under, the employer's rate of contribution shall
not be reduced pursuant to this subparagraph (H) to less than
5.4%. The amount of the reduction in the employer contributions
stipulated by this subparagraph (H) shall be in addition to the
amount of the reduction in the employer contributions stipulated
by subparagraph (G) of this paragraph (5), except that the rate of
contribution of an employer who has a deficit reserve ratio of
negative 35.0% or under shall not be reduced pursuant to this
subparagraph (H) to less than 5.4% and the rate of contribution of
any other employer shall not be reduced to less than 0.0%.

withstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor of 36.0% computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%. The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) If the fund reserve ratio decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, the provisions of subparagraph (H) of this paragraph (5) shall cease to be in effect as of July 1 of that calendar year.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, a penalty of 5% thereof or $5.00, whichever is greater, not to exceed $50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.
(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Unless the predecessor employer was owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the successor in interest, or the predecessor employer and the successor in interest were owned or controlled (by legally enforceable means or otherwise), directly or indirectly, by the same interest or interests, the transfer of the employment experience of the predecessor shall not be effective if such successor in interest, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, files a written notice protesting the transfer of the employment experience of the predecessor employer.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall
not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the “Temporary Disability Benefits Law” or while the worker is exempt from the provisions of the “Temporary Disability Benefits Law” under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the “Temporary Disability Benefits Law” (C.43:21-37 et seq.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C)(i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to
finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) Notwithstanding the above provisions of this paragraph (1), during the period starting January 1, 1998, each worker shall contribute to the fund 0.625% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions, or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer, provided that such contributions shall be at the rate of 0.125% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker’s employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph 6 of subsection (h) of R.S.43:21-19, regardless of
whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et seq.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the “Temporary Disability Benefits Law,” except that, while the worker is exempt from the provisions of the “Temporary Disability Benefits Law” under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending December 31, 1997, or, if the unemployment compensation fund reserve ratio, as determined pursuant to paragraph (5) of subsection (c) of this section, decreases to a level of less than 4.00% on March 31 of calendar year 1994 or calendar year 1995, starting on July 1 of that calendar year and ending December 31, 1997, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker’s employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph 6 of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his
workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefore at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph 6 of subsection (h) of R.S. 43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948 c.110 (C.43:21-25 et seq.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(B) (Deleted by amendment, P.L.1984, c.24.)
(C) (Deleted by amendment, P.L.1994, c.112.)
(D) (Deleted by amendment, P.L.1994, c.112.)
(E) (i) (Deleted by amendment, P.L.1994, c.112.)
(ii) Notwithstanding any other provision of this paragraph (2), with respect to wages paid during the period beginning on January 1, 1993 and ending June 30, 1994, there shall be deposited in and credited to the State disability benefits fund all worker contributions received by the controller.
(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund (in accordance with paragraph (2) of this subsection) plus the amount of his contributions, if any, required towards the costs
of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law," such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (B) of paragraph (2) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such
employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in section 3 of the “Temporary Disability Benefits Law” (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to $0.005 or more, in which case it shall be increased to $0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the “Temporary Disability Benefits Law,” the employer shall be exempt from the
contributions required by subparagraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in subparagraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disabil-
ity benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than $500.00, such preliminary rate shall be as follows:

(i) 2/10 of 1% if such excess over $500.00 exceeds 1% but is less than 1 1/4% of his average annual payroll (as defined in this chapter (R.S.43:21-1 et seq.));

(ii) 15/100 of 1% if such excess over $500.00 equals or exceeds 1 1/4% but is less than 1 1/2% of his average annual payroll;

(iii) 1/10 of 1% if such excess over $500.00 equals or exceeds 1 1/2% of his average annual payroll.

(3) If the minimum requirements in (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than $500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than $500.00, the preliminary rate shall be 1/4 of 1%.

(4) If the minimum requirements in (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than $500.00, such preliminary rate shall be as follows:

(i) 35/100 of 1% if such excess over $500.00 is less than 1/4 of 1% of his average annual payroll;

(ii) 45/100 of 1% if such excess over $500.00 equals or exceeds 1/4 of 1% but is less than 1/2 of 1% of his average annual payroll;

(iii) 55/100 of 1% if such excess over $500.00 equals or exceeds 1/2 of 1% but is less than 3/4 of 1% of his average annual payroll;

(iv) 65/100 of 1% if such excess over $500.00 equals or exceeds 3/4 of 1% but is less than 1% of his average annual payroll;

(v) 75/100 of 1% if such excess over $500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in (2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than 1/10 of 1% of wages or increased by more than 2/10 of 1% of wages from the preliminary rate determined for the preceding year in accordance with (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn
from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account (as defined in section 22 of said law (C.43:21-46)), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in (D) hereof, as follows:

(i) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 1 1/4%, the final employer rates shall be the preliminary rates determined as provided in (D) hereof, except that if the employer's preliminary rate is determined as provided in (D)(2) or (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest 5/100 of 1%, but in no case shall such final rate be less than 1/10 of 1%.

(ii) If the percentage determined in accordance with paragraph (E)(1) of this subsection equals or exceeds 3/4 of 1% and is less than 1 1/4 of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with paragraph (E)(1) of this subsection is less than 3/4 of 1%, but in excess of 1/4 of 1%, the final employer rates shall be the preliminary employer rates determined as provided in (D) hereof increased by the difference between 3/4 of 1% and such percentage taken to the nearest 5/100 of 1%; provided, however, that no such final rate shall be more than 1/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, more than 1/2 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and (D)(3) hereof, nor more than 3/4 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in paragraph (E)(1) of this subsection is equal to or less than 1/4 of 1%, then the final rate shall be 2/5 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(2) hereof, 7/10 of 1% in the case of an employer whose preliminary rate is determined as provided in (D)(1) and
(D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

2. R.S.43:21-19 is amended to read as follows:

Definitions.

43:21-19. Definitions. As used in this chapter (R.S.43:21-1 et seq.), unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid during a calendar year (regardless of when earned) by an employer for employment.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three or five preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no "annual payroll" because of military service shall be deleted from the reckoning; the "average annual payroll" in such case is to be determined on the basis of the prior three or five calendar years in each of which the employer had an "annual payroll" in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his "average annual payroll" determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that "average annual payroll" solely for the purposes of paragraph (3) of subsection (e) of R.S.43:21-7 means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund for the last three or five preceding calendar years, whichever average is higher; provided further that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or Sunday) immediately preceding the beginning of the 12-month period for which the employer's contribution rate is computed.

(b) "Benefits" means the money payments payable to an individual, as provided in this chapter (R.S.43:21-1 et seq.), with respect to his unemployment.
(c) (1) "Base year" with respect to benefit years commencing on or after January 1, 1953, shall mean the 52 calendar weeks ending with the second week immediately preceding an individual's benefit year. "Base year" with respect to benefit years commencing on or after July 1, 1986, shall mean the first four of the last five completed calendar quarters immediately preceding an individual's benefit year.

(2) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period defined as a period of disability by section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27). An individual who files a claim under the provisions of this paragraph (2) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.

(3) With respect to a benefit year commencing on or after June 1, 1990 for an individual who immediately preceding the benefit year was subject to a disability compensable under the provisions of the workers' compensation law (chapter 15 of Title 34 of the Revised Statutes), "base year" shall mean the first four of the last five completed calendar quarters immediately preceding the individual's period of disability, if the period of disability was not longer than two years, if the employment held by the individual immediately preceding the period of disability is no longer available at the conclusion of that period and if the individual files a valid claim for unemployment benefits after the conclusion of that period. For the purposes of this paragraph, "period of disability" means the period from the time at which the individual becomes unable to work because of the compensable disability until the time that the individual becomes able to resume work and continue work on a permanent basis. An individual who files a claim under the provisions of this paragraph (3) shall not be regarded as having left work voluntarily for the purposes of subsection (a) of R.S.43:21-5.
(d) "Benefit year" with respect to any individual means the 364 consecutive calendar days beginning with the day on, or as of, which he first files a valid claim for benefits, and thereafter beginning with the day on, or as of, which the individual next files a valid claim for benefits after the termination of his last preceding benefit year. Any claim for benefits made in accordance with subsection (a) of R.S.43:21-6 shall be deemed to be a "valid claim" for the purpose of this subsection if (1) he is unemployed for the week in which, or as of which, he files a claim for benefits; and (2) he has fulfilled the conditions imposed by subsection (e) of R.S.43:21-4.

(aa) such other entity and not the crew leader shall be treated as the employer of such individual; and

(bb) such other entity shall be treated as having paid cash remuneration to such individual in an amount equal to the amount of cash remuneration paid to such individual by the crew leader (either on his own behalf or on behalf of such other entity) for the service in agricultural labor performed for such other entity.

(iv) For the purpose of subparagraph (I) (i), the term "crew leader" means an individual who:

(5) Service shall be deemed to be localized within a state if:

(A) The service is performed entirely within such state; or

(B) The service is performed both within and without such state, but the service performed without such state is incidental to the individual’s service within the state; for example, is tempo-

(C) Such individual is customarily engaged in an independently estab-
lished trade, occupation, profession or business.

(7) Provided that such services are also exempt under the Fed-

(A) Agricultural labor performed prior to January 1, 1978; and

after December 31, 1977, only if performed in a calendar year for an entity which is not an employer as defined in the “unemployment compensation law,” (R.S.43:21-1 et seq.) as of January 1 of such cal-

There shall be deposited in and credited to the fund the amount of worker and employer contributions provided under subparagraph (G) of paragraph (1) of subsection (d) of R.S.43:21-7 and subsection (e) of R.S.43:21-7, less refunds authorized by the chapter (R.S.43:21-1 et seq.) to which this act is a supplement, and the entire amount of interest and earnings from investments of the fund, and all assessments, fines and penalties collected under this act. The fund shall be held in trust for the payment of disability benefits pursuant to this act, for the payment of benefits pursuant to subsection (f) of R.S. 43:21-4, and for the payment of any authorized refunds of contributions. All warrants for the payment of benefits shall be issued by and bear only the signature of the Director of the Division of Unemployment and Temporary Disability Insurance or his duly authorized agent for that purpose. The Treasurer shall maintain books, records and accounts for the fund, appoint personnel and fix their compensation within the limits of available appropriations. If the unemployment disability account shall show an accumulated deficit in excess of $200,000.00 at the end of any calendar year after interest and other earnings have been credited as provided hereinafore, the division shall determine the ratio of such deficit to the total of all taxable wages paid during the preceding calendar year, and shall make an assessment against all employers in an amount equal to the taxable wages paid by them during such preceding calendar year to employees, multiplied by such ratio, but in no event shall any such assessment exceed 1/10 or 1% of such wages; provided, however, that the assessment made against the State (including Rutgers, The State University, the University of Medicine and Dentistry of New Jersey and the New Jersey Institute of Technology) shall not exceed the sum of all benefits paid under the provisions of R.S.43:21-4(f) as the result of employment with the State. The amount of such assessments collected by the division shall be credited to the unemployment disability account.

SUBCHAPTER 1. GENERAL PROVISIONS

Short title.
This chapter shall be known and may be cited as the “Uniform Commercial Code - Leases.”

Scope.
This chapter applies to any transaction, regardless of form, that creates a lease.

Definitions and index of definitions.
12A:2A-103. Definitions and index of definitions.
(1) In this chapter unless the context otherwise requires:
(a) “Buyer in ordinary course of business” means a person who in good faith and without knowledge that the sale to the person is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. “Buying” may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.
(b) “Cancellation” occurs when either party puts an end to the lease contract for default by the other party.

(c) “Commercial unit” means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine, or a set of articles, as a suite of furniture or a line of machinery, or a quantity, as a gross or carload, or any other unit treated in use or in the relevant market as a single whole.
(d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is a natural person and who takes under the lease primarily for a personal, family, or household purpose.

(f) "Fault" means wrongful act, omission, breach, or default.

(g) "Finance lease" means a lease with respect to which:
(i) the lessor does not select, manufacture, or supply the goods;
(ii) the lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and
(iii) one of the following occurs:
(A) the lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;
(B) the lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;
(C) the lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or
(D) if the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing (a) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person, (b) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods, and (c) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.
(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (12A:2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessee.

(o) "Lessee in ordinary course of business" means a person who in good faith and without knowledge that the lease to the person is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods leases in ordinary course from a person in the business of selling or leasing goods of that kind but does not include a pawnbroker. "Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.
(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

(y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

(z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the lease contract otherwise than for default.

(4) In addition chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter.

Leases subject to other law.
12A:2A-104. Leases subject to other law.

(1) A lease, although subject to this chapter, is also subject to any applicable:

(a) certificate of title statute of this State:
R.S.39:10-1 to R.S.39:10-9 both inclusive;
P.L.1971, c.311 (C.39:10-9.1 and C.39:10-9.2);
R.S.39:10-10 to R.S.39:10-16 both inclusive;
R.S.39:10-18 to R.S.39:10-25 both inclusive;
P.L.1984, c.152 (C.12:7A-1 to C.12:7A-29 both inclusive);

(b) certificate of title statute of another jurisdiction (12A:2A-105); or

(c) consumer law of this State, both decisional and statutory.

(2) In case of conflict between the provisions of this chapter, other than sections 12A:2A-105, 12A:2A-304(3), and 12A:2A-305(3), and any law referred to in subsection (1), the provisions of that law control.

(3) Failure to comply with an applicable law has only the effect specified therein.
Territorial application of chapter to goods covered by certificate of title.

12A:2A-105. Territorial application of chapter to goods covered by certificate of title.

Subject to the provisions of sections 12A:2A-304(3) and 12A:2A-305(3), with respect to goods covered by a certificate of title issued under a statute of this State or of another jurisdiction, compliance and the effect of compliance or noncompliance with a certificate of title statute are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until the earlier of (a) surrender of the certificate, or (b) four months after the goods are removed from that jurisdiction and thereafter until a new certificate of title is issued by another jurisdiction.

Limitation on power of parties to consumer lease to choose applicable law and judicial forum.

12A:2A-106. Limitation on power of parties to consumer lease to choose applicable law and judicial forum.

(1) If the law chosen by the parties to a consumer lease is that of a jurisdiction other than a jurisdiction in which the lessee resides at the time the lease agreement becomes enforceable or within 30 days thereafter or in which the goods are to be used, or if the goods are to be used in more than one jurisdiction none of which is the residence of the lessee, in which the lease is executed by the lessee, the choice is not enforceable.

(2) If the judicial forum chosen by the parties to a consumer lease is a forum that would not otherwise have jurisdiction over the lessee, the choice is not enforceable.

Waiver or renunciation of claim or right after default.

12A:2A-107. Waiver or renunciation of claim or right after default.

Any claim or right arising out of an alleged default or breach of warranty may be discharged in whole or in part without consideration by a written waiver or renunciation signed and delivered by the aggrieved party.

Unconscionability.

(1) If the court as a matter of law finds a lease contract or any clause of a lease contract to have been unconscionable at the time it was made the court may refuse to enforce the lease contract, or it may enforce the remainder of the lease contract without the unconscionable clause, or it may so limit the application of any unconscionable clause as to avoid any unconscionable result.
(2) With respect to a consumer lease, if the court as a matter of law finds that a lease contract or any clause of a lease contract has been induced by unconscionable conduct or that unconscionable conduct has occurred in the collection of a claim arising from a lease contract, the court may grant appropriate relief.

(3) Before making a finding of unconscionability under subsection (1) or (2), the court, on its own motion or that of a party, shall afford the parties a reasonable opportunity to present evidence as to the setting, purpose, and effect of the lease contract or clause thereof, or of the conduct.

(4) In an action in which the lessee claims unconscionability with respect to a consumer lease:

(a) If the court finds unconscionability under subsection (1) or (2), the court shall award reasonable attorney's fees to the lessee.

(b) If the court does not find unconscionability and the lessee claiming unconscionability has brought or maintained an action the lessee knew to be groundless, the court shall award reasonable attorney's fees to the party against whom the claim is made.

(c) In determining attorney's fees, the amount of the recovery on behalf of the claimant under subsections (1) and (2) is not controlling.

Option to accelerate at will.

12A:2A-109. Option to accelerate at will.

(1) A term providing that one party or the party's successor in interest may accelerate payment or performance or require collateral or additional collateral "at will" or "when the party deems himself or herself insecure" or in words of similar import must be construed to mean that the party has power to do so only if the party in good faith believes that the prospect of payment or performance is impaired.

(2) With respect to a consumer lease, the burden of establishing good faith under subsection (1) is on the party who exercised the power; otherwise the burden of establishing lack of good faith is on the party against whom the power has been exercised.

SUBCHAPTER 2. FORMATION AND CONSTRUCTION OF LEASE CONTRACT

Statute of frauds.

(1) A lease contract is not enforceable by way of action or defense unless:

(a) the total payments to be made under the lease contract, excluding payments for options to renew or buy, are less than $1,000; or
(b) there is a writing, signed by the party against whom enforcement is sought or by that party's authorized agent, sufficient to indicate that a lease contract has been made between the parties and to describe the goods leased and the lease term.

(2) Any description of leased goods or of the lease term is sufficient and satisfies subsection (1)(b), whether or not it is specific, if it reasonably identifies what is described.

(3) A writing is not insufficient because it omits or incorrectly states a term agreed upon, but the lease contract is not enforceable under subsection (1)(b) beyond the lease term and the quantity of goods shown in the writing.

(4) A lease contract that does not satisfy the requirements of subsection (1), but which is valid in other respects, is enforceable:

(a) if the goods are to be specially manufactured or obtained for the lessee and are not suitable for lease or sale to others in the ordinary course of the lessor's business, and the lessor, before notice of repudiation is received and under circumstances that reasonably indicate that the goods are for the lessee, has made either a substantial beginning of their manufacture or commitments for their procurement;

(b) if the party against whom enforcement is sought admits in that party's pleading, testimony or otherwise in court that a lease contract was made, but the lease contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) with respect to goods that have been received and accepted by the lessee.

(5) The lease term under a lease contract referred to in subsection (4) is:

(a) if there is a writing signed by the party against whom enforcement is sought or by that party's authorized agent specifying the lease term, the term so specified;

(b) if the party against whom enforcement is sought admits in that party's pleading, testimony, or otherwise in court a lease term, the term so admitted; or

(c) a reasonable lease term.

Final written expression: parol or extrinsic evidence.

Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a writing intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by
evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

(1) by course of dealing or usage of trade or by course of performance; and

(2) by evidence of consistent additional terms unless the court finds the writing to have been intended also as a complete and exclusive statement of the terms of the agreement.

Seals inoperative.

The affixing of a seal to a writing evidencing a lease contract or an offer to enter into a lease contract does not render the writing a sealed instrument and the law with respect to sealed instruments does not apply to the lease contract or offer.

Formation in general.

12A:2A-204. Formation in general.

(1) A lease contract may be made in any manner sufficient to show agreement, including conduct by both parties which recognizes the existence of a lease contract.

(2) An agreement sufficient to constitute a lease contract may be found although the moment of its making is undetermined.

(3) Although one or more terms are left open, a lease contract does not fail for indefiniteness if the parties have intended to make a lease contract and there is a reasonably certain basis for giving an appropriate remedy.

Firm offers.

12A:2A-205. Firm offers.

An offer by a merchant to lease goods to or from another person in a signed writing that by its terms gives assurance it will be held open is not revocable, for lack of consideration, during the time stated or, if no time is stated, for a reasonable time, but in no event may the period of irrevocability exceed 3 months. Any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

Offer and acceptance in formation of lease contract.

(1) Unless otherwise unambiguously indicated by the language or circumstances, an offer to make a lease contract must be construed as inviting acceptance in any manner and by any medium reasonable in the circumstances.
(2) If the beginning of a requested performance is a reasonable mode of acceptance, an offeror who is not notified of acceptance within a reasonable time may treat the offer as having lapsed before acceptance.

Course of performance or practical construction.

12A:2A-207. Course of performance or practical construction.

(1) If a lease contract involves repeated occasions for performance by either party with knowledge of the nature of the performance and opportunity for objection to it by the other, any course of performance accepted or acquiesced in without objection is relevant to determine the meaning of the lease agreement.

(2) The express terms of a lease agreement and any course of performance, as well as any course of dealing and usage of trade, must be construed whenever reasonable as consistent with each other; but if that construction is unreasonable, express terms control course of performance, course of performance controls both course of dealing and usage of trade, and course of dealing controls usage of trade.

(3) Subject to the provisions of 12A:2A-208 on modification and waiver, course of performance is relevant to show a waiver or modification of any term inconsistent with the course of performance.

Modification, rescission and waiver.

(1) An agreement modifying a lease contract needs no consideration to be binding.

(2) A signed lease agreement that excludes modification or rescission except by a signed writing may not be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by a merchant must be separately signed by the other party.

(3) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2), it may operate as a waiver.

(4) A party who has made a waiver affecting an executory portion of a lease contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

Lessee under finance lease as beneficiary of supply contract.

12A:2A-209. Lessee under finance lease as beneficiary of supply contract.

(1) The benefit of a supplier’s promises to the lessor under the supply contract and of all warranties, whether express or implied,
including those of any third party provided in connection with or as part of the supply contract, extends to the lessee to the extent of the lessee's leasehold interest under a finance lease related to the supply contract, but is subject to the terms of the warranty and of the supply contract and all defenses or claims arising therefrom.

(2) The extension of the benefit of a supplier's promises and of warranties to the lessee (12A:2A-209(1)) does not: (i) modify the rights and obligations of the parties to the supply contract, whether arising therefrom or otherwise, or (ii) impose any duty or liability under the supply contract on the lessee.

(3) Any modification or rescission of the supply contract by the supplier and the lessor is effective between the supplier and the lessee unless, before the modification or rescission, the supplier has received notice that the lessee has entered into a finance lease related to the supply contract. If the modification or rescission is effective between the supplier and the lessee, the lessor is deemed to have assumed, in addition to the obligations of the lessor to the lessee under the lease contract, promises of the supplier to the lessor and warranties that were so modified or rescinded as they existed and were available to the lessee before modification or rescission.

(4) In addition to the extension of the benefit of the supplier's promises and of warranties to the lessee under subsection (1), the lessee retains all rights that the lessee may have against the supplier which arise from an agreement between the lessee and the supplier or under other law.

Express warranties.

(1) Express warranties by the lessor are created as follows:

(a) Any affirmation of fact or promise made by the lessor to the lessee which relates to the goods and becomes part of the basis of the bargain creates an express warranty that the goods will conform to the affirmation or promise.

(b) Any description of the goods which is made part of the basis of the bargain creates an express warranty that the goods will conform to the description.

(c) Any sample or model that is made part of the basis of the bargain creates an express warranty that the whole of the goods will conform to the sample or model.

(2) It is not necessary to the creation of an express warranty that the lessor use formal words, such as "warrant" or "guarantee," or that the lessor have a specific intention to make a warranty, but
an affirmation merely of the value of the goods or a statement purporting to be merely the lessor's opinion or commendation of the goods does not create a warranty.

Warranties against interference and against infringement; lessee's obligation against infringement.

12A:2A-211. Warranties against interference and against infringement; lessee's obligation against infringement.

(1) There is in a lease contract a warranty that for the lease term no person holds a claim to or interest in the goods that arose from an act or omission of the lessor, other than a claim by way of infringement or the like, which will interfere with the lessee's enjoyment of its leasehold interest.

(2) Except in a finance lease there is in a lease contract by a lessor who is a merchant regularly dealing in goods of the kind a warranty that the goods are delivered free of the rightful claim of any person by way of infringement or the like.

(3) A lessee who furnishes specifications to a lessor or a supplier shall hold the lessor and the supplier harmless against any claim by way of infringement or the like that arises out of compliance with the specifications.

Implied warranty of merchantability.

12A:2A-212. Implied warranty of merchantability.

(1) Except in a finance lease, a warranty that the goods will be merchantable is implied in a lease contract if the lessor is a merchant with respect to goods of that kind.

(2) Goods to be merchantable must be at least such as

(a) pass without objection in the trade under the description in the lease agreement;

(b) in the case of fungible goods, are of fair average quality within the description;

(c) are fit for the ordinary purposes for which goods of that type are used;

(d) run, within the variation permitted by the lease agreement, of even kind, quality, and quantity within each unit and among all units involved;

(e) are adequately contained, packaged, and labeled as the lease agreement may require; and

(f) conform to any promises or affirmations of fact made on the container or label.

(3) Other implied warranties may arise from course of dealing or usage of trade.
CHAPTER 114, LAWS OF 1994

Implied warranty of fitness for particular purpose.

Except in a finance lease, if the lessor at the time the lease contract is made has reason to know of any particular purpose for which the goods are required and that the lessee is relying on the lessor's skill or judgment to select or furnish suitable goods, there is in the lease contract an implied warranty that the goods will be fit for that purpose.

Exclusion or modification of warranties.

(1) Words or conduct relevant to the creation of an express warranty and words or conduct tending to negate or limit a warranty must be construed wherever reasonable as consistent with each other; but, subject to the provisions of 12A:2A-202 on parol or extrinsic evidence, negation or limitation is inoperative to the extent that the construction is unreasonable.

(2) Subject to subsection (3), to exclude or modify the implied warranty of merchantability or any part of it the language must mention “merchantability”, be by a writing, and be conspicuous. Subject to subsection (3), to exclude or modify any implied warranty of fitness the exclusion must be by a writing and be conspicuous. Language to exclude all implied warranties of fitness is sufficient if it is in writing, is conspicuous and states, for example, “There is no warranty that the goods will be fit for a particular purpose”.

(3) Notwithstanding subsection (2), but subject to subsection (4),

(a) unless the circumstances indicate otherwise, all implied warranties are excluded by expressions like “as is,” or “with all faults,” or by other language that in common understanding calls the lessee's attention to the exclusion of warranties and makes plain that there is no implied warranty, if in writing and conspicuous;

(b) if the lessee before entering into the lease contract has examined the goods or the sample or model as fully as desired or has refused to examine the goods, there is no implied warranty with regard to defects that an examination ought in the circumstances to have revealed; and

(c) an implied warranty may also be excluded or modified by course of dealing, course of performance, or usage of trade.

(4) To exclude or modify a warranty against interference or against infringement (12A:2A-211) or any part of it, the language must be specific, be by a writing, and be conspicuous, unless the circumstances, including course of performance, course of dealing,
or usage of trade, give the lessee reason to know that the goods are being leased subject to a claim or interest of any person.

**Cumulation and conflict of warranties express or implied.**

12A:2A-215. **Cumulation and conflict of warranties express or implied.**

Warranties, whether express or implied, must be construed as consistent with each other and as cumulative, but if that construction is unreasonable, the intention of the parties determines which warranty is dominant. In ascertaining that intention the following rules apply:

1. Exact or technical specifications displace an inconsistent sample or model or general language of description.
2. A sample from an existing bulk displaces inconsistent general language of description.
3. Express warranties displace inconsistent implied warranties other than an implied warranty of fitness for a particular purpose.

**Third-party beneficiaries of express and implied warranties.**

12A:2A-216. **Third-party beneficiaries of express and implied warranties.**

A warranty to or for the benefit of a lessee under this chapter, whether express or implied, extends to any natural person who is in the family or household of the lessee or who is a guest in the lessee's home if it is reasonable to expect that the person may use, consume, or be affected by the goods and who is injured in person by breach of the warranty. This section does not displace principles of law and equity that extend a warranty to or for the benefit of a lessee to other persons. The operation of this section may not be excluded, modified, or limited, but an exclusion, modification, or limitation of the warranty, including any with respect to rights and remedies, effective against the lessee is also effective against any beneficiary designated under this section.

**Identification.**

12A:2A-217. **Identification.**

Identification of goods as goods to which a lease contract refers may be made at any time and in any manner explicitly agreed to by the parties. In the absence of explicit agreement, identification occurs:

1. when the lease contract is made if the lease contract is for a lease of goods that are existing and identified;
2. when the goods are shipped, marked, or otherwise designated by the lessor as goods to which the lease contract refers, if
the lease contract is for a lease of goods that are not existing and identified; or
(3) when the young are conceived, if the lease contract is for a lease of unborn young of animals.

Insurance and proceeds.
(1) A lessee obtains an insurable interest when existing goods are identified to the lease contract even though the goods identified are nonconforming and the lessee has an option to reject them.
(2) If a lessee has an insurable interest only by reason of the lessor's identification of the goods, the lessor, until default or insolvency or notification to the lessee that identification is final, may substitute other goods for those identified.
(3) Notwithstanding a lessee's insurable interest under subsections (1) and (2), the lessor retains an insurable interest until an option to buy has been exercised by the lessee and risk of loss has passed to the lessee.
(4) Nothing in this section impairs any insurable interest recognized under any other statute or rule of law.
(5) The parties by agreement may determine that one or more parties have an obligation to obtain and pay for insurance covering the goods and by agreement may determine the beneficiary of the proceeds of the insurance.

Risk of loss.
(1) Except in the case of a finance lease, risk of loss is retained by the lessor and does not pass to the lessee. In the case of a finance lease, risk of loss passes to the lessee.
(2) Subject to the provisions of this chapter on the effect of default on risk of loss (12A:2A-220), if risk of loss is to pass to the lessee and the time of passage is not stated, the following rules apply:
(a) If the lease contract requires or authorizes the goods to be shipped by carrier
   (i) and it does not require delivery at a particular destination, the risk of loss passes to the lessee when the goods are duly delivered to the carrier; but
   (ii) if it does require delivery at a particular destination and the goods are there duly tendered while in the possession of the carrier, the risk of loss passes to the lessee when the goods are there duly so tendered as to enable the lessee to take delivery.
(b) If the goods are held by a bailee to be delivered without being moved, the risk of loss passes to the lessee on acknowledgment by the bailee of the lessee's right to possession of the goods.

(c) In any case not within subsection (a) or (b), the risk of loss passes to the lessee on the lessee's receipt of the goods if the lessor, or, in the case of a finance lease, the supplier, is a merchant; otherwise the risk passes to the lessee on tender of delivery.

Effect of default on risk of loss.

(1) Where risk of loss is to pass to the lessee and the time of passage is not stated:

(a) If a tender or delivery of goods so fails to conform to the lease contract as to give a right of rejection, the risk of their loss remains with the lessor, or, in the case of a finance lease, the supplier, until cure or acceptance.

(b) If the lessee rightfully revokes acceptance, the lessee, to the extent of any deficiency in the lessee's effective insurance coverage, may treat the risk of loss as having remained with the lessor from the beginning.

(2) Whether or not risk of loss is to pass to the lessee, if the lessee as to conforming goods already identified to a lease contract repudiates or is otherwise in default under the lease contract, the lessor, or, in the case of a finance lease, the supplier, to the extent of any deficiency in the lessor's or supplier's effective insurance coverage may treat the risk of loss as resting on the lessee for a commercially reasonable time.

Casualty to identified goods.

12A:2A-221. Casualty to identified goods.

If a lease contract requires goods identified when the lease contract is made, and the goods suffer casualty without fault of the lessee, the lessor or the supplier before delivery, or the goods suffer casualty before risk of loss passes to the lessee pursuant to the lease agreement or 12A:2A-219, then:

(1) If the loss is total, the lease contract is avoided; and

(2) If the loss is partial or the goods have so deteriorated as to no longer conform to the lease contract, the lessee may nevertheless demand inspection and at the lessee's option either treat the lease contract as avoided or, except in a finance lease that is not a consumer lease, accept the goods with due allowance from the rent payable for the balance of the lease term for the deterioration or the deficiency in quantity but without further right against the lessor.
SUBCHAPTER 3. EFFECT OF LEASE CONTRACT

Enforceability of lease contract.

12A:2A-301. Enforceability of lease contract.

Except as otherwise provided in this chapter, a lease contract is effective and enforceable according to its terms between the parties, against purchasers of the goods and against creditors of the parties.

Title to and possession of goods.

12A:2A-302. Title to and possession of goods.

Except as otherwise provided in this chapter, each provision of this chapter applies whether the lessor or a third party has title to the goods, and whether the lessor, the lessee, or a third party has possession of the goods, notwithstanding any statute or rule of law that possession or the absence of possession is fraudulent.

Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.

12A:2A-303. Alienability of party's interest under lease contract or of lessor's residual interest in goods; delegation of performance; transfer of rights.

(1) As used in this section, "creation of a security interest" includes the sale of a lease contract that is subject to Chapter 9, Secured Transactions, by reason of section 12A:9-102(1)(b).

(2) Except as provided in subsections (3) and (4), a provision in a lease agreement which (i) prohibits the voluntary or involuntary transfer, including a transfer by sale, sublease, creation or enforcement of a security interest, or attachment, levy, or other judicial process, of an interest of a party under the lease contract or of the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, gives rise to the rights and remedies provided in subsection (5), but a transfer that is prohibited or is an event of default under the lease agreement is otherwise effective.

(3) A provision in a lease agreement which (i) prohibits the creation or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods, or (ii) makes such a transfer an event of default, is not enforceable unless, and then only to the extent that, there is an actual transfer by the lessee of the lessee's right of possession or use of the goods in violation of the provision or an actual delegation of a material performance of either party to the lease contract in violation of the provision. Neither the granting nor the enforcement of a security interest in (i) the lessor's interest under the lease contract or (ii) the
lessor's residual interest in the goods is a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the lessee within the purview of subsection (5) unless, and then only to the extent that, there is an actual delegation of a material performance of the lessor.

(4) A provision in a lease agreement which (i) prohibits a transfer of a right to damages for default with respect to the whole lease contract or of a right to payment arising out of the transferor's due performance of the transferor's entire obligation, or (ii) makes such a transfer an event of default, is not enforceable, and such a transfer is not a transfer that materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract within the purview of subsection (5).

(5) Subject to subsections (3) and (4):

(a) if a transfer is made which is made an event of default under a lease agreement, the party to the lease contract not making the transfer, unless that party waives the default or otherwise agrees, has the rights and remedies described in 12A:2A-501(2);

(b) if paragraph (a) is not applicable and if a transfer is made that (i) is prohibited under a lease agreement or (ii) materially impairs the prospect of obtaining return performance by, materially changes the duty of, or materially increases the burden or risk imposed on, the other party to the lease contract, unless the party not making the transfer agrees at any time to the transfer in the lease contract or otherwise, then, except as limited by contract, (i) the transferor is liable to the party not making the transfer for damages caused by the transfer to the extent that the damages could not reasonably be prevented by the party not making the transfer and (ii) a court having jurisdiction may grant other appropriate relief, including cancellation of the lease contract or an injunction against the transfer.

(6) A transfer of "the lease" or of "all my rights under the lease," or a transfer in similar general terms, is a transfer of rights and, unless the language or the circumstances, as in a transfer for security, indicate the contrary, the transfer is a delegation of duties by the transferor to the transferee. Acceptance by the transferee constitutes a promise by the transferee to perform those duties. The promise is enforceable by either the transferor or the other party to the lease contract.
(7) Unless otherwise agreed by the lessor and the lessee, a delegation of performance does not relieve the transferor as against the other party of any duty to perform or of any liability for default.

(8) In a consumer lease, to prohibit the transfer of an interest of a party under the lease contract or to make a transfer an event of default, the language must be specific, by a writing, and conspicuous.

Subsequent lease of goods by lessor.

(1) Subject to 12A:2A-303, a subsequent lessee from a lessor of goods under an existing lease contract obtains, to the extent of the leasehold interest transferred, the leasehold interest in the goods that the lessor had or had power to transfer, and except as provided in subsection (2) and 12A:2A-527(4), takes subject to the existing lease contract. A lessor with voidable title has power to transfer a good leasehold interest to a good faith subsequent lessee for value, but only to the extent set forth in the preceding sentence. If goods have been delivered under a transaction of purchase, the lessor has that power even though:

(a) the lessor’s transferor was deceived as to the identity of the lessor;
(b) the delivery was in exchange for a check which is later dishonored;
(c) it was agreed that the transaction was to be a “cash sale”; or
(d) the delivery was procured through theft under the criminal law.

(2) A subsequent lessee in the ordinary course of business from a lessor who is a merchant dealing in goods of that kind to whom the goods were entrusted by the existing lessee of that lessor before the interest of the subsequent lessee became enforceable against that lessor obtains, to the extent of the leasehold interest transferred, all of that lessor’s and the existing lessee’s rights to the goods, and takes free of the existing lease contract.

(3) A subsequent lessee from the lessor of goods that are subject to an existing lease contract and are covered by a certificate of title issued under a statute of this State or of another jurisdiction takes no greater rights than those provided both by this section and by the certificate of title statute.

Sale or sublease of goods by lessee.

12A:2A-305. Sale or sublease of goods by lessee.

(1) Subject to the provisions of 12A:2A-303, a buyer or sublessee from the lessee of goods under an existing lease contract obtains, to the extent of the interest transferred, the leasehold
interest in the goods that the lessee had or had power to transfer, and except as provided in subsection (2) and 12A:2A-511(4), takes subject to the existing lease contract. A lessee with a voidable leasehold interest has power to transfer a good leasehold interest to a good faith buyer for value or a good faith sublessee for value, but only to the extent set forth in the preceding sentence. When goods have been delivered under a transaction of lease the lessee has that power even though:

(a) the lessor was deceived as to the identity of the lessee;
(b) the delivery was in exchange for a check which is later dishonored; or
(c) the delivery was procured through theft under the criminal law.

(2) A buyer in the ordinary course of business or a sublessee in the ordinary course of business from a lessee who is a merchant dealing in goods of that kind to whom the goods were entrusted by the lessor obtains, to the extent of the interest transferred, all of the lessor's and lessee's rights to the goods, and takes free of the existing lease contract.

(3) A buyer or sublessee from the lessee of goods that are subject to an existing lease contract and are covered by a certificate of title issued under a statute of this State or of another jurisdiction takes no greater rights than those provided both by this section and by the certificate of title statute.

Priority of certain liens arising by operation of law.

If a person in the ordinary course of the person's business furnishes services or materials with respect to goods subject to a lease contract, a lien upon those goods in the possession of that person given by statute or rule of law for those materials or services takes priority over any interest of the lessor or lessee under the lease contract or this chapter unless the lien is created by statute and the statute provides otherwise or unless the lien is created by rule of law and the rule of law provides otherwise.

Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.

12A:2A-307. Priority of liens arising by attachment or levy on, security interests in, and other claims to goods.

(1) Except as otherwise provided in 12A:2A-306, a creditor of a lessee takes subject to the lease contract.

(2) Except as otherwise provided in subsections (3) and (4) and in sections 12A:2A-306 and 12A:2A-308, a creditor of a lessor takes subject to the lease contract unless:
(a) the creditor holds a lien that attached to the goods before
the lease contract became enforceable;

(b) the creditor holds a security interest in the goods and the
lessee did not give value and receive delivery of the goods with­
out knowledge of the security interest; or

(c) the creditor holds a security interest in the goods which was
perfected (12A:9-303) before the lease contract became enforceable.

(3) A lessee in the ordinary course of business takes the lease­
hold interest free of a security interest in the goods created by the
lessor even though the security interest is perfected (12A:9-303)
and the lessee knows of its existence.

(4) A lessee other than a lessee in the ordinary course of busi­
ness takes the leasehold interest free of a security interest to the
extent that it secures future advances made after the secured party
acquires knowledge of the lease or more than 45 days after the
lease contract becomes enforceable, whichever first occurs,
unless the future advances are made pursuant to a commitment
entered into without knowledge of the lease and before the expi­
ration of the 45-day period.

Special rights of creditors.

12A:2A-308. Special rights of creditors.

(1) A creditor of a lessor in possession of goods subject to a lease
contract may treat the lease contract as void if as against the creditor
retention of possession by the lessor is fraudulent under any statute
or rule of law, but retention of possession in good faith and current
course of trade by the lessor for a commercially reasonable time
after the lease contract becomes enforceable is not fraudulent.

(2) Nothing in this chapter impairs the rights of creditors of a
lesser if the lease contract (a) becomes enforceable, not in current
course of trade but in satisfaction of or as security for a pre-exist­
ing claim for money, security, or the like, and (b) is made under
circumstances which under any statute or rule of law apart from
this chapter would constitute the transaction a fraudulent transfer
or voidable preference.

(3) A creditor of a seller may treat a sale or an identification of
goods to a contract for sale as void if as against the creditor reten­
tion of possession by the seller is fraudulent under any statute or
rule of law, but retention of possession of the goods pursuant to a
lease contract entered into by the seller as lessee and the buyer as
lessor in connection with the sale or identification of the goods is
not fraudulent if the buyer bought for value and in good faith.
Lessor's and lessee's rights when goods become fixtures.

12A:2A-309. Lessor's and lessee's rights when goods become fixtures.

(1) In this section:
(a) goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law;
(b) a "fixture filing" is the filing, in the office where a mortgage on the real estate would be filed or recorded, of a financing statement covering goods that are or are to become fixtures and conforming to the requirements of 12A:9-402(5);
(c) a lease is a "purchase money lease" unless the lessee has possession or use of the goods or the right to possession or use of the goods before the lease agreement is enforceable;
(d) a mortgage is a "construction mortgage" to the extent it secures an obligation incurred for the construction of an improvement on land including the acquisition cost of the land, if the recorded writing so indicates; and
(e) "encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests.

(2) Under this chapter a lease may be of goods that are fixtures or may continue in goods that become fixtures, but no lease exists under this chapter of ordinary building materials incorporated into an improvement on land.

(3) This chapter does not prevent creation of a lease of fixtures pursuant to real estate law.

(4) The perfected interest of a lessor of fixtures has priority over a conflicting interest of an encumbrancer or owner of the real estate if:
(a) the lease is a purchase money lease, the conflicting interest of the encumbrancer or owner arises before the goods become fixtures, the interest of the lessor is perfected by a fixture filing before the goods become fixtures or within 10 days thereafter, and the lessee has an interest of record in the real estate or is in possession of the real estate; or
(b) the interest of the lessor is perfected by a fixture filing before the interest of the encumbrancer or owner is of record, the lessor's interest has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner, and the lessee has an interest of record in the real estate or is in possession of the real estate.

(5) The interest of a lessor of fixtures, whether or not perfected, has priority over the conflicting interest of an encumbrancer or owner of the real estate if:
(a) the fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real estate, or readily removable replacements of domestic appliances that are goods subject to a consumer lease, and before the goods become fixtures the lease contract is enforceable; or

(b) the conflicting interest is a lien on the real estate obtained by legal or equitable proceedings after the lease contract is enforceable; or

(c) the encumbrancer or owner has consented in writing to the lease or has disclaimed an interest in the goods as fixtures; or

(d) the lessee has a right to remove the goods as against the encumbrancer or owner. If the lessee's right to remove terminates, the priority of the interest of the lessor continues for a reasonable time.

(6) Notwithstanding subsection (4)(a) but otherwise subject to subsections (4) and (5), the interest of a lessor of fixtures, including the lessor's residual interest, is subordinate to the conflicting interest of an encumbrancer of the real estate under a construction mortgage recorded before the goods become fixtures if the goods become fixtures before the completion of the construction. To the extent given to refinance a construction mortgage, the conflicting interest of an encumbrancer of the real estate under a mortgage has this priority to the same extent as the encumbrancer of the real estate under the construction mortgage.

(7) In cases not within the preceding subsections, priority between the interest of a lessor of fixtures, including the lessor's residual interest, and the conflicting interest of an encumbrancer or owner of the real estate who is not the lessee is determined by the priority rules governing conflicting interests in real estate.

(8) If the interest of a lessor of fixtures, including the lessor's residual interest, has priority over all conflicting interests of all owners and encumbrancers of the real estate, the lessor or the lessee may (i) on default, expiration, termination, or cancellation of the lease agreement but subject to the lease agreement and this chapter, or (ii) if necessary to enforce other rights and remedies of the lessor or lessee under this chapter, remove the goods from the real estate, free and clear of all conflicting interests of all owners and encumbrancers of the real estate, but the lessor or lessee shall reimburse any encumbrancer or owner of the real estate who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury, but not for any diminution in value of the
real estate caused by the absence of the goods removed or by any
necessity of replacing them. A person entitled to reimbursement
may refuse permission to remove until the party seeking removal
gives adequate security for the performance of this obligation.

(9) Even though the lease agreement does not create a security
interest, the interest of a lessor of fixtures, including the lessor’s
residual interest, is perfected by filing a financing statement as a
fixture filing for leased goods that are or are to become fixtures
in accordance with the relevant provisions of the chapter on
Secured Transactions (chapter 9).

Lessor’s and lessee’s rights when goods become accessions.
12A:2A-310. Lessor’s and lessee’s rights when goods become accessions.

(1) Goods are “accessions” when they are installed in or
affixed to other goods.

(2) The interest of a lessor or a lessee under a lease contract
entered into before the goods became accessions is superior to all
interests in the whole except as stated in subsection (4).

(3) The interest of a lessor or a lessee under a lease contract
entered into at the time or after the goods became accessions is
superior to all subsequently acquired interests in the whole except
as stated in subsection (4) but is subordinate to interests in the
whole existing at the time the lease contract was made unless the
holders of the interests in the whole have in writing consented to
the lease or disclaimed an interest in the goods as part of the whole.

(4) The interest of a lessor or a lessee under a lease contract
described in subsection (2) or (3) is subordinate to the interest of

(a) a buyer in the ordinary course of business or a lessee in the
ordinary course of business of any interest in the whole acquired
after the goods became accessions; or

(b) a creditor with a security interest in the whole perfected before
the lease contract was made to the extent that the creditor makes sub­
sequent advances without knowledge of the lease contract.

(5) When under subsections (2) or (3) and (4) a lessor or a les­
see of accessions holds an interest that is superior to all interests
in the whole, the lessor or the lessee may (a) on default, expiration,
termination, or cancellation of the lease contract by the
other party but subject to the provisions of the lease contract and
this chapter, or (b) if necessary to enforce the lessor’s or lessee’s
other rights and remedies under this chapter, remove the goods
from the whole, free and clear of all interests in the whole, but
the lessor or lessee shall reimburse any holder of an interest in the whole who is not the lessee and who has not otherwise agreed for the cost of repair of any physical injury but not for any diminution in value of the whole caused by the absence of the goods removed or by any necessity for replacing them. A person entitled to reimbursement may refuse permission to remove until the party seeking removal gives adequate security for the performance of this obligation.

Priority subject to subordination.

12A:2A-311. Priority subject to subordination.

Nothing in this chapter prevents subordination by agreement by any person entitled to priority.

SUBCHAPTER 4. PERFORMANCE OF LEASE CONTRACT: REPUDIATED, SUBSTITUTED AND EXCUSED

Insecurity: adequate assurance of performance.

(1) A lease contract imposes an obligation on each party that the other's expectation of receiving due performance will not be impaired.

(2) If reasonable grounds for insecurity arise with respect to the performance of either party, the insecure party may demand in writing adequate assurance of due performance. Until the insecure party receives that assurance, if commercially reasonable the insecure party may suspend any performance for which the insecure party has not already received the agreed return.

(3) A repudiation of the lease contract occurs if assurance of due performance adequate under the circumstances of the particular case is not provided to the insecure party within a reasonable time, not to exceed 30 days after receipt of a demand by the other party.

(4) Between merchants, the reasonableness of grounds for insecurity and the adequacy of any assurance offered must be determined according to commercial standards.

(5) Acceptance of any nonconforming delivery or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance.

Anticipatory repudiation.

If either party repudiates a lease contract with respect to a performance not yet due under the lease contract, the loss of which performance will substantially impair the value of the lease contract to the other, the aggrieved party may:
(1) for a commercially reasonable time, await retraction of repudiation and performance by the repudiating party;
(2) make demand pursuant to 12A:2A-401 and await assurance of future performance adequate under the circumstances of the particular case; or
(3) resort to any right or remedy upon default under the lease contract or this chapter, even though the aggrieved party has notified the repudiating party that the aggrieved party would await the repudiating party’s performance and assurance and has urged retraction. In addition, whether or not the aggrieved party is pursuing one of the foregoing remedies, the aggrieved party may suspend performance or, if the aggrieved party is the lessor, proceed in accordance with the provisions of this chapter on the lessor’s right to identify goods to the lease contract notwithstanding default or to salvage unfinished goods (12A:2A-524).

Retraction of anticipatory repudiation.
(1) Until the repudiating party’s next performance is due, the repudiating party can retract the repudiation unless, since the repudiation, the aggrieved party has cancelled the lease contract or materially changed the aggrieved party’s position or otherwise indicated that the aggrieved party considers the repudiation final.
(2) Retraction may be by any method that clearly indicates to the aggrieved party that the repudiating party intends to perform under the lease contract and includes any assurance demanded under 12A:2A-401.
(3) Retraction reinstates a repudiating party’s rights under a lease contract with due excuse and allowance to the aggrieved party for any delay occasioned by the repudiation.

Substituted performance.
(1) If without fault of the lessee, the lessor and the supplier, the agreed berthing, loading, or unloading facilities fail or the agreed type of carrier becomes unavailable or the agreed manner of delivery otherwise becomes commercially impracticable, but a commercially reasonable substitute is available, the substitute performance must be tendered and accepted.
(2) If the agreed means or manner of payment fails because of domestic or foreign governmental regulation:
(a) the lessor may withhold or stop delivery or cause the supplier to withhold or stop delivery unless the lessee provides a means or manner of payment that is commercially a substantial equivalent; and
(b) if delivery has already been taken, payment by the means or in the manner provided by the regulation discharges the lessee's obligation unless the regulation is discriminatory, oppressive, or predatory.

Excused performance.
Subject to 12A:2A-404 on substituted performance, the following rules apply:

1. Delay in delivery or nondelivery in whole or in part by a lessor or a supplier who complies with subsections (2) and (3) is not a default under the lease contract if performance as agreed has been made impracticable by the occurrence of a contingency the nonoccurrence of which was a basic assumption on which the lease contract was made or by compliance in good faith with any applicable foreign or domestic governmental regulation or order, whether or not the regulation or order later proves to be invalid.

2. If the causes mentioned in subsection (1) affect only part of the lessor's or the supplier's capacity to perform, the lessor or supplier shall allocate production and deliveries among the lessor's or supplier's customers but at the lessor's or supplier's option may include regular customers not then under contract for sale or lease as well as the lessor's or supplier's own requirements for further manufacture. The lessor or supplier may so allocate in any manner that is fair and reasonable.

3. The lessor seasonably shall notify the lessee and in the case of a finance lease the supplier seasonably shall notify the lessor and the lessee, if known, that there will be delay or nondelivery and, if allocation is required under subsection (2), of the estimated quota thus made available for the lessee.

Procedure on excused performance.
(1) If the lessee receives notification of a material or indefinite delay or an allocation justified under 12A:2A-405, the lessee may by written notification to the lessor as to any goods involved, and with respect to all of the goods if under an installment lease contract the value of the whole lease contract is substantially impaired (12A:2A-510):

(a) terminate the lease contract (12A:2A-505(2)); or
(b) except in a finance lease that is not a consumer lease, modify the lease contract by accepting the available quota in substitution, with due allowance from the rent payable for the
balance of the lease term for the deficiency but without further right against the lessor.

(2) If, after receipt of a notification from the lessor under 12A:2A-405, the lessee fails so to modify the lease agreement within a reasonable time not exceeding 30 days, the lease contract lapses with respect to any deliveries affected.

**Irrevocable promises: finance leases.**

(1) In the case of a finance lease that is not a consumer lease the lessee's promises under the lease contract become irrevocable and independent upon the lessee's acceptance of the goods.

(2) A promise that has become irrevocable and independent under subsection (1):

(a) is effective and enforceable between the parties, and by or against third parties including assignees of the parties, and

(b) is not subject to cancellation, termination, modification, repudiation, excuse, or substitution without the consent of the party to whom the promise runs.

(3) This section does not affect the validity under any other law of a covenant in any lease contract making the lessee's promises irrevocable and independent upon the lessee's acceptance of the goods.

**SUBCHAPTER 5. DEFAULT.**

A. IN GENERAL

Default: procedure.

(1) Whether the lessor or the lessee is in default under a lease contract is determined by the lease agreement and this chapter.

(2) If the lessor or the lessee is in default under the lease contract, the party seeking enforcement has rights and remedies as provided in this chapter and, except as limited by this chapter, as provided in the lease agreement.

(3) If the lessor or the lessee is in default under the lease contract, the party seeking enforcement may reduce the party's claim to judgment, or otherwise enforce the lease contract by self-help or any available judicial procedure or nonjudicial procedure, including administrative proceeding, arbitration, or the like, in accordance with this chapter.

(4) Except as otherwise provided in 12A:i-106(1) or this chapter or the lease agreement, the rights and remedies referred to in subsections (2) and (3) are cumulative.
(5) If the lease agreement covers both real property and goods, the party seeking enforcement may proceed under this subchapter as to the goods, or under other applicable law as to both the real property and the goods in accordance with that party's rights and remedies in respect of the real property, in which case this subchapter does not apply.

Notice after default.

Except as otherwise provided in this chapter or the lease agreement, the lessor or lessee in default under the lease contract is not entitled to notice of default or notice of enforcement from the other party to the lease agreement.

Modification or impairment of rights and remedies.

12A:2A-503. Modification or impairment of rights and remedies.

(1) Except as otherwise provided in this chapter, the lease agreement may include rights and remedies for default in addition to or in substitution for those provided in this chapter and may limit or alter the measure of damages recoverable under this chapter.

(2) Resort to a remedy provided under this chapter or in the lease agreement is optional unless the remedy is expressly agreed to be exclusive. If circumstances cause an exclusive or limited remedy to fail of its essential purpose, or provision for an exclusive remedy is unconscionable, remedy may be had as provided in this chapter.

(3) Consequential damages may be liquidated under 12A:2A-504, or may otherwise be limited, altered, or excluded unless the limitation, alteration, or exclusion is unconscionable. Limitation, alteration, or exclusion of consequential damages for injury to the person in the case of consumer goods is prima facie unconscionable but limitation, alteration, or exclusion of damages where the loss is commercial is not prima facie unconscionable.

(4) Rights and remedies on default by the lessor or the lessee with respect to any obligation or promise collateral or ancillary to the lease contract are not impaired by this chapter.

Liquidation of damages.

(1) Damages payable by either party for default, or any other act or omission, including indemnity for loss or diminution of anticipated tax benefits or loss or damage to lessor's residual interest, may be liquidated in the lease agreement but only at an amount or by a formula that is reasonable in light of the then anticipated harm caused by the default or other act or omission.
(2) If the lease agreement provides for liquidation of damages, and this provision does not comply with subsection (1), or this provision is an exclusive or limited remedy that circumstances cause to fail of its essential purpose, remedy may be had as provided in this chapter.

(3) If the lessor justifiably withholds or stops delivery of goods because of the lessee's default or insolvency (12A:2A-525 or 12A:2A-526), the lessee is entitled to restitution of any amount by which the sum of the lessee's payments exceeds:

(a) the amount to which the lessor is entitled by virtue of terms liquidating the lessor's damages in accordance with subsection (1); or

(b) in the absence of those terms, 20 percent of the then present value of the total rent the lessee was obligated to pay for the balance of the lease term, or, in the case of a consumer lease, the lesser of that amount or $500.

(4) A lessee's right to restitution under subsection (3) is subject to offset to the extent the lessor establishes:

(a) a right to recover damages under the provisions of this chapter other than subsection (1); and

(b) the amount or value of any benefits received by the lessee directly or indirectly by reason of the lease contract.

Cancellation and termination and effect of cancellation, termination, rescission, or fraud on rights and remedies.

12A:2A-505. Cancellation and termination and effect of cancellation, termination, rescission, or fraud on rights and remedies.

(1) On cancellation of the lease contract, all obligations that are still executory on both sides are discharged, but any right based on prior default or performance survives, and the cancelling party also retains any remedy for default of the whole lease contract or any unperformed balance.

(2) On termination of the lease contract, all obligations that are still executory on both sides are discharged but any right based on prior default or performance survives.

(3) Unless the contrary intention clearly appears, expressions of "cancellation," "rescission," or the like of the lease contract may not be construed as a renunciation or discharge of any claim in damages for an antecedent default.

(4) Rights and remedies for material misrepresentation or fraud include all rights and remedies available under this chapter for default.

(5) Neither rescission nor a claim for rescission of the lease contract nor rejection or return of the goods may bar or be deemed inconsistent with a claim for damages or other right or remedy.
Statute of limitations.

(1) An action for default under a lease contract, including breach of warranty or indemnity, shall be commenced within 4 years after the cause of action accrued. By the original lease contract the parties may reduce the period of limitation to not less than one year.

(2) A cause of action for default accrues when the act or omission on which the default or breach of warranty is based is or should have been discovered by the aggrieved party, or when the default occurs, whichever is later. A cause of action for indemnity accrues when the act or omission on which the claim for indemnity is based is or should have been discovered by the indemnified party, whichever is later.

(3) If an action commenced within the time limited by subsection (1) is so terminated as to leave available a remedy by another action for the same default or breach of warranty or indemnity, the other action may be commenced after the expiration of the time limited and within 6 months after the termination of the first action unless the termination resulted from voluntary discontinuance or from dismissal for failure or neglect to prosecute.

(4) This section does not alter the law on tolling of the statute of limitations and it does not apply to causes of action that have accrued before this chapter becomes effective.

Proof of market rent: time and place.

(1) Damages based on market rent (12A:2A-519 or 12A:2A-528) are determined according to the rent for the use of the goods concerned for a lease term identical to the remaining lease term of the original lease agreement and prevailing at the times specified in sections 12A:2A-519 and 12A:2A-528.

(2) If evidence of rent for the use of the goods concerned for a lease term identical to the remaining lease term of the original lease agreement and prevailing at the times or places described in this chapter is not readily available, the rent prevailing within any reasonable time before or after the time described or at any other place or for a different lease term which in commercial judgment or under usage of trade would serve as a reasonable substitute for the one described may be used, making any proper allowance for the difference, including the cost of transporting the goods to or from the other place.

(3) Evidence of a relevant rent prevailing at a time or place or for a lease term other than the one described in this chapter
offered by one party is not admissible unless and until that party has given the other party notice the court finds sufficient to prevent unfair surprise.

(4) If the prevailing rent or value of any goods regularly leased in any established market is in issue, reports in official publications or trade journals or in newspapers or periodicals of general circulation published as the reports of that market are admissible in evidence. The circumstances of the preparation of the report may be shown to affect its weight but not its admissibility.

B. DEFAULT BY LESSOR

Lessee's remedies.

(1) If a lessor fails to deliver the goods in conformity to the lease contract (12A:2A-509) or repudiates the lease contract (12A:2A-402), or a lessee rightfully rejects the goods (12A:2A-509) or justifiably revokes acceptance of the goods (12A:2A-517), then with respect to any goods involved, and with respect to all of the goods if under an installment lease contract the value of the whole lease contract is substantially impaired (12A:2A-510), the lessor is in default under the lease contract and the lessee may:

(a) cancel the lease contract (12A:2A-505(1));

(b) recover so much of the rent and security as has been paid and is just under the circumstances;

(c) cover and recover damages as to all goods affected whether or not they have been identified to the lease contract (sections 12A:2A-518 and 12A:2A-520), or recover damages for nondelivery (sections 12A:2A-519 and 12A:2A-520);

(d) exercise any other rights or pursue any other remedies provided in the lease contract.

(2) If a lessor fails to deliver the goods in conformity to the lease contract or repudiates the lease contract, the lessee may also:

(a) if the goods have been identified, recover them (12A:2A-522); or

(b) in a proper case, obtain specific performance or replevy the goods (12A:2A-521).

(3) If a lessor is otherwise in default under a lease contract, the lessee may exercise the rights and pursue the remedies provided in the lease contract, which may include a right to cancel the lease, and in 12A:2A-519(3).

(4) If a lessor has breached a warranty, whether express or implied, the lessee may recover damages (12A:2A-519(4)).
(5) On rightful rejection or justifiable revocation of acceptance, a lessee has a security interest in goods in the lessee's possession or control for any rent and security that has been paid and any expenses reasonably incurred in their inspection, receipt, transportation, and care and custody and may hold those goods and dispose of them in good faith and in a commercially reasonable manner, subject to 12A:2A-527(5).

(6) Subject to the provisions of 12A:2A-407, a lessee, on notifying the lessor of the lessee's intention to do so, may deduct all or any part of the damages resulting from any default under the lease contract from any part of the rent still due under the same lease contract.

Lessee's rights on improper delivery; rightful rejection.

12A:2A-509. Lessee's rights on improper delivery; rightful rejection.

(1) Subject to the provisions of 12A:2A-510 on default in installment lease contracts, if the goods or the tender or delivery fail in any respect to conform to the lease contract, the lessee may reject or accept the goods or accept any commercial unit or units and reject the rest of the goods.

(2) Rejection of goods is ineffective unless it is within a reasonable time after tender or delivery of the goods and the lessee seasonably notifies the lessor.

Installment lease contracts: rejection and default.

(1) Under an installment lease contract a lessee may reject any delivery that is nonconforming if the nonconformity substantially impairs the value of that delivery and cannot be cured or the nonconformity is a defect in the required documents; but if the nonconformity does not fall within subsection (2) and the lessor or the supplier gives adequate assurance of its cure, the lessee shall accept that delivery.

(2) Whenever nonconformity or default with respect to one or more deliveries substantially impairs the value of the installment lease contract as a whole there is a default with respect to the whole. But, the aggrieved party reinstates the installment lease contract as a whole if the aggrieved party accepts a nonconforming delivery without seasonably notifying of cancellation or brings an action with respect only to past deliveries or demands performance as to future deliveries.
Merchant lessee's duties as to rightfully rejected goods.

12A:2A-511. Merchant lessee's duties as to rightfully rejected goods.

(1) Subject to any security interest of a lessee (12A:2A-508(5)), if a lessor or a supplier has no agent or place of business at the market of rejection, a merchant lessee, after rejection of goods in the merchant lessee's possession or control, shall follow any reasonable instructions received from the lessor or the supplier with respect to the goods. In the absence of those instructions, a merchant lessee shall make reasonable efforts to sell, lease, or otherwise dispose of the goods for the lessor's account if they threaten to decline in value speedily. Instructions are not reasonable if on demand indemnity for expenses is not forthcoming.

(2) If a merchant lessee (subsection (1)) or any other lessee (12A:2A-512) disposes of goods, the lessee is entitled to reimbursement either from the lessor or the supplier or out of the proceeds for reasonable expenses of caring for and disposing of the goods and, if the expenses include no disposition commission, to such commission as is usual in the trade, or if there is none, to a reasonable sum not exceeding 10 percent of the gross proceeds.

(3) In complying with this section or 12A:2A-512, the lessee is held only to good faith. Good faith conduct hereunder is neither acceptance or conversion or the basis of an action for damages.

(4) A purchaser who purchases in good faith from a lessee pursuant to this section or 12A:2A-512 takes the goods free of any rights of the lessor and the supplier even though the lessee fails to comply with one or more of the requirements of this chapter.

Lessee's duties as to rightfully rejected goods.

12A:2A-512. Lessee's duties as to rightfully rejected goods.

(1) Except as otherwise provided with respect to goods that threaten to decline in value speedily (12A:2A-511) and subject to any security interest of a lessee (12A:2A-508(5)):

(a) the lessee, after rejection of goods in the lessee's possession, shall hold them with reasonable care at the lessor's or the supplier's disposition for a reasonable time after the lessee's reasonable notification of rejection;

(b) if the lessor or the supplier gives no instructions within a reasonable time after notification of rejection, the lessee may store the rejected goods for the lessor's or the supplier's account or ship them to the lessor or the supplier or dispose of them for
the lessor's or the supplier's account with reimbursement in the manner provided in 12A:2A-511; but
(c) the lessee has no further obligations with regard to goods rightfully rejected.
(2) Action by the lessee pursuant to subsection (1) is not acceptance or conversion.

Cure by lessor of improper tender or delivery; replacement.
12A:2A-513. Cure by lessor of improper tender or delivery; replacement.
(1) If any tender or delivery by the lessor or the supplier is rejected because nonconforming and the time for performance has not yet expired, the lessor or the supplier may seasonably notify the lessee of the lessor's or the supplier's intention to cure and may then make a conforming delivery within the time provided in the lease contract.
(2) If the lessee rejects a nonconforming tender that the lessor or the supplier had reasonable grounds to believe would be acceptable with or without money allowance, the lessor or the supplier may have a further reasonable time to substitute a conforming tender if the lessor or supplier seasonably notifies the lessee.

Waiver of lessee's objections.
(1) In rejecting goods, a lessee's failure to state a particular defect that is ascertainable by reasonable inspection precludes the lessee from relying on the defect to justify rejection or to establish default:
(a) if, stated seasonably, the lessor or the supplier could have cured it (12A:2A-513); or
(b) between merchants if the lessor or the supplier after rejection has made a request in writing for a full and final written statement of all defects on which the lessee proposes to rely.
(2) A lessee's failure to reserve rights when paying rent or other consideration against documents precludes recovery of the payment for defects apparent on the face of the documents.

Acceptance of goods.
(1) Acceptance of goods occurs after the lessee has had a reasonable opportunity to inspect the goods and
(a) the lessee signifies or acts with respect to the goods in a manner that signifies to the lessor or the supplier that the goods are conforming or that the lessee will take or retain them in spite of their nonconformity; or
(b) the lessee fails to make an effective rejection of the goods (12A:2A-509(2)).

(2) Acceptance of a part of any commercial unit is acceptance of that entire unit.

**Effect of acceptance of goods; notice of default; burden of establishing default after acceptance; notice of claim or litigation to person answerable over.**

12A:2A-516. Effect of acceptance of goods; notice of default; burden of establishing default after acceptance; notice of claim or litigation to person answerable over.

(1) A lessee shall pay rent for any goods accepted in accordance with the lease contract, with due allowance for goods rightfully rejected or not delivered.

(2) A lessee's acceptance of goods precludes rejection of the goods accepted. In the case of a finance lease, if made with knowledge of a nonconformity, acceptance cannot be revoked because of it. In any other case, if made with knowledge of a nonconformity, acceptance cannot be revoked because of it unless the acceptance was on the reasonable assumption that the nonconformity would be seasonably cured. Acceptance does not of itself impair any other remedy provided by this chapter or the lease agreement for nonconformity.

(3) If a tender has been accepted:

(a) within a reasonable time after the lessee discovers or should have discovered any default, the lessee shall notify the lessor and the supplier, if any, or be barred from any remedy against the party not notified;

(b) except in the case of a consumer lease, within a reasonable time after the lessee receives notice of litigation for infringement or the like (12A:2A-211) the lessee shall notify the lessor or be barred from any remedy over for liability established by the litigation; and

(c) the burden is on the lessee to establish any default.

(4) If a lessee is sued for breach of a warranty or other obligation for which a lessor or a supplier is answerable over the following apply:

(a) The lessee may give the lessor or the supplier, or both, written notice of the litigation. If the notice states that the person notified may come in and defend and that if the person notified does not do so that person will be bound in any action against that person by the lessee by any determination of fact common to the
two litigations, then unless the person notified after seasonable receipt of the notice does come in and defend that person is so bound.

(b) The lessor or the supplier may demand in writing that the lessee turn over control of the litigation including settlement if the claim is one for infringement or the like (12A:2A-211) or else be barred from any remedy over. If the demand states that the lessor or the supplier agrees to bear all expense and to satisfy any adverse judgment, then unless the lessee after seasonable receipt of the demand does turn over control the lessee is so barred.

(5) Subsections (3) and (4) apply to any obligation of a lessee to hold the lessor or the supplier harmless against infringement or the like (12A:2A-211).

Revocation of acceptance of goods.

(1) A lessee may revoke acceptance of a lot or commercial unit whose nonconformity substantially impairs its value to the lessee if the lessee has accepted it:

(a) except in the case of a finance lease, on the reasonable assumption that its nonconformity would be cured and it has not been seasonably cured; or

(b) without discovery of the nonconformity if the lessee's acceptance was reasonably induced either by the lessor's assurances or, except in the case of a finance lease, by the difficulty of discovery before acceptance.

(2) Except in the case of a finance lease that is not a consumer lease, a lessee may revoke acceptance of a lot or commercial unit if the lessor defaults under the lease contract and the default substantially impairs the value of that lot or commercial unit to the lessee.

(3) If the lease agreement so provides, the lessee may revoke acceptance of a lot or commercial unit because of other defaults by the lessor.

(4) Revocation of acceptance shall occur within a reasonable time after the lessee discovers or should have discovered the ground for it and before any substantial change in condition of the goods which is not caused by the nonconformity. Revocation is not effective until the lessee notifies the lessor.

(5) A lessee who so revokes has the same rights and duties with regard to the goods involved as if the lessee had rejected them.

Cover; substitute goods.

12A:2A-518. Cover; substitute goods.
(1) After a default by a lessor under the lease contract of the type described in 12A:2A-508(1), or, if agreed, after other default by the lessor, the lessee may cover by making any purchase or lease of or contract to purchase or lease goods in substitution for those due from the lessor.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (12A:2A-504) or otherwise determined pursuant to agreement of the parties (sections 12A:1-102(3) and 12A:2A-503), if a lessee's cover is by a lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessee may recover from the lessor as damages (i) the present value, as of the date of the commencement of the term of the new lease agreement, of the rent under the new lease agreement applicable to that period of the new lease term which is comparable to the then remaining term of the original lease agreement minus the present value as of the same date of the total rent for the then remaining lease term of the original lease agreement, and (ii) any incidental or consequential damages, less expenses saved in consequence of the lessor's default.

(3) If a lessee's cover is by lease agreement that for any reason does not qualify for treatment under subsection (2), or is by purchase or otherwise, the lessee may recover from the lessor as if the lessee had elected not to cover and 12A:2A-519 governs.

Lessee's damages for non-delivery, repudiation, default, and breach of warranty in regard to accepted goods.

12A:2A-519. Lessee's damages for non-delivery, repudiation, default, and breach of warranty in regard to accepted goods.

(1) Except as otherwise provided with respect to damages liquidated in the lease agreement (12A:2A-504) or otherwise determined pursuant to agreement of the parties (sections 12A:1-102(3) and 12A:2A-503), if a lessee elects not to cover or a lessee elects to cover and the cover is by lease agreement that for any reason does not qualify for treatment under 12A:2A-518(2), or is by purchase or otherwise, the measure of damages for non-delivery or repudiation by the lessor or for rejection or revocation of acceptance by the lessee is the present value, as of the date of the default, of the then market rent minus the present value as of the same date of the original rent, computed for the remaining lease term of the original lease agreement, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.
CHAPTER 114, LAWS OF 1994

(2) Market rent is to be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

(3) Except as otherwise agreed, if the lessee has accepted goods and given notification (12A:2A-516(3)), the measure of damages for non-conforming tender or delivery or other default by a lessor is the loss resulting in the ordinary course of events from the lessor's default as determined in any manner that is reasonable together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(4) Except as otherwise agreed, the measure of damages for breach of warranty is the present value at the time and place of acceptance of the difference between the value of the use of the goods accepted and the value if they had been as warranted for the lease term, unless special circumstances show proximate damages of a different amount, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default or breach of warranty.

Lessee's incidental and consequential damages.

12A:2A-520. Lessee's incidental and consequential damages.

(1) Incidental damages resulting from a lessor's default include expenses reasonably incurred in inspection, receipt, transportation, and care and custody of goods rightfully rejected or goods the acceptance of which is justifiably revoked, any commercially reasonable charges, expenses or commissions in connection with effecting cover, and any other reasonable expense incident to the default.

(2) Consequential damages resulting from a lessor's default include:

(a) any loss resulting from general or particular requirements and needs of which the lessor at the time of contracting had reason to know and which could not reasonably be prevented by cover or otherwise; and

(b) injury to person or property proximately resulting from any breach of warranty.

Lessee's right to specific performance or replevin.

12A:2A-521. Lessee's right to specific performance or replevin.

(1) Specific performance may be decreed if the goods are unique or in other proper circumstances.

(2) A decree for specific performance may include any terms and conditions as to payment of the rent, damages, or other relief that the court deems just.
(3) A lessee has a right of replevin, detinue, sequestration, claim and delivery, or the like for goods identified to the lease contract if after reasonable effort the lessee is unable to effect cover for those goods or the circumstances reasonably indicate that the effort will be unavailing.

**Lessee's right to goods on lessor's insolvency.**

12A:2A-522. Lessee's right to goods on lessor's insolvency.

(1) Subject to subsection (2) and even though the goods have not been shipped, a lessee who has paid a part or all of the rent and security for goods identified to a lease contract (12A:2A-217) on making and keeping good a tender of any unpaid portion of the rent and security due under the lease contract may recover the goods identified from the lessor if the lessor becomes insolvent within 10 days after receipt of the first installment of rent and security.

(2) A lessee acquires the right to recover goods identified to a lease contract only if they conform to the lease contract.

**C. DEFAULT BY LESSEE**

Lessor's remedies.

(1) If a lessee wrongfully rejects or revokes acceptance of goods or fails to make a payment when due or repudiates with respect to a part or the whole, then, with respect to any goods involved, and with respect to all of the goods if under an installment lease contract the value of the whole lease contract is substantially impaired (12A:2A-510), the lessee is in default under the lease contract and the lessor may:

(a) cancel the lease contract (12A:2A-505(1));

(b) proceed respecting goods not identified to the lease contract (12A:2A-524);

(c) withhold delivery of the goods and take possession of goods previously delivered (12A:2A-525);

(d) stop delivery of the goods by any bailee (12A:2A-526);

(e) dispose of the goods and recover damages (12A:2A-527), or retain the goods and recover damages (12A:2A-528), or in a proper case recover rent (12A:2A-529);

(f) exercise any other rights or pursue any other remedies provided in the lease contract.

(2) If a lessor does not fully exercise a right or obtain a remedy to which the lessor is entitled under subsection (1), the lessor may recover the loss resulting in the ordinary course of events from
the lessee's default as determined in any reasonable manner, together with incidental damages, less expenses saved in consequence of the lessee's default.

(3) If a lessee is otherwise in default under a lease contract, the lessor may exercise the rights and pursue the remedies provided in the lease contract, which may include a right to cancel the lease. In addition, unless otherwise provided in the lease contract:

(a) if the default substantially impairs the value of the lease contract to the lessor, the lessor may exercise the rights and pursue the remedies provided in subsections (1) or (2); or

(b) if the default does not substantially impair the value of the lease contract to the lessor, the lessor may recover as provided in subsection (2).

Lessor's right to identify goods to lease contract.

12A:2A-524. Lessor's right to identify goods to lease contract.

(1) After default by the lessee under the lease contract of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a) or, if agreed, after other default by the lessee, the lessor may:

(a) identify to the lease contract conforming goods not already identified if at the time the lessor learned of the default they were in the lessor's or the supplier's possession or control; and

(b) dispose of goods (12A:2A-527(1)) that demonstrably have been intended for the particular lease contract even though those goods are unfinished.

(2) If the goods are unfinished, in the exercise of reasonable commercial judgment for the purposes of avoiding loss and of effective realization, an aggrieved lessor or the supplier may either complete manufacture and wholly identify the goods to the lease contract or cease manufacture and lease, sell, or otherwise dispose of the goods for scrap or salvage value or proceed in any other reasonable manner.

Lessor's right to possession of goods.

12A:2A-525. Lessor's right to possession of goods.

(1) If a lessor discovers the lessee to be insolvent, the lessor may refuse to deliver the goods.

(2) After a default by the lessee under the lease contract of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a) or, if agreed, after other default by the lessee, the lessor has the right to take possession of the goods. If the lease contract so provides, the lessor may require the lessee to assemble the goods and make them available to the lessor at a place to be designated by the les-
or which is reasonably convenient to both parties. Without removal, the lessor may render unusable any goods employed in trade or business, and may dispose of goods on the lessee's premises (12A:2A-527).

(3) The lessor may proceed under subsection (2) without judicial process if it can be done without breach of the peace or the lessor may proceed by action.

Lessor's stoppage of delivery in transit or otherwise.

12A:2A-526. Lessor's stoppage of delivery in transit or otherwise.

(1) A lessor may stop delivery of goods in the possession of a carrier or other bailee if the lessor discovers the lessee to be insolvent and may stop delivery of carload, truckload, planeload, or larger shipments of express or freight if the lessee repudiates or fails to make a payment due before delivery, whether for rent, security or otherwise under the lease contract, or for any other reason the lessor has a right to withhold or take possession of the goods.

(2) In pursuing its remedies under subsection (1), the lessor may stop delivery until

(a) receipt of the goods by the lessee;
(b) acknowledgment to the lessee by any bailee of the goods, except a carrier, that the bailee holds the goods for the lessee; or
(c) such an acknowledgment to the lessee by a carrier via reshipment or as warehouseman.

(3)(a) To stop delivery, a lessor shall so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.
(b) After notification, the bailee shall hold and deliver the goods according to the directions of the lessor, but the lessor is liable to the bailee for any ensuing charges or damages.
(c) A carrier who has issued a nonnegotiable bill of lading is not obliged to obey a notification to stop received from a person other than the consignor.

Lessor's rights to dispose of goods.

12A:2A-527. Lessor's rights to dispose of goods.

(1) After a default by a lessee under the lease contract of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a) or after the lessor refuses to deliver or takes possession of goods (12A:2A-525 or 12A:2A-526), or, if agreed, after other default by a lessee, the lessor may dispose of the goods concerned or the undelivered balance thereof by lease, sale or otherwise.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (12A:2A-504) or otherwise
determined pursuant to agreement of the parties (sections 12A:1-102(3) and 12A:2A-503), if the disposition is by lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessor may recover from the lessee as damages (i) accrued and unpaid rent as of the date of the commencement of the term of the new lease agreement, (ii) the present value, as of the same date, of the total rent for the then remaining lease term of the original lease agreement minus the present value, as of the same date, of the rent under the new lease agreement applicable to that period of the new lease term which is comparable to the then remaining term of the original lease agreement, and (iii) any incidental damages allowed under 12A:2A-530, less expenses saved in consequence of the lessee's default.

(3) If the lessor's disposition is by lease agreement that for any reason does not qualify for treatment under subsection (2), or is by sale or otherwise, the lessor may recover from the lessee as if the lessor had elected not to dispose of the goods and 12A:2A-528 governs.

(4) A subsequent buyer or lessee who buys or leases from the lessor in good faith for value as a result of a disposition under this section takes the goods free of the original lease contract and any rights of the original lessee even though the lessor fails to comply with one or more of the requirements of this chapter.

(5) The lessor is not accountable to the lessee for any profit made on any disposition. A lessee who has rightfully rejected or justifiably revoked acceptance shall account to the lessor for any excess over the amount of the lessee's security interest (12A:2A-508(5)).

Lessor's damages for nonacceptance, failure to pay, repudiation, or other default.

12A:2A-528. Lessor's damages for nonacceptance, failure to pay, repudiation, or other default.

(1) Except as otherwise provided with respect to damages liquidated in the lease agreement (12A:2A-504) or otherwise determined pursuant to agreement of the parties (sections 12A:1-102(3) and 12A:2A-503), if a lessor elects to retain the goods or a lessor elects to dispose of the goods and the disposition is by lease agreement that for any reason does not qualify for treatment under 12A:2A-527(2), or is by sale or otherwise, the lessor may recover from the lessee as damages for a default of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a), or, if agreed, for other default of the lessee, (i) accrued and unpaid rent as of the date of
default if the lessee has never taken possession of the goods, or, if the lessee has taken possession of the goods, as of the date the lessee repossesses the goods or an earlier date on which the lessee makes a tender of the goods to the lessor, (ii) the present value as of the date determined under clause (i) of the total rent for the then remaining lease term of the original lease agreement minus the present value as of the same date of the market rent at the place where the goods are located computed for the same lease term, and (iii) any incidental damages allowed under 12A:2A-530, less expenses saved in consequence of the lessee's default.

(2) If the measure of damages provided in subsection (1) is inadequate to put a lessor in as good a position as performance would have, the measure of damages is the present value of the profit, including reasonable overhead, the lessor would have made from full performance by the lessee, together with any incidental damages allowed under 12A:2A-530, due allowance for costs reasonably incurred and due credit for payments or proceeds of disposition.

Lessor's action for the rent.

12A:2A-529. Lessor's action for the rent.

(1) After default by the lessee under the lease contract of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a) or, if agreed, after other default by the lessee, if the lessor complies with subsection (2), the lessor may recover from the lessee as damages:

(a) for goods accepted by the lessee and not repossessed by or tendered to the lessor, and for conforming goods lost or damaged within a commercially reasonable time after risk of loss passes to the lessee (12A:2A-219), (i) accrued and unpaid rent as of the date of entry of judgment in favor of the lessor, (ii) the present value as of the same date of the rent for the then remaining lease term of the lease agreement, and (iii) any incidental damages allowed under 12A:2A-530, less expenses saved in consequence of the lessee's default; and

(b) for goods identified to the lease contract if the lessor is unable after reasonable effort to dispose of them at a reasonable price or the circumstances reasonably indicate that effort will be unavailing, (i) accrued and unpaid rent as of the date of entry of judgment in favor of the lessor, (ii) the present value as of the same date of the rent for the then remaining lease term of the lease agreement, and (iii) any incidental damages allowed under 12A:2A-530, less expenses saved in consequence of the lessee's default.
(2) Except as provided in subsection (3), the lessor shall hold for the lessee for the remaining lease term of the lease agreement any goods that have been identified to the lease contract and are in the lessor's control.

(3) The lessor may dispose of the goods at any time before collection of the judgment for damages obtained pursuant to subsection (1). If the disposition is before the end of the remaining lease term of the lease agreement, the lessor's recovery against the lessee for damages is governed by 12A:2A-527 or 12A:2A-528, and the lessor will cause an appropriate credit to be provided against a judgment for damages to the extent that the amount of the judgment exceeds the recovery available pursuant to 12A:2A-527 or 12A:2A-528.

(4) Payment of the judgment for damages obtained pursuant to subsection (1) entitles the lessee to the use and possession of the goods not then disposed of for the remaining lease term of and in accordance with the lease agreement.

(5) After default by the lessee under the lease contract of the type described in 12A:2A-523(1) or 12A:2A-523(3)(a) or, if agreed, after other default by the lessee, a lessor who is held not entitled to rent under this section must nevertheless be awarded damages for nonacceptance under 12A:2A-527 or 12A:2A-528.

Lessor's incidental damages.

Incidental damages to an aggrieved lessor include any commercially reasonable charges, expenses, or commissions incurred in stopping delivery, in the transportation, care and custody of goods after the lessee's default, in connection with return or disposition of the goods, or otherwise resulting from the default.

Standing to sue third parties for injury to goods.

12A:2A-531. Standing to sue third parties for injury to goods.

(1) If a third party so deals with goods that have been identified to a lease contract as to cause actionable injury to a party to the lease contract (a) the lessor has a right of action against the third party, and (b) the lessee also has a right of action against the third party if the lessee:

(i) has a security interest in the goods;
(ii) has an insurable interest in the goods; or
(iii) bears the risk of loss under the lease contract or has since the injury assumed that risk as against the lessor and the goods have been converted or destroyed.
(2) If at the time of the injury the party plaintiff did not bear the risk of loss as against the other party to the lease contract and there is no arrangement between them for disposition of the recovery, the suit or settlement of the party plaintiff, subject to the party plaintiff's own interest, is as a fiduciary for the other party to the lease contract.

(3) Either party with the consent of the other may sue for the benefit of whom it may concern.

Lessor's rights to residual interest.

12A:2A-532. Lessor's rights to residual interest.

In addition to any other recovery permitted by this chapter or other law, the lessor may recover from the lessee an amount that will fully compensate the lessor for any loss of or damage to the lessor's residual interest in the goods caused by the default of the lessee.

SUBCHAPTER 1. SUBJECT MATTER AND DEFINITIONS

Short title.

This chapter shall be known and may be cited as the "Uniform Commercial Code--Funds Transfers."

Subject matter.

Except as otherwise provided in section 12A:4A-108, this chapter applies to funds transfers defined in section 12A:4A-104.

Payment order - definitions.

(1) In this chapter:
(a) "Payment order" means an instruction of a sender to a receiving bank, transmitted orally, electronically, or in writing, to pay, or to cause another bank to pay, a fixed or determinable amount of money to a beneficiary if:
(i) the instruction does not state a condition to payment to the beneficiary other than time of payment,
(ii) the receiving bank is to be reimbursed by debiting an account of, or otherwise receiving payment from, the sender, and
(iii) the instruction is transmitted by the sender directly to the receiving bank or to an agent, funds-transfer system, or communication system for transmittal to the receiving bank.
(b) "Beneficiary" means the person to be paid by the beneficiary's bank.
(c) "Beneficiary's bank" means the bank identified in a payment order in which an account of the beneficiary is to be credited pursuant to the order or which otherwise is to make payment to the beneficiary if the order does not provide for payment to an account.
(d) "Receiving bank" means the bank to which the sender's instruction is addressed.
(e) "Sender" means the person giving the instruction to the receiving bank.
(2) If an instruction complying with subsection (1)(a) is to make more than one payment to a beneficiary, the instruction is a separate payment order with respect to each payment.
(3) A payment order is issued when it is sent to the receiving bank.
CHAPTER 114, LAWS OF 1994

Funds transfer - definitions.

12A:4A-104. Funds transfer - definitions.

In this chapter:

(1) "Funds transfer" means the series of transactions, beginning with the originator's payment order, made for the purpose of making payment to the beneficiary of the order. The term includes any payment order issued by the originator's bank or an intermediary bank intended to carry out the originator's payment order. A funds transfer is completed by acceptance by the beneficiary's bank of a payment order for the benefit of the beneficiary of the originator's payment order.

(2) "Intermediary bank" means a receiving bank other than the originator's bank or the beneficiary's bank.

(3) "Originator" means the sender of the first payment order in a funds transfer.

(4) "Originator's bank" means (i) the receiving bank to which the payment order of the originator is issued if the originator is not a bank, or (ii) the originator if the originator is a bank.

Other definitions.

12A:4A-105. Other definitions.

(1) In this chapter:

(a) "Authorized account" means a deposit account of a customer in a bank designated by the customer as a source of payment of payment orders issued by the customer to the bank. If a customer does not so designate an account, any account of the customer is an authorized account if payment of a payment order from that account is not inconsistent with a restriction on the use of that account.

(b) "Bank" means a person engaged in the business of banking and includes a savings bank, savings and loan association, credit union, and trust company. A branch or separate office of a bank is a separate bank for purposes of this chapter.

(c) "Customer" means a person, including a bank, having an account with a bank or from whom a bank has agreed to receive payment orders.

(d) "Funds-transfer business day" of a receiving bank means the part of a day during which the receiving bank is open for the receipt, processing, and transmittal of payment orders and cancellations and amendments of payment orders.

(e) "Funds-transfer system" means a wire transfer network, automated clearing house, or other communication system of a clearing house or other association of banks through which a pay-
ment order by a bank may be transmitted to the bank to which the order is addressed.

(f) "Good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing.

(g) "Prove" with respect to a fact means to meet the burden of establishing the fact (section 12A:1-201(8)).

(4) In addition, chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter.

Time payment order is received.

12A:4A-106. Time payment order is received.

(1) The time of receipt of a payment order or communication cancelling or amending a payment order is determined by the rules applicable to receipt of a notice stated in section 12A:1-
CHAPTER 114, LAWS OF 1994

201(27). A receiving bank may fix a cut-off time or times on a funds-transfer business day for the receipt and processing of payment orders and communications cancelling or amending payment orders. Different cut-off times may apply to payment orders, cancellations, or amendments, or to different categories of payment orders, cancellations, or amendments. A cut-off time may apply to senders generally or different cut-off times may apply to different senders or categories of payment orders. If a payment order or communication cancelling or amending a payment order is received after the close of a funds-transfer business day or after the appropriate cut-off time on a funds-transfer business day, the receiving bank may treat the payment order or communication as received at the opening of the next funds-transfer business day.

(2) If this chapter refers to an execution date or payment date or states a day on which a receiving bank is required to take action, and the date or day does not fall on a funds-transfer business day, the next day that is a funds-transfer business day is treated as the date or day stated, unless the contrary is stated in this chapter.

Federal Reserve regulations and operating circulars.

12A:4A-107. Federal Reserve regulations and operating circulars. Regulations of the Board of Governors of the Federal Reserve System and operating circulars of the Federal Reserve Banks supersede any inconsistent provision of this chapter to the extent of the inconsistency.

Exclusion of consumer transactions governed by federal law.

12A:4A-108. Exclusion of consumer transactions governed by federal law. This chapter does not apply to a funds transfer any part of which is governed by the Electronic Fund Transfer Act of 1978 (Title XX, Pub. Law 95-630, 92 Stat. 3728, 15 U.S.C. §1693 et seq.) as amended from time to time.

SUBCHAPTER 2. ISSUE AND ACCEPTANCE OF PAYMENT ORDER

Security procedure.

12A:4A-201. Security procedure. "Security procedure" means a procedure established by agreement of a customer and a receiving bank for the purpose of (i) verifying that a payment order or communication amending or cancelling a payment order is that of the customer, or (ii) detecting error in the
transmission or the content of the payment order or communication. A security procedure may require the use of algorithms or other codes, identifying words or numbers, encryption, callback procedures, or similar security devices. Comparison of a signature on a payment order or communication with an authorized specimen signature of the customer is not by itself a security procedure.

Authorized and verified payment orders.

(1) A payment order received by the receiving bank is the authorized order of the person identified as sender if that person authorized the order or is otherwise bound by it under the law of agency.

(2) If a bank and its customer have agreed that the authenticity of payment orders issued to the bank in the name of the customer as sender will be verified pursuant to a security procedure, a payment order received by the receiving bank is effective as the order of the customer, whether or not authorized, if (i) the security procedure is a commercially reasonable method of providing security against unauthorized payment orders, and (ii) the bank proves that it accepted the payment order in good faith and in compliance with the security procedure and any written agreement or instruction of the customer restricting acceptance of payment orders issued in the name of the customer. The bank is not required to follow an instruction that violates a written agreement with the customer or notice of which is not received at a time and in a manner affording the bank a reasonable opportunity to act on it before the payment order is accepted.

(3) Commercial reasonableness of a security procedure is a question of law to be determined by considering the wishes of the customer expressed to the bank, the circumstances of the customer known to the bank, including the size, type, and frequency of payment orders normally issued by the customer to the bank, alternative security procedures offered to the customer, and security procedures in general use by customers and receiving banks similarly situated. A security procedure is deemed to be commercially reasonable if (i) the security procedure was chosen by the customer after the bank offered, and the customer refused, a security procedure that was commercially reasonable for that customer, and (ii) the customer expressly agreed in writing to be bound by any payment order, whether or not authorized, issued in its name and accepted by the bank in compliance with the security procedure chosen by the customer.
(4) The term "sender" in this chapter includes the customer in whose name a payment order is issued if the order is the authorized order of the customer under subsection (1), or it is effective as the order of the customer under subsection (2).

(5) This section applies to amendments and cancellations of payment orders to the same extent it applies to payment orders.

(6) Except as provided in this section and in section 12A:4A-203(1)(a), rights and obligations arising under this section or section 12A:4A-203 may not be varied by agreement.

Unenforceability of certain verified payment orders.

12A:4A-203. Unenforceability of certain verified payment orders.

(1) If an accepted payment order is not, under section 12A:4A-202(1), an authorized order of a customer identified as sender, but is effective as an order of the customer pursuant to section 12A:4A-202(2), the following rules apply:

(a) By express written agreement, the receiving bank may limit the extent to which it is entitled to enforce or retain payment of the payment order.

(b) The receiving bank is not entitled to enforce or retain payment of the payment order if the customer proves that the order was not caused, directly or indirectly, by a person (i) entrusted at any time with duties to act for the customer with respect to payment orders or the security procedure, or (ii) who obtained access to transmitting facilities of the customer or who obtained, from a source controlled by the customer and without authority of the receiving bank, information facilitating breach of the security procedure, regardless of how the information was obtained or whether the customer was at fault. Information includes any access device, computer software, or the like.

(2) This section applies to amendments of payment orders to the same extent it applies to payment orders.

Refund of payment and duty of customer to report with respect to unauthorized payment order.

12A:4A-204. Refund of payment and duty of customer to report with respect to unauthorized payment order.

(1) If a receiving bank accepts a payment order issued in the name of its customer as sender which is (i) not authorized and not effective as the order of the customer under section 12A:4A-202, or (ii) not enforceable, in whole or in part, against the customer under section 12A:4A-203, the bank shall refund any payment of the payment order received from the customer to the extent the
bank is not entitled to enforce payment and shall pay interest on
the refundable amount calculated from the date the bank received
payment to the date of the refund. However, the customer is not
entitled to interest from the bank on the amount to be refunded if
the customer fails to exercise ordinary care to determine that the
order was not authorized by the customer and to notify the bank
of the relevant facts within a reasonable time not exceeding 90
days after the date the customer received notification from the
bank that the order was accepted or that the customer’s account
was debited with respect to the order. The bank is not entitled to
any recovery from the customer on account of a failure by the
customer to give notification as stated in this section.

(2) Reasonable time under subsection (1) may be fixed by
agreement as stated in section 12A:1-204(1), but the obligation of
a receiving bank to refund payment as stated in subsection (1)
may not otherwise be varied by agreement.

Erroneous payment orders.

12A:4A-205. Erroneous payment orders.

(1) If an accepted payment order was transmitted pursuant to a
security procedure for the detection of error and the payment
order (i) erroneously instructed payment to a beneficiary not
intended by the sender, (ii) erroneously instructed payment in an
amount greater than the amount intended by the sender, or (iii)
was an erroneously transmitted duplicate of a payment order pre­
viously sent by the sender, the following rules apply:

(a) If the sender proves that the sender or a person acting on
behalf of the sender pursuant to section 12A:4A-206 complied with
the security procedure and that the error would have been detected
if the receiving bank had also complied, the sender is not obliged
to pay the order to the extent stated in paragraphs (b) and (c).

(b) If the funds transfer is completed on the basis of an erro­
oneous payment order described in clause (i) or (iii) of subsection
(1), the sender is not obliged to pay the order and the receiving
bank is entitled to recover from the beneficiary any amount paid
to the beneficiary to the extent allowed by the law governing mis­
take and restitution.

(c) If the funds transfer is completed on the basis of a payment
order described in clause (ii) of subsection (1), the sender is not
obliged to pay the order to the extent the amount received by the
beneficiary is greater than the amount intended by the sender. In
that case, the receiving bank is entitled to recover from the bene-
ficiary the excess amount received to the extent allowed by the law governing mistake and restitution.

(2) If (i) the sender of an erroneous payment order described in subsection (1) is not obliged to pay all or part of the order, and (ii) the sender receives notification from the receiving bank that the order was accepted by the bank or that the sender’s account was debited with respect to the order, the sender has a duty to exercise ordinary care, on the basis of information available to the sender, to discover the error with respect to the order and to advise the bank of the relevant facts within a reasonable time, not exceeding 90 days, after the bank’s notification was received by the sender. If the bank proves that the sender failed to perform that duty, the sender is liable to the bank for the loss the bank proves it incurred as a result of the failure, but the liability of the sender may not exceed the amount of the sender’s order.

(3) This section applies to amendments to payment orders to the same extent it applies to payment orders.

Transmission of payment order through funds-transfer or other communication system.

12A:4A-206. Transmission of payment order through funds-transfer or other communication system.

(1) If a payment order addressed to a receiving bank is transmitted to a funds-transfer system or other third-party communication system for transmittal to the bank, the system is deemed to be an agent of the sender for the purpose of transmitting the payment order to the bank. If there is a discrepancy between the terms of the payment order transmitted to the system and the terms of the payment order transmitted by the system to the bank, the terms of the payment order of the sender are those transmitted by the system. This section does not apply to a funds-transfer system of the Federal Reserve Banks.

(2) This section applies to cancellations and amendments of payment orders to the same extent it applies to payment orders.

Misdescription of beneficiary.

(1) Subject to subsection (2), if, in a payment order received by the beneficiary’s bank, the name, bank account number, or other identification of the beneficiary refers to a nonexistent or unidentifiable person or account, no person has rights as a beneficiary of the order and acceptance of the order cannot occur.
(2) If a payment order received by the beneficiary's bank identifies the beneficiary both by name and by an identifying or bank account number and the name and number identify different persons, the following rules apply:

(a) Except as otherwise provided in subsection (3), if the beneficiary's bank does not know that the name and number refer to different persons, it may rely on the number as the proper identification of the beneficiary of the order. The beneficiary's bank need not determine whether the name and number refer to the same person.

(b) If the beneficiary's bank pays the person identified by name or knows that the name and number identify different persons, no person has rights as beneficiary except the person paid by the beneficiary's bank if that person was entitled to receive payment from the originator of the funds transfer. If no person has rights as beneficiary, acceptance of the order cannot occur.

(3) If (i) a payment order described in subsection (2) is accepted, (ii) the originator's payment order described the beneficiary inconsistently by name and number, and (iii) the beneficiary's bank pays the person identified by number as permitted by subsection (2)(a), the following rules apply:

(a) If the originator is a bank, the originator is obliged to pay its order.

(b) If the originator is not a bank and proves that the person identified by number was not entitled to receive payment from the originator, the originator is not obliged to pay its order unless the originator's bank proves that the originator, before acceptance of the originator's order, had notice that payment of a payment order issued by the originator might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary. Proof of notice may be made by any admissible evidence. The originator's bank satisfies the burden of proof if it proves that the originator, before the payment order was accepted, signed a writing stating the information to which the notice relates.

(4) In a case governed by subsection (2)(a), if the beneficiary's bank rightfully pays the person identified by number and that person was not entitled to receive payment from the originator, the amount paid may be recovered from that person to the extent allowed by the law governing mistake and restitution as follows:

(a) If the originator is obliged to pay its payment order as stated in subsection (3), the originator has the right to recover.
(b) If the originator is not a bank and is not obliged to pay its payment order, the originator's bank has the right to recover.

**Misdescription of intermediary bank or beneficiary's bank.**

12A:4A-208. Misdescription of intermediary bank or beneficiary's bank.

(1) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank only by an identifying number.

(a) The receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank and need not determine whether the number identifies a bank.

(b) The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(2) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank both by name and an identifying number if the name and number identify different persons.

(a) If the sender is a bank, the receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank if the receiving bank, when it executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person or whether the number refers to a bank. The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(b) If the sender is not a bank and the receiving bank proves that the sender, before the payment order was accepted, had notice that the receiving bank might rely on the number as the proper identification of the intermediary or beneficiary's bank even if it identifies a person different from the bank identified by name, the rights and obligations of the sender and the receiving bank are governed by subsection (2)(a), as though the sender were a bank. Proof of notice may be made by any admissible evidence. The receiving bank satisfies the burden of proof if it proves that the sender, before the payment order was accepted, signed a writing stating the information to which the notice relates.

(c) Regardless of whether the sender is a bank, the receiving bank may rely on the name as the proper identification of the intermediary or beneficiary's bank if the receiving bank, at the time it
executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person.

(d) If the receiving bank knows that the name and number identify different persons, reliance on either the name or the number in executing the sender's payment order is a breach of the obligation stated in section 12A:4A-302(1)(a).

Acceptance of payment order.

12A:4A-209. Acceptance of payment order.

(1) Subject to subsection (4), a receiving bank other than the beneficiary's bank accepts a payment order when it executes the order.

(2) Subject to subsections (3) and (4), a beneficiary's bank accepts a payment order at the earliest of the following times:

(a) when the bank (i) pays the beneficiary as stated in section 12A:4A-405(1) or 12A:4A-405(2), or (ii) notifies the beneficiary of receipt of the order or that the account of the beneficiary has been credited with respect to the order unless the notice indicates that the bank is rejecting the order or that funds with respect to the order may not be withdrawn or used until receipt of payment from the sender of the order;

(b) when the bank receives payment of the entire amount of the sender's order pursuant to section 12A:4A-403(1)(a) or 12A:4A-403(1)(b); or

(c) the opening of the next funds-transfer business day of the bank following the payment date of the order if, at that time, the amount of the sender's order is fully covered by a withdrawable credit balance in an authorized account of the sender or the bank has otherwise received full payment from the sender, unless the order was rejected before that time or is rejected within (i) one hour after that time, or (ii) one hour after the opening of the next business day of the sender following the payment date if that time is later. If notice of rejection is received by the sender after the payment date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the payment date to the day the sender receives notice or learns that the order was not accepted, counting that day as an elapsed day. If the withdrawable credit balance during that period falls below the amount of the order, the amount of interest payable is reduced accordingly.

(3) Acceptance of a payment order cannot occur before the order is received by the receiving bank. Acceptance does not
occur under subsection (2)(b) or (2)(c) if the beneficiary of the payment order does not have an account with the receiving bank, the account has been closed, or the receiving bank is not permitted by law to receive credits for the beneficiary’s account.

(4) A payment order issued to the originator’s bank cannot be accepted until the payment date if the bank is the beneficiary’s bank, or the execution date if the bank is not the beneficiary’s bank. If the originator’s bank executes the originator’s payment order before the execution date or pays the beneficiary of the originator’s payment order before the payment date and the payment order is subsequently canceled pursuant to section 12A:4A-211(2), the bank may recover from the beneficiary any payment received to the extent allowed by the law governing mistake and restitution.

Rejection of payment order.

(1) A payment order is rejected by the receiving bank by a notice of rejection transmitted to the sender orally, electronically, or in writing. A notice of rejection need not use any particular words and is sufficient if it indicates that the receiving bank is rejecting the order or will not execute or pay the order. Rejection is effective when the notice is given if transmission is by a means that is reasonable in the circumstances. If notice of rejection is given by a means that is not reasonable, rejection is effective when the notice is received. If an agreement of the sender and receiving bank establishes the means to be used to reject a payment order, (i) any means complying with the agreement is reasonable and (ii) any means not complying is not reasonable unless no significant delay in receipt of the notice resulted from the use of the noncomplying means.

(2) This subsection applies if a receiving bank other than the beneficiary’s bank fails to execute a payment order despite the existence on the execution date of a withdrawable credit balance in an authorized account of the sender sufficient to cover the order. If the sender does not receive notice of rejection of the order on the execution date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the execution date to the earlier of the day the order is canceled pursuant to section 12A:4A-211(4) or the day the sender receives notice or learns that the order was not executed, counting the final day of the period as an elapsed day. If the withdrawable credit balance during
that period falls below the amount of the order, the amount of interest is reduced accordingly.

(3) If a receiving bank suspends payments, all unaccepted payment orders issued to it are deemed rejected at the time the bank suspends payments.

(4) Acceptance of a payment order precludes a later rejection of the order. Rejection of a payment order precludes a later acceptance of the order.

Cancellation and amendment of payment order.

12A:4A-211. Cancellation and amendment of payment order.

(1) A communication of the sender of a payment order canceling or amending the order may be transmitted to the receiving bank orally, electronically, or in writing. If a security procedure is in effect between the sender and the receiving bank, the communication is not effective to cancel or amend the order unless the communication is verified pursuant to the security procedure or the bank agrees to the cancellation or amendment.

(2) Subject to subsection (1), a communication by the sender cancelling or amending a payment order is effective to cancel or amend the order if notice of the communication is received at a time and in a manner affording the receiving bank a reasonable opportunity to act on the communication before the bank accepts the payment order.

(3) After a payment order has been accepted, cancellation or amendment of the order is not effective unless the receiving bank agrees or a funds-transfer system rule allows cancellation or amendment without agreement of the bank.

(a) With respect to a payment order accepted by a receiving bank other than the beneficiary’s bank, cancellation or amendment is not effective unless a conforming cancellation or amendment of the payment order issued by the receiving bank is also made.

(b) With respect to a payment order accepted by the beneficiary’s bank, cancellation or amendment is not effective unless the order was issued in execution of an unauthorized payment order, or because of a mistake by a sender in the funds transfer which resulted in the issuance of a payment order (i) that is a duplicate of a payment order previously issued by the sender, (ii) that orders payment to a beneficiary not entitled to receive payment from the originator, or (iii) that orders payment in an amount greater than the amount the beneficiary was entitled to receive from the originator. If the payment order is canceled or amended,
the beneficiary's bank is entitled to recover from the beneficiary any amount paid to the beneficiary to the extent allowed by the law governing mistake and restitution.

(4) An unaccepted payment order is canceled by operation of law at the close of the fifth funds-transfer business day of the receiving bank after the execution date or payment date of the order.

(5) A canceled payment order cannot be accepted. If an accepted payment order is canceled, the acceptance is nullified and no person has any right or obligation based on the acceptance. Amendment of a payment order is deemed to be cancellation of the original order at the time of amendment and issue of a new payment order in the amended form at the same time.

(6) Unless otherwise provided in an agreement of the parties or in a funds-transfer system rule, if the receiving bank, after accepting a payment order, agrees to cancellation or amendment of the order by the sender or is bound by a funds-transfer system rule allowing cancellation or amendment without the bank's agreement, the sender, whether or not cancellation or amendment is effective, is liable to the bank for any loss and expenses, including reasonable attorney's fees, incurred by the bank as a result of the cancellation or amendment or attempted cancellation or amendment.

(7) A payment order is not revoked by the death or legal incapacity of the sender unless the receiving bank knows of the death or of an adjudication of incapacity by a court of competent jurisdiction and has reasonable opportunity to act before acceptance of the order.

(8) A funds-transfer system rule is not effective to the extent it conflicts with subsection (3)(b).

Liability and duty of receiving bank regarding unaccepted payment order.

12A:4A-212. Liability and duty of receiving bank regarding unaccepted payment order.

If a receiving bank fails to accept a payment order that it is obliged by express agreement to accept, the bank is liable for breach of the agreement to the extent provided in the agreement or in this chapter, but does not otherwise have any duty to accept a payment order or, before acceptance, to take any action, or refrain from taking action, with respect to the order except as provided in this chapter or by express agreement. Liability based on acceptance arises only when acceptance occurs as stated in section 12A:4A-209, and liability is limited to that provided in this chapter. A receiving bank is not the agent of the sender or beneficiary of the payment order it accepts, or of any other party to the funds
transfer, and the bank owes no duty to any party to the funds transfer except as provided in this chapter or by express agreement.

**SUBCHAPTER 3. EXECUTION OF SENDER'S PAYMENT ORDER BY RECEIVING BANK**

**Execution and execution date.**

12A:4A-301. Execution and execution date.

(1) A payment order is “executed” by the receiving bank when it issues a payment order intended to carry out the payment order received by the bank. A payment order received by the beneficiary’s bank can be accepted but cannot be executed.

(2) “Execution date” of a payment order means the day on which the receiving bank may properly issue a payment order in execution of the sender’s order. The execution date may be determined by instruction of the sender but cannot be earlier than the day the order is received and, unless otherwise determined, is the day the order is received. If the sender’s instruction states a payment date, the execution date is the payment date or an earlier date on which execution is reasonably necessary to allow payment to the beneficiary on the payment date.

**Obligations of receiving bank in execution of payment order.**

(1) Except as provided in subsections (2) through (4), if the receiving bank accepts a payment order pursuant to section 12A:4A-209(1), the bank has the following obligations in executing the order:

(a) The receiving bank is obliged to issue, on the execution date, a payment order complying with the sender’s order and to follow the sender’s instructions concerning (i) any intermediary bank or funds-transfer system to be used in carrying out the funds transfer, or (ii) the means by which payment orders are to be transmitted in the funds transfer. If the originator’s bank issues a payment order to an intermediary bank, the originator’s bank is obliged to instruct the intermediary bank according to the instruction of the originator. An intermediary bank in the funds transfer is similarly bound by an instruction given to it by the sender of the payment order it accepts.

(b) If the sender’s instruction states that the funds transfer is to be carried out telephonically or by wire transfer or otherwise indicates that the funds transfer is to be carried out by the most expeditious means, the receiving bank is obliged to transmit its
payment order by the most expeditious available means, and to
instruct any intermediary bank accordingly. If a sender's instruc-
tion states a payment date, the receiving bank is obliged to
transmit its payment order at a time and by means reasonably nec-
essary to allow payment to the beneficiary on the payment date or
as soon thereafter as is feasible.

(2) Unless otherwise instructed, a receiving bank executing a
payment order may (i) use any funds-transfer system if use of that
system is reasonable in the circumstances, and (ii) issue a pay-
ment order to the beneficiary's bank or to an intermediary bank
through which a payment order conforming to the sender's order
can expeditiously be issued to the beneficiary's bank if the
receiving bank exercises ordinary care in the selection of the
intermediary bank. A receiving bank is not required to follow an
instruction of the sender designating a funds-transfer system to be
used in carrying out the funds transfer if the receiving bank, in
good faith, determines that it is not feasible to follow the instruc-
tion or that following the instruction would unduly delay
completion of the funds transfer.

(3) Unless subsection (1)(b) applies or the receiving bank is
otherwise instructed, the bank may execute a payment order by
transmitting its payment order by first class mail or by any means
reasonable in the circumstances. If the receiving bank is
instructed to execute the sender's order by transmitting its pay-
ment order by a particular means, the receiving bank may issue
its payment order by the means stated or by any means as expedi-
tious as the means stated.

(4) Unless instructed by the sender, (i) the receiving bank may not
obtain payment of its charges for services and expenses in connec-
tion with the execution of the sender's order by issuing a payment
order in an amount equal to the amount of the sender's order less the
amount of the charges, and (ii) may not instruct a subsequent receiv-
ing bank to obtain payment of its charges in the same manner.

Erroneous execution of payment order.

(1) A receiving bank that (i) executes the payment order of the
sender by issuing a payment order in an amount greater than the
amount of the sender's order, or (ii) issues a payment order in
execution of the sender's order and then issues a duplicate order,
is entitled to payment of the amount of the sender's order under
section 12A:4A-402(3) if that subsection is otherwise satisfied.
The bank is entitled to recover from the beneficiary of the erroneous order the excess payment received to the extent allowed by the law governing mistake and restitution.

(2) A receiving bank that executes the payment order of the sender by issuing a payment order in an amount less than the amount of the sender's order is entitled to payment of the amount of the sender's order under section 12A:4A-402(3) if (i) that subsection is otherwise satisfied and (ii) the bank corrects its mistake by issuing an additional payment order for the benefit of the beneficiary of the sender's order. If the error is not corrected, the issuer of the erroneous order is entitled to receive or retain payment from the sender of the order it accepted only to the extent of the amount of the erroneous order. This subsection does not apply if the receiving bank executes the sender's payment order by issuing a payment order in an amount less than the amount of the sender's order for the purpose of obtaining payment of its charges for services and expenses pursuant to instruction of the sender.

(3) If a receiving bank executes the payment order of the sender by issuing a payment order to a beneficiary different from the beneficiary of the sender's order and the funds transfer is completed on the basis of that error, the sender of the payment order that was erroneously executed and all previous senders in the funds transfer are not obliged to pay the payment orders they issued. The issuer of the erroneous order is entitled to recover from the beneficiary of the order the payment received to the extent allowed by the law governing mistake and restitution.

Duty of sender to report erroneously executed payment order.

If the sender of a payment order that is erroneously executed as stated in section 12A:4A-303 receives notification from the receiving bank that the order was executed or that the sender's account was debited with respect to the order, the sender has a duty to exercise ordinary care to determine, on the basis of information available to the sender, that the order was erroneously executed and to notify the bank of the relevant facts within a reasonable time not exceeding 90 days after the notification from the bank was received by the sender. If the sender fails to perform that duty, the bank is not obliged to pay interest on any amount refundable to the sender under section 12A:4A-402(4) for the period before the bank learns of the execution error. The bank is
CHAPTER 114, LAWS OF 1994

not entitled to any recovery from the sender on account of a failure by the sender to perform the duty stated in this section.

Liability for late or improper execution or failure to execute payment order.

12A:4A-305. Liability for late or improper execution or failure to execute payment order.

(1) If a funds transfer is completed but execution of a payment order by the receiving bank in breach of section 12A:4A-302 results in delay in payment to the beneficiary, the bank is obliged to pay interest to either the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as provided in subsection (3), additional damages are not recoverable.

(2) If execution of a payment order by a receiving bank in breach of section 12A:4A-302 results in (i) noncompletion of the funds transfer, (ii) failure to use an intermediary bank designated by the originator, or (iii) issuance of a payment order that does not comply with the terms of the payment order of the originator, the bank is liable to the originator for its expenses in the funds transfer and for incidental expenses and interest losses, to the extent not covered by subsection (1), resulting from the improper execution. Except as provided in subsection (3), additional damages are not recoverable.

(3) In addition to the amounts payable under subsections (1) and (2), damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank.

(4) If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express written agreement of the receiving bank, but are not otherwise recoverable.

(5) Reasonable attorney's fees are recoverable if demand for compensation under subsection (1) or (2) is made and refused before an action is brought on the claim. If a claim is made for breach of an agreement under subsection (4) and the agreement does not provide for damages, reasonable attorney's fees are recoverable if demand for compensation under subsection (4) is made and refused before an action is brought on the claim.
(6) Except as stated in this section, the liability of a receiving bank under subsections (1) and (2) may not be varied by agreement.

SUBCHAPTER 4. PAYMENT

Payment date.

12A:4A-401. Payment date.

"Payment date" of a payment order means the day on which the amount of the order is payable to the beneficiary by the beneficiary's bank. The payment date may be determined by instruction of the sender but cannot be earlier than the day the order is received by the beneficiary's bank and, unless otherwise determined, is the day the order is received by the beneficiary's bank.

Obligation of sender to pay receiving bank.

(1) This section is subject to sections 12A:4A-205 and 12A:4A-207.

(2) With respect to a payment order issued to the beneficiary's bank, acceptance of the order by the bank obliges the sender to pay the bank the amount of the order, but payment is not due until the payment date of the order.

(3) This subsection is subject to subsection (5) and to section 12A:4A-303. With respect to a payment order issued to a receiving bank other than the beneficiary's bank, acceptance of the order by the receiving bank obliges the sender to pay the bank the amount of the sender's order. Payment by the sender is not due until the execution date of the sender's order. The obligation of that sender to pay its payment order is excused if the funds transfer is not completed by acceptance by the beneficiary's bank of a payment order instructing payment to the beneficiary of that sender's payment order.

(4) If the sender of a payment order pays the order and was not obliged to pay all or part of the amount paid, the bank receiving payment is obliged to refund payment to the extent the sender was not obliged to pay. Except as provided in sections 12A:4A-204 and 12A:4A-304, interest is payable on the refundable amount from the date of payment.

(5) If a funds transfer is not completed as stated in subsection (3) and an intermediary bank is obliged to refund payment as stated in subsection (4) but is unable to do so because not permitted by applicable law or because the bank suspends payments, a sender in the funds transfer that executed a payment order in compliance with an instruction, as stated in section 12A:4A-
302(1)(a), to route the funds transfer through that intermediary bank is entitled to receive or retain payment from the sender of the payment order that it accepted. The first sender in the funds transfer that issued an instruction requiring routing through that intermediary bank is subrogated to the right of the bank that paid the intermediary bank to refund as stated in subsection (4).

(6) The right of the sender of a payment order to be excused from the obligation to pay the order as stated in subsection (3) or to receive refund under subsection (4) may not be varied by agreement.

Payment by sender to receiving bank.

12A:4A-403. Payment by sender to receiving bank.

(1) Payment of the sender's obligation under section 12A:4A-402 to pay the receiving bank occurs as follows:

(a) If the sender is a bank, payment occurs when the receiving bank receives final settlement of the obligation through a Federal Reserve Bank or through a funds-transfer system.

(b) If the sender is a bank and the sender (i) credited an account of the receiving bank with the sender, or (ii) caused an account of the receiving bank in another bank to be credited, payment occurs when the credit is withdrawn or, if not withdrawn, at midnight of the day on which the credit is withdrawable and the receiving bank learns of that fact.

(c) If the receiving bank debits an account of the sender with the receiving bank, payment occurs when the debit is made to the extent the debit is covered by a withdrawable credit balance in the account.

(2) If the sender and receiving bank are members of a funds-transfer system that nets obligations multilaterally among participants, the receiving bank receives final settlement when settlement is complete in accordance with the rules of the system. The obligation of the sender to pay the amount of a payment order transmitted through the funds-transfer system may be satisfied, to the extent permitted by the rules of the system, by setting off and applying against the sender's obligation the right of the sender to receive payment from the receiving bank of the amount of any other payment order transmitted to the sender by the receiving bank through the funds-transfer system. The aggregate balance of obligations owed by each sender to each receiving bank in the funds-transfer system may be satisfied, to the extent permitted by the rules of the system, by setting off and applying against that balance the aggregate balance of obligations owed to the sender by other members of the system. The aggregate bal-
ance is determined after the right of setoff stated in the second sentence of this subsection has been exercised.

(3) If two banks transmit payment orders to each other under an agreement that settlement of the obligations of each bank to the other under section 12A:4A-402 will be made at the end of the day or other period, the total amount owed with respect to all orders transmitted by one bank shall be set off against the total amount owed with respect to all orders transmitted by the other bank. To the extent of the setoff, each bank has made payment to the other.

(4) In a case not covered by subsection (1), the time when payment of the sender’s obligation under section 12A:4A-402(2) or 12A:4A-402(3) occurs is governed by applicable principles of law that determine when an obligation is satisfied.

Obligation of beneficiary’s bank to pay and give notice to beneficiary.

12A:4A-404. Obligation of beneficiary’s bank to pay and give notice to beneficiary.

(1) Subject to sections 12A:4A-211(5), 12A:4A-405(4), and 12A:4A-405(5), if a beneficiary’s bank accepts a payment order, the bank is obligated to pay the amount of the order to the beneficiary of the order. Payment is due on the payment date of the order, but if acceptance occurs on the payment date after the close of the funds-transfer business day of the bank, payment is due on the next funds-transfer business day. If the bank refuses to pay after demand by the beneficiary and receipt of notice of particular circumstances that will give rise to consequential damages as a result of nonpayment, the beneficiary may recover damages resulting from the refusal to pay to the extent the bank had notice of the damages, unless the bank proves that it did not pay because of a reasonable doubt concerning the right of the beneficiary to payment.

(2) If a payment order accepted by the beneficiary’s bank instructs payment to an account of the beneficiary, the bank is obliged to notify the beneficiary of receipt of the order before midnight of the next funds-transfer business day following the payment date. If the payment order does not instruct payment to an account of the beneficiary, the bank is required to notify the beneficiary only if notice is required by the order. Notice may be given by first class mail or any other means reasonable in the circumstances. If the bank fails to give the required notice, the bank is obliged to pay interest to the beneficiary on the amount of the payment order from the day notice should have been given until the day the beneficiary learned of receipt of the payment order by
the bank. No other damages are recoverable. Reasonable attorney’s fees are also recoverable if demand for interest is made and refused before an action is brought on the claim.

(3) The right of a beneficiary to receive payment and damages as stated in subsection (1) may not be varied by agreement or a funds-transfer system rule. The right of a beneficiary to be notified as stated in subsection (2) may be varied by agreement of the beneficiary or by a funds-transfer system rule if the beneficiary is notified of the rule before initiation of the funds transfer.

Payment by beneficiary’s bank to beneficiary.

12A:4A-405. Payment by beneficiary’s bank to beneficiary.

(1) If the beneficiary’s bank credits an account of the beneficiary of a payment order, payment of the bank’s obligation under section 12A:4A-404(1) occurs when and to the extent (i) the beneficiary is notified of the right to withdraw the credit, (ii) the bank lawfully applies the credit to a debt of the beneficiary, or (iii) funds with respect to the order are otherwise made available to the beneficiary by the bank.

(2) If the beneficiary’s bank does not credit an account of the beneficiary of a payment order, the time when payment of the bank’s obligation under section 12A:4A-404(1) occurs is governed by principles of law that determine when an obligation is satisfied.

(3) Except as stated in subsections (4) and (5), if the beneficiary’s bank pays the beneficiary of a payment order under a condition to payment or agreement of the beneficiary giving the bank the right to recover payment from the beneficiary if the bank does not receive payment of the order, the condition to payment or agreement is not enforceable.

(4) A funds-transfer system rule may provide that payments made to beneficiaries of funds transfers made through the system are provisional until receipt of payment by the beneficiary’s bank of the payment order it accepted. A beneficiary’s bank that makes a payment that is provisional under the rule is entitled to refund from the beneficiary if (i) the rule requires that both the beneficiary and the originator be given notice of the provisional nature of the payment before the funds transfer is initiated, (ii) the beneficiary, the beneficiary’s bank and the originator’s bank agreed to be bound by the rule, and (iii) the beneficiary’s bank did not receive payment of the payment order that it accepted. If the beneficiary is obliged to refund payment to the beneficiary’s bank, acceptance of the payment order by the beneficiary’s bank
is nullified and no payment by the originator of the funds transfer to the beneficiary occurs under section 12A:4A-406.

(5) This subsection applies to a funds transfer that includes a payment order transmitted over a funds-transfer system that (i) nets obligations multilaterally among participants, and (ii) has in effect a loss-sharing agreement among participants for the purpose of providing funds necessary to complete settlement of the obligations of one or more participants that do not meet their settlement obligations. If the beneficiary's bank in the funds transfer accepts a payment order and the system fails to complete settlement pursuant to its rules with respect to any payment order in the funds transfer, (i) the acceptance by the beneficiary's bank is nullified and no person has any right or obligation based on the acceptance, (ii) the beneficiary's bank is entitled to recover payment from the beneficiary, (iii) no payment by the originator to the beneficiary occurs under section 12A:4A-406, and (iv) subject to section 12A:4A-402(5), each sender in the funds transfer is excused from its obligation to pay its payment order under section 12A:4A-402(3) because the funds transfer has not been completed.

Payment by originator to beneficiary; discharge of underlying obligation.

12A:4A-406. Payment by originator to beneficiary; discharge of underlying obligation.

(1) Subject to sections 12A:4A-211(5), 12A:4A-405(4), and 12A:4A-405(5), the originator of a funds transfer pays the beneficiary of the originator's payment order (i) at the time a payment order for the benefit of the beneficiary is accepted by the beneficiary's bank in the funds transfer and (ii) in an amount equal to the amount of the order accepted by the beneficiary's bank, but not more than the amount of the originator's order.

(2) If payment under subsection (1) is made to satisfy an obligation, the obligation is discharged to the same extent discharge would result from payment to the beneficiary of the same amount in money, unless (i) the payment under subsection (1) was made by a means prohibited by the contract of the beneficiary with respect to the obligation, (ii) the beneficiary, within a reasonable time after receiving notice of receipt of the order by the beneficiary's bank, notified the originator of the beneficiary's refusal of the payment, (iii) funds with respect to the order were not withdrawn by the beneficiary or applied to a debt of the beneficiary, and (iv) the beneficiary would suffer a loss that could reasonably have been avoided if payment had been made by a means comply-
ing with the contract. If payment by the originator does not result in discharge under this section, the originator is subrogated to the rights of the beneficiary to receive payment from the beneficiary's bank under section 12A:4A-404(1).

(3) For the purpose of determining whether discharge of an obligation occurs under subsection (2), if the beneficiary's bank accepts a payment order in an amount equal to the amount of the originator's payment order less charges of one or more receiving banks in the funds transfer, payment to the beneficiary is deemed to be in the amount of the originator's order unless upon demand by the beneficiary the originator does not pay the beneficiary the amount of the deducted charges.

(4) Rights of the originator or of the beneficiary of a funds transfer under this section may be varied only by agreement of the originator and the beneficiary.

SUBCHAPTER 5. MISCELLANEOUS PROVISIONS

Variation by agreement and effect of funds-transfer system rule.

12A:4A-501. Variation by agreement and effect of funds-transfer system rule.

(1) Except as otherwise provided in this chapter, the rights and obligations of a party to a funds transfer may be varied by agreement of the affected party.

(2) “Funds-transfer system rule” means a rule of an association of banks (i) governing transmission of payment orders by means of a funds-transfer system of the association or rights and obligations with respect to those orders, or (ii) to the extent the rule governs rights and obligations between banks that are parties to a funds transfer in which a Federal Reserve Bank, acting as an intermediary bank, sends a payment order to the beneficiary's bank. Except as otherwise provided in this chapter, a funds-transfer system rule governing rights and obligations between participating banks using the system may be effective even if the rule conflicts with this article and indirectly affects another party to the funds transfer who does not consent to the rule. A funds-transfer system rule may also govern rights and obligations of parties other than participating banks using the system to the extent stated in sections 12A:4A-404(3), 12A:4A-405(4), and 12A:4A-507(3).
Creditors process served on receiving bank; set-off by beneficiary’s bank.

(1) As used in this section, “creditor process” means levy, attachment, garnishment, notice of lien, sequestration, or similar process issued by or on behalf of a creditor or other claimant with respect to an account.

(2) This subsection applies to creditor process with respect to an authorized account of the sender of a payment order if the creditor process is served on the receiving bank. For the purpose of determining rights with respect to the creditor process, if the receiving bank accepts the payment order the balance in the authorized account is deemed to be reduced by the amount of the payment order to the extent the bank did not otherwise receive payment of the order, unless the creditor process is served at a time and in a manner affording the bank a reasonable opportunity to act on it before the bank accepts the payment order.

(3) If a beneficiary’s bank has received a payment order for payment to the beneficiary’s account in the bank, the following rules apply:

(a) The bank may credit the beneficiary’s account. The amount credited may be set off against an obligation owed by the beneficiary to the bank or may be applied to satisfy creditor process served on the bank with respect to the account.

(b) The bank may credit the beneficiary’s account and allow withdrawal of the amount credited unless creditor process with respect to the account is served at a time and in a manner affording the bank a reasonable opportunity to act to prevent withdrawal.

(c) If creditor process with respect to the beneficiary’s account has been served and the bank has had a reasonable opportunity to act on it, the bank may not reject the payment order except for a reason unrelated to the service of process.

(4) Creditor process with respect to a payment by the originator to the beneficiary pursuant to a funds transfer may be served only on the beneficiary’s bank with respect to the debt owed by that bank to the beneficiary. Any other bank served with the creditor process is not obliged to act with respect to the process.

Injunction or restraining order with respect to funds transfer.

12A:4A-503. Injunction or restraining order with respect to funds transfer.
For proper cause and in compliance with applicable law, a court may restrain (i) a person from issuing a payment order to initiate a funds transfer, (ii) an originator's bank from executing the payment order of the originator, or (iii) the beneficiary's bank from releasing funds to the beneficiary or the beneficiary from withdrawing the funds. A court may not otherwise restrain a person from issuing a payment order, paying or receiving payment of a payment order, or otherwise acting with respect to a funds transfer.

Order in which items and payment orders may be charged to account; order of withdrawals from account.

12A:4A-504. Order in which items and payment orders may be charged to account; order of withdrawals from account.

(1) If a receiving bank has received more than one payment order of the sender or one or more payment orders and other items that are payable from the sender's account, the bank may charge the sender's account with respect to the various orders and items in any sequence.

(2) In determining whether a credit to an account has been withdrawn by the holder of the account or applied to a debt of the holder of the account, credits first made to the account are first withdrawn or applied.

Preclusion of objection to debit of customer's account.

12A:4A-505. Preclusion of objection to debit of customer's account.

If a receiving bank has received payment from its customer with respect to a payment order issued in the name of the customer as sender and accepted by the bank, and the customer received notification reasonably identifying the order, the customer is precluded from asserting that the bank is not entitled to retain the payment unless the customer notifies the bank of the customer's objection to the payment within one year after the notification was received by the customer.

Rate of interest.

12A:4A-506. Rate of interest.

(1) If, under this chapter, a receiving bank is obliged to pay interest with respect to a payment order issued to the bank, the amount payable may be determined (i) by agreement of the sender and receiving bank, or (ii) by a funds-transfer system rule if the payment order is transmitted through a funds-transfer system.

(2) If the amount of interest is not determined by an agreement or rule as stated in subsection (1), the amount is calculated by
multiplying the applicable federal funds rate by the amount on which interest is payable, and then multiplying the product by the number of days for which interest is payable. The applicable federal funds rate is the average of the federal funds rates published by the Federal Reserve Bank of New York for each of the days for which interest is payable divided by 360. The federal funds rate for any day on which a published rate is not available is the same as the published rate for the next preceding day for which there is a published rate. If a receiving bank that accepted a payment order is required to refund payment to the sender of the order because the funds transfer was not completed, but the failure to complete was not due to any fault by the bank, the interest payable is reduced by a percentage equal to the reserve requirement on deposits of the receiving bank.

Choice of law.

(1) The following rules apply unless the affected parties otherwise agree or subsection (3) applies:

(a) The rights and obligations between the sender of a payment order and the receiving bank are governed by the law of the jurisdiction in which the receiving bank is located.

(b) The rights and obligations between the beneficiary’s bank and the beneficiary are governed by the law of the jurisdiction in which the beneficiary’s bank is located.

(c) The issue of when payment is made pursuant to a funds transfer by the originator to the beneficiary is governed by the law of the jurisdiction in which the beneficiary’s bank is located.

(2) If the parties described in each paragraph of subsection (1) have made an agreement selecting the law of a particular jurisdiction to govern rights and obligations between each other, the law of that jurisdiction governs those rights and obligations, whether or not the payment order or the funds transfer bears a reasonable relation to that jurisdiction.

(3) A funds-transfer system rule may select the law of a particular jurisdiction to govern (i) rights and obligations between participating banks with respect to payment orders transmitted or processed through the system, or (ii) the rights and obligations of some or all parties to a funds transfer any part of which is carried out by means of the system. A choice of law made pursuant to clause (i) is binding on participating banks. A choice of law made pursuant to clause (ii) is binding on the originator, other

1079

sender, or a receiving bank having notice that the funds-transfer
system might be used in the funds transfer and of the choice of
law by the system when the originator, other sender, or receiving
bank issued or accepted a payment order. The beneficiary of a
funds transfer is bound by the choice of law if, when the funds
transfer is initiated, the beneficiary has notice that the funds-
transfer system might be used in the funds transfer and of the
choice of law by the system. The law of a jurisdiction selected
pursuant to this subsection may govern, whether or not that law
bears a reasonable relation to the matter in issue.

(4) In the event of inconsistency between an agreement under
subsection (2) and a choice-of-law rule under subsection (3), the
agreement under subsection (2) prevails.

(5) If a funds transfer is made by use of more than one funds-
transfer system and there is inconsistency between choice-of-law
rules of the systems, the matter in issue is governed by the law of
the selected jurisdiction that has the most significant relationship
to the matter in issue.

3. N.J.S.12A:1-105 is amended to read as follows:

Territorial application of the act; parties' power to choose applicable law.

12A:1-105. Territorial application of the act: parties' power to
choose applicable law.

(1) Except as provided hereafter in this section, when a transac-
tion bears a reasonable relation to this State and also to another
state or nation the parties may agree that the law either of this
State or of such other state or nation shall govern their rights and
duties. Failing such agreement this act applies to transactions
bearing an appropriate relation to this State.

(2) Where one of the following provisions of this act specifies
the applicable law, that provision governs and a contrary agree-
ment is effective only to the extent permitted by the law
(including the conflict of laws rules) so specified:

Rights of creditors against sold goods. 12A:2-402.

Applicability of the Chapter on Leases. 12A:2A-105 and
12A:2A-106.

Applicability of the Chapter on Bank Deposits and Collections.
12A:4-102.

Governing law in the Chapter on Funds Transfers. 12A:4A-507.

Applicability of the Chapter on Investment Securities. 12A:8-106.
Perfection provisions of the Chapter on Secured Transactions. 12A:9-103.

4. N.J.S.12A:1-201 is amended to read as follows:

General definitions.
Subject to additional definitions contained in the subsequent chapters of this act which are applicable to specific chapters or subchapters thereof, and unless the context otherwise requires, in this act:
(1) “Action” in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.
(2) “Aggrieved party” means a party entitled to resort to a remedy.
(3) “Agreement” means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this act (12A:1-205 and 12A:2-208). Whether an agreement has legal consequences is determined by the provisions in this act, if applicable; otherwise by the law of contracts (12A:1-103). (Compare “Contract.”)
(4) “Bank” means any person engaged in the business of banking.
(5) “Bearer” means the person in possession of an instrument, document of title, or certificated security payable to bearer or indorsed in blank.
(6) “Bill of lading” means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill.
“Airbill” means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.
(7) “Branch” includes a separately incorporated foreign branch of a bank.
(8) “Burden of establishing” a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.
(9) “Buyer in ordinary course of business” means a person who in good faith and without knowledge that the sale to the buyer is in violation of the ownership rights or security interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. All persons who sell minerals or the like (including
oil and gas) at wellhead or minehead shall be deemed to be persons in the business of selling goods of that kind. “Buying” may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) “Conspicuous”: A term or clause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NON-NEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is “conspicuous” if it is in larger or other contrasting type or color. But in a telegram any stated term is “conspicuous.” Whether a term or clause is “conspicuous” or not is for decision by the court.

(11) “Contract” means the total legal obligation which results from the parties’ agreement as affected by this act and any other applicable rules of law. (Compare “Agreement.”)

(12) “Creditor” includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor’s or assignor’s estate.

(13) “Defendant” includes a person in the position of defendant in a cross-action or counterclaim.

(14) “Delivery” with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.

(15) “Document of title” includes bill of lading, dock warrant, dock receipt, warehouse receipt, or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document shall purport to be issued by or addressed to a bailee and purport to cover goods in the bailee’s possession which are either identified or are fungible portions of an identified mass.

(16) “Fault” means wrongful act, omission or breach.

(17) “Fungible” with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this act to the extent
that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder" means a person who is in possession of a document of title or an instrument or a certificated investment security drawn, issued, or indorsed to the person or to the person's order or to bearer or in blank.

(21) To "honor" is to pay or accept and pay, where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay the person's debts in the ordinary course of business or cannot pay the person's debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government as a part of its currency.

(25) A person has "notice" of a fact when:

(a) The person has actual knowledge of it; or

(b) The person has received a notice or notification of it; or

(c) From all the facts and circumstances known to the person at the time in question the person has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when the person has actual knowledge of it. "Discover" or "learn" or a word or phrase of similar import refers to knowledge rather than to reason to know. The time and circumstances under which a notice or notification may cease to be effective are not determined by this act.

(26) A person "notifies" or "gives" a notice or notification to another by taking such steps as may be reasonably required to inform the other in ordinary course whether or not the other actually comes to know of it. A person "receives" a notice or notification when:

(a) It comes to the person's attention; or

(b) It is duly delivered at the place of business through which the contract was made or at any other place held out by the person as the place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an organization is effective for a particular transaction from the
time when it is brought to the attention of the individual conducting that transaction, and in any event from the time when it would have been brought to the attention of the individual if the organization had exercised due diligence. An organization exercises due diligence if it maintains reasonable routines for communicating significant information to the person conducting the transaction and there is reasonable compliance with the routines. Due diligence does not require an individual acting for the organization to communicate information unless such communication is part of the individual's regular duties or unless the individual has reason to know of the transaction and that the transaction would be materially affected by the information.

(28) "Organization" includes a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, two or more persons having a joint or common interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who has engaged in a transaction or made an agreement within this act.

(30) "Person" includes an individual or an organization (See 12A:1-102).

(31) "Presumption" or "presumed" means that the trier of fact shall find the existence of the fact presumed unless and until evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or reissue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (12A:2-401) is limited in effect to a reservation of a "security interest." The term also includes any interest of a buyer of accounts or chattel paper which is subject to chapter 9. The special property interest of a buyer of goods on identification of those goods to a contract for sale under 12A:2-401 is not a "security interest," but a buyer
may also acquire a "security interest" by complying with chapter 9. Unless a consignment is intended as security, reservation of title thereunder is not a "security interest," but a consignment in any event is subject to the provisions on consignment sales (12A:2-326). Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and

(a) the original term of the lease is equal to or greater than the remaining economic life of the goods,
(b) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods,
(c) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement, or
(d) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that

(a) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into,
(b) the lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods,
(c) the lessee has an option to renew the lease or to become the owner of the goods,
(d) the lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed, or
(e) the lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):

Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

“Reasonably predictable” and “remaining economic life of the goods” are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

“Present value” means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(38) “Send” in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) “Signed” includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) “Surety” includes guarantor.

(41) “Telegram” includes a message transmitted by radio, teletype, cable, any mechanical method of transmission, or the like.

(42) “Term” means that portion of an agreement which relates to a particular matter.

(43) “Unauthorized” signature or indorsement means one made without actual, implied or apparent authority and includes a forgery.
(44) "Value" Except as otherwise provided with respect to negotiable instruments and bank collections (12A:3-303, 12A:4-208 and 12A:4-209) a person gives "value" for rights if the person acquires them:
   (a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or
   (b) As security for or in total or partial satisfaction of a pre-existing claim; or
   (c) By accepting delivery pursuant to a pre-existing contract for purchase; or
   (d) Generally, in return for any consideration sufficient to support a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting, or any other intentional reduction to tangible form.

5. N.J.S.12A:2-403 is amended to read as follows:

Power to transfer; good faith purchase of goods; "entrusting".

12A:2-403. Power to transfer; good faith purchase of goods; "entrusting".

(1) A purchaser of goods acquires all title which the transferor had or had power to transfer except that a purchaser of a limited interest acquires rights only to the extent of the interest purchased. A person with voidable title has power to transfer a good title to a good faith purchaser for value. When goods have been delivered under a transaction of purchase the purchaser has this power even though
   (a) the transferor was deceived as to the identity of the purchaser, or
   (b) the delivery was in exchange for a check which is later dishonored, or
   (c) it was agreed that the transaction was to be a "cash sale", or
   (d) the delivery was procured through fraud punishable under the criminal law.

(2) Any entrusting of possession of goods to a merchant who deals in goods of that kind gives the merchant power to transfer all rights of the entruster to a buyer in ordinary course of business.

(3) "Entrusting" includes any delivery and any acquiescence in retention of possession regardless of any condition expressed between
the parties to the delivery or acquiescence and regardless of whether the procurement of the entrusting or the possessor's disposition of the goods have been such as to be theft under the criminal law.

(4) The rights of other purchasers of goods and of lien creditors are governed by the Chapters on Secured Transactions (Chapter 9) and Documents of Title (Chapter 7).

6. N.J.S.12A:9-113 is amended to read as follows:

Security interests arising under chapter on sales or under chapter on leases. 12A:9-113. Security interests arising under chapter on sales or under chapter on leases.

A security interest arising solely under the Chapter on Sales (Chapter 2) or the Chapter on Leases (Chapter 2A) is subject to the provisions of this Chapter except that to the extent that and so long as the debtor does not have or does not lawfully obtain possession of the goods

(a) no security agreement is necessary to make the security interest enforceable; and

(b) no filing is required to perfect the security interest; and

(c) the rights of the secured party on default by the debtor are governed by (i) the Chapter on Sales (Chapter 2) in the case of a security interest arising solely under that Chapter or (ii) by the Chapter on Leases (Chapter 2A) in the case of a security interest arising solely under that Chapter.

7. N.J.S.12A:9-302 is amended to read as follows:

When filing is required to perfect security interests; security interests to which filing provisions of this chapter do not apply. 12A:9-302. When filing is required to perfect security interests; security interests to which filing provisions of this chapter do not apply.

(1) A financing statement shall be filed to perfect all security interests except the following:

(a) A security interest in collateral in possession of the secured party under 12A:9-305;

(b) A security interest temporarily perfected in instruments or documents without delivery under 12A:9-304 or in proceeds for a 10-day period under 12A:9-306;

(c) A security interest created by an assignment of a beneficial interest in a trust or a decedent's estate;

(d) A purchase money security interest in consumer goods; but filing is required for a motor vehicle required to be registered;
and fixture filing is required for priority over conflicting interests in fixtures to the extent provided in 12A:9-313;

(e) A security interest of a collecting bank (12A:4-208) or in securities (12A:8-321) or arising under the chapter on sales (see 12A:9-113) or covered in subsection (3) of this section;

(f) An assignment for the benefit of all the creditors of the transferor, and subsequent transfers by the assignee thereunder.

(2) If a secured party assigns a perfected security interest, no filing under this chapter is required in order to continue the perfected status of the security interest against creditors of and transferees from the original debtor.

(3) The filing of a financing statement otherwise required by this chapter is not necessary or effective to perfect a security interest in property subject to:

(a) A statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this chapter for filing of the security interest; or

(b) The following statutes of this State:
   R.S.39:10-1 to R.S.39:10-9 both inclusive;
   P.L.1971, c.311 (C.39:10-9.1 and C.39:10-9.2);
   R.S.39:10-10 to R.S.39:10-16 both inclusive;
   R.S.39:10-18 to R.S.39:10-25 both inclusive;
   P.L.1984, c.152 (C.12:7A-1 to C.12:7A-29 both inclusive);

but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of this chapter (subchapter 4) apply to a security interest in that collateral created by the person as debtor; or

(c) a certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of 12A:9-103).

(4) Compliance with a statute or treaty described in subsection (3) is equivalent to the filing of a financing statement under this chapter, and a security interest in property subject to the statute or treaty can be perfected only by compliance therewith except as provided in 12A:9-103 on multiple state transactions. Duration and renewal of perfection of a security interest perfected by compliance with the statute or treaty are governed by the provisions of the statute or treaty; in other respects the security interest is subject to this chapter.
8. N.J.S. 12A:9-306 is amended to read as follows:

"Proceeds"; secured party's rights on disposition of collateral.

(1) "Proceeds" includes whatever is received upon the sale, lease, exchange, collection or other disposition of collateral or proceeds. Insurance payable by reason of loss or damage to the collateral is proceeds, except to the extent that it is payable to a person other than a party to the security agreement. Money, checks, deposit accounts, and the like are "cash proceeds". All other proceeds are "noncash proceeds".

(2) Except where this chapter or the chapter on leases (2A) otherwise provides, a security interest continues in collateral notwithstanding sale, lease, exchange or other disposition thereof unless the disposition was authorized by the secured party in the security agreement or otherwise, and also continues in any identifiable proceeds including collections received by the debtor.

(3) The security interest in proceeds is a continuously perfected security interest if the interest in the original collateral was perfected but it ceases to be a perfected security interest and becomes unperfected 10 days after receipt of the proceeds by the debtor unless

(a) A filed financing statement covers the original collateral and the proceeds are collateral in which a security interest may be perfected by filing in the office or offices where the financing statement has been filed and, if the proceeds are acquired with cash proceeds, the description of collateral in the financing statement indicates the types of property constituting the proceeds; or

(b) A filed financing statement covers the original collateral and the proceeds are identifiable cash proceeds; or

(c) The security interest in the proceeds is perfected before the expiration of the 10-day period.

Except as provided in this section, a security interest in proceeds can be perfected only by the methods or under the circumstances permitted in this chapter for original collateral of the same type.

(4) In the event of insolvency proceedings instituted by or against a debtor, a secured party with a perfected security interest in proceeds has a perfected security interest only in the following proceeds:

(a) In identifiable noncash proceeds and in separate deposit accounts containing only proceeds;
(b) In identifiable cash proceeds in the form of money which is neither commingled with other money nor deposited in a deposit account prior to the insolvency proceedings;

(c) In identifiable cash proceeds in the form of checks and the like which are not deposited in a deposit account prior to the insolvency proceedings; and

(d) In all cash and deposit accounts of the debtor in which proceeds have been commingled with other funds, but the perfected security interest under this paragraph (d) is

(i) Subject to any right of set-off; and

(ii) Limited to an amount not greater than the amount of any cash proceeds received by the debtor within 10 days before the institution of the insolvency proceedings less the sum of (I) the payments to the secured party on account of cash proceeds received by the debtor during that period and (II) the cash proceeds received by the debtor during that period to which the secured party is entitled under paragraphs (a) through (c) of this subsection (4).

(5) If a sale or lease of goods results in an account or chattel paper which is transferred by the seller or lessor to a secured party, and if the goods are returned to or are repossessed by the seller or lessor or the secured party, the following rules determine priorities:

(a) If the goods were collateral at the time of sale or lease, for an indebtedness of the seller or lessor which is still unpaid, the original security interest attaches again to the goods covered by the sale or lease and continues as a perfected security interest if it was perfected at the time when the goods were sold or leased. If the security interest was originally perfected by a filing which is still effective, nothing further is required to continue the perfected status; in any other case, the secured party shall take possession of the returned or repossessed goods or shall file.

(b) An unpaid transferee of the chattel paper has a security interest in the goods against the transferor. This security interest is prior to a security interest asserted under paragraph (a) to the extent that the transferee of the chattel paper was entitled to priority under 12A:9-308.

(c) An unpaid transferee of the account has a security interest in the goods against the transferor. This security interest is subordinate to a security interest asserted under paragraph (a).

(d) A security interest of an unpaid transferee asserted under paragraph (b) or (c) shall be perfected for protection against creditors of the transferor and purchasers of the returned or repossessed goods.
9. N.J.S. 12A:9-318 is amended to read as follows:

Defenses against assignee; modification of contract after notification of assignment; term prohibiting assignment ineffective; identification and proof of assignment.

12A:9-318. Defenses against assignee; modification of contract after notification of assignment; term prohibiting assignment ineffective; identification and proof of assignment.

(1) Unless an account debtor has made an enforceable agreement not to assert defenses or claims arising out of a sale as provided in 12A:9-206 the rights of an assignee are subject to

(a) All the terms of the contract between the account debtor and assignor and any defense or claim arising therefrom; and

(b) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives notification of the assignment.

(2) So far as the right to payment or a part thereof under an assigned contract has not been fully earned by performance, and notwithstanding notification of the assignment, any modification of or substitution for the contract made in good faith and in accordance with reasonable commercial standards is effective against an assignee unless the account debtor has otherwise agreed but the assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach by the assignor.

(3) The account debtor is authorized to pay the assignor until the account debtor receives notification that the amount due or to become due has been assigned and that payment is to be made to the assignee. A notification which does not reasonably identify the rights assigned is ineffective. If requested by the account debtor, the assignee shall seasonably furnish reasonable proof that the assignment has been made and unless the assignee does so the account debtor may pay the assignor.

(4) A term in any contract between an account debtor and an assignor is ineffective if it prohibits assignment of an account or prohibits creation of a security interest in chattel paper or a security interest in a general intangible for money due or to become due or requires the account debtor's consent to the assignment or security interest.

10. Section 1 of P.L.1979, c.222 (C.40A:11-40) is amended to read as follows:
C.40A:11-40 Authorization to purchase specific materials at auction; procedure.

1. Notwithstanding any provisions of the “Local Public Contracts Law,” P.L.1971, c.198 (C.40A:11-1 et seq.), to the contrary, the governing body may by resolution authorize the purchasing agent of the contracting unit to purchase specific materials at auction for a price not to exceed 85% of the price of equivalent materials as determined pursuant to this section. Such resolution shall be adopted at least 10 days prior to the auction and shall be filed with the Director of the Division of Local Government Services within 3 days of its adoption. Any such auction shall be open to any person to attend and bid on such materials, shall be conducted pursuant to N.J.S.12A:2-328, and shall be conducted by a licensed auctioneer. Prior to adoption of the resolution, the purchasing agent shall solicit at least three written quotations of prices for which new materials equivalent to those to be purchased at auction were actually sold within the previous year. The lowest of the three prices so quoted shall be the determining price quotation for the authorization to purchase at auction for a price not to exceed 85% thereof. The authorizing resolution adopted by the governing body shall set forth the three price quotations so quoted and the sources thereof, and shall state that the expenditure of money for the purchase is not made in violation of N.J.S.40A:4-57, and has been properly certified by the chief finance officer of the local unit.

Any purchasing agent who shall purchase materials at auction pursuant to this section shall, within 14 days of the occurrence of such auction, file a report with the clerk of the governing body and the director, setting forth: the nature, quantity and price of the materials so purchased; the three price quotations solicited prior to such auction, and the sources thereof; and, the name and license number of the auctioneer who conducted such auction.

Repealer.

11. Chapter 6 of Title 12A of the New Jersey Statutes and N.J.S.12A:9-111 are repealed.

Requirements concerning returns, notices, records and statements.

54A:8-6. Requirements concerning returns, notices, records and statements. (a) General. The director may prescribe regulations as to the keeping of records, the content and form of returns and statements, and the filing of copies of federal income tax returns and determinations. The director may require any person, by regulation or notice served upon such person, to make such returns, render such statements, or keep such records, as the director may deem sufficient to show whether or not such person is liable under this act for tax or for collection of tax.

(b) Partnerships. Every partnership having a resident partner or having any income derived from New Jersey sources, shall make a return for the taxable year setting forth all items of income, gain, loss and deduction and such other pertinent information as the director may by regulations and instructions prescribe. The director shall prescribe a State return form that, at a minimum, includes the name and address of each partner of the partnership for taxable years ending on or after December 31, 1994. Such return shall be filed on or before the fifteenth day of the fourth month following the close of each taxable year.
Each partnership required to file a return under this subsection for any taxable year shall, on or before the day on which the return for the taxable year is required to be filed, furnish to each person who is a partner or who holds an interest in such partnership as a nominee for another person at any time during that taxable year a copy of such information required to be shown on such return as the director may prescribe.

For the purposes of this subsection, "taxable year" means a year or period which would be a taxable year of the partnership if it were subject to tax under this act.

(c) Information at source. The director may prescribe regulations and instructions requiring returns of information to be made and filed on or before February 15 of each year as to the payment or crediting in any calendar year of amounts of $100.00 or more to any taxpayer under this act. A duplicate of the statement as to tax withheld on wages, required to be furnished by an employer to an employee, shall constitute the return of information required to be made under this section with respect to such wages.

(d) Notice of qualification as receiver, et cetera. Every receiver, trustee in bankruptcy, assignee for benefit of creditors, or other like fiduciary shall give notice of his qualification as such to the director, as may be required by regulation.

CHAPTER 118

CHAPTER 118, LAWS OF 1994

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.48:2-73 Short title.

1. Sections 1 through 19 of this act shall be known and may be cited as the "Underground Facility Protection Act."

C.48:2-74 Findings, declarations, determinations.

2. The Legislature finds and declares that damage to underground facilities caused by excavation and the discharge of explosives poses a significant risk to the public safety; that such damage to underground natural gas facilities poses a substantial risk to the public safety; and that the implementation of a comprehensive One-Call Damage Prevention System can substantially reduce the frequency of damage caused by these activities.

The Legislature therefore determines that it is in the public interest for the State to require all operators of underground facilities to participate in a One-Call Damage Prevention System and to require all excavators to notify the One-Call Damage Prevention System prior to excavation or demolition.

The Legislature further determines that the Board of Public Utilities is the appropriate State agency to designate the operator of, and provide policy oversight to, the One-Call Damage Prevention System and enforce the provisions of this act.

This system shall be a single Statewide 24-hour, seven-day-a-week notification center which shall:

a. Receive and record the notice of intent to excavate provided by excavators pursuant to subsection a. of section 10 of this act;

b. Assign a confirmation number to each notice of intent to engage in an excavation, inform the excavator of the confirmation number, and maintain a register showing the name, address, and telephone number of the excavator, the site to which the notice pertains, and the assigned confirmation number;

c. Promptly transmit to the appropriate operators the information received from an excavator regarding any intended excavation in areas where the operators have underground facilities;

d. Maintain a record of each notice of intent received pursuant to subsection a. of this section for a period of seven years from the date of notice; and

e. Provide to the excavator the names of the operators who will be notified by the One-Call Damage Prevention System of the intended excavation.
C.48:2-77 Operation of One-Call Damage Prevention System.

5. a. Two years after the effective date of this act, the board shall designate, through an appropriate administrative mechanism, a person to operate the One-Call Damage Prevention System. The board may, as necessary, adopt rules establishing the process by which it shall select a person to operate the system.

b. The board shall designate the Garden State Underground Plant Location Service (GSUPLS), a non-profit corporation of this State, to operate the One-Call Damage Prevention System, on an interim basis, for two years after the effective date of this act. During this interim period, GSUPLS will operate the system in conformance with the provisions of this act and the board shall have policy oversight over operation of the system.

C.48:2-78 Appropriate waiver conditions.

6. The board may grant a waiver from the requirements of section 8 of this act for such reasons as it deems appropriate. The board shall have sole jurisdiction and authority for reviewing and granting or denying any waiver requested pursuant to this section. However, a waiver shall be deemed appropriate in those instances when an operator demonstrates that:

a. Damage to the underground facilities owned, operated, or controlled by the operator would pose no threat to the public safety; or

b. There is no possibility that an underground facility owned, operated or controlled by the operator will be damaged by excavating activities.

An operator who has requested a waiver pursuant to this section shall participate in the One-Call Damage Prevention System while the request is being considered by the board.

C.48:2-79 System operator, responsibilities.

7. The system operator shall:

a. Operate the One-Call Damage Prevention System, which shall include but not be limited to the services described in section 4 of this act;

b. Establish a schedule of fees under which each operator shall pay an equitable share of the costs of maintaining the One-Call Damage Prevention System. This schedule of fees shall be submitted to the board for review and approval and shall be subject to the continuing jurisdiction of the board;

c. Ensure that the One-Call Damage Prevention System operates in all areas of the State. The telephone number of the One-
Call Damage Prevention System for providing any notice required by this act shall be a toll-free number;

d. Notify the public and known excavators of the requirement pursuant to this act for the mandatory use of the One-Call Damage Prevention System to locate underground facilities; and

e. Comply with all other provisions of this act.

C.48:2-80 Underground facility operator, responsibilities; underground facility markings.

8. a. Except as provided in sections 6 and 9 of this act, the operator of an underground facility shall:

(1) Participate in and comply with the requirements of the One-Call Damage Prevention System established pursuant to section 4 of this act; and

(2) Mark, stake, locate or otherwise provide the position and number of its underground facilities which may be affected by a planned excavation or demolition within three business days after receipt of the information concerning a notice of intent to excavate transmitted pursuant to subsection c. of section 10 of this act. An underground facility shall be marked in accordance with standards approved by the board, which shall be based upon approved industry standards, and shall be marked at the site within 18 inches horizontally from the outside wall of the facility, in a manner that will enable the excavator to employ prudent techniques, which may include hand-dug test holes, to determine the precise position of the operator's underground facility. An underground facility shall be marked from information available in the operator's records or by use of standard locating techniques other than excavation. In temporarily marking the approximate position of an underground facility, an operator shall utilize the following color coding:

b. If an operator does not own, operate or control any underground facilities at the site concerning which he received information of a notice of intent to excavate transmitted pursuant to subsection c. of section 4 of this act, the operator shall make a reasonable effort to so advise the person giving the notice of intent to excavate, providing the notice is given within the time frame set forth in subsection a. of section 10 of this act.

c. An operator shall maintain a record of all damage to its underground facilities, including all damage reported by an excavator pursuant to subsection c. of section 10 of this act. An operator shall provide an updated copy of this record to the board on a quarterly basis.

C.48:2-81 Marking of facilities; nonapplicability; excavation, permitting process on State property.

9. a. The requirement, pursuant to paragraph (2) of subsection a. of section 8 of this act, for an operator to mark, stake, locate or otherwise provide the position of its underground facilities shall not apply to an underground non-metallic water pipe or non-metallic water distribution facility installed prior to the effective date of this act. An operator that qualifies for this exemption shall cooperate with the excavator in reasonable efforts to determine the location of such facilities.

b. The requirement pursuant to paragraph (2) of subsection a. of section 8 of this act for an operator to mark, stake, locate or otherwise provide the position of its underground facilities shall be deemed met by a State department or agency when an excavation is conducted on property or a right-of-way owned or controlled by the State department or agency and the excavation is subject to an excavation permitting process by the State department or agency if:

(1) The underground facilities of the State department or agency at the proposed excavation site comprise only traffic signals and lights or street and highway lights and their associated electrical feeds, control lines and traffic sensing loops;
(2) The State department or agency excavation permit is conditional upon the excavator notifying the One-Call Damage Prevention System; and

(3) The State department or agency provides the excavator with plans of the position and number of its underground facilities during the permitting process and agrees to cooperate on a continuing basis with the excavator in reasonable efforts to determine the location of such facilities, including notifying an excavator of any changes which may occur in the position or number of underground facilities after the initial issuance of plans to the excavator. However, the State department or agency may elect to mark, stake, or locate its underground facilities pursuant to the requirements of paragraph (2) of subsection a. of section 8 of this act.

If a State department or agency elects not to mark or stake its facilities under this subsection, an excavator who has conformed with the requirements of this act and all other applicable permit requirements, and uses reasonable care while excavating shall not be liable for damage to the State department or agency's underground facilities.

C.48:2-82 Notification of the One-Call Damage Prevention System; excavator's duties.

10. a. An excavator shall notify the One-Call Damage Prevention System established pursuant to section 4 of this act of his intent to engage in excavation or demolition not less than three business days and not more than 10 business days prior to the beginning of the excavation or demolition.

b. Upon notifying the One-Call Damage Prevention System, an excavator shall provide the following information:

(1) The name and telephone number of the person notifying the system;

(2) The name, address, and office and field telephone numbers and facsimile numbers of the excavator;

(3) The name, address and telephone number of the person for whom the excavation work is to be performed; and

(4) The specific site location, starting date, starting time and description of the intended excavation or demolition, including the approximate depth of the excavation or demolition.

c. Where appropriate to provide clarification, an excavator shall mark and identify the perimeter of the proposed site of the excavation by the color white prior to notifying the One-Call Damage Prevention System of his intent to engage in excavation or demolition.
d. An excavator shall:

(1) Not operate any mechanized equipment within two feet horizontally of the outside wall of any underground facility marked in accordance with the provisions of this act, or marked in accordance with any rule, regulation, or order adopted pursuant to this act, unless the underground facility has first been located by hand digging. Mechanized equipment shall be used with proper care and under adequate supervision to avoid damage to the underground facility;

(2) Plan the excavation or demolition to avoid damage to and to minimize interference with underground facilities;

(3) Use reasonable care during excavation or demolition to avoid damage to or interference with underground facilities; and

(4) After commencement of excavation or demolition, protect and preserve the marking, staking, or other designation of an underground facility until the marking, staking, or other designation is no longer necessary for safe excavation or demolition.

e. An excavator shall immediately report to the operator of an underground facility any damage to the underground facility caused by or discovered by the excavator in the course of an excavation or demolition.

C.48:2-83 Proof of notification required for permission to excavate.

11. The provisions of any other law, rule, regulation or ordinance to the contrary notwithstanding, any permit or permission for a road opening, building, blasting, demolition or excavation granted by a public entity to an excavator that will result in excavation or demolition activity shall not be effective until the excavator provides proof to the public entity that the excavator has notified the One-Call Damage Prevention System pursuant to section 10 of this act. This proof may be provided by supplying the public entity with the confirmation number assigned to the notice of intent pursuant to subsection b. of section 4 of this act.

C.48:2-84 Nonapplicability to emergencies.

12. The provisions of this act shall not apply when an excavation or demolition is undertaken in response to an emergency, provided that the One-Call Damage Prevention System is notified at the earliest reasonable opportunity and that all reasonable precautions are taken to protect underground facilities.
CHAPTER 118, LAWS OF 1994

C.48:2-85 Map of pipeline; filing.

13. a. An operator of an interstate natural gas pipeline or an inter-
state hazardous liquid underground pipeline shall file a map depicting
the route of the pipeline in this State with the clerk of each municipali-
ity in the State through which the interstate pipeline passes, with the
board, and with the Department of Environmental Protection.

b. Nothing in this act shall be construed to modify or interfere
with the enforcement jurisdiction of the United States Department
of Transportation with regard to the operators of interstate pipelines.

C.48:2-86 Violation of act; injunction; civil penalties.

14. a. Whenever it appears to the board that a person has violated
any provision of this act, or any rule, regulation or order adopted
pursuant thereto, it may issue an order specifying the provision or
provisions of this act, or the rule, regulation or order of which the
person is in violation, citing the action which constituted the viola-
tion, ordering abatement of the violation, and giving notice to the
person of his right to a hearing on the matters contained in the order.
Such order shall be effective upon receipt and any person to whom
such order is directed shall comply with the order immediately.

b. The board may institute an action or proceeding in the
Superior Court for injunctive and other relief for any violation of
this act, or of any rule or regulation adopted pursuant to this act
and the court may proceed in the action in a summary manner. In
any such proceeding the court may grant temporary or interlocu-
tory relief, notwithstanding the provisions of R.S.48:2-24.

Such relief may include, singly or in combination:

(1) A temporary or permanent injunction; and

(2) Assessment of the violator for the costs of any investiga-
tion, inspection, or monitoring survey which led to the
establishment of the violation, and for the reasonable costs of pre-
paring and litigating the case under this subsection. Assessments
under this subsection shall be paid to the State Treasurer.

The board or an affected operator may institute an action in the
Superior Court to enjoin a person whose repeated failure to comply
with the provisions of this act constitutes a threat to public safety
from engaging in any further excavation or demolition work within
the State, except under such terms and conditions as the Superior
Court may prescribe to ensure the safety of the public.

c. The provisions of section 16 of this act to the contrary not-
withstanding, a person who is determined by the board, after
notice and opportunity to be heard, to have violated any provision
of this act or any rule, regulation, or order adopted pursuant thereto with respect to a natural gas underground pipeline or distribution facility, or a hazardous liquid underground pipeline or distribution facility, shall be liable to a civil penalty not to exceed $25,000 for each violation for each day the violation continues, except that the maximum civil penalty may not exceed $500,000 for any related series of violations.

Any civil penalty imposed pursuant to this subsection may be compromised by the board. In determining the amount of the penalty, or the amount agreed upon in compromise, the board shall consider the nature, circumstances, and gravity of the violation; the degree of the violator's culpability; any history of prior violations; the prospective effect of the penalty on the ability of the violator to conduct business; any good faith effort on the part of the violator in attempting to achieve compliance; the violator's ability to pay the penalty; and other factors the board determines to be appropriate.

The amount of the penalty when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the State to the person charged, or may be recovered, if necessary, in a summary proceeding pursuant to “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). The Superior Court shall have jurisdiction to enforce the provisions of “the penalty enforcement law” in connection with this act.

d. Pursuit of any remedy specified in this section shall not preclude the pursuit of any other remedy, including any civil remedy for damage to an operator's underground facilities or for damage to a person's property, provided by any other law. Administrative and judicial remedies provided in this section may be pursued simultaneously.

C.48:2-87 Illegal excavation; third-degree crime.

15. Any person who knowingly and willfully engages in an excavation without:
   a. First using the One-Call Damage Prevention System to determine the location of underground facilities in the area being excavated; or
   b. Heeding appropriate location information or markings established by any operator; or
   c. Otherwise complying with the provisions of this act; and who because of that violation damages an underground facility resulting in death, serious bodily harm, or actual damage to property or loss of service revenue exceeding $50,000, or damages an underground hazardous liquid pipeline facility resulting in the
release of more than 50 barrels of product, shall, upon conviction, be guilty of a crime of the third degree.

Nothing in this section shall limit the jurisdiction of the board with respect to natural gas pipeline safety or limit the jurisdiction of the board or a court of competent jurisdiction with respect to the civil administrative penalty and enforcement provisions of this act.

C.48:2-88 Penalty for operator violations.

16. a. An operator or excavator, or the person who operates the One-Call Damage Prevention System, who violates any provision of this act or any rule or regulation or order adopted pursuant thereto shall be liable to a civil penalty of not less than $1,000 and not more than $2,500 per day for each day the violation continues, except that the maximum civil penalty may not exceed $25,000 for any related series of violations.

b. Any civil action pursuant to subsection a. of this section may be brought in a court of this State by the board or by an affected operator. Nothing in this act shall affect any civil remedy for damage to an operator's underground facility or for actual damage to any person's property.

C.48:2-89 Notice failure, prima facie evidence of negligence.

17. Evidence that an excavation or demolition that results in any damage to an underground facility was performed without providing the notice required pursuant to section 10 of this act shall be prima facie evidence in any civil or administrative proceeding that the damage was caused by the negligence of the person engaged in the excavation or demolition.

C.48:2-90 Civil penalties to the State.

18. All civil penalties recovered pursuant to this act shall be paid into the General Fund.

C.48:2-91 Board's jurisdiction not affected.

19. Nothing in this act shall limit the jurisdiction of the board:

a. Over public utilities pursuant to R.S.48:2-1 et seq., notwithstanding the fact that a public utility may be an operator or excavator as defined in section 3 of this act; or

20. Section 1 of P.L.1989, c.80 (C.48:9-33) is amended to read as follows:
C.48:9-33 Penalties for violation of natural gas pipeline safety.

1. a. Any person who is determined by the Board of Public Utilities, after notice and opportunity to be heard, to have violated the provisions of any law, rule, regulation, or order relating to natural gas pipeline safety shall be subject to a civil penalty of not more than $25,000 for each such violation for each day that the violation persists, except that the maximum civil penalty shall not exceed $500,000 for any related series of violations.

b. Any civil penalty imposed pursuant to subsection a. of this section may be compromised by the board. In determining the amount of the penalty, or the amount agreed upon in compromise, the board shall consider the nature, circumstances, and gravity of the violation; the degree of the violator's culpability; any history of prior violations; the prospective effect of the penalty on the ability of the violator to conduct business; any good faith on the part of the violator in attempting to achieve compliance; his ability to pay the penalty; and any other factors justice may require. The amount of the penalty, when finally determined, or the amount agreed upon in compromise, may be deducted from any sums owing by the State to the person charged, or may be recovered in a summary proceeding instituted by the board in Superior Court in accordance with "the penalty enforcement law," N.J.S.2A:58-1 et seq.

c. Whenever it shall appear to the board that a person has violated, intends to violate, or will violate any provision of any law, rule, regulation, or order relating to natural gas pipeline safety, the board may institute a civil action in Superior Court for injunctive relief or for any other appropriate relief under the circumstances, and the court may proceed on any such action in a summary manner.

Repealer.

22. This act shall take effect 30 days after enactment.

Approved October 18, 1994.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.9:6-8.74 Short title.
1. This act shall be known and may be cited as the “New Jersey Task Force on Child Abuse and Neglect Act.”

AN ACT concerning the revenue cap established for acute care hospitals in 1993 and amending P.L.1992, c.160.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L.1992, c.160 (C.26:2H-18.53) is amended to read as follows:

C.26:2H-18.53 Revenue cap.
3. a. For the period January 1, 1993 to December 31, 1993, hereinafter referred to as the "transition year," the Hospital Rate Setting Commission shall establish a revenue cap for each hospital whose rates had been established prior to this period by the Hospital Rate Setting Commission under the diagnosis related group methodology pursuant to P.L.1978, c.83. The Hospital Rate Setting Commission shall establish the revenue cap effective January 1, 1993.

The revenue cap shall establish the maximum amount a hospital may collect in revenues in 1993 from all payers, but shall not include payments from the fund. The revenue cap shall be based upon the same financial elements used to prepare the preliminary cost base for 1992, but shall not include any amounts provided in 1992 for a subsidy to Blue Cross and Blue Shield of New Jersey, Inc. and for patient appeals. The revenue cap shall include:

(1) a component for a hospital’s bad debt as determined by the hospital’s payment for bad debt from the New Jersey Health Care Trust Fund in 1992 pursuant to P.L.1991, c.187 (C.26:2H-18.24 et al.), but the total amount allowed for bad debt plus the amount a hospital is eligible to receive from the fund for its charity care subsidy shall not exceed the total amount of uncompensated care payments the hospital received in 1992 from the New Jersey Health Care Trust Fund;

(2) the hospital specific amount agreed to by a hospital and the Hospital Rate Setting Commission pursuant to the 1990 voluntary settlement program (N.J.A.C.8:31B-3.65); and

(3) an amount to be determined by the Hospital Rate Setting Commission which represents a hospital’s share of the total outstanding reconciliation amounts as of December 31, 1992, including any reasonably projected reconciliation amounts for calendar year 1992, which total amount shall be adjusted so that a
hospital’s revenue cap does not exceed the hospital’s preliminary cost base for 1992.

b. In addition to the categories of revenues described in paragraphs (1), (2) and (3) of subsection a. of this section, which together shall constitute the hospital revenue cap for 1993, each hospital subject to this section may also retain any revenues collected in 1993 that represent an amount to provide for the financial impact of a certificate of need approved service or project that was not included in the hospital’s preliminary cost base for 1992. This addition will be calculated by the department as follows:

(1) For new inpatient services, the addition to the preliminary cost base is determined by multiplying the appropriate DRG rate by the 1993 admissions resulting from that new or expanded service.

(2) For any new outpatient services, the addition to the preliminary cost base is calculated by multiplying the appropriate charge by the number of admissions related to the new or expanded service.

(3) Increased debt service costs allocated to new patient services above that debt service included in the 1992 preliminary cost base will be additions to the 1992 preliminary cost base.

This addition to the cap for any hospital which implements a new certificate of need approved service in 1992 or 1993 shall be verified by the hospital’s auditor through an agreed-upon procedures report. The report shall be submitted in accordance with the procedures outlined by the department pursuant to subsection c. of this section. The department shall review and approve any addition to a hospital revenue cap due to new certificate of need projects prior to such additions being implemented.

The additional revenues that provide for the financial impact of a certificate of need approved service or project shall not be considered in the calculations of a hospital’s revenue cap or in the assessment of any revenue cap penalties levied pursuant to subsection d. of this section. A hospital shall continue to provide any public health services which were formerly supported by grant funds but whose costs were included in that hospital’s preliminary cost base for 1992 and shall provide for its regional hemophilia center and regional maternal and child health consortia, as applicable.

c. The department shall provide for an audit of a hospital’s revenues for 1993 in a time frame established by the department.

d. A hospital whose revenues exceeded its revenue cap during 1993 shall be liable to a civil penalty of payment of an amount not to exceed 1.5 times the amount of revenue in excess of the revenue cap.
CHAPTERS 120 & 121, LAWS OF 1994

The civil penalty provided for in this section shall be recovered in an administrative proceeding held pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). Any monies recovered pursuant to this penalty shall be deposited in the fund.

e. In order to minimize the disruption in the transition year, any discounts negotiated between hospitals and non-governmental third party payers shall reflect cost savings resulting from the efficient use of resources and not merely cost shifts from one payer to another. The final rate shall be mutually agreeable to both parties.

f. In the event that the revenues collected by a hospital during the transition year are insufficient, the State shall not be liable for any deficiency.

2. This act shall take effect immediately and shall be retroactive to January 1, 1993.

CHAPTER 121

AN ACT concerning the financial facilitation of criminal activity and supplementing chapter 21 of Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.2C:21-23 Findings, declarations.

1. The Legislature hereby finds and declares to be the public policy of this State, the following:

a. By enactment of the "Criminal Justice Act of 1970," P.L.1970, c.74 (C.52:17B-97 et seq.), the legislature recognized that the existence of organized crime and organized crime type activities present a serious threat to the political, social and economic institutions of this State.

b. By enactment of P.L.1981, c.167 (C.2C:41-1 et al.), the Legislature recognized the need to impose strict civil and criminal sanctions upon those whose activity is inimical to the general health, welfare and prosperity of this State, including, but not limited to, those who drain money from the economy by illegal conduct and then undertake the operation of otherwise legitimate businesses with the proceeds of illegal conduct.
c. By enactment of the "Comprehensive Drug Reform Act of 1987," P.L.1987, c.106 (C.2C:35-1 et seq.), the Legislature recognized the need to punish the more culpable drug offenders with strict, consistently imposed criminal sanctions. The Legislature intended a greater culpability for those who profit from the illegal trafficking of drugs and expressed an intent that such individuals be dealt with swiftly and sternly.

d. Despite the impressive efforts and gains of our law enforcement agencies, individuals still profit financially from illegal organized criminal activities and illegal trafficking of drugs, and they continue to pose a serious and pervasive threat to the health, safety and welfare of the citizens of this State while, at the same time, converting their illegally obtained profits into "legitimate" funds with the assistance of other individuals.

e. The increased trafficking in drugs and other organized criminal activities have strengthened the money laundering industry which takes illegally acquired income and makes that money appear to be legitimate. In order to safeguard the public interest and stop the conversion of ill-gotten criminal profits, effective criminal and civil sanctions are needed to deter and punish those who are converting the illegal profits, those who are providing a method of hiding the true source of the funds, and those who facilitate such activities. It is in the public interest to make such conduct subject to strict criminal and civil penalties because of a need to deter individuals and business entities from assisting in the "legitimizing" of proceeds of illegal activity. To allow individuals or business entities to avoid responsibility for their criminal assistance in money laundering is clearly inimical to the public good.

2. As used in this act:

"Attorney General" includes the Attorney General of the State of New Jersey and the Attorney General's assistants and deputies. The term also shall include a county prosecutor or the county prosecutor's designated assistant prosecutor if a county prosecutor is expressly authorized in writing by the Attorney General pursuant to this act.

"Derived from" means obtained directly or indirectly from, maintained by or realized through.

"Person" means any corporation, unincorporated association or any other entity or enterprise, as defined in subsection q. of
N.J.S.2C:20-1, which is capable of holding a legal or beneficial interest in property.

"Property" means anything of value, as defined in subsection g. of N.J.S.2C:20-1, and includes any benefit or interest without reduction for expenses incurred for acquisition, maintenance or any other purpose.

C.2C:21-25 Money laundering; illegal investment, crime.

3. A person is guilty of a crime if the person:
   a. transports or possesses property known to be derived from criminal activity; or
   b. engages in a transaction involving property known to be derived from criminal activity
      (1) with the intent to facilitate or promote the criminal activity; or
      (2) knowing that the transaction is designed in whole or in part
         (a) to conceal or disguise the nature, location, source, ownership or control of the property derived from criminal activity; or
         (b) to avoid a transaction reporting requirement under the laws of this State or any other state or of the United States; or
   c. directs, organizes, finances, plans, manages, supervises, or controls the transportation of or transactions in property known to be derived from criminal activity.
   d. For the purposes of this act, property is known to be derived from criminal activity if the person knows that the property involved represents proceeds from some form, though not necessarily which form, of criminal activity.

C.2C:21-26 Knowledge inferred.

4. For the purposes of section 3 of this act, the requisite knowledge may be inferred where the property is transported or possessed in a fashion inconsistent with the ordinary or usual means of transportation or possession of such property and where the property is discovered in the absence of any documentation or other indicia of legitimate origin or right to such property.

C.2C:21-27 Degrees of offense; penalties; nonmerger.

5. a. Where the amount involved is $75,000 or more, the offense defined in section 3 of this act constitutes a crime of the second degree; otherwise, the offense constitutes a crime of the third degree. The amount involved in a prosecution for violation of this section shall be determined by the trier of fact. Amounts involved in transactions conducted pursuant to one scheme or course of conduct may be aggregated in determining the degree of the offense.
b. In addition to any other dispositions authorized by this Title, upon conviction of a violation of this section, the court may sentence the defendant to pay an amount as calculated pursuant to subsection a. of section 6 of this act.

c. Notwithstanding N.J.S.2C:1-8 or any other provision of law, a conviction of an offense defined in this section shall not merge with the conviction of any other offense constituting the criminal activity involved or from which the property was derived, and a conviction of any offense constituting the criminal activity involved or from which the property was derived shall not merge with a conviction of an offense defined in section 3 of this act. Nothing in this act shall be construed in any way to preclude or limit a prosecution or conviction for any other offense defined in this Title or any other criminal law of this State.

C.2C:21-28 Civil action for treble damages; allocation.

6. a. The Attorney General may institute a civil action against any person who violates section 3 of this act, and may recover a judgment against all persons who violate this section, jointly and severally, for damages in an amount equal to three times the value of all property involved in the criminal activity, together with costs incurred for resources and personnel used in the investigation and litigation of both criminal and civil proceedings. The standard of proof in actions brought under this subsection is a preponderance of the evidence, and the fact that a prosecution for a violation of this act is not instituted or, where instituted, terminates without a conviction shall not preclude an action pursuant to this subsection. A final judgment rendered in favor of the State in any criminal proceedings shall estop the defendant from denying the same conduct in any civil action brought pursuant to this subsection.

b. The cause of action authorized by this section shall be in addition to and not in lieu of any forfeiture or any other action, injunctive relief or any other remedy available at law, except that where the defendant is convicted of a violation of this act, the court in the criminal action, upon the application of the Attorney General or the prosecutor, may in addition to any other disposition authorized by this Title, sentence the defendant to pay an amount equal to the damages calculated pursuant to the provisions of this subsection, whether or not a civil action has been instituted.

c. Notwithstanding any other provision of law, all monies collected pursuant to any judgment recovered or order issued pursuant to this section shall first be allocated to the payment of any State
tax, penalty and interest due and owing to the State as a result of
the conduct which is the basis for the action. Monies collected
shall be allocated next in accordance with the provisions of
N.J.S.2C:64-6 as if collected pursuant to chapter 64 of Title 2C, in
an amount equal to the amount of all property involved in the crim-
inal activity plus the costs incurred for resources and personnel
used in the investigation and litigation. The remainder of the mon-
ies collected shall be allocated to the General Fund of the State.

C.2C:21-29 Investigative interrogatives.
7. a. Whenever the Attorney General, by the Attorney General’s
own inquiry or as the result of a complaint, determines that there
exists reasonable suspicion that a violation of this act is occurring,
has occurred or is about to occur, or, whenever the Attorney Gen-
eral believes it to be in the public interest that an investigation be
made, the Attorney General may, prior to the institution of any
criminal or civil action, issue in writing and cause to be served
upon any person investigative interrogatories requiring the person
to answer and produce material for examination.

b. Any investigative interrogatories issued pursuant to this
subsection and all procedures related to such interrogatories shall
comply with the provisions of N.J.S.2C:41-5.

8. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. A new chapter 104 is added to Title 2C of the New Jersey Statutes as follows:

Definitions.

2C:104-1. Definitions.

a. A material witness is a person who has information material to the prosecution or defense of a crime.

b. A material witness order is a court order fixing conditions necessary to secure the appearance of a person who is unlikely to respond to a subpoena and who has information material to the prosecution or defense of a pending indictment, accusation or complaint for a crime or a criminal investigation before a grand jury.

Application for material witness order.

2C:104-2. Application for material witness order.

a. The Attorney General, county prosecutor or defendant in a criminal action may apply to a judge of the Superior Court for an order compelling a person to appear at a material witness hearing, if there is probable cause to believe that: (1) the person has information material to the prosecution or defense of a pending indictment, accusation or complaint for a crime or a criminal investigation before a grand jury and (2) the person is unlikely to respond to a subpoena. The application may be accompanied by an application for an arrest warrant when there is probable cause to believe that the person will not appear at the material witness hearing unless arrested.

b. The application shall include a copy of any pending indictment, complaint or accusation and an affidavit containing: (1) the name and address of the person alleged to be a material witness, (2) a summary
of the facts believed to be known by the alleged material witness and
the relevance to the criminal action or investigation, (3) a summary of
the facts supporting the belief that the person possesses information
material to the pending criminal action or investigation, and (4) a sum-
mary of the facts supporting the claim that the alleged material witness
is unlikely to respond to a subpoena.

c. If the application requests an arrest warrant, the affidavit
shall set forth why immediate arrest is necessary.

Order to appear.

a. If there is probable cause to believe that a material witness
order may issue against the person named in the application, the
judge may order the person to appear at a hearing to determine
whether the person should be adjudged a material witness.

b. The order and a copy of the application shall be served per-
sonally upon the alleged material witness at least 48 hours before
the hearing, unless the judge adjusts the time period for good
cause, and shall advise the person of:
(1) the time and place of the hearing; and
(2) the right to be represented by an attorney and to have an
attorney appointed if the person cannot afford one.
Source: New.

Arrest with warrant.

a. If there is clear and convincing evidence that the person
named in the application will not be available as a witness unless
immediately arrested, the judge may issue an arrest warrant. The
arrest warrant shall require that the person be brought before the
court immediately after arrest. If the arrest does not take place
during regular court hours, the person shall be brought to the
emergency-duty Superior Court judge.

b. The judge shall inform the person of:
(1) the reason for arrest;
(2) the time and place of the hearing to determine whether the
person is a material witness; and
(3) the right to an attorney and to have an attorney appointed if
the person cannot afford one.

c. The judge shall set conditions for release, or if there is clear
and convincing evidence that the person will not be available as a
witness unless confined, the judge may order the person confined
until the material witness hearing which shall take place within 48 hours of the arrest.

Arrest without warrant.

2C:104-5. Arrest Without Warrant.

a. A law enforcement officer may arrest an alleged material witness without a warrant only if the arrest occurs prior to the filing of an indictment, accusation or complaint for a crime or the initiation of a criminal investigation before a grand jury, and if the officer has probable cause to believe that:

(1) a crime has been committed;
(2) the alleged material witness has information material to the prosecution of that crime;
(3) the alleged material witness will refuse to cooperate with the officer in the investigation of that crime; and
(4) the delay necessary to obtain an arrest warrant or order to appear would result in the unavailability of the alleged material witness.

b. Following the warrantless arrest of an alleged material witness, the law enforcement officer shall bring the person immediately before a judge. If court is not in session, the officer shall immediately bring the person before the emergency-duty Superior Court judge. The judge shall determine whether there is probable cause to believe that the person is a material witness of a crime and, if an indictment, accusation or complaint for that crime has not issued or if a grand jury has not commenced a criminal investigation of that crime, the judge shall determine whether there is probable cause to believe that, within 48 hours of the arrest, an indictment, accusation or complaint will issue or a grand jury investigation will commence. The judge then shall proceed as if an application for a warrant has been made under N.J.S.2C:104-4.

Material witness hearing.

a. At the material witness hearing, the following rights shall be afforded to the person:

(1) the right to be represented by an attorney and to have an attorney appointed if the person cannot afford one;
(2) the right to be heard and to present witnesses and evidence;
(3) the right to have all of the evidence considered by the court in support of the application; and
(4) the right to confront and cross-examine witnesses.
b. If the judge finds that there is probable cause to believe that the person is unlikely to respond to a subpoena and has information material to the prosecution or defense of a pending indictment, accusation or complaint for a crime, or a criminal investigation before a grand jury, the judge shall determine that the person is a material witness and may set the conditions of release of the material witness.

c. If the judge finds by clear and convincing evidence that confinement is the only method that will secure the appearance of the material witness, the judge may order the confinement of the material witness.

d. The judge shall set forth the facts and reasons in support of the material witness order on the record.

Conditions of release; confinement.

a. A confined person shall not be held in jail or prison, but shall be lodged in comfortable quarters and served ordinary food.

b. The conditions of release for a material witness or for a person held on an application for a material witness order shall be the least restrictive to effectuate the appearance of the material witness. A judge may:

(1) place the witness in the custody of a designated person or organization agreeing to supervise the person;

(2) restrict the travel of the person;

(3) require the person to report;

(4) set bail; or

(5) impose other reasonable restrictions on the material witness.

c. A person confined shall be paid $40.00 per day, and when the interests of justice require, the judge may order additional payment not exceeding the actual financial loss resulting from the confinement. The party obtaining the material witness order bears the cost of confinement and payment unless the party is indigent.

Deposition.

A material witness may apply to the Superior Court for an order directing that a deposition be taken to preserve the witness's testimony. After the deposition is taken, the judge shall vacate the terms of confinement contained in the material witness order and impose the least restrictive conditions to secure the appearance of the material witness.

Although subsequent convictions for no more than two disorderly or petty disorderly offenses shall not be an absolute bar to relief, the nature of those conviction or convictions and the circumstances surrounding them shall be considered by the court and may be a basis for denial of relief if they or either of them
constitute a continuation of the type of unlawful activity embod­
ied in the criminal conviction for which expungement is sought.

CHAPTER 134

AN ACT concerning procedures for civil commitment of mentally ill and dangerous sexual offenders and other offenders and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. A small but dangerous group of sexual offenders and other violent offenders suffer from mental illness which renders them dangerous to others and for the protection of the public they are in need of involuntary civil commitment for treatment.
   b. The statutory standards for involuntary civil commitment define "mental illness" in terms of its impact on impairment of judgment, behavior and capacity to recognize reality. The statutory standard provides for involuntary commitment when such mental illness causes the person to be dangerous to self or dangerous to others or property. Recommendations concerning commitment too often are based on the presence or absence of psychosis.
   c. To ensure the public is not denied the protection that the Legislature intended to provide in enacting a law that calls for the involuntary civil commitment of the dangerous mentally ill, it is necessary to reaffirm and clarify the statutory standards for civil commitment and to revise the procedures governing release of offenders and civil commitment in order to ensure that the full benefits of the civil commitment law are realized.

2. N.J.S.2C:47-3 is amended to read as follows:

Disposition.
2C:47-3. Disposition.
   a. If the report of the examination reveals that the offender's conduct was characterized by a pattern of repetitive, compulsive
behavior, the court shall determine whether the offender's conduct was so characterized and shall record its findings on the judgment of conviction.

b. If the court finds that the offender's conduct was characterized by a pattern of repetitive, compulsive behavior, the court may, upon the recommendation of the Adult Diagnostic and Treatment Center, sentence the offender to the Center for a program of specialized treatment for his mental condition or place the offender on probation with the requirement, as a condition of probation, that he receive outpatient psychological or psychiatric treatment as prescribed.

c. A sentence of incarceration or probation imposed pursuant to subsection b. of this section shall be set in accordance with chapters 43, 44 and 45 of this code.

d. The court shall impose sentence in accordance with chapters 43, 44 and 45 of this Title and not as provided in subsection b. of this section:

(1) If it shall appear from the report of such examination made of such person that the offender's conduct was not characterized by a pattern of repetitive, compulsive behavior; or

(2) If the report of the examination does not recommend that the offender be sentenced to the Adult Diagnostic and Treatment Center for treatment or placed on probation conditioned upon receipt of treatment.

e. The court may, in its discretion, sentence an offender who is eligible for sentence pursuant to subsection b. of this section in accordance with chapters 43, 44 and 45 of this Title.

Other members of the patient's treatment team and any other witness with relevant information offered by the patient or the persons presenting the case for civil commitment shall also be permitted to testify at the hearing.

b. If the court finds that the patient does not need continued involuntary commitment, the court shall so order. A patient who is serving a term of incarceration shall be returned to the appropriate State, county or local authority to complete service of the
term of incarceration imposed until released in accordance with law, and any other patient shall be discharged by the facility within 48 hours of the court’s verbal order or by the end of the next working day, whichever is longer, with a discharge plan prepared pursuant to section 18 of P.L.1987, c.116 (C.30:4-27.18).

c. (1) The court may discharge the patient subject to conditions, if the court finds that the person does not need involuntary or continued involuntary commitment and the court finds:

(a) that the patient’s history indicates a high risk of rehospitalization because of the patient’s failure to comply with discharge plans; or

(b) that there is substantial likelihood that by reason of mental illness the patient will be dangerous to himself, others or property if the patient does not receive other appropriate and available services that render involuntary commitment unnecessary.

(2) Conditions imposed pursuant to this section shall include those recommended by the facility and mental health agency staff and developed with the participation of the patient. Conditions imposed on the patient shall be specific and their duration shall not exceed 90 days unless the court determines, in a case in which the Attorney General or a county prosecutor participated, that the conditions should be imposed for a longer period. If the court imposes conditions for a period exceeding six months, the court shall provide for a review hearing on a date the court deems appropriate but in no event later than six months from the date of the order. The review hearing shall be conducted in the manner provided in this section, and the court may impose any order authorized pursuant to this section.

(3) The designated mental health agency staff person shall notify the court if the patient fails to meet the conditions of the discharge plan, and the court shall issue an order directing that the person be taken to a screening service for an assessment. The court shall determine, in conjunction with the findings of a screening service, if the patient needs to be rehospitalized and, if so, the patient shall be returned to the facility. The court shall hold a hearing within 20 days of the day the patient was returned to the facility to determine if the order of conditional discharge should be vacated.

d. Notwithstanding subsection a. of this section, or any provision of sections 16, 17 or 18 of P.L.1987, c.116 (C.30:4-27.16 through 30:4-27.18), no person committed while serving a term of incarceration shall be discharged by the court or administratively discharged prior to the date on which the person’s maximum term would have expired had he not been committed. If a discharge plan has not been developed pursuant to section 18 of this act, it shall be developed forthwith.

b. If the patient is confined pursuant to an order entered under section 15 of P.L.1987, c.116 (C.30:4-27.15) in a case in which the Attorney General or a county prosecutor participated, the treatment team shall, no less than 10 days prior to the proposed date of administrative discharge, provide written notice to the committing court and to the person or persons who presented the case for involuntary commitment. 9. a. Any person whose DNA record or profile has been included in the State DNA database and whose DNA sample is stored in the State DNA databank may apply for expungement on the grounds that the conviction that resulted in the inclusion of the person's DNA record or profile in the State database or the inclusion of the person's DNA sample in the State databank has been reversed and the case dismissed. The person, either individually or through an attorney, may apply to the court for expungement of the record. If the entry in the database reflects more than one conviction, that
entry shall not be expunged unless and until the person has obtained an order of expungement for each conviction on the grounds contained in subsection a. of this section. If one of the bases for inclusion in the DNA database was other than conviction, that entry shall not be subject to expungement.

10. CHAPTER 137
AN ACT concerning domestic violence, amending and supplementing chapter 25 of Title 2C of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Notwithstanding any other provision of law to the contrary, whenever a defendant charged with a crime or an offense involving domestic violence is released from custody the prosecuting agency shall notify the victim.
2. Section 13 of P.L. 1991, c. 261 (C.2C:25-29) is amended to read as follows:

C.2C:25-29 Hearing procedure; relief.

13. a. A hearing shall be held in the Family Part of the Chancery Division of the Superior Court within 10 days of the filing of a complaint pursuant to section 12 of this act in the county where the ex parte restraints were ordered, unless good cause is shown for the hearing to be held elsewhere. A copy of the complaint shall be served on the defendant in conformity with the Rules of Court. If a criminal complaint arising out of the same incident which is the subject matter of a complaint brought under P.L. 1981, c. 426 (C.2C:25-1 et seq.) or P.L. 1991, c. 261 (C.2C:25-17 et seq.) has been filed, testimony given by the plaintiff or defendant in the domestic violence matter shall not be used in the simultaneous or subsequent criminal proceeding against the defendant, other than domestic violence contempt matters and where it would otherwise be admissible hearsay under the rules of evidence that govern where a party is unavailable. At the hearing the standard for proving the allegations in the complaint shall be by a preponderance of the evidence. The court shall consider but not be limited to the following factors:

(1) The previous history of domestic violence between the plaintiff and defendant, including threats, harassment and physical abuse;

(2) The existence of immediate danger to person or property;

(3) The financial circumstances of the plaintiff and defendant;

(4) The best interests of the victim and any child;

(5) In determining custody and visitation the protection of the victim’s safety; and

(6) The existence of a verifiable order of protection from another jurisdiction.

An order issued under this act shall only restrain or provide damages payable from a person against whom a complaint has been filed under this act and only after a finding or an admission is made that an act of domestic violence was committed by that person. The issue of whether or not a violation of this act occurred, including an act of contempt under this act, shall not be subject to mediation or negotiation in any form. In addition, where a temporary or final order has been issued pursuant to this act, no party shall be ordered to participate in mediation on the issue of custody or visitation.

b. In proceedings in which complaints for restraining orders have been filed, the court shall grant any relief necessary to prevent further abuse. At the hearing the judge of the Family Part of
the Chancery Division of the Superior Court may issue an order granting any or all of the following relief:

(1) An order restraining the defendant from subjecting the victim to domestic violence, as defined in this act.

(2) An order granting exclusive possession to the plaintiff of the residence or household regardless of whether the residence or household is jointly or solely owned by the parties or jointly or solely leased by the parties. This order shall not in any manner affect title or interest to any real property held by either party or both jointly. If it is not possible for the victim to remain in the residence, the court may order the defendant to pay the victim's rent at a residence other than the one previously shared by the parties if the defendant is found to have a duty to support the victim and the victim requires alternative housing.

(3) An order providing for visitation. The order shall protect the safety and well-being of the plaintiff and minor children and shall specify the place and frequency of visitation. Visitation arrangements shall not compromise any other remedy provided by the court by requiring or encouraging contact between the plaintiff and defendant. Orders for visitation may include a designation of a place of visitation away from the plaintiff, the participation of a third party, or supervised visitation.

(a) The court shall consider a request by a custodial parent who has been subjected to domestic violence by a person with visitation rights to a child in the parent's custody for an investigation or evaluation by the appropriate agency to assess the risk of harm to the child prior to the entry of a visitation order. Any denial of such a request must be on the record and shall only be made if the judge finds the request to be arbitrary or capricious.

(b) The court shall consider suspension of the visitation order and hold an emergency hearing upon an application made by the plaintiff certifying under oath that the defendant's access to the child pursuant to the visitation order has threatened the safety and well-being of the child.

(4) An order requiring the defendant to pay to the victim monetary compensation for losses suffered as a direct result of the act of domestic violence. The order may require the defendant to pay the victim directly, to reimburse the Violent Crimes Compensation Board for any and all compensation paid by the Violent Crimes Compensation Board directly to or on behalf of the victim, and may require that the defendant reimburse any parties that may have compensated the victim, as the court may determine.
Compensatory losses shall include, but not be limited to, loss of earnings or other support, including child or spousal support, out-of-pocket losses for injuries sustained, cost of repair or replacement of real or personal property damaged or destroyed or taken by the defendant, cost of counseling for the victim, moving or other travel expenses, reasonable attorney's fees, court costs, and compensation for pain and suffering. Where appropriate, punitive damages may be awarded in addition to compensatory damages.

(5) An order requiring the defendant to receive professional domestic violence counseling from either a private source or a source appointed by the court and, in that event, at the court's discretion requiring the defendant to provide the court at specified intervals with documentation of attendance at the professional counseling. The court may order the defendant to pay for the professional counseling.

(6) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim or of other family or household members of the victim and requiring the defendant to stay away from any specified place that is named in the order and is frequented regularly by the victim or other family or household members.

(7) An order restraining the defendant from making contact with the plaintiff or others, including an order forbidding the defendant from personally or through an agent initiating any communication likely to cause annoyance or alarm including, but not limited to, personal, written, or telephone contact with the victim or other family members, or their employers, employees, or fellow workers, or others with whom communication would be likely to cause annoyance or alarm to the victim.

(8) An order requiring that the defendant make or continue to make rent or mortgage payments on the residence occupied by the victim if the defendant is found to have a duty to support the victim or other dependent household members; provided that this issue has not been resolved or is not being litigated between the parties in another action.

(9) An order granting either party temporary possession of specified personal property, such as an automobile, checkbook, documentation of health insurance, an identification document, a key, and other personal effects.

(10) An order awarding emergency monetary relief, including emergency support for minor children, to the victim and other dependents, if any. An ongoing obligation of support shall be determined at a later date pursuant to applicable law.
(11) An order awarding temporary custody of a minor child. The court shall presume that the best interests of the child are served by an award of custody to the non-abusive parent.

(12) An order requiring that a law enforcement officer accompany either party to the residence or any shared business premises to supervise the removal of personal belongings in order to ensure the personal safety of the plaintiff when a restraining order has been issued. This order shall be restricted in duration.

(13) An order which permits the victim and the defendant to occupy the same premises but limits the defendant's use of that premises, but only if it is documented by the judge granting the order that:

(a) The plaintiff specifically and voluntarily requests such an order; and

(b) The judge determines that the request is made voluntarily and with the plaintiff's knowledge that the order may not provide the same protection as an order excluding the defendant from the premises and with the plaintiff's knowledge that the order may be difficult to enforce; and

(c) Any conditions placed upon the defendant in connection with the continued access to the premises and any penalties for noncompliance with those conditions shall be explicitly set out in the order and shall be in addition to any other remedies for noncompliance available to the victim.

(14) An order granting any other appropriate relief for the plaintiff and dependent children, provided that the plaintiff consents to such relief, including relief requested by the plaintiff at the final hearing, whether or not the plaintiff requested such relief at the time of the granting of the initial emergency order.

(15) An order that requires that the defendant report to the intake unit of the Family Part of the Chancery Division of the Superior Court for monitoring of any other provision of the order.

(16) An order prohibiting the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1 and ordering the search for and seizure of any such weapon at any location where the judge has reasonable cause to believe the weapon is located. The judge shall state with specificity the reasons for and scope of the search and seizure authorized by the order.

(17) An order prohibiting the defendant from stalking or following, or threatening to harm, to stalk or to follow, the complainant or any other person named in the order in a manner that, taken in the context of past actions of the defendant, would put the com-
plaintant in reasonable fear that the defendant would cause the death or injury of the complainant or any other person. Behavior prohibited under this act includes, but is not limited to, behavior prohibited under the provisions of P.L. 1992, c.209 (C.2C:12-10).

(18) An order requiring the defendant to undergo a psychiatric evaluation.

c. Notice of orders issued pursuant to this section shall be sent by the clerk of the Family Part of the Chancery Division of the Superior Court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency.

d. Upon good cause shown, any final order may be dissolved or modified upon application to the Family Part of the Chancery Division of the Superior Court, but only if the judge who dissolves or modifies the order is the same judge who entered the order, or has available a complete record of the hearing or hearings on which the order was based.

3. This act shall take effect immediately.

CHAPTER 142

AN ACT concerning the use and acceptance by banking institutions of certain forms of power of attorney and amending P.L.1991, c.95.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1991, c.95 (C.46:2B-10) is amended to read as follows:

C.46:2B-10 Definitions.

1. As used in this act:

“Account” means an agreement between a banking institution and its customer pursuant to which the banking institution accepts funds or property of the customer and agrees to repay or return the funds or property upon the terms and conditions specified in the agreement. The term “account” includes, but is not limited to, checking accounts, savings accounts, certificates of deposit and other types of time and demand accounts as banking institutions are authorized to enter into pursuant to applicable federal or State law. The term “account” does not include an agreement pursuant to which a banking institution agrees to act as a fiduciary within the meaning of the “Uniform Fiduciaries Law,” N.J.S.3B:14-52 et seq.

“Agent” means the person authorized to act for another person pursuant to a power of attorney. An agent may be referred to as an “attorney,” “attorney-in-fact” or “deputy” in the power of attorney.

“Banking institution” includes banks, savings banks, savings and loan associations and credit unions, whether chartered by the United States, this State or any other state or territory of the United States or a foreign country.

A thing is done “in good faith” when it is in fact done honestly, regardless of whether it is done negligently.

“Power of attorney” means a duly signed and acknowledged written document in which a principal authorizes an agent to act on his behalf.

“Principal” means a person executing a power of attorney.

“Safe deposit company” means a company operating pursuant to P.L.1983, c.566 (C.17:14A-1 et seq.).

2. Section 4 of P.L.1991, c.95 (C.46:2B-13) is amended to read as follows:
C.46-2B-13 Banking institutions to accept power of attorney.

4. With respect to banking transactions, banking institutions shall accept and rely on a power of attorney which conforms to this act and shall permit the agent to act and exercise the authority set forth in this act, provided that:

a. The banking institution shall refuse to rely on or act pursuant to a power of attorney if (1) the signature of the principal is not genuine, or (2) the employee of the banking institution who receives, or is required to act on, the power of attorney has received actual notice of the death of the principal, of the revocation of the power of attorney or of the disability of the principal at the time of the execution of the power of attorney;

b. The banking institution is not obligated to rely on or act pursuant to the power of attorney if it believes in good faith that the power of attorney does not appear to be genuine, that the principal is dead, that the power of attorney has been revoked or that the principal was under a disability at the time of the execution of the power of attorney. The banking institution shall have a reasonable time under the circumstances within which to decide whether it will rely on or act pursuant to a power of attorney presented to it, but it may refuse to act or rely upon a power of attorney first presented to it more than 10 years after its date or on which it has not acted for a 10-year period unless the agent is either the spouse, parent or a descendant of a parent of the principal;

c. If the power of attorney provides that it "shall become effective upon the disability of the principal" or similar words, the banking institution is not obligated to rely on or act pursuant to the power of attorney unless the banking institution is provided by the agent with proof to its satisfaction that the principal is then under a disability as provided in the power of attorney;

d. If the agent seeks to withdraw or pay funds from an account of the principal, the agent shall provide evidence satisfactory to the banking institution of his identity and shall execute a signature card in a form as required by the banking institution;

e. If the banking institution refuses to rely on or act pursuant to a power of attorney and the agent or principal has, in writing, provided the banking institution with an address of the agent, the institution shall notify the agent by a writing addressed to the address provided to it that the power of attorney has been rejected and the reason for the rejection;

f. The banking institution has viewed a form of power of attorney which contains an actual original signature of the principal. Alternatively, if the banking institution receives an affidavit
of the agent that such an original is not available to be presented, the banking institution may accept a photocopy of the power of attorney certified to be a true copy of the original by either (1) another banking institution or (2) the county recording office of the county in which the original was recorded.

3. This act shall take effect immediately.

Approved November 14, 1994.

CHAPTER 143

AN ACT authorizing the issuance of mine subsidence insurance by the New Jersey Insurance Underwriting Association and amending P.L.1968, c.129.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1968, c.129 (C.17:37A-1) is amended to read as follows:

C.17:37A-1 Policy declaration for mandatory program of essential insurance.

1. It is hereby declared that an adequate market for fire and extended coverage insurance, including mine subsidence insurance, is necessary to attract and retain private capital in central city areas, and various other areas of the State; that without such insurance it is impossible to supply needed goods and services, and expand job opportunities; that orderly community development depends upon an adequate supply of such insurance to enable homeowners to obtain financing for the purchase and improvement of their property; that while the need for such insurance is growing there is reason to believe that the market for same is constricting, and likely to become more constricted in the future; that voluntary efforts to provide fire and extended coverage insurance, including mine subsidence insurance, in areas likely to be unprofitable deserve praise, but are insufficient to meet the needs of these areas; that the State has an obligation to require every insurance company writing fire and extended coverage insurance in New Jersey to meet its public responsibilities, instead of shifting the entire burden to a few public spirited companies; that it is the purpose of this act to accept this
obligation; and that any mandatory program to provide fire and extended coverage insurance, including mine subsidence insurance, for all citizens of New Jersey should be supervised by the Commissioner of Insurance and periodically reviewed in the light of experience and intervening events by the Legislature.

CHAPTER 145

AN ACT concerning the extension of State and local permits, and amending P.L.1992, c.82.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1992, c.82 (C.40:55D-131) is amended to read as follows:

   C.40:55D-131 Findings, declarations.

2. The Legislature finds and determines that:
   a. There exists a state of economic emergency in the State of New Jersey, which began on January 1, 1989, and is anticipated to
extend at least through December 31, 1996, which has drastically affected various segments of the New Jersey economy, but none as severely as the State's banking, real estate and construction sectors.

b. The process of obtaining planning and zoning board of adjustment approvals for subdivisions, site plans and variances is difficult, time consuming and expensive, both for private applicants and government bodies.

c. The process of obtaining the myriad other government approvals, such as wetlands permits, sewer extension permits, on-site wastewater disposal permits, stream encroachment permits, highway access permits, and numerous waivers and variances, is also difficult and expensive; further, changes in the law can render these approvals, if expired or lapsed, impossible to renew or to re-obtain.

d. The current economic crisis has wreaked devastation on the building industry, and many landowners and developers are seeing their life's work destroyed by the lack of credit and dearth of buyers and tenants, due to uncertainty over the state of the economy and high levels of unemployment.

e. The construction industry and related trades are sustaining severe economic losses, and the lapsing of government development approvals is exacerbating those losses.

f. Due to the current inability of builders to obtain construction financing, under existing economic conditions, more and more once-approved permits are expiring or lapsing and, as these approvals lapse, lenders must re-appraise and thereafter substantially lower real estate valuations established in conjunction with approved projects, thereby requiring the reclassification of numerous loans which, in turn, affects the stability of the banking system and reduces the funds available for future lending, thus creating more severe restrictions on credit and leading to a vicious cycle of default.

g. As a result of the continued downturn of the economy, and the continued expiration of approvals which were granted by State and local governments, it is possible that thousands of government actions will be undone by the passage of time.

h. Obtaining an extension of an approval pursuant to existing statutory or regulatory provisions is both costly in terms of time and financial resources, and insufficient to cope with the extent of the present financial emergency; moreover, the costs imposed fall on the public as well as the private sector.

i. Obtaining extensions of approvals granted by State government is frequently impossible, always difficult, and always expensive and no policy reason is served by the expiration of
these permits, which were usually approved only after exhaustive
review of the application.

j. It is the purpose of this act to prevent the wholesale aban-
donment of approvals due to the present unfavorable economic
conditions, by tolling the expiration of these approvals until such
time as the economy improves, thereby preventing a waste of
public and private resources.

2. Section 3 of P.L.1992, c.82 (C.40:55D-132) is amended to
read as follows:

3. As used in this act:

"Approval" means any approval of a soil erosion and sediment con-
trol plan granted by a local soil conservation district under the authority
conferred by R.S.4:24-22 et seq., waterfront development permit issued
pursuant to R.S.12:5-1 et seq., permit issued pursuant to "The Wetlands
suant to the "Freshwater Wetlands Protection Act," P.L.1987, c.156
(C.13:9B-1 et seq.), approval of an application for development granted
by the Delaware and Raritan Canal Commission pursuant to the "Delae-
(C.13:13A-1 et seq.), permit issued by the Hackensack Meadowlands
Development Commission pursuant to the "Hackensack Meadowlands
seq.), approval of an application for development granted by the Pine-
lands Commission pursuant to the "Pinelands Protection Act," P.L.1979,
c.111 (C.13:18A-1 et seq.), permit issued pursuant to the "Coastal Area
approval granted pursuant to Title 26 of the Revised Statutes, permit
granted pursuant to R.S.27:7-1 et seq. or any supplement thereto, permit
granted by the Department of Transportation pursuant to Title 27 of the
Revised Statutes or under the general authority conferred by State law,
approval granted by a sewerage authority pursuant to the "sewerage
authorities law," P.L.1946, c.138 (C.40:14A-1 et seq.), approval granted
by a municipal authority pursuant to the "municipal and county utilities
authorities law," P.L.1957, c.183 (C.40:14B-1 et seq.), approval issued
by a county planning board pursuant to Chapter 27 of Title 40 of the
Revised Statutes, preliminary and final approval granted in connection
with an application for development pursuant to the "Municipal Land
Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.), permit granted pursu-
ant to the "State Uniform Construction Code Act," P.L.1975, c.217
permit or certification issued pursuant to the “Water Supply Management Act,” P.L.1981, c.262 (C.58:1A-1 et seq.), permit granted authorizing the drilling of a well pursuant to P.L.1947, c.377 (C.58:4A-5 et seq.), certification or permit granted, or exemption from a sewerage connection ban granted, pursuant to the “Water Pollution Control Act,” P.L.1977, c.74 (C.58:10A-1 et seq.), certification granted pursuant to “The Realty Improvement Sewerage and Facilities Act (1954),” P.L.1954, c.199 (C.58:11-23 et seq.), certification or approval granted pursuant to P.L.1971, c.386 (C.58:11-25.1 et al.), certification issued pursuant to the “Water Pollution Control Act,” P.L.1977, c.75 (C.58:11A-1 et seq.), approval granted pursuant to the “Safe Drinking Water Act,” P.L.1977, c.224 (C.58:12A-1 et seq.), stream encroachment permit issued pursuant to the “Flood Hazard Area Control Act,” P.L.1962, c.19 (C.58:16A-50 et seq.), any municipal or county approval or permit granted under the general authority conferred by State law, or any other government authorization of any development application or any permit related thereto whether that authorization is in the form of a permit, approval, license, certification, waiver, letter of interpretation, agreement or any other executive or administrative decision which allows a development to proceed.

“Development” means the division of a parcel of land into two or more parcels, the construction, reconstruction, conversion, structural alteration, relocation or enlargement of any building or other structure or facility, or of any grading, soil removal or relocation, excavation or landfill or any use or change in the use of any building or other structure or land or extension of the use of land.

“Economic emergency” means the period beginning January 1, 1989 and continuing through to December 31, 1996.

“Government” means any municipal, county, regional or State government, or any agency, department, commission or other instrumentality thereof.

3. Section 4 of P.L.1992, c.82 (C.40:55D-133) is amended to read as follows:

C.40:55D-133 Extension of approval.

4. a. For any government approval which expired or is scheduled to expire during the economic emergency, that approval is automatically extended until December 31, 1996, except as otherwise provided hereunder. Nothing in this act shall prohibit the granting of such additional extensions as are provided by law when the extensions granted by this act shall expire.
b. Nothing in this act shall be deemed to extend or purport to extend any permit issued by the government of the United States or any agency or instrumentality thereof, or to any permit by whatever authority issued of which the duration of effect or the date or terms of its expiration are specified or determined by or pursuant to law or regulation of the federal government or any of its agencies or instrumentalities.

c. Nothing in this act shall be deemed to extend any permit or approval issued pursuant to the "Pinelands Protection Act," P.L.1979, c.111 (C.13:18A-1 et seq.) if the extension would result in a violation of federal law, or any State rule or regulation requiring approval by the Secretary of the Interior pursuant to Pub.L.95-625 (16 U.S.C. § 471 (i)).

d. This act shall not affect any administrative consent order issued by the Department of Environmental Protection in effect or issued during the period of the economic emergency, nor shall it be construed to extend any approval in connection with a resource recovery facility as defined in section 2 of P.L.1985, c.38 (C.13:1E-137).

e. In the event that any permit extended pursuant to the "Permit Extension Act," P.L.1992, c.82 (C.40:55D-130 et seq.) was based upon the connection to a sanitary sewer system, the permit's extension shall be contingent upon the availability of sufficient capacity, on the part of the treatment facility, to accommodate the development whose approval has been extended. If sufficient capacity is not available, those permit holders whose permits have been extended shall have priority with regard to the further allocation of gallonage over those permit holders who have not received approval of a hookup prior to the enactment of the "Permit Extension Act." Priority regarding the distribution of further gallonage to any permit holder who has received the extension of a permit pursuant to the "Permit Extension Act" shall be allocated in order of the granting of the original approval of the connection.

f. This act shall not extend any approval issued under the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) in connection with an application for development involving a residential use where, subsequent to the expiration of the permit but prior to January 1, 1992, an amendment has been adopted to the master plan and the zoning ordinance to rezone the property to industrial or commercial use when the permit was issued for residential use.

g. In the case of any approval issued under the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.) which is extended pursuant to P.L.1992, c.82 (C.40:55D-130 et seq.), a municipality
may disapprove such an extension of approval for the period beyond January 1, 1996, if, subsequent to January 1, 1992, but prior to July 1, 1994, an amendment has been adopted to the master plan and the zoning ordinance to change the use of the property for which the approval was issued to a use different from the use for which the approval was issued. A municipal disapproval pursuant to this subsection shall be made prior to June 30, 1995.

h. Nothing in this act shall be deemed to extend any permit issued pursuant to the “Coastal Area Facility Review Act,” P.L.1973, c.185 (C.13:19-1 et seq.) that expires after December 31, 1994 but prior to January 1, 1997, if the permit was issued for a development located in the coastal area, as defined pursuant to section 4 of P.L.1973, c.185 (C.13:19-4), between the mean high water line of any tidal waters or the landward limit of a beach or dune, whichever is most landward, and a point 150 feet landward of the mean high water line of any tidal waters or the landward limit of a beach or dune, whichever is most landward.

4. This act shall take effect immediately.

Approved November 30, 1994.

No district board of elections shall permit any person to vote whose registration record shall be marked with the initial A or M in red ink or whose name shall appear on any list or notice furnished by the commissioner of registration to the effect that such voter has received an absentee ballot.

Whenever a civilian absentee ballot has been delivered to a voter less than 7 days prior to an election and up to 3 p.m. of the day before the election, and the signature copy registers are in the custody of other election officials, or in transit to or from such officials, the county clerk shall prepare a master list of all such ballots, which list shall be transmitted to the commissioner of registration in sufficient time to permit such commissioner to notify the appropriate municipal clerk. b. Except as provided in subsection a. of this section and subject to the applicable provisions of the code, the court may suspend the imposition of sentence on a person who has been convicted of an offense, or may sentence him as follows:

(1) To pay a fine or make restitution authorized by section 2C:43-3; or

(2) To be placed on probation and, in the case of a person convicted of a crime, to imprisonment for a term fixed by the court not exceeding 364 days to be served as a condition of probation, or in the case of a person convicted of a disorderly persons offense, to imprisonment for a term fixed by the court not exceeding 90 days to be served as a condition of probation; or

In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the crime or offense and the potential effect of the loss of driving privileges on the person's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial sentence.

d. This chapter does not deprive the court of any authority conferred by law to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty. Such a judgment or order may be included in the sentence.

e. The court shall state on the record the reasons for imposing the sentence, including its findings pursuant to the criteria for withholding or imposing imprisonment or fines under sections 2C:44-1 to 2C:44-3, where imprisonment is imposed, consideration of the defendant's eligibility for release under the law governing parole and the factual basis supporting its findings of particular aggravating or mitigating factors affecting sentence.

An Act concerning the membership of certain municipal planning boards and amending P.L.1975, c.291.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 14 of P.L.1975, c.291 (C.40:55D-23) is amended to read as follows:

C.40:55D-23 Planning board membership.
14. Planning board membership.
   a. The governing body may, by ordinance, create a planning board of seven or nine members. The membership shall consist of, for convenience in designating the manner of appointment, the four following classes:
   Class I--the mayor or the mayor's designee in the absence of the mayor or, in the case of the council-manager form of government pursuant to the Optional Municipal Charter Law, P.L.1950, c.210 (C.40:69A-1 et seq.) or "the municipal manager form of government law" (R.S.40:79-1 et seq.), the manager, if so provided by the aforesaid ordinance.
   Class II--one of the officials of the municipality other than a member of the governing body, to be appointed by the mayor; provided that if there be an environmental commission, the member of the environmental commission who is also a member of the planning board as required by section 1 of P.L.1968, c.245 (C.40:56A-1), shall be deemed to be the Class II planning board member for purposes of this act in the event that there be among the Class IV or alternate members of the planning board both a member of the zoning board of adjustment and a member of the board of education.
   Class III--a member of the governing body to be appointed by it.
   Class IV--other citizens of the municipality, to be appointed by the mayor or, in the case of the council-manager form of government pursuant to the Optional Municipal Charter Law, P.L.1950, c.210 (C.40:69A-1 et seq.) or "the municipal manager form of government law" (R.S.40:79-1 et seq.), by the council, if so provided by the aforesaid ordinance.

The members of Class IV shall hold no other municipal office, position or employment, except that in the case of nine-member boards, one such member may be a member of the zoning board of adjustment or historic preservation commission. No member of the board of education may be a Class IV member of the planning board, except that in the case of a nine-member board, one Class IV member may be a member of the board of education. If there be a municipal environmental commission, the member of
the environmental commission who is also a member of the planning board, as required by section 1 of P.L.1968, c.245 (C.40:56A-1), shall be a Class IV planning board member, unless there be among the Class IV or alternate members of the planning board both a member of the zoning board of adjustment or historic preservation commission and a member of the board of education, in which case the member common to the planning board and municipal environmental commission shall be deemed a Class II member of the planning board. For the purpose of this section, membership on a municipal board or commission whose function is advisory in nature, and the establishment of which is discretionary and not required by statute, shall not be considered the holding of municipal office.

b. The term of the member composing Class I shall correspond to the mayor’s or manager’s official tenure, or, if the member is the mayor’s designee in the absence of the mayor, the designee shall serve at the pleasure of the mayor during the mayor’s official tenure. The terms of the members composing Class II and Class III shall be for one year or terminate at the completion of their respective terms of office, whichever occurs first, except for a Class II member who is also a member of the environmental commission. The term of a Class II or Class IV member who is also a member of the environmental commission shall be for three years or terminate at the completion of his term of office as a member of the environmental commission, whichever occurs first. The term of a Class IV member who is also a member of the board of adjustment or board of education shall terminate whenever he is no longer a member of such other body or at the completion of his Class IV term, whichever occurs first. The terms of all Class IV members first appointed under this act shall be so determined that to the greatest practicable extent the expiration of such terms shall be distributed evenly over the first four years after their appointments; provided that the initial Class IV term of no member shall exceed four years. Thereafter, the Class IV term of each such member shall be four years. If a vacancy in any class shall occur otherwise than by expiration of the planning board term, it shall be filled by appointment, as above provided, for the unexpired term. No member of the planning board shall be permitted to act on any matter in which he has, either directly or indirectly, any personal or financial interest. Any member other than a Class I member, after a public hearing if he requests one, may be removed by the governing body for cause.
c. In any municipality in which the term of the municipal governing body commences on January 1, the governing body may, by ordinance, provide that the term of appointment of any class of member of the planning board appointed pursuant to this section shall commence on January 1. In any municipality in which the term of the municipal governing body commences on July 1, the governing body may, by ordinance, provide that the term of appointment of any class of member appointed pursuant to this section commence on July 1.

1. This act shall be known and may be cited as the "New Jersey Campus Sexual Assault Victim's Bill of Rights Act."

C.18A:61E-2 "Campus Sexual Assault Victim's Bill of Rights"; development; content.

2. The Commission on Higher Education shall appoint an advisory committee of experts which shall develop a "Campus Sexual Assault Victim's Bill of Rights" which affirms support for campus organizations which assist sexual assault victims and provides that the following rights shall be accorded to victims of sexual assaults that occur on the campus of any public or independent institution of higher education in the State and where the victim or alleged perpetrator is a student at the institution or when the victim is a student involved in an off-campus sexual assault.

a. The right to have any allegation of sexual assault treated seriously; the right to be treated with dignity; and the right to be notified of existing medical, counseling, mental health or student services for victims of sexual assault, both on campus and in the community whether or not the crime is reported to campus or civil authorities.

campus security policy as the individuals or organizations to whom students and employees should report criminal offenses.

The right to have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the crime occurred, and the right to the full and prompt cooperation and assistance of campus personnel in notifying the proper authorities. changing academic and living situations after an alleged sexual assault incident if so requested by the victim and if such changes are reasonably available.

3. In developing the “Campus Sexual Assault Victim’s Bill of Rights,” established by P.L.1994, c.160 (C.18A:61E-1 et seq.), the committee created pursuant to section 2 of P.L.1994, c.160 (C.18A:61E-2) shall review existing policies and procedures of public and independent institutions of higher education within the State and shall, as appropriate, incorporate those policies into a proposed bill of rights. C.18A:61E-5 Reports of suspected offenses.

5. Nothing in this act or in any “Campus Assault Victim’s Bill of Rights” developed in accordance with the provisions of this act, shall be construed to preclude or in any way to restrict any public or independent institution of higher education in the State from reporting any suspected crime or offense to the appropriate law enforcement authorities.

6. Notwithstanding any other provision of law to the contrary, no public or independent institution of higher education or its employees shall be liable for damages resulting from any exercise of judgment or discretion in connection with the performance of
their duties unless the actions evidence a reckless disregard for the
duties imposed by this act. Nothing in this section shall be deemed
to grant immunity to any person causing damage by his willful,
wanton or grossly negligent act of commission or omission.

7. This act shall take effect on September 1, 1995.

C.52:17A-7 Deputies, assistants; at-will, confidential employees.

7. Deputy Attorneys-General and Assistant Attorneys-General
in the Department of Law and Public Safety shall hold their

purposes of the “New Jersey Employer-Employee Relations Act,”

2. This act shall take effect immediately.

Approved December 19, 1994.

CHAPTER 162

AN ACT concerning the transfer of judicial and probation employees
from county payrolls to the State payroll, supplementing Title

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:
CHAPTER 162, LAWS OF 1994

C.2B:11-1 Short title.
   1. Sections 1 through 12 of this act shall be known and may be cited as “The Judicial Employees Unification Act.”

C.2B:11-2 Findings, declarations.
   2. The Legislature finds and declares that:
      a. As a result of voter approval in November of 1992 of a constitutional amendment and pursuant to the provisions of the “State Judicial Unification Act,” P.L.1993, c.275 (C.2B:10-1 et seq.), the State is to assume certain costs of the judicial system;
      b. The most important resource of the judicial system is its personnel;
      c. State assumption of the costs of the judicial system offers the opportunity to bring judicial employees, whose positions were previously funded by the 21 counties, into a truly unified judiciary;
      d. Both the representatives of the judiciary and the majority representative of the employees of the judiciary have freely and voluntarily entered into a letter of agreement, not part of this act, concerning certain aspects, as described therein, of the employer-employee relations process in the judiciary, which letter is enforceable in accordance with its terms;
      e. It is, therefore, altogether fitting and proper to ensure fair treatment of county judicial employees upon their transfer to State service and in the process effectuate a unified judiciary so that its more than 7,800 trial court employees, together with the 1,500 State-level judicial employees, will provide greater effectiveness in the trial court operations, greater accountability in the courts and greater flexibility in meeting the demands placed on the State’s judiciary.

C.2B:11-3 Definitions.
   3. As used in this act,
      b. “State judicial employee” means any person, including but not limited to transferred employees, employed by the State on or after January 1, 1995, to provide any services and direct support necessary for the effective operation of the judicial system, including but not limited to employees working for the courts and the law library, employees who act as court aides and those involved in bail processing and probation, and excluding justices and judges as defined in N.J.S.2B:2-4.
c. "Department" means the Department of Personnel.

d. "Medicare" means the coverage provided under Title XVIII of the Social Security Act as amended in 1965 or its successor plan or plans.

C.2B:11-4 Elections for majority representatives.

4. Elections to establish majority representatives in new Statewide collective negotiations units will be conducted in accordance with the provisions of P.L.1941, c.100 (C.34:13A-1 et seq.) with such elections to be conducted by the Public Employment Relations Commission (PERC). As soon after the enactment of this act as is practicable, there shall be a 30-day open period during which representation petitions may be filed to determine statewide negotiations units and majority representatives of judicial employees. PERC shall conduct elections as soon thereafter as is practicable. Judges' secretaries, law clerks and Central Appellate Research staff shall not be eligible for representation by employee organizations under provisions of the New Jersey Employer-Employee Relations Act, P.L.1941, c.100 (C.34:13A-1 et seq.) nor shall those employees who are confidential employees or managerial executives under that act. Notwithstanding any representation proceedings which occur pursuant to this section, the judiciary shall continue to negotiate in good faith in county-based negotiations units where collective negotiations agreements for 1994 have not been executed.

C.2B:11-5 State service applicable; transferred employees; personnel procedures.

5. a. Subject to the judiciary's rights to create new unclassified positions and make unclassified appointments under court rule, and with the exception of employees of the Administrative Office of the Courts under N.J.S.2A:12-2, and certain positions in the centralized Clerks Offices under subsection b. of N.J.S.2B:13-1 or N.J.S.2B:13-13, the judiciary's personnel practices shall be governed by the State Government Services provisions of Title 11A of the New Jersey Statutes and the rules promulgated thereunder. Transferred employees holding provisional, permanent or probationary civil service status at the time of transferring to State service shall retain such status and attendant rights as are available in those categories under State career service. Transferred employees who were in a provisional title under the provisions of subsection b. of N.J.S.11A:4-13 prior to transferring to State service, shall not be subject to displacement by persons on preexisting State eligibility lists, including special reemploy-
ment, regular employment and open competitive lists, for the title held by the provisional employees. Employees in the unclassified service, pursuant to N.J.S.11A:3-5, N.J.S.2B:5-2 or Rule 1:33 of the Rules Governing the Courts of New Jersey, shall retain such status and attendant rights.

b. No later than December 1, 1994, each county shall submit to the judiciary lists identifying all transferred employees for review by the judiciary and majority representatives of judicial employees. The judiciary shall, within five working days of receipt, provide a copy to the department and the majority representatives of judicial employees. Such lists shall show each transferred employee's current title, civil service status and date of appointment to that title, and the employee's permanent title and date of appointment if the employee is currently holding a provisional appointment and the employee is permanent in another title. Within 120 days from the date of submission of such lists by the judiciary to the department, the department shall announce tests for generating promotional and open competitive lists for judicial positions where provisional appointments have been made or where there is a need for promotional or open competitive tests by request of the appointing authority.

c. Any civil service promotional list affecting transferred employees or employees to be transferred which expires between the date of the enactment of this act and June 30, 1995 shall be extended provided that the life of the list does not have a duration of more than 54 months, except where a newer civil service promotional list is in existence. If the list is a county-based list, the list shall be used only in that particular county. Existing county special or regular reemployment lists will be used when applicable.

d. In the event the judiciary or the department conducts a system-wide classification study and a result thereof is that an existing title is abolished and replaced with another title, employees who were permanent in the abolished title shall be made permanent in the replacement title. Such permanency shall be made effective retroactive to the date of permanency in the abolished title provided the duties, responsibilities and qualifications are substantially comparable to or less than those of the employee’s previous title. In the event the duties, responsibilities and qualifications are not substantially comparable to or less than those of the previous title, the employee shall be made permanent in the replacement title as of the date of the reclassification.
e. Notwithstanding the provisions of Title 11A of the New Jersey Statutes and the rules promulgated thereunder, during the period which begins on January 1, 1995 and ends on June 30, 1998, the judiciary, in consultation with the department, shall establish a compensation plan for State judicial employees. Consultation with the department shall involve that department's representation at collective negotiations sessions and review of the possible impact on the executive branch of any compensation plan or pay schedule which the judiciary contemplates.

(1) During this period, the compensation plan, pay schedules, holidays and overtime shall not be preempted from the scope of negotiations for State judicial employees, provided however that the department shall continue to have the responsibility for the classification of positions for State judicial employees and for the administration of the compensation plan and pay schedules which are established for State judicial employees.

(2) On or before September 30, 1997, the commissioner of the department, after taking into consideration the previously negotiated compensation plan, shall prepare a proposed compensation plan for State judicial employees to become effective no later than July 1, 1998, which either adopts the compensation plan developed by the judiciary or proposes modifications in such plan, together with express written reasons therefor. If the judiciary or any of its collective negotiations representatives disagrees with all or any part of such proposed modifications, the disputed issues shall be submitted to a reviewer mutually selected by the commissioner, the Administrative Director of the Courts and a designee of the judiciary's majority representatives. The reviewer shall submit a report and recommendations to the Merit System Board, which shall render the final binding determination prior to June 30, 1998.

(3) Nothing contained in this subsection shall affect any rights of employees in any branch of State government other than the judicial branch, nor shall anything contained herein be construed to create a different scope of negotiations than that applied to executive branch employees, except for the provisions contained in subsection e. (1) which provide a broader scope of negotiations for a limited 42 month period.

f. On or before December 31, 1994, each county shall transfer to the assignment judge for that county the official personnel file of each transferred employee.
C.2B:11-6 Seniority, benefits, etc. transferred.

6. a. Transferred employees who become State judicial employees shall receive State credit for years of employment service retroactive to the date utilized by the county of employment as of December 31, 1994, to determine credit for employment service and computation of Supplemental Compensation on Retirement (SCOR).

b. Notwithstanding the provisions of sections 7 and 8 of P.L.1981, c.417 (C.2A:17-56.13 and C.2A:17-56.14), beginning January 1, 1995, the State shall honor and accept all wage garnishment and child support orders entered against all transferred employees at the time of the transfer. Judgment creditors and county probation departments with wage garnishments and child support orders in place against transferred employees will not be required to re-serve the State with the appropriate order or notice to maintain the garnishment or child support order in place at the time of the transition. Each county shall be required 45 days before the transition to provide the State with the names of those transferred employees subject to garnishments, either under court order or by notice of the county probation department, and copies of each order or notice to enable the State to honor the garnishment or child support order. The State shall be required to withhold only 50% of the amount due under the wage garnishment or child support order in effect at the time of transfer for the first pay period under which the transferred employees are placed onto the State payroll. Furthermore, each county shall be solely responsible for complying fully with the terms of all wage garnishment and child support orders in effect up until and through December 31, 1994.

c. Accumulated vacation leave and sick leave for transferred employees shall be transferred and credited to their State leave accounts immediately upon their becoming State judicial employees, but no employee may bring to State service more vacation leave time than that amount normally allotted to that employee in that county in calendar year 1994. Compensatory time and personal or administrative leave as well as accumulated vacation leave in excess of time earned in calendar year 1994 in county-funded employment shall not be transferable to State service but shall remain a county obligation. The determination of how to satisfy this obligation, whether to be granted by the judiciary as paid time off during 1994 or paid to the employee by the county by December 31, 1994, consistent with their policies or contractual obligations, shall be made by the assignment judge. Transferred
employees who become State judicial employees pursuant to this act shall not be considered new employees, and any legislation requiring State residency of new State employees or which limits any benefits of new State employees shall not apply to them.

C.2B:11-7 Transfer to the Public Employees’ Retirement System.

7. a. Any transferred employee who is a member of a county pension fund or retirement system shall become a member of the Public Employees’ Retirement System (PERS) on January 1, 1995, subject to the same conditions and entitled to the same rights and benefits applicable to other employees of the State. Any credit for public service which has been established in the county pension fund or retirement system for the transferred employee shall be credited to the transferred employee under PERS. The contribution rate of the member of PERS shall be determined in the manner set forth in section 25 of P.L.1954, c.84 (C.43:15A-25), except that the number of years of service under the county pension fund or retirement system credited under PERS shall be deducted from the member’s age in determining the age upon which the contribution rate is based.

b. c. An adoptive parent, may be established by proof of adoption;

d. The natural mother or the natural father, may be terminated by an order of a court of competent jurisdiction in granting a judgment of adoption or as the result of an action to terminate parental rights.

e. The establishment of the parent and child relationship pursuant to subsections a., b., and c. of this section shall be the basis upon which an action for child support may be brought by a party and acted upon by the court without further evidentiary proceedings.

2. Section 11 of P.L.1983, c.17 (C.9:17-48) is amended to read as follows:

C.9:17-48 Consent conference; blood, genetic tests; presumption.

11. a. As soon as practicable after an action to declare the existence or nonexistence of the father and child relationship has been brought, a consent conference shall be held by the Superior Court, Chancery Division, Family Part intake service, the county probation department or the county welfare agency. A court appearance shall be scheduled in the event that a consent agreement cannot be reached.

b. On the basis of the information produced at the conference, an appropriate recommendation for settlement shall be made to the parties, which may include any of the following:

(1) That the action be dismissed with or without prejudice; or
(2) That the alleged father voluntarily acknowledge his paternity of the child.

c. If the parties accept a recommendation made in accordance with subsection b. of this section, which has been approved by the court, judgment shall be entered accordingly.

d. If a party refuses to accept a recommendation made under subsection b. of this section or the consent conference is terminated because it is unlikely that all parties would accept a recommendation pursuant to subsection b. of this section, and blood tests or genetic tests have not been taken, the court shall require the parties to submit to blood tests or genetic tests if the court determines that there is an articulable reason for suspecting that the alleged father is the natural father. The tests shall be scheduled within 10 days and shall be per-
formed by qualified experts. Thereafter the Family Part intake service, with the approval of the court, shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action shall be set for trial, except when the results of the blood test or genetic test indicate that the specific threshold probability as set by the State to establish paternity has been met or exceeded.

If the results of the blood test or genetic test indicate that the specific threshold probability as set by the State to establish paternity has been met or exceeded, the results shall be received in evidence as a conclusive presumption of paternity and no additional foundation testimony or proof of authenticity or accuracy shall be required to establish paternity. In actions based on allegations of fraud or inaccurate analysis, the court shall require that the additional blood test or genetic test be scheduled within 10 days and be performed by qualified experts. The test shall be paid for by the moving party.

If a party objects to the blood test or genetic test, the party shall make the objection to the appropriate agency, in writing, within 10 days of receipt of the results.

e. The guardian ad litem may accept or refuse to accept a recommendation under this section.

g. No evidence, testimony or other disclosure from the consent conference shall be admitted as evidence in a civil action except by consent of the parties. However, blood tests or genetic tests ordered pursuant to subsection d. of this section may be admitted as evidence.

h. The refusal to submit to a blood test or genetic test required pursuant to subsection d. of this section, or both, shall be admitted into evidence and shall give rise to the presumption that the results of the test would have been unfavorable to the interests of the party who refused to submit to the test. Refusal to submit to a blood test or genetic test, or both, is also subject to the contempt power of the court.

3. R.S.26:8-28 is amended to read as follows:

Birth certificate required; Social Security numbers of parents; blood type of child.

For the purposes of this subsection, “State IV-D agency” means the agency in the Department of Human Services designated to administer the Title IV-D Child Support Program.

c. The State registrar shall require each parent to provide his Social Security number in accordance with procedures established by the State registrar. The Social Security numbers furnished pursuant to this section shall be used exclusively for child support enforcement purposes.

d. The certificate of birth shall include the blood type of the child.

4. R.S.26:8-30 is amended to read as follows:

Duty of physician or midwife in attendance at birth; Certificate of Parentage.

26:8-30. The attending physician, midwife or person acting as the agent of the physician or midwife, who was in attendance upon the birth shall be responsible for the proper execution and return of a certificate of birth, which certificate shall be upon the form provided or approved by the State department, and for making available to the mother and natural father a Certificate of Parentage along with related information as required by the State IV-D agency. It shall be the responsibility of personnel at the hospital or birthing facility to offer an opportunity to the child’s natural father to execute a Certificate of Parentage. Failure of the natural father or mother to execute the Certificate of Parentage and the date of the request shall be noted on the Certificate of Parentage. The Certificate of Parentage shall be filed with the State IV-D agency or its designee. The provision of services related to paternity acknowledgment shall not be required when a legal action is pending in the case, such as adoption, or State law prohibits such intervention.

For the purposes of this section, “State IV-D agency” means the agency in the Department of Human Services designated to administer the Title IV-D Child Support Program.

5. R.S.26:8-31 is amended to read as follows:

a. The father or mother of the child;
b. The manager or superintendent of the public or private institution in which the birth occurred.

C.9:17-52.1 Default order, effect.

6. A default order shall be entered in a contested paternity action upon a showing that proper notice has been served upon the party and the party has failed to appear at a hearing or trial; or has failed to respond to a notice or order that required a response within a specific period of time. A default order entered pursuant to this section shall be determinative for purposes of establishing the existence of paternity when proper notice has been served and a sworn statement by the mother indicating the parentage of the child has been executed.

C.26:8-28.1 Contents of Certificate of Parentage; Social Security number collection.

7. A Certificate of Parentage may serve to satisfy the method of collection of Social Security numbers as required pursuant to subsection c. of R.S.26:8-28 and shall serve as the voluntary acknowledgement of paternity by a father. The Certificate of Parentage shall contain, at a minimum, the following information:

a. a sworn statement by the father that he is the natural father of the child;
b. the Social Security numbers and addresses of the father and mother;
c. the signature of the mother and father authenticated by a witness or notary; and
d. instructions for filing the Certificate of Parentage with the agency designated by the State IV-D agency.

In addition, the State IV-D agency, in cooperation with birthing centers and hospitals providing maternity services, shall provide written information to the father and mother of the child explaining the implications of signing a Certificate of Parentage, including the parental rights, responsibilities and financial obligations, as well as the availability of paternity establishment services and child support enforcement services.

AN ACT concerning free public education for a child whose parent or guardian is called into active military service and amending N.J.S.18A:38-1 and N.J.S.18A:38-3.
CHAPTER 169, LAWS OF 1994

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:38-1 is amended to read as follows:

Attendance at school free of charge.

18A:38-1. Public schools shall be free to the following persons over five and under 20 years of age:

a. Any person who is domiciled within the school district;

b. (1) Any person who is kept in the home of another person domiciled within the school district and is supported by such other person gratis as if he were such other person's own child, upon filing by such other person with the secretary of the board of education of the district, if so required by the board, a sworn statement that he is domiciled within the district and is supporting the child gratis and will assume all personal obligations for the child relative to school requirements and that he intends so to keep and support the child gratuitously for a longer time than merely through the school term, and a copy of his lease if a tenant, or a sworn statement by his landlord acknowledging his tenancy if residing as a tenant without a written lease, and upon filing by the child's parent or guardian with the secretary of the board of education a sworn statement that he is not capable of supporting or providing care for the child due to a family or economic hardship and that the child is not residing with the resident of the district solely for the purpose of receiving a free public education within the district. The statement shall be accompanied by documentation to support the validity of the sworn statements, information from or about which shall be supplied only to the board and only to the extent that it directly pertains to the support or nonsupport of the child. If in the judgment of the board of education the evidence does not support the validity of the claim by the resident, the board may deny admission to the child. The resident may contest the board's decision to the commissioner within 21 days of the date of the decision and shall be entitled to an expedited hearing before the commissioner on the validity of the claim and shall have the burden of proof by a preponderance of the evidence that the child is eligible for a free education under the criteria listed in this subsection. The board of education shall, at the time of its decision, notify the resident in writing of his right to contest the board's decision to the commissioner within 21 days. No child shall be denied admission during the
pendency of the proceedings before the commissioner. In the event the child is currently enrolled in the district, the student shall not be removed from school during the 21-day period in which the resident may contest the board’s decision nor during the pendency of the proceedings before the commissioner. If in the judgment of the commissioner the evidence does not support the claim of the resident, he shall assess the resident tuition for the student prorated to the time of the student’s ineligible attendance in the school district. Tuition shall be computed on the basis of \(1/180\) of the total annual per pupil cost to the local district multiplied by the number of days of ineligible attendance and shall be collected in the manner in which orders of the commissioner are enforced. Nothing shall preclude a board from collecting tuition from the resident, parent or guardian for a student’s period of ineligible attendance in the schools of the district where the issue is not appealed to the commissioner;

(2) If the superintendent or administrative principal of a school district finds that the parent or guardian of a child who is attending the schools of the district is not domiciled within the district and the child is not kept in the home of another person domiciled within the school district and supported by him gratis as if the child was the person’s own child as provided for in paragraph (1) of this subsection, the superintendent or administrative principal may apply to the board of education for the removal of the child. The parent or guardian shall be entitled to a hearing before the board and if in the judgment of the board the parent or guardian is not domiciled within the district or the child is not kept in the home of another person domiciled within the school district and supported by him gratis as if the child was the person’s own child as provided for in paragraph (1) of this subsection, the board may order the transfer or removal of the child from school. The parent or guardian may contest the board’s decision before the commissioner within 21 days of the date of the decision and shall be entitled to an expedited hearing before the commissioner and shall have the burden of proof by a preponderance of the evidence that the child is eligible for a free education under the criteria listed in this subsection. The board of education shall, at the time of its decision, notify the parent or guardian in writing of his right to contest the decision within 21 days. No child shall be removed from school during the 21-day period in which the parent may contest the board’s decision or during the pendency of the proceedings before the commissioner. If in the judgment of
the commissioner the evidence does not support the claim of the parent or guardian, the commissioner shall assess the parent or guardian tuition for the student prorated to the time of the student’s ineligible attendance in the schools of the district. Tuition shall be computed on the basis of 1/180 of the total annual per pupil cost to the local district multiplied by the number of days of ineligible attendance and shall be collected in the manner in which orders of the commissioner are enforced. Nothing shall preclude a board from collecting tuition from the parent or guardian for a student’s period of ineligible attendance in the schools of the district where the issue is not appealed to the commissioner;

The provisions of this section requiring proof of support, custody or tenancy shall not apply to a person keeping a child in his home whose parent or guardian is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States and who has been ordered into active military service in any of the armed forces of the United States in time of war or national emergency. In such a situation, the child shall be eligible to enroll in the district in which he is being kept, and no tuition shall be charged by the district. Following the return of the child’s parent or guardian from active military service, the child’s eligibility for enrollment without tuition in the district in which he or she is being kept shall cease at the end of the current school year;

c. Any person who fraudulently allows a child of another person to use his residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his child to a person in another district commits a disorderly persons offense;

d. Any person whose parent or guardian, even though not domiciled within the district, is residing temporarily therein, but any person who has had or shall have his all-year-round dwelling place within the district for one year or longer shall be deemed to be domiciled within the district for the purposes of this section;

e. Any person for whom the Division of Youth and Family Services in the Department of Human Services is acting as guardian and who is placed in the district by said bureau;

f. Any person whose parent or guardian moves from one school district to another school district as a result of being homeless and whose district of residence is determined pursuant to section 19 of P.L.1979, c.207 (C.18A:7B-12).
2. N.J.S. 18A:38-3 is amended to read as follows:

Admission for nonresident of school district; parent on active duty.

18A:38-3. a. Any person not resident in a school district, if eligible except for residence, may be admitted to the schools of the district with the consent of the board of education upon such terms, and with or without payment of tuition, as the board may prescribe.

b. Any person not resident in a school district, if eligible except for residence, and if that person previously was a resident of the district, shall be admitted to the schools of the district without payment of tuition if that person's parent or guardian is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States and has been ordered into active military service in any of the armed forces of the United States in time of war or national emergency, resulting in the relocation of the student out of the district. A school district admitting a student pursuant to this subsection shall not be obligated for transportation costs.

3. This act shall take effect immediately.

Approved December 20, 1994.

CHAPTER 170

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.19:31-10.1 Voter registration records; electronic data processing, use.

1. In those counties in which the commissioner of registration employs electronic data processing equipment to file and store registration information for the voters registered in the county, the commissioner may eliminate use of original permanent registration binders, as provided for in R.S.19:31-10, and use in their place the electronic data processing equipment if:

a. the voter registration information for each voter that is filed and stored in the electronic data processing equipment is made identical with the voter registration information for each voter
that is required to be in the original permanent registration binder pursuant to R.S.19:31-3;

b. the voting information for each voter that is required to be entered in the original permanent registration binders after each election, pursuant to R.S.19:31-23, is entered into the appropriate voter registration records of each voter contained in the electronic data processing equipment after each election; and

c. the commissioner maintains in a permanent and separate file the original completed voter registration form of each voter, and any new or amended forms filed by that voter.

C.19:31-3.3 Digitalized images of signatures, use.

2. In those counties in which the commissioner of registration employs data processing equipment capable of creating or receiving, storing, and printing a digitalized image of the signature of a person registered to vote, the commissioner may eliminate the use of the duplicate permanent registration binders and may authorize and direct the use at the polls in place of such a binder, as a signature copy register for the purposes of this Title, Title 40 of the Revised Statutes, and N.J.S.18A:14-47, of a polling record which identifies on each page the election at which the record is used, which indicates for each registrant the name and address of the registrant and identifies the municipality and the particular election district therein from which the person is registered, and which includes adjacent to the registrant's name and address an imprint of the digitalized image of the registrant's signature and sufficient space, immediately to the left or right of that imprint, for the registrant to sign the record, which imprint and signature shall be used as the signature comparison record as prescribed by this Title. The polling record shall also include for each registrant sufficient space for the notation of remarks as provided by R.S.19:15-23 and for the recording of any challenge and the determination thereof by the district board as provided by R.S.19:15-24, or by other elections officials charged with the same duties as the district board in connection with the conduct of an election. In the case of a primary election, the polling record shall also indicate for each registrant the political party, if any, of which the registrant is a member for the purpose of voting at that primary election.

Polling records for each election shall be prepared by the commissioner of registration not later than the 14th day preceding the election. At each election, the delivery of the polling records to the municipal clerk or secretary of the board of education in a
Type II school district, as appropriate, and to the district boards or other elections officials charged with the same duties as the district board in connection with the conduct of an election, and the return of those records by the district boards or such other elections officials to the commissioner of registration, shall be made in the manner and in accordance with the schedule prescribed by law for the delivery and return at that election of the signature copy registers.

The commissioner of registration shall retain the polling records for any election for a period of not less than six years following that election.

3. R.S.19:31-7 is amended to read as follows:

19:31-7. For the convenience of the voters the respective municipal clerks or their duly authorized clerk or clerks in all municipalities shall also be empowered to register applicants for permanent registration up to and including the twenty-ninth day preceding any election and after any such election in the manner indicated above, subject to such rules and regulations as may be prescribed by the commissioner, in counties having a superintendent of elections, and the county board in all other counties. Duly authorized clerk as used in this section shall mean a clerk who resides within the municipality and has been approved by the commissioner or the county board as the case may be. For this purpose the commissioner shall forward to each municipal clerk a sufficient supply of registration forms. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:8-3.5 Findings, declarations.
1. The Legislature finds and declares that:
   a. The Delaware River Joint Toll Bridge Commission was created by this State and the Commonwealth of Pennsylvania, with the consent of Congress, to provide an efficient means of carrying out the planning, construction, maintenance and rehabilitation of certain Delaware River crossings.
   b. The State and the Commonwealth rely upon the commission to competently execute the duties and powers delegated to it as well as to carefully manage the not inconsiderable financial means available to the commission.
   c. Notwithstanding the delegation of power to the commission, it is incumbent upon the State of New Jersey and the Commonwealth of Pennsylvania to ensure that the commission executes its powers in a manner which ensures fairness to prospective employees. In addition, it is appropriate for the State of New Jersey and the Commonwealth of Pennsylvania to include certain fundamental governmental policies, such as equal employment opportunity, in the commission's enabling laws.
   d. Therefore, it is in the best interest of the public to supplement or limit the powers of the commission, as the case may be, to ensure that commission employment practices are in accordance with the public policies of the State of New Jersey and the Commonwealth of Pennsylvania.

C.32:8-3.6 Equal opportunity employment; awarding of contracts.
2. a. The Delaware River Joint Toll Bridge Commission shall formulate and abide by an affirmative action program of equal opportunity whereby it will provide equal employment opportunity to members of minority groups qualified in all employment categories, including the handicapped, in accordance with the provisions of the "Law Against Discrimination," P.L.1945, c.169 (C.10:5-1) and the "Pennsylvania Human Relations Act," number 222 of the laws of Pennsylvania of 1955, except in the case of the
mentally handicapped, if it can be clearly shown that such handicap would prevent such person from performing a particular job.

b. Contracts and subcontracts to be awarded by the commission in connection with the construction, renovation or reconstruction of any structure or facility owned or used by the commission shall contain appropriate provisions by which contractors and subcontractors or their assignees agree to afford an equal employment opportunity to all prospective employees and to all actual employees to be employed by the contractor or subcontractor in accordance with an affirmative action program consonant with the provisions of the "Law Against Discrimination," P.L.1945, c.169 (C.10:5-1) and the "Pennsylvania Human Relations Act," number 222 of the laws of Pennsylvania of 1955.

C.32:8-3.7 Hiring practice policy.

3. The Delaware River Joint Toll Bridge Commission, in the exercise of its authority to appoint officers, agents and employees, shall adopt a policy of open and competitive hiring practices. The policy shall provide, at a minimum, that:

b. All open positions shall be advertised in at least two newspapers published in New Jersey and two newspapers published in Pennsylvania.

4. This act shall take effect upon the enactment into law by the Commonwealth of Pennsylvania of legislation having an identical effect with this act, but if the Commonwealth of Pennsylvania has already enacted such legislation, this act shall take effect immediately, but this act shall remain inoperative until the enactment into law of P.L.1994, c.173, the enactment into law of legislation substantially similar to P.L.1994, c.173 by the Commonwealth of Pennsylvania, and the approval of Congress, if necessary, of the supplemental compact or agreement provided for in P.L.1994, c.173.

Approved December 20, 1994.

CHAPTER 177

An Act concerning purchasing practices of the Delaware River Joint Toll Bridge Commission and supplementing chapter 8 of Title 32 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:8-3.8 Findings, declarations.
1. The Legislature finds and declares that:
   a. The Delaware River Joint Toll Bridge Commission was created by this State and the Commonwealth of Pennsylvania, with the consent of Congress, to provide an efficient means of carrying out the planning, construction, maintenance and rehabilitation of certain Delaware River crossings.
   b. The State and the Commonwealth rely upon the commission to competently execute the duties and powers delegated to it as well as carefully managing the not inconsiderable financial means available to the commission.
   c. Notwithstanding the delegation of power to the commission, it is incumbent upon the State of New Jersey and the Commonwealth of Pennsylvania to ensure that the commission carries out its duties in a manner which ensures prudent use of toll payer monies.
   d. Therefore, it is in the best interest of the public to supplement or limit the powers of the commission, as the case may be, to require the commission to competitively bid contracts in accordance with the public policies of the State of New Jersey and the Commonwealth of Pennsylvania.

C.32:8-3.9 Operating rules, procedures; competitive purchasing.
2. a. The Delaware River Joint Toll Bridge Commission, in the exercise of its authority to make and enter into contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers, shall adopt standing operating rules and procedures requiring that, except as hereinafter provided, no contract on behalf of the commission shall be entered into for the doing of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds $10,000 unless the commission shall first publicly advertise for bids therefor, and requiring that the commission award the contract to the lowest responsible bidder; provided, however, that such advertising shall not be required where the contract to be entered into is one for the furnishing or performing services of a professional nature or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Board of Public Utility Commissioners of the Commonwealth of Pennsylvania or the Board of Public Utilities of this State and tariffs and schedules of the charges, made, charged, or exacted by the
public utility for any such products to be supplied or services to be rendered are filed with the appropriate boards. This subsection shall not prevent the commission from having any work done by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience require, or the exigency of the commission’s service will not admit of such advertisement. In such case the commission shall, by resolution, passed by the affirmative vote of a majority of its members, declare the exigency or emergency to exist, and set forth in the resolution the nature thereof and the approximate amount to be so expended.

b. The commission may annually adjust the threshold amount in direct proportion to the rise or fall of the consumer price index for all urban consumers in the New York City and Philadelphia areas as reported by the United States Department of Labor.

3. This act shall take effect upon the enactment into law by the Commonwealth of Pennsylvania of legislation having an identical effect with this act, but if the Commonwealth of Pennsylvania has already enacted such legislation, this act shall take effect immediately, but this act shall remain inoperative until enactment of P.L.1994, c.173, the enactment into law of legislation substantially similar to P.L.1994, c.173 by the Commonwealth of Pennsylvania, and the approval of Congress, if necessary, of the supplemental compact or agreement provided for in P.L.1994, c.173.

Approved December 20, 1994.

CHAPTER 178

AN ACT concerning the Delaware River Joint Toll Bridge Commission and directing the commission to provide for its meetings to be open to the public and the news media.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:8-24 Findings, declarations.

1. a. The Legislature hereby finds that the public’s awareness of and participation in governmental actions is essential to maintaining a free society; that the more open a government is with its citizens, the greater the understanding and participation of the
public in government; that the public's fundamental right to know the process of governmental decision-making and to review the reasons for those decisions is thwarted when the public's access to governmental meetings is blocked; and that government and the agencies created thereby must insure that their actions remain fully accountable to the public.

b. The Legislature declares that for these public policy reasons the Delaware River Joint Toll Bridge Commission shall develop rules and regulations concerning the right of the public and members of the news media to be present at meetings of the commission as herein provided.

C.32:8-25 Definitions.

2. As used in this act:
   “Board” means the Board of Commissioners of the Delaware River Joint Toll Bridge Commission;
   “Commission” means the Delaware River Joint Toll Bridge Commission;
   “Meeting” means any gathering, whether corporeal or by means of communications equipment, which is attended by, or open to, the board, held with the intent, on the part of the board members present, to discuss or act as a unit upon the specific public business of the commission. “Meeting” does not mean a gathering: (1) attended by less than an effective majority of the commissioners; or (2) attended by or open to all the members of three or more similar public bodies at a convention or similar gathering;
   “News media” means major wire services, television news services, radio news services and newspapers, whether located in this State or in any other state, and personnel representing any such service.
   “Public business” means matters which relate in any way, directly or indirectly, to the performance of the functions of the Delaware River Joint Toll Bridge Commission or the conduct of its business.

C.32:8-26 Public meetings; notice.

3. a. Notwithstanding any inconsistent provisions of any general or special law, all meetings of the commission are declared to be public meetings and shall be open to the public and members of the news media, individually and collectively, for the purpose of observing the full details of all phases of the deliberation, policy-making and decision-making of the board to the extent that meetings and deliberations are open to the public under the “Open Public Meetings Act,” P.L.1975, c.231 (C.10:4-6 et seq.) and the “Sunshine Act,” number 84 of the laws of Pennsylvania of 1986.
b. The board shall adopt, within six months of the effective date of this act, appropriate rules and regulations concerning proper notice to the public and the news media of its meetings and the right of the public and the news media to be present at its meetings. The rules and regulations adopted pursuant to this section shall provide for the same notice and right of the public and news media to be present as well as any other rights and duties provided in the "Open Public Meetings Act," P.L.1975, c.231 (C.10:4-6 et seq.) and the "Sunshine Act," number 84 of the laws of Pennsylvania of 1986. To the extent that these laws conflict, the commission shall incorporate into the rules and regulations the provisions of that law which provides for the greatest rights to the public and the news media.

C.32:8-27 Minutes; public meeting information officer, appointed.
4. a. It shall be the duty of the board to insure that true and accurate minutes are kept of board meetings and that such minutes are promptly made available to the members of the public and the news media.

b. The board shall appoint a public meeting information officer who shall be responsible for responding to requests from the public and the news media for information concerning the scheduling, attendance and minutes of board meetings.

C.32:8-28 Rules, regulations in minutes.
5. Any rules or regulations adopted pursuant to section 3 of this act shall become a part of the minutes of the commission and shall be subject to the approval of the Governor of New Jersey and the Governor of Pennsylvania if the approval of the minutes shall be provided for by the law of either state.

C.32:8-29 Appeals.
6. Any person denied any right granted by sections 3 or 4 of this act may appeal the denial to the Superior Court of New Jersey, the Court of Common Pleas of the Commonwealth of Pennsylvania, or any court of competent jurisdiction within one year of the date that the cause of action arises.

C.32:8-30 Violations; removal from office.
7. Any official or employee of the commission who willfully engages in a continuous and repetitive pattern of violating the provisions of this act shall be subject to removal from office or employment.

8. This act shall take effect upon the enactment into law by the Commonwealth of Pennsylvania of legislation having an identical effect with this act, but if the Commonwealth of
Pennsylvania has already enacted such legislation, this act shall take effect immediately.

Approved December 20, 1994.

CHAPTER 179

AN ACT concerning restoration and expansion of passenger rail service.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and determines that:
   a. To help achieve federal Clean Air Act standards for ozone and carbon monoxide, the State must reduce pollution emissions from gasoline powered vehicles.
   b. As a means of reducing such emissions, the State has established an Employer Trip Reduction Program which requires employers that have work sites with 100 or more workers per work location to increase the average passenger occupancy at the work location by not less than 25 percent over the average vehicle occupancy rate for the area.
   c. Failing to meet federal air quality standards would jeopardize continued receipt of federal highway matching funds provided pursuant to the federal Intermodal Surface Transportation Efficiency Act of 1991.
   d. To further assist State efforts in reducing air pollution levels and continued reliance on automobiles for business and pleasure driving, it is incumbent on the State to take greater initiative in providing imaginative leadership through the restoration and promotion of viable public transportation services, which may include additional rail passenger or autobus services.
   e. Such emphasis on public transportation is also noted in the federal Intermodal Surface Transportation Efficiency Act of 1991 which identifies and authorizes funding for several rail corridors within the State for further study and development.

2. a. The New Jersey Transit Corporation in conjunction with the Department of Transportation shall prepare an inventory of abandoned rail lines and rail lines currently used solely for freight services.
b. Upon completion of the required rail line inventory, the corporation in conjunction with the department shall assess the merits of restoring or adding rail passenger service to abandoned or to rail freight service lines. In making such assessment, the following criteria, among others, shall be considered: (1) the impact of connecting major urban areas with rail passenger service, (2) the capital and operating costs for each new rail passenger line service, (3) the estimated number of passengers that would use the new rail service, (4) the reduction in the amount of pollution emissions that would occur by reducing vehicular travel in favor of travel on new passenger rail line services, (5) the impact on existing bus services, (6) the impact on existing rail freight services, and (7) a comparison of the costs and benefits of other non-rail transportation proposals that could provide vehicle emission reduction benefits similar to those anticipated from greater use of new rail services.

c. The corporation shall submit a priority list of rail passenger line services, including potential light rail operations, that are recommended for restoration or initiation to the Governor and to the Chairman of the Senate Transportation Committee and the Chairman of the Assembly Transportation and Communications Committee within nine months of the effective date of this act.

3. This act shall take effect immediately.

Approved December 20, 1994.

 CHAPTER 180

AN ACT concerning the New Jersey Life and Health Insurance Guaranty Association and amending P.L.1991, c.208.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 8 of P.L.1991, c.208 (C.17B:32A-8) is amended to read as follows:

C.17B:32A-8 Member insurers assessed to provide funding for association.

8. a. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary.
Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at the percentage of interest prescribed in the Rules Governing the Courts of the State of New Jersey for judgments, awards and orders for the payment of money, on and after the due date.

b. There shall be two classes of assessments, as follows:

(1) Class A assessments shall be made for the purpose of meeting administrative and legal costs of the association which are not objected to by the commissioner and other expenses and examinations conducted under the authority of subsection e. of section 11 of this act. Class A assessments shall also be made, upon the request of the commissioner, for the purpose of meeting costs incurred by or on behalf of the department in the administration of an insolvent insurer to the extent those costs exceed assets of the insolvent insurer available for that purpose. Class A assessments need not be related to a particular impaired or insolvent insurer. The amount of any Class A assessment shall be determined by the board.

(2) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 7 of this act with respect to an impaired or an insolvent insurer. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

c. (1) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account for the three most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this State for such calendar years by all assessed member insurers.

(2) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall be made as necessary to implement the purposes of this act. Classification of assessments under subsection b. of this section and computation of assessments under this subsection c. shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

d. The association shall exempt, abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the
commissioner, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations or places the member insurer in an unsafe or unsound financial condition. In the event an assessment against a member insurer is exempted, abated or deferred, in whole or in part, the amount by which that assessment is exempted, abated or deferred shall be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

e. (1) The total of all assessments imposed under subsection b. of this section upon a member insurer for the life insurance and annuity account and for each subaccount thereunder shall not in any one calendar year exceed two percent and for the health insurance account shall not in any one calendar year exceed two percent of that insurer's average premiums, as reported in the annual statement in a form prescribed by the commissioner, received in this State on the policies and contracts covered by the account during the three calendar years preceding the year in which the insurer became an impaired or insolvent insurer. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(2) If a one percent assessment for any subaccount of the life insurance and annuity account in any one year does not provide an amount sufficient to carry out the responsibilities of the association, then pursuant to paragraph (1) of subsection c. of this section, the board shall assess all subaccounts of the life insurance and annuity account for the necessary additional amount, subject to the maximum stated in paragraph (1) of this subsection.

(3) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

f. The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of an account exceed the amount the board, with the concurrence of the commissioner, finds is necessary to carry out the obligations of the association with respect to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount
may be retained in any account to provide funds for the continuing expenses of the association and for future losses.

g. Except for that portion of assessments which may be offset against premium taxes pursuant to section 18 of this act, it shall be proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this act, to consider the amount reasonably necessary to meet its assessment obligations under this act.

h. The association shall issue to each insurer paying an assessment pursuant to this act, other than a Class A assessment, a certificate of contribution, in a form and manner prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amount or date of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and manner and for such amount and period of time as the commissioner may approve.

2. This act shall take effect immediately and shall be retroactive to January 1, 1991.

Approved December 20, 1994.

2. This act shall take effect immediately.

b. Space shall be provided on both the original and duplicate forms at the top for the word "original" on the original forms and the word "duplicate" on the duplicate forms, to be followed immediately below by the word "registration" on both forms.

Immediately to the left of the registration and identification statement shall be printed a column approximately 2 1/2 inches

Immediately to the right of the registration and identification statement shall be printed a form for recording the fact that the registered voters have voted. The face of the record of voting form shall be ruled to provide for serial number, the words "original voting record" on the original record of voting form and the words "duplicate voting record" on the duplicate record of voting forms, followed by the name, address and the municipality, ward and district of the registrant at the top of the space. 19:31-5. Each person, who at the time he applies for registration resides in the district in which he expects to vote, who will be of the age of 18 years or more at the next ensuing election, who is a citizen of the United States, and who, if he continues to reside in the district until the next election, will at the time have fulfilled all the requirements as to length of residence to qualify him as a legal voter, shall, unless otherwise disqualified, be entitled to be registered in such district; and when once registered shall not be required to register again in such district as long as he resides therein, except when required to do so by the commissioner, because of the loss of or some defect in his registration record.

The registrant, when registered as provided in this Title, shall be eligible to vote at any election to be held subsequent to such registration, if he shall be a citizen of the United States of the age of 18 years and shall have been a resident of the State for at least 30 days and of the county at least 30 days, when the same is held, subject to any change in his qualifications which may later disqualify him. No registrant shall lose the right to vote, and no registrant's name shall be removed from the registry list of the
county in which the person is registered, solely on grounds of the
person's failure to vote in one or more elections.

5. R.S.19:31-6 is amended to read as follows:

Registration; places, time, requirements.

19:31-6. Any person qualified to vote in an election shall be

Each set of the locked binders of original and duplicate registration forms shall consist of two volumes for each election district to be known as volume I and volume II. Volume I shall contain an index alphabetically arranged beginning with the letter “A” and ending with the letter “K”, and volume II shall contain a similar index beginning with the letter “L” and ending with the letter “Z”. In filing the forms there shall be inserted after the original and duplicate registration forms of each registrant a record of voting form with the corresponding serial number and the name and address of the registrant thereon. The binders containing the duplicate registration forms and the corresponding record of voting forms shall constitute and be known as the signature copy registers.

The original registration forms shall not be open to public inspection except during such period as the duplicate registration forms are in process of delivery to or from the district boards or in the possession of such district boards. The commissioner shall provide change of residence notices in card form for the use of any registered voter moving to another address within the same election district or to another election district within the same county. Copies of these notices shall also be available at the office of the municipal clerk in each municipality. Each municipal clerk shall transmit daily to the commissioner all the filled out change of residence notices that may be in the municipal clerk’s office at the time. These notices shall be printed upon cards, shall contain a blank form showing where the applicant last resided and the address and exact location to which the applicant has moved and
shall have a line for the applicant’s signature. Upon receipt of such change of residence notice the commissioner shall cause the signature to be compared with the registration forms of the applicant and, if such signature appears to be of and by one and the same legal voter, the commissioner shall cause the entry of the change of residence to be made on those registration forms and the registrant shall thereupon be qualified to vote in the election district to which the registrant shall have so moved. If the commissioner is not satisfied as to the signature on the request for a change of residence, a confirmation notice as prescribed by subsection d. of R.S.19:31-15 shall be sent by mail with postage prepaid to the registrant at the new address.

All applications for change of residence postmarked on or before the twenty-ninth day preceding any election shall be deemed timely.

b. In any county any voter who, prior to an election, shall move within the same county after the time above prescribed for filing an application for change of residence without having made application for change of residence, or who has not returned a confirmation notice sent to the voter by the commissioner of registration of the county or has otherwise failed to notify the commissioner of registration of the voter’s change of address within the county, shall be permitted to vote in that election in the district to which the voter has moved, upon signing an affidavit, which shall set forth (1) the date upon which the voter moved, (2) the address from which the voter moved, and (3) the address to which the voter moved, and submitting that affidavit, completed and signed, to the municipal clerk of the municipality in which the voter resides, and such affidavit shall constitute a transfer to the said new residence for any subsequent election. The municipal clerk shall, immediately following the election, transmit each such affidavit so submitted to the commissioner of registration for the county in which the district is located, and the commissioner shall correct the voter’s address in the registry list of the county. The county clerk shall furnish to the municipal clerks form affidavits for this purpose and the municipal clerks shall turn over all signed affidavits to the commissioner; provided, however, if the voter has moved from one residence to another within the same election district at any time, the voter shall be permitted to vote in such election district at any election upon
written affirmation by the registrant to the municipal clerk of the registrant's change of address.

c. A voter who moves from an election district in one county to an election district in another county shall register in the new county of residence, in accordance with the provisions of R.S.19:31-6, in order to be permitted to vote.

12. R.S.19:31-13 is amended to read as follows:

Change in registration due to name change.

The commissioner, upon receipt of such a notice of change of name, shall revise accordingly the name of the registrant as it appears among the items of information concerning the registrant included on the registrant’s registration forms, shall make a photographic copy of the notice of name change submitted by the registrant, and shall affix the original notice so submitted to the registrant’s original registration form and the photographic copy of that notice to the registrant’s duplicate registration record.

When notice of such change in name has not been received by or filed with the commissioner prior to the twenty-ninth day preceding any election, such person may be permitted to vote under the name under which the person was registered prior to that change at the first election following such change in name at which the person shall appear to vote, after signing the signature copy register with both the registered name and his or her new name. The commissioner shall then revise accordingly the name of the registrant as it appears on the registrant’s registration forms, make a photographic copy of the notice, and affix the original and copy of the notice to the registrant’s permanent registration forms as hereinabove prescribed.

Notice by a registered voter to the commissioner of registration of a county that the registrant has ceased to reside in the county shall, for the purposes of this subsection, be deemed a request for removal of the registrant’s name from the county registry list.

b. The commissioner of registration of any county may agree with the United States Postal Service or its licensee to receive information provided by the Postal Service concerning the change by any Postal Service customer of that customer’s address within the county. If it appears from information so received that a Postal Service customer registered to vote in the county has moved to a different address, then (1) if that address is within the county, the commissioner shall cause the registration records of the registrant to be corrected accordingly and shall transmit to the resident by forwardable mail a notice of the change and a postage prepaid, pre-addressed return form by which the registrant may verify or correct the address information, or (2) if that address is not within the county, the commissioner shall undertake the confirmation notice procedure prescribed under subsection d. of this section to confirm the change of address.

c. The commissioner of registration of a county shall cause the name of a registrant to be removed from the registry list of the county if the registrant (1) confirms in writing, by return of a confirmation notice as prescribed under subsection d. of this section or by other means, that the registrant has changed residence to a place outside the county, or (2) has failed to respond to a confirmation notice as so prescribed and has not, in any election during the period beginning on the date on which the commissioner sends the confirmation notice to the registrant and ending on the day after the second general election for federal office following that date on which the notice is sent, (a) voted, or (b) appeared to vote and, if necessary, correct the official record of the registrant’s address.

Other than as provided under subsection a. of this section, the name of a registrant shall not be removed from the registry list of a county on the ground that the registrant has changed residence except as provided by this subsection.
d. A confirmation notice sent to ascertain whether a registrant continues to reside at the address from which that registrant is registered to vote shall be a postage prepaid and pre-addressed return card, sent by forwardable mail, which shall include: (1) space on which the registrant’s current address may be entered; (2) the statement “To any voter who continues to reside at the residence address to which this notice is addressed or who no longer resides at that residence address but continues to reside in ................. (name of county): please mail or personally deliver this postage prepaid card to the commissioner of registration to whom it is addressed not later than ................. (calendar date of the 29th day preceding the next election to be held in the county). If you do not return this card by that date, then at any election held subsequent to that date and on or before ................. (calendar date of the day after the second general election for federal office following that date), you may be required at the polls to affirm or confirm your address before you are permitted to vote, and if you do not vote in an election during that period, your name will be removed from the registry of eligible voters.”; and (3) a statement, the text of which shall be prescribed by the Secretary of State, setting forth the means by which a registrant who has changed residence to a county different from that in which is located the residence to which the notice was originally addressed may retain the right to vote.

e. The commissioner of registration shall correct the registry list of eligible voters in accordance with change of residence information obtained in conformity with the provisions of this section.

If such fact is so established, the commissioner shall cause the registration and record of voting forms of the deceased
registrant to be transferred to the death file. If the deceased person was not so registered in the county, but the list filed with the commissioner indicates that the person maintained a residence in one or more other counties of this State, the commissioner shall notify the commissioner in that other county or those other counties of having received official notice of the death of the person, and any commissioner of such other county who receives such notification shall undertake the procedures prescribed herein with respect to the registration in that county of the decedent.

If it is so established, the commissioner shall cause the registration and record of voting forms of such
convicted registrant to be transferred to the conviction file. In the event the person so convicted is not registered at the time the list or report is received, the commissioner shall cause an index card to be made out and inserted in its proper place in the master index file bearing the information received from the State election official or a county prosecutor, and the person so convicted shall be denied the right to register. Every such stop shall be made without obstructing traffic more than is necessary. Any person who shall violate this subsection shall be fined not less than $500 nor more than $1,000 or be imprisoned for a period of 180 days, or both, for the first offense, and for a subsequent offense shall be fined not less than $1,000 nor more than $2,000, or be imprisoned for a period of 180 days, or both. The term of imprisonment required by this subsection shall be imposed only if the accident resulted in death or injury to a person other than the driver convicted of violating this section.

In addition, any person convicted under this subsection shall forfeit his right to operate a motor vehicle over the highways of this State for a period of one year from the date of his conviction for the first offense and for a subsequent offense shall thereafter permanently forfeit his right to operate a motor vehicle over the highways of this State.

and for a subsequent offense, shall be fined not less than $400 nor more than $600, or be imprisoned for a period of not less than 30 days nor more than 90 days or both.

In addition, a person who violates this subsection shall, for a first offense, forfeit the right to operate a motor vehicle in this State for a period of six months from the date of conviction, and for a period of one year from the date of conviction for any subsequent offense.

(c) The driver of any vehicle knowingly involved in an accident resulting in injury or death to any person or damage to any vehicle or property shall give his name and address and exhibit his operator's license and registration certificate of his vehicle to the person injured or whose vehicle or property was damaged and to any police officer or witness of the accident, and to the driver or occupants of the vehicle collided with andrender to a person injured in the accident reasonable assistance, including the carrying of that person to a hospital or a physician for medical or surgical treatment, if it is apparent that the treatment is necessary or is requested by the injured person.

In the event that none of the persons specified are in condition to receive the information to which they otherwise would be entitled under this subsection, and no police officer is present, the driver of any vehicle involved in such accident after fulfilling all other requirements of subsections (a) and (b) of this section, insofar as possible on his part to be performed, shall forthwith report such accident to the nearest office of the local police department or of the county police of the county or of the State Police and submit thereto the information specified in this subsection.

(d) The driver of any vehicle which knowingly collides with or is knowingly involved in an accident with any vehicle or other property which is unattended resulting in any damage to such vehicle or other property shall immediately stop and shall then and there locate and notify the operator or owner of such vehicle or other property of the name and address of the driver and owner of the vehicle striking the unattended vehicle or other property or, in the event an unattended vehicle is struck and the driver or owner thereof cannot be immediately located, shall attach securely in a conspicuous place in or on such vehicle a written notice giving the name and address of the driver and owner of the vehicle doing the striking or, in the event other property is struck and the owner thereof cannot be immediately located, shall notify the nearest office of the local police department or of the county police of the county or of the State Police and in addition shall

resulting in injury or death to any person or damage in the
amount of $250.00 or more to any vehicle or property shall be
presumed to have knowledge that he was involved in such acci­
dent, and such presumption shall be rebuttable in nature.

For purposes of this section, it shall not be a defense that the oper­
ator of the motor vehicle was unaware of the existence or extent of
personal injury or property damage caused by the accident as long as
the operator was aware that he was involved in an accident.

2. R.S.39:4-130 is amended to read as follows:

Immediate notice of accident; written report.

39:4-130. The driver of a vehicle or street car involved in an acci­
dent resulting in injury to or death of any person, or damage to
property of any one person in excess of $500.00 shall by the quickest
means of communication give notice of such accident to the local
police department or to the nearest office of the county police of the
county or of the State Police, and in addition shall within 10 days after
such accident forward a written report of such accident to the division
on forms furnished by it. Such written reports shall contain suffi­
ciently detailed information with reference to a motor vehicle
accident, including the cause, the conditions then existing, the persons
and vehicles involved and such information as may be necessary to
enable the director to determine whether the requirements for the
deposit of security required by law are inapplicable by reason of the
existence of insurance or other circumstances. The director may rely
upon the accuracy of the information contained in any such report,
unless he has reason to believe that the report is erroneous. The divi­
sion may require operators involved in accidents to file supplemental
reports of accidents upon forms furnished by it when in the opinion of
the division, the original report is insufficient. The reports shall be
without prejudice, shall be for the information of the division, and
shall not be open to public inspection. The fact that the reports have
been so made shall be admissible in evidence solely to prove a compli­
ance with this section, but no report or any part thereof or statement
contained therein shall be admissible in evidence for any other pur­
pose in any proceeding or action arising out of the accident.
Whenever the driver of a vehicle is physically incapable of giving immediate notice or making a written report of an accident as required in this section and there was another occupant in the vehicle at the time of the accident capable of giving notice or making a report, such occupant shall make or cause to be made said notice or report not made by the driver.

Whenever the driver is physically incapable of making a written report of an accident as required by this section and such driver is not the owner of the vehicle, then the owner of the vehicle involved in such accident shall make such report not made by the driver.

A written report of an accident shall not be required by this section if a law enforcement officer submits a written report of the accident to the division pursuant to R.S.39:4-131.

Any person who knowingly violates this section shall be fined not less than $30 or more than $100.

The director may revoke or suspend the operator's license privilege and registration privilege of a person who violates this section.

For purposes of this section, it shall not be a defense that the operator of the motor vehicle was unaware of the existence or extent of personal injury or property damage caused by the accident as long as the operator was aware that he was involved in an accident.

3. This act shall take effect immediately.

Approved December 23, 1994.

CHAPTER 184

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.39:4-50 is amended to read as follows:

Driving while Intoxicated.

39:4-50. (a) A person who operates a motor vehicle while under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug, or operates a motor vehicle with a
blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood or permits another person who is under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug to operate a motor vehicle owned by him or in his custody or control or permits another to operate a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood, shall be subject:

(1) For the first offense, to a fine of not less than $250.00 nor more than $400.00 and a period of detainment of not less than 12 hours nor more than 48 hours spent during two consecutive days of not less than six hours each day and served as prescribed by the program requirements of the Intoxicated Driver Resource Centers established under subsection (f) of this section and, in the discretion of the court, a term of imprisonment of not more than 30 days and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of not less than six months nor more than one year.

(2) For a second violation, a person shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall be sentenced to imprisonment for a term of not less than 48 consecutive hours, which shall not be suspended or served on probation, nor more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director, consistent with subsection (b) of this section.

(3) For a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and shall thereafter forfeit his right to operate a motor vehicle over the highways of this State for 10 years.

Whenever an operator of a motor vehicle has been involved in an accident resulting in death, bodily injury or property damage, a police officer shall consider that fact along with all other facts
and circumstances in determining whether there are reasonable grounds to believe that person was operating a motor vehicle in violation of this section.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title or Title 2C of the New Jersey Statutes at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the forfeiture, suspension or revocation of the driving privilege imposed by the court under this section shall commence immediately, run through the offender's seventeenth birthday and continue from that date for the period set by the court pursuant to paragraphs (1) through (3) of this subsection. A court that imposes a term of imprisonment under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, to an inpatient rehabilitation program or to an Intoxicated Driver Resource Center or other facility approved by the Director of the Division of Alcoholism in the Department of Health; provided that for a third or subsequent offense a person shall not serve a term of imprisonment at an Intoxicated Driver Resource Center as provided in subsection (f).

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) A person convicted under this section must satisfy the screening, evaluation, referral, program and fee requirements of the Division of Alcoholism's Intoxicated Driving Programs Unit, and of the Intoxicated Driver Resource Centers and a program of alcohol education and highway safety, as prescribed by the Director of the Division of Motor Vehicles. The sentencing court shall inform the person convicted that failure to satisfy such requirements shall result in a mandatory two day term of imprisonment in a county jail and a driver license revocation or suspension and continuation of revocation or suspension until such requirements
are satisfied, unless stayed by court order in accordance with Rule 7:8-2 of the N.J. Court Rules, 1969, or R.S.39:5-22. Upon sentencing, the court shall forward to the Bureau of Alcohol Countermeasures within the Intoxicated Driving Programs Unit a copy of a person's conviction record. A fee of $80.00 shall be payable to the Alcohol Education, Rehabilitation and Enforcement Fund established pursuant to section 3 of P.L.1983, c.531 (C.26:2B-32) to support the Intoxicated Driving Programs Unit.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the Director of the Division of Motor Vehicles. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R.S.39:3-40. The person convicted shall be informed orally and in writing. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S.39:3-40. In the event that a person convicted under this section is the holder of any out-of-State driver's license, the court shall not collect the license but shall notify forthwith the director, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section. Upon conviction of a violation of this section, the court shall notify the person convicted, orally and in writing, of the penalties for a second, third or subsequent violation of this section. A person shall be required to acknowledge receipt of that written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of this section.

(d) The Director of the Division of Motor Vehicles shall promulgate rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) in order to establish a program of alcohol education and highway safety, as prescribed by this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discov-
ery as allowed defendants pursuant to the Rules Governing Criminal Practice, as set forth in the Rules Governing the Courts of the State of New Jersey.

(f) The counties, in cooperation with the Division of Alcoholism and the Division of Motor Vehicles, but subject to the approval of the Division of Alcoholism, shall designate and establish on a county or regional basis Intoxicated Driver Resource Centers. These centers shall have the capability of serving as community treatment referral centers and as court monitors of a person's compliance with the ordered treatment, service alternative or community service. All centers established pursuant to this subsection shall be administered by a certified alcoholism counselor or other professional with a minimum of five years' experience in treatment of alcoholism. All centers shall be required to develop individualized treatment plans for all persons attending the centers; provided that the duration of any ordered treatment or referral shall not exceed one year. It shall be the center's responsibility to establish networks with the community alcohol education, treatment and rehabilitation resources and to receive monthly reports from the referral agencies regarding a person's participation and compliance with the program. Nothing in this subsection shall bar these centers from developing their own education and treatment programs; provided that they are approved by the Division of Alcoholism.

Upon a person's failure to report to the initial screening or any subsequent ordered referral, the Intoxicated Driver Resource Center shall promptly notify the sentencing court of the person's failure to comply.

Required detention periods at the Intoxicated Driver Resource Centers shall be determined according to the individual treatment classification assigned by the Bureau of Alcohol Countermeasures. Upon attendance at an Intoxicated Driver Resource Center, a person shall be assessed a per diem fee of $50.00 for the first offender program or a per diem fee of $75.00 for the second offender program, as appropriate.

The centers shall conduct a program of alcohol education and highway safety, as prescribed by the Director of the Division of Motor Vehicles.

The Director of the Division of Alcoholism shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), in order to effectuate the purposes of this subsection.
2. Section 2 of P.L.1981, c.512 (C.39:4-50.4a) is amended to read as follows:

C.39:4-50.4a Revocation for refusal to submit to breath test; penalties.

2. The municipal court shall revoke the right to operate a motor vehicle of any operator who, after being arrested for a violation of R.S.39:4-50, shall refuse to submit to a test provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) when requested to do so, for six months unless the refusal was in connection with a second offense under this section, in which case the revocation period shall be for two years or unless the refusal was in connection with a third or subsequent offense under this section, in which case the revocation shall be for 10 years.

The municipal court shall determine by a preponderance of the evidence whether the arresting officer had probable cause to believe that the person had been driving or was in actual physical control of a motor vehicle on the public highways or quasi-public areas of this State while the person was under the influence of intoxicating liquor or a narcotic, hallucinogenic, or habit-producing drug or marihuana; whether the person was placed under arrest, if appropriate; and whether he refused to submit to the test upon request of the officer; and if these elements of the violation are not established, no conviction shall issue. In addition to any other requirements provided by law, a person whose operator's license is revoked for refusing to submit to a test shall be referred to an Intoxicated Driver Resource Center established by subsection (t) of R.S.39:4-50 and shall satisfy the same requirements of the center for refusal to submit to a test as provided for in section 2 of P.L.1966, c.142 (C.39:4-50.2) in connection with a first, second, third or subsequent offense under this section that must be satisfied by a person convicted of a commensurate violation of this section, or be subject to the same penalties as such a person for failure to do so. The revocation shall be independent of any revocation imposed by virtue of a conviction under the provisions of R.S.39:4-50.

In addition to issuing a revocation, the municipal court shall fine a person convicted under this section, a fine of not less than $250.00 nor more than $500.00.

3. Section 1 of P.L.1984, c.4 (C.39:4-50.8) is amended to read as follows:

C.39:4-50.8 Drunk Driving Enforcement Fund.

1. Upon a conviction of a violation of R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a), the court shall collect from the
defendant a surcharge of $100.00 in addition to and independently of any fine imposed on that defendant. The court shall forward the surcharge to the Director of the Division of Motor Vehicles who shall deposit $95.00 of the surcharge into a "Drunk Driving Enforcement Fund" (hereinafter referred to as the "fund"). This fund shall be used to establish a Statewide drunk driving enforcement program to be supervised by the director. The remaining $5.00 of each surcharge shall be deposited by the director into a separate fund for administrative expenses.

A municipality shall be entitled to periodic grants from the "Drunk Driving Enforcement Fund" in amounts representing its proportionate contribution to the fund. A municipality shall be deemed to have contributed to the fund the portion of the surcharge allocated to the fund, collected pursuant to this section if the violation of R.S.39:4-50 or section 2 of P.L.1981, c.512 (C.39:4-50.4a) occurred within the municipality and the arrest resulting in conviction was made by the member of a municipal police force. The grants from the fund shall be used by the municipality to increase enforcement of R.S.39:4-50 by subsidizing additional law enforcement patrols and through other measures approved by the director. The Division of State Police, interstate law enforcement agencies and county law enforcement agencies shall be entitled to periodic grants from the fund in amounts representing their proportionate contribution to the fund. The Division of State Police or county or interstate law enforcement agency shall be deemed to have contributed to the fund the portion of the surcharge allocated to the fund collected pursuant to this section if the arrest resulting in a conviction was made by a member of the Division of State Police or county or interstate law enforcement agency. The grants from the fund shall be used by the Division of State Police or county or interstate law enforcement agency to increase enforcement of R.S.39:4-50 by subsidizing additional law enforcement patrols and through other measures approved by the director.

The surcharge described herein shall not be considered a fine, penalty or forfeiture to be distributed pursuant to R.S.39:5-41.

The director shall promulgate rules and regulations in order to effectuate the purposes of this section.

4. R.S. 39:5-25 is amended to read as follows:
Arrest without warrant.

39:5-25. Any law enforcement officer may, without a warrant, arrest any person violating in his presence any provision of chapter 3 of this Title, or any person, other than a motorman or person having control of a street car or auto bus, running upon a route approved by the Board of Public Utilities, violating in his presence any provision of chapter 4 of this Title. A law enforcement officer may arrest without a warrant any person who the officer has probable cause to believe has operated a motor vehicle in violation of R.S.39:4-50 or section 5 of P.L. 1990, c. 103 (C.39:3-10.13), regardless of whether the suspected violation occurs in the officer's presence. The exemption from arrest of a motorman or person having control of a street car or auto bus, as conferred herein, shall not operate to prevent his arrest, however, for a violation of R.S.39:4-50. The arresting officer shall bring any person so arrested before any judge of the municipal court of the municipality wherein the offense is committed, or before the director at any place designated as his office. If the arrest is for a violation of R.S.39:4-50, the arresting officer may, if no judge, clerk or deputy clerk is available, detain the person arrested, either in any police station, lockup or other place maintained by any municipality for the detention of offenders or in the common jail of the county, for such reasonable time as will permit the arresting officer to obtain a warrant for the offender's further detention, which temporary detention shall not exceed 24 hours from the time of the arrest. If the arrest is for a violation of any other provision of this subtitle, the person arrested shall be detained in the police station or municipal court until the arresting officer makes a complaint and a warrant issues.

Any law enforcement officer may, instead of arresting an offender as herein provided, serve upon him a summons.

5. This act shall take effect immediately.

Approved December 23, 1994.

schedule of these costs and expenses. The owner shall incur the
expense of impounding the dog in a facility other than the municip­

CHAPTER 189

AN ACT concerning the transfer of domicile of certain insurers.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:17-20 Change of domicile for insurers.

1. a. An insurer that is formed under the laws of another state and is admitted to transact the business of insurance in this State may become a domestic insurer upon the commissioner's determination that the company has complied with all applicable requirements of Title 17 of the Revised Statutes relating to the formation of a domestic insurer of the same type. If the commissioner approves the domestication of a foreign insurer pursuant to this section, the insurer shall be entitled to a certificate of authority equivalent to that which was previously held as a foreign insurer and the insurer shall be subject to the authority and jurisdiction of this State. The newly domesticated insurer shall amend its articles
of incorporation to provide that the corporation is a continuation of the corporate existence of the original foreign corporation through the adoption of this State as its corporate domicile, and that the original date of incorporation in its original domiciliary state is the date of incorporation of such domestic insurer. For purposes of the premium tax laws, pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.), however, the date of licensure shall be the date on which the commissioner approves the domestication in this State.

b. Any domestic insurer may, upon the written approval of the commissioner, transfer its domicile to any other state in which it is admitted to transact the business of insurance. The company shall cease to be a domestic insurer as of the effective date of the transfer approved by the commissioner. Such a company shall be admitted to transact the business of insurance in this State if the company is otherwise qualified as a foreign insurer pursuant to the applicable requirements of Title 17 of the Revised Statutes.

c. Every insurer authorized to transact business in the State shall notify the commissioner of the details of any proposed transfer of domicile at least 60 days prior to the effective date of the proposed transfer, however, the commissioner may approve a shorter period for providing such notice. Such an insurer shall file promptly any resulting amendments to corporate documents filed or required to be filed with the commissioner.

d. Prior to granting approval for any foreign insurer to become a domestic insurer, or for a domestic insurer to transfer its domicile to another state, the commissioner may conduct whatever investigations, examinations or hearings he deems necessary, and may subject the issuance of his approval to the conditions and restrictions that he determines are reasonable and necessary for the protection of the company's policyholders or the public.

e. The transfer of domicile of an insurer pursuant to the provisions of this section shall not be construed to alter either the existing rights, franchises and interests, or the duties, obligations and liabilities of the insurer transferring domicile, except as otherwise provided by law. Insurers who transfer domicile shall continue to be subject to all the liabilities, claims and demands against the company which were in existence prior to the transfer of domicile. Any action or proceeding pending at the time of the consummation of the process by which the domicile is transferred in which the company is a party shall not abate or discontinue by reason of the transfer of domicile, but shall be prosecuted to a final resolution in the same manner as if the transfer of domicile had not taken place.
f. The certificate of authority, insurance producer appointments and licenses, rating systems and other documents required to be maintained for regulatory purposes, which are in existence and approved for use in this State at the time any insurer licensed to transact the business of insurance in this State transfers its corporate domicile to this or any other state by merger, consolidation, transfer, or any other lawful method, shall continue in full force and effect upon such transfer if the commissioner is satisfied that the insurer remains duly qualified to transact the business of insurance in this State. All outstanding policies of any transferring insurer shall remain in full force and effect and need not be endorsed as to the new name of the company or its new location unless so ordered by the commissioner. To the extent required by law, every transferring insurer shall file new policy forms with the commissioner on or before the effective date of the transfer, but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the commissioner.

C.17B:17-12.1 Change of domicile for insurers.

2. a. An insurer that is formed under the laws of another state and is admitted to transact the business of insurance in this State may become a domestic insurer upon the commissioner’s determination that the company has complied with all applicable requirements of Title 17B of the New Jersey Statutes relating to the formation of a domestic insurer of the same type. If the commissioner approves the domestication of a foreign insurer pursuant to this section, the insurer shall be entitled to a certificate of authority equivalent to that which was previously held as a foreign insurer and the insurer shall be subject to the authority and jurisdiction of this State. The newly domesticated insurer shall amend its articles of incorporation to provide that the corporation is a continuation of the corporate existence of the original foreign corporation through the adoption of this State as its corporate domicile, and that the original date of incorporation in its original domiciliary state is the date of incorporation of such domestic insurer. For purposes of the premium tax laws, pursuant to P.L.1945, c.132 (C.54:18A-1 et seq.), however, the date of licensure shall be the date on which the commissioner approves the domestication in this State.

b. Any domestic insurer may, upon the written approval of the commissioner, transfer its domicile to any other state in which it is admitted to transact the business of insurance. The company shall cease to be a domestic insurer as of the effective date of the trans-
fer approved by the commissioner. Such a company shall be
admitted to transact the business of insurance in this State if the
company is otherwise qualified as a foreign insurer pursuant to the
applicable requirements of Title 17B of the New Jersey Statutes.

A lease shall not be deemed to be a retail installment contract, as defined in subsection (b) of section 1 of P.L.1960, c.40 (C.17:16C-1), unless the lessee, for no or for a nominal consideration, becomes the owner, or has the option of becoming the owner, of the motor vehicle at the end of the term of the lease.

"Leasing dealer" means a person who, in the ordinary course of business, offers or enters into motor vehicle leases or who in the course of any 12-month period offers or enters into more than

If the dealer knows the identity of the party to whom the leasing dealer intends to assign the lease, the dealer shall include in the lease the name, address and telephone number of the assignee. If the leasing dealer does not include the name, address and telephone number of the assignee in the lease, the dealer or the assignee shall, promptly upon assignment, mail or personally deliver to the lessee the name, address and telephone number of the assignee;

(b) the method for ascertaining the purchase option price. If the lease includes a method for determining the purchase option price, and that method is based upon an amount set forth in a publication, the identity of the publication and the classification contained within the publication to be used, shall be included. If the publication ceases to exist, the lessor shall immediately notify the lessee of that fact and inform the lessee of the identity of the comparable publication which will be utilized to ascertain the purchase option price. If a method for ascertaining the purchase option price not set forth in a publication is included in the lease, the lease shall forth a good faith estimate of the amount, using that method;

(2) The total amount of all payments required at the inception of the lease term, including any refundable security deposit, any trade-in allowance and any nonrefundable payment such as a down payment or capitalized cost reduction, required at the beginning of the lease, or a statement that no payment is required at the beginning of the lease;

(6) The formula which shall be used by the lessor to calculate the total liability of the lessee if the lease is terminated by the lessee;

(7) The residual value of the vehicle;

(8) The total number of miles or the number of miles per month or year which the vehicle may be driven without additional charge as permitted under the terms of the lease, and the charge per mile for the miles driven in excess of that permissible mileage;

In the event the motor vehicle is damaged, stolen or lost and is deemed a total loss by the insurance company, and the lease contains a provision whereby the difference between the insurance proceeds and the amount due under the terms of the lease shall be waived if the lessor receives the insurance proceeds and if the lessee has otherwise complied with all other promises contained in the lease (including, where applicable, the requirement that the lessee pay the deductible under any insurance coverage), the lease shall disclose that the lessee shall have no further liability. Otherwise, the lease shall disclose the option on the part of the lessee to purchase from the lessor or from a third party, if available, to indemnify him for the difference between the insurance proceeds and the amount due under the terms of the lease;

A lessee who is in default under a lease solely for failure to make a payment required by the lease shall have the right to reinstate the lease, subject to the provisions of this section. If the lessee has the right to reinstate the lease, the notice of cancellation shall provide that the lessee has 15 days to reinstate the lease by paying all past due periodic payments, late fees and other amounts due under the lease, and, if the motor vehicle has been repossessed, the cost to the lessor of repossessing, storing and transporting the motor vehicle. Such costs may include a reasonable attorney’s fee and court costs, if actually incurred by the lessor and if provided for in the lease. Upon payment within the 15-day period to the lessor of the amounts due, the lessor shall reinstate the lease as if the lessee had not been in default of payment. The lessor shall not be required to reinstate a lease more than once during the term of the lease. The lessee has no right to reinstatement if the default is for any reason other than or in addition to the failure to make a payment required by the lease.

b. In the event of the death of a lessee before the expiration of a lease, there shall be no default if the lessee’s surviving spouse

This professional appraisal shall be performed by an independent third party agreed to by the lessee and the lessor, which appraisal shall be final and binding on the parties.

b. Within 10 business days of the return of the motor vehicle to the lessor, the lessor shall mail or deliver to the lessee an invoice for amounts claimed by the lessor for excess wear and damage. The invoice shall contain in 10 point bold face type a notice of the lessee's right under subsection a. of this section to obtain an independent appraisal of excess wear and damage. The notice shall also provide that: (i) the lessor must be advised in writing within seven business days following the earlier of the date of the mailing or delivery of the invoice if the lessee elects to obtain an independent appraisal; (ii) any such appraisal must be conducted within ten business days following the date that the lessor is notified of the lessee's election; and (iii) that if the lessee fails to notify the lessor within the time allotted that the lessee has elected an independent appraisal, the lessor's invoice will be deemed to be final and binding on the parties.

c. Within 15 business days after the lessee's obligations under the lease have been determined and satisfied, which shall include but not be limited to, the lessee's liability for excess wear and damage under this section, the lessor shall credit to the lessee's account or mail to the lessee any refund of any security deposit due to the lessee.

8. a. No leasing dealer may permit a prospective lessee to take possession of a motor vehicle subject to a lease if such lease is contingent upon the approval of the lessee's credit unless the lessee is provided with, and acknowledges receipt of a notice on a separate page from any other notice, term or condition of the lease, which provides substantially the following: NOTICE:

b. (1) No lease shall bind a lessee or lessor unless both the lessee and lessor have had one business day to review the lease contract before the signing of the contract.

(2) No leasing dealer may permit a prospective lessee to take possession of a motor vehicle subject to a lease unless the lessee is provided with a conspicuous notice which provides substantially the following: NOTICE: THE LESSEE AND THE LESSOR SHALL BE ENTITLED TO REVIEW THE CONTRACT FOR ONE BUSINESS DAY BEFORE SIGNING THE CONTRACT IMMEDIATELY ADJACENT TO THE SIGNATURE LINE OF THE CONTRACT.

c. The leasing dealer shall complete the credit check of the prospective lessee within 5 business days of both the leasing dealer and lessee signing the lease.

9. R.S.39:10-19 is amended to read as follows:

**Dealer's license; eligibility, term, fee.**

39:10-19. No person shall engage in the business of buying, selling or dealing in motor vehicles in this State, nor shall a person engage in activity that would qualify the person as a leasing dealer, as defined in section 2 of P.L.1994, c.190 (C.56:12-61), unless: a. he is a licensed real estate broker acting as an agent or broker in the sale of mobile homes without their own motor power other than recreation vehicles as defined in section 3 of P.L.1990, c.103 (C.39:3-10.11), or manufactured homes as defined in section 3 of P.L.1983, c.400 (C.54:4-1.4); or b. he is authorized to do so under the provisions of this chapter. The director may, upon application in such form as he prescribes, license any proper person as such dealer or leasing dealer. A licensed real estate broker shall be entitled to act as an agent or broker in the sale of a mobile or manufactured home as defined in subsection a. of this section without obtaining a license from the director. For the purposes of this chapter, a "licensed real estate broker" means a real estate broker licensed by the New Jersey Real Estate Commission pursuant to the provisions of chapter 15 of Title 45 of the Revised Statutes. Any sale or transfer of a mobile or manufactured home, in which a licensed real estate broker acts as a
broker or agent pursuant to this section, which sale or transfer is subject to any other requirements of R.S.39:10-1 et seq., shall comply with all of those requirements. No person who has been convicted of a crime, arising out of fraud or misrepresentation in the sale, leasing or financing of a motor vehicle, shall be eligible to receive a license. Each applicant for a license shall at the time such license is issued have established and maintained, or by said application shall agree to establish and maintain, within 90 days after the issuance thereof, a place of business consisting of a permanent building not less than 1,000 square feet in floor space located in the State of New Jersey to be used principally for the servicing and display of motor vehicles with such equipment installed therein as shall be requisite for the servicing of motor vehicles in such manner as to make them comply with the laws of this State and with any rules and regulations made by the director of motor vehicles governing the equipment, use and operation of motor vehicles within the State. However, a leasing dealer, who is not engaged in the business of buying, selling or dealing in motor vehicles in the State, shall not be required to maintain a place of business with floor space available for the servicing or display of motor vehicles or to have an exterior sign at the lessor's place of business. A license fee of $100 shall be paid by an applicant upon his initial application for a license. The director may renew an applicant's license from year to year, upon application for renewal on a form prescribed by the director and accompanied each year by a renewal fee of $100. Every license shall expire on March 31 of each year terminating the period for which it is issued. On and after February 1 of each year the director shall issue licenses for the following yearly period to expire on March 31 of the following year.

For the purposes of this section, a leasing dealer or an assignee of a leasing dealer whose leasing activities are limited to buying motor vehicles for the purpose of leasing them and selling motor vehicles at the termination of a lease shall not be deemed to be engaged in the business of buying, selling or dealing in motor vehicles in this State.

10. R.S.39:10-20 is amended to read as follows:

Suspension, revocation of license.

39:10-20. The director may suspend for a period less than the unexpired term of a license or revoke a license, after hearing, for a violation of any provision of this chapter or upon the final conviction of the licensee of a crime, arising out of fraud or
misrepresentation in the sale, leasing or financing of a motor vehicle, or upon proof of the failure of a licensee to make payment of the amount of any final judgment, rendered by a court of competent jurisdiction against such licensee and founded upon a claim arising out of fraud or misrepresentation in the sale or leasing of a motor vehicle, within 90 days after the same is finally entered, or for final conviction of the licensee for violating any provision of chapter 171 of Title 2A or of any supplement thereof (Observance of Sabbath Days). The clerk of the court in which any conviction is rendered, or the court where it has no clerk, shall forward to the director, immediately upon the entry thereof, a certified copy of the conviction or a transcript thereof. EXECUTIVE ORDER No. 3

WHEREAS, The State prisons and other penal and correctional institutions of the New Jersey Department of Corrections continue to house populations of inmates in excess of their capacities and remain seriously overcrowded; and

WHEREAS, The State's adult and youth correctional institutions are currently operating at 133.5 percent of design capacity; and

WHEREAS, These conditions continue to endanger the safety, welfare, and resources of the residents of this State; and

WHEREAS, From June 1981, when Executive Order No. 106 (Byrne) was issued, until this month, the population of State-sentenced prisoners grew from 7,940 to 23,133, exceeding all predictions for inmate population growth and seriously and dangerously taxing all State correctional facilities; and

WHEREAS, The scope of this crisis prevents local governments from safeguarding the people, property, and resources of the State and warrants a centralized management approach to inmate housing assignments; and

WHEREAS, Despite the construction of three prisons constructed since the issuance of Executive Order No. 106 (Byrne) and designed for 3,000 inmates and which now house 5,034 inmates at a construction cost of approximately $150 million, expansions of all existing facilities, and the opening of a facility at Fort Dix under a lease agreement with the federal government, the prison population growth has consistently outstripped infrastructure expansion throughout the past decade, exacerbating crisis conditions; and

WHEREAS, Efforts are continuing to address the problem, including the planned construction of a new prison facility to be operational by the end of 1995; and

WHEREAS, Executive Order No. 80 (Fiorio) of January 15, 1993, will expire on January 20, 1994; and

WHEREAS, The conditions specified in Executive Order No. 106 (Byrne) of June 19, 1981, continue to present a substantial likelihood of disaster, and in fact have worsened since that time as the prison population has expanded exponentially; and

WHEREAS, The Supreme Court of New Jersey has determined that executive authority to address these emergency conditions under the Disaster Control Act expires on April 22, 1994;

WHEREAS, Executive Order No. 99 mandated every State department, authority, or instrumentality authorized to implement public works projects to do so, whenever possible, subject to a project agreement with the applicable building and con-

WHEREAS, A properly evaluated and effected project agreement, when appropriate, can ensure that a public project is completed at the lowest reasonable cost in a timely manner without labor disruptions such as strikes, lockouts or slowdowns; and

WHEREAS, The benefits of any proposed project agreement must be carefully weighed with respect to the effect such an agreement would have on competitive bidding, project costs and the State's policy to advance women- and minority-owned businesses; and

WHEREAS, The use of project agreements may be considered on a project-by-project basis where such project agreements clearly benefit the interests of the State from a cost, efficiency, quality, safety and/or timeliness standpoint;

EXECUTIVE ORDER No. 16

WHEREAS, The State prisons and other penal and correctional institutions of the New Jersey Department of Corrections continue to house populations of inmates in excess of their capacities and remain overcrowded; and

WHEREAS, These conditions continue to endanger the safety, welfare, and resources of the residents of this State; and
WHEREAS, From June 1981, when Executive Order No. 106 (Byrne) was issued under the authority of the Disaster Control Act, until this month, the population of State-sentenced prisoners grew from 7,940 to 23,608, exceeding all predictions for inmate population growth and taxing all State correctional facilities; and

WHEREAS, The scope of this crisis prevents local governments from safeguarding the people, property, and resources of the State and warrants a centralized management approach to inmate housing assignments; and

WHEREAS, Despite the construction of three prisons since the issuance of Executive Order No. 106 (Byrne), designed for 3,000 inmates and which now house 5,034 inmates at a construction cost of approximately $150 million, expansions of all existing facilities, and the opening of a facility at Fort Dix under a lease agreement with the federal government, the prison population growth has consistently outstripped infrastructure expansion throughout the past decade, exacerbating crowding conditions; and

WHEREAS, Efforts are continuing to address the problem, including the planned construction of a new prison facility to be operational by the end of 1995; and

WHEREAS, The State continues to make a good faith effort to reduce the population of State-sentenced inmates housed in county facilities; and

WHEREAS, The conditions specified in Executive Order No. 106 (Byrne) of June 19, 1981, continue to present a substantial likelihood of disaster, and in fact have worsened since that time as the prison population has expanded exponentially; and

WHEREAS, The Supreme Court of New Jersey has determined that executive authority to address these emergency conditions under the Disaster Control Act expires on April 22, 1994; and

WHEREAS, Executive Order No. 3 of January 19, 1994 was issued pursuant to the Disaster Control Act to address these emergency conditions and will expire on April 22, 1994; and

WHEREAS, The State Legislature, by enactment of P.L.1994, c. 12, has declared a continuing state of emergency in the State
prisons and other penal and correctional institutions of the New Jersey Department of Corrections; and

WHEREAS, The State Legislature, by enactment of P.L.1994, c. 12, has conferred upon the Governor the authority to issue executive orders pursuant to that act in order to address the effects of the continuing state of emergency declared therein;

3. I hereby designate the Commissioner of the New Jersey Department of Corrections (the "Commissioner") to effectuate the provisions of this Order.

4. The Commissioner may designate as a place of confinement any available, suitable, and appropriate institution or facility, whether owned by the State, a county, or any political subdivision of this State, or any other person, for the confinement of inmates confined or to be confined in the State and/or county penal or correctional institutions.

5. The Commissioner shall consult with the appropriate county officials prior to implementation of any substantial change in the population of State-sentenced inmates housed in that county.

6. The Commissioner shall have full authority to adopt such rules, regulations, orders and directives as he shall deem necessary to effectuate the provisions of this Order.

NOW, THEREFORE, I, CHRISTINE TODD WHITMAN, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

METHOD OF BOND SALE

1. The policy of the State generally requiring that all bonds of the State and its agencies and authorities (hereinafter "issuers" or "contracting entities") to be sold on a competitive basis is hereby continued. In certain circumstances, however, where it is determined that a negotiated sale would better serve the requirements of a particular financing, negotiated sales may be conducted, if otherwise permitted by law. The circumstances under which a negotiated bond sale shall be permitted shall include the following:
   a. Sale of complex or poor credits;
b. Sale of a complex financing structure, including those transactions that involve the simultaneous sale of more than one series with each series structured differently;

c. Volatile market conditions;

d. Large issue size;

e. Programs or financial techniques that are new to investors; and

f. Variable rate transactions.

2. Where issuers engage in similar types of transactions on a somewhat regular basis, such issuers may make determinations with respect to the method of sale, consistent with section 1 of this Order, which will be utilized for two or more transactions, provided that the transactions are part of a larger bonding program of similarly secured financings. In this instance, issuers shall render public determinations with respect to these financing programs at least annually.

3. Any decision of an issuer regarding the method of sale for a bond issue shall be made by resolution which shall be available to the public. If the issuer is the Treasurer of New Jersey (the “Treasurer”), the Treasurer shall render a written determination which shall be available to the public. When an issuer determines that the sale of bonds should be negotiated with an underwriter based on the standards enumerated in section 1 of this Order, justification in support of such a decision should not be stated in general terms, but should be specific to the particular bond sale. Such findings shall be filed with the Treasurer within five (5) days of the decision.

SELECTION OF FINANCIAL ADVISORS, SENIOR MANAGERS AND CO-MANAGERS

4. Issuers whose bonds are secured by appropriations from the State’s General Fund, the full faith and credit of the State or otherwise in whole or in part by State revenues, shall adhere to the following procedures and criteria in connection with the selection of financial advisors, senior managers and co-managers:

a. A request for proposal and criteria for selection shall be developed by the issuer and the Treasurer for each financing. Criteria for such selection shall include, but not be limited to, the following:

1) Quality of response regarding the proposed bond structure, credit, and/or marketing strategy;

2) Sophisticated cash flow capabilities as required by a particular financing;

3) Development of a new idea;
EXECUTIVE ORDER 26

4) Demonstrated ability to distribute New Jersey securities;
5) Quality of relevant service to the State in previous transactions;
6) Experience with similar financings in which the firm and its proposed financing team participated;
7) Proposed fees for the particular bond sale; and
8) Sufficient capital to participate in underwriting the issue.

b. The issuer shall provide particular consideration for firms with a presence in New Jersey and for minority-owned and women-owned firms.

c. The issuer and the Treasurer shall select the financial advisor, senior manager and/or co-manager for the financing.

d. The firm(s) solicited, the firm(s) selected and criteria applied in connection therewith shall be made available to the public.

e. Such procedures may include a process whereby a group, or “pool,” of financial advisors, senior managers and/or co-managers may be utilized for two or more transactions, provided that the transactions are part of a larger bonding program of similarly secured financings. Issuers may select from such pools without soliciting separate proposals provided the pools are established via procedures and criteria consistent with this Order.

5. Issuers, other than those referred to in section 4 of this Order, shall: (a) formulate procedures consistent with the above criteria for the selection of financial advisors, senior managers and/or co-managers; (b) select such financial advisors, senior managers and/or co-managers based on said procedures and criteria; and (c) make the selection, procedures and criteria available to the public. Such procedures shall provide for an open and competitive process. Information regarding the firm(s) solicited, the firm(s) selected and criteria applied shall also be made available to the public by issuers.

6. Issuers shall undertake the selection process outlined in section 4 of this Order except in those rare instances in which each of the following three criteria have been met:
   a. An innovative idea has been brought to the issuer;
   b. A request for proposal cannot be constructed without communicating the new idea; and
   c. The issue would not benefit from a competitive selection process.

SELECTION OF BOND COUNSEL

7. Appointments of bond counsel shall generally be made on a competitive basis where price is a factor but not the sole factor.
The Attorney General of New Jersey (the “Attorney General”) shall develop guidelines for the solicitation of such counsel. However, where unusual circumstances may require the appointment of bond counsel with a particular expertise, such as unique prior experience with a transaction, direct appointments shall be permitted.

8. When bond counsel appointments are made pursuant to N.J.S.A. 52:17A-13 or where the Attorney General acts as general counsel to an issuer, the Attorney General shall establish procedures for the appointment of bond counsel on a competitive basis and under criteria that place great weight on the bond counsel’s qualifications and suitability for a particular transaction as well as the bond counsel’s fee proposal.
   a. Such criteria shall include, but not be limited to, the following:
      1) Experience of the bond counsel and the proposed team with similar transactions;
      2) Familiarity with the State laws relevant to the proposed bond issue;
      3) Proficiency with securities, tax and other laws relevant to the financing;
      4) Quality of proposed legal strategy with respect to specific questions posed in the request for proposal;
      5) Quality of past legal services rendered to the State and its authorities; and
      6) Fees.
   b. Such procedures and criteria may include a process whereby a group, or “pool,” of bond counsel firms may be appointed to serve as counsel to frequent bond issuers for a term not to exceed two years. Issuers may select from such pools without soliciting separate proposals for each bond issue, provided the pools are established via procedures and criteria consistent with this Order. This “pool” process shall, where appropriate, involve the establishment of a fee schedule for such transactions at the outset of the term.
   c. Such procedures and criteria may include a process whereby bond counsel may be utilized for two or more transactions, provided that the transactions are part of a larger bonding program of similarly secured financings and further provided such procedures and criteria are consistent with this Order.

9. In cases where the Attorney General is not statutorily required to appoint bond counsel or does not serve as general counsel to an issuer, issuers are hereby directed to establish their
own competitive appointment processes based on the criteria enumerated in section 8 of this Order to ensure the selection of the most qualified firms at the lowest possible fees.

10. In establishing policies and procedures for the selection of bond counsel, issuers and the Attorney General shall provide particular consideration for New Jersey law firms and minority-owned and women-owned law firms.

11. The policies and procedures established by issuers with respect to the appointment of bond counsel, as well as procedures established by the Attorney General in accordance with N.J.S.A. 52:17A-13, shall be available to the public.

APPOINTMENT OF ARCHITECTS, ENGINEERS AND ACCOUNTANTS

12. The State and its contracting entities shall continue to utilize, to the fullest extent practicable, competitive practices for the selection of architects, engineers and accountants. Contracting entities shall establish their own procedures for competitive selection of architects, engineers and accountants. Such practices shall be aimed at the fundamental goals of ensuring that each contracting entity of the State will receive the best services at the lowest costs. Information regarding such procedures shall be made available to the public.

13. Any selection of architects, engineers and accountants shall include particular consideration for minority-owned and women-owned firms.

30-DAY REPORTS

14. Within 30 days of the closing of a bond issue, the allocation of bonds and fees received by each member of the underwriting syndicate and a breakout of the costs of issuance paid by the issuer shall be reported to the Treasurer and be publicly available.

ANNUAL DEBT MANAGEMENT PLAN

15. Each issuer shall annually, on or before January 31, render a debt management plan with respect to its bond financing programs to the Treasurer. This plan shall include information on the outstanding debt and debt service costs for the prior and current year and shall also describe the proposed bond issues for the year outlining the size and purpose of each transaction; the expected
sale date of the issue; the security and expected ratings for each transaction; the expected method of sale and the method of selecting financial professionals consistent with the terms of this Order.

APPLICATION AND EFFECTIVE DATE

16. This Order shall apply to the State, its agencies and all authorities that are required to submit their minutes, resolutions or actions for gubernatorial approval or veto. Additionally, the State's participation in all other financings shall, to the extent practicable, be conditioned on compliance with the procedures and criteria set forth herein. "State's participation" includes but is not limited to instances in which a financing: 1) is secured directly or indirectly by the moral obligation of the State; or 2) is secured or financed directly or indirectly by State appropriations; or 3) includes as part of an issuer's offering statement State financial information. The determination as to whether it is practicable to apply this Order to such financings shall be made concurrently by the Treasurer and Attorney General.

17. This Order shall take effect on January 1, 1995 (the "effective date") and shall supersede Executive Order No. 79 (Florio) and Executive Order No. 92 (Florio) as of that date; however, any agency and authority required to comply with the terms of this Order may do so prior to the effective date and in lieu of the terms of Executive Order Nos. 79 and 92, provided such agency or authority has adopted the procedures necessary to comply with all aspects of this Order.

SUBSEQUENT REVIEW

18. The Advisory Panel is hereby directed to reconvene and hold at least one public hearing on or about one year from this Order's effective date for the purpose of obtaining public testimony regarding the implementation of this Order. Thereafter, the Advisory Panel shall recommend modifications, if any, necessary to better achieve the objectives of this Order as expressed above.

Issued October 25, 1994.

The public members shall consist of educators, representatives of the State's business community, labor representatives, health care and...
other service providers, representatives of the insurance industry, community leaders and persons who have tested HIV positive. The public members shall serve at the pleasure of the Governor. All members of the Advisory Council shall serve without compensation.

3. The Governor shall designate a Chairperson and Vice Chairperson from among the public members of the Advisory Council.

4. It shall be the duty of the Advisory Council to:
   a. advise the Governor on policy issues relating to AIDS;
   b. reassess the Department of Health's implementation of its plan to fight AIDS and HIV in the 1990's, and offer recommendations for updating the plan;
   c. recommend relevant legislation to the Governor;
   d. advise the Governor on the actions needed to coordinate State efforts concerning AIDS and HIV research, prevention and treatment;
   e. advise the Executive Branch concerning its relationship with voluntary agencies and private sector entities involved in AIDS and HIV-related activities; and
   f. prepare an annual report for the Governor on or before June 30 of each year summarizing its findings and providing any recommendations it deems appropriate.

5. The Advisory Council shall receive administrative staff support from the Department of Health.

6. This Order shall take effect immediately and shall apply retroactively to June 2, 1994.

Issued December 1, 1994.
REORGANIZATION PLANS

PLEASE TAKE NOTICE that on May 5, 1994, Governor Christine Todd Whitman hereby issues this Reorganization Plan, No.001-1994, (the “Plan”), to provide for more effective development and implementation of the State’s utility, environmental and energy policies. The Plan accomplishes these objectives by: (1) redesignating the New Jersey Board of Regulatory Commissioners (the “BRC”) as the Board of Public Utilities (the “BPU”) and reconstituting the BPU in, but not of, the Department of the Treasury; (2) transferring certain personnel and functions of the BRC and the Department of Environmental Protection and Energy (the “DEPE”), to be hereafter known as the Department of Environmental Protection (the “DEP”), to the BPU; and (3) creating a Division of the Ratepayer Advocate within the BPU and providing for the transfer of certain personnel of the Division of Rate Counsel in the Department of the Public Advocate to a newly created Division of the Ratepayer Advocate within the BPU.

GENERAL STATEMENT OF PURPOSE

The safe, efficient, and economical provision of utility services to the citizens of New Jersey has long been of paramount concern. To promote the coherent development of utility policy, then-Governor Woodrow Wilson established the Board of Public Utility Commissioners in 1911. Over the years, the Board has regulated
such essential services as the provision of electricity, natural gas, telephone, water, sewerage, and most recently, cable television.

Perhaps because the function it serves is sensitive to evolving technologies and the social concerns they raise, the Board has undergone numerous reorganizations. In 1977, reflecting public concerns over energy issues, the Board of Public Utility Commissioners was subsumed in, but not of, the newly formed Department of Energy. In 1987, the Department of Energy was abolished, and the Board was transferred to the Department of the Treasury. Finally, in 1991, reflecting public concern over environmental issues, the Board was subsumed within the Department of Environmental Protection and Energy.

The proper mandate of the Board of Regulatory Commissioners, however, is far broader than its inclusion within the Department of Environmental Protection and Energy suggests. Pursuant to its statutory authority, it is the duty of the BRC to regulate the public utilities of the State for the provision of safe, adequate and proper service, including electric, gas, water and sewer, and telecommunications. In addition, the BRC has regulatory oversight of the cable television industry. Thus, the Board is charged with regulating in many contexts, not merely within the context of environmental protection. It is time that the historic and prospective importance of the regulation of the energy and other utilities be reflected within the structure of the agency.

The purpose of this Plan is to create a governmental structure that will promote the statutory aims of the BRC. Pursuant to its mandate, the BRC regularly considers matters regarding economic regulation and interacts with the Division of Rate Counsel, which has been within the Department of the Public Advocate. Beyond economic considerations, the BRC is also responsible for seeing that the energy needs of New Jersey's citizens and industry are met. Accordingly, the BRC is inextricably involved with the planning and implementation of the present and future energy policies of the State.

The Plan puts into place a structure that will coordinate energy planning and promote the efficient regulation of energy costs, thus enhancing the State's economic growth and prosperity. The Plan restores the BRC to its former status in, but not of, the Department of the Treasury and renames the BRC the New Jersey Board of Public Utilities. It proposes the reinstatement of the President of the BPU to cabinet-level status, establishes within the BPU a Division of the Ratepayer Advocate, and realigns the
BPU to better address the dynamic challenges facing the regulated community while remaining sensitive to the need to reduce the cost and size of government. In transferring certain functions of the DEPE to the BPU and relocating the BPU in, but not of, the Department of the Treasury, this Plan recognizes the interdependent relationship between energy management planning and the provision of safe, adequate, and proper service by the State's public utilities and cable television operators. At the same time, those aspects of the Board's function most closely related to environmental concerns -- the Board's regulation of solid waste -- are vested in a redenominated Department of Environmental Protection.

This Plan speaks ultimately to a matter of vital concern; the Board's public interest in ensuring safe, adequate and proper service to all ratepayers, which includes cost-effective ratemaking and long-term energy policymaking. We recognize that the assurance of a consumer voice in the ratemaking process is essential to maintaining public trust. For too long, however, State government has been structured on the assumption that an advocate must be limited to an adversarial role. By formally reposing this essential consumer voice in a separately constituted Department of the Public Advocate, staffed with litigators who billed these adversaries by the hour and expressed the consumer voice in adversary proceedings, we have fostered litigation as a policymaking tool at the expense of reasoned consensus. Although the statutory charge of the Public Advocate has been the protection of the public interest, in recent years Rate Counsel has assumed a reflexively adversarial role in rate proceedings, while utilities have been encouraged to inflate their rate increase requests in anticipation of certain opposition and litigation expenses. To more effectively protect the consumer, this counterproductive cycle must be broken. There is no more wasteful institution than bureaucracy, and no more wasteful process than litigation. We have married the two, we have bureaucratized litigation, and we are all the poorer.

Recognizing that there are cases in which litigation may be necessary in order to protect the interest of the ratepayers, the Plan transfers certain personnel from the Office of the Rate Counsel to a newly constituted Division of Ratepayer Advocate within the BPU. However, the Plan recognizes that litigation must be the last resort where accommodation has failed.

Accordingly, the Plan authorizes the Director of the Division of the Ratepayer Advocate to negotiate with the utilities in advance of the filing of rate case proposals in order to seek an accommo-
REORGANIZATION PLAN

dation of views on rate issues so that the consumer's voice is accounted for prior to rate case filings. Further, the Plan envisions that the Director of the Division of the Ratepayer Advocate will participate after the rate proposal is filed in a pretransmittal conference to seek a further accommodation of views. The current system of funding, which provides every incentive to litigate and no motive to accommodate, shall be reformed. No longer will advocates on behalf of the consumer bill by the hour, and no longer will there be an incentive for rate proposals to be subject to protracted litigation. Only after negotiation has failed will litigation be considered.

The Division of the Ratepayer Advocate's role will not be limited to individual ratemaking cases; rather, the Director will play an active role in policymaking, sitting on the Advisory Council of Energy Planning and Conservation and on the Energy Master Plan Committee within the BPU. Additionally, the Director of the Division of the Ratepayer Advocate will assist, advise and cooperate with the BPU Commissioners in the exchange of information and ideas in the formulation of long-term energy policy and goals which impact all New Jersey ratepayers. This will afford the consumer a previously unheard voice in the long-range energy planning for this State. By assuring that the consumer's voice is heard at the outset of the ratemaking and policymaking processes, the Plan promotes the development of consensus and spares the State and its citizens the expense and inefficiency of a process that is reflexively adversarial rather than administratively inclusive. Moreover, although the Division of Rate Counsel was created to represent and protect the public interest in rate case proceedings, in practice Rate Counsel has, in the past, limited its representation to the interests of residential ratepayers. Under this Plan, the Division of the Ratepayer Advocate will be empowered to represent, protect, and advance the interests of all consumers of utility services, including residential, small business, commercial, and industrial ratepayers, in an effort to protect and promote the economic interests of all New Jersey ratepayers.

NOW, THEREFORE, pursuant to the "Executive Reorganization Act of 1969," L.1969, c.203 (C.52:14C-1 et seq.), I find, with respect to each aspect of the reorganization included in this Plan, that each aspect is necessary to accomplish the purpose set forth in section 2 of the Act and that each aspect will:
1. Promote more effective management of the Executive Branch or its departments because it will group similar regulatory functions within agencies specifically focused on industries with similar regulatory concerns;

2. Promote the better and more efficient execution of the law by functionally regulating the State's utility, environmental and energy industries according to major purposes;

3. Group, coordinate, and streamline regulatory functions in a more consistent and practical way;

4. Reduce expenditures; and

5. Eliminate duplication and overlapping of effort that has resulted from the transfer of the BRC to the DEPE by consolidating certain functions which will result in a savings of State funds.

PROVISIONS OF THE REORGANIZATION PLAN

1. a. The Board of Regulatory Commissioners, including the functions, powers, and duties assigned to it pursuant to L.1911, c.195, as amended (C.48:2-1 et seq), and L.1987, c.365, s.9 (C.52:18A-2.1), and allocated in, but not of, the Department of Environmental Protection and Energy pursuant to Reorganization Plan No.002-1991 together with all of its functions, powers, and duties, is continued and is transferred to and constituted as the New Jersey Board of Public Utilities in, but not of, the Department of the Treasury, except as hereinafter provided. The President of the BRC shall be the President of the BPU.

b. The BPU shall remain constituted as a three-member Board as now provided by law (C.48:2-1). The BPU's final agency decisions, consistent with applicable law, shall be appealable to the Appellate Division of the Superior Court. Further, the BPU shall exercise its substantive authority and powers independent of the supervision of any other department or agency.

c. Pursuant to the authority conferred by N.J.S.A.52:14C-5, vacancies on the BPU shall be filed by the Governor on an ad interim basis by the filing of a letter evidencing the appointment with the Secretary of State, which appointment shall be effective for no more than 90 days and which shall then expire and may not
be repeated, or until such time as a member is nominated, confirmed, appointed and qualified to serve, whichever is sooner.

d. Whenever any law, rule, regulation, order, contract, tariff, document, judicial, or administrative proceeding or otherwise refers to the Board of Regulatory Commissioners and the chairperson thereof, the same shall mean and refer to the New Jersey Board of Public Utilities and the President thereof.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this reorganization will help to ensure that the State's public utility policy and energy policies, including energy conservation goals, are effectively developed and carried out. Further, continuing the Governor's limited authority to name an acting member to the BPU will ensure the BPU's ability to carry out its important regulatory functions without delay in the event of a vacancy on the board.

2.a. The Division of Energy Planning and Conservation established in the Board of Public Utilities, pursuant to Reorganization Plan No. 002-1989, paragraph l(1)(a), and created pursuant to L.1977, c.146, as amended (C.52:27F-7), repealed by L.1987, c.365, s.17, and the functions, powers and duties of which were transferred to, and vested in, the Department of Environmental Protection and Energy and the Commissioner thereof pursuant to Reorganization Plan No.002-1991, are hereby reinstituted and all of its functions, powers and duties are hereby transferred to, and vested in, the BPU and the President thereof.

b. The Office of Energy Planning established by Reorganization Plan No.002-1991 and all of its functions, powers, and duties are hereby transferred to, and vested in, the Division of Energy Planning and Conservation in the BPU. All powers of implementation and enforcement relating to the Clean Air Act Amendments and the Safe Drinking Water Act, as currently being implemented and enforced by the DEPE, shall remain vested in the Department of Environmental Protection.

c. Whenever any law, rule, regulation, order, contract, document, judicial, or administrative proceeding or otherwise refers to the Office of Energy Planning, the same shall mean and refer to the Division of Energy Planning and Conservation in the BPU.

d. The responsibility and authority now vested in the Commissioner of the DEPE for the assessment of need and the issuance of a certificate of need for an electric facility under L.1983, c.115,
s.1 (C.48:7-16 et seq.) and Reorganization Plan No.002-1991 are hereby transferred to the BPU.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this reorganization will confer on the BPU the necessary authority to implement the important goals of coordinating and integrating the State's utility and energy policies. The reorganization also will promote the development and utilization of dynamic new energy conservation programs for residential, commercial, and industrial utility customers and will further provide a structure for promoting the economic interests of the State.

3.a. The Advisory Council on Energy Planning and Conservation in the Division of Energy Planning and Conservation, which was transferred to the Department of Environmental Protection and Energy pursuant to Reorganization Plan No.002-1991, paragraph 3a, and which was created by L.1977, c.146, s.10 (C.52:27F-12), together with all its functions, powers and duties as set forth in L.1977, c.146, s.11 (C.52:27F-13), is continued and transferred to, and constituted as, the Advisory Council on Energy Planning and Conservation in the Board of Public Utilities. The President of the BPU shall serve as Chairman of the Advisory Council and the Director of the Division of Ratepayer Advocate shall serve as a member thereof.

b. Whenever any law, rule, regulation, order, contract, document, judicial, or administrative proceeding or otherwise refers to the Advisory Council on Energy Planning and Conservation in the Division of Energy Planning and Conservation in the Department of Environmental Protection and Energy, the same shall mean and refer to the Advisory Council on Energy Planning and Conservation in the Board of Public Utilities.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this reorganization will provide the President and the Commissioners of the BPU with the necessary facilities to enable them to research, study, and implement the State's utility and energy policies.

4. The responsibility and authority vested in the Commissioner of the Department of Environmental Protection and Energy to act as Chairperson of the Energy Master Plan Committee, established by L.1987, c.365, s.14 (C.52:27F-14), pursuant to
Reorganization Plan No. 002-1991, paragraph 4, is hereby vested in the President of the BPU; the responsibility and authority of the Commissioner of the Department of Environmental Protection and Energy to serve as a member of the Energy Master Plan Committee is continued.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this reorganization will help to ensure close coordination and integration of the State's energy and environmental policies with the proper emphasis on energy and the environment.

5. The responsibility and authority for requiring the periodic reporting by energy industries of energy information, and the analysis and reporting of same, set forth in L.1977, c.146, s.16 (C.52:27F-18), which was transferred to the Department of Environmental Protection and Energy and the Commissioner thereof, pursuant to Reorganization Plan No. 002-1991, is transferred to the President of the BPU.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this transfer is consistent with the centralization of energy policy decisions within the BPU.

6. All responsibility and authority now vested in the Commissioner of the Department of Environmental Protection and Energy for the regulation of solid waste under L.1985, c.38, as amended (C.13:1E-136 et seq.), and Reorganization Plan No. 002-1991, or under any other law or regulation, including, but not limited to, rate setting, is continued in the Commissioner of the Department of Environmental Protection, as is the responsibility and authority for implementation of the Clean Air Act Amendments and Safe Drinking Water Act.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this reorganization will help ensure the close coordination and integration of the State's solid waste policies.

7. All responsibility for budget, fiscal, and personnel matters (including adoption of a Code of Ethics as required by the State Conflicts of Interest Law (C.52:13D-23) and acting as appointing authority with all of the rights thereunder) and day-to-day administration, including contracting and rulemaking authority in these areas, and such authority specifically conferred on the BPU by N.J.S.A.48:2-2, -3, and -7 and under Reorganization Plan No.
002-1991, is hereby transferred from the Department of Environmental Protection and Energy and the Commissioner thereof to the BPU and the President thereof.

Specifically, but not by way of limitation:

a. The BPU shall make annual budget recommendations to the Director of the Division of Budget and Accounting and the BPU budget shall be entirely funded by statutorily authorized assessments and, to the greatest extent legally permissible, and consistent with the BPU's historic practice, its budget shall be entirely separate and independent from the State budget process;

b. The BPU shall adopt the current Code of Ethics governing the BRC pursuant to the Conflicts of Interest Law for submission to, and approval by, the Executive Commission on Ethical Standards;

c. The BPU will be responsible for the allocation of its budget and the assignment of BPU personnel;

d. BPU employees for payroll, administrative and other personnel-related practices shall remain and continue to be categorized as BPU employees; and

e. Upon the request of the Commissioner of the Department of Environmental Protection, the BPU, to the extent reasonably feasible, shall make resources available to the DEPE to carry out an orderly transition of functions now provided to the DEPE by personnel transferred to the BPU.

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, consolidation of the BPU's budget and administrative authority in the BPU will provide the required level of autonomy to the BPU in carrying out its mandate.

8. All Class 2 and Class 3 employees who serve the BRC and/or the DEPE shall be employees of the BPU and shall be transferred to the BPU pursuant to the “State Agency Transfer Act,” L.1971, c.375 (C.52:14D-1 et seq.). Additionally, all appropriations, other employees, and records transferred pursuant to this Plan shall be transferred to the BPU pursuant to the “State Agency Transfer Act,” L.1971, c.375 (C.52:14D-1 et seq.).

I find this reorganization is necessary to accomplish the purposes set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this transfer will enable the BPU to be
autonomous and will allow the BPU to manage more efficiently its affairs and carry out its mandate.

9. There shall be established within the BPU a Division of the Ratepayer Advocate. The Governor shall appoint the Director of the Division of the Ratepayer Advocate, who may not be removed except for good cause. The Director's term shall be two years, with eligibility for reappointment. The Division is authorized and directed to:
   a. assist, advise and cooperate with the BRC Commissioners in the exchange of information and ideas in the formulation of long term energy policy and goals which impact all New Jersey ratepayers;
   b. negotiate with the utilities on behalf of the ratepayers in an effort to reach an accommodation of views with respect to proposed rate increases;
   c. appear before the BPU on behalf of ratepayers to the same extent that Rate Counsel is currently authorized to appear;
   d. sit on the Advisory Council on Energy Planning and Conservation and on the Energy Master Plan Committee; and
   e. appeal any determination, finding, or order of the BPU determined by the Director of the Division to be adverse to the ratepayer interest.

The Division shall be funded on an interim basis pursuant to statutorily authorized assessments currently dedicated to the Division of Rate Counsel in the Department of the Public Advocate, and to the greatest extent legally permissible and consistent with Rate Counsel's historic practice, its budget shall be entirely separate and independent from the State budget process. At the Director's discretion, such personnel of the Division of Rate Counsel as are deemed necessary to fulfill the mandate of the Division of the Ratepayer Advocate are hereby transferred to the Division of the Ratepayer Advocate. The Director, or a member of the Director's staff to be appointed by the Director, shall sit on the Advisory Council on Energy Planning and Conservation and on the Energy Master Plan Committee.

Notwithstanding the transfer of the Division of Rate Counsel staff to the BPU, the BPU's mission shall continue to be both to protect ratepayers on issues of rates and services and to remain concerned with the financial viability of the regulated entities. Accordingly, the Division of the Ratepayer Advocate will be located separately from the BPU staff, and shall be excluded from all BPU staff discussions of pending litigated rate cases. Neither the Director nor the technical or professional staff shall be sub-
ject to the supervision or control of the BPU. The President of the BPU shall exercise no supervisory control over the Division of the Ratepayer Advocate. All litigation and appeals functions shall be exercised independently.

I find this reorganization is necessary to accomplish the purpose set forth in section 2 of L.1969, c.203. In addition to the reasons set forth above, this transfer reduces the incentive for commencing or continuing unnecessary litigation and promotes a better and more efficient execution of the State’s utility rate policies. Most importantly, this reorganization provides for a broader and more comprehensive role by the Division of the Ratepayer Advocate in both protecting consumers and shaping future energy policy.

10. The BPU shall organize itself, as nearly as practicable, along the following functional lines: There shall be nine divisions: a Division of Gas, Division of Electric, Division of Telecommunications, Office of Cable Television, Division of Water and Sewer, Division of the Ratepayer Advocate, Division of Audits, Office of the Economist, and Division of Energy Planning and Conservation.

11.a. The name of the Department of Environmental Protection and Energy is hereby changed to the Department of Environmental Protection. I find this name change, authorized by N.J.S.A.52:14C-5, will better reflect the Department’s responsibilities and better inform the public of the Department’s role under this Plan.

b. Whenever any law, rule, regulation, order, contract, tariff, document, judicial, or administrative proceeding or otherwise refers to the Department of Environmental Protection and Energy or the Commissioner thereof, the same shall mean and refer to the Department of Environmental Protection or the Commissioner thereof.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies.

A copy of this Reorganization Plan was filed on May 5, 1994 with the Secretary of State and the Office of Administrative Law (for publication in the New Jersey Register). This Plan shall become effective in 60 days, on July 4, 1994, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than July 4, 1994, should the Governor establish such a later date for the effective date of the Plan, or any part thereof, by Executive Order.
PLEASE TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the Public Laws and in the New Jersey Register under a heading of “Reorganization Plans.”

Filed May 5, 1994.

A PLAN FOR THE REORGANIZATION OF THE DEPARTMENT OF COMMUNITY AFFAIRS

TAKE NOTICE that on November 21, 1994, Governor Christine Todd Whitman hereby issues the following Reorganization Plan (No. 002-1994) to provide: (1) for the increased efficiency, coordination and functioning of the Department of Community Affairs by reorganizing the Division of the Department of Community Affairs; (2) for the increased efficiency, coordination and integration of the State’s programs for elderly persons by the transfer of the functions, powers, and duties of the Office of the Ombudsman for the Institutionalized Elderly and the Office of the Public Guardian for Elderly Adults to the Division on Aging in the Department of Community Affairs and by the reorganization of the Division on Aging; and (3) for the increased efficiency, coordination and integration of the State's program to provide minimum standards for safety orientation and skills training programs for volunteer athletic coaches, managers, and officials by the transfer of the rulemaking authority of the Governor’s Council on Physical Fitness and Sports to the Commissioner of the Department of Community Affairs.

GENERAL STATEMENT OF PURPOSE

Pursuant to the 1972 Reorganization Plan of the Department of Community Affairs, three Assistant Commissioners of Community Affairs were provided to assist the Commissioner. In order to more efficiently manage and administer the Department of Community Affairs, this Plan seeks to provide for a Deputy Commissioner of Community Affairs and two Assistant Commissioners of Community Affairs who will serve at the pleasure of
the Commissioner and perform such duties as may be prescribed by her. Further, the 1972 Reorganization Plan of the Department of Community Affairs established a Program Analysis Office to assist the Commissioner in developing new programs and performing contract reviews of all grants and contracts for services awarded by the Department of Community Affairs. The functional responsibilities of this Office are currently provided by various Divisions in the Department and it is not necessary to continue the formal existence of the Program Analysis Office.

Pursuant to its present statutory authority, it is the duty of the Department of Community Affairs, among other responsibilities, to provide financial and technical assistance to nonprofit and local government agencies in an effort to improve the quality of life for the State's low-income, handicapped, and disadvantaged residents. These responsibilities are currently administered through various programs in the Division of Human Resources and the Division of Housing and Urban Renewal. The Division of Housing and Urban Renewal, in addition to administering these programs, also administers various statutes which enforce health and safety standards in multiple dwellings, rooming and boarding houses, and new construction. The purpose of this Reorganization Plan, in part, is to create a governmental structure that will foster the efficient implementation of a coherent public policy of integrated assistance to the public and local government agencies. The Plan accomplishes this by transferring the various financial assistance programs administered by the Division of Housing and Urban Renewal to the Division of Human Resources. These Divisions are also being renamed to reflect more accurately their functional responsibilities. This Plan will rename the Division of Housing and Urban Renewal as the Division of Codes and Standards and rename the Division of Human Resources as the Division of Housing and Community Resources.

Another essential mission of the Department, pursuant to its present statutory authority, is to provide assistance to individuals and organizations concerned with the well-being of aged persons. These responsibilities are currently carried out through the Department's Division on Aging. The Office of the Ombudsman for the Institutionalized Elderly, pursuant to its present statutory authority, is responsible for protecting the health, safety, and welfare of elderly persons who are patients or residents of health care facilities. The Public Guardian for Elderly Adults, pursuant to its present statutory authority, acts as guardian of or conservator for
elderly persons who have been adjudged incompetent by New Jersey courts. The current allocation of responsibilities among these various agencies creates overlapping responsibility and duplication of services. This Plan will foster the efficient implementation of coherent public policy regarding elderly residents of the State by transferring the functions, powers, and duties of the Ombudsman for the Institutionalized Elderly and the Office of the Public Guardian for Elderly Adults to the Division on Aging in the Department of Community Affairs. With the consolidation of the functions, powers, and duties of the Office of the Ombudsman for the Institutionalized Elderly and the Office of the Public Guardian for Elderly Adults into the Division on Aging, the Division has enhanced responsibilities to protect and provide services to the elderly residents of the State.

In view of the importance of the Division on Aging to the public, and in order to ensure the efficient implementation of an integrated public policy for the elderly residents of the State, this Plan provides for three Assistant Directors of the Division on Aging to assist the Director. The persons appointed by the Governor and confirmed by the Senate as the Ombudsman for the Institutionalized Elderly and the Public Guardian for Elderly Adults would be Assistant Directors of the Division on Aging in the unclassified service. A position of Assistant Director of the Division on Aging, in the unclassified service, would be created to assist the Director in the management and administration of the Division.

The Governor's Council on Physical Fitness in the Governor's Office was created by Executive Order No. 19 (1982). Thereafter, Executive Order No. 82 (1984) changed the name of the Council to the Governor's Council on Physical Fitness and Sports. Pursuant to Executive Order No. 134 (1986), the Department of Community Affairs was authorized and directed to cooperate with the Council in effecting its purposes. Pursuant to P.L.1988, c.87, the Governor's Council on Physical Fitness and Sports was authorized, in consultation with the Department of Community Affairs, to promulgate minimum standards for safety orientation and skills training programs for volunteer athletic coaches, managers and officials. These standards were adopted as regulations in 1990. The Governor's Council on Physical Fitness and Sports has, due to loss of funding, ceased to exercise its administrative functions. Nevertheless, the regulations adopted by the Council continue to be necessary so that volunteer athletic coaches, managers, and officials, by virtue of having successfully completed an approved program in accordance with the regulations, can have the benefit...
of statutory immunity from certain tort liability. Without this immunity, individuals who might otherwise volunteer may decide that it would be imprudent for them to do so. It is therefore necessary that there be a functioning official with authority to readopt these regulations when they expire on January 2, 1995. The official who would most appropriately exercise this authority is the Commissioner of the Department of Community Affairs or her designee.

THEREFORE, in accordance with the provisions of the “Executive Reorganization Act of 1969,” L.1969, c.203 (C.52:14C-1 et seq.), I find with respect to each reorganization included in this Plan that each is necessary to accomplish the purpose set forth in section 2 of that Act and will do the following:

1. It will promote more effective management of the Executive Branch because it will group similar functions within already existing agencies;

2. It will promote better and more efficient execution of the law by integrating similar functions within already existing agencies;

3. It will group, coordinate, and consolidate functions in a more consistent and practical way according to major purposes;

4. It will reduce expenditures by more closely aligning similar functions; and

5. It will eliminate some overlapping and duplication within the Executive Branch and the Department by consolidating and reallocating certain functions and responsibilities and thereby better utilize the resources of the Executive Branch and the Department.

THE PROVISIONS OF THE REORGANIZATION PLAN ARE AS FOLLOWS:

1.a. The office of the Commissioner in the Department of Community Affairs shall consist of the Commissioner, a Deputy Commissioner, two Assistant Commissioners, and such other staff members as the Commissioner shall designate. The Deputy Commissioner and the Assistant Commissioners shall serve at the pleasure of the Commissioner and perform such duties as may be prescribed by her.
1.b. The Commissioner of the Department shall have the power, not inconsistent with the provisions of this Reorganization Plan, to organize the work of the Department in such organizational units as she may determine to be necessary for efficient and effective operation.

1.c. The Program Analysis Office established by the 1972 Reorganization Plan of the Department of Community Affairs is abolished.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will promote the more effective management of the Department and the expeditious administration of the public business.

2.a. The Division of Housing and Urban Renewal is renamed the Division of Codes and Standards.

2.b.
