The annual excise tax imposed on each taxpayer shall be a sum equal to 5% of such portion of the taxpayer's gross receipts as the length of the lines or mains of such taxpayer in this State along, in or over any public street, highway, road or other public place, exclusive of service connections, bears to the whole length of its lines or mains in this State, exclusive of service connections. Where any taxpayer hereunder owns all of the capital stock of a subsidiary corporation taxable under the Corporation
Business Tax Act (1945), the taxpayer may deduct from the tax otherwise payable under this subsection (a) such proportion, not exceeding 50%, of the franchise tax payable by the subsidiary for the same year as the subsidiary's taxable net worth is to its entire net worth under said act.

In case the gross receipts of any such taxpayer for any calendar year shall not exceed $50,000.00 the tax on such taxpayer for such calendar year shall be computed at the rate of 0.25% instead of at the rate of 0.625%.

(2) A tax at the rate of 0.5% upon the gross receipts of such taxpayer for the preceding calendar year from its business over, on, in, through or from its lines or mains in the State of New Jersey.

C.54:30A-54.6 Excise tax on units of gas and electricity sold.

10. a. Every gas and electric light, heat and power corporation using or occupying the public streets, highways, roads, or other public places in this State shall, annually, pay an excise tax for the privilege of exercising its franchises and using the public streets, highways, roads or other public places in this State, as follows:

(1) Commencing in 1992, unit-based taxes due upon the corresponding therms of gas and corresponding kilowatthours of
electricity sold by such taxpayers in this State for the classes in the residential class category and the non-residential class category in the preceding year, except that commencing in 1995, unit-based taxes shall be due upon such units so sold in the current year.

(2) The rate of taxation for units sold in each class by each taxpayer shall be separately calculated by the Board of Public Utilities, in consultation with the director, for each class and shall be in 1992 through 1997 the greater of either the effective tax rate or the standard tax rate after a rate adjustment to account for an incremental adjustment to tax liability, as shall be applicable to the taxpayer as determined pursuant to paragraph (3) of this subsection, and in 1998 and in each year thereafter the standard tax rate. Provided however, that in 1992, the rate of taxation for each taxpayer pursuant to this subsection shall be the effective tax rate adjusted by the Board of Public Utilities so that the total tax liability imposed upon each taxpayer for 1992 shall be equal to its relative share of the total tax due from all gas and electric light, heat and power corporation taxpayers pursuant to subsections (a) and (b) of section 6 of P.L.1940, c.5 (C.54:30A-54) for 1991.

(3) As used in this section, "standard tax rate" means for units sold in each class, a rate of tax separately calculated by the Board of Public Utilities for each class which is equal to the lowest effective tax rate applicable to corresponding therms of gas and corresponding kilowatthours of electricity prevailing among taxpayers in 1991 for each class. As used in this section, "effective tax rate" means for units sold in each class for each taxpayer, a rate of taxation determined by dividing the amount of the taxpayer's 1991 tax liability pursuant to subsections (a) and (b) of section 6 of P.L.1940, c.5 (C.54:30A-54) paid in 1992 attributable to units sold in each class, exclusive of any revenue recorded as a result of any adjustment pursuant to section 481 of the Internal Revenue Code of 1986 (26 U.S.C. §481), by the corresponding therms of gas or corresponding kilowatthours of electricity sold by that taxpayer in this State in 1991 in each class.

Commencing in 1993, the Board of Public Utilities shall make incremental adjustments annually to the tax liability of each taxpayer for which the rate of taxation for each unit sold in any class in that year is greater than the standard tax rate for units sold in such class. Such incremental adjustments shall be made in such manner and in such amounts, and be attributed to sales of units in such class or classes, as to assure that commencing in 1998, the rate of taxation for units sold in each class by each taxpayer in
the State shall be equal to the standard tax rate. Such incremental adjustments as made by the Board of Public Utilities shall not in any year reduce the rate of taxation of a taxpayer for units sold in a class by more than 20% of the difference between the effective tax rate of the taxpayer for that class and the standard tax rate for that class, except that in the final year of incremental adjustments a larger reduction may be made.

(4) Each gas and electric light, heat and power corporation shall be liable for unit-based taxes determined for the corresponding therms of gas and corresponding kilowatthours of electricity sold in each class, calculated by multiplying its effective tax rate as adjusted pursuant to paragraph (3) of this subsection or the standard tax rate, as is applicable, for each class as determined in that paragraph (3), by the corresponding therms of gas or corresponding kilowatthours of electricity sold by the taxpayer in this State in each respective class in the preceding year or current year, as may be applicable.

(5) In no year shall the amount of tax attributable to the sale of units to the residential class category of a taxpayer be greater than the tax liability of that taxpayer pursuant to subsections (a) and (b) of section 6 of P.L.1940, c.5 (C.54:30A-54) so attributed to sales of units in the residential class category of that taxpayer in 1991, except for the amount of tax from increased sales of therms of gas or kilowatthours of electricity by that taxpayer in the residential class over those sold in that class in 1991.

b. Commencing in 1992, in addition to the excise taxes imposed in subsection a. of this section, every gas and electric light, heat and power corporation which is subject to the taxes imposed thereunder, annually, shall also pay to the State an excise tax for the franchise to operate and conduct business within the State and to use the public streets, highways, roads or other public places in the State, as follows:

A tax equal to 12 1/2% of the amount of the tax computed under subsection a. of this section. If the gross receipts of a taxpayer for a calendar year do not exceed $50,000.00, the tax on that taxpayer for the calendar year shall be equal to 5% of the amount of the tax computed under that subsection.

c. Commencing in 1995 and in each calendar year thereafter, a gas and electric light, heat and power corporation which is a taxpayer under this section shall make a payment of its estimated tax liability for the current year on or before April 1 of that year. The payment shall not be less than the amount of taxes paid by the tax-
payer under this section in the preceding year. The taxpayer shall, on or before April 1 of the next following year, file a final tax form as shall be prescribed by the director sufficient to demonstrate the taxpayer's liability, if any, for taxes pursuant to this section and shall pay the amount of any remaining tax liability. The taxpayer shall be entitled to the refund, or credit against taxes due and payable in the next year, of any amount of the estimated tax payment which is in excess of the total amount payable pursuant to this section. In the calculation of tax liability, a taxpayer shall be entitled to a credit in the amount of any prepayment required pursuant to section 12 of P.L.1991, c.184 (C.54:30A-54.8), section 2 of P.L.1971, c.108 (C.54:30A-54.1a) or section 1 of P.L.1979, c.36 (C.54:30A-54.4), made in the previous calendar year, and shall be entitled to the return, or credit against taxes due and payable in the next year, of any amount so paid which is in excess of the total amount payable in accordance with this section.

C.54:30A-54.7 Corporations to file amendments to existing tariffs, contracts, schedules of service.

11. Gas and electric light, heat and power corporations subject to tax pursuant to section 10 of P.L.1991, c.184 (C.54:30A-54.6) shall file with the Board of Public Utilities amendments to their existing tariffs, contracts or schedules of service designating the appropriate class in the residential class category or in the non-residential class category for each tariff, contract or schedule of service. The initial designations shall maintain as closely as possible the relative share of gross receipts and franchise taxes paid through each tariff, contract or schedule of service in 1991. Whenever a gas or electric light, heat and power corporation shall file with the Board of Public Utilities a new tariff, contract or schedule of service, such corporation shall include with the filing a designation of the appropriate residential class category or non-residential class category.

The Board of Public Utilities may permit corporations to establish new tariffs, contracts or schedules, or to amend existing tariffs, contracts or schedules, as necessary to comply with the provisions of this amendatory and supplementary act, P.L.1991, c.184 (C.54:30A-18.6 et al.). The Board of Public Utilities may authorize corporations to engage in such deferred accounting of costs resulting from actions on the part of taxpayers as may be necessary to comply with the provisions of this amendatory and supplementary act. Whenever a corporation shall establish in its
tariffs, contracts or schedules a new class, the Board of Public Utili-
ties shall designate it in the residential class category or non-
residential class category for the purposes of this amendatory and
supplementary act. The Board shall, in consultation with the direc-
tor, establish a rate of taxation as is appropriate for sales of
corresponding therms of gas and corresponding kilowatthours of
electricity in that class in such manner as not to alter the amount of
the taxpayer's total tax liability for the year in which the new class
is implemented, and on the same basis, as nearly as practicable, as
established for previously existing classes in the residential class
category or non-residential class category, as appropriate. The
Board shall assure that that portion of a taxpayer's tax liability
attributed within its classes in the residential class category or non-
residential class category, as the case may be, shall be distributed
in an equitable manner so as to maintain, as nearly as practicable,
the distributions made among those classes in the initial attribu-
tions of tax liability under this amendatory and supplementary act,
subject to any later adjustments made by the board, any changes
from the initial attributions necessary to reflect proportional
changes in unit sales made among the classes, and any modifica-
tions necessary to establish the tax liability to be attributed to, and
the unit sales made in, the new class.

C.54:30A-54.8 Corporations to remit advance payments of tax liability to State.

The Director of the Division of Taxation shall on or before May 1 in each year, compute the balance of such taxes and the apportionment thereof in the manner herein provided.

C.54:30A-61.1 Apportionment to municipalities; exceptions; determination of per capita amounts; annual payment to; anticipation in annual budget; rules and regulations.

shall receive a total amount pursuant to those sections greater than it received in 1979, plus 50% of the difference between the amount it received pursuant to those sections in that year and the greater amount it would have received pursuant to those sections in the year for which the apportionment and payment is made; and, b. in no year shall any municipality receive an amount pursuant to those sections greater than an amount equal to $700.00 per capita. Any contiguous municipalities wherein there are located electric generating stations included in the scheduled property of a public utility, both or all of which municipalities would be affected by a. above but would not be limited by b. above, shall not be affected by the apportionment limitations of this section. Any municipality which has had a municipal purposes tax rate of $0.10 or less for any three tax years affecting its apportionment pursuant to this section shall be required to have a municipal purposes tax rate in excess of $0.10 for three consecutive tax years before its apportionment shall cease to be affected pursuant to this section.

If in 1980 or any year thereafter the application of the $700.00 per capita limitation under this section would reduce the amount received by any municipality pursuant to those sections to less than 50% of the amount received pursuant to those sections in 1979, then, notwithstanding that limitation, the municipality shall receive in 1980 an amount equal to 50% of the amount received in 1979, and in any year thereafter such municipality shall annually appropriate and pay to the county in which it is located an amount equal to 35% of the amount received in that year, to be used for county purposes.

For the purposes of this section in determining per capita amounts, the most recent population estimates published by the New Jersey Department of Labor shall be utilized.

Amounts apportioned in each year to each municipality shall be annually paid to them by the State Treasurer, 25% thereof on July 5 next following the date of certification of the apportionment by the director; 40% thereof on or before September 1, and 35% thereof on or before December 1 next thereafter. Any portion of the balance set forth in sections 12 and 13 of P.L.1940, c.5 (C.54:30A-60 and 54:30A-61), section 9 of P.L.1940, c.4 (C.54:30A-24) and section 19 of P.L.1991, c.184 (C.54:30A-61.2) remaining after the apportionments and payments are determined pursuant to this section shall be deposited in the “Municipal Purposes Tax Assistance Fund,” established pursuant to P.L.1980, c.12 (C.54:1-46 et seq.), to be used exclusively for the purposes of that fund.

Notwithstanding the provisions of the “Local Budget Law” (N.J.S.40A:4-1 et seq.), any county, or municipality affected by the
$700.00 limitation set forth in this section, to which a payment is made pursuant to this section may anticipate the amount of such payment in its annual budget for the year in which such payment is made, and any municipality which is required to make an annual appropriation pursuant to this section shall make such appropriation in its annual budget for the year in which it shall receive the payment a portion of which it is required to appropriate. The Director of Local Government Services shall establish rules or regulations necessary to effectuate the purposes and provisions of this section.

21. Section 2 of P.L.1980, c.10 (C.54:10A-24.1) is amended to read as follows:

C.54:10A-24.1 Apportionment to municipalities; exceptions; determination of per capita amounts; annual payment; anticipation of amounts in budget; rules and regulations.

2. The director shall annually apportion to each municipality the amount to be apportioned to it pursuant to section 9 of P.L.1940, c.4 (C.54:30A-24), sections 12 and 13 of P.L.1940, c.5 (C.54:30A-60 and 54:30A-61), and section 19 of P.L.1991, c.184 (C.54:30A-61.2), except that: a. no municipality which in the three next preceding tax years had a municipal purposes tax rate of $0.10 or less shall receive a total amount pursuant to those sections greater than it received in 1979, plus 50% of the difference between the amount it received pursuant to those sections in that year and the greater amount it would have received pursuant to those sections in the year for which the apportionment and payment is made; and, b. in no year shall any municipality receive an amount pursuant to those sections greater than an amount equal to $700.00 per capita. Any contiguous municipalities wherein there are located electric generating stations included in the scheduled property of a public utility, both or all of which municipalities would be affected by a. above but would not be limited by b. above, shall not be affected by the apportionment limitations of this section. Any municipality which has had a municipal purposes tax rate of $0.10 or less for any three tax years affecting its apportionment pursuant to this section shall be required to have a municipal purposes tax rate in excess of $0.10 for three consecutive tax years before its apportionment shall cease to be affected pursuant to this section.

If in 1980 or any year thereafter, the application of the $700.00 per capita limitation under this section would reduce the amount
received by any municipality pursuant to those sections to less than 50% of the amount received pursuant to those sections in 1979, then, notwithstanding that limitation, the municipality shall receive in 1980 an amount equal to 50% of the amount received in 1979, and in any year thereafter an amount equal to 75% of the amount received in 1979; but in 1981 and each year thereafter such municipality shall annually appropriate and pay to the county in which it is located an amount equal to 35% of the amount received in that year, to be used for county purposes.

For the purposes of this section in determining per capita amounts, the most recent population estimates published by the New Jersey Department of Labor shall be utilized.

Amounts apportioned in each year to each municipality shall be annually paid to them by the State Treasurer, 25% thereof on July 5 next following the date of certification of the apportionment by the director; 40% thereof on or before September 1, and 35% thereof on or before December 1 next thereafter. Any portion of the balance set forth in section 9 of P.L.1940, c.4 (C.54:30A-24), sections 12 and 13 of P.L.1940, c.5 (C.54:30A-60 and 54:30A-61), and section 19 of P.L.1991, c.184 (C.54:30A-61.2) remaining after the apportionments and payments are determined pursuant to this section shall be deposited in the "Municipal Purposes Tax Assistance Fund," established pursuant to P.L.1980, c.12 (C.54:1-46 et seq.), to be used exclusively for the purpose of that fund.

Notwithstanding the provisions of the "Local Budget Law" (N.J.S.40A:4-1 et seq.), any county, or municipality affected by the $700.00 limitation set forth in this section, to which a payment is made pursuant to this section may anticipate the amount of such payment in its annual budget for the year in which such payment is made, and any municipality which is required to make an annual appropriation pursuant to this section shall make such appropriation in its annual budget for the year in which it shall receive the payment a portion of which it is required to appropriate. The Director of Local Government Services shall establish rules or regulations necessary to effectuate the purposes and provisions of this section.

Medicaid expansion--SOBRA........... (55,000,000)
Pharmaceutical Assistance to the Aged--Claims ........................ (53,886,000)

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 1992 are appropriated.

The amounts hereinabove appropriated for Payments for Medical Assistance recipients are available for the payment of obligations applicable to prior fiscal years.

Reimbursements for services provided for recipients of other jurisdictions, as established by interstate agreements, which represent the State share of Medical Assistance are appropriated to the Division of Medical Assistance and Health Services for the purpose of making further payments of Medical Assistance.

The State appropriation is based on a federal financial participation rate of 48.91%; provided however, that if the federal financial participation rate exceeds this percentage, there will be placed in reserve a portion of the State appropriation equal to the amount of additional federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.), the Medical Assistance to the Aged program is eliminated; provided however, that necessary medical services shall be available to those enrolled in the program as of June 30, 1982, until such time that those persons no longer require medical care or are eligible for alternative programs.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. This provision shall apply to all payments made after June 30, 1990.
For the purposes of account balance maintenance, all object accounts in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification. This provision shall apply to all payments made after June 30, 1990.

A revolving fund is established within the Division of Medical Assistance and Health Services for the operation of the Garden State Health Plan and notwithstanding any provision herein all appropriations and receipts of federal and other non-State funds related to the operation of the plan shall be deposited into the fund and shall be allotted subject to the Director of the Division of Budget and Accounting.

The amounts hereinafore appropriated for payments for Pharmaceutical Assistance to the Aged, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.) shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements or other instruments. Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual because of that individual’s eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Notwithstanding the provisions of any State law to the contrary, Medicaid coverage for the hospice program provided by P.L.1989, c.251 is deferred until July 1, 1992.

Excess State funds realized by federal involvement through Medicaid in the Dental program for non-institutionalized developmentally disabled and handicapped children are committed for the program's support during the subsequent fiscal year, rather than for expansion.

Group home maintenance recoveries during the fiscal year ending June 30, 1992, not to exceed $2,500,000, are appropriated.

Amounts required to return persons with mental retardation or developmental disabilities presently residing in out-of-State institutions to group homes within the State may be transferred from the Private institutional care account to the Group homes account, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provision of any law to the contrary, amounts that become available as a result of the return of persons from private institutional care placements, including in-State and out-of-State placements, shall be available for transfer to community and community support programs, subject to the approval of the Director of the Division of Budget and Accounting.

Receipts in excess of those anticipated from county billings for the cost of maintenance and care of patients and residents in State Developmental Centers and Special Residential Services are appropriated for the purpose of providing State aid to the counties, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amount hereinabove, there are appropriated from the Casino Revenue Fund and available federal matching funds such additional sums as may be required for the payment of claims, subject to the approval of the Director of the Division of Budget and Accounting.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the fiscal year ending June 30, 1992 are appropriated.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) Program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provisions contained in contracts, wills, agreements or other instruments. In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from the various items of appropriation within the General Medical Services program classification, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. This provision shall apply to all payments made after June 30, 1990.

For the purposes of account balance maintenance all object accounts in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification. This provision shall apply to all payments made after June 30, 1990.

### Total Appropriation, Federal Funds

- \(\text{\$4,214,423,000}\)

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to allotment by the Director of the Division of Budget and Accounting and the approval of the Joint Budget Oversight Committee or its successor: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and for which no State matching funds are required, the first 25 percent of unanticipated grant awards, and up to 25 percent of increases in previously
anticipated grant awards for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; grants to State colleges, Rutgers, The State University, the University of Medicine and Dentistry of New Jersey, and the New Jersey Institute of Technology for research or other scholarly activity not related to expansion of course curricula; federal financial aid funds for students attending post secondary educational institutions in excess of the amount specifically appropriated, provided however, that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of such grants; and all other grants of $200,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, "political subdivisions of the State" means counties, municipalities, school districts, or agencies thereof, regional, county or municipal authorities, or districts other than interstate authorities or districts; "discretion" refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and "grants" refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The accounts receivable balances of federal funds as of June 30, 1991 are reestablished and appropriated for the same purposes, the expenditure of which shall be subject to the approval of the Director of the Division of Budget and Accounting who shall inform the Legislative Budget and Finance Officer by September 1, 1991 of accounts receivable balances which are established and reappropriated.

The unexpended balances of federal funds as of June 30, 1991 are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 1991 of any unexpended balances which are reappropriated.

The Director of the Division of Budget and Accounting shall promulgate and enforce uniform accounting procedures applicable to all State agencies receiving and expending federal funds.
The appropriate executive agencies shall prepare and submit to the Senate Revenue, Finance and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 1992, reports on proposed expenditures during fiscal year 1993 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the job training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; the social services block grant; and the child care block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide service under the block grants.

The amounts hereinabove appropriated are available, subject to the approval of the Director of the Division of Budget and Accounting, for the payment of obligations and the reimbursement of expenditures applicable to prior fiscal years.

Grand Total Appropriation, All Funds .................................. $18,865,870,000

2. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefor, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

3. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget and Finance Officer, private contributions, revolving funds and dedicated funds received or receivable for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein, and the unexpended balances as
of June 30, 1991 of such funds, subject to the approval of the Director of the Division of Budget and Accounting.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 1991 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

6. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

7. There are appropriated such sums as may be required for the collection of debts owed to the State, subject to allotment by the Director of the Division of Budget and Accounting.

8. The unexpended balances as of June 30, 1991 in the accounts of the several departments and agencies heretofore appropriated or established in the category of Additions, Improvements and Equipment are appropriated, subject to the approval of the Director of the Division of Budget and Accounting.

9. Unless otherwise provided, balances remaining as of June 30, 1991 in accounts of appropriations enacted subsequent to April 1, 1991 are appropriated.

10. a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget
and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, fund code and program code unique to the item. If the director consents to the transfer, the amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

1. Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

2. Requests for the transfer of State funds, in amounts greater than $300,000, to or from any account within an item of appropriation in which the unexpended balances are reappropriated in this act, or which is otherwise designated as a carry-forward account;

3. Requests for the transfer of State and other nonfederal funds, in amounts greater than $8,000, to or from any Special Purpose or Grant account within an item of appropriation, from or to a different item of appropriation;

4. Requests for the transfer of State and other nonfederal funds, in amounts greater than $8,000, to or from any Special Purpose or Grant account in which the identifying organization code, fund code and program code remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

5. Requests for the transfer of State funds, in amounts greater than $8,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as State Operations, Institutional Programs, Grants-In-Aid, State Aid, Capital Construction and Debt Service;

6. Requests for the transfer of federal funds, in amounts greater than $8,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item;
(7) Requests for the transfer of federal funds, in amounts greater than $8,000, to or from any Special Purpose or State Aid and Grants account within an item of appropriation, from or to a different item of appropriation;

(8) Requests for the transfer of federal funds, in amounts greater than $8,000, to or from any Special Purpose or State Aid and Grants account, in which the identifying organization code, fund code and program code remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations; and

(9) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (5) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative branch of
State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or his designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Governor for emergency and necessity under the State Contingency Fund and transfers from the appropriations to the various accounts in the category of Salary and Other Benefits, both in the Inter-Departmental Accounts, shall not be subject to legislative approval or disapproval.

11. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and he is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be his duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

12. The Director of the Division of Budget and Accounting is empowered and it shall be his duty in the disbursement of funds for payment of expenses classified as employee benefits, debt service, rent, leased telephone, motor pool, insurance, postage, lease payments on equipment purchases and compensation awards to credit or transfer to the Department of the Treasury, to an Inter-Departmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source as the Director of the Division of
Budget and Accounting shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

13. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

14. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, disaster, or for flood loss expenses for State owned structures to comply with Federal Insurance Administration requirements.

15. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

16. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

17. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in his custody, deposited with him pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds whose statutes provide for interest earnings to accrue to the fund, all such transfers shall be without interest. When the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State's general investments.

18. Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund; provided however, that a portion of the indirect and administrative cost recoveries received
which are in excess of the amount anticipated may be reclassified into a
dedicated account and returned to State departments and agencies, as
determined by the Director of the Division of Budget and Accounting,
who shall notify the Legislative Budget and Finance Officer of the
amount of such funds returned, the departments or agencies receiving
such funds and the purpose for which such funds will be used, within 10
working days of any such transaction. Such receipts shall be forwarded
to the Director of the Division of Budget and Accounting upon comple-
tion of the project or at the end of the fiscal year, whichever
occurs earlier.

19. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6
et seq.), sums appropriated for services for the various State
departments and agencies may be expended for the purchase of
contract services from the New Jersey Marine Sciences Consortium
and New Jersey Education Computer Network (NJECN) as if they
were State government agencies pursuant to subsection (a) of sec-
tion 5 of P.L.1954, c.48 (C.52:34-10); provided however, that any
expenditure with NJECN shall be subject to the prior approval of
the Director of the Division of Budget and Accounting.

20. The Director of the Division of Budget and Accounting may
settle any claim not exceeding $250 due and owing to the State.

21. Notwithstanding any other provisions of this act, the State
Treasurer, upon warrant of the Director of the Division of Budget
and Accounting, shall pay any claim not exceeding $1,000 out of
any appropriations made to the several departments, provided
such claim is recommended for payment by the head of such
department. The Legislative Budget and Finance Officer shall be
notified of the amount and description of any such claim at the
time such payment is made. Any claimant who has presented a
claim not exceeding $1,000, which has been denied or not recom-
mended by the head of such department, shall be precluded from
presenting said claim to the Legislature for consideration.

22. Out of the appropriations herein, the Director of the Division
of Budget and Accounting is empowered to approve payments to liq-
uidate any unrecorded liabilities for materials delivered or services
rendered in prior fiscal years, upon the written recommendation of
any department head, or his designated representative. The Director
of the Division of Budget and Accounting shall reject any recom-
mendations for payment which he deems improper.
23. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from the fund. The director shall make regulations governing disbursement from petty cash funds.

24. The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the presentation of the Governor's Budget Recommendation Document dated January 29, 1991.

25. State agencies shall prepare and submit a copy of their departmental budget requests and spending plans involving all State, federal and other non-State funds to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer by October 1, 1991, and updated spending plans on January 1, 1992 and April 1, 1992. The spending plans shall account for any changes in departmental spending which differ from this appropriation act and all supplements to this act. The spending plans shall be submitted on forms specified by the Director of the Division of Budget and Accounting.

26. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

27. The Director of the Division of Budget and Accounting shall provide the Legislative Budget and Finance Officer with copies of all BB-4s, Application for Non-State funds, and accompanying project proposals or grant applications, with the exception of research grants awarded to State colleges, which do not require a State match and which will not commit or require
State support after the grant's expiration, prior to the director's approval or disapproval of the application.

28. Notwithstanding the provisions of P.L.1943, c.188 (C.52:14-17.1 et seq.), the rate of reimbursement for mileage allowed for employees traveling by personal automobile on official business shall be $.25 per mile.

29. Notwithstanding any other provisions in this act, no unexpended balances as of June 30, 1991 are appropriated without the approval of the Director of the Division of Budget and Accounting, except that the Legislative branch of State government shall be exempt from this provision; and, provided further, that for any appropriation account balances that are lapsed that otherwise have reappropriation language pursuant to any other provision of this act, and which are supported by fees or fines, there is hereby appropriated an amount sufficient to re-establish some or all of such lapsed appropriation account balances, subject to the approval of the Director of the Division of Budget and Accounting.

30. To the extent that balances as of June 30, 1991 in capital construction accounts which are otherwise appropriated herein, are lapsed in order to provide sufficient resources in fiscal year 1991 to maintain a balanced budget, there is hereby appropriated an amount sufficient to re-establish some or all of these lapsed capital construction accounts, subject to the approval of the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer.

31. There are appropriated, subject to the approval of the Director of the Division of Budget and Accounting, from interest earnings of the various bond funds, such sums as may be necessary for the State to comply with the federal "Tax Reform Act of 1986," Pub. L.99-514 (26 U.S.C.§ 1 et seq.) which requires issuers of tax-exempt debt obligations to rebate any arbitrage earnings to the federal government.

32. In order to provide effective cash flow management for revenues and expenditures of the General Fund and the Property Tax Relief Fund to implement the fiscal year 1992 annual appropriations act, there are appropriated from the General Fund such sums as may be required to pay the principal of and interest on tax and revenue anticipation notes including notes in the form of commercial paper (hereinafter collectively referred to as short-term notes), together with any costs or obligations relating to the issuance thereof or contracts related thereto, according to the terms set forth herein. Provided further that, to the
extent that short-term notes are issued for cash flow management purposes in connection with the Property Tax Relief Fund, there are appropriated from the Property Tax Relief Fund such sums as may be required to pay the principal of those short-term notes.

33. The State Treasurer is authorized to issue in fiscal year 1992 short-term notes, which notes shall not constitute a general obligation of the State or a debt or a liability within the meaning of the State Constitution. Such short-term notes shall mature and be paid in fiscal year 1992 and the State Treasurer is authorized to pay any costs or obligations relating to the issuance of such short-term notes or contracts relating thereto. Such short-term notes shall be issued in such amounts and at such times during fiscal year 1992 as the State Treasurer shall deem necessary for the above stated purposes and for the payment of related costs, and on such terms and conditions, sold in such manner and at such prices, bearing interest at such fixed or variable rate or rates, renewable at such time or times, and entitled to such security, and using such paying agents as shall be determined by the State Treasurer. The State Treasurer is authorized to enter into such contracts and to take such other actions, all as determined by the State Treasurer to be appropriate to carry out the above cash flow management purposes. Whenever the State Treasurer issues such short-term notes, the State Treasurer shall report on each such issuance to the Chairman of the Senate Revenue, Finance and Appropriations Committee and the Chairman of the Assembly Appropriations Committee.

34. Such sums as may be necessary are appropriated from delinquent tax judgments, delinquent student loans, administrative fines and penalties, unclaimed property, escheats, overpayments of state entitlements and other debts owing to the State or its agencies collected or recovered by the Division of Taxation and the Unclaimed Property/Escheats Unit in the Department of the Treasury or by the Division of Law in the Department of Law and Public Safety or any other unit of State government to fund the cost of auditors, attorneys and other staff and other costs in such divisions or units incurred in order to collect or recover these funds, subject to the approval of the Director of the Division of Budget and Accounting. 35. This act shall take effect July 1, 1991.

CHAPTER 186

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 4 of P.L.1983, c.382 (C.52:27D-25d) is amended to read as follows:

C.52:27D-25d Additional powers, duties of bureau.

4. In addition to any other powers and duties invested in it by law or by the commissioner, the bureau shall:
   a. Provide staff support for the work of the fire safety commission and its advisory councils;
   c. Implement training and education programs for the fire service and the public;
   d. Administer a fire incident reporting system;
   e. Conduct research and master planning for fire safety; and
   f. In conjunction with the Department of Labor and Department of Health, conduct investigations of fire incidents in which one or more firefighters suffer death or serious injury and identify those measures which may be required to prevent the future occurrence of deaths and serious injuries under similar circumstances and, in furtherance of any such investigation, the bureau may issue and enforce subpoenas to compel the testimony of any person who might have knowledge of any relevant matters and the production of any relevant documents. If any investigation conducted under this subsection results in the discovery of any violation of the provisions of the "Uniform Fire Safety Act," P.L.1983, c.383 (C.52:27D-192 et seq.), the bureau, as an enforcing agency, may issue a written notice or order pursuant to that act. Any notice or order issued by the Bureau of Fire Safety pursuant to this subsection may be enforced under section 19 of P.L.1983, c.383 (C.52:27D-210) as a notice or order of the commissioner.
2. Section 17 of P.L.1983, c.516 (C.34:6A-41) is amended to read as follows:

C.34:6A-41 Violations, penalties.

17. a. If the commissioner determines that an employer has violated a provision of this act, or a safety or health standard or regulation promulgated under this act, or if he has received a report from the Bureau of Fire Safety of the Department of Community Affairs, the Department of Labor or the Department of Health, prepared as a result of the investigation of the death or serious injury of one or more firefighters, which indicates the existence of a violation of this act or of a safety standard promulgated under this act, he shall with reasonable promptness issue to the employer a written order to comply which shall describe the nature of the violation, including a reference to the provision of the section, standard, regulation or order alleged to have been violated, the sanction therefor, where appropriate, and shall fix a reasonable time for compliance. Determinations regarding health standards, and written orders issued pursuant thereto, shall be made in consultation with the Commissioner of Health.

b. Where the commissioner issues to an employer an order to comply, the employer shall post such order or a copy thereof at or near each location of the violation cited in the order so that it is clearly visible to affected employees. The commissioner shall make such order available to employee representatives and affected employees.

c. If the time for compliance with an order of the commissioner issued pursuant to this section elapses, and the employer has not made a good faith effort to comply, within its powers and financial resources, the employer shall be liable to a penalty of not more than $1,000.00 per day to be collected in a civil action commenced by the commissioner by a summary proceeding under "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.) in the Superior Court or a municipal court, either of which shall have jurisdiction to enforce "the penalty enforcement law" in connection with this act. If the violation is of a continuing nature, each day during which it continues after the date given for compliance in accordance with the order of the department shall constitute an additional separate and distinct offense.

d. The commissioner is authorized to compromise and settle any claim for a penalty under this section in such amount as, in the discretion of the commissioner, may appear appropriate and equitable under all of the circumstances, including a rebate of any
such penalty paid up to 90% thereof where such person satisfies the commissioner within one year or such other period as the commissioner may deem reasonable that such violation had been eliminated or removed or that such order or injunction has been met or satisfied, as the case may be. In any claim involving investigations conducted by the Department of Health, the commissioner shall make the determination as to the compromise or settlement of the claim in consultation with the Commissioner of Health.

3. This act shall take effect immediately.

Approved July 1, 1991.

CHAPTER 187

AN ACT concerning health care cost containment and revising parts of statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-18.24 Findings, declarations.

1. The Legislature finds and declares that:
   a. Access to quality health care shall not be denied to residents of the State because of their inability to pay for the care; there are many residents of the State, particularly those with incomes below the federal poverty level, who cannot pay for needed hospital care and in order to ensure that these persons have equal access to hospital care it is necessary to maintain a mechanism which will ensure payment of uncompensated hospital care; and to protect the fiscal solvency of the State's general hospitals, as provided for in P.L.1971, c.136 (C.26:2H-1 et al.), it is necessary that all payers of health care services share equally in the payment of uncompensated care on a Statewide basis.
   b. The "New Jersey Uncompensated Care Trust Fund," created pursuant to P.L.1986, c.204, and continued pursuant to P.L.1989, c.1 (C.26:2H-18.4 et seq.), which law expired on December 31, 1990, by which hospitals were able to collect their reasonable cost of approved uncompensated care, resulted in unobstructed
access to health care for residents without insurance who otherwise are unable to afford care.

c. Having received and thoroughly reviewed the reports issued by the Commissioner of Health and the Governor's Commission on Health Care Costs on uncompensated care, its economic implications and various means of financing uncompensated care, it is evident that provision for a trust fund is necessary, with modifications, to ensure access to hospital care for those who cannot afford to pay and the fiscal solvency of hospitals. At the same time, the State should take further actions to: provide more comprehensive Medicaid coverage for the medically indigent, reduce the rate of increase in health insurance premiums and explore and implement various initiatives to reduce the amount of uncompensated care in this State without impairing access to care.

"Assessment" means monies that are required to be remitted to the fund by hospitals pursuant to this act.

"Commission" means the Hospital Rate Setting Commission established pursuant to section 5 of P.L.1978, c.83 (C.26:2H-4.1).

"Commissioner" means the Commissioner of Health.

"Department" means the Department of Health.

"Disproportionate share hospital" means a hospital designated by the Commissioner of Human Services pursuant to Pub.L.89-97 (42 U.S.C. §1396a et seq.).

"Fund" means the "New Jersey Health Care Trust Fund" established pursuant to this act.

"Hospital" means a general acute care hospital whose schedule of rates is approved by the commission pursuant to section 11 of P.L.1978, c.83 (C.26:2H-18.1).

"Medicaid" means the New Jersey Medical Assistance and Health Services Program in the Department of Human Services established pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.).

"Payer" means a governmental or nongovernmental third party payer or any purchaser of hospital services whose hospital reimbursement rates are established by the commission pursuant to P.L.1971, c.136 (C.26:2H-1 et al.), but shall not include the Medicaid program and the Medicare program established pursuant to Pub.L.89-97 (42 U.S.C. §1395 et seq.), except as provided for in subsection a. of section 5 of this act.
"Uncompensated care" means inpatient and outpatient care provided to medically indigent persons and bad debts as defined by regulation of the department pursuant to P.L.1971, c.136 (C.26:2H-1 et al.).

C.26:2H-18.26 Approval of hospital’s rates by commission authorized.
3. The commission is authorized to approve a hospital’s rates to achieve an equitable collection and distribution mechanism among hospitals in the State for payment of uncompensated care pursuant to the provisions of this act.

C.26:2H-18.27 "New Jersey Health Care Trust Fund" established.
4. There is established the "New Jersey Health Care Trust Fund" in the Department of Health.
   a. The fund shall be comprised of assessments remitted by hospitals pursuant to this act and any other monies appropriated thereto to carry out the purposes of this act.
   The fund shall be a nonlapsing fund dedicated for use by the State: (1) to distribute payments for the cost of uncompensated care in the State, (2) to subsidize a pilot health insurance program for small business employees, (3) to fund the reasonable cost of administering the fund, (4) to fund the reasonable cost of preparing and disseminating health insurance information to employers pursuant to section 17 of P.L.1991, c.187 (C.26:2H-18.39) and (5) to fund primary health care provided by community health centers, on a pilot basis, pursuant to section 23 of P.L.1991, c.187 (C.26:2H-18.45); except that, monies remitted by hospitals pursuant to this act shall not be used for the purpose of subsidizing pilot health insurance programs for small business employees. Interest earned on monies deposited in the fund shall be credited to the fund.
   b. The fund shall be administered by a person appointed by the commissioner.
   The administrator of the fund is responsible for overseeing and coordinating the collection and disbursement of fund monies. The administrator is responsible for promptly informing the commission and the Commissioners of Health and Human Services if monies are not or are not reasonably expected to be collected or disbursed or if the fund’s reserve as established in subsection c. of this section falls below the required level.
   c. The fund shall maintain a reserve in an amount not to exceed $25 million. The commissioner shall adopt rules and regulations to govern the use of the reserve and to ensure the integrity of the fund, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).
C.26:2H-18.28 Determination of uniform Statewide uncompensated care add-on.

5. a. For the periods beginning January or July of the hospitals' rate year, the department shall determine a uniform Statewide uncompensated care add-on. The commission shall approve the add-on before it is included in hospital rates.

The add-on shall be determined by dividing the Statewide amount of approved uncompensated care plus an amount adequate to fund the reasonable cost of administering the fund pursuant to subsection a. of section 4 of P.L.1991, c.187 (C.26:2H-18.27) and to maintain the reserve pursuant to subsection c. of section 4 of P.L.1991, c.187 (C.26:2H-18.27), by the Statewide amount of approved revenue for all payers and approved revenue for medically indigent persons less the Statewide amount of approved uncompensated care.

The Medicaid program shall provide its share of the uncompensated care add-on, as determined by the commission, through a direct contribution to the fund of an amount equal to the Medicaid program's State share of the uncompensated care add-on.

The add-on and any increases made to the add-on are an allowable cost and shall be included as part of the hospital's rates as established by the commission.

b. The amount of money raised by the uniform Statewide uncompensated care add-on, as a percentage of all governmental and nongovernmental approved revenue, shall not exceed 13%, except that the add-on shall not exceed 19.7%.

c. The uniform Statewide uncompensated care add-on for patients whose hospital bills are paid by a health maintenance organization or other payer which has negotiated a discounted rate of payment with the hospital shall be based on the full rate of reimbursement for the services provided by the hospital to the patient under the hospital reimbursement system established pursuant to P.L.1978, c.83, rather than on the discounted rate of payment.

d. No provision of this section shall be construed to preclude the commission from approving individual hospital rate increases for uncompensated care in addition to the add-on. Such increases, however, shall not be paid from the moneys in the Health Care Trust Fund.

C.26:2H-18.29 Approval of hospital's reasonable uncompensated care costs.

6. a. The commission shall approve each hospital's reasonable uncompensated care costs and shall ensure that uncompensated care services financed pursuant to this act are provided in the most appropriate and cost-effective manner which the commission determines hospitals can reasonably be required to achieve.
The commission shall reduce a hospital's reasonable uncompensated care costs by the amount of overpayment for patient care services, if any, by the Medicare program established pursuant to Pub.L.89-97 (42 U.S.C. § 1395 et seq.), the Medicaid program, or any payer or purchaser of hospital services whose hospital reimbursement rates are not established by the commission pursuant to P.L.1971, c.136 (C.26:2H-1 et al.). For the purposes of this section, "overpayment" means reimbursement in excess of that allowed by section 5 of P.L.1978, c.83 (C.26:2H-4.1).

The commission shall require a hospital which engages in inefficient or inappropriate provision of uncompensated care services to submit to the commission a cost reduction plan. The commission may prospectively reduce the hospital's uncompensated care payments for failure to submit or implement a cost reduction plan that has been approved by the commission.

b. The hospital mandatory assessment shall be funded by the uniform Statewide uncompensated care add-on determined pursuant to section 5 of P.L.1991, c.187 (C.26:2H-18.28) which is charged by the hospital to all payers.

A hospital shall collect all monies received from the uncompensated care add-on pursuant to subsection a. of section 5 of P.L.1991, c.187 (C.26:2H-18.28) and remit all such monies to the fund as the hospital's mandatory assessment.

Such funds as may be necessary from the assessment shall be appropriated from the fund to the Division of Medical Assistance and Health Services in the Department of Human Services for payment to disproportionate share and non-disproportionate share hospitals for payments of approved uncompensated care costs.

The commission shall determine the amount that the Division of Medical Assistance and Health Services in the Department of Human Services shall pay to each hospital.

The Commissioner of Human Services shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) to carry out the provisions of this subsection.

C.26:2H-18.30 Remission of mandatory assessment to fund by hospital.

7. a. A hospital shall remit the mandatory assessment to the fund at the end of every month, for 12 months, except that, a hospital shall remit the first payment under this act by August 30, 1991.

b. If a hospital is delinquent in its payment of the mandatory assessment to the fund, the commission may, pursuant to rules and regulations adopted by the commissioner, remove from that hospi-
tal’s schedule of rates the uniform Statewide uncompensated care add-on or levy a reasonable penalty on the hospital. The penalty shall be recovered in a summary civil proceeding brought in the name of the State in the Superior Court pursuant to “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). Penalties collected pursuant to this section shall be deposited in the fund established pursuant to this act.

c. A hospital authorized to receive payments from the Division of Medical Assistance and Health Services in the Department of Human Services pursuant to subsection b. of section 6 of P.L.1991, c.187 (C.26:2H-18.29), shall receive the payments on a monthly basis. A hospital shall receive 12 monthly payments and the first payment shall be made within 45 days of the effective date of this section.

C.26:2H-18.31 Reimbursement to hospital of uncompensated care cost.

8. a. A hospital shall not be reimbursed for the cost of uncompensated care unless the commissioner certifies to the commission that the hospital has followed the procedures pursuant to this section and section 11 of P.L.1991, c.187 (C.26:2H-18.33). For the purposes of this section and section 11 of P.L.1991, c.187 (C.26:2H-18.33), “designated hospital employee” means an employee of the hospital who has received training in the collection of patient financial data and identification of third party coverage and in assessing a patient’s eligibility for public assistance; and “responsible party” means any person who is responsible for paying a patient’s hospital bill.

b. A designated hospital employee shall interview a patient upon the patient’s initial request for care. If the emergent nature of the patient’s required health care makes the immediate patient interview impractical, the designated hospital employee shall interview the patient’s family member, responsible party or guardian, as appropriate, but if there is no family member, responsible party or guardian, the designated hospital employee shall interview the patient within five working days of the patient’s admission into the hospital or prior to discharge, whichever date is sooner.

c. A patient interview shall, at a minimum, include the following inquiries, except as provided in paragraph (5) of this subsection:

1. The designated hospital employee shall obtain documentation of proper identification of the patient. Documentation of proper identification may include, but shall not be limited to, a driver’s license, a voter registration card, an alien registry card, a birth certificate, an employee identification card, a union membership card, an insurance or welfare plan identification card or a
Social Security card. Proper identification of the patient may also be provided by personal recognition by a person not associated with the patient. For the purposes of this paragraph, "proper identification" means the patient's name, mailing address, residence telephone number, date of birth, Social Security number, and place and type of employment, employment address and employment telephone number, as applicable.

(2) The designated hospital employee shall inquire of the patient, family member, responsible party or guardian, as appropriate, whether the patient is covered by health insurance, and if so, shall request documentation of the evidence of health insurance coverage. Documentation may include, but shall not be limited to, a government sponsored health plan card or number, a group sponsored or direct subscription health plan card or number, a commercial insurance identification card or claim form or a union welfare plan identification card or claim form.

(3) If evidence of health insurance coverage for the patient is not documented or if evidence of health insurance coverage is documented but the patient's health insurance coverage is unlikely to provide payment in full for the patient's account at the hospital, the designated hospital employee shall make an initial determination of whether the patient is eligible for participation in a public assistance program. If the employee concludes that the patient may be eligible for a public assistance program, the employee shall so advise the patient, family member, responsible party or guardian, as appropriate. The employee, either directly or through the hospital's social services office, shall give the patient, family member, responsible party or guardian, as appropriate, the name, address and phone number of the public assistance office that can assist in enrolling the patient in the program. The employee, or the social services office of the hospital, shall also advise the public assistance office of the patient's possible eligibility, including possible retroactive or presumptive eligibility, for the program.

Notwithstanding the provisions of this paragraph to the contrary, if a county welfare agency employee is assigned to the hospital pursuant to section 9 of P.L.1991, c.187 (C.26:2H-18.32) the designated hospital employee shall refer the patient, family member, responsible party or guardian, as appropriate, to the county welfare agency employee who shall determine if the patient is eligible for Medicaid.

(4) If evidence of health insurance coverage for the patient is not documented or if evidence of health insurance coverage is docu-
mented but the patient’s health insurance coverage is unlikely to provide payment in full for the patient’s account at the hospital, and the patient does not appear to be eligible for public assistance, the designated hospital employee shall determine if the patient is eligible for charity care pursuant to regulations adopted by the commissioner. If the patient does not qualify for charity care, the designated hospital employee shall request from the patient, family member, responsible party or guardian, as appropriate, the patient’s or responsible party’s place of employment, income, real property and durable personal property owned by the patient or responsible party and bank accounts possessed by the patient or responsible party, along with account numbers and the name and location of the bank.

(5) In the case of a patient seeking outpatient services, the designated hospital employee shall make the inquiries and obtain the documentation required pursuant to paragraphs (1) and (2) of this subsection. If the patient provides the required documentation, the designated hospital employee is not required to make further inquiries, but if the patient cannot provide the required documentation, the designated hospital employee shall follow the procedures required pursuant to paragraphs (3) and (4) of this subsection.

d. The provisions of this section shall not apply to a patient who is investigated by a county adjuster and found to be indigent by a court of competent jurisdiction pursuant to the provisions of chapter 4 of Title 30 of the Revised Statutes. A patient so found shall qualify for charity care under rules and regulations adopted by the commissioner.

C.26:2H-18.32 Designation of hospitals where county welfare agency employee will be stationed to determine patient Medicaid eligibility.

9. The Commissioner of Health, in consultation with the Commissioner of Human Services, shall designate those hospitals at which an employee from the county welfare agency shall be stationed, on either a full or part-time basis, as appropriate, to perform eligibility determinations for the Medicaid program pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.).

A designated hospital shall reimburse the county welfare agency for the nonfederal share of costs associated with the county welfare agency employee, as certified by the Commissioner of Human Services. The Commissioner of Human Services shall bill the hospital quarterly for the nonfederal share of costs and reimburse the county welfare agency upon receipt of payment from the hospital.

A hospital shall be fully reimbursed for the nonfederal share of costs associated with a county welfare agency employee stationed
at the hospital through the reimbursement rates of the hospital, as
established by the commission.

C.30:4D-7a County welfare agency to provide adequate employees to deter-
mine Medicaid eligibility.

10. The Commissioner of Human Services shall require that a
county welfare agency provide adequate employees to determine
Medicaid eligibility to any hospital in the county that has been
designated by the Commissioner of Health pursuant to section 9

The Commissioner of Human Services shall bill the designated hospi-
tal quarterly for the nonfederal share of costs associated with a county
welfare agency employee stationed at the hospital, and reimburse the
county welfare agency upon receipt of payment from the hospital.

C.26:2H-18.33 Collection procedure followed by hospital after discharge of
patient.

11. a. If, upon the discharge of a patient from the hospital, the
patient's account has not been paid in full by the patient or
responsible party or by health insurance, or it is unlikely that the
patient's account will be paid in full by the patient or responsible
party or by health insurance, as identified pursuant to paragraphs
(2) and (3) of subsection c. of section 8 of P.L.1991, c.187
(C.26:2H-18.31), and the patient or responsible party is likely to
have assets such as those identified pursuant to paragraph (4) of
subsection c. of section 8 of P.L.1991, c.187 (C.26:2H-18.31), a
hospital shall follow the collection procedure pursuant to this sec-
tion unless the patient's aggregate outstanding balance is less
than $250 or unless and until the cost of collecting the account
exceeds the patient's outstanding balance.

b. The hospital shall commence the collection procedure
within two weeks after a patient's discharge from the hospital or
date of service at the hospital.

The collection procedure shall include:

(1) At least three billing statements, each sent at intervals of no
longer than four weeks, shall be sent to the patient's or responsi-
ble party's mailing address.

At least two collection follow-up letters shall follow the three
billing statements. The collection follow-up letters shall be sent
to the patient's or responsible party's mailing address at an inter-
val of no longer than three weeks. Each collection follow-up
letter shall state the amount due and owing, the collection history
on the account and the hospital's intention to proceed with legal
action if the outstanding balance is not paid in full or, in the alternative, the patient or responsible party fails to enter into payment arrangements with the hospital. Each collection follow-up letter shall request a partial payment of the outstanding balance in the patient’s account as the minimum amount due and shall offer to establish a payment schedule for the remainder of the outstanding balance in the patient’s account based upon the patient’s or responsible party’s ability to pay. The letter shall clearly indicate the name of a person for the patient or responsible party to contact, and a telephone number for the patient or responsible party to call, in order to arrange such a payment schedule.

A hospital is not required to comply with the requirements of sending a third billing statement or two collection follow-up letters if mail has twice been returned to the hospital, and hospital personnel, despite reasonable efforts, are unable to determine a new mailing address for the patient or responsible party;

(2) At least three attempts to reach the patient or responsible party by telephone shall be made if hospital personnel have determined a residence or business telephone number for the patient or responsible party. If hospital personnel are not able to make telephone contact with the patient or responsible party after three attempts, the hospital shall send a collection telegram;

(3) Legal action to collect the amount due and owing on the patient’s account shall be taken; and

(4) The hospital shall request the department, on behalf of the fund, to request the Department of the Treasury to apply or cause to be applied the income tax refund or homestead rebate due the patient or responsible party, or both the income tax refund and homestead rebate, or so much of either or both as is necessary to recover the amount due and owing on the patient’s account, pursuant to section 1 of P.L.1981, c.239 (C.54A:9-8.1), for which purpose the patient’s outstanding balance shall be considered a debt to the fund and the fund shall be considered an agency of State government.

c. Unless the cost of completing the procedure, in part or in its entirety, exceeds the outstanding balance on a patient’s account, a hospital shall complete the procedures in paragraphs (1) and (2) of subsection b. of this section before submitting appropriate documentation and requesting from the commissioner that the hospital be reimbursed on a delinquent account from the fund.

If any payment on a delinquent account is received as a result of compliance with the procedures in subsection b. of this section and the hospital has already received payment from the fund, the amount
of money the hospital is entitled to receive from the fund shall be adjusted pursuant to procedures established by the commission.

d. This section shall not apply to a patient who: qualifies for charity care pursuant to rules and regulations adopted by the commissioner; is found to be indigent by a court of competent jurisdiction pursuant to the provisions of chapter 4 of Title 30 of the Revised Statutes; or qualifies for care under the federal Hill-Burton program pursuant to 42 U.S.C. § 291 et seq.

e. The commissioner shall adopt rules and regulations to effectuate the purposes of this section and section 8 of P.L.1991, c.187 (C.26:2H-18.31); except that nothing in this section or section 8 of P.L.1991, c.187 (C.26:2H-18.31) shall be construed to prohibit the commissioner from adopting rules and regulations that are more stringent than the provisions of this section and section 8 of P.L.1991, c.187 (C.26:2H-18.31).

C.26:2H-18.34 Annual audit of hospital’s uncompensated care.

12. a. The department shall annually provide for an audit of each hospital’s uncompensated care within a time frame established by rules and regulations adopted by the commissioner.

b. Prior to the department’s final approval of the audit, the results of the audit shall be reviewed with the hospital. If a hospital disputes an audit adjustment, the hospital may appeal the adjustment to the commission. The commission shall resolve the dispute within 90 calendar days of the date on which the hospital appealed the adjustment.

c. Upon receipt and acceptance of the final audit, the commission, within 90 calendar days, shall adjust a hospital’s schedule of rates so that the rates reflect the audit adjustment.

C.26:2H-18.35 Reporting by hospitals of patient accounts referred to collection agency.

13. The department shall, for the purpose of developing patient profiles, require a hospital to report the following information about any patient who was served on an inpatient basis or on any patient served on an outpatient basis with an account balance greater than $125, whose account has been referred to a collection agency or for legal action pursuant to paragraph (3) of subsection b. of section 10 of P.L.1989, c.1 (C.26:2H-18.13) or to paragraph (3) of subsection b. of section 11 of P.L.1991, c.187 (C.26:2H-18.33): the patient’s age; sex; marital status; employment status and if employed, whether the employment is full or part-time; type of health insurance coverage, and if the patient is a child under 18 years of age who does not have health insurance cover-
age or a married person who does not have health insurance coverage, whether the child's parent or the married person's spouse, as the case may be, has health insurance coverage.

The hospital shall also include a copy of any billing information about the patient's account, at the point of write-off as a bad debt, which is provided to a collection agency or any other person for legal action, including whether the amount due and owing represents the patient or responsible party's failure to pay a full hospital bill, a partial hospital bill, or an insurance copayment or deductible.

The hospital shall provide the information to the department on a quarterly basis, on a form developed by the department, in consultation with the New Jersey Hospital Association.

C.26:2H-18.36 Submission of information about income of persons whose income tax refund, homestead rebate was applied to patient account.

14. The Department of the Treasury shall compile and submit to the Department of Health information about the income of persons whose income tax refund or homestead rebate was applied to recover the amount due and owing on a patient's account pursuant to paragraph (4) of subsection b. of section 10 of P.L.1989, c.1 (C.26:2H-18.13) or to paragraph (4) of subsection b. of section 11 of P.L.1991, c.187 (C.26:2H-18.33).

The information compiled by the department shall identify the number of persons whose annual income for 1990 is: below $10,000; between $10,000 and $20,000; between $20,001 and $40,000; between $40,001 and $60,000; between $60,001 and $80,000; and greater than $80,000.

C.26:2H-18.37 Quality control reviews of audits of hospital uncompensated care.

15. The State Auditor shall conduct quality control reviews of the audits of hospital uncompensated care for calendar years 1989 and 1990 that are required pursuant to section 11 of P.L.1989, c.1 (C.26:2H-18.14). The plan shall be effective beginning January 1, 1992.

The State Health Planning Board shall consider the recommendations of the local advisory boards in preparing and revising the plan to incorporate specific regional and geographic considerations of access to, and delivery of, health care services at a reasonable cost. The State Health Planning Board shall incorporate the recommendations of the local advisory boards into the plan unless the recommendations are in conflict with the best interests of Statewide health planning.

For each unmet health care service identified in the plan, the plan shall specify the period of time for which a certificate of need for that service shall be valid.

The plan shall be adopted by the Commissioner of Health pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), subject to the approval of the Health Care Administration Board.

regions to be designated by the Governor, in consultation with the
Commissioner of Health. Each region shall, to the extent possible,

health care facilities and services and the designation of each
region shall take into account the compatibility of social, eco-

a. Local health planning in each region shall be conducted by
a local advisory board approved by the Commissioner of Health,
which shall be organized as a nonprofit corporation.

The commissioner shall establish requirements for the composi-

under the terms of an agreement with the corporation for the
awarding of a grant pursuant to this section, those functions
which the board, at a minimum, shall perform. The commissioner
shall award to each corporation a grant of such monies as shall be
determined by the commissioner.

The membership of the governing body of the corporation
approved as a local advisory board shall be composed of consumers
and providers of health care who reside or have their principal place
of business within the geographic region designated by the commis-
sioner, except that no less than 51% but no more than 60% of the
members shall be persons who are not providers of health care.

b. The local advisory board shall conduct local health plan-
ning for its designated region and make recommendations at least
annually to the State Health Planning Board for incorporation into
the State Health Plan. The local advisory board shall also review
certificate of need applications for any proposed project in its
region and make recommendations to the Commissioner of Health
in accordance with the State Health Plan.

c. A member of the governing body or employee of the corpo-
ration shall not, by reason of his performance of any duty,
function or activity required of, or authorized to be undertaken by
the corporation, be held civilly or criminally liable if that person
acted within the scope of his duty, function or activity as a member
of the governing body or employee of the corporation and without
gross negligence or malice toward any person affected thereby.

A corporation shall not, by reason of the performance of any
duty, function or activity required of, or authorized to be under-

duty, function, or activity acted within the scope of his duty, func-
tion or activity as a member of the governing body or employee of
the corporation, exercised due care and acted without gross negli-

read as follows:

C.26:2H-10 Application for certificate of need; fee.

10. Application for a certificate of need shall be made to the
department, and shall be in such form and contain such information
as the department may prescribe. The department shall charge a
nonreturnable fee for the filing of an application for a certificate of
need. The minimum fee for the filing of an application shall be
$5,000. For a project whose total cost is greater than $1 million but
less than $10 million, the fee shall be $5,000 plus .05% of the total
project cost, and for a project whose total cost is $10 million or
more, the fee shall be $5,000 plus 1.0% of the total project cost,
except that, the maximum fee for the filing of an application shall
be $100,000. Upon receipt of an application, copies thereof shall be
referred by the department to the appropriate local advisory board
and the State Health Planning Board for review.

These appropriate boards shall provide adequate mechanisms for
full consideration of each application submitted to them and for deve-
loping recommendations thereon. Such recommendations, whether
favorable or unfavorable, shall be forwarded to the commissioner
within 90 days of the date of referral of the application. A copy of the
recommendations made shall be forwarded to the applicant.

Recommendations concerning certificates of need shall be gov-
erned and based upon the principles and considerations set forth
in section 8 of P.L.1971, c.136 (C.26:2H-8).

No member, officer or employee of any planning body shall be
subject to civil action in any court as the result of any act done or
failure to act, or of any statement made or opinion given, while
discharging his duties under this act as such member, officer, or
employee, provided he acted in good faith with reasonable care
and upon proper cause.

C.26:2H-10.1 Approval of certificate of need application.

37. a. Notwithstanding the provisions of section 10 of
P.L.1971, c.136 (C.26:2H-10) to the contrary:

(1) If at least 25% of the quorum of voting members at a meet-
ing of a local advisory board votes affirmatively to approve a
certificate of need application, regardless of whether the local
advisory board's recommendation is to approve or deny the application, the application shall be forwarded to the State Health Planning Board for its review of the application. If the application does not receive the required minimum number of affirmative votes, the application shall not be submitted to the State Health Planning Board or the Commissioner of Health for their reviews, respectively.

(2) If at least 25% of the quorum of voting members at a meeting of the State Health Planning Board votes affirmatively to approve a certificate of need application, regardless of whether the State Health Planning Board's recommendation is to approve or deny the application, the application shall be forwarded to the Commissioner of Health for his review of the application. If the application does not receive the required minimum number of affirmative votes, the application shall not be submitted to the commissioner for his review.

b. If an application which is consistent with the State Health Plan does not receive the required minimum number of affirmative votes by either a local advisory board or the State Health Planning Board, respectively, the applicant may request a fair hearing to permit the application to move to the next level for review. The request for a fair hearing shall be made to the Commissioner of Health within 30 days of the vote by the local advisory board or State Health Planning Board, as applicable. The fair hearing shall be held within 60 days of the request. If the hearing examiner determines that the application should be reviewed by the next level for review, the applicant shall be so notified and the State Health Planning Board or the commissioner, as applicable, shall review the application in the manner provided pursuant to section 10 of P.L.1971, c.136 (C.26:2H-10).

38. Section 12 of P.L.1971, c.136 (C.26:2H-12) is amended to read as follows:

C.26:2H-12 Operational requirements for health care facility; application for license; fee.

12. a. No health care facility shall be operated unless it shall: (1) possess a valid license issued pursuant to this act, which license shall specify the kind or kinds of health care services the facility is authorized to provide; (2) establish and maintain a uniform system of cost accounting approved by the commissioner; (3) establish and maintain a uniform system of reports and audits meeting the requirements of the commissioner; (4) prepare and review annually
a long range plan for the provision of health care services, which plan shall be compatible with the State Health Plan as related to medical health services, health care services, and health manpower; and (5) establish and maintain a centralized, coordinated system of discharge planning which assures every patient a planned program of continuing care and which meets the requirements of the commissioner which requirements shall, where feasible, equal or exceed those standards and regulations established by the federal Government for all federally-funded health care facilities but shall not require any person who is not in receipt of State or federal assistance to be discharged against his will.

b. (1) Application for a license for a health care facility shall be made upon forms prescribed by the department. The department shall charge such nonrefundable fees for the filing of an application for a license and any renewal thereof, as it shall from time to time fix in rules or regulations; provided, however, that no such fee shall exceed $2,000.00. The application shall contain the name of the health care facility, the kind or kinds of health care service to be provided, the location and physical description of the institution, and such other information as the department may require. (2) A license shall be issued by the department upon its findings that the premises, equipment, personnel, including principals and management, finances, rules and bylaws, and standards of health care service are fit and adequate and there is reasonable assurance the health care facility will be operated in the manner required by this act and rules and regulations thereunder.

c. A license issued before the effective date of this act to a health care facility for its operation, upon the first renewal date thereafter, may be extended for a one-year period of time, provided the facility then meets the requirements for licensure at the time said license was issued and submits an acceptable plan to meet current requirements at the end of said period of time.

d. The commissioner may amend a facility's license to reduce that facility's licensed bed capacity to reflect actual utilization at the facility if the commissioner determines that 10 or more licensed beds in the health care facility have not been used for at least the last two succeeding years. For the purposes of this subsection, the commissioner may retroactively review utilization at a facility for a two-year period beginning on January 1, 1990.

C.26:2H-18.1a Notification of hospital agreement with health care benefits provider.

39. a. If a hospital enters into a contract or any other form of agreement with a health care benefits provider, insurance plan or
any other third party to charge a discounted or reduced rate for health care services rendered at the hospital for that provider’s, insurance plan’s or third party’s subscribers, enrollees, members or beneficiaries, as the case may be, the hospital shall notify the Hospital Rate Setting Commission in writing within 30 days of the date that the contract or agreement is entered into.

A hospital shall not be entitled to recover through its schedule of rates the loss in revenue incurred by the hospital as a result of the discounted or reduced rate.

b. Upon request of the commission and in a manner specified by the commission, the hospital shall provide the commission with information about the number of patients whose rates were discounted or reduced and the loss in revenue incurred by the hospital as a result of the contract or agreement.

40. Section 11 of P.L.1978, c.83 (C.26:2H-18.1) is amended to read as follows:

C.26:2H-18.1 Determinations and hearings; regulations.

11. a. The commission shall make the determinations and hear appeals provided for in this act in a timely manner pursuant to regulations proposed by the commissioner and approved by the board. Such regulations shall be presented to the Standing Legislative Committees on Institutions, Health and Welfare for final approval within one year following establishment of the commission pursuant to the provisions of this act, and shall remain in effect in the form proposed by the commissioner and approved by the board until the provisions of such regulations are enacted into law as amendments to this act. Such regulations shall require that in the event the commission does not perform its duties within the time period specified therein the commission may permit a hospital to make a temporary reasonable change in rates which shall be effective immediately, when it deems it in the public interest to do so. Notwithstanding such temporary change in rates, the review procedure set forth in this section shall be conducted by the commission as soon thereafter as is possible.

b. Pursuant to regulations proposed by the commissioner and approved by the board, the commissioner shall propose and the commission shall make automatic periodic adjustments to each preliminary cost base or certified revenue base for changes in economic factors reasonably calculated to provide for the effects of general economic inflation or deflation; for industrywide changes
in the efficiency of delivering health care services; and for each hospital's actual changes in volume and case-mix, which are necessary and appropriate. The commission shall approve an appropriate change in the schedule of rates to reflect these adjustments.

c. Pursuant to regulations proposed by the commissioner and approved by the board, the commission shall consider adjustments to the certified revenue bases and schedules of rates, provided such adjustments: (1) result from changes in statutes or regulations affecting the delivery of health care; and (2) may affect one or more hospitals. Such adjustments shall take into account the effectiveness and efficiency of the health care delivery system as a whole. Where appropriate the commission may sit en banc and hold public hearings in order to obtain the evidence required to support its conclusions and determinations. In the case of such hearings the commission shall provide actual notice to the affected planning and licensing authorities and hospitals, and to the commissioner and the Public Advocate.

d. Pursuant to regulations proposed by the commissioner and approved by the board, all changes in a hospital's preliminary cost base or certified revenue base and schedule of rates other than those provided for in subsections b. and c. of this section, shall require a review by the commission in a public hearing of the entire preliminary cost base or certified revenue base and schedule of rates. Determinations of the commission may be appealed by hospitals, the commissioner, the Public Advocate, affected planning, licensing or inspection agencies and payors, and other affected parties, and shall be conducted as contested proceedings under the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). During the pendency of any appeal, the schedule of rates approved by the commission pursuant to section 5 of P.L.1978, c.83 (C.26:2H-4.1) and section 18 of P.L.1971, c.136 (C.26:2H-18) shall remain in effect.

In all appeals, the burden of proof shall be on the petitioner. All determinations rendered hereunder shall be consistent with regulations and shall set forth in detail the commission’s reasoning and conclusions regarding the parties and considerations specified in this act.

C.18A:72D-12 Definitions.

60. As used in sections 60 through 76 of P.L.1991, c.187 (C.18A:72D-12 et seq.):

“Eligible student loan expenses” means the cumulative total of the annual student loans covering the cost of attendance at an undergraduate institution of medical or dental education. Interest paid or due on student loans that an applicant has taken out for use in paying the costs of undergraduate medical or dental education shall be considered eligible for reimbursement under the program. The Chancellor of Higher Education may establish a limit on the total amount of student loans which may be redeemed for participants under the program, provided that the total redemption of student loans does not exceed $70,000.

“Medically underserved area” means an urban or rural area which need not conform to the geographic boundaries of a political subdivision within the State but which shall be defined in terms of census tracts, if possible, which is a rational area for the delivery of health services and which has a medical or dental manpower shortage as determined by the Commissioner of Health; or a population group which the commissioner determines has a medical or dental manpower shortage; or a public or nonprofit private health care facility or other facility which is so designated.

“Primary care” includes the practice of family medicine, general internal medicine, general pediatrics, general obstetrics, gynecology, and any other areas of medicine which the Commis-
sioner of Health may define as primary care. Primary care also includes the practice of general dentistry and pedodontics.

"Primary Care Physician and Dentist Loan Redemption Program" means a program which provides for the redemption of the eligible student loan expenses of its participants.

"Undergraduate medical or dental education" means the period of time between entry into medical or dental school and the award of the medical (M.D., D.O.) degree or dental (D.M.D., D.D.S.) degree, respectively.

C.18A:72D-13 Primary Care Physician and Dentist Loan Redemption Program established.

61. There is established a Primary Care Physician and Dentist Loan Redemption Program within the Department of Higher Education. The program shall provide for the redemption of a portion of the eligible student loan expenses of program participants for each year of service in a medically underserved area of the State as designated by the Commissioner of Health.

C.18A:72D-14 Eligibility for participation in the Program.

62. To be eligible to participate in the Primary Care Physician and Dentist Loan Redemption Program, an applicant shall:
   a. Be a resident of the State;
   b. Be a graduate of a medical school approved by the State Board of Medical Examiners for the purpose of licensure and receive a recommendation from the school's medical staff concerning participation in the loan redemption program in the case of a physician, or be a graduate of a dental school approved by the New Jersey State Board of Dentistry for the purpose of licensure and receive a recommendation from the school's dental staff concerning participation in the loan redemption program in the case of a dentist;
   c. In the case of a physician, have completed a professional residency training program and received a recommendation from the medical staff of the training program concerning participation in the loan redemption program; and
   d. Agree to practice medicine or dentistry, as appropriate, in a medically underserved area of the State.

C.18A:72D-15 Designation of medically underserved areas.

63. The Commissioner of Health, after consultation with the Commissioner of Corrections and the Commissioner of Human Services, shall designate and establish a ranking of medically underserved areas of the State. The criteria used by the Commis-
sioner of Health in designating underserved areas shall include, but not be limited to:

a. the ratio of the supply of primary care physicians and dentists by relative specialty to the population under consideration with a goal of meeting current standards for physician and dentist to population ratios in primary care medical and dental specialties;

b. the financial resources of the population under consideration;

c. the population’s access to medical and dental services; and

d. appropriate physician and dentist staffing ratios in State, county, municipal and private nonprofit health care facilities.

The commissioner shall annually transmit the list of medically underserved areas and the number of positions needed in each area to the Chancellor of Higher Education.

C.18A:72D-16 Agreement for participation in loan redemption program.

64. A medical or dental student who is eligible and interested in participating in the loan redemption program shall sign a non-binding agreement with the Department of Higher Education upon completion of the final year of undergraduate medical or dental training, as appropriate. At the end of the final year of residency training in the case of a physician, and at the end of the final year of undergraduate dental training or residency training if such training is required in a primary care dental specialty in the case of a dentist, the applicant shall sign a contractual agreement with the Department of Higher Education. The agreement shall specify the applicant’s length of required service and the total amount of eligible student loan expenses to be redeemed by the State in return for service. The agreement shall also stipulate that the applicant has knowledge of and agrees to the six-month probationary period required prior to final acceptance into the program pursuant to section 66 of P.L.1991, c.187 (C.18A:72D-18).

C.18A:72D-17 Reduction of loans under loan redemption program.

65. Maximum redemption of loans under the loan redemption program shall amount to 15% of principal and interest of eligible student loan expenses in return for one full year of service in a designated medically underserved area of the State, an additional 20% for a second full year of service, an additional 25% for a third full year of service and an additional 40% for a fourth full year of service for a total redemption of eligible student loan expenses of up to, but not to exceed, $70,000. Service in a medically underserved area shall begin immediately upon completion of the medical residency training program in the case of a physi-
cian, and immediately upon completion of undergraduate dental training or residency training if such training is required in a primary care dental specialty in the case of a dentist.

C.18A:72D-18 Probationary period for program participants.
66. Each program participant shall serve a six-month probationary period upon initial placement in a service site within the medically underserved area. During that period, the medical or dental staff of the service site, as appropriate, shall evaluate the suitability of the placement for the participant. At the end of the probationary period, the medical or dental staff shall recommend the continuation of the program participant's present placement, a change in placement, or its determination that the participant is an unsuitable candidate for the loan redemption program. If the medical or dental staff of the service site recommends a change in placement, then the Chancellor of Higher Education shall place the program participant in an alternate placement within a medically underserved area. If the medical or dental staff determines that the program participant is not a suitable candidate for the program, then the chancellor shall take this recommendation into consideration in regard to the participant's final acceptance into the program. No loan redemption payment shall be made during the six-month probationary period, however, a program participant shall receive credit for this six-month period in calculating the first year of required service under the loan redemption contract.

C.18A:72D-19 Matching of participants to underserved areas.
67. The Chancellor of Higher Education, in consultation with the Commissioner of Health, shall match program participants to medically underserved areas based upon the ranking of the underserved areas established by the commissioner and on the basis of participant preference.

C.18A:72D-20 Annual determination of program positions available, priority of applicants.
68. The Chancellor of Higher Education shall annually determine the number of program positions available on the basis of the need for primary care physicians and dentists in medically underserved areas of the State as determined by the Commissioner of Health and the State and federal funds available for the program. Once the number of program positions has been determined, the chancellor shall select the program participants from among those students who have applied to the program and who meet the criteria established pursuant to section 62 of P.L.1991, c.187 (C.18A:72D-14).
In selecting program participants, the Chancellor of Higher Education shall accord priority to applicants in the following manner:

a. First, to any applicant who is completing a fourth, third or second year of a loan redemption contract;

b. Second, to any applicant whose residence in the State at the time of entry into post secondary education was within a medically underserved area; and

c. Third, to any applicant according to the severity of the physician or dentist shortage in the area selected by the applicant.

In the event that there are more applicants who have the same priority than there are program positions, the Chancellor of Higher Education shall select participants by means of a lottery or other form of random selection.

C.18A:72D-21 Nullification of agreement.

69. A physician or dentist who has previously entered into a contract with the Department of Higher Education may nullify the agreement by notifying the Department of Higher Education in writing and assuming full responsibility for repayment of principal and interest at the appropriate market rate of the full amount of the eligible student loan expenses or that portion of the loan which has not been redeemed by the State in return for partial fulfillment of the contract. In no event shall service in a medically underserved area for less than the full calendar year of each period of service entitle the participant to any benefits under the loan redemption program. A participant seeking to nullify the contract shall be required to pay the unredeemed portion of indebtedness in not more than 10 years following termination of the contract minus the years of service already served under the contract.

70. In case of a program participant's death or total or permanent disability, the Chancellor of Higher Education shall nullify the service obligation of the student thereby terminating the student's obligation to repay the unpaid balance of the redeemable portion of the loan and the accrued interest thereon, or where continued enforcement of the contract may result in extreme hardship, the chancellor may nullify or suspend the service obligation of the student.

C.18A:72D-23 Termination of participant's service in program.

71. In case of a program participant's conviction of a felony or misdemeanor or an act of gross negligence in the performance of service obligations or where the license to practice has been suspended or revoked, the Chancellor of Higher Education shall have
the authority to terminate the participant’s service in the program and request repayment of the outstanding debt.

C.18A:72D-24 Noneligibility of students participating in similar federal program.

72. A student who is participating in a federal program of a similar nature, which provides financial support for students in return for service in underserved areas of the nation, shall not be eligible for participation in the Primary Care Physician and Dentist Loan Redemption Program unless after review and consideration the Chancellor of Higher Education finds that the student has extraordinary financial responsibilities making it essential for the student to use the loan resources of both federal and State programs. These cases shall be reviewed and approved by the chancellor on an individual basis. In these cases, the period of service to the State of New Jersey may be served simultaneously with the federal service obligation if that obligation is being discharged by service within this State.

73. Prior to repayment of the annual amount eligible for redemption, each program participant shall report to the Department of Higher Education, in such manner and form as it shall prescribe, information on the participant’s performance of service in the medically underserved area as required under the contract.

74. The Chancellor of Higher Education and the Commissioner of Health shall jointly establish a procedure for the recruitment of program applicants at medical and dental schools and health centers. The procedure shall provide for the participation of the medical and dental staff, as appropriate, of those facilities in the selection of appropriate applicants for the program.

75. The Department of Higher Education shall annually apply for any federal funds which may be available to implement the provisions of this act.

76. The State Board of Higher Education shall adopt rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) as may be necessary to implement the provisions of sections 60 through 75 of P.L.1991, c.187 (C.18A:72D-12 et seq.).

c. It is desirable to educate our citizens about the events leading up to the Holocaust and about the organizations and facilities that were created and used purposefully for the systematic destruction of human beings;

d. It is the policy of the State of New Jersey that Holocaust history is the proper concern of all people, particularly students enrolled in the schools of the State of New Jersey;

In a municipality having a population of 2,500 or less, a nine-member planning board, if so provided by ordinance, shall exercise, to the same extent and subject to the same restrictions, all the powers of a board of adjustment; but the Class I and the Class III members shall not participate in the consideration of applications for development which involve relief pursuant to subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70).

d. In a municipality having a population of 2,500 or less, the planning board, if so provided by ordinance, shall exercise, to the same extent and subject to the same restrictions, all of the powers of an historic preservation commission, provided that at least one planning board member meets the qualifications of a Class A member of an historic preservation commission and at least one member meets the qualifications of a Class B member of that commission.

(9) An economic plan element considering all aspects of economic development and sustained economic vitality, including (a) a comparison of the types of employment expected to be provided by the economic development to be promoted with the character-

4. Section 52 of P.L. 1975, c.291 (C.40:55D-65) is amended to read as follows:

C.40:55D-65 Contents of zoning ordinance.

52. A zoning ordinance may:

a. Limit and restrict buildings and structures to specified districts and regulate buildings and structures according to their type and the
nature and extent of their use, and regulate the nature and extent of the use of land for trade, industry, residence, open space or other purposes.

b. Regulate the bulk, height, number of stories, orientation, and size of buildings and the other structures; the percentage of lot or development area that may be occupied by structures; lot sizes and dimensions; and for these purposes may specify floor area ratios and other ratios and regulatory techniques governing the intensity of land use and the provision of adequate light and air, including, but not limited to the potential for utilization of renewable energy sources.

c. Provide districts for planned developments; provided that an ordinance providing for approval of subdivisions and site plans by the planning board has been adopted and incorporates therein the provisions for such planned developments in a manner consistent with article 6 of this act. The zoning ordinance shall establish standards governing the type and density, or intensity of land use, in a planned development. Said standards shall take into account that the density, or intensity of land use, otherwise allowable may not be appropriate for a planned development. The standards may vary the type and density, or intensity of land use, otherwise applicable to the land within a planned development in consideration of the amount, location and proposed use of common open space; the location and physical characteristics of the site of the proposed planned development; and the location, design and type of dwelling units and other uses. Such standards may, in order to encourage the flexibility of housing density, design and type, authorize a deviation in various residential clusters from the density, or intensity of use, established for an entire planned development. The standards and criteria by which the design, bulk and location of buildings are to be evaluated shall be set forth in the zoning ordinance and all standards and criteria for any feature of a planned development shall be set forth in such ordinance with sufficient certainty to provide reasonable criteria by which specific proposals for planned development can be evaluated.

d. Establish, for particular uses or classes of uses, reasonable standards of performance and standards for the provision of adequate physical improvements including, but not limited to, off-street parking and loading areas, marginal access roads and roadways, other circulation facilities and water, sewerage and drainage facilities; provided that section 41 of this act shall apply to such improvements.

e. Designate and regulate areas subject to flooding (1) pursuant to P.L.1972, c.185 (C.58:16A-55 et seq.) or (2) as otherwise necessary in the absence of appropriate flood hazard area designations pursuant to P.L.1962, c.19 (C.58:16A-50 et seq.) or floodway regu-
lations pursuant to P.L.1972, c.185 or minimum standards for local flood fringe area regulation pursuant to P.L.1972, c.185.

f. Provide for conditional uses pursuant to section 54 of this act.
g. Provide for senior citizen community housing.
h. Require as a condition for any approval which is required pursuant to such ordinance and the provisions of this chapter, that no taxes or assessments for local improvements are due or delinquent on the property for which any application is made.
i. Provide for historic preservation pursuant to section 5 of P.L.1991 c.199 (C.40:55D-65.1).

C.40:55D-65.1 Zoning ordinance may designate, regulate historic sites, districts.

5. A zoning ordinance may designate and regulate historic sites or historic districts and provide design criteria and guidelines therefor. Designation and regulation pursuant to this section shall be in addition to such designation and regulation as the zoning ordinance may otherwise require. Except as provided hereunder, after July 1, 1994, all historic sites and historic districts designated in the zoning ordinance shall be based on identifications in the historic preservation plan element of the master plan. Until July 1, 1994, any such designation may be based on identifications in the historic preservation plan element, the land use plan element or community facilities plan element of the master plan. The governing body may, at any time, adopt, by affirmative vote of a majority of its authorized membership, a zoning ordinance designating one or more historic sites or historic districts that are not based on identifications in the historic preservation plan element, the land use plan element or community facilities plan element, provided the reasons for the action of the governing body are set forth in a resolution and recorded in the minutes of the governing body.

C.40:55D-70.2 Board of adjustment, determination; reasons.

6. If, in the case of an appeal made pursuant to subsection a. of section 57 of P.L.1975, c.291 (C.40:55D-70), the board of adjustment determines there is an error in any order, requirement, decision or refusal made by the administrative officer pursuant to a report submitted by the historic preservation commission or planning board in accordance with section 25 of P.L.1985, c.216 (C.40:55D-111), the board of adjustment shall include the reasons for its determination in the findings of its decision thereon.

7. Section 22 of P.L.1985, c.516 (C.40:55D-108) is amended to read as follows:

22. a. The governing body shall make provision in its budget and appropriate funds for the expenses of the historic preservation commission.

b. The historic preservation commission may employ, contract for, and fix the compensation of experts and other staff and services as it shall deem necessary. The commission shall obtain its legal counsel from the municipal attorney at the rate of compensation determined by the governing body, unless the governing body, by appropriation, provides for separate legal counsel for the commission. Expenditures pursuant to this subsection shall not exceed, exclusive of gifts or grants, the amount appropriated by the governing body for the commission's use.

8. Section 24 of P.L.1985, c.516 (C.40:55D-110) is amended to read as follows:

C.40:55D-110 Applications for development referred to historic preservation commission.

24. The planning board and board of adjustment shall refer to the historic preservation commission every application for development submitted to either board for development in historic zoning districts or on historic sites designated on the zoning or official map or identified in any component element of the master plan. This referral shall be made when the application for development is deemed complete or is scheduled for a hearing, whichever occurs sooner. Failure to refer the application as required shall not invalidate any hearing or proceeding. The historic preservation commission may provide its advice, which shall be conveyed through its delegation of one of its members or staff to testify orally at the hearing on the application and to explain any written report which may have been submitted.

9. Section 25 of P.L.1985, c.516 (C.40:55D-111) is amended to read as follows:

C.40:55D-111 Issuance of permits pertaining to historic sites referred to historic preservation commission.

25. If the zoning ordinance designates and regulates historic sites or districts pursuant to subsection i. of section 52 of P.L.1975, c.291 (C.40:55D-65), the governing body shall by ordinance provide for referral of applications for issuance of permits pertaining to historic sites or property in historic districts to the historic preservation com-
mission for a written report on the application of the zoning ordinance provisions concerning historic preservation to any of those aspects of the change proposed, which aspects were not determined by approval of an application for development by a municipal agency pursuant to the "Municipal Land Use Law," P.L.1975, c.291 (C.40:55D-1 et seq.). The historic preservation commission shall submit its report either to the administrative officer or the planning board, as specified by ordinance. If the ordinance specifies the submission of the historic preservation commission's report to the planning board, the planning board shall report to the administrative officer.

In the case of a referral by the administrative officer of a minor application for the issuance of a permit pertaining to historic sites or property in historic districts, as defined in the zoning ordinance, the chairman of the historic preservation commission may act in the place of the full commission for purposes of this section; and, if the ordinance specifies the submission to the planning board of a commission report on a minor application, the ordinance may authorize the chairman or a subcommittee of the planning board to act in place of the full board.

The historic preservation commission or the planning board, as the case may be, shall report to the administrative officer within 45 days of his referral of the application to the historic preservation commission. If within the 45-day period the historic preservation commission or the planning board, as the case may be, recommends to the administrative officer against the issuance of a permit or recommends conditions to the permit to be issued, the administrative officer shall deny issuance of the permit or include the conditions in the permit, as the case may be. Failure to report within the 45-day period shall be deemed to constitute a report in favor of issuance of the permit and without the recommendation of conditions to the permit.

10. This act shall take effect immediately.

Approved July 9, 1991.

CHAPTER 200

AN ACT establishing an Emergency Unemployment Benefits Program and supplementing chapter 21 of Title 43 of the Revised Statutes.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. Unemployment benefits are intended to provide temporary wage replacement to individuals unemployed through no fault of their own;
   b. The total unemployment rate in New Jersey has exceeded 6% each month since January 1991 and the volume of unemployment compensation claims since the beginning of the year is 36% higher than a year ago;
   c. In past recessions, up to 13 additional weeks of extended benefits were available to unemployment compensation claimants who exhausted their entitlement to regular benefits, but, because of provisions of the federal "Omnibus Budget Reconciliation Act of 1981," it is now more difficult for states to qualify for extended benefits during periods of economic downturn;
   d. The Congress has failed to modify the existing extended benefits criteria or to enact temporary legislation to provide supplemental benefits to those unemployed for a period of time longer than 26 weeks;
   e. As of May 25, 1991, the State's unemployment compensation fund has reserves of $2.8 billion;
   f. A temporary benefit extension program would not jeopardize a trust fund with reserves of that magnitude; and
   g. It is an appropriate public purpose to establish an Emergency Unemployment Benefits Program to assist the growing number of unemployed workers who have exhausted their regular unemployment compensation and have remained unemployed due to current economic conditions.

2. For the purposes of the Emergency Unemployment Benefits Program and as used in P.L.1991, c.200:
   "Emergency unemployment benefits" means benefits financed entirely by the State and paid to exhaustees pursuant to P.L.1991, c.200.
   "Emergency unemployment benefit period" means a period not within an extended benefit period which:
   a. Begins on March 31, 1991, and
   b. Ends upon the conclusion of the second week after the first week for which there is a State "on" indicator as defined in section 5 of P.L.1970, c.324 (C.43:21-24.11) or other federally-financed supplemental benefits program, or
c. If there is no such "on" indicator, ends with the occurrence of either of the following:
   (1) The third week after the first week for which there is a State emergency unemployment benefits "off" indicator; or
   (2) The calendar week after the calendar week in which total expenditures of emergency unemployment benefits chargeable to the unemployment compensation fund Statewide first exceed $250 million.

There is a State emergency unemployment benefits "off" indicator for any week in which it is determined by the division based on data reported by the U.S. Bureau of Labor Statistics that, for the prior four calendar months, the average total unemployment rate (seasonally adjusted) in this State is less than 6.0 percent.

Notwithstanding any other provision of this subsection c., no emergency unemployment benefits shall be paid after March 28, 1992, except that emergency benefits shall be paid to individuals who have established emergency unemployment claims prior to that date. No emergency unemployment benefits shall be paid to any individual after June 27, 1992.

"Eligibility period" of an exhaustee means the period consisting of the weeks in the exhaustee's benefit year which begin in an emergency unemployment benefit period and, if that benefit year ends in the emergency unemployment benefit period, any weeks thereafter which begin in the period.

"Exhaustee" means an individual who exhausted all of the regular benefits that were available to the individual pursuant to the "unemployment compensation law," R.S. 43: 21-1 et seq., (including benefits payable to federal civilian employees and ex-service persons or payable under the combined wage program), after December 29, 1990 and before March 31, 1991, or during any calendar week of the emergency unemployment benefit period. No individual who exhausted all of the available regular benefits prior to December 30, 1990 shall be eligible for emergency unemployment benefits. An individual whose benefit year has expired prior to the beginning of the emergency unemployment benefit period shall not be eligible for such benefits.

3. During an emergency unemployment benefit period exhaustees, who otherwise continue to meet the eligibility requirements for regular benefits pursuant to the provisions of the "unemployment compensation law," R.S. 43: 21-1 et seq., and who are not eligible for any other unemployment benefits, including benefits provided for by any federal law extending benefits beyond those pro-
vided for as regular benefits or extended benefits, may receive weekly emergency unemployment benefits for weeks subsequent to March 30, 1991, in an amount equal to the weekly benefit amount of the individual’s most recent regular unemployment benefit claim subject to the provisions of the “unemployment compensation law,” R.S.43:21-1 et seq. The maximum emergency unemployment benefits an individual may receive pursuant to P.L.1991, c.200 is 25 percent of the regular unemployment benefits which were payable to the individual pursuant to the “unemployment compensation law,” R.S.43:21-1 et seq., (including benefits payable to federal civilian employees and ex-service persons or payable under the combined wage program) in the individual’s applicable benefit year.

4. No employer’s account shall be charged for emergency unemployment benefits paid to an unemployed individual pursuant to P.L.1991, c.200, except for the account of an out-of-State employer who is liable for charges under the Combined Wage Program. However, nothing in this section shall be construed to relieve employers electing to make payments in lieu of contributions pursuant to section 3 or 4 of P.L.1971, c.346 (C.43:21-7.2 or C.43:21-7.3) from reimbursing the unemployment compensation fund an amount equal to the emergency unemployment benefits paid to an unemployed individual pursuant to P.L.1991, c.200.

Emergency unemployment benefits paid to federal civilian employees shall be charged to the appropriate federal account. Emergency unemployment benefits paid to ex-service persons shall be charged to the General Fund.

5. Emergency unemployment benefits may be paid pursuant to the provisions of P.L.1991, c.200 only with respect to weeks not within an extended benefit period, and not within a period covered by any federal law allowing the filing of new claims extending benefits beyond those provided for as regular or extended benefits. If a federal extended benefits period triggers “on”, maximum benefits payable to an individual under the federal extended benefits program or any federal supplemental benefits program shall be reduced by an amount equal to that received by the individual under the emergency unemployment benefits program.

6. Notwithstanding the provisions of any other law, the division shall use appropriate administrative means to insure that emergency unemployment benefits are paid only to individuals who meet the requirements of P.L.1991, c.200. These administrative
actions may include, but shall not be limited to, the following procedure. The division shall match the claimant's social security number against available wage records to insure that no earnings were reported for that claimant by employers under R.S.43:21-14 for periods in which emergency unemployment benefits were paid.

7. No exhaustee shall receive benefits pursuant to P.L.1991, c.200 during the portion of the emergency unemployment benefit period which occurs prior to the effective date of P.L.1991, c.200 unless the exhaustee submits to the division a signed written statement, on a form approved by the division, that the exhaustee was actively seeking work during that portion of the benefit period and was otherwise eligible for the benefits.

8. This act shall take effect immediately.

CHAPTER 201

AN ACT concerning health care decision making and supplementing Title 26 and Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-53 Short title.
1. This act shall be known and may be cited as the “New Jersey Advance Directives for Health Care Act.”

C.26:2H-54 Findings, declarations.
2. The Legislature finds and declares that:
   a. Competent adults have the fundamental right, in collaboration with their health care providers, to control decisions about their own health care. This State recognizes, in its law and public policy, the personal right of the individual patient to make voluntary, informed choices to accept, to reject, or to choose among alternative courses of medical and surgical treatment.
   b. Modern advances in science and medicine have made possible the prolongation of the lives of many seriously ill individuals, without always offering realistic prospects for improvement or cure. For some individuals the possibility of extended life is
experienced as meaningful and of benefit. For others, artificial prolongation of life may seem to provide nothing medically necessary or beneficial, serving only to extend suffering and prolong the dying process. This State recognizes the inherent dignity and value of human life and within this context recognizes the fundamental right of individuals to make health care decisions to have life-prolonging medical or surgical means or procedures provided, withheld, or withdrawn.

c. In order that the right to control decisions about one’s own health care should not be lost in the event a patient loses decision making capacity and is no longer able to participate actively in making his own health care decisions, this State recognizes the right of competent adults to plan ahead for health care decisions through the execution of advance directives, such as living wills and durable powers of attorney, and to have the wishes expressed therein respected, subject to certain limitations.

d. The right of individuals to forego life-sustaining measures is not absolute and is subject to certain interests of society. The most significant of these societal interests is the preservation of life, understood to embrace both an interest in preserving the life of the particular patient and a related but distinct interest in preserving the sanctity of all human life as an enduring social value. A second, closely related societal interest is the protection of individuals from direct and purposeful self-destruction, motivated by a specific intent to die. A third interest is the protection of innocent third parties who may be harmed by the patient’s decision to forego therapy; this interest may be asserted to prevent the emotional and financial abandonment of the patient’s minor children or to protect the paramount concerns of public health or safety. A fourth interest encompasses safeguarding the ethical integrity of the health care professions, individual professionals, and health care institutions, and maintaining public confidence and trust in the integrity and caring role of health care professionals and institutions. Finally, society has an interest in ensuring the soundness of health care decision making, including both protecting vulnerable patients from potential abuse or neglect and facilitating the exercise of informed and voluntary patient choice.

e. In accordance with these State interests, this State expressly rejects on both legal and moral grounds the practice of active euthanasia. No individual shall have the right to, nor shall any physician or other health care professional be authorized to engage in, the practice of active euthanasia.
f. In order to assure respect for patients' previously expressed wishes when the capacity to participate actively in decision making has been lost or impaired; to facilitate and encourage a sound decision making process in which patients, health care representatives, families, physicians, and other health care professionals are active participants; to properly consider patients' interests both in self-determination and in well-being; and to provide necessary and appropriate safeguards concerning the termination of life-sustaining treatment for incompetent patients as the law and public policy of this State, the Legislature hereby enacts the New Jersey Advance Directives for Health Care Act.

C.26:2H-55 Definitions.
3. As used in this act:
   “Adult” means an individual 18 years of age or older.
   “Advance directive for health care” or “advance directive” means a writing executed in accordance with the requirements of this act. An “advance directive” may include a proxy directive or an instruction directive, or both.
   “Attending physician” means the physician selected by, or assigned to, the patient who has primary responsibility for the treatment and care of the patient.
   “Decision making capacity” means a patient’s ability to understand and appreciate the nature and consequences of health care decisions, including the benefits and risks of each, and alternatives to any proposed health care, and to reach an informed decision. A patient’s decision making capacity is evaluated relative to the demands of a particular health care decision.
   “Declarant” means a competent adult who executes an advance directive.
   “Do not resuscitate order” means a physician’s written order not to attempt cardiopulmonary resuscitation in the event the patient suffers a cardiac or respiratory arrest.
   “Emergency care” means immediate treatment provided in response to a sudden, acute and unanticipated medical crisis in order to avoid injury, impairment or death.
   “Health care decision” means a decision to accept or to refuse any treatment, service or procedure used to diagnose, treat or care for a patient’s physical or mental condition, including life-sustaining treatment. “Health care decision” also means a decision to accept or to refuse the services of a particular physician, nurse,
other health care professional or health care institution, including a decision to accept or to refuse a transfer of care.

"Health care institution" means all institutions, facilities, and agencies licensed, certified, or otherwise authorized by State law to administer health care in the ordinary course of business, including hospitals, nursing homes, residential health care facilities, home health care agencies, hospice programs operating in this State, mental health institutions, facilities or agencies, or institutions, facilities and agencies for the developmentally disabled. The term "health care institution" shall not be construed to include "health care professionals" as defined in this act.

"Health care professional" means an individual licensed by this State to administer health care in the ordinary course of business or practice of a profession.

"Health care representative" means the individual designated by a declarant pursuant to the proxy directive part of an advance directive for the purpose of making health care decisions on the declarant's behalf, and includes an individual designated as an alternate health care representative who is acting as the declarant's health care representative in accordance with the terms and order of priority stated in an advance directive.

"Instruction directive" means a writing which provides instructions and direction regarding the declarant's wishes for health care in the event that the declarant subsequently lacks decision making capacity.

"Life-sustaining treatment" means the use of any medical device or procedure, artificially provided fluids and nutrition, drugs, surgery or therapy that uses mechanical or other artificial means to sustain, restore or supplant a vital bodily function, and thereby increase the expected life span of a patient.

"Other health care professionals" means health care professionals other than physicians and nurses.

"Patient" means an individual who is under the care of a physician, nurse or other health care professional.

"Permanently unconscious" means a medical condition that has been diagnosed in accordance with currently accepted medical standards and with reasonable medical certainty as total and irreversible loss of consciousness and capacity for interaction with the environment. The term "permanently unconscious" includes without limitation a persistent vegetative state or irreversible coma.

"Physician" means an individual licensed to practice medicine and surgery in this State.
“Proxy directive” means a writing which designates a health care representative in the event the declarant subsequently lacks decision making capacity.

“State” means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

“Terminal condition” means the terminal stage of an irreversibly fatal illness, disease or condition. A determination of a specific life expectancy is not required as a precondition for a diagnosis of a “terminal condition,” but a prognosis of a life expectancy of six months or less, with or without the provision of life-sustaining treatment, based upon reasonable medical certainty, shall be deemed to constitute a terminal condition.

C.26:2H-56 Advance directive for health care; execution.

4. A declarant may execute an advance directive for health care at any time. The advance directive shall be signed and dated by, or at the direction of, the declarant in the presence of two subscribing adult witnesses, who shall attest that the declarant is of sound mind and free of duress and undue influence. A designated health care representative shall not act as a witness to the execution of an advance directive. Alternatively, the advance directive shall be signed and dated by, or at the direction of, the declarant and be acknowledged by the declarant before a notary public, attorney at law, or other person authorized to administer oaths. An advance directive may be supplemented by a video or audio tape recording. A female declarant may include in an advance directive executed by her, information as to what effect the advance directive shall have if she is pregnant.

C.26:2H-57 Proxy, instruction directive; reaffirmed, modified, revoked.

5. a. A declarant may reaffirm or modify either a proxy directive, or an instruction directive, or both. The reaffirmation or modification shall be made in accordance with the requirements for execution of an advance directive pursuant to section 4 of this act.

b. A declarant may revoke an advance directive, including a proxy directive, or an instruction directive, or both, by the following means:

(1) Notification, orally or in writing, to the health care representative, physician, nurse or other health care professional, or other reliable witness, or by any other act evidencing an intent to revoke the document; or

(2) Execution of a subsequent proxy directive or instruction directive, or both, in accordance with section 4 of this act.
c. Designation of the declarant's spouse as health care representative shall be revoked upon divorce or legal separation, unless otherwise specified in the advance directive.

d. An incompetent patient may suspend an advance directive, including a proxy directive, an instruction directive, or both, by any of the means stated in paragraph (1) of subsection b. of this section. An incompetent patient who has suspended an advance directive may reinstate that advance directive by oral or written notification to the health care representative, physician, nurse or other health care professional of an intent to reinstate the advance directive.

e. Reaffirmation, modification, revocation or suspension of an advance directive is effective upon communication to any person capable of transmitting the information including the health care representative, the attending physician, nurse or other health care professional responsible for the patient's care.

C.26:2H-58 Designation of health care representative; limitations.

6. a. A declarant may execute a proxy directive, pursuant to the requirements of section 4 of this act, designating a competent adult to act as his health care representative.

(1) A competent adult, including, but not limited to, a declarant's spouse, adult child, parent or other family member, friend, religious or spiritual advisor, or other person of the declarant's choosing, may be designated as a health care representative.

(2) An operator, administrator or employee of a health care institution in which the declarant is a patient or resident shall not serve as the declarant's health care representative unless the operator, administrator or employee is related to the declarant by blood, marriage or adoption.

This restriction does not apply to a physician, if the physician does not serve as the patient's attending physician and the patient's health care representative at the same time.

(3) A declarant may designate one or more alternate health care representatives, listed in order of priority. In the event the primary designee is unavailable, unable or unwilling to serve as health care representative, or is disqualified from such service pursuant to this section or any other law, the next designated alternate shall serve as health care representative. In the event the primary designee subsequently becomes available and able to serve as health care representative, the primary designee may, insofar as then practicable, serve as health care representative.
(4) A declarant may direct the health care representative to consult with specified individuals, including alternate designees, family members and friends, in the course of the decision making process.

(5) A declarant shall state the limitations, if any, to be placed upon the authority of the health care representative including the limitations, if any, which may be applicable if the declarant is pregnant.

b. A declarant may execute an instruction directive, pursuant to the requirements of section 4 of this act, stating the declarant's general treatment philosophy and objectives; or the declarant's specific wishes regarding the provision, withholding or withdrawal of any form of health care, including life-sustaining treatment; or both. An instruction directive may, but need not, be executed contemporaneously with, or be attached to, a proxy directive.

C.26:2H-59 Conditions under which advance directive becomes operative.

7. a. An advance directive becomes operative when (1) it is transmitted to the attending physician or to the health care institution, and (2) it is determined pursuant to section 8 of this act that the patient lacks capacity to make a particular health care decision.

b. Treatment decisions pursuant to an advance directive shall not be made and implemented until there has been a reasonable opportunity to establish, and where appropriate confirm, a reliable diagnosis and prognosis for the patient.

C.26:2H-60 Determination of patient's capacity to make a health care decision.

8. a. The attending physician shall determine whether the patient lacks capacity to make a particular health care decision. The determination shall be stated in writing, shall include the attending physician's opinion concerning the nature, cause, extent, and probable duration of the patient's incapacity, and shall be made a part of the patient's medical records.

b. The attending physician's determination of a lack of decision making capacity shall be confirmed by one or more physicians. The opinion of the confirming physician shall be stated in writing and made a part of the patient's medical records in the same manner as that of the attending physician. Confirmation of a lack of decision making capacity is not required when the patient's lack of decision making capacity is clearly apparent, and the attending physician and the health care representative agree that confirmation is unnecessary.

c. If the attending physician or the confirming physician determines that a patient lacks decision making capacity because of a mental or psychological impairment or a developmental disability, and
neither the attending physician or the confirming physician has specialized training or experience in diagnosing mental or psychological conditions or developmental disabilities of the same or similar nature, a determination of a lack of decision making capacity shall be confirmed by one or more physicians with appropriate specialized training or experience. The opinion of the confirming physician shall be stated in writing and made a part of the patient’s medical records in the same manner as that of the attending physician.

d. A physician designated by the patient’s advance directive as a health care representative shall not make or confirm the determination of a lack of decision making capacity.

e. The attending physician shall inform the patient, if the patient has any ability to comprehend that he has been determined to lack decision making capacity, and the health care representative that: (1) the patient has been determined to lack decision making capacity to make a particular health care decision; (2) each has the right to contest this determination; and (3) each may have recourse to the dispute resolution process established by the health care institution pursuant to section 14 of this act.

Notice to the patient and the health care representative shall be documented in the patient’s medical records.

f. A determination of lack of decision making capacity under this act is solely for the purpose of implementing an advance directive in accordance with the provisions of this act, and shall not be construed as a determination of a patient’s incapacity or incompetence for any other purpose.

g. For purposes of this section, a determination that a patient lacks decision making capacity shall be based upon, but need not be limited to, evaluation of the patient’s ability to understand and appreciate the nature and consequences of a particular health care decision, including the benefits and risks of, and alternatives to, the proposed health care, and to reach an informed decision.

C.26:2H-61 Authority to make health care decisions.

9. a. If it has been determined that the patient lacks decision making capacity, a health care representative shall have authority to make health care decisions on behalf of the patient. The health care representative shall act in good faith and within the bounds of the authority granted by the advance directive and by this act.

b. If a different individual has been appointed as the patient’s legal guardian, the health care representative shall retain legal authority to make health care decisions on the patient’s behalf,
unless the terms of the legal guardian’s court appointment or other court decree provide otherwise.

c. The conferral of legal authority on the health care representative shall not be construed to impose liability upon the health care representative for any portion of the patient’s health care costs.

d. An individual designated as a health care representative or as an alternate health care representative may decline to serve in that capacity.

e. The health care representative shall exercise the patient’s right to be informed of the patient’s medical condition, prognosis and treatment options, and to give informed consent to, or refusal of, health care.

f. In the exercise of these rights and responsibilities, the health care representative shall seek to make the health care decision the patient would have made had he possessed decision making capacity under the circumstances, or, when the patient’s wishes cannot adequately be determined, shall make a health care decision in the best interests of the patient.

10. In addition to any rights and responsibilities recognized or imposed by, or pursuant to, this act, or by any other law, physicians, nurses, and other health care professionals shall have the following rights and responsibilities:

a. The attending physician shall make an affirmative inquiry of the patient, his family or others, as appropriate under the circumstances, concerning the existence of an advance directive. The attending physician shall note in the patient’s medical records whether or not an advance directive exists, and the name of the patient’s health care representative, if any, and shall attach a copy of the advance directive to the patient’s medical records. The attending physician shall document in the same manner the reaffirmation, modification, or revocation of an advance directive, if he has knowledge of such action.

b. A physician may decline to participate in the withholding or withdrawing of measures utilized to sustain life, in accordance with his sincerely held personal or professional convictions. In such circumstances, the physician shall act in good faith to inform the patient and the health care representative, and the chief of the medical staff or other designated institutional official, of this decision as soon as practicable, to effect an appropriate, respectful and timely transfer of care, and to assure that the patient is not abandoned or treated disrespectfully.
In the event of transfer of a patient's care, the attending physician shall assure the timely transfer of the patient's medical records, including a copy of the patient's advance directive.

c. A nurse or other health care professional may decline to participate in the withholding or withdrawing of measures utilized to sustain life, in accordance with his sincerely held personal or professional convictions. In these circumstances, the nurse or other health care professional shall act in good faith to inform the patient and the health care representative, and the head of the nursing or other professional staff or other designated institutional official, of this decision as soon as practicable, to cooperate in effecting an appropriate, respectful and timely transfer of care, and to assure that the patient is not abandoned or treated disrespectfully.

d. Nothing in this act shall be construed to require a physician, nurse or other health care professional to begin, continue, withhold, or withdraw health care in a manner contrary to law or accepted professional standards.

C.26:2H-63 Decision making under an advance directive.

11. a. The attending physician, the health care representative and, when appropriate, any additional physician responsible for the patient's care, shall discuss the nature and consequences of the patient's medical condition, and the risks, benefits and burdens of the proposed health care and its alternatives. Except as provided by subsection b. of this section, the attending physician shall obtain informed consent for, or refusal of, health care from the health care representative.

(1) Discussion of the proposed treatment and its alternatives shall include, as appropriate under the circumstances, the availability, benefits and burdens of rehabilitative treatment, therapy, and services.

(2) The decision making process shall allow, as appropriate under the circumstances, adequate time for the health care representative to understand and deliberate about all relevant information before a treatment decision is implemented.

b. Following a determination that a patient lacks decision making capacity, the health care representative and the attending physician shall, to a reasonable extent, discuss the treatment options with the patient, and seek to involve the patient as a participant in the decision making process. The health care representative and the attending physician shall seek to promote the patient's capacity for effective participation and shall take the patient's expressed wishes into account in the decision making process.
Once decision making authority has been conferred upon a health care representative pursuant to an advance directive, if the patient is subsequently found to possess adequate decision making capacity with respect to a particular health care decision, the patient shall retain legal authority to make that decision. In such circumstances, the health care representative may continue to participate in the decision making process in an advisory capacity, unless the patient objects.

Notwithstanding any other provision of this act to the contrary, if a patient who lacks decision making capacity clearly expresses or manifests the contemporaneous wish that medically appropriate measures utilized to sustain life be provided, that wish shall take precedence over any contrary decision of the health care representative and any contrary statement in the patient’s instruction directive.

c. In acting to implement a patient’s wishes pursuant to an advance directive, the health care representative shall give priority to the patient’s instruction directive, and may also consider, as appropriate and necessary, the following forms of evidence of the patient’s wishes:

(1) The patient’s contemporaneous expressions, including non-verbal expressions;

(2) Other reliable sources of information, including the health care representative’s personal knowledge of the patient’s values, preferences and goals; and

(3) Reliable oral or written statements previously made by the patient, including, but not limited to, statements made to family members, friends, health care professionals or religious leaders.

d. If the instruction directive, in conjunction with other evidence of the patient’s wishes, does not provide, in the exercise of reasonable judgment, clear direction as applied to the patient’s medical condition and the treatment alternatives, the health care representative shall exercise reasonable discretion, in good faith, to effectuate the terms, intent, and spirit of the instruction directive and other evidence of the patient’s wishes.

e. Subject to the provisions of this act, and unless otherwise stated in the advance directive, if the patient’s wishes cannot be adequately determined, then the health care representative shall make a health care decision in the patient’s best interests.

C.26:2H-64 Effect of instruction directive.

12. a. If the patient has executed an instruction directive but has not designated a health care representative, or if neither the designated health care representative or any alternate designee is able or available to serve, the instruction directive shall be legally opera-
tive. If the instruction directive provides clear and unambiguous guidance under the circumstances, it shall be honored in accordance with its specific terms by a legally appointed guardian, if any, family members, the physicians, nurses, other health care professionals, health care institutions, and others acting on the patient's behalf.

b. If the instruction directive is, in the exercise of reasonable judgment, not specific to the patient's medical condition and the treatment alternatives, the attending physician, in consultation with a legally appointed guardian, if any, family members, or others acting on the patient's behalf, shall exercise reasonable judgment to effectuate the wishes of the patient, giving full weight to the terms, intent, and spirit of the instruction directive. Departure from the specific terms and provisions of the instruction directive shall be based upon clearly articulable factors not foreseen or contemplated by the instruction directive, including, but not limited to, the circumstances of the patient's medical condition.

c. Nothing in this act shall be construed to impair the legal force and effect of an instruction directive executed prior to the effective date of this act.

C.26:2H-65 Additional rights, responsibilities of health care institution.

13. a. In addition to any rights and responsibilities recognized or imposed by, or pursuant to, this act, or any other law, a health care institution shall have the following rights and responsibilities:

(1) A health care institution shall adopt such policies and practices as are necessary to provide for routine inquiry, at the time of admission and at such other times as are appropriate under the circumstances, concerning the existence and location of an advance directive.

(2) A health care institution shall adopt such policies and practices as are necessary to provide appropriate informational materials concerning advance directives to all interested patients and their families and health care representatives, and to assist patients interested in discussing and executing an advance directive.

(3) A health care institution shall adopt such policies and practices as are necessary to educate patients and their families and health care representatives about the availability, benefits and burdens of rehabilitative treatment, therapy and services, including but not limited to family and social services, self-help and advocacy services, employment and community living, and use of assistive devices. A health care institution shall, in consultation with the attending physician, assure that such information is discussed with a patient and his health care representative and made
a part of the decision making process set forth in section 11 of this act, as appropriate under the circumstances.

(4) In situations in which a transfer of care is necessary, including a transfer for the purpose of effectuating a patient's wishes pursuant to an advance directive, a health care institution shall, in consultation with the attending physician, take all reasonable steps to effect the appropriate, respectful and timely transfer of the patient to the care of an alternative health care professional or institution, as necessary, and shall assure that the patient is not abandoned or treated disrespectfully. In such circumstances, a health care institution shall assure the timely transfer of the patient's medical records, including a copy of the patient's advance directive.

(5) A health care institution shall establish procedures and practices for dispute resolution, in accordance with section 14 of this act.

(6) A health care institution shall adopt such policies and practices as are necessary to inform physicians, nurses and other health care professionals of their rights and responsibilities under this act, to assure that such rights and responsibilities are understood, and to provide a forum for discussion and consultation regarding the requirements of this act.

b. A private, religiously-affiliated health care institution may develop institutional policies and practices defining circumstances in which it will decline to participate in the withholding or withdrawing of specified measures utilized to sustain life. Such policies and practices shall be written, and shall be properly communicated to patients and their families and health care representatives prior to or upon the patient's admission, or as soon after admission as is practicable.

If the institutional policies and practices appear to conflict with the legal rights of a patient wishing to forego health care, the health care institution shall attempt to resolve the conflict, and if a mutually satisfactory accommodation cannot be reached, shall take all reasonable steps to effect the appropriate, timely and respectful transfer of the patient to the care of another health care institution appropriate to the patient's needs, and shall assure that the patient is not abandoned or treated disrespectfully.

c. Nothing in this act shall be construed to require a health care institution to participate in the beginning, continuing, withholding or withdrawing of health care in a manner contrary to law or accepted medical standards.

14. a. In the event of disagreement among the patient, health care representative and attending physician concerning the patient's decision making capacity or the appropriate interpretation and application of the terms of an advance directive to the patient's course of treatment, the parties may seek to resolve the disagreement by means of procedures and practices established by the health care institution, including but not limited to, consultation with an institutional ethics committee, or with a person designated by the health care institution for this purpose or may seek resolution by a court of competent jurisdiction.

b. A health care professional involved in the patient's care, other than the attending physician, or an administrator of a health care institution may also invoke the dispute resolution process established by the health care institution to seek to resolve a disagreement concerning the patient's decision making capacity or the appropriate interpretation and application of the terms of an advance directive.

C.26:2H-67 Circumstances under which life-sustaining treatment may be withheld or withdrawn.

15. a. Consistent with the terms of an advance directive and the provisions of this act, life-sustaining treatment may be withheld or withdrawn from a patient in the following circumstances:

(1) When the life-sustaining treatment is experimental and not a proven therapy, or is likely to be ineffective or futile in prolonging life, or is likely to merely prolong an imminent dying process;

(2) When the patient is permanently unconscious, as determined by the attending physician and confirmed by a second qualified physician;

(3) When the patient is in a terminal condition, as determined by the attending physician and confirmed by a second qualified physician;

(4) In the event none of the above circumstances applies, when the patient has a serious irreversible illness or condition, and the likely risks and burdens associated with the medical intervention to be withheld or withdrawn may reasonably be judged to outweigh the likely benefits to the patient from such intervention, or imposition of the medical intervention on an unwilling patient would be inhumane. In such cases prior to implementing a decision to withhold or withdraw life-sustaining treatment, the attending physician may promptly seek consultation with an institutional or regional reviewing body in accordance with section 17
of this act, or may promptly seek approval of a public agency rec­ognized by law for this purpose.
  b. Nothing in this section shall be construed to impair the obligations of physicians, nurses and other health care professionals to provide for the care and comfort of the patient and to alleviate pain, in accordance with accepted medical and nursing standards.
  c. Nothing in this section shall be construed to abridge any constitutionally-protected right to refuse treatment under either the United States Constitution or the Constitution of the State of New Jersey.

C.26:2H-68 Issuance of do not resuscitate order.

16. a. Consistent with the terms of an advance directive and the provisions of this act, the attending physician may issue a do not resuscitate order.
  b. A do not resuscitate order shall be entered in writing in the patient’s medical records prior to implementation of the order.
  c. Nothing in this act shall be construed to impair any existing legal authority to issue a do not resuscitate order when the patient has not executed an advance directive.

C.26:2H-69 Consultation with institutional or regional reviewing body.

17. a. An institutional or regional reviewing body which engages in prospective case consultation pursuant to paragraph (4) of subsection a. of section 15 of this act may be consulted by the attending physician, patient or health care representative as to whether it believes that the withholding or withdrawal of the medical intervention under consideration would be in conformity with the requirements of this act, including without limitation: whether such action would be within the scope of the patient’s advance directive; whether it may reasonably be judged that the likely risks and burdens associated with the medical intervention to be withheld or withdrawn outweigh its likely benefits; and whether it may reasonably be judged that imposition of the medical intervention on an unwilling patient would be inhumane. The attending physician, patient and health care representative shall also be advised of any other course of diagnosis or treatment recommended for consideration.

Consultation with the institutional or regional reviewing body shall be documented in the patient’s medical records.
  b. Consultation with an institutional or regional reviewing body acting in accordance with subsection a. of this section is not required. Furthermore, nothing in this act shall be construed to impair the right of a patient, health care representative, physician,
nurse, or other health care professional who consults with an institutional or regional reviewing body to:

(1) Seek review by a public agency recognized by law for this purpose; or

(2) Seek review by a court of competent jurisdiction.

c. Nothing in this section shall preclude the transfer of the patient to another appropriate health care professional or health care institution. In this case the health care institution responsible for the patient’s care shall assure that the health care professional or health care institution to which the patient is transferred is properly informed of the advice given by the institutional or regional reviewing body.

C.26:2H-70 Existing law preserved; emergency care.

18. a. Nothing in this act shall be construed to alter, amend or revoke the rights and responsibilities under existing law of health care institutions not governed by the provisions of this act.

b. The provisions of this act shall not be construed to require emergency personnel, including paid or volunteer fire fighters; paramedics; members of an ambulance team, rescue squad, or mobile intensive care unit; or emergency room personnel of a licensed health care institution, to withhold or withdraw emergency care in circumstances which do not afford reasonable opportunity for careful review and evaluation of an advance directive without endangering the life of the patient.

C.26:2H-71 Rules, regulations.

19. In accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) the Department of Health shall establish rules and regulations:

a. For the annual reporting by health care institutions, and the gathering of such additional data as is reasonably necessary to oversee and evaluate the implementation of this act. The department shall seek to minimize the burdens of record-keeping imposed by the rules and regulations and shall seek to assure the appropriate confidentiality of patient records.

b. Requiring health care institutions to adopt policies and practices designed to:

(1) Make routine inquiry, at the time of admission and at such other times as are appropriate under the circumstances, concerning the existence and location of an advance directive;

(2) Provide appropriate informational materials concerning advance directives to all interested patients and their families and
health care representatives, and to assist patients interested in dis­
cussing and executing an advance directive;

(3) Educate patients and their families and health care repre­
sentatives about the availability, benefits and burdens of
rehabilitative treatment, therapy and services, as appropriate;

(4) Inform physicians, nurses, and other health care professionals of
their rights and responsibilities under this act, to assure that the rights
and responsibilities are understood, and to provide a forum for discus­
sion and consultation regarding the requirements of this act; and

(5) Otherwise comply with the provisions of this act.

C.26:2H-72 Evaluation of implementation of act; report.

20. The Department of Health and the New Jersey Commission
on Legal and Ethical Problems in the Delivery of Health Care
established pursuant to P.L.1985, c.363 (C.52:9Y-1 et seq.), shall
jointly evaluate the implementation of this act and report to the
Governor and the Legislature, including recommendations for any
changes deemed necessary, within five years from the effective
date of this act.

C.26:2H-73 Immunities.

21. a. A health care representative shall not be subject to crimi­
nal or civil liability for any actions performed in good faith and
in accordance with the provisions of this act to carry out the
terms of an advance directive.

b. A health care professional shall not be subject to criminal
or civil liability or to discipline by the health care institution or
the respective State licensing board for professional misconduct
for any actions performed in good faith and in accordance with
the provisions of this act, any rules and regulations established by
the Department of Health pursuant to this act, and accepted pro­
fessional standards to carry out the terms of an advance directive.

c. A health care institution shall not be subject to criminal or
civil liability for any actions performed in good faith and in
accordance with the provisions of this act to carry out the terms
of an advance directive.

C.26:2H-74 Absence of advance directive, act not applicable.

22. The absence of an advance directive shall create no pre­
sumption with respect to a patient’s wishes regarding the
provision, withholding or withdrawing of any form of health care.
The provisions of this act do not apply to persons who have not
executed an advance directive.
C.26:2H-75 Advance directive shall not affect insurance, benefits coverage.
23. The execution of an advance directive pursuant to this act shall not in any manner affect, impair or modify the terms of, or rights or obligations created under, any existing policy of health insurance, life insurance or annuity, or governmental benefits program. No health care practitioner or other health care provider, and no health service plan, insurer, or governmental authority, shall deny coverage or exclude from the benefits of service any individual because that individual has executed or has not executed an advance directive. The execution, or non-execution, of an advance directive shall not be made a condition of coverage under any policy of health insurance, life insurance or annuity, or governmental benefits program.

C.26:2H-76 Advance directive executed in other jurisdictions, validity.
24. An advance directive executed under the laws of another state in compliance with the laws of that state or the State of New Jersey is validly executed for purposes of this act. An advance directive executed in a foreign country in compliance with the laws of that country or the State of New Jersey, and not contrary to the public policy of this State, is validly executed for purposes of this act.

C.26:2H-77 Applicability of other law.
25. a. The withholding or withdrawing of life-sustaining treatment pursuant to section 15 of this act, when performed in good faith, and in accordance with the terms of an advance directive and the provisions of this act, shall not constitute homicide, suicide, assisted suicide, or active euthanasia.
   b. To the extent any of the provisions of this act are inconsistent with P.L.1971, c.373 (C.46:2B-8 et seq.) concerning the designation of a health care representative, the provisions of this act shall have priority over those of P.L.1971, c.373 (C.46:2B-8 et seq.).
   Durable powers of attorney for health care executed pursuant to P.L.1971, c.373 (C.46:2B-8 et seq.) prior to the effective date of this act shall have the same legal force and effect as if they had been executed in accordance with the provisions of this act.
   c. Nothing in this act shall be construed to impair the rights of emancipated minors under existing law.

26. The Office of the Ombudsman for the Institutionalized Elderly shall conform and implement procedures necessary to comply with the requirements of P.L.1991, c.201 (C.26:2H-53 et al.), and shall make a written statement of its obligations under that act available to the public.

27. The Office of the Public Guardian for Elderly Adults shall conform and implement procedures necessary to comply with the requirements of P.L.1991, c.201 (C.26:2H-53 et al.), and shall make a written statement of its obligations under that act available to the public.

C.26:2H-78 Violations, penalties.

28. a. A health care professional who intentionally fails to act in accordance with the requirements of this act is subject to discipline for professional misconduct pursuant to section 8 of P.L.1978, c.73 (C.45:1-21).

b. A health care institution that intentionally fails to act in accordance with the requirements of this act shall be subject to a fine of not more than $1,000 for each offense. For the purposes of this subsection, each violation shall constitute a separate offense. Penalties for violations of this act shall be recovered in a summary civil proceeding, brought in the name of the State in a court of competent jurisdiction pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.).

c. The following acts constitute crimes:

(1) To willfully conceal, cancel, deface, obliterate or withhold personal knowledge of an advance directive or a modification or revocation thereof, without the declarant's consent, is a crime of the fourth degree.

(2) To falsify or forge an advance directive or a modification or revocation thereof of another individual is a crime of the fourth degree.

(3) To coerce or fraudulently induce the execution of an advance directive or a modification or revocation thereof is a crime of the fourth degree.

(4) To require or prohibit the execution of an advance directive or a modification or revocation thereof as a condition of coverage under any policy of health insurance, life insurance or annuity, or governmental benefits program, or as a condition of the provision of health care is a crime of the fourth degree.

d. Commission of any of the acts identified in paragraphs (1), (2), or (3) of subsection c., resulting in the involuntary earlier death of a patient, shall constitute a crime of the fourth degree.

e. The sanctions provided in this section shall not be construed to repeal any sanctions applicable under other law.

29. This act shall take effect 180 days after the date of enactment.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.46:3B-13 Findings, determinations, declarations.

1. The Legislature finds, determines and declares:

   a. Within the past decade, the building codes of this and other states have permitted, and builders have employed, fire-retardant treated (FRT) plywood roof sheathing as an approved mode of construction to provide fire safety in multi-unit structures.

   b. It has recently been discovered that, in many instances, plywood treated for fire retardancy has proven liable to suffer material deterioration and premature structural failure. As a result, many condominiums, cooperatives, fee simple townhouses and similar structures built in recent years have been, and many more may soon be, faced with premature problems of replacing sheathing and roofing on a large scale.

   c. The difficulty of dealing with such unanticipated structural failure potentially falls most acutely on planned real estate development associations and home owners in condominiums, cooperatives, fee simple townhouses and similar housing developments that employ the type of firewall-separation construction to which FRT plywood sheathing is commonly applied. This failure constitutes a major construction defect under existing law, but because of the varied response of warranty guarantors, including private warranty guarantors under “The New Home Warranty and Builders’ Registration Act,” P.L.1977, c.467 (C.46:3B-1 et seq.), it appears likely that the difficulties of many owners may be compounded by resistance to their claims for compensation, and that if they may collect at all it will be only after prolonged negotiation or litigation.

   d. It is, therefore the intention of this legislation to establish a funding mechanism, based upon the State’s New Home Warranty program and not dependent upon general revenues of the State, to make immediate funding available to homeowners faced with emergent needs for immediate remediation of the major construction defect, as well as to builders and warranty guarantors who honor the claims of such owners.
e. It is the further intention of this legislation to provide practicable means for pursuing claims against any responsible party, where appropriate, to recover costs of remediation due to material defects for which a responsible party may be held liable.

**C.46:3B-14 Moneys and claims for advance funding for remediation of structural damages.**

2. a. The commissioner is hereby authorized to advance moneys out of the fund for the remediation of structural damages due to defective FRT plywood occurring in structures covered by an approved warranty program, subject to the provisions and requirements of this act.

b. A claim for such advance funding may be made by any owner of the affected structure, jointly by any owner and builder of the affected structures, any builder who undertakes to remediate the cited damages, or any warranty guarantor who undertakes to reimburse the owner or builder for the costs of such remediation. Approval and payment of such claim shall be conditioned upon the claimant’s assigning to the State of New Jersey, for the use of the fund, the claimant’s rights in any claim upon any responsible party, or in any other recovery of funds, that may arise out of the damage cited in the claim. As a condition of any assignment and as a precondition to the receipt of any advance funding pursuant to this section, a claimant that has not previously instituted suit to recover damages on grounds of failure of FRT plywood shall provide the Department of Community Affairs with all documents and information in the possession of the claimant or of the claimant’s counsel or representative that may be relevant to the State’s effort to recover from responsible parties, and shall agree to cooperate fully with the Department of Community Affairs and the Attorney General’s Office in the prosecution of any legal action to obtain such recovery. If the claimant has previously instituted suit to recover such damages, then the claimant and its counsel, as a condition of any assignment and receipt of advance funding shall cooperate with the Attorney General’s pursuit of the claim or any related civil action in accordance with the provisions of section 6 of this act. The failure of any claimant or its counsel, employees, members, or agents to cooperate fully with the Attorney General or the commissioner shall constitute a basis to deny payment of the claim and the refusal of its assignment or, in the instance that the claim has already been paid and assigned, for the rescission of the assignment and the recovery by the commissioner of any monies paid by the commissioner to the claimant pursuant to this act. All documents and information communicated to the Attorney General and the commissioner by the claimant or its counsel under this section and under section 6 of
this act shall be fully protected by all privileges applicable by statute, court rule, or common law for attorney-client communications and attorney work product, and the communication of that information to the Attorney General or the commissioner by claimant or its counsel shall not be deemed a waiver of any of those privileges and shall not be deemed to provide a basis to require those communications to be disclosed to potentially responsible parties, or their counsel, or others.

c. A claim pursuant to this section shall be filed with the commissioner in such manner and form, and accompanied by such supporting data, as the commissioner shall by regulations require. Upon review of such claim the commissioner may require, and the claimant shall supply, such additional data and other information as the commissioner deems necessary in order to substantiate approval of the claim in accordance with the standards set forth in section 3 of this act.

d. The commissioner is hereby authorized to expend moneys of the fund for the expenses of administration of claims made under this section, including the costs of receiving, verifying and paying such claims, of handling or resolving administrative hearings or litigation arising out of claims that are rejected by the commissioner for advance funding, and of pursuing the recovery of moneys on behalf of the fund pursuant to section 5 of this act.

e. For purposes of this act "owner" means, for purposes of a claim involving a structure or structures that is filed under this act, an individual fee simple owner, an association of individual owners or lessees that is responsible for the maintenance or replacement of the roof structure or an association formed for the purpose of pursuing a unified claim under this act.

f. For the purposes of this section "undertakes" means, for purposes of a claim filed by a builder or warranty guarantor, a written agreement or written acknowledgement by the builder to remediate the cited damages for the structure or structures for which the claim is being filed, or a written agreement or written acknowledgement by the warranty guarantor to reimburse the owner or builder for the costs to remediate the cited damages for the structure or structures for which the claim is being filed.

C.46:3B-15 Procedure followed by commissioner when claim filed.

3. a. Whenever a claim which appears or purports to be eligible for advance funding pursuant to this act is filed with the commissioner, the commissioner shall:
(1) Order an examination of the subject premises to determine whether the damage claimed is ascribable to the FRT plywood or the FRT treatment applied to it, resulting or materially contributing to the creation of a major construction defect, and, if it is so determined, shall declare the claim eligible for such advance funding; and

(2) Require the claimant to propose an appropriate method of remediation, which method and the estimated cost thereof shall be within the guidelines set pursuant to subsection b. of this section.

b. The commissioner shall adopt and promulgate, in accordance with the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.):

(1) Standards, procedures and technical criteria for making an examination and determination pursuant to paragraph (1) of subsection a. of this section; and

(2) Guidelines for determining permissible and appropriate methods of remediation, for estimating the costs thereof, and for approving proposed methods for application in particular cases as required pursuant to paragraph (2) of subsection a. of this section.

In carrying out the provisions of paragraph (1) of this subsection the commissioner shall cause to be developed a method of nondestructive testing or other procedure capable of ascertaining inevitable premature failure of an FRT plywood installation. As used in this section “inevitable premature failure” means a condition in which deterioration of the FRT plywood, ascribable to a defect: in any of the materials or techniques used in its manufacture, in its fire retardant treatment, or due to other actions or omissions by responsible parties; and which is ascertainable within the ten-year warranty period and can be accurately predicted in accordance with the commissioner’s testing procedure to make replacement of the material necessary within the ten-year warranty period. Inevitable premature failure shall be deemed to constitute a major construction defect as of the time of its detection.

A person aggrieved by any ruling, action, order or notice of the commissioner denying an FRT plywood claim, in whole or in part, filed pursuant to section 2 of this act, shall be entitled to an administrative hearing. The application for the hearing shall be filed with the commissioner by the 15th day after receipt by the person of the notice of the ruling, action, order or notice. The only issues that may be raised in the administrative hearing are whether the test or other method used by the commissioner to determine if the subjected premises were damaged in accordance with the requirements of paragraph (1) of this subsection was administered properly, or
whether the proposed method of remediation was within the guidelines set pursuant to paragraph (2) of this subsection. The aggrieved person shall have the burden to demonstrate that the test or other method was administered improperly or that the proposed method of remediation was within the guidelines.

c. When a claim has been filed with the commissioner pursuant to this section and has been accepted for filing pursuant to section 6 of this act, if the commissioner (1) determines that a major construction defect ascribable to FRT plywood or FRT treatment exists in accordance with subsection b. of this section and (2) approves a proposed method of remediation, then the commissioner shall approve the claim for advance funding and authorize disbursement of money from the fund, except as prohibited or limited by section 6 of this act. Disbursement shall be prohibited until the presentation and verification of invoices for work and materials actually provided and installed in accordance with the approved method.

d. Disbursements of advance funding shall be the actual cost of the work and materials as shown by verified invoices.

C.46:3B-16 Commissioner to estimate funding required for approved claims.

4. a. Upon the effective date of this section, and annually thereafter, the commissioner shall estimate, upon the basis of claims approved pursuant to this act, or then pending and likely to be approved, the amount of money needed in the fund, in addition to those sums which will be required to be paid or reserved for claims other than claims under this act, to make full payment, after verification, upon anticipated invoices and upon invoices previously presented and verified, and to meet costs of administration pursuant to subsection d. of section 2 of this act. If this estimate exceeds the amount of money then available in the fund and reasonably anticipated to be received pursuant to subsection a. or b. of section 7 of P.L.1977, c.467 (C.46:3B-7) or pursuant to subsections b. and d. of this section within the 12 months next following, the commissioner shall relieve the deficiency by levying a surcharge upon new home sales in such amount, not to exceed $100 per new home sold, as may reasonably be expected to generate revenue sufficient to promote the actuarial integrity of the new home warranty security fund in light of any expenditures made pursuant to this act and not otherwise recovered.

b. Upon approval of a claim by the commissioner, an owner which is a planned real estate development within the meaning of P.L.1977, c.419 (C.45:22A-21 et seq.) shall, as a condition of eli-
gibility for funding under this act, transfer into the fund the moneys accumulated, to the date of such approval, in its regular reserve fund for roof replacement for the roof areas covered by the claim, and shall agree to deposit into the fund periodically thereafter until completion of the remediation all moneys which, under the fiscal administration of the owner, would otherwise be due to be so paid into that reserve fund. The same conditions of eligibility may be imposed by the commissioner upon an owner which is not a planned real estate development within the meaning of the law, whenever it appears to the commissioner from the documentation substantiating the claim that the owner has in fact established a reserve fund for this purpose and has accumulated moneys therein with a view to future roof replacement. Moneys transferred into the fund pursuant to this subsection shall equal the standard of adequacy established by the commissioner. For the purposes of this subsection the commissioner shall determine the amount of reserves deemed to represent an adequate level for roof reserve funding, taking into account the age of the affected structures, the type of construction, and other relevant factors, such as the public offering statement for the project filed with the department pursuant to the “Planned Real Estate Development Full Disclosure Act,” P.L.1977, c.419 (C.45:22A-21 et seq.).

c. A surcharge levied pursuant to subsection a. of this section shall be due and payable by the builder prior to transfer of title to the owner, and shall be made directly to the department, which shall issue a receipt to the builder and a duplicate thereof to the owner. No certificate of occupancy pursuant to section 15 of P.L.1975, c.217 (C.52:27D-133) shall be issued except after presentation to the enforcing agency of the receipt or verified duplicate.

d. Moneys recovered pursuant to section 5 of this act shall be deposited in the fund. Whenever in making the annual estimate pursuant to subsection a. of this section the commissioner determines that the amount of money that will be available in the fund to meet pending and anticipated claims will exceed the amount necessary for that purpose, the commissioner shall provide that the excess be refunded to those builders who have paid assessments levied in accordance with subsection a. of this section. Refunds to each builder shall bear the same proportion to the total excess being refunded as that builder’s proportionate share of all surcharges theretofore levied and collected.

C.46:3B-17 Legal action to pursue claims.

5. a. The commissioner, on behalf of the State and for the benefit of the fund, shall take such legal action as may be necessary or
appropriate to pursue any claims against any responsible party, which may appear justified upon the record of any claims approved by the commissioner pursuant to section 3 of this act or which otherwise may appear justified. The Attorney General may sue in any federal or state court, in the name of this State, or enter into any appropriate arbitration proceeding under the laws of this or any other state, and may engage such private counsel and employ such technical experts as the Attorney General, after consultation with the commissioner, deems necessary for full and effective prosecution of any legal action to recover from responsible parties for any of the claims referred pursuant to this act as well as to recover against responsible parties for any other claims, whether or not referred by the commissioner, that the Attorney General may choose to prosecute arising out of what is commonly referred to as the consumer fraud act, P.L.1960, c.39 (C.56:8-1 et seq.), or upon any other applicable legal basis.

b. Any moneys recovered pursuant to subsection a. of this section shall, after deduction of the expenses of the Attorney General to the extent that such expenses have not already been reimbursed directly out of the fund in pursuit of any claim or claims by the Attorney General against the party from whom such recovery is obtained, be deposited in the fund, provided that any civil penalty or costs imposed under P.L.1960, c.39 (C.56:8-1 et seq.), shall be deposited in accordance with that act.

c. Nothing in this act shall be expressly or impliedly construed or interpreted to abrogate or limit the authority of the Attorney General to investigate and prosecute FRT plywood related claims, whether or not referred by the commissioner, under P.L.1960, c.39 (C.56:8-1 et seq.) or any other statutory or legal basis available to the Attorney General.

C.46:3B-18 Submission of claims.

6. a. Any person that prior to the effective date of this act had instituted a civil action to recover damages arising out of the failure of FRT plywood may submit a claim under the provisions of this act within 120 days of the effective date of the rules adopted by the commissioner that set forth an approved testing procedure or an alternate procedure for the detection of defective FRT plywood and the procedure for filing a claim hereunder. The claim shall set forth information as deemed necessary by either the commissioner or the Attorney General, including but not limited to: the caption and docket number of the civil action; the name, address and tele-
phone number of the claimant’s attorney, if any; the status of the civil action; and the status of the discovery. As part of the claim, the claimant shall submit a copy of all pleadings and orders filed in the civil action including the complaint, answers, counter-claims, cross-claims, or any amendments thereto, and any expert reports exchanged among the parties. The commissioner or the Attorney General may require the submission of other documents or information by the claimant or the claimant’s attorney as may be necessary to effectuate the purposes of this section.

b. A claim filed with the commissioner pursuant to subsection a. of this section, by any person who had instituted or whose interests are being litigated in any pending civil action, shall be subject to the following reviews and determinations respectively by the commissioner and the Attorney General prior to and as a condition of the disbursement of any advance funding by the commissioner pursuant to section 3 of this act and the corresponding assignment of the claimant’s rights against potentially responsible parties to the State:

(1) The Attorney General shall initially review the claim, documents and information required to be filed pursuant to subsection a. of this section to determine, in the Attorney General’s discretion based on the information provided at that time and subject to further information that may be obtained or developed, whether the acceptance of any assignment of the claimant’s rights against responsible parties asserted in the existing civil action would, for any one or more reasons, be impractical or otherwise contrary to the best interests of the State or the public. Such reasons warranting initial rejection of the claim by the Attorney General may include but are not limited to:

(a) if one or more co-plaintiffs in the claimant’s civil action, or other aggrieved parties whose rights should have been litigated with those of the claimant in the existing action under entire controversy principles, have not themselves filed claims with the commissioner, or have had their own claims rejected by the Attorney General or the commissioner;

(b) if the court in which the civil action is pending has issued orders in, or otherwise imposed conditions on, the litigation which the Attorney General finds would be impractical or otherwise contrary to the best interests of the State or the public to accept if the claimant’s rights against potentially responsible parties were assigned to the State;
(c) if all or the approved portion of the claims of the claimant in the litigation against potentially responsible parties cannot be severed from other claims in the litigation not being assigned to the State;

(d) if the testimony or other evidence that has emerged in discovery or in the investigation of the case make it impractical or otherwise contrary to the best interests of the State or the public to accept the assignment of the claimant's rights;

(e) if the claimant has presented insufficient information upon which the Attorney General can recommend the acceptance of the assignment of the claimant's rights;

(f) if it would not be cost-effective to accept the assignment and litigate the claimant's rights against potentially responsible parties; or

(g) any other reason within the discretion of the Attorney General.

The Attorney General shall not be obligated to disclose to the claimant the specific reason for the initial recommendation to reject the assignment.

(2) If the Attorney General determines in the initial review to recommend the assignment of the claimant's rights against responsible parties, the commissioner shall then review the claim in accordance with section 3 of this act.

(3) If the commissioner approves a claim in whole or in part, the Attorney General shall perform a final review of the claim, the documents required to be filed pursuant to subsection a. of this section, and any other documents or information the Attorney General deems necessary, including but not limited to the consideration of any intervening developments in the litigation, to determine in the Attorney General's discretion whether the acceptance of any assignment of the claimant's rights against responsible parties asserted in the existing civil action would, for any reasons, be impractical or otherwise contrary to the best interests of the State or the public. Such reasons warranting the final rejection of the claim by the Attorney General may include those reasons set forth in paragraph (1) of this subsection. The Attorney General shall not be obligated to disclose to the claimant the specific reason for the final rejection of the assignment.

(4) If the Attorney General determines in the final review to recommend the assignment of the claimant's rights against responsible parties, the claimant or its counsel, upon the request of the Attorney General, shall move before the court in which the civil action is pending for any or all of the following relief: a voluntary dismissal of the action or the claimant's own claims therein without prejudice; the severance of those claims approved by the Attorney
General and the commissioner from other claims in the civil action; a stay of the proceedings in the action; or any other procedural relief that the Attorney General may deem appropriate. The filing of such a motion and the obtaining of the relief requested by the Attorney General shall be necessary conditions of the payment of any claim and the corresponding assignment of the claimant's rights against potentially responsible parties to the State.

(5) If the Attorney General determines in the final review to recommend the assignment of the claimant's rights to the State and the court in which the civil action is pending grants the procedural relief deemed necessary and requested by the Attorney General, the claim, if otherwise eligible for advance funding pursuant to section 3 of this act, shall be paid by the commissioner upon the assignment to the State of the claimant’s rights against potentially responsible parties. As a condition of payment of the claims and the assignment of the claimant’s rights to the State, the claimant and its prior counsel and any of its employees, members and agents shall cooperate with the Attorney General’s pursuit of the claim or any related civil action, including, but not limited to, making available to the Attorney General all evidence or material previously gathered and expert reports obtained by the claimant or its counsel to pursue the claim, making the premises available for inspection by the Attorney General, the commissioner, or their employees or agents, and testifying in any administrative or judicial proceedings. The failure of the claimant or its counsel, employees, members or agents to cooperate fully with the Attorney General or the commissioner shall constitute a basis to deny payment of the claim and the refusal of its assignment or, in instances where the claim has already been paid and assigned, for the rescission of the assignment and the recovery by the commissioner of any monies paid by the commissioner to the claimant pursuant to this act.

(6) The Attorney General’s initial recommendation to accept the assignment of a claim shall not be construed to impose any obligation on the commissioner to approve all or part of that claim unless the commissioner is satisfied that the claim meets the standards of section 3 of this act. Neither the Attorney General’s initial recommendation to accept assignment of a claim, the commissioner’s approval of that claim, the Attorney General’s final determination to accept assignment of the claim, or the fact of the assignment itself shall be construed to require the Attorney General to file or maintain a legal action against potentially responsible parties relating to that particular claim unless the
Attorney General, in the Attorney General’s discretion, determines that it remains practical and in the best interests of the State and the public to do so. If the claimant’s rights are assigned to the State, the Attorney General shall have the sole discretion to determine the manner in which to proceed on the claim in the existing civil action or otherwise.

(7) If the court in which the civil action is pending grants, at the request of the Attorney General, a claimant’s motion for a voluntary dismissal of the action without prejudice, any subsequent action commenced by the Attorney General encompassing the claimant’s rights which have been assigned to the State shall be deemed to have been commenced for purposes of the applicable statute or statutes of limitations at the time the claimant instituted the original dismissed civil action.

c. If a person that had instituted a civil action prior to the adoption of this act to recover damages arising out of the failure of FRT plywood fails to submit a timely and complete claim with the commissioner in accordance with subsections a. and b. of this section, that person may continue to pursue its civil action and such failure to submit a timely claim shall bar that person from pursuing any remedy under this act or from otherwise challenging any actions or inactions by the commissioner or the Attorney General relating to their administration of this act.

d. If the commissioner denies any claim accepted for filing under this section in full or in part, any challenge by the claimant to the commissioner’s action on the claim shall be limited exclusively to the remedy and hearing procedures set forth in section 3 of this act. Neither the Attorney General’s initial recommendation or final determination to accept or reject an assignment of a claim shall be subject to administrative or judicial review. Neither the commissioner’s action on the claim, or the Attorney General’s determination, whether preliminary or final, to accept or reject an assignment of a claim pursuant to subsection b. of this section, shall constitute a basis for the claimant or any other person or entity to make the State, the department, the commissioner, the Attorney General or any of their respective officials, employees, or agents a party to any civil action.

e. Except as set forth in subsection d. of this section, the commissioner’s review and action on any claim, the initial recommendation and the final determination of the Attorney General to accept or reject an assignment of the claimant’s claim, and any oral or written communications or mental processes which
CHAPTER 202, LAWS OF 1991

reflect or relate to those reviews and determinations by the commissioner and the Attorney General shall not in any way be subject to discovery or inquiry in any administrative or judicial proceedings, and any documents obtained or issued in the course of these reviews and determinations shall not constitute public records pursuant to P.L.1963, c.73 (C.47:1A-1 et seq.) or the common law. All documents and information communicated to the Attorney General and the commissioner by the claimant or its counsel under this section shall be fully protected by all privileges applicable by statute, court rule, or common law for attorney-client communications and attorney work product, and the communication of that information to the Attorney General or the commissioner by claimant or its counsel shall not be deemed a waiver of any of those privileges and shall not provide a basis to require those communications to be disclosed to potentially responsible parties, or their counsel, or others.

7. Section 2 of P.L.1977, c.467 (C.46:3B-2) is amended to read as follows:

C.46:3B-2 Definitions.
2. As used in this act:
a. “Department” means the Department of Community Affairs.
b. “Commissioner” means the Commissioner of Community Affairs.
c. “Warranty” means the warranty prescribed by the commissioner pursuant to this act.
d. “New home” means any dwelling unit not previously occupied, excluding dwelling units constructed solely for lease.
e. “Owner” means any person for whom the new home is built or to whom the home is sold for occupation by him or his family as a home and his successors in title to the home or mortgagee in possession. Owner does not mean any development company, association or subsidiary company of the builder or any person or organization to whom the home may be sold or otherwise conveyed by the builder for subsequent resale, letting or other purpose.
f. “Builder” means any individual corporation, partnership or other business organizations engaged in the construction of new homes.
g. “Major construction defect” means any actual damage to the load bearing portion of the home including damage due to subsidence, expansion or lateral movement of the soil (excluding movement caused by flood or earthquake) which affects its load
bearing function and which vitally affects or is imminently likely to vitally affect use of the home for residential purposes.

h. "Warranty date" means the first occupation or settlement date, whichever is sooner.

l. "Warranty guarantor" means, for the purposes of P.L.1991, c.202 (C.46:3B-13 et al.), (1) the new home warranty program established in the department pursuant to P.L.1977, c.467 (C.46:3B-1 et seq.) or (2) any alternate new home warranty security program approved pursuant to section 8 of P.L.1977, c.467 (C.46:3B-8).

8. Section 15 of P.L.1975, c.217 (C.52:27D-133) is amended to read as follows:

C.52:27D-133 Certificates of occupancy.

15. No building or structure hereafter constructed shall be used or occupied in whole or in part until a certificate of occupancy shall have been issued by the enforcing agency. No building or structure hereafter altered, in whole or in part, shall be used or occupied until such a certificate has been issued, except that any use or occupancy in an already existing building or structure that was not discontinued during its alteration may be continued in the preexisting structure for 30 days after the completion of the alteration without the issuance of a certificate of occupancy. A certificate of occupancy shall be issued by the enforcing agency when all of the work covered by a construction permit shall have been completed in accordance with the permit, the code, and other applicable laws and ordinances. In the case of any new home subject to sales surcharge pursuant to P.L.1991, c.202 (C.46:3B-13 et al.) a certificate of occupancy shall not be issued except after presentation of a receipt, or verified duplicate thereof, from the Department of Community Affairs evidencing the payment of the surcharge. On request of a holder of a construction permit, the appropriate enforcing agency may issue a
temporary certificate of occupancy for a building or structure, or part thereof, before the entire work covered by the construction permit has been completed, if the part or parts of the building or structure to be covered by the certificate may be occupied prior to completion of all work in accordance with the permit, the code, and other applicable laws and ordinances, without endangering the health and safety of the occupants or users. When a building or structure is entitled thereto, the enforcing agency shall issue a certificate of occupancy within 10 business days after receipt of a written application therefor in accordance with regulations established by the commissioner on a form prescribed by the commissioner accompanied by payment of a fee to be established by the municipal governing body by ordinance in accordance with standards established by the commissioner. The certificate of occupancy shall certify that the building or structure has been constructed in accordance with the provisions of the construction permit, the code, and other applicable laws and ordinances.

9. The commissioner shall adopt and promulgate, in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), such rules and regulations as may be necessary or expedient to the timely and effective implementation of this act.

C.46:3B-19 No payment for defect in new home warranted under alternative program.

10. Except as otherwise provided in this act, no payment shall be made from the new home warranty security fund established pursuant to section 7 of P.L.1977, c.467 (C.46:3B-7) for any defect in any new home warranted under an approved alternative new home warranty security program approved pursuant to section 8 of P.L.1977, c.467 (C.46:3B-8). The builder or other transferor of any new home warranted under an approved alternative new home warranty security program shall give written notice to the owner, and to any subsequent purchaser during the period in which the warranty is in effect, that the approved alternate new home warranty security program has exclusive responsibility for warranting the new home and that no claim may be brought against the new home warranty security fund for any cause other than defective FRT plywood roof sheathing.

C.46:3B-20 Claimant deemed to have elected remedy.

11. a. For purposes of a claim filed by a claimant for damages arising out of the failure of fire retardant treated plywood pursuant
to this act, the claimant shall be deemed to have elected a remedy pursuant to section 9 of P.L.1977, c.467 (C.46:3B-9) upon the filing of a claim with the commissioner pursuant to section 2 or section 6 of this act. However, such an election of remedy shall not be deemed to have occurred for a claim filed pursuant to section 6 of this act if the assignment of the claim is declined by the Attorney General pursuant to paragraph (1) or (3) of subsection b. of section 6 of this act, or if the relief required for the assignment of the claim pursuant to paragraph (4) of subsection b. of section 6 of this act is denied by the court. In such instance the claimant may continue to pursue the civil action for damages arising out of the failure of fire retardant treated plywood.

b. For purposes of this section, a "claim" means a claim filed pursuant to this act by an owner, a warranty guarantor, a builder, or jointly by an owner and builder for the remediation of damages to any portion of the affected structure or structures arising out of the failure of fire retardant treated plywood. For purposes of this section, the claim shall be deemed to include all portions of the structure or structures which contain fire retardant treated plywood, whether or not the claimant or the joint claimant has sought remediation of all the affected structure or structures.

c. The provisions of section 9 of P.L.1977, c.467 (C.46:3B-9), shall not be deemed to preclude the Attorney General from filing, maintaining, or continuing a legal action against potential responsible parties regarding a claim which the Attorney General has accepted for assignment pursuant to this act.

12. This act shall take effect on the 90th day next following the date of enactment, except that section 9 shall take effect immediately.

CHAPTER 203

Each member serving on the effective date of P.L.1979, c.499, unless the member shall have served as a member continuously for at least 10 years prior to the effective date of P.L.1981, c.516, was reappointed to a five-year term prior to that date, and is currently serving that term, shall furnish such proof within 30 months of such effective date, if 30 months or more of his term are remaining thereafter.

The director shall upon the receipt of such notification declare the position to be vacant, and shall notify the Governor of the existence of such vacancy. Notice shall be in a manner and form prescribed by the commissioner. If the commissioner determines that the person meets the qualifications set forth in subsection a. of this section, he shall provide for the inclusion of that person on the list of eligibles, notwithstanding that the person so included has not taken any examination required under the provisions of Title 11A (Civil Service) of the New Jersey Statutes or that the list was already certified by the commissioner.

c. Any person included on a list of eligibles pursuant to subsection b. of this section shall be eligible for appointment as a municipal police officer notwithstanding that the person's age is greater than the maximum age for appointment thereto set forth in N.J.S.40A:14-127.

CHAPTER 205

AN ACT concerning the administration of certain State labor laws, and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

a. "Employer" means any individual, partnership, association, joint stock company, trust, corporation, the administrator or executor of the estate of a deceased individual, or the receiver, trustee, or successor of any of the same, employing any person in this State.

For the purposes of this act the officers of a corporation and any agents having the management of such corporation shall be deemed to be the employers of the employees of the corporation.

b. "Employee" means any person suffered or permitted to work by an employer, except that independent contractors and subcontractors shall not be considered employees.

c. b. The commissioner or his authorized representatives are empowered to enter and inspect such places, question such employees and investigate such facts, conditions or matters as they may deem appropriate to determine whether any person has violated any provision of this act or any rule or regulation issued hereunder or which may aid in the enforcement of the provisions of this act.

c. If an employer or person knowingly violates this act or if an employer or person commits a second violation or multiple violation of this act, that employer or person shall be guilty of a crime of the fourth degree. Each day a violation is continued and each home worker engaged in industrial home work directly or indirectly for or in behalf of the employer or person in violation of any provision of this act or any rule, regulation or order issued thereunder shall be considered a separate offense.

As an alternative to or in addition to any other sanctions provided by law for violations of any provision of Article 12 of
chapter 6 of Title 34 of the Revised Statutes when the Commissioner of Labor finds that an employer has violated that article, the commissioner is authorized to assess and collect administrative penalties, up to a maximum of $250 for a first violation and up to a maximum of $500 for each subsequent violation, specified in a schedule of penalties to be promulgated as a rule or regulation by the commissioner in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). When determining the amount of the penalty imposed because of a violation, the commissioner shall consider factors which include the history of previous violations by the employer, the seriousness of the violation, the good faith of the employer and the size of the employer’s business. No administrative penalty shall be levied pursuant to this section unless the Commissioner of Labor provides the alleged violator with notification of the violation and of the amount of the penalty by certified mail and an opportunity to request a hearing before the commissioner or his designee within 15 days following the receipt of the notice. If a hearing is requested, the commissioner shall issue a final order upon such hearing and a finding that a violation has occurred. If no hearing is requested, the notice shall become a final order upon expiration of the 15-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. 16. Section 7 of P.L.1960, c.55 (C.21:1A-134) is amended to read as follows:

C.21:1A-134  Investigation of applicant; permit issued; subject to amendment; information furnished; qualifications; expiration; fees.

7. Upon receipt of an application for a permit to manufacture, store, sell, transport or use explosives, and before the permit is issued, the commissioner shall make or cause to be made an investigation for the purpose of ascertaining if all applicable requirements of this act have been met. The commissioner shall not issue a permit to manufacture, sell, store, transport or use explosives unless all the requirements of this act have been met.
All permits issued in accordance with the provisions of this act shall be subject to any amendments hereafter made to this act.

A. An applicant for a permit shall, at his own expense, furnish whatever pertinent information the commissioner may require in addition to that specified herein. Application forms shall be furnished by the Department of Labor.

B. An applicant for a permit to manufacture, sell, transport, store or use explosives must:
   (a) be at least 21 years of age;
   (b) have a reasonable understanding of the English language;

   (d) demonstrate by written, oral or field examination, as the commissioner may direct, adequate knowledge of the safe manufacture, sale, transportation, storage or use of explosives and of the provisions of this act; and
   (e) be of good moral character and must never have been disloyal to the United States; and
   it shall be within the sole discretion of the commissioner to determine whether an applicant who has been convicted of a crime involving moral turpitude has the good moral character necessary for a permit. It shall also be within the reasonable discretion of the commissioner to deny the issuance of a permit where he concludes, after a full examination of the qualifications of an applicant, that to grant a permit would be dangerous to the health, safety and welfare of the people of the State of New Jersey. The failure of a holder of a permit to maintain the qualifications stated herein shall be good cause for the revocation of the permit.

C. When the applicant for a permit to manufacture, sell, transport, store or use explosives is a firm, association or corporation, the applicant must demonstrate that such activities with regard to explosives will be under the direct supervision of a person who meets the qualifications stated above.

D. Permits shall be valid for one year unless sooner revoked. Permits which expire on July 1, 1960 may be renewed by the commissioner at his discretion for a period of not less than three months nor more than 15 months, and permits renewed after such a period shall thereafter be valid for one year unless sooner revoked. The fee for all permits shall be fixed by the commissioner on a yearly basis or, for periods of less than a year, in amounts proportionately less than the annual fee.
E. The application for any permit must be accompanied by a fee established by regulation in accordance with the following schedule:

(a) To manufacture--not less than $200 nor more than $1,000;
(b) To sell--not less than $25.00 nor more than $300;
(c) (Deleted by amendment, P.L.1991, c.205).
(d) To store--not less than $25.00 nor more than $150.00; but if the explosives are in excess of 30,000 pounds, then the fee shall be not less than $150.00 nor more than $750;
(e) To use--not more than $200;
(f) For storage, transportation, and use of smokeless powder in amounts in excess of 36 pounds, but not in excess of 100 pounds and black powder in amounts in excess of 5 pounds but not in excess of 100 pounds which is used by private persons for the hand loading of small arms ammunition and which is not for resale--not less than $2.00 nor more than $10.00; where any such smokeless and black powder is in excess of 100 pounds, the fee shall be increased $10.00 for each additional 100 pounds, or fraction thereof.

All fees derived from the operation of this act shall be applied toward enforcement and administration costs of the Division of Workplace Standards in the Department of Labor.

17. Section 13 of P.L.1960, c.55 (C.21:1A-140) is amended to read as follows:

C.21:1A-140 Violations; penalties; revocation of permits; nonconforming uses.

13. It shall be unlawful for any person, partnership, firm, association or corporation, and any officer, agent or employee thereof, to violate or proximately contribute to the violation of any of the provisions of this act or of the regulations made hereunder. The violation of this act by an employee, acting within the scope of his authority, of any person, partnership, firm, association, or corporation shall be deemed also to be the violation of such person, partnership, firm, association or corporation. Violations of the provisions of this act or rules and regulations made hereunder shall be punishable for the first offense by a penalty of not less than $100 nor more than $5,000, for the second offense by a penalty of not less than $300 nor more than $5,000 and for the third and each succeeding offense by a penalty of not less than $500 nor more than $10,000. The penalties shall be collected by a civil action in the name of the commissioner, to be instituted in the Special Civil Part, Law Division, of the Superior Court of the county, or in municipal court of the municipality where the
offense was committed. Where the violation consists of a refusal
to obey an order of the commissioner made under this act, each
day during which the violation continues shall constitute a sepa­
rate and distinct offense except during the time an appeal from
said order may be taken or is pending.

Any sum collected as a penalty pursuant to this section shall be
applied toward enforcement and administration costs of the Divi­
sion of Workplace Standards in the Department of Labor.

A. The Commissioner of Labor, in his discretion, is hereby
authorized and empowered to compromise and settle any claim
for a penalty under this section for an amount that appears appro­
priate and equitable under all of the circumstances.

B. Permits to sell, transport, store or use explosives are revoca­
ble for cause by the commissioner. In any case where the
commissioner revokes a permit, he shall notify the permittee of the
revocation and shall provide, upon written request, for a hearing
within 10 days of the date of the revocation. Within 30 days from
the termination of the hearing, the commissioner shall issue an
order approving, disapproving or modifying the revocation. Permits
to manufacture are exempt from revocation, but the holders of such
permits shall be subject in every other respect to the provisions of
this act and the rules and regulations promulgated hereunder.

C. The requirements of this act concerning the distances of
explosives manufacturing buildings and magazines from each
other shall not be construed to apply to permanent buildings or
magazines that exist at the time that this act becomes effective
and which buildings and magazines have been used under author­
ity of the laws formerly governing the manufacture and storage of
explosives. This provision designating such explosives manufac­
turing buildings and magazines already existing at the effective
date of this act as nonconforming uses shall not apply to any
explosives manufacturing buildings or magazines constructed
subsequent to the passage of this act nor to extensions or addi­
tions to such buildings and magazines that are made subsequent
to the passage of this act.

18. Section 11 of P.L.1963, c.150 (C.34:11-56.35) is amended
to read as follows:

C.34:11-56.35 Penalties.

11. Any employer who willfully hinders or delays the commis­sioner in the performance of his duties in the enforcement of this
act, or fails to make, keep, and preserve any records as required under the provisions of this act, or falsifies any such record, or refuses to make any such record accessible to the commissioner upon demand, or refuses to furnish a sworn statement of such record or any other information required for the proper enforcement of this act to the commissioner upon demand, or pays or agrees to pay wages at a rate less than the rate applicable under this act or otherwise violates any provision of this act or of any regulation or order issued under this act shall be guilty of a disorderly persons offense and shall, upon conviction therefor, be fined not less than $100.00 nor more than $1,000 or be imprisoned for not less than 10 nor more than 90 days, or by both such fine and imprisonment. Each week, in any day of which a worker is paid less than the rate applicable to him under this act and each worker so paid, shall constitute a separate offense.

As an alternative to or in addition to any other sanctions provided by law for violations of any provision of P.L.1963, c.150 (C.34:11-56.25 et seq.), when the Commissioner of Labor finds that an employer has violated that act, the commissioner is authorized to assess and collect administrative penalties, up to a maximum of $250 for a first violation and up to a maximum of $500 for each subsequent violation, specified in a schedule of penalties to be promulgated as a rule or regulation by the commissioner in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). When determining the amount of the penalty imposed because of a violation, the commissioner shall consider factors which include the history of previous violations by the employer, the seriousness of the violation, the good faith of the employer and the size of the employer’s business. No administrative penalty shall be levied pursuant to this section unless the Commissioner of Labor provides the alleged violator with notification of the violation and of the amount of the penalty by certified mail and an opportunity to request a hearing before the commissioner or his designee within 15 days following the receipt of the notice. If a hearing is requested, the commissioner shall issue a final order upon such hearing and a finding that a violation has occurred. If no hearing is requested, the notice shall become a final order upon expiration of the 15-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. Any penalty imposed pursuant to this section may be recovered with costs in a summary proceeding commenced by the commissioner.

12. As an alternative to any other sanctions or in addition thereto, herein or otherwise provided by law for violation of this act, the commissioner is authorized to supervise the payment of amounts due to workers under this act, and the employer may be required to make these payments to the commissioner to be held in a special account in trust for the workers, and paid on order of the commissioner directly to the worker or workers affected. The employer shall also pay the commissioner an administrative fee equal to not less than 10% or more than 25% of any payment made to the commissioner pursuant to this section. The amount of the administrative fee shall be specified in a schedule of fees to be promulgated by rule or regulation of the commissioner in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.). As an alternative to or in addition to any other sanctions provided by law for violations of any provision of P.L.1963, c.150 (C.34:11-56.25 et seq.), when the Commissioner of Labor finds
that an employer has violated that act, the commissioner is authorized to assess and collect administrative penalties, up to a maximum of $250 for a first violation and up to a maximum of $500 for each subsequent violation, specified in a schedule of penalties to be promulgated as a rule or regulation by the commissioner in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). Such employer shall be required, as a condition of such judgment of conviction, to offer reinstatement in employment to any such discharged employee and to correct any such discriminatory action, and also to pay to any such employee in full, all wages lost as a result of such discharge or discriminatory action, under penalty of contempt proceedings for failure to comply with such requirement.

As an alternative to or in addition to any other sanctions provided by law for violations of P.L.1966, c.113 (C.34:11-56a et seq.), when the Commissioner of Labor finds that an employer has violated that act, the commissioner is authorized to assess and collect administrative penalties, up to a maximum of $250 for a first violation and up to a maximum of $500 for each subsequent violation, specified in a schedule of penalties to be promulgated as a rule or regulation by the commissioner in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.). the seriousness of the violation, the good faith of the employer and the size of the employer's business. No administrative penalty shall be levied pursuant to this section unless the Commissioner of Labor provides the alleged violator with notification of the violation and of the amount of the penalty by certified mail and an opportunity to request a hearing before the commissioner or his designee within 15 days following the receipt of the notice. If a hearing is requested, the commissioner shall issue a final order upon such hearing and a finding that a violation has occurred. C.34:6-47.7a Penalty for violation.

6. Any person violating any of the provisions of P.L.1948, c.249 (C.34:6-47.1 et seq.) shall be liable to a penalty of not less than $500.00 nor more than $5,000.00 to be collected in a civil action by a summary proceeding under "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). Any violation of P.L.1948, c.249 (C.34:6-47.1 et seq.) by an officer, agent or employee shall also be a violation of P.L.1948, c.249 (C.34:6-47.1 et seq.) by his employer if such employer had knowledge of and actual control over the cause of such violation. Where the violation is of a continuing nature each day during which it continues, shall constitute an additional, separate and distinct offense. Any sum collected as a fine or penalty pursuant to this section shall be applied toward enforcement and administration costs of the Division of Workplace Standards in the Department of Labor.

The commissioner is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the commissioner as may appear appropriate and equitable under all of the circumstances.

C.34:8A-14 Additional penalties.
8. In addition to any other sanctions herein or otherwise provided by law, the commissioner, upon notice and hearing, may impose a penalty not exceeding $500.00 for any violation of this act or of any rule or regulation duly issued hereunder. Such penalty shall be used for, and recovered by and in the name of the commissioner in a civil action by a summary proceeding under “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). Where any violation of this act or of any rule or regulation duly issued hereunder is of a continuing nature, each day during which such violation continues after the date fixed by the commissioner in any order or notice for the correction or termination of such violation, shall constitute an additional separate and distinct offense, except during the time an appeal from said order or notice may be taken or is pending. It shall be a complete defense to any action for a penalty pursuant to this section for the defendant to prove that the violation complained of is solely the result of the willful destruction by the occupants of any camp; provided, that proof of such fact shall not alter any duty to correct or terminate said violation as ordered by the commissioner. Any sum collected as a penalty pursuant to this section shall be applied toward enforcement and administration costs of the Division of Workplace Standards in the Department of Labor.

C.34:1A-7.1 Orientation program to educate employers about wage and hour laws, etc.

27. The Division of Workplace Standards shall conduct an extensive orientation program to educate new and existing employers about wage and hour laws and, as appropriate, other laws pertaining to workplace standards. To implement the program, the division may foster cooperative efforts with any appropriate business organization, trade association, civic or community organization or educational institution.

28. This act shall take effect immediately.

Approved July 12, 1991.

1. A member of the State Police Retirement System who:
   a. has 25 or more years of creditable service as a full-time commissioned officer, noncommissioned officer or trooper of the Division of State Police, including creditable service transferred to the retirement system for a member appointed to the State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3), before the effective date of retirement;

CHAPTER 206, LAWS OF 1991

the date of retirement, is less than age 55, up to 60 months. The retirement allowance otherwise payable to the member or retirant under P.L.1965, c.89 (C.53:5A-1 et seq.) shall, as of and after the date upon which that additional service is credited, be adjusted to reflect the crediting of the service in accordance with the applicable provisions of that law. The provisions of section 7 of P.L.1969, c.169 (C.43:3B-8) shall not apply to the retirement allowance of any retirant from the retirement system who receives a benefit under the provisions of this section, or to any pension or survivorship benefit payable to the beneficiary of such a retirant.

2. A member of the State Police Retirement System who:
   a. is 51 or more years of age, has 20 or more years of creditable service as a full-time commissioned officer, noncommissioned officer or trooper of the Division of State Police, including creditable service transferred to the retirement system for a member appointed to the State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3), before the effective date of retirement, but fewer than 25 years of service, and would be unable to achieve 25 years of service by age 55;
   b. files an application to retire on or before August 1, 1991; and
   c. retires under the retirement system on or after April 1, 1991, but not later than September 1, 1991, shall, upon retirement or upon attainment of age 55, whichever occurs later, receive additional service credit as a member of the State Police under the retirement system for each full month that the member’s age, on the date of retirement, is less than age 55 and shall be entitled to an additional retirement allowance of 2% of final compensation multiplied by the number of years of total service over 20. The retirement allowance otherwise payable to the member or retirant under subsection b. of section 8 of P.L.1965, c.89 (C.53:5A-8) shall, as of and after the date upon which that additional service is credited, be adjusted to reflect the crediting of the service in accordance with the applicable provisions of that law. The provisions of section 7 of P.L.1969, c.169 (C.43:3B-8) shall not apply to the retirement allowance of any retirant from the retirement system who received a benefit under the provisions of this section, or to any pension or survivorship benefit payable to the beneficiary of such a retirant.

In addition, a member who retires under this section shall be entitled upon retirement to the continued health benefits coverage during retirement which the member would be entitled to, upon attaining age 55, pursuant to subsection d. of section 8 of P.L.1965, c.89 (C.53:5A-8). The State shall pay the premium or periodic
charges for benefits provided under this section to the retired member and the member’s dependents, but not including survivors, in the same manner as provided for payment by the State of such premium or charges for retired State employees under subsection c. of section 8 of P.L.1961, c.49 (C.52:14-17.32).

3. The actuary for the State Police Retirement System shall determine the liabilities of the retirement system for the additional service credit or pensions provided under P.L.1991, c.206, and for the early retirement of employees in accordance with the tables of actuarial assumptions adopted by the board of trustees of the retirement system. These liabilities shall be added to the unfunded accrued liabilities of the State under the retirement system and shall be paid in the same manner and over the remaining time periods provided for the State’s unfunded accrued liability under section 34 of P.L.1965, c.89 (C.53:5A-34). The State shall pay the cost of the actuarial work to determine the additional liabilities of the retirement system for the benefits under P.L.1991, c.206.

4. A retirant from the State Police Retirement System who receives a benefit under section 1 or 2 of P.L.1991, c.206 shall forfeit all tenure rights.

5. Where the needs of the Division of State Police in the Department of Law and Public Safety require the services of an employee who elects to retire and receive a benefit under section 1 or 2 of P.L.1991, c.206, the Superintendent, with the approval of the Attorney General and with the consent of the employee, may delay the effective retirement date of the employee until the first day of any calendar month after September 1, 1991, but not later than September 1, 1992. A delay in the effective retirement date of an employee shall not extend the dates set forth in section 1 or 2 of P.L.1991, c.206 to qualify for benefits under this act.

6. A State employee retiring under the State Police Retirement System with a benefit under section 1 or 2 of P.L.1991, c.206, who has not repaid the full amount of a loan from the retirement system by the effective date of retirement, may repay the loan through deductions from the member’s retirement benefit payments in the same monthly amount which was deducted from the member’s compensation immediately preceding retirement until the balance of the amount borrowed together with interest at the statutory rate is repaid. If the retirant dies before the outstanding balance of the
loan and interest thereon is repaid, the remaining amount shall be repaid from the proceeds of any other benefits payable on the account of the retirant either in the form of monthly payments due to the retirant's beneficiaries or in the form of lump sum payments payable for pension or group life insurance.

7. Section 8 of P.L.1965, c.89 (C.53:5A-8) is amended to read as follows:

C.53:5A-8 Retirement for age and service; benefits.

8. a. The Legislature finds and declares that the public health, safety and welfare require the ongoing health and fitness of all members of the New Jersey State Police so that they may safely and efficiently protect the public. The Legislature further finds and declares that such continued health and fitness cannot be determined except with reference to age, and therefore finds and concludes that retirement of all members of the State Police at age 55, except as provided for in subsection c. of this section, shall constitute a bona fide occupational qualification which is reasonably necessary to the normal operation of the State Police, which qualification the Legislature hereby promulgates and establishes.

b. Any member of the retirement system may retire on a service retirement allowance upon the completion of at least 20 years of creditable service as a State policeman, which includes the creditable service of those members appointed to the Division of State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3). Upon the filing of a written and duly executed application with the retirement system, setting forth at what time, not less than one month subsequent to the filing thereof, he desires to be retired, any such member retiring for service shall receive a service retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions; and

(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 50% of his final compensation.

c. Except for the Superintendent of State Police, any member of the retirement system including a member appointed to the State Police under section 3 of P.L.1983, c.403 (C.39:2-9.3), who has attained the age of 55 years, shall be retired forthwith on the first day of the next calendar month following the effective date of this 1985 amendatory act. Any member of the retirement system so retired...
shall receive a service retirement allowance pursuant to this section or section 27 of P.L.1965, c.89 (C.53:5A-27), as appropriate.

d. Any member of the retirement system as of the effective date of this act who is required to retire pursuant to subsection c. of this section shall be entitled to continued health benefits coverage during retirement as provided in the “New Jersey State Health Benefits Program Act,” P.L.1961, c.49 (C.52:14-17.25 et seq.). Notwithstanding the provisions of section 8 of P.L.1961, c.49 (C.52:14-17.32), the State shall pay the premium or periodic charge for the benefits provided to a member retiring under subsection c. of this section with fewer than 25 years of service credited in the retirement system, and his dependents covered under the program, but not including survivors.

e. Any member of the retirement system as of the effective date of this act who is required to retire pursuant to subsection c. of this section shall be entitled to the retirement allowance provided for by subsection b. of this section, notwithstanding that the member shall have fewer than 20 years' creditable service.

f. Any member of the retirement system as of the effective date of P.L.1985, c.175 who is required to retire pursuant to subsection c. of this section and who has more than 20 but less than 25 years of creditable service at the time of retirement shall be entitled to the retirement allowance provided for by subsection b. of this section plus 2% of his final compensation multiplied by the number of years of creditable service over 20 but not over 25.

g. Upon the receipt of proper proofs of the death of a member who has retired on a service retirement allowance, there shall be paid to the member's beneficiary an amount equal to one-half of the final compensation received by the member.

C.53:5A-8.1 Applicability to retirements.

8. The provisions of subsection f. of section 8 of P.L.1965, c.89 (C.53:5A-8) as amended in section 7 of P.L.1991, c.206, shall apply to the retirements on and after the effective date of P.L.1985, c.175 of persons who were members of the retirement system on that effective date.

9. This act shall take effect immediately.

Approved July 12, 1991.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C.17B:32A-1 Short title.
1. Sections 2 through 19 of this act shall be known and may be cited as the "New Jersey Life and Health Insurance Guaranty Association Act."

C.17B:32A-2 Purpose of act.
2. a. The purpose of this act is to protect, subject to certain limitations, those persons specified in subsection a. of section 3 of this act from hardship because of the impairment or insolvency of any member insurer that issued the life and health insurance policies and annuity contracts specified in subsection b. of section 3 of this act.

b. To provide this protection, an association of insurers is created to pay benefits and to continue coverages, as limited by this act, and members of the association are subject to assessment to provide funds to carry out the purposes of this act.

C.17B:32A-3 Provision of coverage.
3. a. This act shall provide coverage, for the policies and contracts specified in subsection b. of this section, to:
   (1) persons who, regardless of where they reside (except for nonresident certificate holders under group policies or contracts), are the beneficiaries, assignees or payees of the persons covered under paragraph (2) of this subsection; and
(2) persons who are owners of or certificate holders under those policies or contracts, or in the case of unallocated annuity contracts, to the persons who are the contract holders and who:
   (a) are residents, or
   (b) are not residents, but only if:
      (i) the insurers which issued the policies or contracts are domiciled in this State:
      (ii) those insurers never held a license or certificate of authority in the states in which those persons reside;
      (iii) those states have associations and coverage provisions with respect to residency similar to the association created by this act; and
      (iv) those persons are not eligible for coverage by those associations.

b. This act shall provide coverage to the persons specified in subsection a. of this section for:
   (1) direct, non-group life, health, annuity and supplemental policies or contracts, for certificates under direct group life, health, annuity and supplemental policies and contracts, for individual and group long-term care insurance policies and contracts, and for unallocated annuity contracts, issued by member insurers, except as limited by this act; and
   (2) policies or contracts issued by medical service corporations declared to be insolvent or impaired by a court of competent jurisdiction on or after September 1, 1987, but prior to the effective date of this act, except as otherwise limited by this act.

c. This act shall not provide coverage for:
   (1) any portion of a policy or contract not guaranteed by the insurer, or under which the risk is borne by the policy or contract holder;
   (2) any policy or contract of reinsurance, unless assumption certificates have been issued;
   (3) any portion of a policy or contract to the extent that the rate of interest on which it is based:
      (a) averaged over the four-year period prior to the date on which the association becomes obligated with respect to that policy or contract, exceeds the lesser of:
         (i) the rate of interest determined by subtracting three percentage points from Moody’s Corporate Bond Yield Average averaged for that same four-year period, or for such lesser period if the policy or contract was issued less than four years before the association became obligated, or
         (ii) the rate of interest specified in the standard valuation law, or the rules of this State for determining the minimum standard
for the valuation of policies or contracts issued during the year of
insolvency; and
   (b) on and after the date on which the association becomes
obligated with respect to that policy or contract, exceeds the rate
of interest determined by subtracting four percentage points from
Moody's Corporate Bond Yield Average as most recently avail-
able; except that the limitation of this paragraph shall not
preclude the association from providing more extensive coverage
if it is proceeding under the authority of section 7 of this act;
(4) any plan or program of an employer, association or similar
entity to provide life, health, or annuity benefits to its employees
or members to the extent that such plan or program is self-funded
or uninsured, including, but not limited to, benefits payable by an
employer, association or similar entity under:
   (a) a Multiple Employer Welfare Arrangement as defined in the
Employee Retirement Income Security Act of 1974 (29 U.S.C. §1002);
   (b) a minimum premium group insurance plan;
   (c) a stop-loss group insurance plan; or
   (d) an administrative services only contract;
(5) any portion of a policy or contract to the extent that it pro-
vides dividends or experience rating credits, or provides that any
fees or allowances be paid to any person, including the holder of
the policy or contract, in connection with the service to or admin-
istration of that policy or contract;
(6) any policy or contract issued in this State by a member
insurer at a time when it was not licensed or did not have a certif-
icate of authority to issue that policy or contract in this State;
(7) any unallocated annuity contract issued to an employee
benefit plan covered by the Pension Benefit Guaranty Corporation
and whose benefits will be paid under such system; and
(8) any portion of any unallocated annuity contract which is not
issued to or in connection with a specific plan providing benefits
to employees or an association of natural persons.
d. The benefits for which the association may become liable
shall in no event exceed the lesser of:
   (1) the contractual obligations for which the insurer is liable or would
have been liable if it were not an impaired or insolvent insurer; or
   (2) with respect to any one insured individual, regardless of the
number of policies or contracts:
      (a) $500,000 in life insurance death benefits, but not more than
$100,000 in net cash surrender and net cash withdrawal values for
life insurance;
(b) $500,000 in present value annuity benefits, including net cash surrender and net cash withdrawal values, but not more than $100,000 in net cash surrender and net cash withdrawal values for annuity benefits,

provided, however, that in no event shall the association be liable to expend more than $500,000 in the aggregate with respect to any one individual under this paragraph (2); or

(3) with respect to any one unallocated annuity contract, $2,000,000 in benefits; or

(4) with respect to any one group, blanket, or individual accident or health insurance or group, blanket or individual accident or health insurance policy, unlimited benefits.

e. A provider of health care services, in order to receive payment directly from the association upon a claim of the provider against an insured, shall agree to forgive the insured of 20% of the obligation which would otherwise be paid by the insurer had it not been insolvent. The obligations of solvent insurers to pay all or part of the covered claim are not diminished by the forgiveness provided in this subsection. The association is not bound by an assignment of benefits executed with respect to the coverage provided by the insolvent insurer. The association may aggregate all claims owed health care providers when negotiating direct payment of claims of all covered individuals.

5. a. There is created a nonprofit legal entity to be known as the New Jersey Life and Health Insurance Guaranty Association. All member insurers shall be and remain members of the association as a condition of their authority to transact insurance in this State. Any member insurer shall remain a member insurer for four years after it ceases to hold a certificate of authority or license. The association shall perform its functions under the plan of operation established and approved pursuant to section 9 of this act and shall exercise its powers through the board of directors established under section 6 of this act. The association shall be under the immediate supervision of the commissioner and shall be subject to the applicable provisions of the insurance laws of this State. CHAPTER 208, LAWS OF 1991

(2) The health insurance account.

C.17B:32A-6 Board of Directors of association.

6. a. There shall be a board of directors of the association which shall consist of not less than five nor more than nine member insurers serving terms as established in the plan of operation. The members of the board shall be selected by member insurers subject to the approval of the commissioner. Vacancies on the board shall be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the commissioner. To select the initial board of directors, and initially organize the association, the commissioner shall give notice to all member insurers of the time and place of the organizational meeting. In determining voting rights at the organizational meeting each member insurer shall be entitled to one vote in person or by proxy. If the board of directors is not selected within 60 days after notice of the organizational meeting, the commissioner may appoint the initial members.

b. In approving selections or appointing members to the board, the commissioner shall consider, among other things, whether all member insurers are fairly represented.

c. Members of the board may be reimbursed from the assets of the association for reasonable expenses incurred by them as members of the board of directors, but members of the board shall not otherwise be compensated by the association for their services.

C.17B:32A-7 Powers of the association.

7. a. If a member insurer is an impaired domestic insurer, the association may, in its discretion, and subject to any conditions imposed by the association that do not unreasonably impair the contractual obligations of the impaired insurer, that are approved by the commissioner, and that are, except in cases of court ordered receivership, conservation or rehabilitation, also approved by the impaired insurer:

(1) guaranty, assume or reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the policies or contracts of the impaired insurer;

(2) provide such monies, pledges, notes, guarantees, or other means as are proper to effectuate the provisions of paragraph (1) of this subsection and assure payment of the contractual obligations of the impaired insurer pending action under paragraph (1); or

(3) loan money to the impaired insurer.
b. (1) If a member insurer is an impaired insurer, whether domestic, foreign or alien, and the insurer is not paying claims in a timely manner, then subject to the preconditions specified in paragraph (2) of this subsection, the association shall, in its discretion, either:

(a) take any of the actions specified in subsection a. of this section, subject to the conditions therein; or

(b) provide substitute benefits in lieu of the contractual obligations of the impaired insurer solely for health insurance claims, periodic annuity benefit payments, death benefits, supplemental benefits, and cash withdrawals for policy or contract owners who petition therefor under claims of emergency or hardship in accordance with standards proposed by the association and approved by the commissioner.

(2) The association shall be subject to the requirements of paragraph (1) of this subsection only if:

(a) the laws of the impaired insurer's state or country of domicile provide that, until all payments of, or on account of, the impaired insurer's contractual obligations by all guaranty associations, along with all expenses thereof and interest on all such payments and expenses, shall have been repaid to the guaranty associations or a plan of repayment by the impaired insurer shall have been approved by the guaranty associations,

(i) the delinquency proceeding shall not be dismissed,

(ii) neither the impaired insurer nor its assets shall be returned to the control of its shareholders or private management, and

(iii) it shall not be permitted to solicit or accept new business or have any suspended or revoked license restored; and

(b) (i) in the case of a domestic insurer, it has been placed under an order of receivership or rehabilitation by a court of competent jurisdiction in this State, or

(ii) in the case of a foreign or alien insurer, it has been prohibited from soliciting or accepting new contracts in this State, except as approved by the commissioner and as part of a plan of rehabilitation approved by a court of competent jurisdiction.

(3) (a) The limitations of paragraphs (3) and (4) of subsection c. of section 3 of this act shall not preclude the association from providing more extensive coverage or guarantees, if it is proceeding under the authority of this section and if that additional coverage is an essential element in allowing a rehabilitation plan to succeed as determined by the commissioner and a court of competent jurisdiction.

(b) The commissioner and the association shall utilize the authority of this section if a reasonable prospect exists that the
ultimate liabilities to be paid by the association and its member insurers will be reduced as compared to the present liabilities incurred if the association were to proceed under paragraph (2) of subsection d. of section 3 of this act.

(c) In proceeding under paragraph (1) of subsection b. of this section, without limitation on any authority or right of the association under this act or any right of contract, the association may enter into agreements with other guaranty associations to secure coordination between associations and performance by those associations with respect to policy or contract holders covered by those associations equivalent to that provided to individuals covered by this act.

(d) In proceeding under paragraph (1) of subsection b. of this section, any funds actually expended by a member insurer for benefits received by a person covered by this act, which were subject to a plan of rehabilitation approved by the commissioner and a court of competent jurisdiction, shall qualify as an assessment under section 8 of this act after a final accounting.

(e) When the association is proceeding under paragraph (1) of subsection b. of this section, the court shall authorize the establishment of liens upon policy and contract holder cash surrender values and cash withdrawal values limiting the ability of policy and contract holders to withdraw deposits, surrender their policies or contracts and receive the net cash surrender values and net cash withdrawal values, for a term of not less than three nor more than five years. The court, in establishing liens upon cash surrender values or cash withdrawal values, shall approve such liens upon the motion of the receiver as are necessary to enable the impaired insurer to meet its death and disability claims and fund the necessary operating expenses associated with its receivership to the greatest extent possible with the available assets of the impaired insurer within the time period covered by rehabilitation plan. The standard to be applied by the court with respect to preferential treatment is that all options offered to policy and contract holders must represent the same pro rata claim on the general account assets of the impaired insurer and be actuarially equivalent in present value terms at the time they are approved.

c. If a member insurer is an insolvent insurer, the association shall, in its discretion, either:

(1) (a) guaranty, assume or reinsure, or cause to be guaranteed, assumed or reinsured, the policies or contracts of the insolvent insurer; or
(b) assure payment of the contractual obligations of the insolvent insurer; and

(c) provide those monies, pledges, guarantees, or other means as are reasonably necessary to discharge those obligations; or

(2) with respect only to life and health insurance policies, provide benefits and coverages in accordance with subsection d. of this section.

d. When proceeding under subparagraph (b) of paragraph (1) of subsection b. or paragraph (2) of subsection c. of this section, the association shall, with respect only to life and health insurance policies or contracts:

(1) assure payment of benefits for premiums identical to the premiums and benefits, except for terms of conversion and renewability, that would have been payable under the policies or contracts of the impaired or insolvent insurer, for claims incurred:

(a) with respect to group policies or contracts, not later than the earlier of the next renewal date under those policies or contracts or 45 days, but in no event less than 30 days, after the date on which the association becomes obligated with respect to those policies or contracts;

(b) with respect to individual policies or contracts, not later than the earlier of the next renewal date, if any, under those policies or contracts or one year, but in no event less than 30 days, from the date on which the association becomes obligated with respect to those policies or contracts;

(2) make a diligent effort to provide all known insureds, or group policyholders with respect to group policies or contracts, 30 days notice of the termination of the benefits provided; and

(3) with respect to individual policies or contracts, and with respect to individuals formerly insured under group policies or contracts who are not eligible for replacement group coverage, make available to each known insured, or owner of an individual policy or contract if other than the insured, substitute coverage on an individual basis in accordance with the provisions of paragraph (4) of this subsection, if the insured had a right under law or the terminated policy or contract to convert coverage to individual coverage or to continue an individual policy or contract in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or contract or had a right only to make changes in premium by class.
(4) (a) In providing the substitute coverage required by para­
graph (3), the association may offer either to reissue the
terminated coverage or to issue an alternative policy or contract.

(b) Alternative or reissued policies or contracts shall be offered
without requiring evidence of insurability, and shall not provide
for any waiting period or exclusion that would not have applied
under the terminated policy or contract.

(c) The association may reinsure any alternative or reissued
policy or contract.

(5) (a) Alternative policies or contracts adopted by the associa-
tion shall be subject to the approval of the commissioner.

(b) Alternative policies or contracts shall contain at least the
minimum statutory provisions required in this State and provide
benefits that shall not be unreasonable in relation to the premium
charged under reasonable actuarial assumptions. The association
shall set the premium in accordance with a table of rates which it
shall adopt. The premium shall reflect the amount of insurance to
be provided and the age and class of risk of each insured.

(c) Any alternative policy or contract issued by the association
shall provide coverage of a type similar to that of the policy or
contract issued by the impaired or insolvent insurer, as deter-
dined by the association.

(6) If the association elects to reissue terminated coverage at a
premium rate different from that charged under the terminated
policy or contract, the premium shall be set by the association in
accordance with the amount of insurance provided and the age
and class of risk, subject to approval of the commissioner.

(7) The association’s obligations with respect to coverage under
any policy or contract of the impaired or insolvent insurer or under
any reissued or alternative policy or contract shall cease on the date
that coverage, policy or contract is replaced by another similar cov-
erage, policy or contract by the policyholder or the insured.

e. When proceeding under subparagraph (b) of paragraph (1)
of subsection b. or subsection c. of this section with respect to
any policy or contract carrying guaranteed minimum interest
rates, the association shall assure the payment or crediting of a
rate of interest at least equal to that specified in paragraph (3) of
subsection c. of section 3 of this act.

f. Nonpayment of premiums within 31 days after the date
required, after effective notice shall have been given of the terms
of any guaranteed, assumed, alternative or reissued policy or con-
tract or substitute coverage, shall terminate the association’s
obligations under that policy, contract or coverage under this act with respect to that policy, contract or coverage, except with respect to any claims incurred or any net cash surrender value which may be due in accordance with the provisions of this act.

g. Premiums due for coverage after entry of an order of receivership or liquidation of any insolvent insurer shall belong to, and be payable at the direction of, the association.

h. The protection provided by this act shall not apply if any guaranty protection is provided to residents of this State by the law of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this State.

i. In carrying out its duties under subsections b. and c. of this section, the association may, subject to approval by the court:

(1) impose reasonable and necessary policy or contract liens in connection with any guaranty, assumption or reinsurance agreement, if the association finds that the amounts which can be assessed under this act are less than the amounts needed to assure full and prompt performance of the association’s duties under this act, or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of those policy or contract liens, to be in the public interest; or

(2) impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value.

j. If the association fails to act within a reasonable period of time as provided in subparagraph (b) of paragraph (1) of subsection b. and subsections c. and d. of this section, the commissioner shall have the powers and duties of the association provided by this act with respect to impaired or insolvent insurers.

k. The association may render assistance and advice to the commissioner concerning the receivership, conservation, rehabilitation, liquidation, payment of claims, continuance of coverage, or the performance of other contractual obligations of any impaired or insolvent insurer.

l. The association shall have standing to appear before any court in this State with jurisdiction over an impaired or insolvent insurer with respect to which the association is or may become obligated under this act. That standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, modifying or guaranteeing the policies or contracts of the impaired or insolvent
insurer and the termination of the policies or contracts and contractual obligations. The association shall also have the right to appear or intervene before a court in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over a third party against whom the association may have rights through subrogation of the insurer's policyholders.

m. (1) Any person receiving benefits under this act shall be deemed to have assigned the rights under, and any causes of action relating to, the covered policy or contract to the association to the extent of the benefits received pursuant to this act, whether the benefits are payments of or on account of contractual obligations, continuation of coverage or provision of substitute or alternative coverages. The association may require an assignment to it of such rights and causes of action by any payee, policy or contract owner, beneficiary, insured or annuitant as a condition precedent to the receipt of any right or benefits conferred by this act upon that person.

(2) The subrogation rights of the association under this subsection shall have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this act.

(3) In addition to the rights of subrogation contained in paragraphs (1) and (2) of this subsection, the association shall have all common law rights of subrogation and any other equitable or legal remedy which would have been available to the impaired or insolvent insurer or holder of a policy or contract with respect to that policy or contract.

(4) In addition to the rights contained in paragraphs (1), (2) and (3) of this subsection, in the case of any unallocated annuity contract for which benefits are paid by the association under this act, the association shall be deemed to have assigned to it the rights and causes of action of any employee or association of natural persons against the contract holder of such unallocated annuity contract for the amounts paid by the association under this act.

n. The association may:

(1) enter into any contracts necessary or proper to carry out the provisions and purposes of this act;

(2) sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments imposed pursuant to section 8 of this act and to settle claims or potential claims against it;

(3) borrow money to effectuate the purposes of this act. Any notes or other evidence of indebtedness of the association not in
default shall be legal investments for domestic insurers and may be carried as admitted assets;
(4) employ or retain persons necessary to handle the financial transactions of the association, and to perform other functions as are necessary or proper under this act;
(5) take any legal action necessary to avoid payment of improper claims;
(6) exercise, for the purposes of this act and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case shall the association issue insurance policies or annuity contracts other than those issued to perform its obligations under this act.

o. The association may join an organization of one or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.

C.17B:32A-8 Member insurers assessed to provide funding for association.
8. a. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at the percentage of interest prescribed in the Rules Governing the Courts of the State of New Jersey for judgments, awards and orders for the payment of money, on and after the due date.

b. There shall be two classes of assessments, as follows:
(1) Class A assessments shall be made for the purpose of meeting administrative and legal costs of the association which are not objected to by the commissioner and other expenses and examinations conducted under the authority of subsection e. of section 11 of this act. Class A assessments shall also be made, upon the request of the commissioner, for the purpose of meeting costs incurred by or on behalf of the department in the administration of an insolvent insurer to the extent those costs exceed assets of the insolvent insurer available for that purpose. Class A assessments need not be related to a particular impaired or insolvent insurer. The amount of any Class A assessment shall be determined by the board.

(2) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under section 7 of this act with respect to an impaired or an insolvent insurer. The amount of any Class B assessment shall be allocated for assessment
purposes among the accounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

c. (1) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account for the four most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this State for such calendar years by all assessed member insurers.

(2) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall be made as necessary to implement the purposes of this act. Classification of assessments under subsection b. of this section and computation of assessments under this subsection c. shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

d. The association shall exempt, abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the commissioner, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations or places the member insurer in an unsafe or unsound financial condition. In the event an assessment against a member insurer is exempted, abated or deferred, in whole or in part, the amount by which that assessment is exempted, abated or deferred shall be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

e. (1) The total of all assessments imposed under subsection b. of this section upon a member insurer for the life insurance and annuity account and for each subaccount thereunder shall not in any one calendar year exceed two percent and for the health insurance account shall not in any one calendar year exceed two percent of that insurer's average premiums, as reported in the annual statement in a form prescribed by the commissioner, received in this State on the policies and contracts covered by the account during the four calendar years preceding the year in which the insurer became an impaired or insolvent insurer. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in either account an amount sufficient to carry out the responsibilities of
the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(2) If a one percent assessment for any subaccount of the life insurance and annuity account in any one year does not provide an amount sufficient to carry out the responsibilities of the association, then pursuant to paragraph (1) of subsection c. of this section, the board shall assess all subaccounts of the life insurance and annuity account for the necessary additional amount, subject to the maximum stated in paragraph (1) of this subsection.

(3) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

f. The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of an account exceed the amount the board, with the concurrence of the commissioner, finds is necessary to carry out the obligations of the association with respect to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses.

g. Except for that portion of assessments which may be offset against premium taxes pursuant to section 18 of this act, it shall be proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this act, to consider the amount reasonably necessary to meet its assessment obligations under this act.

h. The association shall issue to each insurer paying an assessment pursuant to this act, other than a Class A assessment, a certificate of contribution, in a form and manner prescribed by the commissioner, for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amount or date of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and manner and for such amount and period of time as the commissioner may approve.

C.17B:32A-9 Plan of operation.

9. a. (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suit-
able to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon the commissioner's written approval or at the expiration of 30 days after submission if it has not been disapproved.

(2) If the association fails to submit a suitable plan of operation within 120 days following the effective date of this act or if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner shall adopt such plan or amendments necessary to effectuate the provisions of this act. The plan or amendments shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

b. All member insurers shall comply with the plan of operation.

c. The plan of operation shall, in addition to requirements enumerated elsewhere in this act:

(1) establish procedures for handling the assets of the association;

(2) establish the amount and method of reimbursing members of the board of directors under subsection c. of section 6 of this act;

(3) establish regular places and times for meetings, including telephone conference calls, of the board of directors;

(4) establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors;

(5) establish the procedures whereby selections for the board of directors will be made and submitted to the commissioner;

(6) establish any additional procedures for the imposition of assessments under section 8 of this act; and

(7) contain additional provisions necessary or proper for the execution of the powers and duties of the association.

d. The plan of operation may provide for the delegation of any or all powers and duties of the association, except those set forth in paragraph (3) of subsection m. of section 7 and section 8 of this act, to a corporation, association, or other organization which performs or will perform functions similar to those of the association, or its equivalent, in two or more other states. Such a corporation, association, or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection d. shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association, or organization which extends protection not substantially less favorable or effective than that provided by this act.
C.17B:32A-10 Additional duties, powers of commissioner.

10. a. In addition to the duties and powers enumerated elsewhere in this act, the commissioner shall:

(1) upon request of the board of directors, provide the association with a statement of the premiums in this State and any other appropriate states for each member insurer;

(2) when an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer shall constitute notice to its shareholders, if any. The failure of the insurer to promptly comply with a demand shall not excuse the association from the performance of its powers and duties under this act;

(3) in any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator.

b. The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this State of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative, the commissioner may levy a penalty on any member insurer which fails to pay an assessment when due. That penalty shall not exceed five percent of the unpaid assessment per month, but no penalty shall be less than $100 per month.

c. Any action of the board of directors or the association may be appealed to the commissioner by any member insurer if that appeal is taken within 30 days of the final action being appealed. If a member company is appealing an assessment, the amount assessed shall be paid to the association and made available to meet association obligations during the pendency of an appeal. If the appeal of an assessment is upheld, the amount paid in error or excess shall be returned to the member company. Any final action or order of the commissioner shall be subject to judicial review in a court of competent jurisdiction.

d. The liquidator, rehabilitator, conservator or receiver of any impaired insurer may notify all interested persons of the effect of this act.

11. a. To aid in the detection and prevention of insurer insolvencies or impairments, the commissioner may:

(1) notify the commissioners of insurance or comparable officials of all the other states, territories of the United States and the
District of Columbia when he takes any of the following actions against a member insurer:

(a) revokes its certificate of authority or license;
(b) suspends its certificate of authority or license; or
(c) makes any formal order that the insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from this State, reinsure all or part of its business, or increase capital, surplus, or any other account for the security of policyholders or creditors.

Notice shall be made in any form the commissioner deems appropriate, including notification under the auspices of the National Association of Insurance Commissioners, hereinafter referred to as NAIC.

(2) report to the board of directors when he has taken any of the actions set forth in paragraph (1) of this subsection or has received notification from the commissioner of insurance or comparable official of any other jurisdiction that any such action has been taken in that jurisdiction. The report to the board of directors shall contain all significant details of the action taken or of any such notification received from another jurisdiction.

(3) report to the board of directors when he has reasonable cause to believe from any examination, whether completed or in process, of any member company that the company may be an impaired or insolvent insurer. The report and the information therein shall be kept confidential by the board of directors.

(4) furnish to the board of directors the NAIC Insurance Regulatory Information System (IRIS) ratios and a list of companies not included in the ratios developed by the NAIC. The board may use the information contained therein in carrying out its duties and responsibilities under this section. The report and information contained therein shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority.

b. The commissioner may seek the advice and recommendations of the board of directors or member insurers concerning any matter affecting his duties and responsibilities regarding the financial condition of member insurers and companies seeking admission to transact insurance business in this State.

c. The board of directors or any member thereof may make reports and recommendations to the commissioner upon any matter germane to the solvency, liquidation, rehabilitation, conservation or receivership of any member insurer or germane to the solvency of any company seeking to do insurance business in
this State. Reports and recommendations made pursuant to this subsection shall not be considered public documents.

d. It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

e. The board of directors may, upon majority vote, request that the commissioner order an examination of any member insurer which the board in good faith believes may be an impaired or insolvent insurer. Such an examination may be conducted as a NAIC examination or may be conducted by those persons as the commissioner designates. The cost of the examination may be paid by the association and the examination report shall be treated as are other examination reports. In no event shall the examination report be released to the board of directors of the association prior to its release to the public, but this shall not preclude the commissioner from taking action permitted by subsection a. of this section.

The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner, but it shall not be open to public inspection, if at all, prior to the release of the examination report to the public.

f. The board of directors may, upon majority vote, make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

g. The board of directors may, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report to the commissioner containing any information it may have in its possession bearing on the history and causes of that insolvency. The board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes of insolvency of a particular insurer, and may adopt by reference any report prepared by another association.

C.17B:32A-12 Liabilities of impaired, insolvent insurers.

12. a. Nothing in this act shall be construed to reduce the liability for unpaid assessments of the insureds of an impaired or insolvent insurer operating under a plan with assessment liability.

b. Records shall be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under section 7 of this act. Records of those negotia-
tions or meetings shall be made public only upon the termination of a liquidation, rehabilitation, conservation or receivership proceeding involving an impaired or insolvent insurer, upon the termination of the impairment or insolvency of the insurer, or upon the order of a court of competent jurisdiction.

c. For the purpose of carrying out its obligations under this act, the association shall be deemed to be a creditor of an impaired or insolvent insurer to the extent of assets attributable to covered policies or contracts reduced by any amounts to which the association is entitled as subrogee pursuant to subsection m. of section 7 of this act. Assets of an impaired or insolvent insurer attributable to covered policies or contracts shall be used to continue all covered policies or contracts and pay all contractual obligations of the impaired or insolvent insurer as required by this act. For purposes of this subsection, assets attributable to covered policies or contracts are that proportion of the assets which the reserves that should have been established for such policies or contracts bears to the reserves that should have been established for all policies or contracts of insurance written by the impaired or insolvent insurer.

d. (1) Prior to the termination of any receivership, liquidation, rehabilitation or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, and policyowners of an insolvent insurer, and any other party with a bona fide interest in making an equitable distribution of the ownership rights of that insolvent insurer. In making such a determination, consideration shall be given to the welfare of the policyholders and to the reasonable requirements of a continuing or successor insurer.

(2) No dividend or other distribution to stockholders or policyholders of an impaired or insolvent insurer shall be made until and unless the total amount of valid claims of the association for funds expended in carrying out its powers and duties under section 7 of this act with respect to that insurer have been recovered by the association.

e. (1) If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under that order shall have a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the five years preceding the petition for liq-
uidation or rehabilitation subject to the limitations of paragraphs (2) through (4) of this subsection.

(2) No such distribution shall be recoverable if the insurer shows that the distribution was lawful and reasonable when paid, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(3) Any person who was an affiliate that controlled the insurer at the time the distributions were paid shall be liable up to the amount of distributions he received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared, shall be liable up to the amount of distributions he would have received if they had been paid immediately. If two or more persons are liable with respect to the same distributions, they shall be jointly and severally liable.

(4) The maximum amount recoverable under this subsection shall be the amount in excess of all other available assets of the insolvent insurer needed to pay the contractual obligations of the insolvent insurer.

(5) If any person liable under paragraph (3) of this subsection is insolvent, all its affiliates that controlled it at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

C.17B:32A-13 Association subject to examination, regulation.

13. The association shall be subject to examination and regulation by the commissioner. The board of directors shall submit to the commissioner each year, not later than 120 days after the close of the association’s fiscal year, a financial report in a form approved by the commissioner and a report of its activities during the preceding fiscal year.

C.17B:32A-14 Association exempt from fees, taxes.

14. The association shall be exempt from payment of all fees and all taxes levied by this State or any of its subdivisions, except taxes levied on real property.

C.17B:32A-15 Immunity from liability.

15. a. There shall be no liability on the part of, and no cause of action of any nature shall arise against, any member insurer or its agents or employees, the association or its agents or employees, members of the board of directors, or the commissioner or his representatives, for any action or omission by them in the performance of their powers and duties under this act. This immunity
shall extend to the participation in any organization of one or more other state associations of similar purposes and to any such organization and its agents or employees.

b. With respect to any impairment or insolvency of a health service corporation created pursuant to P.L.1985, c.236 (C.17:48E-1 et seq.), the association shall have no cause of action against any not-for-profit or nonprofit corporation that is regulated by a law governing the conduct of not-for-profit or nonprofit corporations, except in the event of willful or wanton conduct, unless the not-for-profit or nonprofit corporation is a provider of health care services as defined in section 1 of P.L.1985, c.236 (C.17:48E-1). For purposes of this subsection, "willful or wanton conduct" means a course of action which shows the actual or deliberate intent to cause harm.

C.17B:32A-16 Stay of proceedings involving insolvent insurer.

16. Upon application and notice, all proceedings in which an insolvent insurer is a party or is obligated to defend a party in any court in this State shall be stayed for 120 days and any additional time thereafter as may be determined by the court from the date the insolvency is determined or any ancillary proceeding is initiated in the State, whichever is later, to permit proper defense by the association of all pending causes of action. With respect to any covered claims arising from a judgment under any decision, verdict or finding based on the default of the insolvent insurer or its failure to defend an insured, the association either on its own behalf or on behalf of the insured may apply to have the judgment, order, decision, verdict or finding set aside by the court in which the judgment, order, decision, verdict or finding is entered and shall be permitted to defend against the claim on the merits.

C.17B:32A-17 Association shall not be used to promote insurance sales.

17. a. No person, including an insurer, agent or affiliate of an insurer or insurance producer shall make, publish, disseminate, circulate or place before the public or cause directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in any newspaper, magazine or other publication or in the form of a notice, circular, pamphlet, letter or poster, or over any radio station or television station, or in any other way, any advertisement, announcement or statement, written or oral, which uses the existence of the association for the purpose of sales, solicitation, or inducement to purchase any form of insurance covered by this act. This
subsection shall not apply to the department or the association or to any other entity which does not sell or solicit insurance.

b. Within 180 days of the effective date of this act, the association shall prepare a summary document describing the general purposes and current limitations of the act which complies with subsection c. of this section. This document shall be submitted to the commissioner for approval. Sixty days after receiving that approval, no insurer may deliver a policy or contract described in subsection b. of section 3 of this act to a policy or contract holder unless the document is delivered to the policy or contract holder prior to or at the time of delivery of the policy or contract. The document should also be available upon request by a policyholder. The distribution, delivery, contents or interpretation of this document shall not mean that either the policy or the contract or the holder thereof would be covered in the event of the impairment or insolvency of a member insurer. The document shall be revised by the association as amendments to the act may require. Failure to receive this document does not give the policyholder, contractholder, certificateholder or insured any greater rights than those stated in this act. Delivery of the document required by this subsection shall not be required however, in the case of a policy or contract excluded from coverage under this act pursuant to subsection c. of section 3 of this act and with respect to which notice as required by subsection d. of this section has been given.

c. The document prepared pursuant to subsection b. of this section shall contain a clear and conspicuous disclaimer on its face. The commissioner shall promulgate a rule establishing the form and content of the disclaimer. The disclaimer shall:

(1) state the name and address of the association and the department;
(2) prominently warn the policy or contract holder that the association may not cover the policy or contract or, if coverage is available, it will be subject to substantial limitations and exclusions and conditioned on continued residence in this State;
(3) state that the insurer and its insurance producers are prohibited by law from using the existence of the association for the purpose of sales, solicitation or inducement to purchase any form of insurance;
(4) emphasize that the policy or contract holder should not rely on coverage under the association when selecting an insurer; and
(5) provide other information as directed by the commissioner.

d. No insurer or insurance producer may deliver a policy or contract described in subsection b. of section 3 and excluded under paragraph (1) of subsection c. of section 3 from coverage under this act unless the insurer or insurance producer, prior to or at the
time of delivery, gives the policy or contract holder a separate written notice which clearly and conspicuously discloses that the policy or contract is not covered by the association. The commissioner may by rule further specify the form and content of the notice.

C.17B:32A-18 Member insurer may offset assessments against premium tax liability.

18. a. A member insurer may offset against its premium tax liability, attributable to premiums written in that year, and determined pursuant to section 1 of P.L.1945, c.132 (C.54:18A-1), any assessments for which a certificate of contribution has been issued, pursuant to subsection h. of section 8 of this act, to the extent of 10% of the amount of those assessments for each of the five calendar years following the second year after the year in which those assessments were paid, except that no member insurer may offset its premium tax liability by more than 20% of its premium tax liability in any one year. If a member insurer should cease doing business in this State, any uncredited assessments may be offset against its premium tax liability for the year in which it ceases to do business in this State.

b. Any sums which are acquired by member insurers as the result of a refund from the association pursuant to subsection f. of section 8 of this act, and which have theretofore been offset against premium taxes as provided in subsection a. of this section, shall be paid by those insurers to the State as the Director of the Division of Taxation may require. The association shall notify the commissioner and the Director of the Division of Taxation of any refunds made.

c. This section shall not apply in any way to the imposition or collection of, and no offset shall be permitted against, the surtax on premiums authorized pursuant to section 76 of P.L.1990, c.8 (C.17:33B-49).

C.17B:32A-19 Provisions not applicable to certain insurers.

19. The provisions of sections 2 through 18 of this act shall not apply to any insurer which is insolvent or impaired on December 31, 1990, except as provided in paragraph (2) of subsection b. of section 3 of this act.

20. Section 6 of P.L.1985, c.236 (C.17:48E-6) is amended to read as follows:

C.17:48E-6 Board of health service corporation formed through merger.

6. The board of a health service corporation which is formed as the result of a merger between a medical service corporation
and a hospital service corporation shall be composed of not more than 15 members. Initially, after the merger has been effected, the board shall be constituted as follows:

a. Four members of the board shall be public members, who shall be appointed by the Governor with the advice and consent of the Senate. The public members so appointed shall be persons whose background and experience indicate that they are qualified to act in the broad public interest, who may or may not have coverage under a contract or contracts issued by the corporation, its subsidiaries or affiliates, and who, or whose spouses or minor children, are not officers, directors or owners of more than 10% of the stock of a corporation whose aggregate sales to hospitals, other health care facilities or other providers of health care services exceed 5% of its total sales. The remaining eleven members shall be selected by the board of directors of the health service corporation in accordance with the provisions of its certificate of incorporation and bylaws.

b. Of the initial members of the board, as provided for in subsection a. of this section, one public member and three members selected by the board of the health service corporation shall serve for a term of one year; one public member and three members selected by the board of the health service corporation shall serve for a term of two years; and two public members and five members selected by the board of the health service corporation shall serve for a term of three years. Thereafter, all members of the board shall serve for a term of three years, and shall hold office until their successors are elected and qualified.

c. After the constitution of the initial board as provided in subsection b. of this section, and as the initial terms expire as provided for in that section, the board shall be constituted as follows:

(1) Four members shall be public members of the board appointed by the Governor with the advice and consent of the Senate; and

(2) Eleven members shall be elected by the board of directors, as provided in the bylaws.

d. The provisions of subsection c. of this section shall not be construed to preclude the reappointment or reelection of any member appointed or elected pursuant to subsection a. of this section.

21. Section 7 of P.L.1985, c.236 (C.17:48E-7) is amended to read as follows:

C.17:48E-7 Board of directors of health service corporation.

7. The board of directors of a health service corporation which is established in accordance with paragraph (1) of subsection a. of
section 2 of P.L.1985, c.236 (C.17:48E-2) shall have four public members appointed by the Governor with the advice and consent of the Senate and eleven members elected as provided in the bylaws.

22. Section 5 of P.L.1988, c.71 (C.17:48E-17.1) is amended to read as follows:

C.17:48E-17.1 Two special contingent surplus accounts.

5. a. Every health service corporation shall accumulate and maintain during each calendar year two separate special contingent surplus accounts, one for its individual contracts and one for its other activities.

b. Every health service corporation shall accumulate and maintain a special contingent surplus for each account over and above its reserves and liabilities at the rate of 2% annually of its net premium income until that surplus is not less than $1,250,000.00 in each account. The special contingent surplus in each account shall be accumulated to and maintained at an amount not less than 2 1/2% of the net premium income received during that year, as determined by reference to the statement of financial condition filed pursuant to section 36 of P.L.1985, c.236 (C.17:48E-36). The commissioner may increase the minimum amount of special contingent surplus which shall be maintained pursuant to this subsection to an amount not exceeding 5% of the net premium income received during the preceding year. No method of accumulation as herein provided shall be deemed to supersede any provision of subsection c. of this section. In the case of any health service corporation which was created by the merger of a medical service corporation established pursuant to P.L.1940, c.74 (C.17:48A-1 et seq.) and a hospital service corporation created pursuant to P.L.1938, c.366 (C.17:48-1 et seq.), in calculating the proportional allocation of any deficit or surplus between group and individual contracts at the time the separate surplus accounts are created, the corporation shall allocate based on its determination of the proportional contributions of individual and group business to any surplus or deficit during the period between January 1 of the calendar year in which the health service corporation commenced doing business as a health service corporation until the effective date of P.L.1988, c.71. The assumptions upon which the allocations are based shall be certified as reasonable by an independent actuary.

c. Every health service corporation established as of the effective date of P.L.1988, c.71 shall file a recovery plan with the
commissioner for meeting the surplus amount requirements established by subsection b. of this section and which establishes a time period within which the corporation will meet those requirements. The time period established in the plan shall not exceed eight years and shall provide for the reduction to 0% of the deficit in the special contingent surplus account for its group and other activities by the end of four years from the effective date of P.L.1988, c.71; and for the reduction to 0% of the special individual contingent surplus account by the end of five years from the effective date of P.L.1991, c.208 through the dedication of five approximately equal amounts annually during each year of the five-year period. The commissioner shall take all necessary action to assure that individual rates are actuarially adequate to achieve this purpose. The plan shall be subject to the approval of the commissioner, who shall approve it within 60 days after it has been filed if he believes it to be reasonable. If the commissioner does not approve a plan filed under this subsection within 60 days of its submission, he shall issue findings and conclusions with respect to the reasonableness of the plan.

d. Whenever the special contingent surplus for either group contracts or individual contracts is an amount which is less than 2 1/2% to 5% of the earned premium of the group or individual business, as the case may be, at the discretion of the commissioner, the health service corporation shall, without regard to any other rate increase provided for or required by law or any rate increase which may have previously been taken pursuant to this subsection, and with the approval of the commissioner, commence within 90 days the implementation of rate increases for the group or individual contracts, as the case may be, which increases shall be sufficient to cause the amount of the special contingent surplus to equal an amount which is not less than 5% of the earned premium of the group or individual business within one year of the increase.

e. After the end of the recovery plan for the reduction to 0% of the deficit on the individual special contingent surplus account pursuant to subsection c. of this section, a health service corporation, which was created by the merger of a medical service corporation and a hospital service corporation, shall not be required to augment the surplus account allocable to individual contracts with any monies from the surplus account of group contracts, or from any corporate assets or any other source other than net earnings from individual contracts, nor shall it be required to
augment the surplus account allocable to group contracts with any monies from the surplus account of individual contracts or from any corporate assets or any other source other than net earnings from group contracts, except that the commissioner may require the health service corporation to augment the earnings or surplus account allocable to individual contracts in the amount of any provider differential furnished for this purpose approved by the Hospital Rate Setting Commission pursuant to section 18 of P.L.1971, c.136 (C.26:2H-18).

f. Nothing in this section nor in P.L.1985, c.236 (C.17:48E-1 et seq.) shall abrogate the responsibilities of corporate officers with regard to the reporting of financial condition pursuant to section 36 of P.L.1985, c.236 (C.17:48E-36), nor shall any provision of P.L.1988, c.71 or P.L.1985, c.236 (C.17:48E-1 et seq.) be construed to limit the authority of the commissioner to require compliance with statutory capital, surplus or reserve requirements for a subsidiary or affiliate of a health service corporation, or for any reinsurance activities to be undertaken by a health service corporation.

23. This act shall take effect immediately and sections 1 through 19 shall be retroactive to January 1, 1991.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54:32B-8.44 Disposable household paper products exemption.

1. Receipts from the following are exempt from the tax imposed under the “Sales and Use Tax Act:” sales of disposable household paper products, including towels, napkins, toilet tissues, cleaning tissues, diapers, paper plates and cups purchased for household use.

2. This act shall take effect immediately, but shall remain inoperative until the first day of the second month following enactment.

CHAPTER 210

AN ACT to require depository institutions to offer a New Jersey Consumer Checking Account and supplementing Title 17 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.17:16N-1 Findings, declarations.

1. a. The Legislature hereby finds and declares that:

   (1) The depository institutions in New Jersey should meet the basic banking needs of the communities in which they are authorized to operate by assuring the availability of essential financial services to all people in the community;

   (2) In recent years, due to increased costs, many of the State's consumers, particularly young, low-income and elderly consumers, have been finding it increasingly difficult to afford basic checking services;

   (3) Those without access to banking and financial services due to increased cost are forced to operate on a cash-only basis and are therefore at greater risk for their personal safety and well-being;

   (4) The lack of access to banking and financial services forces many low-income and elderly consumers to use relatively high cost check-cashing services to cash their social security or welfare benefit checks, a practice that undermines the effectiveness of these vital public assistance programs.

b. The Legislature declares that it is the purpose of this act to make a New Jersey Consumer Checking Account available to consumers by requiring depository institutions which offer regular checking accounts to offer a New Jersey Consumer Checking Account at low cost to all consumers who abide by the requirements established for such accounts by this act.

C.17:16N-2 Definitions.

2. As used in this act:

ject to automatic transfers, share draft account, and all savings deposit and share accounts other than time deposit accounts.

“Business day” means any day other than a Saturday, Sunday or legal holiday.

C.17:16N-3 New Jersey Consumer Checking Accounts.

3. a. Every depository institution that maintains regular checking accounts in this State shall make available to consumers a New Jersey Consumer Checking Account at all offices of that depository institution where regular checking accounts are offered or available. A
New Jersey Consumer Checking Account shall be used primarily for personal, family, or household purposes. No depository institution shall be required to offer a New Jersey Consumer Checking Account at a cost which is below its actual cost to provide such an account. The calculation made by a depository institution of the actual cost of providing a New Jersey Consumer Checking Account shall be determinative in the absence of mathematical error or a request from the commissioner for other data and information deemed relevant or appropriate for evaluating the actual cost of providing a New Jersey Consumer Checking Account. New Jersey Consumer Checking Accounts shall contain the features specified in subsection c. of this section or be an account the features and terms of which have been approved by the commissioner pursuant to subsection d. of this section.

b. An applicant for a New Jersey Consumer Checking Account shall provide the depository institution with the same information an applicant for a regular checking account is required to provide at that depository institution.

8. An employee retiring with a benefit under this act who has not repaid the full amount of a loan from PERS or TPAF by the effective date of retirement may repay the loan through deductions from the member's retirement benefit payments in the same monthly amount which was deducted from the member's compensation immediately preceding retirement until the balance of the amount borrowed together with interest at the statutory rate is repaid. CHAPTER 233

AN ACT concerning the rights of psychiatric patients in inpatient facilities and supplementing Titles 30 and 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.30:4-27.11a Findings, declarations.
1. The Legislature finds and declares that:
   a. It is of paramount public interest to ensure the rights of all patients in inpatient psychiatric facilities, including those persons being assessed or receiving treatment on an involuntary basis in screening services and short-term care facilities as defined in section 2 of P.L.1987, c.116 (C.30:4-27.2);
   b. The rights set forth in section 10 of P.L.1965, c.59 (C.30:4-24.2) apply to any person who has been involuntarily committed to a State or county psychiatric hospital, a psychiatric unit of a county hospital or a special psychiatric hospital in accordance with the laws of this State;
   c. Because involuntary assessment and treatment in a screening service and involuntary commitment to a short-term care facility involve the deprivation of a patient's liberty, it is necessary to specify and guarantee by statute the rights to which that patient is entitled, in a manner similar to that provided for a patient who is involuntarily committed to a State or county psychiatric hospital, a psychiatric unit of a county hospital or a special psychiatric hospital, while recognizing the administrative, structural and staffing features of screening services and short-term care facilities which are different from State or county psychiatric hospitals, psychiatric units of county hospitals or special psychiatric hospitals, as well as recognizing differences between the administrative, structural and staffing features of screening services and short-term care facilities by providing a separate guarantee of rights for patients in each of these settings; and
   d. All patients who are receiving assessment or treatment on an involuntary basis in screening services and short-term care facilities as defined in section 2 of P.L.1987, c.116 (C.30:4-27.2) are entitled to receive professional treatment of the highest standard and, unless incompetent, to participate in their treatment and discharge planning to the fullest extent possible.

C.30:4-27.11b Definitions.
2. As used in this act:
   “Patient” means a person 18 years of age and older who is being involuntarily assessed or treated in a screening service or who has been involuntarily committed to a short-term care facility in accordance with the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.).
   “Screening service” means a “screening service” as defined in section 2 of P.L.1987, c.116 (C.30:4-27.2), and includes psychiat-
emergency services which are funded by the Division of Mental Health and Hospitals in the Department of Human Services and are affiliated with a screening service.

"Short-term care facility" means a "short-term care facility" as defined in section 2 of P.L.1987, c.116 (C.30:4-27.2).

C.30:4-27.11c Patient not deprived of rights through receiving assessment, treatment.

3. a. Subject to any other provisions of law and the Constitution of New Jersey and the Constitution of the United States, a patient shall not be deprived of a civil right solely by reason of his receiving assessment or treatment under the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.), nor shall the assessment or treatment modify or vary a legal or civil right of that patient, including, but not limited to, the right to register for and to vote at elections, or rights relating to the granting, forfeiture, or denial of a license, permit, privilege, or benefit pursuant to any law.

b. A patient shall be entitled to all rights set forth in this act and shall retain all rights not specifically denied him under P.L.1987, c.116 (C.30:4-27.1 et seq.) and P.L.1989, c.170 (C.26:2H-12.7 et seq.).

c. A patient shall not be presumed to be incompetent solely because he has been examined or treated for mental illness.

d. A patient shall be entitled to a writ of habeas corpus upon proper petition by himself, a relative, or a friend to a court of competent jurisdiction in the county in which he is detained and shall further be entitled to enforce, by civil action or other remedies otherwise available by common law or statute, any of the rights provided in this act.

C.30:4-27.11d Rights of patient in short-term care facility.

4. a. A patient in a short-term care facility shall have the following rights, which shall not be denied under any circumstances. A list of these rights shall be posted in a conspicuous place in each room designated for use by a patient and otherwise brought to the patient's attention pursuant to subsection d. of this section:

(1) To be free from unnecessary or excessive medication. Medication shall not be administered unless at the written or verbal order of a physician. A verbal order shall be valid only for a period of 24 hours, after which a written order for the medication shall be completed. At least weekly, the attending physician shall review the drug regimen of each patient under his care. Medication shall be administered in accordance with generally accepted medical standards as part of a treatment program. Medication
shall not be used as punishment, for the convenience of staff, as a substitute for a treatment program, or in quantities that interfere with the patient’s treatment program.

In an emergency in which less restrictive or appropriate alternatives acceptable to the patient are not available to prevent imminent danger to the patient or others, medication may be administered over a patient’s objection at the written order of a physician, which shall be valid for a period of up to 72 hours, in order to lessen the danger.

A patient’s right to refuse medication when imminent danger to the patient or others is not present may be overridden by a written policy which has been adopted by the short-term care facility to protect the patient’s right to exercise informed consent to the administration of medication. The written policy shall, at a minimum, provide for appropriate procedures that ensure notice to the patient of the decision by the attending physician or other designated physician to administer medication, the right to question the physician about his decision to administer medication and to provide information to the physician regarding that decision. The written policy shall also provide for review of the patient’s decision to object to the administration of medication by a psychiatrist who is not directly involved in the patient’s treatment. The psychiatrist shall not override the patient’s decision to object to the administration of medication unless the psychiatrist determines that: the patient is incapable, without medication, of participating in a treatment plan that will provide a realistic opportunity of improving his condition; or, although it is possible to devise a treatment plan that will provide a realistic opportunity of improving the patient’s condition without medication, a treatment plan which includes medication would probably improve the patient’s condition within a significantly shorter time period, or there is a significant possibility that, without medication, the patient will harm himself or others before improvement of his condition is realized.

An adult who has been voluntarily committed to a short-term care facility shall have the right to refuse medication.

(2) Not to be subjected to psychosurgery or sterilization, without the express and informed, written consent of the patient after consultation with counsel or interested party of the patient’s choice. A copy of the patient’s consent shall be placed in the patient’s treatment record. If the patient has been adjudicated incompetent, a court of competent jurisdiction shall hold a hearing to determine the necessity of the procedure. The patient shall be physically present at the hearing, represented by counsel, and
provided the right and opportunity to be confronted with and to cross-examine all witnesses alleging the necessity of the procedure. In these proceedings, the burden of proof shall be on the party alleging the necessity of the procedure. In the event that a patient cannot afford counsel, the court shall appoint an attorney not less than 10 days before the hearing. An attorney so appointed shall be entitled to a reasonable fee to be determined by the court and paid by the State.

(3) To be free from unnecessary physical restraint and seclusion. Except for an emergency in which a patient has caused substantial property damage or has attempted to harm himself or others, or in which his behavior threatens to harm himself or others, and in which less restrictive means of restraint are not feasible, a patient may be physically restrained or placed in seclusion only on an attending physician's written order or that of another designated physician which explains the rationale for that action. The written order may be given only after the attending physician or other designated physician has personally seen the patient, and evaluated the episode or situation that is said to require restraint or seclusion.

In an emergency, the use of restraints or seclusion may be initiated by a registered professional nurse and shall be for no more than one hour. Within that hour, the nurse shall consult with the attending physician or other designated physician and, if continued restraint or seclusion is determined to be necessary, shall obtain an order from the attending physician or other designated physician to continue the use of restraints or seclusion. If an order is given, the patient shall be reevaluated by the nurse or the attending physician or other designated physician as to the patient's physical and psychiatric condition and the need for continuing the restraints or seclusion at least every two hours until the use of restraints or seclusion has ended.

The patient's attending physician or other designated physician shall enter a written order approving the continued use of restraints or seclusion no later than 24 hours after the time that physical restraint or seclusion began, and only after the physician has personally seen the patient. A written order by the physician for the continued use of restraints or seclusion shall be effective for no more than 24 hours and shall be renewed if restraint and seclusion are continued. A medical examination of the patient shall be conducted every 12 hours by a physician.

While a patient is in restraints or seclusion, nursing personnel shall check the patient's hygienic, toileting, food-related and other needs every 15 minutes. A notation of these checks shall be
placed in the patient’s medical record along with the order for restraints or seclusion. A patient in restraints shall be permitted to ambulate every four hours, except when the patient’s psychiatric condition would make a release from restraints dangerous to himself or others, and shall be permitted to ambulate at least once every 12 hours regardless of the patient’s psychiatric condition.

(4) To be free from any form of punishment.

(5) Not to receive electroconvulsive treatment or participate in experimental research without the express and informed, written consent of the patient. The patient shall have the right to consult with counsel or interested party of the patient’s choice. A copy of the patient’s consent shall be placed in the patient’s treatment record. If the patient has been adjudicated incompetent, a court of competent jurisdiction shall hold a hearing to determine the necessity of the procedure. The patient shall be physically present at the hearing, represented by counsel, and provided the right and opportunity to be confronted with and to cross-examine all witnesses alleging the necessity of the procedure. In these proceedings, the burden of proof shall be on the party alleging the necessity of the procedure. In the event that a patient cannot afford counsel, the court shall appoint an attorney not less than 10 days before the hearing. An attorney so appointed shall be entitled to a reasonable fee to be determined by the court and paid by the State.

b. A patient receiving treatment in a short-term care facility shall have the following rights, which may only be denied pursuant to subsection c. of this section. A list of these rights shall be posted in a conspicuous place in each room designated for use by a patient and otherwise brought to the patient’s attention pursuant to subsection d. of this section:

(1) To privacy and dignity.

(2) To the least restrictive conditions necessary to achieve the purposes of treatment.

(3) To wear his own clothes; to have access to and use his non-dangerous personal possessions including his toilet articles; and to have access to and be allowed to spend a reasonable sum of his own money for expenses and small purchases.

(4) To have access to individual storage space for his private use.

(5) To see visitors each day.

(6) To have reasonable access to and use of telephones, both to make and receive confidential calls.

(7) To have ready access to letter writing materials, including stamps, and to mail and receive unopened correspondence.
(8) To regular physical exercise or organized physical activities several times a week.

(9) To be outdoors at regular and frequent intervals, in the absence of medical considerations, commencing two weeks after admission, except where the physical location of the short-term care facility precludes outdoor exercise or would render the supervision of outdoor exercise too onerous for the facility.

(10) To suitable opportunities for interaction with members of the opposite sex, with adequate supervision.

(11) To practice the religion of his choice or abstain from religious practices. Provisions for worship shall be made available to each patient on a nondiscriminatory basis.

(12) To receive prompt and adequate medical treatment for any physical ailment.

(13) To be provided with a reasonable explanation, in terms and language appropriate to the patient's condition and ability to understand, of:

(a) the patient's general mental and physical condition;

(b) the objectives of the patient's treatment;

(c) the nature and significant possible adverse effects of recommended treatments;

(d) the reasons why a particular treatment is considered appropriate; and

(e) the reasons for the denial of any of the patient's rights pursuant to subsection c. of this section.

c. (1) A patient's rights designated under subsection b. of this section may be denied only for good cause when the attending physician feels it is imperative to deny any of these rights; except that, under no circumstances shall a patient's right to communicate with his attorney, physician or the courts be restricted. The denial of a patient's rights shall take effect only after a copy of the written notice of the denial has been filed in the patient's treatment record and shall include an explanation of the reason for the denial.

(2) A denial of rights shall be effective for a period not to exceed 10 days and shall be renewed for additional 10-day periods only by a written statement entered by the attending physician or other designated physician in the patient's treatment record which indicates the detailed reason for the renewal of the denial.

(3) In each instance of a denial or a renewal, the patient, his attorney, and his guardian, if the patient has been adjudicated incompetent, shall be given written notice of the denial or renewal and the reason therefor.
d. A notice of the rights set forth in this section shall be given to a patient in a short-term care facility upon admission. The notice shall be in writing and in simple understandable language. It shall be in a language the patient understands and if the patient cannot read, it shall be read to him. In the case of an adjudicated incompetent patient, this procedure shall be followed for the patient’s guardian. Receipt of this notice shall be acknowledged in writing with a copy placed in the patient’s file. If the patient or guardian refuses to acknowledge receipt of the notice, the person delivering the notice shall state this in writing with a copy placed in the patient’s file.

C.30:4-27.1e Rights of patient in screening service.

5. a. A patient in a screening service shall have the following rights, which shall apply during the first 24 hours of involuntary assessment and care provided at a screening service and which shall not be denied under any circumstances. A list of these rights shall be posted in a conspicuous place in the screening service and otherwise brought to the patient’s attention pursuant to subsection d. of this section:

(1) To be free from unnecessary or excessive medication. Medication shall not be administered unless at the order of a physician. Medication shall be administered in accordance with generally accepted medical standards as part of a treatment program. Medication shall not be used as punishment, for the convenience of staff, as a substitute for a treatment program, or in quantities that interfere with the patient’s treatment program.

In an emergency in which less restrictive or appropriate alternatives acceptable to the patient are not available to prevent imminent danger to the patient or others, medication may be administered over a patient’s objection at the written order of a physician, which shall be valid for a period of up to 24 hours, in order to lessen the danger.

(2) Not to be subjected to experimental research, psychosurgery or sterilization, without the express and informed, written consent of the patient. The patient shall have the right to consult with counsel or interested party of the patient’s choice. A copy of the patient’s consent shall be placed in the patient’s treatment record.

(3) To be free from unnecessary physical restraint and seclusion. Except for an emergency, in which a patient has caused substantial property damage or has attempted to harm himself or others, or in which his behavior threatens to harm himself or others, and in which less restrictive means of restraint are not
feasible, a patient may be physically restrained or placed in seclusion only on an attending physician's written order or that of another designated physician which explains the rationale for that action. The written order may be given only after the attending physician or other designated physician has personally seen the patient, and evaluated the episode or situation that is said to require restraint or seclusion.

In an emergency, the use of restraints or seclusion may be initiated by a registered professional nurse and shall be for no more than one hour. Within that hour, the nurse shall consult with the attending physician or other designated physician and, if continued restraint or seclusion is determined to be necessary, shall obtain an order from the physician to continue the use of restraints or seclusion. If an order is given, the patient shall be reevaluated by the nurse or the attending physician or other designated physician as to the patient's physical and psychiatric condition and the need for continuing the restraints or seclusion at least every two hours until the use of restraints or seclusion has ended.

The patient's attending physician or other designated physician shall enter a written order approving the continued use of restraints or seclusion no later than 12 hours after the time that physical restraint or seclusion began, after the physician has personally seen the patient. A written order by the physician for the continued use of restraints or seclusion shall be effective for no more than 24 hours and shall be renewed if restraint and seclusion are continued. A medical examination of the patient shall be conducted every 12 hours by a physician.

While a patient is in restraints or seclusion, nursing personnel shall check the patient's hygienic, toileting, food-related and other needs every 15 minutes. A notation of these checks shall be placed in the patient's medical record along with the order for restraints or seclusion. A patient in restraints shall be permitted to ambulate every four hours, except when the patient's psychiatric condition would make a release from restraints dangerous to himself or others, and shall be permitted to ambulate at least once every 12 hours regardless of the patient's psychiatric condition.

(4) To be free from any form of punishment.

b. A patient receiving treatment in a screening service shall have the following rights, which may only be denied pursuant to subsection c. of this section. A list of these rights shall be posted in a conspicuous place in the screening service and otherwise brought to the patient's attention pursuant to subsection d. of this section:
(1) To privacy and dignity.
(2) To the least restrictive conditions necessary to achieve the purposes of treatment.
(3) To wear his own clothes, except as necessary for medical examination.
(4) To see visitors.
(5) To have reasonable access to and use of telephones, both to make and receive confidential calls.
(6) To practice the religion of his choice or abstain from religious practices.
(7) To receive prompt and adequate medical treatment for any physical ailment.
(8) To be provided with a reasonable explanation, in terms and language appropriate to the patient’s condition and ability to understand, of:
   (a) the patient’s general mental condition, and his physical condition if the screening service has conducted a physical examination of the patient;
   (b) the objectives of the patient’s treatment;
   (c) the nature and significant possible adverse effects of recommended treatments;
   (d) the reasons why a particular treatment is considered appropriate; and
   (e) the reasons for the denial of any of the patient’s rights pursuant to subsection c. of this section.
(9) To have a discharge plan prepared for him and to participate in the preparation of that plan.

c. (1) A patient’s rights designated under subsection b. of this section may be denied only for good cause when the attending physician feels it is imperative to deny any of these rights; except that, under no circumstances shall a patient’s right to communicate with his attorney, physician or the courts be restricted. The denial of a patient’s rights shall take effect only after a copy of the written notice of the denial has been filed in the patient’s treatment record and shall include an explanation of the reason for the denial.

(2) A denial of rights shall be effective only for the period of time that the patient is in the screening service.

d. A notice of the rights set forth in this section shall be given to a patient as soon as possible upon admission to the screening service. The notice shall be in writing and in simple understandable language. It shall be in a language the patient understands and if the patient cannot read, it shall be read to him. In the case
of an adjudicated incompetent patient, this procedure shall be fol­
lowed for the patient's guardian. Receipt of this notice shall be
acknowledged in writing with a copy placed in the patient's file.
If the patient or guardian refuses to acknowledge receipt of the
notice, the person delivering the notice shall state this in writing
with a copy placed in the patient's file.

2. There is appropriated to the State Agriculture Development Committee the sum of $1,500,000 from the “1989 Farmland Preservation Fund,” established pursuant to section 22 of the “Open Space Preservation Bond Act of 1989,” P.L.1989, c.183, for the purpose of providing for costs, as defined in section 3 of P.L.1989, c.183, incurred implementing the provisions of the “Agriculture Retention and Development Act,” P.L.1983, c.32 (C.4:1C-11 et seq.).

3. The expenditure of the sums appropriated by this act is subject to the provisions and conditions of P.L.1989, c.183.

4. This act shall take effect immediately.

CHAPTER 235

AN ACT concerning pollution prevention, amending P.L.1983, c.315, and supplementing Title 13 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Sections 1 through 16 of this act shall be known, and may be cited, as the “Pollution Prevention Act.”

C.13:1D-36  Findings, declarations.

2. The Legislature finds and declares that thousands of tons of a multitude of hazardous substances, the environmental and health effects of which are largely unknown, are discharged into the environment of the State each year; that most of these hazardous substances are legally discharged under the terms of air pollution, water pollution, and hazardous waste management permits that allow discharges of up to certain stipulated amounts; and that the discharge of these hazardous substances into air and water, onto the land, and into the workplaces and neighborhoods of the State constitutes an unnecessary risk to the environment and to occupational and public health.

The Legislature further finds and declares that for the past two decades the State’s major environmental regulatory efforts, to wit, the air pollution, water pollution, and hazardous waste management programs administered by the Department of Environmental Protection as directed and mandated under federal and State law, have focused on controlling or managing discharges of hazardous substances through permit systems and the installation of pollution control technologies; that the traditional system of separately regulating air pollution, water pollution, and hazardous waste management constitutes a fragmented approach to environmental protection and potentially allows pollution to be shifted from one environmental medium to another; and that while the traditional system has produced palpable improvements in the State’s environmental quality, it does not adequately address the impact of the use of hazardous substances upon occupational health in pollution-generating industrial processes.

The Legislature further finds and declares that the inherent limitations of the traditional system of pollution control should be addressed by a new emphasis on pollution prevention, including the reduction of the use of hazardous substances in industrial and manufacturing processes; that a rigorous accounting of the use of hazardous substances, the generation of hazardous substances as nonproduct output, and the multimedia environmental release of hazardous substances at each step of an industrial process will identify the points at which, and the procedures by which, pollution can be prevented; that pollution prevention can be achieved through a more
efficient and rational use of hazardous substances, or through the use of less hazardous substitute substances or processes less prone to produce pollution; and that a soundly planned pollution prevention program can be implemented without adversely affecting the State’s economic health or the livelihood of those employed by industries that use and discharge hazardous substances.

The Legislature therefore determines that it is in the interest of the environment and public and occupational health, and in the general public interest of all residents of the State, to transform the current system of pollution control to a system of pollution prevention; that it is in the public interest to propose as a State public policy goal a significant reduction over five years after the preparation of the pollution prevention plans required by this act, calculated on the basis of 1987 amounts, in the use of hazardous substances at industrial facilities, and a 50% reduction over five years after the preparation of the pollution prevention plans required by this act, calculated on the basis of 1987 amounts, in the generation of hazardous substances as nonproduct output; that an Office of Pollution Prevention should be established in the Department of Environmental Protection, charged with implementing a comprehensive pollution prevention program and integrating the air pollution, water pollution, and hazardous waste management programs into the pollution prevention program; and that certain industries or facilities should be required to prepare and implement pollution prevention plans, pollution prevention plan summaries, and pollution prevention progress reports for the purpose of making pollution prevention a primary technique in the control of hazardous substances and their environmental and health effects.

c. The Governor shall appoint a chairman and other officers as may be necessary from among the members of the board. Members of the board shall serve without compensation but the board may, within the limits of funds appropriated or otherwise made available to it for such purposes, reimburse its members for reasonable and necessary expenses incurred in the discharge of their official duties.

(10) Review the expenditure by the department of monies deposited in the "Pollution Prevention Fund" established pursuant to section 16 of this act.

C.13:1D-40 Rules, regulations.

6. a. Within 18 months of the effective date of this act, the department shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary for the implementation of this act.

b. Within 18 months of the effective date of this act the department shall adopt, pursuant to the "Administrative Procedure Act," rules and regulations that outline the substantive requirements of pollution prevention plans, pollution prevention plan summaries, and pollution prevention plan progress reports, and shall make a document setting forth these requirements available to owners and operators of priority industrial facilities. The rules and regulations adopted pursuant to this subsection shall, to the maximum extent practicable and feasible, require that information required for the preparation of a pollution prevention plan, pollution prevention plan
CHAPTER 235, LAWS OF 1991

summary, and a pollution prevention plan progress report be based on information developed by the owner or operator of an industrial facility for the purposes of compliance with 42 U.S.C.§ 11023 and P.L.1983, c.315 (C.34:5A-1 et al.). These rules and regulations shall specify which information required in a pollution prevention plan summary and pollution prevention plan progress report may be reported to the department in an environmental survey submitted pursuant to P.L.1983, c.315 instead of in a pollution prevention plan summary or a pollution prevention plan progress report. These regulations may require owners or operators of industrial facilities to submit pollution prevention plan summaries or pollution prevention plan progress reports in a form that is compatible with the department’s electronic information storage and retrieval system.

c. Within 18 months of the effective date of this act the department shall adopt, pursuant to the “Administrative Procedure Act,” rules and regulations establishing criteria pursuant to which the department shall be authorized to issue a directive requiring an industrial facility which is not a priority industrial facility to prepare a pollution prevention plan, pollution prevention plan summary, and a pollution prevention plan progress report. These criteria shall include the toxicity and volume of the hazardous substances or hazardous waste used, generated or released at the industrial facility, and the history of unpermitted releases at the industrial facility. These criteria shall also include a requirement that the department, prior to issuing a directive pursuant to this subsection, make a written finding that, based on the past performance of the industrial facility and the compliance of the industrial facility with the terms of any permit, certificate, registration, or any other relevant department approval issued to the owner or operator of the industrial facility pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.), and the extent to which the industrial facility contributes to the total amount of hazardous substances used, generated, or released in the State or a region of the State, the preparation of a pollution prevention plan, pollution prevention plan summary, and pollution prevention plan progress report for the industrial facility could result in a reduction in the use or release of hazardous substances or the generation of hazardous waste or nonproduct output at the industrial facility and a reduction in the threat posed to the environment or public health by the use or release of hazardous substances or the generation of hazardous waste or nonproduct output at the industrial facility.
d. The department, pursuant to rules and regulations adopted pursuant to the "Administrative Procedure Act," may establish for any hazardous substance used or manufactured at an industrial facility a facility-wide threshold quantity of up to 10,000 pounds below which the hazardous substance need not be included in the pollution prevention plan, pollution prevention plan summary or pollution prevention plan progress report, or a 10-employee threshold below which an industrial facility would not be required to prepare a pollution prevention plan or submit a pollution prevention plan summary and a pollution prevention plan progress report.

e. An owner or operator of an industrial facility may include in a pollution prevention plan, pollution prevention plan summary, and pollution prevention plan progress report an input-use exemption list of any hazardous substances used in a specific production process at the industrial facility, the input-use of which he has determined through pollution prevention planning cannot be reduced below the current level. For each hazardous substance included on the input-use exemption list, the owner or operator shall be required to demonstrate, in writing, that there is no reasonably available and economically viable alternative to the current level of input-use of the hazardous substances in the specified production process. An owner or operator shall not be required to include in a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report a reduction in use for any hazardous substance included on an input-use exemption list, but shall be required to provide all other information concerning such a hazardous substance required in a pollution prevention plan, pollution prevention plan summary, and pollution prevention plan progress report. Notwithstanding the inclusion of a hazardous substance on an input-use exemption list, the owner or operator of an industrial facility shall be required to consider pollution prevention techniques other than use reduction with regard to each hazardous substance on the input-use exemption list.

f. An owner or operator of an industrial facility shall not be required to include in a pollution prevention plan, pollution prevention plan summary or pollution prevention plan progress report information pertaining to improvements in pollution prevention for a production process established after January 1, 1992 until the first five-year revision of the pollution prevention plan and pollution prevention plan summary prepared for the industrial facility at which the production process is carried out after the establishment
of the production process, or until five years after the establishment of the production process, whichever occurs later. Within 18 months of the effective date of this act, the department shall adopt, pursuant to the "Administrative Procedure Act," rules and regulations establishing criteria for the identification of production processes subject to the provisions of this subsection.

(1) For the industrial facility, the industrial facility’s five-year numeric goals for reducing the use of each hazardous substance and for reducing the generation as nonproduct output of each hazardous substance;
(2) For each targeted production process, the industrial facility’s five-year numeric goals for reducing the use of each hazardous substance per unit of product in the targeted production process, and for reducing the generation as nonproduct output of each hazardous substance per unit of product in the targeted production process;

(3) A description of each targeted production process and targeted source;

(4) An identification, for each targeted production process and targeted source, of available reduction options, including procedures, technologies and equipment, that may substantially reduce the use and generation of hazardous substances;

(5) A feasibility analysis, for each targeted production process and targeted source, of reduction options identified pursuant to paragraph (4) of this subsection, which shall include, but need not be limited to, a full-cost accounting of the options, and any technological obstacles to adopting the options;

The options to be described shall include, but need not be limited to, employee training, management policies, inventory control, scheduling improvements, material handling improvements, and spill and leak prevention;

(7) A description of the valuation methods used by the owner or operator to determine not to install or utilize each option identified pursuant to paragraph (6) of this subsection that would have resulted in a greater percentage reduction in the use of hazardous substances or generation of nonproduct output than the option chosen;

(8) An assessment and schedule for implementing on-site out-of-process recycling with regard to industrial facilities authorized by the department to include out-of-process recycling in a pollution prevention plan; and

(9) A quantitative description of the impact that individual pollution prevention techniques have had on post-treatment multimedia environmental releases of hazardous substances, reported by medium.

d. Within 18 months of the effective date of this act, the department shall adopt, pursuant to the “Administrative Procedure Act,” P.L. 1968, c.410 (C.52:14B-1 et seq.), rules and regulations establishing criteria pursuant to which owners and operators of industrial facilities may identify targeted production
processes and targeted sources for the purpose of focusing pollution prevention strategies on these targeted production sources and targeted sources. The criteria for the identification of targeted production processes and targeted sources shall be based on a consideration of the toxicity of specific hazardous substances or hazardous wastes used, generated or released at the targeted production process or targeted source, and shall require that a targeted production process or targeted source be a production process or source which makes a significant contribution to the use and release of hazardous substances, the generation of hazardous waste, and the generation of nonproduct output, as appropriate, at the industrial facility.

e. The owner or operator of an industrial facility may include in a pollution prevention plan and pollution prevention plan summary a description of any pollution prevention strategies implemented at the industrial facility prior to 1987.

f. The department may authorize an owner or operator of an industrial facility to include out-of-process recycling in a pollution prevention plan and a pollution prevention plan summary if the department determines that pollution prevention strategies are not reasonably available to the owner or operator.

g. The information required by the department in a pollution prevention plan progress report, except as otherwise provided by the department in rules and regulations adopted pursuant to section 6 of this act, shall include the following:

(1) An identification of each production process and targeted production process, and calculations, for the industrial facility and for each targeted production process and any other production process required by the department, of the reduction or increase in the use of each hazardous substance per unit of production, in the generation of each nonproduct output per unit of production, and in multimedia releases, by medium, following recycling and treatment of each hazardous substance, in comparison to the previous year;

(2) An indication of the method used to achieve each reduction listed pursuant to paragraph (1) of this subsection;

(3) A numerical statement demonstrating the industrial facility’s progress towards achieving each of its five-year goals, including the most recent information required pursuant to paragraphs (1) and (2) of subsection c. of this section;

(4) An explanation of why the industrial facility’s annual progress may be less than that anticipated in the pollution prevention plan time schedule for implementation; and
(5) A description of pollution prevention techniques that the owner or operator of the industrial facility intends to undertake during the forthcoming year at a targeted production process level.

h. The information required by the department in a pollution prevention plan summary, except as otherwise provided by the department in rules and regulations adopted pursuant to section 6 of this act, shall contain the following:

(1) For the industrial facility, the industrial facility's five-year numeric goal for reducing the use of each hazardous substance, and for reducing the generation of each nonproduct output;

(2) For each targeted production process, the industrial facility's five-year numeric goals for reducing the use of each hazardous substance per unit of production, and for reducing the generation of nonproduct output per unit of product in the targeted production process;

(3) A description of each targeted production process and targeted source;

(4) A description, for each targeted production process, of the techniques the owner or operator of the industrial facility intends to undertake during the next five years to achieve the industrial facility's reduction goals, and a schedule for the implementation of the techniques;

(5) An indication, for each hazardous substance used in a targeted production process, of whether the hazardous substance is used in an amount of 0 to 5,000 pounds, 5000 pounds to 10,000 pounds, or greater than 10,000 pounds;

(6) A written certification that the owner or operator of the industrial facility has prepared a pollution prevention plan and that the plan is available on site for the department's inspection; and

(7) A list of all other permits, certificates, registrations, or other approvals, or documents issued by the department for the industrial facility.

i. The owner or operator of an industrial facility shall not be required to include in a pollution prevention plan or pollution prevention plan summary information concerning a research and development laboratory located at the industrial facility.

j. The owner or operator of an industrial facility shall not be required to prepare a pollution prevention plan, pollution prevention plan summary or pollution prevention plan progress report for a pilot facility.

k. The department shall adopt, pursuant to the “Administrative Procedure Act,” rules and regulations establishing criteria under
which the department shall consider sources or production processes that use similar ingredients to produce one or more similar products as a single source or production process for the purposes of reporting information in a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report.

I. Nothing in this act shall be construed to authorize the department to request or require the owner or operator of an industrial facility to provide information concerning non-hazardous substances or product formulas for mixtures that include non-hazardous substances, or to require that such information be included in a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report.

C.13:1D-42 Preparation of pollution prevention plan, submission of summary; progress reports.

8. a. The owner or operator of each priority industrial facility having a Standard Industrial Classification, as designated by the federal Office of Management and Budget, within Major Group Numbers 26, 28, 30, 33 and 34, shall prepare a pollution prevention plan and submit a pollution prevention plan summary to the department on or before July 1, 1994.

b. The owner or operator of each priority industrial facility, other than those priority industrial facilities enumerated in subsection a. of this section, shall prepare a pollution prevention plan and submit a pollution prevention plan summary to the department on or before July 1, 1996.

c. The owner or operator of a priority industrial facility shall maintain a copy of the pollution prevention plan for the facility at the facility, where it shall be available for inspection by the department.

d. The owner or operator of a priority industrial facility shall annually update the information required to be reported pursuant to paragraphs (13) through (17) of subsection b. of section 7 of this act. The owner or operator of a priority industrial facility shall update the information required to be reported in paragraphs (1) through (12) of subsection b. of section 7 of this act, and pursuant to subsection h. of section 7 of this act, if a significant change in the operation of the priority industrial facility occurs, including the cessation or major expansion of a production process, the installation or removal of primary components of a production process, or the use or release of a hazardous substance, or the generation of a hazardous waste, which was not used, released, or generated when the initial pollution prevention plan was completed.
e. The owner or operator of a priority industrial facility shall prepare a complete revision of a pollution prevention plan by July 1 of the fifth year after the year of the initial completion of the pollution prevention plan, and by July 1 of each fifth year thereafter.

e. The owner or operator of a priority industrial facility shall prepare and submit to the department a complete revision of a pollution prevention plan summary by July 1 of the fifth year after the year of the initial completion of the pollution prevention plan summary, and by July 1 of each fifth year thereafter.

g. The owner or operator of a priority industrial facility shall prepare and submit to the department, on July 1 of each year after the year of the initial completion of a pollution prevention plan or the year of a complete revision of the pollution prevention plan, a pollution prevention plan progress report that indicates the progress made in the previous year in complying with the pollution prevention goals set forth in the initial pollution prevention plan, or revised pollution prevention plan, as appropriate.

h. After January 1, 1995, the department, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), may adopt rules and regulations designating as priority industrial facilities industrial facilities other than those designated as priority industrial facilities pursuant to section 3 of this act. At least one year prior to the final adoption of any rules and regulations designating proposed priority industrial facilities pursuant to this subsection, the department shall submit to the Legislature a list of the proposed priority industrial facilities.

i. The department may adopt, pursuant to the “Administrative Procedure Act,” rules and regulations establishing criteria for the inclusion of hazardous substances in pollution prevention plans, pollution prevention plan summaries, and pollution prevention plan progress reports other than the hazardous substances on the list established pursuant to 42 U.S.C.§ 11023, which criteria shall include a consideration of the toxicity of a substance, evidence of the production of the substance in commercial quantities, and prior regulation as a hazardous substance pursuant to P.L.1976, c.141 (C.58:10-23.11 et seq.), section 4 of P.L.1985, c.403 (C.13:1K-22), or 42 U.S.C. § 9601.

C.13:1D-43 Department authorized to require submission of pollution prevention plan, summary, progress report.

9. a. The department shall have the authority to require the owner or operator of a priority industrial facility to prepare and submit a pollution
prevention plan and submit a pollution prevention plan summary and pollution prevention plan progress report to the department.

b. The department shall have the authority to approve a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report prepared pursuant to this act and require the owner or operator of a priority industrial facility to make any revisions or modifications of a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report necessary for compliance with the provisions of this act, as determined by the department pursuant to rules and regulations adopted pursuant to section 6 of this act. In reviewing a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report, the department shall have the authority to require an owner or operator of a priority industrial facility to provide such information as the department deems necessary to support the owner or operator's identification of a targeted production process or targeted source. If the department requires the owner or operator of a priority industrial facility to make revisions or modify a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report, the department shall consider the financial impact on the owner or operator of the priority industrial facility of the changes or modifications.

c. At the time of an initial application for, or renewal of, any permit, certificate, registration, or any other relevant department approval issued to the owner or operator of a priority industrial facility pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.), the department may require that the permit, certificate, registration or approval include the pollution prevention strategies set forth in the pollution prevention plan or pollution prevention plan summary prepared for the priority industrial facility pursuant to this act, or may require, as a condition of issuing a permit, certificate, registration, or any other relevant department approval to the owner or operator of a priority industrial facility pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.), that the owner or operator of the priority industrial facility prepare a pollution prevention plan and submit a pollution prevention plan summary to the department.

d. The department may revoke, issue, reissue, or modify any permit, certificate, registration, or any other relevant approval issued to the owner or operator of a priority industrial facility by
the department pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.) for the purpose of issuing a facility-wide permit, or requiring more stringent emission or effluent levels based on pollution prevention strategies contained in the pollution prevention plan prepared by the owner or operator of the priority industrial facility. Any action taken by the department pursuant to this subsection to revoke, issue, reissue, or modify any permit, certificate, registration, or other departmental approval may be appealed pursuant to the provisions of P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.), as appropriate.

C.13:1D-44 Department may direct owner of non-priority industrial facility to submit pollution prevention plan, summary, progress report.

10. a. The department, pursuant to the criteria established in rules and regulations adopted pursuant to subsection c. of section 6 of this act, may direct the owner or operator of an industrial facility which is not designated a priority industrial facility pursuant to section 3 or subsection h. of section 8 of this act, to prepare a pollution prevention plan for the industrial facility and to submit a pollution prevention plan summary and pollution prevention plan progress report to the department. An owner or operator of an industrial facility directed to prepare a pollution prevention plan, pollution prevention plan summary, and pollution prevention plan progress report pursuant to this subsection shall prepare the pollution prevention plan, submit the pollution prevention plan summary to the department within 18 months of receipt of the department's directive, and shall annually submit to the department a pollution prevention plan progress report.

b. The department shall have the authority to approve a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report prepared pursuant to this section, and to require the owner or operator of an industrial facility to make any revisions or modifications in a pollution prevention plan or pollution prevention plan summary necessary for compliance with the provisions of this act, as determined by the department pursuant to rules and regulations adopted pursuant to section 6 of this act. In reviewing a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report, the department shall have the authority to require an owner or operator of an industrial facility to provide such
information as the department deems necessary to support the owner or operator's identification of a targeted production process or targeted source. If the department requires the owner or operator of an industrial facility to make revisions or modify a pollution prevention plan, pollution prevention plan summary, or pollution prevention plan progress report, the department shall consider the financial impact on the owner or operator of the industrial facility of the changes or modifications.

c. At the time of an initial application for, or an application for the renewal of, any permit, certificate, registration, or any other relevant approval issued by the department pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.) to the owner or operator of an industrial facility that has been directed by the department to prepare a pollution prevention plan and pollution prevention plan summary pursuant to subsection a. of this section, the department may require that the permit, certificate, registration, or approval include the pollution prevention strategies set forth in the pollution prevention plan or pollution prevention plan summary prepared for the industrial facility.

d. The department may revoke, issue, reissue, or modify any permit, certificate, registration, or any other relevant approval issued by the department pursuant to P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.) to the owner or operator of an industrial facility that has been directed by the department to prepare a pollution prevention plan and pollution prevention plan summary pursuant to subsection a. of this section for the purpose of including the pollution prevention strategies set forth in the pollution prevention plan or pollution prevention plan summary prepared for the industrial facility. Any action taken by the department pursuant to this subsection to revoke, issue, reissue, or modify any permit, certificate, registration, or other department approval may be appealed pursuant to the provisions of P.L.1970, c.33 (C.13:1D-1 et seq.), P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), or P.L.1954, c.212 (C.26:2C-1 et seq.), as appropriate.

C.13:1D-45 Department research on pollution prevention trends.

11. The department shall conduct research on pollution prevention trends within each of the Standard Industrial Classification industry groups represented by priority industrial facilities. This
research shall include an analysis of information contained in pollution prevention plan summaries prepared and submitted to the department by owners or operators of priority industrial facilities, and may include an analysis of pollution prevention plans. Within five years of the effective date of this act, the department shall prepare and submit to the Governor and the Legislature, and shall make available to the public, a pollution prevention profile report for each of the Standard Industrial Classification industry groups represented by priority industrial facilities that summarizes the department's research on each industry group, and, if warranted by the research, that recommends any administrative or legislative action necessary to increase pollution prevention activities at priority industrial facilities.

C.13:1D-46 Department may enter industrial facility to obtain information about pollution prevention practices.

12. The department may enter any industrial facility for the purpose of obtaining information concerning the industrial facility's pollution prevention practices, reviewing a pollution prevention plan, ascertaining the quality of any work performed in accordance with this act or rules or regulations adopted pursuant thereto, or ascertaining compliance with a facility-wide permit or the provisions of this act or any rule or regulation adopted pursuant thereto. Any information relating to a trade secret obtained in the course of implementing or enforcing the provisions of this act shall be kept confidential and shall be inadmissible as evidence in any court or in any other proceeding in such a manner so as to protect the confidentiality of the information.

13. a. Any owner or operator of an industrial facility required to prepare a pollution prevention plan and submit to the department a pollution prevention plan summary may omit from the pollution prevention plan or pollution prevention plan summary the specific chemical identity of a hazardous substance about which information is required, and include instead the generic class or category of the hazardous substance, or may omit any other information required to be disclosed, if the owner or operator files with the department a trade secret claim pursuant to this section.

b. Any owner or operator of an industrial facility omitting information from a pollution prevention plan or pollution prevention plan summary pursuant to this section shall submit to the department, accompanied by the pollution prevention plan summary, a trade secret claim in which the owner or operator of the industrial facility provides the commissioner with the information
omitted, and a statement demonstrating that the information omitted meets the criteria for a valid trade secret established pursuant to subsection c. of this section. The trade secret claim shall include the information omitted from the pollution prevention plan or pollution prevention plan summary, and the commissioner shall maintain this information on a confidential basis. Any trade secret claim made pursuant to this section which the department determines is false or frivolous shall be considered a violation of this act.

(c) No owner or operator of an industrial facility shall omit information from a pollution prevention plan or pollution prevention plan summary unless the owner or operator can demonstrate that:

1. The information has not been disclosed to any other person other than to a person bound by a confidentiality agreement;
2. The owner or operator has taken all reasonable measures necessary to protect the secrecy of the information;
3. The information is not required to be disclosed, or to be otherwise made available, to the public pursuant to any other federal or State law;
4. Disclosure of the information would be likely to cause the owner or operator substantial economic disadvantage or harm; and
5. The information is not readily discoverable through reverse engineering or other analytical techniques.

(d) The department shall act to make a determination on the validity of a trade secret claim when a request is made by any person for the disclosure of the information for which the trade secret claim was made, or at any time that the department deems appropriate. Upon making a determination on the validity of a trade secret claim, the department shall inform the owner or operator of the affected industrial facility of the determination by certified mail. If the department determines that the owner or operator's trade secret claim is not valid, the owner or operator shall have 45 days from the receipt of the department's determination to file with the department a written request for an administrative hearing on the determination. If the owner or operator does not file such a request within 45 days, the department shall take action to provide that the information for which the trade secret claim was made be disclosed pursuant to the provisions of this act. If an owner or operator requests an administrative hearing pursuant to the provisions of this subsection, the department shall refer the matter to the Office of Administrative Law for a hearing thereon. At the hearing, the owner or operator shall have the burden to show that the trade
secret claim is valid. Within 45 days of receipt of the administrative law judge's recommendation, the department shall affirm, reject, or modify the recommendation. The department’s action shall be considered the final agency action for the purposes of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), and shall be subject only to judicial review as provided in the Rules of Court. The department shall inform the owner or operator of its decision on the administrative law judge’s recommendation by certified mail. If the department determines that the trade secret claim is not valid, the owner or operator shall have 45 days to notify the department in writing that he has filed an appeal of the department’s decision in the courts. If the owner or operator does not so notify the department, the department shall take action to provide that the information for which the trade secret claim was made be disclosed pursuant to the provisions of this act.

e. The department shall provide any information for which a trade secret claim is pending or has been approved pursuant to this section to a physician or osteopath when such information is needed for medical diagnosis or treatment. The department shall require the physician or osteopath to sign an agreement protecting the confidentiality of information disclosed pursuant to this subsection.

f. Any pollution prevention plan summary containing information for which a trade secret claim is pending or has been approved shall be made available to the public with that information omitted.

g. The subject of any trade secret claim pending or approved shall be treated as confidential information. Confidential information shall be kept in a locked file within a locked room at the department, and shall not be duplicated by any person, including any employee of the department. The department shall maintain a record of all persons obtaining access to the confidential information, including the date and time of, and the reasons for, the access. Except as provided in subsection e. of this section, the department shall not disclose any confidential information to any person except an officer or employee of the State in connection with the official duties of the officer or employee under any law for the protection of public health, or to the contractors of the State and their employees if, in the opinion of the department, the disclosure is necessary for the completion of any work contracted for in connection with the implementation of this act. Any officer or employee of the State, contractor of the State, physician, or osteopath who has access to any confidential information, and who willingly and
knowingly discloses the confidential information to any person not authorized to receive it, is guilty of a crime of the third degree.

h. The commissioner shall not approve any trade secret claim for any information which the Administrator of the United States Environmental Protection Agency has determined is not a trade secret pursuant to 42 U.S.C. §11042 or 42 U.S.C. §6921.

i. An owner or operator of an industrial facility may not claim the following information as a trade secret:

(1) The chemical name, identity, and amounts of any hazardous substance discharged into the air or the surface or ground waters of the State or into a wastewater treatment system, the chemical identity and amounts of hazardous waste generated, or the location of a discharge or generation; or

(2) Hazards to health or the environment posed by any hazardous substance at an industrial facility, and potential routes of human exposure to a hazardous substance.

j. The information for which a trade secret claim is made pursuant to this section may be used by the department in general compilations of information based on industry groups or classifications of hazardous substances, or for the conducting of research and preparation of the reports required pursuant to section 9 of this act if this use does not identify the specific industrial facility or priority industrial facility for which the information was reported.

C.13:1D-48 Designation of priority industrial facilities to receive permit.

14. a. Within 18 months of adoption of the rules and regulations required pursuant to section 6 of this act, the department shall designate no fewer than 10 but not more than 15 individual priority industrial facilities to each receive a facility-wide permit on the basis of criteria adopted by the department. These criteria shall include, but need not be limited to:

(1) The potential for a priority industrial facility to serve as a State-wide model for multimedia pollution prevention programs;

(2) The potential for a priority industrial facility that does not meet industry-wide pollution prevention goals to meet these goals through a facility-wide permit; and

(3) The potential for a priority industrial facility that has not met the pollution prevention goals set forth in its pollution prevention plan to meet these goals through a facility-wide permit.

At the time of the designation of priority industrial facilities pursuant to this subsection, the department shall prepare and submit to the Legislature a report summarizing the designation
process and progress made to date in establishing a facility-wide permitting program.

b. Within 30 months of the adoption of the rules and regulations required pursuant to section 6 of this act, the department shall issue facility-wide permits to the priority industrial facilities designated pursuant to subsection a. of this section.

c. Within 36 months of the adoption of the rules and regulations required pursuant to section 6 of this act, the department shall prepare and submit to the Governor and the Legislature a report analyzing the facility-wide permit program, evaluating the successes or shortcomings of the facility-wide permit program, evaluating the ability of the department to conduct and expand the facility-wide permit program, and proposing, if warranted, a schedule to expand the applicability of the facility-wide permit program. The department shall not expand the facility-wide permitting program beyond the number of priority industrial facilities designated pursuant to subsection a. of this section without authorization by law.

C.13:1D-49 Violations, penalties.

15. a. Whenever, on the basis of information available to the commissioner, the commissioner finds that a person is in violation of this act, the commissioner shall:

(1) Issue an order in accordance with subsection b. of this section requiring the person to comply;

(2) Bring a civil action in accordance with subsection c. of this section;

(3) Levy a civil administrative penalty in accordance with subsection d. of this section; or

(4) Bring an action for a civil penalty in accordance with subsection e. of this section.

The exercise of any of the remedies provided in this section shall not preclude recourse to any other remedy so provided.

b. Whenever, on the basis of information available to the commissioner, the commissioner finds that a person is in violation of this act, the commissioner may issue an order (1) specifying the provision or provisions of this act, or the rule or regulation adopted pursuant thereto, of which the person is in violation; (2) citing the action that caused the violation; (3) requiring compliance with the provision of this act or the rule or regulation adopted pursuant thereto of which the person is in violation; and (4) giving notice to the person of his right to a hearing on the matters contained in the order.
c. The commissioner is authorized to commence a civil action in Superior Court for appropriate relief from a violation of this act. This relief may include an assessment against the violator for the costs of any investigation, inspection, or monitoring survey that led to the discovery and establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection.

d. (1) The commissioner is authorized to impose a civil administrative penalty of not more than $15,000 for each violation, and each day during which each violation continues shall constitute an additional, separate, and distinct offense. Any amount imposed under this subsection shall be assessed pursuant to rules and regulations adopted by the commissioner for violations of similar type, seriousness, and duration. The commissioner shall have the authority to assess penalties prior to the establishment of rules and regulations governing penalties to the extent that such penalties are reasonable and based on other violations of a similar type, seriousness, and duration. No civil administrative penalty shall be imposed until after the person has been notified by certified mail or personal service. The notice shall include: a reference to the section of the act, rule, regulation, order, or permit violated; a concise statement of the facts alleged to constitute a violation; a statement of the amount of the civil administrative penalties to be imposed; and a statement of the person's right to a hearing. The person shall have 20 days from receipt of the notice within which to deliver to the commissioner a written request for a hearing. Subsequent to the hearing and upon finding that a violation has occurred, the commissioner may issue a final order or civil administrative penalty after imposing the amount of the fine specified in the notice. If no hearing is requested, the notice shall become a final order or a final civil administrative penalty upon the expiration of the 20-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order or a final civil administrative penalty. The authority to levy a civil administrative penalty is in addition to all other enforcement provisions in this act, and the payment of a civil administrative penalty shall not be deemed to affect the availability of any other enforcement provision in connection with the violation for which the penalty is levied. A civil administrative penalty imposed under this subsection may be compromised by the commissioner upon the posting of a performance bond by the violator, or upon terms and conditions the commissioner may establish by rule or regulation.
(2) In addition to the assessment of a civil administrative penalty, the commissioner may, by administrative order and upon an appropriate finding, assess a violator for the reasonable costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation.

e. Any person who violates this act, an order issued pursuant to subsection b. of this section, or a court order issued pursuant to subsection c. of this section, or who fails to pay in full a civil administrative penalty levied pursuant to subsection d. of this section, shall be subject, upon order of a court, to a civil penalty not to exceed $15,000 for each day during which the violation continues. Any penalty imposed pursuant to this subsection may be collected, and any costs incurred in connection therewith may be recovered, in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.). The Superior Court and the municipal court shall have jurisdiction to enforce "the penalty enforcement law."

C.13:1D-50 “Pollution Prevention Fund” established.

16. There is established in the department a nonlapsing fund to be known as the "Pollution Prevention Fund," hereinafter referred to as "the fund." The fund shall be credited with all fees imposed and collected by the Department of Labor pursuant to paragraph (2) of subsection b. of section 26 of P.L.1983, c.315 (C.34:5A-26), and with all penalties collected for violations of this act, and with any other monies that may be made available, or appropriated, to the department for the implementation of this act. Monies in the fund shall be used by, and are hereby appropriated to, the department solely for the purpose of implementing the provisions of this act.

17. Section 3 of P.L.1983, c.315 (C.34:5A-3) is amended to read as follows:

C.34:5A-3 Definitions.

3. As used in this act:

The State Treasurer shall be the administrator of the "Worker and Community Right To Know Fund," and all disbursements from the "Worker and Community Right To Know Fund" shall be made by the State Treasurer upon the warrant of the Director of the Division of Budget and Accounting.

b. (1) The Department of Labor shall annually assess each employer a fee of not less than $50.00 nor more than an amount equal to $2.00 per employee to provide for the implementation of the provisions of this act. All fees collected by the department pursuant to this paragraph shall be deposited in the "Worker and Community Right To Know Fund."

(2) The Department of Labor shall annually assess each employer a fee of $2.00 per employee for the implementation of P.L.1991, c.235 (C.13:1D-35 et seq.). e. Beginning two years after the effective date of this act, the State Treasurer shall make an annual audit of the "Worker and Community Right To Know Fund" to determine the adequacy of moneys on deposit in the "Worker and Community Right To Know Fund" to support the implementation of the provisions of this act. If the State Treasurer, in consultation with the Department of Health, the Department of Environmental Protection, and the Department of Labor makes a determination that the revenues in the "Worker and Community Right To Know Fund" are sufficient to warrant a reduction in the fees imposed pursuant to paragraph (1) of subsection b. of this section for the ensuing year, he may reduce the amount of the fees imposed during that year by an amount warranted by the balance in the "Worker and Community Right To Know Fund" at the time of the determination.

1. Section 11 of P.L.1971, c.182 (C.52:13D-22) is amended to read as follows:

C.52:13D-22 Joint Legislative Committee on Ethical Standards; membership, powers and duties; penalties.

11. (b) The joint committee shall be composed of 12 members as follows: four members of the Senate appointed by the President thereof, no more than two of whom shall be of the same political party; four members of the General Assembly, appointed by the Speaker thereof, no more than two of whom shall be of the same political party; and four public members, one appointed by the President of the Senate, one appointed by the Speaker of the General Assembly, one appointed by the Minority Leader of the Senate and one appointed by the Minority Leader of the General Assembly. No public member shall be a lobbyist or legislative agent as defined by the "Legislative Activities Disclosure Act of 1971," P.L.1971, c.183 (C.52:13C-18 et seq.), a full-time State employee or an officer or director of any entity which is required
to file a statement with the Election Law Enforcement Commission, and no former lobbyist or legislative agent shall be eligible to serve as a public member for one year following the cessation of all activity by that person as a legislative agent or lobbyist. The legislative members shall serve until the end of the two-year legislative term during which the members are appointed. The public members shall serve for terms of two years and until the appointment and qualification of their successors. The terms of the public members shall run from the second Tuesday in January of an even-numbered year to the second Tuesday in January of the next even-numbered year, regardless of the original date of appointment. Notwithstanding the terms of the public members as established in this section, the public members first appointed shall serve from their initial appointments, all of which shall be made not later than the 60th day following the effective date of this act, until the second Tuesday in January of the next even-numbered year. Vacancies in the membership of the joint committee shall be filled in the same manner as the original appointments, but for the unexpired term only. Public members of the joint committee shall serve without compensation, but shall be entitled to be reimbursed for all actual and necessary expenses incurred in the performance of their duties.

(c) The joint committee shall organize as soon as may be practicable after the appointment of its members, by the selection of a chairman and vice chairman from among its membership and the appointment of a secretary, who need not be a member of the joint committee.

(e) The joint committee may, within the limits of funds appropriated or otherwise available to it for the purpose, employ other professional, technical, clerical or other assistants, excepting legal counsel, and incur expenses as may be necessary to the performance of its duties.

(f) The joint committee shall have all the powers granted pursuant to chapter 13 of Title 52 of the Revised Statutes.
The joint committee is authorized to render advisory opinions as to whether a given set of facts and circumstances would, in its opinion, constitute a violation of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act.

The joint committee shall have jurisdiction to initiate, receive, hear and review complaints regarding violations of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act. It shall further have such jurisdiction as to enforcement of the rules of either House of the Legislature governing the conduct of the members thereof as the rules of such House may confer upon the joint committee. A complaint regarding a violation of a code of ethics promulgated pursuant to the provisions of this act may be referred by the joint committee for disposition in accordance with subsection (d) of section 12 of this act.

Any State officer or employee or special State officer or employee in the Legislative Branch found guilty by the joint committee of violating any provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act shall be fined not less than $500.00 nor more than $1,500.00, which penalty may be collected in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.), and may be suspended from his office or employment by order of the joint committee for a period not in excess of one year. If the joint committee finds that the conduct of such officer or employee constitutes a willful and continuous disregard of the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act, it may order such person removed from his office or employment and may further bar such person from holding any public office or employment in this State in any capacity whatsoever for a period of not exceeding five years from the date on which he was found guilty by the joint committee.

A member of the Legislature who shall be found guilty by the joint committee of violating the provisions of this act or of a code of ethics promulgated pursuant to the provisions of this act shall be fined not less than $500.00 nor more than $1,500.00, which penalty may be collected in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.), and shall be subject to such further action as may be determined by the House of which he is a member. In such cases the joint committee shall report its findings to the appropriate House and shall recommend to the House such further action as the joint committee deems appropriate, but it shall be the sole responsibility of the
House to determine what further action, if any, shall be taken against such member.

2. During the period commencing with the effective date of this amendatory and supplementary act and ending on the date on which all of the public members of the Joint Legislative Committee on Ethical Standards first appointed shall have qualified, in determining whether a quorum exists for the purposes of convening a meeting of the joint committee and of conducting official business thereat, only those public members who shall have qualified as of the date on which the meeting is held shall be considered as included in the membership of the joint committee.

CHAPTER 242

AN ACT directing certain county improvement authorities to study the feasibility of establishing new convention and arena facilities as a demonstration project, and supplementing Title 40 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. It is in the public interest to study the feasibility of establishing new convention center and athletic arena facilities as a demonstration project in Camden and Gloucester counties to attract a wide range of athletic, entertainment and civic events and to promote economic growth in those two counties which represent two of the most densely populated southern counties in this State.
   b. A feasibility study of the development of modern convention center and athletic facilities in these two counties is in the public interest because these counties presently lack adequate facilities to host conventions and conferences or to attract athletic, entertainment and civic events and because this region is
most likely to benefit from this type of development due to the proximity and access to the metropolitan Philadelphia area.

c. Experience in other states indicates that the development of these facilities substantially increases local incomes and business volumes in those areas hosting the facilities, creates tens of thousands of new jobs in those states and provides important incentives for overall economic growth due to the increase in activities and events which are attracted to those states.

d. These types of facilities are particularly important for Camden and Gloucester counties because of the designation of a site within Camden county for the construction of a new aquarium project as a part of a planned waterfront development project along the Delaware River, and because these facilities are expected to contribute to the future success of this waterfront development project which should in turn spur the economic revival of these counties.

e. In addition to producing substantial financial benefits from the increased number of events and activities which would be attracted to the State, the development of world-class athletic facilities that meet standards for Olympic sports activities is expected to attract greater numbers of athletes to this State and to provide the opportunity for training the State's young people to be first-rate athletes.

f. It is altogether fitting and proper to direct that a study of the feasibility of constructing convention and athletic arena facilities should start with the counties of Camden and Gloucester because there are already existing convention center or sports arena facilities in the northern, central and eastern portions of this State, because these facilities will complement ongoing development plans for the aquarium and other waterfront projects along the Delaware River, and because Camden and Gloucester counties are ideally situated to participate in and capture a share of the $38 billion dollar convention market and to attract professional sports franchises from neighboring states which lack adequate facilities of this kind.

g. In order to proceed with the feasibility study for the purposes described, it is in the public interest to direct that appropriate governmental entities conduct a study and make recommendations concerning the feasibility of developing new convention center and athletic facilities in those areas where such development would provide the most benefit to the State and to the residents of those areas, with particular attention being given
to proceeding with this undertaking as a joint venture by those governmental entities designated by this act.

h. For the purposes of this initial study, it is appropriate to direct the county improvement authorities in Camden and Gloucester counties to jointly study the feasibility of constructing new convention and arena facilities as a joint venture between the two improvement authorities since these entities were established, in part, to provide for certain public facilities within the counties including, but not limited to, convention halls and other facilities designed for recreation and entertainment of the public and to stimulate, improve and promote the tourist and recreational industries of the counties.

i. It is the intent of this Legislature, after evaluating the results of this initial feasibility study, to direct other county improvement authorities outside of Camden and Gloucester counties to proceed with similar studies to determine the feasibility of constructing additional convention and arena facilities as joint ventures between improvement authorities in other regions of this State.

2. a. In furtherance of those findings and determinations, and to further promote the economic prosperity of this State, the Camden County Improvement Authority established pursuant to section 3 of P.L.1960, c.183 (C.40:37A-46), in conjunction with the Gloucester County Improvement Authority also established pursuant to section 3 of P.L.1960, c.183 (C.40:37A-46), shall jointly prepare, or cause to be prepared, a feasibility study which shall address the costs and benefits of developing convention center and athletic arena facilities in those counties through a joint venture by the improvement authorities designated in this section.

b. The feasibility study shall focus on the development of multi-purpose convention and arena facilities to accommodate a wide variety of events and activities including, but not limited to, professional sports franchises, Olympic athletic activities, track meets, trade shows, conventions, conferences, and meetings of civic, business and trade groups. The study shall also consider the most appropriate site for the facilities, the projected demands for the new facilities, the estimated revenues and expenses of the facilities and the projected economic impact of the facilities on the county or counties hosting the facilities and on the overall economic growth of the State. In addition, the study shall also focus on the feasibility of providing various recreational facilities, including indoor tracks and basketball courts, for use by county residents in
conjunction with the development of convention and athletic facilities. The cost and expense of this joint study shall be met and provided for by the two improvement authorities.

c. The county improvement authorities designated pursuant to this section shall complete the joint feasibility study and issue a written report containing their findings and determinations relevant to each element of the feasibility study as it relates to the convention center and athletic arena facilities no later than one year after the effective date of this act. The report required pursuant to this section shall be submitted to each member of the improvement authorities, to the governing bodies of Camden county and Gloucester county, to the Legislature and to the Governor.

3. All officers, departments, boards, agencies, divisions and commissioners of the State are authorized to render any services to the county improvement authorities designated pursuant to section 2 of this act as may be within the area of their respective governmental functions as established by law, and as may be requested by the improvement authorities. The cost and expense of these services shall be met and provided for by the improvement authorities.

4. This act shall take effect immediately and shall expire on the 30th day after submission by the improvement authorities of their report and recommendations to the authority members, to the county governing bodies, to the Legislature and to the Governor.

CHAPTER 243

AN ACT concerning lobbyists and legislative agents, amending P.L.1981, c.150, and amending the title and amending and supplementing the body of P.L.1971, c.183.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The title of P.L.1971, c.183 is amended to read as follows:

Title amended.
An act to require the public disclosure of certain information by certain persons seeking to influence legislation and the promulgation of administrative regulations.
tion of administrative rules and regulations in this State, providing penalties for noncompliance, and repealing the "Legislative Activities Disclosure Act," approved October 16, 1964 (P.L.1964, c.207).

2. Section 1 of P.L.1971, c.183 (C.52:13C-18) is amended to read as follows:

C.52:13C-18 Declaration of intent.

1. The Legislature affirms that the preservation of responsible government requires that the fullest opportunity be afforded to the people of the State to petition their government for the redress of grievances and to express freely to individual legislators, committees of the Legislature and the Governor their opinion on legislation and current issues, and to Executive Branch officers and agencies their opinion on rules and regulations developed and promulgated by those officers and agencies in the exercise of powers delegated to them by law. The Legislature finds, however, that the preservation and maintenance of the integrity of the legislative process, including the development and promulgation of rules and regulations to effectuate the implementation of statutory law, requires the identification in certain instances of persons and groups who seek to influence the content, introduction, passage or defeat of legislation or the proposal, adoption, amendment, or repeal of rules and regulations, and, where it is not otherwise apparent or readily ascertainable, the nature of the interest which those persons and groups seek to advance or protect through such activity. It is the purpose of this act to require adequate disclosure in certain instances in order to make available to the Legislature and the public information relative to the activities of persons who seek to influence the content, introduction, passage or defeat of legislation or the proposal, adoption, amendment, or repeal of rules and regulations by such means.

3. Section 3 of P.L.1971, c.183 (C.52:13C-20) is amended to read as follows:

o. The term "regulation" includes any administrative rule or regulation affecting the rights, privileges, benefits, duties, obligations, or liabilities of any one or more persons subject by law to regulation as a class, but does not include an administrative action (1) to issue, renew or deny, or, in an adjudicative action, to suspend or revoke, a license, order, permit or waiver under any law or administrative rule or regulation, (2) to impose a penalty, or (3) to effectuate an administrative reorganization within a single principal department of the Executive Branch of State Government.

employment, retainer or engagement, whichever occurs later, file 
a signed notice of representation with the Attorney General in

b. Any legislative agent who receives compensation from more than one person for his services as a legislative agent shall file a separate notice of representation with respect to each such person; except that a legislative agent whose fee for acting as such in respect to the same legislation or regulation or type of legislation or regulation is paid or contributed to by more than one person may file a single statement, in which he shall detail the name, business address and occupation or principal business of each person so paying or contributing.

5. Section 2 of P.L.1981, c.150 (C.52:13C-22.1) is amended to read as follows:

C.52:13C-22.1 Annual reports.

2. Each legislative agent or lobbyist shall make and certify the correctness of a full annual report to the Election Law Enforcement Commission, of those moneys, loans, paid personal services or other things of value contributed to it and those expenditures made, incurred or authorized by it for the purpose of communication with or providing benefits to any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch during the previous year. The report shall include, but not be limited to, the following expenditures which relate to communication with, or providing
benefits to, any member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch: media, including advertising; entertainment; food and beverage; travel and lodging; honoraria; loans; gifts; and salary, fees, allowances or other compensation paid to a legislative agent. The expenditures shall be reported whether made to the intended recipient of the communication or benefit or to a legislative agent or a lobbyist. The expenditures shall be reported in the aggregate by category, except that if the aggregate expenditures on behalf of a member of the Legislature, legislative staff, the Governor, the Governor's staff, or an officer or staff member of the Executive Branch exceed $25.00 per day, they shall be detailed separately as to the name of the member of the Legislature, member of legislative staff, the Governor, member of the Governor's staff, or officer or staff member of the Executive Branch, date and type of expenditure, amount of expenditure and to whom paid. Where the aggregate expenditures for the purpose of communication with or providing benefits to any one member of the Legislature, member of legislative staff, the Governor, the Governor's staff, or officer or staff member of the Executive Branch exceed $200.00 per year, the expenditures, together with the name of the intended recipient of the communication or benefits, shall be stated in detail including the type of each expenditure, amount of expenditure and to whom paid. Where the expenditures in the aggregate with respect to any specific occasion are in excess of $100.00, the report shall include the date and type of expenditure, amount of expenditure and to whom paid. The Election Law Enforcement Commission may, in its discretion, permit joint reports by legislative agents. Any lobbyist who receives contributions or makes expenditures to influence legislation or regulation shall be required to file and certify the correctness of a report of such contributions or expendi-

(1) That any such person or persons make available to the commission's inspection, or to the inspection of any of its authorized deputies or agents, such records as are required to be kept by that person pursuant to section 7 of P.L.1971, c.183 (C.52:13C-24); or

A person who is entitled by law to assert such privilege, and does so assert, and thereafter complies with such direction, shall not thereafter be prosecuted or subjected to any penalty or forfeiture in any criminal proceeding which arises out of and relates to the subject matter of the proceeding. CHAPTER 249

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S.19:15-18 is amended to read as follows:

Voter challenges.

19:15-18. The members of the district boards and any duly authorized challenger, respectively, shall at any election challenge every person who shall claim to have a right to vote therein whom they or he shall know, suspect or believe not to be qualified or entitled to so vote, and said members of the district board or challenger shall have the power and right to ask all questions which are suitable and necessary to determine such person's right.

No member of the district board and no duly authorized challenger shall, however, challenge, delay or prevent the right to vote of any person because of that person's race, color, national origin, expected manner of casting a vote or residence in a particular ward, housing complex or section of a municipality or county, provided that nothing herein shall be construed to prohibit a challenge based upon the failure of the challenged voter to meet the applicable statutory residency qualification for voting in the particular election district. Any member of the district board or duly authorized challenger who violates this section is guilty of a disorderly persons offense.

C.19:15-18.1 Challenged voter may establish right to vote.

2. a. Any voter whose name does not appear on a challenge list prepared by the superintendent of elections of the county but who is challenged as not qualified or entitled to vote by a duly authorized challenger or by a member of a district board of elections shall be permitted to establish his right to vote by:

(1) signing an affidavit which states the voter's qualifications to vote on forms to be supplied by the superintendent of elections in those counties having a superintendent of elections or by the commissioner of registration in all other counties, and;

(2) presenting for inspection a suitable identifying document, which may be, but is not limited to, the following:
(a) a valid New Jersey driver's license;
(b) a sample ballot which lists the voter's name and address;
(c) an official federal, State, county or municipal document which lists the voter's name and address;
(d) a utility or telephone bill or tax or rent receipt dated; or
(e) a piece of mail postmarked, on or after the 60th day before the day of the election at which the voter is challenged.

b. A copy of the affidavit signed by the challenged voter shall be given to that person.

c. The affidavit, or a form attached to it, shall state:
   (1) the means by which a person whose name does not appear on a challenge list prepared by the superintendent of elections of the county but who is challenged by a duly authorized challenger or by a member of the district board of elections may seek to establish the person's right to vote, as provided in subsection a. of this section;
   (2) that a challenger who succeeds in denying a voter the right to vote must sign an affidavit stating the reason why the voter is not entitled to vote and must furnish a copy of the affidavit to the challenged voter, as provided in section 3 of P.L.1991, c.249 (C.19:15-18.2);
   (3) the legal remedy which a person whose name does not appear on a challenge list prepared by the superintendent of elections of the county but who is challenged by a duly authorized challenger or by a member of the district board of elections and denied the right to vote may use to seek permission to vote, as provided in section 6 of P.L.1991, c.249 (C.19:15-18.3).

d. In counties in which the primary language of 10% or more of the registered voters is Spanish, the affidavit and instructions for its completion and the information required by subsection c. of this section shall appear in both English and Spanish.

C.19:15-18.2 Grounds for challenging right to vote specified.

3. If a person whose name does not appear on a challenge list prepared by the superintendent of elections of the county is challenged as not qualified or entitled to vote by a duly authorized challenger or by a member of the district board of elections and if this challenge is sustained by the district board of elections, the person making the challenge shall specify the grounds for the challenge in a signed affidavit on forms to be supplied by the superintendent of elections in those counties having a superintendent of elections or by the county clerk in all other counties. This document also shall state that the challenged voter has sought to establish his right to vote by
signing an affidavit which states the challenged voter’s qualifications to vote and by presenting a suitable identifying document, the identity of which shall be specified by the challenger. A copy of the challenger’s affidavit shall be given to the challenged voter.

4. R.S.19:15-21 is amended to read as follows:

**Challenge on grounds of disqualification; oath.**

19:15-21. If a person shall be challenged as not qualified or entitled to vote, the judge may forthwith tender to him an oath or affirmation, in the following form:

“You do swear (or affirm, as the case may be), that you are a citizen of the United States; that you have resided in this State and in this county for 30 days next before this election, and not elsewhere; that you are now a resident of this election district; that, as far as you know and verily believe, you are 18 years of age, and in all respects qualified to vote in this election, in this election district, and that you have not voted elsewhere in this election,” and if the person so challenged shall refuse to take the oath or affirmation so tendered to him, he shall be deemed not to be qualified or entitled to vote.

5. R.S.19:15-24 is amended to read as follows:

**Challenging voter, procedure, violations by members of board, removal.**

19:15-24. The district boards shall not give a ballot to any person unless they shall be satisfied that such person is in all respects qualified and entitled to vote; and for the purpose of satisfying themselves as to the right of any person who shall claim a right to vote they shall have power to examine such person, and any other person or persons, under oath or affirmation, touching such right, except as hereinbefore restricted. The board shall determine the right of the voter to vote, after making use of, and giving due weight to, the evidence afforded by his signature, if any, such answers, and an affidavit which states the challenged voter’s qualifications to vote and a suitable identifying document, as provided under section 2 of P.L.1991, c.249 (C.19:15-18.1). If any member of the board shall give or assent to give a ballot to any person challenged, without requiring him to take the oath or affirmation hereinbefore prescribed to be made upon such challenge, and the person shall not be qualified and entitled to vote, the member so giving or assenting to give a ballot, shall be deemed to have given to such person a ballot, knowing it to be illegal. The question
as to the giving of the ballot to the person shall be put in the following form: "Shall a ballot be given to this person by this board?"

If a majority of the board shall decide to give a ballot to such voter or in case of a tie vote, the voter shall be given a ballot and allowed to vote. If a majority of the board shall decide against giving a ballot to the voter no ballot shall be given. The board upon demand of a member of the board or any other citizen shall forthwith issue a warrant for the arrest of such person and deliver the same to a peace officer, who shall forthwith arrest him, and the right to challenge voters shall exist until the ballot shall have been deposited in the ballot box.

Every such challenge and the determination of the board shall in every instance be recorded in the signature comparison record, in the column "Sig. Comp. by," used at the election at which the challenge has been made.

Any member of a district board who refuses or neglects to comply with the provisions of this section may be summarily removed from office by the county board, or any judge of the Superior Court assigned to the county.

C.19:15-18.3 Challenged voter may appeal to Superior Court judge.

6. Any person whose name does not appear on a challenge list prepared by the superintendent of elections of the county but who is challenged and denied the right to vote on the day of a municipal, primary, general, or special election by a duly authorized challenger or by a member of a district board of elections, may apply to a Superior Court judge sitting at the county seat for permission to vote. No papers need be filed; the court shall entertain oral applications. The challenged voter may appear pro se or with counsel. The challenger or the member of the district board, as the case may be, may appear or be represented by counsel. The challenged voter shall be permitted to state by oath or affirmation the facts which the voter believes establish eligibility to vote, shall furnish a copy of the affidavit the voter signed when challenged, a copy of the affidavit signed by the challenger and the identifying document found invalid by the challenger and the district board. The rules of evidence shall not apply to those proceedings. The judge shall grant the application and provide the challenged voter with written authorization to vote on that day if the judge finds the following facts to be established by the testimony of the applicant or, in the case of a dispute of facts or some questions as to the challenged voter's credibility, by a preponderance of the following evidence:
a. The challenged voter is at least 18 years old and a citizen of the United States and of this State, has resided in the county at least 30 days prior to the date of the election, and has not been convicted of a crime which would disenfranchise a person under the laws of this State, and either:

b. The challenged voter is properly registered at his location; or
c. The challenged voter was properly registered at his location as of the last election at which the challenged voter voted but has moved to another location within the county since then and in good faith attempted to register at the new address within the time prescribed by law.

For the purposes of this section, a good faith attempt to register shall include: completing the prescribed registration form no later than 29 days before the election in the presence of a person who appears to be over 18 years old and says that he or she can and will witness the form and mail it to the register for the applicant; completing a form received in the mail from the commissioner of registration, superintendent of elections or the county board which states that information has been received that the applicant has moved and placing the completed form in a proper mailbox with proper postage, if necessary, no later than 29 days before the election; completing a registration form in any government office; and reasonably relying upon the oral statements of an official at a polling place that they will insure proper reregistration.

The judge of the Superior Court having the application shall cause a full record of the proceeding to be taken stenographically, transcribed and filed in the office of the county clerk of the county, which record shall be open and public record. All costs and expenses of such proceedings shall be paid by the county.

7. R.S.19:32-10 is amended to read as follows:

Preparation of challenge lists.

19:32-10. In respect to each general, primary, municipal and special election, the superintendent shall prepare for each election district in the county a challenge list containing the names, alphabetically arranged, and the addresses of all persons who have lost the right to register from the addresses within such election district from which they registered at the last preceding election. Such challenge list shall be delivered to the respective district boards in such municipalities at least one-half hour before the commencement of registration. The chairman of the respective
district boards shall challenge the registration of any person applying to them for registration under any name on such challenge list, unless it shall affirmatively appear after strict examination of the voter, and, if necessary, of others, that such voter is domiciled at a new address within the election district. At the close of the last day of registration, the challenge list with the remarks of the district board or of any member or members thereof to be noted thereon shall be signed and certified as true by each member of the respective district boards and returned to the superintendent in a sealed envelope provided therefor.

After the last day of registration and before each general, primary, municipal and special election, the superintendent shall also prepare for each election district a challenge list containing the names, alphabetically arranged, and addresses of all persons registered in the district whom he believes or has reason to suspect are not entitled to vote at the election in the district. Such challenge list shall be delivered to the respective district boards at least one-half hour before the opening of the polls at each election. The chairman of the respective district boards shall challenge the vote of any person presenting himself to vote under any name on the challenge list. The challenge list shall contain a column headed "remarks," and the chairman of the respective district boards shall enter therein opposite the names on such list whether any person applying to vote under any name thereon who was challenged was allowed to vote, and the reason for allowing him to vote.

All persons whose names appear on any challenge list before being allowed to vote shall subscribe to an affidavit on forms supplied by the superintendent to the respective district boards together with the challenge list. Any members of the district boards are hereby empowered to take such affidavits. The affidavit shall show that the affiant is eligible to vote in that district and shall set forth the place of his residence, the fact that he actually resides at that place, the length of time of such residence, and also all the facts necessary to qualify him as a voter under the constitution of this State. A copy of the affidavit signed by the challenged voter shall be given to the affiant. At the close of the polls the affidavits shall be returned to the superintendent in an envelope provided therefor and they shall be preserved in the office of the superintendent.

If a person applying to vote under any name on the challenge list is challenged and does not vote, there shall be entered opposite his name in such column the words "challenged, but did not vote." If no person applies to vote under any name on such challenge list,
there shall be noted opposite each such name in such column the words "no application." At the close of the polls the challenge list shall be signed and certified as true by each member of the respective district boards and returned to the superintendent of the county in a sealed envelope provided therefor.

If a person applying to vote is challenged and denied the right to vote because that person's name appears on a challenge list prepared by the superintendent of elections, that challenged voter may apply to a Superior Court judge sitting at the county seat for permission to vote, as provided in R.S.19:32-18.

The superintendent, concurrently with delivering the challenge lists, shall deliver to the commissioner a true copy, certified by him as correct, of each challenge list delivered by him pursuant to this section to each district board in municipalities having permanent registration.

The superintendent shall prepare duplicates of all challenge lists provided for in this section, and shall keep duplicate challenge lists on file in his office from the time of their preparation until the close of the third general election following their preparation. The original challenge lists shall also be kept on file for two years after the general election following their preparation. All such challenge lists shall be open to inspection by any citizen at any time the superintendent's office is open for business.

C.19:12-9 Publication of certain election procedures required.

8. a. The county board in each county shall cause to be published in a daily newspaper of general circulation throughout the county, a notice containing the information specified in subsection b. hereof. This notice shall be published once on the seventh day preceding the day fixed for a municipal, primary, general or special election and once on the day preceding the day fixed for a primary, general or special election.

CHAPTER 252

AN ACT creating the South Jersey Transportation Authority as the successor to the New Jersey Expressway Authority and the Atlantic County Transportation Authority, to acquire, construct, maintain, operate and support expressway and transportation projects, transferring the Atlantic City Expressway to the South Jersey Transportation Authority, establishing the Atlantic City International Airport and related facilities and activities as a transportation project, authorizing certain acquisitions, supplementing Title 27 of the Revised Statutes and repealing parts of the statutory law.
1. This act shall be known and may be cited as the “South Jersey Transportation Authority Act.”

2. The Legislature finds and declares that:
   a. It is the public policy of this State to provide for the coordinated development and planning of the State’s transportation system both on the State and regional level. Through the medium of the Transportation Executive Council, established by Executive Order No. 10 of 1990, the activities of the various transportation related authorities are coordinated on the State level. In the northern region of the State the Port Authority of New York and New Jersey, the New Jersey Turnpike Authority, the New Jersey Highway Authority, the Hackensack Meadowlands Development Commission, the North Jersey Transportation Coordinating Committee and other organizations exist to provide for the support and planning of the transportation system in that region.
   b. In the southern region of the State an increase in residential development, the completion of Interstate Route 476 (also known as the “Blue Route”) in Pennsylvania, the establishment of casino gaming in Atlantic City, and other factors, have caused an increase in vehicular traffic in southern New Jersey and have highlighted the need for a more coordinated effort on a regional basis to deal with the operation and possible extension of the region’s highway system, the improvement and expansion of its aviation facilities, and the coordination of Atlantic County’s transportation system within the larger regional system.
   c. Concomitant with the development of the transportation system in southern New Jersey the need exists for the ancillary establishment of economic development facilities directly related to transportation projects in that region to be funded by a transportation authority.
   d. It is in the public interest to create a South Jersey Transportation Authority, encompassing the counties of Atlantic, Camden, Cape May, Cumberland, Gloucester and Salem, as a successor to the New Jersey Expressway Authority and the Atlantic County Transportation Authority, to provide more coordination of the region’s transportation system and to deal particularly with the highway system, aviation facilities and the transportation problems of Atlantic County through the acquisition, construction,
maintenance, operation and support of expressway and transportation projects and economic development facilities directly related to transportation projects authorized by this act. However, the activities of a transportation authority are not to supplant or replace the funding of projects by the Transportation Trust Fund Authority or the operation of public transportation services by the New Jersey Transit Corporation.

(6) When the authority has advertised for bids on two occasions and has received no bids on both occasions in response to its advertisement, or received no responsive bids. C.27:25A-9 “Airport division” to be established.

9. a. Upon the acquisition or operation by the authority of a transportation project authorized in section 24 of this act or upon the authority entering into a contract or agreement concerning that project provided for in this subsection, there shall be established an operating division to be known as the “airport division” with the responsibility for the administration and execution of the authority’s powers regarding the construction, maintenance, operation and support of the project. The airport division shall be headed by a director with knowledge and experience in aviation or aeronautics. However, the authority may enter into a contract or agreement providing for the construction, maintenance, operation or support of the project by an entity other than the airport division or the authority. This entity shall be under the supervision of the airport division, as determined by the authority and in accordance with the contract or agreement. In order to protect the missions of the Federal Aviation Administration Technical Center and the Air National Guard, the airport division or any entity acting for the division shall have no supervisory powers with respect to Federal Aviation Administration facilities or its lessees, unless otherwise agreed to by the Federal Aviation Administration.
Upon the establishment of the airport division, there shall be established an advisory committee to be appointed by the Governor with the advice and consent of the Senate. The committee shall consist of State and local government representatives, and concerned citizens, in the number and for terms as may be fixed by the authority, and shall advise the authority and the airport division concerning the project. Representatives of the Federal Aviation Administration or its successor shall be invited by the authority to participate in the committee, shall be notified of all meetings and may attend those meetings. At least a majority of the membership of the committee shall consist of residents of those municipalities, including the city of Atlantic City, directly affected by the operation of the airport or airports for which the airport division has responsibility or supervision.

The Federal Aviation Administration may designate a representative as a liaison to the authority and the airport division concerning matters related to the Atlantic City International Airport.

In operating the project the authority shall be cognizant of the effects of excess aircraft noise and shall encourage efforts by the Federal Aviation Administration to route flights over the least populous areas of South Jersey.

b. The establishment and existence of the airport division shall in no way diminish or impair the rights, duties, powers, responsibilities and obligations of the authority as provided in this act, nor shall it restrict the authority's formation of other operating divisions.

c. The authority may establish other operating divisions and assign responsibilities to them as the authority may consider necessary or appropriate, may prepare divisional or combined budgets, pledge revenues of one or more divisions, may segregate accounts or revenues or combine them and otherwise administer its operations and finances, in each case as the authority deems necessary or appropriate to carry out its functions or as may be specified in any contract of the authority.

C.27:25A-10 Powers of authority relative to public highways.

10. a. Subject to the limitations of this act, the authority shall have the power to construct traffic circles, interchanges and grade separation at intersections of any project with public highways and to change and adjust the lines and grades of the public highways so as to accommodate them to the design of the project. The cost of construction and any damage incurred in changing and adjusting the lines and grades of the public highways shall be
ascertained and, unless otherwise provided for, paid by the authority as a part of the cost of the project.

b. Subject to the limitations of this act, if the authority shall find it necessary in connection with any project to change the location of any portion of any public highway, the authority shall cause the public highway to be reconstructed at any location as the authority deems most favorable and of substantially the same type and in as good condition as the original public highway. The cost of the reconstruction and any damage incurred in changing the location of any highway shall be ascertained and, unless otherwise provided for, paid by the authority as a part of the cost of the project.

c. Any public highway affected by any project may be vacated or relocated by the authority in the manner now provided by law for the vacation or relocation of public roads and any damages awarded on account thereof shall be ascertained and, unless otherwise provided for, paid by the authority as a part of the cost of the project.

11. a. Each project when constructed and completed shall be maintained and kept in the condition and repair as the authority determines, or the bond covenants require. Each project or any part thereof may be policed and operated by the force of police, toll-takers, operating employees and other persons as the authority may employ or authorize.

b. Subject to the terms of any agreement by the authority with the holders of bonds or notes, if the authority finds that any part of an expressway project is not suitable or sufficient as a highway to carry mixed traffic, the authority may exclude from that part any traffic other than passenger motor vehicles.

12. The exercise of the power of eminent domain and the compensation to be paid thereunder by the authority shall be in accordance with the provisions of the “Eminent Domain Act of 1971,” P.L.1971, c.361 (C.20:3-1 et seq.) insofar as the provisions thereof are applicable and not inconsistent with the provisions contained in this act.

C.27:25A-13 Authority bonds, notes.

13. a. Except as may be otherwise expressly provided by the authority, every issue of bonds or notes shall be general obligations payable out of any moneys or revenues of the authority, subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds. The authority may issue the types of bonds or notes as it may determine, including, without limiting the generality of the foregoing, bonds or notes on which the principal and interest are payable (1) exclusively from the income and revenues of a project financed with the proceeds of the bonds or notes; (2) exclusively from the income and revenues of certain designated projects whether or not the projects are financed in whole or in part with the proceeds of the bonds or notes; or (3) from its revenues generally. Any bonds or notes may be additionally secured by a pledge of any grant or contribution from the federal government or any state or any agency or public subdivision thereof or any person or a pledge of any moneys, income or revenues of the authority from any source whatsoever. In addition, the authority may, in anticipation of the issuance of the bonds or the receipt of appropriations, grants, reimbursements or other funds, including without limitation grants from the federal government, issue notes, the principal of or interest on which, or both, shall be payable out of the proceeds of notes, bonds or other obligations of the authority or appropriations, grants reimbursements or other funds or revenues of the authority. The authority may also enter into bank loan agreements, lines of credit or bond insurance and other security agreements and obtain for or on its behalf letters of credit in each case for the purpose of securing its bonds, notes or other obligations or to provide direct payment of any costs which the authority is authorized to pay by this act and to secure repayment of any borrowings under the loan agreement, line of credit, letter of credit, bond insurance or other security agreement by its bonds, notes or other obligations or the proceeds thereof or by any or all of the revenues of and payments to the authority or by any appropriation, grant or reimbursement to be received by the authority and other moneys or funds as the authority shall determine.

c. Any provision of any law to the contrary notwithstanding, any bond or note issued pursuant to this act shall be fully negotiable within the meaning and for all purposes of the negotiable instruments law of the State, and each holder or owner of a bond or note, or of any coupon appurtenant thereto, by accepting the bond, note or coupon shall be conclusively deemed to have agreed
that the bond, note or coupon is and shall be fully negotiable within
the meaning and for all purposes of the negotiable instruments law.

d. Bonds or notes of the authority shall be authorized by resolu-
tion of the authority and may be issued in one or more series
and shall bear the date or dates, mature at the time or times not
exceeding 40 years from the date thereof, bear interest at a rate or
rates within the maximum rate, as shall be determined by the
authority, shall be in the denomination or denominations, be in
the form, either coupon or registered, carry the conversion or reg-
istration privileges, have the rank or priority, be executed in the
manner, be payable from the sources in the medium of payment at
the place or places within or without the State, and be subject to
the terms of redemption, with or without premium, as the resolu-
tion or resolutions may provide.

e. Bonds or notes of the authority may be sold at public or pri-
ivate sale at the price or prices as the authority shall determine.

C.27:25A-14 Actions of authority require prior approval of State.

14. No resolution or other action of the authority providing for
the issuance of bonds, notes, refunding bonds or other obligations
or for the fixing, revising or adjusting of tolls, fares or charges
for the use of any project or parts or sections thereof shall be
adopted or otherwise made effective by the authority without the
prior approval in writing of the Governor and either the State
Treasurer or the Director of the Division of Budget and Account-

A true copy of the minutes of every meeting of the authority
shall be forthwith delivered by and under the certification of the
secretary thereof to the Governor. No action taken at that meeting
by the authority shall have force or effect until the earlier of 15
days, exclusive of Saturdays, Sundays, and public holidays, after
the copy of the minutes shall have been so delivered, or the
approval thereof by the Governor. If, in the 15-day period, the
Governor returns the copy of the minutes with veto of any action
taken by the authority or any member thereof at that meeting, the
action shall be null and of no effect. The minutes of any meeting
at which the authority proposes or approves its operating or capi-
tal outlay budget shall include a copy of that budget.

The powers conferred by this section, upon the Governor, the
State Treasurer and the Director of the Division of Budget and
Accounting in the Department of the Treasury shall be exercised
with due regard for the rights of the holders of bonds of the
authority or other entity, if applicable, at any time outstanding, and nothing in, or done pursuant to, this section shall in any way limit, restrict or alter the obligation or powers of the authority, or any representative or officer of the authority, to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or for the benefit, protection or security of the holders thereof.

15. In any resolution of the authority authorizing or relating to the issuance of any bonds or notes, the authority, in order to secure the payment of the bonds or notes and in addition to its other powers, shall have power by provisions therein which shall constitute covenants by the authority and contracts with the holders of the bonds or notes:

a. To pledge to any payment or purpose all or any part of its tolls, charges, fares, leases, rents, receipts or revenues to which its right then exists or may thereafter come into existence, and the moneys derived therefrom, and the proceeds of any bonds or notes.

b. To covenant against pledging all or any part of its tolls, charges, fares, rents, receipts or revenues, or against mortgaging all or any part of its real or personal property then owned or thereafter acquired, or against permitting or suffering any lien on the tolls, charges, revenues or property.

c. To covenant with respect to limitations on any right to sell, lease or otherwise dispose of any project or any part thereof or any property of any kind.

d. To covenant as to any bonds and notes to be issued and the limitations thereon and the terms and conditions thereof and as to the custody, application, investment and disposition of the proceeds thereof.

e. To covenant as to the issuance of additional bonds or notes or as to limitations on the issuance of additional bonds or notes and on the incurring of other debts by the authority.

f. To covenant as to the payment of the principal of or interest on the bonds or notes, or any other obligations, as to the sources and methods of that payment, as to the rank or priority of any bonds, notes or obligations with respect to any lien or security or as to the acceleration of the maturity of any bonds, notes or obligations.

g. To provide for the replacement of lost, stolen, destroyed or mutilated bonds or notes.
h. To covenant against extending the time for the payment of bonds or notes or interest thereon.

i. To covenant as to the redemption of bonds or notes and privileges of exchange thereof for other bonds or notes of the authority.

j. To covenant as to the rates of toll, fares and other charges to be established and charged including reduced fare or charge programs, the amount to be raised each year or other period of time by tolls, fares or other revenues and as to the use and disposition to be made thereof.

k. To covenant to create or authorize the creation of special funds or moneys to be held in pledge or otherwise for construction, operating expenses, payment or redemption of bonds or notes, reserves or other purposes and as to the use and disposition of the moneys held in the funds.

l. To establish the procedure, if any, by which the terms of any contract or covenant with or for the benefit of the holders of bonds or notes may be amended or abrogated, the amount of bonds or notes the holders of which must consent thereto, and the manner in which the consent may be given.

m. To covenant as to the construction, operation or maintenance of its real property and personal property, the replacement thereof, the insurance to be carried thereon, and the use and disposition of insurance moneys.

n. To provide for the release of property, leases or other agreements, or revenues and receipts from any pledge or mortgage and to reserve rights and powers in, or the right to dispose of, property which is subject to a pledge or mortgage.

o. To mortgage all or any part of its property, real or personal, then owned or thereafter to be acquired.

p. To provide for the rights and liabilities, powers and duties arising upon the breach of any covenant, condition or obligation and to prescribe the events of default and the terms and conditions upon which any or all of the bonds, notes or other obligations of the authority shall become or may be declared due and payable before maturity and the terms and conditions upon which any declaration and its consequences may be waived.

q. To vest in a trustee or trustees within or without the State such property, rights, powers and duties in trust as the authority may determine and to limit the rights, powers and duties of the trustee.

r. To pay the costs or expenses incident to the enforcement of the bonds or notes or of the provisions of the resolution or of any covenant or agreement of the authority with the holders of its bonds or notes.
s. To limit the rights of the holder of any bonds or notes to enforce any pledge or covenant securing bonds or notes.

t. To make covenants other than and in addition to the covenants herein expressly authorized, of like or different character, and to make the covenants to do or refrain from doing any acts and things as may be necessary, or convenient and desirable, in order to better secure bonds or notes or which, in the absolute discretion of the authority, will tend to make bonds or notes more marketable, notwithstanding that the covenants, acts or things may not be enumerated herein.

16. Any pledge of tolls, fares, charges or other revenues or other moneys made by the authority shall be valid and binding from the time when the pledge is made. The tolls, fares or other revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the lien of that pledge without any physical delivery thereof or further act, and the lien of any pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether the parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created need be filed or recorded except in the records of the authority.

C.27:25A-17 Members of authority not liable on bonds, notes.

17. Neither the members of the authority nor any person executing bonds or notes issued pursuant to this act shall be liable personally on the bonds or notes by reason of the issuance thereof. Bonds and notes issued by the authority pursuant to this act shall not be in any way a debt or liability of the State or any subdivision thereof and shall not create or constitute any indebtedness, liability or obligation of the State or any subdivision, except the authority and any county which in accordance with this act shall have guaranteed payment of the principal of and interest on the bonds or notes.

C.27:25A-18 Authority may purchase bonds, notes out of available funds.

18. The authority shall have power to purchase bonds or notes of the authority out of any funds available therefor. The authority may hold, cancel or resell the bonds or notes subject to and in accordance with agreements with holders of its bonds or notes.

C.27:25A-19 Authority may collect charges for use of each project.

19. a. The authority is authorized to fix, revise, charge and collect tolls, fares, passenger facility charges and other charges,
including reduced fare or charge programs, for the use of each project and the different parts or sections thereof. No toll shall be charged for the passage of any motorbus operated on motorbus regular route service, ambulance, first-aid or emergency-aid vehicle, vehicular fire-fighting apparatus, or other similar vehicle, operated for the benefit of the public by the State, or by any county or municipality or charitable or nonprofit corporation or organization, first-aid squad, emergency squad, or fire company of this State. The tolls, fares and charges shall be so fixed and adjusted as to effectuate the purposes of this act including assisting in the funding of projects and in any event to carry out and perform the terms and provisions of any contract with or for the benefit of holders of bonds or notes. The tolls, fares, and charges shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State or subdivision of the State. The use and disposition of tolls, fares, charges and revenues shall be subject to the provisions of any resolution authorizing the issuance of the bonds or notes.

b. The authority is authorized to contract with any person, partnership, association, corporation or federal, State or local government entity or subdivision thereof desiring the use of any part of a project, including the right-of-way adjoining a paved portion, for operation or placing thereon telephone, telegraph, electric light or power lines, gas stations, garages, stores, hotels, or restaurants, or for any other purpose, and to fix the terms, conditions, rents and rates of charges for that use. For contracts related to an expressway project, the authority shall provide that a sufficient number of gas stations be established in the service areas along any project to permit reasonable competition by private business in the public interest. No contract shall be required, and no rent, fee or other charge of any kind shall be imposed, for the use and occupation, other than for freight railroad purposes, of the highway portion of any project for the installation, construction, use, operation, maintenance or repair, renewal, relocation or removal of tracks, pipes, mains, conduits, cables, wires, towers, holes or other equipment or appliances in, on, along, over or under any such project by any public utility as defined in R.S.27:7-1 which is subject to taxation pursuant to either P.L.1940, c.4 (C.54:30A-16 et seq.) or P.L.1940, c.5 (C.54:30A-49 et seq.), or pursuant to any other law imposing a tax for the privilege of using the public streets, highways, roads or other public places in the State.
C.27:25A-20 Authority may increase tolls, fares or charges; hearings.

20. The authority may increase any existing toll, fare or facility or other charge or establish any new toll, fare or charge for the use of any project and the different parts or sections thereof.

   a. The authority shall hold at least three public hearings, each in a different county, on a proposed toll, fare or charge for any expressway project the latter of which shall be held at least 45 days prior to the date on which the toll, fare or charge is proposed to become effective. The authority shall publish a notice of the hearing at least 10 days prior to each hearing in at least five newspapers with the largest daily circulation in South Jersey and in at least one newspaper with the largest daily circulation in this State.

   b. The authority shall hold at least two public hearings, each in a different location in Atlantic County, on a proposed toll, fare or charge related to any project operated pursuant to section 22 of this act at least 45 days prior to the date on which the toll, fare or charge is proposed to become effective. The authority shall publish a notice of the hearing at least 10 days prior to each hearing in at least five newspapers with the largest daily circulation in South Jersey and in at least one newspaper with the largest daily circulation in this State.

21. a. Except as otherwise provided in subsection a. of section 19 of this act, no vehicle shall be permitted to make use of any expressway project except upon the payment of the tolls as may from time to time be prescribed by the authority. It shall be unlawful for any person to refuse to pay, or to evade or to attempt to evade the payment of the tolls.

   b. No vehicle shall be operated on any project carelessly or recklessly, or in disregard of the rights or safety of others, or without due caution or prudence, or in a manner so as to endanger unreasonably or to be likely to endanger unreasonably persons or property, while the operator thereof is under the influence of intoxicating liquors or any narcotic or habit-forming drug, nor shall any vehicle be so constructed, equipped, lacking in equipment, loaded or operated in such a condition of disrepair as to endanger unreasonably or to be likely to endanger unreasonably persons or property.

   c. A person operating a vehicle on any project shall operate at a careful and prudent speed, having due regard to the rights and safety of others and to the traffic, surface and width of the high-
way, and any other conditions then existing; and no person shall
operate a vehicle on any project at a speed as to endanger life,
limb or property; except that it shall be prima facie lawful for a
driver of a vehicle to operate it at a speed not exceeding a speed
limit which is designated by the authority as a reasonable and
safe speed limit, when appropriate signs giving notice of that
speed limit are erected at the roadside or otherwise posted for the
information of operators of vehicles.

d. No person shall operate a vehicle on any project at a slow
speed as to impede or block the normal and reasonable movement
of traffic except when reduced speed is necessary for safe opera­
tion thereof.

e. No person shall operate a vehicle on any project in violation of
any speed limit designated by regulation adopted by the authority.

f. All persons operating vehicles upon any project must at all
times comply with any lawful order, signal or direction by voice
or hand of any police officer engaged in the direction of traffic
upon such project. When traffic on a project is controlled by traf­
cic lights, signs or by mechanical or electrical signals, those
lights, signs and signals shall be obeyed unless a police officer
directs otherwise.

g. All persons operating vehicles upon any project, or seeking
to do so, must at all times comply with regulations, not inconsis­
tent with the other sections of this act, adopted by the authority
concerning types, weights and sizes of vehicles permitted to use
the project, and with regulations adopted by the authority for or
prohibiting the parking of vehicles, concerning the making of
turns and the use of particular traffic lanes, together with any and
all other regulations adopted by the authority to control traffic
and prohibit acts hazardous in their nature or tending to impede
or block the normal and reasonable flow of traffic upon the
project; except that prior to the adoption of any regulation for the
control of traffic on any project, including the designation of any
speed limits, the authority shall investigate and consider the need
for and desirability of the regulation for the safety of persons and
property, including the authority’s property, and the contribution
which that regulation would make toward the efficient and safe
handling of traffic and use of the project, and shall determine that
the regulation is necessary or desirable to accomplish the pur­
poses or one or some of them, and that upon or prior to the
effective date of the regulation and during its continuance, notice
thereof shall be given to the drivers of vehicles by appropriate
signs erected at the roadside or otherwise posted. The authority may adopt regulations referred to in this section in accordance with the provisions hereof and in accordance with the provisions of the “Administrative Procedure Act.” Regulations adopted by the authority pursuant to the provisions of this section shall be consistent with the provisions of Title 39 of the Revised Statutes applicable to similar subjects. The authority shall have power to amend, supplement or repeal any regulation adopted by it under the provisions of this section. No regulation and no amendment or supplement thereto or repealer thereof adopted by the authority shall take effect until it is filed with the Office of Administrative Law, by the filing of a copy thereof certified by the secretary of the authority.

h. The operator of any vehicle upon a project involved in an incident resulting in injury or death to any person or damage to any property shall immediately stop the vehicle at the scene of the incident, render assistance as may be needed, and give his name, address, and operator's license and motor vehicle registration number to the person injured and to any officer or witness of the injury and shall make a report of the incident in accordance with law.

i. No person shall transport in or upon any expressway project, any dynamite, nitroglycerin, black powder, fireworks, blasting caps or other explosives, gasoline, alcohol, ether, liquid shellac, kerosene, turpentine, formaldehyde or other inflammable or combustible liquids, ammonium nitrate, sodium chlorate, wet hemp, powdered metallic magnesium, nitro-cellulose film, peroxides or other readily inflammable solids or oxidizing materials, hydrochloric acid, sulfuric acid, or other corrosive liquids, prussic acid, phosgene, arsenic, carbolic acid, potassium cyanide, tear gas, lewisite or any other poisonous substances, liquids or gases, or any compressed gas, or any radioactive article, substance or material, at a time or place or in a manner or condition as to endanger unreasonably or as to be likely to endanger unreasonably persons or property.

j. If the violation of any provision of this section or the violation of any regulation adopted by the authority under the provisions of this section would have been a violation of law or ordinance if committed on any public road, street or highway in the municipality in which the violation occurred, it shall be tried and punished in the same manner as if it had been committed in that municipality.
k. Notwithstanding the provisions of subsection j. of this section, if the violation of the provisions of subsection i. of this section shall result in injury or death to a person or persons or damage to property in excess of the value of $5,000, that violation shall constitute a crime of the third degree.

l. Except as provided in subsection j. or k. of this section, any violation of any of the provisions of this section, including but not limited to those regarding the payment of tolls, and any violation of any regulation adopted by the authority under the provisions of this section shall be punishable by a fine not exceeding $500 or by imprisonment not exceeding 30 days or by both. A violation shall be tried in a summary way and shall be within the jurisdiction of and may be brought in the Special Civil Part of the Law Division of the Superior Court or any municipal court in the county where the offense was committed. Proceedings under this section may be instituted on any day of the week, and the institution of the proceedings on a Sunday or a holiday shall be no bar to the successful prosecution thereof. Any process served on a Sunday, or a holiday shall be as valid as if served on any other day of the week. When imposing any penalty under the provisions of this subsection the court having jurisdiction shall be guided by the appropriate provisions of any statute fixing uniform penalties for violation of provisions of the motor vehicle and traffic laws contained in Title 39 of the Revised Statutes.

m. In any prosecution for violating a regulation of the authority adopted pursuant to the provisions of this section, copies of that regulation when authenticated under the seal of the authority by its secretary or assistant secretary shall be evidence in like manner and equal effect as the original.

n. No resolution or ordinance adopted by the governing body of any county or municipality for the control and regulation of traffic shall be applicable to vehicles while upon any expressway project operated by the authority.

o. In addition to any punishment or penalty provided by other subsections of this section, every registration certificate and every license certificate to drive motor vehicles may be suspended or revoked and any person may be prohibited from obtaining a driver's license or a registration certificate and the reciprocity privileges of a nonresident may be suspended or revoked by the Director of the Division of Motor Vehicles for a violation of any of the provisions of this section, after due notice in writing of the proposed suspension, revocation or prohibition
and the ground thereof, all otherwise in accordance with the pow-
ers, practice and procedure established by the provisions of Title
39 of the Revised Statutes applicable to the suspension, revoca-
tion or prohibition.

p. Except as otherwise provided by this section or by any regu-
lation of the authority adopted in accordance with the provisions of
this section, the requirements of Title 39 of the Revised Statutes
applicable to persons using, driving or operating vehicles on the
public highways of this State and to vehicles so used, driven or
operated shall be applicable to persons using, driving or operating
vehicles on any expressway project and to vehicles so used, driven
or operated.

22. a. If a plan is established under subsection q. of section 7 of
this act for motorbus regular route and motorbus charter services,
the plan may provide for: (1) the designation of certain routes
upon which motorbus regular route and charter services shall be
permitted to travel and, with the consent of the affected munici-
palities, the posting of signs by the authority to this effect. The
authority may require the owner or operator of a bus entering
Atlantic County to file with the authority a notice, in the form
and manner which the authority may direct, indicating the pro-
posed route and destination or destinations and the parking
facility at which the motorbus intends to park. The authority may
issue a permit without charge to the owner or operator filing this
notice; (2) the regulation of the manner in which buses may travel
to points of loading and unloading by providing for the intercep-
tion and dispatching of buses; (3) regulation of the activities of
the buses incident to their reception at, and leaving of, places of
business, in particular casino hotels; (4) the requirement that the
buses entering a municipality in which casino gaming is autho-
rized park at a parking facility which can accommodate motorbus
parking situated in Atlantic County and which is owned, operated,
leased, licensed or approved by the authority. This shall not apply
to those motorbuses, as determined by the authority, which have
as their ultimate destination their point of origin, without the
necessity of interrupting a continuous journey for the purpose of
stopping within Atlantic County, except for the purpose of dis-
charging passengers or those motorbuses whose only destination
within Atlantic County is a bus terminal designated by the author-
ity as a public bus terminal. Such a motorbus shall complete its
journey by the most direct and expeditious route, as provided by the authority; (5) licensing, including renewals thereof, and regulation of parking, repair and maintenance facilities which can accommodate motorbus parking, repair and maintenance not owned, operated, leased, or approved by the authority, including the regulation of size, location, utilization and operation of, and need for, the facilities. The authority shall notify and request comment from any municipality affected by rules and regulations concerning licensure and regulation of parking, repair and maintenance facilities which can accommodate motorbus parking in accordance with subsection d. of this section. The authority shall regulate repair and maintenance facilities only to the extent necessary to assure that those facilities are not operated as parking facilities and may adopt criteria for determining when the parking of motorbuses at repair and maintenance facilities constitutes operation as a parking facility. This subsection shall not apply to a privately owned parking, repair and maintenance facility in existence at a location in Atlantic County as of February 1, 1983, which exclusively accommodates motorbuses owned by the owner of the parking facility and does not rent or lease the facility or its use to any other motorbus provided there is no increase in the capacity of the facility after the date of enactment of this act, except that any such facility located within the city limits of Atlantic City may provide repair and maintenance service to its motorbuses and other motorbuses and attendant storage and may expand its facility to an adjoining property, subject to municipal planning and zoning ordinances. This subsection shall also not apply to a privately owned parking, repair or maintenance facility located outside the city limits of Atlantic City in existence on February 1, 1983, and in continuous operation thereafter, which exclusively accommodates motorbuses, tractor trailers, and limousines owned directly or through a corporation by an owner or a contract purchaser of the facility, provided there is no increase in the land area of the entire facility after February 1, 1983, the number of buses parked at any one time does not exceed 85, and that on or after January 1, 1992 this exemption shall not transfer with title to the facility.

b. The authority may establish a reasonable service charge to be paid by the owner or operator of each motorbus which shall enter a municipality in which casino gaming is authorized, which service charge shall be collected in a manner as the authority may direct. The fee shall not exceed $2.00 per motorbus, except once the maximum fee is reached, the authority may increase the fee annually by
the percentage increase of the Consumer Price Index for the Philadelphia-New Jersey area for the preceding year as determined by the Bureau of Labor Statistics. This subsection shall not apply to those motorbuses whose only destination within Atlantic County is a bus terminal designated by the authority as a public bus terminal.

The authority is empowered to require casino hotels in a municipality in which casino gaming is authorized to furnish it with information as is necessary to collect the reasonable service charge referred to in this subsection.

c. Rules and regulations promulgated by the authority under this section may include the provision for an assessment of penalties for any violation of these rules and regulations not to exceed $500 for any single violation. Any violation of these rules and regulations shall be prosecuted by the municipality in which the violation occurred. All moneys collected as a result of the imposition of fines in cases prosecuted by the municipality shall be paid to the municipality. The Superior Court and the municipal court shall have jurisdiction to enforce “the penalty enforcement law.” If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate, and distinct offense.

(3) The department may compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

(4) The department may sell, sell at auction, or donate any wild bird or part thereof forfeited pursuant to this subsection to any permittee or licensee designated pursuant to paragraph (1) of subsection c. of this section. The proceeds derived from such sales of any wild birds or parts thereof, together with any penalties collected pursuant to paragraph (2) of this subsection and any fees collected pursuant to this section, shall be deposited in a fund for use by the department in administering and enforcing this section and “The Endangered and Nongame Species Conservation Act,” P.L.1973, c.309 (C.23:2A-1 et seq.).

Such appeal shall be made within 10 days of the
date of publication of such final decision pursuant to subsection i. of section 6 of P.L.1975, c.291 (C.40:55D-10). In the case of any board established pursuant to article 10 of P.L.1975, c.291, the governing body of the municipality in which the land is situated shall be the "governing body" for purposes of this section. The appeal to the governing body shall be made by serving the municipal clerk in person or by certified mail with a notice of appeal, specifying the grounds thereof and the name and address of the appellant and name and address of his attorney, if represented. Such appeal shall be decided by the governing body only upon the record established before the board of adjustment.

b. Notice of the meeting to review the record below shall be given by the governing body by personal service or certified mail to the appellant, to those entitled to notice of a decision pursuant to subsection h. of section 6 of P.L.1975, c.291 (C.40:55D-10) and to the board from which the appeal is taken, at least 10 days prior to the date of the meeting. The parties may submit oral and written argument on the record at such meeting, and the governing body shall provide for verbatim recording and transcripts of such meeting pursuant to subsection f. of section 6 of P.L.1975, c.291 (C.40:55D-10).

c. The appellant shall, (1) within five days of service of the notice of the appeal pursuant to subsection a. hereof, arrange for a transcript pursuant to subsection f. of section 6 of P.L.1975, c.291 (C.40:55D-10) for use by the governing body and pay a deposit of $50.00 or the estimated cost of such transcript, whichever is less, or (2) within 35 days of service of the notice of appeal, submit a transcript as otherwise arranged to the municipal clerk; otherwise, the appeal may be dismissed for failure to prosecute.

The governing body shall conclude a review of the record below not later than 95 days from the date of publication of notice of the decision below pursuant to subsection i. of section 6 of P.L.1975, c.291 (C.40:55D-10), unless the applicant consents in writing to an extension of such period. Failure of the governing body to hold a hearing and conclude a review of the record below and to render a decision within such specified period shall constitute a decision affirming the action of the board.

d. The governing body may reverse, remand, or affirm with or without the imposition of conditions the final decision of the board of adjustment approving a variance pursuant to subsection d. of section 57 of P.L.1975, c.291 (C.40:55D-70). The review shall be made on the record made before the board of adjustment.
e. The affirmative vote of a majority of the full authorized membership of the governing body shall be necessary to reverse or remand to the board of adjustment or to impose conditions on or alter conditions to any final action of the board of adjustment. Otherwise the final action of the board of adjustment shall be deemed to be affirmed; a tie vote of the governing body shall constitute affirmance of the decision of the board of adjustment.

f. An appeal to the governing body shall stay all proceedings in furtherance of the action in respect to which the decision appealed from was made, unless the board from whose action the appeal is taken certifies to the governing body, after the notice of appeal shall have been filed with such board, that by reason of facts stated in the certificate, a stay would, in its opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed other than by an order of the Superior Court on application upon notice to the board from whom the appeal is taken and on good cause shown.

g. The governing body shall mail a copy of the decision to the appellant or, if represented, then to his attorney, without separate charge, and for a reasonable charge to any interested party who has requested it, not later than 10 days after the date of the decision. A brief notice of the decision shall be published in the official newspaper of the municipality, if there be one, or in a newspaper of general circulation in the municipality. Such publication shall be arranged by the applicant unless a particular municipal officer is so designated by ordinance; provided that nothing contained herein shall be construed as preventing the applicant from arranging such publication if he so desires. The governing body may make a reasonable charge for its publication. The period of time in which an appeal to a court of competent jurisdiction may be made shall run from the first publication, whether arranged by the municipality or the applicant.

h. Nothing in this act shall be construed to restrict the right of any party to obtain a review by any court of competent jurisdiction, according to law.

4. Section 14 of P.L.1975, c.291 (C.40:55D-23) is amended to read as follows:

C.40:55D-23 Planning board membership.

14. Planning board membership. a. The governing body may, by ordinance, create a planning board of seven or nine members.
The membership shall consist of, for convenience in designating the manner of appointment, the four following classes:

Class I--the mayor or, in the case of the council-manager form of government pursuant to the Optional Municipal Charter Law, P.L.1950, c.210 (C.40:69A-1 et seq.) or "the municipal manager form of government law" (R.S.40:79-1 et seq.), the manager, if so provided by the aforesaid ordinance.

Class II--one of the officials of the municipality other than a member of the governing body, to be appointed by the mayor; provided that if there be an environmental commission, the member of the environmental commission who is also a member of the planning board as required by section 1 of P.L.1968, c.245 (C.40:56A-1), shall be deemed to be the Class II planning board member for purposes of this act in the event that there be among the Class IV or alternate members of the planning board both a member of the zoning board of adjustment and a member of the board of education.

Class III--a member of the governing body to be appointed by it.

Class IV--other citizens of the municipality, to be appointed by the mayor or, in the case of the council-manager form of government pursuant to the Optional Municipal Charter Law, P.L.1950, c.210 (C.40:69A-1 et seq.) or "the municipal manager form of government law" (R.S.40:79-1 et seq.), by the council, if so provided by the aforesaid ordinance.

The members of Class IV shall hold no other municipal office, position or employment, except that in the case of nine-member boards, one such member may be a member of the zoning board of adjustment or historic preservation commission. No member of the board of education may be a Class IV member of the planning board, except that in the case of a nine-member board, one Class IV member may be a member of the board of education. If there be a municipal environmental commission, the member of the environmental commission who is also a member of the planning board, as required by section 1 of P.L.1968, c.245 (C.40:56A-1), shall be a Class IV planning board member, unless there be among the Class IV or alternate members of the planning board both a member of the zoning board of adjustment or historic preservation commission and a member of the board of education, in which case the member common to the planning board and municipal environmental commission shall be deemed a Class II member of the planning board. For the purpose of this section, membership on a municipal board or commission whose function is advisory in nature, and the establishment
of which is discretionary and not required by statute, shall not be considered the holding of municipal office.

b. The term of the member composing Class I shall correspond to his official tenure. The terms of the members composing Class II and Class III shall be for one year or terminate at the completion of their respective terms of office, whichever occurs first, except for a Class II member who is also a member of the environmental commission. The term of a Class II or Class IV member who is also a member of the environmental commission shall be for three years or terminate at the completion of his term of office as a member of the environmental commission, whichever occurs first. The term of a Class IV member who is also a member of the board of adjustment or board of education shall terminate whenever he is no longer a member of such other body or at the completion of his Class IV term, whichever occurs first. The terms of all Class IV members first appointed under this act shall be so determined that to the greatest practicable extent the expiration of such terms shall be distributed evenly over the first four years after their appointments; provided that the initial Class IV term of no member shall exceed four years. Thereafter, the Class IV term of each such member shall be four years. If a vacancy in any class shall occur otherwise than by expiration of the planning board term, it shall be filled by appointment, as above provided, for the unexpired term. No member of the planning board shall be permitted to act on any matter in which he has, either directly or indirectly, any personal or financial interest. Any member other than a Class I member, after a public hearing if he requests one, may be removed by the governing body for cause.

c. In any municipality in which the term of the municipal governing body commences on January 1, the governing body may, by ordinance, provide that the term of appointment of any class of member of the planning board appointed pursuant to this section shall commence on January 1. In any municipality in which the term of the municipal governing body commences on July 1, the governing body may, by ordinance, provide that the term of appointment of any class of member appointed pursuant to this section commence on July 1.

C.40:55D-23.2 Members of board of adjustment may serve as temporary members of planning board.

5. If the planning board lacks a quorum because any of its regular or alternate members is prohibited by subsection b. of section 14 of P.L.1975, c.291 (C.40:55D-23) or section 13 of P.L.1979,
c.216 (C.40:55D-23.1) from acting on a matter due to the member's personal or financial interests therein, regular members of the board of adjustment shall be called upon to serve, for that matter only, as temporary members of the planning board in order of seniority of continuous service to the board of adjustment until there are the minimum number of members necessary to constitute a quorum to act upon the matter without any personal or financial interest therein, whether direct or indirect. If a choice has to be made between regular members of equal seniority, the chairman of the board of adjustment shall make the choice.

6. Section 25 of P.L.1975, c.291 (C.40:55D-34) is amended to read as follows:

C.40:55D-34  Issuance of permits for buildings or structures.

25. Issuance of permits for buildings or structures. For purpose of preserving the integrity of the official map of a municipality no permit shall be issued for any building or structure in the bed of any street or public drainage way, flood control basin or public area reserved pursuant to section 23 of P.L.1975, c.291 (C.40:55D-32) as shown on the official map, or shown on a plat filed pursuant to this act before adoption of the official map, except as herein provided. Whenever one or more parcels of land, upon which is located the bed of such a mapped street or public drainage way, flood control basin or public area reserved pursuant to section 23 of P.L.1975, c.291 (C.40:55D-32), cannot yield a reasonable return to the owner unless a building permit is granted, the board of adjustment, in any municipality which has established such a board, may, in a specific case, by an affirmative vote of a majority of the full authorized membership of the board, direct the issuance of a permit for a building or structure in the bed of such mapped street or public drainage way or flood control basin or public area reserved pursuant to section 23 of P.L.1975, c.291 (C.40:55D-32), which will as little as practicable increase the cost of opening such street, or tend to cause a minimum change of the official map and the board shall impose reasonable requirements as a condition of granting the permit so as to promote the health, morals, safety and general welfare of the public. Sections 59 through 62 of P.L.1975, c.291 (C.40:55D-72 through C.40:55D-75) shall apply to applications or appeals pursuant to this section. In any municipality in which there is no board of adjustment, the planning board shall have the same powers and be subject to the same restrictions as provided in this section.
The board of adjustment shall not exercise the power otherwise granted by this section if the proposed development requires approval by the planning board of a subdivision, site plan or conditional use in conjunction with which the planning board has power to direct the issuance of a permit pursuant to subsection b. of section 47 of P.L.1975, c.291 (C.40:55D-60).

7. Section 27 of P.L.1975, c.291 (C.40:55D-36) is amended to read as follows:

C.40:55D-36 Appeals.
27. Appeals. Where the enforcement of section 26 of P.L.1975, c.291 (C.40:55D-35) would entail practical difficulty or unnecessary hardship, or where the circumstances of the case do not require the building or structure to be related to a street, the board of adjustment may upon application or appeal, vary the application of section 26 of P.L.1975, c.291 (C.40:55D-35) and direct the issuance of a permit subject to conditions that will provide adequate access for firefighting equipment, ambulances and other emergency vehicles necessary for the protection of health and safety and that will protect any future street layout shown on the official map or on a general circulation plan element of the municipal master plan pursuant to paragraph (4) of subsection b. of section 19 of P.L.1975, c.291 (C.40:55D-28).

Sections 59 through 62 of P.L.1975, c.291 (C.40:55D-72 through C.40:55D-75) shall apply to applications or appeals pursuant to this section. In any municipality in which there is no board of adjustment, the planning board shall have the same powers and be subject to the same restrictions as provided in this section.

The board of adjustment shall not exercise the power otherwise granted by this section if the proposed development requires approval by the planning board of a subdivision, site plan or conditional use in conjunction with which the planning board has power to direct the issuance of a permit pursuant to subsection c. of section 47 of P.L.1975, c.291 (C.40:55D-60).

8. Section 14 of P.L.1979, c.216 (C.40:55D-46.1) is amended to read as follows:

C.40:55D-46.1 Minor site plan; approval.
14. An ordinance requiring, pursuant to section 7.1 of P.L.1975, c.291 (C.40:55D-12), notice of hearings on applications for development for conventional site plans, may authorize the
planning board to waive notice and public hearing for an application for development, if the planning board or site plan subcommittee of the board appointed by the chairman finds that the application for development conforms to the definition of "minor site plan." Minor site plan approval shall be deemed to be final approval of the site plan by the board, provided that the board or said subcommittee may condition such approval on terms ensuring the provision of improvements pursuant to sections 29, 29.1, 29.3 and 41 of P.L.1975, c.291 (C.40:55D-38, 40:55D-39, 40:55D-41 and 40:55D-53).

a. Minor site plan approval shall be granted or denied within 45 days of the date of submission of a complete application to the administrative officer, or within such further time as may be consented to by the applicant. Failure of the planning board to act within the period prescribed shall constitute minor site plan approval.

b. Whenever review or approval of the application by the county planning board is required by section 8 of P.L.1968, c.285 (C.40:27-6.5), the municipal planning board shall condition any approval that it grants upon timely receipt of a favorable report on the application by the county planning board or approval by the county planning board by its failure to report thereon within the required time period.

c. The zoning requirements and general terms and conditions, whether conditional or otherwise, upon which minor site plan approval was granted, shall not be changed for a period of two years after the date of minor site plan approval. The planning board shall grant an extension of this period for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued the approvals. A developer shall apply for this extension before: (1) what would otherwise be the expiration date, or (2) the 91st day after the date on which the developer receives the last of the legally required approvals from the other governmental entities, whichever occurs later.

9. Section 35 of P.L.1975, c.291 (C.40:55D-47) is amended to read as follows:

35. a. Minor subdivision. An ordinance requiring approval of subdivisions by the planning board may authorize the planning board to
waive notice and public hearing for an application for development if the planning board or subdivision committee of the board appointed by the chairman find that the application for development conforms to the definition of "minor subdivision" in section 3.2 of P.L.1975, c.291 (C.40:55D-5). Minor subdivision approval shall be deemed to be final approval of the subdivision by the board; provided that the board or said subcommittee may condition such approval on terms ensuring the provision of improvements pursuant to sections 29, 29.1, 29.2 and 41 of P.L.1975, c.291 (C.40:55D-38, C.40:55D-39, C.40:55D-40, and C.40:55D-53).

b. Minor subdivision approval shall be granted or denied within 45 days of the date of submission of a complete application to the administrative officer, or within such further time as may be consented to by the applicant. Failure of the planning board to act within the period prescribed shall constitute minor subdivision approval and a certificate of the administrative officer as to the failure of the planning board to act shall be issued on request of the applicant; and it shall be sufficient in lieu of the written endorsement or other evidence of approval, herein required, and shall be so accepted by the county recording officer for purposes of filing subdivision plats.

c. Whenever review or approval of the application by the county planning board is required by section 5 of P.L.1968, c.285 (C.40:27-6.3), the municipal planning board shall condition any approval that it grants upon timely receipt of a favorable report on the application by the county planning board or approval by the county planning board by its failure to report thereon within the required time period.

d. Except as provided in subsection f. of this section, approval of a minor subdivision shall expire 190 days from the date on which the resolution of municipal approval is adopted unless within such period a plat in conformity with such approval and the provisions of the "Map Filing Law," P.L.1960, c.141 (C.46:23-9.9 et seq.), or a deed clearly describing the approved minor subdivision is filed by the developer with the county recording officer, the municipal engineer and the municipal tax assessor. Any such plat or deed accepted for such filing shall have been signed by the chairman and secretary of the planning board. In reviewing the application for development for a proposed minor subdivision the planning board may be permitted by ordinance to accept a plat not in conformity with the "Map Filing Law," P.L.1960, c.141 (C.46:23-9.9 et seq.); provided that if the developer chooses to file
the minor subdivision as provided herein by plat rather than deed such plat shall conform with the provisions of said act.

e. The zoning requirements and general terms and conditions, whether conditional or otherwise, upon which minor subdivision approval was granted, shall not be changed for a period of two years after the date on which the resolution of minor subdivision approval is adopted; provided that the approved minor subdivision shall have been duly recorded as provided in this section.

f. The planning board may extend the 190-day period for filing a minor subdivision plat or deed pursuant to subsection d. of this section if the developer proves to the reasonable satisfaction of the planning board (1) that the developer was barred or prevented, directly or indirectly, from filing because of delays in obtaining legally required approvals from other governmental or quasi-governmental entities and (2) that the developer applied promptly for and diligently pursued the required approvals. The length of the extension shall be equal to the period of delay caused by the wait for the required approvals, as determined by the planning board. The developer may apply for the extension either before or after what would otherwise be the expiration date.

g. The planning board shall grant an extension of minor subdivision approval for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued the required approvals. A developer shall apply for the extension before (1) what would otherwise be the expiration date of minor subdivision approval or (2) the 91st day after the developer receives the last legally required approval from other governmental entities, whichever occurs later.

10. Section 37 of P.L.1975, c.291 (C.40:55D-49) is amended to read as follows:

C.40:55D-49  Effect of preliminary approval.

37. Effect of preliminary approval. Preliminary approval of a minor subdivision pursuant to section 36 of P.L.1975, c.291 (C.40:55D-48) shall, except as provided in sub-
section d. of this section, confer upon the applicant the following rights for a three-year period from the date on which the resolution of preliminary approval is adopted:

a. That the general terms and conditions on which preliminary approval was granted shall not be changed, including but not limited to use requirements; layout and design standards for streets, curbs and sidewalks; lot size; yard dimensions and off-tract improvements; and, in the case of a site plan, any requirements peculiar to site plan approval pursuant to section 29.3 of P.L.1975, c.291 (C.40:55D-41); except that nothing herein shall be construed to prevent the municipality from modifying by ordinance such general terms and conditions of preliminary approval as relate to public health and safety;

b. That the applicant may submit for final approval on or before the expiration date of preliminary approval the whole or a section or sections of the preliminary subdivision plat or site plan, as the case may be; and

c. That the applicant may apply for and the planning board may grant extensions on such preliminary approval for additional periods of at least one year but not to exceed a total extension of two years, provided that if the design standards have been revised by ordinance, such revised standards may govern.

d. In the case of a subdivision of or site plan for an area of 50 acres or more, the planning board may grant the rights referred to in subsections a., b., and c. of this section for such period of time, longer than three years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under preliminary approval, (2) economic conditions, and (3) the comprehensiveness of the development. The applicant may apply for thereafter and the planning board may thereafter grant an extension to preliminary approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under preliminary approval, and (2) the potential number of dwelling units and nonresidential floor area of the section or sections awaiting final approval, (3) economic conditions and (4) the comprehensiveness of the development; provided that if the design standards have been revised, such revised standards may govern.

e. Whenever the planning board grants an extension of preliminary approval pursuant to subsection c. or d. of this section and
preliminary approval has expired before the date on which the extension is granted, the extension shall begin on what would otherwise be the expiration date. The developer may apply for the extension either before or after what would otherwise be the expiration date.

f. The planning board shall grant an extension of preliminary approval for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued the required approvals. A developer shall apply for the extension before (1) what would otherwise be the expiration date of preliminary approval or (2) the 91st day after the developer receives the last legally required approval from other governmental entities, whichever occurs later. An extension granted pursuant to this subsection shall not preclude the planning board from granting an extension pursuant to subsection c. or d. of this section.

11. Section 40 of P.L.1975, c.291 (C.40:55D-52) is amended to read as follows:

C.40:55D-52 Effect of final approval of a site plan or major subdivision.

40. Effect of final approval of a site plan or major subdivision.

a. The zoning requirements applicable to the preliminary approval first granted and all other rights conferred upon the developer pursuant to section 37 of P.L.1975, c.291 (C.40:55D-49), whether conditionally or otherwise, shall not be changed for a period of two years after the date on which the resolution of final approval is adopted; provided that in the case of a major subdivision the rights conferred by this section shall expire if the plat has not been duly recorded within the time period provided in section 42 of P.L.1975, c.291 (C.40:55D-54). If the developer has followed the standards prescribed for final approval, and, in the case of a subdivision, has duly recorded the plat as required in section 42 of P.L.1975, c.291 (C.40:55D-54), the planning board may extend such period of protection for extensions of one year but not to exceed three extensions. Notwithstanding any other provisions of this act, the granting of final approval terminates the time period of preliminary approval pursuant to section 37 of P.L.1975, c.291 (C.40:55D-49) for the section granted final approval.
b. In the case of a subdivision or site plan for a planned development of 50 acres or more, conventional subdivision or site plan for 150 acres or more, or site plan for development of a nonresidential floor area of 200,000 square feet or more, the planning board may grant the rights referred to in subsection a. of this section for such period of time, longer than two years, as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) economic conditions and (3) the comprehensiveness of the development. The developer may apply for thereafter, and the planning board may thereafter grant, an extension of final approval for such additional period of time as shall be determined by the planning board to be reasonable taking into consideration (1) the number of dwelling units and nonresidential floor area permissible under final approval, (2) the number of dwelling units and nonresidential floor area remaining to be developed, (3) economic conditions and (4) the comprehensiveness of the development.

c. Whenever the planning board grants an extension of final approval pursuant to subsection a. or b. of this section and final approval has expired before the date on which the extension is granted, the extension shall begin on what would otherwise be the expiration date. The developer may apply for the extension either before or after what would otherwise be the expiration date.

d. The planning board shall grant an extension of final approval for a period determined by the board but not exceeding one year from what would otherwise be the expiration date, if the developer proves to the reasonable satisfaction of the board that the developer was barred or prevented, directly or indirectly, from proceeding with the development because of delays in obtaining legally required approvals from other governmental entities and that the developer applied promptly for and diligently pursued these approvals. A developer shall apply for the extension before (1) what would otherwise be the expiration date of final approval or (2) the 91st day after the developer receives the last legally required approval from other governmental entities, whichever occurs later. An extension granted pursuant to this subsection shall not preclude the planning board from granting an extension pursuant to subsection a. or b. of this section.

12. Section 41 of P.L.1975, c.291 (C.40:55D-53) is amended to read as follows:
CHAPTER 256, LAWS OF 1991 1691

C.40:55D-53 Guarantees required; surety; release.

41. Guarantees required; surety; release. a. Before recording of final subdivision plats or as a condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to subsection d. of section 52 of P.L.1975, c.291 (C.40:55D-65), the approving authority may require and shall accept in accordance with the standards adopted by ordinance for the purpose of assuring the installation and maintenance of on-tract improvements:

(1) The furnishing of a performance guarantee in favor of the municipality in an amount not to exceed 120% of the cost of installation, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4), for improvements which the approving authority may deem necessary or appropriate including: streets, grading, pavement, gutters, curbs, sidewalks, street lighting, shade trees, surveyor's monuments, as shown on the final map and required by the "Map Filing Law," P.L.1960, c.141 (C.46:23-9.9 et seq.), water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, erosion control and sedimentation control devices, public improvements of open space and, in the case of site plans only, other on-site improvements and landscaping.

The municipal engineer shall prepare an itemized cost estimate of the improvements covered by the performance guarantee, which itemized cost estimate shall be appended to each performance guarantee posted by the obligor.

(2) Provision for a maintenance guarantee to be posted with the governing body for a period not to exceed two years after final acceptance of the improvement, in an amount not to exceed 15% of the cost of the improvement, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4). In the event that other governmental agencies or public utilities automatically will own the utilities to be installed or the improvements are covered by a performance or maintenance guarantee to another governmental agency, no performance or maintenance guarantee, as the case may be, shall be required by the municipality for such utilities or improvements.

b. The time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by the governing body by resolution. As a condition or as part of any such extension, the amount of any performance guaran-
tee shall be increased or reduced, as the case may be, to an amount not to exceed 120% of the cost of the installation, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4) as of the time of the passage of the resolution.

c. If the required improvements are not completed or corrected in accordance with the performance guarantee, the obligor and surety, if any, shall be liable thereon to the municipality for the reasonable cost of the improvements not completed or corrected and the municipality may either prior to or after the receipt of the proceeds thereof complete such improvements. Such completion or correction of improvements shall be subject to the public bidding requirements of the “Local Public Contracts Law,” P.L.1971, c.198 (C.40A:11-1 et seq.).

d. (1) Upon substantial completion of all required street improvements (except for the top course) and appurtenant utility improvements, and the connection of same to the public system, the obligor may request of the governing body in writing, by certified mail addressed in care of the municipal clerk, that the municipal engineer prepare, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section, a list of all uncompleted or unsatisfactory completed improvements. If such a request is made, the obligor shall send a copy of the request to the municipal engineer. The request shall indicate which improvements have been completed and which improvements remain uncompleted in the judgment of the obligor. Thereupon the municipal engineer shall inspect all improvements covered by the obligor’s request and shall file a detailed list and report, in writing, with the governing body, and shall simultaneously send a copy thereof to the obligor not later than 45 days after receipt of the obligor’s request.

(2) The list prepared by the municipal engineer shall state, in detail, with respect to each improvement determined to be incomplete or unsatisfactory, the nature and extent of the incompleteness of each incomplete improvement or the nature and extent of, and remedy for, the unsatisfactory state of each completed improvement determined to be unsatisfactory. The report prepared by the municipal engineer shall identify each improvement determined to be complete and satisfactory together with a recommendation as to the amount of reduction to be made in the performance guarantee relating to the completed and satisfactory
improvements, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section.

e. (1) The governing body, by resolution, shall either approve the improvements determined to be complete and satisfactory by the municipal engineer, or reject any or all of these improvements upon the establishment in the resolution of cause for rejection, and shall approve and authorize the amount of reduction to be made in the performance guarantee relating to the improvements accepted, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section. This resolution shall be adopted not later than 45 days after receipt of the list and report prepared by the municipal engineer. Upon adoption of the resolution by the governing body, the obligor shall be released from all liability pursuant to its performance guarantee, with respect to those approved improvements, except for that portion adequately sufficient to secure completion or correction of the improvements not yet approved; provided that 30% of the amount of the performance guarantee posted may be retained to ensure completion and acceptability of all improvements.

(2) If the municipal engineer fails to send or provide the list and report as requested by the obligor pursuant to subsection d. of this section within 45 days from receipt of the request, the obligor may apply to the court in a summary manner for an order compelling the municipal engineer to provide the list and report within a stated time and the cost of applying to the court, including reasonable attorney’s fees, may be awarded to the prevailing party.

If the governing body fails to approve or reject the improvements determined by the municipal engineer to be complete and satisfactory or reduce the performance guarantee for the complete and satisfactory improvements within 45 days from the receipt of the municipal engineer’s list and report, the obligor may apply to the court in a summary manner for an order compelling, within a stated time, approval of the complete and satisfactory improvements and approval of a reduction in the performance guarantee for the approvable complete and satisfactory improvements in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section; and the cost of applying to the court, including reasonable attorney’s fees, may be awarded to the prevailing party.
(3) In the event that the obligor has made a cash deposit with the municipality or approving authority as part of the performance guarantee, then any partial reduction granted in the performance guarantee pursuant to this subsection shall be applied to the cash deposit in the same proportion as the original cash deposit bears to the full amount of the performance guarantee.

f. If any portion of the required improvements is rejected, the approving authority may require the obligor to complete or correct such improvements and, upon completion or correction, the same procedure of notification, as set forth in this section shall be followed.

g. Nothing herein, however, shall be construed to limit the right of the obligor to contest by legal proceedings any determination of the governing body or the municipal engineer.

h. The obligor shall reimburse the municipality for all reasonable inspection fees paid to the municipal engineer for the foregoing inspection of improvements; provided that the municipality may require of the developer a deposit for the inspection fees in an amount not to exceed, except for extraordinary circumstances, the greater of $500 or 5% of the cost of improvements, which cost shall be determined pursuant to section 15 of P.L.1991, c.256 (C.40:55D-53.4).

i. In the event that final approval is by stages or sections of development pursuant to subsection a. of section 29 of P.L.1975, c.291 (C.40:55D-38), the provisions of this section shall be applied by stage or section.

C.40:55D-53.2 Municipal payments to professionals for services rendered.

13. The municipality shall make all of the payments to professionals for services rendered to the municipality for review of applications for development, review and preparation of documents, inspection of improvements or other purposes under the provisions of P.L.1975, c.291 (C.40:55D-1 et seq.). If the municipality requires of the developer a deposit toward anticipated municipal expenses for these professional services, the deposit shall be placed in an escrow account pursuant to section 1 of P.L.1985, c.315 (C.40:55D-53.1). The amount of the deposit required shall be reasonable in regard to the scale and complexity of the development. All payments charged to the deposit shall be pursuant to vouchers from the professionals stating the hours spent, the hourly rate and the expenses incurred. The municipality shall render a written final accounting to the developer on the uses to which the deposit was put. Thereafter the municipality
shall, upon written request, provide copies of the vouchers to the developer. If the salary, staff support and overhead for a professional are provided by the municipality, the charge to the deposit shall not exceed 200% of the sum of the products resulting from multiplying (1) the hourly base salary of each of the professionals by (2) the number of hours spent by the respective professional on review of the application for development or the developer's improvements, as the case may be. For other professionals the charge to the deposit shall be at the same rate as all other work of the same nature by the professional for the municipality.

14. A municipality shall not require that a maintenance guarantee required pursuant to section 41 of P.L.1975, c.291 (C.40:55D-53) be in cash or that more than 10% of a performance guarantee pursuant to that section be in cash. A developer may, however, provide at his option some or all of a maintenance guarantee in cash, or more than 10% of a performance guarantee in cash.

C.40:55D-53.4 Municipal engineer to estimate cost of installation of improvements.

15. The cost of the installation of improvements for the purposes of section 41 of P.L.1975, c.291 (C.40:55D-53) shall be estimated by the municipal engineer based on documented construction costs for public improvements prevailing in the general area of the municipality. The developer may appeal the municipal engineer's estimate to the governing body. The governing body shall decide the appeal within 45 days of receipt of the appeal in writing by the municipal clerk. After the developer posts a guarantee with the municipality based on the cost of the installation of improvements as determined by the governing body, he may institute legal action within one year of the posting in order to preserve the right to a judicial determination as to the fairness and reasonableness of the amount of the guarantee.

C.40:55D-53.5 Performance of maintenance guarantee, acceptance.

16. The approving authority shall, for the purposes of section 41 of P.L.1975, c.291 (C.40:55D-53), accept a performance guarantee or maintenance guarantee which is an irrevocable letter of credit if it:

a. Constitutes an unconditional payment obligation of the issuer running solely to the municipality for an express initial period of time in the amount determined pursuant to section 41 of P.L.1975, c.291 (C.40:55D-53);
b. Is issued by a banking or savings institution authorized to do and doing business in this State;

c. Is for a period of time of at least one year; and

d. Permits the municipality to draw upon the letter of credit if the obligor fails to furnish another letter of credit which complies with the provisions of this section 30 days or more in advance of the expiration date of the letter of credit or such longer period in advance thereof as is stated in the letter of credit.

C.40:55D-53.6 Municipality to assume payment of cost of street lighting.

17. If an approving authority includes as a condition of approval of an application for development pursuant to P.L.1975, c.291 (C.40:55D-1 et seq.) the installation of street lighting on a dedicated public street connected to a public utility, then upon notification in writing by the developer to the approving authority and governing body of the municipality that (1) the street lighting on a dedicated public street has been installed and accepted for service by the public utility and (2) that certificates of occupancy have been issued for at least 50% of the dwelling units and 50% of the floor area of the non-residential uses on the dedicated public street or portion thereof indicated by section pursuant to section 29 of P.L.1975, c.291 (C.40:55D-38), the municipality shall, within 30 days following receipt of the notification, make appropriate arrangements with the public utility for, and assume the payment of, the costs of the street lighting on the dedicated public street on a continuing basis. Compliance by the municipality with the provisions of this section shall not be deemed to constitute acceptance of the street by the municipality.

18. Section 42 of P.L.1975, c.291 (C.40:55D-54) is amended to read as follows:

C.40:55D-54 Recording of final approval of major subdivision; filing of all subdivision plats.

42. Recording of final approval of major subdivision; filing of all subdivision plats. a. Final approval of a major subdivision shall expire 95 days from the date of signing of the plat unless within such period the plat shall have been duly filed by the developer with the county recording officer. The planning board may for good cause shown extend the period for recording for an additional period not to exceed 190 days from the date of signing of the plat. The planning board may extend the 95-day or 190-day period if the developer proves to the reasonable satisfaction of the planning board (1) that the developer was barred or prevented, directly or indirectly, from
filing because of delays in obtaining legally required approvals from other governmental or quasi-governmental entities and (2) that the developer applied promptly for and diligently pursued the required approvals. The length of the extension shall be equal to the period of delay caused by the wait for the required approvals, as determined by the planning board. The developer may apply for an extension either before or after the original expiration date.

b. No subdivision plat shall be accepted for filing by the county recording officer until it has been approved by the planning board as indicated on the instrument by the signature of the chairman and secretary of the planning board or a certificate has been issued pursuant to sections 35, 38, 44, 48, 54 or 63 of P.L.1975, c.291 (C.40:55D-47, 40:55D-50, 40:55D-56, 40:55D-61, 40:55D-67, 40:55D-76). The signatures of the chairman and secretary of the planning board shall not be affixed until the developer has posted the guarantees required pursuant to section 41 of P.L.1975, c.291 (C.40:55D-53). If the county recording officer records any plat without such approval, such recording shall be deemed null and void, and upon request of the municipality, the plat shall be expunged from the official records.

c. It shall be the duty of the county recording officer to notify the planning board in writing within seven days of the filing of any plat, identifying such instrument by its title, date of filing, and official number.

19. Section 50 of P.L.1975, c.291 (C.40:55D-63) is amended to read as follows:

C.40:55D-63 Protest.

50. Protest. A protest against any proposed amendment or revision of a zoning ordinance may be filed with the municipal clerk, signed by the owners of 20% or more of the area either (1) of the lots or land included in such proposed change, or (2) of the lots or land extending 200 feet in all directions therefrom inclusive of street space, whether within or without the municipality. Such amendment or revision shall not become effective following the filing of such protest except by the favorable vote of two-thirds of all the members of the governing body of the municipality.

C.40:55D-69.1 Members of planning board may serve temporarily on the board of adjustment.

20. If the board of adjustment lacks a quorum because any of its regular or alternate members is prohibited by section 56 of
P.L.1975, c.291 (C.40:55D-69) from acting on a matter due to the member's personal or financial interest therein. Class IV members of the planning board shall be called upon to serve, for that matter only, as temporary members of the board of adjustment. The Class IV members of the planning board shall be called upon to serve in order of seniority of continuous service to the planning board until there are the minimum number of members necessary to constitute a quorum to act upon the matter without any personal or financial interest therein, whether direct or indirect. If a choice has to be made between Class IV members of equal seniority, the chairman of the planning board shall make the choice.

21. Section 57 of P.L.1975, c.291 (C.40:55D-70) is amended to read as follows:

57. Powers. The board of adjustment shall have the power to:
   a. Hear and decide appeals where it is alleged by the appellant that there is error in any order, requirement, decision or refusal made by an administrative officer based on or made in the enforcement of the zoning ordinance;
   b. Hear and decide requests for interpretation of the zoning map or ordinance or for decisions upon other special questions upon which such board is authorized to pass by any zoning or official map ordinance, in accordance with this act;
   c. (1) Where: (a) by reason of exceptional narrowness, shallowness or shape of a specific piece of property, or (b) by reason of exceptional topographic conditions or physical features uniquely affecting a specific piece of property, or (c) by reason of an extraordinary and exceptional situation uniquely affecting a specific piece of property or the structures lawfully existing thereon, the strict application of any regulation pursuant to article 8 of this act would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the developer of such property, grant, upon an application or an appeal relating to such property, a variance from such strict application of such regulation so as to relieve such difficulties or hardship; (2) where in an application or appeal relating to a specific piece of property the purposes of this act would be advanced by a deviation from the zoning ordinance requirements and the benefits of the deviation would substantially outweigh any detriment, grant a variance to allow departure from regulations pursuant to article 8 of this act;
provided, however, that no variance from those departures enumerated in subsection d. of this section shall be granted under this subsection; and provided further that the proposed development does not require approval by the planning board of a subdivision, site plan or coitional use, in conjunction with which the planning board has power to review a request for a variance pursuant to subsection a. of section 47 of this act; and

d. In particular cases and for special reasons, grant a variance to allow departure from regulations pursuant to article 8 of this act to permit: (1) a use or principal structure in a district restricted against such use or principal structure, (2) an expansion of a nonconforming use, (3) deviation from a specification or standard pursuant to section 54 of P.L.1975, c.291 (C.40:55D-67) pertaining solely to a conditional use, (4) an increase in the permitted floor area ratio as defined in section 3.1 of P.L.1975, c.291 (C.40:55D-4), (5) an increase in the permitted density as defined in section 3.1 of P.L.1975, c.291 (C.40:55D-4), except as applied to the required lot area for a lot or lots for detached one or two dwelling unit buildings, which lot or lots are either an isolated undersized lot or lots resulting from a minor subdivision or (6) a height of a principal structure which exceeds by 10 feet or 10% the maximum height permitted in the district for a principal structure. A variance under this subsection shall be granted only by affirmative vote of at least five members, in the case of a municipal board, or 2/3 of the full authorized membership, in the case of a regional board, pursuant to article 10 of this act.

If an application for development requests one or more variances but not a variance for a purpose enumerated in subsection d. of this section, the decision on the requested variance or variances shall be rendered under subsection c. of this section.

No variance or other relief may be granted under the terms of this section unless such variance or other relief can be granted without substantial detriment to the public good and will not substantially impair the intent and the purpose of the zone plan and zoning ordinance. In respect of any airport hazard areas delineated under the “Air Safety and Hazardous Zoning Act of 1983,” P.L.1983, c.260 (C.6:1-80 et seq.), no variance or other relief may be granted under the terms of this section, permitting the creation or establishment of a nonconforming use which would be prohibited under the standards promulgated pursuant to that act, except upon issuance of a permit by the Commissioner of Transportation. An application under this section may be referred to
any appropriate person or agency for its report; provided that such reference shall not extend the period of time within which the zoning board of adjustment shall act.

22. This act shall take effect immediately.

Duty of fiduciary as to receipts and disbursements.

3B:19A-5. Duty of fiduciary as to receipts and disbursements.

A trust shall be administered with due regard to the respective interests of income beneficiaries and remaindermen. A trust is so
administered with respect to the allocation of receipts and expenditures if a receipt is credited or an expenditure is charged to income or principal or partly to each:

a. In accordance with the terms of the trust instrument, notwithstanding contrary provisions of this chapter;

b. In the absence of any contrary terms of the trust instrument, in accordance with the provisions of this chapter; or

c. If neither of the preceding rules of administration is applicable, in accordance with what is reasonable and equitable in view of the interests of those entitled to income as well as those entitled to principal, and in view of the manner in which persons of ordinary prudence, discretion and judgment would act in the management of their own affairs. If the trust instrument gives the fiduciary discretion in crediting a receipt or charging an expenditure to income or principal or partly to each, no inference of imprudence or partiality arises from the fact that the fiduciary has made an allocation contrary to a provision of this chapter.

An income beneficiary is entitled to income from the date specified in the trust instrument, or, if none is specified, from the date an asset becomes subject to trust. In the case of an asset becoming subject to a residuary trust by reason of a will, it becomes subject to the trust as of the date of the death of the testator even though there is an intervening period of administration of the testator's estate.

3B:19A-10. Apportionment of receipts.
a. In the administration of a decedent’s estate or a testamentary trust:
   (1) Receipts due but not paid at the date of death of the testator are principal;
   (2) Receipts in the form of periodic payments (other than as provided in paragraph (3) below and other than corporate distributions to stockholders), including rent, interest, or annuities, not due at the date of the death of the testator shall be treated as accruing from day to day, and the portion of the receipt accruing before the date of death is principal, and the balance is income.
   (3) Receipts from a qualified pension or profit-sharing plan, including but not limited to corporate plans, partnership and individual self-employment retirement plans, and individual retirement accounts, as those terms are used in the Internal Revenue Code of the United States, as from time to time amended, which are received or paid in installments or annuity payments, shall be principal, except to the extent of interest or other income earned on the proceeds after the death of the decedent.

b. In all other cases except as otherwise provided in N.J.S.3B:19-20, any receipt from an income producing asset is income even though the receipt was earned or accrued in whole or in part before the date when the asset became subject to the trust.

   a. Unless the will provides otherwise, income from the assets of a decedent’s estate after the death of the testator and before distribution, including income from property used to discharge
liabilities, shall be determined in accordance with the rules applicable to a fiduciary under this chapter and distributed as follows:

(1) To specific devisees, the net income from the property devised to them;

(2) To all other devisees, except devisees of pecuniary devises whether outright or in trust, the balance of net income in proportion to their respective interests in the undistributed assets of the estate computed at times of distribution on the basis of their adjusted bases for federal income tax purposes, except that:

(b) Any amount allowed as a tax deduction to the estate for income payable to a charitable organization shall be paid, without diminution for taxes, to the charitable organization entitled to receive the income.

Corporate distributions.

a. A distribution made by a corporation to a fiduciary in the shares of the distributing corporation, whether in the form of a stock split or stock dividend, is principal unless the distribution is 6% or less of the number of shares of the stock of the corporation held by the estate or trust, in which event the distribution shall be income.

b. A distribution made by a corporation to a fiduciary in the shares of the distributing corporation, but of a different type than the shares held by the fiduciary, or a distribution of shares, securities or obligations of a corporation other than those of the distributing corporation (or the proceeds of such a distribution), or a distribution made of such securities and cash, shall be principal.

c. A non-recurring cash distribution (or series of cash distributions) made by a corporation to a fiduciary which results from a financing or refinancing of corporate debt, or a sale or other disposition of corporate assets intended to prevent a merger or takeover, or any other extraordinary financial restructuring of the corporation is principal.

d. A right issued by a distributing corporation to subscribe to shares or other securities, whether in the stock or securities of the distributing corporation or of a corporation other than the distrib-
The text appears to be discussing the taxation of corporate distributions. It mentions several scenarios where distributions are considered income or principal. For example:

e. When a corporation calls in shares of stock or when a corporation succeeds another by merger, consolidation, reorganization or other method of acquiring its assets, shares of stock issued for the shares so called in or shares of stock in the succeeding corporation are principal.

f. When a corporation is being wholly or partially liquidated, shares of stock and cash or other assets distributed to shareholders are principal, except that if the corporation indicates that some part of the distribution is a settlement of preferred or guaranteed dividends, that part of the distribution settling dividends accruing since the fiduciary became a shareholder is income. For the purposes of this subsection, a corporation is in liquidation if the corporation indicates that the distribution is in total or partial liquidation, or if the corporation is making a distribution of assets other than cash pursuant to a court judgment or final administrative order by a government agency ordering the distribution of the particular assets, unless the distributing corporation indicates that a distribution pursuant to the court or administrative order is wholly or partly in lieu of an ordinary cash dividend, in which case the distribution is to that extent income.

g. If the distributing corporation gives a shareholder an option to receive a distribution which is otherwise treated as income hereunder, whether in the form of cash or its own shares or cash or an option to purchase new shares, the distribution chosen is income.

h. Distributions made from ordinary income by a regulated investment company or by a trust qualifying and electing under federal law to be taxed as a real estate investment trust are income. All other distributions made by the company or trust, including distributions from capital gains, depreciation or depletion, whether in the form of cash or an option to take new shares or cash or an option to purchase additional shares, are principal.

i. Except as otherwise provided in this section, all corporate distributions are income.

j. A fiduciary may rely upon any statement of the distributing corporation as to any act relevant under any provisions of this section concerning the source or character of dividends or distributions of corporate assets.

There shall be no apportionment of the dividend between that person and a preceding or succeeding income beneficiary, if any, or between the income beneficiary and the remainderman. If the income accrues pursuant to a fixed schedule of appreciation the income is distributable to the beneficiary at the time the increment accrues and the fiduciary may transfer the amount thereof from principal to income on that date. If a fiduciary uses any part of the principal in the continuance of a business of which the creator of the trust was a sole proprietor or a partner, the net profits of the business, computed in accordance with generally accepted accounting principles for a comparable business, are income. Disposition of natural resources.

3B:19A-24. Disposition of natural resources.
If any part of the principal consists of a right to receive royalties, overriding or limited royalties, working interests, production payments, net profit interests, or other interests in minerals or other natural resources in, on or under land, the receipts from taking the natural resources from the land shall be allocated as follows:

a. If received as rent on a lease or extension payments on a lease, the receipts are income;

b. If received from a production payment, the receipts are income to the extent of any factor for interest or its equivalent provided in the governing instrument, and there shall be allocated to principal the fraction of the balance of the receipts which the unrecovered cost of the production payment bears to the balance owed on the production payment exclusive of any factor for interest or its equivalent, and the receipts not allocated to principal are income;

c. If received as a royalty, overriding or limited royalty, or bonus, or from a working, net profit, or any other interest in minerals or other natural resources, receipts not provided for in the preceding subsections of this section shall be apportioned on a yearly basis in accordance with this subsection whether or not any natural resource was being taken from the land at the time the trust was established, and (1) there shall be allocated to principal as an allowance for depletion that portion of the gross receipts as shall be allowed as a deduction for depletion in computing taxable income for federal income tax purposes, and (2) the balance of the gross receipts, after payment therefrom of all expenses, direct and indirect, is income.

d. If a trustee, on the effective date of this chapter, held an item of depletable property of a type specified in this section he shall allocate receipts from the property in the manner used before the effective date of this chapter, but as to all depletable property acquired after the effective date of this chapter by an existing or new trust, the method of allocation provided herein shall be used.

Underproductive property.

3B:19A-27. Underproductive property.

a. Except as otherwise provided in this section, a portion of the net proceeds of sale of any part of principal which consists of property, other than securities listed on a national securities exchange or traded over the counter, which has not produced an average net income of at least 1% per year of its fair market value for more than a year (including as income the value of any beneficial use of the property by the income beneficiary) shall be treated as delayed income to which the income beneficiary is entitled as provided in this section. The net proceeds of sale are the gross proceeds received, including the value of any property received in substitution for any property disposed of, less the expenses, including capital gains tax, if any, incurred in the transaction and less any carrying charge paid while the property was underproductive.

b. The sum allocated as delayed income is the difference between the net proceeds and the amount which, had it been invested at simple interest at 5% per year while the property was underproductive, would have produced the net proceeds. This sum, plus any carrying charges and expenses previously charged against income while the property was underproductive, less any income received by the income beneficiary from the property and less the value of any beneficial use of the property by the income beneficiary, is income, and the balance is principal.

c. An income beneficiary or his estate is entitled to delayed income under this section as if it accrued from day to day during the time he was a beneficiary.

d. If principal subject to this section is disposed of by conversion into property which cannot be apportioned easily, including land or mortgages (for example, realty acquired by or in lieu of foreclosure), the income beneficiary is entitled to the net income from any form of property or obligation into which the original principal is converted while the substituted property or obligation is held, and when the property or
obligation is sold or otherwise converted into easily apportionable property, no allocation as provided in this section shall be made.

b. A reasonable allowance for depreciation on property subject to depreciation under generally accepted accounting principles, but no allowance shall be made for depreciation of that portion of any real property used by a beneficiary as a residence or for depreciation of any property held by the trustee on the effective date of this chapter for which the trustee is not then making an allowance for depreciation;

c. Court costs, attorney’s fees, and other fees on accountings or judicial proceedings if the matter primarily concerns the income interest, unless the court directs otherwise;

d. Commissions allowed by law to a fiduciary on income receipts; and

f. If charges against income are of an unusual amount, the trustee may by means of reserves or other reasonable means charge them over a reasonable period of time and withhold from distribution sufficient sums to regularize distributions.

In all other cases a portion thereof only shall be paid by the income beneficiary, while the remainder shall be paid by the remainderman. The portion shall be ascertained by taking that percentage of the total which is found by dividing the present value of the income beneficiary’s estate by the present value of an estate of the same form as that of the income beneficiary, except that it is limited for a period corresponding to the reasonably expected duration of the improvement. Any public works manager certificate may be revoked or suspended by the director for dishonest practices or failure, neglect or refusal to comply with the Constitution of the State of New Jersey or the laws relating to local management of public works, or other just cause. Request may be made to the director
by any governing body of any municipality for a review of the behavior or practices of a certified public works manager when the governing body may feel his certificate should be revoked. No certificate shall be revoked or suspended except upon a proper hearing before the director or his designee, after 14 days' notice to the certified public works manager. If the certificate of a person serving as a certified public works manager in any municipality shall be revoked by the director, that person shall not be entitled to any benefits pursuant to this act, nor may he make application for re-certification for a period of five years from the date of the revocation.

b. A complaint against a certified public works manager shall be filed with the municipal clerk and the director and a certified copy thereof shall be served upon the person so charged, with notice of a hearing date before the director or his designee, which shall be not less than 30 days or more than 60 days from the date of service of the complaint. The hearing date may on application be extended by the director for good cause shown.

c. The person so charged and the complainant shall have the right to be represented by counsel, the power to subpoena witnesses and documentary evidence, and such discovery as may be necessary to prepare the appeal.

d. The Superior Court shall have jurisdiction to review the determination of the director and shall hear the cause de novo on the record below and affirm, modify or set aside such determination.

e. Either party may supplement the record with additional testimony subject to the rules of evidence.

7. Commencing January 1, 1995, no person shall be appointed or reappointed or serve as a principal public works manager unless he holds a public works manager certificate issued pursuant to sections 3 and 5 of this act, which certificate has not been revoked or suspended in accordance with the provisions of subsection b. of section 6, except that a principal public works manager who has held office continuously for five consecutive years in the same municipality may continue to serve in his current position and shall not be removed from office or denied reappointment for failure to qualify as a certified public works manager pursuant to the provisions of this act; and further provided, however, that when a vacancy occurs in the position of principal public works manager, the governing body or chief executive officer, as appropriate, may appoint, for a period not to exceed one year and commencing on
the date of the vacancy, a person who does not hold a public works manager certificate to serve as a temporary principal public works manager. Any person so appointed may be reappointed as principal public works manager following the termination of the temporary appointment for one additional year; provided, however, that no person shall serve as temporary principal public works manager for more than two years in any municipality.

C.40A:9-154.6h  Renewal of certificates.

8. a. Commencing January 1, 1995, all public works manager certificates shall be renewed upon application, payment of the required fee, and verification that the applicant has met continuing education requirements, all as set forth in this section. Each renewal shall be for a period of three years. The renewal date shall be 30 days prior to the expiration date.

b. All public works manager certificates subject to renewal pursuant to this section that were issued prior to January 1, 1995 shall have an expiration date of December 31, 1998. All public works manager certificates issued on or after January 1, 1995 shall have an expiration date of either June 30 or December 31, whichever is sooner, of the third year following the year in which the certificates were originally issued, provided that no certificate shall expire sooner than three years from the date of original issue.

c. Each applicant for renewal of a public works manager certificate shall, on a form prescribed by the director, furnish proof of having earned at least two continuing education units in fields of study related to public works. For the purposes of this section, one continuing education unit equals 10 contact hours. Upon verification of this requirement, and upon payment of a fee of $10 to the order of the Treasurer of the State of New Jersey, the director shall renew the public works manager certificate.

d. If the holder of a public works manager certificate has allowed the certificate to lapse by failing to renew the certificate, a new application and certificate shall be required. If application is made within six months of the expiration of the lapsed certificate, then application may be made in the same manner as a renewal, but the application shall be accompanied by the fee for a new application.

9. The director shall adopt, in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), the regulations, forms and procedures necessary to carry out the provisions of this act.

10. This act shall take effect immediately.

AN Act concerning a study of the funding of public schools and supplementing P.L.1990 c.52 (C.18A:7D-1 et al.)

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Commissioner of the Department of Education shall undertake a study for the purposes of determining the means of measuring parity in spending between the poorer school districts and the wealthier school districts. He shall decide what expenditures should be considered in determining parity, and whether adjustments should be made for items where differences in expenditures between school districts do not create commensurate differences in educational opportunity, such as, but not limited to, regional cost differences or age of facilities. The commissioner shall invite participation by the Governor's Commission on Quality Education in New Jersey established pursuant to Executive Order No. 22 of 1990 in making his determination.

2. The commissioner shall undertake a study of the criteria or method of identifying students that have special disadvantages and identify the requisite programs and services for these students, as well as the costs associated with the programs, as required by the New Jersey Supreme Court in the decision of Abbott v. Burke. The commissioner shall invite participation from the Governor's Commission on Quality Education in New Jersey established pursuant to Executive Order No. 22 of 1990. The commissioner shall utilize information obtained from the study in preparation of the Department of Education budget request to the Governor for the 1993 fiscal year.

3. This act shall take effect immediately.

CHAPTER 260

AN Act concerning the liability of certain persons for discharges of petroleum into the waters and supplementing P.L.1976, c.141 (C.58:23.11 et seq.).
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.58:10-23.11g3 No liability for cleanup and removal costs for actions taken with respect to discharge of petroleum.

1. Notwithstanding the provisions of section 8 of P.L.1976, c.141 (C.58:10-23.11g) or any other law, including common law, to the contrary, a person is not liable for any cleanup and removal costs or damages of any kind, direct or indirect no matter by whom sustained, which result from actions taken or not taken in the course of rendering care, assistance, or advice with respect to the discharge or threatened discharge of petroleum into the State’s surface waters where the care, assistance, or advice is consistent with the federal National Contingency Plan prepared pursuant to 33 U.S.C. §1321, or is otherwise directed by the federal on-scene coordinator or by the appropriate State official. The defense from liability granted pursuant to this section shall not apply (1) to a person otherwise liable for cleanup and removal costs of the initial discharge pursuant to subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g), (2) with respect to personal injury or wrongful death, or (3) if the person is grossly negligent or engages in willful misconduct. A person liable for the initial discharge or threat of discharge pursuant to subsection c. of section 8 of P.L.1976, c.141 (C.58:10-23.11g) is liable for any cleanup and removal costs and damages that another person is relieved of under this section. Nothing in this section shall limit other defenses or immunities to liability that may exist in P.L.1976, c.141.

For the purposes of this section "petroleum" does not include dredged spoil.

2. This act shall take effect immediately.

CHAPTER 261

AN ACT concerning the prevention of domestic violence and the protection of victims and their families and revising various sections of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C.2C:25-17 Short title.
1. This act shall be known and may be cited as the "Prevention of Domestic Violence Act of 1991."

C.2C:25-18 Findings, declarations.
2. The Legislature finds and declares that domestic violence is a serious crime against society; that there are thousands of persons in this State who are regularly beaten, tortured and in some cases even killed by their spouses or cohabitants; that a significant number of women who are assaulted are pregnant; that victims of domestic violence come from all social and economic backgrounds and ethnic groups; that there is a positive correlation between spousal abuse and child abuse; and that children, even when they are not themselves physically assaulted, suffer deep and lasting emotional effects from exposure to domestic violence. It is therefore, the intent of the Legislature to assure the victims of domestic violence the maximum protection from abuse the law can provide.

The Legislature further finds and declares that the health and welfare of some of its most vulnerable citizens, the elderly and disabled, are at risk because of incidents of reported and unreported domestic violence, abuse and neglect which are known to include acts which victimize the elderly and disabled emotionally, psychologically, physically and financially; because of age, disabilities or infirmities, this group of citizens frequently must rely on the aid and support of others; while the institutionalized elderly are protected under P.L.1977, c.239 (C.52:27G-1 et seq.), elderly and disabled adults in noninstitutionalized or community settings may find themselves victimized by family members or others upon whom they feel compelled to depend.

The Legislature further finds and declares that violence against the elderly and disabled, including criminal neglect of the elderly and disabled under section 1 of P.L.1989, c.23 (C.2C:24-8), must be recognized and addressed on an equal basis as violence against spouses and children in order to fulfill our responsibility as a society to protect those who are less able to protect themselves.

The Legislature further finds and declares that even though many of the existing criminal statutes are applicable to acts of domestic violence, previous societal attitudes concerning domestic violence have affected the response of our law enforcement and judicial systems, resulting in these acts receiving different treatment from similar crimes when they occur in a domestic context. The Legislature finds that battered adults presently
experience substantial difficulty in gaining access to protection from the judicial system, particularly due to that system’s inability to generate a prompt response in an emergency situation.

It is the intent of the Legislature to stress that the primary duty of a law enforcement officer when responding to a domestic violence call is to enforce the laws allegedly violated and to protect the victim. Further, it is the responsibility of the courts to protect victims of violence that occurs in a family or family-like setting by providing access to both emergent and long-term civil and criminal remedies and sanctions, and by ordering those remedies and sanctions that are available to assure the safety of the victims and the public. To that end, the Legislature encourages the training of all police and judicial personnel in the procedures and enforcement of this act, and about the social and psychological context in which domestic violence occurs; and it further encourages the broad application of the remedies available under this act in the civil and criminal courts of this State. It is further intended that the official response to domestic violence shall communicate the attitude that violent behavior will not be excused or tolerated, and shall make clear the fact that the existing criminal laws and civil remedies created under this act will be enforced without regard to the fact that the violence grows out of a domestic situation.

When one or more of these acts is inflicted by an unemancipated minor upon a person protected under this act, the occurrence shall not constitute "domestic violence," but may be the basis for the filing of a petition or complaint pursuant to the provisions of section 11 of P.L.1982, c.77 (C.2A:4A-30).

b. "Law enforcement agency" means a department, division, bureau, commission, board or other authority of the State or of any political subdivision thereof which employs law enforcement officers.

C.2C:25-20 Development of training course, curriculum.

4. The Division of Criminal Justice shall develop and approve a training course and curriculum on the handling, investigation and response procedures concerning reports of domestic violence and abuse and neglect of the elderly and disabled. This training course and curriculum shall be reviewed at least every two years and modified by the Division of Criminal Justice from time to time as need may require, and shall be made available to all law enforcement personnel who are likely to encounter situations of domestic violence. The Division of Criminal Justice shall distribute the curriculum to all local police agencies. The Attorney General shall be responsible for ensuring that law enforcement officers throughout the State receive training concerning domestic violence.

The Administrative Office of the Courts shall develop and approve a training course and a curriculum on the handling, investigation and response procedures concerning allegations of domestic violence. This training course shall be reviewed at least every two years and modified by the Administrative Office of the Courts from time to time as need may require, and shall be made available to all judges and judicial personnel who are likely to encounter situations of domestic violence. The Administrative Director of the Courts shall be responsible for ensuring that judges and judicial personnel throughout the State receive training concerning domestic violence.
The Division of Criminal Justice and the Administrative Office of the Courts shall provide that all training on the handling of domestic violence complaints shall stress the enforcement of criminal laws in domestic situations, the protection of the victim, and the use of available community resources. Law enforcement agencies may establish domestic crisis teams or individual officers may be trained in methods of dealing with domestic violence and neglect and abuse of the elderly and disabled. The teams may include social workers, clergy or other persons trained in counseling, crisis intervention or in the treatment of domestic violence and neglect and abuse of the elderly and disabled victims.

C.2C:25-21 Arrest of alleged attacker; seizure of weapons.

5. a. When a person claims to be a victim of domestic violence, and where a law enforcement officer responding to the incident finds probable cause to believe that domestic violence has occurred, the law enforcement officer shall arrest the person who is alleged to be the person who subjected the victim to domestic violence and shall sign a criminal complaint if:

(1) The victim exhibits signs of injury caused by an act of domestic violence;

(2) A warrant is in effect;

(3) There is probable cause to believe that the person has violated N.J.S.2C:29-9, and there is probable cause to believe that the person has been served with the order alleged to have been violated. If the victim does not have a copy of a purported order, the officer may verify the existence of an order with the appropriate law enforcement agency; or

(4) There is probable cause to believe that a weapon as defined in N.J.S.2C:39-1 has been involved in the commission of an act of domestic violence.

b. A law enforcement officer may arrest a person; or may sign a criminal complaint against that person, or may do both, where there is probable cause to believe that an act of domestic violence has been committed, but where none of the conditions in subsection a. of this section applies.

c. (1) As used in this section, the word "exhibits" is to be liberally construed to mean any indication that a victim has suffered bodily injury, which shall include physical pain or any impairment of physical condition. Where the victim exhibits no visible sign of injury, but states that an injury has occurred, the officer
should consider other relevant factors in determining whether there is probable cause to make an arrest.

(2) In determining which party in a domestic violence incident is the victim where both parties exhibit signs of injury, the officer should consider the comparative extent of the injuries, the history of domestic violence between the parties, if any, and any other relevant factors.

(3) No victim shall be denied relief or arrested or charged under this act with an offense because the victim used reasonable force in self defense against domestic violence by an attacker.

d. (1) In addition to a law enforcement officer's authority to seize any weapon that is contraband, evidence or an instrumentality of crime, a law enforcement officer who has probable cause to believe that an act of domestic violence has been committed may:

(a) question persons present to determine whether there are weapons on the premises; and

(b) upon observing or learning that a weapon is present on the premises, seize any weapon that the officer reasonably believes would expose the victim to a risk of serious bodily injury.

(2) A law enforcement officer shall deliver all weapons seized pursuant to this section to the county prosecutor and shall append an inventory of all seized weapons to the domestic violence report.

(3) Weapons seized in accordance with the above shall be returned to the owner except upon order of the Superior Court. The prosecutor who has possession of the seized weapons may, upon notice to the owner, petition a judge of the Family Part of the Superior Court, Chancery Division, within 45 days of seizure, to obtain title to the seized weapons, or to revoke any and all permits, licenses and other authorizations for the use, possession, or ownership of such weapons pursuant to the law governing such use, possession, or ownership, or may object to the return of the weapons on such grounds as are provided for the initial rejection or later revocation of the authorizations, or on the grounds that the owner is unfit or that the owner poses a threat to the public in general or a person or persons in particular.

A hearing shall be held and a record made thereof within 15 days of the notice provided above. No formal pleading and no filing fee shall be required as a preliminary to such hearing. The hearing shall be summary in nature. Appeals from the results of the hearing shall be to the Superior Court, Appellate Division, in accordance with the law.

If the prosecutor does not institute an action within 45 days of seizure, the seized weapons shall be returned to the owner.

After the hearing the court shall order the return of the firearms, weapons and any authorization papers relating to the seized
weapons to the owner if the complaint has been dismissed at the request of the complainant and the prosecutor determines that there is insufficient probable cause to indict; or if the defendant is found not guilty of the charges; or if the court determines that the domestic violence situation no longer exists.

Nothing in this act shall impair the right of the State to retain evidence pending a criminal prosecution. Nor shall any provision of this act be construed to limit the authority of the State or a law enforcement officer to seize, retain or forfeit property pursuant to chapter 64 of Title 2C of the New Jersey Statutes.

If, after the hearing, the court determines that the weapons are not to be returned to the owner, the court may:

(a) With respect to weapons other than firearms, order the prosecutor to dispose of the weapons if the owner does not arrange for the transfer or sale of the weapons to an appropriate person within 60 days; or

(b) Order the revocation of the owner's firearms purchaser identification card or any permit, license or authorization, in which case the court shall order the owner to surrender any firearm seized and all other firearms possessed to the prosecutor and shall order the prosecutor to dispose of the firearms if the owner does not arrange for the sale of the firearms to a registered dealer of the firearms within 60 days; or

(c) Order such other relief as it may deem appropriate. When the court orders the weapons forfeited to the State or the prosecutor is required to dispose of the weapons, the prosecutor shall dispose of the property as provided in N.J.S. 2C:64-6.

(4) A civil suit may be brought to enjoin a wrongful failure to return a seized firearm where the prosecutor refuses to return the weapon after receiving a written request to do so and notice of the owner's intent to bring a civil action pursuant to this section. Failure of the prosecutor to comply with the provisions of this act shall entitle the prevailing party in the civil suit to reasonable costs, including attorney's fees, provided that the court finds that the prosecutor failed to act in good faith in retaining the seized weapon.

(5) No law enforcement officer or agency shall be held liable in any civil action brought by any person for failing to learn of, locate or seize a weapon pursuant to this act, or for returning a seized weapon to its owner.

C.2C:25-22 Immunity from civil liability for law enforcement officer, domestic crisis team.

6. A law enforcement officer or a member of a domestic crisis team shall not be held liable in any civil action brought by any party
for an arrest based on probable cause, enforcement in good faith of a court order, or any other act or omission in good faith under this act.

C.2C:25-23 Dissemination of notice to victim of domestic violence.

7. A law enforcement officer shall disseminate and explain to the victim the following notice, which shall be written in both English and Spanish:

"You have the right to go to court to get an order called a temporary restraining order, also called a TRO, which may protect you from more abuse by your attacker. The officer who handed you this card can tell you how to get a TRO.

The kinds of things a judge can order in a TRO may include:

(1) That your attacker is temporarily forbidden from entering the home you live in;

(2) That your attacker is temporarily forbidden from having contact with you or your relatives;

(3) That your attacker is temporarily forbidden from bothering you at work;

(4) That your attacker has to pay temporary child support or support for you;

(5) That you be given temporary custody of your children;

(6) That your attacker pay you back any money you have to spend for medical treatment or repairs because of the violence. There are other things the court can order, and the court clerk will explain the procedure to you and will help you fill out the papers for a TRO.

You also have the right to file a criminal complaint against your attacker. The police officer who gave you this paper will tell you how to file a criminal complaint.

On weekends, holidays and other times when the courts are closed, you still have a right to get a TRO. The police officer who gave you this paper can help you get in touch with a judge who can give you a TRO."

C.2C:25-24 Domestic violence offense reports.

8. a. It shall be the duty of a law enforcement officer who responds to a domestic violence call to complete a domestic violence offense report. All information contained in the domestic violence offense report shall be forwarded to the appropriate county bureau of identification and to the State bureau of records and identification in the Division of State Police in the Department of Law and Public Safety. A copy of the domestic violence offense report shall be forwarded to the municipal court where the offense was committed unless the case has been transferred to the Superior Court.
b. The domestic violence offense report shall be on a form prescribed by the supervisor of the State bureau of records and identification which shall include, but not be limited to, the following information:
   (1) The relationship of the parties;
   (2) The sex of the parties;
   (3) The time and date of the incident;
   (4) The number of domestic violence calls investigated;
   (5) Whether children were involved, or whether the alleged act of domestic violence had been committed in the presence of children;
   (6) The type and extent of abuse;
   (7) The number and type of weapons involved;
   (8) The action taken by the law enforcement officer;
   (9) The existence of any prior court orders issued pursuant to this act concerning the parties; and
   (10) Any other data that may be necessary for a complete analysis of all circumstances leading to the alleged incident of domestic violence.

c. It shall be the duty of the Superintendent of the State Police with the assistance of the Division of Systems and Communications in the Department of Law and Public Safety to compile and report annually to the Governor, the Legislature and the Advisory Council on Domestic Violence on the tabulated data from the domestic violence offense reports.

C.2C:25-25 Criminal complaints; proceedings.
9. The court in a criminal complaint arising from a domestic violence incident:
   a. Shall not dismiss any charge or delay disposition of a case because of concurrent dissolution of a marriage, other civil proceedings, or because the victim has left the residence to avoid further incidents of domestic violence;
   b. Shall not require proof that either party is seeking a dissolution of a marriage prior to institution of criminal proceedings;
   c. Shall waive any requirement that the victim's location be disclosed to any person.

C.2C:25-26 Release of defendant before trial.
10. a. When a defendant charged with a crime or offense involving domestic violence is released from custody before trial on bail or personal recognizance, the court authorizing the release may as a condition of release issue an order prohibiting the defendant from having any contact with the victim including, but not limited to, restraining the defendant from entering the victim's residence,
place of employment or business, or school, and from harassing the victim or victim's relatives in any way. The court may enter an order prohibiting the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S. 2C:39-1.

b. The written court order releasing the defendant shall contain the court's directives restricting the defendant's ability to have contact with the victim or the victim's relatives. The clerk of the court or other person designated by the court shall provide a copy of this order to the victim forthwith.

c. The victim's location shall remain confidential and shall not appear on any documents or records to which the defendant has access.

d. Before bail is set, the defendant's prior record shall be considered by the court. Bail shall be set as soon as is feasible, but in all cases within 24 hours of arrest.

e. Once bail is set it shall not be reduced without prior notice to the county prosecutor and the victim. Bail shall not be reduced by a judge other than the judge who originally ordered bail, unless the reasons for the amount of the original bail are available to the judge who reduces the bail and are set forth in the record.

f. A victim shall not be prohibited from applying for, and a court shall not be prohibited from issuing, temporary restraints pursuant to this act because the victim has charged any person with commission of a criminal act.

C.2C:25-27 Conditions of sentencing of defendant found guilty of domestic violence.

11. When a defendant is found guilty of a crime or offense involving domestic violence and a condition of sentence restricts the defendant's ability to have contact with the victim, that condition shall be recorded in an order of the court and a written copy of that order shall be provided to the victim by the clerk of the court or other person designated by the court. In addition to restricting a defendant's ability to have contact with the victim, the court may require the defendant to receive professional counseling from either a private source or a source appointed by the court, and the court may require the defendant to provide documentation of attendance at the professional counseling.

C.2C:25-28 Filing complaint alleging domestic violence in Family Part; proceedings.

12. a. A victim may file a complaint alleging the commission of an act of domestic violence with the Family Part of the Chancery Division of the Superior Court in conformity with the rules of court. The court shall not dismiss any complaint or delay disposi-
tion of a case because the victim has left the residence to avoid further incidents of domestic violence. Filing a complaint pursuant to this section shall not prevent the filing of a criminal complaint for the same act.

On weekends, holidays and other times when the court is closed, a victim may file a complaint before a judge of the Family Part of the Chancery Division of the Superior Court or a municipal court judge who shall be assigned to accept complaints and issue temporary restraining orders pursuant to this act.

A plaintiff may apply for relief under this section in a court having jurisdiction over the place where the alleged act of domestic violence occurred, where the defendant resides, or where the plaintiff resides or is sheltered, and the court shall follow the same procedures applicable to other emergent applications. Criminal complaints filed pursuant to this act shall be investigated and prosecuted in the jurisdiction where the offense is alleged to have occurred. Contempt complaints filed pursuant to N.J.S.2C:29-9 shall be prosecuted in the county where the contempt is alleged to have been committed and a copy of the contempt complaint shall be forwarded to the court that issued the order alleged to have been violated.

b. The court shall waive any requirement that the petitioner's place of residence appear on the complaint.

c. The clerk of the court, or other person designated by the court, shall assist the parties in completing any forms necessary for the filing of a summons, complaint, answer or other pleading.

d. Summons and complaint forms shall be readily available at the clerk's office, at the municipal courts and at municipal and State police stations.

e. As soon as the domestic violence complaint is filed, both the victim and the abuser shall be advised of any programs or services available for advice and counseling.

f. A plaintiff may seek emergency, ex parte relief in the nature of a temporary restraining order. The judge of the Family Part of the Chancery Division of the Superior Court may enter ex parte orders when necessary to protect the life, health or well-being of a victim on whose behalf the relief is sought.

g. If it appears that the plaintiff is in danger of domestic violence, the judge shall, upon consideration of the plaintiff's domestic violence complaint, order emergency relief, including ex parte relief, in the nature of a temporary restraining order. A decision shall be made by the judge regarding the emergency relief forthwith. An order granting emergency relief, together
CHAPTER 261, LAWS OF 1991 1733

with all pleadings, process and other orders, shall immediately be forwarded to the sheriff for immediate service of the order for emergency relief upon the defendant.

h. A judge may issue a temporary restraining order upon sworn testimony or complaint of an applicant who is not physically present, pursuant to court rules, or by a person who represents a person who is physically or mentally incapable of filing personally. A temporary restraining order may be issued if the judge is satisfied that exigent circumstances exist sufficient to excuse the failure of the applicant to appear personally and that sufficient grounds for granting the application have been shown.

i. An order for emergency relief shall be granted upon good cause shown and shall remain in effect until a judge of the Family Part issues a further order. The Family Part of the Chancery Division of the Superior Court shall hold a hearing on an emergency order within 10 days. Any temporary order hereunder may be dissolved or modified on 24 hours' notice or immediately appealable for a plenary hearing de novo not on the record before the judge who issued the temporary order, or before any judge of the Family Part of the county in which the plaintiff resides if that judge has access to the reasons for the issuance of the temporary order and sets forth in the record the reasons for the modification or dissolution.

j. Emergency relief may include forbidding the defendant from returning to the scene of the domestic violence, forbidding the defendant to possess any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1 and any other appropriate relief.

k. The judge may permit the defendant to return to the scene of the domestic violence to pick up personal belongings and effects but shall by order restrict the time and duration and provide for police supervision of such visit.

l. An order granting emergency relief shall immediately be served upon the defendant by the police, except that an order issued during regular court hours may be forwarded to the sheriff for immediate service upon the defendant.

m. A temporary restraining order shall remain in effect until further action by the court.

n. Notice of temporary restraining orders issued pursuant to this section shall be sent by the clerk of the court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency or court.

o. All pleadings, process, and other orders filed pursuant to this act shall be served upon the defendant in accordance with the
rules of court. If personal service cannot be effected upon the defendant, the court may order other appropriate substituted service. At no time shall the plaintiff be asked or required to serve any order on the defendant.

p. Any temporary or permanent restraining order issued pursuant to this act shall be in effect throughout the State, and shall be enforced by all law enforcement officers.

C.2C:25-29 Hearing procedure; relief.

13. a. A hearing shall be held in the Family Part of the Chancery Division of the Superior Court within 10 days of the filing of a complaint pursuant to section 12 of this act. A copy of the complaint shall be served on the defendant in conformity with the rules of court. If a criminal complaint arising out of the same incident which is the subject matter of a complaint brought under P.L.1981, c.426 (C.2C:25-1 et seq.) or P.L.1991, c.261 has been filed, testimony given by the plaintiff or defendant in the domestic violence matter shall not be used in the simultaneous or subsequent criminal proceeding against the defendant, other than domestic violence contempt matters and where it would otherwise be admissible hearsay under the rules of evidence that govern where a party is unavailable. At the hearing the standard for proving the allegations in the complaint shall be by a preponderance of the evidence. The court shall consider but not be limited to the following factors:

(1) The previous history of domestic violence between the plaintiff and defendant, including threats, harassment and physical abuse;
(2) The existence of immediate danger to person or property;
(3) The financial circumstances of the plaintiff and defendant;
(4) The best interests of the victim and any child;
(5) In determining custody and visitation the protection of the victim’s safety; and
(6) The existence of a verifiable order of protection from another jurisdiction.

b. In proceedings in which complaints for restraining orders have been filed, the court shall grant any relief necessary to prevent further abuse. At the hearing the judge of the Family Part of the Chancery Division of the Superior Court may issue an order granting any or all of the following relief:

(1) An order restraining the defendant from subjecting the victim to domestic violence, as defined in this act.
(2) An order granting exclusive possession to the plaintiff of the residence or household regardless of whether the residence or household is jointly or solely owned by the parties or jointly or solely leased by the parties. This order shall not in any manner affect title or interest to any real property held by either party or both jointly. If it is not possible for the victim to remain in the residence, the court may order the defendant to pay the victim's rent at a residence other than the one previously shared by the parties if the defendant is found to have a duty to support the victim and the victim requires alternative housing.

(3) An order providing for visitation. The order shall protect the safety and well-being of the plaintiff and minor children and shall specify the place and frequency of visitation. Visitation arrangements shall not compromise any other remedy provided by the court by requiring or encouraging contact between the plaintiff and defendant. Orders for visitation may include a designation of a place of visitation away from the plaintiff, the participation of a third party, or supervised visitation.

(a) The court shall consider a request by the plaintiff for an investigation or evaluation by the appropriate agency to assess the risk of harm to the child prior to the entry of a visitation order. Any denial of such a request must be on the record and shall only be made if the judge finds the request to be arbitrary or capricious.

(b) The court shall consider suspension of the visitation order and hold an emergent hearing upon an application made by the plaintiff certifying under oath that the defendant's access to the child pursuant to the visitation order has threatened the safety and well-being of the child.

(4) An order requiring the defendant to pay to the victim monetary compensation for losses suffered as a direct result of the act of domestic violence. The order may require the defendant to pay the victim directly, to reimburse the Violent Crimes Compensation Board for any and all compensation paid by the Violent Crimes Compensation Board directly to or on behalf of the victim, and may require that the defendant reimburse any parties that may have compensated the victim, as the court may determine. Compensatory losses shall include, but not be limited to, loss of earnings or other support, out-of-pocket losses for injuries sustained, cost of repair or replacement of real or personal property damaged or destroyed or taken, cost of counseling for the victim, moving or other travel expenses, reasonable attorney's fees, court costs, and compensation for pain and suffering. Where appropriate, punitive damages may be awarded in addition to compensatory damages.
(5) An order requiring the defendant to receive professional domestic violence counseling from either a private source or a source appointed by the court and, in that event, at the court's discretion requiring the defendant to provide the court at specified intervals with documentation of attendance at the professional counseling. The court may order the defendant to pay for the professional counseling.

(6) An order restraining the defendant from entering the residence, property, school, or place of employment of the victim or of other family or household members of the victim and requiring the defendant to stay away from any specified place that is named in the order and is frequented regularly by the victim or other family or household members.

(7) An order restraining the defendant from making any communication likely to cause annoyance or alarm including, but not limited to, personal, written, or telephone contact with the victim or other family members, or their employers, employees, or fellow workers, or others with whom communication would be likely to cause annoyance or alarm to the victim.

(8) An order requiring that the defendant make or continue to make rent or mortgage payments on the residence occupied by the victim if the defendant is found to have a duty to support the victim or other dependent household members; provided that this issue has not been resolved or is not being litigated between the parties in another action.

(9) An order granting either party temporary possession of specified personal property, such as an automobile, checkbook, documentation of health insurance, an identification document, a key, and other personal effects.

(10) An order awarding emergent monetary relief to the victim and other dependents, if any. An ongoing obligation of support shall be determined at a later date pursuant to applicable law.

(11) An order awarding temporary custody of a minor child. The court shall presume that the best interests of the child are served by an award of custody to the non-abusive parent.

(12) An order requiring that a law enforcement officer accompany either party to the residence to supervise the removal of personal belongings in order to ensure the personal safety of the plaintiff when a restraining order has been issued. This order shall be restricted in duration.

(13) An order which permits the victim and the defendant to occupy the same premises but limits the defendant's use of that premises, but only if it is documented by the judge granting the order that:
(a) The plaintiff specifically and voluntarily requests such an order; and

(b) The judge determines that the request is made voluntarily and with the plaintiff's knowledge that the order may not provide the same protection as an order excluding the defendant from the premises and with the plaintiff's knowledge that the order may be difficult to enforce; and

(c) Any conditions placed upon the defendant in connection with the continued access to the premises and any penalties for noncompliance with those conditions shall be explicitly set out in the order and shall be in addition to any other remedies for noncompliance available to the victim.

(14) An order granting any other appropriate relief for the plaintiff and dependent children, provided that the plaintiff consents to such relief, including relief requested by the plaintiff at the final hearing, whether or not the plaintiff requested such relief at the time of the granting of the initial emergency order.

(15) An order that requires that the defendant report to the intake unit of the Family Part of the Chancery Division of the Superior Court for monitoring of any other provision of the order.

(16) An order prohibiting the defendant from possessing any firearm or other weapon enumerated in subsection r. of N.J.S.2C:39-1.

c. Notice of orders issued pursuant to this section shall be sent by the clerk of the Family Part of the Chancery Division of the Superior Court or other person designated by the court to the appropriate chiefs of police, members of the State Police and any other appropriate law enforcement agency.

d. Upon good cause shown, any final order may be dissolved or modified upon application to the Family Part of the Chancery Division of the Superior Court, but only if the judge who dissolves or modifies the order has available a complete record of the hearing or hearings on which the order was based.

C.2C:25-30 Violations, penalties.

14. Except as provided below, a violation by the defendant of an order issued pursuant to this act shall constitute an offense under subsection b. of N.J.S.2C:29-9 and each order shall so state. All contempt proceedings conducted pursuant to N.J.S.2C:29-9 involving domestic violence orders, other than those constituting indictable offenses, shall be heard by the Family Part of the Chancery Division of the Superior Court. Additionally, and notwithstanding the term of imprisonment provided in N.J.S.2C:43-8, any person convicted of a sec-
ond or subsequent nonindictable domestic violence contempt offense shall serve a minimum term of not less than 30 days. Orders entered pursuant to paragraphs (3), (4), (8) and (9) of subsection b. of section 13 of this act shall be excluded from enforcement under subsection b. of N.J.S.2C:29-9; however, violations of these orders may be enforced in a civil or criminal action initiated by the plaintiff or by the court, on its own motion, pursuant to applicable court rules.

C.2C:25-31 Contempt, law enforcement procedures.

15. Where a law enforcement officer finds that there is probable cause that a defendant has committed contempt of an order entered pursuant to the provisions of P.L.1981, c.426 (C.2C:25-1 et seq.) or P.L.1991, c.261, the defendant shall be arrested and taken into custody by a law enforcement officer. The law enforcement officer shall follow these procedures:

a. On weekends, holidays and other times when the court is closed, the law enforcement officer shall transport the defendant to either the police station or the municipal court or such other place as the law enforcement officer shall determine is proper. The law enforcement officer shall:

(1) Sign a complaint concerning the incident which gave rise to the contempt charge;
(2) Telephone the appropriate judge assigned pursuant to this act and request bail be set on the contempt charge;
(3) If the defendant is unable to meet the bail set, take the necessary steps to insure that the defendant shall be incarcerated at police headquarters or at the county jail; and
(4) On the next working day notify the clerk of the Family Part of the new complaint, the amount of bail, defendant's whereabouts and all other necessary details. In addition, if a municipal court judge set the bail, notify the clerk of that municipal court of this information.

b. During regular court hours, the law enforcement officer shall transport the defendant to the Family Part of the Chancery Division of the Superior Court or to such other place as the law enforcement officer shall determine is proper. The law enforcement officer shall complete and sign a complaint concerning the incident which gave rise to the contempt charge, and the defendant shall have bail set by a judge that day.

C.2C:25-32 Alleged contempt, complainant's procedure.

16. Where a person alleges that a defendant has committed contempt of an order entered pursuant to the provisions of P.L.1981, c.426 (C.2C:25-1 et seq.) or P.L.1991, c.261, but where a law enforcement officer has found that there is not probable cause
sufficient to arrest the defendant, the law enforcement officer shall advise the complainant of the procedure for completing and signing a criminal complaint alleging a violation of N.J.S.2C:29-9. During regular court hours, the assistance of the clerk of the Family Part of the Chancery Division of the Superior Court shall be made available to such complainants. Nothing in this section shall be construed to prevent the court from granting any other emergency relief it deems necessary.

C.2C:25-33 Records of requests for orders; reports; confidentiality.
17. The Administrative Office of the Courts shall maintain a uniform record of all requests for orders issued pursuant to sections 9, 10, 12, and 13 of this act. The record shall include the following information:
   a. The number of complaints filed in all municipal courts and the Superior Court;
   b. The sex of the parties;
   c. The relationship of the parties;
   d. The relief sought;
   e. The nature of the relief granted, including, but not limited to, custody and child support; and
   f. The effective date of each order issued.

   It shall be the duty of the Director of the Administrative Office of the Courts to compile and report annually to the Governor, the Legislature and the Advisory Council on Domestic Violence on the data tabulated from the records of these orders.

   All records maintained pursuant to this act shall be confidential and shall not be made available to any individual or institution except as otherwise provided by law.

18. N.J.S.2C:29-9 is amended to read as follows:

Contempt.
2C:29-9. Contempt. a. A person is guilty of a crime of the fourth degree if he purposely or knowingly disobeys a judicial order or hinders, obstructs or impedes the effectuation of a judicial order or the exercise of jurisdiction over any person, thing or controversy by a court, administrative body or investigatory entity.

   b. Except as provided below, a person is guilty of a crime of the fourth degree if that person purposely or knowingly violates any provision in an order entered under the provisions of the “Prevention of Domestic Violence Act of 1991,” P.L.1991, c.261 (C.2C:25-17 et al.) when the conduct which constitutes the violation could also con-
stitute a crime or a disorderly persons offense. In all other cases a person is guilty of a disorderly persons offense if that person knowingly violates an order entered under the provisions of this act. Orders entered pursuant to paragraphs (3), (4), (5), (8) and (9) of subsection b. of section 13 of P.L.1991, c.261 (C.2C:25-29) shall be excluded from the provisions of this subsection.

19. N.J.S.2C:58-3 is amended to read as follows:

Purchase of firearms.

a. Permit to purchase a handgun. No person shall sell, give, transfer, assign or otherwise dispose of, nor receive, purchase, or otherwise acquire a handgun unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or has first secured a permit to purchase a handgun as provided by this section.

b. Firearms purchaser identification card. No person shall sell, give, transfer, assign or otherwise dispose of nor receive, purchase or otherwise acquire an antique cannon or a rifle or shotgun, other than an antique rifle or shotgun, unless the purchaser, assignee, donee, receiver or holder is licensed as a dealer under this chapter or possesses a valid firearms purchaser identification card, and first exhibits said card to the seller, donor, transferor or assignor, and unless the purchaser, assignee, donee, receiver or holder signs a written certification, on a form prescribed by the superintendent, which shall indicate that he presently complies with the requirements of subsection c. of this section and shall contain his name, address and firearms purchaser identification card number or dealer's registration number. The said certification shall be retained by the seller, as provided in section 2C:58-2a., or, in the case of a person who is not a dealer, it may be filed with the chief of police of the municipality in which he resides or with the superintendent.

c. Who may obtain. No person of good character and good repute in the community in which he lives, and who is not subject to any of the disabilities set forth in this section or other sections of this chapter, shall be denied a permit to purchase a handgun or a firearms purchaser identification card, except as hereinafter set forth. No handgun purchase permit or firearms purchaser identification card shall be issued:

(1) To any person who has been convicted of a crime, whether or not armed with or possessing a weapon at the time of such offense;
(2) To any drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), to any person who is confined for a mental disorder to a hospital, mental institution or sanitarium, or to any person who is presently an habitual drunkard;

(3) To any person who suffers from a physical defect or disease which would make it unsafe for him to handle firearms, to any person who has ever been confined for a mental disorder, or to any alcoholic unless any of the foregoing persons produces a certificate of a medical doctor or psychiatrist licensed in New Jersey, or other satisfactory proof, that he is no longer suffering from that particular disability in such a manner that would interfere with or handicap him in the handling of firearms; to any person who knowingly falsifies any information on the application form for a handgun purchase permit or firearms purchaser identification card;

(4) To any person under the age of 18 years;

(5) To any person where the issuance would not be in the interest of the public health, safety or welfare; or

(6) To any person who is subject to a court order issued pursuant to section 13 of P.L.1991, c.261 (C.2C:25-29) prohibiting the person from possessing any firearm.

d. Issuance. The chief of police of an organized full-time police department of the municipality where the applicant resides or the superintendent, in all other cases, shall upon application, issue to any person qualified under the provisions of subsection c. of this section a permit to purchase a handgun or a firearms purchaser identification card.

Any person aggrieved by the denial of a permit or identification card may request a hearing in the Superior Court of the county in which he resides if he is a resident of New Jersey or in the Superior Court of the county in which his application was filed if he is a non-resident. The request for a hearing shall be made in writing within 30 days of the denial of the application for a permit or identification card. The applicant shall serve a copy of his request for a hearing upon the chief of police of the municipality in which he resides, if he is a resident of New Jersey, and upon the superintendent in all cases. The hearing shall be held and a record made thereof within 30 days of the receipt of the application for such hearing by the judge of the Superior Court. No formal pleading and no filing fee shall be required as a preliminary to such hearing. Appeals from the results of such hearing shall be in accordance with law.

e. Applications. Applications for permits to purchase a handgun and for firearms purchaser identification cards shall be in the form prescribed by the superintendent and shall set forth the
name, residence, place of business, age, date of birth, occupation, sex and physical description, including distinguishing physical characteristics, if any, of the applicant, and shall state whether the applicant is a citizen, whether he is an alcoholic, habitual drunkard, drug dependent person as defined in section 2 of P.L.1970, c.226 (C.24:21-2), whether he has ever been confined or committed to a mental institution or hospital for treatment or observation of a mental or psychiatric condition on a temporary, interim or permanent basis, giving the name and location of the institution or hospital and the dates of such confinement or commitment, whether he has been attended, treated or observed by any doctor or psychiatrist or at any hospital or mental institution on an inpatient or outpatient basis for any mental or psychiatric condition, giving the name and location of the doctor, psychiatrist, hospital or institution and the dates of such occurrence, whether he presently or ever has been a member of any organization which advocates or approves the commission of acts of force and violence to overthrow the Government of the United States or of this State, or which seeks to deny others their rights under the Constitution of either the United States or the State of New Jersey, whether he has ever been convicted of a crime or disorderly persons offense, whether the person is subject to a court order issued pursuant to section 13 of P.L.1991, c.261 (C.2C:25-29) prohibiting the person from possessing any firearm, and such other information as the superintendent shall deem necessary for the proper enforcement of this chapter. For the purpose of complying with this subsection, the applicant shall waive any statutory or other right of confidentiality relating to institutional confinement. The application shall be signed by the applicant and shall contain as references the names and addresses of two reputable citizens personally acquainted with him.

Application blanks shall be obtainable from the superintendent, from any other officer authorized to grant such permit or identification card, and from licensed retail dealers.

The chief police officer or the superintendent shall obtain the fingerprints of the applicant and shall have them compared with any and all records of fingerprints in the municipality and county in which the applicant resides and also the records of the State Bureau of Identification and the Federal Bureau of Investigation, provided that an applicant for a handgun purchase permit who possesses a valid firearms purchaser identification card, or who has previously obtained a handgun purchase permit from the same
licensing authority for which he was previously fingerprinted, and who provides other reasonably satisfactory proof of his identity, need not be fingerprinted again; however, the chief police officer or the superintendent shall proceed to investigate the application to determine whether or not the applicant has become subject to any of the disabilities set forth in this chapter.

f. Granting of permit or identification card; fee; term; renewal; revocation. The application for the permit to purchase a handgun together with a fee of $2.00, or the application for the firearms purchaser identification card together with a fee of $5.00, shall be delivered or forwarded to the licensing authority who shall investigate the same and, unless good cause for the denial thereof appears, shall grant the permit or the identification card, or both, if application has been made therefor, within 30 days from the date of receipt of the application for residents of this State and within 45 days for nonresident applicants. A permit to purchase a handgun shall be valid for a period of 90 days from the date of issuance and may be renewed by the issuing authority for good cause for an additional 90 days. A firearms purchaser identification card shall be valid until such time as the holder becomes subject to any of the disabilities set forth in subsection c. of this section, whereupon the card shall be void and shall be returned within five days by the holder to the superintendent, who shall then advise the licensing authority. Failure of the holder to return the firearms purchaser identification card to the superintendent within the said five days shall be an offense under section 2C:39-10a. Any firearms purchaser identification card may be revoked by the Superior Court of the county wherein the card was issued, after hearing upon notice, upon a finding that the holder thereof no longer qualifies for the issuance of such permit. The county prosecutor of any county, the chief police officer of any municipality or any citizen may apply to such court at any time for the revocation of such card.

There shall be no conditions or requirements added to the form or content of the application, or required by the licensing authority for the issuance of a permit or identification card, other than those that are specifically set forth in this chapter.

g. Disposition of fees. All fees for permits shall be paid to the State Treasury if the permit is issued by the superintendent, to the municipality if issued by the chief of police, and to the county treasurer if issued by the judge of the Superior Court.

h. Form of permit; quadruplicate; disposition of copies. The permit shall be in the form prescribed by the superintendent and shall be issued to the applicant in quadruplicate. Prior to the time
he receives the handgun from the seller, the applicant shall deliver to the seller the permit in quadruplicate and the seller shall complete all of the information required on the form. Within five days of the date of the sale, the seller shall forward the original copy to the superintendent and the second copy to the chief of police of the municipality in which the purchaser resides, except that in a municipality having no chief of police, such copy shall be forwarded to the superintendent. The third copy shall then be returned to the purchaser with the pistol or revolver and the fourth copy shall be kept by the seller as a permanent record.

i. Restriction on number of firearms person may purchase. Only one handgun shall be purchased or delivered on each permit, but a person shall not be restricted as to the number of rifles or shotguns he may purchase, provided he possesses a valid firearms purchaser identification card and provided further that he signs the certification required in subsection b. of this section for each transaction.

j. Firearms passing to heirs or legatees. Notwithstanding any other provision of this section concerning the transfer, receipt or acquisition of a firearm, a permit to purchase or a firearms purchaser identification card shall not be required for the passing of a firearm upon the death of an owner thereof to his heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy. The person who shall so receive, or acquire said firearm shall, however, be subject to all other provisions of this chapter. If the heir or legatee of such firearm does not qualify to possess or carry it, he may retain ownership of the firearm for the purpose of sale for a period not exceeding 180 days, or for such further limited period as may be approved by the chief law enforcement officer of the municipality in which the heir or legatee resides or the superintendent, provided that such firearm is in the custody of the chief law enforcement officer of the municipality or the superintendent during such period.

k. Sawed-off shotguns. Nothing in this section shall be construed to authorize the purchase or possession of any sawed-off shotgun.

l. Nothing in this section and in N.J.S.2C:58-2 shall apply to the sale or purchase of a visual distress signalling device approved by the United States Coast Guard, solely for possession on a private or commercial aircraft or any boat; provided, however, that no person under the age of 18 years shall purchase nor shall any person sell to a person under the age of 18 years such a visual distress signalling device.

21. This act shall take effect on the 90th day after enactment.

CHAPTER 262

AN ACT concerning interest on security deposits held by nursing homes and supplementing P.L.1976, c.120 (C.30:13-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:13-4.1 Nursing home security deposits; disposition.

1. Whenever a nursing home requires a security deposit advanced prior to the admission of a person to the nursing home, the money or other form of security, until repaid or applied to payments in accordance with the terms of the contract or agreement, including the resident's portion of the interest or earnings accumulated thereon as hereinafter provided, shall continue to be the property of the resident and shall be held in trust by the nursing home and shall not be mingled with the personal property or become an asset of the nursing home.

a. The nursing home shall: (1) invest that money in shares of an insured money market fund established by an investment company based in this State and registered under the “Investment Company Act of 1940,” 54 Stat. 789 (15 U.S.C. § 80a-1 et seq.) whose shares are registered under the “Securities Act of 1933,” 48 Stat. 74 (15 U.S.C. § 77a et seq.) and the only investments of which fund are instruments maturing in one year or less, or (2) deposit that money in a State or federally chartered bank, savings bank or savings and loan association in this State insured by an agency of the federal government in an account bearing a variable rate of interest, which shall be established at least quarterly, which is similar to the average rate of interest on active interest bearing money market transaction accounts paid by the bank or
association, or equal to similar accounts of an investment company described in paragraph (1) of this subsection, less an amount not to exceed 1% per annum of the amount so invested or deposited for the costs of servicing and processing the accounts.

b. Immediately after the security money is invested, the nursing home shall notify the resident in writing of the name and address of the investment company, State or federally chartered bank, savings bank or savings and loan association in which the deposit or investment of security money is made, and the amount of the deposit.

c. All of the money so deposited or advanced may be deposited or invested by the nursing home in one interest-bearing or dividend yielding account as long as the nursing home complies with all the other requirements of this act.

d. The nursing home is entitled to receive as administration expenses, a sum equivalent to 1% per annum thereon or 12.5% of the aggregate interest yield on the security deposit, whichever is greater, less the amount of any service fee charged by an investment company, a State or federally chartered bank, savings bank or savings and loan association for money deposited pursuant to this section, which is in lieu of all other administrative and custodial expenses. The balance of the interest or earnings paid thereon by the investment company, State or federally chartered bank, savings bank or savings and loan association shall belong to the resident and shall be permitted to compound to the benefit of the resident, or be paid to the resident in cash, or be credited toward the payments due on the anniversary of the resident's admission to the nursing home in accordance with the terms of the contract or agreement.

e. If the nursing home fails to notify the resident of the name and address of the investment company, State or federally chartered bank, savings bank or savings and loan association in which the deposit or investment of the security is made, and the amount thereof, within 30 days after receipt of the money from the resident, the resident may give written notice to the nursing home that the security money shall be applied on account of payments due or to become due from the resident, and thereafter the resident shall be without obligation to make any further security deposit and the nursing home shall not be entitled to make further demand for a security deposit.

f. Within 60 days after the person is no longer a resident of the nursing home, the nursing home shall return to the former resident or, if appropriate, to the resident's estate, by personal delivery, registered or certified mail the sum so deposited plus the former
resident's portion of the interest or earnings accumulated thereon, less any charges expended in accordance with the terms of a contract or agreement. The interest or earnings and any such deductions shall be itemized and the resident or, if appropriate, the resident's estate, notified thereof by personal delivery, registered or certified mail.

g. The Commissioner of Banking may promulgate rules and regulations with respect to the establishment of the method of computing the interest due to either the nursing home or to the resident pursuant to the provisions of this act in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) if the money is deposited in an account or in shares of an investment company upon which the interest varies on a periodic basis.

C.30:13-4.2 Violations; enforcement.

2. A person shall have a cause of action against the nursing home for any violation of this act. The Department of Health may maintain an action in the name of the State to enforce the provisions of this act and any rules and regulations promulgated pursuant to this act. The action to recover actual and punitive damages shall be brought in a court of competent jurisdiction. A plaintiff who prevails in an action shall be entitled to recover reasonable attorney's fees and costs of the action.

3. This act shall take effect on the first day of the sixth month following enactment.

1. The Legislature finds and declares that it is necessary for the health, safety and welfare of the residents of this State that a standard, basic three-line address system be established and adopted on a county-by-county basis which will accurately reflect the location of all existing and potential properties, without duplication. The Legislature further finds and declares that such a standard mailing address system shall function for use in conjunction with the emergency 9-1-1 system, for delivery of mail, and for all other uses for which an address is applicable.

The Legislature further finds and declares that prior to the implementation of a standard 9-1-1 locatable mailing address system on a
Statewide level, it is necessary to demonstrate the feasibility of such a program by establishing a pilot program in a single county; that the pilot program should take place in an area where significant problems exist due to a dual mailing address system; that Burlington County is a large county in which several municipalities have the same postal name, several streets within municipalities have similar names, and many residents of municipalities in the county have experienced difficulty when needing emergency services due to these circumstances; and that because of the above mentioned criteria, in Burlington County, a pilot program to test the feasibility of a standard mailing address system would be especially suitable and would provide the best laboratory to demonstrate the feasibility of the program.

2. As used in this act:

“Building” means a house, residence, dwelling, store or other structure used for residential, commercial or public purpose which has frontage on, or access to, a street in a municipality.

“County” means Burlington County.

“Street” means any paved or unpaved road, highway, avenue, lane, pedestrian mall, alleyway or cartway for the passage of motor vehicles and pedestrians and located within the borders of a municipality or a county.

“System” means the 9-1-1-locatable mailing address system.

C.40:23-49 9-1-1 locatable mailing address system.

3. The governing body of the county shall, by resolution, establish a 9-1-1 locatable mailing address system within the county. The county governing body shall require the governing body of each municipality within the county to implement the system as follows:

a. The governing body in each municipality in the county shall review the names and numbers assigned to county and municipal streets within the municipality and the numbering of properties and buildings within the municipality to determine if the assignment of names and numbers conforms with the guidelines established in section 4 of this act.

b. Upon completion of the review required by subsection a. of this section, the governing body of each municipality shall determine what changes, if any, are necessary in the naming or numbering of the county or municipal streets, or in the numbering of properties or buildings in order to effectuate the provisions of this act.

c. Any changes which are made pursuant to the provisions of subsections a. and b. of this section shall be reflected on the
appropriate municipal tax and house numbering maps and the 9-1-1 Vernon Graphics maps for inclusion in the 9-1-1 database. A copy of the corrected municipal tax map cover sheet, and emergency services map as adopted by the governing body, shall be presented to the county for its use. The new or corrected maps are to be available to the public, map companies, and any State or federal agency requesting or entitled to a copy.

4. The guidelines for the implementation of this act shall include, but shall not be limited to, the following:

a. Municipalities shall have one correct name, which shall be filed with the county clerk and the Secretary of State.

b. No two municipalities in the county shall have the exact same name. For the purposes of this act, a prefix or suffix in the name of a municipality, such as “Township,” shall constitute a separate name.

c. In the event that two or more municipalities within the county have the same name, the municipality which incorporated first under its existing name shall retain the right to continue to use its existing name.

d. If a municipality is required, or chooses, to change its name pursuant to the provisions of this act, it shall not adopt any existing municipal or county name currently being used in this State.

e. One correct name shall be used for each street in a municipality and where two separate and noncontiguous streets within a municipality have the exact same name, a distinctive prefix or suffix shall be assigned to distinguish the streets, or a new name shall be assigned to one street. If two existing streets have names that have resulted in confusion due to any similarity, and a name change is not practical, the property numbering on the streets shall be made to contrast significantly as an added safety measure. Numbering by the mile post system may be used as an alternative, if applicable.

f. All properties which now or hereafter have frontage on or access to any street shall be plotted on the official tax map of the municipality.

g. Each property with frontage on or access to any street shall be assigned an official property number, except where one or more buildings or lots are located on an unnamed private road, lane or way having access to a street. In that situation only one official number shall be assigned, and it shall be based upon the number which best describes the location of the access point on the street. If more than one occupied building exists, each build-
ing shall be known as the number assigned, followed by a letter, beginning with "A" and continuing alphabetically.

h. Official property numbers shall proceed from a logical point of origin and shall be in proper numerical sequence in relation to the numbers assigned to other lots with frontage on or access to the same street.

i. Odd numbers shall be assigned to properties on one side of a street and even numbers assigned to properties on the other side of the street with sufficient flexibility so that the numbering system may accommodate maximum density as allowed by zoning regulations now in effect. If existing lot frontage is less than the minimum zoned frontage, the numbering shall compress to accommodate the existing lot frontage.

j. Governing bodies are encouraged to number property on federal and State highways and county roads by the mile post marker system, according to the following protocol. Even numbers shall be on the right as the numbering increases according to the mile posts. The most southern or westerly street origin of a mile post marker system shall be indicated as zero. The numbering shall relate and progress according to the mileage. If a municipality has already established mile post marker numbering with the odd numbers on the right, the numbering may remain if no confusion exists.

If the county elects to request mile post numbering on a county road, or a key access road, it shall erect the mile post markers if they do not presently exist. If a county route is comprised of two or more streets that have separate names, then the names assigned by the municipality shall be used in the addressing, the 9-1-1 data base and on the 9-1-1 map, and street signs. Where applicable, the county route number shall also be listed in the 9-1-1 data bank.

k. Priority shall be given to numbers or names of federal highways and roads over all other numbers and names of streets in a county. State highway or street numbers or names shall have priority over all county or municipal street names or numbers. Governing bodies are encouraged to number property on all major highways and important county roads by the mile post marker system, except that if an important county road that provides access to many municipalities is not easily numbered by the mile post marker system, it shall have one set of numbers that is in sequence for its entire length.

l. All municipalities shall erect "Entering .........." (insert name of municipality) signs at the municipal boundary on every major access road that enters the municipality, except interstate highways. The sign shall face traffic as it enters the municipality. If the street name changes or the property numbering is not in
sequence on any street that crosses a municipal boundary then that data shall be announced by a sign. When a major access road crosses a municipal boundary, the street name shall stay the same and the property numbering shall remain in sequence.

m. Upon any subdivision of land in a municipality resulting in lots other than those delineated in the official municipal tax map, the governing body of a municipality shall assign a property number to each lot resulting from the subdivision. Any new street shall have a unique name which shall be registered with the county 9-1-1 coordinator for entry into the data base prior to the issuance of a construction permit.

n. If a large lot has more than one available property number and it contains a building, then the property number that best describes the location of the driveway, or access point shall be assigned.

o. The owner of any building or occupied lot for which an official property number is designed and assigned shall be required at his own expense to place the official number at a point near where the driveway enters the street, or in such a manner that the number is easily visible from the street, or both. Three inch high numbers shall be the standard, and reflective numbers shall be encouraged. In those cases where more than one building exists on a lot or private road, land, or way, an address sign shall be placed near the point of access to the street showing the official number and letter designation of each building with a legal address on the lot or private roadway. Each building shall also have the number and letter designation clearly posted in front of or on the structure. The cost of erecting and maintaining an address sign shall be borne by the owners of the buildings who are also responsible for notifying any tenants of their official 9-1-1 locatable mailing address.

p. Each municipality shall, after implementation and adoption of the 9-1-1 locatable mailing address system, forward a correct version of the official municipal tax map and house numbering map, where available, to each U.S. Post Office serving the municipality, and to all emergency services. Each municipality shall take any steps which it deems necessary to inform the residents and businesses of the changes in their addresses. The residents or businesses are responsible for making the address corrections at their delivering postal facility and all other notifications.

q. The legal name of the municipality shall appear on the bottom line of all mailing addresses within the municipality. The name of the postal facility shall not be used unless it is exactly the same as the municipal name. The existing five digit zip-code that presently delivers the mail shall be incorporated into the address and remain unchanged.
The standard three-line 9-1-1 locatable mailing address shall appear as follows when mail is delivered to the location:

RESIDENT OR BUSINESS NAME
### STREET NAME APT, SUITE, ETC.
MUNICIPAL NAME NJ XXZIP-CODE

The standard three-line 9-1-1 locatable mailing address shall appear as follows for a location when the occupant receives mail delivered to a post office box within a postal facility:

RESIDENT OR BUSINESS NAME
### STREET NAME MUNICIPAL NAME
P O BOX ###
POST OFFICE NAME NJ XXZIP-CODE

This standard shall apply to the entire State and shall become effective within the county after adoption of the provisions of this act by the county governing body.

If postal rural route or Rural box numbers are still in use, they shall be replaced by municipally designated and assigned property numbers according to standard protocols defined in this legislation. The county governing body shall assist any municipality unable to accomplish the property numbering or street name corrections if financial hardship exists or technical assistance is required by funding or performing the necessary work in cooperation with the municipal governing body.

r. If a rural mailbox is located at the driveway entrance to a rural property and it is on the same side of the street it shall have three-inch high numbers on both sides of the mailbox.

If the mailbox is located across the street, then it shall have at least one number on the box. The number shall face traffic, and a three-inch high property number shall be posted at the driveway entrance of the property.

If the mailbox is remotely located on another street or clustered with several other mailboxes then the number and street name should be printed on the front of the box in one-inch high letters or numbers, as appropriate, and a three-inch high property number is to be posted at the driveway entrance.

C.40:23-51 Completion of review required.

5. The governing body of the county shall require municipalities within the county to complete the review required under section 3 of this act and to complete all changes required under section 4 of this act as
soon as is practical and in combination with preparations for the implement­
ment of the mandated enhanced 9-1-1 program.

C.40:23-52 Use of municipal names.
6. Beginning on the effective date of this act and pending compli­
ance with the provisions of this act by all of the municipalities in
Burlington County, all State income tax and data forms shall accurately
show the municipal name on the form, and data processing in all State
departments, agencies and commissions, especially with regard to
school funding, shall be accomplished using the legal municipal name
and not postal facility names or zip-codes.

7. Within one year of the establishment of the system by the
board of freeholders, the board of freeholders shall provide a
report to the Governor and to the Legislature evaluating the effec­
tiveness of the program.

8. This act shall take effect 60 days after enactment.

CHAPTER 268

AN ACT providing for a higher education loan program, amending and supplementing chapter 72 of Title 18A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.18A:72-34 Findings, declarations.

1. The Legislature finds and declares that:
   a. There has been a substantial reduction in the amount of total student aid available from federal programs since 1980.
   b. Further reductions in federal student aid have occurred as a result of the Balanced Budget and Emergency Deficit Control Act of 1985, (Pub.L.99-177), commonly referred to as “Gramm-Rudman.”
   c. The possibility of student loans becoming less readily available to New Jersey’s students poses an intolerable threat to the future of this State’s young people and its institutions of higher education.
d. There is, therefore, a need for a State program to make State sponsored student loans available to students who cannot obtain federally guaranteed loans, either because those loans are not available, because the student does not meet the program eligibility requirements as defined by the federal government, or because the student has additional financial need unmet by federally guaranteed student loans.

C.18A:72-35 New Jersey College Loans to Assist State Students (NJ Class) Loan Program.

2. There is hereby established within the New Jersey Higher Education Assistance Authority a New Jersey College Loans to Assist State Students (NJ CLASS) Loan Program. Under the NJ CLASS Loan Program, the authority shall make loans available in such amounts as necessary to ensure that student loans remain generally available to, or for the benefit of, eligible students as defined pursuant to section 7 of this act who are not eligible for, or have additional financial need beyond, a federally insured student loan and who meet the eligibility criteria set forth in section 7 of this act.

C.18A:72-36 New Jersey College Loans to Assist State Students (NJ Class) Loan Fund.

3. a. The authority shall establish and maintain a special fund called the “New Jersey College Loans to Assist State Students (NJ CLASS) Loan Fund” in which there shall be deposited (1) all funds received by the authority from the sale of State bonds as provided by law, (2) all monies appropriated by the State for the purposes of the fund, (3) all funds contributed to the authority by private sources, to be used for the purposes of this act, and (4) any other monies or funds of the authority, including the proceeds of bonds and bond anticipation notes issued by the authority, which it determines to deposit therein. Moneys in the New Jersey College Loans to Assist State Students (NJ CLASS) Loan Fund shall be held and applied to make direct loans pursuant to this act and to pay for the costs of administering the NJ CLASS Loan Program.

b. The sum total of all funds on deposit in the NJ CLASS Loan Fund shall be maintained in the amount determined by the authority to be necessary to fulfill its responsibilities as set forth in this act.

c. Moneys in the NJ CLASS Loan Fund at any time in excess of the NJ CLASS Loan Program requirements, whether by reason of investment or otherwise, may be withdrawn at any time by the authority and transferred to any other fund or account of the authority.
d. Moneys at any time in the NJ CLASS Loan Fund may be invested in any direct obligations of, or obligations as to which the principal and interest thereof is guaranteed by the United States of America or such other obligations as the authority may approve.

4. Loans under the NJ CLASS Loan Program may be made to eligible borrowers; an eligible borrower is an eligible student or any parent, spouse, legal guardian or other relative providing financial support for a dependent eligible student. The authority shall, by regulation, set maximum loan amounts for each participant based on factors such as the cost of attending the particular institution, family income, value of family assets or other factors the authority may consider relevant. The loans may be secured by such endorsement, co-maker’s collateral or other security as may be required by rules and regulations established by the Higher Education Assistance Authority.

5. The authority shall, by regulation, establish maximum annual loan amounts and maximum total loan amounts which may be made under the NJ CLASS Loan Program; however, the amount of a NJ CLASS Loan Program loan shall not exceed, in combination with other financial aid, the total education costs of attending college as determined by the college plus the amount of interest payments which may be deferred pursuant to section 6 of this act.

6. Interest on each NJ CLASS Loan Program loan shall accrue from the date of the making of the loan; however, the payment of the principal or the interest or both may be deferred until a time or times determined by the authority. The rate of interest on each such loan shall be determined by the authority.

7. An eligible student under the NJ CLASS Loan Program is a student who cannot obtain federally guaranteed student loans either because those loans are not available or because the student does not meet the program eligibility requirements as defined by the federal government, or who requires the NJ CLASS loan to supplement the student’s federally guaranteed loans and unless otherwise restricted by the authority by regulation, such student shall:

a. Be a New Jersey resident enrolled on at least a half-time basis as an undergraduate or graduate student in a curriculum leading to a degree or certificate in an institution of collegiate grade in
New Jersey, approved or licensed by the State Board of Higher Education and accredited by a regional accrediting association recognized by the Council on Postsecondary Accreditation; or
b. c. The authority may establish and collect a fee, to be paid by each eligible borrower under the NJ CLASS Loan Program, to assist in the support of the administration of the NJ CLASS Loan Program by the authority.

9. Nothing in this act shall be construed to limit the power of the authority to establish and maintain the “Higher Education Assistance Fund” or to alter the terms and conditions of loans made to students under that fund.

10. The authority shall promulgate any rules and regulations necessary to carry out the purposes of this act in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.).

11. N.J.S.18A:72-10 is amended to read as follows:

Powers of authority.
18A:72-10. The authority shall have the following powers:
(1) (a) To make loans

(i) To persons or to assist in the placing of loans to persons, who are residents of this State, and who are attending and are in good standing in, or who plan to attend, any qualified institution of collegiate grade, located in this State or elsewhere, which is approved by any regional accrediting association recognized by the national commission on accrediting, or approved by the Board of Higher Education, any qualified post-secondary nondegree institution of higher education, located in this State or elsewhere, or any other eligible institution, or

(ii) To persons who reside outside this State and who plan to attend, are enrolled in or are attending in good standing any eligible educational institution located within this State or elsewhere, or

(iii) To parents of persons meeting requirements set forth in (i) or (ii) above, in order to assist them in meeting expenses of higher education, and to guarantee such loans upon such terms and conditions as the authority may prescribe, in an amount for any academic year or in total as may be authorized by the New Jersey Higher Education Assistance Authority and approved by the Board of Higher Education; provided, however, that such amounts may not exceed in any given year or in total that amount which is guaranteed by the federal government.

For the purposes of this section, a qualified institution of collegiate grade shall be deemed to include a school of professional nursing accredited or approved by the New Jersey Board of Nursing, and a qualified post-secondary nondegree institution of higher education located outside the State shall mean and include any such institution offering courses in one or more of the fields enumerated, and meeting the admission standards set forth in N.J.S.18A:72-2.

(b) When the authority determines that higher annual or cumulative student loan limits than those established in section (1)(a) are warranted in order to carry out the purposes of the statute with regard to students engaged in high cost graduate or professional education, the authority may make or guarantee loans to eligible students in amounts to correspond to those higher limits, provided that such maximum limits are recommended by the authority and approved by the Board of Higher Education.

(2) To adopt rules not inconsistent with law governing the application for and the guarantee of loans made by the authority and governing any other matters related to its activities.
(3) To buy and sell approved notes evidencing loans made under this chapter, and to buy and sell participations in approved notes made pursuant to this chapter.

(4) From time to time to issue its negotiable bonds and bond anticipation notes for the purpose of providing funds (a) to carry out any purposes of the authority under this chapter, including, without limitation, making or purchasing loans under any provision of this chapter; (b) to purchase from lenders approved notes or participations in approved notes as provided by law; and (c) for the refunding of outstanding bonds.

(5) To engage in programs which state guaranty agencies are authorized to participate in pursuant to 20 U.S.C. § 1071 et seq. as amended.

(6) To perform any other acts which may be deemed necessary or appropriate to carry out the objects and purposes of this chapter.

12. Section 23 of P.L.1969, c.135 (C.18A:72-17.1) is amended to read as follows:

23. (a) The authority shall establish and maintain a special fund called the "New Jersey Higher Educational Assistance Capital Reserve Fund" in which there shall be deposited (1) all moneys appropriated by the State for the purpose of such fund, (2) all proceeds of bonds required to be deposited therein by terms of any contract between the authority and its bondholders or any resolution of the authority with respect to such proceeds or bonds, and (3) any other moneys or funds of the authority which it determines to deposit therein. Moneys in the reserve fund shall be held and applied solely to the payment of the interest on and principal of bonds of the authority as the same shall become due and payable and for the retirement of bonds, and shall not be withdrawn therefrom if such withdrawal would reduce the amount in the reserve fund to an amount equal to less than the "maximum debt service reserve" (as hereinafter defined) except for payment of interest then due and payable on bonds and the principal of bonds then maturing and payable and for the retirement of bonds in accordance with the terms of any contract between the authority and its bondholders and for the payments on account of which interest or principal or retirement of bonds other moneys of the authority are not then available in accordance with the terms of any such contract. As herein used "maximum debt service reserve" means, as of any date of computation, the lesser of: (1) the largest amount of
money required by the terms of all contracts between the authority and its bondholders to be raised in any succeeding calendar year for the payment of interest on and maturing principal of outstanding bonds and payments required by the terms of any such contracts to sinking funds established for the payment or redemption of such bonds, all calculated on the assumption that bonds will cease to be outstanding after date of such computation by reason of the payment of bonds at their respective maturities and the payments of such required moneys to sinking funds and the application thereof in accordance with the terms of all such contracts to the retirement of bonds; or (2) the amount of money required by the terms of all contracts between the authority and its bondholders to be maintained in said fund.

(b) Moneys in said fund at any time in excess of the maximum debt service reserve, whether by reason of investment or otherwise, may be withdrawn at any time by the authority and transferred to any other fund or account of the authority.

(c) Moneys at any time in the reserve fund may be invested in any direct obligations of, or obligations as to which the principal and interest thereof is guaranteed by, the United States of America or such other obligations as the authority may approve.

(d) For purposes of valuation, investments in the reserve fund shall be valued at the lowest of the par value, cost to the authority or market value of such investments. Valuation on any particular date shall include the amount of interest then earned or accrued to such date on any moneys or investments in the reserve fund.

(e) Notwithstanding any other provision contained in this act, no bonds shall be issued by the authority unless there is in the reserve fund the maximum debt service reserve for all bonds then issued and outstanding and the bonds about to be issued, provided, however, that nothing herein shall prevent or preclude the authority from satisfying the foregoing requirement by depositing so much of the proceeds of the bonds about to be issued, upon their issuance, as is needed to achieve the maximum debt service reserve. The authority may at any time issue its bonds or notes for the purpose of providing any amount necessary to increase the amount in the reserve fund to the maximum debt service reserve, or to meet such higher or additional reserve as may be fixed by the authority with respect to such fund.

(f) In order to assure the maintenance of the maximum debt service reserve in the reserve fund, there shall be appropriated annually and paid to the authority for deposit in said fund, such
sum, if any, as shall be certified by the chairman of the authority
to the Governor as necessary to restore said fund to an amount
equal to the maximum debt service reserve. The chairman shall
annually, on or before December 1, make and deliver to the Gov­
ernor his certificate stating the sums, if any, required to restore
said fund to the amount aforesaid, and the sum or sums so certi­
fied shall be appropriated and paid to the authority during the
then current State fiscal year.

(g) This reserve fund shall be kept separate from any other
reserve fund established by the authority and shall not be subject to
the provisions of section 18A:72-17 of the New Jersey Statutes.

13. This act shall take effect immediately.

Approved August 26, 1991.

(2) Any person required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance with procedures therefor established by the Attorney General:
(3) The Attorney General shall, upon the receipt of the disclosure statement from an applicant for an initial license or from a permittee, prepare and transmit to the department an investigative report on the applicant or the permittee, as the case may be, based in part upon the disclosure statement. c. Nothing in this section shall be construed to establish any priority which would preclude or restrict the timing or discretion of the Attorney General or the department regarding a decision to institute and prosecute a revocation proceeding against a permittee or licensee.

4. Section 4 of P.L.1983, c. 392 (C.13:1E-129) is amended to read as follows:

C.13:1E-129 Investigative interrogatory.

4. a. Whenever the Attorney General determines that there exists a reasonable suspicion that any person may have information or be in possession, custody, or control of any documentary materials relevant to an investigation of an applicant, permittee or licensee conducted pursuant to this act, he may issue in writing, and cause to be served upon that person an investigative interrogatory requiring that person to answer questions under oath and produce material for examination.

b. Each interrogatory shall:

(1) Identify the licensee, permittee or applicant who is the subject of the investigation;

(2) Advise the person that he has the right to discuss the interrogatory with legal counsel prior to returning it to the Attorney General or prior to making material available, as provided in subsection f. of this section, and that he has the right to file in Superior Court a petition to modify or set aside the interrogatory, as provided in subsection j. of this section;

(3) Describe the class or classes of documentary material to be produced thereunder with sufficient particularity as to permit the material to be reasonably identified;

(4) Prescribe a return date, which date shall provide a reasonable period of time within which answers may be made and material so demanded may be assembled and made available for inspection and copying or reproduction, as provided in subsection f. of this section.

c. No interrogatory shall:
(1) Contain any requirement which would be held to be unreasonable if contained in a subpoena duces tecum issued in aid of a grand jury investigation; or

(2) Require the production of any documentary evidence which would be otherwise privileged from disclosure if demanded by a subpoena duces tecum issued in aid of a grand jury investigation.

d. Service of any interrogatory filed under this section may be made upon any person by:

(1) Delivering a duly executed copy thereof to the person or any partner, executive officer, managing agent, employee or general agent thereof, or to any agent thereof authorized by appointment or by law to receive service of process on behalf of the person; or

(2) Delivering a duly executed copy thereof to the principal office or place of business of the person to be served; or

(3) Depositing a copy in the United States mail, by registered or certified mail duly addressed to the person at his principal office or place of business.

e. A verified return by the individual serving any interrogatory, setting forth the manner of service, shall be prima facie proof of service. In the case of service by registered or certified mail, the return shall be accompanied by the return post office receipt of delivery of the interrogatory.

f. Any person upon whom any interrogatory issued under this section has been duly served which requires the production of materials shall make the material available for inspection and copying or reproduction to the Attorney General at the principal place of business of that person in the State of New Jersey or at any other place as the Attorney General and the person thereafter may agree and prescribe in writing, on the return date specified in the interrogatory or on a later date as the Attorney General may prescribe in writing. Upon written agreement between the person and the Attorney General, copies may be substituted for all or any part of the original materials. The Attorney General may cause the preparation of any copies of documentary material as may be required for official use by the Attorney General.

No material produced pursuant to this section shall be available for examination, without the consent of the person who produced the material, by an individual other than the Attorney General or any person retained by the Attorney General in connection with the enforcement of this act. Under reasonable terms and conditions as the Attorney General shall prescribe, documentary material while in his possession shall be available for examina-
tion by the person who produced the material or any of his duly authorized representatives.

In any investigation conducted pursuant to this act, the Attorney General may present before the department, court or grand jury any documentary material in his possession pursuant to this section, subject to any protective order deemed proper by the Superior Court.

g. Upon completion of:
(1) The review and investigation for which any documentary material was produced under this section, and
(2) Any case or proceeding arising from the investigation, the Attorney General shall return to the person who produced the material all the material, other than copies thereof made by the Attorney General pursuant to this section, which has not passed into the control of the department or any court or grand jury through the introduction thereof into the record of the case or proceeding.

h. When any documentary material has been produced by any person under this section for use in an investigation, and no case or proceeding arising therefrom has been instituted within two years after completion of the examination and analysis of all evidence assembled in the course of the investigation, the person shall be entitled, upon written demand made upon the Attorney General, to the return of all documentary material, other than copies thereof made pursuant to this section so produced by him.

i. Whenever any person fails to comply with any investigative interrogatory duly served upon him under this section, or whenever satisfactory copying or reproduction of any material cannot be done and he refuses to surrender the material, the Attorney General may file in the Superior Court a petition for an order of the court for the enforcement of this section.

j. At any time before the return date specified in the interrogatory, the person served with the interrogatory may file in the Superior Court a petition for an order modifying or setting aside the interrogatory. The time allowed for compliance with the interrogatory shall not run during the pendency of this petition. The petition shall specify each ground upon which the petition relies in seeking relief, and may be based upon any failure of the interrogatory to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the petitioner. In this proceeding, the Attorney General shall establish the existence of an investigation pursuant to this act and the nature and subject matter of the investigation.
5. Section 5 of P.L.1983, c.392 (C.13:1E-130) is amended to read as follows:

C.13:1E-130 Subpena power.

5. a. Whenever the Attorney General determines that there exists a reasonable suspicion that any person may have information or knowledge relevant to an investigation conducted pursuant to this act, he may issue in writing and cause to be served upon that person a subpena to appear and be examined under oath before the Attorney General.

b. The subpena shall:

   (1) Identify the licensee, permittee or applicant who is the subject of the investigation;

   (2) Advise that person that he may have an attorney present when he appears and testifies or otherwise responds to the subpena, that he has a right, at any time before the return date of the subpena, to file in Superior Court a petition to modify or set aside the subpena, as provided in subsection f. of this section;

   (3) Prescribe a date and time at which that person must appear to testify, under oath, provided that this date shall not be less than seven days from the date of service of the subpena.

c. Except as otherwise provided in this section, no information derived pursuant to the subpena shall be disclosed by the Attorney General or the department without the consent of the person testifying.

In any investigation conducted pursuant to this act, the Attorney General may present before the department, court or grand jury any information disclosed pursuant to the subpena, subject to any protective order deemed proper by the Superior Court.

d. Service of a subpena pursuant to this section shall be by any of those methods specified in the New Jersey Court Rules for service of summons and complaint in a civil action.

e. Whenever any person fails to comply with any subpena duly served upon him under this section, or whenever satisfactory copying or reproduction of any material cannot be done and he refuses to surrender the material, the Attorney General may file in the Superior Court a petition for an order of the court for the enforcement of the subpena.

f. At any time before the return date specified in the subpena, the person who has been served with the subpena may file in the Superior Court a petition for an order modifying or setting aside the subpena. The time allowed for compliance with the subpena shall not run during the pendency of this petition. The petition shall specify each ground upon which the petitioner relies in
seeking relief, and may be based upon any failure of the subpoena to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the petitioner. In this proceeding, the Attorney General shall establish the existence of an investigation pursuant to this act and the nature and subject matter of the investigation.

6. Section 8 of P.L.1983, c.392 (C.13:1E-133) is amended to read as follows:

8. The provisions of any law to the contrary notwithstanding, no license shall be approved by the department:

a. Unless the department finds that the applicant, or the permittee, as the case may be, in any prior performance record in the collection, transportation, treatment, storage, transfer or disposal of solid waste or hazardous waste, has exhibited sufficient integrity, reliability, expertise, and competency to engage in the collection or transportation of solid waste or hazardous waste, or to operate the solid waste facility or hazardous waste facility, given the potential economic consequences for affected counties, municipalities and ratepayers or significant adverse impacts upon human health and the environment which could result from the irresponsible participation therein or operation thereof, or if no prior record exists, that the applicant or the permittee is likely to exhibit that integrity, reliability, expertise and competence.

b. If any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, the permittee or the licensee, has been convicted of any of the following crimes under the laws of New Jersey or the equivalent thereof under the laws of any other jurisdiction:

(19) Any purposeful or reckless violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations, including, but not limited to, solid waste or hazardous waste management laws, rules, or regulations;
(20) Violation of N.J.S.2C:17-2;
(21) Any offense specified in chapter 28 of Title 2C; or

c. If the Attorney General determines that there is a reasonable suspicion to believe that a person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, the permittee or the licensee, does not possess a reputation for good character, honesty and integrity, and that person or the applicant, the permittee or the licensee fails, by clear and convincing evidence, to establish his reputation for good character, honesty and integrity.

d. With respect to the approval of an initial license, if there are current prosecutions or pending charges in any jurisdiction against any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant or the permittee, for any of the crimes enumerated in subsection b. of this section, provided, however, that at the request of the applicant, permittee, or the person charged, the department shall defer decision upon such application during the pendency of such charge.

e. If any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, permittee or the licensee, has pursued economic gain in an occupational manner or context which is in violation of the criminal or civil public policies of this State, where such pursuit creates a reasonable belief that the participation of that person in any activity required to be licensed under this act would be inimical to the policies of this act. For the pur-
poses of this section, "occupational manner or context" means the systematic planning, administration, management, or execution of an activity for financial gain.

f. If the Attorney General determines that any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, permittee or the licensee, has been identified by the State Commission of Investigation or the Federal Bureau of Investigation as a career offender or a member of a career offender cartel or an associate of a career offender or career offender cartel, where such identification, membership or association creates a reasonable belief that the participation of that person in any activity required to be licensed under this act would be inimical to the policies of this act. For the purposes of this section, "career offender" means any person whose behavior is pursued in an occupational manner or context for the purpose of economic gain, utilizing such methods as are deemed criminal violations of the public policy of this State; and a "career offender cartel" means any group of persons who operate together as career offenders.

A license may be approved by the department for any applicant or permittee if the information contained within the disclosure statement and investigative report, including any determination made by the Attorney General concerning the character, honesty and integrity of any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant or permittee, would not require disqualification pursuant to subsection a., b., c., e. or f. of this section.

A license approved by the department for any applicant or permittee pursuant to this section is non-transferable and shall be valid only for the length of time for which it is given.

Any applicant or permittee who is denied an initial license pursuant to this section shall, upon a written request transmitted to the department within 30 days of that denial, be afforded the opportunity for a hearing thereon in the manner provided for contested cases pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.13:1E-133.1 Rehabilitated ex-offenders, licensing.

7. a. Notwithstanding the conviction of any person required to be listed in a disclosure statement, or otherwise shown to have a beneficial interest in the business of an applicant, permittee or licensee for any of the crimes enumerated in subsection b. of sec-
CHAPTER 269, LAWS OF 1991 1783

tion 8 of P.L.1983, c.392 (C.13:1E-133), the department may issue or renew a license to an applicant, permittee or licensee if the department determines in a writing setting forth findings of fact that the convicted person has affirmatively demonstrated rehabilitation by clear and convincing evidence pursuant to the provisions of this section. If the department determines that the nature and seriousness of the crime creates a reasonable doubt that an applicant, permittee, or licensee will engage in the activity for which a license is sought in a lawful and responsible manner, the department shall make a determination in a writing setting forth findings of fact that the convicted person cannot affirmatively demonstrate rehabilitation.

b. In determining whether a convicted individual has affirmatively demonstrated rehabilitation, the department shall request a recommendation thereon from the Attorney General, which recommendation shall be in writing and based upon a consideration of at least the following factors:

(1) The nature and responsibilities of the position which a convicted individual would hold;
(2) The nature and seriousness of the crime;
(3) The circumstances under which the crime was committed;
(4) The date of the crime;
(5) The age of the convicted individual when the crime was committed;
(6) Whether the crime was an isolated or repeated act;
(7) Any evidence of good conduct in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, or the recommendation of persons who have supervised the convicted individual since the conviction; and
(8) The full criminal record of the convicted individual, any record of civil or regulatory violations or notices or any complaints alleging any such civil or regulatory violations, or any other allegations of wrongdoing.

Notwithstanding any other provision of this subsection, a convicted individual shall have affirmatively demonstrated rehabilitation pursuant to the provisions of this section if the convicted individual produces evidence of a pardon issued by the Governor of this or any other state, or evidence of the expungement of every conviction for any of the crimes enumerated in subsection b. of section 8 of P.L.1983, c.392 (C.13:1E-133).

c. In determining whether a convicted business concern has affirmatively demonstrated rehabilitation, the department shall
request a recommendation thereon from the Attorney General, which recommendation shall be in writing and based upon a consideration of at least the following factors:

1. The nature and seriousness of the crime;
2. The circumstances under which the crime was committed;
3. The date of the crime;
4. Whether the crime was an isolated or repeated act; and
5. The full criminal record of the convicted business concern, any record of civil or regulatory violations or notices or any complaints alleging any such civil or regulatory violations, or any other allegations of wrongdoing.

d. The Attorney General may require, as a predicate to a determination that a convicted business concern has affirmatively demonstrated rehabilitation, that the convicted business concern agree, in writing, to an investigation of the crime or crimes committed by the convicted business concern which caused disqualification pursuant to subsection b. of section 8 of P.L.1983, c.392 (C.13:1E-133), the persons involved in the crime, and any corporate policies, procedures, and organizational structure that may have led to the crime. At the conclusion of this investigation a report shall be prepared identifying the underlying conduct giving rise to any criminal convictions and any steps that have subsequently been taken by the convicted business concern to prevent a recurrence of the criminal activity, and recommending any steps that may be deemed necessary to prevent a recurrence of the criminal activity. The investigation shall be conducted by, or on behalf of, the Attorney General, and the cost thereof shall be borne by the convicted business concern.

The Attorney General may require, on the basis of this investigation and as a condition of recommending that a convicted business concern has affirmatively demonstrated rehabilitation, that a convicted business concern comply, or agree in writing to comply, with any of the following:

1. changes in the convicted business concern’s organizational structure to reduce the opportunity and motivation of individual employees to engage in criminal activity, including procedures for informing employees of the requirements of relevant state and federal law;
2. changes in the convicted business concern’s long and short term planning to ensure that the convicted business concern implements procedures and policies to prevent future violations of the law;
CHAPTER 269, LAWS OF 1991

(3) changes in the convicted business concern's legal, accounting, or other internal or external control and monitoring procedures to discourage or prevent future violations of state or federal law;

(4) changes in the convicted business concern's ownership, control, personnel, and personnel selection practices, including the removal of any person shown to have a beneficial interest in the convicted business concern, and the imposition of a reward or disincentive system in order to encourage employees to comply with relevant state and federal law;

(5) post-licensing monitoring of the convicted business concern's activities relating to any changes in policy, procedure, or structure required by the Attorney General pursuant to this subsection, the cost of such monitoring to be borne by the convicted business concern; and

(6) any other requirements deemed necessary by the Attorney General.

de. The department shall not determine that a convicted business concern has affirmatively demonstrated rehabilitation if the convicted business concern has not complied, or agreed in writing to comply, with every requirement imposed by the Attorney General pursuant to subsection d. of this section.

C.13:1E-133.2 Reestablished integrity, licensing.

8. a. Notwithstanding any current prosecutions or pending charges in any jurisdiction against any person required to be listed in a disclosure statement, or otherwise shown to have a beneficial interest in the business of an applicant, permittee or licensee for any of the crimes enumerated in subsection b. of section 8 of P.L.1983, c.392 (C.13:1E-133), the department may issue or renew a license to an applicant, permittee or licensee if the department determines in a writing setting forth findings of fact that the person against whom there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity by clear and convincing evidence pursuant to the provisions of this section. If the department determines that the nature and seriousness of the crime alleged in a current prosecution or pending charge creates a reasonable doubt that an applicant, permittee, or licensee will engage in the activity for which a license is sought in a lawful and responsible manner, the department shall make a determination in a writing setting forth findings of fact that the person against
whom there are current prosecutions or pending charges cannot reestablish a reputation for good character, honesty and integrity.

A person may affirmatively reestablish a reputation for good character, honesty and integrity pursuant to this section in advance of the disposition of the current prosecutions or pending charges provided that this reestablishment consists of evidence of good character, honesty and integrity rather than any defenses to the current prosecutions or pending charges. A reestablishment of a reputation for good character, honesty and integrity pursuant to this section shall not be deemed insufficient due to a lack of admission of guilt to the current prosecutions or pending charges.

b. In determining whether an individual against whom there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity, the department shall request a recommendation thereon from the Attorney General, which recommendation shall be in writing and based upon a consideration of at least the following factors:

(1) The nature and responsibilities of the position which the individual against whom there are current prosecutions or pending charges would hold;
(2) The nature and seriousness of the alleged crime;
(3) The circumstances under which the alleged crime was committed;
(4) The date of the alleged crime;
(5) The age of the individual against whom there are current prosecutions or pending charges when the alleged crime was committed;
(6) Whether the alleged crime was an isolated or repeated act;
(7) Any evidence of good conduct in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, or the recommendation of persons who have supervised the individual since the date of the alleged crime; and
(8) The full criminal record of the individual against whom there are current prosecutions or pending charges, any record of civil or regulatory violations or notices or any complaints alleging any such civil or regulatory violations, or any other allegations of wrongdoing.

c. In determining whether a business concern against whom there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity, the department shall request a recommendation thereon from the Attorney General, which recommendation shall be in writing and based upon a consideration of at least the following factors:
(1) The nature and seriousness of the alleged crime;
(2) The circumstances under which the alleged crime was committed;
(3) The date of the alleged crime;
(4) Whether the alleged crime was an isolated or repeated act; and
(5) The full criminal record of the business concern against whom there are current prosecutions or pending charges, any record of civil or regulatory violations or notices or any complaints alleging any such civil or regulatory violations, or any other allegations of wrongdoing.

d. The Attorney General may require, as a predicate to a determination that a business concern against which there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity, that the business concern agree, in writing, to an investigation of the alleged crime or crimes committed by the business concern, the persons involved in the alleged crime, and any corporate policies, procedures, and organizational structure that may have led to the alleged crime. At the conclusion of this investigation a report shall be prepared identifying the underlying conduct giving rise to any alleged criminal activity and any steps that have subsequently been taken by the business concern to prevent a recurrence of the alleged criminal activity, and recommending any steps that may be deemed necessary to prevent a recurrence of the alleged criminal activity. The investigation shall be conducted by, or on behalf of, the Attorney General, and the cost thereof shall be borne by the business concern.

The Attorney General may require, on the basis of this investigation and as a condition of recommending that a business concern against which there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity, that a business concern comply, or agree in writing to comply, with any of the following:

(1) changes in the business concern's organizational structure to reduce the opportunity and motivation of individual employees to engage in criminal activity, including procedures for informing employees of the requirements of relevant state and federal law;
(2) changes in the business concern's long and short term planning to ensure that the business concern implements procedures and policies to prevent future violations of state or federal law;
(3) changes in the business concern's legal, accounting, or other internal or external control and monitoring procedures to discourage or prevent future violations of state or federal law;
(4) changes in the business concern's ownership, control, personnel, and personnel selection practices, including the removal of any person shown to have a beneficial interest in the business concern, and the imposition of a reward or disincentive system in order to encourage employees to comply with relevant state and federal law;

(5) post-licensing monitoring of the business concern's activities relating to any changes in policy, procedure, or structure required by the Attorney General pursuant to this subsection, the cost of such monitoring to be borne by the business concern; and

(6) any other requirements deemed necessary by the Attorney General.

e. The department shall not determine that a business concern against which there are current prosecutions or pending charges has affirmatively reestablished a reputation for good character, honesty and integrity if the business concern has not complied, or agreed in writing to comply, with every requirement imposed by the Attorney General pursuant to subsection d. of this section.

9. Section 9 of P.L.1983, c.392 (C.13:1E-134) is amended to read as follows:

C.13:1E-134 Causes for revocation.

9. Any license may be revoked by the department pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) for any of the following causes:

a. Any cause which would require disqualification, pursuant to subsection a., b., c., e. or f. of section 8 of P.L.1983, c.392 (C.13:1E-133), from receiving a license upon original application;

b. Fraud, deceit or misrepresentation in securing the license, or in the conduct of the licensed activity;

c. Offering, conferring or agreeing to confer any benefit to induce any other person to violate the provisions of P.L.1983, c.392 (C.13:1E-126 et seq.), or of any other law relating to the collection, transportation, treatment, storage, transfer or disposal of solid waste or hazardous waste, or of any rule or regulation adopted pursuant thereto;

d. Coercion of a customer by violence or economic reprisal or the threat thereof to utilize the services of any permittee or licensee; or

e. Preventing, without authorization of the department, any permittee or licensee from disposing of solid waste or hazardous waste at a licensed, authorized or approved treatment, storage, transfer or disposal facility.
10. Section 10 of P.L.1983, c.392 (C.13:1E-135) is amended to read as follows:

C.13:1E-135 Licensing after removal of disqualification; temporary licenses.

10. a. (1) Notwithstanding the disqualification of the applicant or permittee pursuant to subsection a., b., c., e. or f. of section 8 of P.L.1983, c.392 (C.13:1E-133), the department may issue or renew a license if the applicant or permittee severs the interest of or affiliation with the person who would otherwise cause that disqualification.

(2) The department may issue or renew a temporary license to any applicant or permittee for periods not to exceed six months if the department determines that the issuance or renewal of a temporary license is necessitated by the public interest.

b. After July 1, 1992, the provisions of any other law to the contrary notwithstanding, no temporary license shall be approved, issued or renewed by the department for any applicant or permittee, as the case may be, to own or operate a resource recovery facility or other solid waste facility approved by the department for the long-term solid waste disposal requirements of a district or districts pursuant to the “Solid Waste Management Act,” P.L.1970, c.39 (C.13:1E-1 et seq.) prior to the completion by the Attorney General and the department of the requirements of sections 3 and 8 of P.L.1983, c.392 (C.13:1E-128 and 13:1E-133); except that the department may issue a temporary license to an applicant or renew the temporary license of a permittee if the Commissioner of the Department of Environmental Protection determines, in writing, that the issuance of a temporary license for that applicant or renewal of the temporary license for that permittee is necessitated by the public interest.

11. Section 6 of P.L.1970, c.40 (C.48:13A-5) is amended to read as follows:

C.48:13A-5 Award of franchises.

6. a. The Board of Public Utilities may, by order in writing, when it finds that the public interest requires, award a franchise to any person or persons engaged in solid waste disposal at rates and charges published in tariffs or contracts accepted or to be accepted for filing by the board; provided, however, that the proposed franchise for solid waste disposal conforms to the district solid waste management plan of the district or districts in which such service is to be located, as such plan shall have been approved by the Department of Environmental Protection.
b. Franchises awarded pursuant to this section shall be of sufficient area and duration to support the estimated technical and economic needs of the disposal facility which is to serve the district or districts.

c. For the purposes of this section, "franchise" shall mean the exclusive right to control and provide for the disposal of solid waste, except for recyclable material whenever markets for those materials are available, within a district or districts as awarded by the Board of Public Utilities.

d. In no event shall the board award a franchise to any person required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, permittee or the licensee as defined in section 2 of P.L.1983, c.392 (C.13:1E-127), if the board determines that there is a reasonable suspicion to believe that the person does not possess a reputation for good character, honesty and integrity, and that person or the applicant, permittee or licensee fails, by clear and convincing evidence, to establish his reputation for good character, honesty and integrity.

e. Nothing in section 11 of P.L.1970, c.40 (C.48:13A-10) shall be interpreted to prevent the implementation of this section by the Board of Public Utilities.

12. Section 10 of P.L.1970, c.40 (C.48:13A-9) is amended to read as follows:

C.48:13A-9 Revocation or suspension of certificate of public convenience.

10. The board, on its own initiative or upon complaint by the State Department of Environmental Protection shall revoke or suspend the certificate of public convenience and necessity issued to any person engaged in the solid waste collection business or the solid waste disposal business upon the finding that such person:

a. Has violated any provision of P.L.1970, c.40 (C.48:13A-1 et seq.) or any rule, regulation or administrative order adopted or issued hereunder; or

b. Has violated any provision of any laws related to pollution of the air, water or lands of this State; or

c. Has refused or failed to comply with any lawful order of the board; or

d. Has had its registration revoked by the State Department of Environmental Protection.

13. Section 12 of P.L.1970, c.40 (C.48:13A-11) is amended to read as follows:
C.48:13A-11 Attendance of witnesses; production of tariffs, accounts and documents.

12. a. The board may compel the attendance of witnesses and the production of tariffs, contracts, papers, books, accounts and all the documents necessary to enable the board to administer its duties as prescribed by law and this act.

b. The board may compel any person engaged in the business of solid waste collection or solid waste disposal or otherwise providing solid waste collection or transfer, transportation or disposal services to furnish and file with the board any annual reports, federal or State tax returns, contracts, papers, books, accounts or other documents as may be necessary to enable the board to administer its duties as prescribed by law and this act.

c. Should any person engaged in the business of solid waste collection or solid waste disposal or otherwise providing solid waste collection or transfer, transportation or disposal services fail or refuse to comply with any provision of this section, or any applicable provision of Title 48 of the Revised Statutes, the board may revoke or suspend the certificate of public convenience and necessity issued to that person.

14. Section 11 of P.L.1970, c.39 (C.13:1E-11) is amended to read as follows:

C.13:1E-11 Temporary approval of registration.

11. a. During the first registration year of each applicant or permittee as defined in section 2 of P.L.1983, c.392 (C.13:1E-12) for approval of a registration statement to engage in the collection of solid waste, or a registration statement or engineering design approval for a solid waste facility, or the year following any violation of the provisions of P.L.1970, c.39 (C.13:1E-1 et seq.) resulting in a revocation of registration, the department is authorized to give temporary approval of registrations conditioned upon the applicant or permittee, as the case may be, effecting specified additions, changes or improvements in methods of operation and equipment within such time and manner as may be required by the department. The fee for such temporary approval shall be the appropriate fee established pursuant to section 3 of P.L.1971, c.461 (C.13:1E-18), notwithstanding the length of time for which it is given.

b. After July 1, 1992, the provisions of any other law to the contrary notwithstanding, no temporary approval of registrations shall be given, issued or renewed by the department for any applicant or permittee, as the case may be, to own or operate a resource
recovery facility or other solid waste facility approved by the department for the long-term solid waste disposal requirements of a district or districts pursuant to the "Solid Waste Management Act," P.L.1970, c.39 (C.13:1E-1 et seq.) prior to the completion by the Attorney General and the department of the requirements of sections 3 and 8 of P.L.1983, c.392 (C.13:1E-128 and 13:1E-133); except that the department may renew the temporary approval of registrations of an applicant or permittee if the commissioner determines, in writing, that the renewal of a temporary approval for that applicant or permittee is necessitated by the public interest.

15. Section 3 of P.L.1971, c.461 (C.13:1E-18) is amended to read as follows:

C.13:1E-18 Fees.

3. a. The department may in accordance with a fee schedule adopted as a rule or regulation establish and charge annual or periodic fees for any of the services to be performed in connection with the "Solid Waste Management Act," P.L.1970, c.39 (C.13:1E-1 et seq.), except that the annual or periodic fees charged by the department to cover the costs incurred by any State agency relevant to pre-licensing investigations, post-licensing compliance monitoring or related activities under the provisions of P.L.1983, c.392 (C.13:1E-126 et seq.) shall be based upon the size of the business concern. For the purposes of this subsection, “business concern” means any corporation, association, firm, partnership, sole proprietorship, trust or other form of commercial organization; “size” means the number of key employees or persons required to be listed in the disclosure statement, or otherwise shown to have a beneficial interest in the business of the applicant, permittee or licensee as defined in section 2 of P.L.1983, c.392 (C.13:1E-127); and “State agency” means any State department, division, agency, commission or authority.

The department, upon receipt of standard billing, shall provide reimbursement in full to the Attorney General or any other State agency for all expenses incurred by that State agency in the performance of pre-licensing investigations, post-licensing compliance monitoring or any other related activities consistent with the provisions of P.L.1983, c.392 (C.13:1E-126 et seq.).

b. The fee schedule shall reasonably reflect the duration or complexity of the specific service rendered, permit application reviewed, or registration statement or engineering design application approval sought.
16. Section 17 of P.L.1975, c.326 (C.13:1E-26) is amended to read as follows:

C.13:1E-26 Approval by commissioner prior to construction, acquisition, or operation of facility.

17. a. Prior to the construction, acquisition, or operation of any solid waste facility in any solid waste management district pursuant to the adopted and approved district solid waste management plan therefor, the person proposing the construction, acquisition, or operation, in addition to preparing an environmental impact statement for the solid waste facility in such form as shall be required by the commissioner pursuant to the provisions of section 6 of P.L.1970, c.39 (C.13:1E-6), shall make or cause to be made any preliminary surveys, investigations, studies, borings, maps, plans, drawings, and estimates of costs and of revenues as the commissioner may deem necessary relating to the type of solid waste facility.

The results of the environmental impact statements, surveys, investigations, studies, borings, maps, plans, drawings, and estimates required by the commissioner shall be submitted to the commissioner for approval. No person may proceed to construct, acquire, or operate any solid waste facility without having first obtained the approval of the commissioner. Such approval shall be granted only if the commissioner determines that:

(1) The proposed construction, acquisition, or operation is consistent with the adopted and approved district solid waste management plan of the solid waste management district within which the solid waste facility is to be located; and

(2) The proposed solid waste facility will be constructed or acquired, and operated, pursuant to the standards adopted and promulgated therefor by the department pursuant to the provisions of section 6 of P.L.1970, c.39 (C.13:1E-6).

b. In addition to the requirements of subsection a. of this section, no person shall commence construction of a resource recovery facility prior to the completion by the Attorney General and the department of the requirements of sections 3 and 8 of P.L.1983, c.392 (C.13:1E-128 and 13:1E-133), unless such person has received a temporary license approved by the department pursuant to section 10 of P.L.1983, c.392 (C.13:1E-135). The commissioner shall not approve the commencement of construction of a resource recovery facility unless the person proposing to own or operate the resource recovery facility has received a license approved by the department pursuant to section 8 of P.L.1983, c.392 (C.13:1E-133)
or a temporary license approved by the department pursuant to section 10 of P.L.1983, c.392 (C.13:1E-135).

C.13:1E-133.3 Resource recovery permits; completion of investigation, licensing required.

17. The Department of Environmental Protection shall not issue any permits required pursuant to P.L.1954, c.212 (C.26:2C-1 et seq.), P.L.1962, c.19 (C.58:16A-50 et seq.), P.L.1975, c.232 (C.13:1D-29 et seq.), P.L.1977, c.74 (C.58:10A-1 et seq.), P.L.1981, c.262 (C.58:1A-1 et seq.), or any other law, or any rules and regulations adopted thereto, to any person proposing to own or operate a resource recovery facility prior to the completion by the Attorney General and the department of the requirements of sections 3 and 8 of P.L.1983, c.392 (C.13:1E-128 and 13:1E-133), and unless the person proposing to own or operate the resource recovery facility has received a license approved by the department pursuant to section 8 of P.L.1983, c.392 (C.13:1E-133); except that the department may issue such permits if the department has approved, issued or renewed a temporary license for such person pursuant to section 10 of P.L.1983, c.392 (C.13:1E-135).

18. Section 18 of P.L.1975, c.326 (C.13:1E-27) is amended to read as follows:

18. Any solid waste facility constructed, acquired or operated pursuant to the provisions of the “Solid Waste Management Act,” P.L.1970, c.39 (C.13:1E-1 et seq.) shall be deemed a public utility and shall be subject to such rules and regulations as may be adopted by the Board of Public Utilities in accordance with the provisions of the “Solid Waste Utility Control Act of 1970,” P.L.1970, c.40 (C.48:13A-1 et seq.).

19. Section 9 of P.L.1981, c.306 (C.13:1E-108) is amended to read as follows:

9. Moneys in the fund shall be disbursed by the department for the following purposes and no others:

Any moneys disbursed by the department from the fund for this purpose shall be repaid to the fund in equal amounts from the fees collected by the department pursuant to section 3 of P.L.1971, c.461 (C.13:1E-18), in annual installments beginning July 1, 1990 and annually thereafter until the full amount is repaid according to a schedule of repayments determined by the State Treasurer. For the purposes of this subsection, “State agency” means any State department, division, agency, commission or authority.

1. a. Any person who is licensed in the State of New Jersey to practice psychology, psychiatry, medicine, nursing, clinical social work or marriage counseling, whether or not compensation is received or expected, is immune from any civil liability for a patient’s violent act against another person or against himself unless the practitioner has incurred a duty to warn and protect the potential victim as set forth in subsection b. of this section and fails to discharge that duty as set forth in subsection c. of this section.
b. A duty to warn and protect is incurred when the following conditions exist:

(1) The patient has communicated to that practitioner a threat of imminent, serious physical violence against a readily identifiable individual or against himself and the circumstances are such that a reasonable professional in the practitioner's area of expertise would believe the patient intended to carry out the threat; or

(2) The circumstances are such that a reasonable professional in the practitioner's area of expertise would believe the patient intended to carry out an act of imminent, serious physical violence against a readily identifiable individual or against himself.

c. A licensed practitioner of psychology, psychiatry, medicine, nursing, clinical social work or marriage counseling shall discharge the duty to warn and protect as set forth in subsection b. of this section by doing any one or more of the following:

(1) Arranging for the patient to be admitted voluntarily to a psychiatric unit of a general hospital, a short-term care facility, a special psychiatric hospital or a psychiatric facility, under the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.);

(2) Initiating procedures for involuntary commitment of the patient to a short-term care facility, a special psychiatric hospital or a psychiatric facility, under the provisions of P.L.1987, c.116 (C.30:4-27.1 et seq.);

(3) Advising a local law enforcement authority of the patient's threat and the identity of the intended victim;

(4) Warning the intended victim of the threat, or, in the case of an intended victim who is under the age of 18, warning the parent or guardian of the intended victim; or

(5) If the patient is under the age of 18 and threatens to commit suicide or bodily injury upon himself, warning the parent or guardian of the patient.

tions promulgated thereunder.

3. This act shall take effect immediately.

5. **a.** The sums appropriated in this act shall be subject to the following cost sharing requirements:

1. With respect to bridges carrying State highways, and bridges constructed, owned or maintained by the State identified in section 2 of this act, the State shall defray the cost of rehabilitation and improvement.

2. With respect to bridges carrying county and municipal roads identified in section 3 of this act, the State shall defray not more than 90% of the cost of rehabilitation and improvement, with the county or municipality defraying not less than 10% of the cost.

3. With respect to railroad overhead bridges whose ownership is not determined or is in doubt identified in section 4 of this act, the county or municipality shall defray not less than 10% of the cost of rehabilitation, improvement, inspection, and repair with the State defraying not more than 90% of the costs.

b. All cost sharing prescribed in this section shall be determined after first reducing the cost of rehabilitation and improvement of bridges by the amount of available federal funding.

c. With respect to railroad overhead bridges, notwithstanding the provisions of Chapter 12 of Title 48 of the Revised Statutes,
the railroad company whose tracks or right-of-way the bridge crosses shall provide necessary track safety services and engineering reviews at its own expense.

d. For the purpose of this act, “rehabilitation and improvement of bridges” means the construction, reconstruction, demolition, removal, replacement, improvement, repair, or rebuilding of bridges or any other cost allowed under the provisions of the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989,” P.L.1989, c.180.

6. It shall be lawful for each county and municipality, upon execution of an agreement by the Commissioner of Transportation indicating approval for and the amount of State aid allocated to a project, to include an amount equal to the amount of such State aid in its annual budget and any amendments and supplements thereto. Immediately thereafter, commitments may be made by counties and municipalities against the amounts so included in their budgets and amendments and supplements thereto.

7. When the Commissioner of Transportation shall notify the governing body of a county or municipality of the amount of State funds allocated to a project, the governing body may borrow money on temporary loan to an amount not to exceed the amount of the State funds allocated to the project in anticipation of the payment of the amount of State funds so allocated to the county or municipality in accordance with the provisions of this act, and may apply the proceeds of the loan to the payment of the cost of the project. The temporary loan shall be repaid upon payment to the county or municipality of the sum in anticipation of payment of which the loan was made.

8. Such sums as may be necessary to meet any expense incurred by the issuing officials under the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989,” P.L.1989, c.180 for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989” are appropriated.

9. It is the purpose of this act that the funds from which these appropriations shall be made shall be those funds which shall be
10. The funds appropriated by this act shall be expended by the Commissioner of Transportation for the uses and purposes enumerated in this act and the "New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989," P.L.1989, c.180, subject to the provisions and conditions of P.L.1989, c.180 and subject to the approval of the Director of the Division of Budget and Accounting and the Joint Budget Oversight Committee or its successor committee.

11. The Department of Transportation is empowered to enter into negotiations with the federal government for the purpose of securing any available federal aid and to receive any such grants.

12. The Director of the Division of Budget and Accounting in the Department of the Treasury is authorized and directed to make such correction of the title or text, or both, of any item in this act necessary to make an appropriation available for the purpose of its intention. The correction shall be by written ruling reciting in appropriate detail the facts thereof and the reasons therefor, attested by the signature of the director and filed by him in his office as an official record, and any action thereunder, including disbursements, and the audit thereof, shall be legally binding and of full force.

13. From the amount provided in this act for the rehabilitation and improvement of bridges, there may be allocated such amounts as the Department of Transportation may determine for personal service by contract or, in lieu thereof, by State employees for planning, engineering, design, research, construction, right-of-way acquisition, or other costs related to the construction program; provided, however, such amounts shall be subject to transfers approved as prescribed in section 28 of the "New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989," P.L.1989, c.180 and further provided that the amounts used by the Department of Transportation for administrative and program oversight costs, which costs include the review and processing of contractual agreements, plans and specifications, and the processing of award documents, do not exceed 8% of the amount appropriated by this act. The department is authorized and directed to take such steps as shall
be necessary to implement and carry out the programs authorized by the "New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989," P.L.1989, c.180 and may fill, subject to the approval of the Director of the Division of Budget and Accounting, such positions as shall be necessary to achieve this purpose within the limits of funds appropriated in this act and approved for this purpose.

14. In order that all costs, whether direct or indirect, of implementing the "New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989," P.L.1989, c.180 shall be paid from the fund established in section 14 thereof, the Director of the Division of Budget and Accounting, where appropriate and practicable, may charge the fund and credit to the General Fund or expenditure source such sums as may have been expended from other State appropriations for direct or indirect costs related to the rehabilitation, improvement, inspection and repair of bridges set forth in sections 2, 3 and 4 of this act subject to the approval of the Joint Budget Oversight Committee or its successor committee, provided that those sums so charged for administrative and program oversight costs, which costs include the review and processing of contractual agreements, plans and specifications, and the processing of award documents, do not exceed 8% of the amount provided in this act.

15. In order that some degree of flexibility in administering the provisions of this act may be had, the Commissioner of Transportation may apply to the Director of the Division of Budget and Accounting for permission to transfer a part of any item to any other item; provided, however that the total amount of funds expended for any program shall be subject to the limitations in section 4 of the "New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989," P.L.1989, c.180 and those further limitations contained in this act. Upon approval of the application by the director and by the Joint Budget Oversight Committee, or its successor, in writing, the director shall make such transfer as provided by law.

16. It shall be the policy of the Department of Transportation to enter into contracts or agreements not later than three years from the effective date of this act dealing with the projects for which funds are appropriated in sections 3 and 4 of this act. In the event

CHAPTER 272

AN ACT concerning student financial assistance and providing for the sale of Garden State Savings Bonds.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known as the "Garden State Savings Act of 1991."

2. The Legislature finds and declares that:
a. The general welfare, health and prosperity of the people of the State of New Jersey would be promoted and enhanced by making higher education available to the greatest number of students possible.

b. The State can make higher education more affordable to New Jersey families. This can be done by, among other means, providing the families of future students with investment alternatives and financial assistance.

3. As used in this act:
   a. "Garden State Savings Bonds" means bonds of the State of New Jersey and its authorities issued pursuant to the provisions of this act.
   b. "Institution of higher education" means any public institution of higher education as defined in N.J.S.18A:62-1 and any independent institution of higher education which is an "eligible institution" as defined in section 3 of P.L.1979, c.132 (C.18A:72B-17).
   c. "Issuing officials" means the Governor, the State Treasurer, the Director of the Division of Budget and Accounting in the Department of the Treasury and the issuing authority or agency.

4. a. In furtherance of the public policy of this act, the State shall set aside, from the bonds of the State of New Jersey authorized to be issued or from the bonds of any authority or agency authorized to be issued, an amount to be determined by the Treasurer of the total aggregate original principal amount of such bonds. These bonds shall be issued as determined by the issuing officials and shall be known as "Garden State Savings Bonds," in addition to any other name they may be known as.

b. Garden State Savings Bonds may be issued in low denominations and in the form or forms, whether coupon, fully-registered or book entry, and with or without provisions for interchangeability thereof, as may be determined by the issuing officials, and in such amounts as will allow a large number of New Jersey families to participate in the program, and with the maturity dates which will make funds available to purchasers at the time when such funds are needed for educational purposes.

c. When Garden State Savings Bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds so designated shall bear the rate or rates of interest as may be determined by the issuing officials, which interest shall be payable as may be determined by the issuing officials.

5. a. The Treasurer, in consultation with the Board of Higher Education, shall also provide for additional financial incentives to be provided to holders of Garden State Savings Bonds to encourage the enrollment of students at institutions of higher education located in the State of New Jersey. These financial incentives shall be in such forms as determined by the Treasurer in consultation with issuing officials at the time of the authorization of the Garden State Savings Bonds and shall at a minimum provide that each participating institution shall guarantee that the value of Garden State Savings Bonds redeemed for the purposes of the payment of tuition, fees, and other educational costs at the institution, shall, at the time of matriculation of the student, be increased by not less than six percent of the face value of the bonds at the time of redemption. Two percent of the incentive amount shall be paid by the State, and four percent by participating institutions.

b. Every public institution of higher education in New Jersey shall participate in the financial incentive program. Independent institutions of higher education in New Jersey may elect to participate in the program. Each independent institution which elects to participate shall enter into a contract with the State Board of Higher Education which shall, at a minimum, define the terms of participation and establish conditions under which an institution may withdraw from the program. Any independent institution that withdraws from the program shall guarantee to provide the financial incentives in effect for all bonds purchased during the period in which the institution was a participant in the program.

c. The original purchaser and any member of the immediate family of the original purchaser of a Garden State Savings Bond shall be eligible for the financial incentive program established pursuant to this section.

C.18A:71-92 Amount exempt from financial resources.

6. Annually, the Student Assistance Board, created pursuant to section 1 of P.L.1977, c.330 (C.18A:71-15.1), shall determine a dollar amount of Garden State Savings Bonds or accumulated bonds, interest or supplemental payment, which shall not be less than $25,000.00, which shall not be considered in evaluating the financial needs of a student enrolled at an institution of higher education located in the State of New Jersey, or be deemed a financial resource of or a form of financial aid or assistance to each student, for purposes of determining the eligibility of a student for any scholarship, grant, or monetary
assistance awarded by the State; nor shall the amount of any such bonds, interest or supplemental payment as determined by the Student Assistance Board provided for a qualified student under this act reduce the amount of any scholarship, grant or monetary assistance which such student is entitled to be awarded by the State.

7. The Treasurer or the issuing authority or agency shall submit a report after each bond issuance to the Board of Higher Education detailing the results of each separate sale of Garden State Savings Bonds.

C.18A:71-94 Other incentives, conditions of sale.
8. The Treasurer shall, with the concurrence of the Board of Higher Education, approve the following:
   a. Additional financial incentives as provided in this act;
   b. Limits that may be imposed on the amount of Garden State Savings Bonds that may be purchased by individual households;
   c. Minimum denominations to market the Garden State Savings Bonds so that they are affordable by individuals; however, each issue shall be offered with sufficient bonds at a purchase price of $100 to satisfy demand;
   In addition, the Treasurer shall evaluate the feasibility of staggered or periodic forms of payments for Garden State Savings Bonds, and to advise the issuing officials regarding such evaluation.

C.18A:71-95 Assessment, recommendations.
9. The Board of Higher Education and the Treasurer shall assess the effectiveness of the program and recommend any necessary changes to the issuing officials regarding future bond sales after the initial sale of Garden State Savings Bonds.

10. This act shall take effect immediately.

CHAPTER 275

AN ACT concerning the termination of parental rights, amending and supplementing P.L.1951, c.138.
BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 11 of P.L.1951, c.138 (C.30:4C-11) is amended to read as follows:

C.30:4C-11 Application for care and custody; verification, investigation.

11. Whenever it shall appear that any child within this State is of such circumstances that the child's welfare will be endangered unless proper care or custody is provided, an application setting forth the facts in the case may be filed with the Division of Youth and Family Services by a parent or other relative of such child, by a person standing in loco parentis to such child, by a person or association or agency or public official having a special interest in such child or by the child himself, seeking that the division accept and provide such care or custody of such child as the circumstances may require. Such application shall be in writing, and shall contain a statement of the relationship to or special interest in such child which justifies the filing of such application. The provisions of this section shall be deemed to include an application on behalf of an unborn child when the prospective mother is within this State at the time of application for such services.

Upon receipt of an application as provided in this section, the division shall verify the statements set forth in such application and shall investigate all the matters pertaining to the circumstances of the child. If upon such verification and investigation it shall appear (a) that the welfare of such child will be endangered unless proper care or custody is provided; (b) that the needs of such child cannot properly be provided for by financial assistance as made available by the laws of this State; (c) that there is no person legally responsible for the support of such child whose identity and whereabouts are known and who is willing and able to provide for the care and support required by such child; and (d) that such child, if suffering from a mental or physical disability requiring institutional care, is not immediately admissible to any public institution providing such care; then the division may accept and provide such care or custody as the circumstances of such child may require.

2. Section 12 of P.L.1951, c.138 (C.30:4C-12) is amended to read as follows:

C.30:4C-12 Filing complaint; investigation; application for court order; hearing.

12. Whenever it shall appear that the parent or parents, guardian, or person having custody and control of any child within this
State is unfit to be entrusted with the care and education of such child, or shall fail to provide such child with proper protection, maintenance and education, or is endangering the welfare of such child, a written or oral complaint may be filed with the Division of Youth and Family Services by any person or by any public or private agency or institution interested in such child. When such a complaint is filed by a public or private agency or institution, it shall be accompanied by a summary setting forth the reason for such complaint and other social history of the child and his family's situation which justifies such complaint; or, if this is not feasible, such summary shall be made available to the Division of Youth and Family Services as soon thereafter as possible.

Upon receipt of a complaint as provided in this section, the Division of Youth and Family Services shall investigate, or shall cause to be investigated, the statements set forth in such complaint. If the circumstances so warrant, the parent, parents, guardian, or person having custody and control of the child shall be afforded an opportunity to file an application for care, as provided in section 11 of P.L.1951, c.138 (C.30:4C-11). If the parent, parents, guardian, or person having custody and control of the child shall refuse to permit or shall in any way impede investigation, and the division determines that further investigation is necessary in the best interests of the child, the division may thereupon apply to the Family Part of the Chancery Division of the Superior Court in the county where the child resides, for an order directing the parent, parents, guardian, or person having custody and control of the child to permit immediate investigation. The court, upon such application, may proceed to hear the matter in a summary manner and if satisfied that the best interests of the child so require may issue an order as requested.

If, after such investigation has been completed, it appears that the child requires care and supervision by the Division of Youth and Family Services but the parent, parents, guardian, or person having custody and control of the child continue to refuse to apply for care in the manner provided in section 11 of P.L.1951, c.138 (C.30:4C-11), the division may apply to the Family Part of the Chancery Division of the Superior Court in the county where the child resides for an order making the child a ward of the court and placing such child under the care and supervision of the Division of Youth and Family Services.

The court, at a summary hearing held upon notice to the Division of Youth and Family Services, and to the parent, parents,
guardian, or person having custody and control of the child, if satisfied that the best interests of the child so require, may issue an order as requested, which order shall have the same force and effect as the acceptance of a child for care by the division as provided in section 11 of P.L.1951, c.138 (C.30:4C-11); provided, however, that such order shall not be effective beyond a period of six months from the date of entry unless the court, upon application by the Division of Youth and Family Services, at a summary hearing held upon notice to the parent, parents, guardian, or person having custody of the child, extends the time of the order.

Immediately after the court’s order and while the child is in the division’s care, the division shall initiate a search for the child’s natural mother or father, if they are not known to the division. The search shall be initiated within 30 days of the court order. The search will be completed when all sources contacted have either responded to the inquiry or failed to respond within 45 days. The results shall be valid for six months after the date it was completed.

3. Section 15 of P.L.1951, c.138 (C.30:4C-15) is amended to read as follows:

C.30:4C-15 Guardianship petition.

15. Whenever (a) it appears that a court wherein a complaint has been proffered as provided in chapter 6 of Title 9 of the Revised Statutes, has entered a conviction against the parent or parents, guardian, or person having custody and control of any child because of abuse, abandonment, neglect of or cruelty to such child; or (b) (Deleted by amendment, P.L.1991,c.275). (c) it appears that the best interests of any child under the care or custody of the Division of Youth and Family Services require that he be placed under guardianship; or (d) it appears that a parent or guardian of a child, following the acceptance of such child by the division pursuant to section 11 or 12 of P.L.1951, c.138 (C.30:4C-11 or 12), or following the placement or commitment of such child in the care of an authorized agency, whether in an institution or in a foster home, and notwithstanding the diligent efforts of such agency to encourage and strengthen the parental relationship, has failed for a period of one year to remove the circumstances or conditions that led to the removal or placement of the child, although physically and financially able to do so, notwithstanding the division’s diligent efforts to assist the parent or guardian in remedying the conditions, and that additional services available from the divi-
sion within program and fiscal constraints will not enable the child to be reunited with the parent or guardian; a petition, setting forth the facts in the case, may be filed with the Family Part of the Chancery Division of the Superior Court in the county where such child may be at the time of the filing of such petition. A petition as provided in this section may be filed by any person or any association or agency, interested in such child, or by the division in the circumstances set forth in items (c) and (d) hereof.

4. Section 17 of P.L.1951, c.138 (C.30:4C-17) is amended to read as follows:

C.30:4C-17 Notice of hearing; copy of petition to absent parent; interlocutory order.

17. a. When a petition is filed under section 15 of P.L.1951, c.138 (C.30:4C-15), by a person, association or agency other than the Division of Youth and Family Services, the court, in addition to causing service to be made upon the parent, parents, guardian or person having custody and control of such child in accordance with rules of court, shall also cause a copy of the petition and notice of the time and place of hearing to be served on or mailed to the division at least 20 days before the time of such hearing.

b. When a petition is filed under section 15 of P.L.1951, c.138 (C.30:4C-15) by a person, association or agency, the court shall cause a copy of the petition to be served upon the absent parent of the child. The notice shall inform the parent of the purpose of the action and of the right to file written objections to the guardianship proceedings within 20 days after notice is given in the case of a resident, and 35 days in the case of a nonresident, of this State.

If personal service of the notice cannot be effected because the whereabouts of an absent parent are unknown, the court shall determine that an adequate effort has been made to serve notice upon the parent if the plaintiff has:

(1) Sent the notice by regular mail and by certified mail return receipt requested, to the last known address of the parent;

(2) Made a discreet inquiry among any known relatives, friends and current or former employers of the parent;

(3) Unless otherwise restricted by law, made direct inquiries, using the party's name and last known or suspected address, to the local post office, the Division of Motor Vehicles in the Department of Law and Public Safety, the county welfare agency, the municipal police department, the Division of State Police in the
Department of Law and Public Safety, the county probation office, the Department of Corrections, and any other social service or law enforcement agency known to have had contact with the parent, or the equivalent agencies in other states, territories or countries.

Failure to receive a response to the inquiries made pursuant to paragraphs (2) and (3) of this subsection within 45 days shall constitute a negative response.

c. In any case in which the identity of an absent parent cannot be determined or the known parent of a child is unable or refuses to identify the other parent, and the court is unable from other information before the court to identify the other parent, service on that parent shall be waived by the court.

d. Whenever a petition is filed under section 15 of P.L.1951, c.138 (C.30:4C-15), and there shall be filed with such petition a statement or statements made under oath and attesting that the best interests of the child require that he be placed under the guardianship of the division immediately and pending final hearing, the court, at a special summary hearing held upon notice to the division, may make an interlocutory order committing such child to the division until a final hearing on the petition. Such interlocutory order shall have the same force and effect as an order of commitment provided for in section 20 of P.L.1951, c.138 (C.30:4C-20).

5. Section 19 of P.L.1951, c.138 (C.30:4C-19) is amended to read as follows:

C.30:4C-19 Adjournments.

19. Adjournment of any hearing on a petition filed under section 15 of P.L.1951, c.138 (C.30:4C-15) shall not exceed a total period of 45 days.

C.30:4C-12.1 Search for relatives; home evaluation study.

6. In any case in which the Division of Youth and Family Services accepts a child in its care or custody, the division shall initiate a search for relatives who may be willing and able to provide the care and support required by the child. A home evaluation study of the relative's home shall be conducted in accordance with procedures established by the division. The search shall be initiated within 30 days of the division's acceptance of the child in its care or custody. The search will be completed when all sources contacted have either responded to the inquiry or failed to respond within 45 days. The results shall be valid for six months after the date it was completed.
CHAPTER 275, LAWS OF 1991

C.30:4C-15.1 Termination of parental rights.

7. The division shall initiate a petition to terminate parental rights on the grounds of the “best interest of the child” pursuant to subsection (c) of section 15 of P.L.1951, c.138 (C.30:4C-15) if the following standards are met:

a. The child’s health and development have been or will continue to be endangered by the parental relationship;

b. The parent is unwilling or unable to eliminate the harm facing the child or is unable or unwilling to provide a safe and stable home for the child and the delay of permanent placement will add to the harm;

c. The division has made diligent efforts to provide services to help the parent correct the circumstances which led to the child’s placement outside the home and the court has considered alternatives to termination of parental rights; and

d. Termination of parental rights will not do more harm than good.

As used in this section and in section 15 of P.L.1951, c.138 (C.30:4C-15) “diligent efforts” mean reasonable attempts by an agency authorized by the division to assist the parents in remedying the circumstances and conditions that led to the placement of the child and in reinforcing the family structure, including, but not limited to:

1) consultation and cooperation with the parent in developing a plan for appropriate services;

2) providing services that have been agreed upon, to the family, in order to further the goal of family reunification;

3) informing the parent at appropriate intervals of the child’s progress, development and health; and

4) facilitating appropriate visitation.

C.30:4C-15.2 Final guardianship hearing.

8. A final hearing for guardianship shall be held within three months from the date the petition is filed with the Family Part of the Chancery Division of the Superior Court pursuant to section 15 of P.L.1951, c.138 (C.30:4C-15).

9. This act shall take effect immediately.

AN ACT concerning pensioners in public employment and amending and supplementing P.L.1968, c.23.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1968, c.23 (C.43:3C-1) is amended to read as follows:

C.43:3C-1 Pensioners in public employment.
1. Notwithstanding any other law to the contrary, if a former member of any pension fund or retirement system, contributory or noncontributory, established under any law of this State, who has been granted a pension or retirement allowance for any cause other than vesting or deferred retirement, becomes employed again in a position which makes him eligible to be a member of another pension fund or retirement system established under any law of this State, such person shall not be enrolled in such other pension fund or retirement system if he is eligible to receive such pension or retirement allowance.

2. A person presently employed in a position which is covered by a pension fund or retirement system established under any law of this State who, prior to accepting this position, was granted a pension based on public employment in another state and who, under the provisions of section 1 of P.L.1968, c.23 (C.43:3C-1), (1) was denied enrollment in the pension fund or retirement system, or, (2) was enrolled in the pension fund or retirement system, but whose membership subsequently was terminated and whose contributions were returned, may apply within 180 days of the effective date of this act, to the board of trustees of the pension fund or retirement system to purchase credit for the service which has been rendered in any position covered by that pension fund or retirement system for which, as the result of that denial of enrollment or termination of membership, the person has received no credit, up to the nearest number of years and months, not to exceed 10 years. The person shall purchase the service by paying into the annuity savings fund the amount required by applying the factor, supplied by the actuary, as being applicable to his age at the time of the purchase to his salary at that time or to the highest annual compensation for service in this State for which contributions were made during any prior fiscal year of membership, whichever is
greater. A person who applies to purchase credit for the service shall pay the full cost attributable to the increased benefits to be derived from the purchased credit in accordance with the actuarial method used to determine the cost at the time of the purchase. A person shall not be liable, however, for any costs associated with the financing of pension adjustment benefits and health care benefits for retirees when purchasing credit. The liability shall be paid in a lump sum or in regular installments, equal to at least 1/2 the full normal contribution to the retirement system, over a maximum period of 10 years. The full amount of the credit purchased shall be granted to the member upon the completion of one year of membership after his election to make the purchase and the payment of at least 1/2 the total amount due, except that in the case of retirement for any reason other than disability, the credit granted for the service being purchased shall be in direct proportion as the amount paid bears to the total amount of the purchase obligation.

3. This act shall take effect immediately, but section 2 shall expire on the 181st day following enactment.

CHAPTER 277

AN ACT establishing the "Governor's Lyme Disease Advisory Council."

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2P-1 Findings, declarations.

1. The Legislature finds and declares that:
   a. Lyme disease is a bacterial infection which is spread by certain arthropods and is one of the fastest growing public health problems in New Jersey;
   b. There is evidence that the disease may be transmitted through blood products, shared needles, raw milk and blood-sucking insects;
   c. Lyme disease, which is the most common tick-borne disease in this country, is present in 48 states and five continents and
is spreading, with New Jersey being one of the states in which the disease is most prevalent;

d. Lyme disease was not widely recognized in the United States until 1975 and was first identified in New Jersey in Monmouth county in 1978;

e. Because Lyme disease is still relatively unknown among both the medical community and the general public, it is often misdiagnosed or not diagnosed, which results in more serious health problems for the affected person; and

f. If untreated, Lyme disease, in its later stages, can result in neurological disorders, including, but not limited to, chronic and severe fatigue, encephalitis, meningitis, memory loss, dementia and seizures; severe arthritis; cardiac dysfunction; vision loss, gastrointestinal disorders, paralysis, strokes and death.

C.26:2P-2 Governor's Lyme Disease Advisory Council.

2. There is created a 13-member "Governor's Lyme Disease Advisory Council." The council shall consist of: the Commissioners of the Departments of Environmental Protection, Health and Education, or their designees, who shall serve ex officio; and 10 public members who by virtue of education or experience are knowledgeable about the problems of Lyme disease, six to be appointed by the Governor, at least one of whom shall be a physician and at least one of whom shall be a veterinarian, two to be appointed by the President of the Senate and two to be appointed by the Speaker of the General Assembly.

The public members shall serve for three-year terms or until a successor is appointed; but of the members initially appointed, five shall serve for a term of three years and five shall serve for a term of two years.

Vacancies in the membership of the council shall be filled in the same manner as the original appointments are made and a member may be eligible for reappointment. Vacancies occurring other than by expiration of a term shall be filled for the unexpired term.

The members of the council shall serve without compensation but shall be reimbursed for traveling and other miscellaneous expenses necessary to perform their duties, within the limits of funds appropriated or otherwise made available to the council for its purposes.

C.26:2P-3 Purpose of council.

3. The council shall advise the Governor regarding the prevention, detection, occurrence, diagnosis, treatment and cure of Lyme disease, and shall establish a mechanism through which physicians and communities throughout the State can share information on the disease.
C.26:2P-4 Organization of council, meetings.
4. The council shall organize as soon after the appointment of its members as is practicable. A majority of the council members shall elect a chairperson and a secretary who need not be a member of the council. The council shall meet at regular intervals but at least on a monthly basis.

C.26:2P-5 Assistance to council from government entities.
5. The council is entitled to call to its assistance and avail itself of the services of any State, county or municipal department, board, bureau, commission or agency as it may require and as may be available to it for its purposes. The Department of the Treasury shall supply professional, stenographic and clerical assistance which is necessary for the council to perform its duties. The council may incur miscellaneous expenses as it may deem necessary, in order to perform its duties, and as may be within the limits of funds appropriated or otherwise made available to it for those purposes.

C.26:2P-6 Annual report.
6. The council shall submit an annual report to the Governor and the Legislature by March 1 of each year.

7. This act shall take effect immediately.

Approved September 12, 1991.

CHAPTER 278

An Act allowing the location of certain family day care homes in all residential zones of a municipality and in certain condominiums, cooperatives and horizontal property regimes, supplementing P.L.1975, c.291 (C.40:55D-1 et seq.), and amending P.L.1987, c.27 and supplementing various parts of the statutory law.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C.40:55D-66.5a Findings, declarations.
1. The Legislature finds and declares that:
a. With over 50 percent of working-age women now in the work-force, the need for high quality child care is of vital importance;
b. Not only does the availability of child care allow parents the peace of mind to pursue their careers and lead active, productive, professional lives, but it is also a necessity given the high cost of living in this State and the ever increasing need for families to bring home two incomes just to get by;
c. A significant number of people in this State, recognizing the tremendous need for quality child care, and who, in some cases, are already staying home caring for their own children, are providing child care services for a few additional children, thereby augmenting the supply of child care and providing a vital service that might otherwise not be available elsewhere; and
d. Given the paucity of decent, affordable child care combined with the current labor shortage in this State, it seems unreasonable to erect zoning barriers which effectively prevent the establishment of or, in some cases, continuation of, these valuable and vitally necessary family day care homes.
e. It is therefore in the public interest and a valid public policy for this Legislature to eliminate those barriers which currently exist which prevent the establishment, or continued operation of, family day care homes in residential neighborhoods.

C.40:55D-66.5b Family day care homes permitted use in residential districts; definitions.

2. a. Family day care homes shall be a permitted use in all residential districts of a municipality. The requirements for family day care homes shall be the same as for single family dwelling units located within such residential districts. Any deed restriction that would prohibit the use of a single family dwelling unit as a family day care home shall not be enforceable unless that restriction is necessary for the preservation of the health, safety, and welfare of the other residents in the neighborhood. The burden of proof shall be on the party seeking to enforce the deed restriction to demonstrate, on a case-by-case basis, that the restriction is necessary for the preservation of the health, safety and welfare of the residents in the neighborhood who were meant to benefit from the restriction.

b. In condominiums, cooperatives and horizontal property regimes that represent themselves as being primarily for retirees or elderly persons, or which impose a minimum age limit tending to attract persons
who are nearing retirement age, deed restrictions or bylaws may prohibit family day care homes from being a permitted use.

c. In condominiums, cooperatives and horizontal property regimes other than those permitted to prohibit family day care homes from being a permitted use under subsection b. of this section, deed restrictions or bylaws may prohibit family day care homes from being a permitted use; however, if such condominiums, cooperatives, or horizontal property regimes prohibit such use, the burden of proof shall be on the condominium association, cooperative association, or council of coowners to demonstrate, on a case-by-case basis, that the prohibition is reasonably related to the health, safety, and welfare of the residents. If the individual is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the written notice.

b. The prospective family home day care provider shall have 30 days from the date of written notice of disqualification to petition the commissioner for a hearing on the accuracy of the criminal history record information or to establish his rehabilitation under subsection b. of section 6 of P.L.1991, c.278 (C.30:5B-23.1). The commissioner may refer any case arising hereunder to the Office of Administrative Law for administrative proceedings as a contested case pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.).

c. The division shall not maintain any individual’s criminal history record information or evidence of rehabilitation submitted under this section for more than six months from the date of a final determination by the commissioner as to the individual’s qualification or disqualification to be a family home day care provider.

C.30:5B-23.6 Effectiveness report.

11. The commissioner shall report to the Governor and the Legislature no later than three years after the effective date of this act on the effectiveness of the criminal history record background checks in screening out prospective family home day care providers who have

CHAPTER 301

AN ACT concerning dedication of certain municipal streets and improvements, and amending P.L.1975, c.291.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. Section 41 of P.L.1975, c.291 (C.40:55D-53) is amended to read as follows:

**C.40:55D-53 Guarantees required; surety; release.**

41. a. Before recording of final subdivision plats or as a condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to subsection d. of section 52 of P.L.1975, c.291 (C.40:55D-65), the approving authority may require and shall accept in accordance with the standards adopted by ordinance for the purpose of assuring the installation and maintenance of on-tract improvements:

(1) The furnishing of a performance guarantee in favor of the municipality in an amount not to exceed 120% of the cost of installation, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4), for improvements which the approving authority may deem necessary or appropriate including: streets, grading, pavement, gutters, curbs, sidewalks, street lighting, shade trees, surveyor's monuments, as shown on the final map and required by the “Map Filing Law,” P.L.1960, c.141 (C.46:23-9.9 et seq.), water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, erosion control and sedimentation control devices, public improvements of open space and, in the case of site plans only, other on-site improvements and landscaping.

The municipal engineer shall prepare an itemized cost estimate of the improvements covered by the performance guarantee, which itemized cost estimate shall be appended to each performance guarantee posted by the obligor.

(2) Provision for a maintenance guarantee to be posted with the governing body for a period not to exceed two years after final acceptance of the improvement, in an amount not to exceed 15% of the cost of the improvement, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4). In the event that other governmental agencies or public utilities automatically will own the utilities to be installed or the improvements are covered by a performance or maintenance guarantee to another governmental agency, no performance or maintenance guarantee, as the case may be, shall be required by the municipality for such utilities or improvements.
b. The time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by the governing body by resolution. As a condition or as part of any such extension, the amount of any performance guarantee shall be increased or reduced, as the case may be, to an amount not to exceed 120% of the cost of the installation, which cost shall be determined by the municipal engineer according to the method of calculation set forth in section 15 of P.L.1991, c.256 (C.40:55D-53.4) as of the time of the passage of the resolution.

c. If the required improvements are not completed or corrected in accordance with the performance guarantee, the obligor and surety, if any, shall be liable therein to the municipality for the reasonable cost of the improvements not completed or corrected and the municipality may either prior to or after the receipt of the proceeds thereof complete such improvements. Such completion or correction of improvements shall be subject to the public bidding requirements of the "Local Public Contracts Law," P.L.1971, c.198 (C.40A:11-1 et seq.).

d. (1) Upon substantial completion of all required street improvements (except for the top course) and appurtenant utility improvements, and the connection of same to the public system, the obligor may request of the governing body in writing, by certified mail addressed in care of the municipal clerk, that the municipal engineer prepare, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section, a list of all uncompleted or unsatisfactory completed improvements. If such a request is made, the obligor shall send a copy of the request to the municipal engineer. The request shall indicate which improvements have been completed and which improvements remain uncompleted in the judgment of the obligor. Thereupon the municipal engineer shall inspect all improvements covered by obligor's request and shall file a detailed list and report, in writing, with the governing body, and shall simultaneously send a copy thereof to the obligor not later than 45 days after receipt of the obligor's request.

(2) The list prepared by the municipal engineer shall state, in detail, with respect to each improvement determined to be incomplete or unsatisfactory, the nature and extent of the incompleteness of each incomplete improvement or the nature and extent of, and remedy for, the unsatisfactory state of each completed improvement determined to be unsatisfactory. The report
prepared by the municipal engineer shall identify each improvement determined to be complete and satisfactory together with a recommendation as to the amount of reduction to be made in the performance guarantee relating to the completed and satisfactory improvements, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section.

e. (1) The governing body, by resolution, shall either approve the improvements determined to be complete and satisfactory by the municipal engineer, or reject any or all of these improvements upon the establishment in the resolution of cause for rejection, and shall approve and authorize the amount of reduction to be made in the performance guarantee relating to the improvements accepted, in accordance with the itemized cost estimate prepared by the municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section. This resolution shall be adopted not later than 45 days after receipt of the list and report prepared by the municipal engineer. Upon adoption of the resolution by the governing body, the obligor shall be released from all liability pursuant to its performance guarantee, with respect to those approved improvements except for that portion adequately sufficient to secure completion or correction of the improvements not yet approved; provided that 30% of the amount of the performance guarantee posted may be retained to ensure completion and acceptability of all improvements.

(2) If the municipal engineer fails to send or provide the list and report as requested by the obligor pursuant to subsection d. of this section within 45 days from receipt of the request, the obligor may apply to the court in a summary manner for an order compelling the municipal engineer to provide the list and report within a stated time and the cost of applying to the court, including reasonable attorney's fees, may be awarded to the prevailing party.

If the governing body fails to approve or reject the improvements determined by the municipal engineer to be complete and satisfactory or reduce the performance guarantee for the complete and satisfactory improvements within 45 days from the receipt of the municipal engineer's list and report, the obligor may apply to the court in a summary manner for an order compelling, within a stated time, approval of the complete and satisfactory improvements and approval of a reduction in the performance guarantee for the approvable complete and satisfactory improvements in accordance with the itemized cost estimate prepared by the
municipal engineer and appended to the performance guarantee pursuant to subsection a. of this section; and the cost of applying to the court, including reasonable attorney’s fees, may be awarded to the prevailing party.

(3) In the event that the obligor has made a cash deposit with the municipality or approving authority as part of the performance guarantee, then any partial reduction granted in the performance guarantee pursuant to this subsection shall be applied to the cash deposit in the same proportion as the original cash deposit bears to the full amount of the performance guarantee.

f. If any portion of the required improvements is rejected, the approving authority may require the obligor to complete or correct such improvements and, upon completion or correction, the same procedure of notification, as set forth in this section shall be followed.

g. Nothing herein, however, shall be construed to limit the right of the obligor to contest by legal proceedings any determination of the governing body or the municipal engineer.

h. The obligor shall reimburse the municipality for all reasonable inspection fees paid to the municipal engineer for the foregoing inspection of improvements; provided that the municipality may require of the developer a deposit for the inspection fees in an amount not to exceed, except for extraordinary circumstances, the greater of $500 or 5% of the cost of improvements, which cost shall be determined pursuant to section 15 of P.L.1991, c.256 (C.40:55D-53.4).

i. In the event that final approval is by stages or sections of development pursuant to subsection a. of section 29 of P.L.1975, c.291 (C.40:55D-38), the provisions of this section shall be applied by stage or section.

j. To the extent that any of the improvements have been dedicated to the municipality on the subdivision plat or site plan, the municipal governing body shall be deemed, upon the release of any performance guarantee required pursuant to subsection a. of this section, to accept dedication for public use of streets or roads and any other improvements made thereon according to site plans and subdivision plats approved by the approving authority, provided that such improvements have been inspected and have received final approval by the municipal engineer.

2. This act shall take effect on the first day of the second month next following enactment.

e. The person has continued, after written notice to cease, to substantially violate or breach any of the covenants or agreements contained in the lease for the premises where a right of reentry is reserved to the landlord in the lease for a violation of such covenant or agreement, provided that such covenant or agreement is reasonable and was contained in the lease at the beginning of the lease term;

Any present employee who shall have served in the employ of the county for a period of 20 years, shall be retired in the following manner:

All members 70 years of age, or older, shall file their applications for retirement by July 1, 1977.

All members attaining 69 years of age by July 1, 1976, shall file their applications for retirement by July 1, 1977.

All members attaining 68 years of age by July 1, 1977, shall file their applications for retirement by July 1, 1978.

All members attaining 67 years of age by July 1, 1978, shall file their applications for retirement by July 1, 1979.

All members attaining 66 years of age by July 1, 1979, shall file their applications for retirement by July 1, 1980.

After July 1, 1981, all members shall file their applications for retirement immediately upon attaining 65 years of age.

Any member who upon his attainment of age 65 shall have served in the employ of the county for a total of less than 20 years shall be retired on a pension equal to 2 1/2% of his average annual salary or compensation as defined in R.S.43:10-1, multiplied by the number of years of his service.
No elected official shall be required to retire pursuant to this section. Any employee appointed to an office for a fixed term of years may continue his membership beyond the mandatory date of retirement specified herein, but shall be retired immediately thereafter.

Should any member, after having completed 10 years of service for which credit has been established in the pension fund, be separated voluntarily or involuntarily from the service, before reaching age 60, and not by removal for cause or charges of misconduct or delinquency, he may elect to withdraw his contribution from the fund as provided in R.S.43:10-8 or to receive a deferred pension beginning at age 60 in the amount based on his years of service credited in the fund bear to the total number of years of service that he could have achieved had he continued to age 60 and qualified for the pension of one-half of the annual salary he was receiving at the time he elected the deferred pension.

If any member of the pension fund who shall have deferred his pension under the provisions of R.S.43:10-2, dies before receiving any benefits, the pension shall be payable to the surviving spouse or children, as the case may be, and shall be based on the amount of salary earned and years of service which the member had at the time of deferral.

Before recording of final subdivision plats or as a condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to subsection d. of section 52 of P.L.1975, c.291 (C.40:55D-65), the approving authority may require and shall accept in accordance with the standards adopted by ordinance for the purpose of assuring the installation and maintenance of on-tract improvements:
(1) The furnishing of a performance guarantee in favor of the municipality in an amount not to exceed 120% of the cost of installation for improvements it may deem necessary or appropriate including: streets, grading, pavement, gutters, curbs, sidewalks, street lighting, shade trees, surveyor's monuments, as shown on the final map and required by the "Map Filing Law," P.L.1960, c.141 (C.46:23-9.9 et seq.), water mains, culverts, storm sewers, sanitary sewers or other means of sewage disposal, drainage structures, erosion control and sedimentation control devices, public improvements of open space and, in the case of site plans only, other on-site improvements and landscaping.

(2) Provision for a maintenance guarantee to be posted with the governing body for a period not to exceed two years after final acceptance of the improvement, in an amount not to exceed 15% of the cost of the improvement. In the event that other governmental agencies or public utilities automatically will own the utilities to be installed or the improvements are covered by a performance or maintenance guarantee to another governmental agency, no performance or maintenance guarantee, as the case may be, shall be required by the municipality for such utilities or improvements.

b. The time allowed for installation of the improvements for which the performance guarantee has been provided may be extended by the governing body by resolution. As a condition or as part of any such extension, the amount of any performance guarantee shall be increased or reduced, as the case may be, to an amount not to exceed 120% of the cost of the installation as determined as of the time of the passage of the resolution.

c. If the required improvements are not completed or corrected in accordance with the performance guarantee, the obligor and surety, if any, shall be liable thereon to the municipality for the reasonable cost of the improvements not completed or corrected and the municipality may either prior to or after the receipt of the proceeds thereof complete such improvements.

d. Upon substantial completion of all required appurtenant utility improvements, and the connection of same to the public system, the obligor may notify the governing body in writing, by certified mail addressed in care of the municipal clerk of the completion or substantial completion of improvements and shall send a copy thereof to the municipal engineer. Thereupon the municipal engineer shall inspect all improvements of which such notice has been given and shall file a detailed report, in writing, with the governing body, indicating either approval, partial approval or rejection of such
improvements with a statement of reasons for any rejection. The cost of the improvements as approved or rejected shall be set forth.

e. The governing body shall either approve, partially approve or reject the improvements, on the basis of the report of the municipal engineer and shall notify the obligor in writing, by certified mail, of the contents of said report and the action of said approving authority with relation thereto, not later than 65 days after receipt of the notice from the obligor of the completion of the improvements. Where partial approval is granted, the obligor shall be released from all liability pursuant to its performance guarantee, except for that portion adequately sufficient to secure provision of the improvements not yet approved; provided that 30% of the amount of the performance guarantee posted may be retained to ensure completion of all improvements. Failure of the governing body to send or provide such notification to the obligor within 65 days shall be deemed to constitute approval of the improvements and the obligor and surety, if any, shall be released from all liability pursuant to such performance guarantee for such improvements.

f. If any portion of the required improvements are rejected, the approving authority may require the obligor to complete such improvements and, upon completion, the same procedure of notification, as set forth in this section shall be followed.

g. Nothing herein, however, shall be construed to limit the right of the obligor to contest by legal proceedings any determination of the governing body or the municipal engineer.

h. The obligor shall reimburse the municipality for all reasonable inspection fees paid to the municipal engineer for the foregoing inspection of improvements; provided that the municipality may require of the developer a deposit for a portion of the reasonably anticipated fees to be paid to the municipal engineer for such inspection. For those developments for which the reasonably anticipated fees are less than $10,000, fees may, at the option of the developer, be paid in two installments. The initial amount deposited by a developer shall be 50% of the reasonably anticipated fees. When the balance on deposit drops to 10% of the reasonably anticipated fees because the amount deposited by the developer has been reduced by the amount paid to the municipal engineer for inspection, the developer shall deposit the remaining 50% of the anticipated inspection fees. For those developments for which the reasonably anticipated fees are $10,000 or greater, fees may, at the option of the developer, be paid in four installments. The initial amount deposited by a developer shall be 25% of the
reasonably anticipated fees. When the balance on deposit drops to 10% of the reasonably anticipated fees because the amount deposited by the developer has been reduced by the amount paid to the municipal engineer for inspection, the developer shall make additional deposits of 25% of the reasonably anticipated fees. The municipal engineer shall not perform any inspection if sufficient funds to pay for those inspections are not on deposit.

i. In the event that final approval is by stages or sections of development pursuant to subsection a. of section 29 of P.L.1975, c.291 (C.40:55D-38), the provisions of this section shall be applied by stage or section.

j. To the extent that any of the improvements have been dedicated to the municipality on the subdivision plat or site plan, the municipal governing body shall be deemed, upon the release of any performance guarantee required pursuant to subsection a. of this section, to accept dedication for public use of streets or roads and any other improvements made thereon according to site plans and subdivision plans approved by the approving authority, provided that such improvements have been inspected and have received final approval by the municipal engineer.

2. This act shall take effect immediately.

   a. Issue an order requiring the person to cease and desist from engaging in the act or practice;
   b. Bring an action in a court of competent jurisdiction to enjoin the act or practice and to enforce compliance with this act. The commissioner shall not be required to post a bond; or
   c. Levy and collect civil penalties in the amount of not less than $250, and not more than $50,000, for each violation of this act or any rule adopted pursuant thereto, and compromise and settle any claim for a penalty in such amount in the discretion of the commissioner as may appear appropriate and equitable under the circumstances of the violation. Each day during which a violation continues after the effective date of a notice to terminate issued by the commissioner shall constitute an additional, separate and distinct violation. CHAPTER 315

AN ACT concerning certain savings banks and savings bank holding companies and amending P.L.1986, c.5.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1986, c.5 (C.17:9A-370) is amended to read as follows:

C.17:9A-370 Definitions.

1. As used in this act:
   a. "Bank," "bank holding company," and "control" shall have the meanings set forth in the federal "Bank Holding Company Act of 1956," 70 Stat. 133 (12 U.S.C. §1841 et seq.); provided, however, the term "bank" shall not include an institution which limits its activities to the conduct of activities that may be performed by a trust company (including activities of a fiduciary, agency or custodial nature) as those activities are permitted by the Board of Governors of the Federal Reserve System under section 4 of the federal "Bank Holding Company Act of 1956," 70 Stat. 135 (12 U.S.C. §1843).
   b. "Banking subsidiary" means a bank or bank holding company, more than 50% of the stock of which is controlled by a bank holding company.
   d. "Commercial bank deposits" means the total domestic deposits in commercial banks in each state according to the most recent statistics of the Federal Deposit Insurance Corporation or the Federal Reserve System or, if those statistics are not available, from sources designated by the commissioner.
   e. "Commissioner" means the Commissioner of Banking of New Jersey.
   f. "Eligible state" means any state which meets either or both of the following conditions:
      (1) Any state in the Central-Atlantic Region, when at least three of those states (in addition to this State), each of which has at least $20,000,000,000.00 in commercial bank deposits, have reciprocal legislation in effect, and
(2) Any state or territory of the United States, when at least 13 states in addition to this State (for this purpose the District of Columbia is included as a state, but all other territories are excluded), at least four (other than this State) of which are among the 10 states (other than this State) with the largest amount of commercial bank deposits, have reciprocal legislation in effect.

g. "Eligible bank holding company" means a bank holding company:
   (1) Located in an eligible state which has reciprocal legislation in effect, other than this State;
   (2) Which is not directly or indirectly controlled by a bank holding company which is not located in an eligible state; and
   (3) Which has at least 75% of the total aggregate deposits of its banking subsidiaries in banking subsidiaries located in an eligible state or eligible states.

h. (1) "Location" or "located" when referring to a bank means the state in which the amount of aggregate deposits of all of its offices in that state is greater than the amount of aggregate deposits of all its offices in any one other state or foreign jurisdiction.

   (2) "Location" or "located" when referring to a bank holding company means the state in which the amount of aggregate deposits of all of its banking subsidiaries in that state is greater than the amount of aggregate deposits of all of its banking subsidiaries in any one other state or foreign jurisdiction.

i. "Reciprocal legislation" means statutory law of a state of the United States (including the District of Columbia) which authorizes or permits a bank holding company located in this State to acquire banks or bank holding companies located in that state on terms and conditions substantially the same as the terms and conditions pursuant to which a bank holding company located in that state may acquire banks or bank holding companies located in that state. The fact that the law of that other state imposes limitations or restrictions on the acquisition of banks or bank holding companies located in that state by a bank or bank holding company located in this State shall not necessarily mean that the law of that state is not reciprocal legislation; provided, however, that if the law of the other state limits acquisitions by a bank or bank holding company located in this State to banks or bank holding companies which are not in competition with banks or bank holding companies located in or chartered by that state or to banks or bank holding companies which do not have customary banking deposit and commercial loan powers, the law of that
other state shall not be reciprocal legislation. If the reciprocal legislation of that other state imposes limitations or restrictions on the acquisition or ownership of a bank or bank holding company located in that state by a bank holding company located in this State, substantially the same limitations and restrictions shall be applicable to the eligible bank holding company located in that other state with respect to its acquisition of banks or bank holding companies located in this State.

2. This act shall take effect immediately.

CHAPTER 316

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:39-3 is amended to read as follows:

Pupil transportation contracts.

18A:39-3. a. No contract for the transportation of pupils to and from school shall be made, when the amount to be paid during the school year for such transportation shall exceed $7,500.00 or the amount determined pursuant to subsection b. of this section, and have the approval of the county superintendent of schools, unless the board of education making such contract shall have first publicly advertised for bids therefor in a newspaper published in the district or, if no newspaper is published therein, in a newspaper circulating in the district, once, at least 10 days prior to the date fixed for receiving proposals for such transportation, and shall have awarded the contract to the lowest responsible bidder.

Nothing in this chapter shall require the advertisement and letting on proposals or bids of annual extensions, approved by the county superintendent, of any contract for transportation entered into through competitive bidding when--

(1) Such annual extensions impose no additional cost upon the board of education, regardless of the fact that the route description has changed; or
(2) The increase in the original contractual amount as a result of such extensions does not exceed 30% thereof, regardless of the fact that the route description has changed or an aide has been added or removed; or
(3) (Deleted by amendment, P.L.1982, c.74.)
(4) The increase in the original contractual amount as a result of an extension exceeds 30% thereof, but the following apply to the extensions:
(a) The increase is directly attributable to a route change to accommodate new student riders or safety concerns; and
(b) The school destination remains unchanged from the original contract.
Any such extension as described in this paragraph shall be approved by the county superintendent of schools and shall be bid for the next school year.
Nothing in this chapter shall require the immediate bid of any contract renewal for the remainder of a school year in which the only change, in addition to route description, is the bus type. However, any such extension shall be approved by the county superintendent of schools and shall be bid for the next school year.

b. The Governor, in consultation with the Department of the Treasury, shall, no later than March 1 of each odd-numbered year, adjust the threshold amount set forth in subsection a. of this section, or subsequent to 1985 the threshold amount resulting from any adjustment under this subsection or section 17 of P.L.1985, c.469, in direct proportion to the rise or fall of the Consumer Price Index for all urban consumers in the New York City and the Philadelphia areas as reported by the United States Department of Labor. The Governor shall, no later than June 1 of each odd-numbered year, notify all local school districts of the adjustment. The adjustment shall become effective on July 1 of each odd-numbered year.

2. This act shall take effect immediately.

Approved November 15, 1991.

The first debate in the series shall occur not earlier than the third Tuesday following the first Monday in September of the year in which a general election is to be held for the office of Governor, and the second debate in the series shall occur not later than the 11th day prior to the general election for that office unless an emergency, as determined by the vote of a majority of the participating candidates, requires the postponement thereof, but the final gubernatorial election debate shall in no event be held later than the second day preceding that general election.

c. Organizations which are not affiliated with any political party or with any holder of or candidate for public office, which have not endorsed any candidate in the pending primary or general election for the office of Governor, and which have previously sponsored one or more televised debates among candidates for Statewide office in the State since 1976, shall be eligible to sponsor one or more interactive gubernatorial primary debates or interactive gubernatorial election debates under subsection a. or subsection b., respectively, of this section. The sponsors selected by the commission shall be responsible for selecting the date, time and location of the debates, subject to the limitations set forth in this section. CHAPTER 319

AN ACT permanently designating the month of November as “Alzheimer’s Disease Awareness Month.”

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.36:2-23 Findings, declarations.

1. The Legislature finds and declares that:
   a. Alzheimer’s Disease is a terminal, organic brain disease of unknown origin that causes steady brain deterioration and leads to a complete breakdown of a person’s ability to communicate, move about, or control bodily functions and eventually results in death;
   b. Alzheimer’s Disease is the fourth leading cause of death in the United States and affects two to four million Americans between the ages of 40 and 80, including about 400,000 residents of New Jersey;
   c. While presently incurable, Alzheimer’s Disease is often confused with other diseases of intellectual impairment, thus necessitating that the specific diagnosis of a person’s medical conditions be conducted with great care, since the other causes of impairment can be treated;
   d. Alzheimer’s Disease has been called a disease which not only “robs the mind of the victim” but “breaks the heart of the family” because it inflicts tremendous burdens on loved ones who must endure emotional, social, physical and financial stress while providing care and comfort to the victim of this ever-worsening disease; and
   e. While research continues in a search for cures and controls for this devastating disease, it is important that citizens of this State develop an awareness of the nature of Alzheimer’s Disease,
understand the toll it takes on the victim and his or her family, encourage the development of support and assistance groups for these families, and promote efforts for advocacy for the needs of those afflicted with Alzheimer’s Disease and their caregivers.

C.36:2-24 Alzheimer’s Disease Awareness Month designated.

2. The month of November is permanently designated as “Alzheimer’s Disease Awareness Month” in the State of New Jersey.

C.36:2-25 Recognition, encouragement, assistance.

3. The Governor and the Legislature urge all citizens to recognize “Alzheimer’s Disease Awareness Month” and to provide encouragement and assistance to those organizations that offer educational, advocacy and support services for Alzheimer’s victims and their caregivers.

4. This act shall take effect immediately.
