c. e. The Department of Health shall establish a program for the certification of persons who are paid pursuant to the terms of a contract by employers to conduct education and training programs for purposes of compliance with this act. The certification shall be valid for at least 12 months, shall provide for provisional and permanent certification, and shall be renewable.

f. A person paid pursuant to the terms of a contract by an employer to conduct or provide an education and training program for purposes of compliance with this act shall be required to be certified pursuant to subsection d. or e. of this section, as appropriate, prior to conducting or providing the program.

g. The fee for certification for a 12-month period and the fee for a renewal of a certification each shall not exceed $500.00. The State Treasurer shall be the administrator of the fund, and all disbursements from the fund shall be made by the State Treasurer upon the warrant of the Director of the Division of Budget and Accounting.

b. The Department of Labor shall annually assess each employer a fee of not less than $50.00 nor more than an amount equal to $2.00 per employee to provide for the implementation of the provisions of this act. e. Beginning two years after the effective date of this act, the State Treasurer shall make an annual audit of the fund to determine the adequacy of moneys on deposit in the fund to support the implementation of the provisions of this act. If the State Treasurer, in consultation with the Department of Health, the Department of Environmental Protection, and the Department of Labor makes a determination that the revenues in the fund are sufficient to warrant a reduction in the fees imposed pursuant to this section for the ensuing year, he may reduce the amount of the fees imposed during that year by an amount warranted by the balance in the fund at the time of the determination.

3. This act shall take effect immediately except that subsection f. of section 1 of this act shall take effect one year after enactment.

as school bus drivers unless the employer has first determined consistent with the requirements and standards of this act, that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify that individual from being employed or utilized in such capacity or position. An individual employed by a board of education or a school bus contractor holding a contract with a board of education, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements pursuant to section 6 of P.L.1989, c.104 (C.18A:39-19.1). d. In any other state or jurisdiction, a conviction involving conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in this section of this act.

e. Notwithstanding the provisions of this section, an individual shall not be disqualified from employment or service under this act on the basis of any conviction disclosed by a criminal record check performed pursuant to this act if the individual has affirmatively demonstrated to the Commissioner of Education clear and convinc-
ing evidence of his or her rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) The nature and responsibility of the position which the convicted individual would hold;
(2) The nature and seriousness of the offense;
(3) The circumstances under which the offense occurred;
(4) The date of the offense;
(5) The age of the individual when the offense was committed;
(6) Whether the offense was an isolated or repeated incident;

(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

<td>$15,600</td>
</tr>
<tr>
<td>300,000 to 550,000</td>
<td>$6,000</td>
<td>$13,000</td>

<tr>
<td>120,000 to 150,000</td>
<td>$3,700</td>
<td>$10,000</td>
</tr>
<tr>
<td>Under 120,000</td>
<td>$3,200</td>

</tbody>
</table>

provided, however, that any increases herein granted shall be effected only upon the approval of the governing body in the county affected.

The compensation fixed and determined under any of the foregoing classifications shall include all services rendered by any county board in conducting all elections, and in connection with any recount or recheck after any such election.

The members of the county board in counties other than counties of the first class and in counties of the first class not having a superintendent of elections who shall be elected as chairman and secretary thereof and who shall perform the duties of chairman and secretary thereof shall each receive an additional compensation of one-half of the compensation of the individual members of the board.

nor more than $5,000 per annum for services performed as such commissioner of registration, and for such services performed by a commissioner of registration in a county not having a superintendent of elections additional compensation shall be paid to such commissioner in an amount equal to 50% of his salary as member and secretary of the county board. In counties of the second class and in counties of the first class not having a superintendent of elections where a member of the county board serves as commissioner of registration, he shall receive no additional compensation for the performance of his duties as such commissioner unless he shall devote his full time to the performance of his duties as member of the county board, secretary thereof, and commissioner of registration. “Full time” as here used means such time as is duly required of employees in the office of the county board. Notwithstanding the above, the commissioner of registration in a county having a superintendent of elections, upon the approval of the governing body of the county, shall receive a salary not less than the maximum which the secretary of a county board of elections in a county of the same class, not having a superintendent of elections, would receive for performing the duties of secretary and commissioner of registration. This minimum does not reduce the current base salary for any superintendent who also serves as commissioner of registration.

All members shall serve for a term of three years and shall be eligible for reappointment.

C.1:14-14 Duties, powers.
3. a. It shall be the duty of the commission to study and review all aspects of the statutes, legislation and decisions of the courts in this State and other states relating to business entities, including business corporations and partnerships and the issuance of ownership interests or securities thereby. In addition the commission shall study and review all aspects of the law governing non-profit corporations in this State and other states.

Statement to Chapter 163
(Assembly Bill No. 3230 (First Reprint))

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Assembly Bill No. 3230 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would create a permanent legislative commission to be known as the "New Jersey Corporate and Business Law Study Commission" (hereinafter referred to as the "Commission"). The Commission would consist of three unsalaried members, one appointed by the Governor, one by the President of the Senate and one by the Speaker of the General Assembly. The purpose of the Commission would be to study and review all aspects of the statutes, legislation, and decisions of the courts of New Jersey and other states relating to business entities, including business corporations, nonprofit corporations, partnerships and the issuance of ownership interests and securities. The results of the Commission's findings would be compiled annually in report form and filed with the Governor and the Legislature. In addition, the Commission would submit any proposed legislation that it recommends for enactment. To assist the Commission in its task, $50,000 would be appropriated from the General Fund.
I am aware of the generous contributions the Corporate Law Revisions Commission has made to New Jersey, in particular, the recent amendments to Title 14A, "The New Jersey Business Corporations Act." Our State's corporate climate depends in substantial part on the quality of its business laws. The Commission's tireless work in updating and improving New Jersey's corporate code thus represents an important asset that will help to ensure the continued economic vitality of the State.

While I recognize that New Jersey needs to remain current in the ever changing business law area, and although I support the continued operation of the Commission, I cannot support the appropriation of $50,000 to the Commission. Unfortunately, due to our present fiscal constraints, the State is unable to afford this appropriation at this time. Because I have been informed that the Commission could function in a meaningful, though more limited, fashion even without an appropriation, I have signed the bill making the Commission a permanent body into law, but have deleted the appropriation.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 164, LAWS OF 1989

CHAPTER 164

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.39:3-10j Findings, declaration.

1. The Legislature finds that:

   b. The "Commercial Motor Vehicle Safety Act of 1986" requires a commercial driver's license for anyone who operates a vehicle that has a gross weight rating in excess of 26,000 pounds, carries 15 or more passengers or transports hazardous materials.

   c. While that act's objectives to regulate and improve the traffic safety of the commercial trucking industry are laudable, it could have an unintended, and largely adverse, impact upon certain non-commercial drivers.

   d. Unless the State of New Jersey, in accordance with the Secretary of the United States Department of Transportation's directive, exercises its exemption authority, certain drivers in volunteer fire companies and the New Jersey National Guard, and some farmers will be obligated to secure commercial driver's licenses under that act.

   e. There appears to be no significant evidence that the drivers for volunteer fire companies and the New Jersey National Guard, and farmers operating farm vehicles and equipment in and about their regular agricultural activities pose or have created any safety hazards on the public highways which would warrant their being licensed under the provisions of the "Commercial Motor Vehicle Safety Act of 1986."

The Legislature, therefore, declares that it is altogether fitting and proper to authorize, in accordance with the directives issued by the Secretary of the United States Department of Transportation, that
the designated drivers of volunteer fire companies, the New Jersey National Guard and farmers operating farm vehicles and equipment in and about their regular agricultural activities be exempted from the licensing requirements set forth in the "Commercial Motor Vehicle Safety Act of 1986."

C.39:3-10k Exemption of fire companies, National Guard, farmers.

2. Unless otherwise required by federal law or regulation, and subject to any rules and regulation promulgated pursuant to the provisions of this act, no designated driver of a volunteer fire company or the New Jersey National Guard, or any farmer for the operation of a farm vehicle or equipment in and about his regular agricultural activities shall be subject to the licensing provisions of the "Commercial Motor Vehicle Safety Act of 1986," P.L.99-570 (49 U.S.C.§ 2701 et seq.).

C.39:3-10l Rules, regulations.

3. The Director of the Division of Motor Vehicles in the Department of Law and Public Safety, pursuant to the provisions of the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall promulgate rules and regulations, which are in accordance with the directive issued by the Secretary of the United States Department of Transportation on September 20, 1988, to effectuate the purposes of this act.

4. This act shall take effect immediately.

Approved August 11, 1989.

b. Acquire beneficial ownership or control of any voting shares of a capital stock state association, if, after the acquisition, the person would beneficially own or control more than 25% of the then-outstanding voting share of the capital stock state association.

3. a. An application by a person for the approval of the commissioner to obtain control of a capital stock state association, or to
acquire beneficial ownership or control of more than 25% of the voting shares of a capital stock state association shall be made on a form provided by the commissioner. The commissioner shall give notice to the capital stock state association involved in the proposed transaction and shall send a copy of the application to the capital stock state association within five business days of receiving the application. (3) The person has acquired beneficial ownership or control or power to vote shares in excess of those percentage amounts approved under the condition of subsection a. of this section but less than 25% of the stock in the ordinary course of his business as a market maker

(1) Vote or direct the voting of the securities which are no longer exempt under subsection c. of this section; or

(2) Acquire an additional beneficial ownership interest in voting stock of the capital stock state association nor of any person controlling the capital stock state association.

C.17:12B-295 Factors used in determining approval.

4. In determining whether to approve an acquisition of shares pursuant to section 2 of this act, the commissioner shall consider the following factors:

a. With respect to the applicant:

(1) The financial condition and the resources of the applicant;

(2) The competence, character, and banking experience of the applicant, including the applicant's record of compliance with laws and regulations;

(3) Whether the applicant has (i) employed any device, scheme or artifice to defraud; or (ii) obtained or will obtain any money or property by means of any untrue statement of a material fact or any omission of a material fact; or (iii) engaged in any act, transaction, practice or course of business which operates or would operate as a fraud or deceit upon the capital stock state association, the share-
holders of the capital stock state association, the depositors thereof,
or the public at large; and

(4) The applicant's plans and intentions with respect to the oper­
ation of the capital stock state association.

b. With respect to the capital stock state association:

(1) The financial condition and prospects of the capital stock
state association, which shall include consideration as to the suffi­
ciency of current or projected capital positions, as well as the level
of indebtedness of the capital stock state association before and after
the acquisition;

(2) The convenience and needs of the depositors and the com­
munities served by the capital stock state association; and

(3) The effect of the proposed acquisition on the safety and
soundness of the capital stock state association.

c. Whether approval of the application would result in a person
owning more shares than are permitted by the capital stock state
association's charter or bylaws, in which case the commissioner shall
not approve the application; except that this subsection shall not
apply to an application for the acquisition of shares of a capital stock
state association that the commissioner determines is in an unsafe
or unsound condition.

In the event the commissioner grants approval of an acquisition
of shares as described in subsection a. of this section, the approval
shall apply only to the specific transaction set forth by the applicant
in his application, and any subsequent acquisition which would
further increase the applicant's beneficial ownership or control of the
then-outstanding voting shares of the capital stock state association
shall require the commissioner's prior approval in the same manner
required under this act.

C.17:12B-296 Shares acquired in violation not counted; shares to be registered.

5. a. Any shares in excess of 25% of the outstanding voting shares
of a capital stock state association which are acquired in violation
of sections 2 through 4 of this act shall not be eligible to be voted
and shall not be counted in determining the number of shares
outstanding for the purpose of determining the number or percent
of shares required for shareholder action.

b. All shares of stock in a capital stock state association shall be
registered in the name of the true owner of the shares, and if held
as nominee or in trust or otherwise for the benefit of any other person, the person listed as registered owner shall disclose to the capital stock state association the names and addresses of all persons who hold a beneficial interest in the shares on written demand by the capital stock state association.

C.17:12B-297 Cease and desist orders; injunction; penalties.

6. a. Whenever it appears to the commissioner that any person has engaged in or is about to engage in any act or practice which constitutes a violation of sections 2 through 5 of this act or any regulations promulgated pursuant thereto, the commissioner may conduct an investigation and issue cease and desist orders if he deems it necessary. In addition to all other remedies, the commissioner may bring an action in the Superior Court, Law Division, on behalf of the State against any person or persons participating in or about to participate in a violation. In any court proceeding, the commissioner may apply for and shall be entitled to have issued the court’s subpoena requiring the appearance of any defendant and defendant’s employees or agents, and the production of documents, books and records as may be necessary for the hearing of the action. Upon a proper showing, the court may grant a permanent or preliminary injunction or temporary restraining order or may order the rescission of any sale, tender for sale, purchase or tender for purchase of equity securities determined to be unlawful under sections 2 through 5 of this act.

b. Whenever any person has engaged in or is about to engage in any act or practice which constitutes a violation of sections 2 through 5 of this act or any regulation or order issued thereunder, the capital stock state association or any record or beneficial owner of an equity security of the capital stock state association may bring an action to enjoin the person from continuing or doing any act in violation of this act. Upon a proper showing, the court may grant a permanent or preliminary injunction or temporary restraining order or may order the rescission of any sale, tender for sale, purchase or tender for purchase of equity securities determined to be unlawful under this act or under any regulation or order of the commissioner.

c.(1) In addition to any other penalties herein or otherwise provided by law, the commissioner may, upon notice and hearing, impose a penalty not exceeding $10,000 for any violation of sections 2 through 5 of this act or of any rule or regulation promulgated thereto. The penalty shall be recovered by and in the name of the commissioner in a civil action by a summary proceeding under “the
penalty enforcement law,” N.J.S.2A:58-1 et seq., in the Superior Court, Law Division. Where any violation of sections 2 through 5 of this act or of any regulation hereunder is of a continuing nature, each day during which the violation continues shall constitute an additional, separate and distinct offense, except during the time an appeal from the order or notice may be taken or is pending.

(2) Sections 2 through 6 of this act shall apply to all capital stock state associations organized pursuant to P.L.1974, c.137 (C.17:12B-244 et seq.) whether chartered prior to or after the enactment of this act. Any person who prior to the effective date of this act directly or indirectly, beneficially owned or controlled more than 25% of the outstanding voting shares of a capital stock state association may continue such ownership after the effective date of this act without approval of the commissioner. This act shall not be construed to limit the applicability of any law governing the acquisition of securities.

(3) Sections 2 through 6 of this act shall not apply to any merger of a capital stock state association with another capital stock state association or mutual state association. The provisions of P.L.1974, c.137 (C.17:12B-244 et seq.) and Article XIII of P.L.1963, c.144 (C.17:12B-198 et seq.) shall be the exclusive governing provisions.

(4) Notwithstanding any other law of this State, the provisions contained in sections 2 through 6 of this act shall also apply to any acquisition of voting shares of a state association or company which controls a state association by a state association or a state association holding company if, after the acquisition, the state association or state association holding company would beneficially own or control more than 25% of the outstanding voting shares of the state association or company which controls a state association. The local board may, by ordinance, provide for the appointment of two alternate members. Notwithstanding the provisions of any other law or charter heretofore adopted, the ordinance shall provide the method of appointment of the alternate members. Alternate members shall be designated at the time of appointment by the authority appointing them as “Alternate No. 1” and “Alternate No. 2.”

The terms of the alternate members shall be for two years, except that the terms of the alternate members first appointed shall be two years for Alternate No. 1 and one year for Alternate No. 2, so that the term of not more than one alternate member shall expire in any one year. An alternate member may participate in discussions of the proceedings but may not vote except in the absence or disqualification of a regular member. A vote shall not be delayed in order that a regular member may vote instead of an alternate member. In the event that a choice must be made as to which alternate member is to vote, Alternate No. 1 shall vote first.

2. Section 1 of P.L.1968, c.245 (C.40:56A-1) is amended to read as follows:

The mayor of the municipality shall designate one of the members to serve as chairman and presiding officer of the commission. The terms of office of the first commissioners shall be for one, two or three years, to be designated by the mayor in making his appointments so that the terms of approximately 1/3 of the members will expire each year, and their successors shall be appointed for terms of three years and until the appointment and qualification of their successors. The mayor or governing body of the municipality may remove any member of the commission for cause, on written charges served upon the member and after a hearing thereon at which the member shall be entitled to be heard in person or by counsel. A vacancy on the commission occurring otherwise than by expiration of a term shall be filled for the unexpired term in the same manner as an original appointment. Notwithstanding any other provisions of law to the contrary, the powers of appointment and removal hereby accorded to the mayor of a municipality shall be vested in the elected official so designated or, where there is a vacancy in the office of mayor, in the duly designated acting mayor.

The governing body may, by ordinance, provide for the appointment of not more than two alternate members. Notwithstanding the provisions of any other law or charter heretofore adopted, the ordi-
nance shall provide the method of appointment of alternate members. Alternate members shall be designated at the time of appointment by the authority appointing them as "Alternate No. 1" and "Alternate No. 2."

The terms of the alternate members shall be for two years, except that the terms of the alternate members first appointed shall be two years for Alternate No. 1 and one year for Alternate No. 2 so that the term of not more than one alternate member shall expire in any one year. A vacancy occurring otherwise than by expiration of term shall be filled by the appointing authority for the unexpired term only.

An alternate member shall not be permitted to act on any matter in which he has either directly or indirectly any personal or financial interest. An alternate member may, after public hearing if he requests one, be removed by the governing body for cause.

An alternate member may participate in discussions of the proceedings but may not vote except in the absence or disqualification of a regular member. A vote shall not be delayed in order that a regular member may vote instead of an alternate member. In the event that a choice must be made as to which alternate member is to vote, Alternate No. 1 shall vote first.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2H-12.7 Legislative findings and declarations.

1. The Legislature finds and declares that a person admitted to a general hospital often feels overwhelmed and uncertain as to his condition and course of treatment, and that the declaration of a bill of rights for hospital patients may lead to fuller understanding and greater security on the part of patients as well as greater sensitivity by the providers of medical care.

C.26:2H-12.8 Rights of persons admitted to a general hospital.

2. Every person admitted to a general hospital as licensed by the State Department of Health pursuant to P.L.1971, c.136 (C.26:2H-1 et seq.) shall have the right:

   a. To considerate and respectful care consistent with sound nursing and medical practices;

   b. To be informed of the name of the physician responsible for coordinating his care;

   c. To obtain from the physician complete, current information concerning his diagnosis, treatment, and prognosis in terms he can reasonably be expected to understand. When it is not medically advisable to give this information to the patient, it shall be made available to another person designated by the patient on his behalf;

   d. To receive from the physician information necessary to give informed consent prior to the start of any procedure or treatment and which, except for those emergency situations not requiring an informed consent, shall include as a minimum the specific procedure or treatment, the medically significant risks involved, and the pos-
sible duration of incapacitation, if any, as well as an explanation of the significance of the patient's informed consent. The patient shall be advised of any medically significant alternatives for care or treatment, however, this does not include experimental treatments that are not yet accepted by the medical establishment;

e. To refuse treatment to the extent permitted by law and to be informed of the medical consequences of this act;

f. To privacy to the extent consistent with providing adequate medical care to the patient. This shall not preclude discussion of a patient's case or examination of a patient by appropriate health care personnel;

g. To privacy and confidentiality of all records pertaining to his treatment, except as otherwise provided by law or third party payment contract, and to access to those records, including receipt of a copy thereof at reasonable cost, upon request, unless his physician states in writing that access by the patient is not medically advisable;

h. To expect that within its capacity, the hospital will make reasonable response to his request for services, including the services of an interpreter in a language other than English if 10% or more of the population in the hospital's service area speaks that language;

i. To be informed by his physician of any continuing health care requirements which may follow discharge and to receive assistance from the physician and appropriate hospital staff in arranging for required follow-up care after discharge;

j. To be informed by the hospital of the necessity of transfer to another facility prior to the transfer and of any alternatives to it which may exist, which transfer shall not be effected unless it is determined by the physician to be medically necessary;

k. To be informed, upon request, of other health care and educational institutions that the hospital has authorized to participate in his treatment;

l. To be advised if the hospital proposes to engage in or perform human research or experimentation and to refuse to participate in these projects. For the purposes of this subsection “human research” does not include the mere collecting of statistical data;

m. To examine and receive an explanation of his bill, regardless of source of payment, and to receive information or be advised on the availability of sources of financial assistance to help pay for the patient's care, as necessary;
n. To expect reasonable continuity of care;

o. To be advised of the hospital rules and regulations that apply to his conduct as a patient; and,

p. To treatment without discrimination as to race, age, religion, sex, national origin, or source of payment.

C.26:2H-12.9 Summary of rights given to all patients, posted in general hospital rooms.

3. The administrator of a general hospital shall insure that a written summary of the rights set forth in this act be given to the patient or his guardian upon admittance to the hospital and to each individual already in residence, and that a written notice listing these rights is posted in a conspicuous place in the patient’s room. The administrator shall also post this notice in a conspicuous public place in the hospital.

C.26:2H-12.10 Filing of complaint.

4. A patient may file a written complaint against a hospital for a failure to comply with the provisions of this act, or any rule or regulation adopted pursuant to this act, either with the hospital or the Department of Health. The hospital or the Department of Health, as appropriate, shall respond promptly in writing to the complaint. The Department of Health shall investigate a written complaint filed with the department and report its findings to the hospital and the patient.

C.26:2H-12.11 Rules, regulations.

5. The Commissioner of Health is authorized to adopt rules and regulations in accordance with the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the purposes of this act.

CHAPTER 180

AN ACT authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the aggregate principal amount of $115,000,000 for the purpose of rehabilitating, and improving bridges in the State, and the preservation and acquisition of railroad rights-of-way; authorizing the issuance of refunding bonds; providing the ways and means to pay and discharge the principal of and interest on the bonds and refunding bonds; providing for the submission of this act to the people at a general election; and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bond Act of 1989.”

2. The Legislature finds and determines that:

   a. A safe and reliable system of rail and road transportation is essential to the well-being of the citizens and the economy of this State.

   b. New Jersey’s rail and road system is one of the busiest in the world and provides a corridor for goods and passengers to and from not only New York, Pennsylvania and Delaware, but also to and from distant points in the western, northern, and southern regions of our nation.

   c. More than 150,000 commuters daily rely on New Jersey’s railroads for transportation to and from their places of employment.

   d. Due to the destructive effect of the elements, the structural pressures of regular usage, and significant material deterioration stemming from a lack of regular maintenance in recent decades, bridges in the State’s rail and road system are desperately in need of rehabilitation and improvement.

   e. The cost of such essential rehabilitation and improvement far exceeds the funds which can be provided by regular State appropriations or will be available from the federal government, or pursuant to the “New Jersey Transportation Rehabilitation and Improvement Bond Act of 1979,” the “New Jersey Bridge Rehabilitation and Improvement Bond Act of 1983” (P.L.1983, c.363) or the “New Jersey...
Transportation Trust Fund Authority Act of 1984,’’ P.L.1984, c.73 (C.27:1B-1 et seq.).

f. It is in the public interest, and a wholly valid and essential public purpose, to rehabilitate and improve bridges in the State’s rail and road system through the authorization of the bond issue provided for herein.

g. It is in the public interest, and a wholly valid and essential public purpose, to preserve and acquire rights-of-way in the State’s rail system through the authorization of the bond issue provided for herein.

3. As used in this act:

“Bonds” mean the bonds authorized to be issued, or issued, under this act.

“Commissioner” means the Commissioner of Transportation.

“Cost” means the expenses incurred in connection with: the construction, reconstruction, improvement, rehabilitation, removal, demolition, relocation, renewal, establishment, or repair of bridges; the acquisition by purchase, lease or otherwise and the construction, reconstruction, improvement, rehabilitation or renewal of railroad rights-of-way as necessary for their preservation; the procurement of engineering, inspection, planning, legal, financial and other professional services; the procurement of the services of a bond registrar and an authenticating agent; the cost of reimbursement of any fund of the State from which moneys shall have been advanced to the fund created herein; the issuance of bonds or any interest or discount thereon; and the establishment of a reserve fund or funds for working capital, operating, maintenance or replacement expenses and for payment or security of principal or interest on bonds as the Director of the Division of Budget and Accounting in the Department of the Treasury may determine.

“Department” means the New Jersey Department of Transportation.

“Fund” means the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989” established in section 14 of this act.

“Government securities” means any bonds or other obligations which as to principal and interest constitute direct obligations of, or are unconditionally guaranteed by, the United States of America,
including obligations of any federal agency, to the extent those obligations are unconditionally guaranteed by the United States of America, and any certificates or any other evidences of an ownership interest in those obligations of, or unconditionally guaranteed by, the United States of America or in specified portions of those obligations which may consist of the principal of, or the interest on, those obligations.

“Railroad overhead bridge” means any bridge or passage carrying a State highway or a county or municipal road over and across a railroad, subway, or street, traction, or electric railway, or over and across the right-of-way of such a railroad, subway or railway. Unless stated otherwise to the contrary, this definition shall not include those bridges or passages over and across a railroad or electric railway operated by the State, the department or the New Jersey Transit Corporation.

“Rehabilitation and improvement of bridges” means the construction, reconstruction, demolition, removal, replacement, improvement, repair or rebuilding of bridges carrying State highways or county or municipal roads, including railroad overhead bridges.

4. a. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $115,000,000 for the purpose of financing the costs of the rehabilitation and improvement of bridges in the State and the preservation and acquisition of railroad rights-of-way. Of this sum, not more than $45,000,000 shall be reserved for the cost of rehabilitation and improvement of bridges carrying State highways, and not less than $45,000,000 shall be reserved for the State share of the cost of rehabilitation and improvement of bridges carrying county and municipal roads and $25,000,000 shall be reserved for the costs of preservation and acquisition of railroad rights-of-way, to be allocated and expended in compliance with the cost sharing requirements of this section.

b. With respect to those bridges which carry State highways and which are constructed, owned or maintained by the State and those railroad overhead bridges over and across a railroad or electric railway operated by the State, the department or the New Jersey Transit Corporation, the State shall defray the cost of rehabilitation and improvement.

c. With respect to those bridges which carry county or municipal roads, except those railroad overhead bridges carrying county or municipal roads which are provided for in subsection b. of this sec-
tion, the State shall defray 90% of the cost of rehabilitation and improvement, with the county or municipality defraying 10% of the cost.

d. With respect to railroad overhead bridges, notwithstanding the provisions of chapter 12 of Title 48 of the Revised Statutes, the railroad company whose tracks or right-of-way the bridge crosses shall not be required to contribute to the costs of the rehabilitation and improvement of a bridge but shall furnish, at its own expense, necessary track safety services and engineering reviews.

e. With respect to those railroad overhead bridges whose ownership is not determined or is in doubt, the department may accept or assign full or partial permanent jurisdictions or responsibilities to either the department or to a county or municipality as provided in this subsection or in accordance with P.L.1988, c.171 (C.27:5G-5 et seq.). The department may assign responsibility for routine roadway maintenance to the local government unit with jurisdiction for the approaching roadways. Jurisdiction or responsibility for other than roadway maintenance shall be accepted by the department except in those cases where the department determines by a preponderance of the evidence that a county or municipality already owns or has jurisdiction for a bridge. The department shall assign or accept such jurisdictions or responsibilities after notice and hearing pursuant to the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.).

f. With respect to the preservation and acquisition of railroad rights-of-way, the department may acquire by purchase, condemnation, lease, gift or otherwise, on terms and conditions and in a manner the department deems proper, any current or former railroad right-of-way, or part thereof, and property adjacent or contiguous thereto, and tracks, appurtenances, ballast, buildings, facilities, stations, and other structures thereon or adjacent or contiguous thereto, within the State, for transportation purposes. The department may construct, reconstruct, improve, rehabilitate, demolish or renew such property as necessary to preserve the property for transportation purposes and may provide, by agreement with other agencies or otherwise, for whatever interim or joint uses, including but not limited to recreational uses, the department considers appropriate.

All cost sharing prescribed in this section shall be determined after first reducing the cost of rehabilitation and improvement of bridges or the cost of preserving and acquiring railroad rights-of-way by the amount of any available federal funding.
5. The commissioner is authorized to promulgate rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) in order to effectuate the purposes of the act.

6. The bonds authorized under this act shall be serial bonds or term bonds or a combination thereof and shall be known as “1989 Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Bonds”. They shall be issued from time to time as the issuing officials herein named shall determine and may be issued in coupon form, fully-registered form or book-entry form. The bonds may be subject to redemption before maturity and shall mature and be paid not later than 35 years from the date of their issuance.

7. The Governor, State Treasurer and Director of the Division of Budget and Accounting in the Department of the Treasury or any two of such officials, herein referred to as “the issuing officials,” are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to provisions of this act. If an issuing official is absent from the State or incapable of acting for any reason, the powers and duties of that issuing official shall be exercised and performed by the person authorized by law to act in an official capacity in the place of that issuing official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest thereon and redemption premium thereon, if any, when due, and for the payment of the principal thereof at maturity or earlier redemption date. The principal of and interest on the bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. The bonds shall be signed in the name of the State by means of the manual or facsimile signature of the Governor under the Great Seal of the State, which seal may be by facsimile or by way of any other form of reproduction on the bonds, and attested by the manual or facsimile signature of the Secretary of State, or an Assistant Secretary of State, and shall be countersigned by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury and may be manually authenticated by an authenticating agent or bond registrar, as the issuing officials shall determine. Interest coupons, if any, attached to the bonds shall be signed by the facsimile signature of the Director of the Division of
Budget and Accounting in the Department of the Treasury. The bonds may be issued notwithstanding that any of the officials signing them or whose manual or facsimile signature appears on the bonds or coupons has ceased to hold office at the time of such issue or at the time of delivery of the bonds to the purchaser thereof.

10. a. The bonds shall recite that they are issued for the purposes set forth in section 4 of this act and that they are issued in pursuance of this act and that this act was submitted to the people of the State at the general election held in the month of November, 1989, and that it was approved by a majority of the legally qualified voters of the State voting thereon at such election. The recital shall be conclusive evidence of the authority of the State to issue the bonds and their validity. Any bonds containing such recital shall, in any suit, action or proceeding involving their validity, be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of laws applicable hereto, and shall be incontestable for any cause.

b. The bonds shall be issued in the denominations and in the form or forms, whether coupon, fully-registered or book-entry, and with or without such provisions for interchangeability thereof, as shall be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as from time to time may be determined by the issuing officials, which interest shall be payable semiannually; except that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. The bonds shall be issued and sold at such price or prices and under such terms, conditions and regulations, as the issuing officials may prescribe, after notice of the sale, published at least once in at least three newspapers published in the State of New Jersey, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in the city of New York or in New Jersey, the first notice to appear at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any bid in pursuance thereof may be rejected. In the event of rejection or of failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of such advertised sale, may sell the bonds at private sale at such price or
prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at private sale, without advertisement.

13. Until permanent bonds are prepared, the issuing officials may issue temporary bonds in such form and with such privileges as to registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of bonds shall be paid to the State Treasurer and be held by the State Treasurer in a separate fund, and be deposited in such depositories as may be selected by him to the credit of the fund, which fund shall be known as the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989.”

15. a. The moneys in the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989” are specifically dedicated and shall be applied to the cost of the purposes set forth in section 4 of this act, but no such money shall be expended for such purposes, except as otherwise authorized by this act, without the specific appropriation thereof by the Legislature. Bonds may be issued as herein provided notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any moneys. Any act appropriating moneys from the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989” shall identify the project to be funded by the moneys. Prior to the appropriation of moneys from the fund, the department shall report in writing to the Governor and the Legislature concerning the number of railroad rights-of-way available for acquisition, the number of railroad rights-of-way that may be purchased with the bond moneys authorized by this act and the proposed plans and uses for the railroad rights-of-way to be purchased.

Moneys in the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989” may be appropriated or expended for the purpose of providing the nonfederal share of any federal program which finances the rehabilitation and improvement of bridges or the preservation or acquisition of railroad rights-of-way.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from available
money in any fund of the treasury of the State to the credit of the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989,” such sum as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purposes provided in this act, moneys in the “New Jersey Bridge Rehabilitation and Improvement and Railroad Right-of-way Preservation Fund of 1989” may be invested and reinvested as are other trust funds in the custody of the State Treasurer in the manner provided by law. Net earnings received from the investment or deposit of such fund shall be paid into the General Fund.

16. If any coupon bonds or coupons thereunto appertaining or any registered bond shall become lost, mutilated or destroyed, a new bond shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bonds or coupons, upon the owner furnishing to the issuing officials evidence satisfactory to them of such loss, mutilation or destruction, proof of ownership and such security and indemnity and reimbursement for expenses as the issuing officials may require.

17. Any accrued interest received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds, by the State Treasurer upon warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, at such times, not more than 35 years following the date of issuance thereof, and in such amounts as shall be determined by the issuing officials, and the issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

19. The issuing officials may issue refunding bonds in an amount
not to exceed the amount necessary to effectuate the refinancing of all or any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:

a. Refunding bonds may be issued at such time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on such bonds to be refinanced to the date of payment of such outstanding bonds, the expense of issuing such refunding bonds and the expenses, if any, of paying such bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal of and interest on such refunding bonds is less than the present value of the aggregate principal of and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of such refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the price or prices paid to the State by the initial purchasers of such refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on such bonds to be refinanced to the date of payment of such bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying such bonds to be refinanced, or, to the extent not required for such immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof, as the case may be. Any such proceeds or moneys so held by such trustees or escrow agents
may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States; provided, such government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities or moneys so deposited with such trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from such principal or interest payments on such government securities deposited with such trustees or escrow agents, to the extent such cash will not be required at any time for such purpose shall be paid over to such trustees or escrow agents, and to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds to be refinanced on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments to the extent not required for the payment of bonds, shall be paid over to the State, as received by such trustees or escrow agents. Notwithstanding anything to the contrary contained herein: (1) such trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with such trustees or escrow agents pursuant to the provisions of this section and redeem or sell government securities so deposited with such trustees or escrow agents and apply the proceeds thereof to (a) the purchase of the bonds which were refinanced by the deposit with such trustees or escrow agents of such moneys and government securities and immediately thereafter cancel all such bonds so purchased or (b) apply the proceeds to the purchase of different government securities; provided, however, that the moneys and government securities on deposit with such trustees or escrow agents after such purchase and cancellation of such outstanding bonds or such purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which such moneys and government securities were deposited with such trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and (2) in the event that on any date, as a result of any purchases and cancellations of such bonds or any purchases of different government securities as provided in this
subsection, the total amount of moneys and government securities remaining on deposit with such trustees or escrow agents is in excess of the total amount which have been required to be deposited with such trustees or escrow agents on such date in respect of the remaining bonds for which such deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on such remaining bonds, such trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of such excess to the State. Any amounts held by the State Treasurer in a separate fund or funds for the payment of the principal of, redemption premiums, if any, and interest on bonds to be refinanced, as provided herein, shall, if so directed by the issuing officials, be transferred by the State Treasurer for deposit with one or more trustees or escrow agents, as provided herein, to be applied to the payment when due of the principal of, redemption premium, if any, and interest to become due on such bonds to be refinanced as provided in this section, or be applied by the State Treasurer to the payment when due of the principal of, redemption premium, if any, and interest on refunding bonds, issued hereunder to refinance such bonds. The State Treasurer is authorized to enter into any contract or contracts with one or more trust companies or national or state banks, as provided herein, to act as trustees or escrow agents, as provided herein, subject to the approval of the issuing officials.

e. Notwithstanding the provisions of section 12 of this act, any series of refunding bonds issued pursuant to this section shall mature at any time or times not later than five years following the latest scheduled final maturity date, determined without regard to any redemptions prior thereto, of any of the bonds to be refunded thereby, and in no event later than 35 years following the date of issuance of such series of refunding bonds, and such refunding bonds may be sold at public or private sale at such prices and under such terms, conditions and regulations as the issuing officials may prescribe. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations except as to sale provisions and to the extent therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding bonds pursuant to this section and prior to the sale of those bonds, the issuing officials shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the issuing officials relied when making the de-
cision to issue refunding bonds. The report shall also disclose the intent of the issuing officials to issue and sell the refunding bonds at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sales of refunding bonds as included in each report submitted in accordance with subsection f. of this section. The committee shall notify the issuing officials in writing of the approval or disapproval as expeditiously as possible.

h. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing officials shall notify the Joint Budget Oversight Committee, or its successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

j. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the issuing officials, or to the Legislature, or both, as it deems appropriate.

20. Any bond or bonds issued hereunder shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on such bonds, and such bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust and with such trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with such trustees or escrow agents at the same time, shall be sufficient to pay
when due the principal of, redemption premium, if any, and interest due and to become due on such bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided, such government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with such trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with such trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on such bonds; provided that any cash received from such principal or interest payments on such government securities deposited with such trustees or escrow agents, to the extent such cash will not be required at any time for such purpose, shall be paid over to the State as received by such trustees or escrow agents free and clear of any trust, lien, pledge or assignment securing such bonds; and to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on such bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the State, as received by such trustees or escrow agents, free and clear of any trust, lien or pledge securing such bonds. Notwithstanding anything to the contrary contained herein: a. such trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with such trustees or escrow agents pursuant to the provisions of this section and redeem or sell government securities so deposited with such trustees or escrow agents and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with such trustees or escrow agents of such moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with such trustees or escrow agents after such purchase and cancellation of such bonds or such purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which such moneys and government securities were deposited with such trustees or
escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities as provided in this sentence, the total amount of moneys and government securities remaining on deposit with such trustees or escrow agents is in excess of the total amount which would have been required to be deposited with such trustees or escrow agents on such date in respect of the remaining bonds for which such deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on such remaining bonds, such trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of such excess to the State free and clear of any trust, lien, pledge or assignment securing such refunding bonds.

21. Refunding bonds issued pursuant to section 19 of this act may be consolidated with bonds issued pursuant to section 6 of this act or with bonds issued pursuant to any other act for purposes of sale.

22. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived from the collection of taxes under the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act, are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property. The governing body of each municipality shall pay to the treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.
If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered part of the General Fund, available for general purposes.

23. Should the State Treasurer, by December 31 of any year, deem it necessary, because of insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, the State Treasurer shall certify to the Director of the Division of Budget and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, which is to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables ascertained for the current year.

24. For the purpose of complying with the provisions of the State Constitution this act shall, at the general election to be held in the month of November, 1989, be submitted to the people. In order to inform the people of the contents of this act it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers be published therein, and notify the clerk of each county, of this State of the passage of this act, and the clerks respectively, in
accordance with the instructions of the Secretary of State, shall have each of the ballots printed, as follows:

If you approve the act entitled below, make a cross (X), plus (+) or check (✓) mark in the square opposite the word “Yes.”

If you disapprove the act entitled below, make a cross (X), plus (+), or check (✓) mark in the square opposite the word “No.”

If voting machines are used, a vote of “Yes” or “No” shall be equivalent to these markings respectively.

CHAPTER 181

An Act authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the aggregate principal amount of $50,000,000 for the purpose of stormwater management and abating combined sewer overflows; authorizing the issuance of refunding bonds; providing the ways and means to pay and discharge the principal of and interest on the bonds and refunding bonds; providing for the submission of this act to the people at a general election; and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Stormwater Management and Combined Sewer Overflow Abatement Bond Act of 1989."
2. The Legislature finds and declares that:

   a. Stormwater runoff and combined sewer overflows are among the major sources of ocean pollution, contributing to beach closings; that combined sewer systems discharge untreated sanitary wastewater and stormwater into rivers, streams and coastal waters during wet weather, resulting in water pollution; that some combined sewer systems have deteriorated to the point that overflows occur regularly, even during dry weather; that many sewer systems are on inadequate repair and replacement programs, which may cause disturbances at sewage treatment plants; that many municipalities are under building moratoriums due to the inadequacy of their sewage and stormwater collection systems, which moratoriums severely affect municipal budgets; and that large unmet capital expenses exist for combined sewer system separation and abatement projects.

   b. The Legislature further finds and declares that funding at the federal level for wastewater treatment and stormwater management no longer includes combined sewer system rehabilitation projects; that State funds available for these projects are inadequate to meet current needs; that local revenues are insufficient to meet these expenses; and that, therefore, additional funding at the State level is necessary to meet this financial obligation.

   “Combined sewer” means a wastewater treatment system that carries both wastewater and stormwater runoff;

“Department” means the Department of Environmental Protection;

ment project priority list adopted by the commissioner pursuant to section 28 of this act;

"Stormwater management system" means any equipment, plants, structures, machinery, apparatus, or land, or any combination thereof, acquired, used, constructed or operated by a local government unit to prevent nonpoint source pollution, abate improper cross-connections and interconnections between stormwater and sewer systems, minimize stormwater runoff, reduce soil erosion, or induce groundwater recharge, or any combination thereof;

"Wastewater" means residential, commercial, industrial, or agricultural liquid waste, sewage, or any combination thereof, or other liquid residue discharged or collected into a sewer system or stormwater runoff system, or any combination thereof; and

"Wastewater treatment system" means any equipment, plants, structures, machinery, apparatus, or land, or any combination thereof, acquired, used, constructed or operated by a local government unit for any or all of the following: the storage, collection, reduction, recycling, reclamation, disposal, separation, or other treatment of wastewater or sewage sludge; the collection or treatment, or both, of stormwater runoff and wastewater; or the final disposal of residues resulting from the treatment of wastewater, including, but not limited to, pumping and ventilating stations, treatment plants and works, connections, outfall sewers, interceptors, trunk lines, stormwater runoff collection systems, and other personal property and appurtenances necessary for their use or operation.

4. The commissioner shall adopt, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary to implement the provisions of this act. The commissioner shall review and consider the findings and recommendations of the commission in the administration of the provisions of this act.

5. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $50,000,000 for the purpose of providing grants and loans to local government units for the costs of projects identified pursuant to the stormwater management and combined sewer overflow abatement project priority list adopted by the commissioner pursuant to section 28 of this act. The rate of interest on loans to local government units for projects shall be 2% per annum.

6. The bonds authorized under this act shall be serial bonds, term
bonds, or a combination thereof, and shall be known as "Stormwater Management and Combined Sewer Overflow Abatement Bonds." They shall be issued from time to time as the issuing officials herein named shall determine and may be issued in coupon form, fully-registered form or book-entry form. The bonds may be subject to redemption prior to maturity and shall mature and be paid not later than 35 years from the respective dates of their issuance.

7. The Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury, or any two of these officials, herein referred to as "the issuing officials," are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to the provisions of this act. If an issuing official is absent from the State or incapable of acting for any reason, the powers and duties of that issuing official shall be exercised and performed by the person authorized by law to act in an official capacity in the place of that issuing official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest and redemption premium thereon, if any, when due, and for the payment of the principal thereof at maturity or earlier redemption date. The principal of and interest on the bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. The bonds shall be signed in the name of the State by means of the manual or facsimile signature of the Governor under the Great Seal of the State, which seal may be by facsimile or by way of any other form of reproduction on the bonds, and attested by the manual or facsimile signature of the Secretary of State, or an Assistant Secretary of State, and shall be countersigned by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury and may be manually authenticated by an authenticating agent or bond registrar, as the issuing officials shall determine. Interest coupons, if any, attached to the bonds shall be signed by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury. The bonds may be issued notwithstanding that an official signing them or whose manual or facsimile signature appears on the bonds or coupons has ceased to hold office at the time of issuance, or at the time of the delivery of the bonds to the purchaser thereof.
10. a. The bonds shall recite that they are issued for the purposes set forth in section 5 of this act, that they are issued pursuant to this act, that this act was submitted to the people of the State at the general election held in the month of November, 1989, and that this act was approved by a majority of the legally qualified voters of the State voting thereon at the election. This recital shall be conclusive evidence of the authority of the State to issue the bonds and their validity. Any bonds containing this recital shall, in any suit, action or proceeding involving their validity, be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of laws applicable hereto, and shall be incontestable for any cause.

b. The bonds shall be issued in those denominations and in the form or forms, whether coupon, fully-registered or book-entry, and with or without provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; except that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. The bonds shall be issued and sold at the price or prices and under the terms, conditions and regulations as the issuing officials may prescribe, after notice of the sale, published at least once in at least three newspapers published in this State, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in this State or in the city of New York, the first notice to appear at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any bid in pursuance thereof may be rejected. In the event of rejection or failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of the advertised sale, may sell the bonds at a private sale at such price or prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at a private sale, without advertisement.

13. Until permanent bonds are prepared, the issuing officials may
issue temporary bonds in the form and with those privileges as to their registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds and any repayment of the principal and interest on loans made to local government units pursuant to this act shall be paid to the State Treasurer to be held by the State Treasurer in a separate revolving fund, which shall be known as the “Stormwater Management and Combined Sewer Overflow Abatement Fund.” The proceeds of this fund shall be deposited in those depositories as may be selected by the State Treasurer to the credit of the fund.

15. a. The moneys in the “Stormwater Management and Combined Sewer Overflow Abatement Fund” are specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act. However, no moneys in the fund shall be expended for those purposes, except as otherwise authorized by this act, without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the “Stormwater Management and Combined Sewer Overflow Abatement Fund” shall identify the project to be funded by the moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available moneys in any fund of the treasury of the State to the credit of the “Stormwater Management and Combined Sewer Overflow Abatement Fund” those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purposes provided in this act, the moneys in the “Stormwater Management and Combined Sewer Overflow Abatement Fund” may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in the “Stormwater Management and Combined Sewer Overflow Abatement Fund” shall be paid into the General Fund.

16. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and
delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.

17. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

19. The issuing officials may issue refunding bonds in an amount not to exceed the amount necessary to effectuate the refinancing of any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:

a. Refunding bonds may be issued at any time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on the bonds to be refinanced to the date of payment of the outstanding bonds, the expense of issuing the refunding bonds and the expenses, if any, of paying the bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal
amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the price or prices paid to the State by the initial purchasers of those refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on those bonds to be refinanced to the date of payment of those bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying those bonds to be refinanced, or, to the extent not required for that immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof, as the case may be. The proceeds or moneys so held by the trustees or escrow agents may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States; provided those government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from the principal or interest payments on those government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the trustees or escrow agents, and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due
the principal of, redemption premium, if any, and interest to become
due on the bonds to be refinanced, on and prior to the redemption
date or maturity date thereof, as the case may be, and interest earned
from those reinvestments, to the extent not required for the payment
of bonds, shall be paid over to the State, as received by the trustees
or escrow agents. Notwithstanding anything to the contrary con­
tained herein: (1) the trustees or escrow agents shall, if so directed
by the issuing officials, apply moneys on deposit with the trustees
or escrow agents pursuant to the provisions of this section, and
redeem or sell government securities so deposited with the trustees
or escrow agents, and apply the proceeds thereof to (a) the purchase
of bonds which were refinanced by the deposit with the trustees or
escrow agents of the moneys and government securities and immedia­
tely thereafter cancel all outstanding bonds so purchased or (b) the
purchase of different government securities; provided however, that
the moneys and government securities on deposit with the trustees
or escrow agents after the purchase and cancellation of the outstand­
ing bonds or the purchase of different government securities shall be
sufficient to pay when due the principal of, redemption premium,
if any, and interest on all other bonds in respect of which the moneys
and government securities were deposited with the trustees or escrow
agents on or prior to the redemption date or maturity date thereof,
as the case may be; and (2) in the event that on any date, as a result
of any purchases and cancellations of the outstanding bonds or any
purchases of different government securities as provided in this
subsection, the total amount of moneys and government securities
remaining on deposit with the trustees or escrow agents is in excess
of the total amount which would have been required to be deposited
with the trustees or escrow agents on that date in respect of the
remaining bonds for which such deposit was made in order to pay
when due the principal of, redemption premium, if any, and interest
on those remaining bonds, the trustees or escrow agents shall, if so
directed by the issuing officials, pay the amount of that excess to
the State. Any amounts held by the State Treasurer in a separate
fund or funds for the payment of the principal of, redemption
premium, if any, and interest on bonds to be refinanced, as provided
herein, shall, if so directed by the issuing officials, be transferred by
the State Treasurer for deposit with one or more trustees or escrow
agents, as provided herein, to be applied to the payment when due
of the principal of, redemption premium, if any, and interest to
become due on those bonds to be refinanced, as provided in this
section, or be applied by the State Treasurer to the payment when
due of the principal of, redemption premium, if any, and interest on
refunding bonds issued hereunder to refinance those bonds. The State Treasurer is authorized to enter into contracts with one or more trust companies or national or state banks, as provided herein, to act as trustees or escrow agents, as provided herein, subject to the approval of the issuing officials.

e. Notwithstanding the provisions of section 12 of this act, any series of refunding bonds issued pursuant to this section shall mature at any time or times not later than five years following the latest scheduled final maturity date, determined without regard to any redemptions prior thereto, of any of the bonds to be refunded thereby, and in no event later than 35 years following the date of issuance of that series of refunding bonds, and those refunding bonds may be sold at public or private sale at prices and under terms, conditions and regulations as the issuing officials may prescribe. Refunding bonds shall be entitled to all the benefits of this act and subject to all its limitations, except as to sale provisions and to the extent therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding bonds pursuant to this section, and prior to the sale of those bonds, the issuing officials shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was made, including an estimate of the debt service savings to be achieved and the calculations upon which the issuing officials relied when making the decision to issue refunding bonds. The report also shall disclose the intent of the issuing officials to issue and sell the refunding bonds at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sale of refunding bonds as included in each report submitted in accordance with subsection f. of this section. The committee shall notify the issuing officials in writing of the approval or disapproval as expeditiously as possible.

h. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing officials shall notify the Joint Budget Oversight Committee, or its successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of
the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

j. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the issuing officials, or to the Legislature, or both, as it deems appropriate.

20. Any bond or bonds issued hereunder shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien,
pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

21. Refunding bonds issued pursuant to section 19 of this act may be consolidated with bonds issued pursuant to section 6 of this act or with bonds issued pursuant to any other act for purposes of sale.
22. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived from the collection of taxes under the “Sales and Use Tax Act,” P.L. 1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as are other taxes upon real and personal property. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered and treated as part of the General Fund, available for general purposes.

23. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from
the sources of revenues as provided in this act, to meet the interest
and principal payments for the year after the ensuing year, then the
State Treasurer shall certify to the Director of the Division of Budget
and Accounting in the Department of the Treasury the amount
necessary to be raised by taxation for those purposes, the same to
be assessed, levied and collected for and in the ensuing calendar year.
The director shall, on or before March 1 following, calculate the
amount in dollars to be assessed, levied and collected in each county
as herein set forth. This calculation shall be based upon the corrected
assessed valuation of each county for the year preceding the year in
which the tax is to be assessed, but the tax shall be assessed, levied
and collected upon the assessed valuation of the year in which the
tax is assessed and levied. The director shall certify the amount to
the county board of taxation and the treasurer of each county. The
county board of taxation shall include the proper amount in the
current tax levy of the several taxing districts of the county in propor­
tion to the ratables as ascertained for the current year.

24. For the purpose of complying with the provisions of the State
Constitution, this act shall be submitted to the people at the general
election to be held in the month of November, 1989. To inform the
people of the contents of this act, it shall be the duty of the Secretary
of State, after this section takes effect, and at least 60 days prior
to the election, to cause this act to be published at least once in one
or more newspapers of each county, if any newspapers be published
therein, and to notify the clerk of each county of this State of the
passage of this act; and the clerks respectively, in accordance with
the instructions of the Secretary of State, shall have printed on each
of the ballots the following:

If you approve of the act entitled below, make a cross (X), plus
(+), or check (✓) mark in the square opposite the word “Yes.”

If you disapprove of the act entitled below, make a cross (X), plus
(+), or check (✓) mark in the square opposite the word “No.”

If voting machines are used, a vote of “Yes” or “No” shall be
equivalent to these markings respectively.

<td>Approval of the “Stormwater Management and Combined Sewer Overflow Abatement Bond Act of 1989,” would authorize the sale of $50,000,000 in State general obligation bonds for the purpose of providing grants and low interest loans to local government units for the costs of projects to manage stormwater and abate combined sewer overflows into the State’s waters and other improper connections of stormwater and sewer systems. Combined sewer systems are those that carry both sanitary waste and stormwater runoff to a wastewater treatment plant. During a storm, part of the mixture of sewage and stormwater overflows untreated into the receiving body of water, causing water pollution.</td>

CHAPTER 183

AN ACT authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the aggregate principal amount of $300,000,000 to provide moneys for public acquisition and development of lands for recreation and conservation purposes, for farmland development easement and fee simple absolute acquisitions, for soil and water conservation projects, and for development potential transfer banks; establishing certain funds for those purposes; authorizing the issuance of refunding bonds; providing the ways and means to pay and discharge the principal and interest on the bonds and refunding bonds; providing for the submission of this act to the people at a general election; and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Open Space Preservation Bond Act of 1989.”
2. The Legislature finds and declares that the provision of lands for public recreation and the conservation of natural resources promotes the public health, prosperity and general welfare and is a proper responsibility of State government; that lands now dedicated to these purposes will not be adequate to meet the needs of an expanding population in years to come; that such lands as are available and appropriate for these purposes will gradually disappear as their cost correspondingly increases; that it is necessary to provide assistance in the form of grants and loans to local government units and matching grants to qualifying tax exempt nonprofit organizations to acquire lands that have significant recreation and conservation attributes; and that it is also necessary to provide funds to assure that lands that have been or may hereafter be acquired for recreation and conservation purposes are developed to provide public recreation, preserve historic resources, and provide conservation opportunities and to implement the New Jersey Statewide Comprehensive Outdoor Recreation Plan.

The Legislature further finds that agriculture plays an integral role in the prosperity and well-being of the State as well as providing a fresh and abundant supply of food and fiber for its citizens; that agricultural land resources face an imminent threat of permanent conversion to non-farm uses; that the retention and development of an economically viable agricultural industry is of high public priority for New Jersey; that the issuance of bonds is necessary and desirable to purchase fee simple absolute titles to farmland for the purpose of offering the farmland for resale with agricultural deed restrictions; to acquire, in cooperation with counties and municipalities, development easements on farmland; and to assist, through cost-sharing programs, the long-term development and management of farmland and the State's natural resources through soil and water conservation projects and programs; and that the provision of moneys to fund development potential transfer banks is essential to a successful development potential transfer program.

5. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $230,000,000 for the purposes of: providing moneys to meet the cost of public acquisition and development of lands by the State for recreation and conservation purposes; providing State grants and loans to assist local government units to acquire and develop lands for recreation and conservation purposes; and providing State matching grants to assist qualifying tax exempt nonprofit organizations to acquire lands for recreation and conservation purposes, to be allocated as follows:

   a. $80,000,000 for the acquisition and development of lands by the State for recreation and conservation purposes;

   b. $140,000,000 for State grants and loans to assist local government units to acquire and develop lands for recreation and conservation purposes, of which amount, $20,000,000 shall be for grants for up to 50% of the cost of acquisition or development of lands by local government units eligible to receive State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.); and

   c. $10,000,000 for State grants, on a 50% matching basis, to qualifying tax exempt nonprofit organizations to acquire lands for recreation and conservation purposes.

To the end that municipalities may not suffer a loss of taxes by reason of the acquisition and ownership by the State of New Jersey of property under the provisions of this section, the State shall pay annually on October 1 to each municipality in which property is so acquired, for a period of 13 years following an acquisition the following amounts: in the first year a sum of money equal to the tax last assessed and last paid by the taxpayer upon this land and the improvements thereon for the taxable year immediately prior to the time of its acquisition and thereafter the following percentages of the amount paid in the first year: second year, 92%; third year, 84%; fourth year, 76%; fifth year, 68%; sixth year, 60%; seventh year, 52%; eighth year, 44%; ninth year, 36%; 10th year, 28%; 11th year, 20%; 12th year, 12%; 13th year, 4%. In the event that land acquired by the State pursuant to this act was assessed at an agricultural and horticultural use valuation in accordance with provisions of the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.), at the time of its acquisition by the State, no rollback tax
pursuant to section 8 of P.L.1964, c.48 (C.54:4-23.8) shall be imposed as to this land nor shall this rollback tax be applicable in determining the annual payments to be made by the State to the municipality in which this land is located.

All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of these municipalities, and to accomplish this end the sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

6. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $50,000,000 for the purpose of the preservation of farmland for agricultural use and production. The proceeds from the sale of the bonds shall be for appropriation to the State Agriculture Development Committee established pursuant to section 4 of P.L.1983, c.31 (C.4:1C-4): a. to provide grants to counties and municipalities for up to 80% of the cost of acquisition of development easements on farmland provided that any funds received for the transfer of a development easement shall be dedicated to the future purchase of development easements; b. for up to 100% of the cost of acquisition of development easements, under such emergency conditions as the State Agriculture Development Committee determines; c. for the cost of acquisition of fee simple absolute titles to farmland which shall be offered for resale with agricultural deed restrictions; and d. to provide grants to landowners for up to 50% of the cost of soil and water conservation projects. All acquisitions or grants made pursuant to this section shall be with respect to land devoted to farmland preservation under programs established by law.

7. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $20,000,000 for the purpose of funding development potential transfer banks.

8. Moneys provided for land acquisitions to be acquired and developed by the State for recreation and conservation purposes using the proceeds of bonds issued by the State under this act shall include 100% of the costs of acquisition and development of these lands.

9. a. Except for those grants to local government units eligible to receive State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.) as provided for in subsection b. of section 5 of this act, a grant by the State for lands acquired or developed by a local government unit
for recreation and conservation purposes shall include up to 25% of the cost of acquisition or development of these lands by a local government unit; provided, however, that at such times as the balance of the "1989 New Jersey Green Trust Fund," exclusive of the moneys for grants to local government units eligible to receive State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.), exceeds $83,000,000, the commissioner in consultation with the State Treasurer, may increase the State's share of the cost of acquisition to a maximum of 50%.

b. A loan by the State for lands to be acquired or developed by a local government unit shall include up to 100% of the cost of acquisition or development of these lands by a local government unit. The local government unit's share of the cost of this acquisition, if any, may be reduced by the (1) fair market value, as determined by the commissioner, of any portion of the lands to be acquired which have been donated to, or otherwise received without cost by, any of the local government units concerned; or (2) in the case of a conveyance of the lands, or any portion thereof, to any of the local government units concerned at less than fair market value, by the difference between fair market value thereof at the time of the conveyance and the conveyance price thereof to the local government unit or units.

c. Loans made to local government units from the "1989 New Jersey Green Trust Fund" established pursuant to section 19 of this act shall bear interest of not more than 2% per year, and shall be for a term of not more than 20 years.

d. A grant by the State for lands to be acquired by a qualifying tax exempt nonprofit organization for recreation and conservation purposes shall include 50% of the cost of acquisition of these lands by a qualifying tax exempt nonprofit organization. To qualify to receive a grant, the board of directors or governing body of the applying tax exempt nonprofit organization shall:

(1) demonstrate to the commissioner that it qualifies as a charitable conservancy for the purposes of P.L.1979, c.378 (C.13:8B-1 et seq.);

(2) demonstrate that it has the resources to match the grant requested;

(3) agree to make and keep the lands accessible to the public, unless the commissioner determines that public accessibility would be detrimental to the lands or any natural resources associated therewith;
(4) agree not to sell, lease, exchange, or donate the lands except to the State, a local government unit, or another qualifying tax exempt nonprofit organization for recreation and conservation purposes; and

(5) agree to execute and donate to the State at no charge a conservation restriction or historic preservation restriction, as the case may be, pursuant to P.L.1979, c.378 (C.13:8B-1 et seq.), on the lands to be acquired utilizing the grant.

10. The bonds authorized under this act shall be serial bonds, term bonds, or a combination thereof, and shall be known as "1989 New Jersey Open Space Preservation Bonds." They shall be issued from time to time as the issuing officials herein named shall determine and may be issued in coupon form, fully-registered form or book-entry form. The bonds may be subject to redemption prior to maturity and shall mature and be paid not later than 35 years from the respective dates of their issuance.

11. The Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury, or any two of these officials, herein referred to as "the issuing officials," are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to the provisions of this act. If an issuing official is absent from the State or incapable of acting for any reason, the powers and duties of that issuing official shall be exercised and performed by the person authorized by law to act in an official capacity in the place of that issuing official.

12. Bonds issued in accordance with the provisions of this act are a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest and redemption premium thereon, if any, when due, and for the payment of the principal thereof at maturity or earlier redemption date. The principal of and interest on the bonds are exempt from taxation by the State or by any county, municipality or other taxing district of the State.

13. The bonds shall be signed in the name of the State by means of the manual or facsimile signature of the Governor under the Great Seal of the State, which seal may be by facsimile or by way of any other form of reproduction on the bonds, and attested by the manual or facsimile signature of the Secretary of State, or an Assistant Secretary of State, and shall be countersigned by the facsimile signa-
ture of the Director of the Division of Budget and Accounting in the Department of the Treasury and may be manually authenticated by an authenticating agent or bond registrar, as the issuing officials shall determine. Interest coupons, if any, attached to the bonds shall be signed by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury. The bonds may be issued notwithstanding that an official signing them or whose manual or facsimile signature appears on the bonds or coupons has ceased to hold office at the time of issuance, or at the time of the delivery of the bonds to the purchaser thereof.

14. a. The bonds shall recite that they are issued for the purposes set forth in section 5, 6, or 7 of this act, that they are issued pursuant to this act, that this act was submitted to the people of the State at the general election held in the month of November, 1989, and that this act was approved by a majority of the legally qualified voters of the State voting thereon at the election. This recital shall be conclusive evidence of the authority of the State to issue the bonds and their validity. Any bonds containing this recital shall, in any suit, action or proceeding involving their validity, be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of laws applicable hereto, and shall be incontestable for any cause.

b. The bonds shall be issued in those denominations and in the form or forms, whether coupon, fully-registered or book-entry, and with or without provisions for interchangeability thereof, as may be determined by the issuing officials.

15. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; except that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

16. The bonds shall be issued and sold at the price or prices and under the terms, conditions and regulations as the issuing officials may prescribe, after notice of the sale, published at least once in at least three newspapers published in this State, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in this State or in the city of New York, the first notice to appear at least five days prior to the day of bidding.
The notice of sale may contain a provision to the effect that any bid in pursuance thereof may be rejected. In the event of rejection or failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of the advertised sale, may sell the bonds at a private sale at such price or prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at a private sale, without advertisement.

17. Until permanent bonds are prepared, the issuing officials may issue temporary bonds in the form and with those privileges as to their registration and exchange for permanent bonds as may be determined by the issuing officials.

18. The State Treasurer shall establish a fund, to be known as the “1989 New Jersey Green Acres Fund,” and the moneys therein are to be held in those depositories as the State Treasurer may select. The State Treasurer shall deposit into the fund all proceeds from the sale of the bonds issued by the State under this act for State acquisitions as set forth in subsection a. of section 5 of this act. These moneys in the fund are specifically dedicated and shall be applied to the cost of these purposes. Such grants, contributions, donations and reimbursement from federal aid programs as may be lawfully used for the purposes of making grants to local government units and matching grants to qualifying tax exempt and nonprofit organizations for recreation and conservation purposes, shall also be held in the “1989 New Jersey Green Acres Fund.” The moneys in the fund shall not be expended except in accordance with appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature has not adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the “1989 New Jersey Green Acres Fund” shall identify the particular project or projects to be funded with such moneys.

19. The State Treasurer shall establish a revolving, nonlapsing fund to be known as the “1989 New Jersey Green Trust Fund,” and the moneys therein are to be held in those depositories as the State Treasurer may select. The State Treasurer shall deposit into the fund all proceeds from the sale of the bonds issued by the State under this act for grants and loans as set forth in subsection b. of section 5 of this act. Moneys derived from the payment of interest and principal on the loans to local government units authorized in subsection b. of section 5 of this act, and such grants, contributions, dona-
tions and reimbursement from federal aid programs as may lawfully be used for the purposes of making grants and loans to local government units for recreation and conservation purposes, shall also be held in the "1989 New Jersey Green Trust Fund."

20. Except as otherwise authorized by this act, the moneys in the "1989 New Jersey Green Trust Fund" are specifically dedicated and shall be applied to the cost of providing grants and loans as set forth in subsection b. of section 5 of this act. Moneys in this fund shall not be expended except in accordance with appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature has not adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the "1989 New Jersey Green Trust Fund" shall identify the particular project or projects to be funded with such moneys.

21. Any proceeds from the sale of lands acquired with funds made available pursuant to P.L.1961, c.46; P.L.1971, c.165; P.L.1974, c.102; P.L.1978, c.118; and P.L.1983, c.354, and any proceeds from the sale of lands acquired for recreation and conservation purposes with funds made available pursuant to P.L.1987, c.265, may be deposited in the "1989 New Jersey Green Trust Fund" established in this act, or in any fund established in any subsequent bond act enacted for similar purposes.

22. The State Treasurer shall establish a fund to be known as the "1989 Farmland Preservation Fund," and the moneys therein are to be held in those depositories as the State Treasurer may select. The State Treasurer shall deposit into the fund all proceeds from the sale of bonds issued by the State under this act for the acquisition of development easements or fee simple absolute titles on farmland and for soil and water conservation projects, all as set forth in section 6 of this act. The moneys in this fund are specifically dedicated and shall be applied to the cost of the purposes set forth in section 6 of this act. No moneys in this fund shall be expended except in accordance with appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature has not adopted an act making a specific appropriation of any of the moneys.

23. The State Treasurer shall establish a fund to be known as the "1989 Development Potential Transfer Bank Fund," and the moneys therein are to be held in those depositories as the State Treasurer may select. The State Treasurer shall deposit into the fund all proceeds from the sale of bonds issued by the State under this
act for funding development potential transfer banks as set forth in section 7 of this act. The moneys in this fund are specifically dedicated and shall be applied to the cost of the purposes set forth in section 7 of this act. No moneys in this fund shall be expended except in accordance with appropriations from the fund made by law, but bonds may be issued as herein provided, notwithstanding that the Legislature has not adopted an act making a specific appropriation of any of the moneys.

24. a. At any time prior to the issuance and sale of bonds authorized to be issued under this act, the State Treasurer is authorized to transfer from available money in any fund of the treasury of the State to the credit of the "1989 New Jersey Green Acres Fund," the "1989 New Jersey Green Trust Fund," the "1989 Farmland Preservation Fund," or the "1989 Development Potential Transfer Bank Fund," such sums as may be deemed necessary for the applicable purposes of this act by the State House Commission. The sums so transferred shall be returned to the same fund of the treasury by the State Treasurer from the proceeds of the sale of the first issue of those bonds.

b. Pending their application to the purposes provided in the applicable provisions of this act, moneys in the "1989 New Jersey Green Acres Fund," the "1989 New Jersey Green Trust Fund," the "1989 Farmland Preservation Fund," and the "1989 Development Potential Transfer Bank Fund," may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in these funds shall be redeposited and become part of the respective funds.

25. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.

26. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties
imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

27. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

28. The issuing officials may issue refunding bonds in an amount not to exceed the amount necessary to effectuate the refinancing of any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:

a. Refunding bonds may be issued at any time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on the bonds to be refinanced to the date of payment of the outstanding bonds, the expense of issuing the refunding bonds and the expenses, if any, of paying the bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the price or prices paid to the State by the initial purchasers of those refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to
be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on those bonds to be refinanced to the date of payment of those bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying those bonds to be refinanced, or, to the extent not required for that immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof, as the case may be. The proceeds or moneys so held by the trustees or escrow agents may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States; provided those government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from the principal or interest payments on those government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the trustees or escrow agents, and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds to be refinanced, on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from those reinvestments, to the extent not required for the payment of bonds, shall be paid over to the State, as received by the trustees or escrow agents. Notwithstanding anything to the contrary contained herein: (1) the trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (a) the purchase of bonds which were refinanced by the deposit with the trustees or
escrow agents of the moneys and government securities and immediately thereafter cancel all outstanding bonds so purchased or (b) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the outstanding bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and (2) in the event that on any date, as a result of any purchases and cancellations of the outstanding bonds or any purchases of different government securities as provided in this subsection, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which such deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on those remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of that excess to the State. Any amounts held by the State Treasurer in a separate fund or funds for the payment of the principal of, redemption premium, if any, and interest on bonds to be refinanced, as provided herein, shall, if so directed by the issuing officials, be transferred by the State Treasurer for deposit with one or more trustees or escrow agents, as provided herein, to be applied to the payment when due of the principal of, redemption premium, if any, and interest to become due on those bonds to be refinanced, as provided in this section, or be applied by the State Treasurer to the payment when due of the principal of, redemption premium, if any, and interest on refunding bonds issued hereunder to refinance those bonds. The State Treasurer is authorized to enter into contracts with one or more trust companies or national or state banks, as provided herein, to act as trustees or escrow agents, as provided herein, subject to the approval of the issuing officials.

e. Notwithstanding the provisions of section 16 of this act, any series of refunding bonds issued pursuant to this section shall mature at any time or times not later than five years following the latest scheduled final maturity date, determined without regard to any redemptions prior thereto, of any of the bonds to be refunded thereby, and in no event later than 35 years following the date of issuance.
of that series of refunding bonds, and those refunding bonds may be
sold at public or private sale at prices and under terms, conditions
and regulations as the issuing officials may prescribe. Refunding
bonds shall be entitled to all the benefits of this act and subject to
all its limitations, except as to sale provisions and to the extent
therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding
bonds pursuant to this section, and prior to the sale of those bonds,
the issuing officials shall transmit to the Joint Budget Oversight
Committee, or its successor, a report that a decision has been made,
reciting the basis on which the decision was made, including an
estimate of the debt service savings to be achieved and the calcu-
lations upon which the issuing officials relied when making the de-
cision to issue refunding bonds. The report also shall disclose the
intent of the issuing officials to issue and sell the refunding bonds
at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall
have authority to approve or disapprove the sale of refunding bonds
as included in each report submitted in accordance with subsection
f. of this section. The committee, or its successor, shall notify the
issuing officials in writing of the approval or disapproval as ex-
peditiously as possible.

h. No refunding bonds shall be issued unless the report has been
submitted to and approved by the Joint Budget Oversight Com-
mittee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing
officials shall notify the Joint Budget Oversight Committee, or its
successor, of the result of that sale, including the prices and terms,
conditions and regulations concerning the refunding bonds, the
actual amount of debt service savings to be realized as a result of
the sale of refunding bonds, and the intended use of the proceeds
from the sale of those bonds.

j. The Joint Budget Oversight Committee, or its successor, shall,
however, review all information and reports submitted in accordance
with this section and may, on its own initiative, make observations
and recommendations to the issuing officials, or to the Legislature,
or both, as it deems appropriate.

29. Any bond or bonds issued hereunder shall no longer be
deemed to be outstanding, shall no longer constitute a direct obli-
gation of the State of New Jersey, and the faith and credit of the
State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein: a. the trustees or escrow agents shall, if so directed
by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and b. in the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

30. Refunding bonds issued pursuant to section 28 of this act may be consolidated with bonds issued pursuant to section 10 of this act or with bonds issued pursuant to any other act for purposes of sale.

31. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived from the collection of taxes under the "Sales and Use Tax Act," P.L.1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities
of the counties of this State, a tax on the real and personal property
upon which municipal taxes are or shall be assessed, levied and
collected, sufficient to meet the interest on all outstanding bonds
issued hereunder and on the bonds proposed to be issued under this
act in the calendar year in which the tax is to be raised and for the
payment of bonds falling due in the year following the year for which
the tax is levied. The tax shall be assessed, levied and collected in
the same manner and at the same time as are other taxes upon real
and personal property. The governing body of each municipality shall
cause to be paid to the county treasurer of the county in which the
municipality is located, on or before December 15 in each year, the
amount of tax herein directed to be assessed and levied, and the
county treasurer shall pay the amount of the tax to the State
Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by
resolution, determine that there are moneys in the General Fund
beyond the needs of the State, sufficient to meet the principal of
bonds falling due and all interest and redemption premium, if any,
payable in the ensuing calendar year, the issuing officials shall file
the resolution in the office of the State Treasurer, whereupon the
State Treasurer shall transfer the moneys to a separate fund to be
designated by the State Treasurer, and shall pay the principal, re­
demption premium, if any, and interest out of that fund as the same
shall become due and payable, and the other sources of payment of
the principal, redemption premium, if any, and interest provided for
in this section shall not then be available, and the receipts for the
year from the tax specified in subsection a. of this section shall be
considered and treated as part of the General Fund, available for
general purposes.

32. Should the State Treasurer, by December 31 of any year,
deem it necessary, because of the insufficiency of funds collected from
the sources of revenues as provided in this act, to meet the interest
and principal payments for the year after the ensuing year, then the
State Treasurer shall certify to the Director of the Division of Budget
and Accounting in the Department of the Treasury the amount
necessary to be raised by taxation for those purposes, the same to be
assessed, levied and collected for and in the ensuing calendar year.
The director shall, on or before March 1 following, calculate the
amount in dollars to be assessed, levied and collected in each county
as herein set forth. This calculation shall be based upon the corrected
assessed valuation of each county for the year preceding the year in
which the tax is to be assessed, but the tax shall be assessed, levied
and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

33. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1989. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 60 days prior to the election, to cause this act to be published at least once in one or more newspapers of each county, if any newspapers be published therein, and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

If you approve of the act entitled below, make a cross (X), plus (+), or check (√) mark in the square opposite the word “Yes.”

If you disapprove of the act entitled below, make a cross (X), plus (+), or check (√) mark in the square opposite the word “No.”

If voting machines are used, a vote of “Yes” or “No” shall be equivalent to these markings respectively.

and matching grants to qualifying tax exempt nonprofit organizations to help meet the cost of public acquisition and development of lands for recreation and conservation purposes; and in a principal amount sufficient to refinance any of the bonds if the same will result in a present value savings; and providing the ways and means to pay and discharge the principal and interest thereof, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of $300,000,000 in State general obligation bonds to be used for acquiring and developing lands for recreation and conservation purposes, purchasing farmland or its development rights, funding farmland soil and water conservation projects, and funding development potential transfer banks. The revenue raised for conservation or recreation purposes from the bonds would be used for State projects and for grants and low-interest loans to local governments for local projects, and matching grants to qualifying tax exempt nonprofit organizations. The farmland acquisition and soil and water conservation moneys would be used for existing farmland preservation programs. The act also authorizes the issuance of bonds in a sufficient amount to refinance any of these bonds if the same will result in a present value savings.

The fact and date of the approval or passage of this act, as the case may be, may be inserted in the appropriate place after the title in the ballot. No other requirements of law of any kind or character as to notice or procedure, except as herein provided, need be adhered to.

The votes so cast for and against the approval of this act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of the election had in the same
manner as is provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined shall be declared in the same manner as the result of an election for a Governor, and if there is a majority of all the votes cast for and against it at the election in favor of the approval of this act, then all the provisions of this act not made effective theretofore shall take effect forthwith.

34. There is appropriated the sum of $5,000 to the Department of State for expenses in connection with the publication of notice pursuant to section 33 of this act.

35. a. The secretary shall adopt, pursuant to law, rules and regulations necessary to carry out the provisions of this act.

b. The commissioner shall adopt, pursuant to law, rules and regulations necessary to implement the provisions of this act, including rules and regulations governing the awarding and use of grants and loans including, but not limited to, eligibility requirements, procedures for the submission of applications, standards for the evaluation of applications, requirements for the reporting by the recipients of the expenditure of funds, and any limitations, restrictions or requirements concerning the use of a grant or loan as the commissioner may prescribe.

36. The commissioner and the secretary, as appropriate, shall submit to the State Treasurer and the commission with the respective department’s annual budget request a plan for the expenditure of funds from the “1989 New Jersey Green Acres Fund,” the “1989 New Jersey Green Trust Fund,” the “1989 Farmland Preservation Fund,” and the “1989 Development Potential Transfer Bank Fund,” for the upcoming fiscal year. This plan shall include the following information: a performance evaluation of the expenditures made from the fund to date; a description of programs planned during the upcoming fiscal year; a copy of the regulations in force governing the operation of programs that are financed, in part or in whole, by funds from the respective funds; and an estimate of expenditures for the upcoming fiscal year.

37. Immediately following the submission to the Legislature of the Governor’s annual budget message, the commissioner and the secretary shall submit to the Senate Natural Resources and Agriculture Committee and the General Assembly Conservation, Natural Resources and Energy Committee, or their successors, and to the Joint Budget Oversight Committee, or its successor, a copy of the
plan called for under section 36 of this act, together with such changes therein as may have been required by the Governor's budget message.

38. Not less than 30 days prior to entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the commissioner or the secretary, as appropriate, shall report to and consult with the Joint Budget Oversight Committee, or its successor.

39. All appropriations from the bond fund shall be by specific allocation for each project, and any transfer of any funds so appropriated shall require the approval of the Joint Budget Oversight Committee or its successor.

40. This section and sections 33 and 34 of this act shall take effect immediately and the remainder of this act shall take effect as provided in section 33.

Approved August 17, 1989.

CHAPTER 184

AN ACT authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the aggregate principal amount of $125,000,000 for the purpose of the planning, construction, reconstruction, development, erection, acquisition, extension, improvement, rehabilitation and equipment of State and community-based human services facilities and State correctional facilities; authorizing the issuance of refunding bonds; providing the ways and means to pay and discharge the principal of and interest on the bonds and refunding bonds; providing for the submission of this act to the people at a general election; and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Public Purpose Buildings and Community-Based Facilities Construction Bond Act of 1989."

2. The Legislature finds and declares that:

a. The State of New Jersey requires an immediate program to support community grants for the development of such facilities as
group homes and other community-based facilities for the mentally ill and developmentally disabled.

b. Increased community efforts are necessary to provide the proper level of services in local areas, and thereby decrease the client population served by institutional care at State human services facilities.

c. The State of New Jersey requires an immediate program for capital improvements at human services facilities, in the areas of life safety, accreditation, physical plant and program improvement projects.

d. The State of New Jersey requires an immediate program for the construction of additional State facilities for the incarcerated.

e. Implementation of these programs will be a substantial step toward meeting the immediate and critical need of the people of New Jersey, will substantially further the public interest, and can be most economically financed through a bond issue.

3. As used in this act, unless the context indicates a different meaning or intent:

“Bonds” means the bonds authorized to be issued, or issued, under this act.

“Construct” and “construction” means, in addition to the usual meaning thereof, the planning, erecting, purchasing, improving, developing, constructing, reconstructing, extending, rehabilitating, renovating, upgrading, demolishing and equipping of public purpose buildings.

4. a. The Commissioner of Human Services and the Commissioner of Corrections shall each adopt, as appropriate, pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), rules and regulations necessary to implement the provisions of this act. Each commissioner shall review and consider the findings
and recommendations of the New Jersey Commission on Capital Budgeting and Planning in the administration of the provisions of this act.

b. Of the amount allocated to the Department of Human Services for State institutions for the mentally ill and developmentally disabled, funds shall be appropriated by the Legislature only in accordance with a human services master plan which includes a needs assessment of the capital facilities required for the provision of an adequate level of care for the mentally ill and developmentally disabled populations and an integrated plan for the use and rehabilitation of current facilities with new capital facilities. The plan shall be developed in consultation with appropriate community mental health and developmental disabilities services providers and shall be submitted by the Commissioner of Human Services to the Commission on Capital Budgeting and Planning for review and approval.

5. Bonds of the State of New Jersey are authorized to be issued in the aggregate principal amount of $125,000,000 for the purpose of capital expenditure for the cost of construction of public purpose buildings.

a. Of this total, $90,000,000 shall be allocated to the Department of Human Services; $30,000,000 of which shall be for State institutions for the mentally ill and developmentally disabled and $60,000,000 of which shall be for community-based facilities for the mentally ill and developmentally disabled. The proceeds from the sale of bonds shall be utilized for the following purposes:

(1) Life safety projects to abate hazards to clients and employees at human services facilities.

(2) Accreditation projects to provide improved living conditions for clients, in accordance with requirements contained in accreditation and certification surveys.

(3) Community grant projects to develop residential and service facilities in the community.

(4) Physical plant projects to maintain the operational integrity of human services facilities.

(5) Program improvement projects to materially add to or upgrade human services facilities.

b. Of this total, $35,000,000 shall be allocated to the Department of Corrections for construction of State correctional facilities.
6. The bonds authorized under this act shall be serial bonds, term bonds, or a combination thereof, and shall be known as "Public Purpose Buildings and Community-Based Facilities Construction Bonds." They shall be issued from time to time as the issuing officials herein named shall determine and may be issued in coupon form, fully-registered form or book-entry form. The bonds may be subject to redemption prior to maturity and shall mature and be paid not later than 35 years from the respective dates of their issuance.

7. The Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury, or any two of these officials, herein referred to as "the issuing officials," are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to the provisions of this act. If an issuing official is absent from the State or incapable of acting for any reason, the powers and duties of that issuing official shall be exercised and performed by the person authorized by law to act in an official capacity in the place of that issuing official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest and redemption premium thereon, if any, when due, and for the payment of the principal thereof at maturity or earlier redemption date. The principal of and interest on the bonds shall be exempt from taxation by the State or by any county, municipality or other taxing district of the State.

9. The bonds shall be signed in the name of the State by means of the manual or facsimile signature of the Governor under the Great Seal of the State, which seal may be by facsimile or by way of any other form of reproduction on the bonds, and attested by the manual or facsimile signature of the Secretary of State, or an Assistant Secretary of State, and shall be countersigned by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury and may be manually authenticated by an authenticating agent or bond registrar, as the issuing officials shall determine. Interest coupons, if any, attached to the bonds shall be signed by the facsimile signature of the Director of the Division of Budget and Accounting in the Department of the Treasury. The bonds may be issued notwithstanding that an official signing them or whose manual or facsimile signature appears on the bonds or coupons has ceased to hold office at the time of issuance, or at the time of the delivery of the bonds to the purchaser thereof.
10. a. The bonds shall recite that they are issued for the purposes set forth in section 5 of this act, that they are issued pursuant to this act, that this act was submitted to the people of the State at the general election held in the month of November, 1989, and that this act was approved by a majority of the legally qualified voters of the State voting thereon at the election. This recital shall be conclusive evidence of the authority of the State to issue the bonds and their validity. Any bonds containing this recital shall, in any suit, action or proceeding involving their validity, be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of laws applicable hereto, and shall be incontestable for any cause.

b. The bonds shall be issued in those denominations and in the form or forms, whether coupon, fully-registered or book entry, and with or without provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; except that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. The bonds shall be issued and sold at the price or prices and under terms, conditions and regulations as the issuing officials may prescribe, after notice of the sale, published at least once in at least three newspapers published in this State, and at least once in a publication carrying municipal bond notices and devoted primarily to financial news, published in this State or in the city of New York, the first notice to appear at least five days prior to the day of bidding. The notice of sale may contain a provision to the effect that any bid in pursuance thereof may be rejected. In the event of rejection or failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of the advertised sale, may sell the bonds at a private sale at such price or prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at a private sale, without advertisement.
13. Until permanent bonds are prepared, the issuing officials may issue temporary bonds in the form and with those privileges as to their registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer to be held by the State Treasurer in a separate fund, which shall be known as the “Public Purpose Buildings and Community-Based Facilities Construction Fund.” The proceeds of this fund shall be deposited in those depositories as may be selected by the State Treasurer to the credit of the fund.

15. a. The moneys in the “Public Purpose Buildings and Community-Based Facilities Construction Fund” are specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act. However, no moneys in the fund shall be expended for those purposes, except as otherwise authorized by this act, without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the “Public Purpose Buildings and Community-Based Facilities Construction Fund” shall identify the project to be funded by the moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available moneys in any fund of the treasury of the State to the credit of the “Public Purpose Buildings and Community-Based Facilities Construction Fund” those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purposes provided in this act, the moneys in the “Public Purpose Buildings and Community-Based Facilities Construction Fund” may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in the “Public Purpose Buildings and Community-Based Facilities Construction Fund” shall be paid into the General Fund.

16. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and
delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.

17. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

19. The issuing officials may issue refunding bonds in an amount not to exceed the amount necessary to effectuate the refinancing of any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:

a. Refunding bonds may be issued at any time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on the bonds to be refinanced to the date of payment of the outstanding bonds, the expense of issuing the refunding bonds and the expenses, if any, of paying the bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal
amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual compounding and upon the price or prices paid to the State by the initial purchasers of those refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on those bonds to be refinanced to the date of payment of those bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying those bonds to be refinanced, or, to the extent not required for that immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof, as the case may be. The proceeds or moneys so held by the trustees or escrow agents may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States; provided those government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from the principal or interest payments on those government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the trustees or escrow agents, and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due.
the principal of, redemption premium, if any, and interest to become
due on the bonds to be refinanced, on and prior to the redemption
date or maturity date thereof, as the case may be, and interest earned
from those reinvestments, to the extent not required for the payment
of bonds, shall be paid over to the State, as received by the trustees
or escrow agents. Notwithstanding anything to the contrary con­
tained herein:

(1) The trustees or escrow agents shall, if so directed by the
issuing officials, apply moneys on deposit with the trustees or escrow
agents pursuant to the provisions of this section, and redeem or sell
government securities so deposited with the trustees or escrow agents,
and apply the proceeds thereof to (a) the purchase of the bonds which
were refinanced by the deposit with the trustees or escrow agents of
the moneys and government securities and immediately thereafter
cancel all outstanding bonds so purchased or (b) the purchase of
different government securities; provided however, that the moneys
and government securities on deposit with the trustees or escrow
agents after the purchase and cancellation of the outstanding bonds
or the purchase of different government securities shall be sufficient
to pay when due the principal of, redemption premium, if any, and
interest on all other bonds in respect of which the moneys and
government securities were deposited with the trustees or escrow
agents on or prior to the redemption date or maturity date thereof,
as the case may be; and

(2) In the event that on any date, as a result of any purchases
and cancellations of the outstanding bonds or any purchases of dif­
ferent government securities as provided in this subsection, the total
amount of moneys and government securities remaining on deposit
with the trustees or escrow agents is in excess of the total amount
which would have been required to be deposited with the trustees
or escrow agents on that date in respect of the remaining bonds for
which such deposit was made in order to pay when due the principal
of, redemption premium, if any, and interest on those remaining
bonds, the trustees or escrow agents shall, if so directed by the issuing
officials, pay the amount of that excess to the State. Any amounts
held by the State Treasurer in a separate fund or funds for the
payment of the principal of, redemption premium, if any, and
interest on bonds to be refinanced, as provided herein, shall, if so
directed by the issuing officials, be transferred by the State Treasurer
for deposit with one or more trustees or escrow agents, as provided
herein, to be applied to the payment when due of the principal of,
redemption premium, if any, and interest to become due on those
bonds to be refinanced, as provided in this section, or be applied by
the State Treasurer to the payment when due of the principal of,
redemption premium, if any, and interest on refunding bonds issued
hereunder to refinance those bonds. The State Treasurer is
authorized to enter into contracts with one or more trust companies
or national or state banks, as provided herein, to act as trustees or
escrow agents as provided herein, subject to the approval of the
issuing officials.

e. Notwithstanding the provisions of section 12 of this act, any
series of refunding bonds issued pursuant to this section shall mature
at any time or times not later than five years following the latest
scheduled final maturity date, determined without regard to any
redemptions prior thereto, of any of the bonds to be refunded thereby,
and in no event later than 35 years following the date of issuance
of that series of refunding bonds, and those refunding bonds may be
sold at public or private sale at prices and under terms, conditions
and regulations as the issuing officials may prescribe. Refunding
bonds shall be entitled to all the benefits of this act and subject to
all its limitations, except as to sale provisions and to the extent
therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding
bonds pursuant to this section, and prior to the sale of those bonds,
the issuing officials shall transmit to the Joint Budget Oversight
Committee, or its successor, a report that a decision has been made,
reciting the basis on which the decision was made, including an
estimate of the debt service savings to be achieved and the calcu­
lations upon which the issuing officials relied when making the de­
cision to issue refunding bonds. The report shall also disclose the
intent of the issuing officials to issue and sell the refunding bonds
at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall
have authority to approve or disapprove the sale of refunding bonds
as included in each report submitted in accordance with subsection
f. of this section. The committee shall notify the issuing officials in
writing of the approval or disapproval as expeditiously as possible.

h. No refunding bonds shall be issued unless the report has been
submitted to and approved by the Joint Budget Oversight Commit­
tee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing
officials shall notify the Joint Budget Oversight Committee, or its
successor, of the result of that sale, including the prices and terms, conditions and regulations concerning the refunding bonds, the actual amount of debt service savings to be realized as a result of the sale of refunding bonds, and the intended use of the proceeds from the sale of those bonds.

j. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the issuing officials, or to the Legislature, or both, as it deems appropriate.

20. Any bond or bonds issued hereunder shall no longer be deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest
payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein:

a. The trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and

b. In the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the
amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

21. Refunding bonds issued pursuant to section 19 of this act may be consolidated with bonds issued pursuant to section 6 of this act or with bonds issued pursuant to any other act for purposes of sale.

22. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:

a. Revenue derived from the collection of taxes under the “Sales and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as are other taxes upon real and personal property. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for
in this section shall not then be available, and the receipts for the
year from the tax specified in subsection a. of this section shall be
considered and treated as part of the General Fund, available for
general purposes.

23. Should the State Treasurer, by December 31 of any year,
dezem it necessary, because of the insufficiency of funds collected from
the sources of revenues as provided in this act, to meet the interest
and principal payments for the year after the ensuing year, then the
State Treasurer shall certify to the Director of the Division of Budget
and Accounting in the Department of the Treasury the amount
necessary to be raised by taxation for those purposes, the same to
be assessed, levied and collected for and in the ensuing calendar year.
The director shall, on or before March 1 following, calculate the
amount in dollars to be assessed, levied and collected in each county
as herein set forth. This calculation shall be based upon the corrected
assessed valuation of each county for the year preceding the year in
which the tax is to be assessed, but the tax shall be assessed, levied
and collected upon the assessed valuation of the year in which the
tax is assessed and levied. The director shall certify the amount to
the county board of taxation and the treasurer of each county. The
county board of taxation shall include the proper amount in the
current tax levy of the several taxing districts of the county in propor­
tion to the ratables as ascertained for the current year.

24. For the purpose of complying with the provisions of the State
Constitution, this act shall be submitted to the people at the general
election to be held in the month of November, 1989. To inform the
people of the contents of this act, it shall be the duty of the Secretary
of State, after this section takes effect, and at least 60 days prior
to the election, to cause this act to be published at least once in one
or more newspapers of each county, if any newspapers be published
therein and to notify the clerk of each county of this State of the
passage of this act; and the clerks respectively, in accordance with
the instructions of the Secretary of State, shall have printed on each

(+), or check (✓) mark in the square opposite the word “Yes.”

If voting machines are used, a vote of “Yes” or “No” shall be
equivalent to these markings respectively.

INTERPRETIVE STATEMENT

The votes cast for and against the approval of this act, by ballot or voting machine, shall be counted and the result thereof returned by the election officer, and a canvass of the election had in the same manner as is provided for by law in the case of the election of a Governor, and the approval or disapproval of this act so determined shall be declared in the same manner as the result of an election for a Governor, and if there is a majority of all votes cast for and against it at the election in favor of the approval of this act, then all the provisions of this act not made effective theretofore shall take effect forthwith.

25. There is appropriated the sum of $5,000.00 to the Department of State for expenses in connection with the publication of notice pursuant to section 24 of this act.

This plan shall include the following information: a performance evaluation of the expenditures made from the fund to date; a description of programs planned during the upcoming fiscal year; a copy of the regulations in force governing the operation of programs that are financed, in part or in whole, by funds from the "Public Purpose Buildings and Community-Based Facilities Construction Fund"; and an estimate of expenditures for the upcoming fiscal year.

27. Immediately following the submission to the Legislature of the Governor's annual budget message, the Commissioner of Human
Services and the Commissioner of Corrections shall each submit to the relevant standing committees of the Legislature, as designated by the President of the Senate and the Speaker of the General Assembly, and to the Joint Budget Oversight Committee, or its successor, a copy of the plan called for under section 26 of this act, together with such changes therein as may have been required by the Governor's budget message.

28. Not less than 30 days prior to entering into any contract, lease, obligation, or agreement to effectuate the purposes of this act, the Commissioner of Human Services or the Commissioner of Corrections, as the case may be, shall report to and consult with the Joint Budget Oversight Committee, or its successor.

29. All appropriations from the “Public Purpose Buildings and Community-Based Facilities Construction Fund” shall be by specific allocation for each project, and any transfer of any funds so appropriated shall require the approval of the Joint Budget Oversight Committee, or its successor.

30. This section and sections 24 and 25 of this act shall take effect immediately and the remainder of this act shall take effect as and when provided in section 24.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:27D-123a Adoption of radon hazard code.

1. The Commissioner of Community Affairs shall adopt, pursuant
to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), a radon hazard code, or may propose amendments to revise the appropriate model code adopted pursuant to the “State Uniform Construction Code Act,” P.L.1975, c.217 (C.52:27D-119 et seq.), for the purpose of establishing adequate and appropriate standards to ensure that schools and residential buildings within tier one areas, as defined by the Department of Environmental Protection pursuant to P.L.1985, c.408 (C.26:2D-59 et seq.), are constructed in a manner that minimizes radon gas and radon progeny entry and facilitates any subsequent remediation that might prove necessary. In preparing the radon hazard code standards, the commissioner shall employ a guideline of four picocuries per liter or such other action level standard as the Department of Environmental Protection may establish subsequent to the effective date of this act.

The department shall include in the radon hazard code standards such testing requirements as may prove reliable, practical and economical to identify sites where a proposed school or residential building will require construction in a manner that minimizes radon gas and radon progeny entry and facilitates any subsequent remediation. If a feasible predictive test method is developed, then the standards adopted pursuant to the “State Uniform Construction Code Act,” P.L.1975, c.217 (C.52:27D-119 et seq.), shall be revised to include such further changes in construction standards as may be necessary to prevent the entry of radon gas and radon progeny into new schools or residential buildings.

No person who constructs a school or residential building in compliance with these standards anywhere within the State shall thereafter be held liable for the presence of radon gas or radon progeny in the school or residential building, or for any losses or damage to persons or property resulting therefrom.

C.52:27D-123b Construction to be in accordance with radon hazard code standards.

No construction permit shall be issued for the construction of any new school or residential building in a tier one area, except after submission to the construction official of documentation sufficient to establish that the construction will be in accordance with the radon hazard code standards adopted pursuant to section 1 of this act.

C.52:27D-123c Certificate of occupancy contingent on conformity with radon hazard code standards.

3. No certificate of occupancy shall be issued for any newly constructed school or residential building required to be constructed in accordance with radon hazard code standards as provided in section
2 of this act, except upon verification by the construction official that the school or residential building conforms to the radon hazard code standards.

C.52:27D-123d Testing of building sites for presence of radon hazards.

4. The Department of Community Affairs, in consultation with the Department of Environmental Protection, the National Institute of Standards and Technology, the National Association of Homebuilders Research Center and the United States Environmental Protection Agency, shall investigate methods of testing building sites for the purpose of predicting the presence of radon hazards in buildings to be constructed thereon.

C.52:27D-123e Training of construction officials.

5. The Department of Community Affairs shall take such actions as are necessary to train construction officials in the implementation of this act.

6. This act shall take effect immediately.

designed to be carried on the person, must be signed by the donor in the presence of two witnesses who must sign the document in his presence. If the donor cannot sign, the document may be signed for him at his direction and in his presence in the presence of two witnesses who must sign the document in his presence. Delivery of the document of gift during the donor's lifetime is not necessary to make the gift valid.

(c) The gift may be made to a specified donee or without specifying a donee. If the latter, the gift may be accepted by the attending physician as donee upon or following death. If the gift is made to a specified donee who is not available at the time and place of death, the attending physician upon or following death, in the absence of any expressed indication that the donor desired otherwise, may accept the gift as donee. The physician who becomes a donee under this subsection shall not participate in the procedures for removing or transplanting a part.

(d) Notwithstanding section 7(b), the donor may designate in his will, card, or other document of gift the surgeon or physician to carry out the appropriate procedures. b. The loans authorized in this section shall be made for the difference between the loan amounts certified by the commissioner in State fiscal years 1988 and 1989 and the allowable loan amounts required by these projects based upon low bid building costs pursuant to section 6 of this act. The loans authorized in this section shall be made to the local government units listed, up to the individual amounts indicated and in the priority stated, to the extent sufficient funds are available, except as any such project fails to meet the requirements of section 4 of this act.

c. The zero interest loans for projects authorized in this section shall have priority over projects listed in section 2 of this act. No loans authorized in this section for Project No. S340447-04-1 (Elizabeth City: $1,440,430) or Project No. S340825-01-1 (Berkeley Heights Township: $594,450) shall be made with funds deposited in the State Revolving Fund Accounts.

4. Any loan made by the Department of Environmental Protection pursuant to this act shall be subject to the following requirements:
a. The commissioner has certified that the project is in compliance with the provisions of P.L.1985, c.329 and any rules and regulations adopted pursuant thereto;

b. The loan amount shall not exceed 50% of the allowable project cost of a wastewater treatment system;

c. The loan shall be repaid within a period not to exceed 23 years of the making of the loan;

d. The loan shall be conditioned upon approval of a loan from the New Jersey Wastewater Treatment Trust pursuant to P.L.1989, c.190;

e. The loan shall be subject to any other terms and conditions as may be established by the commissioner and approved by the State Treasurer, which may include subordination of a loan authorized in this act to loans made by the trust pursuant to P.L.1989, c.190 or to administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5).

5. The priority list and loans authorized pursuant to sections 2 and 3 of this act shall expire on July 1, 1990, and any local government unit which has not executed and delivered a loan agreement with the department for a loan authorized in this act shall no longer be entitled to that loan.

6. The Commissioner of Environmental Protection is authorized to reduce the individual amount of loan funds made available to local government units pursuant to sections 1 and 2 of this act based upon low bid building costs defined in and determined in accordance with rules and regulations adopted by the commissioner pursuant to section 4 of P.L.1985, c.329.

7. The expenditure of the funds appropriated by this act is subject to the provisions and conditions of P.L.1985, c.329 and any rules and regulations adopted by the commissioner pursuant thereto.

8. The Department of Environmental Protection shall provide general technical assistance to any local government unit requesting assistance regarding wastewater treatment system project development or applications for funds for a project.

9. Prior to repayment to the "Wastewater Treatment Fund" pursuant to the provisions of section 16 of P.L.1985, c.329, repayments of loans made pursuant to this act may be utilized by the New Jersey Wastewater Treatment Trust established pursuant to
P.L.1985, c.334 (C.58:11B-1 et seq.) under terms and conditions established by the commissioner and trust, and approved by the State Treasurer, and consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) and federal tax law, to the extent necessary to secure repayment of trust bonds issued to finance loans approved pursuant to P.L.1989, c.190, and to secure the administrative fees payable to the trust pursuant to subsection o. of section 5 of P.L.1985, c.334 (C.58:11B-5) by the local government units receiving trust loans. To the extent that any loan repayment sums are used to secure trust bond repayments or administrative fee payments, the trust shall repay such sums to the department for deposit into the “Wastewater Treatment Fund.”

10. The Commissioner of Environmental Protection is authorized to enter into a capitalization grant agreement as may be required pursuant to the “Water Quality Act of 1987” (33 U.S.C.§ 1251 et seq.).

11. a. The Director of the Division of Budget and Accounting in the Department of the Treasury is directed to transfer to the “Wastewater Treatment Fund” the entire sum of money appropriated to the Department of Environmental Protection for “Public Wastewater Facilities” in the “State Aid” section of P.L.1989, c.122. The sum transferred to the “Wastewater Treatment Fund” pursuant to this section is appropriated to the New Jersey Wastewater Treatment Trust established pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.). The trust shall deposit all or a portion of this sum as it may deem necessary and appropriate into one or more reserve funds established pursuant to section 11 of P.L.1985, c.334 (C.58:11B-11). These reserve funds shall include reserve funds constituted collectively as a water pollution control revolving fund for the purposes of the federal “Water Quality Act of 1987” and shall be known as the Trust Reserve Fund—State Revolving Fund Accounts; except that the trust shall not establish the Trust Reserve Fund—State Revolving Fund Accounts prior to the execution of a capitalization grant agreement entered into by the Commissioner of Environmental Protection pursuant to section 10 of this act.

b. Any portion of the sum appropriated to the trust pursuant to subsection a. of this section, plus any net earnings received from the investment or deposit of such moneys by the trust not required by the trust to establish reserve funds as provided in this section, shall be returned to the “Wastewater Treatment Fund” and placed in any account therein as determined by the commissioner to be used by
the department for making zero interest loans to local government units to finance a portion of the cost of the wastewater treatment system projects listed in sections 2 and 3 of this act up to the individual amounts indicated and in the priority stated, except as any such amount may be reduced by the commissioner pursuant to section 6 of this act or if a project fails to meet the requirements of section 4 of this act; and except that the commissioner shall certify to the chairman of the trust that such funds are needed for zero interest loans before any transfer is made. In the event that the commissioner fails to make this certification, the unexpended balance not devoted to establishing reserve funds shall remain with the trust but shall not be expended by the trust until such expenditure is authorized pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.).

12. This act shall take effect immediately, but shall remain inoperative until the enactment of P.L.1989, c.190.

Approved October 2, 1989.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The New Jersey Wastewater Treatment Trust, established pursuant to P.L.1985, c.334 (C.58:11B-1 et seq.), is authorized to expend the aggregate sum of up to $85,000,000.00, and any unexpended balance of the aggregate expenditures authorized pursuant to section 1 of P.L.1987, c.199 and section 1 of P.L.1988, c.132, for the purpose of making loans, to the extent sufficient funds are available, to local government units to finance a portion of the costs of construction of wastewater treatment system projects listed in section 3 of this act. 2. The New Jersey Wastewater Treatment Trust is authorized to make loans to the local government units and for the wastewater treatment system projects listed in section 3 of this act up to the individual amounts indicated and in the priority stated, except as any such amount may be reduced by the trust pursuant to subsection a. of section 7 of this act, or if a project fails to meet the requirements of section 6 of this act.

b. The loans authorized in this section shall be made for the difference between the loan amounts certified by the chairman of the trust in State fiscal years 1988 and 1989 and the allowable loan amounts required by these projects based upon low bid building costs pursuant to subsection a. of section 7 of this act. The trust is authorized to increase that aggregate sum by the amounts of capi-
talized interest and the bond issuance expenses as provided in subsection b. of section 7 of this act. The loans authorized in this section shall be made to the local government units listed, up to the individual amounts indicated and in the priority stated, to the extent sufficient funds are available, except as any such project fails to meet the requirements of section 6 of this act.

c. The loans authorized in this section shall have priority over the wastewater treatment system projects listed in section 3 of this act.

5. In accordance with and subject to the provisions of sections 5, 6 and 23 of P.L.1985, c.334 (C.58:11B-5, 58:11B-6 and 58:11B-23) and as set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21), any proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects listed in sections 3 and 4 of this act which are not expended for that purpose may be applied for the payment of all or any part of the principal of and interest and premium on the trust bonds whether due at stated maturity or earlier upon redemption. A portion of the proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses.

6. Any loan made by the New Jersey Wastewater Treatment Trust pursuant to this act shall be subject to the following requirements:

a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L.1985, c.334 and any rules and regulations adopted pursuant thereto;

b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the “Wastewater Treatment Fund” established pursuant to the “Wastewater Treatment Bond Act of 1985,” P.L.1985, c.329;

c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;

d. The loan shall not exceed 50% of the allowable project cost of a wastewater treatment system, exclusive of capitalized interest and issuance expenses as provided in subsection b. of section 7 of this act;
e. The loan shall bear interest at or below the interest rate paid by the trust on the bonds issued to make the loans authorized by this act, adjusted for underwriting discount, in accordance with the terms and conditions set forth in the financial plan required pursuant to section 21 of P.L.1985, c.334 (C.58:11B-21); and

f. The loan shall be subject to all other terms and conditions as the trust shall determine to be consistent with the provisions of P.L.1985, c.334 (C.58:11B-1 et seq.) and any rules and regulations adopted pursuant thereto, and with the financial plan required by section 21 of P.L.1985, c.334 (C.58:11B-21).

The priority list and loans authorized pursuant to sections 2, 3 and 4 of this act shall expire on July 1, 1990, and any local government unit which has not executed and delivered a loan agreement with the trust for a loan authorized in this act shall no longer be entitled to that loan.

7. a. The New Jersey Wastewater Treatment Trust is authorized to reduce the individual amount of loan funds made available to local government units pursuant to sections 2 and 3 of this act based upon low bid building costs defined in and determined in accordance with rules and regulations adopted by the trust pursuant to section 27 of P.L.1985, c.334 (C.58:11B-27).

b. The trust is authorized to increase each loan amount authorized in sections 2, 3 and 4 of this act by the amount of capitalized interest and issuance expenses allocable to each loan made by the trust pursuant to this act; provided that the increase for issuance expenses, excluding underwriters' discount and municipal bond insurance premiums, shall not exceed .15% of the principal amount of trust bonds issued to make loans authorized by this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.32:11E-1.1 Public hearing required for Delaware River and Bay Authority project approval.

1. The Delaware River and Bay Authority shall not approve any project, other than a crossing, or part thereof without first holding a public hearing on the proposed project. The authority shall cause to be published notice of the public hearing at least 10 days prior to the hearing in at least three newspapers with a daily circulation in Cape May, Cumberland, Gloucester and Salem counties. The Delaware River and Bay Authority shall not undertake any project, other than a crossing, to be located in the State of New Jersey or in the Delaware River or Bay, without having first secured legislative authorization and approval of each specific project or part thereof pursuant to New Jersey law.

C.32:11E-1.2 Delaware Memorial Bridge toll increases regulated.

2. The authority shall not increase any rate of Delaware Memorial Bridge toll charged as a volume discount rate from the rate in effect on the earlier of the effective date of (i) ___ Del. Laws, C.___, §__ (now pending before the Delaware General Assembly as House Bill No. ___) or (ii) New Jersey P.L.1989, c.192, for a period of 10 years following that date, if the increase would cause the volume discount rate to exceed 25% of the basic toll rate charged by the authority for individual crossings of the bridge by passenger automobiles, provided that the authority may raise the volume discount rate in excess of this 25% limitation to the extent that the increase is determined by the authority to be reasonably necessary for the protection of the authority's bondholders in accordance with Article XI of the "Delaware-New Jersey Compact," P.L.1961, c.66 (C.32:11E-1).

C.32:11E-1.3 Modifications of Delaware-New Jersey Compact; consent, approval.

shall have all the powers the State of Delaware and the State of New Jersey may confer upon it without the consent and approval of Congress.

4. This act shall take effect upon the effective date of P.L.1989, c.192.
   Approved October 18, 1989.

CHAPTER 192

AN ACT concerning the Delaware River and Bay Authority and amending P.L.1961, c.66.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1961, c.66 (C.32:11E-1) is amended to read as follows:

   C.32:11E-1 Delaware-New Jersey Compact.

   1. The State of New Jersey hereby agrees with the State of Delaware, upon enactment by the State of Delaware of legislation having the same effect as this section, to the following compact:

      DELAWARE-NEW JERSEY COMPACT

      WHEREAS, The states of Delaware and New Jersey are separated by the Delaware River and Bay which create a natural obstacle to the uninterrupted passage of traffic other than by water and with normal commercial activity between the two states thereby hindering the economic growth and development of those areas in both states which border the river and bay; and

      WHEREAS, The pressures of existing trends from increasing traffic, growing population and greater industrialization indicate the need for closer cooperation between the two states in order to advance the economic development and to improve crossings, transportation, terminal and other facilities of the area; and

      WHEREAS, The financing, construction, operation and maintenance of such crossings, transportation, terminal and other facilities of commerce and the overall planning for future economic development of the area may be best accomplished for the benefit of the two states and their citizens, the region and nation, by
the cordial cooperation of Delaware and New Jersey by and through a joint or common agency or authority; and

WHEREAS, The Delaware-New Jersey Compact, enacted pursuant to 53 Laws of Delaware, Chapter 145 (17 Del. C. §1701) and P.L.1961, c.66 (C.32:11E-1 et seq.) of the Pamphlet Laws of New Jersey, with the consent of the United States Congress in accordance with Pub.L. 87-678 (1962), created the Delaware River and Bay Authority with the intention of advancing the economic growth and development of those areas in both states which border the Delaware River and Bay by the financing, development, construction, operation and maintenance of crossings, transportation or terminal facilities, and other facilities of commerce, and by providing for overall planning for the future economic development of those areas; and

WHEREAS, The economic growth and development of areas of both states will be further advanced by authorizing the authority to undertake economic development projects, other than major projects as defined in Article II, at its own initiative, and to undertake major projects after securing only such approvals as may be required by legislation of the state in which the project is to be located, except that the authority is prohibited from undertaking any major project, to be located in the Delaware River or Bay, including, without limitation, any deep-water port or superport, without the prior approval, by concurrent legislation, of the two states; and

WHEREAS, The natural environment of those areas in the two states which border the Delaware River and Bay would be better preserved by requiring that the projects, other than crossings, of the authority shall be in complete compliance with all applicable environmental protection laws and regulations before the authority may undertake the planning, development, construction or operation of any project, other than a crossing;

Now, THEREFORE, The State of Delaware and the State of New Jersey do hereby solemnly covenant and agree, each with the other as follows:

The two states agree that there shall be created and they do hereby create a body politic, to be known as “The Delaware River and Bay Authority” (for brevity hereinafter referred to as the “authority”), which shall constitute an agency of government of the State of Delaware and the State of New Jersey for the following general public purposes, and which shall be deemed to be exercising essential government functions in effectuating such purposes, to wit:

(a) The planning, financing, development, construction, purchase, lease, maintenance, improvement and operation of crossings between the states of Delaware and New Jersey across the Delaware River or Bay at any location south of the boundary line between the State of Delaware and the Commonwealth of Pennsylvania as extended across the Delaware River to the New Jersey shore of said
river, together with such approaches or connections thereto as in the judgment of the authority are required to make adequate and efficient connections between such crossings and any public highway, or other routes in the State of Delaware or in the State of New Jersey; and

(b) The planning, financing, development, construction, purchase, lease, maintenance, improvement and operation of any transportation or terminal facility within the State of Delaware or the New Jersey counties of Cape May, Cumberland, Gloucester and Salem, which facility, in the judgment of the authority, is required for the sound economic development of the area; and

(d) The performance of such other functions as may be hereafter entrusted to the authority by concurrent legislation expressly in implementation hereof.

The authority shall not undertake any major project or part thereof without having first secured such approvals as may be required by legislation of the state in which the project is to be located.

The authority shall not undertake any major project, or part thereof, to be located in the Delaware River or Bay, including, without limitation, any deep-water port or superport, without having first secured approval thereof by concurrent legislation of the two states expressly in implementation thereof.

The authority shall not undertake any major project or part thereof without first giving public notice and holding a public hearing, if requested, on any proposed major project, in accordance with the law of the state in which the major project is to be located. Each state shall provide by law for the time and manner for the giving of such public notice, the requesting of a public hearing and the holding of such public hearings.
CHAPTER 192, LAWS OF 1989

ARTICLE V
COMMISSIONERS

The authority shall consist of 12 commissioners, six of whom shall be residents of and qualified to vote in, and shall be appointed from, the State of Delaware, and six of whom shall be residents of and qualified to vote in, and shall be appointed from, the State of New Jersey; not more than three of the commissioners of each state shall be of the same political party; the commissioners for each state shall be appointed in the manner fixed and determined from time to time by the law of each state respectively. Each commissioner shall hold office for a term of five years, and until his successor shall have been appointed and qualified, but the terms of the first commissioners shall be so designated that the term of at least one commissioner from each state shall expire each year. All terms shall run to the first day of July. Any vacancy, however created, shall be filled for the unexpired term only. Any commissioner may be suspended or removed from office as provided by law of the state from which he shall be appointed.

Commissioners shall be entitled to reimbursement for necessary expenses to be paid only from revenues of the authority and may not receive any other compensation for services to the authority except such as may from time to time be authorized from such revenues by concurrent legislation.

ARTICLE VI
BOARD ACTION

The commissioners shall have charge of the authority's property and affairs and shall, for the purpose of doing business, constitute a board; but no action of the commissioners shall be binding or effective unless taken at a meeting at which at least four commissioners from each state are present, and unless at least four commissioners from each state shall vote in favor thereof. The vote of any one or more of the commissioners from each state shall be subject to cancellation by the Governor of such state at any time within 10 days (Saturdays, Sundays and public holidays in the particular state excepted) after receipt at the Governor's office of a certified copy of the minutes of the meeting at which such vote was taken. Each state may provide by law for the manner of delivery of such minutes, and for notification of the action thereon.
ARTICLE VII
GENERAL POWERS

For the effectuation of its authorized purposes, the authority is hereby granted the following powers:

a. To have perpetual succession.

b. To adopt and use an official seal.

c. To elect a chairman and a vice-chairman from among the commissioners. The chairman and vice-chairman shall be elected from different states, and shall each hold office for two years. The chairmanship and vice-chairmanship shall be alternated between the two states.

d. To adopt bylaws to govern the conduct of its affairs by the board of commissioners, and it may adopt rules and regulations and may make appropriate orders to carry out and discharge its powers, duties and functions, but no bylaw, or rule, regulation or order shall take effect until it has been filed with the Secretary of State of each state or in such other manner in each state as may be provided by the law thereof. In the establishment of rules, regulations and orders respecting the use of any crossing, transportation or terminal facility or commerce facility or development owned or operated by the authority, including approach roads, it shall consult with appropriate officials of both states in order to insure, as far as possible, uniformity of such rules, regulations and orders with the law of both states.

e. To appoint, or employ, such other officers, agents, attorneys, engineers and employees as it may require for the performance of its duties and to fix and determine their qualifications, duties, compensation, pensions, terms of office and all other conditions and terms of employment and retention.

f. To enter into contracts and agreements with either state or with the United States, or with any public body, department, or other agency of either state or of the United States or with any individual, firm or corporation, deemed necessary or advisable for the exercise of its purposes and powers.

g. To accept from any government or governmental department, agency or other public or private body, or from any other source, grants or contributions of money or property as well as loans, advances, guarantees, or other forms of financial assistance which it may use for or in aid of any of its purposes.
h. To acquire (by gift, purchase or condemnation), own, hire, lease, use, operate and dispose of property, whether real, personal or mixed, or of any interest therein, including any rights, franchise and property for any crossing, facility or other project owned by another, and which the authority is authorized to own and operate.

i. To designate as express highways, and control public and private access thereto, all or any approaches to any crossing or other facility of the authority for the purpose of connecting the same with any highway or other route in either state.

j. To borrow money and to evidence such loans by bonds, notes or other obligations, either secured or unsecured, and either in registered or unregistered form, and to fund or refund such evidences of indebtedness, which may be executed with facsimile signatures of such persons as may be designated by the authority and by a facsimile of its corporate seal.

k. To procure and keep in force adequate insurance or otherwise provide for the adequate protection of its property, as well as to indemnify it or its officers, agents or employees against loss or liability with respect to any risk to which it or they may be exposed in carrying out any function hereunder.

l. To grant the use of, by franchise, lease or otherwise, and to make charges for the use of, any crossing, facility or other project or property owned or controlled by it.

m. To exercise the right of eminent domain to acquire any property or interest therein.

n. To determine the exact location, system and character of and all other matters in connection with any and all crossings, transportation or terminal facilities, commerce facilities or developments or other projects which it may be authorized to own, construct, establish, effectuate, operate or control.

o. To exercise all other powers not inconsistent with the Constitutions of the two states or of the United States, which may be reasonably necessary or incidental to the effectuation of its authorized purposes or to the exercise of any of the foregoing powers, except the power to levy taxes or assessments, and generally to exercise in connection with its property and affairs, and in connection with property within its control, any and all powers which might be exercised by a natural person or a private corporation in connection with similar property and affairs.
ARTICLE VIII
ADDITIONAL POWERS

For the purpose of effectuating the authorized purposes of the authority, additional powers may be granted to the authority by legislation of either state without the concurrence of the other, and may be exercised within such state, or may be granted to the authority by Congress and exercised by it; but no additional duties or obligations shall be undertaken by the authority under the law of either state or of Congress without authorization by the law of both states.

ARTICLE IX
EMINENT DOMAIN

If the authority shall find and determine that any property or interest therein is required for a public use in furtherance of the purposes of the authority, said determination shall not be affected by the fact that such property has theretofore been taken over or is then devoted to a public use, but the public use in the hands or under the control of the authority, shall be deemed superior to the public use for which it has theretofore been taken or to which it is then devoted. The authority shall not exercise the power of eminent domain granted herein to acquire any property, other than a crossing, devoted to a public use, of either state, or of any municipality, local government, agency, public authority or commission, or of two or more of them, for any purpose other than a crossing, without having first secured the authorization of the holder of the title to the land in question and such other approvals as may be required by legislation of the state in which the project is to be located. The authority shall not exercise the power of eminent domain in connection with any commerce facility or development.

In any condemnation proceeding in connection with the acquisition by the authority of property or property rights of any character in either state and the right of inspection and immediate entry thereon, through the exercise by it of its power of eminent domain, any existing or future law or rule of court of the state in which such property is located with respect to the condemnation of property for the construction, reconstruction and maintenance of highways therein, shall control. The authority shall have the same power and authority with respect thereto as the state agency named in any such law; provided that nothing herein contained shall be construed as requiring joint or concurrent action by the two states with respect
to the enactment, repeal or amendment of any law or rule of court on the subject of condemnation under which the authority may proceed by virtue of this article.

If the established grade of any street, avenue, highway or other route shall be changed by reason of the construction by the authority of any work so as to cause loss or injury to any property abutting on such street, avenue, highway or other route, the authority may enter into voluntary agreements with such abutting property owners and pay reasonable compensation for any loss or injury so sustained, whether or not it be compensable as damages under the condemnation law of the state.

The power of the authority to acquire property by condemnation shall be a continuing power, and no exercise thereof shall be deemed to exhaust it.

ARTICLE X
REVENUES AND APPLICATION

The authority is hereby authorized to establish, levy and collect such tolls and other charges as it may deem necessary, proper or desirable, in connection with any crossing, transportation or terminal facility, commerce facility or development, or other project which it is or may be authorized at any time to construct, own, operate or control, and the aggregate of said tolls and charges shall be at least sufficient (1) to meet the combined expenses of operation, maintenance and improvement thereof, (2) to pay the cost of acquisition or construction, including the payment, amortization and retirement of bonds or other securities or obligations assumed, issued or incurred by the authority, together with interest thereon and (3) to provide reserves for such purposes; and the authority is hereby authorized and empowered, subject to prior pledges, if any, to pledge such tolls and other revenues or any part thereof as security for the repayment with interest of any moneys borrowed by it or advanced to it for its authorized purposes and as security for the satisfaction of any other obligations assumed by it in connection with such loans or advances. There shall be allocated to the cost of the acquisition, construction, operation, maintenance and improvement of such facilities and projects, such proportion of the general expenses of the authority as it shall deem properly chargeable thereto.
ARTICLE XI
COVENANT WITH BONDHOLDERS

The two said states covenant and agree with each other and with the holders of any bonds or other securities or obligations of the authority, assumed, issued or incurred by it and as security for which there may be pledged the tolls and revenues or any part thereof of any crossing, transportation or terminal facility, commerce facility or development, or other project, that the two said states will not, so long as any of such bonds or other obligations remain outstanding and unpaid, diminish or impair the power of the authority to establish, levy and collect tolls and other charges in connection therewith, and that neither of the two said states will, so long as any of such bonds or other obligations remain outstanding and unpaid, authorize any crossing of the Delaware River or Delaware Bay south of the line mentioned in Article IV (a) of this compact, by any person or body other than the authority; unless, in either case, adequate provision shall be made by law for the protection of those advancing money upon such obligations.

ARTICLE XII
SECURITIES LAWFUL INVESTMENTS

The bonds or other securities or obligations which may be issued by the authority pursuant to this compact, or any amendments hereto, are hereby declared to be negotiable instruments, and are hereby made securities in which all state and municipal officers and bodies of each state, all banks, bankers, trust companies, savings banks, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all administrators, executors, guardians, trustees and other fiduciaries and all other persons whatsoever who are now or may hereafter be authorized to invest in bonds or other obligations of either state, may properly and legally invest any funds, including capital, belonging to them or within their control; and said obligations are hereby made securities which may properly and legally be deposited with and shall be received by any state or municipal officer or agency of either state for any purpose for which the deposit of bonds or other obligations of such state is now or may hereafter be authorized.
CHAPTER 192, LAWS OF 1989

ARTICLE XIII
TAX STATUS

The powers and functions exercised by the authority under this compact and any amendments hereof or supplements hereto are and will be in all respects for the benefit of the people of the states of Delaware and New Jersey, the region and nation, for the increase of their commerce and prosperity and for the enhancement of their general welfare. To this end, the authority shall be regarded as performing essential governmental functions in exercising such powers and functions and in carrying out the provisions of this compact and of any law relating thereto, and shall not be required to pay any taxes or assessments of any character, levied by either state or political subdivision thereof, upon any of the property used by it for such purposes, or any income or revenue therefrom, including any profit from a sale or exchange. The bonds or other securities or obligations issued by the authority, their transfer and the interest paid thereon or income therefrom, including any profit from a sale or exchange, shall at all times be free from taxation by either state or any subdivision thereof.

ARTICLE XIV
JURISDICTION; USE OF LANDS

Each of the two states hereby consents to the use and occupancy by the authority of any lands and property of the authority in such state for the construction, operation, maintenance or improvement of any crossing, transportation or terminal facility, commerce facility or development, or other project which it is or may be authorized at any time to construct, own or operate, including lands lying under water.

ARTICLE XV
REVIEW AND ENFORCEMENT OF RULES

Judicial proceedings to review any bylaw, rule, regulation, order or other action of the authority or to determine the meaning or effect thereof, may be brought in such court of each state, and pursuant to such law or rules thereof, as a similar proceeding with respect to any agency of such state might be brought.

Each state may provide by law what penalty or penalties shall be imposed for violation of any lawful rule, regulation or order of the authority, and, by law or rule of court, for the manner of enforcing the same.
ARTICLE XVI
NO PLEDGE OF CREDIT

The authority shall have no power to pledge the credit or to create any debt or liability of the State of Delaware, of the State of New Jersey, or of any other agency or of any political subdivision of said states.

ARTICLE XVII
LOCAL COOPERATION AND AGREEMENTS

a. All municipalities, political subdivisions and every department, agency or public body of each of the states are hereby authorized and empowered to cooperate with, aid and assist the authority in effectuating the provisions of this compact and of any amendment hereof or supplement hereto.

b. The authority is authorized and empowered to cooperate with each of the states, or any political subdivision thereof, and with any municipality, local government, agency, public authority or commission of the foregoing, in connection with the acquisition, planning, rehabilitation, construction or development of any project, other than a crossing, and to enter into an agreement or agreements, subject to compliance with the laws of the state in which the project is to be located, with each of the states, or with any political subdivision thereof, and with any municipality, county, local government, agency, public authority or commission or with two or more of them, for or relating to such purposes.

c. The authority and the city, town, municipality or other political subdivision in which any project, other than a crossing, is to be located are hereby authorized and empowered, subject to compliance with the laws of the state in which the project is to be located, to enter into an agreement or agreements to provide which local laws, resolutions, ordinances, rules and regulations, if any, of the city, town, municipality or other political subdivision affected by such project shall apply to such project. All other existing local laws, resolutions, ordinances or rules and regulations not provided for in the agreement shall be applicable to the project, other than a crossing. All local laws, resolutions, ordinances or rules and regulations enacted after the date of the agreement shall not be applicable to such projects unless made applicable by the agreement or any modification thereto.
ARTICLE XVIII
DEPOSITARIES

All banks, bankers, trust companies, savings banks and other persons carrying on a banking business under the laws of either state are authorized to give security for the safekeeping and prompt payment of moneys of the authority deposited by it with them, in such manner and form as may be required by and may be approved by the authority, which security may consist of a good and sufficient undertaking with such sureties as may be approved by the authority, or may consist of the deposit with the authority or other depositary approved by the authority as collateral of such securities as the authority may approve.

ARTICLE XIX
AGENCY POLICE

Members of the police force established by the authority, regardless of their residence, shall have in each state, on the crossings, transportation or terminal facilities, commerce facilities or developments and other projects and the approaches thereto, owned, operated or controlled by the authority, and at such other places and under such circumstances as the law of each state may provide, all the powers of investigation, detention and arrest conferred by law on peace officers, sheriffs or constables in such state or usually exercised by such officers in each state.

ARTICLE XX
REPORTS AND AUDITS

The authority shall make annual reports to the Governors and Legislatures of the State of Delaware and the State of New Jersey, setting forth in detail its operations and transactions, and may make such additional reports from time to time to the Governors and Legislatures as it may deem desirable.

It shall, at least annually, cause an independent audit of its fiscal affairs to be made and shall furnish a copy of such audit report together with such additional information or data with respect to its affairs as it may deem desirable to the Governors and Legislatures of each state.

It shall furnish such information or data with respect to its affairs as may be requested by the Governor or Legislature of each state.
ARTICLE XXI
BOUNDARIES UNAFFECTED

The existing territorial or boundary lines of the states, or the jurisdiction of the two states established by said boundary lines, shall not be changed hereby.

ARTICLE XXII
ENVIRONMENTAL PROTECTION

a. The planning, development, construction and operation of any project, other than a crossing, shall comply with all environmental protection laws, regulations, directives and orders, including, without limitation, any coastal zone laws, wetlands laws, or subaqueous land laws or natural resource laws, now or hereinafter enacted, or promulgated by the state in which the project, or any part thereof, is located.

b. The planning, development, construction and operation of any project, other than a crossing, to be located in the Delaware River and Bay shall comply with all environmental protection laws, regulations, directives and orders, including, without limitation, any coastal zone laws, wetlands laws, subaqueous land laws or natural resource laws, now or hereinafter enacted or promulgated by either state.

c. The planning, development, construction and operation of any project, other than a crossing, located in the coastal zone of Delaware (as defined in Chapter 70 of Title 7 of the Delaware Code, as in effect on January 1, 1989), shall be subject to the same limitations, requirements, procedures and appeals as apply to any other person under the Delaware Coastal Zone Act, Chapter 70 of Title 7 of the Delaware Code, as in effect on January 1, 1989. Nothing in this compact shall be deemed to preempt, modify or supersede any provision of the Delaware Coastal Zone Act, Chapter 70 of Title 7 of the Delaware Code, as in effect on January 1, 1989. The interpretation and application of this paragraph shall be governed by the laws of the State of Delaware and be determined by the courts of the State of Delaware.

d. The planning, development, construction and operation of any project, other than a crossing, located in New Jersey, shall be subject to the provisions of New Jersey law, when applicable, including, but not limited to, "The Wetlands Act of 1970," P.L.1970, c.272
CHAPTER 192, LAWS OF 1989

Notwithstanding the aforementioned residency requirement, any commissioner from the State of New Jersey serving on the effective date of this 1989 amendatory act shall be eligible for reappointment regardless of that commissioner's place of residence. Immediately upon enactment of this act, the Governor may so appoint the first commissioners for the State of New Jersey, notwithstanding that the said compact may not have yet taken effect. The persons nominated by him to serve as the first commissioners shall be authorized to sign duplicate originals of said compact on the part of the State of New Jersey and to apply to Congress for such consent thereto as may be required by law, although they may not then have been confirmed or have taken their oaths of office.

CHAPTER 197

AN ACT creating alternative programs to detention and incarceration of juveniles and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.30:1B-26 Findings, declarations.

1. The Legislature finds and declares that: several of the county juvenile detention facilities in this State intended for the housing of juveniles prior to adjudication of delinquency have become so severely overcrowded as to jeopardize the achievement of the goals of the juvenile justice system; the primary causes of overcrowding in juvenile detention facilities are the unavailability of alternatives to detaining juveniles in order to assure their presence at the next court proceeding and the improper housing in those detention facilities of juveniles adjudicated delinquent who are awaiting placement in an appropriate State institution for the rehabilitation of delinquents or other specialized State program; and therefore, the establishment of alternatives to detention for pre-adjudicatory delinquents and the expansion of existing State programs for adjudicated juvenile delinquents is an urgent priority.
2. There is established in the Department of Corrections the "Alternatives to Juvenile Incarceration Grant Program" for the purpose of developing community-based programs for the placement of juveniles who are awaiting delinquency adjudication or who have been adjudicated delinquent. The Commissioner of Corrections shall distribute all funds appropriated for this program in accordance with the provisions of this section.

a. Within 60 days of the effective date of this act, the commissioner shall solicit proposals from community-based groups interested in participating in the program. A community-based group interested in participating in the program shall submit its proposal to the commissioner.

The commissioner, in consultation with those persons from each county charged with the responsibility for planning youth services shall review the proposals and approve and fund, within the limits of moneys appropriated for this purpose, the proposals which best meet the criteria in subsection b. of this section and the purposes of this program.

b. The criteria for the review of the proposals shall include, but not be limited to:

(1) The potential of the grant recipient to develop a successful program for the placement of adjudicated delinquents into non-custodial settings, or the potential of the grant recipient to develop a successful program for placing juveniles awaiting delinquency adjudication into non-custodial settings which will ensure their presence at the next court proceeding, as appropriate; and

(2) The financial and managerial commitment of the grant recipient to the development of a successful program under paragraph (1) of this subsection.

c. (1) The commissioner shall award no less than 75% of the moneys allocated to this program to proposals which address the needs of those counties with populations in their respective juvenile detention facilities which were in excess of 100% of the maximum population capacity for the facility as assigned by the Department of Corrections and the Department of Human Services in accordance with the provisions of section 18 of P.L.1982, c.77 (C.2A:4A-37) in each of the five months immediately preceding the effective date of this act.
(2) The commissioner shall award the remainder of the moneys allocated to this program to proposals which address the needs of those counties which do not receive funding pursuant to paragraph (1) of this subsection.

d.(1) In accordance with the requirements of subsection c. of this section, the commissioner shall award 30% of the moneys allocated to this program to proposals which provide alternatives to detention for juveniles in a county juvenile detention facility awaiting delinquency adjudication. The commissioner shall not award any of the funds specified in this paragraph to any unit or division of the Department of Corrections. A juvenile shall not be placed in a program funded pursuant to this paragraph unless the juvenile meets the criteria for placing a juvenile in detention pursuant to section 15 of P.L.1982, c.77 (C.2A:4A-34).

(2) The commissioner shall award 70% of the moneys allocated to this program to proposals from community-based groups which provide alternatives to incarceration for juveniles who have been adjudicated delinquent. In the event that the commissioner does not receive a sufficient number of proposals acceptable to him which conform to the requirements of this paragraph and the other criteria of this section, the commissioner may use the remainder of the funds subject to the requirements of this paragraph to fund a program within the department which provides an alternative to incarceration for juveniles who have been adjudicated delinquent.

e. The commissioner shall not award any funds allocated to this program for the operation or expansion of secured facilities for juveniles.

f. The grants made pursuant to this act shall not be subject to the requirements of P.L.1954, c.48 (C.52:34-6 et seq.).

C.30:1B-28 "Youth Vocational Training and Aftercare Program," established; allocation of moneys.

3. There is established in the Department of Corrections a "Youth Vocational Training and Aftercare Program." The Commissioner of Corrections shall distribute all moneys appropriated for this program in accordance with the provisions of this section.

a. The commissioner shall provide funds to the New Jersey Training School for Boys, the Juvenile Medium Security Facility and the Lloyd McCorkle Training School for Boys and Girls for vocational education and training of juveniles.
b. The commissioner shall establish a program for community-based services, both day and residential, which shall include vocational education and training projects affiliated with community colleges and vocational schools, to be developed in those counties with the greatest need. This program shall be available to juveniles served by the Department of Corrections.

The commissioner shall not expend any funds allocated to this program for the operation or expansion of secured facilities for juveniles.

c. The commissioner shall establish a program for aftercare services, both day and residential, to facilitate the transition of juveniles who have been served by the Department of Corrections, to be developed in those counties with the greatest needs.

C.30:1B-29 Expansion of services to include emotionally disturbed juveniles.

4. Within the limits of funds appropriated pursuant to this act, the Commissioner of Corrections shall expand existing services to include those juveniles who are adjudicated delinquent and require placement in custodial or residential facilities and who have been identified as being emotionally disturbed by a child study team but who are not presently in a specialized program for this condition.

The commissioner shall allocate funds appropriated for this purpose among existing and newly developed community residential programs and therapeutic foster homes in order to provide additional beds for emotionally disturbed juveniles. The commissioner shall not allocate any funds appropriated for the purposes of this section for treatment of juveniles adjudicated delinquent who are developmentally disabled or for juveniles who are classified for the New Jersey Training School for Boys, the Lloyd McCorkle Training School for Boys and Girls or the Juvenile Medium Security Facility.

C.30:1B-30 Expansion of services to include juvenile sex offenders.

5. The commissioner shall expand, within the limits of funds appropriated for this purpose, existing services to provide additional beds for treatment of juvenile sex offenders.

C.30:1B-32 Commissioners to report to Governor and Legislature.

7. Within six months of the effective date of this act and six months thereafter, the Commissioner of Corrections, in consultation with the Commissioner of Human Services, shall report to the Governor and the Legislature on the effectiveness of the programs established pursuant to this act. The report shall include, but not be limited to, the current number of juveniles being detained in juvenile detention facilities, the number and effectiveness of proposals funded pursuant to this act, the numbers of juvenile sex offenders and emotionally disturbed juveniles treated with funds appropriated pursuant to this act, the number of juveniles detained pending adjudication who were released into programs funded by grants under this act, the number of juveniles in need of community services who have not been able to receive the services, and the number of juveniles held in juvenile detention facilities pending placement in facilities operated by, or which contract with, the Department of Human Services or pending transfer to training schools operated by the Department of Corrections.

C.43:16A-7 Retirement for accidental disability; allowance; death benefits.

7. (1) Upon the written application by a member in service, by one acting in his behalf or by his employer any member may be retired on an accidental disability retirement allowance; provided, that the medical board, after a medical examination of such member, shall certify that the member is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of his regular or assigned duties and that such disability was not the result of the member's willful negligence and that such member is mentally or physically incapacitated for the performance of his usual duty and of any other available duty in the department which his employer is willing to assign to him. The application to accomplish such retirement must be filed within five years of the original traumatic event, but the board of trustees may consider an application filed after the five-year period if it can be factually demonstrated to the satisfaction of the board of trustees that the disability is due to the accident and the filing was not accomplished within the five-year period due to a delayed mani-
festation of the disability or to other circumstances beyond the control of the member.

(2) Upon retirement for accidental disability, a member shall receive an accidental disability retirement allowance which shall consist of:

(a) An annuity which shall be the actuarial equivalent of his aggregate contributions and

(b) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of \( \frac{2}{3} \) of the member's actual annual compensation for which contributions were being made at the time of the occurrence of the accident.

(3) Upon receipt of proper proofs of the death of a member who has retired on accidental disability retirement allowance, there shall be paid to such member's beneficiary, an amount equal to \( \frac{3}{2} \) times the compensation upon which contributions by the member to the annuity savings fund were based in the last year of creditable service; provided, however, that if such death shall occur after the member shall have attained 55 years of age the amount payable shall equal \( \frac{1}{2} \) of such compensation instead of \( \frac{3}{2} \) times such compensation.

(4) Permanent and total disability resulting from a cardiovascular, pulmonary or musculo-skeletal condition which was not a direct result of a traumatic event occurring in the performance of duty shall be deemed an ordinary disability.

4. Section 16 of P.L.1964, c.241 (C.43:16A-11.1) is amended to read as follows:

C.43:16A-11.1 Special retirement; resignation with 25 years of creditable service; allowance; death benefit.

16. Should a member resign after having established 25 years of creditable service, he may elect "special retirement," provided, that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive, in lieu of the payment provided in section 11, a retirement allowance which shall consist of:

(1) An annuity which shall be the actuarial equivalent of his aggregate contributions, and

(2) A pension in the amount which, when added to the member's annuity, will provide a total retirement allowance of 65% of his final compensation, plus 1% of his final compensation multiplied by the
number of years of creditable service over 25 but not over 30; provided, however, that any member who has earned, prior to July 1, 1979, more than 30 years of creditable service, shall receive an additional 1% of his final compensation for each year of his creditable service over 30.

The board of trustees shall retire him at the time specified or at such other time within one month after the date so specified as the board finds advisable.

Upon the receipt of proper proofs of the death of such a retired member, there shall be paid to his beneficiary an amount equal to one-half of the final compensation received by the member.

5. Section 15 of P.L.1944, c.255 (C.43:16A-15) is amended to read as follows:

C.43:16A-15 Contributions; expenses of administration.
15. (1) The contributions required for the support of the retirement system shall be made by members and their employers.

(2) The uniform percentage contribution rate for members shall be 8.5% of compensation.

(3) (Deleted by amendment, P.L.1989, c.204.)

(4) Each employer shall make contributions equal to the percentage of compensation of members in its employ as certified by the board of trustees based on annual actuarial valuations. The percentage rate of contribution payable by employers shall be determined initially on the basis of the entry age normal cost method. This shall be known as the "normal contribution."

(5) (Deleted by amendment, P.L.1989, c.204.)

(6) The percentage rates of contribution payable by employers pursuant to subsection (4) of this section shall be subject to adjustment from time to time by the board of trustees with the advice of the actuary on the basis of annual actuarial valuations and experience investigations as provided under section 13, so that the value of future contributions of members and employers, when taken with present assets, shall be equal to the value of prospective benefit payments.

(7) Each employer shall cause to be deducted from the salary of each member the percentage of earnable compensation prescribed in subsection (2) of this section. To facilitate the making of deductions, the retirement system may modify the amount of deduction required
of any member by an amount not to exceed 1/10 of 1% of the compensation upon which the deduction is based.

(8) The deductions provided for herein shall be made notwithstanding that the minimum salary provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of salary or compensation less said deduction shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by such person during the period covered by such payment, except as to the benefits provided under this act. The chief fiscal officer of each employer shall certify to the retirement system in such manner as the retirement system may prescribe, the amounts deducted; and when deducted shall be paid into said annuity savings fund, and shall be credited to the individual account of the member from whose salary said deduction was made.

(9) Upon the basis of such tables recommended by the actuary as the board adopts and regular interest, the actuary shall compute the amount of the unfunded liability as of June 30, 1988 which has accrued on the basis of service rendered prior to July 1, 1988 by all members, which amount shall remain frozen and shall be amortized over a period not to exceed 40 years as determined by the State Treasurer. Using the total amount of this unfunded accrued liability, the actuary shall compute an increasing amount of annual payment, which is estimated to remain a level percentage of prospective total compensation and which, if paid in each succeeding fiscal year commencing with July 1, 1989, for the period determined by the State Treasurer, will provide for this liability. This shall be known as the "accrued liability contribution."

The normal and accrued liability contributions as certified by the retirement system shall be included in the budget of the employer and levied and collected in the same manner as any other taxes are levied and collected for the payment of the salaries of members.

(10) The treasurer or corresponding officer of the employer shall pay on or before March 31 in each year to the State Treasurer the amount so certified as payable by the employer, and shall pay monthly to the State Treasurer the amount of the deductions from the salary of the members in the employ of the employer, and the State Treasurer shall credit such amount to the appropriate fund or funds of the retirement system.
If payment of the full amount of the employer’s obligation is not made within 30 days of the due date established by this act, interest at the rate of 10% per annum shall commence to run against the unpaid balance thereof on the first day after such 30th day.

If payment in full, representing the monthly transmittal and report of salary deductions, is not made within 15 days of the due date established by the retirement system, interest at the rate of 10% per annum shall commence to run against the total transmittal of salary deductions for the period on the first day after such 15th day.

(11) The expenses of administration of the retirement system shall be paid by the State of New Jersey. Each employer shall reimburse the State for a proportionate share of the amount paid by the State for administrative expense. This proportion shall be computed as the number of members under the jurisdiction of such employer bears to the total number of members in the system. The pro rata share of the cost of administrative expense shall be included with the certification by the retirement system of the employer’s contribution to the system.

(12) Notwithstanding anything to the contrary, the retirement system shall not be liable for the payment of any pension or other benefits on account of the employees or beneficiaries of any employer participating in the retirement system, for which reserves have not been previously created from funds, contributed by such employer or its employees for such benefits.

(13) The Legislature shall annually appropriate and the State Treasurer shall pay into the pension accumulation fund of the retirement system an amount equal to 1.8% of the compensation of the members of the system upon which the normal contribution rate is based to fund the benefits provided by section 16 of P.L.1964, c.241 (C.43:16A-11.1), as amended by P.L.1979, c.109.

6. Section 21 of P.L.1971, c.175 (C.43:16A-15.4) is amended to read as follows:

C.43:16A-15.4 Accrued liability contribution of employer; payment.

21. The accrued liability contribution of any employer adopting the retirement system after July 1, 1988 for the purpose of providing prior service credit, shall be payable by the employer to the pension accumulation fund over the period selected by the employer, provided that the period may not exceed 40 years following the initial valuation of such liability by the actuary of the retirement system.
CHAPTER 204, LAWS OF 1989

C.43:16A-15.6 Pension adjustment benefits; funding.

7. Pension adjustment benefits for members and beneficiaries of the Police and Firemen's Retirement System of New Jersey as provided by P.L.1969, c.169 (C.43:3B-1 et seq.) shall be paid by the retirement system and shall be funded as employer obligations in a similar manner to that provided for the funding of employer obligations for the retirement benefits provided by the retirement system.

C.43:3B-4.2 Benefits under "Pension Adjustment Act"; funding.

8. Notwithstanding the provisions of the "Pension Adjustment Act," P.L.1969, c.169 (C.43:3B-1 et seq.), pension adjustment benefits provided for under the act for members and beneficiaries of the Police and Firemen's Retirement System of New Jersey shall be paid by the retirement system and shall be funded as employer obligations in the manner prescribed for the funding of pension adjustment benefits by the retirement system by this amendatory and supplementary act, P.L.1989, c.204 (C.43:16A-15.6 et al.).

C.43:16A-1.2 Review of positions of all members; eligibility, enrollment.

9. a. The Director of the Division of Pensions shall review the positions of all members of the retirement system on the effective date of this amendatory and supplementary act, P.L.1989, c.204 (C.43:16A-15.6 et al.), and shall recommend to the board of trustees whether or not a position shall continue to be covered under the retirement system based upon the definitions of "policeman" and "fireman" in this act. The board shall determine which positions shall continue to be covered under the retirement system. A member whose position was covered prior to the effective date of this amendatory and supplementary act shall continue to be eligible for membership in the retirement system while in the same position. Any person appointed after the effective date of this amendatory and supplementary act to a position which is removed from coverage under the retirement system is not eligible for membership.

b. Upon the recommendation of the Director of the Division of Pensions, the board of trustees shall determine if a position of a law enforcement unit or firefighting unit or the State in existence on the effective date of this amendatory and supplementary act but not covered by the retirement system or established after the effective date of this amendatory and supplementary act is covered by the retirement system.

If the board determines that a position is covered by the retirement system, any person in the position is eligible to become a member of the retirement system. If the person is a member of another State-
administered or county or municipal retirement system, the person may transfer membership in the other retirement system to the Police and Firemen’s Retirement System in accordance with the provisions of P.L.1973, c.156 (C.43:16A-62 et seq.). Any time period under P.L.1973, c.156 calculated from the effective date of that act shall be calculated from the effective date of this amendatory and supplementary act for the purposes of this act.

A person employed in a position on or after the effective date of a determination by the board of trustees that the position is covered by the retirement system is required to enroll in the retirement system as a condition of employment, provided the person is otherwise eligible for membership by meeting the appointment, age and health requirements prescribed for all members. A person employed in a position covered by the retirement system and eligible for membership in the retirement system is ineligible for membership in any other State-administered or county or municipal retirement system.

c. Nothing in this amendatory and supplementary act shall be construed as authorizing:

(1) the transfer to or enrollment in the retirement system of any person who was ineligible for membership in or elected not to transfer to or enroll in the system prior to the effective date of this amendatory and supplementary act, unless the person is employed on or after the effective date in a new position which is not the same or related to the position in which the person was determined to be ineligible for membership in or elected not to transfer to or enroll in the system; or

(2) the participation in the retirement system of an employee of any county, municipality or political subdivision thereof which has not adopted P.L.1944, c.255 (C.43:16A-1 et seq.).

C.43:16A-1.3 Report on titles covered, number of members affected, actuarial status.

10. On or before the 90th day after enactment of this amendatory and supplementary act, P.L.1989, c.204 (C.43:16A-15.6 et al.), the Director of the Division of Pensions shall report in writing to the Governor, the Senate Revenue, Finance and Appropriations Committee, the Senate State Government, Federal and Interstate Relations and Veterans Affairs Committee, the Assembly Appropriations Committee, and the Assembly State Government Committee, or their successors, concerning the titles that will and will not continue to be covered by the retirement system and the number of people that will be affected and are projected to be affected thereby as a result
of this act. The director shall provide reports to the Governor and the committees annually thereafter which shall include information concerning, but not limited to, the titles covered by the retirement system, any changes in title coverage, the number of members affected by any changes, and the actuarial status of the retirement system.

Repealer.

12. This act shall take effect immediately, except that the amendment to subsection (2) of section 15 of P.L.1944, c.255 (C.43:16A-15) in section 5 of this amendatory and supplementary act shall take effect on the first day of the calendar quarter following the date of enactment by at least two months.

Approved December 20, 1989.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Notwithstanding the provisions of any law, rule or regulations to the contrary, every active member of the Prison Officers' Pension Fund may, within 180 days of the effective date of this act, transfer to the Police and Firemen's Retirement System established pursuant to P.L.1944, c.255 (C.43:16A-1 et seq.). A member who elects to transfer shall not be permitted to continue membership or retain rights and benefits under the Prison Officers' Pension Fund.

b. Within 180 days following the effective date of this act, the Prison Officers' Pension Fund shall remit to the Police and Firemen's Retirement System all accumulated deductions standing to the credit of each transferred employee as a former member of the system and the pro rata part of the reserve fund constituting the employer's account.
c. Employees who transfer pursuant to this act shall be members of the Police and Firemen's Retirement System and deductions from their salaries and contributions on their behalf shall thereafter be made as required by P.L.1944, c.255 (C.43:16A-1 et seq.). Transferred employees shall have the same rights, benefits and obligations as all other members of the system. Any credit for public service which has been established in the Prison Officers' Pension Fund by the transferred employees shall be established in the Police and Firemen's Retirement System.

d. All outstanding obligations such as loans, purchases and other arrearages shall be satisfied by a transferred employee as previously scheduled for payment to the Prison Officers' Pension Fund.

e. Any employee who transfers to the Police and Firemen's Retirement System pursuant to this act who was at the time of transfer covered by the group life insurance benefits provisions of the Prison Officers' Pension Fund shall be eligible to receive any of the group life insurance benefits provided by the Police and Firemen's Retirement System.

f. The actuary of the Police and Firemen's Retirement System shall calculate any remaining liability on behalf of employees becoming members of the system pursuant to this act after taking into account the value of all moneys remitted by the Prison Officers' Pension Fund as provided in subsection b. of this section. If the value of the moneys so remitted is less than the total value which is required by the Police and Firemen's Retirement System to establish full credit for the public service of the transferred member, the remaining liability shall be an amount equal to the difference between these two values. Upon certification of the amount by the actuary, the remaining liability shall be paid through contributions made by the employer of the transferred employees. Such payments shall be made according to a schedule and in a manner as determined by the board of trustees of the Police and Firemen's Retirement System.

2. Nothing contained in this act shall affect the benefits paid to any former member of the Prison Officers' Pension Fund or to the widow, widower, dependent child or parent of a former member who is receiving a pension on the effective date of this act.

CHAPTER 207

AN ACT concerning tax abatements for certain residential property and supplementing Title 54 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.54:4-3.139 Findings, determinations.

1. The Legislature finds and determines that:

a. With the enactment of the "New Jersey Urban Enterprise Zones Act," P.L.1983, c.303 (C.52:27H-60 et seq.), the State has endeavored to induce private business concerns to locate or expand operations in certain urban areas;
b. Similar encouragement should be provided for the construction of new single-family housing units, needed to provide housing convenient to this business activity and to stimulate neighborhood revitalization;

c. The deterioration of once-flourishing residential neighborhoods is a problem of enormous magnitude for the State of New Jersey, the solution to which has been, and should continue to be, an overriding public concern of federal, State and local governments;

d. The deterioration of those residential neighborhoods is in large measure the result of the unwillingness of the owners of, and investors in, residential properties to properly maintain and improve their properties, arising out of fear of the resulting increase in property taxes;

e. In many of those neighborhoods, particularly in urban centers, the deterioration of housing stock has resulted in vacant lots, abandoned buildings and poorly maintained properties, and the concomitant negative psychological and financial impact upon owners of, and investors in those residential neighborhoods;

f. In addition, the heavy tax burdens in many urban municipalities inhibit the development of new housing in those municipalities, notwithstanding the fact that those municipalities contain ample vacant land for the construction of new housing and numerous unused or underused buildings which may be converted to housing;

g. Further, while the rapidly growing demand for housing has begun to encourage some private investment in urban residential construction, the substantial property tax burdens in many of our urban areas have discouraged many prospective purchasers of newly constructed housing units in those municipalities;

h. These prospective purchasers may be further discouraged by the severe intra-municipal assessment discrepancies in certain urban areas, in which older residential properties remain assessed at a fraction of market value while newly constructed residential properties are assessed at full market values and the owners thereof pay substantially higher taxes than the owners of the older properties;

i. Property tax abatements for the construction of certain residential structures, and property tax abatements for the conversion of other structures to residential use, will constitute a substantial incentive for owners and investors to improve vacant land and under-utilized structures;
j. The provision of property tax abatements for new residential structures in certain urban areas will assure the prospective purchasers of those properties that their property tax assessments will be no greater than the assessments of older homes, thus removing the fear of overly high tax burdens;

k. In certain urban areas, the encouragement of residential construction and conversion can be expected to make available older, more affordable housing stock, thus encouraging both the provision of affordable housing and general urban redevelopment, while in other urban areas, any new residential construction can be expected to contribute to the growth and neighborhood stability needed in conjunction with incentives for the rebirth of the business community;

l. Article VIII, Section I, paragraph 6 of the Constitution of this State authorizes the Legislature to enact general laws under which municipalities may adopt ordinances granting exemptions or abatements from taxation for limited periods of time not in excess of five years on buildings and structures in areas declared in need of rehabilitation in accordance with statutory criteria; and

m. It is, therefore, a compelling public purpose to provide qualified municipalities with the means of providing the appropriate abatements.

C.54:4-3.140 Definitions.

2. As used in this act:

a. "Abatement" means an exemption from real property taxes provided for the purposes of encouraging residential construction, conversion, improvement and redevelopment pursuant to this act;

c. "Completed," with respect to a parcel of qualified property, or the "completion" of that property, means substantially ready for the use for which it is intended and its occupancy as a principal residence;

f. "Cost," when used with respect to construction, or to an improvement or conversion alteration, means only the cost or fair market value of labor and materials used in constructing or improving qualified residential property, or in converting another building or structure to qualified residential property, including any architectural, engineering, and contractors' fees associated with the construction, improvement or conversion, as the owner of the property shall cause to be certified to the governing body by an independent and qualified architect, following the completion of the project;

g. "Horizontal property regime" means the form of real property ownership provided for under the "Horizontal Property Act," P.L.1963, c.168 (C.46:8A-1 et seq.);

i. "Qualified residential property" means any building used or to be used or held for use as a home or residence, including accessory buildings located on the same premises and including condominiums, cooperatives and horizontal property regimes. advantageously used for the construction of qualified residential property. Any such determination shall be made in keeping with regulations which shall be promulgated by the Commissioner of Community Affairs pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), which shall take into consideration the following: existence of blighted areas in the municipality; deterioration of housing stock; age of housing stock; supply of and demand for housing in the municipality; and arrearage in real property taxes due on residential properties.

C.54:4-3.142 Abatements of real property taxes for qualified residential property; application, approval, requirement.

4. The governing body of a qualified municipality which has complied with the provisions of section 3 of this act may, by ordinance, provide for abatements of real property taxes for qualified residential property. The governing body shall include the following items in its enabling ordinance and shall select among the following options where appropriate:

a. A property tax abatement term of five years;

b. The application procedure for an abatement authorized under this act;

c. The method of computing payments in lieu of real property taxes pursuant to subsection b. or subsection c. of section 7 of this act;

d. An approval method for abatement applications by the assessor or by ordinance on a per applicant basis; and

e. A requirement that: (1) to be eligible for an abatement, a dwelling house, condominium unit or unit in a horizontal property regime shall be occupied by the owner thereof, and that a cooperative shall be occupied by residential shareholders therein; or (2) in a case in which paragraph (1) of this subsection is not satisfied, the annual payment in lieu of taxes on the unit or dwelling house shall be increased by 1% above the amount otherwise chargeable under section 7 of this act; and that, in the case of a cooperative, the annual payment in lieu of taxes shall be the amount chargeable under section 7 of this act plus an amount determined by multiplying 1% of the amount chargeable under section 7 of this act times the percentage of units not occupied by residential shareholders.

In the case of an abatement for the conversion of a building or structure to qualified residential property, the building or structure
so converted may include, but need not be limited to, commercial or industrial buildings or structures, or underutilized school buildings.

C.54:4-3.143 Tax abatements for purchaser of residential property in urban redevelopment project.

5. When an urban redevelopment project, approved pursuant to section 19 of P.L.1961, c.40 (C.40:55C-58) includes the construction of qualified residential property, and the project is located in a qualified municipality which has adopted the provisions of this act, the urban renewal corporation or association carrying out the project may, upon completion of that qualified residential property, make application for tax abatements under this act on behalf of prospective purchasers of dwelling units whether the units be owner occupied or investor owned.

C.54:4-3.144 Application procedure for tax abatement.

6. a. No abatement shall be granted pursuant to this act except upon written application filed with the assessor of the taxing district wherein the improvement or conversion alteration is made and approved by the assessor or by ordinance, as required by the enabling ordinance. Every application shall be on a form prescribed by the Director of the Division of Taxation, in the Department of the Treasury, and provided for the use of claimants by the governing body of the municipality constituting the taxing district, and shall be filed with the assessor within 30 days, including Saturdays and Sundays, following the completion of the improvement or conversion alteration or the effective date of this act, whichever is later. Every application for an abatement which is filed within the time specified may be approved and allowed by the assessor to the degree that the application is consistent with the provisions of the enabling ordinance, provided that the property for which the application is made constitutes qualified residential property pursuant to the provisions of this act. An abatement that is granted shall take effect upon the issuance of a certificate of occupancy to the owner and it shall be recorded and made a permanent part of the official tax records of the taxing district, which record shall contain a notice of the termination date of the abatement.

b. The added assessment provisions of section 3 of P.L.1941, c.397 (C.54:4-63.3) and the omitted assessment provisions of section 9 of P.L.1947, c.413 (C.54:4-63.20) and section 1 of P.L.1968, c.184 (C.54:4-63.33) shall not be applicable to any property for which the owner-occupant has been granted a tax abatement under this act.
C.54:4-3.145 Approved abatement, amount payable to municipality, schedule of payments.

7. a. Each approved abatement shall be evidenced by a financial agreement between the qualified municipality and the applicant. The agreement shall be prepared by the applicant and shall contain the representations that are required by the enabling ordinance. The agreement shall provide for the applicant to annually pay to the municipality an amount in lieu of real property taxes, to be computed according to either subsection b. or c. of this section, as provided for in the enabling ordinance.

b. Payments in lieu of taxes may be computed as two percent of the cost of the improvements or conversion alterations, as appropriate; or

c. Payments in lieu of taxes may be computed as a portion of the real property taxes otherwise due, according to the following schedule:

(1) In the first tax year following completion, no payment in lieu of taxes otherwise due;

(2) In the second tax year following completion, an amount not less than 20% of taxes otherwise due;

(3) In the third tax year following completion, an amount not less than 40% of taxes otherwise due;

(4) In the fourth tax year following completion, an amount not less than 60% of taxes otherwise due;

(5) In the fifth tax year following completion, an amount not less than 80% of taxes otherwise due;

(6) In the sixth and all subsequent tax years following completion, 100% of the taxes otherwise due.

d. For the purposes of this section, the amount of “taxes otherwise due” shall be determined by including the appropriate percentage of the assessed valuation of the abated structure, improvement or conversion alteration, as the case may be, on the assessment list of the municipality as taxable property, and levying taxes thereon in the same manner as other taxes are levied pursuant to chapter 4 of Title 54 of the Revised Statutes; provided, however, that no value for a property subject to the provisions of this act shall be included in the calculation of the “net valuation on which county taxes are
apportioned” until the sixth, eleventh or sixteenth year, as appropriate.

C.54:4-3.146 Annual administration fee payable by owner to municipality.

8. In addition to the annual payment required pursuant to section 7 of this act, the enabling ordinance may require, as part of the financial agreement, that the owner pay an annual administration fee to the qualified municipality, which fee shall not exceed one percent of the payment provided for herein.

C.54:4-3.147 Payments to be made quarterly, failure to pay; penalty.

9. The payments required pursuant to sections 7 and 8 of this act shall be made in quarterly installments according to the same schedule as real property taxes are due and payable. Failure to make these payments shall result in the termination of the abatement. In addition to the remedy set forth herein, the requirements imposed pursuant to section 7 of this act shall be enforced in the same manner as is provided for real property taxes pursuant to Title 54 of the Revised Statutes.

C.54:4-3.148 Liability of owner for real property taxes on land.

10. In addition to the payments required in lieu of taxes pursuant to section 7 of this act, the owner of a parcel of qualified property granted an abatement pursuant to this act shall be liable for all real property taxes assessed and levied against the land on which the qualified residential property is situated.

C.54:4-3.149 No abatement granted for properties on which taxes are delinquent.

11. No abatement shall be granted pursuant to this act with respect to any property for which property taxes are delinquent or remain unpaid, or for which penalties for nonpayment of taxes are due.

12. This act shall take effect immediately, and shall apply to taxes assessed and levied for each tax year beginning January 1 next following enactment.

Approved December 27, 1989.

1. R.S.43:21-4 is amended to read as follows:

Benefit eligibility conditions.

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if:

(a) The individual has filed a claim at an unemployment insurance claims office and thereafter continues to report at an employment service office or unemployment insurance claims office, as directed by the division in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection
as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided that no such regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R.S.43:21-6.

(c) (1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual's own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual's control.

(4) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual's employment opportunities or because the individual failed or refused to accept work while attending such program.

When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided that the requirements of this paragraph shall be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) If it has constituted a waiting period week under the “Temporary Disability Benefits Law,” P.L.1948, c.110 (C.43:21-25 et seq.);

(3) Unless the individual fulfills the requirements of subsections (a) and (c) of this section;

paragraph (2) of subsection (t) of R.S.43:21-19, or, in those instances in which the individual has not established 20 base weeks, the individual has earned $2,200.00.

This provision shall be in addition to the earnings requirements specified in paragraph (1), (2), or (3) of this subsection, as applicable.

(f) (1) The individual has suffered any accident or sickness not compensable under the Workers' Compensation Law (Title 34 of the Revised Statutes) and resulting in the individual's total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R.S.43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for the inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d); provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in R.S.43:21-27(b); provided further that no benefits shall be payable under this subsection to any individual:

(A) For any period during which such individual is not under the
care of a legally licensed physician, dentist, optometrist, podiatrist, practicing psychologist or chiropractor;

(B) (Deleted by amendment, P.L.1980, c.90.)

(D) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(E) For any week with respect to which or part of which the individual has received or is seeking disability benefits under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.);

(F) For any period of disability commencing while such individual is a "covered individual," as defined in subsection 3(b) of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).

(2) Benefit payments under this subsection shall be charged to and paid from the State disability benefits fund established by the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.), and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and (C) of R.S.43:21-19(i)(1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the "unemployment compensation law;" except that, notwithstanding any other provisions of the "unemployment compensation law;"

(1) With respect to service performed after December 31, 1977, in an instructional research, or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or

CHAPTER 234

AN ACT concerning establishments using artificial suntan sources.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:2D-81 Findings, declarations.

1. The Legislature finds and declares that:

Tanning facilities are not regulated by the State of New Jersey and the number of tanning facilities is rapidly growing throughout the State; various physical complications can arise from frequent and unsupervised use of these tanning facilities such as, overexposure to ultraviolet radiation which can cause severe sunburn and eye injury including cataracts and corneal damage; repeated exposure to ultraviolet light in tanning facilities can also cause premature aging of the skin, skin cancers and abnormal skin sensitivity in persons who may be using certain drugs including some tranquilizers, diuretics, antibiotics, high blood pressure medicines and birth control pills.

It is, therefore, desirable that citizens are protected against any problems which may result from improperly functioning equipment in tanning facilities, and given the potential for harm that is presented by establishments using artificial suntan sources, it is imperative that effective minimum safety standards in this health area be established.

C.26:2D-82 “Tanning facility” defined.

2. As used in this act: “tanning facility” means any location, place, area, structure or business that, either as a sole service or in conjunction with other services, provides patrons with access to sunlamps, ultraviolet lamps or other equipment intended to induce skin tanning through the irradiation of any part of the human body for cosmetic or nonmedical purposes.

C.26:2D-83 Minimum safety standards for tanning facilities established.

3. The Commissioner of Health, in consultation with the Department of Environmental Protection, shall, by regulation, establish
minimum safety standards for tanning facilities. The standards shall include, but not be limited to:

a. Establishment of a maximum safe time of exposure to radiation and a maximum safe temperature at which tanning devices may be operated;

b. A requirement that a patron at a tanning facility wear protective eye glasses when using tanning equipment and that a patron be supervised as to the length of time the patron uses tanning equipment at the facility;

c. A requirement that the facility operator post easily legible, permanent warning signs near the tanning equipment which state: "DANGER—ULTRAVIOLET RADIATION FOLLOW ALL INSTRUCTIONS"; and

d. A requirement that the facility have protective shielding for tanning equipment in the facility.

C.26:2D-84 Compliance with safety standards; certification, periodic inspections.

4. The local board of health in the municipality in which a tanning facility is located shall certify that a facility is in compliance with the safety standards established pursuant to section 3 of this act and shall periodically inspect the facility to ensure continued compliance with the standards.

C.26:2D-85 "Non-Ionizing Radiation Fund" established in Department of Health.

5. There is established in the Department of Health a nonlapsing revolving fund known as the "Non-Ionizing Radiation Fund." The fund shall be credited with all fees collected pursuant to this act. Interest on monies in the fund shall be credited to the fund, and all monies in the fund are appropriated for the purposes of this act.

C.26:2D-86 Tanning facility; annual registration, fee.

6. a. A tanning facility shall register annually with the Department of Health on forms provided by the department and shall pay to the department an annual registration fee.

b. The Department of Health shall establish a registration fee schedule, by regulation, to cover the costs of implementing the provisions of this act, including the costs incurred by local boards of health pursuant to section 4 of this act.

C.26:2D-87 Violations, penalties.

7. A person who violates the provisions of this act is subject to a penalty of $100 for the first offense and $200 for each subsequent
offense. The penalty shall be sued for and collected in a court of competent jurisdiction in a summary proceeding in accordance with "the penalty enforcement law," N.J.S.2A:58-1 et seq.

A penalty recovered under the provisions of this act shall be recovered by and in the name of the Commissioner of Health or by and in the name of the local board of health. When the plaintiff is the Commissioner of Health the penalty recovered shall be paid by the commissioner into the treasury of the State. When the plaintiff is a local board of health, the penalty recovered shall be paid by the local board of health into the treasury of the municipality where the violation occurred.

C.26:2D-88 Rules, regulations.

8. In accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), the Commissioner of Health, in consultation with the Department of Environmental Protection, shall promulgate rules and regulations necessary to carry out the purposes of this act.

9. This act shall take effect on the 90th day after enactment. Approved January 2, 1990.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 235  
(Senate Bill No. 2294 (First Reprint))

Pursuant to Article V, Section I, Paragraph 15 of the New Jersey Constitution, I am appending to Senate Bill No. 2294 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would provide a $20,000 supplemental appropriation from the General Fund to the Department of Military and Veterans' Affairs for the requisition and issuance of P.O.W.-M.I.A. flags to counties, municipalities and veterans' organizations. Because the laudable purpose behind this bill has already been substantially accomplished without the commitment of State budgetary resources, I am constrained to withhold my full assent from this bill.

In April 1988, I signed into law P.L.1988, c.16, which requires the display of the P.O.W.-M.I.A. flag below the national ensign at the State House and the principal county and municipal buildings throughout the State. The display of the P.O.W.-M.I.A. flag, which depicts a prisoner's profile against the background of a P.O.W. camp watchtower, is intended to increase the public awareness of the P.O.W.-M.I.A. issue and to gain support for the efforts of the United States government to resolve this matter. This flag is the appropriate symbol of our fervent hope for the return of those still held prisoner and for the fullest possible accounting from the responsible governments of those Americans still listed as missing.

This bill was introduced shortly after P.L.1988, c.16 became effective. It requires the Department of Military and Veterans' Affairs to purchase a supply of P.O.W.-M.I.A. flags for issuance to counties and municipalities that have not yet commenced to fly this flag. Bona fide veterans' organizations would also be authorized to receive a
State-purchased P.O.W.-M.I.A. flag after the initial distribution to counties and municipalities.

I am pleased to report that a recent survey of all counties and of a random sampling of municipalities indicates that there is currently overwhelming compliance with the flag law. Over 95 percent of these governmental entities are proudly flying the P.O.W.-M.I.A. flag. Because of the strong support of county and municipal governments throughout the State, the purpose behind P.L.1988, c.16 has been substantially achieved. Since full compliance with this law can be accomplished without the appropriation of $20,000 contained in this bill, I have reduced the size of the appropriation to $2,000, a sum which is sufficient to ensure uniform compliance in each and every county and municipality in the State.

Accordingly, I herewith append the following statement of objections to the sum, or parts thereof, appropriated by this bill:

Page 1, Section 1, Line 19: Delete "$20,000" insert "$2,000"

Page 1, Section 1, Line 21: Delete "$20,000" insert "$2,000"

Thomas H. Kean

4. This act shall take effect immediately, and shall apply to any contract entered into prior to, on, or after the effective date of this act.

Approved January 2, 1990.

C.45:15-16.33 Notice of filing; registration; rejection.

7. a. Upon the filing of an application for registration at the offices of the commission, naming the brokers licensed as real estate brokers pursuant to R.S.45:15-1 et seq. who are the authorized representatives of the subdivider, and accompanied by the proper registration fee in the proper form, and a statement of record as provided for in section 10 of this act, and the proposed public offering statement, the commission shall issue a notice of filing to the applicant. shall enter an order registering the subdivision or subdivided lands or rejecting the registration. If no order of rejection is entered within 90 days from the date of notice of filing, the subdivisions or subdivided lands shall be deemed registered unless the applicant has consented in writing to a delay.

c. If the commission determines upon inquiry and examination that any of the requirements of section 9 of this act have not been met, the commission shall notify the applicant that the application for registration must be corrected in the particulars specified within 30 days from the date the notice is received by the applicant. These findings shall be the result of the commission's preliminary inquiry and examination and no hearing shall be required as the basis for those findings. The receipt of a written request for a hearing shall stay the order of rejection until a hearing has been held and a determination has been made.

C.45:15-16.34 Initial registration fee; inspection fee; consolidated filing fee.

8. a. (1) The fee for an initial registration shall be $500 plus $35 for each lot, parcel, unit or interest which fee shall not exceed $3,000. The initial registration shall be valid for a period of one year from the date of approval of the registration. If the fees are insufficient to defray the cost of rendering services required by the provisions of this act, the commission may, by regulation, establish a revised fee schedule. Any revised fee schedule shall assure that the fees collected reasonably cover, but do not exceed, the expenses of administering the provisions of this act.

(2) Annual renewal of registration shall be made in accordance with the provisions of section 14 of this act.

(3) Any current registration filed with and approved by the commission pursuant to the provisions of P.L.1975, c.235 (C.45:15-16.3 et seq.) prior to the date of enactment of this act shall be exempt from initial registration under this act.

b. The application for registration shall be made on forms prescribed by the commission and shall be accompanied by the appropriate filing fee. As provided in subsection f. of section 15 of this act, the commission may determine, at its discretion, that an onsite investigation or inspection is required. The commission shall
advise the registrant of the amount of the cost of travel from New Jersey to the location of the subdivided lands and return and any additional expenses of an inspection, which shall be the amount of the inspection fee. All inspection fees shall be accounted for to the applicant.

9. Upon receipt of an application for registration in proper form, accompanied by a statement of record, the commission shall initiate an examination to determine that:

b. There is reasonable assurance that all proposed improvements will be completed as represented;

c. The advertising material and the general promotional plan are not false, misleading, or discriminatory and comply with the standards prescribed by the commission in its rules and regulations and afford full and fair disclosure;

d. The subdivider has not, or if a corporation, its officers, directors, and principals have not, been convicted of a crime or civil offense involving land dispositions or any aspect of the land sales business in this State, the United States, or any other state or foreign country; and that the developer has not been subject to any permanent injunction or final administrative order restraining a false or misleading promotional plan involving real property dispositions, the seriousness of which in the opinion of the commission warrants the denial of registration; and

e. The public offering statement requirements of section 12 of this act have been satisfied.

C.45:15-16.36 Contents of statement of record.

10. The statement of record shall contain the information and be accompanied by the documents specified as follows:

a. The name and address of each person having an interest in the lots in the subdivision to be covered by the statement of record and the extent of that interest;
b. p. Any other information and any other documents and certification as the commission may require as being reasonably necessary for the protection of purchasers.

C.45:15-16.37 Information available to public.

11. The information contained in any statement of record and any additions or corrections required by section 10 of this act shall be made available to the public under regulations promulgated by the commission pursuant to this act and copies shall be furnished to every applicant at a reasonable charge prescribed by the commission.

C.45:15-16.38 Public offering statement; not to be used for promotional purposes; amendments to; right to cancel.

12. a. A public offering statement shall disclose fully and accurately the physical characteristics of the subdivided lands offered and shall make known to prospective purchasers all unusual and material circumstances or features affecting those lands. The proposed public offering statement submitted to the commission shall be in a form prescribed by the rules and regulations promulgated pursuant to this act and shall include the following:
(1) The name and principal address of the developer and his authorized New Jersey representative who shall be a licensed real estate broker licensed to maintain offices within this State;

(2) A general description of the subdivision or subdivided lands stating the total number of lots, parcels, units or interests in the offering;

(6) The notice, as required in subsection d. of this section, shall, in addition to being contained in all contracts or agreements, be conspicuously located and simply stated in the public offering statement; and

(7) Additional information required by the commission to assure full and fair disclosure to prospective purchasers.

b. The public offering statement shall not be used for any promotional purposes before registration of the subdivided lands and afterwards only if it is used in its entirety. No person may advertise or represent that the commission approves or recommends the subdivided lands or the disposition thereof. No portion of the public
offering statement may be underscored, italicized, or printed in larger or heavier or different color type than the remainder of the statement unless the commission requires or permits it.

c. The commission may require the subdivider to alter or amend the proposed public offering statement in order to assure full and fair disclosure to prospective purchasers, and no change in the substance of the promotional plan or plan of disposition or development of the subdivision may be made after registration without notifying the commission and without making an appropriate amendment to the public offering statement. A public offering statement is not current unless all amendments or consolidations are incorporated.

d. Any contract or agreement for the purchase or the leasing of a lot may be rescinded by the purchaser or lessee without cause of any kind by sending or delivering written notice of cancellation by midnight of the seventh calendar day following the day on which the purchaser has executed the contract or agreement. Every contract or agreement shall be in writing and shall contain the following notice in 10-point bold type or larger, directly above the space provided for the signature of the purchaser or lessee:

NOTICE to PURCHASER or LESSEE: You are entitled to the right to cancel this contract by midnight of the seventh calendar day following the day on which you have executed this contract or agreement.

e. The subdivider shall make copies of the public offering statement available to prospective purchasers prior to their signing any contract or agreement.

C.45:15-16.39 Consolidated filing.

13. A subdivider may register additional subdivided lands pursuant to the same common promotional plan as those previously registered by submitting an additional filing providing the additional information necessary to register the additional lots, parcels, units or interests which shall be designated as “a consolidated filing.”

14. a. Within 30 days after each annual anniversary date of an order registering the subdivided lands, or on or before a date set by the commission, and while the subdivider retains any interest therein, the subdivider of these lands shall file a report in the form prescribed by the rules and regulations promulgated by the commission. The report shall reflect any material changes in the information contained in the original application for registration; except
that, with respect to any registration filed with and approved by the commission prior to the date of enactment of this act, no additional information shall be required on the subdivided land covered by such registration other than that necessary to indicate any material changes in information contained in the original application for registration.

b. The commission shall process and review requests for amendments to a registration in accordance with the standards and procedures established in this act for review of applications for registration. Requests for amendment, other than price changes and advertising, shall be accompanied by a fee as the commission may prescribe by rule.

c. Upon a determination by the commission that an annual report is no longer necessary for the protection of the public interest or that the developer no longer retains any interest and no longer has any contractual, bond or other obligations in the subdivision, the commission shall issue an order terminating the responsibilities of the developer under this act.

C.45:15-16.41 Powers of commission.

15. The commission may:

a. Accept registrations filed in this State, in other states or with the federal government;

b. Contract with similar agencies in this State or other jurisdictions to perform investigative functions;

c. Accept grants in aid from any governmental or other source;

d. Cooperate with similar agencies or commissions in this State or other jurisdictions to establish uniform filing procedures and forms, uniform public offering statements, advertising standards, rules and common administrative practices;

e. Grant exemptions pursuant to the rules and regulations adopted pursuant to section 23 of this act;

f. Make any necessary public or private investigations within or outside of this State to determine whether any person has violated or is about to violate any provision of this act, or to aid in the enforcement of this act or in the prescribing of rules and regulations and forms hereunder;

g. Require or permit any person to file a statement in writing,
under oath or otherwise, as the commission determines, as to all the facts and circumstances concerning the matter to be investigated;

h. For the purpose of any investigation or proceeding under this act, the commission or any officer designated by rule, may administer oaths, or affirmations, and upon its own motion or upon request of any party may subpoena witnesses and compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of material evidence; and

i. Upon failure to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all persons affected thereby, the commission may apply to the Superior Court for an order compelling compliance.

C.45:15-16.42 Commission empowered to issue cease and desist orders.

16. a. If the commission determines after notice and hearing that a person has:

(1) Violated any provision of this act;

(2) Directly or through an agent or employee engaged in any false, deceptive, or misleading advertising, promotional or sales methods in the State of New Jersey to offer or dispose of an interest in the subdivision or subdivided lands;

(3) Made any material change in the plan of disposition and development of the subdivision or subdivided lands subsequent to the order of registration without first complying with the provisions of subsection o. of section 10 of this act;

(4) Disposed of any subdivision or subdivided lands which have not been registered with the commission; or

(5) Violated any lawful order or rule or regulation of the commission;

the commission may issue an order requiring the person to cease and desist from the unlawful practice and to take such affirmative action as in the judgment of the commission will carry out the purposes of this act.

b. If the commission makes a finding of fact in writing that the public interest will be irreparably harmed by delay in issuing an
order, it may issue a temporary cease and desist order. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held within 15 days of the receipt of the request.

C.45:15-16.43 Conditions for revocation of registration.

17. a. A registration may be revoked after notice and hearing upon a written finding of fact that the subdivider has:

(1) Failed to comply with the terms of a cease and desist order issued pursuant to subsection a. of section 16 of this act;

(2) Been convicted in any court for a crime or civil offense involving fraud, deception, false pretenses, misrepresentation, false advertising, dishonest dealing, or other like offense subsequent to the filing of the application for registration;

(3) Disposed of, concealed, or diverted any funds or assets of any person so as to defeat the rights of subdivision purchasers;

(4) Failed faithfully to perform any stipulation or agreement made with the commission as an inducement to grant any registration, to reinstate any registration, or to approve any promotional plan or public offering statement;

(5) Advertised his subdivision or responded to applications for his subdivision in a manner which was discriminatory on the basis of marital status, sex, race, creed, color, religion or national origin;

(6) Willfully violated any provision of this act or of a rule or regulation promulgated pursuant to section 23 of this act; or

(7) Made intentional misrepresentation or concealed material facts in the documents and information submitted in the application filed for registration. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings.

b. If the commission finds, after notice and hearing, that the subdivider has been guilty of a violation for which revocation could be ordered, it may, in lieu thereof, issue a cease and desist order pursuant to subsection a. of section 16 of this act.

C.45:15-16.44 Commission empowered to bring action in Superior Court; intervene in suits.

18. a. If it appears that a person has engaged, or is about to engage, in an act or practice constituting a violation of a provision of this act, the commission, with or without prior administrative proceedings, may bring an action in the Superior Court to enjoin the
acts or practices and to enforce compliance with this act or any rule, regulation or order hereunder. Upon proper showing, injunctive relief or temporary restraining orders shall be granted, and a receiver may be appointed. The commission shall not be required to post a bond in any court proceeding.

b. The commission may intervene in a suit involving any subdivision. In any such suit, by or against the developer or subdivider, the developer or subdivider shall promptly furnish the commission with notice of the suit and copies of all pleadings.

C.45:15-16.45 Submission of applicant to the courts; methods of service.

19. a. For purposes of this act, an applicant for registration submitted to the commission shall be deemed as submission, by the applicant, to the jurisdiction of the Courts of the State of New Jersey.

b. In addition to the methods of service provided for in the Rules Governing the Courts of the State of New Jersey, service may be made by delivering a copy of the process to the person in charge of the office of the commission at its office, but that service shall not be effective unless the plaintiff, which may be the commission in a proceeding instituted by it:

(1) Sends a copy of the process and the pleading by certified mail to the defendant or respondent at his last known address; and

(2) The plaintiff's affidavit of compliance with this section is filed in the case on or before the return day of the process, if any, or within the time as the court allows.

c. If any person, including any nonresident of this State, engaged in conduct prohibited by this act and has not filed a consent of service of process and personal jurisdiction over him cannot otherwise be obtained in this State, that conduct authorizes the commission to receive service of process in any noncriminal proceedings against him or his successor which grows out of that conduct and which is brought under this act with the same force and validity as if served on him personally. Notice shall be given as provided in subsection a. of this section.

C.45:15-16.46 Violations by brokers, salespeople; fines, penalties.

20. a. Any broker or salesperson who violates any of the provisions of this act shall, in addition to the penalties set forth herein, be subject to the penalties as set forth in R.S.45:15-17.

b. Any person who violates any provision of this act or any person who, in an application for registration filed with the commission,
makes any untrue statement of a material fact or omits to state a material fact shall be fined not less than $250.00, nor more than $50,000.00, per violation.

c. The commission may levy and collect the penalties set forth in subsection b. of this section after affording the person alleged to be in violation of this act an opportunity to appear before the commission and to be heard personally or through counsel on the alleged violations and a finding by the commission that said person is guilty of the violation. When a penalty levied by the commission has not been satisfied within 30 days of the levy, the penalty may be sued for and recovered by, and in the name of, the commission in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S.2A:58-1 et seq.).

d. The commission may, in the interest of justice, compromise any civil penalty, if in its determination the gravity of the offense or offenses does not warrant the assessment of the full fine.

C.45:15-16.47 Actions, counterclaims permitted against non-compliers.

21. a. Any person who suffers any ascertainable loss of moneys as a result of the failure of another to comply fully with the provisions of this act may bring an action or assert a counterclaim in any court of competent jurisdiction. In any action filed under this section in which a defendant is found to have knowingly engaged in any false, deceptive, misleading promotional or sales methods or discriminatory advertising on the basis of race, sex, creed, color, marital status, national origin or religion, concealed or fraudulently diverted any funds or assets so as to defeat the rights of subdivision purchasers, made an intentional misrepresentation or concealed a material fact in an application for registration, or disposed of any subdivision or subdivided lands required to be registered under section 7 of this act which are not so registered, the court shall, in addition to any other appropriate legal or equitable remedy, award double the damages suffered, and court costs expended, including reasonable attorney's fees. In the case of an untruth, omission, or misleading statement the developer sustains the burden of proving that the purchaser knew of the untruth, omission or misleading statement, or that he did not rely on such information, or that the developer did not know, and in the exercise of reasonable care could not have known, of the untruth, omission, or misleading statement.

b. The court may, in addition to the remedies provided in this act, frame any other relief that may be appropriate under the circumstances including, in the court's discretion, restitution of all monies
paid and, where a subdivider has failed to provide to a purchaser a copy of the current public offering statement approved by the commission prior to execution of the contract or agreement, rescission of the contract. If the purchaser fails to establish a cause of action, and the court further determines that the action was wholly without merit, the court may award attorney's fees to the developer or subdivider.

c. Every person who directly or indirectly controls a subdivision or developer and violates the provisions of subsection a. of this section, every general partner, officer, or director of a developer, and every person occupying a similar status or performing a similar function, shall be jointly and severally liable with and to the same extent as the developer. The person otherwise liable pursuant to this subsection sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known, of the existence of the facts by reason of which the liability is alleged to exist. There is a right to contribution among persons found liable.

d. Any stipulation or provision purporting to bind any purchaser acquiring a parcel, lot, unit, or interest in any development subject to the provisions of this act, to a waiver of compliance with the provisions of this act, shall be void.

e. Any party to an action asserting a claim, counterclaim or defense based upon any violation of this act shall mail a copy of the initial or responsive pleading containing the claim, counterclaim or defense to the commission within 10 days of the filing of the pleading with court. Upon application to the court where the matter is pending, the commission shall be permitted to intervene or to appear in any status appropriate to the matter.

C.45:15-16.48 Existing registrations deemed in force and effect.

22. Any registration of a subdivision or amendment thereto, or consolidation, or renewal thereof approved by the commission prior to August 2, 1989, under the “Land Sales Full Disclosure Act,” P.L.1975, c.235 (C.45:15-16.3 et seq.) shall, upon the enactment of this act, be deemed in force and effect for the remainder of the 12-month period for which it was issued.

C.45:15-16.49 Rules and regulations.

23. The commission shall, pursuant to the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), promulgate rules and regulations necessary to effectuate the provisions of this act. The rules may include, but shall not be limited
to: a. provisions for advertising standards to insure full and fair disclosure; b. provisions for adequate bondings or access to some escrow or trust fund not otherwise required by the municipal governing body to be located within this State, or the state or country where the property is located, so as to insure compliance with the provisions of this act, and to compensate purchasers for failure of the registrant to perform in accordance with the terms of any contract or public statement; c. provisions that require a registrant to deposit purchaser down payments, security deposits or other funds in an escrow account, or with an attorney licensed to practice law in this State, or the state or country where the property is located, until such time as the commission by its rules and regulations deems it appropriate to permit such funds to be released; d. provisions to insure that all contracts between developer and purchaser are fair and reasonable; e. provisions that the developer must give a fair and reasonable warranty on construction of any improvements; f. provisions that the budget for the operation and maintenance of the common or shared elements or interest shall provide for adequate reserves for depreciation and replacement of the improvements; g. provisions for operating procedures; and h. other rules and regulations necessary to effectuate the purposes of this act, and taking into account and providing for, the broad range of development plans and devises, management mechanisms, and methods of ownership, permitted under the provisions of this act.

Repealer.

25. This act shall take effect immediately.

Approved January 2, 1990.

2. Section 12 of P.L.1989, c.34 (C.13:1E-48.12) is amended to read as follows:

12. a. The Department of Environmental Protection, in conjunction with the Board of Public Utilities, shall adopt appropriate rules or regulations or issue administrative orders providing for the interdistrict or intradistrict flow of regulated medical waste. The rules, regulations, or administrative orders shall establish the manner in which the department and the board jointly will direct the flow of regulated medical waste in this State pursuant to P.L.1970, c.39 (C.13:1E-1 et seq.), P.L.1970, c.40 (C.48:13A-1 et seq.) and the provisions of this act, and determine where regulated medical waste may be disposed.

   b. The Board of Public Utilities shall have jurisdiction over rates or charges for the disposal of regulated medical waste received by any commercial incinerator or commercial facility in this State that accepts regulated medical waste for disposal. The department, in conjunction with the board, may require any solid waste facility to accept for disposal regulated medical waste prepared for that purpose in accordance with the provisions of this act, and any rule or regulation adopted pursuant thereto, on the same terms and under the same conditions as ordinary solid waste.

   c. The Board of Public Utilities shall not have jurisdiction over rates or charges for the disposal of regulated medical waste imposed
by any noncommercial facility in this State that accepts regulated medical waste for disposal, without regard to whether the regulated medical waste was generated onsite or otherwise.

d. (1) The Commissioner of Health shall recommend to the Hospital Rate Setting Commission adjustments to the reimbursement rates for affected generators for activities that are required under this act, but that are not currently reimbursed under the rate setting system established by section 5 of P.L.1978, c.83 (C.26:2H-4.1). 3. Within six months of the effective date of this act, the department shall reimburse each generator of regulated medical waste the difference between the amount of the annual fee assessed and collected pursuant to rules and regulations adopted by the department on August 25, 1989 and the amount assessed against the generator pursuant to section 7 of P.L.1989, c.34 (C.13:1E-48.7) as amended by section 1 of P.L.1989, c.240.

4. This act shall take effect immediately.

CHAPTER 241, LAWS OF 1989

CHAPTER 241

An Act requiring the establishment of a Subcommittee on Green Acres Properties, prescribing its powers and duties, and supplementing chapter 20 of Title 52 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C.52:20-18.1 Findings, declarations.

1. The Legislature finds and declares that approval by the State House Commission is a precondition to the execution of any contract for the alteration, expansion, or improvement of any real property purchased by local government units with funds made available from Green Acres bond revenues; that the commission acts only when completed plans and specifications are submitted to it for review; that because the commission does not meet on a frequent basis, delays in implementing projects awaiting contract approval occur; that many of these contracts concern minor projects that would benefit from expeditious consideration; and that it is in the public interest to provide a mechanism to expedite State review of minor projects associated with real property purchased with Green Acres funds.

C.52:20-18.2 Subcommittee on Green Acres Properties established.

2. The State House Commission shall establish from its membership a Subcommittee on Green Acres Properties. The subcommittee shall constitute an instrumentality of the State exercising public and essential governmental functions, and the exercise by the subcommittee of the powers conferred by this or any other act shall be deemed and held to be an essential governmental function of the State.

C.52:20-18.3 Subcommittee to meet, provide minutes to State House Commission.

3. The subcommittee shall meet at least once every two months to conduct its business. A true copy of the minutes of every meeting of the subcommittee shall be prepared and forthwith delivered to the commission.

C.52:20-18.4 Commission to determine what projects subcommittee may consider, interim guidelines.

4. The commission shall formulate and adopt rules of procedure for the government of the subcommittee in exercising its powers and fulfilling its duties under this act, including a determination of the type of proposed alteration, expansion, or improvement that the subcommittee may consider. Until this determination is made, the
subcommittee, on an interim basis, may consider proposals involving expenditures of less than $2,000,000.00 or proposals for exchanges of land parcels of equal value less than 20 acres in size.

C.52:20-18.5 Powers and duties of subcommittee.

5. The subcommittee shall have the following powers and duties:

a. To review proposals submitted for approval in connection with the minor alteration, expansion, exchanges, or improvement of any real property purchased by a local government unit with Green Acres funds and to grant such approval if warranted.

b. To call to its assistance and avail itself of the services of such employees of any State, county, or municipal department, board, commission, or agency as may be required and made available for such purposes.

C.52:20-18.6 Exercise of powers and duties.

6. The subcommittee may exercise its powers and duties on behalf of the commission notwithstanding the provision of R.S.52:20-6.

7. Within one year of the effective date of this act, the commission shall review the actions of the subcommittee, and evaluate its success in expediting the review process, and make any recommendations to the subcommittee that may be appropriate to further the purposes of this act.

8. This act shall take effect immediately.

Approved January 2, 1990.

CHAPTER 242

AN ACT concerning deadlines for municipally approved programs and amending P.L.1983, c.32.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 14 of P.L.1983, c.32 (C.4:1C-21) is amended to read as follows:

C.4:1C-21 Municipally approved program.

14. a. Any one or more owners of land which qualifies for differential property tax assessment pursuant to the “Farmland Assessment
Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.), and which is included in an agricultural development area may petition the board for the creation of a municipally approved program comprising that land; provided that the owner or owners own at least the minimum acreage established by the board. The petition shall include a map of the boundaries of the municipally approved program and any other information deemed appropriate by the board.

b. Upon receipt thereof, the board shall review this petition for conformance with minimum eligibility criteria as established by the committee and the board. If the board finds that the criteria have been met, it shall immediately forward a copy of the petition to the county planning board, the governing body of any municipality wherein the proposed municipally approved program is located, and to the planning board of each affected municipality.

c. Within 60 days of receipt of the petition, the municipal planning board shall review and report to the municipal governing body the potential effect of the proposed municipally approved program upon the planning policies and objectives of the municipality.

d. The municipal governing body shall, after public hearing and within 120 days of receipt of the report, recommend to the board, by ordinance duly adopted, that the municipally approved program boundaries be approved, conditionally approved with proposed geographical modifications, or disapproved.

e. Upon receipt of a recommendation by the governing body to approve the petition, the board shall forward the petition for the creation of the municipally approved program and the municipal ordinance approving the municipally approved program to the county planning board. This action shall constitute creation of a municipally approved program.

f. Upon receipt of a recommendation by the governing body to conditionally approve the petition with proposed geographical modifications, the board shall review the recommendation for conformance with minimum eligibility criteria. If the board finds that the criteria have been met and that the proposed modifications encourage agriculture retention and development to the greatest practicable extent, the petition shall be forwarded and adopted pursuant to subsection e. of this section.

g. Upon receipt of a recommendation by the governing body to disapprove the petition, the board shall take no further action and the proposed municipally approved program shall not be adopted.
h. If the governing body proposes modifications to the petition which exclude any land from being included within a municipally approved program, the owner thereof may request that the board mediate on behalf of the landowner with the municipal governing body prior to acting on the recommendation thereof. The landowner may request mediation by the committee with respect to any action taken by the board.

i. The provisions of this section to the contrary notwithstanding, if any municipal governing body fails to act on a petition to create a municipally approved program within 180 days of the receipt by the municipal planning board of the petition, regardless of whether or not the municipal planning board has submitted a report pursuant to subsection c. of this section, the board or the landowner may appeal to the committee to intervene, and the committee may approve or disapprove a petition for the creation of a municipally approved program pursuant to the provisions of this section.

j. The board shall advise owners of any land contiguous to the proposed municipally approved program that a petition has been received, solicit opinions concerning inclusion of this land and, if the board deems appropriate, encourage the inclusion of the land in the municipally approved program.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1960, c.152 (C.48:12-49.1) is amended to read as follows:

C.48:12-49.1 Construction of bridges or passages; installation of protective devices; division of expenses.

1. The railroad company or companies involved shall pay 15% and the Department of Transportation, out of funds to be provided for that purpose, shall pay 85% of the entire expense of constructing any bridge or passage over or under the railroad or right-of-way pursuant to order of the department under R.S.48:12-49. Such expense shall include, without limitation thereto, damages to adjacent property and the cost of removing, relaying or relocating any municipal pipes, conduits or subways.

In lieu of the apportionment of expenses as set forth above, if the department finds that such construction of any bridge or passage is necessary due to increased vehicular or pedestrian traffic within the limits of the municipality or county having jurisdiction over the road, street or avenue involved, the department may order the entire expense to be paid as follows: 15% by the railroad company or companies involved, 15% by the municipality (or municipalities) or county (or counties) having jurisdiction over the roads, streets or avenues involved and 70% by the department.

The railroad company or companies involved shall pay 5% and the department, out of funds to be provided for that purpose, shall pay 95% of the entire expense: (a) of enlarging, changing, reconstructing, relocating or modifying any bridge or passage over or under the railroad or right-of-way, or of reconstructing any passage across the railroad or right-of-way; pursuant to order of the department under R.S.48:12-49 and as to which actual work is commenced on or after

Such expense shall include, without limitation thereto, damages to adjacent property and the cost of removing, relaying or relocating any municipal pipes, conduits or subways. With respect to crossings at grade, such expense shall not include the cost of rails, ties or ballast. The protective devices or other provision for the protection of the traveling public at grade crossings shall be maintained by the railroad at its own cost and expense.

In lieu of the apportionment of expenses as set forth in the preceding paragraph, if the department finds that such installation, enlargement, change, reconstruction, relocation or modification is necessary due to increased vehicular or pedestrian traffic within the limits of the municipality or county having jurisdiction over the road, street or avenue involved, the department may order the entire expense to be paid as follows: 5% by the railroad company or companies involved, 15% by the municipality (or municipalities) or county (or counties) having jurisdiction over the roads, streets or avenues involved and 80% by the department.

The municipalities and counties involved are hereby authorized and empowered to make such payments.

Notwithstanding the provisions of R.S. 48:12-49 or any other law, rule or regulation to the contrary, a municipality or a county, as the case may be, upon the approval of the Commissioner of Transportation, is authorized to enter into a contract with a railroad company for the construction, reconstruction, maintenance or repair of any passage at grade across a railroad or right-of-way located within the boundaries of its geographic jurisdiction and the protective devices thereon designed to protect the public health and safety, including, but not limited to, safety gates, electric bells, and electric signs or signals. CHAPTER 248

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P.L.1985, c.298 (C.52:27G-21) is amended to read as follows:

   C.52:27G-21 Findings, declarations.
   2. The Legislature finds and declares that private guardianship for an incompetent elderly adult may not be feasible where there are no willing and responsible family members or friends to serve as guardian, that this act establishes a public guardianship program for elderly adults for the purpose of furnishing guardianship services to elderly persons at reduced or no cost when appropriate, and that this act intends to promote the general welfare by establishing a public guardianship system that permits elderly persons to determinatively participate as fully as possible in all decisions that affect them.

2. Section 6 of P.L.1985, c.298 (C.52:27G-25) is amended to read as follows:

   C.52:27G-25 Public guardian as administrator and chief executive officer; powers and duties.
   6. The public guardian, as administrator and chief executive officer:
      a. Shall administer and organize the work of the office and establish therein any administrative divisions he may deem necessary, proper and expedient. The public guardian may delegate to subordinate officers or employees of the office any of his powers as he may deem desirable to be exercised under his supervision and control;
      b. Shall adopt rules and regulations in accordance with the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to effectuate the purposes of this act;
      c. Shall appoint and remove stenographic, clerical and other secretarial assistants as may be required for the proper conduct of the office, subject to the provisions of Title 11A of the New Jersey Statutes, and other applicable statutes, and within the limits of funds appropriated or otherwise made available therefor. In addition, and
within funding limits, the public guardian may appoint, retain or employ, without regard to the provisions of Title 11A of the New Jersey Statutes or any other statutes, any officers, financial managers, social workers or other professionally qualified personnel on a contract basis or otherwise as the public guardian deems necessary;

d. Shall maintain suitable headquarters for the office and other quarters as the public guardian may deem necessary to the proper functioning of the office;

e. May accept the services of volunteer workers or consultants at no compensation, at nominal or token compensation, or at full compensation, as appropriate, and reimburse them for their proper and necessary expenses;

f. Shall keep and maintain proper financial and statistical records concerning all cases in which the public guardian provides guardianship or conservatorship services, provided that the privacy and confidentiality of these records for each ward are preserved;

g. May serve as guardian and conservator or either of these, after appointment by a court pursuant to the provisions of Title 3B of the New Jersey Statutes, and with the same powers and duties of a private guardian or conservator, except as otherwise limited by law or court order;

h. May intervene in any guardianship or conservatorship proceeding involving a ward, by appropriate motion by the court, if the public guardian or the court deems the intervention to be justified because an appointed guardian or conservator is not fulfilling his duties, the estate is subject to disproportionate waste because of the costs of the guardianship or conservatorship, or the best interests of the ward require intervention;

i. Shall perform any other function which may be prescribed by this act or by any other law;

j. Shall appoint and employ, notwithstanding the provisions of P.L.1944, c.20 (C.52:17A-1 et seq.), a general counsel and such other attorneys or counsel as the public guardian may require, for the purpose, among other things, of providing legal advice on such matters as the public guardian may from time to time require, of attending to and dealing with all litigation, controversies, and legal matters in which the public guardian or any ward of the public guardian may be a party or in which these rights and interests may be involved, and of representing the public guardian and any ward in all proceed-
ings or actions of any kind which may be brought for or against them in any court of this State. With respect to all of the foregoing, the counsel and attorneys shall be independent of any supervision or control by the Attorney General or by the Department of Law and Public Safety, or by any division or officer thereof.

3. Section 7 of P.L.1985, c.298 (C.52:27G-26) is amended to read as follows:

C.52:27G-26 Eligibility for services; petition for appointment by person with responsibility for eligible elderly person; limitation of powers in order.

7. Any elderly person residing in the State who may be found by a court to require a guardian or conservator, pursuant to the provisions of Title 3B of the New Jersey Statutes, and who does not have a willing and responsible family member or friend to serve as guardian is eligible for the services of the public guardian. However, the public guardian shall not be appointed for the sole reason that the proposed ward relies upon treatment by spiritual means through prayer alone in lieu of medical treatment, in accordance with the ward's religious tenets and practices.

In addition to the classes of persons entitled pursuant to Title 3B of the New Jersey Statutes, a county welfare agency, the Ombudsman for the Institutionalized Elderly, or any other agency, public or private, having a responsibility towards the eligible elderly person, may petition the court to have the public guardian appointed as guardian or conservator for the eligible elderly person with the powers and duties ordinarily conferred by law on guardians and conservators or for certain limited purposes described in the petition. If the petition requests that only limited powers be granted, the court shall incorporate these limitations into its order of appointment to the extent it deems appropriate. The court shall ensure beyond a reasonable doubt that the petition is not the product of mistake, fraud, or duress. The filing of the petition will not be the basis for any inference concerning the competence of the petitioner or for any loss of civil rights or benefits.

4. Section 8 of P.L.1985, c.298 (C.52:27G-27) is amended to read as follows:

C.52:27G-27 Administrative costs, commissions and fees of public guardian's services and costs of appointment procedure.

the estate of the person pursuant to the provisions of Title 3B of the New Jersey Statutes. The reasonable value of all the services rendered by the public guardian, including the costs incurred in the appointment procedure, less any amounts paid from the income of the person, shall be charged against the estate of the person in accordance with the provisions of section 6 of P.L.1989, c.248 (C.52:27G-27.1).

b. (Deleted by amendment, P.L.1989, c.248.)

5. Section 11 of P.L.1985, c.298 (C.52:27G-30) is amended to read as follows:

C.52:27G-30 Discharge by court; petition.

11. The public guardian may be discharged by a court with respect to any of the authority granted over each ward upon petition of the elderly person, any interested person, or the public guardian, or upon the court’s own motion, when it appears that the services of the public guardian are no longer necessary, despite the fact that the individual has not been, and may never be, restored to competency.

C.52:27G-27.1 Lien on estate of elderly person for services of public guardian.

6. a. The reasonable value of the services rendered by the public guardian may in all cases be a lien on the estate of the elderly person on whose behalf the services have been rendered, pursuant to a court order appointing the public guardian. This lien shall be deemed a preferred claim against the estate of the elderly person and shall have a priority as a debt under subsection c. of N.J.S.3B:22-2.

The lien may be filed against the real or personal property, or an interest or estate in property, whether vested or contingent, of a third party.

b. In order to effectuate a lien, the public guardian shall file a notice with the clerk of the Superior Court in the county in which the elderly person resides, setting forth the services rendered and the reasonable value thereof. Upon the filing of the notice, the lien shall immediately attach to, and become binding upon all of the property, whether real or personal, of the estate against whom the lien is filed.

(1) If the clerk finds that the estate against whom a lien is filed pursuant to this act is possessed of any goods, rights, credits, chattels, monies or effects which are held by a person, firm or corporation for the present or future use of the estate, the clerk shall forward notice of the lien by registered or certified mail to that person, firm or
corporation; and the lien shall be binding upon those goods, rights, credits, chattels, monies or effects. Upon receipt of notice of the lien, the person, firm or corporation shall be precluded from disposing of those goods, rights, credits, chattels, monies or effects until the lien is satisfied or until the public guardian consents to that disposition.

A person, firm or corporation who disposes of those goods, rights, credits, chattels, monies or effects after receipt of notice of the lien is liable to the public guardian for the value of the goods, rights, credits, chattels, monies or effects disposed of, or the amount of the lien, whichever is less.

(2) The clerk shall provide suitable books in which he shall enter a lien filed pursuant to this act and shall properly index the lien in the name of the estate against whom the lien has been filed. The public guardian shall not be required to pay filing or recording fees.

c. The public guardian may compromise, settle or waive, in whole or in part, a lien filed pursuant to this act. The public guardian may discharge the lien by filing a certificate or warrant with the clerk of the Superior Court in the county in which the elderly person resides, notifying the clerk of the public guardian’s desire to discharge the lien.

C.52:27G-29.1 Maximum caseload.

7. The public guardian shall determine the maximum caseload that the office can maintain based on the amount of funds appropriated or otherwise made available to the office. When a maximum caseload is reached, the public guardian may decline appointment as guardian or conservator. The public guardian shall establish procedures for informing each of the assignment judges of the Superior Court when the office’s maximum caseload has been reached, and when the office is able to accept additional cases.

8. N.J.S.3B:22-2 is amended to read as follows:

Order of priority of claims when assets insufficient.

e. Judgments entered against the decedent according to the priorities of their entries respectively;

f. All other claims.

No preference shall be given in the payment of any claim over any other claim of the same class, and a claim due and payable shall not be entitled to a preference over claims not due.

9. This act shall take effect immediately.

Approved January 2, 1990.

The burden of establishing legal domicile within the State shall be upon the claimant.

(g) "Tax year" means the particular calendar year in which the general property tax is due and payable.

(h) "Veteran" means any citizen and resident of this State honorably discharged or released under honorable circumstances from active service in time of war in any branch of the Armed Forces of the United States.

6. Every fact essential to support a claim for a veteran's deduction hereunder shall exist on October 1 of the pretax year and in the case of an application by a veteran such application shall establish that the claimant was, on October 1 of the pretax year, (a) a veteran, as herein defined, (b) the owner of the legal title to the property as to which the veteran's deduction is claimed and (c) a citizen and resident of this State and, in the case of an application by a surviving spouse, as herein defined, such application shall establish that the surviving spouse was, on October 1 of the pretax year, (a) the owner of the legal title to the property as to which the veteran's deduction is claimed, (b) that he or she has not remarried and (c) that he or she is a resident of this State. For purposes of establishing a claim, a tenant shareholder in a cooperative or a mutual housing corporation shall be deemed the owner of legal title to his proportionate share of the taxable value of the real property of the corporation or any other entity holding title.

7. Section 9 of P.L.1963, c.171 (C.54:4-8.18) is amended to read as follows:

C.54:4-8.18 Continuance to deduction right; change in status.

9. Where title to property as to which a veteran's deduction is claimed is held by claimant and another or others, either as tenants
in common or as joint tenants, a claimant shall not be allowed a veteran's deduction in an amount in excess of his or her proportionate share of the taxes assessed against said property, which proportionate share, for the purposes of this act, shall be deemed to be equal to that of each of the other tenants, unless the conveyance under which title is held specifically provides unequal interests, in which event claimant's interest shall be as specifically established in said conveyance. Property held by husband and wife, as tenants by the entirety, shall be deemed to be wholly owned by each tenant. Nothing herein shall preclude more than one tenant, whether title be held in common, joint tenancy or by the entirety, from claiming a veteran's deduction from the tax assessed against the property so held. Right to claim a veteran's deduction hereunder shall extend to property title to which is held by a partnership, to the extent of the claimant's interest as a partner therein, and by a guardian, trustee, committee, conservator or other fiduciary for any person who would otherwise be entitled to claim a veteran's deduction hereunder, but not to property the title to which is held by a corporation, except that a tenant shareholder in a cooperative or mutual housing corporation shall be entitled to claim a veteran's deduction to the extent of his proportionate share of the taxes assessed against the real property of the corporation or any other entity holding title.

b. The tax collector shall credit to each cooperative or mutual housing corporation the total amount of deductions allowed to its shareholders in each tax year against the taxes payable by the corporation, or any other entity holding title, in that year.

c. A cooperative or mutual housing corporation shall enter in its books a credit to each shareholder to whom a deduction has been allowed, and shall proportionately reduce the periodic charges made to him on account of taxes. Each statement of periodic charges presented to the shareholder shall distinctly indicate: (1) his proportionate share of the corporation's taxes, or of the taxes of any other entity holding title, without allowance for the deduction, and (2) the amount by which that share is reduced for the period covered by the statement; and a copy of the statement shall be filed with the tax collector.
d. If a shareholder to whom a deduction has been allowed shall cease to be eligible for the deduction in the course of a tax year for which the deduction was allowed, the corporation shall promptly notify the tax collector who shall take appropriate action for the collection or adjustment of the amount of the deduction not actually used.

C.54:4-8.56 Regulations.

9. The Director of the Division of Taxation in the Department of the Treasury is authorized to adopt regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to adapt the procedures for seeking, granting and allowing deductions under this act to the exigencies of time affecting the initial years of its operation.

(Assembly Bill No. 3901)

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am attaching to Assembly Bill No. 3901 at the time of signing it, this statement of the items or parts thereof to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would appropriate $388,873.50 in payment of certain claims against the State. Of this sum, $98,341 represents claims against the Palisades Interstate Park Commission and $290,532.50 is for claims that would be paid from the General Fund.

The appropriation from the Palisades Interstate Park Commission is to satisfy claims for payments in lieu of municipal taxes for land which encompasses part of the Parkway. These claims are to be paid from the net share of revenues the Commission derives from the operation of gasoline stations along the New Jersey section of the Parkway. The Borough of Alpine would receive $34,000; the Borough of Fort Lee, $27,320; and the Borough of Englewood Cliffs, $37,021. Because the Commission has more than adequate resources to meet this liability, I am supportive of this appropriation.
The appropriation of $290,532.50 from the General Fund is more troubling. This appropriation would be used to compensate a variety of claims made against the State, including one claim where the courts have found the State to have no liability and several claims for tax refunds that were not filed before the expiration of the applicable statute of limitations period. While I may personally sympathize with the individuals who have made these claims against the State, the State is not legally liable for these claims, and I do not believe that it is appropriate to extend the State's liabilities and to expend the State's resources on these items rather than on the many worthwhile causes competing for scarce State monies in this period of fiscal constraints.

I am, however, prepared to make an exception in the case of Martin Carluccio, a Division of Motor Vehicles employee, who would receive $1,700 under this bill. Upon returning to work after his lunch hour, Mr. Carluccio saw several of his fellow employees racing from the building in pursuit of someone who had stolen a written driver's license examination. Mr. Carluccio pursued the thief and in the course of the scuffle lost a valuable diamond and gold ring. This action by Mr. Carluccio was above and beyond his duties and responsibilities, and he should be reimbursed for his loss.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 258

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3-13 of P.L.1950, c.210 (C.40:69A-43) is amended to read as follows:

C.40:69A-43 Departments, limits.

3-13. (a) The municipality shall have a department of administration and such other departments, not less than two and not exceeding nine in number, as council may establish by ordinance. All of the administrative functions, powers and duties of the municipality, other than those vested in the offices of the municipal clerk and the municipal tax assessor, shall be allocated and assigned among and within such departments.

The offices of the municipal clerk and the municipal tax assessor shall be subject to such general administrative procedures and requirements as are departments of the municipal government, includ-
ing, but not limited to, the preparation and submission of an annual budget and of such periodic budget reports as are generally required of departments, and such accounting controls, central purchasing practices, personnel procedures and regulations, and central data processing services as are generally required of departments.

(b) Each department shall be headed by a director, who shall be appointed by the mayor with the advice and consent of the council. Each department head shall serve during the term of office of the mayor appointing him, and until the appointment and qualification of his successor. The mayor shall, with the advice and consent of the council, appoint the municipal assessor and all other municipal officers not assigned within municipal departments, subject to the terms of any general law providing for these offices, unless a different appointment procedure is clearly required by this plan of government or by general law.

(c) The mayor may in his discretion remove any department head and, subject to any general provisions of law concerning term of office or tenure, any other municipal executive officer who is not a subordinate departmental officer or employee, after notice and an opportunity to be heard. Prior to removal the mayor shall first file written notice of his intention with the council, and such removal shall become effective on the 20th day after the filing of such notice unless the council shall prior thereto have adopted a resolution by a two-thirds vote of the whole number of the council, disapproving the removal.

(d) Department heads shall appoint subordinate officers and employees within their respective departments and may, with approval of the mayor, remove such officers and employees, subject to the provisions of Title 11A of the New Jersey Statutes, where that Title is effective in the municipality, or other general law.

(e) Notwithstanding the foregoing provisions of this section, in any city of the first class, there shall be, and in any municipality having a population of 15,000 or more, there may be, a board of alcoholic beverage control which shall exercise the powers conferred upon municipal boards of alcoholic beverage control under Title 33 of the Revised Statutes. Such boards shall be comprised of three members, no more than two of whom shall be of the same political party, who shall be appointed by the mayor, with the advice and consent of the council, each to serve for a term of three years, provided that of those first appointed, one shall be appointed to serve for a term of one year, one for two years, and one for three years.
Any vacancy in such office shall be filled in the same manner as the original appointment, for the balance of the unexpired term. Except in cities of the first class the members of such board shall serve without compensation but may be reimbursed for necessary expenses incurred in the performance of their duties; in cities of the first class, the members of such board shall receive such compensation as shall be established by ordinance of the municipality. They shall be removable by the mayor for cause. Any person appointed hereunder shall not be subject to the provisions of Title 11A of the New Jersey Statutes, and no such person shall be a member of the city council.

Nothing in this subsection shall be construed to limit the general power of the municipal council under this act to establish, alter and abolish offices, boards and commissions in any municipality other than a city of the first class.

(f) Whenever in any municipality with a population greater than 100,000, according to the latest federal decennial census, the governing body is authorized by any provision of general law to appoint the members of any board, authority or commission, such power of appointment shall be deemed to vest in the mayor with the advice and consent of the council. In all other municipalities, whenever the governing body is authorized by any provision of general law to appoint the members of any board, authority or commission, such power of appointment shall be deemed to vest in the mayor with the advice and consent of the council, unless the specific terms of that general law clearly require a different appointment procedure or appointment by resolution, in which case the appointment shall be by the council.

2. The term of any appointment made subsequent to November 26, 1985 by the governing body of any city of the first class shall expire 30 days after the effective date of this act if the provisions of subsection (f) of section 3-13 of P.L.1950, c.210 (C.40:69A-43) would otherwise have granted the power of appointment to the mayor with the advice and consent of the council prior to the effective date of P.L.1985, c.374.

3. This act shall take effect immediately.

Approved January 4, 1990.

Statement to Chapter 259
(Senate Bill No. 1945 (Second Reprint))

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Senate Bill No. 1945 (Second Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill appropriates $200,000 to create the C. Clyde Ferguson Law Scholarships to be awarded to students from disadvantaged or minority backgrounds enrolled at Rutgers School of Law–Newark, Rutgers School of Law–Camden and Seton Hall University School of Law.
C. Clyde Ferguson, Jr. was a Professor of Law at Rutgers School of Law-Newark. He also served as Dean of the Howard University Law School, United States Ambassador to Uganda and the United States Representative to the United Nations Economic and Social Council. At the time of his death in 1983, Ambassador Ferguson was the Henry L. Stimson Professor of Law at Harvard Law School.

I am in full agreement with the purposes behind this legislation, both in honoring Ambassador Ferguson and in enhancing opportunities for disadvantaged and minority law students. However, due to the State's current fiscal situation and the timing of this legislation, I do not believe that it is necessary to appropriate the full $200,000 at this time. Because half the school year has passed, I believe that the appropriation in this legislation should be reduced to $100,000. In this manner, the scholarships will be established, and further funding for subsequent school years may be included in later budget acts.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 260

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.15A:2-8 is amended to read as follows:

Certificate of incorporation.
a. The certificate of incorporation shall set forth:
(1) The name of the corporation;
(2) The purpose or purposes for which the corporation is organized;

(3) If the corporation is to have members, the qualifications for members or that the qualifications shall be as set forth in the bylaws of the corporation;

(4) If the members are to be divided into classes, the relative right and limitations of the different classes of members to the extent those rights and limitations have been determined or that the rights and limitations shall be as set forth in the bylaws of the corporation;

(5) If the corporation is to have no members, that there shall be no members;

(6) The method of electing trustees or that the method shall be as set forth in the bylaws of the corporation;

(7) Any provision not inconsistent with this act or any other statute of this State, which the incorporators elect to set forth for the management and conduct of the affairs of the corporation, or creating, defining, limiting or regulating the powers of the corporation, its trustees and members or any class of members, including any provision which under this act is required or permitted to be set forth in the bylaws;

(8) The address, including actual location as well as postal designation, if different, of the corporation's initial registered office, and the name of the corporation's initial registered agent at that address;

(9) The number of trustees, not less than three, constituting the first board and the names and addresses of the persons who aim to serve as trustees, which addresses shall be either the residence address of the person or other address where the person regularly receives mail and which is not the address of the corporation;

(10) The names and addresses of the incorporators, which addresses shall be either the residence address of the person or other address where the person regularly receives mail and which is not the address of the corporation;

(11) The duration of the corporation if other than perpetual;

(12) The method of distribution of assets of the corporation upon dissolution, or that the distribution shall be as set forth in the bylaws of the corporation;

(13) If, pursuant to subsection b. of this section, the certificate
of incorporation is to be effective on a date subsequent to the date of filing, the effective date of the certificate;

(14) If, pursuant to the exception in paragraph (4) of subsection a. of section 15A:2-2, the name of the corporation does not include a term required thereby, a statement that the corporation could be organized pursuant to the provisions of Title 16 of the Revised Statutes, the applicable section of Title 16 of the Revised Statutes permitting that organization, and an undertaking to add the required term if the corporation ceases to be so organized.

b. An original and one copy of the certificate of incorporation shall be filed in the office of the Secretary of State. The corporate existence shall begin upon the effective date of the certificate, which shall be the date of the filing, or such later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate. The filing shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and, after the corporate existence has begun, that the corporation has been incorporated under this act, except as against this State in a proceeding to cancel or revoke the certificate of incorporation or for voluntary dissolution of the corporation. The Secretary of State shall forward the copy of the certificate of incorporation to the Attorney General.

c. The certificate of incorporation may provide that a trustee or officer shall not be personally liable, or shall be liable only to the extent therein provided, to the corporation or its members for damages for breach of any duty owed to the corporation or its members, except that such provision shall not relieve a trustee or officer from liability for any breach of duty based upon an act or omission (1) in breach of such person's duty of loyalty to the corporation or its members, (2) not in good faith or involving a knowing violation of law or (3) resulting in receipt by such person of an improper personal benefit.

d. Notwithstanding the provisions of subsection c. of this section, the immunities provided for in this 1989 amendatory act shall apply to any corporation organized under Title 15A of the New Jersey Statutes which is established for the purposes provided for in P.L.1959, c.90 (C.2A:53A-7 et seq.), whether or not the certificate of incorporation has been amended, and nothing in this section shall operate to diminish or affect any limitation of liability or limitation on liability which is conferred upon nonprofit corporations, societies
or associations by the provisions of section 1 of P.L.1987, c.87 (C.2A:53A-7.1).

2. N.J.S.15A:3-4 is amended to read as follows:

**Indemnification of trustees, officers and employees.**

15A:3-4. Indemnification of trustees, officers and employees.

a. As used in this section:

(1) “Corporate agent” means any person who is or was a trustee, officer, employee or agent of the indemnifying corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a trustee, officer, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of the constituent corporation, or the legal representative of the trustee, officer, employee or agent;

(2) “Other enterprise” means any domestic corporation, foreign corporation, or corporate business entity, other than the indemnifying corporation or any employee benefit plan or trust;

(3) “Expenses” means reasonable costs, disbursements and counsel fees;

(4) “Liabilities” means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties; and

(5) “Proceeding” means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to the action, suit or proceeding.

b. Any corporation may indemnify a corporate agent against the agent’s expenses and liabilities in connection with any proceeding involving the corporate agent because the agent is or was a corporate agent, other than a proceeding by or in the right of the corporation, if:

(1) the corporate agent acted in good faith and in a manner which the agent reasonably believed to be in or not opposed to the best interests of the corporation; and

(2) with respect to any criminal proceeding, the corporate agent had no reasonable cause to believe the conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not
of itself create a presumption that the corporate agent did not meet the applicable standards of conduct set forth in paragraphs (1) and (2) of subsection b. of this section.

c. Any corporation may indemnify a corporate agent against the agent's expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of being or having been the corporate agent, if the agent acted in good faith and in a manner which the agent reasonably believed to be in or not opposed to the best interests of the corporation. However, in the proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which the corporate agent was liable to the corporation, unless and only to the extent that the Superior Court or the court in which the proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, the corporate agent is fairly and reasonably entitled to indemnity for those expenses as the Superior Court or the other court shall deem proper.

d. Any corporation shall indemnify a corporate agent against expenses to the extent that the corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections b. and c. of this section or in defense of any claim, issue or matter therein.

e. Any indemnification under subsection b. of this section and, unless ordered by a court, under subsection c. of this section, may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection b. or c. Unless otherwise provided in the certificate of incorporation or bylaws, the determination shall be made:

(1) By the board of trustees or a committee thereof at a meeting at which is present a quorum determined without including trustees who were parties to or otherwise involved in the proceeding, acting by a majority vote of trustees who were not parties to or otherwise involved in the proceeding;

(2) If the quorum is not obtainable, or, even if obtainable and the quorum of the boards of trustees or committee by a majority vote of the disinterested trustees directs, by independent legal counsel, in a written opinion, the counsel to be designated by the board of trustees; or
(3) By the members, if the corporation has members and if the certificate of incorporation or bylaws or a resolution of the board of trustees directs.

f. Expenses incurred by a corporate agent in connection with the proceeding may be paid by the corporation in advance of the final disposition of the proceeding as authorized by the board of trustees upon receipt of an undertaking by or on behalf of the corporate agent to repay the amount unless it shall ultimately be determined that the agent is entitled to be indemnified as provided in this section.

g. (1) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection d. of this section or permitted under subsections b., c. and f. of this section, a corporate agent may apply to a court for an award of indemnification by the corporation, and the court:

(a) may award indemnification to the extent authorized under subsections b. and c. of this section and shall award indemnification to the extent required under subsection d. of this section, notwithstanding any contrary determination which may have been made under subsection e. of this section; and

(b) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection f. of this section, if the court shall find that the corporate agent has by the agent's pleadings or during the course of the proceeding raised genuine issues of fact or law.

(2) Application for indemnification may be made:

(a) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(b) to the Superior Court in a separate proceeding.

(3) If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for the relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid. The application shall set forth the disposition of any previous application for indemnification and shall be made in the manner and form as may be required by the applicable rules of the court or, in the absence thereof, by direction of the court to which it is made. The application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the members, if any, and all other persons as it may designate in the manner as it may require.
h. The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, or otherwise; provided that no indemnification shall be made to or on behalf of a corporate agent if a judgment or other final adjudication adverse to the corporate agent establishes that his acts or omissions (1) were in breach of his duty of loyalty to the corporation or its members, (2) were not in good faith or involved a knowing violation of law, or (3) resulted in receipt by the corporate agent of an improper personal benefit.

i. Any corporation shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expense incurred in any proceeding and any liabilities asserted by reason of the agent's being or having been a corporate agent, whether or not the corporation would have the power to indemnify the agent against those expenses and liabilities under the provisions of this section.

j. The powers granted by this section may be exercised by the corporation notwithstanding the absence of any provision in its certificate of incorporation or bylaws authorizing the exercise of these powers.

k. Except as required by subsection d. of this section, no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if that action would be inconsistent with a provision of the certificate of incorporation, a bylaw, a resolution of the board or of the members, an agreement or other proper corporate action in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

l. This section does not limit a corporation's power to pay or reimburse expenses incurred by a corporate agent in connection with the corporate agent's appearance as a witness in a proceeding at a time when the corporate agent has not been made a party to the proceeding.

3. N.J.S.15A:6-14 is amended to read as follows:

_Standard of care; liability of trustees; reliance on corporate records._

Trustees and members of any committee designated by the board shall discharge their duties in good faith and with that degree of diligence, care and skill which ordinary, prudent persons would exercise under similar circumstances in like positions. In discharging their duties, trustees and members of any committee designated by the board shall not be liable if, acting in good faith, they rely on the opinion of counsel for the corporation or upon written reports setting forth financial data concerning the corporation and prepared by an independent public accountant or certified public accountant or firm of accountants or upon financial statements, books of account or reports of the corporation represented to them to be correct by the president, the officer of the corporation having charge of its books of account, or the person presiding at a meeting of the board. A trustee shall not be personally liable to the corporation or its members for damages for breach of duty as a trustee if and to the extent that such liability has been eliminated or limited by a provision in the certificate of incorporation authorized by subsection c. of N.J.S.15A:2-8, except that, in the case of a trustee of a corporation which is established for the purposes provided for in P.L.1959, c.90 (C.2A:53A-7 et seq.) who serves without compensation, other than reimbursement for actual expenses, the trustee shall not be personally liable to the corporation or its members for damages for breach of duty as a trustee, whether or not such liability has been eliminated or limited by a provision in the certificate of incorporation authorized by subsection c. of N.J.S.15A:2-8.

4. This act shall take effect immediately.

Approved January 4, 1990.
CHAPTER 261

AN ACT to provide employees with newly-born or adopted children or seriously ill family members temporary leave from their employment, and guaranteeing job security and certain benefits during this leave, supplementing P.L.1945, c.169 (C.10:5-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:11B-1 Short title.

1. This act shall be known and may be cited as the "Family Leave Act."

C.34:11B-2 Findings, declarations.

2. The Legislature finds and declares that the number of families in the State in which both parents or a single parent is employed outside of the home has increased dramatically and continues to increase and that due to lack of employment policies to accommodate working parents, many individuals are forced to choose between job security and parenting or providing care for ill family members. The Legislature further finds that it is necessary to promote the economic security of families by guaranteeing jobs to wage earners who choose to take a period of leave upon the birth or placement for adoption of a child or serious health condition of a family member. The Legislature, therefore, declares that it is the policy of the State to protect and promote the stability and economic security of family units. The Legislature further declares that employees should be entitled to take a period of leave upon the birth or placement for adoption of a child or serious health condition of a family member without risk of termination of employment or retaliation by employers and without loss of certain benefits.

g. “Employment benefits” means all benefits and policies provided or made available to employees by an employer, and includes group life insurance, health insurance, disability insurance, sick leave, annual leave, pensions, or other similar benefits.

h. “Parent” means a person who is the biological parent, adoptive parent, foster parent, step-parent, parent-in-law or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child.
"Family leave" means leave from employment so that the employee may provide care made necessary by reason of:

(1) the birth of a child of the employee;
(2) the placement of a child with the employee in connection with adoption of such child by the employee; or
(3) the serious health condition of a family member of the employee.

"Family member" means a child, parent, or spouse.

"Reduced leave schedule" means leave scheduled for fewer than an employee's usual number of hours worked per workweek but not for fewer than an employee's usual number of hours worked per workday, unless agreed to by the employee and the employer.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition which requires:

(1) inpatient care in a hospital, hospice, or residential medical care facility; or
(2) continuing medical treatment or continuing supervision by a health care provider.

C.34:11B-4 Duration, frequency of family leave; payment by employer; certification; denial of leave.

4. An employee of an employer in this State subject to the provisions of this act shall be entitled to a family leave of 12 weeks in any 24-month period upon advance notice to the employer, unless the employer denies family leave to the employee pursuant to subsection h. of this section.

a. In the case of a family member who has a serious health condition, the leave may be taken intermittently when medically necessary, if:

(1) The total time within which the leave is taken does not exceed a 12-month period for each serious health condition episode;
(2) The employee provides the employer with prior notice of the leave in a manner which is reasonable and practicable; and
(3) The employee makes a reasonable effort to schedule the leave so as not to disrupt unduly the operations of the employer.

b. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently if agreed to by the employer and the employee.
c. Leave taken because of the birth or placement for adoption of a child may commence at any time within a year after the date of the birth or placement for adoption.

d. Family leave required by this act may be paid, unpaid, or a combination of paid and unpaid leave. If an employer provides paid family leave for fewer than 12 workweeks, the additional weeks of leave added to attain the 12-workweek total required by this act may be unpaid.

e. An employer may require that any period of family leave be supported by certification issued by a duly licensed health care provider or any other health care provider determined by the director to be capable of providing adequate certification.

   (1) Where the certification is for the serious health condition of a family member of the employee, the certification shall be sufficient if it states: (a) the date on which the serious health condition commenced; (b) the probable duration of the condition; and (c) the medical facts within the provider's knowledge regarding the condition;

   (2) Where the certification is for the birth or placement of the child, the certification need only state the date of birth or date of placement, whichever is appropriate.

In any case in which the employer has reason to doubt the validity of the certification provided pursuant to paragraph (1) of this subsection, the employer may require, at its own expense, that an employee obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the employer. If the second opinion differs from the certification provided pursuant to paragraph (1) of this subsection, the employer may require, at its own expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the employer and the employee concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the employer and the employee.

f. In any case in which the necessity for leave under this act is foreseeable, based upon an expected birth or placement of the child for adoption, the employee shall provide the employer with prior notice of the expected birth or placement of the child for adoption in a manner which is reasonable and practicable.
g. No employee shall, during any period of leave taken pursuant to this section, perform services on a full-time basis for any person for whom the employee did not provide those services immediately prior to commencement of the leave.

h. An employer may deny family leave to the employee if:

(1) The employee is a salaried employee who is among the highest paid 5% of the employer's employees or the seven highest paid employees of the employer, whichever is greater;

(2) The denial is necessary to prevent substantial and grievous economic injury to the employer's operations; and

(3) The employer notifies the employee of its intent to deny the leave at the time the employer determines that the denial is necessary.

i. In any case in which the leave has already commenced at the time of the notification pursuant to paragraph (3) of subsection h. of this section, the employee shall return to work within 10 working days of the date of notification.

C.34:11B-5 Reduced leave schedule.

5. An employee shall be entitled, at the option of the employee, to take this leave on a reduced leave schedule, except that:

a. The employee shall not be entitled to a reduced leave schedule for a period exceeding 24 consecutive weeks; and

b. The employee shall not be entitled to take the leave on a reduced leave schedule without an agreement between the employer and employee, if the leave is taken upon the birth or adoption of a healthy child.

The employee shall make a reasonable effort to schedule reduced leave so as not to disrupt unduly the operations of the employer and the employee shall provide the employer with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which an employee is entitled.

C.34:11B-6 Employees to be informed of their rights and obligations.

6. An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of this act, and use other appropriate means to keep its employees so informed.
CHAPTER 261, LAWS OF 1989

C.34:11B-7 Return from leave; conditions.

7. An employee who exercises the right to family leave under section 4 of this act shall, upon the expiration of the leave, be entitled to be restored by the employer to the position held by the employee when the leave commenced or to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment. If during a leave provided by this act, the employer experiences a reduction in force or layoff and the employee would have lost his position had the employee not been on leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, the employee shall not be entitled to reinstatement to the former or an equivalent position. The employee shall retain all rights under any applicable layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.

C.34:11B-8 Continuation of health benefits during leave.

8. a. During a leave taken under section 4 of this act, the employer shall maintain coverage under any group health insurance policy, group subscriber contract or health care plan at the level and under the conditions coverage would have been provided if the employee had continued in employment continuously from the date the employee commenced the leave to the date the employee returns to work pursuant to section 7 of this act or the date on which the employee's coverage would have expired had the employee not been on leave, whichever is sooner.

b. During a leave taken under section 4 of this act, the employer shall provide any employment benefits that are not required to be maintained pursuant to subsection a. of this section pursuant to the employer's policy with regard to employment benefits for employees on temporary leave from employment.

C.34:11B-9 Withholding of rights, benefits; discharge of employee, unlawful.

9. a. It shall be unlawful for any employer to interfere with, restrain or deny the exercise of, or the attempt to exercise, the rights provided under this act or to withhold the benefits provided for under this act.

b. It shall be unlawful for an employer to discharge or discriminate against an individual for opposing a practice made unlawful by this act.

c. It shall be unlawful for a person to discharge or discriminate against an individual because the individual:
(1) has filed a charge, or has instituted or caused to be instituted a proceeding, under or related to this act;

(2) has given or is about to give information in connection with an inquiry or proceeding relating to a right provided under this act; or

(3) has testified or is about to testify in an inquiry or proceeding relating to a right provided under this act.

C.34:11B-10 Penalty for violation by employer.

10. The penalty for an employer violating this act is, in addition to other relief or affirmative action provided by law, not more than $2,000.00 for the first offense and not more than $5,000.00 for the second and each subsequent offense, to be recovered in a summary civil action in the name of the Attorney General and collected pursuant to "the penalty enforcement law," N.J.S.2A:58-1 et seq.

C.34:11B-11 Suits, complaints, permitted; punitive damages.

11. Any person may initiate suit in Superior Court or file a complaint with the division on either an individual or class basis. In addition to the remedies provided in section 16 of P.L.1945, c.169 (C.10:5-17), the aggrieved party may be awarded punitive damages in an amount not greater than $10,000.00 except that in the case of a class action or a director's complaint the total amount of punitive damages shall not exceed $500,000.00 or 1% of the net worth of the defendant, whichever is less. In determining the amount of punitive damages, the court or director shall consider, among other relevant factors, the amount of compensatory damages awarded, the amount of civil penalty to be paid by the employer, the frequency and persistence of the violation of this act by the employer, the resources of the employer, the number of persons adversely affected by the violation, and the extent to which the employer's failure to comply with this act was intentional.

C.34:11B-12 Award of attorneys' fees.

12. In an action or complaint brought under this act, the prevailing party may be awarded reasonable attorneys' fees as part of the cost, provided however, that no attorneys' fees shall be awarded to the employer unless there is a determination that the action was brought in bad faith.

C.34:11B-13 Family leave in addition to temporary disability benefits.

13. Family leave granted under this act is in addition to, and shall not abridge nor conflict with, any rights pursuant to the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et seq.).
14. No provision of this act shall be deemed to justify an employer in reducing employment benefits provided by the employer or required by a collective bargaining agreement which are in excess of those required by this act. Nor shall any provision of this act, or any regulations promulgated to implement or enforce this act, be construed to prohibit the negotiation and provision through collective bargaining agreements of leave policies or benefit programs which provide benefits in excess of those required by this act. This provision shall apply irrespective of the date that a collective bargaining agreement takes effect.

15. a. The director shall provide reports to the Governor, the President of the Senate and the Speaker of the General Assembly, each of which reports shall describe the actual or potential costs, impact or benefits of this act on businesses which have:

(1) Not less than 100 employees;

(2) Less than 100 employees but not less than 75 employees; and

(3) Less than 75 employees but not less than 50 employees; and

(4) Less than 50 employees.

Each report shall also indicate the total number of employees in each of the categories indicated above, the total number of employees in each category to which the provisions of this act apply and the total number of employees from each category who utilize the benefits under this act.

b. The first report shall be provided not later than the end of the second year following the effective date of this act. The second report shall be provided not later than the end of the fourth year following the effective date of this act. Thereafter, a report shall be provided on an annual basis.

16. The director shall promulgate rules and regulations in accordance with the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), deemed necessary for the implementation and enforcement of this act.

17. This act shall take effect on the 120th day after enactment.*

Approved January 4, 1990.
*Appropriation deleted by line-item veto of the Governor. See statement following.

Statement to Chapter 261  
(Senate Bill No. 2035 (Second Reprint))

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am attaching to Senate Bill No. 2035 (Second Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object, so that each item, or part thereof, so objected to shall not take effect.

This bill provides that employees in the State with newly born or adopted children or seriously ill family members shall be entitled to a family leave of 12 weeks in any 24-month period, with job security and employment benefits guaranteed during the leave. After a four-year phase-in period, the protections of this legislation will apply to all businesses of more than 50 employees and will thus cover nearly three-quarters of the workforce in the State. In addition, the bill appropriates $60,000 to the Division on Civil Rights to effectuate its purposes.

While I strongly endorse this bill and its objective of establishing a leave policy that permits employees to meet the special needs of their families, I cannot support the $60,000 appropriation to the Division on Civil Rights. In this period of fiscal constraint, agencies throughout State government will be required to fulfill their statutory mandates within existing appropriations. Although the State is unable to commit additional fiscal resources to the Division to administer this new program, I am sure that the Division will be able to implement this worthwhile legislation with its current staff and within its current budget.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

AN ACT to permit qualified corporations to act as fiscal agents and transfer agents, amending and supplementing P.L.1948, c.67.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 213 of P.L.1948, c.67 (C.17:9A-213) is amended to read as follows:

C.17:9A-213 Limitations on exercise of powers.

213. Limitations on exercise of powers.

Except as otherwise provided by law, only a banking institution shall exercise within this State any of the powers enumerated in paragraph (4) of section 24 (C.17:9A-24), paragraphs (4), (5) and (13) of section 25 (C.17:9A-25), and paragraphs (1) and (5) of section 26 (C.17:9A-26), and except as otherwise provided in this section, no corporation other than a qualified bank shall exercise within this State any of the powers specified in paragraphs (3), (4), (5), (6), (7), (8) and (9) of section 28 (C.17:9A-28), provided that no corporation organized prior to March 24, 1899, authorized to exercise all or any of the powers specified in paragraph (13) of section 25 (C.17:9A-25) or in paragraph (3) of section 28 (C.17:9A-28), shall be prohibited from exercising such powers, and further provided that no qualified corporation, as hereinafter defined, shall be prohibited from exercising all or any of the powers specified in paragraph (3) of section 28 (C.17:9A-28), or in paragraph (13) of section 25 (C.17:9A-25). A qualified corporation shall mean a domestic corporation or a foreign corporation authorized to transact business in this State and registered with the Department of Banking which (a) has such capital, surplus and undivided profits as may be fixed by the Commissioner of Banking commensurate with the nature and volume of its business; (b) has adequate vault or other safe keeping facilities for the safeguarding of stocks and other securities received, processed or otherwise held for the account of customers; and (c) is adequately insured, as may be provided by regulation, to protect its customers and the holders or transferees of securities issued by its customers.

A qualified corporation shall be subject to any regulations which may be adopted by the Commissioner of Banking and subject to examination by the Department of Banking, the cost of which shall be paid by the qualified corporation, to ensure compliance with any such regulations. The Commissioner of Banking may require such qualified corporations to file such reports as from time to time he
deems necessary to enable him to determine compliance with any regulations which may be issued by him and to pay fees set by regulation for filing such reports and for registering with the Department of Banking.

C.17:9A-213.2 Violations of law, regulation by qualified corporation; penalty.

2. If the Commissioner of Banking finds that a qualified corporation is conducting its business in violation of any law or regulation of this State or in a manner hazardous to the citizens of this State or any other state, he shall order the qualified corporation to cease its ultra vires or hazardous practices, as the case may be. A qualified corporation that continues to conduct business in violation of any law or regulation of this State or in a manner hazardous to the citizens of this State or any other state, shall be liable to a penalty of $1,000 for each day the default continues after the time specified in the order.

3. This act shall take effect immediately.

Approved January 4, 1990.

CHAPTER 263

AN ACT establishing safety standards for retail gasoline stations, including a prohibition of the self-service of gasoline and other inflammable liquids by customers, repealing P.L.1949, c.274 (C.43:3A-1 et seq.) and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.34:3A-4 Findings, declarations.

1. The Legislature finds and declares that:

a. Because of the fire hazards directly associated with dispensing fuel, it is in the public interest that gasoline station operators have the control needed over that activity to ensure compliance with appropriate safety procedures, including turning off vehicle engines and refraining from smoking while fuel is dispensed;

b. At self-service gasoline stations in other states, cashiers are often unable to maintain a clear view of the activities of customers dispensing gasoline, or to give their undivided attention to observing customers; therefore, when customers, rather than attendants, are
permitted to dispense fuel, it is far more difficult to enforce compliance with safety procedures;

c. The State needs stronger measures to enforce both compliance by customers with the ban on self-service and compliance by attendants with safety procedures;

d. The higher general liability insurance premium rates charged to self-service stations reflect the fact that customers who leave their vehicles to dispense gasoline or other inflammable liquids face significant inconveniences and dangers, including the risks of crime and fall-related personal injury, which are a special burden to drivers with physical infirmities, such as the handicapped and some senior citizens;

e. Exposure to toxic gasoline fumes represents a health hazard when customers dispense their own gasoline, particularly in the case of pregnant women;

f. The significantly higher prices usually charged for full-service gasoline in states where self-service is permitted results in discrimination against low income individuals, who are under greater economic pressure to undergo the inconvenience and hazards of dispensing their own gasoline;

g. The increasing use of self-service has contributed to the diminished availability of repair facilities and maintenance services at gasoline stations;

h. Even in filling stations which offer both self-service and full-service gasoline, customers are less likely, because of the much higher price usually charged for full service, to have attendants make needed maintenance checks, thus causing significant neglect of maintenance and danger both to the customers and to other motorists, as well as the unneeded costly repairs which often result from deferred maintenance;

i. The prohibition of customer self-service does not constitute a restraint of trade in derogation of the general public interest because the Legislature finds no conclusive evidence that self-service gasoline provides a sustained reduction in gasoline prices charged to customers; and

j. A prohibition of self-service gasoline will therefore promote the common welfare by providing increased safety and convenience without causing economic harm to the public in general.
C.34:3A-5 Definitions.
2. As used in this act:

"Attendant" means a retail dealer or employee of a retail dealer.

"Commissioner" means the Commissioner of Labor.

"Fuel" means any liquid commonly or commercially known or sold as gasoline, or other inflammable liquid, which is sold for use as fuel in the internal combustion engines of motor vehicles.

"Gasoline station" or "station" means a place of business located in the State and used for the retail sale and dispensing of fuel into the tanks of motor vehicles.

"Retail dealer" means a person operating a gasoline station.

C.34:3A-6 Dispensing of fuel; regulations.
3. It shall be unlawful for any attendant to:

a. Dispense fuel into the tank of a motor vehicle while the vehicle's engine is in operation;

b. Dispense fuel into any portable container not in compliance with regulations adopted pursuant to section 8 of this act;

c. Dispense fuel while smoking; or

d. Permit any person who is not an attendant to dispense fuel into the tank of a motor vehicle or any container.

C.34:3A-7 Training, supervision of attendants.
4. No person shall dispense fuel at a gasoline station, unless the person is an attendant who has received instructions regarding the dispensing of fuel, had practical experience dispensing fuel under the direct supervision of an experienced operator for a period of not less than one full working day, and, upon examination at the end of that period, demonstrated his understanding of those instructions. The instructions shall include a full explanation of the prohibitions of section 3 of this act and any emergency procedures established pursuant to section 8 of this act.

C.34:3A-8 Certification of attendants.
5. There shall be available at each station for inspection by the commissioner a certificate for each person who dispenses fuel at the station certifying that the person meets the requirements of section 4 of this act. The certificate shall be signed by the person and the retail dealer who operates the station.
6. Each gasoline station shall be equipped, at a location remote from the dispensing pumps, with a clearly identified and easily accessible switch or circuit breaker to shut off the power to all dispensing pumps in the event of an emergency or of a customer or other unauthorized person operating or attempting to operate the pump.

7. A violator of any provision of this act shall be liable for a penalty of not less than $50.00 and not more than $250.00 for a first offense and not more than $500.00 for each subsequent offense. Each day that a gasoline station operates in violation of the provisions of section 5 or 6 of this act is a separate violation by the retail dealer who operates the station. The penalties shall be sued for and recovered by the commissioner, in summary proceedings pursuant to “the penalty enforcement law,” N.J.S.2A:58-1 et seq., in the county or municipality where the offense occurred.

There is established a nonlapsing dedicated account to be known as the Retail Gasoline Dispensing Safety Account. Penalties collected pursuant to this section shall be credited to the account and appropriated to fund expenses of effectuating the purposes of this act. If, at the close of a fiscal year, moneys are available beyond the funds necessary to meet those expenses, the commissioner shall determine an appropriate amount to be returned to the General Fund for general State purposes.

8. The commissioner shall, in accordance with the provisions of the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and regulations as are necessary to effectuate the purposes of this act, including regulations establishing emergency procedures and standards concerning pump shutoff switches and other safety equipment to be used at gasoline stations, and standards for portable containers for fuel dispensed at gasoline stations, which standards shall be consistent with other State and federal regulations.

9. P.L.1949, c.274 (C.34:3A-1 et seq.) is repealed.

10. This act shall take effect immediately, except that sections 2 through 7 and section 9 of this act shall remain inoperative until the 180th day following enactment.*

Approved January 4, 1990.
*Appropriation deleted by line-item veto of the Governor. See statement following.

Statement to Chapter 263
(Senate Committee Substitute for Senate Bill Nos. 2881 and 2906)

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Senate Committee Substitute for Senate Bill Nos. 2881 and 2906 at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

The purpose of this bill is to continue the current 40-year old ban on self-service pumping of gasoline and to strengthen safety standards imposed on retail gasoline stations. The bill prohibits the dispensing of gasoline by anyone other than station attendants who have received specific instructions regarding the procedures for safely dispensing fuel and have had practical experience dispensing fuel under the direct supervision of an experienced operator for one full working day. To ensure that all attendants receive the requisite instruction and practical experience in fuel dispensing, the bill requires that a certificate be signed by both the retail dealer and the employee attesting to compliance with these requirements and that these certificates be made available for inspection by the Department of Labor.

The bill also specifically prohibits the dispensing of fuel while the vehicle’s engine is running, while the attendant is smoking or into unauthorized containers. The bill further requires that each gasoline station be equipped with a clearly marked remote cutoff switch for the power to the dispensing pumps. In the event of an emergency or an unauthorized person operating the pumps, the power source can rapidly be terminated. The penalties for violating any provision of this bill are established at not less than $50 and not more than $250 for a first offense and not more than $500 for each subsequent offense. The bill also appropriates $95,000 to the Department of Labor to administer and enforce this legislation.

The Legislature has declared in this bill that the self-service pumping of fuel is contrary to the health and safety interests of the public. I agree with the Legislature that full service at retail gasoline stations should be available at all times and to every motorist in the State. However, I see no need to appropriate $95,000 from the General Fund to the Department of Labor to effectuate the purposes of this act. The Department is currently enforcing the existing self-service
prohibition, and I find no compelling reason to commit additional enforcement resources.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

(2) “Custodian” means a bank which performs fiduciary functions in the maintenance of deposits.

(3) “Deposit” means those deposits of securities required to be made by insurance companies prior to their authorization to transact business within any jurisdiction.

(4) “Federal Reserve book-entry system” means the computerized system sponsored by the United States Department of the Treasury and certain agencies and instrumentalities of the United States for holding and transferring securities of the United States government and the agencies and instrumentalities, respectively, in Federal Reserve Banks through banks which are members of the

(c) Certificates of deposit of a State or federally chartered bank, savings bank, or savings and loan association with its principal office in New Jersey.

b. The commissioner shall appoint one or more custodians which shall be selected on the basis of bids submitted by banks to perform such fiduciary functions as the commissioner deems necessary in the maintenance of deposits.

c. Every company organized under subtitle 3 of Title 17 of the Revised Statutes (R.S.17:17-1 et seq.), other than a mutual company organized to make insurance solely against loss or damage to property belonging to the insured member, shall deposit with the custodian, securities with a market value of at least $100,000.00 to be held in physical form or purchased for its account in the Federal Reserve book-entry system. The deposits shall be held for the benefit and security of all the policyholders of the company depositing them. The records of the custodian, through which an insurance company holds securities in the Federal Reserve book-entry system or in physical form, shall at all times show that these securities are held for an insurance company and for which accounts thereof.

d. The Commissioner of Insurance may, from time to time, after the company has commenced business, require it to make further deposits of securities up to the sum of $250,000, as the commissioner may deem necessary to protect the policyholders of the depositing company.

2. R.S.17:20-2 is amended to read as follows:

Deposit; interest on; substitution of.

17:20-2. The commissioner shall hold the securities deposited as aforesaid, for the benefit and security of all the policyholders of the
company depositing them, but shall, so long as the company continues solvent and complies with all the requisites of the laws applicable to it, permit the company to collect the interest or dividends on the securities so deposited, and, from time to time, with his assent, to withdraw any of the securities, on depositing with him other eligible securities, the market value of which shall not cause the value of the total deposit to fall below the amount required by the commissioner.

3. R.S.17:20-3 is amended to read as follows:

_Delivery of securities on dissolution, liquidation, reorganization or merger; action to obtain delivery; claims of policyholders._

17:20-3. Whenever any insurance company of this State shall voluntarily dissolve, or a receiver or trustee thereof shall be appointed by the Superior Court in any action brought in such court to effect the liquidation or reorganization of such company; or if, pursuant to the provisions of any statute of this State, any statutory officer shall take possession of the business and affairs of such company; or if such company shall have heretofore or shall hereafter become legally merged into or consolidated with another such company, the commissioner shall thereupon deliver to such receiver or trustee, or to the directors or trustees on dissolution, or to such statutory officer, or to the company resulting from such merger or consolidation, the securities deposited with him.

Before the commissioner shall make such delivery, such receiver or trustee, or such directors or trustees on dissolution, or such statutory officer, or such company resulting from such merger or consolidation, shall institute an action in the Superior Court to obtain delivery by the commissioner of such securities to the plaintiff. The court may proceed in the action in a summary manner or otherwise, and process therein may be served upon all persons, other than the commissioner by publishing the same or a notice thereof once in a newspaper published in the county where the company has its principal office. The court may enter judgment directing the commissioner to deliver such securities to the plaintiff. Upon such delivery, the commissioner shall be relieved of all further responsibility or obligation in regard to the securities so deposited, except when such securities are delivered by such commissioner as commissioner to himself in his capacity as the officer designated by statute to take possession of the business and affairs of any such company. Such deposited securities shall not be delivered to the directors or trustees on dissolution until all proceedings in such voluntary dissolution shall have first been approved by the commissioner.
Nothing herein contained shall be construed as in anywise affecting the rights, in such securities, of the policyholders of such company for whose benefit and security such deposit was made, as provided in R.S.17:20-2. Such securities or the proceeds thereof, shall be administered, upon such delivery, as a trust fund for the benefit of such policyholders, and shall not be mingled with other assets of such company, until distribution thereof is made as hereinafter provided.

The Superior Court, in any action brought therein for the delivery of such securities as herein provided, shall have jurisdiction to limit the time within which policyholders shall present and make proof of their respective claims against such company, and may bar all such policyholders from any claim in such securities for failing so to do within the time limited. The court may also prescribe what notice, by publication or otherwise, shall be given to such policyholders of such limitation of time. Nothing contained in subtitle 3 of Title 17 of the Revised Statutes (R.S. 17:17-1 et seq.) shall be construed as conferring upon the Superior Court general jurisdiction over the business and affairs of such company by reason only of any application made to it pursuant to the provisions of this section. Such claims shall be presented to such receiver or trustee, or to such directors or trustees in dissolution, or to such statutory officer, or to such company resulting from such merger or consolidation, in writing and under oath and shall be passed upon by the same, subject to a summary review by the court as may be prescribed by order of the court. Upon the expiration of the time limited for filing claims, and upon the determination as herein provided, of claims disallowed, such securities or the proceeds thereof shall be distributed pro rata to such policyholders on account of such claims, and the balance thereof shall thereupon be discharged from any trust for the benefit of such policyholders. If the proceeds of such distribution are insufficient to pay such claims in full, nothing herein contained shall be construed as preventing such policyholders from asserting any lawful claim against other assets of such company for the amount of such deficiency.

C.17:20-3.1 Fees for services of custodian required pursuant to R.S.17:20-1 et seq.

4. The Commissioner of Insurance shall establish, by regulation, the fees to be charged insurance companies for the services of the custodian pursuant to the requirements of R.S.17:20-1 through R.S.17:20-3.

C.17:16A-3 Authorization of domestic companies, individuals and partnerships.

3. Authorization of domestic companies, individuals and partnerships. An investment company, other than a foreign corporation, desiring to secure a certificate of authority shall make application to the commissioner who may issue such certificate of authority to transact business to any such company when:

   a. The investment company, if a corporation of this State, has filed in the department a certified copy of its charter or certificate of incorporation and a statement, in such form as the commissioner shall prescribe, attested by its president or vice-president and secretary or treasurer under its corporate seal, showing the financial condition of the corporation; or if an individual or partnership, has filed in the department such evidence as may be satisfactory to the commissioner that the individual or members of the partnership are citizens of the United States and residents of this State and a statement, in such form as the commissioner shall prescribe, attested by the individual or by the members of the partnership, showing the financial condition of the individual or partnership.

   b. The commissioner shall be satisfied, by such examination and evidence as he sees fit to make and require; if a corporation, that the whole amount of the capital set forth in the certificate of incorporation and the required minimum surplus of the company has been actually paid in cash and is possessed by the company in money or in such stocks, bonds, bonds and mortgages, or other securities as are authorized for investment by this chapter, or, if an individual or partnership, that the minimum amount of unencumbered assets over its liabilities required by this chapter are held in such stocks, bonds, bonds and mortgages, or other securities authorized by this chapter for the investment of the funds of investment companies incorporated under the laws of this State. No investment company hereafter incorporated under the laws of this State shall be entitled to commence business unless it has a capital stock of at least one hundred thousand dollars ($100,000.00) and in addition thereto a
surplus actually paid in cash equal to one-half the minimum capital stock required by this chapter. Any company heretofore incorporated under the laws of this State and engaged in the investment business as defined in this act, within this State, shall be entitled to make application to the commissioner for a certificate of authority, authorized by this act; provided, such company shall at all times have capital stock and surplus actually paid in cash amounting to twenty per centum (20%) of its liabilities, such liabilities to be determined by the Commissioner of Insurance of this State; and provided, further, that the said capital and surplus shall be at a minimum amount of at least thirty thousand dollars ($30,000.00). c. The company shall have deposited with the custodian on behalf of the commissioner, securities with a market value of at least $100,000.00 to be held in physical form or purchased for its account in the Federal Reserve book-entry system. The deposits shall be held for the benefit and security of all policyholders of the company depositing them. The records of the custodian, through which an insurance company holds securities in the Federal Reserve book-entry system or in physical form, shall at all times show that these securities are held for an insurance company and for which accounts thereof.

Every individual or partnership authorized to transact business pursuant to this chapter shall conform to all requirements of this chapter applicable to corporations of this State and which by their nature are applicable to individuals or partnerships. When in this chapter reference is made to officers of an investment company, such reference shall be deemed to be reference to the individual or to the members of a partnership. The commissioner may refuse to issue a certificate of authority to any individual or partnership and may cancel any outstanding certificate of authority of any individual or partnership, if in his judgment, the interests of the public would be best served by such refusal or cancellation.

10. Section 7 of P.L.1975, c.106 (C.17:46B-7) is amended to read as follows:

C.17:46B-7 Financial requirement.

7. Financial requirement.
a. Every title insurance company shall have a minimum capital, which shall be paid in and maintained, of not less than $500,000.00 and, in addition, paid-in surplus of at least $250,000.00.

b. Every title insurance company shall, prior to the issuance of any policy of title insurance in this State, have on deposit with the Commissioner of Insurance of the state of its domicile or in segregated funds if permitted by the company's state of domicile the sum of $100,000.00 as a fund for the security and protection of its policyholders wherever situated, or beneficiaries under such policies. The amount of such deposit shall be increased by the sum of $50,000.00 for each state or territorial subdivision of the United States, other than the state of its domicile, in which it shall be or become qualified to engage in the business of title insurance, less the amount required by and deposited in such other states or territorial subdivisions. When the aggregate of amounts so deposited in this or such other states or territorial subdivisions has reached the sum of $250,000.00 no further deposit shall be required of such title insurance company as a condition of its qualification to engage in the business of title insurance in this State.

In the event any company is unable to make the deposits herein required in the state of its domicile by reason of a lack of statutory authority for such deposits, then such deposits may be made with the commissioner of this State.

c. The deposit required to be made by subsection b. of this section may be made in lawful money of the United States or in the classes of securities authorized by the provisions of R.S.17:20-1.

d. Assets deposited pursuant to subsection b. of this section may, with the approval of the commissioner, be exchanged from time to time for other assets of like value.

e. As long as the capital of the depositing title insurance company remains unimpaired, it shall receive the income, interest and dividends on any assets deposited.

f. Any title insurance company which has deposited assets pursuant to subsection b. of this section may, with the approval of the commissioner, withdraw any part of the assets so deposited; provided, however, that should said title insurance company continue to engage in the business of title insurance, it shall not be permitted to withdraw assets that would reduce the amount of its deposit below the amount required by subsection b. of this section.
g. Deposits made pursuant to subsection b. of this section shall be used solely for the security and protection of the insureds under the policies and contracts of insurance issued or reinsurance assumed by such title insurance company. In the event of insolvency or dissolution of such title insurance company, such deposits shall continue to be retained by the commissioner until such time as all outstanding liabilities created by such policies, contracts, or reinsurance agreements have been discharged by reinsurance or otherwise. Such deposits, or so much thereof as shall be necessary, may be used by or with the written approval of the commissioner in the payment of claims arising under such policies, contracts or reinsurance agreements or to purchase reinsurance thereof. Any amounts then remaining with the commissioner shall be applied first to the payment of other obligations of such title insurance company, and second shall be distributed to the stockholders of such title insurance company. The actions of the commissioner shall be subject to judicial review as provided in section 58 of P.L.1975, c.106 (C.17:46B-58).

h. If, with respect to any title insurance company as defined in subsection c. of section 1 of P.L.1975, c.106 (C.17:46B-1), this section requires a greater amount of capital or surplus or deposit than required of such title insurance company immediately prior to the effective date of this act, such title insurance company shall have the period ending July 1, five years after the effective date of this act within which to comply with any such increase requirement.

11. Section 6 of P.L.1945, c.161 (C.17:50-6) is amended to read as follows:

C.17:50-6  General deposit with Commissioner; filing certificate by foreign exchange.

6. Each domestic exchange transacting business in this State shall keep and maintain with the Commissioner of Insurance a general deposit of cash or securities in the sum of not less than $100,000.00. In the case of foreign exchanges, a certificate of such deposit with the chief insurance officer of the State of domicile shall be filed with the Commissioner of Insurance of this State.

C.17:20-1.1  Procedure for holding of deposits.

12. Whenever the commissioner is required or authorized by a law of this or any other state or country to receive and hold a deposit, he may utilize the procedures for the holding of those deposits which are found in R.S.17:20-1.

Repealer.

13. R.S.17:20-5, section 1 of P.L.1966, c.85 (C.17:20-6), and N.J.S.17B:18-40 are repealed.
14. This act shall take effect on July 1 following enactment.

Approved January 4, 1990.

(2) “Average annual payroll” means the average of the annual payrolls of any employer for the last three or five preceding calendar years, whichever average is higher, except that any year or years throughout which an employer has had no “annual payroll” because of military service shall be deleted from the reckoning; the “average annual payroll” in such case is to be determined on the basis of the prior three or five calendar years in each of which the employer had an “annual payroll” in the operation of his business, if the employer resumes his business within 12 months after separation, discharge or release from such service, under conditions other than dishonorable, and makes application to have his “average annual payroll” determined on the basis of such deletion within 12 months after he resumes his business; provided, however, that “average annual payroll” solely for the purposes of paragraph (3) of subsection (e) of R.S.43:21-7 means the average of the annual payrolls of any employer on which he paid contributions to the State disability benefits fund for the last three or five preceding calendar years, whichever average is higher; provided further that only those wages be included on which employer contributions have been paid on or before January 31 (or the next succeeding day if such January 31 is a Saturday or

muneration to such individual in an amount equal to the amount
of cash remuneration paid to such individual by the crew leader
(either on his own behalf or on behalf of such other entity) for the
service in agricultural labor performed for such other entity.

(iv) For the purpose of subparagraph (I) (i), the term "crew
leader" means an individual who

(a) furnishes individuals to perform service in agricultural labor
for any other entity;

(bb) pays (either on his own behalf or on behalf of such other
entity) the individuals so furnished by him for the service in agricul-
tural labor performed by them; and

entity under which such individual is designated as an employee of
such other entity.

(5) Service shall be deemed to be localized within a state if:

(A) The service is performed entirely within such state; or

(m) “Unemployment.”

(1) An individual shall be deemed “unemployed” for any week during which he is not engaged in full-time work and with respect to which his remuneration is less than his weekly benefit rate, including any week during which he is on vacation without pay; provided such vacation is not the result of the individual’s voluntary action, except that for benefit years commencing on or after July 1, 1984, an officer of a corporation, or a person who has more than a 5% equitable or debt interest in the corporation, whose claim for benefits
is based on wages with that corporation shall not be deemed to be unemployed in any week during the individual's term of office or ownership in the corporation.

If a worker receives gratuities regularly in the course of his employment from other than his employer, his "wages" shall also include the gratuities so received, if reported in writing to his employer in accordance with regulations of the division, and if not so reported, his "wages" shall be determined in accordance with the minimum wage rates prescribed under any labor law or regulation of this State or of the United States, or the amount of remuneration actually received by the employee from his employer, whichever is the higher.

(r) "Calendar quarter" means the period of three consecutive calendar months ending March 31, June 30, September 30, or December 31.

(s) "Investment company" means any company as defined in subsection a. of section 1 of P.L.1938, c.322 (C.17:16A-1).

(t) (1) "Base week" for a benefit year commencing prior to Octo-
October 1, 1984, means, except as otherwise provided in paragraph (2) of this subsection, any calendar week of an individual’s base year during which he earned in employment from an employer remuneration equal to not less than $30.00. “Base week” for a benefit year commencing on or after October 1, 1984 and prior to October 1, 1985 means any calendar week of an individual’s base year during which the individual earned in employment from an employer remuneration equal to not less than 15% of the Statewide average weekly remuneration defined in subsection (c) of R.S.43:21-3, which shall be adjusted to the next higher multiple of $1.00 if not already a multiple thereof.

“Base week” for a benefit year commencing on or after October 1, 1985 means, except as otherwise provided in paragraph (2) of this subsection, any calendar week of an individual’s base year during which the individual earned in employment from an employer remuneration equal to not less than 20% of the Statewide average weekly remuneration defined in subsection (c) of R.S.43:21-3 which shall be adjusted to the next higher multiple of $1.00 if not already a multiple thereof; provided if in any calendar week an individual is in employment with more than one employer, he may in such calendar week establish a base week with respect to each such employer from whom the individual earns remuneration equal to not less than the amount defined in this paragraph (1) during such week.

(2) “Base week,” with respect to an individual claiming benefits on the basis of service performed in the production and harvesting of agricultural crops, means, for a benefit year commencing on or after October 1, 1984 and before January 1, 1985, any calendar week of an individual’s base year during which the individual earned in employment from an employer remuneration equal to not less than $30.00, except that if in any calendar week an individual subject to this paragraph is in employment with more than one employer, the individual may in that calendar week establish a base week with respect to each of the employers from whom the individual earns remuneration equal to not less than the amount defined in this paragraph (2) during that week.

(u) “Average weekly wage” means the amount derived by dividing an individual’s total wages received during his base year base weeks (as defined in subsection (t) of this section) from that most recent base year employer with whom he has established at least 20 base weeks, by the number of base weeks in which such wages were earned. In the event that such claimant had no employer in his base year with whom he had established at least 20 base weeks, then such
individual's average weekly wage shall be computed as if all of his base week wages were received from one employer and as if all his base weeks of employment had been performed in the employ of one employer.

For the purpose of computing the average weekly wage, the monetary alternative in subsection (e) of R.S.43:21-4 shall only apply in those instances where the individual did not have at least 20 base weeks in the base year. For benefit years commencing on or after July 1, 1986, “average weekly wage” means the amount derived by dividing an individual’s total base year wages by the number of base weeks worked by the individual during the base year; provided that for the purpose of computing the average weekly wage, the maximum number of base weeks used in the divisor shall be 52.

For benefit years commencing prior to July 1, 1986, subject to the provisions of R.S.43:21-3 (d) (3), if an individual has been in employment in his base year with more than one employer, no benefits shall be paid to that individual under any successive initial determination until his benefit rights have been exhausted under the next preceding initial determination.

(w) “Last date of employment” means the last calendar day in the base year of an individual on which he performed services in employment for a given employer.

CHAPTER 266

AN ACT concerning the use of generally accepted accounting principles in the fiscal operation of local school districts, amending N.J.S.18A:4-14 and P.L.1987, c.165 and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.18A:4-14 is amended to read as follows:

Uniform system of bookkeeping for school districts.

18A:4-14. The State Board shall prescribe a uniform system of
double entry bookkeeping which is consistent with the generally accepted accounting principles established by the Governmental Accounting Standards Board and which is consistent with the financial accounting terminology and classifications established by the National Center for Education Statistics for use in all school districts and compel the maintenance and use of the same.

2. Section 4 of P.L.1987, c.165 (C.18A:4-14.1) is amended to read as follows:

C.18A:4-14.1 Conformity to uniform system.

4. By July 1 of the sixth year following enactment of this act, all school districts shall conform to the uniform system of double entry bookkeeping prescribed by N.J.S.18A:4-14.

3. This act shall take effect immediately.*

Approved January 4, 1990.

*Appropriation deleted by line-item veto of the Governor. See statement following.

Statement to Chapter 266
(Senate Bill No. 3626 (First Reprint))

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Senate Bill No. 3626 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to, shall not take effect.

This bill modifies the provisions of P.L.1987, c.165, which established a requirement for all local school districts to use a system of double-entry bookkeeping consistent with the generally accepted accounting principles established by the Governmental Accounting Standards Board. Pursuant to this bill, the State Board of Education would prescribe the use of financial accounting terminology and classifications which are consistent with those established by the National Center for Education Statistics. The bill also delays the implementation of the uniform system until the 1993-1994 fiscal year to give the Department of Education time to develop and publish a minimum chart of accounts consistent with the new system and to allow the Department to establish programs to train staffs of local boards of education and others in the use and application of the new system.
While I support the adoption of standardized financial accounting terminology and classifications for boards of education, I cannot support this bill's appropriation of $85,000 from the General Fund at this time due to the current fiscal situation. While there may be some benefit to receiving these funds in the current fiscal year, that benefit is clearly outweighed by the need to reduce spending in this time of fiscal austerity. The $85,000 provided in this bill to train school employees in the new accounting system's terminology is simply an expense that the Department of Education must bear within the constraints of its existing budget. Consequently, I have deleted the $85,000 appropriation from this bill.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 1, Section 3, Lines 24-26: Delete in their entirety
Page 1, Section 4, Line 27: Delete “4.” insert “3.”

CHAPTER 267

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.17B:20-1 is amended to read as follows:

Investments of domestic insurers.

17B:20-1. Any domestic insurer may invest its capital, surplus and other funds, or any part thereof, in:

a. Bonds, notes, or other evidences of indebtedness or public stock issued, created, insured or guaranteed by the United States, any territory or possession thereof, this or any other state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada, or any of the provinces thereof, or any in-
strumentality, agency or political subdivision of one or more of the foregoing.

b. Real estate which may be improved or which is unimproved but acquired in accordance with a definite plan for development within not more than five years, and in the improvement, development, operation or leasing thereof; provided, that if the commissioner shall determine that the interest of such insurer's policyholders requires that any specific real estate so acquired be disposed of, then such insurer shall dispose of such real estate within such reasonable time as the commissioner shall direct; and provided further, that the sum of (1) the aggregate amount invested in such real estate (including real estate held pursuant to N.J.S.17B:18-45 of this title) and (2) the aggregate amount invested in capital stock of any subsidiary of the insurer pursuant to N.J.S.17B:20-4, engaged in a business primarily involving the owning, improving, developing, operating or leasing of real estate, shall not exceed 10% of the total admitted assets of such insurer as of December 31 next preceding. Real estate used primarily for agricultural, horticultural, ranching, mining, forestry or recreational purposes shall be deemed improved within the meaning of this subsection b. The term "real estate" as used in this chapter shall include any real property and any interest therein, including, without limitation, any interest on, above or below the surface of the land, any leasehold estate therein, and any such interest held or to be held by the insurer in cotenancy with one or more other persons and any partnership interest held by the insurer in any general or limited partnership engaged in a business primarily involving the owning, improving, developing, operating or leasing of real estate. Income produced by investment in any such leasehold shall be applied in a manner calculated to amortize the amount invested in such leasehold within a period not exceeding eight-tenths of the unexpired term of the leasehold, inclusive of enforceable options, or within 40 years, whichever is the lesser, or where the peculiar nature of the leasehold involved so dictates, within such period and subject to such other reasonable limitations as the commissioner shall by regulation impose. For the purposes of this subsection b., a mortgage loan shall not be deemed to be an investment in real estate, notwithstanding the mortgagor is an institution in which such insurer has an ownership interest as shareholder, partner, or otherwise. The commissioner may promulgate a regulation in connection with investments under this subsection b. which shall, as far as practicable, be consistent with those regulations of the department which treat with securities supported by such interests in real estate.
c. Mortgage loans on unencumbered real estate, located within the United States, any territory or possession thereof, the Commonwealth of Puerto Rico or Canada. The amount of any such loan shall not exceed 80% of the value of the real estate mortgaged unless (1) the loan is also secured by the mortgagor's interest in a lease or leases whose aggregate rentals shall be sufficient, after payment of operating expenses and fixed charges, to repay 90% of the loan with interest thereon during the initial term or terms of such lease or leases and shall be payable directly or indirectly by any governmental units, instrumentalities, agencies or political subdivisions or an institution or institutions which meet the credit standards of the insurer for an unsecured loan to such institution or institutions or (2) the loan is secured by a purchase money mortgage or like security received by the insurer upon the sale or exchange of real estate acquired pursuant to any provision of this title or (3) the excess over such 80% is insured or guaranteed or to be insured or guaranteed by the United States, any territory or possession thereof, this or any other state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof, or any instrumentality, agency or political subdivision of one or more of the foregoing. Any mortgage loan so insured or guaranteed or to be insured or guaranteed shall not be subject to the provisions of any law of this State prescribing or limiting the interest which may be charged or taken upon any such loan.

Any such insurer may hold a participation in any such mortgage loan if (1) such participation is senior and gives the holder substantially the rights of a first mortgagee or (2) the interest of such insurer in the evidence or evidences of indebtedness is of equal priority, to the extent of such interest, with other interests therein.

Any such mortgage loan which exceeds two-thirds of the value of the real estate mortgaged shall provide for such payments of principal, whatever the period of the loan, that at no time during the period of the loan shall the aggregate payments of principal theretofore required to be made under the terms of the loan be less than would have been necessary to reduce the loan to two-thirds of such value by the end of 35 years through payments of interest only for five years and equal payments applicable first to interest and then to principal at the end of each year thereafter. The commissioner may promulgate such supplemental regulations as he deems necessary with regard to particular classes of such investments, taking into consideration the type of security and the ratio of the loan to the value of the real estate mortgaged. No loan may be made on leasehold real estate unless the
terms of such loan provide for payments to be made by the borrower on the principal thereof in amounts sufficient to completely repay the loan within a period not exceeding nine-tenths of the term of the leasehold, inclusive of the term or terms which may be provided by any enforceable option or options of extension or of renewal, which is unexpired at the time the loan is made.

Real estate shall not be deemed to be encumbered within the meaning of this subsection c. by reason of the existence of taxes or assessments that are not delinquent, or encumbrances that do not adversely affect the salability of the property to a material extent or as to which the insurer is insured against loss by title insurance, or any prior mortgage or mortgages held by such insurer if the aggregate of the mortgages held shall not exceed the amount hereinbefore set forth, nor when such real estate is subject to lease in whole or in part; provided, that the security created by the mortgage on such real estate is a first lien thereon. Real estate shall not be deemed to be encumbered and the security of the mortgage thereon shall be deemed a first lien within the meaning of this subsection c., notwithstanding the mortgagor is an institution in which such insurer has an ownership interest as shareholder, partner or otherwise.

No such insurer shall, pursuant to this subsection c., invest more than 2% of its total admitted assets as of December 31 next preceding in any mortgage loan secured by any one property, nor shall its total mortgage investments pursuant to this subsection c., exclusive of any mortgage loans secured by a purchase money mortgage or like security received by the insurer upon the sale or exchange of real estate acquired pursuant to any provision of this title or insured or guaranteed or to be insured or guaranteed as hereinbefore provided, exceed 60% of such admitted assets.

d. Tangible personal property, equipment trust obligations or other instruments evidencing an ownership interest or other interest in tangible personal property where there is a right to receive determined portions of rental, purchase or other fixed obligatory payments for the use or purchase of such personal property, provided, that the aggregate of such payments, together with the estimated salvage value of such property at the end of its minimum useful life and the estimated tax benefits to the insurer resulting from ownership of such property, is adequate to return the cost of the investment in such property, and provided further, that the aggregate net investments therein shall not exceed 10% of the total admitted assets of such insurer as of December 31 next preceding; or certificates of
receivers of any institution where such purchase is necessary to protect an investment in the securities of such institution theretofore made under authority of this chapter; or the capital stock, beneficial shares or other instruments evidencing an ownership interest, bonds, securities or evidences of indebtedness issued, assumed or guaranteed by any institution created or existing under the laws of the United States, any territory or possession thereof, this or any other state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, Canada or any of the provinces thereof; provided, that no purchase of any evidence of indebtedness which is in default as to interest shall be made by such insurer unless such purchase is necessary to protect an investment theretofore made under statutory authority.

The term "institution" as used in this chapter shall include any corporation, joint stock association, business trust, business joint venture, business partnership, savings and loan association, credit union or other mutual savings institution. No purchase shall be made of the stock of any class of any corporation, except a subsidiary of the insurer pursuant to N.J.S.17B:20-4, unless (1) such corporation has paid cash dividends on such class of stock during each of the past five years preceding the time of purchase or (2) such corporation shall have earned during the period of such five years an aggregate sum available for dividends upon such stock which would have been sufficient, after all fixed charges and obligations, to pay dividends upon all shares of such class of stock outstanding during such period averaging 4% per annum computed upon the par value (or in the case of stock having no par value, upon the stated capital in respect thereof) of such stock. In the case of the stock of a corporation resulting from or formed by merger, consolidation, acquisition or otherwise less than five years prior to such purchase, each consecutive year next preceding the effective date of such merger, consolidation or acquisition during which dividends or other distributions of profits shall have been paid by any one or more of its constituent or predecessor institutions shall be deemed a year during which dividends have been paid on such class of stock and the earnings of such constituent or predecessor institutions available for dividends during each of such years may be included as earnings of the existing corporation whose stock is to be purchased for each of such years; provided, however, that nothing herein contained shall prohibit the purchase of stock of any class which is preferred, as to dividends, over any class the purchase of which is not prohibited by this section; and provided further, that no purchase of its own stock shall be made
by any insurer except for the purpose of the retirement of such stock or except as specifically permitted by any law of this State applicable by its terms only to insurers.

e. Securities, properties and other investments in foreign countries, in addition to those specified in N.J.S.17B:20-5, which are substantially of the same character as prescribed for authorized investments for funds of the insurer under the preceding subsections of this section, to an amount valued at cost, not exceeding in the aggregate at any one time 5% of the total admitted assets of such insurer as of December 31 next preceding; provided, however, that the amount invested pursuant to this subsection e. in authorized investments, other than qualified foreign investments, shall not exceed in the aggregate, at any one time, 2% of such admitted assets; and provided further that the amount invested in authorized investments in any one foreign country pursuant to this subsection e. shall not exceed in the aggregate, at any one time, 2% of such admitted assets. For the purposes of this subsection e., Canada shall not be deemed to be a foreign country.

The term “qualified foreign investment” as used in this subsection e. shall include any investment in a foreign country where: (1) the issuer or obligor is (a) a jurisdiction which is rated in one of the two highest rating categories by an independent, nationally recognized United States rating agency, (b) any political subdivision or other governmental unit of any such jurisdiction, or any agency or instrumentality of any such jurisdiction, political subdivision or other governmental unit, or (c) an institution which is organized under the laws of any such jurisdiction, or, in the case of investments which are substantially of the same character as prescribed for investments under subsections b. and c. of this section, the real property is located in any such jurisdiction; and (2) if the investment is denominated in any currency other than United States dollars, the investment is effectively hedged, substantially in its entirety, against the United States dollar pursuant to contracts or agreements which are (a) issued by or traded on a securities exchange or board of trade regulated under the laws of the United States or Canada or a province thereof, (b) entered into with a United States banking institution which has assets in excess of $5,000,000,000 and which has obligations outstanding, or has a parent corporation which has obligations outstanding, which are rated in one of the two highest rating categories by an independent, nationally recognized United States rating agency, or with a broker-dealer registered with the Securities and Exchange Commission which has net capital in excess of
$250,000,000, or (c) entered into with any other banking institution which has assets in excess of $5,000,000,000 and which has obligations outstanding, or has a parent corporation which has obligations outstanding, which are rated in one of the two highest rating categories by an independent, nationally recognized United States rating agency and which is organized under the laws of a jurisdiction which is rated in one of the two highest rating categories by an independent, nationally recognized United States rating agency.

Any investment qualified pursuant to paragraph (2) of the preceding definition of "qualified foreign investment" shall remain so qualified only at such time or times that the hedging requirements of paragraph (2) are met.

f. Bonds, notes, or other evidences of indebtedness, issued, insured or guaranteed or to be insured or guaranteed by the International Bank for Reconstruction and Development, or by the Inter-American Development Bank, or by the Asian Development Bank, or by the African Development Bank, except that no funds invested in obligations issued, insured or guaranteed by the African Development Bank shall be used in or shall go to South Africa.

g. Collateral loans secured by a pledge of capital stock, beneficial shares or other instruments evidencing an ownership interest, bonds, securities or evidences of indebtedness qualified or permitted for investment under any of the preceding subsections of this section. The amount of any such loan shall not exceed 80% of the market value of the security pledged at the date of the loan.

h. Loans or investments which are not qualified or permitted under any of the preceding subsections of this section or which are not otherwise expressly authorized by law; provided, that the aggregate amount of such loans and investments, valued at cost, shall not exceed at any one time 7% of the total admitted assets of such insurer as of December 31 next preceding.

For the purposes of subsection c. and this subsection h., the portion of a mortgage loan on unencumbered real estate which does not exceed 80% of the value of the real estate mortgaged shall be deemed to be a permitted investment under subsection c. and the remainder of said loan may be deemed to be made under this subsection h. Any investment originally made under this subsection h. which would subsequently, if it were being made, qualify as a permitted investment under another subsection of this section shall thenceforth be deemed to be a permitted investment under such other subsection.
2. N.J.S.17B:20-2 is amended to read as follows:

Limitation of investments.

17B:20-2. The amount (excluding amounts invested in the common stock of any corporation pursuant to N.J.S.17B:20-3 and N.J.S.17B:20-4) invested by a domestic insurer (a) in the common stock of any one corporation shall not exceed 2% of the total admitted assets of such insurer as of December 31 next preceding, or (b) in the common stock of all corporations valued at cost shall not exceed 15% of such assets except that to the extent that such aggregate investment in common stock exceeds 10% of such assets, further investments shall be subject to regulation by the commissioner under a formula which shall take into consideration the actual mandatory securities valuation reserve, as defined by the Subcommittee on Valuation of Securities of the National Association of Insurance Commissioners, held by a company which is applicable to such common stock in the corresponding annual statement filed with the department. The term "common stock" shall mean any voting stock of any class of a corporation which shall not be limited to a fixed sum or percentage of par value in respect to the rights of the holders thereof to participate in dividends or in the distribution of assets upon the voluntary or involuntary liquidation, dissolution or winding up of the corporation. Neither shall the amount invested in the beneficial shares or other ownership interests (other than common stock), evidences of indebtedness (excluding amounts invested in mortgage loans pursuant to subsection c. of N.J.S.17B:20-1), preferred stock and certificates of receivers of any one institution exceed 5% of such assets of the insurer. Nothing herein contained shall prevent any such insurer from purchasing, or in any other way acquiring the voting stock of, or otherwise investing in certain corporations as hereinafter provided in N.J.S.17B:20-3 and N.J.S.17B:20-4.

The total amount of admitted assets invested in the types of investments authorized by subsections b. and c. of N.J.S.17B:20-1 shall not, in the aggregate, exceed 60% of the domestic insurer's total admitted assets.

All investments made by any such insurer shall be authorized or approved by the board of directors, or by a committee designated by the board of directors and charged with the duty of supervising such investment, or shall be made in conformity with standards or investment objectives approved by such board of directors or such committee.
CHAPTER 267, LAWS OF 1989

No such insurer shall enter into any agreement to withhold from sale any of its property or jointly or severally enter into any agreement to purchase the unsold amount of securities which are the subject of an offering for sale to the public or otherwise to guarantee the sale of such securities.

Nothing contained in this section shall prevent any such insurer from distributing shares of an investment company within the meaning of the Investment Company Act of 1940 for which such insurer or its subsidiary is the investment manager or investment adviser.

The term “Investment Company Act of 1940” as used in this section shall mean an Act of Congress entitled “Investment Company Act of 1940,” 54 Stat. 847 (15 U.S.C.§ 80a-1 et seq.) as amended from time to time, or any similar statute enacted in substitution therefor.

3. N.J.S.17B:20-4 is amended to read as follows:

Stock of subsidiary or alien corporations.

17B:20-4. In addition to the authority expressly contained in this chapter and notwithstanding any limitation contained in this title, any domestic insurer may invest in the voting stock of one or more subsidiaries, as provided in this section.

a. As used in this section the following terms shall have the following meanings: (1) “voting stock” as used with reference to any corporation means any shares of capital stock of such corporation having general voting power under ordinary circumstances, when voting (together with one or more other classes, if any) as a class, to elect a majority of the board of directors of such corporation irrespective of whether or not at the time stock of any other class or classes shall have, or might have, voting power by reason of the happening of any contingency, and shall also include voting trust certificates, certificates of deposit, interim receipts and other similar instruments representing such stock and (2) “subsidiary” means a corporation of which a majority of the voting stock is owned or controlled by a domestic insurer, or by one or more subsidiaries of such insurer or by such insurer and one or more subsidiaries of such insurer, except that “subsidiary” shall not include a corporation of which a majority of the voting stock is acquired by the insurer or its subsidiaries pursuant to any other section of this chapter.

b. The business of a subsidiary, whether or not it is organized under the laws of this State, shall be limited to that authorized for a corporation organized under any law of this State, except that
“subsidiary” shall not include any bank organized pursuant to the laws of this State and shall not include any national bank maintaining its principal office in this State.

c. (Deleted by amendment, P.L.1989, c.267.)

d. The investments of any such subsidiary engaged exclusively in the ownership and management of assets authorized as investments for the insurer when added, on a basis proportional to the insurer's interest in such subsidiary, to the investments of such insurer (referred to herein as the "controlling insurer") shall not cause the investments of the controlling insurer to exceed any of the limitations applicable to domestic insurers contained in N.J.S.17B:20-1 or N.J.S.17B:20-2 of this chapter except as may be permitted by subsection h. of N.J.S.17B:20-1 or N.J.S.17B:20-3.

e. The investment in such subsidiary shall not tend substantially to lessen competition or tend to create a monopoly.

f. Such subsidiary shall not be used directly or indirectly to promote the private interests of any officer or director of such insurer, except that compensation may be paid by any subsidiary to officers and directors of such insurer for services rendered when such compensation is authorized by the board of directors of such subsidiary and approved by the board of directors of such insurer.

g. The aggregate amount invested by the controlling insurer in the voting stock of all subsidiaries pursuant to this section together with the aggregate amount of all other investments of the controlling insurer in such subsidiaries, valued at cost (less any amount invested by the controlling insurer and such subsidiaries in any subsidiary which is (1) engaged primarily in the life insurance business or (2) engaged exclusively in the ownership and management of assets authorized as investments for the controlling insurer) shall not exceed 8% of the total admitted assets of such insurer as of December 31 next preceding.

h. Within 30 days, or such longer period as may be permitted by the commissioner, after an investment in voting stock of any subsidiary has been made by the controlling insurer or any subsidiary thereof pursuant to this section, the controlling insurer shall file notice of such investment with the commissioner; provided, that after an investment in voting stock has been made pursuant to this section, no notice of further investments in the voting stock or other securities of the same subsidiary shall be required. The commissioner shall have the power to conduct periodic examinations and require reports in
connection with the operation of subsidiaries and, if he shall de-
termine either that the interests of policyholders or the public so
require or that the investments of any subsidiary do not comply with
the requirements of this section, to order that a domestic insurer or
any subsidiary thereof dispose of its investment in any subsidiary or
that any subsidiary dispose of any noncomplying investments, in
each case within a reasonable period of time.

i. Each domestic insurer that has made investments in one or
more subsidiaries shall annually, on or before May 1, file a subsidiary
information report with the commissioner. The report shall set forth
the name of each subsidiary in which such insurer has made an
investment, the aggregate amount invested by the controlling insurer
in each such subsidiary, valued at cost, and such other information
with respect to each such subsidiary as the commissioner may
prescribe.

j. The aggregate amount invested by the controlling insurer
pursuant to this section in the voting stock of all subsidiaries engaged
primarily in the life insurance business, together with the aggregate
amount of all other investments of the controlling insurer in such
subsidiaries, valued at cost, shall not exceed 5% of the total admitted
assets of such insurer as of December 31 next preceding.

4. N.J.S.17B:28-7 is amended to read as follows:

Separate accounts; approval by commissioner.

17B:28-7. Separate accounts; approval by commissioner. Any
present or future domestic insurer shall have authority to establish
and operate one or more separate accounts and to issue separate
account contracts, whether or not contracts on a variable basis, with
the approval of the commissioner, and the issuance or delivery of such
contracts in this State by any foreign or alien insurer shall be subject
to like approval. The commissioner, in granting or withholding any
such approval, shall consider in addition to the matters referred to
in N.J.S.17B:28-2, 17B:28-5, and 17B:28-15, if applicable, the follow-
ing:

a. The type or types of contracts the funds from which will be
placed in the separate accounts;

b. The extent to which, if any, the dollar amount of benefits or
other contractual payments or values under such contracts will be
guaranteed;

c. The investment limitations that will be applicable to the sepa-
rate account;
d. The manner of valuing the assets of the account and the method or methods to be used to compute the liabilities arising from the contracts described in subsection a. of this section;

e. If such contracts are annuity contracts, whether or not they will be participating; and

f. Such other matters as the commissioner shall deem relevant.

Any such approval by the commissioner may be subject to such conditions as he may impose as being necessary for the protection of the public or of such insurer's policyholders. Any approval by the commissioner pursuant to this section may be granted with respect to a single separate account or a class of separate accounts having common characteristics.

For any separate account established and maintained solely for one or more employer group contracts sold to fund an employee benefit plan, which contracts constitute group contracts for the purposes of paragraph (v) of subsection a. of N.J.S.17B:28-9, an insurer may establish and maintain such account 45 days after filing its request for the commissioner's approval, unless within that time the commissioner shall have approved or disapproved the account, provided that neither the insurer nor any such contract shall provide a guaranty, including any index guaranty, of the dollar amount of benefits or other contractual payments or values under such contract. Any disapproval shall state in writing the grounds therefor in such detail as reasonable to inform the insurer thereof. The disapproval by the commissioner of any such account may be on the ground that the account is contrary to law or the public policy of this State. Any disapproval shall be subject to review in accordance with the procedure set forth in the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), and any rules or regulations adopted thereunder.

5. N.J.S.17B:28-9 is amended to read as follows:
Investment of assets; eligibility; definition.

17B:28-9. Investment of assets; eligibility; definition.

a. The assets held in a separate account, or any part thereof, may be invested in:

(i) Common stock or shares of any investment company specified in the contract or contracts participating in such separate account, and registered under the Investment Company Act of 1940, whether or not such stock or shares satisfy the dividend or earnings history
requirements now or hereafter contained in the provisions of this title that regulate investments by domestic insurers; provided that at the time of the first purchase of such stock or shares of any such investment company, the insurer which maintains such account, or a subsidiary or affiliate of such insurer, shall be the investment manager or investment adviser of such investment company and, as long as such insurer which maintains such account, or any subsidiary or affiliate of such insurer, shall continue as such investment manager or investment adviser, the investments acquired by such investment company shall be such as would be eligible for investment of separate account assets by domestic insurers under the provisions of this section excluding this paragraph (i);

(ii) Other investments made eligible for investment by domestic insurers by the provisions of this title that regulate investments by domestic insurers, except for investments made eligible by the provision of chapter 20 of this title which permits a domestic insurer to make loans or investments not otherwise expressly qualified or permitted up to 5% of total admitted assets, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto;

(iii) Investments authorized, specifically or by classes or otherwise, by the commissioner as appropriate to the nature and purpose of such separate account; and

(iv) Investments not otherwise eligible under the preceding clauses of this subsection, provided that at the time of making any such investment, and immediately after giving effect thereto, the aggregate cost of all investments held in such separate account pursuant to this paragraph (iv) shall not exceed 5% of the aggregate market value of the assets held in such separate account; provided that (A) any common stock or shares, other than common stock or shares referred to in paragraph (i) of this subsection issued by an open-end investment company, shall be (1) common stock or shares which are listed or admitted to trading on a securities exchange in the United States of America or Canada, or (2) common stock or shares which are included on the National Association of Securities Dealers' national price listings of "over-the-counter" securities, or (3) other common stock or shares which the commissioner shall have determined are publicly held and traded and as to which market quotations shall be available; (B) the quantitative investment limitations now or hereafter contained in this title regulating investments by domestic insurers shall not be applicable to invest-
ments for separate account, subject to the qualification that the provision contained in this title limiting the percentage of voting stock of any one corporation that may be purchased or acquired by a domestic insurer, as such provision may be amended from time to time, or any similar or superseding provision corresponding in substance thereto, shall apply (subject to the provisions of N.J.S.17B:20-3 as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto), with respect to the aggregate of the voting stock of any one corporation held in all accounts of such insurer, except for all such stock that may be voted at the direction of a person or persons, other than such insurer or any subsidiary or affiliate of such insurer; and provided further that, subject to the next succeeding paragraph of this subsection, no domestic insurer shall purchase for any separate account any security (other than common stock or shares referred to in paragraph (i) of this subsection issued by an open-end investment company) of any corporation, if after such purchase more than 10% of the market value of the assets of such separate account would be invested in the securities of such corporation.

(v) Notwithstanding the foregoing provisions of this section or any other provision of law, a domestic insurer may invest the assets, or any part thereof, held in a separate account established and maintained solely for one or more group contracts in any investment or investments authorized by the contract or contracts participating in such account, subject only to subparagraph (B) of paragraph (iv) of this subsection relating to the percentage of voting stock of any one corporation that may be purchased or acquired. For the purpose of this paragraph, a group contract shall not include, (1) a contract which provides benefits to individuals based upon the investment results of such an account unless such contract implements a plan (a) which covers at least 100 individuals at the time of execution of such contract and (b) under which, if the crediting to such an account of the contributions made by any individual would affect his benefits under the plan, no portion of his contributions in excess of 50% is so credited, unless he is offered an alternative to having such portion so credited or, (2) except with the consent of the commissioner, a contract the holder of which is an association of individuals or the representative thereof.

Except as otherwise provided in this subsection, the investments held in the separate accounts of any domestic insurer shall be disregarded in determining whether the other investments of such in-
surer comply with the provisions of this title that regulate investments by domestic insurers as such provisions may be amended from time to time, or any similar or superseding provisions corresponding in substance thereto.

b. Notwithstanding any other provision of law, a domestic insurer may, with respect to any separate account or any portion thereof:

(i) Exercise any voting rights of any stock or shares in accordance with instructions from the person or persons specified in, or designated pursuant to, the contract or contracts participating in such account, or

(ii) Establish a committee for such account, the members of which may be directors or officers or other employees of such insurer, or persons having no such relationship to such insurer, or any combination thereof, who may be elected to such membership by the vote of the persons having the beneficial interests in such account ratably according to their respective interests in such account or in such other manner as the insurer shall deem appropriate. Such committee may have the power, which may be exercisable alone or in conjunction with others, or which may be delegated to such insurer or any other person, as investment manager or investment adviser, to authorize purchases and sales of investments for such account and to take such other action with respect to account investments as it shall deem appropriate, provided that as long as such insurer or any subsidiary or affiliate of such insurer shall be the investment manager or investment adviser of such account, the investments of such account shall be eligible under the provisions of subsection a. of this section. Such insurer may establish such a committee for only a portion of a separate account, and its members may be similarly elected. Any such committee for only a portion of a separate account may be given the further power to require the subdivision of such account into two accounts so that the portion with respect to which such committee shall be acting shall constitute a separate account. If such committee shall so require, the insurer shall segregate from the account being so subdivided a portion of the assets held with respect to the reserve liabilities of such account. Such portion shall be in the same proportion to the total of such asset as the reserve liability for the portion of the account with respect to which such committee is acting bears to the total reserve liability of such account; and notwithstanding any other provision of law, the assets so segregated shall be transferred to a separate account with respect to which such committee shall act.
c. The investments held in a separate account and the liabilities chargeable against it shall at all times be clearly identifiable and distinguishable from the other investments and liabilities of the insurer. To the extent provided in the applicable contract or contracts, assets held in a separate account shall not be chargeable with liabilities arising out of any other business of the corporation.

No sale, transfer or exchange of investments may be made between a separate account and any other investment account of the insurer, except with the prior consent of the commissioner, and no investments held in a separate account, other than an account of the kind described in paragraph (v) of subsection a. of this section, shall be pledged or transferred as collateral for a loan.

d. The term "Investment Company Act of 1940" as used in this section shall mean an Act of Congress approved August 22, 1940 entitled "Investment Company Act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

6. This act shall take effect immediately.

Approved January 4, 1990.

All aspects of assignment to, retention in, dismissal from, and any terms and conditions of employment concerning extracurricular activities shall be deemed mandatory subjects for collective negotiations between an employer and the majority representative of the employees in a collective bargaining unit, except that the establishment of qualifications for such positions shall not constitute a mandatory subject for negotiations. If the negotiated selection procedures fail to produce a qualified candidate from within the district the employer may employ from outside the district any qualified person who holds an appropriate New Jersey teaching certificate. If the employer is unable to employ a qualified person from outside of the district, the employer may assign a qualified teaching staff member from within the district.

3. a. Notwithstanding any other law to the contrary, and if negotiated with the majority representative of the employees in the appropriate collective bargaining unit, an employer shall have the authority to impose minor discipline on employees. Nothing contained herein shall limit the authority of the employer to impose, in the absence of a negotiated agreement regarding minor discipline, any disciplinary sanction which is authorized and not prohibited by law.

b. The scope of such negotiations shall include a schedule setting forth the acts and omissions for which minor discipline may be imposed, and also the penalty to be imposed for any act or omission warranting imposition of minor discipline.

be subject to the provisions of section 8 of this act.

C.34:13A-27 Resolution of disputes.

6. a. If there is a dispute as to whether a transfer of an employee
between work sites or withholding of an increment of a teaching staff
member is disciplinary, the commission shall determine whether the
basis for the transfer or withholding is predominately disciplinary.

b. If the commission determines that the basis for a transfer is
predominately disciplinary, the commission shall have the authority
to take reasonable action to effectuate the purposes of this act.

c. If the commission determines that the basis for an increment
withholding is predominately disciplinary, the dispute shall be re­
solved through the grievance procedures established pursuant to law
and shall be subject to the provisions of section 8 of this act.

d. If a dispute involving the reason for the withholding of a
teaching staff member’s increment is submitted to the commission
pursuant to subsection a. of this section, and the commission de­
termines that the reason for the increment withholding relates
predominately to the evaluation of a teaching staff member’s teach­
ing performance, the teaching staff member may file a petition of
appeal pursuant to N.J.S.18A:6-9 and N.J.S.18A:29-14, and the peti­
tion shall be deemed to be timely if filed within 90 days of notice
of the commission’s decision, or of the final judicial decision in any
appeal from the decision of the commission, whichever date is later.

C.34:13A-28 Additional rights.

7. Nothing in this act shall be deemed to restrict or limit any
right established or provided by section 7 of P.L.1968, c.303
(C.34:13A-5.3); this act shall be construed as providing additional
rights in addition to and supplementing the rights provided by that
section.

C.34:13A-29 Grievance procedures; binding arbitration.

8. a. The grievance procedures that employers covered by this act
are required to negotiate pursuant to section 7 of P.L.1968, c.303
(C.34:13A-5.3) shall be deemed to require binding arbitration as the
terminal step with respect to disputes concerning imposition of reprimands and discipline as that term is defined in this act.

b. In any grievance procedure negotiated pursuant to this act, the burden of proof shall be on the employer covered by this act seeking to impose discipline as that term is defined in this act.

9. This act shall take effect immediately and nothing in this act shall require the reopening of any negotiated agreement in existence at the time of enactment.

Approved January 4, 1990.

CHAPTER 270

AN ACT concerning financial assistance for adults with cystic fibrosis, supplementing Title 26 of the Revised Statutes, repealing P.L.1981, c.289 and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.26:20-1 Findings, declarations.

1. The Legislature finds and declares that:

a. It is estimated that about 5% of the population carries the cystic fibrosis gene, which currently cannot be detected by any test, and that the number of persons born with cystic fibrosis who are living to adulthood is increasing;

b. The New Jersey State Organization of Cystic Fibrosis has identified at least 60 adults with cystic fibrosis living in New Jersey; however, there are estimates of as many as 150 to 200;

c. These adults, who are afflicted with a chronic hereditary disorder that affects the lungs and digestive system and causes difficulty in breathing and an inability to digest foods, have special needs for nutritional and pharmaceutical assistance that have not been met by previous or existing State programs which serve children with cystic fibrosis;

d. The program of medical care and treatment established pursuant to P.L.1981, c.289 (C.26:2-118), which provided pharmaceutical assistance to adults with cystic fibrosis became inoperative because of a lack of funding and was limited in its effectiveness
because many potential service recipients were unaware of the program due to a lack of publicity;

e. The State should meet the special needs of adults with cystic fibrosis by helping them to purchase the supplemental foods that they need and the drugs and medical supplies and equipment that they require; and

f. A Statewide nutritional and pharmaceutical assistance program for adults with cystic fibrosis will enable these persons to stay in the workforce and continue to be productive members of the community.

C.26:20-2 Program of financial assistance to persons with cystic fibrosis.

2. The Commissioner of Health shall establish a program of financial assistance for persons with cystic fibrosis to meet the expenses of: supplemental, nutritious foods; prescription drugs and medical supplies and equipment that are necessary for the treatment of cystic fibrosis; and certain health insurance costs.

The commissioner shall contract with a nonprofit organization in New Jersey which has experience in providing financial assistance and direct services to persons with cystic fibrosis, to administer the program.

C.26:20-3 Eligibility for financial assistance.

3. a. A person with cystic fibrosis is eligible for assistance under this act for the purchase of supplemental, nutritious foods and prescription drugs and medical supplies and equipment that are necessary for the treatment of cystic fibrosis, if the person is 18 years of age or older and (1) the person's annual income is less than $25,000; or (2) the person's annual income is $25,000 or greater, but the person has incurred, within the last 12 months, prescription drug and medical supplies and equipment costs related to the treatment of cystic fibrosis, the total cost of which, when deducted from the person's income, reduces the person's income to under $25,000.

b. A person with cystic fibrosis who is 18 years of age or older who has health insurance is eligible for financial assistance under this act of up to $500 per year to help meet the cost of the deductible on the insurance policy. This financial assistance may be provided in addition to assistance for the purchase of supplemental, nutritious foods and pharmaceutical drugs and medical supplies and equipment and shall be provided without consideration of the person's annual income.
C.26:20-4 Rules, regulations.

4. The Commissioner of Health, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.), shall adopt rules and regulations to effectuate the purposes of this act.

Repealer.

6. There is appropriated $600,000 from the General Fund to the Department of Health to carry out the purposes of this act, of which sum no more than $37,500 shall be used for administrative purposes.

7. This act shall take effect immediately.

Approved January 8, 1990.

AN ACT concerning certain liens held by auto body repair facilities and amending P.L.1987, c.280.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 1 of P.L.1987, c.280 (C.39:13-8) is amended to read as follows:

C.39:13-8 Damage repairs reimbursable under insurance policy by negotiable instrument payable to insured and lienholder or lessor; statement and photograph as proof; inspection.

1. a. When a motor vehicle is repaired by an auto body repair facility as a result of damage to the vehicle and (1) the damage is reimbursable under a policy of insurance under physical damage coverage, property damage coverage, or comprehensive coverage; and (2) the proceeds of the reimbursement are in the form of a negotiable instrument issued by an insurer which is payable jointly to the insured and a lienholder or lessor, the auto body repair facility shall provide the lienholder or lessor with a statement of the repairs which have been made to the vehicle, which statement shall be attested by an authorized representative of the auto body repair facility. The statement shall constitute proof to the lienholder or lessor that all repairs have been made by an auto body repair facility. A color photograph of the repaired vehicle shall accompany the statement.

b. In the event that any lienholder or lessor should wish to inspect any motor vehicle to which repairs have been made as provided in subsection a. of this section, the lienholder or lessor shall conduct the inspection upon the premises of the auto body repair facility within seven business days after receipt of the notice by certified mail that the repair has been completed. If an inspection is not made by a lienholder or lessor within the seven-day period provided herein, the lienholder or lessor shall forfeit the right to make an inspection.

c. In the event a lienholder or lessor shall sell any motor vehicle to which repairs have been made as provided in subsection a. of this section prior to the payment or reimbursement of the auto body repair facility which repaired that motor vehicle, except for the amounts due that lienholder or lessor under the provisions of a perfected lien or security interest, the amount due the auto body repair facility for those repairs shall supersede and have priority over all other liens or outstanding interests, including those payable by an insurer to the person who insured the repaired motor vehicle. In such
cases, if the insurer has received a statement and request demanding payment from the auto body repair facility, the proceeds, or portion thereof, shall be directed by the insurer to that auto body repair facility.

d. No lienholder or lessor shall deduct any amount from the aggregate proceeds of a negotiable instrument that was issued by an insurer to reimburse an auto body repair facility which, pursuant to the provisions of subsection a. of this section, repaired a damaged motor vehicle, but which is payable jointly to the insured and the lienholder or lessor, for the purpose of paying any delinquent amounts or outstanding installments that the insured may owe to the lienholder or lessor for the motor vehicle that has been repaired, nor shall any lienholder or lessor unreasonably withhold the endorsement of such instrument or, following endorsement, refuse to transmit the endorsed instrument to the insured.

For the purposes of this act, “auto body repair facility” shall mean an auto body repair facility as defined in section 1 of P.L.1983, c.360 (C.39:13-1).

C.45:8-27 License required; display of license; exceptions; corporations, firms, partnerships and associations.

1. In order to safeguard life, health and property, and promote the public welfare, any person practicing or offering to practice professional engineering or professional land surveying in this State shall hereafter be required to submit evidence that he is qualified so to practice and shall be licensed as hereinafter provided. After the date upon which this chapter becomes effective, it shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, or to use the title professional engineer or land surveyor or any other title, sign, card or device in such manner as to tend to convey the impression that such person is practicing engineering or land surveying or is a professional engineer or land surveyor, unless such person is duly licensed under the provisions of this chapter. Every holder of a license shall display it in a conspicuous place in his principal office, place of business or employment.

No corporation, firm, partnership or association shall be granted a license under this chapter; however, certain corporations shall be required to obtain a certificate of authorization as provided pursuant to P.L.1989, c.276 (C.45:8-56 et al.). No corporation, firm, partnership or association shall use or assume a name involving the word "engineers" or "engineering" or any modification or derivative of such terms, unless an executive officer, if a corporation, or a member, if a firm, partnership or association, shall be a licensed professional engineer of the State of New Jersey.

No corporation, firm, partnership or association shall use or assume a name involving the words "surveyors," "land surveyors," "surveying," or "land surveying," or any modification or derivative of such terms, unless an executive officer, if a corporation, or a member, if a firm, partnership, or association, shall be a licensed land surveyor of the State of New Jersey.
No corporation, firm, partnership or association shall practice or offer to practice engineering or land surveying in this State unless the person or persons in responsible charge of engineering or land surveying work shall be so licensed to practice in this State. The person or persons carrying on the actual practice of professional engineering or land surveying on behalf of or designated as "engineers" or "surveyors" or "professional engineers" or "land surveyors," with or without qualifying or characterizing words, by any such corporations, firms, partnerships or associations, shall be licensed to practice professional engineering or land surveying as provided in this chapter.

Services constituting the practice of professional engineering shall not be rendered or offered through any business association other than a sole proprietorship of a professional engineer, a partnership of professional engineers, a partnership of closely allied professionals including at least one professional engineer, a professional service corporation established pursuant to the "Professional Service Corporation Act," P.L.1969, c.232 (C.14A:17-1 et seq.) or a corporation authorized pursuant to P.L.1989, c.276 (C.45:8-56 et al.).

Nothing in this act shall be construed as required licensing for the purpose of practicing professional engineering or land surveying by any person, firm, or corporation upon property owned or leased by such person, firm or corporation, unless the same involves the public safety, public health or public welfare.

2. Section 2 of P.L.1938, c.342 (C.45:8-28) is amended to read as follows:

tice engineering as hereinafter defined as attested by his license as a professional engineer.

(b) The terms "practice of engineering" or "professional engineering" within the meaning and intent of this chapter shall mean any service or creative work the adequate performance of which requires engineering education, training, and experience and the application of special knowledge of the mathematical, physical and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning and design of engineering works and systems, planning the use of land and water, engineering studies, and the administration of construction for the purpose of determining compliance with drawings and specifications; any of which embraces such services or work, either public or private, in connection with any engineering project including: utilities, structures, buildings, machines, equipment, processes, work systems, projects, telecommunications, or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services. The design of buildings by professional engineers shall be consistent with section 7 of the "Building Design Services Act," P.L.1989, c.277 (C.45:4B-7).

The practice of professional engineering shall not include the work ordinarily performed by persons who operate or maintain machinery or equipment. The provisions of this chapter shall not be construed to prevent or affect the employment of architects in connection with engineering projects within the scope of the act to regulate the practice of architecture and all the amendments and supplements thereeto.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents himself to be a professional engineer, or through the use of some other title utilizing or including the word engineer, implies that he is a professional engineer; or who represents himself as able to perform, or who does perform any engineering service or work or any other professional service recognized by the board as professional engineering.

Nothing herein shall prohibit licensed architects from providing or

(c) The term "engineer-in-training" as used in this chapter shall mean a person who is a potential candidate for license as a professional engineer who is a graduate in an approved engineering curriculum of four years or more from a school or college accredited by the board as of satisfactory standing, and who, in addition, has successfully passed an examination in the fundamental engineering subjects, as defined elsewhere herein.

(d) The term "land surveyor" as used in this chapter shall mean a person who engages in the practice of land surveying as hereinafter defined.

(e) The practice of land surveying within the meaning and intent of this chapter includes surveying of areas for their correct determination and description and for conveyancing, and for the establishment or reestablishment of land boundaries and the plotting of lands and subdivisions thereof, and such topographical survey and land development as is incidental to the land survey.

(f) The term "board" as used in this chapter shall mean the State Board of Professional Engineers and Land Surveyors.

(g) The term "responsible charge" as used in this chapter shall mean the rendering of regular and effective supervision by a competent professional engineer to those individuals performing services which directly and materially affect the quality and competence of engineering services rendered by the licensee. A licensee engaged in any of the following acts or practices shall be deemed not to have rendered regular and effective supervision:

(1) The regular and continuous absence from principal office premises from which professional services are rendered, except for performance of field work or presence in a field office maintained exclusively for a specific project;

(2) The failure to personally inspect or review the work of subordinates where necessary and appropriate;

(3) The rendering of a limited, cursory or perfunctory review of plans or projects in lieu of an appropriate detailed review;

(4) The failure to personally be available on a reasonable basis or with adequate advance notice for consultation and inspection where circumstances require personal availability.

(k) The term "telecommunications" as used in this chapter, shall mean, as it is applied to the practice of engineering, subjects which deal with the generation, transmission, receiving, and processing of information bearing signals for the purpose of fulfilling a particular communication need. The most common forms of signals are those encountered in voice, image and data transmission. Subjects relevant to telecommunications include but are not limited to: analog and digital circuits, propagation of electromagnetic energy through guided media such as a transmission line, fibers, wave guides, and unguided media such as free space as in broadcast and mobile communication systems, communication theory, including modulation, noise interference, and the interface with computers.

An applicant for license as a professional engineer or land surveyor shall be able to speak and write the English language. All applicants shall be of good character and reputation.

Completion of a master's degree in engineering shall be considered as equivalent to one year of engineering experience and completion of a doctor's degree in engineering shall be considered as equivalent to one additional year of engineering experience.

In considering the qualifications of applicants, engineering teaching experience may be considered as engineering experience for a credit not to exceed two years.

The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of construction of such work as a foreman or superintendent, or the observation of construction as an inspector or witness shall not be deemed to be experience in engineering work.

Any person having the necessary qualifications prescribed in this chapter to entitle him to a license shall be eligible for such license, although he may not be practicing his profession at the time of making the application.

A quorum of the examining board shall not be required for the purpose of passing upon the issuance of a license to any applicant; provided that no action on any application shall be taken without at least three votes in accord.

Engineering experience of a character satisfactory to the board shall be determined by the board's evaluation of the applicant's experience relative to the ability to design and supervise engineering projects and works so as to insure the safety of life, health and property.

The scope of the examination for professional engineering and methods of procedure shall be prescribed by the board with special reference to the applicant's ability to design and supervise engineering projects and works so as to insure the safety of life, health and property. Examinations shall be given for the purpose of determining the qualifications of applicants for license separately in professional engineering and in land surveying. A candidate failing an examination may apply for reexamination to the extent permitted by regulations of the board. Subsequent examinations will require the pay-
ment of fees set by the board. The board will schedule two examinations per year, dates and places to be determined by the board.

Examinations of applicants for license as professional engineers will be divided into two parts, as follows:

Part F—Fundamentals of Engineering—This examination is intended to assess the applicant’s competency in the fundamental engineering subjects and basic engineering sciences, such as mathematics, chemistry, physics, statics, dynamics, materials science, mechanics of materials, structures, fluid mechanics, hydraulics, thermodynamics, electrical theory, and economics. A knowledge of P.L.1938, c.342 (C.45:8-27 et seq.) is also required.

Part P—Specialized Training—This examination is intended to assess the extent of the applicant’s more advanced and specialized professional training and experience especially in his chosen field of engineering.

Applicants for certificates of registration as engineers-in-training shall qualify by satisfactorily passing the fundamentals portion of the written examination.

The scope, time and place of the examinations for applicants for certificates of registration as “engineers-in-training” shall be prescribed by the board. A candidate failing an examination may apply for reexamination to the extent permitted by the regulations of the board. Subsequent examinations will require the payment of fees set by the board.

the title “Engineer-in-Training” without holding a valid certificate of registration issued by the board, or who shall otherwise violate any of the provisions of this act, shall be subject to a penalty of not more than $200.00 for the first offense and not more than $500.00 for each and every subsequent offense. The penalties provided for by this section shall be sued for and recovered in civil actions by the State Board of Professional Engineers and Land Surveyors.

b. Pursuant to the provisions of the “Building Design Services Act,” P.L.1989, c.277 (C.45:4B-1 et seq.) the board:

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.45:4B-1 Short title.

1. This act shall be known and may be cited as the “Building Design Services Act.”

C.45:4B-2 Findings, declarations.

2. The Legislature finds and declares that there is an area of concurrent practice between the practice of architecture and the practice of engineering, specifically in the area of building design. In order to eliminate uncertainty and provide for the resolution of future disputes in the area of concurrence, the Legislature declares that it is in the public interest to create a Joint Committee of Architects and Engineers to receive referrals from the New Jersey State Board of Architects and the State Board of Professional Engineers and Land Surveyors; conduct investigations to determine violations of this act; conduct, at its discretion, hearings; communicate its findings in writing; and issue declaratory rulings on the use group classifications contained in section 7 of this act.

Nothing herein, except as provided in section 5 of this act, shall be deemed to preempt the ultimate decision making authority of the boards.

It is also the Legislature’s intent to provide for contracting between architects and engineers without compromising the integrity of either profession.

This act is declared remedial except that the powers and duties of the committee shall be limited to those contained in section 5 of this act.

The gubernatorial appointment shall be a resident of this State with experience as an arbitrator and shall not be a licensed architect, professional engineer, certified landscape architect, or a closely allied professional. The gubernatorial appointment shall serve from the date of appointment for a term of five years and shall not serve for more than two consecutive terms. The gubernatorial appointment may be removed for cause by the Governor.

An alternate member shall be chosen from each board in the same manner as the professional members. An alternate member may represent the appointing board when a professional member is absent from a joint committee meeting. While acting in this capacity the alternate member shall enjoy all the rights and privileges of a voting professional member.

The gubernatorial appointment with an equal number of architect and engineer professional members present shall constitute a quorum. No joint committee business shall be conducted without a quorum.

The joint committee members shall be entitled to receive per diem fees and expenses equivalent to fees paid to members of the professional and occupational licensing boards pursuant to section 2 of P.L.1977, c.285 (C.45:1-2.5).

In the event of such a finding the board possessing authority to discipline the licensee or other regulated entity found to have violated this act shall either initiate disciplinary action, or where in its determination the basis for the joint committee’s finding is insufficient, refer the matter back to the joint committee for further investigation and evaluation.

e. To determine, by regulation, the assignment of use group classification established pursuant to section 7 of this act for any building or structure not contemplated within the use groups or whose classification is not reasonably ascertainable.

f. To issue declaratory rulings with regard to determining a building or structure’s primary use group classification for the purpose of determining if such building or structure is an architectural or engineering project, or both. Requests for declaratory rulings shall be submitted to the joint committee by either of the boards. The joint committee may issue a declaratory ruling which shall bind the boards and all parties to the proceeding on the state of the facts alleged. That ruling shall be deemed a final decision or action subject to review in the Appellate Division of the Superior Court.

g. To promulgate rules and regulations pursuant to the “Administrative Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.) to carry out the purposes of this act.

   b. The complaint shall be verified on oath or affirmation. It shall describe with reasonable particularity the property that is the subject matter of the action and shall contain allegations setting forth the reason or reasons the article sought to be or which has been seized is contraband.

   c. Notice of the action shall be given to any person known to have a property interest in the article. In addition, the notice requirements of the Rules of Court for an in rem action shall be followed.

   d. The claimant of the property that is the subject of an action under this chapter shall file and serve his claim in the form of an answer in accordance with the Rules of Court. The answer shall be verified on oath or affirmation, and shall state the interest in the property by virtue of which the claimant demands its restitution and the right to defend the action. If the claim is made in behalf of the person entitled to possession by an agent, bailee or attorney, it shall state that he is duly authorized to make the claim.

   e. If no answer is filed and served within the applicable time, the property seized shall be disposed of pursuant to N.J.S.2C:64-6.

Any person with a property interest in the seized property, other than a defendant who is being prosecuted in connection with the seizure of property may secure its release pending the forfeiture action unless the article is dangerous to the public health, safety and welfare or the State can demonstrate that the property will probably be lost or destroyed if released or employed in subsequent criminal activity. h. The prosecuting agency with approval of the entity funding such agency, or any other entity, with the approval of the prosecuting agency, where the other entity's law enforcement agency participated in the surveillance, investigation or arrest which is the subject of the forfeiture action, may apply to the Superior Court for an order permitting use of seized property, pending the disposition of the forfeiture action provided, however, that such property shall be used solely for law enforcement purposes. Approval shall be liberally granted but shall be conditioned upon the filing of a bond in an amount equal to the market value of the item seized or a written guarantee of payment for property which may be subject to return, replacement or compensation as to reasonable value in the event that the forfeiture is refused or only partial extinguishment of property rights is ordered by the court.

i. If the property is of such nature that substantial difficulty may result in preserving its value during the pendency of the forfeiture action, the Superior or county district court may appoint a trustee to protect the interests of all parties involved in the action.

j. Evidence of a conviction of a criminal offense in which seized property was either used or provided an integral part of the State's proofs in the prosecution shall be considered in the forfeiture proceeding as creating a rebuttable presumption that the property was utilized in furtherance of an unlawful activity.

entitled to receive therefrom, such supporting or additional infor-
mation as it may deem necessary under the circumstances to carry
out the purpose and policy of this compact.

d. The child shall not be sent, brought, or caused to be sent or
brought into the receiving state until the appropriate public
authorities in the receiving state shall notify the sending agency, in
writing, to the effect that the proposed placement does not appear
to be contrary to the interests of the child.

ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT

1. The sending, bringing, or causing to be sent or brought into
any receiving state of a child in violation of the terms of this compact
shall constitute a violation of the law respecting the placement of
children of both the state in which the sending agency is located or
from which it sends or brings the child and of the receiving state.
Such violation may be punished or subjected to penalty in either
jurisdiction in accordance with its laws. In addition to liability for
any such punishment or penalty, any such violation shall constitute
full and sufficient grounds for the suspension or revocation of any
license, permit, or other legal authorization held by the sending
agency which empowers or allows it to place, or care for, children.

ARTICLE V. RETENTION OF JURISDICTION

1. a. The sending agency shall retain jurisdiction over the child
sufficient to determine all matters in relation to the custody, super-
vision, care, treatment and disposition of the child which it would
have had if the child had remained in the sending agency's state,
until the child is adopted, reaches majority, becomes self-supporting
or is discharged with the concurrence of the appropriate authority
in the receiving state. Such jurisdiction shall also include the power
to effect or cause the return of the child or its transfer to another
location and custody pursuant to law. The sending agency shall
continue to have financial responsibility for support and maintenance
of the child during the period of the placement. Nothing contained
herein shall defeat a claim of jurisdiction by a receiving state suffi-
cient to deal with an act of delinquency or crime committed therein.

b. When the sending agency is a public agency, it may enter into
an agreement with an authorized public or private agency in the
receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

c. Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in subsection a. of paragraph 1. hereof.

ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN

1. A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact, but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

a. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

b. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII. COMPACT ADMINISTRATOR

1. The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdiction, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII. LIMITATIONS

1. This compact shall not apply to:

a. The sending or bringing of a child into a receiving state by his parent, step-parent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state.
b. Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX. ENACTMENT AND WITHDRAWAL

1. This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X. CONSTRUCTION AND SEVERABILITY

1. The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

PART II

C.9:23-6 Designation of appropriate public authorities.

2. As used in Article III of the compact "appropriate public authorities" and as used in subsection a. of paragraph 1. of Article V of the compact, "appropriate authority in the receiving state" means, with reference to New Jersey, the Department of Human

C.9:23-7 Violation of compact, crime of the fourth degree.

3. Any person, firm, partnership, corporation, association or agency violating any provision of the compact is guilty of a crime of the fourth degree. If a violation consists of unintentional failure to satisfy a requirement of Article III of the compact in a timely and sufficient manner, subsequent satisfaction thereof and the receipt by the sending agency of a notice pursuant to subsection d. of paragraph 1. of Article III that the placement does not appear to be contrary to the interests of the child shall be deemed to cure the violation and no court or officer of this State shall impose any sentence or penalty on account thereof.

C.9:23-8 State officers, agencies, entering into agreements with party states; permitted.

4. The officers and agencies of this State and its subdivisions having authority to place children are empowered to enter into agreements with appropriate officers or agencies of or in other party states pursuant to subsection b. of paragraph 1. of Article V of the compact. Any agreement which contains a financial commitment or imposes a financial obligation on this State or any subdivision or agency thereof shall not be binding unless it has the approval in writing of the State Treasurer.

C.9:23-9 Governor designated executive head.

5. As used in Article VII of the compact, the term “executive head” means the Governor. The Governor is authorized to appoint a compact administrator in accordance with the terms of Article VII.

C.9:23-10 Provisions not applicable.

6. The provisions of chapter 7 of Title 9 of the Revised Statutes shall not apply to children brought into the State in accordance with the terms of the compact.

7. Financial responsibility for any child placed in New Jersey pursuant to the compact shall be determined in the first instance in accordance with the provisions of Article V thereof, but, in the event of partial or complete default of performance thereunder the provisions of any other law fixing the responsibility for the support of children shall apply.

C.9:23-12 Court to notify Compact Administrator of child brought into State.

8. Whenever a court, in the course of an adoption hearing, determines that the child sought to be adopted has been sent or brought
into the State the court shall give notice of that finding to the Compact Administrator.

9. Children may be placed in suitable foster homes or other child caring facilities in adjoining states when prior notification to the Compact Administrator is not practicable, provided that the sending agency has received from the Compact Administrators of the receiving and sending states prior written approval of the specific facilities to be used for the placement. The approval shall be reviewed at least annually by the Compact Administrators. No later than 10 days following these placements, the sending agency shall make appropriate notification in writing to the Compact Administrator in the receiving state who shall acknowledge receipt of the notification in writing and indicate whether or not the placement is contrary to the interests of the child. If the Compact Administrator in the receiving state indicates that the placement is contrary to the interests of the child, the sending agency shall arrange for the removal of the child as soon as possible.

C.9:23-14 Agreements between party states for visitation, inspection, supervision.

10. Any requirements for visitation, inspection or supervision of children, homes, institutions or other agencies in another party state which may apply under Title 30 of the Revised Statutes shall be deemed to be met if performed pursuant to an agreement entered into by appropriate officers or agencies of this State or a subdivision thereof as contemplated by subsection b. of paragraph 1. of Article V of the compact.

11. Nothing contained herein shall be deemed to prevent the temporary removal of a child by the appropriate officials of the receiving state from a placement approved by the Compact Administrator where there is reasonable cause to believe that the placement may be detrimental to the health, safety or welfare of the child.

C.9:23-16 Adoption of regulations.

12. The Commissioner of Human Services shall have the power to adopt regulations for the enforcement of this act pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.).

C.9:23-17 Jurisdiction of courts not conferred by this act.

13. Neither this act nor the compact contained herein shall be construed to confer on any court jurisdiction to place children or any
class of children if the court does not otherwise have jurisdiction in making any placements into another state party to the compact. A court shall follow the procedures and implement the requirements as are otherwise contained in law and shall also take the steps necessary for compliance with the compact.

14. This act shall take effect 90 days following enactment.

Approved January 12, 1990.

b. The district of residence for children who are in residential State facilities, or who have been placed by State agencies in group
homes, private schools or out-of-State facilities, shall be the present
district of residence of the parent or guardian with whom the child

fiscal responsibility for the tuition of the child. The tuition shall equal
the State average net current expense budget per pupil plus the
appropriate categorical program support, if any. This amount shall
be appropriated in the same manner as other State aid under this
act. The Department of Education shall pay the amount to the
Department of Human Services or the Department of Corrections or,
in the case of a homeless child, to the school district in which the
child is enrolled.

requirements and that he intends so to keep and support the child
gratuitously for a longer time than merely through the school term,
and a copy of his lease if a tenant, or a sworn statement by his
landlord acknowledging his tenancy if residing as a tenant without a written lease, and upon filing by the child’s parent or guardian with the secretary of the board of education a sworn statement that he is not supporting the child, accompanied by documentation to support the validity of the sworn statements, information from or about which shall be supplied only to the board and only to the extent that it directly pertains to the support or nonsupport of the child; provided, however, that the board of education may contest the validity of the sworn statement in proceedings before the commissioner, except that no child shall be denied admission during the pendency of any such proceedings before the commissioner, and the resident shall have the burden of proving by a preponderance of the evidence before the commissioner that the child is eligible for a free education under the criteria listed in this subsection. If in the judgment of the commissioner this evidence does not support the claim of the resident, he may assess the resident tuition for the student prorated to the time of the board’s request for a sworn statement from the resident. Tuition shall be computed on the basis of 1/180 of the total annual per pupil cost to the local district multiplied by the number of days of ineligible attendance;

(c) Any person who fraudulently allows a child of another person to use his residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his child to a person in another district commits a disorderly persons offense;

3. The district of residence for a homeless child determined
pursuant to section 19 of P.L.1979, c.207 (C.18A:7B-12) shall be responsible for the education of the homeless child. The district of residence shall determine the educational placement of the child after consulting with the parent or guardian. This determination shall be: a. to continue the child's education in the school district of last attendance, b. to enroll the child in the district of residence if the district of residence is not the district of last attendance, or c. to enroll the child in the school district where the child is temporarily living, whichever is in the child's best interest. If the parent or guardian objects to the determination made by the district of residence, the county superintendent of schools shall be notified and within 48 hours shall determine the placement of the child based on criteria established by the State Board of Education. Any appeals regarding the determination shall be resolved according to rules established by the State Board of Education.

When the homeless child attends school in a district other than the district of residence, the district of residence shall pay the costs of tuition for the child to attend school in that district and shall pay for any transportation costs incurred by that district. When the homeless child attends school in the district of residence while temporarily residing in another district, the district of residence shall provide for transportation to and from school pursuant to the provisions of N.J.S.18A:58-7.

g. Have the authority to enter into agreements with the commissioner or chancellor, as the case may be, of each State department which administers or funds employment or training programs, including, but not limited to, the Departments of Labor, Community Affairs, Education, Higher Education, and Human Services, which agreements are for the purpose of assigning planning, policy guidance and oversight functions to each private industry council with respect to any employment or training program funded or administered by the State department within the private industry council's respective labor market area or service delivery area, as the case may be; and

h. Establish guidelines to be used by the private industry councils in performing the planning, policy guidance, and oversight functions assigned to the councils under any agreement reached by the commission with a department pursuant to subsection g. of this section.

The commission shall have access to all files and records of other State agencies and may require any officer or employee therein to provide such information as it may deem necessary in the performance of its functions.

C.34:15C-7 Issuance of annual State employment and training plan.

10. The commission shall annually issue a State employment and training plan. The plan shall include:

a. A description of the State employment and training policy developed pursuant to section 8 of this act;

c. Estimates of the numbers of individuals who are eligible for or in need of different types of training and employment services, the percentage of them who currently receive each type of service from either the public or private sectors, and comprehensive proposals for increasing the percentage of eligible individuals who receive each type of service, with priority given to those individuals who are confronted with the most serious difficulties in obtaining the education and training they need to attain their full productive and earning potentials;

d. A description of any performance standards established pursuant to section 11 of this act and remedial education standards
established pursuant to section 14 of this act and any evaluation of

gram with the State employment and training policy developed by
the commission;

f. (1) Evaluations of the organizational structures, functions and
activities of governmental agencies performing advisory functions or
activities in relation to employment and training programs or ser-
dices, including advisory functions and activities performed in con-
nection with vocational education, adult education, apprenticeship,
vocational rehabilitation and human services programs; and

(2) Recommendations to the Governor about coordination of the
State's efforts in these program areas, including, if the commission

deems appropriate in the overall structure of the State's employment
and training system, including the consolidation of duplicative pro-
grams and services and the reallocation of State and federal funds
to the agencies able to make the best use of those funds.

Each report shall be submitted to the Governor, the Legislature
and each department charged with the operation of any program or
service which is evaluated by the commission or the subject of a
recommendation in the report.

The commission may, at any other time as it deems appropriate,
issue additional reports to the Governor and the Legislature concern-
ing any of the subjects addressed in the annual State employment
and training plan.

C.34:15C-8 Establishment of performance standards for employment and training
programs.

11. a. The commission shall establish quantifiable performance
standards for evaluating each employment and training program, and
guidelines for procedures to encourage and enforce compliance with
those standards. The commission shall establish the standards and
procedures in conjunction with the Department of Labor and any
other department which funds or administers the program.

The standards shall be designed to measure the success of each
program in assisting the individuals it serves to attain and maintain high levels of productivity and earning power, through preparation for employment in occupations with significant opportunities for career advancement. The standards shall take into account the specific needs and characteristics of the target populations which the programs serve.

b. Each employment and training program, including any program funded or established pursuant to P.L.1983, c.328 (C.34:15B-11 et al.), P.L.1987, c.71 (C.34:15B-27 et seq.), the "Job Training Partnership Act," Pub.L.97-300 (29 U.S.C. § 1501 et seq.), or Title VI of the "Omnibus Trade and Competitiveness Act of 1988," Pub.L.100-418 (20 U.S.C. § 5001 et al.), is hereby deemed to be subject to the performance standards and guidelines established pursuant to subsection a. of this section. The performance standards for the program shall be based on factors including, but not limited to:

1. The percentage of trainees who are placed, following completion of the program, in employment in the occupation for which they are trained or who are enrolled for further education or training, if those enrollments are a goal of the program;

2. The success of the program in sustaining or increasing the trainees' levels of earnings, based on wage levels upon placement in employment, and the trainees' potential for further advancement. The factors indicated in this paragraph shall be given a weight of not less than 20% in the evaluation of the program, unless enrollment for further education or training is a goal of the program;

3. The percentage of trainees served by the program who are designated under the performance standards as having the greatest need for the services provided by the program, based on criteria appropriate to the program; and

4. The success of the program in facilitating the remedial education which the program is required to make available to trainees under standards established pursuant to section 14 of this act.

In establishing performance standards, the commission shall not use criteria which may adversely affect the assessment of a program because of any emphasis the program may have on long-term vocational training and education.

The commission shall establish dates by which each department administering employment and training programs shall adopt the
standards and guidelines for use in the planning, budgeting and administration of those programs.

The standards shall apply to a program which is federally funded except to the extent that application of the standards would prevent the program from receiving the federal funding.

C.34:15C-9 New Jersey Institute for Employment and Training Staff Development; created, duties.

12. a. There is created, within the commission, a New Jersey Institute for Employment and Training Staff Development. The institute shall be headed by a director who shall be appointed by and under the supervision of the Executive Director of the commission. The Director of the Institute for Employment and Training Staff Development shall:

(1) Continuously evaluate the need for upgrading the professional and technical competence of employees of State and local employment and training agencies;

(2) Develop curricula, seminars, conferences, advanced training courses and similar activities to improve the level of competence of employment and training staff; and

(3) Be authorized to enter into contracts with providers of staff development services in accordance with an annual plan and budget approved by the commission. The contracts shall be issued in accordance with established State procedures.

b. Nothing in this act shall be construed to affect the authority of the Commissioner of Personnel to review and approve training programs for State employees pursuant to N.J.S.11A:6-25.

C.34:15C-10 Commission shall establish requirements for each employment and training program.

13. The commission shall establish such requirements as it deems appropriate for each employment and training program to utilize: the New Jersey Career Information Delivery System for the delivery of individual career decision-making information; and the comprehensive occupational information system designed and implemented by the New Jersey Occupational Information Coordinating Committee pursuant to P.L.1987, c.457 (C.34:1A-76 et seq.) for program planning. The New Jersey Career Information Delivery System shall be used by entities administering job training programs within service delivery areas established pursuant to the provisions of the "Job Training Partnership Act," Pub.L.97-300 (29 U.S.C.§ 1501 et seq.), unless it is demonstrated that alternative
services are more effective for the delivery of individual career decision-making information.

C.34:15C-11 Commission to coordinate initiatives with State departments.

14. a. The commission shall foster and coordinate initiatives of the Department of Education and the Department of Higher Education to maximize the contributions of the State's public schools and institutions of higher education in implementing the State employment and training policy developed by the commission. The commission shall foster and coordinate initiatives of the Department of Education and the Department of Higher Education which will enhance the State's efforts to assist at-risk youths in achieving educational success and making successful transitions to work. The commission shall foster initiatives of the Department of Higher Education among institutions of higher education which will enhance the State's employment and training efforts, including: the coordination of vocational programs between institutions; more use of facilities at institutions which provide education at or above the level of county colleges, including, but not limited to, the Advanced Technology Centers established pursuant to P.L.1985, c.102 (C.52:9X-1 et seq.), P.L.1985, c.103 (C.18A:64J-1 et seq.), P.L.1985, c.104 (C.18A:64J-8 et seq.), P.L.1985, c.105 (C.18A:64J-15 et seq.), and P.L.1985, c.106 (C.18A:64J-22 et seq.); developing more programs to offer four year degrees for working students who attend only at nights and on weekends; and expanding programs which provide college credit for training and educational experiences outside of traditional academic contexts.

b. The commission shall have the responsibility, jointly with the Department of Education, the Department of Labor and the Department of Higher Education, to: (1) establish standards regarding the minimum levels of remedial education which shall be made available to a trainee under any employment and training program, including any program funded or established pursuant to P.L.1983, c.328 (C.34:15B-11 et seq.), P.L.1987, c.71 (C.34:15B-27 et al.), the "Job Training Partnership Act," Pub.L.97-300 (29 U.S.C.§ 1501 et seq.), or Title VI of the "Omnibus Trade and Competitiveness Act of 1988," Pub.L.100-418 (20 U.S.C.§ 5001 et al.); and (2) coordinate the development of appropriate intake and assessment instruments and procedures for the assessment of persons seeking access to employment and training programs. The remedial education standards shall take into account the differing needs and characteristics of the various target populations which the programs serve.
C.34:15C-12 Preparation of annual budget.
15. The chairperson of the commission shall prepare an annual budget for the commission.

C.34:15C-13 Rules, regulations.
16. The commission shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B-1 et seq.) necessary to effectuate the provisions of this act.

C.34:15C-14 Needs-related payments.
17. a. Not more than 25% of the funds expended in the State under Title III of the "Job Training Partnership Act," Pub.L.97-300 (29 U.S.C.§ 1651 et seq.) shall be used to provide needs-related payments as defined in section 314 of that act (29 U.S.C.§ 1661e). Each individual who applies to receive or is otherwise given consideration to receive training under Title III of the "Job Training Partnership Act," Pub.L.97-300 (29 U.S.C.§ 1651 et seq.) shall be notified of the availability of the needs-related payments.

b. In providing the needs-related payments, priority shall be given to any individual who:

(1) Is eligible to receive needs-related payments under that act; and

(2) Is qualified to receive a trade readjustment allowance pursuant to section 231 of Title II of Pub.L.93-618 (19 U.S.C.§ 2291), but is not receiving the allowance because moneys are not available under that act.

If an individual receives needs-related payments for a given period of time pursuant to this subsection, and a trade readjustment allowance later becomes retroactively available for the same time period, a portion of the allowance not greater than the amount given to the individual in needs-related payments may be reimbursed to the State, if permitted by law.

c. A provision of this section shall not apply to the extent that it results in any reduction of the total amount of federal funds received by the State.

C.34:15C-15 Private industry council for service delivery area; membership, duties, certification.
18. a. There shall be a private industry council for each service delivery area. Each service delivery area established by the Governor shall have the same boundaries as the labor market area of which it is a part, except in cases where the boundaries are different because
the Governor is required, pursuant to section 101 of Pub.L.97-300 (29 U.S.C. § 1511), to approve a request to be a service delivery area made by a unit of general local government with a population of 200,000 or more, or a consortium of contiguous units of general local government with an aggregate population of 200,000 or more which serves a substantial part, but not all, of the labor market area.

b. Each private industry council shall be in conformity with section 102 of Pub.L.97-300 (29 U.S.C. § 1512) and shall consist of:

(1) Representatives of the private sector, who shall constitute a majority of the membership of the council and who shall be owners of business concerns, chief executives or chief operating officers of nongovernmental employers, or other private sector executives who have substantial management or policy responsibility; and

(2) Representatives of organized labor, rehabilitation agencies, community-based organizations, economic development agencies, the public employment service and educational agencies which are representative of all educational agencies in the service delivery area.

The chairman of the council shall be selected from among members of the council who are representative of the private sector.

c. Members of the council shall be appointed from among individuals nominated by appropriate organizations in accordance with section 102 of Pub.L.97-300 (29 U.S.C. § 1512). If there is only one unit of general local government in the service delivery area with experience in administering job training programs, the chief elected official of that unit shall determine the initial number of members on the council and shall appoint the members. If there are two or more units in the service delivery area with experience in administering job training programs, the chief elected officials of those units shall, in accordance with an agreement entered into by all of those units, determine the initial number of members on the council and appoint the members. In the absence of an agreement by all of the units, the Governor shall determine the initial number of members on the council and appoint the members. Members shall be appointed for fixed and staggered terms and may serve until their successors are appointed. A vacancy in the membership of the council shall be filled in the same manner as the original appointment. A member of the council may be removed for cause in accordance with procedures established by the council.

d. The Governor shall certify a private industry council if he determines that its composition and appointments are consistent
with the provisions of this section and Pub.L.97-300 (29 U.S.C. § 1501 et seq.). The certification shall be made or denied not later than 30 days after the date on which a list of members and necessary supporting documentation are submitted to the Governor. The council shall, within 30 days after its certification by the Governor, be convened by the official or officials who made the appointments to the council under subsection c. of this section. The council shall meet at least four times per year, with meetings open to attendance by interested persons pursuant to the “Open Public Meetings Act,” P.L.1975, c.231 (C.10:4-6 et seq.).

e. Each private industry council established pursuant to this act shall:

(1) Provide policy guidance for, and exercise oversight with respect to, all employment and training programs within its labor market area in partnership with the unit or units of general local government within the area. To provide the policy guidance and oversight, the council shall review and evaluate the programs and, as appropriate, make recommendations to the Governor, the Legislature, or any State agency or local governing entity involved in the funding or administration of the programs. The recommendations shall be based primarily on how effective each program is in meeting relevant performance standards, including standards regarding the cost and quality of training and the characteristics of participants. The council shall provide any planning, policy guidance or oversight with respect to employment and training programs in accordance with any agreement entered into pursuant to subsection g. of section 9 of this act by the commission and the department administering or funding the programs.

(2) Establish skill level and competency guidelines consistent with the provisions of this act to be used as a basis for the selection of skill training programs and competency curriculum in its service delivery area;

(3) Assist in the development, approval and submission of the State employment services operating plan for its labor market area;

(4) Prepare and approve a budget for itself in accordance with the job training plan adopted pursuant to Pub.L.97-300 (29 U.S.C. § 1501 et seq.);

(5) Submit to the State Employment and Training Commission, by September 1 of each year, an annual report covering the immedi-
ately preceding program period of July 1 to June 30. The report shall contain:

(a) An account of activities during the program period, including all coordination activities undertaken by the council to eliminate unnecessary duplication of services and foster a unified delivery system;

(b) Information describing the extent to which the activities failed or succeeded in meeting relevant performance standards; and

(c) The skill level and competency guidelines to be used in the upcoming year;

(6) Fulfill any other role or function of a private industry council required pursuant to Pub.L.97-300 (29 U.S.C.§ 1501 et seq.); and

(7) Assume any additional responsibilities assigned to it by the Governor in consultation with the State Employment and Training Commission.

f. In order to carry out its functions under this act, a private industry council may:

(1) Hire staff;

(2) Incorporate as a non-profit or other entity;

(3) Act, under agreement with the chief elected official or officials, as the administrative entity for employment and training programs funded within the labor market area; and

(4) Seek, obtain and expend additional funding for the programs from public and private sources.

g. Funds provided or administered by a private industry council shall not be used to duplicate facilities or services available in the council's service delivery area, with or without reimbursement, from federal, State or local sources, unless it is demonstrated that alternative services or facilities would be more effective or more likely to achieve the service delivery area's performance goals. Appropriate educational agencies and services available for participants living in the service delivery area shall be utilized unless the administrative entity demonstrates that alternative agencies or services would be more effective and have greater potential to enhance the participants' continued occupational and career growth.

h. No member of a private industry council established pursuant to this act shall cast a vote on the provision of services by that
member or any organization which that member directly represents or vote on any matter which would provide direct financial benefit to that member. Private industry councils shall be subject to policies concerning conflict of interest and nepotism prescribed by the Commissioner of Labor.

i. The Commissioner of Labor, in conjunction with the State Employment and Training Commission, shall establish criteria for awarding pilot grants to private industry councils to assist them in implementing the purposes of this section. The commissioner shall expend not less than 85% of any funds appropriated to effectuate the purposes of this subsection for the pilot grants and not more than 15% of the funds for the costs of contracting, monitoring, evaluating and auditing the pilot grants. The commissioner shall report to the Governor and the Legislature and to the State Employment and Training Commission on the results of the evaluation of the pilot grants.

19. The Commissioner of Education, in consultation with the Commissioners of Labor and Community Affairs, the Chancellor of Higher Education and the Chairperson of the State Employment and Training Commission shall convene a Youth 2000 Leadership Conference. The conference shall:

b. Develop a broad outline for future steps to be taken cooperatively among the departments and the State Employment and Training Commission to deal with at-risk youth and the need for alternative learning systems; and

c. Develop proposals for innovative pilot programs to assist youth in becoming better prepared for employment.

20. There is appropriated from the General Fund to the State Employment and Training Commission $200,000.

21. This act shall take effect immediately.

d. The person has continued, after written notice to cease, to substantially violate or breach any of the landlord's rules and regulations governing said premises, provided such rules and regulations are reasonable and have been accepted in writing by the tenant or made a part of the lease at the beginning of the lease term;

e. The person has continued, after written notice to cease, to substantially violate or breach any of the covenants or agreements contained in the lease for the premises where a right of reentry is reserved to the landlord in the lease for a violation of such covenant or agreement, provided that such covenant or agreement is reasonable and was contained in the lease at the beginning of the lease term;

f. The person has failed to pay rent after a valid notice to quit
and notice of increase of said rent, provided the increase in rent is not unconscionable and complies with any and all other laws or municipal ordinances governing rent increases;

g. j. The person, after written notice to cease, has habitually and without legal justification failed to pay rent which is due and owing;

k. The landlord or owner of the building or mobile home park is converting from the rental market to a condominium, cooperative or fee simple ownership of two or more dwelling units or park sites, except as hereinafter provided in subsection l. of this section. (1) The owner of a building or mobile home park, which is constructed as or being converted to a condominium, cooperative or fee simple ownership, seeks to evict a tenant or sublessee whose initial tenancy began after the master deed, agreement establishing the cooperative or subdivision plat was recorded, because the owner has contracted to sell the unit to a buyer who seeks to personally occupy it and the contract for sale calls for the unit to be vacant at the time of closing. However, no action shall be brought against a tenant under paragraph (1) of this subsection unless the tenant was given a statement in accordance with section 6 of P.L.1975, c.311 (C.2A:18-61.9);

(2) The owner of three or less condominium or cooperative units seeks to evict a tenant whose initial tenancy began by rental from an owner of three or less units after the master deed or agreement establishing the cooperative was recorded, because the owner seeks to personally occupy the unit, or has contracted to sell the unit to a buyer who seeks to personally occupy it and the contract for sale calls for the unit to be vacant at the time of closing;

(3) The owner of a building of three residential units or less seeks to personally occupy a unit, or has contracted to sell the residential unit to a buyer who wishes to personally occupy it and the contract for sale calls for the unit to be vacant at the time of closing;

1. Section 5 of P.L.1988, c.71 (C.17:48E-17.1) is amended to read as follows:

C.17:48E-17.1 Two special contingent surplus accounts.

5. a. Every health service corporation shall accumulate and maintain during each calendar year two separate special contingent surplus accounts, one for its individual contracts and one for its other activities.

b. Every health service corporation shall accumulate and maintain a special contingent surplus for each account over and above its reserves and liabilities at the rate of 2% annually of its net premium income until that surplus is not less than $1,250,000.00 in each account. The special contingent surplus in each account shall be accumulated to and maintained at an amount not less than 2½% of the net premium income received during that year, as determined by reference to the statement of financial condition filed pursuant to section 36 of P.L.1985, c.236 (C.17:48E-36). The commissioner may increase the amount of special contingent surplus which shall be maintained pursuant to this subsection to an amount not exceeding 5% of the net premium income received during the preceding year. No method of accumulation as herein provided shall be deemed to supersede any provision of subsection c. of this section. In the case of any health service corporation which was created by the merger of a medical service corporation established pursuant to P.L.1940, c.74 (C.17:48A-1 et seq.) and a hospital service corporation created pursuant to P.L.1938, c.366 (C.17:48-1 et seq.), in calculating the proportional allocation of any deficit or surplus between group and individual contracts at the time the separate surplus accounts are created, the corporation shall allocate based on its determination of the proportional contributions of individual and group business to any surplus or deficit during the period between January 1 of the calendar year in which the health service corporation commenced doing business as a health service corporation until the effective date of P.L.1988, c.71. The assumptions upon which the allocations are based shall be certified as reasonable by an independent actuary.
c. Every health service corporation established as of the effective date of P.L.1988, c.71 shall file a plan with the commissioner for meeting the surplus amount requirements established by subsection b. of this section and which establishes a time period within which the corporation will meet those requirements. The time period established in the plan shall not exceed four years. The plan shall be subject to the approval of the commissioner, who shall approve it within 60 days after it has been filed if he believes it to be reasonable. If the commissioner does not approve a plan filed under this subsection within 60 days of its submission, he shall issue findings and conclusions with respect to the reasonableness of the plan.

d. Whenever the special contingent surplus for either group contracts or individual contracts is an amount which is less than 2 1/2% to 5% of the earned premium of the group or individual business, as the case may be, at the discretion of the commissioner, the health service corporation shall, without regard to any other rate increase provided for or required by law or any rate increase which may have previously been taken pursuant to this subsection, and with the approval of the commissioner, commence within 90 days the implementation of rate increases for the group or individual contracts, as the case may be, which increases shall be sufficient to cause the amount of the special contingent surplus to equal an amount which is not less than 5% of the earned premium of the group or individual business within one year of the increase.

e. In no event shall the health service corporation be required to augment the surplus account allocable to individual contracts with any monies from the surplus account of group contracts, or from any corporate assets or any other source other than net earnings from individual contracts, nor shall it be required to augment the surplus account allocable to group contracts with any monies from the surplus account of individual contracts or from any corporate assets or any other source other than net earnings from group contracts, except that beginning with the effective date of P.L.1988, c.71 and until the special contingent surplus account which is applicable to individual contracts has reached the statutorily prescribed amount or no longer than six years following the effective date of P.L.1988, c.71, whichever is earlier, in the event that the statutory reserves of the individual surplus account is in a deficit position, as determined by the commissioner, a loan, without interest, from the group surplus account, if it is not in a deficit position, shall be made to the individual surplus account.
f. Nothing in this section nor in P.L.1985, c.236 (C.17:48E-1 et seq.) shall abrogate the responsibilities of corporate officers with regard to the reporting of financial condition pursuant to section 36 of P.L.1985, c.236 (C.17:48E-36), nor shall any provision of P.L.1988, c.71 or P.L.1985, c.236 (C.17:48E-1 et seq.) be construed to limit the authority of the commissioner to require compliance with statutory capital, surplus or reserve requirements for a subsidiary or affiliate of a health service corporation, or for any reinsurance activities to be undertaken by a health service corporation.

b. The review panel may receive referrals from the board which may include complaints alleging professional misconduct, incompetence, negligence or impairment of a practitioner from other health care providers and consumers of health care.

c. Upon receipt of a notice or complaint pursuant to this section, the review panel shall promptly investigate the information received and obtain any additional information that may be necessary in order to make a recommendation to the board. The review panel may seek the assistance of a consultant or other knowledgeable person, as necessary, in making its recommendation. The review panel may request the board or the Attorney General to exercise investigative powers pursuant to section 5 of P.L.1978, c.73 (C.45:1-18) in the conduct of its investigation.

(1) If the review panel has reasonable cause to believe that a practitioner represents an imminent danger to his patients, the review panel shall immediately notify the State Board of Medical Examiners and the Attorney General and recommend the initiation of an application before the board to temporarily suspend or otherwise limit the practitioner's license pending further proceedings by the review panel or the board.

If the board temporarily suspends or otherwise limits the license, the board shall notify each licensed health care facility and health maintenance organization with which the practitioner is affiliated and every practitioner in the State with which the practitioner is directly associated in his private practice.

(2) A practitioner who is the subject of an investigation shall be promptly notified of the investigation, pursuant to procedures adopted by regulation of the board that give consideration to the health, safety and welfare of the practitioner's patients and to the necessity for a confidential or covert investigation by the review

The hearing shall be transcribed and the practitioner shall be entitled to a copy of the transcript, at his own expense. A practitioner who presents information to the review panel is entitled to be represented by counsel.

(3) Notwithstanding any provision of this section to the contrary, in any case in which the board determines to conduct an investigation of a practitioner who it has reasonable cause to believe represents an imminent danger to his patients, the board may direct the review panel to provide the board with its files pertaining to that practitioner and may direct the review panel to promptly terminate its investigation of that practitioner without making a recommendation pursuant to subsection d. of this section.

Upon request of the review panel, the State Board of Medical Examiners shall provide the review panel with any information contained in the board’s files concerning a practitioner.

d. Upon completion of its review, the review panel shall prepare a report recommending one of the following dispositions:

(3) Refer the practitioner to the appropriate licensed health care practitioner treatment program recognized by the State Board of Medical Examiners and promptly notify the medical director of the board of the referral; or

(4) Find that no further action is warranted at this time.

e. A member of the State Board of Medical Examiners shall not participate by voting or any other action in any matter before the board on which the board member has participated previously as a review panel member.
f. The State Board of Medical Examiners may affirm, reject or modify any disposition of the review panel. After its consideration of the panel recommendation the board shall notify the practitioner who has been the subject of a notice or complaint of the review panel’s recommendation and the board’s determination.

g. Nothing in this section shall be construed to prevent or limit the State Board of Medical Examiners, the Director of the Division of Consumer Affairs in the Department of Law and Public Safety or the Attorney General from taking any other action permitted by law against a practitioner who is the subject of an investigation by the review panel.

  11. A member of the State Board of Medical Examiners or the Medical Practitioner Review Panel, the medical director to the State Board of Medical Examiners, the Attorney General, any medical consultant to the board or review panel and any employee of the board or review panel shall not be liable in any action for damages to any person for any action taken or recommendation made by him
within the scope of his function as a member, consultant or employee, if the action or recommendation was taken or made without malice. The Attorney General shall defend the person in any civil suit and the State shall provide indemnification for any damages awarded.

13. In any case in which the State Board of Medical Examiners refuses to issue, suspends, revokes or otherwise conditions the license, registration, or permit of a physician, podiatrist or medical resident or intern, the board shall notify each licensed health care facility and health maintenance organization with which the person is affiliated and every board licensee in the State with which the person is directly associated in his private medical practice.

If the result of the inquiry or investigation is a finding of no basis for disciplinary action by the board, the information shall remain confidential, except that the board may release the information to a government agency, for good cause shown, upon an order of the Superior Court after notice to the physician or surgeon who is the subject of the information and an opportunity to be heard. The application for the court order shall be placed under seal.

22. N.J.S.2C:43-12 is amended to read as follows:

Supervisory treatment—pretrial intervention.

2C:43-12. Supervisory Treatment—Pretrial Intervention. a. Pub-
lie policy. The purpose of sections 2C:43-12 through 2C:43-22 of this chapter is to effectuate a Statewide program of Pretrial Intervention. It is the policy of the State of New Jersey that supervisory treatment should ordinarily be limited to persons who have not previously been convicted of any criminal offense under the laws of New Jersey, or under any criminal law of the United States, or any other state when supervisory treatment would:

(1) Provide applicants, on an equal basis, with opportunities to avoid ordinary prosecution by receiving early rehabilitative services or supervision, when such services or supervision can reasonably be expected to deter future criminal behavior by an applicant, and when there is apparent causal connection between the offense charged and the rehabilitative or supervisory need, without which cause both the alleged offense and the need to prosecute might not have occurred; or

(2) Provide an alternative to prosecution for applicants who might be harmed by the imposition of criminal sanctions as presently administered, when such an alternative can be expected to serve as sufficient sanction to deter criminal conduct; or

(3) Provide a mechanism for permitting the least burdensome form of prosecution possible for defendants charged with "victimless" offenses; or

(4) Provide assistance to criminal calendars in order to focus expenditure of criminal justice resources on matters involving serious criminality and severe correctional problems; or

(5) Provide deterrence of future criminal or disorderly behavior by an applicant in a program of supervisory treatment.

b. Admission of an applicant into a program of supervisory treatment shall be measured according to the applicant's amenability to correction, responsiveness to rehabilitation and the nature of the offense.

c. The decision and reasons therefor made by the designated judges (or assignment judges), prosecutors and program directors in granting or denying applications for supervisory treatment, in recommending and ordering termination from the program or dismissal of charges, in all cases shall be reduced to writing and disclosed to the applicant.

d. If an applicant desires to challenge the decision of the pros-
executor or program director not to recommend enrollment in a pro-
gram of supervisory treatment the proceedings prescribed under sec-
tion 14 shall be followed.

e. Referral. At any time prior to trial but after the filing of a
criminal complaint, or the filing of an accusation or the return of
an indictment, with the consent of the prosecutor and upon written
recommendation of the program director, the assignment judge or a
judge designated by him may postpone all further proceedings
against an applicant and refer said applicant to a program of super-
visory treatment approved by the Supreme Court. Prosecutors and
program directors shall consider in formulating their recommen-
dation of an applicant's participation in a supervisory treatment
program, among others, the following criteria:

(1) The nature of the offense;
(2) The facts of the case;
(3) The motivation and age of the defendant;
(4) The desire of the complainant or victim to forego prosecution;
(5) The existence of personal problems and character traits which
may be related to the applicant's crime and for which services are
unavailable within the criminal justice system, or which may be
provided more effectively through supervisory treatment and the
probability that the causes of criminal behavior can be controlled
by proper treatment;
(6) The likelihood that the applicant's crime is related to a con-
dition or situation that would be conducive to change through his
participation in supervisory treatment;
(7) The needs and interests of the victim and society;
(8) The extent to which the applicant's crime constitutes part of
a continuing pattern of anti-social behavior;
(9) The applicant's record of criminal and penal violations and
the extent to which he may present a substantial danger to others;
(10) Whether or not the crime is of an assaultive or violent nature,
whether in the criminal act itself or in the possible injurious conse-
quences of such behavior;
(11) Consideration of whether or not prosecution would ex-
cerbate the social problem that led to the applicant's criminal act;
CHAPTER 300, LAWS OF 1989

(12) The history of the use of physical violence toward others;
(13) Any involvement of the applicant with organized crime;

(16) Whether or not the applicant’s participation in pretrial intervention will adversely affect the prosecution of codefendants; and

If an application is denied, the program director or the prosecutor shall precisely state his findings and conclusion which shall include the facts upon which the application is based and the reasons offered for the denial. AN ACT concerning certain dogs, supplementing chapter 19 of Title 4 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.4:19-17 Findings, declarations.

1. The Legislature finds and declares that certain dogs are an increasingly serious and widespread threat to the safety and welfare of citizens of this State by virtue of their unprovoked attacks on, and associated injury to, individuals and other animals; that these attacks are in part attributable to the failure of owners to confine and properly train and control these dogs; that existing laws at the local level inadequately address this problem; and that it is therefore appropriate and necessary to impose a uniform set of State requirements on the owners of vicious or potentially dangerous dogs.

C.4:19-18 Definitions.

2. As used in this act:

"Animal control officer" means a certified municipal animal control officer or, in the absence of such an officer, the chief law enforcement officer of the municipality or his designee.

"Department" means the Department of Health.

"Dog" means any dog or dog hybrid.

"Domestic animal" means any cat, dog, or livestock other than poultry.

"Panel" means any panel selected pursuant to section 5 of this act.

"Potentially dangerous dog" means any dog or dog hybrid declared potentially dangerous by the panel pursuant to section 7 of this act.

"Vicious dog" means any dog or dog hybrid declared vicious by the panel pursuant to section 6 of this act.

C.4:19-19 Impoundment of dog.

3. An animal control officer shall seize and impound a dog when the officer has reasonable cause to believe that the dog:

a. attacked a person and caused death or serious bodily injury as defined in N.J.S.2C:11-1(b) to that person;

b. caused bodily injury as defined in N.J.S.2C:11-1(a) to a person
during an unprovoked attack and poses a serious threat of harm to persons or domestic animals;

c. engaged in dog fighting activities as described in R.S.4:22-24 and R.S.4:22-26; or

d. has been trained, tormented, badgered, baited or encouraged to engage in unprovoked attacks upon persons or domestic animals.

The dog shall be impounded until the final disposition as to whether the dog is vicious or potentially dangerous. Subject to the approval of the municipal health officer, the dog may be impounded in a facility or other structure agreeable to the owner.

C.4:19-20 Notification of owner of dog; hearing.

4. a. The animal control officer shall notify the official responsible for convening a hearing pursuant to section 5 and the municipal health officer within three working days that he has seized and impounded a dog pursuant to section 3 of this act, or that he has reasonable cause to believe that a dog has killed another domestic animal and that a hearing is required. The animal control officer shall through a reasonable effort attempt to determine the identity of the owner of any dog seized and impounded. If its owner cannot be identified within seven days, that dog may be humanely destroyed.

b. The official responsible for convening a hearing pursuant to section 5 of this act shall, within three working days of the determination of the identity of the owner of a dog seized and impounded pursuant to this act, notify by certified mail, return receipt requested the owner concerning the seizure and impoundment and the grounds for a hearing pursuant to section 5. This notice shall also require that the owner return within seven days, by certified mail or hand delivery, a signed statement indicating whether he wishes the hearing to be conducted or, if not, to relinquish ownership of the dog, in which case the dog may be humanely destroyed. If the owner cannot be notified by certified mail, return receipt requested, or refuses to sign for the certified letter, or does not reply to the certified letter with a signed statement within seven days of receipt, the dog may be humanely destroyed.

C.4:19-21 Selection of panel, qualifications.

5. a. The chief law enforcement officer of the municipality or the municipal health officer shall select a panel of three qualified individuals knowledgeable about dog behavior, and conduct a hearing, within 30 days of the receipt of the signed statement from the dog's owner as required by subsection b. of section 4 of this act, to de-
termine whether the dog impounded pursuant to section 3 of this act is vicious or potentially dangerous. In no case may the municipal official who is the supervisor of the animal control officer presenting the case select the panel. If neither the chief law enforcement officer of the municipality nor the municipal health officer is the animal control officer's supervisor, the municipal health officer shall select the panel and conduct the hearing. To the greatest extent practicable, the selected panel shall collectively represent a diverse background in dog behavior and in no case may all of the members of the panel be from the same discipline nor may a panel include any individual connected to the case. Upon request, the department may recommend to the municipal health officer or chief law enforcement officer of the municipality the names of qualified individuals to serve on the panel. For the purposes of this section, “qualified individuals” means:

(1) veterinarians specializing in the treatment of dogs and cats;
(2) American Kennel Club certified dog breed or obedience judges;
(3) professional dog handlers who are members of the Professional Handlers Association or who are recommended by either a Professional Handlers Association member or an American Kennel Club certified dog breed judge;
(4) professional dog obedience trainers who are members of the National Association of Dog Obedience Instructors or who are recommended by a National Association of Dog Obedience Instructors member or an American Kennel Club dog obedience judge;

(6) animal behaviorists with at least a bachelor's degree in animal behavior specializing in the treatment of canine behavior disorders.

b. The official conducting the hearing shall notify the owner of the impounded dog by certified mail, return receipt requested, and the department of the date and time of the hearing, and the names of the panel members selected. During the hearing, the owner shall have the opportunity to present evidence to demonstrate that the dog is not vicious or potentially dangerous.
C.4:19-22 Dog declared vicious by panel; conditions.

6. a. The panel shall declare the dog vicious if it finds by a preponderance of the evidence that the dog:

(1) killed a person or caused serious bodily injury as defined in N.J.S.2C:11-1(b) to a person; or

(2) has engaged in dog fighting activities as described in R.S.4:22-24 and R.S.4:22-26.

b. A dog may not be declared vicious for inflicting death or serious bodily injury as defined in N.J.S.2C:11-1(b) upon a person if that person was committing or attempting to commit a crime or if that person was tormenting or inflicting pain upon the dog in such an extreme manner that an attack of such nature could be considered provoked.

c. If the panel declares a dog to be vicious, and no appeal is made of this ruling pursuant to subsection c. of section 9 of this act, the dog shall be destroyed in a humane and expeditious manner, except that no dog may be destroyed during the pendency of an appeal.

C.4:19-23 Dog declared potentially dangerous by panel; conditions.

7. a. The panel shall declare a dog to be potentially dangerous if it finds that the dog:

(1) caused bodily injury as defined in N.J.S.2C:11-1(a) to a person during an unprovoked attack, and poses a serious threat of bodily injury or death to a person, or

(2) killed another domestic animal, and

(a) poses a threat of serious bodily injury or death to a person; or

(b) poses a threat of death to another domestic animal, or

(3) has been trained, tormented, badgered, baited or encouraged to engage in unprovoked attacks upon persons or domestic animals.

b. A dog shall not be declared potentially dangerous for:

(1) causing bodily injury as defined in N.J.S.2C:11-1(a) to a person if that person was committing or attempting to commit a crime or if that person was tormenting or inflicting pain upon the dog in such an extreme manner that an attack of such nature could be considered provoked, or

(2) killing a domestic animal if the domestic animal was the aggressor.
CHAPTER 307, LAWS OF 1989

C.4:19-24 Registration of potentially dangerous dog.

8. If the panel declares the dog to be potentially dangerous, it shall issue an order and a schedule for compliance which, in part:

a. shall require the owner to comply with the following conditions:

   (1) to apply, at his own expense, to the municipal clerk or other official designated to license dogs pursuant to section 2 of P.L.1941, c.151 (C.4:19-15.2), for a special municipal potentially dangerous dog license, municipal registration number, and red identification tag issued pursuant to section 14 of this act. The owner shall, at his own expense, have the registration number tattooed upon the dog in a prominent location. A potentially dangerous dog shall be impounded until the owner obtains a municipal potentially dangerous dog license, municipal registration number, and red identification tag;

   (2) to display, in a conspicuous manner, a sign on his premises warning that a potentially dangerous dog is on the premises. The sign shall be visible and legible from 50 feet of the enclosure required pursuant to paragraph (3) of this subsection;

   (3) to immediately erect and maintain an enclosure for the potentially dangerous dog on the property where the potentially dangerous dog will be kept and maintained, which has sound sides, top and bottom to prevent the potentially dangerous dog from escaping by climbing, jumping or digging and within a fence of at least six feet in height separated by at least three feet from the confined area. The owner of a potentially dangerous dog shall securely lock the enclosure to prevent the entry of the general public and to preclude any release or escape of a potentially dangerous dog by an unknowing child or other person. All potentially dangerous dogs shall be confined in the enclosure or, if taken out of the enclosure, securely muzzled and restrained with a tether approved by the animal control officer and having a minimum tensile strength sufficiently in excess of that required to restrict the potentially dangerous dog's movements to a radius of no more than three feet from the owner and under the direct supervision of the owner;

b. may require the owner to comply with the following conditions:

   (1) to maintain liability insurance in an amount determined by the panel to cover any damage or injury caused by the potentially dangerous dog. The liability insurance, which may be separate from any other homeowner policy, shall contain a provision requiring the municipality in which the owner resides to be named as an additional
insured for the sole purpose of being notified by the insurance company of any cancellation, termination or expiration of the liability insurance policy:

(2) to tether the dog within the enclosure with a tether approved by the animal control officer and having a minimum tensile strength in excess of that required to fully secure the dog and of a length which prohibits the dog from climbing, jumping or digging out of the confined area.

C.4:19-25 Notification of outcome of hearing; appeal; rabies testing.

9. a. After the panel hearing, the official conducting the hearing shall notify in writing the owner of the dog, the animal control officer and the municipality in which the animal resides.

b. If the parties do not contest the panel’s finding, the owner shall comply with the provisions of this act in accordance with a schedule established by the panel, but in no case more than 60 days subsequent to the date of determination.

c. If the panel’s determination is contested, the contesting party may, within five days of such determination, bring a petition in the municipal court within the jurisdiction where the owner of the dog resides, requesting that the court conduct its own hearing on whether the dog should be declared vicious or potentially dangerous or whether the conditions imposed on the owner of a potentially dangerous dog are appropriate.

d. After service of the notice upon the parties to the action, the court shall conduct a hearing de novo and make its own determination.

e. If the court finds by a preponderance of the evidence that the dog is vicious, the dog shall be destroyed in a humane and expeditious manner, except that no dog may be destroyed during the pendency of an appeal.

f. If the court finds by a preponderance of the evidence that the dog is potentially dangerous, the court shall establish a schedule to insure compliance with this act, but in no case may complete compliance be allowed more than 60 days subsequent to the date of the court’s determination.

g. If the dog has bitten or exposed a person within 10 days previous to the time of euthanasia, its head shall be transported to the New Jersey State Department of Health laboratory for rabies testing.
C.4:19-26 Liability of owner for cost of impounding, destroying dog.

10. If a dog is declared vicious or potentially dangerous, and all appeals pertaining thereto have been exhausted, the owner of the dog shall be liable to the municipality in which the dog is impounded for the costs and expenses of impounding and destroying the dog. The municipality may establish by ordinance a schedule of these costs and expenses. The owner shall incur the expense of impounding the dog in a facility other than the municipal pound, regardless of whether the dog is ultimately found to be vicious or potentially dangerous.

C.4:19-27 Right to hearing for subsequent actions of dog.

11. If the municipal court or the panel finds that the dog is not vicious or potentially dangerous, the official responsible for convening a hearing pursuant to section 5 of this act shall retain the right to convene a hearing to determine whether the dog is vicious or potentially dangerous for any subsequent actions of the dog.

C.4:19-28 Obligations of owner of potentially dangerous dog.

12. The owner of a potentially dangerous dog shall:

a. comply with the provisions of this act in accordance with a schedule established by the panel, but in no case more than 60 days subsequent to the date of determination;

b. notify the licensing authority, local police department or force, and the animal control officer if a potentially dangerous dog is at large, or has attacked a human being or killed a domestic animal;

c. notify the licensing authority, local police department or force, and the animal control officer within 24 hours of the death, sale or donation of a potentially dangerous dog;

d. prior to selling or donating the dog, inform the prospective owner that the dog has been declared potentially dangerous;

e. upon the sale or donation of the dog to a person residing in a different municipality, notify the department and the licensing authority, police department or force, and animal control officer of that municipality of the transfer of ownership and the name, address and telephone of the new owner; and

C.4:19-29 Violation by owner; fine, seizure, impoundment of dog.

13. The owner of a potentially dangerous dog who is found by a
preponderance of the evidence to have violated this act, or any rule or regulation adopted pursuant thereto, or to have failed to comply with a panel’s order shall be subject to a fine of not more than $1,000 per day of the violation, and each day’s continuance of the violation shall constitute a separate and distinct violation. The municipal court shall have jurisdiction to enforce this section. An animal control officer is authorized to seize and impound any potentially dangerous dog whose owner fails to comply with the provisions of this act, or any rule or regulation adopted pursuant thereto, or a panel’s order. The municipal court may order that the dog so seized and impounded be destroyed in an expeditious and humane manner.

C.4:19-30 Municipality to register, identify potentially dangerous dogs; publicize phone numbers to report violations.

14. Each municipality shall:

a. issue a potentially dangerous dog registration number and red identification tag along with a municipal potentially dangerous dog license upon a demonstration of sufficient evidence by the owner to the animal control officer that he has complied with the panel’s orders. The last three digits of each potentially dangerous dog registration number issued by a municipality will be the three number code assigned to that municipality in the regulations promulgated pursuant to section 17 of this act. The animal control officer shall verify, in writing, compliance to the municipal clerk or other official designated to license dogs in the municipality;

b. publicize a telephone number for reporting violations of this act. This telephone number shall be forwarded to the department and any changes in this number shall be reported immediately to the department.

C.4:19-31 Municipality to establish fee for potentially dangerous dog license.

15. Every municipality may, by ordinance, fix the sum to be paid annually for a potentially dangerous dog license and each renewal thereof, which sum shall not be less than $150 nor more than $700. In the absence of any local ordinance, the fee for all potentially dangerous dog licenses shall be $150.

C.4:19-32 Monthly inspection to verify compliance.

16. The animal control officer shall inspect the enclosure and the owner’s property at least monthly to determine continuing compliance with paragraphs (2) and (3) of subsection a. of section 8 of this act.

C.4:19-33 Statewide system for registration of potentially dangerous dogs.

17. The department shall promulgate regulations establishing a
uniform Statewide system for municipal registration of potentially
dangerous dogs. The regulations shall assign each municipality or
other authority registering potentially dangerous dogs a three number
code. This three number code shall comprise the last three digits of
each registration number issued by that municipality or authority
for potentially dangerous dogs and shall be preceded on each dog’s
identification by a number sequentially issued by the municipality.

C.4:19-34 Actions subject to “New Jersey Tort Claims Act.”

18. Any action undertaken pursuant to the provisions of this act
shall be deemed to be an exercise of a government function and shall
be subject to the provisions of the “New Jersey Tort Claims Act,”
N.J.S.59:1-1 et seq.

19. The department shall, within 120 days of the effective date
of this act and pursuant to the provisions of the “Administrative
Procedure Act,” P.L.1968, c.410 (C.52:14B-1 et seq.), adopt rules and
regulations as may be necessary to effectuate the purposes of this
act.

C.4:19-35 Fines, fees, used for enforcement by municipalities.

act enacted by any municipality, county, or county or local board
of health.

C.4:19-37 Exemptions for dogs used for law enforcement purposes.

22. The provisions of this act shall not apply to dogs used for law
enforcement activities.

23. This act shall take effect immediately.

1. a. There is established in the Department of Environmental Protection a non-lapsing revolving fund to be known as the "Water Supply Replacement Trust Fund," hereinafter referred to as the fund. The department shall administer the fund, and monies in the fund shall be used to (1) provide loans to municipalities or municipally-owned or privately-owned public water systems as defined in section 3 of P.L.1977, c.224 (C.58:12A-3) for the purposes of providing a permanent alternate water supply to persons whose principal source of potable water is contaminated or is threatened with contamination by hazardous substances as identified by the department or fails to meet the State primary drinking water standards contained in regulations developed pursuant to this act, and (2) to provide funds to the department to conduct feasibility studies to determine appropriate remedies for contaminated potable water supplies, to conduct confirmatory tests to determine the presence of hazardous substances in potable water supplies, to study the extent to which water supplies are contaminated or are threatened by contamination with hazardous substances, to develop recommendations for remediating contaminated or threatened water supplies, and to defray administrative costs incurred by the department in implementing the provisions of this act. Payments of principal and interest on loans issued under the authority of this act shall be deposited in the fund, and shall remain available for further disbursements as new loans to be awarded pursuant to this act. Any monies deposited in the "Water Supply Replacement Trust Fund" are hereby appropriated to the Department of Environmental Protection to carry out the purposes of this act.

b. Loans made to local government units pursuant to this act shall bear interest at a rate fixed by the Treasurer, which rate shall not exceed 2% per year for a term of not more than 20 years.
c. As used in this act, "hazardous substance" means any substance defined as a hazardous substance by the Department of Environmental Protection pursuant to rules and regulations adopted pursuant to section 3 of P.L.1976, c.141 (C.58:10-23.11b).

2. Section 2 of P.L.1988, c.106 (C.58:12A-23) is amended to read as follows:

C.58:12A-23 Funding of study to determine extent water supplies contaminated with hazardous substances; allocation for loans to municipalities to provide alternate water supply for persons with contaminated water supply.

2. a. Of the monies made available for the cleanup of hazardous discharge sites pursuant to P.L.1986, c.144 (C.54:10A-5.1 et seq.) and transferred to the "Water Supply Replacement Trust Fund" pursuant to section 3 of this act, the sum of $1,000,000 is allocated for the purpose of funding a study to be conducted by the department to determine the extent to which water supplies are contaminated or threatened by contamination with hazardous substances and to develop recommendations for dealing with such contaminated or threatened water supplies, and $2,000,000 is allocated for conducting site specific feasibility studies authorized pursuant to section 1 of this act.

b. Of the monies made available for the cleanup of hazardous discharge sites pursuant to P.L.1986, c.144 (C.54:10A-5.1 et seq.) and transferred to the "Water Supply Replacement Trust Fund" pursuant to section 3 of this act, the sum of $57,000,000 is allocated for the purpose of providing loans to municipalities or municipally-owned or privately-owned public water systems as defined in section 3 of P.L.1977, c.224 (C.58:12A-3) for the purpose of providing a permanent alternate water supply to persons whose principal source of potable water is contaminated or is threatened with contamination by hazardous substances as identified by the department.

C.58:12A-25 Loans to qualifying municipality or municipally-owned or privately-owned public water supply system for extension of public water supply system to residential area.

The Department of Environmental Protection shall utilize $8,000,000.00 of the monies deposited in the "Water Supply Replacement Trust Fund" to provide loans to a qualifying municipality for the extension of a public water supply system to a residential area or to a municipally-owned or privately-owned public water supply system for the extension of a public water supply system to a residential area in a qualifying municipality. A qualifying municipality is
one with a residential area of more than 1,500 residential units that has been found by the local department of health, or board of health, and the county board of health, or department of health, to have at least 25% of the wells supplying potable water to the area with contaminants at the Class II, Class III or Class IV interim action levels for hazardous contaminants in drinking water of the Department of Environmental Protection, or in excess of the maximum contaminant levels adopted by the department pursuant to P.L.1983, c.443 (C.58:12A-12 et seq.), as may be applicable, and:

a. (1) The potable water supply for the residential area is deemed by the county board of health or department of health to be unfit for human consumption, and (2) the governing body of the municipality has adopted a resolution banning new construction in the area pending connection of the area to a public water supply system; or

b. The Department of Environmental Protection determines all or a portion of the ground water serving the residential area to be a well-restriction area.

A municipality applying for a loan under this section shall certify to the department the estimated costs for extending a public water supply system to an eligible residential area that satisfies the criteria of this section. Monies from a loan made hereunder are to be expended solely for the purpose of expanding the public water supply system to residences with contaminated wells.

4. a. There is established in the "Water Supply Replacement Trust Fund" established pursuant to section 1 of P.L.1988, c.106 (C.58:12A-22) a Radium-Contaminated Water Supply sub-account. Monies in the Radium-Contaminated Water Supply sub-account shall be used by the Department of Environmental Protection for the purpose of testing and mapping those aquifers identified by the department to determine the extent of radium contamination of the aquifer, and by the department or a municipal or regional health agency certified by the department pursuant to section 15 of P.L.1977, c.443 (C.26:3A2-33) for the purpose of financing confirmatory tests to determine the presence of radium in potable water supplies.

b. Any owner of a single family residence who has conducted a gross alpha or a gross beta screen test of the potable water supply relied upon by the occupants of the single family residence, the
results of which indicate the presence of radium in the potable water supply in excess of a safety level established by the department, may petition the department to conduct a confirmatory test, which may be based on representative sampling, to determine the accuracy of the initial test. Upon receipt of such a request, the department shall conduct the confirmatory test. No request for a confirmatory test may be made by a person pursuant to this subsection until the department has completed the testing and mapping of aquifers required pursuant to subsection a. of this section.

c. Of the amount appropriated to the Radium-Contaminated Water Supply sub-account, the sum of $1,000,000 is allocated to the New Jersey Housing and Mortgage Finance Agency established pursuant to P.L.1983, c.530 (C.55:14K-1 et seq.) and dedicated for the purposes of providing low interest loans to owners of single family residences whose source of potable water is contaminated or threatened by contamination with radium to provide a permanent alternative potable water supply or adequate treatment technology.

The agency shall establish a program to provide the loans authorized pursuant to this subsection. The loans issued pursuant to this subsection shall bear an interest of not more than 2 percent per year, and shall be for a term of not more than five years. The maximum amount for any single loan shall be $10,000. Loan applicants shall provide certification from the Department of Environmental Protection or from a municipal or regional health agency certified pursuant to section 15 of P.L.1977, c.443 (C.26:3A2-33) of the contamination or the threat of this contamination when applying for loans on forms prescribed by the agency.

d. There is appropriated to the Radium-Contaminated Water Supply sub-account the sum of $3,500,000 from the “Clean Waters Fund” established pursuant to P.L.1976, c.92 from amounts in the fund received as repayments of emergency water supply loans made pursuant to P.L.1981, c.28.

areas in the State subject to an actual or potential threat of danger and the measures which can be taken to protect the health, safety, and welfare of the citizens of the State. This public information and education program shall include:

a. A cooperative program with county and local health departments to facilitate health education in response to requests from the public; and

b. A toll-free public telephone information service within the Department of Environmental Protection to answer questions from residents of the State concerning radon gas and radon progeny contamination, or radium contamination, or both, as the case may be. The availability of the public telephone information service shall be published in the major newspapers circulated in the geographic areas of this State subject to an actual or potential threat of danger from radon gas or radon progeny contamination, or from the presence of radium in potable water supplies, as appropriate.

shall be made under regulations of the director.

4. N.J.S.54A:7-4 is amended to read as follows:

Employer's or other payor's return and payment of withheld taxes.

54A:7-4. Employer's or other payor's return and payment of
withheld taxes.

(a) General.—Every employer or payor of a pension or annuity
required to deduct and withhold tax under this act shall, for each
calendar month, on or before the 15th day of the month following
the close of such calendar month, file a withholding return as
prescribed by the director and pay over to the director or to a deposi-
tory designated by the director the taxes so required to be deducted
and withheld. Where the aggregate amount required to be deducted
and withheld by any employer or payor of a pension or annuity is
less than $25.00 in a calendar month and the aggregate for the
semiannual period ending on June 30 and December 31 can reason-
ably be expected to be less than $150.00, the director may by regu-
lation permit an employer or payor of a pension or annuity to file
a return on or before July 31 for the semiannual period ending on
June 30 and on or before January 31 for the semiannual period ending
on December 31. Where the aggregate amount to be deducted and
withheld by any employer or payor of a pension or annuity is $200.00
or less in each month of a calendar quarter and where the total
amount to be deducted and withheld in said calendar quarter can reasonably be expected to be less than $600.00, the director may by regulation permit an employer or payor of a pension or annuity to file quarterly returns on or before the 15th day of the month following the close of a calendar quarter. If in any such month during a calendar quarter the amount to be deducted and withheld exceeds $200.00, the employer or payor of a pension or annuity shall, on or before the 15th day of the month following the close of such month, file a withholding return as prescribed by the director and pay over to the director or to a depository designated by the director all the taxes so required to be deducted and withheld for all of said month or months during said calendar quarter. This section shall not be applicable to businesses operating seasonally. Any return due with respect to the last quarter of a calendar year shall be filed and the amount of the withholding shall be paid on or before January 31 next following. The director may, if he believes such action necessary for the protection of the revenues, require any employer or payor of a pension or annuity to make such return and pay to him the tax deducted and withheld at any time, or from time to time. Where the amount of wages paid by an employer is not sufficient under this act to require the withholding of tax from the wages of any of his employees, the director may, by regulation, permit such employer to file an annual return on or before February 28 of the following calendar year.

The director may, by regulation, require the filing and payment of withholding returns and taxes on a semimonthly or more frequent basis where he deems such action in the best interest of the State.

(b) Deposit in trust for director.—Whenever any employer or payor of a pension or annuity fails to collect, truthfully account for, pay over the tax, or make returns of the tax as required in this section, the director may serve a notice requiring such employer or payor to collect the taxes which become collectible after service of such notice, to deposit such taxes in a bank approved by the director in a separate account, in trust for and payable to the State of New Jersey and keep the amount of such tax in such account until payment over to the director. Such notice shall remain in effect until a notice of cancellation is served by the director.

5. N.J.S.54A:7-5 is amended to read as follows:

Liability for withheld taxes.

54A:7-5. Liability for withheld taxes. Every employer or payor of pension or annuity required to deduct and withhold tax under this act is hereby made liable for such tax. For purposes of assessment
and collection, any amount required to be withheld and paid over to the director, and any additions to tax, penalties and interest with respect thereto, shall be considered the tax of the employer or payor. Any amount of tax actually deducted and withheld under this act shall be held to be a special fund in trust for the director. No employee or pension or annuity recipient shall have any right of action against an employer or payor of a pension or annuity in respect to any moneys deducted and withheld from the wages or pension or annuity and paid over to the director in compliance or in intended compliance with this act.

6. N.J.S.54A:7-6 is amended to read as follows:

Failure to withhold.

54A:7-6. Failure to withhold. If an employer or payor of a pension or annuity fails to deduct and withhold tax as required, and thereafter the tax against which such tax may be credited is paid, the tax so required to be deducted and withheld shall not be collected from the employer or payor, but the employer or payor shall not be relieved from liability for any penalties, interest, or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

7. N.J.S.54A:7-7 is amended to read as follows:

Filing annual reconciliation of tax withheld.

54A:7-7. Filing annual reconciliation of tax withheld. Any reconciliation of tax withheld shall be filed by the employer or payor of a pension or annuity with the Division of Taxation on or before February 15 following the close of the calendar year in accordance with rules and regulations prescribed by the director.

AN ACT establishing an Interdepartmental Task Force on the Elderly and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C.52:27D-29.30 Findings, declarations.

1. The Legislature finds and declares that:

a. The senior citizen population in New Jersey has increased dramatically in recent years and demographic projections indicate that this population will continue to increase well into the next century;

b. Concurrent with the growth of the elderly population has been an increase in the number of senior citizen services and benefits, which are administered through a variety of departments in State government;

c. This administration of senior citizen services and benefits by so many departments is cause for confusion and leads to an ineffective and inefficient delivery of these services and benefits;

d. It is, therefore, in the public interest that there shall be established a coordinating entity to promote and facilitate close cooperation and working relationships, consistency between programs and efficient use of resources in the delivery of services and benefits for senior citizens.

C.52:27D-29.31 Interdepartmental Task Force on the Elderly established.

If the job seeker has not furnished the name of any individuals available as character references, or if no favorable statement has been received from a character reference, the agency shall so advise the prospective employer to whom the job seeker is referred. This information shall be written upon the referral slip given by the agency to the job seeker to present to the prospective employer. The written result of the verification to determine the character and responsibility of any job seeker shall be kept on file in the agency subject to examination by the chief. If the employer voluntarily waives, in writing, a verification
of references, the licensed agency shall not be required to make the verification;

(3) Give to each job seeker a copy of every writing the job seeker has signed, the form of which complies with P.L.1980, c.125 (C.56:12-1 et seq.).

(4) Furnish to each job seeker, who is sent to a prospective employer for an interview concerning the job seeker's qualifications or future employment in a job for which no order has been given to the agency, a card or paper containing the names of the job seeker and prospective employer, the address of the prospective employer and any other particulars the agency may determine are necessary. In each case, there shall be printed in bold-faced type on the card or paper the following:

“This card of introduction is given to ........ (name of job seeker) with the understanding that there is no obligation to this employment agency for any fee until, as a result of the services rendered by this agency, ........ (name of job seeker) is employed in a job with respect to which the agency received a bona fide order from an employer. ........ (name of job seeker) has agreed to pay the fee under the foregoing conditions if the fee is not paid by an employer.”

(5) Post in the agency in the places that the chief, or a designee, directs, an abstract of this act and the rules and regulations promulgated by the director. The chief shall provide the abstracts and charge for the printing of these abstracts.

b. In addition to the requirements set forth in subsection a., each employment agency which charges or may charge the job seeker a fee shall:

(1) File with the chief, for the chief's approval, a schedule of fees proposed to be charged for any service rendered or product sold to job seekers and adhere to the schedule in charging for these services or products. The chief shall not approve the fee schedule unless the chief is satisfied that the fee schedule is on a form which makes the schedule reasonably understandable by job seekers and that the fee schedule is in compliance with all other provisions of this section. The schedule of fees may thereafter be changed or supplemented, by filing an amended or supplemental schedule with the bureau. The changes shall not become effective until approval has been granted by the chief and the amended or supplemental fee schedule has been posted for not less than seven days in a conspicuous manner in the office of the agency. It shall be unlawful for any employment agency
to charge, demand, collect or receive a greater fee for any service rendered or product sold to a job seeker than is specified in the most recent schedule filed with the bureau;

(2) Post the schedule of fees in a conspicuous manner in the office of the agency using forms provided by the chief;

(3) Compute fees paid by a job seeker seeking employment on the basis of permanent employment, unless the employment is temporary employment. Where temporary employment merges into permanent employment, or where a job seeker accepts permanent employment within 30 days after the termination of temporary employment, the permanent employment may be considered the result of the references to the temporary position and the fee may be based on the permanent employment with due credit given for the payment made for the temporary employment;

(4) Not charge to a job seeker who obtains employment and who is discharged without cause or who voluntarily terminates employment for just cause more than 1% of the scheduled fee for each day worked. For purposes of this paragraph, the employment agency shall repay to any job seeker so discharged or terminated any excess of the maximum fee in accordance with the fee schedule, allowing three days' time to determine that the termination was not due to any fault on the part of the job seeker. The employment agency may, however, by separate written agreement between the employment agency and the job seeker, retain the fee or any part of the fee which has been paid for the job from which the job seeker has been discharged without cause or terminated, if the agency furnishes the job seeker with another job and allows due credit for the retained payment;

(5) Not charge a job seeker who either fails to report for duty after accepting employment or voluntarily terminates employment without just cause within 30 days more than 30% of the scheduled fee;

(6) Obtain a bona fide order for employment prior to collecting any fee from a job seeker or sending out a job seeker to any place of employment. Except as may be otherwise provided in rules and regulations, no charge or advance fee of any kind shall be charged, demanded, collected, or received by the agency from a job seeker seeking employment until employment has been obtained by or through the efforts of the agency;

(7) Give to every job seeker from whom a fee is received, at the time payment is received, a receipt which shall state the name of
the job seeker, the name and address of the employment agency and its agent, the date and amount of the fee and the purpose for which it was paid; and

(8) Furnish each job seeker, who is sent to a prospective employer, with a card or similar paper containing the nature of the prospective employment, the names of the job seeker and prospective employer, and the address of the employer.

C.34:8-52 Violations.

11. It shall be a violation of the provisions of this act for any person to:

a. Open, conduct, or maintain, either directly or indirectly, an employment agency or perform any of the functions of an employment agency without first obtaining a valid employment agency license from the director and complying with all requirements of this act regarding agents' licenses for the agents of the agency. A license shall not authorize the furnishing of help or employment or the furnishing of information where help or employment may be procured in the capacity of baby sitters. A license shall not authorize activities of any person other than the individual person or persons holding the license, except that a corporation may be the holder of an employment agency license. A license shall not authorize activities at any place other than the place designated in the license except upon issuance of a special permit by the director. A licensee may engage in activities requiring registration under sections 23, 24 and 25 of this act if it complies with the requirements of those sections.

b. Conduct business, or any phase thereof, in any room or place where:

(1) An individual sleeps or conducts his or her household affairs, unless the business premises have separate ingress and egress from the residential premises;

e. Divide or offer to divide fees, directly or indirectly, with prospective or actual employers or any agent, employee, or representative;
f. Accept payment of a fee or attempt to collect any fee for a service rendered or product sold where employment has not been accepted, except that the requirements of this subsection shall not apply to any career counseling service if that service receives no prepayment for services or products and provides services or products strictly on an hourly basis, with no financial obligation required of the job seeker beyond the hourly fee for the services or products rendered;

g. Falsely state or imply to a job seeker that the person is seeking to obtain individuals to perform services, tasks or labor for which salary, wages, or other compensation is to be paid;

h. Send or cause to be sent any individual to any place used for unlawful purposes;

i. Place or assist in placing an individual under 18 years of age into employment which is in violation of the laws of this State;

j. Induce or compel any individual to enter the agency, for any purpose, by the use of force or by taking forcible possession of the individual's property;

k. Publish or cause to be published any deceptive or misleading notice or advertisement. All advertisements of any agency by any means, including, but not limited to, cards, circulars or signs, or in newspapers and other publications, and all letterheads, receipts and blanks, shall contain the name and address of the agency;

l. Make a deceptive or misleading representation to a job seeker or employer, or enter into any contract with any job seeker or employer or induce or attempt to induce any job seeker or employer to make any agreement, the provisions of which contract or agreement, if fulfilled, violate this act;

n. Demand, charge, collect, or receive a fee unless in accordance with the terms of a written contract or agreement with a job seeker;

o. Engage in any act or practice in violation of P.L.1960, c.39 (C.56:8-1 et seq.) and regulations promulgated thereunder.

C.34:8-53 Refusal or revocation; suspension; renewal.

12. The director may refuse to issue, and may revoke, any license for failure to comply with, or violation of, the provisions of this act.
or for any other good cause shown, within the meaning and purpose of this act. A refusal or revocation shall not be made except upon reasonable notice to, and opportunity to be heard by, the applicant or licensee. The director may, if he finds it to be in the public interest, suspend a license for any period of time that he determines to be proper or assess a penalty in lieu of suspension, or both, and may issue a new license, notwithstanding the revocation of a prior license, provided that he finds the applicant to have become entitled to the new license.

C.34:8-54 Powers of director.

13. To accomplish the objectives and carry out the duties prescribed by this act, the director may issue subpoenas to any person, administer an oath or affirmation to any person, conduct hearings in aid of any investigation or inquiry, promulgate rules and regulations, and prescribe forms as may be necessary.

C.34:8-55 Investigation.

14. Whenever it appears to the director that a person has engaged in, is engaging in, or is about to engage in, any practice declared to be unlawful by this act, or whenever the director believes it to be in the public interest that an investigation should be made to ascertain whether a person has engaged in, is engaging in, or is about to engage in, any unlawful practice, the director may:

a. Require the person to file, on forms prescribed by him, a written statement or report, under oath or otherwise, concerning the facts and circumstances regarding the practice which is under investigation;

b. Examine under oath any person in connection with the practice under investigation;

c. Examine any record, book, document, account, contract, or paper as he deems necessary; and

d. Pursuant to an order of the Superior Court, impound any record, book, document, account, contract, or paper that is produced in accordance with this act, and retain it until the completion of all proceedings in connection with the materials produced.

C.34:8-56 Service of notice or subpoena.

15. Service by the director of any notice requiring a person to file a statement or report, or of a subpoena upon the person, shall be made personally within this State, but if this cannot be done, substituted service may be made in the following manner:
a. Personal service outside this State;

b. The mailing by registered or certified mail to the last known place of business or residence inside or outside the State of the person;

c. As to any person other than an individual, in accordance with the Rules Governing the Courts of the State of New Jersey pertaining to service of process, provided, however, that service shall be made by the director; or

d. Any service as the Superior Court may direct in lieu of personal service within the State.

C.34:8-57 Order from Superior Court.

16. If a person fails or refuses to file any statement or report requested by the director, or obey any subpoena issued by the director, the director may seek and obtain an order from the Superior Court:

a. Adjudging the person in contempt of court;

b. Granting injunctive relief, without notice, restraining any and all acts and practices for which a license is required in the provisions of this act;

c. Directing the payment of reasonable attorneys' fees and costs of the investigation and suit; and

d. Granting any other relief as may be required, until the person files the statement or report, or obeys the subpoena.

C.34:8-58 Injunction; other court actions.

17. a. Whenever it appears to the director that a person has engaged in, is engaging in, or is about to engage in, any practice which is a violation of the provisions of this act, the director may seek and obtain in a summary action in the Superior Court an injunction prohibiting the person from continuing the practices or engaging therein or doing any acts in furtherance thereof.

b. In addition to any other remedy, the court may: enjoin an individual from managing or owning any business organization within this State, and from serving as an officer, director, trustee, member of any executive board or similar governing body, principal, manager, stockholder owning 10% or more of the aggregate outstanding capital stock of all classes of any corporation doing business in this State; vacate or annul the charter of a corporation created by or under the laws of this State; revoke the certificate of authority
to do business in this State of a foreign corporation; and revoke any licenses issued pursuant to law to the person whenever the charter, authority, or license have been or may be used to engage in or to further unlawful practices. The court may grant any relief as may be necessary to prevent the use or employment by a person of any unlawful practices, or which may be necessary to restore to any person in interest any moneys or property, real or personal, which may have been acquired by means of any practices declared to be unlawful.

C.34:8-59 Action authorized after finding of violation.

18. Whenever it appears to the director that a person has engaged in, is engaging in, or is about to engage in, any practice which is a violation of the provisions of this act, the director may hold hearings on the violation and upon finding the violation to have been committed, may enter an order:

a. Directing the person to cease and desist or refrain from committing the practice in the future;

b. Directing the person to restore to any person in interest any moneys or property, real or personal, which may have been acquired by means of any unlawful practice;

c. Assessing reasonable attorneys' fees and costs of investigation and suit;

d. Assessing a penalty in the amount authorized by the provisions of section 19 of this act, which the director deems proper under the circumstances; and

e. Directing the person to reimburse the job seeker for transportation expenses if no employment of the kind applied for exists at the place to which the job seeker is sent and the person did not have a bona fide order, either oral or written, from the prospective employer.

C.34:8-60 Penalties for violation of cease and desist order.

19. Whenever it appears to the director that a person against whom a cease and desist order has been entered has violated the order, the director may bring a summary proceeding in the Superior Court based upon the violation. A person found to have violated a cease and desist order shall be liable for civil penalties in the amount of not less than $1,000 or more than $25,000 for each violation of the order, together with reasonable attorneys' fees and cost of investigation and suit. If any person fails to pay a civil penalty imposed by
the court for violation of a cease and desist order, the court imposing the penalty is authorized, upon application of the director, to grant any relief which may be obtained under any statute or court rule governing the collection and enforcement of penalties.

C.34:8-61 Additional penalties.

20. In addition to any other penalty provided by law, a person who violates any of the provisions of this act shall be liable for a penalty of not more than $2,000 for the first offense and not more than $5,000 for the second and each subsequent offense.

C.34:8-62 Director to recover attorneys' fees and costs.

C.34:8-63 Certificate of indebtedness to clerk.

22. Upon the failure of a person to comply within 10 days after service of any order of the director directing payment of penalties, costs, attorneys’ fees, reimbursement, or restoration of moneys or property, the director may issue a certificate to the clerk of the Superior Court that the person is indebted to the State for these payments. A copy of the certificate shall be served upon the person against whom the order was entered. The clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted, a designation of the statutes under which the payments are imposed, the amount of each payment imposed, and a listing of property ordered restored, and the date of the certification. The entry shall have the same force and effect as the entry of the docketed judgment in the Superior Court. The entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the final order of the director.

C.34:8-64 Registration of consulting firm; revocation; suspension.

23. a. Every consulting firm operating within this State shall, within 60 days following the effective date of this act and annually thereafter, register in writing with the chief on a form prescribed by regulation.

b. Each registration form shall state the firm’s name, and any fictitious or trade name used in its operation, each primary location, including street and street number of the building and place where its business is to be conducted, and the names and residence addresses of its principal owners or officers.

c. The director shall establish by rule and collect an annual fee
from firm registrants, which shall not be more than the fee paid by employment agencies, to be used to the extent necessary to defray expenses incurred by the bureau in the performance of its duties under this section.

d. In addition to any act or practice in violation of P.L.1960, c.39 (C.56:8-1 et seq.), it shall be a violation of this act for any registrant or its agent to:

(1) Make, or cause to be made, publish or cause to be published, any false, misleading, or deceptive advertisement or representation concerning the services or products that the registrant provides to job seekers.

(2) Disseminate information to a job seeker knowing or recklessly disregarding information that:

(c) The registrant has not confirmed the availability of the job at the time of dissemination of the information; or

(d) The registrant has not obtained written or oral permission to list the job from the employer or an authorized agent of the employer.

e. The director may refuse to issue, and may revoke, any registration for failure to comply with, or violation of, the provisions of this section or for any other good cause shown, within the meaning and purpose of this section. A refusal or revocation shall not be made except upon reasonable notice to, and opportunity to be heard by, the applicant or registrant.

f. The director, instead of revoking a registration, may suspend the registration for a period of time determined to be proper, or assess a penalty in lieu of suspension, or both, and may issue a new registration notwithstanding the revocation of a prior registration, provided that the applicant is found to have become entitled to the new registration.

g. A registered consulting firm shall be permitted to provide temporary help services in the course of its business.

h. A registered firm may engage in activities requiring registration under sections 24 and 25 of this act if it complies with the requirements of those sections.
CHAPTER 331, LAWS OF 1989

The director shall establish by rule and collect an annual fee from organization and agent registrants, which shall not be more than that paid by employment agencies or agents, to be used to the extent necessary to defray all expenses incurred by the bureau in the performance of its duties under this section.

f. Each registered organization shall, at the time of its initial registration with the director and annually thereafter, post a bond in the amount of $10,000 with a duly authorized surety company as surety, to be approved by the director. The bond shall be retained by the chief until 90 days after either the expiration or revocation of the registration. The director shall promulgate rules and regulations setting forth the terms and conditions of this bond and supply the prospective registrant firm with an approved form.

g. Every career consulting or outplacement organization registered under this section shall provide each prospective job seeker desiring its services or products with a written explanation of each service or product which it provides or makes available to job seekers
and the price for each service or product which shall be made available to the job seeker at the time of the signing of any contract for services or products.

h. Any job seeker who signs a contract with any registered organization shall have the right to cancel the contract within three calendar days of the time of its signing and, upon the return of any materials provided to the job seeker by the registered organization, shall be entitled to receive a full refund of any fee, charge, or commission paid by the job seeker.

i. Not more than one-third of any fee, charge or commission shall be collected by the registered organization for its services or products more than 60 days in advance of the date on which the registrant provides its services or products as stated in its contract.

j. Every registered organization shall respond, in writing, within nine calendar days of receipt of any written complaint by a job seeker, stating the registered organization’s position with respect to the complaint. Copies of a job seeker’s complaint and the response shall be kept in a separate file by the registered organization for a period of one year after the date of the resolution of the complaint, or two years after the date of the complaint, whichever is later.

k. A refusal or revocation shall not be made except upon reasonable notice to, and opportunity to be heard by, the applicant or registrant. The director, instead of revoking any registration, may suspend the registration for a period of time as shall be determined to be appropriate, or assess a penalty in lieu of suspension, or both, and may issue a new registration notwithstanding the revocation of a prior registration provided that the applicant is found to have become entitled to the new registration.

r. A registered organization may engage in activities requiring registration under sections 23 and 25 of this act if it complies with the requirements of those sections.

s. Any person who fails to comply with the provisions of this section or rules and regulations promulgated by the director shall be subject to sections 14 through 22 of this act.

m. Each contract shall also contain refund provisions, approved by the bureau, which shall, unless different language is approved in writing by the bureau prior to use, read as follows:

"RIGHT TO REFUND

If within five calendar days after payment of any advance fee, the registrant has not supplied the job seeker with at least three available employment opportunities meeting the specifications of the contract
as to (1) name of the employer and type of job; (2) interest of job seeker; (3) qualifications of job seeker; (4) salary, benefits, and other conditions of employment; (5) location of job; and (6) any other specification expressly set forth in the contract, the full amount of the fee paid shall be refunded to the job seeker within 10 calendar days after the expiration of the five-day period.”

If the job seeker does not obtain a job through the services of the registered service, any amount paid in fees in excess of a $25 service charge shall be refunded to the job seeker, upon demand by the job seeker made within 10 calendar days of the expiration of the contract.

n. Every registered service shall respond, in writing, within nine calendar days of receipt of any written complaint by a job seeker, stating the registered service’s position with respect to that complaint. A copy of a job seeker’s complaint and the response shall be kept in a separate file by the registered service for a period of one year after the date of the resolution of the complaint, or two years after the date of the complaint, whichever is later.

o. If a demand for refund is denied by a registered service, and if the denial is found to have been in bad faith or if the registered service fails to respond to a demand for a refund, a court in an action instituted by the job seeker shall award damages to the job seeker in an amount not to exceed $200.00 in addition to actual damages sustained by the job seeker, together with reasonable attorneys’ fees, filing fees, and reasonable costs of suit. If the registered service refuses or is unable to pay the amount awarded by the court, the award may be satisfied out of the registered service’s bond.

p. In addition to any act or practice in violation of P.L.1960, c.39 (C.56:8-1 et seq.), it shall be a violation of this act for any registrant or its agent to:

q. The director may refuse to issue, and may revoke, any registration for any failure to comply with, or any violation of, the provisions of this section or for any other good cause shown, within the meaning and purpose of this section. A refusal shall not be made except upon reasonable notice to, and opportunity to be heard by, the applicant or registrant as the case may be. The director instead of revoking any registration may suspend the registration for a period of time as determined to be proper, or assess a penalty in lieu of suspension, or both; and may issue a new registration notwithstanding the revocation of a prior registration provided that the applicant is found to have become entitled to the new registration.

r. Any person who fails to comply with the provisions of this section or rules and regulations promulgated by the director shall be subject to the provisions of sections 14 through 22 of this act.

CHAPTER 332

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. There are many concerns associated with the design and implementation of the State Development and Redevelopment Plan (hereafter referred to as the "Plan"), including:
      (1) maintaining beneficial growth;
      (2) improving environmental quality;
      (3) assuring cost-effective delivery of infrastructure and other public services;
      (4) improving intergovernmental coordination;
      (5) preserving the quality of community life; and
      (6) redeveloping the State's major urban areas.
   b. Each of these concerns is an important issue for further study and each should serve as a measure of the efficacy of the Plan.
   c. However, these concerns are not mutually exclusive and, therefore, a balance among them must be achieved to maximize the well-being for the State and its residents.
   d. The process of cross-acceptance of the State Development and Redevelopment Plan required under the "State Planning Act," P.L.1985, c.398 (C.52:18A-196 et seq.), is a process designed to elicit the greatest degree of public participation in order to encourage the development of a consensus among the many, sometimes competing, interests in the State.
   e. This consensus will be facilitated by the availability of sufficient information concerning the impact the State Development and Redevelopment Plan may have on particular regions and on the overall economic well-being of the State.
   f. The Plan evolves through three phases:
(1) the Preliminary Plan, which will serve as the basis for cross-acceptance;

(2) the Interim Plan, which will reflect the changes occurring during the cross-acceptance process; and

(3) the Final Plan, which is to be implemented after approval by the State Planning Commission.

g. A two-stage process shall be established to examine the economic, environmental, infrastructure, community life, and intergovernmental coordination impacts of the Plan. This procedure shall consist of an assessment of the impacts of the Interim Plan and an on-going monitoring and evaluation program after the Final Plan is adopted.

h. The results of the Assessment Study shall identify desirable changes to be incorporated into the Final Plan. These studies shall describe the impacts of the policies and strategies proposed in the Plan (hereafter referred to as the “Plan” impacts) relative to the impacts that would likely occur without a Plan (hereafter referred to as “Trend” impacts). In examining the impacts of Plan and Trend, any significant regional differences that result shall be identified and analyzed. Where appropriate, the study shall also distinguish short-term and long-term impacts.

i. It is necessary to conduct an economic assessment of the Plan and Trend impacts and to make the results of that assessment available before adoption of the Final Plan. Work on the development of the evaluation methodology and, where possible, the collection of data for the assessment study shall commence upon enactment of this bill. Some factors that shall be addressed during cross-acceptance include:

(1) Changes in property values, including farmland, State and local expenditures and tax revenues, and regulations;

(2) Changes in housing supply, housing prices, employment, population and income;

(3) Costs of providing the infrastructure systems identified in the State Planning Act;

(4) Costs of preserving the natural resources as identified in the State Planning Act;

(5) Changes in business climate; and
CHAPTER 332, LAWS OF 1989

(6) Changes in the agricultural industry and the costs of preserving farmland and open spaces.

C.52:18A-202.2 Studies; review.

2. a. The Office of State Planning in consultation with the Office of Economic Policy, shall utilize the following:

(1) Conduct portions of these studies using its own staff;

(2) Contract with other State agencies to conduct portions of these studies; and

(3) Contract with an independent firm or an institution of higher learning to conduct portions of these studies.

b. Any portion of the studies conducted by the Office of State Planning, or any other State agency, shall be subject to review by an independent firm or an institution of higher learning.

c. The Assessment Study and the oversight review shall be submitted in the form of a written report to the State Planning Commission for distribution to the Governor, the Legislature and the governing bodies of each county and municipality in the State during the cross-acceptance process and prior to the adoption of the Final Plan.

d. A period extending from at least 45 days prior to the first of six public hearings, which are required under the State Planning Act, P.L.1985, c.398 (C.52:18A-196 et seq.), to 30 days following the last public hearing shall be provided for counties and municipalities to review and respond to the studies. Requests for revisions to the Interim Plan shall be considered by the State Planning Commission in the formulation of the Final Plan.

C.52:18A-202.3 On-going monitoring and evaluation program.

3. a. The Final Plan shall include the appropriate monitoring variables and plan targets in the economic, environmental, infrastructure, community life, and intergovernmental coordination areas to be evaluated on an on-going basis following adoption of the Final Plan.

b. In implementing the monitoring and evaluation program, if Plan targets are not being realized, the State Planning Commission shall evaluate reasons for the occurrences and determine if changes in Plan targets or policies are warranted.

c. The Office of State Planning shall include in its annual report
results of the on-going monitoring and evaluation program and forward the report to the Governor and the Legislature.

4. There is appropriated to the State Planning Commission from the General Fund the sum of $200,000 to cover the cost of contracting for the economic assessment and monitoring and evaluation studies.

5. This act shall take effect immediately.

Approved January 12, 1990.

19. a. If any person violates any of the provisions of this act or any code, rule, regulation or order promulgated or issued pursuant to the provisions of this act, the department may institute a civil action in a court of competent jurisdiction for injunctive or any other appropriate relief to prohibit and prevent such violation or violations and the said court may proceed in the action in a summary manner.

b. Any person who violates the provisions of this act or any code, rule, regulation or order promulgated or issued pursuant to this act shall be liable to a civil administrative penalty of not more than $10,000.00 for the first offense, not more than $25,000.00 for the second offense, and not more than $50,000.00 for the third and each subsequent offense. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense. No civil administrative penalty shall be levied except upon an administrative order issued pursuant to section 14 of P.L.1954, c.212 (C.26:2C-14).

c. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.
d. Any person who violates the provisions of P.L.1954, c.212 (C.26:2C-1 et seq.) or any code, rule, regulation, or order promulgated or issued pursuant to that act, or a court order issued pursuant to subsection a. of this section, or who fails to pay a civil administrative penalty in full pursuant to section 9 of P.L.1962, c.215 (C.26:2C-14.1), is subject, upon order of the court, to a civil penalty of not more than $10,000.00 for the first offense, not more than $25,000.00 for the second offense, and not more than $50,000.00 for the third and each subsequent offense. If the violation is of a continuing nature, each day during which the violation continues, or each day in which the civil administrative penalty is not paid in full, constitutes an additional, separate and distinct offense. Any penalty imposed under this subsection may be recovered with costs in a summary proceeding pursuant to “the penalty enforcement law” (N.J.S.2A:58-1 et seq.). The Law Division of the Superior Court has jurisdiction to enforce “the penalty enforcement law.”

e. A person who causes a release of air contaminants in a quantity or concentration which poses a potential threat to public health, welfare or the environment or which might reasonably result in citizen complaints shall immediately notify the department. A person who fails to so notify the department is liable to the penalties and procedures prescribed in this section.

f. Any person who:

(1) purposely or knowingly violates the provisions of P.L.1954, c.212 (C.26:2C-1 et seq.), or any code, rule, regulation, administrative order, or court order promulgated or issued pursuant thereto, is guilty of a crime of the third degree;

(2) recklessly violates the provisions of P.L.1954, c.212 (C.26:2C-1 et seq.), or any code, rule, regulation, administrative order, or court order promulgated or issued pursuant thereto, is guilty of a crime of the fourth degree.

2. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that:
   a. The Medal of Honor, instituted in 1861 for the Navy and in 1862 for the Army, is awarded by the Congress to members of the United States Armed Forces for "conspicuous gallantry and intrepidity at the risk of life, above and beyond the call of duty, in action involving actual conflict with an opposing armed force."
   b. Since this great honor was established, only 3,412 such medals have been awarded to deserving members of the armed forces for extremely heroic acts which typically involve suffering severe wounds or death, making this the highest decoration given by the United States Government.
   c. Eight men from New Jersey received this outstanding honor for their conspicuous bravery in World War II, the Korean Conflict or the Vietnam Conflict.
   d. It is fitting and proper that this State honor these exemplary men and keep alive for future generations of New Jersey residents the story of their heroic bravery.

C.18A:73-20.3 New Jersey State Museum to collect Medals of Honor and related memorabilia.

2. a. The New Jersey State Museum, in cooperation with the Department of Military and Veterans' Affairs, shall develop and implement a program to collect Medals of Honor and appropriate memorabilia related to the awarding of the medals from those persons, or the relatives or friends of those persons, who have been awarded the medal since its establishment and who at one time resided or continue to reside in New Jersey.
   b. The medals and memorabilia related to the awarding of the medals shall be collected from the owners of those materials on a voluntary basis.
c. The museum is directed to record, document and preserve the collection and to make it accessible through a long-term interpretive exhibition which will include portions of the collection shown on a rotating basis.

"Alternate operator service provider" means a non-facilities based telecommunications carrier who is a reseller leasing lines from local exchange carriers and interexchange carriers and who, using these leased facilities along with their own operators, provides operator-assisted services.

c. Every contract between an alternate operator service provider and an aggregator shall include a provision which provides a caller using a telephone owned or controlled by the aggregator or alternate operator service provider with the means to access, where technically possible, any other operator service provider operating in the relevant geographic area, through the access method chosen by the other operator service provider, or to access a local exchange operator or to access the emergency telephone number that serves the jurisdiction where the telephone is located. However, in order to prevent the fraudulent use of its service, an alternate operator service provider or an aggregator may block access to other operator service providers if either obtains a waiver for this purpose from the board or the Federal Communications Commission. Such waivers granted by the board may be for a limited period of time on a specific piece of equipment or location upon application to the board.

d. No alternate operator service provider shall transfer a call to another operator service provider unless that transfer is accomplished at, and billed from, the point or origination of the call. If such a transfer is not technically possible, the alternate operator service provider shall inform the caller that the call cannot be transferred as requested and that the caller should hang up and attempt to reach another operator service provider through the means provided by that other operator service provider.
In addition, the board shall adopt a schedule of fines for violation of these rules and regulations by an alternate operator service provider. The board shall not impose a fine exceeding $5,000 for each infraction.

AN ACT concerning urban womens' centers, amending and supplementing P.L.1985, c.189.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 5 of P.L.1985, c.189 (C.52:27D-292) is amended to read as follows:

C.52:27D-292 Services and programs offered.

5. Through the demonstration training and resource model center or other similar centers established by the division or the centers specified in section 2 of this 1989 amendatory and supplementary act, the division shall undertake to provide at least seven of the following services:

a. Job counseling services which are specifically designed to prepare women to enter or reenter the work force by assisting them in acquiring knowledge of their talents and skills in relation to existing traditional and nontraditional job opportunities and to those which are emerging as a result of new employment trends;

b. A job training and job placement service which assists participants in gaining admission to existing public and private job training programs and opportunities by cooperating, wherever possible, with appropriate State and local government agencies and private employers. This training and placement service shall foster the development of partnerships with industry, particularly those concerns which are associated with urban enterprise zones, and the enhancement of the neighborhood and communities which surround the training and resource center. To the extent possible, the training and placement service shall consult with the area private industry councils established pursuant to the provisions of the federal Job Training Partnership Act, Pub. L. 97-300 (29 U.S.C. § 1501 et seq.) in order to help identify local job opportunities or areas of expansion in private industry;

c. Self-help programs and mentoring projects, including workshops, group discussions, and dissemination of information about existing federal, State, and local employment, education, health, and other community services which provide assistance in overcoming barriers to employment. These programs shall include outreach and information about other programs which are determined to be of interest and benefit to working parents, women newly entering or
reentering the work force after a prolonged absence from it, those in need of financial management services (including information and assistance with respect to credit, insurance, taxes, loans, and related financial matters), and women who need information about a diversity of housing problems;

d. Counseling and referral through the use of workshops and group discussions, with the cooperation of State and local women's organizations to help promote identification with role models and the use of mentors in entering the world of work;

e. Information and referral services concerning federal and State employment, education, legal counseling, health, and public assistance programs;

f. Child care, which shall be funded independently of the appropriation provided in section 14 of this act, to enable women to participate in and benefit from the services provided by these training and resource centers;

g. Technical assistance to allow for the expansion of other multi-purpose programs aimed at enhancing the employability of urban women throughout the State, including on-site consultation, workshops within the division or at one or more community locations, and facilitation of access to relevant informational material, and professional and lay resources;

h. Pre-business and business development training to develop a business plan, and single session activities on specific topics, including but not limited to bookkeeping, pricing, and marketing, for women with an interest in self-employment or small business ownership as a non-traditional career option. Individual and group business counseling sessions shall be included in the training; and

i. Information and guidance on accessing post-secondary education and personal and academic counseling, to facilitate entry or re-entry into educational institutions as well as the completion of educational programs.

2. The sum appropriated pursuant to this 1989 amendatory and supplementary act shall be allocated to any center that was entitled to funds from the “Displaced Homemakers Act,” P.L.1979, c.125 (C.52:27D-43.18 et seq.) in the State fiscal year 1988 and that is located in a city of the first class with a population of more than 300,000 according to the 1980 federal decennial census.

3. This act shall take effect immediately.*
Approved January 16, 1990.

*Appropriation deleted by line-item veto of the Governor. See statement following.

Statement to Chapter 344
(Senate Bill No. 1263 (First Reprint))

Pursuant to Article V, Section I, paragraph 15 of the Constitution, I am appending to Senate Bill No. 1263 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill expands the list of services provided by urban women's centers under the Job Training Center for Urban Women Act by adding two categories to the list. These categories are pre-business and business development training and post-secondary education guidance. This bill also appropriates $250,000 from the General Fund to the Department of Community Affairs for distribution to the Wise Women's Center in Newark. This Center has already received $85,000 in State support in Fiscal Year 1990.

I endorse the provision of the bill which adds two categories to the list of services provided under the Job Training Center for Urban Women Act. However, in this period of fiscal restraint, I am reluctant to endorse an appropriation for the expansion of programs at a particular women's center. This grant would increase State monies for this Center by nearly 300 percent and would not be awarded on a competitive basis. Moreover, this type of appropriation is best evaluated in conjunction with all other State spending requests during the annual appropriations process so that the State's budgetary priorities can be carefully established. Therefore, I have decided to delete the appropriation from the bill.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 1, Title, Line 2: After "c.189" delete ", and making an appropriation"

Page 3, Section 3, Lines 32-34: Delete in entirety

Page 3, Section 4, Line 35: Delete "4." insert "3."

Respectfully,

Thomas H. Kean
Governor

CHAPTER 347

AN ACT concerning State parks and forests and amending P.L.1983, c.324.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L.1983, c.324 (C.13:1L-7) is amended to read as follows:

C.13:1L-7 Power to enter, inspect, survey, investigate ownership and take title to lands; eminent domain; acquisition of land with defective title; acquisition of land acquired by municipality under tax liens.

7. a. For the purposes of acquiring, holding, managing or developing lands or other properties for a State park or forest, the department shall have the power to enter, inspect, survey, investigate ownership and take title to, in fee or otherwise, by purchase, gift, devise or eminent domain, any appropriate lands of the State that would be useful as a State park or forest.

b. The power of eminent domain shall extend to all rights, interests and easements in any property in the State.
c. The department shall exercise its power of eminent domain in accordance with the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).

d. Whenever the department wishes to acquire, by eminent domain, title to unoccupied lands and it appears that such title may be defective in any manner, the department may, with the consent of the Attorney General, acquire the best available title, notwithstanding that such title is defective or incomplete.

e. For purposes of this amendatory and supplementary act, the department may acquire by gift, grant or by payment of tax lien any municipal lands that have been acquired by the municipality through the foreclosure of a tax lien pursuant to chapter 5 of Title 54 (Taxation).

f. If the department acquires or owns title to, for the purposes of this act, more than 10 acres of land in a municipality, the department shall annually pay that municipality one dollar ($1.00) per acre for each acre of land so acquired, except that this sum shall not be paid if any other payments in lieu of taxes are determined to be due and payable to that municipality pursuant to any other law.

g. No title or interest in any of the lands or properties acquired or held by the department for the purposes of this amendatory and supplementary act shall be subject to be taken by condemnation proceedings through the power of eminent domain.

2. This act shall take effect immediately and remain inoperative until January 1, 1990, or until the expiration of the "Pinelands Municipal Property Tax Stabilization Act of 1983," P.L.1983, c.551 (C.54:1-68 et seq.), if that act expires thereafter, and shall first apply to State payments made in the State fiscal year commencing thereafter.

Approved January 16, 1990.
CHAPTER 348

AN ACT concerning the Uniform Commercial Code, revising parts of the statutory law pertaining thereto and adding certain sections to Title 12A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S.12A:1-201 is amended to read as follows:

General definitions.

Subject to additional definitions contained in the subsequent chapters of this act which are applicable to specific chapters or subchapters thereof, and unless the context otherwise requires, in this act:

(1) "Action" in the sense of a judicial proceeding includes recoupment, counterclaim, set-off, suit in equity and any other proceedings in which rights are determined.

(2) "Aggrieved party" means a party entitled to resort to a remedy.

(3) "Agreement" means the bargain of the parties in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this act (12A:1-205 and 12A:2-208). Whether an agreement has legal consequences is determined by the provisions in this act, if applicable; otherwise by the law of contracts (12A:1-103). (Compare "Contract.")

(4) "Bank" means any person engaged in the business of banking.

(5) "Bearer" means the person in possession of an instrument, document of title, or certificated security payable to bearer or indorsed in blank.

(6) "Bill of lading" means a document evidencing the receipt of goods for shipment issued by a person engaged in the business of transporting or forwarding goods, and includes an airbill.

"Airbill" means a document serving for air transportation as a bill of lading does for marine or rail transportation, and includes an air consignment note or air waybill.
(7) “Branch” includes a separately incorporated foreign branch of a bank.

(8) “Burden of establishing” a fact means the burden of persuading the triers of fact that the existence of the fact is more probable than its nonexistence.

(9) “Buyer in ordinary course of business” means a person who in good faith and without knowledge that the sale to him is in violation of the ownership rights or security interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. All persons who sell minerals or the like (including oil and gas) at wellhead or minehead shall be deemed to be persons in the business of selling goods of that kind. “Buying” may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a pre-existing contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(10) “Conspicuous”: A term or cause is conspicuous when it is so written that a reasonable person against whom it is to operate ought to have noticed it. A printed heading in capitals (as: NONNEGOTIABLE BILL OF LADING) is conspicuous. Language in the body of a form is “conspicuous” if it is in larger or other contrasting type or color. But in a telegram any stated term is “conspicuous.” Whether a term or clause is “conspicuous” or not is for decision by the court.

(11) “Contract” means the total legal obligation which results from the parties’ agreement as affected by this act and any other applicable rules of law. (Compare “Agreement.”)

(12) “Creditor” includes a general creditor, a secured creditor, a lien creditor and any representative of creditors, including an assignee for the benefit of creditors, a trustee in bankruptcy, a receiver in equity and an executor or administrator of an insolvent debtor’s or assignor’s estate.

(13) “Defendant” includes a person in the position of defendant in a cross-action or counterclaim.

(14) “Delivery” with respect to instruments, documents of title, chattel paper, or certificated securities means voluntary transfer of possession.
(15) "Document of title" includes bill of lading, dock warrant, dock receipt, warehouse receipt, or order for the delivery of goods, and also any other document which in the regular course of business or financing is treated as adequately evidencing that the person in possession of it is entitled to receive, hold and dispose of the document and the goods it covers. To be a document of title a document must purport to be issued by or addressed to a bailee and purport to cover goods in the bailee’s possession which are either identified or are fungible portions of an identified mass.

(16) "Fault" means wrongful act, omission or breach.

(17) "Fungible" with respect to goods or securities means goods or securities of which any unit is, by nature or usage of trade, the equivalent of any other like unit. Goods which are not fungible shall be deemed fungible for the purposes of this act to the extent that under a particular agreement or document unlike units are treated as equivalents.

(18) "Genuine" means free of forgery or counterfeiting.

(19) "Good faith" means honesty in fact in the conduct or transaction concerned.

(20) "Holder" means a person who is in possession of a document of title or an instrument or a certificated investment security drawn, issued, or indorsed to him or to his order or to bearer or in blank.

(21) To "honor" is to pay or accept and pay, where a credit so engages to purchase or discount a draft complying with the terms of the credit.

(22) "Insolvency proceedings" includes any assignment for the benefit of creditors or other proceedings intended to liquidate or rehabilitate the estate of the person involved.

(23) A person is "insolvent" who either has ceased to pay his debts in the ordinary course of business or cannot pay his debts as they become due or is insolvent within the meaning of the federal bankruptcy law.

(24) "Money" means a medium of exchange authorized or adopted by a domestic or foreign government as a part of its currency.

(25) A person has "notice" of a fact when:

(a) He has actual knowledge of it; or

(b) He has received a notice or notification of it; or
(c) From all the facts and circumstances known to him at the
time in question he has reason to know that it exists.

A person "knows" or has "knowledge" of a fact when he has actual
knowledge of it. "Discover" or "learn" or a word or phrase of similar
import refers to knowledge rather than to reason to know. The time
and circumstances under which a notice or notification may cease
to be effective are not determined by this act.

(26) A person "notifies" or "gives" a notice or notification to
another by taking such steps as may be reasonably required to inform
the other in ordinary course whether or not such other actually comes
to know of it. A person "receives" a notice or notification when:

(a) It comes to his attention; or

(b) It is duly delivered at the place of business through which
the contract was made or at any other place held out by him as the
place for receipt of such communications.

(27) Notice, knowledge or a notice or notification received by an
organization is effective for a particular transaction from the time
when it is brought to the attention of the individual conducting that
transaction, and in any event from the time when it would have been
brought to his attention if the organization had exercised due
diligence. An organization exercises due diligence if it maintains
reasonable routines for communicating significant information to the
person conducting the transaction and there is reasonable compliance
with the routines. Due diligence does not require an individual acting
for the organization to communicate information unless such com­
munication is part of his regular duties or unless he has reason to
know of the transaction and that the transaction would be materially
affected by the information.

(28) "Organization" includes a corporation, government or gov­
ernmental subdivision or agency, business trust, estate, trust, part­
nership or association, two or more persons having a joint or common
interest, or any other legal or commercial entity.

(29) "Party," as distinct from "third party," means a person who
has engaged in a transaction or made an agreement within this act.

(30) "Person" includes an individual or an organization (See

(31) "Presumption" or "presumed" means that the trier of fact
must find the existence of the fact presumed unless and until
evidence is introduced which would support a finding of its nonexistence.

(32) "Purchase" includes taking by sale, discount, negotiation, mortgage, pledge, lien, issue or reissue, gift or any other voluntary transaction creating an interest in property.

(33) "Purchaser" means a person who takes by purchase.

(34) "Remedy" means any remedial right to which an aggrieved party is entitled with or without resort to a tribunal.

(35) "Representative" includes an agent, an officer of a corporation or association, and a trustee, executor or administrator of an estate, or any other person empowered to act for another.

(36) "Rights" includes remedies.

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (12A:2-401) is limited in effect to a reservation of a "security interest." The term also includes any interest of a buyer of accounts or chattel paper which is subject to chapter 9. The special property interest of a buyer of goods on identification of such goods to a contract for sale under 12A:2-401 is not a "security interest," but a buyer may also acquire a "security interest" by complying with chapter 9. Unless a lease or consignment is intended as security, reservation of title thereunder is not a "security interest," but a consignment is in any event subject to the provisions on consignment sales (12A:2-326). Whether a lease is intended as security is to be determined by the facts of each case; however, (a) the inclusion of an option to purchase does not of itself make the lease one intended for security, and (b) an agreement that upon compliance with the terms of the lease the lessee shall become or has the option to become the owner of the property for no additional consideration or for a nominal consideration does make the lease one intended for security.

(38) "Send" in connection with any writing or notice means to deposit in the mail or deliver for transmission by any other usual means of communication with postage or cost of transmission provided for and properly addressed and in the case of an instrument to an address specified thereon or otherwise agreed, or if there be none to any address reasonable under the circumstances. The receipt
of any writing or notice within the time at which it would have arrived if properly sent has the effect of a proper sending.

(39) "Signed" includes any symbol executed or adopted by a party with present intention to authenticate a writing.

(40) "Surety" includes guarantor.

(41) "Telegram" includes a message transmitted by radio, tele­type, cable, any mechanical method of transmission, or the like.

(42) "Term" means that portion of an agreement which relates to a particular matter.

(43) "Unauthorized" signature or indorsement means one made without actual, implied or apparent authority and includes a forgery.

(44) "Value." Except as otherwise provided with respect to negotiable instruments and bank collections (12A:3-303, 12A:4-208 and 12A:4-209) a person gives "value" for rights if he acquires them:

(a) In return for a binding commitment to extend credit or for the extension of immediately available credit whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection; or

(b) As security for or in total or partial satisfaction of a pre­existing claim; or

(c) By accepting delivery pursuant to a pre-existing contract for purchase; or

(d) Generally, in return for any consideration sufficient to sup­port a simple contract.

(45) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(46) "Written" or "writing" includes printing, typewriting, or any other intentional reduction to tangible form.

2. N.J.S.12A:5-114 is amended to read as follows:

Issuer's duty and privilege to honor; right to reimbursement.

12A:5-114. Issuer's Duty and Privilege to Honor; Right to Reim­bursement.

(1) An issuer shall honor a draft or demand for payment which complies with the terms of the relevant credit regardless of whether the goods or documents conform to the underlying contract for sale
or other contract between the customer and the beneficiary. The issuer is not excused from honor of such a draft or demand by reason of an additional general term that all documents shall be satisfactory to the issuer, but an issuer may require that specified documents shall be satisfactory to it.

(2) Unless otherwise agreed when documents appear on their face to comply with the terms of a credit but a required document does not in fact conform to the warranties made on negotiation or transfer of a document of title (12A:7-507) or of a certificated security (12A:8-306) or is forged or fraudulent or there is fraud in the transaction:

(a) The issuer shall honor the draft on demand for payment if honor is demanded by a negotiating bank or other holder of the draft or demand which has taken the draft or demand under the credit and under circumstances which would make it a holder in due course (12A:3-302) and in an appropriate case would make it a person to whom a document of title has been duly negotiated (12A:7-502) or a bona fide purchaser of a certificated security (12A:8-302); and

(b) In all other cases as against its customer, an issuer acting in good faith may honor the draft or demand for payment despite notification from the customer of fraud, forgery or other defect not apparent on the face of the documents but a court of appropriate jurisdiction may enjoin such honor.

(3) Unless otherwise agreed an issuer which has duly honored a draft or demand for payment is entitled to immediate reimbursement of any payment made under the credit and to be put in effectively available funds not later than the day before maturity of any acceptance made under the credit.

3. N.J.S.12A:8-102 is amended to read as follows:

Definitions and index of definitions.

(1) In this chapter, unless the context otherwise requires:

(a) A "certificated security" is a share, participation, or other interest in property of or an enterprise of the issuer or an obligation of the issuer which is

(i) represented by an instrument issued in bearer or registered form;
(ii) of a type commonly dealt in on securities exchanges or mar­
kets or commonly recognized in any area in which it is issued or dealt
in as a medium for investment; and

(iii) either one of a class or series or by its terms divisible into
a class or series of shares, participations, interests, or obligations.

(b) An “uncertificated security” is a share, participation, or other
interest in property or an enterprise of the issuer or an obligation
of the issuer which is

(i) not represented by an instrument and the transfer of which
is registered upon books maintained for that purpose by or on behalf
of the issuer;

(ii) of a type commonly dealt in on securities exchanges or mar­
kets; and

(iii) either one of a class or series or by its terms divisible into
a class or series of shares, participations, interests, or obligations.

(c) A “security” is either a certificated or an uncertificated secur­
ity. If a security is certificated, the terms “security” and “certificated
security” may mean either the intangible interest, the instrument
representing that interest, or both, as the context requires. A writing
that is a certificated security is governed by this chapter and not by
chapter 3, even though it also meets the requirements of that chapter.
This chapter does not apply to money. If a certificated security has
been retained by or surrendered to the issuer or its transfer agent
for reasons other than registration of transfer, other temporary
purpose, payment, exchange, or acquisition by the issuer, that secur­
ity shall be treated as an uncertificated security for purposes of this
chapter.

(d) A certificated security is in “registered form” if

(i) it specifies a person entitled to the security or the rights it
represents, and

(ii) its transfer may be registered upon books maintained for that
purpose by or on behalf of the issuer, or the security so states.

(e) A certificated security is in “bearer form” if it runs to bearer
according to its terms and not by reason of any indorsement.

(2) A “subsequent purchaser” is a person who takes other than
by original issue.
(3) A "clearing corporation" is a corporation registered as a "clearing agency" under the federal securities laws or a corporation:

(a) At least 90% of whose capital stock is held by or for one or more organizations, none of which, other than a national securities exchange or association, holds in excess of 20% of the capital stock of the corporation, and each of which is

(i) subject to supervision or regulation pursuant to the provisions of federal or State banking laws or State insurance laws,

(ii) a broker or dealer or investment company registered under the federal securities laws, or

(iii) a national securities exchange or association registered under the federal securities laws;

(b) Any remaining capital stock of which is held by individuals who have purchased it at or prior to the time of their taking office as directors of the corporation and who have purchased only so much of the capital stock as is necessary to permit them to qualify as directors.

(4) A "custodian bank" is a bank or trust company that is supervised and examined by State or federal authority having supervision over banks and is acting as custodian for a clearing corporation.

(5) Other definitions applying to this chapter or to specified subchapters thereof and the sections in which they appear are:

(6) In addition chapter 1 contains general definitions and principles of construction and interpretation applicable throughout this chapter.
4. N.J.S.12A:8-103 is amended to read as follows:

Issuer's lien.

12A:8-103. Issuer's Lien.

A lien upon a security in favor of an issuer thereof is valid against a purchaser only if:

(a) The security is certificated and the right of the issuer to the lien is noted conspicuously thereon; or

(b) The security is uncertificated and a notation of the right of the issuer to the lien is contained in the initial transaction statements sent to the purchaser or, if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee.

5. N.J.S.12A:8-104 is amended to read as follows:

Effect of overissue; “overissue.”

12A:8-104. Effect of Overissue; “Overissue.”

(1) The provisions of this chapter which validate a security or compel its issue or reissue do not apply to the extent that validation, issue, or reissue would result in overissue; but if:

(a) An identical security which does not constitute an overissue is reasonably available for purchase, the person entitled to issue or validation may compel the issuer to purchase the security for him and either to deliver a certificated security or to register the transfer of an uncertificated security to him, against surrender of any certificated security which he holds; or

(b) A security is not so available for purchase, the person entitled to issue or validation may recover from the issuer the price he or the last purchaser for value paid for it with interest from the date of his demand.

(2) “Overissue” means the issue of securities in excess of the amount the issuer has corporate power to issue.

6. N.J.S.12A:8-105 is amended to read as follows:

Certificated securities negotiable; statements and instructions not negotiable; presumptions.

12A:8-105. Certificated Securities Negotiable; Statements and Instructions Not Negotiable; Presumptions.

(1) Certificated securities governed by this chapter are negotiable instruments.
(2) Statements (12A:8-408), notices, or the like, sent by the issuer of uncertificated securities and instructions (12A:8-308) are neither negotiable instruments nor certificated securities.

(3) In any action on a security:

(a) Unless specifically denied in the pleadings, each signature on a certificated security, in a necessary indorsement, on an initial transaction statement, or an instruction, is admitted;

(b) If the effectiveness of a signature is put in issue, the burden of establishing it is on the party claiming under the signature, but the signature is presumed to be genuine or authorized;

(c) If signatures on a certificated security are admitted or established, production of the security entitles a holder to recover on it unless the defendant establishes a defense or a defect going to the validity of the security;

(d) If signatures on an initial transaction statement are admitted or established, the facts stated in the statement are presumed to be true as of the time of its issuance; and

(e) After it is shown that a defense or defect exists, the plaintiff has the burden of establishing that he or some person under whom he claims is a person against whom the defense or defect is ineffective (12A:8-202).

7. N.J.S.12A:8-106 is amended to read as follows:

Applicability.

12A:8-106. Applicability.

The law (including the conflict of laws rules) of the jurisdiction of organization of the issuer governs the validity of a security, the effectiveness of registration by the issuer, and the rights and duties of the issuer with respect to:

(a) Registration of transfer of a certificated security;

(b) Registration of transfer, pledge, or release of an uncertificated security; and

(c) Sending of statements of uncertificated securities.

8. Section 13 of P.L.1964, c.166 (C.12A:8-107) is amended to read as follows:

C.12A:8-107 Securities transferable; action for price.

13. Securities Transferable; Action for Price.
(1) Unless otherwise agreed and subject to any applicable law or regulation respecting short sales, a person obligated to transfer securities may transfer any certificated security of the specified issue in bearer form or registered in the name of the transferee, or indorsed to him or in blank, or he may transfer an equivalent uncertificated security to the transferee or a person designated by the transferee.

(2) If the buyer fails to pay the price as it comes due under a contract of sale, the seller may recover the price of:

(a) Certificated securities accepted by the buyer;

(b) Uncertificated securities that have been transferred to the buyer or a person designated by the buyer; and

(c) Other securities if efforts at their resale would be unduly burdensome or if there is no readily available market for their resale.

9. Section 12A:8-108 is added to the New Jersey Statutes:

Registration of pledge and release of uncertificated securities.

A security interest in an uncertificated security may be evidenced by the registration of pledge to the secured party or a person designated by him. There can be no more than one registered pledge of an uncertificated security at any time. The registered owner of an uncertificated security is the person in whose name the security is registered, even if the security is subject to a registered pledge. The rights of a registered pledgee of an uncertificated security under this chapter are terminated by the registration of release.

10. N.J.S.12A:8-201 is amended to read as follows:

"Issuer."

12A:8-201. "Issuer."

(1) With respect to obligations on or defenses to a security, "issuer" includes a person who:

(a) Places or authorizes the placing of his name on a certificated security (otherwise than as authenticating trustee, registrar, transfer agent, or the like) to evidence that it represents a share, participation, or other interest in his property or in an enterprise, or to evidence his duty to perform an obligation represented by the certificated security;

(b) Creates shares, participations, or other interests in his prop-
erty or in an enterprise or undertakes obligations, which shares, participations, interests, or obligations are uncertificated securities;

(c) Directly or indirectly creates fractional interests in his rights or property, which fractional interests are represented by certificated securities; or

(d) Becomes responsible for or in place of any other person described as an issuer in this section.

(2) With respect to obligations on or defenses to a security, a guarantor is an issuer to the extent of his guaranty, whether or not his obligation is noted on a certificated security or on statements of uncertificated securities sent pursuant to 12A:8-408.

(3) With respect to registration of transfer, pledge, or release (subchapter 4 of this chapter), "issuer" means a person on whose behalf transfer books are maintained.

11. N.J.S.12A:8-202 is amended to read as follows:

Issuer’s responsibility and defenses; notice of defect or defense.

(1) Even against a purchaser for value and without notice, the terms of a security include:

(a) If the security is certificated, those stated on the security;

(b) If the security is uncertificated, those contained in the initial transaction statement sent to the purchaser, or if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or registered pledgee; and

(c) Those made part of the security by reference, on the certificated security or in the initial transaction statement, to another instrument, indenture, or document or to a constitution, statute, ordinance, rule, regulation, order or the like, to the extent that the terms referred to do not conflict with the terms stated on the certificated security or contained in the statement. A reference under this paragraph does not of itself charge a purchaser for value with notice of a defect going to the validity of the security, even though the certificated security or statement expressly states that a person accepting it admits notice.

(2) A certificated security in the hands of a purchaser for value
or an uncertificated security as to which an initial transaction statement has been sent to a purchaser for value, other than a security issued by a government or governmental agency or unit, even though issued with a defect going to its validity, is valid with respect to the purchaser if he is without notice of the particular defect unless the defect involves a violation of constitutional provisions, in which case the security is valid with respect to a subsequent purchaser for value and without notice of the defect. This subsection applies to an issuer that is a government or governmental agency or unit only if either there has been substantial compliance with the legal requirements governing the issue or the issuer has received a substantial consideration for the issue as a whole or for the particular security and a stated purpose of the issue is one for which the issuer has power to borrow money or issue the security.

(3) Except as provided in the case of certain unauthorized signatures (12A:8-205), lack of genuineness of a certificated security or an initial transaction statement is a complete defense, even against a purchaser for value and without notice.

(4) All other defenses of the issuer of a certificated or uncertificated security, including nondelivery and conditional delivery of a certificated security, are ineffective against a purchaser for value who has taken without notice of the particular defense.

(5) Nothing in this section shall be construed to affect the right of a party to a “when, as and if issued” or a “when distributed” contract to cancel the contract in the event of a material change in the character of the security that is the subject of the contract or in the plan or arrangement pursuant to which the security is to be issued or distributed.

12. N.J.S.12A:8-203 is amended to read as follows:

Staleness as notice of defects or defenses.

12A:8-203. Staleness as Notice of Defects or Defenses.

(1) After an act or event creating a right to immediate performance of the principal obligation represented by a certificated security or that sets a date on or after which the security is to be presented or surrendered for redemption or exchange, a purchaser is charged with notice of any defect in its issue or defense of the issuer if:

(a) The act or event is one requiring the payment of money, the delivery of certificated securities, the registration of transfer of un-
certificated securities, or any of these on presentation or surrender of the certificated security, the funds or securities are available on the date set for payment or exchange, and he takes the security more than one year after that date; and

(b) The act or event is not covered by paragraph (a) and he takes the security more than two years after the date set for surrender or presentation or the date on which performance became due.

(2) A call that has been revoked is not within subsection (1).

13. N.J.S.12A:8-204 is amended to read as follows:

Effect of issuer's restrictions on transfer.

12A:8-204. Effect of Issuer's Restrictions on Transfer.

A restriction on transfer of a security imposed by the issuer, even though otherwise lawful, is ineffective against any person without actual knowledge of it unless:

(a) The security is certificated and the restriction is noted conspicuously thereon; or

(b) The security is uncertificated and a notation of the restriction is contained in the initial transaction statement sent to the person or, if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee.

14. N.J.S.12A:8-205 is amended to read as follows:

Effect of unauthorized signature on certificated security or initial transaction statement.

12A:8-205. Effect of Unauthorized Signature on Certificated Security or Initial Transaction Statement.

An unauthorized signature placed on a certificated security prior to or in the course of issue or placed on an initial transaction statement is ineffective, but the signature is effective in favor of a purchaser for value of the certificated security or a purchaser for value of an uncertificated security to whom the initial transaction statement has been sent, if the purchaser is without notice of the lack of authority and the signing has been done by:

(a) An authenticating trustee, registrar, transfer agent, or other person entrusted by the issuer with the signing of the security, of similar securities, or of initial transaction statements or the immediate preparation for signing of any of them; or
(b) An employee of the issuer, or of any of the foregoing, entrusted with responsible handling of the security or initial transaction statement.

15. N.J.S.12A:8-206 is amended to read as follows:
Completion or alteration of certificated security or initial transaction statement.
12A:8-206. Completion or Alteration of Certificated Security or Initial Transaction Statement.

(1) If a certificated security contains the signatures necessary to its issue or transfer but is incomplete in any other respect:
(a) Any person may complete it by filling in the blanks as authorized; and
(b) Even though the blanks are incorrectly filled in, the security as completed is enforceable by a purchaser who took it for value and without notice of the incorrectness.

(2) A complete certificated security that has been improperly altered, even though fraudulently, remains enforceable, but only according to its original terms.

(3) If an initial transaction statement contains the signatures necessary to its validity, but is incomplete in any other respect:
(a) Any person may complete it by filling in the blanks as authorized; and
(b) Even though the blanks are incorrectly filled in, the statement as completed is effective in favor of the person to whom it is sent if he purchased the security referred to therein for value and without notice of the incorrectness.

(4) A complete initial transaction statement that has been improperly altered, even though fraudulently, is effective in favor of a purchaser to whom it has been sent, but only according to its original terms.

16. N.J.S.12A:8-207 is amended to read as follows:
Rights and duties of issuer with respect to registered owners and registered pledgees.
12A:8-207. Rights and Duties of Issuer With Respect to Registered Owners and Registered Pledgees.

(1) Prior to due presentment for registration of transfer of a certificated security in registered form, the issuer or indenture trustee may treat the registered owner as the person exclusively entitled to
vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner.

(2) Subject to the provisions of subsections (3), (4), and (6), the issuer or indenture trustee may treat the registered owner of an uncertificated security as the person exclusively entitled to vote, to receive notifications, and otherwise to exercise all the rights and powers of an owner.

(3) The registered owner of an uncertificated security that is subject to a registered pledge is not entitled to registration of transfer prior to the due presentment to the issuer of a release instruction. The exercise of conversion rights with respect to a convertible uncertificated security is a transfer within the meaning of this section.

(4) Upon due presentment of a transfer instruction from the registered pledgee of an uncertificated security, the issuer shall:

(a) Register the transfer of the security to the new owner free of pledge, if the instruction specifies a new owner (who may be the registered pledgee) and does not specify a pledgee;

(b) Register the transfer of the security to the new owner subject to the interest of the existing pledgee, if the instruction specifies a new owner and the existing pledgee; or

(c) Register the release of the security from the existing pledge and register the pledge of the security to the other pledgee, if the instruction specifies the existing owner and another pledgee.

(5) Continuity of perfection of a security interest is not broken by registration of transfer under subsection (4) (b) or by registration of release and pledge under subsection (4) (c), if the security interest is assigned.

(6) If an uncertificated security is subject to a registered pledge:

(a) Any uncertificated securities issued in exchange for or distributed with respect to the pledged security shall be registered subject to the pledge;

(b) Any certificated securities issued in exchange for or distributed with respect to the pledged security shall be delivered to the registered pledgee; and

(c) Any money paid in exchange for or in redemption of part or all of the security shall be paid to the registered pledgee.
(7) Nothing in this chapter shall be construed to affect the liability of the registered owner of a security for calls, assessments, or the like.

17. N.J.S.12A:8-208 is amended to read as follows:

**Effect of signature of authenticating trustee, registrar or transfer agent.**

12A:8-208. Effect of Signature of Authenticating Trustee, Registrar or Transfer Agent.

(1) A person placing his signature upon a certificated security or an initial transaction statement as authenticating trustee, registrar, transfer agent, or the like, warrants to a purchaser for value of the certificated security or a purchaser for value of an uncertificated security to whom the initial transaction statement has been sent, if the purchaser is without notice of the particular defect, that:

(a) The certificated security or initial transaction statement is genuine;

(b) His own participation in the issue or registration of the transfer, pledge, or release of the security is within his capacity and within the scope of the authority received by him from the issuer; and

(c) He has reasonable grounds to believe that the security is in the form and within the amount the issuer is authorized to issue.

(2) Unless otherwise agreed, a person by so placing his signature does not assume responsibility for the validity of the security in other respects.

**Title amended.**

18. The title of subchapter 3 of chapter 8 of Title 12A of the New Jersey Statutes is amended to read as follows:

TRANSFER

19. N.J.S.12A:8-301 is amended to read as follows:

**Rights acquired by purchaser.**

12A:8-301. Rights Acquired by Purchaser.

(1) Upon transfer of a security to a purchaser (12A:8-313), the purchaser acquires the rights in the security which his transferor had or had actual authority to convey unless the purchaser's rights are limited by 12A:8-302(4).

(2) A transferee of a limited interest acquires rights only to the extent of the interest transferred. The creation or release of a security
interest in a security is the transfer of a limited interest in that security.

20. N.J.S.12A:8-302 is amended to read as follows:

"Bona fide purchaser"; "adverse claim"; title acquired by bona fide purchaser.

12A:8-302. "Bona Fide Purchaser"; "Adverse Claim"; Title Acquired by Bona Fide Purchaser.

(1) A "bona fide purchaser" is a purchaser for value in good faith and without notice of any adverse claim:

(a) Who takes delivery of a certificated security in bearer form or in registered form, issued or indorsed to him or in blank;

(b) To whom the transfer, pledge, or release of an uncertificated security is registered on the books of the issuer; or

(c) To whom a security is transferred under the provisions of paragraph (c), (d), (i), or (g) of 12A:8-313 (1).

(2) "Adverse claim" includes a claim that a transfer was or would be wrongful or that a particular adverse person is the owner of or has an interest in the security.

(3) A bona fide purchaser in addition to acquiring the rights of a purchaser (12A:8-301) also acquires his interest in the security free of any adverse claim.

(4) Notwithstanding 12A:8-301(1), the transferee of a particular certificated security who has been a party to any fraud or illegality affecting the security, or who as a prior holder of that certificated security had notice of an adverse claim, cannot improve his position by taking from a bona fide purchaser.

21. N.J.S.12A:8-303 is amended to read as follows:

"Broker."

12A:8-303. "Broker."

"Broker" means a person engaged for all or part of his time in the business of buying and selling securities, who in the transaction concerned acts for, buys a security from, or sells a security to, a customer. Nothing in this chapter determines the capacity in which a person acts for purposes of any other statute or rule to which the person is subject.

22. N.J.S.12A:8-304 is amended to read as follows:
Notice to purchaser of adverse claims.

(1) A purchaser (including a broker for the seller or buyer, but excluding an intermediary bank) of a certificated security is charged with notice of adverse claims if:

(a) The security, whether in bearer or registered form, has been indorsed "for collection" or "for surrender" or for some other purpose not involving transfer; or

(b) The security is in bearer form and has on it an unambiguous statement that it is the property of a person other than the transferor. The mere writing of a name on a security is not such a statement.

(2) A purchaser (including a broker for the seller or buyer, but excluding an intermediary bank) to whom the transfer, pledge or release of an uncertificated security is registered is charged with notice of adverse claims as to which the issuer has a duty under 12A:8-403 (4) at the time of registration and which are noted in the initial transaction statement sent to the purchaser or, if his interest is transferred to him other than by registration of transfer, pledge, or release, the initial transaction statement sent to the registered owner or the registered pledgee.

(3) The fact that the purchaser (including a broker for the seller or buyer) of a certificated or uncertificated security has notice that the security is held for a third person or is registered in the name of or indorsed by a fiduciary does not create a duty of inquiry into the rightfulness of the transfer or constitute constructive notice of adverse claims. However, if the purchaser (excluding an intermediary bank) has knowledge that the proceeds are being used or the transaction is for the individual benefit of the fiduciary or otherwise in breach of duty, the purchaser is charged with notice of adverse claims.

23. N.J.S.12A:8-305 is amended to read as follows:

Staleness as notice of adverse claims.

12A:8-305. Staleness as Notice of Adverse Claims.

An act or event that creates a right to immediate performance of the principal obligation represented by a certificated security or sets a date on or after which a certificated security is to be presented or surrendered for redemption or exchange does not itself constitute any notice of adverse claims except in the case of a transfer:
(a) After one year from any date set for presentment or surrender for redemption or exchange; or

(b) After six months from any date set for payment of money against presentation or surrender of the security if funds are available for payment on that date.

24. N.J.S.12A:8-306 is amended to read as follows:

Warranties on presentment and transfer of certificated securities; warranties of originators of instructions.

(1) A person who presents a certificated security for registration of transfer or for payment or exchange warrants to the issuer that he is entitled to the registration, payment, or exchange. But, a purchaser for value and without notice of adverse claims who receives a new, reissued, or reregistered certificated security on registration of transfer or receives an initial transaction statement confirming the registration of transfer of an equivalent uncertificated security to him warrants only that he has no knowledge of any unauthorized signature (12A:8-311) in a necessary indorsement.

(2) A person by transferring a certificated security to a purchaser for value warrants only that:

(a) His transfer is effective and rightful;

(b) The security is genuine and has not been materially altered; and

(c) He knows of no fact which might impair the validity of the security.

(3) If a certificated security is delivered by an intermediary known to be entrusted with delivery of the security on behalf of another or with collection of a draft or other claim against delivery, the intermediary by delivery warrants only his own good faith and authority, even though he has purchased or made advances against the claim to be collected against the delivery.

(4) A pledgee or other holder for security who redelivers a certificated security received, or after payment and on order of the debtor delivers that security to a third person, makes only the warranties of an intermediary under subsection (3).

(5) A person who originates an instruction warrants to the issuer that:
(a) He is an appropriate person to originate the instruction; and
(b) At the time the instruction is presented to the issuer he will be entitled to the registration of transfer, pledge, or release.

(6) A person who originates an instruction warrants to any person specially guaranteeing his signature (12A:8-312(3)) that:

(a) He is an appropriate person to originate the instruction; and
(b) At the time the instruction is presented to the issuer

(i) he will be entitled to the registration of transfer, pledge, or release; and

(ii) the transfer, pledge, or release requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

(7) A person who originates an instruction warrants to a purchaser for value and to any person guaranteeing the instruction (12A:8-312 (6)) that:

(a) He is an appropriate person to originate the instruction;

(b) The uncertificated security referred to therein is valid; and

(c) At the time the instruction is presented to the issuer

(i) the transferor will be entitled to the registration of transfer, pledge, or release;

(ii) the transfer, pledge or release requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction; and

(iii) the requested transfer, pledge, or release will be rightful.

(8) If a secured party is the registered pledgee or the registered owner of an uncertificated security, a person who originates an instruction of release or transfer to the debtor or, after payment and on order of the debtor, a transfer instruction to a third person, warrants to the debtor or the third person only that he is an appropriate person to originate the instruction and at the time the instruction is presented to the issuer, the transferor will be entitled to the registration of release or transfer. If a transfer instruction to a third person who is a purchaser for value is originated on order of the debtor, the debtor makes to the purchaser the warranties of paragraphs (b), (c) (ii) and (c) (iii) of subsection (7).
(9) A person who transfers an uncertificated security to a purchaser for value and does not originate an instruction in connection with the transfer warrants only that:

(a) His transfer is effective and rightful; and

(b) The uncertificated security is valid.

(10) A broker gives to his customer and to the issuer and a purchaser the applicable warranties provided in this section and has the rights and privileges of a purchaser under this section. The warranties of and in favor of the broker acting as an agent are in addition to applicable warranties given by and in favor of his customer.

25. N.J.S.12A:8-307 is amended to read as follows:

Effect of delivery without indorsement; right to compel indorsement.

If a certificated security in registered form has been delivered to a purchaser without a necessary indorsement he may become a bona fide purchaser only as of the time the indorsement is supplied; but against the transferor, the transfer is complete upon delivery and the purchaser has a specifically enforceable right to have any necessary indorsement supplied.

26. N.J.S.12A:8-308 is amended to read as follows:

Indorsements; instructions.

12A:8-308. Indorsements; Instructions.

(1) An endorsement of a certificated security in registered form is made when an appropriate person signs on it or on a separate document an assignment or transfer of the security or a power to assign or transfer it or his signature is written without more upon the back of the security.

(2) An indorsement may be in blank or special. An indorsement in blank includes an indorsement to bearer. A special indorsement specifies to whom the security is to be transferred, or who has power to transfer it. A holder may convert a blank indorsement into a special indorsement.

(3) An indorsement purporting to be only a part of a certificated security representing units intended by the issuer to be separately transferable is effective to the extent of the indorsement.
An "instruction" is an order to the issuer of an uncertificated security requesting that the transfer, pledge, or release from pledge of the uncertificated security specified therein be registered.

An instruction originated by an appropriate person is:

(a) A writing signed by an appropriate person; or

(b) A communication to the issuer in any form agreed upon in a writing signed by the issuer and an appropriate person.

If an instruction has been originated by an appropriate person but is incomplete in any other respect, any person may complete it as authorized and the issuer may rely on it as completed even though it has been completed incorrectly.

"An appropriate person" in subsection (1) means the person specified by the certificated security or by special indorsement to be entitled to the security.

"An appropriate person" in subsection (5) means:

(a) For an instruction to transfer or pledge an uncertificated security which is then not subject to a registered pledge, the registered owner; or

(b) For an instruction to transfer or release an uncertificated security which is then subject to a registered pledge, the registered pledgee.

In addition to the persons designated in subsections (6) and (7), "an appropriate person" in subsections (1) and (5) includes:

(a) If the person designated is described as a fiduciary but is no longer serving in the described capacity, either that person or his successor;

(b) If the persons designated are described as more than one person as fiduciaries and one or more are no longer serving in the described capacity, the remaining fiduciary or fiduciaries, whether or not a successor has been appointed or qualified;

(c) If the person designated is an individual and is without capacity to act by virtue of death, incompetence, infancy, or otherwise, his executor, administrator, guardian, or like fiduciary;

(d) If the persons designated are described as more than one person as tenants by the entirety or with right of survivorship and by reason of death all cannot sign, the survivor or survivors;
(e) A person having power to sign under applicable law or controlling instrument; and

(f) To the extent that the person designated or any of the foregoing persons may act through an agent, his authorized agent.

(9) Unless otherwise agreed, the indorser of a certificated security by his indorsement or the originator of an instruction by his origination assumes no obligation that the security will be honored by the issuer but only the obligations provided in 12A:8-306.

(10) Whether the person signing is appropriate is determined as of the date of signing and an indorsement made by or an instruction originated by him does not become unauthorized for the purposes of this chapter by virtue of any subsequent change of circumstances.

(11) Failure of a fiduciary to comply with a controlling instrument or with the law of the State having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer, pledge, or release, does not render his indorsement or an instruction originated by him unauthorized for the purposes of this chapter.

27. N.J.S.12A:8-309 is amended to read as follows:

Effect of indorsement without delivery.

12A:8-309. Effect of Indorsement Without Delivery.

An indorsement of a certificated security, whether special or in blank, does not constitute a transfer until delivery of the certificated security on which it appears or, if the indorsement is on a separate document, until delivery of both the document and the certificated security.

28. N.J.S.12A:8-310 is amended to read as follows:

Indorsement of certificated security in bearer form.

12A:8-310. Indorsement of Certificated Security in Bearer Form. An indorsement of a certificated security in bearer form may give notice of adverse claims (12A:8-304) but does not otherwise affect any right to registration the holder possesses.

29. N.J.S.12A:8-311 is amended to read as follows:

Effect of unauthorized indorsement or instruction.

12A:8-311. Effect of Unauthorized Indorsement or Instruction. Unless the owner or pledgee has ratified an unauthorized indorsement or instruction or is otherwise precluded from asserting its ineffectiveness:
(a) He may assert its ineffectiveness against the issuer or any purchaser, other than a purchaser for value and without notice of adverse claims, who has in good faith received a new, reissued, or reregistered certificated security on registration of transfer or received an initial transaction statement confirming the registration of transfer, pledge, or release of an equivalent uncertificated security to him; and

(b) An issuer who registers the transfer of a certificated security upon the unauthorized indorsement or who registers the transfer, pledge, or release of an uncertificated security upon the unauthorized instruction is subject to liability for improper registration (12A:8-404).

30. N.J.S.12A:8-312 is amended to read as follows:

Effect of guaranteeing signature, indorsement or instruction.

12A:8-312. Effect of Guaranteeing Signature, Indorsement or Instruction.

(1) Any person guaranteeing a signature of an indorser of a certificated security warrants that at the time of signing:

(a) The signature was genuine;

(b) The signer was an appropriate person to indorse (12A:8-308); and

(c) The signer had legal capacity to sign.

(2) Any person guaranteeing a signature of the originator of an instruction warrants that at the time of signing:

(a) The signature was genuine;

(b) The signer was an appropriate person to originate the instruction (12A:8-308) if the person specified in the instruction as the registered owner or registered pledgee of the uncertificated security was, in fact, the registered owner or registered pledgee of the security, as to which fact the signature guarantor makes no warranty;

(c) The signer had legal capacity to sign; and

(d) The taxpayer identification number, if any, appearing on the instruction as that of the registered owner or registered pledgee was the taxpayer identification number of the signer or of the owner or pledgee for whom the signer was acting.

(3) Any person specially guaranteeing the signature of the originator of an instruction makes not only the warranties of a signature
guarantor (subsection (2)) but also warrants that at the time the instruction is presented to the issuer:

(a) The person specified in the instruction as the registered owner or registered pledgee of the uncertificated security will be the registered owner or registered pledgee; and

(b) The transfer, pledge, or release of the uncertificated security requested in the instruction will be registered by the issuer free from all liens, security interests, restrictions, and claims other than those specified in the instruction.

(4) The guarantor under subsections (1) and (2) or the special guarantor under subsection (3) does not otherwise warrant the rightfulness of the particular transfer, pledge, or release.

(5) Any person guaranteeing an indorsement of a certificated security makes not only the warranties of a signature guarantor under subsection (1) but also warrants the rightfulness of the particular transfer in all respects.

(6) Any person guaranteeing an instruction requesting the transfer, pledge, or release of an uncertificated security makes not only the warranties of a special signature guarantor under subsection (3) but also warrants the rightfulness of the particular transfer, pledge, or release in all respects.

(7) No issuer may require a special guarantee of signature (subsection (3)), a guarantee of indorsement (subsection (5)), or a guarantee of instruction (subsection (6)) as a condition to registration of transfer, pledge, or release.

(8) The foregoing warranties are made to any person taking or dealing with the security in reliance on the guarantee, and the guarantor is liable to the person for any loss resulting from breach of the warranties.

31. N.J.S.12A:8-313 is amended to read as follows:

When transfer to purchaser occurs; financial intermediary as bona fide purchaser; "financial intermediary.”

12A:8-313. When Transfer to Purchaser Occurs; Financial Intermediary as Bona Fide Purchaser; “Financial Intermediary.”

(1) Transfer of a security or a limited interest (including a security interest) therein to a purchaser occurs only:

(a) At the time he or a person designated by him acquires possession of a certificated security;
(b) At the time the transfer, pledge, or release of an uncertificated security is registered to him or a person designated by him;

(c) At the time his financial intermediary acquires possession of a certificated security specially indorsed to or issued in the name of the purchaser;

(d) At the time a financial intermediary, not a clearing corporation, sends him confirmation of the purchase and also by book entry or otherwise identifies as belonging to the purchaser

(i) a specific certificated security in the financial intermediary's possession;

(ii) a quantity of securities that constitute or are part of a fungible bulk of certificated securities in the financial intermediary's possession or of uncertificated securities registered in the name of the financial intermediary; or

(iii) a quantity of securities that constitute or are part of a fungible bulk of securities shown on the account of the financial intermediary on the books of another financial intermediary;

(e) With respect to an identified certificated security to be delivered while still in the possession of a third person, not a financial intermediary, at the time that person acknowledges that he holds for the purchaser;

(f) With respect to a specific uncertificated security the pledge or transfer of which has been registered to a third person, not a financial intermediary, at the time that person acknowledges that he holds for the purchaser;

(g) At the time appropriate entries to the account of the purchaser or a person designated by him on the books of a clearing corporation are made under 12A:8-320;

(h) With respect to the transfer of a security interest where the debtor has signed a security agreement containing a description of the security, at the time a written notification, which, in the case of the creation of the security interest, is signed by the debtor (which may be a copy of the security agreement) or which, in the case of the release or assignment of the security interest created pursuant to this paragraph, is signed by the secured party, is received by

(i) a financial intermediary on whose books the interest of the transferor in the security appears:
(ii) a third person, not a financial intermediary, in possession of the security, if it is certificated;

(iii) a third person, not a financial intermediary, who is the registered owner of the security, if it is uncertificated and not subject to a registered pledge; or

(iv) a third person, not a financial intermediary, who is the registered pledgee of the security, if it is uncertificated and subject to a registered pledge;

(i) With respect to the transfer of a security interest where the transferor has signed a security agreement containing a description of the security, at the time new value is given by the secured party; or

(j) With respect to the transfer of a security interest where the secured party is a financial intermediary and the security has already been transferred to the financial intermediary under paragraph (a), (b), (c), (d), or (g), at the time the transferor has signed a security agreement containing a description of the security and value is given by the secured party.

(2) The purchaser is the owner of a security held for him by a financial intermediary, but cannot be a bona fide purchaser of a security so held except in the circumstances specified in paragraphs (c), (d) (i), and (g) of subsection (1). If a security so held is part of a fungible bulk, as in the circumstances specified in paragraphs (d) (ii) and (d) (iii) of subsection (1), the purchaser is the owner of a proportionate property interest in the fungible bulk.

(3) Notice of an adverse claim received by the financial intermediary or by the purchaser after the financial intermediary takes delivery of a certificated security as a holder for value or after the transfer, pledge, or release of an uncertificated security has been registered free of the claim to a financial intermediary who has given value is not effective either as to the financial intermediary or as to the purchaser. However, as between the financial intermediary and the purchaser the purchaser may demand transfer of an equivalent security as to which no notice of adverse claim has been received.

(4) A “financial intermediary” is a bank, broker, clearing corporation or other person (or the nominee of any of them) which in the ordinary course of its business maintains security accounts for its customers and is acting in that capacity. A financial intermediary may have a security interest in securities held in account for its customer.
32. N.J.S.12A:8-314 is amended to read as follows:

Duty to transfer, when completed.

(1) Unless otherwise agreed, if a sale of a security is made on an exchange or otherwise through brokers:

(a) The selling customer fulfills his duty to transfer at the time he:

(i) places a certificated security in the possession of the selling broker or of a person designated by the broker;

(ii) causes an uncertificated security to be registered in the name of the selling broker or a person designated by the broker;

(iii) if requested, causes an acknowledgment to be made to the selling broker that a certificated or uncertificated security is held for the broker; or

(iv) places in the possession of the selling broker or of a person designated by the broker a transfer instruction for an uncertificated security, providing the issuer does not refuse to register the requested transfer if the instruction is presented to the issuer for registration within 30 days thereafter; and

(b) The selling broker, including a correspondent broker acting for a selling customer, fulfills his duty to transfer at the time he:

(i) places a certificated security in the possession of the buying broker or a person designated by the buying broker;

(ii) causes an uncertificated security to be registered in the name of the buying broker or a person designated by the buying broker;

(iii) places in the possession of the buying broker or of a person designated by the buying broker a transfer instruction for an uncertificated security, providing the issuer does not refuse to register the requested transfer if the instruction is presented to the issuer for registration within 30 days thereafter; or

(iv) effects clearance of the sale in accordance with the rules of the exchange on which the transaction took place.

(2) Except as provided in this section and unless otherwise agreed, a transferor's duty to transfer a security under a contract of purchase is not fulfilled until he:
(a) Places a certificated security in form to be negotiated by the purchaser in the possession of the purchaser or of a person designated by the purchaser;

(b) Causes an uncertificated security to be registered in the name of the purchaser or a person designated by the purchaser; or

(c) If the purchaser requests, causes an acknowledgment to be made to the purchaser that a certificated or uncertificated security is held for the purchaser.

(3) Unless made on an exchange, a sale to a broker purchasing for his own account is within subsection (2) and not within subsection (1).

33. N.J.S.12A:8-315 is amended to read as follows:

Action against transferee based upon wrongful transfer.

12A:8-315. Action Against Transferee Based Upon Wrongful Transfer.

(1) Any person against whom the transfer of a security is wrongful for any reason, including his incapacity, as against anyone except a bona fide purchaser, may:

(a) Reclaim possession of the certificated security wrongfully transferred;

(b) Obtain possession of any new certificated security representing all or part of the same rights;

(c) Compel the origination of an instruction to transfer to him or a person designated by him an uncertificated security constituting all or part of the same rights; or

(d) Have damages.

(2) If the transfer is wrongful because of an unauthorized indorsement of a certificated security, the owner may also reclaim or obtain possession of the security or a new certificated security, even from a bona fide purchaser, if the ineffectiveness of the purported indorsement can be asserted against him under the provisions of this chapter on unauthorized indorsements (12A:8-311).

(3) The right to obtain or reclaim possession of a certificated security or to compel the origination of a transfer instruction may be specifically enforced and the transfer of a certificated or uncertificated security enjoined and a certificated security impounded pending the litigation.
CHAPTER 348, LAWS OF 1989

34. N.J.S.12A:8-316 is amended to read as follows:

Purchaser's right to requisites for registration of transfer, pledge, or release on books.

Unless otherwise agreed, the transferor of a certificated security or the transferor, pledgor, or pledgee of an uncertificated security on due demand shall supply his purchaser with any proof of his authority to transfer, pledge, or release or with any other requisite necessary to obtain registration of the transfer, pledge, or release of the security; but if the transfer, pledge, or release is not for value, a transferor, pledgor, or pledgee need not do so unless the purchaser furnishes the necessary expenses. Failure within a reasonable time to comply with a demand made gives the purchaser the right to reject or rescind the transfer, pledge, or release.

35. N.J.S.12A:8-317 is amended to read as follows:

Creditors' rights.

(1) Subject to the exceptions in subsections (3) and (4), no attachment or levy upon a certificated security or any share or other interest represented thereby which is outstanding is valid until the security is actually seized by the officer making the attachment or levy, but a certificated security which has been surrendered to the issuer may be reached by a creditor by legal process at the issuer's chief executive office in the United States.

(2) An uncertificated security registered in the name of the debtor may not be reached by a creditor except by legal process at the issuer's chief executive office in the United States.

(3) The interest of a debtor in a certificated security that is in the possession of a secured party not a financial intermediary or in an uncertificated security registered in the name of a secured party not a financial intermediary (or in the name of a nominee of the secured party) may be reached by a creditor by legal process upon the secured party.

(4) The interest of a debtor in a certificated security that is in the possession of or registered in the name of a financial intermediary or in an uncertificated security registered in the name of a financial intermediary may be reached by a creditor by legal process upon the financial intermediary on whose books the interest of the debtor appears.
(5) Unless otherwise provided by law, a creditor’s lien upon the interest of a debtor in a security obtained pursuant to subsection (3) or (4) is not a restraint on the transfer of the security, free of the lien, to a third party for new value; but in the event of a transfer, the lien applies to the proceeds of the transfer in the hands of the secured party or financial intermediary, subject to any claims having priority.

(6) A creditor whose debtor is the owner of a security is entitled to aid from courts of appropriate jurisdiction, by injunction or otherwise, in reaching the security or in satisfying the claim by means allowed at law or in equity in regard to property that cannot readily be reached by ordinary legal process.

36. N.J.S.12A:8-318 is amended to read as follows:

**No conversion by good faith conduct.**

An agent or bailee who in good faith (including observance of reasonable commercial standards if he is in the business of buying, selling, or otherwise dealing with securities) has received certificated securities and sold, pledged, or delivered them or has sold or caused the transfer or pledge of uncertificated securities over which he had control according to the instructions of his principal, is not liable for conversion or for participation in breach of fiduciary duty although the principal had no right so to deal with the securities.

37. N.J.S.12A:8-319 is amended to read as follows:

**Statute of frauds.**

A contract for the sale of securities is not enforceable by way of action or defense unless:

(a) There is some writing signed by the party against whom enforcement is sought or by his authorized agent or broker, sufficient to indicate that a contract has been made for sale of a stated quantity of described securities at a defined or stated price;

(b) Delivery of a certificated security or transfer instruction has been accepted, or transfer of an uncertificated security has been registered and the transferee has failed to send written objection to the issuer within 10 days after receipt of the initial transaction statement confirming the registration, or payment has been made, but the contract is enforceable under this provision only to the extent of the delivery, registration, or payment;
(c) Within a reasonable time a writing in confirmation of the sale or purchase and sufficient against the sender under paragraph (a) has been received by the party against whom enforcement is sought and he has failed to send written objection to its contents within 10 days after its receipt; or

(d) The party against whom enforcement is sought admits in his pleading, testimony, or otherwise in court that a contract was made for the sale of a stated quantity of described securities at a defined or stated price.

38. Section 18 of P.L.1964, c.166 (C.12A:8-320) is amended to read as follows:

C.12A:8-320 Transfer or pledge within central depository system.

18. Transfer or Pledge within Central Depository System.

(1) In addition to other methods, a transfer, pledge, or release of a security or any interest therein may be effected by the making of appropriate entries on the books of a clearing corporation reducing the account of the transferor, pledgor, or pledgee and increasing the account of the transferee, pledgee, or pledgor by the amount of the obligation, or the number of shares or rights transferred, pledged, or released, if the security is shown on the account of a transferor, pledgor, or pledgee on the books of the clearing corporation; is subject to the control of the clearing corporation; and

(a) If certificated,

(i) is in the custody of the clearing corporation, another clearing corporation, a custodian bank, or a nominee of any of them; and

(ii) is in bearer form or indorsed in blank by an appropriate person or registered in the name of the clearing corporation, a custodian bank, or a nominee of any of them; or

(b) If uncertificated, is registered in the name of the clearing corporation, another clearing corporation, a custodian bank, or a nominee of any of them.

(2) Under this section entries may be made with respect to like securities or interests therein as a part of a fungible bulk and may refer merely to a quantity of a particular security without reference to the name of the registered owner, certificate or bond number, or the like, and, in appropriate cases, may be on a net basis taking into account other transfers, pledges, or releases of the same security.

(3) A transfer under this section is effective (12A:8-313) and the
purchaser acquires the rights of the transferor (12A:8-301). A pledge or release under this section is the transfer of a limited interest. If a pledge or the creation of a security interest is intended, the security interest is perfected at the time when both value is given by the pledgee, and the appropriate entries are made (12A:8-321). A transferee or pledgee under this section may be a bona fide purchaser (12A:8-302).

(4) A transfer or pledge under this section is not a registration of transfer under subchapter 4.

(5) That entries made on the books of the clearing corporation as provided in subsection (1) are not appropriate does not affect the validity or effect of the entries or the liabilities or obligations of the clearing corporation to any person adversely affected thereby.

39. Section 12A:8-321 is added to the New Jersey Statutes:

Enforceability, attachment, perfection and termination of security interests.

(1) A security interest in a security is enforceable and can attach only if it is transferred to the secured party or a person designated by him pursuant to a provision of 12A:8-313 (1).

(2) A security interest so transferred pursuant to agreement by a transferor who has rights in the security to a transferee who has given value is a perfected security interest, but a security interest that has been transferred solely under paragraph (i) of 12A:8-313 (1) becomes unperfected after 21 days unless, within that time, the requirements for transfer under any other provision of 12A:8-313 (1) are satisfied.

(3) A security interest in a security is subject to the provisions of chapter 9, but:

(a) No filing is required to perfect the security interest; and

(b) No written security agreement signed by the debtor is necessary to make the security interest enforceable, except as provided in paragraph (h), (i), or (j) of 12A:8-313 (1). The secured party has the rights and duties provided under 12A:9-207, to the extent they are applicable, whether or not the security is certificated, and, if certificated, whether or not it is in his possession.

(4) Unless otherwise agreed, a security interest in a security is terminated by transfer to the debtor or a person designated by him
pursuant to a provision of 12A:8-313 (1). If a security is thus transferred, the security interest, if not terminated, becomes unperfected unless the security is certificated and is delivered to the debtor for the purpose of ultimate sale or exchange or presentation, collection, renewal, or registration of transfer. In that case, the security interest becomes unperfected after 21 days unless, within that time, the security (or securities for which it has been exchanged) is transferred to the secured party or a person designated by him pursuant to a provision of 12A:8-313 (1).

40. N.J.S.12A:8-401 is amended to read as follows:

**Duty of issuer to register transfer, pledge, or release.**

(1) If a certificated security in registered form is presented to the issuer with a request to register transfer or an instruction is presented to the issuer with a request to register transfer, pledge, or release, the issuer shall register the transfer, pledge, or release as requested if:

(a) The security is indorsed or the instruction was originated by the appropriate person or persons (12A:8-308);

(b) Reasonable assurance is given that those indorsements or instructions are genuine and effective (12A:8-402);

(c) The issuer has no duty as to adverse claims or has discharged the duty, (12A:8-403);

(d) Any applicable law relating to the collection of taxes has been complied with; and

(e) The transfer, pledge, or release is in fact rightful or is to a bona fide purchaser.

(2) If an issuer is under a duty to register a transfer, pledge, or release of a security, the issuer is also liable to the person presenting a certificated security or an instruction for registration or his principal for loss resulting from any unreasonable delay in registration or from failure or refusal to register the transfer, pledge, or release.

41. N.J.S.12A:8-402 is amended to read as follows:

**Assurance that indorsements and instructions are effective.**

12A:8-402. Assurance that Indorsements and Instructions Are Effective.

(1) The issuer may require the following assurance that each
necessary indorsement of a certificated security or each instruction (12A:8-308) is genuine and effective:

(a) In all cases, a guarantee of the signature (12A:8-312 (1) or (2)) of the person indorsing a certificated security or originating an instruction including, in the case of an instruction, a warranty of the taxpayer identification number or, in the absence thereof, other reasonable assurance of identity;

(b) If the indorsement is made or the instruction is originated by an agent, appropriate assurance of authority to sign;

(c) If the indorsement is made or the instruction is originated by a fiduciary, appropriate evidence of appointment or incumbency;

(d) If there is more than one fiduciary, reasonable assurance that all who are required to sign have done so; and

(e) If the indorsement is made or the instruction is originated by a person not covered by any of the foregoing, assurance appropriate to the case corresponding as nearly as may be to the foregoing.

(2) A "guarantee of the signature" in subsection (1) means, a guarantee signed by or on behalf of a person reasonably believed by the issuer to be responsible. The issuer may adopt standards with respect to responsibility if they are not manifestly unreasonable.

(3) "Appropriate evidence of appointment or incumbency" in subsection (1) means:

(a) In the case of a fiduciary appointed or qualified by a court, a certificate issued by or under the direction or supervision of that court or an officer thereof and dated within 60 days before the date of presentation for transfer, pledge, or release; or

(b) In any other case, a copy of a document showing the appointment or a certificate issued by or on behalf of a person reasonably believed by the issuer to be responsible or, in the absence of that document or certificate, other evidence reasonably deemed by the issuer to be appropriate. The issuer may adopt standards with respect to the evidence if they are not manifestly unreasonable. The issuer is not charged with notice of the contents of any document obtained pursuant to this paragraph (b) except to the extent that the contents relate directly to the appointment or incumbency.

(4) The issuer may elect to require reasonable assurance beyond that specified in this section, but if it does so and, for a purpose other than that specified in subsection (3)(b), both requires and obtains
a copy of a will, trust, indenture, articles of copartnership, bylaws, or other controlling instrument, it is charged with notice of all matters contained therein affecting the transfer, pledge, or release.

42. N.J.S.12A:8-403 is amended to read as follows:

Issuer's duty as to adverse claims.

12A:8-403. Issuer's Duty as to Adverse Claims.

(1) An issuer to whom a certificated security is presented for registration shall inquire into adverse claims if:

(a) A written notification of an adverse claim is received at a time and in a manner affording the issuer a reasonable opportunity to act on it prior to the issuance of a new, reissued, or reregistered certificated security, and the notification identifies the claimant, the registered owner, and the issue of which the security is a part, and provides an address for communications directed to the claimant; or

(b) The issuer is charged with notice of an adverse claim from a controlling instrument it has elected to require under 12A:8-402(4).

(2) The issuer may discharge any duty of inquiry by any reasonable means, including notifying an adverse claimant by registered or certified mail at the address furnished by him or, if there be no such address, at his residence or regular place of business that the certificated security has been presented for registration of transfer by a named person, and that the transfer will be registered unless within 30 days from the date of mailing the notification, either:

(a) An appropriate restraining order, injunction, or other process issues from a court of competent jurisdiction; or

(b) There is filed with the issuer an indemnity bond, sufficient in the issuer's judgment to protect the issuer and any transfer agent, registrar, or other agent of the issuer involved from any loss it or they may suffer by complying with the adverse claim.

(3) Unless an issuer is charged with notice of an adverse claim from a controlling instrument which it has elected to require under 12A:8-402 (4) or receives notification of an adverse claim under subsection (1), if a certificated security presented for registration is indorsed by the appropriate person or persons the issuer is under no duty to inquire into adverse claims. In particular:

(a) An issuer registering a certificated security in the name of a person who is a fiduciary or who is described as a fiduciary is not bound to inquire into the existence, extent, or correct description of
the fiduciary relationship; and thereafter the issuer may assume without inquiry that the newly registered owner continues to be the fiduciary until the issuer receives written notice that the fiduciary is no longer acting as such with respect to the particular security;

(b) An issuer registering transfer on an indorsement by a fiduciary is not bound to inquire whether the transfer is made in compliance with a controlling instrument or with the law of the state having jurisdiction of the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer; and

(c) The issuer is not charged with notice of the contents of any court record or file or other recorded or unrecorded document even though the document is in its possession and even though the transfer is made on the indorsement of a fiduciary to the fiduciary himself or to his nominee.

(4) An issuer is under no duty as to adverse claims with respect to an uncertificated security except:

(a) Claims embodied in a restraining order, injunction, or other legal process served upon the issuer if the process was served at a time and in a manner affording the issuer a reasonable opportunity to act on it in accordance with the requirements of subsection (5);

(b) Claims of which the issuer has received a written notification from the registered owner or the registered pledgee if the notification was received at a time and in a manner affording the issuer a reasonable opportunity to act on it in accordance with the requirements of subsection (5);

(c) Claims (including restrictions on transfer not imposed by the issuer) to which the registration of transfer to the present registered owner was subject and were so noted in the initial transaction statement sent to him; and

(d) Claims as to which an issuer is charged with notice from a controlling instrument it has elected to require under 12A:8-402 (4).

(5) If the issuer of an uncertificated security is under a duty as to an adverse claim, he discharges that duty by:

(a) Including a notation of the claim in any statements sent with respect to the security under 12A:8-408 (3), (6), and (7); and

(b) Refusing to register the transfer or pledge of the security unless the nature of the claim does not preclude transfer or pledge subject thereto.
(6) If the transfer or pledge of the security is registered subject to an adverse claim, a notation of the claim must be included in the initial transaction statement and all subsequent statements sent to the transferee and pledgee under 12A:8-408.

(7) Notwithstanding subsections (4) and (5), if an uncertificated security was subject to a registered pledge at the time the issuer first came under a duty as to a particular adverse claim, the issuer has no duty as to that claim if transfer of the security is requested by the registered pledgee or an appropriate person acting for the registered pledgee unless:

(a) The claim was embodied in legal process which expressly provides otherwise;

(b) The claim was asserted in a written notification from the registered pledgee;

(c) The claim was one as to which the issuer was charged with notice from a controlling instrument it required under 12A:8-402 (4) in connection with the pledgee's request for transfer; or

(d) The transfer requested is to the registered owner.

43. N.J.S.12A:8-404 is amended to read as follows:

Liability and non-liability for registration.

12A:8-404. Liability and Non-Liability for Registration.

(1) Except as provided in any law relating to the collection of taxes, the issuer is not liable to the owner, pledgee, or any other person suffering loss as a result of the registration of a transfer, pledge, or release of a security if:

(a) There were on or with a certificated security the necessary indorsements or the issuer had received an instruction originated by an appropriate person (12A:8-308); and

(b) The issuer had no duty as to adverse claims or has discharged the duty (12A:8-403).

(2) If an issuer has registered a transfer of a certificated security to a person not entitled to it, the issuer on demand shall deliver a like security to the true owner unless:

(a) The registration was pursuant to subsection (1);

(b) The owner is precluded from asserting any claim for registering the transfer under 12A:8-405 (1); or
The delivery would result in overissue, in which case the issuer's liability is governed by 12A:8-104.

(3) If an issuer has improperly registered a transfer, pledge, or release of an uncertificated security, the issuer on demand from the injured party shall restore the records as to the injured party to the condition that would have obtained if the improper registration had not been made unless:

(a) The registration was pursuant to subsection (1); or

(b) The registration would result in overissue, in which case the issuer's liability is governed by 12A:8-104.

44. N.J.S.12A:8-405 is amended to read as follows:

Lost, destroyed, and stolen certificated securities.

12A:8-405. Lost, Destroyed, and Stolen Certificated Securities.

(1) If a certificated security has been lost, apparently destroyed, or wrongfully taken, and the owner fails to notify the issuer of that fact within a reasonable time after he has notice of it and the issuer registers a transfer of the security before receiving notification, the owner is precluded from asserting against the issuer any claim for registering the transfer under 12A:8-404 or any claim to a new security under this section.

(2) If the owner of a certificated security claims that the security has been lost, destroyed, or wrongfully taken, the issuer shall issue a new certificated security or, at the option of the issuer, an equivalent uncertificated security in place of the original security if the owner:

(a) So requests before the issuer has notice that the security has been acquired by a bona fide purchaser;

(b) Files with the issuer a sufficient indemnity bond; and

(c) Satisfies any other reasonable requirements imposed by the issuer.

(3) If, after the issue of a new certificated or uncertificated security, a bona fide purchaser of the original certificated security presents it for registration of transfer, the issuer shall register the transfer unless registration would result in overissue, in which event the issuer's liability is governed by 12A:8-104. In addition to any rights on the indemnity bond, the issuer may recover the new certificated security from the person to whom it was issued or any person taking
under him except a bona fide purchaser or may cancel the uncer
certificated security unless a bona fide purchaser or any person taking
under a bona fide purchaser is then the registered owner or registered
pledgee thereof.

45. N.J.S.12A:8-406 is amended to read as follows:

Duty of authenticating trustee, transfer agent or registrar.

12A:8-406. Duty of Authenticating Trustee, Transfer Agent or
Registrar.

(1) If a person acts as authenticating trustee, transfer agent,
registrar, or other agent for an issuer in the registration of transfers
of its certificated securities or in the registration of transfers, pledges,
and releases of its uncertificated securities, in the issue of new securi-
ties, or in the cancellation of surrendered securities:

(a) He is under a duty to the issuer to exercise good faith and
due diligence in performing his functions; and

(b) With regard to the particular functions he performs, he has
the same obligation to the holder or owner of a certificated security
or to the owner or pledgee of an uncertificated security and has the
same rights and privileges as the issuer has in regard to those func-
tions.

(2) Notice to an authenticating trustee, transfer agent, registrar
or other agent is notice to the issuer with respect to the functions
performed by the agent.

46. Section 12A:8-407 is added to the New Jersey Statutes:

Exchangeability of securities.

(1) No issuer is subject to the requirements of this section unless
it regularly maintains a system for issuing the class of securities
involved under which both certificated and uncertificated securities
are regularly issued to the category of owners, which includes the
person in whose name the new security is to be registered.

(2) Upon surrender of a certificated security with all necessary
indorsements and presentation of a written request by the person
surrendering the security, the issuer, if he has no duty as to adverse
claims or has discharged the duty (12A:8-403), shall issue to the
person or a person designated by him an equivalent uncertificated
security subject to all liens, restrictions, and claims that were noted
on the certificated security.
1692 CHAPTER 348, LAWS OF 1989

(3) Upon receipt of a transfer instruction originated by an appropriate person who so requests, the issuer of an uncertificated security shall cancel the uncertificated security and issue an equivalent certificated security on which shall be noted conspicuously any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403 (4)) to which the uncertificated security was subject. The certificated security shall be registered in the name of and delivered to:

(a) The registered owner, if the uncertificated security was not subject to a registered pledge; or

(b) The registered pledgee, if the uncertificated security was subject to a registered pledge.

47. Section 12A:8-408 is added to the New Jersey Statutes:

Statements of uncertificated securities.

12A:8-408. Statements of Uncertificated Securities.

(1) Within two business days after the transfer of an uncertificated security has been registered, the issuer shall send to the new registered owner and, if the security has been transferred subject to a registered pledge, to the registered pledgee a written statement containing:

(a) A description of the issue of which the uncertificated security is a part;

(b) The number of shares or units transferred;

(c) The name and address and any taxpayer identification number of the new registered owner and, if the security has been transferred subject to a registered pledge, the name and address and any taxpayer identification number of the registered pledgee;

(d) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403 (4)) to which the uncertificated security is or may be subject at the time of registration or a statement that there are none of those liens, restrictions, or adverse claims; and

(e) The date the transfer was registered.

(2) Within two business days after the pledge of an uncertificated security has been registered, the issuer shall send to the registered owner and the registered pledgee a written statement containing:
(a) A description of the issue of which the uncertificated security is a part;

(b) The number of shares or units pledged;

(c) The name and address and any taxpayer identification number of the registered owner and the registered pledgee;

(d) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403 (4)) to which the uncertificated security is or may be subject at the time of registration or a statement that there are none of those liens, restrictions, or adverse claims; and

(e) The date the pledge was registered.

(3) Within two business days after the release from pledge of an uncertificated security has been registered, the issuer shall send to the registered owner and the pledgee whose interest was released a written statement containing:

(a) A description the issue of which the uncertificated security is a part;

(b) The number of shares or units released from pledge;

(c) The name and address and any taxpayer identification number of the registered owner and the pledgee whose interest was released;

(d) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403 (4)) to which the uncertificated security is or may be subject at the time of registration or a statement that there are none of those liens, restrictions, or adverse claims; and

(e) The date the release was registered.

(4) An “initial transaction statement” is the statement sent to:

(a) The new registered owner and, if applicable, to the registered pledgee pursuant to subsection (1);

(b) The registered pledgee pursuant to subsection (2); or

(c) The registered owner pursuant to subsection (3). Each initial transaction statement shall be signed by or on behalf of the issuer and shall be identified as “Initial Transaction Statement.”
(5) Within two business days after the transfer of an uncertificated security has been registered, the issuer shall send to the former registered owner and the former registered pledgee, if any, a written statement containing:

(a) A description of the issue of which the uncertificated security is a part;
(b) The number of shares or units transferred;
(c) The name and address and any taxpayer identification number of the former registered owner and of any former registered pledgee; and
(d) The date the transfer was registered.

(6) At periodic intervals no less frequent than annually and at any time upon the reasonable written request of the registered owner, the issuer shall send to the registered owner of each uncertificated security a dated written statement containing:

(a) A description of the issue of which the uncertificated security is a part;
(b) The name and address and any taxpayer identification number of the registered owner;
(c) The number of shares or units of the uncertificated security registered in the name of the registered owner on the date of the statement;
(d) The name and address and any taxpayer identification number of any registered pledgee and the number of shares or units subject to the pledge; and
(e) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403 (4)) to which the uncertificated security is or may be subject or a statement that there are none of those liens, restrictions, or adverse claims.

(7) At periodic intervals no less frequent than annually and at any time upon the reasonable written request of the registered pledgee, the issuer shall send to the registered pledgee of each uncertificated security a dated written statement containing:

(a) A description of the issue of which the uncertificated security is a part;
(b) The name and address and any taxpayer identification number of the registered owner;

(c) The name and address and any taxpayer identification number of the registered pledgee;

(d) The number of shares or units subject to the pledge; and

(e) A notation of any liens and restrictions of the issuer and any adverse claims (as to which the issuer has a duty under 12A:8-403(4)) to which the uncertificated security is or may be subject or a statement that there are none of those liens, restrictions, or adverse claims.

(8) If the issuer sends the statements described in subsections (6) and (7) at periodic intervals no less frequent than quarterly, the issuer is not obliged to send additional statements upon request unless the owner or pledgee requesting them pays to the issuer the reasonable cost of furnishing them.

(9) Each statement sent pursuant to this section shall bear a conspicuous legend reading substantially as follows: “This statement is merely a record of the rights of the addressee as of the time of its issuance. Delivery of this statement, of itself, confers no rights on the recipient. This statement is neither a negotiable instrument nor a security.”

48. N.J.S.12A:9-103 is amended to read as follows:

Perfection of security interests in multiple state transactions.

(1) Documents, instruments and ordinary goods.

(a) This subsection applies to documents and instruments and to goods other than those covered by a certificate of title described in subsection (2), mobile goods described in subsection (3), and minerals described in subsection (5).

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of a security interest in collateral are governed by the law of the jurisdiction where the collateral is when the last event occurs on which is based the assertion that the security interest is perfected or unperfected.

(c) If the parties to a transaction creating a purchase money security interest in goods in one jurisdiction understand at the time
that the security interest attaches that the goods will be kept in another jurisdiction, then the law of the other jurisdiction governs the perfection and the effect of perfection or nonperfection of the security interest from the time it attaches until 30 days after the debtor receives possession of the goods and thereafter if the goods are taken to the other jurisdiction before the end of the 30-day period.

(d) When collateral is brought into and kept in this State while subject to a security interest perfected under the law of the jurisdiction from which the collateral was removed, the security interest remains perfected, but if action is required by subchapter 3 of this chapter to perfect the security interest,

(i) if the action is not taken before the expiration of the period of perfection in the other jurisdiction or the end of four months after the collateral is brought into this State, whichever period first expires, the security interest becomes unperfected at the end of that period and is thereafter deemed to have been unperfected as against a person who became a purchaser after removal;

(ii) if the action is taken before the expiration of the period specified in subparagraph (i), the security interest continues perfected thereafter;

(iii) for the purpose of priority over a buyer of consumer goods (subsection (2) of 12A:9-307), the period of the effectiveness of a filing in the jurisdiction from which the collateral is removed is governed by the rules with respect to perfection in subparagraphs (i) and (ii).

(2) Certificate of title.

(a) This subsection applies to goods covered by a certificate of title issued under a statute of this State or of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection.

(b) Except as otherwise provided in this subsection, perfection and the effect of perfection or nonperfection of the security interest are governed by the law (including the conflict of laws rules) of the jurisdiction issuing the certificate until four months after the goods are removed from that jurisdiction and thereafter until the goods are registered in another jurisdiction, but in any event not beyond surrender of the certificate. After the expiration of that period, the goods are not covered by the certificate of title within the meaning of this section.
(c) Except with respect to the rights of a buyer described in the next paragraph, a security interest, perfected in another jurisdiction otherwise than by notation on a certificate of title, in goods brought into this State and thereafter covered by a certificate of title issued by this State is subject to the rules stated in paragraph (d) of subsection (1).

(d) If goods are brought into this State while a security interest therein is perfected in any manner under the law of the jurisdiction from which the goods are removed and a certificate of title is issued by this State and the certificate does not show that the goods are subject to the security interest or that they may be subject to security interests not shown on the certificate, the security interest is subordinate to the rights of a buyer of the goods who is not in the business of selling goods of that kind to the extent that he gives value and receives delivery of the goods after issuance of the certificate and without the knowledge of the security interest.

(3) Accounts, general intangibles and mobile goods.

(a) This subsection applies to accounts (other than an account described in subsection (5) on minerals) and general intangibles (other than uncertificated securities) and to goods which are mobile and which are of a type normally used in more than one jurisdiction, such as motor vehicles, trailers, rolling stock, airplanes, shipping containers, road building and construction machinery and commercial harvesting machinery and the like, if the goods are equipment or are inventory leased or held for lease by the debtor to others, and are not covered by a certificate of title described in subsection (2).

(b) The law (including the conflict of laws rules) of the jurisdiction in which the debtor is located governs the perfection and the effect of perfection or nonperfection of the security interest.

(c) If, however, the debtor is located in a jurisdiction which is not a part of the United States, and which does not provide for perfection of the security interest by filing or recording in that jurisdiction, the law of the jurisdiction in the United States in which the debtor has its major executive office in the United States governs the perfection and the effect of perfection or nonperfection of the security interest through filing. In the alternative, if the debtor is located in a jurisdiction which is not a part of the United States or Canada and the collateral is accounts or general intangibles for
money due or to become due, the security interest may be perfected by notification to the account debtor. As used in this paragraph, "United States" includes its territories and possessions and the Commonwealth of Puerto Rico.

(d) A debtor shall be deemed located at his place of business if he has one, at his chief executive office if he has more than one place of business, otherwise at his residence. If, however, the debtor is a foreign air carrier under the Federal Aviation Act of 1958, as amended, it shall be deemed located at the designated office of the agent upon whom service of process may be made on behalf of the foreign air carrier.

(e) A security interest perfected under the law of the jurisdiction of the location of the debtor is perfected until the expiration of four months after a change of the debtor's location to another jurisdiction, or until perfection would have ceased by the law of the first jurisdiction, whichever period first expires. Unless perfected in the new jurisdiction before the end of that period, it becomes unperfected thereafter and is deemed to have been unperfected as against a person who became a purchaser after the change.

(4) Chattel paper.

The rules stated for goods in subsection (1) apply to a possessory security interest in chattel paper. The rules stated for accounts in subsection (3) apply to a nonpossessory security interest in chattel paper, but the security interest may not be perfected by notification to the account debtor.

(5) Minerals.

Perfection and the effect of perfection or nonperfection of a security interest which is created by a debtor who has an interest in minerals or the like (including oil and gas) before extraction and which attaches thereto as extracted, or which attaches to an account resulting from the sale thereof at the wellhead or minehead are governed by the law (including the conflict of laws rules) of the jurisdiction wherein the wellhead or minehead is located.

(6) Uncertificated securities.

The law (including the conflict of laws rules) of the jurisdiction of organization of the issuer governs the perfection and the effect of perfection or nonperfection of a security interest in uncertificated securities.
49. N.J.S.12A:9-105 is amended to read as follows:

Definitions and Index of Definitions.

(1) In this chapter unless the context otherwise requires:

(a) "Account debtor" means the person who is obligated on an account, chattel paper or general intangible;

(b) "Chattel paper" means a writing or writings which evidence both a monetary obligation and a security interest in or a lease of specific goods, but a charter or other contract involving the use or hire of a vessel is not chattel paper. When a transaction is evidenced both by such a security agreement or a lease and by an instrument or a series of instruments, the group of writings taken together constitutes chattel paper;

(c) "Collateral" means the property subject to a security interest, and includes accounts and chattel paper which have been sold;

(d) "Debtor" means the person who owes payment or other performance of the obligation secured, whether or not he owns or has rights in the collateral, and includes the seller of accounts or chattel paper. Where the debtor and the owner of the collateral are not the same person, the term "debtor" means the owner of the collateral in any provision of the chapter dealing with the collateral, the obligor in any provision dealing with the obligation, and may include both where the context so requires;

(e) "Deposit account" means a demand, time, savings, passbook or like account maintained with a bank, savings and loan association, credit union or like organization, other than an account evidenced by a certificate of deposit;

(f) "Document" means document of title as defined in the general definitions of chapter 1 (12A:1-201) , and a receipt of the kind described in subsection (2) of 12A:7-201;

(g) "Encumbrance" includes real estate mortgages and other liens on real estate and all other rights in real estate that are not ownership interests;

(h) "Goods" includes all things which are movable at the time the security interest attaches or which are fixtures (12A:9-313), but does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like (including oil and
gas) before extraction. "Goods" also includes standing timber which is to be cut and removed under a conveyance or contract for sale, the unborn young of animals, and growing crops;

(i) "Instrument" means a negotiable instrument (defined in 12A:3-104), or a certificated security (defined in 12A:8-102) or any other writing which evidences a right to the payment of money and is not itself a security agreement or lease and is of a type which is in ordinary course of business transferred by delivery with any necessary indorsement or assignment;

(j) "Mortgage" means a consensual interest created by a real estate mortgage, a trust deed on real estate, or the like;

(k) An advance is made "pursuant to commitment" if the secured party has bound himself to make it, whether or not a subsequent event of default or other event not within his control has relieved or may relieve him from his obligation;

(l) "Security agreement" means an agreement which creates or provides for a security interest;

(m) "Secured party" means a lender, seller or other person in whose favor there is a security interest, including a person to whom accounts or chattel paper have been sold. When the holders of obligations issued under an indenture of trust, equipment trust agreement or the like are represented by a trustee or other person, the representative is the secured party.

50. N.J.S.12A:9-203 is amended to read as follows:

Attachment and enforceability of security interest; proceeds; formal requisites.

12A:9-203. Attachment and Enforceability of Security Interest; Proceeds; Formal Requisites.

(1) Subject to the provisions of 12A:4-208 on the security interest of a collecting bank, 12A:8-321 on security interests in securities and 12A:9-113 on a security interest arising under the chapter on sales, a security interest is not enforceable against the debtor or third parties with respect to the collateral and does not attach unless:

(a) The collateral is in the possession of the secured party pursuant to agreement, or the debtor has signed a security agreement which contains a description of the collateral and in addition, when the security interest covers crops growing or to be grown or timber to be cut, a description of the land concerned;

(b) Value has been given; and

(c) The debtor has rights in the collateral.

(2) A security interest attaches when it becomes enforceable against the debtor with respect to the collateral. Attachment occurs as soon as all of the events specified in subsection (1) have taken place unless explicit agreement postpones the time of attaching.

(3) Unless otherwise agreed a security agreement gives the secured party the rights to proceeds provided by 12A:9-306.

(4) A transaction, although subject to this chapter, is also subject to the provisions of those statutes set forth as saved from repeal by this subtitle in section 12A:10-104, and in case of conflict between the provisions of this chapter and any such statute so saved from repeal, the provisions of such statute control. Failure to comply with
any such applicable statute has only the effect which is specified therein.

(5) In case of conflict between this chapter and the provisions of “The Credit Union Act of 1984,” P.L.1984, c.171, ss.2 to 46 (C.17:13-79 to C.17:13-124), concerning a transaction subject to this chapter and also subject to the provisions of “The Credit Union Act of 1984,” the provisions of “The Credit Union Act of 1984” shall control.

51. N.J.S.12A:9-302 is amended to read as follows:

When filing is required to perfect security interests; security interests to which filing provisions of this chapter do not apply.

12A:9-302. When Filing Is Required to Perfect Security Interests; Security Interests to Which Filing Provisions of This Chapter Do Not Apply.

(1) A financing statement shall be filed to perfect all security interests except the following:

(a) A security interest in collateral in possession of the secured party under 12A:9-305;

(b) A security interest temporarily perfected in instruments or documents without delivery under 12A:9-304 or in proceeds for a 10-day period under 12A:9-306;

(c) A security interest created by an assignment of a beneficial interest in a trust or a decedent’s estate;

(d) A purchase money security interest in consumer goods; but filing is required for a motor vehicle required to be registered; and fixture filing is required for priority over conflicting interests in fixtures to the extent provided in 12A:9-313;

(e) An assignment of accounts which does not alone or in conjunction with other assignments to the same assignee transfer a significant part of the outstanding accounts of the assignor;

(f) A security interest of a collecting bank (12A:4-208) or in securities (12A:8-321) or arising under the chapter on sales (see 12A:9-113) or covered in subsection (3) of this section;

(g) An assignment for the benefit of all the creditors of the transferor, and subsequent transfers by the assignee thereunder.

(2) If a secured party assigns a perfected security interest, no filing under this chapter is required in order to continue the perfected
status of the security interest against creditors of and transferees from the original debtor.

(3) The filing of a financing statement otherwise required by this chapter is not necessary or effective to perfect a security interest in property subject to:

(a) A statute or treaty of the United States which provides for a national or international registration or a national or international certificate of title or which specifies a place of filing different from that specified in this chapter for filing of the security interest; or

(b) The following statutes of this State:

R.S.39:10-1 to R.S.39:10-9 both inclusive;
P.L.1971, c.311 (C.39:10-9.1 and C.39:10-9.2);
R.S.39:10-10 to R.S.39:10-16 both inclusive;
R.S.39:10-18 to R.S.39:10-25 both inclusive;

but during any period in which collateral is inventory held for sale by a person who is in the business of selling goods of that kind, the filing provisions of this chapter (subchapter 4) apply to a security interest in that collateral created by him as debtor; or

(c) A certificate of title statute of another jurisdiction under the law of which indication of a security interest on the certificate is required as a condition of perfection (subsection (2) of 12A:9-103).

(4) Compliance with a statute or treaty described in subsection (3) is equivalent to the filing of a financing statement under this chapter, and a security interest in property subject to the statute or treaty can be perfected only by compliance therewith except as provided in 12A:9-103 on multiple state transactions. Duration and renewal of perfection of a security interest perfected by compliance with the statute or treaty are governed by the provisions of the statute or treaty; in other respects the security interest is subject to this chapter.

52. N.J.S.12A:9-304 is amended to read as follows:

Perfection of security interest in instruments, documents, and goods covered by documents; perfection by permissive filing; temporary perfection without filing or transfer of possession.

12A:9-304. Perfection of Security Interest In Instruments, Documents, and Goods Covered by Documents; Perfection by Permissive Filing; Temporary Perfection Without Filing or Transfer of Possession.
(1) A security interest in chattel paper or negotiable documents may be perfected by filing. A security interest in money or instruments (other than certificated securities or instruments which constitute part of chattel paper) can be perfected only by the secured party’s taking possession, except as provided in subsections (4) and (5) of this section and subsections (2) and (3) of 12A:9-306 on proceeds.

(2) During the period that goods are in the possession of the issuer of a negotiable document therefor, a security interest in the goods is perfected by perfecting a security interest in the document, and any security interest in the goods otherwise perfected during such period is subject thereto.

(3) A security interest in goods in the possession of a bailee other than one who has issued a negotiable document therefor is perfected by issuance of a document in the name of the secured party or by the bailee’s receipt of notification of the secured party’s interest or by filing as to the goods.

(4) A security interest in instruments (other than certificated securities) or negotiable documents is perfected without filing or the taking of possession for a period of 21 days from the time it attaches to the extent that it arises for new value given under a written security agreement.

(5) A security interest remains perfected for a period of 21 days without filing where a secured party having a perfected security interest in an instrument (other than a certificated security), a negotiable document or goods in possession of a bailee other than one who has issued a negotiable document therefor:

(a) Makes available to the debtor the goods or documents representing the goods for the purpose of ultimate sale or exchange or for the purpose of loading, unloading, storing, shipping, transshipping, manufacturing, processing or otherwise dealing with them in a manner preliminary to their sale or exchange, but priority between conflicting security interests in the goods is subject to subsection (3) of 12A:9-312; or

(b) Delivers the instrument to the debtor for the purpose of ultimate sale or exchange or of presentation, collection, renewal, or registration of transfer.

(6) After the 21-day period in subsections (4) and (5) perfection depends upon compliance with applicable provisions of this chapter.
53. N.J.S.12A:9-305 is amended to read as follows:

When possession by secured party perfects security interest without filing.

A security interest in letters of credit and advices of credit (subsection (2) (a) of 12A:5-116), goods, instruments (other than certificated securities), money, negotiable documents or chattel paper may be perfected by the secured party’s taking possession of the collateral. If such collateral other than goods covered by a negotiable document is held by a bailee, the secured party is deemed to have possession from the time the bailee receives notification of the secured party’s interest. A security interest is perfected by possession from the time possession is taken without relation back and continues only so long as possession is retained, unless otherwise specified in this chapter. The security interest may be otherwise perfected as provided in this chapter before or after the period of possession by the secured party.

54. N.J.S.12A:9-309 is amended to read as follows:

Protection of purchasers of instruments, documents and securities.

12A:9-309. Protection of Purchasers of Instruments, Documents and Securities.

Nothing in this chapter limits the rights of a holder in due course of a negotiable instrument (12A:3-302) or a holder to whom a negotiable document of title has been duly negotiated (12A:7-501) or a bona fide purchaser of a security (12A:8-302) and such holders or purchasers take priority over an earlier security interest even though perfected. Filing under this chapter does not constitute notice of the security interest to such holders or purchasers.

55. N.J.S.12A:9-312 is amended to read as follows:

Priorities among conflicting security interests in the same collateral.

12A:9-312. Priorities Among Conflicting Security Interests in the Same Collateral.

(1) The rules of priority stated in other sections of this subchapter and in the following sections shall govern when applicable: 12A:4-208 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; 12A:9-103 on security interests related to other jurisdictions; 12A:9-114 on consignments.

(2) (Deleted by amendment, P.L.1962, c.203, s.4.)
A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if:

(a) The purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) The purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21-day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of 12A:9-304); and

(c) The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(d) The notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

4. A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within 10 days thereafter.

5. In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to attach has priority.

6. For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.
CHAPTERS 348 & 349, LAWS OF 1989

(7) If future advances are made while a security interest is perfected by filing, the taking of possession, or under 12A:8-321 on securities, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances, made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made.

56. This act shall take effect immediately.

Approved January 16, 1990.

WHEREAS, The Port Authority of New York and New Jersey, hereinafter the Port Authority, is exempted from paying taxes on real property owned by it; and
WHEREAS, The Port Authority is authorized by statute to enter into agreements with the municipalities in which this tax exempt property is located to make payments to the municipality in lieu of the taxes which would be assessed against the property; and

WHEREAS, As the Port Authority continues to expand its facilities and property holdings, more and more valuable property is removed from the taxing jurisdiction of the municipalities, thereby increasing the burden upon the remaining property owners; and

EXECUTIVE ORDER No. 203

WHEREAS, The relocation assistance and eviction regulations adopted by the Department of Community Affairs, N.J.A.C. 5:11, are due to expire on March 1, 1989 pursuant to the sunset provision of Executive Order No. 66 (1978); and

WHEREAS, The Department of Community Affairs has proposed to readopt these regulations, with amendments, which proposal will appear in the February 6, 1989 edition of the “New Jersey Register”; and

WHEREAS, The February 6 publication schedule will not allow sufficient time for readoption of the regulations prior to the scheduled expiration date of March 1, 1989; and

WHEREAS, Failure to readopt the regulations by the end of February will create a lapse in the law governing relocation assistance and eviction; and

WHEREAS, Such a lapse in existing law would be detrimental to the public welfare and would impede the ability of displaced persons to secure the benefits to which they are entitled by law; and

WHEREAS, The Department of Community Affairs has requested a one-month waiver of the five-year sunset provision of Executive Order No. 66 (1978) for the relocation assistance and eviction regulations, thus extending the expiration date of the current regulations from March 1, 1989 through and including April 1, 1989;

NOW, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:

1. Good cause has been shown to grant the request for a one-month waiver of Executive Order No. 66 (1978), in order to permit the current relocation assistance and eviction regulations to remain in effect through and including April 1, 1989.

2. The five-year sunset provision of Executive Order No. 66 (1978) is hereby waived for the Department of Community Affairs’ relocation assistance and eviction regulations, N.J.A.C. 5:11, and the expiration for those regulations is extended for the period from March 1, 1989 through and including April 1, 1989.

Issued February 8, 1989.
WHEREAS, The problem of drug abuse is adversely affecting the lives and safety of our citizens; and

WHEREAS, The abuse of drugs in the workplace, among other things, reduces job efficiency, increases absenteeism and sick leave, and, most importantly, jeopardizes the lives and safety of fellow employees and citizens; and

WHEREAS, The State of New Jersey has a vital interest in promoting a safe and drug-free workplace and in ensuring our citizens that public safety employees do not threaten life and limb due to the abuse of drugs; and

WHEREAS, The Federal Drug-Free Workplace Act of 1988, Public Law 100-690, Title V, Subtitle D, conditions receipt of federal grant funds upon the grantee's agreement to provide a drug-free workplace; and

WHEREAS, The Federal Drug-Free Workplace Act requires a grantee to prohibit the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance, to specify actions that may be taken against employees who violate the prohibition, to establish a drug-free awareness program for employees, and to require employees and employers to give notice of any conviction for a drug offense committed in the workplace; and

WHEREAS, The citizens of this State greatly benefit from the State government's participation in federally-funded programs;

Now, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:

1. The following "Policy for a Drug-Free Workplace in New Jersey State Government" shall apply to all principal executive departments in New Jersey State Government, the Office of the Governor, and all agencies that are in, but not of, principal executive departments.

This Policy establishes minimum standards for the imposition of discipline and for participation in drug abuse treatment programs in the limited context of convictions for drug offenses committed in the workplace. Nothing in this Policy precludes the application of other more comprehensive or more stringent provisions governing
drug offenses committed by State employees. In fact, the Cabinet Task Force on Drug Testing in the Workplace, which was created in Executive Order No. 191, will formulate a more comprehensive State policy regarding drug abuse and the workplace in the near future.

2. The State of New Jersey is committed to maintaining a drug-free workplace for all State employees in order to protect the health and safety of State employees and the public.

3. The unlawful manufacture, distribution, dispensation, possession or use of a drug in the workplace is prohibited.

4. In addition to any other applicable civil or criminal penalty, any employee convicted of illegal manufacture, distribution, dispensation, possession or use of a drug in the workplace shall be subject to the following consequences:

a. The State Forfeiture of Public Office statute (N.J.S.2C:51-2) requires forfeiture of public office or employment upon conviction of a crime of the third degree or higher. All convictions of crimes of the third degree or higher listed in the Comprehensive Drug Enforcement Act of 1987, and all convictions for equivalent federal and out-of-State drug offenses, require forfeiture of public office or employment.

b. The Forfeiture of Public Office statute also requires forfeiture of public office or employment upon conviction for an offense involving dishonesty or upon conviction for an offense involving or touching upon the convicted person's public employment irrespective of the degree of the offense. Consequently, convictions for any drug offense occurring in the workplace (including fourth degree, disorderly persons and petty disorderly persons offenses) which are determined to involve or touch upon the office or employment of an individual may result in the statutory forfeiture of public office or employment.

c. In the case of a drug conviction for an offense occurring in the workplace that does not result in statutory forfeiture of public office or employment, disciplinary action shall be taken. The extent of disciplinary action shall be determined by the appointing authority. In addition, in the case of any disciplinary action other than removal, an employee shall be required to satisfactorily participate in a program for the treatment of drug abuse approved by both the appointing authority and any federal or State agency responsible for the approval or licensure of such programs.

d. Each department head, agency head, or their designee who

WHEREAS, The New Jersey Legislature has enacted numerous statutes requiring the State and its departments, divisions, agencies and authorities to set aside a certain percentage of construction, goods, equipment and services contract awards for minority and female businesses, including provisions of the Set-Aside Act for Small Businesses, Female Businesses, and Minority Businesses, C.52:32-17 et seq.; the New Jersey Sports and Exhibition Authority Law, C.5:10-1 et seq.; the Casino Control Act, C.5:12-1 et seq.; the New Jersey Wastewater Treatment Trust Act, C.58:11B-1 et seq.; the New Jersey Urban Development Corporation Act, C.55:19-1 et seq.; the New Jersey Local Development Financing Fund Act, C.34:1B-36 et seq.; and the New Jersey Transportation Trust Fund Authority Act of 1984, C.27:1B-1 et seq.; and

WHEREAS, The United States Supreme Court in the case of the City of Richmond v. Croson invalidated as violative of the Fourteenth Amendment a minority set-aside program administered by the City of Richmond that reserved 30 percent of the dollar amounts of construction contracts awarded by the City for minority businesses; and

WHEREAS, The United States Supreme Court in Croson invalidated the City of Richmond’s minority set-aside program because the City had failed to meet strict standards established by the Court for demonstrating prior racial discrimination by the City in letting contracts and because the program had not been narrowly tailored to remedy any identified prior discrimination; and

WHEREAS, New Jersey continues to strongly support minority and female set-aside programs as a vehicle for remedying discrimination, for ensuring that minority and female businesses receive a fair share of State business and for providing an opportunity for those businesses to grow, to develop competitively and to establish favorable reputations and expertise; and

WHEREAS, In light of Croson, New Jersey must be able to demonstrate that its minority or female business set-aside programs are narrowly tailored to further compelling governmental interests in remedying prior racial or sex discrimination by government; and

WHEREAS, The creation of a study commission will permit New Jersey to investigate, research and report on the nature and scope of
any discrimination in public works procurement and construction contracts awarded by the State and to recommend remedies for any discrimination;

NOW, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:

1. There is hereby created the Governor's Study Commission on Discrimination in Public Works Procurement and Construction Contracts (hereinafter referred to as the Study Commission).

2. The Study Commission shall consist of 18 members as follows: two members of the Minority Business Advisory Council, two members of the Small Business Advisory Council, two members of the Women's Business Advisory Council, one member of the Governor's Authorities Unit and three at-large members, all appointed by the Governor; one representative each from the Assembly and the Senate; and the Commissioners of Commerce, Energy and Economic Development, Environmental Protection and Transportation, the Treasurer, the Attorney General and the Chancellor of Higher Education, or their designees.

3. The Study Commission shall organize as soon as practicable after the appointment of its members. In the absence of the Chairperson, the Vice Chairperson shall have all powers and duties of the Chairperson. The Commission shall meet periodically and conduct its affairs in a timely manner.

4. The Study Commission shall investigate the nature and scope of any discriminatory practices in the letting of construction and procurement public works contracts by the State of New Jersey. The Commission shall gather existing data, reports and studies and shall prepare an analysis of this information in order to develop probative evidence of any prior or present discrimination in public works procurement and construction contracts awarded by the State. The Study Commission shall compare the percentage of minority and female businesses in the State qualified to receive public contract awards to the percentage of State construction and purchase contracts awarded to minority and female businesses and shall investigate the State's participation, active or passive, past or present, with private industry, unions or others in excluding minorities and
female businesses from public works procurement and construction projects.

5. Where the Study Commission finds evidence of discriminatory practices in State contracting, it shall identify and evaluate remedies for these practices consistent with guidelines established by the Supreme Court in *Croson*. In considering the use of minority or female business set-asides, the Study Commission shall evaluate the effectiveness of the State’s experience in the use of set-aside programs to remedy discrimination. The Study Commission shall also evaluate and make recommendations concerning the geographic locations of businesses that should be included in any set-aside programs and mechanisms that will ensure effective implementation and enforcement of any set-aside programs.

6. The Study Commission is authorized to call upon any department, office, division or agency of this State to supply it with data, and any other information, personnel or assistance it deems necessary to discharge its duties under this Order. Each department, office, division or agency of this State is hereby required, to the extent not inconsistent with law, to cooperate with the Study Commission to furnish it with such information, personnel and assistance as is necessary to accomplish the purpose of this Order. The Attorney General shall act as legal counsel to the Study Commission.

7. The Study Commission shall report its findings and recommendations concerning past and present discriminatory practices in public works procurement and construction contracts to the Governor no later than six months after the effective date of this Order.

8. Each department, office, division, agency or authority of this State responsible for the administration of a minority or women’s set-aside program shall seek the advice of the Attorney General as to the legality of the set-aside programs it administers and shall undertake any and all measures necessary to implement in a legally valid manner those programs or other comparable programs designed to meet the objectives set forth in this Order.

9. This Order shall take effect immediately and shall expire six months after its effective date.

Issued August 14, 1989.

EXECUTIVE ORDER No. 215

WHEREAS, The protection of the environment, which is the subject of a public trust administered by government for the benefit of all citizens, is a primary responsibility of State government; and

WHEREAS, Government must not only regulate but also must provide an example in the effort to protect the human environment and the natural resources of the State; and

...
WHEREAS, The design and location of projects initiated or funded by departments, agencies or authorities of State government may have significant primary and consequential effects on the environment; and

WHEREAS, The protection of the environment, the management of development, and the prudent use of the State's limited land and other resources will be fostered by the proper location and design of projects initiated or funded by departments, agencies or authorities of State government; and

WHEREAS, The potentially adverse environmental impact of projects initiated or funded by departments, agencies or authorities of State government can be substantially reduced or eliminated if that impact is assessed before the approval of such project and agreement reached on the ways and means to ensure environmental compatibility;

NOW, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:

1. All departments, agencies and authorities of the State shall prepare and submit to the Department of Environmental Protection an environmental assessment or environmental impact statement, as specified below, in support of major construction projects. Projects directly initiated by departments, agencies, or authorities of the State, as well as projects in which the State departments, agencies or authorities are granting at least 20 percent financial assistance, shall comply with this Order.

For the purpose of determining an appropriate level of review, projects shall be categorized as follows:

a) Level 1—projects with anticipated construction costs in excess of $1 million shall be subject to the preparation of an environmental assessment. The assessment shall follow guidelines prepared by the Department of Environmental Protection, attached herewith to this Order. Alternatively, environmental assessments prepared to support a “Finding of No Significant Impact” under the National Environmental Policy Act may be substituted for an assessment otherwise required pursuant to the attached Department of Environmental Protection guidelines; or

b) Level 2—projects with both construction costs in excess of $5 million and land disturbance in excess of five acres shall be subject
to the preparation of an environmental impact statement. The statement shall follow guidelines prepared by the Department of Environmental Protection, attached herewith to this Order.

2. The assessment or impact statement shall be submitted by the proposing or granting department, agency or authority and reviewed by the Department of Environmental Protection as early in the project planning and design process as possible, but in all cases such submission and the review process which follows must be completed prior to commencing site preparation and/or construction activity on the project. In the case of any project to be funded by a department, agency, or authority of the State, review of the assessment or impact statement must be completed by the Department of Environmental Protection prior to awarding any financial assistance for the commencement of site preparation and/or construction activity.

3. Upon receipt of an environmental assessment or impact statement the Department of Environmental Protection shall undertake a review to determine whether the documents submitted are administratively complete. Within 20 days of receipt, the Department of Environmental Protection shall either certify that the environmental assessment or impact statement is administratively complete and conforms to the guidelines attached herewith to this Order, or specify in writing to the proposing or granting department, agency, or authority that the environmental assessment or impact statement is administratively deficient. If deemed deficient, the proposing or granting department, agency or authority shall correct such deficiency or deficiencies as specified by the Department of Environmental Protection and may resubmit the environmental assessment or impact statement at any time thereafter for review by the Department. Within sixty (60) days of the Department of Environmental Protection’s receipt of an environmental assessment or impact statement determined to be administratively complete, the Department shall conclude its review of such assessment or impact statement. If the Department of Environmental Protection has not concluded its review of the assessment or impact statement within this 60-day period, the project shall be deemed approved.

4. Upon concluding its review, the Department of Environmental Protection shall provide a written response to the proposing or granting department, agency or authority. The response shall include the following:

a) identification of any probable adverse environmental impacts that could be expected from project implementation;
b) an identification of any Department of Environmental Protection permits or regulatory requirements which will be applicable to the proposed project; and

c) recommendations including, but not limited to:

i) approval based on the representations made in the assessment or impact statement;

ii) conditional approval, including receipt of permits and/or measures to reduce and/or mitigate the anticipated impacts to an acceptable level;

iii) an additional impact assessment on one or more specific environmental consequences;

iv) project modification to avoid adverse environmental impacts; and

v) major restructuring of the project.

5. WHEREAS, A scientific consensus exists that emissions of certain gases, including carbon dioxide, methane, nitrous oxide, chlorofluorocarbons (hereinafter “CFCs”), and halons are causing significant changes in the composition of the Earth’s atmosphere; and

WHEREAS, A scientific consensus also exists that these emissions are likely to cause significant changes in the Earth’s climate, including overall warming, increased drought, an increase in the intensity of hurricanes and other major storms, as well as increased incidence of harmful ultraviolet radiation; and

WHEREAS, These climatic changes are predicted to result in increases in sea levels, geographic shifts in the habitats of many plants and animals, and the extinction of potentially large numbers of species; and

WHEREAS, Reductions in emissions of these gases can diminish the overall magnitude and rate of climatic changes, as well as reduce the depletion of stratospheric ozone; and

WHEREAS, Energy conservation can achieve significant reductions in emissions of carbon dioxide, a necessary byproduct of the combustion of fossil fuels and a major contributor to global climate change; and

WHEREAS, Protection of the social, economic and environmental interests of the citizens of New Jersey requires the State to implement policies and regulatory practices that will serve the dual purpose of reducing such emissions and of facilitating adaptation to those changes that are predicted to occur; and

WHEREAS, The public’s understanding of the causes of global climate change and ozone depletion and possible responses thereto is essential to ensuring that appropriate steps are taken; and

WHEREAS, The public sector, including all departments, agencies and offices of State government, including State universities and colleges (hereinafter “State entities”), should provide an example to guide the private sector in the adoption of measures to minimize the contribution to climatic change from sources in New Jersey;

NOW, THEREFORE, I, Thomas H. Kean, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and statutes of this State, do hereby ORDER and DIRECT:
1. State entities shall foster energy conservation to the maximum extent practicable, in order to reduce emissions of carbon dioxide and other gases that contribute to global climate change.
   a. All State entities with responsibility for constructing, purchasing, leasing, operating or maintaining capital facilities and equipment shall employ state-of-the-art equipment for efficient heating, ventilation, air conditioning and lighting, and in other major energy using applications, where such equipment or techniques will result in lower costs over the lifetime of the equipment.
   b. All State entities exercising regulatory authority over actions that directly or indirectly relate to the production or consumption of energy shall review their policies and regulatory practices to ensure that they provide maximum incentives designed to conserve energy and increase reliance upon sources of energy that contribute fewer emissions of those gases responsible for global climate change.

2. All State entities that use or purchase CFCs and halons or that use, purchase, or maintain equipment that contains CFCs or halons, shall investigate the use of all practicable and safe alternatives to those compounds and ensure that emissions and losses of those compounds, including those occurring during maintenance, are reduced to the maximum extent practicable.

3. The Department of Environmental Protection shall investigate the feasibility of regulatory controls to reduce the use and release of CFCs and halons in New Jersey and make recommendations for any necessary regulatory or legislative action.

4. All State entities with responsibility for the maintenance of State property shall promote the absorption of carbon dioxide by maximizing the planting of trees and ensuring at least one-for-one replacement (either on-site or elsewhere) for trees lost as a result of construction or other activity which requires or results in loss of trees.

5. All State entities with responsibility for policies or regulations affecting the location, construction or maintenance of public or private facilities (including residential developments) shall:
   a. Ascertain the degree to which those facilities will be affected by predicted changes in sea level; and
   b. Develop policies, in consultation with the general public and other governmental entities, to respond to such predicted changes in sea level.
6. All State entities with responsibility for the purchase or protection of land for the purposes of open space protection or related objectives shall, as appropriate, undertake such acquisition or protection activities in a manner that furthers the creation of corridors of linked public and private open spaces known as "greenways," which aid the adaptation of natural systems by providing corridors for migration as climatic conditions change.

7. All State entities shall review their programs designed to facilitate public awareness of environmental issues and revise such programs to ensure, to the maximum extent practicable, the effective communication of information that will enhance the public's understanding of the basic processes involved in global climate change, the causes of such change, and possible approaches to reducing and adapting to such change.

8. This Order shall take effect immediately.

Issued October 23, 1989.

Kean hereby issues the following Reorganization Plan (No. 001—1989) to coordinate and consolidate the delivery of certain services to persons who are deaf or hard of hearing in a single department by transferring the Division of the Deaf in the Department of Labor to the Department of Human Services, while retaining certain employment and training services for this population in the Department of Labor.

General Statement of Purpose
Pursuant to its existing statutory authority, it is the duty of the Division of the Deaf to perform the collection and tabulation of statistics pertaining to the deaf, their employment and welfare; ascertain by annual review of the New Jersey job market what trades or occupations are most suitable for the deaf; arrange for Statewide vocational retraining as necessary; create new fields of employment to which the deaf may adapt themselves and place deaf persons in such lines of employment; and maintain an interpreter referral service. In addition, the Division of the Deaf may investigate and file complaints with the Division of Civil Rights in the Department of Law and Public Safety on behalf of deaf persons and assist them in any subsequent proceedings involving acts of discrimination against them by employers, industries, corporations, or organizations with whom they may seek employment, including the State. The Division is also charged with promoting the general welfare of the deaf population within the State, increasing the employability of deaf persons, and seeking the cooperation of State departments and agencies so that deaf persons may be employed in State government, or any subdivision thereof. Finally, this Division shall make reports and recommendations as necessary to advance the best interests of the Division and of deaf persons in the State in general.
The purpose of this Reorganization Plan is to consolidate the delivery of social services to persons who are deaf or hard of hearing within a single State agency by transferring the Division of the Deaf in the Department of Labor to the Department of Human Services. This Plan will enable deaf and hard of hearing persons to benefit from better access to social services and activities offered by the Department of Human Services. Specifically, these services are currently provided within the Department of Human Services by the Division of Developmental Disabilities, Division of Mental Health and Hospitals, Division of Youth and Family Services, Division of Medical Assistance and Health Services, Division of Public Welfare, Commission for the Blind and Visually Impaired and the Office of Education. This transfer will also allow greater coordination between these various divisions and offices and the State's deaf and hard of hearing population. In addition, the Department of Human Services will be able to better coordinate the delivery of these social services with activities and services provided to the deaf or hard of hearing by other State departments. These various other activities and services include vocational training, vocational rehabilitation, educational services and investigatory activities. Finally, this transfer will advance the sharing of expertise among State officials involved in the delivery of services to persons who are deaf or hard of hearing.

This Reorganization Plan also, however, recognizes the Department of Labor's continuing role in the delivery of employment and training services to the deaf and hard of hearing population. To that end, this reorganization transfers certain existing employment and training functions of the Division of the Deaf to the Division of Vocational Rehabilitation in the Department of Labor.

In accordance with the provisions of the “Executive Reorganization Act of 1969.” P.L.1969, c.203 (C.52:14C-1 et seq.), I find with respect to each reorganization included in this Plan that each is necessary to accomplish the purposes set forth in section 2 of that Act and will do the following:

1. It will promote better execution of the laws and more effective management by the Executive Branch of its departments by consolidating the delivery of social services to the deaf and hard of hearing population within one State agency.

2. It will promote economy and efficiency in the operation of the Executive Branch through a sharing of expertise among State officials involved in the delivery of services to deaf or hard of hearing persons.
3. It will group, coordinate, and consolidate functions of the Executive Branch in a more consistent and practical way.

4. It will eliminate overlapping and duplication of effort by locating these entities for the delivery of social services to the deaf and hard of hearing within one department.

The provisions of the Reorganization Plan are as follows:

i. 1.a. The Division of the Deaf in the Department of Labor, created pursuant to P.L.1941, c.197, as amended by P.L.1977, c.166, §2 (C.34:1-69.1), together with all its functions, powers and duties as set forth in P.L.1941, c.197, as amended by P.L.1977, c.166, §4 (C.34:1-69.3), is continued and, except as otherwise indicated in Section III of this Plan, this Division is transferred to and constituted the Division of the Deaf and Hard of Hearing in the Department of Human Services.

b. The Division of the Deaf and Hard of Hearing shall be under the immediate supervision of a director who shall administer the work of the Division under the direction and supervision of the Commissioner of Human Services and shall perform such other functions of the Department as the Commissioner may prescribe.

c. The Commissioner shall organize the work of the Division of the Deaf and Hard of Hearing and establish therein such administrative subdivisions as he may deem necessary, proper and expedient.

d. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Division of the Deaf in the Department of Labor, the same shall mean and refer to the Division of the Deaf and Hard of Hearing in the Department of Human Services; except that with regard to the functions, powers and duties contained in Section III of this Plan, references to the Division of the Deaf in the Department of Labor shall mean and refer to the Division of Vocational Rehabilitation in the Department of Labor.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will confer on the Department of Human Services the necessary authority to implement the important goals of coordinating and integrating the delivery of social services to persons who are deaf or hard of hearing. This Plan will provide the State's deaf and hard of hearing population with greater access to the social services and activities currently provided by the Department of Human Services.

b. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Advisory Council on the Deaf in the Department of Labor, the same shall mean and refer to the Advisory Council on the Deaf and Hard of Hearing in the Department of Human Services.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will provide the Commissioner of Human Services with a body that can advise him regarding the accessibility of social services to the State’s deaf and hard of hearing population.

III. The following functions, powers and duties heretofore exercised by the Division of the Deaf in the Department of Labor are hereby transferred to the Division of Vocational Rehabilitation in the Department of Labor: collection and tabulation of statistics pertaining to the deaf, their employment and welfare; annual review of the New Jersey job market to determine what trades or occupations are most suitable for the deaf; arrangement for Statewide vocational retraining as necessary; and creation of new fields of employment to which the deaf may adapt themselves and placement of deaf persons in such lines of employment.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L.1969, c.203. Specifically, this reorganization will group, coordinate and consolidate functions of the Executive in a more consistent and practical way by retaining certain employment and training functions in the Department of Labor. This Plan will, therefore, provide the State’s deaf and hard of hearing population with continued access to the employment and training services currently offered by the Department of Labor.

IV. All transfers directed by this Act shall be made in accordance with the “State Agency Transfer Act,” P.L.1971, c.375 (C.52:14D-1 et seq.).

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies. A copy of this Reorganization Plan was filed on
February 27, 1989 with the Secretary of State and the Office of Administrative Law. This Plan shall become effective in 60 days on April 28, 1989 unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or at a date later than April 28, 1989 should the Governor establish such a later date for the effective date of the Plan by Executive Order.

TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the pamphlet laws under a heading of "Reorganization Plans."

Reorganization Plans
The Board of Public Utilities

NOTICE OF A PLAN FOR THE REORGANIZATION AND COORDINATION OF RESPONSIBILITY FOR CERTAIN ENERGY MATTERS WITHIN THE BOARD OF PUBLIC UTILITIES

Take notice that on June 15, 1989, Governor Thomas H. Kean hereby issues the following Reorganization Plan (No. 002—1989) to provide for the increased coordination and integration of the State's energy regulation, planning and policy formation by the State through the transfer of the Division of Energy Planning and Conservation from the Department of Commerce, Energy and Economic Development to the Board of Public Utilities.

General Statement of Purpose

Based on present statutory authority, it is the responsibility of the Division of Energy Planning and Conservation, among other things, to gather, analyze and evaluate energy data, prepare the State Energy Master Plan for adoption by the Energy Master Plan Committee, determine the need for and proper siting of energy facilities,
administer the Certificate of Need process for electric facilities, administer the Energy Conservation Bond Fund, administer energy emergency planning and enforce the Comprehensive Energy Conservation Program.

The purpose of this reorganization is to coordinate the energy supply policies of this State with the regulation of energy companies as public utilities. This integration will ensure that all sectors of the State's economy are supplied with the most reasonably priced sources of energy consistent with maintaining environmental standards. This Plan will also unite the planning and regulatory functions of State government with respect to cogeneration and independent power producers to create a more predictable environment for investment decisions in energy facilities by the public utilities and private sector. This Plan will help create an active process for the planning of how to meet energy needs in the State.

In accordance with the provisions of the "Executive Reorganization Act of 1969," P.L.1969, c.203 (C.52:14C-1 et seq.), I find with respect to each reorganization element included in this Plan, and detailed herein, that each is necessary to accomplish the purposes set forth in section 2 of that Act and that the reorganization will accomplish the following purposes:

1. Promote more effective management of the Executive Branch and its departments because it will coordinate the planning and regulation of energy in one agency;
2. Reduce expenditures by more closely aligning similar functions;
3. Eliminate duplication and overlapping of certain functions; and
4. Result in the integration of energy, economic and environmental planning and coordination.

The provisions of the Reorganization Plan are as follows:

REORGANIZATION PLAN

P.L.1977, c.146, §12 (C.52:27F-14); P.L.1977, c.146, §13 (C.52:27F-15); N.J.S.18A:18A-42 as amended by P.L.1984, c.49, is continued and this Division is transferred to and designated the Division of Energy Planning and Conservation within the Board of Public Utilities.

b. The Division of Energy Planning and Conservation shall be under the supervision of the Director appointed pursuant to C.52:27H-20.1, who shall administer the work of the Division under the supervision and direction of the Board of Public Utilities and perform such other functions as the Board of Public Utilities may prescribe.

c. Whenever in any statute, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise reference is made to the Division of Energy Planning and Conservation in the Department of Commerce, Energy and Economic Development, the same shall mean the Division of Energy Planning and Conservation within the Board of Public Utilities.

I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, as mentioned before, this reorganization will coordinate the energy supply policies of this State with environmental goals, utility rates and tariffs. Some of the functions, powers and duties transferred include:

a. The responsibility and authority of the Division of Energy Planning and Conservation to intervene in proceedings of State instrumentalities which regulate energy producers or distributors as set forth in P.L.1977, c.146, §13 (C.52:27F-15);

b. The responsibility and authority requiring the periodic reporting by energy industries of energy information, set forth in P.L.1977, c.146, §16 (C.52:27F-15); and

c. The responsibility and authority for energy emergency planning and preparedness.

b. Whenever, in any law, rule, regulation, order, contract, document, judicial proceeding or otherwise reference is made to the Advisory Council on Energy Planning and Conservation in the Department of Commerce, Energy and Economic Development, the same shall mean the Advisory Council on Energy Planning and Conservation in the Division of Energy Planning and Conservation within the Board of Public Utilities.

I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, as a result of this reorganization, the Advisory Council on Energy Planning and Conservation will continue to advise the Director of the Division of Energy Planning and Conservation with respect to the regulated and nonregulated elements of energy supply and demand.

III. 1. The responsibility of the Commissioner of Commerce, Energy and Economic Development to serve on and act as chairperson for the Energy Master Plan Committee established by P.L.1987, c.365, §14, is hereby transferred to the President of the Board of Public Utilities. Assistance provided to the Energy Master Plan Committee by the Division of Energy Planning and Conservation within the Department of Commerce, Energy and Economic Development shall hereinafter be provided by the Division of Energy Planning and Conservation within the Board of Public Utilities.

I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, this reorganization will ensure that the Energy Master Plan will continue to guide all sectors of the State in planning and implementing least-cost planning strategies for meeting our energy service needs.

IV. 1. All property, records and personnel of the Division of Energy Planning and Conservation shall be transferred with the Division of Energy Planning and Conservation to the Board of Public Utilities.

I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, this transfer will ensure the continued efficient operation of the Division of Energy Planning and Conservation.

V. 1. All unexpended balances of appropriations, and of other funds, shall be transferred with the Division of Energy Planning and Conservation to the Board of Public Utilities. Furthermore, all unexpended balances so transferred may only be used for the purposes originally appropriated.
I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, this transfer will ensure that monies appropriated for either projects, programs, planning or other endeavors may be spent for those purposes originally appropriated.

VI. 1. The enforcement and penalty authority section set forth in section 19 (C.52:27F-21), section 21 (C.52:27F-23) and section 22 (C.52:27F-24) of P.L.1977, c.146, is hereby transferred to the Board of Public Utilities.

I find that this reorganization is necessary to accomplish the purposes set forth in P.L.1969, c.203, §2. Specifically, the transfer of this enforcement authority is necessary to best administer and execute effectively the other powers and responsibilities transferred to the Board of Public Utilities by this Plan.

VII. 1. All transfers directed by this Act shall be made in accordance with the “State Agency Transfer Act,” P.L.1971, c.375 (C.52:14D-1 et seq.).

All acts and parts of acts inconsistent with any of the provisions of the Reorganization Plan are superseded to the extent of such inconsistencies. A copy of this Reorganization Plan was filed on June 15, 1989 with the Secretary of State and the Office of Administrative Law. The Plan shall become effective in 60 days, on August 14, 1989, unless disapproved by each House of the Legislature by the passage of a Concurrent Resolution stating in substance that the Legislature does not favor this Reorganization Plan, or that at a date later than August 14, 1989, should the Governor establish such a later date for the effective date of the Plan by Executive Order.

TAKE NOTICE that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the pamphlet laws under a heading of “Reorganization Plans.”
