ACTS
ENACTED BY THE
First Annual Session
OF THE
Two Hundred and Third Legislature

CHAPTER 1

AN ACT concerning county and municipal budgets for the 1988 local budget year.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Notwithstanding the provisions of any law to the contrary, the dates concerning the introduction and approval and adoption of local budgets for 1988 shall be as follows:

   a. The governing body shall introduce and approve the annual budget:

      (1) In the case of a county, not later than February 12, of the fiscal year; and

      (2) In the case of a municipality, not later than February 26, of the fiscal year.

   b. The budget shall be adopted in the case of a county not later than March 18, and the case of a municipality not later than March 31 of the fiscal year, except that the governing body may adopt the budget at any time within 10 days after the Director of the Division of Local Government Services in the Department of Community Affairs has certified his approval thereof and returned the same, if the certification is later than the date of the advertised hearing.

2. Notwithstanding the provisions of any law to the contrary, the dates concerning budget transmission to the county board of taxation, county board advisement to the director of the failure to receive a budget, and the filling out of the table of aggregates for late budgets for the year 1988 shall be as follows:
a. The clerk of the local unit shall transmit a certified copy of
the budget, as adopted, to the county board of taxation not later than
April 14 of the fiscal year.

b. Where the county board of taxation has not received a copy
of the budget resolution or other evidence showing the amount to be
raised by taxation for the purposes of a taxing district not later than
April 14 of the fiscal year, the board shall immediately notify the
director of that failure.

c. Immediately upon receipt of the director's certificate and in
any event on or before April 21 of the fiscal year, the county board
of taxation shall fill out the table of aggregates required by R.S.
54:4-52 and shall determine the amount of "other local taxes" for
the year based upon the certificate of the director.

If the local unit has adopted a budget for the fiscal year and has
transmitted a certified copy thereof to the county board on or before
April 21 of the fiscal year, the board may substitute the adopted
budget in the place of the amount certified by the director, but no
substitution shall be made after April 21 of the fiscal year.

3. Notwithstanding the provisions of any law to the contrary, the
date concerning the preparation of the table of aggregates for the year
1988 shall be extended to May 10.

In the event a county board of taxation is unable to prepare the
table of aggregates on or before May 10 due to failure of any of the
several taxing districts of the county to transmit an adopted budget
showing the amount to be raised by taxation for the purposes of the
taxing district, the board shall prepare a certified schedule of the
general tax rate for each of those taxing districts which has submitted
an adopted budget. Each certified schedule so prepared shall be
signed by the members of the county board of taxation and, within
three days thereafter, shall be transmitted to the Director of the
Division of Taxation, the county treasurer and the clerk and tax
collector of the affected municipality.

4. Notwithstanding the provisions of any law to the contrary, the
date concerning the delivery of the corrected, revised and completed
duplicates by the county board of taxation to the collectors of the
various taxing districts in the county for the year 1988 shall be May
20.

5. The governing body may and, if any contracts, commitments
or payments are to be made prior to the adoption of the 1988 budget,
shall, by resolution, adopted prior to March 1, 1988 make appropri-
tions, in addition to any temporary appropriations made pursuant
to N.J.S. 40A:4-19, to provide for the period between February 25,
in the case of a county, or March 20, in the case of a municipality,
and the adoption of the 1988 budget. The total of the appropriations
so made shall not exceed 1/12 of the total of the appropriations made
for all purposes in the budget for the 1988 fiscal year, excluding, in
both instances, appropriations made for the interest and debt re-
demption charges, capital improvement fund and public assistance.

6. Notwithstanding the provisions of section 1 of P.L. 1979, c. 268
(C. 40A:4-45.3a) to the contrary, any referendum conducted during
the 1988 budget year by a municipality pursuant to subsection i. of
section 3 of P.L. 1976, c. 68 (C. 40A:4-45.3), for the purpose of
requesting approval for increasing the municipal budget by more
than 5% over the previous year's final appropriations, shall be held
on Tuesday, February 23, or Tuesday, March 22, 1988, as the govern-
ing body shall determine. The municipal budget proposing the in-
crease shall be introduced and approved in the manner otherwise
provided in N.J.S. 40A:4-5 at least 20 days prior to the date on which
the referendum is to be held, and shall be published in the manner
otherwise provided in N.J.S. 40A:4-6 at least 12 days prior to the
referendum date.

7. Notwithstanding the provisions of N.J.S. 40A:4-27 or of any
other law to the contrary, a local unit may anticipate as a mis-
cellaneous revenue in its 1988 budget the total amount of all pay-
ments due and payable to the local unit during the fiscal year,
directly or indirectly as a result of the sale of property by the local
unit, when the obligation to make the payment is entered into prior
to February 20, 1988.

h. "Farmland preservation program" or "municipally approved farmland preservation program" (hereinafter referred to as municipally approved program) means any voluntary program, the duration of which is at least 8 years, authorized by law enacted subsequent to the effective date of the "Farmland Preservation Bond Act of 1981," P.L. 1981, c. 276, which has as its principal purpose the long-term preservation of significant masses of reasonably contiguous agricultural land within agricultural development areas adopted pursuant to this act and the maintenance and support of increased agricultural production as the first priority use of that land. Any municipally approved program shall be established pursuant to section 14 of this act;

2. Section 4 of P.L. 1983, c. 32 (C. 4:1C-8) is amended to read as follows:

C. 4:1C-8 Use of appropriations.

4. The secretary shall use the sum of money appropriated by section 31 of this act, and any other sums as may be appropriated from time to time for like purposes, to assist the committee in administering the provisions of this act to make grants to assist boards or any other local units as authorized herein, to acquire development easements, to purchase fee simple absolute titles to farmland for resale with agricultural deed restrictions for farmland preservation purposes, and to make grants to landowners to fund soil and water conservation projects, on land devoted to farmland preservation programs within duly certified agricultural development areas.

With respect to moneys to be utilized to make grants for soil and water conservation projects, the secretary shall not approve any grant unless it shall be for a project which is also part of a farm conservation plan approved by the local soil conservation district.

3. Section 24 of P.L. 1983, c. 32 (C. 4:1C-31) is amended to read as follows:

C. 4:1C-31 Development easement purchases.

24. a. Any landowner applying to the board to sell a development easement pursuant to section 17 of this act shall offer to sell the development easement at a price which, in the opinion of the land-
owner, represents a fair value of the development potential of the land for nonagricultural purposes, as determined in accordance with the provisions of this act.

b. Any offer shall be reviewed and evaluated by the board and the committee in order to determine the suitability of the land for development easement purchase. Decisions regarding suitability shall be based on the following criteria:

(1) Priority consideration shall be given, in any one county, to offers with higher numerical values obtained by applying the following formula:

\[
\text{nonagricultural development value} - \frac{\text{agricultural value}}{\text{landowner's asking price}} - \frac{\text{nonagricultural development value}}{\text{agricultural value}}
\]

(2) The degree to which the purchase would encourage the survivability of the municipally approved program in productive agriculture; and

(3) The degree of imminence of change of the land from productive agriculture to nonagricultural use.

The board and the committee shall reject any offer for the sale of development easements which is unsuitable according to the above criteria and which has not been approved by the board and the municipality.

c. Two independent appraisals paid for by the board shall be conducted for each parcel of land so offered and deemed suitable. The appraisals shall be conducted by independent, professional appraisers selected by the board and the committee from among members of recognized organizations of real estate appraisers. The appraisals shall determine the current overall value of the parcel for nonagricultural purposes, as well as the current market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the development easement. If a development easement is purchased using moneys appropriated from the fund, the State shall provide no more than 80%, except 100% under emergency conditions specified by the committee pursuant to rules or regulations, of the cost of the appraisals conducted pursuant to this section.

d. Upon receiving the results of the appraisals, the board and the
committee shall compare the appraised value and the landowner’s offer and, pursuant to the suitability criteria established in subsection b. of this section:

(1) Approve the application to sell the development easement and rank the application in accordance with the criteria established in subsection b. of this section; or

(2) Disapprove the application, stating the reasons therefor.

e. Upon approval by the committee and the board, the secretary is authorized to provide the board, within the limits of funds appropriated therefor, an amount equal to no more than 80%, except 100% under emergency conditions specified by the committee pursuant to rules or regulations, of the purchase price of the development easement, as determined pursuant to the provisions of this section. The board shall provide its required share and accept the landowner’s offer to sell the development easement. The acceptance shall cite the specific terms, contingencies and conditions of the purchase.

f. The landowner shall accept or reject the offer within 30 days of receipt thereof. Any offer not accepted within that time shall be deemed rejected.

g. Any landowner whose application to sell a development easement has been rejected for any reason other than insufficient funds may not reapply to sell a development easement on the same land within two years of the original application.

h. No development easement shall be purchased at a price greater than the appraised value determined pursuant to subsection c. of this section.

i. The appraisals conducted pursuant to this section or the fair market value of land restricted to agricultural use shall not be used to increase the assessment and taxation of agricultural land pursuant to the “Farmland Assessment Act of 1964,” P.L. 1964, c. 48 (C. 54:4-23.1 et seq.).

4. Section 28 of P.L. 1983, c. 32 (C. 4:1C-35) is amended to read as follows:

C. 4:1C-35 Appraisal of value of donation.

28. If a person wishes to donate all or a portion of the value of the development easement to the board, the value of the donation shall be appraised pursuant to the provisions of section 24 of this
act. This requirement shall apply only if the board is requesting State funds. In order to qualify for State funds, pursuant to the provisions of this act, the county shall make up the difference between its required share of the total appraised value of the easement and the appraised value of the donation. In the event the value of the donation exceeds the required county share, the amount in excess shall be deducted from the State share.

C. 4:1C-31.1 Fee simple absolute purchases.

5. a. Any landowner of farmland within an agricultural development area certified by the committee may apply to the committee to sell the fee simple absolute title at a price which, in the opinion of the landowner, represents a fair market value of the property.

b. The committee shall evaluate the offer to determine the suitability of the land for purchase. Decisions regarding suitability shall be based on the eligibility criteria for the purchase of development easements listed in subsection b. of section 24 of P.L. 1983, c. 32 (C. 4:1C-31) and the criteria adopted by the committee and the board of that county. The committee shall also evaluate the offer taking into account the amount of the asking price, the asking price relative to other offers, the location of the parcel relative to areas targeted within the county by the board and among the counties, and any other criteria as the committee has adopted pursuant to rule or regulation. The committee may negotiate reimbursement with the county and include the anticipated reimbursement as part of the evaluation of an offer.

c. The committee shall rank the offers according to the criteria to determine which, if any, should be appraised. The committee shall reject any offer for the purchase of fee simple absolute title determined unsuitable according to any criterion in this subsection or adopted pursuant to this subsection, or may defer decisions on offers with a low ranking. The committee shall state, in writing, its reasons for rejecting an offer.

d. Appraisals of the parcel shall be conducted to determine the fair market value according to procedures adopted by regulation by the committee.

e. The committee shall notify the landowner of the fair market value and negotiate for the purchase of the title in fee simple absolute.

f. Any land acquired by the committee pursuant to the provisions
of this amendatory and supplementary act shall be held of record in the name of the State and shall be offered for resale by the State, notwithstanding any other law, rule or regulation to the contrary, within a reasonable time of its acquisition with agricultural deed restrictions for farmland preservation purposes as determined by the committee pursuant to the provisions of this act.

\textbf{g.} The committee shall be responsible for the operation and maintenance of lands acquired and shall take all reasonable steps to maintain the value of the land and its improvements.

\textbf{h.} To the end that municipalities may not suffer loss of taxes by reason of acquisition and ownership by the State of New Jersey of property under the provisions of this act, the State shall pay annually on October 1 to each municipality in which property is so acquired and has not been resold a sum of money equal to the tax last assessed and last paid by the taxpayer upon this land and the improvement thereon for the taxable year immediately prior to the time of its acquisition. In the event that land acquired by the State pursuant to this act had been assessed at an agricultural and horticultural use valuation in accordance with provisions of the “Farmland Assessment Act of 1964,” P.L. 1964, c. 48 (C. 54:4-23.1 et seq.), at the time of its acquisition by the State, no rollback tax pursuant to section 8 of P.L. 1964, c. 48 (C. 54:4-23.8) shall be imposed as to this land nor shall this rollback tax be applicable in determining the annual payments to be made by the State to the municipality in which this land is located.

All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of these municipalities, and to accomplish this end the sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

b. Subject to the limits imposed by this act, to determine the amount and scope of services to be covered, that the amounts to be paid are reasonable, and the duration of medical assistance to be furnished; provided, however, that the department shall provide medical assistance on behalf of all recipients of categorical assistance and such other related groups as are mandatory under federal laws and rules and regulations, as they now are or as they may be hereafter amended, in order to obtain federal matching funds for such purposes and, in addition, provide medical assistance for the foster children specified in section 3i.(7) of this act. The medical assistance provided for these groups shall not be less in scope, duration, or amount than is currently furnished such groups, and in addition, shall include at least the minimum services required under federal laws and rules and regulations to obtain federal matching funds for such purposes.

The commissioner is authorized and empowered, at such times as he may determine feasible, within the limits of appropriated funds for any fiscal year, to extend the scope, duration, and amount of medical assistance on behalf of these groups of categorical assistance recipients, related groups as are mandatory, and foster children authorized pursuant to section 3i.(7) of this act, so as to include, in whole or in part, the optional medical services authorized under federal laws and rules and regulations, and the commissioner shall

The division shall take action to recover the cost of benefits from a recipient, legally responsible relative, representative payee, or any other party or parties whose action or inaction resulted in the incorrect or illegal payments or who received the benefit of the divestiture, or from their respective estates, as the case may be and to assess and collect the penalties as are provided for herein, except that no lien shall be imposed against property of the recipient prior to his death except in accordance with section 17 of P.L. 1968, c. 413 (C. 30:4D-17). No recovery action shall be initiated more than five years after an incorrect payment has been made to a recipient when the incorrect payment was due solely to an error on the part of the State or any agency, agent or subdivision thereof;

j. To take all necessary action to recover the cost of benefits correctly provided to a recipient from the estate of said recipient in accordance with sections 6 through 12 of this amendatory and supplementary act;

k. To take all reasonable measures to ascertain the legal or equitable liability of third parties to pay for care and services (available under the plan) arising out of injury, disease, or disability; where it is known that a third party has a liability, to treat such liability as a resource of the individual on whose behalf the care and services are made available for purposes of determining eligibility; and in any case where such a liability is found to exist after medical assistance has been made available on behalf of the individual, to seek reimbursement for such assistance to the extent of such liability;

l. To compromise, waive or settle and execute a release of any claim arising under this act including interest or other penalties, or designate another to compromise, waive or settle and execute a release of any claim arising under this act. The commissioner or his designee whose title shall be specified by regulation may compromise, settle or waive any such claim in whole or in part, either in the interest of the Medicaid program or for any other reason which the commissioner by regulation shall establish;
m. To pay or credit to a provider any net amount found by final audit as defined by regulation to be owing to the provider. Such payment, if it is not made within 45 days of the final audit, shall include interest on the amount due at the maximum legal rate in effect on the date the payment became due, except that such interest shall not be paid on any obligation for the period preceding September 15, 1976. This subsection shall not apply until federal financial participation is available for such interest payments;

n. To issue, or designate another to issue, subpenas to compel the attendance of witnesses and the production of books, records, accounts, papers and documents of any party, whether or not that party is a provider, which directly or indirectly relate to goods or services provided under this act, for the purpose of assisting in any investigation, examination, or inspection, or in any suspension, debarment, disqualification, recovery, or other proceeding arising under this act;

o. To solicit, receive and review bids pursuant to the provisions of P.L. 1954, c. 48 (C. 52:34-6 et seq.) and all amendments and supplements thereto, by any corporation doing business in the State of New Jersey, including nonprofit hospital service corporations, medical service corporations, health service corporations or dental service corporations incorporated in New Jersey and authorized to do business pursuant to P.L. 1938, c. 366 (C. 17:48-1 et seq.), P.L. 1940, c. 74 (C. 17:48A-1 et seq.), P.L. 1985, c. 236 (C. 17:48E-1 et seq.), or P.L. 1968, c. 305 (C. 17:48C-1 et seq.), and to make recommendations in connection therewith to the State Medicaid Commission;

p. To contract, or otherwise provide as in this act provided, for the payment of claims in the manner approved by the State Medicaid Commission;

q. Where necessary, to advance funds to the underwriter or fiscal agent to enable such underwriter or fiscal agent, in accordance with terms of its contract, to make payments to providers;

r. To enter into contracts with federal, State, or local governmental agencies, or other appropriate parties, when necessary to carry out the provisions of this act;

s. To assure that the nature and quality of the medical assistance provided for under this act shall be uniform and equitable to all recipients;
t. To provide for the reimbursement of State and county-administered skilled nursing and intermediate care facilities through the use of a governmental peer grouping system, subject to federal approval and the availability of federal reimbursement.

(1) In establishing a governmental peer grouping system, the State's financial participation is limited to an amount equal to the nonfederal share of the reimbursement which would be due each facility if the governmental peer grouping system was not established, and each county's financial participation in this reimbursement system is equal to the nonfederal share of the increase in reimbursement for its facility or facilities which results from the establishment of the governmental peer grouping system.

(2) On or before December 1 of each year, the commissioner shall estimate and certify to the Director of the Division of Local Government Services in the Department of Community Affairs the amount of increased federal reimbursement a county may receive under the governmental peer grouping system. On or before December 15 of each year, the Director of the Division of Local Government Services shall certify the increased federal reimbursement to the chief financial officer of each county. If the amount of increased federal reimbursement to a county exceeds or is less than the amount certified, the certification for the next year shall account for the actual amount of federal reimbursement that the county received during the prior calendar year.

(3) The governing body of each county entitled to receive increased federal reimbursement under the provisions of this amendatory act shall, by March 31 of each year, submit a report to the commissioner on the intended use of the savings in county expenditures which result from the increased federal reimbursement. The governing body of each county, with the advice of agencies providing social and health related services, shall use not less than 10% and no more than 50% of the savings in county expenditures which result from the increased federal reimbursement for community-based social and health related programs for elderly and disabled persons who may otherwise require nursing home care. This percentage shall be negotiated annually between the governing body and the commissioner and shall take into account a county's social, demographic and fiscal conditions, a county's social and health related expenditures and needs, and estimates of federal revenues to support county operations in the upcoming year, particularly in the areas of social and health related services.

The director shall refuse to issue a driver’s license if the applicant fails to comply with this provision.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles, except that for the purposes of this section, motorcycle shall not include any three-wheeled motor vehicle equipped with a single cab with glazing enclosing the occupant, seats similar to those of a passenger vehicle or truck, seat belts and automotive steering;

b. Omnibuses as classified by R.S. 39:3-10.1 and school buses classified under N.J.S. 18A:39-1 et seq.;

c. Articulated vehicles means a combination of a commercial motor vehicle registered at a gross weight in excess of 18,000 pounds and one or more motor-drawn vehicles joined together by means of a coupling device;

d. All motor vehicles not included in classifications a., b. and c.

A license issued pursuant to this classification d. shall be referred to as the “basic driver’s license.”

Every applicant for a license under classification b. or c. shall be a holder of a basic driver’s license. Any issuance of a license under classification b. or c. shall be by endorsement on the basic driver’s license.

A driver’s license for motorcycles may be issued separately, but if issued to the holder of a basic driver’s license, it shall be by endorsement on the basic driver’s license.

The director, upon payment of the lawful fee and after he or a person authorized by him has examined the applicant and is satisfied of the applicant’s ability as an operator, may, in his discretion, license the applicant to drive a motor vehicle. The license shall authorize him to drive any registered vehicle, of the kind or kinds indicated, and shall expire, except as otherwise provided, on the last day of the 48th calendar month following the calendar month in which such license was issued.

The director may, at his discretion and for good cause shown, issue licenses which shall expire on a date fixed by him. The fee for such
licenses shall be fixed by the director in amounts proportionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be as follows:

- Motorcycle license or endorsement .................. $8.00
- Omnibus or school bus endorsement .................. $16.00
- Articulated vehicle endorsement .................. $8.00
- Basic driver's license .......................... $16.00

The director shall waive the payment of fees for issuance of omnibus endorsements whenever an applicant establishes to the director's satisfaction that said applicant will use the omnibus endorsement exclusively for operating omnibuses owned by a nonprofit organization duly incorporated under Title 15 or 16 of the Revised Statutes or Title 15A of the New Jersey Statutes.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made on forms prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a license, but no defect of the applicant shall debar him from receiving a license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

A person violating this section shall be subject to a fine not exceeding $500.00 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200.00 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.
Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

3. This act shall take effect immediately.

5. No promoter shall hold or conduct any public boxing, wrestling, kick boxing or combative sports exhibition, event, performance
or contest in a casino hotel which is licensed pursuant to or is an applicant for licensure pursuant to the “Casino Control Act,” P.L. 1977, c. 110 (C. 5:12-1 et seq.) unless the promoter is licensed as a casino service industry or is an applicant for licensure as a casino service industry pursuant to the “Casino Control Act,” P.L. 1977, c. 110 (C. 5:12-1 et seq.) or is registered as a vendor in accordance with the rules and regulations promulgated by the Casino Control Commission. Within one year of the effective date of this act, all seconds and managers and all promoters, other than those promoters who are applicants for licensure or who are licensed as a casino service industry under section 92 of P.L. 1977, c. 110 (C. 5:12-92) or who are registered as vendors in accordance with the rules and regulations promulgated by the Casino Control Commission, shall undergo background checks conducted by the State Athletic Control Board prior to holding, conducting or participating in any public boxing, wrestling, kick boxing or combative sports exhibition, event, performance or contest in this State. Those promoters who are subject to background checks by the State Athletic Control Board pursuant to this section shall bear the costs involved in the conduct of such background checks.

The State Athletic Control Board may incur such expenses as are reasonable and necessary in conducting a background check authorized by this section. An amount equivalent to the expenses incurred shall be assessed as a fee against a promoter who is the subject of a background check by the State Athletic Control Board pursuant to this section and shall be collected by the State Athletic Control Board. The amount collected shall be deposited in a special account in the General Fund and this amount is hereby appropriated to the State Athletic Control Board in the Department of Law and Public Safety to reimburse the board for expenses incurred in conducting the background check.

The State Athletic Control Board shall promulgate rules and regulations governing the nature of and procedures concerning background checks to be conducted by the board pursuant to this section.

C. 5:2A-18.1 Ringside physicians, ambulance.

6. No boxing, kick boxing or combative sports exhibition, event, performance or contest shall commence or proceed unless two qualified physicians designated by the council shall be at ringside for each boxing, kick boxing or combative sports exhibition, event, performance or contest and unless an ambulance containing the standard medical equipment necessary to treat cerebral injuries is sta-
tioned at the exhibition, event, performance or contest during the entire time the exhibition, event, performance or contest is taking place. The commissioner or his designee shall delay an exhibition, event, performance or contest until the ambulance and the two qualified ringside physicians required by this section are present.

C. 5:2A-18.2 Ophthalmological, neurological examination.

7. Upon the recommendation of a ringside physician, each boxer, kick boxer or combative sports participant shall be required to undergo an ophthalmological and neurological examination after each exhibition, event, performance or contest by a qualified physician or hospital designated by the council. The cost of such examination shall be borne by the promoter of the exhibition, event, performance or contest. A certified copy of the findings shall be submitted to the council and board as soon as possible after the examination. A boxer, kick boxer or combative sports participant shall not be permitted to engage in another exhibition, event, performance or contest if the council or board determines that his previous examination report is unsatisfactory or if no examination report was submitted.

C. 5:2A-8.1 Temporary bans.

8. If a boxer, kick boxer or combative sports participant has competed anywhere in a bout, he shall not be permitted to box or engage in his sport in this State until 30 days have elapsed since his last bout or a period of time to be determined by the commissioner, regardless of the number of rounds of his last bout. If a boxer, kick boxer or combative sports participant was knocked out in his last bout, he shall not be permitted to box or participate in a combative sport in this State until 60 days have elapsed since his last bout. If a boxer, kick boxer or combative sports participant lost his last bout on account of a technical knockout, he shall not be permitted to box or participate in a combative sport in this State for at least 30 days or longer depending upon the recommendation of the ringside physicians.

C. 5:2A-14.2 Mandatory insurance.

9. a. Promoters licensed pursuant to P.L. 1985, c. 83 (C. 5:2A-1 et seq.) shall carry medical insurance covering all professional boxers, kick boxers or combative sports participants whom they promote.

b. The cost of the insurance required pursuant to this section shall be borne by the promoter.

c. The promoter shall obtain medical insurance coverage in an amount to be determined by the commissioner, which amount shall cover the expenses for the treatment of any injuries the boxer, kick
boxer or combative sports participant may suffer as a result of a professional boxing, kick boxing or combative sports exhibition, event, performance or contest.

d. The insurance coverage required under this act shall extend for at least six months from the date of the bout.

e. No professional boxing, kick boxing or combative sports exhibition, event, performance or contest shall be approved in this State unless the promoter is in full compliance with the requirements of this section concerning medical insurance coverage.

10. There is appropriated out of the General Fund the sum of $90,000.00 to the State Athletic Control Board within the Department of Law and Public Safety for the purpose of the reform of State regulation of boxing and other combative sports to effectuate the intent of this 1988 amendatory and supplementary act.

11. This act shall take effect immediately.

register shall be made upon a record, shall not become effective until five days after notice thereof to the collective bargaining representative of stevedores and other employers of longshoremen in the Port of New York District and to the labor organization representing such longshoremen and shall be subject to judicial review for being arbitrary, capricious, and an abuse of discretion in a proceeding jointly instituted by such representative and such labor organization. Such judicial review proceeding may be instituted in either state in the manner provided by the law of such state for review of the final decision or action of administrative agencies of such state, provided, however, that such proceeding shall be decided directly by the appellate division as the court of first instance (to which the proceeding shall be transferred by order of transfer by the Supreme Court in the State of New York or in the State of New Jersey by notice of appeal from the commission’s determination), and provided further that notwithstanding any other provision of law in either state no court shall have power to stay the commission’s determination prior to final judicial decision for more than 15 days. In the event that the court enters a final order setting aside the determination by the commission to accept applications for inclusion in the longshoremen’s register, the registration of any longshoremen included in the longshoremen’s register as a result of such determination by the commission shall be canceled.

This section shall apply, notwithstanding any other provision of this act, provided, however, such section shall not in any way limit or restrict the provisions of section 5 of article IX of this act empowering the commission to register longshoremen on a temporary basis to meet special or emergency needs or the provisions of section 4 of article IX of this act relating to the immediate reinstatement of persons removed from the longshoremen’s register pursuant to article IX of this act. Nothing in this section shall be construed to modify, limit or restrict in any way any of the rights protected by article 15 of this act.

4. Notwithstanding any other provision of this act, the commission may include in the longshoremen’s register under such terms and conditions as the commission may prescribe:

(a) A person issued registration on a temporary basis to meet special or emergency needs, who, on the effective date of this act, is still so registered by the commission;

(b) A person defined as a “longshoreman” in subdivision (6) of section 1 (5-a) of P.L. 1954, c. 14 (C. 32:23-85), who is employed by
a stevedore as defined in paragraph (b) or (c) of subdivision (1) of the same section (C. 32:23-85) and whose employment is not subject to the guaranteed annual income provisions of any collective bargaining agreement relating to longshoremen;

(c) No more than 20 persons issued and holding registration pursuant to paragraph (b) of this subdivision who are limited to acting as scalemen and who are no longer employed as scalemen on the effective date of this 1987 amendatory act; and

(d) A person issued registration on a temporary basis as a checker to meet special or emergency needs who applied for such registration prior to January 15, 1986 and who is still so registered by the commission.

2. This act shall take effect upon the enactment into law by the state of New York of legislation having an identical effect with this act, but if the state of New York shall have already enacted such legislation, then this act shall take effect immediately.

Approved May 12, 1988.

CHAPTER 24, LAWS OF 1988

CHAPTER 24

AN ACT concerning the early detection and treatment of biochemical disorders and amending the title and body of P.L. 1977, c. 321.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

Title amended.

1. The title of P.L. 1977, c. 321 is amended to read as follows:

An act providing for the testing of newborn children for purposes of the early detection and treatment of biochemical disorders.

2. Section 1 of P.L. 1977, c. 321 (C. 26:2-110) is amended to read as follows:

C. 26:2-110 Policy declaration.

1. It is hereby declared to be the public policy of this State that in the interests of public health every effort should be made to detect in newborn infants, hypothyroidism, galactosemia, phenylketonuria, and other preventable biochemical disorders which may cause mental retardation or other permanent disabilities and to treat affected individuals.

3. Section 2 of P.L. 1977, c. 321 (C. 26:2-111) is amended to read as follows:

C.26:2-111 Testing of infants for biochemical disorders.

2. All infants born in this State shall be tested for hypothyroidism, galactosemia and phenylketonuria. The Commissioner of Health shall issue regulations to assure that newborns are so tested in a manner approved by the commissioner. The commissioner shall ensure that treatment services are available to all identified individuals. The State Department of Health may charge a reasonable fee for the tests performed pursuant to this act. The amount of the fee and the procedures for collecting the fee shall be determined by the commissioner. The commissioner shall apply all revenues collected from the fees to the testing and treatment procedures performed pursuant to this act.

The commissioner may also require testing of newborn infants for other preventable biochemical disorders if reliable and efficient testing techniques are available. If the commissioner determines that an additional test shall be required, 90 days prior to requiring the test he shall advise the President of the Senate, Speaker of the General Assembly and chairmen of the standing reference commit-
tees on Revenue, Finance and Appropriations and Institutions, Health and Welfare of his determination.

The commissioner shall provide a program of reviewing and following up on positive cases in order that measures may be taken to prevent mental retardation or other permanent disabilities.

Information on newborn infants and their families compiled pursuant to this section may be used by the department and agencies designated by the commissioner for the purposes of carrying out this act, but otherwise the information shall be confidential and not divulged or made public so as to disclose the identity of any person to which it relates, except as provided by law. The department shall conduct an intensive educational and training program among physicians, hospitals, public health nurses and the public concerning those biochemical disorders. This program shall include information concerning the nature of the disorders, testing for the detection of these disorders and treatment modalities for these disorders.

The provisions of this section shall not apply if the parents of a newborn infant object to the testing on the grounds that it would conflict with their religious tenets or practices.

4. This act shall take effect on the 60th day after enactment.

CHAPTER 25

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 10 of P.L. 1966, c. 126 (C. 34:15-120.1) is amended to read as follows:

C. 34:15-120.1 Uninsured employer's fund.

10. a. There is hereby created a fund which shall be known as the "uninsured employer's fund" to provide for the payment of awards against uninsured defaulting employers who fail to provide compensation to employees or their beneficiaries in accordance with the provisions of the workers' compensation law, R.S. 34:15-1 et seq.
The fund shall be administered, maintained, and disbursed by the Commissioner of Labor as hereinafter provided.

b. (1) For the purpose of establishing and maintaining this fund, the Commissioner of Labor shall impose on January 1, 1989 and on the first day of each year thereafter, except as provided below, an annual surcharge upon each workers' compensation policyholder and employer's liability insurance policyholder and each self-insured employer insured pursuant to R.S. 34:15-77. Each workers' compensation and employer's liability insurance policyholder and self-insured employer shall be liable for payment of the annual surcharge in accordance with the provisions of this section and all regulations promulgated pursuant thereto. The annual surcharge imposed under this section shall apply to all workers' compensation and employer's liability insurance policies written or renewed or, in the case of self-insured employers, to coverage provided on or after January 1, 1989. However, the surcharge shall not apply: to any reinsurance or retrocessional transaction; to the State or any political subdivision thereof which acts as a self-insured employer; or to any workers' compensation endorsement required pursuant to section 1 of P.L. 1979, c. 380 (C. 17:36-5.29).

If the Commissioner of Labor determines, pursuant to paragraph (2) of this subsection b., that the "uninsured employer's fund" will have to its credit a sum in excess of $500,000.00 at the end of any calendar year, the annual surcharge shall be suspended for the next following year and its collection not resumed until the calendar year immediately following any calendar year in which the balance in the fund is reduced below $500,000.00.

(2) For the calendar year 1989, the total amount of the surcharge levied by the commissioner shall be $500,000.00. On September 1 of 1989 and of each year thereafter, the Commissioner of Labor shall estimate the amount of benefits that have been paid and will be paid from the "uninsured employer's fund" during that calendar year, and shall calculate in consultation with the Commissioner of Insurance, the total amount of the annual surcharge for the "uninsured employer's fund" to be levied during the next following calendar year upon all workers' compensation and employer's liability insurance policyholders and self-insured employers pursuant to paragraph (1) of this subsection b. The total amount of the annual surcharge shall equal 150% of the moneys estimated by the Commissioner of Labor to be payable from the "uninsured employer's fund" during the calendar year preceding the year during which the annual surcharge will be imposed.
CHAPTER 25, LAWS OF 1988

(3) The total amount of the annual surcharge calculated pursuant to paragraph (2) of this subsection b. shall be added to the aggregate annual surcharge amount to be levied upon and apportioned among all workers' compensation and employer's liability policyholders and self-insured employers pursuant to R.S. 34:15-94, and be levied and apportioned in the same manner as the annual surcharge for the Second Injury Fund as provided in R.S. 34:15-94. The surcharge to be collected from policyholders and self-insured employers pursuant to this section shall, however, be stated separately on the policy or billing statement and the amount of the surcharge as applied pursuant to this section shall not be subject to reduction for special adjustment and supplemental benefits paid or payable under the workers' compensation law, R.S. 34:15-1 et seq.

(4) As used in this subsection, "policyholder" means a holder of a workers' compensation and employer's liability insurance policy issued by an insurer that is a domestic, foreign or alien mutual association or stock company writing workers' compensation or employer's liability insurance on risks located in this State and subject to premium taxes pursuant to P.L. 1945, c. 132 (C. 54:18A-1). "Self-insured employer" means an employer which self-insures for workers' compensation or employer's liability insurance pursuant to the provisions of R.S. 34:15-77.

(5) All moneys collected pursuant to this section shall be deposited in the "uninsured employer's fund." Collection of the annual surcharge shall be under the authority of the Commissioner of Labor as defined in R.S. 34:15-94.

c. The Director of the Division of Workers' Compensation upon rendering a decision with respect to any claim for compensation under chapter 15 of Title 34 of the Revised Statutes that the employer liable therefor has failed to secure the payment of compensation with respect to a claim in accordance with R.S. 34:15-71 or R.S. 34:15-72, shall impose a penalty of $1,000.00 against the employer and direct its payment into the "uninsured employer's fund" in connection with each such claim. The director shall also impose an additional assessment of 15% of the award or awards made in each claim. This additional assessment shall not exceed, however, the sum of $5,000.00 on any one claim, and shall be paid into the "uninsured employer's fund."

If the employer fails to pay these assessments into the fund within 10 days after date of mailing of notice thereof to him, this shall constitute a default in payment of compensation due pursuant to the
provisions of the workers' compensation law, R.S. 34:15-1 et seq., and judgment therefor shall be entered in accordance therewith.

All sums collected from an uninsured defaulting employer with respect to any claim for compensation referred to in this section but not payable from the fund, whether such collection is made prior or subsequent to entry of judgment against the employer, shall be deemed in payment of and applicable first in satisfaction of any compensation and benefits due from the employer with respect to the claim and security demand, if any, in connection therewith and only when the obligations are satisfied in full shall the balance of said sums collected, if any, be deemed payment in satisfaction of and applicable to the assessments above prescribed in this section.

All sums recovered from uninsured defaulting employers on judgments entered for failure to pay assessments as hereinafter provided and for failure to pay compensation and benefits which were paid from the "uninsured employer's fund," shall upon recovery be paid into that fund.

2. Section 11 of P.L. 1966, c. 126 (C. 34:15-120.2) is amended to read as follows:

C. 34:15-120.2 Benefit payments.

11. a. In any case in which a claim for compensation is filed pursuant to the provisions of the workers' compensation law, R.S. 34:15-1 et seq., and the employer has failed to secure the payment of compensation as required by R.S. 34:15-71 or R.S. 34:15-72 and to make payment of compensation according to the terms of any award within 45 days thereof and fails or refuses to deposit with the director within 10 days after demand the commuted or estimated value of the compensation payable under the award as security for prompt and convenient payment of compensation periodically as it accrues, then, unless a notice of appeal has been timely filed, the award shall be payable out of the "uninsured employer's fund."

b. Benefit payments from the "uninsured employer's fund" may include:

(1) Compensation for reasonable medical expenses covered by the workers' compensation law, R.S. 34:15-1 et seq.; and

(2) Compensation for temporary disability as provided in subsection a. of R.S. 34:15-12.

c. Benefit payments from the "uninsured employer's fund" shall not include:
(1) Any compensation not included in the award or judgment upon which a claim against the fund is made;

(2) Extra compensation or death benefits pursuant to R.S. 34:15-10.

d. Temporary disability benefits paid from the "uninsured employer's fund" shall be offset or reduced by an amount equal to the amount of disability benefits received by the claimant pursuant to the federal "Old-Age, Survivors' and Disability Insurance Act" (42 U.S.C. §401 et al.).

e. Benefits shall be paid to a claimant from the "uninsured employer's fund" only if the claimant: (1) was, at the time of the injury or death, an employee performing service for an employer outside of casual employment as defined in R.S. 34:15-36; and (2) did not recover full compensation for reasonable medical expenses and temporary disability benefits from the uninsured defaulting employer.

3. Section 13 of P.L. 1966, c. 126 (C. 34:15-120.4) is amended to read as follows:

C. 34:15-120.4 Application for compensation.

13. a. After an award has been entered against an employer for compensation under any provision of the workers' compensation law, R.S. 34:15-1 et seq., and the Director of the Division of Workers' Compensation has filed an order for payment of compensation and assessments with the Clerk of the Superior Court pursuant to section 12 of P.L. 1966, c. 126 (C. 34:15-120.3) as a result of the employer's failure to provide lawful compensation, the claimant may apply to the Commissioner of Labor for compensation from the "uninsured employer's fund" in accordance with the procedures established by the Commissioner of Labor pursuant to section 16 of P.L. 1966, c. 126 (C. 34:15-120.7).

b. The Commissioner of Labor is charged with the conservation of the assets of the "uninsured employer's fund." Notwithstanding the provisions of any other section of this act, no payments shall be made from the fund except upon application to and approval by the commissioner. Review of any decision by the commissioner shall be in accordance with R.S. 34:15-66.

c. The Commissioner of Labor shall have the authority to establish rules for the review of claims against the "uninsured employer's fund" and hire and reimburse medical and other expert witnesses that are necessary to a proper conservation and defense of the moneys in the fund.
d. Upon being notified by the Commissioner of Labor that a decision of the commissioner regarding claims against the "uninsured employer's fund" is being appealed pursuant to R.S. 34:15-66, the Attorney General, or his designee, shall defend the fund.

e. The Commissioner of Labor may also employ such employees as may be required to maintain and conserve the "uninsured employer's fund," and may also employ legal counsel to represent the fund and conduct investigations on behalf of the fund.

4. Section 15 of P.L. 1966, c. 126 (C. 34:15-120.6) is amended to read as follows:

C. 34:15-120.6 Annual accounting.

15. The commissioner shall annually submit an accounting of the "uninsured employer's fund" to the State Treasurer and to the appropriations and labor committees of both houses of the State Legislature. The report to the Legislature shall include the following information: an estimate of the total amount of benefits paid from the fund in the preceding calendar year; an estimate of the benefits that may be paid from the fund in the current calendar year; a determination of the average cost to employers in the State, on a per employee basis, of providing benefits through the "uninsured employer's fund;" and a determination of the amount of money drawn from the fund during the preceding calendar year for administrative purposes pursuant to section 8 of P.L. 1988, c. 25 (C. 34:15-120.10). Payments to applicants from the fund shall be made by the State Treasurer upon warrants of the Commissioner of Labor.

5. Section 16 of P.L. 1966, c. 126 (C. 34:15-120.7) is amended to read as follows:

C. 34:15-120.7 Rules, regulations.

16. The commissioner may make all rules and regulations necessary for the processing and payment of compensation out of the "uninsured employer's fund."

The commissioner shall promulgate, in accordance with the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), regulations to establish and administer an application and review process for claims made against the fund.

6. Section 17 of P.L. 1966, c. 126 (C. 34:15-120.8) is amended to read as follows:

C. 34:15-120.8 Limitation on liability.

17. The liability of the "uninsured employer's fund" and the
State with respect to payment of any compensation, benefits, expenses, fees for disbursements properly chargeable against the fund shall be limited to the assets in the fund as exceed $50,000.00, and the fund and the State shall not otherwise in any way or manner be liable for the making of any such payment.

C. 34:15-120.9 Action against employer.

7. If an employer fails to provide compensation to an employee or his beneficiaries as required by chapter 15 of Title 34 of the Revised Statutes, the employee, who has sustained a compensable injury or died as a result of his employment, or his beneficiaries may bring an action against the employer to recover all or part of any damages and costs sustained by the employee for any injury or death which has been deemed compensable under the workers' compensation law, R.S. 34:15-1 et seq., and for which the employee or his estate has not received compensation from the "uninsured employer's fund."

C. 34:15-120.10 Administrative expenses; $10,000 limit.

8. In any fiscal year during which benefit payments are made from the "uninsured employer's fund," the Commissioner of Labor shall apply an amount equal to $100.00 for each employee to whom such benefits have been paid from the fund toward the expenses of the Department of Labor arising from the administration of those benefit payments and the fund. However, the total amount withdrawn from the fund to cover administrative expenses shall not exceed $10,000.00 during any fiscal year.

C. 34:15-120.11 Duties of Division of Workers' Compensation.

9. Notwithstanding the provisions of any other law, the Division of Workers' Compensation shall use every available administrative means to ensure that benefit payments from the "uninsured employer's fund" are paid only to individuals who meet the eligibility requirements of the workers' compensation law, R.S. 34:15-1 et seq., and that persons who are required to make payments pursuant to the workers' compensation law have provided lawful compensation and paid any penalty, fine, or assessment imposed pursuant to that law.

C. 34:15-120.12 Notification of change in income.

10. The burden shall be upon the claimant to immediately notify in writing the Director of the Division of Workers' Compensation of any increase or decrease in his income that may affect his eligibility for benefits payable from the "uninsured employer's fund." Ten days after notice has been given to the claimant and the Attorney General, the director may modify or terminate an award payable from the fund.
as conditions may require. Any payment to a claimant pursuant to this 1988 amendatory and supplementary act which is later determined by the Commissioner of Labor to have been procured by fraud, mistake, or an unreported change in condition, shall be recovered from the claimant and deposited in the fund.

C. 34:15-120.13 Exhaustion of remedies.

11. The Commissioner of Labor shall, on behalf of the "uninsured employer's fund," exhaust all remedies at law against the uninsured delinquent employer of the claimant to collect the amount of any award to the claimant paid by the fund.

C. 34:15-120.14 Other obligations unaffected.

12. Nothing in this act, P.L. 1988, c. 25 (C. 34:15-120.9 et seq.), shall affect the obligations of insurance carriers or self-insured employers imposed by any other section of the workers' compensation law, R.S. 34:15-1 et seq.

13. R.S. 34:15-79 is amended to read as follows:

Penalties for failure to carry insurance.

34:15-79. An employer who willfully fails to provide the protection prescribed in this article shall be guilty of a crime of the fourth degree. In cases where a workers' compensation award in the Division of Workers' Compensation of New Jersey against the defendant is paid at the time of the sentence, the court may suspend sentence upon that defendant and place him on probation for any period with an order to pay the delinquent compensation award to the claimant through the probation office of the county. Where the employer is a corporation, the president, secretary, and the treasurer thereof who are actively engaged in the corporate business shall be liable for failure to secure the protection prescribed by this article. Any contractor placing work with a subcontractor shall, in the event of the subcontractor's failing to carry workers' compensation insurance as required by this article, become liable for any compensation which may be due an employee or the dependents of a deceased employee of a subcontractor. The contractor shall then have a right of action against the subcontractor for reimbursement.

All fines collected under the terms of this section shall be paid to the State Treasurer and credited on the records of the State Comptroller to the account of the Division of Vocational Rehabilitation Services in the Department of Labor, to be used in carrying out the provisions of P.L. 1955, c. 64 (C. 34:16-20 et seq.).

The Director of the Division of Workers' Compensation, or any
officer or employee of the division designated by him, upon finding that an employer has failed for a period of not less than 10 consecutive days to make the provisions for payment of compensation required by R.S. 34:15-71 and R.S. 34:15-72, may impose upon that employer, in addition to all other penalties, fines or assessments provided for in chapter 15 of Title 34 of the Revised Statutes or in any supplement thereto, an assessment in the amount of $1,000.00 and when the period exceeds 20 days, an additional assessment of $1,000.00 for each period of 10 days thereafter. All assessments under this act shall be collectible in a court of competent jurisdiction in a summary civil proceeding and shall be paid into the “uninsured employer's fund.”

14. This act shall take effect immediately but shall remain inoperative until the enactment into law of Assembly Bill No. 2210 of 1988, and shall apply only to compensable injuries or deaths occurring on or after the operative date of this act.

CHAPTER 26

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R.S. 34:15-94 is amended to read as follows:

Workers' compensation policy surcharges.

34:15-94. a. Each mutual association or stock company writing compensation or employer's liability insurance in this State, and each self-insurer, shall pay to the Commissioner of Labor a sum equal to that proportion of 150% of the total amount of moneys paid under R.S. 34:15-95 during the preceding calendar year, less the amount of net assets exceeding $5,000,000.00 remaining in such fund as of December 31 of said preceding calendar year, which the total compensation payments of such mutual association, stock company or self-insurer bear to the total compensation payments made by all such mutual associations, stock companies, and self-insurers during
such preceding calendar year. Such sum shall be paid by the Commissioner of Labor to the State Treasurer.

On or before August 1, 1986 the Commissioner of Labor shall recalculate payments due for calendar year 1986 in accordance with the formula provided above, and levy supplemental assessments to adjust for any difference due to be paid in satisfaction of obligations for calendar year 1986, giving full credit for payments previously due and paid on or before August 15, 1986. Such supplemental assessments, if necessary to be levied, shall be paid on or before September 15, 1986. Commencing January 1, 1987, and each calendar year thereafter, annual payments shall be calculated by the commissioner and sums due shall be paid in equal quarterly installments on or before March 15, on or before June 15, on or before September 15 and on or before December 15 of each year.

The assessment established in this subsection shall be terminated effective December 31, 1988.

b. Commencing January 1, 1989 and on the first day of each year thereafter, the Commissioner of Labor shall levy an annual surcharge upon all policyholders and self-insured employers for the purpose of providing moneys to the Second Injury Fund. Each policyholder and self-insured employer shall be liable for payment of the annual surcharge in accordance with the provisions of this section and all regulations promulgated pursuant hereto. The annual surcharge levied under this section shall be applied to all workers' compensation and employer's liability insurance policies providing coverage on or after January 1, 1989 and, in the case of self-insured employers, to coverage provided on or after January 1, 1989. Notwithstanding any law to the contrary, the surcharge levied pursuant to this section shall not apply: to any reinsurance or retrocessional transaction; to the State or any political subdivision thereof which acts as a self-insured employer; or to any workers' compensation endorsement required pursuant to section 1 of P.L. 1979, c. 380 (C. 17:36-5.29).

c. On or before July 31 of 1988 and of each year thereafter:

(1) Each insurer and self-insured employer shall submit to the Commissioner of Labor, in a form and manner prescribed by the Commissioner of Labor, a report of the total compensation payments made by the insurer or self-insured employer during the 12-month period ending on the immediately preceding June 30th;

(2) Each insurer shall submit to the Commissioner of Insurance, in a form and manner prescribed by the Commissioner of Insurance,
a report of the total earned premiums collected by the insurer on all
workers' compensation or employer's liability policies written on risks
located in this State pursuant to the provisions of R.S. 17:17-1 et
seq., during the 12-month period ending on the immediately preced­
ing June 30th;

(3) The Commissioner of Labor shall estimate the amount of
special adjustment and supplemental benefits payable by each in­
surer writing workers' compensation or employer's liability insurance
in the State and by each self-insured employer pursuant to R.S.
34:15-85 during the then current fiscal year;

(4) The Commissioner of Labor shall establish the aggregate an­
annual surcharge to be levied upon policyholders and self-insured em­
ployers during the next following calendar year, which shall be an
amount equal to 150% of the moneys estimated by the Commissioner
of Labor to be payable from the Second Injury Fund during the next
following calendar year, less the estimated amount of net assets
exceeding $5,000,000.00 which will remain in the Second Injury Fund
on December 31st of the then current calendar year;

(5) The Commissioner of Labor shall apportion the aggregate
annual surcharge calculated pursuant to paragraph (4) of this subsec­
tion among policyholders as a group and self-insured employers as
a separate group. Policyholders shall be liable to pay that portion
of the aggregate annual surcharge that is equal to the proportion that
the compensation payments made by all policyholders during the 12-
month period ending on the immediately preceding June 30th bear
to the total compensation payments made by all policyholders and
self-insured employers during the 12-month period ending on the
immediately preceding June 30th. Self-insured employers shall be
liable to pay that portion of the aggregate annual surcharge that is
equal to the proportion that the compensation payments made by
all self-insured employers during the 12-month period ending on the
immediately preceding June 30th bear to the total compensation
payments made by all policyholders and self-insured employers dur­
ing the 12-month period ending on the immediately preceding June
30th; and

(6) The Commissioner of Labor shall notify the Commissioner of
Insurance of the aggregate annual surcharge amount applicable to
policyholders during the next following calendar year.

d. On or before September 15 of 1988 and of each year thereafter:
(1) In consultation with the Commissioner of Labor, the Commissioner of Insurance shall determine the annual policyholder surcharge rate to be applied to each workers' compensation and employer's liability policy during the next following calendar year, and shall notify insurers of the annual policyholder surcharge rate to be applied to policy premiums during the next following calendar year. The annual policyholder surcharge rate shall be established as a percentage, which shall be equal to the percentage relationship that the annual surcharge amount which is applicable to all policyholders bears to the total earned premiums for workers' compensation and employer's liability coverage written on risks located in this State for the 12-month period ending on the immediately preceding June 30th.

(2) The Commissioner of Labor shall notify each self-insured employer of the amount of the annual surcharge applicable to that self-insured employer during the next following calendar year. The net annual surcharge for each self-insured employer shall be established as a pro rata portion of the annual surcharge applicable to all self-insured employers, which shall be chargeable to the self-insured employer in the proportion that the self-insured employer's compensation payments during the 12-month period ending on the immediately preceding June 30th bear to the total compensation payments made by all self-insured employers during the 12-month period ending on the immediately preceding June 30th, less the estimated amount of special adjustment and supplemental benefits payable by that self-insured employer pursuant to R.S. 34:15-95 during the then current fiscal year.

e. (1) Every insurer providing workers' compensation and employer's liability insurance shall collect from each of its policyholders, on behalf of the Commissioner of Labor and in accordance with subsections b., c. and d. of this section, an amount equal to the annual policyholder surcharge rate established by the Commissioner of Insurance pursuant to subsection d. of this section, multiplied by the amount of the policyholder's premium. The surcharge to be collected from the policyholder shall be stated separately on the policy or billing statement and be collected at the same time and in the same manner that the premium or other charges for the coverage are collected. On or before the 30th day after the end of the calendar quarter commencing January 1, 1989, and on or before the 30th day following the end of each calendar quarter thereafter, each insurer shall report to the Commissioner of Labor, on forms as the commissioner may require, the total amount of its workers' com-
pensation and employer's liability insurance earned premiums for the preceding quarterly accounting period, and remit the surcharge collected from policyholders on those premiums, less special adjustment and supplemental benefits paid during the preceding calendar quarter by the insurer pursuant to the workers' compensation law, R.S. 34:15-1 et seq. No insurer or its agent shall be entitled to any portion of any surcharge imposed pursuant to this section as a fee or commission for its collection nor shall that surcharge be subject to any taxes, licenses or fees.

(2) On or before the 30th day after the end of each calendar quarter commencing January 1, 1989, and on or before the 30th day following the end of each calendar quarter thereafter, each self-insured employer shall remit to the Commissioner of Labor an amount equal to one-fourth of the effective net annual surcharge as established for that self-insured employer during the then current calendar year pursuant to subsection d. of this section, less special adjustment and supplemental benefits paid during the preceding calendar quarter by the self-insured employer pursuant to the workers' compensation law, R.S. 34:15-1 et seq.

f. The Commissioner of Labor shall promulgate within 180 days of the effective date of this act and in accordance with the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), any rules and regulations as may be necessary for the apportionment and collection of annual surcharges from policyholders and self-insured employers covered by this section.

g. The Commissioner of Insurance shall promulgate within 180 days of the effective date of this act and in accordance with the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), any rules and regulations as may be necessary for the collection, and provision to the Commissioner of Labor, of information with respect to earned premiums of insurers and the establishment of the annual surcharge rate for policyholders.

h. For each 30-day period or part thereof during which a policyholder, self-insured employer, or insurer fails to make a payment or transfer of payment as required by this section or regulations promulgated thereto, a penalty of one-half of one percent (0.5%) of the amount of delinquent payment or transfer of payment shall be assessed against the delinquent policyholder, self-insured employer or insurer. In no case of single failure, however, shall penalties assessed under this section exceed five percent (5.0%) of the amount of surcharge unpaid or untransferred. Penalties assessed under this
subsection shall be collected in a civil action by a summary proceeding brought by the Commissioner of Labor pursuant to "the penalty enforcement law," N.J.S. 2A:58-1 et seq., and shall be deposited by the commissioner in the Second Injury Fund.

i. For each 30-day period during which an insurer or self-insured employer fails to file a report as required by this section, the Commissioner of Labor shall assess a penalty of $100.00 against the insurer or self-insured employer and, upon collection thereof, shall deposit those monies in the "uninsured employer's fund." As a result of any single failure, however, no such penalty shall exceed a total of $500.00. During the period of any such failure to file this report, the estimate by the Department of Labor of the amounts of such compensation payments or earned premiums shall be used for the purposes cited in the workers' compensation law, R.S. 34:15-1 et seq.

j. When the total amount of all payments into the Second Injury Fund, together with the accumulated interest thereon, exceeds $1,250,000.00, an amount not to exceed $50,000.00 of such excess over $1,250,000.00 in any one fiscal year may be applied toward the cost of administration of the Division of Workers' Compensation in the Department of Labor, when authorized and appropriated by the Legislature.

k. As used in this section, "policyholder" means a holder of a policy of workers' compensation or employer's liability insurance issued by an insurer. "Insurer" means a domestic, foreign or alien mutual association or stock company writing workers' compensation or employer's liability insurance on risks located in this State and subject to premium taxes pursuant to P.L. 1945, c. 132 (C. 54:18A-1 et seq.). "Self-insured employer" means an employer which self-insures for workers' compensation or employer's liability insurance pursuant to the provisions of R.S. 34:15-77.

2. R.S. 34:15-95 is amended to read as follows:

Second Injury Fund.

34:15-95. The sums collected under R.S. 34:15-94 shall constitute a fund, to be known as the Second Injury Fund, out of which a sum shall be set aside each year by the Commissioner of Labor from which compensation payments in accordance with the provisions of paragraph (b) of R.S. 34:15-12 shall be made to persons totally disabled, as a result of experiencing a subsequent permanent injury under conditions entitling such persons to compensation therefor, when such persons had previously been permanently and partially disabled.
from some other cause; provided, however, that, notwithstanding the
time limit fixed therein, the provisions of paragraph (b) of R.S.
34:15-12 relative to extension of compensation payments beyond 400
or 450 weeks, as the case may be, shall, with respect to payments
from the Second Injury Fund, apply to any accident occurring since
June 27, 1923, and in no case shall be less than $5.00 per week;
provided further, however, that no person shall be eligible to receive
payments from the Second Injury Fund:

(a) If the disability resulting from the injury caused by the per-
son's last compensable accident in itself and irrespective of any
previous condition or disability constitutes total and permanent dis-
ability within the meaning of this Title.

(b) (Deleted by amendment.)

(c) If the disease or condition existing prior to the last com-
 pensable accident is progressive and by reason of such progression
subsequent to the last compensable accident renders the person totally
disabled within the meaning of this Title.

(d) If a person who is rendered permanently partially disabled
by the last compensable injury subsequently becomes permanently
totally disabled by reason of progressive physical deterioration or
preexisting condition or disease.

Nothing in the provisions of said paragraphs (a), (c) and (d),
however, shall be construed to deny the benefits provided by this
section to any person who has been previously disabled by reason
of total loss of, or total and permanent loss of use of, a hand or arm
or foot or leg or eye, when the total disability is due to the total loss
of, or total and permanent loss of use of, two or more of said major
members of the body, or to any person who in successive accidents
has suffered compensable injuries, each of which, severally, causes
permanent partial disability, but which in conjunction result in per-
manent total disability. Nor shall anything in paragraphs (a), (c) and
(d), aforesaid apply to the case of any person who is now receiving
or who has heretofore received payments from the Second Injury
Fund.

Upon the approval of an application for benefits, the compensation
payable from the Second Injury Fund shall be made from the date
when the final payment of compensation by the employer is or was
payable for the injury or injuries sustained in the employment where-
in the employee became totally and permanently disabled; provided,
that no payment from the Second Injury Fund shall be made for any period prior to the date of filing of application therefor; provided, however, that a person who has received compensation payments from the Second Injury Fund and who is reinstated or ordered placed on said fund shall receive payments from the date of last payment from the Second Injury Fund, save only in the case of a person to whom payments have been made and then discontinued or suspended because of the rehabilitation of such person in accordance with the provisions of paragraph (b) of R.S. 34:15-12, or actual employment for any reason whatsoever, in which case payments from the Second Injury Fund shall be made from the date of filing application for reinstatement. Payments to such totally disabled employees shall be made from said fund by the State Treasurer upon warrants of the Commissioner of Labor. This section shall be applicable to any accident occurring since June 27, 1923, insofar as the eligibility of and benefits payable to such employees of this class is concerned; provided, however, that nothing contained herein shall limit or deprive those persons now receiving or who have received the benefits under this section from participating in the Second Injury Fund. All payments from the Second Injury Fund shall be made by biweekly installment payments. From the fund herein created the Commissioner of Labor may use in any one fiscal year a sum not to exceed $12,500.00 for the cost of administration of the fund including personnel, printing, professional fees, and expenses incurred by the Commissioner of Labor in the prosecution of defenses in the Division of Workers' Compensation, and of appeals and proceedings for review of decisions on applications for benefits from the Second Injury Fund. No costs or counsel fee for the applicant shall be allowed against the fund.

The Commissioner of Labor shall annually submit an accounting of the fund to the State Treasurer.

All payments into the Second Injury Fund which may have heretofore been made or required at any time or times are hereby validated and confirmed, notwithstanding that at the time of such payment or payments the fund may have equaled or exceeded the sum of $200,000.00.

3. Section 1 of P.L. 1980, c. 83 (C. 34:15-95.4) is amended to read as follows:

C. 34:15-95.4 Special adjustment benefit payment.

1. Any employee or dependent receiving weekly benefits as provided under R.S. 34:15-95, R.S. 34:15-12(b) or R.S. 34:15-13 at
a rate applicable prior to January 1, 1980, and whose payment is less than the maximum compensation rate in effect for the year 1980, shall be entitled to receive a special adjustment benefit payment from the Second Injury Fund and from those sources as provided for by this 1980 amendatory and supplementary act.

Any dependent, as defined in R.S. 34:15-13, of a person totally disabled who dies while receiving compensation from the Second Injury Fund, shall become entitled to dependent benefits under this chapter which are comparable to payments made to other dependents under the workers' compensation law, R.S. 34:15-1 et seq., on or after the effective date of this 1980 amendatory and supplementary act.

All compensation payments made under this chapter to a dependent, as defined under R.S. 34:15-13, of an individual who dies while receiving such compensation, shall be payable only where the compensable occupational injury or disease of the decedent is a material contributing factor to his death.

The payment of these adjustment benefits shall be paid to an employee or dependent as long as the employee or dependent is eligible to receive payments under R.S. 34:15-85, R.S. 34:15-12(b), R.S. 34:15-13, or this section.

The amount of the special adjustment benefit payment shall be such that when added to the workers' compensation rate awarded pursuant to R.S. 34:15-95, R.S. 34:15-12(b), R.S. 34:15-13 or this section as a result of injury or death, the total shall bear the same percentage relationship to the 1980 maximum workers' compensation rate that the worker's own compensation rate awarded as a result of the injury or death bears to the then effective maximum workers' compensation rate. The amount of the special adjustment benefit shall be payable at a rate of 35% of the adjustment during the fiscal year 1981 commencing July 1, 1980; 75% of the adjustment during the fiscal year 1982; and 100% of the adjustment during the fiscal year 1983 and thereafter. The special adjustment benefit payment provided herein shall be reduced by an amount equal to the individual's benefit payable under the Federal Old-Age, Survivors' and Disability Insurance Act (not including increases in such benefits due to any federal statutory increases after May 31, 1980), Black Lung benefits, or the employer's share of disability pension payments received from or on account of an employer. Where any person refuses to authorize the release of information concerning the amount of benefits payable under the aforementioned benefits, the division's estimate of that amount shall be deemed to be correct unless and
until the actual amount is established and no adjustment shall be made for any period of time covered by any such refusal.

Payments of the adjustment shall be made from the Second Injury Fund in the manner hereinafter provided. The Commissioner of Labor shall make payments from Second Injury Fund directly to the persons who are now receiving benefits under R.S. 34:15-95 and to their dependents becoming eligible for dependents' benefits under this 1980 amendatory and supplementary act by increasing or, as the case may be, setting the biweekly compensation payments to include the biweekly special adjustment. In the case of persons who are entitled to compensation under R.S. 34:15-12(b) or R.S. 34:15-13, the insurance carrier or self-insured employer in the second and subsequent fiscal years after enactment shall increase the weekly compensation payments to include the weekly special adjustment. For such special adjustment payments and supplements to special adjustment payments paid during the period July 1, 1981 and December 31, 1988, insurance carriers and self-insured employers shall credit the payments against the assessments payable by the insurance carrier or self-insurer under R.S. 34:15-94. The insurance carrier or self-insurer claiming such credit shall submit vouchers upon forms prescribed by the Commissioner of Labor, identifying each case and indicating the weekly benefit adjustment applicable thereto on or before June 30, 1989.

Beginning in the fiscal year 1984 and in every fiscal year thereafter, a supplement to the special adjustment benefit payment shall be paid to all employees or dependents entitled to the special adjustment benefit payment. The supplement to the special adjustment benefit payment shall be paid in an amount, in combination with income from all sources referred to in this section, which bears the same percentage relationship to the then current maximum workers' compensation rate that the worker's own compensation rate awarded as a result of the injury or death bears to the then effective maximum workers' compensation rate. Beginning in fiscal year 1986 and in every fiscal year thereafter, payment of supplements to the special adjustment benefits shall be made from the Second Injury Fund. Payment of supplements to the special adjustment benefits for fiscal years 1984 and 1985 shall be from interest earned and accrued upon moneys belonging to "the stock workers' compensation security fund" and "the mutual workers' compensation security fund" during fiscal years 1981 through 1985, and from special assessments upon self-insured employers in the same proportions as provided under R.S. 34:15-94.
4. This act shall take effect immediately.

Statement to Chapter 29
(Assembly Committee Substitute for Senate Bill No. 88,
Assembly Bill No. 2494 and Assembly Bill No. 1511
(First Reprint))

Pursuant to Article V, Section I, Paragraph 15 of the Constitution,
I am appending to Assembly Committee Substitute for Senate Bill No. 88, Assembly Bill No. 2494 and Assembly Bill No. 1511 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This supplemental appropriation bill allocates a total of $5.65 million from the General Fund to the Department of Community Affairs (DCA). The bill allocates money to three separate programs within the DCA's Division of Housing and Development.

First, the bill allocates $3.15 million to the Homelessness Prevention Program/Transitional Housing. Second, the bill appropriates $2 million for a Boarding Home Construction Grant Program. Finally, the bill appropriates $500,000 to the Shelter Improvement Program.

I agree with the sponsors of this bill, and its companion Assembly Committee Substitute for Assembly Bill No. 2495 (First Reprint), that more money should be made available for programs to benefit the homeless. That is why my recommended budget for Fiscal Year 1989 included more than $45 million for homeless programs, representing a $22 million increase over last year’s homeless budget. The programs recommended for funding in my FY ’89 budget were carefully crafted in order to help the greatest number of families who have become homeless or are in danger of becoming so. It is a budget firmly grounded in decency and one through which I have tried to meet as many of the urgent needs of our homeless citizens as possible.

However, State resources are not without limit. We were recently reminded of this fact by the State Treasurer’s downward revision of estimated revenues for the coming year.

One way to foster fiscal responsibility is to have appropriations considered in the context of the budget process. That process, which is currently ongoing, allows spending proposals to be evaluated in a comprehensive rather than piecemeal manner and affords us a clear picture of the fiscal impact of each appropriation on the overall budget. Many worthwhile programs are competing for limited State funds.

In light of the fact that we are now in the midst of this year’s budget process, I am reluctant to approve $2.5 million in supplemental funding for the Boarding Home Construction Grant Program and the Shelter Improvement Program. My recommended FY ’89 budget includes $2 million for each of these programs. While there may be
a need for additional funding of these programs, I think it is best if that determination is made during the budget process.

With respect to the appropriation contained in the bill for the Homelessness Prevention Program/Transitional Housing, I am retaining the sum of $3.15 million in this bill as a supplemental allocation to this Program. I am advised by my Commissioner of Community Affairs that there is an urgent need for funds for the Homelessness Prevention Program since all 21 of our counties have run out of money. The Homelessness Prevention Program is one of New Jersey’s strongest weapons in the battle against homelessness. That Program launches its attack in the most effective of ways, by preventing homelessness before it occurs.

On another front, the Transitional Housing component of this Program provides a safety net for those families who, for one reason or another, are not able to secure Homelessness Prevention benefits in time to prevent displacement. Transitional housing offers a temporary, humane living situation for these families.

The supplemental funds that I have approved in this bill will enable our counties to open the doors of their homelessness prevention offices and immediately begin servicing citizens in danger of becoming homeless. In addition, these supplemental monies, coupled with the record $4.8 million that I have recommended for the Homelessness Prevention Program in next year’s budget, should ensure the stability of this Program. Lastly, the funds will provide a buffer, through Transitional Housing, for those families who have recently lost their homes.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

   Total Appropriation, Department of Human Services .......... $3,650,000*

2. This act shall take effect immediately but shall remain inoperative until enactment of P.L. 1988, c. 29.

   Approved June 8, 1988.

*Reduced by line-item veto of the Governor. See statement following.
Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Assembly Committee Substitute for Assembly Bill No. 2495 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This supplemental appropriation bill allocates $8.05 million from the General Fund to the Department of Human Services. Of the $8.05 million, $5.4 million is appropriated to the Division of Youth and Family Services to provide additional money for social and support services for homeless families. The remaining $2.65 million is allocated to the Division of Public Welfare to provide an increase in the State’s portion of the Supplemental Security Income (SSI) payment for boarding home and residential health care facility residents.

Sadly, we live in a society where some families are without homes. The brutal reality of their circumstance is illustrated time and again. In New Jersey, I believe both government and the private sector have dedicated considerable energy and resources to solving the problems faced by the homeless. Our endeavors are driven by a sense of decency. Our goal is singular: to help less fortunate families find homes.

As I stated in my message to this bill’s companion, Assembly Committee Substitute for Senate Bill No. 88, Assembly Bill No. 2494 and Assembly Bill No. 1511 (First Reprint), I am in agreement with the Legislature that more funds should be available to assist the homeless. As such, I have recommended that funding for homeless programs be increased by $22 million for the new fiscal year bringing the total appropriation to more than $45 million.

With the exception of the allocation to the Comprehensive Emergency Assistance System (CEAS), this bill, as framed, does little to address the immediate needs of the homeless population most in crisis—welfare mothers and their children. Rather, the bill makes a substantial appropriation to programs that will have a less direct impact on the problem of homelessness. While these other programs may be deserving of more funds, I have explained that I believe decisions regarding the funding of all but the most urgently needed programs are best made in the context of the budget process where they can be evaluated alongside competing programs. Since the
budget process is currently ongoing, I cannot approve supplemental funds for an SSI increase or for a new program to aid dependent populations.

With regard to CEAS, I am retaining $1 million of the $2.7 million allocation in this bill for that program. CEAS encompasses a network of agencies within each county through which services, such as placement, employment and health counseling and transportation, are provided to homeless families. The CEAS program is sensitive to the needs of individual communities and has been highly successful in getting the right services to the right people in a timely manner. Because I consider the program a wise investment, my recommended budget for the coming fiscal year already includes $5.5 million for CEAS. I am confident that the additional $1 million I am approving for CEAS will be put to good use.

During the past several months, the Department of Human Services has intensified its outreach to help families currently living in welfare motels find clean, safe places to live. I am not unmindful of the difficulty involved in this undertaking in light of our limited housing stock. However, we will remain committed to this task. In order that the Department of Human Services may continue its program of outreach and placement, I am retaining the $2.65 million allocated to the Division of Public Welfare by this bill. By redirecting these monies so that they may be used to help families currently enrolled in the Emergency Assistance Program, it is my hope that every family new living in a welfare motel will soon have a home.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

b. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status or sex;

c. There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of $50.00 for each person for each calendar day during which such person is discriminated against or intimidated in violation of the provisions of the contract; and

d. This contract may be canceled or terminated by the contracting public agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract.
No provision in this section shall be construed to prevent a board of education from designating that a contract, subcontract or other means of procurement of goods, services, equipment or construction shall be awarded to a small business enterprise, minority business enterprise or a women's business enterprise pursuant to P.L. 1985, c. 490 (C. 18A:18A-51 et seq.).

a. Require any standard, restriction, condition or limitation not directly related to the purpose, function or activity for which the purchase, contract or agreement is made; or
b. Require that any bidder be a resident of, or that his place of business be located in, the county or school district in which the purchase will be made or the contract or agreement performed, unless the physical proximity of the bidder is requisite to the efficient and economical purchase or performance of the contract or agreement; or

c. Discriminate on the basis of race, religion, sex, national origin; or

d. Require, with regard to any purchase, contract or agreement, the furnishing of any "brand name," but may in all cases require "brand name or equivalent," except that if the materials to be supplied or purchased are patented or copyrighted, such materials or supplies may be purchased by specification in any case in which the resolution authorizing the purchase, contract, sale or agreement so indicates, and the special need for such patented or copyrighted materials or supplies is directly related to the performance, completion or undertaking of the purpose for which the purchase, contract or agreement is made; or

e. Fail to include any option for renewal, extension, or release which the board of education may intend to exercise or require; or any terms and conditions necessary for the performance of any extra work; or fail to disclose any matter necessary to the substantial performance of the contract or agreement.

The specifications for every contract for public work, the entire cost whereof will exceed $20,000.00, shall provide that the board of education, through its authorized agent, shall upon completion of the contract report to the department as to the contractor's performance, and shall also furnish such report from time to time during performance if the contractor is then in default.

Any specification adopted by the board of education which knowingly excludes prospective bidders by reason of the impossibility of performance, bidding or qualification by any but one bidder, except as provided herein, shall be null and void and of no effect and such purchase, contract or agreement shall be readvertised, and the original purchase, contract or agreement shall be set aside by the board of education.

No provision in this section shall be construed to prevent a board of education from designating that a contract, subcontract or other means of procurement of goods, services, equipment or construction

b. In addition to the amount due under subsection a., assess the business a penalty in an amount of not more than 10% of the amount of the contract involved; and

c. Order the business ineligible to transact any business with the local board of education for a period to be determined by the local board of education.

Where the indictment or accusation so provides, the quantity involved in individual acts of manufacturing, distribution, dispensing or possessing with intent to distribute may be aggregated in determining the grade of the offense, whether distribution or dispensing is to the same person or several persons, provided that each individual act of manufacturing, distribution, dispensing or possession with intent to distribute was committed within the applicable statute of limitations.

3. Section 1 of P.L. 1987, c. 101 (C. 2C:35-7) is amended to read as follows:

C. 2C:35-7 Distribution on or within 1,000 feet of school property.

1. Any person who violates subsection a. of N.J.S. 2C:35-5 by distributing, dispensing or possessing with intent to distribute a controlled dangerous substance or controlled substance analog while on any school property used for school purposes which is owned by
or leased to any elementary or secondary school or school board, or within 1,000 feet of such school property or a school bus, or while on any school bus, is guilty of a crime of the third degree and shall, except as provided in N.J.S. 2C:35-12, be sentenced by the court to a term of imprisonment. Where the violation involves less than one ounce of marijuana, the term of imprisonment shall include the imposition of a minimum term which shall be fixed at, or between, one-third and one-half of the sentence imposed, or one year, whichever is greater, during which the defendant shall be ineligible for parole. In all other cases, the term of imprisonment shall include the imposition of a minimum term which shall be fixed at, or between, one-third and one-half of the sentence imposed, or three years, whichever is greater, during which the defendant shall be ineligible for parole. Notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $100,000.00 may also be imposed upon any conviction for a violation of this section.

Notwithstanding the provisions of N.J.S. 2C:1-8 or any other provisions of law, a conviction arising under this section shall not merge with a conviction for a violation of subsection a. of N.J.S. 2C:35-5 (manufacturing, distributing or dispensing) or N.J.S. 2C:35-6 (employing a juvenile in a drug distribution scheme).

It shall be no defense to a prosecution for a violation of this section that the actor was unaware that the prohibited conduct took place while on or within 1,000 feet of any school property. Nor shall it be a defense to a prosecution under this section, or under any other provision of this title, that no juveniles were present on the school property at the time of the offense or that the school was not in session.

It is an affirmative defense to prosecution for a violation of this section that the prohibited conduct took place entirely within a private residence, that no person 17 years of age or younger was present in such private residence at any time during the commission of the offense, and that the prohibited conduct did not involve distributing, dispensing or possessing with the intent to distribute or dispense any controlled dangerous substance or controlled substance analog for profit. The affirmative defense established in this section shall be proved by the defendant by a preponderance of the evidence. Nothing herein shall be construed to establish an affirmative defense with respect to a prosecution for an offense defined in any other section of this chapter.
In a prosecution under this section, a map produced or reproduced by any municipal or county engineer for the purpose of depicting the location and boundaries of the area on or within 1,000 feet of any property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or a true copy of such a map, shall, upon proper authentication, be admissible and shall constitute prima facie evidence of the location and boundaries of those areas, provided that the governing body of the municipality or county has adopted a resolution or ordinance approving the map as official finding and record of the location and boundaries of the area or areas on or within 1,000 feet of the school property. Any map approved pursuant to this section may be changed from time to time by the governing body of the municipality or county. The original of every map approved or revised pursuant to this section, or a true copy thereof, shall be filed with the clerk of the municipality or county, and shall be maintained as an official record of the municipality or county. Nothing in this section shall be construed to preclude the prosecution from introducing or relying upon any other evidence or testimony to establish any element of this offense; nor shall this section be construed to preclude the use or admissibility of any map or diagram other than one which has been approved by the governing body of a municipality or county, provided that the map or diagram is otherwise admissible pursuant to the Rules of Evidence.

4. N.J.S. 2C:35-8 is amended to read as follows:

Distribution to persons under age 18; enhanced punishment.

2C:35-8. Distribution to Persons Under Age 18; Enhanced Punishment. Upon the application of the prosecuting attorney, any person being at least 18 years of age who has been convicted for violating subsection a. of N.J.S. 2C:35-5 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7) by distributing a controlled dangerous substance or controlled substance analog to a pregnant female or a person 17 years of age or younger shall, except as provided in N.J.S. 2C:35-12, be subject to twice the term of imprisonment, fine and penalty, including twice the term of parole ineligibility, if any, authorized or required to be imposed by subsection b. of N.J.S. 2C:35-5 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7) or any other provision of this title. In addition, the presumption of non-imprisonment for certain offenders set forth in subsection e. of N.J.S. 2C:44-1 shall not apply to any person subject to enhanced punishment pursuant to this section.
The court shall not impose more than one enhanced sentence pursuant to this section. If the defendant is convicted of more than one offense which is otherwise subject to enhanced punishment pursuant to this section, the court shall impose enhanced punishment based upon the most serious such offense for which the defendant was convicted, or, where applicable, the offense which mandates the imposition of the longest term of parole ineligibility. Notwithstanding the provisions of paragraph (2) of subsection a. of 2C:44-5, nothing herein shall prevent the court from also imposing an extended term pursuant to subsection f. of N.J.S. 2C:43-6. The court shall not impose an enhanced sentence pursuant to this section unless the prosecutor has established the ground therefor by a preponderance of the evidence at a hearing, which may occur at the time of sentencing. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing or other court proceedings, and shall also consider the presentence report and any other relevant information. It shall not be relevant to the imposition of enhanced punishment pursuant to this section that the defendant mistakenly believed that the recipient of the substance was 18 years of age or older, even if the mistaken belief was reasonable. Nor shall it be relevant to the imposition of enhanced punishment pursuant to this section that the defendant did not know that the recipient was pregnant.

5. N.J.S. 2C:35-10 is amended to read as follows:

Possession, use or being under the influence, or failure to make lawful disposition.

2C:35-10. Possession, Use or Being Under the Influence, or Failure to Make Lawful Disposition.

a. It is unlawful for any person, knowingly or purposely, to obtain, or to possess, actually or constructively, a controlled dangerous substance or controlled substance analog, unless the substance was obtained directly, or pursuant to a valid prescription or order form from a practitioner, while acting in the course of his professional practice, or except as otherwise authorized by P.L. 1970, c. 226 (C. 24:21-1 et seq.). Any person who violates this section with respect to:

(1) A controlled dangerous substance, or its analog, classified in Schedule I, II, III or IV other than those specifically covered in this section, is guilty of a crime of the third degree except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $25,000.00 may be imposed;
(2) Any controlled dangerous substance, or its analog, classified in Schedule V, is guilty of a crime of the fourth degree except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $15,000.00 may be imposed;

(3) Possession of more than 50 grams of marijuana, including any adulterants or dilutants, or more than five grams of hashish is guilty of a crime of the fourth degree, except that, notwithstanding the provisions of subsection b. of N.J.S. 2C:43-3, a fine of up to $15,000.00 may be imposed; or

(4) Possession of 50 grams or less of marijuana, including any adulterants or dilutants, or five grams or less of hashish is a disorderly person.

Any person who commits any offense defined in this section while on any property used for school purposes which is owned by or leased to any elementary or secondary school or school board, or within 1,000 feet of any such school property or a school bus, or while on any school bus, and who is not sentenced to a term of imprisonment, shall, in addition to any other sentence which the court may impose, be required to perform not less than 100 hours of community service.

b. Any person who uses or who is under the influence of any controlled dangerous substance, or its analog, for a purpose other than the treatment of sickness or injury as lawfully prescribed or administered by a physician is a disorderly person.

In a prosecution under this subsection, it shall not be necessary for the State to prove that the accused did use or was under the influence of any specific drug, but it shall be sufficient for a conviction under this subsection for the State to prove that the accused did manifest physical and physiological symptoms or reactions caused by the use of any controlled dangerous substance or controlled substance analog.

c. Any person who knowingly obtains or possesses a controlled dangerous substance or controlled substance analog in violation of subsection a. of this section and who fails to voluntarily deliver the substance to the nearest law enforcement officer is guilty of a disorderly persons offense. Nothing in this subsection shall be construed to preclude a prosecution or conviction for any other offense defined in this title or any other statute.
6. N.J.S. 2C:35-15 is amended to read as follows:

Mandatory drug enforcement and demand reduction penalties; collection; disposition; suspension.

2C:35-15. Mandatory Drug Enforcement and Demand Reduction Penalties; Collection; Disposition; Suspension.

a. In addition to any disposition authorized by this title, the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed for each such offense a penalty fixed at:

(1) $3,000.00 in the case of a crime of the first degree;
(2) $2,000.00 in the case of a crime of the second degree;
(3) $1,000.00 in the case of a crime of the third degree;
(4) $750.00 in the case of a crime of the fourth degree;
(5) $500.00 in the case of a disorderly persons or petty disorderly persons offense.

Every person placed in supervisory treatment pursuant to the provisions of N.J.S. 2C:36A-1 or N.J.S. 2C:43-12 for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed the penalty prescribed herein and applicable to the degree of the offense charged, except that the court shall not impose more than one such penalty regardless of the number of offenses charged. If the person is charged with more than one offense, the court shall impose as a condition of supervisory treatment the penalty applicable to the highest degree offense for which the person is charged.

All penalties provided for in this section shall be in addition to and not in lieu of any fine authorized by law or required to be imposed pursuant to the provisions of N.J.S. 2C:35-12.

b. All penalties provided for in this section shall be collected as provided for collection of fines and restitutions in section 3 of P.L. 1979, c. 396 (C. 2C:46-4), and shall be forwarded to the Department of Law and Public Safety as provided in subsection c. of this section.

c. All moneys collected pursuant to this section shall be forwarded to the Department of Law and Public Safety to be deposited
in a nonlapsing revolving fund to be known as the "Drug Enforcement and Demand Reduction Fund."

d. All moneys, including fines and restitution, collected from a person convicted of or adjudicated delinquent for an offense or placed in supervisory treatment pursuant to N.J.S. 2C:43-12 shall be applied first to any Violent Crimes Compensation Board penalty imposed pursuant to section 2 of P.L. 1979, c. 396 (C. 2C:43-3.1), and shall next be applied to any forensic laboratory fee assessed pursuant to N.J.S. 2C:35-20, and shall next be applied to any penalty imposed pursuant to this section.

e. The court may suspend the collection of a penalty imposed pursuant to this section; provided the defendant agrees to enter a residential drug rehabilitation program approved by the court; and further provided that the defendant agrees to pay for all or some portion of the costs associated with the rehabilitation program. In this case, the collection of a penalty imposed pursuant to this section shall be suspended during the defendant's participation in the approved rehabilitation program. Upon successful completion of the program, the defendant may apply to the court to reduce the penalty imposed pursuant to this section by any amount actually paid by the defendant for his participation in the program. The court shall not reduce the penalty pursuant to this subsection unless the defendant establishes to the satisfaction of the court that he has successfully completed the rehabilitation program. If the defendant's participation is for any reason terminated before his successful completion of the rehabilitation program, collection of the entire penalty imposed pursuant to this section shall be enforced. Nothing in this section shall be deemed to affect or suspend any other criminal sanctions imposed pursuant to this chapter or chapter 36 of this title.

7. N.J.S. 2C:35-16 is amended to read as follows:

Mandatory forfeiture or postponement of driving privileges.

2C:35-16. Mandatory Forfeiture or Postponement of Driving Privileges.

In addition to any disposition authorized by this title, the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, and notwithstanding the provisions of subsection c. of N.J.S. 2C:43-2 every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall forthwith forfeit his right to
CHAPTER 44, LAWS OF 1988

operate a motor vehicle over the highways of this State for a period to be fixed by the court at not less than six months or more than two years which shall commence on the day the sentence is imposed. In the case of any person who at the time of the imposition of sentence is less than 17 years of age, the period of the suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the sentence is imposed and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years. If the driving privilege of any person is under revocation, suspension, or postponement for a violation of any provision of this title or Title 39 of the Revised Statutes at the time of any conviction or adjudication of delinquency for a violation of any offense defined in this chapter or chapter 36 of this title, the revocation, suspension, or postponement period imposed herein shall commence as of the date of termination of the existing revocation, suspension, or postponement.

The court before whom any person is convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall collect forthwith the New Jersey driver's license or licenses of the person and forward such license or licenses to the Director of the Division of Motor Vehicles along with a report indicating the first and last day of the suspension or postponement period imposed by the court pursuant to this section. If the court is for any reason unable to collect the license or licenses of the person, the court shall cause a report of the conviction or adjudication of delinquency to be filed with the Director. That report shall include the complete name, address, date of birth, eye color, and sex of the person and shall indicate the first and last day of the suspension or postponement period imposed by the court pursuant to this section. The court shall inform the person orally and in writing that if the person is convicted of personally operating a motor vehicle during the period of license suspension or postponement imposed pursuant to this section, the person shall, upon conviction, be subject to the penalties set forth in R.S. 39:3-40. A person shall be required to acknowledge receipt of the written notice in writing. Failure to receive a written notice or failure to acknowledge in writing the receipt of a written notice shall not be a defense to a subsequent charge of a violation of R.S. 39:3-40. If the person is the holder of a driver's license from another jurisdiction, the court shall not collect the license but shall notify forthwith the Director who shall notify the appropriate officials in the licensing jurisdiction. The court shall,
however, in accordance with the provisions of this section, revoke the person's non-resident driving privilege in this State.

In addition to any other condition imposed, a court may in its discretion suspend, revoke or postpone in accordance with the provisions of this section the driving privileges of a person admitted to supervisory treatment under N.J.S. 2C:36A-1 or N.J.S. 2C:43-12 without a plea of guilty or finding of guilt.

8. N.J.S. 2C:35-18 is amended to read as follows:

Exemption; burden of proof.

2C:35-18. Exemption; Burden of Proof.

a. If conduct is authorized by the provisions of P.L. 1970, c. 226 (C. 24:21-1 et seq.), that authorization shall, subject to the provisions of this section, constitute an exemption from criminal liability under this chapter or chapter 36, and the absence of such authorization shall not be construed to be an element of any offense in this chapter or chapter 36. It is an affirmative defense to any criminal action arising under this chapter or chapter 36 that the defendant is the authorized holder of an appropriate registration or order form or is otherwise exempted or excepted from criminal liability by virtue of any provision of P.L. 1970, c. 226 (C. 24:21-1 et seq.). The affirmative defense established herein shall be proved by the defendant by a preponderance of the evidence. It shall not be necessary for the State to negate any exemption set forth in this act or in any provision of Title 24 of the Revised Statutes in any complaint, information, indictment or other pleading or in any trial, hearing or other proceeding under this act.

b. No liability shall be imposed by virtue of this chapter or chapter 36 upon any duly authorized State officer, engaged in the enforcement of any law or municipal ordinance relating to controlled dangerous substances or controlled substance analogs.

9. N.J.S. 2C:35-19 is amended to read as follows:

Laboratory certificates; use; admission into evidence; objections.

2C:35-19. Laboratory Certificates; Use; Admission into Evidence; Objections.

a. The Attorney General of New Jersey may designate State Forensic Laboratories. These laboratories shall be staffed by employees of this State or any of the State's political subdivisions. In a proceeding for a violation of the provisions of chapters 35 and 36 of this title or any other statute concerning controlled dangerous substances or
controlled dangerous substance analogs, a law enforcement agency may submit to one of these laboratories any substance, including, but not limited to, any substance believed to be a controlled dangerous substance or controlled substance analog thereof, or any poisons, drugs or medicines or human body tissues or fluids. The laboratory shall analyze these substances.

b. Upon the request of any law enforcement agency, the laboratory employee performing the analysis shall prepare a certificate. This employee shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: the type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber’s training or experience to perform the analysis; and the nature and condition of the equipment used. When properly executed, the certificate shall, subject to subsection c. of this section and notwithstanding any other provision of law, be admissible evidence of the composition, quality, and quantity of the substance submitted to the laboratory for analysis, and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that he is that person.

c. Whenever a party intends to proffer in a criminal or quasi-criminal proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and all reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least 20 days before the proceeding begins. An opposing party who intends to object to the admission into evidence of a certificate shall give notice of objection and the grounds for the objection within 10 days upon receiving the adversary’s notice of intent to proffer the certificate. Whenever a notice of objection is filed, admissibility of the certificate shall be determined not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and specific grounds for that objection that the composition, quality, or quantity of the substance submitted to the laboratory for analysis will be contested at trial. A failure to
comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section shall not be relaxed except upon a showing of good cause.

10. N.J.S. 2C:35-20 is amended to read as follows:

Forensic laboratory fees.

2C:35-20. Forensic Laboratory Fees. a. In addition to any disposition made pursuant to the provisions of N.J.S. 2C:43-2, any person convicted of an offense under this chapter shall be assessed a criminal laboratory analysis fee of $50.00 for each offense for which he was convicted. Any person who is placed in supervisory treatment pursuant to N.J.S. 2C:36A-1 or N.J.S. 2C:43-12 shall be assessed a criminal laboratory analysis fee of $50.00 for each such offense for which he was charged.

b. In addition to any other disposition made pursuant to the provisions of section 24 of P.L. 1982, c. 77 (C. 2A:4A-43) or any other statute indicating the dispositions that can be ordered for adjudications of delinquency, any juvenile adjudicated delinquent for a violation of this chapter shall be assessed a laboratory analysis fee of $25.00 for each adjudication.

c. All criminal laboratory analysis fees provided for in this section shall be collected as provided for the collection of fines and restitutions in section 3 of P.L. 1979, c. 396 (C. 2C:46-4), and shall be forwarded to the appropriate forensic laboratory fund as provided in subsection d. of this section.

d. Forensic laboratory funds shall be established as follows:

(1) Any county or municipality which maintains a publicly funded forensic laboratory that regularly employs at least one forensic chemist or scientist engaged in the analysis of controlled dangerous substances may establish a forensic laboratory fund within the office of the county or municipal treasurer.

(2) Any other county or municipality which has agreed by contract to pay or reimburse the entire salary of at least one forensic chemist or scientist employed by a laboratory designated as a State Forensic Laboratory pursuant to N.J.S. 2C:35-19, may establish a forensic laboratory fund within the office of the county or municipal treasurer.

(3) A separate account shall be established in the State Treasury and shall be designated the "State Forensic Laboratory Fund."
e. The analysis fee provided for in subsections a. and b. of this section shall be forwarded to the office of the treasurer of the county or municipality that performed the laboratory analysis if that county or municipality has established a forensic laboratory fund or, to the State forensic laboratory fund if the analysis was performed by a laboratory operated by the State. If the county or municipality has not established a forensic laboratory fund, then the analysis fee shall be forwarded to the State forensic laboratory fund within the State Treasury. If the analysis was performed by a forensic chemist or scientist whose salary was paid or reimbursed by a county or municipality pursuant to a contract, the analysis fee shall be forwarded to the appropriate forensic laboratory fund established pursuant to paragraph (2) of subsection d. of this section unless the contract provides for a different means of allocating and distributing forensic laboratory fees, in which event the terms of the contract may determine the amounts to be forwarded to each forensic laboratory fund. The county or municipal treasurer and State Treasurer may retain an amount of the total of all collected analysis fees equal to the administrative costs incurred pursuant to carrying out their respective responsibilities under this section.

f. Moneys deposited in the county or municipal forensic laboratory fund created pursuant to paragraph (1) of subsection d. of this section shall be in addition to any allocations pursuant to existing law and shall be designated for the exclusive use of the county or municipal forensic laboratory. These uses may include, but are not limited to, the following:

1. costs incurred in providing analyses for controlled substances in connection with criminal investigations conducted within this State;

2. purchase and maintenance of equipment for use in performing analyses; and

3. continuing education, training and scientific development of forensic scientists regularly employed by these laboratories.

g. Moneys deposited in the State forensic laboratory fund created pursuant to paragraph (3) of subsection d. of this section shall be used by State forensic laboratories that the Attorney General designates pursuant to N.J.S. 2C:35-19, and the Division of State Police in the Department of Law and Public Safety. These moneys shall be in addition to any allocations pursuant to existing law and shall be designated for the exclusive use of State forensic facilities. These uses may include those enumerated in subsection f. of this section.
11. N.J.S. 2C:35-21 is amended to read as follows:

Seizure in violation of chapter; pretrial destruction of bulk seizures of controlled dangerous substances.

2C:35-21. Seizure in Violation of Chapter; Pretrial Destruction of Bulk Seizures of Controlled Dangerous Substances.

Any controlled dangerous substance or controlled substance analog seized in violation of this chapter shall be subject to the forfeiture provisions of chapter 64 of this title. In any case involving a bulk seizure of a controlled dangerous substance or a controlled substance analog, a prosecuting authority, upon notice to defense counsel, may apply to the trial court for an order to destroy all or some portion of the seized substance. The State, county or municipal forensic laboratory that analyzes the substance shall make a photographic record thereof.

In the event that the defendant objects to the application to destroy all or some portion of the controlled dangerous substance or controlled substance analog, defense counsel shall within 20 days of receiving notice from the prosecuting authority serve notice of objection upon the trial judge and the prosecuting authority. The notice of objection shall include the reasons therefor. Failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the destruction of all or some portion of the substance.

The decision to order the destruction of the substance shall be vested in the sound discretion of the trial court. Prior to the issuance of any order authorizing the destruction of all or some portion of the controlled dangerous substance or controlled substance analog, and subject to reasonable supervision by laboratory or agency personnel, defense counsel shall be afforded an opportunity to inspect or test the substance.

The State, county or municipal forensic laboratory authorized to destroy all or some portion of the controlled dangerous substance or controlled substance analog shall file with the court a certificate under oath attesting to the date on which the substance was destroyed, the quantity of the substance destroyed, and the method used to destroy the substance.

Notwithstanding any other provision of law, the photographic record made in accordance with the provisions of this section, upon proper authentication, may be introduced as evidence in any court.
12. N.J.S. 2C:36A-1 is amended to read as follows:

Conditional discharge for certain first offenses; expunging of records.

2C:36A-1. Conditional discharge for certain first offenses; expunging of records. a. Whenever any person who has not previously been convicted of any offense under section 20 of P.L. 1970, c. 226 (C. 24:21-20), or a disorderly persons or petty disorderly persons offense defined in chapter 35 or 36 of this title or, subsequent to the effective date of this title, under any law of the United States, this State or any other state relating to marijuana, or stimulant, depressant, or hallucinogenic drugs, is charged with or convicted of any disorderly persons offense or petty disorderly persons offense under chapter 35 or 36 of this title, the court upon notice to the prosecutor and subject to subsection c. of this section, may on motion of the defendant or the court:

(1) Suspend further proceedings and with the consent of the person after reference to the State Bureau of Identification criminal history record information files, place him under supervisory treatment upon such reasonable terms and conditions as it may require; or

(2) After plea of guilty or finding of guilty, and without entering a judgment of conviction, and with the consent of the person after proper reference to the State Bureau of Identification criminal history record information files, place him on supervisory treatment upon reasonable terms and conditions as it may require, or as otherwise provided by law.

b. In no event shall the court require as a term or condition of supervisory treatment under this section, referral to any residential treatment facility for a period exceeding the maximum period of confinement prescribed by law for the offense for which the individual has been charged or convicted, nor shall any term of supervisory treatment imposed under this subsection exceed a period of three years. If a person is placed under supervisory treatment under this section after a plea of guilty or finding of guilt, the court as a term and condition of supervisory treatment shall suspend the person's driving privileges for a period to be fixed by the court at not less than six months or more than two years. In the case of a person who at the time of placement under supervisory treatment under this section is less than 17 years of age, the period of suspension of driving privileges authorized herein, including a suspension of the privilege of operating a motorized bicycle, shall commence on the day the
person is placed on supervisory treatment and shall run for a period as fixed by the court of not less than six months or more than two years after the day the person reaches the age of 17 years.

If the driving privilege of a person is under revocation, suspension, or postponement for a violation of this title or Title 39 of the Revised Statutes at the time of the person's placement on supervisory treatment under this section, the revocation, suspension or postponement period imposed herein shall commence as of the date of the termination of the existing revocation, suspension or postponement. The court which places a person on supervisory treatment under this section shall collect and forward the person's driver's license to the Division of Motor Vehicles and file an appropriate report with the division in accordance with the procedure set forth in N.J.S. 2C:35-16. The court shall also inform the person of the penalties for operating a motor vehicle during the period of license suspension or postponement as required in N.J.S. 2C:35-16.

Upon violation of a term or condition of supervisory treatment the court may enter a judgment of conviction and proceed as otherwise provided, or where there has been no plea of guilty or finding of guilty, resume proceedings. Upon fulfillment of the terms and conditions of supervisory treatment the court shall terminate the supervisory treatment and dismiss the proceedings against him. Termination of supervisory treatment and dismissal under this section shall be without court adjudication of guilt and shall not be deemed a conviction for purposes of disqualifications or disabilities, if any, imposed by law upon conviction of a crime or disorderly persons offense but shall be reported by the clerk of the court to the State Bureau of Identification criminal history record information files. Termination of supervisory treatment and dismissal under this section may occur only once with respect to any person. Imposition of supervisory treatment under this section shall not be deemed a conviction for the purposes of determining whether a second or subsequent offense has occurred under section 29 of P.L. 1970, c. 226 (C. 24:21-29), chapter 35 or 36 of this title or any law of this State.

c. Proceedings under this section shall not be available to any defendant unless the court in its discretion concludes that:

(1) The defendant's continued presence in the community, or in a civil treatment center or program, will not pose a danger to the community; or

(2) That the terms and conditions of supervisory treatment will
be adequate to protect the public and will benefit the defendant by serving to correct any dependence on or use of controlled substances which he may manifest; and

(3) The person has not previously received supervisory treatment under section 27 of P.L. 1970, c. 226 (C. 24:21-27), N.J.S. 2C:43-12, or the provisions of this chapter.

d. A person seeking conditional discharge pursuant to this section shall pay to the court a fee of $45.00. The court shall forward all money collected under this subsection to the treasurer of the county in which the court is located. This money shall be used to defray the cost of juror compensation within that county. A person may apply for a waiver of this fee, by reason of poverty, pursuant to the Rules Governing the Courts of the State of New Jersey.

13. N.J.S. 2C:43-6 is amended to read as follows:

Sentence of imprisonment for crime; ordinary terms; mandatory terms.

2C:43-6. Sentence of Imprisonment for Crime; Ordinary Terms; Mandatory Terms.

a. Except as otherwise provided, a person who has been convicted of a crime may be sentenced to imprisonment, as follows:

(1) In the case of a crime of the first degree, for a specific term of years which shall be fixed by the court and shall be between 10 years and 20 years;

(2) In the case of a crime of the second degree, for a specific term of years which shall be fixed by the court and shall be between five years and 10 years;

(3) In the case of a crime of the third degree, for a specific term of years which shall be fixed by the court and shall be between three years and five years;

(4) In the case of a crime of the fourth degree, for a specific term which shall be fixed by the court and shall not exceed 18 months.

b. As part of a sentence for any crime, where the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors, as set forth in subsections a. and b. of 2C:44-1, the court may fix a minimum term not to exceed one-half of the term set pursuant to subsection a., or one-half of the term set pursuant to a maximum period of incarceration for a crime set forth in any statute other than this code, during which the defendant shall not be eligible for parole; provided that no defendant shall be eligible
for parole at a date earlier than otherwise provided by the law governing parole.

c. A person who has been convicted under 2C:39-4a. of possession of a firearm with intent to use it against the person of another, or of a crime under any of the following sections: 2C:11-3, 2C:11-4, 2C:12-1b., 2C:13-1, 2C:14-2a., 2C:14-3a., 2C:15-1, 2C:18-2, 2C:29-5, who, while in the course of committing or attempting to commit the crime, including the immediate flight therefrom, used or was in possession of a firearm as defined in 2C:39-1f., shall be sentenced to a term of imprisonment by the court. The term of imprisonment shall include the imposition of a minimum term. The minimum term shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or three years, whichever is greater, or 18 months in the case of a fourth degree crime, during which the defendant shall be ineligible for parole.

The minimum terms established by this section shall not prevent the court from imposing presumptive terms of imprisonment pursuant to 2C:44-1f. (1) except in cases of crimes of the fourth degree.

A person who has been convicted of an offense enumerated by this subsection and who used or possessed a firearm during its commission, attempted commission or flight therefrom and who has been previously convicted of an offense involving the use or possession of a firearm as defined in 2C:44-3d., shall be sentenced by the court to an extended term as authorized by 2C:43-7c., notwithstanding that extended terms are ordinarily discretionary with the court.

d. The court shall not impose a mandatory sentence pursuant to subsection c. of this section, 2C:43-7c. or 2C:44-3d., unless the ground therefor has been established at a hearing. At the hearing, which may occur at the time of sentencing, the prosecutor shall establish by a preponderance of the evidence that the weapon used or possessed was a firearm. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing, or other court proceedings and shall also consider the presentence report and any other relevant information.

e. A person convicted of a third or subsequent offense involving State taxes under N.J.S. 2C:20-9, N.J.S. 2C:21-15, any other provision of this code, or under any of the provisions of Title 54 of the Revised Statutes, or Title 54A of the New Jersey Statutes, as amended and supplemented, shall be sentenced to a term of imprisonment by the court. This shall not preclude an application for
and imposition of an extended term of imprisonment under N.J.S. 2C:44-3 if the provisions of that section are applicable to the offender.

f. A person convicted of manufacturing, distributing, dispensing or possessing with intent to distribute any dangerous substance or controlled substance analog under N.J.S. 2C:35-5, of maintaining or operating a controlled dangerous substance production facility under N.J.S. 2C:35-4, of employing a juvenile in a drug distribution scheme under N.J.S. 2C:35-6, leader of a narcotics trafficking network under N.J.S. 2C:35-3, or of distributing, dispensing or possessing with intent to distribute on or near school property or buses under section 1 of P.L. 1987, c. 101 (C. 2C:35-7), who has been previously convicted of manufacturing, distributing, dispensing or possessing with intent to distribute a controlled dangerous substance or controlled substance analog, shall upon application of the prosecuting attorney be sentenced by the court to an extended term as authorized by subsection c. of N.J.S. 2C:43-7, notwithstanding that extended terms are ordinarily discretionary with the court. The term of imprisonment shall, except as may be provided in N.J.S. 2C:35-12, include the imposition of a minimum term. The minimum term shall be fixed at, or between, one-third and one-half of the sentence imposed by the court or three years, whichever is greater, not less than seven years if the person is convicted of a violation of N.J.S. 2C:35-6, or 18 months in the case of a fourth degree crime, during which the defendant shall be ineligible for parole.

The court shall not impose an extended term pursuant to this subsection unless the ground therefor has been established at a hearing. At the hearing, which may occur at the time of sentencing, the prosecutor shall establish the ground therefor by a preponderance of the evidence. In making its finding, the court shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing, or other court proceedings and shall also consider the presentence report and any other relevant information.

For the purpose of this subsection, a previous conviction exists where the actor has at any time been convicted under chapter 35 of this title or Title 24 of the Revised Statutes or under any similar statute of the United States, this State, or any other state for an offense that is substantially equivalent to N.J.S. 2C:35-3, N.J.S. 2C:35-4, N.J.S. 2C:35-5, N.J.S. 2C:35-6 or section 1 of P.L. 1987, c. 101 (C. 2C:35-7).

14. N.J.S. 2C:43-7 is amended to read as follows:
Sentence of imprisonment for crime; extended terms.

2C:43-7. Sentence of Imprisonment for Crime; Extended Terms.

a. In the cases designated in section 2C:44-3, a person who has been convicted of a crime may be sentenced to an extended term of imprisonment, as follows:

(1) In case of aggravated manslaughter sentenced under subsection c. of N.J.S. 2C:11-4 or kidnapping when sentenced as a crime of the first degree under paragraph (1) of subsection c. of 2C:13-1 for a specific term of years which shall be between 30 years and life imprisonment;

(2) Except for the crime of murder and except as provided in paragraph (1) of this subsection, in the case of a crime of the first degree, for a specific term of years which shall be fixed by the court and shall be between 20 years and life imprisonment;

(3) In the case of a crime of the second degree, for a term which shall be fixed by the court between 10 and 20 years;

(4) In the case of a crime of the third degree, for a term which shall be fixed by the court between five and 10 years;

(5) In the case of a crime of the fourth degree pursuant to 2C:43-6c. and 2C:44-3d. for a term of five years, and in the case of a crime of the fourth degree pursuant to 2C:43-6f. for a term which shall be fixed by the court between three and five years.

b. As part of a sentence for an extended term and notwithstanding the provisions of 2C:43-9, the court may fix a minimum term not to exceed one-half of the term set pursuant to subsection a. during which the defendant shall not be eligible for parole or a term of 25 years during which time the defendant shall not be eligible for parole where the sentence imposed was life imprisonment; provided that no defendant shall be eligible for parole at a date earlier than otherwise provided by the law governing parole.

c. In the case of a person sentenced to an extended term pursuant to 2C:43-6c., 2C:43-6f. and 2C:44-3d., the court shall impose a sentence within the ranges permitted by 2C:43-7a. (2), (3), (4) or (5) according to the degree or nature of the crime for which the defendant is being sentenced, which sentence shall include a minimum term which shall, except as may be specifically provided by N.J.S. 2C:43-6f., be fixed at or between one-third and one-half of the sentence imposed by the court or five years, whichever is greater, during which the defendant shall not be eligible for parole. Where
the sentence imposed is life imprisonment, the court shall impose a minimum term of 25 years during which the defendant shall not be eligible for parole, except that where the term of life imprisonment is imposed on a person convicted for a violation of N.J.S. 2C:35-3, the term of parole ineligibility shall be 30 years.

15. N.J.S. 2C:43-13 is amended to read as follows:

Supervisory treatment procedure.

a. Agreement. The terms and duration of the supervisory treatment shall be set forth in writing, signed by the prosecutor and agreed to and signed by the participant. If the participant is represented by counsel, defense counsel shall also sign the agreement. Each order of supervisory treatment shall be filed with the county clerk.

b. Charges. During a period of supervisory treatment the charge or charges on which the participant is undergoing supervisory treatment shall be held in an inactive status pending termination of the supervisory treatment pursuant to subsection d. or e. of this section.

c. Period of treatment. Supervisory treatment may be for such period, as determined by the designated judge or the assignment judge, not to exceed three years, provided, however, that the period of supervisory treatment may be shortened or terminated as the program director may determine with the consent of the prosecutor and the approval of the court.

d. Dismissal. Upon completion of supervisory treatment, and with the consent of the prosecutor, the complaint, indictment or accusation against the participant may be dismissed with prejudice.

e. Violation of conditions. Upon violation of the conditions of supervisory treatment, the court shall determine, after summary hearing, whether said violation warrants the participant's dismissal from the supervisory treatment program or modification of the conditions of continued participation in that or another supervisory treatment program. Upon dismissal of participant from the supervisory treatment program, the charges against the participant may be reactivated and the prosecutor may proceed as though no supervisory treatment had been commenced.

f. Evidence. No statement or other disclosure by a participant undergoing supervisory treatment made or disclosed to the person designated to provide such supervisory treatment shall be disclosed, at any time, to the prosecutor in connection with the charge or
charges against the participant, nor shall any such statement or
disclosure be admitted as evidence in any civil or criminal proceeding
against the participant. Nothing provided herein, however, shall pre­
vent the person providing supervisory treatment from informing the
prosecutor, or the court, upon request or otherwise as to whether or
not the participant is satisfactorily responding to supervisory treat­
ment.

g. Delay. No participant agreeing to undergo supervisory treat­
ment shall be permitted to complain of a lack of speedy trial for any
delay caused by the commencement of supervisory treatment.

A person applying for admission to a program of supervisory treat­
ment shall pay to the court a fee of $45.00. The court shall forward
all money collected under this subsection to the treasurer of the
county in which the court is located. This money shall be used to
defray the cost of juror compensation within that county. A person
may apply for a waiver of this fee, by reason of poverty, pursuant
to the Rules Governing the Courts of the State of New Jersey.

16. Section 24 of P.L. 1982, c. 77 (C. 2A:4A-43) is amended to
read as follows:

C. 2A:4A-43 Disposition of delinquency cases.

24. Disposition of delinquency cases.

a. In determining the appropriate disposition for a juvenile ad­
judicated delinquent the court shall weigh the following factors:

(1) The nature and circumstances of the offense;

(2) The degree of injury to persons or damage to property caused
by the juvenile's offense;

(3) The juvenile's age, previous record, prior social service re­
ceived and out-of-home placement history;

(4) Whether the disposition supports family strength, responsi­
bility and unity and the well-being and physical safety of the juve­
nile;

(5) Whether the disposition provides for reasonable participation
by the child's parent, guardian, or custodian, provided, however, that
the failure of a parent or parents to cooperate in the disposition shall
not be weighed against the juvenile in arriving at an appropriate
disposition;

(6) Whether the disposition recognizes and treats the unique
(7) Whether the disposition contributes to the developmental needs of the child, including the academic and social needs of the child where he has mental retardation or learning disabilities; and

(8) Any other circumstances related to the offense and the juvenile's social history as deemed appropriate by the court.

b. If a juvenile is adjudged delinquent the court may order incarceration pursuant to section 25 of this act or any one or more of the following dispositions:

(1) Adjourn formal entry of disposition of the case for a period not to exceed 12 months for the purpose of determining whether the juvenile makes a satisfactory adjustment, and if during the period of continuance the juvenile makes such an adjustment, dismiss the complaint; provided that if the court adjourns formal entry of disposition of delinquency for a violation of an offense defined in chapter 35 or 36 of Title 2C, of the New Jersey Statutes the court shall assess the mandatory penalty set forth in N.J.S. 2C:35-15 but may waive imposition of the penalty set forth in N.J.S. 2C:35-16 for juveniles adjudicated delinquent;

(2) Release the juvenile to the supervision of his or her parent or guardian;

(3) Place the juvenile on probation to the chief probation officer of the county or to any other suitable person who agrees to accept the duty of probation supervision for a period not to exceed three years upon such written conditions as the court deems will aid rehabilitation of the juvenile;

(4) Transfer custody of the juvenile to any relative or other person determined by the court to be qualified to care for the juvenile;

(5) Place the juvenile under the care of the Department of Human Services under the responsibility of the Division of Youth and Family Services pursuant to P.L. 1951, c. 138, s. 2(c) (C. 30:4C-2(c)) for the purpose of providing services in or out of the home. Within 14 days, unless for good cause shown, but not later than 30 days, the Department of Human Services shall submit to the court a service plan, which shall be presumed valid, detailing the specifics of any disposition order. The plan shall be developed within the limits of fiscal and other resources available to the department. If the court de-
termines that the service plan is inappropriate, given existing resources, the department may request a hearing on that determination;

(6) Place the juvenile under the care and custody of the Commissioner of the Department of Human Services for the purpose of receiving the services of the Division of Mental Retardation of that department, provided that the juvenile has been determined to be eligible for those services under P.L. 1965, c. 59, s. 16 (C. 30:4-25.4);

(7) Commit the juvenile, pursuant to the laws governing civil commitment, to the Department of Human Services under the responsibility of the Division of Mental Health and Hospitals for the purpose of placement in a suitable public or private hospital or other residential facility for the treatment of persons who are mentally ill, on the ground that the juvenile, if not committed, would be a probable danger to himself or others or property by reason of mental illness;

(8) Fine the juvenile an amount not to exceed the maximum provided by law for such a crime or offense if committed by an adult and which is consistent with the juvenile’s income or ability to pay and financial responsibility to his family, provided that the fine is specially adapted to the rehabilitation of the juvenile or to the deterrence of the type of crime or offense. If the fine is not paid due to financial limitations, the fine may be satisfied by requiring the juvenile to submit to any other appropriate disposition provided for in this section;

(9) Order the juvenile to make restitution to a person or entity who has suffered loss resulting from personal injuries or damage to property as a result of the offense for which the juvenile has been adjudicated delinquent. The court may determine the reasonable amount, terms and conditions of restitution. If the juvenile participated in the offense with other persons, the participants shall be jointly and severally responsible for the payment of restitution. The court shall not require a juvenile to make full or partial restitution if the juvenile reasonably satisfies the court that he does not have the means to make restitution and could not reasonably acquire the means to pay restitution;

(10) Order that the juvenile perform community services under the supervision of a probation department or other agency or individual deemed appropriate by the court. Such services shall be compulsory and reasonable in terms of nature and duration. Such services
may be performed without compensation, provided that any money earned by the juvenile from the performance of community services may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(11) Order that the juvenile participate in work programs which are designed to provide job skills and specific employment training to enhance the employability of job participants. Such programs may be without compensation, provided that any money earned by the juvenile from participation in a work program may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(12) Order that the juvenile participate in programs emphasizing self-reliance, such as intensive outdoor programs teaching survival skills, including but not limited to camping, hiking and other appropriate activities;

(13) Order that the juvenile participate in a program of academic or vocational education or counseling, such as a youth service bureau, requiring attendance at sessions designed to afford access to opportunities for normal growth and development. This may require attendance after school, evenings and weekends;

(14) Place the juvenile in a suitable residential or nonresidential program for the treatment of alcohol or narcotic abuse, provided that the juvenile has been determined to be in need of such services; or

(15) Order the parents or guardian of the juvenile to participate in appropriate programs or services when the court has found either that such person's omission or conduct was a significant contributing factor towards the commission of the delinquent act, or, under its authority to enforce litigant's rights, that such person's omission or conduct has been a significant contributing factor towards the ineffective implementation of a court order previously entered in relation to the juvenile;

(16) (a) Place the juvenile in a nonresidential program operated by a public or private agency, providing intensive services to juveniles for specified hours, which may include education, counseling to the juvenile and the juvenile's family if appropriate, vocational training, employment counseling, work or other services; or

(b) Place the juvenile under the custody of the Department of Corrections for placement with any private group home or private residential facility with which the department has entered into a purchase of service contract;
(17) Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver's license, registration certificate, or both of any juvenile who used a motor vehicle in the course of committing an act for which he was adjudicated delinquent. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the delinquent act and the potential effect of the loss of driving privileges on the juvenile's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial commitment; or

(18) Order that the juvenile satisfy any other conditions reasonably related to the rehabilitation of the juvenile.

c. (1) If the juvenile detention facility in the county in which the juvenile has been adjudicated delinquent has a juvenile detention facility meeting the physical and program standards established pursuant to this subsection by the Department of Corrections, the court may, in addition to any of the dispositions enumerated in this subsection, incarcerate the juvenile in a youth detention facility for a term not to exceed 60 consecutive days. The Department of Corrections shall promulgate such rules and regulations from time to time as deemed necessary to establish minimum physical facility and program standards for the use of juvenile detention facilities pursuant to this subsection.

(2) No juvenile may be incarcerated in any county detention facility unless the county has entered into an agreement with the Department of Corrections concerning the use of the facility for sentenced juveniles. Upon agreement with the county, the Department of Corrections shall certify detention facilities which may receive juveniles sentenced pursuant to this subsection and shall specify the capacity of the facility that may be made available to receive such juveniles; provided, however, that in no event shall the number of juveniles incarcerated pursuant to this subsection exceed 50% of the maximum capacity of the facility.

(3) The court may fix a term of incarceration under this subsection where:

(a) The act for which the juvenile was adjudicated delinquent, if committed by an adult, would have constituted a crime or repetitive disorderly persons offense;
(b) Incarceration of the juvenile is consistent with the rehabilitative goals of this act and the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors as set forth in section 25 of this act; and

(c) The detention facility has been certified for admission of adjudicated juveniles pursuant to paragraph (2).

(4) If as a result of incarcerations of adjudicated juveniles pursuant to this subsection, a county is required to transport a predisposition juvenile to a juvenile detention facility in another county, the costs of such transportation shall be borne by the Department of Corrections.

d. Whenever the court imposes a disposition upon an adjudicated delinquent which requires the juvenile to perform a community service, restitution, or to participate in any other program provided for in this section other than subsection c., the duration of the juvenile's mandatory participation in such alternative programs shall extend for a period consistent with the program goal for the juvenile and shall in no event exceed one year beyond the maximum duration permissible for the delinquent if he has been committed to a correctional institution.

17. Section 2 of P.L. 1982, c. 81 (C. 2A:4A-71) is amended to read as follows:

C. 2A:4A-71 Review and processing of complaints.

2. Review and processing of complaints.

a. The jurisdiction of the court in any complaint filed pursuant to section 11 of P.L. 1982, c. 77 (C. 2A:4A-30) shall extend to the juvenile who is the subject of the complaint and his parents or guardian.

b. Every complaint shall be reviewed by court intake services for recommendation as to whether the complaint should be dismissed, diverted, or referred for court action. Where the complaint alleges a crime which, if committed by an adult, would be a crime of the first, second, third or fourth degree, or alleges a repetitive disorderly persons offense or any disorderly persons offense defined in chapter 35 or chapter 36 of Title 2C, the complaint shall be referred for court action, unless the prosecutor otherwise consents to diversion. Court intake services shall consider the following factors in determining whether to recommend diversion:
(1) The seriousness of the alleged offense or conduct and the circumstances in which it occurred;

(2) The age and maturity of the juvenile;

(3) The risk that the juvenile presents as a substantial danger to others;

(4) The family circumstances, including any history of drugs, alcohol abuse or child abuse on the part of the juvenile, his parents or guardian;

(5) The nature and number of contacts with court intake services and the court that the juvenile or his family have had;

(6) The outcome of those contacts, including the services to which the juvenile or family have been referred and the results of those referrals;

(7) The availability of appropriate services outside referral to the court;

(8) Any recommendations expressed by the victim or complainant, or arresting officer, as to how the case should be resolved; and

(9) Any recommendation expressed by the county prosecutor.

18. This act shall take effect immediately. Approved June 28, 1988.

CHAPTER 45

AN ACT concerning criminal history record background checks for certain State employees, supplementing Titles 30 and 55 of the Revised Statutes, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4-3.4 Definitions.

1. As used in this act:

a. "Employee" means any individual 18 years of age or older who is employed at a facility and works at the facility for the equivalent of at least one seven hour day per week. Employee includes but is
not limited to the facility's director or principal administrator, teaching, social service, dietary, clerical and maintenance staff and the driver of a motor vehicle used to transport persons to and from the facility.

b. “Facility” means a State institution or facility for the mentally ill or the developmentally disabled.

C. 30:4-3.5 Criminal history record check.

2. a. A facility shall not employ any individual unless the Commissioner of the Department of Human Services has first determined, consistent with the requirements and standards of this act, that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or in the State Bureau of Identification in the Division of State Police, which would disqualify that individual from being employed at the facility. An individual shall be disqualified from employment under this act if that individual’s criminal history record check reveals a record of conviction of any of the following crimes and offenses:

(1) In New Jersey, any crime or disorderly persons offense:

(a) Involving danger to the person, meaning those crimes and disorderly persons offenses set forth in N.J.S. 2C:11-1 et seq., N.J.S. 2C:12-1 et seq., N.J.S. 2C:13-1 et seq., N.J.S. 2C:14-1 et seq. or N.J.S. 2C:15-1 et seq.; or

(b) Against the family, children or incompetents, meaning those crimes and disorderly persons offenses set forth in N.J.S. 2C:24-1 et seq.; or

(2) In any other state or jurisdiction, of conduct which, if committed in New Jersey, would constitute any of the crimes or disorderly persons offenses described in paragraph (1) of this subsection.

b. Notwithstanding the provisions of subsection a. of this section, no individual shall be disqualified from employment under this act on the basis of any conviction disclosed by a criminal history record check performed pursuant to this act if the individual has affirmatively demonstrated to the Commissioner of Human Services clear and convincing evidence of his rehabilitation. In determining whether an individual has affirmatively demonstrated rehabilitation, the following factors shall be considered:

(1) The nature and responsibility of the position which the convicted individual would hold;
(2) The nature and seriousness of the offense;
(3) The circumstances under which the offense occurred;
(4) The date of the offense;
(5) The age of the individual when the offense was committed;
(6) Whether the offense was an isolated or repeated incident;
(7) Any social conditions which may have contributed to the offense; and
(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work-release programs, or the recommendation of persons who have had the individual under their supervision.

c. If a prospective employee of a facility refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall direct the principal administrator not to consider the person for employment at the facility. The prospective employee shall, however, retain any available right of review by the Merit System Board in the Department of Personnel.

d. If a current employee of a facility refuses to consent to, or cooperate in, the securing of a criminal history record background check, the commissioner shall direct the principal administrator to immediately remove the person from his position at the facility and to terminate the person's employment at the facility. The employee shall, however, retain any available right of review by the Merit System Board in the Department of Personnel.

C. 30:4-3.6 Fingerprinting.

3. An applicant for employment or a current employee shall submit to the Commissioner of Human Services his name, address and fingerprints taken on standard fingerprint cards by a State or municipal law enforcement agency. The commissioner is authorized to exchange fingerprint data with and receive criminal history record information from the Federal Bureau of Investigation and the Division of State Police for use in making the determinations required by this act. No criminal history record check shall be performed pursuant to this act unless the applicant shall have furnished his written consent to the check.
C. 30:4-3.7 Written notice; hearing.

4. a. Upon receipt of the criminal history record information for an applicant from the Federal Bureau of Investigation and the Division of State Police, the commissioner shall notify the applicant or employee, in writing, of the applicant's or employee's qualification or disqualification for employment under this act. If the applicant or employee is disqualified, the conviction or convictions which constitute the basis for the disqualification shall be identified in the written notice.

b. The applicant or employee shall have 30 days from the date of written notice of disqualification to petition the commissioner for a hearing on the accuracy of the criminal history record information or to establish his rehabilitation under subsection b. of section 2 of this act. The commissioner may refer any case arising hereunder to the Office of Administrative Law for administrative proceedings pursuant to P.L. 1978, c. 67 (C. 52:14F-1 et seq.).

c. The commissioner shall not maintain any individual's criminal history record information or evidence of rehabilitation submitted under this section for more than six months from the date of a final determination by the commissioner as to the individual's qualification or disqualification to be an employee pursuant to this act.

d. The Commissioner of Human Services shall initiate a criminal history record background check on all current employees no later than 120 days after the effective date of this act.

C. 30:4-3.8 Report.

5. The Commissioner of Human Services shall report to the Governor and the Legislature no later than three years from the effective date of this act on the effectiveness of the criminal history record background checks in screening out prospective or current employees of facilities who have criminal history records which render them unfit for employment. The commissioner shall include in the report any recommendations for modifying the provisions of this act.

C. 30:4-3.9 Rules, regulations.

6. In accordance with the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), the Commissioner of Human Services shall adopt rules and regulations necessary to implement the provisions of this act.

C. 30:4-3.10 Cost-bearing by Department of Human Services.

7. The Department of Human Services shall assume the cost of
all criminal history record background checks conducted on current and prospective employees.

C. 53:1-20.8 Background check by State Police.

8. The Division of State Police in the Department of Law and Public Safety shall conduct a criminal history record background check which includes a name and fingerprint identification check of each current and prospective employee of a facility to ascertain whether the person has a record of criminal history, pursuant to P.L. 1988, c. 45 (C. 30:4-3.4 et al.). The division shall conduct the background check only upon receipt of the person's written consent to conduct the background check.

For the purpose of conducting the criminal history record background check, the division shall examine its own files and arrange for a similar examination by federal authorities. The division shall forward the information obtained as a result of conducting the check to the Commissioner of Human Services.

9. There is appropriated from the General Fund $95,000.00 to the Department of Human Services to effectuate the purposes of this act.

10. This act shall take effect on the 180th day after enactment, except that section 6 shall take effect immediately.

CHAPTER 46

AN ACT providing for payment of costs and attorney fees in certain circumstances and supplementing Title 2A of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 2A:15-59.1 Frivolous causes of action.

1. a. A party who prevails in a civil action, either as plaintiff or defendant, against any other party may be awarded all reasonable litigation costs and reasonable attorney fees, if the judge finds at any time during the proceedings or upon judgment that a complaint, counterclaim, cross-claim or defense of the nonprevailing person was frivolous.
b. In order to find that a complaint, counterclaim, cross-claim or defense of the nonprevailing party was frivolous, the judge shall find on the basis of the pleadings, discovery, or the evidence presented that either:

(1) The complaint, counterclaim, cross-claim or defense was commenced, used or continued in bad faith, solely for the purpose of harassment, delay or malicious injury; or

(2) The nonprevailing party knew, or should have known, that the complaint, counterclaim, cross-claim or defense was without any reasonable basis in law or equity and could not be supported by a good faith argument for an extension, modification or reversal of existing law.

c. A party seeking an award under this section shall make application to the court which heard the matter. The application shall be supported by an affidavit stating in detail:

(1) The nature of the services rendered, the responsibility assumed, the results obtained, the amount of time spent by the attorney, any particular novelty or difficulty, the time spent and services rendered by secretaries and staff, other factors pertinent in the evaluation of the services rendered, the amount of the allowance applied for, an itemization of the disbursements for which reimbursement is sought, and any other factors relevant in evaluating fees and costs; and

(2) How much has been paid to the attorney and what provision, if any, has been made for the payment of these fees in the future.

2. This act shall take effect on the 180th day after enactment and shall apply only to causes of action filed on or after the effective date.

Notwithstanding the provisions of paragraph (7) of subsection i. of section 3 of P.L. 1968, c. 413 (C. 30:4D-3i.(7)), the division shall comply with the provisions of Pub.L. 97-248, 42 U.S.C. §1396p.(c), which allows the State to deny Medicaid eligibility to individuals who divest themselves of their assets in order to obtain Medicaid benefits. The amount of the uncompensated value of the transferred asset shall be counted toward the resource maximum for 24 months from the date of disposal. If the uncompensated value of a transferred resource, combined with all other countable resources, does not exceed the applicable resource maximum, and all other eligibility requirements are met, the individual may be determined eligible for Medicaid benefits.

All funds recovered under P.L. 1968, c. 413 (C. 30:4D-1 et seq.) and P.L. 1975, c. 194 (C. 30:4D-20 et seq.) during the fiscal year ending June 30, 1989 are appropriated.

Notwithstanding the provisions of P.L. 1981, c. 217 (C. 30:4D-7.2a) to the contrary, the division is authorized to seek recovery and to file a lien against the estate of a qualified applicant or eligible person, after his death, for the amount of assistance paid or to be paid on his behalf under the "New Jersey Medical Assistance and Health Services Act," P.L. 1968, c. 413 (C. 30:4D-1 et seq.), if the amount sought to be recovered is $500 or more, and the estate is $3,000 or more, and there is no surviving spouse and no surviving child who is under age 21 or is blind or permanently disabled. This recovery authority shall apply to all such recoveries initiated on or after July 20, 1981 from the estates of applicants or recipients who died prior to, on, or after July 20, 1981, the effective date of P.L. 1981, c. 217.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L. 1975, c. 194 (C. 30:4D-20 et seq.) are the last resource benefits, notwithstanding any provisions contained in a contract, will, agreement or other instrument. Any provision in a contract of insurance, will, trust agreement or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits is void, and no PAAD payments shall be made as a result of any such provision.

The Division of Developmental Disabilities is authorized to transfer funds from the Dental program for non-institutionalized developmentally disabled and handicapped children account to the Division of Medical Assistance and Health Services, in proportion to the number of program participants who are Medicaid eligible.

Excess State funds realized by federal involvement through Medicaid in the dental program for non-institutionalized developmentally disabled and handicapped children are committed for the program's support during the subsequent fiscal year, rather than for expansion.

Notwithstanding the provisions of any law to the contrary, the unexpended balances as of June 30, 1988 in the tuition receipt accounts established pursuant to P.L. 1979, c. 207 (C. 18A:7B-1 et seq.) in the various departments are appropriated for education related transportation costs and other day training related costs in the Division of Developmental Disabilities in such amounts as the Director of the Division of Budget and Accounting shall determine to be necessary; except that such amounts shall not be in excess of $1,000,000.

The unexpended balance as of June 30, 1988 in the Social support services for epileptics account is appropriated for the same purpose.

Receipts derived from counties and local governments for data processing services and the unexpended balance of such receipts as of June 30, 1988 are appropriated.

Any federal funds received by the Division of Public Welfare for the direct or indirect costs incurred by the Department of Labor for the operation of the Wage Reporting System shall be deposited in the General Treasury.

Notwithstanding the provisions of P.L. 1981, c. 60 (C. 44:14-1 et seq.) to the contrary, funds distributed pursuant to the "County Welfare Per Capita Cost Limitation Act of 1981" shall be distributed without determining whether counties entitled to funds have an error rate above the Statewide average error rate.

The State appropriation shall be based upon a federal financial participation rate of 48%; but if the federal participation rate exceeds this percentage, there will be placed in reserve a portion of the State appropriation equal to the amount of additional federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

The unexpended balances, as of June 30, 1988, in the Bank Match account, which represents funding from the Inter-Departmental Account for the continuation and expansion of data processing systems, are appropriated and are to be used to fund the Income Eligibility Verification System.

The commissioner shall provide the Director of the Division of Budget and Accounting, the Senate Revenue, Finance and Appropriations Committee and the Assembly Appropriations Committee, or the successor committees thereto, with quarterly reports, due within 60 days after the end of each quarter, containing written statistical and financial information on the Realizing Economic Achievement (REACH) program. The reports shall, at a minimum, include the following: the number of cases participating in the program and the number of cases which are exempt from
the program, the type of services provided to program participants and the cost of such services, the number of case managers employed by the program, their associated costs and any other administrative costs incurred by the program, the number of participants who have obtained employment, the average hourly wage and benefits provided by the employer and the length of time participants remain employed.

The unexpended balances, as of June 30, 1988, in the Automated child support enforcement program—State share account are appropriated.

Notwithstanding any State law to the contrary, no State agency shall accept or expend federal funds except as appropriated by the Legislature or otherwise provided in this act.

In addition to the federal funds appropriated in this act, there are appropriated the following federal funds, subject to allotment by the Director of the Division of Budget and Accounting: emergency disaster aid funds; pass-through grants to political subdivisions of the State over which the State is not permitted to exercise discretion in the use or distribution of the funds and...
for which no State matching funds are required except, for the purpose of this section, federal funds received by one executive agency that are ultimately expended by another executive agency shall not be considered pass-through grants; grants to State colleges, Rutgers, The State University, the University of Medicine and Dentistry of New Jersey, and the New Jersey Institute of Technology for research or other scholarly activity not related to expansion of course curricula; and Basic Educational Opportunity Grants (Pell Grants), Supplemental Educational Opportunity Grants, National Direct Student Loans, and College Work Study Funds in excess of the amount specifically appropriated, except that the Director of the Division of Budget and Accounting shall notify the Legislative Budget and Finance Officer of these grants; and all other grants of $200,000 or less which have been awarded competitively.

For the purposes of federal funds appropriations, “political subdivisions of the State” means counties, municipalities, school districts, or agencies thereof, county or municipal authorities, regional authorities or districts other than interstate authorities or districts; “discretion” refers to any action in which an agency may determine either the amount of funds to be allocated or the recipient of the allocation; and “grants” refers to one-time, or time limited awards, which are received pursuant to submission of a grant application in competition with other grant applications.

The accounts receivable balances of federal funds as of June 30, 1988 are reestablished and appropriated for the same purposes, the expenditure of which shall be subject to the approval of the Director of the Division of Budget and Accounting who shall inform the Legislative Budget and Finance Officer by September 1, 1988 of accounts receivable balances which are established and reappropriated.

The unexpended balances of federal funds as of June 30, 1988 are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1, 1988 of any unexpended balances which are reappropriated.

The Director of the Division of Budget and Accounting shall promulgate and enforce uniform accounting procedures applicable to all State agencies receiving and expending federal funds.
The appropriate executive agencies shall prepare and submit to the Senate Revenue, Finance and Appropriations Committee and the Assembly Appropriations Committee, or their successors, by March 1, 1989, reports on proposed expenditures during fiscal year 1990 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the job training partnership block grant; the low income energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities grant; and the social services block grant. These reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide service under the block grants.

The amounts hereinabove appropriated are available, subject to the approval of the Director of the Division of Budget and Accounting, for the payment of obligations and the reimbursement of expenditures applicable to prior fiscal years.

2. There are appropriated, subject to allotment by the Director
of the Division of Budget and Accounting and with the approval of
the Legislative Budget and Finance Officer, private contributions,
revolving funds and dedicated funds received or receivable for the
use of the State or its agencies in excess of those anticipated, unless
otherwise provided herein, and the unexpended balances as of June 30, 1988 of such funds.

3. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 1988 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; and sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

6. There are appropriated such sums as may be required for the collection of debts owed to the State, subject to allotment by the Director of the Division of Budget and Accounting.

7. The unexpended balances as of June 30, 1988 in the accounts of the several departments and agencies heretofore appropriated or established in the category of Additions, Improvements and Equipment are appropriated.

8. Unless otherwise provided, balances remaining as of June 30, 1988 in accounts of appropriations enacted subsequent to April 1, 1988 are appropriated.

9. a. To permit flexibility in the handling of appropriations, any department or agency that receives an appropriation by law, may, subject to the provisions of this section, or unless otherwise provided in this act, apply to the Director of the Division of Budget and Accounting for permission to transfer funds from one item of appropriation to a different item of appropriation. For the purposes of this section, "item of appropriation" means the spending authority identified by an organization code, fund code and program code unique to the item. If the director consents to the transfer, the
amount transferred shall be credited by the director to the designated item of appropriation and notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer. However, the director, after consenting thereto, shall submit the following transfer requests to the Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise provided in this act:

1. Requests for the transfer of State and other nonfederal funds, in amounts greater than $300,000, to or from any item of appropriation;

2. Requests for the transfer of State funds, in amounts greater than $300,000, to or from any account within an item of appropriation in which the unexpended balances are reappropriated in this act, or which is otherwise designated as a carry-forward account;

3. Requests for the transfer of State and other nonfederal funds, in amounts greater than $8,000, to or from any Special Purpose or Grant account within an item of appropriation, from or to a different item of appropriation;

4. Requests for the transfer of State and other nonfederal funds, in amounts greater than $8,000, to or from any Special Purpose or Grant account in which the identifying organization code, fund code and program code remain the same, provided that the transfer would effect a change in the legislative intent of the appropriations;

5. Requests for the transfer of State funds, in amounts greater than $8,000, between items of appropriation in different departments or between items of appropriation in different appropriation classifications herein entitled as Direct State Services, State Aid, Capital Construction and Debt Service;

6. Requests for the transfer of federal funds, in amounts greater than $8,000, from one item of appropriation to another item of appropriation, if the amount of the transfer to an item in combination with the amount of the appropriation to that item would result in an amount in excess of the appropriation authority for that item;

7. Requests for the transfer of federal funds, in amounts greater than $8,000, to or from any Special Purpose or State Aid and Grants account within an item of appropriation, from or to a different item of appropriation;

8. Requests for the transfer of federal funds, in amounts greater than $8,000, to or from any Special Purpose or State Aid and Grants
(9) Requests for such other transfers as are appropriate in order to ensure compliance with the legislative intent of this act.

b. The Joint Budget Oversight Committee or its successor may review all transfer requests submitted for legislative approval and may direct the Legislative Budget and Finance Officer to approve or disapprove any such transfer request. Transfers submitted for legislative approval pursuant to paragraph (5) of subsection a. of this section shall be made only if approved by the Legislative Budget and Finance Officer at the direction of the committee.

c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the transfer of funds submitted for legislative approval within 10 working days of the physical receipt thereof and shall return them to the director. If any provision of this act or any supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove requests for the transfer of funds, the request shall be deemed to be approved by the Legislative Budget and Finance Officer if, within 20 working days of the physical receipt of the request, he has not disapproved the request and so notified the requesting officer. However, this time period shall not pertain to any transfer request under review by the Joint Budget Oversight Committee or its successor, provided notice of such review has been given to the director.

d. No amount appropriated for any capital improvement shall be used for any temporary purpose except extraordinary snow removal or extraordinary transportation maintenance. However, an amount from any appropriation for an item of capital improvement may be transferred to any other item of capital improvement subject to the approval of the director, and, if in an amount greater than $300,000, subject to the approval of the Legislative Budget and Finance Officer.

e. The provisions of subsections a. through d. of this section shall not apply to appropriations made to the Legislative branch of State government. To permit flexibility in the handling of these appropriations, amounts may be transferred to and from the various items of appropriation by the appropriate officer or his designee with notification given to the director on the effective date thereof.

f. Notwithstanding any provisions of this section to the contrary, transfers to and from the Special Purpose appropriation to the Gov-
error for emergency and necessity under the State Contingency Fund and transfers from the appropriations to the various accounts in the category of Salary and Other Benefits, both in the Inter-Departmental Accounts, shall not be subject to legislative approval or disapproval.

10. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and he is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget and Finance Officer upon the effective date thereof. Where such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget and Finance Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be his duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

11. The Director of the Division of Budget and Accounting is empowered and it shall be his duty in the disbursement of funds for payment of expenses classified as employee benefits, debt service, rent, leased telephone, motor pool, insurance, postage, lease payments on equipment purchases and compensation awards to credit or transfer to the Department of the Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source as the Director of the Division of Budget and Accounting shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

12. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written
ruling, reciting in appropriate detail the facts thereof, and reasons thereof, attested by the signature of the Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as an official record thereof, and any action thereunder, including disbursement and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date of the ruling.

13. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget and Finance Officer, upon the effective date thereof.

14. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, disaster, or for flood loss expenses for State owned structures to comply with Federal Insurance Administration requirements.

15. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

16. From appropriations to the various departments of State government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

17. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in his custody, deposited with him pursuant to law, sufficient sums to enable payments from any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds whose statutes provide for interest earnings to accrue to the fund, all such transfers shall be without interest. When the statute provides for interest earnings, it shall be calculated at the average rate of earnings during the fiscal year from the State's general investments.
18. Unless otherwise provided, federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund; provided however, that a portion of the indirect and administrative cost recoveries received which are in excess of the amount anticipated may be reclassified into a dedicated account and returned to State departments and agencies, as determined by the Director of the Division of Budget and Accounting, who shall notify the Legislative Budget and Finance Officer of the amount of such funds returned, the departments or agencies receiving such funds and the purpose for which such funds will be used, within 10 working days of any such transaction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.

19. Notwithstanding the provisions of P.L. 1954, c. 48 (C. 52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium and New Jersey Education Computer Network (NJECN) as if they were State government agencies pursuant to subsection (a) of section 5 of P.L. 1954, c. 48 (C. 52:34-10); provided however, that any expenditure with NJECN shall be subject to the prior approval of the Director of the Division of Budget and Accounting.

20. The Director of the Division of Budget and Accounting may settle any claim not exceeding $250 due and owing to the State.

21. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $1,000 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget and Finance Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $1,000, which has been denied or not recommended by the head of such department, shall be precluded from presenting said claim to the Legislature for consideration.

22. The unexpended balances as of June 30, 1988 in any account which represents funding from the Inter-Departmental Accounts for
the continuation and expansion of data processing systems are appropriated for the same purpose.

23. Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years, upon the written recommendation of any department head, or his designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which he deems improper.

24. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board a sum to establish a petty cash fund for the payment of expenses under rules and regulations established by the director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from the fund. Such receipts shall be forwarded monthly by such custodian, to the Director of the Division of Budget and Accounting for audit, and the Director shall likewise make regulations governing disbursement from petty cash funds.

25. The Legislative Budget and Finance Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill to reflect any reorganizations which have been implemented since the formulation of the Governor's Budget Recommendation Document dated February 2, 1988.

26. Receipts in excess of those anticipated from employee maintenance deductions are appropriated for the purpose of maintenance of employee housing units, subject to allotment by the Director of the Division of Budget and Accounting.

27. State agencies shall prepare and submit a timely copy of their departmental budget requests, and spending plans involving all State, federal and other non-State funds to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer, by October 1, 1988 including quarterly updated spending plans on January 1 and April 1, 1989. The spending plans shall account for any changes in departmental spending which differ
from this appropriation act and all supplements to this act. The spending plans and requests shall be submitted on forms specified by the Director of the Division of Budget and Accounting.

28. The Director of the Division of Budget and Accounting is empowered to transfer or credit appropriations to any State agency for services provided, or to be provided, by that agency to any other agency or department; provided further, however, that funds have been appropriated or allocated to such agency or department for the purpose of purchasing these services.

29. The Director of the Division of Budget and Accounting shall provide the Legislative Budget and Finance Officer with copies of all BB-4s, Application for Non-State funds, and accompanying project proposals or grant applications, with the exception of research grants awarded to State colleges, which do not require a State match and which will not commit or require State support after the grant's expiration, prior to the director's approval or disapproval of the application.

30. a. There is hereby created within the General Treasury a restricted reserve fund to be known as the "Surplus Revenue Fund," in the amount of $170,872,495, credited from undesignated balances. In addition, the State Treasurer shall credit to the "Surplus Revenue Fund," on or before December 31, 1988, the amounts determined pursuant to subsection c. of this section. Moneys credited to the "Surplus Revenue Fund" may be invested in the same manner as assets of the General Fund and any investment earnings on the "Surplus Revenue Fund" shall accrue to the "Surplus Revenue Fund" and shall be available subject to the same terms and conditions as other balances under this section. The State Treasurer may determine the amount of earnings to be credited to the "Surplus Revenue Fund" to reflect the average rate of return on the State of New Jersey Cash Management Fund. The State Treasurer shall provide a report of the status of the "Surplus Revenue Fund" to the Governor and to the Legislature through the Joint Budget Oversight Committee, or its successor, no later than January 15, 1989.

b. As used in this section "anticipated revenue" means the amount of revenue estimated to be realized in a fiscal year as General Fund resources to support appropriations made, including taxes, license fees, other miscellaneous departmental revenue, and revenue transfers to the General Fund from other funds in the State Treasury, and excluding federal funds and any fund balances, whether designated, undesignated or reserved.
c. The amount to be credited to the "Surplus Revenue Fund" shall be determined by the State Treasurer in the following manner:

(1) He shall identify the amount of General Fund anticipated revenue certified by the Governor upon approval of P.L. 1987, c. 154.

(2) He shall determine, from the annual financial report of the General Fund for the fiscal year 1988, the amount of revenue actually deposited in the General Fund in that fiscal year. If in fiscal year 1988, there was a law enacted which increases the revenue to the General Fund, the yield from that increase for that fiscal year shall be disregarded in determining the amount to be credited to the "Surplus Revenue Fund."

(3) The amount of the credit to the "Surplus Revenue Fund" shall be an amount equivalent to 50% of the excess, if there be any, of the amount determined in paragraph (2) of subsection c. of this section over the amount determined in paragraph (1) of subsection c. of this section. If actual revenue collections pursuant to the "New Jersey Gross Income Tax Act," N.J.S. 54A:1-1 et seq., for fiscal year 1988 is less than the amount of revenue collections pursuant to that act as certified by the Governor upon approval of P.L. 1987, c. 154, the amount of the credit to the "Surplus Revenue Fund" otherwise calculated pursuant to this paragraph shall be reduced by the difference between the amount so certified and the actual collections.

d. The Governor shall include in his budget message to the Legislature for fiscal year 1990 an estimate of the credit to be made to the "Surplus Revenue Fund" as a reduction of the estimated undesignated fund balance in the General Fund as of July 1, 1990. The amount estimated by the Governor for this purpose shall not be less than 50% of the difference between the amount certified by him upon approval of the annual appropriation act for the 1989 fiscal year and the amount of revenue anticipated for the 1989 fiscal year as reflected in the annual budget message for that fiscal year.

e. Balances in the "Surplus Revenue Fund" shall not be available for appropriation except as provided in this section. Balances in the "Surplus Revenue Fund" may be appropriated by the Legislature only: (1) upon separate certification by the Governor that anticipated revenues in the General Fund are estimated to be less than those certified by him upon approval of the 1989 annual appropriation act; or (2) upon a finding by the Legislature, based on its research, that to offset revenue declines anticipated in the General Fund an appropriation from the "Surplus Revenue Fund" is a more prudent
f. The provisions of this section shall not be construed to render balances in the “Surplus Revenue Fund” unavailable for meeting the costs of any emergency identified by the Governor. Balances in the “Surplus Revenue Fund” are appropriated for that purpose, provided however, that the Governor shall notify the Joint Budget Oversight Committee, or its successor, of his determination that balances in the fund are required to meet an emergency, describing the nature of the emergency and the intended use of the funds in meeting the emergency. Upon notice to the Governor that such expenditures have been approved by the committee, or its successor, the expenditure of such funds shall be lawful. As used in this subsection, “emergency” means any condition or occurrence which requires an immediate response in the protection of the life, safety or well-being of the citizens of this State, or any of them, or in the protection or restoration of property, public or private, endangered, damaged, or destroyed as a result, actual or potential, of such condition or occurrence.

(1) If in fiscal year 1989 there is enacted an appropriation from the “Surplus Revenue Fund” pursuant to subsection e. of this section, there shall not be enacted any imposition of new taxes or increases in existing tax rates or tax structure modifications having the effect of increasing revenues except as provided in paragraph (2) of this subsection.

(2) If the amount of the decline in revenue collections in the General Fund is greater than the equivalent of 2% of the total available resources in the General Fund as certified by the Governor upon approval of this annual appropriation act, the restrictions of paragraph (1) of this subsection shall not apply and the balances in the “Surplus Revenue Fund” may be appropriated in any other manner as found to be in the best interests of the fiscal condition of the General Fund.

h. Notwithstanding the restrictions on the appropriation of the balances in the “Surplus Revenue Fund” imposed by subsection e. of this section, if balances in the fund exceed an amount equivalent to 5% of the amount certified by the Governor as total anticipated revenues in the General Fund upon approval of this annual appropriation act, the State Treasurer shall send written notice of the amount of that excess to the Governor and to the Legislature through
the Senate Revenue, Finance and Appropriations Committee and the Assembly Appropriations Committee, or their successor committees or committee. The excess amount as identified in the notice from the State Treasurer shall be available for appropriation by the Legislature in accordance with subsection i. of this section.

i. Upon notice from the State Treasurer of the amount of excess in the "Surplus Revenue Fund" pursuant to subsection h. of this section, there may be appropriated sums for any one or more of the following purposes:

1. To provide a reserve fund for retirement, purchase or discharge of outstanding general obligation bonds of the State of New Jersey;

2. To provide appropriations for capital projects;

3. To provide appropriations to reduce or offset real property taxes.

j. The amount available for appropriation for the purposes specified in subsection i. shall not be in excess of an amount equivalent to 2% of the amount certified by the Governor as total anticipated revenues in the General Fund upon approval of this annual appropriation act. If the amount reported by the State Treasurer as required in subsection h. is in excess of the amount available for appropriation pursuant to subsection i. as limited in this subsection, that amount, if any, shall be included in the undesignated balance in the General Fund and available for appropriation as otherwise provided by law.

31. This act shall take effect July 1, 1988.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 47
(Senate Bill No. 2800)

I am returning Senate Bill No. 2800 with my signature, together with certain constitutionally permitted modifications which are set forth herein.

This budget provides expenditures of $11,775,000,000. It calls for no new taxes. It contains reserves against future contingencies of more than one-half billion dollars, while it invests more than $1.2 billion of additional funds in our State's continued growth and pros-
perity. This budget is a responsible yet prudent spending plan. This budget will provide:

- A total of $5.7 billion in State Aid to ease the pressure on local property taxes, including $3.4 billion in school aid—an increase of $272 million from last year. I had initially proposed even greater funding of school aid. My February, 1988 budget submission called for a $310 million increase in school aid, which would have been the single largest increase in our State's history. The Legislature reduced this spending proposal by $42 million, chiefly by eliminating funding for a proposal to set minimum teachers' salaries at $22,000. I continue to believe that increases in teachers' salaries are vital to education reform. The Legislature's failure to include monies for this proposal disappoints me. I will continue to press for enactment of enabling legislation effecting a $22,000 minimum salary. However, even with this legislative reduction, this year's increase in school funding is the second largest increase in history. State Aid for schools has increased by more than $1.6 billion since I became Governor.

- An increase of over $243 million for the Department of Human Services. The total State commitment for this Department is $2.3 billion. This level of funding, together with almost $1.6 billion in federal funds, will permit us to significantly expand services to the elderly, disabled and poor. Some of the most significant expansions include:
  
  — Expanding our commitment to REACH, our innovative welfare reform program. Our commitment to REACH in fiscal year 1989 will be in excess of $35 million, up $22.5 million from last year's budget.
  
  — As it reaches my desk, this budget contains approximately $25 million in State funds to assist the homeless. This amount, together with supplemental appropriations of $7 million which I signed last month, brings our total commitment in homeless aid from all sources to in excess of $53 million, more than double last year's appropriation.
  
  — A marked expansion of funding for the mentally ill and developmentally disabled. Approximately $94 million is committed for services for the mentally ill, combined with approximately $126 million in State funds for the developmentally disabled, totaling $220 million or an increase
of more than $28 million from fiscal year 1988. The ex-

pansion of our community mental health program rep-

resents $18.6 million of this increase, which is 24.5 percent

higher than current spending levels and means that I have

increased spending on this item by 200 percent since I took

office.

—An increase of more than $133 million in our Medicaid

program to enable us to provide a safety net of health care

for our aged, disabled and poor. This increase includes $7.1

million for enhanced provider fees and $51 million for nurs-
ing home beds for the elderly. Our most vulnerable are

assured of necessary medical care.

• An increase of $50 million for our Distressed Cities Program.

With this increase we have increased spending in this program

from $18 million, two short years ago, to $120 million today.

This program is the lifeline of the revitalization of our urban

centers. The program must be made permanent. Unfortu-

nately, we still have not settled on a funding source for this program

apart from general revenue, so its continued existence is pre-
carious. I pledge to continue to work with the Legislature to

find a permanent source of funding so our cities can properly

plan, with our assistance, their financial futures.

• An increase of $49 million for our public colleges and univer-
sities, bringing our total commitment to more than $1 billion.

This budget provides for expansion of Challenge Grants to

community colleges, Rutgers University, New Jersey Institute

of Technology, and the University of Medicine and Dentistry

of New Jersey as well as a continuation of our Challenge Grant

programs for our State colleges. In addition, this budget

provides $6 million for the first round of Challenge Grants to

independent colleges and universities, to encourage these in-
stitutions to strive for excellence in their programs. As well,

this budget provides for a restructured formula of State Aid

for our county colleges.

• This budget also provides the first-year funding of our Trans-

cportation Trust II Program. Three hundred sixty-six million

dollars are appropriated from the Transportation Trust Fund

for essential highway and mass transit improvements. In ad-

dition, the budget provides an increase in our pay-as-you-go

capital program of almost $160 million. Including the proposed

Clean Ocean capital programs, which the Legislature has ap-
proven through separate appropriation bills, the total capital program is $517 million—by far the largest pay-as-you-go program in the State's history.

In addition, this budget provides approximately $10 million in State dollars to begin a new housing program called JUMPP, which will create hundreds of affordable rental apartments in our urban areas. It also provides $31 million in State dollars to fight the dread disease AIDS, an increase of 125 percent over current spending levels. Additional monies are also provided for cultural activities, mass transit and law enforcement.

Once again, I am indebted to the Legislature, particularly the Appropriations Committees of both houses and their respective Chairmen, Senator Larry Weiss and Assemblyman “Doc” Villane. These individuals have worked tirelessly to provide State government with the means it needs to achieve the policy objectives we set. The two Chairmen, Senator Weiss and Assemblyman Villane, have provided their considerable experience and wisdom to the process, and we all have benefited as a result. They have once again produced a budget that will serve the people of this State well.

The increase in this budget for State Aid and programs is more than $1.2 billion over last year’s spending plan. Although this is a significant increase in spending, it is targeted to continuance of essential State services, increases in property tax relief, and added investments in critical capital projects. The budget also reflects a prudent hand. It sets aside an operating reserve of about 2%. More importantly, the budget provides $288 million in a surplus revenue fund, set aside to guarantee against future economic contingencies and emergencies. The creation of this reserve, which Senator Weiss has long advocated, provides us with a hedge against economic downturns and protects us from having to face the Hobson’s choice of either cutting essential programs or enacting counter-productive tax measures at critical points in the business cycle. I need not remind you that other states with basic economic structures strikingly similar to ours have experienced fiscal difficulties recently.

Of course, I do not agree with all of the modifications proposed to my budget by the Legislature, any more than the Legislature agreed wholeheartedly with my original spending proposal. This is the nature of the democratic process, and this budget thus produced is the product of compromise. On balance, I am satisfied with the end product. However, I am disappointed with a lack of legislative action on two environmental fronts. For the second consecutive year,
the Legislature has failed to enact a stable funding source for natural resources. Last year, the Legislature proposed a stopgap program for natural resources, which I approved. This year, it also proposes a quick fix—$5 million for shore protection. I cannot approve this expenditure. We must confront this problem. We need a stable funding program to properly plan our management of this State’s natural resources.

My single largest disappointment is the Legislature’s failure to enact legislation providing for a Coastal Commission. As noted, this budget reflects the legislative concurrence in most of my original 14-point Clean Ocean Plan, calling for an expenditure of more than $40 million to protect our coastal resources. Capital spending alone, however, is an inadequate solution. Until we create a diligent watchdog and advocate for the coast, a body that will provide a common planning and regulatory mechanism for our coastal municipalities, the future of our coast will remain in jeopardy. Only the Coastal Commission can fill that role. I again call on the Legislature to create the Coastal Commission.

I am also disappointed in the Legislature’s failure to appropriate monies for my employment policy initiatives. Without job training, our work force will not be prepared to meet the challenge of tomorrow’s technology.

Nevertheless, on balance, I am satisfied that this budget wisely invests in our future and am pleased to sign it into law for fiscal year 1989. It will continue the State’s fiscal integrity and sound fiscal practices.

The spending plans and requests shall be submitted on forms specified by the Director of the Division of Budget and Accounting."

SUMMARY

This appropriation bill, with my line-item veto adjustments, provides a spending plan for fiscal year 1989. The total appropriation for all State funds is $11.775 billion, an increase of approximately $1.2 billion over the fiscal year 1988 adjusted appropriation. This appropriation is less than the amount recommended by the Legislature by $16.5 million.

More than 58 percent of the budget is directed to State Aid to local governments or grants-in-aid to individuals and non-profit organizations. The two largest appropriations in the budget are $3.4 billion for aid to local school districts, and $2.2 million to the Department of Human Services to provide aid and assistance to our less fortunate. The recommendation for school aid represents an increase of $272 million over the current year. The Human Services recommendation is an increase of $243 million over current spending patterns, and is directed principally towards community programs for the mentally ill and developmentally disabled, Medicaid, the homeless, Youth and Family Services, and welfare reform. Other significant increases in the budget are for distressed cities, environmental programs, trans-
portation construction, correctional programs and law enforcement activities, and higher education.

This budget is consistent with my belief that a budget of $11.7 billion must have an adequate reserve. Including the Rainy Day Fund, the budget has reserves of $500 million in the General Fund and Property Tax Relief Fund and $110.5 million in the Casino Revenue Fund.

I have reduced funds for the following programs, in the amounts indicated, for the stated reasons.

"DIRECT STATE SERVICES"

Department of Agriculture

$150,000 Funds for the Non-Point Source Pollution Program are eliminated. The State Department of Environmental Protection has several pollution control programs which include non-point source pollution, as well as the enforcement powers necessary to control pollution. The two Departments should coordinate their activities rather than institute duplicative programs.

25,000 Funds for the Agricultural Agents Association of New Jersey are eliminated. The monies would be used to help the association conduct a National Conference of Agricultural Agents. This type of expense should be borne by the Association with the assistance of private sector entities who benefit from the services of the Association.

Department of Commerce, Energy and Economic Development

$25,900 This leaves an appropriation of $100,000 to support WBGO, a public radio station in Newark. It provides an increase of 33% over the current year's appropriation for this purpose.

100,000 This item would provide funds to the Black People's Unity Movement (BPUM) Impact Corporation for equity capital financing of a 40,000 square foot building that would be part of the Poet's Row Industrial Park project in Camden. There are existing sources of capital financing for which this organization should make application. For example, the N.J. Economic Develop-
ment Authority as well as the local development financing fund may have monies available for projects of this type.

**Department of Community Affairs**

$25,000 This would have provided funding for the Job Training Center for Urban Women in Plainfield. The Plainfield program already receives monies from our statewide Job Training program. $324,000 is budgeted for that program and is shared by three centers.

250,000 Funding for a grant to the State Legal Services Office is reduced to $2,000,000, which is $250,000 more than fiscal year 1988 and 60 percent over the fiscal year 1987 appropriation.

10,000 This item is reduced to $80,000. The remaining appropriation will continue funding to La Casa de Don Pedro at the fiscal year 1988 level.

25,000 This grant to the Greater Newark Chamber of Commerce summer campership program is eliminated. Funds for this type of program should be raised privately.

50,000 This item is reduced to $50,000. This will provide monies for the Westside Community Center—Asbury Park to make structural repairs to the facility.

15,000 This would have provided a total of $50,000 to Irvington Police Athletic League. The budget includes $35,000 for this community agency to make capital improvements.

25,000 This grant to the North Ward Cultural Center—Newark would have provided $285,000. The budget includes $260,000 in continuation funding to support various programs operated at the center. Funding for the center has increased by 70% since 1987.

50,000 This grant to the Trenton Roebling Community Development Corporation is eliminated. The monies would have been used to study whether an industrial museum should be placed at the old Roebling site. This type of project should be financed from local and private sources or through the competitive grant process within the Department of State.
This grant to the Metuchen YMCA is reduced to $15,000. This is sufficient to purchase one van.

This grant to Keyport Women's Resource Center would have provided $25,000. The budget includes $15,000 to relocate the center to a new facility.

This grant to Samaritan Center, Inc. is reduced to $25,000 for this agency to provide emergency funds for the homeless. The budget also includes $4.8 million in funding in the Department of Community Affairs and $5.9 million in the Department of Human Services for the homeless.

This grant to Housing and Neighborhood Development Services Inc. is reduced by $10,000. This leaves $65,000 which is sufficient for the agency to carry on its program of operating carpentry training for the homeless and unskilled and rehabilitation of low and moderate income housing units. This represents continuation funding from 1988.

This grant to Salem County YMCA would have provided $60,000. The budget includes $30,000 for the replacement of the heating unit at the facility.

This grant to Hackensack Rape Crisis Center is reduced to $25,000 which will be used to provide various services including court preparation and accompaniment, hotline services, group counseling, community education and child abuse and emergency services.

This grant to Services for the Missing Inc. is reduced by $5,000, leaving $20,000 to be used to provide services to people looking for missing persons. This is the same level of assistance as provided last year.

This would provide a $45,000 grant to Metlar House for structural improvements. Bond monies are available for this purpose. Application should be made to our Department of Environmental Protection.

This leaves $100,000 in public monies as a grant to People Care Center to be utilized as part of a capital renovation project. When complete, the project will house charitable groups.
15,000 This grant to the Long Branch Community Club would have provided $25,000 to support community club programs. This leaves $10,000 to support this program. Private fund-raising efforts should support the remaining needs.

25,000 This grant to the Irvington Senior Citizens Center is reduced to $25,000 which is the same level of funding approved for this program in fiscal year 1988.

**Department of Corrections**

$25,000 Funds for Offender Aid and Restitution of Essex County are eliminated. This organization provides counseling and social services referrals for men and women following their release from prisons in Essex County. Organizations such as this may be worthwhile supporting with taxpayers' funds but all such similar organizations should have an equal opportunity to obtain support based on appropriate programs and funding criteria as determined by the Department of Corrections.

25,000 This still leaves $50,000 for the Juvenile Resource Center, Camden, which is an increase of $25,000 over the fiscal year 1988 appropriation. This will provide sufficient State support to this program which helps juvenile offenders.

**Department of Veterans' Affairs and Defense**

$100,000 This item, to provide job placement services only to ROTC enlistees, is deleted. Job placement services are available to all New Jersey citizens from the Department of Labor.

90,000 This would appropriate $90,000 to Wayne Township to improve property along old Route 23 to create a park in which a memorial to veterans would be erected. Memorial sites should be erected in consultation with the department to ensure a coordinated approach that best suits the needs of the various veterans' groups. The Department was not consulted on this proposal.

**Department of Environmental Protection**

$200,000 This funding would support the Office of Environmental Analysis. The functions of this office have either
been completed or reallocated to other units within the Department; therefore these funds are not needed.

$50,000 This funding supports a study of toxicity in the Hackensack River to determine whether a hazardous waste cleanup is necessary. This work is arguably within the purview of the Hackensack Meadowlands Development Commission, or may be funded using existing capital appropriations or from DEP's Spill Compensation Fund or Hazardous Site Mitigation Fund, based on its priority relative to other cleanup sites in the State.

$50,000 This reduction would leave the Historic Sites Trust appropriation for operating expenses at $20,000, as requested by DEP. No increase is necessary because language has been inserted in the budget to permit any additional costs to be charged against appropriate bond funds.

$15,000 These funds represent a grant to the Spring Lake Historical Society. This provides an appropriation of $10,000 for this purpose, the same level as the current fiscal year.

$5,000 This grant would provide operating assistance to the Atlantic Highlands Historical Society and Strauss House. This provides an appropriation of $10,000 for this purpose, the same level as the current fiscal year.

Department of Health

$100,000 This leaves $157,000 as a continuation budget for the Urban Rodent Control Program.

$50,000 This would provide funds to the Epilepsy Foundation to expand services in Warren, Sussex, and Western Morris County. In FY 88, the Department of Human Services was appropriated $51,000 to develop a study to determine the needs of epileptics in the State. The study is not yet complete. Funding determinations must await completion of this study.

$50,000 This would provide for burn prevention programs in the Southern New Jersey area, through a grant to the Burn Foundation of Philadelphia. Providing grants to out-of-State organizations is not a prudent use of New
Jersey taxpayers' funds. Funds for prevention programs in South Jersey are available from carry-forward funds from the $750,000 supplemental in FY 88 for the Burn Victim Assistance Program.

41,000 Continuation funding of $349,000 for compulsive gambling is included in the budget. A Governor's task force on this subject is due to release a report on the subject in the near future. The Task Force's recommendations should be considered before any additional funding is included.

100,000 The budget includes $100,000 for Shire Alcohol Treatment and Education Center, an increase of $75,000 from last year's funding level. In addition, the budget provides more than $13 million from the General Fund for drug and alcohol treatment, and over $14 million from the Alcohol Education, Rehabilitation and Enforcement Fund for alcohol treatment.

50,000 A grant of $50,000 for the Somerset County Council on Alcoholism is included in the budget. This additional funding would have provided a grant of $100,000 to the Council to assist in its operations. As noted, the budget recommends over $13 million from the General Fund for drug and alcohol treatment and over $14 million from the Alcohol Education, Rehabilitation and Enforcement Fund for alcohol treatment.

125,000 A grant for $125,000 for Epiphany House is included in the budget to purchase and renovate a house for recovering women alcoholics and drug abusers. As noted, the budget recommends over $13 million from the General Fund for drug and alcohol treatment, and over $14 million from the Alcohol Education, Rehabilitation and Enforcement Fund for alcohol treatment.

475,000 This would have provided $950,000, a 275% increase, for local health planning agencies. The budget includes $475,000 for the cost of the Certificate of Need services performed by these agencies for the Department of Health, still a significant increase over current year funding.
Department of Higher Education

$145,000  This would provide funding for Glassboro State College's Adult Training Center. Funding for this purpose should come from resources of the Department of Education to avoid duplication of programs and a comprehensive plan for provision of this service.

125,000  There are numerous environmental advocacy groups in the State. There is no reason to single out the Environmental Law Center for special State assistance. There are ample funds in Rutgers' budget should they choose to continue to support it.

75,000  This would provide funds to establish the New Jersey Government Education Series at Rutgers. Funding should not be provided until the Department's plan for this program has been formally reviewed.

30,000  To provide funds to establish a State funded Joint Peace Corps Program at Rutgers. Participating students have other sources available to defray costs such as financial aid programs and work study. A new funding program should not be implemented until the Department has formally reviewed a proposal.

300,000  Additional funding for the Snyder Farm Planning and operations program at the Agricultural Experiment Station is deleted. $891,000 has already been provided which is sufficient to cover full-year operational costs.

20,000  This funding is for Research under contract with the Institute of Medical Research in Camden. This still leaves an appropriation of $790,000 which reflects an increase of $250,000 for this purpose.

Department of Human Services

$120,000  Funding of $120,000 for the Morris Adolescent Specialized Care unit is included in the budget. In addition, the budget includes $97.7 million to support community mental health programs throughout the State.

60,000  Provides a grant to the Irvington Mental Health Center for an increase in the number of clients due to census reduction at the Essex County Hospital. The budget includes $97.7 million for community mental health funding. The agency should submit a competitive
proposal to the Division of Mental Health and Hospitals in order to receive consideration for its programs.

245,000 Funding to increase the dispensing fee paid to pharmacies participating in the Pharmaceutical Assistance for the Aged program by $.20 per prescription. The fiscal year 1986, 1987, and 1988 budgets have included funds for a $.375, $.375, and $.10 increase, respectively, while other fee-for-service providers have received no increase. Funding is increased by $245,000 to provide an additional $.10 per prescription.

200,000 Funding for additional classroom space for day training programs for developmentally disabled children at the Mercer Day Training Center. Funding of $29.4 million has been provided in the budget for community programs for the developmentally disabled. A grant may be available for these services if the agency applies to the Division of Developmental Disabilities and meets the appropriate criteria established by the Division's grant award process.

80,000 Funding for various capital improvement projects for Cerebral Palsy of Essex and West Hudson. A total of $2.3 million in funding has been included in the budget for persons with cerebral palsy and other developmental disabilities since the Division's name and mandate were changed from Mental Retardation to Developmental Disabilities. Grants for these agencies may be available through the Division of Developmental Disabilities' grant award process.

40,000 Funding for a grant to Recording for the Blind, Inc. in Princeton. Monies for programs to assist the blind are included in the Commission for the Blind's budget. The line-item for services to rehabilitation clients is increased $300,000 in the budget. The agency should apply to the Commission for a grant.

500,000 This would provide funding to expand State adoption resource centers which will allow for an increase of approximately 16 positions and associated non-salary operating costs. The need for expansion has not been demonstrated.
437,000 This would provide funding to the Division of Youth and Family Services for the purpose of expanding shelters and services for battered spouses. A 5% cost-of-living adjustment to continue program activities at the current services level in fiscal year 1989 is included in the budget. An additional $413,000 is also provided to expand services and shelters for a total of $1.2 million.

209,000 This would provide an appropriation to the Division of Youth and Family Services for the purpose of expanding the child assault prevention project. The budget includes an increase of $191,000 for a total of $900,000.

40,000 This would provide a grant to the SOLACE shelter in Camden for victims of domestic violence. The budget includes over $2.1 million in funding for domestic violence programs. The agency should submit a competitive proposal and be considered based on priority of need by the Division of Youth and Family Services.

45,000 This provides a $50,000 grant to the Home Society of New Jersey for KIKS (Kids Intervention with Kids in School) programs. This represents continuation funding from last year.

100,000 This would provide a grant to the Elizabeth Coalition to House the Homeless to develop the Support Services for Homeless Children Program. The budget includes over $53 million in total funding for programs to aid the homeless in the Departments of Community Affairs and Human Services.

100,000 This would provide a grant to Old Bridge Township to provide day care services, latch-key programs, programs for the mentally retarded, and programs for persons with Alzheimer's Disease. A competitive proposal should be submitted and considered based on priority of need by the Division of Youth and Family Services or other appropriate agencies in the Department of Human Services.

50,000 This would provide a grant to the Warren County Human Services Advisory Council to develop a family day care program in Warren County. The County
CHAPTER 47, LAWS OF 1988

Human Services Advisory Councils (CHSAC) were created as a method of working out mutually agreeable goals and priorities between the State and local providers. The budget includes $9.2 million in funding for County Human Services Advisory Councils.

**Department of Labor**

$50,000 There is no need for the grant to Mine Hill. The Department of Labor currently has a mine safety group which deals with this type of problem and can assist this community.

870,000 These funds would have increased the funding level of the basic services program operated by the Division of Vocational Rehabilitation Services. This increase would raise the salary levels for those workers providing supported employment and case management services on a contract basis. It is the responsibility, however, of these private, non-profit facilities to negotiate their salary levels and then pass these costs on to the State through the normal cost-per-client funding mechanism. $2,720,000 in funding is budgeted for this program.

30,000 This would provide an additional $50,000 to the Fair Lawn School for the Deaf. This leaves an appropriation of $170,000 for this purpose which represents an increase of $20,000 or 13% over the current year's funding.

50,000 These monies would go to the Opportunities Industrialization Center of Camden. This is a private skills training operation. They currently do not have any contracts with the State to provide job training. In addition, there are existing, larger programs which provide these same services.

**Department of State**

$50,000 This leaves $100,000 for the Arts Foundation of New Jersey, thus representing a 33 1/3% increase above the FY 88 line-item appropriation. The Arts Foundation's primary program is the Summer Arts Institute, housed at Rutgers University, which provides a five-week residential program for high school students in the visual and performing arts.
20,000 This leaves $60,000 for the Princeton Art Association—Trenton Visual Center. This continues funding at the same level as was made in FY 88 by line-item appropriation.

20,000 This would make funds available to the Metro Lyric Opera to conduct market development and provide product diversification to attract larger audiences. The Council on the Arts provides technical support and expertise for groups needing marketing assistance.

75,000 This leaves $75,000 for the Museum Council of New Jersey—history museums. This represents a first-time line-item appropriation for the Museum Council.

20,000 This leaves $20,000 for the Woodson Foundation and represents a 21% increase above the fiscal year 1988 grant award of $16,500.

15,000 This would provide $15,000 for travel expenses of students competing in the Bicentennial competition on the Constitution. The Bicentennial Constitution Commission should underwrite the cost of this trip or private contributions should be sought.

25,000 This leaves $25,000 for the Monmouth Museum. The funds would be used to assist in the construction of the Becker Children’s Wing. Total cost of the construction is projected at $500,000.

5,000 This leaves $25,000 for the Ludlow Homestead relocation and renovation project.

25,000 This leaves $25,000 for the Morris Museum’s Capital Construction Fund. The funds would be used to construct a new gallery, thus doubling the current exhibition space. This is part of the Morris Museum’s two-year drive to raise $5 million for construction and renovations.

25,000 This leaves $25,000 for the American Hungarian Heritage Foundation Museum.

25,000 This leaves $75,000 for the Oakside Cultural Center. The funds will be used to repair structural damage done to the building by termites. The building is 200 years old.
This leaves $38,000 for the Ford Faesch House.

This leaves $13,000 for the Trenton City Museum to sponsor a Russian exhibit which aims to foster a better understanding between the United States and Russia.

**Department of Transportation**

$200,000 This would provide funds for New Jersey Transit Corporation to update its profile of bus and rail riders. Two of the stated objectives which NJ Transit hoped to achieve during fiscal year 1989 were to continue the aggressive marketing campaign which targeted specific groups with a view towards increasing ridership and increasing public awareness of NJT services, and improved customer communications through its established Customer Service organization. Since these activities are currently an ongoing function, additional funds for this purpose should not be necessary.

"**STATE AID**"

**Department of Community Affairs**

$25,000 This grant to the Union Beach Fire Company would have totaled $50,000. The budget includes $25,000 for replacement of an antiquated paging system.

$225,000 This grant to the Borough of Lodi for municipal services would have provided $250,000. The budget includes $25,000 for the purchase of fire-fighting equipment.

$20,000 This grant to the Belleville Senior Citizen Center would have provided $20,000 for the purchase of a van. The need for the purchase of this additional equipment requires further evaluation.

$65,000 Lawnside already receives significant State assistance and is eligible to apply for funds from numerous State programs for items such as this. Therefore, this line-item is deleted.

$25,000 This grant to Hoboken Township would have provided $25,000 for recreation programs. Hoboken is eligible for funding under the Distressed Cities program. This program should be funded at the local level.
25,000 This grant to West New York would have provided $25,000 for recreational programs. This item is more appropriately funded at the local level. It is presumed that West New York will become eligible for Distressed Cities funding in fiscal year 1989.

50,000 This reduction leaves $150,000 in the budget for a grant to the Latin-American Community Action Agency located in West New York. This funding will support the agency's operations which include food assistance, immigration assistance and other services for persons in the Hudson County area.

Department of Education

$275,000 This grant is intended to provide full funding to the Mercer County Special Services school district. In order to assure equity among all districts, funds for this program are allocated by formula at the same level in Fiscal Year 1989 as other local school districts (96.9% of full funding). This line-item would negate the formula distribution process.

25,000 This represents funds for the Henry Hudson High School athletic field. This type of funding should come from the local school district budget and be reimbursed through equalization State aid.

25,000 This funding provides support to the Middletown Teen Drug and Alcohol Counseling Program in public schools. The Fiscal Year 1989 budget contains $1.7 million in State funding and approximately $4.9 million in federal funds for grants for various drug and alcohol programs in local school districts. Funding for this program should come from that source and not by a special appropriation.

60,000 These funds are to provide a grant to the Trenton Family Life Program to support the salaries and fringe benefits of two elementary teachers. This program is more appropriately funded as a local budget item which is supported through equalization State aid in direct relation to the wealth of the district.

100,000 This is to provide a grant to the Union City Gifted and Talented Program. Funding for this program is more
appropriately a local budget item which is supported through equalization State aid in direct relation to the wealth of the district.

200,000 This would provide direct grants for library development aid for urban library branches to use for audiovisual services. This still leaves an appropriation of $600,000, same as the current fiscal year, for this purpose. The fiscal year 1989 budget has already provided an increase of $2,385,000 or 16% over the current fiscal year for library State aid programs.

20,000 This is to provide funds to the Cumberland County Library to replace its current bookmobile van. This leaves an appropriation of $40,000 for this purpose.

20,000 This funding is to provide for the installation of a sprinkler system in the Nutley Free Public Library. Under the Library Construction Incentive Aid Program, the library may receive up to 50% of the cost in State aid but is required to provide the balance of funds from its own resources. These funds would supply approximately two-thirds of the remaining funds which Nutley would have to raise in order to qualify for State aid. This is more appropriately addressed as a local budget item rather than through a State appropriation. The Fiscal Year 1989 budget has already provided an increase of $2,385,000 or 16 percent over the prior fiscal year for Library State Aid programs.

**Department of Environmental Protection**

$250,000 This funding supports the rehabilitation of Wesley Lake in Monmouth County. This project received $50,000 in State appropriations in fiscal year 1987 and $120,000 in fiscal year 1988. As of June 1, 1988, there had been no spending on this project and $170,000 is currently available.

13,000 This would provide 75 percent of the funds required to restore swimming beaches in Island Heights Borough, near Toms River. This measure circumvents DEP's existing shore protection program, whereby beach projects are ranked on a priority basis for the distribution of $12 million in capital funds provided in the fiscal year 1988 budget. Projects such as this should be
funded from the Natural Resources Preservation and Restoration Fund, which is currently pending before the Legislature, and not addressed piecemeal through annual appropriations.

25,000 Provides a grant for the dredging of Wall Township’s municipal pond. This leaves an appropriation of $25,000 for this purpose.

**Department of Higher Education**

$1,000,000 Additional funding for County College Operational Aid. Sufficient funds have already been provided to fund the new formula as agreed to by the Department and the County Colleges.

**Department of Human Services**

$365,000 This funding would increase the prescription drug dispensing fee by $.20 to pharmacies participating in the Medicaid program. Pharmacy providers have received increases in the fiscal year 1986, 1987 and 1988 budgets of $.375, $.375 and $.10, respectively, while other fee-for-service providers have received no increase. Funding is increased $365,000 to provide an additional $.10 per prescription.

"CAPITAL CONSTRUCTION"

**Department of Environmental Protection**

$75,000 This funding provides for the restoration of Rowand’s Pond within Rowand’s Park and Wildlife Management Area, Camden County. This project may be included in DEP’s ongoing Major Maintenance and Rehabilitation Program within its capital budget ($4 million annual appropriation), based on its merit relative to other State park and recreational facility projects.

150,000 This funding represents dam repair costs at Shaw Mill Pond, Cumberland County, which is owned by DEP’s Division of Fish, Game, and Wildlife. The Department should submit a separate capital request for additional funds for this project, to be judged in relation to other dam reconstruction needs throughout the State.

175,000 These funds support the renovation of the Nacote Creek laboratory within the Forsythe National Wildlife
Refuge in Atlantic County. Federal funds should be pursued for this project, since it is located within a national wildlife center.

A total of $12 million was appropriated in fiscal year 1988 for shore protection. This program should be funded through the proposed Natural Resources Preservation and Restoration Fund currently pending in the Legislature.

**Department of Human Services**

This funding would provide an additional $.20 dispensing fee to eligible pharmacies in the Pharmaceutical Assistance to the Aged and Disabled program. Pharmacies have received several increases in recent years. The budget includes a funding increase of $.10 per prescription.

**Department of Labor**

This increase would provide an additional $700,000 to the Sheltered Workshop Transportation program. The enabling legislation for this program specified $720,000 rather than $1,420,000. This specified amount ($720,000) should be sufficient to provide transportation services to those who need it the most.

**"LANGUAGE (OTHER)"**

**Department of Community Affairs**

This language which would have provided funds to municipalities for relocation assistance to fire victims without a local match is deleted. The funding implications of this proposed language may be substantial and require more thorough review.

**Department of Education**

Language which would require that half of all funds available for nonpublic aid for asbestos be used to reimburse schools for projects that were completed or substantially completed before July 1, 1988, is eliminated. This language is contrary to the current policy which is in effect for reimbursement for asbestos expenses to public schools.

Language which would require the Department of Education to develop a cost factor for nonpublic aux-
iliary services that includes all associated costs for this program is eliminated. This change, if appropriate, should be accomplished by separate legislation rather than through the appropriations act.

**Department of Environmental Protection**

Language which proposes to limit DEP capital contracts for improvements to State-owned facilities within Waterloo Village to $400,000, and subjects such contracts to the provisions of P.L. 1954, c. 48 (C. 52:34-6 et seq.) is deleted. The existing language governing the Waterloo Village project is deemed adequate in its current form.

**Department of Human Services**

Language changing the title of the Garden State Health Plan to the Medicaid Cost Containment Demonstration Program and the emphasis of the program to cost savings rather than the provision of organized medical services to Medicaid clients has been deleted. The language would delay expenditures and, thus, implementation of the program while legislation is enacted and a spending plan is reviewed and approved by the Director of the Division of Budget and Accounting. The $750,000 included in the budget represents the State share of a $1.5 million spending plan which has already been reviewed by the Director of the Division of Budget and Accounting.

Language which would authorize a $.20 per prescription dispensing fee increase to pharmacies participating in the Pharmaceutical Assistance to the Aged and Disabled program has been modified. The item of funding to which this language refers has been reduced to provide for a $.10 increase. Therefore, the language has been modified.

Language which would authorize the Director of the Division of Budget and Accounting to transfer funds from the REACH program to any department or agency for the purposes of the program but requiring that all movement of funds for the REACH program be accomplished via a transfer is deleted. There are many situations where other bookkeeping entries are the proper documents to use when processing payments for
services rendered in compliance with New Jersey's Financial Management Information System. This language would prohibit the use of these documents and create an exception to an otherwise universally applied system.

Language limiting carry-forward of unexpended balances for the Hospital Financial Information System to $500,000 is deleted.

Language limiting the monthly personal needs allowance to $35 for patients/residents in State institutions with no other source of funds is deleted. This will allow the monthly allowance to increase to $40 and maintain equity with the monthly allowance of patients/residents covered by federally funded programs such as Medicaid.

Language which would have disallowed any appropriation to be spent for any appeal by or on behalf of the Department of Human Services regarding In the Matter of Petitions for Rulemaking N.J.A.C. 10:82-1.2 and 10:85-4.1, 223 N.J. Super. 453 (App. Div. 1988) is deleted. Such language constitutes an improper intrusion by the Legislative branch into the affairs of the Executive.

Language to establish a "standard of need" is deleted. The question of a standard of need should be addressed in the context of separate legislation and should not be included within the appropriations act, which has a life of but one year.

Language in State Aid that would authorize the $.20 per prescription dispensing fee increase to eligible pharmacies is modified to authorize an increase of $.10. The funding relative to this language was reduced.

**Department of Labor**

Language allowing unexpended balances in the New Jersey Occupational Information Coordinating Committee account to be appropriated is deleted. An appropriation has been provided for this purpose for fiscal year 1989 and thus this language is unnecessary.
Language allowing unexpended balances in the Special Task Force on the Apparel Industry account to be appropriated is deleted. An appropriation has been provided for this purpose in fiscal year 1989 and thus the language is unnecessary.

Language in the Casino Revenue Fund allowing unexpended balances in the Sheltered workshop transportation account to be appropriated in fiscal year 1989 is deleted. The appropriation for fiscal year 1989 is adequate for this purpose.

Department of Law and Public Safety
Language which would require carry-forward balances in the Air ambulance program to be used to reduce lease purchase payments is deleted. This limitation is too restrictive; the program may require these funds for other purposes.

Language is modified which would limit appropriation of unexpended balances to the amount in excess of $8,000,000.

Department of Transportation
Language which directs the Commissioner to fully staff the maintenance crew assigned to Ridgewood, to ensure adequate maintenance and snow removal on Route 17, or contract with local municipalities if full staffing is not accomplished by August 30, 1988, has been deleted. This is a discretionary judgment which the Commissioner should be allowed to make in light of all the circumstances existing at the time. This type of legislative mandate is improper.

Language which would allow the department to appropriate highway application and permit fees in excess of $1,000,000 has been modified to allow the appropriation of fees in excess of $600,000.

Language which would direct the department to contract with private vendors for the preparation and publication of the New Jersey Official Transportation Map and Guide has been deleted. The department produces the map in conjunction with related activities using state-of-the-art cartographic techniques. No cost sav-
ings or improvement would be realized by bidding this activity for contract production.

Language which would appropriate the unexpended balances, and restricts the transfer of funds from prior years' balances of the Transportation Trust Fund Account to projects on the program for the year in which the balance exists, has been modified, by deleting the restrictive portions. This language would limit the flexibility of the department to respond to the changing funding needs and priorities of the projects in past and current years' programs.

Language which would appropriate unexpended balances from various federal and non-federal sources has been deleted. This language serves no useful purpose since the general provisions in section 9 provide sufficient authority to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer to transfer any sums necessary for the advancement of the program.

Language which would appropriate funds from the Transportation Trust, and allows its expenditure by specific project has been modified. The modification leaves the project listing intact but eliminates the specific sums allocated to each project.

Language which would appropriate the unexpended balances, and restricts the transfer of funds from prior years' balances of the Transportation Trust Fund Authority to projects on the program for the year in which the balance exists, has been modified, by deleting the restrictive portions. This language would limit the flexibility of the department to respond to the changing funding needs and priorities of the projects in past and current years' programs. The transfer language is deleted. Should transfers be necessary, the provisions of section 9 provide sufficient authority to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer to transfer the sums necessary for the advancement of the program.
Language which requires that transfers from any project (item) to any other project (item) be approved by the Director of the Division of Budget and Accounting, the Legislative Budget and Finance Officer, and the Joint Budget Oversight Committee, and which permits the approval of a transfer of funds from any specific project (item) to a project (item) identified as reserved, has been deleted. This language would reduce the department's flexibility in responding to changing funding needs among its projects and increase processing delays in transferring funds. In addition, the provisions of section 9 provide sufficient authority to the Director of the Division of Budget and Accounting and the Legislative Budget and Finance Officer to transfer the sums necessary for the advancement of the program.

**Interdepartmental Accounts**

Language allowing the Director of the Division of Budget and Accounting to transfer or credit $1,000,000 from appropriations to various spending agencies' information processing accounts to the Rent: Buildings and grounds account is deleted. This language is being deleted because it would result in a corresponding and direct decrease in revenue needed by the Office of Telecommunications and Information Systems (OTIS) to provide adequate information processing services requested by various State agencies.

Language requiring the Director of the Division of Budget and Accounting to report to the Legislature on the rules, regulations and procedures of an Executive Branch employee attrition program is deleted.

**The Judiciary**

The language in the title of the line-item identifying these funds as first year implementation is deleted. The funds are retained for the purpose of implementing a program subject to the enactment of enabling legislation. If the program created is to be permanent at any funding level, the enabling legislation should identify a suitable funding source.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 59:5-3 is repealed.
2. This act shall take effect immediately.
Approved July 8, 1988.

CHAPTER 56

AN ACT concerning industrial pretreatment standards and sewage sludge quality, and amending and supplementing P.L. 1977, c. 74.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
C. 58:10A-38 Findings, determinations.
1. The Legislature finds that contaminated sludges are often ocean dumped; that land-based disposal methods for sludge are en-
vientmentally preferable to the current practice of ocean dumping; that land-based disposal of sludge requires the removal of contaminants from the waste stream; that by requiring land-based sludge management criteria for sludges which are currently ocean dumped, the sewage treatment plants will have the option to cease ocean dumping in favor of a land-based disposal method; and that even if ocean dumping of sludge continues, it is prudent to minimize the presence of contaminants in the sludge.

The Legislature further finds that the State should work toward developing alternatives to ocean disposal of sludge in the event that the practice is prohibited, and that the land-based sludge management criteria already established for sludge should be used to develop the standards for limiting the levels of contaminants discharged by industrial establishments into the sewerage systems, which limits should be incorporated in the discharge permits issued to facilities.

The Legislature therefore determines that all sludge generated in the State from the operation of municipal treatment works should meet the quality standards established by the Department of Environmental Protection for the land-based sludge management of sludge and that the attainment of these standards should be reflected in the permits issued for pretreatment discharges.

2. As used in this act:

"Pretreatment permit" means a permit issued by either the department or by a municipal treatment works or by both for the discharge of industrial wastewater into a sewerage system;

"Sludge" means the solid residue and associated liquid resulting from physical, chemical, or biological treatment of domestic or industrial wastewaters;

"Wastewater" means residential, commercial, industrial, or agricultural liquid waste, sewage, stormwater runoff, or any combination thereof, or other residue discharged to or collected by a sewerage system.
C. 58:10A-40 Pollutant discharge limits.

3. All pretreatment permits shall include limits on the discharge of pollutants, which limits shall be based on the attainment of land-based sludge management criteria for sludge from the municipal treatment works. Sludge that meets the land-based sludge management criteria shall be of sufficient quality to be disposed of in a land-based manner without degrading the environment or posing a threat to human health.

C. 58:10A-41 Conformance to land-based sludge management criteria.

4. On or after March 17, 1991, all sludge generated in this State by municipal treatment works shall conform to the land-based sludge management criteria.

C. 58:10A-42 Plan for land-based management.

5. Each municipal treatment works shall prepare a plan for the land-based management of sludges currently disposed of in the ocean. The plan shall provide for the termination of ocean disposal by March 17, 1991 and shall include, but need not be limited to, an analysis of the pretreatment, air pollution control, residuals management, funding requirements and potential sources thereof necessary for the implementation of the land-based management methods chosen by the municipal treatment works. Not later than April 30, 1989, each municipal treatment works shall develop a plan to implement land-based sludge management methods and shall so certify to the Department of Environmental Protection. Not later than June 30, 1989, the department shall submit the several plans to the Governor and the Legislature, together with its comments thereon and any recommendations for legislative or administrative action deemed appropriate.

C. 58:10A-43 Compliance schedules.

6. The Department of Environmental Protection shall establish compliance schedules for municipal treatment works. The compliance schedules shall include deadlines for submittal of the permit application or applications for the chosen land-based sludge management method or methods, awarding of the construction contract, commencement of construction, and completion of construction. The department shall act either to approve, conditionally approve or deny permit applications within six months of their submittal.

7. Section 6 of P.L. 1977, c. 74 (C. 58:10A-6) is amended to read as follows:

C. 58:10A-6 NJPDES permits; exemptions.

6. a. It shall be unlawful for any person to discharge any pol-
lutant, except in conformity with a valid New Jersey Pollutant Discharge Elimination System permit that has been issued by the commissioner pursuant to this act or a valid National Pollution Discharge Elimination System permit issued by the administrator pursuant to the Federal Act, as the case may be.

b. It shall be unlawful for any person to build, install, modify or operate any facility for the collection, treatment or discharge of any pollutant, except after approval by the department pursuant to regulations adopted by the commissioner.

c. The commissioner is hereby authorized to grant, deny, modify, suspend, revoke, and reissue NJPDES permits in accordance with this act, and with regulations to be adopted by him. The commissioner may reissue, with or without modifications, an NPDES permit duly issued by the Federal Government as the NJPDES permit required by this act.

d. The commissioner may, by regulation, exempt the following categories of discharge, in whole or in part, from the requirement of obtaining a permit under this act; provided, however, that an exemption afforded under this section shall not limit the civil or criminal liability of any discharger nor exempt any discharger from approval or permit requirements under any other provision of law:

(1) Additions of sewage, industrial wastes or other materials into a publicly owned sewage treatment works which is regulated by pretreatment standards;

(2) Discharges of any pollutant from a marine vessel or other discharges incidental to the normal operation of marine vessels;

(3) Discharges from septic tanks, or other individual waste disposal systems, sanitary landfills, and other means of land disposal of wastes;

(4) Discharges of dredged or fill materials into waters for which the State could not be authorized to administer the section 404 program under section 404 (g) of the “Federal Water Pollution Control Act Amendments of 1972,” as amended by the “Clean Water Act of 1977” (33 U.S.C. §1344) and implementing regulations;

(5) Nonpoint source discharges;

(6) Uncontrolled nonpoint source discharges composed entirely of storm water runoff when these discharges are uncontaminated by any industrial or commercial activity unless these particular storm water...
runoff discharges have been identified by the administrator or the department as a significant contributor of pollution;

(7) Discharges conforming to a national contingency plan for removal of oil and hazardous substances, published pursuant to section 311(c)(2) of the federal act.

e. The commissioner shall not issue any permit for:

(1) The discharge of any radiological, chemical or biological warfare agent or high-level radioactive waste into the waters of this State;

(2) Any discharge which the United States Secretary of the Army, acting through the Chief of Engineers, finds would substantially impair anchorage or navigation;

(3) Any discharge to which the administrator has objected in writing pursuant to the federal act;

(4) Any discharge which conflicts with an areawide plan adopted pursuant to law.

f. A permit under this act shall require the permittee:

(1) To achieve effluent limitations based upon guidelines or standards established pursuant to the federal act or this act, together with such further discharge restrictions and safeguards against unauthorized discharge as may be necessary to meet water quality standards, areawide plans adopted pursuant to law, or other legally applicable requirements;

(2) Where appropriate, to meet schedules for compliance with the terms of the permit and interim deadlines for progress or reports of progress towards compliance;

(3) To insure that all discharges are consistent at all times with the terms and conditions of the permit and that no pollutant will be discharged more frequently than authorized or at a level in excess of that which is authorized by the permit;

(4) To submit application for a new permit in the event of any contemplated facility expansion or process modification that would result in new or increased discharges or, if these would not violate effluent limitations or other restrictions specified in the permit, to notify the commissioner of such new or increased discharges;

(5) To install, use and maintain such monitoring equipment and methods, to sample in accordance with such methods, to maintain
and retain such records of information from monitoring activities, and to submit to the commissioner such reports of monitoring results as he may require;

(6) At all times, to maintain in good working order and operate as effectively as possible, any facilities or systems of control installed to achieve compliance with the terms and conditions of the permit;

(7) To limit concentrations of heavy metals, pesticides, organic chemicals and other contaminants in the sludge in conformance with the land-based sludge management criteria established by the department in the Statewide Sludge Management Plan adopted pursuant to the “Solid Waste Management Act,” P.L. 1970, c. 39 (C. 13:1E-1 et seq.) or established pursuant to the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. §1251 et seq.), or any regulations adopted pursuant thereto.

g. The commissioner shall have a right of entry to all premises in which a discharge source is or might be located or in which monitoring equipment or records required by a permit are kept, for purposes of inspection, sampling, copying or photographing.

h. In addition, any permit issued for a discharge from a municipal treatment works shall require the permittee:

(1) To notify the commissioner in advance of the quality and quantity of all new introductions of pollutants into a facility and of any substantial change in the pollutants introduced into a facility by an existing user of the facility, except for such introductions of nonindustrial pollutants as the commissioner may exempt from this notification requirement when ample capacity remains in the facility to accommodate new inflows. Such notifications shall estimate the effects of such changes on the effluents to be discharged into the facility.

(2) To establish an effective regulatory program, alone or in conjunction with the operators of sewage collection systems, that will assure compliance and monitor progress toward compliance by industrial users of the facilities with user charge and cost recovery requirements of the federal act or State law and toxicity standards adopted pursuant to this act and pretreatment standards;

(3) As actual flows to the facility approach design flow or design loading limits, to submit to the commissioner for his approval, a program which the permittee and the persons responsible for building and maintaining the contributory collection system shall pursue in order to prevent overload of the facilities.
CHAPTERS 56 & 57, LAWS OF 1988

i. All owners of municipal treatment works are hereby authorized to prescribe terms and conditions, consistent with applicable State and federal law, upon which pollutants may be introduced into such works, and to exercise the same right of entry, inspection, sampling and copying with respect to users of such works as are vested in the commissioner by this act or by any other provision of State law. Terms and conditions shall include limits for heavy metals, pesticides, organic chemicals and other contaminants in industrial wastewater discharges based upon the attainment of land-based sludge management criteria, established by the department in the Statewide Sludge Management Plan adopted pursuant to the "Solid Waste Management Act," P.L. 1970, c. 39 (C. 13:1E-1 et seq.) or established pursuant to the Federal Water Pollution Control Act Amendments of 1972 (33 U.S.C. §1251 et seq.), or any regulations adopted pursuant thereto.

j. In reviewing permits submitted in compliance with this act and in determining conditions under which such permits may be approved, the commissioner shall encourage the development of comprehensive regional sewerage facilities which serve the needs of the regional community and which conform to the adopted areawide water quality management plan for that region.

8. This act shall take effect immediately.

CHAPTER 57

AN ACT prohibiting the ocean disposal of sewage sludge, and supplementing P.L. 1977, c. 74.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:10A-44 Short title.
1. This act shall be known and may be cited as the "Ocean Sludge Dumping Elimination Act."

C. 58:10A-45 Findings.
2. The Legislature finds that 2.8 million wet tons (1 million dry pounds) of sewage sludge generated by six New Jersey municipal treatment works each day are ocean disposed at the federally designated 106-mile dump site; that these sludges are ocean rather than
land disposed in recognition of the threat posed by the presence of contaminants; that the United States Environmental Protection Agency has officially affirmed a termination of ocean dumping as its adopted policy, a goal undermined by continuing at-sea disposal of sewage sludge; and that experts in deepwater ocean ecosystems have attested to the deleterious effects of waste disposal on the ocean environment.

C. 58:10A-46 Ocean disposal prohibited.

3. The provisions of any other law, rule or regulation to the contrary notwithstanding, municipal treatment works are prohibited from disposing of sludge in ocean waters by March 17, 1991.

4. This act shall take effect immediately.

CHAPTER 58

AN ACT requiring the Department of Environmental protection to conduct a wood debris study in the New York Bight and to assess wood debris collection and disposal practices, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “New York Bight Wood Debris Study Act.”

2. The Department of Environmental Protection shall, within 60 days of the effective date of this act, determine the need for a study of suspected sources of wood debris in the waters of the New York Bight. If the department determines a study is required, the department shall conduct, or cause to be conducted, within the limits of funds available therefor, an investigation of existing and potential sources of wood debris, including debris from the incineration of wood debris or barges off the New Jersey coast; deteriorating pier and other shore structures, including removal, reconstruction or demolition work on piers and shore structures; and from other sources discharging wood debris into coastal or ocean waters. If required, the study shall be completed within 240 days of the effective date of this act. The study may include physical inspection and monitoring of pos-
sible sources of wood debris and a literature survey of studies on sources and flow patterns of wood debris and other relevant materials.

3. Within 180 days of the effective date of this act, the department shall:

   a. Identify, after public consultations, alternatives to the incineration of wood in ocean waters and assess their practicability, financial costs, environmental impacts, and compliance with State and federal laws; and

   b. Identify more effective methods of wood salvage and collection in order to control or eliminate the various sources of wood debris entering coastal or ocean waters.

4. Not later than 270 days from the effective date of this act, the department shall submit its findings and recommendations to the Senate Energy and Environment Committee and the Assembly Environmental Quality Committee, including recommendations for any legislation that may be required. The recommendations shall also set out the department’s plan for eliminating the need for incineration of wood or wood debris in ocean waters, including identification of alternatives thereto, and for improving control of, or eliminating, current or potential sources of wood debris entering coastal and ocean waters.*

5. This act shall take effect immediately.

*Appropriation deleted by line-item veto of the Governor. See statement following.

Statement to Chapter 58
(Assembly Bill No. 2841 (First Reprint))

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Assembly Bill No. 2841 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill appropriates $95,000 to the Department of Environmental Protection (DEP). The bill specifies that if the DEP determines that a study of the origins of wood debris is warranted, that these monies would be used to fund that study.
I strongly support this bill’s intent. However, I am advised by the DEP that extensive data has already been collected and is available for studying the origins of wood debris along our coast.

Therefore, I would suggest that the DEP presently has information at its disposal and sufficient resources which will enable it to study this issue in a thorough fashion, if deemed necessary, without this bill’s appropriation.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 59

AN ACT requiring the Department of Health to conduct a study of the health risks posed by pollution of coastal waters, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The Legislature finds and declares that the presence of pollutants in coastal waters may pose a threat to public health and the continued vitality of the tourism industry in New Jersey; that evidence recently submitted to the Department of Environmental Protection by concerned citizens and experts suggests a possible link between contact with pollutants in coastal waters and the incidence in the general population of a variety of human illnesses; and, that, therefore, to insure protection of the public health and safety, it is appropriate to undertake a comprehensive study to determine what, if any relationship may exist between contact with pollutants in coastal waters and the incidence of these human illnesses, and to guide any remedial action that may be deemed necessary or appropriate.
2. The Department of Health, in collaboration with the Department of Environmental Protection, shall undertake a study to determine the nature of any relationship between contact with pollutants in coastal waters and the incidence of human illnesses. The study shall be conducted over a period of time sufficient to assure results that reflect all seasonal activities, climatic conditions, and exposure conditions.

3. The Department of Health shall, within one year of the effective date of this act, submit a report to the Governor and the Legislature summarizing the findings of the study conducted pursuant to section 2 of this act, together with recommendations for legislative or administrative action deemed appropriate.

4. There is appropriated from the General Fund to the Department of Health the sum of $350,000* to conduct the study required by this act.

5. This act shall take effect immediately.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 59
(Assembly Bill No. 2844)

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Assembly Bill No. 2844 at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would appropriate $1 million to the Department of Health so that agency, in cooperation with the Department of Environmental Protection, might study the impact of ocean pollution on human health. The bill requires that the study be completed within one year of its effective date.

The Department of Health advises that a study such as that required by this bill is already underway. In fact, the results of this study are expected within the next few months. The Department of Health has further advised that since there remains approximately $160,000 in funding for the agency's completion of this effort, $350,000 will be sufficient to implement this bill. This amount is consistent with a proposed Budget Resolution which is presently being considered as part of the appropriations process.
Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

CHAPTER 60

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. In addition to the amounts appropriated under P.L. 1987, c. 154, there is appropriated out of the General Fund the following sum for the purpose specified:

2. Not later than April 1, 1989, the Department of Environmental Protection shall report to the Assembly Environmental Quality Committee and the Senate Energy and Environment Committee the results of the supplementary monitoring, surveillance and enforcement activities conducted pursuant to section 1 of this act, and provide an assessment of program resources and needs required by the department in carrying out its responsibilities for assuring the
proper and safe operation of sewage treatment plants discharging wastewater into coastal waters.

3. This act shall take effect immediately.

CHAPTER 61

AN ACT prohibiting the discharge of certain materials into the ocean waters and providing penalties therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:10A-47 Short title.

1. This act shall be known and may be cited as the "Ocean Dumping Enforcement Act."

C. 58:10A-48 Definitions.

2. As used in this act:

"Dump" or "dumping" means the disposition of material. Dumping does not mean: (1) the disposition of any effluent from any outfall structure to the extent that the disposition is regulated under the provisions of the State "Water Pollution Control Act," P.L. 1977, c. 74 (C. 58:10A-1 et seq.); (2) a routine discharge of effluent incidental to the propulsion of, or operation of motor-driven equipment on, vessels; (3) the construction of any fixed structure or artificial island nor the intentional placement of any device in ocean waters, or on or in the submerged land beneath those waters, for a purpose other than disposal, when the construction or placement is otherwise regulated by federal or State law or occurs pursuant to an authorized federal or State program; (4) the deposit of fish, shellfish, and other animals and plants, or their body parts, for the purpose of developing, maintaining, or harvesting fishery, plant, or shellfish resources and is otherwise regulated by federal or State law or occurs pursuant to an authorized federal or State program; (5) the discharge of sewage as defined pursuant to 33 U.S.C. §1322; or (6) any dumping activity permitted and not violative of the provisions of the federal "Marine Protection, Research, and Sanctuaries Act of 1972," 33 U.S.C. §1401 et seq. or other State or federal law;

"Material" means matter of any kind or description, including, but
not limited to, dredged material, solid waste, incinerator residue, garbage, sewage, sewage sludge, munitions, radiological, chemical, and biological warfare agents, radioactive materials, chemicals, biological and laboratory waste, wrecked or discarded equipment, rock, sand, excavation debris, and industrial, municipal, agricultural, and other waste;

“Ocean waters” means those waters of the open seas lying seaward of the base line from which the territorial sea is measured, as provided for in the Convention on the Territorial Sea and the Contiguous Zone, April 29, 1958, 15 U.S.T. 1606, T.I.A.S. No. 5639.

C. 58:10A-49 Crime of 3rd degree; penalty; reward.

3. a. A person who intentionally dumps any material into the ocean waters within the jurisdiction of this State, or into the waters outside the jurisdiction of this State, which material enters the ocean waters within the jurisdiction of this State, is guilty of a crime of the third degree.

b. Of the monetary penalty imposed pursuant to this section, 10% shall be paid to the Department of Environmental Protection from the General Fund if the Attorney General determines that a person or persons are entitled to a reward pursuant to subsection c. of this section.

c. Any person who provides information to an enforcing authority concerning a violation of this act that proximately results in the imposition and collection of a criminal penalty as the result of a criminal action brought pursuant to this act shall be entitled to a reward of 10% of the penalty collected. The reward shall be paid by the department from moneys received pursuant to subsection b. of this section. If more than one person is entitled to a reward, the Attorney General shall determine the percentage of the reward that each person shall receive. The Attorney General shall adopt, pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), rules and regulations necessary to implement this section, including procedures to assure the anonymity of the person or persons providing the information to the enforcing authority when appropriate.

C. 58:10A-50 Necessary dumping.

4. The provisions of this act do not apply when the dumping of any material is necessary to secure the safety of human life or of vessels, aircraft, platforms, or other man-made structures at sea in cases of force majeure caused by stress of weather, or in any case
that constitutes a danger to human life or a real threat to vessels, aircraft, platforms, or other man-made structures at sea, if dumping appears to be the only way of averting the threat and if there is every probability that the damage consequent upon the dumping will be less than would otherwise occur. In such instances dumping pursuant to this section shall be so conducted as to minimize the likelihood of damage to human or marine life.

C. 58:10A-51 Submission of proposals.

5. The Attorney General shall submit to the Administrator of the federal Environmental Protection Agency whatever proposals may be necessary pursuant to 33 U.S.C. §1416 in order to allow enforcement of the provisions of this act.

6. This act shall take effect immediately.

CHAPTER 62

AN ACT to promote public education regarding the impact of non-biodegradable materials on ocean waters, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:10A-52 Short title.

1. This act shall be known, and may be cited, as the "Clean Ocean Education Act."

C. 58:10A-53 Findings, declarations.

2. The Legislature finds and declares that the presence of plastic and other non-biodegradable materials in coastal waters has an adverse effect on the quality of ocean waters, on sea mammals and other marine life, and potentially on human health; that behavior which results in ocean and beach discharges of such materials is the product, at least in part, of a lack of information and awareness on the part of the general public of the consequences of their acts; and that a public education program can play a key role in supplementing State, federal, and international efforts to reduce ocean pollution and promote a healthy marine environment.
C. 58:10A-54 Educational materials.

3. The Department of Environmental Protection, in consultation with the Department of Education and citizen, educational and environmental groups, shall prepare educational materials concerning the deleterious effects of plastics and other forms of pollution on the marine environment. The materials shall promote the values of litter control, oil recycling, street cleaning, and “pooper scooper” activities; encourage the use of biodegradable or recyclable alternatives to plastics where adequate alternatives exist; and inform citizens of the need to develop and participate in community programs for recycling, litter control, and other similar public benefit programs. The Department of Environmental Protection shall distribute these educational materials to civic, community, and other public interest organizations.

C. 58:10A-55 Distribution to school districts.

4. The Department of Education shall distribute the educational materials prepared by the Department of Environmental Protection pursuant to section 3 of this act to each school district in the State. Local school boards are encouraged to integrate these educational materials into the curricula where possible, and to otherwise make them available to elementary and secondary school children for extracurricular activities and to their parents.

5. There is appropriated from the General Fund to the Department of Environmental Protection the sum of $50,000 to carry out its responsibilities under this act.

6. This act shall take effect immediately.

CHAPTER 63

AN ACT concerning pretreatment of industrial wastewater, supplementing Title 58 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:11-51.1 Findings, declarations.

1. The Legislature finds and declares that only the most contaminated sludges are ocean disposed; that these sludges are gener-
ated by sewage treatment plants, which receive large quantities of contaminated industrial wastewater; that land-based disposal of sludge requires the removal of these contaminants from the waste stream; that even if ocean dumping of sludge continues, it is prudent to minimize the presence of contaminants in the sludge; that the removal of contaminants from industrial wastewater requires additional standards, which the Department of Environmental Protection is singularly qualified to develop; and that to develop these stricter standards, the department requires additional resources.

C. 58:11-51.2 Pretreatment of industrial discharges.

2. The Department of Environmental Protection shall accelerate the industrial wastewater pretreatment program, hire additional personnel, develop stricter standards for industrial discharges, and increase enforcement and monitoring of pretreatment permittees.

3. There is appropriated from the General Fund to the Department of Environmental Protection the sum of $1,000,000* to effectuate the purposes of this act.

4. This act shall take effect immediately.

*Reduced by line-item veto of the Governor. See statement following.

Statement to Chapter 63
(Senate Bill No. 2351 (First Reprint))

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 2351 (First Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill appropriates $2 million and requires the Department of Environmental Protection to accelerate its industrial wastewater treatment program, hire additional personnel, develop stricter standards for industrial discharges and increase the enforcement and monitoring of pretreatment permittees.

I wholeheartedly support this legislation as a vital component of our comprehensive ocean protection effort. Accordingly, in the proposed Budget for Fiscal Year 1989, I recommend that $1 million be provided for the purposes set forth in this bill. I am advised by our Department of Environmental Protection that this amount is sufficient to efficiently carry out this bill's intent during the upcom-
ing fiscal year; thus, I am reducing the amount appropriated by this bill to reflect the amount I originally proposed for this program.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Time starts to run on the day after the offense is committed.

d. A prosecution is commenced for a crime when an indictment is found and for a nonindictable offense when a warrant or other process is issued, provided that such warrant or process is executed without unreasonable delay. Nothing contained in this section, however, shall be deemed to prohibit the downgrading of an indictable offense to a nonindictable offense at any time if the indictable offense
was filed within the statute of limitations applicable to indictable offenses.

e. The period of limitation does not run during any time when a prosecution against the accused for the same conduct is pending in this State.

f. The limitations in this section shall not apply to any person fleeing from justice.

g. Except as otherwise provided in this code, no civil action shall be brought pursuant to this code more than five years after such action accrues.

2. This act shall take effect immediately.

CHAPTER 69

AN ACT concerning the admissibility of evidence for prosecutions for certain sexual crimes and amending N.J.S. 2C:14-7 of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 2C:14-7 is amended to read as follows:

Victim's previous sexual conduct.

2C:14-7. a. In prosecutions for aggravated sexual assault, sexual assault, aggravated criminal sexual contact, criminal sexual contact, or endangering the welfare of a child in violation of N.J.S. 2C:24-4, evidence of the victim's previous sexual conduct shall not be admitted nor reference made to it in the presence of the jury except as provided in this section. When the defendant seeks to admit such evidence for any purpose, he must apply for an order of the court before the trial or preliminary hearing, except that the court may allow the motion to be made during trial if the court determines that the evidence is newly discovered and could not have been obtained earlier through the exercise of due diligence. After the application is made, the court shall conduct a hearing in camera to determine the admissibility of the evidence. If the court finds that evidence offered by the defendant regarding the sexual conduct of the victim
is relevant and that the probative value of the evidence offered is not outweighed by its collateral nature or by the probability that its admission will create undue prejudice, confusion of the issues, or unwarranted invasion of the privacy of the victim, the court shall enter an order setting forth with specificity what evidence may be introduced and the nature of the questions which shall be permitted, and the reasons why the court finds that such evidence satisfies the standards contained in this section. The defendant may then offer evidence under the order of the court.

b. In the absence of clear and convincing proof to the contrary, evidence of the victim's sexual conduct occurring more than one year before the date of the offense charged is presumed to be inadmissible under this section.

c. Evidence of previous sexual conduct shall not be considered relevant unless it is material to negating the element of force or coercion or to proving that the source of semen, pregnancy or disease is a person other than the defendant. For the purposes of this section, "sexual conduct" shall mean any conduct or behavior relating to sexual activities of the victim, including but not limited to previous or subsequent experience of sexual penetration or sexual contact, use of contraceptives, living arrangement and life style.

2. This act shall take effect immediately.

CHAPTER 71

AN ACT concerning health service corporations, and amending and
supplementing P.L. 1985, c. 236.

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. Section 3 of P.L. 1985, c. 236 (C. 17:48E-3) is amended to read
as follows:

C. 17:48E-3 Health service corporations.

3. a. No health service corporation shall be established as a cor­
poration organized for pecuniary profit. Every health service corpor­
ation established pursuant to the provisions of this act shall be
operated for the benefit of its subscribers.

b. No person, firm, association or corporation, other than a health
service corporation or an insurance company authorized to transact
life or health insurance in accordance with Title 17B of the New
Jersey Statutes, shall establish, maintain or operate a health service
plan. No person, firm, association or corporation, other than a hospi­
tal service corporation, a medical service corporation, a dental service
corporation to the extent permitted by P.L. 1968, c. 305 (C. 17:48C-1
et seq.), or an insurance company authorized to transact life or health
insurance business or the kinds of insurance specified in subsection
(d) of R.S. 17:17-1, shall otherwise contract in this State with persons
to pay for or to provide for health services on the basis of premiums
or other valuable considerations to be collected by the person, firm,
association or corporation from any persons for the issuance of the contracts. This section shall not be construed as preventing the exercise of any authority or privilege granted to any corporation by a certificate of authority issued by the commissioner pursuant to any law of this State, or as preventing any person, firm, association or corporation from furnishing health services required under any workers' compensation law, or law pertaining to health maintenance organizations, or as otherwise provided by law.

c. A health service corporation shall, unless prohibited by the commissioner, offer as an option medical-surgical contracts and dental subscriber contracts which afford subscribers prepaid or postpaid benefits pursuant to which payment is made to participating providers for medical-surgical and dental services rendered by a participating provider network with agreements granting an aggregate differential allowance or discount on charges, as well as a limit on total allowances which may or may not be related to the subscriber's income level, where the aggregate differential or discount on charges and limit on total allowances may be achieved by payment of either the individual provider's actual charge or the health service corporation's allowance on the charge, whichever is less.

d. A health service corporation shall, unless the commissioner otherwise directs, maintain a continuous open enrollment period, providing coverage to persons who are otherwise unable to obtain hospital, medical-surgical, or major medical coverage.

e. No health service corporation shall have the power to underwrite life insurance as defined in Title 17B of the New Jersey Statutes directly, but a health service corporation may, at such time as the aggregate special contingent surplus is greater than 0%, own stock in, control, or otherwise become affiliated with a life, health or accident insurance company organized pursuant to Title 17B of the New Jersey Statutes or under the laws of any other state, provided that the company is admitted in this State.

f. No health service corporation shall solicit subscribers or enter into any contract with any subscriber until it has received from the commissioner a certificate of authority to do so, but if a health service corporation is established by means of the merger of a medical service corporation into a hospital service corporation, which hospital service corporation possesses a valid certificate of authority issued prior to the effective date of this act, the health service corporation thus established need not reapply for a new certificate of authority, but
the corporation shall file in the Department of Insurance any documents relating to the merger which the commissioner may require.

g. Nothing in this act shall be deemed to prohibit a health service corporation from contracting with, or paying commissions to, any duly licensed affiliated or independent insurance producer, to the extent permitted by the laws applicable to those producers.

2. Section 16 of P.L. 1985, c. 236 (C. 17:48E-16) is amended to read as follows:
C. 17:48E-16 Joint ventures.

16. a. A health service corporation of this State may, (1) with the participation of any other corporation licensed pursuant to Title 17 of the Revised Statutes, Title 17B of the New Jersey Statutes, or P.L. 1973, c. 337 (C. 26:2J-1 et seq.), or licensed pursuant to similar statutes of other states, jointly issue individual or group contracts for health care and other benefits, including complete employee welfare and other employee benefit programs, or (2) with the participation of any other corporation, jointly enter into contracts to provide or receive services in connection with the providing of health care or conducting the business of insurance in accordance with the provisions of this act or as permitted by the commissioner. The commissioner may establish any policy nonforfeiture requirements or reserve requirements as he deems necessary. Agreements between a health service corporation and other corporations pursuant to this section may provide for experience rating, if the experience rating is done on an equitable basis between the health service corporation and the other corporations; or for a sharing of the premiums, claims, and expenses by the participating corporations; or subject to regulation by the commissioner, for acceptance or ceding of the whole or portions of risks on a reinsurance basis, except that a health service corporation may not accept risks on a reinsurance basis which it may not accept on a primary basis pursuant to its powers as a health service corporation and may not, under any circumstances, act as a reinsurer of life insurance. Agreements made pursuant to this section shall be filed with and approved by the commissioner before becoming effective.

b. In the case of any joint venture for the sale of insurance with other than an insurer or hospital, medical, or health service corporation licensed to do business in this or any other state, the other partner or partners in the venture shall be licensed to sell insurance as producers pursuant to P.L. 1987, c. 293 (C. 17:22A-1 et seq.).
3. Section 17 of P.L. 1985, c. 236 (C. 17:48E-17) is amended to read as follows:

C. 17:48E-17 Expense limits; investments.

17. a. No health service corporation shall during any one year disburse more than 10% of the aggregate amount of the payments received from subscribers during that year as expenditures for the soliciting of subscribers, except that during the first year after the issuance of a certificate of authority a health service corporation may so disburse not more than 20% of that amount and during the second year, not more than 15%.

b. No health service corporation shall, during any one year, disburse a sum greater than 20% of the payments received from subscribers during that year as administrative expenses. The term "administrative expenses," as used in this section, shall include all expenditures for nonprofessional services and in general all expenses not directly connected with the furnishing of services or benefits, but not including expenses of soliciting subscribers.

c. The funds of any health service corporation may be invested to the same extent now or hereafter permitted by law for the investment of funds of domestic life insurance companies, including investments as provided in subsection e. of section 3 of P.L. 1985, c. 236 (C. 17:48E-3) in life, health or accident insurance companies or other for-profit subsidiaries such as insurance agencies, suppliers of administrative services only, or any other subsidiaries permitted pursuant to N.J.S. 17B:20-4, and for the purpose of engaging in any aspect of its business directly or through one or more subsidiaries or affiliates, including life, health or accident insurance companies.

d. A health service corporation may not directly supply administrative services only, but may supply administrative services through a subsidiary or affiliate, except that no health service corporation may directly or indirectly, through a subsidiary or affiliate or otherwise, make available any provider differential under an agreement to supply administrative services only.

e. (Deleted by amendment, P.L. 1988, c. 71.)

f. (Deleted by amendment, P.L. 1988, c. 71.)

4. Section 26 of P.L. 1985, c. 236 (C. 17:48E-26) is amended to read as follows:

C. 17:48E-26 Experience rating.

26. a. A group contract, covering at least two employees or mem-
bers, may provide for the adjustment of the rate of premium of insurance based on past or projected experience, and may include those claim costs and utilization trend factors which the health service corporation deems necessary in its discretion. No health service corporation shall use any form of experience rating plan until it shall have filed with the commissioner the formulas to be used and the classes or groups to which they are to apply. The commissioner may disapprove the formulas or classes at any time if he finds that the rates produced thereby are excessive, inadequate or unfairly discriminatory or that the formulas or classes are such as to prejudice the interests of persons who are eligible for coverage under contracts with the health service corporation which are not subject to experience rating.

b. Except for those rating formulas applicable to groups the employees or members of which are located in more than one state and which are underwritten in participation with other corporations of other states, no rating formula shall be approved by the commissioner, unless it provides that the experience rated groups will be assessed a reasonable charge for all individual contracts. This assessment will continue to apply as long as any reduced payment rate calculated and approved for the purpose of this subsection applies to the corporation pursuant to the provisions of subparagraph (2) of subsection b. of section 18 of P.L. 1971, c. 136 (C. 26:2H-18). A rating formula may provide for the allowance of an equitable discount in the event that the policyholder agrees to perform certain administrative and record keeping functions in connection with the routine maintenance of the group account.

c. Nothing in this section shall preclude a health service corporation from incorporating in the rating formulas those claim cost and utilization trend factors which it deems necessary in its discretion, so long as the rates produced are self-supporting and the formulas for classes do not prejudice the interests of persons who are eligible for coverage under contracts with the health service corporation which are not subject to experience rating.

d. Notwithstanding the provisions of subsection c. of this section, a health service corporation may increase rates for hospitalization benefits under all individual or group contracts issued by the corporation which are not experience rated at any time following an increase in hospital payment rates by the Hospital Rate Setting Commission established pursuant to section 5 of P.L. 1978, c. 83 (C. 26:2H-4.1). The contract rate increases permitted pursuant to this subsection
shall reflect the increases in hospital payment rates which are not reflected or anticipated in the contract rates for the increases and which are not offset by savings in other benefit provisions under the contract. Beginning 180 days following the effective date of this act and at the end of every calendar quarter thereafter, a health service corporation shall file notice with the commissioner, in a form approved by the commissioner, of any proposed change in its rates for coverage under individual contracts issued by the corporation. Unless the rates are disapproved by the commissioner on or before the day the rates are to become effective, which shall be no later than 20 days following the filing, they shall be deemed to be approved. In his discretion, the commissioner may waive the 20 day period, or any portion thereof.

C. 17:48E-17.1 Two special contingent surplus accounts.

5. a. Every health service corporation shall accumulate and maintain during each calendar year two separate special contingent surplus accounts, one for its individual contracts and one for its other activities.

b. Every health service corporation shall accumulate and maintain a special contingent surplus for each account over and above its reserves and liabilities at the rate of 2% annually of its net premium income until that surplus is not less than $1,250,000.00 in each account. The special contingent surplus in each account shall be accumulated and maintained at an amount not less than 2 1/2% of the net premium income received during that year, as determined by reference to the statement of financial condition filed pursuant to section 36 of P.L. 1985, c. 236 (C. 17:48E-36). The commissioner may increase the amount of special contingent surplus which shall be maintained pursuant to this subsection to an amount not exceeding 5% of the net premium income received during the preceding year. No method of accumulation as herein provided shall be deemed to supersede any provision of subsection c. of this section. In the case of any health service corporation which was created by the merger of a medical service corporation established pursuant to P.L. 1940, c. 74 (C. 17:48A-1 et seq.) and a hospital service corporation created pursuant to P.L. 1938, c. 366 (C. 17:48-1 et seq.), in calculating the proportional allocation of any deficit or surplus between group and individual contracts at the time the separate surplus accounts are created, the corporation shall allocate based on its determination of the proportional contributions of individual and group business to any surplus or deficit during the period between January 1 of the calendar year in which the health service corporation commenced
doing business as a health service corporation until the effective date of this amendatory and supplementary act. The assumptions upon which the allocations are based shall be certified as reasonable by an independent actuary.

c. Every health service corporation established as of the effective date of this amendatory and supplementary act shall file a plan with the commissioner for meeting the surplus amount requirements established by subsection b. of this section and which establishes a time period within which the corporation will meet those requirements. The time period established in the plan shall not exceed four years. The plan shall be subject to the approval of the commissioner, who shall approve it within 60 days after it has been filed if he believes it to be reasonable. If the commissioner does not approve a plan filed under this subsection within 60 days of its submission, he shall issue findings and conclusions with respect to the reasonableness of the plan.

d. Whenever the special contingent surplus for either group contracts or individual contracts is an amount which is less than 2 1/2% to 5% of the earned premium of the group or individual business, as the case may be, at the discretion of the commissioner, the health service corporation shall, without regard to any other rate increase provided for or required by law or any rate increase which may have previously been taken pursuant to this subsection, and with the approval of the commissioner, commence within 90 days the implementation of rate increases for the group or individual contracts, as the case may be, which increases shall be sufficient to cause the amount of the special contingent surplus to equal an amount which is not less than 5% of the earned premium of the group or individual business within one year of the increase.

e. Nothing in this section nor in P.L. 1985, c. 236 (C. 17:48E-1 et seq.) shall abrogate the responsibilities of corporate officers with regard to the reporting of financial condition pursuant to section 36 of P.L. 1985, c. 236 (C. 17:48E-36), nor shall any provision of this amendatory and supplementary act or P.L. 1985, c. 236 (C. 17:48E-1 et seq.) be construed to limit the authority of the commissioner to require compliance with statutory capital, surplus or reserve requirements for a subsidiary or affiliate of a health service corporation, or for any reinsurance activities to be undertaken by a health service corporation.

6. Section 27 of P.L. 1985, c. 236 (C. 17:48E-27) is amended to read as follows:
C. 17:48E-27 Rate schedule filing.

27. No health service corporation shall issue individual contracts until it has filed with the commissioner, pursuant to the provisions of this act, a full schedule of rates which are to apply to those contracts. The commissioner may disapprove the rates applicable to group or individual contracts at any time if he finds that the rates are excessive, inadequate or unfairly discriminatory, and it shall be unlawful for any corporation to effect any contract according to those rates thereafter.

C. 17:48E-27.1 Individual contract rate changes.

7. A health service corporation shall file notice of any change in its rates for coverage under individual contracts which are not experience rated, along with supporting information as the commissioner deems necessary, at least 45 days prior to the rates becoming effective. Unless the rates are disapproved by the commissioner on or before the day the rates are to become effective, they shall be deemed to be approved. In his discretion, the commissioner may waive the 45 day period, or any portion thereof.

8. a. There is created a Study Commission to Study Health Service Corporations. The commission shall be comprised of 13 members, five of whom shall be appointed by the Governor and one of whom shall be a representative of a health service corporation and shall be appointed by the board of that corporation. The Commissioner of Insurance, the Commissioner of Health, and the Public Advocate or their designees shall be members of the board ex officio, as shall the Chairman of the Senate Labor, Industry and Professions Committee and the Chairman of the Assembly Insurance Committee. One member shall be appointed by the President of the Senate, upon the recommendation of the Chairman of the Senate Labor, Industry and Professions Committee and one member shall be appointed by the Speaker of the General Assembly, upon the recommendation of the Chairman of the Assembly Insurance Committee. Of the members to be appointed by the Governor, two shall represent the commercial health insurance industry, and three shall represent the business community. The commission shall be formed and shall meet within 30 days of the effective date of this act. The Chairman of the Senate Labor, Industry and Professions Committee and the Chairman of the Assembly Insurance Committee shall be co-chairmen of the commission.

b. The study commission shall examine long-range issues affecting health service corporations, including the future need for com-
munity-rated contracts for individuals, the future corporate structure of health service corporations, including the question of maintaining their present nonprofit status, the reason for the continuing financial losses of health service corporations, the status of subsidiaries of health service corporations, including health maintenance organizations, and other issues as the commission may deem appropriate.

c. The study commission shall study the question of insuring high risk individuals and the feasibility of providing alternative means of coverage for them, and shall submit recommendations to the Legislature within six months of the effective date of this act. The commission shall consider, as options, (1) the creation of a fund made up from the proceeds of a surcharge on employers who are subject to the "unemployment compensation law," R.S. 43:21-1 et seq., for the purpose of subsidizing the insuring of high-risk individuals; and (2) the creation of a program to insure high-risk individuals through the payment by all insurers of a surcharge on the hospital payment rates established by the Hospital Rate Setting Commission pursuant to the provisions of P.L. 1978, c. 83 (C. 26:2H-4.1 et seq.), as a subsidy to supplement the premium income generated by that class of risk.

d. The study commission shall report its findings and recommendations to the Governor and to the Legislature with respect to matters other than those provided for in subsection c. of this section no later than one year following the effective date of this act.

9. The Commissioner of Insurance shall conduct a management and fiscal analysis of any health service corporation established pursuant to the provisions of P.L. 1985, c. 236 (C. 17:48E-1 et seq.) which is operating in this State on the effective date of this 1988 amendatory and supplementary act. The commissioner shall coordinate the management and fiscal analysis with outside interested parties to assure absolute objectivity. The commissioner shall report his findings along with any recommendations to the Senate Labor, Industry and Professions Committee and the Assembly Insurance Committee within 120 days of the effective date of this act.

10. This act shall take effect immediately.

CHAPTER 72, LAWS OF 1988

CHAPTER 72

AN ACT concerning short-term juvenile incarceration and amending P.L. 1982, c. 77.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 24 of P.L. 1982, c. 77 (C. 2A:4A-43) is amended to read as follows:

C. 2A:4A-43 Disposition of delinquency cases.

24. Disposition of delinquency cases. a. In determining the appropriate disposition for a juvenile adjudicated delinquent the court shall weigh the following factors:

(1) The nature and circumstances of the offense;

(2) The degree of injury to persons or damage to property caused by the juvenile's offense;

(3) The juvenile's age, previous record, prior social service received and out-of-home placement history;

(4) Whether the disposition supports family strength, responsibility and unity and the well-being and physical safety of the juvenile;

(5) Whether the disposition provides for reasonable participation by the child's parent, guardian, or custodian, provided, however, that the failure of a parent or parents to cooperate in the disposition shall not be weighed against the juvenile in arriving at an appropriate disposition;

(6) Whether the disposition recognizes and treats the unique physical, psychological and social characteristics and needs of the child;

(7) Whether the disposition contributes to the developmental needs of the child, including the academic and social needs of the child where he has mental retardation or learning disabilities; and

(8) Any other circumstances related to the offense and the juvenile's social history as deemed appropriate by the court.

b. If a juvenile is adjudged delinquent the court may order incarceration pursuant to section 25 of this act or any one or more of the following dispositions:
(1) Adjourn formal entry of disposition of the case for a period not to exceed 12 months for the purpose of determining whether the juvenile makes a satisfactory adjustment, and if during the period of continuance the juvenile makes such an adjustment, dismiss the complaint; provided that if the court adjourns formal entry of disposition of delinquency for a violation of an offense defined in chapter 35 or 36 of Title 2C, of the New Jersey Statutes the court shall assess the mandatory penalty set forth in N.J.S. 2C:35-15 but may waive imposition of the penalty set forth in N.J.S. 2C:35-16 for juveniles adjudicated delinquent;

(2) Release the juvenile to the supervision of his or her parent or guardian;

(3) Place the juvenile on probation to the chief probation officer of the county or to any other suitable person who agrees to accept the duty of probation supervision for a period not to exceed three years upon such written conditions as the court deems will aid rehabilitation of the juvenile;

(4) Transfer custody of the juvenile to any relative or other person determined by the court to be qualified to care for the juvenile;

(5) Place the juvenile under the care of the Department of Human Services under the responsibility of the Division of Youth and Family Services pursuant to P.L. 1951, c. 138, s. 2(c) (C. 30:4C-2(c)) for the purpose of providing services in or out of the home. Within 14 days, unless for good cause shown, but not later than 30 days, the Department of Human Services shall submit to the court a service plan, which shall be presumed valid, detailing the specifics of any disposition order. The plan shall be developed within the limits of fiscal and other resources available to the department. If the court determines that the service plan is inappropriate, given existing resources, the department may request a hearing on that determination;

(6) Place the juvenile under the care and custody of the Commissioner of the Department of Human Services for the purpose of receiving the services of the Division of Mental Retardation of that department, provided that the juvenile has been determined to be eligible for those services under P.L. 1965, c. 59, s. 16 (C. 30:4-25.4);

(7) Commit the juvenile, pursuant to the laws governing civil commitment, to the Department of Human Services under the responsibility of the Division of Mental Health and Hospitals for the purpose of placement in a suitable public or private hospital or other
residential facility for the treatment of persons who are mentally ill, on the ground that the juvenile, if not committed, would be a probable danger to himself or others or property by reason of mental illness;

(8) Fine the juvenile an amount not to exceed the maximum provided by law for such a crime or offense if committed by an adult and which is consistent with the juvenile’s income or ability to pay and financial responsibility to his family, provided that the fine is specially adapted to the rehabilitation of the juvenile or to the deterrence of the type of crime or offense. If the fine is not paid due to financial limitations, the fine may be satisfied by requiring the juvenile to submit to any other appropriate disposition provided for in this section;

(9) Order the juvenile to make restitution to a person or entity who has suffered loss resulting from personal injuries or damage to property as a result of the offense for which the juvenile has been adjudicated delinquent. The court may determine the reasonable amount, terms and conditions of restitution. If the juvenile participated in the offense with other persons, the participants shall be jointly and severally responsible for the payment of restitution. The court shall not require a juvenile to make full or partial restitution if the juvenile reasonably satisfies the court that he does not have the means to make restitution and could not reasonably acquire the means to pay restitution;

(10) Order that the juvenile perform community services under the supervision of a probation department or other agency or individual deemed appropriate by the court. Such services shall be compulsory and reasonable in terms of nature and duration. Such services may be performed without compensation, provided that any money earned by the juvenile from the performance of community services may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(11) Order that the juvenile participate in work programs which are designed to provide job skills and specific employment training to enhance the employability of job participants. Such programs may be without compensation, provided that any money earned by the juvenile from participation in a work program may be applied towards any payment of restitution or fine which the court has ordered the juvenile to pay;

(12) Order that the juvenile participate in programs emphasizing
self-reliance, such as intensive outdoor programs teaching survival skills, including but not limited to camping, hiking and other appropriate activities;

(13) Order that the juvenile participate in a program of academic or vocational education or counseling, such as a youth service bureau, requiring attendance at sessions designed to afford access to opportunities for normal growth and development. This may require attendance after school, evenings and weekends;

(14) Place the juvenile in a suitable residential or nonresidential program for the treatment of alcohol or narcotic abuse, provided that the juvenile has been determined to be in need of such services; or

(15) Order the parent or guardian of the juvenile to participate in appropriate programs or services when the court has found either that such person's omission or conduct was a significant contributing factor towards the commission of the delinquent act, or, under its authority to enforce litigant's rights, that such person's omission or conduct has been a significant contributing factor towards the ineffective implementation of a court order previously entered in relation to the juvenile;

(16) (a) Place the juvenile in a nonresidential program operated by a public or private agency, providing intensive services to juveniles for specified hours, which may include education, counseling to the juvenile and the juvenile's family if appropriate, vocational training, employment counseling, work or other services; or

(b) Place the juvenile under the custody of the Department of Corrections for placement with any private group home or private residential facility with which the department has entered into a purchase of service contract;

(17) Instead of or in addition to any disposition made according to this section, the court may postpone, suspend, or revoke for a period not to exceed two years the driver's license, registration certificate, or both of any juvenile who used a motor vehicle in the course of committing an act for which he was adjudicated delinquent. In imposing this disposition and in deciding the duration of the postponement, suspension, or revocation, the court shall consider the severity of the delinquent act and the potential effect of the loss of driving privileges on the juvenile's ability to be rehabilitated. Any postponement, suspension, or revocation shall be imposed consecutively with any custodial commitment; or
(18) Order that the juvenile satisfy any other conditions reasonably related to the rehabilitation of the juvenile.

c. (1) If the county in which the juvenile has been adjudicated delinquent has a juvenile detention facility meeting the physical and program standards established pursuant to this subsection by the Department of Corrections, the court may, in addition to any of the dispositions not involving placement out of the home enumerated in this section, incarcerate the juvenile in the youth detention facility in that county for a term not to exceed 60 consecutive days. Counties which do not operate their own juvenile detention facilities may contract for the use of approved commitment programs with counties with which they have established agreements for the use of pre-disposition juvenile detention facilities. The Department of Corrections shall promulgate such rules and regulations from time to time as deemed necessary to establish minimum physical facility and program standards for the use of juvenile detention facilities pursuant to this subsection.

(2) No juvenile may be incarcerated in any county detention facility unless the county has entered into an agreement with the Department of Corrections concerning the use of the facility for sentenced juveniles. Upon agreement with the county, the Department of Corrections shall certify detention facilities which may receive juveniles sentenced pursuant to this subsection and shall specify the capacity of the facility that may be made available to receive such juveniles; provided, however, that in no event shall the number of juveniles incarcerated pursuant to this subsection exceed 50% of the maximum capacity of the facility.

(3) The court may fix a term of incarceration under this subsection where:

(a) The act for which the juvenile was adjudicated delinquent, if committed by an adult, would have constituted a crime or repetitive disorderly persons offense;

(b) Incarceration of the juvenile is consistent with the rehabilitative goals of this act and the court is clearly convinced that the aggravating factors substantially outweigh the mitigating factors as set forth in section 25 of this act; and

(c) The detention facility has been certified for admission of adjudicated juveniles pursuant to paragraph (2).
(4) If as a result of incarceration of adjudicated juveniles pursuant to this subsection, a county is required to transport a predisposition juvenile to a juvenile detention facility in another county, the costs of such transportation shall be borne by the Department of Corrections.

d. Whenever the court imposes a disposition upon an adjudicated delinquent which requires the juvenile to perform a community service, restitution, or to participate in any other program provided for in this section other than subsection c., the duration of the juvenile's mandatory participation in such alternative programs shall extend for a period consistent with the program goal for the juvenile and shall in no event exceed one year beyond the maximum duration permissible for the delinquent if he has been committed to a correctional institution.

CHAPTER 74, LAWS OF 1988

a. Value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied, but value does not include an unperformed promise made otherwise than in the ordinary course of the promisor's business to furnish support to the debtor or another person.

b. For the purposes of subsection b. of R.S. 25:2-25 and R.S. 25:2-27, a person gives a reasonably equivalent value if the person acquires an interest of the debtor in an asset pursuant to a regularly conducted, noncollusive foreclosure sale or execution of a power of sale for the acquisition or disposition of the interest of the debtor upon default under a mortgage, deed of trust, or security agreement.

c. A transfer is made for present value if the exchange between the debtor and the transferee is intended by them to be contemporaneous and is in fact substantially contemporaneous.

25:2-25. Transfers fraudulent as to present and future creditors.

A transfer made or obligation incurred by a debtor is fraudulent as to a creditor, whether the creditor's claim arose before or after the transfer was made or the obligation was incurred, if the debtor made the transfer or incurred the obligation:

a. With actual intent to hinder, delay, or defraud any creditor of the debtor; or

b. Without receiving a reasonably equivalent value in exchange for the transfer or obligation, and the debtor:

(1) Was engaged or was about to engage in a business or a transaction for which the remaining assets of the debtor were unreasonably small in relation to the business or transaction; or

(2) Intended to incur, or believed or reasonably should have believed that the debtor would incur, debts beyond the debtor's ability to pay as they become due.

In determining actual intent under subsection a. of R.S. 25:2-25 consideration may be given, among other factors, to whether:

a. The transfer or obligation was to an insider;
b. The debtor retained possession or control of the property transferred after the transfer;
c. The transfer or obligation was disclosed or concealed;
d. Before the transfer was made or obligation was incurred, the debtor had been sued or threatened with suit;
e. The transfer was of substantially all the debtor's assets;
f. The debtor absconded;
g. The debtor removed or concealed assets;
h. The value of the consideration received by the debtor was reasonably equivalent to the value of the asset transferred or the amount of the obligation incurred;
i. The debtor was insolvent or became insolvent shortly after the transfer was made or the obligation was incurred;
j. The transfer occurred shortly before or shortly after a substantial debt was incurred; and
k. The debtor transferred the essential assets of the business to a lienor who transferred the assets to an insider of the debtor.

25:2-27. Transfers fraudulent as to present creditors.

a. A transfer made or obligation incurred by a debtor is fraudulent as to a creditor whose claim arose before the transfer was made or the obligation was incurred if the debtor made the transfer or incurred the obligation without receiving a reasonably equivalent value in exchange for the transfer or obligation and the debtor was insolvent at that time or the debtor became insolvent as a result of the transfer or obligation.

b. A transfer made by a debtor is fraudulent as to a creditor whose claim arose before the transfer was made if the transfer was made to an insider for an antecedent debt, the debtor was insolvent at that time, and the insider had reasonable cause to believe that the debtor was insolvent.

When transfer is made or obligation incurred.

For the purposes of this article:

a. A transfer is made:

(1) With respect to an asset that is real property other than a fixture, but including the interest of a seller or purchaser under a contract for the sale of the asset, when the transfer is so far perfected that a good-faith purchaser of the asset from the debtor against whom applicable law permits the transfer to be perfected cannot acquire an interest in the asset that is superior to the interest of the transferee; and

(2) With respect to an asset that is not real property or that is a fixture, when the transfer is so far perfected that a creditor on a simple contract cannot acquire a judicial lien otherwise than under this article that is superior to the interest of the transferee;

b. If applicable law permits the transfer to be perfected as provided in subsection a. of this section and the transfer is not so perfected before the commencement of an action for relief under this article, the transfer is deemed made immediately before the commencement of the action;

c. If applicable law does not permit the transfer to be perfected as provided in subsection a. of this section, the transfer is made when it becomes effective between the debtor and the transferee;

d. A transfer is not made until the debtor has acquired rights in the asset transferred;

e. An obligation is incurred:

(1) If oral, when it becomes effective between the parties; or

(2) If evidenced by a writing, when the writing executed by the obligor is delivered to or for the benefit of the obligee.

(2) Enforcement of any obligation incurred; or

(3) A reduction in the amount of the liability on the judgment.

(1) Termination of a lease upon default by the debtor when the termination is pursuant to the lease and applicable law; or

(2) Enforcement of a security interest in compliance with Article 9 of the Uniform Commercial Code, N.J.S. 12A:9-101 et seq.

f. A transfer is not voidable under subsection b. of R.S. 25:2-27:

(1) To the extent the insider gave new value to or for the benefit of the debtor after the transfer was made unless the new value was secured by a valid lien;

(2) If made in the ordinary course of business or financial affairs of the debtor and the insider; or

(3) If made pursuant to a good-faith effort to rehabilitate the debtor and the transfer secured present value given for that purpose as well as an antecedent debt of the debtor.

A cause of action with respect to a fraudulent transfer or obligation under this article is extinguished unless action is brought:

a. Under subsection a. of R.S. 25:2-25, within four years after the transfer was made or the obligation was incurred or, if later, within one year after the transfer or obligation was or could reasonably have been discovered by the claimant;

CHAPTER 78

An Act authorizing the creation of a debt of the State of New Jersey by the issuance of bonds of the State in the aggregate principal amount of $350,000,000.00 for the purpose of the construction, reconstruction, development, extension, improvement and equipment of classrooms, academic buildings, libraries, computer facilities and other higher education buildings at New Jersey's public and private institutions of higher education; the establishment and construction of advanced technology centers at public and private institutions of higher education, and for the expansion and construction of additional facilities at, and
acquisition of additional and upgraded equipment for existing advanced technology centers sponsored by the New Jersey Commission on Science and Technology; authorizing the issuance of refunding bonds; providing the ways and means to pay and discharge the principal of and interest on the bonds and refunding bonds; providing for the submission of this act to the people at a general election; and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the "Jobs, Education and Competitiveness Bond Act of 1988."

2. The Legislature finds that:

   a. New Jersey, beginning in 1984, started on the road to economic revitalization by systematically joining advanced technology research at its public and private institutions of higher education with industrial sponsorship and improving various technological facilities and programs at New Jersey’s public and private institutions of higher education for purposes of economic development and the creation of new jobs.

   b. These efforts are highlighted by the construction of advanced technology centers, where new science and technology work will take place, funded by the "Jobs, Science and Technology Bond Act of 1984," P.L. 1984, c. 99, as approved overwhelmingly by the voters of New Jersey.

   c. These new advanced technology centers and other academic facilities represented but the first wave of activity in New Jersey, which must be sustained through the decade of the 1990s and beyond if the State is to do its part to restore competitiveness and productivity to our nation. This requires the partnership of the public and private sectors, of the State and federal governments, and of industry and higher education to expand New Jersey’s investment in the future—in the technology-based jobs of the future—by providing needed new construction and growth.

   d. If New Jersey is to maintain expansion of its development and continue to provide an adequately trained work force to retain and attract industry to the State, New Jersey’s public and private institutions of higher education must be strengthened and continue to provide services necessary to accomplish these goals.
e. In order to fulfill this mission, New Jersey’s public and private institutions of higher education must have adequate and modern facilities to provide for necessary educational and job training programs.

f. The Board of Higher Education, which is statutorily responsible for the coordination and planning of higher education in New Jersey, has recognized a crucial need to expand and update academic facilities at New Jersey’s public and private institutions of higher education and has recommended that funds be provided to complete such projects.

g. The New Jersey Commission on Science and Technology has served as the catalyst for a dynamic new partnership between private industry and the State’s public and private institutions of higher education, and utilized this partnership to create a network of advanced technology centers in those technological fields in which New Jersey has shown exceptional industrial and academic strength and potential for growth.

h. The New Jersey Commission on Science and Technology, which is statutorily responsible for formulating long-range plans and programs for science and technology in New Jersey, has recommended that funds be provided for additional advanced technology centers at various public and private institutions of higher education. Moreover, the commission has also identified the funding needed to take its next major steps to develop and improve New Jersey’s research centers, and, in turn, its economy.

3. As used in this act, unless the context indicates a different meaning or intent:

a. “Advanced technology centers” means outstanding programs or departments at New Jersey’s public and private institutions of higher education, which are provided substantial and concentrated financial support to promote their development into national-level bases for innovative technology research.

The bonds may be subject to redemption prior to maturity and shall mature and be paid not later than 35 years from the respective dates of their issuance.

7. The Governor, the State Treasurer and the Director of the Division of Budget and Accounting in the Department of the Treasury, or any two of these officials, herein referred to as “the issuing officials,” are authorized to carry out the provisions of this act relating to the issuance of bonds, and shall determine all matters in connection therewith, subject to the provisions of this act. If an issuing official is absent from the State or incapable of acting for any reason, the powers and duties of that issuing official shall be exercised and performed by the person authorized by law to act in an official capacity in the place of that issuing official.

8. Bonds issued in accordance with the provisions of this act shall be a direct obligation of the State of New Jersey, and the faith and credit of the State are pledged for the payment of the interest and redemption premium thereon, if any, when due, and for the payment of the principal thereof at maturity or earlier redemption date. This recital shall be conclusive evidence of the authority of the State to issue the bonds and their validity. Any bonds containing this recital shall, in any suit, action or proceeding involving their validity, be conclusively deemed to be fully authorized by this act and to have been issued, sold, executed and delivered in conformity herewith and with all other provisions of laws applicable hereto, and shall be incontestable for any cause.

b. The bonds shall be issued in those denominations and in the form or forms, whether coupon, fully-registered or book entry, and with or without provisions for interchangeability thereof, as may be determined by the issuing officials.

11. When the bonds are issued from time to time, the bonds of each issue shall constitute a separate series to be designated by the issuing officials. Each series of bonds shall bear such rate or rates of interest as may be determined by the issuing officials, which interest shall be payable semiannually; except that the first and last interest periods may be longer or shorter, in order that intervening semiannual payments may be at convenient dates.

12. The notice of sale may contain a provision to the effect that any bid in pursuance thereof may be rejected. In the event of rejection or failure to receive any acceptable bid, the issuing officials, at any time within 60 days from the date of the advertised sale, may sell the bonds at a private sale at such price or prices and under the terms and conditions as the issuing officials may prescribe. The issuing officials may sell all or part of the bonds of any series as issued to any State fund or to the federal government or any agency thereof, at a private sale, without advertisement.

13. Until permanent bonds are prepared, the issuing officials may
issue temporary bonds in the form and with those privileges as to their registration and exchange for permanent bonds as may be determined by the issuing officials.

14. The proceeds from the sale of the bonds shall be paid to the State Treasurer to be held by the State Treasurer in a separate fund, which shall be known as the "Jobs, Education and Competitiveness Fund." The proceeds of this fund shall be deposited in those depositories as may be selected by the State Treasurer to the credit of the fund.

15. a. The moneys in the "Jobs, Education and Competitiveness Fund" are specifically dedicated and shall be applied to the cost of the purposes set forth in section 5 of this act. However, no moneys in the fund shall be expended for those purposes, except as otherwise authorized by this act, without the specific appropriation thereof by the Legislature, but bonds may be issued as herein provided, notwithstanding that the Legislature shall not have then adopted an act making a specific appropriation of any of the moneys. Any act appropriating moneys from the "Jobs, Education and Competitiveness Fund" shall identify the project to be funded by the moneys.

b. At any time prior to the issuance and sale of bonds under this act, the State Treasurer is authorized to transfer from any available moneys in any fund of the treasury of the State to the credit of the "Jobs, Education and Competitiveness Fund" those sums as the State Treasurer may deem necessary. The sums so transferred shall be returned to the same fund of the treasury of the State by the State Treasurer from the proceeds of the sale of the first issue of bonds.

c. Pending their application to the purposes provided in this act, the moneys in the "Jobs, Education and Competitiveness Fund" may be invested and reinvested as are other trust funds in the custody of the State Treasurer, in the manner provided by law. Net earnings received from the investment or deposit of moneys in the "Jobs, Education and Competitiveness Fund" shall be paid into the General Fund.

16. If any coupon bond, coupon or registered bond is lost, mutilated or destroyed, a new bond or coupon shall be executed and delivered of like tenor, in substitution for the lost, mutilated or destroyed bond or coupon, upon the owner furnishing to the issuing officials evidence satisfactory to them of the loss, mutilation or destruction of the bond or coupon, the ownership thereof, and security, indemnity and reimbursement for expenses connected therewith, as the issuing officials may require.
17. The accrued interest, if any, received upon the sale of the bonds shall be applied to the discharge of a like amount of interest upon the bonds when due. Any expense incurred by the issuing officials for advertising, engraving, printing, clerical, authenticating, registering, legal or other services necessary to carry out the duties imposed upon them by the provisions of this act shall be paid from the proceeds of the sale of the bonds by the State Treasurer, upon the warrant of the Director of the Division of Budget and Accounting in the Department of the Treasury, in the same manner as other obligations of the State are paid.

18. Bonds of each series issued hereunder shall mature, including any sinking fund redemptions, not later than the 35th year from the date of issue of that series, and in amounts as shall be determined by the issuing officials. The issuing officials may reserve to the State by appropriate provision in the bonds of any series the power to redeem any of the bonds prior to maturity at the price or prices and upon the terms and conditions as may be provided in the bonds.

19. The issuing officials may issue refunding bonds in an amount not to exceed the amount necessary to effectuate the refinancing of any bonds issued pursuant to this act, at any time and from time to time, for the purpose of refinancing any bond or bonds issued pursuant to this act, subject to the following provisions:

a. Refunding bonds may be issued at any time prior to the maturity or redemption of the bonds to be refinanced thereby as the issuing officials shall determine.

b. Each series of refunding bonds may be issued in a sufficient amount to pay or to provide for the payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on the bonds to be refinanced to the date of payment of the outstanding bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying the bonds to be refinanced.

c. No refunding bonds shall be issued unless the issuing officials shall first determine that the present value of the aggregate principal amount of and interest on the refunding bonds is less than the present value of the aggregate principal amount of and interest on the bonds to be refinanced thereby; provided, for the purposes of this limitation, present value shall be computed using a discount rate equal to the yield of those refunding bonds, and yield shall be computed using an actuarial method based upon a 360-day year with semiannual
compounding and upon the price or prices paid to the State by the initial purchasers of those refunding bonds.

d. Any refinancing authorized hereunder may be effected by the sale of the refunding bonds and the application of the proceeds thereof to the immediate payment of the principal of the bonds to be refinanced thereby, together with any redemption premium thereon, any interest accrued or to accrue on those bonds to be refinanced to the date of payment of those bonds, the expenses of issuing the refunding bonds and the expenses, if any, of paying those bonds to be refinanced, or, to the extent not required for that immediate payment, shall be deposited, together with any other moneys legally available therefor, in trust with one or more trustees or escrow agents, which trustees or escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, to be applied solely to the payment when due of the principal of, redemption premium, if any, and interest due and to become due on the bonds to be refinanced on or prior to the redemption date or maturity date thereof, as the case may be. The proceeds or moneys so held by the trustees or escrow agents may be invested in government securities, including government securities issued or held in book-entry form on the books of the Department of the Treasury of the United States; provided those government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. Except as otherwise provided in this subsection, neither government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on the bonds to be refinanced thereby; provided that any cash received from the principal or interest payments on those government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the trustees or escrow agents, and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to become due on the bonds to be refinanced, on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from those reinvestments, to the extent not required for the payment of bonds, shall be paid over to the State, as received by the trustees or escrow agents. Notwithstanding anything to the contrary contained herein:
(1) The trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (a) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all outstanding bonds so purchased or (b) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the outstanding bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and

(2) In the event that on any date, as a result of any purchases and cancellations of the outstanding bonds or any purchases of different government securities as provided in this subsection, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which such deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on those remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of that excess to the State. Any amounts held by the State Treasurer in a separate fund or funds for the payment of the principal of, redemption premium, if any, and interest on bonds to be refinanced, as provided herein, shall, if so directed by the issuing officials, be transferred by the State Treasurer for deposit with one or more trustees or escrow agents, as provided herein, to be applied to the payment when due of the principal of, redemption premium, if any, and interest to become due on those bonds to be refinanced, as provided in this section, or be applied by the State Treasurer to the payment when due of the principal of, redemption premium, if any, and interest on refunding bonds issued hereunder to refinance those bonds. The State Treasurer is authorized to enter into contracts with one or more trust companies or national or state banks, as provided herein, subject to the approval of the issuing officials.
e. Notwithstanding the provisions of section 12 of this act, any
series of refunding bonds issued pursuant to this section shall mature
at any time or times not later than five years following the latest
scheduled final maturity date, determined without regard to any
redemptions prior thereto, of any of the bonds to be refunded thereby,
and in no event later than 35 years following the date of issuance
of that series of refunding bonds, and those refunding bonds may be
sold at public or private sale at prices and under terms, conditions
and regulations as the issuing officials may prescribe. Refunding
bonds shall be entitled to all the benefits of this act and subject to
all its limitations, except as to sale provisions and to the extent
therein otherwise expressly provided.

f. Upon the decision by the issuing officials to issue refunding
bonds pursuant to this section, and prior to the sale of those bonds,
the issuing officials shall transmit to the Joint Budget Oversight
Committee, or its successor, a report that a decision has been made,
reciting the basis on which the decision was made, including an
estimate of the debt service savings to be achieved and the calcu­
lations upon which the issuing officials relied when making the de­
cision to issue refunding bonds. The report shall also disclose the
intent of the issuing officials to issue and sell the refunding bonds
at public or private sale and the reasons therefor.

g. The Joint Budget Oversight Committee, or its successor, shall
have authority to approve or disapprove the sale of refunding bonds
as included in each report submitted in accordance with subsection
f. of this section. The committee shall notify the issuing officials in
writing of the approval or disapproval as expeditiously as possible.

h. No refunding bonds shall be issued unless the report has been
submitted to and approved by the Joint Budget Oversight Commit­
tee, or its successor, as set forth in subsection g. of this section.

i. Within 30 days after the sale of the refunding bonds, the issuing
officials shall notify the Joint Budget Oversight Committee, or its
successor, of the result of that sale, including the prices and terms,

20. Any bond or bonds issued hereunder shall no longer be
deemed to be outstanding, shall no longer constitute a direct obligation of the State of New Jersey, and the faith and credit of the State shall no longer be pledged to the payment of the principal of, redemption premium, if any, and interest on the bonds, and the bonds shall be secured solely by and payable solely from moneys and government securities deposited in trust with one or more trustees or escrow agents, which trustees and escrow agents shall be trust companies or national or state banks having powers of a trust company, located either within or without the State, as provided herein, whenever there shall be deposited in trust with the trustees or escrow agents, as provided herein, either moneys or government securities, including government securities issued or held in book-entry form on the books of the Department of Treasury of the United States, the principal of and interest on which when due will provide money which, together with the moneys, if any, deposited with the trustees or escrow agents at the same time, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on the bonds on or prior to the redemption date or maturity date thereof, as the case may be; provided the government securities shall not be subject to redemption prior to their maturity other than at the option of the holder thereof. The State of New Jersey hereby covenants with the holders of any bonds for which government securities or moneys shall have been deposited in trust with the trustees or escrow agents as provided in this section that, except as otherwise provided in this section, neither the government securities nor moneys so deposited with the trustees or escrow agents shall be withdrawn or used by the State for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest to become due on the bonds; provided that any cash received from the principal or interest payments on the government securities deposited with the trustees or escrow agents, to the extent the cash will not be required at any time for that purpose, shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien, pledge or assignment securing the bonds; and to the extent the cash will be required for that purpose at a later date, shall, to the extent practicable and legally permissible, be reinvested in government securities maturing at times and in amounts sufficient to pay when due the principal of, redemption premium, if any, and interest to
become due on the bonds on and prior to the redemption date or maturity date thereof, as the case may be, and interest earned from the reinvestments shall be paid over to the State, as received by the trustees or escrow agents, free and clear of any trust, lien or pledge securing the bonds. Notwithstanding anything to the contrary contained herein:

a. The trustees or escrow agents shall, if so directed by the issuing officials, apply moneys on deposit with the trustees or escrow agents pursuant to the provisions of this section, and redeem or sell government securities so deposited with the trustees or escrow agents, and apply the proceeds thereof to (1) the purchase of the bonds which were refinanced by the deposit with the trustees or escrow agents of the moneys and government securities and immediately thereafter cancel all bonds so purchased, or (2) the purchase of different government securities; provided however, that the moneys and government securities on deposit with the trustees or escrow agents after the purchase and cancellation of the bonds or the purchase of different government securities shall be sufficient to pay when due the principal of, redemption premium, if any, and interest on all other bonds in respect of which the moneys and government securities were deposited with the trustees or escrow agents on or prior to the redemption date or maturity date thereof, as the case may be; and

b. In the event that on any date, as a result of any purchases and cancellations of bonds or any purchases of different government securities, as provided in this sentence, the total amount of moneys and government securities remaining on deposit with the trustees or escrow agents is in excess of the total amount which would have been required to be deposited with the trustees or escrow agents on that date in respect of the remaining bonds for which the deposit was made in order to pay when due the principal of, redemption premium, if any, and interest on the remaining bonds, the trustees or escrow agents shall, if so directed by the issuing officials, pay the amount of the excess to the State, free and clear of any trust, lien, pledge or assignment securing the refunding bonds.

21. Refunding bonds issued pursuant to section 19 of this act may be consolidated with bonds issued pursuant to section 6 of this act or with bonds issued pursuant to any other act for purposes of sale.

22. To provide funds to meet the interest and principal payment requirements for the bonds and refunding bonds issued under this act and outstanding, there is appropriated in the order following:
a. Revenue derived from the collection of taxes under the “Sales and Use Tax Act,” P.L. 1966, c. 30 (C. 54:32B-1 et seq.), or so much thereof as may be required; and

b. If, at any time, funds necessary to meet the interest, redemption premium, if any, and principal payments on outstanding bonds issued under this act are insufficient or not available, there shall be assessed, levied and collected annually in each of the municipalities of the counties of this State, a tax on the real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to meet the interest on all outstanding bonds issued hereunder and on the bonds proposed to be issued under this act in the calendar year in which the tax is to be raised and for the payment of bonds falling due in the year following the year for which the tax is levied. The tax shall be assessed, levied and collected in the same manner and at the same time as are other taxes upon real and personal property. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which the municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of the tax to the State Treasurer on or before December 20 in each year.

If on or before December 31 in any year, the issuing officials, by resolution, determine that there are moneys in the General Fund beyond the needs of the State, sufficient to meet the principal of bonds falling due and all interest and redemption premium, if any, payable in the ensuing calendar year, the issuing officials shall file the resolution in the office of the State Treasurer, whereupon the State Treasurer shall transfer the moneys to a separate fund to be designated by the State Treasurer, and shall pay the principal, redemption premium, if any, and interest out of that fund as the same shall become due and payable, and the other sources of payment of the principal, redemption premium, if any, and interest provided for in this section shall not then be available, and the receipts for the year from the tax specified in subsection a. of this section shall be considered and treated as part of the General Fund, available for general purposes.

23. Should the State Treasurer, by December 31 of any year, deem it necessary, because of the insufficiency of funds collected from the sources of revenues as provided in this act, to meet the interest and principal payments for the year after the ensuing year, then the State Treasurer shall certify to the Director of the Division of Budget
and Accounting in the Department of the Treasury the amount necessary to be raised by taxation for those purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. The director shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected in each county as herein set forth. This calculation shall be based upon the corrected assessed valuation of each county for the year preceding the year in which the tax is to be assessed, but the tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The director shall certify the amount to the county board of taxation and the treasurer of each county. The county board of taxation shall include the proper amount in the current tax levy of the several taxing districts of the county in proportion to the ratables as ascertained for the current year.

24. For the purpose of complying with the provisions of the State Constitution, this act shall be submitted to the people at the general election to be held in the month of November, 1988. To inform the people of the contents of this act, it shall be the duty of the Secretary of State, after this section takes effect, and at least 15 days prior to the election, to cause this act to be published in at least 10 newspapers published in the State and to notify the clerk of each county of this State of the passage of this act; and the clerks respectively, in accordance with the instructions of the Secretary of State, shall have printed on each of the ballots the following:

exists which makes the provision of reduced or discounted rate services to qualified elderly and disabled persons by cable television companies a public necessity; and that the provision of reduced rates will promote their health and welfare, thereby prolonging their productivity in the interest of the State and nation, and therefore constitutes and is declared to be a public purpose necessary for the preservation of the public convenience.

CHAPTER 90

AN ACT concerning stormwater sewers and combined sewer overflows, supplementing Title 58 of the Revised Statutes, and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 58:25-23 Short title.

1. This act shall be known and may be cited as the "Sewage Infrastructure Improvement Act."

C. 58:25-24 Findings, declarations.

2. The Legislature finds and declares that nonpoint sources of pollution represent a significant environmental problem by contributing greatly to the biological and chemical degradation of coastal
and other surface waters of the State; that nonpoint source discharges into stormwater sewers, particularly during and after storms, result in elevated levels of bacteria, which are a cause of 80% to 90% of all beach closings; that combined stormwater and sanitary sewer overflows are another major source of ocean and other surface water pollution; and that an average of 113 million gallons per day of diluted raw sewage flows into the Raritan-Hudson Estuary through approximately 150 authorized outfalls, ultimately degrading the coastal waters of the State.

The Legislature declares that such sources of nonpoint and point sources of pollution are a danger to the public and health and safety of the residents of the State; that stormwater sewers and combined stormwater and sewage conveyance facilities discharging wastewaters into the salt waters of the State are major sources of pollution of the State's salt waters; and that public entities responsible for stormwater sewers and combined stormwater and sewage treatment facilities require financial assistance in order to locate and plan for the control these sources of pollution.

C. 58:25-25 Standards, maps.

3. a. Within six months after enactment of this act, the Department of Environmental Protection shall develop standards for the inventory and mapping of stormwater sewers and sanitary sewage lines and, within that period, shall provide these standards to any municipality required to adopt a map pursuant to subsection b. of this section.

b. Within 18 months after enactment of this act, all municipalities with stormwater systems discharging into the salt waters of Monmouth, Ocean, Atlantic and Cape May counties shall adopt a stormwater sewer/sanitary sewage map in accordance with the provisions of this act. The map shall locate, list and number all stormwater sewer and sanitary sewage lines within the geographical boundaries of a municipality, which are part of any stormwater system that discharges into surface waters. The map shall also identify all cross-connections between stormwater and sanitary sewage systems, and indicate whether the cross-connections have received a permit from the Department of Environmental Protection.

The governing body of any municipality required to adopt a map pursuant to this section may contract for the county health department or other county health agency to prepare the map or to monitor the stormwater sewer outfalls in accordance with section 4 of this act.
As used in this act, “salt water” means surface saline waters as defined by the Department of Environmental Protection in regulations adopted pursuant to P.L. 1977, c. 74 (C. 58:10A-1 et seq.) and P.L. 1977, c. 75 (C. 58:11A-1 et seq.).

4. A municipality, upon completion of the map required pursuant to section 3 of this act, shall provide for the monitoring at least every three months of the water quality at the outfall lines for any stormwater sewers discharging into salt waters. The water tests shall monitor for the presence of fecal coliform or other contaminants that may result from a sewer line break or an improper or illegal connection to a stormwater sewer line. If fecal coliform or other contaminants are found to exceed the standards therefor established pursuant to P.L. 1977, c. 74 (C. 58:10A-1 et seq.), the municipality shall identify the person responsible for, and promptly abate or seek the abatement of, the contamination. Violations of State standards shall be reported to the Department of Environmental Protection in such manner as shall be required by the department.

5. A municipality subject to the provisions of section 3 of this act shall eliminate or cause to be eliminated any unpermitted interconnections of stormwater sewer systems and sanitary sewage systems within the municipality. Any unpermitted interconnection in existence 30 months after enactment of this act shall be subject to the civil penalty provisions of P.L. 1977, c. 74 (C. 58:10A-1 et seq.). Municipalities that fail to take appropriate measures to eliminate, or cause to be eliminated, unpermitted cross-connections after receiving written or constructive notice thereof, shall also be subject to the civil penalty provisions of P.L. 1977, c. 74. An action to enforce the civil penalty provisions of P.L. 1977, c. 74 may be brought by the department, the municipality, or other public entity controlling or operating the stormwater sewer system with an unpermitted interconnection. The action shall be in the name of the public entity bringing the action. Municipalities within the counties of Monmouth, Ocean, Atlantic, and Cape May shall also take appropriate measures to abate nonpoint sources of pollution directly entering salt waters.

C. 58:25-28 Abatement measures.

6. Within 30 months after enactment of this act, any public entity operating a combined stormwater sewer and sanitary sewage system shall provide abatement measures approved by the department at any combined sewer overflow point for which a permit is required pursuant to P.L. 1977, c. 74 (C. 58:10A-1 et seq.). Any public entity
that fails to provide, in accordance with standards established there­
for by the department, appropriate abatement measures approved
by the department at a combined sewer overflow point after the
expiration of the 30 month period shall be subject to the penalty
provisions of P.L. 1977, c. 74 (C. 58:10A-1 et seq.), and to any other
enforcement action that may be appropriate.

C. 58:25-29 Abatement assistance fund.

7. a. There is established in the Department of Environmental
Protection a non-lapsing fund, to be known as the "Municipal Storm­
water Management and Combined Sewer Overflow Abatement As­
sistance Fund." There shall be deposited in the fund, moneys ap­
propriated pursuant to this act, any other appropriations as may be
made thereto by law, and any interest earned thereon. Upon dis­
bursement of all monies in the fund, the fund shall terminate.

b. The department is authorized, pursuant to the provisions of
this act, to provide grants from the fund to municipalities for the
inventory and mapping of stormwater systems pursuant to subsection
b. of section 3 of this act and for the planning and design necessary
to eliminate unpermitted interconnections of stormwater sewer sys­
tems and sanitary sewage systems and to abate nonpoint sources of
pollution directly entering salt waters pursuant to section 5 of this
act. For the purposes of this subsection, planning may include the
costs of monitoring water quality at outfall lines for stormwater
sewers.

c. The department is authorized, pursuant to the provisions of
this act, to provide grants from the fund to municipalities and other
public entities controlling or operating combined stormwater sewer
and sanitary sewage systems for the planning and design of abate­
ment measures at any combined sewer overflow point.

d. Prior to the award of any grant, the department shall notify
the presiding officers of both houses of the Legislature in writing of
the applications received, the grant recipients, the amounts re­
querted, amounts to be granted and the purposes for which the grants
shall be used.

C. 58:25-30 90% State funding.

8. Any municipality or other public entity eligible for a grant
pursuant to section 7 may apply to the department for up to 90%
of the total inventory, mapping, planning, and design costs to be
incurred thereby, as applicable. The municipality or other public
entity shall include in its application, the purposes for which the
grant shall be used, the method of accomplishing those purposes, a statement that the municipality or public entity shall provide 10% of the total cost, any other information the department may require, and if applicable, a statement that the municipality will conform with the department standards for the stormwater system inventory and map. The department shall review and approve an application if the amount requested is reasonable for the work to be accomplished, the municipality or public entity is providing the required match and meets any other department requirements, and, if applicable, the municipality has agreed to conform with the department's inventory and mapping standards. Any application disapproved may be amended and resubmitted to the department.

C. 58:25-31 Priority systems.

9. a. The Commissioner of the Department of Environmental Protection shall develop a priority system for stormwater sewer system pollution elimination and abatement construction projects and shall establish the ranking criteria and future funding policies for the construction of projects. The commissioner shall, based upon the inventory, maps, plans and designs of grant recipients, develop a stormwater sewer system construction project priority list for future funding of stormwater sewer system projects.

b. The Commissioner of the Department of Environmental Protection shall develop a priority system for combined sewer system pollution elimination and abatement construction projects and shall establish the ranking criteria and future funding policies for the construction of projects. The commissioner shall, based upon the plans and designs of grant recipients, develop a combined sewer system construction project priority list for future funding of combined sewer system projects.

C. 58:25-32 Rules, regulations.

10. The Commissioner of the Department of Environmental Protection shall adopt, pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), such rules and regulations as may be necessary or appropriate for the implementation of this act.

C. 58:25-33 Stormwater collection systems.

11. Any stormwater collection system constructed by the Department of Transportation or any other state agency that may discharge stormwater into surface waters, shall be designed to abate, to the greatest extent practicable and feasible, any adverse environmental
impact on the quality of the surface water into which the stormwater may be discharged.

12. There is appropriated from the General Fund to the Department of Environmental Protection the sum of $33,500,000 to be deposited in the “Municipal Stormwater Management and Combined Sewer Overflow Abatement Assistance Fund” for the purposes of this act.

13. This act shall take effect immediately.

CHAPTER 92

AN ACT concerning community care for the elderly and disabled.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4E-5 Short title.
1. This act shall be known and may be cited as the "Home Care Expansion Act."

C. 30:4E-6 Findings, declarations.
2. The Legislature finds and declares that:

a. The need to offer care services to the growing number of frail elderly and disabled persons in New Jersey and the benefits derived from the provision of these services are well documented;

b. While State government has responded to the home care needs of the State's elderly and disabled population through the Medicaid Community Care Program for the Elderly and Disabled (CCPED), there remains a substantial number of people whose home care needs have not been met;

c. Many of these frail elderly and disabled people in the "no-care"
zone are equipped to impoverish themselves to receive services under Medicaid;

d. The limitations on resources that a person may have to participate in the Medicaid program or the Community Care Program for the Elderly and Disabled are so restrictive as to make many of those in need of home care ineligible for needed services;

e. Many people who need care to remain in their homes do not have the funds to pay privately for the services; and

f. It is therefore necessary to establish a program to extend such services to a greater number of the State's elderly and disabled population.

C. 30:4E-7 Definitions.

3. As used in this act:

b. "Program" means the Home Care Expansion Program.

C. 30:4E-8 Home Care Expansion Program.

4. a. The commissioner shall establish and administer through the Division of Medical Assistance and Health Services in the Department of Human Services a program which shall be known as the Home Care Expansion Program, and which shall be funded with Casino Revenue Fund monies. This program shall incorporate, whenever possible, the features of CCPED, including eligibility criteria, with the exception of Medicaid resource and income limitations.

b. In order to ensure maximum efficiency in the use of State funds and prevent duplication of services, the Home Care Expansion Program shall utilize mechanisms currently in place in the CCPED program.

C. 30:4E-9 Services.

5. a. Individuals served by the Home Care Expansion Program shall receive a comprehensive assessment of the need for long-term home care services. A case manager shall develop a plan of care. In addition, the case manager shall provide ongoing monitoring of the individual's situation, services and cost of care.

b. The program shall consist of the following services: home health care, medical day care, non-emergency medical transportation, case management, social adult day care, homemaker care and
respite care. The commissioner may expand the scope of services by
regulation.

c. The commissioner shall determine that the services to be
provided are medically necessary and will assist in avoiding institu­
tionalization.

d. The cost of care for each individual shall be limited to an
annual amount that is based on a percentage of the cost of nursing
home care. The payment for services received by an eligible person
under this act shall not exceed a percentage, as established by the
commissioner, of the payment for the comparable level of care that
the person would receive in a skilled nursing home or intermediate
care facility under the Medicaid program pursuant to P.L. 1968, c.
413 (C. 30:4D-1 et seq.).

e. Eligible persons shall share in the cost of services, depending
on the amount of their monthly income, in accordance with standards
and criteria prescribed by the commissioner.

C. 30:4E-10 Income eligibility.

6. Any person who is a resident of this State, with resources
within limits set by the commissioner, and is 65 years of age or older
and is eligible for Medicare benefits or has other medical insurance
which includes physician coverage and hospitalization, and whose
annual income is less than $18,000.00 if single, or if married, whose
annual income combined with that of his spouse is less than
$21,000.00, is eligible for assistance under the program.

Any person under the age of 65 who is determined to be disabled
by the Social Security Administration (SSA) or by the Division of
Public Welfare, Bureau of Medical Affairs in the Department of
Human Services, using SSA criteria, and is eligible for Medicare
benefits, or has other medical coverage which includes physician and
hospital coverage and who meets the income eligibility requirements
of this section, is eligible for assistance under the program.

C. 30:4E-11 Criteria for determining eligibility.

7. a. The commissioner shall establish criteria for determining
medical and financial eligibility, including provisions for submission
of proof of income, resources and health insurance, and a system of
providing services to eligible persons.

b. The commissioner shall establish resource limits and co-pay­
ment schedules to ensure that the expenditures for the program are
within the limits of the funds appropriated for the purposes of this
act.
C. 30:4E-12 Medicaid recipients.

8. Notwithstanding any provisions of this act to the contrary, a person eligible for comparable home care services assistance available under Title XIX (Medicaid) of the federal Social Security Act (42 U.S.C. §1396 et seq.), but who does not receive the services due to the unavailability of the services in the person's county of residence, is eligible for the services provided pursuant to this act.

A person receiving comparable home care services assistance pursuant to Title XIX of the federal Social Security Act (42 U.S.C. §1396 et seq.) is not eligible for the services provided pursuant to this act.

C. 30:4E-13 Assistance of other agencies.

C. 30:4E-14 Rules, regulations.

11. The commissioner shall adopt rules and regulations pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.) necessary to carry out the purposes of this act.

12. This act shall take effect on the first day of the ninth month following enactment.

provisions set forth in section 18 of P.L. 1983, c. 303 (C. 52:27H-77);
provided, however, that a qualified business shall not claim an em­

d. The enterprise zone employee tax credit shall be allowed in
the tax year immediately following the tax year in which the new
full-time, permanent employee was first employed by the taxpayer,
and shall be permitted in any tax year of a 20 year period from the
date of designation of the enterprise zone, or of a period of 20 tax
years from the date within that designation period upon which the
taxpayer is first subject to the provisions of the “Corporation Busi­
ness Tax Act (1945),” P.L. 1945, c. 162 (C. 54:10A-1 et seq.), which­

terminate the eligibility period provided under this section;

e. A tax credit shall be permitted under this section only for those
new full-time, permanent employees who have been employed for at
least six continuous months by the taxpayer during the tax year for
which the tax credit is claimed.

f. A newly employed employee shall not be deemed a new full­
time, permanent employee for the purposes of this section unless the
total number of full-time, permanent employees, including the newly
employed employee, employed by the employer in the zone during
the calendar year exceeds the greatest number of full-time, per­
manent employees employed in the zone by the employer during any
prior calendar year during the period commencing with the date of
zone designation.

For the purposes of this section, a qualified business within an enterprise zone shall include any urban renewal entity established pursuant to P.L. 1961, c. 40 (C. 40:55C-40 et seq.), provided, however, that the entity is the sole owner of an operating company which is a qualified business pursuant to subsection c. of section 3 of P.L. 1983, c. 303 (C. 52:27H-62), and that the entity and its operating company are situated within the same zone.

6. Section 21 of P.L. 1983, c. 303 (C. 52:27H-80) is amended to read as follows:

C. 52:27H-80 50% exemption.

21. Receipts of retail sales, except retail sales of motor vehicles and of manufacturing machinery, equipment or apparatus, made by a certified vendor from a place of business owned or leased and regularly operated by the vendor for the purpose of making retail sales, and located in a designated enterprise zone established pursuant to the “New Jersey Urban Enterprise Zones Act,” P.L. 1983, c. 303 (C. 52:27H-60 et seq.), are exempt to the extent of 50% of the tax imposed under the “Sales and Use Tax Act,” P.L. 1966, c. 30 (C. 54:32B-1 et seq.).

Any vendor, which is a qualified business having a place of business located in a designated enterprise zone, may apply to the Director
of the Division of Taxation in the Department of the Treasury for certification pursuant to this section. The director shall certify a vendor if he shall find that the vendor owns or leases and regularly operates a place of business located in the designated enterprise zone for the purpose of making retail sales, that items are regularly exhibited and offered for retail sale at that location, and that the place of business is not utilized primarily for the purpose of catalogue or mail order sales. The certification under this section shall remain in effect during the time the business retains its status as a qualified business meeting the eligibility criteria of section 27 of P.L. 1983, c. 303 (C. 52:27H-86). However, the director may at any time revoke a certification granted pursuant to this section if he shall determine that the vendor no longer complies with the provisions of this section.

Notwithstanding the provisions of this act to the contrary, the authority may, in its discretion, determine whether or not the provisions of this section shall apply to any enterprise zone designated after the effective date of P.L. 1985, c. 142 (C. 52:27H-66 et seq.); provided, however, that the authority may make such a determination only where the authority finds that the award of an exemption of 50 percent of the tax imposed under the “Sales and Use Tax Act,” P.L. 1966, c. 30 (C. 54:32B-1 et seq.) will not have any adverse economic impact upon any other urban enterprise zone. Notwithstanding any other provisions of law to the contrary, all revenues received from the taxation of retail sales made by certified vendors from business locations in designated enterprise zones to which this exemption shall apply, shall be deposited immediately upon collection by the Department of the Treasury, as follows:

a. In the first five year period of the enterprise zone designation, all such revenues shall be deposited in the enterprise zone assistance fund created pursuant to section 29 of this act;

b. In the second five year period of the enterprise zone designation, 66-2/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 33-1/3% shall be deposited in the General Fund;

c. In the third five year period of the enterprise zone designation, 33-1/3% of all those revenues shall be deposited in the enterprise zone assistance fund, and 66-2/3% shall be deposited in the General Fund;

d. In the final five year period of the enterprise zone designation, all those revenues shall be deposited in the General Fund.
The revenues required to be deposited in the enterprise zone assistance fund under this section shall be used for the purposes of that fund and for the uses prescribed in section 29 of this act, subject to annual appropriations being made for those purposes and uses.

7. Section 27 of P.L. 1983, c. 303 (C. 52:27H-86) is amended to read as follows:

(2) The qualified business employs fewer than 50 employees;

(3) The qualified business has entered into an agreement, approved by the authority, with the governing body of the qualifying municipality in which the enterprise zone is located, under which the qualified business agrees to undertake an investment in the enterprise zone in lieu of the employment of new employees. An investment permitted under an agreement shall be in an amount and of a nature which the municipal governing body and the authority find shall contribute substantially to the economic attractiveness of the enterprise zone, and may include, but shall not be limited to:

(a) The improvement of the exterior appearance or customer facilities of the property constituting the place of business of the qualified business within the zone; or

(b) Monetary contributions to the qualifying municipality to undertake improvements to increase the safety or attractiveness of the zone to businesses which may wish to locate there or to consumer
visitors to the zone, including, but not limited to litter clean-up and control, landscaping, parking areas and facilities, recreational and rest areas and facilities, repair or improvements to public streets, curbing, sidewalks and pedestrian thoroughfares, street lighting, or increased police, fire or sanitation services in the enterprise zone.

In order to meet the requirements of paragraph (3) of this subsection, an investment shall be in an amount no less than $5,000.00 if the qualified business employs 10 or fewer employees, or if the qualified business employs more than 10 employees, not less than the amount produced by multiplying the number of employees employed by the qualified business by $500.00. In order to receive the incentives permitted by this section, the business shall provide written evidence of the investment to the authority.

8. Section 18 of P.L. 1983, c. 303 (C. 52:27H-77) is amended to read as follows:

C. 52:27H-77 Carry-forward permitted.

18. Enterprise zone employee tax credits or enterprise zone investment tax credits provided under section 19 of this act shall not reduce a taxpayer's tax liability under the “Corporation Business Tax Act (1945),” P.L. 1945, c. 162 (C. 54:10A-1 et seq.) in any tax year by more than 50% of the amount otherwise due, but either employee tax credits or investment tax credits remaining and unused in a tax year may be carried forward by the taxpayer to the next succeeding tax year and applied against 50% of the amount of tax otherwise due in that succeeding tax year.

C. 52:27H-80.2 2 or more contiguous municipalities.

9. In addition to those enterprise zones to which the provisions of section 21 of P.L. 1983, c. 303 (C. 52:27H-80) have been or may be extended by the authority, the provisions of that section shall be extended to any designated enterprise zone situated within two or more contiguous qualifying municipalities.

10. This act shall take effect immediately, except that the provisions of subsections a. and b. of section 19 of P.L. 1983, c. 303 (C. 52:27H-78) as amended in section 4 shall be applicable to taxable years beginning on or after July 1, 1988.

Execution, filing and recording of documents.

(1) If a document relating to a domestic or foreign corporation is required or permitted to be filed in the office of the Secretary of State under this act:
(a) The document shall be in the English language, shall be typed or machine printed, except that the corporate name need not be in the English language if written in English letters or Arabic or Roman numerals, and except that this requirement shall not apply to a certificate of good standing under paragraph 14A:2-4(2)(b), section 14A:2-5, or subsection 14A:13-4 (2).

(b) The filing shall be accomplished by delivering the document to the office of the Secretary of State, together with the fees and any accompanying documents required by law. Thereupon, the Secretary of State shall endorse the document with the word "Filed" with his official title and shall file it in his office. Each document accepted for filing shall be deemed filed as of the latest date and time of receipt stamped upon it pursuant to subsection (1). If a document was erroneously rejected for filing by the Secretary of State or for any other reason the latest "received" date would not properly reflect the filing date, the Secretary of State shall, upon request, mark the document "Filed" as of the correct date.

The recording may be effected by typewritten copy, or by photographic, microphotographic or microfilming process, or in such other manner as may be provided by law. Such records shall be kept in a place separate and away from the place where the originals are filed.

(5) If any instrument filed with the Secretary of State under any provision of this act is an inaccurate record of the corporate action therein referred to, or was defectively or erroneously executed, such instrument may be corrected by filing with the Secretary of State a certificate of correction executed on behalf of the corporation. The certificate of correction shall specify the inaccuracy or defect to be corrected and shall set forth the correction. this act by mail or by certified mail, return receipt requested, may be given by personal delivery to the person to whom it is directed.

4. N.J.S. 14A:1-9 is amended to read as follows:

Corporate name of domestic or foreign corporations.

14A:2-2. Corporate name of domestic or foreign corporations.

(1) The corporate name of a domestic corporation or of a foreign corporation authorized to transact business in this State

(a) Shall not contain any word or phrase, or abbreviation or derivative thereof, which indicates or implies that it is organized for any purpose other than one or more of the purposes permitted by its certificate of incorporation;

(b) Shall be such as to distinguish it upon the records in the office of the Secretary of State from the names of other for profit and nonprofit domestic corporations and for profit and nonprofit foreign corporations qualified to do business in this State and from the names of domestic limited partnerships and foreign limited partnerships and from names subject to a current name reservation or a current name registration, unless there is filed a certified copy of a final judgment of a court of competent jurisdiction establishing the prior right of the corporation to the use of such name in this State;

(c) Shall not contain any word or phrase, or any abbreviation or derivative thereof, the use of which is prohibited or restricted by any other statute of this State, unless any such restrictions have been complied with; and

(d) Shall contain the word “corporation,” “company,” “incorporated,” or shall contain an abbreviation of one of those words, or shall include the abbreviation Ltd. or shall contain words or abbreviations of like import in other languages, except that a foreign corporation which does not have those words or an abbreviation thereof in its name shall add at the end of its name one of those words or an abbreviation thereof for use in this State.

(2) This section

(a) Shall not require any domestic corporation or any foreign corporation authorized to transact business in this State to change its corporate name; and

(b) Shall not prevent a domestic corporation with which another corporation, domestic or foreign, is merged, or which is formed by the reorganization or consolidation of one or more other domestic or foreign corporations or upon a sale, lease or other disposition to, or exchange with, a domestic corporation of all or substantially all the
assets of another corporation, domestic or foreign, including its name, from having the same corporate name as any of such corporations if at the time such other corporation was organized under the laws of, or is authorized to transact business in, this State.

(3) If the name of a foreign corporation is not available for use in this State because of the prohibitions of subsection 14A:2-2 (1), such corporation may be authorized to transact business in this State under an assumed name which is available for corporate use under this section. Such corporation shall file in the office of the Secretary of State with its application for an original or amended certificate of authority a resolution of its board adopting such assumed name for use in transacting business in this State.

(4) The corporate name of a domestic corporation or nonprofit corporation which has been dissolved shall not be available for corporate use for one year after the effective time of dissolution, unless, within such one-year period, the written consent of such dissolved corporation to the adoption of its name is filed in the office of the Secretary of State with the certificate of incorporation of another domestic corporation or with the application of a foreign corporation for an original or amended certificate of authority to transact business in this State.

(5) The filing in the office of the Secretary of State of the certificate of incorporation of a domestic corporation or the issuance by the Secretary of State of a certificate to a foreign corporation authorizing it to transact business in this State shall not preclude an action by this State to enjoin a violation of this section or an action by any person adversely affected to enjoin such violation or the use of a corporate name in violation of the rights of such person, whether on principles of unfair competition or otherwise. The court in any such action may grant any other appropriate relief.

8. N.J.S. 14A:2-2.1 is amended to read as follows:

Corporate alternate names.

14A:2-2.1. Corporate alternate names.

(1) No domestic corporation, or foreign corporation which transacts business in this State within the meaning of section 14A:13-3, shall transact any business in this State using a name other than its actual name unless

(a) It also uses its actual name in the transaction of any such business in such a manner as not to be deceptive as to its actual identity; or
(b) It has been authorized to transact business in this State, using an assumed name as provided in subsection 14A:2-2(3); or

(c) It has first registered the alternate name as provided in this section.

(2) Any corporation may adopt and use any alternate name, including any which would be unavailable as the name of a domestic or foreign corporation because of the prohibitions of paragraph 14A:2-2(1)(b), but not including a name prohibited as a corporate name by paragraph 14A:2-2(1)(c), by filing a certificate of registration of a corporate alternate name with the Secretary of State executed on behalf of the corporation. The certificate shall set forth

(a) The name, jurisdiction and date of incorporation of the corporation;

(b) The alternate name;

(c) A brief statement of the character or nature of the particular business or businesses to be conducted using the alternate name;

(d) That the corporation intends to use such name in this State;

(e) That the corporation has not previously used the alternate name in this State in violation of this section or, if it has, the month and year in which it commenced such use.

(3) Such a registration shall be effective for five years from the date of filing, unless sooner terminated as provided below, and may be renewed successively for additional five-year periods by filing a certificate of renewal executed on behalf of the corporation at any time within three months prior to, but not later than, the date of expiration of the registration. Not more than four months and not less than one month prior to the date of expiration of the registration, the Secretary of State shall notify the corporation of the date of expiration and the requirements for renewal of the registration. The certificate of renewal shall be effective as of the date of expiration of the earlier registration. The certificate of renewal shall set forth the information required in paragraph 14A:2-2.1(2)(a) through paragraph 14A:2-2.1(2)(d), the date of filing of the certificate of registration then in effect, and that the corporation is continuing to use the alternate name. If a corporation ceases to use an alternate name in this State prior to the expiration date of the five-year registration period, it may file a termination certificate. A termination certificate shall state the name of the corporation, the alternate name for which the corporation has filed a certificate of registration and that the
corporation has ceased to use the registered alternate name. The termination certificate may recite the date upon which the corporation ceased to use the alternate name, but no recital shall be required.

(4) Nothing in this section shall be construed

(a) To grant to the registrant of an alternate name any right in the name as against any prior or subsequent user of the name, regardless of whether used as a trademark, trade name, business name, or corporate name; or

(b) To interfere with the power of any court to enjoin the use of any such name on the basis of the law of unfair competition or on any other basis except the mere fact of identity or similarity of the alternate name to any other corporate name.

(5) A corporation which has used an alternate name in this State contrary to the provisions of this section shall, upon filing a certificate of registration of alternate name or an untimely certificate of renewal, pay to the Secretary of State the filing fee prescribed for such a certificate plus an additional filing fee equal to the full amount of the regular filing fee multiplied by the number of years it has been using such alternate name in violation of this section after August 1, 1974. For purposes of this subsection, any part of a year shall be considered a full year.

(6) The failure of a corporation to file a certificate of registration or renewal of alternate name shall not impair the validity of any contract or act of such corporation and shall not prevent such corporation from defending any action or proceeding in any court of this State, but no such corporation shall maintain any action or proceeding in any court of this State arising out of a contract or act in which it used such alternate name until it has filed such a certificate.

(7) (a) A corporation which files a certificate of registration of alternate name which contains a false statement or omission regarding the date it first used a fictitious name in this State shall, if such false statement or omission reduces the amount of the additional fee it paid or should have paid as provided in subsection 14A:2-2.1(5), forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(b) A corporation which ought to have filed a certificate of registration or renewal of alternate name and fails to do so within 60 days after being notified of its obligation to do so by certified or
registered mail by the Secretary of State, by any other governmental officer, or by any person aggrieved by its failure to do so, shall forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(c) Such penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in such an action in a summary manner or otherwise.

(8) (Deleted by amendment, P.L. 1988, c. 94.)

9. N.J.S. 14A:2-3 is amended to read as follows:

Reserved name.

(1) The exclusive right to the use of a corporate name may be reserved upon compliance with the provisions of this section.

(2) The reservation shall be made by filing in the office of the Secretary of State an application to reserve a specified corporate name, or the first name available for corporate use among not more than three specified names, executed by or on behalf of the applicant and setting forth the name and address of the applicant. If the Secretary of State finds that the name complies with the provisions of section 14A:2-2, he shall reserve it for the exclusive use of the applicant for a period of 120 days from the date of filing of the application and shall issue a certificate of reservation.

(3) The right to the exclusive use of a specified corporate name so reserved may be transferred by filing in the office of the Secretary of State a notice of such transfer, executed by or on behalf of the applicant for whom the name was reserved, and specifying the name and address of the transferee.

(4) The holder of a reserved name may renew the reservation for additional periods of 120 days by filing an application for renewal within the last 30 days of the current reservation period. There shall be no limit upon the number of renewals.

(h) The number of directors constituting the first board and the names and addresses of the persons who are to serve as such directors;

(i) The names and addresses of the incorporators;

(j) The duration of the corporation if other than perpetual; and

(k) If, pursuant to subsection 14A:2-7(2), the certificate of incorporation is to be effective on a date subsequent to the date of filing, the effective date of the certificate.

(2) The certificate of incorporation shall be filed in the office of the Secretary of State. The corporate existence shall begin upon the effective date of the certificate, which shall be the date of the filing or such later time, not to exceed 90 days from the date of filing, as
may be set forth in the certificate. Such filing shall be conclusive evidence that all conditions precedent required to be performed by the incorporators have been complied with and, after the corporate existence has begun, that the corporation has been incorporated under this act, except as against this State in a proceeding to cancel or revoke the certificate of incorporation or for involuntary dissolution of the corporation.

(3) The certificate of incorporation may provide that a director shall not be personally liable, or shall be liable only to the extent therein provided, to the corporation or its shareholders for damages for breach of any duty owed to the corporation or its shareholders, except that such provision shall not relieve a director from liability for any breach of duty based upon an act or omission (a) in breach of such person's duty of loyalty to the corporation or its shareholders, (b) not in good faith or involving a knowing violation of law or (c) resulting in receipt by such person of an improper personal benefit.

11. N.J.S. 14A:3-3 is amended to read as follows:

Guaranty not in furtherance of business interest.

(1) A corporation may give a guaranty not in furtherance of its direct or indirect business interests only when authorized at a meeting of shareholders by the affirmative vote of all of the votes cast by the holders of each class and series of shares entitled to vote thereon. If authorized by such a vote, the guaranty may be secured by a mortgage of or a security interest in all or any part of the corporate property, or any interest therein, wherever situated.

(2) Nothing in subsection 14A:3-3(1) shall be deemed to diminish the rights, if any, of the corporation's creditors.

12. N.J.S. 14A:3-4 is amended to read as follows:

Contributions by corporations.

14A:3-4. Contributions by corporations.

(1) Any corporation organized for any purpose under any general or special law of this State, unless otherwise provided in its certificate of incorporation or by-laws, shall have power, irrespective of corporate benefit, to aid, singly or in cooperation with other corporations and with natural persons, in the creation or maintenance of institutions or organizations engaged in community fund, hospital, charitable, philanthropic, educational, scientific or benevolent activities or patriotic or civic activities conducive to the betterment of social
and economic conditions, and the board may authorize the making of contributions for those purposes in money, securities, including shares of the corporation, or other property; in such reasonable amounts as the board may determine; provided, that a contribution shall not be authorized hereunder if at the time of the contribution or immediately thereafter the donee institution shall own more than 10% of the voting stock of the donor corporation or one of its subsidiaries.

(2) The provisions of this section shall not be construed as directly or indirectly minimizing or interpreting the rights and powers of corporations, as heretofore existing, with reference to appropriations, expenditures or contributions of the nature above specified.

13. N.J.S. 14A:3-5 is amended to read as follows:

Indemnification of directors, officers and employees.

14A:3-5. Indemnification of directors, officers and employees.

(1) As used in this section,

(a) "Corporate agent" means any person who is or was a director, officer, employee or agent of the indemnifying corporation or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a director, officer, trustee, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of any such constituent corporation, or the legal representative of any such director, officer, trustee, employee or agent;

(b) "Other enterprise" means any domestic or foreign corporation, other than the indemnifying corporation, and any partnership, joint venture, sole proprietorship, trust or other enterprise, whether or not for profit, served by a corporate agent;

(c) "Expenses" means reasonable costs, disbursements and counsel fees;

(d) "Liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties;

(e) "Proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to such action, suit or proceeding; and

(f) References to "other enterprises" include employee benefit plans; references to "fines" include any excise taxes assessed on a
person with respect to an employee benefit plan; and references to "serving at the request of the indemnifying corporation" include any service as a corporate agent which imposes duties on, or involves services by, the corporate agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner the person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner "not opposed to the best interests of the corporation" as referred to in this section.

(2) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses and liabilities in connection with any proceeding involving the corporate agent by reason of his being or having been such a corporate agent, other than a proceeding by or in the right of the corporation, if

(a) Such corporate agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation; and

(b) With respect to any criminal proceeding, such corporate agent had no reasonable cause to believe his conduct was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that such corporate agent did not meet the applicable standards of conduct set forth in paragraphs 14A:3-5(2)(a) and 14A:3-5(2)(b).

(3) Any corporation organized for any purpose under any general or special law of this State shall have the power to indemnify a corporate agent against his expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of his being or having been such corporate agent, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation. However, in such proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which such corporate agent shall have been adjudged to be liable to the corporation, unless and only to the extent that the Superior Court or the court in which such proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, such corporate agent is fairly and reasonably entitled to indemnity for such expenses as the Superior Court or such other court shall deem proper.
(4) Any corporation organized for any purpose under any general or special law of this State shall indemnify a corporate agent against expenses to the extent that such corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections 14A:3-5(2) and 14A:3-5(3) or in defense of any claim, issue or matter therein.

(5) Any indemnification under subsection 14A:3-5(2) and, unless ordered by a court, under subsection 14A:3-5(3) may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection 14A:3-5(2) or subsection 14A:3-5(3). Unless otherwise provided in the certificate of incorporation or by-laws, such determination shall be made

(a) By the board of directors or a committee thereof, acting by a majority vote of a quorum consisting of directors who were not parties to or otherwise involved in the proceeding; or

(b) If such a quorum is not obtainable, or, even if obtainable and such quorum of the board of directors or committee by a majority vote of the disinterested directors so directs, by independent legal counsel, in a written opinion, such counsel to be designated by the board of directors; or

(c) By the shareholders if the certificate of incorporation or by-laws or a resolution of the board of directors or of the shareholders so directs.

(6) Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding as authorized by the board of directors upon receipt of an undertaking by or on behalf of the corporate agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified as provided in this section.

(7) (a) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection 14A:3-5(4) or permitted under subsections 14A:3-5(2), 14A:3-5(3) and 14A:3-5(6), a corporate agent may apply to a court for an award of indemnification by the corporation, and such court

(i) may award indemnification to the extent authorized under subsections 14A:3-5(2) and 14A:3-5(3) and shall award indemnification to the extent required under subsection 14A:3-5(4), notwith-
standing any contrary determination which may have been made under subsection 14A:3-5(5); and

(ii) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection 14A:3-5(6), if the court shall find that the corporate agent has by his pleadings or during the course of the proceeding raised genuine issues of fact or law.

(b) Application for such indemnification may be made

(i) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(ii) to the Superior Court in a separate proceeding. If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for such relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in such a manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. Such application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the shareholders and such other persons as it may designate in such manner as it may require.

(8) The indemnification and advancement of expenses provided by or granted pursuant to the other subsections of this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, by-law, agreement, vote of shareholders, or otherwise; provided that no indemnification shall be made to or on behalf of a corporate agent if a judgment or other final adjudication adverse to the corporate agent establishes that his acts or omissions (a) were in breach of his duty of loyalty to the corporation or its shareholders, (b) were not in good faith or involved a knowing violation of law or (c) resulted in receipt by the corporate agent of an improper personal benefit.

(9) Any corporation organized for any purpose under any general or special law of this State shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted against him by reason of his being or having been a corporate agent, whether or not the corporation would have the power to indemnify
him against such expenses and liabilities under the provisions of this section. The corporation may purchase such insurance from, or such insurance may be reinsured in whole or in part by, an insurer owned by or otherwise affiliated with the corporation, whether or not such insurer does business with other insureds.

(10) The powers granted by this section may be exercised by the corporation, notwithstanding the absence of any provision in its certificate of incorporation or by-laws authorizing the exercise of such powers.

(11) Except as required by subsection 14A:3-5(4), no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if such action would be inconsistent with a provision of the certificate of incorporation, a by-law, a resolution of the board of directors or of the shareholders, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

(12) This section does not limit a corporation's power to pay or reimburse expenses incurred by a corporate agent in connection with the corporate agent's appearance as a witness in a proceeding at a time when the corporate agent has not been made a party to the proceeding.

14. N.J.S. 14A:4-2 is amended to read as follows:

Function of registered agent and office; service of process, notice or demand.

14A:4-2. Function of registered agent and office; service of process, notice or demand.

(1) Every registered agent shall be an agent of the corporation which has appointed him, upon whom process against the corporation may be served.

(2) Whenever any law of this State requires or permits any notice or demand to be given to or made upon a domestic corporation or a foreign corporation authorized to transact business in this State, its officers or directors, such notice or demand may be sent by mail or otherwise, as the law may require or permit, to the registered office of the corporation in this State, and such notice so given or demand so made shall be sufficient notice or demand.

(3) The provisions of this section shall not exclude any other
method provided by law for service of process upon a corporation, domestic or foreign, or for service of a notice or demand upon such corporation, its officers or directors.

(4) (Deleted by amendment, P.L. 1988, c. 94.)

15. N.J.S. 14A:4-4 is amended to read as follows:

Resignation of registered agent.

14A:4-4. Resignation of registered agent.

(1) The registered agent of a domestic corporation or a foreign corporation authorized to transact business in this State may resign by complying with the provisions of this section.

(2) The registered agent shall serve a notice of resignation by certified mail, return receipt requested, upon the president, or any vice president, or the secretary or treasurer of the corporation at the address last known to the agent, and shall make an affidavit of such service. The notice shall also advise the recipient of the requirements of subsection 14A:4-3(1) and the penalties for failure to comply imposed by subsection 14A:4-3(4). If such service cannot be made, the affidavit shall so state, and shall state briefly why such service cannot be made. The affidavit, together with a copy of the notice of resignation, shall be filed in the office of the Secretary of State.

(3) Such resignation shall become effective upon the expiration of 30 days after the filing in the office of the Secretary of State of the affidavit under this section or upon the designation by the corporation of a new registered agent pursuant to this act, whichever is earlier. If the corporation fails to designate a new registered agent within said 30-day period, the corporation shall thereafter be deemed to have no registered agent or registered office in this State.

(4) Service of a notice of resignation shall be in lieu of and shall be deemed to be the written demand of the Secretary of State required by subsection 14A:4-3(4).

16. N.J.S. 14A:4-5 is amended to read as follows:

Annual report to Secretary of State.

14A:4-5. Annual report to Secretary of State.

(1) Every domestic corporation and every foreign corporation authorized to transact business in this State shall file in the office of the Secretary of State, within the time prescribed by this section, an annual report, executed on behalf of the corporation, or executed by the registered agent, setting forth
(a) The name of the corporation and, in the case of a foreign corporation, the jurisdiction of its incorporation;

(b) The address of the registered office of the corporation in this State, and the name of its registered agent in this State at such address;

(c) The names and addresses of the directors and officers of the corporation;

(d) (Deleted by amendment, P.L. 1988, c. 94.)

(e) The address of its main business or headquarters office; and

(f) The address of its principal business office in New Jersey, if any.

(2) The Secretary of State shall designate a date for filing annual reports for each corporation required to submit a report pursuant to this section and shall annually notify the corporation of the date so designated not less than 60 days prior to such date. The corporation shall file the report within 30 days before or 30 days after the date so designated. If the date so designated is not more than six months after the date on which an annual report pursuant to the provisions of prior law was filed or on which the certificate of incorporation became effective, the corporation shall not be required to file an annual report until one year after the first occurrence of the date so designated.

(3) If the report is not so filed, the corporation shall, after written demand therefor by the Secretary of State by certified mail addressed to the corporation at the last address appearing of record in his office, forfeit to the State a penalty of $200.00 for each report required to have been filed not more than five years prior thereto and remaining unfiled, to be recovered with costs in a civil action prosecuted by the Attorney General. No corporation shall be subject to penalty if it shall, within 30 days after such written demand, file the reports required by law and pay to the Secretary of State the fee provided by law for the filing of each such report. In lieu of such civil action, the Secretary of State, after expiration of such 30-day period, may issue a certificate to the Clerk of the Superior Court that the corporation is indebted for the payment of such penalty, and thereupon the clerk shall immediately enter upon his record of docketed judgments the name of such corporation as the judgment debtor, and of the State as the judgment creditor, a statement that the penalty is imposed under this section, the amount of the penalty, and the date
of such certificate. Such entry shall have the same force as a judgment docketed in the Superior Court. The Secretary of State within five days after such entry shall give notice thereof to the corporation by certified mail addressed to the corporation at the last address appearing of record in his office.

(4) The Secretary of State shall furnish annual report forms, shall keep in his office all such reports and shall prepare an alphabetical index thereof, which reports and index shall be open to public inspection at proper hours.

(5) In the event a domestic corporation fails to file an annual report for two consecutive years with the Secretary of State, then, after written notice by certified mail to the corporation at its last known main business or headquarters office and at the address of its registered agent, the Secretary of State may issue a proclamation declaring that the certificate of incorporation of the corporation has been revoked and that all powers conferred by law upon it shall thereafter be inoperative and void. The proclamation of the Secretary of State shall be filed in the office of the Secretary of State. No corporation's certificate of incorporation shall be revoked pursuant to this subsection if, within 30 days after the giving of notice, it files the reports required by law and pays to the Secretary of State all of the fees due for the filing of the reports and all penalties which have been imposed pursuant to subsection (3).

(6) In the event a foreign corporation fails to file an annual report for two consecutive years with the Secretary of State, then, after written notice by certified mail to the corporation at its last known main business or headquarters office and at the address of its registered agent, the Secretary of State may issue a proclamation declaring that the certificate of authority to do business of the corporation and the powers conferred by law upon it shall be revoked. The proclamation of the Secretary of State shall be filed in the office of the Secretary of State. No corporation's certificate of authority shall be revoked pursuant to this paragraph if, within 30 days after the giving of notice, it files the reports required by law and pays to the Secretary of State all of the fees due for the filing of the reports and all penalties which have been imposed pursuant to subsection (3).

(7) If the certificate of incorporation of a domestic corporation or a certificate of authority of a foreign corporation has been revoked by proclamation, the certificate shall be reinstated by proclamation of the Secretary of State upon: (a) payment by the corporation of all fees and fines due to the Secretary of State and (b) certification
of the Director of the Division of Taxation that no cause exists for revocation of the corporation's certificate of incorporation or certificate of authority pursuant to R.S. 54:11-2. The reinstatement relates back to the date of issuance of the proclamation revoking the certificate of incorporation or the certificate of authority and shall validate all actions taken in the interim. In the event that in the interim the corporate name has become unavailable, the Secretary of State shall issue the certificate upon, in the case of a domestic corporation, the filing of an amendment to its certificate of incorporation to change the corporate name to an available name, and, in the case of a foreign corporation, the filing of an amended certificate of authority adopting an assumed name.

17. N.J.S. 14A:5-8 is amended to read as follows:

Voting list.

(1) The officer or agent having charge of the stock transfer books for shares of a corporation shall make a complete list of the shareholders entitled to vote at a shareholders' meeting or any adjournment thereof. A list required by this subsection may consist of cards arranged alphabetically or any equipment which permits the visual display of the information required by this section. Such list shall

(a) Be arranged alphabetically within each class, series, or group of shareholders maintained by the corporation for convenience of reference, with the address of, and the number of shares held by, each shareholder;

(b) Be produced (or available by means of a visual display) at the time and place of the meeting;

(c) Be subject to the inspection of any shareholder for reasonable periods during the meeting; and

(d) Be prima facie evidence as to who are the shareholders entitled to examine such list or to vote at any meeting.

(2) If the requirements of this section have not been complied with, the meeting shall, on the demand of any shareholder in person or by proxy, be adjourned until the requirements are complied with. Failure to comply with the requirements of this section shall not affect the validity of any action taken at such meeting prior to the making of any such demand.

18. N.J.S. 14A:5-12 is amended to read as follows:
Greater voting requirements.

14A:5-12. Greater voting requirements.

(1) The provisions of the certificate of incorporation shall control whenever, with respect to any action to be authorized by the shareholders of a corporation, including the election of directors, the certificate of incorporation requires the affirmative vote of a greater proportion of the votes cast, including a unanimous vote, by the holders of shares entitled to vote thereon, or by the holders of shares of any class or series thereof, than is required by this act with respect to such action.

(2) An amendment of the certificate of incorporation which changes or deletes such a provision shall be authorized by the same vote as would be required to take action under the provision.

19. N.J.S. 14A:5-13 is amended to read as follows:

Shares owned or controlled by the corporation not voted or counted.

14A:5-13. Shares owned or controlled by the corporation not voted or counted.

A corporation holding its own shares shall not vote those shares at any meeting and those shares shall not be counted in determining the total number of outstanding shares at any given time. If the corporation holds a majority of the shares entitled to vote for the election of directors of another domestic corporation or a foreign corporation, shares of the corporation held by such other domestic corporation or foreign corporation shall not be voted at any meeting or counted in determining the total number of outstanding shares at any given time.

20. N.J.S. 14A:5-19 is amended to read as follows:

Proxy voting.

(1) Every shareholder entitled to vote at a meeting of shareholders or to express consent without a meeting may authorize another person or persons to act for him by proxy. Every proxy shall be executed in writing by the shareholder or his agent, except that a proxy may be given by a shareholder or his agent by telegram or cable or by any means of electronic communication which results in a writing. No proxy shall be valid for more than 11 months, unless a longer time is expressly provided therein. Unless it is irrevocable as provided in subsection 14A:5-19(3), a proxy shall be revocable at will. The grant of a later proxy revokes any earlier proxy unless the
earlier proxy is irrevocable. A proxy shall not be revoked by the death or incapacity of the shareholder, but the proxy shall continue to be in force until revoked by the personal representative or guardian of the shareholder. The presence at any meeting of any shareholder who has given a proxy does not revoke the proxy unless the shareholder files written notice of the revocation with the secretary of the meeting prior to the voting of the proxy or votes the shares subject to the proxy by written ballot.

(2) A person named in a proxy as the attorney or agent of a shareholder may, if the proxy so provides, substitute another person to act in his place, including any other person named as an attorney or agent in the same proxy. The substitution shall not be effective until an instrument effecting it is filed with the secretary of the corporation.

(3) A proxy which states that it is irrevocable is irrevocable if coupled with an interest either in the stock itself or in the corporation and, in particular and without limitation, if it is held by any of the following or a nominee of any of the following:

(a) A pledgee;

(b) A person who has purchased or agreed to purchase the shares;

(c) A creditor of the corporation who has extended credit or has agreed to continue to extend credit to the corporation if the proxy is given in consideration of the extension or continuation;

(d) A person who has agreed to perform services as an employee of the corporation if the proxy is given in consideration of the agreement; or

(e) A person designated pursuant to the terms of an agreement as to voting between two or more shareholders.

An irrevocable proxy becomes revocable when the interest which supports the proxy has terminated.

(4) Unless noted conspicuously on the share certificate, an otherwise irrevocable proxy may be revoked by a person who becomes the holder of the shares without actual knowledge of the restriction.

21. N.J.S. 14A:5-21 is amended to read as follows:

Agreements as to voting; provision in certificate of incorporation as to control of directors.

14A:5-21. Agreements as to voting; provision in certificate of incorporation as to control of directors.
(1) An agreement between two or more shareholders, if in writing and signed by the parties thereto, may provide that in exercising any voting rights, the shares held by them shall be voted as therein provided, or as they may agree, or as determined in accordance with a procedure agreed upon by them. Those agreements shall be specifically enforceable.

(2) A provision in the certificate of incorporation otherwise prohibited by law because it improperly restricts the board in its management of the business of the corporation, or improperly transfers or provides for the transfer to one or more persons named in the certificate of incorporation or to be selected from time to time by shareholders, all or any part of such management otherwise within the authority of the board, shall nevertheless be valid if all the incorporators have authorized such provision in the certificate of incorporation or the holders of record of all outstanding shares, whether or not having voting power, have authorized such provision in an amendment to the certificate of incorporation. If all management powers otherwise within the authority of the board are so transferred, the certificate of incorporation may provide that the corporation shall not have a board in which case the certificate of incorporation and any other certificate or document requiring a statement of the number, names, and addresses of directors shall set out in lieu thereof the name, address, and title, if any, of the person or persons in whom such management authority is then vested.

(3) A provision authorized by subsection 14A:5-21(2) shall become invalid if, to the knowledge of the board, or of the person or persons having the management authority otherwise in the board,

(a) Subsequent to the adoption of such provision, shares are transferred or issued to any person who takes delivery of the share certificate without notice thereof, unless such person consents in writing to such provisions; or

(b) Any shares of the corporation are listed on a national securities exchange or regularly quoted in an over-the-counter market by one or more members of a national or affiliated securities association.

(4) If a provision authorized by subsection 14A:5-21(2) shall have become invalid as provided in subsection 14A:5-21(3), the board, or the person or persons having the management authority otherwise in the board, shall amend the certificate of incorporation to delete such provision by filing a certificate of amendment in the office of the Secretary of State. The certificate shall be executed on behalf of the corporation and shall set forth
(a) The name of the corporation;
(b) The date of the adoption of the amendment;
(c) The deleted provision; and
(d) The event set forth in subsection 14A:5-21(3) by reason of which the provision has become invalid.

(5) The effect of any provision authorized by subsection 14A:5-21(2) shall be to relieve the directors, if any, and grant to and impose upon, the person or persons vested with management authority otherwise in the board the rights, powers, privileges, and liabilities, including liability for managerial acts or omissions, that are granted to and imposed upon directors by law to the extent that, and so long as, the discretion and powers which otherwise would be in the directors in their management of corporate affairs are vested in such person or persons by any such provision. Such person or persons shall be deemed to be directors for purposes of applying the provisions of this act and shall be deemed to be corporate agents for the purposes of section 14A:3-5.

(6) If the certificate of incorporation contains a provision authorized by subsection 14A:5-21(2), the existence of such provision shall be noted conspicuously on the face of every certificate for shares issued by such corporation, and each holder of such certificate shall conclusively be deemed to have taken delivery with notice of such provision.

(7) As used in this section, "person" shall include a natural person, a domestic or foreign corporation, a partnership, limited partnership, trust, firm, society, association, joint stock company, or any other entity legally competent to contract in its own name.

22. N.J.S. 14A:5-28 is amended to read as follows:

Books and records; right of inspection.

(1) Each corporation shall keep books and records of account and minutes of the proceedings of its shareholders, board and executive committee, if any. Unless otherwise provided in the bylaws, such books, records and minutes may be kept outside this State. The corporation shall keep at its principal office, its registered office, or at the office of its transfer agent, a record or records containing the names and addresses of all shareholders, the number, class and series of shares held by each and the dates when they respectively became
the owners of record thereof. Any of the foregoing books, minutes or records may be in written form or in any other form capable of being converted into readable form within a reasonable time. A corporation shall convert into readable form without charge any such records not in such form, upon the written request of any person entitled to inspect them.

(2) Upon the written request of any shareholder, the corporation shall mail to such shareholder its balance sheet as at the end of the preceding fiscal year, and its profit and loss and surplus statement for such fiscal year.

(3) Any person who shall have been a shareholder of record of a corporation for at least six months immediately preceding his demand, or any person holding, or so authorized in writing by the holders of, at least 5% of the outstanding shares of any class or series, upon at least five days' written demand shall have the right for any proper purpose to examine in person or by agent or attorney, during usual business hours, its minutes of the proceedings of its shareholders and record of shareholders and to make extracts therefrom, at the places where the same are kept pursuant to subsection 14A:5-28(1).

(4) Nothing herein contained shall impair the power of any court, upon proof by a shareholder of proper purpose, irrespective of the period of time during which the shareholder shall have been a shareholder of record, and irrespective of the number of shares held by him, to compel the production for examination by such shareholder of the books and records of account, minutes, and record of shareholders of a corporation. The court may, in its discretion prescribe any limitations or conditions with reference to the inspection, or award any other or further relief as the court may deem just and proper. The court may order books, documents and records, pertinent extracts therefrom, or duly authenticated copies thereof, to be brought within this State and kept in this State upon whatever terms and conditions as the order may prescribe. In any action for inspection the court may proceed summarily.

(5) Holders of voting trust certificates representing shares of the corporation shall be regarded as shareholders for the purpose of this section.

23. N.J.S. 14A:5-29 is amended to read as follows:

Preemptive rights.

14A:5-29. Preemptive rights.
(1) The shareholders of corporations organized after January 1, 1969 shall not have preemptive rights unless the certificate of incorporation provides otherwise. The shareholders of corporations organized prior to January 1, 1969 shall have preemptive rights unless the certificate of incorporation provides otherwise. Any corporation may alter or abrogate preemptive rights by amendment to its certificate of incorporation.

(2) Any corporation may elect to grant its shareholders preemptive rights. An election may be made by including in the certificate of incorporation a statement to the effect that the shareholders shall have preemptive rights.

(3) Unless otherwise provided in the certificate of incorporation, the effect of shareholders having preemptive rights shall be as follows:

(a) Upon the issuance for cash of shares, or options to purchase shares, of the same class as those held by a shareholder, the shareholder shall have a right to acquire a pro rata portion of such shares or options so issued according to the number of shares of such class held by him. Such preemptive right shall extend to shares, obligations or other securities, however described, which are convertible into shares of the same class as those held by the shareholder.

(b) Shares, obligations or other securities of the corporation which are subject to preemptive rights as herein provided shall not be deemed to be issued for cash within the meaning of this section if cash constitutes only a part of the consideration received by the corporation.

(c) A shareholder may waive his preemptive right; a waiver of a preemptive right, when evidenced by a writing, shall be binding upon the shareholder notwithstanding it is given without consideration.

(d) No shareholder shall have a preemptive right to acquire shares, obligations or other securities as herein provided, which

(i) are issued pursuant to a plan of merger or consolidation;

(ii) are issued pursuant to subsection 14A:7-7(2) or Chapter 8 of this act;

(iii) are issued to satisfy conversion or option rights, however evidenced, granted by the corporation;

(iv) are issued pursuant to a plan of reorganization approved by a court pursuant to a statute of this State or of the United States; or
(v) are part of the shares, obligations or other securities authorized in the original certificate of incorporation and are issued within six months from the effective date of such certificate.

(e) Upon the proposed issuance of shares, obligations or other securities subject to preemptive rights, the board shall cause notice to be given to each shareholder of record entitled to preemptive rights. The notice shall set forth

(i) the amount of shares, obligations or other securities with respect to which the shareholder has a preemptive right and the method used to determine that amount;

(ii) the price and other terms and conditions upon which the shareholder may purchase such shares, obligations or other securities; and

(iii) the time within which and the method by which the shareholder must exercise the right.

The notice shall be given at least 30 days prior to the time within which the shareholder must exercise the right.

(f) Shares, obligations or other securities subject to preemptive rights, which are not acquired by shareholders in the exercise of their preemptive rights may, for a period not exceeding one year after the date limited by the directors for the exercise of such preemptive rights, be issued, sold, or optioned to such person or persons as the board may determine, at a price not less than that at which they were offered to such shareholders. Any such shares, obligations or other securities not so issued, sold or optioned during such one-year period, shall at the expiration of such period again be subject to preemptive rights of shareholders.

24. N.J.S. 14A:6-1 is amended to read as follows:

Board of directors.

14A:6-1. Board of directors.

The business and affairs of a corporation shall be managed by or under the direction of its board, except as in this act or in its certificate of incorporation otherwise provided. Directors shall be at least 18 years of age and need not be United States citizens or residents of this State or shareholders of the corporation unless the certificate of incorporation or by-laws so require. The certificate of incorporation or by-laws may prescribe other qualifications for directors.
25. N.J.S. 14A:6-3 is amended to read as follows:

**Term of directors; resignation.**

(1) The directors named in the certificate of incorporation shall hold office until the first annual meeting of shareholders, and until their successors shall have been elected and qualified. At the first annual meeting of shareholders and at each annual meeting thereafter the shareholders shall elect directors to hold office until the next succeeding annual meeting, except in case of the classification of directors pursuant to subsection 14A:6-4(1) and in the case of directors whose terms expire as provided for in subsection 14A:6-4(2). Each director shall hold office for the term for which he is elected and until his successor shall have been elected and qualified.

(2) A director may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at such subsequent time as shall be specified in the notice of resignation.

26. N.J.S. 14A:6-4 is amended to read as follows:

**Classification of directors; restriction of right to choose directors.**

14A:6-4. Classification of directors; restriction of right to choose directors.

(1) A corporation may provide in its certificate of incorporation for the classification of its directors in respect to the time for which they shall severally hold office, but no class of directors shall hold office for a term shorter than one year or longer than five years, and the term of office of at least one class shall expire in each year. No classification of directors shall be effective prior to the first annual meeting of shareholders.

(2) Any corporation having more than one class or series of shares may provide in its certificate of incorporation for the election of one or more directors by the shareholders of any class or series, to the exclusion of other shareholders. The certificate of incorporation may grant shareholders of a class or series of shares the right to elect one or more directors upon the occurrence of stated events for a specific term or a term ending upon the occurrence of stated events.

27. N.J.S. 14A:6-5 is amended to read as follows:

**Vacancies and newly created directorships.**

14A:6-5. Vacancies and newly created directorships.
(1) Unless otherwise provided in the certificate of incorporation or the by-laws, any directorship not filled at the annual meeting, any vacancy, however caused, occurring in the board, and newly created directorships resulting from an increase in the authorized number of directors may be filled by the affirmative vote of a majority of the remaining directors even though less than a quorum of the board, or by a sole remaining director. A director so elected by the board shall hold office until the next succeeding annual meeting of shareholders and until his successor shall have been elected and qualified.

(2) Unless otherwise provided in the certificate of incorporation or by-laws, when one or more directors shall resign from the board effective at a future date, a majority of the directors, then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as herein provided in the filling of other vacancies.

(3) Any directorship not filled by the board may be filled by the shareholders at an annual meeting or at a special meeting of shareholders called for that purpose.

(4) If by reason of death, resignation or other cause a corporation has no directors in office, any shareholder or the executor or administrator of a deceased shareholder may call a special meeting of shareholders for the election of directors and, over his own signature, shall give notice of said meeting in accordance with section 14A:5-4 except to the extent that such notice is waived pursuant to section 14A:5-5.

28. N.J.S. 14A:6-6 is amended to read as follows:

Removal of directors.

(1) One or more or all the directors of a corporation may be removed for cause or, unless otherwise provided in the certificate of incorporation, without cause by the shareholders by the affirmative vote of the majority of the votes cast by the holders of shares entitled to vote for the election of directors.

(2) Unless otherwise provided in the certificate of incorporation, the removal of directors, with or without cause, by vote of the shareholders as provided in subsection 14A:6-6(1), is subject to the following qualifications

(a) In any case where cumulative voting is authorized, if less than
the total number of directors then serving on the board is to be
removed by the shareholders, no one of the directors may be so
removed if the votes cast against his removal would be sufficient to
elect him if then voted cumulatively at an election of the entire
board; or, if there are classes of directors, at an election of the class
of directors of which he is a part;

(b) A director elected by a class vote, as authorized by subsection
14A:6-4(2), may be removed only by a class vote of the holders of
shares entitled to vote for his election;

(c) If the certificate of incorporation requires a greater vote than
a plurality of the votes cast for the election of directors, no director
may be removed except by the greater vote required to elect him; and

(d) Shareholders of a corporation whose board of directors is
classified as provided in subsection 14A:6-4(1) shall not be entitled
to remove directors without cause.

(3) The certificate of incorporation or a by-law adopted by the
shareholders may provide that the board shall have the power to
remove directors for cause and to suspend directors pending a final
determination that cause exists for removal.

(4) The Superior Court, in an action in which the court may
proceed in a summary manner or otherwise, may review the removal
or suspension of a director for cause.

(5) No act of the board done during the period when a director
has been suspended or removed for cause shall be impugned or
invalidated solely on account of the suspension or removal if the
suspension or removal is thereafter rescinded by the shareholders or
by the board or by the final judgment of the court.

29. Section 14A:6-7.1 is added to the New Jersey Statutes as
follows:

Directors' voting; quorum of board of directors and committees; action of board and
committees; action of directors without a meeting.

14A:6-7.1. Directors' voting; quorum of board of directors and
committees; action of board and committees; action of directors
without a meeting.

(1) Each director shall have one vote at meetings of the board
or at meetings of board committees unless the certificate of incorpo-
ration provides the director is entitled to more than one vote pursuant
to a provision in the certificate of incorporation consistent with subsection 14A:6-7.1(2).

(2) The certificate of incorporation may provide either that one or more directors elected by the holders of shares of a class or series shall have more than one vote or that the shareholders at an annual or special meeting shall have the right to designate one or more directors who shall have more than one vote. The certificate of incorporation shall also specify either the number of votes which those directors shall have or that the shareholders electing those directors shall have the right to specify the number of votes which the directors shall have. Any person appointed by the board to fill a vacancy of a directorship with more than one vote shall have only one vote unless otherwise provided by the certificate of incorporation. If a director has more than one vote as provided in this subsection, any reference in this act to the vote or act of a majority of the board, of the directors, or of the entire board, or similar language, means the vote or act of directors who are entitled to cast a majority of the votes.

(3) The participation of directors with a majority of the votes of the entire board, or of any committee thereof, shall constitute a quorum for the transaction of business, unless the certificate of incorporation or the by-laws provide that a greater or lesser proportion shall constitute a quorum, which in no case shall be less than one-third of the votes of the entire board or committee.

(4) Any action approved by a majority of the votes of directors present at a meeting at which a quorum is present shall be the act of the board or of the committee, unless this act, or the certificate of incorporation, or the by-laws require a greater proportion, including a unanimous vote.

(5) Unless otherwise provided by the certificate of incorporation or by-laws, any action required or permitted to be taken pursuant to authorization voted at a meeting of the board or any committee thereof, may be taken without a meeting if, prior or subsequent to the action, all members of the board or of such committee, as the case may be, consent thereto in writing and the written consents are filed with the minutes of the proceedings of the board or committee. Such consent shall have the same effect as a unanimous vote of the board or committee for all purposes, and may be stated as a unanimous vote in any certificate or other document filed with the Secretary of State.

30. N.J.S. 14A:6-8 is amended to read as follows:
Director conflicts of interest.

14A:6-8. Director conflicts of interest.

(1) No contract or other transaction between a corporation and one or more of its directors, or between a corporation and any domestic or foreign corporation, firm or association of any type or kind in which one or more of its directors are directors or are otherwise interested, shall be void or voidable solely by reason of such common directorship or interest, or solely because such director or directors are present at the meeting of the board or a committee thereof which authorizes or approves the contract or transaction, or solely because his or their votes are counted for such purpose, if any one of the following is true:

(a) The contract or other transaction is fair and reasonable as to the corporation at the time it is authorized, approved or ratified; or

(b) The fact of the common directorship or interest is disclosed or known to the board or committee and the board or committee authorizes, approves, or ratifies the contract or transaction by unanimous written consent, provided at least one director so consenting is disinterested, or by affirmative vote of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or

(c) The fact of the common directorship or interest is disclosed or known to the shareholders, and they authorize, approve or ratify the contract or transaction.

(2) Common or interested directors may be counted in determining the presence of a quorum at a board or committee meeting at which a contract or transaction described in subsection 14A:6-8(1) is authorized, approved or ratified.

(3) The board, by the affirmative vote of a majority of directors in office and irrespective of any personal interest of any of them, shall have authority to establish reasonable compensation of directors for services to the corporation as directors, officers, or otherwise.

31. N.J.S. 14A:6-10 is amended to read as follows:

Place and notice of directors' meetings.

14A:6-10. Place and notice of directors' meetings.

(1) Meetings of the board may be held either within or without this State, unless otherwise provided by the certificate of incorporation or the by-laws.
(2) Regular meetings of the board may be held with or without notice as prescribed in the by-laws. Special meetings of the board shall be held upon such notice as is prescribed in the by-laws. Notice of any meeting need not be given to any director who signs a waiver of notice, whether before or after the meeting. The attendance of any director at a meeting without protesting prior to the conclusion of the meeting the lack of notice of such meeting shall constitute a waiver of notice by him. Neither the business to be transacted at, nor the purpose of, any meeting of the board need be specified in the notice or waiver of notice of such meeting unless required by the by-laws. Notice of an adjourned meeting need not be given if the time and place are fixed at the meeting adjourning and if the period of adjournment does not exceed ten days in any one adjournment.

(3) Where appropriate communication facilities are reasonably available, any or all directors shall have the right to participate in all or any part of a meeting of the board or a committee of the board by means of conference telephone or any means of communication by which all persons participating in the meeting are able to hear each other, unless otherwise provided in the certificate of incorporation or the by-laws.

32. N.J.S. 14A:6-11 is amended to read as follows:

Loans to directors, officers or employees.

14A:6-11. Loans to directors, officers or employees.

A corporation may lend money to, or guarantee any obligation of, or otherwise assist, any director, officer or employee of the corporation or of any subsidiary, whenever, in the judgment of the directors, such loan, guarantee or assistance may reasonably be expected to benefit the corporation. The loan, guarantee or other assistance may be made with or without interest, and may be unsecured, or secured in such manner as the board shall approve, including, without limitation, a pledge of shares of the corporation, and may be made upon such other terms and conditions as the board may determine.

33. N.J.S. 14A:6-14 is amended to read as follows:

Liability of directors; reliance on records and reports.

14A:6-14. Liability of directors; reliance on records and reports.

(1) Directors and members of any committee designated by the board shall discharge their duties in good faith and with that degree of diligence, care and skill which ordinarily prudent people would exercise under similar circumstances in like positions.
(2) In discharging their duties, directors and members of any committee designated by the board shall not be liable if, acting in good faith, they rely

(a) Upon the opinion of counsel for the corporation;

(b) Upon written reports setting forth financial data concerning the corporation and prepared by an independent public accountant or certified public accountant or firm of such accountants;

(c) Upon financial statements, books of account or reports of the corporation represented to them to be correct by the president, the officer of the corporation having charge of its books of account, or the person presiding at a meeting of the board; or

(d) Upon written reports of committees of the board.

(3) A director shall not be personally liable to the corporation or its shareholders for damages for breach of duty as a director if and to the extent that such liability has been eliminated or limited by a provision in the certificate of incorporation authorized by subsection (3) of N.J.S. 14A:2-7.

34. N.J.S. 14A:6-16 is amended to read as follows:

Removal and resignation of officers; filling of vacancies.

(1) Any officer elected by the board may be removed by the board with or without cause. An officer elected by the shareholders may be removed, with or without cause, only by vote of the shareholders but his authority to act as an officer may be suspended by the board for cause. The removal of an officer shall be without prejudice to his contract rights, if any. Election of an officer shall not of itself create contract rights.

(2) An officer may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at such subsequent time as shall be specified in the notice of resignation.

(3) Any vacancy occurring among the officers, however caused, shall be filled in the manner provided in the by-laws. In the absence of such provision, any vacancy shall be filled by the board.

35. N.J.S. 14A:7-3 is amended to read as follows:

Subscriptions for shares.

(1) Unless otherwise provided by the subscription agreement or unless all of the subscribers consent to the revocation of such subscription, a subscription for shares of a corporation to be formed shall be irrevocable for a period of six months if no certificate of incorporation shall be filed within such period. If the certificate of incorporation is filed within such period, or if it is filed at any later time before revocation, such subscription shall also be irrevocable until 60 days after the filing of the certificate of incorporation. Subscriptions for shares, whether made before or after the organization of a corporation, shall be accepted or rejected by the board, unless the certificate of incorporation or the by-laws require action by the shareholders.

(2) A subscription agreement, whether made before or after the formation of a corporation, shall not be enforceable unless it satisfies the requirements provided in N.J.S. 12A:8-319 with respect to a contract for the sale of securities.

(3) A subscriber shall not become a holder of any shares for which the full consideration has not been paid. Unless otherwise provided by the subscription agreement

(a) Any payment made by the subscriber, in accordance with the subscription agreement or as called for by the board, shall be applied to pay the full consideration for as many whole shares as possible and any remaining balance of such payment shall be applied as part payment of a share;

(b) A share certificate shall be registered in the name of the subscriber for the number of shares so paid for in full; and

(c) The corporation shall be entitled to retain such share certificate as security for the performance by the subscriber of his obligations under the subscription agreement and subject to the power of sale or rescission upon default provided in paragraphs 14A:7-3(5)(b) and 14A:7-3(5)(c).

(4) Unless otherwise provided by the subscription agreement

(a) Subscriptions for shares, whether made before or after the organization of a corporation, shall be paid in full at such time, or in such installments and at such times, as shall be determined by the board;

(b) Any call made by the board for payment on subscriptions shall be uniform as to all shares of the same class or to all shares of the same series, as the case may be;
712  CHAPTER 94, LAWS OF 1988

(c) All such calls for payments on subscriptions shall be upon 30 days' notice thereof and of the time and place of payment, which notice shall be given personally or by registered or certified mail.

(5) In the event of default in the payment of any installment or call or other amount due under the terms of the subscription agreement, including any amount which may become due as a result of a default in the performance of any provision thereof, the corporation shall have the following rights and duties:

(a) It may proceed to collect the amount due in the same manner as any other debt owing to it. At any time before full satisfaction of the claim or any judgment therefor, it may proceed as provided in paragraph 14A:7-3(5)(b).

(b) It may sell the shares in any reasonable manner. Notice of the time and place of any public sale or of the time after which any private sale may be had, together with a statement of the amount due upon each share, shall be given in writing to the subscriber personally or by registered or certified mail at least 20 days before any such time stated in the notice. Unless otherwise provided in the subscription agreement, the corporation may not be the purchaser at any sale. Any excess of net proceeds realized over the amount due plus interest shall be paid over to the subscriber. If the sale is made in good faith, in a reasonable manner and upon the notice required by this paragraph, the corporation may recover the difference between the amount due plus interest and the net proceeds of the sale. A good faith purchaser for value shall acquire title to the sold shares free of any rights of the subscriber even though the corporation fails to comply with one or more of the requirements of this subsection.

(c) It may rescind the subscription, with the effect provided in subsection 14A:7-3(6), and may recover damages for breach of contract. Unless special circumstances show proximate damages of a different amount, the measure of damages shall be the difference between the market price at the time and place for tender of the shares and the unpaid contract price. Liquidated damages may be provided for in the subscription agreement in an amount which is reasonable under the circumstances, including the difficulties of proof of loss. The subscriber shall be entitled to restitution of any amount by which the sum of his payments exceeds the corporation's damages for breach of contract, whether fixed by agreement or judgment.

The rights and duties set forth in subsection 14A:7-3(5) shall be
interpreted as cumulative so far as is consistent with the purpose of entitling the corporation to a full and single recovery of the amount due or its damages. The subscription agreement may limit the rights and remedies of the corporation set forth in subsection 14A:7-3(5), and may add to them so far as is consistent with the preceding sentence.

(6) The rescission by the corporation of a subscription under which a portion of the shares subscribed for have been issued and in which the corporation retains a security interest, as provided in subsection 14A:7-3(3), shall effect the cancellation of such shares.

(7) A contract made with a corporation to purchase its shares is a subscription agreement and not an executory contract to purchase shares, unless otherwise provided in the agreement.

36. N.J.S. 14A:7-4 is amended to read as follows:

Consideration for shares.

(1) Subject to any restriction contained in the certificate of incorporation, shares may be issued for such consideration as shall be fixed from time to time by the board or as shall be determined in accordance with a general formula or at not less than such minimum consideration as the board shall authorize.

(2) The shareholders may reserve in the certificate of incorporation the right to fix the consideration to be received for shares. If such right is reserved as to any shares, the shareholders shall either fix the consideration to be received for such shares or authorize the board to fix such consideration.

(3) (Deleted by amendment, P.L. 1988, c. 94.)

(4) (Deleted by amendment, P.L. 1988, c. 94.)

(5) (Deleted by amendment, P.L. 1988, c. 94.)

(6) A good faith judgment of the board of directors or the shareholders, as the case may be, as to the value of the consideration is conclusive.

37. N.J.S. 14A:7-5 is amended to read as follows:

Payment for shares; nonassessability.
14A:7-5. Payment for shares; nonassessability.

(1) Subject to any restrictions contained in the certificate of incorporation, the consideration for the issuance of shares may be paid,
in whole or in part, in: (a) money, (b) real property, (c) tangible or intangible personal property, including stock of another corporation, and obligations of the subscriber or of another person, whether secured or unsecured, (d) labor or services actually performed for the corporation or in its formation, or (e) labor or services to be performed in the future for the corporation. A new employee's termination of employment with a prior employer or the employee's acceptance of employment with the corporation is adequate consideration for the issuance of shares.

(2) When payment of the full consideration for which shares are to be issued is made, the subscriber shall thereupon become entitled to all the rights and privileges of a holder of such shares, including the registration in his name of a certificate representing them, and such shares shall be fully paid and nonassessable.

38. N.J.S. 14A:7-6 is amended to read as follows:

Redeemable shares.

14A:7-6. Redeemable shares.

(1) A corporation may provide in its certificate of incorporation for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the corporation in cash, its bonds or other property, at such price or prices, within such period or periods, and under such conditions as are stated in the certificate of incorporation. A sinking fund may be created for the redemption of any class or series of redeemable shares.

(2) A corporation which is an open-end investment company, as defined in an Act of Congress entitled "Investment Company Act of 1940," as amended or supplemented, or any act adopted in substitution therefor, may, if its certificate of incorporation so provides and upon compliance with that act, issue shares which are redeemable at the option of the holder at a price approximately equal to the shares' proportionate interest in the net assets of the corporation, and a shareholder may compel redemption of such shares in accordance with their terms.

(3) A corporation may provide, in its certificate of incorporation for one or more classes or series of shares which are redeemable, in whole or in part, at the option of the shareholder. Subject to the restrictions imposed by section 14A:7-16, such shares may be redeemable in cash, bonds of the corporation or other property, at such price or prices, as are fixed, or established by formula, within such period or periods and under such conditions as are stated in the
certificate of incorporation, and such shares may also be redeemable at the option of the corporation, as provided in subsection 14A:7-6(1). If any shares redeemable at the option of the shareholder are outstanding, the certificate of incorporation may be amended to delete or limit the provisions concerning redeemability with respect to those outstanding shares only with the unanimous approval of the holders of those shares. The provisions of this subsection shall not be applicable to an open-end investment company.

(4) (Deleted by amendment, P.L. 1988, c. 94.)

39. N.J.S. 14A:7-7 is amended to read as follows:

Share rights and options.

14A:7-7. Share rights and options.

(1) Subject to any provisions in respect thereof set forth in its certificate of incorporation, a corporation may create and issue, whether or not in connection with the issuance and sale of any of its shares or bonds, rights or options entitling the holders thereof to purchase from the corporation shares of any class or series for such consideration and upon such terms and conditions as may be fixed by the board. Such rights or options shall be evidenced in such manner as the board shall approve and, without limiting the generality of the foregoing, may be evidenced by warrants attached to or forming part of bond instruments or share certificates or existing independently thereof. The instruments evidencing such rights or options shall set forth or incorporate by reference the terms and conditions of their exercise, including the time or times, which may be limited or unlimited in duration, within which, and the price or prices at which such shares may be purchased from the corporation, and any limitations on the transferability of any such right or option. The consideration for shares to be purchased upon the exercise of any such right or option shall comply with the requirements of sections 14A:7-4 and 14A:7-5. A good faith judgment of the board as to the adequacy of the consideration received for such rights or options is conclusive.

(2) (Deleted by amendment, P.L. 1988, c. 94.)

40. Section 14A:7-8.1 is added to the New Jersey Statutes as follows:

Par value of shares and stated capital.

14A:7-8.1. Par value of shares and stated capital.

(1) Unless otherwise provided in the certificate of incorporation,
all shares shall have no par value and no stated capital shall be required to be maintained.

(2) A corporation in its certificate of incorporation may specify a par value for any class or series of its shares, may require that a specified stated capital be maintained, or may impose any other capitalization requirements. A corporation which specifies in its certificate of incorporation the par value for its shares or a specified stated capital shall not be subject to any limitations on distributions other than those set forth in section 14A:7-14.1, unless other restrictions are set forth in the certificate of incorporation.

(3) If for any reason the laws of this State or those of any other jurisdiction require that the par value of shares or stated capital of a corporation be ascertained, then solely for that purpose a domestic corporation which has not otherwise made express provision therefor in its certificate of incorporation shall be deemed to have declared and be entitled to declare that its capital stock has a par value of one mill per share and a stated capital of one mill times the number of shares then outstanding.

41. N.J.S. 14A:7-9 is amended to read as follows:

Convertible shares and bonds.

(1) When so provided in its certificate of incorporation, a corporation may issue shares of any class or series convertible, at the option of the holder or of the corporation or both, into shares of any other class or classes or of any series of the same or any other class or classes.

(2) Unless otherwise provided in its certificate of incorporation, a corporation may issue bonds convertible, at the option of the holder or of the corporation or both, into shares of any class or classes or of any series of any class or classes, upon such terms and conditions as may be fixed by the board. The bond instrument shall set forth or incorporate by reference the terms and conditions of the conversion privilege.

(3) No issue of shares or bonds convertible into shares of the corporation shall be made unless a sufficient number of shares of the appropriate class or classes or series, either authorized but unissued or treasury shares, are reserved by the board to be issued or disposed of only in satisfaction of the conversion privileges of the convertible shares or bonds being issued.
(4) If there is shareholder approval of the issue of shares or bonds convertible into shares of the corporation, such approval may provide that the board is authorized upon such issue to increase the authorized shares of any class or series to such number as will be not more than sufficient, when added to the previously authorized but unissued shares of such class or series, to satisfy the conversion privileges of the convertible shares or bonds being issued. The board, when so authorized, may increase the authorized shares of the corporation by filing a certificate of amendment to the certificate of incorporation. The certificate shall be executed on behalf of the corporation and shall set forth

(a) The name of the corporation;

(b) The date of adoption of the amendment;

(c) The amendment so adopted;

(d) That the amendment is made pursuant to authority granted by the shareholders in connection with shareholder approval of the issue of shares or bonds of the corporation convertible into the shares being authorized by the amendment; and

(e) The designation of the convertible shares or bonds and the date of such shareholder approval.

(5) (Deleted by amendment, P.L. 1988, c. 94.)

(6) (Deleted by amendment, P.L. 1988, c. 94.)

(7) When bonds have been converted, they shall be cancelled and not reissued. The disposition of converted shares is provided for in section 14A:7-18.

42. N.J.S. 14A:7-11 is amended to read as follows:

Certificates representing shares.

(1) The shares of a corporation shall be represented by certificates or, in accordance with subsection 14A:7-11(6), shall be uncertificated shares. Certificates shall be signed by, or in the name of the corporation by, the chairman or vice-chairman of the board, or the president or a vice-president, and may be countersigned by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation and may be sealed with the seal of the corporation or a facsimile thereof. Any or all signatures upon a certificate may be a facsimile. In case any officer, transfer agent or registrar who has
signed or whose facsimile signature has been placed upon such certificate, shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer, transfer agent or registrar at the date of its issue.

(2) Every share certificate delivered after the effective date of this act by a corporation which is authorized to issue shares of more than one class shall set forth upon the face or back of the certificate, a full statement

(a) Of the designations, relative rights, preferences and limitations of the shares of each class and series authorized to be issued, so far as the same have been determined, and

(b) Of the authority of the board to divide the shares into classes or series and to determine and change the relative rights, preferences and limitations of any class or series, or

shall set forth that the corporation will furnish to any shareholder, upon request and without charge, such a full statement.

(3) Each certificate representing shares shall state upon the face thereof

(a) That the corporation is organized under the laws of this State;

(b) The name of the person to whom issued; and

(c) The number and class of shares, and the designation of the series, if any, which such certificate represents.

(4) No certificate shall be issued for any share until such share is fully paid.

(5) A card which is punched, magnetically coded or otherwise treated so as to facilitate machine or automatic processing, may be used as a share certificate if it otherwise complies with the provisions of this section.

(6) The board may provide that some or all of the shares of any class or series shall be represented by uncertificated shares. Within a reasonable time after the issuance or transfer of uncertificated shares, the corporation shall send to the registered owner thereof a written notice containing the information required to be set forth or stated on certificates by subsections 14A:7-11(2) and 14A:7-11(3), and if required, 14A:7-12(2). Except as otherwise expressly provided by law, the rights and obligations of the holders of uncertificated
shares and the rights and obligations of the holders of certificates representing shares of the same class and series shall be identical.

43. N.J.S. 14A:7-12 is amended to read as follows:

Transfer of shares and restrictions on transfer.

14A:7-12. Transfer of shares and restrictions on transfer.

(1) The shares of a corporation shall be personal property and shall be transferable in accordance with the provisions of Chapter 8 of the Uniform Commercial Code (N.J.S. 12A:8-101 et seq.), as amended from time to time, except as otherwise provided in this act.

(2) Any reasonable restriction on the transfer or registration of transfer of shares, or other securities having conversion or option rights, may be enforced against the holder of the restricted securities and any successor or transferee of the holder, including any fiduciary entrusted with responsibility for the person or property of the holder. Such restriction shall be valid only if imposed by the certificate of incorporation or by-laws or by the provisions of an employee benefit plan permitted by Chapter 8 of this act, or by a written agreement among any number of shareholders or among such holders and the corporation. No restriction shall be valid with respect to any securities issued prior to the imposition of the restriction unless their holders shall have voted in favor of the imposition of the restriction or are parties to the agreement imposing it. Unless noted conspicuously on the security or contained in the information statement required by subsection 14A:7-11(6), a restriction shall not be valid against a person who becomes the holder of the security without actual knowledge of the restriction.

(3) In particular and without limitation of the generality of the power granted by subsection 14A:7-12(2) to impose restrictions, a restriction on the transfer or registration of transfer of shares, or other securities having conversion or option rights, may be enforced as provided in subsection 14A:7-12(2), if it:

(a) Obligates the holder of the restricted securities to offer to the corporation or to any other holders of securities of the corporation or to any other person or to any combination of the foregoing, a prior opportunity, to be exercised within a reasonable time, to acquire the restricted securities;

(b) Obligates the corporation or any holder of securities of the corporation or any other person or any combination of the foregoing, to purchase the securities which are the subject of an agreement respecting the purchase and sale of the restricted securities;
(c) Requires the corporation or the holders of any class or series of securities of the corporation to consent to any proposed transfer of the restricted securities or to approve the proposed transferee of the restricted securities;

(d) Prohibits the transfer of the restricted securities to designated persons or classes of persons, and such designation is not manifestly unreasonable; or

(e) Exists for the purpose of maintaining the status of the corporation as an electing small business corporation under subchapter S of the United States Internal Revenue Code.

(4) If a restriction on transfer of shares or other securities having conversion or option rights is held not to be authorized by the law of this State, the corporation shall nevertheless have an option for a period of 30 days after the judgment setting aside the restriction becomes final, to acquire the restricted securities at a price to be agreed upon by the parties, or if no agreement is reached as to price, then at their fair value as determined by any court having jurisdiction. In order to determine fair value, the court may appoint an appraiser to receive evidence and report to the court his findings and recommendations as to fair value. The appraiser shall have such powers and shall proceed so far as applicable, in the same manner as an appraiser appointed under section 14A:11-8.

44. Section 14A:7-14.1 is added to the New Jersey Statutes as follows:

Limitations on distributions to shareholders.

14A:7-14.1. Limitations on distributions to shareholders.

(1) "Distribution" means a direct or indirect transfer of money or other property (except its own shares) or incurrence of indebtedness by a corporation to or for the benefit of its shareholders in respect of any of its shares. A distribution may be in the form of a dividend, a purchase, redemption or other acquisition of its shares, or otherwise.

(2) A corporation may not make a distribution if, after giving effect thereto, either:

(a) The corporation would be unable to pay its debts as they become due in the usual course of its business; or

(b) The corporation's total assets would be less than its total liabilities.
CHAPTER 94, LAWS OF 1988

(3) Determinations under paragraph 14A:7-14.1(2)(b) may be based upon (i) financial statements prepared on the basis of generally accepted accounting principles, (ii) financial statements prepared on the basis of other accounting practices and principles that are reasonable in the circumstances, or (iii) a fair valuation or other method that is reasonable in the circumstances.

(4) In the case of a purchase, redemption or other acquisition by a corporation of its own shares, the effect of a distribution shall be measured as of the earlier of (i) the date money or other property is transferred or debt is incurred by the corporation, or (ii) the date the shareholder ceases to be a shareholder with respect to the acquired shares. In all other cases, the effect of a distribution shall be measured (i) as of the date of its authorization if payment occurs 120 days or less following the date of authorization, or (ii) as of the date of payment if payment occurs more than 120 days following the date of authorization.

(5) A corporation's indebtedness to a shareholder incurred by reason of a distribution made in accordance with this section shall not be subordinated to the corporation's indebtedness to its general, unsecured creditors except to the extent subordinated by agreement.

45. N.J.S. 14A:7-15 is amended to read as follows:

Authority to pay dividends.

14A:7-15. Authority to pay dividends.

(1) Subject to any restrictions contained in the certificate of incorporation and to the provisions of section 14A:7-14.1, a corporation may, from time to time, by resolution of its board, pay dividends on its shares in cash, in its own shares, in its bonds or in other property, including the shares or bonds of other corporations.

(2) (Deleted by amendment, P.L. 1988, c. 94.)

(3) (Deleted by amendment, P.L. 1988, c. 94.)

(4) (Deleted by amendment, P.L. 1988, c. 94.)

(5) Unless the certificate of incorporation otherwise provides, a dividend may be paid in shares having a preference in the assets of the corporation upon liquidation, whether or not the net assets at the time of the share dividend are less than the aggregate amount of such prior and newly created preferences.

(6) (Deleted by amendment, P.L. 1988, c. 94.)
46. N.J.S. 14A:7-15.1 is amended to read as follows:

Share dividends, share divisions and combinations.

(1) A corporation may effect a share dividend or a division or combination of its shares in the manner hereinafter set forth. As used in this section, the terms "division" and "combination" mean dividing or combining shares of any class or series, whether issued or unissued, into a greater or lesser number of shares of the same class or series.

(2) Except as otherwise provided in the certificate of incorporation, a share dividend, a division or combination may be effected by action of the board alone. The board in effecting a share dividend, combination or division shall have authority to amend the certificate of incorporation to increase or decrease the par value of shares, increase or decrease the number of authorized shares and to make any other change necessary or appropriate to assure that the rights or preferences of the holders of outstanding shares of any class or series will not be adversely affected by such combination or division. Notwithstanding the foregoing sentence, the board shall not have the authority to amend the certificate of incorporation, and shareholder approval for the amendment shall be required in accordance with subsection 14A:9-2(4) and section 14A:9-3, if as a result of the amendment:

(a) The rights or preferences of the holders of outstanding shares of any class or series will be adversely affected; or

(b) The percentage of authorized shares that remains unissued after the share dividend, division or combination will exceed the percentage of authorized shares that was unissued before the share dividend, division or combination.

(3) If a share dividend, division or combination is effected by board action without shareholder approval and includes an amendment of the certificate of incorporation, there shall be executed on behalf of the corporation and filed in the office of the Secretary of State a certificate of amendment setting forth

(a) The name of the corporation;

(b) The date of adoption by the board of the resolution approving the dividend, division or combination;

(c) That the amendment to the certificate of incorporation will not adversely affect the rights or preferences of the holders of
outstanding shares of any class or series and will not result in the percentage of authorized shares that remains unissued after the share dividend, division or combination exceeding the percentage of authorized shares that was unissued before the share dividend, division or combination;

(d) The class or series and number of shares thereof subject to the dividend, division or combination and the number of shares to be issued on the dividend or into which they are to be divided or combined;

(e) The amendment of the certificate of incorporation made in connection with the dividend, division or combination; and

(f) If the dividend, division or combination is to become effective at a time subsequent to the time of filing, the date, which may not exceed 90 days from the date of filing, when the same is to become effective.

(4) If a share dividend, division or combination is effected by action of the board and the shareholders, there shall be executed on behalf of the corporation and filed in the office of the Secretary of State a certificate of amendment as provided in subsection 14A:9-4(3), which certificate shall set forth, in addition to all information required by said subsection, the information required by paragraph 14A:7-15.1(3)(d).

(5) Upon a combination becoming effective, the authorized shares of the class or series subject thereto shall be reduced by the same percentage by which the issued shares of such class or series were reduced as a result of the combination unless the certificate of incorporation otherwise provides or the combination was approved by the shareholders in accordance with subsection 14A:9-2(4) and section 14A:9-3.

(6) (Deleted by amendment, P.L. 1988, c. 94.)

47. N.J.S. 14A:7-16 is amended to read as follows:

**Acquisitions of a corporation's own shares.**

(3) (Deleted by amendment, P.L. 1988, c. 94.)
(4) (Deleted by amendment, P.L. 1988, c. 94.)

(5) No acquisition of its own shares shall be made by a corporation

(a) Contrary to any restrictions contained in the certificate of incorporation;

(b) (Deleted by amendment, P.L. 1988, c. 94.)

(c) Unless after such acquisition there remain outstanding one or more classes or series of shares possessing, among them collectively, voting rights and unlimited residual rights as to dividends and distribution of assets on liquidation; or

(d) In the case of redeemable shares and within the period of their redeemability, at a price greater than the applicable redemption price plus, in the case of shares entitled to cumulative dividends, the dividends which would have accrued to the next dividend date following the date of acquisition.

(6) (Deleted by amendment, P.L. 1988, c. 94.)

(7) Unless the certificate of incorporation otherwise provides, a corporation may acquire its shares whether or not the net assets remaining after the transaction are less than the aggregate amount of the preferences of outstanding shares in the assets of the corporation upon liquidation.

(8) In connection with an agreement to acquire its shares, a corporation may grant a security interest in the acquired shares to secure an obligation to pay for the acquisition. The shares shall not be deemed to be reacquired by the corporation and cancelled on its books until the obligation of the corporation is fully paid or discharged.

(9) A corporation may acquire or agree to acquire its shares, notwithstanding that the acquisition would constitute a distribution prohibited under section 14A:7-14.1, if all or part of the purchase price is deferred until such time as the payment would not constitute a prohibited distribution.

48. N.J.S. 14A:7-18 is amended to read as follows:

Cancellation of reacquired shares.

(1) When shares of a corporation are reacquired by purchase, by redemption or by their conversion into other shares of the corpo-
ration, the reacquisition shall effect their cancellation, unless the board determines that the shares shall be treasury shares or the by-laws so provide. In addition, any shares which were treasury shares on or before January 1, 1987, shall continue to be treasury shares unless cancelled by the board. The board may cancel treasury shares at any time. Upon their cancellation, shares shall be restored to the status of authorized but unissued shares, unless the certificate of incorporation, or the plan of merger or consolidation in the case of shares acquired by the corporation pursuant to Chapter 11 of this act, provides that such shares shall not be reissued, in which case a certificate of amendment to the certificate of incorporation shall be filed, pursuant to a resolution of the board, reducing the authorized number of shares by the number of shares so cancelled.

(2) The certificate of amendment reducing the authorized shares shall be executed on behalf of the corporation and filed in the office of the Secretary of State not later than 30 days after the cancellation of the reacquired shares not to be reissued. The statement shall set forth:

(a) The name of the corporation;

(b) The number of shares cancelled, itemized by classes and series, and the date of adoption of the resolution of the board cancelling such shares;

(c) The aggregate number of authorized shares, itemized by classes and series, after giving effect to such cancellation;

(d) A statement that the certificate of incorporation or plan of merger provides that the shares cancelled shall not be reissued; and

(e) That the certificate of incorporation is amended by decreasing the aggregate number of shares which the corporation is authorized to issue by the number of shares cancelled.

(f) (Deleted by amendment, P.L. 1988, c. 94.)

(3) (Deleted by amendment, P.L. 1988, c. 94.)

(4) A certificate of amendment reducing the authorized shares because of the conversion of convertible shares shall be filed only if the certificate of incorporation provides that such shares shall not be reissued. The certificate of amendment shall set forth the information required by subsection 14A:7-18(2) and in the case of cancellation of converted shares, the certificate of amendment shall be filed not later than 90 days after the close of the fiscal year in which the shares were reacquired.
(5) Nothing contained in this section shall be construed to forbid a cancellation of shares or a reduction of authorized shares in any other manner permitted by this act.

Employee benefit plans.

14A:8-1. Employee benefit plans.

(2) At each such meeting, a vote of the shareholders shall be taken on the proposed plan of merger or consolidation. The voting requirements of this section shall be subject to such greater requirements as are provided in this act for specific amendments or as may be provided in the certificate of incorporation.

(3) Subject to the provisions of section 14A:5-12, a corporation organized prior to January 1, 1969, may adopt the majority voting requirements prescribed in subsection 14A:10-3(2) by an amendment of its certificate of incorporation adopted by the affirmative vote of two-thirds of the votes cast by the holders of shares entitled to vote thereon.

(4) Notwithstanding the provisions set forth in subsections 14A:10-3(1) and 14A:10-3(2), the approval of the shareholders of a surviving corporation shall not be required to authorize a merger (unless its certificate of incorporation otherwise provides) if

(b) Each shareholder of the surviving corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations, and rights, immediately after;

(c) The number of voting shares outstanding immediately after the merger, plus the number of voting shares issuable on conversion of other securities or on exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 40% the total number of voting shares of the surviving corporation outstanding immediately before the merger; and

(d) The number of participating shares outstanding immediately after the merger, plus the number of participating shares issuable on conversion of other securities or on exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 40%

If less than all of the classes or series of shares of the acquired corporation are to be acquired, only the holders of shares of those classes or series of shares of the acquired corporation which are proposed to be acquired shall be entitled to vote at the meeting. Written notice shall be given not less than 20 and not more than 60 days before the meeting to each shareholder of record, whether or not entitled to vote at the meeting, in the manner provided in this act for the giving of notices of meetings of shareholders. The acquiring corporation may condition the payment of the consideration provided for in the plan upon the surrender of the share certificate evidencing the acquired shares.

(8) Any shareholder of an acquired corporation whose shares are acquired pursuant to the plan of exchange shall have all of the rights of a dissenting shareholder under Chapter 11 of this act to the extent the shareholder would have those rights if the plan of exchange were treated as a merger under paragraph 14A:11-1(1)(a).

69. N.J.S. 14A:12-7 is amended to read as follows:

Involuntary dissolution; other remedies.

14A:12-7. Involuntary dissolution; other remedies.

(1) The Superior Court, in an action brought under this section, may appoint a custodian, appoint a provisional director, order a sale of the corporation's stock as provided below, or enter a judgment dissolving the corporation, upon proof that
(a) The shareholders of the corporation are so divided in voting power that, for a period which includes the time when two consecutive annual meetings were or should have been held, they have failed to elect successors to directors whose terms have expired or would have expired upon the election and qualification of their successors; or

(b) The directors of the corporation, or the person or persons having the management authority otherwise in the board, if a provision in the corporation’s certificate of incorporation contemplated by subsection 14A:5-21(2) is in effect, are unable to effect action on one or more substantial matters respecting the management of the corporation’s affairs; or

(c) In the case of a corporation having 25 or less shareholders, the directors or those in control have acted fraudulently or illegally, mismanaged the corporation, or abused their authority as officers or directors or have acted oppressively or unfairly toward one or more minority shareholders in their capacities as shareholders, directors, officers, or employees.

(2) An action may be brought under this section by one or more directors or by one or more shareholders. In such action, in the case of appointment of a custodian or a provisional director, the court may proceed in a summary manner or otherwise.

(3) One or more provisional directors may be appointed if it appears to the court that such an appointment may be in the best interests of the corporation and its shareholders, notwithstanding any provisions in the corporation’s by-laws, certificate of incorporation, or any resolutions adopted by the board or shareholders. A provisional director shall have all the rights and powers of a duly elected director of the corporation, including the right to notice of and to vote at meetings of directors, until such time as he shall be removed by order of the court or, unless otherwise ordered by the court, by a vote or written consent of a majority of the votes entitled to be cast by the holders of shares entitled to vote to elect directors.

(4) A custodian may be appointed if it appears to the court that such an appointment may be in the best interests of the corporation and its shareholders, notwithstanding any provisions in the corporation’s by-laws, certificate of incorporation, or any resolutions adopted by the shareholders or the board. Subject to any limitations which the court imposes, a custodian shall be entitled to exercise all of the powers of the corporation’s board and officers to the extent
necessary to manage the affairs of the corporation in the best interests of its shareholders and creditors, until such time as he shall be removed by order of the court or, unless otherwise ordered by the court, by the vote or written consent of a majority of the votes entitled to be cast by the holders of shares entitled to vote to elect directors. Such powers may be exercised directly or through, or in conjunction with, the corporation's board or officers, in the discretion of the custodian or as the court may order. If so provided in the order appointing him, a custodian shall have the fact-determining powers of a receiver as provided in subsections 14A:14-5(e) and (f).

(5) Any custodian or provisional director shall be an impartial person who is neither a shareholder nor a creditor of the corporation or of any subsidiary or affiliate of the corporation.

(6) Any custodian or provisional director shall report from time to time to the court concerning the matter complained of, or the status of the deadlock, if any, and of the status of the corporation's business, as the court shall direct. In addition, he shall submit to the court, if so directed, his recommendations as to the appropriate disposition of the action. If, after the appointment of a custodian or provisional director, the court determines that a judgment of dissolution is in the best interests of the shareholders of the corporation, such a judgment shall be entered. The court may continue any custodian or provisional director in such office subsequent to the entry of a judgment of dissolution and until such time as the affairs of the corporation are wound up, or it may appoint such person or another as receiver, as provided in section 14A:12-15.

(7) In any proceeding under this section, the court shall allow reasonable compensation to the custodian or provisional director for his services and reimbursement or direct payment of his reasonable costs and expenses which amounts shall be paid by the corporation.

(8) Upon motion of the corporation or any shareholder who is a party to the proceeding, the court may order the sale of all shares of the corporation's stock held by any other shareholder who is a party to the proceeding to either the corporation or the moving shareholder or shareholders, whichever is specified in the motion, if the court determines in its discretion that such an order would be fair and equitable to all parties under all of the circumstances of the case.

(a) The purchase price of any shares so sold shall be their fair value as of the date of the commencement of the action or such earlier or later date deemed equitable by the court, plus or minus any
adjustments deemed equitable by the court if the action was brought in whole or in part under paragraph 14A:12-7(1)(c).

(b) Within five days after the entry of any such order, the corporation shall provide each selling shareholder with the information it is required to provide a dissenting shareholder under section 14A:11-6, and within 10 days after entry of the order the purchasing party shall make a written offer to purchase at a price deemed by the purchasing party to be the fair value of the shares.

(c) If the parties are unable to agree on fair value within 40 days of entry of the order, the court shall make the determination of the fair value, and the provisions of sections 14A:11-8 through 14A:11-11 shall be followed insofar as they are applicable.

(d) Interest may be allowed at the rate and from the date determined by the court to be equitable, and if the court finds that the refusal of the shareholder to accept any offer of payment was arbitrary, vexatious, or otherwise not in good faith, no interest shall be allowed. If the court finds that the action was maintainable under paragraph 14A:12-7(1)(c), the court in its discretion may award to the selling shareholder or shareholders reasonable fees and expenses of counsel and of any experts, including accountants, employed by them.

(e) The purchase price shall be paid by the delivery of cash, notes, or other property, or any combination thereof within 30 days after the court has determined the fair value of the shares. The court shall, in its discretion, determine the method of payment of the purchase price. Whenever practicable, the purchase price shall be paid entirely in cash. If the court determines that an all cash payment is not practicable, it shall determine the amount of the cash payment, the kind and amount of any property, whether any note shall be secured, and other appropriate terms, including the interest rate of any note.

(f) Upon entry of an order for the sale of shares under this subsection, and provided the corporation or the moving shareholders post a bond in adequate amount with sufficient sureties or otherwise satisfy the court that the full purchase price of the shares, plus whatever additional costs, expenses, and fees as may be awarded, will be paid when due and payable, the selling shareholders shall no longer have any rights or status as shareholders, officers, or directors, except the right to receive the fair value of their shares plus whatever other amounts as may be awarded. In such event, the court may remove any custodian or provisional director who may have been appointed.
(9) In determining whether to enter a judgment of dissolution in an action brought under this section, the court shall take into consideration whether the corporation is operating profitably and in the best interests of its shareholders, but shall not deny entry of such a judgment solely on that ground.

(10) If the court determines that any party to an action brought under this section has acted arbitrarily, vexatiously, or otherwise not in good faith, it may in its discretion award reasonable expenses, including counsel fees incurred in connection with the action, to the injured party or parties.

70. N.J.S. 14A:15-3 is amended to read as follows:

CHAPTER 97

AN ACT establishing a Nursing Home Preadmission Screening Program and supplementing P.L. 1968, c. 413 (C. 30:4D-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 30:4D-17.10 Findings, declarations.

1. The Legislature finds and declares that: a. A substantial proportion of nursing home residents do not need the level of medical care provided in skilled nursing or intermediate care facilities, and to the extent these inappropriate placements occur, there are adverse financial and social consequences;
   
   b. After entering a nursing home, many residents become dependent on that facility, experiencing depletion of their financial resources and erosion of their social contacts in the community;
   
   c. Inappropriate placements of residents in skilled nursing or intermediate care facilities result in reduced access to available beds for those Medicaid recipients who are actually in need of nursing home care;
   
   d. It is, therefore, in the best interests of the citizens of New Jersey that a nursing home preadmission screening program, as currently operates in 30 other states, be established Statewide to determine the needs of Medicaid-eligible and other individuals seeking admission to a skilled nursing or intermediate care facility, prior to placement in that facility.

C. 30:4D-17.13 Responsibility for screening.

4. A skilled nursing or intermediate care facility is responsible for ensuring that preadmission screening has been performed with respect to every individual who, at the time of application for admission to that facility, is eligible for medical assistance under P.L. 1968, c. 413 (C. 30:4D-1 et seq.) or will become eligible within six months following admission, as a condition of reimbursement by the Medicaid program established pursuant to P.L. 1968, c. 413 (C. 30:4D-1 et seq.) for care provided to the individual in that facility.

C. 30:4D-17.14 Procedures; monitoring.

5. a. The commissioner shall contract with appropriate agencies for the performance of preadmission screening or perform the screening directly through the division. Preadmission screening shall be made available, upon request and for a reasonable fee to be established by the commissioner, to a private pay individual, whether or not the individual expects to become eligible for the Medicaid program.

b. The commissioner shall develop procedures for monitoring the
preadmission screening program, for which purpose the commissioner may establish an independent review process, to ensure that screening standards are being met by the division or by those agencies which are under contract to perform preadmission screening pursuant to subsection a. of this section.

C. 30:4D-17.15 Rules, regulations.

6. The commissioner, in accordance with the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), shall adopt such rules and regulations as are necessary to effectuate the purposes of this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

7. a. No person shall own or operate a rooming or boarding house, hold out a building as available for rooming or boarding house occupancy, or apply for any necessary construction or planning approvals related to the establishment of a rooming or boarding house without a valid license to own or operate such a facility, issued by the commissioner.

Any person found to be in violation of this subsection shall be liable for a civil penalty of not more than $5,000.00 for each building so owned or operated.

Each application for licensure shall contain such information as the commissioner may prescribe and shall be accompanied by a fee established by the commissioner which shall not be less than $75.00 nor more than $150.00. If, upon receipt of the fee and a review of the application, the commissioner determines that the applicant will operate, or provide for the operation of, a rooming or boarding house in accordance with the provisions of this act, he shall issue a license to him.

Each license shall be valid for one year from the date of issuance, but may be renewed upon application by the owner or operator and upon payment of the same fee required for initial licensure.

Each application for licensure or renewal shall indicate every such building for which an endorsement is required. If, during the term of a license, an additional endorsement is required or an existing one is no longer required, an amended application for licensure shall be submitted.

d. A person making application for, or who has been issued, a license to own or operate a rooming or boarding house who conceals the fact that the person has been denied a license to own or operate a residential facility, or that the person's license to own or operate a residential facility has been revoked by a department or agency of state government in this or any other state is liable for a civil penalty of not more than $5,000.00, and any license to own or operate a rooming or boarding house which has been issued to that person shall be immediately revoked.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:18A-212 Findings, declarations.

1. The Legislature finds and declares that the Trenton War Memorial building is a cultural, historic and artistic asset to the citizens of New Jersey and is used for activities, performances and official convocations by organizations, groups and public agencies from throughout the State. The promotion, operation, restoration and maintenance of the War Memorial building is, therefore, in the public interest of the State and the best means to achieve this end is by the transfer of the ownership and operation of the building and lands to the State. It is also in the public interest of the State that existing use privileges of veterans' organizations to space within the facility be continued.

C. 52:18A-213 Title transfer to State.

2. Title or interest in any lands, buildings, facilities, furnishings or equipment heretofore acquired by, conveyed or transferred to, the Trenton and Mercer County Memorial Building Commission established pursuant to R.S. 40:10-3 et seq. shall be transferred to the State of New Jersey and, notwithstanding any other provision of law to the contrary, the State shall accept title or interest therein, and shall upon execution of the transfer be the owner thereof. The Trenton and Mercer County Memorial Building Commission shall take any and all actions necessary to effectuate the provisions of this section.

3. Upon transfer of title to the State the facility shall fall within the jurisdiction of the Department of the Treasury, which shall be responsible for the promotion, operation, equipment, restoration and maintenance of the facility, including the lands and improvements incident thereto, for the cultural, artistic and ceremonial activities of the citizens of the State. In the execution of these responsibilities, the State Treasurer shall be empowered to contract with qualified entities, which may include, but not be limited to, the Secretary of State or any other department, agency or authority of the State, a nonprofit corporation formed for that purpose, a professional management firm, or individuals possessing expertise of the type necessary to assure the well-being of the facility.

C. 52:18A-215 Fund-raising; fees; appropriations.

4. Any entity may, with the written authorization of the Secretary of State and written notice to the State Treasurer, solicit and raise funds and accept funds from any public or private source for the purposes of the maintenance, operation or improvement of the facility. Any entity authorized under this act to contract for the management of the facility may, with the written approval of the State Treasurer, levy fees or charges for the use of the facility. The State or any political subdivision of the State may appropriate moneys to the State Treasurer or any other department, agency or authority for such purposes which may include otherwise eligible general obligation bond funds. All moneys received from fund-raising activities, donations, appropriations, or fees and charges shall be immediately deposited into the War Memorial Fund established by section 5 of this act, unless the State Treasurer provides for alternative treatment of those funds. All moneys currently designated, held or appropriated for the Trenton War Memorial shall be deposited into the War Memorial Fund immediately upon execution of the transfer directed by section 2 of this act.

C. 52:18A-216 War Memorial Fund.

5. There is created a War Memorial Fund in the custody and control of the State Treasurer which shall be the repository for all moneys required to be deposited therein. Moneys held in the fund shall be disbursed by the State Treasurer for the purposes provided by this act in the manner required by law. The State Treasurer may invest or reinvest any moneys in the fund, or any portion thereof, according to law, but any income from, interest on, or increment to moneys so invested shall remain in the fund. Investment of such funds shall be consistent with policies of the Division of Investment.
6. The Department of the Treasury shall conduct a study and prepare a report concerning the optimal utilization of the facility, together with a plan for capital improvements based on the projected uses. This report shall be prepared after consultation with current and potential users of the facility, interested parties including legislative leadership, municipal and county officials, and private citizens, and shall analyze the benefits, costs and implications of incorporation of the facility into proposed civic development projects, its relationship to the Capital City Redevelopment Corporation, and other matters which may be relevant to the facility's utilization as an historic community structure. As part of the study the department shall evaluate the feasibility of allocating space in the War Memorial building to the display of documentary and other material of historic value. The department shall also consider ways in which the expertise of the Mercer County governing body and the Mercer County Improvement Authority may be used in regard to renovation of the building. The report shall indicate the State's intention with respect to the management of the facility. The department shall submit its report to the Governor and the Legislature within six months of execution of the transfer directed under section 2.

7. There is appropriated from the General Fund to the War Memorial Fund $3,000,000 to effectuate the purposes of this act.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 18 of P.L. 1985, c. 520 (C. 17:28-1.4) is amended to read as follows:

C. 17:28-1.4 Mandatory coverage.

18. Any insurer authorized to transact or transacting automobile or motor vehicle insurance business in this State, or controlling or controlled by, or under common control by, or with, an insurer authorized to transact or transacting insurance business in this State, which sells a policy providing automobile or motor vehicle liability insurance coverage, or any similar coverage, in any other state or in any province of Canada, shall include in each policy coverage to satisfy at least the liability insurance requirements of section 1 of P.L. 1972, c. 197 (C. 39:6B-1) or section 3 of P.L. 1972, c. 70 (C. 39:6A-3), the uninsured motorist insurance requirements of subsection a. of section 2 of P.L. 1968, c. 385 (C. 17:28-1.1), and personal injury protection benefits coverage pursuant to section 4 of P.L. 1972, c. 70 (C. 39:6A-4) or of section 19 of P.L. 1983, c. 362 (C. 17:28-1.3), whenever the automobile or motor vehicle insured under the policy is used or operated in this State.

Any liability insurance policy subject to this section shall be construed as providing the coverage required herein, and any named insured, and any immediate family member as defined in section 14.1 of P.L. 1983, c. 362 (C. 39:6A-8.1), under that policy, shall be subject to the tort option specified in subsection a. of section 8 of P.L. 1972, c. 70 (C. 39:6A-8).

Each insurer authorized to transact or transacting automobile or motor vehicle insurance business in this State and subject to the provisions of this section shall, within 30 days of the effective date of P.L. 1985, c. 520, file and maintain with the Department of Insurance written certification of compliance with the provisions of this section.

“Automobile” means an automobile as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2).
2. Section 3 of P.L. 1952, c. 174 (C. 39:6-63) is amended to read as follows:

C. 39:6-63 Assessment of insurers.

3. For the purpose of creating and maintaining the fund:

(a) (Deleted by amendment, P.L. 1968, c. 323, s. 3.)

(b) (Deleted by amendment, P.L. 1968, c. 323, s. 3.)

(c) (Deleted by amendment, P.L. 1968, c. 323, s. 3.)

(d) On December 30 in each year, the commissioner shall calculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year. In such calculation, he shall take into consideration the amount presently reserved for pending claims, anticipated payments from the fund during said year, anticipated payments from the fund for medical expenses to be made pursuant to section 2 of P.L. 1977, c. 310 (C. 39:6-73.1), during the two years after said year, anticipated amounts to be reserved for claims pending during said year, amounts transferred to the Division of Motor Vehicles pursuant to section 28 of P.L. 1952, c. 174 (C. 39:6-88) and the desirability of maintaining a surplus over and above such anticipated payments and present and anticipated reserves, such surplus not to exceed the amount actually paid from the fund during the 12 full calendar months immediately preceding the date of calculation. Such probable amount which will be needed to carry out the provisions of this act shall be assessed against insurers for such year's contributions to the fund. Such probable amount needed shall be apportioned among such insurers in the proportion that the net direct written premiums of each bear to the aggregate net direct written premiums of all insurers, including the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L. 1983, c. 65 (C. 17:30E-1 et seq.), during the preceding calendar year as shown by the records of the commissioner. Each insurer shall pay the sum so assessed to the treasurer on or before March 31, next following.

(e) Whenever any of the provisions of this act concerning the method and sources of assessments on insurers, including the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L. 1983, c. 65 (C. 17:30E-1 et seq.), the maximum amounts payable from the fund, eligibility or qualifications of claimants, or amounts to be deducted from payments made from the fund are amended by law, between January 1 and April 30 in any year, the commissioner may, if he deems it necessary, rescind any
assessment on insurers, including the New Jersey Automobile Full Insurance Underwriting Association, created pursuant to P.L. 1983, c. 65 (C. 17:30E-1 et seq.), made on December 30 of the preceding year. He shall then, within 15 days of the adoption of such amendment, recalculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year, in accordance with the provisions of subsection (d) of this section. If, in his judgment, the estimated balance of the fund at the beginning of the next registration license year will be insufficient to meet such needs, he shall determine the contributions of insurers, if any, in accordance with the provisions of subsection (d) of this section. In the event of a rescission and reassessment subsequent to March 1 in any year, insurers shall pay the sum so assessed, if any, to the treasurer within 90 days of the date of such assessment.

3. Section 4 of P.L. 1972, c. 70 (C. 39:6A-4) is amended to read as follows:

Such benefits shall be payable during the life of the injured person and shall be subject to an amount or limit of $4,380.00, on account of injury to any one person in any one accident.

d. Death benefits. 2. Not be assignable, except to a provider of service benefits under this section, nor subject to levy, execution, attachment or other process for satisfaction of debts.

Medical expense benefit payments shall be subject to a deductible of $250.00 on account of injury in any one accident and a copayment of 20% of any benefits payable between $250.00 and $5,000.00.

No insurer or health provider providing benefits to an insured shall have a right of subrogation for the amount of benefits paid pursuant to any deductible or copayment under this section.

4. Section 14 of P.L. 1985, c. 520 (C. 39:6A-4.5) is amended to read as follows:

C. 39:6A-4.5 Lack of medical coverage.

a. For the purpose of filing an action for recovery of noneconomic loss, as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2), be subject to the tort option specified in subsection a. of section 8 of P.L. 1972, c. 70 (C. 39:6A-8).

b. (Deleted by amendment, P.L. 1988, c. 119.)

5. Section 7 of P.L. 1972, c. 198 (C. 39:6-86.1) is amended to read as follows:

C. 39:6-86.1 Unsatisfied Claim and Judgment Fund benefits.

7. When any person qualified to receive payments under the provisions of the “Unsatisfied Claim and Judgment Fund Law” suffers bodily injury or death as a pedestrian, as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2), caused by a motor vehicle, including an automobile as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2), and a motorcycle, or by an object propelled therefrom, or arising out of an accident while occupying, entering into, alighting from, or using an automobile, registered or principally garaged in this State for which personal injury protection benefits under the “New Jersey Automobile Reparation Reform Act,” P.L. 1972, c. 70 (C. 39:6A-1 et seq.), or section 19 of P.L. 1983, c. 362 (C. 17:28-1.3), would be
payable to such person if personal injury protection coverage were in force and the damages resulting from such accident or death are not satisfied due to the personal injury protection coverage not being in effect with respect to such accident, then in such event the Unsatisfied Claim and Judgment Fund shall provide, under the following conditions, the following benefits:

a. Medical expense benefits. Payment of all reasonable medical expenses incurred as a result of personal injury sustained in a motor vehicle accident. In the event of death, payment shall be made to the estate of the decedent.

Medical expense benefit payments shall be subject to a deductible of $250.00 on account of injury in any one accident and a copayment of 20% of any benefits payable between $250.00 and $5,000.00.

b. Income continuation benefits. The payment of the loss of income of an income producer as a result of bodily injury disability, subject to a maximum weekly payment of $100.00. Such sums shall be payable during the life of the injured person and shall be subject to an amount or limit of $5,200.00, on account of injury to any one person in any one accident, except that in no case shall income continuation benefits exceed the net income normally earned during the period in which the benefits are payable.

c. Essential services benefits. Payment of essential services benefits to an injured person shall be made in reimbursement of necessary and reasonable expenses incurred for such substitute essential services ordinarily performed by the injured person for himself, his family and members of the family residing in the household, subject to an amount or limit of $12.00 per day. Such benefits shall be payable during the life of the injured person and shall be subject to an amount or limit of $4,380.00, on account of injury to any one person in any one accident.

d. Death benefits. In the event of the death of an income producer as a result of injuries sustained in an accident entitling such person to benefits under this section, the maximum amount of benefits which could have been paid to the income producer, but for his death, under subsection b. of this section shall be paid to the surviving spouse, or in the event there is no surviving spouse, then to the surviving children, and in the event there are no surviving spouse or surviving children, then to the estate of the income producer.

In the event of the death of one performing essential services as a result of injuries sustained in an accident entitling such person to
benefits under subsection c. of this section, the maximum amount of benefits which could have been paid such person, under subsection c., shall be paid to the person incurring the expense of providing such essential services.

e. Funeral expenses benefits. All reasonable funeral, burial and cremation expenses, subject to a maximum benefit of $1,000.00, on account of the death to any one person in any one accident shall be payable to decedent’s estate.

Provided, however, that no benefits shall be paid under this section unless the person applying for benefits has demonstrated that he is not disqualified by reason of the provisions of subsection (a), (c), (d) or (l) of section 10 of P.L. 1952, c. 174 (C. 39:6-70), or any other provision of law.

6. Section 8 of P.L. 1972, c. 70 (C. 39:6A-8) is amended to read as follows:

C. 39:6A-8 Tort exemption; limitation on the right to noneconomic loss.

8. Tort exemption; limitation on the right to noneconomic loss.

One of the following two tort options shall be elected, in accordance with section 14.1 of P.L. 1983, c. 362 (C. 39:6A-8.1), by any named insured required to maintain personal injury protection coverage pursuant to section 4 of P.L. 1972, c. 70 (C. 39:6A-4):

a. Every owner, registrant, operator or occupant of an automobile to which section 4, personal injury protection coverage, regardless of fault, applies, and every person or organization legally responsible for his acts or omissions, is hereby exempted from tort liability for noneconomic loss to a person who is subject to this subsection and who is either a person who is required to maintain the coverage mandated by this act, or is a person who has a right to receive benefits under section 4 of P.L. 1972, c. 70 (C. 39:6A-4), as a result of bodily injury, arising out of the ownership, operation, maintenance or use of such automobile in this State, unless that person has sustained a personal injury which results in death; dismemberment; significant disfigurement; a fracture; loss of a fetus; permanent loss of use of a body organ, member, function or system; permanent consequential limitation of use of a body organ or member; significant limitation of use of a body function or system; or a medically determined injury or impairment of a non-permanent nature which prevents the injured person from performing substantially all of the material acts which constitute that person’s usual and customary daily activities for not
less than 90 days during the 180 days immediately following the occurrence of the injury or impairment; or

b. As an alternative to the basic tort option specified in subsection a. of this section, every owner, registrant, operator, or occupant of an automobile to which section 4 of P.L. 1972, c. 70 (C. 39:6A-4) applies, and every person or organization legally responsible for his acts or omissions, shall be liable for noneconomic loss to a person who is subject to this subsection and who is either a person who is required to maintain the coverage mandated by P.L. 1972, c. 70 (C. 39:6A-1 et seq.) or is a person who has a right to receive benefits under section 4 of that act (C. 39:6A-4), as a result of bodily injury, arising out of the ownership, operation, maintenance or use of such automobile in this State.

The tort option provisions of subsection a. of this section shall also apply to the right to recover for noneconomic loss of any person eligible for benefits pursuant to section 4 of P.L. 1972, c. 70 (C. 39:6A-4) but who is not required to maintain personal injury protection coverage and is not an immediate family member, as defined in section 14.1 of P.L. 1983, c. 362 (C. 39:6A-8.1), under an automobile insurance policy.

The tort option provisions of subsection a. of this section shall also apply to any person subject to section 14 of P.L. 1985, c. 520 (C. 39:6A-4.5).

The tort option provisions of subsections a. and b. of this section as provided in this 1988 amendatory and supplementary act shall apply to automobile insurance policies issued or renewed on or after January 1, 1989 and as otherwise provided by law.

7. Section 14.1 of P.L. 1983, c. 362 (C. 39:6A-8.1) is amended to read as follows:

14.1. Election of tort option. a. Election of a tort option pursuant to section 8 of P.L. 1972, c. 70 (C. 39:6A-8) shall be in writing and signed by the named insured on the coverage selection form required by section 17 of P.L. 1983, c. 362 (C. 39:6A-23). The form shall state the percentage difference in the premium rates or the dollar savings between the two tort options. The tort option elected shall apply to the named insured and any immediate family member residing in the named insured's household. “Immediate family member” means the spouse of the named insured and any child of the named insured
or spouse residing in the named insured's household, who is not a named insured under another automobile insurance policy.

b. If the named insured fails to elect, in writing, any of the tort options offered pursuant to section 8 of P.L. 1972, c. 70 (C. 39:6A-8), the named insured shall be deemed to elect the tort option of subsection a. of that section 8.

c. The tort option elected by a named insured for an automobile policy issued or renewed on or after January 1, 1989 shall continue in force as to subsequent renewal or replacement policies until the insurer or its authorized representative receives a properly executed form electing the other tort option.

d. The tort option elected by the named insured shall apply to all automobiles owned by the named insured and to any immediate family member who is not a named insured under another automobile insurance policy, except that in the case where more than one policy is applicable to the named insured or immediate family member, and the policies have different tort options, the tort option elected by the injured named insured shall apply or, in the case of an immediate family member who is not a named insured and is injured in an accident involving an automobile to which a policy issued to a named insured in the household of the injured immediate family member applies, the tort option elected by that named insured shall apply.

e. Notwithstanding any other provision of law to the contrary, no person, including, but not limited to, an insurer, an insurance producer as defined in section 2 of P.L. 1987, c. 293 (C. 17:22A-2), a servicing carrier or non-insurer servicing carrier acting in that capacity pursuant to P.L. 1983, c. 65 (C. 17:30E-1 et seq.), and the New Jersey Automobile Full Insurance Underwriting Association created pursuant to P.L. 1983, c. 65 (C. 17:30E-1 et seq.), shall be liable in an action for damages on account of the election of a tort option by a named insured or on account of the tort option imposed pursuant to subsection b. of this section or otherwise imposed by law. Nothing in this subsection shall be deemed to grant immunity to any person causing damage as the result of his willful, wanton or grossly negligent act of commission or omission.

In the case of automobile insurance policies in force on January 1, 1989, notice of the tort options available pursuant to the aforesaid section 8 shall be given in accordance with section 17 of P.L. 1983, c. 362 (C. 39:6A-23).
8. a. Within 180 days of the effective date of this section, the commissioner shall promulgate regulations providing the following with regard to private passenger automobile insurance:

   (1) Rate filing data and information specifications in a standard format;

   (2) (a) A standard ratemaking methodology, and

   (b) Uniform standards on ratemaking methodologies, data compilation, data evaluation and data submission;

   (3) Standards of efficiency and other standards of measure based upon industrywide aggregate averages and other relevant data and factors to be utilized in the review and evaluation of the loss, expense and financial data contained in a rate filing; and

   (4) The format, data specifications and other requirements for any informational filings made pursuant to subsection b. of this section.

   b. Notwithstanding any provision of law to the contrary, on July 1, 1989 and annually thereafter, every insurer writing private passenger automobile insurance in this State shall make an informational filing on their private passenger automobile insurance with the commissioner regardless of whether they file for an adjustment in their automobile insurance rates.

9. Section 3 of P.L. 1972, c. 70 (C. 39:6A-3) is amended to read as follows:

C. 39:6A-3 Compulsory automobile insurance coverage; limits.

3. Compulsory automobile insurance coverage; limits. Every owner or registered owner of an automobile registered or principally garaged in this State shall maintain automobile liability insurance coverage, under provisions approved by the Commissioner of Insurance, insuring against loss resulting from liability imposed by law for bodily injury, death and property damage sustained by any person arising out of the ownership, maintenance, operation or use of an automobile wherein such coverage shall be at least in:

   a. an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident; and

   b. an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on
account of injury to or death of, more than one person, in any one accident; and

   c. an amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident.

No licensed insurance carrier shall refuse to renew the required coverage stipulated by this act except in accordance with the provisions of section 26 of P.L. 1988, c. 119 (C. 17:29C-7.1) or with the consent of the Commissioner of Insurance.

C. 39:6A-4.6 Medical fee schedules.

10. The Commissioner of Insurance shall, within 180 days after the effective date of this 1988 amendatory and supplementary act, promulgate medical fee schedules on a regional basis for the reimbursement of health care providers providing services or equipment for medical expense benefits for which payment is required to be made under the personal injury protection coverage provided for in section 4 of P.L. 1972, c. 70 (C. 39:6A-4). These fee schedules shall be promulgated on the basis of the type of injury sustained or service provided, and shall be reviewed biannually by the commissioner.

11. Section 2 of P.L. 1968, c. 385 (C. 17:28-1.1) is amended to read as follows:

C. 17:28-1.1 Uninsured, underinsured motorist coverage.

2. a. No motor vehicle liability policy or renewal of such policy of insurance, including a liability policy for an automobile as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2), insuring against loss resulting from liability imposed by law for bodily injury or death, sustained by any person arising out of the ownership, maintenance or use of a motor vehicle, shall be issued in this State with respect to any motor vehicle registered or principally garaged in this State unless it includes coverage in limits for bodily injury or death as follows:

   (1) an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident, and

   (2) an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to or death of more than one person, in any one accident,

under provisions approved by the Commissioner of Insurance, for payment of all or part of the sums which the insured or his legal
representative shall be legally entitled to recover as damages from
the operator or owner of an uninsured motor vehicle, or hit and run
motor vehicle, as defined in section 18 of P.L. 1952, c. 174 (C.
39:6-78), because of bodily injury, sickness or disease, including death
resulting therefrom, sustained by the insured, caused by accident and
arising out of the ownership, maintenance or use of such uninsured
or hit and run motor vehicle anywhere within the United States or
Canada; except that uninsured motorist coverage shall provide that
in order to recover for non-economic loss, as defined in section 2 of
P.L. 1972, c. 70 (C. 39:6A-2), for accidents to which the benefits of
section 4 (C. 39:6A-4) of that act apply, the tort option elected
pursuant to section 8 (C. 39:6A-8) of that act shall apply to that
injured person.

All motor vehicle liability policies shall also include coverage for
the payment of all or part of the sums which persons insured there­
under shall be legally entitled to recover as damages from owners
or operators of uninsured motor vehicles, other than hit and run
motor vehicles, because of injury to or destruction to the personal
property of such insured, with a limit in the aggregate for all insureds
involved in any one accident of $5,000.00, and subject, for each
insured, to an exclusion of the first $500.00 of such damages.

b. Uninsured and underinsured motorist coverage shall be
provided as an option by an insurer to the named insured up to at
least the following limits: $250,000.00 each person and $500,000.00
each accident for bodily injury; $100,000.00 each accident for prop­
erty damage or $500,000.00 single limit, subject to an exclusion of
the first $500.00 of such damage to property for each accident, except
that the limits for uninsured and underinsured motorist coverage
shall not exceed the insured's motor vehicle liability policy limits for
bodily injury and property damage, respectively.

Rates for uninsured and underinsured motorist coverage for the
same limits shall, for each filer, be uniform on a Statewide basis
without regard to classification or territory.

c. Uninsured and underinsured motorist coverage provided for in
this section shall not be increased by stacking the limits of coverage
of multiple motor vehicles covered under the same policy of insurance
nor shall these coverages be increased by stacking the limits of cov­
erage of multiple policies available to the insured. If the insured had
uninsured motorist coverage available under more than one policy,
any recovery shall not exceed the higher of the applicable limits of
the respective coverages and the recovery shall be prorated between.
CHAPTER 119, LAWS OF 1988

the applicable coverages as the limits of each coverage bear to the total of the limits.

d. Uninsured motorist coverage shall be subject to the policy terms, conditions and exclusions approved by the Commissioner of Insurance, including, but not limited to, unauthorized settlements, nonduplication of coverage, subrogation and arbitration.

e. For the purpose of this section, (1) "underinsured motorist coverage" means insurance for damages because of bodily injury and property damage resulting from an accident arising out of the ownership, maintenance or use of an underinsured motor vehicle. Underinsured motorist coverage shall not apply to an uninsured motor vehicle. A motor vehicle is underinsured when the sum of the limits of liability under all bodily injury and property damage liability bonds and insurance policies available to a person against whom recovery is sought for bodily injury or property damage is, at the time of the accident, less than the applicable limits for underinsured motorist coverage afforded under the motor vehicle insurance policy held by the person seeking that recovery. A motor vehicle shall not be considered an underinsured motor vehicle under this section unless the limits of all bodily injury liability insurance or bonds applicable at the time of the accident have been exhausted by payment of settlements or judgments. The limits of underinsured motorist coverage available to an injured person shall be reduced by the amount he has recovered under all bodily injury liability insurance or bonds.

(2) "uninsured motor vehicle" means:

(a) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is no bodily injury liability insurance or bond applicable at the time of the accident;

(b) a motor vehicle with respect to the ownership, operation, maintenance, or use of which there is bodily injury liability insurance in existence but the liability insurer denies coverage or is unable to make payment with respect to the legal liability of its insured because the insurer has become insolvent or bankrupt, or the Commissioner of Insurance has undertaken control of the insurer for the purpose of liquidation; or

(c) a hit and run motor vehicle as described in section 18 of P.L. 1952, c. 174 (C. 39:6-78).

"Uninsured motor vehicle" shall not include an underinsured
motor vehicle; a motor vehicle owned by or furnished for the regular use of the named insured or any resident of the same household; a self-insurer within the meaning of any financial responsibility or similar law of the state in which the motor vehicle is registered or principally garaged; a motor vehicle which is owned by the United States or Canada, or a state, political subdivision or agency of those governments or any of the foregoing; a land motor vehicle or trailer operated on rails or crawler treads; a motor vehicle used as a residence or stationary structure and not as a vehicle; or equipment or vehicles designed for use principally off public roads, except while actually upon public roads.

12. Section 3 of P.L. 1952, c. 173 (C. 39:6-25) is amended to read as follows:

3. (a) If 20 days after the receipt of a report of a motor vehicle accident within this State which has resulted in bodily injury or death, or damage to the property of any one person in excess of $500.00, the director does not have on file evidence satisfactory to him that the person who would otherwise be required to file security under subsection (b) of this section has been released from liability, or has been finally adjudicated not to be liable, or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installments with respect to all claims for injuries or damages resulting from the accident, and in the event of an accident involving an automobile, required to have coverage for personal injury protection benefits pursuant to P.L. 1972, c. 70 (C. 39:6A-1 et seq.), has also reimbursed or has executed a duly acknowledged written agreement to pay an agreed amount in installments to reimburse the Unsatisfied Claim and Judgment Fund for the payment of all personal injury protection benefits the fund has made or shall make pursuant to section 7 or section 10 of P.L. 1972, c. 198 (C. 39:6-86.1 and C. 39:6-86.4) by reason of the failure of such person to have the requisite insurance coverage in effect, the director shall determine the amount of security which may be necessary in his judgment to satisfy any reimbursement, judgment or judgments for damages resulting from such accident as may be recovered against each operator or owner in view of the total insurance protection available to the injured party. The Director of the Division of Motor Vehicles shall promulgate such rules as may be necessary to set forth those instances where deposit of security is necessary.
(b) The director may, within 90 days after the receipt of such report of a motor vehicle accident, suspend the license of each operator and all registrations of each owner of a motor vehicle in any manner involved in such accident, and if such operator is a nonresident the privilege of operating a motor vehicle within this State, and if such owner is a nonresident the privilege of the use within this State of any motor vehicle owned by him, unless such operator or owner or both shall deposit security in the sum so determined by the director; provided, notice of such suspension shall be sent by the director to such operator and owner not less than 10 days prior to the effective date of such suspension and shall state the amount required as security. Where erroneous information is given the director with respect to the matters set forth in paragraph (1), (2) or (3) of subsection (c) of this section, he may take appropriate action as hereinbefore provided, within 90 days after receipt by him of correct information with respect to said matters.

(c) This section shall not apply under the conditions stated in section 4 of this act nor:

1. To such operator or owner, if such owner had in effect, at the time of such accident, a motor vehicle liability policy with respect to the motor vehicle involved in such accident;

2. To such operator, if not the owner of such motor vehicle, if there was in effect at the time of such accident a motor vehicle liability policy or bond with respect to his operation of motor vehicles not owned by him;

3. To such operator or owner if the liability of such operator or owner for damages resulting from such accident is, in the judgment of the director, covered by any other form of liability insurance policy or bond; nor

4. To any person qualifying as a self-insurer under section 30 of this act, or to any person operating a motor vehicle for such self-insurer.

No such policy or bond shall be effective under this section unless issued by an insurance company or surety company authorized to do business in this State, except that if such motor vehicle was not registered in this State, or was a motor vehicle which was registered elsewhere than in this State at the effective date of the policy or bond, or the most recent renewal thereof, such policy or bond shall not be effective under this section unless the insurance company or surety

company if not authorized to do business in this State shall execute a power of attorney authorizing the director to accept service on its behalf of notice or process in any action upon such policy or bond arising out of such accident; provided, however, every such policy or bond is subject, if the accident has resulted in bodily injury or death, to a limit, exclusive of interest and costs, of not less than $15,000.00 because of bodily injury to or death of one person in any one accident and, subject to said limit for one person, to a limit of not less than $30,000.00 because of bodily injury to or death of two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, to a limit of not less than $5,000.00 because of injury to or destruction of property of others in any one accident and if policy or bond is applicable to an automobile required to have coverage for personal injury protection benefits pursuant to P.L. 1972, c. 70 (C. 39:6A-1 et seq.), it shall include an amount to cover personal injury protection benefits as required by that act.

13. Section 13 of P.L. 1952, c. 173 (C. 39:6-35) is amended to read as follows:

C. 39:6-35  Failure to satisfy judgment.

13. If a person fails to pay and satisfy every judgment rendered against him for damages because of personal injury or death, or damage to property in excess of $500.00, resulting from the ownership, maintenance, use or operation of a motor vehicle and every judgment based on an agreement or contract made in settlement of damages arising out of a motor vehicle accident, within 60 days after its entry, or if an appeal is taken therefrom within that time, within 60 days after the judgment as entered or modified becomes final, the operator’s license and all registration certificates of any such person, other than a chauffeur or operator employed by the owner of a motor vehicle and so acting at the time of the damage, injuries or death resulting in the judgment, shall, upon receiving a certified copy of a transcript of the final judgment from the court in which it was rendered showing it to have been still unsatisfied more than 60 days after it became final, be forthwith suspended by the director.

If the director is satisfied that a judgment debtor or his insurance carrier was, within the said 60-day period, ready, willing and able to pay the said judgment but was prevented from so doing by reason of the refusal or legal inability of the judgment creditor to accept payment, or that the failure to pay said judgment within the said 60-day period was due to the act or neglect of the judgment debtor's
insurance carrier and not to any fault of the judgment debtor then the director may, in his discretion, extend the 60-day limitation herein prescribed for any reasonable time necessary to complete the formality of payment of the judgment and shall not suspend the judgment debtor's driver's license, operating privilege or certificate of registration.

The judgment herein mentioned shall be a judgment of a court of competent jurisdiction of this State or any other state or of a District Court of the United States.

The license and registration certificates shall remain so suspended and shall not be renewed, nor shall a motor vehicle be thereafter registered in the name of that person while the judgment remains unstayed, unsatisfied, subsisting and until every such judgment is satisfied or discharged, except that in the event that the judgment debtor shall be relieved of liability for payment of said judgment by an adjudication of the court in which the same was entered, or if the right to enforce said judgment by docketing and revival, or by revival, or by bringing an action thereon, shall have expired without such revival or the bringing of any such action thereon, the judgment debtor's license shall be restored to him, and one or more motor vehicles may be registered in his name, upon application to the Division of Motor Vehicles.

A discharge in bankruptcy shall relieve the judgment debtor from any of the requirements of this act, provided that the underlying judgment was not based on a willful or malicious tort.

The clerk of the court in which the judgment is rendered, or the court where it has no clerk, shall forward to the director, at the request of the judgment creditor or his attorney, after the expiration of the 60 days a certified copy of the judgment or a transcript thereof, as aforesaid.

Upon the filing with the court of proof of satisfaction or discharge of a judgment, the nonpayment of which has been previously certified to the director, the clerk of the court, or the court where it has no clerk shall immediately forward notice of such satisfaction or discharge to the director.

If the defendant is a nonresident the director shall transmit to the officer in charge of the issuance of driver licenses and registration certificates of the state of which the defendant is a resident a certified copy of the judgment.
If after proof is given, another such judgment is recovered against that person for an accident occurring before the proof was given, the license and certificate shall again be and remain suspended, and no other license or certificate shall be issued to him while the judgment so remains unsatisfied and subsisting.

14. Section 15 of P.L. 1952, c. 173 (C. 39:6-37) is amended to read as follows:

15. Whenever it appears to the satisfaction of the director that:

at the time of a motor vehicle accident resulting in the death of or injury to any person, or damage to property to the extent of $500.00, the judgment debtor, against whom a judgment has been obtained as a result of such accident, was insured in an insurance company, authorized to do business in this State, against public liability for injuries or death to one person to the extent of $15,000.00 and for injuries or death to more than one person to the extent of $30,000.00 and for damage to property to the extent of $5,000.00 arising out of a single motor vehicle accident and with respect to an automobile, as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2), registered or principally garaged in New Jersey; personal injury protection coverage as provided in the "New Jersey Automobile Reparation Reform Act," P.L. 1972, c. 70 (C. 39:6A-1 et seq.), and that the judgment has not been paid or the personal injury protection benefits have not been paid because, subsequent to the date of such accident, such insurance company has become insolvent or bankrupt, or the Commissioner of Insurance has undertaken control thereof for the purpose of liquidation, he shall not suspend the operator's license and the registration certificates of such judgment debtor.

15. Section 9 of P.L. 1952, c. 174 (C. 39:6-69) is amended to read as follows:

9. When any qualified person recovers a valid judgment in any court of competent jurisdiction in this State against any other person, who was the operator or owner of a motor vehicle, for injury to, death of, any person or persons, or a similar valid judgment in such court against such a defendant for an amount in excess of $500.00, exclusive of interest and costs, for damage to property, except property of others in charge of such operator or owner or such operator's or owner's employees, arising out of the ownership, maintenance or use of the motor vehicle in this State on or after April 1, 1955, and any amount remains unpaid thereon in the case of a judgment for bodily
injury or death, or any amount in excess of $500.00 remains unpaid thereon in case of a judgment for damage to property, such judgment creditor may, upon the termination of all proceedings, including reviews and appeals in connection with such judgment, file a verified claim in the court in which the judgment was entered, and upon 10 days' written notice to the board may apply to the court for an order directing payment out of the fund, of the amount unpaid upon such judgment for bodily injury or death, which does not exceed, or upon such judgment for damage to property, which exceeds the sum of $500.00 and does not exceed—

(a) The maximum amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident, and

(b) The maximum amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to, or death of, more than one person, in any one accident, and

(c) The maximum amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident.

16. Section 13 of P.L. 1952, c. 174 (C. 39:6-73) is amended to read as follows:

C. 39:6-73 §500 exclusion.

13. Except with respect to medical expense benefits paid pursuant to section 2 of P.L. 1977, c. 310 (C. 39:6-73.1), no order shall be made for the payment and the treasurer shall make no payment, out of the fund, of

(a) Any claim for damage to property for less than $500.00.

(b) The first $500.00 of any judgment for damage to property or of the unsatisfied portion thereof, or

(c) The unsatisfied portion of any judgment which, after deducting $500.00 therefrom if the judgment is for damage to property, exceeds

(1) the maximum or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person in any one accident, and

(2) the maximum amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest
and costs, on account of injury to, or death of, more than one person, in any one accident, and

(3) the maximum amount or limit of $5,000.00, exclusive of interest and costs, for damage to property in any one accident; provided, that such maximum amounts shall be reduced by any amount received or recovered as specified in subsection (m) of section 10.

(d) Any claim for damage to property which includes any sum greater than the difference between said maximum amounts and the sum of $500.00, and any amount paid out of the fund in excess of the amount so authorized may be recovered by the treasurer in an action brought to him against the person receiving the same.

17. Section 17 of P.L. 1983, c. 65 (C. 17:30E-5) is amended to read as follows:

C. 17:30E-5 Reconstituted board of directors; advisory boards.

17. a. Within 45 days after the effective date of this 1988 amendatory and supplementary act, there shall be appointed a reconstituted board of directors, and within 30 days after the appointment of the reconstituted board, the commissioner shall call the first, or organizational, meeting of the reconstituted board of directors. The board shall consist of nine persons, five of whom shall be appointed by the Governor with the advice and consent of the Senate, however, no more than three of the Governor’s appointees shall be of the same political party, one of whom shall be appointed by the Speaker of the General Assembly, and one by the President of the Senate; the Director of the Division of Motor Vehicles in the Department of Law and Public Safety, or his designee, and the Commissioner of Insurance, or his designee, shall be ex officio members of the board. The board members appointed by the Governor, the President and the Speaker shall be persons with a background in insurance law or practices, specifically with regard to automobile insurance in New Jersey, who shall not, during their tenure on the board be affiliated with or employed by any producer, insurer servicing carrier or non-insurer servicing carrier, or any trade association or other entity representing the interests of any producer, insurer servicing carrier or non-insurer servicing carrier in this State. Members of the board may, during their tenure on the board, be affiliated with or employed by a non-servicing carrier member company. The Governor shall name two surrogates for each director appointed to the board from a list submitted to him by each appointee. Members of the board shall be compensated from the moneys of the association for their
services, pursuant to standards and procedures set forth in the plan of operation. The initial appointment of the board members appointed by the President and Speaker shall be for a term of one year. The initial term of two of the board members appointed by the Governor shall be for a term of two years. The initial term of the remaining three board members appointed by the Governor shall be for a term of three years. After the initial appointments, all directors shall be appointed for terms of three years or until such time as a successor is appointed and duly qualified. Any vacancy in the membership of the board shall be filled in the same manner as the initial appointment for the unexpired term of the director to be replaced.

Within 20 days of the appointment of the reconstituted board of directors, the Governor, upon consultation with the Commissioner of Insurance, shall appoint two advisory boards to serve the board of directors. The first advisory board, to be known as the member company and servicing carrier advisory board, shall be comprised of eight representatives of member companies, servicing carriers and non-insurer servicing carriers. The second advisory board, to be known as the producer advisory board, shall be comprised of six producer representatives. In appointing the representatives of the member company and servicing carrier advisory board, the Governor shall select two persons from a list of not fewer than three persons nominated by the American Insurance Association, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; two persons from a list of not fewer than three persons nominated by the Alliance of American Insurers, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; two persons from a list of not less than three persons nominated by the National Association of Independent Insurers, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; and two persons from the officers or employees of any insurers which are licensed in this State and are not members or subscribers of any of the above-mentioned organizations or from the officers or employees of any noninsurer servicing carriers, as provided for in section 24 of P.L. 1983, c. 65 (C. 17:30E-12). All nominations made by the associations shall include at least one representative of an insurer which is not and does not intend to be a servicing carrier. In appointing the
representatives of the producer advisory board, the Governor shall select two persons from a list of not fewer than three nominated by the Professional Insurance Agents Association or its successor organization; two persons from a list of not fewer than three nominated by the Independent Insurance Agents Association or its successor organization; and two persons from a list of not fewer than three nominated by the Insurance Brokers Association or its successor organization. The Governor shall name two surrogates for each advisory board member from a list submitted to him by each appointee.

Each trade association and producer association shall have 15 days from the effective date of this 1988 amendatory and supplementary act to submit its prescribed list of advisory board candidates to the Governor. If any of the associations named in this section fails to submit the list from which the Governor is to select advisory board members within the time provided in this subsection, the Governor shall appoint temporary advisory board members to represent each association that has failed to submit its list. In selecting temporary advisory board members, the Governor shall be guided by the selection criteria set forth herein. Upon subsequent receipt of the list from the association, the Governor shall select permanent advisory board members to replace temporary board members within 30 days. Such replacement shall become effective immediately. Advisory board members shall each serve for a three year term or until such time as their successor is appointed and qualified. Any vacancy in the membership of the member and servicing carrier or producer advisory board shall be filled in the same manner as the initial appointment for the unexpired term of the advisory board member to be replaced. Advisory board members shall not be compensated for their services, but shall be reimbursed by the association for any necessary and reasonable expenses incurred in performance of their duties as members of the advisory board.

b. After the board has been appointed, it shall elect from its membership a chairman and shall then meet thereafter at least annually, and as often as the chairman or the plan of operation shall require, or at the request of any three members of the board or the commissioner. All meetings of the board and of the advisory boards shall be held in New Jersey. Written notice setting forth the meeting agenda shall be provided for each board meeting. Written notice shall be provided, at least five days prior to the date of the meeting, to all directors, each member of the member and servicing carrier advisory board and producer advisory board, the commissioner, and the chairmen of the Assembly Insurance Committee and the Senate
Labor, Industry and Professions Committee, or the successors to those committees. Minutes shall be kept of all meetings. A copy of the minutes shall be sent within five business days following the meeting to the commissioner and to the chairmen of the two legislative committees. Each member of the board shall be entitled to one vote. The commissioner, or his designated representative, shall have no right to vote. Four voting members of the board shall constitute a quorum. No votes shall be cast on any matter except at an authorized board meeting. All votes shall be recorded in the minutes of the meeting. No votes shall be cast on any matter not listed as an agenda item in the written notice for that meeting. No member or his surrogate shall be entitled to vote on any matter if not physically present at the meeting at which the vote is taken. A majority of the voting members shall determine any action of the board. No member may serve as chairman for more than two consecutive years.

c. The board shall have and exercise all powers of the association not reserved to the members by the plan of operation or as otherwise provided in this act.

18. Section 14 of P.L. 1983, c. 65 (C. 17:30E-2) is amended to read as follows:

C. 17:30E-2 Purpose.

14. The purpose of this act is to assure to the New Jersey insurance consumer full access to automobile insurance through normal market outlets, to encourage the use of available market facilities, to provide automobile insurance for qualified applicants who cannot otherwise obtain such insurance, through a full automobile insurance underwriting association, and to require that companies be made whole for losses in excess of regulated rates on all risks not voluntarily written by providing procedures for the spreading and recoupment of losses based on actual experience.

19. Section 10 of P.L. 1952, c. 174 (C. 39:6-70) is amended to read as follows:

C. 39:6-70 Hearing on application for payment of judgment.

10. Hearing on application for payment of judgment. The court shall proceed upon such application, in a summary manner, and, upon the hearing thereof, the applicant shall be required to show:

(a) He is not a person covered with respect to such injury or death by any workers' compensation law, or the personal representative of such a person,
(b) He is not a spouse, parent or child of the judgment debtor, or the personal representative of such spouse, parent or child,

(c) He was not at the time of the accident a person (1) operating or riding in a motor vehicle which he had stolen or participated in stealing or (2) operating or riding in a motor vehicle without the permission of the owner, and is not the personal representative of such a person,

(d) He was not at the time of the accident, the owner or registrant of an uninsured motor vehicle, or was not operating a motor vehicle in violation of an order of suspension or revocation,

(e) He has complied with all of the requirements of section 5,

(f) The judgment debtor at the time of the accident was not insured under a policy of automobile liability insurance under the terms of which the insurer is liable to pay in whole or in part the amount of the judgment,

(g) He has obtained a judgment as set out in section 9 of this act, stating the amount thereof and the amount owing thereon at the date of the application,

(h) He has caused to be issued a writ of execution upon said judgment and the sheriff or officer executing the same has made a return showing that no personal or real property of the judgment debtor, liable to be levied upon in satisfaction of the judgment, could be found or that the amount realized on the sale of them or of such of them as were found, under said execution, was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application thereon of the amount realized,

(i) He has caused the judgment debtor to make discovery under oath, pursuant to law, concerning his personal property and as to whether such judgment debtor was at the time of the accident insured under any policy or policies of insurance described in subsection (f) of this section,

(j) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of personal or real property or other assets, liable to be sold or applied in satisfaction of the judgment,

(k) By such search he has discovered no personal or real property or other assets, liable to be sold or applied or that he has discovered
certain of them, describing them, owned by the judgment debtor and liable to be so sold and applied and that he has taken all necessary action and proceedings for the realization thereof and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized,

(l) The application is not made by or on behalf of any insurer by reason of the existence of a policy of insurance, whereby the insurer is liable to pay, in whole or in part, the amount of the judgment and that no part of the amount to be paid out of the fund is sought in lieu of making a claim or receiving a payment which is payable by reason of the existence of such a policy of insurance and that no part of the amount so sought will be paid to an insurer to reimburse or otherwise indemnify the insurer in respect of any amount paid or payable by the insurer by reason of the existence of such a policy of insurance,

(m) Whether or not he has recovered a judgment in an action against any other person against whom he has a cause of action in respect of his damages for bodily injury or death or damage to property arising out of the accident and what amounts, if any, he has received by way of payments upon the judgment, or by way of settlement of such cause of action, in whole or in part, from or on behalf of such other person,

(n) In order to recover for noneconomic loss, as defined in section 2 of P.L. 1972, c. 70 (C. 39:6A-2) for accidents to which the benefits of sections 7 and 10 of P.L. 1972, c. 198 (C. 39:6-86.1 and C. 39:6-86.4) apply, the injured person shall have sustained an injury described in subsection a. of section 8 of P.L. 1972, c. 70 (C. 39:6A-8).

Whenever the applicant satisfies the court that it is not possible to comply with one or more of the requirements enumerated in subsections (h) and (i) of this section and that the applicant has taken all reasonable steps to collect the amount of the judgment or the unsatisfied part thereof and has been unable to collect the same, the court may dispense with the necessity for complying with such requirements.

The board or any insurer to which the action has been assigned may appear and be heard on application and show cause why the order should not be made.

20. Section 24 of P.L. 1983, c. 65 (C. 17:30E-12) is amended to read as follows:
C. 17:30E-12 Servicing carrier.

24. a. Pursuant to the procedures and standards established in the plan of operation, the board shall solicit, by advertisement in at least two newspapers of general circulation in the State, proposals from members and eligible noninsurers to act as a servicing carrier for the association. Standards may include the submission of a deposit.

All proposals shall be publicly opened by the board, which, after consultation with, and the approval of, the commissioner, shall award a contract to the proposer or proposers, as the case may be, whose proposal, conforming to the solicitation for proposals, is most advantageous to the association and its policyholders in its judgment, upon consideration of price and other factors. The commissioner may reject any and all bids if he determines that the bid proposals do not serve the best interests of the association. If the bid process does not result in adequate servicing capacity for the association, capacity shall be achieved pursuant to the provisions of subsection e. of this section.

Any person who makes, or causes to be made, a false, deceptive, or fraudulent statement in any proposal to be a servicing carrier, or in the course of any proceeding in connection therewith, shall be subject to a fine of not less than $20,000.00, shall forfeit any fee which may be required to be submitted in conjunction with the proposal, and shall be permanently disqualified from submitting any further proposal under this section.

b. Insurers under common management or ownership may elect to submit an application to act as a servicing carrier in the name of any company in the group which is licensed and authorized to transact automobile insurance in this State. The commissioner may disapprove the action by the board, if he finds that the action is not in the best interests of the association, the insurer, or the purposes of this act, within 20 days of final approval by the board. The disapproval shall be made in writing and shall set forth the reasons for disapproval.

c. Any person other than a member may act as a servicing carrier if: (1) the person meets the standards of eligibility for non-insurer servicing carriers established by the commissioner in the plan of operation, after consultation with the board; and (2) the person is approved by the commissioner as being eligible. The plan of operation shall contain any standards of eligibility which the commissioner may deem appropriate for establishing the qualifications of persons desiring to become noninsurer servicing carriers, which
standards may include, but not be limited to, financial soundness, the capacity to perform the services required, experience, and record of past performance.

The commissioner shall have the authority to exercise all the powers granted to him by Title 17 of the Revised Statutes, including the powers of examination, with respect to noninsurer servicing carriers deemed to be eligible pursuant to this subsection.

d. The standards of eligibility shall require that every non-insurer servicing carrier: (1) shall have minimum assets of $10,000,000.00; (2) shall have been in business for at least five years; (3) shall have had at least three years’ experience in insurance related fields or activities; and (4) shall be able to demonstrate to the commissioner and the board that it has the capacity to issue and service a minimum of 100,000 private passenger automobile insurance policies.

e. After notice and hearing, the commissioner may require one or more members of the association or member of a group as provided in subsection b. of this section to act as servicing carriers, if he determines that the action is necessary to effectuate the purposes of this act, except that no company having less than 1% of the voluntary private passenger automobile insurance market in this State based on its net written car years of exposure shall be subject to the provisions of this subsection.

f. Pursuant to procedures established by the commissioner, any member of the association or eligible noninsurer which is acting as a servicing carrier may apply to the commissioner for permission to discontinue acting as a servicing carrier or to reduce its participation. After notice and a hearing, the commissioner may permit such insurer or eligible non-insurer to discontinue acting as a servicing carrier or to reduce its participation, on terms to be imposed by the commissioner, if the commissioner finds that such action is in the best interests of the insurer or eligible noninsurer, the association and the purposes of this act.

g. After notice and hearing, the association may recommend to the commissioner that the authority of a servicing carrier be terminated or the commissioner may terminate the authority of a servicing carrier to act as a servicing carrier, if the association or the commissioner determines that it is in the best interest of the association.

h. Any order of the commissioner pursuant to this section shall be subject to review by the Appellate Division of the Superior Court.
21. Section 25 of P.L. 1983, c. 65 (C. 17:30E-13) is amended to read as follows:

C. 17:30E-13 Territorial base rates.

25. Notwithstanding the provisions of section 7 of P.L. 1983, c. 65 (C. 17:29A-36), the rates used by the association shall be as follows:

a. On January 1, 1989, the territorial base rates used by the association for policies issued or renewed following that date shall be adjusted by the commissioner so that they exceed the territorial base rates used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by 10%.

b. On January 1, 1990, the territorial base rates used by the association for policies issued or renewed following that date shall be adjusted by the commissioner based on the needs of the association pursuant to a filing made with the commissioner by the association no later than October 1, 1989. The commissioner may adjust the association rates so that they exceed the territorial base rates used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by no more than 20%.

c. On January 1, 1991, the territorial base rates used by the association for policies issued or renewed following that date shall be adjusted by the commissioner based on the needs of the association pursuant to a filing made with the commissioner by the association no later than October 1, 1990. The commissioner may adjust the association rates so that they exceed the territorial base rates used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by no more than 30%.

d. On January 1, 1992, the territorial base rates used by the association for policies issued or renewed following that date shall be adjusted by the commissioner based on the needs of the association pursuant to a filing made with the commissioner by the association no later than October 1, 1991. The commissioner may adjust the association rates so that they exceed the territorial base rates used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by no more than 40%.

e. On January 1, 1993, the commissioner shall direct the board
to prepare, adopt and file with the commissioner rates which are based upon past and prospective loss experience of the risks underwritten by the association and the expenses attendant thereto, and which maintain the association on a self-sustaining basis. The commissioner shall approve or disapprove the rates filed by the board pursuant to the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.).

Nothing contained in this subsection shall be deemed to affect the commissioner's ability to continue to maintain any flat charges (also known as flat capitation fees or policy constants) pursuant to section 1 of P.L. 1984, c. 1 (C. 17:29A-37.1) or any residual market equalization charge pursuant to section 20 of P.L. 1983, c. 65 (C. 17:30E-8) approved on or before 48 months following the effective date of this 1988 amendatory and supplementary act.

f. Nothing contained in subsections a. through e. of this section shall operate to cause the rates charged by the association to result in revenues to the association which exceed the needs of the association in meeting its obligations and expenses.

g. The commissioner may order the adjustment of association rates in any territory in which the relationship between the rates used by the association and the rates used by insurers in the standard voluntary market is such that the voluntary market is adversely affected.

h. The commissioner may order the establishment of association rates which are higher than the rates which are otherwise provided for by this section, which rates would be applicable to certain drivers, based on their accident or violation records. The rates applicable to these drivers shall be established additively to the rates otherwise authorized for the use of the association, shall be spread equably across all classes and territories and may, at the discretion of the commissioner, vary as to the extent of the at-fault accident or violation records of the drivers.

C. 17:30E-13.1 Collision, comprehensive coverage rates.

22. Notwithstanding any other provision of law to the contrary, within 60 days of the effective date of this section, the board of directors of the association shall establish rates for collision and comprehensive coverages based on the experience of the association, which shall be filed for approval by the commissioner pursuant to P.L. 1944, c. 27 (C. 17:29A-1 et seq.). Any and all proceedings relating to a filing made pursuant to this section shall be completed on an expedited basis no later than 30 days after the date of the filing, and upon terms and conditions established by the commissioner.
23. a. The plan of operation shall provide for the establishment of an association data bank to facilitate the dissemination of information regarding association risks to all insurers transacting the business of private passenger automobile insurance in the voluntary market.

b. The plan of operation shall establish the type of information which may be made available to insurers, which may include, but not be limited to, the name, address, and classification of the insured, a description of the vehicle, the loss history of the insured, the limits of coverage on the policy, and the producer of record.

c. The board shall make this data available to all insurers writing private passenger automobile insurance in the voluntary market in a nondiscriminatory manner to facilitate the insurers' depopulation of the association.

d. The data bank, as established in the plan, shall be fully operational within six months of the effective date of this section.

24. Section 18 of P.L. 1983, c. 362 (C. 17:29A-15.1) is amended to read as follows:

C. 17:29A-15.1 Premium credits.

18. Premium credits shall be provided for each deductible and exclusion on personal injury protection coverage offered in accordance with section 13 of P.L. 1983, c. 362 (C. 39:6A-4.3), and for the tort limitation options on bodily injury liability coverage offered in accordance with section 8 of P.L. 1972, c. 70 (C. 39:6A-8). All premium credits to which this section applies shall be calculated and represented to the insured as a percentage of the applicable premium for each coverage option, and the percentage for each coverage option shall be uniform by filer on a Statewide basis.

The premium charged for each coverage shall be clearly set forth in any policy or endorsement provided the insured.

The percentage rate of commission or rate of other compensation payable by an automobile insurer to a producer shall not vary by reason of the selection or nonselection of any option provided in section 13 of P.L. 1983, c. 362 (C. 39:6A-4.3) and section 8 of P.L. 1972, c. 70 (C. 39:6A-8).

25. Section 26 of P.L. 1983, c. 65 (C. 17:30E-14) is amended to read as follows:
C. 17:30E-14 Procedures; voluntary market quota.

26. a. Within 45 days of the effective date of this 1988 amendatory and supplementary act, the commissioner shall, in the plan of operation, establish procedures to govern the voluntary writing of applicants and association insureds without the utilization of the association. These procedures shall include criteria identifying drivers who should be eligible for coverage in the voluntary market. Applicants and association insureds meeting these criteria shall be subject to assignment by the association to member companies, pursuant to an equitable apportionment procedure established in the plan of operation. The procedure shall give due consideration to the increase or decrease in the volume of private passenger automobile non-fleet exposures voluntarily written by member companies in this State since January 1, 1984.

b. (1) Pursuant to the procedures established in the plan of operation under subsection a. of this section, the commissioner shall establish a voluntary market quota, which shall not be less than 60% of the aggregate number of private passenger automobile non-fleet exposures written in the total private passenger automobile insurance market in this State on the effective date of this 1988 amendatory and supplementary act. The quota shall prescribe the number of voluntary market exposures which shall be written by member companies during the 12 month period beginning 60 days after the effective date of this 1988 amendatory and supplementary act.

(2) At the end of the first 12 month period following the effective date of this 1988 amendatory and supplementary act, the commissioner shall prescribe a second quota, which shall take effect no later than 60 days following the end of that period and which shall not be less than 70% of the aggregate number of private passenger automobile non-fleet exposures written in the total private passenger automobile insurance market in this State at the end of the first 12 month period following the effective date of this 1988 amendatory and supplementary act. The quota shall prescribe the number of voluntary market exposures which shall be written by member companies during the 12 month period described in this paragraph.

(3) At the end of the second 12 month period following the effective date of this 1988 amendatory and supplementary act, the commissioner shall prescribe a third quota, which shall take effect no later than 60 days following the end of that period and which shall not be less than 75% of the aggregate number of private passenger automobile non-fleet exposures written in the total private passenger
automobile insurance market in this State at the end of the second 12 month period following the effective date of this 1988 amendatory and supplementary act. The quota shall prescribe the number of voluntary market exposures which shall be written by member companies during the 12 month period described in this paragraph.

(4) No later than 60 days following the end of the third 12 month period following the effective date of this 1988 amendatory and supplementary act, the commissioner shall prescribe such a quota that will result, at the end of the fourth 12 month period following the effective date of this 1988 amendatory and supplementary act, in the volume of exposures written in the voluntary market equaling no less than 80% of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State, or such volume of exposures in excess of 80% that the commissioner determines should be considered eligible for coverage in the voluntary market. The quota shall prescribe the number of voluntary market exposures which shall be written by member companies during the 12 month period described in this paragraph. After the period established in this paragraph, the association shall not write any risk for a period longer than three years, unless, at the end of that time, the insured has presented evidence that he has been rejected by at least two insurers in the voluntary market.

c. In the event that any of the quotas established by the commissioner pursuant to subsection b. of this section have not been met by the end of any 12 month period, the commissioner shall direct the association to assign the balance of the exposures needed to meet the applicable quota to member companies in a manner consistent with the apportionment procedure established pursuant to subsection a. of this section. A member company which exceeds its apportionment share for any 12 month period shall receive credit for the excess against the following year’s obligation.

d. If, at any time after the period established in paragraph (4) of subsection b. of this section, the volume of exposures written in the voluntary market equals less than 80% of the aggregate number of private passenger automobile non-fleet exposures being written in the total private passenger automobile insurance market in this State or such volume of exposures in excess of 80% that the commissioner determines should be eligible for coverage in the voluntary market, the commissioner shall direct the association to assign eligible appli-
cants and association insureds to member companies on an equitable basis.

e. For the purposes of this section, any exposure written in the voluntary market by an affiliate of the insurer to which an apportioned share has been assigned shall be credited against that share.

f. The total number of exposures written in the voluntary market, net of exposures cancelled or nonrenewed, by a member company at the end of the applicable period shall be utilized in determining whether the member company has written its apportionment share in the voluntary market for purposes of complying with any quotas established by the commissioner pursuant to this section.

g. The commissioner may excuse a member company from meeting any of its obligations under this section that he determines would result in the member company being in an unsafe or unsound condition.

h. Any member company that does not write its apportionment share of any quota established by the commissioner pursuant to subsection b. or c. of this section within the applicable time period shall be precluded from nonrenewing automobile insurance policies pursuant to section 26 of this 1988 amendatory and supplementary act during the immediately following 12 month period.

i. In addition to the requirements of subsection a. of this section, the procedures governing the increase in voluntary market volume shall:

(1) establish guidelines and criteria for determining whether a person is a qualified applicant as defined in section 15 of P.L. 1983, c. 65 (C. 17:30E-3), and procedures for the issuance of automobile insurance through the voluntary market to persons found not to be qualified applicants for association coverage, and for the referral of persons determined not to be eligible for association coverage to alternative residual market mechanisms;

(2) include provisions ensuring that servicing carriers do not obtain any unfair advantage over other member companies in the selection of qualified applicants and association insureds to be written as voluntary business;

(3) neither prohibit nor require member companies to write association business through association producers of record, provided, however, that where a member company elects not to service such
business through the association producer of record, the procedures shall address the manner in which the association shall transfer the business to the member company, and shall establish reasonable compensation in an amount sufficient to offset the actual expenses incurred by the association producer in conjunction with the transfer which shall be paid by the association upon transfer of the business to the member company; and

(4) provide for financial disincentives to applicants who, without good cause, reapply for coverage in the association after being placed in the voluntary market.

C. 17:29C-7.1 Refusal to renew.

26. a. Notwithstanding the provisions of section 3 of P.L. 1972, c. 70 (C. 39:6A-3), a licensed insurer may, in accordance with subsections b. and c. of this section, refuse to renew a policy of private passenger automobile insurance that provides coverage required to be maintained pursuant to P.L. 1972, c. 70 (C. 39:6A-1 et seq.).

b. For each calendar year period, an insurer may issue notices of intention not to renew an automobile insurance policy in the voluntary market in an amount not to exceed 2% of the total number of voluntary market automobile insurance policies of the insurer, rounded to the nearest whole number, which are in force at the end of the previous calendar year in each of the insurer’s rating territories in use in this State.

c. For every two newly insured automobiles which an insurer voluntarily writes in each territory during each calendar year period, the insurer shall be permitted to refuse to renew one additional policy of automobile insurance in that territory in excess of the 2% limitation established by subsection b. of this section, subject to a fair and nondiscriminatory formula developed by rule or regulation of the commissioner. For the purposes of this section, “voluntarily writes” shall not include any exposure voluntarily written by or assigned to an insurer to meet any quota established pursuant to section 26 of P.L. 1983, c. 65 (C. 17:30E-14).

d. The provisions of this section shall not apply to any cancellation made pursuant to subsection (A) of section 2 of P.L. 1968, c. 158 (C. 17:29C-7).

e. The commissioner shall monitor the implementation and operation of this section and shall report his findings, including any legislative proposals, to the Senate Labor, Industry and Professions Committee and the Assembly Insurance Committee, or their successors, within three years of the effective date of this act.
27. Section 2 of P.L. 1968, c. 158 (C. 17:29C-7) is amended to read as follows:

C. 17:29C-7  Notice of cancellation.

2. (A) A notice of cancellation of a policy shall be effective only if it is based on one or more of the following reasons:

(a) Nonpayment of premium or nonpayment of a residual market equalization change imposed pursuant to the provisions of section 20 of P.L. 1983, c. 65 (C. 17:30E-8); or

(b) The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period.

(B) This section shall not apply to any policy or coverage which has been in effect less than 60 days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

(C) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding $100.00 shall not be deemed a cancellation of the coverage or of the policy.

(D) This section shall not apply to nonrenewal.

C. 17:29A-6.1 Self-rating; organization membership.

28. a. Notwithstanding the provisions of sections 5 and 10 of P.L. 1944, c. 27 (C. 17:29A-5 and 17:29A-10):

(1) Every insurer writing motor vehicle insurance in this State shall file for approval of their own expenses;

(2) Every insurer writing motor vehicle insurance in this State whose total written car years insured, on a calendar basis, equals or exceeds 2% on January 1, 1989, 1.5% on January 1, 1990, and 1% on January 1, 1991, of the total written car years insured by all insurers writing motor vehicle insurance in this State, for the same calendar year, shall make its own rates for motor vehicle insurance in accordance with the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.) based upon the insurer's own loss experience for those lines.

b. Nothing contained in this section shall be deemed to prohibit any insurer from continuing to be a member or a subscriber of a rating organization or from becoming a member or subscriber of a rating organization for any other line of insurance which it may write in this State, but no rating organization may use the loss experience
of any member that is subject to the provisions of paragraph (2) of subsection a. of this section in making its motor vehicle insurance rates for its members not subject to the provisions of paragraph (2) of subsection a. of this section unless such experience is necessary to determine actuarially sound rates.

C. 17:29A-42 Average rate change percentage.

29. a. In order to effectuate the purposes of this 1988 amendatory and supplementary act, including accomplishing the depopulation of the New Jersey Automobile Full Insurance Underwriting Association, and encouraging competition and addressing the needs of the private passenger automobile insurance voluntary market in this State, the Commissioner of Insurance shall, within 90 days of the effective date of this act, establish by regulation a Statewide average rate change percentage for use by filers writing private passenger automobile insurance in this State. The Statewide average rate change percentage shall be established with due recognition to changes in the Consumer Price Indices most relevant to changes in the cost of automobile insurance. The commissioner may by regulation annually alter the percentage amount.

b. Notwithstanding any other provision of law to the contrary, commencing July 1, 1989, and annually thereafter, any filer may make a private passenger automobile insurance Statewide average rate change that is not in excess of the amount prescribed by the commissioner pursuant to subsection a. of this section which may be used when filed pursuant to subsection c. of this section. As used in this section, "Statewide average rate change" means the total Statewide premium for all coverages, combined at the rates resulting from the filing divided by the total Statewide premium for all coverages combined at the rates in effect at the time of the filing.

c. A filer may implement a change in rate level, pursuant to subsection b. of this section, in whole or in part, in a single or in multiple filings by making an informational filing with the commissioner in a manner and form approved by the commissioner. The filing shall include a statement of the reason or reasons for the change in rate level, including but not limited to the claim and expense experience of the individual filer.

d. Neither the provisions of subsection c. of section 14 of P.L. 1944, c. 27 (C. 17:29A-14), nor the provisions of section 19 of P.L. 1974, c. 27 (C. 52:27E-18), shall apply to any filing made pursuant to this section.
e. The commissioner shall monitor the implementation and use of flex rating pursuant to this section and shall report his findings to the Senate Labor, Industry and Professions Committee and the Assembly Insurance Committee, or their successors, including any legislative proposals, no later than July 1, 1992. This report shall provide an evaluation of the use of this rating mechanism and its impact on the availability and affordability of private passenger automobile insurance in this State and the depopulation of the New Jersey Automobile Full Insurance Underwriting Association and shall include any legislative proposals or other recommendations of the commissioner.

C. 17:29A-43 Good driver discount plan.

30. Every insurer writing private passenger automobile insurance in this State shall, within 60 days of the effective date of this section, file for approval by the commissioner pursuant to P.L. 1944, c. 27 (C. 17:29A-1 et seq.), a good driver discount plan applicable to private passenger automobile insurance rates. Any and all proceedings relating to a filing made pursuant to this section shall be completed on an expedited basis no later than 30 days after the date of the filing, and upon terms and conditions established by the commissioner.

31. Section 16 of P.L. 1983, c. 362 (C. 39:6A-22) is amended to read as follows:

16. Powers of exchange. a. The exchange shall be empowered to raise sufficient moneys (1) to pay its operating expenses, and (2) to compensate members of the exchange for claims paid for noneconomic loss, and associated claim adjustment expenses, which would not have been incurred had the tort limitation option provided in subsection b. of section 8 of P.L. 1972, c. 70 (C. 39:6A-8) or, in the case of policies issued or renewed on or after January 1, 1989, subsection a. of section 8 of P.L. 1972, c. 70 (C. 39:6A-8), been elected by the injured party filing the claim for noneconomic loss.

b. In order to enable the exchange to meet its obligations under subsection a. of this section, every member insurer or servicing carrier of the New Jersey Automobile Full Insurance Underwriting Association shall forward on a monthly basis, within 15 days of the close of the member's accounting month, a charge, to be known as the AIRE charge, in an amount and manner to be prescribed by the board of directors.
AIRE charge amounts required to be paid to the exchange in accordance with this subsection shall, in the case of those amounts determined by the board of directors to be applicable during the period from July 1, 1984 to the effective date of P.L. 1985, c. 520, be paid to the exchange within 60 days of that date.

A 10% per annum penalty charge shall be assessed by the exchange on any overdue AIRE charges.

c. The board of directors shall establish guidelines by which members or servicing carriers and the exchange may verify the tort limitation options elected by claimants.

d. Moneys collected by or otherwise available to the exchange shall be invested as hereinafter provided in section 12 of P.L. 1985, c. 520 (C. 39:6A-22.1).

e. The exchange shall have such powers as may be necessary or appropriate to effectuate the purposes of the exchange.

32. In order to implement the provisions of section 8 of P.L. 1972, c. 70 (C. 39:6A-8), as amended by this 1988 amendatory and supplementary act, the commissioner shall immediately order the filing of rates for coverage under that section by all insurers transacting private passenger automobile insurance in this State. Any and all proceedings relating to a filing made pursuant to this section shall be completed on an expedited basis no later than 30 days after the date of the filing, and upon terms and conditions established by the commissioner.

10. a. Every private passenger automobile insurance policy providing collision and comprehensive coverages, issued or renewed on or after the effective date of this act, shall provide a deductible in a minimum amount of $500.00 each for collision and comprehensive coverages, unless the named insured selects a lower deductible amount. The minimum deductible established by this subsection shall apply to all policies providing collision and comprehensive coverages unless the named insured provides otherwise in writing on a form approved by the commissioner.

b. The commissioner shall promulgate rules and regulations requiring insurers to offer a range of deductibles up to at least $2,000.00
CHAPTER 119, LAWS OF 1988

17. Written notice—buyer’s guide and coverage selection form.

a. No new automobile insurance policy shall be issued on or after the 180th day following the effective date of P.L. 1985, c. 520, unless the application for the policy is accompanied by a written notice identifying and containing a buyer’s guide and coverage selection form. The buyer’s guide shall contain a brief description of all available policy coverages and benefit limits, and shall identify which coverages are mandatory and which are optional under State law, as well as all options offered by the insurer.

The buyer’s guide shall also contain a statement on the possible coordination of other health benefit coverages with the personal in-
jury protection coverage options, the form and contents of which shall be prescribed by the Commissioner of Insurance.

The coverage selection form shall identify the range of premium rate credit or dollar savings, or both, and shall provide any other information required by the commissioner by regulation.

The applicant shall indicate the options elected on the coverage selection form which shall be signed and returned to the insurer.

b. (Deleted by amendment, P.L. 1985, c. 520.)

c. Any notice of renewal of an automobile insurance policy with an effective date subsequent to July 1, 1984, shall be accompanied by a written notice of all policy coverage information required to be provided under subsection a. of this section.

The Commissioner of Insurance shall, within 45 days following the effective date of this act, promulgate standards for the written notice and buyer's guide required to be provided under this section.

d. Written notices provided by any insurer writing at least 2% of the New Jersey private passenger automobile market, including the New Jersey Automobile Full Insurance Underwriting Association established pursuant to section 16 of P.L. 1983, c. 65 (C. 17:30E-4), shall also contain a statement advising that if the insured or applicant has any questions concerning his automobile insurance policy, including questions as to coverage or premiums, he may contact his producer, or the company directly, by using a toll free number which shall be set forth in the notice. Written notice shall be given to all insureds of any change in the toll free number.

e. A properly completed and executed coverage selection form shall be prima facie evidence of the named insured's knowing election or rejection of any option.

36. Section 17 of P.L. 1983, c. 362 (C. 39:6A-23) is supplemented as follows:

C. 39:6A-23.1 Comparative premium data.

Within nine months of the effective date of this 1988 amendatory and supplementary act, the Commissioner of Insurance shall cause to have published a representative sample of the premiums being charged by insurers in each territory to facilitate price comparison by insureds or prospective insureds who are seeking new coverage. The commissioner may act to make comparative premium data available to all insureds and prospective insureds.
37. The commissioner shall conduct a review of the rating territories employed by insurers in establishing private passenger automobile insurance rates and of the caps imposed on private passenger automobile insurance rates pursuant to section 7 of P.L. 1983, c. 65 (C. 17:29A-36), which review shall include an evaluation of the number of territories which are presently being utilized and an examination of the actuarial and statistical soundness of those caps, and report his findings, including any legislative proposals, within 12 months of the effective date of this 1988 amendatory and supplementary act to the Governor and the appropriate standing reference committees of the Legislature.

With respect to personal injury protection coverage provided on an automobile in accordance with section 4 of P.L. 1972, c. 70 (C. 39:6A-4), the automobile insurer shall, at appropriately reduced premiums, provide the following coverage options:

a. Medical expense benefit deductibles in amounts of $500.00, $1,000.00 and $2,500.00 for any one accident;

b. The option to exclude all benefits offered under subsections b., c., d., and e. of section 4;

c. (Deleted by amendment, P.L. 1988, c. 119.)

A deductible or exclusion elected by the named insured in accordance with this section shall apply only to the named insured and any resident relative in the named insured’s household who is not a named insured under another automobile insurance policy, and not to any other person eligible for personal injury protection benefits required to be provided in accordance with section 4.

In the case of a medical expense benefit deductible, the deductible elected by the named insured shall be satisfied for any one accident, whether the medical expense benefits are paid or provided, in the amount of the deductible, to the named insured or to one or more resident relatives in the named insured’s household who are not named insureds under another insurance policy, or to any combination thereof.

If such alteration, supplement, or amendment shall have the effect of increasing or decreasing rates, the commissioner shall determine whether the rates as altered thereby are reasonable, adequate, and not unfairly discriminatory. If the commissioner shall determine that the rates as so altered are not unreasonably high, or inadequate, or unfairly discriminatory, he shall make an order approving them. If he shall find that the rates as altered are unreasonable, inadequate, or unfairly discriminatory, he shall issue an order disapproving such alteration, supplement or amendment.

b. (Deleted by amendment, P.L. 1984, c. 1.)

c. If an insurer or rating organization files a proposed alteration, supplement or amendment to its rating system, or any part thereof, which would result in a change in rates, the commissioner may, or upon the request of the filer or the Public Advocate shall, certify the matter for a hearing. The hearing shall, at the commissioner's discretion, be conducted by himself, by a person appointed by the commissioner pursuant to section 26 of P.L. 1944, c. 27 (C. 17:29A-26), or by the Office of Administrative Law, created by P.L. 1978, c. 67 (C. 52:14F-1 et seq.), as a contested case. The following requirements shall apply to the hearing:

(1) The hearing shall commence within 30 days of the date of the
request or decision that a hearing is to be held. The hearing shall be held on consecutive working days, except that the commissioner may, for good cause, waive the consecutive working day requirement. If the hearing is conducted by an administrative law judge, the administrative law judge shall submit his findings and recommendations to the commissioner within 30 days of the close of the hearing. The commissioner may, for good cause, extend the time within which the administrative law judge shall submit his findings and recommendations by not more than 30 days. A decision shall be rendered by the commissioner not later than 60 days, or, if he has granted a 30 day extension, not later than 90 days, from the close of the hearing. A filing shall be deemed to be approved unless rejected or modified by the commissioner within the time period provided herein.

(2) The commissioner, or the Director of the Office of Administrative Law, as appropriate, shall notify all interested parties, including the Public Advocate on behalf of insurance consumers, of the date set for commencement of the hearing, on the date of the filing of the request for a hearing, or within 10 days of the decision that a hearing is to be held.

(3) The insurer or rating organization making a filing on which a hearing is held shall bear the costs of the hearing.

(4) The commissioner may promulgate rules and regulations (a) to establish standards for the submission of proposed filings, amendments, additions, deletions and alterations to the rating system of filers, which may include forms to be submitted by each filer; and (b) making such other provisions as he deems necessary for effective implementation of this act.

d. (Deleted by amendment, P.L. 1984, c. 1.)

e. In order to meet, as closely as possible, the deadlines in section 17 of P.L. 1983, c. 362 (C. 39:6A-23) for provision of notice of available optional automobile insurance coverages pursuant to section 13 of P.L. 1983, c. 362 (C. 39:6A-4.3) and section 8 of P.L. 1972, c. 70 (C. 39:6A-8), and to implement these coverages, the commissioner may require the use of rates, fixed by him in advance of any hearing, for deductible, exclusion, setoff and tort limitation options, on an interim basis, subject to a hearing and to a provision for subsequent adjustment of the rates, by means of a debit, credit or refund retroactive to the effective date of the interim rates. The public hearing on initial rates applicable to the coverages available under section
13 of P.L. 1983, c. 362 (C. 39:6A-4.3) and section 8 of P.L. 1972, c. 70 (C. 39:6A-8) shall not be limited by the provisions of subsection c. of this section governing changes in previously approved rates or rating systems.

40. Section 15 of P.L. 1983, c. 65 (C. 17:30E-3) is amended to read as follows:

C. 17:30E-3 Definitions.

15. As used in sections 13 to 34 of this act:

b. "Automobile" means a private passenger automobile of a private passenger or station wagon type that is owned or hired, and is neither used as a public or livery conveyance for passengers nor rented to others with a driver; a motor vehicle with a pickup body, a delivery sedan, a van, or a panel truck or a camper type vehicle used for recreational purposes, owned by an individual or by husband and wife who are residents of the same household, not customarily used in the occupation, profession or business of the insured other than farming or ranching; and, solely for the purposes of this act, a motorcycle, as defined in R.S. 39:1-1. An automobile owned by a farm family copartnership or corporation, which is principally garaged on a farm or ranch and otherwise meets the definition contained in this section, shall be considered a private passenger automobile owned by two or more relatives resident in the same household.

c. "Automobile insurance" means direct insurance against injury or damage, including the legal liability therefor, arising out of the ownership, operation, maintenance or use of automobiles, including, but not limited to, personal injury protection insurance, bodily injury liability insurance, property damage liability insurance, physical damage insurance and uninsured and underinsured motorist insurance.

d. "Board" or "board of directors" means the board of directors of the association.

e. "Company" or "member" means an insurer member of the association.

f. "Commissioner" means the Commissioner of Insurance.

g. "Director" means a member of the board of directors of the New Jersey Automobile Full Insurance Underwriting Association.
h. "Net direct car years of liability exposure" means direct bodily injury liability car years of exposure, after deducting returns for cancellations, but without adding reinsurance assumed or deducting reinsurance ceded, as determined by the board and approved by the commissioner.

i. "Net direct car years of physical damage exposure" means direct physical damage car years of exposure, after deducting returns for cancellations, but without adding reinsurance assumed or deducting reinsurance ceded, as determined by the board and approved by the commissioner.

j. "Person" means every natural person.

k. "Plan of operation" means the plan of operation of the association created pursuant to section 18 of this act.

l. "Producer" means an agent or broker licensed to transact the business of automobile insurance in this State.

m. "Qualified applicant" means a person domiciled in New Jersey who is an owner of an automobile registered, or to be registered within 60 days of application, and principally garaged in this State, who has been refused coverage in the voluntary market, and who cannot be or is not placed in the voluntary market through the procedures established pursuant to subsection a. of section 26 of P.L. 1983, c. 65 (C. 17:30E-14). Qualified applicant shall also include a member of the United States military forces, if otherwise eligible for insurance coverage issued by the association, with respect to an automobile if, at the time the application is made, he is either (1) a nonresident who is stationed in this State, whose automobile is registered in another state and garaged in this State; or (2) a resident who is stationed in another state, whose automobile is registered in this State and garaged in another state. No person shall, however, be deemed a qualified applicant, if the principal operator of the automobile to be insured does not hold a driver's license which is valid in this State; or if a regular operator of the automobile other than the principal operator does not hold such a license; or if timely payment of premium is not tendered; or if the applicant or principal operator of the automobile does not furnish the information necessary to effect insurance; or if such person is engaged in the business of renting or leasing automobiles to others or if such person uses automobiles for commercial purposes.

n. "Underinsured motorist coverage" means insurance for damages because of bodily injury and property damage caused by acci-
dent and arising out of the ownership, maintenance or use of an underinsured automobile. An automobile is underinsured when the sum of the limits of liability under all bodily injury and property damage liability bonds and insurance policies available to a person against whom recovery is sought for bodily injury or property damage is, at the time of the accident, less than the applicable limits of liability afforded under the automobile insurance policy held by the person seeking such recovery.

o. "Residual market equalization charge" means the amount which, when added to all other sources of association income, will cause the association to operate on a no profit, no loss basis.

41. Section 22 of P.L. 1983, c. 65 (C. 17:30E-10) is amended to read as follows:

C. 17:30E-10 Assignment of association business.

22. a. Association business shall be serviced by producers selected by the board, in accordance with selection procedures and eligibility standards established by the plan of operation. The selection procedures shall include an affirmative action program and the establishment of a producer-to-population ratio which shall ensure adequate service on a regional basis. The plan of operation shall also establish procedures to facilitate the transition from the procedures governing producers, which are in effect as of the effective date of this act, to the selection procedures established by the association pursuant to this subsection.

b. Producers who are exclusive representatives of a company which is a servicing carrier shall be assigned to that carrier for the servicing of association policies. Producers who are not exclusive representatives of a servicing carrier may, at the election of the producer and with the consent of the servicing carrier, contract with the association to do business through any servicing carrier. Producers who are not exclusive representatives of a company which is a servicing carrier, or who have not otherwise established a contractual relationship with a servicing carrier pursuant to this section, shall be assigned to all servicing carriers on an equitable basis by the association, pursuant to the plan of operation. The assignments shall be in proportion to the percentage of association business which each servicing carrier has contracted with the association to accept and shall be balanced among territories. The assignments shall be reviewed at least annually and upon the request of a servicing carrier or producer. Pursuant to the plan of operation, the assignments shall be reallocated if it is found that the allocations are demonstrably
inequitable. Reallocations shall be made in a manner to minimize the shifting of producers.

c. Every producer shall be assigned two alternate servicing carriers, pursuant to the plan of operation. In the event that any servicing carrier normally assigned to any producer ceases, as may be provided in the plan of operation, to accept applications temporarily, such applications shall be redistributed by the association to each producer's alternate servicing carrier.

d. In order to minimize disruption of association operations in cases in which a servicing carrier withdraws or will be withdrawing from the service of association business, the association, with the approval of the commissioner, shall be authorized to reallocate all, or any part, of the withdrawing servicing carrier's producers to one or more of the remaining servicing carriers.

42. Section 29 of P.L. 1983, c. 65 (C. 17:30E-17) is amended to read as follows:

C. 17:30E-17 Suspension, revocation; penalties.

29. a. The commissioner may suspend or revoke, after notice and a hearing, the certificate of authority of any member insurer or the license of any producer who willfully fails to comply with the provisions of this act or the regulations or plan of operation promulgated thereunder. In addition to or in lieu of suspension or revocation, any member company violating the provisions of this act or the regulations or plan of operation promulgated thereunder may be fined by the commissioner up to $10,000.00 for each such violation; and any producer violating the provisions of this act or the regulations or plan of operation promulgated thereunder may be fined by the commissioner up to $5,000.00 for each violation. These penalties shall be enforced and collected by the commissioner in the name of the State pursuant to "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.).

b. If, after notice and opportunity to be heard, the board finds that a producer has violated the provisions of this act or the regulations, plan of operation or standards promulgated pursuant to this act, the board shall notify the commissioner and may request the commissioner to temporarily suspend the producer's authority to write new association business. The commissioner may issue an order suspending the producer's authority to write new association business, pending a hearing which shall be held within 20 days of the issuance of the order. If, after a hearing, the commissioner finds that
the producer has violated the provisions of this act or the regulations, plan of operation or standards promulgated pursuant to this act, he shall take appropriate disciplinary action, including suspension or revocation of the producer's license or producer's authority to write business for the association, or both.

c. In the event the association sustains a financial loss due to any act or omission of any producer, member company or servicing carrier which violates any statutory, contractual or plan of operation requirement, the commissioner may, in addition or as an alternative to the penalties provided in subsections a. and b. of this section, order the restitution of any moneys owed to the association, and the reimbursement of reasonable costs of investigation and prosecution.

C. 17:30E-18.1 Examination.

43. The commissioner may, whenever he deems it necessary, make or cause to be made an examination of the finances, operations, methods of conducting business, and all other affairs of the association, its management and its servicing carriers. For the purpose of the examination, the commissioner may authorize, employ or otherwise engage such person, persons or other resources to conduct the examination, or to assist therein, as he deems advisable. The reasonable expenses of the examination shall be determined by the commissioner and shall be paid by the association. The association shall recover all such payments by assessment of its member companies pursuant to an equitable assessment formula established in the plan of operation.

44. Section 12 of P.L. 1972, c. 70 (C. 39:6A-12) is amended to read as follows:

C. 39:6A-12 Inadmissibility of evidence of losses collectible under personal injury protection coverage.

12. Inadmissibility of evidence of losses collectible under personal injury protection coverage. Except as may be required in an action brought pursuant to section 20 of P.L. 1983, c. 362 (C. 39:6A-9.1), evidence of the amounts collectible or paid pursuant to sections 4 and 10 of P.L. 1972, c. 70 (C. 39:6A-4 and 39:6A-10), to an injured person, including the amounts of any deductibles, copayments or exclusions otherwise compensated is inadmissible in a civil action for recovery of damages for bodily injury by such injured person.

The court shall instruct the jury that, in arriving at a verdict as to the amount of the damages for noneconomic loss to be recovered by the injured person, the jury shall not speculate as to the amount
of the medical expense benefits paid or payable under section 4 to the injured person.

Nothing in this section shall be construed to limit the right of recovery, against the tortfeasor, of uncompensated economic loss sustained by the injured party.

C. 17:29A-36.3 Rules, regulations.

45. The Commissioner of Insurance may promulgate any rules and regulations which he deems necessary to effectuate the provisions of this 1988 amendatory and supplementary act.

46. This act shall take effect on January 1, 1989, except that sections 8, 20, 21, 22, 23, 27, 30, 32, 39, 41, 42, 43 and 45 shall take effect immediately, however, no provision of this act shall be operative until the enactment into law of Senate Bill No. 124 of 1988.

Approved September 8, 1988.

CHAPTER 121

AN ACT regulating the use of personally identifiable information by cable television companies, and supplementing P.L. 1972, c. 186 (C. 48:5A-1 et seq.) and Title 59 of the New Jersey Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 48:5A-54 Short title.
1. This act shall be known and may be cited as the “Cable Subscriber Privacy Protection Act.”

2. As used in this act:
   a. “Upstream communications channel” means a signaling path provided by a cable television company for the transmission of signals over a cable television system from subscriber terminals;
   b. “Interactive cable television program or service” means a cable television program or service involving the collection, reception, aggregation, storage or use of information contained in signals transmitted from subscriber terminals over upstream communications channels;
   c. “Intercept” means to acquire, at any time from initiation to completion of a signal transmission over a cable television system, the content of the information contained in that signal;
   d. “Personally identifiable information” means any information that identifies any individual as a subscriber to, or user of, a cable television system, or that otherwise provides information about that individual or his use of any service provided by a cable television system; and
e. "Qualified auxiliary service" means any business activity necessary or incidental to the provision of cable television services performed by a cable television company or other party, and shall include, but not be limited to, billing services, program suppliers, management consulting services, brokers, and banking or other financial services.

3. a. A cable television company may, without the subscriber consent required pursuant to subsection d. of this section or section 4 of this act, collect, receive, store, aggregate and use only such personally identifiable information relating to any subscriber, subscriber household, or user of a subscriber terminal as is necessary to provide cable television services and qualified auxiliary services, and to detect unauthorized reception of cable television services.

b. Any actual and, if known, potential use to be made of the information collected, received, stored or aggregated pursuant to subsection a. of this section shall be described in a written notification of information practices provided by the cable television company to the subscriber. In the case of a subscriber contract entered into on or prior to the effective date of this act, the notification shall be provided not later than 180 days following that date and at least once per year thereafter during the contract period. In the case of a contract entered into after the effective date of this act, the notification shall be provided at the time the contract is entered into and at least once per year thereafter during the contract period. The notification shall clearly and conspicuously set forth:

1. The nature of the personally identifiable information collected or to be collected, and the nature of the use of that information;

2. The nature, frequency and purpose of any disclosure of the information which may be reasonably anticipated, including a description of the types of persons to whom disclosure may be made;

3. The period during which the information will be retained by the cable television company;

4. The times and places at which the subscriber shall have access to the information pursuant to this act; and

5. The limitations set forth in this act with respect to the collection and disclosure of personally identifiable information.
The cable television company shall not use personally identifiable information in a manner other than that described in the notification without further written notice to the subscriber and, where appropriate, the consent of the subscriber.

c. If information is collected by a cable television company from any subscriber pursuant to subsection a. of this section, after the date on which a notification is required and without that notification, the cable television company shall be subject to a fine of not more than $500.00 for each subscriber from whom the information is so collected, which fine shall be collected in a summary manner pursuant to "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.), except that no company shall be subject to a fine if the company proves that its failure to provide notification is the result of a clerical or typographical error.

d. Except as provided in subsection a. of this section, no cable television company shall use a cable television system to collect personally identifiable information concerning a subscriber, subscriber household or user of a subscriber terminal without the prior written or electronic consent of the subscriber concerned. Any information collected without that consent shall be destroyed immediately upon determination by the cable television company that it has been so collected, or upon notification to the company of such determination by the subscriber, as the case may be, unless the subscriber consents, in writing, to its retention. Except as otherwise provided by law, personally identifiable information collected pursuant to this subsection shall only be used for the purposes defined in the subscriber consent.

If information is collected or retained by a cable television company in violation of this subsection, that company shall be subject to a fine of not more than $500.00 for each subscriber from whom the information is so collected, which fine shall be collected in a summary manner pursuant to "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.).

e. A subscriber may withdraw his consent at any time. This withdrawal shall take effect 30 days following a cable television company's receipt of notification by the subscriber. Within 45 days of receipt of that request, the company shall advise, in writing, any third party recipient of personally identifiable information collected pursuant to subsection d. of this section that the subscriber's consent has been withdrawn.
f. Personally identifiable information acquired pursuant to subsection a. of this section shall be destroyed by the cable television company upon completion of the permissible uses of that information. Personally identifiable information acquired pursuant to subsection d. of this section shall be destroyed upon completion of such uses, or upon the withdrawal of subscriber consent or termination of the contract with a subscriber, whichever comes first, unless the subscriber, at the time of granting consent to collect or retain the information indicates, electronically or in writing, as appropriate, that the information may be retained until completion of the permissible uses thereof. A cable television company shall notify a subscriber, in writing, when any personally identifiable information concerning the subscriber, his household or a user of his subscriber terminal is destroyed pursuant to this subsection.

C. 48:5A-57 Disclosure to third party.

4. a. No cable television company shall rent, sell or otherwise release personally identifiable information, in part or whole, without the prior written or electronic consent of the subscriber, to any person except to a person providing qualified auxiliary services to the company, or pursuant to law.

b. A cable television company may disclose the names and addresses of subscribers to any of its services if:

(1) The company has provided each subscriber with the opportunity to prohibit the disclosure of his name and address; and

(2) The disclosure does not reveal the nature or extent of the use of any cable television service or other service by any subscriber, subscriber household or user of a subscriber terminal.

c. No person shall be refused any cable television service for prohibiting the inclusion of his name and address on a mailing list provided to a third party.

d. Use of personally identifiable information by those receiving the information from a cable television company pursuant to the provisions of this act is limited to the purposes for which the disclosure is made. At the time that personally identifiable information is no longer required for such purposes, it shall be destroyed. Information acquired pursuant to the consent of a subscriber shall be destroyed immediately upon receipt of notice from the cable television company that the subscriber consent has been withdrawn or that the contract between the subscriber and the cable television company has been terminated, except that the information may be
CHAPTER 121, LAWS OF 1988

retained until the fulfillment of the purposes for which it was received, if such retention is permitted by the subscriber consent granted pursuant to subsection f. of section 3 of this act.

e. Concurrent with, or prior to, the provision of personally identifiable information to others pursuant to the provisions of this act, a cable television company shall give notice to the person or entity receiving the information of the provisions of this act. If personally identifiable information is provided on a continuing basis, notice shall be provided at the time of or prior to the provision of the first of such information and once per year thereafter.

f. A third party which has received personally identifiable information pursuant to section 3 or 4 of this act shall not retain that information if no longer needed for the purposes for which it was acquired, nor shall the party rent, sell or otherwise release that information to any other person, except as provided by law.

5. a. A cable television company shall disclose to a subscriber all information which the company possesses pertaining to that subscriber upon request of the subscriber.

b. A subscriber may examine and copy any information in the possession of a cable television company pertaining to the subscriber, his household or a user of his terminal upon reasonable notice during regular business hours. The information supplied to the subscriber shall be in a legible format which is easily understood by the subscriber. The subscriber shall bear all copying or mailing costs occasioned by the examination.

c. A cable television company shall correct the information upon a reasonable showing by a subscriber that personally identifiable information contained therein is inaccurate. Within 45 days of receiving this notification from the subscriber, the cable television company shall transmit a corrected copy of the information to any party which was given the erroneous information. Copies of all such correspondence shall be sent to the subscriber.

C. 48:5A-59 Monitoring.

6. a. Except as otherwise provided in this act, no signal of any upstream communications channel may be transmitted from a subscriber terminal for the purpose of monitoring individual household viewing patterns or practices except with the written authorization of the subscriber, contained in a document separate
from any contract entered into by the subscriber and a cable television company for non-interactive cable television services.

b. Except as otherwise provided by law, no person shall intercept a signal of an upstream communications channel transmitted from a subscriber terminal except the subscriber and the intended receiver of the signal.

c. Written authorization shall not be required for a cable television company to conduct system-wide or individually addressed monitoring for the purposes of verifying system integrity, controlling return path transmission, or for any purpose for which personally identifiable information may be lawfully acquired pursuant to this act, except that, if not for such purpose, the monitoring shall not result in the creation of personally identifiable information other than the name and address of the subscriber.

C. 48:5A-60 Collection of debt.

7. This act shall not prohibit a cable television company from providing individual subscriber data to a proper court or agency for the purposes of collecting a debt owed the company.

C. 48:5A-61 Disclosure of other data.

8. This act shall not prohibit the examination of aggregate data by, or the disclosure of such data to, any third party, provided that the data contain no personally identifiable information concerning any subscriber, his household, or a user of his terminal.

9. Any person who discloses personally identifiable information in violation of this act or otherwise engages in negligent, willful or reckless conduct in violation of this act shall be subject to a fine of not less than $500.00 for each disclosure, or for each negligent, willful or reckless act or omission, as appropriate. The fine shall be collected in a summary manner, pursuant to “the penalty enforcement law” (N.J.S. 2A:58-1 et seq.).

C. 48:5A-63 Liability to subscriber.

10. a. Subject, where appropriate, to the “New Jersey Tort Claims Act” (N.J.S. 59:1-1 et seq.), any person, State or local agency or other governmental or public entity which discloses personally identifiable information in violation of this act, or otherwise engages in negligent, willful or reckless conduct in violation of this act, shall be liable to the aggrieved subscriber for:

(1) Actual damages, but not less than liquidated damages com-
puted at a rate of $100.00 per day for each day of violation or a total of $1,000.00 for all violations, whichever is greater;

(2) Such punitive damages as the court may allow; and

(3) Attorney's fees and other litigation costs reasonably and actually incurred.

b. In determining the amount of punitive damages, if any, the court shall consider, among other relevant factors, the amount of any actual damages awarded, the nature and seriousness of any intangible harm suffered by the subscriber, the frequency and persistence of failures of compliance by the defendant, the resources of the defendant, the number of persons adversely affected, and the extent to which the failure of the defendant to comply was intentional.

11. This act shall take effect immediately.

Approved September 13, 1988.

CHAPTER 122

AN ACT permitting banks to file restated certificates of incorporation and supplementing P.L. 1948, c. 67 (C. 17:9A-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 17:9A-117.1 Restated certificates.

1. a. A bank may restate and integrate in a single certificate the provisions of its certificate of incorporation, as defined in section 1 of P.L. 1948, c. 67 (C. 17:9A-1), including any provision effected by a merger or consolidation and any further amendments as may be adopted concurrently with the restated certificate.

b. The restated certificate shall recite that it is a restated certificate and shall contain all provisions as are required in an original certificate of incorporation filed at the time the restated certificate is filed, except that:

(1) It shall state the address of the bank's then current principal office and it shall also state the number, names and addresses of the directors constituting its then current board;
(2) It need not include statements as to the incorporator or incorporators or as to the first directors or the first principal office; and

(3) It need not include provisions relating to securities previously issued by the bank if none of the securities remain outstanding.

c. If the proposed restated certificate merely restates and integrates, but does not amend the certificate of incorporation other than as permitted by subsection b. of this section, it may be adopted by the board of directors.

d. If the proposed restated certificate restates and integrates and also amends the certificate of incorporation, other than as permitted by subsection b. of this section, the restated certificate shall be adopted in the manner provided in section 117 of P.L. 1948, c. 67 (C. 17:9A-117), and all of the provisions of Article 19 of the Banking Act of 1948 applicable to amendments effected pursuant to section 117 of P.L. 1948, c. 67 (C. 17:9A-117) shall be applicable to the restated certificate of incorporation.

e. A restated certificate adopted in the manner prescribed in this section shall supersede for all purposes the original certificate of incorporation and any amendments made prior to the adoption of the restated certificate, and the restated certificate may be separately certified as the certificate of incorporation.

2. This act shall take effect immediately.

Approved September 13, 1988.

CHAPTER 123

AN ACT concerning certain new motor vehicle warranties and repealing P.L. 1983, c. 215 and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 56:12-29 Findings, intentions.

1. The Legislature finds that the purchase of a new motor vehicle is a major, high cost consumer transaction and the inability to correct defects in these vehicles creates a major hardship and an unacceptable economic burden on the consumer. It is the intent of this act to require the manufacturer of a new motor vehicle to correct defects
originally covered under the manufacturer's warranty which are identified and reported within a specified period. It is the further intent of this act to provide procedures to expeditiously resolve disputes between a consumer and a manufacturer when defects in a new motor vehicle are not corrected within a reasonable time, and to provide to award specific remedies where the uncorrected defect substantially impairs the use, value, or safety of the new motor vehicle.

C. 56:12-30 Definitions.

2. As used in this act:

"Consumer" means a buyer or lessee, other than for purposes of resale or sublease, of a motor vehicle; a person to whom a motor vehicle is transferred during the duration of a warranty applicable to the motor vehicle; or any other person entitled by the terms of the warranty to enforce the obligations of the warranty.

"Dealer" means a person who is actively engaged in the business of buying, selling or exchanging motor vehicles at retail and who has an established place of business.

"Director" means the Director of the Division of Consumer Affairs in the Department of Law and Public Safety, or his designee.

"Division" means the Division of Consumer Affairs in the Department of Law and Public Safety.

"Lease agreement" means a contract or other written agreement in the form of a lease for the use of a motor vehicle by a person for a period of time exceeding 60 days, whether or not the lessee has the option to purchase or otherwise become the owner of the motor vehicle at the expiration of the lease.

"Lessee" means a person who leases a motor vehicle pursuant to a lease agreement which provides that the lessee is responsible for repairs to the motor vehicle.

"Lessor" means a person who holds title to a motor vehicle leased to a lessee under a lease agreement or who holds the lessor's rights under such an agreement.

"Lien" means a security interest in a motor vehicle.

"Lienholder" means a person with a security interest in a motor vehicle pursuant to a lien.

"Manufacturer" means a person engaged in the business of manu-
facturing, assembling or distributing motor vehicles, who will, under normal business conditions during the year, manufacture, assemble or distribute to dealers at least 10 new motor vehicles.

"Manufacturer's informal dispute settlement procedure" means an arbitration process or procedure by which the manufacturer attempts to resolve disputes with consumers regarding motor vehicle nonconformities and repairs that arise during the vehicle's warranty period.

"Manufacturer's warranty" or "warranty" means any warranty, whether express or implied of the manufacturer, of a new motor vehicle of its condition and fitness for use, including any terms or conditions precedent to the enforcement of obligations under the warranty.

"Motor vehicle" means a passenger automobile or motorcycle as defined in R.S. 39:1-1 which is registered by the Division of Motor Vehicles in the Department of Law and Public Safety, except the living facilities of motor homes.

"Nonconformity" means a defect or condition which substantially impairs the use, value or safety of a motor vehicle.

"Reasonable allowance for vehicle use" means the mileage at the time the consumer first presents the motor vehicle to the dealer or manufacturer for correction of a nonconformity times the purchase price, or the lease price if applicable, of the vehicle, divided by one hundred thousand miles.

3. If a consumer reports a nonconformity in a motor vehicle to the manufacturer or its dealer during the first 18,000 miles of operation or during the period of two years following the date of original delivery to a consumer, whichever is earlier, the manufacturer shall make, or arrange with its dealer to make, within a reasonable time, all repairs necessary to correct the nonconformity. Such repairs if made after the first 12,000 miles of operation or after the period of one year following the date of original delivery to the consumer, whichever is earlier, shall be paid for by the consumer, unless otherwise covered by a manufacturer's warranty, and shall be recoverable as a cost under section 14 of this act.

C. 56:12-32 Refunds.

4. a. If, during the period specified in section 3 of this act, the manufacturer or its dealer is unable to repair or correct a nonconformity within a reasonable time, the manufacturer shall accept
return of the motor vehicle from the consumer. The manufacturer shall provide the consumer with a full refund of the purchase price of the original motor vehicle including any stated credit or allowance for the consumer's used motor vehicle, the cost of any options or other modifications arranged, installed, or made by the manufacturer or its dealer within 30 days after the date of original delivery, and any other charges or fees including, but not limited to, sales tax, license and registration fees, finance charges, reimbursement for towing and reimbursement for actual expenses incurred by the consumer for the rental of a motor vehicle equivalent to the consumer's motor vehicle and limited to the period during which the consumer's motor vehicle was out of service due to a nonconformity, less a reasonable allowance for vehicle use. Nothing herein shall be construed to preclude a manufacturer from making an offer to replace the vehicle in lieu of a refund; except that the consumer may, in any case, reject a manufacturer's offer of replacement and demand a refund. Refunds shall be made to the consumer and lienholder, if any, as their interests appear on the records of ownership maintained by the Director of the Division of Motor Vehicles. In the event that the consumer accepts an offer to replace the motor vehicle in lieu of a refund, it shall be the manufacturer's responsibility to insure that any lien on the returned motor vehicle is transferred to the replacement vehicle.

b. A consumer who leases a new motor vehicle shall have the same remedies against a manufacturer under this section as a consumer who purchases a new motor vehicle. If it is determined that the lessee is entitled to a refund pursuant to subsection a. of this section, the consumer shall return the leased vehicle to the lessor or manufacturer and the consumer's lease agreement with the motor vehicle lessor shall be terminated and no penalty for early termination shall be assessed. The manufacturer shall provide the consumer with a full refund of the amount actually paid by the consumer under the lease agreement, including any additional charges as set forth in subsection a. of this section if actually paid by the consumer, less a reasonable allowance for vehicle use. The manufacturer shall provide the motor vehicle lessor with a full refund of the vehicle's original purchase price plus any unrecovered interest expense, less the amount actually paid by the consumer under the agreement. Refunds shall be made to the lessor and lienholder, if any, as their interests appear on the records of ownership maintained by the Director of the Division of Motor Vehicles.

C. 56:12-33 Presumption of inability to correct nonconformity; written notification.

5. a. It is presumed that a manufacturer or its dealer is unable
to repair or correct a nonconformity within a reasonable time if, within the first 18,000 miles of operation or during the period of two years following the date of original delivery of the motor vehicle to a consumer, whichever is the earlier date:

(1) Substantially the same nonconformity has been subject to repair three or more times by the manufacturer or its dealer and the nonconformity continues to exist; or

(2) The motor vehicle is out of service by reason of repair for one or more nonconformities for a cumulative total of 20 or more calendar days since the original delivery of the motor vehicle and a nonconformity continues to exist.

b. The presumption contained in subsection a. of this section shall apply against a manufacturer only if the manufacturer has received written notification, by or on behalf of the consumer, by certified mail return receipt requested, of a potential claim pursuant to the provisions of this act and has had one opportunity to repair or correct the defect or condition within 10 calendar days following receipt of the notification. Notification by the consumer shall take place any time after the motor vehicle has had substantially the same nonconformity subject to repair two or more times or has been out of service by reason of repair for a cumulative total of 20 or more calendar days.

c. The two-year term and the 20-day period specified in this section shall be extended by any period of time during which repair services are not available to the consumer because of a war, invasion or strike, or a fire, flood, or other natural disaster.

C. 56:12-34 Statements to consumers.

6. a. At the time of purchase in the State of New Jersey, the manufacturer through its dealer, or at the time of lease in the State of New Jersey, the lessor, shall provide directly to the consumer the following written statement on a separate piece of paper, in 10-point bold-face type: "IMPORTANT: IF THIS VEHICLE IS DEFECTIVE, YOU MAY BE ENTITLED UNDER NEW JERSEY LAW TO A REFUND OF THE PURCHASE PRICE OR YOUR LEASE PAYMENTS. FOR COMPLETE INFORMATION REGARDING YOUR RIGHTS AND REMEDIES UNDER THE RELEVANT LAW, CONTACT THE NEW JERSEY DEPARTMENT OF LAW AND PUBLIC SAFETY, DIVISION OF CONSUMER AFFAIRS."

b. Each time a consumer's motor vehicle is returned from being examined or repaired during the period specified in section 3 of this
CHAPTER 123, LAWS OF 1988

act, the manufacturer through its dealer shall provide to the consumer an itemized, legible statement of repair which indicates any diagnosis made and all work performed on the vehicle and provides information including, but not limited to, the following: a general description of the problem reported by the consumer or an identification of the problem reported by the consumer or an identification of the defect or condition; the amount charged for parts and the amount charged for labor, if paid for by the consumer; the date and the odometer reading when the vehicle was submitted for repair; and the date and odometer reading when the vehicle was made available to the consumer.

c. Failure to comply with the provisions of this section constitutes an unlawful practice pursuant to section 2 of P.L. 1960, c. 39 (C. 56:8-2).

C. 56:12-35 Procedure for reselling, re-leasing.

7. If a motor vehicle is returned to the manufacturer under the provisions of this act or a similar statute of another state or as the result of a legal action or an informal dispute settlement procedure, it shall not be resold or re-leased in New Jersey unless:

a. The manufacturer provides to the dealer or lessor and the dealer or lessor provides to the consumer the following written statement on a separate piece of paper, in 10-point bold-face type: “IMPORTANT: THIS VEHICLE WAS RETURNED TO THE MANUFACTURER BECAUSE IT DID NOT CONFORM TO THE MANUFACTURER’S WARRANTY AND THE NONCONFORMITY WAS NOT CORRECTED WITHIN A REASONABLE TIME AS PROVIDED BY LAW.”

b. Nothing in this section shall be construed as imposing an obligation on a dealer or lessor to determine whether a manufacturer is in compliance with the terms of this section nor shall it be construed as imposing liability on a dealer or lessor for the failure of a manufacturer to comply with the terms of this section.

c. Failure to comply with the provisions of this section constitutes an unlawful practice pursuant to section 2 of P.L. 1960, c. 39 (C. 56:8-2).

C. 56:12-36 Informal dispute settlement procedure.

8. a. If a manufacturer has established, or participates in, an informal dispute settlement procedure pursuant to section 110 of Pub. L. 93-637 (15 U.S.C. §2310) and the rules promulgated thereunder, or the requirements of this section, a consumer may submit
a dispute regarding motor vehicle nonconformities to the dispute
settlement body provided by that procedure but a consumer shall
not be required to first participate in the informal dispute settlement
procedure before participating in the division's summary hearing
procedure under this act.

b. If a consumer chooses to use a manufacturer's informal dispute
settlement procedure established pursuant to this section, the find­
ings and decisions of the dispute settlement body shall state in
writing whether the consumer is entitled to a refund under the pre­
sumptions and criteria set out in this act and the findings and
decisions shall be admissible against the consumer and the manufac­
turer in any legal action.

c. If the dispute settlement body determines that a consumer is
entitled to relief under this act, the consumer shall be entitled to
a refund as authorized by section 4 of this act.

d. In any informal dispute settlement procedure established
pursuant to this section:

(1) Participating arbitrators shall be trained in arbitration and
familiar with the provisions of this act.

(2) Documents shall not be submitted to any dispute settlement
body unless the documents have been provided to each of the parties
in the dispute at least seven days prior to commencement of the
dispute settlement hearing. The parties shall be given the opportuni­
ty to comment on the documents in writing or with oral presentation.

(3) No party shall participate in the informal dispute settlement
procedure unless all other parties are also present and given an
opportunity to be heard, or unless the other parties consent to
proceeding without their presence and participation.

(4) A consumer shall be given an adequate opportunity to contest
a manufacturer's assertion that a nonconformity falls within intended
specifications for the vehicle by having the basis of the manufac­
turer's claim appraised by a technical expert selected and paid for
by the consumer prior to the manufacturer's informal dispute settle­
ment procedure. If the dispute settlement body rules in favor of the
consumer, his costs and reasonable attorney's fees shall also be
awarded.

(5) A dispute shall not be heard if there has been a recent attempt
by the manufacturer to repair a consumer's vehicle, but no response
has yet been received by the dispute settlement body from the con-
sumer as to whether the repairs were successfully completed. This provision shall not prejudice a consumer's right under this section.

(6) The manufacturer shall provide, and the dispute settlement body shall consider, any relevant technical service bulletins which have been issued by the manufacturer regarding motor vehicles of the same make and model as the vehicle that is the subject of the dispute.

e. Any manufacturer who establishes, or participates in, an informal dispute settlement procedure, whether it meets the requirements of this section or not, shall maintain, and forward to the director at six month intervals, the following records:

(1) The number of purchase price and lease price refunds requested, the number awarded by the dispute settlement body, the amount of each award and the number of awards satisfied in a timely manner;

(2) The number of awards in which additional repairs or a warranty extension was the most prominent remedy, the amount or value of each award, and the number of awards satisfied in a timely manner;

(3) The number and total dollar amount of awards in which some form of reimbursement for expenses or compensation for losses was the most prominent remedy, the amount or value of each award and the number of awards satisfied in a timely manner; and

(4) The average number of days from the date of a consumer's initial request to use the manufacturer's informal dispute settlement procedure until the date of the decision and the average number of days from the date of the decision to the date on which performance of the award was satisfied.

C. 56:12-37 Dispute resolution.

9. a. A consumer shall have the option of submitting any dispute arising under section 4 of this act to the division for resolution. The director may establish a filing fee, to be paid by the consumer, fixed at a level not to exceed the cost for the proper administration and enforcement of this act. This fee shall be recoverable as a cost under section 14 of this act. Upon application by the consumer and payment of any filing fee, the manufacturer shall submit to the State hearing procedure.

b. The director shall review a consumer's application for dispute resolution and accept eligible disputes for referral to the Office of
Administrative Law for a summary hearing to be conducted in accordance with special rules adopted pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), by the Office of Administrative Law in consultation with the director. Immediately upon acceptance of a consumer's application for dispute resolution, the director shall contact the parties and arrange for a hearing date with the Clerk of the Office of Administrative Law. The hearing date shall, to the greatest extent possible, be convenient to all parties, but shall be no later than 20 days from the date the consumer's application is accepted, unless a later date is agreed upon by the consumer. The Office of Administrative Law shall render a decision, in writing, to the director within 15 days of the conclusion of the summary hearing. The decision shall provide a brief summary of the findings of fact, appropriate remedies pursuant to this act, and a specific date for completion of all awarded remedies. The director, upon a review of the proposed decision submitted by the administrative law judge, shall adopt, reject, or modify the decision no later than 10 days after receipt of the decision. Unless the director modifies or rejects the decision within the 10-day period, the decision of the administrative law judge shall be deemed adopted as the final decision of the director. If the manufacturer unreasonably fails to comply with the decision within the specified time period, the manufacturer shall be liable for penalties in the amount of $5,000.00 for each day the manufacturer unreasonably fails to comply, commencing on the day after the specified date for completion of all awarded remedies.

c. The Office of Administrative Law is authorized to issue subpoenas to compel the attendance of witnesses and the production of documents, papers and records relevant to the dispute.

d. A manufacturer or consumer may appeal a final decision to the Appellate Division of the Superior Court. An appeal by a manufacturer shall not be heard unless the petition for the appeal is accompanied by a bond in a principal sum equal to the money award made by the administrative law judge plus $2,500.00 for anticipated attorney's fees and other costs, secured by cash or its equivalent, payable to the consumer. The liability of the surety of any bond filed pursuant to this section shall be limited to the indemnification of the consumer in the action. The bond shall not limit or impair any right of recovery otherwise available pursuant to law, nor shall the amount of the bond be relevant in determining the amount of recovery to which the consumer shall be entitled. If a final decision resulting in a refund to the consumer is upheld by the court, recovery
CHAPTER 123, LAWS OF 1988 881

by the consumer shall include reimbursement for actual expenses incurred by the consumer for the rental of a motor vehicle equivalent to the consumer's motor vehicle and limited to the period of time after which the consumer's motor vehicle was offered to the manufacturer for return under this act, except in those cases in which the manufacturer made a comparable vehicle available to the consumer free of charge during that period. If the court finds that the manufacturer had no reasonable basis for its appeal or that the appeal was frivolous, the court shall award treble damages to the consumer. Failure of the Office of Administrative Law to render a written decision within 15 days of the conclusion of the summary hearing as required by subsection b. of this section shall not be a basis for appeal.

e. The Attorney General shall monitor the implementation and effectiveness of this act and report to the Legislature after three years of operation, at which time a recommendation shall be made either to continue under the procedures set forth in this act or to make such modifications as may be necessary to effectuate the purposes of this act.

C. 56:12-38 Statistics.

10. The Division of Consumer Affairs shall maintain an index of all motor vehicle disputes by make and model. The division shall, at six-month intervals, compile and maintain statistics indicating the record of manufacturer compliance with any settlement procedure decisions. The statistics shall be public record.

C. 56:12-39 Decision binding.

11. A consumer shall not be required to participate in a manufacturer's informal dispute settlement procedure or the division's summary hearing procedure before filing an action in the Superior Court. However, a decision rendered in a proceeding brought pursuant to the division's summary hearing procedure shall be binding on the consumer and the manufacturer, subject to the right of appeal as set forth in subsection d. of section 9 of this act, and shall preclude the institution of any other action in the Superior Court under this act.

C. 56:12-40 Affirmative defense.

12. It shall be an affirmative defense to a claim under this act that the alleged nonconformity does not substantially impair the use, value, or safety of the new motor vehicle or that the nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of the motor vehicle by anyone other than the manufacturer or its dealer.
C. 56:12-41 Intervention of Attorney General.

13. Any party to an action in the Superior Court of this State asserting a claim, counterclaim or defense based upon violations of this act shall mail a copy of the initial or responsive pleading containing the claim, counterclaim or defense to the Attorney General within 10 days after filing the pleading with the court. Upon application to the court in which the matter is pending, the Attorney General may intervene or appear in any status appropriate to this matter.

C. 56:12-42 Attorney’s fees, costs.

14. In any action by a consumer against a manufacturer brought in Superior Court or in the division pursuant to the provisions of this act, a prevailing consumer shall be awarded reasonable attorney’s fees and costs.

C. 56:12-43 Use of fees.

15. All fees, penalties and costs collected by the division pursuant to this act shall be appropriated for purposes of offsetting costs associated with the handling and resolution of consumer automotive complaints.

C. 56:12-44 Inherent design defect.

16. A manufacturer shall certify to the division, within one year of discovery, the existence of any inherent design defect common to all motor vehicles of a particular model or make. Failure to comply with this constitutes an unlawful practice pursuant to section 2 of P.L. 1960, c. 39 (C. 56:8-2).

C. 56:12-45 Proceedings against manufacturer.

17. The director may institute proceedings against any manufacturer who fails to comply with any of the provisions of this act.

C. 56:12-46 No dealer liability.

18. Nothing in this act shall be construed as imposing any liability on a dealer, or creating a cause of action by a manufacturer against a dealer, and nothing shall be construed as imposing any liability on a dealer, or creating a cause of action by a consumer against a dealer under section 4 of this act.

C. 56:12-47 No limitation on other rights.

19. Nothing in this act shall in any way limit the rights or remedies which are otherwise available to a consumer under any other law.

C. 56:12-48 Waivers void.

20. Any agreement entered into by a consumer for the purchase or lease of a new motor vehicle which waives, limits or disclaims the rights set forth in this act shall be void as contrary to public policy.
C. 56:12-49 Rules, regulations.

21. Within 120 days following enactment, the director shall, subject to approval by the Attorney General and pursuant to the provisions of the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), adopt rules and regulations necessary to effectuate the purposes of this act.

Repealer.

23. There is appropriated $250,000.00 from the General Fund to the Department of Law and Public Safety to effectuate the purposes of this act.

24. Section 21 of this act shall take effect immediately and the remainder of this act shall take effect on the 180th day following enactment and shall apply to all new motor vehicles purchased or leased on or after that date.

Approved September 15, 1988.

CHAPTER 127

AN ACT establishing a Natural Heritage Program in the Department of Environmental Protection, supplementing Title 13 of the Revised Statutes, and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 13:1B-15.146 Findings, declarations.

1. The Legislature finds and declares that this State has a rich natural heritage which is in danger of disappearing as the State continues to experience economic and industrial growth; that a program to conduct an inventory of rare plants, animals, and natural communities throughout New Jersey was established in 1984 through a cooperative agreement between the Department of Environmental Protection and The Nature Conservancy, a nonprofit conservation organization; that this program is providing up-to-date information on rare species and natural communities to planners, developers, and conservation agencies for use in resource management, environmental impact assessment, and both public and private land protection efforts; that this program enables the State to share information, in a national network, with the more than 40 other states with comparable programs; that the continued success and usefulness of the program is dependent upon continuously updating and refining the information in the inventory; that, by design, The Nature Conservancy intended to end their participation in the program after fiscal year 1987 but has temporarily extended their participation pending the establishment of a formal program; the Legislature therefore determines that in order to preserve the State's natural diversity the Natural Heritage Program needs to be formally recognized and established.

C. 13:1B-15.147 Natural Heritage Program.

2. There is established in the Division of Parks and Forestry, Department of Environmental Protection, a Natural Heritage Pro-
gram. The purpose of the program is to identify the most critically important natural areas in the State and provide detailed up-to-date information on rare species and natural communities to planners, developers, and conservation agencies for use in resource management, environmental impact assessment, and both public and private land protection efforts.

3. The functions of the program shall include, but need not be limited to:

a. Maintaining and updating, through data collection and field work, a partially computerized data base which includes lists of rare and endangered species, and natural communities ranked according to rarity, as well as information on the location, quality, protection status, and sources of information of individual occurrences of the above species and natural communities; and

b. Providing information on species and natural community occurrences to other government agencies, consultants, and private landowners seeking to preserve natural diversity and advice on how best to protect these occurrences.

4. The Commissioner of Environmental Protection is authorized to charge and collect fees in an amount sufficient to cover the costs of any services performed pursuant to this act. Such fees shall be in addition to any appropriation received by the department for this program and shall be devoted entirely and exclusively to carrying out the purposes and provisions of this act.

C. 13:18-15.150 Funds from public, private sources.

5. With the approval of the Governor, the Commissioner of Environmental Protection may cooperate with and receive money from the federal government, or any county or municipal government or from private sources for the purposes of this act and to supplement administration of the program.

6. There is appropriated from the General Fund to the Department of Environmental Protection the sum of $90,000.00 to carry out the provisions of this act.

7. This act shall take effect immediately.

14. Section 26 of P.L. 1983, c. 489 (C. 42:2A-27) is amended to read as follows:

26. Liability to third parties. a. Except as provided in subsection d., a limited partner is not liable for the obligations of a limited partnership unless he is also a general partner or, in addition to the exercise of his rights and powers as a limited partner, he takes part in the control of the business. However, if the limited partner's participation in the control of the business is not substantially the same as the exercise of the powers of a general partner, he is liable only to persons who transact business with the limited partnership with actual knowledge of, and reliance on, his participation in control.

b. A limited partner does not participate in the control of the business within the meaning of subsection a. solely by doing one or more of the following:

(1) Being a contractor for or an agent or employee of the limited partnership or being a contractor, agent, employee, corporate officer, corporate director, or shareholder of a general partner;

(2) Consulting with or advising a general partner with respect to any matter, including the business of the limited partnership;

(3) Acting as surety, guarantor, or endorser for the limited partnership or assuming one or more specific obligations of the limited partnership or providing collateral for the partnership;

(4) (Deleted by amendment, P.L. 1988, c. 130.)

(5) (Deleted by amendment, P.L. 1988, c. 130.)

(6) Serving as an officer, director or shareholder of a corporate general partner; or

(7) Approving or disapproving matters related to the business of the partnership as shall be stated in the certificate and partnership agreement;

(8) Calling, requesting, attending or participating at a meeting of the partners or the limited partners;
(9) Winding up a limited partnership pursuant to section 52 of P.L. 1983, c. 489 (C. 42:2A-53);

(10) Taking any action required or permitted by law to bring or pursue a derivative action in the right of the limited partnership;

(11) Serving on a committee of the limited partnership or the limited partners;

(12) Proposing, approving or disapproving, by voting (by number, financial interest, class, group or as otherwise provided in the partnership agreement) or otherwise, on one or more of the following matters:

(a) The dissolution and winding up of the limited partnership;

(b) The sale, exchange, lease, mortgage, pledge, or other transfer of all or substantially all the assets of the limited partnership other than in the ordinary course of its business;

(c) The incurrence of indebtedness by the limited partnership other than in the ordinary course of its business;

(d) A change in the nature of the business;

(e) The admission, removal or retention of a partner;

(f) A transaction or other matter involving an actual or potential conflict of interest;

(g) An amendment to the partnership agreement or certificate of limited partnership; or

(13) Exercising any right or power granted or permitted to limited partners under this chapter and not specifically enumerated in this subsection.

c. The enumeration in subsection b. does not mean that the possession or exercise of any other powers by a limited partner constitutes participation by him in the business of the limited partnership.

d. A limited partner who knowingly permits his name to be used in the name of the limited partnership, except under circumstances permitted by subsection a.(2) of section 6 of P.L. 1983, c. 489 (C. 42:2A-6), is liable to creditors who extend credit to the limited partnership without actual knowledge that the limited partner is not a general partner.
15. Section 27 of P.L. 1983, c. 489 (C. 42:2A-28) is amended to read as follows:

C. 42:2A-28 Person erroneously believing himself a limited partner.

27. Person erroneously believing himself a limited partner.

a. Except as provided in subsection b., a person who makes a contribution to a business enterprise and erroneously but in good faith believes that he has become a limited partner in the enterprise is not a general partner in the enterprise and is not bound by its obligations by reason of making the contribution, receiving distributions from the enterprise, or exercising any rights of a limited partner, if, on ascertaining that no certificate of limited partnership was ever filed with the Secretary of State or a certificate of limited partnership has been filed which names the person as a general partner in the enterprise he promptly:

(1) Causes an appropriate certificate of limited partnership, certificate of correction or a certificate of amendment to be executed and filed; or

(2) Withdraws from future equity participation in the enterprise by executing and filing in the office of the Secretary of State a certificate declaring withdrawal under this section.

b. A person who makes a contribution of the kind described in subsection a. is liable as a general partner to any third party who transacted business with the enterprise if the third party actually believed in good faith that the person was a general partner at the time of the transaction and no certificate of limited partnership was ever filed or a certificate of limited partnership was filed which names the person as a general partner, and:

(1) The business is transacted before an appropriate certificate of limited partnership is filed stating that the enterprise is a limited partnership and indicating in effect that the person is not a general partner;

(2) In the case of an amendment, it is after expiration of the 30-day period for filing an amendment indicating in effect that the person is not a general partner under section 16 of P.L. 1983, c. 489 (C. 42:2A-17) and the amendment has not been filed;

(3) Before the person withdraws, and an appropriate certificate, as provided in section 27 of P.L. 1983, c. 489 (C. 42:2A-28), is filed to show the withdrawal; or
(4) The business is transacted before an appropriate certificate of correction is filed indicating in effect that the person is not a general partner and the third party actually relied in good faith upon the foregoing inaccuracy and is adversely affected by the correction.

16. Section 28 of P.L. 1983, c. 489 (C. 42:2A-29) is amended to read as follows:

C. 42:2A-29 Right to information.

28. Right to information. A limited partner has the right to:

a. Inspect and copy any of the partnership records required to be maintained by section 9 of P.L. 1983, c. 489 (C. 42:2A-9);

b. Obtain from the general partners from time to time upon reasonable demand true and full information regarding the state of the business and financial condition of the limited partnership;

c. Receive promptly after becoming available, a copy of the limited partnership's federal, State and local income tax returns for each year; and

Upon the reasonable request of any partner, the records set forth in this section shall be subject to inspection and copying at a reasonable cost by any partner during ordinary business hours.

17. Section 29 of P.L. 1983, c. 489 (C. 42:2A-30) is amended to read as follows:

C. 42:2A-30 Admission of additional general partners.

29. Admission of additional general partners. After the filing of a limited partnership's original certificate of limited partnership, additional general partners may be admitted as provided for in the written partnership agreement but in no event by less than the written consent of all existing general partners and two-thirds in interest of the limited partners.

18. Section 30 of P.L. 1983, c. 489 (C. 42:2A-31) is amended to read as follows:

C. 42:2A-31 Events of withdrawal of a general partner.

30. Events of withdrawal of a general partner. Except as approved by the specific written consent of all partners at the time, a person ceases to be a general partner of a limited partnership upon the happening of any of the following events:
a. The general partner withdraws from the limited partnership as provided in section 39 of P.L. 1983, c. 489 (C. 42:2A-40);

b. The general partner ceases to be a member of the limited partnership as provided in section 46 of P.L. 1983, c. 489 (C. 42:2A-47);

c. The general partner is removed as a general partner in accordance with the partnership agreement;

d. Unless otherwise provided in the certificate of limited partnership, the general partner: (1) makes an assignment for the benefit of creditors; (2) files a voluntary petition in bankruptcy; (3) is adjudicated a bankrupt or insolvent; (4) files a petition or answer seeking for himself any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law, or regulation; (5) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against him in any proceeding set forth in (4) above; or (6) seeks, consents to, or acquiesces in the appointment of a trustee, receiver, or liquidator of the general partner or of all or any substantial part of his properties;

e. Unless otherwise provided in the certificate of limited partnership, 120 days after the commencement of any proceeding against the general partner seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law, or regulation, the proceeding has not been dismissed, or if within 90 days after the appointment without his consent or acquiescence of a trustee, receiver, or liquidator of the general partner or of all or any substantial part of his properties, the appointment is not vacated or stayed, or within 90 days after the expiration of any such stay, the appointment is not vacated;

19. Section 35 of P.L. 1983, c. 489 (C. 42:2A-36) is amended to read as follows:

C. 42:2A-36 Liability of partner for contribution.

35. Liability of partner for contribution. a. Except as provided in the certificate of limited partnership, a partner is obligated to the limited partnership to perform any promise to contribute cash or property or to perform services and this obligation shall not be affected by his ability to perform because of his death or his disability or any other reason. If a partner does not make the promised contribution of property or services, he or, if he is deceased, his estate is obligated at the option of the limited partnership to contribute cash equal to that portion of the value, as stated in the limited partnership agreement, of the stated contribution that has not been made.

b. Unless otherwise provided in the partnership agreement, the obligation of a partner to make a contribution or return money or other property paid or distributed in violation of this chapter may be compromised only by consent of all the partners. Notwithstanding the compromise, a creditor of a limited partnership who extends credit, or whose claim arises, after the filing of the certificate of limited partnership or an amendment thereto which, in either case, reflects the obligation, and before the amendment or cancellation thereof to reflect the compromise, may enforce the original obligation.

20. Section 36 of P.L. 1983, c. 489 (C. 42:2A-37) is amended to read as follows:

C. 42:2A-37 Sharing of profits and losses.

36. Sharing of profits and losses. The profits and losses of a limited partnership shall be allocated among the partners, and among classes of partners, in the manner provided in the partnership agreement. If the partnership agreement does not so provide, profits and losses shall be allocated on the basis of the value (as stated in the limited partnership agreement) of the contributions made by each partner to the extent they have been received by the partnership and have not been returned.
21. Section 37 of P.L. 1983, c. 489 (C. 42:2A-38) is amended to read as follows:

C. 42:2A-38 Sharing of distributions.

37. Sharing of distributions. Distributions of cash or other assets of a limited partnership shall be allocated among the partners, and among classes of partners, in the manner provided in the partnership agreement. If the partnership agreement does not so provide, distributions shall be made on the basis of the value (as stated in the limited partnership agreement) of the contributions made by each partner to the extent they have been received by the partnership and have not been returned.

22. Section 40 of P.L. 1983, c. 489 (C. 42:2A-41) is amended to read as follows:

C. 42:2A-41 Withdrawal of limited partner.

40. Withdrawal of limited partner. A limited partner may withdraw from a limited partnership at the time or upon the happening of events specified in the certificate of limited partnership and in accordance with the partnership agreement. If the certificate does not specify the time or the events upon the happening of which a limited partner may withdraw or a definite time for the dissolution and winding up of the limited partnership, a limited partner may withdraw upon not less than six months’ prior written notice to each general partner at the address set forth in the certificate of limited partnership.

23. Section 45 of P.L. 1983, c. 489 (C. 42:2A-46) is amended to read as follows:

C. 42:2A-46 Liability upon return of contribution.

45. Liability upon return of contribution. a. If a limited partner has received the return of any part of his contribution without violation of the partnership agreement or this chapter, he is liable to the limited partnership for a period of one year thereafter for the amount of the returned contribution, but only to the extent necessary to discharge the limited partnership’s liabilities to creditors who extended credit to the limited partnership during the period the contribution was held by the partnership.

b. If a limited partner has received the return of any part of his contribution in violation of the partnership agreement or this chapter, he is liable to the limited partnership for a period of six years thereafter for the amount of the contribution wrongfully returned.
c. If a general partner has received the return of any part of his contribution without violation of the partnership agreement or this chapter, he is liable, until the termination of the applicable statute of limitations, to the limited partnership for the amount of the returned contribution, but only to the extent necessary to discharge the limited partnership's liabilities to creditors who extended credit to the limited partnership during the period the contribution was held by the partnership.

d. If a general partner has received the return of any part of his contribution in violation of the partnership agreement or this chapter, he is liable, until the termination of the applicable statute of limitations, to the limited partnership for the amount of the contribution wrongfully returned.

e. A partner receives a return of his contribution to the extent that a distribution causes the partner's share of the fair value of the net assets of the partnership to be less than the value, determined at the time of, but without giving effect to the distribution, of the balance of the partner's aggregate contributions to the partnership which, as of that date, had not been returned to him, which determination shall be made on the basis of the partnership records required to be maintained pursuant to section 9 of P.L. 1983, c. 489 (C. 42:2A-9).

24. Section 46 of P.L. 1983, c. 489 (C. 42:2A-47) is amended to read as follows:

C. 42:2A-47 Assignment of partnership interest; rights of assignee.

46. Assignment of partnership interest; rights of assignee. Except as provided in the partnership agreement, a partnership interest is assignable in whole or in part. An assignment of a partnership interest does not dissolve a limited partnership or entitle the assignee to become or to exercise any rights of a partner. An assignment entitles the assignee to receive, to the extent assigned, only the distribution to which the assignor would be entitled. Except as provided in the partnership agreement, a partner ceases to be a partner upon assignment of all his partnership interest. Notwithstanding the foregoing, a general partner who assigns all of his general partnership interest shall cease to be a general partner only upon the filing of a certificate reflecting that fact in accordance with this chapter.

25. Section 48 of P.L. 1983, c. 489 (C. 42:2A-49) is amended to read as follows:
48. **Right of assignee to become limited partner; rights, restrictions and liabilities.**
   a. An assignee of a partnership interest, including an assignee of a general partner, may become a limited partner if and to the extent that the assignor gives the assignee that right in accordance with authority described in the certificate of limited partnership or all general partners and two-thirds in interest of the limited partners consent.

   b. An assignee who has become a limited partner has, to the extent assigned, the rights and powers, and is subject to the restrictions and liabilities, of a limited partner under the partnership agreement and this chapter. An assignee who becomes a limited partner also is liable for the obligations of his assignor. However, the assignee is not obligated for liabilities unknown to the assignee at the time he became a limited partner and which could not be ascertained from the certificate or agreement of limited partnership.

   c. If an assignee of a partnership interest becomes a limited partner, the assignor is not released from his liability to the limited partnership under sections 21 and 35 of P.L. 1983, c. 489 (C. 42:2A-22 and 42:2A-36).

26. Section 50 of P.L. 1983, c. 489 (C. 42:2A-51) is amended to read as follows:

C. 42:2A-51 **Dissolution.**

50. Dissolution. A limited partnership is dissolved and its affairs shall be wound up upon the happening of any of the following:

   a. At the time fixed in or upon the happening of events specified in the certificate of limited partnership;

   b. The written consent of all partners;

   c. An event of withdrawal of a general partner unless at the time there is at least one other general partner and the certificate of limited partnership permits the business of the limited partnership to be carried on by the remaining general partner or partners and that partner or partners do so, but the limited partnership is not dissolved and is not required to be wound up by reason of any event of withdrawal, if, within 90 days or shorter period as may be provided in the partnership agreement after the withdrawal, all of the remaining general partners and all or such lesser number as may be provided in the partnership agreement, but not less than two-thirds in interest, of the remaining limited partners agree in writing to continue the
business of the limited partnership and to the appointment of one or more additional general partners if necessary or desired;

27. Section 56 of P.L. 1983, c. 489 (C. 42:2A-57) is amended to read as follows:

56. Application for certificate of authority to transact business. Before transacting business in this State, a foreign limited partnership shall file in the office of the Secretary of State an application executed by a general partner setting forth:

a. The name of the foreign limited partnership and, if different, the name under which it proposes to transact business in this State;

b. The name and business address of each general partner;

c. The amount of cash and a description and statement of the agreed value of the other property or services contributed by all partners and which all partners have agreed to contribute in the future;

d. The state and date of its formation;

e. The general character of the business it proposes to transact in this State;

f. The name and address, including the actual location as well as the postal designation, if different, of the agent for service of process on the foreign limited partnership whom the foreign limited partnership designates who must be an individual resident of this State, a domestic corporation, or a foreign corporation having a place of business in, and authorized to do business in, this State;

g. A statement that the Secretary of State is appointed the agent of the foreign limited partnership for service of process if the agent cannot be found or served with the exercise of reasonable diligence; and

h. The address of the office required to be maintained in the state of its organization by the laws of that state or if not so required, of the principal office of the foreign limited partnership.

i. If the Secretary of State finds that the application conforms to law and the requisite fees have been paid, he shall issue to the
foreign limited partnership a certificate of authority to transact business in this State.

28. Section 57 of P.L. 1983, c. 489 (C. 42:2A-58) is amended to read as follows:

C. 42:2A-58 Changes in and amendments to application for certificate.

57. Changes in and amendments to application for certificate. If any statement in the application of a foreign limited partnership for a certificate of authority to transact business in this State was false when made or any arrangements or other facts described have changed, making the application inaccurate in any respect, the foreign limited partnership shall promptly file in the office of the Secretary of State a certificate, executed by a general partner, correcting the statement.

29. Section 58 of P.L. 1983, c. 489 (C. 42:2A-59) is amended to read as follows:

C. 42:2A-59 Cancellation of certificate of authority to do business in the State.

58. Cancellation of certificate of authority to do business in the State. A foreign limited partnership may cancel its certificate of authority to transact business in this State by filing with the Secretary of State a certificate of cancellation executed by a general partner. A cancellation does not terminate the authority of the Secretary of State to accept service of process on the foreign limited partnership with respect to claims arising out of the transactions of business in this State. The Secretary of State shall cancel the certificate of authority of a foreign limited partnership when the certificate in the state of organization of the foreign limited partnership is cancelled and the Secretary of State receives notice thereof.

30. Section 59 of P.L. 1983, c. 489 (C. 42:2A-60) is amended to read as follows:

C. 42:2A-60 Transacting business without certificate of authority.

59. Transacting business without certificate of authority. a. A foreign limited partnership transacting business in this State may not maintain an action in any court of this State until it has obtained a certificate of authority to transact business in this State.

b. The failure of a foreign limited partnership to obtain a certificate of authority to transact business in this State does not impair the validity of any contract or act of the foreign limited partnership or prevent the foreign limited partnership from defending an action in any court of this State.
c. A limited partner of a foreign limited partnership is not liable as a general partner of the foreign limited partnership solely by reason of the foreign limited partnership having transacted business in this State without having obtained a certificate of authority to transact business; provided that, on ascertaining that no certificate of authority to transact business in this State exists, he promptly:

(1) Causes an appropriate certificate of authority to transact business in this State to be executed and filed; or

(2) Withdraws from future equity participation in the enterprise pursuant to the laws of the state in which the limited partnership was formed.

d. A foreign limited partnership, by transacting business in this State without having obtained a certificate of authority to transact business, appoints the Secretary of State as its agent for service of process with respect to claims arising out of the transaction of business in this State.

e. A foreign limited partnership which transacts business in this State without a certificate of authority to transact business shall forfeit to the State a penalty of not less than $200.00, nor more than $1,000.00 for each calendar year, or part thereof, not more than five years prior thereto, in which it shall have transacted business in this State without the certificate. The penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in the action in a summary manner or otherwise.

31. Section 61 of P.L. 1983, c. 489 (C. 42:2A-62) is amended to read as follows:

61. Right of action. A limited partner may bring an action in the right of a limited partnership to recover a judgment in its favor against one or more general partners, former general partners, limited partners, or third parties, if general partners with authority to do so have refused to bring the action or if an effort to cause those general partners to bring the action is not likely to succeed.

32. Section 62 of P.L. 1983, c. 489 (C. 42:2A-63) is amended to read as follows:

C. 42:2A-63 Proper plaintiff.

62. Proper plaintiff. In order to bring a derivative action, the limited partner shall be a limited partner at the time of bringing the action and either
a. Have been a limited partner at the time of the transaction of which he complains; or

b. Have had the status as a limited partner devolved upon him by operation of law or pursuant to the terms of the partnership agreement from a person who was a partner at the time of the transaction.

33. Section 63 of P.L. 1983, c. 489 (C. 42:2A-64) is amended to read as follows:

C. 42:2A-64 Pleading.

63. Pleading. In a derivative action, the complaint shall set forth with particularity the effort of the plaintiff to secure initiation of the action by a general partner or the reasons for not making demand upon a general partner.

34. Section 63.1 of P.L. 1983, c. 489 (C. 42:2A-65) is amended to read as follows:

63.1. Security for expenses. Unless the plaintiff's or plaintiffs' contributions to the partnership or the plaintiff's or plaintiffs' allocable share of partnership property amount to 5% or more of the contributions of or allocations to partnership property of all limited partners, in their status as limited partners, or unless the contributions of or the share allocable to the plaintiff or plaintiffs have a fair value in excess of twenty-five thousand dollars, the limited partnership in whose right such action is brought shall be entitled at any stage of the proceedings before final judgment to require the plaintiff or plaintiffs to give security for the reasonable expenses, including attorney's fees, which may be incurred by the limited partnership in connection with the action. The amount of this security shall be determined by the court.

35. Section 64 of P.L. 1983, c. 489 (C. 42:2A-66) is amended to read as follows:

64. Expenses. If a derivative action is successful, in whole or in part, or if anything is received by the limited partnership as a result of a judgment, compromise or settlement of an action, the court may award the plaintiff reasonable expenses, including reasonable attorney's fees.

36. Section 64.1 of P.L. 1983, c. 489 (C. 42:2A-67) is amended to read as follows:
C. 42:2A-67 Indemnification of general partner.

64.1. Indemnification of general partner. a. A domestic limited partnership may indemnify any general partner made a party to an action in the right of a limited partnership to procure a judgment in its favor by reason of his being or having been a general partner in the limited partnership, against the reasonable expenses, including attorney's fees, actually and necessarily incurred by him in connection with the defense of the action, or in connection with an appeal therein if the general partner acted in good faith and in a manner the general partner reasonably believed to be in or not opposed to the best interests of the limited partnership. However, in the proceedings no indemnification shall be provided in respect of any claim, issue or matter as to which the general partner shall have been adjudged to be liable for negligence or misconduct, unless and only to the extent that the Superior Court or the court in which the proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, the general partner is fairly and reasonably entitled to indemnity for the expenses as the Superior Court or any other court shall deem proper.

b. The indemnification authorized under subsection a. of this section shall in no case include amounts paid in settling or otherwise disposing of a threatened action, or pending action with or without court approval. The indemnification authorized under this section may include expenses incurred in a threatened action, or pending action which is settled or otherwise disposed of without court approval, provided there is a determination upon application to the Superior Court that in view of all circumstances of the case, the general partner is fairly and reasonably entitled to indemnity for the expenses as the Superior Court shall deem proper.

c. No indemnification shall be made under this section in any circumstances where it appears that indemnification would be inconsistent with a provision of the certificate of limited partnership, partnership agreement or other proper partnership action in effect at the time of accrual of the alleged cause of action asserted in the threatened or pending action in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification.

d. This section is not intended to prevent indemnification of a general partner as provided for under the limited partnership agreement or as approved by the Superior Court or the court in which
a proceeding is brought, for expenses and liability in connection with any proceeding, other than an action in the right of the limited partnership by reason of his being or having been a general partner in the limited partnership.

37. Section 65 of P.L. 1983, c. 489 (C. 42:2A-68) is amended to read as follows:

C. 42:2A-68 Filing fees of the Secretary of State.

If the report is not filed for two consecutive years, the certificate of limited partnership shall, after written demand for the reports by the Secretary of State by mail addressed to the limited partnership at the last address appearing of record in the office of the Secretary of State remain filed but be transferred to an inactive list. A limited partnership shall not have its certificate of limited
partnership transferred to the inactive list if it shall, within 60 days after the written demand, file the reports required by law and pay to the Secretary of State the fee provided by law for the filing of each report.

d. Any domestic limited partnership on the inactive list may return to active status by:

1. Paying to the Secretary of State double the amount of the current report fee for each year an annual report was not filed. Years prior to becoming inactive and years subsequent to being declared inactive shall be included in calculating this fee;

2. Filing a current annual report; and

3. Submitting a certificate of amendment adopting a name which complies with paragraph (4) of subsection a. of section 6 of this chapter, if the name of the inactive limited partnership does not comply with paragraph (4) of subsection a. of section 6.

e. A limited partnership whose certificate has been transferred to the inactive list shall remain a limited partnership formed under this chapter or under R.S. 42:2-1 et seq., but no name reservations, transfers of reserved names, or certificates of amendment may be filed until the limited partnership whose certificate has been placed on the inactive list regains active status. A limited partner of a limited partnership is not liable as a general partner of the limited partnership solely by reason of the transfer of the certificate of limited partnership to the inactive list.

f. The Secretary of State shall furnish annual report forms, shall keep all the reports and shall prepare an index thereof. The reports shall be open to public inspection at proper hours.

38. R.S. 42:3-1 is amended to read as follows:

Existing associations.

42:3-1. The principal place of business of an association formed under authority of R.S. 42:3-1 et seq. shall be established and maintained within this State. After the effective date of P.L. 1988, c. 130, no new limited partnership associations shall be formed pursuant to the provisions of R.S. 42:3-1 et seq.

39. R.S. 42:3-2 is amended to read as follows:

42:3-2. The persons desiring to amend the statement of the association shall
a. Sign and acknowledge before some officer competent to take acknowledgment of deeds, a statement in writing which shall set forth:

V. The character of the business to be conducted and the location of the same;

VII. The contemplated duration of the association, which shall not, in any case, exceed 20 years; and

VIII. The names of the officers of the association selected in conformity with the provisions of this article.

b. The amended statement shall be recorded in the office of the clerk of the county in which the principal place of business of the association shall be located.

c. (Deleted by amendment, P.L. 1988, c. 130.)

C. 42:2A-8.1 Change of registered office or agent.

40. Change of registered office or agent. a. A domestic limited partnership or a foreign limited partnership authorized to do business in this State may change its registered office or its registered agent or both. When the registered office is changed, or when the registered agent is changed, or dies, resigns, is removed, or becomes disqualified, the general partner or partners, unless otherwise provided in the partnership agreement, shall, as provided in the following subsection, establish the address of the new registered office, or designate the successor agent, or both, as the case may be.

b. The limited partnership shall file in the office of the Secretary of State a certificate executed by the general partner or partners on behalf of the limited partnership setting forth:

(1) The name of the limited partnership;

(2) The name of the registered agent if the registered agent is
being changed, then the name of the registered agent being succeeded and the successor registered agent;

(3) The address of the registered office if the registered office is being changed, then the address of the registered office immediately prior to the change, and the address including the actual location as well as the postal designation, if different, of the new registered office;

(4) A statement that the address of the registered office and the address of its registered agent will be identical after the change or changes; and

(5) That the change or changes set forth in the certificate is or are made by the general partner or partners on behalf of the limited partnership, unless the partnership agreement otherwise provides, in which case the certificate shall set forth briefly the authority pursuant to which the change is being made.

The change of the registered office and registered agent or either named in the certificate shall become effective upon the filing date of or at such later time, not to exceed 30 days after the date of filing, as may be set forth in the certificate.

C. 42:2A-8.2 Resignation of registered agent.

41. Resignation of registered agent. a. The registered agent of a domestic limited partnership or a foreign limited partnership authorized to transact business in this State may resign by complying with the provisions of this section.

b. The registered agent, or, in the case of a registered agent who is deceased or has been declared incompetent by a court of competent jurisdiction, his legal representative, shall serve a notice of resignation by certified mail, return receipt requested, upon a general partner or general partners of the limited partnership at the address last known to the agent, and shall make an affidavit of such service. If service cannot be made, the affidavit shall so state, and shall state briefly why service cannot be made. The affidavit, together with a copy of notice of resignation, shall be filed in the Office of the Secretary of State.

c. The resignation shall become effective 30 days after the filing in the office of the Secretary of State of the affidavit of service or upon the designation by the limited partnership of a new registered agent pursuant to this act, whichever is earlier. If the limited partnership fails to designate a new registered agent within the 30 day period,
the limited partnership shall thereafter be deemed to have no regist-
tered agent or registered office in this State, until the limited part-
nership files a certificate of change of address of registered office and
registered agent indicating the new registered office and registered
agent.

d. If any certificate of change replacing a resigned agent is not
filed, the limited partnership shall, after written demand therefor by
the Secretary of State, forfeit to the State a penalty of $200.00 for
each year or part thereof until an agent is appointed. The Secretary
of State may issue a certificate to the Clerk of the Superior Court
that the limited partnership is indebted for the payment of this
penalty. This certificate shall be entered by the Clerk as a judgment
docketed in the Superior Court, and shall have the same form as a
docketed judgment.

C. 42:2A-29.1 Notice of limited partners' meetings.

42. Notice of Limited Partners' Meetings. a. Except as provided
in the partnership agreement, written notice of the time, place and
purpose or purposes of every meeting of limited partners shall be
given not less than 10 days nor more than 60 days before the date
of the meeting, either personally or by mail, to each limited partner
of record entitled to vote at the meeting. In no case, however, may
the partnership agreement provide for less than 10 days' notice.

b. When a meeting is adjourned to another time and place, it
shall not be necessary, unless the partnership agreement otherwise
provides, to give notice of the adjourned meeting if the time and place
to which the meeting is adjourned are announced at the meeting at
which the adjournment is taken and at the adjourned meeting only
such business is transacted as might have been transacted at the
original meeting. However, if after the adjournment the general part-
ner fixes a new record date for the adjourned meeting, a notice of
the adjourned meeting shall be given to each limited partner of record
entitled to notice under subsection a. hereof on the new record date.

C. 42:2A-29.2 Waiver of notice of lapse of time.

43. Waiver of Notice of Lapse of Time. a. Except as provided in
the partnership agreement, notice of a meeting need not be given to
any limited partner who signs a waiver of notice, in person or by an
attorney-in-fact, whether before or after the meeting. The attendance
of any limited partner at a meeting, in person or by an attorney-in-
fact, without protesting prior to the conclusion of the meeting the
lack of notice of the meeting, shall constitute a waiver of notice by
him.
b. Except as provided in the partnership agreement, whenever limited partners are authorized to take any action after the lapse of a prescribed period of time, the action may be taken without the lapse if the requirement is waived in writing in person or by an attorney-in-fact, before or after the taking of the action, by every limited partner entitled to vote thereon as of the date of the taking of such action.

C. 42:2A-29.3 Action by limited partners.

44. Action by Limited Partners. Except as otherwise provided in the partnership agreement, any action required or permitted to be taken by limited partners may be taken:

a. At a meeting with notice thereof given as provided in section 42 of P.L. 1988, c. 130 (C. 42:2A-29.1) by that portion of limited partners whose votes are necessary to take such action; or

b. Without a meeting, upon the written consent of, that portion of limited partners whose votes are necessary to take such action. When action is taken without a meeting, however, all limited partners shall receive a written report of all actions taken.

C. 42:2A-29.4 Fixing record date.

45. Fixing Record Date. a. Except as otherwise provided in the partnership agreement, the general partner may fix, in advance, a date as the record date for determining the partnership's limited partners with regard to any partnership action or event and, in particular, for determining the limited partners entitled to:

(1) Be notified of or vote at any meeting of the partners or any adjournment thereof;

(2) Consent in writing to any action without a meeting; or

(3) Receive payment of any distribution or allotment of any right.

The record date may in no case be less than five days nor more than 60 days prior to the meeting of partners or other partnership action or event to which it relates. The record date to determine limited partners entitled to give a written consent may not be more than 60 days before the date fixed for tabulation of the consents or, if no date has been fixed for tabulation, more than 60 days before the last day on which consents received may be counted.

b. If no record date is fixed:

(1) The record date for determining limited partners for purposes of a meeting of partners shall be the close of business on the day
next preceding the date on which notice is given, or, if no notice is
given, the day next preceding the day on which the meeting is held;

(2) The record date for determining limited partners for any
purpose other than specified in paragraph (1) of this subsection shall
be at the close of business on the day on which the action relating
thereto is adopted.

c. When a determination of limited partners of record for a meet­
ning of partners has been made as provided in this section, the de­
termination shall apply to any adjournment thereof, unless the gen­
eral partner fixes a new record date under this section for the ad­
journed meeting.

d. For the purposes of this section, a limited partner of record
shall, in addition to meeting all other requirements of this section,
have fulfilled all conditions described in the partnership agreement
and by applicable law relative to attaining limited partner status.

C. 42:2A-29.5 Limited partnership interests held jointly or as tenants in common.

Limited Partnership Interests Held Jointly or as Tenants in
Common. Limited partnership interests held by two or more persons
as joint tenants or tenants in common may be voted at any meeting
of limited partners by any one of such persons, unless another joint
tenant or tenant in common seeks to vote any of such interest in the
limited partnership in person or by an attorney-in-fact. In the latter
event, the written agreement, if any, which governs the manner in
which such limited partnership interests shall be voted, shall control
if presented at the meeting. If no such agreement is presented at the
meeting, then, for the purposes of voting, the interest in the limited
partnership shall be divided equally among such joint tenants or
tenants in common present.

C. 42:2A-33.1 One person as both general and limited partner.

One Person as Both General and Limited Partner. a. A person
may be general partner and a limited partner in the same partnership
at the same time.

b. A person who is a general, and also at the same time a limited
partner, shall have all the rights and powers and be subject to all
the restrictions of a general partner; except that, in respect to his
contribution as a limited partner, he shall have the rights against
the other partners which he would have had if he were not also a
general partner.
CHAPTERS 130 & 131, LAWS OF 1988

C. 42:2A-16.1 Certificate of correction.

48. Certificate of Correction. If any instrument filed with the Secretary of State under any provision of this act is an inaccurate record of the limited partnership action therein referred to, or was defectively or erroneously executed, the instrument may be corrected by filing with the Secretary of State a certificate of correction executed by a general partner. The certificate of correction shall specify the inaccuracy or defect to be corrected and shall set forth the correction. The instrument so corrected shall be deemed to have been effective in its corrected form as of its original filing date except as to persons who actually relied in good faith upon the inaccurate portion of the certificate and who are adversely affected by the correction. As to these persons, the correction shall be effective as of the effective date of filing of the certificate of correction. Such filing shall only be made if the Secretary of State consents to the filing.

Repealer.

49. The following are repealed:

R.S. 42:2-1 through R.S. 42:2-30 inclusive;

50. There is hereby appropriated, from the General Fund, $45,000.00 to the Department of State to carry out the provisions of this act.

51. This act shall take effect immediately.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The New Jersey Wastewater Treatment Trust, established pursuant to P.L. 1985, c. 334 (C. 58:11B-1 et seq.), is authorized to expend the aggregate sum of up to $75,000,000.00, and any unexpended balance of the aggregate expenditure authorized pursuant to section 1 of P.L. 1987, c. 199, for the purpose of making loans, to the extent sufficient funds are available, to local government units to finance a portion of the costs of construction of wastewater treatment system projects listed in section 3 of this act. The trust is also authorized to increase the aggregate sums by the amounts of capitalized interest and the bond issuance expenses as provided in subsection b. of section 7 of this act. For the purposes of this act, “capitalized interest” means the amount equal to interest paid on trust bonds which is funded with trust bond proceeds; and “issuance expenses” means and includes, but need not be limited to, the costs of financial document printing, municipal bond insurance premiums, underwriters’ discount, verification of financial calculations, the services of bond rating agencies and trustees, employment of accountants, attorneys, financial advisors, loan servicing agents, registrars, and paying agents and any other costs related to the issuance of trust bonds.

2. The New Jersey Wastewater Treatment Trust is authorized to make loans to the local government units and for the wastewater treatment system projects listed in section 3 of this act up to the individual amounts indicated and in the priority stated, except as any such amount may be reduced by the trust pursuant to subsection a. of section 7 of this act, or if a project fails to meet the requirements of section 6 of this act.

In the event that Carneys Point Township Sewerage Authority executes and delivers a loan agreement with the trust prior to July 1, 1988 for a loan in the amount of $2,350,000, as authorized pursuant to section 2 of P.L. 1987, c. 199, the loan amount indicated in this section for Project No. S340502-02 (Carneys Point Township Sewerage Authority: $3,665,000) shall not be included on the priority list and the local government unit shall no longer be entitled to that loan.

4. In addition to the loans authorized in sections 2 and 3 of this act, the trust is authorized to expend, from any unexpended balance of the aggregate expenditure authorized pursuant to section 1 of P.L. 1987, c. 199, funds for the purpose of making loans to the local government units listed below for the following wastewater treatment system projects:
The loans authorized in this section shall be made for the difference between the loan amounts certified by the chairman of the trust in State fiscal year 1988 and the allowable loan amounts required by these projects based upon low bid building costs pursuant to subsection a. of section 7 of this act. The trust is authorized to increase that aggregate sum by the amounts of capitalized interest and the bond issuance expenses as provided in subsection b. of section 7 of this act. The loans authorized in this section shall be made to the local government units listed, up to the individual amounts indicated and in the priority stated, to the extent sufficient funds are available, except as any such project fails to meet the requirements of section 6 of this act.

In the event that Carneys Point Township Sewerage Authority has not executed and delivered a loan agreement with the trust prior to July 1, 1988 for a loan in the amount of $2,350,000, as authorized pursuant to section 2 of P.L. 1987, c. 199, the loan authorized in this section for Project No. NJL-340502-02 (Carneys Point Township Sewerage Authority: $1,315,000) shall not be made, and the local government unit shall not be entitled to that loan.

5. In accordance with and subject to the provisions of sections 5, 6 and 23 of P.L. 1985, c. 334 (C. 58:11B-5, 58:11B-6 and 58:11B-23) and as set forth in the financial plan required pursuant to section 21 of P.L. 1985, c. 334 (C. 58:11B-21), any proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects listed in sections 3 and 4 of this act which are not expended for that purpose may be applied for the payment of all or any part of the principal of and interest and premium on the trust bonds whether when due or upon redemption. A portion of the proceeds from bonds issued by the trust to make loans for priority wastewater treatment system projects pursuant to this act may be applied for the payment of capitalized interest and for the payment of any issuance expenses.

6. Any loan made by the New Jersey Wastewater Treatment Trust pursuant to this act shall be subject to the following requirements:
a. The chairman of the trust has certified that the project is in compliance with the provisions of P.L. 1985, c. 334 and any rules and regulations adopted pursuant thereto;

b. The loan shall be conditioned upon approval of a zero interest loan from the Department of Environmental Protection from the “Wastewater Treatment Fund” established pursuant to the “Wastewater Treatment Bond Act of 1985,” P.L. 1985, c. 329;

c. The loan shall be repaid within a period not to exceed 20 years of the making of the loan;

d. The loan shall not exceed 50% of the allowable project cost of a wastewater treatment system, exclusive of capitalized interest and issuance expenses as provided in subsection b. of section 7 of this act;

e. The loan shall bear interest at or below the interest rate paid by the trust on the bonds issued to make the loans authorized by this act, adjusted for underwriting discount, in accordance with the terms and conditions set forth in the financial plan required pursuant to section 21 of P.L. 1985, c. 334 (C. 58:11B-21); and

f. The loan shall be subject to all other terms and conditions as the trust shall determine to be consistent with the provisions of P.L. 1985, c. 334 (C. 58:11B-1 et seq.) and any rules and regulations adopted pursuant thereto, and with the financial plan required by section 21 of P.L. 1985, c. 334 (C. 58:11B-21).

The priority list and loans authorized pursuant to sections 2, 3 and 4 of this act shall expire on July 1, 1989, and any local government unit which has not executed and delivered a loan agreement with the trust for a loan authorized in this act shall no longer be entitled to that loan.

7. a. The New Jersey Wastewater Treatment Trust is authorized to reduce the individual amount of loan funds made available to local government units pursuant to sections 2 and 3 of this act based upon low bid building costs defined in and determined in accordance with rules and regulations adopted by the trust pursuant to section 27 of P.L. 1985, c. 334 (C. 58:11B-27).

b. The trust is authorized to increase each loan amount authorized in sections 2, 3 and 4 of this act by the amount of capitalized interest and issuance expenses allocable to each loan made by the trust pursuant to this act; provided that the increase for issuance expenses, excluding underwriters’ discount and municipal
bond insurance premiums, shall not exceed .15% of the principal amount of trust bonds issued to make loans authorized by this act.

8. The expenditure of funds authorized pursuant to this act is subject to the provisions of P.L. 1985, c. 329 and P.L. 1985, c. 334 (C. 58:11B-1 et seq.) and any rules and regulations adopted pursuant thereto.

9. This act shall take effect immediately, but shall remain inoperative until the enactment of P.L. 1988, c. 133.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. The "Wastewater Treatment Fund" established pursuant to the "Wastewater Treatment Bond Act of 1985," P.L. 1985, c. 329 and administered by the Department of Environmental Protection, shall contain one or more accounts for the purpose of receiving federal funds authorized pursuant to the "Water Quality Act of 1987," (including the addition of Title VI to the Clean Water Act of 1982) (33 U.S.C. §1251 et al.), and any amendatory and supplementary acts thereto. These accounts shall be constituted collectively as a water pollution control revolving fund of the State of New Jersey and shall be known as the "Wastewater Treatment Fund—State Revolving Fund Accounts" (hereinafter referred to as "State Revolving Fund Accounts"). The State Revolving Fund Accounts shall be in addition to, and separate from, any other accounts contained within the "Wastewater Treatment Fund." Any federal funds which may be made available to the State pursuant to the "Water Quality Act of 1987" shall be deposited in the State Revolving Fund Accounts in accordance with the provisions of subsection b. of section 16 of P.L. 1985, c. 329.

2. a. There is appropriated to the Department of Environmental Protection from the State Revolving Fund Accounts an amount not
exceeding $75,000,000 in federal funds as may be deposited in the State Revolving Fund Accounts pursuant to section 1 of this act for the purpose of making zero interest loans, to the extent sufficient funds are available, to local government units to finance a portion of the costs of construction of wastewater treatment system projects listed in section 3 of this act, and for the purpose of implementing and administering the provisions of this act, to the extent permitted by the “Water Quality Act of 1987.”

b. The Department of Environmental Protection is authorized to make zero interest loans to the local government units and for the wastewater treatment system projects listed in section 3 of this act up to the individual amounts indicated and in the priority stated, except as any such amount may be reduced by the Commissioner of Environmental Protection pursuant to section 7 of this act, or if a project fails to meet the requirements of section 5 of this act.

c. The department is also authorized to make zero interest loans to the local government units and for the wastewater treatment system projects listed in section 3 of this act under the same terms, conditions and requirements as set forth in this section from any unexpended balances of the amounts appropriated pursuant to section 1 of P.L. 1987, c. 200 from the “Wastewater Treatment Fund” established pursuant to the “Wastewater Treatment Bond Act of 1985” (P.L. 1985, c. 329).

CHAPTER 139

AN ACT establishing a New Jersey Policy Center on Aging and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:27D-29.23 Findings, declarations.

1. The Legislature finds and declares that: our nation as a whole, and our State in particular, have been experiencing the increase over time of greater numbers of senior citizens in proportion to the total population; our society is just beginning to understand the complex needs and problems related to aging; and at the present time, our State is spending approximately two billion dollars a year of State and federal funds for programs for senior citizens which include, programs administered under the federal “Older Americans Act of 1965,” Pub. L. 89-73 (42 U.S.C. §3001 et seq.) and Medicare, Pub. L. 89-97 (42 U.S.C. §1395 et seq.), the Pharmaceutical Assistance to the Aged and Disabled Program established pursuant to P.L. 1975, c. 194 (C. 30:4D-20 et seq.), the “Lifeline Credit Program” established pursuant to P.L. 1979, c. 197 (C. 48:2-29.15 et seq.) and the “Tenants' Lifeline Assistance Program” established pursuant to P.L. 1981, c. 210 (C. 48:2-29.30).
The Legislature further finds and declares that: it is extremely important for this State to lend ongoing support and resources to establish a research, teaching and information center for the study of gerontological policies, concerns and programs; this policy center on aging would create a focal point for State support of professional gerontological research in the State; and it is reasonable to assume that one of the many benefits of establishing a policy center on aging would be considerable cost savings to the State as the policy center attracts additional moneys from federal and private sources for gerontological research.

C. 52:27D-29.24 Policy Center on Aging.

2. The Commissioner of the Department of Community Affairs shall establish the New Jersey Policy Center on Aging at Rutgers, The State University.

It shall be the duty of the center to:

a. Analyze and assist in the development of aging policies for New Jersey;

b. Conduct studies of gerontological issues, concerns and programs which impact on the State;

c. Act as a focal point for State support of gerontological research in the State; and

d. Conduct gerontological research which includes, but is not limited to:

(1) Demographic analysis of the effects of the State's economy on the elderly, the available housing stock and the general population distribution;

(2) Analysis of the cost of services, the use of general revenues, casino revenues and federal funding for services and the areas in which service gaps exist;

(3) Analysis of the long-term care system in the State, including an examination of alternative methods of care delivery such as health maintenance organizations and social health maintenance organizations; and

(4) Analysis of demographic data, service utilization, and other information which will assist the State in defining the needs of its elderly population.

C. 52:27D-29.25 Advisory committee.

3. There is established a Policy Center on Aging Advisory Com-
mittee. The committee shall consist of the Commissioner of the Department of Community Affairs, who shall act as the committee chairperson, the Commissioners of the Departments of Health and Human Services and the Chancellor of Higher Education, or their designees; a representative of the New Jersey State Commission on Aging, section 2 of P.L. 1957, c. 72 (C. 26:1A-108) appointed by the commission; four citizen members of whom two shall be appointed by the Governor, one shall be appointed by the President of the Senate and one shall be appointed by the Speaker of the General Assembly; a member of the Senate appointed by the President thereof; and a member of the General Assembly appointed by the Speaker thereof.

The committee shall prepare guidelines for the establishment and advise on the operation of the New Jersey Policy Center on Aging.

C. 52:27D-29.26 Funding.

4. The Commissioner of the Department of Community Affairs, on behalf of the center and with the concurrence of Rutgers, The State University, is authorized to:

a. Apply for and accept grants of money available for the purposes of this act from the federal government or other sources; and

b. Accept gifts, grants and bequests of funds from individuals, foundations, corporations, governmental agencies and other organizations and institutions.

C. 52:27D-29.27 Direct application.

5. Nothing in this act shall preclude the center, a qualifying research institution or any other research facility in the State from directly applying for, or receiving funds from, any public or private agency to conduct gerontological research.

C. 52:27D-29.28 Rules, regulations.

6. Pursuant to the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), the Commissioner of the Department of Community Affairs, in consultation with the Chancellor of Higher Education and in cooperation with Rutgers, The State University, shall adopt rules and regulations necessary to implement the provisions of this act.

7. Within 30 days after the effective date of this act, the Commissioner of the Department of Community Affairs shall report in writing to the Senate Revenue, Finance and Appropriations Commit-
tee and the General Assembly Appropriations Committee, or their successors, concerning the manner in which the appropriation will be expended, including information on administrative and project costs. Within 30 days after each fiscal year in which the Policy Center on Aging receives State funds, the Commissioner shall report in writing to the Senate Revenue, Finance and Appropriations Committee and the General Assembly Appropriations Committee, or their successors, concerning the manner in which any funds received by the policy center were expended, including information on administrative and project costs.

8. This act shall take effect immediately.

Statement to Chapter 139
(Senate Bill No. 569 (Second Reprint))

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 569 (Second Reprint) at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill establishes the New Jersey Policy Center on Aging at Rutgers University and appropriates $250,000 to effectuate its purposes. The Policy Center would be delegated a series of tasks, chief among them the development of new policies designed to assist New Jersey's elderly population.

New Jersey is home to 1.3 million elderly. This part of our sprawling family makes a unique contribution to New Jersey's rich and varied tapestry. Yet, we are conscious of the fact that elderly citizens need and deserve special attention and care. That is why 17 of the 19 State agencies have programs designed to assist the aging. More than $2 billion in federal and State funds are administered annually for those programs.

I believe the Policy Center on Aging created by this bill will enhance the already significant efforts being undertaken in this State to make sure that our elderly are cared for in the best ways possible. The Center will help to coordinate and centralize data from the myriad programs that currently exist. Moreover, I am hopeful that the research conducted at the Policy Center will help us to make informed and effective decisions about future programs.
While I support the creation of a Policy Center on Aging, I am unable to approve additional funding for such an endeavor. The State is a willing contributor in supporting programs for the elderly. During fiscal year 1989, approximately $692 million in State funds will be appropriated for these programs. Because significant monies have already been allotted for senior citizen programs, I recommend that the Policy Center be supported by funds from existing State programs as well as from federal funds and private donations. I am confident that such resources are available, and I encourage both the Department of Community Affairs and Rutgers University to aggressively pursue these funding avenues.

Accordingly, I herewith append the following statement of objections to the sum, or parts thereof, appropriated by this bill:

Budgeted capital outlay used for the calculation of State support shall be the smaller of (1) the budgeted capital outlay for the prebudget year, or (2) 1 1/4% of the sum of the current expense and budgeted capital outlay for the prebudget year.

Any all purpose regional school district formed after November 24, 1986 whose equalized valuation per pupil exceeds the State guaran-
teed valuation per pupil shall receive debt service and capital outlay aid in the same percentage as current expense aid calculated pursuant to P.L. 1975, c. 212 (C. 18A:7A-1 et seq.) for a period of 10 years following the regionalization of the school district, subject to the provisions of section 4 of P.L. 1987, c. 266 (C. 18A:7A-27.1).

CHAPTER 148

AN ACT enabling municipalities to establish urban homesteading programs and supplementing Title 52 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 40A:12-31 Short title.

1. This act shall be known and may be cited as the "Urban Homesteading Act."

C. 40A:12-32 Findings, declarations.

2. The Legislature finds and declares that:

a. There exists within this State a serious shortage of decent, safe, and sanitary dwelling units for persons of limited means, particularly in urban centers such as Newark, Irvington, Paterson, Trenton and Camden;

b. In those same centers in which the housing crisis is most severe, many residential properties have been acquired by municipalities because of their abandonment or the failure on the part of their owners to pay property taxes;

c. Owing to their abandonment and neglect, these structures are generally unsafe and unsound, posing a threat to local residents and undermining the stability of entire neighborhoods;

d. The already formidable demands placed upon these governments in attempting to maintain acceptable levels of municipal service in the face of declining assistance from higher levels of government are only exacerbated by the financial expense and administrative burden associated with the upkeep of this obsolescent municipal property;
e. Not only does the persistence of this urban ill seriously drain municipal coffers and undermine the physical and social fabric of our major urban centers, but it also represents a senseless waste of residential accommodation at a time when affordable housing is becoming increasingly scarce;

f. If municipalities were provided with greater flexibility in disposing of these municipally-owned residential buildings, they would thereby be assisted in diminishing the onerous burdens associated with property ownership under these circumstances, in recycling housing units which are so vital, and finally, in reversing the fortunes of neighborhoods which exist in the shadow of these abandoned, obsolescent, and unsafe structures;

g. It is therefore in the public interest and a valid public purpose for the Legislature to allow municipalities the discretion to dispose of these residential properties for limited consideration, through the establishment of urban homesteading programs, in order to facilitate their reuse and, equally, to encourage and promote the economic revitalization of this State's urban centers.

C. 40A:12-33 Definitions.

3. As used in this act:

a. "Application" means all information required by the municipality of an applicant in order to make a determination regarding the sale of in rem property;

b. "In rem property" means any residential property consisting of less than five dwelling units, to which a municipality has acquired title pursuant to the "In Rem Tax Foreclosure Act (1948)," P.L. 1948, c. 96 (C. 54:5-104.29 et seq.);

c. "Enforcing agency" means the enforcing agency in any municipality designated to administer and enforce the "State Uniform Construction Code Act" pursuant to section 8 of P.L. 1975, c. 217 (C. 52:27D-126), and regulations promulgated thereunder;

d. "Owner" means the owner or owners in fee of the property or a lesser estate therein, a mortgagee or vendee in possession, an assignee of rents, receiver, executor, trustee, lessee, or any other person, firm or corporation, directly or indirectly in control of a building, structure or real property;

e. "Qualified applicant" or "applicant" means an applicant for an urban homestead who is at least 18 years of age upon application;
f. "Urban homesteader" means a person who has been granted title to an in rem property under the conditions set forth in this act;
g. "Urban homesteading agency" or "homesteading agency" means that governmental entity designated to administer the urban homesteading program pursuant to section 4 of this act; and
h. "Urban homesteading program" means the process by which title to in rem property is conveyed by a municipality to an urban homesteader.

C. 40A:12-34 Urban homesteading program.

4. a. A municipality may, by ordinance, establish an urban homesteading program. Any municipality which enacts such an ordinance shall designate in that ordinance an existing department of the municipality to serve as the urban homesteading agency.

b. Notwithstanding the provisions of P.L. 1971, c. 199 (C. 40A:12-1 et seq.) or any other law, rule or regulation to the contrary, any municipality which enacts an ordinance pursuant to subsection a. of this section may sell in rem property to a qualified applicant for a selling price of no less than the minimum purchase price set by ordinance and no more than the maximum purchase price set by ordinance; provided, however, that no property may be sold pursuant to this act unless the applicant makes a commitment to the municipality that he will fulfill the work entailed in the appraisal which is selected by the homesteading agency from among those submitted by the applicant under subsection d. of this section.

c. In order to be considered eligible to purchase an in rem property pursuant to this act, an applicant shall demonstrate, to the satisfaction of the homesteading agency, that the applicant has the financial means to purchase the property.

d. An ordinance establishing an urban homesteading program shall include reasonable standards for demonstration of financial means, a minimum time period during which the homesteader must occupy the premises, a specific time period within which rehabilitation of the premises must commence, an overall minimum and maximum purchase price for homestead properties to be transferred and penalties for not beginning rehabilitation within the specified time and for not fulfilling the residency commitment.

The ordinance shall also require an applicant who proposes to purchase an in rem property to include as part of the application to purchase that property three independent appraisals of that work
required in order to bring the property into conformance with all applicable State and local codes and shall include penalties for not fulfilling the work required in that appraisal selected by the homesteading agency. The appraisals shall set forth a detailed list of all materials required and the number of hours of labor required in order to perform all of the necessary tasks.

C. 40A:12-35  Certified list.

5. Within 30 days of the enactment of an ordinance establishing an urban homesteading program and designating the urban homesteading agency, the tax collector shall submit to the homesteading agency a certified list of all in rem properties within the municipality. At least quarterly thereafter, the tax collector shall review and update that certified list and report any changes in the number of in rem properties to the urban homesteading agency.

C. 40A:12-36  Notice; procedures.

6. a. Upon receiving the list of in rem properties in the municipality pursuant to section 5 of this act, the urban homesteading agency shall publish at least twice a notice in a newspaper having general circulation in the county in which the property which is suitable for rehabilitation is available. The notice shall contain the following information: (1) that certain in rem property is available for acquisition; (2) that in order to be considered eligible to acquire the property, applicants must fulfill criteria which are set forth in the notice; (3) the procedures for applying for an urban homestead; and (4) the deadline for submitting the application. The second notice shall be published not less than two weeks before the application deadline.

b. Within 30 days after the application deadline, the urban homesteading agency shall recommend to the governing body the transfer of in rem property to qualified applicants who have demonstrated their ability to acquire the necessary financial and technical resources to rehabilitate, own and manage urban homestead property under the terms and conditions set forth in section 4 of this act and under any other conditions determined by the homesteading agency.

C. 40A:12-37  Contract provisions.

7. The transfer of the urban homesteading property to the applicant selected pursuant to section 6 of this act shall be made pursuant to a contract of sale and rehabilitation between the municipality and the transferee which shall provide, among other things, that (1) the property transferred shall be rehabilitated for residential use and be brought into and maintained in conformity with all applicable State
and local codes; (2) the rehabilitation shall commence and be completed within the time period specified in the ordinance; and (3) representatives of the urban homesteading agency, the municipality, and, where State or federal assistance is involved, representatives of State or federal governments shall have access to the property during normal business hours for the purpose of inspecting to ensure compliance with the provisions of this section.

C. 40A:12-38 Filing of ordinance.

8. Within 30 days following the enactment of an ordinance establishing an urban homesteading program, the municipal clerk shall file a copy of the ordinance with the Director of the Division of Local Government Services and the Director of the Division of Housing and Development of the Department of Community Affairs.

9. This act shall take effect immediately.

CHAPTER 149

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. In addition to the sums appropriated under P.L. 1987, c. 154, there is appropriated out of the General Fund the following sum for the purpose specified:

STATE AID
22 DEPARTMENT OF COMMUNITY AFFAIRS

State Aid:
Grant to Athletes ................. ($40,000)*

2. This act shall take effect immediately.
*Reduced by line-item veto of Governor. See statement following.

Statement to Chapter 149
(Assembly Bill No. 2462)

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Assembly Bill No. 2462 at the time of signing it my statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill would appropriate $50,000 through the Department of Community Affairs to assist in sending New Jersey wheelchair athletes to the 1988 Paralympics scheduled to be held in Seoul, Korea later this month.

I am informed by those involved with disabled athletes in New Jersey that wheelchair athletes need approximately $25,000 in State assistance to be able to go to Korea. They have already raised a significant amount of money on their own for this worthy endeavor. I am also informed that several other disabled New Jerseyans are scheduled to travel to Korea for the Paralympics, at an additional cost of approximately $15,000. I believe that they also should be helped by the State. Because the combined total of $40,000 for all of those who intend to go is less than the $50,000 appropriated by this bill, I am recommending a reduction in this appropriation to $40,000.

I am sure that these New Jerseyans will represent the State well in Korea, as did the young New Jerseyans who competed at the 1988 Summer Olympic Games for the United States.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill.

Page 1, Section 1, Line 17: Delete "$50,000" insert "$40,000"
Page 1, Section 1, Line 19: Delete "Wheelchair"; delete "$50,000" insert "$40,000"

Respectfully,
Thomas H. Kean
Governor

CHAPTER 153

AN ACT concerning matrimonial action and revising parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. N.J.S. 2A:34-13 is amended to read as follows:

Action by 16-year-old.

2A:34-13. A person who has attained the age of 16 years may prosecute or defend any matrimonial action in person or by attorney.

2. N.J.S. 2A:34-21 is amended to read as follows:

Assumption of any surname.

2A:34-21. The court, upon or after granting a divorce from the bonds of matrimony to either spouse, may allow either spouse to
resume any name used by the spouse before the marriage, or to assume any surname.

3. N.J.S. 2A:34-23 is amended to read as follows:

**Alimony, maintenance; child support.**

2A:34-23. Pending any matrimonial action brought in this State or elsewhere, or after judgment of divorce or maintenance, whether obtained in this State or elsewhere, the court may make such order as to the alimony or maintenance of the parties, and also as to the care, custody, education and maintenance of the children, or any of them, as the circumstances of the parties and the nature of the case shall render fit, reasonable and just, and require reasonable security for the due observance of such orders, including, but not limited to, the creation of trusts or other security devices, to assure payment of reasonably foreseeable medical and educational expenses. Upon neglect or refusal to give such reasonable security, as shall be required, or upon default in complying with any such order, the court may award and issue process for the immediate sequestration of the personal estate, and the rents and profits of the real estate of the party so charged, and appoint a receiver thereof, and cause such personal estate and the rents and profits of such real estate, or so much thereof as shall be necessary, to be applied toward such alimony and maintenance as to the said court shall from time to time seem reasonable and just; or the performance of the said orders may be enforced by other ways according to the practice of the court. Orders so made may be revised and altered by the court from time to time as circumstances may require.

The court may order one party to pay a retainer on behalf of the other for expert and legal services when the respective financial circumstances of the parties make the award reasonable and just. In considering an application, the court shall review the financial capacity of each party to conduct the litigation and the criteria for award of counsel fees that are then pertinent as set forth by court rule. Whenever any other application is made to a court which includes an application for pendente lite or final award of counsel fees, the court shall determine the appropriate award for counsel fees, if any, at the same time that a decision is rendered on the other issue then before the court and shall consider the factors set forth in the court rule on counsel fees, the financial circumstances of the parties, and the good or bad faith of either party.

a. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed,
the court in those cases not governed by court rule shall consider, but not be limited to, the following factors:

(1) Needs of the child;
(2) Standard of living and economic circumstances of each parent;
(3) All sources of income and assets of each parent;
(4) Earning ability of each parent, including educational background, training, employment skills, work experience, custodial responsibility for children including the cost of providing child care and the length of time and cost of each parent to obtain training or experience for appropriate employment;
(5) Need and capacity of the child for education, including higher education;
(6) Age and health of the child and each parent;
(7) Income, assets and earning ability of the child;
(8) Responsibility of the parents for the court-ordered support of others;
(9) Reasonable debts and liabilities of each child and parent; and
(10) Any other factors the court may deem relevant.

b. In all actions brought for divorce, divorce from bed and board, or nullity the court may award permanent or rehabilitative alimony or both to either party, and in so doing shall consider, but not be limited to, the following factors:

(1) The actual need and ability of the parties to pay;
(2) The duration of the marriage;
(3) The age, physical and emotional health of the parties;
(4) The standard of living established in the marriage and the likelihood that each party can maintain a reasonably comparable standard of living;
(5) The earning capacities, educational levels, vocational skills, and employability of the parties;
(6) The length of absence from the job market and custodial responsibilities for children of the party seeking maintenance;
(7) The time and expense necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment, the availability of the training and employment, and the opportunity for future acquisitions of capital assets and income;

(8) The history of the financial or non-financial contributions to the marriage by each party including contributions to the care and education of the children and interruption of personal careers or educational opportunities;

(9) The equitable distribution of property ordered and any pay-outs on equitable distribution, directly or indirectly, out of current income, to the extent this consideration is reasonable, just and fair; and

(10) Any other factors which the court may deem relevant.

When a share of a retirement benefit is treated as an asset for purposes of equitable distribution, the court shall not consider income generated thereafter by that share for purposes of determining alimony.

In any case in which there is a request for an award of rehabilitative or permanent alimony, the court shall consider and make specific findings on the evidence about the above factors.

An award of rehabilitative alimony may be modified based either upon changed circumstances, or upon the nonoccurrence of circumstances that the court found would occur at the time of the rehabilitative award. This section is not intended to preclude a court from modifying permanent alimony awards based upon the law. In all actions for divorce other than those where judgment is granted solely on the ground of separation the court may consider also the proofs made in establishing such ground in determining an amount of alimony or maintenance that is fit, reasonable and just. In all actions for divorce or divorce from bed and board where judgment is granted on the ground of institutionalization for mental illness the court may consider the possible burden upon the taxpayers of the State as well as the ability of the party to pay in determining an amount of maintenance to be awarded.

In all actions where a judgment of divorce or divorce from bed and board is entered the court may make such award or awards to the parties, in addition to alimony and maintenance, to effectuate an equitable distribution of the property, both real and personal, which
was legally and beneficially acquired by them or either of them during the marriage. However, all such property, real, personal or otherwise, legally or beneficially acquired during the marriage by either party by way of gift, devise, or intestate succession shall not be subject to equitable distribution, except that interspousal gifts shall be subject to equitable distribution.

C. 2A:34-23.1 Equitable distribution criteria.

4. In making an equitable distribution of property, the court shall consider, but not be limited to, the following factors:

a. The duration of the marriage;

b. The age and physical and emotional health of the parties;

c. The income or property brought to the marriage by each party;

d. The standard of living established during the marriage;

e. Any written agreement made by the parties before or during the marriage concerning an arrangement of property distribution;

f. The economic circumstances of each party at the time the division of property becomes effective;

g. The income and earning capacity of each party, including educational background, training, employment skills, work experience, length of absence from the job market, custodial responsibilities for children, and the time and expense necessary to acquire sufficient education or training to enable the party to become self-supporting at a standard of living reasonably comparable to that enjoyed during the marriage;

h. The contribution by each party to the education, training or earning power of the other;

i. The contribution of each party to the acquisition, dissipation, preservation, depreciation or appreciation in the amount or value of the marital property, as well as the contribution of a party as a homemaker;

j. The tax consequences of the proposed distribution to each party;

k. The present value of the property;

l. The need of a parent who has physical custody of a child to own or occupy the marital residence and to use or own the household effects;
m. The debts and liabilities of the parties;

n. The need for creation, now or in the future, of a trust fund to secure reasonably foreseeable medical or educational costs for a spouse or children; and

o. Any other factors which the court may deem relevant.

In every case, the court shall make specific findings of fact on the evidence relevant to all issues pertaining to asset eligibility or ineligibility, asset valuation, and equitable distribution, including specifically, but not limited to, the factors set forth in this section.

It shall be a rebuttable presumption that each party made a substantial financial or nonfinancial contribution to the acquisition of income and property while the party was married.

Title amended.

5. The title of P.L. 1954, c. 187 (C. 2A:34-24.1) is amended to read as follows:

An act concerning the support and maintenance of spouse and children and supplementing chapter 34 of Title 2A of the New Jersey Statutes.

6. Section 1 of P.L. 1954, c. 187 (C. 2A:34-24.1) is amended to read as follows:

C. 2A:34-24.1 Absence of personal jurisdiction.

1. When a spouse has secured a judgment or decree of divorce, whether absolute or from bed and board, or of nullity or annulment of marriage, in an action whether brought in this State or elsewhere, wherein jurisdiction over the person of the other spouse was not obtained, the court may make the same orders and judgments touching the suitable support and maintenance to be paid and provided by the spouse, or to be made out of the spouse’s property, for the other spouse and their children, or any of them, by their marriage and for such time, as the nature of the case and circumstances of the parties render suitable and proper, pursuant to the provisions of chapter 34 of Title 2A of the New Jersey Statutes notwithstanding the securing of such judgment or decree.

7. N.J.S. 2A:34-25 is amended to read as follows:

Termination of alimony.

2A:34-25. If after the judgment of divorce a former spouse shall remarry, permanent alimony shall terminate as of the date of remarriage except that any arrearages that have accrued prior to the date
of remarriage shall not be vacated or annulled. The remarriage of a former spouse receiving rehabilitative alimony shall not be cause for termination of the rehabilitative alimony by the court unless the court finds that the circumstances upon which the award was based have not occurred or unless the payer spouse demonstrates an agreement or good cause to the contrary.

Alimony shall terminate upon the death of the payer spouse, except that any arrearages that have accrued prior to the date of the payer spouse’s death shall not be vacated or annulled.

Nothing in this act shall be construed to prohibit a court from ordering either spouse to maintain life insurance for the protection of the former spouse or the children of the marriage in the event of the payer spouse’s death.

8. N.J.S. 2A:34-26 is amended to read as follows:

Attachment of property.

2A:34-26. When a spouse cannot be found within this State to be served with process, the spouse’s estate, property and effects within this State and the rents and profits thereof may be attached to compel the spouse’s appearance and performance of any judgment or order which may be made in the action. Where the proceedings are by process of attachment and the defendant does not appear, the judgment shall be enforceable only out of and against the property attached.

9. This act shall take effect on September 1, 1988, and shall apply only to orders and judgments entered after that date.

b. The presence of any non-kosher food or food product in any place of business that advertises or represents itself in any manner as selling, offering for sale, preparing or serving kosher food or food products only, is presumptive evidence that the person in possession offers the same for sale in violation of this act.

c. It shall be a complete defense to a prosecution under this act that the defendant relied in good faith upon the representations of a slaughterhouse, manufacturer, processor, packer or distributor, or any person or organization which certifies or represents any food or food product at issue to be kosher, kosher for Passover, or as having been prepared under or sanctioned by Orthodox Jewish religious requirements.

CHAPTERS 155 & 156, LAWS OF 1988

CHAPTER 156

AN ACT concerning private passenger automobile insurance, and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 25 of P.L. 1983, c. 65 (C. 17:30E-13) is amended to read as follows:

C. 17:30E-13 Territorial base rates.

25. Notwithstanding the provisions of section 7 of P.L. 1983, c. 65 (C. 17:29A-36), the rates used by the association shall be as follows:

a. On January 1, 1989, the territorial base rates used by the association for policies issued or renewed following that date for qualified applicants or association insureds who, for the three years preceding the date of issuance or renewal, (1) have been convicted of two or more moving violations, or have received four or more motor vehicle points, whichever is less; or (2) have had one or more at-fault accidents shall be adjusted by the commissioner so that they exceed the territorial base rates under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by 10%. Qualified applicants or association insureds who have not had such accidents or moving violations or motor vehicle points in the three years preceding the issuance or renewal shall be rated under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State.

b. On January 1, 1990, the territorial base rates used by the association for policies issued or renewed following that date for qualified applicants or association insureds who, for the three years preceding the date of issuance or renewal, (1) have been convicted of two or more moving violations, or have received four or more motor vehicle points, whichever is less; or (2) have had one or more at-fault accidents shall be adjusted by the commissioner so that they exceed the territorial base rates under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by 20%, unless the
commissioner reduces the amount of the rate increase based on his certification as to the needs of the association on that date. Qualified applicants or association insureds who have not had such accidents or moving violations or motor vehicle points in the three years preceding the issuance or renewal shall be rated under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State.

c. On January 1, 1991, the territorial base rates used by the association for policies issued or renewed following that date for qualified applicants or association insureds who, for the three years preceding the date of issuance or renewal, (1) have been convicted of two or more moving violations, or have received four or more motor vehicle points, whichever is less; or (2) have had one or more at-fault accidents shall be adjusted by the commissioner so that they exceed the territorial base rates under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by 30%, unless the commissioner reduces the amount of the rate increase based on his certification as to the needs of the association on that date. Qualified applicants or association insureds who have not had such accidents or moving violations or motor vehicle points in the three years preceding the issuance or renewal shall be rated under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State.

d. On January 1, 1992, the territorial base rates used by the association for policies issued or renewed following that date for qualified applicants or association insureds who, for the three years preceding the date of issuance or renewal, (1) have been convicted of two or more moving violations, or have received four or more motor vehicle points, whichever is less; or (2) have had one or more at-fault accidents shall be adjusted by the commissioner so that they exceed the territorial base rates under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State by 40%, unless the commissioner reduces the amount of the rate increase based on his certification as to the needs of the association on that date. Qualified applicants or association insureds who have not had such accidents or moving violations or motor vehicle points in the three years preced-
ing the issuance or renewal shall be rated under the rating plan for standard insureds which is used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State.

e. On January 1, 1993, the commissioner shall direct the board to prepare, adopt and file with the commissioner rates which are based upon past and prospective loss experience of the risks underwritten by the association and the expenses attendant thereto, and which maintain the association on a self-sustaining basis. The commissioner shall approve or disapprove the rates filed by the board pursuant to the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.).

Nothing contained in this subsection shall be deemed to affect the commissioner's ability to continue to maintain any flat charges (also known as flat capitation fees or policy constants) pursuant to section 1 of P.L. 1984, c. 1 (C. 17:29A-37.1) or any residual market equalization charge pursuant to section 20 of P.L. 1983, c. 65 (C. 17:30E-8) approved on or before 48 months following the effective date of this 1988 amendatory and supplementary act.

f. Nothing contained in subsections a. through e. of this section shall operate to cause the rates charged by the association to result in revenues to the association which exceed the needs of the association in meeting its obligations and expenses.

g. The commissioner may order the adjustment of association rates in any territory in which the relationship between the rates used by the association and the rates used by insurers in the standard voluntary market is such that the voluntary market is adversely affected.

h. The commissioner may order the establishment of association rates which are higher than the rates which are otherwise provided for by this section, which rates would be applicable to certain drivers, based on their accident or violation records. The rates applicable to these drivers shall be established additively to the rates otherwise authorized for the use of the association, shall be spread equably across all classes and territories and may, at the discretion of the commissioner, vary as to the extent of the at-fault accident or violation records of the drivers.

2. Section 22 of P.L. 1988, c. 119 (C. 17:30E-13.1) is amended to read as follows:
C. 17:30E-13.1 Collision, comprehensive coverage rates.

22. Notwithstanding any other provision of law to the contrary, within 60 days of the effective date of this section, the board of directors of the association shall establish rates for collision and comprehensive coverages based on the past and prospective loss experience of the association for those coverages, which shall be filed for approval by the commissioner pursuant to P.L. 1944, c. 27 (C. 17:29A-1 et seq.). Any and all proceedings relating to a filing made pursuant to this section shall be completed on an expedited basis no later than 30 days after the date of the filing, and upon terms and conditions established by the commissioner. The rates so established shall, upon their approval by the commissioner, be applied to all qualified applicants and association insureds who, for the three years preceding the date of the approval by the commissioner, (1) have been convicted of two or more moving violations, or have received four or more motor vehicle points, whichever is less; or (2) have had one or more at-fault accidents.

3. Section 23 of P.L. 1988, c. 119 (C. 17:30E-6.1) is amended to read as follows:

C. 17:30E-6.1 Association data bank.

23. a. The board shall, within 60 days following the effective date of this 1988 amendatory and supplementary act, contract for the establishment of an association data bank to facilitate the dissemination of information regarding association risks to all insurers transacting the business of private passenger automobile insurance in the voluntary market.

b. The board shall establish the type of information which may be made available to insurers, which may include, but not be limited to, the name, address, and classification of the insured, a description of the vehicle, the loss history of the insured, the limits of coverage on the policy, and the producer of record.

c. The board shall make this data available to all insurers writing private passenger automobile insurance in the voluntary market in a nondiscriminatory manner to facilitate the insurers' depopulation of the association.

d. The establishment of this data bank may be incorporated in the plan of operation of the association, but it shall not require the approval of the commissioner. The data bank shall be fully operational within five months of the effective date of this section.
4. Section 10 of P.L. 1988, c. 119 (C. 39:6A-4.6) is amended to read as follows:

C. 39:6A-4.6 Medical fee schedules.

10. The Commissioner of Insurance shall, within 90 days after the effective date of this 1988 amendatory and supplementary act, promulgate medical fee schedules on a regional basis for the reimbursement of health care providers providing services or equipment for medical expense benefits for which payment is required to be made under the personal injury protection coverage provided for in section 4 of P.L. 1972, c. 70 (C. 39:6A-4). These fee schedules shall be promulgated on the basis of the type of service provided, and shall be reviewed biannually by the commissioner.

C. 17:29A-44 Maximum annual rate increases.

5. a. Beginning July 1, 1989, a filer may charge rates for private passenger automobile insurance in the voluntary market which are not in excess of the following:

(1) For private passenger automobile personal injury protection coverage, residual bodily injury and property damage insurance, the maximum permissible annual rate increase applicable to each rate level utilized by an insurer in the voluntary market pursuant to section 6 of P.L. 1988, c. 156 (C. 17:29A-45) shall be a Statewide average rate change of not more than the last published increase in the medical care services components of the national Consumer Price Index, all urban consumers, U.S. city average, plus three percentage points.

(2) For private passenger automobile physical damage coverage, the maximum permissible annual rate increase applicable to each rate level utilized by an insurer in the voluntary market pursuant to section 6 of P.L. 1988, c. 156 (C. 17:29A-45) shall be a Statewide average rate change of not more than the last published increase in the automobile maintenance and repair components of the national Consumer Price Index, U.S. city average, plus three percentage points.

b. For the purposes of this section, "Statewide average rate change" means the total Statewide premium for all coverages combined at the rates in effect at the time of the filing for each rate level.

c. Any change in excess of the rate changes permitted by paragraphs (1) and (2) of subsection a. shall be subject to the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.).
d. If, at any time, the commissioner believes that an increase in either or both of the published indices will produce rate levels which are excessive, he may modify the Statewide average rate change which may be used pursuant to this section.

e. A filer may implement a change in rate level, pursuant to subsection a. of this section, in whole or in part, in a single or in multiple filings by making an informational filing with the commissioner in a manner and form approved by the commissioner. The filing shall include a statement of the reason or reasons for the change in rate level, including, but not limited to, the claim and expense experience of the individual filer.

f. Other than filings made pursuant to subsection c. of this section, neither the provisions of subsection c. of section 14 of P.L. 1944, c. 27 (C. 17:29A-14), nor the provisions of section 19 of P.L. 1974, c. 27 (C. 52:27E-18), shall apply to any filing made pursuant to this section.

g. The commissioner shall monitor the implementation and use of flex rating pursuant to this section and shall report his findings to the Senate Labor, Industry and Professions Committee and the Assembly Insurance Committee, or their successors, including any legislative proposals, no later than July 1, 1992. This report shall provide an evaluation of the use of this rating mechanism and its impact on the availability and affordability of private passenger automobile insurance in this State and the depopulation of the New Jersey Automobile Full Insurance Underwriting Association and shall include any legislative proposals or other recommendations of the commissioner.

C. 17:29A-45 Filing of rating plans.

6. a. Notwithstanding the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.) to the contrary, every insurer transacting or proposing to transact private passenger automobile insurance may file rating plans in the voluntary market for standard risks, or non-standard risks, or both. A rating plan may include a good driver discount plan. Within 30 days following the effective date of this 1988 amendatory and supplementary act, every insurer writing private passenger automobile insurance in this State which intends to write coverage in the voluntary market using more than one rate level shall file with the commissioner the rates and underwriting rules which are applicable to each rate level.

b. An insurer which intends to use more than one rating plan and
which has a rating plan on file as of the effective date of this 1988 amendatory and supplementary act, may make an initial filing for the additional rating plan in which the modification of the plan on file is expressed as a percentage increase or decrease of the existing rate level.

c. Notwithstanding any other law to the contrary, any rates filed pursuant to subsection b. of this section shall be deemed to be approved if not disapproved by the commissioner within 60 days. Any subsequent modification of any rate level other than that provided for in section 5 of this 1988 amendatory and supplementary act, or any initial rate level which is not expressed as a percentage increase or decrease of an existing rate level as provided for in this section, shall be subject to the provisions of P.L. 1944, c. 27 (C. 17:29A-1 et seq.).

d. Any limitation on rates established by the provisions of section 7 of P.L. 1983, c. 65 (C. 17:29A-36) shall apply separately to each rate level established pursuant to subsection a. of this section.

e. Every insurer shall maintain such data for each rate level as may be required by the commissioner by regulation for the purpose of determining excess profits pursuant to the provisions of P.L. 1988, c. 118 (C. 17:29A-5.6 et seq.).

C. 17:29A-46 Underwriting rules.

7. a. Insurers shall put in writing all underwriting rules applicable to each rate level utilized pursuant to section 6 of this 1988 amendatory and supplementary act. No underwriting rule shall operate in such a manner as to assign a risk to a rating plan on the basis of the territory in which the insured resides. An insurer which knowingly fails to transact automobile insurance consistently with its underwriting rules shall be subject to a fine of not less than $500.00 for each violation.

b. All underwriting rules applicable to each rate level as provided for in section 6 of this 1988 amendatory and supplementary act shall be filed with the commissioner and shall be subject to his prior approval. All underwriting rules shall be subject to public inspection. Insurers shall apply their underwriting rules uniformly and without exception throughout the State, so that every applicant or insured conforming with the underwriting rules will be insured or renewed, and so that every applicant or insured not conforming with the underwriting rules will be refused insurance or be nonrenewed.
c. Affiliated insurers shall not adopt underwriting rules for automobile insurance contracts providing identical coverages which would permit a person to be insured for automobile insurance with more than one of the affiliated insurers.

d. An insurer with more than one rating plan for automobile insurance contracts providing identical coverages shall not adopt underwriting rules which would permit a person to be insured under more than one of the rating plans.

8. Every insurer which refuses an application for automobile insurance shall inform the applicant of the reasons for the refusal in writing, and shall include a statement as to whether the applicant may qualify for insurance from an affiliate of the insurer.

9. Section 6 of P.L. 1983, c. 65 (C. 17:29A-35) is amended to read as follows:

C. 17:29A-35 Merit Rating Plan.

6. a. A merit rating accident surcharge system for private passenger automobiles may be used both in the voluntary market and by the New Jersey Automobile Full Insurance Underwriting Association created pursuant to section 16 of P.L. 1983, c. 65 (C. 17:30E-4). No surcharges shall be imposed on or after the operative date of this act, unless there is an at-fault accident within a three year period immediately preceding the effective date of coverage which results in payment by the insurer of at least a $300.00 claim. All moneys collected under this subsection shall be retained by the insurer assessing the surcharge. Accident surcharges shall be imposed for a three year period and shall, for each filer, be uniform on a Statewide basis without regard to classification or territory.

b. There is created a New Jersey Merit Rating Plan which shall apply to all drivers and shall include, but not be limited to, the following provisions:

(1) (a) Plan surcharges shall be levied, beginning on or after January 1, 1984, by the Division of Motor Vehicles on any driver who has accumulated, within the immediately preceding three year period, beginning on or after February 10, 1983, six or more motor vehicle points, as provided in Title 39 of the Revised Statutes, exclusive of any points for convictions for which surcharges are levied under paragraph (2) of this subsection; except that the allowance for a reduction of points in Title 39 of the Revised Statutes shall not apply for the purpose of determining surcharges under this para-
Surcharges shall be levied for each year in which the driver possesses six or more points. Surcharges assessed pursuant to this paragraph shall be not less than $100.00 for six points, and not less than $25.00 for each additional point. The commissioner may increase the amount of surcharges as he deems necessary to effectuate the purposes of subsection d. of this section and P.L. 1983, c. 65 (C. 17:29A-33 et al.), and may, pursuant to regulation, permit the deferral of all or part of any surcharges authorized by this subsection until the end of the policy term of an automobile insurance policy with an effective date prior to January 1, 1984, upon presentation of appropriate evidence that an insured has already paid an equivalent surcharge arising from the same motor vehicle violation or conviction.

(b) (Deleted by amendment, P.L. 1984, c. 1.)

(2) Plan surcharges shall be levied for convictions (a) under R.S. 39:4-50 for violations occurring on or after February 10, 1983, and (b) under section 2 of P.L. 1981, c. 512 (C. 39:4-50.4a), or for offenses committed in other jurisdictions of a substantially similar nature to those under R.S. 39:4-50 or section 2 of P.L. 1981, c. 512 (C. 39:4-50.4a), for violations occurring on or after January 26, 1984. Surcharges under this paragraph shall be levied annually for a three year period, and shall be not less than $1,000.00 per year for each of the first two convictions, and not less than $1,500.00 per year for the third conviction occurring within a three year period. If a driver is convicted under both R.S. 39:4-50 and section 2 of P.L. 1981, c. 512 (C. 39:4-50.4a) for offenses arising out of the same incident, the driver shall be assessed only one surcharge for the two offenses. The commissioner may increase the amount of surcharges as he deems necessary to effectuate the purposes of subsection d. of this section and P.L. 1983, c. 65 (C. 17:29A-33 et al.), and may, pursuant to regulation, permit the deferral of all or any part of these surcharges as provided in paragraph (1)(a) of this subsection.

If, upon written notification from the Division of Motor Vehicles, mailed to the last address of record with the division, a driver fails to pay a surcharge levied under this subsection, the license of the driver shall be suspended forthwith until the surcharge is paid to the Division of Motor Vehicles; except that upon satisfactory showing of indigency, the Division of Motor Vehicles may authorize payment of the surcharge on an installment basis over a period not to exceed 10 months.
For the purposes of this subparagraph, "indigency" shall be defined in rules and regulations promulgated by the Director of the Division of Motor Vehicles.

All moneys collectible under this subsection shall be billed and collected by the Division of Motor Vehicles. Of the moneys collected, 10%, or the actual cost of administering the collection of the surcharge, whichever is less, shall be retained by the Division of Motor Vehicles and turned over to the State Treasury for deposit in a special account to be used by the Division of Motor Vehicles, as may be necessary, to modernize its operations and improve its effectiveness and efficiency in order to discharge its statutory obligations and the remainder shall be remitted to the New Jersey Automobile Full Insurance Underwriting Association. Any moneys in the special account at the end of a fiscal year shall be transferred to the General Fund for use for general State purposes. Moneys shall be appropriated annually to the special account.

(3) In addition to any other authority provided in P.L. 1983, c. 65 (C. 17:29A-33 et al.), the commissioner, after consultation with the Director of the Division of Motor Vehicles, is specifically authorized (a) to increase the dollar amount of the surcharges for motor vehicle violations or convictions, (b) to impose, in accordance with paragraph (1)(a) of this subsection, surcharges for motor vehicle violations or convictions for which motor vehicle points are not assessed under Title 39 of the Revised Statutes, or (c) to reduce the number of points for which surcharges may be assessed below the level provided in paragraph (1)(a) of this subsection, except that the dollar amount of all surcharges levied under the New Jersey Merit Rating Plan shall be uniform on a Statewide basis for each filer, without regard to classification or territory. Surcharges adopted by the commissioner on or after January 1, 1984 for motor vehicle violations or convictions for which motor vehicle points are not assessable under Title 39 of the Revised Statutes shall not be retroactively applied but shall take effect on the date of the New Jersey Register in which notice of adoption appears or the effective date set forth in that notice, whichever is later.

c. No motor vehicle violation surcharges shall be levied on an automobile insurance policy issued or renewed on or after January 1, 1984, except in accordance with the New Jersey Merit Rating Plan, and all surcharges levied thereunder shall be assessed, collected and distributed in accordance with subsection b. of this section.

d. The dollar amount of all motor vehicle conviction surcharges
shall be at least equivalent to the differential between the rates charged to insureds as promulgated by the rating bureau which files rates for the greatest number of insurers in the voluntary private passenger automobile insurance market in this State and the Supplement I rates in use as of December 31, 1982 by the automobile insurance plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1), and the amount collectible under the motor vehicle conviction surcharge system in use by the automobile insurance plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1) prior to the implementation of this act; except that in the first year of operation of the New Jersey Automobile Full Insurance Underwriting Association, the dollar amount of all motor vehicle surcharges shall be sufficient to eliminate the need for imposition of a residual market equalization charge authorized under section 20 of P.L. 1983, c. 65 (C. 17:30E-8).

e. The Commissioner of Insurance and the Director of the Division of Motor Vehicles as may be appropriate, shall adopt any rules and regulations necessary or appropriate to effectuate the purposes of this section.

10. The commissioner shall cause to have an independent full financial and operational audit made of the association. The audit shall include the servicing operations conducted by its servicing carriers, including, but not limited to, the claims handling practices of those carriers. The audit shall be completed and a report made to the Legislature no later than February 15, 1989.

C. 17:30E-17.1 Violation by servicing carrier.

11. If any servicing carrier is determined to have knowingly violated the plan of operation, or any rule of practice or guideline which has been established in connection therewith, with respect to the handling of claims or the underwriting of the policies of the association, or if a servicing carrier has been determined to have overcharged the association with respect to servicing carrier compensation, the servicing carrier shall repay any money owed to the association within 15 business days of notification by the association that such money is due, or shall pay the association interest on the money due at a rate determined by the commissioner. If the servicing carrier is determined to have willfully violated the plan of operation, or any rule of practice or guideline which has been established in connection therewith, with respect to the handling of claims or the underwriting of the policies of the association, or has willfully overcharged with
respect to servicing carrier compensation, the servicing carrier shall be liable for treble damages.

C. 17:30E-8.1 Insufficient resources.

12. a. Beginning January 1, 1989 and annually thereafter, the commissioner shall determine whether the income of the association as provided for in paragraphs (1), (2), (3), and (5) of section 20 of P.L. 1983, c. 65 (C. 17:30E-8), and the residual market equalization charge levied pursuant to paragraph (4) of that section prior to the effective date of this 1988 amendatory and supplementary act is or will be sufficient to meet its obligations in the ensuing year. If the commissioner determines that the association has insufficient resources to meet its obligations, he shall request the board of the association to formulate a plan for the payment of no less than 50% of the aggregate residual bodily injury losses for which the association is to make payment during the ensuing 12 month period, which plan shall provide for the payment of these losses in no more than four annual installments. The board shall submit the plan to the commissioner for his approval. Interest on the balance of the unpaid claim shall be paid at the rate established by subsection (a) of R.S. 31:1-1 for loans in which there is no written contract.

b. In addition to the plan provided for in subsection a. of this section, the commissioner may also request the submission of a plan by the board for the deferral, for a period not to exceed 12 months, of payments by the association of property damage claims which are subject to subrogation.

c. No residual market equalization charge in excess of the charge levied prior to the effective date of this 1988 amendatory and supplementary act shall be approved by the commissioner unless the procedures established pursuant to subsection a. or b. of this section do not provide sufficient revenue for the association to pay its obligations.

C. 17:30E-6.2 Task force.

13. a. The board of the association shall amend its plan of operation to establish a Task Force to conduct field file audits of servicing carriers. The Task Force shall conduct the audits to determine whether the servicing carriers have followed normal and prudent industry practices in their handling of claims on behalf of the association.

b. The Task Force shall report its findings to the board and to the commissioner at least semiannually, along with any findings or recommendations which have resulted from its audit.
C. The commissioner shall annually report to the Legislature his findings with respect to the audits, along with any recommendations which he may have with respect to the servicing of association claims.

14. Notwithstanding any other provision of law to the contrary, the dollar amount of the commission paid to a producer for residual bodily injury coverage provided pursuant to section 8 of P.L. 1972, c. 70 (C. 39:6A-8) shall be the same whether the named insured elects the tort option provided for in subsection a. of that section or the tort option provided for in subsection b. of that section.

15. Section 2 of P.L. 1972, c. 197 (C. 39:6B-2) is amended to read as follows:

C. 39:6B-2 Penalties for driving without insurance.

2. Any owner or registrant of a motor vehicle registered or principally garaged in this State who operates or causes to be operated a motor vehicle upon any public road or highway in this State without motor vehicle liability insurance coverage required by this act, and any operator who operates or causes a motor vehicle to be operated and who knows or should know from the attendant circumstances that the motor vehicle is without motor vehicle liability insurance coverage required by this act shall be subject, for the first offense, to a fine of $300.00 and a period of community service to be determined by the court, and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of one year from the date of conviction. Upon subsequent conviction, he shall be subject to a fine of $500.00 and shall be subject to imprisonment for a term of 14 days and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, and shall forfeit his right to operate a motor vehicle for a period of two years from the date of his conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director. The director's discretion shall be based upon an assessment of the likelihood that the individual will operate or cause a motor vehicle to be operated in the future without the insurance coverage required by this act. A complaint for violation of this act may be made to a municipal court at any time within six months after the date of the alleged offense.
Failure to produce at the time of trial an insurance identification card or an insurance policy which was in force for the time of operation for which the offense is charged, creates a rebuttable presumption that the person was uninsured when charged with a violation of this section.

17. This act shall take effect immediately, except that sections 6 and 7 shall take effect on the 365th day following enactment.

1. For a period of 18 months commencing on the effective date of this act, no municipality, municipal utilities authority, or public
utility shall convey any land utilized for the purpose of the protection of a public water supply on the effective date of this act. The provisions of this section shall not apply to land utilized for the purpose of the protection of a public water supply if the land is otherwise subject to regulation pursuant to P.L. 1979, c. 111 (C. 13:18A-1 et seq.) or P.L. 1973, c. 185 (C. 13:19-1 et seq.).

2. a. There is established in the Department of Environmental Protection a Watershed Property Review Board, which shall consist of the Commissioner of the Department of Environmental Protection, the Commissioner of the Department of Community Affairs, and the President of the Board of Public Utilities. The Watershed Property Review Board shall be authorized to exempt from the provisions of section 1 of this act the conveyance of watershed property if the person applying for the exemption demonstrates to the Watershed Property Review Board that there is a compelling public need for the conveyance of the property, that the denial of the exemption would result in extraordinary hardship, or that the sale or development of the watershed property is otherwise consistent with the purposes of this act. Any person applying for an exemption pursuant to the provisions of this section shall submit to the board appropriate documentation addressing the issue of buffer areas surrounding public water supplies, and shall also provide the board with proposals for the mitigation of any adverse environmental impact which would result from an exemption applied for pursuant to the provisions of this section.

b. A determination by the Watershed Property Review Board to grant or deny an exemption from the provisions of section 1 of this act shall constitute the final agency action on the matter, and shall be subject only to judicial review as provided in the Rules of Court.

c. Prior to making a final determination on an application for an exemption from the provisions of section 1 of this act, the Watershed Property Review Board may refer the application to the Office of Administrative Law, which shall conduct a hearing and issue recommendations based on findings of fact and conclusions of law for consideration by the Watershed Property Review Board in making its determination.

3. Within one year of the effective date of this act, the Department of Environmental Protection shall conduct a study to evaluate the effectiveness of establishing buffer zones around public water supply reservoirs for the purpose of protecting drinking water quality. The department, upon completion of the study conducted pursuant
to this section, shall transmit the study to the Governor, the Board of Public Utilities, and the Legislature.

C. 48:2-23.1 Assessment, review of conveyance.

4. a. The Board of Public Utilities, in reviewing a request by a public utility to convey land utilized for the purpose of the protection of a public water supply to a corporation or other entity which is not subject to the jurisdiction of the board, shall request the Department of Environmental Protection to review and make recommendations on an assessment, prepared and submitted by the utility, of the impact that the conveyance, and the prospective use or uses of the land conveyed, would have on the water quality of the affected public water supply, and shall require the department to assess the impact of the conveyance on the State's open space, conservation, and recreation requirements. The department, upon receipt of a request by the board for an assessment and a review pursuant to this subsection, shall prepare and submit to the board the assessment and review within 12 months of the request therefor.

b. Any public utility requesting the board to approve a conveyance of land utilized for the purpose of the protection of a public water supply to a corporation or other entity which is not subject to the jurisdiction of the board shall submit to the board a document setting forth a detailed explanation of the prospective use or uses of the land to be conveyed. The board, upon receipt of this document, may require the public utility to submit any additional information which the board deems appropriate.

5. R.S. 48:2-23 is amended to read as follows:

Safe, adequate service.

48:2-23. The board may, after public hearing, upon notice, by order in writing, require any public utility to furnish safe, adequate and proper service, including furnishing and performance of service in a manner that tends to conserve and preserve the quality of the environment and prevent the pollution of the waters, land and air of this State, and including furnishing and performance of service in a manner which preserves and protects the water quality of a public water supply, and to maintain its property and equipment in such condition as to enable it to do so.

The board may, pending any such proceeding, require any public utility to continue to furnish service and to maintain its property and equipment in such condition as to enable it to do so.

The board, in requiring any public water utility to furnish safe,
adequate and proper service, may require the public water utility to retain in its rate base any property which the board determines is necessary to protect the water quality of a public water supply.

6. Within one year of the effective date of this act, the Board of Public Utilities shall conduct and transmit to the Governor and the Legislature a study of the rate-impact on customers of public water supply systems of selling land currently utilized by a public utility for protecting a public water supply. This study shall also include an analysis of the feasibility of establishing a mechanism under which customers of a public utility would be allowed to purchase land currently held for the protection of a public water supply through increases in their water supply service fees or charges.

7. a. There is appropriated from the General Fund to the Department of Environmental Protection the sum of $300,000 to implement the provisions of sections 3 and 4 of this act.

b. There is appropriated from the General Fund to the Board of Public Utilities the sum of $150,000 to implement the provisions of section 6 of this act.

8. This act shall take effect immediately.

1. All proceedings heretofore had or taken by any school district or at any school election for the authorization or issuance of bonds of the school district issued or to be issued in pursuance of any proposal adopted by the legal voters at such election, are hereby ratified, validated and confirmed, notwithstanding that the notices to persons desiring Military Service and Civilian Absentee Ballots were not published in accordance with the provisions of section 7 of the “Absentee Voting Law (1953),” P.L. 1953, c. 211 (C. 19:57-7) or as required by N.J.S. 18A:14-25; and notwithstanding that only one
clerk of elections was present at one of the polling places for such election and that the tally sheets and the statement of results for such polling place were signed by only one clerk of elections rather than two clerks of elections as required by the provisions of N.J.S. 18A:14-57 and N.J.S. 18A:14-61; provided however, that no action, suit or other proceeding has heretofore been instituted prior to the date on which this act takes effect and within the time fixed therefor by or pursuant to law or rule of court, or when such time has not heretofore expired, is instituted within 30 days after the effective date of this act.

e. Upon application of a person interested in the trust or guardianship, a court may review the reasonableness of the commissions of the fiduciary, provided, however, the fiduciary shall be entitled to receive at least the compensation provided for all fiduciaries as set forth in subsections a. and c. of this section.

2. This act shall take effect immediately and shall apply to all annual periods beginning on or after the effective date of this act.

CHAPTER 166

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. All proceedings heretofore had or taken by any school district or at any school district election for the authorization or issuance of bonds of the school district, and any bonds or other obligations of the school district issued or to be issued in pursuance of a proposal adopted by the legal voters at such election, are hereby ratified, validated and confirmed, notwithstanding that a supplemental debt statement was not prepared and filed as required by the provisions of N.J.S. 18A:24-17, provided, however, that such supplemental debt statement heretofore has been prepared and filed, prior to the date on which this act takes effect, in the place required by N.J.S. 18A:24-17, and notwithstanding that the requisite number of election workers were not present at each polling place as required by the provisions of N.J.S. 18A:14-6; provided, however, that no action, suit or other proceeding has heretofore been instituted prior to the date on which this act takes effect and within the time fixed therefor by or pursuant to law or rule of court, or when such time has not heretofore expired, is instituted within 15 days after the effective date of this act.

2. This act shall take effect immediately.

CHAPTER 168

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P.L. 1979, c. 241 (C. 18A:7C-3) is amended to read as follows:
CHAPTER 168, LAWS OF 1988

C. 18A:7C-3 Remedial instruction.

3. For any student who does not meet the State and district examination standards for graduation by the end of 11th grade, the local board of education when appropriate shall provide additional remedial instruction specifically directed toward mastery of those proficiencies identified as necessary for the awarding of a diploma which may include but need not be limited to an extended school year, extended school day, or additional school years.

Any 12th grade student who does not meet said requirements but who has met all the credit, curriculum and attendance requirements shall be eligible for a comprehensive assessment of said proficiencies utilizing techniques and instruments other than standardized tests, which techniques and instruments shall have been approved by the Commissioner of Education as fulfilling State and local graduation requirements.

2. Section 4 of P.L. 1979, c. 241 (C. 18A:7C-4) is amended to read as follows:

C. 18A:7C-4 State-endorsed diploma.

4. All students who meet State and local graduation requirements shall receive a State endorsed diploma; provided, however, that the Commissioner of Education shall approve any State endorsed diploma which utilizes the comprehensive assessment techniques as provided in section 3 of P.L. 1979, c. 241 (C. 18A:7C-3).

Local districts may not provide a high school diploma to students not meeting these standards. Any out-of-school youth or adult age 18 or over who has otherwise met the district graduation requirements but has failed to earn a State endorsed diploma may take the graduation proficiencies test which has been developed and administered under the auspices of the Commissioner of Education. Upon passing this test, a State endorsed diploma will be granted.

Each board of education shall provide, in a format approved by the Commissioner of Education, a performance transcript for each student leaving secondary school.

3. Section 6 of P.L. 1979, c. 241 (C. 18A:7C-6) is amended to read as follows:

6. In the school year which begins in September 1993, and annually thereafter, the State graduation proficiency test shall be administered to all 11th grade pupils and to any 11th or 12th grade pupil
who has previously failed to demonstrate mastery of State graduation proficiency standards on said test. The mastery of proficiencies required to fulfill local graduation standards shall be determined as appropriate under local board of education assessment plans.

C. 18A:7C-6.2 Assessment; remediation.

4. The Commissioner of Education shall develop and administer to all eighth grade pupils in the school year which begins in September 1990, and annually thereafter, a test to assess progress toward mastery of State graduation proficiency standards. For any student not meeting established examination standards, the local board of education shall provide for appropriate remediation in areas of demonstrated deficiency. Appropriate remediation may include after school, weekend and summer programs, for which a district shall be entitled to receive State aid pursuant to sections 18 and 20 of P.L. 1975, c. 212 (C. 18A:7A-18 and C. 18A:7A-20).

C. 18A:7C-6.1 Development of test.

5. In the development of the graduation proficiency test to be administered to all 11th grade pupils pursuant to section 6 of P.L. 1979, c. 241 (C. 18A:7C-6), the Commissioner of Education shall consult with educators, parents, students, business and community representatives and members of minority groups. The test shall measure those basic skills all students must possess to function politically, economically and socially in a democratic society.

C. 18A:7A-20.1 Funding of remedial programs.

6. a. Beginning with the 1993-94 school year, and in subsequent school years, each school district shall be paid during the current school year, for each 11th or 12th grade pupil who receives a failing grade on the graduation proficiency test and who was not enrolled in a basic skills remedial program on the last school day in September of the school year in which the student began the 11th grade an amount equal to the categorical program support received for a State compensatory education pupil pursuant to section 20 of P.L. 1975, c. 212 (C. 18A:7A-20). These funds shall be used to establish and maintain high school proficiency test remediation programs for these additional 11th and 12th grade pupils failing the graduation proficiency test. Funds shall be expended for remedial programs which may include after school, weekend and summer programs, and only upon approval of the remedial programs by the Department of Education.

b. Beginning with the 1993-94 school year each school district shall set forth separately in the budget statement required by N.J.S.
18A:22-8 the amount of appropriations required for a one year period to provide the remedial programs described in subsection a. of this section to be funded by categorical support. School districts may carry over these funds into the subsequent school year only to provide the remedial programs described in subsection a. of this section and shall expend the funds by January 1 of that year.

C. 18A:7C-10 Annual report.

7. Not later than September 1, 1989 and annually thereafter, the Commissioner of Education shall report to the Governor and Legislature on the impact of the State graduation proficiency test required pursuant to section 6 of P.L. 1979, c. 241 (C. 18A:7C-6). In addition to including data on test performance of students, this annual report shall include data on the number of students who have dropped out of school, the number of students who have failed to take the test, curriculum realignments in grades K-12 to prepare students for the examination, analysis of remediation efforts for students who have failed the examination, testing requirements and practices in grades K-8 and any other related matters requested by the Chairman of the Joint Committee on the Public Schools or the chairman of the education committee of either House of the Legislature. The report shall also enumerate the efforts by the Department of Education to assist local school districts in the areas of pupil retention, curriculum alignment and remediation.

8. a. Not later than September 1, 1990 the Joint Committee on the Public Schools shall evaluate and report to the Legislature on the status of proficiency testing in the public schools of New Jersey. Among other topics the report shall specifically address: (1) how New Jersey's testing program compares to that in other states, (2) the advisability of requiring State administered tests in elementary grades, and (3) whether any changes in the statutes providing for the State graduation proficiency test are appropriate. The committee's analysis shall include an evaluation of all provisions of this amendatory and supplementary act and any recommendations for additional legislation. The joint committee shall use the funds appropriated or otherwise made available, in addition to all other resources to which the committee may have access, to secure the expertise necessary to conduct this evaluation and shall report its findings to the Governor and Legislature.

b. Beginning in 1991, the Joint Committee on the Public Schools shall undertake an annual evaluation of the report submitted to the
Legislature by the Commissioner of Education pursuant to section 7 of this amendatory and supplementary act.

9. There is appropriated from the General Fund to the Legislature $95,000 to implement the provisions of section 8 of this amendatory and supplementary act.

10. Sections 1 through 3 of this act shall take effect immediately for the purposes of planning and development; however, sections 1, 2 and 3 shall not take effect until July 1, 1993 and the graduation standards provided for herein shall only apply to pupils who are enrolled in the eighth grade during the 1990-91 school year and scheduled to graduate from secondary school at the completion of the 1994-1995 school year. Sections 4 through 10 shall take effect immediately.

Approved December 1, 1988.

CHAPTER 169

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

These funds shall be used by the hospitals to upgrade direct patient care staff levels, including salary increases to nursing staff, to undertake capital improvements and to purchase needed equipment. These funds shall not be used to otherwise offset the amount appropriated in the 1988 county budget for the financial support of the hospital.

3. This act shall take effect immediately.

CHAPTER 170

AN ACT concerning pretreatment standards for sewage treatment plants, the enforcement thereof, and amending P.L. 1972, c. 42.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 7 of P.L. 1972, c. 42 (C. 58:11-55) is amended to read as follows:

   C. 58:11-55 Penalties.

   7. a. Any person, corporation, or municipality who shall violate any of the provisions of this act or any rules or regulations promulgated thereunder shall be liable to a penalty of not more than $50,000.00 to be collected in a civil action by a summary proceeding under "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.) or in any case before a court of competent jurisdiction wherein injunctive relief has been requested. The Superior Court shall have jurisdiction to enforce "the penalty enforcement law." If the violation is of a continuing nature each day during which it continues shall constitute an additional, separate and distinct violation.

   b. A public entity operating and controlling a public sewage treatment plant may, in accordance with subsection a. of this section, enforce any applicable pretreatment standards adopted by the commissioner pursuant to section 3 of P.L. 1972, c. 42 (C. 58:11-51) or by the public entity pursuant to section 9 of P.L. 1972, c. 42 (C. 58:11-57), or may obtain injunctive relief against a violation or
threatened violation of any pretreatment standard. The action shall be brought in the name of the public entity.

2. This act shall take effect immediately.

Approved December 2, 1988.

CHAPTER 171

AN ACT concerning jurisdiction over railroad overhead bridges and supplementing P.L. 1986, c. 104 (C. 27:5G-1 et seq.).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. This act shall be known and may be cited as the “Railroad Overhead Bridge Act of 1988.”

C. 27:5G-6 Findings, declarations.

2. The Legislature finds and declares that:

a. Many of the hundreds of bridges carrying highways over railroads in the State are in need of repair, rehabilitation, or replacement.

b. The timely maintenance, rehabilitation, and replacement of many of these bridges is hampered by the fact that no public or private entity accepts responsibility for them.

c. The provisions of chapter 12 of Title 48 of the Revised Statutes have proven inadequate to ensure that each highway bridge crossing a railroad is under the jurisdiction of an agency which is ready, willing, and able to assume responsibility for the maintenance and, where necessary, the rehabilitation or replacement of the bridge.

d. The State should, as funds become available, continue to devote resources to the rehabilitation and replacement of these bridges, including bridges carrying local roads.

e. The State should establish a mechanism by which each bridge which is to be rehabilitated or replaced or which is determined to be in a state of good repair can be assigned to the jurisdiction of a public entity.
C. 27:5G-7 Definitions.

3. As used in this act:

"Commissioner" means the Commissioner of Transportation.

"Good repair" means a state of structural soundness according to accepted engineering standards as incorporated in a regulation adopted by the commissioner.

"Jurisdiction" means control and responsibility for maintenance, rehabilitation and replacement, except as may be modified under the provisions of this act.

"Railroad overhead bridge" or "bridge" means any bridge carrying a highway or private road over and across a railroad, subway, or street, traction, or electric railway, or over and across the right-of-way of such a railroad, subway, or railway.

C. 27:5G-8 Assignment of jurisdiction.

4. a. The commissioner shall, within six months of the effective date of this act, and following a public hearing, adopt as a regulation under the "Administrative Procedure Act," P.L. 1968, c. 410 (C. 52:14B-1 et seq.), a procedure for the assignment of jurisdiction over railroad overhead bridges to public entities. Public entity includes but is not limited to any officers, department, board, commission, division, agency, authority or instrumentality of the State or of any county or municipality. The regulation shall provide a procedure, in conformity with the "Administrative Procedure Act," under which all parties affected by the assignment may present evidence. The regulation shall also provide that each assignment shall be made by written order of the commissioner. The commissioner may, pursuant to the "Administrative Procedure Act," adopt other rules and regulations necessary to effectuate the purposes of this act.

b. In the case of all railroad overhead bridges other than bridges carrying State highways, the commissioner shall not make an order assigning jurisdiction unless:

(1) the bridge is the subject of an improvement project financed in whole or in part by State funds, in which case the commissioner may make the order contingent upon satisfactory completion of work; or

(2) the order assigns jurisdiction to a party who has requested jurisdiction over the bridge by written petition to the commissioner; or
(3) the commissioner determines it to be in the public interest to accept a written petition for assignment from an affected party other than the party to whom jurisdiction would be otherwise assigned pursuant to section 6 of this act and the commissioner further determines that the bridge is in good repair.

C. 27:5G-9 Assignment to Department of Transportation.

5. The commissioner shall assign all bridges carrying State highways to the jurisdiction of the Department of Transportation.

C. 27:5G-10 Assignment to other public entities.

6. When, pursuant to regulations adopted under this act, the commissioner determines, following a review of available statutes, regulations, local ordinances, maintenance agreements, records concerning improvement projects and maintenance activities, and any other applicable evidence, and based upon a preponderance of all the evidence reviewed, that a county, municipality or public entity other than the department or the New Jersey Transit Corporation has assumed effective control or responsibility over a bridge, the commissioner shall assign the bridge to the jurisdiction of that entity.

C. 27:5G-11 Assignment to New Jersey Transit Corporation.

7. The commissioner shall assign each railroad overhead bridge carrying a highway, other than a State highway, over and across a right-of-way owned by the New Jersey Transit Corporation to the jurisdiction of that corporation, unless the commissioner determines, subject to the provisions of section 6 of this act, that the bridge should be assigned to the jurisdiction of another public entity.

C. 27:5G-12 Assignment to private owner.

8. If a railroad overhead bridge carries a private road, the commissioner shall assign the bridge to the jurisdiction of the person owning the road.

C. 27:5G-13 Assignment as State highway bridge.

9. When the commissioner determines that a bridge cannot be assigned to the department under section 5 of this act, to a public entity under section 6 of this act, to the New Jersey Transit Corporation under section 7 of this act, or to a person under section 8 of this act, the commissioner shall assign the bridge to the jurisdiction of the department and shall be treated in all respects as if it were a State highway bridge assigned to the department under section 5 of this act.

C. 27:5G-14 Routine maintenance.

10. Any county or municipality having jurisdiction over a highway carried by a railroad overhead bridge assigned to the jurisdiction
of the New Jersey Transit Corporation under section 7 of this act or to the jurisdiction of the department under section 9 of this act shall have responsibility for routine maintenance of the surface roadway carried by the bridge, including but not limited to snow removal, sidewalk and guiderail repair, lighting, striping, signing, patching, and resurfacing. These routine maintenance responsibilities shall be accomplished under the regulations which may be adopted by the commissioner or the Board of the New Jersey Transit Corporation or agreements entered into by the department or the corporation, as appropriate. Routine maintenance responsibilities of a county or municipality shall not extend to the structural support components of any railroad overhead bridge under the jurisdiction of the department or the New Jersey Transit Corporation.

11. a. With respect to the inspection, maintenance, rehabilitation, replacement or removal of railroad overhead bridges assigned under this act, each person or railroad company owning or controlling a railroad right-of-way shall provide at its own expense and in a timely fashion the following services to the party with jurisdiction for the bridge over the right-of-way:

(1) necessary and sufficient access to railroad property and right-of-way;

(2) necessary track safety personnel and services;

(3) review of plans and specifications; and

(4) any other incidental railroad services required to enable the party with jurisdiction over the railroad overhead bridge to undertake its applicable responsibilities.

b. When the commissioner determines, following a public hearing held pursuant to the “Administrative Procedure Act,” P.L. 1968, c. 410 (C. 52:14B-1 et seq.), that a person or railroad company has failed to provide the services required under subsection a. of this section with respect to a specific project for the repair, rehabilitation, or replacement of a bridge, and further determines that the project is in the public interest, the commissioner shall, by written order, compel the person or railroad company to provide those services the commissioner believes to be necessary, at whatever times and in whatever manner the commissioner so determines.

C. 27:5G-16 Maintenance contracts.

12. The commissioner may enter into contracts for the maintenance of any railroad overhead bridge assigned to the jurisdiction of
the department under section 9 of this act with any railroad company
or any other contractor or party found by the commissioner to be
qualified for such works.

C. 27:5G-17 Not under Title 48.

13. Any railroad overhead bridge which has been assigned to a
jurisdiction by written order of the commissioner under this act shall
not be considered a bridge or passage under R.S. 48:12-49, and the
provisions of chapter 12 of Title 48 shall not apply to it.

C. 27:5G-18 Prior tort, contractual liability.

14. The issuance by the commissioner of a written order assigning
jurisdiction over a railroad overhead bridge under the provisions of
this act shall not relieve any party of any tort or contractual liability
existing prior to the issuance of that order.

C. 27:5G-19 Transfer of jurisdiction.

15. Jurisdiction over a railroad overhead bridge assigned under
this act may be transferred to another party by voluntary agreement
between the parties, provided that the commissioner approves the
agreement by written order.

16. This act shall take effect immediately but shall remain in-
operative until the approval by the voters of P.L. 1988, c. 347 or Assembly
Bill No. 2425 of 1988).

Approved December 5, 1988.

CHAPTER 172

AN ACT prohibiting the incurrence of debt by the New Jersey Sports
and Exposition Authority and the State government for certain
authority projects under certain conditions, amending and sup­
plementing P.L. 1971, c. 137 and making an appropriation.

BE IT ENACTED by the Senate and General Assembly of the State
of New Jersey:

1. Section 6 of P.L. 1971, c. 137 (C. 5:10-6) is amended to read
as follows:

C. 5:10-6 Authority projects.

6. a. The authority, pursuant to the provisions of the act, is
hereby authorized and empowered, either alone or in conjunction
with others, and provided that, in the case of an arrangement with respect to any of the projects set forth in this section which shall be in conjunction with others, the authority shall have sufficient right and power to carry out the public purposes set forth in this act:

(1) To establish, develop, construct, operate, acquire, own, manage, promote, maintain, repair, reconstruct, restore, improve and otherwise effectuate, either directly or indirectly through lessees, licensees or agents, a project to be located in the Hackensack meadowlands upon a site not to exceed 750 acres and upon a site or sites outside of that acreage, but either immediately contiguous thereto or immediately across any public road which borders that acreage, consisting of one or more stadiums, coliseums, arenas, pavilions, stands, field houses, playing fields, recreation centers, courts, gymnasiums, clubhouses, a racetrack for the holding of horse race meetings, and other buildings, structures, facilities, properties and appurtenances related to, incidental to, necessary for, or complementary to a complex suitable for the holding of athletic contests or other sporting events, or trade shows, exhibitions, spectacles, public meetings, entertainment events or other expositions, including, but not limited to, driveways, roads, approaches, parking areas, parks, recreation areas, lodging facilities, vending facilities, restaurants, transportation structures, systems and facilities, and equipment, furnishings, and all other structures and appurtenant facilities, related to, incidental to, necessary for, or complementary to the purposes of that project or any facility thereof.

JOINT RESOLUTION No. 4

A JOINT RESOLUTION memorializing the Congress and the President of the United States to instruct the Federal Communications Commission to dedicate radio frequencies to public safety.

WHEREAS, Most of the emergency response organizations in New Jersey, including State and local police, fire departments and
emergency medical services, use communications systems that are not compatible because of the multiplicity of frequency groups; and

WHEREAS, A Passaic county grand jury found that during the tragic fire that occurred in the city of Passaic in September 1985, police and fire departments from nearby towns were hindered in their attempts to aid that city in fighting the 40-acre blaze because their communications systems were not compatible; and

WHEREAS, The State Emergency Response System Study Commission has found that additional factors contribute to these communications difficulties, including an insufficient number of frequencies for public safety; an increasing number of nonemergency service users whose communications interfere with those of public safety users and who do not observe proper radio etiquette; the density of the State's population; and interference because of the State's location between the high volume radio and television markets of New York City and Philadelphia; and

WHEREAS, On December 8, 1983, the United States Congress directed the Federal Communications Commission to develop a comprehensive communications plan for public safety services through the year 2000 and the Federal Communications Commission, responding to the Congressional mandate through its Notice of Proposed Rulemaking No. 87-112, proposed allocating a section of the 800 MHz radio band to public safety communications; and

WHEREAS, The State Emergency Response System Study Commission has found that these additional frequencies will be insufficient for the State's needs and that public safety organizations will be required to share these frequencies with incompatible nonemergency service users; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The government of the State of New Jersey, on behalf of the citizens of this State, for the urgent public policy purposes expressed in the preamble, respectfully memorializes the Congress and the President of the United States to instruct the Federal Communications Commission to dedicate a sufficient number of radio frequencies
to the exclusive use of public safety, specifically State and local police, fire departments and emergency medical services, and to consider repacking several contiguous UHF television channels so that public safety organizations can build a Statewide system of communications.

2. Upon approval by the Governor, duly authenticated copies of this joint resolution shall be transmitted to the President and Vice President of the United States, the Speaker of the United States House of Representatives, the majority and minority leaders of both Houses of Congress, and every member of the Congress representing New Jersey.

3. This joint resolution shall take effect immediately.

Approved June 6, 1988.

JOINT RESOLUTION No. 5

A JOINT RESOLUTION respectfully memorializing the Congress of the United States to increase the amount of funds appropriated to the United States Coast Guard to support ocean dumping surveillance activities.

WHEREAS, The waters off the coast of New Jersey are the only waters in the United States into which it is permissible, by federal law, to dump sludge from barges; and

WHEREAS, Although legal ocean disposal of sewage sludge is now allowed only at the 106-mile site, illegal dumping has occurred and is likely to recur as long as enforcement is lax; and

WHEREAS, As evidenced in recent summers, New Jersey can ill afford the adverse environmental and economic consequences of illegally dumped sewage sludge; and

WHEREAS, While an intensive surveillance program, electronic and otherwise, could act as a major deterrent to illegal dumping, the United States Coast Guard, the agency with that statutory responsibility pursuant to the Marine Protection, Research and Sanctuaries Act of 1972 (33 U.S.C. §1417 (c)), is insufficiently funded to be aggressive with its enforcement of ocean dumping rules and accomplish its other responsibilities; now, therefore,
BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Congress of the United States is memorialized to increase the amount of funds appropriated to the United States Coast Guard dedicated to support ocean dumping surveillance activities.

2. Duly authenticated copies of this joint resolution shall be forwarded to the Vice-President of the United States, the Speaker of the House of Representatives, the Commandant of the United States Coast Guard, and members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

Approved July 8, 1988.

JOINT RESOLUTION No. 6

A JOINT RESOLUTION memorializing Congress to establish a federal medical waste management and tracking program.

WHEREAS, Human and animal health care centers and clinics, hospitals, laboratories, and other facilities throughout the nation generate substantial volumes of medical waste that often is not handled, transported, or disposed of in a sanitary and environmentally sound manner, thereby posing a potential threat both to the health of those who directly come into contact with it and the public health in general, as well as the environment; and

WHEREAS, In addition to the actual and perceived health and environmental risks associated with the management of medical waste, there are important aesthetic concerns that often have not been addressed; and

WHEREAS, This waste is often transported across state lines for disposal other than in the state of origin, and, thus, is a commodity of interstate commerce appropriately within the province of Congress to regulate; and

WHEREAS, There is a lack of uniformity in the way, and the degree to which, the various states regulate the handling, transport, and disposal of medical waste, thereby causing confusion and increasing the risk of injury to private and public health and insult to the environment; and
WHEREAS, The effect of this lack of uniformity, as well as a lack of enforcement by the State of New York, was directly experienced by the citizens of New Jersey in the summer of 1987 when medical waste from New York City washed up on the beaches of New Jersey; and

WHEREAS, There is a strong similarity between the medical waste disposal problem and that experienced with hazardous waste before federal legislation imposed uniform standards nationally; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Congress of the United States is memorialized to establish a federal medical waste management and tracking program.

2. Duly authenticated copies of this joint resolution shall be forwarded to the Vice-President of the United States, the Speaker of the House of Representatives, the Administrator of the United States Environmental Protection Agency, the Region II Administrator of that agency, the Commissioner of the New Jersey Department of Environmental Protection, and the members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

Approved July 8, 1988.

JOINT RESOLUTION No. 7

A JOINT RESOLUTION respectfully memorializing the Administrator of the United States Environmental Protection Agency to give the highest priority to New Jersey's application for grant assistance to prepare conservation and management plans for the revitalization of the New York-New Jersey Harbor Complex Estuary.

WHEREAS, The National Estuary Program, initiated by the United States Environmental Protection Agency in 1985, and formalized and expanded as part of the "Water Quality Act of 1987," is an effort to formulate comprehensive plans to restore nationally significant estuaries; and
WHEREAS, Subsequent federal legislation has specifically designated the New York-New Jersey Harbor Complex as an estuary of national significance to which priority consideration for conservation shall be given; and

WHEREAS, The New Jersey Department of Environmental Protection, in conjunction with New York State and other parties with responsibility for the harbor complex estuary, has submitted the necessary materials to support its petition for program assistance; and

WHEREAS, The condition of this estuary, which has suffered abuse over a long period, is of serious concern to this State and requires the most urgent attention; and

WHEREAS, The State applauds the recognition the estuary is receiving from the federal government and is most anxious to begin the process of conservation and revitalization of the estuary; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Administrator of the United States Environmental Protection Agency is respectfully memorialized to give the highest priority to New Jersey's application for grant assistance for the preparation of comprehensive conservation and management plans required under the New York-New Jersey Harbor Complex Estuary program for the revitalization of that harbor complex estuary.

2. A duly authenticated copy of this joint resolution shall be forwarded to the Administrator of the United States Environmental Protection Agency, the Region II Administrator for that agency, the Commissioner of the Department of Environmental Protection of this State, and the members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

Approved July 8, 1988.

JOINT RESOLUTION No. 8

A JOINT RESOLUTION memorializing the United States Environmental Protection Agency to establish stringent permit standards for the transportation of solid waste in coastal waters.
JOINT RESOLUTION 8

WHEREAS, Many jurisdictions, especially highly populous ones, are experiencing rapidly diminishing solid waste disposal capacity, a circumstance exacerbated by a more developed public recognition of the risks posed by solid waste disposal facilities; and

WHEREAS, One of the consequences of these circumstances is a sharp increase in the frequency and distance of solid waste transportation in an effort to fully exploit those dwindling disposal opportunities that remain viable; and

WHEREAS, The most familiar and dramatic example of that predicament was the public odyssey of the so-called "garbage barge" that captured headlines for weeks at the end of last year; and

WHEREAS, A situation less newsworthy though more serious and of more direct concern to residents of the east coast is that which obtains from the mismanagement of the transportation of solid waste to the Fresh Kills Landfill, on Staten Island, which mismanagement has resulted in the continual discharge of garbage into coastal waters that carry it to the bathing waters and beaches of New Jersey and, perhaps, other coastal states; and

WHEREAS, Such irresponsible behavior, which has severe economic and potential health consequences to substantial populations, cannot be tolerated and must be terminated; and

WHEREAS, By virtue of the increased risks posed by the activity of transporting solid waste in navigable waters, it is incumbent upon the United States Environmental Protection Agency to develop and enforce strict permit standards for the hauling of solid waste in coastal waters to obviate, to the maximum extent practicable and feasible, the discharge of wastes into the water and to guarantee its safe transfer to a secure permanent disposal site; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The United States Environmental Protection Agency is memorialized to develop and enforce stringent permit standards for the vessels and the haulers transporting solid waste in coastal waters in order to obviate, to the maximum extent practicable and feasible, the discharge of that waste into the adjacent waters.

2. Duly authenticated copies of this resolution as signed by the Governor shall be transmitted to the Administrator of the United States Environmental Protection Agency, the Administrator of Re-
JOINT RESOLUTIONS 8 & 9

region II thereof, and to each of the members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

Approved July 8, 1988.

JOINT RESOLUTION No. 9

A JOINT RESOLUTION memorializing the United States Environmental Protection Agency to close both industrial acid waste ocean disposal sites, deny permits for their use, and monitor each for ecological recovery.

WHEREAS, Only one facility continues to barge wastes to the acid waste dump site in the New York Bight 15 miles from the New Jersey shore under a permit issued by the United States Environmental Protection Agency; and

WHEREAS, The New York Bight, known as the “Dead Sea,” has been designated under the National Estuary Program, which designation serves to confer upon it some guaranteed minimal level of protection; and

WHEREAS, Only one facility, duPont’s Edge Moor, Delaware facility, continues to barge wastes to the industrial dump site beyond the continental shelf under a permit issued by the United States Environmental Protection Agency; and

WHEREAS, The Edge Moor facility has failed to honor three previous deadlines to terminate ocean dumping activities; and

WHEREAS, Experts in deepwater ocean ecosystems have attested to the deleterious effects of the ocean disposal of industrial wastes on the ocean environment; and

WHEREAS, Approximately 100 industrial establishments have formerly employed ocean dumping for the disposal of industrial wastes, and all but two have found alternatives; and

WHEREAS, Environmentally acceptable alternatives, such as converting the wastes into useful chemicals with other applications, have not been sufficiently explored and developed; and

WHEREAS, The United States Environmental Protection Agency has officially affirmed a termination of ocean dumping as its
adopted policy, a goal undermined by continuing exceptions; now, therefore,

**BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:**

1. The United States Environmental Protection Agency is respectfully memorialized to deny ocean dumping permits to the Allied Chemical facility in Elizabeth, New Jersey and to E.I. duPont de Nemours & Company's Edge Moor, Delaware facility in observance of the agency's stated goal to terminate ocean disposal of industrial wastes.

2. The United States Environmental Protection Agency is respectfully memorialized to close permanently as soon as possible both the 15-mile acid waste New York Bight dump site and the 106-mile deepwater dump site by refusing to issue any permits or renewals or extensions thereof, and to monitor each site for ecological recovery.

3. Duly authenticated copies of this resolution, signed by the President of the Senate and the Speaker of the General Assembly and attested by the Secretary of the Senate and the Clerk of the General Assembly, shall be transmitted to the Vice-President of the United States, the Speaker of the United States House of Representatives, the Administrator of the United States Environmental Protection Agency, the Administrator of Region II thereof, and to each of the members of Congress elected from this State.

4. This joint resolution shall take effect immediately.

Approved July 8, 1988.

**JOINT RESOLUTION No. 10**

A **JOINT RESOLUTION** memorializing the Congress of the United States to accord the highest priority to the development, promulgation, and enforcement of regulations implementing Annex V of the Convention on the Prevention of Marine Pollution from Ships (MARPOL).

**WHEREAS,** Debris generated on board vessels and disposed at sea poses a threat to public health, the marine environment, and to the continued viability of New Jersey's and the east coast's tourism industries; and
WHEREAS, Worldwide, ships discharge an estimated 639,000 plastic containers daily, and fishing vessels lose some 135,000 metric tons of fish nets annually into the world's oceans; and

WHEREAS, Ocean dumping activities beyond the three mile limit of the territorial sea governed by commitments made at the London Dumping Convention and by the Marine Protection, Research and Sanctuaries Act fail to address discharges resulting from the normal operation of oceangoing vessels; and

WHEREAS, In response to this problem, the United States has recently ratified, and thus become a signatory to, the international treaty known as the Convention on the Prevention of Marine Pollution from Ships (MARPOL), which addresses waste disposal problems beyond the jurisdictional authority of the individual states or the United States; and

WHEREAS, It is now the responsibility of the United States, as party to the MARPOL treaty, to develop, promulgate, and enforce regulations to insure its prompt and effective implementation; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Congress of the United States is memorialized to accord highest priority to the development, promulgation, and enforcement of regulations implementing Annex V of the Convention on the Prevention of Marine Pollution from Ships (MARPOL).

2. Duly authenticated copies of this joint resolution, as signed by the Governor, shall be transmitted to the Vice-President of the United States and the Speaker of the House of Representatives, to the Administrator of the United States Environmental Protection Agency and to the Region II Administrator thereof, and to each of the members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

Approved July 8, 1988.
A Joint Resolution memorializing the United States Environmental Protection Agency to provide money for the New York Bight Restoration program and to evaluate all dump sites in the New York Bight Apex.

WHEREAS, The New York Bight is part of the New York-New Jersey Harbor Complex which has been designated an estuary of national significance; and

WHEREAS, The harbor complex estuary has been targeted for conservation and revitalization; and

WHEREAS, The continued use of dump sites in the New York Bight will severely hamper any efforts at revitalization of the estuary; and

WHEREAS, The Department of Environmental Protection has found a constructive use for construction debris previously disposed of at the cellar dirt site in the New York Bight by utilizing the debris to establish and maintain a number of reefs approximately 20 miles off the New Jersey coast, which create breeding and congregation grounds for fish; and

WHEREAS, The United States Environmental Protection Agency has officially affirmed a termination of ocean dumping as its adopted policy, a goal undermined by continuing exceptions; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The United States Environmental Protection Agency is respectfully memorialized to fund, as expeditiously as possible, the New York Bight Restoration Program as authorized under the United States-Japan Fishery Agreement Approval Act and to evaluate all dump sites in the New York Bight Apex with a view to terminating operations thereat at the earliest practicable opportunity.

2. Duly authenticated copies of this resolution, signed by the President of the Senate and the Speaker of the General Assembly and attested by the Secretary of the Senate and the Clerk of the General Assembly, shall be transmitted to the Vice-President of the United States, the Speaker of the United States House of Representatives, the Administrator of the United States Environmental Protec-

JOINT RESOLUTION No. 12

A JOINT RESOLUTION designating July 17, 1988 as “Children’s Mem­
orial Day.”

WHEREAS, Numerous parents grieve every year over the deaths of
their children, and while there is no “right way” to grieve,
parents who have already experienced their child’s death can
offer understanding and support through The Compassionate
Friends, Inc. to those parents who have been recently bereaved;
and

WHEREAS, The Compassionate Friends, Inc. is a self-help group
whose purposes are to support and aid parents in the positive
resolution of the grief experienced upon the death of their child,
and to foster the physical and emotional health of bereaved
parents as well as siblings; and

WHEREAS, Establishing a specified day to recognize grieving parents
and honor the children that they have lost would assist these
parents in expressing their feelings in an accepting atmosphere
by reaching out to others in similar situations and providing
public awareness of The Compassionate Friends, Inc. support
group; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State
of New Jersey:

1. July 17, 1988 is formally designated “Children’s Memorial
Day” in the State of New Jersey. Citizens and public and private

JOINT RESOLUTION No. 13

A JOINT RESOLUTION requesting the Administrator of the United States Environmental Protection Agency to not designate a permanent woodburning site off the coast of New Jersey.

WHEREAS, The United States Environmental Protection Agency (EPA) annually permits the burning of thousands of tons of wooden debris, such as timbers and pilings from deteriorated waterfront structures, driftwood, derelict wooden hulls, and similar materials, at an interim site approximately 20 miles off the coast at Point Pleasant, New Jersey; and

WHEREAS, Noncompliance with past permits, coupled with insufficient enforcement and monitoring activities of the burns by federal agencies, has resulted in partly burned timbers and other wooden debris being set adrift, and air pollutants needlessly being released over the Atlantic Ocean; and

WHEREAS, This debris is a serious hazard to navigation, sometimes fouls and damages fishing nets and other fishing gear, and generally pollutes the ocean and New Jersey's beaches, all to the detriment of the public health, safety, and welfare and the prosperity of the State's valuable tourism industry; and

WHEREAS, Suitable land-based alternatives often exist for the destruction or disposal of this debris; and

WHEREAS, The EPA is considering designating a permanent woodburning site off the New Jersey coast; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The Administrator of the EPA is requested to not designate a permanent site for the burning of wooden debris anywhere off the coast of New Jersey.

2. Duly authenticated copies of this joint resolution shall be forwarded to the Administrator of the EPA, the Region II Administrator of that agency, the Commissioner of the New Jersey Department of Environmental Protection, and the members of Congress elected from this State.

3. This joint resolution shall take effect immediately.

JOINT RESOLUTION No. 14

A JOINT RESOLUTION memorializing the United States Environmental Protection Agency not to redesignate the 106-mile offshore sewage sludge disposal site, to monitor the ecology of the 12-mile and 106-mile sites, and to accelerate the development of categorical pretreatment standards for industrial wastewater quality.

WHEREAS, Neither State nor local governments, nor authorities or other public instrumentalities, have the technical expertise, equipment, or facilities required to develop categorical pretreatment standards for industry to reduce the levels of contaminants in wastewater discharged to sewage treatment plants, which resources are possessed by the United States Environmental Protection Agency; and

WHEREAS, These contaminants pass through sewage treatment plants to receiving bodies of water at levels contributing to the high rate of failure on the bioassay monitoring test, and also accumulate in the sludge generated by these plants, some of which is ocean disposed; and

WHEREAS, The federally designated 12-mile site within the New York Bight used for decades for sludge disposal is now known as the "Dead Sea"; and

WHEREAS, Sewage sludge generated by six New Jersey facilities is currently disposed at a site 106 miles from the New Jersey shore under court order, which site has been designated by the United States Environmental Protection Agency for this purpose until March 17, 1991, and permits for this activity issued by the agency are pending; and

WHEREAS, Environmentally acceptable land-based alternatives for management of this sludge have not been sufficiently explored and developed; and

WHEREAS, The United States Environmental Protection Agency has officially affirmed a termination of ocean dumping as its adopted policy, a goal undermined by continuing exceptions; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The United States Environmental Protection Agency is mem-
Joint Resolutions

Joint Resolutions

1. Respectfully memorialized to accelerate the development of categorical pretreatment standards for industrial wastewater quality, and to review, and revise as necessary, existing standards therefor.

2. The United States Environmental Protection Agency is also respectfully memorialized to refrain from redesignating the 106-mile offshore sewage sludge disposal site upon expiration on March 17, 1991 of the current designation in observance of the agency's stated goal to terminate ocean disposal, and to monitor the ecology of both sludge disposal sites.

3. Duly authenticated copies of this resolution, signed by the President of the Senate and the Speaker of the General Assembly and attested by the Secretary of the Senate and the Clerk of the General Assembly, shall be transmitted to the Vice-President of the United States, the Speaker of the United States House of Representatives, the Administrator of the United States Environmental Protection Agency, the Administrator of Region II thereof, and to each of the members of Congress elected from this State.

4. This joint resolution shall take effect immediately.

Joint Resolution No. 15

A joint resolution respectfully requesting the United States Environmental Protection Agency to accelerate the phase-out of the dredged material disposal site located approximately six miles east of Sea Bright, New Jersey, designate a new disposal site by the November 1989 federal deadline and restrict use of that site to clean dredged material only, develop methods for removing all toxins from dredged material, and establish by November 1989 criteria for contaminated dredged material disposal alternatives, including containment islands, subaqueous borrow pits, and treatment facilities, and funding mechanisms for development of these alternatives.

Whereas, Dredged material or spoil—sand, silt, and mud that periodically must be removed from navigational channels and berthing areas throughout the Port of New York and New Jersey—is often contaminated with harmful and dangerous substances, including PCB's, heavy metals, and petroleum hydrocarbons; and
WHEREAS, An average of seven million cubic yards of dredged material is disposed of annually at the so-called “Mud Dump Site” located approximately six miles east of Sea Bright, New Jersey, and, with the commencement of three additional major dredging projects, that figure could increase significantly; and

WHEREAS, The United States Army Corps of Engineers, which manages the “Mud Dump Site,” estimates that it has a useful life of only six to eight years or 70 million cubic yards before the mound of material becomes a hazard to navigation; and

WHEREAS, The Congress of the United States has directed that the United States Environmental Protection Agency (EPA) halt the disposal of contaminated dredged material at the “Mud Dump Site” by November 1989 and designate a new disposal site at least 20 miles offshore; and

WHEREAS, The continued disposal of contaminated dredged material off the coast of New Jersey poses a serious threat to the health and safety of the citizens of New Jersey and the millions of persons who visit its shores annually, pollutes the environment, and adversely affects the tourism and fishing industries of the State; now, therefore,

BE IT RESOLVED by the Senate and General Assembly of the State of New Jersey:

1. The EPA is respectfully requested to:
   a. Accelerate the phase-out of the six-mile “Mud Dump Site” for contaminated dredged material located off the coast of New Jersey;
   b. Based on a study of available disposal methods, designate a new disposal site by the November 1989 federal deadline and restrict use of that site to clean dredged material only;
   c. Develop methods for removing all toxins from dredged material; and
   d. Establish by November 1989 criteria for contaminated dredged material disposal alternatives, including containment islands, subaqueous borrow pits, and treatment facilities, and funding mechanisms for development of these alternatives.

2. Duly authenticated copies of this joint resolution shall be transmitted to the Administrator of the United States Environmental Protection Agency, the Region II Administrator of that agency, the Secretary of the Army, the Chief of Engineers and Commander of

ing shall, in accordance with the provisions of the "Administrative Procedure Act," C. 52:14B-1 et seq., promulgate regulations supplementing those heretofore established pursuant to Executive Order No. 34 (1976) governing the causes, conditions and procedures applicable to determinations of debarment, suspension and disqualification by the department or agency to include the minimum standards hereinafter set forth. In addition to any other filing required by law to be made, each executive head shall file with the Attorney General and Treasurer a copy of such rules and regulations as may be promulgated.

3. The rules and regulations referred to in paragraph 2 shall include the following prohibitions on vendor activities, the violation of which shall render said vendor liable to debarment in the public interest, pursuant to the procedures established by Executive Order No. 34 (1976), by any Executive department or agency:

a. No vendor shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by C. 52:13D-13b. and e., in the Department of the Treasury or any other agency with which such vendor transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by C. 52:13D-13i., of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of C. 52:13D-13g.

b. The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any State vendor shall be reported in writing forthwith by the vendor to the Attorney General and the Executive Commission on Ethical Standards.

c. No vendor may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such vendor to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed.
or associated or in which he has an interest within the meaning of C. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

d. No vendor shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

e. No vendor shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the vendor or any other person.

f. The provisions cited above in paragraphs 3a. through 3e. shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with vendors under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate under paragraph 3c.

4. The rules and regulations referred to in paragraph 2, supra, shall require that the prohibitions set forth in paragraph 3, supra, shall be included in all requests for proposals issued by any State department or agency and in all contracts executed on behalf of a State department or agency, other than those of an interstate agency to which New Jersey is a party and contracts entered into on behalf of the interstate agency.

5. Nothing required by this Order shall be construed to limit the authority of any State department or agency to refrain from contracting within the discretion allowed by law, or to limit C. 52:34-19 or any other applicable statute or regulation.

6. This Order shall take effect on the 90th day following its execution.

REORGANIZATION PLAN
NOTICE OF A PLAN FOR THE REORGANIZATION OF THE DEPARTMENT OF TRANSPORTATION

Take notice that on February 18, 1988 Governor Thomas H. Kean hereby issues the following Reorganization Plan (No. 001-1988) to provide for increased efficiency, coordination and functioning of the Department of Transportation.

General Statement of Purpose

Pursuant to its present statutory authority, it is the duty of the Department of Transportation, among other responsibilities, to solve or assist in the solution of the problems of all modes of transportation; to construct needed transportation systems; to promote an efficient, fully integrated and balanced transportation system for the State; to prepare and implement comprehensive plans and programs for all modes of transportation development in the State; and to coordinate the transportation activities of State agencies, State-created public authorities, and other public agencies with transportation responsibilities within the State.

The Department of Transportation recently contracted with a nationally respected and recognized consultant to conduct an organizational review of the Department, and to suggest ways to more efficiently carry out the Department's role. The conclusions of this analysis are the basis for the reorganization of the Department provided for herein.

Currently, the Commissioner is assisted by a Deputy Commissioner (who also serves as Executive Director), and three Assistant Commissioners; one for Transportation Services and Planning, one for Engineering and Operations (who also serves as State Highway Engineer), and one for Finance and Administration. This Reorganization Plan renames the Assistant Commissioner for Transportation Services and Planning as the Assistant Commissioner for Policy and Planning; abolishes the position of Assistant Commissioner for Engineering and Operations (State Highway Engineer), and creates in its place two Assistant Commissioner positions to more accurately reflect the functions of those positions: one for Design and
appoint such additional Deputy Commissioners if the workload of the Department so requires, in order to more efficiently conduct the public business. The Deputy Commissioner(s) shall be appointed by and shall serve at the pleasure of the Commissioner. The responsibilities of Executive Director conferred upon the Deputy Commissioner by C. 27:1A-12 are hereby abolished.

1.b. The position of Deputy Executive Director created pursuant to section 13(b) of P.L. 1966, c. 301 (C. 27:1A-13(b)), and all of its functions, powers, and duties, is hereby abolished.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L. 1969, c. 203. Specifically, this reorganization will promote the expeditious administration of the public business and provide for increased agency efficiency by clarifying that a Deputy Commissioner shall serve as a deputy to the Commissioner, without any ambiguity as to the nature of any additional responsibilities which might concurrently be vested in the title of an Executive Director. The elimination of the Deputy Executive Director is desirable in conformance with elimination of the responsibility of Executive Director, and will serve to promote more streamlined administration and departmental efficiency through clarification of responsibilities and the elimination of unnecessary titles.

III. 1.a. The position of Assistant Commissioner for Transportation Services and Planning created pursuant to section 8(a) and (b) of P.L. 1966, c. 301 (C. 27:1A-8(a) and (b)), is hereby renamed as Assistant Commissioner for Policy and Planning. All of the qualifications for the Assistant Commissioner for Transportation Services and Planning established by C. 27:1A-8(b) continue as qualifications for the Assistant Commissioner for Policy and Planning.

1.b. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made to the Assistant Commissioner for Transportation Services and Planning, the same should mean and refer to the Assistant Commissioner for Policy and Planning.

I find that this reorganization is necessary to accomplish the purposes set forth in sections 2 and 5 of P.L. 1969, c. 203. Specifically, this reorganization will more accurately reflect the functions and responsibilities of this particular Assistant Commissioner, will enhance public understanding of those functions and responsibilities, and hence will aid in the administration of the Department.
IV. 1.a. The position of and the qualifications for Assistant Commissioner for Engineering and Operations created pursuant to C. 27:1A-8(a) and (c), respectively, are hereby abolished. In its place, two Assistant Commissioner positions shall be established: one for Design and Right of Way; and one for Construction and Maintenance.

1.b. There is hereby created an Assistant Commissioner for Design and Right of Way, which person shall be appointed by and shall serve at the pleasure of the Commissioner. The Assistant Commissioner for Design and Right of Way shall be a professional engineer qualified by training and experience in the design of highways, bridges and other transportation facilities, and in the processes of right of way acquisition and disposition.

1.c. There is hereby created an Assistant Commissioner for Construction and Maintenance, which person shall be appointed by and shall serve at the pleasure of the Commissioner. The Assistant Commissioner for Construction and Maintenance shall be a professional engineer qualified by training and experience in the construction and maintenance of highways, bridges and other transportation facilities.

1.d. The position of State Highway Engineer created pursuant to C. 27:1A-8(c) is hereby abolished, and reconstituted as State Transportation Engineer.

1.e. The Commissioner, pursuant to the authority granted by C. 27:1A-6, shall designate an existing department position which shall be held by a professional engineer, and which, in addition to its existing responsibilities, shall serve as the State Transportation Engineer.

1.f. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference is made either to the Assistant Commissioner for Engineering and Operations, or to the State Highway Engineer (in which title the Assistant Commissioner for Engineering and Operations also served pursuant to C. 27:1A-8(c)), the same shall mean and refer to the State Transportation Engineer.

1.g. The position of Deputy State Highway Engineer, created pursuant to section 10 of P.L. 1966, c. 301 (C. 27:1A-10), is hereby abolished.

1.h. Whenever in any law, rule, regulation, order, contract, document, judicial or administrative proceeding or otherwise, reference
is made to the Deputy State Highway Engineer, the same shall mean and refer to the State Transportation Engineer, created by Section IV.1.d. of this Reorganization Plan.

1.i. The Commissioner, pursuant to the authority granted by C. 27:1A-6, shall designate such existing department positions as may be deemed necessary and expedient, which positions, in addition to their respective responsibilities, shall serve as Deputy State Transportation Engineers, to assist the State Transportation Engineer in the exercise of the duties of that position.

1.j. The positions of Chief Engineer for Design, and Chief Engineer for Construction and Maintenance, created pursuant to C. 27:1A-10, are hereby abolished, and the duties formerly vested in those positions shall be subsumed, respectively, in the responsibilities of the Assistant Commissioner for Design and Right of Way, and the Assistant Commissioner for Construction and Maintenance.

I find that this reorganization is necessary to accomplish the purposes set forth in sections 2 and 5 of P.L. 1969, c. 203. Specifically, this reorganization will create a more balanced level of responsibility between and among the Assistant Commissioners by abolishing the position of Assistant Commissioner for Engineering and Operations, and allocating the responsibilities of that position according to function between two Assistant Commissioner positions; one for Design and Right of Way, and one for Construction and Maintenance.

Additionally, since the former position of Assistant Commissioner for Engineering and Operations also served as State Highway Engineer, it was necessary to reallocate those responsibilities. The name of State Highway Engineer has been changed to State Transportation Engineer to more accurately reflect current responsibilities of that position and of the Department, which is charged with, among other things, the duty to solve or assist in the solution of the problems of all modes of transportation, not only highways. The Commissioner's designation of an existing title which shall also serve as State Transportation Engineer is necessitated by the abolition of the position of Assistant Commissioner for Engineering and Operations, which position was previously designated by law as State Highway Engineer.

The abolition of the position of Deputy State Highway Engineer is desirable, as the functions formerly vested in that position will be distributed according to function, by the Commissioner, to whichever position or positions the Commissioner deems necessary. Addition-
ally, the Commissioner is empowered by virtue of existing statutory authority, and by paragraph IV.1.i. of this Reorganization Plan, to designate such existing Department positions to serve as Deputy State Transportation Engineers as are deemed necessary to assist the State Transportation Engineer. The above changes are necessary and desirable in order to permit the Commissioner to redesignate and reassign duties and responsibilities of the State Highway Engineer and the Deputy State Highway Engineer in accordance with the objectives of this Reorganization Plan.

The abolition of the titles of Chief Engineer for Design, and Chief Engineer for Construction and Maintenance, is desirable as the functions formerly vested in those two positions will be assumed respectively, by the Assistant Commissioner for Design and Right of Way, and the Assistant Commissioner for Construction and Maintenance.

V. 1.a. The position of Assistant Commissioner for Finance and Administration and the qualifications for that position, created pursuant to C. 27:1A-8, are continued. The Commissioner may appoint such additional Assistant Commissioners as may be deemed necessary and expedient in order to more efficiently conduct the public business. All Assistant Commissioners shall be appointed by and shall serve at the pleasure of the Commissioner.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L. 1969, c. 203. Specifically, this reorganization will serve to contribute to a more balanced level of responsibility between and among the assistant commissioners, which will result in the more expeditious administration of the Department, provide for increased departmental efficiency, and promote the better and more efficient execution of the law.

VI. 1.a. Any divisions created by the Commissioner, pursuant to C. 27:1A-6, shall be headed by a division director, who shall administer the work of the division, and perform such other functions as may be assigned by the Commissioner. All division directors shall be supervised by an Assistant Commissioner, and shall be appointed by and serve at the pleasure of the Commissioner.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L. 1969, c. 203. Specifically, this reorganization will serve to increase departmental efficiency and promote the more expeditious administration of the public business through standardizing and clarifying the names of the major departmental sections as divisions, which shall be under the direct
supervision of a division director, who, in turn, shall be under the supervision of an Assistant Commissioner.

VII. 1.a. The position of Director of Planning and Research, created by C. 27:1A-13(a), is hereby abolished.

1.b. The position of Director of Modal Transportation Services, created by C. 27:1A-13(c), is hereby abolished.

1.c. The position of Director of Aeronautics, created by C. 27:1A-13(d), is hereby abolished.

1.d. The position of Director of Waterborne Transportation, created by C. 27:1A-13(g), is hereby abolished.

1.e. The position of Director of Regulatory Affairs, created by C. 27:1A-13(e), is hereby abolished.

1.f. The position of Director of Policy Analysis and Governmental Affairs, created by C. 27:1A-13(f), is hereby abolished.

I find that this reorganization is necessary to accomplish the purposes set forth in section 2 of P.L. 1969, c. 203. Specifically, this reorganization will remove from codification, six positions, which are provided for by statute. (The Department currently employs over 5,700 employees, and the vast majority of those positions are not established pursuant to legislation.) This reorganization will not abolish any of the responsibilities of the noted positions, but will permit the Commissioner to redistribute certain functions in an organized, strategic and comprehensive manner, which will serve to enhance the efficiency of operation of the Department.

All acts and parts of acts inconsistent with any of the provisions of this Reorganization Plan are superseded to the extent of such inconsistencies. A copy of this Reorganization Plan was filed on February 18, 1988 with the Secretary of State and the Office of Administrative Law. This Plan shall become effective in 60 days, on April 18, 1988, unless disapproved by each House of the Legislature by the passage of a concurrent resolution stating in substance that the Legislature does not favor this Reorganization Plan, or on a date later than April 18, 1988 should the Governor establish a later date by Executive Order.

Take notice that this Reorganization Plan, if not disapproved, has the force and effect of law and will be printed and published in the annual edition of the pamphlet laws under a heading of "Reorganization Plans."
