CHAPTER 5

AN ACT to amend the "Savings and Loan Act (1963)," approved August 30, 1963 (P. L. 1963, c. 144).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 48 of P. L. 1963, c. 144 (C. 17:12B-48) is amended to read as follows:

C. 17:12B-48 Specific powers.

48. Specific powers. Without limiting the generality of the foregoing, every association shall have power to:

(1) Have succession by its corporate name for the period limited in its charter or certificate of incorporation, and when no period is limited, perpetually.

(2) Sue and be sued in any court.

(3) Adopt and use a corporate seal and alter the same.

(4) Purchase and otherwise acquire, hold, mortgage, pledge, lease, exchange, sell, convey and otherwise dispose of any real and personal property, necessary or incidental to its operations and consistent with its powers and purposes.

(5) Insure its members' accounts with the Federal Savings and Loan Insurance Corporation, and comply with conditions necessary to obtain and maintain such insurance.

(6) Become a member of or stockholder in a Federal Home Loan Bank and to that end to comply with all conditions of membership therein.

(7) Act as agent for the United States or the State of New Jersey or any instrumentality of either of them, when designated for that purpose, and perform such reasonable duties as such agent as may be required of it.

(8) Join any cooperative league organized for the purpose of protecting and promoting the welfare of associations and their members and comply with all conditions of membership therein.

(9) Borrow money from any source in or out of the State, on the note, bond and mortgage or other obligation of the association upon such terms and conditions as the board may from time to time prescribe by resolution adopted by at least a majority of all the members of the board and duly recorded on the minutes and
to pledge, assign or transfer mortgages, owned by the association and the obligations secured by such mortgages, together with the shares, if any, pledged as collateral security therefor, or any real or other personal property, as security for the repayment of money so borrowed. No association shall borrow money if by doing so the aggregate of its indebtedness for borrowed money other than to the Federal Home Loan Bank will exceed 20% of its capital, except with the approval of the commissioner.

(10) (Deleted by amendment.)

(11) Require an advance payment of interest for a period of 1 month on any loan; and accept advance payments of interest, if made at the option of the debtor, for any period on any loan. None of such payments shall be deemed usurious.

(12) Where shares are issued, charge an admission fee, not to exceed $0.25 per share, which shall include the cost of membership or share certificate and account book.

(13) Impose charges upon a member for failure to make any payment to the association when due, but only as provided in this paragraph. Where the association issues installment share accounts it may impose such charge upon any member holding such an account or any borrower upon a sinking fund mortgage not in excess of 1% a month upon the amount in arrears, except for the first month's arrearage or the amount by which such first month's arrearage may be increased by subsequent arrearage, in which case a charge not in excess of 5% may be imposed. Such charges shall be subject to the further limitations that no such charge shall be deducted from any amount actually paid by a member upon an account nor shall the total of any such charges against any account in any fiscal year exceed the amount that may be charged for failure to make any payments for a 6-month period nor shall any charge for default be made on a charge for default. Otherwise an association may impose a charge for failure to make any required payment to it when due upon any loan or contract for the resale of real estate to a member, not to exceed 4% of the amount of each payment in arrears, but no more than one such charge may be made with respect to any one payment in arrears. An association may impose a reasonable service charge against any member who tenders to such association, for collection or as payment, a check or other instrument of any type which subsequently is not honored by the institution or person upon which such check or other instrument is drawn. None of such charges shall be deemed usurious.
(14) Compute interest upon any direct reduction loan, on designated payment dates, and add the same to the unpaid balance of such loan.

(15) Act as agent for any person, where such agency will further the interests of the association and its members, subject to such limitations as may be prescribed by the commissioner.

(16) Upon application to and approval by the commissioner, to act as custodian or trustee within the contemplation of the Federal Self-Employed Individuals Tax Retirement Act of 1962, as amended and supplemented, and the Employee Retirement Income Security Act of 1974, as amended and supplemented, and as custodian, trustee or manager of any such investment fund the authorized investments of which include, but need not be limited to, savings accounts or real estate loans, and the beneficial interests in which may be represented by transferable shares or certificates. Associations exercising the powers authorized by this subsection shall segregate all funds held in such fiduciary capacities from the general assets of the association and shall keep a separate set of books and records showing in detail all transactions made under authority of this subsection. If individual records are kept for each self-employed individual’s retirement plan and each such investment fund, then all such funds held in such fiduciary capacities by an association may be commingled for appropriate purposes of investment. No funds held in such fiduciary capacities shall be used by an association in the conduct of its business; however, such funds may be invested in savings accounts of the association in the event that the custodial, trust or other plan does not prohibit such investment. In granting or refusing the association’s application the commissioner shall take into consideration the investment policies, amount, type and adequacy of reserves, fidelity bonds and any legally required deposits of the applicant and other pertinent facts and circumstances.

(17) Upon compliance with subsection (5) of this section, accept from its members accounts to be repaid upon such terms, not inconsistent with this act, as are approved by the Commissioner of Banking, by regulation or otherwise, provided that no account shall exceed the limitations established by section 78 of P. L. 1963, c. 144 (C. 17:12B-78), and provided further that no account shall be accepted or issued in the name of any corporation, association or partnership or in the name of any individual for use in trade or business. An association issuing such accounts may honor demands for withdrawal of such accounts in the form of negotiable
checks, drafts or orders in the form of electronic fund transfers and may become a member of a clearing facility and satisfy reasonable conditions required for its qualification and pay reasonable expenses therefor. Such accounts may be either interest-bearing or noninterest-bearing; provided, however, that the payment of interest on such accounts be permitted by federal law. An association accepting accounts pursuant to this subsection shall, at all times, maintain reserves against such accounts as shall be prescribed in regulations issued by the commissioner in accordance with the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), but such reserves shall be equal in nature and amount to those required of savings banks in this State against similar accounts. Such reserves shall be maintained in cash or deposits in one or more reserve depositories as authorized by the Commissioner of Banking. Regulations of the commissioner may also provide that associations issuing such type of accounts maintain a general reserve account, federal insurance reserve account and undivided profits of specified minimum amounts and provide for minimum standards of office facilities in connection therewith. An insured association may impose a reasonable service charge for providing and maintaining such accounts for the benefit of its members.

(18) Issue credit cards, extend credit in connection therewith, and otherwise engage in or participate in credit card operations, subject to such regulations as the commissioner may prescribe. Any such regulations shall be in substantial conformity with similar rules and regulations of the Federal Home Loan Bank Board.

(19) (a) Apply to the commissioner for permission to act as trustee, executor, administrator, guardian, or in any other fiduciary capacity in which federal savings and loan associations doing business in this State are permitted to act. Associations exercising any or all of the powers enumerated in this section shall segregate all assets held in any fiduciary capacity from the general assets of the association and shall keep a separate set of books and records showing in proper detail all transactions engaged in under authority of this section. No association shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange, or other items for collection or exchange purposes. Funds deposited or held in trust by the association awaiting investment shall be carried in a separate account and shall not be used by the association in the conduct of its business unless it shall first set aside in the trust department
United States bonds or other securities approved by the commissioner. In the event of the failure of such association, the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart, in addition to their claim against the estate of the association. Whenever the laws of this State require corporations acting in a fiduciary capacity to deposit securities with the State authorities for the protection of private or court trusts, associations so acting shall be required to make similar deposits and securities so deposited shall be held for the protection of private or court trusts, as provided by New Jersey law. Associations in such cases shall not be required to execute the bond usually required of individuals if New Jersey corporations under similar circumstances are exempt from this requirement. Associations shall have power to execute such bond when so required by the laws of New Jersey. In any case in which the laws of this State require that a corporation acting as trustee, executor, administrator, or in any capacity specified in this section shall take an oath or make an affidavit, any officer, as defined in section 65 of P. L. 1963, c. 144 (C. 17:12B-65), of such association may take the necessary oath or execute the necessary affidavit. It shall be unlawful for any association to lend any officer, director, or employee any funds held in trust under the powers conferred by this section. Any officer, director, or employee making such loan, or to whom such loan is made, may be fined not more than $5,000.00, or imprisoned not more than 5 years, or may be both fined and imprisoned, in the discretion of the court. In passing upon applications for permission to exercise the powers enumerated in this section, the commissioner may take into consideration the amount of capital and surplus of the applying association, whether or not such capital and surplus is sufficient under the circumstances of the case, the needs of the community to be served, and any other facts and circumstances that seem to him proper, and may grant or refuse the application accordingly, except that approval shall not be granted to any association having a capital and surplus less than the capital and surplus required by New Jersey law of State banks, trust companies, and corporations exercising such powers.

(b) Any association desiring to surrender its right to exercise the powers granted under this section, in order to relieve itself of the necessity of complying with the requirements of this section, or to have returned to it any securities which it may have deposited with the State authorities for the protection of private or court trusts, or for any other purpose, may file with the commissioner a
certified copy of a resolution of its board of directors signifying such desire. Upon receipt of such resolution, the commissioner, after satisfying himself that such association has been relieved in accordance with State law of all duties as trustee, executor, administrator, guardian or other fiduciary, under court, private or other appointments previously accepted under authority of this section, may, in its discretion, issue to such association a certificate certifying that such association is no longer authorized to exercise the powers granted by this section. Upon the issuance of such a certificate by the commissioner, such association (i) shall no longer be subject to the provisions of this section or the regulations of the commissioner made pursuant thereto, (ii) shall be entitled to have returned to it any securities which it may have deposited with the State authorities for the protection of private or court trusts, and (iii) shall not exercise thereafter any of the powers granted by this section without first applying for and obtaining approval to exercise such powers pursuant to the provisions of this section.

(c) The commissioner is authorized and empowered to promulgate such regulations as he may deem necessary to enforce compliance with the provisions of this section and the proper exercise of the trust powers granted by this section. Any such regulations shall be in substantial conformity with similar rules and regulations of the Federal Home Loan Bank Board.

(20) In accordance with rules and regulations promulgated by the commissioner, issue and sell directly to subscribers or through underwriters mutual capital certificates. Such certificates shall constitute part of the general reserve and net worth of the issuing association. Such certificates—

(a) Shall be subordinate to all savings accounts, savings certificates, and debt obligations;

(b) Shall constitute a claim in liquidation on the general reserves, surplus, and undivided profits of the association remaining after the payment in full of all savings accounts, savings certificates, and debt obligations;

(c) Shall be entitled to the payment of dividends; and

(d) May have a fixed or variable dividend rate.

The commissioner is authorized and empowered to promulgate such regulations as he may deem necessary with respect to the powers granted by this section. Any such regulations shall be in substantial conformity with similar rules and regulations of the Federal Home Loan Bank Board. The commissioner shall provide
in his regulations for charging losses to the mutual capital certificates, reserves, and other net worth accounts.

CHAPTER 6

AN ACT establishing a New Jersey State Commission on Cancer Research and making an appropriation therefor.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 52:9U-1 Short title.
1. This act shall be known and may be cited as the “Cancer Research Act.”

C. 52:9U-2 Findings and declarations.
2. The Legislature finds and declares that, although this State has the highest cancer death rate in the nation for many of the most frequently fatal types of cancer, it has provided relatively little encouragement for cancer studies at any of its local institutions involved in basic biological research; and that this failure has made New Jersey unattractive for the recruitment of highly skilled cancer investigators, has reduced the State’s capacity to compete for its fair share of federal and private research dollars, and has been responsible for delaying the development of services and facilities necessary to conduct productive research. New Jersey’s failure to make a concerted and intense effort in the war against cancer has deprived its citizens of the benefits resulting from the latest advances in basic cancer research.
The Legislature further finds that the State can ill afford to continue its present policy in this regard. Corrective measures should be adopted promptly and funded adequately to make up for lost ground and to make the State competitive in the area of cancer research within the next 5 years.

C. 52:9U-3 Definitions.
3. As used in this act:
   a. “Approved research project” means a scientific and biomedical research project at the cellular or molecular level, which is approved by the commission and which focuses on the genetic, biochemical, viral, microbiological and environmental causes of cancer, but does not include behavioral, socio-economic, demographic and psycho-social research or research into methods of clinical treatment.
   b. “Commission” means the New Jersey State Commission on Cancer Research established pursuant to this act.
   c. “Institutional support services” means all services, facilities, equipment, personnel and expenditures associated with the creation and maintenance of approved research projects.

   b. The commission shall consist of nine members, including the Commissioners of the Department of Health and the Department of Environmental Protection or their appointed designees, and seven citizens of New Jersey or persons otherwise associated with the State, who are known for their knowledge, competence, experience or interest in medical research, appointed by the Governor with the advice and consent of the Senate.

d. Take steps necessary to encourage the development within the State of cellular research projects on the causes of cancer;
e. Compile a directory of all cancer research projects being conducted in the State; and
f. Provide the Governor and the Legislature with a report by January 30 of each year describing the status of the commission's activities and the results of its funded research efforts.

e. Apply for and accept any grant of money from the federal government, which may be available for programs relating to cellular or molecular research on the causes of cancer;

CHAPTER 15

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:
1. N.J.S. 2C:20-8 is amended to read as follows:

**Theft of services.**

2C:20-8. Theft of Services. a. A person is guilty of theft if he purposely obtains services which he knows are available only for compensation, by deception or threat, or by false token, slug, or other means, including but not limited to mechanical or electronic devices or through fraudulent statements, to avoid payment for the service. "Services" include labor, professional service, transportation, telephone, or other public service, accommodation in hotels, restaurants or elsewhere, entertainment, admission to exhibitions, use of vehicles or other movable property. Where compensation for service is ordinarily paid immediately upon the rendering of such service, as in the case of hotels and restaurants, absconding without payment or offer to pay gives rise to a presumption that the service was obtained by deception as to intention to pay.

b. A person commits theft if, having control over the disposition of services of another, to which he is not entitled, he knowingly diverts such services to his own benefit or to the benefit of another not entitled thereto.

c. Any person who, without permission and for the purpose of obtaining electric current, gas or water with intent to defraud any vendor of electricity, gas or water:

(1) Connects or causes to be connected by wire or any other device with the wires, cables or conductors of any such vendor; or

(2) Connects or disconnects the meters, pipes or conduits of such vendor or in any other manner tampers or interferes with such meters, pipes or conduits, or connects with such meters, pipes or conduits by pipes, conduits or other instruments—is guilty of a disorderly persons offense.

The existence of any of the conditions with reference to meters, pipes, conduits or attachments, described in this section, is presumptive evidence that the person to whom gas, electricity or water is at the time being furnished by or through such meters, pipes, conduits or attachments has, with intent to defraud, created or caused to be created with reference to such meters, pipes, conduits or attachments, the condition so existing; provided, however, that the presumption shall not apply to any person so furnished with gas, electricity or water for less than 31 days or until there has been at least one meter reading.

d. Any person who, without permission or authority, connects or causes to be connected by wires or other devices, any meter erected
or set up for the purpose of registering or recording the amount of electric current supplied to any customer by any vendor of electricity within this State, or changes or shunts the wiring leading to or from any such meter, or by any device, appliance or means whatsoever tampers with any such meter so that the meter will not measure or record the full amount of electric current supplied to such customer, is guilty of a disorderly persons offense.

The existence of any of the conditions with reference to meters or attachments described in this subsection or in subsection e. is presumptive evidence that the person to whom electricity is at the time being furnished by or through such meters or attachments has, with intent to defraud, created or caused to be created with reference to such meters or attachments, the condition so existing; provided, however, that the presumption shall not apply to any person so furnished with electricity for less than 31 days or until there has been at least one meter reading.

e. Any person who, with intent to obtain cable television service without payment, in whole or in part, of the lawful charges therefor, or with intent to deprive another of the lawful receipt of such service, damages, cuts, tampers with, installs, taps or makes any connection with, or who displaces, removes, injures or destroys any wire, cable, conduit, apparatus or equipment of a cable television company operating a CATV system; or who, without authority of a cable television company, intentionally prevents, obstructs or delays, by any means or contrivance, the sending, transmission, conveyance, distribution or receipt of programming material carried by equipment of the cable television company operating a CATV system, is a disorderly person.

The existence of any of the conditions with reference to wires, cables, conduits, apparatus or equipment described in this subsection is presumptive evidence that the person to whom cable television service is at the time being furnished has, with intent to obtain cable television service without authorization or compensation or to otherwise defraud, created or caused to be created the condition so existing.

f. Any person who purposely or knowingly manufactures, constructs, sells, offers for sale, distributes or installs any equipment, device or instrument designed or intended to facilitate the interception, decoding or receipt of any cable television service with intent to obtain such service and avoid the lawful payment of the charges therefor to the provider, in whole or in part, is a disorderly person.
Any communications paraphernalia prohibited under this subsection shall be subject to forfeiture and may be seized by the State or any law enforcement officer in accordance with the provisions of N.J.S. 2C:64-1 et seq.

g. Any person who purposely or knowingly maintains or possesses any equipment, device or instrument of the type described in subsection f. of this section or maintains or possesses any equipment, device or instrument actually used to facilitate the interception, decoding or receipt of any cable television service with intent to obtain such service and avoid the lawful payment, in whole or in part, of the charges therefor to the provider, is a disorderly person.

Any communications paraphernalia prohibited under this subsection shall be subject to forfeiture and may be seized by the State or any law enforcement officer in accordance with the provisions of N.J.S. 2C:64-1 et seq.

2. Section 3 of P.L. 1972, c. 186 (C. 48:5A-3) is amended to read as follows:

h. "Highway" includes every street, road, alley, thoroughfare, way or place of any kind used by the public or open to the use of the public.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 2 of P. L. 1975, c. 250 (C. 39:4-14.3) is amended to read as follows:

C. 39:4-14.3 Operation of motorized bicycles.

2. a. Motorized bicycles shall not be operated upon interstate highways or upon public highways divided by a grass or concrete median or highways with posted speed limits in excess of 50 miles per hour or upon the railroad or right-of-way of an operating railroad within the State of New Jersey or upon any public land where expressly prohibited by the governing body, department or agency having jurisdiction thereof.

The Director of Motor Vehicles is authorized to adopt regulations either prohibiting the operation of motorized bicycles on any public road or highway with a speed limit in excess of 40 miles per hour, which in his discretion are hazardous for the operation of motorized bicycles or permitting the operation of motorized bicycles on any public road or highway, upon which the operation of motorized bicycles is otherwise prohibited by the provisions of this section, which in his discretion are safe for the operation of motorized bicycles. In no case, however, shall the director adopt a regulation permitting motorized bicycles to be operated on any highway with a posted speed in excess of 50 miles per hour.

b. No municipality shall limit or otherwise restrict the operation of motorized bicycles on any public roads or highways under its jurisdiction in contravention of the provisions of this act or any regulations adopted by the director pursuant thereto.

c. Motorized bicycles shall not be operated by a person under 15 years of age.

d. No person shall operate a motorized bicycle unless he is in possession of a valid driver's license of any class or a motorized bicycle license, which shall be issued by the director to any person 15 years of age or older, upon proof of identity and date of birth,
and after he has passed a satisfactory examination as to his ability as an operator. Such examination shall include a test of the applicant's knowledge of such portions of the mechanism of motorized bicycles as is necessary to insure their safe operation and of the laws and ordinary usages of the road and a demonstration of his ability to operate a motorized bicycle.

The demonstration of an applicant's ability to operate a motorized bicycle shall be administered at such municipalities that the director shall designate, under the supervision of the director, or an officer, employee, or authorized agent of the Division of Motor Vehicles, in accordance with rules and regulations promulgated by the division.

The director may, in his discretion, issue a learner's permit to a person 15 years of age or older, upon proof of identity and date of birth, allowing such person, for the purpose of fitting himself to become a motorized bicycle driver, to operate a motorized bicycle during daylight hours without supervision for a period not to exceed 45 days. The permit shall be sufficient license for the person to operate a motorized bicycle. No permit shall be issued unless the person applying therefor shall pay the sum of $5.00 to the director, or an officer, employee or agent of the division.

e. The valid driver's license shall be in the possession of the operator at all times when he is operating a motorized bicycle with motor engaged on the highways of this State. The operator shall exhibit his driver's license when requested to do so by any police officer or magistrate, while in the performance of the duties of his office and shall write his name in the presence of the officer, so that the officer may thereby determine the identity of the licensee. Any person violating this subsection shall be subject to a fine not exceeding $50.00.

f. Unless otherwise determined by the director, statutes, rules and regulations applicable to bicycles shall apply whenever a motorized bicycle is operated upon any highway or upon any public land.

Every person operating a motorized bicycle upon a public road or highway shall be subject to all of the duties applicable to the driver of a vehicle by chapter 4 of Title 39 and N. J. S. 2A:113-9 and all amendments and supplements thereto.

C. 9:17-42 Closed proceedings.
5. Notwithstanding any other law concerning public hearings and records, any action or proceeding held under this act shall be held in closed court without admittance of any person other than those
necessary to the action or proceeding. All papers and records and any information pertaining to an action or proceeding held under this act which may reveal the identity of any party in an action, other than the final judgment or the birth certificate, whether part of the permanent record of the court or of a file with the State registrar of vital statistics or elsewhere, are confidential and are subject to inspection only upon consent of the court and all parties to the action who are still living, or in exceptional cases only upon an order of the court for compelling reason clearly and convincingly shown.

(6) He acknowledges his paternity of the child in a writing filed with the local registrar of vital statistics, which shall promptly inform the mother of the filing of the acknowledgment, and she does not dispute the acknowledgment within a reasonable time after being informed thereof, in a writing filed with the local registrar. If another man is presumed under this section to be the child's father, acknowledgment may be effected only with the written consent of the presumed father or after the presumption has been rebutted. Each attempted acknowledgment, whether or not effective, shall be kept on file by the local registrar of vital statistics and shall entitle the person who filed it to notice of all proceedings concerning parentage and adoption of the child, as provided in section 10 of this act and pursuant to section 9 of P. L. 1977, c. 367 (C. 9:3-45).

b. A presumption under this section may be rebutted in an appropriate action only by clear and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court order terminating the presumed father's paternal rights or by establishing that another man is the child's natural or adoptive father.

c. Notwithstanding the provisions of this section to the contrary, in an action brought under this act against the legal representative or the estate of a deceased alleged father, the criteria in paragraphs (4) and (5) of subsection a. of this section shall not constitute presumptions but shall be considered by the court together with all of the evidence submitted. The decision of the court shall be based on a preponderance of the evidence.

d. In the absence of a presumption, the court shall decide whether the parent and child relationship exists, based upon a preponderance of the evidence.

C. 9:17-44 Artificial insemination.

7. a. If, under the supervision of a licensed physician and with the consent of her husband, a wife is inseminated artificially with
semen donated by a man not her husband, the husband is treated in law as if he were the natural father of a child thereby conceived. The husband’s consent shall be in writing and signed by him and his wife. The physician shall certify their signatures and the date of the insemination, upon forms provided by the Department of Health, and file the husband’s consent with the State Department of Health, where it shall be kept confidential and in a sealed file. However, the physician’s failure to do so shall not affect the father and child relationship. All papers and records pertaining to the insemination, whether part of the permanent record of a court or of a file held by the supervising physician or elsewhere, are subject to inspection only upon an order of the court for compelling reasons clearly and convincingly shown.

b. Unless the donor of semen and the woman have entered into a written contract to the contrary, the donor of semen provided to a licensed physician for use in artificial insemination of a woman other than the donor’s wife is treated in law as if he were not the father of a child thereby conceived and shall have no rights or duties stemming from the conception of a child.

C. 9:17-45 Parties to actions.

8. a. A child, a legal representative of the child, the natural mother, the estate or legal representative of the mother, if the mother has died or is a minor, a man alleged or alleging himself to be the father, the estate or legal representative of the alleged father, if the alleged father has died or is a minor, the Division of Public Welfare in the Department of Human Services, or the county welfare agency, or any person with an interest recognized as justiciable by the court may bring or defend an action or be made a party to an action at any time for the purpose of determining the existence or nonexistence of the parent and child relationship.

b. No action shall be brought under this act more than five years after the child attains the age of majority.

c. The death of the alleged father shall not cause abatement of any action to establish paternity, and an action to determine the existence or nonexistence of the parent and child relationship may be instituted or continued against the estate or the legal representative of the alleged father.

d. Regardless of its terms, an agreement, other than an agreement approved by the court in accordance with subsection 11c, between an alleged or presumed father and the mother of the child, shall not bar an action under this section.
e. If an action under this section is brought before the birth of the child, all proceedings shall be stayed until after the birth, except service of process and the taking of depositions to perpetuate testimony. The court may consider the issue of medical expenses and may order the alleged father to pay the reasonable expenses of the mother's pregnancy and postpartum disability.

f. This section does not extend the time within which a right of inheritance or a right to succession may be asserted beyond the time provided by law relating to distribution and closing of decedents' estates or to the determination of heirship, or otherwise.

C. 9:17-46 Jurisdiction.

3. a. The juvenile and domestic relations court, and where an action is joined with another action, the Superior Court, shall have jurisdiction over an action brought under this act. The action shall be joined with an action for divorce, annulment, separate maintenance or support.

b. A person who has sexual intercourse in this State thereby submits to the jurisdiction of the courts of this State as to an action brought under this act with respect to a child who may have been conceived by that act of intercourse. In addition to any other method provided by law, personal jurisdiction may be acquired by service in accordance with the rules of the court.

c. The action may be brought in the county in which the child or the alleged father resides or is found or, if the father is deceased, in which proceedings for probate of his estate have been or could be commenced.

10. The child may be made a party to the action. If the child is a minor and is made a party, a guardian ad litem may be appointed by the court to represent the child. The child's mother or father may not represent the child as guardian or otherwise. The court may appoint an attorney-at-law or an appropriate State agency as guardian ad litem for the child. The natural mother, each man presumed to be the father under section 6, each man alleged to be the natural father, anyone whose name appears on the birth certificate, and anyone who has attempted to file an acknowledgment under section 6, whether or not effective to create a presumption of paternity, shall be made parties or, if not subject to the jurisdiction of the court, shall be given notice of the action in a manner prescribed by the court and an opportunity to be heard. The court may align the parties.

11. a. As soon as practicable after an action to declare the existence or nonexistence of the father and child relationship has been brought, a consent conference shall be held by the juvenile and domestic relations court intake service, the county probation department or the county welfare agency. A court appearance shall be scheduled in the event that a consent agreement cannot be reached.

b. On the basis of the information produced at the conference, an appropriate recommendation for settlement shall be made to the parties, which may include any of the following:

(1) That the action be dismissed with or without prejudice; or
(2) That the alleged father voluntarily acknowledge his paternity of the child.

c. If the parties accept a recommendation made in accordance with subsection b., which has been approved by the court, judgment shall be entered accordingly.

d. If a party refuses to accept a recommendation made under subsection b., and blood tests or genetic tests have not been taken, the court may require the parties to submit to blood tests or genetic tests. Thereafter the juvenile and domestic relations court intake service, with the approval of the court, shall make an appropriate final recommendation. If a party refuses to accept the final recommendation, the action shall be set for trial.

e. The guardian ad litem may accept or refuse to accept a recommendation under this section.

f. The consent conference may be terminated and the action set for trial if the court finds it unlikely that all parties would accept a recommendation that might be made under subsection b. or d.

g. No evidence, testimony or other disclosure from the consent conference shall be admitted as evidence in a civil action except by consent of the parties. However, blood tests or genetic tests ordered pursuant to subsection d. may be admitted as evidence.

C. 9:17-49 Civil action rules apply.

12. a. An action under this act is a civil action governed by the rules of court.

b. The trial shall be by the court without a jury, unless a party to the action shall file with the court a written request for a trial by jury within 10 days after service of the complaint. The complaint shall contain a notice to all parties that they may request a jury trial within 10 days of the service of the complaint.
b. If the judgment or order of the court is at variance with the child's birth certificate, the court shall order that an amendment to the original birth record be made under section 22.

c. The judgment or order may contain any other provision directed against the appropriate party to the proceeding concerning the duty of support, the custody and guardianship of the child, visitation privileges with the child, the furnishing of bond or other security for the payment of the judgment, the repayment of any public assistance grant, or any other matter in the best interests of the child. The judgment or order may direct the father to pay the reasonable expenses of the mother's pregnancy and postpartum disability, including repayment to an agency which provided public assistance funds for those expenses.

d. Support judgments or orders ordinarily shall be for periodic payments, which may vary in amount. In the best interests of the child, the purchase of an annuity may be ordered in lieu of periodic payments of support. The court may limit a parent’s liability for past support of the child to the proportion of the expenses already incurred that the court deems just.

e. In determining the amount to be paid by a parent for support of the child and the period during which the duty of support is owed, a court enforcing the obligation of support shall consider all relevant facts, including the:

(1) Needs of the child;
(2) Standard of living and economic circumstances of each parent;
(3) Income and assets of each parent, including any public assistance grant received by a parent;
(4) Earning ability of each parent, including educational background, training, employment skills, work experience, custodial responsibility for children and the length of time and cost for each parent to obtain training or experience for appropriate employment;
(5) Need and capacity of the child for education, including higher education;
(6) Age and health of the child and each parent;
(7) Income, assets and earning ability of the child;
(8) Responsibility of the parents for the support of others; and
(9) Debts and liabilities of each child and parent.

The factors set forth herein are not intended to be exhaustive.
The court may consider such other factors as may be appropriate under the circumstances.

C. 9:17-54 Fees, costs.

17. The court may order reasonable fees of counsel, experts, and the child's guardian ad litem, and other costs of the action and pre-trial proceedings, including blood or genetic tests, to be paid by the parties in proportions and at times determined by the court.

C. 9:17-55 Enforcement of duty of support.

18. a. If existence of the father and child relationship is declared, or paternity or a duty of support has been acknowledged or adjudicated under this act or under prior law, the obligation of the father may be enforced in the same or other proceedings by the mother, and child, the public agency that has furnished or may furnish the reasonable expenses of pregnancy, postpartum disability, education, support, or burial, or by any other person, including a private agency, to the extent that the mother, child, person or agency has furnished or is furnishing these expenses.

b. The court may order support payments to be made to the mother, the clerk of the court, the appropriate county probation office, or a person, corporation, or agency designated to administer them for the benefit of the child, under the supervision of the court.

c. Willful failure to obey the judgment or order of the court is a civil contempt of the court.

C. 9:17-56 Continuing jurisdiction.

19. The court has continuing jurisdiction to modify or revoke a judgment or order.

C. 9:17-57 Standing to bring action.

20. The child, the mother or personal representative of the child, the Division of Public Welfare in the Department of Human Services or the county welfare agency, the personal representative or a parent, if the mother has died or is a minor, a man alleged or alleging himself to be the father, the personal representative or a parent of the alleged father, if the alleged father has died or is a minor, or any person with an interest recognized as justiciable by the court may bring an action to determine the existence or non-existence of a mother and child relationship. Insofar as practicable, the provisions of this act applicable to the father and child relationship apply.

C. 9:17-58 Agreement to furnish support.

21. a. Any agreement in writing to furnish support for a child, growing out of a supposed or alleged father and child relationship,
does not require consideration and is enforceable according to its terms, subject to subsection d. of section 8.

b. In the best interests of the child or the mother, the court may, and upon the request of the person agreeing to furnish support shall, order the agreement to be kept in confidence and designate a person or agency to receive and disburse on behalf of the child all amounts paid in performance of the agreement.

C. 9:17-59 Amended birth record.

22. a. Upon order of a court of this State or upon request of a court of another state, the local registrar of vital statistics shall prepare an amended birth record consistent with the findings of the court.

b. The fact that the father and child relationship was declared after the child's birth shall not be ascertainable from the amended birth record, but the actual place and date of birth shall be shown.

c. The evidence upon which the amended birth record was made and the original birth certificate shall be kept in a sealed and confidential file and be subject to inspection only upon consent of the court and all interested persons, or in exceptional cases only upon an order of the court for compelling reasons clearly and convincingly shown.

Repealer.

23. The following are repealed:

a. R. S. 9:15-1 and R. S. 9:15-2;

b. R. S. 9:16-1 through R. S. 9:16-4;

provided, that all real property not held for any purpose specified in subparagraph (a) of this paragraph shall be sold within 5 years of its acquisition, or within 5 years after the time it ceases to be held for any purpose specified in subparagraph (a) of this paragraph, unless the commissioner shall extend the time within which such sale shall be made;

(6) To be a member of the Federal Reserve System; to subscribe for, purchase, hold, and surrender such amounts of the capital stock of the Federal Reserve Bank organized within the district in which such bank or savings bank is located as may be required or as may be deemed advisable by such bank or savings bank; and to have and exercise all powers, privileges and options which are conferred by law upon such members; to comply with all requirements of federal legislation and the rules and regulations lawfully promulgated thereunder governing such membership, as such legislation and such rules and regulations may provide at the time of inception of such membership, and as the same may from time to time thereafter be amended or supplemented; and to assume and discharge all liabilities and obligations which may be required by reason of such membership;

(8) To be a member of any federal agency hereafter created, membership in which is open to banking institutions, and the purpose of which is to afford advantages or safeguards to banking institutions, or to their depositors, and to comply with all the re-
quirements and conditions imposed upon such members, except that the power by this paragraph conferred shall not be exercised unless the commissioner, with the concurrence of the banking advisory board, shall make a general order authorising banks or savings banks, or both, to become and be such members, upon such terms and conditions as may in such order be prescribed;

(b) In the case of a bank, the amount so invested shall not exceed 10% of its capital stock and surplus; and

(c) Each purchase of such stock shall first have been authorized by a resolution, stating the number of shares to be purchased and the amount to be paid therefor, adopted by its board of directors or board of managers, and, in the case of a bank, approved by a majority in interest of its stockholders at any annual or special meeting; and

(d) Each purchase of such stock by a bank or savings bank shall have been approved in writing by the commissioner;

(11) To contribute to community funds, or to charitable, philanthropic, or benevolent instrumentalities conducive to public welfare, or civic betterment, or the economic advantage of the community,
and to instrumentalities for the protection or advancement of the interests of banking institutions, such sums as its board of directors or board of managers may deem expedient and in the interests of such bank or savings bank;

(12) To exercise all incidental powers, not specifically enumerated in this act, which shall be necessary or convenient to carry on the business of the bank or savings bank;

(13) To invest in stock of a subsidiary of such bank or savings bank which holds title to real property of the kind in which such bank or savings bank could itself invest pursuant to subparagraph (a) of paragraph (5) of this section, and to make secured or unsecured loans to such subsidiary, without regard to the limitations imposed by Article 13; but no bank or savings bank shall, except with the prior approval of the commissioner: (1) invest in real property, including all capital leases, pursuant to subparagraph (a) of paragraph (5) of this section; or (2) invest in the stock or other securities of such subsidiary; or (3) make a loan to such subsidiary, if the aggregate of all such investments and loans, when added to any indebtedness otherwise owing by the subsidiary, will exceed the greater of: (1) 50% of the capital funds of the bank or savings bank; or (2) the amount permitted to national banks for such investments. As used in this paragraph, “subsidiary” of a bank or savings bank means a corporation all of whose capital stock and other securities having voting rights are owned by such bank or savings bank, and whose powers are limited by its certificate of incorporation to the acquiring, holding, managing, selling, leasing, mortgaging, altering, improving and otherwise dealing in and with real property of the kind in which the bank or savings bank could itself invest pursuant to subparagraph (a) of paragraph (5) of this section; and “capital funds” means the aggregate of the capital stock, the principal amount owing on all capital notes, surplus and undivided profits of a bank, and the aggregate of the capital deposits, if any, and the surplus of a savings bank. Every subsidiary of a bank or savings bank shall be subject to examination by the commissioner as provided in the case of banks and savings banks pursuant to sections 260, 261, 262, 263 and 335, and the ultra vires or unlawful act of a subsidiary of a bank or savings bank shall be deemed to be the ultra vires or unlawful act of such bank or savings bank for the purposes of Article 42. In determining whether to give or withhold approval of an investment or loan in excess of the limitation imposed by this paragraph, the commissioner
shall consider whether the making of such loan or investment is consistent with sound banking practice, having regard to: (1) the ratio between the aggregate of such loans and investments and the capital funds of the bank or savings bank; (2) the benefits to the bank or savings bank reasonably to be anticipated from such investment or such loan; (3) the ratio between such aggregate capital funds and total deposits; and (4) such other factors as the commissioner shall consider germane to the protection of deposits. A violation of any provision of this paragraph by any bank, savings bank, or subsidiary of a bank or savings bank shall not impair the validity or sufficiency of any deed of conveyance, mortgage, or lease made by such bank, savings bank, or subsidiary of real property owned by it; nor shall any other interest in such real property, acquired by or vested in any person claiming through or under such bank, savings bank, or subsidiary, or to which such person may be entitled, be impaired by reason of such violation;

(14) To make or invest in any secondary mortgage loan as defined in section 1 of P. L. 1948, c. 67 (C. 17:9A-1). Secondary mortgage loans shall be repayable in installments under the same terms and conditions as provided for secondary mortgage loan licensees under the “Secondary Mortgage Loan Act,” P. L. 1970, c. 205 (C. 17:11A-34 et seq.), only with respect to maximum term, maximum loan amount and maximum annual percentage rate of interest. The Commissioner of Banking shall have the power, in relation to a “secondary mortgage loan,” to adopt, amend, alter or rescind regulations, the requirements of which, in his judgment, are necessary for the implementation of this paragraph.

2. Section 74 of P. L. 1948, c. 67 (C. 17:9A-74) is amended to read as follows:

B. Nothing in this article shall apply to a mortgage loan made by a bank to an executive officer of the bank or to him or her and his or her spouse, if: (1) the mortgaged property has erected thereon a one- or two-family dwelling occupied or to be occupied
wholly or partly by such officer; or (2) if the proceeds of the loan shall be used for the purpose of erecting upon the mortgaged property a one- or two-family dwelling to be so occupied; or (3) if the mortgaged property is a one- or two-family condominium unit occupied or to be occupied wholly or partly by such officer; nor shall anything in this article apply (4) to a loan secured by a first lien on stock in a residential cooperative housing corporation, where the proceeds of the loan are used to finance the acquisition of such stock and the officer shall occupy an apartment or dwelling unit in premises owned by the residential cooperative housing corporation; or (5) to any loan or loans made to an executive officer of the bank, not exceeding in the aggregate $20,000.00 outstanding at any one time to finance the education of a child of such officer; or (6) to any liability to a bank incurred by any officer who is not an executive officer of such bank.

3. Section 106 of P. L. 1948, c. 67 (C. 17:9A-106) is amended to read as follows:

   c. It is necessary to establish a systematic and continuing effort to examine the effect of governmental regulation on the agricultural industry;
   d. All State departments and agencies thereof should encourage the maintenance of agricultural production and a positive agricultural business climate;
   e. It is the express intention of this act to establish as the policy of this State the protection of commercial farm operations from nuisance action, where recognized methods and techniques of agricultural production are applied, while, at the same time, acknowledging the need to provide a proper balance among the varied and sometimes conflicting interests of all lawful activities in New Jersey.

   b. "Committee" means the State Agriculture Development Committee established pursuant to section 4 of this act.

C. 4:1C-4 State Agriculture Development Committee.
4. a. In order that the State's regulatory action with respect to agricultural activities may be undertaken with a more complete understanding of the needs and difficulties of agriculture, there is established in the Executive Branch of the State Government a public body corporate and politic, with corporate succession, to be known as the State Agriculture Development Committee. For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the committee is allo-
ated within the Department of Agriculture, but, notwithstanding that allocation, the committee shall be independent of any supervision or control by the State Board of Agriculture, by the department or by the secretary or any officer or employee thereof, except as otherwise expressly provided in this act. The committee shall constitute an instrumentality of the State, exercising public and essential governmental functions, and the exercise by the committee of the powers conferred by this or any other act shall be held to be an essential governmental function of the State.

b. The committee shall consist of 11 members, five of whom shall be the Secretary of Agriculture, who shall serve as chairman, the Commissioner of Environmental Protection, the Commissioner of Community Affairs, the State Treasurer and the Dean of Cook College, Rutgers University, or their designees, who shall serve ex officio, and six citizens of the State, to be appointed by the Governor with the advice and consent of the Senate, four of whom shall be actively engaged in farming, the majority of whom shall own a portion of the land that they farm, and two of whom shall represent the general public. With respect to the members actively engaged in farming, the State Board of Agriculture shall recommend to the Governor a list of potential candidates and their alternates to be considered for each appointment.

c. Of the six members first to be appointed, two shall be appointed for terms of 2 years, two for terms of 3 years and two for terms of 4 years. Thereafter, all appointments shall be made for terms of 4 years. Each of these members shall hold office for the term of the appointment and until a successor shall have been appointed and qualified. A member shall be eligible for reappointment for no more than two consecutive terms. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

d. Members of the committee shall receive no compensation but the appointed members may, subject to the limits of funds appropriated or otherwise made available for these purposes, be reimbursed for expenses actually incurred in attending meetings of the committee and in performance of their duties as members thereof.

e. The committee shall meet at the call of the chairman as soon as may be practicable following appointment of its members and shall establish procedures for the conduct of regular and special meetings, including procedures for the notification of departments of State regulating the activities of commercial agriculture, pro-
provided that all meetings are conducted in accordance with the provisions of the “Open Public Meetings Act,” P. L. 1975, c. 231 (C. 10:4-6 et seq.).

f. A true copy of the minutes of every meeting of the committee shall be prepared and forthwith delivered to the Governor. No action taken at such meeting by the commission shall have force or effect until 15 days, exclusive of Saturdays, Sundays and public holidays, after such copy of the minutes shall have been so delivered. If, in said 15-day period, the Governor returns such copy of the minutes with a veto of any action taken by the commission at such meeting, such action shall be null and void and of no force and effect.

g. The department shall provide any personnel that may be required as staff for the committee.

C. 4:1C-6 Powers and duties.

5. The committee shall:

a. Consider any matter relating to the improvement of farm management practices;

b. Review and evaluate the proposed rules, regulations and guidelines of any State agency in terms of feasibility, effect and conformance with the intentions and provisions of this act;

c. Study, develop and recommend to the appropriate State departments and agencies thereof a program of agricultural management practices which shall include, but not necessarily be limited to, air and water quality control, noise control, pesticide control, fertilizer application, integrated pest management, and labor practices;

d. Upon a finding of conflict between the regulatory practices of any State instrumentality and the agricultural management practices recommended by the committee, commence a period of negotiation not to exceed 120 days with the State instrumentality in an effort to reach a resolution of the conflict, during which period the State instrumentality shall inform the committee of the reasons for accepting, conditionally accepting or rejecting the committee’s recommendations and submit a schedule for implementing all or a portion of the committee’s recommendations.

e. Within 1 year of the effective date of this act and at least annually thereafter, recommend to the Governor, the Legislature and the appropriate State departments and agencies thereof any actions which should be taken that recognize the need to provide a proper balance among the varied and sometimes conflicting interests of all lawful activities in the State, minimize unnecessary
constraints on essential agricultural activities, and are consistent with the promotion of the public health, safety and welfare.

C. 4:1C-9  Authority for commercial farm owners, operators.

6. The owner or operator of a commercial farm which meets the eligibility criteria for differential property taxation pursuant to the “Farmland Assessment Act of 1964,” P. L. 1964, c. 48 (C. 54:4-23.1 et seq.) and the operation of which conforms to agricultural management practices recommended by the committee and all relevant federal or State statutes or rules and regulations adopted pursuant thereto and which does not pose a direct threat to public health and safety may:

C. 4:1C-10  Rebuttable presumption.

7. In all relevant actions filed subsequent to the effective date of this act, there shall exist a rebuttable presumption that no commercial agricultural operation, activity or structure which conforms to agricultural management practices recommended by the committee, and all relevant federal or State statutes or rules and regulations adopted pursuant thereto and which does not pose a direct threat to public health and safety, shall constitute a public or private nuisance, nor shall any such operation, activity or structure be deemed to otherwise invade or interfere with the use and enjoyment of any other land or property.

8. This act shall take effect immediately.

Approved January 26, 1983.

C. 4:1C-14  County boards.

7. a. The governing body of any county may, by resolution duly adopted, establish a public body under the name and style of “The County Agriculture Development Board,” with all or any significant part of the name of the county inserted. Every board shall consist of three non-voting members as follows: a representative of the county planning board; a representative of the local soil conservation district; and the county agent of the New Jersey Cooperative Extension Service whose jurisdiction encompasses the boundaries of the county; and seven voting members who shall be residents of the county, four of whom shall be actively engaged in farming, the majority of whom shall own a portion of the land they farm, and three of whom shall represent the general public, appointed by the board of chosen freeholders, or, in the counties operating under the county executive plan or county supervisor plan pursuant to the provisions of the “Optional County Charter Law,” P. With respect to the members actively engaged in farming, the county board of agriculture shall recommend to the board of chosen freeholders, the county executive or the county supervisor, as appropriate, a list of potential candidates and their alternates to be considered for each appointment.

b. Of the seven members first to be appointed, three shall be appointed for terms of 2 years, two for terms of 3 years, and two for terms of 4 years. Thereafter, all appointments shall be made for terms of 4 years. Each of these members shall hold office for the term of the appointment and until a successor shall have been appointed and qualified. A member shall be eligible for reappointment for no more than two consecutive terms. Any vacancy in the membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. The board of chosen freeholders, county executive or county supervisor, as appropriate, may appoint such other advisory members to the board as they may deem appropriate.

d. Members of the board shall receive no compensation but the appointive members may, subject to the limits of funds appropriated or otherwise made available for these purposes, be reimbursed for expenses actually incurred in attending meetings of the board and in performance of their duties as members thereof.
e. The board shall meet as soon as may be practicable following the appointment of its members and shall elect a chairman from among its members and establish procedures for the conduct of regular and special meetings, provided that all meetings are conducted in accordance with the provisions of the "Open Public Meetings Act," P. L. 1975, c. 231 (C. 10:4-6 et seq.). The chairman shall serve for a term of 1 year and may be reelected.

f. The chairman shall appoint three members actively engaged in farming to serve with the representatives of the general public for the purpose of mediating disputes pursuant to the provisions of section 19 of this act.

g. Notwithstanding the provisions of subsections a. and b. of this section, any public body established by the governing body of any county prior to May 3, 1982, which was established to carry out functions substantially similar to the functions of boards pursuant to this act and which proposes to apply for grants pursuant hereto may carry out the functions authorized herein, provided that within 5 years following the effective date of this act those boards established prior to May 3, 1982 shall reorganize so that the board reflects no more than a simple majority of members actively engaged in farming or equal representation of the general public and those actively engaged in farming.

C. 4:1C-15 Duties of boards.

8. Every board shall:

a. Develop and adopt, after public hearings, agricultural retention and development programs, which shall have as their principal purpose the long-term encouragement of the agricultural business climate and the preservation of agricultural land in the county;

b. Establish the minimum acreage of significant masses of reasonably contiguous land required for the creation of a municipally approved program or other farmland preservation programs;

c. Establish minimum standards for the inclusion of land in a municipally approved program or other farmland preservation programs;

d. Review and approve, conditionally approve or disapprove petitions for the formation of a municipally approved program or other farmland preservation programs, and monitor the operations thereof;

e. Review and approve, conditionally approve or disapprove, prior to any applications to the committee, any request for financial assistance authorized by this act;
f. Monitor and make appropriate recommendations to the committee and to county and municipal governing bodies and boards with respect to resolutions, ordinances, regulations and development approvals which would threaten the continued viability of agricultural activities and farmland preservation programs within agricultural development areas;

g. At the request of a municipality, require that any person proposing any nonagricultural development in an agricultural development area prepare and submit a statement as to the potential impact the proposed development would have on agricultural activities in the area.

C. 4:1C-16 Authority of boards.

9. Every board may:

   a. Develop an educational and informational program concerning farmland preservation techniques and recommended agricultural management practices to advise and assist municipalities, farmers and the general public with respect to the implementation of these techniques;

   b. Provide assistance to farm operators concerning permit applications and information regarding the regulatory practices of State government agencies.

C. 4:1C-17 Subregional boards.

10. a. If any board of chosen freeholders has not created a board within 1 year of the effective date of this act, the governing body of any municipality located within that county may, singly or jointly by parallel ordinance with other contiguous municipalities within the county, establish a subregional agricultural retention board, which shall have the same responsibilities as a county board, except that its jurisdiction shall not exceed the boundaries of the municipality or municipalities establishing the board. Every subregional agricultural retention board may receive State moneys from the fund pursuant to the provisions of this act.

   b. The members of a subregional agricultural retention board shall be appointed in the same manner as a county board, except that the planning board representative shall be from the municipal planning board and the appointive members shall be residents of the municipality. If two or more municipalities jointly create a subregional board, the number of members thereof shall be multiplied by the number of municipalities involved.

   c. If the governing body of the county creates a board subsequent to the establishment of a subregional agricultural retention board, the subregional body shall, within 90 days of the date of the crea-
tion of the board, be dissolved but may remain advisory to the board. The board shall honor any contractual commitments of the subregional agricultural retention board.

C. 4:1C-18 Recommended development areas.

11. The board may, after public hearing, identify and recommend an area as an agricultural development area, which recommendation shall be forwarded to the county planning board. The board shall document where agriculture shall be the preferred, but not necessarily the exclusive, use of land if that area:

a. Encompasses productive agricultural lands which are currently in production or have a strong potential for future production in agriculture and in which agriculture is a permitted use under the current municipal zoning ordinance or in which agriculture is permitted as a nonconforming use;

b. Is reasonably free of suburban and conflicting commercial development;

c. Comprises not greater than 90% of the agricultural land mass of the county;

d. Incorporates any other characteristics deemed appropriate by the board.

Approval of the agricultural development area by the board shall be in no way construed to authorize exclusive agricultural zoning or any zoning which would have the practical effect of exclusive agricultural zoning, nor shall the adoption be used by any tax official to alter the value of the land identified pursuant hereto or the assessment of taxes thereon.

C. 4:1C-19 Notice of intent.

12. a. Any public body or public utility which intends to exercise the power of eminent domain, pursuant to the provisions of the "Eminent Domain Act of 1971," P. L. 1971, c. 361 (C. 20:3-1 et seq.), for the acquisition of land included in an agricultural development area, or which intends to advance a grant, loan, interest subsidy or other funds within an agricultural development area for the construction of dwellings, commercial or industrial facilities, transportation facilities, or water or sewer facilities to serve nonfarm structures, shall file a notice of intent with the board and the committee, the provisions of any other law, rule or regulation to the contrary notwithstanding, 30 days prior to the initiation of this action. This notice shall contain a statement of the reasons for the acquisition and an evaluation of alternatives which would not include action in the agricultural development area.
b. Within 30 days of the receipt of this notice of intent, the board and the committee shall review the proposed action to determine its effect upon the preservation and enhancement of agriculture in the agricultural development area, the municipally approved program, and upon overall State agricultural preservation and development policies. If the board or the committee finds that the proposed action would cause unreasonably adverse effects on the agricultural development area, or State agricultural preservation and development policies, the board or the committee may direct that no action be taken thereon for 60 days, during which time a public hearing shall be held by the board or the committee in the agricultural development area and a written report containing the recommendations of the board or the committee concerning the proposed acquisition or development project shall be made public. Notice of the hearing shall be afforded in accordance with the provisions of the "Open Public Meetings Act," P. L. 1975, c. 231 (C. 10:4-6 et seq.).

c. The secretary may, upon finding that the provisions of this section have been violated, request the Attorney General to bring an action to enjoin the acquisition or development project.

C. 4:1C-20 Petitions by landowners.

13. a. Any one or more owners of land which qualifies for differential property tax assessment pursuant to the "Farmland Assessment Act of 1964," P. L. 1964, c. 48 (C. 54;4-23.1 et seq.), and which is included in an agricultural development area, may petition the board for the creation of a farmland preservation program. The petition shall include a map of the boundaries of the proposed farmland preservation program and any other information deemed appropriate by the board.

b. Approval of the petition by the board and creation of the farmland preservation program shall be signified by an agreement between the board and the landowner to retain the land in agricultural production for a minimum period of 8 years. The agreement shall constitute a restrictive covenant and shall be filed and recorded with the county clerk in the same manner as a deed.

C. 4:1C-21 Municipally approved program.

14. a. Any one or more owners of land which qualifies for differential property tax assessment pursuant to the "Farmland Assessment Act of 1964," P. L. 1964, c. 48 (C. 54;4-23.1 et seq.), and which is included in an agricultural development area may petition the board for the creation of a municipally approved program comprising that land; provided that the owner or owners own at least
the minimum acreage established by the board. The petition shall include a map of the boundaries of the municipally approved program and any other information deemed appropriate by the board.

b. Upon receipt thereof, the board shall review this petition for conformance with minimum eligibility criteria as established by the committee and the board. If the board finds that the criteria have been met, it shall immediately forward a copy of the petition to the county planning board, the governing body of any municipality wherein the proposed municipally approved program is located, and to the planning board of each affected municipality.

c. Within 60 days of receipt of the petition, the municipal planning board shall review and report to the municipal governing body the potential effect of the proposed municipally approved program upon the planning policies and objectives of the municipality.

d. The municipal governing body shall, after public hearing and within 120 days of receipt of the report, recommend to the board, by ordinance duly adopted, that the municipally approved program boundaries be approved, conditionally approved with proposed geographical modifications, or disapproved.

e. Upon receipt of a recommendation by the governing body to approve the petition, the board shall forward the petition for the creation of the municipally approved program and the municipal ordinance approving the municipally approved program to the county planning board. This action shall constitute creation of a municipally approved program.

f. Upon receipt of a recommendation by the governing body to conditionally approve the petition with proposed geographical modifications, the board shall review the recommendation for conformance with minimum eligibility criteria. If the board finds that the criteria have been met and that the proposed modifications encourage agriculture retention and development to the greatest practicable extent, the petition shall be forwarded and adopted pursuant to subsection e. of this section.

g. Upon receipt of a recommendation by the governing body to disapprove the petition, the board shall take no further action and the proposed municipally approved program shall not be adopted.

h. If the governing body proposes modifications to the petition which exclude any land from being included within a municipally approved program, the owner thereof may request that the board mediate on behalf of the landowner with the municipal governing body prior to acting on the recommendation thereof. The land-
owner may request mediation by the committee with respect to any action taken by the board.

i. If any municipal governing body fails to act on a petition to create a municipally approved program within the time prescribed in subsection d. of this section, the board or the landowner may appeal to the committee to intervene, and the committee may approve or disapprove a petition for the creation of a municipally approved program pursuant to the provisions of this section.

j. The board shall advise owners of any land contiguous to the proposed municipally approved program that a petition has been received, solicit opinions concerning inclusion of this land and, if the board deems appropriate, encourage the inclusion of the land in the municipally approved program.

Any landowner not included in the municipally approved program as initially created may, within 2 years following the creation date, request inclusion, and upon review by the board and municipal governing body, and a finding that this inclusion is warranted, become part of the municipally approved program; provided that the landowner enters into an agreement pursuant to section 17 of this act for the remaining duration of the municipally approved program.

C. 4:16-22 Documentation.

15. The creation of a municipally approved program shall be documented in the following manner:

a. The petition in its final form shall be filed and recorded, in the same manner as a deed, with the county clerk and shall be filed with the municipal clerk;

b. The petition, the municipal ordinance of adoption and the county resolution or ordinance of adoption, as the case may be, shall be filed with the committee; and

c. The petition in its final form shall be filed with the municipal tax assessor for the purpose of qualifying for the exemption from property taxation on new farm structures and improvements within the municipally approved program, as authorized and provided in the Constitution.

The documentation of the creation of the municipally approved program as prescribed herein shall in no way be construed to constitute or in any other way authorize exclusive agricultural zoning.

C. 4:16-23 Exclusive zoning limited.

16. Notwithstanding the provisions of P. L. 1975, c. 291 (C. 40:55D-1 et seq.) or any other law, rule or regulation to the con-
trary, no municipality shall alter its zoning ordinance as it pertains to land included within a municipally approved program in any way so as to provide for exclusive agricultural zoning or zoning which has the practical effect of exclusive agricultural zoning for a period of 11 years from the date of the creation of the municipally approved program, unless all landowners within that municipally approved program who entered into an agreement pursuant to the provisions of section 17 of this act agree to that alteration by express written consent at the end of the minimum period required by section 17 of this act.

C. 4:1C-24 Restrictive covenant.

17. a. Landowners within a municipally approved program or other farmland preservation program shall enter into an agreement with the board, and the municipal governing body, if appropriate, to retain the land in agricultural production for a minimum period of 8 years. The agreement shall constitute a restrictive covenant and shall be filed with the municipal tax assessor and recorded with the county clerk in the same manner as a deed.

b. The landowner shall be eligible to apply to the local soil conservation district and the board for a grant for a soil and water conservation project approved by the State Soil Conservation Committee and to the board to sell a development easement on the land, subject to the provisions of this act.

c. The landowner or farm operator as an agent for the landowner may apply to the local soil conservation district and the board for a grant for a soil and water conservation project approved by the State Soil Conservation Committee on land included within a municipally approved program or other farmland preservation program and restricted by an agreement entered into pursuant to subsection a. of this section.

d. Approval by the local soil conservation district and the board for grants for soil and water conservation projects shall be contingent upon a written agreement by the person who would receive funds that the project shall be maintained for a specified period of not less than 3 years, and shall be a component of a farm conservation plan approved by the local soil conservation district.

e. If the landowner applying for funds for a soil and water conservation project pursuant to this section provides 50% of those funds without assistance from the county, the local soil conservation district shall review, approve, conditionally approve or disapprove the application. The committee shall certify that the land on which the soil and water conservation project is to be conducted is part
CHAPTER 32, LAWS OF 1983 111

of a municipally approved program or other farmland preservation
program and restricted by an agreement entered into pursuant to
the provisions of this section.

C. 4:1C-25 Declaration by Governor required.

18. The provisions of any law to the contrary notwithstanding,
no public body shall exercise the power of eminent domain for the
acquisition of land in a municipally approved program, nor shall
any public body advance a grant, loan, interest subsidy or other
funds within a municipally approved program for the construction
of dwellings, commercial facilities, transportation facilities, or
water or sewer facilities to serve nonfarm structures unless the
Governor declares that the action is necessary for the public
health, safety and welfare and that there is no immediately appar-
ent feasible alternative. If the Governor so declares, the provisions
of section 12 of this act shall apply.

C. 4:1C-26 Neither public nor private nuisance.

19. a. In all relevant actions filed subsequent to the effective
date of this act, there shall exist an irrebuttable presumption that
no agricultural operation, activity or structure which is conducted
or located within a municipally approved program and which
conforms to agricultural management practices approved by the
committee, and all relevant federal or State statutes or rules and
regulations adopted pursuant thereto and which does not pose a
direct threat to public health and safety shall constitute a public
or private nuisance, nor shall any such operation, activity or struc-
ture be deemed to otherwise invade or interfere with the use and
enjoyment of any other land or property.

b. In the event that any person wishes to file a complaint to
modify or enjoin an agricultural operation or activity under the
belief that the operation or activity violates the provisions of sub-
section a. of this section, that person shall, 30 days prior to insti-
tuting any action in a court of competent jurisdiction, petition the
board to act as an informal mediator.

c. The board shall, in the course of its regular or special meetings
but within 30 days of receipt of the petition, seek to facilitate the
resolution of any dispute. No statement or expression of opinion
made in the course of a meeting concerning the dispute shall be
deemed admissible in any subsequent judicial proceeding thereon.

C. 4:1C-27 Exempt from emergency restrictions.

20. The provisions of any law, rule, regulation or ordinance to
the contrary notwithstanding, agricultural activities on land in a
municipally approved program shall be exempt from any emergency restrictions instituted on the use of water and energy supplies unless the Governor declares that the public safety and welfare require otherwise.

C. 4:1C-28 Minimum construction standard.
21. a. The provisions of any law, rule, regulation or ordinance to the contrary notwithstanding, any criteria developed by a land grant college or a recognized organization of agricultural engineers and approved by the committee for farm structure design shall be the acceptable minimum construction standard for a farm structure located in a municipally approved program or other farmland preservation program.
   b. The use by a farm owner or operator of a farm structure design approved pursuant to subsection a. of this section shall, the provisions of any law, rule, regulation or ordinance to the contrary notwithstanding, be exempt from any requirement concerning the seal of approval or fee of an architect or professional engineer.

C. 4:1C-29 8-year minimum duration.
22. a. The municipally approved program shall remain in effect for a minimum of 8 years, provided that a review of the practicability and feasibility of its continuation shall be conducted by the board and the municipal governing bodies within the year immediately preceding the termination date of the municipally approved program.
   b. If subsequent to notification by the board, none of the parties to the agreement entered into pursuant to section 17 of this act notify the board within this 1 year period that they wish to terminate the municipally approved program, the municipally approved program shall continue in effect for another 8-year period and may continue for succeeding 8-year periods, provided that no notice of termination is received by the board during subsequent periods of review.
   c. Termination of the municipally approved program at the end of any 8-year period shall occur following the receipt by the board of any notice of termination. The municipal tax assessor shall be notified by the board if the municipally approved program is terminated.
   d. Nothing in this section shall be construed to preclude the reformation of a municipally approved program, as initially created pursuant to the provisions of this act.
   e. Any landowner not included in a municipally approved program may request inclusion at any time during the review con-
ducted pursuant to subsection a. of this section. If the board and the municipal governing body find that this inclusion would promote agricultural production, the inclusion shall be approved.

C. 4:1C-39 Withdrawal from program.

23. a. Withdrawal of land from the municipally approved program or other farmland preservation program prior to its termination date may occur in the case of death or incapacitating illness of the owner or other serious hardship or bankruptcy, following a public hearing conducted pursuant to the “Open Public Meetings Act,” P. L. 1975, c. 231 (C. 10:4-6 et seq.) and approval by the board and in the case of a municipally approved program, the municipal governing body, at a regular or special meeting thereof. The approval shall be documented by the filing with the county clerk and county planning board, by the board and municipal governing body, of a resolution or ordinance, as appropriate, therefor. The local tax assessor shall also be notified by the board of this withdrawal.

b. Following approval to withdraw from the municipally approved program, the affected landowner shall pay to the municipality, with interest at the rate imposed by the municipality for nonpayment of taxes pursuant to R. S. 54:4-67, any taxes not paid as a result of qualifying for the property tax exemption for new farm structures or improvements in the municipally approved program, as authorized and provided in the Constitution, and shall repay, on a pro rata basis as determined by the local soil conservation district, to the board or the committee, or both, as the case may be, any remaining funds from grants for soil and water conservation projects provided pursuant to the provisions of this act, except in the case of bankruptcy, death or incapacitating illness of the owner, where no such payback of taxes or grants shall be required.

C. 4:1C-31 Sale of development easement.

24. a. Any landowner applying to the board to sell a development easement pursuant to section 17 of this act shall offer to sell the development easement at a price which, in the opinion of the landowner, represents a fair value of the development potential of the land for nonagricultural purposes, as determined in accordance with the provisions of this act.

b. Any offer shall be reviewed and evaluated by the board and the committee in order to determine the suitability of the land for development easement purchase. Decisions regarding suitability shall be based on the following criteria:
(1) Priority consideration shall be given, in any one county, to offers with higher numerical values obtained by applying the following formula:

\[
\text{nonagricultural development value} - \frac{\text{agricultural value}}{\text{landowner's asking price}} = \text{nonagricultural value} - \frac{\text{agricultural development value}}{\text{value}}
\]

(2) The degree to which the purchase would encourage the survivability of the municipally approved program in productive agriculture; and

(3) The degree of imminence of change of the land from productive agriculture to nonagricultural use.

The board and the committee shall reject any offer for the sale of development easements which is unsuitable according to the above criteria and which has not been approved by the board and the municipality.

c. Two independent appraisals paid for by the board shall be conducted for each parcel of land so offered and deemed suitable. The appraisals shall be conducted by independent, professional appraisers selected by the board and the committee from among members of recognized organizations of real estate appraisers. The appraisals shall determine the current overall value of the parcel for nonagricultural purposes, as well as the current market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the development easement. If a development easement is purchased using moneys appropriated from the fund, the State shall provide 50% of the cost of the appraisals conducted pursuant to this section.

d. Upon receiving the results of the appraisals, the board and the committee shall compare the appraised value and the landowner’s offer and, pursuant to the suitability criteria established in subsection b. of this section:

(1) Approve the application to sell the development easement and rank the application in accordance with the criteria established in subsection b. of this section; or

(2) Disapprove the application, stating the reasons therefor.

e. Upon approval by the committee and the board, the secretary is authorized to provide the board, within the limits of funds appropriated therefor, an amount equal to 50% of the purchase price of the development easement, as determined pursuant to the
provisions of this section. The board shall match that amount and accept the landowner’s offer to sell the development easement. The acceptance shall cite the specific terms, contingencies and conditions of the purchase.

f. The landowner shall accept or reject the offer within 30 days of receipt thereof. Any offer not accepted within that time shall be deemed rejected.

g. Any landowner whose application to sell a development easement has been rejected for any reason other than insufficient funds may not reapply to sell a development easement on the same land within 2 years of the original application.

h. No development easement shall be purchased at a price greater than the appraised value determined pursuant to subsection c. of this section.

i. The appraisals conducted pursuant to this section or the fair market value of land restricted to agricultural use shall not be used to increase the assessment and taxation of agricultural land pursuant to the “Farmland Assessment Act of 1964,” P. L. 1964, c. 48 (C. 54:4-23.1 et seq.).

C. 4:1C-32 No conveyance.

25. a. No development easement purchased pursuant to the provisions of this act shall be sold, given, transferred or otherwise conveyed in any manner.

b. Upon the purchase of the development easement by the board, the landowner shall cause a statement containing the conditions of the conveyance and the terms of the restrictions on the use and development of the land to be attached to and recorded with the deed of the land, in the same manner as the deed was originally recorded. These restrictions and conditions shall state that any development for nonagricultural purposes is expressly prohibited, shall run with the land and shall be binding upon the landowner and every successor in interest thereto.

c. At the time of settlement of the purchase of a development easement, the landowner and the board may agree upon and establish a schedule of payment which provides that the landowner may receive consideration for the easement in a lump sum, or in installments over a period of up to 10 years from the date of settlement, provided that:

(1) If a schedule of installments is agreed upon, the State Comptroller shall retain in the fund an amount of money sufficient to pay the landowner pursuant to the schedule;
(2) The landowner shall receive annually interest on any unpaid balance remaining after the date of settlement. The interest shall accrue at a rate established in the installment contract.

C. 4:1C-33 Enforcement proceedings.
26. The committee or the board is authorized to institute, in the name of the State, any proceedings intended to enforce the conditions or restrictions on the use and development of land on which a development easement has been purchased pursuant to this act.

C. 4:1C-34 Sale to board.
27. Any person or organization acquiring a development easement, by purchase, gift or otherwise, may apply to sell that development easement to the board, provided that the land on which the development easement was acquired shall be subject to the conditions and provisions of this act and that the board and the committee make a determination to purchase the development easement in the manner prescribed in section 24 of this act.

C. 4:1C-35 Donations.
28. If a person wishes to donate all or a portion of the value of the development easement to the board, the value of the donation shall be appraised pursuant to the provisions of section 24 of this act. For the purpose of qualifying for State funds, pursuant to the provisions of this act, the county may make up the difference between the appraised value of the donation and 50% of the total appraised value of the easement.

C. 4:1C-36 Pinelands area.
29. Nothing herein contained shall be construed to prohibit the creation of a municipally approved program or other farmland preservation program, the purchase of development easements, or the extension of any other benefit herein provided on land, and to owners thereof, in the pinelands area, as defined pursuant to section 3 of P. L. 1979, c. 111 (C. 13:18A-3).

C. 4:1C-37 Joint oversight committee.
30. The Senate Natural Resources and Agriculture Committee and the Assembly Agriculture and Environment Committee are designated as the Joint Legislative Oversight Committee on Agricultural Retention and Development. The duties and responsibilities of the joint oversight committee shall be as follows:

a. To monitor the operation of the committee and its efforts to retain farmland in productive agricultural use and to recommend to the committee any rule, regulation, guideline, or revision thereto
which it deems necessary to effectuate the purposes and provisions of this act;

b. To review and evaluate the implementation of development easement purchases on agricultural land;

c. To review and evaluate all relevant existing and proposed statutes, rules, regulations and ordinances, so as to determine their individual effect upon the conduct of agricultural activities in this State; and

d. To recommend to the Legislature any legislation which it deems necessary in order to effectuate the purposes of this act.

31. There is appropriated to the Department of Agriculture from the fund the sum of $10,000,000.00, or so much thereof as may be necessary, in order to defray the cost of acquisition of development easements and the funding of soil and water conservation projects, in accordance with the provisions of this act. Any portion of this sum which is not expended for these purposes within 2 years of the effective date of this act shall revert to the fund to be used, subject to appropriation, in accordance with the provisions of the “Farmland Preservation Bond Act of 1981,” P.L. 1981, c. 276.

32. This act shall take effect immediately, but shall remain inoperative until the “Right to Farm Act,” P.L. 1983, c. 31 (C. 4:1C-1 et al.), is enacted and becomes effective.

Approved January 26, 1983.

CHAPTER 33

AN ACT concerning certain moneys received by persons accused of crimes and supplementing the “Criminal Injuries Compensation Act of 1971,” approved October 4, 1971 (P.L. 1971, c. 317; C.52:4B-1 et seq.).

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 52:4B-26 Void contracts.

1. The Legislature finds and declares that every contract with a person convicted or accused of a crime in this State or an agent, assignee, beneficiary, conservator, executor, guardian, representative, relative, friend, associate or conspirator of a person convicted
or accused of a crime in this State, with respect to the reenactment of the crime, by way of a movie, book, magazine article, other literary expression, recording, radio or television presentation, live entertainment or presentation of any kind, or from the expression of the person's thoughts, feelings, opinions or emotions regarding the crime is contrary to public policy and void unless the contract provides for payment of the moneys in escrow to the Violent Crimes Compensation Board in accordance with the procedures set forth in this act.

C. 52:4B-27 Victim, representative.

2. As used in this act:

a. "Victim" means any person who suffers personal injury or death or incurs loss of or injury to personal or real property as a result of the crime;

b. "Victim's representative" means one who represents or stands in the place of a victim, including but not limited to a spouse, parent, relative, guardian, dependent, heir, or executor.

C. 52:4B-28 Escrow account.

3. Every person, firm, corporation, partnership, association or other legal entity contracting with a person convicted or accused of a crime in this State or an agent, assignee, beneficiary, conservator, executor, guardian, representative, relative, friend, associate or conspirator of a person convicted or accused of a crime in this State, with respect to the reenactment of the crime, by way of a movie, book, magazine article, other literary expression, recording, radio or television presentation, live entertainment or presentation of any kind, or from the expression of the person's thoughts, feelings, opinions or emotions regarding the crime, shall submit a copy of the contract to the board and shall pay over to the board all moneys which would otherwise, by terms of the contract, be owing the person convicted or accused of a crime in this State or an agent, assignee, beneficiary, conservator, executor, guardian, representative, relative, friend, associate or conspirator of a person convicted or accused of a crime in this State. The board shall deposit these moneys in an interest bearing escrow account for the benefit of and payable to any victim of the convicted or accused person or the victim's representative, provided that the person is eventually convicted of the crime and that the victim or victim's representative brings, within five years of the date of the establishment of the escrow account, a civil action for damages resulting from the crime, or has already obtained a judgment for damages resulting from the crime, in a court of
competent jurisdiction and files notice of such action with the board and recovers a money judgment for damages resulting from the crime against the person or an agent, assignee, beneficiary, conservator, executor, guardian, representative, relative, friend, associate or conspirator of a person convicted or accused of a crime in this State.

C. 52:4B-29 Notification.

4. The board, if the victim or victims are identifiable, shall notify these persons that such escrow moneys are available to satisfy money judgments under this act. The board, if the victim or victims are not identifiable or cannot be located, shall, at least once every six months for five years from the date it receives these moneys, cause to have published a legal notice in newspapers of general circulation in each county of the State advising that such escrow moneys are available to satisfy money judgments under this act.

C. 52:4B-30 Priorities.

5. a. If a person is not convicted of committing a crime, the board shall immediately pay over all moneys in the escrow account to the person, subject to any outstanding or pending liens or judgments. If the person is convicted, the board shall pay over the moneys according to the following priorities:

(1) Civil judgments of the victim or the victim's representative, which shall be apportioned among these judgment holders, if there is insufficient money in the account to pay each judgment in full. Any money received by the victim or the victim's representative as a result of a judgment in a prior civil action relating to the crime shall be set off against any amount due to be paid from the fund.

(2) Restitution ordered by the court, pursuant to the New Jersey Code of Criminal Justice.

(3) Other judgment creditors of the accused.

(4) Reasonable costs incurred by the Violent Crimes Compensation Board in connection with the administration of the provisions of this act.

(5) The remainder of the moneys in the escrow account shall be paid to the Violent Crimes Compensation Board for use in satisfying claims filed pursuant to the “Criminal Injuries Compensation Act of 1971,” P. L. 1971, c. 317 (C. 52:4B-1 et seq.). If there is a dispute as to the respective priority of or the apportionment due a judgment creditor, the board shall apply to Superior
Court for a declaratory judgment, with proper notice given to all parties.

b. No payment shall be made pursuant to subsection a. (5) until five years have elapsed from establishment of the escrow account or final disposition of any action brought by any victim or victim's representative pursuant to this act.

c. Moneys in the escrow account shall not be subject to execution, levy, attachment or lien, except in accordance with the priority of claims established in subsection a.

C. 52:4B-31 5-year period.
6. Notwithstanding any inconsistent provision of the civil practice law and rules with respect to the timely bringing of an action, the five year period provided for in this act shall not begin to run until an escrow account has been established.

C. 52:4B-32 Payments to accused.
7. Notwithstanding the foregoing provisions of this act, the board shall make payments from an escrow account to a person accused of crime, upon the order of a court of competent jurisdiction, after a showing by the person that a reasonable amount of these moneys shall be used for the exclusive purpose of retaining legal representation at any stage of the criminal proceedings against the person, including the appeal process.

C. 52:4B-33 Void actions.
8. Any action taken by a person convicted of a crime, whether by way of execution of a power of attorney, creation of corporate entities or otherwise, to defeat the purpose of this act shall be void as against the public policy of this State.

9. This act shall take effect immediately.

Approved January 26, 1983.

59.1. As used in this article, unless the context indicates another meaning or intent:

(a) “Adjustment year” means the year in which the respective obligations of the intermunicipal account and the constituent municipalities of the district are due and payable.

(b) “Intermunicipal account” means the administrative device established and administered by the commission to record all the transactions made pursuant to this article for the purpose of calculating the meadowlands adjustment payment for each constituent municipality, and to act as the clearinghouse for the transfer of the meadowlands adjustment payments among the constituent municipalities as required by this article.

(c) “Meadowlands adjustment payment” means the amount that is payable by each constituent municipality to the intermunicipal account, or the amount that is payable by the intermunicipal account to each municipality, as the commission shall determine the case to be, pursuant to the provisions of this article.

(d) “Resident enrollment” means the number of full-time pupils who are residents of the school district and who are enrolled in day schools on the last day of September during the school year in which calculation of aid is made and are attending the public schools of the school district or a school district or State teachers' college demonstration school in which the school district of residence pays tuition; school district may count in its enrollment any pupil regularly attending on a full-time basis a county vocational school in the same county, for which the school district pays tuition.

(e) “Base year” means the calendar year 1970.

(f) “Comparison year” means the second calendar year preceding the adjustment year.

(g) “Apportionment rate” means a rate determined as follows:

(1) The total property taxes levied for local, school, and veteran and senior citizens’ purposes, as certified pursuant to R. S. 54:4-52, of the municipality in the comparison year, divided by
(2) The aggregate true value of all taxable real property, exclusive of Class II railroad property, located in the municipality, both within and without the district, in the comparison year, as determined by the Director of the Division of Taxation on October 1 of the comparison year, pursuant to P. L. 1954, c. 86, as amended, as the same may have been modified by the tax court.

3. Section 65 of P. L. 1968, c. 404 (C. 13:17-67) is amended to read as follows:

C. 13:17-67 Aggregate true value.
65. (a) As used in this section, except as otherwise specifically provided:

(1) The increase or decrease in aggregate true value of taxable real property for any adjustment year shall be the difference between:

(i) The aggregate true value of that portion of taxable real property, exclusive of Class II railroad property, in the municipality located within the district in the comparison year, and

(ii) The aggregate true value of said property in the base year.

(2) Aggregate true value of all taxable real property shall be determined by aggregating the assessed value of all real property within the district boundaries in each constituent municipality, and dividing said total by the average assessment ratio as promulgated by the Director of the Division of Taxation in the Department of the Treasury for State school aid purposes on October 1 of the respective years for which aggregate true value is to be determined, pursuant to P. L. 1954, c. 86, as amended, as the same may have been modified by the tax court.

(3) For the purpose of calculating aggregate true value, the assessed value of taxable real property for any given year shall comprise:

(i) The assessed value shown on the assessment duplicate for such year, as certified by the county board of taxation and reflected in the county table of aggregates prepared pursuant to R. S. 54:4-52, as the same may be modified by the county board of taxation upon appeal, plus

list for such year, as the same may be modified by the county board of taxation upon appeal, plus

(iii) The assessed values pertaining to such year, as certified by the county board of taxation on or about October 10, with respect to the assessor's omitted property assessment list for such year, as the same may be modified by the county board of taxation upon appeal.

(b) The amount payable to the intermunicipal account by each constituent municipality in any adjustment year shall be determined in the following manner: the apportionment rates calculated for the comparison year shall be multiplied by the increase, if any, in aggregate true value of taxable real property for such year; provided, however, that the amount payable to the intermunicipal account shall be limited to 10% of the amount so calculated in the adjustment year 1973 and shall increase 4 percentage points a year until 50% of the amount so calculated is paid into the intermunicipal account in the adjustment year 1983 and thereafter.

(c) If, during any comparison year, a constituent municipality has received a payment in lieu of real estate taxes on property located within the district, then, for the purpose of calculating the increase or decrease in the municipality's aggregate true value under subsection (a) (1) of this section, there shall be added to the aggregate true value otherwise determined for such comparison year an amount determined by dividing the amount of said in lieu payment by the municipal tax rate for the comparison year and dividing the result by the average assessment ratio for school aid purposes as promulgated by the Director of the Division of Taxation, as same may have been modified by the tax court.

4. Section 18 of P. L. 1970, c. 326 (C. 40:48C-18) is amended to read as follows:

S. 54:48-1 et seq., within 90 days after date of such decision, order, finding, or assessment, in accordance with the provisions of the State Tax Uniform Procedure Law, R. S. 54:48-1 et seq.

45. R. S. 54:46-2 is amended to read as follows:

**Refund.**

54:46-2. If by the decision or order of the tax court, or of any court of competent jurisdiction, the taxpayer shall be adjudged to be entitled to a refund, it shall be paid by the treasurer, upon presentation to him by the taxpayer of a certified copy of such decision or order, out of the tax moneys paid to him pursuant to the provisions of this subtitle.

46. R. S. 54:48-1 is amended to read as follows:

**Short title.**

54:48-1. This subtitle may be cited as the State Tax Uniform Procedure Law.

47. Section 5 of P. L. 1975, c. 387 (C. 54:53-5) is amended to read as follows:

**C. 54:53-5 Closing agreements.**

5. A request for a closing agreement which relates to a prior taxable period may be submitted at any time before a case with respect to the tax liability involved is filed with the tax court. All requests for closing agreements shall be submitted on forms prescribed by the Director of the Division of Taxation. The procedure with respect to applications for entering into closing agreements shall be pursuant to such rules as may be promulgated from time
to time by the Director of the Division of Taxation in accordance with the provisions of this act.

48. N. J. S. 54A:9–10 is amended to read as follows:

Review of director's decision.

54A:9–10. Review of director's decision. (a) Appeal to tax court. Any aggrieved taxpayer may, within 90 days after any decision, order, finding, assessment or action of the Director of the Division of Taxation made pursuant to the provisions of this act, appeal therefrom to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R. S. 54:48–1 et seq.

(b) Appeal exclusive remedy of taxpayer. The appeal provided by this section shall be the exclusive remedy available to any taxpayer for review of a decision of the director in respect of the determination of the liability of the taxpayer for the taxes imposed by this act.

(c) Credit, refund or abatement after review. If the amount of a deficiency determined by the director is disallowed in whole or in part, the amount so disallowed shall be credited or refunded to the taxpayer, without the making of claim therefor, or, if payment has not been made, shall be abated.

(d) Date of finality of director's decision. A decision of the director shall become final upon the expiration of the period specified in subsection (a) for filing a complaint with the tax court, if no such complaint has been filed within such time, or if such complaint has been duly made, upon expiration of the time for all further appeals, or upon the rendering by the director of a decision in accordance with the mandate of the tax court or the courts on appeal. Notwithstanding the foregoing, for the purpose of forming a complaint, the decision of the director shall be deemed final on the date the notice of decision is sent by mail to the taxpayer.

49. N. J. S. 54A:9–14 is amended to read as follows:

Jeopardy assessment.

54A:9–14. Jeopardy assessment. (a) Authority for making. If the director believes that the assessment or collection of a deficiency will be jeopardized by delay, he shall, notwithstanding the provisions of N. J. S. 54A:9–2 and N. J. S. 54A:9–16, immediately assess such deficiency (together with all interest, penalties and additions to tax provided for by law), and notice and demand shall be made by the director for the payment thereof.
(b) Notice of deficiency. If the jeopardy assessment is made before any notice in respect of the tax to which the jeopardy assessment relates has been mailed under N. J. S. 54A:9-2, then the director shall mail a notice under such section within 60 days after the making of the assessment.

(c) Amount assessable before decision of director. The jeopardy assessment may be made in respect of a deficiency greater or less than of which notice is mailed to the taxpayer and whether or not the taxpayer has theretofore filed a petition with the director. The director may, at any time before rendering his decision, abate such assessment, or any unpaid portion thereof, to the extent that he believes the assessment to be excessive in amount. The director may in his decision redetermine the entire amount of the deficiency and of all amounts assessed at the same time in connection there-with.

(d) Amount assessable after decision of director. If the jeopardy assessment is made after the decision of the director is rendered, such assessment may be made only in respect of the deficiency determined by the director in his decision.

(e) Expiration of right to assess. A jeopardy assessment may not be made after the decision of the director has become final or after the taxpayer has filed a complaint with the tax court for review of the decision of the director.

(f) Collection of unpaid amounts. When a petition has been filed with the director and when the amount which should have been assessed has been determined by a decision of the director which has become final, then any unpaid portion, the collection of which has been stayed by bond, shall be collected as part of the tax upon notice and demand from the director, and any remaining portion of the assessment shall be abated. If the amount already collected exceeds the amount determined as the amount which should have been assessed, such excess shall be credited or refunded to the taxpayer as provided in N. J. S. 54A:9-7 without the filing of claim therefor. If the amount determined as the amount which should have been assessed is greater than the amount actually assessed, then the difference shall be assessed and shall be collected as part of the tax upon notice and demand from the director.

(g) Abatement if jeopardy does not exist. The director may abate the jeopardy assessment if he finds that jeopardy does not exist. Such abatement may not be made after a decision of the director in respect of the deficiency has been rendered or, if no pe-
petition is filed with the director, after the expiration of the period for filing such petition. The period of limitation on the making of assessments and levy or a proceeding for collection, in respect of any deficiency, shall be determined as if the jeopardy assessment so abated had not been made, except that the running of such period shall in any event be suspended for the period from the date of such jeopardy assessment until the expiration of the tenth day after the day on which such jeopardy assessment is abated.

(h) Bond to stay collection. The collection of the whole or any amount of any jeopardy assessment may be stayed by filing with the director, within such time as may be fixed by regulation, a bond in an amount equal to the amount as to which the stay is desired, conditioned upon the payment of the amount (together with interest thereon) the collection of which is stayed at the time at which, but for the making of the jeopardy assessment, such amount would be due. Upon the filing of the bond the collection of so much of the amount assessed as is covered by the bond shall be stayed. The taxpayer shall have the right to waive such stay at any time in respect of the whole or any part of the amount covered by the bond, and if as a result of such waiver any part of the amount covered by the bond is paid, then the bond shall, at the request of the taxpayer, be proportionately reduced. If any portion of the jeopardy assessment is abated, or if a notice of deficiency under N. J. S. 54A:9-2 is mailed to the taxpayer in a lesser amount, the bond shall, at the request of the taxpayer, be proportionately reduced.

(i) Petition to director. If the bond is given before the taxpayer has filed his petition under N. J. S. 54A:9-9, the bond shall contain a further condition that if a petition is not filed within the period provided in such section, then the amount, the collection of which is stayed by the bond, will be paid on notice and demand at any time after the expiration of such period, together with interest thereon from the date of the jeopardy notice and demand to the date of notice and demand under this subsection. The bond shall be conditioned upon the payment of so much of such assessment (collection of which is stayed by the bond) as is not abated by a decision of the director which has become final. If the director determines that the amount assessed is greater than the amount which should have been assessed, then the bond shall, at the request of the taxpayer, be proportionately reduced when the decision of the director is rendered.

(j) Stay of sale of seized property pending director's decision.
Where a jeopardy assessment is made, the property seized for the collection of the tax shall not be sold—

(1) If subsection (b) is applicable, prior to the issuance of the notice of deficiency and the expiration of the time provided in N.J.S. 54A:9-9 for filing a petition with the director, and

(2) If a petition is filed with the director (whether before or after the making of such jeopardy assessment), prior to the expiration of the period during which the assessment of the deficiency would be prohibited if subsection (a) were not applicable.

Such property may be sold if the taxpayer consents to the sale, or if the director determines that the expenses of conservation and maintenance will greatly reduce the net proceeds, or if the property is perishable.

(k) Interest. For the purpose of subsection (a) of N.J.S. 54A:9-5, the last date prescribed for payment shall be determined without regard to any notice and demand for payment issued under this section prior to the last date otherwise prescribed for such payment.

(1) Early termination of taxable year. If the director finds that a taxpayer designs quickly to depart from this State or to remove his property therefrom, or to conceal himself or his property therein, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect the income tax for the current or the preceding taxable year unless such proceedings he brought without delay, the director shall declare the taxable period for such taxpayer immediately terminated, and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the preceding taxable year or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes shall thereupon become immediately due and payable. In any proceeding brought to enforce payment of taxes made due and payable by virtue of the provisions of this subsection, the finding of the director made as herein provided, whether made after notice to the taxpayer or not, shall be for all purposes presumptive evidence of jeopardy.

(m) Reopening of taxable period. Notwithstanding the termination of the taxable period of the taxpayer by the director, as provided in subsection (l), the director may reopen such taxable period each time the taxpayer is found by the director to have
received income, within the current taxable year, since the termination of such period. A taxable period so terminated by the director may be reopened by the taxpayer if he files with the director a true and accurate return of taxable income and credits allowed under this act for such taxable period, together with such other information as the director may by regulation prescribe.

(n) Furnishing of bond where taxable year is closed by the director. Payment of taxes shall not be enforced by any proceedings under the provisions of subsection (1) prior to the expiration of the time otherwise allowed for paying such taxes if the taxpayer furnishes, under regulations prescribed by the director, a bond to insure the timely making of returns with respect to, and payment of, such taxes or any income taxes for prior years.

50. Section 13 of P. L. 1979, c. 114 (C. 2A:3A-4.2) is amended to read as follows:

C. 2A:3A-4.2 Filing fee.
13. Upon the filing or entering of the first paper or proceeding in any action or proceeding in the tax court, the plaintiff or any person filing a counterclaim shall pay to the clerk of the court, for use of the State, $75.00 for the first paper filed by him, which shall cover all fees payable therein, except a lesser fee may be provided by rule of court and, except further that a taxing district shall not be required to pay a filing fee upon the filing of a counterclaim or upon the filing of any responsive pleading. Other or additional fees may be established by rules of court. Except where a lesser fee is provided by law or rule of court that fee shall be paid. The foregoing fees shall not be applicable to any proceeding in the small claims division. The fees in the small claims division shall be established pursuant to rules of court.

C. 54:3-26a County board action.
51. (New section) Any action or determination of a county board of taxation may be reviewed by the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R. S. 54:48-1 et seq.

C. 54:3-26b Tax court review.
52. (New section) Any party who is dissatisfied with the judgment of the county board of taxation may seek review of that judgment in the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R. S. 54:48-1 et seq.

C. 5:12-89 Licensing of casino key employees.

89. Licensing of Casino Key Employees. a. No person may be employed as a casino key employee unless he is the holder of a valid casino key employee license issued by the commission.

b. Each applicant must, prior to the issuance of any casino key employee license, produce information, documentation and assurances concerning the following qualification criteria:

(1) Each applicant for a casino key employee license shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence the financial stability, integrity and responsibility of the applicant, including but not limited to bank references, business and personal income and disbursements schedules, tax returns and other reports filed with governmental agencies, and business and personal accounting and check records and ledgers. In addition, each applicant shall, in writing, authorize the examination of all bank accounts and records as may be deemed necessary by the commission or the division.

(2) Each applicant for a casino key employee license shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence the applicant's reputation for good character, honesty and integrity. Such information shall include, without limitation, data pertaining to family, habits, character, criminal and arrest record, business activities, financial affairs, and business, professional and personal associates, covering at least the 10-year period immediately preceding the filing of the application. Each applicant shall notify the commission of any civil judgments obtained against such applicant pertaining to antitrust or security regulation laws of the Federal Government, of this State or of any other state, jurisdiction, province or country. In addition, each applicant shall, upon request of the commission or the division, produce letters of refer-
ence from law enforcement agencies having jurisdiction in the applicant’s place of residence and principal place of business, which letters of reference shall indicate that such law enforcement agencies do not have any pertinent information concerning the applicant, or if such law enforcement agency does have information pertaining to the applicant, shall specify what that information is. If the applicant has been associated with gaming or casino operations in any capacity, position or employment in a jurisdiction which permits such activity, the applicant shall, upon request of the commission or division, produce letters of reference from the gaming or casino enforcement or control agency, which shall specify the experience of such agency with the applicant, his associates and his participation in the gaming operations of that jurisdiction; provided, however, that if no such letters are received from the appropriate law enforcement agencies within 60 days of the applicant’s request therefor, the applicant may submit a statement under oath that he is or was during the period such activities were conducted in good standing with such gaming or casino enforcement or control agency.

(3) Each applicant shall produce such information, documentation and assurances as may be required to establish by clear and convincing evidence that the applicant has sufficient business ability and casino experience as to establish the reasonable likelihood of success and efficiency in the particular position involved.

(4) Each applicant shall be a resident of the State of New Jersey prior to the issuance of a casino key employee license; provided, however, that upon petition by the holder of a casino license, the commission may waive this residency requirement for any applicant whose particular position will require him to be employed outside the State.

The commission may also, by regulation, require that all applicants for casino key employee licenses be residents of this State for a period not to exceed six months immediately prior to the issuance of such license, but application may be made prior to the expiration of the required period of residency. The commission shall, by resolution, waive the required residency period for an applicant upon a showing that the residency period would cause undue hardship upon the casino licensee which intends to employ said applicant, or upon a shewing of other good cause.

c. The commission shall endorse upon any license issued hereunder the particular positions as defined by this act or by regulation which the licensee is qualified to hold.
d. The commission shall deny a casino key employee license to any applicant who is disqualified on the basis of the criteria contained in section 86 of this act.

e. Upon petition by the holder of a casino license or the holder of a temporary casino permit, the commission may, no earlier than 30 days after the date of the petition, issue a temporary license to an applicant for a casino key employee license, provided that:

(1) The applicant for the casino key employee license has filed a complete application as required by the commission;

(2) The division certifies to the commission that the complete casino key employee license application as specified in paragraph (1) of this subsection has been in the possession of the division for at least 30 days;

(3) The information provided by the applicant indicates that the applicant meets the requirements of subsection b. (3) of this section;

(4) The petition for a temporary casino key employee license certifies, and the commission finds, that an existing casino key employee position of the petitioner is vacant and that the issuance of a temporary key employee license is necessary to fill the said vacancy on an emergency basis to continue the efficient operation of the casino, and that such circumstances are extraordinary and not designed to circumvent the normal licensing procedures of this act;

(5) The division does not object to the issuance of the temporary casino key employee license.

In the event that an applicant for a casino key employee license is the holder of a valid casino employee license issued pursuant to section 90 of this act, and if the provisions of paragraphs (1), (2), (3), and (5) of this subsection are satisfied, the commission may issue a temporary casino key employee license upon petition by the holder of a casino license or the holder of a temporary casino permit, if the commission finds the issuance of a casino key employee license will be delayed by necessary investigations and the said temporary casino key employee license is necessary for the operation of the casino.

Unless otherwise terminated pursuant to this act, any temporary casino key employee license issued pursuant to this subsection shall expire six months from the date of its issuance, and shall be renewable by the commission, in the absence of objection by the
State. Failure to establish or maintain compliance with the requirements of this subsection shall constitute sufficient cause for the denial, suspension or revocation of any license issued pursuant to this section.

e. An applicant for junket representative or junket enterprise licensure may be issued a temporary license by the commission, provided that:

(1) The applicant for licensure has filed a complete application as required by the commission;

(2) The division either certifies to the commission that the complete application for licensure as specified in paragraph (1) of this subsection has been in the possession of the division for at least 45 days or agrees to allow the commission to consider the application in some lesser time; and

(3) The division does not object to the temporary licensure of the applicant; provided, however, that failure of the division to object prior to the temporary licensure of the applicant shall not be construed to reflect in any manner upon the qualifications of the applicant for licensure.

In addition to any other authority granted by this act, the commission shall have the authority, upon receipt of a representation by the division that it possesses information which raises a reasonable possibility that a junket representative or enterprise does not qualify for licensure, to immediately suspend, limit or condition any temporary license issued pursuant to this subsection, pending a hearing on the qualification of the junket representative or enterprise, in accordance with the provisions of this act. Unless otherwise agreed by the commission and the junket representative or enterprise, such a hearing shall be initiated no later than 60 days after commission receipt of a demand for the hearing from the junket representative or enterprise.

Unless otherwise terminated pursuant to this act, any temporary license issued pursuant to this subsection shall expire 12 months from the date of its issuance, and shall be renewable by the commission, in the absence of an objection by the division, as specified in paragraph (3) of this subsection, for one additional six month period.

f. Every agreement concerning junkets entered into by a casino licensee and a junket representative or junket enterprise shall be deemed to include a provision for its termination without liability on the part of the casino licensee, if the commission orders the
termination upon the suspension, limitation, conditioning, denial or
revocation of the licensure of the junket representative or junket
enterprise, in accordance with the provisions of this act. Failure to
expressly include such a condition in the agreement shall not con-
stitute a defense in any action brought to terminate the agreement.

g. A casino licensee shall be responsible for the conduct of any
junket representative or junket enterprise associated with it and
for the terms and conditions of any junket engaged in on its
premises, regardless of the fact that the junket may involve persons
not employed by such a casino licensee.

h. A casino licensee shall be responsible for any violation or
deviation from the terms of a junket. Notwithstanding any other
provisions of this act, the commission may, after hearings in ac-
cordance with this act, order restitution to junket participants,
assess penalties for such violations or deviations, prohibit future
junkets by the casino licensee, junket enterprise or junket repre-
sentative, and order such further relief as it deems appropriate.

i. The commission shall, by regulation, prescribe methods, pro-
cedures and forms for the delivery and retention of information
concerning the conduct of junkets by casino licensees. Without
limitation of the foregoing, each casino licensee, in accordance with
the rules of the commission, shall:

(1) Maintain on file a report describing the operation of any
junket engaged in on its premises, which report may include ac-
knowledgments by the participants, signed on the date of arrival,
that they understand the terms of the particular junket;

(2) Submit to the commission and division a report on those ar-
rangements which would be junkets but for the fact that those
arrangements do not include a selection or approval of participants
in accordance with the terms of section 29 of P. L. 1977, c. 110 (C.
5:12-29); and

(3) Submit to the commission and division a list of all its em-
ployees who are acting as junket representatives but whose licenses
are not endorsed as such.

j. Each casino licensee, junket representative or junket enterprise
shall, in accordance with the rules of the commission, file a
report with the division with respect to each list of junket patrons
or potential junket patrons purchased directly or indirectly by the
casino licensee, junket representative or enterprise.

k. The commission shall have the authority to determine, either
by regulation or upon petition by the holder of a casino license,
that a type of arrangement otherwise included within the defini-
tion of "junket" established by section 29 of P. L. 1977, c. 110 (C. 5:12-29) shall not require compliance with any or all of the requirements of this section. The commission shall seek the opinion of the division prior to granting any exemption. In granting exemptions, the commission shall consider such factors as the nature, volume and significance of the particular type of arrangement, and whether the exemption would be consistent with the public policies established by this act. In applying the provisions of this subsection, the commission may condition, limit, or restrict any exemption as the commission may deem appropriate.

1. No junket enterprise or junket representative or person acting as a junket representative may:

   (1) Engage in efforts to collect upon checks that have been returned by banks without full and final payment; or

   (2) Exercise approval authority with regard to the authorization or issuance of credit pursuant to section 101 of P. L. 1977, c. 110 (C. 5:12-101).

m. Each casino licensee shall maintain a regulated complimentary service account and shall submit a quarterly report to the commission based upon such account and covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. Such reports shall include identification of the regulated complimentary services and their respective costs, the number of persons by category of service who received same, and such other information as the commission may require.

n. As used in this subsection, "person" means any State officer or employee subject to financial disclosure by law or executive order and any other State officer or employee with responsibility for matters affecting casino activity; any special State officer or employee with responsibility for matters affecting casino activity; the Governor; any member of the Legislature or full-time member of the Judiciary; any full-time professional employee of the Office of the Governor, or the Legislature; the head of a principal department; the assistant or deputy heads of a principal department, including all assistant and deputy commissioners; the head of any division of a principal department; any member of the governing body, or the municipal judge or the municipal attorney of a municipality wherein a casino is located; any member of or attorney for the planning board or zoning board of adjustment of a municipality wherein a casino is located, or any professional

planner or consultant regularly employed or retained by such planning board or zoning board of adjustment.

No casino applicant or licensee shall provide directly or indirectly to any person any complimentary service or discount which is other than such service or discount that is offered to members of the general public in like circumstance.

c. (1) Any person who, on the effective date of this 1983 amendatory and supplementary act, holds a current and valid junket representative license or a casino service industry license pursuant to subsection a. of section 92 of P. L. 1977, c. 110 (C. 5:12-92) authorizing the conduct of junket activities, shall be considered licensed in accordance with the provisions of this section as a junket representative or junket enterprise, respectively, for the remaining term of their current license.

(2) Any person who, prior to the effective date of this 1983 amendatory and supplementary act, has filed a complete application as required by the commission for a junket representative casino key employee license or a casino service industry license pursuant to subsection a. of section 92 of P. L. 1977, c. 110 (C. 5:12-92) authorizing the conduct of junket activities, may be issued a temporary license in accordance with the provisions of this section as a junket representative or junket enterprise, respectively, if the commission finds that the requirements of paragraphs (1) through (3) of subsection e. of this section have been satisfied.

(3) Any person who, prior to the effective date of this 1983 amendatory and supplementary act, has filed a complete application as required by the commission for a junket representative casino employee license or a junket enterprise license, may be issued a temporary license in accordance with the provisions of this section as a junket representative or junket enterprise, respectively, if the commission finds that the requirements of paragraphs (2) and (3) of subsection e. of this section have been satisfied.

8. This act shall take effect immediately.

If the tax court shall determine that the appeal to the county board of taxation has been (1) withdrawn at the hearing, or previously thereto in writing by the appellant or his agent; (2) dismissed because of appellant's failure to prosecute the appeal at a hearing called by the county tax board; (3) settled by mutual consent of the taxpayer and assessor of the taxing district, there shall be no review. This provision shall not preclude a review by the tax court in the event that the appeal was "dismissed without prejudice" by the county board of taxation.

54:51A-4. Review and revision of equalization tables. a. A county equalization table may be reviewed by the tax court on complaint of any taxing district or taxpayer in the county, or on its own motion, but the review shall not suspend the apportionment of moneys or collection of taxes. No change shall be made in the table except after a hearing in the county, of which 5 days’ notice shall be given by mail to the governing body of each taxing district. If, after the hearing, the tax court shall determine that the aggregate valuation of any district or districts as fixed by the county board was erroneous, it shall revise and correct the equalization table, and ascertain the difference between the amount of State and county taxes actually charged against each district in the county or distributed to it and the amount which should have been charged or distributed according to the corrected table and enter judgment accordingly. The difference shall be debited or credited, as the case may be, to each taxing district on account of its share of State and county taxes next due or distributable, as the case may be. The tax court may make all orders necessary to carry out the provisions of this section, but the review shall be completed before September 10, annually. A certified copy of the revised and corrected table shall be transmitted to each official or board to whom the original table was required to be transmitted and also to the Director of the Division of Taxation in the Department of the Treasury.

b. The State equalization table, other than the equalization table promulgated pursuant to section 1 of P. L. 1954, c. 86 (C. 54:1-35.1), may be reviewed by the tax court on complaint of any county, filed with it within 45 days after the table has been filed with it, or on its own motion, but the review shall not suspend the apportionment of moneys or collection of taxes. No change shall be made in the table except after a hearing, of which 5 days’ notice shall be given by mail to the county board of taxation and the governing body of each county. If after the hearing the tax court shall determine that the aggregate valuation of any county as fixed by the Director of the Division of Taxation was erroneous, the tax court shall revise and correct the State equalization table, and then ascertain the difference between the amount of State taxes actually charged against each district in the county, and the State moneys paid the county, or district, and the amount which should have been charged or paid according to the corrected table. The difference shall be debited or credited, as the case may be, to each county or district on account of its share of State taxes or State moneys next due, and the tax court shall have the power to make all orders necessary to carry out the provisions of this section, but the review shall be completed before November 1, annually. A certified copy of the revised and corrected table shall be transmitted to each official or board to whom the original table was required to be transmitted and also to the director.

c. The State equalization table promulgated pursuant to section 1 of P. L. 1954, c. 86 (C. 54:1-35.1) may be reviewed by the tax court on complaint of any taxing district made within 45 days after its promulgation, or on its own motion, but such review shall not suspend the apportionment of school aid moneys. No change shall be made in the table except after hearing, of which five days’ notice shall be given by mail to the governing body of the taxing district. If, after the hearing, the tax court shall determine that the equalized valuation of any district or districts as fixed by the director was erroneous, it shall revise and correct the equalization table. Such hearings, review and revisions shall be completed by January 30 next following the promulgation of the table. A certified copy of the revised and corrected table shall be transmitted to each official or board to whom the original table was required to be transmitted and also to the Director of the Division of Taxation. In any such proceeding, the director shall be entitled to be heard, and the assessment ratios as promulgated shall be
presumed to be correct, and shall not be revised or modified by the
tax court unless the complainant district shall present proof that
upon all the evidence available such ratio or ratios could not rea-
sonably be justified.

notices and notice of withdrawal or dismissal of complaint. a. Ex-
cept as provided in R. S. 54:51A-1, a copy of the complaint shall
be served by the plaintiff upon the county board of taxation whose
judgment is the subject of the review, or its county tax adminis-
trator, and upon the assessor and the clerk of the taxing district,
who shall forthwith notify the collector and such other municipal
officials as the governing body shall direct of the content thereof.
Service of the copies shall be evidenced by affidavit upon the
original complaint filed with the tax court or service thereon

of affirmance, reversal, modification or otherwise, shall be sent to
the taxpayer and, at the same time, to the assessor and the clerk of
the taxing district, who shall forthwith notify the collector and the
county tax administrator of the county in which said taxing district

payer and, at the same time, to the assessor and the clerk of the
taxing district, who shall forthwith notify the collector and the
county tax administrator of the county in which the taxing district
is situated, of the withdrawal or dismissal of the complaint filed
with the tax court.

54:51A-6. Judgment revising taxable value of property; reduc-
tion of value; applicability of section. a. Whenever the tax court
is satisfied by the proofs that the ratio of the assessed valuation of
the subject property to its true value exceeds the upper limit or
falls below the lower limit of the common level range, it shall enter
judgment revising the taxable value of the property by applying
the average ratio to the true value of the property except as hereinafter provided.

b. If the average ratio is below the county percentage level and
the ratio of the assessed value of the subject property to its true
value exceeds the county percentage level, the tax court shall enter
judgment revising the taxable value of the property by applying
the average ratio to the true value of the property.

c. If both the average ratio and the ratio of the assessed value
of the subject property to its true value exceed the county per-
centage level, the tax court shall enter judgment revising the tax-
able value of the property by applying the county percentage level
to the true value of the property.

d. The provisions of this section shall not apply to any proceed-
ing to review an assessment of real property taken with respect to
the tax year in which the taxing district shall have completed and
put into operation a district-wide revaluation program approved
by the Director of the Division of Taxation pursuant to P. L. 1971,
c. 424 (C. 54:1-35.35 et seq.), or a reassessment program approved
by the county board of taxation.

54:51A-7. Correction of errors. The tax court may, upon the
filing of a complaint at any time during the tax year or within the
next 3 tax years thereafter, by a property owner, a municipality or
a county board of taxation, enter judgment to correct typographical
errors, errors in transposing, and mistakes in tax assessments,
provided that such complaint shall set forth the facts causing and
constituting the error or errors and mistake or mistakes, or either
thereof sought to be corrected and that such facts be verified by
affidavits submitted by the plaintiff. The tax court shall not consider
under this section any complaint relating to matters of valuation
involving an assessor’s opinion or judgment. Any complaint so
submitted shall contain a certification that a copy of the complaint
and all exhibits thereto have been filed with the county board, and
delivered upon the property owner or the municipality, or both, as may
be appropriate in the case of each plaintiff. Any party required to
receive a copy of the complaint pursuant to this section may file an
answer to the complaint with the tax court pursuant to rules of court. The tax court may require further proof and grant or deny the complaint as it may deem necessary or proper.

54:51A-8. Conclusiveness of judgment; changes in value; effect of revaluation program. Where a final judgment has been rendered by the tax court involving real property, the judgment shall be conclusive and binding upon the municipal assessor and the taxing district, parties to the proceeding, for the assessment year and for the 2 assessment years succeeding the assessment year covered by the final judgment, except as to changes in the value of the property occurring after the assessment date. Where those changes are alleged, the complaint shall specifically set forth the nature of the changes relied upon as the basis for the appeal. However, the conclusive and binding effect of the judgment shall terminate with the tax year immediately preceding the year in which a program for a complete revaluation of all real property within the district has been put into effect.

54:51A-15. Collection; bond; exception. a. Except as may otherwise be specifically provided, no complaint filed shall stay the collection of any tax or the enforcement thereof by entry of a judgment, unless by order of the tax court and then, unless the tax court shall otherwise so direct, only after security approved by the Director of the Division of Taxation has been furnished to the Director of the Division of Taxation. CHAPTER 46

An Act providing for an interstate compact regarding compliance
with motor vehicle laws, ordinances, and rules and regulations
by nonresident violators, between this State and other states.

WHEREAS, It is appropriate that this State and other states take
measures to ensure fair treatment of motorists in the various
jurisdictions and to encourage uniform compliance with the
motor vehicle laws of this State and various other jurisdictions, and

WHEREAS, This State desires to adopt the following compact,
entitled the "Nonresident Violator Compact," which shall be
entered into with all other jurisdictions legally joining therein,
now, therefore,

Be it enacted by the Senate and General Assembly of the State
of New Jersey:
C. 39:5F-1 Findings.

1. The party jurisdictions find that:
   a. In most instances, a motorist who is cited for a traffic violation in a jurisdiction other than his home jurisdiction:
      (1) Must post collateral or bond to secure appearance for trial at a later date; or
      (2) If unable to post collateral or bond, is taken into custody until the collateral or bond is posted; or
      (3) Is taken directly to court for his trial to be held.
   b. In some instances, the motorist’s driver’s license may be deposited as collateral to be returned after he has complied with the terms of the citation.
   c. The purpose of the practices described in subsections 1a. and b. above is to ensure compliance with the terms of a traffic citation by the motorist who, if permitted to continue on his way after receiving the traffic citation, could return to his home jurisdiction and disregard his duty under the terms of the traffic citation.
   d. A motorist receiving a traffic citation in his home jurisdiction is permitted, except for certain violations, to accept the citation from the officer at the scene of the violation and to immediately continue on his way after promising or being instructed to comply with the terms of the citation.
   e. The practice described in subsection a. above causes unnecessary inconvenience and, at times, a hardship for the motorist who is unable at the time to post collateral, furnish a bond, stand trial, or pay the fine, and thus is compelled to remain in custody until some arrangement can be made.
   f. The deposit of a driver’s license as a bail bond, as described in subsection 1b. above, is viewed with disfavor.
   g. The practices described herein consume an undue amount of law enforcement time.

C. 39:5F-2 Policy.

2. It is the policy of the party jurisdictions to:
   a. Seek compliance with the laws, ordinances, and administrative rules and regulations relating to the operation of motor vehicles in each of the jurisdictions.
   b. Allow motorists to accept a traffic citation for certain violations and proceed on their way without delay, whether or not the
motorist is a resident of the jurisdiction in which the citation was issued.

c. Extend cooperation to its fullest extent among the jurisdictions for obtaining compliance with the terms of a traffic citation issued in one jurisdiction to a resident of another jurisdiction.

d. Maximize effective utilization of law enforcement personnel and assist court systems in the efficient disposition of traffic violations.

C. 39:5F-3 Purpose.

3. The purpose of this compact is to:

a. Provide a means through which the party jurisdictions may participate in a reciprocal program to effectuate the policies enumerated in section 2 above in a uniform and orderly manner.

b. Provide for the fair and impartial treatment of traffic violators operating within party jurisdictions in recognition of the motorist's right of due process and the sovereign status of a party jurisdiction.

11. The licensing authority of the issuing jurisdiction shall not transmit a report on any violation where the date of issuance of the citation predates the most recent of the effective dates of entry for the two jurisdictions affected.

Article IV

C. 39:5F-12 Suspension.

12. Upon receipt of a report of a failure to comply from the licensing authority of the issuing jurisdiction, the licensing authority of the home jurisdiction shall notify the motorist and initiate a suspension action, in accordance with the home jurisdiction's procedures, to suspend the motorist's driver's license until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the home jurisdiction licensing authority. Due process safeguards will be accorded.

C. 39:5F-13 Record, reports.

13. The licensing authority of the home jurisdiction shall maintain a record of actions taken and make reports to issuing jurisdictions as provided in the Compact Manual.

AN ACT to amend the "Temporary Disability Benefits Law," approved June 1, 1948 (P. L. 1948, c. 110).

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 15 of P. L. 1948, c. 110 (C. 43:21-39) is amended to read as follows:
schedules of charges made, charged and exacted, filed with said board;

(8) The printing of bonds and documents necessary to the issuance and sale thereof by a board of education;

(9) Equipment repair service if in the nature of an extraordinary unspecifiable service and necessary parts furnished in connection with such services;

(10) Insurance, including the purchase of insurance coverage and consultant services;

(11) Publishing of legal notices in newspapers as required by law;

(12) The acquisition of artifacts or other items of unique intrinsic, artistic or historic character;

(13) Election expenses, including advertising expenses incidental thereto;

b. It is to be made or entered into with the United States of America, the State of New Jersey, county or municipality or any board, body, officer, agency or authority or any other state or subdivision thereof.

c. The board of education has advertised for bids pursuant to N.J.S. 18A:18A-4 on two occasions and has received no bids in response to its advertisement and, after reasonable inquiry, it is determined that no board, body, officer, agency or authority of the United States, or of the State of New Jersey or of any county or municipality in which the board of education is located is willing and able to perform any work or furnish or hire any materials or supplies in conformity with the specifications of the board of education. Any such contract or agreement entered into pursuant to this subsection c. may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the board of education at a meeting thereof authorizing such a contract or agreement. Any amendment or modification of the terms, conditions, restrictions and specifications which were the subject of the competitive bidding pursuant to N.J.S. 18A:18A-4 shall be stated in the resolution awarding the contract.

d. The board of education has advertised for bids pursuant to N.J.S. 18A:18A-4 on two occasions and has rejected such bids on each occasion because the board of education has determined that they are not reasonable as to price on the basis of cost estimates
prepared for the board of education prior to the advertising therefor or have not been independently arrived at in open competition, but no such contract or agreement may be entered into after such rejection of bids, unless:

(1) Notification of the intention to negotiate and a reasonable opportunity to negotiate shall have been given by the board of education to each responsible bidder;

(2) The negotiated price is lower than the lowest rejected bid price of a responsible bidder who bid thereon and is the lowest negotiated price offered by any responsible supplier and is a reasonable price for such work, materials, supplies or services;

(3) Any amendment or modification of the terms, conditions, restrictions and specifications which were the subject of competitive bidding pursuant to N. J. S. 18A:18A-4 shall be stated in the resolution awarding the contract; and

(4) The negotiated price is lower than the price of the same or equivalent materials or supplies available from the State, county or municipality in which the board of education is located.

Whenever a board of education shall determine that a bid was not arrived at independently in open competition pursuant to this subsection d. of N. J. S. 18A:18A-5, it shall thereupon notify the county prosecutor of the county in which the board of education is located and the Attorney General of the facts upon which its determination is based, and when appropriate, it may institute appropriate proceedings in any State or federal court of competent jurisdiction for a violation of any State or federal antitrust law or laws relating to the unlawful restraint of trade.

e. The board of education has solicited and received at least three quotations on materials, supplies or equipment for which a State contract has been issued pursuant to N. J. S. 18A:18A-10, and the lowest responsible quotation is at least 10% less than the price the board would be charged for the identical materials, supplies or equipment, in the same quantities, under the State contract.

Any such contract or agreement entered into pursuant to subsection d. or subsection e. may be made, negotiated or awarded only upon adoption of a resolution by the affirmative vote of two-thirds of the full membership of the board of education at a meeting thereof authorizing such a contract or agreement.

2. This act shall take effect immediately.

Approved January 31, 1983.
CHAPTER 49

An Act concerning limitations imposed upon increases in municipal final appropriations and county tax levies, and amending and supplementing P. L. 1976, c. 68.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 40A:4-45.12 Variable limitation.
1. (New section) The Legislature finds that the constraints placed upon local government by P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.) are successfully accomplishing their purpose of controlling the growth in the cost of local government.

The Legislature finds, however, that a uniform fixed percentage limitation on increases in expenditures has not adequately reflected either national economic trends or the differing needs of the various local governments of the State. As a result, local governments have been unevenly affected in their ability to provide necessary services to their residents.

The Legislature, therefore, determines that P. L. 1976, c. 68 requires adjustment to provide for an annually variable percentage limitation which more accurately reflects annual nationwide increases in the basic costs of governmental operations, to provide a mechanism whereby local officials and taxpayers can examine the particular needs of their community and determine whether or not the use of this limitation more nearly addresses those needs, and to modify several features of the law which have proven to be arbitrary or to result in unintended effects on the structure of local government.

2. Section 2 of P. L. 1976, c. 68 (C. 40A:4-45.2) is amended to read as follows:

C. 40A:4-45.2 5% limit.
2. Beginning with the tax year 1977 municipalities, other than those having a municipal purposes tax rate of $0.10 or less per $100.00, and counties shall be prohibited from increasing their final appropriations by more than 5% or the index rate, whichever is less, over the previous year, except within the provisions set forth hereunder.
For the purpose of this section, in computing its final appropriations for the previous year, a municipality or county shall include, as part of its final appropriations:

a. Amounts of revenue generated by an increase in its valuations based solely on applying the preceding year’s local purposes tax rate of the municipality to the assessed value of new construction or improvements, or on applying the preceding year’s county tax rate to the apportionment valuation of new construction or improvements, as may be appropriate;

b. Revenues derived in the previous year from new service fees, or from any increase in any previously imposed service fees imposed by ordinance;

c. Amounts approved by referendum, pursuant to subsection i. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3) and section 1 of P. L. 1979, c. 268 (C. 40A:4-45.3a);

d. Increased revenue received in the preceding year from payments in lieu of taxes on any property owned by a tax-exempt public entity, to the extent that the payment is excepted pursuant to subsection n. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3).

In each budget year subsequent to 1981, and in the case of a county, in each budget year subsequent to 1982, whenever any municipality or county shall have transferred to any local public utility, any local public authority or any special purposes district, during the immediately preceding budget year, or at any time during the current budget year prior to the final adoption of the budget, any service or function funded during the immediately preceding budget year, either partially or wholly, from appropriations in the municipal or county budget, the municipality or county shall deduct from its final appropriations upon which its permissible expenditures are calculated, or upon which its permissible county tax levy is calculated, pursuant to this section the amount which the municipality or county expended for that service or function during the last full budget year throughout which the service or function so transferred was funded from appropriations in the municipal or county budget.

C. 40A:4-45.13 Assumption of service, function.

3. (New section) a. In any budget year subsequent to 1982, whenever a county or municipality shall have lawfully assumed, during the immediately preceding budget year, or at any time during the current budget year prior to the final adoption of the budget, the provision of any service or function funded during the
immediately preceding budget year wholly by a local public utility, a local public authority or a special purposes district, and where the provision of that service or function by the county or municipality is the result of the lawful dissolution of the public utility, public authority, or special services district previously providing the service or function, the county or municipality shall add to the final appropriations for the current budget year upon which its permissible expenditures are calculated, or upon which its permissible county tax levy is calculated, the amount certified by the Local Finance Board for appropriation by the county or municipality to fund that service or function in the current budget year.

b. In any budget year subsequent to 1982, whenever a county shall have lawfully assumed, during the immediately preceding budget year, or at any time during the current budget year prior to the final adoption of the budget, the provision of any service or function funded during the immediately preceding budget year wholly or partially by one or more municipalities within the county from appropriations in the municipal budget, the county shall add to the final appropriations for the current year upon which its permissible county tax levy is calculated the amount certified by the Local Finance Board for appropriation by the county to fund that service or function in the current budget year.

c. The Local Finance Board shall approve the assumption of any service or function for the purpose of its eligibility under the provisions of this section. The board shall approve the assumption if it finds: that the assumption was lawfully made; that the assumption does not deleteriously affect the health, safety or welfare of the residents of a county or municipality; and that the assumption represents an efficient and feasible means of providing the service or function. The board shall, in approving the assumption, certify to the county or municipality assuming the service or function the amount of appropriation to fund the service or function which shall be eligible for the provisions of this section.

C. 40A:4-45.Ia Index rate.

4. (New section) As used in this amendatory and supplementary act, “index rate” means the rate of annual percentage increase, rounded to the nearest half-percent, in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services, computed and published quarterly by the United States Department of Commerce, Bureau of Economic Analysis, calculating the annual increase therein at the second quarter which occurred in the next preceding local budget year. The Director of the Division of Local
Government Services shall promulgate annually, on or before October 1, the index rate to apply in the next following local budget year.

5. Section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3) is amended to read as follows:

C. 40A:4-45.3 Municipal exceptions.
3. In the preparation of its budget a municipality shall limit any increase in its budget to 5% or the index rate, whichever is less, over the previous year's final appropriations subject to the following exceptions:

a. The amount of revenue generated by the increase in its valuations, based solely on applying the preceding year's general tax rate of the municipality to the assessed value of new construction or improvements;

b. Capital expenditures, including appropriations for current capital expenditures, whether in the capital improvement fund or as a component of a line item elsewhere in the budget, provided that any such current capital expenditure would be otherwise bondable under the requirements of N. J. S. 40A:2-21 and 40A:2-22;

c. An increase based upon: (1) emergency temporary appropriations made pursuant to N. J. S. 40A:4-20 to meet an urgent situation or event which immediately endangers the health, safety or property of the residents of the municipality, and over which the governing body had no control and for which it could not plan; (2) emergency appropriations made pursuant to N. J. S. 40A:4-46 and special emergency appropriations made pursuant to N. J. S. 40A:4-53; or (3) special emergency appropriations made pursuant to N. J. S. 40A:4-54, section 1 of P. L. 1961, c. 22 (C. 40A:4-55.1) or section 1 of P. L. 1968, c. 194 (C. 40A:4-55.13). Emergency temporary appropriations, special emergency appropriations and emergency appropriations under (1) and (2) above shall be approved by at least two-thirds of the governing body and by the Director of the Division of Local Government Services, and shall not exceed in the aggregate 3% of the previous year's final current operating appropriations. Special emergency appropriations under (3) above shall be approved by at least two-thirds of the governing body, and shall not exceed in the aggregate 3% of the previous year's final current operating appropriations. Neither procedure shall apply to appropriations adopted for a purpose referred to in subsection d. or j. below;
d. All debt service, including that of a Type I school district;
e. Amounts required for funding a preceding year's deficit;
f. Amounts reserved for uncollected taxes;
g. Expenditures mandated after the effective date of this act pursuant to State or federal law;
h. Expenditure of amounts derived from new or increased service fees imposed by ordinance, or derived from the sale of municipal assets;
i. When approved by referendum;
j. Amounts required to be paid pursuant to any contract with respect to use, service or provision of any project, facility or public improvement for water, sewer, solid waste, parking, senior citizen housing or any similar purpose, or payments on account of debt service therefor, between a municipality and any other municipality, county, school or other district, agency, authority, commission, instrumentality, public corporation, body corporate and politic or political subdivision of this State. With respect to the amounts required to be paid for senior citizen housing in the above cited political subdivisions or bodies, the exceptions shall be subject to the review and approval of the Local Finance Board;
k. Amounts required to be paid by any constituent municipality of the Hackensack Meadowlands District established pursuant to article 2 of the "Hackensack Meadowlands Reclamation and Development Act" (P. L. 1968, c. 404; C. 13:17-4), to the intermunicipal account established pursuant to article 9 of said act (C. 13:17-60 through 13:17-76);
l. Programs funded wholly or in part by federal or State funds and amounts received or to be received from federal, State or other funds in reimbursement for local expenditures;
m. Amounts appropriated to fund any increase in public utility, fuel oil, gasoline or heating oil charges which exceeds by more than 10% the amount produced by subtracting from the amount appropriated in the previous year for these purposes that amount which was excepted pursuant to this subsection in that previous year;
n. Increased revenue from payments in lieu of taxes on any property owned by a tax-exempt public entity, to the extent that the payment received for any single property exceeds the amount of real property taxes received on that property in the year immediately prior to acquisition by the public entity, or, in the case of State property subject to P. L. 1977, c. 272 (C. 54:4-2.2a et seq.), to the extent that the total State payment exceeds the amount of the payment received in the 1982 budget year;
o. Any decrease in amounts received pursuant to any federal
general purposes aid program from the amounts received in local
budget year 1982, after deducting from the decrease any amount of
new or increased federal or State general purposes aid explicitly
provided for the purpose of replacing the decrease in federal aid; or

p. Amounts expended for the conduct of a special election re-
quired by law to be held at a time other than the time of the general
election or the time of a regular municipal election.

6. Section 4 of P. L. 1976, c. 68 (C. 40A:4-45.4) is amended to
read as follows:

C. 40A:4-45.4  County exceptions.

4. In the preparation of its budget, a county may not increase
the county tax levy to be apportioned among its constituent municip-
alties in excess of 5% or the index rate, whichever is less, of the
previous year's county tax levy, subject to the following exceptions:

a. The amount of revenue generated by the increase in valuations
within the county, based solely on applying the preceding year's
county tax rate to the apportionment valuation of new construction
or improvements within the county, and such increase shall be
levied in direct proportion to said valuation;

b. Capital expenditures, including appropriations for current
capital expenditures, whether in the capital improvement fund or
as a component of a line item elsewhere in the budget, provided
that any such current capital expenditures would be otherwise
bondable under the requirements of N. J. S. 40A:2-21 and
40A:2-22;

c. An increase based upon: (1) emergency temporary appropri-
ations made pursuant to N. J. S. 40A:4-20 to meet an urgent situa-

special emergency appropriations made pursuant to N. J. S.
40A:4-53; or (3) special emergency appropriations made pursuant

temporary appropriations, special emergency appropriations and
emergency appropriations under (1) and (2) above shall be
approved by at least two-thirds of the governing body and, where
appropriate, approved by the chief executive officer of the county,
and further approved by the Director of the Division of Local
Government Services, and shall not exceed in the aggregate 3% of the previous year's final current operating appropriations. Special emergency appropriations under (3) above shall be approved by at least two-thirds of the governing body, and, where appropriate, approved by the chief executive officer of the county, and shall not exceed in the aggregate 3% of the previous year's final current operating appropriations. Neither procedure shall apply to appropriations adopted for a purpose referred to in subsection d. or f. below;

f. Amounts required to be paid pursuant to any contract with respect to use, service or provision of any project, facility or public improvement for water, sewer, solid waste, parking, senior citizen housing or any similar purpose, or payments on account of debt service therefor, between a county, and any other county, municipality, school or other district, agency, authority, commission, instrumentality, public corporation, body corporate and politic or political subdivision of this State. With respect to the amounts required to be paid for senior citizen housing in the above cited political subdivisions or bodies, the exceptions shall be subject to the review and approval of the Local Finance Board;

h. Amounts appropriated to fund any increase in public utility, fuel oil, gasoline or heating oil charges which exceeds by more than 10% the amount produced by subtracting from the amount appropriated in the previous year for these purposes that amount which was excepted pursuant to this subsection in that previous year;
i. Any decrease in amounts received pursuant to any federal general purposes aid program from the amounts received in local budget year 1982, after deducting from the decrease any amount of new or increased federal or State general purposes aid explicitly provided for the purpose of replacing the decrease in federal aid; or

j. Amounts expended for the conduct of any special election required by law to be held at a time other than the time of the general election.
C. 40A:4-45.14 If index rate exceeds 5%.

7. (New section) Notwithstanding the provisions of section 2, 3 or 4 of P. L. 1976, c. 68 (C. 40A:4-45.2, 40A:4-45.3 and 40A:4-45.4) to the contrary, in any year for which the index rate exceeds 5%, a municipality may, by ordinance, or a county may, by ordinance or resolution, as appropriate, provide that in the local budget year to which the ordinance or resolution applies, the final appropriations of the municipality, or the tax levy of the county, shall be increased by a percentage rate greater than 5%, but not to exceed the index rate, over the previous year’s final appropriations, or county tax levy, as the case may be.

The ordinance or resolution, as appropriate, shall be introduced after January 1 of the local budget year to which it applies and prior to the date provided by law for the introduction and approval of the annual budget of the municipality or county. The ordinance or resolution shall state the greater percentage rate to be adopted and the additional amount of increased final appropriations or tax levy which that greater percentage rate represents over that which the 5% rate represents, and the individual appropriations items to which the additional amount applies, setting forth for each applicable appropriations item the amount to be appropriated: a. if the greater percentage rate is adopted; and b. if the greater percentage rate is not adopted. The ordinance or resolution may, thereafter, be adopted, after publication and a public hearing separately afforded upon 10 days' notice duly published, by a majority vote of the authorized membership of the governing body. Any procedures provided in a form of local government for the exercise of veto powers by a mayor or county executive with respect to ordinances generally shall pertain. An ordinance or resolution so adopted shall, notwithstanding any other provision of law, take effect immediately upon adoption.

Upon adoption of the ordinance or resolution, the permissible final appropriations of the municipality, or permissible county tax levy of the county, shall be calculated for the year as provided in section 3 or 4 of P. L. 1976, c. 68 (C. 40A:4-45.3 or 40A:4-45.4), except that the percentage rate so adopted shall be used. The final appropriations or county tax levy so calculated shall be used in the immediately following year for the purposes of section 2 of P. L. 1976, c. 68 (C. 40A:4-45.2).

A copy of any ordinance or resolution introduced pursuant to this section shall be filed with the Director of the Division of Local
Government Services within five days of introduction, and a copy of the ordinance or resolution adopted shall be filed with the director within five days of adoption.

In any year for which an ordinance is adopted by a municipality pursuant to this section, no referendum shall be held in that municipality pursuant to subsection i. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3i).

No municipality adopting an ordinance pursuant to this section shall, in the year for which that ordinance is adopted, be entitled to the exception authorized pursuant to subsection m. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3).

No county adopting an ordinance or resolution, as appropriate, pursuant to this section shall, in the year for which that ordinance or resolution is adopted, be entitled to the exception authorized pursuant to subsection h. of section 4 of P. L. 1976, c. 68 (C. 40A:4-45.4).

C. 40A:4-45.15 2-year exception.

8. (New section) Notwithstanding any provisions of P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.) to the contrary, a municipality or county, which, in any year subsequent to 1982 for which the index rate is greater than 5%, increases its final appropriations or county tax levy in an amount less than that permitted under the 5% percentage rate, shall be permitted to appropriate the difference between the amount of its actual final appropriations or county tax levy and the amount of its permitted final appropriations or county tax levy under the 5% percentage rate, as an exception to its final appropriations or county tax levy in either of the next two succeeding years. In the year immediately following the year in which the amount of difference is so appropriated, the amount of difference shall be added to the final appropriations or county tax levy of the preceding year for the purposes of section 2 of P. L. 1976, c. 68 (C. 40A:4-45.2).

C. 40A:4-45.16 Referendum.

9. (New section) In any public referendum conducted by a municipality pursuant to subsection i. of section 3 of P. L. 1976, c. 68 (C. 40A:4-45.3i.), the public question to be submitted to the voters at the referendum election shall state only the amount by which the final appropriations of the municipality shall be increased by more than the permissible level over the previous year's final appropriations if the question is approved by the voters, and the percentage rate of increase which that amount represents over the permissible
rate. There shall be set forth in an accompanying explanatory statement a list of the appropriations line items to which the increased amount shall apply and such other relevant information as the governing body may wish to include therein.

A resolution adopted by a municipality to authorize the conduct of such a referendum shall set forth, in addition to the above, the amount to be appropriated for each applicable appropriations item: a. if the referendum question is approved by the voters; and b. if the referendum question is disapproved by the voters.

C. 40A:4-45.17 Local Expenditure Limitations Advisory Commission.

10. (New section) a. There is established a commission to be known as the Local Expenditure Limitations Advisory Commission. The commission shall consist of 10 members, three of whom shall be appointed by the Governor, three of whom shall be appointed by the President of the Senate, three of whom shall be appointed by the Speaker of the General Assembly, and one of whom shall be the Director of the Division of Local Government Services, who shall serve ex officio. Each member so appointed shall possess expertise in local government, local finance or economic analysis, and no member shall be a nominee for, or hold, an elective office during his period of service on the commission.

b. Members of the commission shall serve for a term of four years. Vacancies in the membership of the commission shall be filled in the same manner as the original appointment, but for the unexpired term. Members of the commission shall serve without compensation, but shall be reimbursed for traveling and other expenses incurred in the performance of their duties, within the limits of funds appropriated or otherwise made available to the commission.

c. The commission shall select from among its members a chairman and a vice chairman, and shall select a secretary, who need not be a member of the commission.

d. It shall be the duty of the commission to conduct a continuing review of the provisions of P. L. 1976, c. 68 (C. 40A: 4-45.1 et seq.), and to collect and assemble information and data on the effects of that law upon counties, municipalities and property taxpayers of this State. In the course of its review, the commission shall give particular attention to the role which that law plays in controlling the relative balance between property taxes and other sources of local revenue; to any economic developments, and any executive or legislative or judicial actions, which may affect that relative balance or the efficacy of the law; and to any unforeseen effects of the law on the financial stability or efficiency of local governments.
e. The commission shall report annually, on or before October 1, to the Governor and the Legislature on the above matters, and shall include in that report information and data with respect to at least the following matters:

(1) The utilization by counties and municipalities of the local ordinance option and referendum option provided by the law for the purpose of permitting local governments to exceed the limitations on increases in final appropriations or county tax levies, including data for each instance of utilization, and data on current and cumulative increases in categories of appropriations items taken under each of these options;

(2) A list of instances of services or functions for which eligibility was extended under section 3 of this amendatory and supplementary act, and information and cumulative data on categories of services or functions assumed in various service or function areas, and on transfers of services or functions between types of local public entities;

(3) The utilization by counties and municipalities of the provisions of section 8 of this amendatory and supplementary act; and

(4) A statement of the index rate to apply in the next following local budget year, and any alterations which have occurred in the method of calculation of that index rate since enactment, including any recommendations for legislation to compensate for any effects of those alterations.

f. The commission shall be entitled to call to its assistance such personnel of any State agency, county, municipality or political subdivision as it may require in order to perform its duties under this act. The commission may make use of existing studies, surveys, plans, data and other materials in the possession of any State agency, or any county, municipality or political subdivision of the State. Each State agency, county, municipality and political subdivision of the State shall make any information or materials available to the commission as it may require to perform its responsibilities under this act. The commission may meet and hold hearings at such places and times as it shall designate.

read as follows:

C. 17:29A-14 Filing of alterations, supplements, amendments.
14. a. With regard to all property and casualty lines, a filer may,
from time to time, alter, supplement, or amend its rates, rating-
systems, or any part thereof, by filing with the commissioner copies
of such alterations, supplements, or amendments, together with a
statement of the reason or reasons for such alteration, supplement,
or amendment, in a manner and with such information as may be
required by the commissioner. If such alteration, supplement or
amendment shall have the effect of increasing or decreasing rates,
the commissioner shall determine whether the rates as altered
thereby are reasonable, adequate, and not unfairly discriminatory.
If the commissioner shall determine that the rates as so altered
are not unreasonably high, or inadequate, or unfairly discriminatory,
he shall make an order approving them. If he shall find that
the rates as altered are unreasonable, inadequate, or unfairly
discriminatory, he shall issue an order disapproving such altera-
tion, supplement or amendment. With regard to private passenger
automobile insurance, in addition to or concurrently with the pro-
cedure prescribed for all other property and casualty lines, a filer
may, from time to time, alter, supplement or amend its rates,
rating systems or any part thereof by making an informational

ments, together with a statement of the reason or reasons there-
for, including but not limited to the claim and expense experience
of the individual filer, in accordance with the provisions of sub-
section c. of this section.

b. If an insurer or rating organization files a proposed alteration,
supplement or amendment to its rating system, or any part thereof,
which would result in a change in rates, the commissioner may,
or upon the request of the filer or the Public Advocate shall,
certify the matter for a hearing. The hearing shall, at the commis-
sioner's discretion, be conducted by himself or by the Office of
Administrative Law, created by P. L. 1978, c. 67 (C. 52:14F-1
et seq.), as a contested case. The following requirements shall
apply to the hearing:

(1) The hearing shall commence within 30 days of the date of
the request or decision that a hearing is to be held. The hearing
shall be held on consecutive working days. If the hearing is conducted by an administrative law judge, the administrative law judge shall submit his findings and recommendations to the commissioner within 30 days of the close of the hearing. A decision shall be rendered by the commissioner not later than 60 days from the close of the hearing. A filing shall be deemed to be approved unless rejected or modified by the commissioner within the time period provided herein.

(2) The commissioner, or the Director of the Office of Administrative Law, as appropriate, shall notify all interested parties, including the Public Advocate on behalf of insurance consumers, of the date set for commencement of the hearing, on the date of the filing of the request for a hearing, or within 10 days of the decision that a hearing is to be held.

(3) The insurer or rating organization making a filing on which a hearing is held shall bear the costs of the hearing.

(4) The commissioner may promulgate rules and regulations (a) to establish standards for the submission of proposed filings, amendments, additions, deletions and alterations to the rating systems of filers, which may include forms to be submitted by each filer; and (b) making such other provisions as he deems necessary for effective implementation of this act, except that all requests for information shall be limited to the kinds of detail required by the commissioner under section 5 of P. L. 1944, c. 27 (C. 17:29A-5).

c. (1) With regard to private passenger automobile insurance, the commissioner shall annually promulgate, on or before February 1, separately for each coverage, a maximum annualized percentage change in rate level which a filer may implement, in whole or in part, in a single or multiple filings, in connection with the informational filing procedure of subsection a. of this section. The maximum annualized percentage change in rate level shall be based on rates promulgated by the rating bureau which files rates for the greatest number of insurers in the voluntary private passenger automobile insurance market in the State, exclusive of the residual market equalization charge, as defined in subsection o. of section 15 of the “New Jersey Automobile Full Insurance Availability Act” (P. L. 1983, c. 65; C. 17:30E-3).

(2) The maximum annualized percentage change which a filer may implement pursuant to subsection a. of this section shall be equal to the arithmetic average of the full annualized percentage changes implemented during the preceding three calendar years in which a rate increase was implemented by the rating bureau which
files rates for the greatest number of insurers in the voluntary private passenger automobile insurance market in the State. For purposes of this paragraph, the full annualized rate level percentage change implemented in any one calendar year shall be equal to the sum of all full annualized rate level percentage changes implemented during the same calendar year.

(3) Rates filed under this subsection should take effect on the date of the informational filing with the commissioner.

5. Section 2 of P. L. 1968, c. 385 (C. 17:28-1.1) is amended to read as follows:

C. 17:28-1.1 Uninsured, underinsured motorist coverage.

2. a. No automobile liability policy or renewal of such policy of insurance, insuring against loss resulting from liability imposed by law for bodily injury or death, sustained by any person arising out of the ownership, maintenance or use of a motor vehicle, shall be issued in this State with respect to any motor vehicle registered or principally garaged in this State unless it includes coverage, in limits for bodily injury or death as follows:

(1) an amount or limit of $15,000.00, exclusive of interest and costs, on account of injury to, or death of, one person, in any one accident, and

(2) an amount or limit, subject to such limit for any one person so injured or killed, of $30,000.00, exclusive of interest and costs, on account of injury to or death of more than one person, in any one accident,

under provisions approved by the Commissioner of Insurance, for payment of all or part of the sums which the insured or his legal representative shall be legally entitled to recover as damages from the operator or owner of an uninsured automobile, or hit and run automobile as defined in section 18 of chapter 174 of the laws of 1952 (C. 39:6-78), because of bodily injury, sickness or disease, including death resulting therefrom, sustained by the insured, caused by accident and arising out of the ownership, maintenance or use of such uninsured or hit and run automobile anywhere within the United States or Canada. All such automobile liability policies shall also include coverage for the payment of all or part of the sums which persons insured thereunder shall be legally entitled to recover as damages from owners or operators of uninsured automobiles, other than hit and run automobiles, because of injury to or destruction to the personal property of such insured, with a limit in the aggregate for all insureds involved
in any one accident of $5,000.00, and subject, for each insured, to an exclusion of the first $100.00 of such damages.

b. Uninsured and underinsured motorist coverage in excess of that provided for in subsection a. of this section shall be provided as an option by an insurer to the named insured up to at least the following limits: $250,000.00 each person and $500,000.00 each accident for bodily injury; $100,000.00 each accident for property damage or $500,000.00 single limit, subject to an exclusion of the first $100.00 of such damage to property for each accident, except that the limits for uninsured and underinsured motorist coverage shall not exceed the insured's automobile liability policy limits for bodily injury and property damage, respectively.

Rates for uninsured and underinsured motorist coverage for the same limits shall, for each filer, be uniform on a Statewide basis without regard to classification or territory.

For the purpose of this section, "underinsured motorist coverage" means insurance for damages because of bodily injury and property damage resulting from an accident arising out of the ownership, maintenance or use of an underinsured automobile. An automobile is underinsured when the sum of the limits of liability under all bodily injury and property damage liability bonds and insurance policies available to a person against whom recovery is sought for bodily injury or property damage is, at the time of the accident, less than the applicable limits of liability afforded under the automobile insurance policy held by the person seeking such recovery.

C. 17:29A-35 Merit rating plan.

6. a. (New section) A merit rating accident surcharge system for private passenger automobiles may be used both in the voluntary market and by the New Jersey Automobile Full Insurance Underwriting Association created pursuant to section 16 of P. L. 1983, c. 65 (C. 17:30E-4). No surcharges for damage to any property shall be imposed on or after the operative date of this act, unless there is an accident within a three year period immediately preceding the effective date of coverage which results in payment by the insurer of at least a $300.00 property damage liability claim or any payment by the insurer of a bodily injury claim arising out of a collision of a private passenger automobile with a pedestrian. All moneys collected under this subsection shall be retained by the insurer assessing the surcharge. Accident surcharges shall be
imposed for a three year period and shall, for each filer, be uniform on a Statewide basis without regard to classification or territory.

b. There is created a New Jersey Merit Rating Plan which shall apply to all drivers and shall include, but not be limited to the following provisions:

(1) (a) Plan surcharges shall be levied by the Division of Motor Vehicles on any driver who has accumulated, within the immediately preceding three year period, beginning on or after the effective date of this act, six or more motor vehicle points as provided in Title 39 of the Revised Statutes, exclusive of any points for convictions pursuant to R.S. 39:4-50; except that the allowance for a reduction of points in Title 39 of the Revised Statutes shall not apply for the purpose of determining surcharges under this paragraph. Surcharges shall be levied for each year in which the driver possesses six or more points. Surcharges assessed pursuant to this paragraph shall be not less than $100.00 for six points, and not less than $25.00 for each additional point. The commissioner may increase the amount of surcharges as he deems necessary.

(b) For a three year period following the effective date of this act, any driver who has accumulated on or after that date three or more motor vehicle points, other than for a conviction pursuant to R.S. 39:4-50, shall be annually subject to a surcharge in the amount of $55.00 for the first three points and $15.00 for each additional point up to six. For six or more points, the surcharges provided in paragraph (1) (a) shall apply. The allowance for a reduction of points as provided in Title 39 of the Revised Statutes shall not apply for the purpose of determining surcharges under this paragraph. The provisions of this paragraph shall expire three years following the effective date of this act.

(2) Plan surcharges shall be levied for convictions under R.S. 39:4-50 for a violation occurring on or after the effective date of this act. Surcharges levied under this paragraph shall be for a three year period, and shall be not less than $1,000.00 for each of the first two convictions, and not less than $1,500.00 for the third conviction occurring within a three year period. The commissioner may increase the amount of surcharges as he deems necessary.

If, upon receipt of written notification by certified mail, return receipt requested, from the Division of Motor Vehicles, mailed to the last address of record with the division, a driver fails to pay a surcharge levied under this subsection, the license of the driver shall be suspended forthwith until the surcharge is paid to the
Division of Motor Vehicles; except that upon satisfactory showing of indigency, the Division of Motor Vehicles may authorize payment of the surcharge on an installment basis over a period not to exceed six months.

All moneys collectible under this subsection shall be billed and collected by the Division of Motor Vehicles. Of the moneys collected, 80% shall be remitted to the New Jersey Automobile Full Insurance Underwriting Association, and 20% shall be retained, for administrative expenses, by the Division of Motor Vehicles and turned over to the State Treasury for deposit in a special account to be used by the Division of Motor Vehicles, as may be necessary, to modernize its operations and improve its effectiveness and efficiency in order to discharge its statutory obligations. Any moneys in the special account at the end of a fiscal year shall be transferred to the General State Fund for use for general State purposes. Moneys shall be appropriated annually to the special account.

c. Any motor vehicle conviction points accumulated within a three year period prior to the operative date of this act by a driver insured under the automobile insurance plan established pursuant to P. L. 1970, c. 215 (C. 17:29D-1), shall be carried over into the New Jersey Automobile Full Insurance Underwriting Association, if such driver is insured by the association, and shall be used to determine any surcharges for motor vehicle convictions to which the driver may be subject pursuant to subsection b. of this section.

Surcharges shall be levied in accordance with subsection b., except that the New Jersey Automobile Full Insurance Underwriting Association shall bill and collect the surcharges. Of the moneys collected, the association shall retain 80% and 20% shall be remitted to the Division of Motor Vehicles and turned over to the State Treasury for deposit in a special account for use as provided in subsection b. Moneys shall be appropriated annually to the special account.

The provisions of this subsection shall expire three years from the operative date of this act.

d. The dollar amount of all motor vehicle conviction surcharges shall be at least equivalent to the differential between the rates charged to insureds as promulgated by the rating bureau which files rates for the greatest number of insurers in the voluntary private passenger automobile insurance market in this State and the Supplement I rates in use as of December 31, 1982 by the
automobile insurance plan established pursuant to P. L. 1970, c. 215 (C. 17:29D-1), and the amount collectible under the motor vehicle conviction surcharge system in use by the automobile insurance plan established pursuant to P. L. 1970, c. 215 (C. 17:29D-1 et seq.) prior to the implementation of this act.

e. The Commissioner of Insurance and the Director of the Division of Motor Vehicles, as may be appropriate, shall adopt any rules and regulations necessary or appropriate to effectuate the purposes of this section.

C. 17:29A-36 Automobile insurance rates.

7. The automobile insurance rate of an automobile whose principal operator is 65 years of age or older shall not exceed one and one-quarter times the Statewide average rate for principal operators 65 years of age or older for each coverage, exclusive of driving record surcharges and discounts; provided, however, that no filer shall increase rates for principal operators 65 years of age or older as a result of the implementation of this section unless more than 50% of its insureds are principal operators 65 years of age or older.

As used in this section, base rate means the automobile insurance rate charged for an automobile that is not used in business and not used in going to and from work, except for the going to and from work distance included in the pleasure use classification of the filer, and where there is no youthful operator, as defined in the filer's classification system. The base rate class shall not include automobiles to which discounts apply under the filer’s classification system, including, but not limited to, farmers’ and senior citizens’ automobiles.

The provisions of this section shall be implemented after the implementation of the provisions of subsection a. of section 8 of this act.
C. 17:29A-37 Flat, uniform fee basis.

8. (New section) a. Every filer making automobile rates in this State shall apply on a flat and uniform fee basis per insured automobile Statewide those miscellaneous taxes, licenses, and fees, as defined in the most recent rate filing of an automobile filer, and at least 90% of its general expenses and acquisition, field supervision, and collection expenses, excluding commissions, as such expenses are defined in the filer's most recent rate filing with the commissioner.

b. The commissioner and the State Treasurer shall issue a regulation no later than 90 days after the effective date of this act to require automobile filers to calculate and collect taxes for their insureds paid pursuant to P. L. 1945, c. 132 (C. 54:18A-1 et seq.) and any assessments to be made pursuant to sections 4, 6 and 7 of P. L. 1952, c. 174 (C. 39:6-64, 39:6-66 and 39:6-67), exclusive of assessments made to reimburse a filer for medical benefits payable under section 4 of P. L. 1972, c. 70 (C. 39:6A-4) in excess of $75,000.00, on a flat and uniform fee basis per insured automobile Statewide, which shall take effect on January 1, 1984.

(New section) Within 60 days following the effective date of this act, every filer shall reduce by at least 5% the rates of all principal operators 65 years of age or older from the rates in effect as of the effective date of this act. On or before the effective date of this reduction, every filer shall make an informational filing with the commissioner reflecting the change.

10. (New section) The commissioner shall promulgate rules and regulations requiring insurers to offer a range of deductibles up to at least $1,000.00 for private passenger automobile collision and comprehensive coverages.

C. 17:29A-40 No commission.

15. (New section) As used in sections 13 to 34 of this act:

b. "Automobile" means a private passenger automobile of a private passenger or station wagon type that is owned or hired and is neither used as a public or livery conveyance for passengers nor rented to others with a driver; a motor vehicle with a pickup body, a delivery sedan or a panel truck or a camper type vehicle used for recreational purposes, owned by an individual or by husband and wife who are residents of the same household, not customarily used in the occupation, profession or business of the insured other than farming or ranching; and, solely for the purposes of this act, a motorcycle, as defined in R. S. 39:1-1. An automobile owned by a farm family copartnership or corporation, which is principally garaged on a farm or ranch and otherwise meets the definitions contained in this section, shall be considered a private passenger automobile owned by two or more relatives resident in the same household.

c. "Automobile insurance" means direct insurance against injury or damage, including the legal liability therefor, arising out of the ownership, operation, maintenance or use of automobiles, including, but not limited to, personal injury protection insurance,
bodily injury liability insurance, property damage liability insurance, physical damage insurance and uninsured and underinsured motorist insurance.

d. “Board” or “board of directors” means the board of directors of the association.

e. “Company” or “member” means an insurer member of the association.

f. “Commissioner” means the Commissioner of Insurance.

g. “Director” means a member of the board of directors of the New Jersey Automobile Full Insurance Underwriting Association.

h. “Net direct car years of liability exposure” means direct bodily injury liability car years of exposure, after deducting returns for cancellations, but without adding reinsurance assumed or deducting reinsurance ceded, as determined by the board and approved by the commissioner.

i. “Net direct car years of physical damage exposure” means direct physical damage car years of exposure, after deducting returns for cancellations, but without adding reinsurance assumed or deducting reinsurance ceded, as determined by the board and approved by the commissioner.

j. “Person” means every natural person.

k. “Plan of operation” means the plan of operation of the association created pursuant to section 18 of this act.

l. “Producer” means an agent or broker licensed to transact the business of automobile insurance in this State.

m. “Qualified applicant” means a person domiciled in New Jersey, who is an owner of an automobile registered and principally garaged in this State, except that nonresidents who are members of the United States military forces shall be eligible with respect to automobiles registered in other states, if such military nonresidents are stationed in this State and their vehicles are garaged in this State at the time the application is made and if they are otherwise eligible for insurance coverage issued by the association. No person shall, however, be deemed a qualified applicant, if the principal operator of the automobile to be insured does not hold a driver’s license which is valid in this State; or if a regular operator of the automobile other than the principal operator does not hold such a license; or if timely payment of premium is not tendered; or if the principal operator of the automobile does not furnish the information necessary to effect insurance; or if such person rents or leases automobiles to others or automobiles which are used for commercial purposes.
n. "Underinsured motorist coverage" means insurance for damages because of bodily injury and property damage caused by accident and arising out of the ownership, maintenance or use of an underinsured automobile. o. "Residual market equalization charge" means the amount which, when added to all other sources of association income, will cause the association to operate on a no profit, no loss basis.

C. 17:30E-4 Underwriting association created.
16. (New section) There is created in the State of New Jersey an unincorporated, nonprofit association to be known as the New Jersey Automobile Full Insurance Underwriting Association, consisting of all insurers licensed to transact automobile insurance in this State, with its headquarters located in a place within the State of New Jersey, to be determined by the board of directors, with the approval of the commissioner. Every such insurer shall be a member of the association and shall be bound by the association's plan of operation as conditions of authority to transact automobile insurance in this State. Any insurer which has ceased to transact automobile insurance in this State shall nevertheless remain liable for income, as provided in the plan of operation, with respect to business transacted prior to the effective date of its cessation of business in the State, and the commissioner may require such an insurer to deposit with the association an amount sufficient to meet such insurer's obligations.

C. 17:30E-5 Board of directors.
17. (New section) a. Within 45 days after the effective date of this act, the Governor shall appoint a board of directors, and within 30 days after the appointment of the board, the commissioner shall call the first, or organizational, meeting of the association, which shall seat the board of directors. The board shall consist of 14 persons to be appointed by the Governor, of which eight shall represent member companies, three shall represent producers, and three shall be public members. Members of the board shall be compensated from the moneys of the association for their services, pursuant to standards and procedures set forth in the plan of opera-
tion. In appointing the representatives of the member companies, the Governor shall select two persons from a list of not fewer than three persons nominated by the American Insurance Association, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; two persons from a list of not fewer than three persons nominated by the Alliance of American Insurers, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; two persons from a list of not fewer than three persons nominated by the National Association of Independent Insurers, or its successor organization, from the officers or employees of insurers which are licensed to transact automobile insurance in this State and which are members or subscribers of that organization; and two persons from the officers or employees of any insurers which are licensed in this State and are not members or subscribers of any of the above mentioned organizations. All nominations made by the associations shall include at least one representative of an insurer which does not intend to be a servicing carrier. In appointing the producer representatives, the Governor shall select one person from a list of not fewer than three nominated by the Professional Insurance Agents Association or its successor organization; one person from a list of not fewer than three nominated by the Independent Insurance Agents Association or its successor organization; and one person from a list of not fewer than three nominated by the Insurance Brokers Association or its successor organization. The Governor shall name two surrogates for each director on the board from a list submitted to him by each appointee. The Governor shall, with the advice and consent of the Senate, also appoint three public members to the board. The commissioner or his designated representative shall be entitled to attend and participate in all meetings of the board or any of its committees.

Each trade association and producer association shall have 15 days from the effective date of this act to submit its prescribed list of board of director candidates to the Governor. The Governor shall have 30 days from receipt of each list to select permanent board members from it. If any of the associations named in this section fails to submit the lists from which the Governor is to select members of the board of directors within time, the Governor shall appoint temporary board members to represent each
association that has failed to submit its list. In selecting temporary board members, the Governor shall be guided by the selection criteria set forth herein. Upon subsequent receipt of the list from the association, the Governor shall select permanent board members to replace the temporary board members within 30 days. Such replacement shall become effective immediately.

The initial appointment of four insurer directors, one producer-group director, and one public member shall be for a term of one year. The initial appointments of all other directors shall be for terms of two years. After the initial appointments all directors shall be appointed for terms of two years and shall serve until their successors are appointed and qualified. The Governor shall fill all appointive vacancies on the board consistent with the above-mentioned procedures and classifications. Appointments to fill vacancies shall be for the unexpired term of the director to be replaced. Directors may be reimbursed from the moneys of the association for reasonable expenses incurred by them as members.

b. After the board has been appointed, it shall elect from its membership a chairman and shall then meet thereafter at least annually, and as often as the chairman or the plan of operation shall require, or at the request of any five members of the board or the commissioner. Each member of the board shall be entitled to one vote. The commissioner, or his designated representative, shall have no right to vote. Eight voting members of the board shall constitute a quorum. A majority of the voting members shall determine any action of the board. No member may serve as chairman for more than two consecutive years.

c. The board shall have and exercise all powers of the association not reserved to the members by the plan of operation or as otherwise provided in this act.

C. 17:30E-6 Proposed plan of operation.

18. (New section) a. Within 90 days after the organizational meeting, unless after the sixtieth day, but not later than the seventieth day, following the organizational meeting, the commissioner for good cause grants an additional period not to exceed 30 days, the board shall file with the commissioner for his approval a proposed plan of operation, consistent with the provisions of this act, which shall provide for the prompt and efficient provision of automobile insurance to qualified applicants. The plan of operation shall provide for, among other matters, methods and means for the collection, investment and disbursement of funds;
methods and standards for the establishment of adequate, actuarially sound reserves for unpaid losses, including provision for incurred but not reported losses; reasonable and adequate commissions to producers; protection of the interests of producers of record without a contractual relationship with a voluntary market member company; procedures and methods for issuing policies on behalf of the association; the method for determining and means of assessing the liability of an insurer which ceases to transact automobile insurance in this State with respect to business transacted prior to the effective date of its termination of membership; minimum requirements for the selection and performance of servicing carriers; minimum requirements for the performance of producers; reasonable and adequate compensation of such servicing carriers; procedures for matching producers with servicing carriers; the methods and procedures for notifying directors of the time and place of board meetings; and the phasing out of the plan for the providing and apportionment of automobile insurance pursuant to section 1 of P. L. 1970, c. 215 (C. 17:29D-1), in a manner which will minimize the shifting of insureds among carriers, except that nothing herein shall be interpreted to affect the provisions of P. L. 1968, c. 158 (C. 17:29C-6 et seq.).

b. The plan of operation adopted by the board shall be submitted to the commissioner for his review and approval. If the commissioner approves the proposed plan, he shall certify such approval to the directors and said plan shall take effect on the date certified by the commissioner. If the commissioner disapproves all or any part of the proposed plan of operation, he shall return same to the directors with a statement, in writing, of the reasons for his disapproval and any recommendations he may wish to make. The directors may accept the commissioner’s recommendations or may propose a new plan, which recommendations or plan shall be submitted to the commissioner within 30 days after the return of a disapproved plan to the directors. If the directors do not submit a proposed plan of operation or if the directors do not submit a new plan which is acceptable to the commissioner, or accept the recommendations of the commissioner within 30 days after the disapproval of a proposed plan, the commissioner shall promulgate a plan of operation and certify same to the directors. Any such plan promulgated by the commissioner shall take effect on the date certified by the commissioner.

c. The directors of the association may amend the plan of operation at any time, subject to approval by the commissioner.
d. The commissioner shall review the plan of operation at least once a year, and may propose amendments to the board. If the board does not adopt amendments acceptable to the commissioner within 30 days, the commissioner may certify amendments and their effective date to the board.

e. Any order of the commissioner with respect to the plan of operation, or any amendment thereto, shall be subject to review by the Appellate Division of the Superior Court.

C. 17:30E-7 Powers and duties.

19. (New section) Pursuant to the plan of operation, the association shall have the power and duty to:

a. Enter into contracts as are necessary or proper to carry out the provisions and purposes of this act;

b. Sue or be sued in the name of the association, including taking any legal actions necessary or proper for recovery of any assessments for, on behalf of, or against members. A judgment against the association shall not create any direct liability against the servicing carrier, board of directors or the individual members, or the individual participating members of the association;

c. Indemnify its directors and employees for any and all claims, suits, costs of investigations, costs of defense, settlements or judgments against them on account of an act or omission in the scope of a director’s duties or employee’s employment. The association shall refuse to indemnify if it determines that the act or failure to act was because of actual fraud, willful misconduct or actual malice;

d. Take such action as is necessary to prevent and avoid the payment of improper claims against the association or the coverage provided by or through the association;

e. Arrange for the issuance of automobile insurance to any qualified applicant through servicing carriers. Each servicing carrier shall issue policies in the name of the servicing carrier, on behalf of the association, to the extent the plan of operation provides. Servicing carriers, as agents of the association, shall have no individual liability for claims or policies written by the association;

f. Appoint from among its members appropriate legal, actuarial, claims, investment and other committees as necessary to provide technical assistance in the operation of the association, policy and other contract design, and any other function within the authority of the association;

g. Establish standards for, and review operating practices of, servicing carriers and producers to determine whether such prac-
ices are adequate to properly service association business, and
to take appropriate action to eliminate inadequate operating prac-
tices and develop adequate operating practices, and to appoint
an audit committee to review operating practices. The audit com-
mittee shall be composed of servicing carriers, producers, and mem-
ber companies who are not servicing carriers;
h. Develop criteria and establish a monitoring system to ensure
that: (1) servicing carriers do not obtain an unfair advantage,
because of their servicing carrier relationship with producers, over
other member companies which are not servicing carriers; and
(2) member companies do not obtain an unfair advantage over
producers of record without a contractual relationship with a
voluntary market company, as a result of an offer of voluntary
market coverage to an insured of the association;
i. Order the reporting of such statistics by the members of the
association as it deems necessary;
j. Reimburse servicing carriers from association funds;
k. Adopt bylaws for the regulation of its internal affairs;
l. Employ a general manager, who shall serve at its pleasure
and be responsible for the conduct of the administrative affairs of
the association. The board may employ other necessary personnel
and may delegate to the general manager and other personnel
such authority as it deems necessary to assure proper admini-
stration and operation of the association consistent with the plan of
operation. The board shall arrange and contract if necessary for
suitable quarters within the State of New Jersey for operations of
the association; for such equipment, goods and services; and insure
such expenses as it deems necessary to assure efficient administra-
tion of the association consistent with the plan of operation. If
required by the plan of operation, the board may establish service
centers in underserviced areas, which service centers shall provide
for the dissemination of full information on the coverages available
under this act and for referrals to appropriate outlets for the
acquisition of such coverage;
m. Hear and determine complaints of any member or producer
concerning the operation of the association, in accordance with
procedures prescribed in section 28 of this act;
n. Annually report to the commissioner on the operation of the
association;
o. Record and investigate complaints involving the conduct of
producers and to take appropriate corrective action or to recom-
mand to the commissioner appropriate disciplinary action, includ-
p. Review servicing practices of servicing carriers to determine whether such practices are adequate to properly service the risks written by the association; and upon finding that the practices of any servicing carrier are inadequate, establish a program for that member which will assist the servicing carrier in the performance of its duties and charge that servicing carrier a reasonable fee for establishing and operating such a program;

q. Audit the operations of members for the purpose of determining compliance with this act;

r. Develop methods and standards for the establishment of adequate, actuarially sound reserves for unpaid losses, including provision for incurred but not reported losses; and

s. Take such other action as is necessary to effectuate the purposes of this act.

C. 17:30E-8 Sources of income.

20. (New section) a. The association shall derive income from the following sources for the payment of expenses, losses, and the provision of adequate, actuarially sound reserves for unpaid losses, including incurred but not reported losses, in connection with association business: (1) net premiums earned; (2) income generated from any association accident surcharge system permitted or required by law; (3) that percentage of surcharges collected by the Division of Motor Vehicles and deposited with the association pursuant to subsection b. of section 6 of the “New Jersey Automobile Insurance Reform Act of 1982” (P. L. 1983, c. 65 (C. 17:29A-35)), and that collected and retained by the association pursuant to subsection c. of said section 6; (4) income collected by members of the association and by the association pursuant to subsection b. of this section; and (5) income from investment of moneys collected pursuant to subsections (1), (2), and (3) of this subsection. Premiums received as a residual market equalization charge on behalf of the association, net of commissions paid, and all premium taxes, shall on a monthly basis be certified to by the carrier and shall be transferred to the association in accordance with the plan of operation. All premiums received by servicing carriers on behalf of the association, net of commissions paid, all premium taxes, and servicing carrier compensation, shall on a monthly basis be certified to by the carrier and shall be transferred to the association in accordance with the plan of operation.
All claims paid on association business shall be disbursed by the servicing carriers or the association through drafts drawn on association funds in accordance with the plan of operation. Servicing carriers, as agents of the association, shall have no individual liability on claims or policies written by the association.

b. At least annually, the board shall file its experience with the commissioner, which experience shall include the projected income, expenses, losses and reserve requirements of the association for the ensuing year, any adjustment in previously established reserves for unpaid losses necessary to make such reserves adequate and actuarially sound, and the initial filing shall include the experience of the automobile insurance plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1). The board shall include in its filing with the commissioner, for his approval, a computation of the residual market equalization charge per insured vehicle to be collected by each member from its voluntary insureds, exclusive of principal operators 65 years of age or older, and by each servicing carrier from association insureds, exclusive of principal operators 65 years of age or older, to offset the anticipated losses of the association.

At the end of the first 12 months of the operation of the association and at least annually thereafter, the board shall also include in its filing with the commissioner a review of the previous year’s experience, setting forth the income, losses, and reserve requirements, including any adjustment in previously established reserves for unpaid losses necessary to make such reserves adequate and actuarially sound, and expenses of the association during the previous year. If a profit is found by the commissioner to have been realized, such amount shall reduce the residual market equalization charge levied on policyholders pursuant to subsection d. of this section. If a loss is found by the commissioner to have occurred, such amount shall increase the charge levied on policyholders pursuant to subsection d. of this section. The filing shall be accompanied by such statistics and other information as the commissioner may deem necessary. The commissioner shall, within 60 days of such filing, approve or disapprove the filing. Failure to act within 60 days shall be deemed approval of the filing, except that the running of the 60-day period shall be tolled by a request for additional information by the commissioner or until the association notifies the commissioner that it will not provide such additional information, together with the reason for not supplying the information. Failure to comply with a reasonable request for information may
be a ground for disapproving all or part of the filing. If the commissioner disapproves all or part of the filing, he shall state the reasons for such disapproval, and indicate such portion of the filing he approves. Such disapproval shall be subject to review by the Appellate Division of the Superior Court.

c. The residual market equalization charge last approved by the commissioner shall continue to apply while the application for the revised charge is being processed by the commissioner pursuant to this section.

d. The residual market equalization charge per insured vehicle shall be collected following the effective date of such approval, by the insurer from its policyholders, exclusive of principal operators 65 years of age or older, on a uniform net direct car year of liability exposure basis and a net direct car year of physical damage exposure basis. Any insurer or rating organization making a residual market equalization charge pursuant to this subsection shall, 15 days prior to the date of the implementation of the proposed rate adjustment, make an informational filing with the commissioner, documenting compliance with the established method of distributing such residual market equalization charge.

e. Any insurer licensed to transact automobile insurance after the effective date of this act shall become a member of the association upon receiving such license and the determination of any such insurer's participation in the association shall be made as of the date of such membership in the same manner as for all other members of the association.

C. 17:30E-9 Qualified applicants.

21. (New section) a. Any qualified applicant shall be entitled to apply to the association for insurance coverage available pursuant to section 27 of this act. Subject to procedures established in the plan of operation, producers shall have authority to issue binders to qualified applicants.

b. If the servicing carrier determines that the applicant is a qualified applicant, the carrier, as an agent of the association, upon receipt of the appropriate premium, or such portion thereof as is prescribed in the plan of operation, shall issue or cause to be issued a policy of automobile insurance which shall include coverages and limits requested by the applicant and available under section 27 of this act.

c. No licensed insurance producer regularly engaged in selling or placing automobile insurance in this State shall refuse to furnish to any applicant quotations of premiums for association automobile
insurance or shall fail to submit the application of a qualified applicant to the association when requested to do so by a qualified applicant.

d. No company shall terminate any agent or restrict the authority of any agent, directly or indirectly, or in any manner whatsoever, solely by reason of the volume of such agent's business written on behalf of the association or the experience produced by such business.

e. The association shall accept applications for coverage 90 days after the plan of operation has been approved.

C. 17:30E-10 Allocation.

22. (New section) Producers who are exclusive representatives of a company which is a servicing carrier shall be assigned to that carrier for the servicing of association policies. Producers who are not exclusive representatives of a servicing carrier may, at the election of the producer and with the consent of the servicing carrier, contract with the association to do business through any servicing carrier. Producers who are not exclusive representatives of a company which is a servicing carrier or who have not otherwise established a contractual relationship with a servicing carrier pursuant to this section, shall be assigned to all servicing carriers on an equitable basis by the association, pursuant to the plan of operation. The assignments shall be in proportion to the percentage of association business which each servicing carrier has contracted with the association to accept and shall be balanced among territories. The assignments shall be reviewed at least annually and upon the request of a servicing carrier or producer. Pursuant to the plan of operation, the assignments shall be reallocated if it is found that the allocations are demonstrably inequitable. Reallocations shall be made in a manner to minimize the shifting of producers.

Every producer shall be assigned two alternate servicing carriers, pursuant to the plan of operation. In the event that any servicing carrier normally assigned to any producer ceases, as may be provided in the plan of operation, to accept applications temporarily, such applications shall be redistributed by the association to each producer's alternate servicing carrier.

C. 17:30E-11 Schedule of commissions.

23. (New section) The producer shall receive commissions on association business in accordance with a schedule of commissions promulgated in the plan of operation. The schedule of commissions
so promulgated shall be designed to serve and reconcile the following objectives: a. to encourage equal treatment of policyholders in the association and the voluntary market; b. to minimize disincentives to the placement of applicants in the voluntary market; c. to stimulate marketing efforts in underserved areas; d. to provide reasonable compensation for services performed by producers; e. to provide protection to the producer of record without a voluntary market company, upon the offer of voluntary market coverage to an association insured; f. to provide for an equitable rate of commission for producers during a transition period, as the term of such period is determined by the board. No rate of commission shall be less than that provided pursuant to the automobile insurance plan established pursuant to P. L. 1970, c. 215 (C. 17:29D-1), as payable as of December 31, 1981.

C. 17:30E-12 Servicing carrier.

24. (New section) a. Pursuant to the procedures and standards established in the plan of operation, the board may permit any qualified member to act as a servicing carrier upon application by the member. Insurers under common management or ownership may elect to submit an application to act as a servicing carrier in the name of any company in the group which is licensed and authorized to transact automobile insurance in this State. The commissioner may disapprove the action by the board, if he finds that the action is not in the best interests of the association, the insurer, or the purposes of this act, within 20 days of final approval by the board. The disapproval shall be made in writing and shall set forth the reasons for disapproval.

b. After notice and hearing, the commissioner may require one or more members of the association or member of a group as provided in subsection a. of this section to act as servicing carriers, if he determines that the action is necessary to effectuate the purposes of this act, except that no company having less than 1% of the private passenger automobile insurance market in this State based on its net written car years of exposure shall be subject to the provisions of this subsection.

c. Pursuant to procedures established by the commissioner, any member of the association which is acting as a servicing carrier may apply to the commissioner for permission to discontinue acting as a servicing carrier. After notice and a hearing, the commissioner may permit such insurer to discontinue acting as a servicing carrier, on terms to be imposed by the commissioner, if the commis-
sioner finds that such action is in the best interests of the insurer, the association and the purposes of this act.

d. Any order of the commissioner pursuant to this section shall be subject to review by the Appellate Division of the Superior Court.

C. 17:30E-13 Association rates.

25. (New section) The rates used by the association shall be the same as those used by the rating bureau which files rates for the greatest number of insurers transacting private passenger automobile insurance in the voluntary market in this State.

C. 17:30E-14 Voluntary coverage.

26. (New section) The association shall, in the plan of operation, establish procedures to encourage the voluntary writing of qualified applicants without the utilization of the association. These procedures shall include provisions for appropriate incentives to encourage companies to voluntarily write those applicants who are qualified for insurance by the automobile insurance plan established pursuant to P.L. 1970, c. 215 (C. 17:29D-1).

Any voluntary coverage offered in accordance with established procedures of this section shall be offered through the producer of record, if such producer is the voluntary market producer of the company offering to provide this coverage; if the producer of record does not have a contractual relationship with any voluntary market company, he shall be entitled to the payment of a producer's commission for three years following the providing of voluntary coverage. Renewals of this policy shall be written through the voluntary market producer of record, unless written notice to the contrary is given by the insured not less than 30 days prior to such renewal.

C. 17:30E-15 Minimum limits.

27. (New section) A qualified applicant who is eligible for coverage through the association shall be offered and entitled to coverage up to at least the following limits: a. bodily injury liability: $250,000.00 each person, $500,000.00 each accident; b. property damage liability: $100,000.00; c. bodily injury and property damage: $500,000.00 single limit each accident; d. comprehensive and collision coverage; e. uninsured motorist and underinsured motorist coverage: $250,000.00 each person and $500,000.00 each accident for bodily injury; $100,000.00 each accident for property damage or $500,000.00 single limit, subject to an exclusion of the first $100.00 of the damage to property for each accident,
CHAPTER 65, LAWS OF 1983

except that the limits for uninsured and underinsured motorist coverages on association coverage shall not exceed the insured's policy limits for bodily injury and property damage, respectively; f. personal injury protection coverage as required by law; g. additional personal injury protection coverage required to be offered by law; and h. any other automobile insurance required to be offered by law and subject to the limits stated in the law. Motorcycles shall not be written for the coverages required or required to be offered pursuant to P. L. 1972, c. 70 (C. 39:6A-1 et seq.).

C. 17:30E-16 Hearing; appeal; review.

28. (New section) a. A member insurer or producer aggrieved by a ruling of the association or by its alleged violation of or failure to comply with the plan of operation or the provisions of this act shall be entitled to a hearing upon a request made within 30 days after the date of the alleged violation or improper act or ruling, provided the commissioner may extend the time for requesting a hearing in extraordinary situations. The hearing shall be held within 15 days after the receipt of the request, by a panel of the board, consisting of not less than three member company representatives, one producer representative and one public member, at a time and place designated by the board. The ruling of a majority of the panel shall be deemed to be the formal ruling of the board unless the full board, on its own motion, shall modify or rescind the action of the panel.

b. Within 30 days after the conclusion of any hearing held pursuant to this section, the board shall issue a written ruling setting forth the determination of the issues presented and the facts and reasons on which such determination is based. This ruling may be appealed to the commissioner by the filing of a written notice of appeal with the board and commissioner within 30 days after issuance of the ruling.

c. The commissioner shall issue a written order approving, disapproving or modifying the action or decision of the board or directing it to reconsider its ruling.

d. Any order of the commissioner pursuant to this section shall be subject to review by the Appellate Division of the Superior Court.

C. 17:30E-17 Suspension, revocation; penalties.

29. (New section) a. The commissioner may suspend or revoke, after notice and a hearing, the certificate of authority of any member insurer or the license of any agent or broker who willfully
be available to it, and to employ such stenographic and clerical assistants and incur such traveling and other miscellaneous expenses as it may deem necessary, and as may be within the limits of funds appropriated or otherwise made available for the commission’s purposes.

The commission shall have the power to compel the attendance and testimony of any witnesses and the production of any books or papers that it may deem necessary or appropriate to the conduct of its study.

The study commission shall evaluate market conditions resulting from the implementation of the aforesaid two acts with respect, but not limited to: market availability, affordability and equity of automobile insurance coverage; the operation and effectiveness of the modified two tier rating system, including the effectiveness and adequacy of merit rating plans and surcharge systems; the fairness of, and statistical basis for territory and classification systems in use; the effectiveness of the prior approval system; the effectiveness and fairness of the New Jersey Automobile Full Insurance Underwriting Association, including the adequacy and fairness of its funding system; and the creation of genuinely competitive market conditions.

The commission shall report its findings and recommendations on how to further improve the equity, availability and affordability of automobile insurance coverage, to the Governor and Legislature not later than three years following the operative date of this act.

C. 17:30E-24 Severability.

36. (New section) Severability. The provisions of this act shall be severable, and if any of its provisions shall be held to be unconstitutional, the decision of the court shall not affect the validity of the remaining provisions of this act, except that the provisions of section 25 shall not be severable from the provisions of sections 13 to 31, and if any of the provisions of section 25 shall be held to be unconstitutional, the commissioner shall establish a plan for the providing of automobile insurance pursuant to P. L. 1970, c. 215 (C.17:29D-1).

37. Sections 1 through 36 shall take effect on January 1, 1983, but shall, except as otherwise specifically provided, remain inoperative until January 1, 1984 in order to permit the taking of such measures as may be necessary for the implementation thereof.

Approved February 10, 1983.
CHAPTER 66

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Notwithstanding the provisions of any law to the contrary, the dates concerning the introduction and approval and adoption of municipal budgets for 1983 shall be as follows:
   a. The governing body shall introduce and approve the annual budget of the municipality not later than March 17 of the fiscal year.
   b. The municipal budget proposing the increase shall be introduced and approved in the manner otherwise provided in N. J. S. 40A:4-5 at least 20 days prior to the date on which the referendum is to be held, and shall be published in the manner otherwise provided in N. J. S. 40A:4-6 at least 12 days prior to the referendum date.

C. 13:1E-9 Enforcement of environmental codes, rules, regulations.

9. a. All codes, rules and regulations adopted by the department related to solid waste collection and disposal shall have the force and effect of law. Such codes, rules and regulations shall be observed throughout the State and shall be enforced by the department and by every local board of health, or county health department, as the case may be.

The department and the local board of health, or the county health department, as the case may be, shall have the right to enter a solid waste facility at any time in order to determine compliance with the registration statement and engineering design, and with the provisions of all applicable laws or rules and regulations adopted pursuant thereto.

The municipal attorney or an attorney retained by a municipality in which a violation of such laws or rules and regulations adopted pursuant thereto is alleged to have occurred shall act as counsel to a local board of health.

The county counsel or an attorney retained by a county in which a violation of such laws or rules and regulations adopted pursuant thereto is alleged to have occurred shall act as counsel to the county health department.

Any county health department may charge and collect from the owner or operator of any sanitary landfill facility within its jurisdiction such fees for enforcement activities as may be established by ordinance or resolution adopted by the governing body of any such county. Such fees shall be established in accordance with a fee schedule regulation to be adopted by the department, pursuant to law, within 60 days of the effective date of this amendatory act and shall be utilized exclusively to fund such enforcement activities.

All enforcement activities undertaken by county health departments pursuant to this subsection shall conform to all applicable performance and administrative standards adopted pursuant to section 10 of the "County Environmental Health Act," P. L. 1977, c. 443 (C. 26:3A2-28).

b. The commissioner, a local board of health or county health department may institute an action or proceeding in the Superior
Court for injunctive and other relief, including the appointment of a receiver for any solid waste collection or disposal facility or operation, which is established or operated in violation of this act, or of any code, rule or regulation promulgated pursuant to this act and said court may proceed in the action in a summary manner. In any such proceeding the court may grant temporary or interlocutory relief, notwithstanding the provisions of R.S. 48:2-24.

Such relief may include, singly or in combination:

(2) Assessment of the violator for the costs of any investigation, inspection, or monitoring survey which led to the establishment of the violation, and for the reasonable costs of preparing and litigating the case under this subsection;
(3) Assessment of the violator for any cost incurred by the State in removing, correcting or terminating the adverse effects upon water and air quality resulting from any violation of any provision of this act or any rule, regulation or condition of approval for which the action under this subsection may have been brought;
(4) Assessment against the violator of compensatory damages for any loss or destruction of wildlife, fish or aquatic life, and for any other actual damages caused by any violation of this act or any rule, regulation or condition of approval established pursuant to this act for which the action under this subsection may have been brought. Assessments under this subsection shall be paid to the State Treasurer, or to the local board of health, or to the county health department, as the case may be, except that compensatory damages may be paid by specific order of the court to any persons who have been aggrieved by the violation.

If a proceeding is instituted by a local board of health or county health department, notice thereof shall be served upon the commissioner in the same manner as if the commissioner were a named party to the action or proceeding. The department may intervene as a matter of right in any proceeding brought by a local board of health or county health department.

c. Any person who violates the provisions of this act or any code, rule or regulation promulgated pursuant to this act shall be liable to a penalty of not more than $25,000.00 per day, to be collected in a civil action commenced by a local board of health, a county health department, or the commissioner by a summary proceeding under "the penalty enforcement law" (N.J. S. 2A:58-1 et seq.) in the Superior Court, county district court, or a municipal court, all of
which shall have jurisdiction to enforce "the penalty enforcement law" in connection with this act. If the violation is of a continuing nature, each day during which it continues after the date given by which the violation must be eliminated in accordance with the order of the department shall constitute an additional, separate and distinct offense.

d. The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances, including a rebate of any such penalty paid up to 90% thereof, where such person satisfies the department within 1 year or such other period as the department may deem reasonable that such violation has been eliminated or removed or that such order or injunction has been met or satisfied, as the case may be.

STATEMENT TO SENATE BILL No. 1649

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 1649 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill provides a supplemental appropriation to the County and Municipal Government Study Commission in the amount of $150,000. I note that the sum of $150,000 is the projected amount which the Commission needs to operate for a full fiscal year. At this time, since much of the '83 fiscal year has passed, the Commission does not need the full appropriation. I am advised that the sum of $65,000 will be sufficient for the Commission to meet its FY '83 obligations. For this reason, I am reducing the supplemental appropriation to the Commission to $65,000.

a. Purchase or hold as collateral security or otherwise and sell and transfer any bonds or public stock issued, created or guaranteed by the United States, or any territory or insular possession thereof, or the Commonwealth of Puerto Rico, or by this State, or by any of the other states of the United States or the District of Columbia, or by Canada or any of the provinces thereof, or by any of the incorporated cities, counties, parishes, townships or other municipal corporations situated in any of the places hereinabove mentioned; or bonds authorized to be issued by any commission appointed by the Supreme Court of this State as the said court was constituted prior to September 15, 1948.

b. Purchase or hold real estate for business or residential purposes (other than as provided for in sections 17:19-8 to 17:19-12, inclusive, of this Title) as an investment for the production of income, and improve or otherwise develop such real estate; provided, that if the commissioner shall determine, after due hearing upon notice to any such insurance company, that the interests of such insurance company's policyholders require that any specified real estate so purchased or held be disposed of, then such insurance company shall dispose of such real estate within such reasonable time as the commissioner shall direct; and provided further, the aggregate amount of such investments for the production of income, but excluding real estate held as provided for in said sections 17:19-8 to 17:19-12, inclusive, shall not exceed 5% of the total admitted assets of such insurance company as of December 31 next preceding. The term "real estate for business or residential purposes" as used in this subsection b. shall include any real property used or operated as a part of or in connection with a business or a residential development, and shall also include a leasehold of such real estate having an unexpired term of not less than 20 years, inclusive of the term or terms which may be provided by any enforceable option or options of extension or of renewal. For the purpose of this subsection c., fee simple or leasehold real estate or any interest therein shall not be deemed to be encumbered within the meaning of this subsection c. by reason of the existence of taxes or assessments that are not delinquent, easements, profits or licenses, nor by reason of building restrictions or other restrictive covenants, nor when such real estate or interest therein is subject to lease in whole or in part whereby rents or profits are reserved to the owner; provided, that the security created by the mortgage or trust deed on such real estate or interest therein securing such bond or note is a first lien upon such real estate or interest therein. No insurance company shall, pursuant to this subsection c., invest in or loan upon the security of any one property more than $30,000.00 or more than 2% of its total admitted assets, whichever is the greater. provided further, that no purchase of its own stock shall be made by any insurance company except for the purpose of the retirement of such stock or except as specifically permitted by any law of this State applicable by its terms only to insurance companies.

f. Invest in bonds or notes evidencing loans if the full amount of any such loan is insured by the government of the United States, or by the Administrator of the Farmers' Home Administration pursuant to the Bankhead-Jones Farm Tenant Act of 1937, as heretofore or hereafter amended.

g. Make loans or investments not qualifying or permitted under the preceding subsections of this section to an amount, not including the amount of investments otherwise expressly authorized by law, not exceeding in the aggregate at any one time 5% of the total admitted assets of such insurance company as of December 31 next preceding.

2. R. S. 17:24-12 is amended to read as follows:

Driving while prohibited; penalties.

39:3-40. No person to whom a driver’s license has been refused or whose driver’s license or reciprocity privilege has been suspended or revoked, or who has been prohibited from obtaining a driver’s license, shall personally operate a motor vehicle during the period of refusal, suspension, revocation, or prohibition.

No person whose motor vehicle registration has been revoked shall operate or permit the operation of such motor vehicle during the period of such revocation.

A person violating this section shall be subject to the following penalties:

a. Upon conviction for a first offense, a fine of $500.00;

b. Upon conviction for a second offense, a fine of $750.00 and imprisonment in the county jail for not more than five days;

c. Upon conviction for a third offense, a fine of $1,000.00 and imprisonment in the county jail for 10 days;

d. Upon conviction, the court shall impose or extend a period of suspension not to exceed six months;
e. Upon conviction, the court shall impose a period of imprisonment for not less than 45 days, if while operating a vehicle in violation of this section a person is involved in an accident resulting in personal injury.

Notwithstanding paragraphs a. through e., any person violating this section while under a suspension issued pursuant to R.S. 39:4-50, upon conviction, shall be fined $500.00, shall have his license to operate a motor vehicle suspended for an additional period of not less than one year nor more than two years, and may be imprisoned in the county jail for not more than 90 days.

2. R.S. 39:4-50 is amended to read as follows:

Penalties for driving while intoxicated.

39:4-50. (a) A person who operates a motor vehicle while under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug, or permits another person who is under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug to operate a motor vehicle owned by him or in his custody or control, shall be subject, for the first offense, to a fine of not less than $250.00 nor more than $400.00 or imprisonment for a term of not more than 30 days, or both, in the discretion of the court, and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of not less than six months nor more than one year. Except as hereinafter provided, for a second violation, he shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, or may be sentenced to imprisonment for a term of not more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director, consistent with subsection (b) of this section. Except as hereinafter provided, for a third or subsequent violation, he shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days, except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and shall thereafter forfeit
his right to operate a motor vehicle over the highways of this State for 10 years. If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. A court that imposes a term of imprisonment under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, or to an inpatient rehabilitation program approved by the Director of the Division of Motor Vehicles.

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) In addition to any other requirements provided by law, a person convicted under this section must satisfy the requirements of a program of alcohol education or rehabilitation approved by the Director of the Division of Motor Vehicles. Failure to satisfy such requirements shall result in a driver license revocation or suspension or continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with Rule 7:8-2 of the N. J. Court Rules, 1969, or R. S. 39:5-22. A fee, not to exceed $40.00, shall be payable to the director from every person required to satisfy the requirements of a program of alcohol education or rehabilitation under the provisions of this section.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver's license or licenses of the person so convicted and forward such license or licenses to the Director of the Division of Motor Vehicles. The court shall inform the person convicted that if he is convicted of personally operating a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R. S. 39:3-40. In the event that a person convicted under this section is the holder of any out-
of-state driver's license, the court shall not collect the license but shall notify forthwith the director, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section.

(d) The Director of the Division of Motor Vehicles shall promulgate administrative rules and regulations in order to effectuate the purposes of this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing Criminal Practice, as set forth in the Rules Governing the Courts of the State of New Jersey.

3. (New section) A person who, prior to the effective date of this amendatory and supplementary act, was sentenced for violating R. S. 39:3-40 while under a suspension issued pursuant to R. S. 39:4-50 may apply to the court to have his sentence reduced in accordance with the provisions of this act.

4. (New section) In any case pending on or initiated after the effective date of this act involving an offense committed prior to that date, the court, with the consent of the defendant, shall impose sentence under the provisions of this act. If the defendant does not consent to the imposition of sentence under the provisions of this act, the court shall impose sentence under the law which was in effect at the time of the commission of the offense.

5. This act shall take effect immediately.

Approved March 7, 1983.

CHAPTER 91

Be it enacted by the Senate and General Assembly of the State of New Jersey:
1. Section 2 of P. L. 1962, c. 152 (C. 33:1-12.32) is amended to read as follows:

C. 33:1-12.32 Hotel, restaurant, bowling alley liquor licenses.

2. The provisions of this act shall not apply to the acquisition of an additional license or licenses or an interest therein, when such license is issued to a person for use in connection with the operation of a hotel containing at least 50 sleeping rooms, for use in connection with the operation of a restaurant, or for use in connection with the operation of a bowling establishment consisting of more than 20 lanes, but only so long as the person uses the license in connection with the operation of that bowling establishment, nor shall the provisions of this act affect the right of any person to dispose of an interest in a license or licenses by will or to the transfer of such an interest by descent and distribution.

Any additional license acquired for use in connection with a restaurant or bowling establishment consisting of more than 20 lanes, as herein authorized, shall be limited, however, to the sale of alcoholic beverages for consumption on the licensed premises only.

2. This act shall take effect immediately.

Approved March 11, 1983.

CHAPTER 92

An Act concerning mandatory minimum terms of imprisonment for commission of certain crimes with a firearm and amending N. J. S. 20:43-5.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. N. J. S. 20:43-5 is amended to read as follows:

Young adult offenders.

20:43-5. Young Adult Offenders. Any person who, at the time of sentencing, is less than 26 years of age and who has been convicted of a crime may be sentenced to an indeterminate term at the Youth Correctional Institution Complex, in accordance with R. S. 30:4-146 et seq., in the case of men, and to the Correctional
CHAPTERS 92 & 93, LAWS OF 1983

Institution for Women, in accordance with R. S. 30:4-153 et seq., in the case of women, instead of the sentences otherwise authorized by the code. This section shall not apply to any person less than 26 years of age at the time of sentencing who qualifies for a mandatory minimum term of imprisonment without eligibility for parole, pursuant to subsection c. of N. J. S. 2C:43-6; however, notwithstanding the provisions of subsection c. of N. J. S. 2C:43-6, the mandatory minimum term may be served at the Youth Correctional Institution Complex or the Correctional Institution for Women.

2. This act shall take effect immediately.

Approved March 11, 1983.

CHAPTER 93

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. All new solid waste facilities, other than privately-owned, noncommercial, on-site industrial solid waste facilities which do not accept solid waste generated from any other source and solid waste facilities used exclusively for the land disposal of sludge, shall install and use scales to determine the gross and net tare weight of all vehicles disposing of solid waste at these facilities. The registered operator of each new facility shall maintain a monthly record of the weight and vehicle information for the solid waste disposed of at the facility. This information shall be forwarded to the department on a monthly basis and shall be made available by the department for public inspection. For the purposes of this act, a “new solid waste facility” means any solid waste facility for which a registration statement and engineering design has been filed with the department subsequent to the effective date of this act. The department may adopt regulations or guidelines exempting any class of new solid waste facility from this requirement, except that in no case shall the department exempt any
facility the total disposal design capacity of which exceeds 100,000 tons of non-liquid solid waste, as computed by the department. All existing solid waste facilities that are identified in an approved district solid waste management plan for operation after January 1, 1985 and which accept in excess of 31,200 tons of non-liquid solid waste annually, as computed by the department, shall install scales within six months of the effective date of this act. Any existing solid waste transfer station, or any solid waste transfer station for which a registration statement and engineering design are filed after the effective date of this act, which accepts less than 31,200 tons of non-liquid solid waste annually, as computed by the department, shall be exempt from the provisions of this act.

C. 13:1E-118 Rate schedule.
  2. a. The Board of Public Utilities shall, in accordance with the provisions of the “Solid Waste Utility Control Act of 1970” (P. L. 1970, c. 40; C. 48:13A-1 et seq.), establish an equitable rate schedule based upon weight for the solid waste disposed of at all solid waste facilities required to install scales pursuant to this act.
   b. In instances where solid waste to be disposed is of substantially higher or lower density than normal, the solid waste facility shall weigh the waste, but the board, at its discretion, or upon petition, may require the amendment of any tariff to provide for rates based on factors in addition to weight.

C. 13:1E-119 Increase in tariffs.
  3. a. Any solid waste facility required to install scales pursuant to this act may petition the Board of Public Utilities for an increase in its tariff which reflects the costs reasonably incurred by the facility in complying with this act. The board, within 60 days of the receipt of such a petition, shall determine the extent to which these costs shall be passed along to the users of the solid waste facility as an automatic surcharge on any tariff filed with, and recorded by, the board for the operation of the solid waste facility.
   b. The board, within 60 days of the computation of any increase in a solid waste disposal tariff pursuant to subsection a. of this section, shall issue an appropriate order increasing current tariffs established pursuant to law for solid waste collection by an amount equal to the total amount of the increase in the relevant solid waste disposal tariff calculated pursuant to subsection a. of this section. In issuing this order, the board shall be exempt from the provisions of section 31 of P. L. 1962, c. 198 (C. 48:2-21.2).
   c. For the purposes of this act, all municipal, county, and State contracts for solid waste collection and disposal shall be deemed
to be tariffs for solid waste collection, and shall be subject to adjustment pursuant to the terms of this act.

4. The department shall, within 90 days of the effective date of this act, adopt regulations or guidelines for determining the weighing requirements and number of scales necessary for the timely, efficient and reliable operation of solid waste facilities.

C. 13:1E-121 Expenditures mandated by State law.
5. Any additional expenditures or incremental costs necessarily and reasonably incurred by any municipality for the disposal of solid waste as a direct result of the implementation of this act, requiring the installation and use of scales to determine the weight of all vehicles disposing of solid waste at solid waste facilities required to install scales pursuant to this act, shall, for the purposes of P. L. 1976, c. 68 (C. 40A:4-45.1 et seq.), be considered expenditures mandated by State law.

6. The tariffs established pursuant to this act shall not be levied upon the collectors or haulers of solid waste for that portion of the solid waste generated by the Federal Government or agencies thereof. The exemption from tariffs shall apply only to solid waste disposed of pursuant to contracts in effect prior to the effective date of this act. In order to qualify for an exemption from the new tariff schedule, a hauler shall certify to the board that the contract in question involves solid waste generated by the Federal Government or agencies thereof and was in effect prior to the effective date of this act. All solid waste to be disposed of pursuant to contracts which are entered into, or renewed, on or after the effective date of this act shall be subject to the provisions thereof.

7. This act shall take effect 60 days following enactment.

Approved March 11, 1983.
CHAPTER 94

AN ACT concerning financial responsibility for certain public utility accidents, and supplementing Title 48 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 48:2-21.4 Short title.
1. This act shall be known and may be cited as the “Public Utility Accident Fault Determination Act.”

C. 48:2-21.5 Findings, declarations.
2. The Legislature finds and declares that the Board of Public Utilities has the statutory responsibility to fix just and reasonable electric utility rates; that the board, in carrying out this responsibility, must balance the interests of the public utilities, their stockholders, and the consuming public; that an accident at an electric generating or transmission facility, as recent experience indicates, may, by reason of the extraordinary costs involved in the cleanup and repair of the facility, in purchasing replacement power, and in paying any damages, seriously affect the financial condition of any utility that has a full or part interest in any such disabled facility; and that to insure maximum protection for, and an equitable sharing of costs among, the utility, its ratepayers, and its stockholders, it is necessary to establish a special hearing procedure to determine the party or parties at fault, if any, and to develop guidelines concerning the establishment of remedies and the apportionment of financial responsibility.

3. Upon any request by a utility for a rate increase to recover costs in excess of $10 million attributable to an accident, including any accident occurring prior to the effective date of this act, at an electric generating or transmission facility in which it has a full or part interest, the board shall conduct a separate hearing or series of hearings to investigate all circumstances related to the accident, and to make a finding of fault, if any, pursuant thereto. The hearing shall not act to bar an application by a utility for a rate increase to recover any increase in costs which is determined by the board to be totally unrelated to the accident. For the purposes of this determination, fault shall be assigned to any party whose negligent actions or omissions either contributed substantially to causing the accident, or failed to mitigate its severity.
C. 48:2-21.7 Limited recovery from ratepayers.

4. a. In fixing just and reasonable rates pursuant to Title 48 of the Revised Statutes, the board shall not authorize a utility determined to be at fault pursuant to section 3 of this act to recover from its ratepayers any fault-related repair, cleanup, additional incremental costs for purchased power, or damage costs resulting from an accident at an electric generating or transmission facility, except as provided in subsection b. of this section.

b. Once fault has been determined, and the costs related to that fault which the utility may not recover from its ratepayers have been established, the board shall consider whether, and if so to what extent, to permit the utility to mitigate denied fault costs through the following:

(1) The undertaking of a program under utility sponsorship to assist consumers in realizing the maximum feasible benefits of energy conservation, which shall include at a minimum:

(a) direct utility investment in renewable energy, energy conservation, and energy efficiency improvement programs;

(b) the lending of funds without interest for at least five years to customers for their investment in renewable energy, energy conservation and energy efficiency improvement measures;

(c) assistance to consumers whose homes are heated by electric resistance heating systems to convert to alternate systems; or

(d) some combination of the above; or

(2) Other mitigating measures as approved by the board.

In determining the appropriate mitigation measures which, taken together, shall constitute the appropriate remedy, the board shall not authorize a utility to mitigate costs, in whole or in part, by sponsoring any energy conservation program which has not been approved by the State agency or department which the Governor, within 60 days of the effective date of this act, designates as appropriate.

c. The board shall not approve any mitigating measures which would jeopardize the utility's ability to provide safe, adequate, and proper service. The board may authorize the utility to recover as an operating expense that portion of the cost of the mitigating measures that the board determines to be necessary to the utility's ability to provide safe, adequate, and proper service; the board shall support a determination with a written report containing findings
of fact and conclusions of law and a concise and explicit statement of the underlying facts supporting the determination.

d. Nothing in this section, however, shall impair the board's power to authorize interim relief necessary to enable the utility to continue to provide safe, adequate, and proper service. Interim relief authorized during the pendency of the hearing may be recognized as an offset to the final determination made by the board of the conclusion of the hearing.

C. 48:2-21.8 Authorized operating expenses.

5. a. The board shall not authorize a utility to include as an operating expense pursuant to subsection a. of section 4 any greater percentage of the repair, cleanup, or damage costs resulting from an accident at an electric generating or transmission facility than its percentage of ownership in the facility.

b. The board shall authorize as an operating expense without regard to fault such costs as the board certifies are appropriate to contribute to any national cost-sharing formula enacted by the United States Congress or any voluntary cost-sharing plan approved by the board, to the extent that the board certifies that these costs are reasonable and fairly apportioned and that other affected states and utilities are committed to meeting their fair shares; except that the authorization of costs as certified by the board shall not absolve the utility from any assessment of fault and its obligation under the remedy imposed by the board.

6. In determining fault as provided in section 3 of this act, the board shall consider any credible, fair and public assessments rendered by any special presidential commissions or other federal agencies charged with the responsibility of regulating the subject activity.

These assessments shall be accepted by the board into evidence under the doctrine of official notice, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), as long as they are relevant. Parties shall not be precluded from presenting additional evidence relevant to the fault determination.

7. This act shall take effect immediately.

Approved March 11, 1983.

(i) "State Tax Commissioner" or "director" means the Director of the Division of Taxation in the Department of the Treasury.

(j) "Cogenerator" means a person or business entity which owns or operates a cogeneration facility in the State of New Jersey, which facility is a plant, installation or other structure whose primary purpose is the sequential production of electricity and steam or other forms of useful energy which are used for industrial, commercial, heating or cooling purposes; and which is designated by the Federal Energy Regulatory Commission, or its successor, as a "qualifying facility" pursuant to the provisions of the "Public Utilities Regulatory Policies Act of 1978," Pub. L. 95–617.

C. 48:2-29.37 Credit to cogenerating ratepayer.

2. (New section) The Board of Public Utilities is hereby empowered to and shall direct every electric utility to allow any ratepayer who is also a cogenerator and who sells cogenerated electricity to the utility and repurchases electricity from the utility a
credit against that ratepayer's electricity charges. The credit shall be in an amount equal to the gross receipts and franchise taxes imposed by P. L. 1940, c. 5 (C. 54:30A-49 et seq.) which, except for the provisions of section 2 of P. L. 1940, c. 5 (C. 54:30A-50), would have been paid by the utility on receipts received by the utility from the cogenerating ratepayer in payment for cogenerated electrical energy resold by the utility to the producing cogenerator where produced. The credit provided by this act shall be computed during each regular billing period. The credit for any given billing period may be utilized by the cogenerating ratepayer against any electricity purchases up to six months after said billing period.

3. This act shall take effect immediately.

Approved March 11, 1983.

Notwithstanding any provision of this act to the contrary, the chief of police of each municipality in this State shall issue to any person who has temporarily lost the use of one or more limbs or is temporarily disabled as to be unable to ambulate without the aid of an assisting device or whose mobility is otherwise temporarily
limited, as certified by a physician with a plenary license to practice medicine and surgery in this State or a bordering state, a temporary placard of not more than 6 months' duration. C. 45:16-9.4 Certificate of registration.

4. Every person licensed to practice veterinary medicine, surgery and dentistry shall procure a certificate of registration which shall be issued upon the payment of a fee determined by the board for a 2 year period. A registrant not residing and not practicing in this State shall pay a fee determined by the board. The secretary shall mail to each person licensed to practice veterinary medicine, surgery and dentistry at least 30 days prior to the deadline for registration a printed blank form to be properly filled in and returned to said secretary by such licensed person on or before the deadline for registration, together with such fee. Upon the receipt of said form properly filled in, and such fee, the certificate of registration shall be issued and transmitted.

The failure on the part of the licensee to renew his certificate as required shall not deprive such person of the right of renewal. The fee to be paid if the certificate be renewed after the expiration date shall be determined by the board. Notice to the licensee by mail on or before the deadline for registration, addressed to his last post-office address known to the board, informing him of his failure to have applied for a renewal of his license certificate, shall constitute legal notification of such delinquency by the board.

Applications for renewal of certificates shall be in writing to the board, accompanied by the required fees. The license of any person who fails to procure a renewal of certificate at the time and in the manner required by this section shall be suspended by the
board upon notice. Any license so suspended shall be reinstated at any time upon the payment of all past-due annual registration fees and an additional reinstatement fee determined by the board. The board may require that any applicant for registration who has ceased the practice of veterinary medicine for a period in excess of 5 years be reexamined by the board and be required to complete additional continuing education requirements as a prerequisite to relicensure by the board. Any person whose license shall have been suspended for such cause shall, during the period of such suspension, be regarded as an unlicensed person and, in case he shall continue or engage in the practice of veterinary medicine, surgery or dentistry during such period, shall be liable to penalties pursuant to the provisions of P. L. 1978, c. 73 (C. 45:1-14 et seq.).

Every duly licensed person, before commencing the practice of veterinary medicine, surgery and dentistry in this State, shall, within 30 days of the commencement of such practice, procure the certificate of registration required in this act.

Every person practicing veterinary medicine, surgery and dentistry in this State shall conspicuously display at all times his license and registration certificate for the effective 2 year period in his main office. Every licensee holding an active registration certificate who may practice at any place other than that address for which his active registration certificate is issued, shall obtain from the Secretary a duplicate certificate for a fee determined by the board, to be displayed at the place of practice.

Every practitioner of veterinary medicine, surgery and dentistry, licensed under the provisions of this chapter, shall report to the said board in writing any change in his place of practice, whether same be his main office or branch office, within 30 days of such change.

However, this section shall not apply to corporations incorporated under Title 14A of the New Jersey Statutes, which limit the scope of their function to providing the animal health care services of spaying, castration, anesthetization and inoculation.

An applicant for such a temporary permit must associate himself with a qualified licensed veterinarian and his labors shall be limited to the practice of the qualified veterinarian. Each assistant shall be under the responsible supervision of a licensed practicing veterinarian. Said applicant must present himself for examination at the next scheduled examination of the board. There shall be a fee determined by the board for the aforementioned permit, which fee shall be applied toward the examination fee, but shall be forfeited if the applicant fails to present himself at the next scheduled examination. If the applicant does not pass the examination, additional permits may be issued but not to exceed 3. Application for such permit shall be countersigned by the registered licensed veterinarian with whom the candidate will be associated. A candidate who has failed to appear for an examination or who has failed an examination and who has subsequent thereto failed to renew his permit is disqualified to practice the profession of veterinary medicine, surgery, and dentistry.

A lawfully qualified veterinarian of another state who meets the requirements of this State for admission by examination may take charge temporarily of the practice of a lawfully qualified veterinarian of this State during his absence from such practice, not to exceed 90 days, unless renewed, upon written request to the board for permission to do so and upon payment of a fee as determined by the board. The board shall have the right to suspend or revoke any such temporary permit for a violation of this chapter by either the permittee or licensee-employer; provided that before any such permit shall be suspended or revoked, the accused person shall be afforded a hearing before the board, as provided in section 45:16-6 of this chapter.
A licensed practitioner may also use a veterinarian who is qualified under the provisions of the American Veterinary Medical Association's Education Commission for the Foreign Veterinary Graduate or who is qualified under any other training program approved by the board, who shall have obtained a training certificate from the board for this purpose. That person shall be under the direct and immediate supervision of the licensed practitioner.

Whenever any supplying municipality is exempt from the jurisdiction, regulation and control of the Board of Public Utilities, the rates charged to the billed customers within any other municipality shall be the same as those charged to customers within the supplying municipality. C. 48:7-17 Findings and determinations.
2. The Legislature finds and determines that it is the obligation
of the State to assure a safe and adequate supply of electricity to meet the needs of the residents of New Jersey; that, notwithstanding this obligation, any construction of new electric generation facilities, or substantial expansion of existing facilities, which brings electric generation capacity to a level significantly in excess of what will be required imposes a substantial and unreasonable financial burden on the ratepayers in the franchise area wherein these facilities are located; that widely fluctuating prices of fossil fuel resources and rapidly changing energy consumption patterns make long-term planning a complex and precarious enterprise; and, therefore, that a deliberative procedure assessing the future need for new electric generating capacity, taking into account existing capacity, long-range demand forecasts, prospective conservation efforts, and alternative means of satisfying this need, is necessary and appropriate to maintain electric rates at as low a level as possible consistent with the assurance of adequate supply.

C. 48:7-18 Definitions.

3. As used in this act:

a. "Commissioner" means the Commissioner of the Department of Energy;

b. "Construction" means on-site work to install any permanent equipment or structure for any facility, but does not include installation of environmental monitoring equipment or any work related thereto;

c. "Department" means the Department of Energy;

d. "Electric facility" means:

(1) Any electric power generating unit or combination of units at a single site with a combined production of 100 megawatts or more and any facilities appurtenant thereto; or

(2) Any electric generating units added to an existing electric generating facility which will increase its installed capacity by 25% or by more than 100 megawatts, whichever is smaller.

C. 48:7-19 Certificate of need.

4. No public utility shall commence construction of any electric facility without having obtained from the department a certificate of need therefor as hereinafter provided. No agency of the State, or any county or municipal government, shall issue any license or permit required for any such construction or substantial expansion prior to the issuance of a certificate of need therefor by the department.
C. 48:7-20  Early assessment stage.

5. Any utility planning to construct an electric facility shall, at least one year prior to the formal application for a certificate of need therefor, submit to the department a notice of intent on forms and in a manner specified by the department. Receipt by the department of the notice of intent shall initiate the early assessment stage of the certificate of need process. During the early assessment stage, the department shall hold public hearings, in the franchise area served by that utility, to solicit the views of concerned individuals and groups on the proposed facility; provide advice to the utility on the proposed facility and on relevant alternative ways of meeting projected electricity demand which will minimize rate increases, reduce any adverse environmental impact of the proposed facility, and address other objections to the proposed facility; and develop a comprehensive view of how the proposed facility and any suggested alternatives thereto will affect the long-range energy plans and economic development of the State and otherwise promote the public interest. Notice of each public hearing shall be published in a newspaper of general circulation in the region where the hearing is to be held, and in any other newspapers of general circulation which the commissioner determines appropriate to reach the greatest possible number of affected citizens.

During the early assessment stage, the department shall publish, in a manner designed to reach the maximum number of affected people, interim reports on the progress of its analysis of the proposed facility. No later than nine months after receipt of a notice of intent, the department shall publish a comprehensive report presenting its preliminary assessment concerning the proposed facility. The report shall address the major concerns expressed during the early assessment stage, and compare the proposed facility with feasible alternatives thereto.

C. 48:7-21  Determination of necessity.

6. A certificate of need shall be issued only if the commissioner determines that the proposed facility is necessary to meet the projected need for electricity in the area to be served, and that no more efficient, economical, or environmentally sound alternative is available. The commissioner shall make these determinations only if he finds that:

a. The probable result of denial of a certificate of need would adversely affect the future adequacy, reliability, or efficiency of the
electric energy supply to the public utility’s customers, or to the people of New Jersey, taking into account:

(1) The accuracy of the public utility’s demand forecast for the level of electric energy that would be supplied by the proposed facility;

(2) The probable effects of existing or prospective State and federal conservation programs;

(3) The effect of promotional practices of the public utility which may have given rise to the demand for this facility;

(4) The ability of current and planned facilities not requiring certificates of need, and to which the public utility has access, to meet the future demand; and

(5) The effect of the proposed facility in making efficient use of resources.

b. The consequences of issuing the certificate of need outweigh the consequences of denying the certificate, taking into account:

(1) The relationship of the proposed facility to overall State energy needs as determined by the State Energy Master Plan adopted pursuant to the “Department of Energy Act,” P. L. 1977, c. 146 (C. 52:27F-1 et seq.);

(2) The role of the proposed facility in inducing future development; and

(3) The socially beneficial uses of the output of the proposed facility, including its uses to protect or enhance environmental quality.

c. There is not a more reasonable and prudent alternative to the proposed facility, taking into account:

(1) The appropriateness of the size, type, and timing of the proposed facility compared to those of reasonable alternatives;

(2) The cost of the proposed facility and the cost of electric energy to be supplied by the proposed facility compared to the costs of reasonable alternatives and the cost of electric energy that would be supplied by reasonable alternatives;

(3) The impact of the proposed facility upon the social, economic, and health environments compared to the impact of reasonable alternatives; and

(4) The expected reliability of the proposed facility compared to the expected reliability of reasonable alternatives.

d. The design, construction, and operation of the proposed facility would comply with all relevant State and federal laws, rules, regulations and policies.
C. 48:7-22 Application for certificate of need.

7. a. Application for a certificate of need shall be made to the department, and shall be in such form and contain such information as the department may prescribe. The department may charge and collect a nonreturnable fee of not more than $250,000.00 for the filing, processing, and review of an application for a certificate of need. This fee shall cover the costs of the department's review of applications for a renewal of a certificate of need.

b. Upon receipt of a completed application, the department shall forward copies thereof to the board and to other appropriate State departments, agencies and instrumentalities for their review. These departments, agencies, and instrumentalities shall provide adequate mechanisms for full consideration of these applications, and for developing recommendations thereon. These recommendations shall be forwarded to the commissioner and to the applicant within 120 days of the date of referral. Recommendations concerning certificates of need shall be governed and based upon the principles and criteria set forth in section 6 of this act.

C. 48:7-23 Administrative Law hearing; department decision.

8. a. Upon receipt of a completed application for a certificate of need, the department shall transmit the application and all supporting documents, including the department's early assessment report, to the Office of Administrative Law, which shall conduct a hearing on the application pursuant to the provisions of P. L. 1978, c. 67 (C. 52:14F-1 et seq.). This hearing shall be an adjudicatory proceeding, and shall be conducted as a contested case pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.). The Division of Rate Counsel in the Department of the Public Advocate shall be deemed to be a party of interest in this proceeding and the Division of Rate Counsel shall be entitled to assess the applicant utility in the manner set forth in section 20 of P. L. 1974, c. 27 (C. 52:27E-19). Intervention in this hearing by any other person shall be as provided in the "Administrative Procedure Act."

b. The provisions of the "Administrative Procedure Act" to the contrary notwithstanding, within 6 months of receipt of the decision of the presiding administrative law judge, the department shall approve, conditionally approve, or deny the application. The department shall base its decision on the criteria set forth in section 6 of this act, and shall support its decision with a written report. The report shall address the issues raised and arguments advanced in the materials and information compiled during the
early assessment stage, in the department’s preliminary assessment report, in the materials and information developed by State agencies, departments, and instrumentalities, in the analyses of outside consultants retained by the department, in the record of the adjudicatory proceeding conducted by the administrative law judge, and in the written decision of the presiding administrative law judge.

c. In the case of a conditional approval of an application, the department shall provide the applicant utility with a clear statement of the conditions to be met, including any modifications in the proposed electric facility.

d. The provisions of any law, rule or regulation to the contrary notwithstanding, the department’s action on an application shall be considered the final agency action thereon for the purposes of the “Administrative Procedure Act,” and shall be subject only to judicial review as provided in the Rules of Court.

C. 48:7-24 Renewal of certificate of need.

9. A certificate of need shall be valid for 3 years, and shall be renewable subject to review by the commissioner; provided, however, that no renewal shall be denied without the approval of the board. In the event that the commissioner and the board cannot agree on any renewal decision, a designee of the Governor shall arbitrate the matter, and his decision shall be binding. If any renewal is denied, the holder of the certificate shall have the option of continuing the project, or to terminate or alter the project under terms and conditions, established by the board, which equitably balance the interests of the stockholders, the ratepayers, and the public utility.

C. 48:7-25 Rules, regulations.

10. The department shall, within 90 days of the effective date of this act and pursuant to the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.), adopt rules and regulations necessary to carry out the provisions of sections 1 through 9 of this act.

11. This act shall take effect immediately, but sections 1 through 9 shall remain inoperative for 90 days following enactment.

Approved March 30, 1983.

The privilege may be knowingly waived by a juvenile. In any instance where the juvenile is, in the opinion of the judge, incapable of knowing consent, the parent or guardian of the juvenile may waive the privilege on behalf of the juvenile, provided that the parent or guardian is not the defendant and does not have a relationship with the defendant such that he has an interest in the outcome of the proceeding.

e. The court shall state on the record the reasons for imposing the sentence, including its findings pursuant to the criteria for withholding or imposing imprisonment or fines under sections 2C:44-1 to 2C:44-3, where imprisonment is imposed, consideration of the defendant’s eligibility for release under the law governing parole and the factual basis supporting its findings of particular aggravating or mitigating factors affecting sentence.

2. N. J. S. 2C:45-1 is amended to read as follows:

Conditions of suspension or probation.

2C:45-1. Conditions of Suspension or Probation.

These conditions may be set forth in a set of standardized conditions promulgated by the county probation department and approved by the court.

b. The court, as a condition of its order, may require the defendant:

(13) To require the performance of community-related service.

c. When the court sentences a person who has been convicted of a crime to be placed on probation, it may require him to serve a term of imprisonment not exceeding 364 days as an additional condition of its order. When the court sentences a person convicted of a disorderly persons offense to be placed on probation, it may require him to serve a term of imprisonment not exceeding 90 days as an additional condition of its order. In imposing a term of imprisonment pursuant to this subsection, the sentencing court shall specifically place on the record the reasons which justify the sentence imposed. The term of imprisonment imposed hereunder shall be treated as part of the sentence, and in the event of a sentence of imprisonment upon the revocation of probation, the term of imprisonment served hereunder shall be credited toward service of such subsequent sentence. A term of imprisonment imposed under this section shall be governed by the "Parole Act of 1979," P.L. 1979, c. 441 (C. 30:4-123.45 et seq.).

Whenever a person is serving a term of parole as a result of a sentence of incarceration imposed as a condition of probation, supervision over that person shall be maintained pursuant to the provisions of the law governing parole. Upon termination of the period of parole supervision provided by law, the county probation department shall assume responsibility for supervision of the person under sentence of probation. Nothing contained in this section shall prevent the sentencing court from at any time proceeding under the provisions of this chapter against any person for a violation of probation.

d. The defendant shall be given a copy of the terms of his probation or suspension of sentence and any requirements imposed
pursuant to this section, stated with sufficient specificity to enable him to guide himself accordingly. The defendant shall acknowledge, in writing, his receipt of these documents and his consent to their terms.

3. This act shall take effect immediately.

Approved April 5, 1983.

CHAPTER 125

An Act to permit advances from the Unsatisfied Claim and Judgment Fund to the Division of Motor Vehicles in the Department of Law and Public Safety of those sums necessary for implementation by the division of the New Jersey Merit Rating Plan established pursuant to P. L. 1983, c. 65, providing for the repayment thereof, and amending P. L. 1952, c. 174.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. Section 3 of P. L. 1952, c. 174 (C. 39:6-63) is amended to read as follows:

C. 39:6-63 Calculation of probable amount needed to maintain fund.
3. For the purpose of creating and maintaining the fund:
   (a) (Deleted by amendment, P. L. 1968, c. 323, § 3.)
   (b) (Deleted by amendment, P. L. 1968, c. 323, § 3.)
   (c) (Deleted by amendment, P. L. 1968, c. 323, § 3.)
   (d) On December 30 in each year, beginning with 1956, the director shall calculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year. In such calculation, he shall take into consideration the amount presently reserved for pending claims, anticipated payments from the fund during said year, anticipated payments from the fund for medical expenses to be made pursuant to section 2 of this act during the two years after said year, anticipated amounts to be reserved for claims pending during said year, amounts transferred to the Division of Motor Vehicles pursuant to section 28 of P. L. 1952, c. 174 (C. 39:6-88), as amended by this 1983 amendatory act, and the desirability of maintaining a surplus
over and above such anticipated payments and present and anticipated reserves, such surplus not to exceed the amount actually paid from the fund during the 12 full calendar months immediately preceding the date of calculation. Such probable amount which will be needed to carry out the provisions of this act shall be assessed against insurers for such year's contribution to the fund. Such probable amount needed shall be apportioned among such insurers in the proportion that the net direct written premiums of each bear to the aggregate net direct written premiums of all insurers during the preceding calendar year as shown by the records of the commissioner. Each insurer shall pay the sum so assessed to the treasurer on or before March 31, next following.

(e) Whenever any of the provisions of this act concerning the method and sources of assessments, the maximum amounts payable from the fund, eligibility or qualifications of claimants, or amounts to be deducted from payments made from the fund are amended by law, between January 1 and April 30 in any year, the director may, if he deems it necessary, rescind any assessment made on December 30 of the preceding year. He shall then, within 15 days of the adoption of such amendment, recalculate the probable amount which will be needed to carry out the provisions of this act during the ensuing registration license year, in accordance with the provisions of subsection (d) of this section. If, in his judgment, the estimated balance of the fund at the beginning of the next registration license year will be insufficient to meet such needs, he shall determine the contributions of insurers, if any, in accordance with the provisions of subsection (d) of this section. In the event of a rescission and reassessment subsequent to March 1 in any year, insurers shall pay the sum so assessed, if any, to the treasurer within 90 days of the date of such assessment.

2. Section 28 of P. L. 1952, c. 174 (C. 39:6-88) is amended to read as follows:

C. 39:6-88 Fund to be held in trust.

28. Fund to be held in trust. All sums paid to the director as Unsatisfied Claim and Judgment Fund fees and as additional charges against owners of uninsured motor vehicles shall be remitted to the treasurer within 30 days after the receipt of the same. All sums received by the treasurer pursuant to any of the provisions of this act shall become part of the fund, and shall be held by the treasurer in trust for the carrying out of the purposes of this act and for the payment of the cost of administering this act, and
for the payment of the costs of the Division of Motor Vehicles of implementing the New Jersey Merit Rating Plan pursuant to section 6 of P. L. 1983, c. 65 (C. 17:29A-35). The director shall certify to the treasurer the amount necessary to implement the New Jersey Merit Rating Plan pursuant to that section, and the treasurer shall thereupon disburse that amount from the fund. Moneys transferred to the Division of Motor Vehicles pursuant to this section shall be repaid, with interest at the prevailing rate as determined by the board, out of sums appropriated to the Division of Motor Vehicles from surcharges assessed in accordance with the New Jersey Merit Rating Plan established pursuant to section 6 of P. L. 1983, c. 65 (C. 17:29A-35). Said fund may be invested and reinvested in the same manner as other State funds and shall be disbursed according to the order of the treasurer, as custodian of the fund.

3. This act shall take effect immediately.

Approved April 5, 1983.

CHAPTER 126

An Act concerning commercial motor vehicles and omnibuses, amending R. S. 39:3-84 and supplementing chapter 3 of Title 39 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:3-84 is amended to read as follows:

Commercial motor vehicle, omnibus dimensional restrictions.

39:3-84. No commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any highway in this State, the outside width of which is more than 102 inches, inclusive of load, except that the Commissioner of Transportation may, in respect of highways where he considers that public safety requires it, specify by regulation a lower maximum width, which shall in no case be lower than 96 inches. No commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any highway in this State, the height of which exceeds 13\(\frac{1}{2}\) feet, inclusive of load, and no commercial motor vehicle, tractor or trailer shall be operated on any highway in this
State, the extreme overall length of which exceeds 35 feet either for a two-axle four-wheeled vehicle, inclusive of load, or 35 feet either for a three-axle six-wheeled vehicle, inclusive of load. No combination of vehicles containing more than two drawn vehicles, whether trailers or semitrailers, shall be operated on any highway in this State. A combination of vehicles containing two drawn vehicles may only be operated on those routes and under those conditions as the Commissioner of Transportation may prescribe, which shall be consistent with any rules and regulations promulgated by the Secretary of Transportation of the United States of America. The drawn vehicles in such a combination, whether trailers or semitrailers, shall not exceed 28$\frac{1}{2}$ feet in extreme overall length, inclusive of load. No tractor-semitrailer combination shall be operated on any highway in this State, the semitrailer of which exceeds 48 feet in extreme overall length, inclusive of load. A vehicle or vehicle inclusive of load exceeding the above limitations may be operated when a special permit so to operate is secured in advance from the director. The application for such permit shall be accompanied by a fee fixed by the director. A special permit issued by the director shall be in the possession of the operator of the vehicle for which such permit was issued. In computing any dimensions of a vehicle, or vehicle and load, for the purposes of this section, there shall not be included in the dimensional limitations safety appliances such as mirrors or lights, or chains or similar fasteners used for the securing of cargo, provided such appliances or fasteners do not exceed the overall limitations established by the director by rule or regulation.

In the case of an omnibus the maximum width and length dimensions shall be such as the Department of Transportation prescribes, but no outside width in excess of 102 inches shall be prescribed with respect to one or more highways specified or otherwise described except upon certification, (1) of the Division of Motor Vehicles in the Department of Law and Public Safety that the proposed width is not unsafe for use on the highways in this State and (2) of the State Department of Transportation that the proposed width, if in excess of 102 inches, is not in conflict with the requirements of any agency of the United States having jurisdiction over the National System of Interstate and Defense Highways authorized by law. No outside width so prescribed shall be valid if the allowance of use of the same would disqualify the State of New Jersey or any department, agency or governmental sub-
division thereof for the purpose of receiving federal highway funds. The Commissioner of Transportation may, in respect of highways where he considers that public safety requires it, specify by regulation a lower maximum width, which shall in no case be lower than 96 inches.

In the case of farm tractors and traction equipment and farm machinery and implements, the maximum width and length shall be such as the Director of the Division of Motor Vehicles shall prescribe by uniform rules and regulations but the operation of such vehicles shall be subject to the provisions of R. S. 39:3–24 and any such vehicle shall not be operated on any highway which is part of the National System of Interstate and Defense Highways or on any highway which has been designated a freeway or parkway as provided by law.

In the case of commercial motor vehicles, trailers and semitrailers including farm trucks, while loaded with hay or straw the maximum width of the load shall not exceed 105½ inches, except that the Commissioner of Transportation may by regulation prescribe a maximum width of 102 inches in the case of certain highways where he determines federal laws and regulations require it.

Notwithstanding any other provision of this section, the director may adopt regulations specifying maximum length dimensions for any vehicle or combination of vehicles designed, built and used solely to transport other motor vehicles.

The gross weight imposed on the highway by the wheels of any one axle of a vehicle shall not exceed 22,400 pounds.

For the purpose of this Title the gross weight imposed on the highway by the wheels of any one axle of a vehicle shall be deemed to mean the total load transmitted to the road by all wheels whose centers are included between two parallel transverse vertical planes less than 40 inches apart, extending across the full width of the vehicle.

The combined gross weight imposed on the highway by all wheels of all axles whose centers are on or between two parallel transverse vertical planes spaced 40 inches, but less than 96 inches apart, extending across the full width of the vehicle, shall not exceed 34,000 pounds.

In addition to the other requirements of this section and notwithstanding any other provision of this Title, no commercial motor vehicle, tractor, trailer or semitrailer shall be operated on any
highway in this State with a combined weight of vehicle and load, an axle weight or a vehicle dimension the allowance of which would disqualify the State of New Jersey or any department, agency or governmental subdivision thereof for the purpose of receiving federal highway funds.

The dimensional and weight restrictions set forth herein shall not apply to a combination of vehicles which includes a disabled vehicle or a combination of vehicles being removed from a highway in this State, provided that such oversize or overweight vehicle combination may not travel on the public highways more than 5 miles from the point where such disablement occurred. If the disablement occurred on a limited access highway, the distance to the nearest exit of such highway shall be added to the 5-mile limitation.

2. (New section) The Commissioner of Transportation pursuant to the provisions of the “Administrative Procedure Act,” P. L. 1968, c. 410 (C. 52:14B-1 et seq.) shall adopt any rules and regulations necessary to carry out the purposes of this act.

3. This act shall take effect April 6, 1983.

Approved April 6, 1983.

The corporation shall not change its corporate name on or after the effective date of this act to a name which is not available for corporate use under this section.

(2) This section shall not prevent a domestic corporation (a) with which another corporation, domestic or foreign, is merged, or (b) which is formed by the reorganization or consolidation of one or more domestic or foreign corporations, or (c) which receives upon a sale, lease or other disposition from, or exchange with, another corporation, domestic or foreign, all or substantially all the assets of the other corporation including its name, from having the same corporate name as any of those corporations if, at the time, the other corporation was organized under the laws of, or is authorized to conduct activities in, this State.

15A:2-3. USE OF NAME OTHER THAN ACTUAL CORPORATE NAME.

a. No domestic corporation, or foreign corporation which conducts activities in this State within the meaning of section 15A:13-3 shall conduct any activities in this State using an alternate name including an abbreviation of its corporate name or an acronym unless:

(1) It also uses its actual corporate name in the transaction of any of its activities in a manner as not to be deceptive as to its actual identity; or

(2) It has been authorized to conduct activities in this State
using the alternate name as provided in subsection c. of section 15A:2-2; or

(3) It has first registered the alternate name as provided in this section.

b. Any corporation may adopt and use any alternate name, including any which would be unavailable as the name of a domestic or foreign corporation because of the prohibitions of paragraph (2) of subsection a. of section 15A:2-2, but not including any name prohibited as a corporate name by paragraph (3) or (4) of subsection a. of section 15A:2-2, by filing an original and a copy of a certificate of registration of alternate name with the Secretary of State executed on behalf of the corporation. The Secretary of State shall forward the copy to the Attorney General. The certificate shall set forth:

(4) That the corporation intends to use the alternate name in this State;
(5) That the corporation has not previously used the alternate name in this State in violation of this section or, if it has, the month and year in which it commenced the use.

c. The registration shall be effective for 5 years from the date of filing and may be renewed successively for additional 5-year periods by filing an original and a copy of a certificate of renewal executed on behalf of the corporation at any time within 90 days prior to, but not later than, the date of expiration of the registration. For the purpose of this subsection, any part of a year shall be considered a full year.

f. The failure of a corporation to file a certificate of registration or renewal of an alternate name shall not impair the validity of any contract or act of the corporation and shall not prevent the corporation from defending any action or proceeding in any court of this State, but the corporation shall not maintain any action or proceeding in any court of this State arising out of a contract or act in which it used the alternate name until it has filed the certificate.

g. (1) A corporation which files a certificate of registration of alternate name which contains a false statement or omission regarding the date it first used an alternate name in this State shall, if the false statement or omission reduces the amount of the additional fee it paid or should have paid as provided in subsection e. of this section, forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(2) A corporation which ought to have filed a certificate of registration or renewal of alternate name and fails to do so within 60 days after being notified of its obligation to do so by certified or registered mail by the Secretary of State, by any other governmental officer, or by any person aggrieved by its failure to do so, shall forfeit to the State a penalty of not less than $200.00 nor more than $500.00.

(3) The penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in the action in a summary manner or otherwise.

15A:3-2. ULTRA VIRES TRANSACTIONS.

No act of a corporation and no conveyance or transfer of real or personal property to or by a corporation shall be invalid because the corporation was without capacity or power to do that act or to make or receive the conveyance or transfer, but the lack of capacity or power may be asserted:

a. In a proceeding by a member or trustee against the corporation to enjoin the doing of any act or the transfer of real or personal property by or to the corporation. If the unauthorized act or transfer sought to be enjoined is or is to be performed or made pursuant to any contract to which the corporation is a party, the court may, if all of the parties to the contract are parties to the proceeding and if it deems the same to be equitable, set aside and enjoin the performance of the contract, and in so doing may allow to the corporation or to the other parties to the contract, as the
case may be, compensation for the loss or damage sustained by either of them which may result from the action of the court in setting aside and enjoining the performance of the contract, but anticipated profits to be derived from the performance of the contract shall not be awarded by the court as a loss or damage sustained;

b. In a proceeding by the corporation, whether acting directly or through a receiver, trustee, or other legal representative, or through members in a representative suit, against the incumbent or former officers or trustees of the corporation;

c. In a proceeding by the Attorney General, as provided in this act, to dissolve the corporation, or in a proceeding by the Attorney General to enjoin the corporation from the transaction of unauthorized activities.

a. Any corporation, unless otherwise provided in its certificate of incorporation or bylaws, and subject to the purposes specified in its certificate of incorporation, may, irrespective of corporate benefit, aid, singly or in cooperation with other corporate entities and with natural persons, in the creation or maintenance of institutions or organizations engaged in activities for the purpose of which a corporation may be organized under this act; including institutions or organizations engaged in community fund, hospital, charitable, philanthropic, educational, scientific or benevolent activities or patriotic or civic activities conducive to the betterment of social and economic conditions. The trustees may appropriate, spend or contribute for the purposes reasonable sums as they may determine.

b. The provisions of this section shall not be construed as directly or indirectly minimizing or interpreting the rights and powers of corporations, provided for prior to the effective date of this act, with reference to appropriations, expenditures or contributions of the nature set forth in subsection a. of this section.

15A:3–4. Indemnification of Trustees, Officers and Employees.

a. As used in this section:

(1) “Corporate agent” means any person who is or was a trustee, officer, employee or agent of the indemnifying corporation
or of any constituent corporation absorbed by the indemnifying corporation in a consolidation or merger and any person who is or was a trustee, officer, employee or agent of any other enterprise, serving as such at the request of the indemnifying corporation, or of the constituent corporation, or the legal representative of the trustee, officer, employee or agent;

(2) "Other enterprise" means any domestic corporation, foreign corporation, or corporate business entity, other than the indemnifying corporation or any employee benefit plan or trust;

(3) "Expenses" means reasonable costs, disbursements and counsel fees;

(4) "Liabilities" means amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties; and

(5) "Proceeding" means any pending, threatened or completed civil, criminal, administrative or arbitratve action, suit or proceeding, and any appeal therein and any inquiry or investigation which could lead to the action, suit or proceeding.

b. Any corporation may indemnify a corporate agent against the agent's expenses and liabilities in connection with any proceeding involving the corporate agent because the agent is or was a corporate agent, other than a proceeding by or in the right of the corporation, if:

(1) the corporate agent acted in good faith and in a manner which the agent reasonably believed to be in or not opposed to the best interests of the corporation; and

(2) with respect to any criminal proceeding, the corporate agent had no reasonable cause to believe the conduct was unlawful.

The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the corporate agent did not meet the applicable standards of conduct set forth in paragraphs (1) and (2) of subsection b. of this section.

c. Any corporation may indemnify a corporate agent against the agent's expenses in connection with any proceeding by or in the right of the corporation to procure a judgment in its favor which involves the corporate agent by reason of being or having been the corporate agent, if the agent acted in good faith and in a manner which the agent reasonably believed to be in or not opposed to the best interests of the corporation. However, in the proceeding no indemnification shall be provided in respect of any claim, issue or matter as to which the corporate agent was liable for negligence or
misconduct, unless and only to the extent that the Superior Court or the court in which the proceeding was brought shall determine upon application that despite the adjudication of liability, but in view of all circumstances of the case, the corporate agent is fairly and reasonably entitled to indemnity for those expenses as the Superior Court or the other court shall deem proper.

d. Any corporation shall indemnify a corporate agent against expenses to the extent that the corporate agent has been successful on the merits or otherwise in any proceeding referred to in subsections b. and c. of this section or in defense of any claim, issue or matter therein.

e. Any indemnification under subsection b. of this section and, unless ordered by a court, under subsection c. of this section, may be made by the corporation only as authorized in a specific case upon a determination that indemnification is proper in the circumstances because the corporate agent met the applicable standard of conduct set forth in subsection b. or c. Unless otherwise provided in the certificate of incorporation or bylaws, the determination shall be made:

(1) By the board of trustees or a committee thereof at a meeting at which is present a quorum determined without including trustees who were parties to or otherwise involved in the proceeding, acting by a majority vote of trustees who were not parties to or otherwise involved in the proceeding;

(2) If the quorum is not obtainable, or, even if obtainable and the quorum of the board of trustees or committee by a majority vote of the disinterested trustees directs, by independent legal counsel, in a written opinion, the counsel to be designated by the board of trustees; or

(3) By the members, if the corporation has members and if the certificate of incorporation or bylaws or a resolution of the board of trustees directs.

f. Expenses incurred by a corporate agent in connection with a proceeding may be paid by the corporation in advance of the final disposition of the proceeding if authorized in the manner provided in subsection e. of this section upon receipt of an undertaking by or on behalf of the corporate agent to repay the amount unless it shall ultimately be determined that the agent is entitled to be indemnified as provided in this section.

g. (1) If a corporation upon application of a corporate agent has failed or refused to provide indemnification as required under subsection d. of this section or permitted under subsections b., c.

New Jersey State Library
and f. of this section, a corporate agent may apply to a court for an award of indemnification by the corporation, and the court:

(a) may award indemnification to the extent authorized under subsections b. and c. of this section and shall award indemnification to the extent required under subsection d. of this section, notwithstanding any contrary determination which may have been made under subsection e. of this section; and

(b) may allow reasonable expenses to the extent authorized by, and subject to the provisions of, subsection f. of this section, if the court shall find that the corporate agent has by the agent's pleadings or during the course of the proceeding raised genuine issues of fact or law.

(2) Application for indemnification may be made:

(a) in the civil action in which the expenses were or are to be incurred or other amounts were or are to be paid; or

(b) to the Superior Court in a separate proceeding.

(3) If the application is for indemnification arising out of a civil action, it shall set forth reasonable cause for the failure to make application for the relief in the action or proceeding in which the expenses were or are to be incurred or other amounts were or are to be paid.

The application shall set forth the disposition of any previous application for indemnification and shall be made in the manner and form as may be required by the applicable rules of court or, in the absence thereof, by direction of the court to which it is made. The application shall be upon notice to the corporation. The court may also direct that notice shall be given at the expense of the corporation to the members, if any, and all other persons as it may designate in the manner as it may require.

h. The indemnification provided by this section shall not exclude any other rights to which a corporate agent may be entitled under a certificate of incorporation, bylaw, agreement, or otherwise.

i. Any corporation shall have the power to purchase and maintain insurance on behalf of any corporate agent against any expenses incurred in any proceeding and any liabilities asserted by reason of the agent's being or having been a corporate agent, whether or not the corporation would have the power to indemnify the agent against those expenses and liabilities under the provisions of this section.

j. The powers granted by this section may be exercised by the corporation notwithstanding the absence of any provision in its
certificate of incorporation or bylaws authorizing the exercise of these powers.

k. Except as required by subsection d. of this section, no indemnification shall be made or expenses advanced by a corporation under this section, and none shall be ordered by a court, if that action would be inconsistent with a provision of the certificate of incorporation, a bylaw, a resolution of the board or of the members, an agreement or other proper corporate action in effect at the time of the accrual of the alleged cause of action asserted in the proceeding, which prohibits, limits or otherwise conditions the exercise of indemnification powers by the corporation or the rights of indemnification to which a corporate agent may be entitled.

15A:3-5. **Provisions Relating to Actions in the Right of a Corporation.**

a. No action shall be brought in this State by a member in the right of a domestic or foreign corporation unless the plaintiff was a member at the time of the transaction of which the plaintiff complains.

b. In any action hereafter instituted in the right of the corporation by a member, the court having jurisdiction, upon final judgment and a finding that the action was brought without reasonable cause, may require the plaintiff to pay to the parties named as defendant the reasonable expenses, including fees of attorneys, incurred by them in the defense of the action.

c. In any action now pending or hereafter instituted or maintained in the right of the corporation by less than 5% of the members or any class of members, the corporation in whose right the action is brought shall be entitled at any time before final judgment to require the plaintiff to give security for the reasonable expenses, including fees of attorneys, that may be incurred by it in connection with the action or may be incurred by other parties named as defendant for which it may become legally liable. The amount of the security may from time to time be increased or decreased, in the discretion of the court, upon showing that the security provided has or may become inadequate or excessive. The corporation shall have recourse to the security in an amount as the court having jurisdiction shall determine upon the termination of the action.

d. This section shall not impair, restrict, or impose a condition on any right of a trustee of a corporation with or without members,
to bring an action in this State in the right of a domestic or foreign corporation.

a. Every registered agent shall be an agent of the corporation which has appointed the agent, upon whom process against the corporation may be served and who shall deliver to the corporation all process, notices or demands received by the agent as agent for the corporation.

b. Whenever any law of this State requires or permits any notice or demand to be given to or made upon a domestic corporation or a foreign corporation authorized to conduct activities in this State, its officers or trustees, the notice or demand may be sent by mail or otherwise, as the law may require, to the registered office of the corporation in this State, and the notice given or demand made shall be sufficient notice or demand.

c. The provisions of this section shall not exclude any other method provided by law for service of process upon a corporation, domestic or foreign, or for service of a notice or demand upon the corporation, its officers or trustees.

d. Whenever the law of this State requires that any certificate, report or statement made, published, filed or recorded by any corporation, domestic or foreign, state the residence address of any incorporator, trustee or officer, there must be furnished in the document the resident address of that person or other address, other than a postal designation, where the person regularly receives mail and which is not the address of the corporation.

15A:4-3. Change of Registered Office or Registered Agent.

a. A domestic corporation or a foreign corporation authorized to conduct activities in this State may change its registered office or its registered agent, or both. When the registered office is changed, or when the registered agent is changed, or dies, resigns or becomes disqualified, the corporation shall, by resolution of the board, forthwith fix the address of the new registered office or designate the successor registered agent or both, as the case may be.

b. The corporation shall forthwith file in the office of the Secretary of State a certificate executed on behalf of the corporation setting forth:

(1) The name of the corporation;
(2) If the registered agent is not being changed, the name of the registered agent;

(3) If the registered agent is being changed, the names of the registered agent being succeeded and of the successor registered agent;

(4) If the registered office is not being changed, the address of the then registered office;

(5) If the registered office is being changed, the address of the registered office immediately prior to the change, and the address of the new registered office;

(6) That the address of its registered office and the address of its registered agent will be identical after the change; and

(7) That the change in registered office, or registered agent, or both, is made pursuant to resolution of the board.

c. The registered agent of one or more domestic or foreign corporations may change the registered office of the corporation or corporations to another address in this State by filing in the office of the Secretary of State a certificate executed by the agent and setting forth:

(1) The names of all the corporations whose registered offices are being changed and for which it is the registered agent, listed in alphabetical order;

(2) The address of the registered office of each corporation immediately prior to the change, and the address of the new registered office;

(3) That the address of the registered office of each corporation and the address of its registered agent will be identical after the change; and

(4) A statement that at least 20 days’ prior notice of the change has been given to each corporation in writing.

The change of the registered office of each of the corporations named in the certificate shall become effective upon the date of the filing or at a later time, not to exceed 30 days after the date of filing, as may be set forth in the certificate.

d. If any certificate of change required by this section is not filed, the corporation shall, after written demand by the Secretary of State by certified mail addressed to the corporation at the last address appearing of record in his office, forfeit to the State a penalty of $200.00 to be recovered with costs in a civil action prosecuted by the Attorney General. No corporation shall be subject to penalty if it shall, within 30 days after written demand, file
the certificate of change required by law and pay to the Secretary
of State the fee provided by law for the filing of each certificate of
change. In lieu of the civil action, the Secretary of State, after
expiration of the 30-day period, may issue a certificate to the Clerk
of the Superior Court that the corporation is indebted for the pay-
ment of the penalty, and the clerk shall immediately enter upon the
record of docketed judgments the name of the corporation as the
judgment debtor and of the State as the judgment creditor, a state-
ment that the penalty is imposed under this section, the amount of
the penalty, and the date of the certificate. The entry shall have the
same force as a judgment docketed in the Superior Court. The
Secretary of State within 5 days after the entry shall give notice
thereof to the corporation by certified mail addressed to the
corporation at the last address appearing of record in the office of
the Secretary of State.

15A:4-4. Resignation of Registered Agent.

a. The registered agent of a domestic corporation or a foreign
corporation authorized to conduct activities in this State may
resign by complying with the provisions of this section.
b. The registered agent shall serve a notice of resignation by
certified mail, return receipt requested, upon the president, or any
vice-president, or the secretary or treasurer of the corporation
at the address last known to the agent, and shall make an affidavit
of the service. If service cannot be made, the affidavit shall so state,
and shall state briefly why the service cannot be made. The affidavit,
together with a copy of the notice of resignation, shall be filed in
the office of the Secretary of State.
c. The resignation shall become effective upon the expiration of
30 days after the filing in the office of the Secretary of State of the
affidavit under this section or upon the designation by the corpora-
tion of a new registered agent pursuant to this act, whichever is
earlier. If the corporation fails to designate a new registered agent
within the 30-day period, the corporation shall thereafter be deemed
to have no registered agent or registered office in this State.
15A:4-5. ANNUAL REPORT TO SECRETARY OF STATE.

a. Every domestic corporation and every foreign corporation authorized to conduct activities in this State shall file in the office of the Secretary of State, within the time prescribed by this section, an annual report, executed on behalf of the corporation, setting forth:

(2) the address, including the actual location as well as postal designation, if different, of the registered office of the corporation in this State, and the name of its registered agent in this State at that address, and, if a foreign corporation, the address of its main or headquarters office; and

(3) the names and addresses of the trustees and the officers of the corporation, which addresses shall be either the residence address of that person or other address where that person regularly receives mail and which is not the address of the corporation.

b. The Secretary of State shall designate a date for filing annual reports for each corporation required to submit a report pursuant to this section and shall annually notify the corporation of the date so designated not less than 60 days prior to that date. The corporation shall file the report within 30 days before or within 30 days after the date so designated. If the date so designated is not more than 6 months after the date on which an annual report pursuant to the provisions of prior law was filed or on which the certificate of incorporation became effective, the corporation shall not be required to file an annual report until 1 year after the first occurrence of the date so designated.

c. If the report is not filed for 2 consecutive years, the certificate of incorporation of the corporation or the certificate of authority of a foreign corporation shall, after written demand for the reports by the Secretary of State by certified mail addressed to the corporation at the last address appearing of record in the office of the Secretary of State, be revoked for the failure to file reports. No corporation shall be subject to the revocation of its certificate of incorporation or its certificate of authority if it shall, within 60 days after the written demand, file the reports required by law and pay to the Secretary of State the fee provided by law for the filing of each report. Any corporation having its certificate of incorporation or its certificate of authority revoked may, within 2 years of the revocation, cause a reinstatement of the certificate upon payment to the Secretary of State of double the amount of the fee
then payable upon the filing of the certificate and upon filing a current annual report.

d. The Secretary of State shall furnish annual report forms, shall keep all the reports and shall prepare an alphabetical index thereof. The reports and index shall be open to public inspection at proper hours.

Meetings of members of every corporation organized under this title may, unless otherwise provided by law, be held at a place, within or without this State, as may be provided in the bylaws or as may be fixed by the board pursuant to authority granted by the bylaws. In the absence of such a provision, all meetings of members shall be held at the registered office of the corporation.

Source: N. J. S. 14A:5-1.

15A:5-2. Annual or Biennial Meeting of Members.

a. If the certificate of incorporation or bylaws or other applicable law provides that some or all of the trustees shall be elected by the members, the certificate of incorporation or bylaws may provide that a meeting of the members of the corporation shall be held at least once every 2 years. If no provision for a required meeting of members is set forth in the certificate of incorporation or bylaws, then the meeting to elect the trustees shall be held annually.

b. An annual or biennial meeting of the members shall be held at a time as may be provided in the bylaws, or as may be fixed by the board pursuant to authority granted in the bylaws, and, in the absence of such a provision, at noon on the first Tuesday of April. Failure to hold the annual or biennial meeting at the designated time, or to elect a sufficient number of trustees at that meeting or any adjournment thereof, shall not affect otherwise valid corporate acts or work a forfeiture or dissolution of the corporation. If the annual or biennial meeting for election of trustees is not held on the date designated, the trustees shall cause the meeting to be held as soon thereafter as convenient. If there is a failure to hold an annual or biennial meeting for a period of 30 days after the date designated, or if no date has been designated for a period of 13 months after the organization of the corporation or after the last annual meeting, or 25 months after its last biennial meeting, as the case may be, the Superior Court may, upon the application of a member, summarily order the meeting or the election, or both, to be held at a time and place, upon notice and for the transaction of business as may be designated in the order. At any meeting ordered by the court called pursuant to this section, the members present in person or by proxy and having voting powers shall constitute a quorum for the transaction of the business designated in the order.

15A:5-3. Special Meetings of Members.

Special meetings of the members may be called by the president or the board, or by any other officers, trustees or members as may be provided in the bylaws. Notwithstanding any provision in the bylaws, upon the application of not less than 10% of all the members entitled to vote at a meeting, the Superior Court, in an action in which the court may proceed in a summary manner, for good cause shown, may order a special meeting of the members to be called and held at a time and place, upon notice and for the transaction of such business as may be designated in the order. At any meeting ordered to be called pursuant to this section, the members present in person or by proxy and having voting powers shall constitute a quorum for the transaction of the business designated in such order.

15A:5-4. Notice of Members' Meetings.

a. Except as otherwise provided in this act, written notice of the time, place and purposes of every meeting of members shall be given not less than 10 nor more than 60 days before the date of the meeting, either personally or by mail, to each member of record entitled to vote at the meeting.

b. When a meeting is adjourned to another time or place, it shall not be necessary, unless the bylaws otherwise provide, to give notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken and at the adjourned meeting only business shall be transacted as might have been transacted at the original meeting. If after the adjournment, the board fixes a new record date for the adjourned meeting, a notice of the adjourned meeting shall be given to each member of record on the new record date entitled to notice under subsection a. of this section.

15A:5-5. Waiver of Notice or of Lapse of Time.

a. Notice of a meeting need not be given to any member who signs a waiver of the notice, in person or by proxy, whether before or after the meeting. The attendance of any member at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting the lack of notice of the meeting, shall constitute a waiver of notice by that member.
b. Whenever members are authorized to take any action after the lapse of a prescribed period of time, the action may be taken without the lapse if the requirement is waived in writing, in person or by proxy, before or after the taking of that action, by every member entitled to vote thereon as of the date of the taking of the action.

15A:5-6. Action by Members Without a Meeting.

a. Except as otherwise provided in the certificate of incorporation or bylaws, any action required or permitted to be taken at a meeting of members by this act or the certificate of incorporation or bylaws of a corporation, may be taken without a meeting if all the members entitled to vote thereon consent thereto in writing, except that in the case of any action to be taken pursuant to chapter 10 of this act (merger, consolidation and sale of assets), the action may be taken without a meeting only (1) if all members consent thereto in writing; or (2) if (a) all members entitled to vote thereon consent thereto in writing, (b) the corporation provides to all other members advance notice setting forth the proposed action consented to; (c) the proposed action is not consummated before the expiration of 10 days after the giving of the notice, and (d) the notice sets forth the existence of the 10-day period.

b. Except as otherwise provided in the certificate of incorporation or bylaws and subject to the provisions of this subsection, any action required or permitted to be taken at a meeting of members by this act, the certificate of incorporation, or bylaws, other than the annual or biennial election of trustees, may be taken without a meeting upon the written consent of members who would have been entitled to cast the minimum number of votes which would be necessary to authorize the action at a meeting at which all members entitled to vote thereon were present and voting, if (1) the corporation provides to all other members advance notice setting forth the proposed action consented to; (2) the proposed action is not consummated before the expiration of 10 days from the giving of the notice and 20 days from the giving of the notice in the case of any action taken pursuant to chapter 10 of this act, and (3) the notice sets forth the existence of such 10-day period.

c. Whenever action is taken pursuant to subsection a. or b. of this section, the written consents of the members consenting thereto or the written report of inspectors appointed to tabulate the consents shall be filed with the minutes of proceedings of members.
d. Any action taken pursuant to subsection a. or b. of this section shall have the same effect for all purposes as if the action had been taken at a meeting of the members.

e. If any other provision of this act requires the filing of a certificate upon the taking of an action by members, and the action is taken in the manner authorized by subsection a. or b. of this section, the certificate shall state that the action was taken without a meeting pursuant to the written consents of the members and shall set forth the number of votes represented by the consents.

15A:5-7. Fixing Record Date.

a. The bylaws may provide for fixing, or in the absence of such a provision, the board may fix, in advance, a date as the record date for determining the corporation's members with regard to any corporate action or event and, in particular, for determining the members entitled to:

(1) Notice of or to vote at any meeting of members or any adjournment thereof;

(2) Give a written consent to any action without a meeting; or

(3) Receive or enjoy any benefit or right.

The record date may in no case be more than 60 days prior to the members' meeting or other corporate action or event to which it relates. The record date for a members' meeting may not be less than 10 days before the date of the meeting. The record date to determine members entitled to give a written consent may not be more than 60 days before the date fixed for tabulation of the consents or, if no date has been fixed for tabulation, more than 60 days before the last day on which consents received may be counted.

b. If no record date is fixed:

(1) The record date for a members' meeting shall be the close of business on the day next preceding the day on which notice is given, or, if no notice is given, the day next preceding the day on which the meeting is held; and

(2) The record date for determining members for any purpose other than that specified in paragraph 1 of subsection b. of this section shall be at the cessation of activities on the day on which the resolution of the board relating thereto is adopted.

c. When a determination of members of record for a members' meeting has been made as provided in this section, the determina-
CHAPTER 127, LAWS OF 1983

Section shall apply to any adjournment thereof, unless the board fixes a new record date under this section for the adjourned meeting.

a. The officer or agent having charge of the membership record books for a corporation shall make and certify a complete list of the members entitled to vote at a members’ meeting or any adjournment thereof. A list required by this subsection may consist of cards arranged alphabetically. The list shall:

(1) Be arranged alphabetically within each class, series, or group of members maintained by the corporation for convenience of reference, with the address of each member;

(2) Be produced at the time and place of the meeting;

(3) Be subject to the inspection of any members during the whole time of the meeting; and

(4) Be prima facie evidence as to who are the members entitled to examine the list or to vote at any meeting.

b. If the requirements of this section have not been complied with, the meeting shall, on the demand of any member in person or by proxy, be adjourned until the requirements are complied with. Failure to comply with the requirements of this section shall not affect the validity of any action taken at the meeting prior to the making of any such demand.

15A:5-9. Quorum of Members.

a. Unless otherwise provided in the certificate of incorporation, the bylaws, or this act, the members entitled to cast a majority of the votes at a meeting shall constitute a quorum at the meeting. The members present in person or by proxy at a duly organized meeting may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum. Less than a quorum may adjourn.

b. Whenever any class of members is entitled to vote separately on a specified item, the provisions of this section shall apply in determining the presence of a quorum of that class for the transaction of the specified item.

15A:5-10. Voting by Members.

The right of the members or any class or classes of members to vote may be limited, enlarged or denied to the extent specified in the certificate of incorporation or bylaws. Unless so limited, enlarged or denied, each member, regardless of class, shall be entitled to one vote on each matter submitted to a vote of members.

a. Whenever any action, other than the election of trustees is to be taken by vote of the members, it shall be authorized by a majority of the votes cast at a meeting of members by the members entitled to vote thereon, unless a greater plurality is required by the certificate of incorporation or bylaws or another section of this act.

b. The certificate of incorporation or bylaws may provide that any class or classes of members shall vote as a class to authorize any action, including amendments to the certificate of incorporation or bylaws. Voting as a class shall be in addition to any other vote required by this act. Where voting as a class is provided in the certificate of incorporation or bylaws it shall be by the proportionate vote so provided for or, if no proportionate vote is provided, then for any action other than the election of trustees, by a majority of the votes cast at the meeting by the members of the class entitled to vote thereon.

c. Where voting as a class is required by this act to authorize any action, the action shall be authorized by a majority of the votes cast at the meeting by the members of each class entitled to vote thereon, unless a greater vote is required by the certificate of incorporation, the bylaws, or another section of this act. Voting as a class shall be in addition to any other vote required by this act.

a. Whenever any action is to be authorized by the members of a corporation and the certificate of incorporation or the bylaws require the affirmative vote of a greater proportion of the votes cast by the members entitled to vote thereon, or by the members of any class or series thereof than is required by this act with respect to the action, the provisions of the certificate of incorporation or bylaws shall control.
b. Whenever any action is to be authorized by two-thirds of the votes cast by members of a corporation pursuant to this act, and the certificate of incorporation provides for the affirmative vote of a lesser proportion of the votes cast by the members entitled to vote thereon, or by the members of any class of members, but not less than a majority thereof than is required by this act with respect to the action, the provisions of the certificate of incorporation shall control. Any provision for lesser voting requirements may be set forth in the bylaws, and the requirements shall control, if the certificate of incorporation provides that the lesser voting requirements may be set forth in the bylaws.

c. An amendment of the certificate of incorporation or bylaws which changes or deletes greater or lesser voting provisions shall be authorized by the same vote as would be required to take action under that provision.

d. Any action required to be authorized by a vote of the members greater than a majority shall be rescinded or modified only by a like vote.

15A:5-13. Memberships Held or Controlled by the Corporation Not Voted or Counted.

If the corporation holds interests or memberships which entitle it to cast the plurality of the votes required for the election of directors of a domestic or foreign corporate entity or the election of trustees of a domestic or foreign corporation, any of which are herein referred to as a "controlled entity," any memberships in the corporation held by the controlled entity shall not be voted at any meeting or counted in determining the total number of members at any given time. A "plurality" means the minimum number of interests or memberships necessary to elect a majority of directors or trustees based upon the total number of interests or memberships which may be voted in that election.

Memberships standing in the name of another domestic or foreign corporation may be voted by any officer or agent, or by proxy appointed by any of them, unless some other person, by resolution of its board or pursuant to its bylaws, shall be appointed to vote the shares.

15A:5–15. **Memberships Held by Fiduciaries.**

Memberships held by any person in any representative or fiduciary capacity may be voted by that person without a transfer of the membership into the name of that person. Where memberships are held jointly by any number of fiduciaries, and the instrument or order appointing the fiduciaries does not otherwise direct, the membership shall be voted as the majority of the fiduciaries shall determine. If the fiduciaries are equally divided as to how the membership shall be voted, a court having jurisdiction may, in an action brought by any of the fiduciaries or by a beneficiary, appoint an additional person to act with the fiduciaries in the matter. The membership shall be voted by the majority of the fiduciaries and the additional person. The court may proceed in the action in a summary manner or otherwise.

15A:5–16. **Memberships Held Jointly or as Tenants in Common.**

Membership held by two or more persons as joint tenants or as tenants in common may be voted at any meeting of the members by any one of the persons, unless another joint tenant or tenant seeks to vote the membership in person or by proxy. In the latter event, the written agreement, if any, which governs the manner in which the membership shall be voted, shall control if presented at the meeting. If there is no such agreement presented at the meeting, the majority in number of the joint tenants or tenants in common present shall control the manner of voting. If there is no majority, or if there are two or more joint tenants, or tenants in common, who seek to vote the membership, the membership shall, for the purpose of voting, be divided equally among the joint tenants or tenants in common present.

15A:5–17. **Voting of Pledged Memberships.**

A member whose membership interest is pledged shall be entitled to vote the membership until the membership has been transferred into the name of the pledgee, or a nominee of the pledgee.

a. Unless otherwise provided in the certificate of incorporation or bylaws, every member entitled to vote at a meeting of members or to express consent without a meeting may authorize another person or persons to act for the member by proxy. Every proxy shall be executed in writing by the member or the member’s agent, except that a proxy may be given by a member or the agent by telegram or cable or its equivalent. A proxy shall not be valid for more than 11 months unless a longer time is expressly provided therein, but in no event shall a proxy be valid after 3 years from the date of execution. Unless it is coupled with an interest, a proxy shall be revocable at will. A proxy shall not be revoked by the death or incapacity of the member but the proxy shall continue in force until revoked by the personal representative or guardian of the member. The presence at any meeting of any member who has given a proxy shall not revoke the proxy unless the member shall file written notice of revocation with the secretary of the meeting prior to the voting of the proxy.

b. A person named in a proxy as the attorney or agent of a member may, if the proxy so provides, substitute another person to act in that person’s place, including any other person named as an attorney or agent in the same proxy. The substitution shall not be effective until an instrument effecting it is filed with the secretary of the corporation.

15A:5-19. Agreements as to Voting; Provision in Certificate of Incorporation as to Control of Trustees.

a. An agreement between two or more members, if in writing and signed by the parties thereto, may provide that in exercising any voting rights, the members shall vote as therein provided, or as they may agree, or as determined in accordance with the procedure agreed upon by them.

b. A provision in the certificate of incorporation otherwise prohibited by law because it improperly restricts the board in its management of the activities of the corporation, or improperly transfers or provides for the transfer to one or more members or trustees named in the certificate of incorporation or to be selected from time to time by members or, if none, the trustees, all or any part of the management otherwise within the authority of the board, shall nevertheless be valid if all the incorporators
have authorized the provision in the certificate of incorporation or all the members, whether or not having voting power, or, if there are no members, the trustees have authorized the provision in an amendment to the certificate of incorporation.

c. A provision authorized by subsection b. of this section shall become invalid if, to the knowledge of the board, or of the members or trustees having the management authority otherwise in the board, subsequent to the adoption of the provision, memberships are transferred or issued to any person who becomes a member without notice thereof, unless that person consents in writing to the provision.

d. If a provision authorized by subsection b. of this section becomes invalid as provided in subsection c. of this section, the board, or the person or persons having the management authority otherwise in the board, shall amend the certificate of incorporation to delete the provision by filing a certificate of amendment in the office of the Secretary of State. The certificate shall be executed on behalf of the corporation and shall set forth:

(1) the name of the corporation;

(2) the date of the adoption of the amendment;

(3) the deleted provision; and

(4) the event set forth in subsection c. of this section by reason of which the provision has become invalid.

e. The effect of any provision authorized by subsection b. of this section shall be to grant to and impose upon the members or trustees vested with management authority otherwise in the board the rights, powers, privileges, and liabilities, including liability for managerial acts or omissions, that are granted to and imposed upon trustees by law to the extent that, and so long as, the discretion and powers which otherwise would be in the trustees in their management of corporate affairs are vested in the members or trustees by any provision. The members or trustees shall be deemed to be trustees for purposes of applying the provisions of this act and shall be deemed to be corporate agents for the purposes of section 15A:3-5.

f. If the certificate of incorporation contains a provision authorized by subsection b. of this section, the existence of the provision shall be disclosed in writing in advance of issuance or transfer of membership certificates, if any, and shall be noted conspicuously on the face of the certificates; and, if noted, upon receipt of the certificate a member shall conclusively be deemed to have become
a member with notice of the provision. A corporation may provide in its certificate of incorporation or bylaws that memberships are not transferable until the transferor evidences proof that the proposed transferee has notice of the provision.

15A:5-20. Elections of Trustees; Cumulative Voting.

a. Elections of trustees need not be by ballot unless a member demands election by ballot at the election and before the voting begins. If the bylaws require election by ballot at any meeting, the requirement is waived unless compliance therewith is requested by a member entitled to vote at the meeting. Where trustees are to be elected by members, the bylaws may provide that the elections may be conducted by mail.

b. At each election of trustees every member entitled to vote at the election shall have the right to cast the number of votes to which the membership entitles the member for as many persons as there are trustees to be elected and for whose election the member has a right to vote.

c. The certificate of incorporation or bylaws may provide that each member shall be entitled to as many votes as shall equal the number of votes to which he is entitled by law or under the provisions of the certificate of incorporation or bylaws multiplied by the number of trustees to be elected, and that he may cast all the votes for a single trustee, or may distribute them among the number to be elected or any two or more of them as he may see fit.

d. Except as otherwise provided by the certificate of incorporation or the bylaws, trustees shall be elected by a plurality of the votes cast at an election.

e. If a bylaw adopted by the members provides a fair and reasonable procedure for the nomination of candidates for any office (including election of a trustee), only candidates who have been duly nominated in accordance therewith shall be eligible for election.

a. Unless the bylaws otherwise provide, the board may, in advance of a members' meeting, appoint one or more inspectors to act at the meeting or any adjournment thereof.
b. If inspectors are not so appointed by the board or as otherwise provided in the bylaws or shall fail to qualify, the person presiding at a members' meeting may, and on the request of any member entitled to vote thereat, shall, make the appointment.

c. If any person appointed as inspector fails to appear or act, the vacancy may be filled by appointment made by the board in advance of the meeting or at the meeting by the person presiding at the meeting.

d. If the bylaws require inspectors at any members' meeting, the requirement is waived unless compliance therewith is requested by a member entitled to vote at the meeting.

e. Each inspector, before entering upon a discharge of duties, shall take and sign an oath faithfully to execute the duties of inspector at the meeting with strict impartiality and according to the best of that person's ability.

f. A person shall not be elected a trustee at a meeting at which that person has served as an inspector.

15A:5-22. Duties of Inspectors.

The inspectors shall determine the number of memberships outstanding and the voting power of each, the members represented at the meeting, the existence of a quorum, the validity and effect of proxies, and shall receive votes or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes or consents, determine the result, and do all acts as are proper to conduct the election or vote with fairness to all members. If there are three or more inspectors, the act of a majority shall govern. On request of the person presiding at the meeting or any member entitled to vote at the meeting, the inspectors shall make a report in writing of any challenge, question or matter determined by them. Any report made by them shall be prima facie evidence of the facts therein stated, and the report shall be filed with the minutes of the meeting.

15A:5-23. Review of Elections By Superior Court.

Any election by members may be reviewed by the Superior Court in a summary manner, or otherwise, in an action brought by a member entitled to vote at the election upon notice to the persons elected, the corporation and all other persons as the court may
direct. The court may confirm the election, order a new election or provide all other relief as justice may require.

a. Each corporation shall keep books and records of account and minutes of the proceedings of its members and board and executive committee, if any. Unless otherwise provided in the bylaws, the books, records and minutes may be kept outside this State. The corporation shall make available for inspection at its registered office, in this State, or at its principal office if it is in this State, records containing the names and addresses of all members, the number, class and series of memberships held by each and the dates when they respectively became members of record thereof, within 10 days after demand by a member entitled to inspect them, as defined in subsection c. of this section. The foregoing books, minutes or records may be in written form or in any other form capable of being converted into written form within a reasonable time. A corporation shall convert into written form without charge any records not in that form, upon the written request of any person entitled to inspect them.

b. Upon the written request of any member, the corporation shall mail to that member its balance sheet as at the end of the preceding fiscal year, and its statement of income and expenses for that fiscal year.

c. Any person who shall have been a member of record of a corporation for at least 6 months immediately preceding that person’s demand, or any person holding, or so authorized in writing by the members holding, at least 5% of the memberships of any class or series, upon at least 5 days’ written demand, shall have the right for any proper purpose to examine in person or by agent or attorney, during usual business hours, its minutes of the proceedings of its members and record of members and to make extracts therefrom, at the places where the same are kept pursuant to subsection a. of this section.

d. This section shall not impair the right of any court, upon proof of a member of proper purpose, irrespective of the period of time during which the member shall have been a member of record, and irrespective of the total number of memberships held by that person, to compel the production for examination by the member of the books and records of account, minutes and record of members of a corporation.

15A:5-25. LIABILITIES OF MEMBERS.

a. The members of a nonprofit corporation shall not be personally liable for the debts, liabilities or obligations of the corporation.

b. A member shall be liable to the corporation only to the extent of any unpaid portion of membership dues or assessments which the corporation may have lawfully imposed, or for any other indebtedness owed by the member to the corporation. No action shall be brought by any creditor of the corporation to reach and apply any liability to any debt of the corporation until after final judgment shall have been rendered against the corporation in favor of the creditor and execution thereon returned unsatisfied, or the corporation shall have been adjudged bankrupt, or a receiver shall have been appointed with power to collect debts, and the receiver, on demand of a creditor to bring an action thereon, has refused to sue for the unpaid amount, or the corporation shall have been dissolved or ceased its activities leaving debts unpaid. No such action shall be brought more than 3 years after the happening of any one of the events.

15A:6-9. Executive committee; other committees.
15A:6-11. Loans to officers or employees.

Section
15A:6-13. Liability of trustees; presumption of assent to action taken at a meeting.

15A:6-1. BOARD OF TRUSTEES.

The activities of a corporation shall be managed by its board, except as in this act or in its certificate of incorporation otherwise provided. The number of trustees of a corporation shall be not less than three. Subject to any provisions contained in the certificate of incorporation, the bylaws shall specify the number of trustees or that the number of trustees shall not be less than a stated minimum or more than a stated maximum, with the actual number to be determined in the manner prescribed in the bylaws, except as to the number constituting the first board.

15A:6-3. TERM OF TRUSTEES.

a. If the certificate of incorporation or the bylaws or any other applicable law provides that the trustees shall be elected by the members, the trustees named in the certificate of incorporation shall hold office until the first annual or biennial meeting of the members and until their successors are elected and qualified. If the certificate of incorporation or the bylaws or any other applicable law provides that the trustees shall be elected by the board, the trustees named in the certificate of incorporation shall hold office until the first annual or biennial meeting of the board of trustees and until their successors shall have been elected and qualified. The certificate
CHAPTER 127, LAWS OF 1983

of incorporation or the bylaws may provide that a meeting of the board to elect trustees shall be held at least once every 2 years. If a provision for a required meeting of the board is not set forth in the certificate of incorporation or bylaws, then the meeting shall be held annually.

b. If the certificate of incorporation or the bylaws provide that some of or all the trustees shall be elected or selected other than by the members or the board, the trustees named in the certificate of incorporation shall hold office for the term specified in the certificate of incorporation or bylaws and until their successors are elected and qualified.

c. At the first annual or biennial meeting of the members or of the board of trustees and at each annual or biennial meeting thereafter, the members or the board of trustees, as the certificate of incorporation or the bylaws or any other applicable law may provide, shall elect trustees to be elected by them to hold office until the next annual or biennial meeting, except as to the classification of trustees as permitted by subsection b. of section 15A:6-4. Each trustee shall hold office for the term for which the trustee is elected and qualified and until a successor is elected and qualified.

d. A trustee may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at a subsequent time as shall be specified in the notice of resignation.

15A:6-4. CLASSIFICATION OF TRUSTEES; RESTRICTION OF RIGHT TO CHOOSE TRUSTEES.

a. As to trustees to be elected by the members or by the board of trustees, a corporation may provide in its certificate of incorporation or its bylaws for the classification of its trustees in respect to the time for which they shall severally hold office, but a class of trustees shall not hold office for a term shorter than 1 year or longer than 6 years. The term of office of at least one class shall expire every 2 years. A classification of trustees shall not be effective prior to the first annual or biennial meeting of members or the board of trustees.

b. Any corporation having more than one class of members may provide in its certificate of incorporation or its bylaws for the election of one or more trustees by the members of any class to the exclusion of members of other classes of members.

15A:6-5. Vacancies and Newly Created Trusteeships.

a. Unless otherwise provided in the certificate of incorporation or the bylaws, any trusteeship not filled at the annual or biennial meeting and any vacancy, however caused, occurring in the board may be filled by the affirmative vote of a majority of the remaining trustees even though less than a quorum of the board, or by a sole remaining trustee. A trustee so elected by the board shall hold office until the next succeeding annual or biennial meeting and until a successor is elected and qualified.

b. Unless otherwise provided in the certificate of incorporation or bylaws, when one or more trustees shall resign from the board effective at a future date, a majority of the trustees then in office, including those who have so resigned, may fill the vacancy or vacancies, the vote thereon to take effect when the resignation or resignations become effective. Each trustee so chosen shall hold office as herein provided in the filling of other vacancies.

c. Any trusteeship to be filled by reason of an increase in the number of trustees shall be filled by election at an annual or biennial meeting or at a special meeting called for that purpose of the members, or of the board if the certificate of incorporation, the bylaws or any other applicable law provides for the election of trustees by the board. A trustee elected by the board to fill the trusteeship shall hold office until the next succeeding annual or biennial meeting and until a successor is elected and qualified.

d. If by reason of death, resignation or other cause, a corporation has no trustees in office, any member or the executor or administrator of a deceased member may call a special meeting of members for the election of trustees and, over the signature of that person, shall give notice of the meeting in accordance with section 15A:5-4, except to the extent that the notice is waived pursuant to section 15A:5-5.

a. If the certificate of incorporation or the bylaws or any other applicable law provides for the election of trustees by the members, one or more or all the trustees may be removed for cause by the affirmative vote of the majority of the votes cast by the members entitled to vote for the election of trustees. The certificate of incorporation or bylaws may provide that the board may remove trustees for cause and to suspend trustees pending a final determination that cause exists for removal. If the certificate of incorp-
poration or the bylaws so provide, one or more or all the trustees may be removed without cause by the affirmative vote of the majority of the votes cast by the members entitled to vote for the election of trustees.

b. If the certificate of incorporation or bylaws or any other applicable law provides that trustees may be elected by the board of trustees, one or more, but not all, of the trustees of the corporation may be removed for cause by the board by the affirmative vote of a majority of all the trustees.

c. The removal of trustees, with or without cause, by vote of the members as provided in subsection a. of this section is subject to the following qualifications:

(1) In any case where cumulative voting is authorized, if less than the total number of trustees then serving on the board is to be removed by the members, no one of the trustees may be so removed if the votes cast against that trustee's removal would be sufficient to elect the trustee if then voted cumulatively at an election of the entire board; or, if there are classes of trustees, at an election of the class of trustees of which such trustee is a part; and

(2) A trustee elected by a class vote, as authorized by subsection b. of section 15A:6-4, may be removed only by a class vote of the members entitled to vote for the election of that trustee.

d. The Superior Court, in an action in which the court may proceed in a summary manner or otherwise, may review the removal or suspension of a trustee for cause.

e. No act of the board done during the period when a trustee has been suspended or removed for cause shall be impugned or invalidated if the suspension or removal is thereafter rescinded or invalidated.

15A:6-7. Quorum of Board of Trustees and Committees; Vote Required; Action of Trustees Without a Meeting.

a. A majority of the entire board, or of any committee thereof, shall constitute a quorum for the transaction of business, unless the certificate of incorporation or the bylaws shall provide that a greater or lesser number constitutes a quorum, which in no case shall be less than the greater of two persons or one-third of the entire board or committee, except that when a committee of the board consists of one trustee, then one trustee shall constitute a quorum.
b. The act of the majority present at a meeting at which a quorum is present shall be the act of the board or the committee, unless the act of a greater number is required by this act, the certificate of incorporation or the bylaws. Any action required to be authorized by a vote of the trustees greater than a majority shall be rescinded or modified only by a like vote.

c. Unless otherwise provided by the certificate of incorporation or bylaws, any action required or permitted to be taken pursuant to authorization voted at a meeting of the board or any committee thereof may be taken without a meeting if, prior or subsequent to the action, all members of the board or of the committee, as the case may be, consent thereto in writing and the written consents are filed with the minutes of the proceedings of the board or committee. The consents shall have the same effect as a unanimous vote of the board or committee for all purposes, and may be stated as such in any certificate or other document filed with the Secretary of State.

15A:6-8. EFFECT OF COMMON TRUSTEESHIPS AND TRUSTEES' PERSONAL INTEREST.

a. No contract or other transaction between a corporation and one or more of its trustees, or between a corporation and any domestic or foreign corporation, firm, corporate business entity or association of any type or kind in which one or more of its trustees are trustees or directors or are otherwise interested, shall be void or voidable solely by reason of the common trusteeship or interest, or solely because the trustee or trustees are present at the meeting of the board or a committee thereof which authorizes or approves the contract or transaction, or solely because the trustee's or trustees' votes are counted for that purpose, if the contract or other transaction is fair and reasonable as to the corporation at the time it is authorized, approved or ratified and either:

(1) the fact of the common trusteeship or interest is disclosed or known to the board or committee and the board or committee authorizes, approves, or ratifies the contract or transaction by unanimous written consent, provided at least one trustee so consenting is disinterested, or by affirmative vote of a majority of the disinterested trustees, even though the disinterested trustees be less than a quorum; or
(2) the fact of the common trusteeship or interest is disclosed or known to the members, if any, and they authorize, approve or ratify the contract or transaction.

b. Common or interested trustees may be counted in determining the presence of a quorum at a board or committee meeting at which a contract or transaction described in subsection a. of this section is authorized, approved or ratified.

c. The board, by the affirmative vote of a majority of trustees in office and irrespective of any personal interest of any of them, shall have authority to establish reasonable compensation of trustees for services rendered to the corporation as trustees, officers, or otherwise. The approval of the members shall be required if the bylaws so provide.

15A:6-9. EXECUTIVE COMMITTEE; OTHER COMMITTEES.

a. If the certificate of incorporation or the bylaws so provide, the board, by resolution adopted by a majority of the entire board, may appoint from among the trustees an executive committee and one or more other committees, each of which shall have at least one or more members. To the extent provided in the resolution, or in the certificate of incorporation or in the bylaws, each committee shall have and may exercise all the authority of the board, except that no committee shall:

(1) Make, alter or repeal any bylaw of the corporation;
(2) Elect or appoint any trustee, or remove any officer or trustee;
(3) Submit to members any action that requires members' approval; or
(4) Amend or repeal any resolution previously adopted by the board.

b. The board, by resolution adopted by a majority of the entire board, may:

(1) Fill any vacancy in any committee;
(2) Appoint one or more trustees to serve as alternate members of any committee, to act in the absence or disability of members of any committee with all the powers of the absent or disabled members;
(3) Abolish any committee at its pleasure; and
(4) Remove any trustee from membership on a committee at any time, with or without cause.
CHAPTER 127, LAWS OF 1983

442

c. Actions taken at a meeting of any committee shall be reported to the board at its next meeting following the committee meeting; except that, when the meeting of the board is held within 2 days after the committee meeting, the report shall, if not made at the first meeting, be made to the board at its second meeting following the committee meeting.

d. The designation of any committee and the delegation thereto of authority shall not operate to relieve the board, or any member thereof, of any responsibility imposed by law.

15A :6-10. PLACE AND NOTICE OF TRUSTEES' MEETINGS.

a. Meetings of the board may be held either within or without this State, unless otherwise provided by the certificate of incorporation or the bylaws.

b. Regular meetings of the board may be held with or without notice as prescribed in the bylaws. Special meetings of the board shall be held upon notice as prescribed in the bylaws. Notice of any meeting need not be given to any trustee who signs a waiver of notice, whether before or after the meeting. The attendance of any trustee at a meeting without protesting prior to the conclusion of the meeting the lack of notice of the meeting shall constitute a waiver of notice by that trustee. Neither the business to be transacted at, nor the purpose of, any meeting of the board need be specified in the notice or waiver of notice of the meeting unless required by the bylaws. Notice of an adjourned meeting need not be given if the time and place are fixed at the meeting adjourning and if the period of adjournment does not exceed 10 days in any one adjournment.

c. 15A :6-11. LOANS TO OFFICERS OR EMPLOYEES.

A corporation may lend money to, or guarantee any obligation of, or otherwise assist, any officer or other employee of the corporation or of any subsidiary, whenever, in the judgment of the board, the loan, guarantee or assistance may reasonably be expected to benefit the corporation, except that a corporation shall not lend money to,
guarantee any obligation of, or otherwise assist, any officer or other employee who is also a trustee of the corporation unless the loan, guarantee or assistance is authorized by the certificate of incorporation or bylaws and then only when authorized by at least two-thirds of the entire board, with the vote of the interested trustee not counted. The loan, guarantee or other assistance may be made with or without interest, and may be unsecured or secured in a manner as the board shall approve, and may be made upon other terms and conditions as the board may determine.

15A:6-12. LIABILITY OF TRUSTEES IN CERTAIN CASES.

a. In addition to any other liabilities imposed by law upon trustees of a corporation, trustees who vote for, or concur in, any of the following corporate actions:

(1) The distribution or disposition of any asset in violation of this act, the certificate of incorporation, the bylaws, or the terms, conditions, or restrictions, express or implied, imposed upon the corporation upon acceptance of the asset by the corporation;

(2) The distribution of assets to members during or after dissolution of the corporation without paying, or adequately providing for, all known debts, obligations, and liabilities of the corporation, except that the trustees shall be liable only to the extent of the value of assets so distributed and to the extent that the debts, obligations and liabilities of the corporation are not thereafter paid, discharged, or barred by statute or otherwise;

(3) The complete liquidation of the corporation and distribution of all of its assets and cessation of the activities for which it was formed without dissolving or providing for the dissolution of the corporation and the payment of all fees, taxes and other expenses incidental thereto, except that the trustees shall be liable only to the extent of the value of assets so distributed and to the extent that the fees, taxes, and other expenses incidental thereto are not thereafter paid, discharged, or barred by statute or otherwise;

(4) The making of any loan to an officer, trustee or employee of the corporation contrary to the provisions of this act; shall be jointly and severally liable to the corporation for the benefit of the corporation and its creditors, members or other interested persons to the extent of any injury suffered by those persons, respectively, as a result of the action.

b. Any trustee against whom a claim is successfully asserted under this section shall be entitled to contribution from the other
trustees who voted for or concurred in the action upon which the claim is asserted.

c. Trustees against whom a claim is successfully asserted under this section shall be entitled, to the extent of the amounts paid by them to the corporation as a result of the claim upon payment to the corporation of the value of any assets wrongfully distributed or disposed of, or upon payment to the corporation of the amount of any loan made improperly, to be subrogated to the rights of the corporation against the person who received the asset or the improper loan.

d. A trustee shall not be liable under this section if, in the circumstances the trustee discharged the duty owed by the trustee to the corporation under section 15A:6-14.

e. Every action against a trustee for recovery upon a liability imposed by subsection a. of this section shall be commenced within 6 years next after the cause of action shall have accrued.

15A:6-13. LIABILITY OF TRUSTEES; PRESUMPTION OF ASSENT TO ACTION TAKEN AT A MEETING.

A trustee who is present at a meeting of the board, or any committee thereof of which the trustee is a member, at which action on any corporate matter referred to in section 15A:6-12 is taken shall be presumed to have concurred in the action taken unless the dissent of the trustee shall be entered in the minutes of the meeting or unless the trustee shall file a written dissent to the action with the person acting as the secretary of the meeting before or promptly after the adjournment of the meeting. The right to dissent shall not apply to a trustee who voted in favor of the action. A trustee who is absent from a meeting of the board, or any committee thereof of which the trustee is a member, at which any action is taken shall be presumed to have concurred in the action unless the trustee shall file a dissent with the secretary of the corporation within a reasonable time after learning of the action.

15A:6-14. STANDARD OF CARE; LIABILITY OF TRUSTEES; RELIANCE ON CORPORATE RECORDS.

Trustees and members of any committee designated by the board shall discharge their duties in good faith and with that degree of diligence, care and skill which ordinary prudent persons would
exercise under similar circumstances in like positions. In dis-
charging their duties, trustees and members of any committee
designated by the board shall not be liable if, acting in good faith,
they rely on the opinion of counsel for the corporation or upon
written reports setting forth financial data concerning the corpora-
tion and prepared by an independent public accountant or certified
public accountant or firm of accountants or upon financial state-
ments, books of account or reports of the corporation represented
to them to be correct by the president, the officer of the corporation
having charge of its books of account, or the person presiding at
a meeting of the board.

15A:6-15. OFFICERS.

a. The officers of a corporation shall consist of a president, a
secretary, a treasurer, and, if desired, a chairman of the board, an
executive director, one or more vice presidents, and all other officers
as may be prescribed by the bylaws. Unless otherwise provided in
the bylaws, the officers shall be elected or appointed by the board.
A corporation may provide alternative titles for those officers;
provided that the certificate of incorporation or the bylaws specify
which other officer titles correspond to the president, secretary and
treasurer and that the alternative titles not be used in completing
the annual report filed pursuant to section 15A:4-5.

b. Any two or more offices may be held by the same person, but
no officer shall execute, acknowledge, or verify any instrument in
more than one capacity if the instrument is required by law or by
the bylaws to be executed, acknowledged, or verified by two or more
officers.

c. Any officer elected or appointed as herein provided shall hold
office for the term for which that officer is so elected or appointed
and until a successor is elected or appointed and has qualified,
subject to earlier termination by removal or resignation.

d. All officers of the corporation, as between themselves and the
corporation, shall have the authority and perform the duties in the
management of the corporation as may be provided in the bylaws,
or as may be determined by resolution of the board not inconsistent
with the bylaws.

15A:6-16. REMOVAL AND RESIGNATION OF OFFICERS; FILLING OF VACANCIES.

a. Any officer elected or appointed by the board may be removed by the board with or without cause. An officer elected by the members may be removed, with or without cause, only by vote of the members, but the authority to act as an officer may be suspended by the board for cause. The removal of an officer without cause shall be without prejudice to that officer's contract rights, if any. Election or appointment of an officer shall not of itself create contract rights.

b. An officer may resign by written notice to the corporation. The resignation shall be effective upon receipt thereof by the corporation or at a subsequent time as shall be specified in the notice of resignation.

c. Any vacancy occurring among the officers, however caused, shall be filled in the manner provided in the bylaws. In the absence of such a provision, any vacancy shall be filled by the board.

15A:6-17. BONDS; FACSIMILE SIGNATURES AND SEALS.

The seal of the corporation, if any, and any or all signatures of the officers or other agents of the corporation upon a bond and any coupon attached thereto may be facsimiles if the bond is countersigned by an officer or other agent or a trustee or other certifying or authenticating authority. In case any officer or other agent who has signed or whose facsimile signature has been placed upon the bond or coupon shall have ceased to be an officer or agent before the bond is issued, it may be issued by the corporation with the same effect as if that officer or agent were an officer or agent at the date of its issue.

CHAPTER 7
MEMBERSHIPS

Section
15A:7-1. Certificates or other written evidence of membership.
15A:7-1. **Certificates or Other Written Evidence of Membership.**

a. Memberships in a corporation may be, but need not be, represented by certificates or other written evidence of membership. Unless the certificate of incorporation or bylaws otherwise provide, the certificates or written evidences shall be signed by, or in the name of the corporation by, the chairman of the board, or the president or a vice-president, and by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation and may be sealed with the seal of the corporation or a facsimile thereof.

b. Each certificate or other written evidence representing membership delivered after the effective date of this act shall state upon the face thereof:

(1) That the corporation is organized under the laws of this State;

(2) The name of the person to whom it is issued; and

(3) The class of membership, if any, which such certificate represents.

c. Every certificate or other written evidence of membership delivered after the effective date of this act by a corporation having more than one class of members shall set forth upon the face or back of the certificate or the written evidence, either a full statement of the designations and relative rights of each class of membership to be issued or a statement that the corporation will furnish to any member, upon request and without charge, a full statement.

15A:7-2. **Restrictions on Transfer of Memberships.**

a. Memberships of a corporation shall be personal property and, unless otherwise provided in the certificate of incorporation or bylaws, are not transferable and terminate upon the death of the member.

b. If memberships are transferable, any reasonable restriction on the transfer of memberships may be enforced against the members. The restrictions shall be valid only if imposed by the certificate of incorporation or bylaws or by a written agreement among any number of members. Unless noted conspicuously on the certificate or other written evidence representing memberships, a restriction shall not be valid against a person who becomes a member without actual knowledge of the restriction.
e. In particular and without limitation of the generality of the power granted by subsection b. of this section to impose restrictions, a restriction on the transfer of memberships may be enforced, if it:

(1) Obligates the member to offer to the corporation or to any other members a prior opportunity to acquire the membership;

(2) Obligates the corporation to purchase the membership;

(3) Requires the corporation to consent to any proposed transfer of the membership or to approve the proposed transferee; or

(4) Prohibits the transfer of the membership to designated persons or classes of persons, and the designation is not manifestly unreasonable.

d. If a restriction on transfer of memberships is held not to be authorized by the law of this State, the corporation shall nevertheless have an option for a period of 30 days after the judgment setting aside the restriction becomes final, to acquire the membership at a price to be agreed upon by the parties, or if an agreement is not reached as to price, then at its fair value as determined by any court having jurisdiction. In order to determine fair value, the court may appoint an appraiser to receive evidence and report to the court the findings and recommendations as to fair value.

15A :8-2. FORMULATION OF PLANS.

The board alone, by affirmative vote of a majority of the entire board, may adopt any plan described in section 15A :8-1 and may include provisions therein as the board may deem advisable.

15A :8-3. AMENDMENT OR TERMINATION OF PLANS.

Unless otherwise provided in the plan, the board may amend or terminate any plan described in section 15A :8-1. 15A :8-4. TRUST FUNDS FOR EMPLOYEES; CREATION; MAINTENANCE AND ADMINISTRATION.

Any domestic or foreign corporation which adopts a plan described in section 15A :8-1 may establish one or more trust funds of the property contributed or held by the corporation or any subsidiary thereof for the purposes of the plan. 15A:8-5. Continuation of Trust; Law Against Perpetuities Inapplicable.

The period for which any trust may be created and maintained may be as long as may be desirable for the complete administration of any plan as originally adopted or thereafter amended, and a trust fund shall not be subject to or held to be in violation of any principle of law against perpetuities or restraints on alienation or perpetual accumulations of trusts.

CHAPTER 9

Amendments, Changes or Alterations

a. A corporation may amend its certificate of incorporation from time to time in any and as many respects as may be desired as long as the amendment contains only those provisions as might lawfully be contained in an original certificate of incorporation filed at the time of making the amendment.

b. In particular, and without limitation upon the general power of amendment granted by subsection a. of this section, a corporation may amend its certificate of incorporation:
   (1) To change its corporate name;
   (2) To enlarge, limit or otherwise change its corporate purposes or powers;

a. Before the organization meeting of the board of trustees, the incorporators may amend the certificate of incorporation by complying with subsection a. of section 15A:9-4.

b. An amendment of the certificate of incorporation pursuant to a plan of merger may be made in the manner provided in chapter 10 of this act.

c. An amendment of the certificate of incorporation of a corporation not having any members entitled to vote thereon shall be approved upon receipt of the affirmative vote of two-thirds of those trustees present at a meeting called for the purpose of considering and voting upon the proposed amendment unless the vote of a greater number is required by the certificate of incorporation or bylaws. Upon adoption, a certificate of amendment shall be filed in the office of the Secretary of State as provided in section 15A:9-4.

d. All other amendments of the certificate of incorporation shall be made in the following manner:

(1) The board of trustees shall approve the proposed amendment and direct that it be submitted to a vote at a meeting of the members;

and, in addition, if any class of members is entitled to vote thereon as a class, the affirmative vote of two-thirds of the votes cast in each class vote. The voting requirements of this subsection shall be subject to the greater or lesser requirements as are adopted pursuant to section 15A:5-12;

(4) Any number of amendments may be acted upon at one meeting;

(5) Upon adoption, a certificate of amendment shall be filed in the office of the Secretary of State as provided in section 15A:9-4.

Notwithstanding any provision in the certificate of incorporation, the members of a class, with or without voting rights, whose voting or other rights or preferences or privileges would be subordinated or otherwise adversely affected by a proposed amendment, shall be entitled to vote as a class thereon.

a. If the amendment is made as provided by subsection a. of section 15A:9-2, a certificate of amendment shall, subject to subsection c. of section 15A:2-7, be signed by all incorporators, shall set forth the name of the corporation and the amendment so adopted, and shall recite that the amendment is made by the unanimous consent of the incorporators before the organization meeting of the board of trustees.

b. If the amendment is made as provided by subsection c. or d. of section 15A:9-2, a certificate of amendment shall be executed on behalf of the corporation and shall set forth:

1. the name of the corporation;
2. the amendment so adopted;
3. whether the corporation has or does not have members;
4. the date of the adoption of the amendment by the trustees if the corporation has no members entitled to vote thereon, or by the members, whichever is applicable;
5. if the corporation has no members entitled to vote thereon, the number of trustees of the corporation and either the number of trustees voting for and against the amendment, respectively,
and the number of trustees present at the meeting or that the amendment was adopted by the unanimous written consent of the trustees without a meeting;

(7) if, pursuant to subsection c. of this section, the amendment is to become effective at a time subsequent to the time of filing, the date when the amendment is to become effective.

c. An original and one copy of each certificate of amendment of the certificate of incorporation shall be filed in the office of the Secretary of State and the amendment shall become effective upon the date of filing or at a later time, not to exceed 30 days from the date of filing, as may be set forth in the certificate. The Secretary of State shall forward the copy to the Attorney General.

a. A corporation may restate and integrate in a single certificate the provisions of its certificate of incorporation as theretofore amended, including any provision effected by a merger or consolidation and any further amendments which may be adopted concurrently with the restated certificate.

b. If the proposed restated certificate merely restates and integrates, but does not substantively amend the certificate of incorporation as theretofore amended, it may be adopted by the board.

c. If the proposed restated certificate restates and integrates and also substantively amends the certificate of incorporation as theretofore amended, such restated certificate shall be adopted pursuant to the procedure set forth in section 15A:9-2.

d. The restated certificate shall recite that it is a restated certificate and shall contain all provisions as are required in an original certificate of incorporation filed at the time the restated certificate is filed except that:
(1) It shall state the address of the corporation's then current registered office, and the name of its then current registered agent, and it shall state the number, names and addresses of the trustees constituting its then current board of trustees;

(2) It need not include statements as to the incorporator or incorporators or as to the first board of trustees or the first registered office and registered agent;

e. A restated certificate shall be executed on behalf of the corporation, and an original and a copy thereof shall be filed in the office of the Secretary of State. There shall be attached to it and filed therewith a certificate executed on behalf of the corporation and setting forth:

(1) The name of the corporation;

(2) Whether the corporation has or does not have members;

(3) If the restated certificate was adopted by the board and no amendment to the certificate of incorporation is made thereby, the date of adoption by the board;

(4) If the restated certificate was adopted by the board and an amendment to the certificate of incorporation is made by the restated certificate, the date of adoption by the board and either the number of trustees of the corporation, the number of trustees voting for and against the restated certificate, respectively, and the number of trustees present at the meeting; or that the amendment was adopted by the unanimous written consent of the trustees without a meeting; or

(5) If the restated certificate was adopted by the members, the date of adoption by the members and either the number of members entitled to vote thereon, the number of members voting for and against the adoption, respectively, if any class or classes of members are entitled to vote thereon as a class, the number of members in each class, the votes of each class voted for and against the adoption respectively and the number of members present at the meeting or that the amendment was adopted by the unanimous written consent of the members without a meeting.

f. The restated certificate shall become effective upon the date of filing with the Secretary of State or at a later time, not to exceed 30 days from the date of filing, as may be set forth therein. The Secretary of State shall forward the copy to the Attorney General.
A restated certificate adopted in the manner prescribed herein, whether by action of the board or by action of the board and the members, shall supersede for all purposes the original certificate of incorporation and all amendments made prior to the adoption of the restated certificate, and the restated certificate may be separately certified as the certificate of incorporation.

Prior to the effective date of an amendment of a certificate of incorporation or of a restated certificate for which the approval of members is required by this act, the amendment or the restated certificate may be abandoned pursuant to provisions therefor, if any, set forth in the resolution of the members approving the amendment or the restated certificate or in any resolution subsequently adopted by the members. Prior to the effective date of an amendment of a certificate of incorporation or of a restated certificate for which the approval of members is not required by this act, the amendment or restated certificate may be abandoned pursuant to provisions therefor, if any, set forth in the resolution of the trustees approving the amendment or the restated certificate, or in any resolution subsequently adopted by the board. If a certificate of amendment or a restated certificate has been filed in the office of the Secretary of State prior to the abandonment, an original and a copy of a certificate of abandonment shall be filed in the office of the Secretary of State. The certificate shall state that the amendment or the restated certificate has been abandoned in accordance with the provisions set forth in the resolution therefor and shall specify whether the resolution was adopted by the board or the members and the date of adoption of the resolution. b. The separate existence of all parties to the plan of merger or consolidation, except the surviving or new corporation, shall cease;

c. The surviving or new corporation shall, to the extent consistent with its certificate of incorporation as amended or established by the merger or consolidation, possess all the rights, privileges, prerogatives, powers, immunities, purposes and franchises, both public and private, of each of the merging or consolidating corporations;

merger or consolidation, but the real and personal property shall be and remain subject to any trusts on which it may have been theretofore held;

e. The surviving or new corporation shall assume, carry and discharge and shall be liable for all the obligations and liabilities of each of the corporations so merged or consolidated, and any claim existing or action or proceeding pending by or against any of the corporations may be enforced as if the merger or consolidation had not taken place, and neither the rights of creditors nor any liens upon, or security interests in, the property of any of the corporations shall be impaired by the merger or consolidation;

c. The enumeration in subsection a. of this section of grounds for dissolution shall not exclude any other statutory or common law action by the Attorney General for the dissolution of a corporation or the revocation or forfeiture of its corporate franchises.

15A:12-12. INVOLUNTARY DISSOLUTION; OTHER REMEDIES.

a. The Superior Court, in an action brought under this section, may appoint a custodian, appoint a provisional trustee, order a sale of the corporation's assets as provided below, or enter a judgment dissolving the corporation, upon proof that:
(1) The members of the corporation are so divided in voting power that, for a period which includes the time when two consecutive annual or biennial meetings were or should have been held they have failed to elect successors to trustees whose terms have expired or would have expired upon the election and qualification of their successors; or

(2) The trustees of the corporation, or the person or persons having the management authority (if a provision in the corporation's certificate of incorporation contemplated by subsection b. of section 15A:5-19 is in effect) are unable to effect action on one or more substantial matters respecting the management of the corporation's affairs; or

(3) There is internal dissension and two or more factions of members are so divided that dissolution would be beneficial to the members; or

(4) The trustees or members in control of the corporation have looted or wasted corporate assets, have perpetuated the corporation solely for their personal benefit, or have otherwise acted in an illegal, oppressive or fraudulent manner; or

(5) The corporation is no longer able to carry out its purposes.

b. An action may be brought under this section by one or more trustees or by one or more members. In the action, in the case of appointment of a custodian or a provisional trustee, the court may proceed in summary manner or otherwise.

c. One or more provisional trustees may be appointed if it appears to the court that the appointment may be in the best interests of the corporation and its members, notwithstanding any provisions in the corporation's bylaws, certificate of incorporation, or any resolutions adopted by the board or members. A provisional trustee shall have all the rights and powers of a duly elected trustee of the corporation, including the right to notice of and to vote at meetings of trustees until the time as the provisional trustee shall be removed by order of the court, or unless otherwise ordered by the court, by a vote or written consent of a majority of the votes entitled to be cast by the members entitled to vote to elect trustees or where the corporation has no members, by a vote or written consent of a majority of the votes entitled to be cast by the trustees entitled to elect trustees.

d. A custodian may be appointed if it appears to the court that the appointment may be in the best interests of the corporation and its members, notwithstanding any provisions in the corpora-
tion's bylaws, certificate of incorporation, or any resolutions adopted by the members or the board. Subject to any limitations which the court imposes, a custodian shall be entitled to exercise all of the powers of the corporation and its officers to the extent necessary to manage the affairs of the corporation in the best interests of its members and creditors, until the time as the custodian shall be removed by order of the court or, unless otherwise ordered by the court, by the vote or written consent of a majority of the votes entitled to be cast by members entitled to vote to elect trustees or where the corporation has no members, by a vote or written consent of a majority of the votes entitled to be cast by the trustees entitled to elect trustees. The powers may be exercised directly or through, or in conjunction with, the corporation's board or officers, in the discretion of the custodian or as the court may order. If so provided in the order appointing the custodian, a custodian shall have the fact-determining powers of a receiver as provided in subsections e. and f. of section 15A:14-5.

e. Any custodian or provisional trustee shall be an impartial person who is neither a member nor a creditor of the corporation or of any subsidiary or affiliate of the corporation.
f. Any custodian or provisional trustee shall report from time to time to the court concerning the matter complained of, or the status of the deadlock, if any, and of the status of the corporation's business, as the court shall direct. In addition, that person shall submit to the court, if so directed, recommendations as to the appropriate disposition of the action. If, after the appointment of a custodian or provisional trustee, the court determines that a judgment of dissolution is in the best interests of the members of the corporation, a judgment shall be entered. The court may continue any custodian or provisional trustee in the office subsequent to the entry of a judgment of dissolution and until the time as the affairs of the corporation are wound up, or it may appoint that person or another as receiver, as provided in section 15A:12-18.

g. In any proceeding under this section, the court shall allow reasonable compensation to the custodian or provisional trustee for services and reimbursement or direct payment of the reasonable costs and expenses, which amounts shall be paid by the corporation.

h. In determining whether to enter a judgment of dissolution in an action brought under this section, the court shall take into consideration whether the corporation is operating in the best interests of its members, but shall not deny entry of a judgment solely on that ground.
i. If the court determines that any party to an action brought under this section has acted arbitrarily, vexatiously, or otherwise not in good faith, it may in its discretion award reasonable expenses, including counsel fees incurred in connection with the action, to the injured party or parties.

An action or special proceeding for the dissolution of a corporation may be discontinued at any stage when it is established that the cause for dissolution did not exist or no longer exists. In that event, the court shall dismiss the action or special proceeding and direct any receiver, appointed pursuant to this chapter, or other court appointed officer, to redeliver to the corporation all its remaining property.

The dissolution of a corporation shall not affect any remedy available to or against the corporation, its trustees, officers or members, for any right or claim existing or any liability incurred before the dissolution, except as provided in section 15A:12-12 (jurisdiction of Superior Court to supervise dissolution and liquidation) or 15A:12-19 (filing or barring claims).

a. Dissolution proceedings commenced pursuant to section 15A:12-3, 15A:12-4, 15A:12-5, 15A:12-6, or 15A:12-7 may be revoked at any time within 60 days after the effective time of dissolution, as determined pursuant to section 15A:12-14, if no disposition of corporate assets has been made and no proceeding pursuant to section 15A:12-21 is pending, by filing in the office of the Secretary of State an original and a copy of a certificate of revocation signed, in person or by proxy, by all of the members or, if there are no members entitled to vote thereon, by all of the trustees, stating that revocation is effective pursuant to subsection a. of this section and that all the members or, if there are no members entitled to vote thereon, all of the trustees of the corporation have signed the certificate, in person or by proxy. In the case of a corporation dissolved pursuant to section 15A:12-7, the certificate must be accompanied by an original and a copy of a certificate of amendment executed by the same persons executing the certificate of revocation containing the information set forth in subsection b. of section 15A:9-4 and extending the period of duration for a specified or indefinite period of time. The Secretary of State shall forward the copy of the certificate to the Attorney General.

b. In addition to the procedures for revocation of dissolution set forth in subsection a. of this section, corporations having dissolved pursuant to section 15A:12-3, 15A:12-4 or 15A:12-5 may also revoke the dissolution at any time within 60 days after the effective time of dissolution, as determined pursuant to section 15A:12-14, if no disposition of corporate assets has been made and no proceeding pursuant to section 15A:12-21 is pending, in the following manner:

(1) The board of trustees shall call a meeting of members to vote upon the question of revocation of the dissolution proceedings, and in connection with the meeting, the members shall be given the same notice, and the revocation shall be approved by the same vote, as that required by section 15A:12-4 for the approval of dissolution; if there are no members entitled to vote on the revocation, the trustees must approve the revocation at a meeting of the board by the same vote as that required by section 15A:12-5 for the approval of the dissolution;

(2) If the members or trustees approve the revocation, an original and a copy of a certificate of revocation shall be executed on behalf of the corporation and shall be filed in the office of the Secretary of State, and the certificate shall state:
(a) that dissolution is revoked pursuant to subsection b. of section 15A:12-16;

(b) the matters required by subsections a., b., c., and d. of section 15A:12-10;

(c) if the revocation of the dissolution is effected by the written consent of all of its members or all of its trustees, that the certificate has been signed in person or by proxy by all the members entitled to vote thereon or by all of the trustees of the corporation; and

(d) if the revocation of the dissolution is effected by action of its board and its members, the text of the board resolution authorizing revocation, the date and place of the meeting of members called to vote upon the revocation, the total number of members entitled to vote on the revocation, the number of members present at the meeting, the number of votes voted for and voted against the revocation and, where applicable, the number of votes in each class voted for and voted against the revocation.

The Secretary of State shall forward the copy to the Attorney General;

(3) If approval of the dissolution of a corporation is required by a governmental body or officer, and the approval has been given, approval of the revocation of that body or officer must be filed with the certificate of revocation.

15A:12-17. Effect of Revocation of Dissolution.

a. Upon the filing of an original and a copy of a certificate of revocation as authorized by this act, the revocation of dissolution proceedings shall become effective, and the corporation may, subject to the provisions of subsection b. of this section, again conduct activities in the same manner as if the dissolution proceedings had never been commenced.

b. If, pursuant to subsection d. of section 15A:2-2, a dissolved corporation has filed a written consent to the adoption of its name or a confusingly similar name by another, the subsequent revocation of dissolution proceedings pursuant to this section shall not restore the dissolved corporation’s right to the use of its name.

a. At any time after a corporation has been dissolved, the corporation, or a receiver appointed for the corporation pursuant to this chapter, may give notice requiring all creditors to present their claims in writing. The notice shall be published three times, once in each of 3 consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims to the corporation or the receiver, as the case may be, at a place and on or before a date named in the notice, which date shall not be less than 6 months after the date of the first publication.

b. On or before the date of the first publication of the notice as provided in subsection a. of this section, the corporation, or the receiver, as the case may be, shall mail a copy of the notice to each known creditor of the corporation. The giving of the notice shall not constitute recognition that any person to whom the notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.

c. As used in this section, "creditor" means all persons to whom the corporation is indebted, and all other persons who have claims or rights against the corporation, whether liquidated or unliquidated, matured or unmatured, direct or indirect, absolute or contingent, secured or unsecured.

d. Proof of the publication and mailing authorized by this section shall be made by an affidavit filed in the office of the Secretary of State.

a. Any creditor as defined in subsection c. of section 15A:12-18 who does not file a claim as provided in the notice given pursuant to section 15A:12-18, and all those claiming through or under that creditor, shall be forever barred from suing on the claim or otherwise realizing upon or enforcing it except, in the case of a creditor who shows good cause for not having previously filed a claim, to the extent as the Superior Court may allow:

(1) Against the corporation to the extent of any undistributed assets; or

(2) If the undistributed assets are not sufficient to satisfy the claim, against a member or other person, corporation or corporate
business entity to the extent of the distributee's ratable part of the claim, out of the assets of the corporation distributed to the distributee in liquidation or dissolution.

b. This section shall not apply to claims which are in litigation on the date of the first publication of the notice pursuant to section 15A:12-18.

15A:12-20. DISPOSITION OF REJECTED CLAIMS.

If the corporation, or the receiver of a corporation appointed pursuant to this chapter, rejects in whole or in part any claim filed by a creditor, as defined in subsection c. of section 15A:12-18, the corporation or the receiver, as the case may be, shall mail notice of the rejection to the creditor. If the creditor does not bring suit upon the claim within 60 days from the time the notice was mailed, the creditor and all those claiming through or under that creditor shall, except as otherwise provided in this chapter, be forever barred from suing on the claim or otherwise realizing upon or enforcing it. Proof of the mailing required by this section shall be made by an affidavit filed in the office of the Secretary of State.

15A:12-21. JURISDICTION OF THE SUPERIOR COURT.

At any time after a corporation has been dissolved in any manner, a creditor, as defined in subsection c. of section 15A:12-18, or a member of the corporation, or, where there are no members, a trustee of the corporation, or the corporation itself, may apply to the Superior Court for a judgment that the affairs of the corporation and the liquidation of its assets continue under the supervision of the court. The court shall have power to proceed in a summary manner or otherwise upon the application, and shall make orders and judgments as may be required including, but not limited to, the continuance of the liquidation of the corporation's assets by its officers and trustees under the supervision of the court, or the appointment of a receiver of the corporation, who shall be vested with all the powers provided in Chapter 14 to be exercised by receivers appointed to liquidate the affairs of a corporation.

15A:12-22. JUDGMENT OF DISSOLUTION; FILING COPY.

A copy of every judgment dissolving a corporation or forfeiting its charter shall be forthwith filed by the clerk of the court in the office of the Secretary of State, and a notation thereof shall be made by the Secretary of State on the charter or certificate of incorporation of the corporation affected. The Secretary of State shall notify the Attorney General of the action.

15A:12-23. DISSOLUTION UPON LIQUIDATION.

No corporation shall be completely liquidated and all of its assets distributed unless provision is made for the dissolution of the corporation and the payment of all fees, taxes, and other expenses incidental thereto.

CHAPTER 13
FOREIGN CORPORATIONS

Section
15A:13-1. HOLDING AND CONVEYING REAL ESTATE.

A foreign corporation shall have the same powers with respect to real property located in this State, or any interest therein, as a domestic corporation.

15A:13-2. APPLICATION OF ACT TO FOREIGN CORPORATIONS.

a. Foreign corporations which were duly authorized to conduct activities in this State prior to January 1, 1969, and which did not thereafter withdraw from this State and which remain so authorized on the effective date of this act, for a purpose or purposes for which a corporation might secure authority under this act, are deemed to be authorized to conduct activities under this act and shall be entitled to all the rights and privileges applicable to foreign corporations procuring certificates of authority to transact business in this State under this act; and from the time this act takes effect those corporations shall be subject to all the duties, restrictions, penalties and liabilities prescribed herein for foreign corporations procuring certificates of authority to transact business in this State under this act.

b. A foreign corporation which receives a certificate of authority under this act shall, until a certificate of revocation or of withdrawal is issued as provided in this act, enjoy the same, but no greater, rights and privileges as a domestic corporation organized for the purposes set forth in the application pursuant to which the certificate of authority is issued; and, except as in this act otherwise provided, shall be subject to the same duties, restrictions, penalties and liabilities now or hereafter imposed upon a domestic corporation of like character.

c. A foreign corporation which conducts activities in this State without a certificate of authority under this act shall be subject to the same duties, restrictions, penalties and liabilities now or hereafter imposed upon a foreign corporation procuring a certificate of authority.

15A:13-3. ADMISSION OF FOREIGN CORPORATION.

a. A foreign corporation shall not have the right to conduct activities in this State until it shall have procured a certificate of authority so to do from the Secretary of State. The preceding sentence shall not be operative until 90 days after the effective date
of this act. A foreign corporation may be authorized to conduct in this State any activities which may be done lawfully in this State by a domestic corporation, to the extent that it is authorized to conduct those activities in the jurisdiction of its incorporation, but no other activities.

b. Without excluding other activities which may not constitute conducting activities in this State, a foreign corporation shall not be considered to be conducting activities in this State, for the purposes of this act, by reason of carrying on in this State any one or more of the following activities:

(1) Maintaining, defending or otherwise participating in any action or proceeding, whether judicial, administrative, arbitrative or otherwise, or effecting the settlement thereof or the settlement of claims or disputes;

(2) Holding meetings of its trustees or members;

(3) Maintaining bank accounts or borrowing money, with or without security, even if the borrowings are repeated and continuous transactions and even if the security has a situs in this State;

(4) Maintaining offices or agencies for the transfer, exchange and registration of its securities, or appointing and maintaining trustees or depositaries with relation to its securities.

c. The specification in subsection b. of this section does not establish a standard for activities which may subject a foreign corporation to service of process or taxation in this State.

**15A:13–4. Application for Certificate of Authority.**

a. To procure a certificate of authority to conduct activities in this State, a foreign corporation shall file in the office of the Secretary of State an original and a copy of an application executed on behalf of the corporation setting forth:

(1) The name of the corporation and the jurisdiction of its incorporation;

(2) The date of incorporation and the period of duration of the corporation;

(3) The address of the main office or headquarters of the corporation;

(5) The character of the activities it is to conduct in this State, together with a statement that it is authorized to conduct those activities in the jurisdiction of its incorporation.

b. Attached to the application shall be a certificate setting forth that the corporation is in good standing under the laws of the jurisdiction of its incorporation, executed by the official of that jurisdiction who has custody of the records pertaining to corporations and dated not earlier than 30 days prior to the filing of the application. If the certificate is in a foreign language, a translation thereof under oath of the translator shall be attached thereto.

c. Upon the filing of the original and the copy of the application, the Secretary of State shall forward the copy to the Attorney General and shall issue to the foreign corporation a certificate of authority to conduct activities in this State.

15A:13-5. EFFECT OF CERTIFICATE OF AUTHORITY.

Upon the issuance of a certificate of authority by the Secretary of State, the foreign corporation shall be authorized to conduct in this State any activities of the character set forth in its application. The authority shall continue so long as it retains authority to conduct those activities in the jurisdiction of its incorporation and its authority to conduct activities in this State has not been surrendered or revoked.

15A:13-6. AMENDED CERTIFICATE OF AUTHORITY.

a. A foreign corporation authorized to conduct activities in this State shall procure an amended certificate of authority in the event it desires to change its corporate name, or to enlarge, limit or otherwise change the character of the activities which it proposes to conduct in this State, by making application therefor to the Secretary of State.

b. The requirements in respect to the form and contents of the application, the manner of its execution, the filing thereof in the office of the Secretary of State, the issuance of an amended certificate of authority and the effect thereof, shall be the same as in the case of an original application for a certificate of authority.

15A:13-7. CHANGE OF NAME BY FOREIGN CORPORATION.

Whenever a foreign corporation which is authorized to conduct activities in this State shall change its name to one under which a certificate of authority would not be granted to it on application therefor, the certificate of authority of the corporation shall be suspended and the corporation shall not thereafter conduct any activities in this State until it has changed its name to a name which is available to it under the laws of this State or has otherwise complied with the provisions of this act.

15A:13-8. WITHDRAWAL OF FOREIGN CORPORATION.

a. A foreign corporation authorized to conduct activities in this State may withdraw from this State upon procuring from the Secretary of State a certificate of withdrawal. In order to procure a certificate of withdrawal, the foreign corporation shall file in the office of the Secretary of State an original and a copy of an application for withdrawal, executed on behalf of the corporation, setting forth:

(4) a post-office or street address within or without this State to which the Secretary of State may mail a copy of any process against the corporation that may be served on the Secretary of State.

b. Upon the filing of the original and the copy of an application for withdrawal, the Secretary of State shall forward the copy to the Attorney General and shall issue to the corporation a certificate of withdrawal, whereupon:

(1) the authority of the corporation to conduct activities in this State shall cease;
(2) the authority of its registered agent in this State to accept service of any process against the corporation shall be deemed revoked;
(3) the corporation shall be deemed to have irrevocably consented that service of process in any action or proceeding based upon any liability or obligation incurred by it within this State before the issuance of the certificate of withdrawal may thereafter
be made on the corporation by service thereof on the Secretary of State or the person designated by the Secretary of State; and

(4) the Secretary of State shall be charged with the duties and shall be entitled to receive fees with respect to any process which may be served hereunder on the Secretary of State or the chief clerk of the office of the Secretary of State, as is provided in N. J. S. 2A:15-26 to 2A:15-30.

c. The post-office address specified in paragraph (4) of subsection a. of this section may be changed from time to time by filing in the office of the Secretary of State an original and a copy of a certificate executed on behalf of the corporation setting forth:

(1) the name of the foreign corporation;
(2) the jurisdiction of its incorporation;
(3) the date of the issuance of its certificate of withdrawal by the Secretary of State; and
(4) the changed post-office address.

The Secretary of State shall forward the copy of the certificate to the Attorney General.

15A:13-9. TERMINATION OF EXISTENCE OF FOREIGN CORPORATION.

a. When a foreign corporation authorized to conduct business in this State is dissolved, or its authority or existence is otherwise terminated or cancelled in the jurisdiction of its incorporation, or it is merged into or consolidated with another corporation, there shall be filed in the office of the Secretary of State:

(1) a certificate of the official of the jurisdiction of incorporation of the foreign corporation who has custody of the records pertaining to corporations, attesting to the occurrence of the event; or

(2) a certified copy of an order or decree of a court of competent jurisdiction directing the dissolution of the foreign corporation, the termination of its existence, or the cancellation of its authority, together with a statement executed on behalf of the corporation of the post-office address within or without this State to which the Secretary of State may mail a copy of any process against the corporation that may be served on the Secretary of State.

b. Upon the filing of the certificate, order or decree and the statement of the post-office address, the Secretary of State shall issue a certificate of withdrawal with like effect as provided in subsection b. of section 15A:13-8 and shall notify the Attorney General of the action.
CHAPTER 127, LAWS OF 1983

487

c. The post-office address specified in subsection a. of this section may be changed from time to time in the same manner as is provided in subsection c. of section 15A:13-8.

a. In addition to any other ground for revocation provided by law, the certificate of authority of a foreign corporation to conduct activities in this State may be revoked by the Secretary of State upon the conditions prescribed in this section when:

(1) The corporation has failed to apply for an amended certificate of authority within 90 days after it was required to do so under this act; or

(2) The corporation has failed to maintain a registered agent in this State as required by this act; or

(3) The corporation has failed, after change of its registered office or registered agent to file in the office of the Secretary of State a statement of the change as required by this act.

b. A certificate of authority of a foreign corporation shall not be revoked by the Secretary of State unless:

(1) The Secretary of State has given the corporation not less than 90 days' notice that the default exists and that its certificate of authority will be revoked unless the default is cured within 90 days after the mailing of the notice; and

(2) The corporation shall fail prior to revocation to cure the default.

The notice shall be sent by certified mail to the corporation at its registered office in this State and at its main office or headquarters as those offices are on record in the office of the Secretary of State.

c. Upon revoking any certificate of authority the Secretary of State shall issue a certificate of revocation and shall mail a copy to the corporation at each of the addresses designated in subsection b. of this section and shall forward a copy to the Attorney General.

d. The issuance of the certificate of revocation shall have the same force and effect as the issuance of a certificate of withdrawal under subsection b. of section 15A:13-8.

a. A foreign corporation conducting activities in this State without a certificate of authority shall not maintain any action or proceeding in any court of this State, until the corporation obtains a certificate of authority. This prohibition shall apply to:

(1) Any successor in interest of the foreign corporation, except any receiver, trustee in bankruptcy or other representative of creditors of the corporation; and

(2) Any assignee of the foreign corporation, except an assignee for value who accepts an assignment without knowledge that the foreign corporation should have but has not obtained a certificate of authority in this State.

b. The failure of a foreign corporation to obtain a certificate of authority to conduct activities in this State shall not impair the validity of any contract or act of the corporation, and shall not prevent the corporation from defending any action or proceeding in any court of this State.

c. In addition to any other liabilities imposed by law, a foreign corporation which conducts activities in this State without a certificate of authority shall forfeit to the State a penalty of not less than $200.00, nor more than $1,000.00 for each calendar year from and after the effective date of this act in which it shall have conducted activities in this State without a certificate of authority, provided that the number of years for which a penalty may be forfeited shall not exceed five. The penalty shall be recovered with costs in an action prosecuted by the Attorney General. The court may proceed in the action in a summary manner or otherwise.

d. The prohibitions of this section shall not be operative until 90 days after the effective date of this act.

a. The Attorney General may bring an action in the Superior Court in the name of the State to enjoin a foreign corporation from conducting activities in this State:

(1) Without having first obtained a certificate of authority pursuant to this chapter;

(2) Of a character not set forth in its application for a certificate of authority or for an amended certificate of authority;
(3) After its authority to conduct activities in this State has been surrendered or revoked;

(4) After it is dissolved or its authority or existence is otherwise terminated or canceled in the jurisdiction of its incorporation;

(5) If it has procured its organization certificate of authority through fraudulent misrepresentation or concealment of a material fact;

(6) If it has repeatedly exceeded the authority conferred upon it by law;

(7) If it has repeatedly conducted its business in an unlawful manner;

(8) If it has misused or failed to use its powers, privileges or franchises;

(9) If it is insolvent;

(10) If it is conducting its activities in violation of its certificate of incorporation or its application for certificate of authority, or, with respect to specific assets, in violation of any restrictions applicable to those assets imposed upon it;

(11) If it is conducting its activities at a great loss and with great prejudice to the interests of its creditors or members; or

(12) If it is conducting activities in a manner which is prejudicial to the public.

b. The Superior Court may proceed in the action in a summary manner or otherwise. Upon a showing by clear and convincing evidence of any cause set forth in subsection a. of section 15A:12-11, the court may declare the corporation's certificate of authority revoked and a copy of the order of the court shall be filed in the office of the Secretary of State as evidence thereof, but the failure to file the order with the Secretary of State shall not affect the enforceability of the order.

c. The provisions of this section shall not exclude any other ground provided by law for injunctive relief against a foreign corporation to restrain it from the exercise of any franchise or the conducting of any activities within this State.

15A:13-13. **Vesting of Title to Real Property Upon Merger or Consolidation of Foreign Corporations.**

b. Whenever a foreign corporation merges into or consolidates with another foreign corporation, and a certified copy of the certificate of merger or certificate of consolidation, as the case may be, is filed in the office of the Secretary of State of New Jersey, all real property in New Jersey and all interests therein, owned by each of the merging or consolidating foreign corporations, shall be deemed to vest in the surviving foreign corporation or the new foreign corporation, as the case may be, upon the effective date of the merger or consolidation, without further act or deed. The merger or consolidation shall be valid and effectual to vest title to the real property and interests therein in the surviving foreign corporation or the new foreign corporation, as the case may be, as fully and completely as if regularly conveyed to it by deed.

c. The provisions of this section shall apply to every merger and to every consolidation of foreign corporations which become effective before the effective date of this act, as well as to every merger and every consolidation of foreign corporations which shall become effective after the effective date of this act, whether the certified copy of the certificate of merger or of the certificate of con-
solidation, as the case may be, was filed in the office of the Secretary

15A:14-5. Powers of Receivers; General.

Subject to the general supervision of the Superior Court and pursuant to specific order where appropriate, a receiver may:

a. take into possession all the property of the corporation including its books, records and papers;

b. institute and defend actions by or on behalf of the corporation;

c. sell, assign, convey or otherwise dispose of all or any part of the property of the corporation;

d. settle or compromise with any debtor or creditor of the corporation, including any taxing authority;

e. summon and examine under oath, which the receiver may administer, or by affirmation, any persons concerning any matter pertaining to the receivership or to the corporation, its property and its transactions, and require that person to produce books, records, papers and other tangible things and to be examined thereon;

f. take testimony within or without the State, and, if without the State, apply to courts of other jurisdictions for compulsory process to obtain the attendance of witnesses;

g. continue the activities of the corporation, and, to that end, enter into contracts, borrow money, pledge, mortgage or otherwise encumber the property of the corporation as security for the repayment of the receiver's loans;

h. do all further acts as shall best fulfill the purposes of this chapter.

15A:14-6. Powers of Receiver; Contempt of Court.

If any person summoned to be examined pursuant to section 15A:14-5 shall refuse to be sworn, or to affirm, or to testify, or to answer a proper question, or to produce the books, papers, documents or tangible things demanded, or shall otherwise engage in misconduct, the Superior Court may, on motion, and after affording that person the opportunity to be heard, punish that person in the same manner as like failure is punishable in a case pending in the court.

CHAPTER 127, LAWS OF 1983

15A:14-7. POWERS OF RECEIVER; SALE OF PROPERTY FREE OF ENCUMBRANCES.

When property of a corporation for which a receiver has been appointed is, at the time of the appointment, subject to one or more encumbrances, the Superior Court, upon the application of the receiver, may authorize the receiver to sell the property at public or at private sale, clear of encumbrances, for a price and upon terms as the court may approve. A sale shall not be authorized nor made except upon prior notice to the holders of the encumbrances affecting the property, and unless the receiver demonstrates to the satisfaction of the court that the sale of the property may be reasonably expected to benefit general creditors of the corporation without adversely affecting the interests of the holders of the encumbrances. The proceeds of the sale shall be paid into court, there to remain until the further order of the court, subject to the same encumbrances which affected the property at the time of the sale.

15A:14-8. RIGHTS OF DEBTORS; SETOFF; COUNTERCLAIM.

a. In all cases of mutual debts or mutual credits between the corporation and a creditor, the account shall be stated and one debt shall be set off against the other, and the balance only shall be allowed or paid.

b. A right of setoff or counterclaim shall not be allowed in favor of any debtor of the corporation if it was acquired by the debtor after the commencement of the receivership action, or within 4 months before the commencement, with a view to the use and with knowledge or notice that the corporation was insolvent.

15A:14-9. PAYMENT OR DELIVERY TO CORPORATION.

a. After the commencement of a receivership action, but before the appointment of a receiver, a debtor of the corporation may make payment to the corporation of the debt, and a person holding property of the corporation may deliver it to the corporation, and the payment and the delivery shall have the same effect as if the receivership action were not pending.

b. If the payment or the delivery is made after the appointment of a receiver by a person acting in good faith the payment and the delivery shall have the same effect as if a receiver had not been appointed.

15A:14-10. FRAUDULENT TRANSFERS.

a. Every transfer made and every obligation incurred by a corporation which is or will be thereby rendered insolvent, is fraudulent as to creditors without regard to its actual intent if the transfer is made or the obligation is incurred without a fair consideration.

b. Every transfer made without fair consideration, when the corporation making it is engaged or is about to engage in an activity or transaction for which the assets remaining in its hands after the transfer are unreasonably small, is fraudulent as to creditors and as to other persons who become creditors during the continuance of the business or transaction without regard to its actual intent.

c. Every transfer made and every obligation incurred without fair consideration when the corporation making the transfer or entering into the obligation intends to or believes that it will incur debts beyond its ability to pay as they mature, is fraudulent as to both present and future creditors.

d. Every transfer made and every obligation incurred by a corporation with actual intent, as distinguished from intent presumed in law, to hinder, or defraud either present or future creditors of the corporation, is fraudulent as to both present and future creditors.

e. Every transfer made and every obligation incurred by a corporation which is or will thereby be rendered insolvent, within 4 months prior to the commencement of a receivership action by or against the corporation, is fraudulent as to the then existing and future creditors: (1) if made or incurred in contemplation of the commencement of the action or in contemplation of liquidation of all or the greater portion of the corporation's property, with intent to use the consideration obtained for the transfer or obligation to enable any creditor of the corporation to obtain a greater percentage of a debt than some other creditor of the same class; and (2) if the transferee or obligee of the transfer or obligation, at the time of the transfer or obligation, knew or believed that the corporation intended to make that use of the consideration.

f. For the purposes of this section, a transfer shall be deemed to have been made at the time when it became so far perfected that no purchaser from the corporation could thereafter have acquired any rights in the property so transferred superior to the rights of the transferee therein, but, if the transfer is not so perfected prior to the commencement of the receivership action by or against the
corporation, it shall be deemed to have been made immediately before the filing of the action.

15A:14–11. FRAUDULENT TRANSFERS; CONTINUED.

   a. A transfer or an obligation incurred which is fraudulent under section 15A:14–10 against a creditor, is fraudulent against the receiver, except as to a purchaser for a fair consideration, without knowledge of the fraud at the time of the purchase.
   b. When a transfer made or an obligation incurred is fraudulent as to a creditor whose claim has matured, the receiver may, as against any person except a purchaser for a fair consideration without knowledge of the fraud at the time of the purchase, or one who has derived title immediately, or immediately from the purchaser:
      (1) Disregard the transfer and attach or levy execution upon the property conveyed or the obligation; or
      (2) Have the transfer set aside or the obligation annulled to the extent necessary to satisfy the creditor's claim.
   c. A purchaser who, without actual fraudulent intent, has given less than a fair consideration for the transfer or obligation, may retain the property or obligation as security for repayment.
   d. When a transfer made or an obligation incurred is fraudulent as to a creditor whose claim has not matured, the receiver may proceed in the Superior Court against any person against whom the receiver could have proceeded if the claim were matured, and the court may:
      (1) Restrain the defendant from disposing of the property covered or affected by the conveyance or of the obligation;
      (2) Direct that the property or obligation be delivered to the custody of the receiver;
      (3) If equitable, set aside the conveyance or annul the obligation to the extent necessary to satisfy the claim.

15A:14–12. FRAUDULENT TRANSFERS; CONTINUED.

Nothing contained in section 15A:14–10 or 15A:14–11 shall be construed to validate a transfer which is voidable under section 15A:14–13.
CHAPTER 127, LAWS OF 1983

a. Every lien against the property of a corporation shall be void if:

   (1) The lien is obtained by attachment, judgment, levy or other legal process; and

   (2) A receivership action against the corporation is commenced within 4 months after the date on which the lien was obtained, or if the lien is obtained after the commencement of the receivership action; and

   (3) The assets of the corporation are distributed in the receivership action.

b. The property affected by any lien shall be discharged from the lien and shall pass to the receiver, but the court may order that lien to be preserved for the benefit of the corporation's creditors. The Superior Court may direct the conveyance of the property affected as may be proper or adequate to evidence title thereto of the receiver. The title of a bona fide purchaser of the property shall be valid, but, if the title is acquired otherwise than by a judicial sale held to enforce the lien, it shall be valid only to the extent of the present consideration paid for the property.

a. For the purpose of this chapter, a preference arises when:

   (1) A corporation which, while insolvent, and within 4 months of the commencement of a receivership action by or against it, transfers any property to or for the benefit of a creditor for or on account of an antecedent debt; and

   (2) The effect of the transfer will be to enable the creditor to obtain a greater percentage of a debt than some other creditor of the same class; and

   (3) The creditor receiving or to be benefited by the transfer, or the creditor's agent acting with reference thereto, has, at the time when the transfer is made, reasonable cause to believe that the corporation is insolvent.

b. For the purpose of determining whether a preference has arisen:

   (1) A transfer of property other than real property shall be deemed to have been made or suffered at a time when it became so far perfected that no subsequent lien obtainable by legal or equit-
able proceedings on a simple contract could become superior to the rights of the transferee;

(2) A transfer of real property shall be deemed to have been made or suffered when it became so far perfected that no subsequent bona fide purchase from the corporation could create rights in the property superior to the rights of the transferee.

c. If any transfer of real property is not so perfected against a bona fide purchase, or if any transfer of other property is not so perfected against liens by legal or equitable proceedings prior to the commencement of a receivership action it shall be deemed to have been made immediately before the commencement of the action.

d. When a preference has arisen, the receiver may recover the property or, if it has been converted, its value, from any person who has received or converted the property, except a bona fide purchaser from or lienor of the corporation’s transferee for a present fair consideration. Where the bona fide purchaser or lienor has given less than that value, the person shall nevertheless have a lien upon the property, but only to the extent of the consideration actually given by that person. When a preference is by way of lien or security title, the Superior Court may on due notice order the lien or title to be preserved for the benefit of the insolvent corporation’s estate, in which event the lien or title shall pass to the receiver.

e. If a creditor has been preferred and afterward in good faith gives the corporation further credit without security of any kind for property which becomes a part of the insolvent corporation’s property, the amount of the new credit remaining unpaid at the time of the commencement of the receivership action may be set off against the amount which would otherwise be recoverable from the creditor.

a. The receiver shall, within 30 days following the date of appointment, give notice requiring all creditors to present their claims in writing. The notice shall be published twice, once in each of 2 consecutive weeks, in a newspaper of general circulation in the county in which the registered office of the corporation is located and shall state that all persons who are creditors of the corporation shall present written proof of their claims, under oath, to the receiver at a place and on or before a date named in the notice,
which date shall not be less than 6 months after the date of the first publication. By order of the Superior Court, the time for giving the notice to creditors and the time within which creditors shall be required to file proofs of claims may be extended or limited, or the giving of the notice to creditors may be entirely excused.

b. Any creditor who does not file a claim as provided in the notice given pursuant to subsection a. of this section, and all those claiming through or under that creditor, shall be forever barred from suing on the claim or otherwise realizing upon or enforcing it except, in the case of a creditor who shows good cause for not having previously filed a claim, to the extent as the Superior Court may allow:

(1) Against the corporation to the extent of any undistributed assets;

(2) If the undistributed assets are not sufficient to satisfy the claim, against a member to the extent of the ratable part of the claim, out of the assets of the corporation distributed to the member in liquidation or dissolution.

c. On or before the date of the first publication of the notice as provided in subsection a. of this section, the receiver shall mail a copy of the notice to each known creditor of the corporation. The giving of the notice shall not constitute recognition that any person to whom the notice is directed is a creditor of the corporation other than for the purpose of receipt of notice hereunder.

d. Proof of the publication and mailing required by this section shall be made by an affidavit filed in the office of the Clerk of the Superior Court.

15A:14-16. Claims; Presentation; Approval or Rejection.

Creditors shall, if required by the receiver, submit themselves to examination by the receiver and produce before the receiver the records and proof relating to their claims as the receiver may direct. The receiver may also examine under oath all witnesses produced before the receiver relating to the claims, and the receiver shall pass upon, and allow or disallow, the claims, and shall notify the creditors of that determination.

Source: N. J. S. 14A:14-16.

A creditor who presents a claim to a receiver pursuant to this chapter and whose claim is disallowed in whole or in part by the
receiver shall, on demand in writing, be entitled to trial by jury on any issue triable of right by jury.

Any person aggrieved by the proceedings or determination of the receiver in the discharge of his duties shall be entitled to a review of the receiver’s action in a summary manner in the Superior Court.

A receivership action against a corporation may be discontinued at any time when it is established that cause for the action no longer exists. In that event, the court shall dismiss the proceedings and direct the receiver to redeliver to the corporation all its property remaining in the receiver’s hands. Upon the redelivery, the corporation shall be revested with full rights in the property and in its franchises as if the receiver had not been appointed.

In any proceeding under this chapter, the court shall allow a reasonable compensation to the receiver for services, costs and expenses in the receivership action. It shall also allow reasonable compensation to the following for their services in the receivership action and their costs and expenses: the attorney for the receiver, the appraiser, the auctioneer, the accountant and other persons appointed by the court in connection with the receivership action.

a. After payment of all allowances, expenses and costs, and, subject to the laws of the United States and to subsection c. of this section, the satisfaction of all liens upon the funds of the corporation to the extent of their lawful priority, the creditors shall be paid proportionately to the amount of their respective debts, excepting mortgage and judgment creditors when the judgment has not been by confession for the purpose of preferring creditors. The creditors shall be entitled to distribution on debts not due, making
in that case a rebate of interest, when interest is not accruing on those debts.

b. The surplus funds, if any, after payment to the creditors and the costs, expenses and allowances, as aforesaid, shall be divided and distributed as in the case of a voluntary dissolution of the corporation.

c. In any distribution to creditors all persons doing labor or service of any character, in the regular employment of the corporation, shall be entitled to priority of payment for the wages, not to exceed $600.00 for each claimant, due them respectively for all labor, work and services performed within 3 months before the institution of a receivership action under this chapter. A claim under this subsection shall have priority over all other claims against the corporation, but shall be subordinate to (1) a security interest in personal property perfected prior to the date when the receivership action was instituted, which perfected security interest cannot be set aside by the receiver under the provisions of this chapter; (2) mortgages upon the real property of the corporation; and (3) all claims entitled to higher priority by law.

15A:14-22. JUDGMENT OF DISSOLUTION.

After distribution of the corporation's assets as provided in section 15A:14-21, the Superior Court may make a judgment dissolving the corporation and declaring its certificate of incorporation forfeited and void. The judgment shall be forthwith filed by the clerk of the court in the office of the Secretary of State, and a notation thereof shall be made by the Secretary of State on the certificate of incorporation of the corporation affected. The Secretary of State shall notify the Attorney General of the action.

15A:14-23. REORGANIZATION UNDER ACT OF CONGRESS; "PLAN OF REORGANIZATION" DEFINED.

As used in sections 15A:14-24 and 15A:14-25, "plan of reorganization" means a plan of corporate reorganization which has been ordered or confirmed by a court or by a commission or other agency of the United States, in a proceeding brought under any act of Congress providing for the reorganization of corporations.

a. A corporation shall have the power to do any act required or permitted by a plan of reorganization in order to put the plan in effect according to its terms.

b. The power conferred by subsection a. of this section shall be exercised by the trustee or trustees, or other person or persons acting in similar capacities, appointed in the reorganization proceeding resulting in the plan of reorganization, or, if none be then acting, by any other person or persons designated or appointed for that purpose in the reorganization proceeding, or, if no other person or persons be then acting, by an officer or officers of the corporation.

c. The exercise of the power to put in effect a plan of reorganization by those designated in subsection b. of this section shall have the same effect as if done with the unanimous consent of the trustees and the members.

15A:14–25. **Reorganization Under Act of Congress; Certificates.**

When any plan of reorganization provides for any action to be taken, which, if taken pursuant to any provisions of this act, would require the filing of a certificate or other document in the office of the Secretary of State, the certificate or other document shall be executed on behalf of the corporation by the persons specified in subsection b. of section 15A:14–24 and shall be filed in the office of the Secretary of State. The certificate or other document shall recite that its making and filing are authorized pursuant to a plan of reorganization, and shall make reference to the proceeding in which the plan of reorganization was ordered or confirmed.

Nothing contained in sections 15A:14–24 and 15A:14–25 shall be construed to abrogate, limit or restrict the powers and duties over any corporation imposed or conferred by law on any State officer, board, commission or other agency.

CHAPTER 128

An Act to require persons operating a motor vehicle and transporting children under the age of 5 years to use a child passenger restraint system or safety belts and making an appropriation therefor.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 39:3-76.2a Child passenger restraint required.

1. Every person operating a motor vehicle equipped with safety belts who is transporting a child under the age of 5 years on roadways, streets or highways of this State, shall be responsible for
the protection of the child by properly using a child passenger restraint system that complies with the federal motor vehicle safety standard applicable when it was manufactured, or where the child is 18 months of age or more but under 5 years of age by securing the child with a safety belt in a rear seat. If there are no rear seats, a child restraint system must be used. BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:4-50 is amended to read as follows:

Penalties for driving while intoxicated.

39:4-50. (a) A person who operates a motor vehicle while under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug, or operates a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood or permits another person who is under the influence of intoxicating liquor, narcotic, hallucinogenic or habit-producing drug to operate a motor vehicle owned by him or in his custody or control or permits another to operate a motor vehicle with a blood alcohol concentration of 0.10% or more by weight of alcohol in the defendant's blood, shall be subject, for the first offense, to a fine of not less than $250.00 nor more than $400.00 or imprisonment for a term of not more than 30 days, or both, in the discretion of the court, and shall forthwith forfeit his right to operate a motor vehicle over the highways of this State for a period of not less than six months nor more than one year. Except as hereinafter provided, for a second violation, a person shall be subject to a fine of not less than $500.00 nor more than $1,000.00, and shall be ordered by the court to perform community service for a period of 30 days, which shall be of such form and on such terms as the court shall deem appropriate under the circumstances, or may be sentenced to imprisonment for a term of not more than 90 days, and shall forfeit his right to operate a motor vehicle over the highways of this State for a period of two years upon conviction, and, after the expiration of said period, he may make application to the Director of the Division of Motor Vehicles for a license to operate a motor vehicle, which application may be granted at the discretion of the director, consistent with subsection (b) of this section. Except as hereinafter provided, for a third or subsequent violation, a person shall be subject to a fine of $1,000.00, and shall be sentenced to imprisonment for a term of not less than 180 days,
except that the court may lower such term for each day, not exceeding 90 days, served performing community service in such form and on such terms as the court shall deem appropriate under the circumstances and shall thereafter forfeit his right to operate a motor vehicle over the highways of this State for 10 years.

If the driving privilege of any person is under revocation or suspension for a violation of any provision of this Title at the time of any conviction for a violation of this section, the revocation or suspension period imposed shall commence as of the date of termination of the existing revocation or suspension period. A court that imposes a term of imprisonment under this section may sentence the person so convicted to the county jail, to the workhouse of the county wherein the offense was committed, or to an inpatient rehabilitation program approved by the Director of the Division of Motor Vehicles.

A person who has been convicted of a previous violation of this section need not be charged as a second or subsequent offender in the complaint made against him in order to render him liable to the punishment imposed by this section on a second or subsequent offender, but if the second offense occurs more than 10 years after the first offense, the court shall treat the second conviction as a first offense for sentencing purposes and if a third offense occurs more than 10 years after the second offense, the court shall treat the third conviction as a second offense for sentencing purposes.

(b) In addition to any other requirements provided by law, a person convicted under this section must satisfy the requirements of a program of alcohol education or rehabilitation approved by the Director of the Division of Motor Vehicles. Failure to satisfy such requirements shall result in a driver license revocation or suspension and continuation of revocation or suspension until such requirements are satisfied, unless stayed by court order in accordance with Rule 7:8-2 of the N. J. Court Rules, 1969, or R. S. 39:5-22. A fee, not to exceed $40.00, shall be payable to the director from every person required to satisfy the requirements of a program of alcohol education or rehabilitation under the provisions of this section.

(c) Upon conviction of a violation of this section, the court shall collect forthwith the New Jersey driver’s license or licenses of the person so convicted and forward such license or licenses to the Director of the Division of Motor Vehicles. The court shall inform the person convicted that if he is convicted of personally operating
a motor vehicle during the period of license suspension imposed pursuant to subsection (a) of this section, he shall, upon conviction, be subject to the penalties established in R.S. 39:3-40. In the event that a person convicted under this section is the holder of any out-of-state driver's license, the court shall not collect the license but shall notify forthwith the director, who shall, in turn, notify appropriate officials in the licensing jurisdiction. The court shall, however, revoke the nonresident's driving privilege to operate a motor vehicle in this State, in accordance with this section.

(d) The Director of the Division of Motor Vehicles shall promulgate administrative rules and regulations in order to effectuate the purposes of this act.

(e) Any person accused of a violation of this section who is liable to punishment imposed by this section as a second or subsequent offender shall be entitled to the same rights of discovery as allowed defendants pursuant to the Rules Governing Criminal Practice, as set forth in the Rules Governing the Courts of the State of New Jersey.

2. Section 30 of P. L. 1951, c. 23 (C. 39:4-50.1) is amended to read as follows:

C. 39:4-50.1 Presumptions.

30. In any prosecution for a violation of R. S. 39:4-50 relating to driving a vehicle while under the influence of intoxicating liquor, the amount of alcohol in the defendant's blood at the time alleged as shown by chemical analysis of the defendant's blood, urine, breath, or other bodily substance shall give rise to the following presumptions:

(1) If there was at that time 0.05% or less by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was not under the influence of intoxicating liquor;

(2) If there was at that time in excess of 0.05% but less than 0.10% by weight of alcohol in the defendant's blood, such fact shall not give rise to any presumption that the defendant was or was not under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.

The foregoing provisions of this section shall not be construed as requiring that evidence of the amount of alcohol in the defendant's blood must be presented, nor shall they be construed as limiting the introduction of any other competent evidence bearing
upon the question whether or not the defendant was under the influence of intoxicating liquor.

3. This act shall take effect immediately.

Approved April 7, 1983.

"Last known address" means that address provided by the occupant in the latest rental agreement, or the address provided by the occupant in a subsequent written notice of a change of address.

"Occupant" means a person, the person's sublessee, successor, or assignee, entitled to the use of the storage space at a self-service storage facility under a rental agreement, to the exclusion of others.

"Owner" means the proprietor, operator, lessor, or sublessor of a self-service storage facility, the owner's agent, or any other person authorized by the owner to manage the facility, or to receive rent from an occupant under a rental agreement.

"Personal property" means movable property not affixed to land, and includes, but is not limited to, goods, merchandise, and household items.

"Self-service storage facility" means any real property designed and used for the purpose of renting or leasing individual storage space to occupants who are to have access for the purpose of storing and removing personal property. No occupant shall use a self-service storage facility for residential purposes. A self-service storage facility is not a warehouse as used in chapter 7 of Title 12A of the New Jersey Statutes.

C. 2A:44-189  Lien for charges due.

3. Except as specified in this subsection, the owner of a self-service storage facility or the owner's heirs, successors or assigns shall have a lien upon all personal property located at a self-service storage facility for rent, labor, or other reasonable charges due as specified in the rental agreement in relation to the personal property, and for expenses necessary for its preservation, or expenses reasonably incurred in its sale under this act. The lien provided for in this section is superior to any other lien or security interest except those prior liens established pursuant to N. J. S. 2A:37–20, sections 3 and 12 of P. L. 1966, c. 30 (C. 54:32B–3, C. 54:32B–12) and R. S. 54:35–19 and those as to which the occupant has notified the owner in writing. The lien attaches as of the

4. If an owner issues a warehouse receipt, a bill of lading, or other document of title for the personal property stored at the self-service storage facility, the owner and the occupant shall be subject to the provisions of chapter 7 of Title 12A of the New Jersey Statutes and the provisions of this act shall not apply.

c. The notice shall include:

(1) An itemized statement of the owner's claim showing the sum due at the time of the notice and the date when the sum became due;

(2) A brief and general description of the personal property subject to the lien. The description shall be reasonably adequate to permit the person notified to identify it, except that any container including, but not limited to a trunk, valise, or box that is locked, fastened, sealed, or tied in a manner which deters immediate access to its contents may be described without listing its contents;

(3) A notice of denial of access to the personal property, if this denial is permitted under the terms of the rental agreement, which provides the name, street address, and telephone number of the owner, or the owner's designated agent, whom the occupant may contact to respond to this notice;

(4) A demand for payment within a specified time not less than 14 days after delivery of the notice; and

(5) A conspicuous statement that unless the claim is paid within the time stated in the notice, the personal property will be advertised for sale. The notice shall specify time and place of the sale;

d. Any notice made pursuant to this section shall be presumed delivered when it is deposited with the United States Postal Service, and properly addressed with postage prepaid;

e. After the expiration of the time given in the notice, an advertisement of the sale shall be published once a week for two consecutive weeks in a newspaper of general circulation where the

(1) A brief and general description of the personal property reasonably adequate to permit its identification as provided for in subsection c. (2) of this section;
(2) The address of the self-service storage facility and the number, if any, of the space where the personal property is located and the name of the occupant; and
(3) The time, place, and manner of the sale. The sale shall take place not sooner than 15 days after the final publication. If there is no newspaper of general circulation where the self-service storage facility is located, the advertisement shall be posted at least 10 days before the date of sale in not less than six conspicuous places in the neighborhood where the self-service storage facility is located;
  f. A sale of the personal property shall conform to the terms of the notification;
  g. A sale of the personal property shall be public and shall be held at the self-service storage facility, or at the nearest suitable place to where the personal property is held or stored;
  h. Before a sale of personal property the occupant may pay the amount necessary to satisfy the lien, and the reasonable expenses incurred by the owner to redeem the personal property. Upon receipt of this payment, the owner shall return the personal property, and the owner shall have no liability to any person with respect to the personal property;
  i. A purchaser in good faith of the personal property sold to satisfy a lien, as provided for in section 3 of this act, takes the property free of any rights of persons against whom the lien is valid, despite noncompliance by the owner with the requirements of this section; and
  j. The owner may satisfy his lien from the proceeds of the sale, but shall deposit the balance, if any, in an interest-bearing account with notice given to the occupant of the amount and place of the deposit and of his right to secure the funds.

C. 54:3-27.2 Refund following successful appeal.
2. In the event that a taxpayer is successful in an appeal from an assessment on real property, the respective taxing district shall refund any excess taxes paid, together with interest thereon from the date of payment at a rate of 5% per annum, less any amount of taxes, interest, or both, which may be applied against delinquencies pursuant to section 2 of P. If the total amount of the delinquency exceeds the total amount of the refund, the balance of the delinquency remaining shall remain a lien against the property.

C. 54:4-135 Real property taxes generally not personal debt.
3. (New section) Nothing in this amendatory and supplementary act shall be construed as defining real property taxes, generally, as
constituting a personal debt of the owner of the property against
which the taxes are assessed and levied, or as authorizing the en-
forcement of that assessment and levy, other than where prescribed
by law, by any legal action against that owner personally.

C. 52:18A-78.3 Findings, declarations.

3. The Legislature finds and declares the following:

a. That for many years the functions of the State Government have grown and that during this period of rapid expansion no definite program has been adopted for the housing and carrying out of the operations of the many State agencies.

b. That many State agencies have their offices in privately owned or inadequate State owned buildings and that these buildings are inadequate to meet the needs of these State agencies and the needs of the people of the State.

c. That it is to the economic benefit and general welfare of the citizens of the State to provide sufficient office space and related facilities for these State agencies and thus provide for a more efficient and economic operation of State Government.

d. That in order to provide for office space and related facilities at a cost that these State agencies can afford, it is necessary to create and establish a building authority for the purposes of constructing, operating, selling and leasing office buildings and related facilities to meet the needs of State agencies.
e. It is necessary and in the public interest that this building authority have the necessary funds to provide for predevelopment cost, temporary financing, land development expenses, construction and operation of office buildings and related facilities for the use of, and sale or rental to, State agencies.

f. For these purposes, there should be created a corporate governmental agency to be known as the "New Jersey Building Authority" which, through issuance of bonds and notes to the private, investing public may provide or obtain the capital resources necessary to acquire, construct, reconstruct, rehabilitate or improve these office buildings and related facilities necessary or convenient to the operation of any State agency.

g. That the acquisition, construction, reconstruction, rehabilitation or improvement of these office buildings and related facilities necessary or convenient to the operation of any State agency are public uses and public purposes for which public money may be loaned and private property may be acquired and tax exemptions granted, and that the powers and duties of the New Jersey Building Authority as set forth in this act are necessary and proper for the purpose of achieving the ends here recited.

h. That the construction, reconstruction, rehabilitation and improvement activities of the authority will provide a much needed stimulus for the construction industry, and related industries and professions, particularly in urban areas.

3. Section 4 of P. L. 1981, c. 120 (C. 52:18A-78.4) is amended to read as follows:

C. 52:18A-78.4 New Jersey Building Authority established.

4. a. There is established in the Department of the Treasury a public body corporate and politic, with corporate succession, to be known as the "New Jersey Building Authority." The authority is constituted an instrumentality of the State exercising public and essential governmental functions, and the exercise by the authority thereof of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

b. The membership of the authority shall consist of 12 directors as follows: the State Treasurer, the Comptroller of the Treasury, the Chairman of the Commission on Capital Budgeting and Planning who shall be members ex officio; two persons appointed by the Governor upon the recommendation of the President of the Senate and two persons appointed by the Governor upon the recommendation of the Speaker of the General Assembly, of whom no more than one of each group of two shall be of the same political
party, and who shall serve during the two-year legislative term in which they are appointed and until their successors shall have been appointed and qualified; and five directors appointed by the Governor with the advice and consent of the Senate for terms of four years no more than three of whom shall be of the same political party. The directors of the authority first appointed by the Governor shall serve for terms of one year, two years, three years and two for four years, respectively, and thereafter directors shall be appointed by the Governor for terms of four years. Each such director shall hold office for the term of his appointment and until his successor shall have been appointed and qualified. A director shall be eligible for reappointment. Any vacancy on the board of directors occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

c. Each director appointed by the Governor, except those appointed upon recommendation of the President of the Senate and Speaker of the General Assembly, may be removed from office by the Governor for cause, after a public hearing, and may be suspended by the Governor pending the completion of the hearing. Each director before entering upon his duties shall take and subscribe an oath to perform the duties of his office faithfully, impartially and justly to the best of his ability. A record of the oaths shall be filed in the office of the Secretary of State.

d. The authority shall not be deemed to be constituted and shall not take action or adopt motions or resolutions until all original authorized members shall have been appointed and qualified in the manner provided in this section. A chairman shall be appointed by the Governor with the advice and consent of the Senate from the directors of the authority other than the ex officio directors, and the directors of the authority shall annually elect one of their number as vice chairman thereof. The directors shall elect a secretary and a treasurer who need not be directors, and the same person may be elected to serve both as secretary and treasurer. The powers of the authority shall be vested in the directors thereof in office from time to time and seven directors of the authority shall constitute a quorum at any meeting thereof. Action may be taken and motions and resolutions adopted by the authority at any meeting thereof by the affirmative vote of at least seven directors of the authority. No vacancy on the board of directors of the authority shall impair the right of a quorum of
the directors to exercise all the powers and perform all the duties of the authority.

e. Each director and the treasurer of the authority shall execute a bond to be conditioned upon the faithful performance of the duties of the director or treasurer, as the case may be, in such form and amount as may be prescribed by the Comptroller of the Treasury. Bonds shall be filed in the office of the Secretary of State. At all times thereafter, the directors and treasurer of the authority shall maintain these bonds in full effect. All costs of the bonds shall be borne by the authority.

f. The directors of the authority shall serve without compensation, but the authority shall reimburse its directors for actual expenses necessarily incurred in the discharge of their duties. Notwithstanding the provisions of any other law, no officer or employee of the State shall be deemed to have forfeited or shall forfeit his office or employment or any benefits or emoluments thereof by reason of his acceptance of the office of ex officio director of the authority or his services therein.

g. The State Treasurer and the Comptroller of the Treasury of the State, as ex officio directors of the authority, may each designate an officer or employee of the Department of the Treasury to represent him at meetings of the authority, and the Chairman of the Commission on Capital Budgeting and Planning, as ex officio director of the authority, may designate a member or the executive director of the Commission on Capital Budgeting and Planning to represent him at meetings of the authority. Each designee may lawfully vote and otherwise act on behalf of the director for whom he constitutes the designee. The designation shall be in writing delivered to the authority and shall continue in effect until revoked or amended in writing delivered to the authority.

h. The authority may be dissolved by act of the Legislature on condition that the authority has no debts or obligations outstanding or that provision has been made for the payment or retirement of these debts or obligations. Upon any dissolution of the authority all property, funds and assets thereof shall be vested in the State. In addition, subject to any property rights of a person, firm, partnership or corporation resulting from the sale or leasing of a project by the authority to the person, firm, partnership or corporation, any project shall be vested in the State upon the payment or retirement of all debts or obligations for the project or upon the assumption by the State of liability for any outstanding debts or obligations for the project.
i. A true copy of the minutes of every meeting of the authority shall be forthwith delivered by and under the certification of the secretary thereof to the Governor and the presiding officers of both houses of the Legislature. No action taken at any meeting by the authority shall have effect until 15 days after a copy of the minutes has been so delivered unless during the 15-day period the Governor shall approve the same in which case the action shall become effective upon the approval. If, in the 15-day period, the Governor returns the copy of the minutes with veto of any action taken by the authority or any member thereof at that meeting, the action shall be of no effect. The powers conferred in this subsection upon the Governor shall be exercised with due regard for the rights of the holders of bonds and notes of the authority at any time outstanding; and nothing in, or done pursuant to, this subsection shall in any way limit, restrict or alter the obligation or powers of the authority or any representative or officer of the authority to carry out and perform in every detail each and every covenant, agreement or contract at any time made or entered into by or on behalf of the authority with respect to its bonds or notes or for the benefit, protection or security of the holders thereof.

2. A statement from the Attorney General that the obligations of the State or authority in the lease, sublease or sales agreement are not in conflict with any applicable State or federal law or regulations; and
3. A certification from the State Treasurer that on the basis of a comparison of costs and an analysis of the financing, which shall also be submitted, the sale and lease, rental or sublease is more advantageous to the State than the ownership of a project by the authority for lease, rental or sublease to State agencies, under the conditions and assumptions prevailing at the time of certification.

7. Section 10 of P. L. 1981, c. 120 (C. 52:18A-78.10) is amended to read as follows:

C. 52:18A-78.10 Municipal role limited.

10. a. No municipality shall modify or change the drawings, plans or specifications for the construction, reconstruction, rehabilitation, alteration or improvement of any project of the authority, or the construction, plumbing, heating, lighting or other mechanical branch of work necessary to complete the work in question, nor to require that any person, firm or corporation employed on any such work shall perform the work in any other or different manner than that provided by the drawings, plans and specifications, nor to require that any person, firm or corporation obtain any other or additional authority, approval, permit or certificate from the municipality in relation to the work being done, and the doing of the work by any person, firm or corporation in accordance with the terms of the drawings, plans, specifications or contracts shall not subject the person, firm or corporation to any liability or penalty, civil or criminal, other than as may be stated in the contracts or incidental to the proper enforcement thereof; nor shall any municipality require the authority or any State agency which leases or purchases the project, or any person, firm, partnership or corporation which leases or purchases the project for lease or purchase to a State agency, to obtain any other or additional authority, approval, permit, certificate or certificate of occupancy from the municipality as a condition of owning, using, maintaining,
operating or occupying any project acquired, constructed, reconstructed, rehabilitated, altered or improved by the authority or by any subsidiary thereof. The foregoing provisions shall not preclude any municipality from exercising the right of inspection for the purpose of requiring compliance by any project with local requirements for operation and maintenance, affecting the health, safety and welfare of the occupants thereof, provided that the compliance does not require changes, modifications or additions to the original construction of the project.

b. Each municipality in which any project of the authority is located shall provide for the project, whether then owned by the authority, any subsidiary, any State agency or any person, firm, partnership or corporation, police, fire, sanitation, health protection and other municipal services of the same character and to the same extent as those provided for other residents of the municipality.

c. In carrying out any project, the authority may enter into contractual agreements with local governmental agencies with respect to the furnishing of any community, municipal or public facilities or services necessary or desirable for the project, and any local governmental agency may enter into these contractual agreements with the authority and do all things necessary to carry out its obligations under the same.

8. Section 11 of P. L. 1981, c. 120 (C. 52:18A-78.11) is amended to read as follows:

C. 52:18A-78.11 $7,500 bid threshold.

11. a. The authority, in the exercise of its authority to make and enter into contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers, shall adopt standing rules and procedures providing that no contract on behalf of the authority shall be entered into for the doing of any work, or for the hiring of equipment or vehicles, where the sum to be expended exceeds the sum of $7,500.00 unless the authority shall first publicly advertise for bids therefor, and shall award the contract to the lowest responsible bidder. Advertising shall not be required where the contract to be entered into is one for the furnishing or performing of services of a professional nature or for the supplying of any product or the rendering of any service by a public utility subject to the jurisdiction of the Board of Public Utilities and tariffs and schedules of the charges made, charged, or exacted by the public utility for any products to be supplied or
services to be rendered are filed with the board. This section shall not prevent the authority from having any work done by its own employees, nor shall it apply to repairs, or to the furnishing of materials, supplies or labor, or the hiring of equipment or vehicles, when the safety or protection of its or other public property or the public convenience requires, or the exigency of the accomplishment of the projects will not allow advertisement. In that case, the board of directors of the authority shall, by resolution, declare the exigency or emergency to exist, and set forth in the resolution the nature thereof and the approximate amount to be so expended.

b. In undertaking any project where the cost of construction, reconstruction, rehabilitation or improvement will exceed $25,000.00, the authority shall be subject to the rules and regulations of the Division of Building and Construction concerning procedural requirements for the making, negotiating or awarding of purchases, contracts or agreements; and the authority, with the assistance of the division, shall prepare, or cause to be prepared, separate plans and specifications for:

(1) The plumbing and gas fitting and all work and materials kindred thereto,

(2) The steam and hot water heating and ventilating apparatus, steam power plants and all work and materials kindred thereto,

(3) The electrical work,

(4) Structural steel and ornamental iron work and materials, and

(5) All other work and materials required to complete the building; and the authority shall receive (a) separate bids for each of these branches of the work and (b) bids for all the work and materials required to complete the project to be included in a single overall contract, in which case there shall be set forth in the bid the name or names of all subcontractors to whom the bidder will subcontract for the furnishing of any of the work and materials specified in (a) above.

If the sum total of the amounts bid by the lowest responsible bidder for each branch is less than the amount bid by the lowest responsible bidder for all of the work and materials, the authority shall award separate contracts for each of branches to the lowest responsible bidder therefor, but if the sum total of the amount bid by the lowest responsible bidder for each branch is not less than the amount bid by the lowest responsible bidder for all the work and materials, the authority shall award a single over-all contract to the lowest responsible bidder for all of the work and materials.
Whenever a contract is awarded under (b) above, all payments required to be made by the authority under the contract for work and materials supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

All construction, reconstruction, rehabilitation or improvement undertaken by the authority pursuant to this act shall be subject during such undertaking to the supervision of the Division of Building and Construction to the same extent as any project undertaken by the State.

c. With respect to the lease or sale of any project or portion thereof to any person, firm, partnership or corporation, for subsequent lease to or purchase by a State agency, no agreement for that lease or sale shall be entered into, unless the authority shall first publicly advertise for bids therefor. The authority shall employ a person, firm, partnership or corporation, independent from any other aspect or component of the financing of or any ownership or leasehold interest in that project, to assist in the bid procedure and evaluation.

9. Section 14 of P. L. 1981, c. 120 (C. 52:18A-78.14) is amended to read as follows:

C. 52:18A-78.14 Issuance of bonds, notes.

14. a. The authority may from time to time issue its bonds or notes in such principal amounts as in the opinion of the authority shall be necessary to provide sufficient funds for any of its corporate purposes, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds or notes issued by it whether the bonds or notes or interest to be funded or refunded have or have not become due, the establishment or increase of such reserves to secure or to pay the bonds or notes or interest thereon and all other costs or expenses of the authority incident to and necessary to carry out its corporate purposes and powers; provided, however, that the aggregate principal amount of bonds and notes of the authority outstanding at any time may not exceed $250,000,000.00. In computing the principal amount of bonds and notes outstanding for purposes of the foregoing limitation there shall not be included any bonds or notes, the principal of and interest on which have been paid or the payment of which has been provided for by the issuance of refunding bonds or otherwise. In addition, if the authority has issued bonds or notes to finance the total cost of a project based on estimates prepared by
an independent consultant and it shall later be determined by the consultant that the costs of the project as initially approved have increased, the authority shall be authorized to issue the additional bonds or notes required to finance the increased costs, even if the aforementioned $250,000,000.00 limitation is exceeded by the issuance.

b. Whether or not the bonds and notes are of such form and character as to be negotiable instruments under the terms of Title 12A, Commercial Transactions, of the New Jersey Statutes, the bonds and notes are hereby made negotiable instruments within the meaning of and for all the purposes of Title 12A, subject only to the provisions of the bonds and notes for registration.

c. Bonds or notes of the authority shall be authorized by a resolution or resolutions of the authority and may be issued in one or more series and shall bear such date or dates, mature at such time or times, bear interest at such rate or rates of interest per annum, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources, in such medium of payment, at such place or places within or without the State, and be subject to such terms of redemption, with or without premium, as such resolution or resolutions may provide.

d. Bonds or notes of the authority may be sold at public or private sale at such price or prices and in such manner as the authority shall determine. Every bond shall mature and be paid not later than 35 years from the date thereof.

e. Bonds or notes may be issued under the provisions of this act without obtaining the consent of any department, division, commission, board, bureau or agency of the State, and without any other proceeding or the happening of any other conditions or other things than those proceedings, conditions or things which are specifically required by this act.

f. Bonds or notes of the authority issued under the provisions of the act shall not be in any way a debt or liability of the State or of any political subdivision thereof other than the authority and shall not create or constitute any indebtedness, liability or obligation of the State or of any political subdivision or be or constitute a pledge of the faith and credit of the State or of any political subdivision but all such bonds and notes, unless funded or refunded by bonds or notes of the authority, shall be payable solely from revenues or funds pledged or available for their payment as au-
authorized in this act. Each bond and note shall contain on its face a statement to the effect that the authority is obligated to pay the principal thereof or the interest thereon only from its revenues, receipts or funds pledged or available for their payment as authorized in this act and that neither the State nor any political subdivision thereof is obligated to pay the principal or interest and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged to the payment of the principal of or the interest on the bonds or notes.

g. Each issue of bonds or notes of the authority may, if it is determined by the authority, be general obligations thereof payable out of any revenues, receipts or funds of the authority subject only to any agreements with the holders of particular bonds or notes pledging any particular revenues or funds, and shall be secured by one or more of the following:

(1) Pledge of rentals, receipts and other revenues to be derived from leases, sales agreements, service contracts or similar contractual arrangements with one or more State agencies, or one or more persons, firms, partnerships or corporations, whether or not the same relate to the project or part thereof financed with the bonds or notes, or a pledge or assignment of the leases, sales agreements, service contracts or instruments evidencing similar arrangements and the rights and interests of the authority; provided that such leases, sales agreements, service contracts or similar contractual arrangements shall be in effect at the time of the issuance of the bonds or notes;

(2) Pledge of grants, subsidies, contributions or other payments to be received from the United States of America or any instrumentality thereof or from the State or any State agency;

(3) A first mortgage on all or any part of the property, real or personal, of the authority then owned or thereafter to be acquired; provided that the property so mortgaged as improved and developed by application of the proceeds of the bonds or notes shall be appraised as at least equal to the amount of the bonds or notes;

(4) Pledge of the revenues and receipts estimated to be thereafter derived from the ownership or operation of the project or part thereof or from the lease or sale thereof, including any income from investment of the funds and moneys held in connection therewith and pledged to the payment of the bonds or notes and the interest thereon or a pledge of any lease, sales agreement, service contract or instrument evidencing similar arrangements to be entered into subsequent to the issuance of the bonds or notes;
(5) Pledge of all moneys, funds, accounts, securities and other funds, including the proceeds of the bonds or notes.

10. Section 22 of P. L. 1981, c. 120 (C. 52:18A–78.22) is amended to read as follows:

   a. The problems affecting the deteriorating urban areas of the State are of such severity that their resolution requires the concentrated investment of State, as well as local, federal and private resources;

   b. The objective of the State's urban policy is to concentrate public investment in distressed urban centers to assist the rehabilitation of the older municipalities of this State;

   c. State construction of new office buildings primarily for the use of State agencies in urban areas provides a unique source of investment capital which can be strategically utilized to redress the deterioration of those areas by serving as a catalyst for inducing other public and private investment therein and inducing the rental or occupancy of office facilities by private business concerns;

   d. The areas designated by this act as State investment blighted areas are deemed to be areas within the meaning of Article VIII, Section III, paragraph 1 of the Constitution since they are located in older, economically declining urban areas in which only a combination of the financial incentives authorized by Article VIII, Section III, paragraph 1 and the joint use of State, private, local and federal financial resources can meet the constitutional objective of (1) improving the economic condition of the public, (2) eliminating the lack of use or underutilization of land by encouraging the proper utilization thereof, and (3) developing, stimulating, encouraging and increasing the employment of private capital and labor in redevelopment;

   e. A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this act, should afford maximum opportunity, consistent with the needs of the munici-
pality as a whole, to the conservation or rehabilitation or redevelopment of areas by private enterprise; and

f. All powers conferred by this act are for public uses and purposes for which public money may be expended and other powers exercised, and the necessity in the public interest for the provisions of this act is hereby declared as a matter of legislative determination.

C. 40:55C-58.1 Tax exemption on condominium unit.

1. Notwithstanding anything to the contrary contained in the act to which this act is amendatory and supplementary, when an urban renewal corporation or an urban renewal association, being a party to a financial agreement prepared in compliance with sections 20 to 25, inclusive, of said act (C. 40:55C-59 to 40:55C-64), files a master deed pursuant to P. L. 1969, c. 257 (C. 46:SB-1 et seq.) creating a condominium as to all or a portion of a project which has been approved for tax exemption under section 19 of said act (C. 40:55C-58), each unit of the condominium whether owned by the urban renewal corporation, urban renewal association or a successor unit purchaser of either, shall continue to be subject to the provisions of said act, as modified in this section, and the tax exemption previously approved under the provisions of said act with respect to the property converted to condominium ownership shall be unaffected by the recording of the master deed or any subsequent deed conveying the condominium unit and its appurtenant interest in the common elements. In an instance of housing, a tax exemption granted pursuant to this act to any single condominium unit shall continue in effect only during that time that an owner of such unit, not including an urban renewal corporation or association, personally resides therein. A tax exemption shall continue as to the condominium unit and its appurtenant undivided interest in the common elements subject to all of the following:

a. "Annual gross revenue" shall mean, when used with respect to any housing condominium project, the amount equal to the annual aggregate constant payments to principal and interest, assuming a purchase money mortgage encumbering the condominium unit to have been in an original amount equal to the initial value of the unit with its appurtenant interest in the common
of the annual gross revenue, or 40% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater;

c. For the twenty-first year and for each succeeding year thereafter through the twenty-fifth year, an amount equal to either 15% of the annual gross revenue, or 60% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater; and
d. For the twenty-sixth year and for each succeeding year thereafter through the thirtieth year, an amount equal to either 15% of the annual gross revenue, or 80% of the amount of taxes otherwise due on the value of the land and improvements, whichever shall be greater.

Where because of the nature of the development, ownership, use or occupancy of the project or any unit thereof, if the project is to be undertaken in units, the total annual gross rental cannot be reasonably ascertained under the provisions of section 12 of this act (C. 40:55C-51), the governing body shall provide in the financial agreement that the annual service charge shall be a sum equal to 2% of the total project cost or total project unit cost determined pursuant to section 8 of this act (C. 40:55C-47), calculated from the first day of the month following the substantial completion of the project or any unit thereof, if the project is undertaken in units; provided, however, that in no event shall such payment together with the taxes on the land, in any year after first occupancy of the project be less than the total taxes assessed on all real property in the area covered by the project in the calendar year immediately preceding the acquisition of the said area by the municipality or its agency, or by the private or public owner from whom the urban renewal corporation acquired the land.

The aforesaid payment shall be made annually within 30 days after the close of each such calendar year.

Against such annual charge the corporation or association, or, in the case of a condominium unit, the unit owner, shall be entitled to credit for the amount, without interest, of the real estate taxes on land paid by it in the last four preceding quarterly installments. On or before January 15 in each year each taxing district shall report to the county board of taxation, in such form as shall be approved by the Director of the Division of Taxation, the amount of the service charge in excess of the taxes on the land chargeable for the preceding calendar year for each project or unit thereof
subject to the provisions of this act. The county tax board shall capitalize the amount so reported by each taxing district by dividing the same by the tax rate per $100.00 of valuation for the taxing district for the preceding year and multiplying the resultant quotient by 100. The result of such capitalization shall be included in the ensuing table of aggregates in a separate column as locally assessed real estate and shall be equalized in the same manner as other real estate for the purposes of apportionment of county taxes.

At the end of 20 years from the date of the execution of said financial agreement or earlier, at the end of 15 years of operation of any unit, if the project is undertaken in units, or the entire project, if it is not undertaken in units, whichever occurs first, the tax exemption upon said unit, if the project is undertaken in units, or upon the entire project, if the project is not undertaken in units, shall cease and the improvements and any other property of the corporation or association as well as the land shall be assessed and taxed, according to general law, like other property in the municipality. In an instance of housing, the exemptions shall cease as provided above at the end of 35 years from the date of execution of the financial agreement or earlier, at the end of 30 years of the operation of any unit, if the project is undertaken in units, or of the entire project, if it is not undertaken in units, whichever first occurs, or if the project is devoted to condominium ownership at the end of 30 years after the recording of the master deed.

At the same date all restrictions and limitations upon the corporation or association shall terminate and be at an end upon the corporation’s or association’s rendering its final account with the municipality.

13. This act shall take effect immediately.
Approved April 14, 1983.

STATEMENT TO SENATE BILL NO. 3145

To the Senate:

Pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3145 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

This bill makes a supplemental appropriation of $50,000 to the Hackensack Meadowlands Municipal Committee. This sum coupled
with the current appropriation of $15,000 for the Committee would give the Committee a total of $65,000 for the State’s Fiscal Year 1983. I note that the State’s appropriations to the Committee in Fiscal Year 1982 totalled $47,500. In these times of fiscal constraints, I cannot justify a 30% increase in the Committee’s appropriation. However, in order to permit the Committee to be continued at its Fiscal Year 1982 funding level, it should be given an additional $32,500, a sum which I would round off to $35,000. Accordingly, I am reducing the appropriation to $35,000.

On page 1, section 1:
“03–8040 State and Regional Planning, State Aid:
Hackensack Meadowlands Municipal Committee . . . $50,000”

This item is reduced to $35,000.

Respectfully,

[SEAL] /s/ THOMAS H. KEAN,

Chief Counsel

CHAPTER 151, LAWS OF 1983

1. N. J. S. 18A:72-12 is amended to read as follows:

Approval and granting of loan; incentive fees.

A loan which is so approved after it has been made shall, from the time of its approval, be treated for all purposes of this chapter in the same manner as if such loan had been applied for and approved by the authority prior to its making, and the lender making such loan shall have the same rights under this chapter in respect to such loans as it would have had if the loan had been applied for and approved by the authority prior to its making.

(3) As an incentive to lenders to make loans under this chapter, the authority may, by resolution of the members thereof, provide for the payment to lenders of an incentive fee solely with respect to loans made, placed or guaranteed after August 1, 1969, which incentive fee shall be computed on any one of the following bases: (i) a single fee at the rate not exceeding 1/2 of 1%, computed on the amount of each such loan for the period from the making of such
loan to the date repayment begins; or (ii) a single fee not to exceed $25.00 per borrower per academic year; or (iii) such other form and amount of incentive fee as shall be fixed from time to time by rule of the authority.

(4) If an eligible institution determines during the term of a loan that the student debtor is entitled to a credit against tuition or other fees, such credit shall be made directly to the lender, who shall deduct the amount of the credit from the loan balance.

2. This act shall take effect on June 1, 1983.

Total State Aid to the Newark Public Library System totalled $460,000.00 in Fiscal Year 1982, and will total $460,000.00 in Fiscal Year 1983. Thus, there was no reduction in the amount of library aid provided to the City of Newark this year.

Nevertheless, given the special needs of the Newark Library as an area library serving the needs of the surrounding region, I feel that the additional funding provided by this bill is well justified. Accordingly, I support the appropriation of an additional $200,000.00 to the Newark Public Library this year.

However, Assembly Bill No. 3352, introduced on April 11, 1983, would provide for the largest increase in library aid in over ten years—a total of over $2.05 million Statewide. Newark's share of that sum would be approximately $115,000.00. That legislation, once enacted, will bring every library in New Jersey up from a level of 72% of full funding to almost 90% of full funding this year.
CHAPTERS 161 & 162, LAWS OF 1983

Providing an additional $85,000.00 to Newark through Senate Bill No. 1604 will still leave Newark with a total additional $200,000.00 in library aid this year, and when both bills are enacted will bring Newark's total library aid to a level of 105% of full formula funding. This would recognize the uniqueness of the Newark Library as an important regional institution, and still leave the Newark Library with a higher percentage level of funding than of any other municipality in the State.

Accordingly, I herewith append the following statement of objections to the sums, or parts thereof, appropriated by this bill:

Page 1, section 1, line 5:
Delete “$200,000.00” insert “$85,000.00”

Page 1, section 1, line 7:
Delete “$200,000.00” insert “$85,000.00”

Respectfully,

AN ACT concerning alcohol and drug prevention and amending R. S. 39:3-10.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. R. S. 39:3-10 is amended to read as follows:

Examination of driver's knowledge of effects of alcohol, drugs.

39:3-10. No person shall drive a motor vehicle on a public highway in this State unless licensed to do so in accordance with this article. No person under 17 years of age shall be licensed to drive motor vehicles, nor shall a person be licensed until he has passed a satisfactory examination as to his ability as an operator. The examination shall include a test of the applicant's vision, his ability to understand traffic control devices, his knowledge of safe driving practices and of the effects that ingestion of alcohol or drugs has on a person's ability to operate a motor vehicle, his
knowledge of such portions of the mechanism of motor vehicles as is necessary to insure the safe operation of a vehicle of the kind or kinds indicated by the applicant and of the laws and ordinary usages of the road and a demonstration of his ability to operate a vehicle of the class designated.

The director shall expand the driver's license examination by 20%. The additional questions to be added shall consist solely of questions developed in conjunction with the State Department of Health concerning the use of alcohol or drugs as related to highway safety. The director shall develop in conjunction with the State Department of Health supplements to the driver's manual which shall include information necessary to answer any question on the driver's license examination concerning alcohol or drugs as related to highway safety.

Any person applying for a driver's license to operate a motor vehicle or motorized bicycle in this State shall surrender to the director any current driver's license issued to him by another state or foreign country upon his receipt of a driver's license for this State. The director shall refuse to issue a driver's license if the applicant fails to comply with this provision.

The director shall create classified licensing of drivers covering the following classifications:

a. Motorcycles;

b. Omnibuses as classified by R. S. 39:3-10.1 and school buses classified under N. J. S. 18A:39-1 et seq.;

c. Articulated vehicles means a combination of a commercial motor vehicle registered at a gross weight in excess of 18,000 pounds and one or more motor-drawn vehicles joined together by means of a coupling device;

d. All motor vehicles not included in classifications a., b. and c. A license issued pursuant to this classification d. shall be referred to as the "basic driver's license."

Every applicant for a license under classification b. or c. shall be a holder of a basic driver's license. Any issuance of a license under classification b. or c. shall be by endorsement on the basic driver's license.

A driver's license for motorcycles may be issued separately, but if issued to the holder of a basic driver's license, it shall be by endorsement on the basic driver's license.

The director, upon payment of the lawful fee and after he or an inspector of his has examined the applicant and is satisfied of the
applicant's ability as an operator, may, in his discretion, license
the applicant to drive a motor vehicle. The license shall authorize
him to drive any registered vehicle, of the kind or kinds indicated,
and shall expire, except as otherwise provided, on the last day of
the forty-eighth calendar month following the calendar month in
which such license was issued.

The director may issue a renewal of a basic driver's license
which does not bear a photograph, and which shall expire on the
last day of the twenty-fourth calendar month following the
calendar month in which such license was issued, to any person
60 years of age or older who makes application for such a license.

The director may, at his discretion and for good cause shown,
issue licenses which shall expire on a date fixed by him. The fee
for such licenses shall be fixed by the director in amounts pro-
portionately less or greater than the fee herein established.

The required fee for a license for the 48-month period shall be
as follows:

<table>
<thead>
<tr>
<th>License Type</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Motorcycle license or endorsement</td>
<td>$8.00</td>
</tr>
<tr>

</tr>
<tr>
<td>Articulated vehicle endorsement</td>
<td>$8.00</td>
</tr>
<tr>
<td>Basic driver's license</td>
<td>$16.00</td>
</tr>
</tbody>
</table>

The required fee for a basic driver's license for the 24-month
period shall be $8.00.

The required fee for a license for the 36-month period shall be
as follows:

<table>
<thead>
<tr>
<th>License Type</th>

<td>$6.00</td>
</tr>
<tr>
<td>Basic driver's license</td>

</tbody>

The director shall waive the payment of fees for issuance of
omnibus endorsements whenever an applicant establishes to the
director's satisfaction that said applicant will use the omnibus en-
dorsement exclusively for operating omnibuses owned by a non-
profit organization duly incorporated under Title 15 or 16 of the
Revised Statutes.

The driver's license shall have the legal name of the licensee
endorsed thereon in his own handwriting. For purposes of this
section, legal name shall mean the name recorded on a birth cer-
tificate unless otherwise changed by marriage, divorce or order of
court. The director may require that only the legal name be re-
corded on the driver's license. A licensee whose name is changed due to marriage, divorce, or by judgment of the court, shall notify the director of the change in name within 2 weeks after the change is made. A person who violates this provision shall be subject to a penalty of not more than $10.00.

The director shall issue licenses for the following license period on and after the first day of the calendar month immediately preceding the commencement of such period, such licenses to be effective immediately.

All applications for renewals of licenses shall be made on forms prescribed by the director and in accordance with procedures established by him.

The director in his discretion may refuse to grant a license to drive motor vehicles to a person who is, in his estimation, not a proper person to be granted such a license, but no defect of the applicant shall debar him from receiving a license unless it can be shown by tests approved by the Director of the Division of Motor Vehicles that the defect incapacitates him from safely operating a motor vehicle.

A person violating this section shall be subject to a fine not exceeding $500.00 or imprisonment in the county jail for not more than 60 days, but if that person has never been licensed to drive in this State or any other jurisdiction, he shall be subject to a fine of not less than $200.00 and, in addition, the court shall issue an order to the Director of the Division of Motor Vehicles requiring the director to refuse to issue a license to operate a motor vehicle to the person for a period of not less than 180 days. The penalties provided for by this paragraph shall not be applicable in cases where failure to have actual possession of the operator's license is due to an administrative or technical error by the Division of Motor Vehicles.

Nothing in this section shall be construed to alter or extend the expiration of any license issued prior to the date this amendatory and supplementary act becomes operative.

2. This act shall take effect three months following enactment.

Approved May 2, 1983.

S. 18A:18A-3, shall be made and awarded only by the board of education after public advertising for bids and bidding therefor, except as is provided otherwise in this chapter or specifically by any other law.

No work, materials or supplies shall be undertaken, acquired or furnished for a sum exceeding in the aggregate the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3, except by contract or agreement.

3. N. J. S. 18A:18A-7 is amended to read as follows:
CHAPTER 171, LAWS OF 1983

Emergency purchases and contracts.

18A:18A-7. Emergency purchases and contracts. Any purchase, contract or agreement may be made, negotiated or awarded for a board of education without public advertising for bids and bidding therefor, notwithstanding that the cost or contract price will exceed the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3 when an emergency affecting the health or safety of occupants of school property requires the immediate delivery of the articles or the performance of the service, provided that the awarding or making of such purchases, contracts or agreements are made in the following manner:

a. A written requisition for the performance of such work or labor, or the furnishing of materials, supplies or services is filed with the contracting agent or his deputy in charge describing the nature of the emergency, the time of its occurrence and the need for invoking this section, certified by the employee in charge of the building, facility or equipment wherein the emergency occurred.

The contracting agent, or his deputy in charge, being satisfied that the emergency exists, is hereby authorized to award a contract for said work or labor, materials, supplies or services.

b. Upon the furnishing of such work or labor, materials, supplies or services, in accordance with the terms of the contract or agreement, the contractor furnishing such work or labor, materials, supplies or services, shall be entitled to be paid therefor and the board of education shall be obligated for said payment. The board of education shall take such action as shall be required to provide for the payment of the contract price.

c. The State Board of Education shall prescribe rules and procedures to implement the requirements of this section.

4. N. J. S. 18A:18A-8 is amended to read as follows:

Contracts not to be divided.

18A:18A-8. Contracts not to be divided. No purchase, contract or agreement, which is single in character or which necessarily or by reason of the quantities required to effectuate the purpose of the purchase, contract or agreement, includes the furnishing of additional services or equipment or buying materials or supplies or the doing of additional work, shall be subdivided, so as to bring it or any of the parts thereof under the maximum price or cost limitation of the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3, thus dispensing with the requirement of public advertising and bidding therefor. In purchasing
or contracting for, or agreeing for the furnishing of, any services, equipment, materials or supplies, the doing of any work included in or incident to the performance or completion of any project, which is single in character or inclusive of the furnishing of additional services or equipment or buying materials or supplies or the doing of additional work, or which requires the furnishing of more than one article of equipment or buying materials or supplies, all of the services, materials or supplies requisite for the completion of such project shall be included in one purchase, contract or agreement.

5. N. J. S. 18A:18A-18 is amended to read as follows:

Separate plans for various types of work; bids; contracts.

18A:18A-18. Separate plans for various types of work; bids; contracts. In the preparation of plans and specifications for the construction, alteration or repair of any building by a board of education, when the entire cost of the work and materials will exceed the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3 separate plans and specifications shall be prepared for each of the following, and all work and materials kindred thereto to be performed or furnished in connection therewith:

a. The plumbing and gas fitting work;
b. The heating and ventilating systems and equipment;
c. The electrical work, including any electrical power plant;
d. The structural steel and ornamental iron work;
e. All other work and materials required for the completion of the project.

The board of education or its contracting agent shall advertise for and receive, in the manner provided by law, (1) separate bids for each of said branches of work, and (2) bids for all the work and materials required to complete the building to be included in a single overall contract. There will be set forth in the bid the name or names of, and evidence of performance security from, all subcontractors to whom the bidder will subcontract the furnishing of plumbing and gas fitting, and all kindred work, and of the heating and ventilating systems and equipment, and electrical work, structural steel and ornamental iron work, each of which subcontractors shall be qualified in accordance with this chapter.

Contracts shall be awarded to the lowest responsible bidder.
The contract shall be awarded in the following manner: If the sum total of the amounts bid by the lowest responsible bidder for each branch is less than the amount bid by the lowest responsible bidder for all the work and materials, the board of education shall award separate contracts for each of such branches to the lowest responsible bidder therefor, but if the sum total of the amount bid by the lowest responsible bidder for each branch is not less than the amount bid by the lowest responsible bidder for all the work and materials, the board of education shall award a single overall contract to the lowest responsible bidder for all of such work and materials. In every case in which a contract is awarded under (2) above, all payments required to be made under such contract for work and materials supplied by a subcontractor shall, upon the certification of the contractor of the amount due to the subcontractor, be paid directly to the subcontractor.

6. N. J. S. 18A:18A-37 is amended to read as follows:

Award of purchases, contracts or agreements.

All purchases, contracts or agreements which require public advertisement for bids shall be awarded to the lowest responsible bidder.

Prior to the award of any other purchase, contract or agreement, the contracting agent shall, except in the case of the performance of professional services, solicit quotations, whenever practicable, on any such purchase, contract or agreement the estimated cost or price of which is 20% or more of the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3 and the award thereof shall be made, in accordance with N. J. S. 18A:18A-3 or N. J. S. 18A:18A-4, as the case may be, on the basis of the lowest responsible quotation received, which quotation is most advantageous to the board of education, price and other factors considered; provided, however, that if the contracting agent deems it impractical to solicit competitive quotations in the case of extraordinary unspecifiable service, or, in the case of such or any other purchase, contract or agreement awarded hereunder, having sought such quotations determines that it should not be awarded on the basis of the lowest quotation received, the contracting agent shall file a statement of explanation of the reason or reasons therefor, which shall be placed on file with said purchase, contract or agreement.
7. N. J. S. 18A:18A-45 is amended to read as follows:

Manner and method of sale.

18A:18A-45. Manner and method of sale. Any board of education may, by resolution, authorize the sale of its personal property not needed for school purposes.

a. If the estimated fair value of the property to be sold exceeds the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3, in any one sale and it is neither livestock nor perishable goods, it shall be sold at public sale to the highest bidder.

b. Notice of the date, time and place of the public sale, together with a description of the items to be sold and the conditions of sale, shall be published once in a legal newspaper. Such sale shall be held not less than seven nor more than 14 days after the publication of the notice thereof.

c. Personal property may be sold to the United States, the State of New Jersey, another board of education or to any body politic by private sale without advertising for bids.

d. If no bids are received the property may then be sold at private sale without further publication or notice thereof, but in no event at less than the estimated fair value; or the board of education may if it so elects reoffer the property at public sale. As used herein, "estimated fair value" means the market value of the property between a willing seller and a willing buyer less the cost to the board of education to continue storage or maintenance of any personal property not needed for school purposes to be sold pursuant to this section.

e. A board of education may reject all bids if it determines such rejection to be in the public interest. In any case in which the board of education has rejected all bids, it may readvertise such personal property for a subsequent public sale. If it elects to reject all bids at a second public sale, pursuant to this section, it may then sell such personal property without further publication or notice thereof at private sale, provided that in no event shall the negotiated price at private sale be less than the highest price of any bid rejected at the preceding two public sales and provided further that in no event shall the terms or conditions of sale be changed or amended.

f. If the estimated fair value of the property to be sold does not exceed the amount set forth in, or calculated by the Governor pursuant to, N. J. S. 18A:18A-3, in any one sale or is either livestock
or perishable goods, it may be sold at private sale without advertising for bids.

8. This act shall take effect immediately.

Approved May 4, 1983.

CHAPTER 172

AN ACT providing for the establishment of a program for the spaying and neutering of dogs and cats and supplementing Title 26 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 4:19-15.3b $3 fee for unsterilized dog.

1. a. In addition to the fee charged pursuant to section 3 of P. L. 1941, c. 151 (C. 4:19-15.3) and forwarded to the Department of Health pursuant to section 11 of P. L. 1941, c. 151 (C. 4:19-15.11), any person applying for the license and registration tag pursuant to section 2 of P. L. 1941, c. 151 (C. 4:19-15.2) shall pay a fee of $3.00 for any dog of reproductive age which has not had its reproductive capacity permanently altered through sterilization.

b. All fees collected pursuant to the provisions of this section and section 5 of this amendatory and supplementary act shall be forwarded to the State Treasurer, for deposit in the “Animal Population Control Fund” created pursuant to section 7 of this act.

C. 4:19A-1 Animal Population Control Program to be established.

2. The department shall establish and implement an Animal Population Control Program (hereinafter referred to as the “program”). The purpose of this program shall be to reduce the population of unwanted and stray dogs and cats by encouraging the owners of dogs and cats to have them permanently sexually sterilized, thereby reducing potential threats to public health and safety posed by the growing population of these unwanted and stray animals, and by providing low-cost animal sterilization services to owners meeting at least one of the criteria of need enumerated in section 3 of this act.
CHAPTER 172, LAWS OF 1983 637

C. 4:19A-2 Eligibility criteria.
3. In order to be eligible to participate in the program, an owner of a dog or cat shall be eligible for, and participate in, at least one of the following:
   a. The Food Stamp Program authorized by Title VIII of the Food and Agriculture Act of 1977, Pub. L. 95-113 (7 USC 2011 et seq.);
   b. The Supplemental Security Income Program established pursuant to Title XVI of the Social Security Act, 42 USC 1381 et seq.;
   c. The program for aid to families with dependent children, pursuant to P. L. 1959, c. 86 (C. 44:10-1 et seq.);
   d. The program for general public assistance, pursuant to the provisions of the “General Public Assistance Law,” P. L. 1947, c. 156 (C. 44:8-107 et seq.);

   h. The “Lifeline Credit Program” established pursuant to P. L. 1979, c. 197 (C. 48:2-29.15 et seq.); or
   i. The “Tenants’ Lifeline Assistance Program” established pursuant to P. L. 1981, c. 210 (C. 48:2-29.30 et seq.).

C. 4:19A-3 Proof; consent; fee.
4. Any person submitting a dog or cat, pursuant to the provisions of this act, for spaying or neutering, as the case may be, shall:
   a. Furnish any licensed veterinarian of this State participating in the program with proof that the owner meets at least one of the eligibility criteria pursuant to the provisions of section 3 of this amendatory and supplementary act;
   b. Sign a consent form certifying that the person is the owner of the dog or cat, or is authorized by the owner to present the dog or cat for the procedure; and
   c. Pay a fee of $10.00, which fee shall be forwarded to the commissioner for deposit in the “Animal Population Control Fund”.

...
C. 4:19A-4 Filing of fee schedule; reimbursement of veterinarians.

5. a. Any licensed veterinarian of this State may participate in the program upon filing with the commissioner an application therefor, on forms prescribed by the commissioner, which application shall supply, in addition to any other information requested by the commissioner, an animal sterilization fee schedule listing the fees charged for animal sterilization in the normal course of business. These fees may vary with the animal’s weight, sex and species. The commissioner may, however, disqualify from participation in the program any veterinarian whose fees are deemed unreasonable.

b. The commissioner shall, to the extent that moneys are available therefor from the “Animal Population Control Fund,” reimburse participating veterinarians for 80% of the fee for each animal sterilization procedure administered, upon the submission of an animal sterilization certificate, prescribed by the commissioner, signed by the veterinarian and the owner of the animal, for each sterilization procedure.

c. The commissioner shall reimburse from the fund any licensed veterinarian of this State participating in the program for the presurgical immunization of dogs against distemper, hepatitis, leptospirosis, and parvovirus, or the presurgical immunization of cats against feline panleukopenia, calici, pneumonitis and rhinitis, as the case may be, which immunization shall be administered at least 10 days prior to reproductive surgery, on animals not previously immunized. The reimbursement shall be for no more than $10.00 upon the written certification, signed by the veterinarian and the owner of the animal, that the immunization has been administered.

6. a. The commissioner may solicit and accept funds from any public or private source to help carry out the provisions of this act.

b. All fees collected pursuant to sections 2 and 5 of this amendatory and supplementary act, and all moneys received pursuant to subsection a. of this section, shall be placed in a special fund to be known as the “Animal Population Control Fund,” which shall be separate from the General State Fund. All moneys in the “Animal Population Control Fund” shall be used by the commissioner exclusively for the implementation and promotion of the program and for the costs associated with the administration of this act.
C. 4:19A-6 Final disposition of unretrieved animals.

7. Any licensed veterinarian of this State participating in the program shall provide for the final disposition of an unretrieved animal in the manner provided in P. L. 1979, c. 354 (C. 45:16-13 et seq.). For the purposes of this act “unretrieved animal” means an animal placed for confined treatment pursuant to the provisions of this act by the owner or agent thereof in the care and custody of a veterinarian, which animal is not retrieved by the owner or agent thereof from the veterinarian within 72 hours of being notified that the confined treatment is completed.

C. 4:19A-7 Violations; penalties.

8. Any person who knowingly:

a. Falsifies proof of eligibility for, or participation in, any of the programs enumerated in section 3 of this act;

b. Furnishes any licensed veterinarian of this State with inaccurate information concerning the ownership of an animal submitted for an animal sterilization procedure;

c. Furnishes the commissioner with false information concerning an animal sterilization fee schedule or an animal sterilization certificate submitted pursuant to section 5 of this act; or

Violates in any other manner the provisions of this act, shall be subject to a penalty of not more than $250.00 for the first offense and not more than $500.00 for the second and each subsequent offense, to be collected in civil action by a summary proceeding under “the penalty enforcement law” (N. J. S. 2A:58-1 et seq.). The Superior Court or county district court shall have jurisdiction to enforce “the penalty enforcement law.”

C. 4:19A-8 Rules or regulations.

The commissioner shall include in the

### CHAPTER 174

**AN ACT** to amend the “Local Public Contracts Law,” approved June 9, 1971 (P. L. 1971, c. 198).

**BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:**

1. Section 23 of P. L. 1971, c. 198 (C. 40A:11-23) is amended to read as follows:

C. 40A:11-23 *Advertisements for bids; bids; general requirements.*

23. Advertisements for bids; bids; general requirements. All advertisements for bids shall be published in a legal newspaper sufficiently in advance of the date fixed for receiving the bids to promote competitive bidding, but in no event less than 10 days
prior to such date. The advertisement shall designate the manner of submitting and the method of receiving the bids and the time and place at which the bids will be received. If the published specifications provide for receipt of bids by mail, those bids which are mailed to the contracting unit shall be sealed and shall only be opened for examination at such time and place as all bids received are unsealed and announced. At such time and place the contracting agent of the contracting unit shall publicly receive the bids, and thereupon immediately proceed to unseal them and publicly announce the contents, which announcement shall be made in the presence of any parties bidding or their agents, who are then and there present, and shall also make proper record of the prices and terms, upon the minutes of the governing body, if the award is to be made by the governing body of the contracting unit, or in a book kept for that purpose, if the award is to be made by other than the governing body, and in such latter case it shall be reported to the governing body of the contracting unit for its action thereon, when such action thereon is required. No bids shall be received after the time designated in the advertisement.

Notice of revisions or addenda to advertisements or bid documents relating to bids shall be published in a legal newspaper and made available to any person who has submitted a bid by notification in writing by certified mail no later than five days, Saturdays, Sundays and holidays excepted, prior to the date for acceptance of bids.

Failure of the contracting unit to advertise for the receipt of bids or to provide proper notification of revisions or addenda to advertisements or bid documents related to bids as prescribed by this section shall prevent the contracting unit from accepting the bids and require the readvertisement for bids.

2. This act shall take effect 30 days after enactment.

Approved May 9, 1983.
CHAPTER 175

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. Section 24 of P. L. 1971, c. 198 (C. 40A:11-24) is amended to read as follows:

C. 40A:11-24 Time for making awards; deposits returned.

24. Time for making awards; deposits returned. a. The contracting unit shall award the contract or reject all bids within such time as may be specified in the invitation to bid, but in no case more than 60 days, except that the bids of any bidders who consent thereto may, at the request of the contracting unit, be held for consideration for such longer period as may be agreed. All bid security, except the security of the three apparent lowest responsible bidders, shall be returned, unless otherwise requested by the bidder, within 10 days after the opening of the bids, Sundays and holidays excepted, and the bids of such bidders shall be considered as withdrawn. Within 3 days, Sundays and holidays excepted, after the awarding and signing of the contract and the approval of the contractor’s performance bond, the bid security of the remaining unsuccessful bidders shall be returned to them.

b. The contract shall be signed by all parties within the time limit set forth in the specifications, which shall not exceed 21 days, Sundays and holidays excepted, after the making of the award; provided, however, that all parties to the contract may agree to extend the limit set forth in the specifications beyond the 21 day limit required in this subsection. The contractor, upon written request to the contracting unit, is entitled to receive, within seven days of the request, an authorization to proceed pursuant to the terms of the contract on the date set forth in the contract for work to commence, or, if no date is set forth in the contract, upon receipt of authorization.

2. This act shall take effect immediately.

Approved May 9, 1983.
CHAPTER 176

C. 58:10-23.11f Hazardous discharge removal.

7. a. Whenever any hazardous substance is discharged, the department may, in its discretion, act to remove or arrange for the removal of such discharge or may direct the discharger to remove, or arrange for the removal of, such discharge. If the discharge occurs at any hazardous or solid waste disposal facility, the department may order the facility closed for the duration of the removal operations. The department may monitor the discharger’s compliance with any such directive. Any discharger who fails to comply with such a directive shall be liable to the department in an amount equal to three times the cost of such removal, and shall be subject to the revocation or suspension of any license or permit he holds authorizing him to operate a hazardous or solid waste disposal facility.

Removal of hazardous substances and actions to minimize damage from discharges shall, to the greatest extent possible, be in accordance with the National Contingency Plan for removal of oil and hazardous substances established pursuant to section 311 (c) (2) of the Federal Water Pollution Control Act Amendments of 1972 (P. Whenever the department acts to remove a discharge or contracts to secure prospective removal services, it is authorized to draw upon the money available in the fund. Such moneys shall be used to pay promptly for all cleanup costs incurred by the department in removing or in minimizing damage caused by such discharge.

Nothing in this section is intended to preclude removal and cleanup operations by any person threatened by such discharges, provided such persons coordinate and obtain approval for such actions with ongoing State or federal operations. No action taken by any person to contain or remove a discharge shall be construed as an admission of liability for said discharge. No person who renders assistance in containing or removing a discharge shall be liable for any civil damages to third parties resulting solely from acts or omissions of such person in rendering such assistance, except for acts or omissions of gross negligence or willful misconduct. In the course of cleanup operations, no person shall discharge any detergent into the waters of this State without prior authorization of the commissioner.

b. Notwithstanding any other provisions of P. L. 1976, c. 141 (C. 58:10–23.11 et seq.), the department, after notifying the administrator and subject to the approval of the administrator with regard to the availability of funds therefor, may remove or arrange for the removal of any hazardous substance which:

(1) Has not been discharged from a grounded or disabled vessel, if the department determines that such removal is necessary to prevent an imminent discharge of such hazardous substance;

(2) Has not been discharged, if the department determines that such substance is not satisfactorily stored or contained and said substance possesses any one or more of the following characteristics:

   (a) Explosiveness;
   (b) High flammability;
   (c) Radioactivity;
   (d) Chemical properties which in combination with any discharged hazardous substance at the same storage facility would create a substantial risk of imminent damage to public health or safety or an imminent and severe damage to the environment;
   (e) Is stored in a container from which its discharge is imminent as a result of contact with a hazardous substance which has already been discharged and such additional discharge
would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(f) High toxicity and is stored or being transported in a container or motor vehicle, truck, railcar or other mechanized conveyance from which its discharge is imminent as a result of the significant deterioration or the precarious location of the container, motor vehicle, truck, railcar or other mechanized conveyance, and such discharge would create a substantial risk of imminent damage to public health or safety or imminent and severe damage to the environment; or

(3) Has been discharged prior to the effective date of P. L. 1976, c. 141, if such discharge poses a substantial risk of imminent damage to the public health or safety or imminent and severe damage to the environment.

c. If and to the extent that he determines that funds are available, the administrator shall approve and make payments for any cleanup and removal costs incurred by the department for the removal of a hazardous substance other than petroleum as authorized by subsection b. of this section; provided that in determining the availability of funds, the administrator shall not include as available funds revenues realized or to be realized from the tax on the transfer of petroleum, to the extent that such revenues result from a tax levied at a rate in excess of $0.01 per barrel, pursuant to subsection 9b. of P. L. 1976, c. 141 (C. 58:10-23.11h), unless the administrator determines that the sum of claims paid by the fund on behalf of petroleum discharges or removals plus pending reasonable claims against the fund on behalf of petroleum discharges or removals is greater than 30% of the sum of all claims paid by the fund plus all pending reasonable claims against the fund.

d. The administrator may only approve and make payments for any cleanup and removal costs incurred by the department for the removal of a hazardous substance discharged prior to the effective date of P. L. 1976, c. 141, pursuant to subsection b. of this section, if, and to the extent that, he determines that adequate funds from another source are not or will not be available; and further provided, with regard to the cleanup and removal costs incurred for discharges which occurred prior to the effective date of P. L. 1976, c. 141, the administrator may not during any 1 year period pay more than $3,000,000.00 in total or more than $1,500,000.00 for any discharge or related set or series of discharges.
e. Notwithstanding any other provisions of P. L. 1976, c. 141, the administrator, upon the approval of the department, after considering, among any other relevant factors, its priorities for spending funds pursuant to P. L. 1976, c. 141, and within the limits of available funds, shall make payments for the restoration or replacement of, or connection to an alternative water supply for, any private residential well destroyed, contaminated, or impaired as a result of a discharge prior to the effective date of P. L. 1976, c. 141, provided however total payments for said purpose shall not exceed $500,000.00 for the period between the effective date of this subsection e. and January 1, 1983, and in any calendar year thereafter.

f. Any expenditures made by the administrator pursuant to this act shall constitute a first priority claim and lien paramount to all other claims and liens upon the revenues and all real and personal property of the discharger, whether or not the discharger is insolvent. All liens under P. L. 1976, c. 141 (C. 58:10–23.11 et seq.) shall be filed with the clerk or register of deeds and mortgages of the county wherein the affected property is located, and with the clerk of the Superior Court, and shall immediately attach to, and become binding upon, all the property, whether real or personal, of the party against whom the lien is filed. If it is believed that the party chargeable under the lien has an interest or estate, whether vested or contingent, in property within the State, but the exact location of the property is not known, then the lien shall be filed with the clerk of the Superior Court and shall become binding upon all the property of the party chargeable under the lien, wherever situated within the State.

CHAPTER 190

An Act to encourage the economic development of certain municipalities by establishing the New Jersey Local Development Financing Fund; providing for supplementary financial assistance by the fund to certain commercial and industrial projects undertaken under the sponsorship of these municipalities and other sponsors; and supplementing Title 34 of the Revised Statutes.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 34:1B-36 Short title.
1. This act shall be known and may be cited as the "New Jersey Local Development Financing Fund Act."

C. 34:1B-37 Findings, determinations, declarations.
2. The Legislature finds that there continue to exist in the State areas of high unemployment, low levels of new capital investment, depressed living and working conditions, and a deteriorating tax base; that vigorous action can halt the decline or threat of decline in economic activity and the underemployment of economic resources in these areas, avert economic losses, reverse the deterioration of the value of existing investment therein and the level of public revenue collections on that investment, and eliminate the disincentive to new investment; and that the improvement of these areas is vital to the safety, health and welfare of the residents thereof and of the State, and constitutes a major opportunity for enhancing the economic condition of the State, for augmenting the fiscal resources of government and for assisting private and public efforts on behalf of community development.

The Legislature determines that the development and redevelopment of these areas require substantial private capital spending; that the stimulation of that spending in turn requires the leadership of the State and of the citizens of the municipalities concerned as to financial commitment and as to public participation in the planning of the course of economic renewal; that many municipalities, counties, local development corporations and other entities engaged in economic development in these areas of the State have shown a willingness to cooperate with the private sector, the
dynamism and discipline of which are essential to reviving all aspects of a community, and to help the private sector make the necessary financial commitment to undertake economic enterprises in older communities; that many entrepreneurs, and the public entities for economic development which work with them, have experienced difficulty in raising startup money for projects of relative risk which are justified both on economic grounds and on grounds of their potential contribution to the welfare of the communities in which they are located; that expanded activity by entrepreneurs and these entities is necessary to the commercial and industrial redevelopment of these communities; and that the problems posed by the decline of these communities is beyond remedy solely through the exercise by government of its regulatory and police power and, because of the greater relative risk, have not been effectively addressed by the operations of private enterprise.

The Legislature, therefore, declares that in order to aid in remedying the aforesaid conditions of underemployment and underinvestment as they obtain in certain urban municipalities of the State, and to further the purposes of this act, there shall be created a State fund, under the supervision of the Department of Commerce and Economic Development, to provide direct State financial assistance to local commercial and industrial projects as provided in this act, that the authority and powers conferred hereunder and the expenditure of public moneys as provided herein are in service of a valid public purpose and that the enactment of the provisions hereinafter set forth is in the public interest and for the public benefit and good and is so declared as a matter of express legislative determination.

1. R.S. 39:4-130 is amended to read as follows:

Immediate notice of accident; written report.

39:4-130. The driver of a vehicle or street car involved in an accident resulting in injury to or death of any person, or damage to property of any one person in excess of $500.00 shall by the quickest means of communication give notice of such accident to the local police department or to the nearest office of the county police of the county or of the State Police, and in addition shall within 10 days after such accident forward a written report of such accident to the division on forms furnished by it. Such written reports shall contain sufficiently detailed information with reference to a motor vehicle accident, including the cause, the conditions then existing, the persons and vehicles involved and such information as may be necessary to enable the director to determine whether the requirements for the deposit of security required by law are inapplicable by reason of the existence of insurance or other circumstances. The director may rely upon the accuracy of the information contained in any such report, unless he has reason to believe that the report is erroneous. The division may require operators involved in accidents to file supplemental reports of accidents upon forms furnished by it when in the opinion of the division, the original report is insufficient. The reports shall be without prejudice, shall be for the information of the division, and shall not be open to public inspection. The fact that the reports have been so made shall be admissible in evidence solely to prove a compliance with this section, but no report or any part thereof or statement contained therein shall be admissible in evidence for any other purpose in any proceeding or action arising out of the accident.

Whenever the driver of a vehicle is physically incapable of giving immediate notice or making a written report of an accident as required in this section and there was another occupant in the vehicle at the time of the accident capable of giving notice or
making a report, such occupant shall make or cause to be made said notice or report not made by the driver.

Whenever the driver is physically incapable of making a written report of an accident as required by this section and such driver is not the owner of the vehicle, then the owner of the vehicle involved in such accident shall make such report not made by the driver.

A written report of an accident shall not be required by this section if a law enforcement officer submits a written report of the accident to the division pursuant to R. S. 39:4-131.

Any person who violates this section shall be punished as provided in subsection (b) of section 39:4-129 of the Revised Statutes.

The director may revoke or suspend the operator's license privilege and registration privilege of a person who violates this section.

C. 39:3-10e Reexamination of driver.
1. The holder of any motor vehicle driver's license who is involved, within any 6-month period, in two or more motor vehicle accidents resulting in death or in personal injury or damage to property of any one person in excess of $506.00 required to be reported to police pursuant to R. S. 39:4-130, and against whom there has been assessed motor vehicle points for each such accident, shall on notice to be given by the Division of Motor Vehicles, be required to submit to reexamination and successful passage of an examination of his ability as an operator and a test of his vision, by the division or by any licensed optometrist or ophthalmologist.

Failure to pass the examination or test required by this act shall be justification for the revocation and refusal to renew the holder's driver's license.

3. This act shall take effect immediately.

Approved May 24, 1983.

CHAPTER 210

AN ACT designating the tenth day of June in each year as Lidice Memorial Day in the State and supplementing Title 36 of the Revised Statutes.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

C. 36:1-10 Findings and declarations.
   1. The Legislature finds and declares:
      a. That the tenth day of June marks the anniversary of one of the most heinous criminal acts in the history of Western civilization, the brutal extermination of the peaceful village of Lidice, Czechoslovakia by the barbaric members of the Nazi security police on June 10, 1942.
      b. On that dark day in 1942 every male resident of Lidice over the age of 16 was murdered; all of the women were condemned to the dreaded Ravensbrueck concentration camp; four pregnant women were taken to a maternity hospital where their newly born children were murdered; and all of the surviving children of Lidice were sent outside of Czechoslovakia and dispersed.
      c. After the people of Lidice had been so thoroughly savaged, the Nazi security police turned their perverted fury on the village itself, first burning it, then dynamiting the ruins, and finally leveling the site of the village to the ground.
      d. This barbarous act of depravity so aroused the wrath of the world, that towns and villages in many countries renamed themselves Lidice so that the memory of that peaceful little village might be preserved.
      e. It is the firm belief of this Legislature that the memory of the hideous outrage that was committed against Lidice must not be allowed to fade, lest a similar fate befall other communities.

The deductions provided herein for pension purposes shall not be construed as reduction in the salary or compensation of any member of this retirement system.

Every employee to whom this act applies who shall continue in the service after the adoption and approval of this act, as well as every person to whom this act applies who may hereafter be appointed to a position or place, shall be deemed to consent and agree to the deductions made and provided for herein and payment with such deductions, for service, shall be a full and complete discharge and acquittance of all claims and demands whatsoever for all services rendered by such person during the period covered by such payment except his or her claim to the benefits to which he or she may be entitled under the provisions of this act.

Whenever any member shall die in service or his or her employment be terminated, for reasons other than retirement, all payments made by such employee to the fund shall be returned to the employee, if alive; or to such person, if living, as he shall have nominated by written designation, duly executed and filed with the board of trustees; otherwise to the executor or administrator of the member's estate, together with simple interest at the rate of 2% per annum.

c. Upon the receipt of proper proof of the death of a member in service, on account of which no accidental death benefit is payable under subsection e. of this section or the death of a member who has been retired for disability but who has not yet attained 60 years of age, there shall be paid to such person, if living, as he shall have nominated by written designation, duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate an amount equal to one and one-half times the compensation upon which his contributions are based or received by the member in the last year of creditable service; provided, however, that if such a member shall have attained 70 years of age or the member who has been retired for disability has attained 60 years of age, the amount payable shall equal three-sixteenths of the compensation received by the member in the last year of creditable service instead of one and one-half times such compensation. Such member may also file, and alter from time to time during his lifetime, as desired, a request with the board of trustees directing payment of said benefit in one sum or in equal installments over a period of years or as a life annuity. Upon the death of such member, a beneficiary to whom a benefit is payable in one sum may elect to receive the amount payable in equal annual installments over a period of years or as a life annuity.
d. Whenever any member who was a member on June 26, 1962, shall die after retirement on pension, not having received in pension payments an amount equal to the total amount of his or her contributions to the fund, including simple interest at 2% per annum, the difference between the amount so received and the amount of contributions, plus interest, shall be paid to the surviving named beneficiary on file with the board of trustees, and if none, then to his or her legal representative; unless said employee has made provision with the board of trustees for optional benefits under the provisions of section 18A:66-110.

e. Upon the death of a member in active service as a result of an accident in the performance of his or her duties as such employee and not as the result of his willful negligence, an accidental death benefit shall be payable, if a report, in a form acceptable to the board of trustees, of the accident is filed with the pension fund within 60 days next following the accident and an application for such benefit is filed with the said board of trustees within two years of the date of the accident, but the board of trustees may waive such time limits for a reasonable period, if in the judgment of the board the circumstances warrant such action. Evidence must be submitted to the board of trustees proving that the natural and proximate cause of death was an accident arising out of and in the course of employment at some definite time and place. Upon application by or on behalf of the dependents of such deceased member, the board of trustees, in addition to the payment of his contributions, as provided in this section, shall grant a pension of one-half of the average annual salary received by him or her during the three years immediately preceding his or her death, if the member was a male employee, as a pension to his widow, to continue during her widowhood; or if no widow, or in case the widow dies or re-marries before the youngest child of such deceased member attains age 18, or if the member was a married female employee, then to the child or children of such member under age 18, divided in such manner as the board in its discretion shall determine to continue until the youngest surviving child dies or attains age 18.

5. N. J. S. 18A:66-109 is amended to read as follows:

Permitted investments.

18A:66-109. No money shall be paid out of the pension fund except by the treasurer of the corporation upon warrants signed by the chairman of the board of trustees and countersigned by the secretary thereof. No warrant shall be drawn except by the order
of the board upon a yea and nay vote recorded in the minutes of the board.

The board of trustees may deposit the moneys of the fund in any bank or trust company which is a member of the Federal Reserve System, and may invest those moneys in bonds secured by mortgages, or in mortgages guaranteed or insured by agencies or instrumentalities of the United States of America, provided that those mortgages are legal investments for savings banks in this State. The board of trustees may invest and reinvest the moneys in other evidences of indebtedness, or capital stock or other securities issued by any company incorporated within the United States or within the Dominion of Canada, and in the bonds and other evidences of indebtedness of the United States of America, any state, city, county, school district or of the instrumentality of any state or of the United States of America. All income, interest or dividends paid or agreed to be paid on account of any loan or deposit shall constitute a part of the fund.

6. N. J. S. 18A:66-110 is amended to read as follows:

Manner of payment.

18A:66-110. Pensions shall be paid from the fund in the manner following:

a. A member of the pension fund who was a member on or before June 26, 1962 and who has or shall hereafter have credit in the pension fund for 30 years or more as an employee of a board of education in a county wherein the fund has been established and maintained shall, upon application to the board of trustees of the pension fund, be retired by such board of trustees and shall thereupon receive annually from the fund, for and during the remainder of his or her life, by way of pension, an amount equal to one-sixtieth of the average annual compensation received in the last three years of creditable service immediately preceding his or her retirement multiplied by the number of years he or she has credit in the pension fund, the amount to be determined by resolution of the board.

b. Upon the retirement of a member who has reached the age of 60 years, the person so retired shall be entitled to receive during his or her life, by way of pension, one-sixtieth of the average annual compensation received in the three years of creditable service immediately preceding his or her retirement multiplied by the number of years for which he or she has credit in the pension fund, the amount to be determined by resolution of the board.
Upon the receipt of proper proof of death of a member who has retired on a service retirement allowance, there shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member's estate an amount equal to one-half of the compensation received by the member in the last year of creditable service.

c. A member of the fund who has credit therein for 10 years, who shall become incapacitated, either mentally or physically, and who cannot perform the regular duties of employment, or who is found unfit for the performance of his or her duties, upon the application of his employer or upon his own application or the application of someone acting in his behalf, shall be retired by the board of trustees of the pension fund and thereupon shall receive annually from the fund a retirement allowance as described in subsection b. of this section if he has reached or passed age 60 and if he is under age 60, an amount equal to nine-tenths of one-sixtieth of the average annual compensation received in the last three years of creditable service immediately preceding the retirement multiplied by the number of years of creditable service; provided, however, that in no event shall the pension be based upon less than 17 years nor more than 30 years of service unless the member would have had less than 17 years of service at age 60, in which event he shall be given credit for the years to age 60; however, a member who has not attained age 70 who shall become incapacitated, either mentally or physically, as a result of personal injuries sustained in an accident occurring in the performance of his or her duties of such employee, shall, upon the application of his employer or upon his own application or the application of someone acting in his behalf, be retired by the board of trustees of the pension fund, and, thereupon, if a report of the accident, in a form acceptable to the board of trustees of the pension fund, is filed with the said board of trustees within 60 days next following the accident and the application for retirement is filed with the said board of trustees within two years of the date of the accident, shall receive annually from the fund an amount equal to two-thirds of the annual salary being received by such employee on the date of the accident. The board of trustees may waive strict compliance with the time limits within which a report of the accident and an application for retirement must be filed with the board if it is satisfied: (1) that a report of the accident from which the disability is claimed to have resulted was filed with the employing board of
education with reasonable promptitude and in no event later than 60 days after the accident, and (2) the applicant shall show that his failure to file a report with the board of trustees or to file his application for retirement within the time limited by law was due to mistake, inadvertence, ignorance of fact or law, inability, or to the fraud, misrepresentation or deceit of any person, or to a delay in the manifestation of the incapacity, or to any other reasonable cause or excuse, and (3) that the application for retirement was filed in good faith and the circumstances justify its favorable consideration.

The trustees of the pension fund shall have the power to determine whether or not any employee is permanently and totally disabled, and whether or not a disability of an employee is the result of an accident at some definite time and place in the performance of his or her duties as such employee. The claimant shall have the right to present physicians, witnesses or other testimony in his or her behalf before the board of trustees. The chairman, or any other member of the board of trustees, may administer oaths to any physician or other persons called before the trustees regarding the employee’s disability. The board of trustees shall decide, by resolution, whether the applicant is entitled to the benefit of this article.

Once in each year, the board of trustees may, and upon the member’s application shall, require any member retired for a disability, who is under the age of 60, to undergo medical examination by a physician or physicians designated by the board of trustees. The examination shall be made at the residence of the pensioner or any other place mutually agreed upon. If the physician or physicians thereupon report and certify to the board of trustees that the disabled pensioner is not permanently and totally incapacitated, either mentally or physically, for the performance of duty, and the board finds that said member is engaged in a gainful occupation, or could be engaged in a gainful occupation, and if the board concurs in the report, then the amount of the pension shall be reduced to an amount which, when added to the amount then being earned by him or her or an amount which he or she could earn if gainfully employed, shall not exceed the amount of compensation received by him or her at the time of his or her retirement. If subsequent examination of such pensioner shows that his or her earnings have changed since the date of his or her last examination, then the amount of the pension shall be further altered, but the new pension shall not exceed the amount of the pension originally granted, nor shall the new pension, when added to the amount then being earned
by the pensioner, exceed the salary or compensation received by
him or her at the time of his or her retirement.

d. At the time of retirement, any member may elect to receive his
or her benefits in a retirement allowance payable throughout life,
or he or she may, on retirement, elect to convert the benefits, other-
wise payable to him or her, into a retirement allowance of the
equivalent actuarial value computed on the basis of such mortality
tables as shall be adopted by the board of trustees, in accordance
with one of the optional forms following:

Option 1. A reduced retirement allowance, payable during life,
with a provision that in the case of death, before the total pension
payments have equaled the actuarial value computed as aforesaid,
the balance shall be paid to his or her surviving designated bene-
ficiary, duly acknowledged and filed with the board of trustees; and
if none, then to the executor or administrator of his or her estate.

Option 2. A reduced retirement allowance, payable during the
retired member's life, with the provision that after his or her death
it will continue during the life of and be paid to his or her
designated beneficiary, if such person survives him or her.

Option 3. A reduced retirement allowance, payable during the
retired member's life, with the provision that after his or her death,
an allowance at one-half of the rate of his or her reduced
allowance will be continued during the life of and be paid to his or
her designated beneficiary, if such person survives him or her.

Option 4. A reduced retirement allowance, payable during the
retired member's life, with some other benefit payable after his or
her death, provided the benefit is approved by the board of trustees.

No optional selection shall be effective in case a member dies
within 30 days after retirement and such a member shall be con-
sidered an active member at the time of death until the first pay-
ment on account of any benefit becomes normally due.

The board of trustees shall, from time to time and as often as
they deem it necessary, employ an actuary, who shall recommend,
and the board shall keep in convenient form, such data as shall be
necessary for actuarial valuations of the various funds created by
this article. At least once in every five-year period, or more fre-
quently as determined by the board of trustees, the actuary shall
make an actuarial investigation into the mortality, service and
salary experience of the members and beneficiaries of the retire-
ment system, and shall make a valuation of the assets and liabili-
ties of the various funds thereof, and upon the basis of such investigation the board of trustees shall:

(a) Adopt for the retirement system such mortality, service and other tables as shall be deemed necessary.

(b) Certify the rate of contribution which shall be made by each board of education to the pension fund as provided by this article.

7. N. J. S. 18A:66-113 is amended to read as follows:

Deferred retirement allowance.

18A:66-113. A member of the pension fund who has 10 years of service credit in the pension fund and who separates voluntarily or involuntarily before attaining the age of 60 years, and not by removal for cause on charges of misconduct or delinquency, may elect to receive a deferred retirement allowance beginning at the age of 60 years, equal to one-sixtieth of the average annual compensation received by him during the three years immediately preceding his separation from service multiplied by the number of years of credited service, with optional privileges as provided for in subsection d. of section 18A:66-110.

Such member shall advise the board of trustees of his election of such a deferred retirement allowance in writing, and shall complete such forms as shall be specified by the board of trustees in its administration of this section.

Subsequent to making such an election, but prior to attaining age 60, a member may later elect to withdraw all payments which he has made to the pension fund together with simple interest at the rate of 2% per annum figured on such employee contributions. Upon such withdrawal of contributions, no further benefits shall be payable on behalf of said employee by the pension fund. If such a member should die before attaining the age of 60 years, all payments which he has made, together with simple interest at the rate of 2% per annum figured on such employee’s contributions to the fund from the date of membership, shall be paid to such person, if living, as he shall have nominated by written designation duly executed and filed with the board of trustees, otherwise to the executor or administrator of the member’s estate.

Any member who, having elected to receive a deferred retirement allowance, again becomes an employee covered by the retirement system while under the age of 60 shall thereupon be reenrolled. He shall be credited with all service as a member standing to his credit at the time of his election to receive a deferred retirement allowance.
8. Section 4 of P. L. 1971, c. 382 (C. 18A:66-113.1) is amended to read as follows:

4. Should a member resign after having established 25 years of creditable service before reaching age 60, he may elect "early retirement," provided that such election is communicated by such member to the retirement system by filing a written application, duly attested, stating at what time subsequent to the execution and filing thereof he desires to be retired. He shall receive in lieu of any other payment provided for in section 18A:66-113 retirement allowance of one-sixtieth of his average annual compensation received in the last three years of creditable service preceding his retirement for each year of service credited reduced by one-quarter of 1% for each month that the member lacks of being age 55.

9. Section 6 of P. L. 1971, c. 278 (C. 18A:66-126.6) is amended to read as follows:

C. 18A:66-126.6 Adjustment of retirement allowances.

6. On or before October 1, 1969 and by the same date in each subsequent year, the Director of the Division of Pensions of the State Department of the Treasury shall review the index and determine the percentum of change in the index from the retirement year index, pursuant to the provisions of the Pension Increase Act (P. L. 1969, c. 169). The percentage of adjustment in the retirement allowances shall be one-half of the percentum of change.

The director shall include amounts sufficient to adjust the retirement allowances or pensions payable to all eligible retirants by one-half of the percentum of change in the index as such retirement allowances or pensions may have been originally granted, or increased for certain retirants in accordance with the provisions of the Pension Increase Act (P. L. 1969, c. 169). The director shall notify the secretary of the retirement system of the percentage of adjustment for the applicable year.

In no instance shall the amount of the retirement allowance originally granted and payable to any retirant be reduced as a result of this adjustment.

For purposes of this section, a "retirant" shall include all retirants except those whose retirement allowances commenced within the 2 calendar years prior to the first of the month in which the adjustment is to become effective in any year.
CHAPTER 216, LAWS OF 1983

C. 18A:66-109.1 Loans from retirement system.

10. (New section) Any member who has at least three years of service to his credit for which he has contributed as a member may borrow from the retirement system an amount equal to not more than 50% of the amount of his accumulated deductions, but not less than $50.00; provided that the amount so borrowed, together with interest thereon, can be repaid by additional deductions from compensation, not in excess of 25% of the member's compensation, made at the same time compensation is paid to the member. The amount so borrowed, together with the interest at the rate of 7 1/2% per annum on any unpaid balance thereof, shall be repaid to the retirement system in equal installments by deduction from the compensation of the member at the time the compensation is paid or in such lump sum amount sufficient to repay the balance of the loan, but the rate at which any installment is deducted shall be at least equal to the member's rate of contribution to the retirement system and at least sufficient to repay the amount borrowed, with interest thereon. Not more than two loans may be granted to any member in any calendar year. Notwithstanding any other law affecting the salary or compensation of any person or persons to whom this act applies or shall apply, the additional deductions required to repay the loan shall be made.

Loans shall be made to a member from his accumulated deductions. The interest earned on those loans shall be treated in the same manner as interest earned from investments of the retirement system. In the case of any member who retires without repaying the full amount so borrowed, the Division of Pensions shall retain the retirement benefit payments, excluding authorized deductions of the member, as repayment of the loan until the aggregate amount of those retirement benefit payments is equal to the outstanding balance of the loan, together with the interest at the rate of 7 1/2% per annum on the amount so borrowed, at which time the retired member shall receive his retirement benefit payments. In the case of a pensioner who dies before the outstanding balance of the loan and interest thereon has been recovered, the remaining balance shall be repaid from the proceeds of any other benefits payable on the account of the pensioner, either in the form of monthly payments due to his beneficiaries or in the form of lump sum payments payable for pension or group life insurance.

11. This act shall take effect immediately.

Approved June 20, 1983.

C. 23:2B-14 Definition of “act”; penalties for violations.

73. For purposes of this section, the “act” means and includes all the new sections and amended sections contained herein, all the remaining sections of Title 50 of the Revised Statutes, sections 23:3-41, 23:3-46, 23:3-47, 23:3-48, 23:3-51, 23:3-52, 23:5-9, 23:5-16, 23:5-35, 23:9-114, 23:9-115 and 23:9-120 of Title 23 of the Revised Statutes, sections 1, 2, 3 and 7 of P. L. 1938, c. 318 (C. 23:5-5.1 through 23:5-5.3 and 23:5-5.7), P. L. 1952, c. 216 (C. 23:5-5.1a), and sections 1, 2, and 3 of P. L. 1941, c. 211 (C. 23:5-24.1 to 23:5-24.3).

The commissioner may utilize any or all of the following remedies for any violation of this act:

a. (1) Any person who violates the provisions of this act or of any rule, regulation, license or permit promulgated or issued pursuant to this act shall be liable to a penalty of not less than $100.00 or more than $3,000.00 for the first offense and not less than $200.00 or more than $5,000.00 for any subsequent offense, unless the com-
missioner has established an alternate penalty for a specific offense pursuant to subsection a. (2) of this section.

(2) The Commissioner of Environmental Protection, with the approval of the Marine Fisheries Council, may, by regulation, establish a penalty schedule for any specific violation of this act or of any rule or regulation promulgated pursuant to this act. No such penalty may be less than $10.00 or more than $100.00 on the first offense or less than $20.00 or more than $200.00 on any subsequent offense. Any penalty provided for by this act or by the fee schedule promulgated by the commissioner shall be collected in a civil action by a summary proceeding under the penalty enforcement law (N. J. S. 2A:58-1 et seq.). The Superior Court or any County Court, county district court or municipal court shall have jurisdiction to enforce said penalty enforcement law. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense.

b. Any person who violates the provisions of this act or any rule or regulation or any license or permit promulgated or issued pursuant to this act shall be liable to the revocation of any license which he holds pursuant to this act for such period of time as the court may choose.

c. If any person violates any of the provisions of this act, or any rule or regulation or any license or permit promulgated or issued pursuant to the provisions of this act, the department may institute a civil action in a court of competent jurisdiction for injunctive relief to prohibit and prevent such violation or violations and the said court may proceed in the action in a summary manner.

The department is hereby authorized and empowered to compromise and settle any claim for a penalty under this section in such amount in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

d. In addition to the penalties prescribed by this section, a person violating the provisions of R. S. 50:4-3 shall be subject to the forfeiture of any vessel or equipment used in the commission of the violation. A designated enforcement officer of the Department of Environmental Protection, the marine police, or any other law enforcement officer may seize and secure any vessel or equipment used in the commission of such a violation. Upon the seizure of the vessel or equipment, the enforcement officer, member of the marine police, or other law enforcement officer shall immediately thereafter institute a civil action to determine if the forfeiture is warranted in the court in which the penalty action was filed pursuant to this
section, which court shall have jurisdiction to adjudicate the forfeiture action. The owner or any person having a security interest in the vessel or equipment may secure a release of the same by depositing with the clerk of the court in which the action is pending a bond with good and sufficient sureties in an amount to be fixed by the court, conditioned upon the return of the vessel or equipment to the Department of Environmental Protection upon demand after completion of the court proceeding. The court may proceed in a summary manner and may direct the confiscation of the vessel or equipment by the department for its use or for disposal by sale or public auction. Moneys collected by the department through the sale or public auction of the vessel or equipment shall be used by the Division of Fish, Game and Wildlife for the enforcement of the provisions of this act.

CHAPTER 221

Be it enacted by the Senate and General Assembly of the State of New Jersey:

1. R. S. 43:21-4 is amended to read as follows:

Benefit eligibility conditions.

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if it appears that:

(a) The individual has registered for work at, and thereafter continued to report at, an employment office in accordance with such regulations as the division may prescribe, except that the
division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be oppressive, or would be inconsistent with the purpose of this act; provided, that no such regulation shall conflict with subsection (a) of R. S. 43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R. S. 43:21-6.

(c) (1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual’s own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual’s control.

(4) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual’s employment opportunities or because the individual failed or refused to accept work while attending such program.

(5) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual’s attendance before a court in response to a summons for service on a jury.

(d) The individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period. No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided, that the requirements of this paragraph shall
be waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) If it has constituted a waiting period week under the temporary disability benefits law;

(3) Unless the individual fulfills the requirements of subsections (a) and (c) of this section;

(4) If with respect thereto, claimant was disqualified for benefits in accordance with the provisions of subsection (d) of R. S. 43:21-5.

(e) With respect to a base year as defined in subsection (c) of R. S. 43:21-19 the individual has established at least 20 base weeks as defined in subsection (t) of R. S. 43:21-19, or, in the alternative, has earned $2,200.00 or more in the individual’s base year.

(f) (1) The individual has suffered any accident or sickness not compensable under the Workers’ Compensation Law (Title 34 of the Revised Statutes) and resulting in the individual’s total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R. S. 43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for the inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R. S. 43:21-3 (d); provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a “covered individual” as defined in R. S. 43:21-27 (b); provided further, that no benefits shall be payable under this subsection to any individual:

(A) For any period during which such individual is not under the care of a legally licensed physician, dentist, optometrist, podiatrist or chiropractor;

(B) (Deleted by amendment, P. L. 1980, c. 90.)

(C) For any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a crime of the first, second or third degree;

(D) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefit law of any other state or of the United States; provided, that if the appropriate agency of such other state or of the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;
(E) For any week with respect to which or part of which the individual has received or is seeking disability benefits under the temporary disability benefits law;

(F) For any period of disability commencing while such individual is a "covered individual" as defined in subsection 3 (b) of the temporary disability benefits law (P. L. 1948, c. 110).

(2) Benefit payments under this subsection shall be charged to and paid from the State disability benefits fund established by the temporary disability benefits law, and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and (C) of R. S. 43:21-19 (i) (1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the Unemployment Compensation Law; except that notwithstanding any other provisions of the Unemployment Compensation Law:

(1) With respect to service performed after December 31, 1977, in an instructional, research, or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual if such individual performs such services in the first of such academic years (or terms) and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms;

(2) With respect to weeks of unemployment beginning after September 3, 1982, on the basis of service performed in any other capacity for an educational institution benefits shall not be paid on the basis of such services to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms, except that if benefits are denied to any individual under this paragraph (2) and the individual was not offered an opportunity to perform these services for the edu-
ational institution for the second of any academic years or terms, the individual shall be entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this clause;

(3) With respect to those services described in paragraphs (1) and (2) above, benefits shall not be paid on the basis of such services to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such period or holiday recess;

(4) With respect to any services described in paragraphs (1) and (2) above, benefits shall not be paid as specified in paragraphs (1), (2), and (3) above to any individual who performed those services in an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity which is established and operated exclusively for the purpose of providing those services to one or more educational institutions.

(h) Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sports seasons (or similar periods) if such individual performed such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such seasons (or similar periods).

(i) (1) Benefits shall not be paid on the basis of services performed by an alien unless such alien is an individual who was lawfully admitted for permanent residence at the time the services were performed and was lawfully present for purposes of performing the services or otherwise was permanently residing in the United States under color of law at the time the services were performed (including an alien who is lawfully present in the United States as a result of the application of the provisions of section 203 (a) (7) or section 212 (d) (5) of the Immigration and Nationality Act); provided, that any modification of the provisions of section 3304 (a) (14) of the Federal Unemployment Tax Act.
as provided by Public Law 94-566 which specify other conditions or other effective dates than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under State law as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act, shall be deemed applicable under the provisions of this section.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of alien status shall be made except upon a preponderance of the evidence.

(j) Notwithstanding any other provision of this chapter, the director may, to the extent that it may be deemed efficient and economical, provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to Article III (State plan) of the Temporary Disability Benefits Law.

2. This act shall take effect immediately except that the amendments to subsection (g) of R. S. 43:21-4 shall be retroactive to September 3, 1982.

Approved June 27, 1983.

CHAPTER 222

An Act concerning the cleanup of chemical contamination, supplementing Title 58 of the Revised Statutes, and making an appropriation.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 58:10-23.20 Findings and declarations.
1. The Legislature finds and declares that:
   a. The recognition of the threat of serious, and in some cases irreversible, environmental pollution by toxic chemicals stored, legally or otherwise, at various sites around the State has
prompted the recent need for a systematic and consistent approach to the detoxification of those sites;

b. Pioneering efforts in responding to those environmental threats have been undertaken by agencies of this State thereby adding to the store of knowledge and experience necessary for prompt and efficient hazardous discharge response;

c. Serious allegations have been made that efforts to detoxify sites of hazardous discharge have been fraught with ineffective administration, resulting in less than the most cost effective approach to the cleanup of those sites, and the waste of funds made precarious by scarcity and the large number of sites needing remedial action;

d. To assure the adequate and most cost effective response to chemical contamination, it is altogether fitting and proper to utilize the expertise of industry, academia and environmentally concerned citizens to study prior cleanup efforts, identify programmatic inefficiencies and ineffectiveness, and to recommend a contingency response plan which shall serve as the basis for a Statewide master plan for the cleanup of chemical contamination.

C. 58:10-23.21 Definitions.
2. As used in this act:
   a. "Department" means the Department of Environmental Protection;

b. "Hazardous discharge" means a discharge of hazardous substances as defined in subsection h. of section 3 of P. L. 1976, c. 141 (C. 58:10-23.1lb);

C. 58:10-23.22 Review; recommendations.
3. The 13 members of the Hazardous Waste Advisory Council established pursuant to section 6 of P. L. 1981, c. 279 (C. 13:1E-54) shall, within 6 months of the effective date of this act, conduct or cause to be conducted and shall transmit to the Legislature and the Governor:
   a. A review and evaluation of the technical and financial practices and procedures employed by public and private agencies involved in prior efforts to detoxify sites of hazardous discharge, and an identification of any programmatic inefficiencies in those efforts;
b. A review and evaluation of models of chemical contamination contingency response planning, including those developed by federal agencies, other states, and the chemical industry; and
c. Recommendations, after public hearing, for the adoption, by the department, of a Hazardous Substance Contingency Response Master Plan, which recommendations shall include at least the following:

(1) A discovery and notification phase which shall prescribe procedures for the investigation and inventory of sites of hazardous discharge and the identification of all parties and agencies that must be notified of the existence of those sites;

(2) A preliminary assessment phase which shall prescribe procedures for evaluating the nature of the chemical contamination and the magnitude and scope of the hazard to the public health and natural resources of the State;

(3) A contingency response phase prescribing procedures for the removal or containment of any chemical contamination indicated by the preliminary assessment;

(4) Criteria for the ranking of sites of hazardous discharge;

(5) Identification of appropriate procedures for the involvement of the affected community.

C. 58:10-23.23 Assistance of public employees.

4. The council shall be entitled to call to its assistance, and avail itself of the services of, employees of any State, county or municipal department, board, commission or agency as may be required and made available.

C. 58:10-23.24 Master plan mandated.

5. The department shall adopt, within 10 months of the effective date of this act and pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), a Hazardous Substance Contingency Response Master Plan which shall, to the greatest extent practicable and feasible, incorporate the findings and recommendations of the council.

6. There is appropriated to the department from the New Jersey Spill Compensation Fund established by section 10 of P. L. 1976, c. 141 (C. 58:10-23.11), the sum of $100,000.00 for the implementation, by the council, of the provisions of this act.

7. This act shall take effect immediately.

Approved June 27, 1983.

The commissioner shall not be required to approve any such ordinance, resolution or regulation, unless, after investigation by him, the same shall appear to be in the interest of safety and the expedition of traffic on the public highways.

b. In the case of totally self-contained streets under municipal jurisdiction which have no direct connection with any street in any other municipality, the municipality may, by ordinance, without the approval of the Commissioner of Transportation, designate reasonable and safe speed limits and erect appropriate signs and designate any intersection as a stop or yield intersection and erect appropriate signs, provided that the municipal engineer shall, under his seal as a licensed professional engineer, certify to the commissioner that any designation or erection of signs: (1) has been approved by him after investigation by him of the circumstances, (2) appears to him to be in the interest of safety and the expedition of traffic on the public highways and (3) conforms to the current standards prescribed by the Manual of Uniform Traffic Control Devices for Streets and Highways, as adopted by the Commissioner of Transportation. The municipal engineer shall submit to the commissioner, together with his certification, detailed information as to the location of streets, intersections and signs affected by any designation or erection of signs, a statement of the reasons for his decision, a certified copy of the adopted municipal ordinance, traffic count, accident and speed sampling data, when

Any person employed in the capacity of a licensed operator not holding the license required for a system may continue in such capacity, at the discretion of the department, if he meets the other requirements of this act and the rules and regulations adopted thereto.

    b. The commissioner shall, pursuant to the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.), adopt, and may amend or repeal rules and regulations to classify and reclassify licenses and systems.

    c. The department shall upgrade or downgrade the classification of a system whenever the system changes sufficiently to place it in a different classification from the one in which it is classified.

    d. If licenses are reclassified by the department, subject to new classification requirements, the licensee at the time of the reclassification shall be reissued, at the time of the next license renewal, the highest license corresponding to the new classification.

    b. The commissioner shall establish a board of examiners composed of licensed operators, and employees of the department, and any additional advisory bodies deemed necessary, to assist the department in administering the licensing program established pursuant to this act. The board of examiners shall annually review the programs and regulations adopted pursuant to this act and make recommendations to the department for their improvement.

    c. The commissioner shall adopt, and may amend, or repeal rules and regulations establishing the board of examiners, and other advisory bodies, their composition and duties, and the qualifications for issuance of licenses, examination methods and procedures, and all other matters including fees necessary to implement and administer an adequate licensing program.
C. 58:11-68 Fees; license renewal.
   5. a. The commissioner is authorized to adopt a fee schedule which shall reasonably cover the cost of examinations, licensing procedures, and the administration and enforcement of this act. All fees collected pursuant to the provisions of this act shall be deposited into the “Environmental Services Fund” created by P. L. 1975, c. 232 (C. 13:1D-29 et seq.). There shall be annually appropriated an amount equivalent to the amount anticipated to be collected as fees by the department for the administration of the licensing program.

   b. The department shall issue or renew a license upon payment of the appropriate license fee to any applicant who in the opinion of the department has satisfactorily met all the appropriate requirements of this act and rules and regulations adopted pursuant to this act.

   c. The department shall renew licenses annually and shall establish in its regulations the date on which licenses shall be renewed. Initial licenses shall be valid from issue date to the next effective date for license renewal. All other licenses shall be valid from the renewal date of the license to the next annual renewal date. The department may change the renewal date for all licenses. The department may charge a delinquent fee to any licensee who fails to renew his license prior to the renewal date. A licensee who fails to renew his license within 1 year following the renewal date of his license may not receive a new license until he successfully completes another qualifying examination.

C. 58:11-69 Reciprocity.
  6. The department may issue licenses, without examination, for the operation of systems to such persons who, in the judgment of the department, meet all the requirements of this act and the rules and regulations adopted pursuant to this act and who hold valid current licenses to operate a system with at least the equivalent classification in a state, country or territory other than the State of New Jersey, which state, country or territory also recognizes the validity of New Jersey licenses, and which has requirements for the issuance of licenses to operate systems at least as stringent as the requirements of the State of New Jersey.

C. 58:11-70 Revocation, suspension of licenses.
  7. a. The department may revoke or suspend the license of a licensee if the department determines that the application for the license included false information or that the licensee is managing or operating the system in an incompetent manner, or is
managing or operating the system in violation of this act or any operating requirements of the department, or has falsified records.

b. The order of revocation or suspension shall become a final order unless the licensee submits a written request for a hearing within 20 calendar days after receipt of the order. If a hearing is granted, the commissioner shall make the final decision for the department.

c. Any person whose license has been revoked for the first time shall be ineligible for admission to any examination authorized by this act for a period of not less than 1 year from the effective date of the revocation.

d. Any person whose license has been revoked for committing or omitting acts which the department determines with the concurrence of the board of examiners has caused substantial harm to the public, or whose license has been revoked more than once shall be ineligible for admission to any examination authorized by this act.

C. 58:11-71 Violations; penalties.

8. a. If any person violates any of the provisions of this act, or any operating requirements, the department may institute a civil action in a court of competent jurisdiction for injunctive relief to enforce said provisions and to prohibit and prevent that violation and the court may proceed in the action in a summary manner.

b. Any person who violates or causes the violation of any of the provisions of this act or any operating requirements shall be liable to a civil administrative penalty of not more than $5,000.00 for each offense to be imposed by the department pursuant to standards adopted in regulations, or a civil penalty of not more than $5,000.00 for each offense. If the violation is of a continuing nature, each day during which it continues shall constitute an additional, separate and distinct offense.

c. The department may recover in any civil action the State’s reasonable costs of preparing and litigating the civil action pursuant to this act.

d. Any and all penalties prescribed by any provisions of this act may be recovered in a civil action by a summary proceeding under “the penalty enforcement law” (N. J. S. 2A:58–1 et seq.). The Superior Court and county district court shall have jurisdiction to enforce the penalty enforcement law.

e. The department is authorized and empowered to compromise and settle any penalty imposed under this section in such amount
in the discretion of the department as may appear appropriate and equitable under all of the circumstances.

g. All penalties received pursuant to the provisions of this act shall be paid into the "Environmental Services Fund" created by P. L. 1975, c. 232 (C. 13:1D-29 et seq.), and expended for the functions authorized herein.

C. 58:11-72 No effect on prior orders, proceedings.

9. a. Nothing herein contained shall be held to abate or render invalid any administrative order or proceeding, or suit at law or in equity, which may have been served, begun or instituted by the department, prior to the date hereof, in accordance with the powers and duties heretofore conferred upon it, but the same shall continue in full force and effect, and be further advanced and prosecuted in the name of the department; nor shall anything in this act be construed to anywise affect the protection afforded any person by section 3 of this act.

b. Any regulations concerning the licensing of operators promulgated by the department pursuant to P. L. 1938, c. 206 (C. 58:11-18.1 et seq.) shall remain in effect up to 1 year subsequent to the effective date of this act unless repealed by the department at an earlier date.

C. 58:11-73 Severability.

10. The object and design of this act being the protection and preservation of the environment, and the protection and preservation of public health, safety, and welfare, this act shall be liberally construed and the powers granted and the duties imposed shall be construed to be independent and severable. If any one or more sections, clauses, sentences, or parts of this act shall for any reason be questioned in any court, and shall be adjudged unconstitutional or invalid, the judgment shall not affect, impair, or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provisions so held unconstitutional or invalid.

1. N. J. S. 2C:33-12 is amended to read as follows:

Maintaining a nuisance.

2C:33-12. Maintaining a Nuisance. A person is guilty of maintaining a nuisance when:

a. By conduct either unlawful in itself or unreasonable under all the circumstances, he knowingly or recklessly creates or maintains a condition which endangers the safety or health of a considerable number of persons;

b. He knowingly conducts or maintains any premises, place or resort where persons gather for purposes of engaging in unlawful conduct; or

c. He knowingly conducts or maintains any premises, place or resort as a house of prostitution or as a place where obscene material, as defined in N. J. S. 2C:34-2 and N. J. S. 2C:34-3, is sold, photographed, manufactured, exhibited or otherwise prepared or shown, in violation of N. J. S. 2C:34-2, N. J. S. 2C:34-3, and N. J. S. 2C:34-4.

A person is guilty of a disorderly persons offense if the person is convicted under subsection a. or b. of this section. A person is guilty of a crime of the fourth degree if the person is convicted under subsection c. of this section.

Upon conviction under this section, in addition to the sentence authorized by this code, the court may proceed as set forth in section 2C:33-12.1.

2. N. J. S. 2C:33-12.1 is amended to read as follows:

Abating nuisance.

2C:33-12.1. Abating Nuisance. a. In addition to the penalty imposed in case of conviction under N. J. S. 2C:33-12, the court may order the immediate abatement of the nuisance, and for that purpose may order the seizure and forfeiture or destruction of any chattels,
liquors, obscene material or other personal property which may be found in such building or place, and which the court is satisfied from the evidence were possessed or used with a purpose of maintaining the nuisance. Any such forfeiture shall be in the name and to the use of the State of New Jersey, and the court shall direct the forfeited property to be sold at public sale, the proceeds to be paid to the treasurer of the county wherein conviction was had.

b. If the owner of any building or place is found guilty of maintaining a nuisance, the court may order that the building or place where the nuisance was maintained be closed and not used for a period not exceeding one year from the date of the conviction.

C. 2A:54A-1 Civil action.

3. (New section) In addition to any criminal prosecution brought for violation of N. J. S. 2C:33-12, whenever a nuisance as defined in subsection c. of N. J. S. 2C:33-12 exists, the Attorney General or the prosecutor of the county in which the nuisance exists may bring a civil action in the name of the State to abate the nuisance and to permanently enjoin the person from maintaining the nuisance.

C. 2A:54A-2 Injunctive relief.

4. (New section) a. Any action instituted pursuant to the provisions of section 3 of this amendatory and supplementary act shall be brought in the Superior Court of the county in which the alleged nuisance exists. An action shall be instituted by the filing of a verified petition alleging the facts constituting the nuisance.

b. After the filing of the petition, application for a preliminary injunction may be made to the court, which shall grant a hearing within 10 days after the filing of the application. If an application for a preliminary injunction is made, the court, on request of the applicant, may issue an ex parte order to preserve samples of materials located at the premises which are allegedly involved in the nuisance. The restraining order shall be served by delivering a copy of the order to a person in charge of the location or residing there or by posting a copy of the order upon one of the principal doors or entrances to the location. The officer serving the restraining order shall make and return to the court an inventory of the personal property used in maintaining the alleged nuisance and an inventory of the samples being held. A violation of the restraining order or the removal or mutilation of a posted restraining order shall constitute contempt of court.
c. A copy of the petition, together with a notice of the time and place of the hearing on the application for a preliminary injunction, shall be served upon the defendant at least five days before the hearing. If, at the hearing, the allegations of the petition are sustained by clear and convincing evidence, a preliminary injunction closing the place against its use for any purpose complained of in the petition may be issued. The order shall also continue in effect the restraining order provided in subsection b., if already issued, or, if not so issued, may include a restraining order. The owner of any real or personal property closed or restrained may appear between the filing of the petition and the hearing on the application for a permanent injunction and may obtain the release of the property, if the court determines that the owner did not have any knowledge that the property was being used in maintaining the nuisance and if the owner agrees to take whatever action is necessary to insure that the property will not be used to continue the nuisance. The release of any property under this subsection shall not affect any judgment, lien, penalty or liability to which that property may be subject.

C. 2A:54A-3 Admissible evidence.
5. (New section) In an action brought pursuant to section 3 of this amendatory and supplementary act, evidence of the general reputation of the location or an admission or finding of guilt of the person under the criminal laws against prostitution or obscenity is admissible for the purpose of proving the existence of the nuisance.

C. 2A:54A-4 Permanent injunction; forfeiture of property.
6. (New section) If, after final hearing, the court determines that the existence of a nuisance as defined in subsection c. of N. J. S. 2C:33-12 exists, the court may enter a permanent order enjoining the defendant and any other person from further maintaining the nuisance at the location complained of and the defendant from maintaining the nuisance elsewhere. In addition, the court may proceed with the forfeiture of property used for the purpose of maintaining the nuisance and the closing of the location for one year, pursuant to the provisions of N. J. S. 2C:33-12.1.

C. 2A:54A-5 Penalty.
7. (New section) Whenever a permanent injunction is issued pursuant to the provisions of this amendatory and supplementary act, a penalty of not less than $300.00 nor more than $1,000.00 shall be imposed upon the person maintaining the nuisance.
8. This act shall take effect immediately.
Approved June 30, 1983.

Be it enacted by the Senate and General Assembly of the State of New Jersey:

C. 39:8-25 Reinspection centers to conduct initial inspections.

1. (New section) The Legislature finds and declares its intent to provide a program for inspecting motor vehicles that will meet all
the goals of the federal Clean Air Act (42 U. S. C. § 7401 et seq.). Towards this end, it is intended that the appropriation included in P. L. 1983, c. 237, shall provide sufficient resources for the Division of Motor Vehicles to implement for one year a motor vehicle inspection system utilizing reinspection centers, licensed pursuant to section 3 of P. L. 1975, c. 156 (C. 39:8-11), to conduct initial inspections while remaining prepared to return to a completely State-operated system after the one year period, unless the Legislature determines to continue to authorize the motor vehicle inspection system established in this act.

2. R. S. 39:8-1 is amended to read as follows:

**Inspection required.**

39:8-1. The director shall require every motor vehicle registered in this State which is used over the highways of this State, except vehicles and traction equipment registered pursuant to R. S. 39:3-24 and historic motor vehicles registered as such, to have such motor vehicles inspected by designated inspectors or at official inspection stations to be designated by the director. The director shall have the discretion to determine what motor vehicle equipment shall be subject to inspection under the provisions of this chapter.

3. R. S. 39:8-2 is amended to read as follows:

**Examiners; rules, regulations; random roadside examinations; inspections of licensed centers.**

39:8-2. Such examiners may be delegated to enforce the provisions of the motor vehicle and traffic law.

The director may make rules and regulations with respect to the character of the inspections to be made, with respect to the frequency of inspections of new motor vehicles and with respect to the approval or rejection of motor vehicles as a result of such inspections. All other vehicles required by the director to be inspected under this chapter shall be inspected at least annually.

Rules and regulations relating to the frequency and character of vehicle emission inspections shall be promulgated in cooperation with the Department of Environmental Protection.

The director shall furnish to designated examiners official certificates of approval, the form, content and use of which he shall prescribe.
The director may, with the approval of the State House Commission, purchase, lease or acquire by the exercise of the power of eminent domain any property for the purpose of assisting him in carrying out the provisions of this chapter. Such property may also be used by the director for the exercise of the duties and powers conferred upon him by the other chapters of this Title.

The director shall conduct random roadside examinations of motor vehicles required to be inspected in this State to provide a continuous monitoring of motor vehicles. Each year at least 1% of the total number of motor vehicles registered in the State shall be inspected by roadside examination teams under the supervision of the director.

The director shall conduct inspections and audits of licensed reinspection centers to insure accurate test equipment calibration and use, and compliance with the provisions of this act. These inspections and audits shall be conducted monthly, except that at the discretion of the director, more frequent audits and inspections may be conducted.

The director shall make a charge of $2.50 for the initial inspection for each vehicle subject to inspection, which amount shall be paid to the director or his representative when payment of the registration fees fixed in chapter 3 of this Title is made. Said fee is not applicable to reinspection by licensed reinspection centers of vehicles rejected upon initial inspection at a motor vehicle inspection station.

4. Section 6 of P. L. 1975, c. 156 (C. 39:8-14) is amended to read as follows:

C. 39:8-14 Self-inspections.
6. The director may license any person who is the owner or lessee of 10 or more motor vehicles to initially inspect, reinspect and certify those vehicles if such person has available to him the equipment, facilities and qualified employees, or other qualified person under his control by contract, necessary to make the required initial inspection, adjustments, corrections or repairs. When the licensee, or his employee, or other qualified person under his control conducts an initial inspection, he shall certify that he or his employee or other qualified person under his control by contract has inspected the motor vehicle as prescribed by the director and has found that the motor vehicle conforms to the standards established by law or regulation. When a motor vehicle is rein-
spected, the licensee shall certify that the items for which a vehicle was initially rejected have been adjusted, corrected or repaired by him or under his direction and that the condition of said items conforms to the standards established by law or regulation. Such certification shall be evidenced by an initial or reinspection approval sticker placed on the vehicle as prescribed by the director.

C. 39:8-26 Designation of official inspection stations.

5. (New section) a. The Director of the Division of Motor Vehicles in addition to any existing authority, shall, for a period not to exceed 12 months, be authorized to designate reinspection centers as official inspection stations for the purpose of conducting initial motor vehicle inspections pursuant to the provisions of R.S. 39:8-1.

        b. For the purposes of this act, only those reinspection centers licensed pursuant to section 3 of P.L. 1975, c. 156 (C. 39:8-11 et seq.) and properly equipped to comply with the standards established by law or regulation may be designated as official inspection stations.

C. 39:8-27 Operation of official inspection stations.

6. (New section) a. Official inspection stations designated pursuant to section 5 of this act shall inspect and certify or reject a motor vehicle presented for an initial inspection. Certification shall indicate that the vehicle has been inspected as prescribed by the director and that the motor vehicle conforms to the standards established by law or regulation.

        b. Official inspection stations designated pursuant to section 5 of this act shall be entitled to charge a fee for each initial inspection performed. The amount to be charged shall be determined by the director. A schedule of charges for initial inspections shall be posted in a prominent place on the premises and a copy shall be filed with the director. Charges for initial inspections, re inspections and repairs shall be separately stated.

        c. No official inspection station shall require as a condition of performing the inspection that any needed repairs or adjustments be done by the person, or at the facility of the person, performing the inspection.

        d. No service or adjustment shall be performed on the vehicle at the official inspection station where the vehicle was initially inspected unless the customer signs a written acknowledgment and waiver that he understands his rights to have service and adjustment done elsewhere and expressly waives his rights.
e. The director shall provide each official inspection station as many numbered initial inspection approval stickers as may be required, and may charge a fee of $1.00 for each sticker. There shall be no refund or credit for expired or unused initial inspection stickers. Every official inspection station shall keep records of all initial inspections performed and approved stickers issued as the director may prescribe. All records shall be made available to the director upon demand. Every official inspection station shall institute safeguards to secure stickers from theft, loss or fraudulent use as the director may prescribe. Every official inspection station shall return any unused or expired stickers to the director and shall upon request account to the director for all stickers.

C. 39:8-28 Violations; penalties.

7. (New section) Any person who affixes an initial inspection approval sticker to a motor vehicle without having inspected the motor vehicle, or without having determined that the condition of any item conforms to standards established by law or regulation, shall be guilty of violating the provisions of this act, and shall be fined not less than $1,000.00 nor more than $1,500.00 and shall have his license, issued pursuant to P. L. 1975, c. 156 (C. 39:8-11 et seq.), suspended for a period of at least one year but not more than three years for a first offense or not less than $2,000.00 nor more than $3,500.00 and shall have the license permanently revoked for a subsequent offense. This section shall be enforced pursuant to R. S. 39:8-9.

Any person who charges a fee for repair work not performed or performed unnecessarily and affixes an initial inspection approval sticker shall be punished under the terms of P. L. 1960, c. 39 (C. 56:8-1 et seq.), and any regulation adopted thereunder.

C. 39:8-29 Suspension, revocation, nonrenewal of licenses.

8. (New section) a. In addition to any existing authority of the director to deny, suspend, revoke or refuse renewal of a license issued pursuant to section 11 of P. L. 1975, c. 156 (C. 39:8-19), the director may also suspend, revoke or refuse renewal of the license if an official inspection station makes initial inspection charges in excess of those posted on the premises and filed with the director.

b. The suspension or revocation of a license issued pursuant to section 11 of P. L. 1975, c. 156 (C. 39:8-19) shall not of itself be cause for the denial, suspension or revocation of any other business license held by the official inspection station licensee issued by the State or any of its political subdivisions.
C. 39:8-30 Return of items after discontinuance of operation.

9. (New section) Any person who discontinues operation of an official inspection station, or whose license has been suspended or revoked, or whose renewal thereof has been denied shall forthwith deliver to the director the license, all unused initial inspection approval stickers, all inspection records and other items issued to the licensee or required by the director to be kept in connection with the operation of the official inspection station. Any person who fails to deliver any item to the director is a disorderly person.

C. 39:8-31 Unlawful designation of official inspection stations.

10. (New section) Any person who shall display or cause or permit to be displayed any sign, mark, or advertisement as an official inspection station when such a designation has not been made by the director or is not then in effect, or who shall transfer or attempt to transfer a designation as an official inspection station is a disorderly person.

C. 39:8-32 Personnel; expenditures.

11. (New section) The director may, subject to existing law, employ such persons and make such expenditures as are necessary to supervise the operation of designated official inspection stations to insure compliance with the provisions of this act and the regulations adopted pursuant thereto.

C. 39:8-33 Standards for official inspection stations.

12. (New section) a. Within 90 days of the effective date of this act, the director, in cooperation with the Department of Environmental Protection, shall adopt regulations establishing standards for all licensed reinspection centers designated as official inspection stations pursuant to this act.

b. Except as provided in subsection c. of this section, all licensed reinspection centers shall use emission test equipment which has been certified by the Department of Environmental Protection. The department shall adopt standards within 90 days of the effective date of this act, for the certification of the equipment, which shall include but not be limited to all of the following:

(1) An automated system to control test sequencing, the automatic pass or fail decision, and the format for the test report and recorded magnetic tape file;

(2) An exhaust gas analysis portion;

(3) A device to accept and record vehicle identification information; and
(4) A device to provide a printed record of the test results to the consumer.

c. Facilities which have been licensed by the director as "re-inspection centers" prior to May 1, 1983, may apply to the director for certification as official inspection stations which do not require immediate compliance with the standards established under subsection b. of this section concerning the certification of equipment; provided that the Department of Environmental Protection certifies that the licensure complies with the Clean Air Act (42 U.S.C. § 7401 et seq.). In the event that this act is extended to May 1, 1985 or thereafter the facilities shall comply with the standards established under subsection b. of this section by May 1, 1985, in order to maintain certification under this act.

C. 39:8-34 Standards for mechanics.

13. (New section) a. Within 90 days of the effective date of this act, the director, in cooperation with the Department of Environmental Protection, shall adopt regulations establishing standards for the training and certification of mechanics employed by licensed reinspection centers.

b. Except as provided in subsection c. of this section, no licensee or his employee may perform inspections and make repairs for compensation pursuant to this act unless qualified by the completion of training courses prescribed by the division in cooperation with the Department of Environmental Protection.

c. Licensees and employees of facilities licensed by the director as "reinspection centers" prior to May 1, 1983, may perform inspections or make repairs for compensation pursuant to this act without immediately complying with the requirements of subsection b. of this section concerning training and certification of mechanics. In the event that this act is extended beyond May 1, 1985 or thereafter all licensees and employees of licensees shall comply with the standards concerning certification and training of mechanics by May 1, 1985, in order to perform inspections or make repairs for compensation pursuant to this act after that date.

d. The director in cooperation with the Department of Environmental Protection shall take all necessary steps to promote expeditious compliance with the training and certification of mechanics as provided in this section.

14. (New section) The Director of the Division of Motor Vehicles shall report to the Legislature nine months after the

In the event that this act is not extended beyond the original expiration date, the director shall report to the Legislature and the Governor and recommend appropriate steps to be taken to reconstitute the State operated inspection system.

C. 39:8-36 Procedure upon expiration of temporary system.

15. (New section) a. Upon expiration of certain sections and subsections of this act, as provided in section 16 all motor vehicles subject to inspection pursuant to R.S. 39:8-1 shall be initially inspected at official inspection stations.

b. Upon expiration of certain sections and subsections of this act as provided in section 16, all reinspection centers licensed pursuant to P.L. 1975, c. 156 (C. 39:8-11 et seq.), complying with the provisions of this act, any amendatory or supplementary acts and all rules and regulations adopted by the director, may reinspect all motor vehicles subject to inspection pursuant to R.S. 39:8-1.

16. This act shall take effect immediately but shall remain inoperative until the enactment of either Assembly Bill No. 3604 of 1983 or Senate Bill No. 3473 of 1983 (now pending before the Legislature) and, except for sections 2, 3, 4, 6c., d., and e., 7, 8, 9, 10, 11, 12, 13 and 15, shall expire on the first day of the 12th month following enactment unless extended by law beyond that date.

STATEMENT TO SENATE BILL No. 3434

To the Senate:

I am today returning Senate Bill No. 3434 with my signature, along with certain constitutionally permitted modifications set forth in the statement appended thereto. This bill would provide for a supplemental appropriation of $341,593 to the State Parole Board and $3,600,000 to the Department of the Public Advocate for the Death Penalty Public Defender Program.

The actual number of death penalty cases and the cost to provide defendants with representation in these cases cannot be predicted with absolute accuracy; accordingly, the appropriation to the Public Defender to provide defendants with representation in death penalty cases has been reduced by $500,000. If the Public Advocate should determine that the higher priority claims of these Public Defender programs should require even more funding, then I will personally support and expedite any requests which the Public Advocate makes to exercise his right to request transfers of funds from other priorities within his budget. Therefore, pursuant to Article V, Section I, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3434 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

The sum hereinabove for purchase of residential care shall be available for the payment of obligations applicable to prior fiscal years.

None of the funds for developmental disability services shall be expended without non-State matching funds.
The Division of Mental Retardation is authorized to transfer funds from the dental program for non-institutionalized mentally retarded and handicapped children account to the Division of Medical Assistance and Health Services, in proportion to the number of program participants who are Medicaid eligible.

Excess State funds realized by Federal involvement through Medicaid in the dental program for non-institutionalized mentally retarded and handicapped children may be committed for the program's support during the subsequent fiscal year, rather than for expansion.

Notwithstanding the provisions of any law to the contrary, the unexpended balances as of June 30, 1983 in the tuition receipt accounts established pursuant to C18A:7B-1 et seq. in the various departments, are appropriated for education-related transportation costs (day training) in the Division of Mental Retardation in such amounts as the Director of the Division of Budget and Accounting shall determine to be necessary; provided, however, that such amounts shall not be in excess of $1,006,000.

2. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting and with the approval of the Legislative Budget Officer, private contributions, revolving funds and dedicated funds received or receivable for the use of the State or its agencies in excess of those anticipated, unless otherwise provided herein, and the unexpended balances as of June 30, 1983 of such funds.

3. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, the following: sums required to refund amounts credited to the State Treasury which do not represent State revenue; sums received representing insurance to cover losses by fire and other casualties and the unexpended balance as of June 30, 1983 of such sums; sums received by any State department or agency from the sale of equipment, when such sums are received in lieu of trade-in value in the replacement of such equipment; sums received in the State Treasury representing refunds of payments made from appropriations provided in this act.

4. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, sums required to satisfy receivables previously established from which non-reimbursable costs and ineligible expenditures have been incurred.

5. There are appropriated, subject to allotment by the Director of the Division of Budget and Accounting, from Federal or other non-State sources amounts not to exceed the cost of services necessary to document and support retroactive claims.

6. There are appropriated such sums as may be required for the collection of debts owed to the State, subject to the approval of the Director of the Division of Budget and Accounting.

7. The unexpended balances as of June 30, 1983 in the accounts of the several departments and agencies heretofore appropriated or established in the category of additions, improvements, and equipment, where such unexpended balances exceed $300.00 are
appropriated; provided, however, that an amount not to exceed $2,000,000.00 shall be lapsed to the General Fund as shall be determined by the Director of the Division of Budget and Accounting.

8. Unless otherwise provided, balances remaining as of June 30, 1983 in accounts of appropriations enacted subsequent to April 1, 1983 are appropriated.

9. In order that there be flexibility in the handling of appropriations, any department or agency, except the Legislature, receiving an appropriation by any act of the Legislature may apply to the Director of the Division of Budget and Accounting for permission to transfer a part of any item granted to such department or agency to any other item in such appropriation; provided that such transfer is not between or among a State Aid, Direct State Services, Capital Construction, or a Debt Service account, except as hereinafter provided. Such application shall be made only during the current year for which the appropriation was made. If the Director of the Division of Budget and Accounting shall consent thereto, he shall place the amount transferred to the credit of the item designated and notify the Legislative Budget Officer upon the effective date thereof. Cumulative transfers or allotments in excess of $200,000.00 from or to any account and any transfer or allotment, regardless of amount, to or from a line item in the category of accounts identified as Grant or Special Purpose, other than those in the category of Salary and Other Benefits in the Interdepartmental Accounts, shall be transmitted to the Legislative Budget Officer for his approval or disapproval and returned to the Director of the Division of Budget and Accounting within 10 working days. In all cases where, by the provisions of this act, a request for transfer or allotment of any funds, or any other action, requires approval of the Legislative Budget Officer, the request shall be deemed to be approved by the Legislative Budget Officer, if, within 20 working days of the physical receipt of the request, the Legislative Budget Officer does not disapprove the request and so inform the requesting officer. Except as otherwise provided, no sum appropriated for any capital improvement shall be used for maintenance or for any temporary purpose except extraordinary snow removal and extraordinary transportation maintenance. However, any item for capital improvement may be transferred to any other item of capital improvement. Transfers or allotments between or among State Aid, Direct State Services, Capital Construction, or Debt Service
accounts may be made only if approved by the Subcommittee on Transfers of the Joint Appropriations Committee.

10. When the duties or responsibilities of any department or branch, except for the Legislature and any of its agencies, are transferred to any other department or branch, it shall be the duty of the Director of the Division of Budget and Accounting and he is hereby empowered to transfer funds appropriated for the maintenance and operation of any such department or branch to such department or branch as shall be charged with the responsibility of administering the functions so transferred. The Director of the Division of Budget and Accounting shall have the authority to create such new accounts as may be necessary to carry out the intent of the transfer. Information copies of such transfers shall be transmitted to the Legislative Budget Officer upon the effective date thereof. Where such transfers may be required among appropriations made to the Legislature and its agencies, the Legislative Budget Officer, subject to the approval of the President of the Senate and the Speaker of the General Assembly, is hereby empowered and it shall be his duty to effect such transactions hereinabove described and to notify the Director of the Division of Budget and Accounting upon the effective date thereof.

11. The Director of the Division of Budget and Accounting is empowered and it shall be his duty in the disbursement of funds for payment of expenses classified as employee benefits, debt service, rent, telephone, motor pool, insurance and postage to credit or transfer to the Department of the Treasury, or to the General Fund, as applicable, from any other department, branch or non-State fund source out of funds appropriated thereto, such sums as may be required to cover the costs of such payment attributable to such other department, branch or non-State fund source as the Director of the Division of Budget and Accounting shall determine. Receipts in any non-State funds are appropriated for the purpose of such transfer.

12. The Director of the Division of Budget and Accounting shall make such correction of the title, text or account number of an appropriation necessary to make such appropriation available in accordance with legislative intent. Such correction shall be by written ruling, reciting in appropriate detail the facts thereof, and reasons therefor, attested by the signature of said Director of the Division of Budget and Accounting and filed in the Division of Budget and Accounting of the Department of the Treasury as
an official record thereof, and any action thereunder, including disbursements and the audit thereof, shall be legally binding and of full force and virtue. An official copy of each such written ruling shall be transmitted to the Legislative Budget Officer, upon the effective date of such ruling.

13. The Director of the Division of Budget and Accounting is empowered to establish revolving and dedicated funds as required. Notice of the establishment of such funds shall be transmitted to the Legislative Budget Officer, upon the effective date thereof.

14. The Governor is empowered to direct the State Treasurer to transfer from any State department to any other State department such sums as may be necessary for the cost of any emergency occasioned by aggression, civil disturbance, sabotage, disaster, or for flood loss expenses for State owned structures to comply with federal insurance administration requirements.

15. The Director of the Division of Budget and Accounting is empowered to transfer or credit to any central data processing center from any appropriation made to any department for data processing costs which had been appropriated or allocated to such department for its share of costs of such data processing center including the replacement of data processing equipment and the purchase of additional data processing equipment.

16. The Director of the Division of Budget and Accounting is empowered to transfer or credit to the Microfilm Section from any appropriation made to any department for microfilming costs which had been appropriated or allocated to such department for its share of costs of the Microfilm Section within the State Library.

17. Upon request of any department receiving non-State funds, the Director of the Division of Budget and Accounting is empowered to transfer such funds from that department to other departments as may be charged with the responsibility for the expenditure thereof.

18. From appropriations to the various departments of State Government, the Director of the Division of Budget and Accounting is empowered to transfer sums sufficient to pay any obligation due and owing in any other department or agency.

19. Notwithstanding the provision of any other law, the State Treasurer may transfer from any fund in his custody, deposited with him pursuant to law, sufficient sums to enable payments from
any appropriation made herein for any obligations due and owing. Any such transfer shall be restored out of the taxes or other revenue received in the Treasury in support of this act. Except for transfers from the several funds whose statutes provide for interest earnings to accrue to the fund, all such transfers shall be without interest. When the statute provides for interest earnings it shall be calculated at the average rate of earnings during the fiscal year from the State's general investments.

20. There is constituted a Subcommittee on Transfers of the Joint Appropriations Committee, appointed by its chairman, which shall consist of two members of the Assembly Committee on Revenue, Finance and Appropriations, one of each political party; two members of the Senate Committee on Revenue, Finance and Appropriations, one of each political party; and the Chairman of the Joint Appropriations Committee.

21. If pursuant to this act, the Legislative Budget Officer should withhold his approval from any transfer, the Subcommittee on Transfers of the Joint Appropriations Committee is empowered to review such transfer, and may direct that said Legislative Budget Officer approve it.

22. The total appropriation which is subject to the provisions of P. L. 1976, c. 67 (C. 52:9H-5 et seq.) is authorized to exceed the limitation provided therein by an amount equal to any reduction in the Federal funds received for any program.

23. Federal grant and project receipts representing reimbursement for agency and central support services, indirect and administrative costs, as determined by the Director of the Division of Budget and Accounting, shall be transmitted to the Department of the Treasury for credit to the General Fund. The Director of the Division of Budget and Accounting may reallocate that portion of the Federal appropriation of the department so determined for the purpose of reimbursing the General Fund for agency and central support services, indirect and administrative costs into a special account for that purpose. The Director of the Division of Budget and Accounting shall not permit any reduction in the amount an agency transmits to the Department of the Treasury without first notifying the Legislative Budget Officer and providing him with documentation to support that reduction. Such receipts shall be forwarded to the Director of the Division of Budget and Accounting upon completion of the project or at the end of the fiscal year, whichever occurs earlier.
24. Notwithstanding the provisions of P. L. 1954, c. 48 (C. 52:34-6 et seq.), sums appropriated for services for the various State departments and agencies may be expended for the purchase of contract services from the New Jersey Marine Sciences Consortium and New Jersey Education Computer Network (NJECN) as if they were State Government agencies pursuant to P. L. 1954, c. 48, s. 5(a) (C. 52:34-10(a)).

25. The Director of the Division of Budget and Accounting may settle any claim not exceeding $100.00 due and owing to the State.

26. Notwithstanding any other provisions of this act, the State Treasurer, upon warrant of the Director of the Division of Budget and Accounting, shall pay any claim not exceeding $500.00 out of any appropriations made to the several departments, provided such claim is recommended for payment by the head of such department. The Legislative Budget Officer shall be notified of the amount and description of any such claim at the time such payment is made. Any claimant who has presented a claim not exceeding $500.00, which has been denied or not recommended by the head of such department shall be precluded from presenting said claim to the Legislature for consideration.

27. Out of the appropriations herein, the Director of the Division of Budget and Accounting is empowered to approve payments to liquidate any unrecorded liabilities for materials delivered or services rendered in prior fiscal years upon the written recommendation of any department head, or his designated representative. The Director of the Division of Budget and Accounting shall reject any recommendations for payment which he deems improper.

28. Any unexpended balance as of June 30, 1983 not exceeding $100.00, in the several Federal, dedicated, other non-State, and revolving funds where there has been no activity in the account during the preceding 12 months shall be transferred to a suspense account for a period not to exceed three years; provided, however, that such sums as may be required for refunds are appropriated. Any unclaimed or unexpended balances remaining after three years shall be lapsed to the credit of the General Fund as determined by the Director of the Division of Budget and Accounting.

29. The Director of the Division of Budget and Accounting may, upon application therefor, allot from appropriations made to any official, department, commission or board, a sum to establish a petty cash fund for the payment of expenses under rules and regulations
established by said Director. Allotments thus made by the Director of the Division of Budget and Accounting shall be paid to such person as shall be designated as the custodian thereof by the official, department, commission or board making a request therefor, and the money thus allotted shall be disbursed by such custodian who shall require a receipt therefor from all persons obtaining money from said fund. Such receipts shall be forwarded monthly by such custodian to the Director of the Division of Budget and Accounting for audit, and said Director shall likewise make regulations governing disbursement from petty cash funds.

30. State agencies shall prepare and submit a copy of their departmental spending plan involving all State, federal, and other non-State funds to the Director, Division of Budget and Accounting and the Legislative Budget Officer by October 1, 1983 and an updated spending plan on January 1 and April 1, 1984. The spending plans shall account for any changes in departmental spending which differ from this appropriations act and all supplements to this act. The spending plans shall be submitted on forms specified by the Director, Division of Budget and Accounting.

31. The Director, Division of Budget and Accounting shall provide the Legislative Budget Officer with copies of all BB-4s, Application for Non-State Funds, and accompanying project proposal or grant application with the exception of research grants awarded to State colleges, which do not require a State match and which will not commit or require State support after the grant’s expiration, prior to the Director’s approval or disapproval of the application.

32. The appropriate executive agencies shall prepare and submit to the Joint Appropriations Committee by March 1, 1984 reports on proposed expenditures during FY 1985 for the following federal programs: the alcohol, drug abuse and mental health block grant; the education block grant; the community services block grant; the jobs training partnership block grant; the low energy assistance block grant; the maternal and child health block grant; the preventive health and health services block grant; the small cities block grant; and the social services block grant. Such reports shall account for all federal, State and local funds which are anticipated to be expended on block grant programs, shall provide an accounting of block grant expenditures during the prior fiscal year, and shall provide a detailed list of contracts awarded to provide services under the block grants.
33. The Director of the Division of Budget and Accounting shall record revenue of not more than $20 million from the federal social services block grant as a June 30, 1983 receivable with a corresponding increase to General Fund undesignated fund balance as of June 30, 1983, as the Director shall determine.

34. In establishing federal receivables each agency shall indicate the amount anticipated for each federal program under its jurisdiction. On September first and December first, 1983 and March first and June first, 1984, each agency shall report to the Director, Division of Budget and Accounting and the Legislative Budget Officer the amount of federal funds each agency received in the previous quarter by individual federal program.

35. The Legislative Budget Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is authorized to adjust the appropriations bill to reflect any reorganizations which have been implemented since the formulation of the Governor's Budget. This shall include, but is not limited to, the transfer of the State Museum, Historical Commission and the Council on the Arts from the Department of Education to the Department of State.

36. The Legislative Budget Officer with the cooperation and assistance of the Director of the Division of Budget and Accounting is hereby directed and empowered to cause this act to be printed in bill form, including such addenda as may be attached, subject to the approval of the Chairman of the Joint Appropriations Committee, and is empowered to make such corrections before printing as are necessary to make the appropriations herein available in accordance with legislative intent.

37. There shall be constituted a Subcommittee on Personnel of the Joint Appropriations Committee, appointed by its Chairman, which shall consist of a Subcommittee Chairman from the majority members of the Assembly Committee on Revenue, Finance and Appropriations, and four other members, two from each political party from the members of the Joint Appropriations Committee.

38. The Director of the Division of Budget and Accounting is hereby authorized to review the total complement of budgeted positions now maintained among the various Executive Departments and abolish not less than 525 positions which have remained vacant for eight months or more, as of June 30, 1984.

39. This act shall take effect July 1, 1983.

Approved June 30, 1983.
STATEMENT TO SENATE BILL No. 3500

I am today returning Senate Bill No. 3500 with my signature, along with certain constitutionally permitted modifications set forth in the statement appended thereto.

In its basic components, this Budget is essentially the one which I delivered to the Legislature on January 31 of this year. As I observed then, these are difficult times and this Budget reflects these times.

This remains a Budget which demands that we meet the challenge of diminishing resources with imagination and a willingness to make difficult but necessary decisions and choices. This budget is a tool which we can use to revitalize New Jersey's economy and put our people back to work. Yet, it clearly recognizes our society's obligation to aid the needy, support the aged, and care for those who cannot defend and care for themselves.

I am proud to note that this Budget has required no new taxes or fiscal gimmickry. To achieve this end required difficult choices, as we held the operating budgets of 17 departments constant in the document which I originally delivered to the Legislature, and on the whole there have been few significant departures from that standard. Accordingly, the drafting of this Budget required difficult decisions on the part of each Cabinet member and each program manager throughout State government.

I am pleased that, in preserving the basic integrity of this Budget, the Legislature has also shown the willingness and the courage to make similarly difficult decisions as we have cooperated in keeping spending at close to continuation levels in most operating areas. This is a Budget which does not ask the citizens of New Jersey to pay higher taxes, nor does it indirectly mortgage our future with the kind of short-term fiscal trickery which only puts off financial obligations until a future date.

The Legislature did propose to add funds for several worthwhile programs. Unfortunately, we do not have the revenues to fund all of these increases. As a result, this message reflects some difficult but necessary choices made by my Administration in holding down State spending. The Legislature must learn to accept the fact that it cannot mandate increases in spending without specifying revenue sources or alternative cuts in spending to pay for these increases.
This Budget is the first one which I, together with my Cabinet and Administration, have been able to put together from its earliest stages. As such, it can be viewed as an initial step in our effort to establish a system in New Jersey of management improvement where government lives within its means, where the dollars we spend return the greatest possible value to our taxpayers, and where we insist that all managers throughout State government use each and every dollar they spend carefully, cost-effectively, and with the kind of imagination and creativity that enables us to indeed achieve more with less.

Uncertainty over the amount of federal aid which may be available to the State prohibits me from making a like certification in the case of federal funds. Federal monies specified in the appropriations bill cannot be regarded as immediately available for expenditure. Pursuant to P. Pursuant to Article V, Section 1, Paragraph 15 of the Constitution, I am appending to Senate Bill No. 3500 at the time of signing it, this statement of the items, or parts thereof, to which I object so that each item, or part thereof, so objected to shall not take effect.

Summary

This Appropriations Bill, with my veto recommendations, provides a spending plan for Fiscal Year 1984. The total appropriation for all State funds is $6,771.7 million, an increase of $481.6 million, or 7.7% over the Fiscal Year 1983 appropriation, the smallest percentage increase in the last four years.

This bill provides for an increase in Direct State Services spending of approximately $213.1 million, and $211.1 million increase in State Aid. Total State Aid spending will approximate $3,745.8 million in Fiscal Year 1984 and represents in excess of 55% of all State spending. The largest single State Aid appropriation in the Budget is aid to local school districts. For Fiscal Year 1984 such aid will amount to $2,155.9 million and is $154.0 million more than is currently being funded.

My veto recommendations are predicated on the fact that a budget totaling $6.7 billion must have an adequate surplus. Therefore, my veto recommendations total $25.6 million and will enable the General Fund to have a surplus on June 30, 1984 of approximately $48.8 million. The surplus in the Property Tax Relief Fund will be $5.0 million, and in the Casino Revenue Fund, approximately $20.0 million.

I have reduced the funds for the following programs in the amounts indicated in order to build the surplus back to a reasonable level.

"Direct State Services"

Department of Agriculture

— $60,000 Commodity promotion (leaves $325,000 of the increase added by the Joint Appropriations Committee, which is a sufficient amount for the Department to administer this program).

— 166,000 Soil conservation districts (leaves $15,000 of the increase added by the Joint Appropriations Committee).

Department of Community Affairs

— 23,290 Ombudsman’s Office (leaves $76,710 of the increase added by the Joint Appropriations Committee and provides for a continuation budget).
DEPARTMENT OF CORRECTIONS

— 41,000 Transportation assistance families of inmates (leaves $9,000 of the increase added by the Joint Appropriations Committee and provides for a continuation budget).

DEPARTMENT OF DEFENSE

— 243,000 Miscellaneous accounts (leaves $1,066,000 of the increase added by the Joint Appropriations Committee to assure effective administration of the National Guard).

DEPARTMENT OF HIGHER EDUCATION

— 20,000 For the Eagleton Poll. This leaves $80,000 of the increase added by the Joint Appropriations Committee, which is equal to the Eagleton Poll's current budget shortfall. This is a one-time allocation only, and not the beginning of a permanent State subsidy of the Eagleton Poll. In meeting any future shortfalls, the Eagleton Poll should, since it competes with private polling networks, look to the private sector for assistance. Since it will now be receiving this $80,000 in taxpayer assistance, the Eagleton Poll will be expected to comply with the guidelines established by Common Cause on the release of polls and background data.

— 175,000 Aid to independent colleges
— 1,250,000 State Colleges
— 1,250,000 Rutgers University
— 300,000 New Jersey Institute of Technology
— 72,250 Fairleigh Dickinson University Dental School

(these reductions represent 50% of the increases added by the Joint Appropriations Committee; an equal amount still remains in each case).
DEPARTMENT OF THE PUBLIC ADVOCATE

— $100,000 Citizens’ Complaints and Dispute Settlement

— 190,000 Public Interest Advocacy (increases required to fund the Public Defender and Child Abuse Representation programs necessitate reductions in these Public Advocate programs. The Department in total is increased approximately $3.2 million over FY 1983).

STATE AID

DEPARTMENT OF COMMUNITY AFFAIRS

— $500,000 Legal Services (leaves $500,000 of the increase added by the Joint Appropriations Committee, which results in a $500,000 increase over FY 1983).

— 625,000 Aid to Jersey City (leaves $625,000 of the increase added by the Joint Appropriations Committee).

— 150,000 Additional funding for Special Municipal and Safe and Clean Aid (leaves $450,000 of the increase added by the Joint Appropriations Committee).

DEPARTMENT OF EDUCATION

— 2,600,000 Non-public handicapped aid. (This leaves $2,600,000 of the increase added by the Joint Appropriations Committee, which shall provide for speech therapy programs. An additional $4,800,000 will be provided by Senate Bill No. 3433).

— 250,006 High School Equivalency (leaves $250,000 of the increase added by the Joint Appropriations Committee).

— 250,000 Handicapped infants (leaves $1,750,000 of the increase added by the Joint Appropriations Committee).

DEPARTMENT OF ENVIRONMENTAL PROTECTION

— 200,000 Dredging (leaves $650,000 in dredging funds added by the Joint Appropriations Committee, which is a $650,000 increase over FY 1983).
DEPARTMENT OF HEALTH
— 1,212,912 Local health aid (reduces the per capita from 50¢ to 37.5¢, but still provides a 50% increase over FY 1983, from 25¢ to 37.5¢).

DEPARTMENT OF HIGHER EDUCATION
— 1,500,000 Aid to County Colleges (leaves $2 million of the increase added by the Joint Appropriations Committee).

CAPITAL CONSTRUCTION
DEPARTMENT OF ENVIRONMENTAL PROTECTION
— $100,000 Renovate Old Barracks (leaves $50,000 of the increase added by the Joint Appropriations Committee).

The following items are vetoed for the reasons provided:

DIRECT STATE SERVICES
— $100,000 in the Department of Civil Service to implement pending legislation (S-1883) which establishes a task force to advise and monitor Civil Service efforts in the area of wage discrimination. The legislation should provide for an appropriation.

— 50,000 in the Department of Commerce and Economic Development to fund an Office of Small Business Assistance Set-Aside program subject to the enactment of S-2032. The legislation should provide for an appropriation.

— 136,000 in the Department of Corrections for Camden Community Service Center renovations and rent. Existing funds in the department are sufficient for this purpose.

— 97,000 in the Department of Corrections for the Theatre Without Bars program. This was not requested by the department.

— 25,000 in the Department of Education for a gifted and talented program in the City of Trenton. It is inappropriate to earmark such a large percentage of this program to a single municipality.
— $12,000 in the Department of Energy for salary increases for the Board of Public Utilities.

— $100,000 in the Department of Health for the Somerset Medical Center to purchase equipment. The DRG system of reimbursement provides funds for equipment replacement.

— $3,000,000 in the Department of Higher Education for tuition aid grants. Language is included in the Appropriations Act to permit the carry forward of FY 1983 balances in tuition aid grant funds into FY 1984. With this carry forward, the amount available for tuition aid grants in FY 1984 is the full amount requested by the Department.

— $45,000 in the Department of Human Services to study the Diagnostic Related Group (DRG) system pending enactment of A-3527. Studies are already in progress at both the State and Federal levels.

— $1,000,000 in the Department of Labor for summer youth employment. Sufficient federal funds are available through CETA and the Emergency Jobs bill for the summer youth program.

— $75,000 in the Department of Law and Public Safety for the fingerprinting of school bus drivers. The applicants should be charged a fee to cover this cost.

— $198,357 in the Department of the Public Advocate for advocacy for the developmentally disabled. The State does not have the resources to assume all Federal cutbacks. The Department of the Public Advocate in total is increased approximately $3.2 million over FY 1983.

— $20,000 in the Department of State for Heritage Day Festival, Trenton. Direct State appropriation for this type of program is not proper. Grant should be sought from an appropriate agency such as Office of Ethnic Affairs or Council on the Arts.

— $23,900 for the Delaware River Basin Commission.
— $1,250,000 for Essex County.

— 30,000 for North Hudson Council of Mayors.

Neither of these programs was requested by the Department of Community Affairs. State Aid would be provided here without any specific statutory provision or any grant application review process.

— 475,258 in the Department of Community Affairs for Urban Aid and Safe and Clean Funds for municipalities which would be eligible if A-2063 were enacted. A-2063 should provide a supplemental appropriation.

— 150,000 in the Department of Community Affairs for the International Youth Organization. These funds were not requested by the Department and there is no appropriation in fiscal year 1983.

— 3,355,976 in the Department of Community Affairs for County Welfare Equalization. Counties will receive in their 1983 budgets the $3.3 million supplemental appropriation made in fiscal year 1983 and the $15.0 million in the Governor’s Fiscal Year 1984 Budget. The amount being vetoed was not anticipated by the counties in their current budgets.

— Carry forward in the Department of Community Affairs of the balance in the Capital Trade and Civic Center account ($1.5 million). The language would make these funds available for renovation and repairs to the War Memorial Building in Trenton. I support the renovation of the War Memorial, but feel that this should be presented to me in a separate, detailed supplemental appropriations bill.

— 100,000 in the Department of Education for an actuarial study of the cost of permitting veterans to retire from TPAF at age 55 after 25 years’ aggregate service. The Pension Review Study Commission should cover this issue along with many other pension issues.

— 103,000 in the Department of Environmental Protection for accrued tax and pension liabilities of the Hazlet/Kearnsburg/Middletown Joint Flood Control Com-
mission. This need is the result of the municipalities not providing the local match called for in the agreement between the parties. The State has provided its contribution. The municipalities should cover this need with local funds.

— 3,500,000 in the Department of Human Services for the Cuban/Haitian General Assistance program. Based on a revised caseload estimate, this reduction can be made without impacting the current program.

**CAPITAL CONSTRUCTION**

— $500,000 in the Department of Environmental Protection for recreational land and water development in Pennsauken. This project could be funded through the local Green Acres bond fund program.

**FEDERAL FUNDS**

— $1,000,000 in the Department of Community Affairs for Youth in Community Services programs. The intent is to utilize Emergency Jobs bill funds for this program. However, the funds cited for this purpose (Summer Youth Employment Program) go directly to prime sponsors authorized under the CETA formula. Only a very small amount, $60,465, goes through the State. Therefore, it is not possible to appropriate $1 million from this source through the State for the program indicated.

As always, I stand ready to work with the Legislature to address the needs of our great State.

Respectfully,

/s/ Thomas H. Kean,
Governor.

Attest:

/s/ W. Cary Edwards,
Chief Counsel to the Governor.

L. 1979, c. 150 (C. 27:25–1 et seq.). A public hearing shall be held on these proposed rules and regulations pursuant to subsections (a) and (g) of section 4 of the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-4); and

y. To receive and accept aid, donation or contribution from any public or private source, of either money, property, labor or other
things of value, to be held, used and applied only for the purposes for which such aid, donation or contribution may be made.

C. 40:35B-15.1 Regulation of motorbus service, parking.

2. (New section) a. If a plan is established under subsection x. of section 15 of P. L. 1980, c. 44 (C. 40:35B-15), it may provide for: (1) the designation of certain routes upon which motorbus regular route and charter services shall be permitted to travel and, with the consent of the affected municipalities, the posting of signs by the authority to this effect. The authority may require the owner or operator of a bus entering the district over which the authority has jurisdiction to file with the authority a notice, in the form and manner which the authority may direct, indicating the proposed route and destination or destinations and the parking facility at which the motorbus intends to park. The authority may issue a permit without charge to the owner or operator filing this notice; (2) the regulation of the manner in which buses may travel to points of loading and unloading by providing for the interception and dispatching of the buses; (3) regulation of the activities of the buses incident to their reception at and leaving of, places of business, in particular casino hotels; (4) the requirement that the buses entering a municipality in which casino gaming is authorized park at a parking facility which can accommodate motorbus parking situated in the district over which the authority has jurisdiction and which is owned, operated or leased by the authority or licensed as a parking facility by a municipality to any other person or is a privately owned parking facility in existence as of February 1, 1983, which exclusively accommodates motorbuses owned by the owner of the parking facility and does not rent or lease the facility or its use to any other motorbus. This shall not apply to those motorbuses, as determined by the authority, which have as their ultimate destination their point of origin, without the necessity of interrupting a continuous journey for the purpose of stopping within the district, except for the purpose of discharging passengers or those motorbuses whose only destination within the district is a bus terminal designated by the authority as a public bus terminal. Such a motorbus shall complete its journey by the most direct and expeditious route, as provided by the authority; (5) licensing and regulation of parking facilities which can accommodate motorbus parking not owned, operated or leased by the authority, the New Jersey Expressway Authority or a municipality, including the regulation of size, location, utilization and operation of the facilities, except that any such
parking facility in existence as of February 1, 1983, and licensed by a municipality as a parking facility shall be exempt from this regulation and licensure requirement, provided there is no increase in the licensed capacity of the facility after February 1, 1983, or any transferral of license. However, in the event of an application for the renewal of the license of any exempt parking facility, the municipality originally granting or issuing the license may grant or issue a renewal of the license without approval of the authority until July 1, 1986. Thereafter, any renewal shall be with the consent of the authority, provided that the authority may not withhold its consent unless the authority shall establish that renewal of the license of the parking facility would be detrimental to the orderly flow of motorbus regular route or motorbus charter services within the district or within the affected municipality or contrary to the public health, safety, welfare or convenience. In addition, the municipality originally granting or issuing the license may continue, in accordance with law, to regulate any exempt parking facility without approval of this regulation by the authority until July 1, 1986. Thereafter, it shall be required that any regulation of the exempt facilities by the municipality be approved by the authority and, in like fashion, any regulation of the exempt facilities by the authority shall be approved by the municipality. The authority shall notify and request comment from any municipality affected by rules and regulations concerning licensure and regulation of parking facilities which can accommodate motorbus parking in accordance with subsection d. of this section. This subsection shall not apply to a privately owned parking facility in existence as of February 1, 1983, which exclusively accommodates motorbuses owned by the owner of the parking facility and does not rent or lease the facility or its use to any other motorbus, provided there is no increase in the capacity of the facility after February 1, 1983.

b. In order to defray the cost of implementing this plan, the authority may establish a reasonable service charge to be paid by the owner or operator of each motorbus which shall enter a municipality in which casino gaming is authorized, which service charge shall be collected in such a manner as the authority may direct, and shall not exceed $1.00. This subsection shall not apply to those motorbuses whose only destination within the district is a bus terminal designated by the authority as a public bus terminal.

The authority is empowered to require casino hotels in a municipality in which casino gaming is authorized to furnish it with
such information as is necessary to collect the reasonable service charge referred to in this subsection.

c. Rules and regulations promulgated by the authority under this section may include the provision for an assessment of penalties for any violation of these rules and regulations not to exceed $500.00 for any single violation. Any violation of these rules and regulations shall be prosecuted by the municipality wherein the violation occurred. All moneys collected as a result of the imposition of fines in cases prosecuted by the municipality shall be paid to the municipality. However, if, in the judgment of the Commissioner of Transportation, any municipality shall fail to enforce adequately the provisions of these rules and regulations, proceedings to enforce rules and regulations in that municipality shall be prosecuted by the authority, and moneys collected as a result of the imposition of fines shall be paid to the authority. Proceedings under this section may be instituted on any day of the week and institution of proceedings on a Sunday or holiday shall be no bar to successful prosecution. Any process served on a Sunday or holiday shall be valid as if served on any other day of the week.

d. The authority shall notify by personal service or registered or certified mail (return receipt requested) the clerk of any municipality to be affected by the rules and regulations to be promulgated under this section at least 15 days prior to their promulgation and request comment from the municipality.

e. All rules and regulations promulgated under this section shall be submitted to the Commissioner of Transportation for review prior to adoption by the authority pursuant to the "Administrative Procedure Act," P. L. 1968, c. 140 (C. 52:14B-1 et seq.) and the commissioner shall have 30 business days to approve or reject the rules and regulations. If the commissioner rejects the rules and regulations, they shall not be approved. If the commissioner approves the rules and regulations or fails to act within 30 business days after submission, then the authority may adopt the rules and regulations.

f. Notwithstanding any other provisions of this section, if within 90 days of the effective date of this act the board finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 30 days' notice as required by the "Administrative Procedure Act," P. L. 1968, c. 410 (C. 52:14B-1 et seq.) and states in writing its reasons for that finding, and the commissioner approves and the Governor concurs in writing that an imminent peril exists, it may proceed without prior
notice or hearing or upon any abbreviated notice or hearing that
it finds practicable to adopt the rule. Notwithstanding the pro-
visions of the "Administrative Procedure Act," P. L. 1968, c. 410
(C. 52:14B-1 et seq.), the rule shall be effective for a period of
not more than six months from the effective date of this act.

g. In order to provide for equitable treatment of all motorbus
carriers, including those exempted from this act, and for the proper
routing of all such carriers, the Commissioner of the Department
of Transportation, or the Board of the New Jersey Transit Corpo-
racion, as the case may be, may adopt policies and issue rules and
regulations providing for the routing, interception, dispatching,
reception and leaving of places of business of exempt motor-
buses, in a manner consistent with subsection a. of this section.

h. The Chairman of the Senate Transportation and Communica-
tions Committee and the Chairman of the Assembly Transportation
and Communications Committee shall receive copies of any rules
and regulations to be adopted by the authority at the same time
as they are submitted to the commissioner or if not submitted to
the commissioner at the same time as they are submitted to the
Governor as provided in the "Administrative Procedure Act,"
P. L. 1968, c. 410 (C. 52:14B-1 et seq.).

3. This act shall take effect immediately.

provisions of section 2, notwithstanding any other provision of
law to the contrary.

sheriff of the county, a warrant directed to the commissioner,
stating the conviction and sentence, appointing a date on which the
sentence shall be executed, and commanding the commissioner to

judge authorized to act pursuant to subsection a. of this section,
at the conclusion of the appellate process, if the conviction or
sentence is not set aside, shall make out, sign and deliver another warrant as provided in subsection a. of this section. If the execution of the sentence on the date appointed is delayed by any other cause, the judge shall, as soon as such cause ceases to exist, make out, sign and deliver another warrant as provided in subsection a. of this section.

c. The date appointed in the warrant shall be not less than 30 days and not more than 60 days after the issuance of the warrant. The commissioner may fix the time of execution on that date.

b. During the confinement and isolation no person shall be allowed physical access to him without a court order which shall not be unreasonably withheld, except corrections officers and officials, his counsel, and the members of his immediate family, and then only in accordance with the department’s rules for security. 7. a. The commissioner, the persons designated by the commissioner to act as execution technicians, and two licensed physicians shall be present at the execution. The commissioner shall also select and invite the presence of, by at least three days’ prior notice, six adult citizens. The names of the execution technicians shall not be disclosed, and the names of the six adult citizens who witnessed the execution shall not be disclosed until after the execution.

b. The commissioner shall, at the request of the person sentenced to death, authorize and permit no more than two clergymen, who are not related to the inmate, to be present at the execution.

c. The commissioner shall permit eight representatives of the news media to be present at the execution, for the purpose of giving their respective newspapers and associations accounts of the execution. The eight representatives shall be composed of two representa-

Immediately following the execution, the eight representatives of the news media may hold a press conference for the purpose of giving other news representatives an account of the execution.

d. The commissioner shall not authorize or permit any person who is related by either blood or marriage to the sentenced person or to the victim to be present at the execution, nor shall the commissioner authorize or permit any other person to be present, except those authorized by this section.

c. The commissioner may appoint a deputy within the department to execute the warrant of execution and to perform all the other duties imposed upon the commissioner by this act.

C. 2C:49-9 Disposition of body.

9. a. Prior to the execution, the inmate shall be given the opportunity to decide in writing to whom his body shall be delivered after the execution. The commissioner or his deputy designated pursuant to subsection e. of section 8 of this act shall sign and authorize the inmate’s request if the request is not contrary to public policy or law. If the inmate does not indicate to whom his body shall be delivered or if his request is contrary to public policy or law, then the body of an inmate who has been legally executed shall be embalmed immediately and so directed by the commissioner, unless prior to execution, the inmate, relative, or bona fide friend indicates that the body is to be cremated or buried within 48 hours after death. If the body is not demanded or requested by a relative or bona fide friend within 72 hours after execution then it shall
be delivered to a duly authorized and incorporated pathological and anatomical association in the State, if requested by an authorized association. If the body is requested by a relative or bona fide friend, the State shall pay a fee, not to exceed $25.00 to the mortician for his services in embalming the body for which the mortician shall issue to the State a written receipt. If the body is requested by a duly authorized and incorporated pathological and anatomical association, the association shall pay a fee, not to exceed $25.00 to the mortician for his services in embalming the body for which the mortician shall issue to the association a written receipt. When the receipt is delivered to the commissioner, the body of the deceased shall be delivered to the party named in the receipt or his authorized agent.

b. If the body is not delivered to a relative, bona fide friend, or a duly authorized and incorporated pathological and anatomical association, the commissioner shall cause the body to be decently buried, and the fee for embalming shall be paid by the State, and no religious or other services shall be held over the body after the execution, except within the facility selected for the execution by the department, and no one shall be present at the service except the officers of the prison, the person conducting the services and relatives by blood or marriage of the person executed.

c. The commissioner shall contact the Social Security Administration, Veterans' Administration, Public Welfare, and appropriate insurance companies for any possible death benefits to offset the State incurred burial expenses. The inmate's account may also be used for burial expenses.

C. 2C:49-10 Execution delayed for pregnant inmate.

10. a. If there is reasonable ground to believe that a female inmate, sentenced to the punishment of death, is pregnant, the superintendent of the State institution having custody of the inmate shall impanel a jury of three licensed physicians to inquire into her pregnancy. A physician acting as a juror upon this inquisition need not be qualified to serve as a juror in a court of record.

b. The inquisition of the jury shall be signed by the jurors and the superintendent of the institution. If it is found by the jury that the inmate is pregnant, the superintendent shall suspend the execution of the warrant directing her execution until he receives a warrant from the commissioner directing that the convict be executed.

c. The superintendent shall immediately transmit the inquisition to the commissioner, who, as soon as he is satisfied that the inmate...
is no longer pregnant, shall issue his warrant, appointing a time and place for her execution, pursuant to her sentence.
